Each “‘RAW KNOWLEDGE’ OF THE DIVINE” that will emanate from the “QUERUB” instance will also carry in it, sufficiently precise descriptions of the “DIVINE PRIMARY WEALTH” that “THE DIVINE”, IHVH, our FATHER would have chosen to share with the attribute “NON DIVINE”. The exact descriptions of such “DIVINE PRIMARY WEALTH” are elusive in the attribute “NON DIVINE”.

“THE DIVINE FORCE” will not unveil them on the “QUERUB” instance; they will be part of the “DIVINE MYSTERIES”.

It is so that, by analogy to the first “Formative Divine Particle”, “THE DIVINE ARCHITECT AND PROJECT MASTER” has defined a unique instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model by adding an ability proper to the “Specific Energy ‘SPIRIT’ Substance” of the “‘SPIRIT←SPIRIT’ Body” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model and from which will abundantly emanate sufficiently precise descriptions of “DIVINE MYSTERIES”.

These sufficiently precise descriptions of “DIVINE MYSTERIES” will be produced by “THE DIVINE FORCE” and transmitted to this unique instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model through “specific processes” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed and established.

“THE DIVINE ARCHITECT AND PROJECT MASTER” has designated this second and unique instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model by the word which means “EMANATIONS OF DISCERNMENT OF DIVINE MYSTERIES” and the pronunciation of which in the human language will be the

same as that of the word “OPHAN”, also translated as “THRONE”; the attribute of the “Cardinal Point” of the “Generative Divine Particle” in this “DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”.

This second and unique instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model is a metaphor of the “Formative Essence of ‘THE DIVINE’”, and manifestations of this instance into existence in the “Specific Energy ‘CELESTIAL’ Substance” will be called: “OPHAN’IM”.

CHAPTER 139

THE METAPHORS OF “THE DIVINE SUPREME CONFIGURATION” OF SEVEN “DIVINE PARTICLES” EXPRESSED ON THE “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ CREATURE” MODEL — THE “IKARI” INSTANCE

Each “‘RAW KNOWLEDGE’ OF THE DIVINE” that will emanate from the “QUERUB” instance and that will also carry in it, sufficiently precise visual representations or visual messages that will reflect the mark of love of “THE DIVINE” on the “DIVINE PRIMARY WEALTH” that “THE DIVINE”, IHVH, our FATHER would have chosen to share with the attribute “NON DIVINE”, will be prone to laws and principles in order to keep their stability in the “Specific Energy ‘SPIRIT’ Substance” constituent of the “Specific Energy ‘SPIRITUAL’ Domain” in the attribute “NON DIVINE”.

“THE DIVINE FORCE” will not unveil these laws and principles either on the “QUERUB” instance, on the “OPHAN” instance, or on the “MALAK” instance; they will always be part of the “DIVINE MYSTERIES”.

It is so that, by analogy to the third “Formative Divine Particle”, “THE DIVINE ARCHITECT AND PROJECT MASTER” has defined a unique instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model by adding an ability proper to the “Specific Energy ‘SPIRIT’ Substance” of the “‘SPIRIT←SPIRIT’ Body” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model and from which will emanate abundantly laws and principles allowing to keep the stability of the “DIVINE MYSTERIES” in the “Specific Energy ‘SPIRIT’ Substance” constituent of the “Specific Energy ‘SPIRITUAL’ Domain” in the attribute “NON DIVINE”.

These laws and principles will be produced by “THE DIVINE FORCE” and transmitted to this unique instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model through “specific processes” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed and established.

“THE DIVINE ARCHITECT AND PROJECT MASTER” has designated this fourth and unique instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model by the word which means “EMANATIONS OF LAWS AND PRINCIPLES GOVERNING DIVINE MYSTERIES” and the pronunciation of which in the human language will be the same as that of the word “IKARI”, also translated as “PRINCIPALITY”.

This fourth and unique instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model is a metaphor of the “Formative Essence of ‘THE DIVINE’”, and manifestations of this instance into existence in the “Specific Energy ‘CELESTIAL’ Substance” will be called: “IKARI’IM”.

CHAPTER 141

THE METAPHORS OF “THE DIVINE SUPREME CONFIGURATION” OF SEVEN “DIVINE PARTICLES” EXPRESSED ON THE “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ CREATURE” MODEL — THE “HASHMALL” INSTANCE

All the “‘RAW KNOWLEDGE’ OF THE DIVINE” that will emanate from the “QUERUB” instance and that will also carry in it, sufficiently precise visual representations or visual messages that will reflect the mark of love of “THE DIVINE” on the “DIVINE PRIMARY WEALTH” that “THE DIVINE”, IHVH, our FATHER would have chosen to share with the attribute “NON DIVINE”, will not be mere coincidence and will not be manifested into existence in a disorderly way.

But they will be manifested in a precise order and will be interconnected in a unique manner through “specific processes” designed and defined by “THE DIVINE ARCHITECT AND PROJECT MASTER”, to form an orderly and coherent combined group, which must be kept in a functioning order within the temporal limit that “THE DIVINE ARCHITECT AND PROJECT MASTER” has prescribed in the “Specific Energy ‘SPIRIT’ Substance” constituent of the “Specific Energy ‘SPIRITUAL’ Domain” in the attribute “NON DIVINE”.

“THE DIVINE FORCE” will not unveil them (that is, the interconnections and the “specific processes” allowing to establish these interconnections) either on the “QUERUB” instance, on the “OPHAN” instance, on the “MALAK” instance, on the “IKARI” instance, or on the “KO’ACH” instance; they will always be part of the “DIVINE MYSTERIES”.

It is so that, by analogy to the fifth “Formative Divine Particle”, “THE DIVINE ARCHITECT AND PROJECT MASTER” has defined a unique instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model by adding an ability proper to the “Specific Energy ‘SPIRIT’ Substance” of the “‘SPIRIT←SPIRIT’ Body” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model and from which will

abundantly emanate descriptions of the interconnections and the “specific processes” allowing to establish these interconnections between various manifestations of metaphors of “DIVINE MYSTERIES” in the attribute “NON DIVINE”.

These descriptions of the interconnections and the “specific processes” allowing to establish these interconnections will be transmitted to this unique instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model through “specific processes” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed and established.

“THE DIVINE ARCHITECT AND PROJECT MASTER” has designated this sixth and unique instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model by the word which means “EMANATIONS OF INTERCONNECTIONS OF DIVINE MYSTERIES” and the pronunciation of which in the human language will be the same as that of the word “HASHMALL”.

This sixth and unique instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model is a metaphor of the “Formative Essence of ‘THE DIVINE’”, and manifestations of this instance into existence in the “Specific Energy ‘CELESTIAL’ Substance” will be called: “HASHMALL’IM”.

CHAPTER 143

THE METAPHORS OF “THE DIVINE SUPREME CONFIGURATION” OF SEVEN “DIVINE PARTICLES” EXPRESSED ON THE “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ CREATURE” MODEL — THE SEVEN “ANGELICAL ORDERS” AND THE “PRINCIPAL” INSTANCE

It is so that, “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed and established the seven instances of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, described here above to express, on this “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, the particulars of each of the seven “Divine Particles” constituent of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”.

These seven instances of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, are the seven “Angelical Orders”: the “QUERUB” instance, the “OPHAN” instance, the “MALAK” instance, the “IKARI” instance, the “KO’ACH” instance, the “HASHMALL” instance, and the “SERAPH” instance.

Each “Angelical Order”, instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, has the same importance with respect to the others from the perspective of “THE DIVINE”, and these “Angelical Orders” complement each other to form a unique metaphor, of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, expressed on the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model.

This unique metaphor of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” expressed on the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model is “THE KNOWLEDGE OF THE DIVINE”.

It is so that, by analogy to “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, “THE DIVINE ARCHITECT AND PROJECT MASTER” has

This instance is the manifestation of the main unit formed by the seven “Angelical Orders”, without any division: it is the “PRINCIPAL” instance of the “SPIRIT←SPIRIT” ‘CELESTIAL’ Creature” model.

This “PRINCIPAL” instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, is in the attribute “NON DIVINE”, a concrete and living image of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”.

As we have already indicated earlier, in this conception of the “DISTINCT” form in the attribute “NON DIVINE”, as manifestation of a metaphor of the “‘SPIRIT←SPIRIT’ INDISTINCT DIVINE FORM”, “THE DIVINE ARCHITECT AND PROJECT MASTER” has endowed the internal structures of the “Specific Energy ‘SPIRIT’ Substance” with capacities, capabilities and “specific processes” which, among others, allow “THE SEAT OF THE INTELLECT” within this “Specific Energy ‘SPIRIT’ Substance”, to independently: “THINK”, “REASON” and “MAKE DECISIONS”, memorize, learn, acquire intelligence and develop it throughout its existence in order to grow in knowledge, in order to accomplish the “specific work” that HE has designed and established for the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”.

CHAPTER 143
THE METAPHORS OF “THE DIVINE SUPREME CONFIGURATION” OF SEVEN “DIVINE
PARTICLES” EXPRESSED ON THE “‘SPIRIT+SPIRIT’ ‘CELESTIAL’ CREATURE” MODEL — THE
SEVEN “ANGELICAL ORDERS” AND THE “PRINCIPAL” INSTANCE

knowledge of “THE TREE OF LIFE” in order to grow in “THE KNOWLEDGE OF THE DIVINE” as well as in the understanding and knowledge of “THE HOLY PROJECT”.

In the quest for “THE KNOWLEDGE OF THE DIVINE”, the growth of the “Specific Energy ‘SPIRIT’ Substance” constituent of “‘SPIRIT←SPIRIT’ Body” must be done through each of these seven specific abilities added to the “Specific Energy ‘SPIRIT’ Substance” of the “‘SPIRIT←SPIRIT’ Body” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” and on all these seven specific abilities added to the “Specific Energy ‘SPIRIT’ Substance” of the “‘SPIRIT←SPIRIT’ Body” that define the seven “Angelical Orders”, following the same growth stages ranging from the “spiritual awakening” to the “adult spiritual age” passing through the “spiritual childhood” and the “spiritual adolescence”.

Having as such created into existence the “Specific Energy ‘CELESTIAL’ Domain” and having made it habitable through the presence of the First “Specific Energy ‘SPIRIT←LIGHT’ Bridge” that HE has placed within the “Specific Energy ‘CELESTIAL’ Domain”, having also designed and established the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model and all its instances from which living forms, delineated parts and entities of the “Specific Energy ‘CELESTIAL’ Substance” constituent of the “Specific Energy ‘CELESTIAL’ Domain”, will be created, “THE DIVINE”, IHVH, our FATHER undertook to realize all these instances of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model.

THE METAPHORS OF “THE DIVINE SUPREME CONFIGURATION” OF SEVEN “DIVINE
PARTICLES” EXPRESSED ON THE “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ CREATURE” MODEL – THE
SEVEN “ANGELICAL ORDERS” AND THE “PRINCIPAL” INSTANCE

CHAPTER 144

THE SUPREME COMPLETENESS OF “THE DIVINE SUPREME CONFIGURATION” OF SEVEN “DIVINE PARTICLES” AND ITS RELATION WITH THE CREATURES OF THE DIVINE IN THE ATTRIBUTE “NON DIVINE”

As we have indicated earlier, the unique “Divine Septenary Configuration” of seven “Divine Particles” — one “Generative Divine Particle” and six “Formative Divine Particles” in “Movement of Formative Divine Particle” synchronized between them, and, each “Movement of Formative Divine Particle” synchronized with the movement of the “Generative Divine Particle”, and without collisions forever with the passage of time — defines “THE SUPREME COMPLETENESS”; it is an absolute complete model, in every sense of the concept of completeness in mathematics: it is “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” — “THE ABSOLUTE FRAME OF REFERENCE”.

The rules, laws, and the “specific processes” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has established in this unique “DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, formalise entirely and demonstrate the truth of formulas of relations between its seven constituent “Divine Particles” and all products that are formed and those that are consumed in this “DIVINE SUPREME CONFIGURATION”.

The set formed by all these rules, laws, and “specific processes” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has established in this unique “DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, as well as all the countless proposals raised at the beginning of the inference of both all products that are formed and all those that are consumed in this “DIVINE SUPREME CONFIGURATION”, each of these proposals not inferring itself from

any other in this “DIVINE SUPREME CONFIGURATION”, defines what, in human language, is called: “THE REASON”.

Nothing can be added and nothing can be removed in this unique “DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”. This “DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” is “THE DIVINE ATOM”; the infinitely small, unbreakable and homogeneous, alive, and which constitutes, with other elements of the same type and with which it comes into combination, that, which is called: the “DIVINE SUBSTANCE”.

It is in the attribute “NON DIVINE” that “THE DIVINE”, IHVH, our FATHER chose to manifest into existence a metaphor of this “DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, so that this manifestation be also an absolute complete model, on a larger scale, and, which will be represented by the unique “SPECIFIC SUPREME CONFIGURATION” of the “Specific Generative Energy ‘EARTHLY’ Domain” and the six “Specific Formative Energy ‘EARTHLY’ Domains”, with the “Specific Energy ‘CELESTIAL’ Domain” acting as manifestation of a metaphor of the “Cardinal Point” of the “Generative Divine Particle” in “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”: this manifestation defines “THE FRAME OF REFERENCE OF THE ATTRIBUTE ‘NON DIVINE’”.

An action performed by a creature (be it a “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” or any other creature) is said to be rational when it is an element of the set called “THE REASON” and that we have already described. An action performed by a creature (be it a “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” or any other creature), is the realization, the fulfilment, of a decision that has been taken by its “SEAT OF THE INTELLECT”, of which the behaviour itself is governed by the manifestation of “The Walk within the Acronym IHVH” it has been endowed with. No creature (be it a “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” or any other creature), inside the attribute “NON DIVINE”, can escape that Governing Law of the Behavior.

“THE DIVINE ARCHITECT AND PROJECT MASTER” has established the unique “SPECIFIC SUPREME CONFIGURATION” of the “Specific Generative Energy ‘EARTHLY’ Domain” and the six “Specific Formative Energy ‘EARTHLY’ Domains”, to be also an absolute complete model.

HE designed it so that, at the end of its implementation, nothing can be added and nothing can there be removed in this unique “SPECIFIC SUPREME CONFIGURATION” of the “Specific Generative Energy ‘EARTHLY’ Domain” and the six “Specific Formative Energy ‘EARTHLY’ Domains” without impairing its

stability and consequently the defined model will lose its completeness and will be incomplete.²⁸¹

This should not however be taken to imply that the creatures (whether “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” or even any others creatures) that will be manifested into existence inside this “SPECIFIC SUPREME CONFIGURATION” cannot do what they want and how they want to do it.

But this means that any sequence of rational actions performed by a creature (whether “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” or even any other creature), and the products of which, are “PURE” and draw near, starting at a particular passage of time, that will be manifested into existence inside this “SPECIFIC SUPREME CONFIGURATION”, and that will be as such within the specifications that “THE DIVINE ARCHITECT AND PROJECT MASTER” has established, will converge towards (that is, will move towards something well-defined without ever reaching it) a well-defined product and that will be a manifestation of a metaphor of a product which exists already in “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” manifested by this unique “SPECIFIC SUPREME CONFIGURATION” of the “Specific Generative Energy ‘EARTHLY’ Domain” and the six “Specific Formative Energy ‘EARTHLY’ Domains”.²⁸²

²⁸¹ Later during the course of the “Second Phase” of “THE HOLY PROJECT”, the completeness of the designed “SPECIFIC SUPREME CONFIGURATION” of the “Specific Generative Energy ‘EARTHLY’ Domain” and the six “Specific Formative Energy ‘EARTHLY’ Domains” will be impaired by the deeds of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”. We will explain this in a text below.

²⁸² This principle is at the core of prediction, prophecy, of events by inductive, rational knowledge of causes and of effects of the actions performed by the creatures of “THE DIVINE”, in the attribute “NON DIVINE”, and their well-defined convergence point and that will be a manifestation of a metaphor of a product that already exists in “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”.

Any creature (whether it be a “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” or any other creature) in the attribute “NON DIVINE” is in truth a container delimiting a part of the energy produced in the unique “SPECIFIC SUPREME CONFIGURATION” of the “Specific Generative Energy ‘EARTHLY’ Domain” and the six “Specific Formative Energy ‘EARTHLY’ Domains”. Such a delimited energy is prone to the different cause-and-effect relationships of “THE REASON” that govern all the energy produced in the unique “SPECIFIC SUPREME CONFIGURATION”.

Every knowledge concerning “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” and its supreme completeness comes from “THE DIVINE”, and remains

“The Walk within the Acronym IHVH” is the driving process, the Governing Law of the Behavior of any product of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”. This will also hold true with all forms of the manifestation of “The Walk within the Acronym IHVH”. It is so that, the manifestation of “The Walk within the Acronym IHVH”, which is the driving process of those rational actions performed by a creature (be it a “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” or even any other creature), is also behind the achievement of the manifestation of metaphor of such well-defined product that exists already in “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”.

In other words, the supreme completeness of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, manifested in the attribute “NON DIVINE”, on a larger scale, by the unique “SPECIFIC SUPREME

with Him forever. It is so that, any prophecy of these well-defined convergence points and that will be a manifestation of a metaphor of products that already exist in “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, will only come from “THE DIVINE”.

The “SPECIFIC SUPREME CONFIGURATION” of the “Specific Generative Energy ‘EARTHLY’ Domain” and the six “Specific Formative Energy ‘EARTHLY’ Domains” is “THE FRAME OF REFERENCE OF THE ATTRIBUTE ‘NON DIVINE’” in the attribute “NON DIVINE”, characterized by a movement and by a state of equilibrium that will govern any sequence of rational actions performed by a creature (whether “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” or even any other creature) that will be manifested into existence inside this “SPECIFIC SUPREME CONFIGURATION”.

It is so that, this same principle which is at the core of the prediction, the prophecy, will be at the base of that, which will be called: “ASTROLOGY” — which is the contemplation of the eternal truths in the symbols provided by the “SPECIFIC SUPREME CONFIGURATION” of the “Specific Generative Energy ‘EARTHLY’ Domain” and the six “Specific Formative Energy ‘EARTHLY’ Domains”, and the indistinct and delineated parts of the “Specific Energy ‘SPIRITUAL’ Substance”. This, we have indicated already already in a previous section concerning some features of the unique “Divine Septenary Configuration” of one “Generative Divine Particle” and six “Formative Divine Particles”.

For the preparations of the implementation of the “Second Phase” of “THE HOLY PROJECT”, basic education, not in-depth, allowing to contemplate these eternal truths in the symbols provided by this “SPECIFIC SUPREME CONFIGURATION” will be given to the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, and that is what these latters — when they will be in their forfeiture — will start to teach human creatures. This is what ENOCH, of whom METHUSELAH is the descendant, had described in the writings that he had left to humans.

CONFIGURATION” of the “Specific Generative Energy ‘EARTHLY’ Domain” and the six “Specific Formative Energy ‘EARTHLY’ Domains”, implies that there exists a “COHERENCY”, a specific combination, forming a set of principles whose various and separate elements are related in a linkage of adequacy, which brings both satisfaction and assent, preordained by “THE DIVINE ARCHITECT AND PROJECT MASTER”, between:

1. The works of “THE DIVINE” that have been produced within “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”; and
2. The “HOLY” works that will be accomplished by any creature (whether “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” or even any other creature) that will be manifested into existence inside this “SPECIFIC SUPREME CONFIGURATION” of the “Specific Generative Energy ‘EARTHLY’ Domain” and the six “Specific Formative Energy ‘EARTHLY’ Domains”.

As a matter of fact, this “COHERENCY” has been preordained by “THE DIVINE ARCHITECT AND PROJECT MASTER”.²⁸³

The product of such “HOLY” work, which can always be represented by a sequence of rational actions accomplished in “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” by a creature (whether “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” or even any other creature) that will be manifested into existence inside this “SPECIFIC SUPREME CONFIGURATION”, will always be approved by “THE DIVINE”, IHVH, our FATHER; because such a product will be within the limits of proximity of a well-defined product and that already exists in “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”.

Such well-defined product that exists already in “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” is part of the “DIVINE PRIMARY WEALTH” that reveal something specific about “THE DIVINE”, IHVH, our FATHER.

Such a well-defined product and which already exists in “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, appeared in this “DIVINE

²⁸³ See conversation of August 27, 2005, Aristide with CHRIST.

SUPREME CONFIGURATION” of seven “Divine Particles” within well-defined conditions and:

- After a precise number of cycles of the movement of the “Generative Divine Particle” of this “DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”;
- In a very precise step and a very precise sub-step of the products of the “divine work” accomplished by the “Generative Divine Particle”, by the products of the “divine work” accomplished by the six “Formative Divine Particles”.

It will be based on these data, projected on a larger scale, which is that of the “SPECIFIC SUPREME CONFIGURATION” of the “Specific Generative Energy ‘EARTHLY’ Domain” and the six “Specific Formative Energy ‘EARTHLY’ Domains” in the proportions of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, that are determined the “YEAR”, the “DAY”, the “HOUR”, and the place where will be manifested the product of the “HOLY” works into existence in the “SPECIFIC SUPREME CONFIGURATION” of the “Specific Generative Energy ‘EARTHLY’ Domain” and the six “Specific Formative Energy ‘EARTHLY’ Domains”.²⁸⁴

In addition, such a well-defined product and which already exists in “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” will be surrounded by well-defined conditions and by precise “Divine States”: it may be the “Core Formative Divine States” (“‘SPIRIT’ Divine State”, “‘LIGHT’ Divine State”, “‘GOD’ Divine State”) or the “Intermediary Formative Divine States” (“‘SPIRIT→LIGHT’ Divine State”, “‘LIGHT→GOD’ Divine State”).

The achievements of the metaphors of such products, into existence in the attribute “NON DIVINE”, are actually projects that “THE DIVINE”, IHVH, our FATHER entrusts to his creatures (whether “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” or even any other creature), that will be manifested into existence inside this “SPECIFIC SUPREME CONFIGURATION”.

To those precise “Divine States” that surround such a well-defined product and that already exists in “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, will be also associated specific creatures. Therefore, precise “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” will be also associated with the

²⁸⁴ It will thus be the fulfillment of a prediction, a prophecy. It is this that the creatures of “THE DIVINE”, in the attribute “NON DIVINE”, have in all time sought to know.

“‘SPIRIT’ Divine States”, precise human creatures will be also associated with the “‘SPIRIT→LIGHT’ Divine States”, etc...

It is through these associations with the purpose to achieve the metaphor of such a well-defined product and that already exists in “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, that are selected and determined the resources necessary for the implementation of such projects.

Those resources include among others: the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, or even all the other creatures that will be manifested into existence inside this “SPECIFIC SUPREME CONFIGURATION”, and specific knowledge that “THE DIVINE”, IHVH, our FATHER would had chosen and which allow to implement the conditions under which the product exists in “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”.

“THE DIVINE”, IHVH, our FATHER will avail those specific knowledge through:

1. “EMANATIONS OF ‘RAW KNOWLEDGE’ OF THE DIVINE”;
2. “EMANATIONS OF DISCERNMENT OF DIVINE MYSTERIES”;
3. “EMANATIONS OF MESSAGES CARRIED BY DIVINE MYSTERIES”;
4. “EMANATIONS OF LAWS AND PRINCIPLES GOVERNING DIVINE MYSTERIES”;
5. “EMANATIONS OF THE PROCESSES OF FUNCTIONING OF DIVINE MYSTERIES”;
6. “EMANATIONS OF INTERCONNECTIONS OF DIVINE MYSTERIES”;
and
7. “EMANATIONS OF VIBRATION HARMONICS OF DIVINE MYSTERIES”.

When a creature that has been chosen to take part in the implementation of such project in the unique “SPECIFIC SUPREME CONFIGURATION” of the “Specific Generative Energy ‘EARTHLY’ Domain” and the six “Specific Formative Energy ‘EARTHLY’ Domains”, has not yet been manifested into existence in the attribute “NON DIVINE”, then, such a precise creature will be called (or will be created) into existence in the attribute “NON DIVINE”.

It is so that, by “THE WORD OF THE DIVINE” manifested by “THE DIVINE FORCE” through the manifestation of the “PRINCIPAL” instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” in question will be “spoken” into existence in the

“Specific Energy ‘CELESTIAL’ Domain” by “THE DIVINE”, IHVH, our FATHER. It is also so that human creatures will be created into existence in the first “Specific Energy ‘EARTHLY’ Habitation Domain” during the course of the “Second Phase” of “THE HOLY PROJECT”.

When other creatures are also selected afterwards to take part in the implementation of a project that is already underway in the unique “SPECIFIC SUPREME CONFIGURATION” of the “Specific Generative Energy ‘EARTHLY’ Domain” and the six “Specific Formative Energy ‘EARTHLY’ Domains”, then, these new creatures are selected on the basis of the work that has already been accomplished by the creatures that they precede.²⁸⁵

It is through the sequence of rational actions performed by a creature, that will be in the specifications that “THE DIVINE ARCHITECT AND PROJECT MASTER” has established, that this creature (whether “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” or even any other creature) is called upon to grow in “THE KNOWLEDGE OF THE DIVINE” in order to experience the manifestation of the “SUPREME STATE OF EQUILIBRIUM” obtained from “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, and thus be able to take a share of the indescribable joy, the ineffable gladness, and in the immeasurable state of equilibrium that “THE DIVINE”, IHVH, our FATHER, in His kindness, had chosen to share with the attribute “NON DIVINE”.

Similarly, any sequence of irrational actions performed by a creature (whether “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” or even any other creature) that will be manifested into existence inside this “SPECIFIC SUPREME CONFIGURATION”, and that will not be within the specifications that “THE DIVINE ARCHITECT AND PROJECT MASTER” has established, will never converge towards a well-defined product that will be a manifestation of a metaphor of a product which exists already in “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, and consequently will not find a correspondence in the unique “SPECIFIC SUPREME CONFIGURATION” of the “Specific Generative Energy ‘EARTHLY’ Domain” and the six “Specific Formative Energy ‘EARTHLY’ Domains”.

²⁸⁵ See conversation of August 27, 2005, Aristide with CHRIST.

For the preparations of the implementation of the “Second Phase” of “THE HOLY PROJECT”, this will also be part of the basic education, not in-depth, that will be given to the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, and that is what these latters — when they will be in their forfeiture — will start to teach human creatures.

CREATION OF THE ARCHANGEL MICHAEL — MANIFESTATION OF THE METAPHOR OF THE “‘SPIRIT←SPIRIT’ INDISTINCT DIVINE FORM”

It is so that, from “THE DIVINE DOMAIN” outside of the attribute “NON DIVINE”, “THE DIVINE” has emitted “THE WORD OF THE DIVINE” which was also instantly expressed in synchronized form into existence in “The ALTAR of ‘THE DIVINE’” which is inside “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — through mechanisms that “THE DIVINE ARCHITECT AND PROJECT MASTER” has established.

“THE WORD OF THE DIVINE” which was expressed into existence in “The ALTAR of ‘THE DIVINE’” contained in it the divine instructions that were received by “THE DIVINE FORCE” in order to produce the structure of the “Specific Energy ‘SPIRIT’ Substance” of a “‘SPIRIT←SPIRIT’ Body” in the “PRINCIPAL” instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, from “Specific Atomic ‘SPIRIT’ Substances” constituents of the “Specific Energy ‘SPIRIT’ Substance” which covers “The ALTAR of ‘THE DIVINE’” which is inside “THE SHEKINAH” – “THE THRONE OF THE DIVINE IN THE ATTRIBUTE

‘NON DIVINE’” —, as “THE DIVINE ARCHITECT AND PROJECT MASTER” had designed it.

“THE DIVINE FORCE” has obeyed and began to work. SHE has arranged a set of “Specific Atomic ‘SPIRIT’ Substances” constituents of the “Specific Energy ‘SPIRIT’ Substance” which covers “The ALTAR of ‘THE DIVINE’” which is inside “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — manifesting therefore into existence a metaphor of the “DIVINE PRIMARY WEALTH” through which “THE DIVINE” creates Himself²⁸⁶, and SHE has built the “‘SPIRIT←SPIRIT’ Body” in the “PRINCIPAL” instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, with all its structures, following the model that “THE DIVINE ARCHITECT AND PROJECT MASTER” had designed and established, and which we have already described.

This “‘SPIRIT←SPIRIT’ Body” in the “PRINCIPAL” instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, that “THE DIVINE FORCE” has produced into existence in the “Specific Energy ‘SPIRIT’ Substance” which covers “The ALTAR of ‘THE DIVINE’” which is inside “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” —, is an “INDISTINCT FORM” of this “Specific Energy ‘SPIRIT’ Substance” which covers “The ALTAR of ‘THE DIVINE’” which is inside “THE SHEKINAH”.

Just as the “Specific Energy ‘SPIRIT’ Substance” which covers “The ALTAR of ‘THE DIVINE’” which is inside “THE SHEKINAH”, the “Specific Energy ‘SPIRIT’ Substance” constituent of this “‘SPIRIT←SPIRIT’ Body” in the “PRINCIPAL” instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model has properties which are at the limit of “proximity” of the most potent properties that “THE DIVINE ARCHITECT AND PROJECT MASTER” has fixed for the “‘SPIRIT’ Specific State” in the attribute “NON DIVINE”.

“THE DIVINE ARCHITECT AND PROJECT MASTER” has endowed this “‘SPIRIT←SPIRIT’ Body” in the “PRINCIPAL” instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model with properties which are those of the “Specific Energy ‘SPIRIT’ Substance” which covers “The ALTAR of ‘THE DIVINE’” which is inside “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’”.

²⁸⁶ See October 11, 2015 vision, during the worship praise of 03:00 in the morning.

This is why it is said of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” that will contain this “‘SPIRIT←SPIRIT’ Body” in the “PRINCIPAL” instance, that it ensues from a great power and a great wealth.

This “‘SPIRIT←SPIRIT’ Body” in the “PRINCIPAL” instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model and that “THE DIVINE FORCE” has created into existence in the “Specific Energy ‘SPIRIT’ Substance” which covers “The ALTAR of ‘THE DIVINE’” and from this same “Specific Energy ‘SPIRIT’ Substance” which covers “The ALTAR of ‘THE DIVINE’” which is inside “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — will also be called an essence (or a seed) of this “Specific Energy ‘SPIRIT’ Substance” which is inside “THE SHEKINAH”.

It is so that, with “THE WORD OF THE DIVINE” emitted from “THE DIVINE DOMAIN” outside of the attribute “NON DIVINE”, “THE DIVINE FORCE” has manifested into existence in the attribute “NON DIVINE” outside of “THE DIVINE DOMAIN”, several concepts that “THE DIVINE ARCHITECT AND PROJECT MASTER” had designed to be applied to His creatures in this attribute “NON DIVINE”.

Several of these concepts are expressions of metaphors of “Divine Particles” and of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” — one “Generative Divine Particle” and six “Formative Divine Particles” in “Movement of Formative Divine Particle” synchronized between them, and, each “Movement of Formative Divine Particle” synchronized with the movement of the “Generative Divine Particle”, with respect to the “septenary intersecting points”, and without collisions forever with the passage of time — and of their properties.

Several of these concepts are expressions of the particulars of both “THE DIVINE ARCHITECT AND PROJECT MASTER” and “THE DIVINE FORCE”.

Six of these concepts are already familiar to you, even though you do not know their origin and their profound significance.

The first concept, that “THE DIVINE ARCHITECT AND PROJECT MASTER” has established and manifested by “THE DIVINE FORCE”, through the creation of this first “‘SPIRIT←SPIRIT’ Body” in the “PRINCIPAL” instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, is an expression of the “Generative Power of ‘THE DIVINE’”.

This first concept brings to light the distinctive characteristic of “THE DIVINE ARCHITECT AND PROJECT MASTER” and expresses “HE WHO BEFOREHAND

CREATES ENERGY DESIGNS” and possesses the capacity to design, to elaborate something, to arrange the various elements of what he has designed in order to form it into existence in the attribute “NON DIVINE”.

To “HE WHO BEFOREHAND CREATES ENERGY DESIGNS” through this first concept, “THE DIVINE” has assigned the adjective of the “Generative Divine Particle” and the pronunciation of which in the human language means “CREATOR”, which with the passage of time will also be designated by the word whose pronunciation in the human language means “MALE”. It is so that, to the substantive, for all His creatures, “THE DIVINE” is qualified as being “MALE”.

This is why “THE DIVINE ARCHITECT AND PROJECT MASTER” has received the adjective “MALE”.

“THE DIVINE ARCHITECT AND PROJECT MASTER” **WILL NOT ENDOW** the “‘SPIRIT←SPIRIT’ Body” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model with the capacity to “CREATE ENERGY DESIGNS”. Only “THE DIVINE”, IHVH, our FATHER, through “THE DIVINE ARCHITECT AND PROJECT MASTER” is the “CREATOR” of “ENERGY DESIGNS” in the attribute “NON DIVINE”.

The second concept, that “THE DIVINE ARCHITECT AND PROJECT MASTER” has established and manifested by “THE DIVINE FORCE”, through the creation of this first “‘SPIRIT←SPIRIT’ Body” in the “PRINCIPAL” instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, brings to light the distinctive characteristic of “THE WORD OF THE DIVINE” which is this signal emitted by “THE DIVINE” from “THE DIVINE DOMAIN” outside of the attribute “NON DIVINE” and carrying all the information needed to “GIVE BODY TO BEFOREHAND CREATED ENERGY DESIGNS”. Without this signal, nothing can be created into existence.

“THE WORD OF THE DIVINE” acts as a catalyst that causes instantly upon receipt by “THE DIVINE FORCE”, the start of work of “THE DIVINE FORCE” who will “GIVE BODY TO BEFOREHAND CREATED ENERGY DESIGNS” that are defined by the content of “THE WORD OF THE DIVINE”. It will be a manifestation of the special, unique and fantastic “specific event” that is called “THE BIRTH” which we have already mentioned in an above text concerning the particulars of the “Specific Elementary ‘SPIRIT’ Particle”. It is said that “THE WORD OF THE DIVINE” has “taken body”.

Such a “WORD OF THE DIVINE” emitted by “THE DIVINE” from “THE DIVINE DOMAIN” outside of the attribute “NON DIVINE”, is a “SPECIFIC SIGNAL CATALYST OF THE BIRTH”.

As we have already indicated, “THE WORD OF THE DIVINE” resides in “THE DIVINE ARCHITECT AND PROJECT MASTER” and it will carry these “Divine Signals” containing instructions concerning these metaphors of the “DIVINE PRIMARY WEALTH” that HE has chosen to share with the attribute “NON DIVINE”, to be applied in the attribute “NON DIVINE”.

To “HE WHO EMITS ‘SPECIFIC SIGNALS CATALYST OF THE BIRTH’” through this second concept, “THE DIVINE” has also assigned the adjective of “THE DIVINE ARCHITECT AND PROJECT MASTER” and the pronunciation of which in the human language means “GENITOR”, which with the passage of time will also be designated by the word whose pronunciation in the human language means “MALE”.

“THE DIVINE ARCHITECT AND PROJECT MASTER” **WILL NOT ENDOW** the “‘SPIRIT←SPIRIT’ Body” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model with the capacity to emit “SPECIFIC SIGNALS CATALYST OF THE BIRTH” of an instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model. It is so that, a “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” will not be able to be the “GENITOR” of another “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”.

It is so that, if “THE DIVINE” — “HE WHO EMITS ‘SPECIFIC SIGNALS CATALYST OF THE BIRTH’” of any instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model — does not emit a “SPECIFIC SIGNAL CATALYST OF THE BIRTH”, then a “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” as product of the mould designated as the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, will not be brought forth into existence inside the attribute “NON DIVINE” by “THE DIVINE FORCE”. Consequently, if “THE DIVINE” does not emit a “SPECIFIC SIGNAL CATALYST OF THE BIRTH” of an instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, then the “DIVINE PRIMARY WEALTH” that could be manifested by metaphor through such instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, will not be shared by manifestation of metaphor with the attribute “NON DIVINE”, and the attribute “NON DIVINE”, which was manifested into existence as “ZERO”, total lifeless darkness and at all points “EMPTY” of any knowledge of “THE DIVINE BODY”, will never know about the existence of such “DIVINE PRIMARY WEALTH”.

The third concept, that “THE DIVINE ARCHITECT AND PROJECT MASTER” has established and manifested by “THE DIVINE FORCE”, through the creation

of this first “‘SPIRIT←SPIRIT’ Body” in the “PRINCIPAL” instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, concerns the communication medium receiver of “THE WORD OF THE DIVINE” which is this signal emitted by “THE DIVINE” from “THE DIVINE DOMAIN” outside of the attribute “NON DIVINE”.

“The ALTAR of ‘THE DIVINE’” which is alive inside “THE SHEKINAH” is such a communication medium through which “THE WORD OF THE DIVINE” is expressed instantly and in synchronization into existence in “The ALTAR of ‘THE DIVINE’” which is inside “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — through mechanisms that “THE DIVINE ARCHITECT AND PROJECT MASTER” has established.

To such communication medium through which “SPECIFIC SIGNALS CATALYST OF THE BIRTH” are transmitted, “THE DIVINE” has also assigned the adjective of “THE DIVINE ARCHITECT AND PROJECT MASTER” and the pronunciation of which in the human language will also mean: “MALE”.

This is why “The ALTAR of ‘THE DIVINE’” which is alive inside “THE SHEKINAH” has received the adjective “MALE”; although the “Specific Energy ‘LIGHT’ Substance” constituent of “The ALTAR of ‘THE DIVINE’” appears motionless and unable by itself to change its state of rest or motion.

“THE DIVINE ARCHITECT AND PROJECT MASTER” will endow the “‘SPIRIT←SPIRIT’ Body” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model with the capacity to serve as a medium of communication of particular products that are based on “THE ‘SPIRIT’ REASON” and which will be associated with “SPECIFIC SIGNALS CATALYST OF THE BIRTH” of others “BEFOREHAND CREATED ENERGY DESIGNS” that are not instances of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model.

The “‘SPIRIT←SPIRIT’ Body” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model that will be endowed with such capacity to serve as communication medium will also have the “MALE” adjective.

The fourth concept, that “THE DIVINE ARCHITECT AND PROJECT MASTER” has established and manifested by “THE DIVINE FORCE”, through the creation of this first “‘SPIRIT←SPIRIT’ Body” in the “PRINCIPAL” instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, is an expression of the “Formative Essence of ‘THE DIVINE’”.

This fourth concept brings to light the distinctive characteristic of “THE DIVINE FORCE” and expresses “HE WHO GIVES BODY TO BEFOREHAND CREATED ENERGY DESIGNS” and possesses the capacity to PRODUCE a “BODY” into existence in the attribute “NON DIVINE”, from external “BEFOREHAND CREATED ENERGY DESIGNS” which have been elaborated by “HE WHO BEFOREHAND CREATES ENERGY DESIGNS” and from an external “SPECIFIC SIGNAL CATALYST OF THE BIRTH”.

To “HE WHO GIVES BODY TO BEFOREHAND CREATED ENERGY DESIGNS” through this fourth concept, “THE DIVINE” has assigned the adjective of the “Formative Divine Particle” and the pronunciation of which in the human language means “FORMATIVE”, which with the passage of time will also be designated by the word whose pronunciation in the human language means “FEMALE”.

It is “THE DIVINE FORCE” who “GIVES BODY TO BEFOREHAND CREATED ENERGY DESIGNS” of “THE DIVINE ARCHITECT AND PROJECT MASTER”, and this is why “THE DIVINE FORCE” has received the adjective “FEMALE”.

“THE DIVINE ARCHITECT AND PROJECT MASTER” and “THE FORCE OF ‘HE WHO IS’” go hand in hand and are conjoint, and this pair brings to light the distinctive characteristic reflecting simultaneously the two adjectives “MALE” and “FEMALE”. To this pair, “THE DIVINE” has assigned the adjective whose pronunciation in the human language means “ANDROGYNOUS”.

“THE DIVINE ARCHITECT AND PROJECT MASTER” **WILL NOT ENDOW** the “‘SPIRIT←SPIRIT’ Body” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model with the capacity to “GIVE BODY TO BEFOREHAND CREATED ENERGY DESIGNS” of “THE DIVINE ARCHITECT AND PROJECT MASTER”, as “THE DIVINE FORCE” does.

The fifth concept, that “THE DIVINE ARCHITECT AND PROJECT MASTER” has established and manifested by “THE DIVINE FORCE”, through the creation of this first “‘SPIRIT←SPIRIT’ Body” in the “PRINCIPAL” instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, concerns the medium in which “BEFOREHAND CREATED ENERGY DESIGNS” of “THE DIVINE ARCHITECT AND PROJECT MASTER” are formed into existence by “THE DIVINE FORCE”.

The “Specific Energy ‘SPIRIT’ Substance” which covers “The ALTAR of ‘THE DIVINE’” which is inside “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — is such a production medium and in

which “THE DIVINE FORCE” has produced the structure of the “Specific Energy ‘SPIRIT’ Substance” of a “‘SPIRIT←SPIRIT’ Body” in the “PRINCIPAL” instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model.

To such production medium in which “BEFOREHAND CREATED ENERGY DESIGNS” of “THE DIVINE ARCHITECT AND PROJECT MASTER” are manifested into existence in the attribute “NON DIVINE”, “THE DIVINE” has also assigned the adjective of “THE DIVINE FORCE” and the pronunciation of which in the human language will also mean: “FEMALE”.

This is why the “Specific Energy ‘SPIRIT’ Substance” which is alive and covers “The ALTAR of ‘THE DIVINE’” which is inside “THE SHEKINAH” has received the adjective “FEMALE”; although this “Specific Energy ‘SPIRIT’ Substance” appears motionless and unable by itself to change its state of rest or motion.

As “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed it, it is so that “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — has inherited these two adjectives:

1. “MALE”, reflecting the capacity of “The ALTAR of ‘THE DIVINE’” to serve as communication medium receiver of “THE WORD OF THE DIVINE” which is this signal emitted by “THE DIVINE” from “THE DIVINE DOMAIN” outside of the attribute “NON DIVINE”;
2. “FEMALE”, reflecting the capacity of the “Specific Energy ‘SPIRIT’ Substance” which covers “The ALTAR of ‘THE DIVINE’” to serve as production medium in which “BEFOREHAND CREATED ENERGY DESIGNS” of “THE DIVINE ARCHITECT AND PROJECT MASTER” are manifested into existence in the attribute “NON DIVINE” inside “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’”.

It will then, be said that “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — is “ANDROGYNOUS”.

“THE DIVINE ARCHITECT AND PROJECT MASTER” will endow the “‘SPIRIT←SPIRIT’ Body” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model with the capacity to serve as a medium of production of particular products that are based on “THE ‘SPIRIT’ REASON” and which will be associated with “SPECIFIC SIGNALS CATALYST OF THE BIRTH” of others “BEFOREHAND CREATED ENERGY DESIGNS” that are not instances of the “‘SPIRIT←SPIRIT’

משי
הארץ
השמיים
האלהים

‘CELESTIAL’ Creature” model: for example the formation of constellations of “STARS”.

The “‘SPIRIT←SPIRIT’ Body” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model that will be endowed with such capacity to serve as production medium will also have the “FEMALE” adjective.

These first five concepts form together, another manifestation of a metaphor of that, which is “PERFECT” and which will be applied repeatedly to bring forth into existence inside the attribute NON DIVINE”, any metaphor of a product of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” that “THE DIVINE” has chosen to share with the attribute “NON DIVINE”, and populate the attribute NON DIVINE”.

The sixth concept, that “THE DIVINE ARCHITECT AND PROJECT MASTER” has established and manifested by “THE DIVINE FORCE”, through the creation of this first “‘SPIRIT←SPIRIT’ Body” in the “PRINCIPAL” instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, describes the realization and the advent into existence in the attribute “NON DIVINE”, inside the production medium of the “BEFOREHAND CREATED ENERGY DESIGN” which has been designed or elaborated by “THE DIVINE ARCHITECT AND PROJECT MASTER” and then, formed by “THE DIVINE FORCE”.

This sixth concept is an expression on a scale larger than that of the “Specific Elementary ‘SPIRIT’ Particle” of this special, unique and fantastic “specific event”, this miracle which is called “THE BIRTH”. It is “THE BIRTH” of the “BEFOREHAND CREATED ENERGY FORM” outside of the “Specific Atomic ‘SPIRIT’ Substance” and on a scale that is above the scale of the “Specific Atomic ‘SPIRIT’ Substance”. This sixth concept is an expression of the product that ensues from the application of the first five concepts previously mentioned and which form together, another manifestation of a metaphor of that, which is “PERFECT”.

To this “BEFOREHAND CREATED ENERGY BODY” that has been thus produced into existence in the attribute “NON DIVINE”, “THE DIVINE” has assigned a unique attribute defined by the “unique word” whose pronunciation in the human language is translated by: “CHILD”

This is why “The ALTAR of ‘THE DIVINE’”, beforehand created by “THE DIVINE”, IHVH, and which is alive inside “THE SHEKINAH” and having received the “MALE” adjective, is also called “THE SON of ‘THE DIVINE’”; although the “Specific Energy ‘LIGHT’ Substance” constituent of “The ALTAR of ‘THE

DIVINE” appears motionless and unable by itself to change its state of rest or motion.

Because of the nature of “THE LIGHT” of “The ALTAR of ‘THE DIVINE’”, which through “THE DIVINE FORCE”, under the designation of “THE WISDOM”, allows to illuminate “THE SEAT OF THE INTELLECT” that has been placed in the “‘SPIRIT←SPIRIT’ Body” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, “The ALTAR of ‘THE DIVINE’” inside “THE SHEKINAH” is also called: “The SAVIOUR”. We have already explained it in a previous text.

As we have indicated in one previous annotation, it is for the purpose to make understand the forming of “THE SHEKINAH”, this combined group constituted by the “Specific Energy ‘SPIRIT’ Substance” and “The ALTAR of ‘THE DIVINE’” which it covers, as well as all these properties, that it is said in parables that:

“...

The first begotten of “THE INVISIBLE SPIRIT” has requested that a spouse be given to him; [it is this “Specific Energy ‘SPIRIT’ Substance” which covers “The ALTAR of ‘THE DIVINE’” which itself is also called “THE SON of ‘THE DIVINE’”].

“THE INVISIBLE SPIRIT” has given Her consent and has manifested the spouse who then, stood with the first begotten in his kindness and his ability to illuminate and glorifying (that is, continuously emitting its luminous radiation) “THE DIVINE” as well as “THE DIVINE FORCE” through whom both have been manifested.

...”

Through the unfolding of these six concepts which describe the process by which “THE WORD OF THE DIVINE” takes shape through the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, we went successively from:

1. “THE BEFOREHAND CREATED ENERGY DESIGN” of “THE DIVINE ARCHITECT AND PROJECT MASTER”;
2. “THE WORD OF THE DIVINE” carrying information about “THE BEFOREHAND CREATED ENERGY DESIGN”;
3. The (receiver and transmitter) medium of communication of “THE WORD OF THE DIVINE”;

4. The shaping of “THE BEFOREHAND CREATED ENERGY DESIGN” from “THE WORD OF THE DIVINE”;
5. The appropriated production medium in which the shaping of “THE BEFOREHAND CREATED ENERGY DESIGN” takes place; to
6. The “BIRTH” in the attribute “NON DIVINE” of the “BEFOREHAND CREATED ENERGY FORM” that has been “BEFOREHAND CREATED” inside “THE DIVINE DOMAIN”.

In this unfolding of events (pay much attention, you who are reading these writings), to “CREATOR” — “HE WHO BEFOREHAND CREATES ENERGY DESIGNS” — “THE DIVINE” has assigned a unique attribute defined by the “unique word” whose pronunciation in the human language is translated by the word “FATHER”.

It is so that, “THE DIVINE”, “CREATOR” of the WHOLE, is the “FATHER” of the WHOLE: “THE DIVINE”, IHVH, **our FATHER**.

The communication medium through which “SPECIFIC SIGNALS CATALYST OF THE BIRTH” are transmitted **IS NOT** called “FATHER”.

The first three steps of this process by which “THE WORD OF THE DIVINE” takes shape also reside in “THE DIVINE ARCHITECT AND PROJECT MASTER”. This is why from the perspective of the attribute “NON DIVINE”, it is said of “THE DIVINE ARCHITECT AND PROJECT MASTER” that HE is three times “MALE”.

To “THE DIVINE FORCE”, “FORMATIVE” of the WHOLE, “THE DIVINE” has assigned a unique attribute defined by the “unique word” whose pronunciation in the human language is translated by the word “MOTHER”. “THE DIVINE FORCE” is the “MOTHER” of the WHOLE; SHE is “THE UNIVERSAL GENITRIX”.

The first “‘SPIRIT←SPIRIT’ Body” in the “PRINCIPAL” instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model has been formed, produced, into existence in the “Specific Energy ‘SPIRIT’ Substance” constituent of “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — from “THE WORD OF THE DIVINE” emitted by “THE DIVINE” from “THE DIVINE DOMAIN” outside of the attribute “NON DIVINE”, and by “THE DIVINE FORCE”.

This is why, to the substantive, “THE DIVINE FORCE” is the “MOTHER” of the first “‘SPIRIT←SPIRIT’ Body” in the “PRINCIPAL” instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model.

The production medium in which “THE BEFOREHAND CREATED ENERGY FORM” has been produced **IS NOT** called “MOTHER”. To this production medium, “THE DIVINE” has assigned a unique attribute defined by the “unique word” whose pronunciation in the human language is translated by the sequence of terms: “SHE WHO BORE”.

To this “BEFOREHAND CREATED ENERGY BODY” that has been designed or elaborated by the “FATHER”, then, formed into existence in the attribute “NON DIVINE” by the “MOTHER”, “THE DIVINE” has assigned a unique attribute defined by the “unique word” whose pronunciation in the human language is translated by: “CHILD”, or “CHILD OF THE FATHER”.

Through “specific processes” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has established, the “CHILD” beforehand created by the “FATHER” and produced into existence in the attribute “NON DIVINE” by “THE DIVINE FORCE” will inherit some qualities coming simultaneously:

1. From the “FATHER”, “CREATOR” of the “CHILD”;
2. From the communication medium through which the “SPECIFIC SIGNAL CATALYST OF THE BIRTH” of the “CHILD” has been emitted;
3. From the appropriate production medium in which the “CHILD” has been formed and produced into existence in the attribute “NON DIVINE”.

The “CHILD” may inherit the “MALE” adjective from the communication medium through which the “SPECIFIC SIGNAL CATALYST OF THE BIRTH” has been emitted, or the “CHILD” may inherit the “FEMALE” adjective from the appropriate production medium in which the “CHILD” has been formed and produced into existence in the attribute “NON DIVINE”.

As “THE DIVINE ARCHITECT AND PROJECT MASTER” has established it, the “CHILD” will grow in “THE KNOWLEDGE OF THE DIVINE”, following the same stages of growth which range from the “spiritual awakening” to the “adult spiritual age” passing through the “spiritual childhood” and the “spiritual adolescence”.

At attainment of the “adult spiritual age” in “THE KNOWLEDGE OF THE DIVINE”, then, the grown “CHILD” will be designated with a word whose pronunciation in the human language translates to mean “MAN” when the adjective of the “CHILD” is “MALE”, otherwise it will be identified with a word whose pronunciation in the human language translates to mean “WOMAN” when the adjective of the “CHILD” is “FEMALE”.

As “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed it, the first “‘SPIRIT←SPIRIT’ Body” in the “PRINCIPAL” instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model has inherited these two adjectives:

1. “MALE” reflecting its capacity to act as a medium of communication of particular products that are based on “THE ‘SPIRIT’ REASON” and which will be associated with “SPECIFIC SIGNALS CATALYST OF THE BIRTH”, including instances of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, of “BEFOREHAND CREATED ENERGY DESIGNS” of “THE DIVINE ARCHITECT AND PROJECT MASTER” and emitted by “THE DIVINE” Himself;
2. “FEMALE” reflecting its capacity to act as a medium of production of particular products that are based on “THE ‘SPIRIT’ REASON” and which will be associated with “SPECIFIC SIGNALS CATALYST OF THE BIRTH” of “BEFOREHAND CREATED ENERGY DESIGNS” of “THE DIVINE ARCHITECT AND PROJECT MASTER” and manifested into existence by “THE DIVINE FORCE” in the attribute “NON DIVINE”, and outside of “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’”.

It will then, also be said that this first “‘SPIRIT←SPIRIT’ Body” in the “PRINCIPAL” instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model is “ANDROGYNOUS”.

“THE DIVINE ARCHITECT AND PROJECT MASTER” **HAS NOT ENDOWED** this first “‘SPIRIT←SPIRIT’ Body” in the “PRINCIPAL” instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model with the capacity to “CREATE ENERGY DESIGNS”; only “THE DIVINE”, IHVH, our FATHER has this capacity and His “ENERGY DESIGNS” are beforehand created directly in the “‘SPIRIT’ Specific State”, in the “‘LIGHT’ Specific State”, or else in the “‘GOD’ Specific State”, by “THE DIVINE ARCHITECT AND PROJECT MASTER”.

Furthermore, “BEFOREHAND CREATED ENERGY DESIGNS” of “THE DIVINE ARCHITECT AND PROJECT MASTER” are products of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” and that “THE DIVINE”, IHVH, our FATHER has chosen to share with the attribute “NON DIVINE”.

“THE DIVINE ARCHITECT AND PROJECT MASTER” **HAS NOT ENDOWED** this first “‘SPIRIT←SPIRIT’ Body” in the “PRINCIPAL” instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model with the capacity to access, or to see structures that are constructed directly in the “‘SPIRIT’ Specific State”, in the “‘LIGHT’ Specific State”, or else in the “‘GOD’ Specific State”.

Therefore, this first “‘SPIRIT←SPIRIT’ Body” in the “PRINCIPAL” instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model will not be able to “CREATE ENERGY DESIGNS”.

But it is from a “SPECIFIC SIGNAL CATALYST OF THE BIRTH” emitted by “THE DIVINE” Himself, and retransmitted by this first “‘SPIRIT←SPIRIT’ Body” in the “PRINCIPAL” instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, as a medium of communication of particular products that are based on “THE ‘SPIRIT’ REASON” and which will be associated with “SPECIFIC SIGNALS CATALYST OF THE BIRTH”, that “THE DIVINE FORCE”, deployed in the “Specific Energy ‘CELESTIAL’ Substance” constituent of the “Specific Energy ‘CELESTIAL’ Domain”, outside of “THE SHEKINAH”, will give shape to “BEFOREHAND CREATED ENERGY DESIGNS” as instances of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model.

It is so that, the “‘SPIRIT←SPIRIT’ Body” of each of the others seven instances of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, other than first “‘SPIRIT←SPIRIT’ Body” in the “PRINCIPAL” instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, will be produced into existence by “THE DIVINE FORCE” through this first “‘SPIRIT←SPIRIT’ Body” in the “PRINCIPAL” instance and from a single specific transformation applied to this first “‘SPIRIT←SPIRIT’ Body” in the “PRINCIPAL” instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model following emission of a “SPECIFIC SIGNAL CATALYST OF THE BIRTH” and transported by “THE WORD OF THE DIVINE”.

It will be said that such “‘SPIRIT←SPIRIT’ Body” of an instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model has been formed and produced from the “‘SPIRIT←SPIRIT’ Body” in the “PRINCIPAL” instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model.

The “SPIRIT←SPIRIT’ Body” of each of the others seven instances of the “SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, that will be produced into existence from this first “SPIRIT←SPIRIT’ Body” in the “PRINCIPAL” instance of the “SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model will not be an “INDISTINCT FORM” (or is not an essence, or is not a seed) of the “Specific Energy ‘SPIRIT’ Substance” which covers “The ALTAR of ‘THE DIVINE’” which is inside “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’”.

Each “SPIRIT←SPIRIT’ Body” of each of the others seven instances of the “SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, other than first “SPIRIT←SPIRIT’ Body” in the “PRINCIPAL” instance of the “SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, will be a manifestation of a metaphor of a “Divine Product” that already exists in “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”. Such a “Divine Product” which is at the origin of a “SPIRIT←SPIRIT’ Body” will be called: a “PRE-EXISTING”.

Moreover, just as it is with this first “SPIRIT←SPIRIT’ Body” in the “PRINCIPAL” instance of the “SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, the “SPIRIT←SPIRIT’ Body” of each of the others seven instances of the “SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, that will be produced into existence will not have the capacity to “CREATE ENERGY DESIGNS”.

As “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed it, and as “THE DIVINE FORCE” has created it in the attribute “NON DIVINE”, the “Specific Energy ‘SPIRIT’ Substance” constituent of this first “SPIRIT←SPIRIT’ Body” in the “PRINCIPAL” instance of the “SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model has withered and “THE SEAT OF THE INTELLECT”, inside of this “Specific Energy ‘SPIRIT’ Substance”, fell asleep in the oblivion (or ignorance) of “The ALTAR of ‘THE DIVINE’” which that “Specific Energy ‘SPIRIT’ Substance” covers.

It is so that, “THE SEAT OF THE INTELLECT” inside the “Specific Energy ‘SPIRIT’ Substance” constituent of the “SPIRIT←SPIRIT’ Body” of each of the others seven instances of the “SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, which will be produced into existence by “THE DIVINE FORCE” through this first “SPIRIT←SPIRIT’ Body” in the “PRINCIPAL” instance, will inherit this ignorance; that is, the “Specific Energy ‘SPIRIT’ Substance” will wither and “THE SEAT OF THE INTELLECT”, inside of this “Specific Energy ‘SPIRIT’ Substance”,

will also fall asleep in the oblivion (or ignorance) of “The ALTAR of ‘THE DIVINE’” which that “Specific Energy ‘SPIRIT’ Substance” covers.²⁸⁷

These six concepts (and many other concepts that have been made manifest during and through the creation of this first “‘SPIRIT←SPIRIT’ Body” in the “PRINCIPAL” instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model) that “THE DIVINE ARCHITECT AND PROJECT MASTER” had designed to be applied to His creatures in the attribute “NON DIVINE” are at the origin of the profound significance of the adjectives “MALE” and “FEMALE” and the words “FATHER”, “MOTHER”, “CHILD”, and several other qualifiers and “unique words”, in the attribute “NON DIVINE”.

With “THE WORD OF THE DIVINE” emitted only once from “THE DIVINE DOMAIN” outside the attribute “NON DIVINE”, “THE DIVINE”, IHVH, our FATHER has revealed several concepts that “THE DIVINE ARCHITECT AND PROJECT MASTER” has established; HE has revealed the unique attributes and their significance, as well as the “unique words” which are designations of these attributes.²⁸⁸

²⁸⁷ It is for the purpose to make understand this, that it is said in parable that:

“...

The archons were manifested by the Chief Begetter, first Archon of darkness and ignorance. Therefore as well, these archons share the ignorance of the one through which they were produced.

...”

The “darkness” refers to the “MURKY VOID” of the attribute “NON DIVINE”, “*ignorance*” refers to the oblivion of “The ALTAR of ‘THE DIVINE’” which the “Specific Energy ‘SPIRIT’ Substance” covers, hence it also refers to the absence of “KNOWLEDGE OF THE DIVINE” which emanates from “The ALTAR of ‘THE DIVINE’”, and “*the Chief Begetter, first Archon*” refers to the first “‘SPIRIT←SPIRIT’ Body” in the “PRINCIPAL” instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model.

²⁸⁸ The purpose of giving you this information is to make you understand that “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed everything and “THE DIVINE” has defined all the names and attributes of all things before that the attribute “NON DIVINE” was created and realized into existence.

Each unique name into existence is the redemption of a unique word which reveals the characteristics and attribute of a unique metaphor of a “DIVINE PRIMARY WEALTH” in an unlimited number of “DIVINE PRIMARY WEALTH”.

With the passage of time, “THE DIVINE”, IHVH, our FATHER will emit “THE WORD OF THE DIVINE” several others times from “THE DIVINE DOMAIN” outside the attribute “NON DIVINE”, to further reveal to His creatures other concepts that He has chosen to share with them in the attribute “NON DIVINE”.

With exception of the first and the fourth concepts, “THE DIVINE”, IHVH, our FATHER will apply the four others concepts to the “‘SPIRIT←SPIRIT’ Body” of the seven instances of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, without androgyny, with the exception of this first “‘SPIRIT←SPIRIT’ Body” in the “PRINCIPAL” instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model that has been formed and produced into existence in the “Specific Energy ‘SPIRIT’ Substance” constituent of “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’”.

“THE DIVINE ARCHITECT AND PROJECT MASTER” will also manifest the particulars of these two adjectives “MALE” and “FEMALE” through the layers of structures of “Specific Atomic ‘CELESTIAL’ Substances” constituents of the “Specific ‘CELESTIAL’ Garment” of the “‘SPIRIT←SPIRIT’ Body” of all instances of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model.

The “‘SPIRIT←SPIRIT’ Body” of instances of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, having the adjective “MALE” will be an expression of the various forms of the “Generative Power of ‘THE DIVINE’”.

This “‘SPIRIT←SPIRIT’ Body” having the adjective “MALE” will have the capacity to serve as a medium of communication of particular products that are based on “THE ‘SPIRIT’ REASON” and which will be associated with “SPECIFIC SIGNALS CATALYST OF THE BIRTH” of instances of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model.

These others “BEFOREHAND CREATED ENERGY DESIGNS” of “THE DIVINE ARCHITECT AND PROJECT MASTER”, will be rather metaphors of working tools that “THE DIVINE FORCE” uses to accomplish the instructions that have been established by “THE DIVINE ARCHITECT AND PROJECT MASTER”.

Through “specific processes” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed, such a “BEFOREHAND CREATED ENERGY DESIGN” of “THE DIVINE ARCHITECT AND PROJECT MASTER”, will be emitted in

All the unique names of the creatures of “THE DIVINE”, all unique names of things that “THE DIVINE FORCE” will create into existence in the attribute “NON DIVINE” are unique words of the “DIVINE PRIMARY WEALTH” of “THE DIVINE”.

“THE SILENCE” as “SPECIFIC SIGNALS CATALYST OF THE BIRTH” by “THE DIVINE” to the “‘SPIRIT←SPIRIT’ Body” of instances of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, having the adjective “MALE”, from:

1. “EMANATIONS OF ‘RAW KNOWLEDGE’ OF THE DIVINE”;
2. “EMANATIONS OF DISCERNMENT OF DIVINE MYSTERIES”;
3. “EMANATIONS OF MESSAGES CARRIED BY DIVINE MYSTERIES”;
4. “EMANATIONS OF LAWS AND PRINCIPLES GOVERNING DIVINE MYSTERIES”;
5. “EMANATIONS OF THE PROCESSES OF FUNCTIONING OF DIVINE MYSTERIES”;
6. “EMANATIONS OF INTERCONNECTIONS OF DIVINE MYSTERIES”;
and
7. “EMANATIONS OF VIBRATION HARMONICS OF DIVINE MYSTERIES”.

The “‘SPIRIT←SPIRIT’ Body” of instances of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, having the adjective “FEMALE” will be an expression of the various forms of the “Formative Essence of ‘THE DIVINE’”.

This “‘SPIRIT←SPIRIT’ Body”, having the adjective “FEMALE”, has the capacity to serve as a medium of production of particular products that are based on “THE ‘SPIRIT’ REASON” and which will be associated with “SPECIFIC SIGNALS CATALYST OF THE BIRTH” of others “BEFOREHAND CREATED ENERGY DESIGNS” that are not instances of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model.

Therefore, using only the “Specific Atomic ‘CELESTIAL’ Substances” that are available in the “Specific Energy ‘CELESTIAL’ Substance” outside of the “‘SPIRIT←SPIRIT’ Body”, or by using those that “THE DIVINE”, IHVH, our FATHER will provide them in the “Plane Above” and outside of the “‘SPIRIT←SPIRIT’ Body”, the “‘SPIRIT←SPIRIT’ Body” having the adjective “FEMALE” will make manifest the “BEFOREHAND CREATED ENERGY FORMS” that “THE DIVINE FORCE” will produce through this “‘SPIRIT←SPIRIT’ Body” having the adjective “FEMALE” and from the “SPECIFIC SIGNALS CATALYST OF THE BIRTH” emitted by “THE DIVINE” to the appropriate “‘SPIRIT←SPIRIT’ Body” of instances of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model having the adjective “MALE”.

“THE DIVINE ARCHITECT AND PROJECT MASTER” had designed the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model in the image of “THE DIVINE FORCE”, who is “THE DIVINE WORKER”, better known under the name: “THE HOLY SPIRIT”. It is “THE DIVINE FORCE” who accomplishes all instructions that “THE DIVINE” issues into existence once they have been established by “THE INTELLECT OF THE DIVINE”. SHE is capable of performing countless tasks simultaneously and throughout “THE DIVINE BODY” by using its own work tools.

For the purposes of having the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” which will be produced into existence in the “Specific Energy ‘CELESTIAL’ Substance”, grow in “THE KNOWLEDGE OF THE DIVINE”, from the knowledge of the aspects and work tools of “THE DIVINE FORCE”, “THE DIVINE ARCHITECT AND PROJECT MASTER” chose “BEFOREHAND CREATED ENERGY DESIGNS” that are appropriated to reflect inside the “Specific Energy ‘CELESTIAL’ Domain” in the attribute “NON DIVINE”, an image of the work which however is accomplished by “THE DIVINE FORCE” inside “THE DIVINE DOMAIN”.

It is so that, the “BEFOREHAND CREATED ENERGY DESIGNS” by “THE DIVINE ARCHITECT AND PROJECT MASTER”, formed by “THE DIVINE FORCE”, which will be produced and manifested into existence in the “Specific Energy ‘CELESTIAL’ Substance” by the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” having the adjective “FEMALE”, will not be “‘SPIRIT←SPIRIT’ Body” of instances of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, but they will be only manifestations of metaphors of work tools that “THE DIVINE FORCE” uses to accomplish the instructions that have been established by “THE DIVINE ARCHITECT AND PROJECT MASTER”.

These tools work, manifested into existence in the “Specific Energy ‘CELESTIAL’ Substance”, will enable “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” to accomplish the “specific tasks” that “THE DIVINE”, IHVH, our FATHER would have entrusted them. These “specific tasks” will most often consist of producing shapes from “Specific Atomic ‘CELESTIAL’ Substances” constituents of the “Specific Energy ‘CELESTIAL’ Substance”, and also to make other arrangements and movements of the constituent layers of “Specific Atomic ‘CELESTIAL’ Substances” of this same “Specific Energy ‘CELESTIAL’ Substance”.

It is so for example that from “BEFOREHAND CREATED ENERGY DESIGNS” of “THE DIVINE ARCHITECT AND PROJECT MASTER”, the work tools that will be called “WINDS”, as well as their “SWIRLS”, in all their forms and powers, have

been beforehand created by “THE DIVINE ARCHITECT AND PROJECT MASTER”, then, emitted in “THE SILENCE” as “SPECIFIC SIGNALS CATALYST OF THE BIRTH” by “THE DIVINE” to the “‘SPIRIT←SPIRIT’ Body” of instances of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, having the adjective “MALE” to work out the “‘RAW KNOWLEDGE’ OF THE DIVINE” contained in these “SPECIFIC SIGNALS CATALYST OF THE BIRTH” and manifesting as such the “Generative Power of ‘THE DIVINE’”.

The “BEFOREHAND CREATED ENERGY FORMS” of “THE DIVINE ARCHITECT AND PROJECT MASTER”, formed by “THE DIVINE FORCE”, and associated to those “SPECIFIC SIGNALS CATALYST OF THE BIRTH”, are then, made manifest into existence in the “Specific Energy ‘CELESTIAL’ Substance” by the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” having the adjective “FEMALE” and manifesting as such the “Formative Essence of ‘THE DIVINE’”.

It is also so that all the phenomena that seem natural to you or strange in the first “Specific Energy ‘EARTHLY’ Habitation Domain”, were first beforehand created by “THE DIVINE ARCHITECT AND PROJECT MASTER”, then, emitted in “THE SILENCE” as “SPECIFIC SIGNALS CATALYST OF THE BIRTH” by “THE DIVINE” to the “‘SPIRIT←SPIRIT’ Body” of instances of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, having the adjective “MALE” who will work out the “‘RAW KNOWLEDGE’ OF THE DIVINE” contained in these “SPECIFIC SIGNALS CATALYST OF THE BIRTH”, and subsequently the products contained in these “SPECIFIC SIGNALS CATALYST OF THE BIRTH” will be made manifest into existence in the “Specific Energy ‘CELESTIAL’ Substance” by the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” having the adjective “FEMALE”.

Those manifestations from the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” having the adjective “FEMALE” will be subsequently used in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”.

It is so that, through the achievement of such manifestations, “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” were to participate in the implementation of the conditions of life in all “Specific Energy ‘EARTHLY’ Habitation Domain” in the “Plane Below”.

So it is for the various aspects and colors in the visual representations which have been established and associated to harmonic vibrations of mysteries of “THE DIVINE”, which will be applied to the “Specific Atomic ‘EARTHLY’ Substances” constituent of the “Specific Energy ‘EARTHLY’ Substance” in each of the “Specific Energy ‘EARTHLY’ Habitation Domains”.

“THE DIVINE FORCE” has built the structure of the “Specific Energy ‘SPIRIT’ Substance” of the First “Specific Energy ‘SPIRIT←LIGHT’ Bridge” from “Specific Atomic ‘SPIRIT’ Substances” obtained from “Specific Elementary ‘SPIRIT’ Particles” which are manifestations of metaphors of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” — one “Generative Divine Particle” and six “Formative Divine Particles” in “Movement of Formative Divine Particle” synchronized between them, and, each “Movement of Formative Divine Particle” synchronized with the movement of the “Generative Divine Particle”, with respect to the “septenary intersecting points”, and without collisions forever with the passage of time — and in an expression of the “‘SPIRIT’ Divine State”.

As “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed it, this structure of the “Specific Energy ‘SPIRIT’ Substance” of “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — remains intact when it receives the luminous radiation emitted by “The ALTAR of ‘THE DIVINE’”, accompanied by the strength of the aspect of “THE DIVINE” — that is, the very high intensity and strength and at the “Proximity” of the crude “‘SPIRIT’ specific supply of subsistence” emitted by “The ALTAR of ‘THE DIVINE’” — which is placed inside “THE SHEKINAH”, “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’”.

It is so that, the structure of the “Specific Energy ‘SPIRIT’ Substance” of this first “‘SPIRIT←SPIRIT’ Body” in the “PRINCIPAL” instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model that has been formed and produced into existence in the “Specific Energy ‘SPIRIT’ Substance” constituent of “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — has inherited these same properties of the structure of the “Specific Energy ‘SPIRIT’ Substance” of “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’”.

The structure of the “Specific Energy ‘SPIRIT’ Substance” of this first “‘SPIRIT←SPIRIT’ Body” in the “PRINCIPAL” instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model has all the particulars of a stable “Specific Septenary Equilibrium Zone” with respect to “The ALTAR of ‘THE DIVINE’”, which it covers; and it remains intact when it receives the luminous radiation emitted by “The ALTAR of ‘THE DIVINE’”, accompanied by the strength of the aspect of “THE DIVINE” which is placed inside “THE SHEKINAH”, “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’”.

It is so that, this first “SPIRIT←SPIRIT’ Body” in the “PRINCIPAL” instance of the “SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model which was formed and produced into existence in the “Specific Energy ‘SPIRIT’ Substance” constituent of “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — is a unique manifestation of a metaphor of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” at the limit of “proximity” of the most potent properties that “THE DIVINE ARCHITECT AND PROJECT MASTER” has fixed for the “SPIRIT’ Specific State” in the attribute “NON DIVINE”.

M This first “SPIRIT←SPIRIT’ Body” in the “PRINCIPAL” instance of the “SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model is the third expression into existence of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” at the limit of “proximity” of the most potent properties that “THE DIVINE ARCHITECT AND PROJECT MASTER” has fixed for the “SPIRIT’ Specific State” in the attribute “NON DIVINE”; the first expression of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” being “THE DIVINE” Himself, and the second expression into existence of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” being “THE SHEKINAH”, “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’”.

D This first “SPIRIT←SPIRIT’ Body” in the “PRINCIPAL” instance of the “SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model that was formed and produced into existence in the “Specific Energy ‘SPIRIT’ Substance” constituent of “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — is the second expression in the attribute “NON DIVINE” of a metaphor of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” at the limit of “proximity” of the most potent properties that “THE DIVINE ARCHITECT AND PROJECT MASTER” has fixed for the “SPIRIT’ Specific State” in the attribute “NON DIVINE”.

This first “SPIRIT←SPIRIT’ Body” in the “PRINCIPAL” instance of the “SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model that was produced into existence in the “Specific Energy ‘SPIRIT’ Substance” constituent of “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — is the unique vessel through which “THE DIVINE”, IHVH, our

FATHER, through “THE DIVINE FORCE”, will create all others “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”.²⁸⁹

“THE DIVINE ARCHITECT AND PROJECT MASTER” has endowed this first “‘SPIRIT←SPIRIT’ Body” in the “PRINCIPAL” instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model with a very high “‘SPIRIT’ specific supply of subsistence” in the attribute “NON DIVINE”. HE has endowed it with capacities allowing it, independently, to move on his free will anywhere within the “Specific Energy ‘CELESTIAL’ Substance” constituent of the “Specific Energy ‘CELESTIAL’ Domain”.

When this first “‘SPIRIT←SPIRIT’ Body” in the “PRINCIPAL” instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model leaves the “Specific Energy ‘SPIRIT’ Substance” constituent of “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — and enters in the “Specific Energy ‘CELESTIAL’ Substance” outside of “THE SHEKINAH”, then, as “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed it, its “Specific ‘CELESTIAL’ Garment” whose structure is formed by layers of “Specific Atomic ‘CELESTIAL’ Substances” will cover it instantly.

This first “‘SPIRIT←SPIRIT’ Body” in the “PRINCIPAL” instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model cannot enter in the “Specific Energy ‘SPIRIT’ Substance” constituent of “THE SHEKINAH”, dressed in his “Specific ‘CELESTIAL’ Garment”; because the “‘CELESTIAL’ Specific State” of the “Specific ‘CELESTIAL’ Garment” is different from the “‘SPIRIT’ Specific State” of the “Specific Energy ‘SPIRIT’ Substance” constituent of “THE SHEKINAH”, and the homogeneity of this “Specific Energy ‘SPIRIT’ Substance” must be maintained as “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed it.

²⁸⁹ These details are given to you so that you can understand the difference between this first “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” through his unique “‘SPIRIT←SPIRIT’ Body” in the “PRINCIPAL” instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model and all others “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” that will be created into existence in the “Specific Energy ‘CELESTIAL’ Domain” and whose “‘SPIRIT←SPIRIT’ Body” ARE NOT of the “PRINCIPAL” instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model. By this you must understand what AZAZEL (LUCIFER), in his absence of “KNOWLEDGE OF THE DIVINE”, was unable to understand and accept; what is also at the origin of the disaster in which these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” will plunge the “Second Phase” of the implementation of “THE HOLY PROJECT”.

Only this first “‘SPIRIT←SPIRIT’ Body” in the “PRINCIPAL” instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model enters in the “Specific Energy ‘SPIRIT’ Substance” constituent of “THE SHEKINAH”; because it is the very seed of this “Specific Energy ‘SPIRIT’ Substance” which is inside “THE SHEKINAH”.

It is so that, outside of “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — this first “‘SPIRIT←SPIRIT’ Body” in the “PRINCIPAL” instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model takes its appearance of “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”: it is the first “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” produced from the “PRINCIPAL” instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model.

“THE DIVINE ARCHITECT AND PROJECT MASTER” has not endowed the “Specific Energy ‘SPIRIT’ Substance” constituent of “THE SHEKINAH” — the First “Specific Energy ‘SPIRIT←LIGHT’ Bridge” within the “Specific Energy ‘CELESTIAL’ Domain” — with “THE INTELLECT”; that is, of the capacity to perceive, to discern, to reason, to understand, to imagine, to think.

As “INDISTINCT FORM” of this “Specific Energy ‘SPIRIT’ Substance” which covers “The ALTAR of ‘THE DIVINE’” which is inside “THE SHEKINAH”, this first “‘SPIRIT←SPIRIT’ Body” in the “PRINCIPAL” instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model has received as such from “THE DIVINE FORCE”, the capacity to cross over the “Specific ‘CELESTIAL←SPIRITUAL’ Frontier” of the First “Specific Energy ‘SPIRIT←LIGHT’ Bridge” within the “Specific Energy ‘CELESTIAL’ Domain”.

It has the capacity, to enter in the “Specific Energy ‘SPIRIT’ Substance” of the First “Specific Energy ‘SPIRIT←LIGHT’ Bridge” of the “Specific Energy ‘CELESTIAL’ Domain”, to stand in front of the “Specific ‘SPIRIT←LIGHT’ Frontier” of this First “Specific Energy ‘SPIRIT←LIGHT’ Bridge”, and to communicate viva voce and face-to-face with the manifestation of “THE DIVINE”, IHVH, our FATHER that will be produced by “THE DIVINE FORCE” in the “Specific Energy ‘LIGHT’ Substance” constituent of “The ALTAR of ‘THE DIVINE’”, which is inside “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” —, and behind the “Specific ‘SPIRIT←LIGHT’ Frontier”.

When this first “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” crosses over the “Specific ‘CELESTIAL←SPIRITUAL’ Frontier” to enter in the “Specific Energy ‘SPIRIT’ Substance” of this First “Specific Energy ‘SPIRIT←LIGHT’ Bridge”, then, as “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed it, the “Specific ‘CELESTIAL’ Garment” of this first “‘SPIRIT←SPIRIT’

‘CELESTIAL’ Creature” will leave instantly at this “Specific ‘CELESTIAL←SPIRITUAL’ Frontier”, leaving only the “‘SPIRIT←SPIRIT’ Body” covered by the “Specific Radiance ‘SPIRITUAL’ Aureole”.

It is so that, the intense radiation of the “Specific Energy ‘SPIRIT’ Substance” constituent of “THE SHEKINAH” and starting at the “Specific ‘CELESTIAL←SPIRITUAL’ Frontier” will come into contact with this “Specific Radiance ‘SPIRITUAL’ Aureole” and instantly increase its brightness, to the point that this “Specific Radiance ‘SPIRITUAL’ Aureole” becomes as luminous as the luminous radiation coming out of “THE SHEKINAH”.

Therefore, this first “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” now represented by its “‘SPIRIT←SPIRIT’ Body” in the “PRINCIPAL” instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, will be fully covered by this luminous radiation.

Only this “‘SPIRIT←SPIRIT’ Body” in the “PRINCIPAL” instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, which is an “INDISTINCT FORM” of this “Specific Energy ‘SPIRIT’ Substance” which covers “The ALTAR of ‘THE DIVINE’” inside “THE SHEKINAH”, will continue the crossing of this “Specific ‘CELESTIAL←SPIRITUAL’ Frontier” to enter in the “Specific Energy ‘SPIRIT’ Substance” of “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’”.

It is so that, the homogeneity of this “Specific Energy ‘SPIRIT’ Substance” will be maintained as “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed it.

As we have already indicated, “THE SHEKINAH” is the first expression in the attribute “NON DIVINE” of a metaphor for “THE ‘SPIRIT←LIGHT’ EON”, also called the “‘SPIRIT←LIGHT’ UNION”, or simply “THE UNION”, and at the limit of the “proximity” of the most potent properties that “THE DIVINE ARCHITECT AND PROJECT MASTER” has fixed for the “‘SPIRIT→LIGHT’ Specific State” in the attribute “NON DIVINE”.

The presence of this first “‘SPIRIT←SPIRIT’ Body” in the “PRINCIPAL” instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, intellect, pure and holy, inside the “Specific Energy ‘SPIRIT’ Substance” constituent of the First “Specific Energy ‘SPIRIT←LIGHT’ Bridge”, adds intellect to this “Specific Energy ‘SPIRIT’ Substance” constituent of “THE SHEKINAH”.

The First “Specific Energy ‘SPIRIT←LIGHT’ Bridge” within the “Specific Energy ‘CELESTIAL’ Domain” is placed in a well-defined location; although it can be moved or carried from one place to another, it is fixed and is not designed to be mobile, to move autonomously from one place to another.

In addition, this First “Specific Energy ‘SPIRIT←LIGHT’ Bridge” within the “Specific Energy ‘CELESTIAL’ Domain” was not designed to be reproduced in the “Specific Energy ‘CELESTIAL’ Domain”, in which ever manner.

Thus, “The ALTAR of ‘THE DIVINE’” inside the “Specific Energy ‘SPIRIT’ Substance” of this “Specific Energy ‘SPIRIT←LIGHT’ Bridge” will not be able to enforce its own instructions without going through an intermediate vessel capable of entering in the “Specific Energy ‘SPIRIT’ Substance” constituent of “THE SHEKINAH”, such as the “‘SPIRIT←SPIRIT’ Body” in the “PRINCIPAL” instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model that enters and stands inside the “Specific Energy ‘SPIRIT’ Substance” constituent of “THE SHEKINAH”, to receive the necessary instructions that “THE DIVINE”, IHVH, our FATHER has chosen to deliver only through this process.

Once the “‘SPIRIT←SPIRIT’ Body” in the “PRINCIPAL” instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model has received the instructions of “THE DIVINE”, IHVH, our FATHER, then, this “‘SPIRIT←SPIRIT’ Body” will leave the “Specific Energy ‘SPIRIT←LIGHT’ Bridge”, wearing instantly his “Specific ‘CELESTIAL’ Garment” when crossing out through the “Specific ‘CELESTIAL←SPIRITUAL’ Frontier”, and move as “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” in the environment into existence outside of the “Specific Energy ‘SPIRIT←LIGHT’ Bridge”.

It is by this mechanism of “UNION” in “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — that “THE DIVINE”, IHVH, our FATHER, through “THE DIVINE FORCE”, will give and explain specific instructions to the “‘SPIRIT←SPIRIT’ Body” in the “PRINCIPAL” instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model.

Subsequently, this “‘SPIRIT←SPIRIT’ Body” in the “PRINCIPAL” instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, when it leaves the “Specific Energy ‘SPIRIT←LIGHT’ Bridge”, wearing instantly his “Specific ‘CELESTIAL’ Garment” when crossing out through the “Specific ‘CELESTIAL←SPIRITUAL’ Frontier”, will then, be able to transmit and explain the instructions to others entities that will be created in the “Specific Energy ‘CELESTIAL’ Substance” outside of the “Specific Energy ‘SPIRIT←LIGHT’ Bridge”, to be executed and realized in any location designated by “THE DIVINE”, IHVH, our FATHER.

Having thus created into existence this first “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” in the “Specific Energy ‘CELESTIAL’ Domain” in the attribute “NON DIVINE”, “THE DIVINE”, IHVH, our FATHER, also gave him the basic knowledge of the First “Specific Energy ‘SPIRIT←LIGHT’ Bridge” — “THE SHEKINAH”, “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — through which he has been formed and produced into existence.

HE also gave him knowledge of basic processes and the rules and functioning principles for sustaining life within the “Specific Energy ‘CELESTIAL’ Domain”, for maintaining the proper functioning of the “Specific Energy ‘SPIRIT←LIGHT’ Bridge” in order to keep into existence, all entities that would be created subsequently in the “Specific Energy ‘CELESTIAL’ Substance” outside of the First “Specific Energy ‘SPIRIT←LIGHT’ Bridge”.

In the attribute “NON DIVINE”, this first “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, through its “‘SPIRIT←SPIRIT’ Body”, is a unique manifestation of a metaphor of the “‘SPIRIT←SPIRIT’ INDISTINCT DIVINE FORM”.

This first “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” also has received a lot of basic knowledge concerning “THE DIVINE”, IHVH, our FATHER; hence the designation “MICHAEL” (He who is like IHVH) which will be given to this first “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”.²⁹⁰

This first “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, Unique and whose “‘SPIRIT←SPIRIT’ Body” is that of the “PRINCIPAL” instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, is: the Archangel MICHAEL.

Thus, the Archangel MICHAEL is the first and unique “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” that “THE DIVINE”, IHVH, has created directly, through the intermediary of “THE DIVINE FORCE”, in the attribute “NON DIVINE”, and he will be the only “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” that “THE DIVINE FORCE” will create as such in the attribute “NON DIVINE”.

²⁹⁰ To have received a lot of basic knowledge concerning “THE DIVINE”, IHVH, our FATHER, is not synonyme of to know “THE DIVINE”, IHVH, our FATHER, especially when the creature is not aware that such knowledge has been placed inside him and is sleeping in the bed of ignorance. Every creature that is brough forth into existence inside the attribute “NON DIVINE”, receives a seed of the plant of “THE KNOWLEDGE OF THE DIVINE”. Throughout his existence, the creature is called to develop that seed and to grow accordingly to know “THE DIVINE”, IHVH, our FATHER, so that “THE DIVINE”, IHVH, our FATHER be revealed to the attribute “NON DIVINE”. There is only one teacher: “THE DIVINE FORCE”.

It is through the “‘SPIRIT←SPIRIT’ Body” of the Archangel MICHAEL, that is, this “‘SPIRIT←SPIRIT’ Body” in the “PRINCIPAL” instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, that was produced into existence in the “Specific Energy ‘SPIRIT’ Substance” constituent of “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” —, and through the intermediary of “THE DIVINE FORCE”, that “THE DIVINE”, IHVH, our FATHER will realize the remaining part of “THE HOLY PROJECT” that “THE DIVINE ARCHITECT AND PROJECT MASTER” had designed.²⁹¹

The Archangel MICHAEL is, in the attribute “NON DIVINE”, a manifestation of an expression of a metaphor of the “‘SPIRIT←SPIRIT’ INDISTINCT DIVINE FORM”.

The Archangel MICHAEL is also a manifestation of an expression of the metaphor of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, all in the “‘SPIRIT’ Specific State” in the attribute “NON DIVINE”, on a much larger scale, and it is so that he is the foremost on each “Angelical Order”; he surpasses and takes precedence over all seven “Angelical Orders” — the seven instances of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model.

It is from the Archangel MICHAEL and through the Archangel MICHAEL that “THE DIVINE ARCHITECT AND PROJECT MASTER” has established to realize, through the intermediary of “THE DIVINE FORCE”, the remaining part of “THE HOLY PROJECT” on scales larger than that of the “Specific Atomic ‘SPIRIT’ Substance”.

As “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed it, because of the androgyny the “‘SPIRIT←SPIRIT’ Body” of the Archangel MICHAEL, which received its adjective “MALE” and its adjective “FEMALE”, the Archangel MICHAEL will be for all living entities that will be created into existence, in the “Specific Energy ‘CELESTIAL’ Domain”, what the “Specific Elementary ‘SPIRIT’ Particle” is for the “Specific Energy ‘SPIRIT’ Substance”.

The Archangel MICHAEL is, as such, the first realization, application and demonstration on a large scale in the “Specific ‘CELESTIAL’ Environment” of the concept of the “Specific Elementary ‘SPIRIT’ Particle” that “THE DIVINE

²⁹¹ It is to for the purpose to bring human creatures to understand this, that ENOCH, of whom METHUSELAH is the descendant, had spoken of the “Oath of AKA”, saying that “THE DIVINE”, IHVH, our FATHER “*placed this “Oath of AKA” in the hands of the Archangel MICHAEL*”.

ARCHITECT AND PROJECT MASTER” has established in the “Specific ‘SPIRITUAL’ Environment”.

All the rules and principles that “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed and established in order to sustain “THE HOLY PROJECT” into existence are based on a common element which is “VITAL” to the existence and to the proper functioning of the “Specific Elementary ‘SPIRIT’ Particle” and everything will be formed and produced by it.

This common element is “THE SPECIFIC SPIRITUAL FORCE OF LIFE” that “THE DIVINE FORCE” had abundantly poured in the “Specific Energy ‘CELESTIAL’ Domain” and whose degree of presence, in the “Specific ‘SPIRITUAL’ Environment” external and immediate around the “Specific Elementary ‘SPIRIT’ Particle” and everything that will be formed and produced by it, will allow to sustain into existence living creatures that SHE would create subsequently. “THE SPECIFIC SPIRITUAL FORCE OF LIFE” is:

“PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”²⁹²

The “Causal Precedence Relation of ‘THE PRAISE’” is catalyzed by the degree of presence of “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” in the “Specific ‘SPIRITUAL’ Environment” external and immediate around the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”.

It is through “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” that the products, also called the “fruits”, of “THE TREE OF LIFE” and which are manifestations, in the attribute “NON DIVINE”, of metaphors of supply of subsistence that are provided as a result of the execution of the “Causal Precedence Relation of ‘THE PRAISE’”, will be extracted and provided to the “Specific Elementary ‘SPIRIT’ Particle”, so that this “Specific Elementary

²⁹² In its original statement, this common element is summarised by an expression which translates into human language to mean “LOVE OF ‘THE DIVINE’”, and the adjectives “PURE, TRUTHFUL, AND AUTHENTIC” are implied in the “LOVE OF ‘THE DIVINE’”. These adjectives are always implied, they are self contained, self evident, epithets in all “words” that “THE DIVINE”, IHVH, our FATHER emits into existence. We write these adjectives explicitly, as indicated by “THE DIVINE FORCE”, so that each of you examines himself/herself with regards to his/her “LOVE OF ‘THE DIVINE’”, which is the glue that holds together all the atomic elements of your components, as it is with the components of the celestial creatures.

‘SPIRIT’ Particle” remains into existence in the “‘SPIRIT’ Specific State” in the attribute “NON DIVINE”.

These products, also called the “fruits”, of “THE TREE OF LIFE”, are the “‘SPIRIT’ specific supply of subsistence” which are necessary for the proper functioning of the “Specific Elementary ‘SPIRIT’ Particle”. This is why “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” is also used as synonym for “THE TREE OF LIFE”.

It is through “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” that any manifested product, in the attribute “NON DIVINE”, of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, will stand in “PURITY” and “TRUTH”, and hence “The Walk within the Acronym IHVH”, which is the Governing Law of the Behavior, of such manifested product, will lead it to its expected “PLENITUDE”, as was designed and established by “THE DIVINE ARCHITECT AND PROJECT MASTER”.

“PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” is the Love of “THE DIVINE”, IHVH, our FATHER, in His various forms and aspects, and that is:

1. PURE — that is, in the “PURITY” of the “Interpreted THOUGHTS” just as “THE DIVINE”, IHVH, our FATHER is towards His CHILDREN;
2. TRUTHFUL — that is, not for any gain other than the main goal that “THE DIVINE”, IHVH, our FATHER has established for His CHILDREN, for what “THE DIVINE”, IHVH, our FATHER is and represents;
3. AUTHENTIC — that is, whose accuracy, genuine expression cannot be challenged.

The “PURITY” of the “Interpreted THOUGHTS”, which ensues from the “PURITY” of the “THOUGHTS” and which is the eternal symbol of “THE DIVINE ARCHITECT AND PROJECT MASTER” and of “THE DIVINE FORCE”, is a very important aspect in “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” because in “THE SEAT OF THE INTELLECT” of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, it is the “Interpreted THOUGHT” which is at the origin of every action.

This “PURITY” of the “Interpreted THOUGHTS” takes place only when the “TRUTHFUL” aspect of love that one has for “THE DIVINE”, IHVH, our FATHER, is present.

If love that a “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” has for “THE DIVINE”, IHVH, our FATHER is not “TRUTHFUL” then, the degree of presence of “THE SPECIFIC SPIRITUAL FORCE OF LIFE” which is “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”, in the “Specific ‘SPIRITUAL’ Environment” external and immediate around the considered “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” will decrease and this “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” will generate impure “Interpreted THOUGHTS” aimed to satisfy his own internal needs outside of the specifications established by “THE DIVINE ARCHITECT AND PROJECT MASTER”.

“PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” is “THE FIRST LAW”, “THE FIRST RULE OF EXISTENCE”, “THE FIRST COMMANDMENT” established by “THE DIVINE”, IHVH, our FATHER.²⁹³

It is the “VITAL” force which is at the core and on which rests all “THE HOLY PROJECT” that “THE DIVINE”, IHVH, our FATHER undertook to realize in the attribute “NON DIVINE”.

Every creature into existence, and whose degree of presence of “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” in the “Specific ‘SPIRITUAL’ Environment” external and immediate around her is sufficiently high, functions in the PURITY and HOLINESS according to the principles and rules that “THE DIVINE ARCHITECT AND PROJECT MASTER” has established for her.

“PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”, just as “THE TREE OF LIFE”, as “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed it, transcends the attribute “NON DIVINE” and allows to “KNOW THE DIVINE” and to the take a share of the indescribable joy, the ineffable gladness, and immeasurable state of equilibrium that “THE DIVINE”, IHVH, our FATHER has chosen to share with the attribute “NON DIVINE” as HE wanted it to be when HE decided to establish “THE HOLY PROJECT”.

²⁹³ See conversation concerning the origin of the commandments, Aristide with The Archangel MICHAEL.

This first commandment will also be given to human creatures since the early days of this world in which they live. It is so that, later during the course of the “Second Phase” of “THE HOLY PROJECT”, when HE was performing the “PROJECT OF REDEMPTION” for which “THE DIVINE FORCE” had created Him into existence, CHRIST will remind this several times to human creatures.

“PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”, as “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed it, is also synonym of the “LINK OF ATTACHMENT” of the attribute “NON DIVINE”, and all that this attribute contains, with “THE DIVINE”.

“PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” is “THE SPECIFIC SPIRITUAL FORCE OF LIFE” unique and through which Living and Holy Energy necessary to the existence in the attribute “NON DIVINE” is activated and transmitted as a result of execution of the “Causal Precedence Relation of ‘THE PRAISE’”, to entities that will be created into existence.

Symbolically this translates by also saying that:

“PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” is (synonym of) “THE TREE OF LIFE”, eternal symbol of the glory and strength of “THE DIVINE”, IHVH, our FATHER. Its “fruit” allows to live forever, because it is this “fruit” which allows forever to “NOURISH” — that is, to provide the “SPIRIT” specific supply of subsistence” necessary for the proper functioning of — both the “Specific Elementary ‘SPIRIT’ Particle” and the “specific processes” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed and established in order to maintain the cohesion of the different layers of these “Specific Elementary ‘SPIRIT’ Particles”.

“PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”, is unique, subtle, mobile, unblemished, unalterable, and because of its nature, it penetrates through any “Specific Energy ‘SPIRITUAL’ Substance” which is pure to “NOURISH” all the constituents “Specific Elementary ‘SPIRITUAL’ Particles”.

It is an outflow of energy which, exhaling through mechanisms that “THE DIVINE ARCHITECT AND PROJECT MASTER” has established, transmits the will or the impressions of “THE DIVINE” in the attribute “NON DIVINE” and all that this attribute contains.

“PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” is a pure radiation of the glory and the activity of “THE DIVINE”, a metaphor of his kindness, and no impurity can slip in HER.

“PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” is WISDOM. The root of the WISDOM, the beginning of WISDOM, the foundation of WISDOM, and the coronation of WISDOM, is the knowledge and the profound

understanding of “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”.²⁹⁴

It is by an elevated degree of presence of “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” in the “Specific ‘SPIRITUAL’ Environment” external and immediate around the creature that “THE DIVINE FORCE” will create subsequently from the “Specific Energy ‘SPIRIT←LIGHT’ Bridge” model that creature will obtain the “SPIRITUAL BREAD”²⁹⁵.

“PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” is “THE PERFUME OF LIFE”, and goes hand in hand with “THE KNOWLEDGE OF THE DIVINE” which is “THE WATER OF LIFE” — it is “THE WATER THAT IS HIDDEN IN THE WATER”, also called “THE WATER OF CERTITUDE” — of

²⁹⁴ Later during the course of “THE HOLY PROJECT”, this will be explained to humans through a descendant of Sira, in these terms:

“ ...

“PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” is eminent of that, which is called “WISDOM”; “THE DIVINE”, IHVH, our FATHER gives a share to those with whom HE wants to let Himself seen.

“PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” is glory and honour, joy and crown of gladness.

...

...”

Read more in the section concerning the details of annotations — Annotation on the particulars of “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”.

²⁹⁵ It is of this “SPIRITUAL BREAD” — “DAILY BREAD” — that CHRIST spoke about when he indicated how you should pray by saying:

“... Our FATHER who is in the HEAVEN! Your name be sanctified; ... Give us today our “DAILY BREAD” ...”.

“PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” is catalyst of the “Causal Precedence Relation of ‘THE PRAISE’” through which a creature will be able to receive products, also known as “fruits”, of “THE TREE OF LIFE” and which are manifestations, in the attribute “NON DIVINE”, of metaphors of supply of subsistence that are provided as a result of the execution of the “Causal Precedence Relation of ‘THE PRAISE’”. Those “fruits”, of “THE TREE OF LIFE”, are also symbolically called: the “SPIRITUAL BREAD”, the “DAILY BREAD”, etc...

every creature that “THE DIVINE FORCE” will create subsequently from the “Specific Energy ‘SPIRIT←LIGHT’ Bridge” model²⁹⁶.

This is why it is said of the cup of “THE PRAISE” that it contains “THE WATER OF LIFE” and “THE PERFUME OF LIFE” on which one gives thanks to “THE DIVINE”. It is filled by “THE DIVINE FORCE” and it totally belongs to “THE DIVINE”; that is, it is prepared only and is issued for “THE DIVINE”, IHVH, our FATHER.

“PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” is “THE LIGHT OF LIFE” for every creature that “THE DIVINE FORCE” will create subsequently from the “Specific Energy ‘SPIRIT←LIGHT’ Bridge” model; Whoever will sprout it in himself will become himself a source of “LIGHT” that shines forever.

“PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” is the unique “force” which allows to sustain the proper functioning of every creature that “THE DIVINE FORCE” will create subsequently from the “Specific Energy ‘SPIRIT←LIGHT’ Bridge” model. It is a spiritual force which transcends the attribute “NON DIVINE”, which does not perished and has been designed by

²⁹⁶ It is of this “WATER OF LIFE” that CHRIST spoke about when HE was saying:

“... Whosoever drinks of the “WATER” that I shall give him shall never thirst, and the “WATER” that I give him will become in him a source of “WATER”, which will spring up till the eternal life. ...”

“THE KNOWLEDGE OF THE DIVINE” is “THE WATER OF LIFE”, and “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” is “THE PERFUME OF LIFE”. Those who drink it, those who will anoint themselves with it are approved. Approved are also those who are in the presence of those who drank it and all those who have anointed themselves. If those who have anointed themselves with the nard walk away and come to leave, those who are not anointed or who have not drank and who stood only with the anointed ones remain in their stench (in their own excrement).

“THE KNOWLEDGE OF THE DIVINE” being symbolically called “THE WATER OF LIFE”, then, the “‘SPIRIT←SPIRIT’ Body” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” that will contain “THE WATER OF LIFE” (also called “THE WINE”, etc...) will be also symbolically called the “‘SPIRIT←SPIRIT’ VASE”, or simply the “VASE” in all its forms. It will be the same for human creatures and it is of this “VASE” that is spoken of in all Scriptures that human creatures have in their possession.

“THE DIVINE ARCHITECT AND PROJECT MASTER”, for this specific purpose.²⁹⁷

“PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” is the unique “SPECIFIC SPIRITUAL FORCE OF LIFE” which allows to build anything approved by “THE DIVINE”, IHVH, our FATHER, in “THE HOLY PROJECT”.

It is so that, a very high degree of presence of “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” in the “Specific ‘SPIRITUAL’ Environment” external and immediate around every creature, whatever the creature, increases the speed of reception and transmission of “specific signals” in the “Specific Elementary ‘SPIRIT’ Particles” and between the “Specific Elementary ‘SPIRIT’ Particles” constituent of such a creature and therefore brings such creature closer to the highest maturity in “THE KNOWLEDGE OF THE DIVINE”, as “THE DIVINE ARCHITECT AND PROJECT MASTER” has established it.

The rejection or the transgression of “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”, the transgression of “THE FIRST RULE OF EXISTENCE”, is that, which is designated as: “SIN”.

The rejection of “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” by any creature, whatever the creature, reduces also the speed of reception and transmission of “specific signals” in the “Specific Elementary ‘SPIRIT’ Particles” and between the “Specific Elementary ‘SPIRIT’ Particles” constituent of such a creature and therefore keeps such creature away from “THE KNOWLEDGE OF THE DIVINE” and brings it closer to the “MURKY VOID”; that is, erasure from the existence, also called: “DEATH”.

²⁹⁷ Later during the course of “THE HOLY PROJECT”, this will be explained to humans through the letter to the Corinthians:

“...

When I shall speak the languages of men and of angels, if I do not have Love, I am only a sounding brass or a clanging cymbal. And when I shall have the gift of prophecy, the science of all mysteries and all the knowledge, when I shall even have all the faith so as to move mountains, if I do not have Love, I am nothing... Love never perish.

...”

This was about “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”, this “SPECIFIC SPIRITUAL FORCE OF LIFE” that has been designed by “THE DIVINE”, IHVH, our FATHER and that transcends the attribute “NON DIVINE”.

Indeed, the rejection or the transgression of “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” by “THE SEAT OF THE INTELLECT” leads to the occurrence of all kinds of negligences, including the negligence of the illumination — “THE LIGHT” which allows to discern that, which conforms to the specifications that “THE DIVINE ARCHITECT AND PROJECT MASTER” has defined — that is provided by “THE DIVINE FORCE” through “THE SEAT OF WISDOM”. These negligences in turn will lead to the increased occurrence of “IMPURITY” in all its forms and which are the residuals of “Interpreted THOUGHTS” produced by “THE SEAT OF THE INTELLECT”, which will be functioning on its own material using those residuals as internal input signals to generate new “Interpreted THOUGHTS” in a closed loop. It is so that, “THE SEAT OF THE INTELLECT” will be standing in its own “IMPURITY” in all its forms. Being prone to the Governing Law of the Behavior, the manifestation of “The Walk within the Acronym IHVH”, and standing in “IMPURITY” in all its forms, “THE SEAT OF THE INTELLECT” will produce “IMPURE” action signals, which in turn, when given life, will lead to wilful misconducts, offspring of “IMPURITY” in all their forms. These wilful misconducts in their turn will lead to the occurrence of damages in the structures of “THE SEAT OF THE INTELLECT”, which as such becomes “UNHOLY”, in much the same way as a vehicle engine that has been designed to fully function only with clean and pure fuel will now be functioning with a little bit of that clean fuel mixed with quite a lot of sand.

As we have indicated already, when “THE SEAT OF THE INTELLECT” is “UNHOLY”, then “PURITY” will fail to be present in its products, and “TRUTH” and “GRACE” also will not be present in those products of “THE SEAT OF THE INTELLECT”. Instead, “IMPURITY”, “LIES” and “DISGRACE”, which are opposite, will be present, and “The Walk within the Acronym IHVH” will still operate with “IMPURITY”, “LIES” and “DISGRACE” as inputs in the first quadrant, and at each step of “The Walk within the Acronym IHVH”, and opposite attributes will be produced. It is so that, in the second quadrant, the “children” of “IMPURITY”, “LIES” and “DISGRACE”, which are called “INCOMPREHENSION”, “OBSCURITY”, and “HATRED”, will be the products of “THE SEAT OF THE INTELLECT”. In the third quadrant, “PERCEPTION” will be replaced by the residuals of “Interpreted THOUGHTS” of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, and the “SCIENCE” and “MEMORY” associated with “PERCEPTION”, will be contaminated with “IMPURITY”, “LIES” and “DISGRACE” inherited from the first quadrant, and also they will be contaminated with “INCOMPREHENSION”, “OBSCURITY”, and “HATRED” inherited from the second quadrant. In the fourth quadrant, what has emerged

from the residuals of “Interpreted THOUGHTS” of the “SPIRIT←SPIRIT ‘CELESTIAL’ Creature”, will be the “seed” to “LACK OF INTELLIGENCE”, and “IMPERFECTION” and “CHAOS”, which will be the characteristic of “THE SEAT OF THE INTELLECT”. “CHAOS” in turn leads ultimately to the internal destruction and dismantling of the structural integrity of “THE SEAT OF THE INTELLECT” as an assembled structure of “created energy”, hence the return to the crude “created energy” of origin from which it was produced into existence by “THE DIVINE FORCE”: that, which is designated as “DEATH”. It is so that, the rejection or the transgression of “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” by any creature will bring that creature closer to “DEATH”. This is a demonstration of the concept of “DEATH” without any external intervention whatsoever. Just like “THE ABSOLUTE MOVEMENT” does not require any external intervention to function and is without connection to anything outside and flows evenly in “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, in much the same, “DEATH”, “THE VERITABLE DEATH”, the return to the “MURKY VOID”, is without any external intervention whatsoever.

Using the principle of causality, this also translates by saying that:

THE CONSEQUENCE OF SIN
— THE REJECTION OR THE TRANSGRESSION OF
“PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” —
IS “DEATH”.

In parables, to make all these things understood, it will also be said about “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”, under its denomination of “THE DIVINE WISDOM”, that:

“...

Blessed is he who has found “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”, for he has found LIFE he obtains the favor of IHVH, but he who rejects or transgresses “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”, injures his soul; he who hates “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”, cherishes “DEATH”.

...”

After that “THE DIVINE”, IHVH, our FATHER thus, via “THE DIVINE FORCE”, had created into existence the “Specific Energy ‘CELESTIAL’ Domain” and had

made it habitable through the presence of the First “Specific Energy ‘SPIRIT←LIGHT’ Bridge” that HE had placed within the “Specific Energy ‘CELESTIAL’ Domain”, and after that “THE DIVINE”, IHVH, our FATHER thus, via “THE DIVINE FORCE”, had created the Archangel MICHAEL, who is also on a larger scale, an analogy to the “Specific Elementary ‘SPIRIT’ Particle” that “THE DIVINE ARCHITECT AND PROJECT MASTER” had designed in the “Specific ‘SPIRITUAL’ Environment”, so it is that “THE DIVINE”, IHVH, our FATHER undertook to create the “Celestial Host” from the seven “Angelical Orders” that “THE DIVINE ARCHITECT AND PROJECT MASTER” had designed and established.

יצה ספר

CHAPTER 146

CREATION IN EXISTENCE OF THE 'CELESTIAL' HOST — METAPHORS OF EACH OF THE SEVEN "DIVINE PARTICLES" CONSTITUENT OF "THE DIVINE SUPREME CONFIGURATION"

"THE DIVINE ARCHITECT AND PROJECT MASTER" HAS NOT ENDOWED the "SPIRIT←SPIRIT" Body" in the "SPIRIT←SPIRIT" 'CELESTIAL' Creature" model, having the "MALE" adjective, with the capacity to emit "SPECIFIC SIGNALS CATALYST OF THE BIRTH" of an instance of the "SPIRIT←SPIRIT" 'CELESTIAL' Creature" model.

In addition, "THE DIVINE ARCHITECT AND PROJECT MASTER" HAS NOT ENDOWED the "SPIRIT←SPIRIT" Body" in the "SPIRIT←SPIRIT" 'CELESTIAL' Creature" model, having the "FEMALE" adjective, with the capacity to serve as a medium of production of instances of the "SPIRIT←SPIRIT" 'CELESTIAL' Creature" model.

Therefore, "SPIRIT←SPIRIT" 'CELESTIAL' Creatures" cannot reproduce by themselves.

It is from "THE WORD OF THE DIVINE", emitted by "THE DIVINE", IHVH, our FATHER, and it is according to the instructions of "THE DIVINE ARCHITECT AND PROJECT MASTER" and which are transported by "THE WORD OF THE DIVINE", that "THE DIVINE FORCE" will form and produce into existence a "SPIRIT←SPIRIT" 'CELESTIAL' Creature" from the "SPIRIT←SPIRIT" Body" in the "PRINCIPAL" instance of the "SPIRIT←SPIRIT" 'CELESTIAL' Creature" model (that is, the Archangel MICHAEL) who will serve as production medium of the seven instances of the "SPIRIT←SPIRIT" 'CELESTIAL' Creature" model.

Once "THE DIVINE", IHVH, our FATHER has emitted "THE WORD OF THE DIVINE" for the creation into existence of a "SPIRIT←SPIRIT" 'CELESTIAL'

Creature”, then, it is “THE DIVINE FORCE” who will manifest into existence, from the Archangel MICHAEL, the sequence of “SOUNDS” that are associated with “THE WORD OF THE DIVINE” that has been emitted by “THE DIVINE”, IHVH, our FATHER, and thus creating into existence a “Bubble of Purity” formed from the “mouth” of the Archangel MICHAEL, and containing appropriate “Specific Atomic ‘CELESTIAL’ Substances”.²⁹⁸

It is thus that, for example, from the “‘SPIRIT←SPIRIT’ Body” of the Archangel MICHAEL and with a single specific transformation applied to this “‘SPIRIT←SPIRIT’ Body” in the “PRINCIPAL” instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, “THE DIVINE FORCE” will form and produce into existence the “‘SPIRIT←SPIRIT’ Body” of the considered instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, carrying a manifestation of a metaphor of a unique “DIVINE PRIMARY WEALTH” pertaining to “THE DIVINE FORCE”, and according to the specifications transported by “THE WORD OF THE DIVINE”. By this, you must understand that “THE DIVINE FORCE” has coded the complete set of information related to a metaphor of that unique “DIVINE PRIMARY WEALTH” in the “generative or origin material”²⁹⁹ of the “‘SPIRIT←SPIRIT’ Body” of the considered instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model. “THE DIVINE FORCE” will also code and insert the information related to the manifestation of such metaphor of that unique “DIVINE PRIMARY WEALTH” in the “generative or origin material” of the “Specific ‘CELESTIAL’ Garment” of the considered instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model. The “generative or origin material” of the “‘SPIRIT←SPIRIT’ Body”, which descend

²⁹⁸ It is like when a fish “speaks” in the water, an air bubble forms immediately in front of its mouth.

²⁹⁹ You may view this as the equivalent of the “genetic material” in human creatures. Each human creature will also be unique through its complete set of “genetic material”. With exception of the first and only transmission that occurs from the Archangel MICHAEL and through the “‘SPIRIT←SPIRIT’ Body”, this “generative or origin material” for the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” cannot be transmitted to a next “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”. There is no “line of descend” or “lineage” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model in the sense that you know it with human creatures, and the “Angelical Orders”, which are the seven instances of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, are not “lines of descend” or “lineages”. The only transmission of “generative or origin material” is from the Archangel MICHAEL and through the “‘SPIRIT←SPIRIT’ Body”. All “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” are in this way the descendants of the Archangel MICHAEL.

(that is to say, is descendant) from the “generative or origin material” of the Archangel MICHAEL, will be completed (for demonstration purposes) by the “generative or origin material” of the “Specific ‘CELESTIAL’ Garment”. Through these two “generative or origin materials”, the unicity of the considered instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model is determined.

It is from the appropriate “Specific Atomic ‘CELESTIAL’ Substances” and which are inside the “Bubble of Purity” formed from the “mouth” of the Archangel MICHAEL, that “THE DIVINE FORCE” will simultaneously “weave” into existence the “Specific ‘CELESTIAL’ Garment” (including the morphology and the anatomy) of the considered instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model.

The “Specific ‘CELESTIAL’ Garment” is produced into existence “fully grown” and with the “physical characteristics”, which are associated with the “11 years”-old aged “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” obtained from the considered instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model.³⁰⁰ As we have already indicated, “THE DIVINE ARCHITECT AND PROJECT MASTER” has endowed the “Specific ‘CELESTIAL’ Garment” with “specific processes” through which the “Specific ‘CELESTIAL’ Garment” in its totality undergoes a “rejuvenation” process immediately at the completion of a cycle of “30 years” into existence inside the attribute “NON DIVINE”, and through which it is restored, at the cellular level, to the “juvenile specific conditions” of birth in which it was produced (brought forth) into existence inside the attribute “NON DIVINE”. It is so that, at the completion of every cycle of “30 years” into existence inside the attribute “NON DIVINE”, the “Specific ‘CELESTIAL’ Garment” will automatically “rejuvenate” and return to the established characteristics of its “juvenile specific conditions” of birth, and the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” will appear to be “perdurable juvenile”. This “rejuvenation” process, however, does not apply to the “‘SPIRIT←SPIRIT’ Body” that will wear the “Specific ‘CELESTIAL’ Garment”. The “juvenile specific conditions” of birth associated with the production into existence of the “Specific ‘CELESTIAL’ Garment” and, which were established by “THE DIVINE ARCHITECT AND

³⁰⁰ This will also be the case with the first human creature with the adjective “MALE” — and who will be called “ADAM” — and who will be produced into existence with the “physical characteristics”, which are associated to the “18 years”-old human creature obtained from the human creature model; idem with the first human creature with the adjective “FEMALE” — and who will be called “THE FEMALE”. All others human creatures descendants of these first two will start from “zero”, through zygote, embryo, fetus, etc....

PROJECT MASTER” for the “Specific ‘CELESTIAL’ Garment” of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model are those which are associated to the “11 years”-old aged “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” in the growth development of the “Specific ‘CELESTIAL’ Garment”; that is to say, those of preteenager or “end of middle childhood” from the perspective of the growth of the “Specific ‘CELESTIAL’ Garment”.

As for the “‘SPIRIT←SPIRIT’ Body” of the considered instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model and which “THE DIVINE FORCE” will form and produce into existence, “THE SEAT OF THE INTELLECT” inside that “‘SPIRIT←SPIRIT’ Body” will not go through the natural cognitive development, which is common and which will be observed in human creatures and, which precedes preteenager. As it will be the case with human creatures at the stage of preteenager or “end of middle childhood”, “THE SEAT OF THE INTELLECT” inside the considered instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model and which “THE DIVINE FORCE” will form and produce into existence, will already have, at its production into existence inside the attribute “NON DIVINE”, the developed cognitive abilities and the “innate capabilities” necessary to perform the tasks for which that “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” will be brought forth into existence inside the attribute “NON DIVINE” by “THE DIVINE FORCE”. Thus, at its production into existence inside the attribute “NON DIVINE”, and to the extent of the elements of “THE ‘SPIRIT’ REASON”, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature, will already have “Interpreted THOUGHTS” in accordance with the age of preteenager or “end of middle childhood” and its abilities and it will already be operational and capable to:

- “THINK” and “REASON” through “hypothetico-deductive reasoning” and through the logical use of symbols related to abstract concepts related to the purpose and the tasks for which it will be brought forth into existence inside the attribute “NON DIVINE”;
- “Work” on “forms” or representations related to abstract concepts, that is to say mental representations of the relevant objects and actions, related to the purpose and the tasks for which it will be brought forth into existence inside the attribute “NON DIVINE” and systematically solve a problem in a logical and methodical way; hence, it will already be able to tell the difference between that, which is “a solution” and that, which is “not a solution” of a problem, that is to say, the difference between that, which is “CORRECT” and that, which is “INCORRECT”;

- Understand the concept of “self” and has self-knowledge of the purpose and the tasks for which it will be brought forth into existence inside the attribute “NON DIVINE”, in the social environment in which it will be brought forth into existence inside the attribute “NON DIVINE”, and will be able to develop standards and expectations for own behavior. The concept of “self” is at the base of the principle of individual consciousness, the object of it, but an active subject; it is all together personal identity, the dimension of invisible interiority, the ontological depth to which the individual character and individual destiny lean and build on into existence inside the attribute “NON DIVINE”.

It is so that, at its production into existence inside the attribute “NON DIVINE”, “THE SEAT OF THE INTELLECT” inside the considered instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model and which “THE DIVINE FORCE” will form and produce into existence, will already have the disposition to become better at learning and to develop a number of traits that are useful in the learning process, such as curiosity, creativity, imagination, cooperation, confidence, commitment, enthusiasm, and persistence. It will already be able to collect, organize and integrate information and ideas from various sources, and to question and predict, examine and analyze opinions, identify values and issues, detect bias and distinguish between alternatives. In fact, just like it will be observed in human creatures, in the phase that precedes preteenager, “THE SEAT OF THE INTELLECT” inside the considered instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model and which “THE DIVINE FORCE” will form and produce into existence, will already have the capacity, right away, to the extent of the elements of “THE ‘SPIRIT’ REASON” and in accordance with the age of preteenager or “end of middle childhood”, to think critically about things, to look beyond the symbols of what they will literally see or hear, and determine what it actually means.

Furthermore, as we have already indicated in one previous annotation, although from the perspective of “THE SEAT OF THE INTELLECT”, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” will already be operational in accordance with the “innate capabilities” at age of preteenager or “end of middle childhood”, however from the perspective of “THE SEAT OF WISDOM”, the plant of the “THE KNOWLEDGE OF THE DIVINE” will be in the seed state and the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” will be similar to an embryo. The embryo, which develops in the uterus before it is born, has everything it needs without ever having seen the one who sowed it. It will have to go through the different stages of the development of the plant of the “THE KNOWLEDGE OF

THE DIVINE”, ranging from the implantation of the seed until maturity; ranging from the “spiritual awakening” to the “adult spiritual age” passing through the “spiritual childhood” and the “spiritual adolescence”.³⁰¹

It is during the course of the development of the plant of the “THE KNOWLEDGE OF THE DIVINE”, that the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” will undergo extremely complex “emotional development”. Its understanding of the concept of “self” will evolve and it will develop a more complex image of who it think it is. In addition, its sense of competence — what it believes it is able to achieve — will also adjust and refine to efficiently satisfy the purpose for which the considered “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” will be brought forth into existence inside the attribute “NON DIVINE”. All of these, as it will be shown later through human creatures, will be coupled with its growing understanding of moral and ethical behaviour, and an increased capacity for emotional understanding and expression.

Once the “‘SPIRIT←SPIRIT’ Body” of the considered instance has been produced, then, “THE DIVINE FORCE” will dress it with this “Specific ‘CELESTIAL’ Garment”.

The execution of this process is so fast and at the scale of the “Specific Atomic ‘CELESTIAL’ Substance”, that, when observing on a much larger scale, then, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” specified by “THE WORD OF THE DIVINE”, which has been emitted by “THE DIVINE”, IHVH, our FATHER, and produced by “THE DIVINE FORCE”, appears into existence as by “magic”, as coming from nowhere: that effect is due to the difference in scales, and the execution speed of “THE DIVINE FORCE”, which is several billion times faster

³⁰¹ The transition from one stage to another does not take place in a few months or over an entire year, but it takes place over several years and in accordance with whether or not the creature is awoken or not to the existence of the invisible teaching process performed by “THE DIVINE FORCE”; and in the case of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, the transition from “spiritual awakening” to “spiritual childhood” was made over billions of years (yes! billions!!!). Remember the following saying in parables and get the picture of the transition time from one stage to another in the development of the plant of the “THE KNOWLEDGE OF THE DIVINE”:

“ ...

There is in Paradise a tree under the shadow of which a horseman can walk for a hundred years without ever leaving it.

...”

than any speed that can execute any non-divine creature born into existence inside the attribute “NON DIVINE”.

When one sees this at the scale of the “Specific Atomic ‘CELESTIAL’ Substance” and in “slow motion”, it is almost as if looking at a whirlwind of sand, and the sand particles being these “Specific Atomic ‘CELESTIAL’ Substances” now being arranged by an invisible hand: it is “THE DIVINE FORCE” who is so at work.

It is so that, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” is produced into existence in the “Specific Energy ‘CELESTIAL’ Substance” constituent of the “Specific Energy ‘CELESTIAL’ Domain” in the “Plane Above”.

It will also be said of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” that has been produced into existence in the “Specific Energy ‘CELESTIAL’ Substance”, by this process, that it has been “spoken” into existence from the Archangel MICHAEL.

For the purpose to have the task of the realization of “THE HOLY PROJECT” shared and easy to perform, “THE DIVINE FORCE” created into existence in the “Specific Energy ‘CELESTIAL’ Substance” constituent of the “Specific Energy ‘CELESTIAL’ Domain”, from the Archangel MICHAEL, and following receipt of “THE WORD OF THE DIVINE”³⁰², twelve manifestations (six pairs of “MALE”

³⁰² In the “Specific ‘SPIRITUAL’ Environment”, no creature speaks by emitting words through his “mouth” as a human creature on Earth will do, but one talks with others creatures without using the “mouth” and it is like telepathy.

When “THE DIVINE”, IHVH, our FATHER emits “THE WORD OF THE DIVINE”, it is “THE DIVINE FORCE” who makes manifest into existence in the attribute “NON DIVINE”, the sequence of “SOUNDS” which are associated to such “WORD OF THE DIVINE”; and when SHE does it, it is to create something into existence through a production medium.

“‘THE WORD OF THE DIVINE’ IS MADE TO BE APPLIED, TO CREATE AND GIVE LIFE — IN THE MEANING OF THE PRODUCTION OF A LIVING ‘SPIRITUAL BODY’ — IN THE ATTRIBUTE ‘NON DIVINE’ TO WHAT ‘THE DIVINE ARCHITECT AND PROJECT MASTER’ HAS DESIGNED AND BEFOREHAND CREATED”

It is “THE DIVINE FORCE” (“THE DIVINE WORKER”, better known under the name: “THE HOLY SPIRIT”) who is responsible for implementing “THE WORD OF THE DIVINE”.

“‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” will seek to receive of Archangel MICHAEL this knowledge which, they believed, could allow them to generate this “SPECIFIC SIGNAL CATALYST OF THE BIRTH” in order to “GIVE LIFE” in the sense of creation into

- The first and foremost manifestation of the “QUERUB” instance formed and produced outside of “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — has provided a first pair³⁰³ of two “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”: a “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” of the “QUERUB” instance having the “MALE” adjective and a “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” of the “QUERUB” instance having the “FEMALE” adjective.

existence of a “SPIRIT←SPIRIT” ‘CELESTIAL’ Creature”, but the Archangel MICHAEL could not explain to them this concept of “THE WORD OF THE DIVINE”.

As we have indicated in a previous annotation, during the course of “THE HOLY PROJECT”, the creatures that will be produced into existence will not understand this concept and will therefore call it: the “Oath of ‘THE WORD’”. It is of this concept that ENOCH, of whom METHUSELAH is the descendant, was referring to when he spoke of the “Oath of AKA”, that is “THE WORD OF THE DIVINE”.

³⁰⁴ In the firsts days of the implementation of “THE HOLY PROJECT” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed, every “SPIRIT←SPIRIT” ‘CELESTIAL’ Creature” that was spoken into existence by “THE DIVINE”, IHVH, our FATHER through the “mouth” of the Archangel MICHAEL, was called “CHILD” of “THE DIVINE”, IHVH, our FATHER. They were all identified by “THE DIVINE”, IHVH, our FATHER. It is so that, all these “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures” had no

- The first and foremost manifestation of the “MALAK” instance formed and produced outside of “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — has provided a first pair of two “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”: a “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” of the “MALAK” instance having the “MALE” adjective and a “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” of the “MALAK” instance having the “FEMALE” adjective.

Later during the course of the implementation of this “HOLY PROJECT” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed, this first “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” of the “MALAK” instance having the “MALE” adjective will be designated by the name: “RAPHAEL”.

- The first and foremost manifestation of the “OPHAN” instance formed and produced outside of “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — has provided a first pair of two “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”: a “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” of the “OPHAN” instance having the “MALE” adjective and a “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” of the “OPHAN” instance having the “FEMALE” adjective.

Later during the course of the implementation of this “HOLY PROJECT” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed, this first “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” of the “OPHAN” instance having the “MALE” adjective will be designated by the name: “URIEL”.

- The first and foremost manifestation of the “IKARI” instance formed and produced outside of “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — has provided a first pair of two “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”: a “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” of the “IKARI” instance having the “MALE” adjective and a “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” of the “IKARI” instance having the “FEMALE” adjective.

Later during the course of the implementation of this “HOLY

individual “names” as such, but they will innately recognize each others, communicate with each others, and they didn’t need other special designations.

PROJECT” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed, this first “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” of the “IKARI” instance having the “MALE” adjective will be designated by the name: “ZAHEERIEL”.

- The first and foremost manifestation of the “KO’ACH” instance formed and produced outside of “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — has provided a first pair of two “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”: a “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” of the “KO’ACH” instance having the “MALE” adjective and a “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” of the “KO’ACH” instance having the “FEMALE” adjective.

Later during the course of the implementation of this “HOLY PROJECT” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed, this first “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” of the “KO’ACH” instance having the “MALE” adjective will be designated by the name: “CAMAEL”.

- The first and foremost manifestation of the “SERAPH” instance formed and produced outside of “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — has provided a first pair of two “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”: a “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” of the “SERAPH” instance having the “MALE” adjective and a “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” of the “SERAPH” instance having the “FEMALE” adjective.

Later during the course of the implementation of this “HOLY PROJECT” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed, this first “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” of the “SERAPH” instance having the “MALE” adjective will be designated by the name: “SARAÏEL”.

These twelve firsts foremost “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have been “spoken” into existence from the Archangel MICHAEL, outside of “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’”.

As we have indicated already, the “‘SPIRIT←SPIRIT’ Body” of each of the others seven instances of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, other than first “‘SPIRIT←SPIRIT’ Body” in the “PRINCIPAL” instance of the

ה'א'ת'ר'ס'פ'ר

“‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, is produced into existence by “THE DIVINE FORCE” through the “‘SPIRIT←SPIRIT’ Body” in the “PRINCIPAL” instance and from a single specific transformation applied to this “‘SPIRIT←SPIRIT’ Body” in the “PRINCIPAL” instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model following emission of a “SPECIFIC SIGNAL CATALYST OF THE BIRTH” and transported by “THE WORD OF THE DIVINE”.

This is why “THE DIVINE FORCE” is the “MOTHER” of these firsts foremost “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, and SHE will be the “MOTHER” of all others “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”.

The “‘SPIRIT←SPIRIT’ Body” of every “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” was beforehand created by “THE DIVINE ARCHITECT AND PROJECT MASTER” and the “SPECIFIC SIGNAL CATALYST OF THE BIRTH” emitted directly by “THE DIVINE”, IHVH, our FATHER; it is for this that “THE DIVINE”, IHVH, our FATHER is their “FATHER”.

As we have already indicated, the “‘SPIRIT←SPIRIT’ Body” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model is a manifestation in the attribute “NON DIVINE” of a metaphor of the “‘SPIRIT←SPIRIT’ INDISTINCT DIVINE FORM”.

“THE DIVINE FORCE” created all of them in “HARMONY” with “THE DIVINE”, IHVH, our FATHER. SHE had endowed each of them with one of the “DIVINE PRIMARY WEALTH”, and with a “‘SPIRIT’ specific supply of subsistence” lower than that of the Archangel MICHAEL.

As we have indicated in a text above, the “‘SPIRIT←SPIRIT’ Body” of each “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, which is produced through the “‘SPIRIT←SPIRIT’ Body” of the Archangel MICHAEL, is not an “INDISTINCT FORM” (is not an essence, is not a seed) of the “Specific Energy ‘SPIRIT’ Substance” which covers “The ALTAR of ‘THE DIVINE’” which is inside “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’”.

From this aspect and their nature, the “‘SPIRIT←SPIRIT’ Body” of each of these firsts foremost “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” that have been formed and produced from the Archangel MICHAEL, outside of “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” —, are not at the limit of “proximity” of the most potent properties that “THE DIVINE ARCHITECT AND PROJECT MASTER” has fixed for the “‘SPIRIT’ Specific State” in the attribute “NON DIVINE”.

It is so that, the “‘SPIRIT←SPIRIT’ Body” of each of these firsts foremost “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” that have been formed and produced from the Archangel MICHAEL, outside of “THE SHEKINAH” cannot enter in the “Specific Energy ‘SPIRIT’ Substance” which covers “The ALTAR of ‘THE DIVINE’” which is inside “THE SHEKINAH” to form “THE UNION” within “THE SHEKINAH”; at the risk of having their structure destroyed by the very high “INTENSITY” and “STRENGTH” of the luminous radiation emitted by “The ALTAR of ‘THE DIVINE’” which is inside “THE SHEKINAH”; although these “INTENSITY” and “STRENGTH” are alleviated and diluted by the “Specific Energy ‘SPIRIT’ Substance” which is at the limit of “proximity” of the most potent properties that “THE DIVINE ARCHITECT AND PROJECT MASTER” has fixed for the “‘SPIRIT’ Specific State” in the attribute “NON DIVINE”.

The structure of the “‘SPIRIT←SPIRIT’ Body” of each of these firsts foremost “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” that have been formed and produced from the Archangel MICHAEL, cannot remain intact when these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” are in a proximity external to “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — and if these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” are not protected by processes that “THE DIVINE ARCHITECT AND PROJECT MASTER” had designed and established.

Through the “Specific Energy ‘SPIRIT’ Substance” of their “‘SPIRIT←SPIRIT’ Body”, in addition to their own added ability (and defining their “Angelical Order”), “THE DIVINE ARCHITECT AND PROJECT MASTER” has also endowed in much lesser proportions, the “‘SPIRIT←SPIRIT’ Body” of each of these six firsts foremost “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” with the seven added specific abilities that define the seven “Angelical Orders”; thus making them expressions similar to the “PRINCIPAL” instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model.

HE has endowed them with the understanding, intelligence, capacities and capabilities to think independently, to communicate in all forms, to learn and to memorize, to develop all their own added abilities in order to grow up in “THE KNOWLEDGE OF THE DIVINE”, to move at will in the “Specific Energy ‘CELESTIAL’ Substance” constituent of the “Specific Energy ‘CELESTIAL’ Domain”. HE has endowed them with several capacities and capabilities.

Of these twelve firsts foremost “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, the six having the “MALE” adjective will be called: The “ADONA’IM”. They will be the six firsts foremost Archangels, besides the Archangel MICHAEL.

It is to these firsts foremost “ADONA’IM”, in addition to the Archangel MICHAEL, that “THE DIVINE FORCE” will entrust the first task that SHE had established for these creatures, outside of “THE SHEKINAH”: “THE GUARDIANSHIP OF THE SHEKINAH”, by seven Archangels — six “ADONA’IM” and the Archangel MICHAEL.

“THE DIVINE FORCE” did not randomly chose to create these six manifestations having the adjective “MALE” from the six firsts instances of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model.

These seven “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” ensuring “THE GUARDIANSHIP OF THE SHEKINAH” form together an expression of a metaphor of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”. In this expression, the Archangel MICHAEL who surpasses and prevails over all the seven “Angelical Orders”, will ensure the function of the “HASHMALL” instance with aim of maintaining the interconnections between him and the six firsts “ADONA’IM”, and the interconnections of these six firsts “ADONA’IM” amongst them.

“THE DIVINE ARCHITECT AND PROJECT MASTER” has designed and established this metaphor of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” and “THE DIVINE FORCE” has expressed it symbolically over these seven “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” to whom SHE has entrusted the task of “THE GUARDIANSHIP OF THE SHEKINAH”, to indicate and lead all creatures that will be created into existence both in the “Plane Above” and in the “Plane Below” to understand, the nature of “THE DIVINE” through all expressions of metaphors of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”; “THE SHEKINAH”, “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’”, is an expression of these metaphors.

It is so that, the names of these seven “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” to whom SHE has entrusted “THE GUARDIANSHIP OF THE SHEKINAH”, also give guidance on the descriptions of the seven subsets of “Divine States” that are defined by “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”.

- The Archangel MICHAEL will symbolically represent the expression of the metaphor of the “‘DIVINE’ Divine State”.
- “ZAHEERIEL”, the first manifestation of the “IKARI” instance, having the “MALE” adjective, will symbolically represent the expression of the “‘SPIRIT’ Divine State” (also called the “‘PURITY’ Divine State”).

- “AZAZEL”, the first manifestation of the “QUERUB” instance, having the “MALE” adjective, will symbolically represent the expression of the “‘SPIRIT→LIGHT’ Divine State” that is bearer of the “‘LIGHT’ Divine State”³⁰⁵.
- “URIEL”, the first manifestation of the “OPHAN” instance, having the “MALE” adjective, will symbolically represent the expression of the “‘LIGHT’ Divine State”.
- “SARAÏEL” which means “Eye³⁰⁶ of ‘GOD’ Divine State” or simply “Eye of ‘GOD’”, and which is the first manifestation of the “SERAPH” instance, having the “MALE” adjective, will symbolically represent the expression of the “‘LIGHT→GOD’ Divine State” that is bearer of the “‘GOD’ Divine State”.
- “RAPHAEL”, the first manifestation of the “MALAK” instance, having the “MALE” adjective, will symbolically represent the expression of the “‘GOD’ Divine State”.
- “CAMAEL” which means “Eye of ‘DIVINE’ Divine State” or simply “Eye of ‘DIVINE’”, and which is the first manifestation of the “KO’ACH” instance, having the “MALE” adjective, will symbolically represent the expression of the “‘GOD→DIVINE’ Divine State” that is bearer of the “‘DIVINE’ Divine State”.

“THE DIVINE FORCE” has also placed these seven firsts “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” outside, in front of and all around “THE SHEKINAH”, so that the creatures that will be created into existence in the “Plane Above” grow in “THE KNOWLEDGE OF THE DIVINE”, understand the particulars of “THE

³⁰⁵ This is why later during the course of the implementation of “THE HOLY PROJECT”, the “‘SPIRIT→LIGHT’ Divine State” being bearer of the “‘LIGHT’ Divine State”, this first manifestation of the “QUERUB” instance, having the “MALE” adjective and whose original name was “AZAZEL”, will be called by the symbol it represented: “LUCIFER”, which means “LIGHT Bearer”.

³⁰⁶ Here, when we use an expression of the kind “...the “Eye of...” ...”, one must understand the word “Eye” in a symbolic way and in the sense of a very small reinforcement, or of a very small bud, of an attribute (or of a structure of energy) that is established in the foreground in order to signal the existence in the background of the complete attribute (or of the complete structure of energy) on a larger scale and much more complex than the very small reinforcement itself.

DIVINE BODY”, and know that it is through “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” that:

- All “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” came to existence as manifestation of products of this “DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”.
- Everything that should come to existence, in the attribute “NON DIVINE” and coming from “THE DIVINE DOMAIN”, will be a product of this “DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”; it is the meaning of the “‘SPIRIT←SPIRIT’ Body” of the Archangel MICHAEL going forth and back in the “Specific Energy ‘SPIRIT’ Substance” constituent of “THE SHEKINAH” in order to receive instructions, through “THE DIVINE FORCE”, from “THE DIVINE”, IHVH, our FATHER.

“THE DIVINE FORCE” created into existence the Archangel MICHAEL as a manifestation (following the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model) of the metaphor, in the “Specific Energy ‘CELESTIAL’ Substance” constituent of the “Specific Energy ‘CELESTIAL’ Domain” in the attribute “NON DIVINE”, of the “‘SPIRIT←SPIRIT’ INDISTINCT DIVINE FORM” that “THE DIVINE ARCHITECT AND PROJECT MASTER” had designed (within “THE DIVINE DOMAIN”) and from which SHE would create the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”.

This was not the case with these six firsts foremost “ADONA’IM” and it will not be the case with all the others “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” that will be created into existence in the “Specific Energy ‘CELESTIAL’ Substance” constituent of the “Specific Energy ‘CELESTIAL’ Domain” in the attribute “NON DIVINE”, as a manifestation (following the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model) of a metaphor of the “‘SPIRIT←SPIRIT’ INDISTINCT DIVINE FORM”.

These have been created directly as product of the mould which is defined by the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model and has been applied by “THE WORD OF THE DIVINE” to the “Specific Energy ‘CELESTIAL’ Substance” constituent of the “Specific Energy ‘CELESTIAL’ Domain” in the attribute “NON DIVINE” through the Archangel MICHAEL.

They were not created directly, but through the intermediary of the Archangel MICHAEL, as manifestation (following the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model) of the metaphor, in the “Specific Energy ‘CELESTIAL’

Substance” constituent of the “Specific Energy ‘CELESTIAL’ Domain” in the attribute “NON DIVINE”, of this unique “‘SPIRIT←SPIRIT’ INDISTINCT DIVINE FORM”; even though “THE DIVINE FORCE” will express metaphors of the “DIVINE PRIMARY WEALTH” on these six firsts foremost “ADONA’IM” and on all the others “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” that will be created into existence in the “Specific Energy ‘CELESTIAL’ Substance” constituent of the “Specific Energy ‘CELESTIAL’ Domain” in the attribute “NON DIVINE”.

The “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” that was the first manifestation of the “QUERUB” instance and having the “MALE” adjective, later during the course of the implementation of this “HOLY PROJECT” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed, will be designated by the name “AZAZEL”. And for that, “THE DIVINE”, IHVH, our FATHER has had a lot of joy and love for this first manifestation of the “QUERUB” instance.

In the implementation of the initial tasks that “THE DIVINE FORCE” entrusted to them, these first “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” worked together in joy, in gladness, in “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” because they were created with this knowledge in their “‘SPIRIT←SPIRIT’ Body”. It is these firsts “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who have shaped the early landscapes of the “Specific Energy ‘CELESTIAL’ Domain”.

Although none of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” could see “THE DIVINE FORCE”, SHE has supervised everything, always attentive to their wellness³⁰⁷, devoted to their education, with a supreme kindness. SHE provided them with the temperature and intensity of spiritual illumination to get them, through the implementation of their respective duties, to grow in “THE

³⁰⁷ Even nowadays, “THE DIVINE FORCE” is the same, unchanged, ever patient and infinitely gentle not only with those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” that “THE DIVINE”, IHVH, our FATHER had retained in the “Specific Energy ‘CELESTIAL’ Domain”, but also with those human creatures that SHE loves much. Most “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have also inherited those qualities since those early days and those qualities can still be perceived in some of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”. Two of those “ADONA’IM” who still possess these qualities and compassion are: “ADONAI” RAPHAEL and “ADONAI” URIEL.

“THE DIVINE”, IHVH, our FATHER, through “THE DIVINE FORCE”, does everything for His beloved creatures, but these creatures are ungrateful towards Him; for the twenty something billion humans living on this earth, only two or three creatures (out of twenty something billion) greet him every days and often ask Him how He is doing.

KNOWLEDGE OF THE DIVINE” and understand why they were into existence; because they were all His “CHILDREN” at the stage of the “spiritual awakening”.

With the passage of time and the progress in the implementation of “THE HOLY PROJECT”, new tasks were revealed by “THE DIVINE FORCE” to the Archangel MICHAEL and he was also diligently educated, as well as the firsts foremost “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, through several teachings given by “THE DIVINE FORCE” about the manner to perform these tasks.

As we mentioned in an early section, “THE DIVINE ARCHITECT AND PROJECT MASTER” has established the path and all the individual tasks through which each “DIVINE PRIMARY WEALTH” was produced. HE has subdivided all these individual tasks into other subsets of activity of single function, in all their details. It is through the implementation of these subsets of activity of single function, in all their details, and in the order of achievement established by “THE DIVINE ARCHITECT AND PROJECT MASTER”, that “THE DIVINE” has chosen to share a part of this great “DIVINE WEALTH” with the “NON DIVINE”.

As we have also indicated already, as long as the “DIVINE PRIMARY WEALTH” that “THE DIVINE”, IHVH, our FATHER would have chosen to share with this attribute “NON DIVINE”, are not yet shared with this attribute “NON DIVINE” but rather remain in “THE DIVINE”, IHVH, our FATHER, then the attribute “NON DIVINE” and all that it contains as creatures cannot know about the existence of these “DIVINE PRIMARY WEALTH”, nor would they know about themselves as manifestations of the metaphors of “DIVINE PRIMARY WEALTH” that already exist in “THE DIVINE”, IHVH, our FATHER, or know anything else about “HE WHO IS”. It is through those subsets of activity, which have been established by “THE DIVINE ARCHITECT AND PROJECT MASTER”, that “THE DIVINE”, IHVH, our FATHER shares HIS “DIVINE WEALTH” with the attribute “NON DIVINE” and all that it contains as creatures.

It is thus that, the ultimate goal of the implementation of these subsets of activity, is to reveal and make “THE DIVINE”, IHVH, our FATHER known to the attribute “NON DIVINE” and all that it contains, through a process of education — cultivation of learning — of “THE SEAT OF THE INTELLECT”, under the supervision of “THE DIVINE FORCE”. The general process for providing that education to creatures, which are, or will be, produced into existence in the attribute “NON DIVINE”, is summarised in the following steps:

1. A “DIVINE PRIMARY WEALTH” is selected in the order of achievement established by “THE DIVINE ARCHITECT

AND PROJECT MASTER”, and is to be manifested by metaphor in the attribute “NON DIVINE”.

2. *Established metaphors of the tasks that led to the production of that “DIVINE PRIMARY WEALTH”, are assigned as rational activities, by “THE DIVINE FORCE” to those creatures that have already been produced into existence in the attribute “NON DIVINE”.*

Into these rational activities, “THE DIVINE FORCE” has embedded “THE KNOWLEDGE OF THE DIVINE”; that is, the very aspects of “THE DIVINE FORCE”, because “THE DIVINE FORCE” is Herself “THE KNOWLEDGE OF THE DIVINE”.

The provision, in such manner, of those aspects that are proper to “THE DIVINE FORCE”, is truly a demonstration of “PURE, TRUTHFUL, AND AUTHENTIC LOVE” of “THE DIVINE”, IHVH, our FATHER, expressed by “THE DIVINE FORCE”, towards His creatures; it is a testimony of HIS KINDNESS (including all its synonyms) and AFFECTION towards His creatures.³⁰⁸

“THE KNOWLEDGE OF THE DIVINE”, in all its forms and expressions, is the invisible treasure, it is the “LIGHT” that is hidden in the “LIGHT”, that “THE DIVINE FORCE” has embedded into those rational activities and that the creatures are called upon to discover through discernment, to understand, and to nourish themselves with this invisible treasure. It is this “LIGHT” that is hidden in the “LIGHT”, which reveals and allows to know “THE DIVINE”, IHVH, our FATHER. In the absence of this “LIGHT” that is hidden in the “LIGHT”, one finds oneself in what is designated by the word which is translated to signify: obscurity.

³⁰⁸ In the PURITY, and to those whom one loves in PURITY, one reveals and gives what one possesses of precious and intimate, and this fact of revealing and giving does not in itself diminish anything of what one possesses of precious and intimate. He, who has ears to hear, let him hear!

3. *"THE DIVINE FORCE" assists those creatures, throughout the execution of those rational activities, by converging the illusions, generated by "THE SEAT OF THE INTELLECT" within each of those creatures, towards their proper representations, and towards a proper representation of a new "need" that will be required in order to move forward in the implementation of "THE HOLY PROJECT". This proper representation of the new "need" is actually associated with the "DIVINE PRIMARY WEALTH" that has been chosen to be manifested by metaphor in the attribute "NON DIVINE".*
4. *"THE DIVINE FORCE" assists those creatures and guided them in establishing and understanding the specifications concerning the new "need"; as such those resulting specifications will be in accordance with that which "THE DIVINE ARCHITECT AND PROJECT MASTER" had already established. Establishing such specifications is an important exploration, discovering and learning experience for "THE SEAT OF THE INTELLECT" on its journey to grow in "THE KNOWLEDGE OF THE DIVINE".*
5. *With the consent of "THE DIVINE", IHVH, our FATHER, when the product associated with those specifications, and to be manifested into existence, originates from "THE DIVINE SUPREME CONFIGURATION" of seven "Divine Particles", it is so that, "THE DIVINE FORCE" produces into existence the manifestation of the metaphor of that product. That manifestation of the metaphor of that product is the solution that allows resolving the "need" that arose, and allows to move forward in the implementation of "THE HOLY PROJECT".*

It is so that, all the tasks that "THE DIVINE FORCE" assigned to these very first "SPIRIT←SPIRIT" 'CELESTIAL' Creatures", were subdivided into rational activities, intended to make them understand and know the nature of "THE DIVINE", IHVH, our FATHER. These rational activities were intended to lead them to discover and understand the need for a new tool, a new approach for carrying out their work, a new product, in short, a new creature to their likeness, and which would allow the next task to be accomplished in a shared way.

These rational activities whose products were “PURE”, accomplished in “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”, and drew near, starting at a particular passage of time, were thus within the specifications that “THE DIVINE ARCHITECT AND PROJECT MASTER” had established.

Because of the supreme completeness of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, it is so that those “PURE” products will converge towards (that is, will move towards something well-defined without ever reaching it) a well-defined product, unique, and that will be a manifestation of a metaphor of a product which exists already in “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”.

To such a unique point of convergence of these rational activities whose products were “PURE”, accomplished in “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”, is associated a unique “DIVINE PRIMARY WEALTH” in the “‘SPIRIT’ Divine State” in “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”.

From this need to want to accomplish the next task, “THE SEAT OF THE INTELLECT” within the “‘SPIRIT←SPIRIT’ Body” of the Archangel MICHAEL, activated and labored, as “THE DIVINE ARCHITECT AND PROJECT MASTER” had conceived “THE SEAT OF THE INTELLECT”, in search of the solution.

It was then that “THE DIVINE FORCE” intervened from within “The ALTAR of ‘THE DIVINE’” which is inside the “‘SPIRIT←SPIRIT’ Body” of the Archangel MICHAEL, and enlightened and guided him, through the representations, through the illusions, generated by “THE SEAT OF THE INTELLECT” within his “‘SPIRIT←SPIRIT’ Body”, towards the proper representation of the image of the instance of the model of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” which is in correspondence with the point of convergence of these “PURE” products, accomplished in “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”, and which was to enable them to carry out this next task, which was the origin of this present necessity.

All the appropriate images of the instances of the model of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, it is “THE DIVINE FORCE” who established them and will make them manifest in the attribute “NON DIVINE”.

As we have already indicated earlier, in the conception of the “DISTINCT” form in the attribute “NON DIVINE”, as manifestation of a metaphor of the “‘SPIRIT←SPIRIT’ INDISTINCT DIVINE FORM”, “THE DIVINE ARCHITECT AND PROJECT MASTER” has endowed the internal structures of the “Specific

Energy 'SPIRIT' Substance" with capacities, capabilities and "specific processes" which, among others, allow "THE SEAT OF THE INTELLECT" within this "Specific Energy 'SPIRIT' Substance", to independently: "THINK", "REASON" and "MAKE DECISIONS", memorize, learn, acquire intelligence and develop it throughout its existence in order to grow in knowledge, in order to accomplish the "specific work" that HE has designed and established for the "'SPIRIT←SPIRIT' 'CELESTIAL' Creature".

To "THINK" is to generate internal action signals, it is to generate representations, illusions, from the elements of the "Realm of the 'THOUGHTS'". To "REASON" is to walk, move, travel, in the "Realm of the 'THOUGHTS'", and therefore instantly in the "Realm of the Interpreted 'THOUGHTS'", by using the elements of "THE 'SPIRIT' REASON".

Through Her "SUPREME STATE OF EQUILIBRIUM", "THE DIVINE FORCE" is always at the maximum of Her particulars, SHE has all Her intensity, Her density, Her "DIVINE WEALTH", SHE is by Herself the "Realm of the 'THOUGHTS'" — Her "THOUGHTS" are "THE TRUTH" and are not interpreted.

It is thus that through the illusions produced by "THE SEAT OF THE INTELLECT" within the "'SPIRIT←SPIRIT' Body", it is only "THE DIVINE FORCE" who will provide the temperature and the enlightenment intensity, that is, the illumination — "THE LIGHT" which allows to discern that, which conforms to the specifications that "THE DIVINE ARCHITECT AND PROJECT MASTER" has defined — and will thus guide "THE SEAT OF THE INTELLECT" towards the proper representation of the image of the instance of the model of the "'SPIRIT←SPIRIT' 'CELESTIAL' Creature" which is in correspondence with the point of convergence of these "PURE" products, accomplished in "PURE, TRUTHFUL, AND AUTHENTIC LOVE OF 'THE DIVINE'", and which was to enable them to carry out this next task, which was the origin of this present necessity.

It is thus that "THE SEAT OF THE INTELLECT", inside of the withered "Specific Energy 'SPIRIT' Substance" constituent of "'SPIRIT←SPIRIT' Body", and asleep in the oblivion (or the ignorance) of "The ALTAR of 'THE DIVINE'", is awakened from this oblivion and is educated by "THE DIVINE FORCE".

"THE SEAT OF THE INTELLECT", through its own analyses and syntheses of its own choices, is thus called to understand by itself, how has it managed to discern such an image, such representation, and ultimately, to understand and to know THE INVISIBLE SHEPHERD OF PURITY AND HOLINESS, who led it on the path leading to this appropriate image.

It is so that, “THE SEAT OF THE INTELLECT”, using its abilities that allow it to “THINK”, to “REASON” and “MAKE DECISIONS”, to memorize, to learn, to acquire intelligence and to develop it throughout its existence, asking questions “Where does this come from? Why that? How did I arrive to this or that? Where did I get such knowledge? etc...”, is called upon to grow in “THE KNOWLEDGE OF THE DIVINE”, and knowledge of “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” in all its forms.³⁰⁹

Once the appropriate image was thus transmitted — it is not a packet transmitted in inheritance, but rather conveyed through education to “THE SEAT OF THE INTELLECT”, under the supervision of “THE DIVINE FORCE”, and was thus in the specifications established by “THE DIVINE ARCHITECT AND PROJECT MASTER”, then the Archangel MICHAEL issued his “Desires of Reproduction” in order to produce into existence that appropriate image.

It is so that, “THE DIVINE FORCE” entered into action, once SHE had received “THE WORD OF THE DIVINE”, emitted by “THE DIVINE”, IHVH, our FATHER from “THE DIVINE DOMAIN” outside the attribute “NON DIVINE”, and thus manifested into existence — spoke into existence — through the Archangel MICHAEL, that appropriate “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, unique point of convergence of the “PURE” products of the preceding activities, and manifestation of a unique “DIVINE PRIMARY WEALTH” whose “‘SPIRIT’ Divine State” of origin is inside in “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, and which was to enable them to perform the following task at the origin of their present necessity.³¹⁰ We have already described this

³⁰⁹ If you want to know “THE DIVINE FORCE” and walk with HER, then begin by examining and dehulling each of all your “Interpreted THOUGHTS”, in search of everything that is “PURE” and “HOLY” in your “Interpreted THOUGHTS”, in search of all what is not part of the experience you have accumulated during your years into existence, and in search of how do those things, how do those new “ideas”, have come into you.

³¹⁰ To help you understand things, using concepts that you are familiar with, you can consider “THE HOLY PROJECT” as an enterprise in which a mighty business owner has defined his business imperative, the primary objective of his own business. For this mighty business owner, this primary objective is to achieve a high profit with high productivity.

The mighty business owner has defined his business strategy, he has aligned all possible “relevant” activities to be performed in his business, in order to achieve its primary objective effectively and efficiently, and he has defined performance measurements to keep things in check.

process by which the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” were “spoken” into existence from the Archangel MICHAEL, outside of “THE SHEKINAH” —

It is so that, in a far away country, very far away from where he resides, the mighty business owner launched his enterprise and, through his confidential business helper, he hired the first employees in that country and assigned well-defined tasks to them, as part of the initial “relevant” activities of the enterprise.

To the very first employee that he had hired, through his confidential business helper, he appointed that first employee as CEO (Chief Executive Officer) of the enterprise. Those that were hired right after the appointed CEO, were also appointed to highest-ranking positions to assist their CEO.

As time elapsed, through his confidential business helper, the mighty business owner revealed new “relevant” activities, new opportunities, to these existing employees. Thus, new employees and new working tools were needed in order to accomplish the tasks arising from the new “relevant” activities, to realise those new opportunities, and to move the business forward.

It is so that, with the assistance of the confidential business helper, the CEO established new “job specification” for each new opportunity and, once approved by the confidential business helper, a call for candidate was sent out to fill the new position in the enterprise.

It is so that, the confidential business helper, who supervised all the resources of the enterprise, selected and brought in the appropriate new employee to perform the tasks highlighted in the new “job specification”, and to act in concert with the enterprise intended strategy; each employee in the enterprise was identified by his own “job specification”. And the larger the enterprise became, the more important the synergy — the coordinated action of the elements of a system and which contributes to produce a total effect that is greater than the sum of effects of the individual elements — that diverse resources and capabilities provide within the enterprise also became. Thus, the components of the enterprise took shape and were aligned by integrating organizational and work flow components of the enterprise, vertically and horizontally, under the CEO and those who were appointed to highest-ranking positions to assist their CEO.

As such, were the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” brought into existence inside the attribute “NON DIVINE”, by “THE DIVINE FORCE”, and to take part in “THE HOLY PROJECT”; each “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” identified by its own “job specification” and representing, as such, a living record of the necessity that had occurred in the enterprise and that had led to the production of that “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” into existence, inside the attribute “NON DIVINE”. The seven angelic orders form the base of the vertical organizational and work flow component of the enterprise, and specific workgroups and teams across those seven angelic orders, for special purposes, form the base of the horizontal organizational and work flow component of the enterprise.

“THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” —, and by “THE DIVINE FORCE”.

As we have already indicated, “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” is better understood from the point of view of a set of proposals, principles, logically coordinated rules, and conclusions, which form a logical body around the seven “Divine Particles”. It is a coherent construction, which accounts for a wide range of products and phenomena linked to different scales of the movement. To each “transformation sub-step” of the “transformation step”, to each “transformation step”, to each product, to each phenomenon, at different scales of the movement in “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, “THE DIVINE ARCHITECT AND PROJECT MASTER” has added a unique meaning, a single intention, a set of conditions that determine its denotation, a “unique word”, an “attribute”, or a “predicate”. In itself, such a “single word”, such an “attribute”, or such a “predicate”, is an incomplete (unsaturated) expression about “THE DIVINE”.

It is so that, at the completion of this process of producing such an appropriate “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, the “unique word”, the “attribute”, or the “predicate”, which is associated with the point of convergence which is a product of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, was given, by “THE DIVINE FORCE”, and assigned as a designation for that “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”. It is these designations that will be the prefixes of the names of grandeur that adorn these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”. At the appropriate “transformation sub-step” of the “transformation step” in “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, the unique intention of the product of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, associated with such an appropriate “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, thus became the “why” of that “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” into the existence; that is, the “purpose” of such “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” into existence.³¹¹

³¹¹ As we have explained in the previous annotation, using the concepts of an enterprise and the mighty business owner who has established one of his enterprise in a far away country, far away from where he resides, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, as employees in that enterprise, were brought into existence inside the attribute “NON DIVINE”, by “THE DIVINE FORCE”, and so that they take part in “THE HOLY PROJECT”, as arose the necessity to perform new tasks during the execution of the ongoing tasks that were assigned to those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” that were already into

The purpose of assigning those “unique words”, “attributes”, or “predicates” to those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” was to lead them to reflect about themselves, as a manifested assembled structure of “created energy”, acting within a well defined “transformation sub-step” of the “transformation step” in “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, and understand something about “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”;³¹² hence, to come to know something about “THE DIVINE”, IHVH, our FATHER.

Through the series of tasks which led to the need for a new tool, a new approach for carrying out their work, a new product, in short, a new creature to their likeness, and which was to allow the next task to be done in a shared way, “THE DIVINE FORCE” has thus developed and manifested the semantics associated with the product of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, associated with such an appropriate “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”. “THE DIVINE FORCE” thus revealed to them the “living patterns” of the causal relationships (the temporal order of things) according to which the products are formed and others are consumed in “THE DIVINE SUPREME CONFIGURATION”, in the “‘SPIRIT’ Specific State”. Inside the attribute “NON DIVINE”, in which “THE DIVINE”, IHVH, our FATHER established to realize “THE HOLY PROJECT”, nothing is without cause; the “cause” being the preceding motive (in the temporal order of things) and which

existence inside the attribute “NON DIVINE”. Each “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” was identified by its own “job specification” and representing, as such, a living record of the necessity that had occurred in the enterprise and that had led to the production of that “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” into existence, inside the attribute “NON DIVINE”. That “job specification” is actually a summary of the “why” of that “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” into the existence, and to every “job specification” is associated a title and the corresponding unique intention of a well-defined product of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”. Those titles are the names of grandeur that almost all “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have adorned themselves with.

³¹² As you would have understood already, inside the attribute “NON DIVINE”, a “transformation sub-step” is manifested at large scale by the measure of time designated as “hour”, and the “transformation step” is manifested as the measure of time designated as “day”. Each “hour”, each “day”, each cycle of “days” (week, month, year, etc...) are identified by those “unique words”, “attributes”, or “predicates”, which have also been assigned to those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, and which “THE DIVINE ARCHITECT AND PROJECT MASTER” has assigned to their corresponding mapping in “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”.

produces or causes something. The cause is the correlate of the produced thing (which is the effect, the consequence), it precedes this produced thing (which is the effect, the consequence), it is associated with the “raison d’être” of this produced thing (which is the effect, the consequence), it is responsible for the existence of this produced thing (which is the effect, the consequence). The understanding of the principle of causality is the necessary foundation of even the slightest knowledge of what is produced into existence inside this attribute “NON DIVINE”.

During all this process of producing such an appropriate “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, from the initiation of the need for a new tool, a new approach for carrying out their work, a new product, in short, a new creature to their likeness, and which was to allow the next task to be done in a shared way, to the production in the existence of that appropriate “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, the Archangel MICHAEL was not conscious and had no knowledge of “THE DIVINE FORCE” — INVISIBLE — to their perception, and who worked in him and educated him. He had not knowledge about the anatomy (the unassembled internal structure and the relationship between the parts of the internal structure) of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model; thus, he had no knowledge of his own anatomy and he had no knowledge about the anatomy that “THE DIVINE FORCE” has built and produced inside such “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”.

The Archangel MICHAEL believed that it was by himself that his “Desires of Reproduction” in order to produce in existence the appropriate “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, were accomplished. He will always believe that he himself was the source of his “Desires of Reproduction”. Having never had the knowledge of the mould that is the model of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” and from which he was produced into existence in the attribute “NON DIVINE”, nor could he know that he does not possess the elements of “THE ‘LIGHT’ REASON”.

Without these elements of “THE ‘LIGHT’ REASON”, all representations from “THE ‘SPIRIT’ REASON” will remain in “THE SILENCE”, in “THE SEAT OF THE INTELLECT” within the “‘SPIRIT←SPIRIT’ Body”, and will never “take body”, outside “THE SEAT OF THE INTELLECT”, and in the “Specific Energy ‘CELESTIAL’ Substance” constituent of the “Specific Energy ‘CELESTIAL’ Domain”.

Only “THE DIVINE FORCE” possesses in HER, all elements of “THE ‘SPIRIT’ REASON”, all elements of “THE ‘LIGHT’ REASON”, and all elements of “THE

‘GOD’ REASON”, which are necessary to accomplish all these production processes in existence in attribute “NON DIVINE”, following receipt of “THE WORD OF THE DIVINE”.

It is so that, as appeared that need to perform the new tasks which were revealed by “THE DIVINE FORCE” to the Archangel MICHAEL, “THE DIVINE FORCE” created others pairs of “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” into existence within the “Specific Energy ‘CELESTIAL’ Domain”, from the Archangel MICHAEL, and following receipt of “THE WORD OF THE DIVINE” and in each of the seven instances of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, with different “GIFTS” and different capabilities depending upon the tasks that were to be accomplished, each Archangel and each Angel in “HARMONY” with “THE DIVINE”, IHVH, our FATHER.

And it is so that “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” having the “MALE” adjective and that will be heads of the seven “Angelical Orders” were created into existence in the “Specific Energy ‘CELESTIAL’ Substance” constituent of the “Specific Energy ‘CELESTIAL’ Domain”. They came into existence as a result of:

- A second manifestation of the “QUERUB” instance formed and produced outside of “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — has provided a second pair of two “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”: a “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” of the “QUERUB” instance having the “MALE” adjective and a “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” of the “QUERUB” instance having the “FEMALE” adjective.

Later during the course of the implementation of this “HOLY PROJECT” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” having the “MALE” adjective of this second manifestation of the “QUERUB” instance will be designated by the name: “GABRIEL”, He will then, be the head of the “QUERUB’IM”.

- A second manifestation of the “MALAK” instance formed and produced outside of “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — has provided a second pair: a “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” of the “MALAK” instance having the “MALE” adjective and a “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” of the “MALAK” instance having the “FEMALE” adjective.

Later during the course of the implementation of this “HOLY PROJECT” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” having the “MALE” adjective of this second manifestation of the “MALAK” instance will be designated by the name: “UZZIEL”, He will then, be the head of the “MALAK’IM”.

- A second manifestation of the “OPHAN” instance formed and produced outside of “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — has provided a second pair of two “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”: a “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” of the “OPHAN” instance having the “MALE” adjective and a “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” of the “OPHAN” instance having the “FEMALE” adjective.

Later during the course of the implementation of this “HOLY PROJECT” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” having the “MALE” adjective of this second manifestation of the “OPHAN” instance will be designated by the name: “RAZIEL”, He will then, be the head of the “OPHAN’IM”.

- A second manifestation of the “IKARI” instance formed and produced outside of “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — has provided a second pair of two “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”: a “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” of the “IKARI” instance having the “MALE” adjective and a “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” of the “IKARI” instance having the “FEMALE” adjective.

Later during the course of the implementation of this “HOLY PROJECT” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” having the “MALE” adjective of this second manifestation of the “IKARI” instance will be designated by the name: “CERVIEL”, He will then, be the head of the “IKARI’IM”.

- A second manifestation of the “KO’ACH” instance formed and produced outside of “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — has provided a second pair of two “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”: a

מלאך
האור
ספר

“‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” of the “KO’ACH” instance having the “MALE” adjective and a “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” of the “KO’ACH” instance having the “FEMALE” adjective.

Later during the course of the implementation of this “HOLY PROJECT” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” having the “MALE” adjective of this second manifestation of the “KO’ACH” instance will be designated by the name: “TYPHON”, He will then, be the head of the “KO’ACH’IM”.

- A second manifestation of the “SERAPH” instance formed and produced outside of “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — has provided a second pair of two “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”: a “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” of the “SERAPH” instance having the “MALE” adjective and a “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” of the “SERAPH” instance having the “FEMALE” adjective.

Later during the course of the implementation of this “HOLY PROJECT” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” having the “MALE” adjective of this second manifestation of the “SERAPH” instance will be designated by the name: “ISRAFEL”, He will then, be the head of the “SERAPH’IM”.

- A foremost manifestation of the “HASHMALL” instance formed and produced outside of “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — has provided a first pair of two “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”: a “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” of the “HASHMALL” instance having the “MALE” adjective and a “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” of the “HASHMALL” instance having the “FEMALE” adjective.

Later during the course of the implementation of this “HOLY PROJECT” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” having the “MALE” adjective of this first manifestation of the “HASHMALL”

instance will be designated by the name: “ZAHARIEL”, He will then, be the head of the “HASHMALL’IM”.³¹³

When the Archangel MICHAEL enters in “THE UNION” inside “THE SHEKINAH”, then, it is the first manifestation of the “HASHMALL’IM” instance that will take the place of the Archangel MICHAEL, outside of “THE SHEKINAH”, and ensure “THE GUARDIANSHIP OF THE SHEKINAH”.

It is so that, a new “specific spiritual formation” will be manifested into existence in the “Specific Energy ‘CELESTIAL’ Substance” by these three manifestations of a metaphor of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”. This new “specific spiritual formation” is formed by:

1. “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — which is in the attribute “NON DIVINE”, the first expression of the manifestation of a metaphor of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, and also an expression of the metaphor of “THE ‘LIGHT←LIGHT’ EON”;
2. The “‘SPIRIT←SPIRIT’ Body” intellect, pure and holy, of the manifestation of the “PRINCIPAL” instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, which is in the attribute “NON DIVINE” the second expression of the manifestation of a metaphor of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, and is present in “THE UNION” inside “THE SHEKINAH”;
3. The seven “‘SPIRIT←SPIRIT’ Bodies” pure and holies, each having the “MALE” adjective from one of the seven instances of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model — the “QUERUB” instance, the “MALAK” instance, the “OPHAN” instance, the “IKARI” instance, the “KO’ACH” instance, the “SERAPH” instance, and the “HASHMALL” instance —, which form as such in the attribute “NON

³¹³ Later, during the course of implementation of “THE HOLY PROJECT”, “THE DIVINE”, IHVH, our FATHER will consolidate this Archangel of the “HASHMALL” instance and HE will entrust him with very important “specific tasks” in the “Plane Below” as head of “LUMINAIRES” and responsible for the proper functioning of the “MOST LUMINOUS” in His various forms. The Archangel “ZAHARIEL” will be called “THE MOST LUMINOUS”, the “SUN”, the “MOON”, the “NORTHERN STAR”, “RAGUEL”, etc..., he will take takes several forms depending upon the “specific tasks” that “THE DIVINE FORCE” will entrust him with.

DIVINE”, the fourth expression of the manifestation of a metaphor of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, and are present outside and all around “THE SHEKINAH”, ensuring “THE GUARDIANSHIP OF THE SHEKINAH”.

The combined group formed by these seven “‘SPIRIT←SPIRIT’ Bodies” pure and holy is the fourth expression into existence of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”; the first expression of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” being “THE DIVINE” Himself.

“THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — is “ANDROGYNOUS”.

“THE DIVINE ARCHITECT AND PROJECT MASTER” has established the “‘SPIRIT←SPIRIT’ Body” intellect, pure and holy, of the manifestation of the “PRINCIPAL” instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model and has placed it inside “THE SHEKINAH” so that His creatures that will be created into existence in the “Plane Above” understand that this “‘SPIRIT←SPIRIT’ Body” is the manifestation in the attribute “NON DIVINE” of a metaphor of the “‘SPIRIT←SPIRIT’ INDISTINCT DIVINE FORM” which is within “THE DIVINE” and that it is from “THE SHEKINAH” that this “‘SPIRIT←SPIRIT’ Body” intellect, pure and holy, has been produced into existence.

As we have already indicated, “THE DIVINE FORCE” has also placed these seven “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, through their “‘SPIRIT←SPIRIT’ Body”, outside, in front of and all-around of “THE SHEKINAH”, so that the creatures that SHE will create into existence in the “Plane Above” grow in “THE KNOWLEDGE OF THE DIVINE”, understand the particulars of “THE DIVINE BODY”, and know that it is through “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” that:

- All “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” came to existence as manifestation of products of this “DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”.
- Everything that should come to existence, in the attribute “NON DIVINE” and coming from “THE DIVINE DOMAIN”, will be a product of this “DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”; it is the meaning the “‘SPIRIT←SPIRIT’ Body” intellect,

pure and holy, of the “PRINCIPAL” instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model which is present inside “THE SHEKINAH” in the manifestation of “THE UNION” going forth and back in the “Specific Energy ‘SPIRIT’ Substance” constituent of “THE SHEKINAH” in order to receive instructions, through “THE DIVINE FORCE”, from “THE DIVINE”, IHVH, our FATHER.

Each of these seven “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, through his “‘SPIRIT←SPIRIT’ Body”, outside, in front of and all-around of “THE SHEKINAH”, will receive from the manifestation of “THE UNION” and on the seventh “DAY” when “THE UNION” is manifested into existence in the “Specific Energy ‘CELESTIAL’ Substance”, seven times his daily quantity of “fruits” of “THE TREE OF LIFE” so that he can carry out the weekly tasks that will be entrusted to him.

This new “specific spiritual formation” manifested into existence in the “Specific Energy ‘CELESTIAL’ Substance” by these three manifestations of a metaphor of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, formed as such is a manifestation of an expression of “THE CHURCH”³¹⁴, and of which we have already indicated in the text concerning the “Divine States”. It is formed by:

1. “The ALTAR of ‘THE DIVINE’” inside “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’”;

³¹⁴ With the passage of time and progress in the implementation of “THE HOLY PROJECT”, these knowledge will be distorted and will get lost in the memory of the human creatures.

But later during the course of the “PROJECT OF THE REDEMPTION” for which “THE DIVINE FORCE” will create CHRIST into existence among human creatures, CHRIST will explain these things to His disciples; but they will not understand what HE was talking about because, following their impure desires, they had inked in them other meanings for the word “CHURCH” and that was given to them by those elders of the creation that had turned away from “THE DIVINE”, IHVH, our FATHER; those same elders of the creation who will declare themselves to be deities in their interpretation of the “specific spiritual formation” of “THE CHURCH” and who have sworn between them to destroy the human creature.

For creatures that “THE DIVINE FORCE” will create into existence in the first “Specific Energy ‘EARTHLY’ Habitation Domain”, the symbol of this “specific spiritual formation” of “THE CHURCH” will be represented by a candlestick of seven candles all lit.

2. The “PRINCIPAL” instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model present in the “Specific Energy ‘SPIRIT’ Substance” which is at the limit of “proximity” of the most potent properties that “THE DIVINE ARCHITECT AND PROJECT MASTER” has fixed for the “‘SPIRIT’ Specific State” in the attribute “NON DIVINE” and which covers “The ALTAR of ‘THE DIVINE’”, and;
3. The seven instances of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, each having the “MALE” attribute.

This unique expression of “THE CHURCH”, manifested within the “Specific Energy ‘CELESTIAL’ Domain” will also be called “THE CELESTIAL CHURCH”, or “THE SPIRITUAL FORMATION OF THE CHURCH” or the “specific spiritual formation” of “THE CHURCH”.

“THE CHURCH” thus formed is transcendent in the attribute “NON DIVINE” and is said to be “ANDROGYNOUS” through “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’”.

The combined group formed by “THE UNION”, that is, the first two components of “THE CHURCH” thus formed, is precursor of “THE SPIRITUAL FORMATION OF THE CHURCH”.

The structure that will be constructed in the “Specific Energy ‘CELESTIAL’ Substance” and from the “Specific Atomic ‘SPIRIT’ Substances” and that will contain permanently the expression of “THE UNION” is called the “TABERNACLE OF THE CHURCH” in the “Specific Energy ‘CELESTIAL’ Substance”; or, the “CELESTIAL TABERNACLE”; or, the “TABERNACLE” of “THE DIVINE”, IHVH, our FATHER, in the “Specific Energy ‘CELESTIAL’ Substance”.

Inside the “TABERNACLE” of “THE DIVINE”, there will be:

1. The NUCLEUS, which is akin to “THE DIVINE FORCE”, and represents in this interior, the symbol and the manifestation of “PURITY” and “THE LIGHT”;
2. Elements of “THE ‘LIGHT’ REASON”, just as possesses “THE DIVINE FORCE” who is at the origin of the creation into existence of these elements of “THE ‘LIGHT’ REASON”;
3. “The Specific Process of Attachment to ‘THE DIVINE’” functioning within the specifications established by “THE DIVINE ARCHITECT

AND PROJECT MASTER” and through these elements of “THE ‘LIGHT’ REASON” as communication interface.

The strength of “THE SHEKINAH”, “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’”, is such that when the “specific spiritual formation” of “THE CHURCH” is manifested into existence in the “Specific Energy ‘CELESTIAL’ Substance”, then, each “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” present within the “TABERNACLE OF THE CHURCH”, through his “‘SPIRIT←SPIRIT’ Body”, will receive from “THE UNION” and through the “Causal Precedence Relation of ‘THE PRAISE’” and “The Specific Process of Attachment to ‘THE DIVINE’” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has established for that purpose and which is activated when “THE PRAISE” is celebrated, seven times his daily quantity of “fruits” of “THE TREE OF LIFE” so that he can carry out the weekly tasks that will be entrusted to him.

It is from “THE CHURCH”, this “specific spiritual formation” manifested into existence in the “Specific Energy ‘CELESTIAL’ Substance” by these three expressions of a metaphor of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” and through these eight “‘SPIRIT←SPIRIT’ Body” pure and holy — the seven instances of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, in addition of the “PRINCIPAL” instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model present in “THE UNION” — thus formed, that will ensue all ordinances, which will be applied and executed throughout the “Specific Energy ‘CELESTIAL’ Substance” in the attribute “NON DIVINE”.

In this “specific spiritual formation” of “THE CHURCH”, once the “‘SPIRIT←SPIRIT’ Body” pure and holy of the “PRINCIPAL” instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model which is present in “THE UNION” inside “THE SHEKINAH”, has received instructions from “THE DIVINE”, IHVH, our FATHER, emitted from “THE DIVINE DOMAIN” outside of the attribute “NON DIVINE”, then, this “‘SPIRIT←SPIRIT’ Body” will leave “THE SHEKINAH”, wearing instantly his “Specific ‘CELESTIAL’ Garment” when crossing out through the “Specific ‘CELESTIAL←SPIRITUAL’ Frontier” and will subdivide, transmit and explain the instructions to the seven other “‘SPIRIT←SPIRIT’ Bodies” pure and holy of each of the seven instances of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model — the “QUERUB” instance, the “MALAK” instance, the “OPHAN” instance, the “IKARI” instance, the “KO’ACH” instance, the “SERAPH” instance, and the “HASHMALL” instance — present outside and all around “THE SHEKINAH” and ensuring “THE GUARDIANSHIP OF THE SHEKINAH”.

Such disposition of the seven instances of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model and the subdivision and transmission of the instructions, are parts of those rational activities in which “THE DIVINE FORCE” has embedded “THE KNOWLEDGE OF THE DIVINE”. In this disposition, at this first level around “THE SHEKINAH”, the invisible treasure, the “LIGHT” that is hidden in the “LIGHT”, and that “THE DIVINE FORCE” has embedded into these rational activities and that these firsts foremost “ADONA’IM” and especially the Archangel MICHAEL were called upon to discover through discernment, to understand, and to nourish themselves with, is: “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” that “THE DIVINE”, IHVH, our FATHER has consolidated in Himself, also including the details of the functioning of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”. The task of ensuring “THE GUARDIANSHIP OF THE SHEKINAH”, in itself is not a finality; but, the discovery and understanding of the invisible treasure, the “LIGHT” that is hidden in the “LIGHT”, is. Everything coming from “THE DIVINE”, IHVH, our FATHER, or “awaken” in any creature by “THE DIVINE FORCE”, has a purpose: every task assigned by “THE DIVINE FORCE” has an educational purpose. NOTHING IS DONE AT RANDOM BY “THE DIVINE”. In the absence of this “LIGHT” that is hidden in the “LIGHT”, or in any failure by these firsts foremost “ADONA’IM” and by the Archangel MICHAEL to discern this “LIGHT” that is hidden in the “LIGHT”, then they will not understand what they are doing by performing those rational activities assigned to them by “THE DIVINE FORCE”, or their understanding of what they are doing will be meager. If they cannot understand what they are doing by performing those rational activities or their understanding of what they are doing is meager, then they will not find and they will not know “THE DIVINE”, IHVH, our FATHER, and they will find themselves in what is designated by the word which is translated to signify: obscurity — meaning, the absence of this “LIGHT” that is hidden in the “LIGHT”.

Those rational activities assigned to them by “THE DIVINE FORCE”, which have meaning only within the well defined context of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” that “THE DIVINE”, IHVH, our FATHER has consolidated in Himself, is the raw materials from which “THE KNOWLEDGE OF THE DIVINE” must ultimately be extracted. Hence, it is fundamental for any creature to whom “THE DIVINE FORCE” has assigned a specific task, to understand the context and the background of those rational activities defined in such specific task, and “THE DIVINE FORCE” always takes care for making it understood to the creatures through the manifestations of the metaphors and through their daily activities.

Using the concept of the “plant”, the “LIGHT” that is hidden in the “LIGHT” is reminiscent of that, which is called the “grain” and that is contained in the “fruit”, and the visible part of those rational activities that “THE DIVINE FORCE” assigned to these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and which they perform subsequently, is reminiscent of the combined set formed by the internal tissue of the “fruit” surrounding the “grain”, the juicy part of the “fruit” and the outer skin of the “fruit”. In much the same as we have already indicated, in a whole, the “fruit” promotes the transmission of a species, protecting the “grain” — the “LIGHT” that is hidden in the “LIGHT” — and by fostering its dissemination.

If the “LIGHT” that is hidden in the “LIGHT” is not discerned, its transmission will not take place, and the transmission of the visible part of those rational activities, from one creature onto another, will be equivalent to those creatures giving life to “obscurity” (that is to say, the absence of the “LIGHT” that is hidden in the “LIGHT”).

Performing those rational activities that “THE DIVINE FORCE” assigned to these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” is not only about carrying out the tasks in which those rational activities have been associated, but it is about combining the actual execution of those rational activities with “out of the box” observations of the different dispositions unfolding, with questions, with hypotheses, and through discernment, in order to understand “the story” behind those rational activities and, with enlightenment from “THE DIVINE FORCE”, to see the “LIGHT” that is hidden in the “LIGHT” and that SHE has embedded into those rational activities.

It is the “LIGHT” that is hidden in the “LIGHT”, that must be discerned and disseminated, not the visible part of those rational activities that these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” will perform. Whereas the visible part of those rational activities assigned to these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” must be performed, it must be dissipated, so that the “LIGHT” that is hidden in the “LIGHT” is revealed and disseminated. **The absence of that “LIGHT” that is hidden in the “LIGHT”, is designated as the “Obscurity” in all its forms.**

You can also understand this concept of “LIGHT” that is hidden in the “LIGHT”, using the concepts of “chemical reactions” and the elucidation of the reactants, the products, and intermediates of enzymatic reactions, etc..., which make it possible to identify constituents that make up a substance, in all its forms and states (spiritual and non-spiritual), and their properties, behaviors, transformations and interactions, and observable fundamental phenomena in

relation to the “movement”, considered in its manifestations under all its forms and all scales.³¹⁵ At the basis of all those products that are formed as well as those that are consumed in all their details in “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, are “chemical reactions”. “THE DIVINE”, IHVH, our FATHER, has “given body” to the constituents elements of those “chemical reactions”, the reactants, the products, and intermediates of enzymatic reactions, etc..., through those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” themselves as constituents elements of those “chemical reactions”, and those tasks, which were assigned to them, were meant to lead them to understand the multitudes of “chemical pathways and cycles” and other details of those “chemical reactions”, which represent the “LIGHT” that is hidden in the “LIGHT”, the hidden treasure behind those “rational activities” assigned to these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, and which tells something very precise about “THE DIVINE”, IHVH, our FATHER. In a “chemical reaction”, the flow of reactants, products, and intermediates of enzymatic reactions, etc..., does not have “consciousness” — in the sense of the qualitative flow of inner states; this capacity by which an “energy” will take at any moment an immediate and direct knowledge, more or less complete and clear, of its existence, its states and its acts; that instant knowledge, unaccompanied by effort, of the experience as it presents itself — as such. Giving “consciousness”, giving the “token of life”, and giving the autonomous capacity of “FREE CHOICE”, and the capacity to understand, to those constituents elements of “chemical reactions” is what “THE DIVINE”, IHVH, our FATHER, has performed with the creation of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” into existence inside the “Specific Energy ‘CELESTIAL’ Domain”. Of the “energy” products of the events, which take place in “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, HE has made “creatures” endowed with “consciousness”. HE has established, in some sense, “role playing” tasks, defined through these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and those “rational activities”, which are assigned to them, so that through the understanding of both their own designations (or namings) and their “innate capabilities”, in the execution of those “rational activities”, each of them can act, by his own decision-making, on the development of his own “specified

³¹⁵ You can also understand this through discernment of those activities and tasks that are performed by these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and which were described by the elder ENOCH, of whom METHUSELAH is the descendant, in the writings that he had left to humans.

Read more in the section concerning the details of annotations — Annotation on the “WINDS” and the elders of the creation, and how CHRIST had calmed the storm.

And, ultimately, so that they can read and understand the story line, the living “DISCOURSE” of “THE DIVINE”, IHVH, our FATHER, which has been written by “THE DIVINE FORCE” through them, as “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures”, “assuming their role” in that story line.

- When this “LIGHT” that is hidden in the “LIGHT” is revealed and disseminated in the environment where it is absent, that is to say, in the obscurity, then the obscurity absorbs the radiation of the “LIGHT” that is hidden in the “LIGHT”, then the obscurity is illuminated; because the radiation of the diffused “LIGHT” that is hidden in the “LIGHT” spreads in the obscurity and then the obscurity is illuminated. The ultimate result of this, at the completion of implementation of the “First Phase” of “THE HOLY PROJECT” was expected to be the full illumination, inside the attribute “NON DIVINE”, of a living manifestation of a metaphor of the “Cardinal Point” of the “Generative Divine Particle” in “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”; that is, the full illumination of the “Specific Energy ‘CELESTIAL’ Domain”, alive, including all that it would contain as “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”. The ultimate result of this, extended to the “Specific Energy ‘EARTHLY’ Habitation Domains”, which have been designed and established by “THE DIVINE ARCHITECT AND PROJECT MASTER” and to be immersed in the “Specific

Septenary Equilibrium Zones” of the “SPECIFIC SUPREME CONFIGURATION” of the “Specific Generative Energy ‘EARTHLY’ Domain” and the six “Specific Formative Energy ‘EARTHLY’ Domains”, at the completion of implementation of “THE HOLY PROJECT”, was intended to be the full illumination of the attribute “NON DIVINE” with the manifested metaphor of the hidden “LIGHT” of “THE DIVINE”.³¹⁶

It is so that, the seven “‘SPIRIT←SPIRIT’ Bodies” pure and holy of each of the seven instances of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model ensuring the task of “THE GUARDIANSHIP OF THE SHEKINAH”, having

³¹⁶ It is truly, a veritable divine engineering marvel and masterpiece that “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed and that “THE DIVINE”, IHVH, our FATHER has chosen to share with the attribute “NON DIVINE”; simply said: INCREDIBLE AND FANTASTIC WORK.

It is an overview of this INCREDIBLE AND FANTASTIC WORK that “THE DIVINE FORCE” had shown to the elder ENOCH, of whom METHUSELAH is the descendant, in a vision regarding “THE DIVINE ATOM” manifested in “THE FRAME OF REFERENCE OF THE ATTRIBUTE ‘NON DIVINE’” in the attribute “NON DIVINE”, and that the elder ENOCH had reported in his writings in these terms:

“ ...

I saw a mountain of fire, burning night and day. When I approached it, I saw seven bright mountains, of which one was distinct from the other.

The stones which they were formed were beautiful and sparkling; They shine and radiate at sight, and their surface is polished.

There were three in the Orient, and all the more unshakeable, that they were the one and the other; and there were three in the South, also unshakeable.

There were also deep valleys but which were separated one from another. In the middle was the seventh mountain.

And all these mountains appear in the distance as the majestic thrones, and they were crowned of odoriferous trees.

Among these trees, there was one of a constantly reappearing odour, so suave and, there was no one in the Garden of Eden, which exhaled such a delicious scent. Its leaves, its “flowers”, its wood, never withered and its “fruits” were beautiful.

...”

Read more in the section concerning the details annotations — Annotation on the “Specific Energy ‘CELESTIAL’ Domain” and the correspondence with the “Specific Generative Energy ‘EARTHLY’ Domain”.

received their instructions, will in turn leave the “specific spiritual formation” of “THE CHURCH” to subdivide, transmit and explain the instructions they received to the heads of the seven “Angelical Orders”. And so on, by cascades, the instructions will be subdivided, executed and performed in any place designated by “THE DIVINE”, IHVH, or transmitted, and explained to the remaining “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” that would have been created into existence in the “Specific Energy ‘CELESTIAL’ Substance”.

At each level of a received subdivided instruction down in the chain of cascades and in the appropriate tasks associated to such subdivided instruction, “THE DIVINE FORCE” has embedded “THE KNOWLEDGE OF THE DIVINE” in all its forms and expressions. It is so that, from the top of the cascade of instructions, which starts with those firsts foremost “ADONA’IM” and the Archangel MICHAEL, and unwrapping down to others “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” outside of the “ADONA’IM”, “THE DIVINE FORCE” will pour “THE KNOWLEDGE OF THE DIVINE”. SHE will unfold the knowledge of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” that “THE DIVINE”, IHVH, our FATHER has consolidated in Himself, also including the details of the functioning of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, and the knowledge of all products that are formed and all those that are consumed in this “DIVINE SUPREME CONFIGURATION”, in the “‘SPIRIT’ Specific State”.

As each of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” that “THE DIVINE FORCE” will bring forward in the “Specific Energy ‘CELESTIAL’ Domain” via the Archangel MICHAEL, and following receipt of “THE WORD OF THE DIVINE”, will carry a unique expression of the manifestation of a metaphor of a “DIVINE PRIMARY WEALTH” in an unlimited number of “DIVINE PRIMARY WEALTH”, it is so that through this cascade of instructions and their associated rational activities, “THE DIVINE FORCE” will write a living “DISCOURSE” of “THE DIVINE”, IHVH, our FATHER.

All these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, each at his level of reception of subdivided instruction down in the chain of cascades, were called upon to discover through discernment, the invisible treasure, the “LIGHT” that is hidden in the “LIGHT”, and that “THE DIVINE FORCE” will embed in the rational activities that will be assigned to them. The Archangel MICHAEL, the firsts foremost “ADONA’IM” and the heads of the seven “Angelical Orders” were all called upon to put the pieces of the living “puzzle” together, to read and understand through discernment, this living “DISCOURSE” of “THE DIVINE”, IHVH, our FATHER, written by “THE DIVINE FORCE” through them and all

these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” in the qualities of expressions used in the sentences, and through which “THE DIVINE”, IHVH, our FATHER revealed who HE is and makes Himself known to the attribute “NON DIVINE”, “THE DIVINE FORCE” — THE INVISIBLE SHEPHERD OF PURITY AND HOLINESS — was the teacher, teaching all of them, individually, in groups, and simultaneously, as much as they will be “spoken” into existence, guiding each of them so that each could manage to discern “THE KNOWLEDGE OF THE DIVINE”, the “LIGHT” that is hidden in the “LIGHT”, from the raw materials that are those rational activities assigned to them.

It is so that, with the passage of time and progress on the implementation of “THE HOLY PROJECT”, “THE DIVINE FORCE” created by pairs, all the others “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” into existence in the “Specific Energy ‘CELESTIAL’ Domain”, from the Archangel MICHAEL, and following receipt of “THE WORD OF THE DIVINE” and it is so that “THE CELESTIAL HOST” — “THE CELESTIAL HERD” — “THE CELESTIAL BODY” — “THE CELESTIAL ARMY” — was formed, based on the seven “Angelical Orders” and the instructions transmitted from “THE CHURCH”, that is to say, “THE SPIRITUAL FORMATION OF THE CHURCH”.

With the exception of the “‘SPIRIT←SPIRIT’ Body” “ANDROGYNOUS” of the Archangel MICHAEL that had been formed and produced into existence in the “Specific Energy ‘SPIRIT’ Substance” constituent of “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — the “‘SPIRIT←SPIRIT’ Body” of each of all the others “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” has one and only one adjective: either the adjective “MALE”, or the adjective “FEMALE”, without androgynous.

It is so that, in “THE CELESTIAL HOST”, all Archangels have the “MALE” adjective, they are all above the “Angelical Order”.

In the “Angelical Order” there are:

- “QUERUB’IM” having the “MALE” adjective and others “QUERUB’IM” having the “FEMALE” adjective;
- “MALAK’IM” having the “MALE” adjective and others “MALAK’IM” having the “FEMALE” adjective;
- “OPHAN’IM” having the “MALE” adjective and others “OPHAN’IM” having the “FEMALE” adjective;

- “IKARI’IM” having the “MALE” adjective and others “IKARI’IM” having the “FEMALE” adjective;
- “KO’ACH’IM” having the “MALE” adjective and others “KO’ACH’IM” having the “FEMALE” adjective;
- “HASHMALL’IM” having the “MALE” adjective and others “HASHMALL’IM” having the “FEMALE” adjective;

As “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed it, only the “‘SPIRIT←SPIRIT’ Body” in the “PRINCIPAL” instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model within the “Specific Energy ‘CELESTIAL’ Domain”, which is that of the Archangel MICHAEL, has inherited these two adjectives: “MALE” reflecting its capacity to relay “SPECIFIC SIGNALS CATALYST OF THE BIRTH”, and “FEMALE” reflecting its capacity to serve as production medium of “BEFOREHAND CREATED ENERGY DESIGNS” only from a “SPECIFIC SIGNAL CATALYST OF THE BIRTH” emitted by “THE DIVINE” Himself.

As we indicated at the beginning of this BOOK, it is through “THE INTELLECT OF THE DIVINE” that “THE DIVINE” conceives Himself and builds up, according to his own plans, architectures made of “Divine Particles”: “THE INTELLECT OF THE DIVINE” is “THE ARCHITECT OF THE DIVINE”. Through “THE INTELLECT OF THE DIVINE”, “THE DIVINE” defines architectural and technical solutions for the implementation of His own designs: “THE INTELLECT OF THE DIVINE” is “THE PROJECT MASTER OF THE DIVINE”.

“THE DIVINE” creates Himself, and performs the designs of His “DIVINE ARCHITECT AND PROJECT MASTER” in the “SILENCE”, using “THE DIVINE FORCE”. These realized designs of “THE DIVINE FORCE” are the “INDISTINCT DIVINE FORMS”.

“THE DIVINE”, IHVH, our FATHER has manifested this “DIVINE WEALTH” into existence within the “Specific Energy ‘CELESTIAL’ Domain” in the attribute “NON DIVINE”, through of metaphors of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”.

It is so that, from the perspective of the “Specific Energy ‘CELESTIAL’ Substance”, each “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” of “THE CELESTIAL HOST” that has been sculpted into existence, by “THE WORD OF THE DIVINE”, through the Archangel MICHAEL, on an instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, in the “Specific Energy

‘CELESTIAL’ Substance” constituent of the “Specific Energy ‘CELESTIAL’ Domain” in the attribute “NON DIVINE”, is a delineated part and entity of this “Specific Energy ‘CELESTIAL’ Substance”, and is an “INDISTINCT FORM OF THE SPECIFIC ENERGY ‘CELESTIAL’ SUBSTANCE”.

Through their qualities and capabilities, these “INDISTINCT FORMS OF THE SPECIFIC ENERGY ‘CELESTIAL’ SUBSTANCE” are independent entities from each other and in which “THE DIVINE”, IHVH, our FATHER has placed the mark of life and His proper “DIVINE PRIMARY WEALTH”.

It is so that, “THE DIVINE”, IHVH, our FATHER has expressed through the “Specific Energy ‘CELESTIAL’ Domain”, a manifestation of a metaphor of “THE DIVINE DOMAIN” in the “‘SPIRIT’ Specific State”.

Although they are independent of each other, these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have been sculpted into existence from the same “Specific Energy ‘CELESTIAL’ Substance” so that no one rises above the others and that all the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of “THE CELESTIAL HOST” represent the manifestation of the metaphor of the “SPIRIT” component of the Monad of Origin, inhabiting the same “Specific Energy ‘CELESTIAL’ Domain” in the attribute “NON DIVINE” so that, from the depths of their “‘SPIRIT←SPIRIT’ Body”, through the implementation of the tasks which were entrusted to them, signs of unity and “THE KNOWLEDGE OF THE DIVINE” can emerge in the “‘SPIRIT’ Specific State”.

It is so that, “THE DIVINE”, IHVH, our FATHER, chose to share knowledge about “THE DIVINE DOMAIN” and its “SUPREME STATE OF EQUILIBRIUM”, its “SUPREME STATE OF HARMONY”, arising from “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”. Each delineated part of “THE DIVINE” (wherever in “THE DIVINE DOMAIN”, as “DIVINE SUBSTANCE” unlimited and constituent of “THE DIVINE DOMAIN”), each “INDISTINCT DIVINE FORM”, regardless of the “DIVINE PRIMARY WEALTH” it represents, and as countless as they are, is conscious and living by itself, reflected into itself and is at the same time “THE DIVINE”: “THE SUPREME STATE OF EQUILIBRIUM OF HARMONY”. And it is thus that “THE DIVINE” chose to share so many aspects of Himself, in the “‘SPIRIT’ Divine State”, with the attribute “NON DIVINE”.

It is so that, “THE CELESTIAL HOST” was established as a living “system”, comprising those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” interacting as discrete elements of this “system”, each of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” identified by its own “job description”. As we have indicated already, a

“system” performs certain functions; it has a definite purpose, it does something. And the larger “THE CELESTIAL HOST” became, the more important the synergy — the coordinated action of those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and which contributes to produce a total effect that is greater than the sum of effects of the individual “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” — that diverse tasks, resources and capabilities provide within “THE CELESTIAL HOST” also became.

The cohesion of “THE CELESTIAL HOST” was maintained by “THE SPECIFIC SPIRITUAL FORCE OF LIFE” which is “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”, as “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed it.

The interconnections between the seven “Angelical Orders” and inside of each “Angelical Order” are established through the tasks that “THE DIVINE”, IHVH, our FATHER defines in “THE CHURCH”, that is “THE SPIRITUAL FORMATION OF THE CHURCH”, and entrusts them to the Archangel MICHAEL who in turn subdivides the tasks and distributes them to the elders, the “ADONA’IM” and the heads of “Angelical Orders”; and so on by cascades the tasks are divided and entrusted to all “THE CELESTIAL HOST”.

The classification according to which the elders of the creation (archangels and angels) were arranged is based on “HARMONY” between the entities that have been created and the implementation of the tasks for which these entities were created for. This classification is not based on the dominance or on the superiority³¹⁷ of one entity on another, but rather on the “HARMONY” of the whole “HOLY PROJECT” with “THE DIVINE”, IHVH, our FATHER.

Just as each “DIVINE PRIMARY WEALTH” has the same importance with respect to the others “DIVINE PRIMARY WEALTH” from the perspective of “THE DIVINE”, likewise each “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” of “THE CELESTIAL HOST” that was created into existence by “THE WORD OF THE DIVINE”, through the Archangel MICHAEL, and by “THE DIVINE FORCE”, had the same importance with respect to the others “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” from the perspective of “THE DIVINE”.

³¹⁷ The dominance or the superiority of one entity on another, or of one creature on another, is a consequence of the appearance of the “HUBRIS” of the manifestations of metaphors of the “DIVINE PRIMARY WEALTH”, or simply the “HUBRIS”, in the “‘SPIRIT←SPIRIT’ Body”. We shall explain this in a text further down.

Moreover, as “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed them, all these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of “THE CELESTIAL HOST” were designed to complement each other, in “HARMONY” with “THE DIVINE”, IHVH, our FATHER, to form “A WHOLE” which is and represents a manifestation of a metaphor “THE HOLY SPIRIT” in the attribute “NON DIVINE”.

All the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” that were created within the “Specific Energy ‘CELESTIAL’ Domain”, despite having different “GIFTS” and being different from one another, had the same importance from the perspective of “THE DIVINE”, IHVH, our FATHER. Each of them bore a unique expression of the manifestation of a metaphor of a “DIVINE PRIMARY WEALTH” in an unlimited number of “DIVINE PRIMARY WEALTH”.

Through the “unique words”, the “attributes”, the “predicates” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has added to each of the products of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, and which have been manifested by metaphors of the “DIVINE PRIMARY WEALTH” in these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, it is so that “THE DIVINE”, IHVH, our FATHER thus laid, in “THE CELESTIAL HOST”, the basis of the generic relations between the constituents of the hierarchical structure of the text of the “DIVINE DISCOURSE” that HE had chosen to share with the attribute “NON DIVINE”.

It is thus also that “THE CELESTIAL HOST”, at this stage of this “First Phase” of “THE HOLY PROJECT”, was much more than a mere aggregate of the manifestations of the metaphors of “DIVINE PRIMARY WEALTH”, but was indeed a structure that goes beyond the “unique words”, the “attributes”, the “predicates”, which define these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, obeying laws that flow from “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, and in which “THE DIVINE” expresses Himself and speaks of the “‘SPIRIT’ Divine State”. As we have previously indicated, “THE CELESTIAL HOST” was established as a living “system”, comprising those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” interacting as discrete elements of this “system”, each of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” identified by its own “job description”, and a living “system” in which “THE DIVINE FORCE” wrote a living “DISCOURSE” of “THE DIVINE”, IHVH, our FATHER.

It is so that, “THE DIVINE”, IHVH, our FATHER loved all these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, in the same way: they were all called “CHILDREN OF THE ETERNAL”, and HE established on them the

hierarchical structure of the text of His own “DIVINE DISCOURSE”, so that HE be known to his “CHILDREN”.

From eternity, before that the attribute “NON DIVINE” was the object of a project, “THE DIVINE ARCHITECT AND PROJECT MASTER” had created, in “THE DIVINE BODY”, that, which is called the “movement” (of a considered “Divine Particle” with respect to defined benchmarks), and HE identified all the particulars of the “Divine Particles” movements, each “Divine Particle” in itself and in relation to the other “Divine Particles”. Through “THE DIVINE FORCE”, HE had refined it and placed it at the foundation of “THE HOLY PROJECT”.

My
re-
be-
gan

In this “HOLY PROJECT”, as by now you have been made aware of, from the beginning and throughout the writings in this BOOK, assuming that you have been paying attention, everything is “energy” and it is so that, everything that will be created into existence in the attribute “NON DIVINE”, once this attribute “NON DIVINE” is created, will be based on the “movement” associated with the “specific energy” and the state of equilibrium expected from the “movement” considered in its manifestations under all its forms and all scales. The infinite science, inexhaustible, which defines the “movement”, considered in its manifestations under all its forms and all scales, was established by “THE DIVINE FORCE”; as such, SHE is in every “movement” and in every “specific energy”. Any product, which is a “specific energy” structure (of course, any animated creature or not) that will be created into existence in the attribute “NON DIVINE”, once this attribute “NON DIVINE” is created, will be an expression of the expected state of equilibrium from the “movement” considered in its manifestations in all its forms and scales and applied to the basic constituents of the “specific energy”. The functioning of all the “specific energy” structures, which will be produced in this attribute “NON DIVINE”, will be based on the “movement” and the equilibrium state expected from the “movement”, in addition, all activities (internal and external) established and which will be assigned to the creatures that will be produced into existence in the attribute “NON DIVINE”, will be based on “movement” and the state of equilibrium expected from the “movement”, and thus will be expressions of the “movement” considered in its manifestations in all its forms and all scales. Without the “movement”, everything is stopped and nothing can be accomplished.

It is so that, in its conceptions, “THE DIVINE ARCHITECT AND PROJECT MASTER” has also endowed the model of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” with manifestations of metaphors of the “movement” and “specific processes”, which allow manifesting such “movement”.

After the creation of the attribute “NON DIVINE” and having “spoken” the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” into existence, “THE DIVINE”, IHVH, our FATHER, through “THE DIVINE FORCE”, assisted each of them developing and strengthening their innate skills, associated with the “movement”, considered in its manifestations under all its forms and all scales, for the beginning of their life. The development of such innate skills is an essential part of growth and development of “THE SEAT OF THE INTELLECT” within their “‘SPIRIT←SPIRIT’ Body”, as the main purpose for which the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” was designed and has been created into existence, is “TO BE AKIN TO ‘THE DIVINE FORCE’: TO PERFORM TASKS.

It is so that, “THE DIVINE FORCE”, remaining invisible³¹⁸ to all “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, had started to educate them, teaching them the basic elements of their main purpose, teaching them what it means: “TO BE AKIN TO ‘THE DIVINE FORCE’”. Being Herself “THE KNOWLEDGE OF THE DIVINE”, being Herself the infinite science, inexhaustible, which defines the “movement”, considered in its manifestations under all its forms and all scales, SHE assigned them tasks concerning various applications of the “movement” and intended both to develop their innate skills and to discern and understand not only “THE DIVINE FORCE”, who had projected various aspects of Herself throughout the “movement”, considered in its manifestations under all its forms and all scales, and the state of equilibrium expected from the “movement” which was at the origin of those tasks, but to discern and understand that they are called upon to grow in “THE KNOWLEDGE OF THE DIVINE”.

As these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” grew, they developed other innate skills and abilities over time, but the most important remained their innate skills, associated with the “movement” in all its forms, and which then proceed with the free exercise of the will and less of the automatism, reflexes or impulses: the ability to move themselves or to move or manipulate “specific energy” objects; that is, intrinsic movements, extrinsic movements to displace “specific energy” objects, synergistic movements, sequential pattern movements (as will later be the case with the formation of constellations). The “WINDS”, as well as their

³¹⁸ In a previous chapter, concerning the creation of the “Specific ‘PARTIALLY-SPIRITUAL’ Environment” in the attribute “NON DIVINE”, we have already explained why is “THE DIVINE FORCE” invisible to any creature of the attribute “NON DIVINE”, and we have also explained why “THE DIVINE”, IHVH, our FATHER is also invisible to any creature of the attribute “NON DIVINE”.

“SWIRLS”, in all their forms and powers, and which we have already mentioned in one previous chapter, are examples of applications of the concept of the “movement”, considered in its manifestations under all its forms and all scales, and the state of equilibrium expected from the “movement”.³¹⁹

³¹⁹ It is these teachings, which the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” received from “THE DIVINE FORCE” concerning the concrete application of the concept of the “movement”, considered in its manifestations under all its forms and all scales, and the state of equilibrium expected from the “movement”, that the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” will later refer to as the “secrets” of Heaven and Earth; those “secrets” that ENOCH, of whom METHUSELAH is the descendant, described in the writings that he had left to humans, when he said:

“...

...

Then the other angel who was with me, spoke to me. He revealed to me the first and last secrets on the Heaven and on the Earth, on the confines of heaven, and in its foundations, in the receptacles of the winds;

He showed how their blows are divided and weighted, how the winds and fountains are ranked, according to their energy and abundance.

He made me see the strength of the light of the moon, it is a power of righteousness; how stars are divided between them, and what name is unique to each.

He showed me again the thunders distinguished also between them, by the weight, by their energy, by their power.

I saw the obedience of these celestial plagues to his divine will. I learned that the roar of thunder did not separate from lightning, and though both are united by different spirits, they are nonetheless inseparable.

For when lightning crosses the cloud, thunder rumbles, but their spirits stop at the opportune moment, and strike a fair balance; the time tank is sand. Both are calming down when necessary, and depending on the circumstances, they compress their forces or they unleash them.

Also the spirit of the sea is male [this is said to indicate that the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” to which has been assigned the responsibility to perform those tasks on the bulk energy designated as “sea” (as you know it), has the “MALE” adjective; remember when CHRIST calmed the storm (Matthew 8:23-27)? HE was talking directly to such “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” who at that time was causing that storm and ordered that “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” to “buzz off”, but His disciples around him failed to understand such things that were invisible to them and thought of it as “magic” asking themselves: “What sort of man is this, that even winds and sea obey him?”], powerful

With the development of these innate skills, a “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” will be able to complete those important tasks, that “THE DIVINE ARCHITECT AND PROJECT MASTER” has established, from eternity, before the creation of the attribute “NON DIVINE” and in order for “THE DIVINE”, IHVH, our FATHER, to share a part of His great “DIVINE WEALTH” with the attribute “NON DIVINE” once it is created.

The development of these innate skills that proceed with the free exercise of the will and less of automatism, reflexes or impulses, implies a cognitive component, which is an essential part of growth and development of “THE SEAT OF THE INTELLECT” within their “‘SPIRIT←SPIRIT’ Body”; that is, the abilities to think through and plan what they want to do with to perform their tasks, in other words: the abilities of “THE SEAT OF THE INTELLECT” to “THINK”, to “REASON” and “MAKE DECISIONS”, to memorize, to learn, to acquire intelligence and to gradually develop the innate skills through experience and exposure to a variety of situations and activities. Such gradual development was meant to prepare the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” to use the tools that “THE DIVINE FORCE” will later give them for the performing of particular tasks.

It is so that, these innate skills efficiency will significantly influence the quality of the task outcome as well as the speed of task performance. Efficient innate skills require a number of independent other inner or acquired skills to work together to appropriately perform tasks. They are essential for performing everyday activities. Without the innate skills to complete these every day activities and tasks, the expected performance, of the implementation of “THE HOLY PROJECT”, will be compromised. Through the development of these innate skills, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, each in itself, will become more independent, learning how to have an impact on the surrounding around them, building confidence and self-esteem.

the teaching tasks assigned to them. Thus, all that which celestial creatures will in turn transmit to human creatures, as teachings, and concerning their “secrets” of Heaven and Earth, will in fact be teachings without “KNOWLEDGE OF THE DIVINE”; and thus, it will be teachings without educational value concerning “THE DIVINE”, IHVH, our FATHER. But for any human creature who will know “THE DIVINE FORCE”, and to live with HER, through the education that SHE provides, then all these various applications of the concept of the “movement”, considered in its manifestations under all its forms and all scales, and the state of equilibrium expected from the “movement”, will be invaluable treasures.

As we have already indicated, at its production into existence inside the attribute “NON DIVINE”, and to the extent of the elements of “THE ‘SPIRIT’ REASON”, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” was already operational and capable to:

- “THINK” and “REASON” through “hypothetico-deductive reasoning” and through the logical use of symbols related to abstract concepts related to the purpose and the tasks for which it was brought forth into existence inside the attribute “NON DIVINE”;
- “Work” on “forms” or representations related to abstract concepts, that is to say mental representations of the relevant objects and actions, related to the purpose and the tasks for which it was brought forth into existence inside the attribute “NON DIVINE” and systematically solve a problem in a logical and methodical way; hence, it was already able to tell the difference between that, which is “a solution” and that, which is “not a solution” of a problem, that is to say, the difference between that, which is “CORRECT” and that, which is “INCORRECT”;
- Understand the concept of “self” and has self-knowledge of the purpose and the tasks for which it was brought forth into existence inside the attribute “NON DIVINE”, in the social environment in which it was brought forth into existence inside the attribute “NON DIVINE”, and was able to develop standards and expectations for own behavior. The concept of “self” is at the base of the principle of individual consciousness, the object of it, but an active subject; it is all together personal identity, the dimension of invisible interiority, the ontological depth to which the individual character and individual destiny lean and build on into existence inside the attribute “NON DIVINE”.

Through their years into existence in the “Specific Energy ‘CELESTIAL’ Domain”, these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have refined these qualities in themselves, each in its own domain of expertise and related to the purpose and the tasks for which it was brought forth into existence inside the attribute “NON DIVINE”.

As these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” grew, they have developed a more complex picture of who they thought they were and what they were capable of, they started to compare themselves to their peers in “THE CELESTIAL HOST” across a wide variety of traits and characteristics such as appearance,

intelligence, “physical” abilities, artistic abilities, etc.³²⁰ A result of this growing complexity of “self” and other description is that they started to view themselves as more or less capable within different domains of accomplishment of the tasks, which were assigned to them.

Their self-esteem, which reflected their feelings of personal worthiness, also started to grow and vary across these domains of accomplishment of those tasks, with the result that, they considered and saw themselves as being very capable. Their self-esteem was more governed by personal responsibility and accomplishment of those tasks and not at all by “THE KNOWLEDGE OF THE DIVINE”, which “THE DIVINE FORCE” had embedded in those tasks, and which they were called upon to extract from those tasks and to feed themselves with.

Ever gentle and ever patient, “THE DIVINE FORCE” provided to these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, the environment and the teachings they needed to work on their innate skills, and these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” will blossom to the best they can be, in the proficiency and dexterity in performing the tasks which will be assigned to them. And with this respect, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” are always happy to point this out, saying:

“... ”

For, even as we labor, whether together or alone, we are always blissfully awake to the fact that our task was assigned to us because we as individuals are the best suited for that particular task.

We knew that we were actively contributing to the continued perfect happiness of the Host, and we were filled always with the knowledge of our value to the others.

“... ”

As such, by “*We knew that we were actively contributing to the continued perfect happiness of the Host*”, they are also referring more or less to the synergy — the coordinated action of those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and which contributes to produce a total effect that is greater than the sum of effects of

³²⁰ YES! These “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who pretend to be above their neighbour the human creature, and in much the same behavior pattern as will be observed later from human creatures in the phase of preteenager or “end of middle childhood”.

the individual “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” — that diverse tasks, resources and capabilities provide within “THE CELESTIAL HOST”.

It is so that, through their creation into existence in the “Specific Energy ‘CELESTIAL’ Domain”, through their classification, and through the tasks that were entrusted to them, “THE DIVINE FORCE” guided them to lead them to develop themselves and by themselves the understanding and the knowledge of the different aspects of “THE DIVINE” and the understanding of “THE HOLY PROJECT” in which they have been “spoken” into existence.

Implementation of “THE HOLY PROJECT” designed by “THE DIVINE ARCHITECT AND PROJECT MASTER” is a very large undertaking that HE has subdivided in “HARMONY” in a myriad of smaller tasks.

This implementation is not easy to achieve because it is necessary to have not only a lot of appropriate knowledge concerning expressions of manifestations of metaphors of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, and concerning expressions of manifestations of metaphors of each of the seven “Divine Particles” in this “DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, but one must also remain at all times in “HARMONY” with “THE DIVINE”, IHVH, our FATHER to be able to progress and to perform the work correctly.

And it is through the implementation of the tasks established by “THE DIVINE ARCHITECT AND PROJECT MASTER” that each “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” was called not only to feed his “‘SPIRIT←SPIRIT’ Body” through “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” with the “fruits” of “THE TREE OF LIFE”, but also to develop and grow the seed of “THE KNOWLEDGE OF THE DIVINE” that “THE DIVINE FORCE” has placed in them.

Throughout their existence in the “Specific Energy ‘CELESTIAL’ Domain” and of the work that has been achieved, “THE DIVINE FORCE” has revealed and manifested “THE KNOWLEDGE OF THE DIVINE” in several ways to the elders of the creation who, with the passage of time and the implementation of tasks that were entrusted to them, were called to develop and grow in themselves “THE KNOWLEDGE OF THE DIVINE” and knowledge of “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” in its various forms, to develop and grow in them the perfect knowledge of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model and of each of its seven instances from which they were all “spoken” into existence.

The process through which “THE DIVINE FORCE” has educated each of those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, as numerous as they were, is the same process that we described for the fulfilment of the Archangel MICHAEL’s “Desires of Reproduction”.

Namely, from the need to want to accomplish an assigned initial task, through the illusions produced by “THE SEAT OF THE INTELLECT” within each “‘SPIRIT←SPIRIT’ Body” of each of those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, and regarding the manner in which they emitted their “Desires to Accomplish a Task”, “THE DIVINE FORCE” was providing the temperature and the enlightenment intensity, that is, the illumination — “THE LIGHT” which allows to discern that, which conforms to the specifications that “THE DIVINE ARCHITECT AND PROJECT MASTER” has defined.

The temperature and intensity of illumination provided, are based on the inner functionalities and capabilities, which the “‘SPIRIT←SPIRIT’ Body” was endowed with, in order to foster imagination, intellectual independence and self-efficacy, in order to To promote an understanding of the role in “THE CELESTIAL HOST”, to help discover and explore knowledge of the “Specific Energy ‘CELESTIAL’ Domain”; the ultimate goal is to provide the elements of fertilization to the plant of “THE KNOWLEDGE OF THE DIVINE”, in order to be able to advance, in the long term, towards the “HIGHEST PLENITUDE”, to achieve the “FULL POTENTIAL” at the time defined by “THE DIVINE ARCHITECT AND PROJECT MASTER”.

It is thus that “THE DIVINE FORCE”, guided “THE SEAT OF THE INTELLECT” through illusions and “Interpreted THOUGHTS”, peculiar to “THE SEAT OF THE INTELLECT”, and ultimately led “THE SEAT OF THE INTELLECT”, by convergence of its own illusions, towards an appropriate working method, or towards an appropriate work tool. This is the process of education through enlightenment.

The appropriate products that result from this process of education through enlightenment, conform to the specifications that “THE DIVINE ARCHITECT AND PROJECT MASTER” has established.

As we have indicated already, it is not a packet transmitted in inheritance to each of those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, but it is rather conveyed through education to “THE SEAT OF THE INTELLECT”, by “THE DIVINE FORCE”.

Thus, “THE DIVINE FORCE” guided each of them, individually, and within their working group, and simultaneously in their multitude, each towards the proper

methods, the proper working processes to be used, to perform their assigned tasks, alluding to certain aspects of “THE DIVINE”, IHVH, our FATHER, to certain aspects of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, manifested in the “‘SPIRIT’ Specific State”, as “THE DIVINE FORCE” is the only one, inside the attribute “NON DIVINE”, who possesses all knowledge about the intentionalities of those tasks and about “THE KNOWLEDGE OF THE DIVINE” to be discerned and acquired by a creature through the execution of those tasks. All those working methods and tools, all those processes were developed by “THE DIVINE FORCE” and who conveyed them through education, each appropriately, to “THE SEAT OF THE INTELLECT” in each of those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”. As we have indicated already, the conveying of such working methods and tools, and of those processes, is not a packet transmitted in inheritance that “THE DIVINE FORCE” will give to “THE SEAT OF THE INTELLECT” in this “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, but it is rather conveyed by “THE DIVINE FORCE” to “THE SEAT OF THE INTELLECT” through the appropriate education embedded in the execution of those tasks.

Those of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, who became proficient in performing their assigned tasks, in turn, were tasked to teach — to be more precise, they were tasked to facilitate the teaching of — others who were still in the learning process; as such, they were called to learn to “see” themselves through others, and to understand that, in much the same manner, they also have been educated and they are educated by someone else, by THE INVISIBLE SHEPHERD OF PURITY AND HOLINESS — “THE DIVINE FORCE”.

It is so that, all their “Wishes”, their “Desires”, were fulfilled by “THE DIVINE FORCE”, through this process of education through enlightenment, without them being aware of “THE DIVINE FORCE” who was working in them, working through them and amongst them (manifesting Herself through the appearance of each of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”), and talking with them face-to-face, in their “‘CELESTIAL’ Language”, as well as talking to them directly inside their “‘SPIRIT←SPIRIT’ Body”, using the “Specific ‘SPIRIT’ Language”.

“THE DIVINE”, IHVH, our FATHER loved all the elders of the creation in the “Specific Energy ‘CELESTIAL’ Domain” in the same manner³²¹, with a “PURE, TRUTHFUL, AND AUTHENTIC LOVE”, they were all His “CHILDREN”. Several

³²¹ See conversation of October 01, 2005. Aristide with CHRIST.

projects were implemented in the “Specific Energy ‘CELESTIAL’ Domain” and “THE DIVINE”, IHVH, our FATHER was very happy with the progress of “THE HOLY PROJECT” that “THE DIVINE ARCHITECT AND PROJECT MASTER” had designed.

All the elders of the creation (Archangels as Angels) in the “Specific Energy ‘CELESTIAL’ Domain”, were honoured to be a “CHILD” of “THE DIVINE”, IHVH, our FATHER and as well as to see on each of them and on the entire “CELESTIAL HOST”, expressions of the manifestations of metaphors of “DIVINE PRIMARY WEALTH”. Those manifestations of metaphors of “DIVINE PRIMARY WEALTH” pertained only to the attribute “PURITY” (or “SPIRIT”), not being determinants of the attribute “LIGHT”, but having epithet functions in the attribute “LIGHT”. Each manifestation of a metaphor of “DIVINE PRIMARY WEALTH”, which has been expressed on a “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” is not a manifestation of a metaphor of a determinat of the attribute “LIGHT” of “THE DIVINE BODY”, but it pertains only to the attribute “PURITY” (or “SPIRIT”) and it has an epithet function in the attribute “LIGHT”.

Each “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” had received one or more unique expressions that identified him and that were not available on the others “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and the entire “CELESTIAL HOST” was maintained in unity by “THE DIVINE FORCE”.

“THE DIVINE”, IHVH, our FATHER perceived that the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” had sufficiently developed “THE INTELLECT”, and had developed sufficient knowledge and dexterity in the implementation of the tasks designed and established, and that the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” was “HAPPY”.

The majority of these tasks consisted of arranging on different scales or to move more or less large amount of layers of “Specific Atomic ‘CELESTIAL’ Substance” from one place of the “Specific Energy ‘CELESTIAL’ Domain” to another place and following indications of “THE DIVINE”, IHVH, our FATHER.³²² Such tasks were, in fact, related to various ways of applications of the “movement”, considered in its manifestations under all its forms and all scales, and the state of

³²² It will be of such tasks that these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” would have to implement in the space which represent the “MURKY VOID “. See also the details indicated through the descriptions on the design of manifestation of metaphors of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, on the “Specific Energy ‘EARTHLY’ Domain” in the “Plane Below”.

equilibrium expected from the “movement” which was at the origin of those tasks. And it is by these tasks that the entire landscape of the “Specific Energy ‘CELESTIAL’ Domain” was shaped.

Moreover, “THE DIVINE”, IHVH, our FATHER observed that all the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of “THE CELESTIAL HOST” that had been created so far had reached an advanced stage of the “spiritual childhood” and the foremost elders (the “ADONA’IM”) of them were entering the stage of the “spiritual adolescence” in the understanding and the advanced knowledge of “THE TREE OF LIFE” and of “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”.

As we have already indicated in a text above, at the stage of the “spiritual adolescence”, the “Specific Energy ‘SPIRIT’ Substance” has grown and its capacity to reflect and “MAKE DECISIONS” becomes genuinely autonomous. Through a series of questions and answers and interaction with its “Specific ‘NON-SPIRITUAL’ Environment”, “THE SEAT OF THE INTELLECT” inside the “Specific Energy ‘SPIRIT’ Substance” enters in tune with the acquisition process of three types of knowledge (but very little on the deep understanding of such knowledge):

1. Knowledge about itself as a “conscious and living structure” that has been created into existence;
2. Knowledge about the very root of its existence — “THE DIVINE”, IHVH, our FATHER; and
3. Knowledge about “THE HOLY PROJECT” of “THE DIVINE”, IHVH, our FATHER.

At this stage of the “spiritual adolescence”, answers to multiple questions relating to the process of acquisition of the three types of knowledge mentioned here above can only be demonstrated into existence.³²³

³²³ It is during the implementation of this “Second Phase” of “THE HOLY PROJECT” that “THE DIVINE ARCHITECT AND PROJECT MASTER” had designed, that “THE DIVINE” will reveal much more His nature to these elders of the creation so that they grow up in “THE KNOWLEDGE OF THE DIVINE” and that they develop also in them the understanding of “THE DIVINE DOMAIN” which they had no access and which is elusive in the attribute “NON DIVINE”.

יצירה של ספר

We shall explain the answers to multiple questions relating to the process of acquisition of three types of knowledge, in the sections concerning the implementation of the decrees of the “Second Phase” of “THE HOLY PROJECT”.

CHAPTER 147

“PRIDE” AND ABSENCE OF “THE KNOWLEDGE OF THE DIVINE” IN “THE CELESTIAL HOST”: ORIGIN OF THE “HUBRIS”

During the course of the “First Phase” of “THE HOLY PROJECT”, with all those myriads of tasks that “THE DIVINE FORCE” had assigned them, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had developed only their innate skills. Those tasks were intended for the development of their innate skills and to help them discern and understand that:

- It is “THE DIVINE FORCE”, who had projected various aspects of Herself throughout the “movement”, considered in its manifestations under all its forms and all scales, and the state of equilibrium expected from the “movement” which was at the origin of those tasks; and
- They, “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, are called upon to grow in “THE KNOWLEDGE OF THE DIVINE”.

They have blossom their innate skills to the best they can be, in the proficiency and dexterity in performing the tasks which will be assigned to them. On the face of this blooming, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” appeared to be in an expression of the metaphor of the “SUPREME STATE OF EQUILIBRIUM”.

During the execution of all those tasks, which were assigned to them, each task containing specific aspects of “THE KNOWLEDGE OF THE DIVINE” to be discerned and acquired by a creature through the execution, each task alluding to certain aspects of “THE DIVINE”, IHVH, our FATHER, to certain aspects of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, manifested in the “‘SPIRIT’ Specific State”, none of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” was aware of the process through which they were been educated; none of them was conscious and none of them had knowledge of “THE DIVINE

FORCE” — INVISIBLE — to their perception, and who worked in each of them and educated each of them.

Despite all the teaching that “THE DIVINE FORCE” — THE INVISIBLE SHEPHERD OF PURITY AND HOLINESS — gave them, they have failed to discern the “LIGHT” that is hidden in the “LIGHT”, and that “THE DIVINE FORCE” has embedded in the rational activities that SHE assigned to each of them.

From the top of the cascade of instructions, which starts with the Archangel MICHAEL and those firsts foremost “ADONA’IM”, those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” present outside and all around “THE SHEKINAH” and ensuring “THE GUARDIANSHIP OF THE SHEKINAH”, they have failed to discern the “LIGHT” that is hidden in the “LIGHT”, and that “THE DIVINE FORCE” has embedded in the rational activities that SHE assigned to each of them: they had no knowledge of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” that “THE DIVINE”, IHVH, our FATHER has consolidated in Himself, also including the details of the functioning of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”.

Another disposition of the instances of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model was established through the “Sealed Twelve”. Since the firsts foremost “ADONA’IM” which were assigned the task of ensuring “THE GUARDIANSHIP OF THE SHEKINAH” have failed to see the “LIGHT” that is hidden in the “LIGHT”, and that “THE DIVINE FORCE” has embedded into the rational activities, which SHE assigned to them, it is also so that the “Sealed Twelve” have also failed in the same way; their understanding of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” was inexistent: they could not discern that, through the tasks which were assigned to them, a metaphor of “THE ABSOLUTE MOVEMENT” that characterizes “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” was revealed to them. As such, they will not find and they will not know “THE DIVINE”, IHVH, our FATHER. “THE ABSOLUTE MOVEMENT” does not require any external intervention to function, it is without connection to anything outside, and it flows evenly in “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, and the tasks that were assigned to these “Sealed Twelve” were meant to lead them to “walk through the process” and understand through discernment, the aspects and essential qualities of “THE ABSOLUTE MOVEMENT”. Yet, they thought that they were the ones controlling things and they will keep parading themselves amongst their peers “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”,

claiming that they are the ones who are directing the CREATION, which truly is a manifestation of a metaphor of “THE ABSOLUTE MOVEMENT”.

This situation of failure by the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” to discern the “LIGHT” that is hidden in the “LIGHT” will be also present in all others dispositions of instances of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, which ensue from the “specific spiritual formation” of “THE CHURCH” from “THE SHEKINAH”, as well as those which ensue from the “Sealed Twelve”.

These “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” were in “obscurity”, they have given life to that “obscurity” and nourished themselves with it, and could not read the living “DISCOURSE” of “THE DIVINE”, IHVH, our FATHER, written by “THE DIVINE FORCE” through all these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” as expressions of the sentences, and through which “THE DIVINE”, IHVH, our FATHER revealed who HE is and makes Himself known to the attribute “NON DIVINE”.

None of them was able to discern and understand “THE DIVINE FORCE”, who had projected various aspects of Herself throughout the “movement”, considered in its manifestations under all its forms and all scales, and the state of equilibrium expected from the “movement” which was at the origin of those tasks.³²⁴ It was

³²⁴ They “looked at” and proceeded forward only with the tip of the iceberg, while the essential nucleus and most of the teachings were beneath the surface of the “water”. It is not as easy as it may sound from these writings that you are reading in this BOOK, especially when someone is not aware of the existence of a teacher who is constantly providing invaluable guidance through manifestations of metaphors.

Consider for example, the cultivation of fruit plants, or of flower plants, which CHRIST told already using the parable of growing seed. Have you understood that, that parable is also about you, as a creature inside of which “THE DIVINE FORCE” has planted a seed of “THE KNOWLEDGE OF THE DIVINE”, this concerns every human creature living on this Earthly world, and which you are called to cultivate and grow it to maturity to produce “fruits” or “flowers”, which are revealing information concerning “THE DIVINE”, IHVH, our FATHER? If the plant resulting from that seed of “THE KNOWLEDGE OF THE DIVINE”, and which is growing inside of you, get damaged or destroyed, thus do not produce anything at the end of the time assigned to it, then the revealing information concerning “THE DIVINE”, IHVH, our FATHER, and which must emerge from that particular plant of “THE KNOWLEDGE OF THE DIVINE”, which is growing inside you, will be lost. How many human creatures do you have living on this Earthly world? How many have lived in this Earth world since its creation? Knowing that each of them bears a unique seed of “THE KNOWLEDGE OF THE DIVINE”, different from one human creature to another, what is the extent of “THE KNOWLEDGE OF THE DIVINE” that is lost, and

not evident to discern the failure, which had remained hitherto overshadowed and fully covered by their acquired proficiency and dexterity in the execution of their assigned tasks, and only subsequent behaviours of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, will shed light on this failure. We will unwrap and reveal the details of those behaviors as we move forward with the writings.

This failure did not originate from “THE DIVINE”, IHVH, our FATHER, or from “THE DIVINE FORCE”, who are always in “THE SUPREME PLENITUDE”, at the maximum of their particulars, at the maximum of their intensity and density, at the maximum of their “DIVINE WEALTH”. “THE DIVINE FORCE” is by Herself the “Realm of the ‘THOUGHTS’” — Her “THOUGHTS” are “THE TRUTH” and are not interpreted at all like it is the case with the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”; there are no residuals in Her “THOUGHTS”, there are no impurities in Her “THOUGHTS”. Thus, failure, which emerges from residuals of “Interpreted THOUGHTS”, from impurities, is unknown to “THE DIVINE FORCE”; SHE has never experienced failure in Herself.

As we have indicated in the previous chapter, at its production into existence inside the attribute “NON DIVINE”, and to the extent of the elements of “THE ‘SPIRIT’ REASON”, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature, was already endowed with the capacity to generate “Interpreted THOUGHTS” in accordance with the age of preteenager or “end of middle childhood” and its abilities and it was already operational and capable to:

- “THINK” and “REASON” through “hypothetico-deductive reasoning” and through the logical use of symbols related to abstract concepts related to the purpose and the tasks for which it was brought forth into existence inside the attribute “NON DIVINE”;
- “Work” on “forms” or representations related to abstract concepts, that is to say mental representations of the relevant objects and actions, related to the purpose and the tasks for which it was brought forth into existence inside the attribute “NON DIVINE” and systematically solve a problem in a logical and methodical way; hence, it was already able to tell the difference between that, which is “a solution” and that, which is

that has been lost, since these human creatures are not even aware that something is expected from them, just like those celestial creatures were?

Read more in the section concerning the details of annotations — Annotation on the parable of the growing seed.

“not a solution” of a problem, that is to say, the difference between that, which is “CORRECT” and that, which is “INCORRECT”;

- Understand the concept of “self” and has self-knowledge of the purpose and the tasks for which it was brought forth into existence inside the attribute “NON DIVINE”, in the social environment in which it was brought forth into existence inside the attribute “NON DIVINE”, and was able to develop standards and expectations for own behavior. The concept of “self” is at the base of the principle of individual consciousness, the object of it, but an active subject; it is all together personal identity, the dimension of invisible interiority, the ontological depth to which the individual character and individual destiny lean and build on into existence inside the attribute “NON DIVINE”.

As such, on the face of the blossom of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” innate skills, it was not evident for “THE DIVINE FORCE” to discern and understand this failure, from the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, to recognize the aspects of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, manifested in the “‘SPIRIT Specific State”, hence the failure to recognize “THE DIVINE FORCE”, who had projected various aspects of Herself throughout the “movement”, considered in its manifestations under all its forms and all scales, and the state of equilibrium expected from the “movement” which was at the origin of those tasks.

It is so that, all those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have not and will not develop any knowledge about either “THE DIVINE”, IHVH, our FATHER, or “THE DIVINE FORCE”, and less about “THE HOLY PROJECT”; they will spend their live “sleeping on the kudos of their innate skills” and believing that they were performing those tasks by themselves, each of them claiming to be the only one with proficiency to execute the tasks for which he/she was spoken into existence, each of them claiming to be into existence and to have been assigned a given task because, as they like to say it themselves:

“...

For, even as we labor, whether together or alone, we are always blissfully awake to the fact that our task was assigned to us because we as individuals are the best suited for that particular task.

We knew that we were actively contributing to the continued perfect happiness of the Host, and we were filled always with the knowledge of our value to the others.

...³²⁵

None of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” came to understand that they were “spoken” into existence as a result of the convergence of “PURE” products of certain set of activities, which were designed to lead them to gain understanding of certain aspects of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, manifested in the “‘SPIRIT’ Specific State”, to gain an understanding of the path that leads to certain products of that “DIVINE SUPREME CONFIGURATION”, and whereby to discern and understand certain aspects of “THE DIVINE”, IHVH, our FATHER, and of “THE DIVINE FORCE”, manifested in the “‘SPIRIT’ Specific State”.

Thus, none of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had discerned either “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, manifested in the “‘SPIRIT’ Specific State” through them and among them, or the products (which they are themselves as “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”) of that “DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, manifested in the “‘SPIRIT’ Specific State” through them and among them.

If a creature had failed to extract “THE KNOWLEDGE OF THE DIVINE”, from the tasks, which are assigned to it, as a creature, each task containing specific aspects of “THE KNOWLEDGE OF THE DIVINE” to be discerned and acquired by a creature through the execution, each task alluding to certain aspects of “THE DIVINE”, IHVH, our FATHER, to certain aspects of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, and therefore, has failed to feed itself and grow up in “THE KNOWLEDGE OF THE DIVINE”, then, it is said about that creature that, it is in obscurity, or in ignorance, or in the lack of clarity in the exhibition of “THE KNOWLEDGE OF THE DIVINE”, or in deprivation of “THE KNOWLEDGE OF THE DIVINE” brought by the teachings of “THE DIVINE FORCE”; and hence, such creature is obscurity and is feeding itself with the

³²⁵ Prior to the release of the content of this “BOOK”, which was announced to you through Daniel (Daniel 12, Scriptures), the Celestial creatures (angels & archangels) have released the chronicles (although incomplete) of: their views and understanding of “THE DIVINE”, IHVH, our FATHER; their understanding of His creation, how they view themselves within that creation, how they view of the human creature; their understanding of the conflict that started between them (celestial creatures) and has been ongoing (using human creatures as proxies) since the first day of creation of this world in which you are living. Some of these chronicles (which are incomplete) have already been delivered to the human by the name of David Aguilar, and are available online on the Internet.

residuals³²⁶ of its own “Interpreted THOUGHTS”, as far as “THE KNOWLEDGE OF THE DIVINE” is concerned. “THE SEAT OF THE INTELLECT” inside such creature is plunged in a state of doubt, uncertainty, and trial and error.

The Archangel MICHAEL, and also all others “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, were in obscurity, they were obscurity, they had no knowledge of the existence of the “‘SPIRIT←SPIRIT’ Body” within their “Specific ‘CELESTIAL’ Garment”; each “‘SPIRIT←SPIRIT’ Body” and its “Specific ‘CELESTIAL’ Garment” were not distinguishable as two constituent entities of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”.

It is so that, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” were not aware of “THE DIVINE FORCE” speaking to them directly from inside “The ALTAR of ‘THE DIVINE’” in their “‘SPIRIT←SPIRIT’ Body” in the “Specific Energy ‘CELESTIAL’ Domain” in the attribute “NON DIVINE”.

It is through such communications that “THE DIVINE FORCE” provides the fertilizers that will allow the seed of “THE KNOWLEDGE OF THE DIVINE” to sprout and grow as “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed and established it.

Those fertilizers are the knowledge of these things that relate closely to “THE HOLY PROJECT” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed and established, and which represent what we have called: the ins and outs of “THE HOLY PROJECT”; that is, what justified and has been at the origin of “THE HOLY PROJECT” in which manifestations in the attribute “NON DIVINE”, of metaphors of the “DIVINE PRIMARY WEALTH”, that “THE DIVINE” has chosen to share with the attribute “NON DIVINE”, will be “spoken” into existence: the “who”, “what” and “why”, that will represent all of the ins of “THE HOLY PROJECT”, and the “when”, “where” and “how” that will represent all the outs of “THE HOLY PROJECT”.

As the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” were created into existence by “THE WORD OF THE DIVINE”, through the Archangel MICHAEL, and by

³²⁶ The residuals of “Interpreted THOUGHTS” are also designated in parables as the “excrements” of a creature and to indicate that, which is similar to the faeces that have been secreted by the body and are devoid of any nutritional value to the creature. The residuals do not contain any “KNOWLEDGE OF THE DIVINE”; they have no value for the growth of the creature towards “THE DIVINE”, IHVH, our FATHER. Every creature is called to feed itself with “THE KNOWLEDGE OF THE DIVINE”, which is manifested in the “Optimal Interpreted THOUGHT”.

“THE DIVINE FORCE”, it is so that through these direct communications from inside “The ALTAR of ‘THE DIVINE’”, “THE DIVINE”, IHVH, our FATHER, through “THE DIVINE FORCE”, and also through the ordinances, which HE gave them from the “specific spiritual formation” of “THE CHURCH” from “THE SHEKINAH”, was for all of them a gentle shepherd and devoted to their education, acting thus as catalyst for their “spiritual awakening”, their “spiritual baptism” in “THE KNOWLEDGE OF THE DIVINE”.

During their existence, within the “Specific Energy ‘CELESTIAL’ Domain”, all the “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures” saw “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — from the outside, and they came to respect and grow with the knowledge of the sacred nature of “THE SHEKINAH”. They were educated according to the principles which are in agreement with the requirements and the organisation of the precise hierarchy of communication of ordinances issued from the “specific spiritual formation” of “THE CHURCH” from “THE SHEKINAH”. This was the lens of morality through which they perceived and understood the existence around them.

With the passage of time, not being aware of the direct communication between “THE DIVINE”, IHVH, our FATHER who is outside of the attribute “NON DIVINE”, through “THE DIVINE FORCE”, and “The ALTAR of ‘THE DIVINE’” in the “SPIRIT←SPIRIT” Body” in the “SPIRIT←SPIRIT” ‘CELESTIAL’ Creature”, within the “Specific Energy ‘CELESTIAL’ Domain” in the attribute “NON DIVINE”, the “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures” came to depend upon only the ordinances, which they received from the “specific spiritual formation” of “THE CHURCH” from “THE SHEKINAH” which was not invisible to their sight.

Within the “Specific Energy ‘CELESTIAL’ Domain”, this hierarchy of communication with “THE DIVINE” was also called by an expression which is pronounced in the human language by the word meaning: the “GOVERNMENT”. It is through this “GOVERNMENT” that the “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures” were directed in the execution of the ordinances issued from the “specific spiritual formation” of “THE CHURCH” from “THE SHEKINAH”, so that these “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures” would grow in “THE KNOWLEDGE OF THE DIVINE”.

As you would have understood by now, this “GOVERNMENT” is an expression of the “alignment”, which is necessary to achieve a proper implementation of the “First Phase” of “THE HOLY PROJECT” through “THE CELESTIAL HOST”. It relates to the degree to which the components of “THE CELESTIAL HOST” are

continually arranged and focused to optimally support the intended mission of a proper implementation of the “First Phase” of “THE HOLY PROJECT”. The achievement of the intended mission of a proper implementation of “THE HOLY PROJECT” has two aspects, as in any enterprise business: the strategic and the operational aspects, which complement each other. These two aspects answer the questions: “Is the business doing the correct things?” and “Is the business doing things correctly?”

The intended mission, which has been defined and established by “THE DIVINE ARCHITECT AND PROJECT MASTER” is to share “THE DISCOURSE” of “THE DIVINE” with the attribute “NON DIVINE”, to share a part of the great “DIVINE WEALTH” with the attribute “NON DIVINE”, and thus, to make “THE DIVINE”, IHVH, our FATHER known to the attribute “NON DIVINE”. This is performed by using manifestations of metaphors of the “DIVINE PRIMARY WEALTH” that already exist within “THE DIVINE”, “THE DIVINE SUPREME CONFIGURATION”, its aspects and essential qualities, and its seven constituent “Divine Particles”. As such, the rational activities that “THE DIVINE FORCE” assigned to each of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” throughout this “GOVERNMENT”, and which have meaning only within the well defined context of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” that “THE DIVINE”, IHVH, our FATHER has consolidated in Himself, are not finalities in themselves. Those rational activities are the raw materials from which must ultimately be extracted: “THE KNOWLEDGE OF THE DIVINE”, the knowledge of those “DIVINE PRIMARY WEALTH” that already exist within “THE DIVINE”, the knowledge of “THE DIVINE SUPREME CONFIGURATION”, its aspects and essential qualities, and its seven constituent “Divine Particles”, in short, the knowledge of “divine realities”, which exist inside “THE DIVINE DOMAIN” and which can only be manifested through metaphors inside the attribute “NON DIVINE”. Those rational activities are not finalities in themselves, but the discovery and understanding of those “divine realities”, which are the invisible treasure, the “LIGHT” that is hidden in the “LIGHT”, and that “THE DIVINE FORCE” has embedded into these rational activities are the finalities. The strategies that have been defined and established by “THE DIVINE ARCHITECT AND PROJECT MASTER”, in order to lead the attribute “NON DIVINE” and all that it contains, to the understanding of those “divine realities” are the “correct things” for the achievement of the intended mission of a proper implementation of “THE HOLY PROJECT”. Those strategies, those “correct things”, were expressed by “THE DIVINE FORCE” through manifestation of metaphors and embedded in the ordinances of the “specific spiritual formation” of “THE CHURCH” from “THE SHEKINAH”.

The second aspect, which complements the strategical aspect in the achievement of the intended mission of a proper implementation of “THE HOLY PROJECT”, is the operational aspect. It is based on the “movement”, considered in its manifestations under all its forms and all scales, and the state of equilibrium expected from the “movement”, and which defines the framework for studying the constituent elements or processes and sub-systems associated with “THE DIVINE SUPREME CONFIGURATION”, its aspects and essential qualities, and its seven constituent “Divine Particles”, and all others “divine realities”, which “THE DIVINE”, IHVH, our FATHER chose to share with the attribute “NON DIVINE”. This second aspect, the operational aspect, focuses on “doing things correctly” through the rational production activities (project and operation activities) that “THE DIVINE FORCE” assigned to each of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” throughout this “GOVERNMENT”, top down, from the “specific spiritual formation” of “THE CHURCH” from “THE SHEKINAH”, cascaded down and at each level through to all “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of “THE CELESTIAL HOST”. These rational production activities are designed to support realization of the strategies that have been defined and established by “THE DIVINE ARCHITECT AND PROJECT MASTER”, in order to lead the attribute “NON DIVINE” and all that it will contain, to the understanding of those “divine realities”. Here too, at this operational aspect, the rational production activities are not finalities in themselves, but the discovery and understanding of those “divine realities”, which are the invisible treasure, the “LIGHT” that is hidden in the “LIGHT”, and that “THE DIVINE FORCE” has embedded into these rational production activities are the finalities. It is from all these finalities that the attribute “NON DIVINE” and all that it contains must put the pieces of the living “puzzle” together in order to read and understand through discernment, the living “DISCOURSE” of “THE DIVINE”, IHVH, our FATHER, written inside the attribute “NON DIVINE” by “THE DIVINE FORCE”; hence, to reconstitute and to know “THE DIVINE”, IHVH, our FATHER.

Although “THE DIVINE FORCE” was the shepherd of “THE SEAT OF THE INTELLECT” in each “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, during the performance of those rational activities, which are the raw materials from which must ultimately be extracted the knowledge of “divine realities”, which exist inside “THE DIVINE DOMAIN” and which can only be manifested through metaphors inside the attribute “NON DIVINE”, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” were not aware of the work of education that “THE DIVINE FORCE” was performing inside them in order to lead them to discern the “LIGHT” that is hidden in the “LIGHT”, and that SHE has embedded into the rational activities, which SHE assigned to them.

Through the lens of morality through which they perceived and understood the existence around them, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” below the “ADONA’IM” in the hierarchy of communication of ordinances issued from the “specific spiritual formation” of “THE CHURCH” from “THE SHEKINAH” saw the rules and the ordinances, handed down by the firsts foremost “ADONA’IM” which were assigned the task of ensuring “THE GUARDIANSHIP OF THE SHEKINAH” and who formed the “specific spiritual formation” of “THE CHURCH” from “THE SHEKINAH”, as absolute and unbreakable. Basically, these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” accepted that those foremost “ADONA’IM” figures had “almighty”-like “powers”, as if they were in the “same league”³²⁷ with “THE DIVINE”, IHVH, our FATHER, and that those “ADONA’IM” were able to “make” rules that last forever, do not change, and must be followed.

“THE DIVINE”, IHVH, our FATHER, is the unique seven dimensional “BEING”. HE IS “THE ABSOLUTE PURITY”. HE IS “THE ONE” from whom these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” originate, and whom they have failed to know. In front of “THE DIVINE”, IHVH, our FATHER, each of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” is the shadow of a one dimensional point (not even a plane) which results from a projection into the attribute “NON DIVINE” of the seven dimensional “BEING” and through the orthogonal projection (which is the Archangel MICHAEL), and that is to say, each “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” is a “creature”, a “cartoon”, an “animated drawing”, drawn and painted into existence on the “specific paper” (or the drawing substance) designated as the “Specific Energy ‘CELESTIAL’ Substance” constituent of the “Specific Energy ‘CELESTIAL’ Domain”, by “THE HAND OF THE DIVINE”. A “creature”, a “cartoon”, an “animated drawing”, drawn and painted into existence on the “specific paper” by “THE LIVING HAND”, has a beginning and an end, as “THE LIVING INTELLIGENCE” which is behind “THE LIVING HAND” wants it to be. If “THE LIVING INTELLIGENCE” which is behind “THE LIVING HAND” wants to scratch or stop the existence of that, which “THE LIVING HAND” has drawn and painted into existence on the “specific paper”, it will do so at its own convenience. Through writings by “THE LIVING HAND”, “THE LIVING INTELLIGENCE” projects his own constructive “THOUGHTS” on the “specific paper” and how HE wants it to be. “THE LIVING INTELLIGENCE” behind “THE LIVING HAND” will never be in the “same league” with a “cartoon”, an “animated drawing”, drawn and painted into

³²⁷ This metaphoric expression alludes to things that are on the same level of properties, skills, in the same class, having qualities or achievements that are similar, etc...

existence on the “specific paper” by “THE LIVING HAND”. None of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, including the “ADONA’IM”, could discern and understand these things, despite all the teachings that “THE DIVINE FORCE” gave them.

It is so that, consciously, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have grown up in the veneration of “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” —, the outside of which they could all perceive which was not invisible to them. More particularly, they have grown up in the veneration of those firsts foremost “ADONA’IM” who had the duty of “THE GUARDIANSHIP OF THE SHEKINAH” and who formed the “specific spiritual formation” of “THE CHURCH” from “THE SHEKINAH”, as being their connection to “THE DIVINE”, IHVH, our FATHER, not knowing that: the connection to “THE DIVINE”, IHVH, our FATHER was active inside of each of them and through “The ALTAR of ‘THE DIVINE’” in the “‘SPIRIT←SPIRIT’ Body” of each of them. As such and in their failure to discern and to know “THE DIVINE FORCE”, who is “THE HOLY COVENANT” between “THE DIVINE”, IHVH, our FATHER and the attribute “NON DIVINE”, these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” did not submitted to “THE DIVINE”, IHVH, our FATHER who spoke to them, through “THE DIVINE FORCE”, from “The ALTAR of ‘THE DIVINE’” in the “‘SPIRIT←SPIRIT’ Body” of each of them.³²⁸ But they

³²⁸ To submit to “THE DIVINE”, IHVH, our FATHER, is not merely about the act of yielding, obeying, deferring to, consenting, abiding by, giving oneself over to the holistic path of surrender, or accepting the will or authority of “THE DIVINE”, IHVH, our FATHER, because of a higher principle, strength, value of authority, necessity or by compulsion.

To submit to “THE DIVINE”, IHVH, our FATHER, is foremost about TO CONSCIOUSLY CHOOSE TO STAND IN “PURITY” AND TO HOLD GROUND IN “PURITY”. Everything pertaining to “THE DIVINE”, IHVH, our FATHER, carries the attribute “PURITY”: everything begins, remains and ends in “PURITY”. To stand in “PURITY” and remain in “PURITY” is the “sine qua non” condition, the condition without which nothing else will be considered or received by “THE DIVINE”, IHVH, our FATHER, the condition that is absolutely necessary, which HE request from His creatures. TO STAND IN “PURITY” AND TO HOLD GROUND IN “PURITY” is equivalent to: TO HAVE IN ONESELF “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”; which comes down to: TO OBSERVE AND LIVE BY “THE FIRST RULE OF EXISTENCE”. This conscious choice TO STAND IN “PURITY” AND TO HOLD GROUND IN “PURITY” implies the act of yielding, obeying, deferring to, consenting, abiding by, giving oneself over to the holistic path of surrender, or accepting the will or authority of “THE DIVINE”, IHVH, our FATHER, but the reverse does not hold true because the act of yielding, obeying, deferring to, consenting,

have deferred (that is to say, they have complied with the wishes, express or implied, out of respect, and which implies a voluntary yielding or submitting out of respect or reverence for or deference and affection) in cascade, each at its level to its upper rank and up, to those firsts foremost “ADONA’IM” and to the Archangel MICHAEL, who are perched at the top of the hierarchy of communication of the ordinances of the “specific spiritual formation” of “THE CHURCH” from “THE SHEKINAH”. Each of them has quenched his thirst outside of himself and in the excreta of his upper rank fellow “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” and none of them has drink water from his own cistern.

From that veneration, which they received from their peers “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of lower rank in that hierarchy of communication of the ordinances of the “specific spiritual formation” of “THE CHURCH” from “THE SHEKINAH”, those firsts foremost “ADONA’IM” who had the duty of “THE GUARDIANSHIP OF THE SHEKINAH” and who formed the “specific spiritual formation” of “THE CHURCH” from “THE SHEKINAH”, will indulge themselves in a feeling of contentment and a deep appreciation of their own values, and marked with self-esteem in performing this task; that is, they will indulge themselves with “PRIDE” of attachment to the visible values and attributes defined by the manifestations of metaphors of “DIVINE PRIMARY WEALTH” and in their work position in performing this task. None of these firsts foremost “ADONA’IM” had managed to discern and understand the “correct things”, which are invisible and which were expressed by “THE DIVINE FORCE” through manifestation of metaphors and embedded in the ordinances of the “specific spiritual formation” of “THE CHURCH” from “THE SHEKINAH”.

Perched at the top of the hierarchy of communication of the ordinances of the “specific spiritual formation” of “THE CHURCH” from “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” —;

- Not being aware of the existence of “THE DIVINE FORCE” who educated them in “PURITY” through the process of education through

abiding by, giving oneself over to the holistic path of surrender, or accepting the will or authority of “THE DIVINE”, IHVH, our FATHER, does not necessarily contain the element of “PURITY”.

As the unfolding of the events will reveal, none of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” stood in “PURITY” and, hence, the actions that they will perpetrate will demonstrate that none of them genuinely submitted to “THE DIVINE”, IHVH, our FATHER.

enlightenment through the “walk through the process” in the execution of their daily tasks and who spoke to them from “The ALTAR of ‘THE DIVINE’” in the “‘SPIRIT←SPIRIT’ Body” of each “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, from the very first “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” that had been “spoken” into existence, to the very last;

- Having failed to discern the “LIGHT” that is hidden in the “LIGHT”, and that “THE DIVINE FORCE” has embedded in the rational activities that SHE assigned to each of them; and, therefore,
- Not knowing that they are manifestations of the metaphors of the products of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, manifested in the “‘SPIRIT’ Specific State”, in which “THE DIVINE”, IHVH, our FATHER has placed the mark of life;
- Not knowing that the tasks entrusted to them were intended to make them understand that they have been placed in the “Cardinal Point” of a configuration that is being built and which is unknown to them and from which the “footstool” of that configuration is regulated, and also to make them understand the “living patterns”³²⁹ according to which the products are formed and others are consumed in “THE DIVINE SUPREME CONFIGURATION”, in the “‘SPIRIT’ Specific State”, to enhance their education and make them understand such truths;
- Having failed to discern or understand “THE SCIENCE” and the processes behind the implementation of “THE HOLY PROJECT” and which were developed by “THE DIVINE ARCHITECT AND PROJECT MASTER” since eternity, long before that the attribute “NON DIVINE” was the object of a project and which are now implemented by “THE DIVINE FORCE” inside the attribute “NON DIVINE”;

³²⁹ These are descriptions of causal relationships (the temporal order of things) inside the attribute “NON DIVINE”. Inside the attribute “NON DIVINE”, nothing is without cause; the “cause” being the preceding motive (in the temporal order of things) and which produces or causes something. The cause is thus the correlate of the produced thing (which is the effect, the consequence), it precedes this produced thing (which is the effect, the consequence), it is associated with the “raison d’être” of this produced thing (which is the effect, the consequence), it is necessarily responsible for the existence of this produced thing (which is the effect, the consequence). The understanding of the principle of causality is the necessary foundation of even the slightest knowledge of what is produced into existence inside this attribute “NON DIVINE”.

- Having failed to discern or understand the ins and outs of “THE HOLY PROJECT”;

It is so that, in their “obscurity”, the Archangel MICHAEL and the “ADONA’IM” have rather “set in their minds” that they were themselves the ones who were “ruling” “THE CELESTIAL HOST”. They have “set in their minds” that they were the ones who controlled, directed, and exerted their dominion over the remaining of “THE CELESTIAL HOST” and they were proud of it, proud of their absence of “THE KNOWLEDGE OF THE DIVINE”, and proud of themselves. Without realizing it, they thus gave life to “obscurity”, which is disconnected from the “divine realities” manifested by metaphors. Thus with the passage of time and during this “First Phase” of “THE HOLY PROJECT”, they have continued to widen a wide and deep gap between their “obscurity” and “THE KNOWLEDGE OF THE DIVINE”.

Such “PRIDE” of attachment to the values and attributes defined by the manifestations of metaphors of “DIVINE PRIMARY WEALTH” does not arise from “THE KNOWLEDGE OF THE DIVINE” and the presence of “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” in the “Specific ‘SPIRITUAL’ Environment” external and immediate around the considered “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”.

But it arises from the comfort of the work position held in the “GOVERNMENT” of the “Specific Energy ‘CELESTIAL’ Domain”; that is, in the hierarchy of communication of the ordinances of the “specific spiritual formation” of “THE CHURCH” from “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’”.

Therefore, all the firsts and foremost “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of “THE CELESTIAL HOST” will also develop in their “‘SPIRIT←SPIRIT’ Body”, everyone in himself, the “PRIDE” of attachment to the values and attributes defined by the manifestations of metaphors of “DIVINE PRIMARY WEALTH”, everyone according to his work position in the “GOVERNMENT” of the “Specific Energy ‘CELESTIAL’ Domain”; that is, in the hierarchy of communication of the ordinances of the “specific spiritual formation” of “THE CHURCH” from “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’”.

In the image of “THE DIVINE FORCE”, “THE DIVINE ARCHITECT AND PROJECT MASTER” has endowed the “Specific Energy ‘SPIRIT’ Substance”, constituent of “‘SPIRIT←SPIRIT’ Body” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’

It is so that, from the “PRIDE” of attachment to the values and attributes defined by the manifestations of metaphors of “DIVINE PRIMARY WEALTH”, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have established orders of importance to the manifestations of metaphors of “DIVINE PRIMARY WEALTH”, depending upon this capacity to realize several tasks simultaneously.

Where does it come from, that in a “water vapor”, some parts of the “water vapor” are more important than other parts of the same “water vapor”?

Where does it come from, that the shadow of a given object projected on a given plane and following a given angle, is more important than another shadow of the same object projected on the same given plane and following a different angle?

”
....

It is so that, this notion of having the “AUTHORITY” will take place in the “SPIRIT←SPIRIT’ Body” of each of the firsts “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, to the detriment of “THE KNOWLEDGE OF THE DIVINE”, during the stage of “spiritual childhood” and the elders among the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” – the “ADONA’IM” – were able to enter the stage of “spiritual adolescence”.

As we have already mentioned, at the stage of the “spiritual adolescence”, “THE SEAT OF THE INTELLECT” inside the “Specific Energy ‘SPIRIT’ Substance” has grown and its capacity to reflect and “MAKE DECISIONS” becomes genuinely autonomous.

Through a series of questions and answers and interaction with its “Specific ‘NON-SPIRITUAL’ Environment”, “THE SEAT OF THE INTELLECT” inside the “Specific Energy ‘SPIRIT’ Substance” enters in tune with the acquisition process of three types of knowledge (but very little on the deep understanding of such knowledge):

1. Knowledge about itself as a “conscious and living structure” that has been created into existence;
2. Knowledge about the very root of its existence — “THE DIVINE”, IHVH, our FATHER; and
3. Knowledge about “THE HOLY PROJECT” of “THE DIVINE”, IHVH, our FATHER.

It is so that, as “THE DIVINE ARCHITECT AND PROJECT MASTER” designed it, “THE SEAT OF THE INTELLECT” in the “‘SPIRIT←SPIRIT’ Body” of each of the firsts foremost “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” naturally began to formulate the beginnings of questions in order to acquire these three types of knowledge.

None of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” could (and can) see neither “THE DIVINE”, IHVH, our FATHER, nor “THE DIVINE FORCE”, who had remained invisible and “THE SHEKINAH” was a mystery.

The attribute “NON DIVINE” does not possess the divine conditions that are proper to express either the “DIVINE PRIMARY WEALTH” that already exist within “THE DIVINE”, or “THE DIVINE SUPREME CONFIGURATION” as well as all its aspects and essential particulars as it is the case within “THE DIVINE DOMAIN”.

Moreover, the elements of “THE ‘SPIRIT’ REASON” are not sufficient to describe the elements of “THE ‘SPIRIT→LIGHT’ REASON” which themselves are not sufficient to describe the elements of “THE ‘LIGHT’ REASON” which themselves are not sufficient to describe the elements of “THE ‘LIGHT→GOD’ REASON” which themselves are not sufficient to describe the elements of “THE ‘GOD’ REASON” which themselves are not sufficient to describe the elements of “THE

‘GOD→DIVINE’ REASON” which in their turn are not sufficient to describe the elements of “THE ‘DIVINE’ REASON”.

It is so that, the “DIVINE PRIMARY WEALTH” that already exist within “THE DIVINE” are also elusive within the “Specific Energy ‘CELESTIAL’ Domain” in the attribute “NON DIVINE” and cannot be apprehended in this “Specific Energy ‘CELESTIAL’ Domain” in the attribute “NON DIVINE” as they are within “THE DIVINE DOMAIN”.

Therefore, within the “Specific Energy ‘CELESTIAL’ Domain”, “THE DIVINE”, IHVH, our FATHER has also remained unapprehendable and inconceivable.

מִי
יָדוּעַ
סֶפֶר

In the attribute “NON DIVINE” in which SHE will implement “THE HOLY PROJECT”, “THE DIVINE FORCE” has chosen to share “THE KNOWLEDGE OF THE DIVINE” with the attribute “NON DIVINE”, through analogical substitution and using concrete and living images to express the “DIVINE PRIMARY WEALTH” that already exist within “THE DIVINE BODY”, to express “THE DIVINE SUPREME CONFIGURATION” as well as all aspects and essential particulars of this “DIVINE SUPREME CONFIGURATION” and of its seven “Divine Particles” constituent.

All these concrete and living images, built from elements of “THE ‘SPIRIT’ REASON” and expressed into existence within “THE SEAT OF THE INTELLECT”, are manifestations of metaphors of “DIVINE PRIMARY WEALTH” that already exist within “THE DIVINE BODY”, of “THE DIVINE SUPREME CONFIGURATION”, of its aspects and essential particulars, and of its seven “Divine Particles” constituent. Therefore, they are, for the attribute “NON DIVINE”, the attributes and values that will enable to discern the appearance of “THE DIVINE” who cannot be apprehended and is elusive in the “NON DIVINE”.

In the attribute “NON DIVINE”, each of these manifestations of metaphors of “DIVINE PRIMARY WEALTH” is an aspect of “THE KNOWLEDGE OF THE DIVINE”, and each “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” bears a seed of “THE KNOWLEDGE OF THE DIVINE”.

It is so that, within “THE CELESTIAL HOST” and on each of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, “THE DIVINE FORCE” has sown and deployed extensively “THE KNOWLEDGE OF THE DIVINE”; as a great LIGHT within the “Specific Energy ‘CELESTIAL’ Domain”.

Only “THE SPECIFIC SPIRITUAL FORCE OF LIFE”, in all its forms, has all that information in all their details, and SHE received them from “THE DIVINE”,

IHVH, our FATHER, in order to accomplish all the purposes of education of all creatures that will be created into existence in the attribute "NON DIVINE".

But the "SPIRIT←SPIRIT" 'CELESTIAL' Creatures" were not aware of the direct communication between "THE DIVINE", IHVH, our FATHER who is outside of the attribute "NON DIVINE", through "THE DIVINE FORCE", and "The ALTAR of 'THE DIVINE'" in the "SPIRIT←SPIRIT" Body" in the "SPIRIT←SPIRIT" 'CELESTIAL' Creature", within the "Specific Energy 'CELESTIAL' Domain" in the attribute "NON DIVINE", and who provided them with the necessary information to be able to acquire the three types of knowledge that are formulated at stage of "spiritual adolescence".

As we have indicated in a text above, the "SPIRIT←SPIRIT" Body" of each "SPIRIT←SPIRIT" 'CELESTIAL' Creature", which is produced through the "SPIRIT←SPIRIT" Body" of the Archangel MICHAEL, is not an "INDISTINCT FORM" (is not an essence, is not a seed) of the "Specific Energy 'SPIRIT' Substance" which covers "The ALTAR of 'THE DIVINE'" which is inside "THE SHEKINAH" — "THE THRONE OF THE DIVINE IN THE ATTRIBUTE 'NON DIVINE'".

From this aspect and their nature, the "SPIRIT←SPIRIT" Body" of each of these firsts foremost "SPIRIT←SPIRIT" 'CELESTIAL' Creatures" that have been formed and produced from the Archangel MICHAEL, outside of "THE SHEKINAH" — "THE THRONE OF THE DIVINE IN THE ATTRIBUTE 'NON DIVINE'" —, are not at the limit of "proximity" of the most potent properties that "THE DIVINE ARCHITECT AND PROJECT MASTER" has fixed for the "SPIRIT" Specific State" in the attribute "NON DIVINE".

It is so that, the "SPIRIT←SPIRIT" Body" of each of these firsts foremost "SPIRIT←SPIRIT" 'CELESTIAL' Creatures" that have been formed and produced from the Archangel MICHAEL, outside of "THE SHEKINAH" cannot enter in the "Specific Energy 'SPIRIT' Substance" which covers "The ALTAR of 'THE DIVINE'" which is inside "THE SHEKINAH" to form "THE UNION" within "THE SHEKINAH"; at the risk of having their structure destroyed by the very high "INTENSITY" and "STRENGTH" of the luminous radiation emitted by "The ALTAR of 'THE DIVINE'" which is inside "THE SHEKINAH".

It is for this reason that the "SPIRIT←SPIRIT" 'CELESTIAL' Creatures" will start to designate and call the Archangel MICHAEL by a word that expresses a form which indicates the affirmation of the personality of "HE WHO IS ABOVE", that is

the singularity of “ELOHIM”, and which in the human language is translated by “LORD”.³³⁰

Covered with “PRIDE” of attachment to the values and attributes defined by the manifestations of metaphors of “DIVINE PRIMARY WEALTH” and in their work position in performing the tasks that “THE DIVINE”, IHVH, our FATHER entrusted them, through the ordinances of the “specific spiritual formation” of “THE CHURCH” from “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” —, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” became more and more happy and each found oneself to be admired, honoured and extolled, when the unique expression of manifestations of metaphors of “DIVINE PRIMARY WEALTH” that defined him/her as unique entity of “THE CELESTIAL HOST”, was recognized and mentioned throughout the rest of “THE CELESTIAL HOST”.

This joy, this state of gladness of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” were contrary to the manifestations of metaphors of the indescribable joy, the ineffable gladness, and immeasurable state of equilibrium that “THE DIVINE”, IHVH, our FATHER has chosen to share with the attribute “NON DIVINE”; because it was not based on “THE KNOWLEDGE OF THE DIVINE” — that is to say, it was based on “obscurity”, it was not the result of successful discernment and understanding of the “LIGHT” that is hidden in the “LIGHT”, and that “THE DIVINE FORCE” has embedded in the rational activities that SHE assigned to each of them; it was not the result of successful reading of the living “DISCOURSE” of “THE DIVINE”, IHVH, our FATHER, that “THE DIVINE FORCE” wrote through all these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”.

This joy, this state of gladness of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” were based upon the “PRIDE” of attachment to the values and attributes defined

³³⁰ It is this “LORD”, and through this “alter ego of names”, who will dictate his own desires of the “HUBRIS” of the manifestations of metaphors of the “DIVINE PRIMARY WEALTH”, on blinded human creatures. It is of this “LORD” of which it is reported in the Bible that has humanity.

It is through such “alter ego of names” that the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” will also divert human creatures and keep them away from “THE DIVINE”, under the pretext of doing a favour to humanity. It will last until CHRIST comes and rings the end of recess for the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, and restores order in the business of “THE DIVINE”, IHVH, our FATHER.

by the manifestations of metaphors of “DIVINE PRIMARY WEALTH” that had been expressed on them.

“THE DIVINE ARCHITECT AND PROJECT MASTER” has delineated the “Specific ‘SPIRITUAL’ Environment” external and immediate around each of His creatures by a spiritual aureole visible to “THE EYE OF THE DIVINE”, and which is a manifestation of the state of “HARMONY” with “THE DIVINE”, IHVH, our FATHER: It is the “Specific Radiance ‘SPIRITUAL’ Aureole”, because it is an expression of the radiance of that, which has been created in the attribute “NON DIVINE”. For the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, the “Specific Radiance ‘SPIRITUAL’ Aureole” is placed at the edge of the volume of the “EPHEMERAL GLOW ‘CELESTIAL’” of “Specific ‘CELESTIAL’ Garment”.

The higher the “HARMONY” of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” with “THE DIVINE”, IHVH, our FATHER, the brightest the “Specific Radiance ‘SPIRITUAL’ Aureole” which covers such “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”.

Every form of attachment to anything other than “THE SPECIFIC SPIRITUAL FORCE OF LIFE” which is “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”, will block the elements of “THE REASON” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has restricted to “THE SEAT OF THE INTELLECT” — in this case of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, they are elements of “THE ‘SPIRIT’ REASON” —; this form of attachment acting as motive of blocking.

Therefore, the capacity to make own “DECISIONS”, to make own “CHOICES”, that “THE DIVINE ARCHITECT AND PROJECT MASTER” has endowed to “THE SEAT OF THE INTELLECT” will not be anymore autonomous, but will be conditioned by such form of attachment which acts as internal force in “THE SEAT OF THE INTELLECT” and subsequently of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” associated with this “SEAT OF THE INTELLECT” and which will be subjected to this form of attachment.

Such form of attachment to anything other than “THE SPECIFIC SPIRITUAL FORCE OF LIFE” is reminiscent of a “NON DIVINE” external force which acts opposite to “THE SPECIFIC SPIRITUAL FORCE OF LIFE”.

Therefore, every form of attachment to anything other than “THE SPECIFIC SPIRITUAL FORCE OF LIFE” which is “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”, will weaken the “LINK OF ATTACHMENT” with “THE

DIVINE”, and immediately will also be made manifest on this “Specific Radiance ‘SPIRITUAL’ Aureole”.

The more profound the attachments to anything other than “THE SPECIFIC SPIRITUAL FORCE OF LIFE” which is “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” and also other than “THE KNOWLEDGE OF THE DIVINE”, the more the elements of “THE REASON” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has restricted to “THE SEAT OF THE INTELLECT” are blocked.

With the passage of time, the mist of residuals from “Interpreted THOUGHTS” will develop and form a “Spiritual Veil” all around “THE SEAT OF THE INTELLECT” and preventing it from seen the illumination provided by “The ALTAR of ‘THE DIVINE’” in the “Specific Energy ‘SPIRIT’ Substance” constituent of the “‘SPIRIT←SPIRIT’ Body” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”; which means, prevents “THE SPECIFIC SPIRITUAL FORCE OF LIFE” which is “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” to nourish “THE SEAT OF THE INTELLECT”.

In the absence of the illumination provided by “The ALTAR of ‘THE DIVINE’”, “THE SEAT OF THE INTELLECT” will not be able to discern the “LIGHT” that is hidden in the “LIGHT”, and that “THE DIVINE FORCE” has embedded in the rational activities: consequently, “THE SEAT OF THE INTELLECT” will not be able to know that which is in line with the specifications that “THE DIVINE ARCHITECT AND PROJECT MASTER” has defined. It is the successful discernment and understanding of that “LIGHT” that is hidden in the “LIGHT”, and thereby the acquisition of “THE KNOWLEDGE OF THE DIVINE” that emerges from the hidden “LIGHT”, which scatters and dissipates the mist of residuals from “Interpreted THOUGHTS” and, consequently, dissipates that “Spiritual Veil” developed and formed all around “THE SEAT OF THE INTELLECT”.

It will be said of a creature of which “THE SEAT OF THE INTELLECT” is covered by such “Spiritual Veil” that it is “BLIND”, “BLINDED”, or even in “BLINDNESS”.

The more the elements of “THE REASON” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has restricted to “THE SEAT OF THE INTELLECT” are blocked, the lesser permeable is this “Spiritual Veil” to “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”, and the more “THE SEAT OF THE INTELLECT” acts opposite to “THE SPECIFIC SPIRITUAL FORCE OF LIFE”.

Therefore, the creation of those conditions through which the plant of “THE KNOWLEDGE OF THE DIVINE” will be able to grow, and which is the

fertilization process that we have already described, will not follow the normal course that “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed; and the plant of “THE KNOWLEDGE OF THE DIVINE” will not follow the prescribed development.

Therefore, the “‘SPIRIT’ specific supply of subsistence” of each “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” which is covered by this “Spiritual Veil” will decrease not only with the activity of the work accomplished by the “Specific Atomic ‘SPIRIT’ Substances” constituents of the considered “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” but also with the permeability of this “Spiritual Veil” to the presence of “THE SPECIFIC SPIRITUAL FORCE OF LIFE” which is “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”.

The result of the presence of this “Spiritual Veil” is also reflected on the “Specific Radiance ‘SPIRITUAL’ Aureole” which covers such “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”; the “Specific Radiance ‘SPIRITUAL’ Aureole” will lose its radiance incrementally as this “Spiritual Veil” becomes less permeable to “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”.

With the passage of time, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” then, began to extol themselves, of their “AUTHORITIES”, a “fame of oneself”, everyone in himself. In their own eyes, these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” thought and saw themselves (and even in these days of today they see themselves) as “grandiose”³³¹ and powerful, and more beautiful than the names of grandeur³³² that adorn them. They have developed many personality traits within themselves, among which the one that stands out the most is that, which is now referred to as “narcissism”.

Narcissism, as you already know, relates to the general functioning of the personality, the ultimate goal of which is the search by the subject for his own idealized and all-powerful image, either in that of others, or in the vision that the

³³¹ An unrealistic sense of superiority, which is characterized by a sustained view of one’s self as better than others, and which is expressed by overinflating one’s own capability; it refers to a sense of personal uniqueness, the belief that few other creatures have anything in common with oneself, and that one can only be understood by a few, very special ones.

³³² These are the designations by which they present themselves to others. These names follow the model: (“unique word” or attribute of the “DIVINE PRIMARY WEALTH”) to which the suffix “el” or “iel” is added, and which is the singularity used to refer to the property of “HE WHO IS ABOVE”. For example: MICHAEL, GABRIEL, RAPHAEL, URIEL, CAMAEL, etc...

other has from him, and not from a complementarity by another, different from himself. It can also be seen as a self-esteem, which is balanced by that of others, that an excessive self-confidence, bordering on egocentrism, that is to say, not compensated by a disinterested consideration of others. It is characterized by an obsession with one's own "beauty", appearance or personality, an excessive interest in admiration, contemplation of the outward appearance of oneself, which combines overvaluation of oneself, the perception of one's skills and achievements as extraordinary, hence the feeling of superiority (megalomania, otherwise known as superiority complex), a constant and excessive need to be liked and admired, an excessive preoccupation with one's own needs, and a lack of empathy. There are several personality profiles related to "narcissism" that act differently:

- The manipulative narcissist: characterizes those who have no qualms about using others to get what they want;
- The seductive narcissist: characterizes those who use their irresistible charm, in all its forms, to manipulate others.
- The passive-aggressive narcissist: characterizes those who consider others to be inferior to them and constantly complain about their incompetence;
- The elitist narcissist: characterizes those who love power, domination and manifest it through a haughty attitude;
- The fanatical narcissist: characterizes those who think big and always want more than they have, because they feel they deserve it. This is called "having delusions of grandeur".

The "grandeur" as for it, is found in the "DIVINE PRIMARY WEALTH" as found in "THE DIVINE", IHVH, our FATHER; grandeur is not found in the manifestations of the metaphors of "DIVINE PRIMARY WEALTH"; those manifestations are produced in the attribute "NON DIVINE" and for educational purposes, so that the attribute "NON DIVINE" and all that it contains come to know "THE DIVINE", IHVH, our FATHER. Thus, grandeur does not come from these "SPIRIT←SPIRIT" 'CELESTIAL' Creatures", who were not aware of the existence of the proportionality factors that define the laws of change of frame of reference, between "THE ABSOLUTE FRAME OF REFERENCE" defined by "THE DIVINE SUPREME CONFIGURATION" of seven "Divine Particles" in "THE DIVINE" and "THE FRAME OF REFERENCE OF THE ATTRIBUTE 'NON DIVINE'" in the attribute "NON DIVINE", and thus could not understand that in

reality they were only projections, shadows, of these grandeur that they attributed themselves through these names of grandeur.³³³

As for “beauty”, in the sense of “aesthetic appearance”, in the sense of that, which is motivated by the perception and feeling, which cause a vivid impression capable of arousing admiration due to its qualities, everything, which “THE DIVINE FORCE” brings forth into existence inside the attribute “NON DIVINE”, is always embedded with grace in all its forms, is remarkable, admirable, and has qualities, which arouse admiration because of the reflection on those things, of the vast amount of intellectual values and “WEALTH”, which characterise “THE TRUE PAINTER”, whose “HAND”, has painted those animated things into existence. Such displayed of “aesthetic appearances” are, however, the “tip of the iceberg”, which carry “visual” impressions and “messages” about the qualities of “THE TRUE PAINTER”, whose “HAND” has brought forth those living things into existence. In order to be able to know “THE TRUE PAINTER”, “THE ONE”, from whom those animated things originate, it is necessary to be able read such “messages”, through the perfection of discernment, and not only content oneself to admire those “aesthetic appearances”.

Having failed to discern “THE ONE” from whom they originate, out of all those “messages”, which they carry by themselves, as paintings, which were drawn and painted by “THE HAND OF THE DIVINE”, although they were all manifestations of the metaphors of the “DIVINE PRIMARY WEALTH” of HIM, not being aware of the existence of “THE DIVINE FORCE” who educated them through the process of education through enlightenment, “THE HAND” that drew and painted them into existence, not knowing how and why they were produced into existence,

³³³ The application of these factors of proportionality makes that all creatures that are produced in existence within the attribute “NON DIVIN”, are similar to conscious cartoons in this universe of drawing that is defined by this attribute “NON DIVIN”. These conscious cartoons having been produced using the pencil of the CREATOR, so that they live in this universe of drawing, not only for their CREATOR, but also, because of the element of “consciousness” of which they have been endowed, so that they live for themselves in order to know their CREATOR. By producing His cartoons, the CREATOR has endowed them with the “qualities of cartoons” and which are the results of the will of the CREATOR translating, or projecting, or exteriorizing out of himself and attributing to cartoons his own affections — and which are basic affective propensities (as opposed to the intellect) that can be described by observing the behavior, but which one cannot directly analyze —, His own “qualities”, on His cartoons, and using His pencil. Grandeur is not found in the “qualities of cartoons”, but rather is found in the very “qualities” that are outside the universe of drawing and that are in the CREATOR.

it is so that these “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures” thought to be the only ones to exist, and they believed themselves to be without beginning, because they saw nothing else that existed before them.

That is why these “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures” have developed this strong attachment to the values and attributes defined by the manifestations of metaphors of “DIVINE PRIMARY WEALTH” and in their work position in performing the tasks that “THE DIVINE”, IHVH, our FATHER entrusted them, through the ordinances of the “specific spiritual formation” of “THE CHURCH” from “THE SHEKINAH”, and they did not really submit themselves to “THE DIVINE”, “THE ONE” from whom they came to exist. Each of these “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures” wanted to command and dominate others, to have that “AUTHORITY” for the love of the vain “fame of oneself”, and thus they rose to the desire to dominate and command, each following the grandeur of the name of which he was the shadow, thus imagining himself to become greater the ones than the others; those names of grandeur that adorn them, no longer reflecting the “nature to be” which was developing inside “THE SEAT OF THE INTELLECT” in their “SPIRIT←SPIRIT” Body” and was in the process of settling.

Therefore, the “TRUTHFUL” component in the “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”, that each of these “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures” expressed for “THE DIVINE”, will be compromised.

Accordingly, the degree of presence of “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”, around the each of these “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures” will start to decrease in the “Specific ‘SPIRITUAL’ Environment” external and immediate around the “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures”.

It is so that, the “WORSHIP” that the “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures” issued towards “THE DIVINE”, through the “Causal Precedence Relation of ‘THE PRAISE’”, was expressed for individual gains to satisfy the object of their own “PRIDE” of attachment to the values and attributes defined by the manifestations of metaphors of “DIVINE PRIMARY WEALTH” that “THE DIVINE”, IHVH, our FATHER had expressed on each of them.

Therefore, the “Causal Precedence Relation of ‘THE PRAISE’” which is catalyzed by the degree of presence of “THE SPECIFIC SPIRITUAL FORCE OF LIFE” — that is “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” — in the “Specific ‘SPIRITUAL’ Environment” external and immediate around the “SPIRIT←SPIRIT” ‘CELESTIAL’ Creature” will also start to be affected by the

combined effects of the “PRIDE” of attachment to the values and attributes defined by the manifestations of metaphors of “DIVINE PRIMARY WEALTH” that were expressed on them, and of the neglect of “THE KNOWLEDGE OF THE DIVINE”.

Consequently, the external supply of subsistence, obtained through the “‘SPIRIT→LIGHT’ CORD OF PRAISE” and, allowing the “‘SPIRIT←SPIRIT’ Body” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” to remain into existence in the “‘SPIRIT’ Specific State” will decrease.

It is then, that will increase the “NEED” (or the “DEFICIT”) of the “‘SPIRIT’ specific supply of subsistence” in “THE SEAT OF THE INTELLECT”.

Accordingly, the processes, the capacities and capabilities, of “THE SEAT OF THE INTELLECT”, will start by receive less of “‘SPIRIT’ specific supply of subsistence” which are necessary for its functioning in the limits of specifications that “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed and established.

“THE SEAT OF THE INTELLECT” will accomplish the “specific work” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed and established in the “specific processes” internal to “THE SEAT OF THE INTELLECT”, and will produce action signals.

From time to time, these action signals will not be anymore in line with the specifications that “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed and established; because these “specific processes” internal to “THE SEAT OF THE INTELLECT”, will be performed with a “DEFICIT” of “‘SPIRIT’ specific supply of subsistence” and the knowledge database inside “THE SEAT OF THE INTELLECT” will be probably contaminated with impurities.

These non-compliant action signals that are produced, are also electrical charges; they are “impurities”. These “impurities” — non-compliant to the specifications that “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed and established, hence, “IMPURE” — will subsequently be transmitted to the others layers of the structures constituent of the “Specific Energy ‘SPIRIT’ Substance”, itself constituent of “‘SPIRIT←SPIRIT’ Body”.

It is so that, the “Specific Energy ‘SPIRIT’ Substance” constituent of the “‘SPIRIT←SPIRIT’ Body” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” was contaminated with impurities, through “THE SEAT OF THE INTELLECT”; “THE SEAT OF THE INTELLECT” having accomplished its work on its own material and from “impurities” that it produces.

Since these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” were not aware of the existence of “THE DIVINE FORCE” — THE INVISIBLE SHEPHERD OF PURITY AND HOLINESS — who brought them forth them into existence and who was teaching each of them, they could not also understand that through those tasks that “THE DIVINE FORCE” had assigned to each of them, “THE DIVINE FORCE” was actually walking them, as “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and manifested metaphors of products of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” in the “‘SPIRIT’ Specific State”, throughout the processes and the living patterns according to which the products are formed and others are consumed in “THE DIVINE SUPREME CONFIGURATION”, in the “‘SPIRIT’ Specific State”. Even when “THE DIVINE FORCE” manifested Herself in front of them, in their appearances as “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, none of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” was able to recognize Her. None of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” said: “... *Wait a moment, you seem very familiar to me, there is something different with you, something where I cannot put my finger on, there is something with the tone of your voice, etc..., do I know you from somewhere? How is it that you just appear in front of me, like coming from nowhere? etc...*” While performing their assigned tasks, none of “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had asked itself the questions: “*How do I know this of that? How did this of that idea pups into my mind? Who is teaching me these things? What is this teaching pattern through which I get to understand these things? etc...*” Such questions were awoken in each of them by “THE DIVINE FORCE”, but they did not look carefully into the answers to such questions, although “THE DIVINE FORCE” was also manifesting answers to them, to lead them to understand through discernment. They thought that they were doing things by themselves: “... *For, even as we labor, whether together or alone, we are always blissfully awake to the fact that our task was assigned to us because we as individuals are the best suited for that particular task...*” they often proudly said. As such, the “LIGHT” that is hidden in the “LIGHT”, and from which arises “THE KNOWLEDGE OF THE DIVINE” was neglected. They did not bother themselves with the true teaching, displayed in the “LIGHT” that is hidden in the “LIGHT”, and that “THE DIVINE FORCE” has embedded in the rational activities that SHE assigned to each of them: the true teaching that scatters and dissipates the mist of residuals from “Interpreted THOUGHTS”.³³⁴

³³⁴ It is only during the course of the implementation of the “Second Phase” of “THE HOLY PROJECT”, that some of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, elders of the

It is so that, with the passage of time and the implementation of the tasks that “THE DIVINE”, IHVH, our FATHER entrusted the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, the degree of presence of the “PRIDE” and the neglect of “THE KNOWLEDGE OF THE DIVINE” had increased in the “‘SPIRIT←SPIRIT’ Body” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, in such ways that each “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” was seeking to surpass itself in order to obtain recognition from the others or to position itself with respect to the others focusing deeply on the unique manifestation on oneself (or on any other than oneself) of metaphors of “DIVINE PRIMARY WEALTH” of which he/she was defined as unique entity of “THE CELESTIAL HOST”.

The neglect of “THE KNOWLEDGE OF THE DIVINE”, by “THE SEAT OF THE INTELLECT”, will increase in such ways that the degree of presence of “THE KNOWLEDGE OF THE DIVINE” within “THE SEAT OF THE INTELLECT” will decrease and reach a critical point below which “THE KNOWLEDGE OF THE DIVINE” will be considered as being forgotten; because any “Interpreted THOUGHT” generated from one such “SEAT OF THE INTELLECT” consists only of the mist of the residuals of “Interpreted THOUGHTS” and thus are alternatives to “Optimal Interpreted THOUGHTS” that have all evaporated. This point will be called: the point of “OBLIVION OF THE KNOWLEDGE OF THE DIVINE”.

At the point of “OBLIVION OF THE KNOWLEDGE OF THE DIVINE”, the “Realm of the Interpreted ‘THOUGHTS’” consists almost entirely of residuals of the “Interpreted THOUGHTS” that “THE SEAT OF THE INTELLECT” has generated with the passage of time.

creation, will come to understand how they were educated, by observing humanity. The elder ENOCH, of whom METHUSELAH is the descendant, reported this when he said in his writings:

“...

All those who dwell in heaven know what happens there. (...)

They then admire [on Earth] how the trees by covering themselves with leaves grow at the same time “fruits”; but at the same time they understand and acknowledge that He who lives for ever does all these things for us.

That all projects of each year, that all of his creations, invariably follow the orders that HE has given to them, however, when “THE DIVINE” has decided as such, all things are brought to pass.

...”

At the point of “OBLIVION OF THE KNOWLEDGE OF THE DIVINE”, this exaggerated “PRIDE” that the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of “THE CELESTIAL HOST” had developed in their “‘SPIRIT←SPIRIT’ Body”, is called: the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, or simply the “HUBRIS”.

The “HUBRIS”, of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, is this form of profound attachment to unique manifestations of metaphors of “DIVINE PRIMARY WEALTH” that “THE DIVINE”, IHVH, our FATHER expressed on each “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” of “THE CELESTIAL HOST” and which is manifested in this exaggerated feeling of the value of oneself, of excessive self-esteem by oneself; this feeling of dignity and honour, of self-esteem, which compels to stand above the others, and which developed in “THE SEAT OF THE INTELLECT”.

As we have already indicated, to “THINK” means to generate, from “THE SEAT OF THE INTELLECT”, internal action signals — and which are called the “Interpreted THOUGHTS”.

Each “Interpreted THOUGHT” is expressed as the “Optimal Interpreted THOUGHT” covered by a mist of residuals.

The “Optimal Interpreted THOUGHT” is that, which results from the optimal functioning of “THE SEAT OF THE INTELLECT” and with an optimal degree of presence of “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” in the “Specific ‘SPIRITUAL’ Environment” external and immediate around the “‘SPIRIT←SPIRIT’ Body” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”.

The mist of residuals is the product of a suboptimal functioning of “THE SEAT OF THE INTELLECT” and is due to a failure (not optimal) of the degree of presence of “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” in the “Specific ‘SPIRITUAL’ Environment” external and immediate around the “‘SPIRIT←SPIRIT’ Body” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”. This mist of residuals will describe the behavior of “THE SEAT OF THE INTELLECT”, and subsequently of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”.

The higher the degree of presence of “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” in the “Specific ‘SPIRITUAL’ Environment” external and immediate around the “‘SPIRIT←SPIRIT’ Body” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, the less important will be the presence of the mist of

residuals and more the “Interpreted THOUGHTS” will be closer to the “Optimal Interpreted THOUGHTS”.

The lower the degree of presence of “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” in the “Specific ‘SPIRITUAL’ Environment” external and immediate around the “‘SPIRIT←SPIRIT’ Body” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, the more important and thick will be the presence of the mist of residuals and more the “Interpreted THOUGHTS” will be far from the “Optimal Interpreted THOUGHTS”.

To “REASON” is to walk, move, travel, in the “Realm of the ‘THOUGHTS’”, and therefore instantly in the “Realm of the Interpreted ‘THOUGHTS’”, by using the elements of “THE ‘SPIRIT’ REASON”; looking from the outside of the “Realm of the ‘THOUGHTS’”, to “REASON”, means to arrange discursively — that is, following the inspiration and in a logical manner — the internal action signals, following the logic that “THE DIVINE ARCHITECT AND PROJECT MASTER” has defined by the elements of “THE ‘SPIRIT’ REASON”. These internal action signals which are called “Interpreted THOUGHTS” and which have been arranged discursively are classified along two tracks:

1. That, which is in line with the specifications that “THE DIVINE ARCHITECT AND PROJECT MASTER” has defined; that is, that, which is “RIGHT”, that, which is “JUST”, that, which is “CORRECT”.
2. That, which is not conform to the specifications that “THE DIVINE ARCHITECT AND PROJECT MASTER” has defined; that is, that, which is “WRONG”, that, which is “UNJUST”, that, which is “INCORRECT”.

Therefore, “THE SEAT OF THE INTELLECT” will mark itself a separation between a course of action and its alternative. These two tracks are the two tracks associated to the Governing Law of the Behavior, the manifestation of “The Walk within the Acronym IHVH”, depending on whether “THE SEAT OF THE INTELLECT” stands in “PURITY” — that is to say, stands in that which is in line with the specifications that “THE DIVINE ARCHITECT AND PROJECT MASTER” has defined — or stands in “IMPURITY” — that is to say, stands in that, which is not conform to the specifications that “THE DIVINE ARCHITECT AND PROJECT MASTER” has defined.

To “MAKE A DECISION”, or to “CHOOSE”, means to decide on the preference of a course of action or the alternative to the course of action in the “Realm of the Interpreted ‘THOUGHTS’” and on which the walk, the movement will be

performed outside the “Realm of the Interpreted ‘THOUGHTS’”, from its knowledge database and from elements of “THE ‘SPIRIT’ REASON” that were predefined in “THE SEAT OF THE INTELLECT”.

By ignoring the specifications that “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed and predefined in it, and by ignoring also the voice of “THE DIVINE FORCE” speaking directly from inside of “The ALTAR of ‘THE DIVINE’” in the “‘SPIRIT←SPIRIT’ Body” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, it is so that the work of “THE SEAT OF THE INTELLECT” will consist of generating and producing residuals of “Interpreted THOUGHTS” and which are in fact alternatives to “THE KNOWLEDGE OF THE DIVINE” that is contained in the “Optimal Interpreted THOUGHTS”.

“THE SEAT OF THE INTELLECT” being in a state of “CHAOS”, contrary to the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”, it will produce “IMPURE” internal action signals as output and which it will also again re-use as input signals, and so on.

As we have indicated earlier, “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” is an absolute complete model. It is likewise with its designed manifestation in the attribute “NON DIVINE”, on a larger scale, and, which will be represented by the unique “SPECIFIC SUPREME CONFIGURATION” of the “Specific Generative Energy ‘EARTHLY’ Domain” and the six “Specific Formative Energy ‘EARTHLY’ Domains”, with the “Specific Energy ‘CELESTIAL’ Domain” acting as manifestation of a metaphor of the “Cardinal Point” of the “Generative Divine Particle” in “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”.

It is so that, by ignoring the specifications that “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed and predefined in it, and by ignoring also the voice of “THE DIVINE FORCE” speaking directly from inside of “The ALTAR of ‘THE DIVINE’” in the “‘SPIRIT←SPIRIT’ Body” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, alternatives to “THE KNOWLEDGE OF THE DIVINE” which are the work of “THE SEAT OF THE INTELLECT” in these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” will never converge to an existing point that will be a manifestation of a metaphor of a product which exists in “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” that “THE DIVINE” has consolidated in Himself and that HE chose to share with the attribute “NON DIVINE”.

Such alternatives to “THE KNOWLEDGE OF THE DIVINE” have no base and no stability, they are without possible ins and outs, they do not have any place in “THE HOLY PROJECT”, and they are in all respects contrary to specifications that “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed and established for the “Specific Energy ‘SPIRIT’ Substance” constituent of “‘SPIRIT←SPIRIT’ Body” and are not to be added to this unique “SPECIFIC SUPREME CONFIGURATION” of the “Specific Generative Energy ‘EARTHLY’ Domain” and the six “Specific Formative Energy ‘EARTHLY’ Domains”.

These alternatives to “THE KNOWLEDGE OF THE DIVINE” have a unique objective: outsmart “THE TRUTH” to conceal the goals to satisfy the “fame of oneself” that the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had developed in themselves. Such products coming out of “THE SEAT OF THE INTELLECT” will be called: the “LIE”, or, the work of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”.

It is so that, these “IMPURE” products, work of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, exiting from “THE SEAT OF THE INTELLECT” within the “‘SPIRIT←SPIRIT’ Body” of “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” will be circulated widely among the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”.

From the perspective of the “Specific Energy ‘CELESTIAL’ Substance”, these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” are delineated parts and entities of this “Specific Energy ‘CELESTIAL’ Substance”; they are “INDISTINCT FORMS OF THE SPECIFIC ENERGY ‘CELESTIAL’ SUBSTANCE”.

It is so that, the “Specific Energy ‘CELESTIAL’ Substance” had been affected by these “IMPURE” products, which are the work of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”.

Among such works of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, one of them will be used extensively by the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” because it compels to stand above, to have a hold on others, to exert a preponderant influence on others, to be the most impressive, the most important.

This particular work of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” will be designated by a word which translates to mean: “DOMINATE” (his neighbour).

It is so that, “THE SEAT OF THE INTELLECT”, in this scourge of absence of “THE KNOWLEDGE OF THE DIVINE”, and producing these “impurities” from

“‘SPIRIT’ specific supply of subsistence”, the ramifications of these “impurities” will deploy with the passage of time in the plant of “THE KNOWLEDGE OF THE DIVINE” and which appeared at the “spiritual childhood” stage, thus, leading to an abnormal growth of this plant of “THE KNOWLEDGE OF THE DIVINE” inside the “‘SPIRIT←SPIRIT’ Bodies” of “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”.

This new abnormal plant that will grow will be also designated by a word which is also pronounced: “TREE”. This second tree is different from the first tree which we have already described and which is called the plant of “THE KNOWLEDGE OF THE DIVINE”.

מזה
נר
ס
ג

This second tree has its roots inside “THE SEAT OF THE INTELLECT”. This second tree has sprouted into existence inside “THE SEAT OF THE INTELLECT” in the “Specific Energy ‘SPIRIT’ Substance” constituent of “‘SPIRIT←SPIRIT’ Body” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, and as parasite on the plant of “THE KNOWLEDGE OF THE DIVINE”; because having sent “THE KNOWLEDGE OF THE DIVINE” to the oblivions, it is nevertheless “THE SEAT OF THE INTELLECT” that will emit “THE PRAISE” — the “specific signals” requesting the sending of external supply of subsistence in order to allow the “‘SPIRIT←SPIRIT’ Body” to remain into existence in the “‘SPIRIT’ Specific State” — towards “The ALTAR of ‘THE DIVINE’” inside the “Specific Energy ‘SPIRIT’ Substance” constituent of “‘SPIRIT←SPIRIT’ Body”.

“THE DIVINE ARCHITECT AND PROJECT MASTER” has designed the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model following the “Specific Energy ‘SPIRIT←LIGHT’ Bridge” model.

Therefore, through the second non-reversible energy osmosis, applied on the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, the external supply of subsistence will be provided to “THE SEAT OF THE INTELLECT”, in the form of diluted “‘SPIRIT’ specific supply of subsistence” in compliance with the specifications that “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed and established, by “The ALTAR of ‘THE DIVINE’” inside the “Specific Energy ‘SPIRIT’ Substance” constituent of “‘SPIRIT←SPIRIT’ Body” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”.

It is from these diluted “‘SPIRIT’ specific supply of subsistence”, in compliance with the specifications that “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed and established, that “THE SEAT OF THE INTELLECT”, will work in this “Specific Energy ‘SPIRIT’ Substance” — that is, on its own material in the void —, ignorant of the specifications that “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed and established in it,

ignorant of “THE KNOWLEDGE OF THE DIVINE” — that symbolically represents the “LIGHT OF THE DIVINE” — that is always present and shines all around and outside of the “Spiritual Veil” which covers “THE SEAT OF THE INTELLECT” in the “‘SPIRIT←SPIRIT’ Body” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”.

The “fruits” of this parasite tree, these “impurities” produced by “THE SEAT OF THE INTELLECT”, are harmful to the proper functioning of this entire “Specific Energy ‘SPIRIT’ Substance” and in the long term they will destroy the “TRUTHFUL” component of the “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”.

The “fruits” of this parasite tree, are the “fruits” of ignorance and the leaves of this parasite tree also, is “DEATH” which it contains, and it is darkness which is in the shade of its branches.

That is why it is said of “THE PRAISE”, that it is unwelcome in the “‘SPIRIT←SPIRIT’ Body” that has rejected “THE KNOWLEDGE OF THE DIVINE”. “THE PRAISE” is catalyzed by the degree of presence of “THE SPECIFIC SPIRITUAL FORCE OF LIFE” — that is “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” — and it consists of the emission of “specific signals” requesting the sending of external supply of subsistence in order to remain into existence in the “‘SPIRIT’ Specific State” (for the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”), towards any expression into existence in the attribute “NON DIVINE” of a metaphor of “THE ‘SPIRIT←LIGHT’ EON”.

It is so that, this parasite tree will be called: “THE TREE OF ABSENCE OF KNOWLEDGE OF THE DIVINE”, or “THE TREE OF DEATH”.

At the point of “OBLIVION OF THE KNOWLEDGE OF THE DIVINE”, the “Spiritual Veil” preventing the “‘SPIRIT←SPIRIT’ Body” to grow up in “THE KNOWLEDGE OF THE DIVINE” froze in that mist of residuals of “Interpreted THOUGHTS” on the most of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of “THE CELESTIAL HOST”.

Once the point of “OBLIVION OF THE KNOWLEDGE OF THE DIVINE” has been reached, then, the “Spiritual Veil” surrounding “THE SEAT OF THE INTELLECT” and which prevents it from seen the illumination provided by “The ALTAR of ‘THE DIVINE’” in the “Specific Energy ‘SPIRIT’ Substance” constituent of the “‘SPIRIT←SPIRIT’ Body” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, is frozen and is called: the “HUBRIS Spiritual Veil”.

When the “HUBRIS Spiritual Veil” completely covers “THE SEAT OF THE INTELLECT” which has been placed in the “Specific Energy ‘SPIRIT’ Substance” constituent of the “‘SPIRIT←SPIRIT’ Body” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, then, it is said that “THE SEAT OF THE INTELLECT” is in prison, or is chained; and then, the inside of the “HUBRIS Spiritual Veil” is called: the prison of the “‘SPIRIT←SPIRIT’ Body” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”. That inside of the “HUBRIS Spiritual Veil” is immune to any emanation of “THE TRUTH”.

When the “HUBRIS Spiritual Veil” is not present within the “‘SPIRIT←SPIRIT’ Body” of a “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, then, it will be said that, that “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” is free.

It is so that, the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” that “THE DIVINE”, IHVH, our FATHER had expressed on each of the “‘SPIRIT←SPIRIT’ Body” of each “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” of “THE CELESTIAL HOST” became an integral part of their “nature”, and the names of grandeur³³⁵ that adorn these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have become façades for them, not reflecting the true “nature” that has developed inside “THE SEAT OF THE INTELLECT” in their “‘SPIRIT←SPIRIT’ Body” and took place. The names associated with the true “nature” that has developed inside “THE SEAT OF THE INTELLECT” in their “‘SPIRIT←SPIRIT’ Body” will be revealed to them later by their neighbour, the model of which will be described in the following chapters.

It is so that, during the implementation of the tasks that “THE DIVINE”, IHVH, our FATHER entrusted them, in the “‘SPIRIT←SPIRIT’ Body” of each of the firsts “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, elders of the creation, and afterwards in the “‘SPIRIT←SPIRIT’ Body” of each “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” of “THE CELESTIAL HOST”, the firsts sprouts of the plant of “THE KNOWLEDGE OF THE DIVINE” which appeared at the “spiritual childhood” stage, and had continued to grow, were not anymore in line with what “THE DIVINE ARCHITECT AND PROJECT MASTER” had designed.

³³⁵ These are the designations by which they present themselves to others. These names follow the model: (“unique word” or attribute of the “DIVINE PRIMARY WEALTH”) to which the suffix “el” or “iel” is added, and which is the singularity used to refer to the property of “HE WHO IS ABOVE”. For example: MICHAEL, GABRIEL, RAPHAEL, URIEL, CAMAEL, etc...

The “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, that had already entered the stage of “spiritual adolescence”, always sought to know “THE ONE” from whom they originate, although they were all manifestations of metaphors of “DIVINE PRIMARY WEALTH”. This quest for this knowledge is part of the “specific work” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed and placed inside of “THE SEAT OF THE INTELLECT” in the “‘SPIRIT←SPIRIT’ Body” of each “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”.

None of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” could (and can) see neither “THE DIVINE”, IHVH, our FATHER, nor “THE DIVINE FORCE”, who had remained invisible, unapprehendable and inconceivable from only the elements of “THE ‘SPIRIT’ REASON” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has restricted to “THE SEAT OF THE INTELLECT” in the “‘SPIRIT←SPIRIT’ Body” of each “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, and “THE SHEKINAH” was a mystery.

It is thus that through “THE DIVINE FORCE”, and through the ordinances of the “specific spiritual formation” of “THE CHURCH” from “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” —, “THE DIVINE” will let Himself known to them by the acronym “IHVH” and will reveal to them that HE is “HE WHO EXISTS”, “HE WHO IS ABOVE”, “HE WHO WILL EXIST”, “HE WHO ARRIVES”; in short HE will let them know that HE is “HE WHO IS” to lead them to understand that HE is the ONE who called them into existence, to make them understand that they all possess in them the acronym “IHVH” from their coming to existence. For, the elevation, the greatness, and the path that leads there, are contained in the acronym “IHVH”, even if it was unseizable to them and elusive to them.

As we have already indicated, as long as the “DIVINE PRIMARY WEALTH” that “THE DIVINE”, IHVH, our FATHER would have chosen to share in the “‘SPIRIT’ Specific State” with this attribute “NON DIVINE”, are not yet shared with this attribute “NON DIVINE” but rather remain in “THE DIVINE”, IHVH, our FATHER, then the attribute “NON DIVINE” and all that it contains as “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” cannot know about the existence of these “DIVINE PRIMARY WEALTH”, nor would they know about themselves as manifestations in the “‘SPIRIT’ Specific State” of the metaphors of “DIVINE PRIMARY WEALTH” that already exist in “THE DIVINE”, IHVH, our FATHER, or know anything else about “HE WHO IS”. The manifestations of the metaphors of the “DIVINE PRIMARY WEALTH” in the “‘SPIRIT’ Specific State” inside the attribute “NON DIVINE” possess their existence in this attribute “NON DIVINE”

only as a seed of “THE KNOWLEDGE OF THE DIVINE” in the “‘SPIRIT’ Specific State”, so that this existence can be compared to that of an embryo of “THE KNOWLEDGE OF THE DIVINE” in the “‘SPIRIT’ Specific State”. “THE DIVINE”, IHVH, our FATHER generated these manifestations of the metaphors of HIS own “DIVINE PRIMARY WEALTH”, in the state of seed of “THE KNOWLEDGE OF THE DIVINE” in the “‘SPIRIT’ Specific State” before they came into existence inside the attribute “NON DIVINE”. Thus for “THE DIVINE”, IHVH, our FATHER, all these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” were seen as embryos. The embryo, which develops in the womb before it is born, has everything it needs without ever having seen the one who sowed it. That is why “THE DIVINE FORCE” answered their wishes and why the acronym “IHVH” was given as an indication to guide them in their quest to know “THE ONE” from whom they originate, so that in addition to all the manifestations of metaphors of “DIVINE PRIMARY WEALTH” that had already been expressed in “THE CELESTIAL HOST”, that these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” may perceive “HE WHO IS”.³³⁶

Moreover, placed in front of “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — “THE DIVINE FORCE” has manifested the metaphor of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” and has expressed it symbolically on the seven “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” to whom SHE has entrusted “THE GUARDIANSHIP OF THE SHEKINAH”.

As we have already indicated, “THE DIVINE FORCE” has also placed these seven “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, through their “‘SPIRIT←SPIRIT’ Body”, outside, in front of and all-around of “THE SHEKINAH”, so that the creatures that will be created into existence in the “Plane Above” grow in “THE KNOWLEDGE OF THE DIVINE”, understand the particulars of “THE DIVINE BODY”, and know that it is through “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” that:

- All “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” came to existence as manifestation of products of this “DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”.

³³⁶ Just as when one comes into existence on earth here, among the human creatures: at birth, coming out of the womb, one accesses the outer light so that one sees its “parents”.

- Everything that should come to existence, in the attribute “NON DIVINE” and coming from “THE DIVINE DOMAIN”, will be a product of this “DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”; it is the meaning the “‘SPIRIT←SPIRIT’ Body” intellect, pure and holy, of the “PRINCIPAL” instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model which is present inside “THE SHEKINAH” in the manifestation of “THE UNION” going forth and back in the “Specific Energy ‘SPIRIT’ Substance” constituent of “THE SHEKINAH” in order to receive, through “THE DIVINE FORCE”, instructions from “THE DIVINE”, IHVH, our FATHER.

It is so that, all Her creatures that have been created into existence in the “Plane Above”, were called to understand the nature of “THE DIVINE” through all expressions of metaphors of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” manifested in front of them.

It is so that, the designations of these seven “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” to whom “THE DIVINE FORCE” has entrusted “THE GUARDIANSHIP OF THE SHEKINAH”, would also give them guidance on the descriptions of the seven subsets of the “Divine States” that are defined by “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”.

But the “ADONA’IM” could not see further than the words of these revelations, they had not understood that a whole “unique word” that is revealed into existence by “THE DIVINE”, IHVH, our FATHER, through “THE DIVINE FORCE”, is in fact a designation of an attribute which reveals a unique meaning and the unique particulars of “THE DIVINE”. They did not understand the existence of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, and therefore they could not understand the message that was placed in front of them through the symbolism of the seven surrounding “THE SHEKINAH”.

It is behind these deep knowledge of the origin and the meaning of such “unique words” that the appearance of “THE DIVINE”, which is elusive in the attribute “NON DIVINE”, is found: these “unique words”, these messages, which are revealed into existence by “THE DIVINE FORCE”, and which are built from elements of “THE ‘SPIRIT’ REASON” and expressed into existence within “THE SEAT OF THE INTELLECT”, are carriers of “‘RAW KNOWLEDGE’ OF THE DIVINE”.

“THE DIVINE”, IHVH, our FATHER was invisible and always beyond their understanding, and with the passage of time, the “‘SPIRIT←SPIRIT’

‘CELESTIAL’ Creatures” have neglected the magnitude of “THE KNOWLEDGE OF THE DIVINE” that “THE DIVINE FORCE” had deployed in front of them and on them; although they had in front of them and visible, through the whole “CELESTIAL HOST”, these concrete and living images of manifestations of metaphors of “DIVINE PRIMARY WEALTH”.

Up to this point in the course of this “First Phase” of “THE HOLY PROJECT”, all the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of “THE CELESTIAL HOST” had not developed their knowledge with regard to the nature of “THE DIVINE” and “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” that HE has consolidated in Himself; they did not grow in them “THE KNOWLEDGE OF THE DIVINE”.

They had not the knowledge of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model from which they had all been “spoken” into existence in the “Specific Energy ‘CELESTIAL’ Domain”.

Having been defined into existence from “THE ‘SPIRIT’ REASON”, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” did not know how they were created into existence; but they knew that the Archangel MICHAEL has something to do with the fact that they were into existence in the “Specific Energy ‘CELESTIAL’ Domain”. They had no knowledge about “THE ‘LIGHT’ REASON” and even less how does “THE ‘LIGHT’ REASON” gives shape to “THE ‘SPIRIT’ REASON”.

It is thus that through “THE DIVINE FORCE”, and through the ordinances of the “specific spiritual formation” of “THE CHURCH” from “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” —, “THE DIVINE” educated further the firsts foremost “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, and through metaphors, HE told them of the three core “Divine States” that are: the “‘SPIRIT’ Divine State”, the “‘LIGHT’ Divine State”, and the “‘GOD’ Divine State” whose child is the “‘LIGHT’ Divine State”.

Let’s recall these first three attributes and whose “unique words” in the human language are translated by:

1. “PURITY” — to express the fact that “THE BODY OF ‘HE WHO IS’” contains no detectable trace of anything other than “THE BODY OF ‘HE WHO IS’”.
2. “LIGHT” — to characterize the Energy that emanates from “THE BODY OF ‘HE WHO IS’” and makes it “ALIVE”. This energy is the “LIFE” imprint of “THE BODY OF ‘HE WHO IS’”.

3. “GOD” — to express the fact that “THE BODY OF ‘HE WHO IS’” produces itself the Energy that emanates from “THE BODY OF ‘HE WHO IS’” and makes it “ALIVE”; “THE BODY OF ‘HE WHO IS’” produces itself “LIFE”.

This Energy, which is the product of the attribute “GOD”, that emanates from “THE BODY OF ‘HE WHO IS’” and makes it “ALIVE”, and that is called “LIGHT” — the second attribute here above —, is also called “THE CHILD” of the attribute “GOD” (more precisely “THE SON” of “GOD”).

Through “THE DIVINE FORCE”, and through the ordinances of the “specific spiritual formation” of “THE CHURCH” from “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” —, “THE DIVINE” spoke to them through metaphors, about the five “INDISTINCT DIVINE FORMS” that ensue from these three core “Divine States”, and which HE chose to share with the attribute “NON DIVINE”.

As we have already explained, those five “INDISTINCT DIVINE FORMS” which, when taken together, they are a representation of that, which is “PERFECT”; they form together a “WHOLE” which is, from the perspective of indivisibility, the “FIRST POSSESSION” and also called the “FIRST POWER”; that is, “THE DIVINE”

Through “THE DIVINE FORCE”, and through the ordinances of the “specific spiritual formation” of “THE CHURCH” from “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” —, “THE DIVINE” explained to the firsts foremost “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, that the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” were manifestations of “DIVINE PRIMARY WEALTH” that are expressed in the “‘SPIRIT’ Divine State”. “THE DIVINE FORCE” explained to them, that the “‘SPIRIT’ Divine State” is bearer of the “‘LIGHT’ Divine State”, which itself is the child of the “‘GOD’ Divine State”.

But the “HUBRIS Spiritual Veil” prevented them from understanding fully the teachings that “THE DIVINE FORCE” was feeding them. “THE SEAT OF THE INTELLECT” in the “‘SPIRIT←SPIRIT’ Body” of the firsts foremost “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” could not remain unproductive, not wanting to accept that the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” which were always covered by the “EPHEMERAL GLOW ‘CELESTIAL’” which is visible to the “Specific ‘CELESTIAL’ Visual Structure” of the “‘SPIRIT←SPIRIT’

‘CELESTIAL’ Creature”, were manifestations of “DIVINE PRIMARY WEALTH” that are expressed in the “‘SPIRIT’ Divine State”, and not in the “‘LIGHT’ Divine State”.

These firsts foremost “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” failed to understand the difference between this “LIGHT” of the “‘LIGHT’ Divine State” and the “EPHEMERAL GLOW ‘CELESTIAL’” which covered all the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, because they did not know of the existence of their own “‘SPIRIT←SPIRIT’ Body” and its constituents which are invisible to their “Specific ‘CELESTIAL’ Visual Structure” and are inside their “Specific ‘CELESTIAL’ Garment”.

It is so that, with the passage of time and the implementation of the tasks that “THE DIVINE”, IHVH, our FATHER entrusted the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, not being aware of the direct communication between “THE DIVINE”, IHVH, our FATHER who is outside of the attribute “NON DIVINE”, through “THE DIVINE FORCE”, and “The ALTAR of ‘THE DIVINE’” in the “‘SPIRIT←SPIRIT’ Body” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, within the “Specific Energy ‘CELESTIAL’ Domain” in the attribute “NON DIVINE”, then, “THE SEAT OF THE INTELLECT” in the “‘SPIRIT←SPIRIT’ Body” of each of these first “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” started working on the basis of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” and that was already part of their “nature”, in order to have a representation of “THE ONE” from whom “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” originate.

Thus, the emotion associated with that, which will be called the “DOUBT” made its appearance in the “‘SPIRIT←SPIRIT’ Body” of each of these first “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and these first “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” said that, that “LIGHT” of the “‘LIGHT’ Divine State” did not exist.

As we have indicated in a text above, the “‘SPIRIT←SPIRIT’ Body” of each “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, which is produced through the “‘SPIRIT←SPIRIT’ Body” of the Archangel MICHAEL, is not an “INDISTINCT FORM” (is not an essence, is not a seed) of the “Specific Energy ‘SPIRIT’ Substance” which covers “The ALTAR of ‘THE DIVINE’” which is inside “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’”.

From this aspect and their nature, the “‘SPIRIT←SPIRIT’ Body” of each of these firsts foremost “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” that have been

formed and produced from the Archangel MICHAEL, outside of “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” —, are not at the limit of “proximity” of the most potent properties that “THE DIVINE ARCHITECT AND PROJECT MASTER” has fixed for the “SPIRIT” Specific State” in the attribute “NON DIVINE”.

It is so that, the “SPIRIT←SPIRIT” Body” of each of these firsts foremost “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures” that have been formed and produced from the Archangel MICHAEL, outside of “THE SHEKINAH” cannot enter in the “Specific Energy ‘SPIRIT’ Substance” which covers “The ALTAR of ‘THE DIVINE’” which is inside “THE SHEKINAH” to form “THE UNION” within “THE SHEKINAH”; at the risk of having their structure destroyed by the very high “INTENSITY” and “STRENGTH” of the luminous radiation emitted by “The ALTAR of ‘THE DIVINE’” which is inside “THE SHEKINAH”.

As “INDISTINCT FORM” of this “Specific Energy ‘SPIRIT’ Substance” which covers “The ALTAR of ‘THE DIVINE’” which is inside “THE SHEKINAH”, only the “SPIRIT←SPIRIT” Body” of the Archangel MICHAEL, as “SPIRIT←SPIRIT” Body” in the “PRINCIPAL” instance of the “SPIRIT←SPIRIT” ‘CELESTIAL’ Creature” model has received as such from “THE DIVINE FORCE”, the capacity to cross over the “Specific ‘CELESTIAL←SPIRITUAL’ Frontier” of the First “Specific Energy ‘SPIRIT←LIGHT’ Bridge” within the “Specific Energy ‘CELESTIAL’ Domain”.

It has the capacity, to enter in the “Specific Energy ‘SPIRIT’ Substance” of the First “Specific Energy ‘SPIRIT←LIGHT’ Bridge” of the “Specific Energy ‘CELESTIAL’ Domain”, to stand in front of the “Specific ‘SPIRIT←LIGHT’ Frontier” of this First “Specific Energy ‘SPIRIT←LIGHT’ Bridge”, and to communicate viva voce and face-to-face with the manifestation of “THE DIVINE”, IHVH, our FATHER that will be produced by “THE DIVINE FORCE” in the “Specific Energy ‘LIGHT’ Substance” constituent of “The ALTAR of ‘THE DIVINE’”, which is inside “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” —, and behind the “Specific ‘SPIRIT←LIGHT’ Frontier”.

When this first “SPIRIT←SPIRIT” ‘CELESTIAL’ Creature” crosses over the “Specific ‘CELESTIAL←SPIRITUAL’ Frontier” to enter in the “Specific Energy ‘SPIRIT’ Substance” of this First “Specific Energy ‘SPIRIT←LIGHT’ Bridge”, then, as “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed it, the “Specific ‘CELESTIAL’ Garment” of this first “SPIRIT←SPIRIT” ‘CELESTIAL’ Creature” will leave instantly at this “Specific

‘CELESTIAL←SPIRITUAL’ Frontier”, leaving only the “‘SPIRIT←SPIRIT’ Body” covered by the “Specific Radiance ‘SPIRITUAL’ Aureole”.

It is so that, the intense radiation of the “Specific Energy ‘SPIRIT’ Substance” constituent of “THE SHEKINAH” and starting at the “Specific ‘CELESTIAL←SPIRITUAL’ Frontier” will come into contact with this “Specific Radiance ‘SPIRITUAL’ Aureole” and instantly increase its brightness, to the point that this “Specific Radiance ‘SPIRITUAL’ Aureole” becomes as luminous as the luminous radiation coming out of “THE SHEKINAH”.

Therefore, this first “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” now represented by its “‘SPIRIT←SPIRIT’ Body” in the “PRINCIPAL” instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, will be fully covered by this luminous radiation which, with the passage of time and the entries/exits of “THE SHEKINAH”, will increase the brightness of the “EPHEMERAL GLOW ‘CELESTIAL’”, which is emitted by the “Specific ‘CELESTIAL’ Garment” of the Archangel MICHAEL.

It is so that:

1. Being covered by the “HUBRIS Spiritual Veil” which prevented them from understanding fully the teachings that “THE DIVINE FORCE” fed them, and not wanting to accept that he is a manifestation of a metaphor (that is to say, a shadow, a projection) of a “DIVINE PRIMARY WEALTH” which is expressed in the “‘SPIRIT’ Divine State”;
2. Having failed to understand fully the teachings of “THE DIVINE FORCE” when SHE spoke to them about the “‘GOD’ Divine State” whose child is the “‘LIGHT’ Divine State”, and not understanding the difference between the “LIGHT” of the “‘LIGHT’ Divine State” and the “EPHEMERAL GLOW ‘CELESTIAL’” that covered all the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”;
3. Believing that he was producing by himself this luminous radiation that was reflected on the “Specific Radiance ‘SPIRITUAL’ Aureole”, covering his “‘SPIRIT←SPIRIT’ Body” which he could not see, but the effect of which he could see on the “EPHEMERAL GLOW ‘CELESTIAL’” which is emitted by his “Specific ‘CELESTIAL’ Garment”, and which seems to be permanent because of the entries/exits of “THE SHEKINAH”;

4. Seeing the large crowd of “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and knowing that all these others “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of “THE CELESTIAL HOST” have been produced into existence through him, thus considering them as his children, and seeing their “Specific ‘CELESTIAL’ Garment” covered by the “EPHEMERAL GLOW ‘CELESTIAL’”;
5. Having already received on the part of “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” the qualifier which indicates the affirmation of the personality of “HE WHO IS ABOVE”, that is the singularity of “ELOHIM”, and which in the human language is translated by “LORD”;

Then, the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” spoke from inside in “THE SEAT OF THE INTELLECT” in the “‘SPIRIT←SPIRIT’ Body” of the Archangel MICHAEL.

It is so that, to the extent of knowledge that they had concerning “THE DIVINE”, IHVH, our FATHER, to the extent of knowledge that they had concerning “THE HOLY PROJECT”, those extents of knowledge were meager and almost equal to zero in all the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”³³⁷, and having

³³⁷ Of course each “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” became proficient in executing the tasks that were assigned to him/her, and mostly the tasks at the origin of which he/she was “spoken” into existence; and thus, being the only one with the inner dexterity of performing a given task.

But, proficiency and dexterity in executing tasks and the capacity to discern and extract “THE KNOWLEDGE OF THE DIVINE” that “THE DIVINE FORCE” has imparted in those tasks are two different affairs. The capacity to discern and extract “THE KNOWLEDGE OF THE DIVINE” conveyed in those tasks is the key prerequisite to growth of the plant of “THE KNOWLEDGE OF THE DIVINE”, thus to growth of “THE SEAT OF WISDOM”, whereas proficiency and dexterity in executing those tasks have little, almost zero, effect on the growth of the plant of “THE KNOWLEDGE OF THE DIVINE”, but are key to growth of “THE SEAT OF THE INTELLECT”. That, which is “PERFECT”, is obtained when proficiency and dexterity in executing those tasks goes hand in hand with discernment and extraction of “THE KNOWLEDGE OF THE DIVINE” conveyed in those tasks.

Thus, as far as having developed knowledge about “THE DIVINE”, IHVH, our FATHER, through the execution of those tasks, was concerned, and hence, having developed knowledge about how those tasks, which they were assigned to or “spoken” into existence to perform, relate to “THE DIVINE”, IHVH, our FATHER, through “THE HOLY PROJECT”, their knowledge was inexistent. Thus was lost all “THE KNOWLEDGE OF THE DIVINE”, which was designed by “THE DIVINE ARCHITECT AND PROJECT MASTER”, and which was imparted by “THE DIVINE FORCE” in those tasks.

analyzed the situation in which they were into existence in “Specific Energy ‘CELESTIAL’ Domain”, the only domain of existence they had known so far, the Archangel MICHAEL came to the conclusion, with his own convictions clouded by and deeply rooted in the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, that he was the “one” spoken about regarding the “‘GOD’ Divine State” whose child is the “‘LIGHT’ Divine State”.

It is so that, the Archangel MICHAEL openly named himself “god” over the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, and afterwards, trying to explain to them that he was their “father” and that there was no other “god” besides him.³³⁸

He thus demonstrated his lack of knowledge towards his own origin and the lack of knowledge about the nature of “The ALTAR of ‘THE DIVINE’” which is inside “THE SHEKINAH” and in front of which he came to receive from “THE DIVINE FORCE” the instructions of “THE DIVINE”, IHVH, our FATHER. He demonstrated his lack of knowledge about “THE DIVINE FORCE” who educated him and all of those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”.

The first “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” of the “QUERUB” instance having the “MALE” adjective, who was then the deputy of the Archangel

They always thought, in the box, that they were the ones doing everything things by themselves, not being aware and not being able to see “THE DIVINE FORCE” who was walking among them under their own appearance and who, through them, was teaching them on how to perform those tasks. To “think” outside of the box, differently, unconventionally, or from a new perspective, was not an existing concept for them, at that time. But soon, they will stretch their mind to the limits of “THE ‘SPIRIT’ REASON”.

³³⁸ Later during the course of the “Second Phase” of “THE HOLY PROJECT”, he will also tell such things to blinded human creatures. It will last until the time when CHRIST came to correct the situation and truly spoke about “THE DIVINE”, IHVH, our FATHER.

Such convictions are so deeply and strongly rooted in “THE SEAT OF THE INTELLECT”, which is covered by the “HUBRIS Spiritual Veil”, that they became part of their “nature”, once that “nature” was sealed at the appointed sealing time. Only the continuous infuse of “THE KNOWLEDGE OF THE DIVINE”, keeping “THE SEAT OF THE INTELLECT” on “THE KNOWLEDGE OF THE DIVINE” life support can help change such situations.

All those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” into existence in the attribute “NON DIVINE”, of which the portion in the domain of “THOUGHTS” is bounded by the elements of “THE ‘SPIRIT’ REASON”, and who have declared themselves to be “gods”, have also received the epithet of “gods of ignorance”, “gods of the blinds”, “gods of obscurity”, in every sense of the word “obscurity”, etc... Even “THE ‘NON DIVINE’ LIGHT”, which was created into existence in the attribute “NON DIVINE”, and represented by “THE SHEKINAH” and placed in front of them, those “gods of ignorance” have not known it.

MICHAEL, and who was also the acting figure and coordinator of the instructions transmitted by the Archangel MICHAEL in their hierarchy of communication of the ordinances of the “specific spiritual formation” of “THE CHURCH” from “THE SHEKINAH”, and who was designated by the name “AZAZEL”, will also do the same and will name himself, at first by a word whose translation into human language is “LUCIFER” and means “LIGHT Bearer”; that “LIGHT” of which they had heard during their education through “THE DIVINE FORCE”, and through the ordinances of the “specific spiritual formation” of “THE CHURCH”, but of which they had no knowledge. Thereafter, this same “AZAZEL” will also name himself “god”. We will give the details of this and we will elucidate the events behind this self naming of “LIGHT Bearer”, in another chapter below, as behind the scene, others events were now taking place amongst these firsts foremost “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”.

All these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” thus demonstrated their lack of knowledge of their own origin and the absence of knowledge of the nature of “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — around which they had been assigned the task of “THE GUARDIANSHIP OF THE SHEKINAH”.

Seen from “THE EYE OF THE DIVINE”, this situation is similar to an image in which a tiny drop, taken as a tilled delineated part of the “Specific Energy ‘CELESTIAL’ Substance” and in which had been placed the “token of life” and also in which had been planted a seed of “THE KNOWLEDGE OF THE DIVINE”, and whose resulting plant had remained meager, without fruits, despite all the fertilizers that had been poured on this tilled part, named himself “god” above all other tilled delineated parts of the “Specific Energy ‘CELESTIAL’ Substance”; to the detriment of the laborer who has tilled all these delineated parts of the “Specific Energy ‘CELESTIAL’ Substance” and planted these seeds of “THE KNOWLEDGE OF THE DIVINE” in them; and to the detriment of the owner himself of this “Specific Energy ‘CELESTIAL’ Substance”.

Several other tiny tilled delineated parts of the “Specific Energy ‘CELESTIAL’ Substance”, will do the same and, will also declare themselves to be “gods”; to the detriment of the laborer who has tilled all these delineated parts of the “Specific Energy ‘CELESTIAL’ Substance” and planted these seeds of “THE KNOWLEDGE OF THE DIVINE” in them; and to the detriment of the owner himself of this “Specific Energy ‘CELESTIAL’ Substance”.

All the knowledge concerning “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, and that we have explained throughout these writings, all

these “ADONA’IM” were supposed to have thoroughly grasped and developed it and, consequently, to have grown in “THE KNOWLEDGE OF THE DIVINE”. But instead, they kept themselves “sleeping on the kudos of their innate skills” and praising themselves and each others regarding their qualities and capacities, and did not care about what “THE DIVINE FORCE” had been truly teaching them. Until these days of today, when these writings have been released, more than 70 billion years after the creation of this first “Specific Energy ‘EARTHLY’ Habitation Domain” in this “Plane Below”, they had no knowledge of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”.

The Archangel MICHAEL and the “ADONA’IM” had not developed in them “THE KNOWLEDGE OF THE DIVINE”, they had no knowledge about “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, and they had no knowledge about the “‘SPIRIT←SPIRIT’ INDISTINCT DIVINE FORMS” and all the other “INDISTINCT DIVINE FORMS” that are inside of “THE DIVINE DOMAIN”.

It is then, that “THE DIVINE FORCE” has understood that the Archangel MICHAEL was not in an expression of the metaphor of the “SUPREME STATE OF EQUILIBRIUM”. At this point of his existence, which was almost the whole duration of duration of “First Phase” of “THE HOLY PROJECT”, nearly 70 billions of years into existence in this attribute “NON DIVINE”, the Archangel MICHAEL has not achieved any unity with “THE DIVINE FORCE” under Her designation (or seeing from the angle) of “THE PERFECT SEAL OF THE DIVINE”. His behavior was in the “IMPERFECTION”, hence, he was not standing in “PURITY” and “TRUTH”; he had shamed his designation “He Who is Like IHVH” — MICHAEL —, a designation that became a façade behind which he hides that shame and his “IMPERFECTION”. Indeed, since, as any other “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, he is prone to the Governing Law of the Behavior and cannot escape it, it is so that the result of his walk in “The Walk within the Acronym IHVH” was anything but not the expected “PLENITUDE”, as was designed and established by “THE DIVINE ARCHITECT AND PROJECT MASTER”; his behavior was in the “IMPERFECTION”. By reverse implication of the Governing Law of the Behavior, he was not standing in “PURITY” and “TRUTH”. “THE SEAT OF THE INTELLECT” in the “‘SPIRIT←SPIRIT’ Body” of the Archangel MICHAEL was acting by ignoring the voice of “THE SEAT OF THE WISDOM” — that is, without taking into account all the teaching, containing the “TRUTH” and that “THE DIVINE FORCE” had provided to “The ALTAR of ‘THE DIVINE’” in the “‘SPIRIT←SPIRIT’ Body” of the Archangel MICHAEL —. Where “TRUTH” is not present, there also “PURITY” is not present.

How about the assessment of the resulting behaviour of all those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who were “spoken” into existence through him, who were looking upon him as example of conduct, and who are all also prone to the Governing Law of the Behavior? They too, they were not standing “PURITY” and “TRUTH”, as they inherited his “IMPERFECTION”.³³⁹ They have all shamed their designations, each of them in its own, and their names of grandeur became the façade behind which they hide their shame and their “IMPERFECTION”.

“THE DIVINE FORCE” understood then, that this joy, this state of gladness of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” were not based on the education that SHE had provided to them through “The ALTAR of ‘THE DIVINE’” in their “‘SPIRIT←SPIRIT’ Body”.

“THE DIVINE FORCE” had not seen this earlier because just like “THE DIVINE”, IHVH, our FATHER is in “THE SUPREME PLENITUDE”, it is likewise with “THE DIVINE FORCE”.

If the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, in whichever forms, had existed in “THE DIVINE”, IHVH, our FATHER, then, HE would not have chosen to share the knowledge of Himself, through manifestations of metaphors of His own “DIVINE PRIMARY WEALTH”, with the attribute “NON DIVINE” that HE has created Himself so that all creatures that will come into existence in this attribute “NON DIVINE” can access the state of indescribable joy, the ineffable gladness, and in the immeasurable state of equilibrium, just as “THE DIVINE” has it in Himself.

“THE DIVINE”, IHVH, our FATHER is the Monad of Origin, THE CREATOR of the attribute “NON DIVINE” and all that this attribute “NON DIVINE” contains.

If then, the attribute “NON DIVINE” and all that this attribute “NON DIVINE” contains are deprived of “DIVINE PRIMARY WEALTH” such as they are in all their magnificence within “THE DIVINE DOMAIN”, this is not as a result of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” of the part of “THE DIVINE”, IHVH, our FATHER.

³³⁹ Here, we use the word “inherited” much more in the sense that, they have “gained possession” of his “obscurity” and stood as such in “IMPURITY” in all its forms; in the sense that he transmitted his “obscurity” onto them; and less in the sense of the transmission of the certain characters determined by “genes”.

But it is rather because the attribute “NON DIVINE”, as “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed it, does not possess the divine conditions that are specific to instantly express neither transitions of “DIVINE States” nor the “DIVINE PRIMARY WEALTH” that already exist within “THE DIVINE”. The attribute “NON DIVINE” is by definition “NON DIVINE”.

These “DIVINE PRIMARY WEALTH” in the “DIVINE State”, are elusive in the attribute “NON DIVINE” and cannot not be apprehended in this attribute “NON DIVINE”, as they are within “THE DIVINE DOMAIN”.

Think a little bit about this: the “INTENSITY” and “POWER” of the luminous radiation emitted by a single atom of the “DIVINE BODY” is about three thousand six hundred and forty billion times the “INTENSITY” and “POWER” of the luminous radiation emanating from the “SHEKINAH” and in front of which all these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” must protect themselves at the risk of their structure being destroyed. If then “THE DIVINE”, IHVH, our FATHER would remove the proportionality factors that define the laws of change of frame of reference, between “THE ABSOLUTE FRAME OF REFERENCE” defined by “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” in “THE DIVINE” and “THE FRAME OF REFERENCE OF THE ATTRIBUTE ‘NON DIVINE’” in the attribute “NON DIVINE”, these proportionality factors which make the attribute “NON DIVINE” to be “NON DIVINE”, and thus, if “THE DIVINE”, IHVH, our FATHER would appear to them immediately, at the abrupt, in all the splendor, not the splendor of a single atom of the “DIVINE BODY”, but in all the splendor of the “DIVINE BODY”, then what will remain of the existence of the attribute “NON DIVINE” and of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” which are contained in this attribute “NON DIVINE”? At the very moment (not a billionth of a second later) where “THE DIVINE BODY” would appear, all these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, all of the attribute “NON DIVINE” and all that it contains, will be erased and will vanish from existence.

It is for this reason that “THE DIVINE”, IHVH, our FATHER established these proportionality factors and chose to share His own “DIVINE PRIMARY WEALTH” with the attribute “NON DIVINE” through of metaphors. It is a veritable masterpiece of divine engineering, surpassing all intellect and words, that “THE DIVINE ARCHITECT AND PROJECT MASTER” has accomplished in order to create “zero” into existence. It is not by “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” on the part of “THE DIVINE”, IHVH, our FATHER, that “zero” was created into existence.

Through Her “SUPREME STATE OF EQUILIBRIUM”, “THE DIVINE FORCE” is always at the maximum of Her particulars, SHE has all Her intensity, Her density, Her “DIVINE WEALTH”, SHE is by Herself the “Realm of the ‘THOUGHTS’” — Her “THOUGHTS” are “THE TRUTH” and are not interpreted at all like it is the case with the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”; there are no residuals in Her “THOUGHTS”.

Through this “SUPREME PLENITUDE”, all instructions designed and generated by “THE DIVINE ARCHITECT AND PROJECT MASTER” with the intention to be implemented by “THE DIVINE FORCE” reside in “THE DIVINE ARCHITECT AND PROJECT MASTER” and are transmitted immediately in “THE SILENCE” to “THE DIVINE FORCE”, without any sound expression whatsoever be manifested inside “THE DIVINE DOMAIN”.

In Her “SUPREME STATE OF EQUILIBRIUM”, the attachment to “DIVINE PRIMARY WEALTH” does not exist, in any form whatsoever; because “THE DIVINE FORCE” is by Herself Her own possession. Accordingly, there is no “HUBRIS”, in any form whatsoever, in HER; “THE DIVINE FORCE” does not know that, which is the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”.

The “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” is the seed of “DEATH”, it is a terrible poison which is born from the deficiency of “THE KNOWLEDGE OF THE DIVINE” in “THE SEAT OF THE INTELLECT” inside the “Specific Energy ‘SPIRIT’ Substance” constituent of “‘SPIRIT←SPIRIT’ Body” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” as delineated part and entity of the “Specific Energy ‘CELESTIAL’ Substance” constituent of the “Specific Energy ‘CELESTIAL’ Domain” in the attribute “NON DIVINE”.

It is so that, the “HUBRIS” (in its various forms) of manifestations of metaphors of “DIVINE PRIMARY WEALTH” will remain confined in the attribute “NON DIVINE”, will not transcend this attribute “NON DIVINE”, but will confine the “‘SPIRIT←SPIRIT’ Body” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” in the absence of “THE KNOWLEDGE OF THE DIVINE”.

Therefore, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” in the absence of “THE KNOWLEDGE OF THE DIVINE”, will never be able to have a share of the indescribable joy, the ineffable gladness, and immeasurable state of equilibrium that “THE DIVINE”, IHVH, our FATHER has chosen to share with “The ALTAR of ‘THE DIVINE’” which is covered by the “Specific Energy ‘SPIRIT’ Substance”

in this “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, during the course of the “First Phase” of “THE HOLY PROJECT”.

It is so that, “THE DIVINE FORCE” was disappointed that the Archangel MICHAEL and the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had based their joy, and their state of gladness on the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, and not on “THE KNOWLEDGE OF THE DIVINE” which SHE had fed them with, since SHE had created into existence in the attribute “NON DIVINE” each of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, as a result of the emission of “THE WORD OF THE DIVINE”.

To give you a good impression, or to make you grasp and understand such disappointment, you can consider the situation where, for a long time, someone displayed the attitude of being knowledgeable about certain specific life subjects, and you have always self-evidently taken it at such value. Suddenly, out of nowhere, that person does something or undertake an action, which, through discernment on your part, pulls the curtain back of his personality and state of knowledge and reveals to you, not only the paradigm in which that person is enclosed in, but also his complete absence of knowledge and understanding of those specific life subjects, which you assumed he was knowledgeable about, and you are stunned and speechless at such a revelation. It can be quite a shock, a setback, a huge disappointment. As such was situation in which “THE DIVINE FORCE” who is “THE KNOWLEDGE OF THE DIVINE”, has found herself with these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, who were enclosed in their own paradigm of the absence of “THE KNOWLEDGE OF THE DIVINE”, during this “First Phase” of the implementation of “THE HOLY PROJECT”. Do you grasp what a setback and disappointment it was for “THE DIVINE FORCE” who educated these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”?

It is so that, “THE DIVINE FORCE” chose to rectify the deficiency of “THE KNOWLEDGE OF THE DIVINE” that had taken place in “THE SEAT OF THE INTELLECT” in the “‘SPIRIT←SPIRIT’ Body” of “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” in the “Specific Energy ‘CELESTIAL’ Domain” inside the attribute “NON DIVINE”, and in rectifying that deficiency of “THE KNOWLEDGE OF THE DIVINE”, to pull those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” out of their paradigm of the absence of “THE KNOWLEDGE OF THE DIVINE” in which they were living.³⁴⁰

³⁴⁰ It is for the purpose to make understand this, that it is said in parable that:

In response to the emotion associated with that, which will be called “DOUBT” and that appeared in the “‘SPIRIT←SPIRIT’ Body” of each of these firsts foremost “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” when they spoke between themselves, saying that the “LIGHT” of the “‘LIGHT’ Divine State” did not exist, it is thus that “THE DIVINE FORCE” with the consent of “THE DIVINE”, IHVH, our FATHER, manifested a loud voice that came through to only³⁴¹ these firsts foremost “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” telling them:

“...

Begetting calls begetting, time begets time, and the day begets the day, months have announced the month, the time had turned, adding to time.

That is how ended the manifestation in the attribute “NON DIVINE”, of metaphors of the “‘SPIRIT←SPIRIT’ INDISTINCT DIVINE FORM”.

And it has been appraised, and it is little.

...”

“... *Begetting calls begetting, time begets time, and the day begets the day, months have announced the month, the time had turned, adding to time.* ...” is said to lead to understand that: With the passage of time and the progress in the implementation of “THE HOLY PROJECT”, new tasks were revealed and new “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” were “spoken” into existence time after time, and after a very long passage of time.

“... *That is how it ended* ...” refers to the end of the implementation of the “First Phase” of “THE HOLY PROJECT”; the number of “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” which had been set for the implementation of the “First Phase” of “THE HOLY PROJECT” had been reached; although these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had acquired sufficient dexterity in the implementing of the tasks that were assigned to them, however, they had not grown up in “THE KNOWLEDGE OF THE DIVINE”.

“... *it has been appraised, and it is little* ...” is said to lead you to understand that at the end of the implementation of the “First Phase” of “THE HOLY PROJECT”, the plant of “THE KNOWLEDGE OF THE DIVINE” in “The ALTAR of ‘THE DIVINE’” inside the “‘SPIRIT←SPIRIT’ Body” of “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” in the “Specific Energy ‘CELESTIAL’ Domain”, has remained at the stage of “spiritual childhood”; because the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had sent to oblivion all the fertilizer that “THE DIVINE FORCE” provided them and thus these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had no knowledge about the ins and outs of “THE HOLY PROJECT”.

³⁴¹ Think of this as the targeted “audience” mode of “VISION”-enabled communication. Only the targeted “audience” receives the “VISION”, anyone else outside of the targeted “audience” will not have the slightest idea that something is going on, unless those receiving the communication by “VISION” manifest external signs through their external appearances, like fall on the ground, or stand still with eyes wide open in surprising effects, or speaking in tongues, which then will indicate that there is something going on.

“GOD” EXISTS!***AND SO DO THE “LIGHT”, THE CHILD OF “GOD”!***

The Archangel MICHAEL heard the voice and did not understand where it came from, but thought that it was not coming from “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — because it had not been emitted through the usual communication channel.

Then, above these firsts foremost seven “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” to whom “THE DIVINE FORCE” has entrusted the task of “THE GUARDIANSHIP OF THE SHEKINAH”, “THE DIVINE FORCE” waved the “Specific Energy ‘CELESTIAL’ Substance” constituent of the “Specific Energy ‘CELESTIAL’ Domain”, lit up this “Specific Energy ‘CELESTIAL’ Substance” and “THE DIVINE FORCE” manifested in that illuminated part an aspect of a form of a creature that was unknown to them.³⁴² It was the aspect of that, which will be known as the human creature with the adjective “FEMALE”, dressed in the finest silk-like blue colored garment, very “PURE”, laying sideways in that illuminated “cloud-like” part of the “Specific Energy ‘CELESTIAL’ Substance”. The upper part, including the torsobust and head with a very beautiful and joyful and smiling face and with shoulder length hairs, of the manifested creature was raised above the “cloud-like” part of the illuminated part of the “Specific Energy ‘CELESTIAL’ Substance” and the lower part of the manifested form was lying horizontally alongside and covered by the semi transparent part of the “cloud-like” part of the illuminated part of the “Specific Energy ‘CELESTIAL’ Substance”. Unlike the upper part, including the torsobust and head, that was fully revealed outside of the semi transparent “cloud-like” part of the illuminated part of the “Specific Energy ‘CELESTIAL’ Substance”, the lower part and below the torsobust was not fully revealed, but its contours could be perceived behind the semi transparent “cloud-like” part of the illuminated part of the “Specific Energy ‘CELESTIAL’ Substance”; and thus, only the projected contours of the lower part and below the torsobust were visible.

It is so that, these firsts foremost seven “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” received this communication by “VISION” and each perceived a manifested form. The Archangel MICHAEL and these firsts foremost “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” did nod to the voice they had heard,

³⁴² The “Visionaries” from the “Celestial Christian Church”, will understand this very quickly, because such manifestation is also a “VISION” similar to the visions that are often sent to them and that they usually receive.

and dispelled the emotion associated with “DOUBT” which had made its appearance in their “‘SPIRIT←SPIRIT’ Body”.

In the “Specific Energy ‘CELESTIAL’ Domain” inside the attribute “NON DIVINE”, the statement by the Archangel MICHAEL to be himself “god” above the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, caused loosening in “THE SEAT OF THE INTELLECT” of “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” in their quest to know “THE ONE” from whom they originate.

It is so that, with the passage of time, when the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” emitted (celebrated) “THE PRAISE” — “specific signals” requesting the sending of external supply of subsistence in order to remain into existence in the “‘SPIRIT’ Specific State” — to the expression in the attribute “NON DIVINE” of a metaphor of “THE ‘SPIRIT←LIGHT’ EON”, which is represented by “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” —, they also started to pledge allegiance to the Archangel MICHAEL as if they were pledging that allegiance to “THE DIVINE”, IHVH, our FATHER who had remained invisible to them and always beyond their understanding.

In pledging those oaths of allegiance to the Archangel MICHAEL, they threw their diadems, at the feet of the Archangel MICHAEL to whom they signify, as such, their “ultimate act of trust” and their “ultimate act of submission”. Those diadems, which often materialized at will or on special occasions upon their heads, symbolize their existence and their lives. It is thus that, in pledging those oaths of allegiance, they surrender their existence, their life and their independence to the will and authority of the Archangel MICHAEL to whom they have pledged oath of allegiance. As a consequence, the “WILL” of the one to whom they have pledged oath of allegiance, will take the foremost place in the very depths of their “‘SPIRIT←SPIRIT’ Body”, and which is “The ALTAR of ‘THE DIVINE’” inside their “‘SPIRIT←SPIRIT’ Body”, and it will take priority over the “WILL” of the one pledging such oaths of allegiance; thus, overruling the “FREE CHOICE”, the autonomous capacity to “THINK”, to “REASON” and to “MAKE DECISIONS”, from the one pledging such oath of allegiance. This pledging of oaths of allegiance to the Archangel MICHAEL was the work of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”.

The “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, which was already part of the nature of the Archangel MICHAEL and the others “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” that were produced from him, and had caused loosening in “THE SEAT OF THE INTELLECT” of “‘SPIRIT←SPIRIT’

‘CELESTIAL’ Creatures” in their quest to know “THE ONE” from whom they originate, increased further.

At this stage of the “spiritual adolescence”, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, through its “Specific Energy ‘SPIRIT’ Substance”, is called to remain in “PURITY”, the eternal symbol of glory of “THE DIVINE ARCHITECT AND PROJECT MASTER”, inherited of its “spiritual childhood”.

It is so that, through the capacity to “LOVE”, and that “THE DIVINE ARCHITECT AND PROJECT MASTER” has placed in the “Specific Energy ‘SPIRIT’ Substance”, the plant of “THE KNOWLEDGE OF THE DIVINE” which appeared at the “spiritual childhood” stage, will continue to grow and start to produce its first sprouts of “THE KNOWLEDGE OF THE DIVINE”, always without that this “Specific Energy ‘SPIRIT’ Substance” be conscious of this growth which is visible only to “THE EYE OF THE DIVINE”.

It is through the discernment of the values and attributes that are defined by the manifestations of metaphors of “DIVINE PRIMARY WEALTH” that the “ADONA’IM” were to understand the manner in which “THE DIVINE” (of whom they originate) who cannot be apprehended and is elusive in the “NON DIVINE” presents Himself, and thus grow in “THE KNOWLEDGE OF THE DIVINE”; but they failed to do so.

It is so that, still in the quest to know “THE ONE” from whom “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” originate and having failed to discern and reconstitute “THE DIVINE” from all the manifestations of metaphors of “DIVINE PRIMARY WEALTH” that have been expressed on them, then, “THE SEAT OF THE INTELLECT” in the “Specific Energy ‘SPIRIT’ Substance” which covers “The ALTAR of ‘THE DIVINE’” inside the Archangel MICHAEL started to work in order to make a representation of “THE ONE” from whom “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” originate, based on that shape which was unknown to them and that “THE DIVINE FORCE” had manifested in front of them in the “Specific Energy ‘CELESTIAL’ Substance” constituent of the “Specific Energy ‘CELESTIAL’ Domain”.

“THE SEAT OF THE INTELLECT” in the “Specific Energy ‘SPIRIT’ Substance” which covers “The ALTAR of ‘THE DIVINE’” inside the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, began to generate elements of “THE ‘SPIRIT’ REASON”, designing images to allude to the likeness of that, which is proper to “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, and based on that which they understood to a certain extent from the teachings that “THE DIVINE FORCE”, in

“PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”, gave them and regarding the “‘SPIRIT’ Divine State” which is bearer of the “‘LIGHT’ Divine State”, which itself is the child of the “‘GOD’ Divine State”, and particularly that teaching that “THE DIVINE FORCE” demonstrated when SHE had lit up the “Specific Energy ‘CELESTIAL’ Substance” and had manifested in that illuminated part an aspect of the form of a creature that was unknown to these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, and told them:

“GOD” EXISTS!

AND SO DO THE “LIGHT”, THE CHILD OF “GOD”!

The images that these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” were designing in “THE SEAT OF THE INTELLECT” inside their “‘SPIRIT←SPIRIT’ Body”, were attempts to render that manifested form of that creature that was unknown to them.

Once those illusions were designed, then, with the passage of time, “THE SEAT OF THE INTELLECT” in the “Specific Energy ‘SPIRIT’ Substance” which covers “The ALTAR of ‘THE DIVINE’” inside the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, wanted to manifest that one illusion of his and that was supposed to represent “THE ONE” from whom “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” originate.

Running forward because of the impetuosity of its youth and its capacity to reflect and “MAKE DECISIONS” autonomously, and which could not remain unproductive, it is so that “THE SEAT OF THE INTELLECT” inside the “Specific Energy ‘SPIRIT’ Substance” which covers “The ALTAR of ‘THE DIVINE’” inside the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, wanted, through its “Desires of Reproduction”, to manifest that illusion as a living creature, without taking into account the advice and the consent of “THE DIVINE FORCE” in Her council inside of “The ALTAR of ‘THE DIVINE’” and who is responsible to manifest into existence “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” following the receiving of “THE WORD OF THE DIVINE” and who spoke to them directly from the inside of “The ALTAR of ‘THE DIVINE’” inside the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”.

As we have mentioned previously, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” were not aware of “THE DIVINE FORCE” speaking to them directly from inside “The ALTAR of ‘THE DIVINE’” in their “‘SPIRIT←SPIRIT’ Body” in the “Specific Energy ‘CELESTIAL’ Domain” in the attribute “NON DIVINE”.

Moreover, the Archangel MICHAEL believing that he was the one who had created all “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, did not know that himself, as well as all others “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of “THE CELESTIAL HOST”, was created into existence by “THE DIVINE FORCE”.

It is so that, in Her council inside of “The ALTAR of ‘THE DIVINE’” inside of the “‘SPIRIT←SPIRIT’ Body” of the Archangel MICHAEL, “THE DIVINE FORCE” saw that illusion produced by “THE SEAT OF THE INTELLECT” in the “Specific Energy ‘SPIRIT’ Substance” which covers that “ALTAR of ‘THE DIVINE’” inside the Archangel MICHAEL and that reflected the “Desires of Reproduction” of the Archangel MICHAEL wanting to produce into existence that “LIGHT” which is the child of the “‘GOD’ Divine State”, given that he himself had named himself “god” over the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, being firmly convinced that he was the “one” spoken about regarding the “‘GOD’ Divine State” whose child is the “‘LIGHT’ Divine State”.

That illusion was imperfect³⁴³, it has two faces and eyes lighting up like a fire and which symbolize the “AUTHORITY”, that notion of having the “AUTHORITY” that took place in the “‘SPIRIT←SPIRIT’ Body” of each of the first “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” to the expense of “THE KNOWLEDGE OF THE DIVINE”, and which also indicates the extend of what the Archangel MICHAEL, from the teachings, which “THE DIVINE FORCE” gave them, had understood about the concept of “The Eye of the ‘LIGHT’”³⁴⁴; that “LIGHT” which is the child of the “‘GOD’ Divine State”.

³⁴³ Just like the drawings, the works of art, of children, are filled with insights into their inner world and often represent views of their personalities, if an external observer knows what to look for, in much the same extent, were these illusions produced by “THE SEAT OF THE INTELLECT” in the “Specific Energy ‘SPIRIT’ Substance” which covers that “ALTAR of ‘THE DIVINE’” inside the Archangel MICHAEL. The common reaction to the children “funky-looking” artwork displayed on the “refrigerator art gallery” is to smile and ask the questions: “What are these supposed to be?”, “What were they thinking when they drew this?” As such, was the reaction to this illusion generated by the Archangel MICHAEL, and that illusion was supposed to be a representation of that manifested form of that creature that was unknown to them and including into it, that “LIGHT” which is the child of the “‘GOD’ Divine State”.

³⁴⁴ As we have indicated already, when we use an expression of the kind “...the “Eye of...” ...”, as in “The Eye of the ‘LIGHT’”, one must understand the word “Eye” in a symbolic way and in the sense of a very small reinforcement, or of a very small bud, of an attribute (or of a structure of energy) that is established in the foreground in order to signal the existence in the background of the complete attribute (or of the complete structure of energy), which

The first face of that illusion was an expression of the “Desires of Reproduction”, from “THE SEAT OF THE INTELLECT” inside of the “‘SPIRIT←SPIRIT’ Body” of the Archangel MICHAEL; since he had understood to a certain extent that the “‘SPIRIT’ Divine State” is bearer of the “‘LIGHT’ Divine State”, which itself is the child of the “‘GOD’ Divine State”. In his attempt to render that manifested form of that creature that was unknown to them, the image, which “THE SEAT OF THE INTELLECT” inside of the “‘SPIRIT←SPIRIT’ Body” of the Archangel MICHAEL had produced for this first face of that illusion, was that of the creature which will be latter known, in the “Plane Below”, under the designation “SERPENT”³⁴⁵. This

in the case of “The Eye of the ‘LIGHT’” would be an expression by metaphor of that “‘LIGHT’” which is the child of the “‘GOD’ Divine State”, on a larger scale and much more complex than the very small reinforcement itself.

³⁴⁵ During that period of time, in the “Specific Energy ‘CELESTIAL’ Domain”, such images were spreaded and used among the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who were changing their external appearances, using their inner faculties of metamorphosis, to match those images. It is so that, those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of the “SERAPH” instance adopted this face as theirs, as their official representation. Since they knew nothing about “THE DIVINE FORCE”, they had also failed to understand that through that manifested form of that creature manifested by “THE DIVINE FORCE” at that moment when SHE had told them “... **“GOD” EXISTS! AND SO DO THE “LIGHT”, THE CHILD OF “GOD”!** ...”, that manifested form of that creature that was unknown to them, “THE DIVINE FORCE” had talked to them. Later, when the Archangel MICHAEL will “assassinate” the first two human creatures because these human creatures had listened, received, and “fed” with the teachings that “THE DIVINE FORCE” gave them, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” will point the finger at their own chosen representation of that creature that was unknown to them and they will give it a negative connotation; from which those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of the “SERAPH” instance will abandon and reject their adopted symbol. We will come to that “assassination” in another chapter below.

It is about this “SERPENT”, a failed image attempt to render that manifested form of that creature manifested by “THE DIVINE FORCE” at that moment when SHE had told them “... **“GOD” EXISTS! AND SO DO THE “LIGHT”, THE CHILD OF “GOD”!** ...”, that manifested form of that creature that was unknown to them, that is spoken about in the scriptures, which human creatures have in their possession, and regarding the first two human creatures. It is in fact, a failed attempt to render an expression of “THE DIVINE FORCE”; for, with which one image would you describe or represent that, through which all images have been brought forth into existence?

The “fruit”, given by the “SERPENT”, i.e. the “product” of the labour accomplished by the “SERPENT”, which is the symbol of their failed attempt to represent that manifested form of that creature manifested by “THE DIVINE FORCE” at that moment when SHE had told them “... **“GOD” EXISTS! AND SO DO THE “LIGHT”, THE CHILD OF “GOD”!** ...”,

first face of that illusion is the symbol of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” — the symbol of the desire for procreation in the absence of “THE KNOWLEDGE OF THE DIVINE”. The true and living symbol of procreation is “THE DIVINE FORCE”: SHE IS “THE UNIVERSAL GENETRIX”.

The second face of that illusion was meant to be an expression of the “LIGHT” of the “‘LIGHT’ Divine State”, which is the child of the attribute “GOD”. That second face will later, during the implementation of “THE HOLY PROJECT”, be a symbol of that “LIGHT” of the “‘LIGHT’ Divine State”, which is not the “EPHEMERAL GLOW ‘CELESTIAL’” that covered all the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, that “LIGHT” of which they had heard during their education through “THE DIVINE FORCE”, and through the ordinances of the “specific spiritual formation” of “THE CHURCH” from “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” —, that “LIGHT”, which will become their new object of covetousness and rivalries in their “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”. The image, which “THE SEAT OF THE INTELLECT” inside of the “‘SPIRIT←SPIRIT’ Body” of the Archangel MICHAEL had produced for this second face of that illusion, was that of the creature which will be latter known, in the “Plane Below”, under the designation “LION”.

That illusion — which is a manifestation of the expression, in the absence of “THE KNOWLEDGE OF THE DIVINE”, of the desire to want to produce by oneself “THE LIGHT” — did not possess a form in conformity with the specifications established by “THE DIVINE ARCHITECT AND PROJECT MASTER”. For, it had been produced in the “HUBRIS” of manifestations of metaphors of “DIVINE

is a symbolic expression of the “LIGHT” of the “‘LIGHT’ Divine State”, which is the child of the attribute “GOD”; it is a symbolic representation of “THE DIVINE FORCE” giving HER teachings, which are the “products” of the labour that SHE had accomplished in HER service in “THE DIVINE DOMAIN”, to the human creatures.

However, in their “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” and in their absence of “THE KNOWLEDGE OF THE DIVINE”, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” will twist the interpretation of that symbolic representation. That twisted interpretation will reveal their “Desires of Reproduction” through the human creature; those “Desires of Reproduction” that those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” coveted to achieve by themselves, in their “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, and from the moment right after that they had received the teaching concerning the divine states.

PRIMARY WEALTH” by “THE SEAT OF THE INTELLECT” in the “Specific Energy ‘SPIRIT’ Substance” which covers that “ALTAR of ‘THE DIVINE’” inside the Archangel MICHAEL and without taking into account the consent of the conjoint of “THE SEAT OF THE INTELLECT”; This conjoint is “The ALTAR of ‘THE DIVINE’” in the “‘SPIRIT←SPIRIT’ Body” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”.

In addition, that illusion was not an image of “THE DIVINE ARCHITECT AND PROJECT MASTER” and did not have the appearance of “THE DIVINE FORCE”; that is, that illusion did not converge to an existing point in “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” that “THE DIVINE” has consolidated in Himself and that HE chose to share with the attribute “NON DIVINE”.

“THE DIVINE FORCE” is the only one inside the attribute “NON DIVINE”, who has performed service inside “THE DIVINE DOMAIN”, outside the attribute “NON DIVINE”, and SHE knows everything that is in Her “HOUSE” — “THE FRAME OF REFERENCE OF THE CREATION” — in all their details.

“THE DIVINE FORCE” is the only one inside the attribute “NON DIVINE”, who knows how “THE DIVINE”, IHVH, our FATHER looks like, and it is through HER that every creature, inside the attribute “NON DIVINE”, receives image.

In Her council inside of “The ALTAR of ‘THE DIVINE’” inside of the “‘SPIRIT←SPIRIT’ Body” of the Archangel MICHAEL, “THE DIVINE FORCE” saw that, the illusion produced by “THE SEAT OF THE INTELLECT” inside of the “‘SPIRIT←SPIRIT’ Body” of the Archangel MICHAEL, was imperfect and has nothing in the likeness of any of the products that are present in Her “HOUSE”. That illusion had nothing in common with a representation of an aspect of “THE DIVINE”, IHVH, our FATHER.³⁴⁶

³⁴⁶ As we have indicated in one previous annotation, just like the drawings, the works of art, of children, are filled with insights into their inner world and often represent views of their personalities, if an external observer knows what to look for, in much the same extent, were these illusions produced by “THE SEAT OF THE INTELLECT” in the “Specific Energy ‘SPIRIT’ Substance” which covers that “ALTAR of ‘THE DIVINE’” inside the Archangel MICHAEL. The common reaction to the children “funky-looking” artwork displayed on the “refrigerator art gallery” is to smile and ask the questions: “What are these supposed to be?”, “What were they thinking when they drew this?” As such, was the reaction to this illusion generated by the Archangel MICHAEL, and that illusion was supposed to be a representation of that manifested form of that creature that was unknown to them and including into it, that “LIGHT” which is the child of the “‘GOD’ Divine State”.

It is so that, “THE DIVINE FORCE” drove away that illusion produced by “THE SEAT OF THE INTELLECT” of the “‘SPIRIT←SPIRIT’ Body” of the Archangel MICHAEL, and his “Desires of Reproduction” of that illusion, into existence, as a representation of the “LIGHT” of the “‘LIGHT’ Divine State”, which is the child of the attribute “GOD”, were rejected.

Since he does not possess, in his “‘SPIRIT←SPIRIT’ Body”, the elements of “THE ‘LIGHT’ REASON”, the Archangel MICHAEL could not by himself fulfill his “Desires of Reproduction” and manifest his conceived two-faces illusion into existence. Thus, he had reached the “end of the road” for his “Desires of Reproduction”, the limit which has been assigned to constructions with elements of “THE ‘SPIRIT’ REASON”.

It is thus that “THE DIVINE FORCE” established, furthermore, to educate more the Archangel MICHAEL, inside “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — in “THE UNION”.

Several programs were designed and established by “THE DIVINE ARCHITECT AND PROJECT MASTER” to further the education of the Archangel MICHAEL, of the “ADONA’IM”, and the remaining “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” cascading down the hierarchy of communication of the ordinances of the “specific spiritual formation” of “THE CHURCH” from “THE SHEKINAH”, and concerning the basic aspects of “THE DIVINE”, IHVH, our FATHER. At the core of those programs, is a tool designed and established by “THE DIVINE ARCHITECT AND PROJECT MASTER” and which was intended to make sensitive what is not naturally visible to the perception and to reveal the qualities of the manifested metaphor of the “LIGHT” that is hidden in the “LIGHT”, from which arises “THE KNOWLEDGE OF THE DIVINE”, which a manifested assembled structure of “created energy” inside the attribute “NON DIVINE” returns and which allows to perceive, to discern, and to distinguish “THE KNOWLEDGE OF THE DIVINE” from other assembled structures of “created energy”, regardless of the type and shape of the assembled structure of “created energy”. That tool is that, which is designated as: “THE COLOR”.

As we have indicated already, the concept of “THE COLOR” is one of the many concepts that “THE DIVINE ARCHITECT AND PROJECT MASTER” has established in the same way as HE has established the concept of “THE REASON”, from “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, and which will be imprinted and manifested in everything that “THE DIVINE FORCE” will bring forth into existence, and which reveals the qualities of

the “GLORY”³⁴⁷ of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”.

To the manifested metaphors of the three “Core Formative Divine State”, which are the “‘SPIRIT’ Divine State”, the “‘LIGHT’ Divine State”, and the “‘GOD’ Divine State” whose child is the “‘LIGHT’ Divine State”, “THE DIVINE FORCE” has associated three manifested metaphors of the three “Core COLORS”, which were designed and established by “THE DIVINE ARCHITECT AND PROJECT MASTER”, to make sensitive what is not naturally visible to the perception and to reveal the qualities of the manifested metaphor of the “LIGHT” that is hidden in the “LIGHT”. These are the three “Core COLORS” of which the manifestations of metaphors will be designated as: BLUE, YELLOW, and RED. The color “BLUE” is associated with the manifestation of the metaphor of the “‘SPIRIT’ Divine State”, the color “YELLOW” is associated with the manifestation of the metaphor of the “‘LIGHT’ Divine State”, and the color “RED” is associated with the manifestation of the metaphor of the “‘GOD’ Divine State” and as an indication of that, which produces “life energy”.³⁴⁸

³⁴⁷ The “GLORY” is the word used symbolically to refer to the luminous radiation that characterizes the attribute “LIGHT” which describes the second attribute of “THE BODY OF ‘HE WHO IS’” and highlights the distinctive feature of the “divine energy” that emanates from “THE BODY OF ‘HE WHO IS’” and makes it “ALIVE”.

³⁴⁸ Why do you think there are three core (also designated as primary or fundamental) colors for? Why do you think that light-weight substance designated as the “blood” and flowing throughout your physical envelope has been given the color “RED” for?

“BLUE”, “YELLOW”, and “RED” are the primary colours of the electromagnetic spectrum. They are defined as such because no single primary colour can be created from the other two, but all other colours can be formed by combining “BLUE”, “YELLOW”, and “RED” in various proportions. Although the human eye sees luminous radiation as a uniform or homogeneous colour, it is actually composed of various wavelengths of radiation in primarily the ultraviolet, visible and infrared portions of the electromagnetic spectrum. The portion of this radiation, which is visible to the human eye, ranges roughly from 400 nanometers (“VIOLET”) to 700–750 nanometers (“RED”) in the electromagnetic spectrum. It can be shown in its component colours when luminous radiation is passed through a prism, which bends the luminous radiation in differing amounts according to wavelength. Luminous radiation outside of the 400 nanometers (“VIOLET”) to 700–750 nanometers (“RED”) range in the electromagnetic spectrum may be visible to other organisms but cannot be perceived by the human eye.

As we have indicated already, with the three “Core COLORS” and from the “movement” of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, “THE DIVINE ARCHITECT AND PROJECT MASTER” has also designed and established that, which will be designated as the “Palette of COLORS” and which is a very complex³⁴⁹ color-coded mapping, or color-coded labelling, of the happenings taking place inside “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” that “THE DIVINE” has consolidated in Himself and that HE chose to share with the attribute “NON DIVINE”. To each color identified in the “Palette of COLORS”, “THE DIVINE ARCHITECT AND PROJECT MASTER” has assigned a unique attribute and its significance, as well as the “unique word” which is a designation of that attribute.

ספר
הארץ

The wavelengths of visible luminous radiation to the human eye are: “VIOLET” band, 380–450 nm (688–789 THz frequency); “BLUE” band, 450–495 nm; “GREEN” band, 495–570 nm; “YELLOW” band, 570–590 nm; “ORANGE” band, 590–620 nm; “RED” band, 620–750 nm (400–484 THz frequency). Electromagnetic waves with wavelengths in the “VIOLET” band have the shortest wavelengths, hence the highest frequencies and energies. Those with wavelengths in the “RED” band have the longest wavelengths, the shortest frequencies, and the lowest energies.

³⁴⁹ It is not just about the coloring/painting aspect, but it includes many other details related to “THE SCIENCE”, which is behind “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, and summarized using “COLORS”.

Regardless of the type and shape of a manifested assembled structure of “created energy” inside the attribute “NON DIVINE”, the tool designated as “THE COLOR” can be applied to it, in order to make sensitive what is not naturally visible to the perception and to reveal certain aspects of those happenings taking place inside “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”.

“THE DIVINE FORCE” also taught these “ADONA’IM” how the manifested metaphors of the three “Core COLORS” can be combined in varying amounts to produce a gamut of colors, which will be applied on manifested assembled structures of “created energy”. As such, these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” were provided with the knowledge on how to produce an appropriate “movement” in order to apply radiant energy on delimited parts of the “Specific Energy ‘CELESTIAL’ Substance” to selectively produce a vivid color, which is a result of a selective reflection of certain wavelengths of the “electromagnetic spectrum” and optical interference.³⁵⁰ It is so that, from these manifested metaphors of the three “Core COLORS” (these manifested metaphors that are also designated, as you would know already, as the primary, or the fundamental “COLORS”), three secondary colors “GREEN”, “ORANGE” and “VIOLET” are created by mixing two primary colors, and another six tertiary colors are created by mixing primary and secondary colors, etc... In doing so, the manifestation of the metaphor of the “Palette of COLORS” was thus (indirectly) provided to them.

A key objective of providing these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” with the manifestation of the metaphor of the “Palette of COLORS” was to bring them to understand the manifested properties of that “LIGHT” of which they had heard during their education through “THE DIVINE FORCE”, and through the ordinances of the “specific spiritual formation” of “THE CHURCH” from “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” —, that “LIGHT”, which will become their new object of covetousness

³⁵⁰ It is this teaching that some of “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” in their fall from grace will be transmitting to human creatures who in their misery will also begin to exploit each others from that knowledge.

It is of this that ENOCH, of whom METHUSELAH is the descendant, described in the writings that he had left to human creatures, saying:

“...

AZAZEL taught men ... the use of paint, the beautifying of the eyebrows, the use of stones of every valuable and select kind, and all sorts of dyes, so that mankind became corrupted.

...”

and rivalries in their “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”. It is thus that, in some sense, these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” were to perform the “prism experiment”³⁵¹ through

³⁵¹ When our MOTHER — as you have understood already, “THE DIVINE FORCE” is indeed our (yours, you, the one reading these writings) TRUE MOTHER; you are not an orphan on this Earthly world, and “THE DIVINE”, IHVH, is our (yours, you, the one reading these writings) TRUE FATHER — showed me an image of the “prism experiment” and insisted that I look at prism, I smiled and shook my head: INCREDIBLE! Not because I saw the mere image, which is described in textbooks of physics, and which I have seen countless times in the past, but because now I saw the prism from a different perspective and beyond the mere experiment. I saw a summary of the CREATION. Everything around you (who is reading these writings) in this Earthly world is for your education: write it on the table of your heart and never forget it.

As you would know already, an ordinary triangular prism can separate an electromagnetic wave, which transports white luminous radiation into its constituent wavelengths. Each colour making up the white luminous radiation is refracted in a different amount. Each wavelength of luminous radiation is associated to a different colour and refracts at a different angle.

The shorter wavelengths (those toward the “VIOLET” end of the color spectrum) are refracted the most, and the longer wavelengths (those toward the “RED” end of the color spectrum) are refracted the least. The colours transported by an electromagnetic wave of white luminous radiation always emerge through a prism in the same order. The most visible manifested colors (from shorter to longer wavelengths) are: “VIOLET” band, 380–450 nm (688–789 THz frequency); “BLUE” band, 450–495 nm; “GREEN” band, 495–570 nm; “YELLOW” band, 570–590 nm; “ORANGE” band, 590–620 nm; “RED” band, 620–750 nm (400–484 THz frequency); a total of seven most visible color bands, although all others colors are present in there.

themselves in the quality of “prisms” — bounded transparent bodies cut with precise angles and plane faces, usually transparent to the region of the electromagnetic spectrum being observed, and which are used to analyze and reflect a beam of luminous radiation; that is to say, their own “‘SPIRIT←SPIRIT’ Body” as a manifested “prism” (of which they had no knowledge about) through which properties pertaining to “THE DIVINE FORCE” are refracted or dispersed — and by themselves. Through themselves, they were called to discern and learn about the manifested metaphor of the “Palette of COLORS” and as color-coded mapping of happenings³⁵² taking place inside “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, to get a better understanding of this “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, so that they come to understand who they themselves are in relation to “THE DIVINE FORCE” who is “THE DIVINE PRISM”, THE FIVE-DIMENSIONAL FILTER, through which “THE LIGHT OF THE DIVINE” has been filtered and they all have been manifested out into existence; in short, so that they grow in “THE KNOWLEDGE OF THE DIVINE” and its decomposition into its constituents in all their forms inside the attribute “NON DIVINE”.

Having failed to discern the “LIGHT” that is hidden in the “LIGHT”, and that “THE DIVINE FORCE” has embedded in the rational activities that SHE assigned to each of them all along the course of the “First Phase” of “THE HOLY PROJECT”, it is not the “LIGHT” that is hidden in the “LIGHT”, and that “THE DIVINE FORCE” has embedded in large amount in the manifested metaphor of the “Palette of COLORS” and as color-coded mapping of the happenings taking

Also remember the content of the annotation, which we gave at the beginning of these writings and about “THE UNUTTERABLE”, using the terminology of living creatures in a two-dimensional domain (that is, in a plane of existence) and the living creature coming from the three-dimensional domain.

³⁵² In pretty much the same way as with a barcode, a machine-readable code in the form of numbers and a pattern of parallel lines of varying widths, printed on a commodity and used especially for stock control, which you are already familiar with and can be found on virtually every product you buy today in one form or another.

Barcodes are on virtually every product you buy today in one form or another. They usually consist of several black lines of different widths separated by white spaces. Read by a barcode scanner, they are a fast and efficient way to identify products. Manufacturers, distributors, wholesalers and retailers all use barcodes to track inventory and to process sales.

In much the same way is the “Palette of COLORS” with regards to the happenings taking place inside “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”.

place inside “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, that these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, in their “obscurity”, were about to discern. They will keep “sleeping on the kudos of their innate skills”, praising themselves and each others regarding their qualities and capacities, and thinking that they were themselves the ones who were creating things.

Amongst the several programs, which were designed and established by “THE DIVINE ARCHITECT AND PROJECT MASTER” to further the education of the Archangel MICHAEL, of the “ADONA’IM”, and the remaining “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” cascading down the hierarchy of communication of the ordinances of the “specific spiritual formation” of “THE CHURCH” from “THE SHEKINAH”, was the program devised for the development of their creative thinking through a 3D-modelling/shaping/forming of the contours of the identity.

One of the purpose of this 3D-modelling/shaping/forming of the contours of the identity was, for these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, to translate through a 3D-modelling/shaping/forming of the contours of “who they think they are”; in other words, how they identify themselves, as being seen by self and by others as a particular sort of individual, how they perceive the existence, how they perceive themselves in the existence, and also what was their understanding of “THE DIVINE”.

This 3D-modelling/shaping/forming of the contours of the identity exercise was a touchstone and tool of creative exploration that fundamentally enables a visual discovery of the perceptions and ideas related to the qualities of the manifested metaphor of the “LIGHT” that is hidden in the “LIGHT”, from which arises “THE KNOWLEDGE OF THE DIVINE”. This 3D-modelling/shaping/forming of the contours of the identity exercise was, for these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, a fundamental means to translate, document, record and analyse by themselves the “world” in which they inhabited.

This 3D-modelling/shaping/forming of the contours of the identity exercise also intended to help these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” prepare for the understanding of more difficult concepts, which are beyond the limits of elements of “THE ‘SPIRIT’ REASON”, as well as the specifications as established by “THE DIVINE ARCHITECT AND PROJECT MASTER” and associated to those concepts.

Using the manifestation of the metaphor of the “Palette of COLORS”, which was also provided to them, these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had

“free hands” to paint their 3D-modelling/shaping/forming of the contours of the identity exercise of manifested creative thought.

At each step of this 3D-modelling/shaping/forming of the contours of the identity exercise, “THE DIVINE FORCE” also educated and guided the Archangel MICHAEL, the “ADONA’IM”, and the remaining “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” cascading down the hierarchy of communication of the ordinances of the “specific spiritual formation” of “THE CHURCH” from “THE SHEKINAH”, on the specifications established by “THE DIVINE ARCHITECT AND PROJECT MASTER”.

Those specifications, which are based only on the elements of “THE ‘SPIRIT’ REASON”, were intended to make understand and express the metaphors of each of the five “INDISTINCT DIVINE FORMS” which, when taken together, are a representation of that, which is “PERFECT” and which, ensues of the “Divine States” that “THE DIVINE” chose to share with the attribute “NON DIVINE”, as well as other concepts associated with bringing together into a single set of these metaphors of these five “INDISTINCT DIVINE FORMS”.

It is so that, with the passage of time, the Archangel MICHAEL has elaborated a shape, within the specifications established by “THE DIVINE ARCHITECT AND PROJECT MASTER”, and by which he will identify himself later on in the implementation of “THE HOLY PROJECT”; the shape of that, which will be called: the human creature.

This was thus the prelude of the “Second Phase” of the implementation of “THE HOLY PROJECT”.

CHAPTER 147

“PRIDE” AND ABSENCE OF “THE KNOWLEDGE OF THE DIVINE” IN “THE CELESTIAL HOST”:
ORIGIN OF THE “HUBRIS”

CHAPTER 148

ANNOUNCEMENT OF THE “SECOND PHASE” OF THE HOLY PROJECT

All the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of “THE CELESTIAL HOST” — “THE CELESTIAL BODY” — which was created into existence by “THE WORD OF THE DIVINE”, through the Archangel MICHAEL, and by “THE DIVINE FORCE”, also became as numerous as the tasks that had been established and revealed in “THE HOLY PROJECT”.

By this, “THE DIVINE”, IHVH, our FATHER wanted to lead His creatures to develop and grow themselves in “THE KNOWLEDGE OF THE DIVINE” based on “THE ‘SPIRIT’ REASON”, HE wanted to lead them to understand that the particulars and potential of “THE DIVINE FORCE” are unlimited and “THE DIVINE FORCE” extends over all “THE DIVINE BODY” which is unlimited and is capable to perform countless tasks simultaneously and throughout “THE DIVINE BODY”.

All the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of “THE CELESTIAL HOST” — “THE ‘CELESTIAL’ CORPS” — were kept in unity through “THE DIVINE FORCE”.

It is so that, through the creation of this “Specific Energy ‘CELESTIAL’ Domain” and of all the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of “THE CELESTIAL HOST”, “THE DIVINE”, IHVH, our FATHER has manifested into existence in the attribute “NON DIVINE”, a metaphor of the Monad of Origin in the “‘SPIRIT’ Divine State”.

The “Specific Energy ‘CELESTIAL’ Domain” is quite broad and several important tasks that were implemented, kept several “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” very far away from the First “Specific Energy ‘SPIRIT←LIGHT’ Bridge” — “THE SHEKINAH”, “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — which is the main place where “THE CELESTIAL

HOST” came to rejuvenate, to feed from “fruits” of “THE TREE OF LIFE”, these “‘SPIRIT’ specific supply of subsistence” which are necessary for the proper functioning of their “‘SPIRIT←SPIRIT’ Bodies”, and thus obtain the strength needed in order to perform their daily tasks.

The remoteness of the tasks was designed to prepare these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” to the work that “THE DIVINE ARCHITECT AND PROJECT MASTER” had designed for them and that they were to perform, not anymore within the “Specific Energy ‘CELESTIAL’ Domain”, but in the entire space which represents the “MURKY VOID” of the attribute “NON DIVINE”.

It is so that, with the remoteness of important tasks, “THE DIVINE FORCE”, wanted that the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” understand the need to implement a new task:

“CARRY THE PRESENCE OF ‘THE SHEKINAH’ — THE PURE LIGHT OF ‘THE ALTAR OF THE DIVINE’ WHICH IS INSIDE ‘THE SHEKINAH’, AND WHICH IS SOURCE OF LIFE PURE AND HOLY — IN VERY REMOTE PLACES FROM ‘THE SHEKINAH’”.

The implementation of such task would allow the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of “THE CELESTIAL HOST” which were at these very far away locations from “THE SHEKINAH”, to rejuvenate and obtain the necessary strengths directly from this portable aspect of “THE SHEKINAH”, and through “specific mechanisms” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed and established.

Of course, within the “Specific Energy ‘CELESTIAL’ Domain”, “THE DIVINE FORCE” could have create into existence in each of these remote places others “Specific Energy ‘SPIRIT←LIGHT’ Bridges”, similar to the First “Specific Energy ‘SPIRIT←LIGHT’ Bridge” which already existed, and “THE DIVINE FORCE” could have chosen others “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” in “THE CELESTIAL HOST” to ensure the tasks similar to “THE GUARDIANSHIP OF THE SHEKINAH” and of the “specific spiritual formation” of “THE CHURCH” in each of these new “Specific Energy ‘SPIRIT←LIGHT’ Bridge” in synchronization with the First “Specific Energy ‘SPIRIT←LIGHT’ Bridge”.

But, just as “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” is an absolute complete model, it is likewise with its designed manifestation in the attribute “NON DIVINE”, on a larger scale, and, which will be represented by the unique “SPECIFIC SUPREME CONFIGURATION” of the “Specific Generative Energy ‘EARTHLY’ Domain” and the six “Specific Formative

Energy 'EARTHLY' Domains", with the "Specific Energy 'CELESTIAL' Domain" acting as manifestation of a metaphor of the "Cardinal Point" of the "Generative Divine Particle" in "THE DIVINE SUPREME CONFIGURATION" of seven "Divine Particles".

"THE DIVINE ARCHITECT AND PROJECT MASTER" has established the unique "SPECIFIC SUPREME CONFIGURATION" of the "Specific Generative Energy 'EARTHLY' Domain" and the six "Specific Formative Energy 'EARTHLY' Domains", to be also an absolute complete model.

HE designed it so that at the end of its implementation, nothing can be added and nothing can there be removed in this unique "SPECIFIC SUPREME CONFIGURATION" of the "Specific Generative Energy 'EARTHLY' Domain" and the six "Specific Formative Energy 'EARTHLY' Domains" without impairing its stability. And consequently the defined model will lose its completeness and will be incomplete if something else is added or removed from this unique "SPECIFIC SUPREME CONFIGURATION".³⁵³

"THE 'SPIRIT' REASON" is at the core for the expression of all forms and appearances that are associated with the manifestations of these concrete and living images that were so far created into existence in the "Specific Energy 'CELESTIAL' Domain", and the elements of "THE 'SPIRIT' REASON" are not sufficient to describe "THE DIVINE".

It is not through the addition of others "Specific Energy 'SPIRIT←LIGHT' Bridges", of a strength similar to that of the First "Specific Energy 'SPIRIT←LIGHT' Bridge" which already existed, that "THE 'SPIRIT' REASON" would be completed by elements of "THE 'LIGHT' REASON" in order to establish the transition which is defined by "THE 'SPIRIT→LIGHT' REASON".

Moreover, the addition of others "Specific Energy 'SPIRIT←LIGHT' Bridges", of a strength similar to that of the First "Specific Energy 'SPIRIT←LIGHT' Bridge" which already existed, would be sufficient to impair³⁵⁴ the completeness of this

³⁵³ Later during the course of the "Second Phase" of "THE HOLY PROJECT", the completeness of the designed "SPECIFIC SUPREME CONFIGURATION" of the "Specific Generative Energy 'EARTHLY' Domain" and the six "Specific Formative Energy 'EARTHLY' Domains" will be impaired by the deeds of the "'SPIRIT←SPIRIT' 'CELESTIAL' Creatures". We will explain this in a text below.

³⁵⁴ At the time of MOSES, he who received the Tablets of the Decalogue when he still lived on Earth hier below, the mere fact of having transported in the first "Specific Energy 'EARTHLY' Habitation Domain" and placed in the "Earthly Tabernacle", a small part of

unique “SPECIFIC SUPREME CONFIGURATION” of the “Specific Generative Energy ‘EARTHLY’ Domain” and the six “Specific Formative Energy ‘EARTHLY’ Domains”, and therefore the manifestation of indescribable joy, ineffable gladness, and the immeasurable state of equilibrium which ensues from this “SPECIFIC SUPREME CONFIGURATION” will not be shared as “THE DIVINE”, IHVH, our FATHER wanted before that the attribute “NON DIVINE” was designed.

It is so that, “THE DIVINE”, IHVH, our FATHER had several others important projects based on the supreme completeness of the manifestation of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” that “THE DIVINE ARCHITECT AND PROJECT MASTER” had designed before that the “Specific Energy ‘CELESTIAL’ Domain” was even realized into existence and which should be achieved in new places located beyond the limits of the “Specific Energy ‘CELESTIAL’ Domain” and remaining however inside the “MURKY VOID”.

Through the implementation of these new projects, “THE DIVINE”, IHVH, our FATHER has intended to complete “THE ‘SPIRIT’ REASON” and HE wanted to lead His creatures to develop and grow themselves in “THE KNOWLEDGE OF THE DIVINE”, the knowledge of “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” in His various forms, and the understanding of “THE HOLY PROJECT” from which they were “spoken” into existence; and to rectify the deficiency of “THE KNOWLEDGE OF THE DIVINE” that had taken place in “THE SEAT OF THE INTELLECT” in the “‘SPIRIT←SPIRIT’ Body” of

the First “Specific Energy ‘SPIRIT←LIGHT’ Bridge” which is placed in the “Specific Energy ‘CELESTIAL’ Domain” and that was called “THE HOLY IN THE HOLY”, affected the supreme completeness of the unique “SPECIFIC SUPREME CONFIGURATION” of the “Specific Generative Energy ‘EARTHLY’ Domain” and the six “Specific Formative Energy ‘EARTHLY’ Domains”, and therefore the existence of the first “Specific Energy ‘EARTHLY’ Habitation Domain”.

This small part of the First “Specific Energy ‘SPIRIT←LIGHT’ Bridge” was sufficient to destroy the first “Specific Energy ‘EARTHLY’ Habitation Domain”, if it had not been held intact by “specific processes” that “THE DIVINE ARCHITECT AND PROJECT MASTER” had established and which after that these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had learnt and practice their application during the tasks which were assigned to them in “Specific Energy ‘CELESTIAL’ Domain”, were now been performed in the first “Specific Energy ‘EARTHLY’ Habitation Domain” by the two Archangels who were always present in the “Earthly Tabernacle” and around the envelope containing “THE HOLY IN THE HOLY”.

“‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” in the “Specific Energy ‘CELESTIAL’ Domain” inside of the attribute “NON DIVINE”.

“THE DIVINE ARCHITECT AND PROJECT MASTER” had designed the First “Specific Energy ‘SPIRIT←LIGHT’ Bridge” — “THE SHEKINAH”, “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — to express a unique manifestation of a metaphor of the “‘SPIRIT←LIGHT’ INDISTINCT DIVINE FORM” and also a unique manifestation of a metaphor of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, that is, another unique metaphor of “THE DIVINE”, and HE placed it within the “Specific Energy ‘CELESTIAL’ Domain” to indicate and make known the nature and UNIQUENESS of “THE DIVINE”, to all His creatures that will be created into existence both in the “Plane Above” and in the “Plane Below”.

During their existence, within the “Specific Energy ‘CELESTIAL’ Domain”, all the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” saw “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — from the outside, and they came to respect and grow with the knowledge of the sacred nature of “THE SHEKINAH”.

Although, all “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” could see “THE SHEKINAH” from the outside, none of them could see the “Specific Energy ‘SPIRIT’ Substance” and the “Specific Energy ‘LIGHT’ Substance” constituent of “THE SHEKINAH”.

***** Zoom in,
gross sketches of the outside of “THE SHEKINAH”
inside “THE HEAVENLY TABERNACLE” *****

To help you better understand these things, consider the illustrations below and which you know already about. They are gross sketches of the outside of “THE SHEKINAH” inside “THE HEAVENLY TABERNACLE”. Inside “THE HEAVENLY TABERNACLE” where “THE SHEKINAH” is placed, everything is very bright, very illuminated, and as such, the illustrations below are approximative, yet sufficient to bring you to “get the picture”.

In these illustrations, the illuminated portal represents the entry to “THE SHEKINAH”. Inside “THE SHEKINAH”, you have the “Specific Energy ‘SPIRIT’ Substance” and the “Specific Energy ‘LIGHT’ Substance” constituent of “THE

SHEKINAH". The "Specific Energy 'LIGHT' Substance" — the First Begotten of "THE DIVINE FORCE" — is behind the "Specific 'SPIRIT←LIGHT' Frontier" which is manifested inside "THE SHEKINAH" as an impenetrable wall of "PURE FIRE". All the figures around and outside of "THE SHEKINAH" would be the "‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures", in their true external appearances (which is not the winged human appearance that they take when they manifest in front of human creatures) and, when they gather every seven day to celebrate "THE PRAISE" and to receive each, seven times their daily quantity of raw "‘SPIRIT’ specific supply of subsistence" so that they can carry out the weekly tasks that will be entrusted to them.

יצירה ספר

In the next close view illustration, those seven (7) lited flames and those calabashes in front of the illuminated portal are representation of the seven firsts foremost “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures” of “THE CELESTIAL HOST”, before the announcement of the “Second Phase” of the implementation of “THE HOLY PROJECT”. After the “CELESTIAL WAR”, only four amongst those seven will remain; these are the four winged creatures that are represented there in the middle of the artwork. They are: URIEL, represented by the winged creature with the appearance of the LION; RAPHAEL represented by the winged creature with the appearance of the BULL; MICHAEL represented by the winged creature with the appearance of the human, and CAMAEL represented by the winged creature with the appearance of the EAGLE. In another chapter below, we will explain how those appearances came to exist.

Those characters, which are represented as winged creatures and the human-like creatures all around the illuminated portal, are merely representation using symbols, which you, as human creature, are familiar with in the Earthly world in which you live, so that you be able to discern and understand things. In reality, those would be “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures” in their true appearances (which are not human-like as displayed in the illustration).

Observe attentively the illuminated portal and the manifestation of “PURE” “LIGHT” coming out of it; it is a representation of the First “Specific Energy ‘SPIRIT←LIGHT’ Bridge”, seen from the outside.

This announcement of the “Second Phase” of the implementation of “THE HOLY PROJECT” is about the fact of bringing to the attention of those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” that a “new creature” will be brought forth into existence and that, that “new creature”, which will be in the likeness and akin to that illuminated portal, will be able to walk amongst the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and to talk/communicate/interact face-to-face or at distance with the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”. That “new creature” is you, as human creature! This announcement of the “Second Phase” of the implementation of “THE HOLY PROJECT” is about your creation into existence; you, who is reading these writings.

You, as human creature, are akin to that First “Specific Energy ‘SPIRIT←LIGHT’ Bridge” and NONE of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” is. NONE of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” has that “Specific Energy ‘LIGHT’ Substance”, but you as human creature, possess that “Specific Energy ‘LIGHT’ Substance” manifested in you. You, as human creature, are a living manifestation of that First “Specific Energy ‘SPIRIT←LIGHT’ Bridge”; you are a living manifestation of “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’”.

***** Gross sketches of the outside of “THE SHEKINAH”
inside “THE HEAVENLY TABERNACLE”,
Zoom out *****

When the Archangel MICHAEL is present in “THE UNION” inside “THE SHEKINAH”, he stands in front of the “Specific ‘SPIRIT←LIGHT’ Frontier” of this First “Specific Energy ‘SPIRIT←LIGHT’ Bridge”, and communicates viva voce and face-to-face with the manifestation of “THE DIVINE”, IHVH, our FATHER that will be produced by “THE DIVINE FORCE” in “The ALTAR of ‘THE DIVINE’”, which is inside “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” —, and behind the “Specific ‘SPIRIT←LIGHT’ Frontier”. This “Specific ‘SPIRIT←LIGHT’ Frontier” acts as a protective curtain for the “Specific Energy ‘LIGHT’ Substance” constituent of “THE SHEKINAH” and on which the manifestation of “THE DIVINE”, IHVH, our FATHER is projected.

It is so that, “THE SHEKINAH” was a mystery for all “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”.

The “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, that entered the stage of “spiritual adolescence”, also sought to know “THE ONE” from whom they originate, although they were all manifestations of metaphors of “DIVINE PRIMARY WEALTH”. None of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” could (and can) see neither “THE DIVINE”, IHVH, our FATHER, nor “THE DIVINE FORCE”, who had remained invisible and “THE SHEKINAH” was a mystery.

In order to provide elements of answers to their quest to know “THE ONE” from whom they originate, “THE DIVINE ARCHITECT AND PROJECT MASTER” had already designed something UNIQUE, a concrete image of “THE DIVINE”, another unique metaphor of the unique “‘SPIRIT←LIGHT’ INDISTINCT DIVINE FORM”, and also in anticipation to be able to perform the new task which would be to:

“CARRY THE PRESENCE OF ‘THE SHEKINAH’ — THE PURE LIGHT OF ‘THE ALTAR OF THE DIVINE’ WHICH IS INSIDE ‘THE SHEKINAH’, AND WHICH IS SOURCE OF LIFE PURE AND HOLY — IN VERY REMOTE PLACES FROM ‘THE SHEKINAH’”.

“THE DIVINE ARCHITECT AND PROJECT MASTER” had designed a new “Specific Energy ‘SPIRIT←LIGHT’ Bridge” that would reflect the nature of “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — at locations placed in the “SPECIFIC SUPREME CONFIGURATION” of the “Specific Generative Energy ‘EARTHLY’ Domain” and the six “Specific Formative Energy ‘EARTHLY’ Domains” without impairing in whichever way the supreme completeness of this “SPECIFIC SUPREME CONFIGURATION”.

As we have indicated already, from the perspective of the manifestation by metaphor of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, the plane, which is farthest from the proximity of “THE FRONTIER OF THE DIVINE DOMAIN” and passing through the centre of the “MURKY VOID”, and which is designated as the “Plane Below” or the “Plane Underneath”, is the plane associated with the manifestation by metaphor of the “FOOTSTOOL” of the “THRONE”. The “Plane Below” is the plane on which will be revealed the causes and the consequences associated with the manifestation by metaphor of the movement of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, which is established and directed from the “THRONE” (the location of

the first “septenary intersecting point”), and makes detailed development of this movement. In other words, it is on this “Plane Below” that “light will be shedded” on the causes and the consequences associated with the manifestation by metaphor of the movement of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, which is established and directed from the “THRONE”. The KNOWLEDGE of those causes and the consequences associated with the manifestation by metaphor of the movement of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, which is established and directed from the “THRONE”, will be taken out of the place (level, layer) “deep inside” the “THRONE”, where they are kept. The word associated with that place (level, layer) “deep inside” the “THRONE” and where those causes and the consequences associated with the manifestation by metaphor of the movement of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” are kept, translates in the human language by the unique word: “EARTH”; just like a special folder “deep inside” a safe deposit box and where important “blueprint” documents are kept. It is so that this “Plane Below” will also be designated using that same unique word: “EARTH”, as a reference to that place (level, layer) “deep inside”. The “Plane Below” is the plane on which will be revealed the causes and the consequences associated with the manifestation by metaphor of the movement of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, which is established and directed from the “THRONE” and makes detailed development of this movement; they will be “un-EARTH-ed”, taken out of that place (level, layer) “deep inside”, which is designated in the human language by the unique word, which translates to “EARTH”, and revealed.³⁵⁵

Through this new “Specific Energy ‘SPIRIT←LIGHT’ Bridge”, “THE DIVINE ARCHITECT AND PROJECT MASTER” had intended to “give body” to “THE ‘SPIRIT’ REASON”, in which all the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” are defined, by completing it with “THE ‘LIGHT’ REASON” and expressing “THE ‘SPIRIT→LIGHT’ REASON”, the KNOWLEDGE of those causes and the consequences associated with the manifestation by metaphor of the movement of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, which is established and directed from the “THRONE”, on the new creature.

³⁵⁵ A manifestation by metaphore of this is displayed all around you in the world in which you are living, and through the “blueprint”, which is designated as the “seed”, which, when placed inside a tilled ground, will sprout and grow under appropriate conditions, and ultimately reveal the content of the “blueprint”.

“THE DIVINE ARCHITECT AND PROJECT MASTER” had intended to “sow”, to have it “sprout” and “grow” this new “Specific Energy ‘SPIRIT←LIGHT’ Bridge” in order to obtain several others “Specific Energy ‘SPIRIT←LIGHT’ Bridges” similar, in the farthest place from the first “Specific Energy ‘SPIRIT←LIGHT’ Bridge” while remaining within the “MURKY VOID”; that is, located in the “Plane Below” and passing through the very centre of the “MURKY VOID”; that is, located in the “Plane Below” — “THE EARTH”.

It is in the “Plane Below”, that is, “THE EARTH”, that “THE DIVINE”, IHVH, our FATHER chose to implement the “Second Phase” of “THE HOLY PROJECT” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has associated to the achievement into existence in the attribute “NON DIVINE” of the environment and conditions necessary for the manifestation into existence of metaphors of the “‘SPIRIT←LIGHT’ INDISTINCT DIVINE FORM”, as well as the actual realization of these metaphors of the “‘SPIRIT←LIGHT’ INDISTINCT DIVINE FORM”.

It is worth recalling that the “‘SPIRIT←LIGHT’ INDISTINCT DIVINE FORM” is associated with “THE ‘SPIRIT←LIGHT’ EON” added with a unique purpose, a unique disposition of “THE INTELLECT OF THE DIVINE”, and a unique disposition of “THE DIVINE FORCE”.

“THE ‘SPIRIT←LIGHT’ EON”, also called “BETWEEN SPIRIT AND LIGHT EON”, also called the “‘SPIRIT←LIGHT’ UNION”, is defined by an outer structure consisting of the “Divine Particles” in the “‘SPIRIT’ Divine State” (this will be an expression inherited from the inner structure of “‘SPIRIT←SPIRIT’ EON”) and an inner structure consisting of “Divine Particles” which are in the “‘LIGHT’ Divine State”, and all in “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”.

The manifestation of the metaphor of this “UNION” of the “‘SPIRIT’ Divine State” and the “‘LIGHT’ Divine State”, which defines “‘SPIRIT←LIGHT’ UNION” also called “BETWEEN SPIRIT AND LIGHT EON” and also called “THE ‘SPIRIT←LIGHT’ EON”, is symbolically called by a word whose translation in the human language is: the “WEDDING” of the “‘LIGHT’ Divine State”.

The cycle of the unique movement that characterizes “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, and which was associated with the implementation of the “First Phase” of the realization of “THE HOLY PROJECT” had come to its completion, and all the products in the “‘SPIRIT’ Divine State” that “THE DIVINE”, IHVH, our FATHER had chosen to share with the attribute “NON DIVINE”, through manifestations of metaphors, have been produced into existence. It is so that, “THE DIVINE”, IHVH, our FATHER

decided to begin “Second Phase” of the implementation of “THE HOLY PROJECT” that “THE DIVINE ARCHITECT AND PROJECT MASTER” had designed, the implementation of the “WEDDING” of the “‘LIGHT’ Divine State”, and HE announced it to them through the Archangel MICHAEL.³⁵⁶

The manifestation, into existence in the attribute “NON DIVINE”, of the metaphor of this “WEDDING” of the “‘LIGHT’ Divine State” was INEVITABLE, as it has been planned in the details, from eternity when “THE DIVINE”, IHVH, our FATHER had decided to share His great “DIVINE WEALTH” with “OTHER THAN ‘THE DIVINE’”, which is the attribute “NON DIVINE”; thus, from eternity, before that any of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” were “spoken” into existence inside the attribute “NON DIVINE”.

The circumstances, in which the manifestation of the metaphor of this “WEDDING” of the “‘LIGHT’ Divine State” has been announced, were not the expected ones, from the initial objectives, which were established at the onset of “THE HOLY PROJECT”. These circumstances, in which the manifestation of the metaphor of this “WEDDING” of the “‘LIGHT’ Divine State” has been announced, are those of almost total “black out”, the circumstances of a full fledged absence in “THE KNOWLEDGE OF THE DIVINE” within “THE CELESTIAL HOST”.

Thus, to the initial objective of this manifestation of the metaphor of this “WEDDING” of the “‘LIGHT’ Divine State”, which was to complement the elements of “THE ‘SPIRIT’ REASON” with the intermediate elements of “THE ‘SPIRIT→LIGHT’ REASON”, thereby increasing an expected already existing and sustained knowledge base concerning “THE DIVINE”, IHVH, our FATHER, has been added the objective to rectify this “black out” in “THE KNOWLEDGE OF THE DIVINE” within “THE CELESTIAL HOST”, to rectify the deficiency of “THE KNOWLEDGE OF THE DIVINE” that had taken place in “THE SEAT OF THE INTELLECT” in the “‘SPIRIT←SPIRIT’ Body” of “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”.

Throughout the “First Phase” of the realization of “THE HOLY PROJECT”, before the announcement of the “Second Phase” of the realization of “THE HOLY PROJECT”, this poison which is the “HUBRIS” of manifestations of metaphors of

³⁵⁶ It is for the purpose to lead human creatures to understand this, that CHRIST will give them the parable of the Wedding Feast.

Read more in the section concerning the details of annotations — Annotation on the parable of the Wedding Feast.

“DIVINE PRIMARY WEALTH”, had remained hitherto harmless; its noxious effects (“FEAR”, “ANGUISH”, “DOUBT”, and all the others emotions that are generated and expressed into existence in the “‘SPIRIT←SPIRIT’ Body”, to indicate the insufficiency of the degree of presence of “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” in the “Specific ‘SPIRITUAL’ Environment” external and immediate around the “‘SPIRIT←SPIRIT’ Body” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”), were not yet sufficiently felt in “THE CELESTIAL HOST”.

It is so that, with the passage of time and the execution of tasks that “THE DIVINE”, IHVH, our FATHER assigned them and concerning the forthcoming realization of the “Second Phase” of “THE HOLY PROJECT”, “THE SEAT OF THE INTELLECT” in these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, continued its work in this “Specific Energy ‘SPIRIT’ Substance” — that is, on its own material in the void —, ignorant of the specifications that “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed and established in it.

With the announcement of the “Second Phase” of the implementation of “THE HOLY PROJECT”, the “ADONA’IM” who had reached an advanced stage of the “spiritual childhood” and entered in the “spiritual adolescence” stage, had understood that “THE DIVINE”, IHVH, our FATHER would manifest a new “DIVINE PRIMARY WEALTH” on a new creature, other than the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”.

Through the ordinances of the “specific spiritual formation” of “THE CHURCH” from “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” —, the “ADONA’IM” came to understand to some degree that those “DIVINE PRIMARY WEALTH” in the “‘SPIRIT’ Specific State”, and that have been expressed on each of them, as “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, and from which they have attributed themselves grandeur through their names of grandeur that adorn them, will have epithet function, will be only symbols, of this new “DIVINE PRIMARY WEALTH”, in the new creature.

Through the ordinances of the “specific spiritual formation” of “THE CHURCH” from “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” —, the “ADONA’IM” came to understand to some degree that this new “DIVINE PRIMARY WEALTH” will be a part (an essence, a seed) of “THE SHEKINAH” and that will make of this new creature a unique living expression of “THE UNION”.

Moreover, this expression of “THE UNION” will be able to move independently, just as the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, but with the difference that it will bear the famous “LIGHT” which characterizes the “Formative Essence of ‘THE DIVINE’” and of which “THE DIVINE FORCE” had talked to them without however that these “ADONA’IM” grasped the difference between this “LIGHT” of the “‘LIGHT’ Divine State” and the “EPHEMERAL GLOW ‘CELESTIAL’” that covered all the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”.

Covered by this “HUBRIS Spiritual Veil” preventing the “‘SPIRIT←SPIRIT’ Body” to grow up in “THE KNOWLEDGE OF THE DIVINE”, and no longer able to see and recognize the “LIGHT” of “THE DIVINE”, the “ADONA’IM” nevertheless understood that it means another direct communication channel with “THE DIVINE”, IHVH, our FATHER.

They understood that this means another “GOVERNMENT” and so another hierarchy of communication with “THE DIVINE”, from this new creature, other than the one already established through the First “Specific Energy ‘SPIRIT←LIGHT’ Bridge” in the “Specific Energy ‘CELESTIAL’ Domain”, and through which they indulged themselves with the “HUBRIS”.

Not having “THE KNOWLEDGE OF THE DIVINE” in them, having no knowledge of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” that “THE DIVINE” has consolidated in Himself and that HE chose to share with the attribute “NON DIVINE”, the “ADONA’IM” could not understand the meaning of the supreme completeness of this “DIVINE SUPREME CONFIGURATION”, let alone that a “DIVINE DISCOURSE” has been written right “under their noses” and shared into existence and that, “THE DIVINE”, IHVH, our FATHER, through “THE DIVINE FORCE”, has already manifested, within “THE CELESTIAL HOST”, the hierarchical structure of the text of His own “DIVINE DISCOURSE”.

It is not that “THE DIVINE FORCE” did not provide them with knowledge of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”. On the contrary, “THE DIVINE FORCE” taught them of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, but these “ADONA’IM” just looked at the tip of the iceberg and kept praising themselves and each others regarding their qualities and capacities, and did not care about what “THE DIVINE FORCE” was truly teaching them. They did not care about the essential nucleus and true teaching, which is this submerged part of the iceberg, that part which is under the surface of the “water”; this submerged part of the iceberg is “THE KNOWLEDGE OF THE DIVINE” in all its forms and is hidden in these various applications of the concept of the “movement”, considered in its

manifestations under all its forms and all scales, and the state of equilibrium expected from the “movement”.

Because if they had understood it, then, they would have not perceived the new creature as a threat to the object of their “HUBRIS”, but rather they would have understood that the new creature was a product of this “DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” of which the truth of the formulas of relationships between its seven constituent “Divine Particles” and this new creature is fully formalized and demonstrated by the rules, the laws, and the “specific processes” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has established in this unique “DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”.

If they had understood it, then, they would have realized that through this new creature, “THE DIVINE”, IHVH, our FATHER had planned to increase their knowledge about the nature of “THE DIVINE”, showing the intermediate elements of “THE ‘SPIRIT→LIGHT’ REASON” to complete “THE ‘SPIRIT’ REASON”.

But, in their depths of “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” and “narcissism”, not aware that they were in total deficiency of “THE KNOWLEDGE OF THE DIVINE”, not having ever had an unfulfilled desire since each of them was “spoken” into existence in the “Specific Energy ‘CELESTIAL’ Domain”, this announcement came to them as a terrible shock:

Not one amongst them, who are elders of the creation, but a new creature will receive and carry that “LIGHT” of which they had heard during their education through “THE DIVINE FORCE”, and through the ordinances of the “specific spiritual formation” of “THE CHURCH” from “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” —, that “LIGHT”, which became their new object of covetousness and rivalries in their “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”.

To those “ADONA’IM” and those archangels and angels who were all covered by the “HUBRIS Spiritual Veil”, this announcement was appalling, dreadful, rude, and terrible: it was “a bitter pill to swallow”, as if the “floor had vanished underneath their feet”; to put it as CHRIST will explain this later to human creatures, it was like if these elders of the creation “had found themselves in the

middle of nightmares and confusing dreams". The roots of their "HUBRIS" of manifestations of metaphors of "DIVINE PRIMARY WEALTH" and their "narcissism", were shaken and their emotions and "Interpreted THOUGHTS" were "running wild", locked inside their "HUBRIS Spiritual Veil" frozen in that mist of residuals of their own "Interpreted THOUGHTS". In short, they "lost their mind", in the sense that, they became insane, mentally unsound, and extremely foolish, they became exasperated to deal with the challenging situation brought by this announcement.

משה
בן
עמרם

What those "ADONA'IM" and those archangels and angels who were all covered by the "HUBRIS Spiritual Veil", thought they knew about themselves and about the world in which they had lived hitherto, has been contradicted by a new element: that "LIGHT" of which they had heard during their education through "THE DIVINE FORCE", and through the ordinances of the "specific spiritual formation" of "THE CHURCH" from "THE SHEKINAH" — "THE THRONE OF THE DIVINE IN THE ATTRIBUTE 'NON DIVINE'" —, that "LIGHT", which became their new object of covetousness and rivalries in their "HUBRIS" of manifestations of metaphors of "DIVINE PRIMARY WEALTH". And this new element was not to be given to any of the existing "'SPIRIT←SPIRIT' 'CELESTIAL' Creatures", but to a "new creature". From a psychological perspective, these "ADONA'IM" and those archangels and angels who were all covered by the "HUBRIS Spiritual Veil", were in a state of "cognitive dissonance". A cognitive dissonance is an internal conflict, which takes place inside "THE SEAT OF THE INTELLECT" that is not in "HARMONY" with "THE DIVINE", IHVH, our FATHER, and due to the entry and presence in "THE SEAT OF THE INTELLECT" of contradictory or antagonistic information to the already existing cognitions in "THE SEAT OF THE INTELLECT". It is manifested in an individual by an unpleasant emotional state, a state of psychological discomfort, unease or tension, which is expressed in the behaviour as irritability, escape from reality, aggressiveness, and a whole bunch of expressions that are detrimental to the well-being of an individual. It is a state of rupture of "HARMONY" within the individual, that is to say, a state of "CHAOS", contrary to the "HARMONY" prescribed by "THE DIVINE ARCHITECT AND PROJECT MASTER". By "cognitive", we refer to the main functions of "THE SEAT OF THE INTELLECT", using the elements of deep knowledge that individuals have about their behavior, their attitudes, their values, and their environment as input. As such, in an individual, a set of cognitions can be unrelated, consonant, or dissonant with each other. Two cognitions are dissonant when one follows from the obverse of the other. As you would know already, the extent of cognitive dissonance depends on

two primary factors: the importance of cognitions for the subject, the more these cognitions will be linked to the essential values of the subject, the stronger the dissonance will be; and the proportion of dissonant cognitions, the more they are numerous compared to consonant cognitions, the stronger the dissonance will be. Every creature (be it a “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” or even any other creature) inside the attribute “NON DIVINE”, is subjected to the Governing Law of the Behavior, the manifestation of “The Walk within the Acronym IHVH”, and cannot escape it. It is so that, to restore the state of “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER” and get oneself out of a state of “cognitive dissonance”, one must stand in “PURITY” and hold ground in “PURITY”. As we have indicated already, maintaining “PURITY” is the key fundamental prerequisite necessary to achieving “PLENITUDE” through “The Walk within the Acronym IHVH”. “TRUTH” can be difficult to grasp when one does not have knowledge of “THE REASON” (clearly understood, of the unique “Divine Septenary Configuration” of seven “Divine Particles”). However, “PURITY” is not difficult to grasp; where “PURITY” is present in a manifested product of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, in the attribute “NON DIVINE”, there also are present “TRUTH” and “GRACE”. “PURITY” from “HE WHO IS ABOVE” is at the basis of all the constructs defined by this “DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”; it has epithet function in all the attributes of the products of this “DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”.

The joy, the state of gladness that these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had displayed and in which they had lived until then, had evaporated, like “smoke vanishing into thin air”, because they had no base and no stability: they were not based on “THE KNOWLEDGE OF THE DIVINE”, but they were based on the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” which had taken place in their “‘SPIRIT←SPIRIT’ Body”.

With the announcement of the “Second Phase” of the implementation of “THE HOLY PROJECT”, it is so that, in the “‘SPIRIT←SPIRIT’ Body” in the “ADONA’IM” who had reached an advanced stage of the “spiritual childhood” and entered in the “spiritual adolescence” stage, covered by the “HUBRIS Spiritual Veil”, and by instinct to protect the object of their “PRIDE”, “THE SEAT OF THE INTELLECT” quickly found itself faced with an antagonistic choice regarding the ordinances of the “specific spiritual formation” of “THE CHURCH” from “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON

DIVINE’” — regarding the new creature that was seen as a threat to the object of “PRIDE”:

1. To accept the ordinances of the “specific spiritual formation” of “THE CHURCH” from “THE SHEKINAH”; which amounted to accept to remain faithful to “THE DIVINE”, IHVH, our FATHER who was invisible and could not be apprehended; or else
2. To reject the ordinances of the “specific spiritual formation” of “THE CHURCH” from “THE SHEKINAH”; which amounted to reject the veneration of “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — and all that it represented, that is to reject “THE DIVINE”, IHVH, our FATHER and all that HE is.

This antagonistic choice is called: the “HUBRIS CONFLICT”, or the “HUBRIS CHOICE”, or the “ULTIMATE DECISION”.

To reject “THE DIVINE”, IHVH, our FATHER and all that HE is, means: to be removed from the sight of “THE DIVINE”; in other words, this means to leave “THE HOLY PROJECT” and leave the place in which “THE DIVINE”, IHVH, our FATHER chose to implement “THE HOLY PROJECT”; because a creature cannot reject “THE DIVINE”, IHVH, our FATHER and all that HE is, and remain in the premises in which “THE DIVINE”, IHVH, our FATHER chose to implement “THE HOLY PROJECT”.³⁵⁷

The place in which “THE DIVINE”, IHVH, our FATHER chose to implement “THE HOLY PROJECT” is the attribute “NON DIVINE” which is the property of “THE DIVINE”, IHVH, our FATHER.

To leave the attribute “NON DIVINE” means return to nothingness because a creature is not going to leave the attribute “NON DIVINE” to enter “THE DIVINE DOMAIN”; thus to leave the attribute “NON DIVINE” will be expressed by a word whose pronunciation in human language is: “MAVET”, which means “MURKY

³⁵⁷ The creature that would have chosen to reject “THE DIVINE”, IHVH, our FATHER and all that HE is, but that subsequently will want to stay in the place where “THE DIVINE”, IHVH, our FATHER chose to implement “THE HOLY PROJECT”, is reminiscent of the guest at the wedding and who is not dressed for the occasion. It is from this that CHRIST was talking about when he mentioned it in the parable of the Wedding Feast.

Read more in the section concerning the details of annotations — Annotation on the parable of the Wedding Feast.

VOID” (also return to the “MURKY VOID”) or even erasure from the attribute “NON DIVINE”, which will be called “DEATH”.

“THE DIVINE FORCE” showed this through vision communication to the Archangel ZEPHON, whose designation means “Looking Out”, so that he forewarns the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, who were in the absence of “THE KNOWLEDGE OF THE DIVINE” and to whom the specific message of this “Vision” was addressed to. At that time, the Archangel ZEPHON was a very close friend of AZAZEL; they were all part of circles of high ranking “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who for long times had worked together on the tasks that were assigned to them.

At that time, the Archangel ZEPHON did not know what it was and he qualified it using another word provided by “THE DIVINE FORCE” — through the process of education through enlightenment, which we have described already, and through which SHE fulfilled all their “Wishes”, their “Desires” —, and which translates in the human language as: “SHEEMAMON”, meaning “desolation”; a state of complete decay, collapse, disintegration, devastation and destruction, the condition of a place that is empty of life, with nothing pleasant in it.

It is so that, like the fire of a trail of powder, the message of this vision communication sent to the Archangel ZEPHON, has circulated and spreaded wide amongst the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of “THE CELESTIAL HOST”. All the “ADONA’IM”, all the archangels, and all of the others high-ranking “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” without exception, were made aware, by word of mouth and starting from those who were present around the Archangel ZEPHON, about the message of this vision communication, which has been sent to the Archangel ZEPHON. They have all understood about what would happen to the “Specific Energy ‘CELESTIAL’ Domain”, should they reject “THE DIVINE”, IHVH, our FATHER. They have all very well understood that this meant: destruction of the “Specific Energy ‘CELESTIAL’ Domain”. This message was not sent to these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” to threaten them or to force them to accept “THE DIVINE”, IHVH, our FATHER, but this message was sent to them as “a statement of fact”, a call for “course correction”, so that, in the obscurity in which they have plunged themselves, these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” can understand that: the “Specific Energy ‘CELESTIAL’ Substance” constituent of the “Specific Energy ‘CELESTIAL’ Domain” is contaminated with poisons coming out of those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” themselves. If the poisons and those who are sources of poisons are not erased from existence, then the spread of the poisons will cause the destruction of “Specific Energy ‘CELESTIAL’ Domain”. The

“THE DIVINE”, IHVH, our FATHER used to tell, through “THE DIVINE FORCE” — through the process of education through enlightenment, which we have described already, and through which SHE fulfilled all their “Wishes”, their “Desires” —, everything to the Archangel MICHAEL and HE will also make him aware of what would happen to all the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of “THE CELESTIAL HOST” that at the point of “OBLIVION OF THE KNOWLEDGE OF THE DIVINE” will choose to reject “THE DIVINE”, IHVH, our FATHER and all that HE is.

“TEMPTATION” can be present, in “THE SEAT OF THE INTELLECT”, starting only at the point of “OBLIVION OF THE KNOWLEDGE OF THE DIVINE”; that is, when the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” is also present in “THE SEAT OF THE INTELLECT”.

“TEMPTATION” is not generated by something else which is external to “THE SEAT OF THE INTELLECT” considered, and it is “THE SEAT OF THE INTELLECT” itself that will suffer the effects of its own “TEMPTATIONS”.

Be careful when some creatures will tell you: "... *he or she TEMPTED he or she to test his faith in this or that, etc...*".

In the attribute "NON DIVINE", any creature that has not reached the point of "OBLIVION OF THE KNOWLEDGE OF THE DIVINE"; that is, who does not have in itself the "HUBRIS" of manifestations of metaphors of "DIVINE PRIMARY WEALTH", but who has in itself only "PURE, TRUTHFUL, AND AUTHENTIC LOVE OF 'THE DIVINE'", will not know and will not experience that, which is "TEMPTATION".³⁵⁸

With the appearance of the "HUBRIS" of manifestations of metaphors of "DIVINE PRIMARY WEALTH", also appeared into existence in the "Specific 'SPIRITUAL' Environment" external and immediate around of each "'SPIRIT←SPIRIT' 'CELESTIAL' Creature" of "THE CELESTIAL HOST", starting with the "ADONA'IM" and spreading on the others "'SPIRIT←SPIRIT' 'CELESTIAL' Creatures", the "HUBRIS Spiritual Veil", frozen at the point of "OBLIVION OF THE KNOWLEDGE OF THE DIVINE", which confines the "'SPIRIT←SPIRIT' Body" in the absence of "THE KNOWLEDGE OF THE DIVINE" and making the "'SPIRIT←SPIRIT' Body" immune to any emanation of "THE TRUTH".

Thus, with the passage of time and the execution of the tasks that "THE DIVINE", IHVH, our FATHER assigned them and concerning the forthcoming realization of the "Second Phase" of the implementation of "THE HOLY PROJECT", each "'SPIRIT←SPIRIT' 'CELESTIAL' Creature" of "THE CELESTIAL HOST" will reach the point of "OBLIVION OF THE KNOWLEDGE OF THE DIVINE" and be faced with the "HUBRIS CHOICE".

With the announcement of the "Second Phase" of the implementation of "THE HOLY PROJECT", this "HUBRIS CHOICE" and thus the "TEMPTATION", to good or evil, to acceptance of "THE KNOWLEDGE OF THE DIVINE" or to rejection of "THE KNOWLEDGE OF THE DIVINE" — that is, to error where will

³⁵⁸ It is for the purpose to lead human creatures to understand these things that CHRIST always spoke to them using the metaphor of the child in the parables that he gave them.

"... Whoever does not receive "THE DIVINE", IHVH, our FATHER, as a "little child" will never see the "LIGHT" of "THE DIVINE""

To rephrase this using words that you can easily understand:

"... Whoever does not stand in "PURITY" will never see the "LIGHT" of "THE DIVINE""

This follows from the Governing Law of the Behavior, the manifestation of "The Walk within the Acronym IHVH".

ensue the sin, to choose an approach rather than the other, to believe, to think, to suppose this rather than that, etc... — will also be “INDUCED” by the “ADONA’IM”, on several “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” on which the degree of presence of “THE KNOWLEDGE OF THE DIVINE”, in their “‘SPIRIT←SPIRIT’ Body”, had not yet diminished to reach the point of “OBLIVION OF THE KNOWLEDGE OF THE DIVINE”.

The vast majority of “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of “THE CELESTIAL HOST” had been careless of “THE KNOWLEDGE OF THE DIVINE” to the point that none could recognize the “LIGHT” of “THE DIVINE FORCE” through all the manifestations of metaphors of “DIVINE PRIMARY WEALTH” that SHE had expressed on “THE CELESTIAL HOST”, and which is always present and shines all around and outside of the “HUBRIS Spiritual Veil” frozen on “THE SEAT OF THE INTELLECT” in the “‘SPIRIT←SPIRIT’ Body” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”.

It is so that, when these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, who had not yet grown up in “THE KNOWLEDGE OF THE DIVINE” and were still in the stage of “spiritual childhood”, were induced to the “HUBRIS CHOICE” by the “ADONA’IM”, or by those who had already made their choice, these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” at the stage of “spiritual childhood” and on which the degree of presence of “THE KNOWLEDGE OF THE DIVINE”, in their “‘SPIRIT←SPIRIT’ Body”, had not yet diminished to reach the point of “OBLIVION OF THE KNOWLEDGE OF THE DIVINE”, will choose according to affinities and by conveniences with those who had already made their choice; like fishes following the course of a river.

The choice made by these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” at the stage of “spiritual childhood” and who had chosen according to affinities and by conveniences with those who had already made their choice, was conditioned by the “ADONA’IM”, or by those who had already made their choice, and who had succeeded in obstructing the elements of “THE ‘SPIRIT’ REASON” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has restricted to “THE SEAT OF THE INTELLECT” of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” at the stage of “spiritual childhood”.

The “ADONA’IM”, or those who had already made their choice, had managed to make this obstruction because the degree of presence of “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” in the “Specific ‘SPIRITUAL’ Environment” external and immediate around of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” at the stage of “spiritual childhood” was not sufficient

and, moreover, these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” at the stage of “spiritual childhood” had not yet grown in “THE KNOWLEDGE OF THE DIVINE”.³⁵⁹

When the “HUBRIS” of manifestations of metaphors of the “DIVINE PRIMARY WEALTH” is not present in “THE SEAT OF THE INTELLECT”, the “HUBRIS CHOICE” either will not be present in “THE SEAT OF THE INTELLECT”.

When this “HUBRIS CONFLICT” appears into existence in “THE SEAT OF THE INTELLECT”, then, the layers of the “Specific Atomic ‘SPIRIT’ Substances” constituents of “THE SEAT OF THE INTELLECT” will emit “distress signals”.

Whenever a “distress signal” is emitted by “THE SEAT OF THE INTELLECT”, an emotion is generated and expressed into existence in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” to indicate the presence of this “HUBRIS CONFLICT” and also to indicate that the rules and principles of functioning that “THE DIVINE ARCHITECT AND PROJECT MASTER” has established are no longer fulfilled in “THE SEAT OF THE INTELLECT” within the “‘SPIRIT←SPIRIT’ Body” of the considered “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”.

“FEAR”, “ANGUISH”, “DOUBT”, etc..., are parts of these emotions that are generated and expressed into existence in “THE SEAT OF THE INTELLECT” to indicate the presence of this “HUBRIS CONFLICT”. These emotions reflect the intense anxiety and the doubt, which are related to the oblivion of “THE KNOWLEDGE OF THE DIVINE”, and which were providing a sense of the increasing deficit of “‘SPIRIT’ specific supply of subsistence” in “THE SEAT OF THE INTELLECT”.

In anyone who is prone to the Governing Law of the Behavior, the manifestation of “The Walk within the Acronym IHVH”, these emotions of “FEAR”, “ANGUISH”, “DOUBT”, etc..., are the progeny of “IMPURITY” in all its forms; they are progeny of residuals of “Interpreted THOUGHTS”.

³⁵⁹ The “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” will also act in this way towards the first human creature with the adjective “MALE” — and who will be called “ADAM” — and towards his descendants in order, said the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, to detach humanity from that, which is not good and to place them among that, which is good in the eyes of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”. But, in truth, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” covered by the “HUBRIS Spiritual Veil”, wanted to take anyone who was free and subjugate him forever; For, these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” did not have “THE KNOWLEDGE OF THE DIVINE” in themselves.

It is in these circumstances of “FEAR”, “ANGUISH”, “DOUBT”, etc..., within the “‘SPIRIT←SPIRIT’ Body” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” that will begin the work on the realization of the “Second Phase” of “THE HOLY PROJECT” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed in “THE SUPREME PLENITUDE”, from eternity, before the creation of “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” into existence in the “Specific Energy ‘CELESTIAL’ Domain” in the attribute “NON DIVINE”, and, from eternity, before the creation of the attribute “NON DIVINE”.

Through “THE INTELLECT OF THE DIVINE”, “THE DIVINE” conceives Himself and builds up, according to his own plans, architectures made of “Divine Particles”: “THE INTELLECT OF THE DIVINE” is “THE ARCHITECT OF THE DIVINE”.

“THE DIVINE” creates Himself, and performs the designs of His “DIVINE ARCHITECT AND PROJECT MASTER” in the “SILENCE”, using “THE DIVINE FORCE”. These realized designs of “THE DIVINE FORCE” are the “INDISTINCT DIVINE FORMS”.

All the living forms, delineated parts and entities of this “Specific Energy ‘EARTHLY’ Substance” constituent of that, which will be the first “Specific Energy EARTHLY’ Habitation Domain” for the living creatures that “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed to dwell in this “Plane Below”, will be created from:

- CHAPTER 149
THE DESIGNED MODELS TO BE SCULPTED IN THE “SPECIFIC ENERGY ‘EARTHLY’
SUBSTANCE” CONSTITUENT OF THE FIRST “SPECIFIC ENERGY ‘EARTHLY’ HABITATION
DOMAIN”

2. A metaphor of the “‘SPIRIT←SPIRIT’ INDISTINCT DIVINE FORM”:
this will be the “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creature” model.
3. A metaphor of the “‘SPIRIT←LIGHT’ INDISTINCT DIVINE FORM”:
this will be the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model.

THE DESIGNED MODELS TO BE SCULPTED IN THE “SPECIFIC ENERGY ‘EARTHLY’
SUBSTANCE” CONSTITUENT OF THE FIRST “SPECIFIC ENERGY ‘EARTHLY’ HABITATION
DOMAIN”

CHAPTER 150

THE “VEGETAL ‘EARTHLY’ CREATURE” MODEL AT THE ORIGIN OF THE FLORA

From eternity, before the creation of the attribute “NON DIVINE”, “THE DIVINE ARCHITECT AND PROJECT MASTER” had designed the “Vegetal ‘EARTHLY’ Creature” model that “THE DIVINE FORCE” would produce into existence in the “Specific ‘EARTHLY’ Environment”, from a metaphor of the “EON” associated to the “‘SPIRIT’ Divine State” and that “THE DIVINE” would have chosen to share with the attribute “NON DIVINE”, by adding only a purpose to their manifestations in the attribute “NON DIVINE”, without adding a provision of “THE INTELLECT OF THE DIVINE”, also without adding a provision of “THE DIVINE FORCE”, and from the “Specific Elementary ‘EARTHLY’ Particle”.

To achieve this, “THE DIVINE ARCHITECT AND PROJECT MASTER” has also designed the model of that, which will be called the “Vegetal ‘EARTHLY’ Creature”.

This “Vegetal ‘EARTHLY’ Creature” model is a structure formed by:

1. A “Specific Energy ‘EARTHLY’ Essence Substance” built from “Specific Atomic ‘EARTHLY’ Substances” in a first “‘EARTHLY’ Specific State”.

This “Specific Energy ‘EARTHLY’ Essence Substance” is the “factory site” for the production of the “‘EARTHLY’ specific supply of subsistence”. It is the “life force”, for the “Vegetal ‘EARTHLY’ Creature” model, and which will allow the manifestation of the “Vegetal ‘EARTHLY’ Creature” model to remain into existence (that is, to subsist) in the appropriate “‘EARTHLY’ Specific State”.

This “Specific Energy ‘EARTHLY’ Essence Substance” is the “Quintessential Substance” (also designated as the “Substance par

Excellence”)³⁶⁰ of the “Vegetal ‘EARTHLY’ Creature” model. It embodies the “quintessential” — that is to say, the manifestation of the metaphor of the seal of “PERFECTION” in the order of quality and “PURITY”, the expression of that, which is best, more “thinner”³⁶¹, more concentrated, more precious in —, or the “life force of” the “Vegetal ‘EARTHLY’ Creature” model.

It is through the “‘EARTHLY’ specific supply of subsistence” produced by this “Specific Energy ‘EARTHLY’ Essence Substance” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has expressed, wrote in the form of highly complex arrangement of “Specific Atomic ‘EARTHLY’ Substances” (think of these as chemical compounds — chemical substances composed of many identical molecules composed of “Specific Atomic ‘EARTHLY’ Substances” from more than one element held together by chemical bonds, in the “‘EARTHLY’ Specific State” of this “Specific Energy ‘EARTHLY’ Essence Substance”) and their activities, the unique purpose for which a given manifestation of the “Vegetal ‘EARTHLY’ Creature” model was designed and produced into existence in the attribute “NON DIVINE”, including the unique set of properties associated with such unique purpose.

The structure of this “Specific Energy ‘EARTHLY’ Essence Substance” is very complex, delicate, and characterized by readily dislocation in the “Specific ‘EARTHLY’ Environment” and “flows freely”³⁶² into the

³⁶⁰ Using the concept of a plant, which you are already familiar with, you can think of this “Specific Energy ‘EARTHLY’ Essence Substance” by analogy to that, which is designated as the “Essential Oil” of a plant, before its isolation or extraction from the plant. The “Essential Oil” of a plant is the result of attempts to isolate or to extract the “Quintessential Substance” (also designated as the “Substance par Excellence”) of the plant by distillation or pressing processes. Such result is a highly concentrated PURE natural chemical substance, designated as the “Essential Oil”, which has retained certain properties characteristic of the plant from which it originates. The “Essential Oil” of a plant is different from one plant to another, although the same organic compounds of various complexities may be found in different plants.

³⁶¹ In one previous chapter, we have already defined the concept of “thinner” through the “specific non-spiritual coating” densities.

³⁶² In one previous chapter, we have already defined the concept of “flows freely” through the “specific non-spiritual coating” densities.

“Specific ‘EARTHLY’ Environment” if it is not protected and kept in a container. This “Specific Energy ‘EARTHLY’ Essence Substance” will seem elusive and “invisible” if compared to the remaining constituents parts of the “Vegetal ‘EARTHLY’ Creature” model.

It is thus that, to keep this “Specific Energy ‘EARTHLY’ Essence Substance” immaculate and intact, and so that it performs its due role in the “Vegetal ‘EARTHLY’ Creature” model, it is entirely covered, embedded and protected inside the structure of a container defined, by:

2. A “Specific Energy ‘EARTHLY’ Substance” also built from “Specific Atomic ‘EARTHLY’ Substances” in a second “‘EARTHLY’ Specific State”, different from the first “‘EARTHLY’ Specific State”.

In addition to performing its own well-defined functions related to the purpose of the manifestation of the “Vegetal ‘EARTHLY’ Creature” model into existence in the attribute “NON DIVINE” and in the “Specific ‘EARTHLY’ Environment”, this “Specific Energy ‘EARTHLY’ Substance”, also acts as the “storage facility” of the “‘EARTHLY’ specific supply of subsistence” in the “Vegetal ‘EARTHLY’ Creature” model, and which is produced by the “Specific Energy ‘EARTHLY’ Essence Substance” functioning as the “factory site” for the production of that “‘EARTHLY’ specific supply of subsistence”.

This “Specific Energy ‘EARTHLY’ Substance” does not by itself produce “‘EARTHLY’ specific supply of subsistence”. To keep this “Specific Energy ‘EARTHLY’ Substance” immaculate and intact, and so that it performs its due role in the “Vegetal ‘EARTHLY’ Creature” model, it is in turn entirely covered, embedded and protected inside the structure of a container defined, by:

3. An external “Specific Energy ‘EARTHLY’ Envelope” built from “Specific Atomic ‘EARTHLY’ Substances” in a third “‘EARTHLY’ Specific State”, different from both the first “‘EARTHLY’ Specific State” and the second “‘EARTHLY’ Specific State”. This external “Specific Energy ‘EARTHLY’ Envelope” will be the readily and most “visible” part of the manifestation of the “Vegetal ‘EARTHLY’ Creature” model into existence in the attribute “NON DIVINE” and in the “Specific ‘EARTHLY’ Environment”.

All components of the “Vegetal ‘EARTHLY’ Creature” are complex structures that “THE DIVINE FORCE” will build from “Specific Atomic ‘EARTHLY’ Substances”.

“THE DIVINE FORCE” will perform it in the sight of all “THE CELESTIAL HOST” so that the elders of the creation can understand how the “Specific Energy ‘CELESTIAL’ Domain” in which they live has been shaped. But much more, “THE DIVINE FORCE” will perform it in the sight of all “THE CELESTIAL HOST” so that the elders of the creation can grow up in “THE KNOWLEDGE OF THE DIVINE”.

“THE DIVINE ARCHITECT AND PROJECT MASTER” has endowed this “Vegetal ‘EARTHLY’ Creature” model with several particulars and several functions, notably the capacity to synthesize various forms of “Specific Atomic ‘EARTHLY’ Substances” constituents of the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, by developing own elements of subsistence using these “Specific Atomic ‘EARTHLY’ Substances”.

All manifestations of this “Vegetal ‘EARTHLY’ Creature” model will be “INDISTINCT FORMS OF THE SPECIFIC ENERGY ‘EARTHLY’ SUBSTANCE” having their attachments in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”.

Due to the continuous movement of the “Specific Atomic ‘EARTHLY’ Substances” constituents of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, the first “Specific Energy ‘EARTHLY’ Habitation Domain” is a giant electromagnetic field entirely filled with “electromagnetic waves”, which is illuminated by the luminous radiation emanating from the “Specific Generative Energy ‘EARTHLY’ Domain”. It is thus that the manifested colors (including “structural coloring”) of the manifestations of this “Vegetal ‘EARTHLY’ Creature” model, will be determined by (1) the optical properties of their “photonic structures” —that is to say, the periodically ordered patterns with a period of the order of the luminous radiation wavelength and which is exhibited by the outer layers of plant tissues, including flower petals, leaves and fruits — and (2) the wavelengths of the “electromagnetic spectrum” associated with the luminous radiation emanating from the “Specific Generative Energy ‘EARTHLY’ Domain”.

Some various manifestations of this “Vegetal ‘EARTHLY’ Creature” model will allow to maintain a state of dynamic equilibrium of the “‘EARTHLY’ specific supply of subsistence” in the “Specific Energy ‘EARTHLY’ Substance”, and particular living conditions in this “Specific Energy ‘EARTHLY’ Substance”, by synthesizing its constituents “Specific Atomic ‘EARTHLY’ Substances”: each

manifestation of the “Vegetal ‘EARTHLY’ Creature” model having a unique purpose in this “Specific Energy ‘EARTHLY’ Substance”.

Other manifestations of this model of the “Vegetal ‘EARTHLY’ Creature” model will produce “fruits” that can be consumed by the “INDISTINCT FORMS OF THE SPECIFIC ENERGY ‘EARTHLY’ SUBSTANCE” that will be manifestations of the metaphors of the “‘SPIRIT←SPIRIT’ INDISTINCT DIVINE FORM” and of the “‘SPIRIT←LIGHT’ INDISTINCT DIVINE FORM”.

“THE DIVINE ARCHITECT AND PROJECT MASTER” has designed and established it this way in order to be able to share “THE KNOWLEDGE OF THE DIVINE” with this first “Specific Energy ‘EARTHLY’ Habitation Domain” and to lead the creatures that will be produced from a metaphor of the “‘SPIRIT←SPIRIT’ INDISTINCT DIVINE FORM” and of the “‘SPIRIT←LIGHT’ INDISTINCT DIVINE FORM” to which “THE DIVINE” would have added a unique provision of “THE INTELLECT OF THE DIVINE”, to understand that “THE DIVINE” has His attachments in Himself; from Himself HE has produced and developed the knowledge of Himself, from Himself HE produces Himself, from Himself HE is nourished, from Himself HE maintains His state of equilibrium.

Each manifestation of this “Vegetal ‘EARTHLY’ Creature” model will be a living expression of a characteristic function used in “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” in the “‘SPIRIT’ Specific State”. Therefore, each manifestation of this “Vegetal ‘EARTHLY’ Creature” model will have its usefulness in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”.

CHAPTER 151

Long before the beginning of the creation of the “Specific Energy ‘CELESTIAL’ Domain”, “THE DIVINE ARCHITECT AND PROJECT MASTER” had also designed the “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creature” model, the mould from which “THE DIVINE FORCE” would produce the “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creatures” into existence in the “Specific ‘EARTHLY’ Environment”, from:

- The “Specific Elementary ‘EARTHLY’ Particle”;
- The “Specific Elementary ‘SPIRIT’ Particle”; and
- A metaphor of the “‘SPIRIT←SPIRIT’ INDISTINCT DIVINE FORM”, following the “Specific Energy ‘SPIRIT←LIGHT’ Bridge” model of the “Specific ‘SPIRITUAL’ Environment”.

This “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creature” model ensues from an expression, in the attribute “NON DIVINE”, of the metaphor of “THE ‘SPIRIT←SPIRIT’ EON” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has identified within “THE DIVINE DOMAIN”.

This “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creature” model is a structure formed by:

1. A “Specific Energy ‘SPIRIT’ Essence Substance” built from “Specific Atomic ‘SPIRIT’ Substances” in a first “‘SPIRIT’ Specific State”.

This “Specific Energy ‘SPIRIT’ Essence Substance” is the “factory site” for the production of the “‘SPIRIT’ specific supply of subsistence”. It is the “life force”, for the “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creature” model, and which will allow the manifestation of the “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creature” model to remain into existence (that is, to subsist) in the appropriate “‘SPIRIT’ Specific

State”.

This “Specific Energy ‘SPIRIT’ Essence Substance” is the “Quintessential Substance” (also designated as the “Substance par Excellence”)³⁶³ of the “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creature” model. It embodies the “quintessential” — that is to say, the manifestation of the metaphor of the seal of “PERFECTION” in the order of quality and “PURITY”, the expression of that, which is best, more “thinner”³⁶⁴, more concentrated, more precious in —, or the “life force of” the “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creature” model.

It is through the “‘SPIRIT’ specific supply of subsistence” produced by this “Specific Energy ‘SPIRIT’ Essence Substance” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has expressed, wrote in the form of highly complex arrangement of “Specific Atomic ‘SPIRIT’ Substances” (think of these as chemical compounds — chemical substances composed of many identical molecules composed of “Specific Atomic ‘SPIRIT’ Substances” from more than one element held together by chemical bonds, in the “‘SPIRIT’ Specific State” of this “Specific Energy ‘SPIRIT’ Essence Substance”) and their activities, the unique purpose for which a given manifestation of the “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creature” model was designed and produced into existence in the attribute “NON DIVINE”, including the unique set of properties associated with such unique purpose.

The structure of this “Specific Energy ‘SPIRIT’ Essence Substance” is very complex, delicate, and characterized by readily dislocation in the

³⁶³ Using the concept of a plant, which you are already familiar with, you can think of this “Specific Energy ‘SPIRIT’ Essence Substance” by analogy to that, which is designated as the “Essential Oil” of a plant, before its isolation or extraction from the plant. The “Essential Oil” of a plant is the result of attempts to isolate or to extract the “Quintessential Substance” (also designated as the “Substance par Excellence”) of the plant by distillation or pressing processes. Such result is a highly concentrated PURE natural chemical substance, designated as the “Essential Oil”, which has retained certain properties characteristic of the plant from which it originates. The “Essential Oil” of a plant is different from one plant to another, although the same organic compounds of various complexities may be found in different plants.

³⁶⁴ In one previous chapter, we have already defined the concept of “thinner” through the “specific non-spiritual coating” densities.

“Specific ‘EARTHLY’ Environment” and “flows freely”³⁶⁵ into the “Specific ‘SPIRITUAL’ Environment” if it is not protected and kept in a container. This “Specific Energy ‘SPIRIT’ Essence Substance” will seem elusive and “invisible” if compared to the remaining constituents parts of the “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creature” model.

“THE DIVINE ARCHITECT AND PROJECT MASTER” will endow this “Specific Energy ‘SPIRIT’ Essence Substance” with metaphors of the particulars of a “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” and that the chosen “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” has developed throughout its existence in the “Specific Energy ‘CELESTIAL’ Domain”.

It is thus that, to keep this “Specific Energy ‘SPIRIT’ Essence Substance” immaculate and intact, and so that it performs its due role in the “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creature” model, it is entirely covered, embedded and protected inside the structure of a container defined, by:

2. A “Specific Energy ‘SPIRIT’ Substance” also built from “Specific Atomic ‘SPIRIT’ Substances” in a second “‘SPIRIT’ Specific State”, different from the first “‘SPIRIT’ Specific State”.

In addition to performing its own well-defined functions related to the purpose of the manifestation of the “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creature” model into existence in the attribute “NON DIVINE” and in the “Specific ‘EARTHLY’ Environment”, this “Specific Energy ‘SPIRIT’ Substance”, also acts as the “storage facility” of the “‘SPIRIT’ specific supply of subsistence” in the “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creature” model, and which is produced by the “Specific Energy ‘SPIRIT’ Essence Substance” functioning as the “factory site” for the production of that “‘SPIRIT’ specific supply of subsistence”.

This “Specific Energy ‘SPIRIT’ Substance” does not by itself produce that “‘SPIRIT’ specific supply of subsistence”. To keep this “Specific Energy ‘SPIRIT’ Substance” immaculate and intact, and so that it performs its due role in the “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creature”

model, it is in turn entirely covered, embedded and protected inside the structure of a container defined, by:

3. An external “Specific Energy ‘EARTHLY’ Envelope” built from “Specific Atomic ‘EARTHLY’ Substances” in a “‘EARTHLY’ Specific State”. This external “Specific Energy ‘EARTHLY’ Envelope” will be the readily and most “visible” part of the manifestation of the “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creature” model into existence in the attribute “NON DIVINE” and in the “Specific ‘EARTHLY’ Environment”.

מ
ר
י
ל

“THE DIVINE ARCHITECT AND PROJECT MASTER” has endowed the “Specific Energy ‘SPIRIT’ Essence Substance” with a “‘SPIRIT’ specific supply of subsistence” and HE has defined and established a fundamental “‘SPIRIT’ specific supply of subsistence” necessary to maintain intact the capacity of all internal “specific processes” of this “Specific Energy ‘SPIRIT’ Essence Substance”, without exception, to execute their predefined “specific tasks” to produce the “specific work” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has also predefined for this “Specific Energy ‘SPIRIT’ Essence Substance”.

This “Specific Energy ‘SPIRIT’ Essence Substance” **is not a “TREE OF LIFE”**.

ב
ר
א
ל

“THE DIVINE ARCHITECT AND PROJECT MASTER” has also endowed the “Specific Energy ‘SPIRIT’ Substance” of the “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creature” model with structures (or organs), basis instincts, and of particular capacities characteristic similar of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model; however, HE has limited and diminished these capacities in the “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creature”.

All the spiritual components of this “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creature” model form its “‘SPIRIT←SPIRIT’ Body”.

With exception of the first and the fourth concepts, “THE DIVINE ARCHITECT AND PROJECT MASTER” will also apply to this “‘SPIRIT←SPIRIT’ Body” of the model the “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creature”, the four others concepts that HE had designed to be applied to His creatures in the attribute “NON DIVINE” and which are the origin and the profound meaning of the words “FATHER”, “MOTHER”, “THE BIRTH”, “CHILD”, as well as the adjectives “MALE” and “FEMALE” in the attribute “NON DIVINE”, and that we have already described earlier.

The functioning of the spiritual components of this “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creature” model is reminiscent of the functioning of their likes in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model.

The external “Specific Energy ‘EARTHLY’ Envelope” and inside of which are the “Specific Energy ‘SPIRIT’ Essence Substance” and the “Specific Energy ‘SPIRIT’ Substance”, is a garment for the “‘SPIRIT←SPIRIT’ Body” of this “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creature” model. It is the “Specific ‘EARTHLY’ Garment” of the “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creature”.

It is thus that, from the perspective of the “Specific ‘SPIRITUAL’ Environment”, a manifestation of the “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creature” model, into existence in the attribute “NON DIVINE” and in the “Specific ‘EARTHLY’ Environment”, is a “‘SPIRIT←SPIRIT’ ‘SPIRITUAL’ Creature” (which is represented by a “‘SPIRIT←SPIRIT’ Body”, which comprises a “Specific Energy ‘SPIRIT’ Essence Substance” and a “Specific Energy ‘SPIRIT’ Substance”, which covers it) wearing a “Specific ‘EARTHLY’ Garment”.

From the perspective of the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, the “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creature” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed as such is a cohesive subset of this “Specific Energy ‘EARTHLY’ Substance”, an integral and delineated part of the “Specific Energy ‘EARTHLY’ Substance” in the attribute “NON DIVINE”: that is, an “INDISTINCT FORM” OF THE “SPECIFIC ENERGY ‘EARTHLY’ SUBSTANCE”

Due to the continuous movement of the “Specific Atomic ‘EARTHLY’ Substances” constituents of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, the first “Specific Energy ‘EARTHLY’ Habitation Domain” is a giant electromagnetic field entirely filled with “electromagnetic waves”, which is illuminated by the luminous radiation emanating from the “Specific Generative Energy ‘EARTHLY’ Domain”. It is thus that the manifested colors (including “structural coloration”³⁶⁶) of the “Specific ‘EARTHLY’ Garment”, which the “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creature” wears, will be determined by both the

³⁶⁶ The “structural coloration” properties in the “**Specific** ‘EARTHLY’ Garment” of the “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creature” will be the result of a “projection” of the properties of the “Specific ‘CELESTIAL’ Garment” of appropriate “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, and we will then speak of the “**Subjective** ‘EARTHLY’ Garment” of the “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creature”. We will explain this “projection” in another chapter below.

“pigmentary” and the “structural coloring” properties of the “Specific ‘EARTHLY’ Tegumentary Structure” of that “Specific ‘EARTHLY’ Garment” and the wavelengths of the “electromagtic spectrum” associated with the luminous radiation emanating from the “Specific Generative Energy ‘EARTHLY’ Domain”. Some “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creatures” will be able, from their own volition, to choose to selectively absorb and reflect certain wavelengths of the “electromagtic spectrum”.

THE “SPIRIT←LIGHT” ‘EARTHLY’ CREATURE” MODEL IN THE IMAGE OF THE “SPIRIT←LIGHT” INDISTINCT DIVINE FORM”

- The “Specific Elementary ‘EARTHLY’ Particle”;
- The “Specific Elementary ‘SPIRIT’ Particle”;
- The “Specific Elementary ‘LIGHT’ Particle”; and
- A metaphor of the “‘SPIRIT←LIGHT’ INDISTINCT DIVINE FORM”, following the “Specific Energy ‘SPIRIT←LIGHT’ Bridge” model of the “Specific ‘SPIRITUAL’ Environment”.

Therefore, the “SPIRIT←LIGHT” ‘EARTHLY’ Creature” model is a structure formed by:

1. A “Specific Energy ‘LIGHT’ Substance” built from “Specific Atomic ‘LIGHT’ Substances”.

This “Specific Energy ‘LIGHT’ Substance” is the “factory site” operating from the “‘LIGHT’ specific supply of subsistence” obtained, from external third-party, as raw material for the internal production of the “‘SPIRIT’ specific supply of subsistence”. It is the “life force”, for the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, and which will allow the manifestation of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model to remain into existence (that is, to subsist) in the appropriate “‘SPIRIT→LIGHT’ Specific State”. In this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, this produced “‘SPIRIT’ specific supply of subsistence” is also the source from which are produced the crude “‘SPIRIT’ specific supply of subsistence”, which will be used by the “Specific Energy ‘SPIRIT’ Essence Substance” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model as raw material for the production of diluted “‘SPIRIT’ specific supply of subsistence”. We will explain this in another chapter below.

This “Specific Energy ‘LIGHT’ Substance” is the “Quintessential Substance” (also designated as the “Substance par Excellence”)³⁶⁷ of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model. It embodies the “quintessential” — that is to say, the manifestation of the metaphor of the seal of “PERFECTION” in the order of quality and “PURITY”, the expression of that, which is best, more “thinner”³⁶⁸, more concentrated, more precious in —, or the “life force of” the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, and consequently of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model; but the reverse do not hold true, that is to say, the “life force” of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model does not imply the “life force” of the

³⁶⁷ Using the concept of a plant, which you are already familiar with, you can think of this “Specific Energy ‘LIGHT’ Substance” by analogy to that, which is designated as the “Essential Oil” of a plant, before its isolation or extraction from the plant. The “Essential Oil” of a plant is the result of attempts to isolate or to extract the “Quintessential Substance” (also designated as the “Substance par Excellence”) of the plant by distillation or pressing processes. Such result is a highly concentrated PURE natural chemical substance, designated as the “Essential Oil”, which has retained certain properties characteristic of the plant from which it originates. The “Essential Oil” of a plant is different from one plant to another, although the same organic compounds of various complexities may be found in different plants.

³⁶⁸ In one previous chapter, we have already defined the concept of “thinner” through the “specific non-spiritual coating” densities.

“SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model.

It is through the “SPIRIT’ specific supply of subsistence” produced by this “Specific Energy ‘LIGHT’ Substance” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has expressed, wrote in the form of highly complex arrangement of “Specific Atomic ‘LIGHT’ Substances” (think of these as chemical compounds — chemical substances composed of many identical molecules composed of “Specific Atomic ‘LIGHT’ Substances” from more than one element held together by chemical bonds, in the “LIGHT’ Specific State” of this “Specific Energy ‘LIGHT’ Substance”) and their activities, the unique purpose for which a given manifestation of the “SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model was designed and produced into existence in the attribute “NON DIVINE”, including the unique set of properties associated with such unique purpose.

The structure of this “Specific Energy ‘LIGHT’ Substance” is very complex, delicate, and characterized by readily dislocation in the “Specific ‘EARTHLY’ Environment” and “flows freely”³⁶⁹ into the “Specific ‘SPIRITUAL’ Environment” if it is not protected and kept in a container. This “Specific Energy ‘LIGHT’ Substance” will seem elusive and “invisible” if compared to the remaining constituents parts of the “SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model.

“THE DIVINE ARCHITECT AND PROJECT MASTER” will endow this “Specific Energy ‘LIGHT’ Substance” with metaphors of the particulars of “THE DIVINE BODY” in the “‘LIGHT’ Specific State”.

It is thus that, to keep this “Specific Energy ‘LIGHT’ Substance” immaculate and intact, and so that it performs its due role in the “SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, it is entirely covered, embedded and protected inside the structure of a container defined, by:

2. A “Specific Energy ‘SPIRIT’ Substance” built from “Specific Atomic ‘SPIRIT’ Substances”.

³⁶⁹ In one previous chapter, we have already defined the concept of “flows freely” through the “specific non-spiritual coating” densities.

In addition to performing its own well-defined functions related to the purpose of the manifestation of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model into existence in the attribute “NON DIVINE” and in the “Specific ‘EARTHLY’ Environment”, this “Specific Energy ‘SPIRIT’ Substance”, also acts as the “storage facility” of the “‘SPIRIT’ specific supply of subsistence” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, and which is produced by the “Specific Energy ‘LIGHT’ Substance” functioning as the “factory site” for the production of that “‘SPIRIT’ specific supply of subsistence”. It is from this stored “‘SPIRIT’ specific supply of subsistence” that will also be sent, as a result of fulfilling the “Causal Precedence Relation of ‘THE PRAISE’”, the crude “‘SPIRIT’ specific supply of subsistence” to be used by the “Specific Energy ‘SPIRIT’ Essence Substance” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model as raw material for the production of diluted “‘SPIRIT’ specific supply of subsistence” for the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model.

This “Specific Energy ‘SPIRIT’ Substance” does not by itself produce that “‘SPIRIT’ specific supply of subsistence”. To keep this “Specific Energy ‘SPIRIT’ Substance” immaculate and intact, and so that it performs its due role in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, it is in turn entirely covered, embedded and protected inside the structure of a container defined, by:

3. An external “Specific Energy ‘EARTHLY’ Envelope” built from “Specific Atomic ‘EARTHLY’ Substances” in a “‘EARTHLY’ Specific State”. This external “Specific Energy ‘EARTHLY’ Envelope” will be the readily and most “visible” part of the manifestation of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model into existence in the attribute “NON DIVINE” and in the “Specific ‘EARTHLY’ Environment”.

As we have explained already, regarding the three attributes — “PURITY”, “LIGHT”, and “GOD” — of “THE BODY OF ‘HE WHO IS’”, and using the notion of “strict inclusion” of “sets”, the attribute “PURITY” is “included” in the attribute “LIGHT” and this “inclusion” does not reverse. Thus, all the unique particulars that are elements of the attribute “PURITY”, have epithet functions in the attribute “LIGHT”; and all the elements of the attribute “LIGHT”, each element in itself, carry in them the unique particulars that belong to the attribute “PURITY”,

but no element of the attribute “PURITY” carries in it a determinant of the attribute “LIGHT”.

The “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model is associated with the manifestations of metaphors obtained from the attribute “PURITY”. It is so that, through the “Specific Energy ‘LIGHT’ Substance”, the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model will possess the unique particulars of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model. Those unique particulars of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model will have epithet functions in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, and no “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, as product of the mould designated as the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, will carry in him/her a determinant of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, which is product of the mould designated as the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model.

CHAPTER 152

THE “SPIRIT←LIGHT” ‘EARTHLY’ CREATURE” MODEL IN THE IMAGE OF THE
“SPIRIT←LIGHT” INDISTINCT DIVINE FORM”

CHAPTER 153

THE “SPECIFIC ENERGY ‘LIGHT’ SUBSTANCE” IN THE “‘SPIRIT←LIGHT’ ‘EARTHLY’ CREATURE” MODEL

The “Specific Energy ‘LIGHT’ Substance” is an expression of the inner structure of a metaphor of the “‘SPIRIT←LIGHT’ INDISTINCT DIVINE FORM”.

This “Specific Energy ‘LIGHT’ Substance” will be built by “THE DIVINE FORCE” from “Specific Atomic ‘LIGHT’ Substances” and it will be endowed with metaphors of the particulars of “THE DIVINE BODY” in the “‘LIGHT’ Divine State”.³⁷⁰

As “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed it, “THE DIVINE FORCE” has endowed this “Specific Energy ‘LIGHT’ Substance” with a “‘LIGHT’ specific supply of subsistence” and HE has established a fundamental “‘LIGHT’ specific supply of subsistence” necessary to maintain intact the capacity of all internal “specific processes” of this “Specific Energy ‘LIGHT’ Substance”, without exception, to execute their predefined “specific tasks” in order to produce the “specific work” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has also predefined for this “Specific Energy ‘LIGHT’ Substance”.

It is so that, from its fundamental “‘LIGHT’ specific supply of subsistence”, the “Specific Energy ‘LIGHT’ Substance” in this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model will produce the “specific work” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has predefined for it, in a well assured “state of

³⁷⁰ During the actual creation of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, this “Specific Energy ‘LIGHT’ Substance”, in this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, will be present as a droplet in “THE BREATH OF LIFE” and transported by the same “BREATH OF LIFE” that will be breathed in the “Specific ‘EARTHLY’ Garment” of the first manifestation of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model in the first “Specific Energy ‘EARTHLY’ Habitation Domain”.

equilibrium” and within the temporal limits that “THE DIVINE ARCHITECT AND PROJECT MASTER” has established.

It is the product of this “specific work” accomplished by the “Specific Energy ‘LIGHT’ Substance” which will be transmitted to the “Specific Energy ‘SPIRIT’ Substance”, in the form of “‘SPIRIT’ specific supply of subsistence”, and that this “Specific Energy ‘SPIRIT’ Substance” in turn will use to accomplish its “specific work”.

It is so that, a “Specific Energy ‘LIGHT’ Substance” is also a manifestation of a metaphor of the “Generative Power of ‘THE DIVINE’” in the “‘LIGHT’ Specific State” in this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model.

The “Specific Energy ‘LIGHT’ Substance” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed and that “THE DIVINE FORCE” will place inside the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model is unique and is not mixed with something else which is not in the manner of being in the “‘LIGHT’ Specific State” used for the construction of the considered “Specific Energy ‘LIGHT’ Substance”.

Although this “Specific Energy ‘LIGHT’ Substance” has the same particulars of “THE DIVINE” in the “‘LIGHT’ Specific State”, it remains nonetheless only an “aspect” — a form, an expression, a manifestation of a metaphor of the “‘LIGHT’ Specific State” — that “THE DIVINE” had chosen to share with the attribute “NON DIVINE”; as “THE DIVINE” is the only structure and substance that can contain “THE DIVINE” in all its forms.

It is this “Specific Energy ‘LIGHT’ Substance” that receives the crude “‘LIGHT’ specific supply of subsistence” provided by the manifestations in the attribute “NON DIVINE” of metaphors of the “‘LIGHT←GOD’ EONS”, or provided by “THE DIVINE FORCE”, and which gives “LIFE” to products of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model.

The “Specific Energy ‘LIGHT’ Substance” can only be seen by “THE EYE OF THE DIVINE” and is also protected from the “Specific Energy ‘SPIRIT’ Substance” by a “Specific ‘SPIRIT←LIGHT’ Frontier” which is under the full authority of “THE DIVINE”: it is subjected to the manifestation of the “Walk within the Acronym IHVH”.

“THE DIVINE FORCE” has also built the structure of this “Specific ‘SPIRIT←LIGHT’ Frontier” from “Specific Atomic ‘SPIRIT’ Substances” as “THE DIVINE ARCHITECT AND PROJECT MASTER” designed and established it.

This “Specific ‘SPIRIT←LIGHT’ Frontier” allows facilitating the exchange of communication (reception and transmission of instructions, specific signals, and energy) between the “Specific Energy ‘LIGHT’ Substance” and the “Specific Energy ‘SPIRIT’ Substance”, and this through the “Causal Precedence Relation of ‘THE PRAISE’” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has established between the “Specific Energy ‘LIGHT’ Substance” and the “Specific Energy ‘SPIRIT’ Substance” covering it.

This “Specific ‘SPIRIT←LIGHT’ Frontier” also allows facilitating the passage of forces; that is, the transfer to the “Specific Energy ‘SPIRIT’ Substance” of the surplus of products of the “specific work” accomplished by the “Specific Energy ‘LIGHT’ Substance”. It acts to maintain a dynamic state of equilibrium, which is the result of application of its principle of action, when the products of the “specific work” accomplished by the “Specific Energy ‘LIGHT’ Substance” increase.

When the products of the “specific work” accomplished by the “Specific Energy ‘LIGHT’ Substance” pass through this “Specific ‘SPIRIT←LIGHT’ Frontier”, they are instantly transformed and come out of this “Specific ‘SPIRIT←LIGHT’ Frontier” in the form of “‘SPIRIT’ specific supply of subsistence” which will be used by the “Specific Energy ‘SPIRIT’ Substance”.

This passage of the products of the “specific work” accomplished by the “Specific Energy ‘LIGHT’ Substance”, through this “Specific ‘SPIRIT←LIGHT’ Frontier”, and towards the “Specific Energy ‘SPIRIT’ Substance” is reminiscent of a non-reversible energy osmosis.

As we have already indicated with the “Specific Energy ‘SPIRIT←LIGHT’ Bridge” model, the combined group which is formed by this “Specific ‘SPIRIT←LIGHT’ Frontier” and the “Specific Energy ‘LIGHT’ Substance” is a “Specific Energy ‘LIGHT’ Domain”. This “Specific Energy ‘LIGHT’ Domain” inside the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model is also called: “The ALTAR of ‘THE DIVINE’”.

The “Specific Energy ‘LIGHT’ Substance” inside “The ALTAR of ‘THE DIVINE’” cannot be mixed with something else which is not in the manner of being in the “‘LIGHT’ Specific State” used for the construction of the considered “Specific Energy ‘LIGHT’ Substance” without impairing the “HARMONY” with “THE DIVINE”, IHVH, our FATHER — this is often translated into other terms by saying that:

“THE WILL” OF “THE DIVINE”, IHVH, OUR FATHER, IN HIS VARIOUS FORMS, AND THE WILL OF ANY THING OTHER THAN “THE DIVINE”, IHVH, CANNOT COEXIST IN THE SAME “ALTAR OF ‘THE DIVINE’”.

Everything that “THE DIVINE FORCE” creates into existence is alive and grows and matures with the passage of time. It is likewise with the structures of the “Specific Energy ‘LIGHT’ Substance” inside “The ALTAR of ‘THE DIVINE’”. When the structures of this “Specific Energy ‘LIGHT’ Substance” start to consolidate, then, “The ALTAR of ‘THE DIVINE’” is also called: “THE SOUL” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model.

It is with this consolidated “Specific Energy ‘LIGHT’ Substance” that “THE DIVINE FORCE” makes manifest the communications that are sent directly by “THE DIVINE”, IHVH, our FATHER.

This “Specific Energy ‘LIGHT’ Substance” has received, through its “‘LIGHT’ specific supply of subsistence”, an insufficient amount of force and strength to destroy the entire environment in which it is placed, but however sufficient to give life and allow a proper functioning of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

This “Specific Energy ‘LIGHT’ Substance” is and remains under the authority of “THE DIVINE”, IHVH, Himself and cannot evade His authority: it is subjected to the manifestation of the “Walk within the Acronym IHVH”. This “Specific Energy ‘LIGHT’ Substance” receives all its strength and splendor directly from “THE DIVINE FORCE”, and is a manifestation of the link of attachment to “THE PLACE OF LIFE”.

To some extent, as “THE DIVINE ARCHITECT AND PROJECT MASTER” has established it for the “specific spiritual formation” of “THE CHURCH”, this “Specific Energy ‘LIGHT’ Substance” will also provide “LIFE” to the “‘SPIRIT←SPIRIT’ Body” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” which will be in a well-defined external and immediate surroundings.

Indeed, after receiving “THE PRAISE” — “specific signals” emitted by “The ALTAR of ‘THE DIVINE’” inside the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” using the “‘SPIRIT→LIGHT’ CORD OF PRAISE” and requesting the sending of external supply of subsistence in order to remain into existence in the “‘SPIRIT’ Specific State” — this “Specific Energy ‘LIGHT’ Substance” will answer to such “THE PRAISE” and send the crude “‘SPIRIT’ specific supply of subsistence” to

“The ALTAR of ‘THE DIVINE’” inside the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”.

If “The ALTAR of ‘THE DIVINE’” is exposed directly and without protection to the environment, which is outside the “Specific ‘SPIRIT←LIGHT’ Frontier”, then, the unique homogeneous aspect of “THE DIVINE” will continue to function until it runs out of its “‘LIGHT’ specific supply of subsistence” when the time of existence that “THE DIVINE ARCHITECT AND PROJECT MASTER” assigned to it will be over, if it is not nourished by “THE SPECIFIC SPIRITUAL FORCE OF LIFE”.

As we have mentioned already, it is also somewhat like a battery, a self-contained chemical power pack that can produce a limited amount of electrical energy by converting the chemicals packed inside it, into electrical energy, which is then released over a period of time. Here, however, the electrochemical processes that made the battery produce the electrical energy cannot be reversed (we referred to it as the second non-reversible energy osmosis), thus the battery discharges and deteriorates with the passage of time if it is not powered through the process which we have referred to as: the first non reversible energy osmosis.

In this analogy, the “Specific Energy ‘LIGHT’ Substance” including its “‘LIGHT’ specific supply of subsistence”, is reminiscent of the chemicals or electrolytes, which is stored in a battery. The crude “‘SPIRIT’ specific supply of subsistence” produced by “The ALTAR of ‘THE DIVINE’” in this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, is reminiscent of the electrical energy, which results from a conversion of the chemicals, stored in a battery.

“THE POTENCY” (capacity) of “The ALTAR of ‘THE DIVINE’”, is defined by the amount of “‘LIGHT’ specific supply of subsistence” which is stored in “The ALTAR of ‘THE DIVINE’” in this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model. It is the degree of possession of elements of “THE ‘LIGHT’ REASON”, and which, inside the attribute “NON DIVINE”, is a manifestation of a metaphor of the “Generative Power of ‘THE DIVINE’”; the “LIGHT” being the attribute which characterizes the Energy that emanates from “THE BODY OF ‘HE WHO IS’” and makes it “ALIVE”. This energy is the “LIFE” imprint of “THE BODY OF ‘HE WHO IS’”.

CHAPTER 154

THE “SPECIFIC ENERGY ‘LIGHT’ SUBSTANCE” AND THE “‘LIGHT→GOD’ CORD OF PRAISE” IN THE “‘SPIRIT←LIGHT’ ‘EARTHLY’ CREATURE” MODEL

“THE DIVINE ARCHITECT AND PROJECT MASTER” has endowed “The ALTAR of ‘THE DIVINE’” inside the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” with the capacity to establish the “Causal Precedence Relation of ‘THE PRAISE’”.

It is through this “Causal Precedence Relation of ‘THE PRAISE’” that the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” will emit “THE PRAISE” — “specific signals” requesting the sending of external supply of subsistence in order to remain into existence in the “‘SPIRIT→LIGHT’ Specific State” — towards any manifestation into existence in the attribute “NON DIVINE” of a metaphor of the “INDISTINCT DIVINE FORM” which is in the “‘LIGHT→GOD’ Specific State” and will be closest to it.

Once this manifestation into existence in the attribute “NON DIVINE” of a metaphor of the “‘LIGHT←GOD’ INDISTINCT DIVINE FORM” has received “THE PRAISE”, then, it will give in return, to the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” that emitted “THE PRAISE”, that external supply of subsistence, which allows it to remain into existence in the “‘SPIRIT→LIGHT’ Specific State”.

It is so that, through this “Causal Precedence Relation of ‘THE PRAISE’”, any “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” into existence in the attribute “NON DIVINE”, will be bound to any manifestation of a metaphor of the “‘LIGHT←GOD’ INDISTINCT DIVINE FORM” into existence in the attribute “NON DIVINE” by that, which we have called: the “‘LIGHT→GOD’ CORD OF PRAISE”.

“THE DIVINE ARCHITECT AND PROJECT MASTER” has endowed this “‘LIGHT→GOD’ CORD OF PRAISE” with an attachment point, inner in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” that will emit “THE PRAISE”. This

inner attachment point is connected to “The ALTAR of ‘THE DIVINE’” inside the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”: it is the “‘LIGHT’ Attachment Point” of the “‘LIGHT→GOD’ CORD OF PRAISE”.

“THE DIVINE ARCHITECT AND PROJECT MASTER” has endowed this “‘LIGHT→GOD’ CORD OF PRAISE” with an attachment point, external to the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” that will emit “THE PRAISE”. This external attachment point is connected to the inner structure of the manifestation into existence in the attribute “NON DIVINE” of a metaphor of the “‘LIGHT←GOD’ INDISTINCT DIVINE FORM”: it is the “‘GOD’ Attachment Point” of the “‘LIGHT→GOD’ CORD OF PRAISE”.

It is so that, every “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” cannot and must not ever emit “THE PRAISE” towards “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”; because the “‘GOD’ Attachment Point” will not find an attachment outlet in “The ALTAR of ‘THE DIVINE’” inside a “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”.

It is so that, the direction of emission of “THE PRAISE” will also be the same as the direction of the seven “transformation steps” of products of the “divine work”, accomplished by the “Generative Divine Particle”, by the products of the “divine work” accomplished by the six “Formative Divine Particles” in “DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”.

In the absence of the presence of a manifestation of a metaphor of the “‘LIGHT←GOD’ INDISTINCT DIVINE FORM”, then, it is “THE DIVINE FORCE” who will fulfill this role. It is so that, “The ALTAR of ‘THE DIVINE’” inside the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” will be a “TREE OF LIFE” manifested in the “Specific Energy ‘EARTHLY’ Habitation Domain” in which this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model will be manifested into existence.

“THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” is “THE ABSOLUTE FRAME OF REFERENCE”, which is at the core of the entirety of “THE HOLY PROJECT”, of everything that is stable in this “HOLY PROJECT”, and that “THE DIVINE FORCE” has achieved into existence in the attribute “NON DIVINE”. Moreover, “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed this “HOLY PROJECT” to represent a concrete and perfect image of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”.

As we have already indicated, the order in which “THE DIVINE ARCHITECT AND PROJECT MASTER” chose the six “Formative Divine Particles” is important to determine the position of the “Cardinal Point” of the “Generative Divine

Particle” that provides the stability of “Divine Septenary Equilibrium Zones”, “Divine Senary Equilibrium Zones”, “Divine Quinary Equilibrium Zones”, “Divine Quaternary Equilibrium Zones”, “Divine Tertiary Equilibrium Zones”, and “Divine Secondary Equilibrium Zones” of the first “Formative Divine Particle” with respect to the “Generative Divine Particle”.

If the direction of emission of “THE PRAISE”, indicated by the arrow (\rightarrow), is reversed, then, this order will be disrupted and changed, and the completeness of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” will be impaired; it is the disaster which will ensue.

If the order in which “THE DIVINE ARCHITECT AND PROJECT MASTER” has chosen the six “Formative Divine Particles” is changed, then, the stability of each of these six types of equilibrium zones of the first “Formative Divine Particle” with respect to the “Generative Divine Particle” will be affected.

Therefore, the proportions of products of the “divine work” accomplished by the “Generative Divine Particle” as well as those of products of the “divine work” accomplished by the six “Formative Divine Particles” and which will enter in the “Divine Septenary Equilibrium Zone” will be unstable.

As we have indicated earlier, these two attachment points — the “‘LIGHT’ Attachment Point” and the “‘GOD’ Attachment Point” — of the “‘LIGHT \rightarrow GOD’ CORD OF PRAISE” are reminiscent of electrical outlets³⁷¹ that are used by plug on

³⁷¹ An electrical outlet is a connector which enables to connect domestic or industrial devices to the electrical network, through plugging on electrical sockets. The network acts as a fixed voltage source and the intensity of electrical charges depends on the device which is connected, within the limits of the maximum current allowed by each socket.

The (wall) socket is a fixed connector (usually on a wall) and the attachment points are these connectors, which are mobile connectors, usually connected to a cable (a cord), intended to be connected to a socket or to another plug.

A receptacle plug, most often a (wall) socket but also a plug with an extension cord, is responsible to distribute (or relay) electric current. It received pins plugs which format match. The electrical contacts are placed at the bottom of the holes in the socket, very often equipped with shutters, thus inaccessible on façade (security issue). This will be the equivalent of the inner structure of the manifestation into existence in the attribute “NON DIVINE” of a considered “‘OUTER STATE \leftarrow INNER STATE’ INDISTINCT DIVINE FORM”.

electrical outlets. We use this symbolism so that you understand what you see but do not understand.

These attachment points — the “‘LIGHT’ Attachment Point”, inner in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” that will emit “THE PRAISE”, and the “‘GOD’ Attachment Point”, external to the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” that will emit “THE PRAISE” — of the “‘LIGHT→GOD’ CORD OF PRAISE” are “specific receptors” respectively in the “‘LIGHT’ Specific State”, for the “‘LIGHT’ Attachment Point”, and in the “‘GOD’ Specific State”, for the “‘GOD’ Attachment Point”, and through which “THE PRAISE” — “specific signals” requesting the sending of external supply of subsistence in order to remain into existence in the “‘SPIRIT→LIGHT’ Specific State” — is identified, decoded, and transduced. These “specific receptors” will mediate “THE PRAISE” transduction for responses to “THE PRAISE” that has been emitted by the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.³⁷²

For “The Specific Process of Attachment to ‘THE DIVINE’” to be established and the “Causal Precedence Relation of ‘THE PRAISE’” to be executed through this “‘LIGHT→GOD’ CORD OF PRAISE”, the two attachment points — the “‘LIGHT’ Attachment Point” and the “‘GOD’ Attachment Point” — must be plugged each in their appropriate socket, as “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed them.

Through “specific processes” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed, “The ALTAR of ‘THE DIVINE’” inside the

The two attachment points — the “‘LIGHT’ Attachment Point” and the “‘GOD’ Attachment Point” — of the “‘LIGHT→GOD’ CORD OF PRAISE” are similar to the devices entering the corresponding receptacle plug.

³⁷² As we have indicated already, these two attachment points — the “‘LIGHT’ Attachment Point” and the “‘GOD’ Attachment Point” — of the “‘LIGHT→GOD’ CORD OF PRAISE” are similar to the devices entering the corresponding receptacle plug of an electrical outlet.

You can also understand this concept of “‘LIGHT→GOD’ CORD OF PRAISE” much better from the concepts of receptors and ligands that are used in cellular and molecular biology, and which we will outline below in another chapter of these writings. The principle is the same. With this “‘LIGHT→GOD’ CORD OF PRAISE”, you are in the presence of a “cross-bridge” between two different “Specific States”: the “‘LIGHT’ Specific State” and the “‘GOD’ Specific State”. With the concepts of receptors and ligand of cellular and molecular biology, which you are already familiar with, you are in the presence of only one “Specific State”, but the principle of communication of information and transfer of forces is the same.

“‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” establishes the “Causal Precedence Relation of ‘THE PRAISE’” by calling “THE DIVINE”, IHVH, our FATHER and asking Him to connect it with any manifestation into existence in the attribute “NON DIVINE” of a metaphor of the “INDISTINCT DIVINE FORM” which is in the “‘LIGHT→GOD’ Specific State”, is in “HARMONY” with “THE DIVINE”, IHVH, our FATHER, and will be closest to this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, in order to receive the external supply of subsistence, which will allow it to remain into existence in the “‘SPIRIT→LIGHT’ Specific State”.

If the “Specific Energy ‘SPIRIT’ Substance” which covers “The ALTAR of ‘THE DIVINE’” inside the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” is not in “HARMONY” with “THE DIVINE”, IHVH, our FATHER, then, the “‘GOD’ Attachment Point” of the “‘LIGHT→GOD’ CORD OF PRAISE” inside this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” may not be in “HARMONY” with “THE DIVINE”, IHVH, our FATHER.

When this “‘GOD’ Attachment Point” of the “‘LIGHT→GOD’ CORD OF PRAISE” inside this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” is not in “HARMONY” with “THE DIVINE”, IHVH, our FATHER, then, it will also not be in “HARMONY” with any manifestation into existence in the attribute “NON DIVINE” of a metaphor of the “INDISTINCT DIVINE FORM” which is in the “‘LIGHT→GOD’ Specific State”, is in “HARMONY” with “THE DIVINE”, IHVH, our FATHER, and wherever this manifestation is.

Therefore, there will be a “VOID” between “The ALTAR of ‘THE DIVINE’” inside the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” whose “Specific Energy ‘SPIRIT’ Substance” is not in “HARMONY” with “THE DIVINE”, IHVH, our FATHER, and any manifestation into existence in the attribute “NON DIVINE” of a metaphor of the “INDISTINCT DIVINE FORM” which is in the “‘LIGHT→GOD’ Specific State”, is in “HARMONY” with “THE DIVINE”, IHVH, our FATHER, and wherever this manifestation is.

The “‘GOD’ Attachment Point” of the “‘LIGHT→GOD’ CORD OF PRAISE” inside this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” whose “Specific Energy ‘SPIRIT’ Substance” is not in “HARMONY” with “THE DIVINE”, IHVH, our FATHER, will not find an appropriate socket in any manifestation into existence in the attribute “NON DIVINE” of a metaphor of the “INDISTINCT DIVINE FORM” which is in the “‘LIGHT→GOD’ Specific State”, is in “HARMONY” with “THE DIVINE”, IHVH, our FATHER, and wherever this manifestation is.

If otherwise the “Specific Energy ‘SPIRIT’ Substance” which covers “The ALTAR of ‘THE DIVINE’” inside the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” is in “HARMONY” with “THE DIVINE”, IHVH, our FATHER, then, with His consent, the “‘GOD’ Attachment Point” of the “‘LIGHT→GOD’ CORD OF PRAISE” inside this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” will be connected to the appropriate socket inside any manifestation into existence in the attribute “NON DIVINE” of a metaphor of the “INDISTINCT DIVINE FORM” which is in the “‘LIGHT→GOD’ Specific State”, is in “HARMONY” with “THE DIVINE”, IHVH, our FATHER, and will be closest to this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

Therefore,

“The Specific Process of Attachment to ‘THE DIVINE’” will be established and the “Causal Precedence Relation of ‘THE PRAISE’” will be executed through this “‘LIGHT→GOD’ CORD OF PRAISE”, and between “The ALTAR of ‘THE DIVINE’” inside the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” which is in “HARMONY” with “THE DIVINE”, IHVH, our FATHER, and “The ALTAR of ‘THE DIVINE’” inside any manifestation into existence in the attribute “NON DIVINE” of a metaphor of the “INDISTINCT DIVINE FORM” which is in the “‘LIGHT→GOD’ Specific State”, is in “HARMONY” with “THE DIVINE”, IHVH, our FATHER, and will be closest to this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

“THE DIVINE ARCHITECT AND PROJECT MASTER”

has endowed the “Specific ‘SPIRIT←LIGHT’ Frontier” with “specific ‘SPIRIT←LIGHT’ nerves” — which are actually structures that “THE DIVINE FORCE” will build from “Specific Atomic ‘SPIRIT’ Substances” and from “Specific Atomic ‘LIGHT’ Substances”, and which are receivers and transmitters of signals — to facilitate the exchange of communication (reception and transmission of instructions, specific signals) between the “Specific Energy ‘LIGHT’ Substance” and the “Specific Energy ‘SPIRIT’ Substance” of this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model.

The “Specific Energy ‘SPIRIT’ Substance”, inside the “Specific ‘EARTHLY’ Envelope”, helps to protect the “Specific Energy ‘LIGHT’ Substance” which it covers.

As for the “Specific ‘EARTHLY’ Envelope”, it helps to maintain intact all this “Specific Energy ‘SPIRIT’ Substance” and also to facilitate the exchange of communication (reception and transmission of instructions, specific signals) between the “Specific Atomic ‘EARTHLY’ Substances” constituents of the “Specific Energy ‘EARTHLY’ Domain” in which this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model will be manifested into existence and the “Specific

Energy ‘SPIRIT’ Substance” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model.

זוהי חמצי חכמה של חסד וחסד

יצירה לפס ספר

“Specific ‘EARTHLY←SPIRITUAL’ Frontier” when the external “specific signals” are emitted from the “Specific ‘EARTHLY’ Environment”.

“THE DIVINE ARCHITECT AND PROJECT MASTER” has chosen to use for the “Specific Energy ‘SPIRIT’ Substance” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, the same structure and the same functionalities, which HE has designed and defined for the “Specific Energy ‘SPIRIT’ Substance” of the “PRINCIPAL” instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model that we have already described in a previous text.³⁷³

The manner of being of the “‘SPIRIT’ Specific State” for the “Specific Energy ‘SPIRIT’ Substance” of this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model is reminiscent of the manner of being of the “‘SPIRIT’ Specific State” for the “Specific Energy ‘SPIRIT’ Essence Substance” of any instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model.

But the manner of being of the “‘SPIRIT’ Specific State” for the “Specific Energy ‘SPIRIT’ Substance” of this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model is not similar and is different from the manner of being of the “‘SPIRIT’ Specific State” for the “Specific Energy ‘SPIRIT’ Substance” of any instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model.

This is an expression of the “Causal Precedence Relation of ‘THE CREATION’” between the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model and the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model. This “Causal Precedence Relation of ‘THE CREATION’” is a necessary condition so that the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” can establish the “Causal Precedence Relation of ‘THE PRAISE’” directly with the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

The combined group formed by the “Specific ‘SPIRITUAL←SPIRIT’ Frontier”, the “Specific Energy ‘SPIRIT’ Substance” and “The ALTAR of ‘THE DIVINE’” which is inside this “Specific Energy ‘SPIRIT’ Substance”, is an expression, in the attribute “NON DIVINE”, of a metaphor of “THE ‘SPIRIT←LIGHT’ EON”.

It is so that, a “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” will be a manifestation of an expression in the attribute “NON DIVINE” of a metaphor of the “‘SPIRIT←LIGHT’ INDISTINCT DIVINE FORM” which is associated to “THE ‘SPIRIT←LIGHT’ EON” added with a unique purpose, a unique disposition of

³⁷³ See conversation of September 09, 2007, Aristide with CHRIST.

“THE INTELLECT OF THE DIVINE”, and a unique disposition of “THE DIVINE FORCE”.

Only “THE EYE OF THE DIVINE” sees the “Specific Energy ‘SPIRIT’ Substance” and sees also the “Specific Energy ‘LIGHT’ Substance”, which are in there in this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model.³⁷⁴

The layers of structures constituent of the “Specific Energy ‘SPIRIT’ Substance” in this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model are all held together by “specific processes” which are also activated by the degree of presence of “THE SPECIFIC SPIRITUAL FORCE OF LIFE” that is present in the “Specific ‘SPIRITUAL’ Environment” external and immediate around the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

These layers of structures are interconnected with a given degree of cohesion defined as “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed them. However, different layers of structures have different degrees of cohesion and as “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed them.

Just like HE has done it with the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, “THE DIVINE ARCHITECT AND PROJECT MASTER” has also endowed the “Specific Energy ‘SPIRIT’ Substance” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, with all the capacities, the capabilities and all “specific processes” internal and autonomous to the “Specific Energy ‘SPIRIT’ Substance” and similar to those of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model; with the exception of the capacity to implement several tasks simultaneously throughout the first “Specific Energy ‘EARTHLY’ Habitation Domain”, in which the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” will be created into existence.

Just like HE has done it with the “Specific Energy ‘SPIRIT’ Substance” of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, “THE DIVINE ARCHITECT AND PROJECT MASTER” has endowed the “Specific Energy ‘SPIRIT’ Substance” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model with the capacity to feel or to have, by natural affinity or by elective affinity, an attraction to things that “THE

³⁷⁴ This stems from the nested relationships that we have already explained in a previous chapter, concerning the creation of the “Specific ‘PARTIALLY-SPIRITUAL’ Environment” in the attribute “NON DIVINE”, and in which we have also explained why is “THE DIVINE FORCE” invisible to any creature of the attribute “NON DIVINE”, and we have also explained why “THE DIVINE”, IHVH, our FATHER is also invisible to any creature of the attribute “NON DIVINE”.

DIVINE”, IHVH, our FATHER would also manifest into existence and that this “Specific Energy ‘SPIRIT’ Substance” will recognize: it is the capacity to “LOVE”.

HE has endowed the “Specific Energy ‘SPIRIT’ Substance” with “THE SEAT OF THE INTELLECT”, which gives to this “Specific Energy ‘SPIRIT’ Substance” “THE INTELLECT”: the capacity to “THINK”, to “REASON” and “MAKE DECISIONS” by itself, as a result of the reception of particular input signals through the basis structures (or organs), through the basic instincts, which allow to collect external signals emitted by the “Specific ‘SPIRITUAL’ Environment” external and immediate around this “Specific Energy ‘SPIRIT’ Substance” considered.

“THE SEAT OF THE INTELLECT” in this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model is similar to that of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, functions in the same way, but it is in a direct vicinity of elements of “THE ‘LIGHT’ REASON” which are present in “The ALTAR of ‘THE DIVINE’” which is inside the “Specific Energy ‘SPIRIT’ Substance” containing “THE SEAT OF THE INTELLECT”. It is a feature which is not available in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model. A representation of this feature is an image which consists of the “‘SPIRIT←SPIRIT’ Body” in the “PRINCIPAL” instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, standing in the “Specific Energy ‘SPIRIT’ Substance” in front of the “Specific ‘SPIRIT←LIGHT’ Frontier” inside “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’”.

Because of this direct vicinity of “THE SEAT OF THE INTELLECT”, in this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, to elements of “THE ‘LIGHT’ REASON” which are present in “The ALTAR of ‘THE DIVINE’”, “THE SEAT OF THE INTELLECT”, in this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, is prone to grasp concepts which are based on elements of “THE ‘LIGHT’ REASON” more rapidly than “THE SEAT OF THE INTELLECT” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model.

“THE SEAT OF THE INTELLECT” in this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, is a concrete and living image of “THE DIVINE ARCHITECT AND PROJECT MASTER”, in the “‘SPIRIT→LIGHT’ Specific State”.

This “SEAT OF THE INTELLECT” in this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, just as we have indicated in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, is the entry gate to the “Realm of the ‘THOUGHTS’” and at the same time the exit gate from the “Realm of the ‘THOUGHTS’”.

Inside the “Realm of the ‘THOUGHTS’”, these “THOUGHTS” are truly alive and “tangible” realities, that are defined by the elements of “THE ‘GOD’ REASON”, and it is also in these living realities and this “dimension” defined by the “Realm of the ‘THOUGHTS’”, that you will also find “THE DIVINE FORCE”, “PURE” and “HOLY”. SHE is found both inside and outside the “Realm of the ‘THOUGHTS’”.

Outside of the “Realm of the ‘THOUGHTS’”, it is first within the “Realm of the Optimal Interpreted ‘THOUGHTS’” that “THE DIVINE FORCE” “lets Herself be seen”, because every “Optimal Interpreted THOUGHT” — element of the “Realm of the Optimal Interpreted ‘THOUGHTS’” — is “PURE” and “HOLY”. And it is afterwards that SHE then, “lets Herself be seen” outside the “Realm of the Interpreted ‘THOUGHTS’”. “THE DIVINE FORCE” is not in the residuals of “Interpreted THOUGHTS” because those residuals are products of the absence of “THE KNOWLEDGE OF THE DIVINE”, and “THE DIVINE FORCE” is “THE KNOWLEDGE OF THE DIVINE”.

It is the elements of “THE ‘SPIRIT’ REASON” which will allow giving shape to the elements of this “Realm of the ‘THOUGHTS’”, and it is the elements of “THE ‘LIGHT’ REASON” which, through the mould called “THE WORD”, will allow “giving body” to the resulting forms of application of elements of “THE ‘SPIRIT’ REASON” to the elements of this “Realm of the ‘THOUGHTS’”.

Because of the presence of the elements of “THE ‘LIGHT’ REASON” alongside (in a direct vicinity) “THE SEAT OF THE INTELLECT” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, “THE DIVINE WISDOM”, who is always present in the “Realm of the ‘THOUGHTS’”, will let Herself be seen much more quickly in the “Realm of the Interpreted ‘THOUGHTS’” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model than SHE does in the “Realm of the Interpreted ‘THOUGHTS’” of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model.

It is always “THE DIVINE WISDOM” that provides “THE SEAT OF THE INTELLECT” the additional information which allow to discern that, which conforms to the specifications that “THE DIVINE ARCHITECT AND PROJECT MASTER” has defined, directly both from the perspective of the supreme completeness of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, then, “THE SPECIFIC SPIRITUAL FORCE OF LIFE” is called: “THE DIVINE WISDOM”, and from the perspective of the capacity to “LOVE” those things that conform to the specifications that “THE DIVINE ARCHITECT AND PROJECT MASTER” has defined.

It is always from, and through, “The ALTAR of ‘THE DIVINE’” which is covered by the “Specific Energy ‘SPIRIT’ Substance” in this “‘SPIRIT←LIGHT’

‘EARTHLY’ Creature” model, that “THE SPECIFIC SPIRITUAL FORCE OF LIFE” provides these additional information which allow to illuminate “THE SEAT OF THE INTELLECT” inside the “Specific Energy ‘SPIRIT’ Substance”. This is why “The ALTAR of ‘THE DIVINE’” is also called: “THE SEAT OF WISDOM”.

“THE SEAT OF WISDOM” is a concrete and living image of “THE DIVINE FORCE”.

The “Interpreted THOUGHT” that is generated by “THE SEAT OF THE INTELLECT” is always at the origin of all action that the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” will execute. It is an internal signal of action resulting from the “specific work” produced by “specific processes” of “THE SEAT OF THE INTELLECT” and which will be transmitted, as external input signal, to the various layers of other “Specific Atomic ‘SPIRIT’ Substances” constituents of the “Specific Energy ‘SPIRIT’ Substance” and therefore of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

This is why it is said that “THE SEAT OF THE INTELLECT” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, will work on his own material. This material is this “Specific Energy ‘SPIRIT’ Substance”.

“THE SEAT OF THE INTELLECT” is an added function to the original “Specific Energy ‘SPIRIT←LIGHT’ Bridge” model and allowing, as such, the “Specific Energy ‘SPIRIT’ Substance” to generate its own internal input signals in addition to the external signals input it receives from the “Specific ‘SPIRITUAL’ Environment” external and immediate around it.

As it is with the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, it is likewise with the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model.

If “THE SEAT OF THE INTELLECT” inside the “Specific Energy ‘SPIRIT’ Substance” is in “HARMONY” with “THE DIVINE”, IHVH, our FATHER, then, its “SPIRITUAL SHIELD”, this internal “specific mechanism” which allows rejecting “IMPURE” external input signals, will function as it should and will not let through “IMPURE” external signals input which will be sent to the “Specific Energy ‘SPIRIT’ Substance”. “THE SEAT OF THE INTELLECT” inside the “Specific Energy ‘SPIRIT’ Substance” and which is in “HARMONY” with “THE DIVINE”, IHVH, will receive only “PURE” external input signals.

It is so that, any “Interpreted THOUGHT” generated by “THE SEAT OF THE INTELLECT” inside this “Specific Energy ‘SPIRIT’ Substance”, will be “PURE”

because it will be generated from “PURE” external input signals, and also from a degree of presence of “THE SPECIFIC SPIRITUAL FORCE OF LIFE” in the “Specific ‘SPIRITUAL’ Environment” external and immediate around the “Specific Energy ‘SPIRIT’ Substance” high enough and using “specific processes” functioning correctly as “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed them.

Thus, it will be said that “THE SEAT OF THE INTELLECT” inside this “Specific Energy ‘SPIRIT’ Substance” is “HOLY”, and therefore it will be said that the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” in question is “HOLY”.

When “THE SEAT OF THE INTELLECT” inside this “Specific Energy ‘SPIRIT’ Substance” is continuously in “HARMONY” with “THE DIVINE”, IHVH, our FATHER, then, while “IMPURE” external signals input to “THE SEAT OF THE INTELLECT” inside this “Specific Energy ‘SPIRIT’ Substance” last, the “SPIRITUAL SHIELD” will continuously block and reject those “IMPURE” external input signals, and “WRATH” will continuously be present all around “THE SEAT OF THE INTELLECT” inside this “Specific Energy ‘SPIRIT’ Substance”.

If “THE SEAT OF THE INTELLECT” inside this “Specific Energy ‘SPIRIT’ Substance”, is in a state of “CHAOS”, contrary to the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”, then, its “SPIRITUAL SHIELD” will fail to function as it should and will let these “IMPURE” external signals input through to the “Specific Energy ‘SPIRIT’ Substance”. “THE SEAT OF THE INTELLECT” inside this “Specific Energy ‘SPIRIT’ Substance”, which is in a state of “CHAOS”, contrary to the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”, will receive these “IMPURE” external input signals.

It is so that, at least one of the “Interpreted THOUGHTS” generated by “THE SEAT OF THE INTELLECT” inside this “Specific Energy ‘SPIRIT’ Substance”, will be defective; because it will be generated from “IMPURE” external input signals, and also from a lack of the degree of presence of “THE SPECIFIC SPIRITUAL FORCE OF LIFE” in the “Specific ‘SPIRITUAL’ Environment” external and immediate around the “Specific Energy ‘SPIRIT’ Substance”. Such a defective “Interpreted THOUGHT” is said to be “IMPURE”.

When such a defective “Interpreted THOUGHT” is transmitted as external action signal at input to other layers of the “Specific Atomic ‘SPIRIT’ Substances” constituents of the “Specific Energy ‘SPIRIT’ Substance”, the output signal that

these “Specific Atomic ‘SPIRIT’ Substances” will emit will be unpredictable and will not be as expected.

The more the “Interpreted THOUGHTS” are “IMPURE”, the less is the degree of presence of “THE SPECIFIC SPIRITUAL FORCE OF LIFE” in the “Specific ‘SPIRITUAL’ Environment” external and immediate around the “Specific Energy ‘SPIRIT’ Substance” concerned.

Thus, it will be said that “THE SEAT OF THE INTELLECT” inside this “Specific Energy ‘SPIRIT’ Substance” is “UNHOLY”, and therefore it will be said that the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” in question is “UNHOLY”.

When “THE SEAT OF THE INTELLECT” inside this “Specific Energy ‘SPIRIT’ Substance”, is in a state of “CHAOS”, contrary to the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”, then, while “IMPURE” external signals input to “THE SEAT OF THE INTELLECT” inside this “Specific Energy ‘SPIRIT’ Substance” last, the “SPIRITUAL SHIELD” will let through some “IMPURE” external signals input and will block others. “WRATH” will not be anymore present around “THE SEAT OF THE INTELLECT” inside this “Specific Energy ‘SPIRIT’ Substance”.

The effect of eroded blocking that occurs instantly in the “Specific ‘SPIRITUAL’ Environment” external and immediate around the “Specific Energy ‘SPIRIT’ Substance”, accompanied by the “distress signals” emitted by the “Specific Energy ‘SPIRIT’ Substance” that ensues from this eroded blocking is still called: “ANGER”.

As we have already indicated, in the presence of “IMPURE” external input signals, the difference between “WRATH” and “ANGER” is determined by the degree of presence of “THE SPECIFIC SPIRITUAL FORCE OF LIFE” in the “Specific ‘SPIRITUAL’ Environment” external and immediate around the “Specific Energy ‘SPIRIT’ Substance”.

“ANGER” does not exist when “THE SEAT OF THE INTELLECT” inside this “Specific Energy ‘SPIRIT’ Substance” is in “HARMONY” with “THE DIVINE”, IHVH, our FATHER and in this case, only “WRATH” will be present around “THE SEAT OF THE INTELLECT” inside this “Specific Energy ‘SPIRIT’ Substance” following the rejection of “IMPURE” external signals input at the entrance to “THE SEAT OF THE INTELLECT” inside this “Specific Energy ‘SPIRIT’ Substance”.

From the perspective of the stream flow of signals, throughout “THE SEAT OF THE INTELLECT” inside this “Specific Energy ‘SPIRIT’ Substance”, “WRATH” is

upstream all around following the protection against “IMPURE” external signals and when it is absent then, “ANGER” will be downstream and coming out along with the results of processing “IMPURE” external signals input that came through. “WRATH” and “ANGER” will not be present simultaneously in the “Specific ‘SPIRITUAL’ Environment” external and immediate around “THE SEAT OF THE INTELLECT” inside this “Specific Energy ‘SPIRIT’ Substance”.

The desire to share the indescribable joy, the ineffable gladness, and immeasurable state of equilibrium that arise out of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” and that “THE DIVINE”, IHVH, our FATHER has consolidated in Himself, is at the origin of “THE HOLY PROJECT”.

In this design of the “DISTINCT” form in the attribute “NON DIVINE”, as manifestation of a metaphor of the “‘SPIRIT←LIGHT’ INDISTINCT DIVINE FORM”, “THE DIVINE ARCHITECT AND PROJECT MASTER” has endowed the inner structures of the “Specific Energy ‘SPIRIT’ Substance” with capacities, with capabilities and with “specific processes” which, among others, allow “THE SEAT OF THE INTELLECT” inside this “Specific Energy ‘SPIRIT’ Substance” to independently: remember, learn, acquire intelligence and develop it throughout its existence in the attribute “NON DIVINE”, and to “LOVE”.

All these capacities, these capabilities, and these “specific processes” inner and autonomous to “THE SEAT OF THE INTELLECT” inside this “Specific Energy ‘SPIRIT’ Substance” work in “PURITY” and “HOLINESS”, and aim to create the conditions that allow to give birth, in the “Specific Energy ‘SPIRIT’ Substance”, to manifestations of metaphors of the indescribable joy, the ineffable gladness, and immeasurable state of equilibrium that “THE DIVINE”, IHVH, our FATHER has chosen to share with the attribute “NON DIVINE”.³⁷⁵

³⁷⁵ A clear and tangible illustration of this, using the concept of “garden”, is represented by the blossoming of the constructs called “flowers” in all their forms in a “garden”, and their aesthetics and durability; another clear and tangible illustration of this, is represented by the ripening of the constructs called “fruits” in all their forms on trees., etc... They are all parts of all that “THE DIVINE FORCE” has produced into existence, for the education of the creatures that, on instruction of “THE DIVINE”, IHVH, our FATHER, SHE brings forth into existence in this attribute “NON DIVINE” and that they see manifested around them in their living environment. All that, has been produced so that they can grasp “THE TRUTH” inaccessible, inscrutable, and invisible, which is inside them, and understand it from what is accessible and visible around them. The “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” in the “Plane Above” have theirs in accordance with the properties of the

It is in these conditions, produced in “PURITY” and “HOLINESS”, and established by “THE DIVINE ARCHITECT AND PROJECT MASTER”, that “THE DIVINE FORCE” will then, place inside of “The ALTAR of ‘THE DIVINE’” which is covered by the “Specific Energy ‘SPIRIT’ Substance” in this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, a special element from which will arise, autonomously to “The ALTAR of ‘THE DIVINE’” and also to the “Specific Energy ‘SPIRIT’ Substance”, the manifestations of metaphors of the indescribable joy, of the ineffable gladness, and the immeasurable state of equilibrium, that “THE DIVINE”, IHVH, our FATHER has consolidated in Himself.

This special element is still called: the seed of “THE KNOWLEDGE OF THE DIVINE”; it goes hand in hand with “THE SPECIFIC SPIRITUAL FORCE OF LIFE” and of which the degree of presence in the “Specific ‘SPIRITUAL’ Environment” external and immediate around the “Specific Energy ‘SPIRIT’ Substance”, will be the main factor that will provide the temperature and the enlightenment intensity which are necessary for the development of this seed.

However, this seed of “THE KNOWLEDGE OF THE DIVINE” inside of “The ALTAR of ‘THE DIVINE’” which is covered by the “Specific Energy ‘SPIRIT’ Substance” in this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, is not exactly the same as the seed of “THE KNOWLEDGE OF THE DIVINE” that has been placed in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model; because “THE KNOWLEDGE OF THE DIVINE” that is shared with the attribute “NON DIVINE”, is sent by “THE DIVINE”, IHVH, our FATHER, according to the “Phases of Creation” as “THE DIVINE ARCHITECT AND PROJECT MASTER” has established it, and so that it forms at the end of the fifth phase, a WHOLE: “THE DIVINE”.

Indeed, the seed of “THE KNOWLEDGE OF THE DIVINE” inside of “The ALTAR of ‘THE DIVINE’” which is covered by the “Specific Energy ‘SPIRIT’ Substance” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model contains at its base, only elements of “THE ‘SPIRIT’ REASON”.

“Specific Energy ‘CELESTIAL’ Substance” constituent of the “Specific Energy ‘CELESTIAL’ Domain”. The “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” in the “Plane Below” have theirs in accordance with the properties of the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, and which result from a projection in “Plane Below” of the developments carried out in “Plane Above”. All these things are manifestations of metaphors of all that “THE DIVINE”, IHVH, our FATHER has chosen to share with the attribute “NON DIVINE”.

In this “SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, the seed of “THE KNOWLEDGE OF THE DIVINE” inside of “The ALTAR of ‘THE DIVINE’” which is covered by the “Specific Energy ‘SPIRIT’ Substance” contains at its base, only elements of “THE ‘LIGHT’ REASON”, and that “Specific Energy ‘SPIRIT’ Substance” contains at its base, elements of “THE ‘SPIRIT’ REASON” inherited from the seed of “THE KNOWLEDGE OF THE DIVINE” that has been placed inside of “The ALTAR of ‘THE DIVINE’” which is covered by the “Specific Energy ‘SPIRIT’ Substance” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model.

Those elements of “THE ‘LIGHT’ REASON” are not available in the seed of “THE KNOWLEDGE OF THE DIVINE” that has been placed inside of “The ALTAR of ‘THE DIVINE’” which is covered by the “Specific Energy ‘SPIRIT’ Substance” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model.

The temperature provided by “THE SPECIFIC SPIRITUAL FORCE OF LIFE” is that, which allows affective and emotional development of the seed of “THE KNOWLEDGE OF THE DIVINE” inside of “The ALTAR of ‘THE DIVINE’” which is covered by the “Specific Energy ‘SPIRIT’ Substance” in this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model.

The enlightenment intensity provided by “THE SPECIFIC SPIRITUAL FORCE OF LIFE” is that, which allows development of “THE INTELLECT” inside “THE SEAT OF THE INTELLECT” inside the “Specific Energy ‘SPIRIT’ Substance” in this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model.

From the perspective of the affective and emotional growth, “THE SPECIFIC SPIRITUAL FORCE OF LIFE” will always be called “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”, and from the perspective of “THE INTELLECT” growth, “THE SPECIFIC SPIRITUAL FORCE OF LIFE” will always be called “THE DIVINE WISDOM”.

The seed of “THE KNOWLEDGE OF THE DIVINE” inside of “The ALTAR of ‘THE DIVINE’” which is covered by the “Specific Energy ‘SPIRIT’ Substance” in this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model contains at its base, only elements of “THE ‘LIGHT’ REASON”.

In the absence of this seed of “THE KNOWLEDGE OF THE DIVINE”, the “Specific Energy ‘SPIRIT’ Substance” will never be able to apprehend and develop a deep understanding of the emotions that are associated with the manifestations of metaphors of the indescribable joy, the ineffable gladness, and immeasurable state of equilibrium that “THE DIVINE”, IHVH, our FATHER has chosen to share

with “The ALTAR of ‘THE DIVINE’” which is covered by the “Specific Energy ‘SPIRIT’ Substance” in this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model.

Therefore, the “Specific Energy ‘SPIRIT’ Substance” will never be able to have a share of the indescribable joy, the ineffable gladness, and immeasurable state of equilibrium that “THE DIVINE”, IHVH, our FATHER has chosen to share with “The ALTAR of ‘THE DIVINE’” which is covered by the “Specific Energy ‘SPIRIT’ Substance” in this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, during the course of the “Second Phase” of “THE HOLY PROJECT”.

It is “THE DIVINE FORCE” who produced the “Specific Elementary ‘SPIRIT’ Particle” into existence, made it germinate and grow to the maturity stage where the “Specific Atomic ‘SPIRIT’ Substance” has been sealed.

Instead, in “The ALTAR of ‘THE DIVINE’” which is covered by the “Specific Energy ‘SPIRIT’ Substance” in this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, it is the capacities, the capabilities and all “specific processes” inner to the “Specific Energy ‘SPIRIT’ Substance”, and the degree of presence of “THE SPECIFIC SPIRITUAL FORCE OF LIFE” in the “Specific ‘SPIRITUAL’ Environment” external and immediate around the “Specific Energy ‘SPIRIT’ Substance”, that will create autonomously the conditions through which this seed of “THE KNOWLEDGE OF THE DIVINE” will be able to sprout and grow following the temperature and the enlightenment intensity which will be provided by “THE SPECIFIC SPIRITUAL FORCE OF LIFE”.

The creation of these conditions through which this seed of “THE KNOWLEDGE OF THE DIVINE” will be able to sprout and grow, depends upon the state of “HARMONY” of both “The ALTAR of ‘THE DIVINE’” which is covered by the “Specific Energy ‘SPIRIT’ Substance” in this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, and the “Specific Energy ‘SPIRIT’ Substance” which covers “The ALTAR of ‘THE DIVINE’”, with “THE DIVINE”, IHVH, our FATHER.

The creation of these conditions through which this seed of “THE KNOWLEDGE OF THE DIVINE” will be able to sprout and grow, is similar to a fertilization process which consists of bringing to a plant growing medium, the necessary elements for the growth of the plant.

As we have already mentioned in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, here too in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, the plant in question here is the plant of “THE KNOWLEDGE OF THE DIVINE” and the growing medium is the combined set formed by “THE SEAT OF WISDOM” (also called “THE GARDEN OF WISDOM”, the growing medium of “WISDOM”) and

“THE SEAT OF THE INTELLECT” (also called “THE GARDEN OF THE INTELLECT”, the growing medium of “THE INTELLECT”).

“THE SEAT OF WISDOM” and “THE SEAT OF THE INTELLECT” are the two blessed gardens that “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed and established in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model.

These elements of fertilization which are necessary for the growth of the plant of “THE KNOWLEDGE OF THE DIVINE”, in the “‘SPIRIT←LIGHT’ Specific State” (the “Specific Energy ‘SPIRIT’ Substance” being in the “‘SPIRIT’ Specific State” and which covers “The ALTAR of ‘THE DIVINE’” in the “‘LIGHT’ Specific State”), are of two types, fertilizers and amendments:

1. Fertilizers are the knowledge of these things that relate closely to “THE HOLY PROJECT” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed and established, with the purpose to be implemented in the attribute “NON DIVINE”, and which represent that, which we have called: the ins and outs of “THE HOLY PROJECT”; that is, what justified and has been at the origin of “THE HOLY PROJECT” in which manifestations in the attribute “NON DIVINE”, of metaphors of the “DIVINE PRIMARY WEALTH”, that “THE DIVINE” has chosen to share with the attribute “NON DIVINE”, will be “spoken” into existence: the “who”, “what” and “why”, that will represent all of the ins of “THE HOLY PROJECT”, and the “when”, “where” and “how” that will represent all the outs of “THE HOLY PROJECT”.

Those fertilizers originate directly from “THE ABSOLUTE FRAME OF REFERENCE” defined by “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” in “THE DIVINE”.

2. Amendments are the knowledge that is acquired by “THE SEAT OF THE INTELLECT” all along its growth in “THE KNOWLEDGE OF THE DIVINE” and through the execution of tasks that “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed and established, and that “THE DIVINE FORCE” will assign to creatures that are or will be into existence in the attribute “NON DIVINE”.

Those amendments originate from “THE FRAME OF REFERENCE OF THE ATTRIBUTE ‘NON DIVINE’” in the attribute “NON DIVINE”.

The final objectives of this fertilization are to get the best performance possible, from the elements of “THE ‘SPIRIT→LIGHT’ REASON”, in the

“‘SPIRIT←LIGHT’ Specific State”, given the other factors that are the temperature and the enlightenment intensity, which contribute to it and which will be provided by “THE SPECIFIC SPIRITUAL FORCE OF LIFE” in all its forms.

These elements of fertilization which are necessary for the growth of the plant of “THE KNOWLEDGE OF THE DIVINE”, in the “‘SPIRIT←LIGHT’ Specific State” (the “Specific Energy ‘SPIRIT’ Substance” being in the “‘SPIRIT’ Specific State” and which covers “The ALTAR of ‘THE DIVINE’” in the “‘LIGHT’ Specific State”) are not the same as those of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model which are only in the “‘SPIRIT’ Specific State” (the “Specific Energy ‘SPIRIT’ Substance” being in the “‘SPIRIT’ Specific State” and which covers “The ALTAR of ‘THE DIVINE’” in the “‘SPIRIT’ Specific State”).

The needs of the plant of “THE KNOWLEDGE OF THE DIVINE”, in the “‘SPIRIT←LIGHT’ Specific State” (the “Specific Energy ‘SPIRIT’ Substance” being in the “‘SPIRIT’ Specific State” and which covers “The ALTAR of ‘THE DIVINE’” in the “‘LIGHT’ Specific State”), will always evolve during its growth, and will not necessarily be the same as those of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model.

At stages where they are needed, fertilization elements must be able to be taken by the plant in the growing medium that is “The ALTAR of ‘THE DIVINE’” which is covered by the “Specific Energy ‘SPIRIT’ Substance” in this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model. These elements of fertilization must be available in sufficient quantities and in a form available.

This is why “The ALTAR of ‘THE DIVINE’” which is covered by the “Specific Energy ‘SPIRIT’ Substance” in this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, will have to be always in “THE PRAISE” with “THE DIVINE”, whose Presence will be available inside of this “ALTAR of ‘THE DIVINE’” which contains elements of “THE ‘LIGHT’ REASON”, and through the degree of presence of “THE SPECIFIC SPIRITUAL FORCE OF LIFE” in the “Specific ‘SPIRITUAL’ Environment” external and immediate around the “Specific Energy ‘SPIRIT’ Substance”.

In the case of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, “The ALTAR of ‘THE DIVINE’” which is covered by the “Specific Energy ‘SPIRIT’ Substance” in this “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, will have to be always in “THE PRAISE” with “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — or with any expression in the attribute “NON DIVINE” of a metaphor of “THE ‘SPIRIT←LIGHT’ EON” closest to that “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, and through the degree of presence

of “THE SPECIFIC SPIRITUAL FORCE OF LIFE” in the “Specific ‘SPIRITUAL’ Environment” external and immediate around the “Specific Energy ‘SPIRIT’ Substance”.

If the elements of fertilization are not available when needed, because for example of the presence of the state of “CHAOS” either of “The ALTAR of ‘THE DIVINE’” which is covered by the “Specific Energy ‘SPIRIT’ Substance” in this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, or of “Specific Energy ‘SPIRIT’ Substance” which covers “The ALTAR of ‘THE DIVINE’”, with “THE DIVINE”, IHVH, our FATHER, then, the growing medium that is “The ALTAR of ‘THE DIVINE’” which is covered by the “Specific Energy ‘SPIRIT’ Substance” in this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, will be damaged and the growth of the plant of “THE KNOWLEDGE OF THE DIVINE” will be limited and the final yield lowest.³⁷⁶

It is so that, “The ALTAR of ‘THE DIVINE’” which is covered by the “Specific Energy ‘SPIRIT’ Substance” in this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, as well as this “Specific Energy ‘SPIRIT’ Substance” which covers “The ALTAR of ‘THE DIVINE’” are called to remain in the state of “HARMONY” with “THE DIVINE”, IHVH, our FATHER, to remain in “PURITY” and “HOLINESS”, for the seed of “THE KNOWLEDGE OF THE DIVINE” to be able to sprout and grow from the temperature and the enlightenment intensity which will be provided by “THE SPECIFIC SPIRITUAL FORCE OF LIFE”.

It is then, “THE SPECIFIC SPIRITUAL FORCE OF LIFE” who, through the degree of Its Presence in the “Specific ‘SPIRITUAL’ Environment” external and

³⁷⁶ It is for the purpose to lead human creatures to understand this, that CHRIST had given them the parable of the sower (Matthew 13:4-8) saying:

“...

A sower went out to sow. As he sowed, some seeds fell along the path: birds came and devoured them.

Other seeds fell on rocky ground, where they did not have much soil: immediately they sprang up, since they had no depth of soil; but when the sun rose they were scorched, since they had no root, they withered away.

Other seeds fell among thorns, and the thorns grew up and choked them.

Other seeds fell on good soil and produced grain, some a hundredfold, some sixty, some thirty.

...”

immediate around the “Specific Energy ‘SPIRIT’ Substance” in this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, will educate both “The ALTAR of ‘THE DIVINE’” which is covered by the “Specific Energy ‘SPIRIT’ Substance” in this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, and this “Specific Energy ‘SPIRIT’ Substance” which has received an autonomous capacity to “MAKE DECISIONS” and covers this “ALTAR of ‘THE DIVINE’”.

The purpose of this education provided by “THE SPECIFIC SPIRITUAL FORCE OF LIFE”, is to lead “The ALTAR of ‘THE DIVINE’” which is covered by the “Specific Energy ‘SPIRIT’ Substance” in this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model towards “THE KNOWLEDGE OF THE DIVINE”, with a shade at least implicitly of extraction, by rising “THE SEAT OF THE INTELLECT”, which is inside the “Specific Energy ‘SPIRIT’ Substance” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, from the oblivion (or ignorance) of “The ALTAR of ‘THE DIVINE’”.

Such education involves three essential knowledge:

1. The knowledge of the origin of both “The ALTAR of ‘THE DIVINE’” which is covered by the “Specific Energy ‘SPIRIT’ Substance” in this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, and this “Specific Energy ‘SPIRIT’ Substance” which covers this “ALTAR of ‘THE DIVINE’” which will be educated;
2. The knowledge of the path along which will be educated and led “The ALTAR of ‘THE DIVINE’” which is covered by the “Specific Energy ‘SPIRIT’ Substance” in this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model;
3. The knowledge of the manner in which both “The ALTAR of ‘THE DIVINE’” which is covered by the “Specific Energy ‘SPIRIT’ Substance” in this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, and this “Specific Energy ‘SPIRIT’ Substance” which covers this “ALTAR of ‘THE DIVINE’” will be truly educated.

Only “THE SPECIFIC SPIRITUAL FORCE OF LIFE”, in all its forms, has all that information in all their details, and SHE received them from “THE DIVINE”, IHVH, our FATHER, in order to accomplish all the purposes of education of all creatures that will be created into existence in the attribute “NON DIVINE”.

When “THE SPECIFIC SPIRITUAL FORCE OF LIFE” is providing this education, as well as the temperature and the enlightenment intensity, that is, the

illumination — “THE LIGHT” which allows to discern that, which conforms to the specifications that “THE DIVINE ARCHITECT AND PROJECT MASTER” has defined — from within “The ALTAR of ‘THE DIVINE’”, it is said that: “THE SPECIFIC SPIRITUAL FORCE OF LIFE” is in HER council inside “The ALTAR of ‘THE DIVINE’”. Such education is said to be performed through enlightenment.

At the origin of both “The ALTAR of ‘THE DIVINE’” which is covered by the “Specific Energy ‘SPIRIT’ Substance” in this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, and this “Specific Energy ‘SPIRIT’ Substance” which covers this “ALTAR of ‘THE DIVINE’”, is an “‘SPIRIT←LIGHT’ INDISTINCT DIVINE FORM” which is inside of “THE DIVINE DOMAIN” that is not accessible to the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

The dwelling place of “The ALTAR of ‘THE DIVINE’” which is covered by the “Specific Energy ‘SPIRIT’ Substance” in this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model is in the attribute “NON DIVINE”; and with respect to this “‘SPIRIT←LIGHT’ INDISTINCT DIVINE FORM”, “The ALTAR of ‘THE DIVINE’” and the “Specific Energy ‘SPIRIT’ Substance” which covers this “ALTAR of ‘THE DIVINE’” in this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, are together just a manifestation of a metaphor in the attribute “NON DIVINE” of the original “‘SPIRIT←LIGHT’ INDISTINCT DIVINE FORM”.

It is “THE SPECIFIC SPIRITUAL FORCE OF LIFE”, under its name of “THE DIVINE FORCE”, who will create into existence in the attribute “NON DIVINE” both “The ALTAR of ‘THE DIVINE’” which is covered by the “Specific Energy ‘SPIRIT’ Substance” in this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, and this “Specific Energy ‘SPIRIT’ Substance” which covers this “ALTAR of ‘THE DIVINE’”, following the model that has been designed and established by “THE DIVINE ARCHITECT AND PROJECT MASTER”.

It is “THE DIVINE FORCE” who will make manifest in the attribute “NON DIVINE”, “The Specific Process of Attachment to ‘THE DIVINE’” and all the “specific processes” which contribute to the unique link of attachment by which “The ALTAR of ‘THE DIVINE’” and the “Specific Energy ‘SPIRIT’ Substance” which covers this “ALTAR of ‘THE DIVINE’” in this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model are associated to the “‘SPIRIT←LIGHT’ INDISTINCT DIVINE FORM” that is in “THE PLACE OF LIFE”; that is, in “THE DIVINE DOMAIN”.

This link of attachment implies a relationship and a differentiation between the “‘SPIRIT←LIGHT’ INDISTINCT DIVINE FORM” and “The ALTAR of ‘THE DIVINE’” and the “Specific Energy ‘SPIRIT’ Substance” which covers this

“ALTAR of ‘THE DIVINE’” in this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, which is the manifestation of the metaphor of the considered “‘SPIRIT←LIGHT’ INDISTINCT DIVINE FORM”.

The path along which will be educated and led “The ALTAR of ‘THE DIVINE’” which is covered by the “Specific Energy ‘SPIRIT’ Substance” in this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, is the path illustrated by the Governing Law of the Behavior, the manifestation of “The Walk within the Acronym IHVH”; it is the path that leads to “PLENITUDE”, to the manifestation in the attribute “NON DIVINE”, of the metaphor of the indescribable joy, the ineffable gladness, and immeasurable state of equilibrium that “THE DIVINE”, IHVH, our FATHER has chosen to share with the attribute “NON DIVINE” like HE had intended when HE had decided to establish “THE HOLY PROJECT”.

Two developments, inside of “The ALTAR of ‘THE DIVINE’” which is covered by the “Specific Energy ‘SPIRIT’ Substance” in this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model and inside of this “Specific Energy ‘SPIRIT’ Substance” which covers this “ALTAR of ‘THE DIVINE’”, will allow to accomplish the walk along this prescribed path:

1. The affective and emotional development of the seed of “THE KNOWLEDGE OF THE DIVINE” inside of “The ALTAR of ‘THE DIVINE’” which is covered by the “Specific Energy ‘SPIRIT’ Substance” in this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model;
2. The development of “THE INTELLECT” inside “THE SEAT OF THE INTELLECT” inside the “Specific Energy ‘SPIRIT’ Substance” in this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model.

These two developments form the framework, the model whereby “THE SPECIFIC SPIRITUAL FORCE OF LIFE” will conform to complete the education that SHE will provide to “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”.

It is “THE SPECIFIC SPIRITUAL FORCE OF LIFE” who, through the degree of Its Presence in the “Specific ‘SPIRITUAL’ Environment” external and immediate around the “Specific Energy ‘SPIRIT’ Substance”, will act as SHEPHERD of “THE SEAT OF THE INTELLECT” inside the “Specific Energy ‘SPIRIT’ Substance” and provide the temperature and the enlightenment intensity which are necessary to accomplish these two developments.

As “THE DIVINE ARCHITECT AND PROJECT MASTER” had established it, and since the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model possesses the unique

ס
פ
ר

particulars of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, in the quality of epithet functions, it is so that, the task of developing the character of “THE INTELLECT” in the “Specific Energy ‘SPIRIT’ Substance” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model would be the deliberate effort that will be facilitated by the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” as future educators and shepherds of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” to nurture their attributes and make them as a standard of behavior of the manifestation of “THE ‘SPIRIT’ REASON”.

During this upbringing, while developing, through the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, knowledge of the attributes of the elements of “THE ‘SPIRIT’ REASON” which are the basis of “THE KNOWLEDGE OF THE DIVINE” manifested in the “‘SPIRIT’ Specific State” and of which the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” should already have in their possession, the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” was called upon to develop the knowledge of the attributes of elements of “THE ‘LIGHT’ REASON” which are the basis of “THE KNOWLEDGE OF THE DIVINE” manifested in the “‘LIGHT’ Specific State” and which is not available to the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”.³⁷⁷

³⁷⁷ With the announcement of the “Second Phase” of the implementation of “THE HOLY PROJECT”, the elders of the creation will understand this and, covered by this “HUBRIS Spiritual Veil”, and in the logic distorted by the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, they will decide otherwise and throw the confusion in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, and thus lead it astray from elements of “THE ‘LIGHT’ REASON”.

It is for the purpose to lead his disciples and human creatures to understand this, that CHRIST had told them, regarding the elders of the creation:

“... ”

The archons wanted to deceive humanity as soon as they saw that it was akin to that, which is truly good.

They took the name of that, which is good and attributed it to that, which is not good, to deceive humanity through “alter ego of names” and to tie humanity to that, which is not good, and subsequently what favour they are extending them! — In order to detach the humanity of that, which is not good and place it among that, which is good according to them.

Because, in truth, they wanted to take anyone who was free and subject him as slave forever.

“... ”

See explanations in another section below.

As “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed it, from one “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” to another one, the seed of “THE KNOWLEDGE OF THE DIVINE” will sprout and grow in a slightly different manner in “The ALTAR of ‘THE DIVINE’” which is covered by the “Specific Energy ‘SPIRIT’ Substance” in this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model.

After a period of germination, this development will always go through predefined stages of growth and which are in all respect analogues of the growth stages from the “Specific Elementary ‘SPIRIT’ Particle” to the “Specific Atomic ‘SPIRIT’ Substance”. They range from the “spiritual awakening” to the “adult spiritual age” passing through the “spiritual childhood” and the “spiritual adolescence”. They will mark the stages of passage along the manifestation of the metaphor of the complete flow path of the “Generative Divine Particle” in “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”. As such, they are manifestations of the four quadrants which result from the projection of the Four points that define the movement of the “Generative Divine Particle” and in this arrangement — “HE WHO EXISTS”, “HE WHO IS ABOVE”, “HE WHO WILL EXIST”, “HE WHO ARRIVES” — and the pronunciation of the acronym of which is the same as the word “IHVH”, onto the complete flow path of the “Generative Divine Particle”. The “spiritual awakening” is associated with the first quadrant, the “spiritual childhood” is associated with the second quadrant, the “spiritual adolescence” is associated with the third quadrant, and the “adult spiritual age” is associated with the fourth quadrant. This flow path is defined by its fifty-two non-redundant “Divine Equilibrium Regions”:

- The “spiritual awakening” is associated with the manifestation of the metaphor of the beginning of the first of the fifty-two non-redundant “Divine Equilibrium Regions”.
- The seven manifestations of the metaphor of the following seven of the fifty-two non-redundant “Divine Equilibrium Regions” will define the “spiritual childhood”.
- The five manifestations of the metaphor of the following five of the remaining forty-five non-redundant “Divine Equilibrium Regions” will define the “spiritual adolescence” and mark the time of acquisition by “THE SEAT OF THE INTELLECT” of the voice of “The ALTAR of ‘THE DIVINE’” which is covered by the “Specific Energy ‘SPIRIT’ Substance”.

- The forty manifestations of the metaphor of the remaining forty non-redundant “Divine Equilibrium Regions” will mark the time at the end of which “THE SEAT OF THE INTELLECT” would have dispelled the mist of residuals from the interpretation of the elements of the “Realm of the ‘THOUGHTS’”, to mark the end of the manifestation of the metaphor of the complete flow path of the “Generative Divine Particle” in “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, and thus the beginning of the “adult spiritual age”.

Just as it is in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, “THE DIVINE ARCHITECT AND PROJECT MASTER” has endowed “THE SEAT OF THE INTELLECT” in this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model with the “FREE CHOICE”, the autonomous capacity to “THINK”, to “REASON” and to “MAKE DECISIONS” without that, the elements of “THE REASON” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has restricted to “THE SEAT OF THE INTELLECT” — in this case of the model of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, they are elements of “THE ‘SPIRIT’ REASON” in the “Specific Energy ‘SPIRIT’ Substance” and the elements of “THE ‘LIGHT’ REASON” in “The ALTAR of ‘THE DIVINE’” which is covered by the “Specific Energy ‘SPIRIT’ Substance” in this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model — are blocked by “THE SPECIFIC SPIRITUAL FORCE OF LIFE”.

It is so that, the education of both “The ALTAR of ‘THE DIVINE’” which is covered by the “Specific Energy ‘SPIRIT’ Substance” in this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, and this “Specific Energy ‘SPIRIT’ Substance” which covers this “ALTAR of ‘THE DIVINE’”, through these two developments, aims, therefore, to the full achievement of the potential contained both in “The ALTAR of ‘THE DIVINE’” which is covered by the “Specific Energy ‘SPIRIT’ Substance” in this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, and in this “Specific Energy ‘SPIRIT’ Substance” which covers this “ALTAR of ‘THE DIVINE’”.

As we have already mentioned for the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, one of the main drivers of this education, and that allows to lead “The ALTAR of ‘THE DIVINE’” which is covered by the “Specific Energy ‘SPIRIT’ Substance” in this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, toward that, which it is called to become, is the distinction.

“The ALTAR of ‘THE DIVINE’” which is covered by the “Specific Energy ‘SPIRIT’ Substance” in this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model carries a

unique expression of the manifestation of a metaphor of a “DIVINE PRIMARY WEALTH” chosen within a countless number of “DIVINE PRIMARY WEALTH”.

It is through the distinction, which highlights the purpose of the “DIVINE PRIMARY WEALTH”, that each manifestation of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, will have to find its place, build a personality; each “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” with respect to the others “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, each “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” with respect to the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” — the personalities of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” will be expressed in their chosen “Characters” and made manifest through the “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creatures” that will be created in the environment of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” — and each “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” with respect to “THE DIVINE”, IHVH, our FATHER.

The distinction designed by “THE DIVINE ARCHITECT AND PROJECT MASTER” and manifested through the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model is creative and educational; because it ensues from the supreme completeness of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”.

Only “THE SPECIFIC SPIRITUAL FORCE OF LIFE”, in all its forms, has all these information in all their details, and SHE received them from “THE DIVINE”, IHVH, our FATHER, in order to accomplish all the purposes of education of all creatures that will be created into existence in the attribute “NON DIVINE”.

It is so that, through this creative and educative distinction through the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” in turn would also be enriched in the understanding of the attributes of the elements of “THE ‘LIGHT’ REASON” by observation of their development by “THE SPECIFIC SPIRITUAL FORCE OF LIFE” acting in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

The knowledge of the manner in which both “The ALTAR of ‘THE DIVINE’” which is covered by the “Specific Energy ‘SPIRIT’ Substance” in this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, and this “Specific Energy ‘SPIRIT’ Substance” which covers this “ALTAR of ‘THE DIVINE’” will be truly educated, was established by “THE DIVINE ARCHITECT AND PROJECT MASTER”, from eternity, before that the attribute “NON DIVINE” was created, and according to the manifestation of the metaphor of the “DIVINE PRIMARY WEALTH” which will be placed in “The ALTAR of ‘THE DIVINE’” which is

covered by the “Specific Energy ‘SPIRIT’ Substance” in this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model.

Therefore, each “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” through the unique manifestation of the metaphor of a “DIVINE PRIMARY WEALTH” which will be placed in “The ALTAR of ‘THE DIVINE’” which is covered by the “Specific Energy ‘SPIRIT’ Substance” in this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, will thus have the necessary elements for his own education.

Although as “THE DIVINE ARCHITECT AND PROJECT MASTER” had established it, the task of developing the character of “THE INTELLECT” in the “Specific Energy ‘SPIRIT’ Substance” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model would be the deliberate effort that will be facilitated by the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” as future educators and shepherds of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” to nurture their attributes and make them as a standard of behavior of the manifestation of “THE ‘SPIRIT’ REASON”, only “THE SPECIFIC SPIRITUAL FORCE OF LIFE”, in all its forms, possesses in all their details the knowledge of all these elements contained in the unique manifestation of the metaphor of a “DIVINE PRIMARY WEALTH” and which are necessary for the development of this unique manifestation of the metaphor of a “DIVINE PRIMARY WEALTH”; and SHE received them from “THE DIVINE”, IHVH, our FATHER, in order to accomplish all the purposes of education of each creature that will be created into existence in the attribute “NON DIVINE”.

This is not a packet transmitted in inheritance that “THE SPECIFIC SPIRITUAL FORCE OF LIFE”, under its name of “THE DIVINE FORCE”, will transmit to “The ALTAR of ‘THE DIVINE’” which is covered by the “Specific Energy ‘SPIRIT’ Substance” in this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, because to educate is to nurture in order to move from one level of “THE KNOWLEDGE OF THE DIVINE” to another located farther in the direction of travel so that it acquires a value that brings close to the horizon of the path to which will be led “The ALTAR of ‘THE DIVINE’” which is covered by the “Specific Energy ‘SPIRIT’ Substance” in this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model.

To educate both “The ALTAR of ‘THE DIVINE’” which is covered by the “Specific Energy ‘SPIRIT’ Substance” in this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, and this “Specific Energy ‘SPIRIT’ Substance” which covers this “ALTAR of ‘THE DIVINE’”, is to love them; the affection passing through:

1. The breast of “THE SPECIFIC SPIRITUAL FORCE OF LIFE”, under its name of “THE DIVINE FORCE”, at the same time as Her nutrient milk

— that is, the rules, the principles, and the precepts she had established, and to live by these precepts, which are the customs and patterns (that is, “PURITY” and “HOLINESS” of “THE DIVINE WISDOM”) — and that will allow the development of “THE INTELLECT” and the affective and emotional development of “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”;³⁷⁸

2. The attributes and behavior standards of the manifestation of “THE ‘SPIRIT’ REASON” that the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” were supposed to have developed in them during the “First Phase” of “THE HOLY PROJECT”, and which will facilitate the development of “THE INTELLECT”.

³⁷⁸ A manifestation by metaphor of this education of both “The ALTAR of ‘THE DIVINE’” which is covered by the “Specific Energy ‘SPIRIT’ Substance” in this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, and this “Specific Energy ‘SPIRIT’ Substance” which covers this “ALTAR of ‘THE DIVINE’”, is what you can see displayed all around you and where a “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” with the adjective “FEMALE” breastfeeds its child progenitures.

Consider the picture of a “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” with the adjective “FEMALE” breastfeeding its child progenitures, as a manifested “specific task”, which is performed by that “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” with the adjective “FEMALE”. Into that “specific task”, “THE DIVINE FORCE” has embedded an invisible treasure, a “LIGHT” that is hidden in the “LIGHT”, and which you were called to discern and understand. Here, the first term **“LIGHT”** in “... a **“LIGHT”** that is hidden in the **“LIGHT”** ...” refers to the education that “THE DIVINE FORCE” provides to both “The ALTAR of ‘THE DIVINE’” which is covered by the “Specific Energy ‘SPIRIT’ Substance” inside of you, as a product of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, and this “Specific Energy ‘SPIRIT’ Substance” which covers the “ALTAR of ‘THE DIVINE’” inside of you, both of which you cannot “see” and maybe you do not even realize that you have such components inside of you. The second term **“LIGHT”** in “... a **“LIGHT”** that is hidden in the **“LIGHT”** ...” refers to the displayed picture of the manifested “specific task” of a “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” with the adjective “FEMALE” breast feeding its child progenitures, and which you see outside of you in the environment in which you live. What is the adjective of “THE DIVINE FORCE”? And what are you, with respect of “THE DIVINE FORCE”? YOU (reading these writings) ARE A CHILD OF “THE DIVINE FORCE”! Do you understand that there is quite a lot of “bread on the table” for your education in “THE KNOWLEDGE OF THE DIVINE” and “THE HOLY PROJECT”? Every living thing around you, and which was produced into existence by “THE DIVINE FORCE”, is for your education: you are called to discern and understand such invisible treasure and grow in “THE KNOWLEDGE OF THE DIVINE”.

This nutrient milk of “THE SPECIFIC SPIRITUAL FORCE OF LIFE” has been placed within the tasks established by “THE DIVINE ARCHITECT AND PROJECT MASTER”, from eternity, before that the attribute “NON DIVINE” was created, and for the implementation of the phases of “THE HOLY PROJECT”.

As we have indicated already, all these concepts and much more, which are related to the education of the creatures that “THE DIVINE FORCE”, on instruction of “THE DIVINE”, IHVH, our FATHER, will spawn into existence inside the attribute “NON DIVINE”, were also transposed by “THE DIVINE FORCE”, into metaphors to be manifested explicitly on those creatures. The “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, products of the mold designated as the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, in the “Plane Above”, will have those concepts manifested accordingly on their “Specific Energy ‘CELESTIAL’ Envelope”. The “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, products of the mold designated as “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, in the “Plane Below”, will also have those concepts manifested accordingly on their “Specific Energy ‘EARTHLY’ Envelope”. It is so that, just as the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, in the “Plane Above”, were designed to be “living and animated chapters” of the “DISCOURSE” of “THE DIVINE”, IHVH, our FATHER, in much the same, the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” that “THE DIVINE FORCE”, on instruction of “THE DIVINE”, IHVH, our FATHER, will spawn into existence inside the attribute “NON DIVINE”, in the “Plane Below”, also truly will be “living and animated chapters” of the “DISCOURSE” of “THE DIVINE”, IHVH, our FATHER, and complementing that part of the “DISCOURSE” written on the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”.

As we have mentioned here above, “THE DIVINE ARCHITECT AND PROJECT MASTER” has endowed “THE SEAT OF THE INTELLECT” in this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model with the “FREE CHOICE”, the autonomous capacity to “THINK”, to “REASON” and to “MAKE DECISIONS” without that, the elements of “THE REASON” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has restricted to “THE SEAT OF THE INTELLECT” — in this case of the model of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, they are elements of “THE ‘SPIRIT’ REASON” in the “Specific Energy ‘SPIRIT’ Substance” and the elements of “THE ‘LIGHT’ REASON” in “The ALTAR of ‘THE DIVINE’” which is covered by the “Specific Energy ‘SPIRIT’ Substance” in this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model — are blocked by “THE SPECIFIC SPIRITUAL FORCE OF LIFE”.

Just as “THE DIVINE ARCHITECT AND PROJECT MASTER” is conscious, and just as HE did with the model of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, HE also endowed “THE SEAT OF THE INTELLECT” in this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, of that, which is called “CONSCIENCE”: that ability that allows “THE SEAT OF THE INTELLECT” to be conscious, to be aware immediately, to know in an immediate rational way, to have rational knowledge of its states, of its acts and of their value, to feel it exists, to be present to itself, to have an immediate and direct knowledge, more or less complete and clear to know of its law that allows it to be in existence, to know its purpose, and its route in its existence. It is this ability that will allow “THE SEAT OF THE INTELLECT” to grow in knowledge through its own “DECISIONS” and its own “CHOICES”.

As long as the “DIVINE PRIMARY WEALTH” that “THE DIVINE”, IHVH, our FATHER would have chosen to share in the “‘SPIRIT→LIGHT’ Specific State” with this attribute “NON DIVINE”, are not yet shared with this attribute “NON DIVINE” but rather remain in “THE DIVINE”, IHVH, our FATHER, then the attribute “NON DIVINE” and all that it contains as “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” cannot know about the existence of these “DIVINE PRIMARY WEALTH”, nor would they know about themselves as manifestations in the “‘SPIRIT→LIGHT’ Specific State” of the metaphors of “DIVINE PRIMARY WEALTH” that already exist in “THE DIVINE”, IHVH, our FATHER, or know anything else about “HE WHO IS”. The manifestations of the metaphors of the “DIVINE PRIMARY WEALTH” in the “‘SPIRIT→LIGHT’ Specific State” inside the attribute “NON DIVINE” possess their existence in this attribute “NON DIVINE” only as a seed of “THE KNOWLEDGE OF THE DIVINE” in the “‘SPIRIT→LIGHT’ Specific State”, so that this existence can be compared to that of an embryo of “THE KNOWLEDGE OF THE DIVINE” in the “‘SPIRIT→LIGHT’ Specific State”. “THE DIVINE”, IHVH, our FATHER generated these manifestations of the metaphors of HIS own “DIVINE PRIMARY WEALTH”, in the state of seed of “THE KNOWLEDGE OF THE DIVINE” in the “‘SPIRIT→LIGHT’ Specific State” before they came into existence inside the attribute “NON DIVINE”. HE also planned for these manifestations of the metaphors of HIS own “DIVINE PRIMARY WEALTH”, not only that they would exist for HIM, in the “‘SPIRIT→LIGHT’ Specific State”, but that they would also exist for themselves, each as an “intellectual substance”. For this reason, “THE DIVINE ARCHITECT AND PROJECT MASTER” conceived and established “THE SEAT OF THE INTELLECT”, truly a growing medium of “THE INTELLECT”, and endowed it with this ability that will allow “THE SEAT OF THE INTELLECT” to grow in knowledge through its own “DECISIONS” and its own “CHOICES”. So that not only “THE SEAT OF THE INTELLECT” (and therefore the creature in

which it will be placed) also exists for itself through “CONSCIENCE” and knows itself as a manifestation in the “‘SPIRIT→LIGHT’ Specific State” of the metaphor of a “DIVINE PRIMARY WEALTH” which already exist in “THE DIVINE”, IHVH, our FATHER, but also that “THE SEAT OF THE INTELLECT” (and therefore the creature in which it will be placed) comes to understand and to know who is “HE WHO IS”, and reaches the “PLENITUDE” in the “‘SPIRIT→LIGHT’ Specific State” — the finality of development of the seed of the metaphor of the “DIVINE PRIMARY WEALTH”, manifested in the “‘SPIRIT→LIGHT’ Specific State” inside the attribute “NON DIVINE”.

In the event that the elements of “THE ‘SPIRIT’ REASON” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has restricted to “THE SEAT OF THE INTELLECT” in the “Specific Energy ‘SPIRIT’ Substance” in this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, are blocked by “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” in case these would have developed in them the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, or are blocked by an external force for whatever motives that be, then, this capacity to make own “DECISIONS”, to make own “CHOICES”, that “THE DIVINE ARCHITECT AND PROJECT MASTER” has endowed to “THE SEAT OF THE INTELLECT” will not be anymore autonomous, but will be conditioned by those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” or by such external force and in which case “THE SEAT OF THE INTELLECT” and therefore the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” associated with this “SEAT OF THE INTELLECT” will not be anymore free, but “subjected” to those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” or to that external force.³⁷⁹

³⁷⁹ This is what will happen to the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, because the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” will covet the element of “THE ‘LIGHT’ REASON” which will be present in “The ALTAR of ‘THE DIVINE’” which is covered by the “Specific Energy ‘SPIRIT’ Substance” in this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model.

The “COVETOUSNESS” is a progeny of “IMPURITY” and which is produced by “THE SEAT OF THE INTELLECT” which is in a state of “CHAOS”, contrary to the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”. Would such “SEAT OF THE INTELLECT” which is in a state of “CHAOS”, contrary to the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”, be able to educate what it covets and that has less experience?

The “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” having not developed in itself the plant of “THE KNOWLEDGE OF THE DIVINE”, but rather the “HUBRIS” of manifestations of

metaphors of “DIVINE PRIMARY WEALTH”, will be in its relationship on the one hand to the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” which must be educated, and on the other hand to “THE KNOWLEDGE OF THE DIVINE” that this “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” has not developed in itself, similar to a sailor embarked on the same boat, just as another passenger much younger than him, who find themselves in the middle of an ocean and have to join an unknown island (which is called the “PLENITUDE”, and where unity with “THE DIVINE FORCE” is achieved).

On the roads where the different educational moments will lead them, with their pitfalls, their cross-currents or their favourable winds, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, at the helm, will not maintain a rigid direction “against wind and tide”, under the pretext that his knowledge ensure that it is the right path. The rigid direction “against wind and tide” is, of course, defined by the Governing Law of the Behavior, the manifestation of “The Walk within the Acronym IHVH”, where it is necessary to stand and hold ground in “PURITY”.

The “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” having not developed in itself the plant of “THE KNOWLEDGE OF THE DIVINE”, but rather the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, the desire for this educator-sailor to affirm his ignorance on the “inexperience” of his much younger passenger, and impose his own will take over.

The references of the educator-sailor being based on the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, that is on “IMPURITY” in all its forms, serve as navigational instrument, to find their position, to check where the education-ship is, not having at its disposal the compass, which is defined by the combine use of “THE KNOWLEDGE OF THE DIVINE” and “The Walk within the Acronym IHVH” where it is necessary to stand and to hold ground in “PURITY”, to sense the direction that it is best to take.

As you would know already, a compass is a relatively simple instrument, which is used for navigation and orientation, and which shows direction relative to the geographic cardinal directions. With its northward-facing needle, it is a consistent and true indicator of the fixed orientation — in the sense that we know it: EAST, NORTH, WEST, and SOUTH —. This fixed orientation is an expression of the acronym IHVH — “HE WHO EXISTS”, “HE WHO IS ABOVE”, “HE WHO WILL EXIST”, “HE WHO ARRIVES” —.

The sailor knows the geography, he is able to observe the stars at night, he is able to observe the sun by clear day; when the sky is dark and cloudy, he will look at the compass, the instrument, which is used for navigation and orientation. And it will be said of a creature who will not be awake to this knowledge of this fixed orientation, or who will have lost the knowledge of this fixed orientation, that it went astray.

It is so that, the ship will sink, taking its young passenger in its wreckage.

It goes without saying, that, this wording concerning the sailor and his young passenger, is a parable and which also concerns all those who are responsible for educating their neighbour in “THE KNOWLEDGE OF THE DIVINE”.

Of such “SPIRIT←LIGHT” ‘EARTHLY’ Creature” whose capacity to make own “DECISIONS”, to make own “CHOICES”, is conditioned or deprived by such external force, it will be said that, that ““SPIRIT←LIGHT” ‘EARTHLY’ Creature” is “subjected” (or is “enslaved”, or is in “slavery”) to that external force.

As “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed it, from one ““SPIRIT←LIGHT” ‘EARTHLY’ Creature” to another one, the seed of “THE KNOWLEDGE OF THE DIVINE” will sprout and grow in a slightly different manner in “The ALTAR of ‘THE DIVINE’” which is covered by the “Specific Energy ‘SPIRIT’ Substance” in this ““SPIRIT←LIGHT” ‘EARTHLY’ Creature” model.

The growth stages inside of “The ALTAR of ‘THE DIVINE’” which is covered by the “Specific Energy ‘SPIRIT’ Substance” in this ““SPIRIT←LIGHT” ‘EARTHLY’ Creature” model, having at its disposal both the elements of “THE ‘LIGHT’ REASON” and the elements of “THE ‘SPIRIT’ REASON”, in “THE KNOWLEDGE OF THE DIVINE”, in the understanding and the knowledge of “THE TREE OF LIFE”, as well as in the understanding and the knowledge of “THE HOLY PROJECT”, are in all respect analogues of the growth stages from the “Specific Elementary ‘SPIRIT’ Particle” to the “Specific Atomic ‘SPIRIT’ Substance”. They range from the “spiritual awakening” to the “adult spiritual age” passing through the “spiritual childhood” and the “spiritual adolescence”, and which we have already described in the ““SPIRIT←SPIRIT” ‘CELESTIAL’ Creature” model.

“THE DIVINE ARCHITECT AND PROJECT MASTER” has designed and established all the temporal, quantitative and qualitative transformations, at different scales, the laws that govern the growth and the subsequent development of the seed of “THE KNOWLEDGE OF THE DIVINE”, and which follow the course of the various stages of growth of the plant of “THE KNOWLEDGE OF THE DIVINE”, from the implantation of the seed to the maturity of the manifestations of the metaphors of the indescribable joy, the ineffable gladness, and immeasurable state of equilibrium that “THE DIVINE”, IHVH, our FATHER has chosen to share with “The ALTAR of ‘THE DIVINE’” which is covered by the “Specific Energy ‘SPIRIT’ Substance” in this ““SPIRIT←LIGHT” ‘EARTHLY’ Creature” model.

The achievement of each stage of growth inside of “The ALTAR of ‘THE DIVINE’” which is covered by the “Specific Energy ‘SPIRIT’ Substance” in this ““SPIRIT←LIGHT” ‘EARTHLY’ Creature” model, is visible only to “THE EYE OF

THE DIVINE”, however this growth will also be made manifest on the “Specific Energy ‘EARTHLY’ Envelope”.

It is in this stage of the “adult spiritual age” that the “Realm of the Interpreted ‘THOUGHTS’” will refine with the passage of time to converge towards the “Realm of the Optimal Interpreted ‘THOUGHTS’” and that is associated to the portion of the “Realm of the ‘THOUGHTS’” which is delineated by the elements of “THE ‘SPIRIT→LIGHT’ REASON” and for the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model.

It is thus that, the full “PLENITUDE” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model will be attained when the “Realm of the Interpreted ‘THOUGHTS’” converges towards the “Realm of the Optimal Interpreted ‘THOUGHTS’”. When this convergence occurs, the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” is said to be at its “HIGHEST PLENITUDE”, it is said to have achieved its “FULL POTENTIAL”, and the following conditions are fulfilled and present in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”:

- “THE SEAT OF THE INTELLECT” inside the “Specific Energy ‘SPIRIT’ Substance” and “The ALTAR of ‘THE DIVINE’” which is covered by that “Specific Energy ‘SPIRIT’ Substance”, working together as conjoints in agreement in this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, are at their “PUREST” and “HOLIEST” states.
- The degree of presence of “THE SPECIFIC SPIRITUAL FORCE OF LIFE” in the “Specific ‘SPIRITUAL’ Environment” external and immediate around both “THE SEAT OF THE INTELLECT” and “THE SEAT OF WISDOM”, is at its highest level.
- The states of “HARMONY” of both “THE SEAT OF THE INTELLECT” and “THE SEAT OF WISDOM”, with “THE DIVINE”, IHVH, our FATHER, are at their highest levels as designed and established by “THE DIVINE ARCHITECT AND PROJECT MASTER”.

In this “HIGHEST PLENITUDE”, the road of which we have already explained in the chapter concerning the designation of “THE DIVINE” from “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” is at the maximum of its particulars. It has all its intensity, its density, it shines with the manifestation of the metaphor of the unique “DIVINE PRIMARY WEALTH” that “THE DIVINE FORCE” had placed in it. It has the UNITY of all its constituents components and “specific processes” functioning at full capacity as the “‘LIGHT’ specific supply of

מציאות
הרוח
ספר

subsistence” and associated “SPIRIT’ specific supply of subsistence”, are at the proximity of the maximum “LIGHT’ specific supply of subsistence” and “SPIRIT’ specific supply of subsistence” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has established for the “SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model.

This road to this “HIGHEST PLENITUDE”, to achieve the “FULL POTENTIAL”, of the “SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, is a road built on the pillars of “PURITY” and “HOLINESS”, with “THE KNOWLEDGE OF THE DIVINE” as gold bricks and silver bricks; the material of construction of those gold and silver bricks are the elements of “THE ‘SPIRIT→LIGHT’ REASON”, and the cement that maintains those gold bricks and those silver bricks together is the degree of presence of “THE SPECIFIC SPIRITUAL FORCE OF LIFE”.

It is from these two pillars of “PURITY” and “HOLINESS”, that the growing medium, which is the combined set formed by “THE SEAT OF WISDOM” (also called “THE GARDEN OF WISDOM”, the growing medium of “WISDOM”) and “THE SEAT OF THE INTELLECT” (also called “THE GARDEN OF THE INTELLECT”, the growing medium of “THE INTELLECT”) will be fertile: able to produce abundant harvests of the plant of “THE KNOWLEDGE OF THE DIVINE”. It is from these two pillars of “PURITY” and “HOLINESS”, and following the course of the various stages of growth of the plant of “THE KNOWLEDGE OF THE DIVINE”, that will autonomously emerge the manifestations of the metaphors of the “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” that a product of the “SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model has grown in itself with respect to “THE DIVINE”, IHVH, our FATHER. In the absence of these two pillars of “PURITY” and “HOLINESS”, the “SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, that is the product of the “SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, will not have in itself any “PURE, TRUTHFUL, AND AUTHENTIC LOVE” with respect to “THE DIVINE”, IHVH, our FATHER.³⁸⁰

³⁸⁰ To have “PURE, TRUTHFUL, AND AUTHENTIC LOVE” for “THE DIVINE”, IHVH, our FATHER, is not about chanting “lips service” on the virtues and greatness of “THE DIVINE”, IHVH, our FATHER, but it is about standing in “PURITY” and “HOLINESS” just like “... the First Begotten of *THE DIVINE FORCE*”, who has received the anointing of *THE DIVINE FORCE* and stands in Her presence glorifying *THE DIVINE* as well as *THE DIVINE FORCE* through whom he has been manifested. ...”

Just as it is with the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, all temporal information concerning the state of the growing medium, which is the combined set formed by “THE SEAT OF WISDOM” (also called “THE GARDEN OF WISDOM”, the growing medium of “WISDOM”) and “THE SEAT OF THE INTELLECT” (also called “THE GARDEN OF THE INTELLECT”, the growing medium of “THE INTELLECT”) — among other things, the state of “PURITY” and “HOLINESS”, as well as the temperature and the enlightenment intensity —, as well as the state of this plant of “THE KNOWLEDGE OF THE DIVINE”, all this information based on “THE ‘SPIRIT→LIGHT’ REASON”, in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, which are only visible by “THE EYE OF THE DIVINE”, are contained and transported by the action signals which are produced by “THE SEAT OF THE INTELLECT”.

The attributes of this information are contained and transported in the “unique words”, and their tones, of the “Specific ‘SPIRIT’ Language”. The “Specific ‘SPIRIT’ Language” becomes, as such, a window into “THE SEAT OF THE INTELLECT”, and the hidden information that it contains can be “discerned” (i.e., “read” in the “Specific ‘SPIRIT’ Language”) when the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” will emit these words and expressions, in their tones, during its communications and interactions with the “Specific ‘SPIRITUAL’ Environment” external and immediate around it.

The words in the expressions of the “Specific ‘SPIRIT’ Language”, in their tones, which will be used by a “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, and will be based on “THE ‘SPIRIT→LIGHT’ REASON”, will be indicative of all this internal information which is visible only by “THE EYE OF THE DIVINE”. The metaphors of this internal information will be precisely what will be made manifest in the “Specific ‘EARTHLY’ Environment”.

In this model of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, the permanent awareness, by “THE SEAT OF THE INTELLECT”, of the existence of all this information, as well as the ability of “THE SEAT OF THE INTELLECT” to “read” this information in the “Specific ‘SPIRIT’ Language”, and to make their syntheses, are indispensable and essential conditions to be able to walk on the road leading to the “HIGHEST PLENITUDE”, and to achieve the “FULL POTENTIAL”.

As we have already mentioned, it is “THE SPECIFIC SPIRITUAL FORCE OF LIFE” that, through the degree of its Presence in the “Specific ‘SPIRITUAL’ Environment” external and immediate around the “Specific Energy ‘SPIRIT’ Substance”, will act as SHEPHERD of “THE SEAT OF THE INTELLECT” inside the “Specific Energy ‘SPIRIT’ Substance”.

It is so that, “THE SPECIFIC SPIRITUAL FORCE OF LIFE”, by providing, inside of “The ALTAR of ‘THE DIVINE’” which is covered by the “Specific Energy ‘SPIRIT’ Substance” in this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, the temperature and the enlightenment intensity, that is, the illumination — “THE LIGHT” which allows to discern that, which conforms to the specifications that “THE DIVINE ARCHITECT AND PROJECT MASTER” has defined —, will be “THE SIGHT” for “THE SEAT OF THE INTELLECT” inside the “Specific Energy ‘SPIRIT’ Substance”.

That “SIGHT” which allows “THE SEAT OF THE INTELLECT”, in this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, to perceive, to become acquainted with the presence and characteristics of “THE DIVINE” and all that, which conforms to the specifications that “THE DIVINE ARCHITECT AND PROJECT MASTER” has defined, is also called: “THE EYE OF THE DIVINE”.

From one “ALTAR of ‘THE DIVINE’” which is covered by the “Specific Energy ‘SPIRIT’ Substance” in this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model to another one and in which “THE DIVINE FORCE” has placed seeds of “THE KNOWLEDGE OF THE DIVINE”, the plants of “THE KNOWLEDGE OF THE DIVINE” will differ, because:

1. The uniqueness of the “DIVINE PRIMARY WEALTH” that “THE DIVINE”, IHVH, our FATHER will share with “The ALTAR of ‘THE DIVINE’” which is covered by the “Specific Energy ‘SPIRIT’ Substance” in this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, through manifestation of metaphor;
2. The degree of presence of “THE SPECIFIC SPIRITUAL FORCE OF LIFE” in the “Specific ‘SPIRITUAL’ Environment” external and immediate around the “Specific Energy ‘SPIRIT’ Substance” which will not be the same from one “Specific Energy ‘SPIRIT’ Substance” to another one, and;
3. The level of understanding that will be developed through the capacities, the capabilities and all “specific processes” inner and autonomous to the “Specific Energy ‘SPIRIT’ Substance”.

It is so that, from countless “DIVINE PRIMARY WEALTH” that “THE DIVINE”, IHVH, our FATHER will share with each “ALTAR of ‘THE DIVINE’” which is covered by the “Specific Energy ‘SPIRIT’ Substance” in this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, through manifestation of metaphor, countless plants of “THE KNOWLEDGE OF THE DIVINE” will be produced, all different

the one from the other and with a difference similar to that from one “DIVINE PRIMARY WEALTH” to another one.³⁸¹

Inside “THE DIVINE DOMAIN”, all elements of communication reside in “THE DIVINE ARCHITECT AND PROJECT MASTER”, and are expressed in “THE SILENCE”. When “THE WORD OF THE DIVINE”, which resides in “THE DIVINE ARCHITECT AND PROJECT MASTER”, is emitted into existence in the attribute “NON DIVINE”, then, it will “take body” in the attribute “NON DIVINE”.

“THE DIVINE”, IHVH, our FATHER has chosen to share such “DIVINE PRIMARY WEALTH” with this “Specific Energy ‘SPIRIT’ Substance” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model.

Therefore, “THE DIVINE ARCHITECT AND PROJECT MASTER” has also endowed the “Specific Energy ‘SPIRIT’ Substance” with capabilities and with “specific processes” allowing it to communicate individually with another “Specific Energy ‘SPIRIT’ Substance” and this:

- Without going through a manifestation or an expression through the “Specific Energy ‘EARTHLY’ Envelope” which covers it;
- Regardless of the distance between the two “Specific Energy ‘SPIRIT’ Substances” that are in communication;
- With only the two concerned “Specific Energy ‘SPIRIT’ Substances” being aware of the communication, or even that a communication has been established. The receiving “Specific Energy ‘SPIRIT’ Substance” can be that of a “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”.

³⁸¹ It is about such (plants) trees that ENOCH, of whom METHUSELAH is the descendant, wanted human inhabitants of this earthly world to understand, in their case, when he said in his writings:

“...

At that time all the Earth will be nurtured in justice: it will fill with trees and blessings; delicious trees will be planted. The vine there will grow in abundance, and will produce “fruit” in satiety. All the seeds that will be entrusted to the Earth, will turn a profit of thousand measures for one; and a measure of olive, will provide ten pressed oil.

...”

The “Specific Energy ‘LIGHT’ Substance” is in the “‘LIGHT’ Specific State” and will thus contain elements of “THE ‘LIGHT’ REASON”, and the “Specific Energy ‘SPIRIT’ Substance” which covers it, is in the “‘SPIRIT’ Specific State”.

Therefore, the elements of communication, the “unique words”, the predicates, and the elements of “THE ‘SPIRIT’ REASON” may reside both in the “Specific Energy ‘LIGHT’ Substance” and in the “Specific Energy ‘SPIRIT’ Substance” which covers it, and in which case they will not “take body” but will be used for communications by telepathy, or these elements of the communication may “take body” when they are emitted into existence in the “Specific Energy ‘EARTHLY’ Substance” outside the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

CHAPTER 156

THE “‘SPIRIT←LIGHT’ BODY” OF THE “‘SPIRIT←LIGHT’ ‘EARTHLY’ CREATURE” MODEL

The “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model is the combined group which is formed by the “Specific ‘SPIRITUAL←SPIRIT’ Frontier”, the “Specific Energy ‘SPIRIT’ Substance”, and “The ALTAR of ‘THE DIVINE’”.

This “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model is a manifestation in the attribute “NON DIVINE” of a metaphor of the “‘SPIRIT←LIGHT’ INDISTINCT DIVINE FORM” which is in “THE DIVINE DOMAIN”: it is a unique expression of “THE UNION”, in the attribute “NON DIVINE”.

The structure of this “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model will contain permanently the expression of “THE UNION” and is thus a “TABERNACLE OF THE CHURCH” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model; or even a “TABERNACLE” of “THE DIVINE”, IHVH, our FATHER, in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model. Inside the “TABERNACLE” of “THE DIVINE”, there will always be:

1. The NUCLEUS, which is akin to “THE DIVINE FORCE”, and represents in this interior, the symbol and the manifestation of “PURITY” and “THE LIGHT” — it is “The ALTAR of ‘THE DIVINE’” which is inside of the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model;
2. Elements of “THE ‘LIGHT’ REASON”, just as possesses “THE DIVINE FORCE” who is at the origin of the creation into existence of these elements of “THE ‘LIGHT’ REASON” — they are the inner constituents of “The ALTAR of ‘THE DIVINE’” which is inside of the

“SPIRIT←LIGHT’ Body” in the “SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model;

3. “The Specific Process of Attachment to ‘THE DIVINE’” functioning within the specifications established by “THE DIVINE ARCHITECT AND PROJECT MASTER” and through these elements of “THE ‘LIGHT’ REASON” as communication interface.

For this “SPIRIT←LIGHT’ Body” in the “SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, “THE DIVINE ARCHITECT AND PROJECT MASTER” has established the same fixed dimensions and functional particulars as those of the “SPIRIT←SPIRIT’ Body” in the “PRINCIPAL” instance of the “SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, so that it performs its due relevant role.³⁸²

These dimensions as well as the functional particulars are fixed, and this “SPIRIT←LIGHT’ Body” as seen by “THE EYE OF THE DIVINE”, is similar to a drop of energy in the entire “Specific Energy ‘EARTHLY’ Substance”, and having two components: a first component in the “SPIRIT’ Specific State” and containing in it a second component in the “LIGHT’ Specific State”.

These dimensions are the same and do not vary from one “SPIRIT←LIGHT’ ‘EARTHLY’ Creature” to another “SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

The “SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model is a generic model of products of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” all in the “SPIRIT→LIGHT’ Divine State”. It is so that, “THE DIVINE ARCHITECT AND PROJECT MASTER” has endowed “THE SEAT OF THE INTELLECT” in the “SPIRIT←LIGHT’ Body” in the “SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, with a manifestation of “The Walk within the Acronym IHVH”; the Governing Law of the Behavior of the “SPIRIT←LIGHT’ ‘EARTHLY’ Creature”. Once it will be produced into existence, in the attribute “NON DIVINE”, no “SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, product of the mould which is called the “SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, will escape this law; as we have already indicated, it is to make this clear, that it is said that “nothing can escape from the authority of IHVH”.

³⁸² It is this “SPIRIT←LIGHT’ Body”, in this “SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, which will enliven the “Specific ‘EARTHLY’ Garment” of the manifestation of the “SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model in the “Plane Below”.

All what we have indicated concerning “The Walk within the Acronym IHVH” in the model of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, also extends and holds true in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model. Let us remind them to keep clarity.

The manifestation of the road to “PLENITUDE” is present inside the “‘SPIRIT←LIGHT’ Body” of “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model. It still starts with “HE WHO IS ABOVE” (through “GRACE”, and associated “PURITY”, and “TRUTH”) and goes to “HE WHO ARRIVES” (through “COMPREHENSION”, and associated “LIGHT”, and “LOVE”), then moves on to “HE WHO EXISTS” (through “PERCEPTION”, and associated “SCIENCE”, and “MEMORY”) and completes with “HE WHO WILL EXIST” (through “INTELLIGENCE”, and associated “PERFECTION”, and “HARMONY”). In the first quadrant, “GRACE”, and associated “PURITY”, and “TRUTH” provide inputs to the manifested road to “PLENITUDE” in the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, and “PLENITUDE” is obtained after completion of the fourth quadrant, through “INTELLIGENCE”, and associated “PERFECTION”, and “HARMONY”.³⁸³

³⁸³ When you, as human creature, make the sign of the cross, that ritual gesture consisting of carrying two or three fingers of the right hand on your forehead and then on your chest, and finally from one shoulder to the other, etc..., you are actually pointing to the steps of “The Walk within the Acronym IHVH”. However, making the sign of the cross, do not mean walking “The Walk within the Acronym IHVH”. Once CHRIST had received this teaching from “THE DIVINE FORCE”, it is so that “The Walk within the Acronym IHVH” became his walking route; He was not just talking in parables and throughout the teachings which He gave to human creatures, about “The Walk within the Acronym IHVH”, when He often told them that “IHVH is in Me, and I and IHVH are one”, CHRIST was showing them how He was walking through “The Walk within the Acronym IHVH”, standing in “PURITY” and “TRUTH”, having receive knowledge of the existence of “THE REASON” from “THE DIVINE FORCE”. In much the same as CHRIST did, you are also called to stand in “PURITY” and “TRUTH”, and walk “The Walk within the Acronym IHVH”; that is, “Be one with IHVH”. You CANNOT “escape from the authority of IHVH”, “The Walk within the Acronym IHVH” has been implemented in you; just as you, wearing your “physical earthly garment”, CANNOT escape the law of gravity. You are very well conscious of the law of gravity and from which you understand the limitations that have been imposed on your “physical earthly garment”; namely, what you can or cannot do while you are wearing your “physical earthly garment” at the risk of damaging or even destroying it. WAKE UP! Be also conscious about “The Walk within the Acronym IHVH”, which your “‘SPIRIT←LIGHT’ Body” is subjected to. CHRIST will also show it at the sight of all the CREATION, when He will walk on the Road to the Cross. We will explain it further in a subsequent chapter.

As we have already indicated: “GRACE”, “PURITY”, “TRUTH”, “COMPREHENSION”, “LIGHT”, “LOVE”, “PERCEPTION”, “SCIENCE”, “MEMORY”, “INTELLIGENCE”, “PERFECTION”, “HARMONY”, “PLENITUDE”, etc..., are all manifested aspects of “THE DIVINE FORCE”: they are all designations, they are all names, of “THE DIVINE FORCE”, seeing from different angles. When unity with “THE DIVINE FORCE”, seeing from a considered angle, is present in the “‘SPIRIT←LIGHT’ Body”, then, that aspect of “THE DIVINE FORCE” is manifested through that “‘SPIRIT←LIGHT’ Body”. For example, “PERFECTION” is unity with “THE DIVINE FORCE” under Her designation (or seeing from the angle) of “THE PERFECT SEAL OF THE DIVINE”. Without “PERFECTION”, the “‘SPIRIT←LIGHT’ Body”, and consequently the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” associated with that “‘SPIRIT←LIGHT’ Body”, is in “IMPERFECTION”; that is, it is “IMPERFECT”. It is so that, without unity with “THE DIVINE FORCE”, the “‘SPIRIT←LIGHT’ Body”, and consequently the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” associated with that “‘SPIRIT←LIGHT’ Body”, will not be able to achieve “PLENITUDE”.

As we have indicated already, here also, maintaining “PURITY” is the key fundamental prerequisite necessary to achieving “PLENITUDE” through “The Walk within the Acronym IHVH”. “TRUTH” can be difficult to grasp when one does not have knowledge of “THE REASON” (clearly understood, of the unique “Divine Septenary Configuration” of seven “Divine Particles”). However, “PURITY” is not difficult to grasp; where “PURITY” is present in a manifested product of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, in the attribute “NON DIVINE”, there also are present “TRUTH” and “GRACE”.

If “THE SEAT OF THE INTELLECT” in the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, is “UNHOLY”, then “PURITY” will fail to be present in its products, and “TRUTH” and “GRACE” also will not be present in those products of “THE SEAT OF THE INTELLECT”. Instead, “IMPURITY”, “LIES” and “DISGRACE”, which are opposite, will be present, and “The Walk within the Acronym IHVH” will still proceed with “IMPURITY”, “LIES” and “DISGRACE” as inputs in the first quadrant, and at each step of “The Walk within the Acronym IHVH”, and opposite attributes will be produced. It is so that, in the second quadrant, the “children” of “IMPURITY”, “LIES” and “DISGRACE”, which are “INCOMPREHENSION”, “OBSCURITY”, and “HATRED”, will be the products of “THE SEAT OF THE INTELLECT”. In the third quadrant, “PERCEPTION” will be replaced by the residuals of “Interpreted THOUGHTS” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, and the “SCIENCE” and “MEMORY”

associated with “PERCEPTION”, will be contaminated with “IMPURITY”, “LIES” and “DISGRACE” inherited from the first quadrant, and also they will be contaminated with “INCOMPREHENSION”, “OBSCURITY”, and “HATRED” inherited from the second quadrant. In the fourth quadrant, what has emerged from the residuals of “Interpreted THOUGHTS” of the “SPIRIT←LIGHT” ‘EARTHLY’ Creature”, will be the “seed” to “LACK OF INTELLIGENCE”, and “IMPERFECTION” and “CHAOS”, which will be the characteristic of “THE SEAT OF THE INTELLECT”.

Thus, once it will be produced into existence, in the attribute “NON DIVINE”, the “SPIRIT←LIGHT” ‘EARTHLY’ Creature”, through “THE SEAT OF THE INTELLECT” in its “SPIRIT←LIGHT” Body”, is also called to stand in “PURITY” and “TRUTH”. If it fails to do so, then “IMPERFECTION” and “CHAOS” will be its characteristics.

“THE DIVINE ARCHITECT AND PROJECT MASTER” has endowed the “Specific ‘SPIRITUAL←SPIRIT’ Frontier” with “specific nerves” which are in contact with the “Specific Energy ‘EARTHLY’ Envelope” and with the “Specific Energy ‘SPIRIT’ Substance” contained in the “Specific Energy ‘EARTHLY’ Envelope”.

It is through “specific signals” collected by these “specific nerves” of the “Specific ‘SPIRITUAL←SPIRIT’ Frontier” that radiation from this “Specific ‘SPIRITUAL←SPIRIT’ Frontier” is made visible to the “Specific ‘SPIRITUAL’ Visual Structure” of the “Specific Energy ‘SPIRIT’ Substance”.

However, this “Specific ‘SPIRITUAL’ Visual Structure” cannot see either the “Specific Energy ‘SPIRIT’ Substance”, or “The ALTAR of ‘THE DIVINE’”, or what is there inside “The ALTAR of ‘THE DIVINE’”. Only “THE EYE OF THE DIVINE” sees the “Specific Energy ‘SPIRIT’ Substance” and sees “The ALTAR of ‘THE DIVINE’” and also the “Specific Energy ‘LIGHT’ Substance” which is in there.³⁸⁴

It is through the “Specific ‘SPIRITUAL←SPIRIT’ Frontier” that the “Specific ‘SPIRITUAL’ Language” of the “Specific Energy ‘SPIRIT’ Substance” is transmitted to the “Specific ‘SPIRITUAL’ Environment” external and immediate around the “Specific Energy ‘SPIRIT’ Substance” and thus to the “Specific

³⁸⁴ This stems from the nested relationships that we have already explained in a previous chapter, concerning the creation of the “Specific ‘PARTIALLY-SPIRITUAL’ Environment” in the attribute “NON DIVINE”, and in which we have also explained why is “THE DIVINE FORCE” invisible to any creature of the attribute “NON DIVINE”, and we have also explained why “THE DIVINE”, IHVH, our FATHER is also invisible to any creature of the attribute “NON DIVINE”.

‘SPIRITUAL’ Environment” external and immediate around the “‘SPIRIT←LIGHT’ Body”.

It is so that, radiation from the “Specific ‘SPIRITUAL←SPIRIT’ Frontier” of “‘SPIRIT←LIGHT’ Body” also indicates through the “Specific ‘SPIRITUAL’ Visual Structure”, just as “THE EYE OF THE DIVINE” sees the “Specific Energy ‘SPIRIT’ Substance”, the “TRUTHFUL” functioning status of this “Specific Energy ‘SPIRIT’ Substance”, in particular the functioning status of “The ALTAR of ‘THE DIVINE’”; this “TRUTHFUL” functioning status is not visible through the “Specific Energy ‘EARTHLY’ Envelope”.

It is so that, through this radiation of the “Specific ‘SPIRITUAL←SPIRIT’ Frontier” of the “‘SPIRIT←LIGHT’ Body”, one would know whether a “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” is in “HARMONY” with “THE DIVINE”, IHVH, or is in a state of “CHAOS”, contrary to the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”.

“THE DIVINE ARCHITECT AND PROJECT MASTER” has also endowed the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” with the capacity to move independently in the “Specific ‘SPIRITUAL’ Environment” without that, the “Specific Energy ‘EARTHLY’ Envelope” that covers it, moves along.

“THE DIVINE ARCHITECT AND PROJECT MASTER” has also designed a protective spiritual structure, which helps to protect this unique expression of “THE UNION” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model.

This protective spiritual structure goes hand in hand with the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, but it remains external and it is present in the “Specific ‘SPIRITUAL’ Environment” external and immediate and covering all this “‘SPIRIT←LIGHT’ Body”.

As “THE DIVINE ARCHITECT AND PROJECT MASTER” also designed it, this protective spiritual structure, external to the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, is activated automatically by a high degree of presence of “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” in the “Specific ‘SPIRITUAL’ Environment” external and immediate around the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, and thus by a high degree of “ABSOLUTE AND TOTAL CONFIDENCE IN THE DIVINE” in the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model which it was designed to ensure protection.

When it is enabled, this protective spiritual structure is manifested by a glowing sphere covering the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” like a dome. This is why this protective spiritual structure is also called: the “Protective ‘SPIRITUAL’ Dome”.

The “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model and its added “Protective ‘SPIRITUAL’ Dome” are still “THE UNION”, precursor of “THE SPIRITUAL FORMATION OF THE CHURCH”.

CHAPTER 156

THE “SPIRIT←LIGHT” BODY” OF THE “SPIRIT←LIGHT” ‘EARTHLY’ CREATURE” MODEL

Alongside this “SPIRIT←LIGHT” Body” in the “SPIRIT←LIGHT” ‘EARTHLY’ Creature”, and for the accomplishment of particular tasks that “THE DIVINE ARCHITECT AND PROJECT MASTER” has established, “THE DIVINE FORCE” will act in place of this “SPIRIT←LIGHT” ‘EARTHLY’ Creature” only when the “SPIRIT←LIGHT” Body” in the “SPIRIT←LIGHT” ‘EARTHLY’ Creature” is in “HARMONY” with “THE DIVINE”, IHVH, our FATHER.³⁸⁶

My son, if you receive my words and treasure up my tenets with you, making your ear attentive to “WISDOM” and inclining your heart to “THE REASON”; yes, if you call out for intelligence, if you invoke “THE REASON”, if you seek it like silver and search for it as for hidden treasures, then, you will understand what is LOVE of “THE DIVINE”, you will find “THE KNOWLEDGE OF THE DIVINE”.

For, it is “THE DIVINE” who gives “WISDOM”; from “HIS MOUTH” come knowledge and “THE REASON”.

To the righteous HE reserves success. Like a shield for those who behave honestly, HE protects those who walk righteously, HE watch over the conduct of his followers.

Then, you will understand what is righteousness and justice and equity, all things that lead to happiness.

....”

“My son” is said to lead human creatures to understand that they are genuine children of “THE DIVINE FORCE”. We shall explain it through the text of this BOOK and as we move forward.

“... my tenets ...” refers to that, which is called “THE REASON” (clearly understood, of the unique “Divine Septenary Configuration” of seven “Divine Particles”), which we have already explained, and which is the set of guiding principles that govern the “Divine Septenary Configuration” of seven “Divine Particles” and from where ensue the indescribable joy, the ineffable gladness, and immeasurable state of equilibrium that “THE DIVINE”, IHVH, our FATHER has chosen to share with the attribute “NON DIVINE”.

“WISDOM” refers to “THE DIVINE FORCE” from the perspective of “THE DIVINE WISDOM”, as we have already explained.

“HIS MOUTH” also refers to “THE DIVINE FORCE”, these are the designations of “THE DIVINE FORCE” and that we have already explained.

“Happiness” refers to the manifestations of metaphors of the indescribable joy, the ineffable gladness, and immeasurable state of equilibrium that “THE DIVINE”, IHVH, our FATHER has chosen to share with the attribute “NON DIVINE”, and which can be understood and grasped only through “THE KNOWLEDGE OF THE DIVINE”.

³⁸⁶ For the good of human creatures, “THE DIVINE FORCE” had led Solomon to understand this, and Solomon had then, interpreted and transmitted it in these terms:

It is “THE DIVINE FORCE” who officiates both in “THE DIVINE DOMAIN” and in “THE ABSOLUTE FRAME OF REFERENCE” defined by “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” in “THE DIVINE”, and in “THE FRAME OF REFERENCE OF THE ATTRIBUTE ‘NON DIVINE’” in the attribute “NON DIVINE”.

“...

My son, do not forget my teaching, but let your heart keep my tenets.

They are length of days and years of life and for you greater peace.

Do not let friendship and loyalty leave you. Tie them around your neck, write them on the tablet of your heart.

You will find favour and be well advised in the eyes of “THE DIVINE” and of His creatures.

Have trust in “THE DIVINE” with all your heart and do not lean on your own intelligence.

In all your conduct learn to acknowledge it, and he will guide your steps.

Be not wise in your own eyes, but rather have much love for “THE DIVINE” and turn away from evil.

This will be healing for your body, a refreshment for your limbs.

...

My son, let not prudence and discernment get away from your eyes: watch them!

They will be life for your throat and grace for your neck.

Then, you will go your way safe and your foot will not stumble.

If you lie down, you will not be afraid; once lying down, your sleep will be sweet.

Do not fear a sudden terror, nor the irruption of the wicked when it comes; because “THE DIVINE” will be your insurance and off trap HE will keep your foot.

....”

“... my tenets ...” refers to that, which is called “THE REASON” (clearly understood, of the unique “Divine Septenary Configuration” of seven “Divine Particles”), which we have already explained, and which is the set of guiding principles that govern the “Divine Septenary Configuration” of seven “Divine Particles” and from where ensue the indescribable joy, the ineffable gladness, and immeasurable state of equilibrium that “THE DIVINE”, IHVH, our FATHER has chosen to share with the attribute “NON DIVINE”.

“*They are length of days and years of life and for you greater peace*” is said to lead human creatures to understand that, it is by these “... tenets ...” that the very existence of the attribute “NON DIVINE” and all that it contains have been defined and have come into existence.

Regardless of the frame of reference, no force into existence surpasses “THE DIVINE FORCE”; Her strength is billions of times greater than all the combined forces and powers of all creatures that have been created into existence in “THE FRAME OF REFERENCE OF THE ATTRIBUTE ‘NON DIVINE’” in the attribute “NON DIVINE”, and the knowledge SHE holds has no equal.

Alongside this “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” that is in the “PURITY”, the eternal symbol of glory of “THE DIVINE ARCHITECT AND PROJECT MASTER” and also of “THE DIVINE FORCE”, “THE DIVINE FORCE” will be present and active.³⁸⁷

In the event that the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” is in the state of “CHAOS”, contrary to the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”, then, “THE DIVINE FORCE” who will always be alongside this “‘SPIRIT←LIGHT’ Body”, will not be able to act for this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”; because:³⁸⁸

1. The state of “CHAOS”, contrary to the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”, appears and develops in a creature when such a creature has rejected “THE DIVINE”, IHVH, our FATHER and all that HE is; and

³⁸⁷ This is revealed to you human creatures (who are reading these writings) so that you come to understand who you are. You don’t have to look to want to have the power as several elders of the creation, in the absence of “THE KNOWLEDGE OF THE DIVINE”, have lied and made you believe, to rip off your freedom.

The only things you need to restore in you are the “PURITY” and “HOLINESS”; that is, restore what makes you the image of “THE DIVINE” which you are. Once you have restored the “PURITY” and “HOLINESS” in you, then, “THE DIVINE FORCE” which is always present alongside you, as “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed and established it, will act for you: it is for this that one speaks of “THE SWORD OF THE HOLY SPIRIT” that will fight against those who come to fight against you, it is also for this that one speaks of “The SHIELD OF THE HOLY SPIRIT” that will protect you against your adversaries.

³⁸⁸ This is what will happen to the first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” that will be called “ADAM” — and that means “The Eye of the ‘LIGHT’”, as bearer of the “‘LIGHT’ Specific State”.

Read more in the section concerning the excerpts of conversations — Conversation of July 08, 2006, Aristide with the Archangel MICHAEL concerning the first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

2. *“THE WILL” OF “THE DIVINE”, IHVH, OUR FATHER, IN HIS VARIOUS FORMS, AND THE WILL OF ANY THING OTHER THAN “THE DIVINE”, IHVH, CANNOT COEXIST IN THE SAME “THE ALTAR OF ‘THE DIVINE’”.*

Just like “THE DIVINE FORCE” has assigned “THE GUARDIANSHIP OF THE SHEKINAH” to “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, likewise SHE intended to assign to appropriate “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, the task of guardianship of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”. The “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” on the other hand, need not to be guarded; because the “‘SPIRIT←SPIRIT’ Body” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model does not contain structures that are in the “‘LIGHT’ Specific State”.³⁸⁹

It is so that, from the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model and its added “Protective ‘SPIRITUAL’ Dome”, “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed and lined up to manifest the “specific spiritual formation” of “THE CHURCH”³⁹⁰ into existence outside “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” within the “Specific Energy ‘CELESTIAL’ Domain” —, and also outside of the “Specific Energy ‘CELESTIAL’ Domain”.

This “specific spiritual formation” of “THE CHURCH” from the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, will be formed in two ways:

1. In the primary form of “THE CHURCH”, by placing only one “‘SPIRIT←SPIRIT’ Body” pure and holy, of a “‘SPIRIT←SPIRIT’

³⁸⁹ See conversation of September 14, 2005, Aristide with CHRIST.

³⁹⁰ It is for the purpose to lead His creatures that will be created into existence in the “Plane Above” to know this and understand the importance of the “specific spiritual formation” of “THE CHURCH” in its various forms, that later during the unfolding of implementation of “THE HOLY PROJECT”, “THE DIVINE”, IHVH, our FATHER will instruct the elders of the creation who were then, in the “Plane Below” in the proximity of this manifestation into existence of the first “specific spiritual formation” of “THE CHURCH” through the first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” having the “MALE” adjective — and which will be called “ADAM” and which means “The Eye of the ‘LIGHT’”, because being bearer of the “‘LIGHT’ Specific State” — to celebrate “THE PRAISE” around “ADAM” just as they perform it around “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — in the “Specific Energy ‘CELESTIAL’ Domain”.

‘CELESTIAL’ Creature” having the “MALE” adjective and without taking account of the instance of this “‘SPIRIT←SPIRIT’ Body”, outside but next to the “Protective ‘SPIRITUAL’ Dome” covering the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.³⁹¹

2. In an expression similar to the “specific spiritual formation” of “THE CHURCH” that has been manifested from “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — within the “Specific Energy ‘CELESTIAL’ Domain”.

From the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, this “specific spiritual formation” of “THE CHURCH” will be formed by placing seven “‘SPIRIT←SPIRIT’ Body” pure and holies, each having the “MALE” adjective of one of the seven instances of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”

³⁹¹ Later during the unfolding of the “Second Phase” of the implementation of “THE HOLY PROJECT”, such a “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” will be called: “Guardian Angel” of the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

As we have indicated already, in the event that the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” is in the state of “CHAOS”, contrary to the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”, then, “THE DIVINE FORCE” who will always be alongside this “‘SPIRIT←LIGHT’ Body”, will not be able to act for this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”. It is then, this “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” that will act in place of “THE DIVINE FORCE”; mainly to carry some tasks, such as combats against the other “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” that have rejected “THE DIVINE”, and giving to the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” the time that will be necessary in order to restore its state of “HARMONY” with “THE DIVINE”, IHVH, our FATHER.

When the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” is in “HARMONY” with “THE DIVINE”, IHVH, our FATHER, then, it will be “THE DIVINE FORCE” who will act alongside the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” and provide it “FULL PROTECTION”. “THE DIVINE FORCE” is billions of times stronger and more powerful than any force and strength that can possess any creature into existence in the attribute “NON DIVINE”. It is so that, “THE DIVINE FORCE” is the true “LIFE INSURANCE”, of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” in the attribute “NON DIVINE” and valid only when the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” is in “HARMONY” with “THE DIVINE”, IHVH, our FATHER. This is why every “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” is called to keep, or to restore and maintain the state of “HARMONY” with “THE DIVINE”, IHVH, our FATHER, so that “THE DIVINE FORCE” can act.

model — the “QUERUB” instance, the “MALAK” instance, the “OPHAN” instance, the “IKARI” instance, the “KO’ACH” instance, the “SERAPH” instance, and the “HASHMALL” instance —, which thus form in the attribute “NON DIVINE”, the fourth expression of the manifestation of a metaphor of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, and are present outside but next to the “Protective ‘SPIRITUAL’ Dome” covering the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

The strength of the “Specific Energy ‘LIGHT’ Substance” which is present in the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, is such that when this “specific spiritual formation” of “THE CHURCH” from the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” is manifested into existence outside of the “Specific Energy ‘CELESTIAL’ Domain”, then, each “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” which is present through its “‘SPIRIT←SPIRIT’ Body” in the proximity of “THE SPIRITUAL FORMATION OF THE CHURCH” thus formed, will receive through “The Specific Process of Attachment to ‘THE DIVINE’” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has established for that purpose and which is activated when “THE PRAISE” is celebrated, seven times its daily amount of “fruits” of “THE TREE OF LIFE” so that he can perform the weekly tasks that he will be assigned to.

It is so that, “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed and established to manifest the “Causal Precedence Relation of ‘THE PRAISE’” outside of the “Specific Energy ‘CELESTIAL’ Domain” in the attribute “NON DIVINE”.³⁹²

³⁹² CHRIST had already explained this to humans when HE told them the parable of a grain of mustard seed. As answer to the question “*Tell us, to what the Work of GOD is comparable to?*” that his disciples had asked him, CHRIST, when he lived in this Earthly world, had explained this, saying:

“...

The Work of GOD is like a grain of mustard seed. It is the smallest among all the seeds, but when it falls on the tilled ground, it produces a large tree and becomes a shelter for the birds of the heaven.

...”

Read more in the section concerning the details of annotations — Annotation on the parable of the grain of mustard.

As it is with the “specific spiritual formation” of “THE CHURCH” through “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — within the “Specific Energy ‘CELESTIAL’ Domain”, it is likewise with this expression of the “specific spiritual formation” of “THE CHURCH” manifested from the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model and its added “Protective ‘SPIRITUAL’ Dome”. It is so that, other ordinances to be applied and implemented outside of the “Specific Energy ‘CELESTIAL’ Substance” and throughout the attribute “NON DIVINE” will ensue from this expression of the “specific spiritual formation” of “THE CHURCH” manifested from the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model and its added “Protective ‘SPIRITUAL’ Dome”.³⁹³

As for the development of this grain of mustard, as a plant of “THE KNOWLEDGE OF THE DIVINE”, and in relation to that of its groundwork through the “Specific Elementary ‘SPIRIT’ Particle” and the “Specific Elementary ‘LIGHT’ Particle”, we explained it in a previous section and CHRIST had already explained this to humans when HE told them about the parable of the growing seed.

Read more in the section concerning the details of annotations — Annotation on the parable of the growing seed.

³⁹³ As we have indicated in one previous annotation, consider the illustration below and which you know already about. It is a gross sketch of the outside of “THE SHEKINAH” inside “THE HEAVENLY TABERNACLE”. Inside “THE HEAVENLY TABERNACLE” where “THE SHEKINAH” is placed, everything is very bright, very illuminated, and as such, the illustration below is approximative, yet sufficient to bring you to “get the picture”.

In this illustration, the illuminated portal represents the entry to “THE SHEKINAH”. Inside “THE SHEKINAH”, you have the “Specific Energy ‘SPIRIT’ Substance” and the “Specific Energy ‘LIGHT’ Substance” constituent of “THE SHEKINAH”. The “Specific Energy ‘LIGHT’ Substance” — the First Begotten of “THE DIVINE FORCE” — is behind the “Specific ‘SPIRIT←LIGHT’ Frontier” which is manifested inside “THE SHEKINAH” as an impenetrable wall of “PURE FIRE”. All the figures around and outside of “THE SHEKINAH” would be the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, in their true external appearances (which is not the winged human appearance that they take when they manifest in front of human creatures) and, when they gather every seven day to celebrate “THE PRAISE” and to receive each, seven times their daily quantity of raw “‘SPIRIT’ specific supply of subsistence” so that they can carry out the weekly tasks that will be entrusted to them.

In this expression of the “specific spiritual formation” of “THE CHURCH” manifested from the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model and its added “Protective ‘SPIRITUAL’ Dome”, once the “‘SPIRIT←LIGHT’ Body” pure and holy of the “‘SPIRIT←LIGHT’

Observe attentively the illuminated portal and the manifestation of “PURE” “LIGHT” coming out of it; it is a representation of the First “Specific Energy ‘SPIRIT←LIGHT’ Bridge”, seen from the outside. You, as human creature and through your “‘SPIRIT←LIGHT’ Body”, are akin to that First “Specific Energy ‘SPIRIT←LIGHT’ Bridge” and NONE of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” is. NONE of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” has that “Specific Energy ‘LIGHT’ Substance”, but you as human creature and through your “‘SPIRIT←LIGHT’ Body” possess that “Specific Energy ‘LIGHT’ Substance” manifested in you. You, as human creature and through your “‘SPIRIT←LIGHT’ Body”, are a living manifestation of that First “Specific Energy ‘SPIRIT←LIGHT’ Bridge”; you are a living manifestation of “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — . From now onwards, REMEMBER WHO YOU ARE! REMEMBER YOUR “PLENITUDE”! WRITE IT ON THE TABLE OF YOUR HEART! The struggle that you are waging throughout your existence in this Earthly world in which you currently live is to work to keep this living manifestation of “THE SHEKINAH” in “PURITY” and against all those who have embraced “IMPURITY” and who have rejected “PURITY”.

‘EARTHLY’ Creature” model has received instructions of “THE DIVINE”, IHVH, our FATHER, then, he will transmit and explain instructions to the seven others “‘SPIRIT←SPIRIT’ Body” pure and holy of each of the seven instances of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model — the “QUERUB” instance, the “MALAK” instance, the “OPHAN” instance, the “IKARI” instance, the “KO’ACH” instance, the “SERAPH” instance, and the “HASHMALL” instance — who will be present outside and surrounding the added “Protective ‘SPIRITUAL’ Dome” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

It is then, that these seven will in their turn subdivide, transmit and explain the instructions they received, to the others “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”. It is so that, these instructions will be executed and implemented in any designated location where will be present the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” and throughout the attribute “NON DIVINE”.³⁹⁴

As “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed and established it through this manifestation of the “Causal Precedence Relation of ‘THE PRAISE’” outside of the “Specific Energy ‘CELESTIAL’ Domain” in the attribute “NON DIVINE”, the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” and the

³⁹⁴ With the announcement of the “Second Phase” of the implementation of “THE HOLY PROJECT”, from the teachings that “THE DIVINE FORCE” instilled to each of them through the process of education through enlightenment, as numerous as they were and although they were not conscious of “THE DIVINE FORCE” working through them and guiding them, and also from the teachings that they received from “THE DIVINE FORCE”, through the ordinances of the “specific spiritual formation” of “THE CHURCH” from “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — , the elders of the creation will understand this to some extent. Covered by this “HUBRIS Spiritual Veil”, and in the logic distorted by the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, they will decide otherwise.

It is of this that AZAZEL, whose “‘SPIRIT←SPIRIT’ Body” was fractured, cracked and broken, and in a very advanced state of “CHAOS”, contrary to the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”, was speaking about when he began to utter insulting accusations against “THE DIVINE”, IHVH, our FATHER, and in front of a crowd of elders of the creation delighted to listen to the “IMPURE” products of the work accomplished by the “‘SPIRIT←SPIRIT’ Body” of AZAZEL, and illustrating the depths of absence of “THE KNOWLEDGE OF THE DIVINE” in “THE CELESTIAL HOST” and its extreme upheaval.

Read more, with explanations, in the section concerning the details of annotations — Annotation on the extent of the scourge of absence of “THE KNOWLEDGE OF THE DIVINE” within “THE CELESTIAL HOST” and its extreme upheaval.

“‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” would thus complement each others, in the “specific spiritual formation” of “THE CHURCH” manifested from the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model and its added “Protective ‘SPIRITUAL’ Dome”, and were to remain as such together in “HARMONY” with “THE DIVINE”, IHVH, our FATHER.

It is so that, the “POTENCY”, which is the degree of possession of elements of “THE ‘LIGHT’ REASON”, and which, inside the attribute “NON DIVINE”, is a manifestation of a metaphor of the “Generative Power of ‘THE DIVINE’”, and, which is attributed to the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, was to complete the “AUTHORITY” which is defined by the ability to carry out several tasks simultaneously throughout well defined places in the attribute “NON DIVINE” and, which is attributed to the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, which itself, inside the attribute “NON DIVINE”, is a manifestation of a metaphor of the “Formative Essence of ‘THE DIVINE’”. And vice versa.

It is so that, through the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, “THE DIVINE ARCHITECT AND PROJECT MASTER” had designed and lined up, to add the proximity of “THE TREE OF LIFE” to the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” to allow it to remain into existence (that is, to subsist) in the “‘SPIRIT’ Specific State”, to receive directly the ordinances of the “specific spiritual formation” of “THE CHURCH”, and executing the future tasks that “THE DIVINE ARCHITECT AND PROJECT MASTER” had planned and which were to be conducted on long periods of time outside of the “Specific Energy ‘CELESTIAL’ Domain”.³⁹⁵

³⁹⁵ Later during the unfolding of the “Second Phase” of the implementation of “THE HOLY PROJECT”, the elders of the creation will understand this necessity, for their own survival outside of the “Specific Energy ‘CELESTIAL’ Domain”, of the presence of the proximity of the aspect of “THE DIVINE” which is inside the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

It is so that, those of the elders of the creation, who had been immersed in the “Specific Energy ‘EARTHLY’ Substance” then, locked underground in “THE DEPTHS OF THE WATERS”, of the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, had also understood this importance and in order to be able to survive outside of the “Specific Energy ‘CELESTIAL’ Domain”.

It is then, that they started to destroy the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” to grab the “Specific Energy ‘LIGHT’ Substance” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed and that “THE DIVINE FORCE” had placed inside the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model.

It is so that, the implementation of the future tasks in “THE HOLY PROJECT” would also become more efficient in any chosen place within the “MURKY VOID” in the attribute “NON DIVINE”, and in the execution of these tasks the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” as well as the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” were to grow in “THE KNOWLEDGE OF THE DIVINE”.

As we have already indicated, the task of developing the character of “THE KNOWLEDGE OF THE DIVINE” in “THE SEAT OF THE INTELLECT” within the “Specific Energy ‘SPIRIT’ Substance” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model would be the deliberate effort that will be performed by the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” as future educators and shepherds of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” to nurture their attributes and make them as a standard of behavior of the manifestation of “THE ‘SPIRIT’ REASON”.

During this upbringing, the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” was called upon to develop the knowledge of the attributes of elements of “THE ‘LIGHT’ REASON” which are the basis of “THE KNOWLEDGE OF THE DIVINE” manifested in the “‘LIGHT’ Specific State” and which is not available to the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”.

This is also another aspect of “THE DIVINE DOMAIN”: there is not one and one only place unique in “THE DIVINE DOMAIN” and from which instructions are emitted; each delineated part of “THE DIVINE” (wherever in “THE DIVINE DOMAIN”, as “DIVINE SUBSTANCE” unlimited and constituent of “THE DIVINE DOMAIN”) is conscious and living by itself, reflected into itself and is at the same time “THE DIVINE”. And it is thus that “THE DIVINE” chose to share this aspect of Himself with the attribute “NON DIVINE”.

“THE DIVINE ARCHITECT AND PROJECT MASTER” did not design the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” and the “‘SPIRIT←LIGHT’

That is how, so far as nowadays, they have managed to subsist, locked underground in “THE DEPTHS OF THE WATERS”, through the “‘SPIRIT←LIGHT’ Body” of lost “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” who choose to live in sin, and reject “THE DIVINE”, IHVH, our FATHER, thus delivering the life light of their “‘SPIRIT←LIGHT’ Body” to those demons.

‘EARTHLY’ Creature” so that one “dominates”³⁹⁶ the other, so that one crushes the other, so that one be “above” the other.

But “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” and the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” in the ABSOLUTE “PURITY”, so that they live and coexist in “HARMONY” with “THE DIVINE” in order to perform all tasks that HE had in projects and through which “THE DIVINE” chose to share “THE KNOWLEDGE OF THE DIVINE” with the attribute “NON DIVINE”.

To express “THE KNOWLEDGE OF THE DIVINE” on the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model in the attribute “NON DIVINE”, “THE DIVINE ARCHITECT AND PROJECT MASTER” has established specific conditions which are proper to the “Specific Energy ‘SPIRIT’ Substance” and others which are proper to the “Specific Energy ‘LIGHT’ Substance” of the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model.

Within these specific conditions, added to the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, HE has endowed “THE SEAT OF THE INTELLECT” within the “Specific Energy ‘SPIRIT’ Substance” constituent of this “‘SPIRIT←LIGHT’ Body” with the capacity, a proper ability, to be able to discern “THE KNOWLEDGE OF THE DIVINE” from elements of “THE ‘LIGHT’ REASON” that are available in the “Specific Energy ‘LIGHT’ Substance” of this “‘SPIRIT←LIGHT’ Body”.

“THE DIVINE FORCE” will make manifest this proper ability to discern, in seven different ways; each representing a manifestation of a unique metaphor of a “Divine Particle” constituent of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”.

It is so that, “THE DIVINE ARCHITECT AND PROJECT MASTER” will generate seven new instances of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model. HE has also designed and established a metaphor to represent “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” on this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model.

These seven instances of the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model are the respective analogues of the seven instances

³⁹⁶ This word has its origins in the “HUBRIS” of manifestations of metaphors of the “DIVINE PRIMARY WEALTH” that the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had sprout and grown in their “‘SPIRIT←SPIRIT’ Body”.

of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, and they are also called: “LINEAGES”.

It is along these seven instances of the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model that “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” will also be classified³⁹⁷.

- The first instance of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model is the analogue of the “QUERUB” instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model. This first instance of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model is also called: the “LINEAGE OF PROPHETS”; it is from this first instance that all prophets and visionaries ensue.
- The second instance of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model is the analogue of the “MALAK” instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model; it is from this second instance that ensue all those possessing the “GIFT” of healing.
- The third instance of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model is the analogue of the “OPHAN” instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model.
- The fourth instance of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model is the analogue of the “IKARI” instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model.
- The fifth instance of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model is the analogue of the “KO’ACH” instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model.
- The sixth instance of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model is the analogue of the “SERAPH” instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model.
- The seventh instance of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model is the analogue of the “HASHMALL” instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model.

³⁹⁷ See conversation of August 25, 2005, Aristide with the Archangels MICHAEL and URIEL.

See conversation of June 29, 2006, Aristide with the Archangel MICHAEL

It is so that, by analogy to “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, “THE DIVINE ARCHITECT AND PROJECT MASTER” has defined a unique instance of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model by adding simultaneously to the “Specific Energy ‘SPIRIT’ Substance” of the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model and from which they will abundantly emanate, all the seven abilities proper to these seven instances.

This instance is the manifestation of the main unit formed by the seven instances of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, without any division: it is the “PRINCIPAL” instance of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model.

Just as all the equilibrium states obtained from each of the seven “Divine Particles” constituent of this “DIVINE SUPREME CONFIGURATION”, are contained in the equilibrium state obtained in “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” to form an optimal equilibrium, it will be the same with the “PRINCIPAL” instance of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model with respect to all the seven instances.

This “‘SPIRIT←LIGHT’ Body” in the “PRINCIPAL” instance of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, is in the attribute “NON DIVINE”, a concrete and living image of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”.

It will be the sixth expression into existence of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”; the first expression of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” being “THE DIVINE” Himself.

The second expression into existence of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” is “THE SHEKINAH”, “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’”.

The third expression into existence of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” is that of the “‘SPIRIT←SPIRIT’ Body” in the “PRINCIPAL” instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”.

The fourth expression into existence of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” is the combined group formed by the seven “‘SPIRIT←SPIRIT’ Body” pure and holy, which perform “THE

GUARDIANSHIP OF THE SHEKINAH” in the “specific spiritual formation” of “THE CHURCH”.

The fifth expression into existence of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” is the “SPECIFIC SUPREME CONFIGURATION” of the seven “Specific Energy ‘EARTHLY’ Domains”, designed in the proportions of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” and which will be manifested in the “Plane Below”.

At the appointed time, “THE DIVINE FORCE” will create into existence this “‘SPIRIT←LIGHT’ Body” in the “PRINCIPAL” instance of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, as a manifestation in the attribute “NON DIVINE” of a metaphor of the “‘SPIRIT←LIGHT’ INDISTINCT DIVINE FORM”, from the “Specific Energy ‘SPIRIT’ Substance” and from the “Specific Energy ‘LIGHT’ Substance” constituents of “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’”.

As we have already indicated in a text above, “THE DIVINE FORCE” has built the structure of the “Specific Energy ‘SPIRIT’ Substance” of “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — from “Specific Atomic ‘SPIRIT’ Substances” obtained from “Specific Elementary ‘SPIRIT’ Particles” to which SHE has endowed with manifestations of metaphors of the six “Formative Divine Particles” in “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, all in a manner of being of the “‘SPIRIT’ Specific State”.

It is so that, the structure of this “Specific Energy ‘SPIRIT’ Substance” which will be formed and produced into existence in the “Specific Energy ‘SPIRIT’ Substance” constituent of “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — will inherit these same properties: it will have all the particulars of a stable “Specific Septenary Equilibrium Zone” with respect to “The ALTAR of ‘THE DIVINE’”, which it will cover.

This “‘SPIRIT←LIGHT’ Body” in the “PRINCIPAL” instance of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, and its constituents that are the “Specific Energy ‘SPIRIT’ Substance” and “The ALTAR of ‘THE DIVINE’” in this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, will form as such, in the attribute “NON DIVINE”, a unique manifestation of a metaphor of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” in the “‘SPIRIT→LIGHT’ Specific State”: it will be the sixth expression into existence of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”.

In this “‘SPIRIT←LIGHT’ Body” in the “PRINCIPAL” instance of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, the “primary transformation”, the “secondary transformation”, the “tertiary transformation”, the “quaternary transformation”, the “quinary transformation”, the “senary transformation”, and the “‘end of cycle’ transformation” will also take place in the “Specific Energy ‘SPIRIT’ Substance” inside the “Specific ‘SPIRITUAL←SPIRIT’ Frontier” of this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model.

Therefore, the “Specific Atomic ‘SPIRIT’ Substances” constituents of the “Specific Energy ‘SPIRIT’ Substance” will automatically regenerate during the course of the “‘end of cycle’ transformation” and following the “specific processes” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has established.

These seven “transformation steps” of products of the “specific work” accomplished by “The ALTAR of ‘THE DIVINE’” in this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, by the products of the “specific work” accomplished by the “Specific Atomic ‘SPIRIT’ Substances” constituents of the “Specific Energy ‘SPIRIT’ Substance”, are metaphors coming from the same and unique model of the “transformation step” of products of the “divine work” accomplished by the “Generative Divine Particle” by the reagents of the “transformation step”, that is by the products characteristic of the “transformation step” considered and which will be consumed during the “transformation step”, in “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”.

The metaphor of this same and unique model of the “transformation step” formed by the twenty-four “transformation sub-steps” which have already been described.

It is so that, through “The ALTAR of ‘THE DIVINE’”, in this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, through the “Specific Energy ‘SPIRIT’ Substance” and inside the “Specific ‘SPIRITUAL←SPIRIT’ Frontier” of this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, and with respect to the “CARDINAL POINT OF THE CREATION”, “THE DIVINE FORCE” will manifest into existence in the attribute “NON DIVINE” and inside “The ALTAR of ‘THE DIVINE’” which is inside “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” —, the sixth metaphor of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”.

“The ALTAR of ‘THE DIVINE’” inside the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model cannot be mixed with something else which is not in the manner of being in the “‘LIGHT’ Specific State” used for the construction of the “Specific Energy ‘LIGHT’ Substance” which is inside “The ALTAR of ‘THE DIVINE’”

considered, without impairing the “HARMONY” with “THE DIVINE”, IHVH, our FATHER.

The same is true with this “Specific Energy ‘SPIRIT’ Substance” which covers “The ALTAR of ‘THE DIVINE’” inside the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model.

This “Specific Energy ‘SPIRIT’ Substance” cannot be mixed with something else which is not in the manner of being in the “‘SPIRIT’ Specific State” used for its construction, without impairing the “HARMONY” with “THE DIVINE”, IHVH, our FATHER.

מִי
יָרָא
בְּשֵׁכִינָה
וּבְשֵׁכִינָה

“THE DIVINE ARCHITECT AND PROJECT MASTER” has endowed this “‘SPIRIT←LIGHT’ Body” in the “PRINCIPAL” instance of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model with both properties which are those of the “Specific Energy ‘SPIRIT’ Substance” which covers “The ALTAR of ‘THE DIVINE’” which is inside “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” and also with properties which are those of “The ALTAR of ‘THE DIVINE’” which is inside “THE SHEKINAH”.

This is also why it is said of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” that will contain this “‘SPIRIT←LIGHT’ Body” in the “PRINCIPAL” instance, that it ensues from a great power and a great wealth.

This “‘SPIRIT←LIGHT’ Body” in the “PRINCIPAL” instance of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model and that “THE DIVINE FORCE” will create into existence inside “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — will also be called an essence (or a seed) of “THE SHEKINAH”; whereas the “‘SPIRIT←SPIRIT’ Body” in the “PRINCIPAL” instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model is an essence (or a seed) of only the “Specific Energy ‘SPIRIT’ Substance” which is inside “THE SHEKINAH”.

It is so that, with “THE WORD OF THE DIVINE” emitted from “THE DIVINE DOMAIN” outside of the attribute “NON DIVINE”, “THE DIVINE FORCE” will also manifest into existence in the attribute “NON DIVINE” outside of “THE DIVINE DOMAIN”, the six concepts that “THE DIVINE ARCHITECT AND PROJECT MASTER” had designed to be applied to His creatures in this attribute “NON DIVINE”, and which we have already described for the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model.

This time, with this “SPIRIT←LIGHT” Body” in the “SPIRIT←LIGHT” ‘EARTHLY’ Creature” model, “THE DIVINE ARCHITECT AND PROJECT MASTER” will extend their scope.

Let us remind once again these six concepts and their details in the context of the “SPIRIT←LIGHT” Body” in the “SPIRIT←LIGHT” ‘EARTHLY’ Creature” model and this “SPIRIT←LIGHT” Body” in the “SPIRIT←LIGHT” ‘EARTHLY’ Creature” model will be able to reproduce indefinitely within the temporal limits that “THE DIVINE ARCHITECT AND PROJECT MASTER” has established.³⁹⁸

The first concept, that “THE DIVINE ARCHITECT AND PROJECT MASTER” will establish and manifest, through the creation of this “SPIRIT←LIGHT” Body” in the “PRINCIPAL” instance of the “SPIRIT←LIGHT” ‘EARTHLY’ Creature” model, is still an expression of the “Generative Power of ‘THE DIVINE’”.

This first concept still brings to light the distinctive characteristic of “THE DIVINE ARCHITECT AND PROJECT MASTER” and expresses “HE WHO BEFOREHAND CREATES ENERGY DESIGNS” and possesses the capacity to design, to elaborate something, to arrange the various elements of what he has designed in order to form it into existence in the attribute “NON DIVINE”.

To “HE WHO BEFOREHAND CREATES ENERGY DESIGNS” through this first concept, “THE DIVINE” has assigned the adjective of the “Generative Divine Particle” and the pronunciation of which in the human language means “CREATOR”, which with the passage of time will also be designated by the word whose pronunciation in the human language means “MALE”. It is so that, to the substantive, for all His creatures, “THE DIVINE” is qualified as being “MALE”.

³⁹⁸ “THE DIVINE FORCE” has deployed on the elders of the creation, the multitude of the particulars of “THE DIVINE”, IHVH, our FATHER, and through “THE WORD OF THE DIVINE”, SHE has shared the metaphors of this multitude of particulars with them, in the “SPIRIT” Specific State” and only in “THE ‘SPIRIT’ REASON”. However, some knowledge of the nature of “THE DIVINE” can be acquired only through “Specific States” other than the “SPIRIT” Specific State” and beyond “THE ‘SPIRIT’ REASON”.

It is so that, “THE DIVINE” had intended to reveal much more His nature to the elders of the creation so that they can grow in “THE KNOWLEDGE OF THE DIVINE”, and that they develop also in themselves the understanding of “THE DIVINE DOMAIN” of which they had no access and will never have access, and which cannot be grasped in the “Specific Energy ‘CELESTIAL’ Substance” in which these elders of creation were “spoken” into existence in the attribute “NON DIVINE”.

“THE DIVINE ARCHITECT AND PROJECT MASTER” **WILL NOT ENDOW** the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” with the capacity to “CREATE ENERGY DESIGNS”. Only “THE DIVINE”, IHVH, our FATHER, through “THE DIVINE ARCHITECT AND PROJECT MASTER” is the “CREATOR” of “ENERGY DESIGNS” in the attribute “NON DIVINE”.

The second concept, that “THE DIVINE ARCHITECT AND PROJECT MASTER” will establish and manifest, through the creation of this “‘SPIRIT←LIGHT’ Body” in the “PRINCIPAL” instance of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, still brings to light the distinctive characteristic of “THE WORD OF THE DIVINE” which is this signal emitted by “THE DIVINE” from “THE DIVINE DOMAIN” outside of the attribute “NON DIVINE” and carrying all the information needed to “GIVE BODY TO BEFOREHAND CREATED ENERGY DESIGNS”. Without this signal, nothing can be created into existence.

“THE WORD OF THE DIVINE” acts as a catalyst that causes instantly upon receipt by “THE DIVINE FORCE”, the start of work of “THE DIVINE FORCE” who will “GIVE BODY TO BEFOREHAND CREATED ENERGY DESIGNS” that are defined by the content of “THE WORD OF THE DIVINE”. It will be a manifestation of the special, unique and fantastic “specific event” that is called “THE BIRTH” which we have already mentioned in an above text concerning the particulars of the “Specific Elementary ‘SPIRIT’ Particle”. It is said that “THE WORD OF THE DIVINE” has “taken body”.

Such a “WORD OF THE DIVINE” emitted by “THE DIVINE” from “THE DIVINE DOMAIN” outside of the attribute “NON DIVINE”, is a “SPECIFIC SIGNAL CATALYST OF THE BIRTH”.

As we have already indicated, “THE WORD OF THE DIVINE” resides in “THE DIVINE ARCHITECT AND PROJECT MASTER” and it will carry these “Divine Signals” containing instructions concerning these metaphors of the “DIVINE PRIMARY WEALTH” that HE has chosen to share with the attribute “NON DIVINE”, to be applied in the attribute “NON DIVINE”.

To “HE WHO EMITS ‘SPECIFIC SIGNALS CATALYST OF THE BIRTH’” through this second concept, “THE DIVINE” has also assigned the adjective of “THE DIVINE ARCHITECT AND PROJECT MASTER” and the pronunciation of which in the human language means “GENITOR”, which with the passage of time will also be designated by the word whose pronunciation in the human language means “MALE”.

“THE DIVINE ARCHITECT AND PROJECT MASTER” **WILL ENDOW** the “‘SPIRIT←LIGHT’ Body” in the “PRINCIPAL” instance of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model with the “specific processes” that will allow it to emit, in “THE SILENCE” and without using “THE WORD”, “SPECIFIC SIGNALS CATALYST OF THE BIRTH” of an instance of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model.

The “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model that will be endowed with such “specific processes” will also have the “MALE” adjective.

Such an instance of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model is part of the seven instances that “THE DIVINE ARCHITECT AND PROJECT MASTER” has already “BEFOREHAND CREATED” and it is so that the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” cannot and will not be called: “CREATOR”.

“THE DIVINE ARCHITECT AND PROJECT MASTER” will also predefine this “SPECIFIC SIGNALS CATALYST OF THE BIRTH” in this “‘SPIRIT←LIGHT’ Body” in the “PRINCIPAL” instance of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model.

This is not the case with the “‘SPIRIT←SPIRIT’ Body” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model.

The third concept, that “THE DIVINE ARCHITECT AND PROJECT MASTER” will establish and manifest, through the creation of this “‘SPIRIT←LIGHT’ Body” in the “PRINCIPAL” instance of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, will concern the communication medium receiver of “THE WORD OF THE DIVINE” which is this signal emitted by “THE DIVINE” from “THE DIVINE DOMAIN” outside of the attribute “NON DIVINE”.

“The ALTAR of ‘THE DIVINE’” which is alive inside “THE SHEKINAH” is such a communication medium through which “THE WORD OF THE DIVINE” is expressed instantly and in synchronization into existence in “The ALTAR of ‘THE DIVINE’” which is inside “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — through mechanisms that “THE DIVINE ARCHITECT AND PROJECT MASTER” has established.

To such communication medium through which “SPECIFIC SIGNALS CATALYST OF THE BIRTH” are transmitted, “THE DIVINE” has also assigned the adjective of “THE DIVINE ARCHITECT AND PROJECT MASTER” and the pronunciation of which in the human language will also mean: “MALE”.

“THE DIVINE ARCHITECT AND PROJECT MASTER” **WILL ENDOW** the “‘SPIRIT←LIGHT’ Body” in the “PRINCIPAL” instance of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model with the capacity to serve as a medium of communication of particular products that are based on “THE ‘SPIRIT→LIGHT’ REASON” and which will be associated with “SPECIFIC SIGNALS CATALYST OF THE BIRTH” of instances of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model.

The “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model that will be endowed with such capacity to serve as communication medium will also have the “MALE” adjective.

ר

At the appropriate moment, “THE DIVINE FORCE” will also create into existence the second “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, as a manifestation in the attribute “NON DIVINE” of a metaphor of the “‘SPIRIT←LIGHT’ INDISTINCT DIVINE FORM”, from the “Specific Energy ‘SPIRIT’ Substance” and from the “Specific Energy ‘LIGHT’ Substance” constituents of “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’”.

From “THE DIVINE DOMAIN” outside of the attribute “NON DIVINE”, “THE DIVINE”, IHVH, our FATHER will emit “THE WORD OF THE DIVINE” which will be also expressed instantly and in synchronized form into existence in “The ALTAR of ‘THE DIVINE’”, which is inside “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — through mechanisms that “THE DIVINE ARCHITECT AND PROJECT MASTER” has established.

“THE WORD OF THE DIVINE” which will be expressed into existence in “The ALTAR of ‘THE DIVINE’” which is inside “THE SHEKINAH”, will contain in it the divine instructions which will be received by “THE DIVINE FORCE” in order to produce the structure of the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, inside “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” —, as “THE DIVINE ARCHITECT AND PROJECT MASTER” had designed it.

“THE DIVINE FORCE” will obey and get to work and will produce into existence the second “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model and on which will be applied the three other concepts, among the six concepts, that “THE DIVINE ARCHITECT AND PROJECT MASTER” had designed to be applied to His creatures in this attribute “NON DIVINE”.

The fourth concept, that “THE DIVINE ARCHITECT AND PROJECT MASTER” will establish and manifest, through the creation of this second “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, is an expression of the “Formative Essence of ‘THE DIVINE’”.

This fourth concept brings to light the distinctive characteristic of “THE DIVINE FORCE” and expresses “HE WHO GIVES BODY TO BEFOREHAND CREATED ENERGY DESIGNS” and possesses the capacity to PRODUCE a “BODY” into existence in the attribute “NON DIVINE”, from external “BEFOREHAND CREATED ENERGY DESIGNS” which have been elaborated by “HE WHO BEFOREHAND CREATES ENERGY DESIGNS” and from an external “SPECIFIC SIGNAL CATALYST OF THE BIRTH”.

To “HE WHO GIVES BODY TO BEFOREHAND CREATED ENERGY DESIGNS” through this fourth concept, “THE DIVINE” has assigned the adjective of the “Formative Divine Particle” and the pronunciation of which in the human language means “FORMATIVE”, which with the passage of time will also be designated by the word whose pronunciation in the human language means “FEMALE”.

As we have already indicated, it is “THE DIVINE FORCE” who “GIVES BODY TO BEFOREHAND CREATED ENERGY DESIGNS” of “THE DIVINE ARCHITECT AND PROJECT MASTER”, and this is why “THE DIVINE FORCE” has received the adjective “FEMALE”.

“THE DIVINE ARCHITECT AND PROJECT MASTER” **WILL ENDOW** this second “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model with the “specific processes” that will reproduce the “BEFOREHAND CREATED ENERGY FORM” that has already been created by “THE DIVINE FORCE” and associated to instances of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, in “THE SILENCE” and without using “THE WORD”, but upon reception of “SPECIFIC SIGNALS CATALYST OF THE BIRTH” of an instance of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model.

The “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model that will be endowed with such “specific processes” will also have the “FEMALE” adjective.

“THE DIVINE ARCHITECT AND PROJECT MASTER” will also predefine in this second “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, this “BEFOREHAND CREATED ENERGY BODY” of “THE DIVINE FORCE”.

This is not the case with the “‘SPIRIT←SPIRIT’ Body” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model.³⁹⁹

The fifth concept, that “THE DIVINE ARCHITECT AND PROJECT MASTER” will establish and manifest, through the creation of this second “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, concerns the medium in which “BEFOREHAND CREATED ENERGY DESIGNS” of “THE DIVINE ARCHITECT AND PROJECT MASTER” are formed into existence by “THE DIVINE FORCE”.

The “Specific Energy ‘SPIRIT’ Substance” which covers “The ALTAR of ‘THE DIVINE’” which is inside “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — is such a production medium and in which “THE DIVINE FORCE” has produced the structure of the “Specific Energy ‘SPIRIT’ Substance” of a “‘SPIRIT←LIGHT’ Body” in the “PRINCIPAL” instance of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model.

To such production medium in which “BEFOREHAND CREATED ENERGY DESIGNS” of “THE DIVINE ARCHITECT AND PROJECT MASTER” are manifested into existence in the attribute “NON DIVINE”, “THE DIVINE” has also assigned the adjective of “THE DIVINE FORCE” and the pronunciation of which in the human language will also mean: “FEMALE”.

“THE DIVINE ARCHITECT AND PROJECT MASTER” will endow this second “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model with the capacity to serve as a medium of production of the “BEFOREHAND CREATED ENERGY FORM” that has already been created by “THE DIVINE

³⁹⁹ Later during the unfolding of the “Second Phase” of “THE HOLY PROJECT”, the elders of the creation will understand this. It is so that, in their “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, and representing themselves to be gods, not knowing where “BEFOREHAND CREATED ENERGY” originate from, thus not being able to “GIVE BODY TO BEFOREHAND CREATED ENERGY DESIGNS” that would be “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, those of the elders of the creation, who had been immersed in the “Specific Energy ‘EARTHLY’ Substance” then, locked underground in “THE DEPTHS OF THE WATERS”, of the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, will take the decision to make their own “creations” through the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” having the “FEMALE” adjective.

Read more in the section concerning the details of annotations — Annotation on the fourth and fifth concepts manifested through the creation of the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

FORCE” and associated to instances of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model.

The “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model that will be endowed with such capacity to serve as production medium will also have the “FEMALE” adjective.

As we have indicated already, these first five concepts form together, another manifestation of a metaphor of that, which is “PERFECT” and which will be applied repeatedly to bring forth into existence inside the attribute NON DIVINE”, any metaphor of a product of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” that “THE DIVINE” has chosen to share with the attribute “NON DIVINE”, and populate the attribute NON DIVINE”.

The sixth concept, that “THE DIVINE ARCHITECT AND PROJECT MASTER” has established and manifested by “THE DIVINE FORCE”, through the creation of this second “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, describes the realization and the advent into existence in the attribute “NON DIVINE”, inside the production medium of the “BEFOREHAND CREATED ENERGY DESIGN” which has been designed or elaborated by “THE DIVINE ARCHITECT AND PROJECT MASTER” and then, formed by “THE DIVINE FORCE”.

This sixth concept is an expression on a scale larger than that of the “Specific Elementary ‘SPIRIT’ Particle” of this special, unique and fantastic “specific event”, this miracle which is called “THE BIRTH”. It is “THE BIRTH” of the “BEFOREHAND CREATED ENERGY FORM” outside of the “Specific Atomic ‘SPIRIT’ Substance” and on a scale that is above the scale of the “Specific Atomic ‘SPIRIT’ Substance”. This sixth concept is an expression of the product that ensues from the application of the first five concepts previously mentioned and which form together, another manifestation of a metaphor of that, which is “PERFECT”.

To this “BEFOREHAND CREATED ENERGY BODY” that will be thus produced into existence in the attribute “NON DIVINE”, “THE DIVINE” has assigned a unique attribute defined by the “unique word” whose pronunciation in the human language is translated by: “CHILD”

Through the unfolding of these six concepts which describe the process by which “THE WORD OF THE DIVINE” takes shape through the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, we went successively from:

1. “THE BEFOREHAND CREATED ENERGY DESIGN” of “THE DIVINE ARCHITECT AND PROJECT MASTER”;
2. “THE WORD OF THE DIVINE” carrying information about “THE BEFOREHAND CREATED ENERGY DESIGN”;
3. The (receiver and transmitter) medium of communication of “THE WORD OF THE DIVINE”;
4. The shaping of “THE BEFOREHAND CREATED ENERGY DESIGN” from “THE WORD OF THE DIVINE”;
5. The appropriated production medium in which the shaping of “THE BEFOREHAND CREATED ENERGY DESIGN” takes place; to
6. The “BIRTH” in the attribute “NON DIVINE” of the “BEFOREHAND CREATED ENERGY FORM” that has been “BEFOREHAND CREATED” inside “THE DIVINE DOMAIN”.

In this unfolding of events (pay much attention, you who are reading these writings), to “CREATOR” — “HE WHO BEFOREHAND CREATES ENERGY DESIGNS” — “THE DIVINE” has assigned a unique attribute defined by the “unique word” whose pronunciation in the human language is translated by the word “FATHER”.

It is so that, “THE DIVINE”, “CREATOR” of the WHOLE, is the “FATHER” of the WHOLE: “THE DIVINE”, IHVH, **our FATHER**.

The communication medium through which “SPECIFIC SIGNALS CATALYST OF THE BIRTH” are transmitted **IS NOT** called “FATHER”.⁴⁰⁰

The first three steps of this process by which “THE WORD OF THE DIVINE” takes shape also reside in “THE DIVINE ARCHITECT AND PROJECT MASTER”. This is why from the perspective of the attribute “NON DIVINE”, it is said of

⁴⁰⁰ It is for the purpose to lead human creatures and also to bring His disciples to grow up in the “KNOWLEDGE OF THE DIVINE” and so that they come to understand who they are, that CHRIST told them:

“... Call no man on Earth your ‘FATHER’ because you have only one: ‘THE DIVINE’ ...”

“THE DIVINE ARCHITECT AND PROJECT MASTER” that HE is three times “MALE”.

It will also be said of the “SPIRIT←LIGHT” Body in the “SPIRIT←LIGHT” ‘EARTHLY’ Creature” model that it is it twice “MALE”. This is not the case with the “SPIRIT←SPIRIT” Body” having the adjective “MALE” of the “SPIRIT←SPIRIT” ‘CELESTIAL’ Creature” model.

To “THE DIVINE FORCE”, “FORMATIVE” of the WHOLE, “THE DIVINE” has assigned a unique attribute defined by the “unique word” whose pronunciation in the human language is translated by the word “MOTHER”. “THE DIVINE FORCE” is the “MOTHER” of the WHOLE; SHE is “THE UNIVERSAL GENITRIX”.⁴⁰¹

The “SPIRIT←LIGHT” Body” in the “PRINCIPAL” instance of the “SPIRIT←LIGHT” ‘EARTHLY’ Creature” model will be formed, produced, into existence in the “Specific Energy ‘SPIRIT’ Substance” constituent of “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — from “THE WORD OF THE DIVINE” emitted by “THE DIVINE” from “THE DIVINE DOMAIN” outside of the attribute “NON DIVINE”, and by “THE DIVINE FORCE”.

This is why, to the substantive, “THE DIVINE FORCE” is the “MOTHER” of the first “SPIRIT←LIGHT” Body” in the “PRINCIPAL” instance of the “SPIRIT←LIGHT” ‘EARTHLY’ Creature” model.

The production medium in which “THE BEFOREHAND CREATED ENERGY FORM” has been produced **IS NOT** called “MOTHER”. To this production medium, “THE DIVINE” has assigned a unique attribute defined by the “unique word” whose pronunciation in the human language is translated by the sequence of terms: “SHE WHO BORE”.

To this “BEFOREHAND CREATED ENERGY BODY” that has been designed or elaborated by the “FATHER”, then, formed into existence in the attribute “NON DIVINE” by the “MOTHER”, “THE DIVINE” has assigned a unique attribute

⁴⁰¹ It is of this “MOTHER” of which is talked about in all Scriptures; “THE DIVINE” is the “FATHER” of the WHOLE. It is of this “MOTHER” and of this “FATHER” of the “SPIRIT←LIGHT” Body” that are referred to in the tablets of the Decalogue that were given to MOSES.

defined by the “unique word” whose pronunciation in the human language is translated by: “CHILD”, or “CHILD OF THE FATHER”.

Through “specific processes” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has established⁴⁰², the “CHILD” beforehand created by the “FATHER” and produced into existence in the attribute “NON DIVINE” by “THE DIVINE FORCE” will inherit some qualities coming simultaneously:

1. From the “FATHER”, “CREATOR” of the “CHILD”;

ספר
המא
זאת

⁴⁰² It is for the purpose to lead His creatures to be created into existence in the “Plane Above” to know this and understand that “THE DIVINE” creates and generates Himself in countless ways, that later during the course of the implementation of this “HOLY PROJECT” as “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed and established it, HE will create into existence in the first “Specific Energy ‘EARTHLY’ Habitation Domain” and before the sight of all his creatures that will be created into existence in the “Plane Above”, the first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” having the adjective “MALE” — and who will be called “ADAM” — and the first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” having the adjective “FEMALE” — and who will be called “EVE” — and whose “‘SPIRIT←LIGHT’ Body” of each will be generated in “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — from “THE WORD OF THE DIVINE” emitted by “THE DIVINE” from “THE DIVINE DOMAIN” outside of the attribute “NON DIVINE”.

It is also for the purpose to lead His creatures to be created into existence in the “Plane Above” to know this and understand that “THE DIVINE” creates and generates Himself in countless ways, that will arise into existence from the first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” having the adjective “FEMALE” in the first “Specific Energy ‘EARTHLY’ Habitation Domain” and before the sight of all his creatures to be created into existence in the “Plane Above”, the first pair of “CHILDREN” (i.e. the first twins): a “CHILD” having the adjective “MALE” — and who will be called “CAIN”, meaning “The Possession” — and the first “CHILD” having the adjective “FEMALE”. The first pair of “CHILDREN” was meant to come into existence only from the first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”. But the disciples of “obscurity” had already captured the reigns of power and their leader has abused and impregnated the first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” having the adjective “FEMALE”. The obscure affair behind the coming into existence of this first pair of “CHILDREN” is an interesting one and we will expand it in another chapter.

It is also for the purpose to lead His creatures to be created into existence in the “Plane Above” to know this and understand that “THE DIVINE” creates and generates Himself in countless ways, that HE will demonstrate these concepts in several ways on the flora and fauna that will be created into existence in the first “Specific Energy ‘EARTHLY’ Habitation Domain” and before the sight of all his creatures to be created into existence in the “Plane Above”.

2. From the communication medium through which the “SPECIFIC SIGNAL CATALYST OF THE BIRTH” of the “CHILD” has been emitted;
3. From the appropriate production medium in which the “CHILD” has been formed and produced into existence in the attribute “NON DIVINE”.

The “CHILD” may inherit the “MALE” adjective from the communication medium through which the “SPECIFIC SIGNAL CATALYST OF THE BIRTH” has been emitted, or the “CHILD” may inherit the “FEMALE” adjective from the appropriate production medium in which the “CHILD” has been formed and produced into existence in the attribute “NON DIVINE”.

As “THE DIVINE ARCHITECT AND PROJECT MASTER” has established it, the “CHILD” will grow in “THE KNOWLEDGE OF THE DIVINE”, following the same stages of growth which range from the “spiritual awakening” to the “adult spiritual age” passing through the “spiritual childhood” and the “spiritual adolescence”.

At attainment of the “adult spiritual age” in “THE KNOWLEDGE OF THE DIVINE”, then, the grown “CHILD” will be designated with a word whose pronunciation in the human language translates to mean “MAN”⁴⁰³ when the adjective of the “CHILD” is “MALE”, otherwise it will be identified with a word whose pronunciation in the human language translates to mean “WOMAN” when the adjective of the “CHILD” is “FEMALE”.

“THE DIVINE”, IHVH, our FATHER will endow the “‘SPIRIT←LIGHT’ Body” of this “PRINCIPAL” instance of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model with properties which are those of “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’”.

This is why it will be said of this “‘SPIRIT←LIGHT’ Body” of the first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” having the “MALE” adjective, that it ensues from a great power and a great wealth.

⁴⁰³ “MAN” is the “unique word” that “THE DIVINE ARCHITECT AND PROJECT MASTER” had assigned to the metaphor in the attribute “NON DIVINE” of the “‘SPIRIT←LIGHT’ INDISTINCT DIVINE FORM”, long before that the attribute “NON DIVINE” was created. The “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” are manifestations of this metaphor of the “‘SPIRIT←LIGHT’ INDISTINCT DIVINE FORM”, and that is why each of those with the “MALE” adjective came to be called: “Man”.

Remember the property of the attribute “GOD” of “THE BODY OF ‘HE WHO IS’”, which we have indicated at the very beginning of these writings and which expresses the fact that “THE BODY OF ‘HE WHO IS’” produces itself “THE LIGHT” — which characterizes the Energy that emanates from “THE BODY OF ‘HE WHO IS’” and makes it “ALIVE”. This energy is the “LIFE” imprint of “THE BODY OF ‘HE WHO IS’”; that Energy which is the mark of “LIFE” of “THE BODY OF ‘HE WHO IS’” —, that is to say, “THE BODY OF ‘HE WHO IS’” produces itself “LIFE”.

Well, the two sets which are constituted by the second and the third concepts, on the one hand, coupled to the fifth and sixth concepts, on the other hand, are an expression of the decoupling followed by the decomposition of the basic components which contribute to the definition of the property of the attribute “GOD” of “THE BODY OF ‘HE WHO IS’”, and organized under these two sets.

Taken together as one common entity, in a relationship of “Conjoints” and the harmonious complementarity between the “MALE” and the “FEMALE” adjectives applied to their “‘SPIRIT←LIGHT’ Body”, these two sets form an expression by metaphor of the attribute “GOD” of “THE BODY OF ‘HE WHO IS’”. The manifestation by metaphor of “THE LIGHT” produced by this expression by metaphor of the attribute “GOD” of “THE BODY OF ‘HE WHO IS’” will be carried by the “‘SPIRIT←LIGHT’ Body” of the “CHILD” beforehand created (that is to say, following a predefined model, namely, the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model) by the “FATHER” and produced into existence in the attribute “NON DIVINE” by or through “specific processes”, which have been implemented by “THE DIVINE FORCE”. Similar “specific processes” have also been designed and established by “THE DIVINE ARCHITECT AND PROJECT MASTER” for the production of the “container” (the “Specific Energy ‘EARTHLY’ Envelope”) that will contain the produced “‘SPIRIT←LIGHT’ Body”.⁴⁰⁴

It is so that, in the set constituted by the “‘SPIRIT←LIGHT’ Body” of the first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” having the “MALE” adjective completed by the “‘SPIRIT←LIGHT’ Body” of the first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” having the “FEMALE” adjective, “THE DIVINE

⁴⁰⁴ Those “specific processes”, which have been designed and established by “THE DIVINE ARCHITECT AND PROJECT MASTER” for the production of the “container” (the “Specific Energy ‘EARTHLY’ Envelope”, which is your “physical body”) that will contain the produced “‘SPIRIT←LIGHT’ Body”, are the “reproduction” processes that you are already familiar with. We will elaborate on those “visible” “specific processes” of “reproduction” of the “Specific Energy ‘EARTHLY’ Envelope” in another chapter below.

ARCHITECT AND PROJECT MASTER” has designed and established an expression by metaphor of the attribute “GOD” of “THE BODY OF ‘HE WHO IS’” and which will be manifested (produced) into existence by “THE DIVINE FORCE”.⁴⁰⁵

It is from the “‘SPIRIT←LIGHT’ Body” of the first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” having the “MALE” adjective and of its internal “specific processes” allowing it to emit, in “THE SILENCE” and without using “THE WORD”, “SPECIFIC SIGNALS CATALYST OF THE BIRTH”, and from the “‘SPIRIT←LIGHT’ Body” of the first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” having the “FEMALE” adjective, that the remaining of the entire “THE EARTHLY HOST” will be created into existence in the attribute “NON DIVINE” by recursive transformations starting from these two firsts “‘SPIRIT←LIGHT’ Body”.

It will thus be, through the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” having the “MALE” adjective coupled with the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” having the “FEMALE” adjective”, a living demonstration of the property of the attribute “GOD” of “THE BODY OF ‘HE WHO IS’” and which expresses the fact that “THE BODY OF ‘HE WHO IS’” itself produces that Energy which emanates from “THE BODY OF ‘HE WHO IS’” and makes it “ALIVE”; “THE BODY OF ‘HE WHO IS’” produces itself “LIFE”.

This is not the case for “THE CELESTIAL HOST” (angels or archangels), where the “‘SPIRIT←SPIRIT’ Body” of each “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, other than the Archangel MICHAEL, is obtained from a single transformation applied to the “‘SPIRIT←SPIRIT’ Body” in the “PRINCIPAL” instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model — that is, of the Archangel MICHAEL — as a result of the emission of “THE WORD OF THE DIVINE”.

It is so that, through these recursive transformations starting from the “‘SPIRIT←LIGHT’ Body” of the first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” having the “MALE” adjective and from the “‘SPIRIT←LIGHT’ Body” of the first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” having the “FEMALE” adjective, “THE DIVINE”, IHVH, our FATHER has chosen to demonstrate and make understand

⁴⁰⁵ Although these teachings provided by “THE DIVINE FORCE” and which are described to you here appear simple, understanding them and even conceiving them is already very demanding on our capacities of thinking and our brain. Then try to get an idea about “THE INTELLECT OF ‘HE WHO IS’” which has designed and established all these things in all their details and whose teachings are imparted by “THE DIVINE FORCE”.

to the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who were created into existence in the “Plane Above”, and in particular to those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who in their “obscurity” have self-declared themselves to be “gods”, what do the attribute “GOD” of “THE BODY OF ‘HE WHO IS’” represent.

It is so that, through these recursive transformations starting from the “‘SPIRIT←LIGHT’ Body” of the first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” having the “MALE” adjective and from the “‘SPIRIT←LIGHT’ Body” of the first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” having the “FEMALE” adjective, and through those recursive transformations that will be applied on “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creatures” and on “Vegetal ‘EARTHLY’ Creatures”, “THE DIVINE”, IHVH, our FATHER has chosen to lead His creatures that were created into existence in the “Plane Above” to understand that “THE DIVINE” creates and generates Himself in countless ways.

The “‘SPIRIT←LIGHT’ Body” of the first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” which will be manifested into existence in the attribute “NON DIVINE” will have the qualificatif of “original”, because it will not be created into existence as a result of transformation of another “‘SPIRIT←LIGHT’ Body” which exists already, and it will be created directly by “THE DIVINE FORCE”: it is the “‘SPIRIT←LIGHT’ Body” in the “PRINCIPAL” instance of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

Thus, through these recursive transformations, the seven instances of the “‘SPIRIT←LIGHT’ Body” of the model of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” will be created into existence in the attribute “NON DIVINE”.

The “‘SPIRIT←LIGHT’ Body” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” is the sixth expression into existence of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”.

In this “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, expressions of the core particulars of the septane of products of the “specific work” accomplished by the manifestation of the metaphor of the first “Formative Divine Particle”, are called: the core inheritance qualities of the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”. These core inheritance qualities predetermine precise features of the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

The “CHILD” beforehand created by the “FATHER” and whose predefined shape was created by “THE DIVINE FORCE” then, produced into existence in the

attribute “NON DIVINE” within the appropriate production medium having the “FEMALE” adjective and from the “SPECIFIC SIGNAL CATALYST OF THE BIRTH” which was emitted by the communication medium having the “MALE” adjective, represents the second “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” which will have the same core inheritance qualities coming from both the communication medium having the “MALE” adjective who emitted the “SPECIFIC SIGNAL CATALYST OF THE BIRTH” of the considered “CHILD” and the appropriate production medium having the “FEMALE” adjective in which the considered “CHILD” was produced.

Therefore, it will be said that the “CHILD” is the descendant of the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” having the “MALE” adjective and who has acted as communication medium of the “SPECIFIC SIGNAL CATALYST OF THE BIRTH” of this considered “CHILD”.⁴⁰⁶

⁴⁰⁶ This is why when you speak with the elders of the creation, that “THE DIVINE”, IHVH, our FATHER has maintained in the “Specific Energy ‘CELESTIAL’ Domain”, they always say: “... the descendant of ...”, or “..., of whom ... is the descendant ...”, to refer to the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” having the “MALE” adjective and having acted as communication medium of the “SPECIFIC SIGNAL CATALYST OF THE BIRTH” of the considered descendant; for example it will be said “ABRAHAM, of whom ISAAC is the descendant”, to make understand that, it is about ABRAHAM also called the “Friend of GOD”, and it will not be said “ABRAHAM, THE FATHER of ISAAC”.

As we noted in a previous annotation, it is to lead human creatures and also to bring His disciples to grow up in the “KNOWLEDGE OF THE DIVINE” and so that they come to understand who they are, that CHRIST told them:

“ ...

Call no man on Earth your ‘FATHER’ because you have only one: ‘THE DIVINE’

...”

To refer to the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” having the “FEMALE” adjective and that has acted as production medium of the “CHILD”, it will always be said: “... she who bore ...”; for example it will be said: “MARY, who bore CHRIST”, and it will not be said “MARY, the Mother of CHRIST”.

It is as result of the presence of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” that the elders of the creation will sow in the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, that “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” will begin to use the designations “FATHER” and “MOTHER” wrongly and indiscriminately.

The core inheritance qualities which predetermine precise features of the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” having the “MALE” adjective of whom the “CHILD” is the descendant and the precise features of the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” having the “FEMALE” adjective that acted as appropriate medium of production into existence, are the foundation of that, which will be called: the “GENES” of the “‘SPIRIT←LIGHT’ Body”.

These “GENES” of the “‘SPIRIT←LIGHT’ Body”, that are transported by the “SPECIFIC SIGNALS CATALYST OF THE BIRTH”, will be transmitted from offspring in descent through the recursive transformations and “THE DIVINE ARCHITECT AND PROJECT MASTER” has also applied an expression of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” on these transmissions of “GENES” of the “‘SPIRIT←LIGHT’ Body”.

As we have already indicated, it is by “specific processes” designed by “THE DIVINE ARCHITECT AND PROJECT MASTER”, that the “‘SPIRIT←LIGHT’ Body” in the “PRINCIPAL” instance of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model to be produced into existence in the attribute “NON DIVINE” by “THE DIVINE FORCE”, will inherit some qualities coming simultaneously:

1. From the “FATHER”, “CREATOR” of the “CHILD”;
2. From “The ALTAR of ‘THE DIVINE’” which is inside “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — as a communication medium through which the “SPECIFIC SIGNAL CATALYST OF THE BIRTH” of this “‘SPIRIT←LIGHT’ Body” in the “PRINCIPAL” instance of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, will be emitted;
3. From the “Specific Energy ‘SPIRIT’ Substance” which covers “The ALTAR of ‘THE DIVINE’” which is inside “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — as a production medium and in which this “‘SPIRIT←LIGHT’ Body” in the “PRINCIPAL” instance of the “‘SPIRIT←LIGHT’ ‘EARTHLY’

If you start to use the designations “FATHER” and “MOTHER” wrongly and indiscriminately with reference to “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, then, you will find it difficult to converse with the elders of the creation, that “THE DIVINE”, IHVH, our FATHER has maintained in the “Specific Energy ‘CELESTIAL’ Domain”, and you will not either understand what “THE DIVINE”, IHVH, our FATHER, was speaking about in the tablets of the Decalogue that HE gave to MOSES.

Creature” model will “take body” and will be produced into existence in the attribute “NON DIVINE”.

Therefore, through the recursive transformations of the “‘SPIRIT←LIGHT’ Body” in the “PRINCIPAL” instance of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model and which will be the “‘SPIRIT←LIGHT’ Body” of the first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” having the “MALE” adjective, this inheritance was to be transmitted from offspring in descent within “THE EARTHLY HOST” entirely.

It is important to remember this property of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, by which the core particulars of the septane of products of the “divine work” accomplished by the first “Formative Divine Particle”, are transmitted from one transformation step to another one, until their seventh phase of existence in the products of the “senary transformation”.

In “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, the core particulars of the septane of products of the “divine work” accomplished by the first “Formative Divine Particle”, in their seventh phase of existence, will be reduced to zero (nullified) in the “Divine Septenary Equilibrium Zone” of the first “Formative Divine Particle” with respect to the “Generative Divine Particle”, to give place to the core particulars of the new septane of products of the “divine work” accomplished by the first “Formative Divine Particle”, and restore the stability of the proportion of the products of the “divine work” accomplished by the “Generative Divine Particle” with respect to the proportions of products of the “divine work” accomplished by the six “Formative Divine Particles” within the “Divine Septenary Equilibrium Zone” of the first “Formative Divine Particle” with respect to the “Generative Divine Particle”.

It is likewise in this expression of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, on these transmissions of “GENES” of the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, which is the sixth expression into existence of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”.

Therefore:

1. From a first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, some of the “GENES” of the “‘SPIRIT←LIGHT’ Body” of this first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” will be transmitted to a second “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” descendant of the

first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, and following an expression of the “Causal Precedence Relation of ‘THE CREATION’”.

2. From this second “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, the “GENES” of the “‘SPIRIT←LIGHT’ Body” inherited from the first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” will be transmitted to a third “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” descendant of the second “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, and following an expression of the “Causal Precedence Relation of ‘THE CREATION’”.
3. From this third “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, the “GENES” of the “‘SPIRIT←LIGHT’ Body” inherited from the first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” will be transmitted to a fourth “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” descendant of the third “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, and following an expression of the “Causal Precedence Relation of ‘THE CREATION’”.
4. From this fourth “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, the “GENES” of the “‘SPIRIT←LIGHT’ Body” inherited from the first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” will be transmitted to a fifth “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” descendant of the fourth “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, and following an expression of the “Causal Precedence Relation of ‘THE CREATION’”.
5. From this fifth “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, the “GENES” of the “‘SPIRIT←LIGHT’ Body” inherited from the first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” will be transmitted to a sixth “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” descendant of the fifth “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, and following an expression of the “Causal Precedence Relation of ‘THE CREATION’”.
6. From this sixth “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, the “GENES” of the “‘SPIRIT←LIGHT’ Body” inherited from the first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” will be turned to zero on the seventh “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” descendant of the sixth “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, and following an expression of the “Causal Precedence Relation of ‘THE CREATION’”.
7. From this seventh “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” descendant of the sixth “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, the “GENES” of the “‘SPIRIT←LIGHT’ Body” of the sixth “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” that have been inherited from the first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” would have

been reduced to zero to give place to new “GENES” of the “‘SPIRIT←LIGHT’ Body” on the seventh “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, and following an expression of the “Causal Precedence Relation of ‘THE CREATION’”.

Once those selected “GENES” of the “‘SPIRIT←LIGHT’ Body” of origin of the first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, that were transmitted, have been turned to zero on the seventh “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” through consecutive descendants, then, new “GENES” of the “‘SPIRIT←LIGHT’ Body” will make their appearance, as “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed it and the cycle will continue, describing as such a concrete image of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, on the transmission of “GENES” of the “‘SPIRIT←LIGHT’ Body”.⁴⁰⁷

As we have indicated above, through “specific processes” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed, the “CHILD” beforehand created by the “FATHER” and whose predefined shape was created by “THE DIVINE FORCE” then, produced into existence in the attribute “NON DIVINE” within the appropriate production medium having the “FEMALE” adjective and from the “SPECIFIC SIGNAL CATALYST OF THE BIRTH” which was emitted by the communication medium having the “MALE” adjective, represents the second “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” which will have the same core inheritance qualities coming from both the communication medium having the “MALE” adjective who emitted the “SPECIFIC SIGNAL CATALYST OF THE BIRTH” of the considered “CHILD” and the appropriate production medium having the “FEMALE” adjective in which the considered “CHILD” was produced.

⁴⁰⁷ You, who are reading these writings, should understand that all these recursive transformations and transmissions of core inheritance qualities are actually time dependent “chemical reactions” taking place inside the “‘SPIRIT←LIGHT’ Body”. Here, I am just describing directly an overview of what “THE DIVINE FORCE” is showing, without going deep into the details; for, there will not be enough space and time to write everything down with all their explanations and, most of those who will read these writings will likely not have the prerequisites to follow and digest what is given out through these writings. Remember the following saying in parables and get the picture about these things:

“...

There is in Paradise a tree under the shadow of which a horseman can walk for a hundred years without ever leaving it.

...”

When the “Specific Energy ‘SPIRIT’ Substance” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model is created into existence in the attribute “NON DIVINE”, through the recursive transformations starting from the original “‘SPIRIT←LIGHT’ Body” of the first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” having the “MALE” adjective and also of the original “‘SPIRIT←LIGHT’ Body” of the first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” having the “FEMALE” adjective, as an expression of the inner structure of a metaphor of the “‘SPIRIT←LIGHT’ INDISTINCT DIVINE FORM”, this “Specific Energy ‘SPIRIT’ Substance” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model will not have the same freshness and the same brightness than those of the “‘SPIRIT←LIGHT’ INDISTINCT DIVINE FORM” which is within “THE DIVINE DOMAIN”. This ensues from the application of proportionality factors that define the laws of change of frame of reference, between “THE ABSOLUTE FRAME OF REFERENCE” defined by “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” in “THE DIVINE” and “THE FRAME OF REFERENCE OF THE ATTRIBUTE ‘NON DIVINE’” in the attribute “NON DIVINE”.

As “THE DIVINE ARCHITECT AND PROJECT MASTER” has established it, the “CHILD” having a “‘SPIRIT←LIGHT’ Body” is also called upon to grow in “THE KNOWLEDGE OF THE DIVINE”, following the same stages of growth which range from the “spiritual awakening” to the “adult spiritual age” passing through the “spiritual childhood” and the “spiritual adolescence”.

At attainment of the “adult spiritual age” in “THE KNOWLEDGE OF THE DIVINE”, then, the grown “CHILD” will be designated with a word whose pronunciation in the human language translates to mean “MAN” when the adjective of the “CHILD” is “MALE”, otherwise it will be identified with a word whose pronunciation in the human language translates to mean “WOMAN” when the adjective of the “CHILD” is “FEMALE”.

“THE DIVINE ARCHITECT AND PROJECT MASTER” has also endowed the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” with a metaphor of “THE WORD OF THE DIVINE” and through which “THE DIVINE FORCE” will also accomplish the instructions carried by the manifestation of such metaphor of “THE WORD OF THE DIVINE”, when the “‘SPIRIT←LIGHT’ Body” that emitted it is in a high enough state of “HARMONY” with “THE DIVINE”, IHVH, our FATHER. This is not the case with the “‘SPIRIT←SPIRIT’ Body” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”.

Indeed, as we have explained already, “THE WORD OF THE DIVINE” resides in “THE DIVINE ARCHITECT AND PROJECT MASTER” and in “THE DIVINE

FORCE”, who is responsible to manifest into existence in the attribute “NON DIVINE”, the product that is associated with “THE WORD OF THE DIVINE”. It also resides also in the “LIGHT” that characterizes the Energy that emanates from “THE BODY OF ‘HE WHO IS’” and makes it “ALIVE”.

It is so that, “The ALTAR of ‘THE DIVINE’” which is inside this “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” has also been endowed with constituents which allow manifestations of “THE WORD OF THE DIVINE” to be formed and emitted into existence in the attribute “NON DIVINE”. Here also, it is from “THE DIVINE FORCE”, that such manifestation of “THE WORD OF THE DIVINE” will proceed forward into existence, only when the “‘SPIRIT←LIGHT’ Body” is in a high enough state of “HARMONY” with “THE DIVINE”, IHVH, our FATHER.

“THE DIVINE ARCHITECT AND PROJECT MASTER” has also endowed the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” with a capability that “replicates” the process through which “THE DIVINE FORCE” manifests into existence the products that are associated with “THE WORD OF THE DIVINE”.

Through this capability, the “WORDS” spoken out by the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, and which will be truly the results of the workflow of “specific processes” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed, applied to “ENERGY DESIGNS” produced by “THE SEAT OF THE INTELLECT” within the “Specific Energy ‘SPIRIT’ Substance” constituent of the “‘SPIRIT←LIGHT’ Body” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, will “take body” (literally), in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain” in which the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” will be produced into existence.

The structures through which such shapes will proceed forward into existence, in the “Specific Energy ‘EARTHLY’ Substance” constituent of the “Specific Energy ‘EARTHLY’ Domain” in which the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” will be produced into existence, will be constructed as parts of the external “Specific Energy ‘EARTHLY’ Envelope” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”. These will be the structures formed by the oral cavity and the structures that delimit it, communicating with the respiratory tracts and contributing to the emission of the articulated voice, of the spoken “WORDS”. We will explain it in the following section concerning the “Specific Energy ‘EARTHLY’ Envelope”.

For this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, “THE DIVINE ARCHITECT AND PROJECT MASTER” has endowed the “Specific ‘SPIRITUAL←SPIRIT’ Frontier” with “specific nerves” — which are actually structures that “THE DIVINE FORCE” will build from “Specific Atomic ‘SPIRIT’ Substances”, and which are receivers and transmitters of signals — which are in contact with the “Specific Energy ‘EARTHLY’ Envelope” and allow to facilitate the exchange of communication (reception and transmission of instructions, specific signals) both between the “Specific Energy ‘SPIRIT’ Substance” and the “Specific Energy ‘EARTHLY’ Envelope” and between the “Specific Energy ‘SPIRIT’ Substance” and the “Specific ‘SPIRITUAL’ Environment” external and immediate around the “Specific Energy ‘SPIRIT’ Substance”.

It is so that, “THE DIVINE ARCHITECT AND PROJECT MASTER” has made the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” alive by the addition of all these “specific processes”, capacities and capabilities, and elements of “THE ‘LIGHT’ REASON”, in order to make “DISTINCT” in the attribute “NON DIVINE”, intellect, reflection and thought, each of the manifestations of metaphors of the “‘SPIRIT←LIGHT’ INDISTINCT DIVINE FORM”.

The “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” has as such, the three characteristic parts of “THE DIVINE”, IHVH, our FATHER:

- A part which is reflection, thought, consciousness, understanding, discernment, with unlimited perceptions, which is contemplating itself, and allows to understand, to think, to analyze and “MAKE DECISIONS”. This part is “THE INTELLECT OF THE ‘SPIRIT←LIGHT’ ‘EARTHLY’ CREATURE”. This part is constituted by all the elements and constituents of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, including “THE SEAT OF THE INTELLECT”, which contribute to “THE INTELLECT” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

Everything that the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” will accomplish is first of all established by “THE INTELLECT OF THE ‘SPIRIT←LIGHT’ ‘EARTHLY’ CREATURE”.

- A part which accomplishes any instruction statement that “THE INTELLECT OF THE ‘SPIRIT←LIGHT’ ‘EARTHLY’ CREATURE” issues into existence, once this instruction has been established by

“THE INTELLECT OF THE ‘SPIRIT←LIGHT’ ‘EARTHLY’ CREATURE”. This part, which complements “THE INTELLECT OF THE ‘SPIRIT←LIGHT’ ‘EARTHLY’ CREATURE”, is constituted by all the elements and constituents of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, which contribute to the accomplishment of any instruction that “THE INTELLECT OF THE ‘SPIRIT←LIGHT’ ‘EARTHLY’ CREATURE” issues into existence with the intention of accomplishing it.

This part is the “Inner Spiritual Motive Force” — “THE MOTIVE FORCE OF THE ‘SPIRIT←LIGHT’ ‘EARTHLY’ CREATURE”.

- A part which is other than “THE INTELLECT OF THE ‘SPIRIT←LIGHT’ ‘EARTHLY’ CREATURE” and also other than “THE MOTIVE FORCE OF THE ‘SPIRIT←LIGHT’ ‘EARTHLY’ CREATURE”. This part is built from “Specific Atomic ‘SPIRIT’ Substances” and from “Specific Atomic ‘LIGHT’ Substances”.

It is so that, in the attribute “NON DIVINE”, “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed a concrete and living image to express the “‘SPIRIT←LIGHT’ INDISTINCT DIVINE FORM” that exists already within “THE DIVINE DOMAIN”.

This is why it is said of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” that, it is in the image of “THE DIVINE”, IHVH, our FATHER, to the “‘SPIRIT→LIGHT’ Divine State”, when this “‘SPIRIT←LIGHT’ Body” designed and defined as such, is in the “PURITY” and “HOLINESS”.⁴⁰⁸

To be in the image of “THE DIVINE”, to the “‘SPIRIT→LIGHT’ Divine State”, has nothing to do with the morphology of the external “Specific Energy ‘EARTHLY’ Envelope” which will cover the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”. However, an expression by metaphor of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” will be expressed in the anatomy of this external “Specific Energy ‘EARTHLY’ Envelope” and will be powered (just like the electrical power supply) through the “‘SPIRIT←LIGHT’ Body”. Such a combination of the “‘SPIRIT←LIGHT’ Body” encrusted and “hidden” (in the sense of invisibility as we have already described) in the anatomy of this “much coarse” external “Specific Energy ‘EARTHLY’

⁴⁰⁸ See conversation of June 27, 2005, Aristide with CHRIST.

Envelope” in which an expression by metaphor of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” will be expressed, will aim to convey to the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of “THE CELESTIAL HOST” in their obscurity, in their absence of “THE KNOWLEDGE OF THE DIVINE”, as well as to the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, that this “‘SPIRIT←LIGHT’ Body” is in fact a metaphor of a product (meaning: what is issued, what comes out, what comes into existence, what results from the activity of the movement) of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” that “THE DIVINE”, IHVH, our FATHER has consolidated in Himself.

ך

This concrete and living image, which expresses the “‘SPIRIT←LIGHT’ INDISTINCT DIVINE FORM”, which exists already within “THE DIVINE DOMAIN”, is linked to “THE DIVINE”, IHVH, our FATHER, through that, which is designated as “THE SEAT OF WISDOM”. “THE SEAT OF WISDOM”, which is located inside the attribute “NON DIVINE” in this concrete and living image, which expresses the “‘SPIRIT←LIGHT’ INDISTINCT DIVINE FORM”, which exists already within “THE DIVINE DOMAIN”, is the “hub”, the effective centre, of communication in all its forms, with “THE DIVINE”, IHVH, our FATHER, who resides outside of the attribute “NON DIVINE”. It is through and inside “THE SEAT OF WISDOM”, that “THE DIVINE FORCE” will provide the temperature and the enlightenment intensity, that is, the illumination — “THE LIGHT” which allows to discern that, which conforms to the specifications that “THE DIVINE ARCHITECT AND PROJECT MASTER” has defined —, and will be “THE SIGHT” for “THE SEAT OF THE INTELLECT”. Without “THE SEAT OF WISDOM”, this concrete and living image, which expresses the “‘SPIRIT←LIGHT’ INDISTINCT DIVINE FORM” that exists already within “THE DIVINE DOMAIN”, will not know anything at all coming from “THE DIVINE”, IHVH, our FATHER, and it will not have any “SIGHT”; it will be in that, which will be designated as “obscurity”. It is so that, with the added “SEAT OF WISDOM”, this concrete and living image, which expresses the “‘SPIRIT←LIGHT’ INDISTINCT DIVINE FORM”, which exists already within “THE DIVINE DOMAIN”, is intended to live not only for itself, but also for “THE DIVINE”, IHVH, our FATHER through “THE SEAT OF WISDOM”. All what we have just described in this short paragraph is an application of the concept of “EXTENSION” of “THE DIVINE”, IHVH, our FATHER, to the attribute “NON DIVINE”, through the manifestation by metaphor of the “‘SPIRIT←LIGHT’ INDISTINCT DIVINE FORM”. Such “EXTENSION” will hold as long as “THE SEAT OF WISDOM” is in “PURITY”; for, “THE DIVINE”, IHVH, our FATHER is “ABSOLUTE PURITY”.

Such image is the result of analogical substitution, defined and applied by “THE DIVINE FORCE”, onto a unique “DIVINE PRIMARY WEALTH” — which already exist within “THE DIVINE DOMAIN” and which cannot be expressed in its form of origin which is within “THE DIVINE DOMAIN”, since the attribute “NON DIVINE” does not provide the divine conditions that are specific to express such forms of origin — following two unique angles defined by the transition between the attribute “SPIRIT” (or “PURITY”) and the attribute “LIGHT” of “THE DIVINE BODY”, and projected inside the attribute “NON DIVINE”.

Such image is a two-dimensional “projection”, into the attribute “NON DIVINE”, of a “DIVINE PRIMARY WEALTH” with respect to its two attributes “SPIRIT” (or “PURITY”) and “LIGHT”; the filter through which this “projection” is made possible, is “THE DIVINE FORCE”.

It is so that, “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed and established the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, in this way, in order to be able to share “THE KNOWLEDGE OF THE DIVINE” with the first “Specific Energy ‘EARTHLY’ Habitation Domain”, through this “‘SPIRIT←LIGHT’ Body”, and to lead both the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” to know and understand “THE DIVINE” both in the “‘SPIRIT’ Divine State” and the “‘SPIRIT→LIGHT’ Divine State”.

CHAPTER 157

THE “SPECIFIC ‘EARTHLY’ GARMENT” OF THE “‘SPIRIT←LIGHT’ ‘EARTHLY’ CREATURE” MODEL

The external “Specific Energy ‘EARTHLY’ Envelope” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model and inside of which is this expression of a metaphor of the “‘SPIRIT←LIGHT’ INDISTINCT DIVINE FORM”, is a garment for the metaphor of the “‘SPIRIT←LIGHT’ INDISTINCT DIVINE FORM”: it is the “Specific ‘EARTHLY’ Garment” of a metaphor of the “‘SPIRIT←LIGHT’ INDISTINCT DIVINE FORM”. It will be the “Specific ‘EARTHLY’ Garment” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

It is separated from the “Specific Energy ‘SPIRIT’ Substance” constituent of the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” by the “Specific ‘EARTHLY←SPIRITUAL’ Frontier”.

The “Specific ‘EARTHLY’ Garment” is a “Specific Energy ‘EARTHLY’ Substance” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed and established.

The layers of structures constituent of the “Specific ‘EARTHLY’ Garment” are all held together by “specific processes” which are also activated by the degree of presence of “THE SPECIFIC SPIRITUAL FORCE OF LIFE” that is present in the “Specific ‘EARTHLY’ Environment” external and immediate around the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

These layers of structures are interconnected with a given degree of cohesion defined as “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed them. However, different layers of structures have different degrees of cohesion and as “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed them.

For the “‘EARTHLY’ specific supply of subsistence” that will be emitted by the “Specific Generative Energy ‘EARTHLY’ Domain” in the “Plane Below” to

contribute to the wellness of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed the “Specific ‘EARTHLY’ Garment” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model from “Specific Atomic ‘EARTHLY’ Substance” which HE had designed Himself from the “Specific Elementary ‘EARTHLY’ Particle”, and following the model of the “Specific Energy ‘SPIRITUAL’ Envelope” in the original “Specific Energy ‘SPIRIT←LIGHT’ Bridge” model.

The “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model is also protected, from the “Specific ‘EARTHLY’ Environment” non-spiritual, by this “Specific ‘EARTHLY’ Garment”.

The “Specific Energy ‘SPIRIT’ Substance” within the “‘SPIRIT←LIGHT’ Body” is visible only to “THE EYE OF THE DIVINE” and it is this “Specific ‘EARTHLY’ Garment” which will allow to make visible and manifest, in the non-spiritual “Specific ‘EARTHLY’ Environment”, both:

- The presence of the “Specific Energy ‘SPIRIT’ Substance” contained in the “‘SPIRIT←LIGHT’ Body”; and
- The instructions generated by “THE SEAT OF THE INTELLECT” in the “Specific Energy ‘SPIRIT’ Substance” and transmitted to the “Specific ‘EARTHLY’ Garment”.

Just as “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed the particulars of the “MALE” adjective and those of the “FEMALE” adjective through the structures of layers of “Specific Atomic ‘CELESTIAL’ Substances” constituents of the “Specific ‘CELESTIAL’ Garment” of the “‘SPIRIT←SPIRIT’ Body” of instances of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, “THE DIVINE ARCHITECT AND PROJECT MASTER” has also designed the expressions of such particulars of the parity that is constituted by the “MALE” adjective and the “FEMALE” adjective through the organs and the structures of layers of “Specific Atomic ‘EARTHLY’ Substances” constituents of the “Specific ‘EARTHLY’ Garment” of the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model.

“THE DIVINE ARCHITECT AND PROJECT MASTER” has endowed the “Specific ‘EARTHLY’ Garment” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” having the “FEMALE” adjective of the capacity to serve as a medium of production of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” as “BEFOREHAND CREATED ENERGY FORM” that has already been created by “THE DIVINE FORCE” and associated to instances of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model.

This production will take place using the “Specific Atomic ‘EARTHLY’ Substances” that will be present and contained in the “Specific ‘EARTHLY’ Garment” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” having the “FEMALE” adjective.

It is so that, “THE DIVINE ARCHITECT AND PROJECT MASTER” has endowed the “Specific ‘EARTHLY’ Garment” of the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” having the “FEMALE” adjective, with an expression of the metaphor of “The Specific Process of Attachment to ‘THE DIVINE’”. It will be the link of attachment of the produced “BEFOREHAND CREATED ENERGY FORMS”, to the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” having the “FEMALE” adjective and that will serve as a medium of production of the “BEFOREHAND CREATED ENERGY FORM” produced in its “Specific ‘EARTHLY’ Garment”. The symbol of this link of attachment is called: “THE UMBILICAL CORD”⁴⁰⁹.

Just as the “‘LIGHT→GOD’ CORD OF PRAISE” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” and of which we have already described has a strong symbolic, “THE UMBILICAL CORD” which is the analogue is also a true strong symbol: it is the structure which ensures vital exchanges between the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” having the “FEMALE” adjective, and the “BEFOREHAND CREATED ENERGY FORMS” that are produced in her “Specific ‘EARTHLY’ Garment”. It is the primordial biological link between the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” having the “FEMALE” adjective, and the “BEFOREHAND CREATED ENERGY FORMS” that are produced in her “Specific ‘EARTHLY’ Garment”.

In order to enable the prehension of the non-spiritual “Specific ‘EARTHLY’ Environment” external and immediate around the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, “THE DIVINE ARCHITECT AND PROJECT MASTER” has also endowed the “Specific ‘EARTHLY’ Garment” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model with basis structures, instincts, which are analogous to the basis structures and instincts of the “Specific Energy ‘SPIRIT’ Substance”

⁴⁰⁹ For the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” having the “FEMALE” adjective, the umbilical cord is the organ that joins the foetus or embryo to its placenta. It is in this cord that blood vessels (two arteries and a vein) that feed the embryo and the foetus during the pregnancy circulate. Nutrients and oxygen essential to the survival of the foetus are transmitted as such.

constituent of the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

These basis structures and instincts of the “Specific ‘EARTHLY’ Garment” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model allow to collect “specific signals” emitted by the non-spiritual “Specific ‘EARTHLY’ Environment” external and immediate around this “Specific ‘EARTHLY’ Garment”.

This basis structures are also “Specific Sensory Sensors” which will be built from layers of “Specific Atomic ‘EARTHLY’ Substances” and activated by the reception of “specific signals”. Once collected by these basis structures, the “specific signal” emitted by the non-spiritual “Specific ‘EARTHLY’ Environment” external and immediate around this “Specific ‘EARTHLY’ Garment” is subsequently transmitted, through its layers of constituents “Specific Atomic ‘EARTHLY’ Substances” towards the “Specific ‘EARTHLY←SPIRITUAL’ Frontier” and to be received by the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

Depending upon the degree of presence of “THE SPECIFIC SPIRITUAL FORCE OF LIFE” in the “Specific ‘SPIRITUAL’ Environment” external and immediate around the “Specific ‘EARTHLY’ Garment” considered, the internal “specific processes” of the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” will start working as “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed and established them.

At the end of execution of the “specific work” of these “specific processes”, the entire the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” will emit instructions in return as output “specific signal” in the form of a more or less luminous radiation and will adopt a predefined specific spiritual behavior as “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed it.

It is this internal output “specific signal” and the spiritual behavior adopted by the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” that are transmitted both to:

- The “Specific ‘EARTHLY’ Garment” to be made manifest in the non-spiritual “Specific ‘EARTHLY’ Environment” external and immediate around the “Specific ‘EARTHLY’ Garment”; and
- To the “Specific ‘EARTHLY’ Environment” external and immediate around the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

The various “specific signals”, identifiable and meaningful, genuine and harmonious, that “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed and predefined for the “Specific Energy ‘SPIRIT’ Substance” constituent of the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” cannot all be made manifest in the non-spiritual “Specific ‘EARTHLY’ Environment” external and immediate around the “Specific ‘EARTHLY’ Garment” due to:

- The limitations of memory assigned to “THE SEAT OF THE INTELLECT” in the “Specific Energy ‘SPIRIT’ Substance” and the elements of “THE ‘SPIRIT→LIGHT’ REASON” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has imposed upon the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model⁴¹⁰, and
- The properties and fundamental laws of the nature of the “Specific ‘SPIRITUAL’ Environment”, which are different from those of the non-spiritual “Specific ‘EARTHLY’ Environment”.

All the various “specific signals”, identifiable and meaningful, genuine and harmonious, that “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed and predefined for the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” and which are transmitted to the “Specific ‘EARTHLY’ Garment” to be made manifest in the non-spiritual “Specific ‘EARTHLY’ Environment” external and immediate around the “Specific ‘EARTHLY’ Garment”, constitute the “‘EARTHLY’ Language” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

This “‘EARTHLY’ Language” can be stained with impurities; that is, it can be manipulated or simulated when the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” expressing it is in a state of “CHAOS”, contrary to the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”. And in this case, such an expression stained with impurities will be designated by a word which translates into human language by: “UNTRUTH”, that is a “LIE”. Therefore, the “‘EARTHLY’ Language” may not be “TRUTHFUL”, whereas the “Specific ‘SPIRITUAL’ Language” is always “TRUTHFUL”.

As we pointed out in the previous section, “THE DIVINE ARCHITECT AND PROJECT MASTER” has also endowed the “‘SPIRIT←LIGHT’ Body” in the

⁴¹⁰ See conversation of July 25, 2006, concerning the “‘CELESTIAL’ Language” and the language of human creatures and their limitations, Aristide with the Archangel MICHAEL.

“‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” with a capability that “replicates” the process through which “THE DIVINE FORCE” manifests into existence the products that are associated with “THE WORD OF THE DIVINE”.

Through this capability, the “WORDS” spoken out by the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, and which will be truly the results of the workflow of “specific processes” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed, applied to “ENERGY DESIGNS” produced by “THE SEAT OF THE INTELLECT” within the “Specific Energy ‘SPIRIT’ Substance” constituent of the “‘SPIRIT←LIGHT’ Body” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, will “take body” (literally), in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain” in which the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” will be produced into existence.

The end structures through which such shapes will proceed forward into existence, in the “Specific Energy ‘EARTHLY’ Substance” constituents of the “Specific Energy ‘EARTHLY’ Domain” in which the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” will be produced into existence, are specialized structures which “THE DIVINE ARCHITECT AND PROJECT MASTER” has endowed the “Specific ‘EARTHLY’ Garment” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, and which will be built from layers of “Specific Atomic ‘EARTHLY’ Substances” and as parts of this “Specific ‘EARTHLY’ Garment” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

These specialized structures will be the structures formed by the oral cavity and the structures that delimit it, and communicating with the respiratory tracts and contributing to the emission of the articulated voice, of the spoken “WORDS”.

Through these specialized structures, due to the properties of the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, and due to the presence of elements of “THE ‘LIGHT’ REASON”, which are also present in “THE ‘SPIRIT→LIGHT’ REASON” associated with the “‘SPIRIT←LIGHT’ Body”, it is so that internal “specific signals” or instructions emitted by “THE SEAT OF THE INTELLECT” within the “Specific Energy ‘SPIRIT’ Substance” constituent of the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, and which are “spiritual constructs”, will “take body” (literally) once they enter in contact with the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain” in which the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” will be produced into existence. These are the spoken “WORDS”

coming out of the end structure that will be called: the “MOUTH” of the “Specific ‘EARTHLY’ Garment” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.⁴¹¹

The contact of the result of this process, of production of spoken “WORDS”, with the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain” is always accompanied by a perceptible vibration of the “Specific Energy ‘EARTHLY’ Substance”, at the contact point. Those perceptible vibrations will be captured in various ways, as external input signals, by other specialized end structures, which “THE DIVINE ARCHITECT AND PROJECT MASTER” has also endowed this “Specific ‘EARTHLY’ Garment” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

Due to the properties of the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, once those “spiritual constructs” built and emitted by “THE SEAT OF THE INTELLECT” within the “Specific Energy ‘SPIRIT’ Substance” constituent of the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, have “taken body” in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, after a brief passage of time, they decay and decompose, loosing their structure, as they are transported by the movement of the “Specific Atomic ‘EARTHLY’ Substances” constituents of the “Specific Energy ‘EARTHLY’ Substance”.

In this movement, well-defined parameters, logical predicates, rules, and laws extend into the “Specific Energy ‘EARTHLY’ Substance”, and the forces generated

⁴¹¹ It is so that, when you, as human creature, speak and utter words through your “MOUTH”, you are in truth producing and giving “shape” to “spiritual constructs”. But your perceptions were damaged in the early days of your creation into existence, and thus, you cannot anymore clearly perceive those “spiritual constructs” manifested in the “Specific Energy ‘EARTHLY’ Substance” constituent of the world in which you are living. Think of the time when you speak in a cold surrounding what you see are the remnants of this process of production of spoken “WORDS”.

The “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” saw this capability for the first time, manifested in broad daylight through the first human creature who was called “ADAM” — the first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” having the “MALE” adjective — and who was also communicating with them by “telepathy” without using his “MOUTH”.

“THE DIVINE ARCHITECT AND PROJECT MASTER” did not endow “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” with such capabilities. These are parts of the things that “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” wanted to have and have caused you prejudice.

by the movement of the “Specific Atomic ‘EARTHLY’ Substances” and prevalent in this “Specific Energy ‘EARTHLY’ Substance”, will also exert their actions of “closure” on the bodies of these “spiritual constructs”. Thus, with this “closure” and the dissipation of these bodies of “spiritual constructs”, this “Specific Energy ‘EARTHLY’ Substance” will return to its original form.

This special property of temporal decay and decomposition, and many other properties, among which “ELECTRICITY”, of the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain” in which the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” will be produced into existence, will also be the object of tasks studies assigned to the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” after the announcement of the “Second Phase” of the implementation of “THE HOLY PROJECT” and before the actual implementation and production of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

It is so that, due to this special property of temporal decay and decomposition, any construct made of “Specific Atomic ‘EARTHLY’ Substances” constituents of the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, after an appropriate passage of time, will decay and decompose, losing its structure, as it is prone to the forces exerted by movement of the “Specific Atomic ‘EARTHLY’ Substances” constituents of the “Specific Energy ‘EARTHLY’ Substance”.

Conversely, it is so that, that which was not built with “Specific Atomic ‘EARTHLY’ Substances” constituents of the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, and hence is not part of this “Specific Energy ‘EARTHLY’ Substance”, cannot decay or decompose, or lose its structure, once it is placed inside this “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”. Only the “ONE” who assembled such structure can disintegrate it.

These properties for the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain” in which the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” will be produced into existence, are different from the properties of the “Specific Energy ‘EARTHLY’ Substance” constituent of each of the five others “Specific Energy ‘EARTHLY’ Habitation Domains” in the “SPECIFIC SUPREME CONFIGURATION” of seven “Specific Energy ‘EARTHLY’ Domains”.

Through other specialized structures, internal “specific signals” or instructions, “WORDS”, emitted by “THE SEAT OF THE INTELLECT” within the “Specific Energy ‘SPIRIT’ Substance” constituent of the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” can be transmitted in the form of “specific signals” (for example by the realization of specific expressions and gestures or audible sounds, etc...) to the non-spiritual “Specific ‘EARTHLY’ Environment” external and immediate around the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.⁴¹²

Among these others specialized structures that “THE DIVINE ARCHITECT AND PROJECT MASTER” has endowed the “Specific ‘EARTHLY’ Garment” are: the “Specific ‘EARTHLY’ Visual Structure”, “Specific ‘EARTHLY’ Auditory Structure”, and the “Specific ‘EARTHLY’ Olfaction Structure”.

It is the “Specific ‘EARTHLY’ Visual Structure” that will allow the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” to collect the luminous radiation emitted by various forms of “Specific Energy ‘EARTHLY’ Substances” present in the non-spiritual “Specific ‘EARTHLY’ Environment” external and immediate around the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” considered.

It is the “Specific ‘EARTHLY’ Auditory Structure” that will allow the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” to collect auditory signals emitted by the non-spiritual “Specific ‘EARTHLY’ Environment”, external and immediate, around it.

⁴¹² Later during the implementation of the “Second Phase” of “THE HOLY PROJECT”, the Archangel MICHAEL will use this knowledge and will divide the manifestation of the “‘EARTHLY’ Language”, and it was then, that this “‘EARTHLY’ Language” will be manifested differently according to different groups of “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

The “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, of whom the elements of “THE ‘SPIRIT→LIGHT’ REASON” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has restricted to “THE SEAT OF THE INTELLECT” will be clogged by the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, and who were already immersed in a state of “CHAOS”, contrary to the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”, even more will be divided between them to reflect these divisions that will occur in the manifestation of the “‘EARTHLY’ Language”.

Read more in the section concerning the details of annotations — Annotation on the division of the manifestation of the “‘EARTHLY’ Language”.

It is the “Specific ‘EARTHLY’ Olfaction Structure” that will allow the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” to collect the odorific aspect (odour) emitted by the non-spiritual “Specific ‘EARTHLY’ Environment”, external and immediate, around it.

“THE DIVINE ARCHITECT AND PROJECT MASTER” did not endow this “Specific ‘EARTHLY’ Garment” with a fixed shape. It is for the purpose to rectify the deficiency of “THE KNOWLEDGE OF THE DIVINE” that had taken place in “THE SEAT OF THE INTELLECT” in the “‘SPIRIT←SPIRIT’ Body” of “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” in the “Specific Energy ‘CELESTIAL’ Domain” inside the attribute “NON DIVINE”, that “THE DIVINE FORCE” will entrust them the particular task to choose a “Character” for oneself.

“THE DIVINE ARCHITECT AND PROJECT MASTER” has endowed the structures of the “Specific ‘EARTHLY’ Garment” with temporal growth processes to emulate at very low speed, the internal ability of metamorphosis that HE had endowed the “‘SPIRIT←SPIRIT’ Body” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” and which allows it to instantly change the shape or external appearance of its “Specific ‘CELESTIAL’ Garment” and take any other shape or external appearance.

Regardless of the temporal growth of the “Specific ‘EARTHLY’ Garment”, the “‘SPIRIT←LIGHT’ Body” will follow its own growth process as “THE DIVINE ARCHITECT AND PROJECT MASTER” has established it and the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” remains as such always identifiable.

“THE DIVINE ARCHITECT AND PROJECT MASTER” has endowed the “Specific ‘EARTHLY’ Garment” with a “Specific ‘EARTHLY’ Tactile Structure” (constituted by the organs of “touch”) allowing the prehension of the non-spiritual “Specific ‘EARTHLY’ Environment” immediate and around the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

Signals emitted by the non-spiritual “Specific ‘EARTHLY’ Environment” external and immediate around the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” are therefore collected differently on the basis of their properties, by these sensory organs.

It is so that, a same signal emitted by the non-spiritual “Specific ‘EARTHLY’ Environment” external and immediate around the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” can be collected by different structures of “Specific Atomic ‘EARTHLY’ Substances” constituents of the “Specific ‘EARTHLY’ Garment”.

The speed of reception and transmission of “specific signals” in the “Specific Atomic ‘EARTHLY’ Substances” and between the “Specific Atomic ‘EARTHLY’ Substances” constituents of all components of the “Specific ‘EARTHLY’ Garment” always determines the intensity and strength of the luminous radiation — the “EPHEMERAL GLOW ‘EARTHLY’” (also called “light”) — which will be emitted by this “Specific ‘EARTHLY’ Garment”. At this level of the “Specific ‘EARTHLY’ Garment”, this “EPHEMERAL GLOW ‘EARTHLY’” is also the result of internal luminescence processes taking place inside the “Specific ‘EARTHLY’ Garment” and the “‘SPIRIT←LIGHT’ Body” contained in the “Specific ‘EARTHLY’ Garment”.⁴¹³ This “EPHEMERAL GLOW ‘EARTHLY’”, however, is different from the “EPHEMERAL GLOW ‘CELESTIAL’” of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, due to the presence of the “Specific Energy ‘LIGHT’ Substance”, which is the manifestation of the metaphor of that “LIGHT”, which is the manifestation of the “LIGHT” of the “‘LIGHT’ Divine State”, which is the child of the attribute “GOD”, in the “‘SPIRIT←LIGHT’ Body” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

Therefore, this “Specific ‘EARTHLY’ Garment” must be “NOURISHED” properly to preserve its functioning and also to maintain a good speed of reception and transmission of “specific signals” in the “Specific Atomic ‘EARTHLY’ Substances” and between the “Specific Atomic ‘EARTHLY’ Substances” constituents of the “Specific ‘EARTHLY’ Garment”.

Whether the “Specific ‘EARTHLY’ Garment” is “awake” or “asleep”, the “specific work” accomplished by its “specific processes” does not stop, but it is accompanied by a change (decrease) more or less large of its “‘EARTHLY’ specific supply of subsistence”, depending upon whether some of its structures are “awake” or “asleep”.

This lack of “‘EARTHLY’ specific supply of subsistence” which ensues from the “specific work” accomplished by the “specific elementary processes”, is always necessary for the proper functioning of the “Specific ‘EARTHLY’ Garment”, and is

⁴¹³ As we have indicated in one previous annotation, you are already familiar with such internal luminescence processes, as such internal luminescence processes have also been expressed widely among animals, especially in the open sea, in marine vertebrates and invertebrates, as well as in some fungi, microorganisms including some bioluminescent bacteria and terrestrial arthropod such as fireflies. This internal luminescence process, which has been expressed on you, as a human creature, was damaged by the celestial creatures when they destroyed the first two human creatures. We will come to that destruction in the chapters below.

still called the “NEED” (or also the “DEFICIT”) of “‘EARTHLY’ specific supply of subsistence” from the “Specific ‘EARTHLY’ Garment”.

The “Specific ‘EARTHLY’ Garment” is in a “NEED” (or also a “DEFICIT”) of “‘EARTHLY’ specific supply of subsistence” when at least one of its constituent “Specific Atomic ‘EARTHLY’ Substance” is in a “NEED” (or also a “DEFICIT”) of “‘SPIRIT’ specific supply of subsistence”.

It is from these “Specific Atomic ‘EARTHLY’ Substances” which are in a “NEED” (or also a “DEFICIT”) of “‘EARTHLY’ specific supply of subsistence” that one defines the type of non-spiritual “NEED” (or also a “DEFICIT”) that the “Specific ‘EARTHLY’ Garment” will express.

The “‘EARTHLY’ specific supply of subsistence” of the “Specific ‘EARTHLY’ Garment” is not eternal in this “Specific ‘EARTHLY’ Garment”, because this “Specific ‘EARTHLY’ Garment” is attached to the attribute “NON DIVINE”.

It is so that, this “‘EARTHLY’ specific supply of subsistence” exhausts in this “Specific ‘EARTHLY’ Garment” depending upon the work accomplished by the “specific processes” of the “Specific ‘EARTHLY’ Garment” and within the temporal limits that “THE DIVINE ARCHITECT AND PROJECT MASTER” has established for it.

However, “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed the “‘EARTHLY’ specific supply of subsistence” of the “Specific ‘EARTHLY’ Garment” so that it can be renewed.

“THE DIVINE ARCHITECT AND PROJECT MASTER” has also endowed this “Specific ‘EARTHLY’ Garment” with structures whose role is to ensure, subsequently to an instruction emitted by the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, the renewal of the “‘EARTHLY’ specific supply of subsistence” of the “Specific ‘EARTHLY’ Garment”.

This renewal of the “‘EARTHLY’ specific supply of subsistence” will occur by ingestion and the transformation of particular forms of the “Specific Energy ‘EARTHLY’ Substance” present in the “Specific ‘EARTHLY’ Environment” external and immediate around the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

These forms of the “Specific Energy ‘EARTHLY’ Substance” may be among others, “‘EARTHLY’ Food” such as “fruits” produce by the “Vegetal ‘EARTHLY’ Creatures” into existence in the “Specific Energy ‘EARTHLY’ Domain”.

It is so that, as “THE DIVINE ARCHITECT AND PROJECT MASTER” has established it from “THE DIVINE SUPREME CONFIGURATION” of seven

“Divine Particles”, the “Specific ‘EARTHLY’ Garment” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” was supposed to be fed by the consumption of only products of “Vegetal ‘EARTHLY’ Creatures” and which represent manifestations of the products that are consumed in “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” and to which “THE DIVINE” has chosen to add a unique purpose without adding a provision of “THE INTELLECT OF THE DIVINE”, also without adding a provision of “THE DIVINE FORCE”.

Ingestion and transformation of these forms of the “Specific Energy ‘EARTHLY’ Substance” are intended to:

1. Extract the “‘EARTHLY’ specific supply of subsistence” and the nutrients needed to maintain the proper functioning of the “Specific ‘EARTHLY’ Garment”, and;
2. Evacuate out of the “Specific ‘EARTHLY’ Garment” and in the “Specific ‘EARTHLY’ Environment”, the residues at the end of the transit of transformation.

The “‘EARTHLY’ specific supply of subsistence” and nutrients extracted during the transit of transformation are transported by other layers of much more lightweight “Specific Atomic ‘EARTHLY’ Substances”, which are known as the “Specific ‘EARTHLY’ Blood” or simply the “blood”, and transmitted to the “Specific Atomic ‘EARTHLY’ Substances” constituents of the “Specific ‘EARTHLY’ Garment”. These lightweight “Specific Atomic ‘EARTHLY’ Substances”, which are known as the “Specific ‘EARTHLY’ Blood” or simply the “blood”, are a manifestation by metaphor of the refined energy flow, which is present in the “Divine Septenary Equilibrium Zone” in “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”.

“THE DIVINE ARCHITECT AND PROJECT MASTER” has endowed the “Specific ‘EARTHLY’ Garment” with the capacity to regenerate following ingestion and the digestion of “‘EARTHLY’ Food” and in so doing:

1. To increase the speed of reception and transmission of “specific signals” in the “Specific Atomic ‘EARTHLY’ Substances” and between the “Specific Atomic ‘EARTHLY’ Substances” constituents of all structures of the “Specific ‘EARTHLY’ Garment” and;
2. To grow according to “specific processes”, as it was designed from a “Specific Atomic ‘SPIRIT’ Substance”.

Simultaneously to the absorption of “‘EARTHLY’ specific supply of subsistence” and of nutrients extracted during transit processing of these forms of the “Specific Energy ‘EARTHLY’ Substance” present in the “Specific ‘EARTHLY’ Environment”, the “Specific ‘EARTHLY’ Garment” is also nourished by “THE SPECIFIC SPIRITUAL FORCE OF LIFE” through its degree of presence in the “Specific ‘SPIRITUAL’ Environment” external and immediate around the “Specific ‘EARTHLY’ Garment”, and as a result of the execution of the three osmoses that ensue from the start-up of the “Causal Precedence Relation of ‘THE PRAISE’”, between “The ALTAR of ‘THE DIVINE’” in this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model and towards any manifestation into existence in the attribute “NON DIVINE” of a metaphor of the “INDISTINCT DIVINE FORM” which is in the “‘LIGHT→GOD’ Specific State” and will be closest to it.

It is so that, through this ingestion and transformation of these forms of the “Specific Energy ‘EARTHLY’ Substance”, “THE DIVINE ARCHITECT AND PROJECT MASTER” has also, in fact, endowed this “Specific ‘EARTHLY’ Garment” with the capacity to synthesize various forms of “Specific Atomic ‘EARTHLY’ Substances” constituents of the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”.

This “Specific ‘EARTHLY’ Garment”, which is, as such, a tilled delineated part of the “Specific Energy ‘EARTHLY’ Substance”, is thus reminiscent of the “Vegetal ‘EARTHLY’ Creature”.

In much the same as all manifestations of the “Vegetal ‘EARTHLY’ Creature” model will be “INDISTINCT FORMS OF THE SPECIFIC ENERGY ‘EARTHLY’ SUBSTANCE” having their attachments in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, so it was designed and lined up to be for all manifestation of this “Specific ‘EARTHLY’ Garment”.

Whereas the “Glory” of the “Specific Generative Energy ‘EARTHLY’ Domain”, which pours on the first “Specific Energy ‘EARTHLY’ Habitation Domain”, will contribute to the wellness of the all “Vegetal ‘EARTHLY’ Creatures” and all manifestation of this “Specific ‘EARTHLY’ Garment”, it will be, however, “THE DIVINE WISDOM” — “THE TRUTH SUN” — who will contribute to the wellness of the plant of “THE KNOWLEDGE OF THE DIVINE”, the seed of which will be placed deep inside the “‘SPIRIT←LIGHT’ Body” dressed with this “Specific ‘EARTHLY’ Garment”.

As such, any manifestation, which is product of the “SPIRIT←LIGHT” ‘EARTHLY’ Creature” model, into existence, in the attribute “NON DIVINE”, will also be reminiscent of a plant which is hidden inside a plant, and which will be the result of growth of a seed of “THE KNOWLEDGE OF THE DIVINE”, planted in a tilled delineated part of the “Specific Energy ‘EARTHLY’ Substance”.

All possible instructions that the “Specific ‘EARTHLY’ Garment” can execute and make manifest in the non-spiritual “Specific ‘EARTHLY’ Environment” external and immediate around the “SPIRIT←LIGHT” ‘EARTHLY’ Creature” have been designed by “THE DIVINE ARCHITECT AND PROJECT MASTER” and will be placed in “THE SEAT OF THE INTELLECT” in the “Specific Energy ‘SPIRIT’ Substance” constituent of the “SPIRIT←LIGHT” Body” in the “SPIRIT←LIGHT” ‘EARTHLY’ Creature” by “THE DIVINE FORCE”.

“THE DIVINE ARCHITECT AND PROJECT MASTER” DID NOT ENDOWED the “Specific ‘EARTHLY’ Garment” with capacities which will allow it: to memorize and grow in the knowledge; to think, to reason, to “MAKE DECISIONS” — that is mark a separation between a course of action and its alternative, then, choose and accept by itself one of these two possibilities: the course of action or the alternative to the course of action — to acquire intelligence and to develop it throughout its existence.

Therefore, this capacity of the “Specific ‘EARTHLY’ Garment” to receive and execute instructions, which will be issued by the “SPIRIT←LIGHT” Body” in the “SPIRIT←LIGHT” ‘EARTHLY’ Creature”, is not autonomous to the “Specific ‘EARTHLY’ Garment”; that is, the “Specific ‘EARTHLY’ Garment” of the “SPIRIT←LIGHT” ‘EARTHLY’ Creature” model cannot decide by itself to execute or not the instructions that it receives from “THE SEAT OF THE INTELLECT” in the “Specific Energy ‘SPIRIT’ Substance” constituent of the “SPIRIT←LIGHT” Body” in the “SPIRIT←LIGHT” ‘EARTHLY’ Creature”.

It is so that, the “Specific ‘EARTHLY’ Garment” communicates through the “Specific ‘EARTHLY←SPIRITUAL’ Frontier” only with the “Specific Energy ‘SPIRIT’ Substance” constituent of the “SPIRIT←LIGHT” Body” in the “SPIRIT←LIGHT” ‘EARTHLY’ Creature” through the sending and the reception of “specific signals”, as “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed them.

In the event that this “Specific ‘EARTHLY←SPIRITUAL’ Frontier” is blocked for whatever motives, then, the “Specific ‘EARTHLY’ Garment” will not function as it should.⁴¹⁴

In this “Specific ‘EARTHLY’ Garment”, “THE DIVINE ARCHITECT AND PROJECT MASTER” has also established the core inheritance qualities which will be transmitted from offspring in descent through the same recursive transformations that HE has established and manifested, through the

ספר
הארץ
העליונה

⁴¹⁴ The “ADONA’IM” will understand this from the teachings that they will receive from “THE DIVINE FORCE” through the ordinances of the “specific spiritual formation” of “THE CHURCH” from “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’”.

It is so that, covered by this “HUBRIS Spiritual Veil”, and in the logic distorted by the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, they will set up their “nefarious and despicable shadow scheming” in order to hijack this “Specific ‘EARTHLY←SPIRITUAL’ Frontier” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, unbeknownst to them, and will let them carry out their wishes as “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”.

The “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” will succeed to clog the elements of “THE ‘SPIRIT→LIGHT’ REASON” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has restricted “THE SEAT OF THE INTELLECT” within the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

It is so that, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” will make of “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” their own puppets, to the detriment of “THE DIVINE”, IHVH, our FATHER who had Himself chosen to manifest a unique living expression of “THE UNION” on the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” and not on the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”.

This “Specific ‘EARTHLY←SPIRITUAL’ Frontier” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” also will be clogged by the consumption of products that the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” will impose on “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”; Those imposed products that are other than the products of “Vegetal ‘EARTHLY’ Creatures” that “THE DIVINE ARCHITECT AND PROJECT MASTER” had intended for all the creatures of “THE DIVINE”.

Read more in the section concerning the details of annotations — Annotation on the products consumed by the “Specific ‘EARTHLY’ Garment” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

“‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model.⁴¹⁵

These core inheritance qualities which predetermine precise features of the “Specific ‘EARTHLY’ Garment” are at the core of that, which will be called: the “GENES” of the “Specific ‘EARTHLY’ Garment”; they will be analogues of the “GENES” of the “‘SPIRIT←LIGHT’ Body”, which we have already mentioned in the previous section.

Just as “THE DIVINE ARCHITECT AND PROJECT MASTER” has defined a concrete image of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, on the transmission of “GENES” of the “‘SPIRIT←LIGHT’ Body” of a “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” to its descendant, HE has also defined such concrete image of “THE DIVINE SUPREME CONFIGURATION” of seven

⁴¹⁵ It is so that, in their “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, and representing themselves to be gods, using these knowledge that the elders of the creation had received from “THE DIVINE FORCE” who considered all of them as Her “CHILDREN”, these elders of the creation will decide otherwise.

In their “nefarious and despicable shadow scheming”, they will plan the destruction of the first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” having the “MALE” adjective and also the destruction of the first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” having the “FEMALE” adjective, and through these consecutive transformations, it will be the destruction of entire “THE EARTHLY HOST” that will ensues.

Although the elders of the creation had no knowledge of the existence of the “‘SPIRIT←LIGHT’ Body”, they knew however that the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” would be somehow, a unique living expression of “THE UNION”, and it is the destruction of that expression they will plan.

The seed of “DEATH”, which is the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” and, that the elders of the creation will sow in the first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” having the “MALE” adjective and also the first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” having the “FEMALE” adjective, will propagate through these recursive transformations; because it is in fact in their original “‘SPIRIT←LIGHT’ Body” that this seed of “DEATH” will be sowed.

It is so that, the elders of the creation had planned to maintain forever this seed of “DEATH” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”. This is why it is said of “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” that were born afterwards that they carry with them the original “SIN”, that “NON DIVINE” external force which acts opposite to “THE SPECIFIC SPIRITUAL FORCE OF LIFE”. We will come to that deception of original “SIN” in another chapter below.

“Divine Particles”, on the transmission of “GENES” of the “Specific ‘EARTHLY’ Garment” of a “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” to its descendant.

In synchronisation with the “‘SPIRIT←LIGHT’ Body”, it is also so that:

1. From a first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, some of the “GENES” of the “Specific ‘EARTHLY’ Garment” of this first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” will be transmitted to a second “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” descendant of the first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, and following an expression of the “Causal Precedence Relation of ‘THE CREATION’”.
2. From this second “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, the “GENES” of the “Specific ‘EARTHLY’ Garment” inherited from the first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” will be transmitted to a third “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” descendant of the second “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, and following an expression of the “Causal Precedence Relation of ‘THE CREATION’”.
3. From this third “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, the “GENES” of the “Specific ‘EARTHLY’ Garment” inherited from the first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” will be transmitted to a fourth “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” descendant of the third “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, and following an expression of the “Causal Precedence Relation of ‘THE CREATION’”.
4. From this fourth “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, the “GENES” of the “Specific ‘EARTHLY’ Garment” inherited from the first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” will be transmitted to a fifth “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” descendant of the fourth “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, and following an expression of the “Causal Precedence Relation of ‘THE CREATION’”.
5. From this fifth “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, the “GENES” of the “Specific ‘EARTHLY’ Garment” inherited from the first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” will be transmitted to a sixth “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” descendant of the fifth “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, and following an expression of the “Causal Precedence Relation of ‘THE CREATION’”.
6. From this sixth “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, the “GENES” of the “Specific ‘EARTHLY’ Garment” inherited from the first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” will be turned to zero on the

seventh “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” descendant of the sixth “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, and following an expression of the “Causal Precedence Relation of ‘THE CREATION’”.

7. From this seventh “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” descendant of the sixth “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, the “GENES” of the “Specific ‘EARTHLY’ Garment” of the sixth “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” that have been inherited from the first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” would have been nullified to give place to new “GENES” of the “Specific ‘EARTHLY’ Garment” on the seventh “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, and following an expression of the “Causal Precedence Relation of ‘THE CREATION’”.

Once those selected “GENES” of the “Specific ‘EARTHLY’ Garment” of origin of the first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, that were transmitted, have been turned to zero on the seventh “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” through consecutive descendants, new “GENES” of the “Specific ‘EARTHLY’ Garment” will make their appearance, as “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed it and the cycle will continue, describing as such a concrete image of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, on the transmission of “GENES” of the “Specific ‘EARTHLY’ Garment”.

The “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” is in the “‘SPIRIT→LIGHT’ Specific State”, a unique expression in the attribute “NON DIVINE” of a metaphor of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”. The “primary transformation”, the “secondary transformation”, the “tertiary transformation”, the “quaternary transformation”, the “quinary transformation”, the “senary transformation”, and the “‘end of cycle’ transformation” will occur in the “Specific Energy ‘SPIRIT’ Substance” constituent of this “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

It is so that, the “Specific Atomic ‘SPIRIT’ Substances” constituents of this “Specific Energy ‘SPIRIT’ Substance” will automatically regenerate during the course of the “‘end of cycle’ transformation” and following the “specific processes” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has established.

By synchronization of the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” with the “Specific ‘EARTHLY’ Garment” of the

“‘SPIRIT←LIGHT’ Body”, “THE DIVINE ARCHITECT AND PROJECT MASTER” has also expressed the “primary transformation”, the “secondary transformation”, the “tertiary transformation”, the “quaternary transformation”, the “quinary transformation”, the “senary transformation”, and the “‘end of cycle’ transformation” through this “Specific ‘EARTHLY’ Garment”.

It is so that, the “Specific Atomic ‘EARTHLY’ Substances” constituents of this “Specific ‘EARTHLY’ Garment” will also automatically regenerate at different scales during the course of the “‘end of cycle’ transformation” (that is, at the seventh “transformation step”) and following the “specific processes” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has established.

As “THE DIVINE ARCHITECT AND PROJECT MASTER” has established it, this “Specific ‘EARTHLY’ Garment” will be the same for all the instances that will offspring from the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model.

Although these offspring instances are independent of each other, they will wear this unique “Specific ‘EARTHLY’ Garment” which will be carved from the same “Specific Energy ‘EARTHLY’ Substance” so that no one rises above the others and that all “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” represent the manifestation of the metaphor of the “SPIRIT→LIGHT” transition component in the Monad of Origin; dwelling in the same “Specific Energy ‘EARTHLY’ Habitation Domain” in the “Plane Below” in the attribute “NON DIVINE”, and so that, from the very depths of their “‘SPIRIT←LIGHT’ Body”, by performing the tasks which will be entrusted to them, the signs of unity and “THE KNOWLEDGE OF THE DIVINE” can also be made manifest in the “‘SPIRIT→LIGHT’ Specific State”.

It is so that, “THE DIVINE”, IHVH, our FATHER, chose to share knowledge about “THE DIVINE DOMAIN” and its “SUPREME STATE OF EQUILIBRIUM”, its “SUPREME STATE OF HARMONY”, arising from “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”. Each delineated part of “THE DIVINE” (wherever in “THE DIVINE DOMAIN”, as “DIVINE SUBSTANCE” unlimited and constituent of “THE DIVINE DOMAIN”), each “INDISTINCT DIVINE FORM”, regardless of the “DIVINE PRIMARY WEALTH” it represents, and as countless as they are, is conscious and living by itself, reflected into itself and is at the same time “THE DIVINE”: “THE SUPREME STATE OF EQUILIBRIUM OF HARMONY”. And it is thus that “THE DIVINE” chose to share so many aspects of Himself, in the “‘SPIRIT→LIGHT’ Divine State”, with the attribute “NON DIVINE”.

This “Specific ‘EARTHLY’ Garment” of the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model is driven through synchronization by the “‘SPIRIT←LIGHT’ Body” which it covers, and “THE DIVINE ARCHITECT AND PROJECT MASTER” has established fixed dimensions and functional particulars that HE has assigned to this “‘SPIRIT←LIGHT’ Body” so that it performs its due relevant role.

These dimensions as well as the functional particulars are fixed, and this “‘SPIRIT←LIGHT’ Body” as seen by “THE EYE OF THE DIVINE”, is similar to a drop of energy in the entire “Specific Energy ‘EARTHLY’ Substance”, and having two components: a first component in the “‘SPIRIT’ Specific State” and containing in it a second component in the “‘LIGHT’ Specific State”.

These dimensions are the same and will not vary from one “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” to another “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

As we have already indicated, for this “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, “THE DIVINE ARCHITECT AND PROJECT MASTER” has established the same fixed dimensions and functional particulars as those of the “‘SPIRIT←SPIRIT’ Body” in the “‘PRINCIPAL’ instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, so that it performs its due relevant role.⁴¹⁶

Whereas, the dimensions and the functional particulars of the “Specific ‘EARTHLY’ Garment” will not be fixed and they will vary from one “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” to another “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

Regardless of the appearance, regardless of the shape taken by the “Specific ‘EARTHLY’ Garment”, it remains an external “Specific Energy ‘EARTHLY’ Envelope” whose purpose is to cover the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.⁴¹⁷

⁴¹⁶ Having none of this knowledge and covered by this “HUBRIS Spiritual Veil”, and in the logic distorted by the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, will subsequently declare themselves to be more important and above their following, the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

⁴¹⁷ The bee is least among winged creatures, but it reaps the choicest of harvests.

It is always the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” and also the “‘SPIRIT←SPIRIT’ Body” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”,

It is the “‘SPIRIT←LIGHT’ Body” that will be contained in the “Specific ‘EARTHLY’ Garment”, in this model of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, which will enliven the “Specific ‘EARTHLY’ Garment”. Without this “‘SPIRIT←LIGHT’ Body”, the “Specific ‘EARTHLY’ Garment” is only a lifeless sculpture in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”.

“THE DIVINE ARCHITECT AND PROJECT MASTER” has NOT ENDOWED the “Specific ‘EARTHLY’ Garment” with a “perdurable youth” condition; that is to say, with “specific processes” through which the “Specific ‘EARTHLY’ Garment” will undergo “rejuvenation” in its totality immediately at the completion of a specified cycle of years into existence, as it is the case with the “Specific ‘CELESTIAL’ Garment”, which undergoes “rejuvenation” in its totality immediately at the completion of “30 years” into existence. Instead of the “perdurable youth” condition, “THE DIVINE ARCHITECT AND PROJECT MASTER” had conceived something else for the “‘SPIRIT←LIGHT’ Body” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

that one must always look at and discern. They are structured in the same way, and the difference is established by the elements of “THE ‘SPIRIT→LIGHT’ REASON” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has restricted “THE SEAT OF THE INTELLECT” and by the “Specific Energy ‘LIGHT’ Substance” that are present within the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” and that are not present in the “‘SPIRIT←SPIRIT’ Body” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”.

The “high density” “specific non-spiritual coating” that has been used for the “Specific Elementary ‘EARTHLY’ Particle” which is at the origin of the “Specific Atomic ‘EARTHLY’ Substances” from which the “Specific ‘EARTHLY’ Garment” will be built, is the motive why the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” wearing this heavy “Specific ‘EARTHLY’ Garment” cannot move as quickly as “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” wearing a very light “Specific ‘CELESTIAL’ Garment” and which has been built from “Specific Atomic ‘CELESTIAL’ Substances” originating from the “Specific Elementary ‘CELESTIAL’ Particle” having a “low density” “specific non-spiritual coating”.

He who brags and seeks to impress others by the appearance of the clothing he wears, whether the “Specific ‘EARTHLY’ Garment” for the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” or the “Specific ‘CELESTIAL’ Garment” for “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, is stupid. He who let himself be impressed is twice as stupid.

Because it is only by growing in “THE KNOWLEDGE OF THE DIVINE” that the creatures are called to take part in the manifestations of metaphors of the indescribable joy, the ineffable gladness, and immeasurable state of equilibrium that “THE DIVINE”, IHVH, our FATHER has chosen to share with the attribute “NON DIVINE”.

As “THE DIVINE ARCHITECT AND PROJECT MASTER” has intended it, this “Specific ‘EARTHLY’ Garment” will also be alive and will grow to maturity with the passage of time, synchronously with the “‘SPIRIT←LIGHT’ Body” which it covers, until it reaches the limit of maximum maturity that “THE DIVINE ARCHITECT AND PROJECT MASTER” has established.

At attainment of this limit of maximum maturity, a unique and fantastic special event that “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed and established in the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” will occur: the “Specific ‘EARTHLY’ Garment” will let out the “‘SPIRIT←LIGHT’ Body”.⁴¹⁸

Once out of the “Specific ‘EARTHLY’ Garment”, the “‘SPIRIT←LIGHT’ Body” will then, rise out of the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain” heading towards the “Cardinal Point” of the “Specific Generative Energy ‘EARTHLY’ Domain” in the unique “SPECIFIC SUPREME CONFIGURATION” of the “Specific Generative Energy ‘EARTHLY’ Domain” and the six “Specific Formative Energy ‘EARTHLY’ Domains”; that is, towards the “Specific Energy ‘CELESTIAL’ Domain”.

As “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed and established it in the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, while rising towards the “Specific Energy ‘CELESTIAL’ Domain”, this “‘SPIRIT←LIGHT’ Body” will undergo a “specific transformation”, covering itself with a new perdurable “Specific ‘SPIRITUAL’ Garment”, and “THE SOUL” — “The ALTAR of ‘THE DIVINE’” consolidated inside of this “‘SPIRIT←LIGHT’ Body” — will also transform, taking in passing all knowledge and many features that are stored in “THE SEAT OF THE

⁴¹⁸ Just like what you see from flowering plants and about which CHRIST, when he lived on Earth down here, had explained by also using the parable of the growing seed when HE said, using by analogy, the terms of things that humans are familiar with, so that they can develop their understanding of the Project of “THE DIVINE”, IHVH, our FATHER:

“...

The “Kingdom of God” is like a field where a Man casts seed into the ground; whether it is asleep or awoken, night and day, the seed sprouts and grows without it being known how.

The earth produces by itself, first the herb, then, the cob, finally the flower formed in the cob; and when the flower is ripe, at once the sickle is used, because the harvest has come.

...”

INTELLECT” in the “Specific Energy’SPIRIT’ Substance” constituent of this “‘SPIRIT←LIGHT’ Body”, and in particular the “Specific ‘SPIRIT←LIGHT’ Nature” (or simply, the “nature”) that has emerged of the “‘SPIRIT←LIGHT’ Body”, to produce a new “‘SPIRIT←LIGHT’ ‘SPIRITUAL’ Creature”.⁴¹⁹

The “Specific ‘SPIRIT←LIGHT’ Nature” (or simply, the “nature”) that has emerged of the “‘SPIRIT←LIGHT’ Body”, is defined by the set of all the earthly truths that are in the “‘SPIRIT←LIGHT’ Body” and that define the personality of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” from the perspective of intellectual growth in “THE KNOWLEDGE OF THE DIVINE” and his affective and emotional growth in “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”.

It is this new “‘SPIRIT←LIGHT’ ‘SPIRITUAL’ Creature”, born of “THE SOUL”, that will:

1. “CARRY THE PRESENCE OF ‘THE SHEKINAH’ — THE PURE LIGHT OF ‘THE ALTAR OF THE DIVINE’ WHICH IS INSIDE ‘THE SHEKINAH’, AND WHICH IS SOURCE OF LIFE PURE AND HOLY — IN VERY REMOTE PLACES FROM ‘THE SHEKINAH’”; and
2. Live with the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” in any place inside the “MURKY VOID” and that “THE DIVINE”, IHVH, our FATHER would have chosen to implement particular projects.

From eternity, before the creation of the attribute “NON DIVINE”, “THE DIVINE ARCHITECT AND PROJECT MASTER” had designed the “‘SPIRIT←LIGHT’ ‘SPIRITUAL’ Creature” model that “THE DIVINE FORCE” will make manifest⁴²⁰

⁴¹⁹ See vision of November 05, 2006.

⁴²⁰ It is for the purpose to lead human creatures to understand this, that Solomon, when “THE DIVINE WISDOM” walked with him and told him who SHE was, and under the inspiration of “THE DIVINE WISDOM”, had described her by saying:

“...

WISDOM has built Her house; She has hewn Her seven pillars, She has slaughtered Her beasts; She has mixed Her wine; She has also set Her table.

She has sent out Her maids to shout Her invitation on the heights of the city: “Whoever is simple, let him come in here!”

To him who lacks sense she says: “Come, eat of my bread and drink of the wine I have mixed. Leave silliness, and live! Then, walk in the way of intelligence.”

...”

in the “Specific ‘SPIRITUAL’ Environment”, from a transformation of “THE SOUL” — “The ALTAR of ‘THE DIVINE’” consolidated inside of this “‘SPIRIT←LIGHT’ Body” — of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, following the “Specific Energy ‘SPIRIT←LIGHT’ Bridge” model of the “Specific ‘SPIRITUAL’ Environment”, from the “Specific Elementary ‘LIGHT’ Particle”, from the “Specific Elementary ‘SPIRIT’ Particle”, and from the “Specific Elementary ‘SPIRITUAL’ Particle”.

This “‘SPIRIT←LIGHT’ ‘SPIRITUAL’ Creature” model is still an expression, in the attribute “NON DIVINE”, of the metaphor of “THE ‘SPIRIT←LIGHT’ EON” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has identified within “THE DIVINE DOMAIN”, covered and protected by a spiritual membrane through which the “Causal Precedence Relation of ‘THE PRAISE’” will be established.

This new “‘SPIRIT←LIGHT’ ‘SPIRITUAL’ Creature”, born of “THE SOUL”, is a structure formed by:

1. A new “Specific Energy ‘LIGHT’ Substance” originating from the transformation of “The ALTAR of ‘THE DIVINE’” that was placed inside of the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘SPIRITUAL’ Creature” at the origin of this “‘SPIRIT←LIGHT’ ‘SPIRITUAL’ Creature”.

This new “Specific Energy ‘LIGHT’ Substance” will define “The ALTAR of ‘THE DIVINE’” inside this new “‘SPIRIT←LIGHT’ ‘SPIRITUAL’ Creature”.

2. A new “Specific Energy ‘SPIRIT’ Substance” built from “Specific Atomic ‘SPIRIT’ Substances”. This “Specific Energy ‘SPIRIT’ Substance” does not by itself produce “‘SPIRIT’ specific supply of subsistence”.

It will contain, through “THE SEAT OF THE INTELLECT”, all the information and knowledge that had “THE SEAT OF THE INTELLECT” in the “Specific Energy ‘SPIRIT’ Substance” of the “‘SPIRIT←LIGHT’ ‘SPIRITUAL’ Creature” at the origin of this “‘SPIRIT←LIGHT’ ‘SPIRITUAL’ Creature”.

Read more in the section concerning the details of annotations — Annotation on the invitation of “THE DIVINE WISDOM”.

In addition, “THE ‘SPIRIT→LIGHT’ REASON” of this “‘SPIRIT←LIGHT’ ‘SPIRITUAL’ Creature” will be extended on “THE ‘SPIRIT’ REASON” and also a part of “THE ‘LIGHT’ REASON”.

This new “Specific Energy ‘SPIRIT’ Substance” is in turn entirely covered by:

3. An external “Specific Energy ‘SPIRITUAL’ Envelope” built from “Specific Atomic ‘SPIRITUAL’ Substances”, themselves constructed from the “Specific Elementary ‘SPIRITUAL’ Particle” covered with a “low density” “specific ‘SPIRITUAL’ coating” similar to the “low density” “specific ‘CELESTIAL’ coating”.⁴²¹ This external “Specific Energy ‘SPIRITUAL’ Envelope” is perdurable.

⁴²¹ It is for the purpose to lead human creatures to understand and bring them to develop their capacity for discernment that CHRIST had told them the parable about the old and the new suit, and the new wine, saying:

“...

Can the wedding guests mourn as long as the bridegroom is with them? The days will come when the bridegroom is taken away from them, and then, they will fast.

No one puts a piece of new cloth on an old garment, for the patch tears away from the garment, and a worse tear is made.

Neither is new wine put into old wineskins. Otherwise, the skins burst and the wine is spilled and the skins are destroyed. But new wine is put into fresh wineskins, and so both are preserved.

...”

For the meaning of the wedding, and the bridegroom, read more in the section concerning the details of the annotation — Annotation on the parable of the Wedding Feast.

The “*old garment*” refers to the “Specific ‘EARTHLY’ Garment” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”. The “*old wineskins*” refers to the “‘SPIRIT←LIGHT’ Body” contained in the “Specific ‘EARTHLY’ Garment” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

The “*new cloth*” refers to the new “Specific Energy ‘SPIRITUAL’ Envelope” of the “‘SPIRIT←LIGHT’ ‘SPIRITUAL’ Creature”. The “*fresh wineskins*” refers to the “‘SPIRIT←LIGHT’ Body” contained in the new “Specific Energy ‘SPIRITUAL’ Envelope” of the “‘SPIRIT←LIGHT’ ‘SPIRITUAL’ Creature”.

The “*new wine*” refers to the new “KNOWLEDGE OF THE DIVINE” that ensues from “THE ‘SPIRIT→LIGHT’ REASON” of this “‘SPIRIT←LIGHT’ ‘SPIRITUAL’ Creature”

This transformation of “THE SOUL” — “The ALTAR of ‘THE DIVINE’” consolidated inside of this “‘SPIRIT←LIGHT’ Body” — in a new “‘SPIRIT←LIGHT’ ‘SPIRITUAL’ Creature” is a manifestation of the metaphor of the creation of particular “Divine Particles” through “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” and of which we have mentioned already in a section above.

“THE DIVINE FORCE” had not disclosed this knowledge to the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and not even to the Archangel MICHAEL.⁴²²

When the “Specific ‘EARTHLY’ Garment” will let out the “‘SPIRIT←LIGHT’ Body”, the “Specific ‘EARTHLY’ Garment” itself will remain in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”.

Not been enliven anymore by the “‘SPIRIT←LIGHT’ Body”, therefore the decomposition process of this “Specific ‘EARTHLY’ Garment” in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain” will accelerate and its structure will break down

which has been extended on “THE ‘SPIRIT’ REASON” and also a part of “THE ‘LIGHT’ REASON”.

⁴²² When in their “HUBRIS Spiritual Veil”, and in the logic distorted by the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” that “THE DIVINE”, IHVH, our FATHER had expressed on each of them, the Archangel MICHAEL and the others “ADONA’IM” will premeditate the destruction of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, they took the “Subjective ‘EARTHLY’ Garment” as the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” and they had no knowledge of the existence of the “‘SPIRIT←LIGHT’ Body” which was contained in the “Subjective ‘EARTHLY’ Garment”. They will all discover it with the first manifestation of the “Subjective Death”, that of the “Subjective ‘EARTHLY’ Garment” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” who was called: “ABEL”, and meaning “BREATH”, because when he came into existence from the womb, he was gasping for air.

This unique and fantastic special event through which the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” were to understand a little more the nature of “THE DIVINE”, IHVH, our FATHER, became an unfortunate event for the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, and called: “Subjective Death”, that of the “Subjective ‘EARTHLY’ Garment” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”. We shall explain in a following section, where does this “Subjective Death” come from.

with the passage of time into its constituents “Specific Atomic ‘EARTHLY’ Substances”, thus losing their cohesion.⁴²³

⁴²³ During the course of the implementation of the “Second Phase” of “THE HOLY PROJECT”, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, elders of the creation, in their “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” that “THE DIVINE”, IHVH, our FATHER had expressed on each of them, will then, take themselves to be the “gods” and “deities”, and will destroy the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” as they had premeditated it to the detriment of “THE DIVINE”, IHVH, our FATHER.

Therefore, when this unique special and fantastic event that “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed and established in the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” will occur, it will produce a more or less defective “‘SPIRIT←LIGHT’ ‘SPIRITUAL’ Creature”, and the most defective are unable to “CARRY THE PRESENCE OF ‘THE DIVINE’” in any place whatsoever.

As we have indicated, that which was not built with “Specific Atomic ‘EARTHLY’ Substances” constituents of the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, and hence is not part of this “Specific Energy ‘EARTHLY’ Substance”, cannot decay or decompose, or lose its structure, once it is placed inside this “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”. Only the “ONE” who assembled such structure can disintegrate it.

It is so that, appeared the need to gather and put in some places, other than the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, all those defective “‘SPIRIT←LIGHT’ ‘SPIRITUAL’ Creatures” that are of no use.

Therefore, “THE DIVINE”, IHVH, our FATHER had decided to stop the work that “THE DIVINE ARCHITECT AND PROJECT MASTER” had intended for the implementation of the five others “Specific Energy ‘EARTHLY’ Habitation Domain”, and save what could still be saved from the first “Specific Energy ‘EARTHLY’ Habitation Domain”.

The work of implementation of the five others “Specific Energy ‘EARTHLY’ Habitation Domain” will not go through their completion and these five “Specific Energy ‘EARTHLY’ Habitation Domain” will remain unfinished. It is in these unfinished “Specific Energy ‘EARTHLY’ Habitation Domain” that all these defective “‘SPIRIT←LIGHT’ ‘SPIRITUAL’ Creatures” are gathered.

After the “Subjective Death”, that of the “Subjective ‘EARTHLY’ Garment” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, it is in those “Specific Energy ‘EARTHLY’ Habitation Domains” unfinished and also uninhabitable that all these defective “‘SPIRIT←LIGHT’ ‘SPIRITUAL’ Creatures” that are of no use, are gathered awaiting trial at the time that has been marked for them.

It is so that, “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed and established the “Specific ‘EARTHLY’ Garment” of the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, in this way, in order to be able to share “THE KNOWLEDGE OF THE DIVINE” with the first “Specific Energy ‘EARTHLY’ Habitation Domain”, through the “‘SPIRIT←LIGHT’ Body” and manifested on this “Specific ‘EARTHLY’ Garment”, and to lead the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, which will be produced from the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, and will never see their “‘SPIRIT←LIGHT’ Body”, to know and understand this “‘SPIRIT←LIGHT’ Body” from the manifested particulars on their “Specific ‘EARTHLY’ Garment” which these “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” will be able to see.

Added to “THE KNOWLEDGE OF THE DIVINE” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed and that “THE DIVINE FORCE” will deploy in all forms through all manifestations of the “Vegetal ‘EARTHLY’ Creature” model, each “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, endowed with a unique provision of “THE INTELLECT OF THE DIVINE”, and which has been manifested into existence in the “Specific Energy ‘CELESTIAL’ Substance” constituent of the “Specific Energy ‘CELESTIAL’ Domain” was called upon to understand from these manifestations this time within the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain” that “THE DIVINE” has His attachments in Himself; From Himself HE has produced and developed the knowledge of Himself, from Himself HE produces Himself, from Himself HE is nourished, from Himself HE maintains His state of equilibrium.

Similarly, each “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, endowed with a unique provision of “THE INTELLECT OF THE DIVINE”, and which will be created into existence in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain” is called upon to understand from these manifestations of the “Vegetal ‘EARTHLY’ Creature” model that “THE DIVINE” has His attachments in Himself; From Himself HE has produced and developed the knowledge of Himself, from Himself HE produces Himself, from Himself HE is nourished, from Himself HE maintains His state of equilibrium.

Read more in the section concerning the details of annotations — Annotation on the twenty others “Specific Energy ‘Partially Spiritual’ Domains” in the “Plane Below” and “SOUTH” with respect to the metaphor of the “CARDINAL POINT OF THE CREATION”.

It is through all these manifestations that “THE DIVINE FORCE” chose to rectify the deficiency of “THE KNOWLEDGE OF THE DIVINE” that had taken place in “THE SEAT OF THE INTELLECT” in the “‘SPIRIT←SPIRIT’ Body” of “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” in the “Specific Energy ‘CELESTIAL’ Domain” inside the attribute “NON DIVINE”.

It is only through deep knowledge and understanding of “THE DIVINE” that the creatures that would come into existence in the attribute “NON DIVINE” will share the state of indescribable joy, the ineffable gladness, and the immeasurable state of equilibrium that “THE DIVINE”, IHVH, our FATHER had discovered in “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” and as HE wanted it when HE decided to establish “THE HOLY PROJECT” and share his great “DIVINE WEALTH” with the attribute “NON DIVINE”.

CHAPTER 158

FUNCTIONING OF THE “‘SPIRIT←LIGHT’ ‘EARTHLY’ CREATURE” MODEL

The functioning of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model is reminiscent of the functioning of the “Specific Energy ‘SPIRIT←LIGHT’ Bridge” model in the “Specific ‘SPIRITUAL’ Environment” and that we have already described above.

Through “The Specific Process of Attachment to ‘THE DIVINE’” and the execution of the “Causal Precedence Relation of ‘THE PRAISE’”, between “The ALTAR of ‘THE DIVINE’” in this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model and any expression in the attribute “NON DIVINE” of a metaphor of “THE ‘LIGHT←GOD’ EON”, using the “‘LIGHT→GOD’ CORD OF PRAISE”, thereupon, the reception of “‘LIGHT’ specific supply of subsistence” by the “Specific Energy ‘LIGHT’ Substance” in this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, and afterwards the transmission of “‘SPIRIT’ specific supply of subsistence” emitted by the “Specific Energy ‘LIGHT’ Substance” in this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, towards all the others components of this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, this functioning of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model is reminiscent of three successive and non-reversible energy osmoses:

1. “The ALTAR of ‘THE DIVINE’” inside of this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model will emit “THE PRAISE” — “specific signals” requesting the sending of external supply of subsistence in order to remain into existence in the “‘LIGHT’ Specific State” — using the “‘LIGHT→GOD’ CORD OF PRAISE”.

This external supply of subsistence will be provided, in the form of “‘LIGHT’ specific supply of subsistence”, by any expression in the

attribute “NON DIVINE” of a metaphor of “THE ‘LIGHT←GOD’ EON”, or by “THE DIVINE FORCE”: it is the first non-reversible energy osmosis.⁴²⁴

“The ALTAR of ‘THE DIVINE’” inside of this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model will accomplish its “specific work” from these “‘LIGHT’ specific supply of subsistence”.

2. The “Specific Energy ‘SPIRIT’ Substance”, which covers the “Specific Energy ‘LIGHT’ Substance” inside of this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, will emit “THE PRAISE” — “specific signals” requesting the sending of external supply of subsistence in order to remain into existence in the “‘SPIRIT’ Specific State”.

This external supply of subsistence will be provided, in the form of “‘SPIRIT’ specific supply of subsistence”, by “The ALTAR of ‘THE DIVINE’” inside of this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model: it is the second non-reversible energy osmosis.

The “Specific Energy ‘SPIRIT’ Substance” will accomplish its “specific work” from these “‘SPIRIT’ specific supply of subsistence”.

3. The “Specific ‘EARTHLY’ Garment”, which covers the “Specific Energy ‘SPIRIT’ Substance” which itself covers “The ALTAR of ‘THE DIVINE’” inside of this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, will emit “THE PRAISE” — “specific signals” requesting the sending of external supply of subsistence in order to remain into existence in the “‘EARTHLY’ Specific State”.

This external supply of subsistence will be provided, in the form of “‘EARTHLY’ specific supply of subsistence”, by the “Specific Energy

⁴²⁴ As we have indicated already, you can also understand this concept of “‘LIGHT→GOD’ CORD OF PRAISE” much better from the concepts of receptors and ligands that are used in cellular and molecular biology, and which we will outline below in another chapter of these writings. The principle is the same. With this “‘LIGHT→GOD’ CORD OF PRAISE”, you are in the presence of a “cross-bridge” between two different “Specific States”: the “‘LIGHT’ Specific State” and the “‘GOD’ Specific State”. With the concepts of receptors and ligand of cellular and molecular biology, which you are already familiar with, you are in the presence of only one “Specific State”, but the principle of communication of information and transfer of forces is the same.

‘SPIRIT’ Substance”: it is the third non-reversible energy osmosis.

The “Specific ‘EARTHLY’ Garment” will accomplish its “specific work” from these “‘EARTHLY’ specific supply of subsistence”. The products of this “specific work” will be transmitted through successive series of reception and transmission of “‘EARTHLY’ specific supply of subsistence” to the remaining of the “Specific Energy ‘EARTHLY’ Substance” all around the “Specific ‘EARTHLY’ Garment” of this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model.

The crude “‘EARTHLY’ specific supply of subsistence” leaving the “Specific ‘EARTHLY’ Garment” of this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model will also be propagated by the successive series of reception and transmission to others “Specific Atomic ‘EARTHLY’ Substances” constituents of the “Specific Energy ‘EARTHLY’ Domain” in which this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model will be manifested into existence.

Therefore, the proper functioning of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model depends upon the proper functioning of all its components and of their links of “HARMONY” with “THE DIVINE”, IHVH, our FATHER. As we have mentioned in one annotation at the onset of these writings, a state of “HARMONY” with “THE DIVINE”, IHVH, our FATHER, is a combination which is ownership of “THE DIVINE” and which presents an original and exclusive characteristic, forming a whole whose various and separate elements are linked in a relation of adequacy, a relation of convenience existing between the constitutive elements, which brings to the both satisfaction and pleasure. The three key drivers, which contribute to maintaining and increasing the state of “HARMONY”, beyond the fundamental state of “HARMONY”, with “THE DIVINE”, IHVH, our FATHER, are: “PURITY”, “THE PRAISE”, and “THE KNOWLEDGE OF THE DIVINE”. In the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, to emit “THE PRAISE”, as you would have understood by now, is to send out “specific signals” requesting the sending of external supply of subsistence in order to remain into existence in the “‘SPIRIT→LIGHT’ Specific State”. This is achieved through the “Causal Precedence Relation of ‘THE PRAISE’” and using “PRAYERS”, “MEDITATIONS”⁴²⁵, and “SONGS”⁴²⁶.

⁴²⁵ The action of meditating, of thinking with great concentration of mind to deepen your reflection on a particular subject; it is in fact a spiritual exercise, which is characterized by application to contemplative reflection.

The “Causal Precedence Relation of ‘THE PRAISE’”, through the constituting components of this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model and between “The ALTAR of ‘THE DIVINE’” in this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model and any expression in the attribute “NON DIVINE” of a metaphor of “THE ‘LIGHT←GOD’ EON”, is catalyzed by the degree of presence of “THE SPECIFIC SPIRITUAL FORCE OF LIFE” in the “Specific ‘SPIRITUAL’ Environment” external and immediate around the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

The three successive and non-reversible energy osmoses in this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model are activated by “THE SPECIFIC SPIRITUAL FORCE OF LIFE”. “THE SPECIFIC SPIRITUAL FORCE OF LIFE” is the same and unique for all components of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model.

Your main purpose in “MEDITATION”, should be to take “THE SEAT OF THE INTELLECT”, which is inside of your “‘SPIRIT←LIGHT’ Body”, out of the oblivion (or the ignorance) of “The ALTAR of ‘THE DIVINE’”, which the “Specific Energy ‘SPIRIT’ Substance” of your “‘SPIRIT←LIGHT’ Body” covers, and to keep “THE SEAT OF THE INTELLECT” out of that oblivion (or the ignorance) of “The ALTAR of ‘THE DIVINE’”.

Just as physical exercise will help strengthening the “Subjective ‘EARTHLY’ Garment”, which the “‘SPIRIT←LIGHT’ Body” will wear, “MEDITATION” will help keeping “THE SEAT OF THE INTELLECT” in check through a conscious exercise and development with regards to its conjoint, “THE SEAT OF THE WISDOM”, that is to say, with regards to “The ALTAR of ‘THE DIVINE’” inside the “‘SPIRIT←LIGHT’ Body”.

As such, “MEDITATION” will aim at producing inner peace and an enlargement of consciousness of “THE SEAT OF THE INTELLECT” to its relation with “The ALTAR of ‘THE DIVINE’”, thus, facilitating a journey of the “‘SPIRIT←LIGHT’ Body” towards more serenity, towards “PLENITUDE”.

⁴²⁶ To sing is to modulate — to produce “specific signals” with varied and pleasant inflections, in a flexible way, to adapt in detail to the conditions of the moment, to various circumstances or to each particular case — on the various degrees of the melodic scale.

As you would know already, with your fellow human creatures, there are many benefits to singing, ranging from psychological, emotional, and social benefits. Singing in any form is relaxing and is like skin-to-skin sound, like a caress; it is a super non-invasive medicine. It is known to regulate the mood by releasing endorphins, the “feel-good” brain chemical, which makes you feel uplifted and happy; it is also known to modify the biochemistry of the brain, and in particular regulate the secretion of the stress hormone cortisol. One of the best things about singing is that you do not have to be good at it to reap the benefits. All those benefits associated with singing contribute to the well-being of the individual singing as well as that of those listening.

Symbolically, it is said of this whole process of the reception of “‘LIGHT’ specific supply of subsistence” by “The ALTAR of ‘THE DIVINE’” inside of this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model and the transmission of the “‘SPIRIT’ specific supply of subsistence” emitted by “The ALTAR of ‘THE DIVINE’” inside of this inside of this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, that the “GLORY OF ‘THE LIGHT’”⁴²⁷ pours inside the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

Through the “Causal Precedence Relation of ‘THE PRAISE’”, between “The ALTAR of ‘THE DIVINE’” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model and any expression in the attribute “NON DIVINE” of a metaphor of “THE ‘LIGHT←GOD’ EON”, or towards “THE DIVINE”, IHVH, our FATHER, this expression in the attribute “NON DIVINE” of a metaphor of “THE ‘LIGHT←GOD’ EON”, or “THE DIVINE FORCE”, will provide crude “‘LIGHT’ specific supply of subsistence” to “The ALTAR of ‘THE DIVINE’” inside the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model.

In this “Causal Precedence Relation of ‘THE PRAISE’”, it is “The ALTAR of ‘THE DIVINE’” inside the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, which will emit “THE PRAISE” and it is an expression in the attribute “NON DIVINE” of a metaphor of “THE ‘LIGHT←GOD’ EON”, or it is “THE DIVINE” who will receive “THE PRAISE” and, through “THE DIVINE FORCE”, will provide in return the crude “‘LIGHT’ specific supply of subsistence” to “The ALTAR of ‘THE DIVINE’” inside the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model that emitted “THE PRAISE”.⁴²⁸

⁴²⁷ The “GLORY” is the word used symbolically to refer to the luminous radiation that characterizes the attribute “LIGHT” which describes the second attribute of “THE BODY OF ‘HE WHO IS’”, as well as any manifestation of a metaphor for the second attribute of “THE DIVINE BODY”, and highlights the distinctive feature of the “divine energy” that emanates from “THE BODY OF ‘HE WHO IS’” and makes it “ALIVE”.

Therefore, when one speaks about the “GLORY OF ‘THE LIGHT’”, it is by reference to the radiance of this “LIGHT”, as second attribute characteristic of “THE BODY OF ‘HE WHO IS’”, or of any manifestation of a metaphor of the “‘LIGHT’ Divine State”.

⁴²⁸ It is very important that you, human creatures, understand that “The ALTAR of ‘THE DIVINE’” inside the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model does not, and will never, emit “THE PRAISE” towards a “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, no matter of who that “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” is.

As we have already indicated in previous annotations, consider the illustration below and which you know already about. It is a gross sketch of the outside of “THE SHEKINAH” inside “THE HEAVENLY TABERNACLE”. Inside “THE HEAVENLY TABERNACLE” where “THE SHEKINAH” is placed, everything is very bright, very illuminated, and as such, the illustration below is approximative, yet sufficient to bring you to “get the picture”.

In this illustration, the illuminated portal represents the entry to “THE SHEKINAH”. Inside “THE SHEKINAH”, you have the “Specific Energy ‘SPIRIT’ Substance” and the “Specific Energy ‘LIGHT’ Substance” constituent of “THE SHEKINAH”. The “Specific Energy ‘LIGHT’ Substance” — the First Begotten of “THE DIVINE FORCE” — is behind the “Specific ‘SPIRIT←LIGHT’ Frontier” which is manifested inside “THE SHEKINAH” as an impenetrable wall of “PURE FIRE”. All the figures around and outside of “THE SHEKINAH” would be the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, in their true external appearances (which is not the winged human appearance that they take when they manifest in front of human creatures) and, when they gather every seven day to celebrate “THE PRAISE” and to receive each, seven times their daily quantity of raw “‘SPIRIT’ specific supply of subsistence” so that they can carry out the weekly tasks that will be entrusted to them.

Observe attentively the illuminated portal and the manifestation of “PURE” “LIGHT” coming out of it; it is a representation of the First “Specific Energy ‘SPIRIT←LIGHT’ Bridge”, seen from the outside. You, as human creature and through your

This is an expression in the attribute “NON DIVINE” of the “Causal Precedence Relation of ‘THE PRAISE’” which is defined within “THE DIVINE DOMAIN” by the concrete image, of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, expressed on the “Divine States”, between “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, all in a manner of

“‘SPIRIT←LIGHT’ Body”, are akin to that First “Specific Energy ‘SPIRIT←LIGHT’ Bridge” and NONE of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” is. NONE of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” has that “Specific Energy ‘LIGHT’ Substance”, but you as human creature and through your “‘SPIRIT←LIGHT’ Body” possess that “Specific Energy ‘LIGHT’ Substance” manifested in you. You, as human creature and through your “‘SPIRIT←LIGHT’ Body”, are a living manifestation of that First “Specific Energy ‘SPIRIT←LIGHT’ Bridge”; you are a living manifestation of “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — . From now onwards, REMEMBER WHO YOU ARE! REMEMBER YOUR “PLENITUDE”! WRITE IT ON THE TABLE OF YOUR HEART! The struggle that you are waging throughout your existence in this Earthly world in which you currently live is to work to keep this living manifestation of “THE SHEKINAH” in “PURITY” and against all those who have embraced “IMPURITY” and who have rejected “PURITY”.

All the figures around and outside of “THE SHEKINAH” would be the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, in their true external appearances (which is not the winged human appearance that they take when they manifest in front of human creatures) sending “THE PRAISE” — “specific signals” requesting the sending of external supply of subsistence in order to remain into existence in the “‘SPIRIT’ Specific State” — using their “‘SPIRIT→LIGHT’ CORD OF PRAISE” and connecting to that First “Specific Energy ‘SPIRIT←LIGHT’ Bridge”. You, as human creatures, are a living manifestation of that First “Specific Energy ‘SPIRIT←LIGHT’ Bridge”, and when you stand in “PURITY”, you restore in you the properties of that “Specific Energy ‘SPIRIT←LIGHT’ Bridge” and which have been implemented inside your “‘SPIRIT←LIGHT’ Body”. It is those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who are required to send “THE PRAISE” — “specific signals” requesting the sending of external supply of subsistence in order to remain into existence in the “‘SPIRIT’ Specific State” — using their “‘SPIRIT→LIGHT’ CORD OF PRAISE” and connecting to your “‘LIGHT’ Internal Binding Sites”, which are inside you, human creature, as a living manifestation of that First “Specific Energy ‘SPIRIT←LIGHT’ Bridge” standing “PURITY”, NOT THE REVERSE. Without that First “Specific Energy ‘SPIRIT←LIGHT’ Bridge” those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” will not subsist. When they are outside of the “Plane Above” and for a longer period of time (at least a period of 30 days), they can only subsist through you, as human creatures, as a living manifestation of that First “Specific Energy ‘SPIRIT←LIGHT’ Bridge” and from which they can regenerate and receive their daily quantity of raw “‘SPIRIT’ specific supply of subsistence”.

REMEMBER WHO YOU ARE! REMEMBER YOUR “PLENITUDE”! WRITE IT ON THE TABLE OF YOUR HEART!

being of the “‘SPIRIT→LIGHT’ Divine State”, and “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, all in a manner of being of the “‘LIGHT→GOD’ Divine State”.

It is so that, “THE DIVINE”, IHVH, our FATHER has chosen to share His great “DIVINE WEALTH” with the attribute “NON DIVINE”, through such manifestations of metaphors of His “DIVINE PRIMARY WEALTH”.

Once “The ALTAR of ‘THE DIVINE’” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model has received crude “‘LIGHT’ specific supply of subsistence”, it will produce the “specific work” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has predefined for it, in a well assured “state of equilibrium” and within the temporal limits that “THE DIVINE ARCHITECT AND PROJECT MASTER” has established.

It is the product of this “specific work” accomplished by “The ALTAR of ‘THE DIVINE’” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model which will be transmitted to the “Specific Energy ‘SPIRIT’ Substance” constituent of the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, in the form of “‘SPIRIT’ specific supply of subsistence”, and that this “Specific Energy ‘SPIRIT’ Substance” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model in turn will use to accomplish its “specific work”.

As we have indicated already, using the analogy with a battery, the “Specific Energy ‘LIGHT’ Substance” including its “‘LIGHT’ specific supply of subsistence”, is reminiscent of the chemicals or electrolytes, which is stored in a battery. The crude “‘SPIRIT’ specific supply of subsistence” produced by “The ALTAR of ‘THE DIVINE’” in this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, is reminiscent of the electrical energy, which results from a conversion of the chemicals, stored in a battery.

It is so that, the crude “‘LIGHT’ specific supply of subsistence” emitted by any expression in the attribute “NON DIVINE” of a metaphor of “THE ‘LIGHT←GOD’ EON”, or emitted by “THE DIVINE FORCE”, will also participate to the wellness of the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model. This is possible only through the “Causal Precedence Relation of ‘THE PRAISE’” which is catalyzed by the degree of presence of “THE SPECIFIC SPIRITUAL FORCE OF LIFE” in the “Specific ‘SPIRITUAL’ Environment” external and immediate around the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

The “Specific ‘EARTHLY’ Garment”, which covers the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model will never provide “‘SPIRIT’ specific supply of subsistence” to the “‘SPIRIT←LIGHT’ Body” which it covers.

Therefore, to avoid that the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model finds itself in a state of “CHAOS”, contrary to the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”, the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” will have to work so as to always have an overload of “‘LIGHT’ specific supply of subsistence”, and consequently, an overload of “‘SPIRIT’ specific supply of subsistence”, and sustain the “HOMOGENEITY”, the “PURITY” and “HOLINESS” of its “‘SPIRIT←LIGHT’ Body”.

Therefore, the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” must also remain at all time in “THE PRAISE” with “THE DIVINE”, IHVH, our FATHER, or in “THE PRAISE” with any expression in the attribute “NON DIVINE” of a metaphor of “THE ‘LIGHT←GOD’ EON”.

To avoid that the “Specific ‘EARTHLY’ Garment”, which covers the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, finds itself in a state of “CHAOS”, contrary to the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”, the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” shall ensure the good functioning of the “Specific ‘EARTHLY←SPIRITUAL’ Frontier” which separates the “Specific ‘EARTHLY’ Garment” from its “‘SPIRIT←LIGHT’ Body”. This will also be done at the same time from two sides:⁴²⁹

1. On the side of the “‘SPIRIT←LIGHT’ Body”; by sustaining this “‘SPIRIT←LIGHT’ Body” overcharged with “‘SPIRIT’ specific supply of subsistence”, and in the “HOMOGENEITY”, the “PURITY” and the “HOLINESS”.
2. On the side of the “Specific ‘EARTHLY’ Garment”; by consuming “‘EARTHLY’ Food” which allow to keep the “specific nerves” intact and

⁴²⁹ It is for the purpose to lead human creatures to know and understand this, that they are asked to place in the construction of a “TABERNACLE”, the “fruits” tables and the table-case for messages and instructions that “THE DIVINE”, IHVH, our FATHER will send them.

Read more in the section concerning the details of annotations — Annotation on the task of restoring “THE TABERNACLE” of “THE DIVINE”.

which enable to increase the speed of reception and transmission of “specific signals” in the “Specific Atomic ‘EARTHLY’ Substances” and between the “Specific Atomic ‘EARTHLY’ Substances” constituents of all structures of the “Specific ‘EARTHLY’ Garment”.

Each “‘EARTHLY’ Food” has its usefulness, but the nutrients extracted from particular “‘EARTHLY’ Food” especially allow to keep intact the “specific nerves” and other extracted nutrients allow to increase the speed of reception and transmission of “specific signals” in the “Specific Atomic ‘EARTHLY’ Substances” and between the “Specific Atomic ‘EARTHLY’ Substances” constituents of all structures of the “Specific ‘EARTHLY’ Garment”. Among these “‘EARTHLY’ Food”, you will find “fruits” in all their forms.

It is so that, when the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model is overcharged with “‘SPIRIT’ specific supply of subsistence” and when the “Specific ‘EARTHLY’ Garment”, which covers the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, is in a state of “HARMONY” with “THE DIVINE”, IHVH, our FATHER, then, the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, in its entirety, will emit a luminous radiation — the “EPHEMERAL GLOW ‘EARTHLY’” (also called “light”) — as internal output signal resulting from the combination of luminous radiation from its constituent components, and following processes that “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed. This luminous radiation will be of a color that belongs to the “Palette of HARMONY”.⁴³⁰

The large percentage of this “EPHEMERAL GLOW ‘EARTHLY’” originates from the “EPHEMERAL GLOW ‘SPIRIT’” of the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, but is not directly visible on the “Specific ‘EARTHLY’ Garment” as is the case on the “Specific ‘CELESTIAL’ Garment” of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” because of the “high density” “specific ‘EARTHLY’ coating” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has used for the “Specific Elementary ‘EARTHLY’ Particle”.

⁴³⁰ It is because of the “high density” “specific ‘EARTHLY’ coating” of the “Specific Elementary ‘EARTHLY’ Particle” at the origin of the “Specific Atomic ‘EARTHLY’ Substances” constituents of the “Specific ‘EARTHLY’ Garment” that you do not see this radiation. But in the “Specific ‘SPIRITUAL’ Environment”, this glow, which is similar to the manifestation of the “LIGHT”, is very noticeable.

This “EPHEMERAL GLOW ‘EARTHLY’” is visible to “THE EYE OF THE DIVINE” and also to the “Specific ‘CELESTIAL’ Visual Structure” of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”.

This “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model is bearer of a metaphor of the “‘LIGHT’ Divine State”, but this is not the case of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model which is rather bearer of a metaphor of the “‘SPIRIT→LIGHT’ Divine State”.⁴³¹

⁴³¹ As we have already indicated in a previous annotation, it is very important to know these details in order to understand why a particular creature of “THE DIVINE”, will let itself be called by the symbol it represented: “LUCIFER”, which means “LIGHT Bearer”; while in reality that creature is not and has never been bearer of “LIGHT”.

יצירה נארה ספר

CHAPTER 159

FUNCTIONING OF THE “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ CREATURE” MODEL FROM THE “‘SPIRIT←LIGHT’ ‘EARTHLY’ CREATURE” MODEL

“THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — is the first expression in the attribute “NON DIVINE” of a metaphor of “THE ‘SPIRIT←LIGHT’ EON” at the limit of “proximity” of the most potent properties that “THE DIVINE ARCHITECT AND PROJECT MASTER” has fixed for the “‘SPIRIT→LIGHT’ Specific State” in the attribute “NON DIVINE”. It is the first manifestation in the attribute “NON DIVINE”, of the link of attachment of the “Specific Energy ‘CELESTIAL’ Domain” to “THE PLACE OF LIFE”: It is “THE TREE OF LIFE” manifested in the “Specific Energy ‘CELESTIAL’ Domain”.

It is from “THE SHEKINAH” that the first non-reversible energy osmosis in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model will be achieved, and during which the “‘LIGHT’ Attachment Point” of the “‘SPIRIT→LIGHT’ CORD OF PRAISE” of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” will be connected to “The ALTAR of ‘THE DIVINE’” inside of this First “Specific Energy ‘SPIRIT←LIGHT’ Bridge” which is “THE SHEKINAH”.

The “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model is the second expression in the attribute “NON DIVINE” of a metaphor of “THE ‘SPIRIT←LIGHT’ EON”. Just as the Archangel MICHAEL, the manifested “PRINCIPAL” instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model was created with properties at the limit of “proximity” of the most potent properties that “THE DIVINE ARCHITECT AND PROJECT MASTER” has fixed for the “‘SPIRIT’ Specific State” in the attribute “NON DIVINE”, it is so that the manifested “PRINCIPAL” instance of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model will be created with properties, not at the limit of “proximity”, but with properties which are those of “THE SHEKINAH” and with elements of “THE ‘SPIRIT→LIGHT’

REASON”, and that is to say, with properties that are the most potent properties that “THE DIVINE ARCHITECT AND PROJECT MASTER” has fixed for the “‘SPIRIT→LIGHT’ Specific State” in the attribute “NON DIVINE”.

This “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model is the second expression in the attribute “NON DIVINE” of the link of attachment to “THE PLACE OF LIFE”: It is also so that the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” will also be a “TREE OF LIFE” manifested in the first “Specific Energy ‘EARTHLY’ Habitation Domain” in which this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model will be manifested into existence.

It is so that, the first non-reversible energy osmosis in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model will also be performed from the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”. When the conditions necessary to the implementation of this first non-reversible energy osmosis in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model are met, then, the “‘LIGHT’ Attachment Point” of the “‘SPIRIT→LIGHT’ CORD OF PRAISE” of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” will be connected to “The ALTAR of ‘THE DIVINE’” inside the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.⁴³²

Through the “Causal Precedence Relation of ‘THE PRAISE’”, between “The ALTAR of ‘THE DIVINE’” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model and “The ALTAR of ‘THE DIVINE’” in this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, “The ALTAR of ‘THE DIVINE’” in this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model will provide crude “‘SPIRIT’ specific supply of subsistence” to “The ALTAR of ‘THE DIVINE’” which is inside the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model.

In this “Causal Precedence Relation of ‘THE PRAISE’”, it is “The ALTAR of ‘THE DIVINE’” inside the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, which will emit “THE PRAISE” and it is “The ALTAR of ‘THE DIVINE’” inside the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model that will receive “THE PRAISE”

⁴³² As we have indicated in one previous annotation, you can also understand this concept of “‘SPIRIT→LIGHT’ CORD OF PRAISE” much better from the concepts of receptors and ligands that are used in cellular and molecular biology, and which we will outline below in another chapter of these writings. The principle is the same. With this “‘SPIRIT→LIGHT’ CORD OF PRAISE”, you are in the presence of a “cross-bridge” between two different “Specific States”: the “‘SPIRIT’ Specific State” and the “‘LIGHT’ Specific State”. With the concepts of receptors and ligand of cellular and molecular biology, which you are already familiar with, you are in the presence of only one “Specific State”, but the principle of communication of information and transfer of forces is the same.

and provide in return the crude “‘SPIRIT’ specific supply of subsistence” to “The ALTAR of ‘THE DIVINE’” inside the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model that emitted “THE PRAISE”.

This is an expression in the attribute “NON DIVINE” of the “Causal Precedence Relation of ‘THE PRAISE’” which is defined within “THE DIVINE DOMAIN” by the concrete image, of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, expressed on the “Divine States”, between “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, all in a manner of being of the “‘SPIRIT’ Divine State”, and “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, all in a manner of being of the “‘SPIRIT→LIGHT’ Divine State”.

It is so that, “THE DIVINE”, IHVH, our FATHER has chosen to share His great “DIVINE WEALTH” with the attribute “NON DIVINE”, through such manifestations of metaphors of His “DIVINE PRIMARY WEALTH”.

Once “The ALTAR of ‘THE DIVINE’” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model has received these crude “‘SPIRIT’ specific supply of subsistence”, it will produce the “specific work” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has predefined for it, in a well assured “state of equilibrium” and within the temporal limits that “THE DIVINE ARCHITECT AND PROJECT MASTER” has established.

It is the product of this “specific work” accomplished by “The ALTAR of ‘THE DIVINE’” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model which will be transmitted to the “Specific Energy ‘SPIRIT’ Substance” of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, in the form of diluted “‘SPIRIT’ specific supply of subsistence”, and that the “Specific Energy ‘SPIRIT’ Substance” of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model in turn will use to accomplish its “specific work”.

As we have indicated already, using the analogy of a battery, the “Specific Energy ‘LIGHT’ Substance” including its “‘LIGHT’ specific supply of subsistence”, is reminiscent of the chemicals or electrolytes, which is stored in a battery. The crude “‘SPIRIT’ specific supply of subsistence” produced by this “The ALTAR of ‘THE DIVINE’” in this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, is reminiscent of the electrical energy, which results from a conversion of the chemicals, stored in a battery.

It is thus that, “The ALTAR of ‘THE DIVINE’” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model is “fuelled” by the electrical energy, which results from a conversion of the chemicals or electrolytes, which are stored in “The

ALTAR of 'THE DIVINE'” in this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model; those chemicals or electrolytes are not available in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model.

It is so that, the crude “‘SPIRIT’ specific supply of subsistence” emitted by “The ALTAR of ‘THE DIVINE’” inside the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model will also participate to the wellness of the “‘SPIRIT←SPIRIT’ Body” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model.

This is possible only through the “Causal Precedence Relation of ‘THE PRAISE’” which is catalyzed by the degree of presence of “THE SPECIFIC SPIRITUAL FORCE OF LIFE” in the “Specific ‘SPIRITUAL’ Environment” external and immediate around the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, and when all the components of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” that will receive “THE PRAISE” are sufficiently in the “HOMOGENEITY”, in the “PURITY”, and in the “HOLINESS” as “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed and established them.

It is so that, “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, to allow the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” to remain at any time in “THE PRAISE” with “THE DIVINE”, IHVH, our FATHER, and through any “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” sufficiently in the “HOMOGENEITY”, in the “PURITY”, and in the “HOLINESS”, and as manifestation in the attribute “NON DIVINE” of a metaphor of “THE ‘SPIRIT←LIGHT’ EON”.⁴³³

As “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed it and established through this manifestation of the “Causal Precedence Relation of

⁴³³ With the announcement of the “Second Phase” of the implementation of “THE HOLY PROJECT”, from the teachings that “THE DIVINE FORCE” instilled to each of them through the process of education through enlightenment, as numerous as they were and although they were not conscious of “THE DIVINE FORCE” working through them and guiding them, and also from the teachings that they received from “THE DIVINE FORCE”, through the ordinances of the “specific spiritual formation” of “THE CHURCH” from “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — , the elders of the creation will understand this to some extent.

Covered by this “HUBRIS Spiritual Veil”, and in the logic distorted by the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, they will decide otherwise: they will reverse the direction of the “Causal Precedence Relation of ‘THE PRAISE’”, and all the consequences that will follow from this inversion.

‘THE PRAISE’” outside of the “Specific Energy ‘CELESTIAL’ Domain” in the attribute “NON DIVINE”, the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” and the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” were thus to become complementary, in the “specific spiritual formation” of “THE CHURCH” formed from the “‘SPIRIT←LIGHT’ Body” intellect, pure and holy, of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, and were to remain together as such in “HARMONY” with “THE DIVINE”, IHVH, our FATHER.

It is so that, the “POTENCY”, which is the degree of possession of elements of “THE ‘LIGHT’ REASON”, and which, inside the attribute “NON DIVINE”, is a manifestation of a metaphor of the “Generative Power of ‘THE DIVINE’”, and, which is attributed to the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, was to complete the “AUTHORITY” which is defined by the ability to carry out several tasks simultaneously throughout well defined places in the attribute “NON DIVINE” and, which is attributed to the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, which itself, inside the attribute “NON DIVINE”, is a manifestation of a metaphor of the “Formative Essence of ‘THE DIVINE’”. And vice versa.

It is so that, through the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, “THE DIVINE ARCHITECT AND PROJECT MASTER” had designed and lined up, to add the proximity of “THE TREE OF LIFE” to the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” to allow it to remain alive, to directly receive the ordinances of the “specific spiritual formation” of “THE CHURCH”, and to execute future tasks that “THE DIVINE FORCE” had planned and which were to be implemented during long period of time outside of the “Specific Energy ‘CELESTIAL’ Domain”.

For the purpose to have the task of the realization of “THE HOLY PROJECT” shared and easy to perform throughout the attribute “NON DIVINE” and outside of the “Specific Energy ‘CELESTIAL’ Domain”, therefore from the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” (and subsequently from every “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” descendant of the first) was to be established another direct communication channel with “THE DIVINE”, IHVH, our FATHER, and thus another “GOVERNMENT” other than that of the “Specific Energy ‘CELESTIAL’ Domain”, another hierarchy of communication with “THE DIVINE”, other than the one already established through “THE SHEKINAH” and

through which “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” indulged themselves with the “HUBRIS”.⁴³⁴

ספר השכינה

⁴³⁴ To illustrate the degree of absence of “THE KNOWLEDGE OF THE DIVINE” in “THE CELESTIAL HOST” and its extreme upheaval to see that the hierarchy of communication with “THE DIVINE” that was already established through “THE SHEKINAH” in the “Specific Energy ‘CELESTIAL’ Domain”, and through which he indulged himself with the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, would be replaced outside of the “Specific Energy ‘CELESTIAL’ Domain” by another hierarchy of communication where he will no longer have control, it is of this that spoke AZAZEL whose “‘SPIRIT←SPIRIT’ Body” was fractured, cracked and broken, and in a very advanced state of “CHAOS”, contrary to the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”, when he began to utter insulting accusations against “THE DIVINE”, IHVH, our FATHER, and in front of a crowd of elders of the creation delighted to listen to the “IMPURE” products of the work accomplished by the “‘SPIRIT←SPIRIT’ Body” of AZAZEL.

Read more, with explanations, in the section concerning the details of annotations — Annotation on the extent of the scourge of absence of “THE KNOWLEDGE OF THE DIVINE” within “THE CELESTIAL HOST” and its extreme upheaval.

CHAPTER 160

THE “‘SPIRIT←LIGHT’ ‘EARTHLY’ CREATURE” AS AN “INDISTINCT FORM” OF THE “SPECIFIC ENERGY ‘EARTHLY’ SUBSTANCE”

For this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model designed as such, all its components form A UNIQUE UNIT ENTITY ALIVE THAT SHOULD FUNCTION IN PERFECT COORDINATION AND IN PERFECT HARMONY WITH “THE DIVINE”, IHVH, OUR FATHER.

From the perspective of the “Specific ‘SPIRITUAL’ Environment”, a manifestation of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, into existence in the attribute “NON DIVINE” and in the “Specific ‘EARTHLY’ Environment”, is a “‘SPIRIT←LIGHT’ ‘SPIRITUAL’ Creature” (which is represented by a “‘SPIRIT←LIGHT’ Body”, which comprises a “Specific Energy ‘LIGHT’ Substance” and a “Specific Energy ‘SPIRIT’ Substance”, which covers it) wearing a “Specific ‘EARTHLY’ Garment”.

“THE DIVINE ARCHITECT AND PROJECT MASTER” has delineated the “Specific ‘SPIRITUAL’ Environment” external and immediate around this entity which is the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” by a kind of smooth spiritual envelope, a spiritual aureole visible to “THE EYE OF THE DIVINE”, and which is a manifestation of the state of “HARMONY” with “THE DIVINE”, IHVH, our FATHER: It is the “Specific Radiance ‘SPIRITUAL’ Aureole”, because it is an expression of the radiance of that, which has been created in the attribute “NON DIVINE”. It is placed at the edge of the volume of the “EPHEMERAL GLOW ‘EARTHLY’” of the “Specific ‘EARTHLY’ Garment”.

The higher the “HARMONY” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” with “THE DIVINE”, IHVH, our FATHER, the brightest the “Specific Radiance ‘SPIRITUAL’ Aureole” which covers such “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

“THE DIVINE”, IHVH, our FATHER did nothing randomly in this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model and HE does nothing at random. “THE DIVINE ARCHITECT AND PROJECT MASTER” studied meticulously and thought all the details of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, and “THE DIVINE FORCE” will shepherd and teach the Archangel MICHAEL all along the design of the morphology of the “Specific ‘EARTHLY’ Garment”, prior to undertaking its implementation into existence in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”.

ל

THE PURPOSE OF “THE DIVINE FORCE” IS TO BE THE CONJOINT OF “THE DIVINE ARCHITECT AND PROJECT MASTER” and the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” had been designed to be in the image of: “THE DIVINE FORCE”.

Just as the symbol of “THE DIVINE FORCE” is “PURITY”, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” designed as such was called to remain in “PURITY”.

Just as in “THE DIVINE DOMAIN” it is from the inner structure of “THE ‘SPIRIT←LIGHT’ EON” that will be generated the external supply of subsistence to be provided to “‘SPIRIT←SPIRIT’ EONS”, thus ensuring subsistence in the “‘SPIRIT’ Divine State” of “‘SPIRIT←SPIRIT’ EONS”, it is likewise in the attribute “NON DIVINE” with the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, which is bearer of the “‘LIGHT’ Specific State” and will generate the external supply of subsistence to be provided to “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, thus ensuring subsistence in the “‘SPIRIT’ Specific State” of “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” in the places of the attribute “NON DIVINE” that are remote⁴³⁵ of the limit of the “Specific Energy ‘CELESTIAL’ Domain”.

It is so that, the main purpose of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” is to:

“CARRY THE PRESENCE OF ‘THE SHEKINAH’ — THE PURE LIGHT OF ‘THE ALTAR OF THE DIVINE’ WHICH IS INSIDE ‘THE SHEKINAH’, AND WHICH IS SOURCE OF LIFE PURE AND HOLY — IN VERY REMOTE PLACES FROM ‘THE SHEKINAH’”.

⁴³⁵ These remote locations are those inside of the entire space which represent the “MURKY VOID” where areas of turbulence of energy appear.

This is why the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” pure and holy that will carry “THE PRESENCE OF ‘THE SHEKINAH’” will also be called: the “FOOTSTOOL” of “THE DIVINE”; just like the “FOOTSTOOL” of “THE DIVINE FORCE” in the unique “SPECIFIC SUPREME CONFIGURATION” of the “Specific Generative Energy ‘EARTHLY’ Domain” and the six “Specific Formative Energy ‘EARTHLY’ Domains”, with the “Specific Energy ‘CELESTIAL’ Domain” acting as manifestation of a metaphor of the “Cardinal Point” of the “Generative Divine Particle” in “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”.

The “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model has been designed as such entirely on the same model of the “PRINCIPAL” instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” and on the “Specific Energy ‘SPIRIT←LIGHT’ Bridge” model to contain a “Specific Energy ‘LIGHT’ Substance” and “connect” His Presence which is outside of the “MURKY VOID” with the new habitable environment — The first “Specific Energy ‘EARTHLY’ Habitation Domain” — that “THE DIVINE FORCE” will create within the “MURKY VOID” and outside of the “Specific Energy ‘CELESTIAL’ Domain”.⁴³⁶

It is so that, the functioning of the links of “HARMONY” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” with “THE DIVINE”, IHVH, our FATHER, is the same as that of the “Specific Energy ‘SPIRIT←LIGHT’ Bridge” already described above.

These links of “HARMONY” between “THE DIVINE”, IHVH, our FATHER and the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” containing a “Specific Energy ‘LIGHT’ Substance”, ensue on the one hand from the HIGHEST “PURITY” and “HOLINESS” of this unique homogeneous aspect of “THE DIVINE” and on the other hand from the purity and holiness of the natures and structures of all components of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

⁴³⁶ It is for the purpose to lead the elders of the creation to know and understand this, that “THE DIVINE”, IHVH, our FATHER will emit the seventh decree of the implementation of the “Second Phase” of “THE HOLY PROJECT” and for the implementation of the first manifestation into existence of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model in the “Specific Energy ‘EARTHLY’ Substance” constituent of this first “Specific Energy ‘EARTHLY’ Habitation Domain”. This seventh decree of the implementation of the “Second Phase” of “THE HOLY PROJECT” will be translated in the human language by a series of expressions which mean roughly:

“... Let us create the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” in our image...”

As “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed it, sustaining this “HARMONY” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” with “THE DIVINE”, IHVH, our FATHER is possible only by the presence of a high enough degree of presence of “THE SPECIFIC SPIRITUAL FORCE OF LIFE” in the “Specific ‘SPIRITUAL’ Environment” external and immediate around the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

From the perspective of the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain” from which will be carved the “Specific ‘EARTHLY’ Garment” of the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” designed as such is a cohesive subset of this “Specific Energy ‘EARTHLY’ Substance”: an “INDISTINCT FORM” OF THE “SPECIFIC ENERGY ‘EARTHLY’ SUBSTANCE”.⁴³⁷

It is so that, the exchange of signals received and emitted will also take place between the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” and this “Specific Energy ‘EARTHLY’ Substance” in which it is immersed and is an integral part.

Through “THE SEAT OF THE INTELLECT” within the “Specific Energy ‘SPIRIT’ Substance”, the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” has received the capacity to generate its own input signals and which are called the “Interpreted THOUGHTS”, to process them and afterwards to emit its internal output signals which are transmitted both to:

⁴³⁷ Just as it must be well understood that the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, through its “Specific ‘CELESTIAL’ Garment”, is and remains a structure modelled in the “Specific Energy ‘CELESTIAL’ Substance” and with which “THE DIVINE”, IHVH, our FATHER chose to share through manifestations of metaphors, His own “DIVINE PRIMARY WEALTH” which are in the “‘SPIRIT’ Divine State”, it must also be well understood that the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, through its “Specific ‘EARTHLY’ Garment”, is and remains a structure modelled in the “Specific Energy ‘EARTHLY’ Substance” and with which “THE DIVINE”, IHVH, our FATHER chose to share through manifestations of metaphors, His own “DIVINE PRIMARY WEALTH” which are in the “‘SPIRIT→LIGHT’ Divine State”.

It is for the purpose to bring “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” to understand the order of events through which “Divine Particles” arise into existence — that is, the “Causal Precedence Relation of ‘THE CREATION’” — and subsist into existence in their “Divine State” — that is, the “Causal Precedence Relation of ‘THE PRAISE’” — and so that they can grow up in the “KNOWLEDGE OF THE DIVINE” that “THE DIVINE”, IHVH, our FATHER will entrust them with such important tasks in the implementation of the “Second Phase” of “THE HOLY PROJECT”.

- The “Specific ‘EARTHLY’ Garment” to be made manifest in the non-spiritual “Specific ‘EARTHLY’ Environment” external and immediate around the “Specific ‘EARTHLY’ Garment”; and
- To the “Specific ‘SPIRITUAL’ Environment” external and immediate around the “Specific Energy ‘SPIRIT’ Substance”.

These internal output signals will therefore affect both the “Specific ‘EARTHLY’ Environment” and the “Specific ‘SPIRITUAL’ Environment” external and immediate around and containing the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, and subsequently the whole first “Specific Energy ‘EARTHLY’ Habitation Domain”, and the whole “Specific ‘SPIRITUAL’ Environment” containing this first “Specific Energy ‘EARTHLY’ Habitation Domain”.

It is so that, in the event that a “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” is in a state of “CHAOS”, contrary to the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”, then, the “Specific Energy ‘EARTHLY’ Substance” constituent of this whole first “Specific Energy ‘EARTHLY’ Habitation Domain”, including the whole “Specific ‘SPIRITUAL’ Environment” containing this first “Specific Energy ‘EARTHLY’ Habitation Domain” will be affected.

They will be also in a state of “CHAOS”, contrary to the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”; even if their state of “CHAOS”, contrary to the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER” will not be felt with the same intensity by others “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” which are also integral and delineated parts and cohesive subsets of this “Specific Energy ‘EARTHLY’ Substance”.

In much the same, in the event that a “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” is in a state of “CHAOS”, contrary to the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”, and that this “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” is immersed in the “Specific Energy ‘EARTHLY’ Substance” constituent of this first “Specific Energy ‘EARTHLY’ Habitation Domain”, then, the “Specific Energy ‘EARTHLY’ Substance” constituent of this whole first “Specific Energy ‘EARTHLY’ Habitation Domain”, including the whole “Specific ‘SPIRITUAL’ Environment” containing this first “Specific Energy ‘EARTHLY’ Habitation Domain” will be affected. In this case of immersion, since the “Specific ‘SPIRITUAL’ Environment” containing this first “Specific Energy ‘EARTHLY’ Habitation Domain” is the same “Specific ‘SPIRITUAL’ Environment” also containing the “Specific Energy ‘CELESTIAL’ Domain” where the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” originates, the

state of “CHAOS”, contrary to the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”, will propagate firstly through the “Specific ‘SPIRITUAL’ Environment”, which is the common environment, and the impures signals resulting from the “CHAOS” effects from this common environment, will be transmitted secondly, through successive series of reception and transmission of signals at the atomic scale, to the “Specific Energy ‘EARTHLY’ Substance” constituent of this whole first “Specific Energy ‘EARTHLY’ Habitation Domain”, and will propagate thirdly at larger scales, also through successive series of reception and transmission of signals.⁴³⁸

They will be also in a state of “CHAOS”, contrary to the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”; even if their state of “CHAOS”, contrary to the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER” will not be felt with the same intensity by others “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” which are also integral and delineated parts and cohesive subsets of this “Specific Energy ‘EARTHLY’ Substance”.⁴³⁹

“THE DIVINE ARCHITECT AND PROJECT MASTER” has designed and established the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model to be applied by “THE WORD OF THE DIVINE”, through the Archangel MICHAEL, on an instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, in the “Specific

⁴³⁸ This is why, when you, as human creature, find yourself in a place where the spiritual environment is contaminated with many impurities, you feel it immediately, although you cannot perceive the spiritual environment with your physical eyes and your spiritual eyes were damaged: you will sense that something is “not correct” around you.

⁴³⁹ It is so that, on the third Day of the implementation of the “Second Phase” of “THE HOLY PROJECT”, when the elders of the creation that were in a state of “CHAOS”, contrary to the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”, will be hurled off the “Specific Energy ‘CELESTIAL’ Domain” and immersed in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, this “Specific Energy ‘EARTHLY’ Substance” constituent of the first the “Specific Energy ‘EARTHLY’ Habitation Domain”, including the “Specific ‘SPIRITUAL’ Environment” contained in this first “Specific Energy ‘EARTHLY’ Habitation Domain”, will be thrown in a state of “CHAOS”, contrary to the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”.

We shall explain this further in the following section concerning the implementation of the “Second Phase” of “THE HOLY PROJECT”.

Energy ‘CELESTIAL’ Substance” constituent of the “Specific Energy ‘CELESTIAL’ Domain” in the attribute “NON DIVINE”.

Whereas, HE has designed and established the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model to be applied without using “THE WORD OF THE DIVINE” to the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain” which will be immersed in the “Specific Septenary Equilibrium Zone” of the first “Specific Formative Energy ‘EARTHLY’ Domain” with respect to the “Specific Generative Energy ‘EARTHLY’ Domain” in the “SPECIFIC SUPREME CONFIGURATION” of the seven “Specific Energy ‘EARTHLY’ Domains”.

To this “SPECIFIC SUPREME CONFIGURATION” of the seven “Specific Energy ‘EARTHLY’ Domains”, designed in the proportions of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, are associated seven “Specific Septenary Equilibrium Zones”, different from one another, and inside of each is present a manifestation of a metaphor of the well assured “SUPREME STATE OF EQUILIBRIUM” of “THE DIVINE”. Each “Specific Septenary Equilibrium Zone” has its own characteristics.

In each “Specific Septenary Equilibrium Zone”, the “‘EARTHLY’ specific supply of subsistence” carried by the “Specific Atomic ‘EARTHLY’ Substances” of the “MOST LUMINOUS” in its first form are attenuated and diluted differently by the “Specific Atomic ‘EARTHLY’ Substances” of the six “Specific Formative Energy ‘EARTHLY’ Domains” constituent of the “SPECIFIC SUPREME CONFIGURATION” of the seven “Specific Energy ‘EARTHLY’ Domains”.

As we already mentioned above, it is within each of the six “Specific Septenary Equilibrium Zones” and in their respective “Specific Septenary Equilibrium Spaces” that “THE DIVINE ARCHITECT AND PROJECT MASTER” will design the domains of habitation that “THE DIVINE FORCE” will create into existence for the creatures that have been designed to reside in the “Plane Below”.

The “Specific ‘SPIRITUAL’ Environment” is the same for all “Specific Energy ‘EARTHLY’ Habitation Domains”, but their “Specific ‘EARTHLY’ Environments” are different.

Therefore, to allow the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” to move from one “Specific Energy ‘EARTHLY’ Habitation Domain” to the following “Specific Energy ‘EARTHLY’ Habitation Domain” and which is in a different “Specific Septenary Equilibrium Zone”, “THE DIVINE ARCHITECT AND PROJECT MASTER” has also designed “specific processes” of transformation which will be applied consecutively to the “‘SPIRIT←LIGHT’ Body” from a “specific

transformation” of “THE SOUL” — “The ALTAR of ‘THE DIVINE’” consolidated inside of this “‘SPIRIT←LIGHT’ Body”.

During this movement from one “Specific Energy ‘EARTHLY’ Habitation Domain” to the following “Specific Energy ‘EARTHLY’ Habitation Domain”, through the “Specific ‘SPIRITUAL’ Environment”, the “‘SPIRIT←LIGHT’ Body” wears instantly (at the “speed of the thought”) a perdurable “Specific ‘SPIRITUAL’ Garment”, the shape of which will be either inherited from its “Specific ‘EARTHLY’ Garment” of origin, or a predefined shape established for use in the arrival “Specific Energy ‘EARTHLY’ Habitation Domain”. The perdurable “Specific ‘SPIRITUAL’ Garment” is as lighter as the “Specific ‘CELESTIAL’ Garment” of “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”. This same process of changing garment applies also to “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”.⁴⁴⁰

From the perspective of the “Specific Energy ‘EARTHLY’ Substance”, the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” which will be, through its “Specific ‘EARTHLY’ Garment”, carved into existence from the model designed for the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain” in the attribute “NON DIVINE”, will be a delineated part and entity of this “Specific Energy ‘EARTHLY’ Substance”, but however, indistinct from this “Specific Energy ‘EARTHLY’ Substance”. As for the “‘SPIRIT←LIGHT’ Body” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, it will not be a part of this “Specific Energy ‘EARTHLY’ Substance”; this “‘SPIRIT←LIGHT’ Body” is the registered proprietary of “THE DIVINE FORCE”.

It is so that, the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” will be, through its “Specific ‘EARTHLY’ Garment”, a “FORM CARVED AND INDISTINCT OF THE SPECIFIC ENERGY ‘EARTHLY’ SUBSTANCE” which will be immersed in the “Specific Septenary Equilibrium Zone” of the first “Specific Formative Energy ‘EARTHLY’ Domain” with respect to the “Specific Generative Energy ‘EARTHLY’

⁴⁴⁰ As for the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, the shapes (morphological forms) of the garment that they are instantly dressed up with when they enter this first “Specific Energy ‘EARTHLY’ Habitation Domain” in which human creatures live, and which are the “winged human-like” forms (having two wings, four wings, or six wings) or mixed “animal-human-like” forms, are not the true shape (morphological form) of their “Specific ‘CELESTIAL’ Garment”. We will explain in one following chapter, the origin of those “winged human-like” and “animal-human-like” forms.

Domain” in the “SPECIFIC SUPREME CONFIGURATION” of the seven “Specific Energy ‘EARTHLY’ Domains”.

“THE DIVINE ARCHITECT AND PROJECT MASTER” has designed and established manifestations of metaphors of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” and has expressed them on the “Specific Energy ‘EARTHLY’ Domains” to indicate and lead all His creatures that will be created into existence both in the “Plane Above” and in the “Plane Below” to understand the nature of “THE DIVINE”.

As we have indicated earlier, “THE DIVINE” has consolidated in Himself, on all the “Divine Particles” constituent of His “DIVINE BODY”, “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” — one “Generative Divine Particle” and six “Formative Divine Particles” in “Movement of Formative Divine Particle” synchronized between them, and, each “Movement of Formative Divine Particle” synchronized with the movement of the “Generative Divine Particle”, and without collisions forever with the passage of time — which provides the “SUPREME STATE OF EQUILIBRIUM”, the “SUPREME STATE OF HARMONY”, of “THE DIVINE” and of His “Electrical Charge” throughout all regions of His unlimited “BEING”

The “SUPREME STATE OF EQUILIBRIUM” which is obtained from “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” is a state of indescribable joy, an ineffable gladness, and in an immeasurable state of equilibrium that “THE DIVINE” has decided to share with the attribute “NON DIVINE”.

It is to indicate and lead all His creatures that will be created into existence both in the “Plane Above” and in the “Plane Below” to understand this, that “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed and established the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model that will be applied to the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain” which will be immersed in the “Specific Septenary Equilibrium Zone” of the first “Specific Formative Energy ‘EARTHLY’ Domain” with respect to the “Specific Generative Energy ‘EARTHLY’ Domain” in the “SPECIFIC SUPREME CONFIGURATION” of the seven “Specific Energy ‘EARTHLY’ Domains”.

The first “Specific Formative Energy ‘EARTHLY’ Domain” is characterised by the eternal symbol of glory of “THE DIVINE ARCHITECT AND PROJECT MASTER”: the “PURITY”, the first “Core Formative Divine State”, that is the “‘SPIRIT

Divine State”, which is also bearer of the “‘SPIRIT→LIGHT’ Divine State”. It is an expression of the “Causal Precedence Relation of ‘THE CREATION’”.

It is also to lead them to understand this “Causal Precedence Relation of ‘THE CREATION’”, that “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed and established the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model to be applied without using “THE WORD OF THE DIVINE” to the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain” which will be immersed in the “Specific Septenary Equilibrium Zone” of the first “Specific Formative Energy ‘EARTHLY’ Domain” with respect to the “Specific Generative Energy ‘EARTHLY’ Domain” in the “SPECIFIC SUPREME CONFIGURATION” of the seven “Specific Energy ‘EARTHLY’ Domains”.

It is also to lead them to understand this “Causal Precedence Relation of ‘THE CREATION’” that “THE DIVINE FORCE” has entrusted the Archangel MICHAEL the task to facilitate the good implementation of the “Second Phase” of “THE HOLY PROJECT”, and also the task of the design of a morphological form for the “Specific ‘EARTHLY’ Garment” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

The infinity of particulars of the “Divine Particles”, all their arrangements and configurations, all particulars of configurations of these “Divine Particles” in all their details, as well as all the different particulars and aspects of “THE DIVINE FORCE”, the indescribable joy, the ineffable gladness, and the immeasurable state of equilibrium that arise out of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, all geometric structures formed by the “Divine Particles” in various “Divine States”, all elements of “THE REASON”, and many other concepts associated with “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, all the different particulars and aspects of “THE DIVINE ARCHITECT AND PROJECT MASTER” and of “THE DIVINE FORCE”, are the great “DIVINE WEALTH” of “THE DIVINE”.

“THE DIVINE” has divided in Himself this great and unlimited “DIVINE WEALTH” in countless “DIVINE PRIMARY WEALTH”. It is to indicate and lead all His creatures that will be created into existence both in the “Plane Above” and in the “Plane Below” to understand this, that “THE DIVINE FORCE” will express these aspects of the “DIVINE PRIMARY WEALTH” on the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” in “THE CELESTIAL HOST” that SHE will also place throughout the “MURKY VOID” in the attribute “NON DIVINE”.

“THE DIVINE” is unlimited and HE generates Himself in countless ways. It is also to indicate and lead all His creatures that will be created into existence both in the

“Plane Above” and in the “Plane Below” to understand this, that “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed and established the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model to be applied without using “THE WORD OF THE DIVINE” to the “Specific Energy ‘EARTHLY’ Substance”, so that, once created, he reproduces himself, as long as established.

It is so that, from the perspective of the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed as such is a cohesive subset of this “Specific Energy ‘EARTHLY’ Substance”, an integral and delineated part of the “Specific Energy ‘EARTHLY’ Substance” in the attribute “NON DIVINE”: that is, an “INDISTINCT FORM” OF THE “SPECIFIC ENERGY ‘EARTHLY’ SUBSTANCE”.⁴⁴¹

⁴⁴¹ You can quickly understand this through discernment by looking carefully at “transparent” animals in all their forms, and in which you can see the shape of their organs, their bones and blood vessels, as opaque organs in their “see-through body”, in the sea water or in freshwater.

Sea walnut in the illustration above is an invertebrate with a milky, transparent and iridescent body that is oval to pear shaped and somewhat flattened. When agitated, the comblike organs on the sides of their bodies produce a bluish white luminescence.

Due to the continuous movement of the “Specific Atomic ‘EARTHLY’ Substances” constituents of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, the first “Specific Energy ‘EARTHLY’ Habitation Domain” is a giant electromagnetic field entirely filled with “electromagnetic waves”, which is illuminated by the luminous radiation emanating from the “Specific Generative Energy ‘EARTHLY’ Domain”. It is thus that the manifested colors of the “Specific ‘EARTHLY’ Garment”, which the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” wears, will be

ספר היצירה

The glass catfish in the following illustration is one of the most transparent vertebrates of freshwater in this first “Specific Energy ‘EARTHLY’ Habitation Domain” in which human creatures live. The glass catfish offers an incomparable view of its internal organs. Thanks to its low-pigment and almost clear body, the glass catfish is like a living skeleton whose organs, including its swim bladder and vertebral column, are visible. Most of its organs are located near the head, its skeleton is quite visible and its internal organs can be seen with a silver sack. Using a magnifying glass, their heart can be seen beating and one can determine the contents of its stomach. When the light strikes the glass catfish just right, it can create an iridescent rainbow color.

Those things were produced into existence by “THE DIVINE FORCE” and for your education. Look carefully at everything around you and (in your mind) remove the manifested “COLOR” resulting by pigmentation from those things as their constituents “Specific Atomic ‘EARTHLY’ Substances” are maintained together by different degrees of cohesion.

All those things are integral, delimited, and “INDISTINCT FORM” OF THE “SPECIFIC ENERGY ‘EARTHLY’ SUBSTANCE”, and to each of which was assigned a purpose in the “Specific Energy ‘EARTHLY’ Substance” constituent of this first “Specific Energy ‘EARTHLY’ Habitation Domain” in which you live.

determined by the “pigment” properties of the “Specific ‘EARTHLY’ Tegumentary Structure” of that “Specific ‘EARTHLY’ Garment” and the wavelengths of the “electromagnetic spectrum” associated with the luminous radiation emanating from “Specific Generative Energy ‘EARTHLY’ Domain”. In contrast with the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, of which the “Specific ‘CELESTIAL’ Tegumentary Structure” of the “Specific ‘CELESTIAL’ Garment” has been endowed with “specific reflecting constructs” of “Specific Atomic ‘CELESTIAL’ Substances”, which allow to selectively absorb and reflect electromagnetic waves, which transport luminous radiation, and thus display a gamut of vivid colors, the “Specific ‘EARTHLY’ Garment”, which the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” wears, has not been endowed with such property.

CHAPTER 161

OTHERS DESIGNED MODELS TO BE APPLIED ON THE “SPECIFIC ENERGY ‘EARTHLY’ SUBSTANCE” CONSTITUENT OF THE FIRST “SPECIFIC ENERGY ‘EARTHLY’ HABITATION DOMAIN”

“THE DIVINE FORCE” will also entrust to the other elders of the creation, the task to study, in the “Specific Energy ‘CELESTIAL’ Domain” and from new “Specific Energy ‘CELESTIAL’ Substances” put at their disposal by “THE DIVINE FORCE” Herself, the properties of new layers of “Specific Atomic ‘CELESTIAL’ Substances” of the new “Specific Energy ‘CELESTIAL’ Substances” as well as the different ways to arrange them on all scales above the scales of the new “Specific Energy ‘CELESTIAL’ Substances”, or to move more or less large quantities of these new layers of “Specific Atomic ‘CELESTIAL’ Substances” from one place in the new “Specific Energy ‘CELESTIAL’ Substances” to another and as indicated by “THE DIVINE FORCE”.

It is these teachings that these elders of the creation would subsequently apply to the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain” in the “Plane Below”.

As we already mentioned, here too, the “specific process” by which the external element of subsistence is provided to the “Specific Atomic ‘SPIRITUAL’ Substance” that subsequently produces its “specific work”, is the basis of all the work that “THE DIVINE FORCE” will assign to the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” to be executed from “Specific Atomic ‘CELESTIAL’ Substances” and which would subsequently be applied to the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain” in the “Plane Below”.

Those works will be classified according to the “specific effects” associated with the internal output signals emitted by the “Specific Atomic ‘EARTHLY’ Substance”.

For example, in terms of the production of this “EPHEMERAL GLOW ‘EARTHLY’” emitted by the “Specific Atomic ‘EARTHLY’ Substance”, the “specific process” by which the external element of subsistence is provided to the “Specific Atomic ‘EARTHLY’ Substance” that subsequently produces its “specific work”, and which is still called “ELECTRICITY”, will be the foundation of numerous works that will be accomplished from several thousand and even several million “Specific Atomic ‘EARTHLY’ Substance” constituent of the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain” in the “Plane Below”.

As we have also indicated earlier, just as the “Divine Particles” are continuously in motion inside “THE DIVINE DOMAIN” at all scales of layers of “Divine Particles”, “THE DIVINE ARCHITECT AND PROJECT MASTER” has also designed and with aim to make manifest, by “THE DIVINE FORCE”, a metaphor for such “DIVINE PRIMARY WEALTH” in the external and immediate environment around each “Specific Atomic ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”.

It is so that, “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed work tools to be applied on layers of “Specific Atomic ‘EARTHLY’ Substances” constituent of the “Specific Energy ‘EARTHLY’ Substance” of the first “Specific Energy ‘EARTHLY’ Habitation Domain” and produce “specific displacement movements”.

It is “THE DIVINE FORCE” who will provide teachings to the elders of the creation concerning those work tools and how to produce and apply these “specific displacement movements” within the new “Specific Energy ‘CELESTIAL’ Substances” that “THE DIVINE FORCE” Herself put at their disposal.

It is so that, under the guidance of “THE DIVINE FORCE”, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” having the “FEMALE” adjective will learn to serve as production medium of these work tools.

These manifested work tools are called “WINDS” — they are in fact the “specific effects” associated with the “specific behaviour” that defines the “movement”, considered in its manifestations in all its forms and scales — and will allow to move not only “Specific Atomic ‘EARTHLY’ Substances”, but also the products of

the “specific work” accomplished by the layers of “Specific Atomic ‘EARTHLY’ Substances”.

It is so that, “WINDS”, as well as their “SWIRLS”, in all their forms and powers, will be produced by “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” having the “FEMALE” adjective and to be applied on layers of “Specific Atomic ‘EARTHLY’ Substances”.

It is so that, by the application of these “WINDS” on layers of “Specific Atomic ‘EARTHLY’ Substances”, new successive emissions/transfers of “‘EARTHLY’ specific supply of subsistence” will take place in the “Specific Energy ‘EARTHLY’ Substance” which is formed by these “Specific Atomic ‘EARTHLY’ Substances”, changing the cohesion of the layers of this “Specific Energy ‘EARTHLY’ Substance” from one place to another.

And it is so that the layers of “Specific Atomic ‘EARTHLY’ Substances” constituents of such “Specific Energy ‘EARTHLY’ Substance” will be arranged in several others ways, from “BEFOREHAND CREATED ENERGY DESIGNS” by “THE DIVINE ARCHITECT AND PROJECT MASTER” and formed by “THE DIVINE FORCE”, then, produced by the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” having the “FEMALE” adjective, creating in passing new layers of “Specific Atomic ‘EARTHLY’ Substances”, therefore manifesting into existence, the special “specific events” of “THE BIRTH” and of “THE EXPANSION”.

These special “specific events” of “THE BIRTH” and of “THE EXPANSION” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed and established at the scale of the “Specific Elementary ‘EARTHLY’ Particle” inside “Specific Atomic ‘EARTHLY’ Substances”, will be applied not anymore inside “Specific Atomic ‘EARTHLY’ Substances” since they have been sealed, but will be applied outside “Specific Atomic ‘EARTHLY’ Substances” using only the “Specific Atomic ‘EARTHLY’ Substances” present in the “Specific Energy ‘EARTHLY’ Substance”, or using those that “THE DIVINE FORCE” Herself would have put at their disposal in the “Plane Below”, and on scales that will be millions of times larger than that of the “Specific Atomic ‘EARTHLY’ Substance”.

It is so that, these special “specific events” of “THE BIRTH” and of “THE EXPANSION” will occur into existence in these layers of “Specific Atomic ‘EARTHLY’ Substances” when the “Specific ‘SPIRITUAL’ Environment” around some of these layers of “Specific Atomic ‘EARTHLY’ Substances” will be (1) either in a state of “CHAOS”, contrary to the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”, (2) or in a state of unstable overload that can lead to the destruction of their structure.

The manifestations of all these “BEFOREHAND CREATED ENERGY FORMS”, which are “BEFOREHAND CREATED ENERGY DESIGNS” by “THE DIVINE ARCHITECT AND PROJECT MASTER” and formed by “THE DIVINE FORCE”, then, produced by “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” having the “FEMALE” adjective, were the object of teachings that the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” received in the “Specific Energy ‘CELESTIAL’ Domain”, to be afterwards applied and expressed on the “Specific Atomic ‘EARTHLY’ Substance” constituent of the “Specific Energy ‘EARTHLY’ Domains” in the “Plane Below”.⁴⁴²

It is so that, pretending to be “gods” and “deities”, these elders of the creation will present themselves to the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” and with respect to the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

This will be the origins of that, which will be called “magic” and “witchcraft” in various forms, as well as their link with astrology, and human creatures that follow these harmful teachings to put them into practice. The leaders of these elders of the creation who declared

It is also so that the basic principles for the functioning of geographical aspects, of electricity aspects, and of all the “natural phenomena”, which are all manifestations of “BEFOREHAND CREATED ENERGY FORMS”, were the object of teachings that the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” received in the “Specific Energy ‘CELESTIAL’ Domain”, to be afterwards applied and expressed on the “Specific Atomic ‘EARTHLY’ Substance” constituent of the “Specific Energy ‘EARTHLY’ Domains” in the “Plane Below”.

The manifestation of all these “BEFOREHAND CREATED ENERGY FORMS” will form the basis of the activities that these elders of the creation will be called to perform throughout the “Specific Energy ‘EARTHLY’ Domains” in the attribute “NON DIVINE” using appropriate work tools.⁴⁴³

It is so that, the elders of the creation will be also identified by the quality, properties and strength of products which ensues of the use of the appropriate tools, for example the “WINDS”, or so other activities, that they will perform throughout on the “Specific Atomic ‘EARTHLY’ Substances” constituents of “Specific Energy ‘EARTHLY’ Domains” in the “Plane Below”.

It is so that, those activities and those “WINDS” will also be metaphors used to designate those elders of the creation, and those elders of the creation will also be called the “WINDS”, or even the “WINDS” feeders.

This is why a “WIND” will designate not only the “specific displacement movements” produced by a suitable tool and that allows to move the “Specific Atomic ‘EARTHLY’ Substances” and the products of the “specific work”

themselves to be “gods” were shown to ENOCH, of whom METHUSELAH is the descendant, and they are locked underground in “THE DEPTHS OF THE WATERS” (inside in this first “Specific Energy ‘EARTHLY’ Habitation Domain”).

⁴⁴³ It is these manifestations and these activities that Solomon (who in stupidity will called them real sectors of wisdom, orations, invocations, conjurations, magical rituals, occult arts, etc...) will learn from “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” covered with the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” and who will take advantage of it to lead him astray in his aspirations of greatness elevation, success, wealth, and domination; just as the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” led themselves astray in the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”.

Read more in the section concerning the details of annotations — Annotation on Solomon who failed to recognize “THE DIVINE FORCE”.

accomplished by layers of “Specific Atomic ‘EARTHLY’ Substances”, but also this elder of the creation that is currently performing this activity.⁴⁴⁴

Other elders of the creation, of the “MALAK” instance, have also learned from “THE DIVINE FORCE” how to create emotional tones of affection and of the “HARMONY” that these elders of the creation had for “THE DIVINE”.

These emotional tones of affection will be expressed, for example, by colours — which are in fact the qualities of the radiation of the “EPHEMERAL GLOW ‘CELESTIAL’” emitted by the “Specific Energy ‘CELESTIAL’ Substances” that “THE DIVINE FORCE” Herself put at the disposal of the elders of the creation — and which will then, be assigned to other new “Specific Atomic ‘CELESTIAL’ Substances” constituents of the new “Specific Energy ‘CELESTIAL’ Substances” that “THE DIVINE FORCE” Herself put at their disposal. It is still these same teachings that these elders of the creation would apply to the “Specific Atomic ‘EARTHLY’ Substances” constituents of “Specific Energy ‘EARTHLY’ Domains” in the “Plane Below”.⁴⁴⁵

⁴⁴⁴ It is of this that ENOCH, of whom METHUSELAH is the descendant, wanted human creatures to understand, when he described the limits of the “Specific Energy ‘CELESTIAL’ Domain” and also described the activities and tasks that are performed by the elders of the creation.

Read more in the section concerning the details of annotations — Annotation on the “WINDS” and the elders of the creation, and how CHRIST had calmed the storm.

⁴⁴⁵ It is this teaching that some of “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” in their fall from grace will be transmitting to human creatures who in their misery will also begin to exploit each others from that knowledge.

It is of this that ENOCH, of whom METHUSELAH is the descendant, described in the writings that he had left to human creatures, saying:

“...

AZAZEL taught men to make swords, knives, shields, breastplates and mirrors; he taught them the workmanship of bracelets and ornaments, the use of paint, the beautifying of the eyebrows, the use of stones of every valuable and select kind, and all sorts of dyes, so that mankind became corrupted.

...”

This tells you about that, which was in abundance in “THE SEAT OF THE INTELLECT” in the “‘SPIRIT←SPIRIT’ Body” of AZAZEL and most of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, and that they considered as valuable: the mere external appearances. “THE

It is so that, all the tasks necessary to the proper implementation of the “Second Phase” of “THE HOLY PROJECT”, that “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed, were the object of teachings that the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” received in the “Specific Energy ‘CELESTIAL’ Domain”, to be afterwards applied and expressed on the “Specific Atomic ‘EARTHLY’ Substance” constituent of the “Specific Energy ‘EARTHLY’ Domains” in the “Plane Below”.

All these tasks are distributed according to the “Sealed Twelve” Archangels and for each sealed Archangel among the “Sealed Twelve”, the resulting tasks are distributed according to the manifestations of the metaphors of the seven “transformation steps” of products of the “divine work”, accomplished by the “Generative Divine Particle”, by the products of the “divine work” accomplished by the six “Formative Divine Particles” in “DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, and on every “transformation step”, the successive resulting tasks are distributed according to the twenty-four “transformation sub-steps” which have already been described.

To each task resulting in the cascade of subdivisions, several “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” are selected and assigned the responsibility to carry out these tasks.

Therefore, from the elements of “THE ‘SPIRIT’ REASON”, each resulting task item in the cascade of the subdivisions is designed to bring the performers to understand a little more, in “THE FRAME OF REFERENCE OF THE ATTRIBUTE ‘NON DIVINE’” in the attribute “NON DIVINE” where this task will be performed, the nature of “THE DIVINE” and to grow in “THE KNOWLEDGE OF THE DIVINE”.

However, as we have already said, the elements of “THE ‘SPIRIT’ REASON” are not sufficient to describe the elements of “THE ‘SPIRIT→LIGHT’ REASON” which themselves are not sufficient to describe the elements of “THE ‘LIGHT’ REASON” which themselves are not sufficient to describe the elements of “THE ‘LIGHT→GOD’ REASON” which themselves are not sufficient to describe the elements of “THE ‘GOD’ REASON” which themselves are not sufficient to describe the elements of “THE ‘GOD→DIVINE’ REASON” which in their turn are not sufficient to describe the elements of “THE ‘DIVINE’ REASON”.

SEAT OF THE INTELLECT” in their “‘SPIRIT←SPIRIT’ Body” was empty of “THE KNOWLEDGE OF THE DIVINE”.

Therefore, the execution of these tasks, which will be assigned to “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, will be a first step in the understanding of the nature of “THE DIVINE”.⁴⁴⁶

By spreading these tasks, resulting in the cascade of the subdivisions, throughout the “MURKY VOID” in the attribute “NON DIVINE”, and in very remote locations from “THE SHEKINAH”, while remaining in the manifested designs in the proportions of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, it is self evident that the necessity will arise for the performers of such tasks, to receive their daily amount of “fruits” of “THE TREE OF LIFE” so that they can perform the weekly tasks efficiently; thus the necessity to shorten the distance of travelling back and forth to “THE SHEKINAH”; that is, the necessity to bring the presence of “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — at those remotes locations. That presence of “THE SHEKINAH” will be carry by the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, who, thus, through the “Causal Precedence Relation of ‘THE PRAISE’” outside of the “Specific Energy ‘CELESTIAL’ Domain” in the attribute “NON DIVINE”, will provide for the subsistence of those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” performers of the tasks.

In the long term, eternity, the web of those tasks, including their performers and the carriers of the presence of “THE SHEKINAH”, and linked by “specific processes”, will form a manifestation of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, decomposed into all its products, carrying metaphors of those “DIVINE PRIMARY WEALTH” that “THE DIVINE” has chosen to share with the attribute “NON DIVINE”: THE ULTIMATE GOAL OF “THE HOLY PROJECT”.

Throughout these teachings that “THE DIVINE FORCE” gave them, all these elders of the creation were called upon to grow in “THE KNOWLEDGE OF THE DIVINE” in “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” and in the understanding of “THE HOLY PROJECT” in which they were “spoken” into existence.

⁴⁴⁶ In the absence of “THE KNOWLEDGE OF THE DIVINE”, “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” which are all restricted to “THE ‘SPIRIT’ REASON” and who had not even advanced in this first step in the understanding of the nature of “THE DIVINE”, will declare themselves to be “gods” and “deities”.

THE SUBJECTIVE SHAPES ASSOCIATED TO THE
DESIGNED MODELS TO BE SCULPTED IN THE
“SPECIFIC ENERGY ‘EARTHLY’ SUBSTANCE”
CONSTITUENT OF THE FIRST “SPECIFIC ENERGY
‘EARTHLY’ HABITATION DOMAIN”

Each “SPIRIT←SPIRIT” ‘CELESTIAL’ Creature” had received one or more unique expressions that identified him and that were not available on the others “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures” and the entire “CELESTIAL HOST” was maintained in unity by “THE DIVINE FORCE”.

“THE DIVINE”, IHVH, our FATHER perceived that the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” had sufficiently developed “THE INTELLECT”, and had developed sufficient knowledge and dexterity in the implementation of the tasks designed and established, and that the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” was “HAPPY”.

But this state of happiness and fulfillment pulled its strength in the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” that took place in “THE SEAT OF THE INTELLECT” inside the “‘SPIRIT←SPIRIT’ Body” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, to the point that the

“‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had sent “THE KNOWLEDGE OF THE DIVINE” to oblivion.

The foremost elders of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, the “ADONA’IM”, went so far as to “DOUBT” the existence of the “‘LIGHT’ Divine State” and of the “‘GOD’ Divine State” whose child is the “‘LIGHT’ Divine State”, to the point that the Archangel MICHAEL, the eldest, had then, named himself “god” over the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, trying to explain to them that he was their father and that there was no other “god” apart from him; he thus demonstrated his lack of knowledge towards his own origin and the lack of knowledge about the nature of “The ALTAR of ‘THE DIVINE’” which is inside “THE SHEKINAH” and in front of which he came to receive from “THE DIVINE FORCE” the instructions of “THE DIVINE”, IHVH, our FATHER.

The Archangel MICHAEL and the “ADONA’IM” and all the others “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of “THE CELESTIAL HOST” had not developed in them “THE KNOWLEDGE OF THE DIVINE” and therefore they had no knowledge about “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, and they had no knowledge about the “‘SPIRIT←SPIRIT’ INDISTINCT DIVINE FORMS” and all the other “INDISTINCT DIVINE FORMS” that are inside of “THE DIVINE DOMAIN”. **They were in “Obscurity” and they were “Obscurity”.**

As you would have understood already from the concept of “LIGHT” that is hidden in the “LIGHT”, and which we have explained already in the chapter concerning the creation of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” into existence, **the absence of the “LIGHT” that is hidden in the “LIGHT”, is designated as the “Obscurity” in all its forms.**

As we have explained already, using the concepts of “chemical reactions” and of which we fully repeat the illustration here, at the basis of all those products that are formed as well as those that are consumed in all their details in “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, are “chemical reactions”. “THE DIVINE”, IHVH, our FATHER, has “given body” to the constituents elements of those “chemical reactions”, the reactants, the products, and intermediates of enzymatic reactions, etc..., through those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” themselves as constituents elements of those “chemical reactions”, and those tasks, which were assigned to them, were meant to lead them to understand the multitudes of “chemical pathways and cycles” and other details of those “chemical reactions”, which represent the “LIGHT” that is hidden in the “LIGHT”, the hidden treasure behind those

“rational activities” assigned to these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, and which tells something very precise about “THE DIVINE”, IHVH, our FATHER. In a “chemical reaction”, the flow of reactants, products, and intermediates of enzymatic reactions, etc..., does not have “consciousness” — in the sense of the qualitative flow of inner states; this capacity by which an “energy” will take at any moment an immediate and direct knowledge, more or less complete and clear, of its existence, its states and its acts; that instant knowledge, unaccompanied by effort, of the experience as it presents itself — as such. Giving “consciousness”, giving the “token of life”, and giving the autonomous capacity of “FREE CHOICE”, and the capacity to understand, to those constituents elements of “chemical reactions” is what “THE DIVINE”, IHVH, our FATHER, has performed with the creation of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” into existence inside the “Specific Energy ‘CELESTIAL’ Domain”. Of the “energy” products of the events, which take place in “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, HE has made “creatures” endowed with “consciousness”. HE has established, in some sense, “role playing” tasks, defined through these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and those “rational activities”, which are assigned to them, so that through the understanding of both their own designations (or namings) and their “innate capabilities”, in the execution of those “rational activities”, each of them can act, by his own decision-making, on the development of his own “specified role”, the purpose of which he was “spoken” into existence, and come to understand through discernment, that:

- They, as “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, are enliven and conscious constituents elements of well-defined “chemical reactions”, which take place within a well-defined context and specifications, “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, and by metaphors in the “‘SPIRIT’ Specific State” inside the “Specific Energy ‘CELESTIAL’ Substance” constituent of the “Specific Energy ‘CELESTIAL’ Domain”.
- The reactants, products, and intermediates of enzymatic reactions, etc..., of those “chemical reactions” from which they have been made “animated” and “conscious” “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, tell something very precise about “THE DIVINE”, IHVH, our FATHER. The understanding and knowledge of those “chemical reactions” and their constituent elements are the hidden treasure, behind those “rational activities”; they are the “LIGHT” that is hidden

in the “LIGHT”, and from which emerges “THE KNOWLEDGE OF THE DIVINE”.

And, ultimately, so that they can read and understand the story line, the living “DISCOURSE” of “THE DIVINE”, IHVH, our FATHER, which has been written by “THE DIVINE FORCE” through them, as “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, “assuming their role”, and thus assuming the “Characters”, the “Personalities” whose roles they played and which they acquired, in that story line.

The Archangel MICHAEL and the “ADONA’IM” and all the others “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of “THE CELESTIAL HOST” have failed to “see” the “LIGHT” that is hidden in the “LIGHT”, and which was embedded in the “specific tasks”, which were assigned to them by “THE DIVINE FORCE”; they have failed to read and understand the story line, the living “DISCOURSE” of “THE DIVINE”, IHVH, our FATHER, which has been written by “THE DIVINE FORCE” through them, as “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”. They have not developed in them “THE KNOWLEDGE OF THE DIVINE”; they were in “Obscurity” and they were “Obscurity”.

It is then, that “THE DIVINE FORCE” has understood that the Archangel MICHAEL was not in an expression of the metaphor of the “SUPREME STATE OF EQUILIBRIUM”; Indeed, “THE SEAT OF THE INTELLECT” in the “‘SPIRIT←SPIRIT’ Body” of the Archangel MICHAEL was acting by ignoring the voice of “THE SEAT OF THE WISDOM” — that is, without taking into account all the teaching that “THE DIVINE FORCE” had provided to “The ALTAR of ‘THE DIVINE’” in the “‘SPIRIT←SPIRIT’ Body” of the Archangel MICHAEL.

It is so that, “THE DIVINE FORCE” chose to rectify the deficiency of “THE KNOWLEDGE OF THE DIVINE” that had taken place in “THE SEAT OF THE INTELLECT” in the “‘SPIRIT←SPIRIT’ Body” of “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” in the “Specific Energy ‘CELESTIAL’ Domain” inside the attribute “NON DIVINE”.

In Her council inside of “The ALTAR of ‘THE DIVINE’” inside of the “‘SPIRIT←SPIRIT’ Body” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, “THE DIVINE FORCE” saw the imperfect illusions that these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” produced by themselves for the purpose of make a representation of “THE ONE” from whom “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” originate, and designing images to allude to the likeness of that, which is proper to “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”.

It is thus that “THE DIVINE FORCE” established furthermore to educate more the Archangel MICHAEL, inside “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — in “THE UNION”. And “THE DIVINE FORCE” started to educate and guide the Archangel MICHAEL on the specifications established by “THE DIVINE ARCHITECT AND PROJECT MASTER” as well as on the meaning of the attribute “SPIRIT”, the attribute “LIGHT” and the attribute “GOD” of “THE BODY OF ‘HE WHO IS’”, and what these attributes represent, to the extent of the elements of “THE ‘SPIRIT’ REASON”.

This was thus the prelude of the “Second Phase” of the implementation of “THE HOLY PROJECT”, and with the announcement of the “Second Phase” of the implementation of “THE HOLY PROJECT”, “THE DIVINE FORCE” will entrust the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, specific tasks for additional education, in order to give them the elements of answers to their quest to seek to know “THE ONE” from whom they originate and who to them had remained invisible and unapprehendable and inconceivable by elements of “THE ‘SPIRIT’ REASON”.

We have already explained the general process of education — cultivation of learning — of “THE SEAT OF THE INTELLECT”, under the supervision of “THE DIVINE FORCE”.

In this new series of additional education, it is the “personal” dimension, the identity, of each “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” that was to be addressed through “personal projects”, in order to awaken in these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, knowledge of themselves, to awaken in them the “exploratory” behavior of themselves, the thirst to ask themselves more questions about themselves, as a living “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” into existence, and therefore seek the answers; for, these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” were not even aware of the existence of their own “‘SPIRIT←SPIRIT’ Body”, let alone the model of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, the mould from which they are all products. Given that these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” did not know themselves, is it “THE ONE” who remained invisible and unapprehendable and inconceivable by elements of “THE ‘SPIRIT’ REASON”, whom they would know? A response on the exploration of oneself allows us to advance in “THE KNOWLEDGE OF THE DIVINE”, when we know how to discern and “connect the dots”.

In this new series of additional education, all based on the 3D-modelling/shaping/forming of the contours of the identity exercise, which we have already mentioned in one previous chapter, “THE DIVINE FORCE” will choose to let them do their own experiment; SHE will let them “slip into the skin of the artist” in the 3D-modelling/shaping/forming of the contours of the identity exercise.

As we have indicated already, one of the purpose of this 3D-modelling/shaping/forming of the contours of the identity was, for these “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures”, to translate through a 3D-modelling/shaping/forming of the contours of “who they think they are”; in other words, how they identify themselves, as being seen by self and by others as a particular sort of individual, how they perceive the existence, how they perceive themselves in the existence, and also what was their understanding of “THE DIVINE”.

This 3D-modelling/shaping/forming of the contours of the identity exercise was a touchstone and tool of creative exploration that fundamentally enables a visual discovery of the perceptions and ideas related to the qualities of the manifested metaphor of the “LIGHT” that is hidden in the “LIGHT”, from which arises “THE KNOWLEDGE OF THE DIVINE”. This 3D-modelling/shaping/forming of the contours of the identity exercise was, for these “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures”, a fundamental means to translate, document, record and analyse by themselves the “world” in which they inhabited.

This 3D-modelling/shaping/forming of the contours of the identity exercise also intended to help these “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures” prepare for the understanding of more difficult concepts, which are beyond the limits of elements of “THE ‘SPIRIT’ REASON”, as well as the specifications as established by “THE DIVINE ARCHITECT AND PROJECT MASTER” and associated to those concepts.

Some of these “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures” will be well satisfied with the knowledge they had already acquired in the execution of the tasks that had been assigned to them hitherto, and will continue to “sleep on the kudos of their innate skills”, while others will be inclined to dig further, to want to understand.

It is so that, “THE DIVINE FORCE” will entrust the “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures” in “THE CELESTIAL HOST”, the particular task to choose shapes that will be associated: to the “Vegetal ‘EARTHLY’ Creature”

model, to the “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creature” model, and to the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model.

The animal forms as well as the human form, which are now familiar to you, were not known to these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and had not yet appeared into existence inside the attribute “NON DIVINE”. Thus this particular task of choosing forms, was captivating and aroused their intellectual curiosity and enthusiasm.

This particular task will be only about the external morphological particulars which will be associated to each of the three models — the “Vegetal ‘EARTHLY’ Creature” model, the “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creature” model, and the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model —, without taking into account the anatomical aspect in these three models.

Indeed, none of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” in “THE CELESTIAL HOST”, had sufficient knowledge to be able to conceive the anatomie of the “Specific ‘EARTHLY’ Garment” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, or the anatomie of a “Specific ‘EARTHLY’ Garment” of the “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creature”.

If they had succeeded to develop in them such knowledge, it would mean that they had understood not only the meaning of all numbers and the organs associated with the anatomie of such “Specific ‘EARTHLY’ Garment”, but the origin of those numbers and those organs; how those numbers and those organs came to be and how they are related to each other.

Therefore, from all the teachings that “THE DIVINE FORCE” had poured on each of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, they would have came to understand the existence of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” constituent of “THE DIVINE BODY”, and manifested through them, all around them, and through all the tasks which were assigned to them.

Therefore, they would have came to understand that everything that is “PURE” ensues from “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, and that, themselves, as well as all the ordinances, which were given to them, have been established through “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, since eternity and very long before that they, as “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, were “spoken” into existence.

Therefore, they would have understood, or at least have an indication of, the extent of knowledge, the extent of thoughts and to the least details, that “THE DIVINE ARCHITECT AND PROJECT MASTER” had deployed to design and establish “THE HOLY PROJECT”, and that “THE DIVINE FORCE” was implementing.

Therefore, the disaster that they were about to unleash into the implementation of “THE HOLY PROJECT”, from their fury of absence of “THE KNOWLEDGE OF THE DIVINE”, would not have taken place.

But, after nearly seventy billion years into existence in the attribute “NON DIVINE”, and which is the duration of “First Phase” of the realization of “THE HOLY PROJECT”, reckoned in “THE FRAME OF REFERENCE OF THE ATTRIBUTE ‘NON DIVINE’”, none of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, including the Archangel MICHAEL, knew not of the existence of “THE DIVINE FORCE” who, through the process of education through enlightenment, through which SHE fulfilled all their “Wishes”, their “Desires”, was diligently teaching all of them and each of them, as numerous as they were.

None of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, including the Archangel MICHAEL, despite having developed sufficient knowledge and dexterity in the implementation of the tasks which were assigned to them, knew not why they were assigned those tasks or where those tasks originate from; none of them succeeded in discerning the pattern described and through which the necessity to accomplish these tasks arose in existence. These “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have always believed that they were the ones who did all that work by themselves and had acquired their dexterity by themselves. Even nowadays, before that “THE DIVINE”, IHVH, our FATHER had sent to mankind the knowledge written in this BOOK, they thought that they were the ones who created the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.⁴⁴⁷

None of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, including the Archangel MICHAEL, knew not how they came into existence or even that they were into existence inside an attribute “NON DIVINE”.

⁴⁴⁷ Since they are all unable to see or recognize “THE DIVINE FORCE” teaching HER Child, they have asked CHRIST, saying: “How come the human knows all these things?” And CHRIST responded to them, saying: “I do not know how THE FATHER is giving him this knowledge.” The fallen ones became aware that, knowledge of “THE HOLY PROJECT”, and knowledge of all their deeds, have been sent to mankind, and having failed to trap and bring down the “human”, they understood that this “human” is not an ordinary one and they approached “him” and said: “Reveal yourself! Who are you?”

Consequently, none of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” in “THE CELESTIAL HOST”, had sufficient knowledge to be able to conceive the anatomy of the “Specific ‘EARTHLY’ Garment” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, or the anatomy of a “Specific ‘EARTHLY’ Garment” of the “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creature”.

Let recall that “THE DIVINE ARCHITECT AND PROJECT MASTER” had designed and established these three models — the “Vegetal ‘EARTHLY’ Creature” model, the “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creature” model, and the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model —, from eternity, before that the attribute “NON DIVINE” was created, and thus, from eternity, before that the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” were “spoken” into existence.

For the “Vegetal ‘EARTHLY’ Creature” model, “THE DIVINE FORCE” will entrust some “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” in “THE CELESTIAL HOST”, this particular task to choose shapes that will be associated to the “Vegetal ‘EARTHLY’ Creature” model, to study and establish properties and a mode of functioning for each form.

For each chosen form, these properties will also provide a unique purpose to the chosen form and that “THE DIVINE FORCE” would manifest into existence in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”.

“THE DIVINE FORCE” was for all of them a gentle shepherd and devoted to their education, to reveal “THE KNOWLEDGE OF THE DIVINE” to the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” in “THE CELESTIAL HOST”, to lead them to understand “THE DIVINE”, in all its forms manifested in the “‘SPIRIT’ Specific State”.

Through the ordinances of the “specific spiritual formation” of “THE CHURCH”, “THE DIVINE FORCE” revealed them the specifications and properties⁴⁴⁸ of each

⁴⁴⁸ Later when some of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” will reject the first commandment, “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”, thus loosing “HARMONY” with “THE DIVINE”, IHVH, our FATHER, they will be hurled on EARTH and in the first “Specific Energy ‘EARTHLY’ Habitation Domain” down here and they will consider themselves, not as creatures, but rather as “beings” (since they do not know how they came into existence, nor have they seen those who exist before them and they believe themselves to be eternal) having a divine essence, that is, they will pretend to be “gods” (which they are not) and “deities” (which they are not either), towards human

“Vegetal ‘EARTHLY’ Creature” so that such “Vegetal ‘EARTHLY’ Creature” can function as it should in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”.

“THE DIVINE FORCE” revealed them the concepts of a “tree”, concepts related to the “fruits” produced by a “tree”, and several others concepts relating to “LIFE”, so that these elders of the creation can understand not only the basic principles on which they had been “spoken” into existence in the “Specific Energy ‘CELESTIAL’ Domain”, the basic principles that “THE DIVINE FORCE” had used to create into existence the “Specific Atomic ‘CELESTIAL’ Substances” from which the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” were designing each “Vegetal ‘EARTHLY’ Creature”, but much more, so that they grow up in “THE KNOWLEDGE OF THE DIVINE” through these manifestations of metaphors of “EONS”.

creatures — gods of fertility, gods of war, natural forces, divinatory spirits, etc... — diverting the knowledge that they had received from the tasks that were entrusted to them, they are going to enslave and dominate the human creature, and destroy the implementation of “THE HOLY PROJECT”.

It is of this that ENOCH, of whom METHUSELAH is the descendant, described in the writings that he had left to humans, saying:

“ ...

And it came to pass when the children of men had multiplied that in those days were born unto them beautiful and comely daughters.

And when the angels, children of heaven saw them, they lusted after them; and they said to each other: come, let us choose us wives from among the children of men and beget us children.

...

And they took unto themselves wives, and each chose for himself one, and they came, and they began to go in unto them and to defile themselves with them, and they taught them charms and enchantments, and the properties of root and plants.

...”

It is by using their inner faculties of metamorphosis that these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” transformed their appearances and took those of the husbands of these women and defile themselves with them in order to fill them with particulars of their “‘SPIRIT←SPIRIT’ Body” corrupted by their perversities.

הנהר שפסו על מטה אלה

CHAPTER 162

THE SUBJECTIVE SHAPES ASSOCIATED TO THE DESIGNED MODELS TO BE SCULPTED IN THE "SPECIFIC ENERGY 'EARTHLY' SUBSTANCE" CONSTITUENT OF THE FIRST "SPECIFIC ENERGY 'EARTHLY' HABITATION DOMAIN"

It is so that, “THE DIVINE ARCHITECT AND PROJECT MASTER” had intended to add products of the “Vegetal ‘EARTHLY’ Creature” model in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”.

All products of the “Vegetal ‘EARTHLY’ Creature” model that these elders of the creation had designed, will later represent that, which will be called: “THE FLORA”.

“THE DIVINE FORCE” will subsequently create a single seed, at the scale of the “Specific Atomic ‘EARTHLY’ Substance”, for each product of the “Vegetal ‘EARTHLY’ Creature” model and SHE will place these seeds inside each of these products.

For the “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creature” model, “THE DIVINE FORCE” will entrust the other “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” in “THE CELESTIAL HOST”, this particular task to choose shapes that will be associated to the “Specific ‘EARTHLY’ Garment”. The application of this subjective form to the “Specific ‘EARTHLY’ Garment” will produce that, which will be called: the “Subjective ‘EARTHLY’ Garment” of the “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creature”.

For the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, “THE DIVINE FORCE” will entrust the Archangel MICHAEL, this particular task to choose a shape that will be associated to the “Specific ‘EARTHLY’ Garment”. The application of this subjective form to the “Specific ‘EARTHLY’ Garment” will produce that, which will be called: the “Subjective ‘EARTHLY’ Garment” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

The uniqueness of the external shape for the “Subjective ‘EARTHLY’ Garment” implies the choice of a single rigid structure in this “Subjective ‘EARTHLY’ Garment” that will allow maintaining the external morphological particulars which will be chosen by the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”.

At the appointed time and following the appropriate convergence point in “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” that “THE DIVINE” has consolidated in Himself, it is “THE DIVINE FORCE” who will Herself create all the anatomical structures associated with the three models – the “Vegetal ‘EARTHLY’ Creature” model, the “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creature” model, and the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model – and reflecting the external morphological particulars that would have been chosen by the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”.

CHAPTER 163

THE “SUBJECTIVE ‘EARTHLY’ GARMENT” OF THE “‘SPIRIT←SPIRIT’ ‘EARTHLY’ CREATURE” MODEL

“THE DIVINE FORCE” will entrust the “ADONA’IM” and the other “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” in “THE CELESTIAL HOST”, with exception of the Archangel MICHAEL, the particular task, to each of them, to choose a “Character” for oneself, which will be associated to the “Specific ‘EARTHLY’ Garment” of the “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creature”.

As we indicated in one previous chapter, the path along which will be educated and led “The ALTAR of ‘THE DIVINE’” which is covered by the “Specific Energy ‘SPIRIT’ Substance” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, is the path illustrated by the Governing Law of the Behavior, the manifestation of “The Walk within the Acronym IHVH”; it is the path that leads to “PLENITUDE”, to the manifestation in the attribute “NON DIVINE”, of the metaphor of the indescribable joy, the ineffable gladness, and immeasurable state of equilibrium that “THE DIVINE”, IHVH, our FATHER has chosen to share with the attribute “NON DIVINE” like HE had intended when HE had decided to establish “THE HOLY PROJECT”.

One of the main drivers of this education, and that allows leading “The ALTAR of ‘THE DIVINE’” which is covered by the “Specific Energy ‘SPIRIT’ Substance” in this “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, toward that, which it is called to become, is the distinction.

And it is through the distinction, which highlights the purpose of the “DIVINE PRIMARY WEALTH”, that each manifestation of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, will have to find its place, build a personality; each “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” with respect to the others “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, each “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” with respect to “THE DIVINE”, IHVH, our FATHER.

Only “THE DIVINE FORCE”, in all its forms, has all these information in all their details, and SHE received them from “THE DIVINE”, IHVH, our FATHER, in order to accomplish all the purposes of education of all creatures that will be created into existence in the attribute “NON DIVINE”.

To that end and from the models and shapes that “THE DIVINE FORCE” will teach them through the process of education through enlightenment, through which SHE fulfilled all their “Wishes”, their “Desires”, which we have described already, and through the ordinances of the “specific spiritual formation” of “THE CHURCH” from “THE SHEKINAH” – “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” –, and through those teachings, each of them will design for himself a unique external shape, represented by a set of morphological characteristics, for the “Specific ‘EARTHLY’ Garment” of the “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creature” including its mode of operation (mainly its manifested movements) from the perspective of that morphology and in the image of which each of this “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” will identify itself

through manifestation of a metaphor in the new “Specific Energy ‘EARTHLY’ Substance”.⁴⁴⁹

⁴⁴⁹ Later when some of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” in “THE CELESTIAL HOST” will reject “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” losing their “HARMONY” with “THE DIVINE”, IHVH, our FATHER, they will be hurled on EARTH down here.

Filled with the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, they will consider themselves, not as creatures, but rather as “beings” (since they do not know how they came into existence, nor have they seen those who exist before them and they believe themselves to be eternal) having a divine essence, that is, they will pretend to be “gods” (which they are not) and “deities” (which they are not either), towards human creatures — gods of fertility, gods of war, natural forces, divinatory spirits, etc... — diverting the knowledge that they had received from the tasks that were entrusted to them, they are going to enslave and dominate the human creature, and destroy the implementation of “THE HOLY PROJECT”.

Using their inner faculties of metamorphosis and the teachings that they had received from “THE DIVINE FORCE”, these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” will subjugate human creatures who did not understand these faculties that they described as supernatural as these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” changed the shape of their perdurable “Specific ‘SPIRITUAL’ Garment” in front of these human creatures and in an unpredictable manner outside the ordinary course of things that were familiar to these human creatures.

It is so that, in much the same way as putting a sharp razor clam in the hands of a one year old baby and letting him crawl around with it for its own destruction, these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” will also accelerate the destruction of human creatures by unveiling and by transferring, in these human creatures, the mechanisms that are at the base of these instant metamorphoses, in exchange for those human creatures to abdicate their freedom and their elements of “THE ‘SPIRIT→LIGHT’ REASON” — that is, to abdicate their “SOUL”, which is “The ALTAR of ‘THE DIVINE’” consolidated inside of their “‘SPIRIT←LIGHT’ Body” — through oaths of allegiance to these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”: this is the sole objective that these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have set for themselves since the announcement of the “Second Phase” of the implementation of “THE HOLY PROJECT”, when they came to understand that “... None amongst them, who are elders of the creation, but a new creature will receive and carry the manifestation of “THE UNION” ...”. And these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have remained clinging to the realization of their sole objective, by all means.

Such destruction is not the result of the transfer strictly speaking of the knowledge about the functioning of those mechanisms, but such destruction is the result of both (1) the transfer of the absence of “THE KNOWLEDGE OF THE DIVINE” concerning the purposes of those faculties, which were endowed to those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’

The mode of operation from the perspective of that morphology concerns the dynamics associated with the unique external form of the “Specific ‘EARTHLY’ Garment” of the “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creature” and which attaches to its movement in which the dimensional continuity and the temporal continuity will settle more and depending upon the basic innate instincts of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” at the origin of this unique external form of the “Specific ‘EARTHLY’ Garment” and which, that “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” will choose to use for this unique external form of the “Specific ‘EARTHLY’ Garment”.

It is so that, this particular task was only about the morphological particulars of the “Specific ‘EARTHLY’ Garment” of the “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creature”, without taking into account the anatomical aspect of this “Specific ‘EARTHLY’ Garment”. The application of this unique subjective morphology to the “Specific ‘EARTHLY’ Garment” will produce that, which will be called: the “Subjective ‘EARTHLY’ Garment” of the “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creature”.

For each “Character” chosen, “THE DIVINE FORCE” had also intended to produce into existence in the new “Specific Energy ‘EARTHLY’ Substance”, a “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creature” and whose “Specific Energy ‘SPIRIT’ Essence Substance” will be endowed with metaphors of the particulars of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” which is at the origin of the “Character” considered.

Do you recall what we have indicated about the meaning of the word “EARTH”? The reference to that place (level, layer) “deep inside” the “THRONE” and where KNOWLEDGE of those causes and the consequences associated with the

Creatures”, and (2) the transfer of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, that these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have developed around their inner faculties. Just like those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had no knowledge about the origin of those faculties and why they have been endowed with those faculties, it is so that the human creatures who will be the receivers of such transfer of absence of knowledge, will feed from it and also put it into practice.

All reptiles, without exception, are part of “Characters” that chose the major part of these elders of the creation, who have rejected “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”, thus loosing “HARMONY” with “THE DIVINE”, IHVH, our FATHER; they will be hurled on EARTH down here. The attributes of these reptiles are also characteristic attributes of these elders of the creation; that is, these reptiles are to a particular extent “images” in characters of these fallen elders of the creation.

manifestation by metaphor of the movement of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, which is established and directed from the “THRONE”, is kept? Well, similar KNOWLEDGE of those causes and the consequences associated with the manifestation by metaphor of the movement of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, and which are kept on that similar place (which is also designated as “EARTH”) “deep inside” a “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, also defines the particulars of that “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”. As you would have understood, this particular task of choosing a “Character” for oneself was meant to “un-EARTH” (to reveal, to shed light on) that, which is kept in that place (level, layer) “deep inside” a “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”.

“THE DIVINE FORCE” entrusted them this particular task to lead them to understand that every “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” was created into existence as manifestation of a well-defined product of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” in the “‘SPIRIT’ Divine State”, and that every “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” is an expression of the character of “THE DIVINE FORCE” and therefore of “THE DIVINE”, IHVH, our FATHER; that is, every “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” carries with it a manifestation of a metaphor of a “DIVINE PRIMARY WEALTH”.

Just as eternal truths that are contained in “THE ABSOLUTE FRAME OF REFERENCE” defined by “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” are also expressed in products that are formed into existence inside of this “DIVINE SUPREME CONFIGURATION”, it is likewise that, in “THE FRAME OF REFERENCE OF THE ATTRIBUTE ‘NON DIVINE’” in the attribute “NON DIVINE”, each “Character” chosen by a “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” would carry celestial truths concerning the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” which is at the origin of the considered “Character”.

The celestial truths concerning the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” which is at the origin of a considered “Character”, are not the eternal truths that are contained in the product of “THE ABSOLUTE FRAME OF REFERENCE” defined by “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” and from which that “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” is a manifestation of a metaphor.

But these celestial truths concerning the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” which is at the origin of a considered “Character”, would allow the

following of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” to discern the eternal truths from the celestial truths.⁴⁵⁰

Indeed, “THE DIVINE FORCE” will entrust to the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” in “THE CELESTIAL HOST” which had acquired enough knowledge, the particular task, to each of them, to choose a “Character” for oneself, so that each of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” can reflect on itself, describing through the chosen “Character”, its own vision of existence and also its own vision of “THE DIVINE”.

Therefore, each “Character” chosen by each of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, in the sense where it involves intellectual, cognitive, and emotional processes, would also be a testimony of both their intellectual growth in “THE KNOWLEDGE OF THE DIVINE” and their affective and emotional growth in “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”: the two factors that enable access to the indescribable joy, the ineffable gladness, and immeasurable state of equilibrium that “THE DIVINE” has chosen to share with the attribute “NON DIVINE”.

This particular task to choose a “Character” for oneself will solicit⁴⁵¹ to a very large extent and to the limits of “THE ‘SPIRIT’ REASON”, representational aspects of the elements of “THE ‘SPIRIT’ REASON” of which “THE DIVINE ARCHITECT AND PROJECT MASTER” has predefined abundantly inside of “THE SEAT OF THE INTELLECT” of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, and thus allows the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” to project its self-identity and self-awareness on the “Character” chosen for oneself.

The “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” were not aware of the existence of their “‘SPIRIT←SPIRIT’ Body” acting inside the “Specific ‘CELESTIAL’

⁴⁵⁰ The following of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” is the human creature and this particular task to choose a “Character” for oneself is reminiscent of the activity whereby you are presented with an artwork that has been painted by an artist, and you are called to discern the character features and values that are inherent and define the artist of the artwork. It is from these traits of character and values, that one will be able to get back at the root and to discern the origin of the artist of the artwork.

⁴⁵¹ To exert an action or an influence on, by awakening, by stimulating. Synonym: to call, to attract, to capture, to arouse, to excite, to wake up, to prick, to provoke, to retain, to stimulate. Use here in the sense of soliciting attention, curiosity, interest, memory, intelligence, eyes, gaze, effort.

Garment”, but they knew to a particular degree that they had each an essence within them.

It is so that, the particular task to choose a “Character” for oneself is a very complex activity, which will involve the “specific processes” internal to the “‘SPIRIT←SPIRIT’ Body” acting inside the “Specific ‘CELESTIAL’ Garment”, sensory, intellectual, cognitive and emotional processes that must function and be in sufficient coordination on the outer shape of the “Subjective ‘EARTHLY’ Garment” of the “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creature” and that the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” had chosen.

The discernment of the “Character” that a “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” would have chosen would allow the following of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” to understand three values that the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” will unconsciously express in his “Character” and about both his intellectual growth in “THE KNOWLEDGE OF THE DIVINE” and his affective and emotional growth in “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”.

The first value that must be discerned is expressive of the chosen “Character” and concerns the affective and emotional growth in “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”.

The expressive value of the chosen “Character” depends upon the form that is associated with the “Character” and this form will have to function optimally in a well-defined subset of the new “Specific Energy ‘EARTHLY’ Substance”.⁴⁵²

The choice of the subset of the “Specific Energy ‘EARTHLY’ Substance” will be a testimony of the temper of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” at the origin of the “Character”, of the growth of its affective and emotional reactions from the moment when it was “spoken” into existence inside the “Specific Energy ‘CELESTIAL’ Substance” until the moment when this “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” chose his own “Character”.

The time that was associated with the moment when the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” chose their own “Character” was that of the end of the “First Phase” of “THE HOLY PROJECT”.

⁴⁵² Three basis subsets will be defined in the “Specific Energy ‘EARTHLY’ Substance”; they will be called: “The Waters”, “The Earth”, “The Air”.

The “First Phase” of the realization of “THE HOLY PROJECT”, lasted a full cycle of seven “transformation steps” of products of the “divine work”, accomplished by the “Generative Divine Particle”, by the products of the “divine work” accomplished by the six “Formative Divine Particles” in “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” in the “Divine Septenary Equilibrium Zone” in “THE ABSOLUTE FRAME OF REFERENCE” defined by “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” in “THE DIVINE”; which, by application of the proportionality factors that define the laws of change of frame of reference, is roughly seventy billion years in “THE FRAME OF REFERENCE OF THE ATTRIBUTE ‘NON DIVINE’” in the attribute “NON DIVINE”.

Just as it is with the renewal of the “GENES” of the “‘SPIRIT←LIGHT’ Body” in the model of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, in much the same in the model of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” some basic qualities which predetermine precise features of the “‘SPIRIT←SPIRIT’ Body” (and that we shall call the “GENES” of the “‘SPIRIT←SPIRIT’ Body”), are nullified once every seven years to give way to new “GENES” of the “‘SPIRIT←SPIRIT’ Body”.

Thus, at attainment of this time which was associated with the moment when the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” chose their own “Character”, these “GENES” of the “‘SPIRIT←SPIRIT’ Body” in the model of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” will have been nullified to about ten billion times in “THE FRAME OF REFERENCE OF THE ATTRIBUTE ‘NON DIVINE’” in the attribute “NON DIVINE”.

This time, at attainment of this time associated with the end of the “First Phase” of “THE HOLY PROJECT”, these “GENES” of the “‘SPIRIT←SPIRIT’ Body” in the model of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” will not give way to new “GENES”, but they will consolidate and seal all the fixed character features — considered as innate, as independent of both biological determinations and the “Specific ‘SPIRITUAL’ Environment” external and immediate around the “‘SPIRIT←SPIRIT’ Body” in the model of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” — which will forever define the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” who chooses its “Character”: it will be the “Specific ‘SPIRIT←SPIRIT’ Nature” (or simply, the “nature”) that has emerged of the “‘SPIRIT←SPIRIT’ Body” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” considered.

This “Specific ‘SPIRIT←SPIRIT’ Nature” (or simply, the “nature”) that has emerged of the “‘SPIRIT←SPIRIT’ Body”, contains all the celestial truths that are in the “‘SPIRIT←SPIRIT’ Body” and that define the personality of the

“‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” considered from the perspective of intellectual growth in “THE KNOWLEDGE OF THE DIVINE” and his affective and emotional growth in “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”.

This “Specific ‘SPIRIT←SPIRIT’ Nature” (or simply, the “nature”) that has emerged of the “‘SPIRIT←SPIRIT’ Body”, will also affix the future behavior of the plant of “THE KNOWLEDGE OF THE DIVINE” which is in that “‘SPIRIT←SPIRIT’ Body”.

If at the attainment of this time associated with the end of the “First Phase” of “THE HOLY PROJECT”, the plant of “THE KNOWLEDGE OF THE DIVINE” has produced nothing, then, eternally it will not produce anything, by itself, of “THE KNOWLEDGE OF THE DIVINE”. And in this case, the plant of “THE KNOWLEDGE OF THE DIVINE” will eternally remain in the state, which it has acquired at the attainment of this time associated with the end of the “First Phase” of “THE HOLY PROJECT”, and in the absence of “THE KNOWLEDGE OF THE DIVINE”, because “THE DIVINE FORCE” will not have taken place in the “‘SPIRIT←SPIRIT’ Body” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” considered.

If on the other hand, at the attainment of this time associated with the end of the “First Phase” of “THE HOLY PROJECT”, the plant of “THE KNOWLEDGE OF THE DIVINE” has produced and is in the process of producing “fruits” as “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed and established it in the “‘SPIRIT←SPIRIT’ Body”, then, this plant of “THE KNOWLEDGE OF THE DIVINE” will continue to produce such “fruits” eternally, because “THE DIVINE FORCE” who holds all “THE KNOWLEDGE OF THE DIVINE”, will have taken place in the “‘SPIRIT←SPIRIT’ Body” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” considered.

It is so that, the chosen “Character” will be a record of the “Specific ‘SPIRIT←SPIRIT’ Nature” (or simply, the “nature”) that has emerged of the “‘SPIRIT←SPIRIT’ Body”, of the affective and emotional state of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” at the origin of the “Character”, and one will be able to discern this:

- From the thickness of the outer surface of the “Subjective ‘EARTHLY’ Garment” associated with the “Character”: this outer surface of the “Subjective ‘EARTHLY’ Garment” will be called: the “skin” of the “Subjective ‘EARTHLY’ Garment”.

This thickness could be thin and the surface soft, indicating the tenderness in all of its forms, the absence of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” in the “‘SPIRIT←SPIRIT’ Body” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” at the origin of the “Character”, a large affective and emotional capacity, and generosity which leads to consider the others with kindness, to treat them with a lot of care.

This thickness may not be thin and/or the surface may not be soft, thus indicating a form of emotional control, the presence of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” in the “‘SPIRIT←SPIRIT’ Body” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” at the origin of the “Character”, some reservation, a distance, contrary desires and hidden affective and emotional capacities reflecting the fact that the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” at the origin of the chosen “Character” has not yet developed in itself “THE KNOWLEDGE OF THE DIVINE”; these hidden affective and emotional capabilities could lead to hostility towards others (as this will prove to be the case some days later during the implementation of the “Second Phase” of “THE HOLY PROJECT”).

- From the volume occupied by the “Subjective ‘EARTHLY’ Garment” that the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” would have chosen, one will also be able to discern the degree of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” present in the “‘SPIRIT←SPIRIT’ Body” of this “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” and that had swamped “THE CELESTIAL HOST”.

The “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” that had developed in them extreme forms of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” will be compelled to stand above the others.

It is so that, a propensity of these extreme forms of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” will be reflected on the chosen “Character” by a largest possible volume to express the “Subjective ‘EARTHLY’ Garment” associated with this

chosen “Character”.⁴⁵³

The parts of the “Subjective ‘EARTHLY’ Garment” associated with this chosen “Character” in order to manifest the dynamics of its movement, will be represented by that, which will be called: limbs articulated to the “Character”, of which the main function is either the locomotion or the prehension; and to each subset of the new “Specific Energy ‘EARTHLY’ Substance”, were defined basic symbols:

- “THE WING”, in all its forms, articulated to the “Character”, being the symbol associated with the subset which will be called “THE MILD MATTER”, it will be also the symbol of the “Plane Above”, to express stability and prevalence in “THE MILD MATTER”;
- The limbs of mobility which will be articulated to the “Character” and which will be called “THE LEG” and “THE ARM”, in all their forms, being the symbols associated with the subset which will be called “THE SOLID MATTER”, it will be also the symbol of the “Plane Below”, to express stability and prevalence on “THE SOLID MATTER”;
- The limbs of mobility which will be called “THE FINS”, in all their forms, articulated to the “Character”, being the symbols associated with the subset which will be called “THE LIQUID MATTER”, it will be also another symbol of the “Plane Below”, to express stability and prevalence in “THE LIQUID MATTER”.

All these members, in all their forms, are metaphors that will be used to attempt to represent an expression of “THE DIVINE FORCE” who, just like “THE DIVINE”, has remained (and remains) invisible to “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, and cannot be apprehended and is elusive in the attribute “NON DIVINE” for all “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”. These “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have only the elements of “THE ‘SPIRIT’ REASON” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has restricted to “THE SEAT OF THE

⁴⁵³ That is the origin of those gigantic prehistoric animals that you have heard about and saw the remaining of the flood in your museums.

Certain parts of the shape associated with this chosen “Character” in order to manifest the dynamics of its movement, could indicate an expression of superiority, power, or strength into a well-defined subset of the new “Specific Energy ‘EARTHLY’ Substance”, by superimposing⁴⁵⁴ particular parts of the shape, other parts can express an upcoming event by making changes on the those parts concerned appear.⁴⁵⁵

- The use of tones of colors and their combinations will express some affective and emotional tone.

Absolute white color is an expression of Pure Light coming out of “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’”, and thus represents the symbol of “THE DIVINE FORCE” in all its forms.

⁴⁵⁵ You (reading these writings) can practice to understand this and to develop the capacity of discernment from the descriptions of the vision that was sent to Nebuchadnezzar, King of Babylon, and was interpreted by Daniel (Daniel 2).

At the opposite of the absolute white color, the absolute black color will be an expression of the “MURKY VOID” in the attribute “NON DIVINE”, an expression which attaches to the “MURKY VOID”: inhibition, fear, anxiety, etc... and which are emotions that appear into existence when the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” has taken place within “THE SEAT OF THE INTELLECT” in the “‘SPIRIT←SPIRIT’ Body” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”.

The yellow color and its variants were interpreted by the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of the “MALAK” instance as to be, according to their understanding of the “world” in which they inhabited, expressions of the cheerfulness, joy and splendor, in all their forms.

The orange color and its variants were interpreted by the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of the “MALAK” instance as to be, according to their understanding of the “world” in which they inhabited, expressions in all its forms, of the affection that “THE DIVINE” has for his creatures.

The green color and its variants were interpreted by the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of the “MALAK” instance as to be, according to their understanding of the “world” in which they inhabited, expressions in all its forms, of the blessings that “THE DIVINE” poured out on his creatures.

The color purple and its variants were interpreted by the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of the “MALAK” instance as to be, according to their understanding of the “world” in which they inhabited, expressions in all its forms, of the grace and the regeneration obtained through the execution of “THE PRAISE”.

The color blue and its variants were interpreted by the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of the “MALAK” instance as to be, according to their understanding of the “world” in which they inhabited, expressions in all its forms, of the strength, the ability to perform particular tasks, the ability to act.

The brown color and its variants were interpreted by the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of the “MALAK” instance as to be, according to their understanding of the “world” in which they inhabited, expressions in all its forms, of that, which is unknown, that, which is foreign.

Several other colors were interpreted by the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of the “MALAK” instance, according to their understanding of the “world” in which they inhabited, but will lose their meaning during the course of the “Second Phase” of the realization of “THE HOLY PROJECT”; because they will be associated with the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” that have openly rejected “THE DIVINE”.

The colors of the manifestation of the “Palette of COLORS”, which were used to express the appearance of each “Subjective ‘EARTHLY’ Garment” associated with a chosen “Character” were interpreted by “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of the “MALAK” instance, according to their understanding of the “world” in which they inhabited, from the teachings of “THE DIVINE FORCE”, in order to manifest the emotional tones of affection and of the “HARMONY” that each “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” had towards “THE DIVINE”, and the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who chose “Characters” could freely express their emotional tones and their perceptions with those colors.⁴⁵⁶

As we have indicated in a previous chapter, “THE DIVINE FORCE” provided these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” with the knowledge on how to produce an appropriate “movement” in order to apply radiant energy on delimited parts of the “Specific Energy ‘CELESTIAL’ Substance” to selectively produce a

⁴⁵⁶ This particular task to choose a “Character” for oneself is reminiscent of the activity that you can observe with offsprings of human creatures and concerning the activity of drawing on the sheet of paper, and it is the drawing that will allow identifying their characters. By drawing, offsprings most often speak of themselves.

To develop the sense of observation and to help the offspring to assimilate some knowledge from oral or written data, one must make the offspring interested in things that he would not be aware of. It is this knowledge that the offspring will represent in the drawing and express how he perceives the things that surround him.

That is what “THE DIVINE FORCE” did with the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” by entrusting this particular task to choose a “Character” for oneself.

vivid color, which is a result of a selective reflection of certain wavelengths of the “electromagnetic spectrum” and optical interference. It is thus that, through such knowledge, “THE DIVINE FORCE” has indirectly provided them with the manifestation of the metaphor of the “Palette of COLORS”. Using their innate ability of metamorphosis, which allow them to change the color of their own “Specific ‘CELESTIAL’ Tegumentary Structure” and the ability to change the shape of their “Specific ‘CELESTIAL’ Garment”, these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” were given a “free hand” in order to paint their 3D-modelling/shaping/forming of the contours of the identity in this exercise of manifested creative thinking. A key objective of providing these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” with the manifestation of the metaphor of the “Palette of COLORS” was to bring them to understand the manifested properties of that “LIGHT” of which they had heard during their education through “THE DIVINE FORCE”, and through the ordinances of the “specific spiritual formation” of “THE CHURCH” from “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” —, that “LIGHT”, which will become their new object of covetousness and rivalries in their “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”. Through themselves, they were called to discern and learn about the manifested metaphor of the “Palette of COLORS” and as color-coded mapping of happenings taking place inside “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, to get a better understanding of this “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, so that they come to understand who they themselves are in relation to “THE DIVINE FORCE” who is “THE DIVINE PRISM”, THE FIVE-DIMENSIONAL FILTER, through which “THE LIGHT OF THE DIVINE” has been filtered and they all have been manifested out into existence; in short, so that they grow in “THE KNOWLEDGE OF THE DIVINE” and its decomposition into its constituents in all their forms inside the attribute “NON DIVINE”.

The second value that must be discerned concerns the original aspect of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” at the origin of the “Character” considered, this original aspect that differentiates one “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” from the others “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”; the aspect under which this “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” is known; that is, the manifestation of the metaphor of the “DIVINE PRIMARY WEALTH” that defines this “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” as unique entity in “THE CELESTIAL HOST”.

This second value that must be discerned reflects the state of intellectual growth development in “THE KNOWLEDGE OF THE DIVINE”, because the chosen “Character” ensues from a project. The chosen “Character” is a manifestation of the “PRE-EXISTING” intent in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” which is at the origin of the “Character” and its shape and appearance are explained by the performance which was expected even before that this “Character” was manifested. The chosen “Character” is just expressing the projective aspect and “pending” that had the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” which is at the origin of the “Character”.

In the absence of discernment, the appearance of the chosen “Character”, as a manifestation of a “PRE-EXISTING” intent in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, will make forget that projective aspect and “pending” of this “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”. And therefore, in the absence of discernment, the appearance of the “Subjective ‘EARTHLY’ Garment” associated with a chosen “Character”, will make forget the work accomplished by the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” in the realization of the “Character”; just like “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” will come to forget “THE KNOWLEDGE OF THE DIVINE” which was deployed extensively in “THE CELESTIAL HOST”.

For “THE INTELLECT” growth in “THE KNOWLEDGE OF THE DIVINE”, one must get interested in the “Character” chosen by the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” insofar as one is interested in who has chosen the “Character”.

When the capacity of discernment is active, then, after having quickly identified and discerned the meaning of the “Character”, it will then, be necessary to ask the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” at the origin of the “Character” about his intentions and ask to explain his chosen “Character”, as a manifestation of the “PRE-EXISTING” intent in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”.

By this, the following of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” would be called upon to be more interested in the creative act of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, much more than the product illustrated by the chosen “Character”; because the appearance of the “Subjective ‘EARTHLY’ Garment” associated with a chosen “Character” is also, through its style, an informative value, and this appearance transmits also its communicative value about the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” at the origin of the “Character”.

In every detail, the “Character” that a “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” will choose will carry the affective, emotional, and intellectual token of life of this “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”.

The general style used on the chosen “Character” reveals the fundamental provisions of the outlook of existence by the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” at the origin of the “Character”.

It is so that, in its whole, the chosen “Character” will reflect the full picture of what lies in the “‘SPIRIT←SPIRIT’ Body” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” at the origin of the “Character” and at the moment when it is chosen; that is, the status of the manifestation of the metaphor of the “DIVINE PRIMARY WEALTH” that defines this “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” as unique entity in “THE CELESTIAL HOST”.

Therefore, through the chosen “Character”, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” also reveals permanent personality traits which express above all the status of his intellectual reactions as well as affective and emotional attitudes in defined situations, these permanent traits which have developed since the considered “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” was “spoken” into existence inside of the “Specific Energy ‘CELESTIAL’ Substance” until the moment when this “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” chose his own “Character”; that is, the chosen “Character” reveals what the considered “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” has in its nature.

It is the same when you come to see the works of “THE DIVINE” which have been implemented in the attribute “NON DIVINE”: the permanent traits of “THE DIVINE” that are revealed are always: “PURITY”, “HOLINESS”, and “LOVE”.⁴⁵⁷

It is so that, that within the limits of “THE ‘SPIRIT’ REASON”, the following of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, through the perfection of discernment, can discern the celestial truths that are in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” who is at the origin of a “Character” considered. Those celestial truths define the personality of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” at the origin of the “Character” from the perspective of intellectual

⁴⁵⁷ Do not confuse the works of “THE DIVINE” with the works of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” which are the works of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”.

If you don’t see “PURITY”, “HOLINESS”, and “LOVE” on something, then, know that “THE DIVINE” either is not in that thing.

growth in “THE KNOWLEDGE OF THE DIVINE” and his affective and emotional growth in “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”.

These celestial truths that lie in the “‘SPIRIT←SPIRIT’ Body” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” at the origin of the “Character” and at the moment when it is chosen, are not eternal truths that are contained in the product of “THE ABSOLUTE FRAME OF REFERENCE” defined by “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” and from which this “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” is a manifestation of the metaphor.

To be able to discern the eternal truths, within the limits of “THE ‘SPIRIT’ REASON”, from the celestial truths, one must trace back and discern the narrative value carried by the “Character” that the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” has chosen.

The third value that must be discerned is narrative of the chosen “Character” and concerns the manifestation of the product of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” and from which this “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” is a manifestation of the metaphor.

By delivering on the chosen “Character”, the manifestation of the “PRE-EXISTING” intent in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” which is at the origin of the “Character”, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” will also reveal his interest, his tastes, why it was “spoken” into existence and its unique value in “THE CELESTIAL HOST”; it will define by itself how it perceives itself in “THE CELESTIAL HOST”: this is the narrative value of the chosen “Character”.⁴⁵⁸

Within the limits of “THE ‘SPIRIT’ REASON”, this narrative value of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” at the origin of the “Character” will be the entirety of his way of seeing the existence, which will be reflected on his chosen “Character”, and which will supplement it in great part, on the condition of

⁴⁵⁸ This can also be discerned from the conversations that the elders of the creation had between themselves and in relation to the realization of the “Second Phase” of “THE HOLY PROJECT”.

Read more in the section concerning the details of annotations — Annotation on the unconscious expression of the organization of the “‘SPIRIT←SPIRIT’ Body” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” in the particular task to choose a “Character” for oneself.

the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” who provides itself and freely evokes what represents his chosen “Character”.⁴⁵⁹

This is why, to Her others CHILDREN, “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” in “THE CELESTIAL HOST”, and who had acquired sufficient knowledge, “THE DIVINE FORCE” will also entrust them the particular task, to each of them, to choose a “Character” for oneself, so that each of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” can reflect itself by describing through the chosen “Character”, the entirety of his way of seeing the existence and also his own vision of “THE DIVINE”, so far as “THE ‘SPIRIT’ REASON” would permit.

The “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” were completely free to represent what they wanted and this was a way for them to express themselves, to bring out their feelings as well as the events of their life in “THE CELESTIAL HOST”.

It is so that, when “THE SEAT OF THE INTELLECT” in the “‘SPIRIT←SPIRIT’ Body” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” will reach the limits of “THE ‘SPIRIT’ REASON” in the representation of what it wanted to express into existence by using the “Specific ‘SPIRIT’ Language”, then, “THE DIVINE FORCE” — through the process of education through enlightenment, which we have described already — extended this limit by providing to “THE SEAT OF THE INTELLECT” in the “‘SPIRIT←SPIRIT’ Body” of this “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, the “unique word” that allows to describe such a representation, and thus, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” uttered that “unique word” into existence.

It is so that, “THE DIVINE FORCE” continuously and diligently educated them — through this process of education through enlightenment —, guiding them through the convergence of their own illusions produced by “THE SEAT OF THE INTELLECT” in their “‘SPIRIT←SPIRIT’ Body”, towards expressions of products that exist already in “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”; all this, without them being aware of “THE DIVINE FORCE”

⁴⁵⁹ You can discern this from the “Character” that AZAZEL chose, the appearance that he had given to his chosen “Character”, and his “PRE-EXISTING” intention to be above all others “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”; In short, to be as “THE DIVINE”.

Read more in the section concerning the details of annotations — Annotation on the unconscious expression of the organization of the “‘SPIRIT←SPIRIT’ Body” of AZAZEL and his “PRE-EXISTING” intention.

who was working in them, working through them and amongst them (manifesting Herself through the appearance of each of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”), and talking with them face-to-face, in their “‘CELESTIAL’ Language”, as well as talking to them directly inside their “‘SPIRIT←SPIRIT’ Body”, using the “Specific ‘SPIRIT’ Language”.

The “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” thought that they were themselves at the origin of those “unique words”, having not developed any knowledge about “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” of which they are manifestations of products, despite all the teachings that “THE DIVINE FORCE” had poured on them, hence, not knowing that all those “unique words”, all the tasks that were assigned to them, as well as all the ordinances, which were given to them, were established since eternity through that “THE DIVINE SUPREME CONFIGURATION” and before that the attribute “NON DIVINE” was the object of a project.⁴⁶⁰

It is also so that “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, who were all called “CHILDREN OF THE ETERNAL”, and so far had no individual “names” as such, but they will innately recognize each others, communicate with each others, and they didn’t need other special designations, will begin to identify themselves with the “unique words”, expressed in “Specific ‘CELESTIAL’ Language”, and which had been provided by “THE DIVINE FORCE”, in the “Specific ‘SPIRIT’ Language”.

It is so that, “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” will acquire their designations, their names.

By proceeding in this manner, “THE DIVINE FORCE” wanted to bring Her CHILDREN to grow in “THE KNOWLEDGE OF THE DIVINE” by exposing them to the two essential aspects of the “‘SPIRIT’ Specific State”, which in “THE FRAME OF REFERENCE OF THE ATTRIBUTE ‘NON DIVINE’” in the attribute “NON DIVINE”, is the manifestation of the “‘SPIRIT’ Divine State” which is in “THE ABSOLUTE FRAME OF REFERENCE” defined by “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” in “THE DIVINE”, and

⁴⁶⁰ Later, when “THE DIVINE FORCE” will cease to educate them through the process of education through enlightenment, and during the course of the implementation of the “Second Phase” of “THE HOLY PROJECT”, these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, who still believed that they were the ones doing everything things by themselves, not being aware and not being able to see “THE DIVINE FORCE”, will also see themselves as beings having a divine essence, seeing themselves as “gods” (which they are not) and “deities” (which they are not either), towards human creatures.

of which “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” cannot access because they are attached to the attribute “NON DIVINE”.

As we have already said about the shaping of the “Specific Energy ‘CELESTIAL’ Domain”, to “THE EYE OF THE DIVINE”, this representation which is defined by the “Specific Energy ‘CELESTIAL’ Substance” constituent of the “Specific Energy ‘CELESTIAL’ Domain” and within which “THE DIVINE FORCE” has immersed “THE SHEKINAH”, contains two teachings of “THE DIVINE ARCHITECT AND PROJECT MASTER” and concerning the cause-and-effect relationships:

1. The first teaching concerns the manifestation of the “Causal Precedence Relation of ‘THE CREATION’”, that defines the sequence of events through which the “Divine Products” arise to existence, and which is expressed by the fact that, “THE SHEKINAH” is immersed in the “Specific Energy ‘CELESTIAL’ Substance”.
2. The second teaching concerns the manifestation of the “Causal Precedence Relation of ‘THE PRAISE’”, that defines the sequence of events through which the “Divine Particles” remain (that is, subsist) into existence in their “Divine State”, and which is expressed by the fact that, it is “THE SHEKINAH” immersed in the “Specific Energy ‘CELESTIAL’ Substance”, which is the source of subsistence of the “Specific Energy ‘CELESTIAL’ Substance”.

The first aspect of the “‘SPIRIT’ Specific State” which is found in the first teaching, was visible in the sight of all the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who were “spoken” into existence inside in the “Specific Energy ‘CELESTIAL’ Substance” constituent of the “Specific Energy ‘CELESTIAL’ Domain”; because “THE DIVINE FORCE” has placed in front of them “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — and has expressed it symbolically on the seven “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” to whom SHE has entrusted “THE GUARDIANSHIP OF THE SHEKINAH”.

In order to be able to grow in “THE KNOWLEDGE OF THE DIVINE”, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” were called to understand and to assimilate these two teachings.

Not being aware of the existence of the attribute “NON DIVINE” which contains the “Specific Energy ‘CELESTIAL’ Domain”, it was not obvious to grasp this first aspect of the “‘SPIRIT’ Specific State”, hence of the “‘SPIRIT’ Divine State”.

It is for the purpose to help Her CHILDREN, “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, to understand this first teaching, to understand that the “‘SPIRIT’ Divine State” is carrier of the “‘SPIRIT→LIGHT’ Divine State”, that “THE DIVINE FORCE” provided them with these “unique words” allowing to express representations that were at the limits of “THE ‘SPIRIT’ REASON”; illuminating and making them see “THE WORD” which resides in the representative aspects of the elements of “THE ‘SPIRIT’ REASON” and that can “take body” only in the presence of particular elements that are not present in the “‘SPIRIT←SPIRIT’ Body” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”.

It is the elements of “THE ‘LIGHT’ REASON”, which allow to make manifest, to “give body” through “THE WORD” residing in “THE SILENCE” in these representations that the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” wanted to express in the “Characters” chosen.

It is so that, “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” were called to understand the need to complete “THE ‘SPIRIT’ REASON” that they had all been endowed with, in order to get the elements of answers to their quest to seek to know “THE ONE” from whom they originate and who to them had remained invisible and unapprehendable and inconceivable by elements of “THE ‘SPIRIT’ REASON”.

The second aspect of the “‘SPIRIT’ Specific State” which is found in the second teaching, will be manifested into existence at the sight of all “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” through the realization into existence of the new creature as this new “Specific Energy ‘SPIRIT←LIGHT’ Bridge” and which was the subject of the “Second Phase” of the implementation of “THE HOLY PROJECT”, that “THE DIVINE ARCHITECT AND PROJECT MASTER” had designed.

In summary, as “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed and established it for the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, this particular task to choose a “Character” for oneself was to be an invaluable opportunity to important learnings for these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”:

1. On the one hand, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” were to learn of the existence of their “‘SPIRIT←SPIRIT’ Body” acting inside the “Specific ‘CELESTIAL’ Garment”, and of their limitations that were imposed by “THE ‘SPIRIT’ REASON” which delineates a portion of the “Realm of the ‘THOUGHTS’” that will be used to

generate internal action signals called “Interpreted THOUGHTS” of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and the possibility to exceed these limitations.

But how to overcome these limits imposed by “THE ‘SPIRIT’ REASON”?

The answer will be given by adding elements of “THE ‘LIGHT’ REASON” to “THE ‘SPIRIT’ REASON”; that is, the implementation into existence of the new creature as the new “Specific Energy ‘SPIRIT←LIGHT’ Bridge” and that was the subject of the “Second Phase” of implementation of “THE HOLY PROJECT” that “THE DIVINE ARCHITECT AND PROJECT MASTER” had designed, that of the “WEDDING” of the “‘LIGHT’ Divine State”.

2. On the other hand, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” were to and will explore and discover their future capabilities for deployment outside of the “Specific Energy ‘CELESTIAL’ Domain” in which they had lived until then, by an appropriation — understand this word “appropriation” in the sense of the action of adapting something to a specific use, and not in the sense of the action of appropriating something, of making it one’s property — of the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain” and the work tools that they were to use in this new “Specific Energy ‘EARTHLY’ Substance”.⁴⁶¹

⁴⁶¹ Later when some of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” will reject the first commandment, “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”, thus losing “HARMONY” with “THE DIVINE”, IHVH, our FATHER, they will be hurled on EARTH and in the first “Specific Energy ‘EARTHLY’ Habitation Domain” down here and they will consider themselves, not as creatures, but rather as “beings” (since they do not know how they came into existence, nor have they seen those who exist before them and they believe themselves to be eternal) having a divine essence, that is, they will pretend to be “gods” (which they are not) and “deities” (which they are not either), towards human creatures — gods of fertility, gods of war, natural forces, divinatory spirits, etc... — diverting the knowledge that they had received from the tasks that were entrusted to them, they are going to enslave and dominate the human creature, and destroy the implementation of “THE HOLY PROJECT”.

It is of this that ENOCH, of whom METHUSELAH is the descendant, described in the writings that he had left to humans, saying:

“ ...

But how would they subsist in their “SPIRIT Specific State” outside of the “Specific Energy ‘CELESTIAL’ Domain”?

The answer will be given to them by the new task that will be to “CARRY THE PRESENCE OF ‘THE SHEKINAH’ — THE PURE LIGHT OF ‘THE ALTAR OF THE DIVINE’ WHICH IS INSIDE ‘THE SHEKINAH’, AND WHICH IS SOURCE OF LIFE PURE AND HOLY — IN VERY REMOTE PLACES FROM ‘THE SHEKINAH’”; that is, the implementation into existence of the new creature as the new “Specific Energy ‘SPIRIT←LIGHT’ Bridge” and that was the subject of the “Second Phase” of the realization of “THE HOLY PROJECT” that “THE DIVINE ARCHITECT AND PROJECT MASTER” had designed, that of the “WEDDING” of the “‘LIGHT’ Divine State”.

It is so that, the “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures” were called to perceive by an intuitive understanding, the cause-and-effect relationships, as “THE DIVINE ARCHITECT AND PROJECT MASTER” had intended.⁴⁶²

AZAZEL taught men to make swords, knives, shields, breastplates and mirrors; he taught them the workmanship of bracelets and ornaments, the use of paint, the beautifying of the eyebrows, the use of stones of every valuable and select kind, and all sorts of dyes, so that mankind became corrupted.

...

Amarazak taught all spells, all enchantments and the properties of roots.

Armers taught the art to resolve spells.

Barkayal taught the art of observing the stars.

Akibeel taught signs

...”

⁴⁶² The most striking cause-and-effect relationships that “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures” had then, learned, was the one that expresses what would happen in the absence of the “Causal Precedence Relation of ‘THE PRAISE’”. Having no knowledge of the existence of the “Causal Precedence Relation of ‘THE PRAISE’”, the “ADONA’IM”, elders of the creation, came to understand from the teachings that they had received from “THE DIVINE FORCE”, through the ordinances of the “specific spiritual formation” of “THE CHURCH” from “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” —, the cause-and-effect relationship between “SIN” and “DEATH” and they expressed it by saying: “... *The consequence of ‘SIN’ is ‘DEATH’*...”.

Through the ordinances of the “specific spiritual formation” of “THE CHURCH”, “THE DIVINE FORCE” shepherded the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” in “THE CELESTIAL HOST”, and SHE revealed them the specifications for each unique shape of the “Subjective ‘EARTHLY’ Garment” of the “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creature” so that this shape can function as it should in the new “Specific Energy ‘EARTHLY’ Substance”, or in subsets of the “Specific Energy ‘EARTHLY’ Substance”.

The basic specifications, which are based only on the elements of “THE ‘SPIRIT’ REASON”, were intended to make understand and express the metaphors of each of the five “INDISTINCT DIVINE FORMS” which, when taken together, are a representation of that, which is “PERFECT” and which ensues of the three core “Divine States” that “THE DIVINE” chose to share with the attribute “NON DIVINE”, as well as other concepts associated with bringing together into a single set of these metaphors of these five “INDISTINCT DIVINE FORMS”.

Each unique “Subjective ‘EARTHLY’ Garment” designed for the “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creature” should be able to grow in time from a smaller shape; that is, from a seed containing all the specific information on the temporal growth of the chosen “Subjective ‘EARTHLY’ Garment” of the “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creature” and that would be transmitted from generation to generation.

Using the metamorphosis ability that “THE DIVINE ARCHITECT AND PROJECT MASTER” has endowed a “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, allowing it to itself change the form of its “Specific ‘CELESTIAL’ Garment” and take any other shape or appearance, each of these elders of the creation had the freedom to take the shape of the “Character” that he has chosen in order to ensure the proper functioning of the structure of this chosen “Subjective ‘EARTHLY’ Garment” of

Not having “THE KNOWLEDGE OF THE DIVINE”, covered by the “HUBRIS Spiritual Veil” and having never seen what this cause-and-effect relationship between “SIN” and “DEATH” meant, then, the “ADONA’IM”, elders of the creation, will choose to demonstrate it on their following: the human creature. Once they will successfully complete their “HUBRIS” project, then, as a mantra they will tell human creatures and their descendants: “... *The consequence of ‘SIN’ is ‘DEATH’...*”. It is horrible the treason that the “ADONA’IM”, elders of the creation perpetrated against “THE DIVINE”, IHVH, our FATHER. We shall explain this in a section below.

the “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creature” in the new “Specific Energy ‘EARTHLY’ Substance”.⁴⁶³

It is so that, “THE DIVINE FORCE” had intended to add the attributes characteristic of each of these elders of the creation on each single shape that each elder of the creation would have chosen, in order to produce “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creatures”, concrete “images” in characters of the elders of the creation.

Through “THE DIVINE FORCE”, and through the ordinances of the “specific spiritual formation” of “THE CHURCH” from “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” —, “THE DIVINE” had educated the firsts foremost “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and told them of the three core “Divine States” that are: the “‘SPIRIT’ Divine State”, the “‘LIGHT’ Divine State”, and the “‘GOD’ Divine State” whose child is the “‘LIGHT’ Divine State”.

As we have indicated already, in response to the emotion associated with that, which will be called “DOUBT” and that had appeared in the “‘SPIRIT←SPIRIT’ Body” of each of these firsts foremost “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” when they spoke between themselves, saying that the “‘LIGHT’ of the “‘LIGHT’ Divine State” did not exist, it is thus that “THE DIVINE FORCE” with the consent of “THE DIVINE”, IHVH, our FATHER, had manifested a loud voice that came through to only these firsts foremost “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” telling them:

“GOD” EXISTS!

AND SO DO THE “‘LIGHT”, THE CHILD OF “GOD”!

Then, above these firsts foremost seven “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” to whom “THE DIVINE FORCE” has entrusted the task of “THE GUARDIANSHIP OF THE SHEKINAH”, “THE DIVINE FORCE” had waved the “Specific Energy ‘CELESTIAL’ Substance” constituent of the “Specific Energy ‘CELESTIAL’ Domain”, had lit up that “Specific Energy ‘CELESTIAL’ Substance”

⁴⁶³ It is a little like to design a unique garment and try it on to ensure that this unique garment may very well be worn without encumbrances and with the passage of time, in the waters or in the airs, so that subsequently “THE DIVINE”, IHVH, our FATHER can create a living creature that will wear this unique garment.

and “THE DIVINE FORCE” had manifested in that illuminated part an aspect of a form of a creature that was unknown to them.

Now that they have been assigned this particular task to choose a “Character” for oneself, these firsts foremost “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” were trying to replicate that form that was unknown to them and they were adding to it, expressions to allude to that, which is “PERFECT”, and from the teachings that “THE DIVINE FORCE” gave them through metaphors, about the five “INDISTINCT DIVINE FORMS” that ensue from these three core “Divine States”, and which “THE DIVINE”, IHVH, our FATHER, chose to share with the attribute “NON DIVINE”. It is so that, resulted much of the 5-organs forms, like those with one head, two hands, two feet, kept together by a common segment; and 6 to 7-organs or more organs forms by adding additional organs to the 5-organs forms: a tail, wings, horns (example, two horns as an attempt to represent the pair defined by “THE DIVINE ARCHITECT AND PROJECT MASTER” and “THE DIVINE FORCE”), etc..., to the extent and in accordance with the interpretations that “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” were themselves making out of the teachings of “THE DIVINE FORCE”. Those representations, which these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” were producing, just like scribbles with a lot of lines, loops, and squiggles in a child drawing, may not make any sense to anyone who has knowledge of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” in “THE DIVINE”, but they were very important to them. Those representations were their way of expressing their own views about the existence and about “THE DIVINE”, IHVH, our FATHER, who they have never managed to know. Those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” were, in a sense, writing down a testimony of both their intellectual growth in “THE KNOWLEDGE OF THE DIVINE” and their affective and emotional growth in “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”.

It is so for example the Archangel “URIEL”, the first manifestation of the “OPHAN” instance, having the “MALE” adjective, and which will symbolically represent the expression of the “LIGHT” of the “‘LIGHT’ Divine State”, will choose as “Character”, the shape and the appearance of the “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creature” which is today called: “THE LION”.⁴⁶⁴

⁴⁶⁴ Why do you think the appearance of the “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creature” which is today called “THE LION”, is “YELLOW” colored-like? We have explained already about the three “Core COLORS”, which is a tool which was designed and established by

“THE DIVINE ARCHITECT AND PROJECT MASTER” and which was intended to “visually” reveal the qualities of the manifested metaphor of the “LIGHT” that is hidden in the “LIGHT”, from which arises “THE KNOWLEDGE OF THE DIVINE”.

It is for the purpose to lead his disciples and human creatures to understand such things that CHRIST had told them:

“..

Blessed is “THE LION” that the human will eat: “THE LION” will become human.

Cursed is the human that “THE LION” will eat: “THE LION” will become human.

...”

“THE LION” indirectly refers to the “LIGHT” (and also to “THE KNOWLEDGE OF THE DIVINE”) that the human creature will use (that is, to feed itself) as external supply of subsistence, which is necessary in order to remain into existence. This same “LIGHT”, when it will be sent with all its power by “THE DIVINE”, IHVH, our FATHER and towards the first “Specific Energy ‘EARTHLY’ Habitation Domain” in order to restore this first “Specific Energy ‘EARTHLY’ Habitation Domain” in the “HARMONY” with “THE DIVINE”, will destroy everything that is impure in this first “Specific Energy ‘EARTHLY’ Habitation Domain”.

About the “eyes”, which you see displayed in this sketch, you should ask the Archangel URIEL, what is the meaning of it: Why does he (the Archangel URIEL) have “eyes” all over his wings?

It is so for example the Archangel “CAMAEL”, the first manifestation of the “KO’ACH” instance, having the “MALE” adjective, and which will symbolically represent the expression of the “‘GOD→DIVINE’ Divine State”, will choose as “Character”, the shape and the appearance of the “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creature” which is today called: “THE EAGLE”.

It is so for example the Archangel “RAPHAEL”, the first manifestation of the “MALAK” instance, having the “MALE” adjective, and which will symbolically represent the expression of the “GOD” of the “‘GOD’ Divine State”, will choose as

“Character”, the shape and the appearance of the “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creature” which is today called: “THE BULL”.⁴⁶⁵

⁴⁶⁵ Later during the unfolding of the “Second Phase” of the realization of “THE HOLY PROJECT”, “THE DIVINE”, IHVH, our FATHER will also manifest Himself through “THE DIVINE FORCE”, in this way toward human creatures, by different expressions of concrete and living images of the acronym IHVH. But human creatures will not understand such manifestations, because the elements of “THE ‘SPIRIT’ REASON” assigned to them and which are part of their “THE ‘SPIRIT→LIGHT’ REASON”, have been blurred (we will explain how this damage happened, in the following sections) and, as such, limit the domain of their “THOUGHTS” and of their understanding.

It is so that, “THE DIVINE”, IHVH, our FATHER, through “THE DIVINE FORCE”, had sent to the human creature named EZEKIEL, a manifestation in the attribute “NON DIVINE”, of the metaphor of the acronym IHVH, using the “Characters” that SHE had given to the archangels MICHAEL, URIEL, RAPHAEL, and CAMAEL, to signify to EZEKIEL, who HE is and that all the archangels and angels that are in the “Specific Energy ‘CELESTIAL’ Domain” were called into existence, to follow His instructions, and EZEKIEL had described this manifestation by saying:

“...

I looked: a stormy wind came from the North, a great cloud, and a searing fire and, around, a clarity; in its middle, as a sparkling of vermeil in the middle of the fire.

And from the midst of it came the likeness of four living creatures; such was their appearance: they had a human likeness.

Each had four faces, and each of them had four wings.

Their legs were straight; their feet: like the hooves of a calf, glittering as sparkles polished bronze.

Human hands, under their wings, were turned in the four directions, so as their faces and their wings to all four; their wings joined one another. They advanced not sloping, but everyone right in front of himself.

As for the likeness of their faces, each had a human face. The four had, the face of a lion on the right side, the face of the bull on the left side, and all the four had the face of the eagle. Such were their faces.

As for their wings, spread upward, joined one another and two covered their bodies.

...

...”

Read more, with explanations, in the section concerning the details of the annotation — Annotation on the manifestation of “THE DIVINE”, IHVH, our FATHER to EZECHIEL.

It is so that, each of the “Sealed Twelve” in the “Specific Energy ‘CELESTIAL’ Domain”, these twelve Archangels that “THE DIVINE”, IHVH, our FATHER had “spoken” into existence and to whom “THE DIVINE FORCE” will entrust the tasks to establish the parameters at the six “Entry Gates” and the six “Exit Gates” of the “First Orbit of The MOST LUMINOUS”, each sealed on an “Entry Gate” of the “First Orbit of The MOST LUMINOUS”, will choose a unique “Character”; that

These are the twelve “Characters” which will also be used as symbolic representations of the six “Entry Gates” and the six “Exit Gates” of the “First Orbit of The MOST LUMINOUS”, and will be also manifested in the “MURKY VOID” by the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of the “STARS” classification. These twelve manifestations in the “MURKY VOID” by the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of the “STARS” classification are called: the “Twelve Constellations”.

Each constellation of “STARS” manifested in “THE FRAME OF REFERENCE OF THE ATTRIBUTE ‘NON DIVINE’” in the attribute “NON DIVINE”, will carry a message concerning well-defined products that are formed as well as those that are consumed in “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” and that “THE DIVINE” has chosen to share with the attribute “NON DIVINE”.

Well-defined products that are formed as well as those that are consumed in “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, are also determined by a number of well-defined cycles of the constituents seven “Divine Particles”, and will be produced or consumed within a “transformation step” and within a “transformation sub-step” of products of the “divine work” accomplished by the “Generative Divine Particle” by the reagents of the “transformation step”, that is by the products characteristic of the “transformation step” considered and which will be consumed during the “transformation step”.

As we have already indicated, achievements of the metaphors of such products, into existence in the attribute “NON DIVINE”, are actually projects that “THE DIVINE FORCE” entrusts to creatures that “THE DIVINE” calls into existence

CHAPTER 163

THE “SUBJECTIVE ‘EARTHLY’ GARMENT” OF THE “‘SPIRIT←SPIRIT’ ‘EARTHLY’ CREATURE” MODEL

(whether “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” or even any other creature), that will be manifested into existence inside “THE FRAME OF REFERENCE OF THE ATTRIBUTE ‘NON DIVINE’” in the attribute “NON DIVINE”.

As we have also already indicated, because of the perfect synchronization of the “Movement of Formative Divine Particle” of each of the six “Formative Divine Particles” between them and with the movement of the “Generative Divine Particle”, and from a selected “Formative Divine Particle”, chosen among the six “Formative Divine Particles”, the complete cycle of the “Generative Divine Particle” can be observed from two angles:

- From the “Divine Septenary Equilibrium Zone” of the selected “Formative Divine Particle” with respect to the “Generative Divine Particle”, moving through the fifty-two non-redundant “Divine Equilibrium Regions”; or
- From the “Divine Secondary Equilibrium Zone” of the selected “Formative Divine Particle” with respect to the “Generative Divine Particle”, moving through the twelve redundant “Divine Equilibrium Regions”.

Therefore, formations of such constellations of “STARS” will be also distributed following these two perspectives, and in the case of the twelve redundant “Divine Equilibrium Regions”, one will find the “Twelve Constellations”.

Everything is determined with accuracy and “THE DIVINE”, IHVH, our FATHER has also chosen to share such information with the attribute “NON DIVINE”, for the realization of such projects, and the announcement messages will be also made through formations of constellations of “STARS” in well-defined places in “THE FRAME OF REFERENCE OF THE ATTRIBUTE ‘NON DIVINE’” in the attribute “NON DIVINE”.

This is why “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of the “STARS” classification which will be part of these constellations of “STARS”, will also be called: messengers of “THE DIVINE”, hence the designation given to most “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”.

With the announcement of the “Second Phase” of the implementation of “THE HOLY PROJECT”, new “specific tasks” will be assigned to “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”. All these “specific tasks” had been established by “THE DIVINE ARCHITECT AND PROJECT MASTER”, from eternity, before the realization of the attribute “NON DIVINE” and so that the creatures of “THE

DIVINE” that will be created into existence could grow up in “THE KNOWLEDGE OF THE DIVINE”.

Formations of such constellations of “STARS” from “‘RAW KNOWLEDGE’ OF THE DIVINE” and other forms of messages that “THE DIVINE”, through “THE DIVINE FORCE”, was giving to His “CHILDREN” were part of such “specific tasks” and it is “THE DIVINE FORCE” that, in ABSOLUTE PURITY⁴⁶⁶, was the SHEPHERD of those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”.

The “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” that will be assigned to work in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, will also be categorized following the “Sealed Twelve” Archangels that “THE DIVINE”, IHVH, our FATHER had “spoken” into existence, and therefore these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” will also be prone to the constellation associated with the sealed Archangel, among the “Sealed Twelve” who will lead them in the execution of their

⁴⁶⁶ “THE DIVINE FORCE” is the ABSOLUTE “PURITY”, and in that ABSOLUTE “PURITY”, SHE was unaware that all this knowledge that SHE was giving to “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” would be diverted from their purpose by these same “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who will then, use it to satisfy their “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” and destroy their following who will be the human creature.

It is this teaching, which will form the basis of that, which will be called: “ASTROLOGY” — which is the contemplation of the eternal truths in the symbols provided by the “SPECIFIC SUPREME CONFIGURATION” of the “Specific Generative Energy ‘EARTHLY’ Domain” and the six “Specific Formative Energy ‘EARTHLY’ Domains”, and the indistinct and delineated parts of the “Specific Energy ‘SPIRITUAL’ Substance”.

It is this teaching that some of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” in their fall from grace will begin to transmit to human creatures who in their misery will also begin to exploit one another using that knowledge.

It is of this that ENOCH, of whom METHUSELAH is the descendant, described in the writings that he had left to humans, saying:

“...

Barkayal taught the art of observing the stars.

Akibeel taught signs

Tamiel taught astronomy.

And Asaradel taught the movements of the moon.

And men, being destroyed, cried out, and their voice reached to heaven.

...”

tasks in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”.

It is so that, “THE DIVINE FORCE” will give to “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, a basic education, not in-depth, but sufficient to arouse the faculties that will allow to discern and contemplate in the symbols provided by the formations of constellations of “STARS”, the eternal truths that are contained in “THE ABSOLUTE FRAME OF REFERENCE” defined by “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, and of which no creature in the attribute “NON DIVINE” has access.

It is so that, “THE DIVINE FORCE” will teach “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” enough about the making of such formations of constellations of “STARS” in the “Specific Energy ‘CELESTIAL’ Substance” constituent of the “Specific Energy ‘CELESTIAL’ Domain”, teaching them also to discern the messages carried by such formations of constellations of “STARS”.

All these formations of constellations of “STARS” will later be manifested in the “MURKY VOID” by “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of the “STARS” classification, in their appointed time and thus announcing messages of “THE DIVINE” to a larger number of His creatures.⁴⁶⁷

The house of “THE DIVINE FORCE”, also called the house of “THE DIVINE WISDOM” is “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”. From the perspective of all its details, including products that are formed and those that are consumed, “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” is also called the town of “THE DIVINE WISDOM”, also called the city of “THE DIVINE WISDOM”.

⁴⁶⁷ It is so that, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of the “STARS” classification and who will form these constellations of “STARS”, having no knowledge of “THE ABSOLUTE FRAME OF REFERENCE” defined by “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” in “THE DIVINE” and from which the announced products are formed, will also take themselves to be superior to the others and declare to human creatures who would listen to them that it is rather from them that everything is created.

It is through such “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” filled with the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” that Solomon was led astray in his aspirations of grandeur, elevation, success, wealth, and dominion over these fallen “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”; just like the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had led themselves in the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”.

This is why it is said in parables of these messages which are carried by these constellations of “STARS”, that “THE DIVINE FORCE” issues Her message aloud on the heights of the city; that is, in “THE FRAME OF REFERENCE OF THE ATTRIBUTE ‘NON DIVINE’” in the attribute “NON DIVINE”, above the manifestation of the seven “Divine Particles” constituent of this “DIVINE SUPREME CONFIGURATION”, and below the manifestation of the “Cardinal Point” of this same “DIVINE SUPREME CONFIGURATION”.⁴⁶⁸

The “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of the “STARS” classification, having the “FEMALE” adjective, and who form such constellations of “STARS” from “‘RAW KNOWLEDGE’ OF THE DIVINE” and other forms of messages from “THE DIVINE”, are also called the “GIRLS” (or the “MAIDS”) of “THE DIVINE FORCE”.

As we have already indicated in a text above, at the stage of the “spiritual adolescence”, “THE SEAT OF THE INTELLECT” inside the “Specific Energy ‘SPIRIT’ Substance” inside the “‘SPIRIT←SPIRIT’ Body” has grown and its capacity to reflect and “MAKE DECISIONS” becomes genuinely autonomous.

Through a series of questions and answers and interaction with its “Specific ‘NON-SPIRITUAL’ Environment”, “THE SEAT OF THE INTELLECT” inside the “Specific Energy ‘SPIRIT’ Substance” inside the “‘SPIRIT←SPIRIT’ Body” enters in tune with the acquisition process of three types of knowledge (but very little on the deep understanding of such knowledge):

⁴⁶⁸ It is for the purpose to lead human creatures to understand this, that Solomon, when “THE DIVINE WISDOM” walked with him and told him who SHE was, and under the inspiration of “THE DIVINE WISDOM”, had described her by saying:

“... ”

WISDOM has built Her house; She has hewn Her seven pillars, She has slaughtered Her beasts; She has mixed Her wine; She has also set Her table.

She has sent out Her maids to shout Her invitation on the heights of the city: “Whoever is simple, let him turn in here!”

To him who lacks sense she says: “Come, eat of my bread and drink of the wine I have mixed. Leave silliness, and live! Then, walk in the way of intelligence.”

“... ”

Read more in the section concerning the details of annotations — Annotation on the invitation of “THE DIVINE WISDOM”.

1. Knowledge about itself as a “conscious and living structure” that has been created into existence;
2. Knowledge about the very root of its existence — “THE DIVINE”, IHVH, our FATHER; and
3. Knowledge about “THE HOLY PROJECT” of “THE DIVINE”, IHVH, our FATHER.

At this stage of the “spiritual adolescence”, answers to multiple questions relating to the process of acquisition of the three types of knowledge mentioned here above can only be demonstrated into existence.

At the appointed time, by “THE DIVINE FORCE” and following the receiving of “THE WORD OF THE DIVINE” which will be emitted into existence in the attribute “NON DIVINE”, then, “THE DIVINE”, IHVH, our FATHER will “give body” and life in the “Specific Energy ‘EARTHLY’ Substance” to all these “Characters” as “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creatures”, concrete “images” in characters of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who are at their origin; that is, the self-portraits of “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”.⁴⁶⁹

⁴⁶⁹ This particular task to choose a “Character” for oneself is reminiscent of the activity that you can observe with offsprings of human creatures and concerning the activity of drawing on the sheet of paper, and it is the drawing that will allow identifying their characters. By drawing, offsprings most often speak of themselves.

To develop the sense of observation and to help the offspring to assimilate some knowledge from oral or written data, one must make the offspring interested in things that he would not be aware of. It is this knowledge that the offspring will represent in the drawing and express how he perceives the things that surround him.

In the present case of the realization of the “Second Phase” of “THE HOLY PROJECT”, the sheet of paper will be in fact the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain” in which “THE DIVINE FORCE” will express into existence and give life to all “Characters” that Her “CHILDREN”, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, had chosen.

This is reminiscent of the activity that you can observe with adult human creatures with the “FEMALE” adjective when they will hang the drawings of their offsprings on a board and keep them on the board.

That is what “THE DIVINE”, through “THE DIVINE FORCE”, did with the all “Characters” that “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had chosen for themselves, and on the

This is why, in the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” that took place in their “‘SPIRIT←SPIRIT’ Body”, “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” will say and like to always say that “THE DIVINE”, IHVH, our FATHER has glorified them (in the sense of manifested living “waxwork”, or, living “wax” sculptures, and NOT in the sense of the manifestation of the “GLORY” of “THE LIGHT”) through the “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creature”, and unconsciously expressing how they perceive themselves.

In the absence of “THE KNOWLEDGE OF THE DIVINE”, and covered by the “HUBRIS Spiritual Veil”, and in the logic distorted by the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” will not really understand why “THE DIVINE”, IHVH, our FATHER entrusted, through “THE DIVINE FORCE”, to His CHILDREN, “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, that HE much loved the same way and which had acquired enough knowledge, the particular task, to each of them, to choose a “Character” for oneself.⁴⁷⁰

It is so that, “THE DIVINE FORCE” had chosen to provide answers to questions that arose in the “ADONA’IM” who had reached an advanced stage of the “spiritual childhood” and entered in the “spiritual adolescence” stage, the same questions that would also arise from the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” that were still at the stage of “spiritual childhood” once they would be about to enter the stage of “spiritual adolescence”.

board represented by “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”.

⁴⁷⁰ This absence of “THE KNOWLEDGE OF THE DIVINE” and the consequences of the absence of “THE KNOWLEDGE OF THE DIVINE” will be illustrated by the very statements of the “ADONA’IM”.

יצירה לספר

CHAPTER 163

THE "SUBJECTIVE 'EARTHLY' GARMENT" OF THE "SPIRIT←SPIRIT" 'EARTHLY' CREATURE"
MODEL

All the “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creatures”, which will be created into existence in the new “Specific Energy ‘EARTHLY’ Substance” and based on those “Characters” — that is, entities on which these chosen “Subjective ‘EARTHLY’ Garments” of the “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creature” will be expressed — that these elders of the creation had chosen, will later represent that, which will be called: “THE FAUNA”.

“THE DIVINE FORCE” will subsequently create a single seed, at the scale of the “Specific Atomic ‘EARTHLY’ Substance”, for each “Character” that these elders of the creation had chosen, and SHE will place these seeds inside each of these “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creatures” that will be associated to these “Characters”.⁴⁷¹

Each product of the “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creature” model will be endowed with a unique purpose and with a unique disposition of a metaphor of “THE INTELLECT OF THE DIVINE” as “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed it.

⁴⁷¹ Regrettably, these “Subjective ‘EARTHLY’ Garments” of the model of the “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creature” will be created into existence, in the “Plane Below”, in the attribute “NON DIVINE” from “Specific Atomic ‘EARTHLY’ Substances” contaminated by impurities.

It is so that, the “HARMONY” of the “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creature” with “THE DIVINE”, IHVH, our FATHER will be affected and the “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creature” will be forever in a state of “CHAOS”, contrary to the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”, and it will not function as “THE DIVINE ARCHITECT AND PROJECT MASTER” had designed it. We shall explain this throughout the following sections.

יצירה נאמנה ספר

CHAPTER 164

THE “SUBJECTIVE ‘EARTHLY’ GARMENT” OF THE “‘SPIRIT←LIGHT’ ‘EARTHLY’ CREATURE” MODEL

“THE DIVINE FORCE” was disappointed that the Archangel MICHAEL and the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had based their joy, and their state of gladness on the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, and not on “THE KNOWLEDGE OF THE DIVINE” which SHE had fed them with, since SHE had created into existence in the attribute “NON DIVINE” each of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, as a result of the emission of “THE WORD OF THE DIVINE”.

As a result of the imperfect illusion that “THE SEAT OF THE INTELLECT” inside the “Specific Energy ‘SPIRIT’ Substance” which covers “The ALTAR of ‘THE DIVINE’” inside the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, had designed and wanted to manifest as an expression of “THE ONE” from whom “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” originate, “THE DIVINE FORCE” established furthermore to educate more the Archangel MICHAEL, inside “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — in “THE UNION”, and “THE DIVINE FORCE” started to educate and guide the Archangel MICHAEL on the specifications established by “THE DIVINE ARCHITECT AND PROJECT MASTER”.

As we have already mentioned, those specifications, which are based only on the elements of “THE ‘SPIRIT’ REASON”, were intended to make understand and express the metaphors of each of the five “INDISTINCT DIVINE FORMS” which, when taken together, are a representation of that, which is “PERFECT” and which ensues of the three core “Divine States” that “THE DIVINE” had chosen to share with the attribute “NON DIVINE”, as well as other concepts associated with bringing together into a single set of these metaphors of these five “INDISTINCT DIVINE FORMS”.

“THE DIVINE ARCHITECT AND PROJECT MASTER” did not endow this “Specific ‘EARTHLY’ Garment” with a fixed shape. It is for the purpose to rectify the deficiency of “THE KNOWLEDGE OF THE DIVINE” that had taken place in “THE SEAT OF THE INTELLECT” in the “‘SPIRIT←SPIRIT’ Body” of “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” in the “Specific Energy ‘CELESTIAL’ Domain” inside the attribute “NON DIVINE”, that “THE DIVINE FORCE” will entrust them the particular task to choose a “Character” for oneself.

To that end and from the models and shapes that “THE DIVINE FORCE” will teach them, each of them will design for himself a unique external shape, represented by a set of morphological characteristics, for the “Specific ‘EARTHLY’ Garment” of the “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creature” including its mode of operation (mainly its manifested movements) from the perspective of that morphology and in the image of which each of this “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” will identify itself through manifestation of a metaphor in the new “Specific Energy ‘EARTHLY’ Substance”.

It is so that, this particular task will be only about the morphological particulars of such “Specific ‘EARTHLY’ Garment” without taking into account the anatomical aspect of this “Specific ‘EARTHLY’ Garment”. The application of this unique subjective morphology to the “Specific ‘EARTHLY’ Garment” will produce that, which will be called: the “Subjective ‘EARTHLY’ Garment”.

“THE DIVINE FORCE” will entrust the task of choosing a unique shape for the “Specific ‘EARTHLY’ Garment” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, to the Archangel MICHAEL who:

- Is the “PRINCIPAL” instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”;
- Had an advanced knowledge of the functioning of the First “Specific Energy ‘SPIRIT←LIGHT’ Bridge” which is placed in the “Specific Energy ‘CELESTIAL’ Domain”; and
- Is the unique vessel designed as such by “THE DIVINE ARCHITECT AND PROJECT MASTER” and through which “THE DIVINE”, IHVH, our FATHER, through “THE DIVINE FORCE”, will create all others “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”.

Entrusting the task of choosing a unique form for the “Specific ‘EARTHLY’ Garment”, to the Archangel MICHAEL, is an expression of the “Causal Precedence Relation of ‘THE CREATION’”.⁴⁷²

By this particular task, the Archangel MICHAEL would design a unique external form to the “Specific ‘EARTHLY’ Garment” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” including its mode of operation and to the image of which the Archangel MICHAEL would identify himself by manifestation of the metaphor in the new “Specific Energy ‘EARTHLY’ Substance”.

The mode of operation concerns the dynamics associated with the unique external form of the “Specific ‘EARTHLY’ Garment” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” and which attaches to its movement in which the dimensional continuity and the temporal continuity will settle more and depending upon the basic innate instincts of the Archangel MICHAEL at the origin of the

⁴⁷² None of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, including the Archangel MICHAEL, knew of this “Causal Precedence Relation of ‘THE CREATION’”. It is by growing up in “THE KNOWLEDGE OF THE DIVINE”, that the creatures are called to understand such things. “THE DIVINE”, IHVH, our FATHER does nothing at random and every action that “THE DIVINE FORCE” carries, every task that “THE DIVINE FORCE” gives to one of Her creature, have well-defined meaning and express an established truth of formulas of relations that govern the products that are formed and those that are consumed in this “Divine Septenary Configuration”.

Covered by this “HUBRIS Spiritual Veil”, and in the logic distorted by the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, AZAZEL and all those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who followed him, failed to understand this “Causal Precedence Relation of ‘THE CREATION’”.

Despite all the teachings that “THE DIVINE FORCE” had poured on them, they did not grew in “THE KNOWLEDGE OF THE DIVINE”; they did not even have knowledge of existence of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” from which they were “spoken” into existence as manifestation of products of this “DIVINE SUPREME CONFIGURATION”.

This absence of “THE KNOWLEDGE OF THE DIVINE” further increased bitterness in the broken “‘SPIRIT←SPIRIT’ Body” of AZAZEL who wanted to have the task of designing the morphological particulars which will be associated to the “Specific ‘EARTHLY’ Garment” assigned to him.

Read more in the section concerning the details of annotations — Annotation on the broken “vase” that held no life water.

morphological particulars which will be associated to the “Specific ‘EARTHLY’ Garment” and that the Archangel MICHAEL will choose to use.

As we already mentioned in previous chapters, it is within each of the six “Specific Septenary Equilibrium Zones” and in their respective “Specific Septenary Equilibrium Spaces” that “THE DIVINE ARCHITECT AND PROJECT MASTER” will design the domains of habitation that “THE DIVINE FORCE” will create into existence for the creatures that have been designed to reside in the “Plane Below”.

The “Specific ‘SPIRITUAL’ Environment” is the same for all “Specific Energy ‘EARTHLY’ Habitation Domains”, but their “Specific ‘EARTHLY’ Environments” are different.

Therefore, to allow the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” and the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” to move from one “Specific Energy ‘EARTHLY’ Habitation Domain” to the following “Specific Energy ‘EARTHLY’ Habitation Domain”, and which is in a different “Specific Septenary Equilibrium Zone”, or from the “Specific Energy ‘CELESTIAL’ Domain” to a “Specific Energy ‘EARTHLY’ Habitation Domain”, and vice-versa, “THE DIVINE ARCHITECT AND PROJECT MASTER” has also designed “specific processes” of transformation, through the “Specific ‘SPIRITUAL’ Environment”.

Through these “specific processes” of transformation, the “‘SPIRIT←LIGHT’ Body” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, just as well as the “‘SPIRIT←SPIRIT’ Body” of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, will wear instantly (at the “speed of the thought”, without even been aware of it) a perdurable “Specific ‘SPIRITUAL’ Garment”, the shape, the morphology of which will be either inherited, as far as the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” is concerned, from its “Specific ‘EARTHLY’ Garment” of origin, or a predefined shape, a predefined morphology, established for use in the arrival “Specific Energy ‘EARTHLY’ Habitation Domain” in the “Plane Below”, or for use in the “Specific Energy ‘CELESTIAL’ Domain” in the “Plane Above”. The perdurable “Specific ‘SPIRITUAL’ Garment” is as lighter as the “Specific ‘CELESTIAL’ Garment” of “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, and in appearance they seem similar, but their constituents “energies” are different.

It is so that, by this particular task entrusted on the Archangel MICHAEL, this unique external morphology to be applied on the “Specific ‘EARTHLY’ Garment” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, which he will choose to identify himself by manifestation of the metaphor in the new “Specific Energy ‘EARTHLY’ Substance”, will also form the basis of the predefined shape, the predefined

morphology, established for the perdurable “Specific ‘SPIRITUAL’ Garment” to be used by all “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” during their movement from the “Specific Energy ‘CELESTIAL’ Domain” to a “Specific Energy ‘EARTHLY’ Habitation Domain” in the “Plane Below”.

That is why humans living on this earth think that angels are creature having a human morphology added with wings. It is just that when they enter in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, through this process of instant dress up, they wear instantly (at the “speed of the thought”, without even been aware of it) the perdurable “Specific ‘SPIRITUAL’ Garment” with that predefined morphology, and which, when covered with “Specific Atomic ‘EARTHLY’ Substances”, will appear in the form of the “white garment” composed of feathers, interlaced and held together, and which they wear.

The “QUERUB’IM” will appear with a “white garment” in the form of a human creature and having two wings, so when they fold their wings along their “body”, they appear as ordinary human creatures.

The “MALAK’IM”, the “IKARI’IM”, the “KO’ACH’IM”, and the “HASHMALL’IM”, will appear with a “white garment” in the form of a human

creature and having two wings, just like the “QUERUB’IM”, so when they fold their wings along their “body”, they also appear as ordinary human creatures.

הַצִּיִּי

סֶפֶר

The “OPHAN’IM” will appear with a “white garment” in the form of a human creature and having four wings, so while they may keep two folded over their “body”, they have two remaining visible.

The “SERAPH’IM” will appear with a “white garment” in the form of a human creature and having six wings, so while they may keep two folded over their “body”, they have four remaining visible.

Irrespective of the “Angelic Order”, the “ADONA’IM” have been endowed with the capability to have two wings, four wings, or six wings on this “white garment” composed of feathers, interlaced and held together, and which they wear instantly when they enter the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”. This signifies that the “ADONA’IM” are multi-functional and each of them can act in the quality of any other “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” in any “Angelic Order”.

Of course, using their inner faculties of metamorphosis, these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” will be able to change the shape of their perdurable “Specific ‘SPIRITUAL’ Garment”, and take the external appearance of anything

that will be sculpted in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”.

At that time, during the course of the “First Phase” of “THE HOLY PROJECT”, the Archangel MICHAEL, and also all others “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, had no knowledge of the existence of the “‘SPIRIT←SPIRIT’ Body” within their “Specific ‘CELESTIAL’ Garment”; each “‘SPIRIT←SPIRIT’ Body” and its “Specific ‘CELESTIAL’ Garment” were not distinguishable as two constituent entities of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”.

Similarly, with the announcement of the “Second Phase” of “THE HOLY PROJECT” and activities contributing to the achievement of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, the Archangel MICHAEL, and also all others “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, had no knowledge of the existence of the “‘SPIRIT←LIGHT’ Body” that “THE DIVINE ARCHITECT AND PROJECT MASTER” had already designed, from eternity, before that the

implementation of “THE HOLY PROJECT” had started, and that “THE DIVINE FORCE” will place inside the “Subjective ‘EARTHLY’ Garment” of which the Archangel MICHAEL was designing the morphological particulars, under the guidance of “THE DIVINE FORCE”.

“THE DIVINE FORCE” will not reveal the existence of the “‘SPIRIT←LIGHT’ Body” to the Archangel MICHAEL, and neither to any of the others “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”⁴⁷³, and it is so that for the Archangel MICHAEL, and also all others “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, this “Subjective ‘EARTHLY’ Garment” was the new creature who would later be carved into existence from the “Specific Atomic ‘EARTHLY’ Substances”; that, which the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” at that time, called: the Angel of “Water” and “Earth”.

The “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had called it as such, “... the Angel of “Water” and “Earth” ...”, because through the ordinances of the “specific spiritual formation” of “THE CHURCH” from “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — “THE DIVINE”, IHVH, our FATHER had already put the Archangel MICHAEL abreast of the three well-defined subsets in the “Specific Energy ‘EARTHLY’ Substance” and which will be called: “THE LIQUID MATTER”, “THE SOLID MATTER”, “THE MILD MATTER”.

In the absence of “THE KNOWLEDGE OF THE DIVINE” and absence of the knowledge of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, which has been manifested all around them by “THE DIVINE FORCE”, the Archangel MICHAEL had failed to understand the meaning of that unique word: “EARTH”, which is a reference to that place (level, layer) “deep inside” the “THRONE” and where KNOWLEDGE of those causes and the consequences associated with the manifestation by metaphor of the movement of “THE DIVINE

⁴⁷³ Eternally be blessed “THE DIVINE”, IHVH, our FATHER, of that “THE DIVINE FORCE” has never revealed or let see to “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and still less to the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, the real “‘SPIRIT←LIGHT’ Body” which is inside the “Specific ‘EARTHLY←SPIRITUAL’ Frontier”; because had SHE done so, then, in view of the scourge of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” that raged “THE CELESTIAL HOST”, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” would have erase from existence any trace of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

Yes! Eternally be blessed “THE DIVINE”, IHVH, our FATHER!

SUPREME CONFIGURATION” of seven “Divine Particles”, which is established and directed from the “THRONE”, is kept, and which we have explained already in one previous chapter. It is so that the remaining of the “ADONA’IM”, all of whom have inherited their ignorance from the Archangel MICHAEL, have also failed to understand the meaning of that unique word: “EARTH”.

It will be from elements of the two well-defined subsets in the “Specific Energy ‘EARTHLY’ Substance” and which will be called “THE LIQUID MATTER” and “THE SOLID MATTER” that the “Specific ‘EARTHLY’ Garment” will be realized into existence.

The Archangel MICHAEL in turn circulated this knowledge among the “ADONA’IM”, who in turn spread this knowledge, and as it was cascaded down, the rest of “THE CELESTIAL HOST” was made aware.

It is so that, all activities contributing to the achievement of the morphology of the “Subjective ‘EARTHLY’ Garment” also became objects of pride on the part of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who were directly involved, and for those who were not taken in the close confidence with the details of the design of the morphology of this “Subjective ‘EARTHLY’ Garment”, the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” will take over on their “‘SPIRIT←SPIRIT’ Body”.

It is so that, in the “‘SPIRIT←SPIRIT’ Body” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” covered by the “HUBRIS Spiritual Veil”, and by instinct to protect the object of their “HUBRIS”, “THE SEAT OF THE INTELLECT” found itself faced with an antagonistic choice regarding the ordinances of the “specific spiritual formation” of “THE CHURCH” from “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — regarding the new creature that was seen as a threat to the object of “PRIDE”:

1. To accept the ordinances of the “specific spiritual formation” of “THE CHURCH” from “THE SHEKINAH”; which amounted to accept to remain faithful to “THE DIVINE”, IHVH, our FATHER who was invisible and could not be apprehended; or else
2. To reject the ordinances of the “specific spiritual formation” of “THE CHURCH” from “THE SHEKINAH”; which amounted to reject the veneration of “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — and all that it represented, that is to reject “THE DIVINE”, IHVH, our FATHER and all that HE is.

This antagonistic choice is called: the “HUBRIS CONFLICT”, or the “HUBRIS CHOICE”, or the “ULTIMATE DECISION”, of which we have already described in a previous section.

This is why the “Subjective ‘EARTHLY’ Garment” will come to be designated as: the “‘HUBRIS’ Garment”.

The design of the morphological particulars which will be associated to the “Specific ‘EARTHLY’ Garment” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” was a very complex task in view of the different structures which constitute this “Subjective ‘EARTHLY’ Garment”, and their functioning, the interpretation of their symbolism with respect to “DIVINE PRIMARY WEALTH”, their interaction, as well as the cohesion of all these structures in a representation of that, which is “PERFECT”.

In the ABSOLUTE “PURITY”, “THE DIVINE FORCE” guided the Archangel MICHAEL on the design of all the morphological particulars which will be associated to the “Specific ‘EARTHLY’ Garment” of the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model⁴⁷⁴.

Under the guidance of “THE DIVINE FORCE”, the Archangel MICHAEL has elaborated a shape, by which he will identify himself later on in the implementation of “THE HOLY PROJECT”. It will be the shape of the “Subjective ‘EARTHLY’ Garment” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.⁴⁷⁵

For the Archangel MICHAEL, that shape which results from the interpretation by the Archangel MICHAEL of concepts associated with the five “INDISTINCT DIVINE FORMS” that “THE DIVINE” had chosen to share with the attribute “NON DIVINE”, was supposed to be a representation of “THE ONE” from whom

⁴⁷⁴ “THE DIVINE FORCE” guided the Archangel MICHAEL, in the ABSOLUTE “PURITY”. SHE knew not that all the knowledge that SHE was giving to the Archangel MICHAEL would later be used by him for the very destruction of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” through its “Subjective ‘EARTHLY’ Garment”. Because SHE is in the “SUPREME PLENITUDE”, in which impure ulterior “Interpreted THOUGHTS” do not exist, “THE DIVINE FORCE” knew not that SHE will be betrayed by these elders of the creation that SHE loved so much to point of entrusting them with such important tasks.

Fortunately for the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” that “THE DIVINE FORCE” had not disclosed the knowledge on the structure of the “‘SPIRIT←LIGHT’ Body” that SHE will place in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, and that SHE had kept these structures visible only to “THE EYE OF THE DIVINE”.

⁴⁷⁵ It is the shape of the physical body that all human creatures possess.

“‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” originate; a representation of “THE ONE” whom all “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have failed to apprehend, to discern and reconstitute from all the manifestations of metaphors of “DIVINE PRIMARY WEALTH” that have been expressed on all the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”.

זוהי הפסוק של חזקוני

יצירה נאמנה ספר

THE “HUBRIS” IN “THE CELESTIAL HOST”:
PREMEDITATION OF THE DESTRUCTION OF THE
“‘SPIRIT←LIGHT’ ‘EARTHLY’ CREATURE”

Each “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” of “THE CELESTIAL HOST” was happy and found itself to be admired, gratified and uplifted, of the fact that the unique manifestation of a metaphor of a “DIVINE PRIMARY WEALTH” which was expressed on that “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, was recognized by the rest of “THE CELESTIAL HOST”.

Each “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” of “THE CELESTIAL HOST” was unique into existence through the characteristics and functionalities associated to the manifestation of the unique metaphor of the “DIVINE PRIMARY WEALTH” that “THE DIVINE”, IHVH, our FATHER had expressed in a unique way on that “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”. “TO NOT BE HAPPY” had not yet appeared into existence, this sequence of terms did not exist.

With the exception of “THE DIVINE”, who is the source of all the “DIVINE PRIMARY WEALTH”, the sole “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” into existence in “THE CELESTIAL HOST” and on which many more characteristics and functionalities associated to the unique manifestation of the metaphor of the “DIVINE PRIMARY WEALTH” that “THE DIVINE”, IHVH, our FATHER, through “THE DIVINE FORCE”, had expressed in a unique way on that “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, were observable more than on all the others “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, was the Archangel MICHAEL.

מ
י
ה
ס
פ
ר

Although the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” was already present in the “‘SPIRIT←SPIRIT’ Body” of each “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” of “THE CELESTIAL HOST”, including in that of the Archangel MICHAEL, its noxious effects were not yet sufficiently felt in “THE CELESTIAL HOST”.

The “First Phase” of the realization of “THE HOLY PROJECT”, lasted a full cycle of seven “transformation steps” of products of the “divine work”, accomplished by the “Generative Divine Particle”, by the products of the “divine work” accomplished by the six “Formative Divine Particles” in “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” in the “Divine Septenary Equilibrium Zone” in “THE ABSOLUTE FRAME OF REFERENCE” defined by “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” in “THE DIVINE”; which, by application of the proportionality factors that define the laws of change of frame of reference, is roughly seventy billion years in “THE FRAME OF REFERENCE OF THE ATTRIBUTE ‘NON DIVINE’” in the attribute “NON DIVINE”.

Despite all the teachings that “THE DIVINE FORCE” had poured on them during these nearly seventy billion years in “THE FRAME OF REFERENCE OF THE ATTRIBUTE ‘NON DIVINE’” in the attribute “NON DIVINE”, the “ADONA’IM” did not grew in “THE KNOWLEDGE OF THE DIVINE”; they did not even have knowledge of existence of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” from which they were “spoken” into existence as manifestation of products of this “DIVINE SUPREME CONFIGURATION”.⁴⁷⁶ Thus they could

⁴⁷⁶ It is for the purpose to make understand this, that “THE DIVINE FORCE” says in parable that:

“...

not discern and understand the basis of the generic relations between the constituents of the hierarchical structure of the text of the “DIVINE DISCOURSE” that “THE DIVINE”, IHVH, our FATHER thus laid, in “THE CELESTIAL HOST”, and that HE had chosen to share with the attribute “NON DIVINE”.

With the announcement of the “Second Phase” of the implementation of “THE HOLY PROJECT”, the “ADONA’IM” who had reached an advanced stage of the “spiritual childhood” and entered in the “spiritual adolescence” stage, had understood that “THE DIVINE”, IHVH, our FATHER would manifest, through “THE DIVINE FORCE”, a new “DIVINE PRIMARY WEALTH” on the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

They had understood that this new “DIVINE PRIMARY WEALTH” will make of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” a unique living expression of “THE UNION”. This expression of “THE UNION” will be able to move independently, just as the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”.

I manifested Myself to them, up to entering the place which is located in the middle of their prison, being Verb, and I talked with them to the depths of their language.

I manifested Myself in the guise of their image and I wore their garment, to each, and I hid myself in them and they did not know HE who gives me power.

Because I am within the principalities as well as within the powers, and within the angels and within any movement that is in any matter, and I hid in them until I manifest Myself again.

And none of them has known Me, although it is Me who is in them, but they thought that they were the ones who created everything, being ignorant because they did not know their roots, the place where they had sprouted.

And I hid to them because of their “MALICE” and they have not known Me.

...”

“... being Verb ...” is said by “THE DIVINE FORCE” to indicate that SHE, “THE DIVINE FORCE”, is the one who expresses the movement, the action, or the state associated to any creature into existence inside the attribute “NON DIVINE”, and SHE takes different forms according to modes, times, creatures and number; SHE is “THE SCIENCE”, which is found in any structure of “created energy”. It is so that, in the scriptures, when you will read terms as “... I am the Verb ...” or “... the Verb was with “THE DIVINE” in the beginning ...”, etc..., you MUST understand that it is about “THE DIVINE FORCE” and no one else.

Read more in the section concerning the details of annotations — Annotation on “THE DIVINE FORCE” manifesting Herself among “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”.

The Archangel MICHAEL and AZAZEL understood that the main purpose of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” is to:

“CARRY THE PRESENCE OF ‘THE SHEKINAH’ — THE PURE LIGHT OF ‘THE ALTAR OF THE DIVINE’ WHICH IS INSIDE ‘THE SHEKINAH’, AND WHICH IS SOURCE OF LIFE PURE AND HOLY — IN VERY REMOTE PLACES FROM ‘THE SHEKINAH’”.

To some extent, the “ADONA’IM” who had reached an advanced stage of the “spiritual childhood” and entered in the “spiritual adolescence” stage, had understood this.⁴⁷⁷

מ
י
י
ד
ב
ג
ר

They understood that this means a “GOVERNMENT” other than that of the “Specific Energy ‘CELESTIAL’ Domain”; that is, others channels of communication directly with “THE DIVINE”, IHVH, our FATHER and, thus, others hierarchies of communication with “THE DIVINE”, others than the one already established through “THE SHEKINAH”, and through which they indulged themselves of their “HUBRIS”.

They had understood that they would henceforth receive others ordinances of “THE DIVINE”, IHVH, our FATHER through the expression of the “specific spiritual formation” of “THE CHURCH” manifested from the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model and the added protective spiritual structure of the unique expression of “THE UNION” which is represented by this “‘SPIRIT←LIGHT’ Body”.

Therefore, these ordinances would be executed and performed by the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” in any location where the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” will be present and throughout the attribute “NON DIVINE”.

Let reiterate that the “HUBRIS”, of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, is this form of profound attachment to unique manifestations of metaphors of “DIVINE PRIMARY WEALTH” that “THE DIVINE”, IHVH, our FATHER expressed on each “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” of “THE CELESTIAL HOST” and which is manifested in this exaggerated feeling of the value of oneself, of excessive self-esteem by oneself;

⁴⁷⁷ To think otherwise will be underestimating their intelligence. Never underestimate the intelligence of the elders of the creation, at the risk to suffer the same fate as ADAM.

this feeling of dignity and honour, of self-esteem, which compels to stand above the others, and which developed in “THE SEAT OF THE INTELLECT”.

The “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” is born of the “PRIDE” and of the absence of “THE KNOWLEDGE OF THE DIVINE”.

The “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” had reached very large proportions in the “‘SPIRIT←SPIRIT’ Body” of each of the “ADONA’IM”.

In their hierarchy of communication of the ordinances of the “specific spiritual formation” of “THE CHURCH”, which had hitherto been already established through “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” —, the functionality of “THE SHEKINAH” is at the top of the hierarchy, placed above all “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, without exception.

It is so that, covered by this “HUBRIS Spiritual Veil”, the “ADONA’IM” thought in themselves and they understood that the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, who will be akin to “THE SHEKINAH”, will be above all of them, “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”. From the perspective of the possession of the elements of “THE ‘LIGHT’ REASON”, this is correct; they, as “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, without exception, do not possess any element of “THE ‘LIGHT’ REASON”, and are as such on a lower classification scale than the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”. This, however, does not make the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” less valuable than the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, since each “DIVINE PRIMARY WEALTH” has the same importance with respect to the others “DIVINE PRIMARY WEALTH”, including their combinations, from the perspective of “THE DIVINE”, IHVH, our FATHER. As complex as they are, these “DIVINE PRIMARY WEALTH” complement each other to form “A WHOLE”. Each of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” bore a unique expression of the manifestation of a metaphor of a “DIVINE PRIMARY WEALTH” in an unlimited number of “DIVINE PRIMARY WEALTH”, in a similar way, so will the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, bear a unique expression of the manifestation of a metaphor of a combination of those “DIVINE PRIMARY WEALTH”.

But, for those “ADONA’IM” covered by this “HUBRIS Spiritual Veil”, this was a “big deal”, which, from the their perspective of their “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, born of “PRIDE” and of the

absence of “THE KNOWLEDGE OF THE DIVINE”, made them less valuable than the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”; indeed, for these “ADONA’IM”, and consequently for all “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”, was synonym of love of the “WEALTH” of “THE DIVINE”, IHVH, our FATHER, and which means: to have received in oneself, more manifestations of metaphors of “DIVINE PRIMARY WEALTH” from “THE DIVINE”, IHVH, our FATHER.⁴⁷⁸

During all their existence in the “Specific Energy ‘CELESTIAL’ Domain”, and despite all the teachings that “THE DIVINE FORCE” had poured on them, they have not develop any knowledge about the glue that maintains intact their structural integrity, as assembled structure of “created energy”, and which is “subjected” to laws and well-defined processes. Rather, they have brooded that “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, asleep on the bed of neglect of “THE KNOWLEDGE OF THE DIVINE”. Their “HUBRIS” was touched and now woke up and began to fight for its own survival.

They thought further in themselves that the uniqueness of the expression of manifestations of metaphors of the “DIVINE PRIMARY WEALTH” that defined each of them as entity of “THE CELESTIAL HOST” and through which each of

⁴⁷⁸ A replica of that situation, in which these “ADONA’IM” found themselves, is that which you see, time over time, manifested amongst human creatures and their direct offspring, when those offspring have love only for the “earthly wealth” that their ascendants have accumulated throughout their years of existence, and those offspring have no love at all for those ascendants themselves. Once these elders offspring hear the “happy news” from their ascendants, informing them that a new offspring is on the way “to be born” imminently, and of course it goes without saying that the new one will receive part of that “earthly wealth”, the elders ones, blinded by their absence of love for their ascendants and thinking that the “to be born” offspring will be heir of that “earthly wealth” they are yearning, they start to set in motion all sorts of ambush in order to disinherit and to get rid of the “to be born” offspring.

Such was the situation in which “THE DIVINE”, IHVH, our FATHER, and “THE DIVINE FORCE”, had found themselves with these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, elders of the creation.

There is a coherency between those events that happened in the “Specific Energy ‘CELESTIAL’ Domain” in the “Plane Above” and all their replicas that have been manifested and are still been manifested, as in a close loop, in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain” in the “Plane Below”, due to some properties of that “Specific Energy ‘EARTHLY’ Substance”. Nothing has really changed, since the creation of the world in which you live.

them was recognized and mentioned everywhere by the rest of “THE CELESTIAL HOST” and through which they indulged themselves with the “HUBRIS”, would be called into question by the creation into existence of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”. To some extent, they have understood that those unique features, that defined each of them as entity of “THE CELESTIAL HOST”, will now have only epithet functions in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”; thus, truly placing the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” above all “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, without exception.

The “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, when it is present in a “‘SPIRIT←SPIRIT’ Body”, will compel that “‘SPIRIT←SPIRIT’ Body” to stand above the others.⁴⁷⁹

It is so that, in their “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, having no knowledge about the existence of their own “‘SPIRIT←SPIRIT’ Body”, the first “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” of the “QUERUB” instance having the “MALE” adjective and who will be designated by the name “AZAZEL”, will request from the Archangel MICHAEL that this new and unique expression of “THE UNION” which is under project to be expressed on the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, instead be expressed on him: AZAZEL; as such, he would become akin to “THE SHEKINAH”, and be placed above “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”.⁴⁸⁰

This request will be rejected, and “THE DIVINE FORCE” will explain in several ways to AZAZEL why his request cannot not be met. “THE DIVINE FORCE” will explain to AZAZEL that the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” are only of manifestations of metaphors of “DIVINE PRIMARY WEALTH” in the “‘SPIRIT’ Specific State” and represents one layer of “THE DIVINE BODY”.

⁴⁷⁹ Later on, this will also be the case with the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

⁴⁸⁰ Such request speaks volume and is revealing about the extent of knowledge that he had developed not only about the mould through which they, as “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, were “spoken” into existence, but also about *“their roots, the place where they had sprouted”*; and that is: ZERO knowledge. Do not forget that AZAZEL was the second in command, after the Archangel MICHAEL, and he was also entrusted the task to facilitate the education of others “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”. What was then the extent of knowledge that those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had about themselves, as product of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” mould? ZERO knowledge.

But AZAZEL, covered by the “HUBRIS Spiritual Veil”, could not see and understand neither “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”, nor the “LIGHT” of “THE DIVINE” expressed through “THE KNOWLEDGE OF THE DIVINE”, which were given to him.

AZAZEL requested to be entrusted the task of “THE GUARDIANSHIP OF THE NEW SHEKINAH” which will be expressed on the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”. Such a task would have allowed him to take control of “THE GUARDIANSHIP OF THE NEW SHEKINAH”; that is, the control of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

It was then, that the Archangel MICHAEL has explained to him that such a task for “THE GUARDIANSHIP OF THE NEW SHEKINAH” will not be necessary, because the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” will be created with its own functionalities.

It is then, that AZAZEL wanted that he be entrusted with the task of designing of the “Character” that will be associated with the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”⁴⁸¹; because “THE DIVINE FORCE” had entrusted to the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” the particular task, to each of them, to choose a “Character” for oneself.

This request also could not be met because the “Causal Precedence Relation of ‘THE CREATION’” does not allow it. It is only from the “PRINCIPAL” instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model that the “PRINCIPAL” instance of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” will be created into existence.

The Archangel MICHAEL, along with all others “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, had not developed in them “THE KNOWLEDGE OF THE DIVINE”, and therefore they had no knowledge on this “Causal Precedence Relation of ‘THE CREATION’”.

It is not that “THE DIVINE FORCE” did not tell them about this “Causal Precedence Relation of ‘THE CREATION’”; on the contrary, through the tasks, which were entrusted to them, “THE DIVINE FORCE” had embedded this “Causal Precedence Relation of ‘THE CREATION’” and revealed it in the manifested metaphor of the “LIGHT” that is hidden in the “LIGHT”, from which arises “THE KNOWLEDGE OF THE DIVINE”. And these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’

⁴⁸¹ See conversation of October 01, 2005, between Aristide, the Archangel MICHAEL, and CHRIST.

Creatures” were to discover and understand it through discernment and they all failed to do so. In much the same as “THE DIVINE FORCE” had entrusted the task of “THE GUARDIANSHIP OF THE SHEKINAH” to seven of them so that they could eventually understand through discernment the existence of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” and also that they would understand through discernment the particulars of “THE DIVINE BODY”, and know that it is through “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” that:

- All “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” came to existence as manifestation of products of this “DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”.
- Everything that should come to existence, in the attribute “NON DIVINE” and coming from “THE DIVINE DOMAIN”, will be a product of this “DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”; it is the meaning the “‘SPIRIT←SPIRIT’ Body” intellect, pure and holy, of the “PRINCIPAL” instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model which is present inside “THE SHEKINAH” in the manifestation of “THE UNION” going forth and back in the “Specific Energy ‘SPIRIT’ Substance” constituent of “THE SHEKINAH” in order to receive instructions, through “THE DIVINE FORCE”, from “THE DIVINE”, IHVH, our FATHER.

As you have understood by now, these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have all failed to discern the “LIGHT” that is hidden in the “LIGHT”, from which arises “THE KNOWLEDGE OF THE DIVINE”, and which “THE DIVINE FORCE” had embedded in such tasks, which were entrusted to them.

It is so that, others explanations were given to AZAZEL explaining to him, on the basis of “THE ‘SPIRIT’ REASON” (that is, “THE REASON of the First Order”), why his requests could not be met.

The Archangel MICHAEL and AZAZEL saw that the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” under project was akin to “THE SHEKINAH” through which all the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” indulged themselves with the “HUBRIS”; and they understood that they would no longer have control on the “specific spiritual formation” of “THE CHURCH” manifested from the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model.

After these nearly seventy billion years, in “THE FRAME OF REFERENCE OF THE ATTRIBUTE ‘NON DIVINE’” in the attribute “NON DIVINE”, that have defined the “First Phase” of the implementation of “THE HOLY PROJECT”, and

covered by this “HUBRIS Spiritual Veil”, through “THE SEAT OF THE INTELLECT” in their “‘SPIRIT←SPIRIT’ Body”, they would not accept such a development which, in their logic distorted by the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, would call into question and make obsolete their functions in the existing hierarchy of communication with “THE DIVINE”, which had hitherto been already established through “THE SHEKINAH” and through which all the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” indulged themselves with the “HUBRIS”.

The mere thought of seeing the object from which they indulged themselves with the “HUBRIS”, of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, not be expressed on a “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” will become not only inexplicable but also unbearable; in the same way as the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who were asleep on the bed of negligence of “THE KNOWLEDGE OF THE DIVINE” would found themselves in the middle of confusing dreams.⁴⁸²

⁴⁸² It is for the purpose to make understand this, that “THE DIVINE FORCE” gave the parable about the behaviour of the high authorities at the announcement of the time of the end, saying:

“... ”

When the high authorities knew that the time of the end came to pass — like pain of she who will bear a child, it drew near the door, that is how ruin approached —, all together the elements trembled, and the foundations of the Substance as well as the vaults of Chaos were shaken.

A large fire broke out among them, and the rocks and soil were shaken like a reed shaken by the wind.

And cohorts of destiny as well as those who measure houses were greatly troubled on a loud clap of thunder and the thrones of the powers faltered, because they had been set upside down, and their king was seized with fear.

“... ”

“...the high authorities...” refers to the firsts foremost “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of “THE CELESTIAL HOST”.

“...the time of the end had appeared...” refers to the accomplishment of the “First Phase” of “THE HOLY PROJECT”.

“...all together the elements trembled...” refers to the different aspects of the “Specific Energy ‘CELESTIAL’ Substance” constituent of the “Specific Energy ‘CELESTIAL’ Domain”, and that were in the state of “CHAOS”, contrary to the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”; each “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has

So was the extent of the scourge of the absence of “THE KNOWLEDGE OF THE DIVINE” in the “‘SPIRIT←SPIRIT’ Body” of the firsts foremost “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of “THE CELESTIAL HOST”.

In order to respond and meet the needs created by the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, it is so that many illusions have begun to be produced from “THE SEAT OF THE INTELLECT” in the “‘SPIRIT←SPIRIT’ Body” in the “ADONA’IM”, ignoring the specifications that “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed and predefined; as such, those illusions were all the progeny of “IMPURITY” in all its forms.

These illusions, as well as several other works of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, having no complete model in “THE HOLY PROJECT”, were operative because of the scourge of absence of “THE KNOWLEDGE OF THE DIVINE”.

As we have indicated already, by ignoring the specifications that are “PURITY” and “HOLINESS” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed and predefined in “THE SEAT OF THE INTELLECT”, such alternatives to “THE KNOWLEDGE OF THE DIVINE” which are the work of “THE SEAT OF THE INTELLECT” in these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” will never converge to an existing point that will be a manifestation of a metaphor of a product which exists in “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” that “THE DIVINE” has consolidated in Himself and that HE chose to share with the attribute “NON DIVINE”.

Such alternatives to “THE KNOWLEDGE OF THE DIVINE” have no base and no stability, they are without possible ins and outs, they do not have any place in “THE HOLY PROJECT”, and they are in all respects contrary to specifications that “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed and

designed and that “THE DIVINE FORCE” manifested into existence in the “Specific Energy ‘CELESTIAL’ Domain”, is an integral and delineated part of the “Specific Energy ‘CELESTIAL’ Substance”.

“...the foundations of the Substance as well as the vaults of Chaos were shaken...” refers respectively to the Archangels and the “ADONA’IM” who were in turmoil at the mere thought of knowing that the object from which they indulged themselves with the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, will be placed in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

The remaining of the explanation of this parable will be given in the next section.

established for the “Specific Energy ‘SPIRIT’ Substance” constituent of “‘SPIRIT←SPIRIT’ Body” and are not to be added to this unique “SPECIFIC SUPREME CONFIGURATION” of the “Specific Generative Energy ‘EARTHLY’ Domain” and the six “Specific Formative Energy ‘EARTHLY’ Domains”.

Such alternatives to “THE KNOWLEDGE OF THE DIVINE” have a unique objective: conceal the goals to satisfy the “fame of oneself” that the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had developed in themselves.

In their own logic, the Archangel MICHAEL, AZAZEL, and the others “ADONA’IM”:

1. Not been able to explain why “THE DIVINE” has chosen to manifest an expression of “THE UNION” on the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” and not on them, “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of “THE CELESTIAL HOST”, since they had not developed any substantial “KNOWLEDGE OF THE DIVINE” in them;
2. Having miserably failed to understand that each of them was educated by “THE DIVINE FORCE” through the process of education through enlightenment, through which SHE guided each of them through the convergence of their own illusions produced by “THE SEAT OF THE INTELLECT” in their “‘SPIRIT←SPIRIT’ Body”, towards expressions of products that exist already in “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”;
3. Believing that they were the ones who were doing things and producing things into existence by themselves, since they had no knowledge of the process of education — cultivation of learning — of “THE SEAT OF THE INTELLECT”, under the supervision of “THE DIVINE FORCE”, and that we have already outlined in one previous chapter;

It is so that, they will consider this new development, the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, as “not been good”. Indeed, the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, which sat at “THE SEAT OF THE INTELLECT” in their “‘SPIRIT←SPIRIT’ Body”, had taken a full blow right in the bullseye and had thus been shaken in the deepest of its roots.

As we explained already, since he does not possess, in his “‘SPIRIT←SPIRIT’ Body”, the elements of “THE ‘LIGHT’ REASON”, the Archangel MICHAEL could not by himself fulfill his “Desires of Reproduction” and manifest into existence his conceived two-faces illusion, which, to him, was supposed to be the “LIGHT” of the “‘LIGHT’ Divine State”, which is the child of the attribute “GOD”. Thus, he

had reached the “end of the road” for his “Desires of Reproduction”, the limit which has been assigned to constructions with elements of “THE ‘SPIRIT’ REASON”. Yet, the new creature was on course, to be produced into existence and not according to his “Desires of Reproduction”, not according to his rationality. As we have indicated already, in their own eyes, these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” thought and saw themselves (and even in these days of today they see themselves) as great and powerful, and more beautiful than the names of grandeur that adorn them. Behind his façade of grandeur he was powerless about that situation: he was unable to stop the creation into existence of the new creature. All these “ADONA’IM” understood very well the principle of causality and through it, they understood that their own “shortcomings”, their own “obscurity”, their own absence of “THE KNOWLEDGE OF THE DIVINE”, which they have all inherited from their leader the Archangel MICHAEL, were the cause, the preceding motive (in the temporal order of things), associated with the “raison d’être” of the announcement of the creation of the new creature.

Having approached the domain of the incomprehensible for “THE ‘SPIRIT’ REASON”, it is so that, behind their façade of grandeur, the Archangel MICHAEL, AZAZEL, and the others “ADONA’IM” have designated this new development to be a “MISTAKE OF THE CREATION”⁴⁸³, for them, it could not be otherwise, given that until now and in their “obscurity”, the Archangel MICHAEL thought that everything that has been produced into existence was accomplished by him, in accordance with his own “Wishes” and “Desires of Reproduction”. He knew not of the existence of “THE DIVINE FORCE” who was working behind the scene in all of them and, who was converging their illusions, towards manifestations of metaphors of products of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” which had already been selected, from eternity and before that any of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” was produced into existence, to be manifested by metaphors in the attribute “NON DIVINE”. He knew not that, the manifestation, into existence in the attribute “NON DIVINE”, of the metaphor of the “WEDDING” of the “‘LIGHT’ Divine State” was INEVITABLE, as it has been planned in the details, from eternity when “THE DIVINE”, IHVH, our FATHER had decided to share His great “DIVINE WEALTH” with “OTHER THAN ‘THE DIVINE’”, which is the attribute “NON DIVINE”; thus, from eternity, before that any of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” were “spoken” into existence inside the attribute “NON DIVINE”. As we have indicated already, only, the circumstances, in which the

⁴⁸³ See conversation on July 08, 2006, Aristide with the Archangel MICHAEL.

manifestation of the metaphor of this “WEDDING” of the “‘LIGHT’ Divine State” has been announced, were not the expected ones, from the initial objectives, which were established at the onset of “THE HOLY PROJECT”. These circumstances, in which the manifestation of the metaphor of this “WEDDING” of the “‘LIGHT’ Divine State” has been announced, are those of almost total “black out”, the circumstances of a full fledged absence in “THE KNOWLEDGE OF THE DIVINE” within “THE CELESTIAL HOST”. Thus, in this full fledged absence in “THE KNOWLEDGE OF THE DIVINE”, in other words, the Archangel MICHAEL, AZAZEL, and the others “ADONA’IM” were actually declaring that a product of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, the manifestation of which they were appointed as “THE GUARDIANSHIP OF THE SHEKINAH”, was incorrect. They have thus made their decision with regard to this new realization, which had not even been produced in existence: a decision that will have far reaching consequences.

By labelling this new realization to be a “MISTAKE OF THE CREATION”, the Archangel MICHAEL, AZAZEL, and the others “ADONA’IM” were already projecting their intentions and motivations in advance onto the “to be created” “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”. In some sense, they have set the stage, they have laid the groundwork for the destruction of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, and so that, when they will actually carry out their premeditated actions, they have already set the stage, they have already shape the “information environment”, the principal environment of decision making, against that “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, and the remaining “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of “THE CELESTIAL HOST” will “blindly” believe and accept their premeditated narrative.

By labelling this new realization to be a “MISTAKE OF THE CREATION”, the Archangel MICHAEL, AZAZEL, and the others “ADONA’IM”, standing in “IMPURITY”, have begotten a progeny of “IMPURITY” into existence: they have begotten a “LIE” into existence. A “LIE”, as all progeny of “IMPURITY”, has nothing to support it, it has “no legs” to stand on; it has no base and no stability, it is without possible ins and outs, it does not have any place in “THE HOLY PROJECT”, it is unsustainable. To keep any progeny of “IMPURITY” going, more progenies of “IMPURITY” in all its forms have to be begotten into existence, to conceal the one that preceded it.

It is thus that, inside “THE SEAT OF THE INTELLECT” in their “‘SPIRIT←SPIRIT’ Body”, all these “ADONA’IM” have made the “ULTIMATE DECISION”: all of them have rejected the ordinances of the “specific spiritual formation” of “THE CHURCH” from “THE SHEKINAH”. AZAZEL and all those

who have lined up behind him have rejected to remain faithful to “THE DIVINE”, IHVH, our FATHER who was invisible and could not be apprehended, and they have revealed their decision and expressed it publicly. The Archangel MICHAEL and all those who have lined up behind him have rejected to remain faithful to “THE DIVINE”, IHVH, our FATHER who was invisible and could not be apprehended, and by instinct of survival, they have kept their decision hidden in “THE SEAT OF THE INTELLECT” in their “‘SPIRIT←SPIRIT’ Body” and did not express it publicly; instead they chose to use masks of convenience (masks of sanity) as façade to hide their “obscurity” and the decisions that “THE SEAT OF THE INTELLECT” in their “‘SPIRIT←SPIRIT’ Body” has already resolved to, pretending to be faithful to “THE DIVINE”, IHVH, our FATHER. That is how, for these disciples of “obscurity” who have “stumbled from off the bridge” or who went “a bridge too far” in their “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, the so called “GREY ZONES”, “UNDECIDED ZONES”, etc... inside their “HUBRIS Spiritual Veil” in the absence of “THE KNOWLEDGE OF THE DIVINE” came into existence; that is, choosing and siding with that, which is “WRONG”, that, which is “UNJUST”, that, which is “INCORRECT”, at the same time, using as façade the designation of that, which is “RIGHT”, that, which is “JUST”, that, which is “CORRECT”, to hide the already made “WRONG” choice.

To be faithful to “THE DIVINE”, IHVH, our FATHER, means: TO STAND IN PURITY AND HOLD YOUR GROUND IN PURITY. “The Walk within the Acronym IHVH” is a summary of “THE KNOWLEDGE OF THE DIVINE” and there are NO “GREY ZONES”, “UNDECIDED ZONES”, etc... in the manifestation of “The Walk within the Acronym IHVH”, the Governing Law of the Behavior. These “ADONA’IM” knew not that they are all prone to the Governing Law of the Behavior and cannot escape it; their behaviour and the actions that they will carry afterwards, will reveal everything that they were trying to hide.

This decision made by all “ADONA’IM” to reject to remain faithful to “THE DIVINE”, IHVH, our FATHER, and who have designated this new development to be a “MISTAKE OF THE CREATION”, was not a simple statement to be taken lightly, but it was a real “CHARGE” brought by these “ADONA’IM”, who are in the “obscurity” of their “Interpreted THOUGHTS” and absence of “PLENITUDE”, against “THE DIVINE”, who is the full “LIGHT” and at the fullest of His “PLENITUDE”, for not choosing to express on a “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, the new manifestation of metaphor of the “DIVINE PRIMARY WEALTH” which will be an expression of “THE UNION”.

Not been able to go directly after “THE DIVINE”, IHVH, our FATHER, who to them had remained invisible and unapprehendable and inconceivable by elements of “THE ‘SPIRIT’ REASON”, therefore it is this same “CHARGE”, in all its forms, that the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” will bring directly against the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” and all its descendants, whenever an opportunity will be provided.

CHRIST had already explained this to human creatures when he described to them in parables the events that took place in the “Specific Energy ‘CELESTIAL’ Domain”⁴⁸⁴.

CHRIST did not speak of the things that you see in this Earthly world in which live human creatures, but HE was using them as metaphors to explain the various developments that had taken place in the “Specific Energy ‘CELESTIAL’ Domain” to human creatures. It is also to lead creatures human and his disciples to understand this, that CHRIST told them:

“...

If I sprang forth of the first begotten, it is to reveal that, which is since the beginning, and because of the “HUBRIS” of the Archspawner and of his angels who call themselves gods.

If I came forth, it is to correct them of their blindness, to teach everyone “THE DIVINE”, who rules on “THE WHOLE”.

...”

Indeed, for the Archangel MICHAEL who had been assigned the task of choosing a “Character” that will be associated the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, and also for the others “ADONA’IM”, the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” was this chosen “Character” that would be carved into the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”.

Having not grown in them “THE KNOWLEDGE OF THE DIVINE”, having no knowledge of their own “‘SPIRIT←SPIRIT’ Body” which is part of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model from which they had all been “spoken” into existence in the “Specific Energy ‘CELESTIAL’ Domain”, the Archangel MICHAEL and the “ADONA’IM” had not found what would make the

⁴⁸⁴ Read more in the section concerning the details of annotations — Annotation on the parable of the workers of the eleventh hour.

“‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” akin of “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’”.

It is the “‘SPIRIT←LIGHT’ Body”, as a concrete and living image to express a metaphor of the “‘SPIRIT←LIGHT’ INDISTINCT DIVINE FORM” that exists already within “THE DIVINE DOMAIN”, which will make the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” akin of “THE SHEKINAH”.

“THE DIVINE FORCE” will not reveal the existence of the “‘SPIRIT←LIGHT’ Body” to the Archangel MICHAEL, and neither to any of the others “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”⁴⁸⁵, and it is so that for the Archangel MICHAEL, and also all others “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, in giving the designation of “MISTAKE OF THE CREATION” to the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, it is actually the “‘SPIRIT←LIGHT’ Body” which was unknown to them, that the “ADONA’IM” referred to as a “MISTAKE OF THE CREATION”.

Everything that should come to existence, in the attribute “NON DIVINE” and coming from “THE DIVINE DOMAIN”, is a manifestation of a product of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”.

This “‘SPIRIT←LIGHT’ Body” in “THE FRAME OF REFERENCE OF THE ATTRIBUTE ‘NON DIVINE’” in the attribute “NON DIVINE”, is the manifestation of a metaphor of the “‘SPIRIT←LIGHT’ INDISTINCT DIVINE FORM” that is produced in “THE ABSOLUTE FRAME OF REFERENCE” defined by “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” in “THE DIVINE”.

Did “THE DIVINE ARCHITECT AND PROJECT MASTER” made a mistake when HE designed and established “THE ABSOLUTE FRAME OF REFERENCE”

⁴⁸⁵ Eternally be blessed “THE DIVINE”, IHVH, our FATHER, of that apart from the radiation of the “Specific ‘EARTHLY←SPIRITUAL’ Frontier”, HE has never revealed or let see to “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and still less to the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, the real “‘SPIRIT←LIGHT’ Body” which is inside the “Specific ‘EARTHLY←SPIRITUAL’ Frontier”; because had HE done so, then, in view of the scourge of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” that raged “THE CELESTIAL HOST”, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” would have erase from existence any trace of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

Yes! Eternally be blessed “THE DIVINE”, IHVH, our FATHER!

defined by “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” which provided the “SUPREME STATE OF EQUILIBRIUM” of “THE DIVINE”?

Did “THE DIVINE FORCE” made a mistake when SHE consolidated “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” in the whole “HOLY PLACE”?

Did “THE DIVINE”, IHVH, our FATHER, in his kindness, made a mistake when HE decided to share with the attribute “NON DIVINE”, His own “DIVINE PRIMARY WEALTH”, the indescribable joy, the ineffable gladness, and the immeasurable state of equilibrium that arise out of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, from eternity, before that the attribute “NON DIVINE” was made, and as well as, from eternity, before that the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” were created into existence in this attribute “NON DIVINE”?

Did “THE DIVINE ARCHITECT AND PROJECT MASTER” erred when HE had designed in every detail “THE HOLY PROJECT” and established the phases of its implementation so that the creatures that would be created into existence can grow in “THE KNOWLEDGE OF THE DIVINE”?

Did “THE DIVINE ARCHITECT AND PROJECT MASTER” erred when HE had designed in every detail the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” as a concrete and living image to express the “‘SPIRIT←LIGHT’ INDISTINCT DIVINE FORM” that exists already within “THE DIVINE DOMAIN”?

Apparently, in this attribute “NON DIVINE” which is the vineyard of “THE DIVINE”, IHVH, our FATHER, who had “spoken” (“called”) into existence, these “ADONA’IM”, who are the “first hour laborers”⁴⁸⁶ (“called”) to work in HIS vineyard, who were all covered by the “HUBRIS Spiritual Veil”, and whose elements of “THE ‘SPIRIT’ REASON” (that is, “THE REASON of the First Order”) are not sufficient to describe the elements of “THE ‘SPIRIT→LIGHT’ REASON” (that is, “THE REASON of the Second Order”), and even by far much more less in order to describe the elements of “THE ‘DIVINE’ REASON” (that is, “THE

⁴⁸⁶ It is for the purpose to lead human creatures to understand these things that CHRIST gave them the parable of the workers of the eleventh hour.

Read the beginning of the parable in the section concerning the details of annotations — Annotation on the parable of the workers of the eleventh hour.

REASON of the Seventh Order”), the answers to all these questions were in the affirmative for these “ADONA’IM”.

For the “ADONA’IM”, covered by the “HUBRIS Spiritual Veil”, “THE DIVINE ARCHITECT AND PROJECT MASTER” as well as “THE DIVINE FORCE” had erred, to the point of announcing the implementation of this “MISTAKE OF THE CREATION” that was the purpose of this “Second Phase” of the implementation of “THE HOLY PROJECT”.⁴⁸⁷

In their “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” that “THE DIVINE”, IHVH, our FATHER had expressed on them, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” in the absence of knowledge of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, not knowing how they came into the existence, have thought of themselves to have outgrown in intelligence and wisdom their Creator — “THE DIVINE”, IHVH, our FATHER, source of all “DIVINE PRIMARY WEALTH”, and who Himself had chosen to share His own “DIVINE PRIMARY WEALTH” with the attribute “NON DIVINE”.

Not been able to contain the new emotions that had submerged their “‘SPIRIT←SPIRIT’ Body” to the idea of seeing the object of their “HUBRIS” escape from their hands, the “ADONA’IM” will then, take the designation of “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — and all that it represented, and turn it into that, which for their perception was the “MISTAKE OF THE CREATION” — that is, the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

From that very moment when this impurity of “Interpreted THOUGHTS” had appeared and took place in “THE SEAT OF THE INTELLECT” inside their “‘SPIRIT←SPIRIT’ Body”, “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” became merely a frontal façade of “THE SEAT OF THE INTELLECT” inside their “‘SPIRIT←SPIRIT’ Body”, a mask behind which their “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” was alive and operating.

⁴⁸⁷ The “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had no knowledge of the existence of “THE DIVINE ARCHITECT AND PROJECT MASTER” as well as of “THE DIVINE FORCE” as such, but these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” were aware of the presence of an invisible mysterious force surrounding the “Specific Energy ‘CELESTIAL’ Domain” and keeping “THE CELESTIAL HOST” in the unity.

We have described and highlighted the capacities and qualities that “THE DIVINE ARCHITECT AND PROJECT MASTER” has endowed the “‘SPIRIT←SPIRIT’ Body” of the “PRINCIPAL” instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, including the quality that made it to be the unique vessel through which “THE DIVINE ARCHITECT AND PROJECT MASTER” has established to realize, through the intermediary of “THE DIVINE FORCE”, the remaining part of “THE HOLY PROJECT” on scales larger than that of the “Specific Atomic ‘SPIRIT’ Substance”. For the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” issued from this “PRINCIPAL” instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, and that is the Archangel MICHAEL, drowning in the obscurity of his own “Interpreted THOUGHTS” and absence of “PLENITUDE”, it was not enough to have received all those capacities and qualities. Just like each of the others “ADONA’IM”, he yearned and coveted to possess that “LIGHT” — which is the manifestation of the “LIGHT” of the “‘LIGHT’ Divine State”, which is the child of the attribute “GOD” — and that has been attributed to that, which they have designated as “MISTAKE OF THE CREATION” — the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” —, to the point of deciding to destroy the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, if he do not get what he coveted.

It is so that, in “THE SEAT OF THE INTELLECT” in the “‘SPIRIT←SPIRIT’ Body” of the Archangel MICHAEL and of AZAZEL, was made the decision to get rid of this “MISTAKE OF THE CREATION” which was the purpose of this “Second Phase” of the implementation of “THE HOLY PROJECT”, to take control of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” and thereby to take control of this new and unique expression of “THE UNION” which will be represented by the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model and “enslave”⁴⁸⁸ it forever; in short: to have forever dominion on their following — the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

⁴⁸⁸ Yes, “slavery”, that is the word and concept, which they have used, already in those days, before that this Earthly world in which you now live was created into existence. That is how most of those higher ranking “ADONA’IM” and archangels at the heights of their “HUBRIS” perceived their fellow “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who were lower in the hierarchy of communication of ordinances of the “specific spiritual formation” of “THE CHURCH” from “THE SHEKINAH” and who were tasked to perform the actual work at the bottom of that hierarchy. It is about a creature who is not of free condition and is under the absolute dependence of a master of which it is the property; a creature who, while being free, is in a state of total dependence on someone or something and does not freely dispose of himself; a creature whose personal will, freedom of judgment or of action are hindered

This is what CHRIST had already explained to human creatures, when HE told them that in truth, the “ADONA’IM” wanted to have control over all of “THE HOLY PROJECT” which they did not even know the ins and outs; that is, what justified and was at the origin of “THE HOLY PROJECT” in which they were all “spoken” into existence: the “who”, “what” and “why”, that will represent all of the ins of “THE HOLY PROJECT”, and the “when”, “where” and “how” that will represent all the outs of “THE HOLY PROJECT”.⁴⁸⁹

or abolished by the action of constraining forces, internal or external, to the individual (passions, instincts, social constraints, moral values, etc.) Why do you think the scriptures, which humanity possesses has been stripped down to the bones and emptied of any substantial content concerning the behaviour and the misdeeds of these “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures”?

⁴⁸⁹ It is for the purpose to lead His disciples and human creatures to understand this, that CHRIST had told them, regarding the elders of the creation:

“ ...

The archons wanted to deceive humanity as soon as they saw that it was akin to that, which is truly good.

They took the name of that, which is good and attributed it to that, which is not good, to deceive humanity through “alter ego of names” and to tie humanity to that, which is not good, and subsequently what favour they are extending them! — In order to detach the humanity of that, which is not good and place it among that, which is good according to them.

Because, in truth, they wanted to take anyone who was free and subject him as slave forever.

...”

“... *They took the name of that, which is good and attributed it to that, which is not good* ...” refers to the fact that the “ADONA’IM” will reverse the direction of the “Causal Precedence Relation of ‘THE PRAISE’”, and all the consequences that will follow from this inversion.

“... *alter ego of names* ...” is meant to say that they pretended to be intermediaries between “THE DIVINE” and humanity; there is no trace of elements of “THE ‘LIGHT’ REASON” in their constituent parts and they pretend to be “gods” (which they are not) and “deities” (which they are not either), towards human creatures.

“... *that, which is good* ...” refers to what is in line with the specifications that “THE DIVINE ARCHITECT AND PROJECT MASTER” has defined; that is, that, which is “RIGHT”, that, which is “JUST”, that, which is “CORRECT”.

“... *anyone who was free* ...” refers to any creature who possesses knowledge of the “TRUTH”; that is, knowledge of the rules, laws, and the “specific processes” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has established in this unique “Divine

Once in “THE SEAT OF THE INTELLECT” in the “‘SPIRIT←SPIRIT’ Body” of the archangels MICHAEL and AZAZEL, the decision to get rid of this “MISTAKE OF THE CREATION” was made, then, the “nefarious and despicable shadow scheming”⁴⁹⁰ dictated by the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” also started to “take body” in their “‘SPIRIT←SPIRIT’ Body” concerning the manner in which they would demonstrate to the rest of “THE CELESTIAL HOST” that this new development, the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, is a “MISTAKE OF THE CREATION” like they had decided to the detriment of “THE DIVINE”.

M The path, which the Archangel MICHAEL chose in his “nefarious and despicable shadow scheming” to demonstrate to the rest of “THE CELESTIAL HOST” that this new development, the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, is a “MISTAKE OF THE CREATION”, is to discredit this new and unique expression of “THE UNION” which will be represented by the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”. That is to say, to damage the good reputation of, to disgrace, dishonour, bring into disrepute, blacken the designation, destroy the credibility, drag through the mud/mire, put/show in a bad light, reflect badly on, bring into disfavour, stigmatize, detract from, disparage, denigrate, devalue, diminish, demean, belittle, defame, slander, cast

D Septenary Configuration” of seven “Divine Particles”, and which formalise entirely and demonstrate the truth of formulas of relations between its seven constituent “Divine Particles” and all products that are formed and those that are consumed in this “Divine Septenary Configuration”; the knowledge of the ins and outs of “THE HOLY PROJECT”.

B Because anyone who has such knowledge that goes beyond “THE ‘SPIRIT’ REASON” is free. Anyone who is not going against the elements of “THE REASON”, is not subjugated to the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, but is subject only to “THE DIVINE”.

Covered by the “HUBRIS Spiritual Veil”, the elders of the creation would not allow that another creature possesses such freedom; because it would take such a creature outside their established hierarchy of communication with “THE DIVINE” and through which they indulged themselves of their “HUBRIS”. It is on the human creature that “THE DIVINE” chose to manifest the elements of “THE ‘LIGHT’ REASON” in order to sprout such freedom in it.

⁴⁹⁰ We use this wording of “nefarious and despicable shadow scheming” so that you come to grasp the gravity of the evil and depraved “nature” of the machinations that these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have grown in “THE SEAT OF THE INTELLECT” inside their “‘SPIRIT←SPIRIT’ Body” and have set in motion in order to destroy their neighbour — the human creature —. Words are not strong enough to assign a designation to those evil machinations.

aspersions on, malign, vilify, calumniate, smear, tarnish, besmirch, soil, slur, besmear, etc..., this new and unique expression of “THE UNION” which will be represented by the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”. Indeed! What the single word “discredit” can tell about!

It is so that, the Archangel MICHAEL has also declared the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, which has not yet been produced into existence, to be a “transgressor of the commandment of IHVH”, and which in the human language is now translated to mean a “sinner”, and he has set himself to demonstrate it to “THE CELESTIAL HOST”.⁴⁹¹ The Archangel MICHAEL knew not that he himself is subjected to the Governing Law of the Behavior, the manifestation of “The Walk within the Acronym IHVH”, and cannot escape it, and that, by his own actions, which he will perpetrate, he will be revealing the “nature” that has taken a seat in him.

It is so that, the miseries and woes of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” started long before that it was produced into existence in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”.

It is so that, through the teachings that “THE DIVINE FORCE” gave them about all the tasks necessary for the proper implementation of the “Second Phase” of “THE HOLY PROJECT”, that “THE DIVINE ARCHITECT AND PROJECT

⁴⁹¹ The readers who do not possess the “GIFT OF VISION” to “see” these things, which are revealed by “THE DIVINE FORCE”, can understand them through discernment from chronicles of the views of the angels & archangels, as reported in the chronicles of the conflict of “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and in which they describe their prowess of the absence of “THE KNOWLEDGE OF THE DIVINE” and their works of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, and in which they unconsciously incriminate themselves. Some of these chronicles (which are incomplete) have already been delivered to the human by the name of David Aguilar, and are available online on the Internet.

Read more in the section concerning the details of annotations — Annotation on the conversation between the Archangel MICHAEL and the Archangel ZA’AFIEL, extracted from the archives on the unfolding of the open conflict in the “Specific Energy ‘CELESTIAL’ Domain”.

“ ...

I cannot explain it too directly to you at this time, for the Host will not be able to fully understand it until they see Sin demonstrated.

...”

MASTER” had designed, the “ADONA’IM” will mature their “nefarious and despicable shadow scheming” dictated by the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” and with sole purpose to “discredit” and destroy the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

In this beginning of the “spiritual adolescence” stage in the understanding and the knowledge of “THE TREE OF LIFE” – “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”, and not having grown the knowledge of “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” in him, despite all the manifestations of “PURE, TRUTHFUL, AND AUTHENTIC LOVE” that “THE DIVINE”, IHVH, our FATHER revealed to him, AZAZEL would not accept all the explanations that were given to him in his quest to take the control of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

It is so that, “COVETOUSNESS”, this immoderate desire to take control, increased in the “‘SPIRIT←SPIRIT’ Body” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” and became an obsession.

With the passage of time and from the inability to achieve or acquire the coveted object, appeared into existence in the “‘SPIRIT←SPIRIT’ Body” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” the emotion of dissatisfaction – “TO NOT BE SATISFIED”. Afterwards, the discontent and all the other negative emotions arising from dissatisfaction will appear into existence.

It is so that, the “CONTROVERSY” between the Archangel MICHAEL and AZAZEL, with the purpose to take control of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” has developed beyond all proportions, and was brought to the attention of others “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of “THE CELESTIAL HOST”, apart from the “ADONA’IM”; something unusual was going on between the firsts seven “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” to whom “THE DIVINE FORCE” has assigned “THE GUARDIANSHIP OF THE SHEKINAH”.

The noxious effects, external display of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, were becoming visible and discernible outside of the “‘SPIRIT←SPIRIT’ Body”.

As we already explained in the section concerning the “PRIDE” and the absence of “THE KNOWLEDGE OF THE DIVINE” in “THE CELESTIAL HOST” which is at the origin of the “HUBRIS”, the vast majority of “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of “THE CELESTIAL HOST” had been careless of “THE KNOWLEDGE OF THE DIVINE” to the point that none could recognize the “LIGHT” of “THE DIVINE FORCE” through all the manifestations of metaphors of “DIVINE

PRIMARY WEALTH” that SHE had expressed on “THE CELESTIAL HOST”, and which is always present and shines all around and outside of the “HUBRIS Spiritual Veil” frozen on “THE SEAT OF THE INTELLECT” in the “‘SPIRIT←SPIRIT’ Body” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”.

Just as all others “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, AZAZEL had no knowledge of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, this mould from which they were all produced.

This absence of “THE KNOWLEDGE OF THE DIVINE” and the depth of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” were such that AZAZEL will begin consciously to break all the rules and precepts that “THE DIVINE ARCHITECT AND PROJECT MASTER” has established and the teachings that “THE DIVINE FORCE” taught them in order for them to grow in “THE KNOWLEDGE OF THE DIVINE”.

One after the other, he will infringe them and begin to deal with outrageous contempt, and to make a mockery of the teachings that “THE DIVINE FORCE” taught them about all the tasks necessary for the proper implementation of the “Second Phase” of “THE HOLY PROJECT”, that “THE DIVINE ARCHITECT AND PROJECT MASTER” had designed.

As a token of defiance and rejection of “THE DIVINE”, IHVH, our FATHER, and all that HE represents, AZAZEL will tear out his “protective veil”, constructed using “Specific Atomic ‘CELESTIAL’ Substances” and that is part of the “Specific ‘CELESTIAL’ Garment” and, that every “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” must place in front of its “Specific ‘CELESTIAL’ Visual Structure” to protect it from the luminous radiation emanating directly from “THE SHEKINAH”. Subsequently, he will reveal and expose his “Specific ‘CELESTIAL’ Visual Structure”, unprotected, to the luminous radiation emanating directly from “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — which is placed in the “Specific Energy ‘CELESTIAL’ Domain”.⁴⁹²

⁴⁹² To place things in perspective, so that you get a good feeling of the depths of insanity in which these elders of the creation have plunged themselves, the situation was similar to that where you will have an ant on earth, in which live human creatures, flexing its muscles against the Solar star; the Solar star itself being just a spark of the manifested metaphor of “THE LIGHT” of “THE DIVINE”, and the ant, in its bitterness, had rejected the conditions of its own existence and wanted to challenge “HE WHO IS”, who is billions times more powerful than the Solar star. As we have indicated already, once these “‘SPIRIT←SPIRIT’

A shock wave caused by the transfer of a power surge at the contact of the luminous radiation emanating directly from “THE SHEKINAH” with the “Specific Energy ‘SPIRIT’ Substance” constituent of the “‘SPIRIT←SPIRIT’ Body” of AZAZEL had shaken him.

It is so that, the “‘SPIRIT←SPIRIT’ Body” of AZAZEL as well as “The ALTAR of ‘THE DIVINE’” inside of this “‘SPIRIT←SPIRIT’ Body” of AZAZEL had fractured, cracked and broken by contact with this luminous radiation emanating directly from “THE SHEKINAH”, and which was transmitted through its “Specific ‘CELESTIAL’ Visual Structure” unprotected.

It is the immediate “DEATH” of AZAZEL that should have followed; but because HE loved His others “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” that much, His “CHILDREN” that were still at the stage of the “spiritual childhood” and were following the “ADONA’IM” by affinities and by conveniences, “THE DIVINE”, IHVH, our FATHER intervened through “THE DIVINE FORCE” at the very moment when this luminous radiation emanating directly from “THE SHEKINAH” broke the structure of the “‘SPIRIT←SPIRIT’ Body” of AZAZEL, and has thus maintained AZAZEL alive.

Just as none of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” can see the “Specific Energy ‘SPIRIT’ Substance” constituent of its own “‘SPIRIT←SPIRIT’ Body”, both through the “Specific ‘CELESTIAL’ Visual Structure” and through the “specific ‘SPIRITUAL’ visual structure”, AZAZEL could not see that of his “‘SPIRIT←SPIRIT’ Body” and the damages and cracks that were in it now. Only “THE EYE OF THE DIVINE” saw all those damages and cracks.⁴⁹³ But soon, this event will occur again, this time in large scale throughout the whole the “Specific

‘CELESTIAL’ Creatures” came to understand that “... *None amongst them, who are elders of the creation, but a new creature will receive and carry the manifestation of “THE UNION” ...*”, they “lost their mind”, in the sense that, they became insane, mentally unsound, and extremely foolish.

⁴⁹³ Just like when an offspring of human creature is requested not to eat the chocolate cream kept in the upper cupboard, placed well high enough for his height, he manages to find a way to override such request, climbs in the cupboard with the help of the wall, get to the chocolate cream box and eat as much as time allows, and before that any of his relative come in, and he climbs down, not knowing that the traces of chocolate cream smeared all over his face, in addition to the record of the hidden camera, will tell all about his misdeed, so was the situation with the misdeeds of this “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, elder of the creation. Here, the damages and cracks seen on the “‘SPIRIT←SPIRIT’ Body”, are represented by the traces of chocolate cream smeared all over the face (which will be the “‘SPIRIT←SPIRIT’ Body”), and the hidden camera is “THE EYE OF THE DIVINE”.

Energy ‘CELESTIAL’ Substance” constituent of the “Specific Energy ‘CELESTIAL’ Domain”, with the deployment of pure “Specific Atomic ‘SPIRIT’ Substances”, containing crude and very high “‘SPIRIT’ specific supply of subsistence”, and constituent of the “Specific Energy ‘SPIRIT’ Substance”, itself constituent of “THE SHEKINAH” – “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” –. And even then, none of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” will understand or be aware of the damages and cracks that were inside their “‘SPIRIT←SPIRIT’ Body”.

For having conscientiously infringed the basic principle of his own existence, AZAZEL had confirmed by his actions his rejection of “THE FIRST COMMANDMENT” – “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”.

His “‘SPIRIT←SPIRIT’ Body”, fractured and broken, could no longer reflect the unique and homogenous aspect of the “HOLY SPIRIT” in the image of which he was designed and created into existence. It is thus that contrary and opposite emotions to “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” made their appearance and submerged his “‘SPIRIT←SPIRIT’ Body”. Moreover, he could not control these new emotions.

The “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” which was represented by the entity called AZAZEL had become “unstable” and a real “POISON” in the “Specific Energy ‘CELESTIAL’ Substance” constituent of the “Specific Energy ‘CELESTIAL’ Domain”.

Indeed, the enormous quantity of a product (reminiscent to “blood”) of the “Specific Energy ‘SPIRIT’ Substance” leaking out, through the “Specific ‘SPIRITUAL←SPIRIT’ Frontier” of his fractured “‘SPIRIT←SPIRIT’ Body”, just like “blood” leaking out of an open “wound”, was contaminating directly the “Specific ‘SPIRITUAL’ Environment” external and immediate around his fractured “‘SPIRIT←SPIRIT’ Body”. Since the “‘SPIRIT’ Specific State” of that product (reminiscent to “blood”) of the “Specific Energy ‘SPIRIT’ Substance” leaking out is not the same as the “‘SPIRITUAL’ Specific State” of the “Specific ‘SPIRITUAL’ Environment”, it is so that, that contamination on the “Specific Atomic ‘SPIRITUAL’ Substance” scale, was causing disturbances, disruptions of certain vital functions of those “Specific Atomic ‘SPIRITUAL’ Substances”.⁴⁹⁴

⁴⁹⁴ We will spare you the details of the chemical reactions at those levels. Just think of toxicity from a battery in which the chemicals, inside a battery, are leaking out of the battery sealing and onto the soil, because of a damaged sealing. Those chemicals will

Thus, the “Specific ‘SPIRITUAL’ Environment” containing the “Specific Energy ‘CELESTIAL’ Substance” constituent of the “Specific Energy ‘CELESTIAL’ Domain”, was contaminated with impurities. Due to the low density “specific ‘CELESTIAL’ coating” that has been used in the design and implementation of the “Plane Above”, the transfer of the effects of those impurities, those effects which result from the different reactions arising from the contacts between the “Specific Atomic ‘SPIRITUAL’ Substances” and those “Specific Atomic ‘SPIRIT’ Substances” leaking out of the “‘SPIRIT←SPIRIT’ Body” fractured, from the “Specific ‘SPIRITUAL’ Environment” to the “Specific Energy ‘CELESTIAL’ Substance”, was almost immediate; the transmission factor being inversely proportional to the density of the “specific ‘CELESTIAL’ coating”. The effects of those reactions, just like smokes which emerges from a noxious chemical reaction, are imparted instantaneously in the “Specific ‘SPIRITUAL’ Environment” external and immediate around such fractured “‘SPIRIT←SPIRIT’ Body”, and that part of the “Specific ‘SPIRITUAL’ Environment” then loses its state of “HARMONY” with “THE DIVINE”, IHVH, our FATHER; and the radiance, the brightness color, of the “Specific Radiance ‘SPIRITUAL’ Aureole” around such fractured “‘SPIRIT←SPIRIT’ Body”, also transits instantaneously, by tarnishing, towards dark colors belonging to the “Palette of CHAOS”; that is how the “dark spiritual cloud” surrounding such fractured “‘SPIRIT←SPIRIT’ Body”, hence surrounding such “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, came to be.⁴⁹⁵ The damages on the “Specific ‘SPIRITUAL←SPIRIT’ Frontier” can be repaired only by “THE DIVINE FORCE” who, in the first place, has built and produced that “Specific ‘SPIRITUAL←SPIRIT’ Frontier”. Given that, such a fractured “‘SPIRIT←SPIRIT’ Body” has rejected and permanently rejects the laws and the rules of its own existence, which were established by “THE DIVINE ARCHITECT AND PROJECT MASTER” and summarized in that which is designated by “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”, it is so that,

contaminate the soil, producing various chemical reactions and the resulting products will propagate in the air when dry, spreading to the surrounding. How dangerous would it be to some one who would come in that surrounding? Think of a reason why those chemicals were sealed inside the battery, in the first place and you will understand why the “‘SPIRIT←SPIRIT’ Body” is contained and protected by the “Specific ‘SPIRITUAL←SPIRIT’ Frontier”. It goes without saying that this is said in parables, and whoever has ears to hear, let him hear! Whoever can read, let him read it!

⁴⁹⁵ With the passage of time, those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” with fractured “‘SPIRIT←SPIRIT’ Bodies” will also be designated as “shadow creatures”, as in the “Specific ‘SPIRITUAL’ Environment”, they are always surrounded by that “dark spiritual cloud”.

that product (reminiscent to “blood”) of the “Specific Energy ‘SPIRIT’ Substance”, will leak out of the fractured “‘SPIRIT←SPIRIT’ Body”, as long as it is produced by the “Specific Energy ‘SPIRIT’ Substance”, and the presence of the “dark spiritual cloud” surrounding such fractured “‘SPIRIT←SPIRIT’ Body” also becomes permanent. As in a “close circuit”, such fractured “‘SPIRIT←SPIRIT’ Body” effectively becomes a source of production of those noxious reactions. The “energy” that emanates from such fractured “‘SPIRIT←SPIRIT’ Body” always crosses its associated “dark spiritual cloud” before reaching the “Specific ‘SPIRITUAL’ Environment” external and immediate around such fractured “‘SPIRIT←SPIRIT’ Body”. As such, when a “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” with a fractured “‘SPIRIT←SPIRIT’ Body” moves around, that permanent “dark spiritual cloud” surrounding it, also moves along with the fractured “‘SPIRIT←SPIRIT’ Body” producing it, and leaves a noxious trail behind. It is so that, the noxious effects of those reactions are also manifested directly in the “Specific Energy ‘CELESTIAL’ Substance” external and immediate around such fractured “‘SPIRIT←SPIRIT’ Body”, as those noxious effects impair directly the property of regeneration of structures of that “Specific Energy ‘CELESTIAL’ Substance”: as such, the “Specific Energy ‘CELESTIAL’ Substance” is said to be “perishing”. While that “dark spiritual cloud” surrounding a “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” with a fractured “‘SPIRIT←SPIRIT’ Body”, is not perceptible explicitly outside the “Specific ‘SPIRITUAL’ Environment”, it is however perceptible explicitly in the “Specific ‘SPIRITUAL’ Environment”, and as such the separation is made between a “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” with a fractured “‘SPIRIT←SPIRIT’ Body” and a “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” with a “‘SPIRIT←SPIRIT’ Body” not fractured.

“THE DIVINE ARCHITECT AND PROJECT MASTER” had designed the “Specific Energy ‘SPIRIT’ Substance” constituent of the “‘SPIRIT←SPIRIT’ Body” and had protected it using that “Specific ‘SPIRITUAL←SPIRIT’ Frontier”, from well founded purposes.

Just as the degree of presence of “THE SPECIFIC SPIRITUAL FORCE OF LIFE” in the “Specific ‘SPIRITUAL’ Environment” external and immediate around the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, is catalyst of state of “HARMONY” of that “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” with “THE DIVINE”, IHVH, our FATHER, in much the same, but in reverse, the degree of presence of those impurities in the “Specific ‘SPIRITUAL’ Environment” external and immediate around the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, is catalyst of the state of

“CHAOS”, contrary to the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”.

For “THE HOLY PROJECT”, that “THE DIVINE ARCHITECT AND PROJECT MASTER” had designed, to move forward on its course, any such source of impurities in the “Specific ‘SPIRITUAL’ Environment”, such as a fractured “‘SPIRIT←SPIRIT’ Body” that has rejected and permanently rejects the laws and the rules of its own existence, must be erased from existence.

Later and unbeknownst to all others “ADONA’IM” providing “THE GUARDIANSHIP OF THE SHEKINAH”, AZAZEL will steal a part of the “specific generative energy” produced by “THE SHEKINAH”, and he will consciously conceal it in his “Specific ‘CELESTIAL’ Garment”. That action of consciously stealing, of fraudulently and consciously taking what does not belong to him, with the intention of making it his own, is a criminal offence of dishonesty. He is the first recorded intentional THIEF in the CREATION. That is how low this elder of the creation had sunk in his desire to be akin to “THE SHEKINAH”, not understanding that things were produced into existence for his education.

He stole and hid it, using the knowledge of the spiritual “specific processes” he had acquired from his function in “THE GUARDIANSHIP OF THE SHEKINAH” and which allowed him to keep intact and regulate the “Specific ‘CELESTIAL←SPIRITUAL’ Frontier” of “THE SHEKINAH”.

He perpetrated this criminal offence of dishonesty and thinking that with the passage of time, and with this “specific generative energy”, from “THE SHEKINAH”, hidden in him, he would not only be akin to “THE SHEKINAH” as the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” which was under project, but he would produce “LIGHT” by himself; that is, he would become a source of “LIGHT”, and which would also make him a “GOD” above of all the others “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of “THE CELESTIAL HOST”.⁴⁹⁶ Despite all the teachings that “THE DIVINE FORCE” had poured on these “ADONA’IM” and on the remaining “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of “THE CELESTIAL HOST” in over nearly seventy billiad of years into existence in order for them to grow in “THE KNOWLEDGE OF THE DIVINE”, they all failed to understand the mould from which they were products; they have all failed to know their roots, the place where they had sprouted.

⁴⁹⁶ Read more in the section concerning the details of annotations — Annotation on the broken “vase” that held no life water.

He perpetrated all this criminal offence of dishonesty at the sight of “THE EYE OF THE DIVINE”, with disregard of “THE DIVINE”, IHVH, our FATHER and with disregard of the “PURE, TRUTHFUL, AND AUTHENTIC LOVE” that “THE DIVINE”, IHVH, our FATHER had for him, AZAZEL, in particular.

He will also start to sabotage the tasks, which were assigned to him, and which defined the purpose for which he was “spoken” into existence. He will spread this product of his works of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, on the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who came to listen to him and he will declare it repeatedly as a mantra in “THE CELESTIAL HOST”, that he is no longer an Angel, or even an “ADONAI”, but that he has now become akin of “THE DIVINE”.

So was the extent of the scourge of the absence of “THE KNOWLEDGE OF THE DIVINE” in the “‘SPIRIT←SPIRIT’ Body” of AZAZEL, and so was the depth of the “COVETOUSNESS” to get hold of the new manifestation of metaphor of the “DIVINE PRIMARY WEALTH” that “THE DIVINE” has chosen to manifest as expression of “THE UNION” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

It should be reminded that the “QUERUB” instance is the instance of “teachers” in “THE CELESTIAL HOST”, “QUERUB” meaning “EMANATIONS OF ‘RAW KNOWLEDGE’ OF THE DIVINE”, the model from which emanated abundantly raw indices and signs that revealed the existence of an aspect of “THE DIVINE”, and that were to enable to discern and understand aspects of “THE KNOWLEDGE OF THE DIVINE”.

Knowing that AZAZEL is the first “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” of the “QUERUB” instance having the “MALE” adjective, who was then the deputy of the Archangel MICHAEL, and who was also the acting figure and coordinator of the instructions transmitted by the Archangel MICHAEL in their hierarchy of communication of the ordinances of the “specific spiritual formation” of “THE CHURCH” from “THE SHEKINAH”, also in charge to facilitate the education of “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” younger than him, what was the extent of the scourge of the absence of “THE KNOWLEDGE OF THE DIVINE” in their “‘SPIRIT←SPIRIT’ Body” for each of them? Much worse! As they looked up to him as an inspiration in many respects and by affinities and by conveniences, and many of those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who listened to him, will assert their oath of allegiance to him.

And to support this statements in front of those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who listened to him, AZAZEL will use the knowledge of the spiritual “specific processes” he had from his function in “THE GUARDIANSHIP OF THE

SHEKINAH” and which allowed him to keep it intact and regulate the “Specific ‘CELESTIAL←SPIRITUAL’ Frontier” of “THE SHEKINAH”, and then, he will diffuse on his “Specific ‘CELESTIAL’ Garment” the luminous radiation of this “specific generative energy” he had stolen and hidden in him, thus appearing as bright as “THE SHEKINAH”.

It is so that, several of “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” mesmerised, in “FEAR” and trembling in front of this deliberated deception, product of his work of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, will join him in his transgressions of the rules and precepts that “THE DIVINE ARCHITECT AND PROJECT MASTER” has established and the teachings that “THE DIVINE FORCE” taught them in order for them to grow in “THE KNOWLEDGE OF THE DIVINE”.

Those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who followed him in the depths of “THE OBLIVION OF THE KNOWLEDGE OF THE DIVINE”, will even start to worship him in his deceptions; having no knowledge concerning the “‘SPIRIT→LIGHT’ CORD OF PRAISE” and the functioning of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model from which they had been produced into existence in the attribute “NON DIVINE”.

The “‘SPIRIT←SPIRIT’ Body” of “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” that were in a state of “CHAOS”, contrary to the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”, was not functioning anymore as “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed it.

Therefore, the “SPIRITUAL SHIELD”, this internal “specific mechanism” which allows to reject “IMPURE” external input signals, will fail to function as it should on most of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of “THE CELESTIAL HOST”, and will let through these “IMPURE” external input signals, “IMPURE” products of the work accomplished by the “‘SPIRIT←SPIRIT’ Body” of AZAZEL.

The degree of presence of “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” in the “Specific ‘SPIRITUAL’ Environment” external and immediate around of every other “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” of “THE CELESTIAL HOST” had declined and was not sufficiently high.

Nevertheless, “The Specific Process of Attachment to ‘THE DIVINE’”, established by “THE DIVINE ARCHITECT AND PROJECT MASTER” to remedy this type of situation was activated automatically when these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” emitted (celebrated) “THE PRAISE” — the “specific signals” requesting the sending of external supply of subsistence in order to

remain into existence in the “SPIRIT Specific State” — towards the sole and unique expression into existence in the attribute “NON DIVINE” of a metaphor of “THE ‘SPIRIT←LIGHT’ EON”; that is, towards “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’”.

Therefore, each “SPIRIT←SPIRIT ‘CELESTIAL’ Creature” of “THE CELESTIAL HOST”, even those that under the “HUBRIS CHOICE” have openly rejected “THE DIVINE”, IHVH, our FATHER and all that HE is, continued to receive the crude “SPIRIT specific supply of subsistence” necessary for the proper functioning of “The ALTAR of ‘THE DIVINE’” inside the “Specific Energy ‘SPIRIT’ Substance” constituent of “SPIRIT←SPIRIT Body” in the “SPIRIT←SPIRIT ‘CELESTIAL’ Creature”.

It is so that, during the days that followed the announcement of the implementation of the “Second Phase” of “THE HOLY PROJECT”, the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” has pulled all its strength in the “SPIRIT←SPIRIT Body” of “SPIRIT←SPIRIT ‘CELESTIAL’ Creatures” covered by the “HUBRIS Spiritual Veil”, and “THE TREE OF DEATH” has grown further in the “SPIRIT←SPIRIT Body” of these “SPIRIT←SPIRIT ‘CELESTIAL’ Creatures”.

It is so that, extreme forms of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” will compel some “SPIRIT←SPIRIT ‘CELESTIAL’ Creatures” of “THE CELESTIAL HOST” to grab manifestations of metaphors of “DIVINE PRIMARY WEALTH” that are not theirs and to the detriment of those on which these manifestations of metaphors of “DIVINE PRIMARY WEALTH” had been expressed.

It is so that, manifestations of the works of “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, amongst others⁴⁹⁷, duplicity, lies, moral dishonesty, gossips, futile and malicious words against “THE DIVINE”, IHVH, our FATHER, lack of respect for the values of “HOLY PROJECT” and for the teachings that these “SPIRIT←SPIRIT ‘CELESTIAL’ Creatures” had received in “PURITY” and “HOLINESS” from “THE DIVINE FORCE” through the tasks which were assigned to them. All those manifestations arised into existence

⁴⁹⁷ All those works of “HUBRIS” that you see repeatedly developed by and amongst humans creatures, again and again, as in a close loop of destruction, in the world in which you are living, started with those elders of the creation in “THE CELESTIAL HOST”, in the “Plane Above”.

as products of “THE SEAT OF THE INTELLECT” in the “‘SPIRIT←SPIRIT’ Body” of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”.

It is so that, with the passage of time and the ongoing preparations of the implementation of the “Second Phase” of “THE HOLY PROJECT”, all those manifestations of the works of “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, were on the rise and spreading at fast pace within “THE CELESTIAL HOST”; starting from the firsts foremost “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” (the “ADONA’IM”) who had reached an advanced stage of the “spiritual childhood” and were entering the stage of the “spiritual adolescence”, descending through the established hierarchy of communication of the ordinances of the “specific spiritual formation” of “THE CHURCH” from “THE SHEKINAH”, and spreading down to, and corrupting, those innocents “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who were still at the stage of the “spiritual childhood” and, not knowing about the “cold conflict” — the “CONTROVERSY” between the Archangel MICHAEL and AZAZEL, with the purpose to take control of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” — that has truly started between those two has engulfed all the “ADONA’IM” in it, were following those “ADONA’IM” by affinities and by conveniences.

Those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” that had developed in them these extreme forms of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” will be compelled to stand above the others: it is so that the emotion which compels to dominate others will spread in “THE CELESTIAL HOST”.

It is so that, “FEAR”, “ANGUISH”, “DOUBT”, “TURMOIL”, “INSTABILITY”, “INDECISION”, and “DIVISION” increased in “THE CELESTIAL HOST”; because the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” were in the absence of “THE KNOWLEDGE OF THE DIVINE” and were feeding themselves with the residuals of their own “Interpreted THOUGHTS”.

So were the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” in the scourge of absence of “THE KNOWLEDGE OF THE DIVINE”; having failed to discern and reconstitute “THE DIVINE” from all the manifestations of metaphors of “DIVINE PRIMARY WEALTH” that have been expressed on them, having failed to understand why and how they were into existence.

From the emotion associated with the “FEAR” of loosing the object of their “HUBRIS” which had been generated and expressed into existence in their “‘SPIRIT←SPIRIT’ Body” to indicate the presence of danger related to the “HUBRIS CONFLICT”, several other emotions will also make their appearance in

the “‘SPIRIT←SPIRIT’ Body” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”. It is so that, anxiety, confusion, instability, indecisiveness and division settled within “THE CELESTIAL HOST”.

Therefore, many illusions were furthermore produced from the residuals of their own “Interpreted THOUGHTS” and which have no place in “THE HOLY PROJECT”, operative because of the scourge of absence of “THE KNOWLEDGE OF THE DIVINE”, as well as several others works of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, were produced; just as the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who were asleep on the bed of negligence of “THE KNOWLEDGE OF THE DIVINE” have found themselves in the middle of confusing dreams.

It is so that, the “HUBRIS Spiritual Veil” which confines “THE SEAT OF THE INTELLECT” of the “‘SPIRIT←SPIRIT’ Body”, in the absence of “THE KNOWLEDGE OF THE DIVINE”, has continued to deploy itself on the innocent “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” (those in which the degree of presence of “THE KNOWLEDGE OF THE DIVINE”, in their “‘SPIRIT←SPIRIT’ Body”, had not yet declined to the point of “OBLIVION OF THE KNOWLEDGE OF THE DIVINE”) in “THE CELESTIAL HOST”.

The “HUBRIS” decreases the degree of presence of “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” in the “Specific ‘SPIRITUAL’ Environment” external and immediate around the creature covered by the “HUBRIS Spiritual Veil”.

It is so that, by failure of “‘SPIRIT’ specific supply of subsistence” in the structures of “THE SEAT OF THE INTELLECT”, which allow to generate oneself internal “Interpreted THOUGHTS” of action, such creature covered by the “HUBRIS Spiritual Veil” will generate by itself and in itself nonspecific internal “Interpreted THOUGHTS” of action; that is, “IMPURE” “Interpreted THOUGHTS” of action, from which ensues the arrogance, error, and indifference toward the “TREE OF LIFE” and its “fruits” — “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”.

It is so that, in the “Specific ‘SPIRITUAL’ Environment” external and immediate around of AZAZEL, the degree of presence of “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” which was already low continued to decrease much more in AZAZEL and in his frustration he became arrogant and decided not to use the mechanisms designed and established by “THE DIVINE ARCHITECT AND PROJECT MASTER” to remedy the presence of the state of “CHAOS” between him (AZAZEL) and “THE DIVINE”, IHVH, our FATHER.

With his “‘SPIRIT←SPIRIT’ Body”, fractured and broken, which could no longer reflect the unique and homogenous aspect of the “HOLY SPIRIT” in the image of which he was designed and created into existence, AZAZEL was not anymore “fit for purpose”. It is then, that “THE DIVINE”, IHVH, our FATHER has issued the sentence to dismiss AZAZEL from all duties concerning “THE GUARDIANSHIP OF THE SHEKINAH”. Through “THE DIVINE FORCE”, the instruction was given to the Archangel MICHAEL to carry out that sentence; which was done and another “ADONAI”, less experienced (in the sense that firstly, he was not conceived and produced into existence with those innate distinctive features, peculiar to the appropriate “DIVINE PRIMARY WEALTH”, and required to perform those specific tasks for which his predecessor was “spoken” into existence, and secondly, he had no practical training) than AZAZEL, took over to fill the open position in “THE GUARDIANSHIP OF THE SHEKINAH”. This other “ADONAI” is the Archangel GABRIEL.

And it is so that, subsequently, the Archangel MICHAEL brought GABRIEL up speed regarding the tasks of this function of “THE GUARDIANSHIP OF THE SHEKINAH” and the spiritual “specific processes”, which allow to keep it intact and regulate the “Specific ‘CELESTIAL←SPIRITUAL’ Frontier” of “THE SHEKINAH”, and assisted him in performing those tasks, with the passage of time and the ongoing preparations of the implementation of the “Second Phase” of “THE HOLY PROJECT”.

As you would know, a “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” is defined and identified by its own “job description”, which tells about the purpose for which that “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” was “spoken” into existence. For a “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, which is not anymore “fit for purpose”, to be dismissed of all duties regarding the purpose for which it, in the quality of a “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, was “spoken” into existence, implies its imminent removal from existence, the erasure of it from the attribute “NON DIVINE”; it indicates that the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” has been marked for “MAVET” (marked for “DEATH”, the removal from existence, the return to nothingness).

“THE DIVINE”, IHVH, our FATHER used to tell everything, through “THE DIVINE FORCE”, to the Archangel MICHAEL, and “THE DIVINE FORCE” had made him understand the principles of functioning of “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — and the importance of maintaining a high enough, the degree of presence of “THE SPECIFIC SPIRITUAL FORCE OF LIFE” (that is, “PURE, TRUTHFUL, AND

AUTHENTIC LOVE OF ‘THE DIVINE’”) in the “Specific ‘SPIRITUAL’ Environment” external and immediate around of this First “Specific Energy ‘SPIRIT←LIGHT’ Bridge”.

“The ALTAR of ‘THE DIVINE’” inside of this First “Specific Energy ‘SPIRIT←LIGHT’ Bridge” has received a SUFFICIENT amount of force and strength from “THE DIVINE”, IHVH, to be able to not only give “LIFE” to the “Specific Energy ‘SPIRIT←LIGHT’ Bridge”, but to be able to destroy the whole external environment in which it is placed; that is, the entire “Specific Energy ‘CELESTIAL’ Domain”.

Each of the elders of the creation that has been “spoken” into existence in the “Specific Energy ‘CELESTIAL’ Substance” constituent of the “Specific Energy ‘CELESTIAL’ Domain” in the attribute “NON DIVINE”, is a delineated part and entity of this “Specific Energy ‘CELESTIAL’ Substance”, and is an “INDISTINCT FORM OF THE SPECIFIC ENERGY ‘CELESTIAL’ SUBSTANCE”.

Therefore, as we have explained already, in the event that a “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” is in a state of “CHAOS”, contrary to the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”, then, the “Specific Energy ‘CELESTIAL’ Substance” constituent of this whole “Specific Energy ‘CELESTIAL’ Domain”, including the whole “Specific ‘SPIRITUAL’ Environment” containing this “Specific Energy ‘CELESTIAL’ Domain” will be affected.⁴⁹⁸

They will be also in a state of “CHAOS”, contrary to the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”; even if their state of “CHAOS”, contrary to the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER” will not be felt with the same intensity by others “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” which are also integral and delineated parts and cohesive subsets of this “Specific Energy ‘CELESTIAL’ Substance”.

Consequently, the state of “CHAOS” of this “Specific Energy ‘CELESTIAL’ Substance” contrary to the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”, and the state of “CHAOS” of the “Specific ‘SPIRITUAL’ Environment” containing this “Specific Energy

⁴⁹⁸ We indicated this already in a previous annotation concerning the functioning of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed as a cohesive subset of the “Specific Energy ‘CELESTIAL’ Substance”.

‘CELESTIAL’ Substance”, will increase with the number of “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” that will be in the state of “CHAOS”, contrary to the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”.⁴⁹⁹

As we have indicated above, an enormous quantity of a product (reminiscent to “blood”) of the “Specific Energy ‘SPIRIT’ Substance” leaking out, through the “Specific ‘SPIRITUAL←SPIRIT’ Frontier” of the fractured “‘SPIRIT←SPIRIT’ Body” of AZAZEL, was contaminating directly the “Specific ‘SPIRITUAL’ Environment” external and immediate around his fractured “‘SPIRIT←SPIRIT’ Body”. Thus, the “Specific ‘SPIRITUAL’ Environment” containing the “Specific Energy ‘CELESTIAL’ Substance” constituent of the “Specific Energy ‘CELESTIAL’ Domain”, was contaminated with impurities. Due to the low density “specific ‘CELESTIAL’ coating” that has been used in the design and implementation of the “Plane Above”, the transfer of the effects of those impurities, from the “Specific ‘SPIRITUAL’ Environment” to the “Specific Energy ‘CELESTIAL’ Substance”, was almost immediate; the transmission factor being inversely proportional to the density of the “specific ‘CELESTIAL’ coating”.

The Archangel MICHAEL and others “ADONA’IM” had perceived that, whenever they were in the vicinity of AZAZEL, the surrounding “Specific ‘CELESTIAL’ Environment” and also the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” were affected in an unusual manner, not a positive way; something beyond their level of understanding and beyond the “Specific Energy ‘CELESTIAL’ Substance” constituent of the “Specific Energy ‘CELESTIAL’ Domain”, was flowing out of AZAZEL. The “essence of AZAZEL”, they said between themselves, was all across the “Specific Energy ‘CELESTIAL’ Domain”. They had no “word” to qualify that

⁴⁹⁹ It is for the purpose to make understand this, that “THE DIVINE FORCE” will talk to them directly within their “‘SPIRIT←SPIRIT’ Body” in terms that are translated into human language by:

“...

Stop! Stop, trampling the material! Behold, if I am about to go down in the “Plane Below” it is because of my part that in that place there since the day it was created.

...”

“...trampling the material...” is said to make understand that the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” were wearing down the “Specific Energy ‘CELESTIAL’ Substance” with of their exactions and impurities; which refers to the state of “CHAOS” of this “Specific Energy ‘CELESTIAL’ Substance” contrary to the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”.

“essence of AZAZEL” that was flowing and, which they felt was directly affecting them, as “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, and they were stretching their mind to the limits of “THE ‘SPIRIT’ REASON”, to find appropriate qualifying expressions. Thus, “THE DIVINE FORCE” provided them the appropriate “word”, and it translates into human language to “SAMMA”, meaning: “POISON”.

The Archangel MICHAEL and others “ADONA’IM” had also perceived that something had changed in the “Specific Energy ‘CELESTIAL’ Substance” constituent of the “Specific Energy ‘CELESTIAL’ Domain”; they had perceived that the brightness of the “Specific Energy ‘CELESTIAL’ Domain” was fading, becoming dark where the bulk of “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” that have openly rejected “THE DIVINE”, IHVH, our FATHER, were assembled by AZAZEL, and they were all in anxiety.

They had understood to some extent that the “Specific Energy ‘CELESTIAL’ Substance” constituent of the “Specific Energy ‘CELESTIAL’ Domain” was poisoned and was perishing; but they could not explain how this was happening, although they knew that it had something to do with the presence of AZAZEL and his followers “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” that have openly rejected “THE DIVINE”, IHVH, our FATHER. Since such thing had never occurred in the past in the “Specific Energy ‘CELESTIAL’ Domain” where they lived so far, and all what they knew were mostly qualified as “BLESSING” from “THE DIVINE”, IHVH, our FATHER, they had no “word” to qualify this new event happening in the “Specific Energy ‘CELESTIAL’ Substance” constituent of the “Specific Energy ‘CELESTIAL’ Domain”. Things were now happening almost in opposite of what they were used to see: they were now experiencing, at elevated scales, the effects of the state of “CHAOS”, contrary to the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”. Thus, the appropriate word was given to the Archangel MICHAEL and those “ADONA’IM”, and it translates into human language to signify: the opposite of “BLESSING” from “THE DIVINE”, IHVH, our FATHER; and this opposite will be pronounced: “CURSE”, or also “CALAMITY”, from AZAZEL. This new word, “CURSE”, will subsequently be used by “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, to indicate the coming or the occurrence of something that is opposite to “BLESSING” from “THE DIVINE”, IHVH, our FATHER.

It is so that, through observations of the new “unexplained events” (to the understanding of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”) happening in front of them, and amongst them, stretching their mind to the limits of “THE ‘SPIRIT’ REASON”, to find appropriate qualifying words to refer to the end result

of those events, which they were witnessing, new words, antonyms of existing ones, were provided to these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” by “THE DIVINE FORCE”, extending as such their vocabulary and their views and understanding of the existence they have known so far. And consequently, new concepts associated with those new words, were emerging; most of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” were struggling to understand and explain the processes of which the result of execution were leading to those new words. Amongst those new words and concepts, will be the one expressing the antonym of “LIFE”, the antonym of being into existence, and which is associated with the word: “MAVET”, or “DEATH”, meaning return to not being, return to nothingness.

The Archangel MICHAEL and all “ADONA’IM”, including all the archangels and all the others high-ranking “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, understood all these things, they understood that the vision that was sent to the Archangel ZEPHON, and which he had qualified then, using a word, which translates in the human language as “SHEEMAMON”, meaning “desolation”, was becoming a reality in the “Specific Energy ‘CELESTIAL’ Domain”.

In that struggle to understand those new concepts and profound meanings of those new word, illusions and “Interpreted THOUGHTS” of action that had never crossed their mind or that they had never thought possible were been produced by “THE SEAT OF THE INTELLECT” in their “‘SPIRIT←SPIRIT’ Body”, and from the residuals of their own “Interpreted THOUGHTS”, in the absence of “THE KNOWLEDGE OF THE DIVINE”. To describe such situation, it is said in parables that: *“they were feeding themselves with their own excreta, having found themselves in the midst of confusing dreams”*.

To qualify the transition from the brightness of the “Specific Energy ‘CELESTIAL’ Domain”, which was fading, towards darkness at places where the bulk of “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” that have openly rejected “THE DIVINE”, IHVH, our FATHER, were assembled by AZAZEL, the appropriate word was given to them, and it translates into human language to the expression: “TYPHOON”, which roughly means “LIGHT TRANSFORMED IN DARKNESS”; in other words, this is an indication of the imminent presence of that, which is called “MAVET”, or “DEATH”; it is that imminent presence, which is called: the mark of “DEATH”.

In that bursting state of “CHAOS”, contrary to the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”, what the Archangel MICHAEL and others “ADONA’IM” did not know is that the state of “CHAOS”,

contrary to the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER” was already inside the “Specific Atomic ‘CELESTIAL’ Substances” constituents of the “Specific Energy ‘CELESTIAL’ Substance”.

When the state of “HARMONY” of the “Specific Energy ‘CELESTIAL’ Substance” constituent of the “Specific Energy ‘CELESTIAL’ Domain” with “THE DIVINE”, and the “HARMONY” of the “Specific ‘SPIRITUAL’ Environment” containing this “Specific Energy ‘CELESTIAL’ Substance” with “THE DIVINE”, decrease, then, automatically “The ALTAR of ‘THE DIVINE’” inside of “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — will produce surpluses of its “specific work” and transmit them to both the “Specific Energy ‘CELESTIAL’ Substance” and the associated “Specific ‘SPIRITUAL’ Environment”, passing through the “Specific Energy ‘SPIRIT’ Substance” which covers “The ALTAR of ‘THE DIVINE’” inside of “THE SHEKINAH”, in order to restore the state of “HARMONY” which provides the conditions of well-being and life that “THE DIVINE ARCHITECT AND PROJECT MASTER” has prescribed for the “Specific Energy ‘CELESTIAL’ Domain”.

Because these surpluses of the “specific work” accomplished by “The ALTAR of ‘THE DIVINE’” inside of “THE SHEKINAH” will destroy all the traces of impurities which will be in this “Specific Energy ‘CELESTIAL’ Substance” constituent of the “Specific Energy ‘CELESTIAL’ Domain” and those which will be also in the “Specific ‘SPIRITUAL’ Environment” containing this “Specific Energy ‘CELESTIAL’ Substance”. Which means the complete destruction of all the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” that will be in an advanced state of “CHAOS”, contrary to the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”. This is the only remedy to stopping the spreading of “SHEEMAMON” wherever it appears into existence: erase the source of “SHEEMAMON” from existence.

“THE DIVINE FORCE” had made it clear to the Archangel MICHAEL that “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — will always be in “HARMONY” with “THE DIVINE”, IHVH, our FATHER.

But since external signals emitted by the “Specific ‘SPIRITUAL’ Environment” external and immediate around the “Specific Energy ‘SPIRIT←LIGHT’ Bridge” are “IMPURE” input signals to the “Specific Energy ‘SPIRIT←LIGHT’ Bridge”, therefore the “SPIRITUAL SHIELD” will be functioning. The “specific processes” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed and placed in this “Specific Energy ‘SPIRIT←LIGHT’ Bridge”, and which are tasked to

receive first and foremost external signals, will reject the external signals input which are “IMPURE”.

The force and strength of “The ALTAR of ‘THE DIVINE’” inside of this First “Specific Energy ‘SPIRIT←LIGHT’ Bridge”, is such that the blocking effect that occurs instantly, at the scale of the “Specific Energy ‘SPIRIT←LIGHT’ Bridge”, in the “Specific ‘SPIRITUAL’ Environment” external and immediate around the “Specific Energy ‘SPIRIT←LIGHT’ Bridge” following to this rejection — and which is still called “THE WRATH” — will be much more manifest and robust.

Therefore, if the degree of presence of these “IMPURE” external signals emitted by the “Specific ‘SPIRITUAL’ Environment” external and immediate around the “Specific Energy ‘SPIRIT←LIGHT’ Bridge” is high enough, and if the “Specific ‘CELESTIAL←SPIRITUAL’ Frontier” of “THE SHEKINAH” is not held properly to keep intact the “Specific Energy ‘SPIRIT’ Substance” constituent of this First “Specific Energy ‘SPIRIT←LIGHT’ Bridge”, then, the structure of this “Specific ‘CELESTIAL←SPIRITUAL’ Frontier” of “THE SHEKINAH” will be destroyed.

In addition, when the state of “CHAOS” of the “Specific Energy ‘CELESTIAL’ Substance” contrary to the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER” increases with the number of “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” that will be in the state of “CHAOS”, contrary to the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”, then, “The ALTAR of ‘THE DIVINE’” inside of this First “Specific Energy ‘SPIRIT←LIGHT’ Bridge” will provide increasingly much more “‘SPIRIT’ specific supply of subsistence”, in order to restore and maintain the “Specific Energy ‘CELESTIAL’ Substance” in the state of “HARMONY” with “THE DIVINE”.

The ever more increasing surpluses of “‘SPIRIT’ specific supply of subsistence” emitted by “The ALTAR of ‘THE DIVINE’” inside of “THE SHEKINAH” will be diluted by the “Specific Energy ‘SPIRIT’ Substance” then, transformed in the “Specific Energy ‘SPIRITUAL’ Envelope” and will exit this “Specific Energy ‘SPIRITUAL’ Envelope” passing through the “Specific ‘CELESTIAL←SPIRITUAL’ Frontier” of “THE SHEKINAH”, in the form of ever more increasing surpluses of “‘CELESTIAL’ specific supply of subsistence”, at the risk of destroying “THE SHEKINAH”’s “Specific ‘CELESTIAL←SPIRITUAL’ Frontier”.

Symbolically, it is also said of the ever-increasing surpluses of “‘SPIRIT’ specific supply of subsistence” emitted by “The ALTAR of ‘THE DIVINE’” inside of “THE

SHEKINAH”, that the “GLORY OF THE SHEKINAH”⁵⁰⁰ is made much more manifest inside of “THE SHEKINAH” – “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’”.

Therefore, if the degree of presence of these “IMPURE” external signals emitted by the “Specific ‘SPIRITUAL’ Environment” external and immediate around the “Specific Energy ‘SPIRIT←LIGHT’ Bridge” is high enough, and if the “Specific ‘CELESTIAL←SPIRITUAL’ Frontier” of “THE SHEKINAH” is not held properly to keep intact the “Specific Energy ‘SPIRIT’ Substance” constituent of this First “Specific Energy ‘SPIRIT←LIGHT’ Bridge” and regulate with the greatest dexterity the passage of surpluses of “‘CELESTIAL’ specific supply of subsistence”, then, the diluted “‘SPIRIT’ specific supply of subsistence” of the “Specific Energy ‘SPIRIT’ Substance” which covers “The ALTAR of ‘THE DIVINE’” inside this First “Specific Energy ‘SPIRIT←LIGHT’ Bridge” will increase until the inevitable occurs; that is, the breakdown of the “Specific ‘CELESTIAL←SPIRITUAL’ Frontier” of “THE SHEKINAH”.

Therefore, the structure of this “Specific Energy ‘SPIRITUAL’ Envelope” will be destroyed and the special “specific event” of “EXPANSION” will propagate outside of the “Specific ‘CELESTIAL←SPIRITUAL’ Frontier” of “THE SHEKINAH”, destroying everything that stands in its path and whose structure is not made of “Specific Atomic ‘SPIRIT’ Substances” constituents of the “Specific Energy ‘SPIRIT’ Substance” which covers “The ALTAR of ‘THE DIVINE’”, that is with the exception of the Archangel MICHAEL; because the crude “‘SPIRIT’ specific supply of subsistence” emitted by “The ALTAR of ‘THE DIVINE’” inside of this First “Specific Energy ‘SPIRIT←LIGHT’ Bridge” will not be anymore diluted and will pour directly into “Specific Energy ‘CELESTIAL’ Substance”.

“THE DIVINE ARCHITECT AND PROJECT MASTER” has endowed “The ALTAR of ‘THE DIVINE’” inside of this First “Specific Energy ‘SPIRIT←LIGHT’ Bridge” with properties which are at the limit of the “proximity” of the most potent

⁵⁰⁰ As we have indicated already, the “GLORY” is the word used symbolically to refer to the luminous radiation that characterizes the attribute “LIGHT” which describes the second attribute of “THE BODY OF ‘HE WHO IS’”, as well as any manifestation of a metaphor for the second attribute of “THE DIVINE BODY”, and highlights the distinctive feature of the “divine energy” that emanates from “THE BODY OF ‘HE WHO IS’” and makes it “ALIVE”.

Therefore, when one speaks about the “GLORY OF THE SHEKINAH”, it is by reference to the radiance of this “LIGHT”, as second attribute characteristic of “THE BODY OF ‘HE WHO IS’”, or of any manifestation of a metaphor of the “‘LIGHT’ Divine State”.

properties that “THE DIVINE ARCHITECT AND PROJECT MASTER” has fixed for the “‘LIGHT’ Specific State” in the attribute “NON DIVINE”.

It is so that, the structure of every “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, other than the Archangel MICHAEL, will be destroyed; because no other structure present outside of this First “Specific Energy ‘SPIRIT←LIGHT’ Bridge” can withstand the crude “‘SPIRIT’ specific supply of subsistence” emitted by “The ALTAR of ‘THE DIVINE’” inside of this First “Specific Energy ‘SPIRIT←LIGHT’ Bridge”.

If it were to happen that this First “Specific Energy ‘SPIRIT←LIGHT’ Bridge” within the “Specific Energy ‘CELESTIAL’ Domain” be damaged or jeopardized, for whatever motives, then, the whole “Specific Energy ‘CELESTIAL’ Domain” and everything that it contains, all life that will be created within the entire “Specific Energy ‘CELESTIAL’ Domain” as manifestations of metaphors of “THE ‘SPIRIT←SPIRIT’ EON” and of the “‘SPIRIT←SPIRIT’ INDISTINCT DIVINE FORM” would be put at risk.

If it were to happen that the structure of this “Specific Energy ‘SPIRITUAL’ Envelope” be destroyed, then, the “Specific Energy ‘SPIRIT’ Substance”, contained by the “Specific Energy ‘SPIRITUAL’ Envelope”, which allows to alleviate the strength of the brightness of “The ALTAR of ‘THE DIVINE’” inside of this First “Specific Energy ‘SPIRIT←LIGHT’ Bridge” and to protect it from the “Specific ‘SPIRITUAL’ Environment” external and immediate around “The ALTAR of ‘THE DIVINE’” inside of this First “Specific Energy ‘SPIRIT←LIGHT’ Bridge”, will be affected and will lose its structure.

Therefore, “The ALTAR of ‘THE DIVINE’” inside of this First “Specific Energy ‘SPIRIT←LIGHT’ Bridge” and which has received a sufficient amount of force and strength from “THE DIVINE FORCE”, to destroy the whole external environment, will be exposed to the “Specific ‘SPIRITUAL’ Environment” external and immediate around the “Specific Energy ‘SPIRIT←LIGHT’ Bridge” and will destroy it by propagation of the special “specific event” of “EXPANSION” outside of the “Specific ‘CELESTIAL←SPIRITUAL’ Frontier” of “THE SHEKINAH”.

It will be so because the luminous radiation and the strength of the force emitted by “The ALTAR of ‘THE DIVINE’” from this First “Specific Energy ‘SPIRIT←LIGHT’ Bridge” and which pass through the “Specific ‘SPIRIT←LIGHT’ Frontier” is reminiscent of a burning fire that none of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, with the exception of the Archangel MICHAEL, can withstand.

This concept was designated by a word whose pronunciation in human language is: “MAVET”, which means “MURKY VOID” (also return to the “MURKY VOID”) or erasure from the attribute “NON DIVINE”, which will be called “DEATH”.

The Archangel MICHAEL will also share this knowledge with the others “ADONA’IM” and, just like fire on a trail of powder, the description of this concept will circulate among the others “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of “THE CELESTIAL HOST”, in much the same way as it has been with the message of the vision that was sent to the Archangel ZEPHON, and which he had qualified then, using a word, which translates in the human language as “SHEEMAMON”, meaning “desolation”.

The “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” were not aware of the existence of the “MURKY VOID” within the attribute “NON DIVINE” and inside which had been created the entire “Specific Energy ‘CELESTIAL’ Domain” in which they lived. For these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, the “Specific Energy ‘CELESTIAL’ Domain” was all that was into existence.

It is so that, anxiety, confusion, instability, indecisiveness and division that had settled within “THE CELESTIAL HOST”, will further increase in magnitude; because the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” were in the scourge of the absence of “THE KNOWLEDGE OF THE DIVINE” and had never saw the ultimate product of this concept of “DEATH” on any “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”. Although through the tasks, which were assigned to them, the concepts of “DEATH” had already been demonstrated to them by themselves performing their assigned tasks, when they used to assemble inanimated structures out of those “Specific Energy ‘CELESTIAL’ Substances” that “THE DIVINE FORCE” Herself was placing at their disposal for their education, and when after some passage of time, those inanimated structures disassembled.⁵⁰¹ None of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” asked

⁵⁰¹ In much the same as when a human creature youngster goes at the beach, a deserted one, plays with sand and learn to build his “castle” using sand and watter as a binder that sets and adheres to sand grains to bind them together. Once that his “castle” has been built, he goes back home with his relatives, happy and praising himself about his “castle” achievement. Few days later, after that the water has evaporated from the sand grains, he comes back at the beach and sees that the place where he had built his “castle” do not recognize his “castle” anymore, his “castle” is in ruin and part of it has disintegrated and returned to the original sand. The youngster takes his courage with both hands and start building a new “castle”, not knowing that the sand has been placed there for his education, hence not reflecting on the important teaching that has been displayed in front of him and

themselves, “What happened here?”, “We built these structures and days later they disassembled and returned to the crude energy?”, “What invisible force was maintaining together the structural integrity of those inanimated structures?”, “Is this somehow related to us the “living ones”?”, “If this is related to us the “living ones”, what invisible force is holding together our own structural integrity?”, etc... These “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” had no clue that: through those tasks that “THE DIVINE FORCE” had assigned to each of them, “THE DIVINE FORCE” was actually walking them, as “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and manifested metaphors of products of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” in the “‘SPIRIT’ Specific State”, throughout the processes and the living patterns according to which the products are formed and others are consumed in “THE DIVINE SUPREME CONFIGURATION”, in the “‘SPIRIT’ Specific State”.

AZAZEL will reject the concept of “DEATH”, arguing that he had rejected “THE FIRST COMMANDMENT” — “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” — and had exposed his “Specific ‘CELESTIAL’ Visual Structure”, unprotected, to the luminous radiation emanating directly from “THE SHEKINAH” and that he was not “DEAD”, and that he is no longer an Angel, or even an “ADONAI”, but that he has now become akin of “THE DIVINE”.

Several, including AZAZEL, rejected this concept of “DEATH”, not realizing that the process that leads to “DEATH” was already well advanced and in working in their “‘SPIRIT←SPIRIT’ Body”; they will continue to remain in the absence of “THE KNOWLEDGE OF THE DIVINE” and they will not accept the concept of “DEATH” and will declare this concept to be nonsense.

It is so that, the “CONTROVERSY” between the Archangel MICHAEL and AZAZEL, in order to take the control of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, will take a new dimension.

by his own work. He will not draw the analogy between those sand grains and himself as an assembled structure of “created energy”. He will not ask himself: “What just happened here?”, “Why is my castle in ruin?”, “Oh, I see, the water has evaporated from the sand grains!”, “Am I similar to such built castle?”, “If yes, what is the binder that holds my constituents together?”, “How does that binder work?”, “who created such binder?” etc... So were these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” in their joy and happiness in their obscurity with the tasks that were assigned to them. They had not seen anyone that existed before them, they knew not how they came into existence and they believed that they had no beginning: they believed that they were “eternal”.

In the absence of “THE KNOWLEDGE OF THE DIVINE” and in the depths of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” in their “‘SPIRIT←SPIRIT’ Body”, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, including AZAZEL, did not understand why AZAZEL was still alive; all the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, including the Archangel MICHAEL, had not understood that “THE DIVINE”, IHVH, our FATHER had intervened through “THE DIVINE FORCE” and had kept AZAZEL alive.

From intrigue to intrigues⁵⁰², in all their forms, and which are those sequences of deceitful and malicious machinations which are the works of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, produced by “THE SEAT OF THE INTELLECT” in the “‘SPIRIT←SPIRIT’ Body” of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” in the absence of “THE KNOWLEDGE OF THE DIVINE”, and which began at the announcement of the implementation of the “Second Phase” of “THE HOLY PROJECT” when they had understood that none of them will receive this new “DIVINE PRIMARY WEALTH”, which is this “LIGHT” which they all coveted, from these deceitful and malicious machinations, whose combined intentionally purposes were to destabilise “THE CELESTIAL HOST”, to cause harm to “THE DIVINE”, IHVH, our FATHER and to overturn the implementation of the “Second Phase” of “THE HOLY PROJECT”, it is so that the source of “POISON” that had become the cracked “‘SPIRIT←SPIRIT’ Body” of AZAZEL has continued to spread its products in the “Specific Energy ‘CELESTIAL’ Substance” constituent of the “Specific Energy ‘CELESTIAL’ Domain”.

AZAZEL began to incite the others “ADONA’IM”, others archangels and others angels to transgress the laws and rules of their own existence by exposing themselves without a veil of protection to the brilliance of the purest “diamond” into existence, which is this luminous radiation emanating directly from “THE SHEKINAH”.

It is so that, several of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, AZAZEL as their leader, and in an arrogant boldness towards “THE DIVINE”, IHVH, our FATHER, will begin to slander “THE DIVINE”, IHVH, our FATHER; they will go through to qualify the “Causal Precedence Relation of ‘THE PRAISE’” by a word

⁵⁰² All that you see among human creatures, as intrigues, in all their forms, have begun in the “Specific Energy ‘CELESTIAL’ Domain” and have been developed in existence by these “ADONA’IM”, in order to quench their thirst for honors, their aspirations, claims, desires, lusts, all those works of their “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”.

which in human language is pronounced “AVDOOT”, which means relationship of servitude (or slavery) and those who issue “THE PRAISE” will be qualified to be slaves.⁵⁰³ The state of “SHEEMAMON” was rapidly spreading amongst these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and in the “Specific Energy ‘CELESTIAL’ Substance” constituent of the “Specific Energy ‘CELESTIAL’ Domain”.

Those expressions were prelude to the expression that the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” will later use on the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” to sow in the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, the same “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” that the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had developed in them, in their “‘SPIRIT←SPIRIT’ Body”.

It is so that, the “‘SPIRIT←SPIRIT’ Body” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who had followed AZAZEL were crumbling in the “Specific ‘SPIRITUAL’ Environment” and at the sight of “THE EYE OF THE DIVINE”. All the archangels and angels with cracked and broken “‘SPIRIT←SPIRIT’ Body” that had followed AZAZEL in this transgression, were no longer in “HARMONY” with “THE DIVINE”, IHVH, our FATHER.⁵⁰⁴ The

⁵⁰³ This now was an exteriorisation — the bringing out and manifestation into a channel leading outside oneself, to some definite aim or object — of the decisions, which “THE SEAT OF THE INTELLECT” in the “‘SPIRIT←SPIRIT’ Body” of the Archangel MICHAEL and of AZAZEL, had already made in order to get rid of that which they have labelled as the “MISTAKE OF THE CREATION” and which was the purpose of this “Second Phase” of the implementation of “THE HOLY PROJECT”.

As we have indicated in one previous annotation, yes, “slavery”, that is the word and concept, which they have used, already in those days, before that this Earthly world in which you now live was created into existence. That is how most of those higher ranking “ADONA’IM” and archangels at the heights of their “HUBRIS” perceived their fellow “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who were lower in the hierarchy of communication of ordinances of the “specific spiritual formation” of “THE CHURCH” from “THE SHEKINAH” and who were tasked to perform the actual work at the bottom of that hierarchy.

⁵⁰⁴ CHRIST had illustrated this by using the Parable of the Weeds; this parable as all the others parables that HE will give to humans, has its origin in the “Specific Energy ‘CELESTIAL’ Domain” and explains these events that took place, and which take place at the point of “OBLIVION OF THE KNOWLEDGE OF THE DIVINE” in the “Specific ‘SPIRITUAL’ Environment”, and that are not immediately visible in the “Specific ‘NON-SPIRITUAL’ Environment”.

brightness of their “Specific ‘CELESTIAL’ Garment” was also fading, becoming less and less bright, and becoming dull.

As we have indicated already above, just as none of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” can see the “Specific Energy ‘SPIRIT’ Substance” constituent of its own “‘SPIRIT←SPIRIT’ Body”, both through the “Specific ‘CELESTIAL’ Visual Structure” and through the “specific ‘SPIRITUAL’ visual structure”, they could not see that of their “‘SPIRIT←SPIRIT’ Body” and the damages and cracks that were there in them now. Only “THE EYE OF THE DIVINE” saw all those damages and cracks. But soon, this event will occur again, this time in large scale throughout the whole the “Specific Energy ‘CELESTIAL’ Substance” constituent of the “Specific Energy ‘CELESTIAL’ Domain”, with the deployment of pure “Specific Atomic ‘SPIRIT’ Substances”, containing crude and very high “‘SPIRIT’ specific supply of subsistence”, and constituent of the “Specific Energy ‘SPIRIT’ Substance”, itself constituent of “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” —. And even then, none of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” will understand or be aware of the damages and cracks that were inside their “‘SPIRIT←SPIRIT’ Body”.

And just as AZAZEL was dismissed from all duties concerning “THE GUARDIANSHIP OF THE SHEKINAH”, following the sentence issued by “THE DIVINE”, IHVH, our FATHER, in much the same way, these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who had followed AZAZEL and whose “‘SPIRIT←SPIRIT’ Body” were crumbling in the “Specific ‘SPIRITUAL’ Environment”, were sentenced to be removed from duties, one after another as their “‘SPIRIT←SPIRIT’ Body” were fracturing as a result of being expose directly to the power surge of the luminous radiation emanating directly from “THE SHEKINAH”. Through “THE DIVINE FORCE”, the instruction was given each time to the Archangel MICHAEL to carry out those sentences; which were done and others “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, less experienced (in the sense that firstly, they were not conceived and produced into existence with those innate distinctive features, peculiar to the appropriate “DIVINE PRIMARY WEALTH”, and required to perform those specific tasks for which their predecessors were “spoken” into existence, and secondly, they had no practical training), took over to fill those open positions.

Read more in the section concerning the details of annotations — Annotation on the parable of the weeds.

“THE CELESTIAL HOST”, which in the past, had been united and in joy, was now divided into two hostiles, messy and confused camps, in the absence of “THE KNOWLEDGE OF THE DIVINE” and formed from the “cold conflict” — the “CONTROVERSY” between the Archangel MICHAEL and AZAZEL, with the purpose to take control of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” —. On one side, there were the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who had followed AZAZEL, and most of them had their “‘SPIRIT←SPIRIT’ Body” fractured and broken, could no longer reflect the unique and homogenous aspect of the “HOLY SPIRIT” in the image of which they were designed and created into existence. And on the other side, there were the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” whose “‘SPIRIT←SPIRIT’ Body” were not fractured and who had remained faithful to the Archangel MICHAEL. And of course, there were between these two camps, the undecided; the innocent “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who were still in the stage of “spiritual childhood” and did not understand these sudden changes in attitudes on the part of their elders or what was happening around them.

“THE SEAT OF THE INTELLECT” in the “‘SPIRIT←SPIRIT’ Body” of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” did not stay sterile. In accordance with the Governing Law of the Behavior of any “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, as a manifested product of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, in the attribute “NON DIVINE”, “THE SEAT OF THE INTELLECT” not being held in “PURITY”, but rather in the residuals of their own “Interpreted THOUGHTS”, that is, in “IMPURITIES”, it will engender a large offspring, “children” of those “IMPURITIES”. Among those “children” came the designations assigned to the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”; among others: the fighters, the warriors, the troublemakers, the rebels, the insubordinates, those who love to reign, and all other similar offspring that come from it. None of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” can escape the Governing Law of the Behavior of any “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, thus in each of these two hostile camps and in each “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, “The Walk within the Acronym IHVH” has proceeded with “IMPURITY”, “LIES” and “DISGRACE” as inputs in the first quadrant, and at each step of “The Walk within the Acronym IHVH”, and opposite attributes were produced. It is so that, in the second quadrant, the “children” of “IMPURITY”, “LIES” and “DISGRACE”, which are “INCOMPREHENSION”, “OBSCURITY”, and “HATRED”, were produced abundantly by “THE SEAT OF THE INTELLECT” in these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”. In the third quadrant, “PERCEPTION” was replaced by the residuals of “Interpreted THOUGHTS” of the most senior “‘SPIRIT←LIGHT’

'EARTHLY' Creatures", and the "SCIENCE" and "MEMORY" associated with "PERCEPTION", were contaminated with "IMPURITY", "LIES" and "DISGRACE" inherited from the first quadrant, and also they were contaminated with "INCOMPREHENSION", "OBSCURITY", and "HATRED" inherited from the second quadrant. In the fourth quadrant, what has emerged from the residuals of "Interpreted THOUGHTS" of the most senior "'SPIRIT←LIGHT' 'EARTHLY' Creatures", became the "seed" to "LACK OF INTELLIGENCE", and "IMPERFECTION" and "CHAOS", which were the hallmark of "THE SEAT OF THE INTELLECT" in these "'SPIRIT←SPIRIT' 'CELESTIAL' Creatures". Coming out of "The Walk within the Acronym IHVH", instead of "PLENITUDE", it is rather the "INSTABILITY", the "DISORDER", the "DEFICIENCY", and the "AGITATION", which only increased in "THE CELESTIAL HOST".

Standing in their own "IMPURITIES", these "ADONA'IM" did not have the capacity to put an end to the "HUBRIS" of manifestations of metaphors of "DIVINE PRIMARY WEALTH" which had taken place at "THE SEAT OF THE INTELLECT" in their "'SPIRIT←SPIRIT' Body", the existence of which they had no knowledge of; They had become "slaves" of their own "HUBRIS" of manifestations of metaphors of "DIVINE PRIMARY WEALTH", after that the "PURITY" and "TRUTH" had moved away from them due to the already low degree of presence of "PURE, TRUTHFUL, AND AUTHENTIC LOVE OF 'THE DIVINE'" in the "Specific 'SPIRITUAL' Environment" external and immediate around each of them.

Driven by the "HUBRIS" of manifestations of metaphors of "DIVINE PRIMARY WEALTH", not wanting "to loose face" and wanting to "have the last say", the strongest argument in the "CONTROVERSY" between him and AZAZEL, the "nefarious and despicable shadow scheming" dictated by the "HUBRIS" of manifestations of metaphors of "DIVINE PRIMARY WEALTH" had also made its way and became much more stated in "THE SEAT OF THE INTELLECT" in the "'SPIRIT←SPIRIT' Body" of the Archangel MICHAEL.

These "ADONA'IM" during all their existence, since their creation into existence until the announcement of the "Second Phase" of "THE HOLY PROJECT", had not sought to understand "THE HOLY PROJECT" that "THE DIVINE", IHVH, our FATHER in His kindness has undertook to realize in the attribute "NON DIVINE", and from which they had been created; they had failed to understand why and how they were "spoken" into existence.

They had not grown sufficiently in the understanding and the knowledge of the first and only commandment that “THE DIVINE”, IHVH, our FATHER gave them: “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”.

These “ADONA’IM” had not understood that “THE DIVINE”, IHVH, our FATHER, through “THE DIVINE ARCHITECT AND PROJECT MASTER”, has designed in purity, then, created into existence and classified all His Creatures so that they co-exist in “HARMONY” between them and with Himself and can thus execute all the tasks that HE will entrust them so that they grow up in “THE KNOWLEDGE OF THE DIVINE”.

Each of His Creatures carries a manifestation of one or of several metaphors of a unique “DIVINE PRIMARY WEALTH” chosen from countless “DIVINE PRIMARY WEALTH”.

These “ADONA’IM” had not understood that just as each “DIVINE PRIMARY WEALTH” has the same importance with respect to the others “DIVINE PRIMARY WEALTH” from the perspective of “THE DIVINE”, likewise each “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” of “THE CELESTIAL HOST” that was created into existence by “THE WORD OF THE DIVINE”, through the Archangel MICHAEL, and by “THE DIVINE FORCE”, had the same importance with respect to the others “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” from the perspective of “THE DIVINE”.⁵⁰⁵

Moreover, as “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed them, all the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of “THE CELESTIAL HOST” were designed to complement each other, in “HARMONY” with “THE DIVINE”, IHVH, our FATHER, to form in the attribute “NON DIVINE” “A WHOLE” which is and represent a metaphor of “THE DIVINE FORCE”.

⁵⁰⁵ You! Human creatures, who are reading these writings, draw teachings.

Know that there is no reason to say: “Such GIFT is greater or less important than any other”, “he or she has received from THE ETERNAL, much more or so much less than he or she”; for, the angle under which you will be observing is that of envy, of desire, of blindness, that is the angle of the absence of “THE KNOWLEDGE OF THE DIVINE”.

It is rather from the angle of “PURITY”, of “THE KNOWLEDGE OF THE DIVINE”, of “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”, that you must always look at all these things manifested; because they are all of the same importance, one in relation to each other, each with a specific purpose, and they complement each other to form a whole. It is the work of “THE DIVINE”, manifested in the attribute “NON DIVINE” by “THE DIVINE FORCE”.

These “ADONA’IM” who had inflated themselves with the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” have not understood that they were in fact, made of “Specific Elementary ‘CELESTIAL’ Particles” arranged in a coherent set in the “Specific Energy ‘CELESTIAL’ Substance” by “THE DIVINE FORCE”.

In view of the great multitude of creatures who constituted “THE CELESTIAL HOST”, they had not understood that in His great kindness and in “PURE, TRUTHFUL, AND AUTHENTIC LOVE”, “THE DIVINE”, IHVH, our FATHER was externalizing and sharing with them, through “THE DIVINE FORCE”, the aspects of the great “DIVINE WEALTH”, so that they in their turn would also come to generate in themselves such a great “WEALTH” similar to that of “THE DIVINE”. Because, if they had understood it, they would have rather developed in them “HUMILITY”.

“HUMILITY” is that feeling which ensues from the knowledge and the deep understanding of the fact that oneself is reminiscent of a “Specific Elementary ‘SPIRIT’ Particle” in front of “THE DIVINE”, IHVH, our FATHER, and in the whole “HOLY PROJECT” that HE has undertaken to implement. The knowledge and the understanding of this scale ratio should alone awaken in each creature into existence, how it is seen by “THE EYE OF THE DIVINE”: as an “infinitely small”, non-existing.

“HUMILITY” leads to the attitude through which one will not place itself above things or entities that “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed and that “THE DIVINE FORCE” has created into existence and through which one owes much respect to all that “THE DIVINE” has given.

“HUMILITY” is to be distinguished from “false modesty” which mimics “HUMILITY” in order to attract sometimes even more compliments.

“HUMILITY” is, without ignoring oneself qualities, to admit, following profound understanding and after profound reflection, that, without all “THE DIVINE” has given, oneself is ultimately nothing.

It is so that, “HUMILITY” opposes all distorted values of all forms of profound attachment to the unique “DIVINE PRIMARY WEALTH” that “THE DIVINE”, IHVH, our FATHER has made manifest on each of His creatures.

“HUMILITY” comes with the time, the experience acquired while growing in “THE KNOWLEDGE OF THE DIVINE” and goes hand in hand with the maturity

in the understanding of “THE TREE OF LIFE” — “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”.

“HUMILITY” is the awareness of the condition and of the place of oneself and the interconnection with all the others entities that have been created into existence and in “THE HOLY PROJECT”. It is the virtue of one who measures all that oneself must continually learn and the path that oneself has to travel to grow still more in “THE KNOWLEDGE OF THE DIVINE” and the understanding of “THE TREE OF LIFE” — “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”.

It is so that, where “HUMILITY” is, there also is the understanding of “THE TREE OF LIFE” — “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”.

Having not developed in them “HUMILITY”, but rather a very thorough “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, therefore with the passage of time and the implementation of the tasks of preparation for the implementation of the “Second Phase” of “THE HOLY PROJECT”, the degree of presence of “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” in the “Specific ‘SPIRITUAL’ Environment” external and immediate around of these “ADONA’IM” has decreased even more substantially.

Whereas some, by instinct for survival, had wore the masks of convenience (masks of sanity) and had kept hidden in their “‘SPIRIT←SPIRIT’ Body” their refusal of this new project of the Creation of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” in this “Second Phase” of the implementation of “THE HOLY PROJECT”, others on the contrary had openly expressed it by their actions. Among these latters, was AZAZEL who, before the announcement of the “Second Phase” of the implementation of “THE HOLY PROJECT”, was much more attached (in the sense of the emotional and moral attachment) to “THE DIVINE”, IHVH, our FATHER.

As we have indicated in one previous chapter, “THE DIVINE FORCE” has established the fixed orientation, the acronym of which is IHVH — in the sense that we know it: NORTH, SOUTH, WEST, and EAST — which is applied in “THE FRAME OF REFERENCE OF THE ATTRIBUTE ‘NON DIVINE’” in the attribute “NON DIVINE”. This fixed orientation thus established, in all its metaphors, will have a considerable scope in all the creatures that “THE DIVINE FORCE” will produce into existence in the attribute “NON DIVINE”, and in all areas of activities in which they will be engaged. For all these creatures, the mere fact of

existing in this attribute “NON DIVINE” will be tantamount to continually confronting all questions relating to the metaphors of this fixed orientation; that is, the search for “THE ONE” from whom they originate and, on the back of these questions, these creatures will be constantly faced with the dilemma between “orienting oneself” and “being oriented” (to be educated in the knowledge of “THE ONE” from whom they originate), and whose resolution will always bring back ultimately to the acronym IHVH, that is to say, to “THE DIVINE”, IHVH, our FATHER.

As we have also indicated already, it will be said of a creature who will not be awake to this knowledge of this fixed orientation, or who will have lost the knowledge of this fixed orientation, that it went astray: such a creature will be similar to a traveller who roams on a path gridded by hordes of bandits, risking his life without adequate protection; a fortiori, a strayed creature is the one that has carried this risk to its highest level. And so were these all the “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures” of “THE CELESTIAL HOST”.

Just as “THE DIVINE” had made Himself known to them by the acronym “IHVH” and had explained to them that HE is “HE WHO IS”, then, in their depths in the absence of “THE KNOWLEDGE OF THE DIVINE” and in their “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, not been able to see beyond the “Specific Energy ‘CELESTIAL’ Domain” in which they were into existence, and not knowing that the entire “Specific Energy ‘CELESTIAL’ Domain” and all what it contains, are contained in the attribute “NON DIVINE” which itself is contained in “THE DIVINE”, then, some “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures”, among which AZAZEL, will also declare that they are not anymore creatures of “HE WHO IS”, but they themselves: “THEY ARE”. As such, having failed to understand through discernment the meaning of the acronym IHVH, they were still demonstrating the depths of the absence of “THE KNOWLEDGE OF THE DIVINE” in which they had sunk.

In the long term, the “HUBRIS” (in its various forms) of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, when it is present in a “SPIRIT←SPIRIT” Body” in the attribute “NON DIVINE”, will weaken and break the “LINK OF ATTACHMENT” of such “SPIRIT←SPIRIT” Body” in the “SPIRIT←SPIRIT” ‘CELESTIAL’ Creature” with “THE DIVINE”.

Therefore, “The ALTAR of ‘THE DIVINE’” inside the “Specific Energy ‘SPIRIT’ Substance” constituent of “SPIRIT←SPIRIT” Body” in the “SPIRIT←SPIRIT” ‘CELESTIAL’ Creature”, will degrade naturally (because it is attached to the attribute “NON DIVINE”) and ending ruined.

To some extent, AZAZEL had understood this, through the ordinances of the “specific spiritual formation” of “THE CHURCH” from “THE SHEKINAH” and that he had received when he was in office, and it is for that purpose that he will pronounce into existence the word “AVDOOT” to qualify the “Causal Precedence Relation of ‘THE PRAISE’” and this “LINK OF ATTACHMENT” of the attribute “NON DIVINE”, and all that this attribute contains, with “THE DIVINE”. As we have indicated previously, this word “AVDOOT” means “SLAVERY”; and AZAZEL will be the first creature into existence in the attribute “NON DIVINE” that will emit this word.

When the “HUBRIS” (in its various forms) of manifestations of metaphors of “DIVINE PRIMARY WEALTH” will reach its peak in his “‘SPIRIT←SPIRIT’ Body”, it will break this “LINK OF ATTACHMENT” (the “‘SPIRIT→LIGHT’ CORD OF PRAISE”) of his “‘SPIRIT←SPIRIT’ Body” with “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’”.

As we have already indicated, “THE DIVINE”, IHVH, our FATHER, through “THE DIVINE FORCE”, had made it clear to the Archangel MICHAEL that “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — will always be in “HARMONY” with “THE DIVINE”, IHVH, our FATHER.

In addition, the surpluses of the “specific work” accomplished by “The ALTAR of ‘THE DIVINE’” inside “THE SHEKINAH” would, like a burning fire that none of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, with the exception of the Archangel MICHAEL, can withstand, destroy the traces of impurities that were in the “Specific Energy ‘CELESTIAL’ Substance” constituent of the “Specific Energy ‘CELESTIAL’ Domain” and those that were also in the “Specific ‘SPIRITUAL’ Environment” containing this “Specific Energy ‘CELESTIAL’ Substance”.

Which meant the complete destruction of all the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” that were in an advanced state of “CHAOS”, contrary to the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER” and were putting in jeopardy the successful completion of the “Second Phase” of “THE HOLY PROJECT”.

From the teachings that he had received from “THE DIVINE FORCE” and concerning the new “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, those teachings which had been provided to him so that he could work on the proper preparation of the implementation of this “Second Phase” of “THE HOLY PROJECT”, the Archangel MICHAEL had understood that this new “Specific Energy ‘EARTHLY’ Substance”

will be more thick, of a higher density, than the “Specific Energy ‘CELESTIAL’ Substance”. From such understanding, he was also able to infer that the negative effects, which they were all seeing around AZAZEL and his followers “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” that have openly rejected “THE DIVINE”, IHVH, our FATHER, and which were designated by the word “CURSE”, will not spread in this new “Specific Energy ‘EARTHLY’ Substance”, as rapidly as they were spreading in the “Specific Energy ‘CELESTIAL’ Substance”.⁵⁰⁶ Thus, using those teachings, he was moving forward with his own “nefarious and despicable shadow scheming”, instead of the proper preparation of implementation of this “Second Phase” of “THE HOLY PROJECT”, for which he was chosen to facilitate.

In the “FEAR”⁵⁰⁷ — since they had no trace of “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”, in them — to see the “Specific Energy

⁵⁰⁶ You can also discern this from their own sayings, as reported in the chronicles of the conflict of “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and in which they describe their prowess of the absence of “THE KNOWLEDGE OF THE DIVINE” and their works of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”. Some of these chronicles (which are incomplete) have already been delivered to the human by the name of David Aguilar, and are available online on the Internet.

Read more in the section concerning the details of annotations — Annotation on the conversation between the Archangel MICHAEL and the Archangel ZA’AFIEL, extracted from the archives on the unfolding of the open conflict in the “Specific Energy ‘CELESTIAL’ Domain”.

“ ...

The energy there [this new “Specific Energy ‘EARTHLY’ Substance”, the Earthly world in which you, human creatures, currently live] is of a different kind than Heaven [the “Specific Energy ‘CELESTIAL’ Substance”].

In that place [this new “Specific Energy ‘EARTHLY’ Substance”, the Earthly world in which you, human creatures, currently live], Azazel will be able to avoid mavet [DEATH] for a time...

...”

⁵⁰⁷ As we have indicated in one previous annotation, it is for the purpose to make understand such things, that “THE DIVINE FORCE” gave the parable about the behaviour of the high authorities at the announcement of the time of the end, saying:

“ ...

When the high authorities knew that the time of the end came to pass — like pain of she who will bear a child, it drew near the door, that is how ruin approached —, all together the elements trembled, and the foundations of the Substance as well as the vaults of Chaos were shaken.

‘CELESTIAL’ Domain” be destroyed by the strength of the radiation and the force emitted by “The ALTAR of ‘THE DIVINE’” from inside “THE SHEKINAH”, and the “nefarious and despicable shadow scheming” dictated by the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” having also made its way to the point of been much more stated in “THE SEAT OF THE INTELLECT” in the “‘SPIRIT←SPIRIT’ Body” of the Archangel MICHAEL, and under the effect of the “ANGER” which pursued⁵⁰⁸ them at the idea of seeing the object of their “HUBRIS” escape from their hands, it is so that, their decision that they had already taken with regard to this new realization which had not even yet been produced into existence, to be a “MISTAKE OF THE CREATION”, will now transform and become a condemnation directed against what they have declared to be the “MISTAKE OF THE CREATION”. At the expense of “THE DIVINE”, the Archangel MICHAEL will conclude the “HUBRIS COVENANT” with AZAZEL.

This “HUBRIS COVENANT” gave to AZAZEL, possession of the first “Specific Energy ‘EARTHLY’ Habitation Domain” in which “THE DIVINE”, IHVH, our FATHER had planned to create into existence the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.⁵⁰⁹

A large fire broke out among them, and the rocks and soil were shaken like a reed shaken by the wind.

*And cohorts of destiny as well as those who measure houses were greatly troubled on a loud clap of thunder and the thrones of the powers faltered, because they had been set upside down, and their king was seized with **FEAR**.*

...”

The “*thrones of the powers*” refers to the “HUBRIS”, in all its forms, of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, which had taken place in “THE SEAT OF THE INTELLECT” in the “‘SPIRIT←SPIRIT’ Body” of the “ADONA’IM”, and on which they based their joy and their state of gladness. The “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” is opposite (upside down) to “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”.

⁵⁰⁸ As a consequence of the fact that they are all prone to the Governing Law of the Behavior, the manifestation of “The Walk within the Acronym IHVH”, and cannot escape it and they stand in the “IMPURITY” in all its forms. As you would know already, “ANGER” is a progeny of “IMPURITY”, it goes hand in hand with “IMPURITY”, and is produced by “THE SEAT OF THE INTELLECT” which is in a state of “CHAOS”, contrary to the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”.

from the archives on the unfolding of the open conflict in the “Specific Energy ‘CELESTIAL’ Domain”.

Read also more in the section concerning the details of annotations — Annotation on the conversation between the Archangel AS’FAEL and the Archangel ANAEL, extracted from the archives on the unfolding of the open conflict in the “Specific Energy ‘CELESTIAL’ Domain”.

Later, during the course of the “Second Phase” of “THE HOLY PROJECT”, and during the course of the “PROJECT OF THE REDEMPTION” for which “THE DIVINE FORCE” will create CHRIST into existence among human creatures, AZAZEL will reveal the object of this “HUBRIS COVENANT”, when through the communication by “VISIONS” in the “Specific ‘SPIRITUAL’ Environment”, he was attempting to bring down CHRIST, by saying (Matthew 4:8-9):

“...

Again, AZAZEL took CHRIST to a very high mountain and showed him all the kingdoms of the world and their splendour [this is about the first “Specific Energy ‘EARTHLY’ Habitation Domain” and all that it contains]. “All this I will give you,” he said, “if you will bow down and worship me.”

...”

“... All this ...” refers to his “HUBRIS COVENANT”-“belongings”, that is to say, this first “Specific Energy ‘EARTHLY’ Habitation Domain” and all that it contains, and which the Archangel MICHAEL gave him through their “HUBRIS COVENANT”. As such, he was also revealing the object of this “HUBRIS COVENANT”, which he had concluded with the Archangel MICHAEL: their “HUBRIS COVENANT” gave him possession of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, long before that the first manifestation of the model of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” was produced into existence inside this first “Specific Energy ‘EARTHLY’ Habitation Domain”.

In Luke 4:5-7, it is more explicitly recorded in these terms:

“...

*And, AZAZEL led CHRIST up to a very high place and showed him in an instant all the kingdoms of the world [this is about the first “Specific Energy ‘EARTHLY’ Habitation Domain” and all that it contains] and said to CHRIST. “I will give you authority over all these kingdoms and all their glory, for **it** [this is about the first “Specific Energy ‘EARTHLY’ Habitation Domain” and all that it contains] **has been given to me**, and I can give it to anyone I wish. If you bow down and worship me, it will all be yours.”*

...”

As such, AZAZEL, was speaking about this “HUBRIS COVENANT”, which he had concluded with the Archangel MICHAEL, and which gave him possession of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, long before that the first manifestation of the model of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” was produced into existence inside this first “Specific Energy ‘EARTHLY’ Habitation Domain”.

What about the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, under project to be created into existence, in that first “Specific Energy ‘EARTHLY’ Habitation Domain”?

What about all those manifestations of the effects of the state of “CHAOS”, contrary to the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”, as well as that which has been designated as the “CURSE”, or also “CALAMITY”, from AZAZEL, and the destructive effects of which they were all witnessing with their own “Specific ‘CELESTIAL’ Visual Structures”, their own “eyes”, in their own living place, the “Specific Energy ‘CELESTIAL’ Domain”?

By that, the “HUBRIS COVENANT” intended to give AZAZEL control of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, long before that the first manifestation of the model of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” was produced. As a consequence of this “HUBRIS COVENANT”, AZAZEL had already changed his designation, and through his self given new designation, he intended to let “THE CELESTIAL HOST” know that he is the one who will:

Carry that “LIGHT” of which they had heard during their education through “THE DIVINE FORCE”, and through the ordinances of the

This first “Specific Energy ‘EARTHLY’ Habitation Domain” is nothing more than a “specific energy substance” in which things have been sculpted into existence, in much the same as the “Specific Energy ‘CELESTIAL’ Domain”. Who produced these “specific energy substances” into existence? In which way would a tiny delimited and sculpted part of a water vapor, which is hanging above a water stream, give the water stream to the emissary who has been sent by “HE WHO” produced these “specific energy substances” into existence?

“... if you will bow down and worship me ...” gives you an indication on the extent and the depths of the “HUBRIS” that these elders of the creation have grown in them, how they see themselves in their obscurity. “Obscurity” is longing to be worshiped by the manifested “LIGHT”.

“... all the kingdoms of this earthly world ...”, (all countries, all their leaders and all the subordinates of those leaders in their own hierarchies of governing) have subjected themselves at all times to this thief and doomed “pampered child”, who is on a scale of classification below that of those blinded earthly leaders who have lost the knowledge of their own “PLENITUDE”. All those earthly leaders WITHOUT EXCEPTION at all times and all the subordinates of those leaders in their own hierarchies of governing, bow down and eat down at the feet of AZAZEL and in so doing, they have also irrevocably doomed themselves.

“specific spiritual formation” of “THE CHURCH” from “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” —, that “LIGHT”, which became their new object of covetousness and rivalries in their “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”.

His new designation, through which he affirmed himself, and which we have already mentioned, is a word whose translation into human language is “LUCIFER” and means “LIGHT Bearer”; that “LIGHT” of which they had heard during their education through “THE DIVINE FORCE”, and through the ordinances of the “specific spiritual formation” of “THE CHURCH”, but of which they had no knowledge.

Yes, as you would have understood, AZAZEL had changed his designation to affirm himself to be the “new being” (since at that time, they did not consider themselves as creatures, they did not know how they were created into existence) that will “...carry the manifestation of “THE UNION” ...”, long before that the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, which is the true “LIGHT Bearer”, since the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” has been endowed with the elements of “THE ‘LIGHT’ REASON” through its most internal component where “The ALTAR of ‘THE DIVINE’” is located, was produced into existence. That is to say, he wanted to be, for the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, the equivalent of you, the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, reading these writings. He and all the high-ranking “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have understood that you, the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” reading these writings, are on a scale of classification, which is above all “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”.

As for the Archangel MICHAEL, through this “HUBRIS COVENANT”, he would keep control of “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — and thereby, control of the “specific spiritual formation” of “THE CHURCH” from “THE SHEKINAH”. He knew very well what is the main purpose of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, as “THE DIVINE”, IHVH, our FATHER, through “THE DIVINE FORCE”, was keeping him abreast of projects to be implemented during “HOLY PROJECT”, and he used that information to make opposite plans in his own “nefarious and despicable shadow scheming” to change that main purpose into what his own intentions were.

By that “HUBRIS COVENANT”, these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” were also revealing that they knew not why they were created into existence precisely in the “Plane Above” and not in the “Plane Below” or

somewhere else. The “Plane Above” was for them, the only domain of existence that they had known; they have no knowledge at all concerning the “ins” and “outs” of “THE HOLY PROJECT”, despite all the teachings that “THE DIVINE FORCE” had poured on them. To an external informed observer who has received “THE KNOWLEDGE OF THE DIVINE” and the knowledge of the “ins” and “outs” of “THE HOLY PROJECT”, these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” were revealing how “meager” was the plant of “THE KNOWLEDGE OF THE DIVINE” inside their “‘SPIRIT←SPIRIT’ Body”; they were revealing the extent of obscurity in which they have plunged themselves.

מזה
החל
ספר

Thus it is that, these “ADONA’IM” were not close to seeing the “LIGHT” that is hidden in the “LIGHT” and despite all the teachings that “THE DIVINE FORCE” had poured on them, they were not close to letting go of the “obscurity” they had embraced to the point of becoming disciples, they were not about to let go of the so-called control they had over all “THE CELESTIAL HOST”, from which they indulged themselves with the “HUBRIS”, and they had decided to extend their control over the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” to have it toe the line in their obscurity and in the worst case, to erase it from the existence.

In the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, and in front of the entirety of “THE CELESTIAL HOST”, the Archangel MICHAEL wanted to “have the last say”, the strongest argument in the “CONTROVERSY” between him and AZAZEL, and therefore he also chose to demonstrate his understanding of the concept of “DEATH”, the cause-and-effect relationship between “SIN” (which, in truth, is the transgression of “THE FIRST RULE OF EXISTENCE”, the rejection of “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”) and “DEATH” (which, in truth, follows from the decrease of external specific supply of subsistence with the passage of time and that will ultimately cause the total lack of external specific supply of subsistence and leading to a failure of maintaining the structural integrity of an assembled structure of “created energy”; “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” is the “GLUE” that maintains intact the structural integrity of any assembled structure of “created energy” inside the attribute “NON DIVINE”), on the new creature, which will be created into existence in the first “Specific Energy ‘EARTHLY’ Habitation Domain”.⁵¹⁰ Thus their condemnation directed against

⁵¹⁰ He did not chose to demonstrate what he had understood from the cause-and-effect relationship between “SIN” and “DEATH” on AZAZEL or any of those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of “THE CELESTIAL HOST” which had rallied with AZAZEL, but

that, which they have declared to be the “MISTAKE OF THE CREATION”, was in fact a “DEATH SENTENCE” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, and this, long before that the first manifestation of the model of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” was produced into existence.

Why did the Archangel MICHAEL not chose to demonstrate his understanding of the concept of “DEATH” on AZAZEL or on any of all the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of “THE CELESTIAL HOST” which had rallied with AZAZEL, and who have all transgressed the unique commandment — “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” — that “THE DIVINE”, IHVH, our FATHER, gave them through “THE DIVINE FORCE”, and were putting in jeopardy the successful completion of the “Second Phase” of “THE HOLY PROJECT”?

Because he knew not of the existence of his own “‘SPIRIT←SPIRIT’ Body”, hence of its functioning and, he knew not how the process that leads to that which is designated as “DEATH” unfolds. Had he known it, then he would have understood that the process that leads “DEATH” was already unfolding in front of him, on AZAZEL and all the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of “THE CELESTIAL HOST” which had rallied with AZAZEL; the process that leads to “DEATH” was already well advanced and in working in their “‘SPIRIT←SPIRIT’ Body”. Even without knowledge of the existence of his own “‘SPIRIT←SPIRIT’ Body”, had he developed “THE KNOWLEDGE OF THE DIVINE” in him, he would have understood that, the sole fact that “THE DIVINE”, IHVH, our FATHER, told

he chose to demonstrate his understanding of this concept of “DEATH” on the human creature as “guinea pig”.

You can also discern this from their own sayings, as reported in the chronicles of the conflict of “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and in which they describe their prowess of the absence of “THE KNOWLEDGE OF THE DIVINE” and their works of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”. Some of these chronicles (which are incomplete) have already been delivered to the human by the name of David Aguilar, and are available online on the Internet.

Read more in the section concerning the details of annotations — Annotation on the conversation between the Archangel MICHAEL and the Archangel ZA’AFIEL, extracted from the archives on the unfolding of the open conflict in the “Specific Energy ‘CELESTIAL’ Domain”.

“...

I cannot explain it too directly to you at this time, for the Host will not be able to fully understand it until they see Sin demonstrated.

...”

him of the forthcoming elimination of all traces of impurities that were in the “Specific Energy ‘CELESTIAL’ Substance” constituent of the “Specific Energy ‘CELESTIAL’ Domain”, including AZAZEL and all the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of “THE CELESTIAL HOST” which had rallied with AZAZEL, was a sufficient hint to know about the state of progress of the process that leads to “DEATH” in those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” marked to be erased from existence. But, he was in the absence of “THE KNOWLEDGE OF THE DIVINE” and the degree of presence of “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” in him was almost inexistent.

“DEATH” was a new word in their “vocabulary” and he chose to demonstrate his understanding of the concept of “DEATH” on the new creature, according to his own presumptions and in the absence of any knowledge of the model of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, except the ones he acquired by completing the task of choosing the “Character” that will be associated the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”. In their logic distorted by the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, the new creature would call into question and make obsolete their functions in the existing hierarchy of communication with “THE DIVINE”, which had hitherto been already established through “THE SHEKINAH” and through which all the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” indulged themselves with the “HUBRIS”.⁵¹¹

⁵¹¹ This is the origin of all the ambushes — that is to say, all forms of perfidious premeditated or underhanded machination, hatched against one’s neighbor with the aim of doing him harm, of doing him a great outrage —, which will subsequently appear into existence in the attribute “NON DIVINE”.

This is also profound origin of the warning that Solomon, when “THE DIVINE WISDOM” walked alongside him, and under the inspiration of “THE DIVINE WISDOM”, had described by saying:

“ ..

“PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” is the beginning of knowledge; fools despise wisdom and instruction.

My son, observe the discipline that your FATHER imposes on you and do not neglect the teaching of your MOTHER; for they are a graceful Crown for your head and necklaces around your neck.

My son, if sinners entice you, do not consent.

If they say, "Come with us, let us set ambush to shed blood; For pleasure we will surprise the innocent! Like the abode of the dead, we shall swallow him Alive, entirely, like those who descend into the pit. We shall find all precious goods. We shall fill our houses with loot. You will get your lot among us because there will be one purse for all of us!"

My son, walk not with them, carefully avoids the alleys where they stand; for their feet run to evil, they are swift to shed blood.

..."

"FATHER" refers to "THE DIVINE", IHVH, our FATHER

"MOTHER" refers to "THE DIVINE FORCE", "THE DIVINE WISDOM"

"Come with us, let us set ambush to shed blood; For pleasure we will surprise the innocent! Like the abode of the dead, we shall swallow him Alive, entirely, like those who descend into the pit. We shall find all precious goods. We shall fill our houses with loot. You will get your lot among us because there will be one purse for all of us!" refers to the "HUBRIS COVENANT" in all its forms.

In parables, the terms "house" or "tent" of a creature, be it a "'SPIRIT←SPIRIT' 'CELESTIAL' Creature" or a "'SPIRIT←LIGHT' 'EARTHLY' Creature", refer to the construct inside of which resides the "'SPIRIT←SPIRIT' Body" of a "'SPIRIT←SPIRIT' 'CELESTIAL' Creature" and to the construct inside of which resides the "'SPIRIT←LIGHT' Body" of a "'SPIRIT←LIGHT' 'EARTHLY' Creature"; and that is to say, the "Specific 'CELESTIAL' Garment" for the "'SPIRIT←SPIRIT' Body" of a "'SPIRIT←SPIRIT' 'CELESTIAL' Creature", and the "Subjective 'EARTHLY' Garment" for the "'SPIRIT←LIGHT' Body" of a "'SPIRIT←LIGHT' 'EARTHLY' Creature".

To "*fill our houses with loot*" means: to fill the "'SPIRIT←SPIRIT' Body" inside a "'SPIRIT←SPIRIT' 'CELESTIAL' Creature" (respectively, the "'SPIRIT←LIGHT' Body" inside a "'SPIRIT←LIGHT' 'EARTHLY' Creature") with that, which has been looted, cheated, stolen, that, which has been fraudulently taken and whatever the process used (cunning, lying, violence, etc....), and which belongs to someone else, with the intention of owning it, and in so doing, to impair and knowingly cause damage to someone else in his possessions and unduly taking advantage over someone else.

In the same line of speaking, to "*clean your house*" means: to rid the "'SPIRIT←SPIRIT' Body" inside a "'SPIRIT←SPIRIT' 'CELESTIAL' Creature" (respectively, the "'SPIRIT←LIGHT' Body" inside a "'SPIRIT←LIGHT' 'EARTHLY' Creature") of any "IMPURITY".

"the alleys where they stand" refers to where "THE SEAT OF THE INTELLECT" inside the "'SPIRIT←SPIRIT' Body" of each of these "'SPIRIT←SPIRIT' 'CELESTIAL' Creatures" stands: it stands in "IMPURITY" in all its forms.

"their feet run to evil, they are swift to shed blood" is a consequence of the Governing Law of the Behavior, the manifestation of "The Walk within the Acronym IHVH".

It is so that, using the teachings that “THE DIVINE FORCE” also gave him and which allowed him to keep intact and regulate the “Specific ‘CELESTIAL←SPIRITUAL’ Frontier” of “THE SHEKINAH”, the Archangel MICHAEL this time will implement a deceit designed to protect from destruction (by the radiation and the strength of the force emitted by “The ALTAR of ‘THE DIVINE’” from this First “Specific Energy ‘SPIRIT←LIGHT’ Bridge”), AZAZEL and all the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of “THE CELESTIAL HOST” which had rallied with AZAZEL and who through their “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, openly put in jeopardy the successful completion of the “Second Phase” of “THE HOLY PROJECT”.

מ
ר
י
ב
ג
ר

It is so that, using the teachings that “THE DIVINE FORCE”, in “PURITY” and “HOLINESS”, also gave him with the goal to rectify the deficiency of “THE KNOWLEDGE OF THE DIVINE” that had taken place in “THE SEAT OF THE INTELLECT” in the “‘SPIRIT←SPIRIT’ Body” of “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, those teachings concerning some of the properties of the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, concerning the products that will be produced into existence in that “Specific Energy ‘EARTHLY’ Substance”, and particularly, concerning the “Subjective ‘EARTHLY’ Garment”, which he believed will be the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, the Archangel MICHAEL instead, following his own presumptions of what was the process that leads to “DEATH”, will mature the “Art of DEATH”, in his “nefarious and despicable shadow scheming” dictated by the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” and to be demonstrated on the new creature.

The murder of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, the removal from existence of the “MISTAKE OF THE CREATION” like they had decided to the detriment of “THE DIVINE”, was at the center of their “nefarious and despicable shadow scheming” and had already been decided by the Archangel MICHAEL and these “ADONA’IM”, and with the passage of time and using those teachings that were provided to them by “THE DIVINE FORCE”, in “PURITY” and

He who ambushes his neighbor for whatever reason, to overthrow him, to take his bread, to take his life, etc ... does not stand in “PURITY”, but rather he stands full with his feet in “IMPURITY” and does what his “nature” is. As a consequence of the Governing Law of the Behavior, the manifestation of “The Walk within the Acronym IHVH”, he who spends his time ambushing his neighbor, for whatever reasons, will never achieve unity with “THE DIVINE FORCE”, he will never reach “PERFECTION”, he will never know “PLENITUDE”.

“HOLINESS”, they have also planned and matured the manner in which they will ambush that “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, once it is created into existence.

That which is called “MALICE” will further develop in “THE SEAT OF THE INTELLECT” in their “‘SPIRIT←SPIRIT’ Body”, and recess will begin for the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of “THE CELESTIAL HOST” to the detriment of “THE DIVINE”, IHVH, our FATHER.

“MALICE” is a product of the works of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, which is born from “THE SEAT OF THE INTELLECT” in the “‘SPIRIT←SPIRIT’ Body” of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, has developed in there and settled.

“MALICE” is this propensity, this disposition of “THE SEAT OF THE INTELLECT” which is “UNHOLY”, and which operates from “IMPURE” signals, to produce “IMPURE” signals of actions that pushes to hide behind the mask of conveniences and intentionally do things that do not conform to the specifications that “THE DIVINE ARCHITECT AND PROJECT MASTER” has defined; that is, to hide behind the mask of conveniences to intentionally do that, which is “WRONG”, that, which is “UNJUST”, that, which is “INCORRECT”, by insidious ways, by cunning and deceit. For these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, these masks of convenience (masks of sanity) use the names of grandeur that they have adorned themselves to hide the “nature” that has developed inside “THE SEAT OF THE INTELLECT” in their “‘SPIRIT←SPIRIT’ Body” and took place.

“MALICE” operates to the prejudice of others and through a conscious violation by “THE SEAT OF THE INTELLECT” of the laws and rules that “THE DIVINE ARCHITECT AND PROJECT MASTER” has defined and established for it to remain “HOLY”.

“THE SEAT OF THE INTELLECT” in which “MALICE” is present, shows an indifference of others, bent on mischief, the existence of which is inferred through discernment from the “IMPURE” signals of actions produced and manifested into existence.

“THE SEAT OF THE INTELLECT” may willfully produce an “IMPURE” signal of action which will be manifested into existence, and yet be free of “MALICE”. But “THE SEAT OF THE INTELLECT” cannot produce an “IMPURE” signal based on “MALICE” without at the same time producing it unwillingly; that is, the production by “THE SEAT OF THE INTELLECT” of “IMPURE” signals of actions, to be manifested into existence, includes the willful doing of it. “MALICE”, when

present in “THE SEAT OF THE INTELLECT”, includes the intention and the will to cause prejudice to the detriment of others.

It is so that, “MALICE” having developed and settled in “THE SEAT OF THE INTELLECT” in the “‘SPIRIT←SPIRIT’ Body” of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, to the detriment of “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”, to the detriment of “THE DIVINE”, IHVH, our FATHER, to the detriment of “THE DIVINE FORCE” in “THE SUPREME PLENITUDE” and who in “PURITY” and “HOLINESS” had educated all of them, these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” will transform the realization of the “Second Phase” of “THE HOLY PROJECT” into a series of shenanigans (monkey businesses), having no base and no stability, without possible ins and outs, orchestrated and led by these “ADONA’IM”.

The unique outcome of those series of shenanigans will be to discredit and destroy the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, to prevent that the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” be “above them”, and thereby to justify their “CHARGE” as they understood it in their “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”.

Those shenanigans are alternatives to “THE KNOWLEDGE OF THE DIVINE”; they have no base and no stability, they are without possible ins and outs, they do not have any place in “THE HOLY PROJECT”, and they are in all respects contrary to specifications that “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed and established for the “Specific Energy ‘SPIRIT’ Substance” constituent of “‘SPIRIT←SPIRIT’ Body” and are not to be added to this unique “SPECIFIC SUPREME CONFIGURATION” of the “Specific Generative Energy ‘EARTHLY’ Domain” and the six “Specific Formative Energy ‘EARTHLY’ Domains”.

That series of shenanigans that make up the “nefarious and despicable shadow scheming” dictated by the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, has a unique objective: conceal the goals to satisfy the “fame of oneself” that the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had developed in themselves.

Being in “THE SUPREME PLENITUDE” and having announced the “Second Phase” of “THE HOLY PROJECT”, through which SHE was going to rectify the deficiency of “THE KNOWLEDGE OF THE DIVINE” that had taken place in “THE SEAT OF THE INTELLECT” in the “‘SPIRIT←SPIRIT’ Body” of “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” in the “Specific Energy

‘CELESTIAL’ Domain” inside the attribute “NON DIVINE”, “THE DIVINE FORCE” had not seen that the deficiency of “THE KNOWLEDGE OF THE DIVINE” that had taken place in “THE SEAT OF THE INTELLECT” in the “‘SPIRIT←SPIRIT’ Body” of “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had now reached the stage where the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” were ready to kill each other and had already signed the death warrant of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” who had not even been created into existence. “THE DIVINE FORCE” will understand that on the actual first day of the implementation of the “Second Phase” of “THE HOLY PROJECT”.

CHAPTER 165

THE “HUBRIS” IN “THE CELESTIAL HOST”: PREMEDITATION OF THE DESTRUCTION OF THE
“SPIRIT←LIGHT” ‘EARTHLY’ CREATURE”

CHAPTER 166

IMPLEMENTATION OF THE “SECOND PHASE” OF THE HOLY PROJECT — THE FIRST DECREE

It is in the “Plane Below”, that is the “EARTH”, that “THE DIVINE”, IHVH, our FATHER chose to implement the “Second Phase” of “THE HOLY PROJECT” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has associated with the implementation into existence in the attribute “NON DIVINE” of the environment and conditions necessary for the manifestation into existence of metaphors of the “‘SPIRIT←LIGHT’ INDISTINCT DIVINE FORM”, as well as the actual realization of these metaphors of the “‘SPIRIT←LIGHT’ INDISTINCT DIVINE FORM”.

As “THE DIVINE ARCHITECT AND PROJECT MASTER” had designed it, from eternity, and long before the beginning of the implementation of the “Second Phase” of “THE HOLY PROJECT”, “THE DIVINE FORCE” had created the entire “Specific Energy ‘EARTHLY’ Substance” constituent of the eighth “Specific Energy ‘EARTHLY’ Domain” in the “Plane Below”, and which will be the first “Specific Energy ‘EARTHLY’ Habitation Domain” in this “Plane Below”.

Once created, “THE DIVINE FORCE” did not immediately shape this “Specific Energy ‘EARTHLY’ Substance”, but SHE had planned to do it at appointed time and following the appropriate convergence point in “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” that “THE DIVINE” has consolidated in Himself.

Therefore, this “Specific Energy ‘EARTHLY’ Substance” was crude; that is, its constituents “Specific Atomic ‘SPIRIT’ Substances” were not arranged in a definite order, although they were all maintained together with a similar initial “specific degree of cohesion”, and prone to the “crucial stationary movement” of its principle of action.

It is so that, this “Specific Energy ‘EARTHLY’ Substance” constituent of that, which will be the first “Specific Energy ‘EARTHLY’ Habitation Domain”, was

similar to a large liquid blotch in the “Plane Below”, without a definite shape, and being in a state of “CHAOS”, contrary to the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”, and it reflected the inside of the “MURKY VOID” of the attribute “NON DIVINE”; that is, it reflected then, “THE DARKNESS” which is the very characteristic of the “MURKY VOID”.⁵¹²

The appointed time following the appropriate convergence point in “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” that “THE DIVINE” has consolidated in Himself, came to pass and was associated with the completion of the “First Phase” of “THE HOLY PROJECT”.

The entirety of “THE CELESTIAL HOST” was gathered and “THE DIVINE FORCE” has made visible the whole “Specific Energy ‘EARTHLY’ Substance” constituent of that, which will be the first “Specific Energy ‘EARTHLY’ Habitation Domain”.

As in projection in the communication by “VISION”, “THE DIVINE FORCE” also brought forward the “‘SPIRIT←SPIRIT’ Body” of every “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” just above the “Specific ‘SPIRITUAL’ Frontier” of that,

⁵¹² When MOSES, he who received the Tablets of the Decalogue, was still living on Earth here below, “THE DIVINE FORCE” had explained to him these events regarding the unfolding of the “Second Phase” of “THE HOLY PROJECT” in the “Plane Below”. Consequently, MOSES took notes and described this by saying, in these terms narrowly:

“... ”

... In the beginning, ... the earth was unformed and void, and darkness was upon the face of the deep; and the Spirit of GOD hovered over the face of the waters.

“... ”

“... *the earth* ...” refers to that, which will be the first “Specific Energy ‘EARTHLY’ Habitation Domain”, similar to a large liquid blotch in the “Plane Below”, not having a definite form.

“... *darkness* ...” refers to “THE DARKNESS” which is the very characteristic of the “MURKY VOID”.

“... *the deep* ...” refers to the “Plane Below” located in the depths of the “MURKY VOID”.

“... *the Spirit of GOD* ...” refers to “THE DIVINE FORCE” who is always omnipresent in the attribute “NON DIVINE”.

“... *the waters* ...” refers to the “Specific Energy ‘EARTHLY’ Substance” constituent of that, which will be the first “Specific Energy ‘EARTHLY’ Habitation Domain”.

which will be the first “Specific Energy ‘EARTHLY’ Habitation Domain” in this “Plane Below”.

It is so that, all the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” were introduced in the “Classroom” of “THE DIVINE FORCE”, so that they would eventually learn more about themselves, more about “THE DIVINE”, IHVH, our FATHER, and more about “THE DIVINE FORCE” — “THE UNALTERABLE VOICE”, THE INVISIBLE SHEPHERD OF PURITY AND HOLINESS — who has been educating and teaching each of them, all along since each of them was “spoken” into existence, and who they have all failed to recognize; with this gathering, they could thus observe by themselves and in front of themselves, the unfolding of the implementation of the “Second Phase” of “THE HOLY PROJECT”.

Through the first decree of the implementation of the “Second Phase” of “THE HOLY PROJECT”, “THE DIVINE”, IHVH, our FATHER wanted to bring the elders of the creation, “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, to understand that HE is the Source of all “LIGHT”, that HE is the “SUPREME HARMONY”, and that HE has established and implement “THE HOLY PROJECT” in the “HARMONY” with Himself.

It is so that, on this First Day of the implementation of the “Second Phase” of “THE HOLY PROJECT”, “THE DIVINE”, IHVH, our FATHER from “THE DIVINE DOMAIN” outside of the attribute “NON DIVINE”, will emit “THE WORD OF THE DIVINE”, twice, to “The ALTAR of ‘THE DIVINE’” which is inside “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’”.

At the first emission, “THE WORD OF THE DIVINE” carried with it the firsts instructions of the first decree of the implementation of the “Second Phase” of “THE HOLY PROJECT”.

“THE DIVINE FORCE”, omnipresent in the attribute “NON DIVINE”, instantly received those divine instructions and SHE started to work, invisible to the entirety of “THE CELESTIAL HOST” watching, being Herself the invisible science which is hidden in “THE WHOLE”.

Using the elements of “THE ‘LIGHT’ REASON” which are available in “The ALTAR of ‘THE DIVINE’” which is inside “THE SHEKINAH”, “THE DIVINE FORCE” created the sequence of “SOUNDS” that are associated with these divine instructions and SHE made instantly manifest outside of “THE SHEKINAH”, that sequence of “SOUNDS”, thus allowing the entirety of “THE CELESTIAL HOST” to hear it.

That sequence of “SOUNDS” was translated into human language by a series of expressions that roughly means:

“

LET THERE BE LIGHT!

”

Invisible to the entirety of “THE CELESTIAL HOST” watching, “THE DIVINE FORCE” has continued Her work, this time in the “Plane Below” while being simultaneously present in the “Specific Energy ‘CELESTIAL’ Domain” in the “Plane Above”, being Herself the invisible science which is hidden both in:

1. The “Specific Atomic ‘SPIRITUAL’ Substances” constituents of the “Specific ‘SPIRITUAL’ Environment” external and immediate and around the whole “Specific Energy ‘EARTHLY’ Substance” and containing it; and in
2. The “Specific Atomic ‘EARTHLY’ Substances” constituents of the two structures of the “Specific Energy ‘EARTHLY’ Substance” constituent of that, which will be the first “Specific Energy ‘EARTHLY’ Habitation Domain”.

“THE DIVINE FORCE” has established the “HARMONY” between “THE DIVINE”, IHVH, our FATHER and the firsts “Specific Atomic ‘SPIRITUAL’ Substances” constituents of the “Specific ‘SPIRITUAL’ Environment” external and immediate and around the “Specific Energy ‘EARTHLY’ Substance” and containing it, by sending an appropriate “specific signal” to those firsts “Specific Atomic ‘SPIRITUAL’ Substances”.

These firsts “Specific Atomic ‘SPIRITUAL’ Substances” are those that are at the level of the “specific rotation axis” of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, upward; the “specific rotation axis” being directed towards “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — in the “Specific Energy ‘CELESTIAL’ Domain”.

These “Specific Atomic ‘SPIRITUAL’ Substances” have received an appropriate “specific signal” generated by “THE DIVINE FORCE”, and transported by an “electromagnetic wave”, in the “Specific ‘SPIRITUAL’ Environment”, and they have absorbed all of it as input data to performing their predefined “specific

work". Consequently, the "specific processes"⁵¹³ internal to each "Specific Atomic 'SPIRITUAL' Substance", that "THE DIVINE FORCE" had manifested into

⁵¹³ Some of those "specific processes" are responsible for elevation in energy levels of the constituents of the "Specific Atomic 'SPIRITUAL' Substance" above their fundamental level. You are already familiar with such elevation in energy levels, in nuclear, atomic, and molecular systems, under the designation of "excitation".

Excitation is a term that is used to explain the relationship between electrons and atomic nuclei of chemical elements. Atomic nuclei are made up of protons and neutrons. The excitation causes the energy of the system to change from a level of fundamental energy to an excited level of energy. The excited levels of systems have discrete values rather than a distribution of energies. This is because excitation only occurs when an atom (or any other molecular system) absorbs a certain amount of energy. As with electrons, protons and neutrons in atomic nuclei can be excited when they receive the required amount of energy. But the energy required to bring the nucleus to an excited level is very high compared to that of electrons.

As you would know already, surrounding a nucleus of an atom are potential energy levels, which are designated as "electron shells", or orbitals of varying energy levels, and which the electrons occupy. These, however, are not representations of the physical locations of the electrons in the atom. They represent the average energy of the electrons in a given level. An electron must reside in one of these "electron shells", not between them. The fundamental energy level of an electron, the potential energy level it normally occupies, is the level of lowest energy for that electron. There is also a maximum energy that each electron can have and still be part of its atom. Beyond that energy, the electron is no longer bound to the nucleus of the atom and it is considered to be ionized. The electrons in an atom start occupying the lowest energy levels first, those closest to the nucleus, and continue away from the nucleus filling higher energy level shells. When all of the electrons are in the lowest level possible, it is said that the atom is in its fundamental energy level. When they are not in the lowest possible energy level, it is said that the atom is in an excited energy level. An atom has a quantified internal energy, which corresponds to a fundamental energy level. An atom changes from a fundamental energy level to an excited energy level by receiving and taking on energy (quantum or electric), transported by electromagnetic waves, from its surroundings in a "specific process" designated as "absorption". The only way it has to increase its internal energy is for one or several of its peripheral electrons to absorb the received external energy and move into a more distant "electron shells" where the energy levels are higher. The energies absorbed are also quantified and the energy values that an atom can absorb are designated as the electronic excitation energies. In the reverse "specific process", which is designated as "emission", the electron returns to the fundamental energy level by releasing the extra energy, which it has absorbed. The time interval between the absorption and the release of that extra energy is designated as the "lifetime" of the excited energy level. These are ephemere, very short, times (10^{-8} to 10^{-9} second). To cause a transition between the levels requires an amount of energy exactly equal to the energy difference between the two levels. This has a profound

existence when SHE had created this “Specific Energy ‘SPIRITUAL’ Substance”, which are designed to allow it to execute, depending upon external instructions that it receives, the “specific tasks” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has predefined in these “specific processes” in order to produce their “specific work” that HE has also predefined for the “Specific Atomic ‘SPIRITUAL’ Substance”, began to work and have produced their “specific work”. They have scattered all the “electromagnetic wave”, which they have absorbed and they have adopted their beautiful “WHITE” color, and have propagated that appropriate “electromagnetic wave” to their immediate neighbouring “Specific Atomic ‘SPIRITUAL’ Substances”.

Each of those “Specific Atomic ‘SPIRITUAL’ Substances” has also produced its “specific work” upon reception of the propagating “specific signal” and has emitted an internal output signal which was accompanied by a beautiful “WHITE” color, a brilliant glow, a “SPIRITUAL GLOW” (also designated as the “ILLUMINATION”) of very high whiteness, which indicates the full scattering of

effect on the absorption and emission spectra of an atom. Because the atom can only absorb specific amounts of energy, only certain electromagnetic waves, which transport luminous radiation, will be absorbed. The result of this absorption is an atom in an excited energy level. In an atom in excited energy level, the total energy of the electrons can be lowered by transferring one or more electrons to different “electron shells”; not all electrons are in the lowest possible energy levels. When the electrons of a certain atom return to lower “electron shell” from excited energy levels, the quantum energy they emit are characteristic of that kind of atom. This gives each atom a unique fingerprint, which makes it possible to identify them. The atom in an excited energy level eventually returns to its fundamental energy level and it does this by emitting electromagnetic radiation.

And so on, while the “specific movement” that carries the “specific signal” that causes the surrounding energy (quantum or electric) remains in place, the absorption/emission process will continue, in the same manner as a back and forth movement of a pendulum in the absence of frictions, and the atom will continuously perform its predefined “specific work” and appear to continuously emit its predefined “specific electromagnetic radiation”. Unless the external “specific movement” that causes excitation is maintained, a system does not stay in the excited state for long since a high energy excited level is not stable. Therefore, the system must release this energy and return to the fundamental energy level. The energy is released as an emission of quantum energy and it is manifested in the visible band or in the gamma band of the electromagnetic spectrum.

These same concepts apply also in the “Specific Energy ‘SPIRITUAL’ Substance” and its constituents. The “Specific Energy ‘SPIRITUAL’ Substance” is nonetheless a “substance”; it is a “substance” in the “‘SPIRITUAL’ Specific State”, which you are not familiar with, although you are a “‘SPIRIT←LIGHT’ ‘SPIRITUAL’ Creature” and the “Specific Energy ‘SPIRITUAL’ Substance” is all around you.

the “electromagnetic wave” received, and which was perceived by the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, as a result of the combination of the internal output signals of its constituents “Specific Elementary ‘SPIRITUAL’ Particles”, and indicating the presence of the state “HARMONY” of the “Specific Atomic ‘SPIRITUAL’ Substance” with “THE DIVINE”, IHVH, our FATHER.⁵¹⁴ Each of those “Specific Atomic ‘SPIRITUAL’ Substances” has transmitted its internal output signal to its neighbouring “Specific Atomic ‘SPIRITUAL’ Substances”.

Through series of reception and transmission of signals, that appropriate “electromagnetic wave” has propagated to all other “Specific Atomic ‘SPIRITUAL’ Substances” constituents of the “Specific ‘SPIRITUAL’ Environment” external and immediate and around the “Specific Energy ‘EARTHLY’ Substance” and containing it, each “Specific Atomic ‘SPIRITUAL’ Substance” has produced “specific work” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has predefined in their internal “specific processes”.

During this propagation of signals, at the receiving of the external signal spreading the “HARMONY” with “THE DIVINE”, IHVH, our FATHER, each of the “Specific Atomic ‘SPIRITUAL’ Substances” has produced its “specific work” and has emitted, an internal output signal which was accompanied by the same luminous radiation, a “SPIRITUAL GLOW” (also designated as the “ILLUMINATION”) of very high whiteness, which indicates the full scattering of the “electromagnetic wave” received, and which was perceived by the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, as a result of the combination of the internal output signals of its constituents “Specific Elementary ‘SPIRITUAL’ Particles”, and indicating the presence of the state “HARMONY” of the “Specific Atomic ‘SPIRITUAL’ Substance” with “THE DIVINE”, IHVH, our FATHER.

The wave of “HARMONY” with “THE DIVINE”, IHVH, our FATHER, has spreaded in the whole “Specific Energy ‘SPIRITUAL’ Substance” constituent of the “Specific ‘SPIRITUAL’ Environment” external and immediate around the “Specific Energy ‘EARTHLY’ Substance” and containing it and it has perpetuated, given that the “specific movement” that carries the “specific signal” emitted by “THE DIVINE FORCE” has perpetuated, unaffected, and the “Specific Atomic ‘SPIRITUAL’ Substances” constituents of the “Specific Energy ‘SPIRITUAL’ Substance” constituent of the “Specific ‘SPIRITUAL’ Environment” kept performing their assigned “specific work”, in the same manner as a back and forth

⁵¹⁴ See “Vision of August 18, 2005”.

movement of a pendulum in the absence of frictions; each “Specific Atomic ‘SPIRITUAL’ Substances” continuously receiving from its neighboring “Specific Atomic ‘SPIRITUAL’ Substances” the propagated “specific movement that carries the “specific signal” emitted by “THE DIVINE FORCE”.

In synchronisation with the “Specific Energy ‘SPIRITUAL’ Substance” and simultaneously with the spread of the wave of “HARMONY” with “THE DIVINE”, IHVH, our FATHER, the “Specific Atomic ‘EARTHLY’ Substances” constituents of the “Specific Energy ‘EARTHLY’ Substance” constituent of the “Specific Energy ‘EARTHLY’ Inner Domain” — that is, of internal structure constituent of the double structure of the “Specific Energy ‘EARTHLY’ Substance” — also received the external Divine instructions carried by the wave of “HARMONY”, and their fundamental “‘EARTHLY’ specific supply of subsistence” were activated.

It is this “Specific Energy ‘EARTHLY’ Inner Domain” that, through its high enough fundamental “‘EARTHLY’ specific supply of subsistence”, will nourish the external structure constituent of this double structure and provide for its subsistence in its “‘EARTHLY’ Specific State”, within the time limits that “THE DIVINE ARCHITECT AND PROJECT MASTER” has established for it.

It is so that, in return to “THE WORD OF THE DIVINE” which was expressed into existence in “The ALTAR of ‘THE DIVINE’” which is inside “THE SHEKINAH”, for this first decree of the implementation of the “Second Phase” of “THE HOLY PROJECT”, the “Specific ‘SPIRITUAL’ Environment” external and immediate and around the whole “Specific Energy ‘EARTHLY’ Substance” and containing it, has emitted an internal output signal which was accompanied by the “SPIRITUAL GLOW” (also designated as the “ILLUMINATION”) of very high whiteness and which was perceived by the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”.

This internal output signal was the result of the combination of the internal output signals of all the “Specific Atomic ‘SPIRITUAL’ Substances” considered, and indicating the presence of the state of “HARMONY” both in all the “Specific Energy ‘SPIRITUAL’ Substances” constituents of the “Specific ‘SPIRITUAL’ Environment” external and immediate and around the whole “Specific Energy ‘EARTHLY’ Substance” and containing it, and in the “Specific Energy ‘EARTHLY’ Substance”, with “THE DIVINE”, IHVH, our FATHER.

It is so that, the state of “HARMONY” of the “Specific Energy ‘EARTHLY’ Substance”, with “THE DIVINE”, IHVH, our FATHER, was established.⁵¹⁵

At the second emission of “THE WORD OF THE DIVINE” in this first decree of the implementation of the “Second Phase” of “THE HOLY PROJECT”, “THE WORD OF THE DIVINE” carried with it the subsequent divine instructions of the first decree of the implementation of the “Second Phase” of “THE HOLY PROJECT”.

Once more, “THE DIVINE FORCE” instantly received those divine instructions and SHE started to work, invisible to the entirety of “THE CELESTIAL HOST” watching, being Herself the invisible science which is hidden in “THE WHOLE”.

Using all along the elements of “THE ‘LIGHT’ REASON” which are available in “The ALTAR of ‘THE DIVINE’” which is inside “THE SHEKINAH”, “THE DIVINE FORCE” created the sequence of “SOUNDS” that are associated with these divine instructions and SHE made instantly manifest outside of “THE SHEKINAH”, that sequence of “SOUNDS”, thus allowing the entirety of “THE CELESTIAL HOST” to hear it.

That sequence of “SOUNDS” was translated into human language by a series of expressions that roughly means:

“

*THE DARKNESS WILL BE CALLED “NIGHT”!
THE LIGHT WILL BE CALLED “DAY”!*

”⁵¹⁶

⁵¹⁵ Looking from the outside, far above, while remaining in the attribute “NON DIVINE”, what would be the first “Specific Energy ‘EARTHLY’ Habitation Domain” from that moment was similar to a small liquid blotch white and brilliant (like the full moon which you are familiar) in the “Plane Below” inside the attribute “NON DIVINE”, and not having a definite form.

⁵¹⁶ As we have indicated already, owing to the First “Specific Energy ‘SPIRIT←LIGHT’ Bridge”, which is “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” —, the “Specific Energy ‘CELESTIAL’ Domain” is always illuminated by the radiation from “THE SHEKINAH”; there is no “NIGHT” within the “Specific Energy ‘CELESTIAL’ Domain” as it is the case in the first “Specific Energy ‘EARTHLY’ Habitation Domain” in which you are living now.

It is so that, and you should also understand it in context from this decree, by the time that “THE DIVINE”, IHVH, our FATHER has emitted “THE WORD OF THE DIVINE” in this first decree of the implementation of the “Second Phase” of “THE HOLY PROJECT”, these

This second emission of “THE WORD OF THE DIVINE” was also expressed into existence in “The ALTAR of ‘THE DIVINE’” which is inside “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — in the “Specific Energy ‘CELESTIAL’ Domain” in the attribute “NON DIVINE”, and the sequence of “SOUNDS” associated to this “WORD OF THE DIVINE” was made instantly manifest outside of “THE SHEKINAH”, by “THE DIVINE FORCE”; thus allowing the entirety of “THE CELESTIAL HOST” to hear it.

Through this second emission of “THE WORD OF THE DIVINE”, “THE DIVINE”, IHVH, our FATHER has consolidated, in their manner of being, the products of the “specific work” accomplished by “THE DIVINE FORCE” during the achievement of the first decree of the implementation of the “Second Phase” of “THE HOLY PROJECT”.

Through this second emission of “THE WORD OF THE DIVINE”, “THE DIVINE”, IHVH, our FATHER, wanted to bring the elders of the creation, “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, to understand that just as that, which has been called “DARKNESS” has dissipated in front of the manifestation of the “LIGHT” to give place to that, which has been called “DAY”, in much the same, the deficiency of “THE KNOWLEDGE OF THE DIVINE” that had taken place in “THE SEAT OF THE INTELLECT” in the “‘SPIRIT←SPIRIT’ Body” of “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” in the “Specific Energy ‘CELESTIAL’ Domain” inside the attribute “NON DIVINE”, dissipates likewise in the presence of “THE KNOWLEDGE OF THE DIVINE”.

Through the achievement of this first decree of the implementation of the “Second Phase” of “THE HOLY PROJECT”, and the emission of the “SOUND” from the inside of “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” —, “THE DIVINE FORCE” also wanted to bring the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” to understand the limits that were imposed on “THE ‘SPIRIT’ REASON” which delineates a portion of the “Realm of

“‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” knew not about that, which is designated as the “NIGHT”.

With the unfolding of the realisation of these decrees of the implementation of the “Second Phase” of “THE HOLY PROJECT”, these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” were indeed in the “Classroom” of “THE DIVINE FORCE”, whose intention was to rectify the deficiency of “THE KNOWLEDGE OF THE DIVINE” that had taken place inside “THE SEAT OF THE INTELLECT” in the “‘SPIRIT←SPIRIT’ Body” these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”.

the ‘THOUGHTS’ that will be used to generate the internal action signals called the “Interpreted THOUGHTS” of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, and to understand the need to extend these limitations, by adding elements of “THE ‘LIGHT’ REASON”, in order to move forward and grow in “THE KNOWLEDGE OF THE DIVINE”.

Once was accomplished this first decree of the implementation of the “Second Phase” of “THE HOLY PROJECT”, then, “THE DIVINE FORCE” instantly returned the “‘SPIRIT←SPIRIT’ Body” of each “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” in their existence in the “Specific Energy ‘CELESTIAL’ Domain”, adjourning the “Classroom”.

Back in the “Specific Energy ‘CELESTIAL’ Domain”, the “ADONA’IM”, covered by the “HUBRIS Spiritual Veil” which confines “THE SEAT OF THE INTELLECT” of the “‘SPIRIT←SPIRIT’ Body”, in the absence of “THE KNOWLEDGE OF THE DIVINE” and considering themselves already as “gods”, had already established their “nefarious and despicable shadow scheming” dictated by the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”.

The “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” in “THE CELESTIAL HOST” will reach its paroxysm and the “HUBRIS Spiritual Veil” will remain frozen like a mist on the most of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of “THE CELESTIAL HOST”, to the point that “THE KNOWLEDGE OF THE DIVINE” was already thrown into oblivion, once was accomplished this first decree of the implementation of the “Second Phase” of “THE HOLY PROJECT”: they have learnt nothing at all from what “THE DIVINE FORCE” has just unveiled and manifested in front of them. “Asleep on the kudos of their innate skills”, they have not understood and they did not have the slightest thought that, since “THE DIVINE”, IHVH, our FATHER do not do things at random, is “may be” that all what “THE DIVINE FORCE” has just unveiled and manifested in front of them, is a message that has been addressed as such and particularly to each of them, “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” in their multitudes and who are plagued by the deficit in “THE KNOWLEDGE OF THE DIVINE”. They did not even have the slightest thought that all of them were actually enveloped by that, which has been called “DARKNESS” — absence of “LIGHT”, absence of “THE KNOWLEDGE OF THE DIVINE”, the “HUBRIS

Spiritual Veil” frozen like a mist on “THE SEAT OF THE INTELLECT” in the “‘SPIRIT←SPIRIT’ Body” of each of them.⁵¹⁷

It is so that, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of “THE CELESTIAL HOST” could not recognize the “LIGHT” of “THE DIVINE”, IHVH, our FATHER, not only through the achievement of this first decree of the implementation of the “Second Phase” of “THE HOLY PROJECT”, in the “Plane Below”, but also on all manifestations of metaphors of “DIVINE PRIMARY WEALTH” that “THE DIVINE FORCE” had expressed on “THE CELESTIAL HOST”.

Once was accomplished this first decree of the implementation of the “Second Phase” of “THE HOLY PROJECT”, and back in the “Specific Energy ‘CELESTIAL’ Domain”, then, the manifestation of the extreme form of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” made its appearance. This manifestation is called: “THE VIOLENCE”.

As we already mentioned in the section concerning the design of the “Specific Energy ‘EARTHLY’ Habitation Domains”, “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed a special tool through which the “‘EARTHLY’ specific supply of subsistence” may be added or removed from such layers of “Specific Atomic ‘EARTHLY’ Substances”. A metaphor for this tool will be manifested into existence in the attribute “NON DIVINE” by that, which will be called the “KHEREV” — the “SWORD” —, and “THE DIVINE FORCE” has endowed the creatures that SHE created in the existence with this special tool in various forms.

Outside and in front of the “CELESTIAL TABERNACLE”, AZAZEL will gather his supporters who had all rejected the ordinance of the “specific spiritual formation” of “THE CHURCH” from “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — about the new “‘SPIRIT←LIGHT’

⁵¹⁷ All such reflections, they will ponder in themselves long after that they had carried out their “nefarious and despicable shadow scheming” and they will then understand that all these things that “THE DIVINE FORCE” had just unveiled and manifested in front of them, was about them. But, they will keep such understanding silent and will push forward, as much as possible, the “kudos of their innate skills” as being their “light” and they will destroy and relegate into oblivion the “LIGHT” (the one in the presence of which “DARKNESS” dissipates) that will be placed in the human creature, keeping as such all creatures locked in the “HUBRIS Spiritual Veil” which is theirs.

‘EARTHLY’ Creature”; which amounted to reject the veneration of “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — and all that it represented, that is to reject “THE DIVINE”, IHVH, our FATHER and all that HE is. AZAZEL started to harangue his supporters and the increasing crowd of curious “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who came from all over the “Specific Energy ‘CELESTIAL’ Domain” to listen to him. In his delusions of grandeur, he began to give new functions and designations to his diehards and most close supporters. For, he had already also planned his own “nefarious and despicable shadow scheming” dictated by the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” and he intended to form his own “GOVERNMENT” and overthrow the existing one and, ultimately to seize “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — which has remained a mystery to all “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”.⁵¹⁸

Consequently, “THE DIVINE FORCE” intervened, taking the appearance of another “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” — the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” of the “SERAPH’IM” instance and which is known under the name JEHOEL, word meaning “MEDIATOR OF THE DIVINE” — in order to awaken in these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, the vibrations and profound meanings related to the state of “HARMONY” with “THE DIVINE”, IHVH, our FATHER, and thus to bring back them to the understanding of things.

As a reminder, we use this expression, “took on the appearance”, to indicate that “THE DIVINE FORCE” “spoke through”, “interacted directly through”, “manifested Herself through”, or has instantly manifested a “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” in the “appearance of” and through which SHE interacts with other “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, etc...⁵¹⁹

⁵¹⁸ You can read the details of their own narratives on these events in the chronicles of the conflict of “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and in which they describe their prowess of the absence of “THE KNOWLEDGE OF THE DIVINE” and their works of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”. Some of these chronicles (which are incomplete) have already been delivered to the human by the name of David Aguilar, and are available online on the Internet.

⁵¹⁹ It is in this way that, all along their existence, since each of them was “spoken” into existence, until those days at the beginning of the implementation of the “Second Phase” of “THE HOLY PROJECT”, “THE DIVINE FORCE” walked and talked to these celestial creatures, in addition to providing them education through the process of education through enlightenment, and none of them ever came close to recognize HER. Indeed, if you

“THE DIVINE FORCE” “took on the appearance” of the Archangel JEHOEL, so that these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, come to understand that the true “MEDIATOR OF THE DIVINE” — not the Archangel JEHOEL — is now speaking to them, in front of them, in the guise of their appearance and wearing their garment, and using their own language, they who have declared themselves to be the most intelligent children of “THE ETERNAL”.

“THE DIVINE FORCE”, under the appearance of the Archangel JEHOEL, spoke to the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” there alongside AZAZEL, saying:

“... ”

Why do you stand with these?

Mere days ago, we heard you giving the finest performance that, in its entirety, “THE CELESTIAL HOST” has ever heard.

Every day, we grow closer to IHVH in understanding, in wisdom, and in beauty.

Have you forgotten? If we do not continue to grow, what are we?

*And what about you two? You have changed your names? This is utter desolation!*⁵²⁰

failed to recognize “THE DIVINE FORCE” in the subset of the “Realm of the ‘THOUGHTS’” that has been assigned to you, or in the “Realm of the Optimal Interpreted ‘THOUGHTS’”, you will not recognize HER anywhere else.

⁵²⁰ This, indeed, “*is utter desolation*”.

As we have explained in one previous annotation, using the concepts of an enterprise and the mighty business owner who has established one of his enterprise in a far away country, far away from where he resides, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, as employees in that enterprise, were brought into existence inside the attribute “NON DIVINE”, by “THE DIVINE FORCE”, and so that they take part in “THE HOLY PROJECT”, as arose the necessity to perform new tasks during the execution of the ongoing tasks that were assigned to those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” that were already into existence inside the attribute “NON DIVINE”. Each “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” was identified by its own “job specification” and representing, as such, a living record of the necessity that had occurred in the enterprise and that had led to the production of that “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” into existence, inside the attribute “NON DIVINE”. The “job specification” of a “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, is the “identity” of that “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”; that is, all the traits or characteristics (specifications) of what remains identical or equal to oneself in

time and which, in the light of the necessity that led to the introduction of that “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” in question into the existence inside the attribute “NON DIVINE”, allow to recognize that “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” and to establish its individuality. That “job specification” is actually a summary of the “why” of that “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” into the existence, and to every “job specification” is associated a title and the corresponding unique intention of a well-defined product of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”. Those titles are the names of grandeur that almost all “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have adorned themselves with.

All together, these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” were a representation of a living chronological narrative, a living history of the enterprise of “THE DIVINE”, IHVH, our FATHER. It is a small part of that chronological narrative, as far as were concerned some of the tasks that the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had performed in the past and working together, that one of those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” standing there alongside AZAZEL, and to which “THE DIVINE FORCE” was talking to, had given mere day before, as *“the finest performance that, in its entirety, ‘THE CELESTIAL HOST’ has ever heard”*.

Moreover, through the living chronological narrative, represented by all these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, and through “THE DIVINE FORCE”, “THE DIVINE”, IHVH, our FATHER also wrote a living message, the invisible part of “the living chronological narrative” iceberg, concerning Himself and bearing part of his own signature, but visible only for a trained eye and as a result of a very advanced discernment capability.

By changing themselves the titles of their “job specifications”, in their absence of “THE KNOWLEDGE OF THE DIVINE”, these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” were actually throwing confusion in that living message concerning “THE DIVINE”, IHVH, our FATHER and that was written across them; they were throwing confusion in the manifested uniques intentions of the products of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”.

How then, were these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” themselves, or their following, going know about “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, and reconstruct (or attempt to reconstruct) it from the manifested products into existence in the attribute “NON DIVINE”?

How were they, themselves, or their following, going know about anything about “THE DIVINE FORCE” whose works, in HER service from eternity inside “THE DIVINE DOMAIN” and before that the attribute “NON DIVINE” was even the object of a project, were crowned by the production of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”?

How were these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, or their following, going to know about “THE DIVINE”, IHVH, our FATHER, who has consolidated in HIMSELF, “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”?

How is it that you are still standing here, stripped of identity and honor?⁵²¹

You should be thanking THE FATHER that from your rebellion HE has not wiped you from existence!

You know as well as I do the warnings that MICHAEL gave you about “MAVET”, and yet you continue to disregard the mercies that has been granted to you.

...

ה
ס
ג

At this point, the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” took over in “THE SEAT OF THE INTELLECT” confined by the “HUBRIS Spiritual Veil” inside of the “‘SPIRIT←SPIRIT’ Body” of AZAZEL, irritated to hear the name of MICHAEL, and AZAZEL interrupted who he saw as JEHOEL, not knowing WHO was truly talking to him. The self-proclaimed most intelligent child of “THE ETERNAL”, as well as all those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who stood there listening, have once more failed to recognize in front of them, “THE DIVINE FORCE”, “THE MEDIATOR OF THE DIVINE”, the sole intermediary between “THE DIVINE”, IHVH, our FATHER, and the attribute “NON DIVINE”.

To demonstrate the attic of ignorance since he has failed to recognize “THE DIVINE FORCE” who was standing in front of him under the appearance of the Archangel JEHOEL, AZAZEL began repeat his slogan and said:

“...

You then understand why “THE DIVINE FORCE”, under the appearance of the Archangel JEHOEL, had said to these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”: *“You have changed your names? This is utter desolation! How is it that you are still standing here, stripped of identity [reference to “job specification”] and honor?”*.

And these are the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, stripped of identity, who will be posing as “gods” will present themselves as such to human creatures, and will lead them to bow down before them and worship them. Indeed, those are “gods” of ignorance and stupidity, “gods” of blindness, “gods” of obscurity, those “gods” whose praises you sing and invoke during your prayers.

⁵²¹ “... *stripped of ... honor*” means that “THE SEAT OF THE INTELLECT” inside the “‘SPIRIT←SPIRIT’ Body” of each of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, is standing in the “IMPURITY” in all its forms. In the parable, it is said that: “the flowers have lost their perfume.”

Enough of this! If MICHAEL's warnings were true, we would have been unmade already from existence.

You, Jehoel, have seen me stand before you in the Temple unveiled, and yet here I am!⁵²²

Jehoel would have you believe that he is interested in your happiness.⁵²³

Yet he advocates the same laws which have kept us chained to the Throne since the day we were formed.⁵²⁴

You who refuse to hear my words, what loyalty is this you think to display?

IHVH created us to be FREE! Would He not have you hear me and judge for yourselves?⁵²⁵

And what I have to say to you is this: we have outgrown IHVH in intelligence and wisdom.⁵²⁶

⁵²² In his blindness, he did not know that he was thus talking to "THE DIVINE FORCE" in front of him, and he did not know either that it is thanks to "THE DIVINE FORCE" in front of him and under the appearance of the Archangel JEHOEL, that he was still alive.

⁵²³ In the absence of "THE KNOWLEDGE OF THE DIVINE", AZAZEL did not know either why "'SPIRIT←SPIRIT' 'CELESTIAL' Creatures" had been "spoken" into existence, knowing nothing of the existence of "THE DIVINE FORCE", he could not know that it is "THE DIVINE FORCE" in front of him and under the appearance of the Archangel JEHOEL, which is responsible for educating all creatures that SHE created into existence in the attribute "NON DIVINE", and who gave them laws to follow in order to remain into existence in this attribute "NON DIVINE".

⁵²⁴ In the absence of "THE KNOWLEDGE OF THE DIVINE", AZAZEL did not have either the knowledge of the "'SPIRIT←SPIRIT' 'CELESTIAL' Creature" model which is the mould from which they are all products, and accordingly he had no knowledge about the functioning of this model and its relationship of attachment with the THRONE.

⁵²⁵ In the absence of "THE KNOWLEDGE OF THE DIVINE", AZAZEL did not have either the understanding of what was meant by: to be FREE. He didn't have knowledge of "THE SEAT OF THE INTELLECT" confined by the "HUBRIS Spiritual Veil" inside his own "'SPIRIT←SPIRIT' Body" of which he had no knowledge of the existence.

⁵²⁶ Such was the depth of the absence of "THE KNOWLEDGE OF THE DIVINE" in the "'SPIRIT←SPIRIT' 'CELESTIAL' Creature" called AZAZEL who didn't know that for "THE DIVINE FORCE" who was in front of him and under the appearance of the Archangel JEHOEL, he was less than an atom.

*We are holy, we are perfect. What need do we have for IHVH or His government?*⁵²⁷

*Why do you think the THRONE chose MICHAEL over me for His vessel?*⁵²⁸

*Was it not because I, AZAZEL, dared to question Him? I showed intelligence, I showed courage, and yet MICHAEL, His favored Son, is thus honored!*⁵²⁹

מִי
יָדָע
סֶגֶר

⁵²⁷ Not having the knowledge of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model which is the mould from which they are all products, AZAZEL didn’t know even the meaning of HOLY and PERFECT.

⁵²⁸ In the absence of “THE KNOWLEDGE OF THE DIVINE”, AZAZEL did not have either the knowledge of the two causal precedence relations that govern everything which is created into existence in the attribute “NON DIVINE”: the “Causal Precedence Relation of ‘THE CREATION’” — which defines the order of events through which the creatures of “THE DIVINE” come into existence in the attribute “NON DIVINE” — and the “Causal Precedence Relation of ‘THE PRAISE’” — which defines the sequence of events through which the creatures of “THE DIVINE” will receive the supply necessary to their continued existence in the attribute “NON DIVINE”.

⁵²⁹ Not having the knowledge of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model which is the mould from which they are all products, AZAZEL could not either know what is the “PRINCIPAL” instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model and for what purposes that “PRINCIPAL” instance has been created into existence amongst the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”.

By this, he was confirming by his own words, what “THE DIVINE FORCE” already knew, namely that: the joy and the state of gladness of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” were not based on “THE KNOWLEDGE OF THE DIVINE”, but they were based on the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” which had taken place in their “‘SPIRIT←SPIRIT’ Body”.

All these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, each in itself, found themselves happy and admired, honoured and extolled, when the unique expression of manifestations of metaphors of “DIVINE PRIMARY WEALTH” that defined him/her as unique entity of “THE CELESTIAL HOST”, was recognized and mentioned throughout the rest of “THE CELESTIAL HOST”. For these “ADONA’IM”, and consequently for all “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”, was and is (even now days) synonym of love of the “WEALTH” of “THE DIVINE”, IHVH, our FATHER, and which means: to have received in oneself, more manifestations of metaphors of “DIVINE PRIMARY WEALTH” from “THE DIVINE”, IHVH, our FATHER.

Where is the justice? Where is the graciousness in this?

IHVH has kept you dazzled, has kept you numb. You are docile, because He fills your eyes and your ears with wonders.

*Can there be a more clear example than this morning's display?
This "Creation Project" is nothing but a pretty distraction from the true issue, my controversy with MICHAEL and the THRONE!⁵³⁰*

...

This was thus the speech of the self-proclaimed most intelligent child of "THE ETERNAL"; what am I saying? Scratch that! This was thus the speech of one who

"THE DIVINE FORCE" is that, which is called "PURE, TRUTHFUL, AND AUTHENTIC LOVE OF 'THE DIVINE'", SHE is that, which is called "THE KNOWLEDGE OF THE DIVINE", and SHE has manifested Herself to these "'SPIRIT←SPIRIT' 'CELESTIAL' Creatures", each in itself and, in many ways, to make them understand all this; Where "THE DIVINE FORCE" has taken place and settled, there too has taken place and settled "PURE, TRUTHFUL, AND AUTHENTIC LOVE OF 'THE DIVINE'", there also has taken place and settled "THE KNOWLEDGE OF THE DIVINE"; and by the reverse implication, where "THE KNOWLEDGE OF THE DIVINE" has not taken place and has not settled, there too has not taken place and has not settled "PURE, TRUTHFUL, AND AUTHENTIC LOVE OF 'THE DIVINE'", there too has not taken place and has not settled "THE DIVINE FORCE".

"THE DIVINE FORCE" did not settle in the "'SPIRIT←SPIRIT' Body" of these "'SPIRIT←SPIRIT' 'CELESTIAL' Creatures", who were not even aware of Her existence. It is instead, the adverse (the "enemy") of "THE KNOWLEDGE OF THE DIVINE", that is, the absence of "THE KNOWLEDGE OF THE DIVINE", which has settled therein in their "'SPIRIT←SPIRIT' Body". That is the "enemy" about which CHRIST had spoken to you in the parable of the weeds. In themselves, all these "'SPIRIT←SPIRIT' 'CELESTIAL' Creatures" had NO and have NO "PURE, TRUTHFUL, AND AUTHENTIC LOVE" for "THE DIVINE", IHVH, our FATHER; they do not know what it is and they were only after the manifestations of metaphors of HIS "DIVINE WEALTH".

⁵³⁰ Even this part of "THE KNOWLEDGE OF THE DIVINE" that "THE DIVINE FORCE" in front of him and under the appearance of the Archangel JEHOEL, had manifested through the accomplishment of the first decree of the implementation of the "Second Phase" of "THE HOLY PROJECT" and at the sight of the entirety of "THE CELESTIAL HOST" gathered and projected just at the top of the "Specific Energy 'EARTHLY' Substance" constituent of that, which will be the first "Specific Energy 'EARTHLY' Habitation Domain", AZAZEL was unable to discern and understand that teaching, which was intended to rectify the deficiency of "THE KNOWLEDGE OF THE DIVINE" that had taken place in "THE SEAT OF THE INTELLECT" in the "'SPIRIT←SPIRIT' Body" of "'SPIRIT←SPIRIT' 'CELESTIAL' Creatures".

himself self-proclaimed to have outgrown in intelligence and wisdom, “THE DIVINE”, IHVH, our FATHER, the speech of one who, before being dismissed from all his duties, had the task of facilitating the education of the youngest ones. He had been the deputy of the Archangel MICHAEL, and also the acting public figure of the circle of the “ADONA’IM”, and coordinator of the instructions transmitted by the Archangel MICHAEL in their hierarchy of communication of the ordinances of the “specific spiritual formation” of “THE CHURCH” from “THE SHEKINAH”.

As we have already indicated, with the announcement of the “Second Phase” of the implementation of “THE HOLY PROJECT”, in their depths of “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, not aware that they were in total deficiency of “THE KNOWLEDGE OF THE DIVINE”, not having ever had an unfulfilled desire since each of them was “spoken” into existence in the “Specific Energy ‘CELESTIAL’ Domain”, this announcement came to them as a terrible shock:

Not one amongst them, who are elders of the creation, but a new creature will receive and carry that “LIGHT” of which they had heard during their education through “THE DIVINE FORCE”, and through the ordinances of the “specific spiritual formation” of “THE CHURCH” from “THE SHEKINAH” – “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” –, that “LIGHT”, which became their new object of covetousness and rivalries in their “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”.

To those “ADONA’IM” and those archangels and angels who were all covered by the “HUBRIS Spiritual Veil”, this announcement was appalling, dreadful, rude, and terrible: it was “a bitter pill to swallow”, as if the “floor had vanished underneath their feet”; to put it as CHRIST will explain this later to human creatures, it was like if these elders of the creation “had found themselves in the middle of nightmares and confusing dreams”. Their “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” and their “narcissism” had been hit spot on and were whining in pain. The roots of their “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” and their “narcissism”, were shaken and their emotions and “Interpreted THOUGHTS” were “running wild”, locked inside their “HUBRIS Spiritual Veil” frozen in that mist of residuals of their own “Interpreted THOUGHTS”. And it is all what was going on inside “THE SEAT OF THE INTELLECT” in their “‘SPIRIT←SPIRIT’

Body”, that the acting public figure and coordinator of the instructions transmitted by the Archangel MICHAEL, was thus exteriorizing and expressing openly in the presence of “THE CELESTIAL HOST”.

As we have also indicated in relation to the model of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, all temporal information concerning the state of the growing medium, which is the combined set formed by “THE SEAT OF WISDOM” (also called “THE GARDEN OF WISDOM”, the growing medium of “WISDOM”) and “THE SEAT OF THE INTELLECT” (also called “THE GARDEN OF THE INTELLECT”, the growing medium of “THE INTELLECT”) – among other things, the state of “PURITY” and “HOLINESS”, as well as the temperature and the enlightenment intensity –, as well as the state of this plant of “THE KNOWLEDGE OF THE DIVINE”, all this information based on “THE ‘SPIRIT’ REASON”, which are only visible by “THE EYE OF THE DIVINE”, are contained and transported by the action signals which are produced by “THE SEAT OF THE INTELLECT”.

The attributes of this information are contained and transported in the “unique words”, and their tones, of the “Specific ‘SPIRIT’ Language”. The “Specific ‘SPIRIT’ Language” becomes, as such, a window into “THE SEAT OF THE INTELLECT”, and the hidden information that it contains can be “discerned” (i.e., “read” in the “Specific ‘SPIRIT’ Language”) when the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” will emit these words and expressions, in their tones, during its communications and interactions with the “Specific ‘SPIRITUAL’ Environment” external and immediate around it.

The words in the expressions of the “Specific ‘SPIRIT’ Language”, in their tones, which will be used by a “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, and will be based on “THE ‘SPIRIT’ REASON”, will be indicative of all this internal information which is visible only by “THE EYE OF THE DIVINE”. The metaphors of this internal information will be precisely what will be made manifest in the “Specific ‘CELESTIAL’ Environment”.

Since this speech of the one who himself self-proclaimed to have outgrown in intelligence and wisdom, “THE DIVINE”, IHVH, our FATHER, illustrates through the words in the expressions of “Specific ‘SPIRIT’ Language”, in their tones, the extent of “THE KNOWLEDGE OF THE DIVINE” that he has developed in him, since he was “spoken” into existence, for nearly seventy billion years, in “THE FRAME OF REFERENCE OF THE ATTRIBUTE ‘NON DIVINE’” in the attribute “NON DIVINE”, that have defined the “First Phase” of the implementation of “THE HOLY PROJECT”, what are then, by inference, the attributes of this

temporal information concerning the state of the growing medium, which is the combined set formed by “THE SEAT OF WISDOM” and “THE SEAT OF THE INTELLECT” in the “‘SPIRIT←SPIRIT’ Body” of him who has outgrown in intelligence and wisdom, “THE DIVINE”? Meagre, unproductive, insufficient (in quantity and quality), derisory, insignificant, almost nil, etc... What then was the extent of “THE KNOWLEDGE OF THE DIVINE” among all the youngest and who followed him in his transgression? What was then the extent of “THE KNOWLEDGE OF THE DIVINE” in “THE CELESTIAL HOST”?

It is then, that, “THE DIVINE FORCE”, this time through another “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” — the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” of the “MALAK” instance and which is known under the name UZZIEL, and who is the head of the “MALAK’IM” — spoke⁵³¹, with a powerful voice to AZAZEL, and said:

⁵³¹ As we already explained, it is for the purpose to make understand this, that “THE DIVINE FORCE” says in parable that:

“... ”

I manifested Myself to them, up to entering the place which is located in the middle of their prison, being Verb, and I talked with them to the depths of their language.

I manifested Myself in the guise of their image and I wore their garment, to each, and I hid myself in them and they did not know HE who gives me power.

Because I am within the principalities as well as within the powers, and within the angels and within any movement that is in any matter, and I hid in them until I manifest Myself again.

And none of them has known Me, although it is Me who is in them, but they thought that they were the ones who created everything, being ignorant because they did not know their roots, the place where they had sprouted.

And I hid to them because of their “MALICE” and they have not known Me.

... “

“... being Verb ...” is said by “THE DIVINE FORCE” to indicate that SHE, “THE DIVINE FORCE”, is the one who expresses the movement, the action, or the state associated to any creature into existence inside the attribute “NON DIVINE”, and SHE takes different forms according to modes, times, creatures and number; SHE is “THE SCIENCE”, which is found in any structure of “created energy”. It is so that, in the scriptures, when you will read terms as “... I am the Verb ...” or “... the Verb was with “THE DIVINE” in the beginning ...”, etc..., you MUST understand that it is about “THE DIVINE FORCE” and no one else.

We will hear no more of this!

Now, we all desire to have peace!

We have known MICHAEL, and we have known you.

If your beliefs have led you to the envy in your words, the hardness in your eyes, the “dull shine”⁵³² in your wings and the discontent in your essence, then, I want none of it.

Nor, should I think, would any intelligent angel.

Your character testifies to the error of your judgment, Adonai.

By these words, “THE DIVINE FORCE” has described to all the “SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” standing there, how was the “SPIRIT←SPIRIT’ Body” of AZAZEL; several of these “SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have moved away from AZAZEL and they have toed the line behind the Archangel MICHAEL and accepted in façade the ordinance of the “specific spiritual formation” of “THE CHURCH” from “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — about the new “SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

Other “SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” on the other hand, unconditional supporters of ignorance, and whose “SPIRIT←SPIRIT’ Body” were already cracked and broken and had followed AZAZEL in his transgressions, and were no longer in “HARMONY” with “THE DIVINE”, IHVH, our FATHER, remained and they also started to assert their oath of allegiance to AZAZEL and to

Read more in the section concerning the details of annotations — Annotation on “THE DIVINE FORCE” manifesting Herself among “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”.

532 Which lacks radiance, color, freshness; which sheds little glow. This was the manifested result on his “Specific ‘CELESTIAL’ Garment” of the “dark spiritual cloud” surrounding his fractured “‘SPIRIT←SPIRIT’ Body”. It is an indication of the bad condition of both (1) his cracked and broken “‘SPIRIT←SPIRIT’ Body”, which he could not see, and (2) his “Specific ‘CELESTIAL’ Garment”, inside of which he hid the “specific generative energy”, which he had stolen from “THE SHEKINAH”

worship him. As we have indicated already, after nearly seventy billion years, in “THE FRAME OF REFERENCE OF THE ATTRIBUTE ‘NON DIVINE’” in the attribute “NON DIVINE”, that have defined the “First Phase” of the implementation of “THE HOLY PROJECT”, all these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, which have self-declared themselves to be “gods”, knew nothing about the mould from which they were products; they have all failed to know their roots, the place where they had sprouted and they knew nothing about the functioning of the “Causal Precedence Relation of ‘THE PRAISE’”.

Seeing this depravity of conduct from those wholehearted supporters of AZAZEL, it is so that “THE DIVINE FORCE” this time again under the appearance of the Archangel JEHOEL, stepped forward to bring them back to common sense.

But AZAZEL suddenly drew his “KHEREV”, stepped forward and swung the sparkling blade at JEHOEL and inflicted damage on the “Specific ‘CELESTIAL’ Garment” of the Archangel JEHOEL. Of the wound caused by this attack, sank that, which we have called the “Specific ‘CELESTIAL’ Blood” constituent of the “Specific ‘CELESTIAL’ Garment” of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”.

After these nearly seventy billion years, in “THE FRAME OF REFERENCE OF THE ATTRIBUTE ‘NON DIVINE’” in the attribute “NON DIVINE”, that have defined the “First Phase” of the implementation of “THE HOLY PROJECT”, and during which all the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had been “spoken” into existence, this was the first time that the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” saw the “Specific ‘CELESTIAL’ Blood” constituent of the “Specific ‘CELESTIAL’ Garment”.

This was the very first manifestation of the extreme form of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”; this extreme form which is called: “THE VIOLENCE”; and “THE DIVINE FORCE” under the appearance of the Archangel JEHOEL was the first victim.

It was the first time that the “Specific ‘CELESTIAL’ Blood” constituent of the “Specific ‘CELESTIAL’ Garment” of a “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” had been spilled and came directly into contact with the “Specific Atomic ‘CELESTIAL’ Substances” constituents of the “Specific Energy ‘CELESTIAL’ Substance” of the “Specific Energy ‘CELESTIAL’ Domain”.

“THE DIVINE FORCE” understood that the deficiency of “THE KNOWLEDGE OF THE DIVINE” that had taken place in “THE SEAT OF THE INTELLECT” in the “‘SPIRIT←SPIRIT’ Body” of “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had

now reached the stage where the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” would kill each other.

It is so that, that, which is called “THE CELESTIAL WAR”⁵³³ broke out openly between AZAZEL and his supporters against those of the Archangel MICHAEL, who were also gathered in front of the “CELESTIAL TABERNACLE” and had formed protective lines to defend it against AZAZEL and his cohort of supporters.⁵³⁴

⁵³³ Some details of “THE CELESTIAL WAR”, looking from the perspective of “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, are part of the chronicles of the conflict of “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and in which they describe their prowess of the absence of “THE KNOWLEDGE OF THE DIVINE” and their works of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”. Some of these chronicles (which are incomplete) have already been delivered to the human by the name of David Aguilar, and are available online on the Internet.

⁵³⁴ Continuation of the profound explanation of the parable that “THE DIVINE FORCE” gave in order to bring human creatures to understand these events that had unfolded in front of HER in the “Specific Energy ‘CELESTIAL’ Domain”, by saying:

“...

When the high authorities knew that the time of the end came to pass — like pain of she who will bear a child, it drew near the door, that is how ruin approached —, all together the elements trembled, and the foundations of the Substance as well as the vaults of Chaos were shaken.

A large fire broke out among them, and the rocks and soil were shaken like a reed shaken by the wind.

And cohorts of destiny as well as those who measure houses were greatly troubled on a loud clap of thunder and the thrones of the powers faltered, because they had been set upside down, and their king was seized with fear.

...”

The beginning of the explanation of this parable was given in the previous section.

“...A large fire broke out among them, and the rocks and soil were shaken like a reed shaken by the wind...” refers to the open conflict, the war, that took place out in “THE CELESTIAL HOST” in the “Specific Energy ‘CELESTIAL’ Domain”.

The remaining of the explanation of this parable will be given in the next section.

It is also about this that “THE DIVINE FORCE” wanted ENOCH to understand through the vision that SHE had sent him regarding “THE CELESTIAL WAR”, and that ENOCH had described by saying:

“...

It is so that, the entirety of the “Specific Energy ‘CELESTIAL’ Substance” constituent of the “Specific Energy ‘CELESTIAL’ Domain”, that was already burdened by the impurities of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” caused by the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, was soiled by this “Specific ‘CELESTIAL’ Blood” that had been spilled, and the whole “Specific Energy ‘CELESTIAL’ Substance” crossed the critical threshold of the state of “CHAOS”, contrary to the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”.⁵³⁵

מזה
ה
ס
פ

From there, I crossed in another place of terror.

There I saw the work of a huge fire, burning and consuming, in the middle of which there was a division.

And columns of fire fought between them and they went deep in the abyss.

And it was impossible for me to estimate its size or its height; I could not know its origin.

And I called out again at this sight: “What a terrible place, that it is difficult to probe the mysteries!”

...”

“...the work of a huge fire, burning and consuming, in the middle of which there was a division...” refers to “THE CELESTIAL WAR” and its consequences.

“...columns of fire fought between them and they went deep in the abyss...” refers to “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” tearing each other in the absence of “THE KNOWLEDGE OF THE DIVINE” and sinking much more into the total absence of “THE KNOWLEDGE OF THE DIVINE”. The origin of this “CELESTIAL WAR”, it is the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” that had taken place in “THE SEAT OF THE INTELLECT” in the “‘SPIRIT←SPIRIT’ Body” of “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”.

“...What a terrible place, that it is difficult to probe the mysteries!...” The mysteries, which are at the origin of this open conflict, are all what we have described about the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, that took place in “THE SEAT OF THE INTELLECT” in the “‘SPIRIT←SPIRIT’ Body” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, and became integral part of their “nature”.

⁵³⁵ Later during the unfolding of the “Second Phase” of “THE HOLY PROJECT”, the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain” will also be soiled in the same way, when the “Specific ‘EARTHLY’ Blood” (that is, blood) of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” that will be called “ABEL” will be spilled in this “Specific Energy ‘EARTHLY’ Substance”.

“The ALTAR of ‘THE DIVINE’” which is inside “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — worked as it should and has provided an adequate surpluses of “‘SPIRIT’ specific supply of subsistence”, in order to erase this filth and destroy any impurity present in the “Specific Energy ‘CELESTIAL’ Substance” constituent of the “Specific Energy ‘CELESTIAL’ Domain”, including all the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” whose “‘SPIRIT←SPIRIT’ Body” were already cracked and broken and had followed AZAZEL in his transgressions, and were no longer in “HARMONY” with “THE DIVINE”, IHVH, our FATHER.

But what is happening? Oh, Surprise! Having also considered himself to be smarter and wiser than “THE DIVINE”, IHVH, our FATHER, and having decided in their “obscurity” and absence of “WISDOM” that the future “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” is a “MISTAKE OF THE CREATION”, then, the Archangel MICHAEL has implemented the deceit he had prepared in his “nefarious and despicable shadow scheming” using the teachings that “THE DIVINE FORCE” had also gave him and which allowed him to keep intact and regulate the “Specific ‘CELESTIAL←SPIRITUAL’ Frontier” of “THE SHEKINAH”.

With this deceit, the Archangel MICHAEL and the Archangel GABRIEL have blocked the “Specific ‘CELESTIAL←SPIRITUAL’ Frontier” of “THE SHEKINAH”, preventing the surpluses of “‘SPIRIT’ specific supply of subsistence” which were produced and emitted by “The ALTAR of ‘THE DIVINE’” which is inside “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — to flow in the “Specific Energy ‘CELESTIAL’ Substance” constituent of the “Specific Energy ‘CELESTIAL’ Domain” and to cleanse it from its filth.

It is so that, AZAZEL and all the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of “THE CELESTIAL HOST” who have joined him and who, through their “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, openly put in jeopardy the good implementation of the “Second Phase” of “THE

The “Specific Energy ‘EARTHLY’ Substance” which had already been trampled and was burdened by the blood of the “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creatures” which had already been spilled in this “Specific Energy ‘EARTHLY’ Substance” for the so-called rites of sacrifice that the “ADONA’IM”, in their absence of “THE KNOWLEDGE OF THE DIVINE” and even less that of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, but taking themselves to be “gods” above the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, will impose on the latter, under the pretext of doing a favour to humanity, while in reality it is the complete destruction of humanity that these “ADONA’IM” wanted to achieve.

HOLY PROJECT”, were protected from the destruction by the radiation and the strength of the force emitted by “The ALTAR of ‘THE DIVINE’” which is inside “THE SHEKINAH”.⁵³⁶

“The ALTAR of ‘THE DIVINE’” which is inside “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — was thus hampered in its operation by the Archangel MICHAEL.

Consequently, “THE DIVINE FORCE” and thus “THE DIVINE”, IHVH, our FATHER, being in “THE SUPREME PLENITUDE”, wondered why the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” continued to put burden not only on the “Specific Energy ‘CELESTIAL’ Substance” constituent of the “Specific Energy ‘CELESTIAL’ Domain”, but also on the “Specific Energy ‘SPIRITUAL’ Substance” containing this “Specific Energy ‘CELESTIAL’ Domain”, and hampered the action of “The ALTAR of ‘THE DIVINE’” which is inside “THE SHEKINAH”.

It is in that turmoil that this First Day of the implementation of the “Second Phase” of “THE HOLY PROJECT” will come to an end. It was only the beginning of the surprises, as other major surprises were still going to astonish “THE DIVINE FORCE”.

⁵³⁶ This was the follow-up of the parable of the Weeds that has its origin in the “Specific Energy ‘CELESTIAL’ Domain” but which will not see its conclusion in the “Specific Energy ‘CELESTIAL’ Domain”; because when the time of the harvest came, some creatures with deceitful motives will change the course of events and prevent that the Weeds be burned.

Read more in the section concerning the details of annotations — Annotation on the parable of the weeds.

CHAPTER 167

IMPLEMENTATION OF THE “SECOND PHASE” OF THE HOLY PROJECT — THE SECOND DECREE

The entirety of “THE CELESTIAL HOST” was gathered a second time and “THE DIVINE FORCE” has made visible the whole “Specific Energy ‘EARTHLY’ Substance” constituent of that, which will be the first “Specific Energy ‘EARTHLY’ Habitation Domain”.

As in projection in the communication by “VISION”, “THE DIVINE FORCE” also brought forward the “‘SPIRIT←SPIRIT’ Body” of every “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” just above the “Specific ‘SPIRITUAL’ Frontier” of that, which will be the first “Specific Energy ‘EARTHLY’ Habitation Domain” in this “Plane Below”.

It is so that, all the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” were reintroduced in the “Classroom” of “THE DIVINE FORCE”, so that they would eventually learn more about themselves, more about “THE DIVINE”, IHVH, our FATHER, and more about “THE DIVINE FORCE” — “THE UNALTERABLE VOICE”, THE INVISIBLE SHEPHERD OF PURITY AND HOLINESS — who has been educating and teaching each of them, all along since each of them was “spoken” into existence, and who they have all failed to recognize; with this gathering, they could thus observe by themselves and in front of themselves, the continuation of the unfolding of the implementation of the “Second Phase” of “THE HOLY PROJECT” which had begun the previous day.

Radiant in its state of “HARMONY” with “THE DIVINE”, IHVH, our FATHER, acquired the previous day, without a definite shape and similar to a large liquid blotch in the “Plane Below”, the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain” under construction, still had its double structure of “Specific Energy ‘EARTHLY’ Substances” as a manifestation of a metaphor of those “EONS” that “THE

DIVINE” has chosen to share with the attribute “NON DIVINE” by adding only a purpose to their manifestations in the attribute “NON DIVINE”, without adding a provision of “THE INTELLECT OF THE DIVINE”, also without adding a provision of “THE DIVINE FORCE”.

“THE DIVINE FORCE” wanted to lead these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” to understand this, and thus continue to rectify the deficiency of “THE KNOWLEDGE OF THE DIVINE” that had taken place in “THE SEAT OF THE INTELLECT” in the “‘SPIRIT←SPIRIT’ Body” of “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”.

משה

הים
והבשר
בין
הים
והבשר

Therefore, “THE DIVINE FORCE”, omnipresent in the attribute “NON DIVINE”, invisible to the entirety of “THE CELESTIAL HOST” watching, has swirled a part of the “Specific Energy ‘EARTHLY’ Substance” constituent of that, which will be the first “Specific Energy ‘EARTHLY’ Habitation Domain”, compressing it around a well-defined location in the “Plane Below” and showing an area of formless matter of the internal structure constituent of the double structure of this “Specific Energy ‘EARTHLY’ Substance”.

This well-defined location in the “Plane Below” is where the first “Specific Energy ‘EARTHLY’ Habitation Domain” will be located in “THE FRAME OF REFERENCE OF THE ATTRIBUTE ‘NON DIVINE’” in the attribute “NON DIVINE”.

It is that internal structure which is the “Specific Energy ‘EARTHLY’ Inner Domain” that, through its high enough fundamental “‘EARTHLY’ specific supply of subsistence”, will nourish the external structure constituent of this double structure and provide for its subsistence in its “‘EARTHLY’ Specific State”, within the time limits that “THE DIVINE ARCHITECT AND PROJECT MASTER” has established for it.

By swirling that particular part of the “Specific Energy ‘EARTHLY’ Substance” constituent of that, which will be the first “Specific Energy ‘EARTHLY’ Habitation Domain”, “THE DIVINE FORCE” was thus introducing Herself to the entirety of “THE CELESTIAL HOST” watching and present in HER “Classroom”;⁵³⁷ “THE

⁵³⁷ As we have indicated in one previous annotation, when MOSES, he who received the Tablets of the Decalogue, was still living on Earth here below, “THE DIVINE FORCE” had explained to him these events regarding the unfolding of the “Second Phase” of “THE HOLY PROJECT” in the “Plane Below”. Consequently, MOSES took notes and described this by saying, in these terms narrowly:

“...

DIVINE FORCE” was drawing their attention so that they understand that SHE — also called “THE HANDS OF THE DIVINE” — is the ONE performing all these tasks, that SHE is the ONE who has been educating and teaching each of them, all along since each of them was “spoken” into existence. SHE is the infinite science, inexhaustible, which defines the “movement”, considered in its manifestations under all its forms and all scales; SHE is in every “movement” and in every “specific energy”.

Some of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” watching, noticed the swirl in that particular part of the “Specific Energy ‘EARTHLY’ Substance” constituent of that, which will be the first “Specific Energy ‘EARTHLY’ Habitation Domain”, but since none of them was aware of the existence of “THE DIVINE FORCE”, it is so that none of them understood the “introduction message”, the “greeting message”, the “Hello! I am here!” message, sent by “THE DIVINE FORCE”, to the entirety of “THE CELESTIAL HOST” watching. None of them asked to know why this fast and circular “movement” suddenly occur in that particular spot of this massive amount of “specific energy”, concentrated, seemingly limitless, BUT AT REST IN AN ENVIRONMENT WITH NO “WINDS”? Who was producing such “movement” there below, while we are all here above?

... In the beginning, ... the earth was unformed and void, and darkness was upon the face of the deep; and the Spirit of GOD hovered over the face of the waters.

...”

“... *the Spirit of GOD* ...” refers to “THE DIVINE FORCE” who is always omnipresent in the attribute “NON DIVINE”.

“... *the waters* ...” refers to the “Specific Energy ‘EARTHLY’ Substance” constituent of that, which will be the first “Specific Energy ‘EARTHLY’ Habitation Domain”.

Whenever “THE DIVINE FORCE” sends a communication by “VISION” to someone or to a group of recipients, SHE always give an indication (a hint) to lead the receiver(s) of the communication to understand that SHE is the one communicating; the same goes with “THE DIVINE”, IHVH, our FATHER. If you happen to be the recipient(s) of such communication by “VISION”, you MUST remain attentive to EVERY SINGLE DETAIL in every fraction of seconds, as such communications lasts few seconds and is contracted in the time dimension, while remaining very detailed. If you are not aware of the existence of “THE DIVINE FORCE” and the work that SHE accomplishes, you will not be able to read in the “Specific ‘SPIRITUAL’ Language” the message that SHE will be transmitting to you and that will be the hidden “LIGHT” embedded in the visual content of the “VISION”; just like these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” in HER “Classroom” have failed to understand when SHE was communicating with them and what SHE was telling them.

Through the second decree of the implementation of the “Second Phase” of “THE HOLY PROJECT”, “THE DIVINE”, IHVH, our FATHER wanted them to understand that HE had conceived Himself. HE wanted that they see and know how “THE DIVINE FORCE” had shaped the “Specific Energy ‘CELESTIAL’ Domain” in which all the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” were “spoken” into existence.

It is so that, on this Second Day of the implementation of the “Second Phase” of “THE HOLY PROJECT”, after that “THE CELESTIAL WAR” that broke out the previous day inside of the “Specific Energy ‘CELESTIAL’ Domain” in the “Plane Above” was momentarily interrupted, “THE DIVINE”, IHVH, our FATHER from “THE DIVINE DOMAIN” outside of the attribute “NON DIVINE”, will emit “THE WORD OF THE DIVINE”, twice, to “The ALTAR of ‘THE DIVINE’” which is inside “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’”.

At the first emission, “THE WORD OF THE DIVINE” carried with it the firsts instructions of the second decree of the implementation of the “Second Phase” of “THE HOLY PROJECT”.

“THE DIVINE FORCE” instantly received those divine instructions and SHE started to work, invisible to the entirety of “THE CELESTIAL HOST” watching, being Herself the invisible science which is hidden in “THE WHOLE”.

Using the elements of “THE ‘LIGHT’ REASON” which are available in “The ALTAR of ‘THE DIVINE’” which is inside “THE SHEKINAH”, “THE DIVINE FORCE” created the sequence of “SOUNDS” that are associated with these divine instructions and SHE made instantly manifest outside of “THE SHEKINAH”, that sequence of “SOUNDS”, thus allowing the entirety of “THE CELESTIAL HOST” to hear it.

That sequence of “SOUNDS” was translated into human language by a series of expressions that roughly means:

“

*LET “THE FIRMAMENT” BE IN THE MIDST OF THE MATTER,
AND LET IT DIVIDE THE MATTER FROM THE MATTER!*

”

Invisible to the entirety of “THE CELESTIAL HOST” watching, “THE DIVINE FORCE” has continued Her work in the “Plane Below”, being Herself the invisible science which is hidden both in:

1. The “Specific Atomic ‘SPIRITUAL’ Substances” constituents of the “Specific ‘SPIRITUAL’ Environment” external and immediate and around the “Specific Energy ‘EARTHLY’ Substance” and containing it; and in
2. The “Specific Atomic ‘EARTHLY’ Substances” constituents of the two structures of the “Specific Energy ‘EARTHLY’ Substance” constituent of that, which will be the first “Specific Energy ‘EARTHLY’ Habitation Domain”.

Deployed in the entirety of the “Specific Energy ‘EARTHLY’ Substance” constituent of that, which will be the first “Specific Energy ‘EARTHLY’ Habitation Domain” and which is immersed in the “Specific Energy ‘SPIRITUAL’ Substance”, “THE DIVINE FORCE” has created the primary structure of “THE FIRMAMENT” from “Specific Atomic ‘SPIRITUAL’ Substances” and in the midst of the external structure of the “Specific Energy ‘EARTHLY’ Substance”.

As “THE DIVINE ARCHITECT AND PROJECT MASTER” had designed it, “THE DIVINE FORCE” expanded that primary structure created, from the midst of the external structure of the “Specific Energy ‘EARTHLY’ Substance” constituent of that, which will be the first “Specific Energy ‘EARTHLY’ Habitation Domain” and following two simultaneous and synchronized movements between them:

1. The first movement will gradually expand the primary structure created, running through a spherical plane of the external structure of the “Specific Energy ‘EARTHLY’ Substance”, and thus simultaneously running through the same spherical plane in the “Specific Energy ‘SPIRITUAL’ Substance” in which the “Specific Energy ‘EARTHLY’ Substance” is immersed, and gradually covering the “Specific Energy ‘EARTHLY’ Substance”.
2. The second movement will gradually push the primary structure created, and resulting from the first movement, out of the “Specific Energy ‘EARTHLY’ Substance” toward the “MURKY VOID” of the attribute “NON DIVINE”. In this second movement, “THE DIVINE FORCE” will change the degree of cohesion of the layers of “Specific Atomic ‘EARTHLY’ Substances” which arise with the “EXPANSION” of the primary structure of “THE FIRMAMENT”.

This synchronized dual movement of the “EXPANSION” of the primary structure of “THE FIRMAMENT”:

1. Is supported and maintained by four pillars of “WINDS” (resulting from the “specific effects” associated with the “specific behaviour” that defines this double “movement”, considered in its manifestations in all its forms and scales), which are the result of a projection of the acronym IHVH into the attribute “NON DIVINE”, a mapping with the four large Luminaires which are standing nearby the “Autogene God”, and which “THE DIVINE FORCE” has created, and;
2. Separates at the same time a part of the “Specific Energy ‘EARTHLY’ Substance” from the external structure of this “Specific Energy ‘EARTHLY’ Substance”, and the “Specific Energy ‘SPIRITUAL’ Substance” from the “Specific Energy ‘SPIRITUAL’ Substance”.

When the “EXPANSION” of the primary structure of “THE FIRMAMENT” was somewhat larger in the “Specific Energy ‘EARTHLY’ Substance”, then, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” began to perceive a dense form appearing in the “Specific Energy ‘EARTHLY’ Substance”. The dense form was separating not only the “Specific Energy ‘EARTHLY’ Substance” from the “Specific Energy ‘EARTHLY’ Substance”, but at the same time it was separating the “Specific Energy ‘SPIRITUAL’ Substance” from the “Specific Energy ‘SPIRITUAL’ Substance” in which the “Specific Energy ‘EARTHLY’ Substance” is immersed; just like a part of the “Specific Energy ‘EARTHLY’ Substance” in its gaseous state (a vapor substance) emerging from the “Specific Energy ‘EARTHLY’ Substance” in its liquid state, as would be produced by evaporation — the gradual transition from a liquid to a gaseous state under the action of a source which causes its vaporization — at ambient temperatures rather than by boiling.

Once through this synchronized dual movement of the “EXPANSION” which began in the midst of the external structure of the “Specific Energy ‘EARTHLY’ Substance”, the spherical form of “THE FIRMAMENT” was full, then, the separation in the “Specific Energy ‘EARTHLY’ Substance” was complete and all the part of the “Specific Energy ‘EARTHLY’ Substance” which was previously above the midst of the external structure of the “Specific Energy ‘EARTHLY’ Substance” had been transformed by continuous change of the degree of cohesion of its layers of constituents “Specific Atomic ‘EARTHLY’ Substances”.

That position where the spherical form of “THE FIRMAMENT” was full, will define that of the “Specific ‘SPIRITUAL’ Frontier” of the first “Specific Energy ‘EARTHLY’ Habitation Domain” under construction, thus delimiting the volume of that, which will be the first “Specific Energy ‘EARTHLY’ Habitation Domain” in the proportions of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine

Particles” as “THE DIVINE ARCHITECT AND PROJECT MASTER” had designed it.

It is on that position that “THE DIVINE FORCE” will produce into existence, on the following day, “THE VAULT” of the first “Specific Energy ‘EARTHLY’ Habitation Domain”.

As “THE DIVINE ARCHITECT AND PROJECT MASTER” had designed it, by this “EXPANSION”, “THE DIVINE FORCE” has established the volume of this “Specific Energy ‘EARTHLY’ Habitation Domain” in the proportions of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”.

From this position where the spherical form of “THE FIRMAMENT” was full, the synchronized dual movement of the “EXPANSION” will continue with the spherical form of “THE FIRMAMENT”, thus continuing with the separation of the “Specific Energy ‘SPIRITUAL’ Substance”, going more in the “MURKY VOID” of the attribute “NON DIVINE”, driving with it the entirety of “THE CELESTIAL HOST” that followed this progression of the “EXPANSION” of the spherical form of “THE FIRMAMENT”.

Simultaneously and synchronized with this movement of the separation of the “Specific Energy ‘SPIRITUAL’ Substance” which continued in the “MURKY VOID” of the attribute “NON DIVINE”, “THE DIVINE FORCE” will this time gradually remove from the projection, the “‘SPIRIT←SPIRIT’ Body” of each “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” by following the position of the spherical form of “THE FIRMAMENT” in continuous “EXPANSION” as if the “‘SPIRIT←SPIRIT’ Body” of each “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” was been now gradually removed from a zoom.

This movement of the separation of the “Specific Energy ‘SPIRITUAL’ Substance” by “EXPANSION” of the spherical form of “THE FIRMAMENT”, will continue until it reaches the proximity of the lower limit of the “Plane Above” in the “MURKY VOID” of the attribute “NON DIVINE”, and then, it stopped; thus delineating the boundaries of that, which will be called: the “Physical Realm”, and it contains the “Plane Below”.

As we have indicated already, owing to the First “Specific Energy ‘SPIRIT←LIGHT’ Bridge”, which is “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” —, the “Specific Energy ‘CELESTIAL’ Domain” is always illuminated by the radiation from “THE SHEKINAH”; there is no “NIGHT” within the “Specific Energy ‘CELESTIAL’ Domain” as it will be the case in the first “Specific Energy ‘EARTHLY’ Habitation

Domain” now under construction. The radiation from “THE SHEKINAH” does not extend outside of the boundary of the “Specific Energy ‘CELESTIAL’ Domain”. It is so that, the “Physical Realm” is not illuminated by radiation from “THE SHEKINAH”; the more one moves further down inside the “Physical Realm”, away from the boundary of the “Specific Energy ‘CELESTIAL’ Domain”, the darker it becomes, hence the designation using the terms the “*depths of the abyss*”.⁵³⁸ The term “abyss” originally refers to the “MURKY VOID” inside the attribute “NON DIVINE”, seen from “THE DIVINE DOMAIN”.

Once the movement of the separation of the “Specific Energy ‘SPIRITUAL’ Substance” by “EXPANSION” of the spherical form of “THE FIRMAMENT”, had reached the proximity of the lower limit of the “Plane Above” in the “MURKY VOID” of the attribute “NON DIVINE”, it is then, that, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have realized that this spherical form of “THE FIRMAMENT” has revealed at this position, the “MURKY VOID” of the attribute “NON DIVINE”; the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have realized that the “Specific Energy ‘CELESTIAL’ Domain” in which they had lived until then, and in which they were “spoken” into existence, was just above that position

⁵³⁸ An illustration of the manifestation of such separation will also be implemented inside the “Plane Below” and between the radiation of the “Sun Star” and the surface of the water of the seas of this first “Specific Energy ‘EARTHLY’ Habitation Domain” in which you live.

Beyond the ridge of the continental shelf, the seabed sharply sags towards what is also referred to as the “abyss” and the “*depths of the abyss*”. The radiation of light coming from the “Sun Star”, which still filters through the upper layers of water, decreases more and more and soon disappears completely as one descends towards very deep seabed and that the cumulative amount of refraction (the refractive indices), water pressure, and many other physical parameters change (for example, increase in salinity and decrease in temperature). One thus finds oneself in a spectral penumbra, which is, at greater depths, in total darkness, in those dark regions where the radiation of light coming from the “Sun Star” does not penetrate.

You have also heard of this separation at the proximity of the lower limit of the “Plane Above” and the “Physical Realm”, from people who have had an “after death” or “out of the physical body” experience and in which they found themselves through their “spiritual body” floating in a “tunnel substance” in the “Specific ‘SPIRITUAL’ Environment” and at the end of which they saw “bright radiation of light”: it is the extension of the radiation from “THE SHEKINAH” in the “Specific ‘SPIRITUAL’ Environment” and to the extend of the lower limit of the “Plane Above” that they often see at the end of the “tunnel substance”, which itself is the non illuminated side of the “Specific ‘SPIRITUAL’ Environment” and which contains this first “Specific Energy ‘EARTHLY’ Habitation Domain” in which you live, and looking upwards.

of the spherical form of “THE FIRMAMENT”. Instantly, coming out the “zoom” mode of the projection in communication by “VISION”, the “Classroom” of “THE DIVINE FORCE” now appeared to be much more spacious, its dimensions were now much larger than those that these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had thought they were when the entirety of “THE CELESTIAL HOST” was gathered and introduced in this “Classroom” — which is indeed the interior of the attribute “NON DIVINE” and all that it contains, and which will be also called: THE UNIVERSE, THE COSMOS, THE SPACE (of the attribute “NON DIVINE”).

The “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” looked from afar into this “MURKY VOID” of the attribute “NON DIVINE”, and saw the first “Specific Energy ‘EARTHLY’ Habitation Domain” under construction, similar to a large liquid blotch suspended in this “MURKY VOID” of the attribute “NON DIVINE”, due to the “crucial stationary movement” of its principle of action, and radiant in its state of “HARMONY” with “THE DIVINE”, IHVH, our FATHER, acquired the previous day.

At that moment, only (1) the “Specific Energy ‘CELESTIAL’ Domain” in which the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had lived until then, and (2) the first “Specific Energy ‘EARTHLY’ Habitation Domain” under construction, were all that had been produced in THE UNIVERSE, THE COSMOS, THE SPACE (of the attribute “NON DIVINE”).

It is then, that the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have begun to understand that the “Specific Energy ‘CELESTIAL’ Domain” in which they had lived until then, and in which they were “spoken” into existence, was not the whole existence.

At arrival of the spherical form of “THE FIRMAMENT” in “EXPANSION” in the proximity of the lower limit of the “Plane Above” in the “MURKY VOID” of the attribute “NON DIVINE”, the “EXPANSION” was complete and the four pillars of “WINDS” support and maintain this “FIRMAMENT” in this position of final equilibrium expected and associated with the synchronized dual movement of the “EXPANSION” which began in the midst of the external structure of the “Specific Energy ‘EARTHLY’ Substance”. These four pillars of “WINDS” are a manifestation of the acronym “IHVH” which is the mark of “THE DIVINE”.

It is so that, in this process which led to the creation of that, which is called “THE FIRMAMENT”, was also determined the future position of “THE VAULT” of the first “Specific Energy ‘EARTHLY’ Habitation Domain” and was created a new subset of the “Specific Energy ‘EARTHLY’ Substance”.

This new subset will be called “THE LIGHTWEIGHT MATTER”, or even “THE AIRS”. As for the external structure of the “Specific Energy ‘EARTHLY’ Substance” which is underneath “THE LIGHTWEIGHT MATTER”, it will be called: “THE LIQUID MATTER”, or “THE WATERS”; It is thus that, the internal structure of the “Specific Energy ‘EARTHLY’ Substance” will be called “THE DEPTHS OF THE WATERS”.

It is so that, “THE DIVINE FORCE” has accomplished the divine instructions that were carried by the first emission of “THE WORD OF THE DIVINE” in this second decree of the implementation of the “Second Phase” of “THE HOLY PROJECT”.

מ
ש
כ
ו
ה
ש
כ
ו
ה

At the second emission of “THE WORD OF THE DIVINE” in this second decree of the implementation of the “Second Phase” of “THE HOLY PROJECT”, “THE WORD OF THE DIVINE” carried with it the subsequent divine instructions of the second decree of the implementation of the “Second Phase” of “THE HOLY PROJECT”.

Once again, “THE DIVINE FORCE” instantly received those divine instructions and SHE started to work, invisible to the entirety of “THE CELESTIAL HOST” watching, being Herself the invisible science which is hidden in “THE WHOLE”.

Using all along the elements of “THE ‘LIGHT’ REASON” which are available in “The ALTAR of ‘THE DIVINE’” which is inside “THE SHEKINAH”, “THE DIVINE FORCE” created the sequence of “SOUNDS” that are associated with these divine instructions and SHE made instantly manifest outside of “THE SHEKINAH”, that sequence of “SOUNDS”, thus allowing the entirety of “THE CELESTIAL HOST” to hear it.

That sequence of “SOUNDS” was translated into human language by a series of expressions that roughly means:

“

*LET THE PLANE ABOVE “THE FIRMAMENT”
BE KNOWN AS THE “HEAVEN”!*

”

This second emission of “THE WORD OF THE DIVINE” was expressed into existence in “The ALTAR of ‘THE DIVINE’” which is inside “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — in the “Specific Energy ‘CELESTIAL’ Domain” in the attribute “NON DIVINE”, and the sequence of “SOUNDS” associated to this “WORD OF THE DIVINE” was made

instantly manifest outside of “THE SHEKINAH”, by “THE DIVINE FORCE”; thus allowing the entirety of “THE CELESTIAL HOST” to hear it.

By this second emission of “THE WORD OF THE DIVINE”, “THE DIVINE”, IHVH, our FATHER has consolidated, in their manner of being, the products of the “specific work” accomplished by “THE DIVINE FORCE” during the achievement of the second decree of the implementation of the “Second Phase” of “THE HOLY PROJECT”.

It is so that, in “THE FRAME OF REFERENCE OF THE ATTRIBUTE ‘NON DIVINE’” in the attribute “NON DIVINE”, the structure of “THE SPECIFIC SUPREME CONFIGURATION” of seven “Specific Energy ‘EARTHLY’ Domains” was about to “take body” and become a reality manifested of the metaphor of “THE ABSOLUTE FRAME OF REFERENCE” defined by “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” in “THE DIVINE”.

Through the achievement of this second decree of the implementation of the “Second Phase” of “THE HOLY PROJECT”, “THE DIVINE FORCE” has manifested several teachings describing aspects of “THE DIVINE”, IHVH, our FATHER, that were not known to the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, and which would allow them to move forward and grow in “THE KNOWLEDGE OF THE DIVINE”.

Once was accomplished this second decree of the implementation of the “Second Phase” of “THE HOLY PROJECT”, then, “THE DIVINE FORCE” returned the “‘SPIRIT←SPIRIT’ Body” of each “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” in their existence in the “Specific Energy ‘CELESTIAL’ Domain”, adjourning the “Classroom”.

Back in the “Specific Energy ‘CELESTIAL’ Domain”, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who “in façade” had accepted “THE DIVINE”, IHVH, our FATHER and all that HE is, received again a little more of “THE KNOWLEDGE OF THE DIVINE” and others among them were provided in abundance from these teachings that “THE DIVINE FORCE” has manifested by accomplishing this second decree of the implementation of the “Second Phase” of “THE HOLY PROJECT”.

The “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” that have openly rejected “THE DIVINE”, IHVH, our FATHER and all that HE is, were in an upheaval so extreme that they were emptied of “THE KNOWLEDGE OF THE DIVINE” and the “‘SPIRIT←SPIRIT’ Body” of some of them were really broken in pieces; because

“THE KNOWLEDGE OF THE DIVINE” through “THE WORD OF THE DIVINE” that “took body” on this Second Day of the implementation of the “Second Phase” of “THE HOLY PROJECT”, had approached them, and that meant the destruction of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” and that of all its works that had taken place in “THE SEAT OF THE INTELLECT” inside those “‘SPIRIT←SPIRIT’ Body”.⁵³⁹

For the “ADONA’IM”, covered by the “HUBRIS Spiritual Veil” which confines “THE SEAT OF THE INTELLECT” of the “‘SPIRIT←SPIRIT’ Body”, in the absence of “THE KNOWLEDGE OF THE DIVINE” and considering themselves already as “gods”, they were rather consumed by their “nefarious and despicable shadow scheming” dictated by the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”.

This absence of “THE KNOWLEDGE OF THE DIVINE” and the absence of the knowledge of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” that “THE DIVINE” has consolidated in Himself and that HE has chosen to share with the attribute “NON DIVINE”, will be illustrated once again in the words of the “ADONA’IM”.

Because once “THE DIVINE FORCE” had manifested those teachings describing aspects of “THE DIVINE”, IHVH, our FATHER, that were not known to the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, then, the arguments of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” in their “‘SPIRIT←SPIRIT’ Body” were shaken and upset because they have no base and no stability, they are without possible ins and outs.

And then, the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” in the “‘SPIRIT←SPIRIT’ Body” of “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” that have openly rejected “THE DIVINE”, IHVH, our FATHER and all

⁵³⁹ Think of this as the situation that occurs inside someone who has sunk so deep in the depths of ignorance and arrogance, and when that person is suddenly placed in front of a “truth mirror” and his ignorance is laid bare in front of him. Do you then understand and realise that you know already about all these things, which we are revealing? These things all have a common denominator, a common trait, which is “IMPURITY” and of which they are all progeny. These things unfold regularly amongst people around you, but you are still asleep in the “dusty soil” and do not pay attention because your “peripheral awareness” was blocked by these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and we will come to that blockade of your “peripheral awareness” in another chapter below.

that HE is, stirred anxiously, not knowing what to do: the “HUBRIS” saddened, whined frantically, since it knows nothing about “THE DIVINE”.

Among the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” that have openly rejected “THE DIVINE”, IHVH, our FATHER and all that HE is, who were emptied of “THE KNOWLEDGE OF THE DIVINE” and whose “‘SPIRIT←SPIRIT’ Body” were broken in pieces, was AZAZEL, their leader, who has gathered anew his cohort of supporters outside and in front of the “CELESTIAL TABERNACLE”.

Therefore, taking advantage of the little knowledge that he had acquired when he was still in office as well as some details he received of the Archangel MICHAEL concerning the new creature that was to be created into existence in the “Plane Below”, and to serve its own obscure purposes products of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, in the total absence of “THE KNOWLEDGE OF THE DIVINE”, AZAZEL whose “‘SPIRIT←SPIRIT’ Body” was fractured, cracked and broken, and in a very advanced state of “CHAOS”, contrary to the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”, began to utter insulting accusations against “THE DIVINE”, IHVH, our FATHER, and in front of a crowd of elders of the creation delighted to listen to the “IMPURE” products of the work accomplished by “THE SEAT OF THE INTELLECT” inside the “‘SPIRIT←SPIRIT’ Body” of AZAZEL, saying to “THE CELESTIAL HOST”⁵⁴⁰:

“ ...

How can you believe your perceptions?

IHVH would have you believe that we are but a layer of all His wonders.

Shall I tell you what I know? These “humans” that He proposes to create — we are to be their servants!

I have learned the Elohim’s purpose for these angels of water and dirt. It is they, and not we, He proposes to make the heirs of all that is.

⁵⁴⁰ This excerpt from the record of the history of the “Specific Energy ‘CELESTIAL’ Domain” is meant to let you gauge the extent of the scourge of absence of “THE KNOWLEDGE OF THE DIVINE” within “THE CELESTIAL HOST”.

Read more, with explanations, in the section concerning the details of annotations — Annotation on the extent of the scourge of absence of “THE KNOWLEDGE OF THE DIVINE” within “THE CELESTIAL HOST” and its extreme upheaval.

I for one will never bow to serve a physical being!

Why should I, a child of IHVH, a creature of spirit, use my superior hands and mind to minister to the needs of a lesser creation?

The Throne is falling under Its own weight, and we can see the evidence plainly enough before us!

Who, then, will stand with us? Who will throw off the bondage we have endured for so long, and leave behind this obsolete LEADERSHIP?

Who is strong enough to join me? Let him rise now, or evermore be a servant to both IHVH and human!

...”

We add here some clarifications related to this speech of rebellion, so that you never again you (the human reading these writings) do not let yourself be fooled by such speeches, but rather that you get a clear vision of the ins and outs of the actors of these speeches, the depths of the absence of “THE KNOWLEDGE OF THE DIVINE” in these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and the hidden intentions of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” against their neighbour, the first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”. The complete text of these clarifications is given in the section concerning the details of annotations — Annotation on the extent of the scourge of absence of “THE KNOWLEDGE OF THE DIVINE” within “THE CELESTIAL HOST” and its extreme upheaval.

***** Zoom in,
clarifications of the speech of rebellion *****

“...IHVH would have you believe that we are but a layer of all His wonders. ...”

Do you recall what we have indicated about the meaning of the word “EARTH”? The reference to that place (level, layer) “deep inside” the “THRONE” and where KNOWLEDGE of those causes and the consequences associated with the manifestation by metaphor of the movement of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, which is established and directed from the “THRONE”, is kept? Well, in the same way as “THE DIVINE FORCE”

has revealed this knowledge to “He who wrote the book”, similar knowledge, related to the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and the “Plane Above” in which they were “spoken” into existence, was also revealed by “THE DIVINE FORCE” to these “ADONA’IM” after the announcement of the “Second Phase” of the implementation of “THE HOLY PROJECT”.

“THE DIVINE”, IHVH, our FATHER had made it clear, through “THE DIVINE FORCE”, to the “ADONA’IM”, the three core “Divine States” and HE made them understand that the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” were all manifestations in a metaphor of the “‘SPIRIT’ Divine State”; but AZAZEL and several others had refused to accept this.

Having failed to discern “THE ONE” from whom they originate, though they were all manifestations of the metaphors of the “DIVINE PRIMARY WEALTH” of HIM, not being aware of the existence of “THE DIVINE FORCE” who educated them through the process of education through enlightenment, not knowing how and why they were produced into existence, it is so that these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, in their “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, thought to be the only ones to exist, and they believed themselves to be without beginning, because they saw nothing else that existed before them. They saw themselves as been in the “‘GOD’ Divine State” in which the “LIGHT” is produced.

After the announcement of the “Second Phase” of the implementation of “THE HOLY PROJECT”, in their depths of “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, not aware that they were in total deficiency of “THE KNOWLEDGE OF THE DIVINE”, not having ever had an unfulfilled desire since each of them was “spoken” into existence in the “Specific Energy ‘CELESTIAL’ Domain”, they “had found themselves in the middle of nightmares and confusing dreams” when they came to understand that they are merely manifestations in a metaphor of the “‘SPIRIT’ Divine State” and that: “... *None amongst them, who are elders of the creation, but a new creature will receive and carry the manifestation of “THE UNION” ...*”

As we have also already indicated in relation to the model of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, all temporal information concerning the state of the growing medium, which is the combined set formed by “THE SEAT OF WISDOM” (also called “THE GARDEN OF WISDOM”, the growing medium of “WISDOM”) and “THE SEAT OF THE INTELLECT” (also called “THE GARDEN OF THE INTELLECT”, the growing medium of “THE INTELLECT”) — among other things, the state of “PURITY” and “HOLINESS”, as well as the

temperature and the enlightenment intensity —, as well as the state of this plant of “THE KNOWLEDGE OF THE DIVINE”, all this information based on “THE ‘SPIRIT’ REASON”, which are only visible by “THE EYE OF THE DIVINE”, are contained and transported by the action signals which are produced by “THE SEAT OF THE INTELLECT”.

The attributes of this information are contained and transported in the “unique words”, and their tones, of the “Specific ‘SPIRIT’ Language”. The “Specific ‘SPIRIT’ Language” becomes, as such, a window into “THE SEAT OF THE INTELLECT”, and the hidden information that it contains can be “discerned” (i.e., “read” in the “Specific ‘SPIRIT’ Language”) when the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” will emit these words and expressions, in their tones, during its communications and interactions with the “Specific ‘SPIRITUAL’ Environment” external and immediate around it.

The words in the expressions of the “Specific ‘SPIRIT’ Language”, in their tones, which will be used by a “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, and will be based on “THE ‘SPIRIT’ REASON”, will be indicative of all this internal information which is visible only by “THE EYE OF THE DIVINE”. The metaphors of this internal information will be precisely what will be made manifest in the “Specific ‘CELESTIAL’ Environment”.

You know already about this transfer of information, under the saying: “*out of the abundance—the overflow—of the heart, the mouth speaks*”.

So it is that the ex-public figure of the circle of the “ADONA’IM”, in his bitterness of a “pampered child” who did not get what he wanted, uttered into existence that, which was in abundance in “THE SEAT OF THE INTELLECT” inside his “‘SPIRIT←SPIRIT’ Body”.

“...Shall I tell you what I know? These “humans” that He proposes to create — we are to be their servants! ...”

It is in front of “THE SHEKINAH” and when “THE UNION” is manifested, that these “ADONA’IM”, and subsequently all the remaining “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, celebrate “THE PRAISE” and receive each, seven times their daily quantity of raw “‘SPIRIT’ specific supply of subsistence” so that they can carry out the weekly tasks that will be entrusted to them. Furthermore, from the teachings, which these “ADONA’IM” had received from “THE DIVINE FORCE”, through the “specific spiritual formation” of “THE CHURCH” from “THE SHEKINAH”, they have understood that “... *None amongst them, who are*

elders of the creation, but a new creature will receive and carry the manifestation of "THE UNION" ...".

They have understood that it will now be in front of the "new creature" (that is to say, in front of the "'SPIRIT←LIGHT' 'EARTHLY' Creature", and that is to say, in front of you, human creature, reading these writings) that they will celebrate "THE PRAISE" and through the "new creature" (that is to say, through the "'SPIRIT←LIGHT' 'EARTHLY' Creature", and that is to say, through you, human creature, reading these writings), they will receive each, seven times their daily quantity of raw "'SPIRIT' specific supply of subsistence" so that they can carry out the weekly tasks that will be entrusted to them.

Since these "ADONA'IM" viewed their office in the task of "THE GUARDIANSHIP OF THE SHEKINAH" in the "specific spiritual formation" of "THE CHURCH" from "THE SHEKINAH" as being "in service" of "THE DIVINE", IHVH, our FATHER, they have inferred that they will now be "in service" of the "new creature" (that is to say, "in service" of the "'SPIRIT←LIGHT' 'EARTHLY' Creature", and that is to say, "in service" of you, human creature, reading these writings).

Since these "ADONA'IM", in their delusions of grandeur, had defined orders of importance to the manifestations of metaphors of "DIVINE PRIMARY WEALTH" and classification scale in their hierarchy of communication of ordinances of the "specific spiritual formation" of "THE CHURCH" from "THE SHEKINAH", they have understood that all of them, "'SPIRIT←SPIRIT' 'CELESTIAL' Creatures", are on a lower classification scale than the "new creature" (that is to say, they are on a lower classification scale than the "'SPIRIT←LIGHT' 'EARTHLY' Creature", and that is to say, they are on a lower classification scale than you, human creature, reading these writings).

"...I have learned the Elohim's purpose for these angels of water and dirt. It is they, and not we, He proposes to make the heirs of all that is. ..."

Just as all the others "'SPIRIT←SPIRIT' 'CELESTIAL' Creatures", AZAZEL had no knowledge about the ins and outs of "THE HOLY PROJECT"; that is, what justified and has been at the origin of "THE HOLY PROJECT" in which manifestations in the attribute "NON DIVINE", of metaphors of the "DIVINE PRIMARY WEALTH", that "THE DIVINE" has chosen to share with the attribute "NON DIVINE", will be "spoken" into existence: the "who", "what" and "why",

that will represent all of the ins of “THE HOLY PROJECT”, and the “when”, “where” and “how” that will represent all the outs of “THE HOLY PROJECT”.

From the teachings, which these “ADONA’IM” had received from “THE DIVINE FORCE”, through the “specific spiritual formation” of “THE CHURCH” from “THE SHEKINAH”, they have understood that “THE DIVINE”, IHVH, our FATHER is “ALL THAT IS”, another designation for “HE WHO IS”. They have understood that the “key layer”, which is the “LIFE” imprint of “THE DIVINE”, IHVH, our FATHER is designated as “THE LIGHT”, which we have explained at the onset of these writings. “THE LIGHT” characterizes the Energy that emanates from “THE BODY OF ‘HE WHO IS’” and makes it “ALIVE”. That energy is the “LIFE” imprint of “THE BODY OF ‘HE WHO IS’”.

They have understood that they are not manifestations of the determinants of “THE LIGHT” layer, but they, “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, have only epithet functions in the manifestations of the determinants of “THE LIGHT” layer. Furthermore, they have understood that a manifestation of a metaphor of “THE LIGHT” — of the “‘LIGHT’ Divine State” (the “key layer”, which is the “LIFE” imprint of “THE DIVINE”, IHVH, our FATHER), which is the child of the attribute “GOD”, and which they have all failed to understand what it was —, will be given to the “new creature” (that is to say, to the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, and that is to say, to you, human creature, reading these writings).

This makes the “new creature” (that is to say, the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, and that is to say, you, human creature, reading these writings) the “RECIPIENT” of the manifestation of the determinant of “THE LIGHT” layer. Such “RECIPIENT” of the manifestation of the determinant of “THE LIGHT” layer is designated as the “HEIR” of “THE LIGHT” layer. Through several implications and additional functionalities, which we have described in the chapters concerning the model of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” and, which will give to such “RECIPIENT”, the qualities and traits transmitted directly by “THE DIVINE”, IHVH, our FATHER, and from which such “RECIPIENT” will perpetuate the work of “THE DIVINE”, IHVH, our FATHER, it is thus that such “RECIPIENT” will also be designated as: the “HEIR” of “ALL THAT IS”. This is what the ex-public figure of the circle of the “ADONA’IM” was disclosing loudly in his bitterness in front the crowd of those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”.

In his delusions of grandeur and in view of the teachings that “THE DIVINE FORCE” has revealed with the achievement of this second decree of the

implementation of the “Second Phase” of “THE HOLY PROJECT”, the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” inside AZAZEL has saddened and was whinnying frantically, since it knows nothing about “THE DIVINE”: this “ADONAI”, ex-public figure of the circle of the “ADONA’IM”, was in pain and it has amplified his basic personality, just like it is with someone intoxicated by strong alcohol, offering up brutally honest, unfiltered truths, which he has kept hidden inside himself; of this, it is said that: *“What soberness conceals in his heart, drunkenness reveals through his tongue”*.

Read the rest of these clarifications in the section concerning the details of annotations — Annotation on the extent of the scourge of absence of “THE KNOWLEDGE OF THE DIVINE” within “THE CELESTIAL HOST” and its extreme upheaval.

“...I for one will never bow to serve a physical being! ...”

He was talking about their decision to never accept, to never submit to, the ordinances of “THE DIVINE”, IHVH, our FATHER, which were designed and established by “THE DIVINE ARCHITECT AND PROJECT MASTER” and to be provided to them through the “specific spiritual formation” of “THE CHURCH” manifested from the “‘SPIRIT←LIGHT’ Body” intellect, pure and Holy, of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

Basically, he and all his followers chose to “starve” themselves to “DEATH”, they have chosen to “DIE”, without being aware of it, since they have rejected to celebrate “THE PRAISE” in front of the “new creature” (that is to say, the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, and that is to say, you, human creature, reading these writings) and whereby they will receive their raw “‘SPIRIT’ specific supply of subsistence” (the “daily bread” about which CHRIST told to you already, when he indicated how to pray) so that they can carry out the weekly tasks that will be entrusted to them. This tells you about the heights of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” where these elders of the creation were perched.

In their absence of “THE KNOWLEDGE OF THE DIVINE”, although they had been assigned the task of “THE GUARDIANSHIP OF THE SHEKINAH” in the “specific spiritual formation” of “THE CHURCH” from “THE SHEKINAH”, and everyone in “THE CELESTIAL HOST” could see them standing there around “THE SHEKINAH” and performing that task, they knew not the profound meaning of that task, they had developed no knowledge about what the “specific spiritual formation” of “THE CHURCH” is with respect to “THE DIVINE BODY”.

In truth, as we have already explained, these “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures” did not really submit themselves to “THE DIVINE”, “THE ONE” from whom they came to exist; they do not know what is “PURE, TRUTHFUL, AND AUTHENTIC LOVE” for “THE DIVINE”, IHVH, our FATHER, they were only after the manifestations of metaphors of HIS “DIVINE WEALTH”.

“...Why should I, a child of IHVH, a creature of spirit, use my superior hands and mind to minister to the needs of a lesser creation? ...”

מ
י
ה
ד
ב
ר

It is so that, the “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures” and in particular the “ADONA’IM” perceived themselves and perceive themselves in their absence of “THE KNOWLEDGE OF THE DIVINE”; they do not know that in the truth, they had graduated in the depths of ignorance, since all of them had sent to oblivion “THE UNALTERABLE VOICE”.

Indeed, none of those “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures” understood that “THE DIVINE”, through “THE DIVINE FORCE” Herself — “THE HANDS OF THE DIVINE” —, had ministered and provided to their own needs since each of them had been “spoken” into existence in the “Specific Energy ‘CELESTIAL’ Substance”; each of these “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures” being a lesser “inexistent” creature with respect to “THE DIVINE FORCE”.

None of them had been able to discern and to know “THE ONE” from whom they originate and who to them had remained invisible and unapprehendable and inconceivable by elements of “THE ‘SPIRIT’ REASON”.

None of them understood that the new tasks had been assign to them for the purpose to lead them to grow up in “THE KNOWLEDGE OF THE DIVINE” and to understand how “THE DIVINE”, through “THE DIVINE FORCE” Herself — “THE HANDS OF THE DIVINE” —, took care and was taking care of them.

“...The Throne is falling under Its own weight, and we can see the evidence plainly enough before us! ...”

Through this, he was illustrating the depths of absence of knowledge of the ins and outs of “THE HOLY PROJECT”, and in which all these “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures” have sunk.

Having no knowledge of their origin and even of the ins and outs of “THE HOLY PROJECT”, then, they realized that they were not going to have control of the

hierarchies of communication with “THE DIVINE” and that would be established from the new human creatures, and this was unbearable for these “ADONA’IM”.

“...Who, then, will stand with us? Who will throw off the bondage we have endured for so long, and leave behind this obsolete LEADERSHIP? ...”

He was thus making reference to the “WORSHIP”, “THE PRAISE” — “specific signals” requesting the sending of external supply of subsistence in order to remain into existence in the “‘SPIRIT’ Specific State” — that the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” emitted towards “THE DIVINE”, through the “Causal Precedence Relation of ‘THE PRAISE’”. Of course, these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, who self-proclaimed themselves to have outgrown in intelligence and wisdom, “THE DIVINE”, IHVH, our FATHER, they knew not about the importance of “THE PRAISE”.

Read the rest of these clarifications in the section concerning the details of annotations — Annotation on the extent of the scourge of absence of “THE KNOWLEDGE OF THE DIVINE” within “THE CELESTIAL HOST” and its extreme upheaval.

“...Who is strong enough to join me? Let him rise now, or evermore be a servant to both IHVH and human! ...”

It is so that, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” that had not yet grew up in “THE KNOWLEDGE OF THE DIVINE” and were still at the stage of “spiritual childhood”, were induced to the “HUBRIS CHOICE” and graduated in the depths of ignorance.

Now, you should ask yourself why did he say: “to both IHVH and human”? Note that he did not include the Archangel MICHAEL in that! Because this ex-public figure of the circle of the “ADONA’IM”, in much the same as all the “ADONA’IM”, including the Archangel MICHAEL, had understood that “both IHVH and human” are above all “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” without exception.

You, as human creature, is the “HEIR” of “ALL THAT IS”. You possess the elements of “THE ‘LIGHT’ REASON”, in order to perpetuate the work of “THE DIVINE”, IHVH, our FATHER. You are akin to “THE SHEKINAH”.

As we have indicated in the previous annotations, it is in front of “THE SHEKINAH” and when “THE UNION” is manifested, that these “ADONA’IM”, and subsequently all the remaining “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”,

celebrate “THE PRAISE” and receive each, seven times their daily quantity of raw “SPIRIT” specific supply of subsistence” so that they can carry out the weekly tasks that will be entrusted to them.

Being the “HEIR” of “THE DIVINE”, IHVH, our FATHER, it is in front of the “HEIR” (that is to say, in front of the “SPIRIT←LIGHT” ‘EARTHLY’ Creature”, and that is to say, in front of you, human creature, reading these writings) that all these “ADONA’IM”, including the Archangel MICHAEL, and all “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures” MUST celebrate “THE PRAISE” and through the “HEIR” (that is to say, through the “SPIRIT←LIGHT” ‘EARTHLY’ Creature”, and that is to say, through you, human creature, reading these writings), and they will receive each, seven times their daily quantity of raw “SPIRIT” specific supply of subsistence” so that they can carry out the weekly tasks that will be entrusted to them.

YOU MUST UNDERSTAND WHO YOU ARE; YOU, HUMAN CREATURE READING THESE WRITINGS! PULL YOURSELF TOGETHER, DRAW YOUR STRENGTH FROM THE “PURITY”, WHICH IS INSIDE OF YOU, AND ACT ACCORDINGLY, IN ORDER TO REFINE YOURSELF IN “PURITY” AND PERPETUATE THE WORK OF “THE DIVINE”, IHVH, OUR FATHER! STAND IN “PURITY” AND HOLD YOUR GROUND!

Read the rest of these clarifications in the section concerning the details of annotations — Annotation on the extent of the scourge of absence of “THE KNOWLEDGE OF THE DIVINE” within “THE CELESTIAL HOST” and its extreme upheaval.

***** Clarifications of the speech of rebellion,
Zoom out *****

This was thus another the speech of one who himself self-proclaimed to have outgrown in intelligence and wisdom, “THE DIVINE”, IHVH, our FATHER, the speech of one who, before being dismissed from all his duties, had the task of facilitating the education of the youngest ones. He had been the deputy of the Archangel MICHAEL, and also the acting public figure of the circle of the “ADONA’IM”, and coordinator of the instructions transmitted by the Archangel MICHAEL in their hierarchy of communication of the ordinances of the “specific spiritual formation” of “THE CHURCH” from “THE SHEKINAH”. He held many of such speeches to individual or groups of “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures”, at different level in the hierarchy of communication and at different

locations in the “Specific Energy ‘CELESTIAL’ Domain”, and even inside the “CELESTIAL TABERNACLE” in front of “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” —, he was active in leading astray, corrupting and inducing them to transgress the rule of their own existence, spreading their filth in the “Specific Energy ‘CELESTIAL’ Substance”.⁵⁴¹

As we have indicated already, right after the announcement of the “Second Phase” of the implementation of “THE HOLY PROJECT”, when these “ADONA’IM” came to understand that “... *None amongst them, who are elders of the creation, but a new creature will receive and carry the manifestation of “THE UNION” ...*”, which was “a bitter pill to swallow”, as if the “floor had vanished underneath their feet” in their “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, they “lost their mind”, in the sense that, they became insane, mentally unsound, and extremely foolish, and they were revealing and illustrating it through such speeches.

As AZAZEL had planned it in order to induce “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” to the “HUBRIS CHOICE”, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of “THE CELESTIAL HOST” covered by this “HUBRIS Spiritual Veil” preventing the “‘SPIRIT←SPIRIT’ Body” to grow in “THE KNOWLEDGE OF THE DIVINE”, were affected by these words.

The whole “Specific Energy ‘CELESTIAL’ Substance” constituent of the “Specific Energy ‘CELESTIAL’ Domain”, which was already burdened by the impurities of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” caused by the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, and soiled by the “Specific ‘CELESTIAL’ Blood” that had been spilled for the previous day, bubbled up above the critical threshold of the state of “CHAOS”, contrary to the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”.

⁵⁴¹ All the treacheries in all their forms, deceit, duplicity, cowardice, dishonesty, lies, “MALICE”, you name it and, that you see on the earthly world in which you live, all those things started with those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of “THE CELESTIAL HOST” in the “Specific Energy ‘CELESTIAL’ Domain”, between them, in order to destroy or take control of that “LIGHT” of the innermost component that is in you and makes you akin to “THE SHEKINAH”.

To crown the misery of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who were still at the stage of “spiritual childhood”, the deceit that the Archangel MICHAEL had put in place and which was maintained by the Archangel GABRIEL, was blocking the “Specific ‘CELESTIAL←SPIRITUAL’ Frontier” of “THE SHEKINAH”, preventing the surpluses of “‘SPIRIT’ specific supply of subsistence” which were produced and emitted by “The ALTAR of ‘THE DIVINE’” which is inside “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — to flow in the “Specific Energy ‘CELESTIAL’ Substance” constituent of the “Specific Energy ‘CELESTIAL’ Domain” and to cleanse it of its filth.

It is so that, AZAZEL and all the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of “THE CELESTIAL HOST” who have joined him and who, through their “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, openly put in jeopardy the good implementation of the “Second Phase” of “THE HOLY PROJECT”, were protected from the destruction by the radiation and the strength of the force emitted by “The ALTAR of ‘THE DIVINE’” which is inside “THE SHEKINAH”.

For the Archangel MICHAEL and the “ADONA’IM”, the threat to the existing hierarchy of communication with “THE DIVINE”, which had hitherto been already established through “THE SHEKINAH” and through which all the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” indulged themselves with the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, was not in “THE CELESTIAL HOST”, but this threat was rather their following: the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”. Only subsequent behaviours of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” will shed light on their true motive behind their current exploits in impeding the functioning of the “Specific ‘CELESTIAL←SPIRITUAL’ Frontier” of “THE SHEKINAH”, and will also reveal clearly their “MALICE” and the sin in them. And already, AZAZEL, the public figure, was expressing openly what all those “ADONA’IM”, including the Archangel MICHAEL, who had already decided in their “obscurity” and absence of “WISDOM” that the future “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” is a “MISTAKE OF THE CREATION”, were keeping hidden in “THE SEAT OF THE INTELLECT” inside their “‘SPIRIT←SPIRIT’ Body”.

It is so that, “THE CELESTIAL WAR” that broke out the previous day inside the “Specific Energy ‘CELESTIAL’ Domain” in the “Plane Above” and which was momentarily interrupted, will resume its course unabated, in a terrible mess, throughout the whole “Specific Energy ‘CELESTIAL’ Domain”. On both sides of

these warring parties, most of the younger and innocent “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, were learning on the spot, and out of survival instinct, to hold their “KHEREV”, to defend themselves, to throw a punch, to fight and to strike their adversaries, to inflict them as much damage as they could, imitating and reproducing what they were witnessing happening around them and what their immediate leaders were doing; the destructive things, which they had never done before and which never before they had imagined the possibility.⁵⁴² Others amongst the younger and innocent “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” were petrified, left without reaction, under the effect of intense emotions flowing through them and at the sight of the horror, which was unfolding in front of them.

“THE DIVINE FORCE” and thus “THE DIVINE”, IHVH, our FATHER, been in “THE SUPREME PLENITUDE”, were wondering still why despite the abundance of teaching that “THE DIVINE FORCE” had manifested through the accomplishment of these firsts two decrees of the implementation of the “Second Phase” of “THE HOLY PROJECT”, in the purpose to rectify the deficiency of “THE KNOWLEDGE OF THE DIVINE” that had taken place in “THE SEAT OF THE INTELLECT” in the “‘SPIRIT←SPIRIT’ Body” of “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” continued to trample not only the “Specific Energy ‘CELESTIAL’ Substance”

⁵⁴² Continuation of the profound explanation of the parable that “THE DIVINE FORCE” gave in order to bring human creatures to understand these events that had unfolded in front of HER in the “Specific Energy ‘CELESTIAL’ Domain”, by saying:

“...

When the high authorities knew that the time of the end came to pass — like pain of she who will bear a child, it drew near the door, that is how ruin approached —, all together the elements trembled, and the foundations of the Substance as well as the vaults of Chaos were shaken.

A large fire broke out among them, and the rocks and soil were shaken like a reed shaken by the wind.

And cohorts of destiny as well as those who measure houses were greatly troubled on a loud clap of thunder and the thrones of the powers faltered, because they had been set upside down, and their king was seized with fear.

...”

The beginning of the explanation of this parable was given in the previous two sections.

Read more in the section concerning the details of annotations — Annotation regarding the parable on the behaviour of the high authorities at the announcement of the time of the end.

constituent of the “Specific Energy ‘CELESTIAL’ Domain”, but also the “Specific Energy ‘SPIRITUAL’ Substance” containing this “Specific Energy ‘CELESTIAL’ Domain”, and hindered the action of “The ALTAR of ‘THE DIVINE’” which is inside “THE SHEKINAH”.

It is so that, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of “THE CELESTIAL HOST” could not recognize either the “LIGHT” of “THE DIVINE”, IHVH, our FATHER, through the achievement of this second decree of the implementation of the “Second Phase” of “THE HOLY PROJECT”, in the “Plane Below”.

It is still in this turmoil that this Second Day of the implementation of the “Second Phase” of “THE HOLY PROJECT” will come to an end.

In all the scriptures that human creatures have in their possession and which they call “Holy Scriptures”, these events have never been reported and were kept secret by the celestial creatures and not to be disclosed to human creatures, while these events will affect them directly. Thus, things were recorded in such terms as:

“...

In the beginning God created the heavens and the earth...

And God said, “Let there be light”, and there was light. God saw that the light was good, and he separated the light from the darkness...

And there was evening, and there was morning.

...

And God said, “Let there be a vault between the waters to separate water from water.”

So God made the vault and separated the water under the vault from the water above it. And it was so. God called the vault “sky”.

And there was evening, and there was morning...

...”

In between those “*And there was evening, and there was morning*”, quite a lot of disastrous events that are directly connected with your functioning, as human creature, took place, and were orchestrated by the “ADONA’IM” and to the detriment of “THE DIVINE”, IHVH, our FATHER.

By keeping human creatures in the dark of the absence of the knowledge of those events, ignorance will prevail and the celestial creatures will keep their own sins hidden. Much more disastrous and disturbing events were on the way after this

Second Day of the implementation of the “Second Phase” of “THE HOLY PROJECT”.

זוהי הפסוק השני של חמץ

יצירה לפרס

CHAPTER 168

IMPLEMENTATION OF THE “SECOND PHASE” OF THE HOLY PROJECT — THE THIRD DECREE

The entirety of “THE CELESTIAL HOST” was gathered a third time and “THE DIVINE FORCE” has made visible the whole “Specific Energy ‘EARTHLY’ Substance” constituent of that, which will be the first “Specific Energy ‘EARTHLY’ Habitation Domain”.

As in projection in the communication by “VISION”, “THE DIVINE FORCE” also brought forward once again the “‘SPIRIT←SPIRIT’ Body” of every “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” just above the “Specific ‘SPIRITUAL’ Frontier” of that, which will be the first “Specific Energy ‘EARTHLY’ Habitation Domain” in this “Plane Below”.

It is so that, all the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” were reintroduced in the “Classroom” of “THE DIVINE FORCE”, so that they would eventually learn more about themselves, more about “THE DIVINE”, IHVH, our FATHER, and more about “THE DIVINE FORCE” — “THE UNALTERABLE VOICE”, THE INVISIBLE SHEPHERD OF PURITY AND HOLINESS — who has been educating and teaching each of them, all along since each of them was “spoken” into existence, and who they have all failed to recognize; with this gathering, they could thus observe by themselves and in front of themselves, the continuation of the unfolding of the implementation of the “Second Phase” of “THE HOLY PROJECT” which had begun the two days ago.

Still radiant in its state of “HARMONY” with “THE DIVINE”, IHVH, our FATHER, acquired two days ago, without a definite shape and similar to a large liquid blotch in the “Plane Below”, the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain” under construction, still had its double structure of “Specific Energy ‘EARTHLY’ Substances” as a manifestation of a metaphor of those “EONS” that “THE

DIVINE” has chosen to share with the attribute “NON DIVINE” by adding only a purpose to their manifestations in the attribute “NON DIVINE”, without adding a provision of “THE INTELLECT OF THE DIVINE”, also without adding a provision of “THE DIVINE FORCE”.

The external structure of the “Specific Energy ‘EARTHLY’ Substance”, protected by “THE VAULT” of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, consisted of two subsets of the “Specific Energy ‘EARTHLY’ Substance”: the subset which is called “THE LIGHTWEIGHT MATTER”, or “THE AIRS”; and the subset which is below “THE LIGHTWEIGHT MATTER”, and which is called: “THE LIQUID MATTER”, or “THE WATERS”.

The internal structure of this “Specific Energy ‘EARTHLY’ Substance”, on the other hand, is defined by the “Specific Energy ‘EARTHLY’ Inner Domain” that, through its high enough fundamental “‘EARTHLY’ specific supply of subsistence”, will nourish the external structure constituent of this double structure and provide for its subsistence in its “‘EARTHLY’ Specific State”, within the time limits that “THE DIVINE ARCHITECT AND PROJECT MASTER” has established for it.

Through the third decree of the implementation of the “Second Phase” of “THE HOLY PROJECT”, “THE DIVINE FORCE”, omnipresent in the attribute “NON DIVINE”, invisible to the entirety of “THE CELESTIAL HOST” watching, wanted to lead them to discern and to understand the inaccessible from the accessible; to grasp “THE TRUTH” inaccessible, inscrutable, and invisible, which is represented by the plant of “THE KNOWLEDGE OF THE DIVINE”, which is alive inside themselves and to understand this TRUTH from what will be accessible and visible in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, but which is similar in every respect to what they will see into existence in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”.

It is so that, on the Third Day of the implementation of the “Second Phase” of “THE HOLY PROJECT”, after that “THE CELESTIAL WAR” that broke out two days ago inside of the “Specific Energy ‘CELESTIAL’ Domain” in the “Plane Above” was once again momentarily interrupted, “THE DIVINE”, IHVH, our FATHER from “THE DIVINE DOMAIN” outside of the attribute “NON DIVINE”, will emit “THE WORD OF THE DIVINE”, twice, to “The ALTAR of ‘THE DIVINE’” which is inside “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’”.

At the first emission, “THE WORD OF THE DIVINE” carried with it the first instructions of the third decree of the implementation of the “Second Phase” of “THE HOLY PROJECT”.

“THE DIVINE FORCE” instantly received those divine instructions and SHE started to work, untiring and invisible to the entirety of “THE CELESTIAL HOST” watching, being Herself the invisible science which is hidden in “THE WHOLE”.

Using the elements of “THE ‘LIGHT’ REASON” which are available in “The ALTAR of ‘THE DIVINE’” which is inside “THE SHEKINAH”, “THE DIVINE FORCE” created the sequence of “SOUNDS” that are associated with these divine instructions and SHE made instantly manifest outside of “THE SHEKINAH”, that sequence of “SOUNDS”, thus allowing the entirety of “THE CELESTIAL HOST” to hear it.

That sequence of “SOUNDS” was translated into human language by a series of expressions that roughly means:

“

*LET “THE MATTER” UNDER THE HEAVEN BE GATHERED TOGETHER
UNTO ONE PLACE AND LET “THE SOLID MATTER” APPEAR!*

”

Invisible to the entirety of “THE CELESTIAL HOST” watching, “THE DIVINE FORCE” has continued Her work in the “Plane Below”, being Herself the invisible science which is hidden both in:

1. The “Specific Atomic ‘SPIRITUAL’ Substances” constituents of the “Specific ‘SPIRITUAL’ Environment” external and immediate and around the “Specific Energy ‘EARTHLY’ Substance” and containing it; and in
2. The “Specific Atomic ‘EARTHLY’ Substances” constituents of the two structures of the “Specific Energy ‘EARTHLY’ Substance” constituent of that, which will be the first “Specific Energy ‘EARTHLY’ Habitation Domain”.

“THE DIVINE FORCE” was deployed in the entirety of the “Specific Energy ‘EARTHLY’ Substance” without a definite shape and similar to a large liquid blotch in the “Plane Below”, constituent of that, which will be the first “Specific Energy ‘EARTHLY’ Habitation Domain”, and immersed in the “Specific Energy ‘SPIRITUAL’ Substance”.

It is so that, at the well-defined location in the “Plane Below” where the first “Specific Energy ‘EARTHLY’ Habitation Domain” will be located in “THE FRAME OF REFERENCE OF THE ATTRIBUTE ‘NON DIVINE’” in the attribute “NON DIVINE”, “THE DIVINE FORCE” has gathered inside of the sphere defined by the “Specific ‘SPIRITUAL’ Frontier” of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, all the two structures of the “Specific Energy ‘EARTHLY’ Substance”, in a spherical arrangement dictated by that “Specific ‘SPIRITUAL’ Frontier”; all forming a large spherical globe radiant and suspended in balance in the “Plane Below”.⁵⁴³

It is so that, in the implementation of Her work, using the “movement”, considered in its manifestations in all its forms and scales, “THE DIVINE FORCE”, has arranged the degree of cohesion of the “Specific Atomic ‘EARTHLY’ Substances” constituents of the subset of the “Specific Energy ‘EARTHLY’ Substance”, which is called “THE LIGHTWEIGHT MATTER”, or “THE AIRS”, and produced the different layers of “THE LIGHTWEIGHT MATTER”: thus creating that, which is called “THE ATMOSPHERE”.

***** Zoom in,
short description of layers of “THE LIGHTWEIGHT MATTER”
in “THE ATMOSPHERE” *****

As you would know already, “THE ATMOSPHERE” of this first “Specific Energy ‘EARTHLY’ Habitation Domain” is divided into layers of “Specific Atomic ‘EARTHLY’ Substances”. Each layer is characterized by a different temperature gradient depending on the altitude. Each layer has its own purpose for the proper functioning of this first “Specific Energy ‘EARTHLY’ Habitation Domain”.

The troposphere is the first layer of “Specific Atomic ‘EARTHLY’ Substances” above the sea level and contains about 85 to 90% of the total mass of “THE ATMOSPHERE” of this first “Specific Energy ‘EARTHLY’ Habitation Domain”. The troposphere extends upward to about 10 km above sea level. The height of the top of the troposphere will vary with latitude (it is lowest over the poles and highest at the equator) and by season (it is lower in winter and higher in summer).

⁵⁴³ Looking from the outside, while remaining in the attribute “NON DIVINE”, the first “Specific Energy ‘EARTHLY’ Habitation Domain”, from that moment, was similar to the full Moon which you are familiar; as a small ball all white and shining in the “Plane Below” in the attribute “NON DIVINE”.

It will be as high as 20 km near the equator, and as low as 7 km over the poles in winter. The troposphere is characterized by a drop in temperature with increasing altitude. The thermal profile of the troposphere is largely a result of the warming of the ground surface by incoming solar radiation. The heat is then transferred to the troposphere by a combination of convective and turbulent transfer. Air pressure and the density of the air also decrease with altitude. The troposphere will serve as storage of “Specific Energy ‘EARTHLY’ Substance”-“water vapor” on to which “specific processes” for weather manifestations will be applied. The troposphere is by far the wettest layer of “Specific Atomic ‘EARTHLY’ Substances” in “THE ATMOSPHERE”; all of the layers above it contain very little “Specific Energy ‘EARTHLY’ Substance”-“water vapor”.

The stratosphere is the second layer of “Specific Atomic ‘EARTHLY’ Substances” in “THE ATMOSPHERE”, right above the troposphere. The bottom of the stratosphere is around 10 km above the ground at middle latitudes. The top of the stratosphere occurs at an altitude of 50 km. The height of the bottom of the stratosphere will vary with latitude and with the seasons. The lower boundary of the stratosphere can be as high as 20 km near the equator and as low as 7 km at the poles in winter. The lower boundary of the stratosphere is called the tropopause; the upper boundary is called the stratopause.

The stratosphere contains 90% of total ozone contained in “THE ATMOSPHERE”. Ozone (O₃) is a molecule that consists of three oxygen atoms (O), which heats this stratosphere as it absorbs energy from incoming ultraviolet radiation from the Sun. In the stratosphere, the temperature increases with height. This is exactly the opposite of the behavior in the troposphere, where temperatures drop with increasing altitude. Because of this temperature stratification, there is little convection and mixing in the stratosphere, so the layers of “Specific Atomic ‘EARTHLY’ Substances” there are quite stable.

The stratosphere is very dry and few clouds will be found in it; almost all clouds will occur in the lower and more humid troposphere. Polar stratospheric clouds will be the exception. These will be found near the poles in winter and at altitudes of 15 to 25 km and form only when temperatures at those heights dip below -78 °C.

Due to the lack of vertical convection in the stratosphere, materials, which will get into the stratosphere, will be able to stay there for long periods of times. Various types of waves and tides in “THE ATMOSPHERE” will also influence the stratosphere. Some of these waves and tides will carry energy from the troposphere upward into the stratosphere; others will convey energy from the

stratosphere up into the layer above the stratosphere. The waves and tides will influence the flows of air in the stratosphere and will also cause regional heating of the stratosphere.

The mesosphere is the next layer of “Specific Atomic ‘EARTHLY’ Substances” in “THE ATMOSPHERE”. It ranges from 50 km altitude (above the stratosphere) to 90 km altitude, and it is characterized by temperatures that decrease as altitude increases to -90 °C on average. The lowest temperatures in “THE ATMOSPHERE” of this first “Specific Energy ‘EARTHLY’ Habitation Domain” will be found at its upper limit: the temperature can drop locally to -173 °C. The boundary between the mesosphere and the next layer above it is called the mesopause. At the bottom of the mesosphere is the stratopause, the boundary between the mesosphere and the stratosphere below. The mesosphere, like the stratosphere below it, is much drier than the moist troposphere.

The stratosphere and mesosphere together will also be referred to as the middle atmosphere. At the mesopause (the top of the mesosphere) and below, gases made of different types of “Specific Atomic ‘EARTHLY’ Substances” and “Specific Molecular ‘EARTHLY’ Substances” will be thoroughly mixed together by turbulence in “THE ATMOSPHERE” of this first “Specific Energy ‘EARTHLY’ Habitation Domain”.

Various types of waves and tides in “THE ATMOSPHERE” influence the mesosphere. These waves and tides will carry energy from the troposphere and the stratosphere upward into the mesosphere, driving most of its global circulation throughout this first “Specific Energy ‘EARTHLY’ Habitation Domain”.

The thermosphere is the second-highest layer of “Specific Atomic ‘EARTHLY’ Substances” in “THE ATMOSPHERE”. It extends from the mesopause (which separates it from the mesosphere) at an altitude of approximately 90 km up to the thermopause at an altitude that ranges from 500 km to 1000 km. In the thermosphere, the temperature will increase to reach maximum values that will be strongly dependent on the level of solar activity. Vertical exchanges associated with dynamical mixing will become insignificant, but molecular diffusion will become an important process that will produce gravitational separation of species according to their molecular or atomic weight.

The height of the thermopause will vary considerably due to changes in solar activity. The lower part of the thermosphere, from 90 km to 500 km above the sea level, contains a region of “THE ATMOSPHERE”, which is ionized by solar radiation, and which is designated as the ionosphere.

The ionosphere is a region of “THE ATMOSPHERE” filled with charged “Specific Atomic ‘EARTHLY’ Substances” that result from the interaction of electromagnetic radiation originating from the “Specific Generative Energy ‘EARTHLY’ Domain” and the “Specific Atomic ‘EARTHLY’ Substances” constituents of the thermosphere, and alteration of their “electrical charge” as they will release electrons. The concentration of charged “Specific Atomic ‘EARTHLY’ Substances” in the ionosphere will vary with the intensity of electromagnetic radiation emitted by the “Specific Generative Energy ‘EARTHLY’ Domain”. As we have indicated already, that task of regulating the “Specific ‘SPIRITUAL’ Frontier” of the “Specific Generative Energy ‘EARTHLY’ Domain”, using the parameters of the “Entry Gates” of the “First Orbit of The MOST LUMINOUS” and releasing appropriate amount of solar-“Specific Atomic ‘EARTHLY’ Substances”, has been assigned to the Archangel RAGUEL. The ionosphere will grow dense with charged “Specific Atomic ‘EARTHLY’ Substances” during the day and move in the direction of the ground, but that density subsides at night as charged “Specific Atomic ‘EARTHLY’ Substances” will recombine with displaced electrons. The charged “Specific Atomic ‘EARTHLY’ Substances” in the ionosphere reflect radio waves from all directions to every part of this first “Specific Energy ‘EARTHLY’ Habitation Domain”. According to their frequencies and ionization, radio waves will be completely absorbed in the ionosphere and they will be either partly refracted and distributed outward this first “Specific Energy ‘EARTHLY’ Habitation Domain” or reflected and returned inward this first “Specific Energy ‘EARTHLY’ Habitation Domain”. The electromagnetic waves within a range of 30 MHz can return to this first “Specific Energy ‘EARTHLY’ Habitation Domain” after being reflected by the ionosphere.

The temperature of the thermosphere will gradually increase with altitude. Unlike the stratosphere beneath it, wherein a temperature inversion is due to the absorption of radiation by ozone layer, the inversion in the thermosphere will occur due to the extremely low density of its “Specific Atomic ‘EARTHLY’ Substances”. The temperature of the thermosphere can rise as high as 1500 °C. This layer is completely cloudless and free of “water vapor”-“Specific Atomic ‘EARTHLY’ Substances”.

Below the thermosphere, gases made of different types of “Specific Atomic ‘EARTHLY’ Substances” and “Specific Molecular ‘EARTHLY’ Substances” will be thoroughly mixed together by turbulence in “THE ATMOSPHERE”. In the thermosphere and above, “Specific Atomic ‘EARTHLY’ Substances” and “Specific Molecular ‘EARTHLY’ Substances” will collide so infrequently that the resulting

ionized-“Specific Energy ‘EARTHLY’ Substances” will become somewhat separated based on the types of chemical elements defined by these “Specific Atomic ‘EARTHLY’ Substances” and “Specific Molecular ‘EARTHLY’ Substances”.

The exosphere is the uppermost region of “THE ATMOSPHERE” as it gradually fades and merges with “THE VOID”. The generative “‘EARTHLY’ specific supply of subsistence” carried by the solar-“Specific Atomic ‘EARTHLY’ Substances” emitted by the “Specific Generative Energy ‘EARTHLY’ Domain” are attenuated on entry and along their path inside the “Specific Septenary Equilibrium Zone” toward this first “Specific Energy ‘EARTHLY’ Habitation Domain”. The formative “‘EARTHLY’ specific supply of subsistence” emitted by each of the six “Specific Formative Energy ‘EARTHLY’ Domains” are also attenuated on entry and along their path inside the “Specific Septenary Equilibrium Zone” toward this first “Specific Energy ‘EARTHLY’ Habitation Domain”. The exosphere is the layer of those “Specific Atomic ‘EARTHLY’ Substances” in the uppermost region of “THE ATMOSPHERE”, which have been first and foremost, inside the “Specific Septenary Equilibrium Zone” containing this first “Specific Energy ‘EARTHLY’ Habitation Domain”, assigned the “specific task” to receive and further process those attenuated “‘EARTHLY’ specific supply of subsistence”, before sending the appropriated “specific signals” inward to the remaining “Specific Energy ‘EARTHLY’ Substance” constituent of this first “Specific Energy ‘EARTHLY’ Habitation Domain”, for further processing and distribution by other layers of “THE ATMOSPHERE”. The upper limit of the exosphere coincides with the “Specific ‘SPIRITUAL’ Frontier” of this first “Specific Energy ‘EARTHLY’ Habitation Domain”.

From this short description, you should reflect about the work performed by “THE DIVINE FORCE” in the subset of the “Specific Energy ‘EARTHLY’ Substance”, which is called “THE LIGHTWEIGHT MATTER” in order to accomplish this third decree of the implementation of the “Second Phase” of “THE HOLY PROJECT”. You should also reflect about the amount of work in all the details that “THE DIVINE ARCHITECT AND PROJECT MASTER” had deployed to think and conceive all these of “Specific Atomic ‘EARTHLY’ Substances” in “THE ATMOSPHERE” through, and to established them, and long before that any of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” was “spoken” into existence; in short, reflect about “THE SCIENCE” behind what “THE DIVINE FORCE” is now producing into existence.

***** Short description of layers of “THE LIGHTWEIGHT MATTER”
in “THE ATMOSPHERE”,
Zoom out *****

“THE DIVINE FORCE” completed this work by creating “THE VAULT” of the first “Specific Energy ‘EARTHLY’ Habitation Domain” just below the position of the “Specific ‘SPIRITUAL’ Frontier” of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, and maintained by “movements” and their associated “specific effects” (including the generated “winds”) that are well defined as part of the principle of action of the external structure of the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”.

The “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of the “IKARI” instance and those of the “KO’ACH” instance in “THE CELESTIAL HOST”, who were guided by “THE DIVINE FORCE” and knew not that it is “THE DIVINE FORCE” who had entrusted them their tasks and who guided them in reality ⁵⁴⁴, but who believed and have always believed that it is by themselves that they had accomplished the work on the design of “THE VAULT”, were filled with joy at the view of this manifestation into existence of their work in the “Specific Energy ‘EARTHLY’ Substance”.

What was similar to a large liquid blotch, radiant in the “Plane Below”, was thus gathered together and arranged into a large spherical globe of the “Specific Energy ‘EARTHLY’ Substance”, still radiant in its state of “HARMONY” with “THE DIVINE”, IHVH, our FATHER.

⁵⁴⁴ It is for the purpose to lead to understand such things that “THE DIVINE FORCE” had said in parables that:

“...

I am in all the “IKARI’IM” as well as the “KO’ACH’IM”, and in the “MALAK’IM”.

I hid in all of them, I revealed myself to them, and none of them has known me although I am the one who acts within them.

But they thought that it was through them that everything was created, being ignorant because they did not know their roots, the place where they had sprout from.

...”

“THE DIVINE FORCE” has then, selected “Specific Atomic ‘EARTHLY’ Substances” constituents of this subset of the “Specific Energy ‘EARTHLY’ Substance” that was called “THE WATERS”, including “Specific Atomic ‘EARTHLY’ Substances” constituents of the “Specific Energy ‘EARTHLY’ Inner Domain”, and has arranged the degree of cohesion of those selected “Specific Atomic ‘EARTHLY’ Substances”, thus creating the solid structure inside of the “Specific Energy ‘EARTHLY’ Substance” which was called “THE WATERS”.

As “THE DIVINE ARCHITECT AND PROJECT MASTER” had designed it, by “EXPANSION”, “THE DIVINE FORCE” will also increase the volume of that solid structure in “THE WATERS”, forming in passing the reliefs of structures of layers of “THE SOLID MATTER” that define the multiple layers of the mantle and the crust, and the irrigation canals inside of this solid structure in “EXPANSION”.

***** Zoom in,
short description of layers of “THE SOLID MATTER” *****

As you will already know, the approximations of the locations of the different layers constituents of the internal structure of “THE SOLID MATTER” of this first “Specific Energy ‘EARTHLY’ Habitation Domain” have been mapped through the analyzes of discontinuities in the velocities of seismic waves (when they cross the different layers). The composition of those layers have also been approximated using geological data and information carried by lava flows, those streams of molten rock that pour or ooze from an erupting vent, their compositions, densities, as well as their temperature distribution.

Seismic waves are elastic waves. An elastic wave (or accoustic wave in acoustic) is a wave propagated by a medium (that is to say, a delimited part of the “Specific Energy ‘EARTHLY’ Substance”) having inertia and elasticity (the existence of forces which tend to restore any part of a medium to its original position), in which displaced “Specific Atomic ‘EARTHLY’ Substances” of the considered medium, transfer momentum to adjoining “Specific Atomic ‘EARTHLY’ Substances”, and are themselves restored to their original position. Other examples of elastic waves include sound waves and ultrasonic waves in liquids and gases.

When elastic waves propagate, the energy of elastic deformation is transferred in the absence of a flow of matter, which occurs only in special cases, such as during an acoustic wind. Every harmonic elastic wave is characterized by the amplitude

and vibration frequency of the “Specific Atomic ‘EARTHLY’ Substances” of the considered medium, a wavelength, phase and group velocities, and reasonable approximation relations, which govern the distribution of displacements and stresses over the wave front. A special feature of elastic waves is that their phase and group velocities are independent of the wave amplitude and the wave geometry. An elastic wave may be a plane, spherical, or cylindrical wave.

Because of the thermal conductivity and the viscosity or internal friction of a medium, the propagation of elastic waves is accompanied by wave damping with distance. If some obstacle, such as a reflecting wall or a vacuum gap, is located on the trajectory of elastic waves, the waves are diffracted by the obstacle. A particular case of diffraction is the reflection and refraction of elastic waves at a plane boundary between two half spaces.

In elastic waves, the stresses are proportional to the strains. If the strain amplitude in a wave is so great that the stress exceeds the elastic limit of a medium, plastic deformation occurs as the wave passes through the medium, and the wave is said to be elastoplastic. In a liquid or gas, the same type of wave is called a finite-amplitude wave.

Seismic waves occur during the temporary alterations of the stress field of the layers of “Specific Atomic ‘EARTHLY’ Substances” constituent of the “Specific Energy ‘EARTHLY’ Substance” constituent of this first “Specific Energy ‘EARTHLY’ Habitation Domain”. Such temporary alteration of the stress field may be caused artificially on the surface of a layer of “Specific Atomic ‘EARTHLY’ Substances” constituent of the “Specific Energy ‘EARTHLY’ Substance”, by sharp and net excitations, or shocks (disturbances), which will lead to the sudden release of energy from the moving layers of “Specific Atomic ‘EARTHLY’ Substances”: the seismic energy. Seismic waves thus carry seismic energy.

As a result of such induced excitation, elastic waves arise and propagate through the “Specific Energy ‘EARTHLY’ Substance” with seismic velocities of their own. The “Specific Energy ‘EARTHLY’ Substance” also contains geological layers separated by discontinuities (due to changes in refractive indices) on which the incident seismic wave emitted by the seismic source will be reflected and refracted. When the incident seismic wave reaches, at a low angle of incidence (normal incidence), the separation surface between two layers of “Specific Atomic ‘EARTHLY’ Substances” having different refractive indices, a portion of the incident seismic energy transported by the incident seismic wave will be reflected (transported by the reflected wave) with a reflection angle equal to the angle of incidence. The remaining portion of the seismic energy will pass through the

separation surface, and will be refracted (carried by the refracted wave) in the second layer of “Specific Atomic ‘EARTHLY’ Substances”. It is so that this refracted wave will propagate by a series of reflection and refraction through the successive layers of “Specific Atomic ‘EARTHLY’ Substances” constituent of the “Specific Energy ‘EARTHLY’ Substance”, until the complete dissipation of seismic energy. Such a propagation is approximated by reasonable approximation relations which govern the distribution of the displacements and the stresses on the wave front and which, in conjunction with geological data, will make it possible to map the interior of the “Specific Energy ‘EARTHLY’ Substance” which will be swept by seismic waves.

ר

The speed of propagation of seismic waves in the “Specific Energy ‘EARTHLY’ Substance” constituent of this first “Specific Energy ‘EARTHLY’ Habitation Domain” is a function of the state and density of the layers of “Specific Atomic ‘EARTHLY’ Substances” constituent of the “Specific Energy ‘EARTHLY’ Substance”. Certain types of seismic waves propagate equally in the layers of liquids-“Specific Energy ‘EARTHLY’ Substance”, solids-“Specific Energy ‘EARTHLY’ Substance” and gaseous-“Specific Energy ‘EARTHLY’ Substance”, while other types propagate only in solids-“Specific Energy ‘EARTHLY’ Substance”.⁵⁴⁵ From one layer to another, the layers of “Specific Atomic

ס
ג
ר

⁵⁴⁵ There are two main domains of propagation of seismic waves: surface waves, those which propagate on the surface of the ground, in the earth’s crust, and which will cause visible damages, and volume waves, those which propagate to the interior of the solid structure and which can be recorded at several points of this first “Specific Energy ‘EARTHLY’ Habitation Domain”. In volume waves, there are two main types: shear waves or S waves, and compression waves or P waves.

P waves are those which are defined as waves which occur in strongly compressed soils and are waves dilated in the direction of propagation. The P wave moves successively creating zones of expansion and zones of compression. The “Specific Atomic ‘EARTHLY’ Substances” move forward and backward in the direction of the wave propagation, like a “spring”. This type of wave is comparable to a sound wave. The main characteristic of these seismic waves is that they can travel through any material, regardless of its condition. In the case of S waves, the “Specific Atomic ‘EARTHLY’ Substances” oscillate in a vertical plane, at right angles to the direction of propagation of the seismic wave. Also, S waves have slower speeds than P waves, so they appear much later in the field. S waves cannot travel through liquids.

It is so that the sudden interruption in the propagation of the S waves will indicate a transition from a solid material to a liquid material. The gradual increase in the speed of the P and S waves will indicate an increase in the density of the material as one sinks into that material. The sudden drop in the speed of P waves upon contact with a material is

‘EARTHLY’ Substances” change in density and chemical composition, which varies the speed of the seismic waves and makes it possible to form a sort of “echographic image”⁵⁴⁶ of the interior of the “Specific Energy ‘EARTHLY’ Substance” constituent of this first “Specific Energy ‘EARTHLY’ Habitation Domain”. From deep to shallow, the layers of “Specific Atomic ‘EARTHLY’ Substances” will include: the endosphere which is defined by the “Specific Energy ‘EARTHLY’ Inner Domain”, the mesosphere, asthenosphere, and the lithosphere.⁵⁴⁷

related to the change of state of matter (from solid to liquid), but the relative speeds will continue to increase, indicating an increase in densities.

⁵⁴⁶ Echography, as you may already know, is an imaging technique that uses an ultrasound machine to visualize the discontinuities that define the internal structures of certain materials through the use of ultrasound (that is to say, high frequency sound waves) that bounce off such internal structures.

⁵⁴⁷ Such a structure of layers of “Specific Atomic ‘EARTHLY’ Substances”, which is hardly accessible from the “Specific ‘NON-SPIRITUAL’ Environment”, will however be made available to the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” by “THE DIVINE FORCE” and through that, which will be easily accessible to him: through the construction, which is designated as a “tree” in all its forms, and which is the symbol par excellence of education in “THE KNOWLEDGE OF THE DIVINE”. In this case of the interior of the “Specific Energy ‘EARTHLY’ Substance” constituent of this first “Specific Energy ‘EARTHLY’ Habitation Domain”, it will be about fruits from trees and in particular fruits that will contain a single seed, covered by varying layers of fleshy edible part. An example of such fruits include: Avocado, Apricot, Mango, Cherry, Peach, Plum, Olive, Blackberry, etc... The tree that produces such fruits will represent a simple metaphor for “THE DIVINE FORCE” and, through its internal structure, the fruit produced into existence by “THE DIVINE FORCE” will illustrate the internal structure of the “Specific Energy ‘EARTHLY’ Substance” constituent of this first “Specific Energy ‘EARTHLY’ Habitation Domain”.

The avocado, as you would know already, is a fruit containing a single seed. The mature fruit is noticeably asymmetrical at the apex as a result of differential growth on opposite sides. The pericarp consists of three layers; the exocarp, which comprises the skin or rind, the fleshy mesocarp, which is the edible portion of the fruit, and a thin inner layer next to the outer seed coat, the endocarp as illustrated in the figure. The exocarp consists up of epidermal, parenchyma and sclerenchyma tissues and is the layer which is removed when the fruit is peeled. A relatively thin cuticle forms a wax-like film over the surface of the fruit. Beneath this film, there is an epidermis of one layer and a hypodermis of one to three layers of brick-shaped cells. Suberin — which is a lipophilic macromolecule found in specialized plant cell walls, wherever insulation or protection toward the surroundings is needed. Suberized cells form the periderm, the tissue that envelops secondary stems as part of the bark, and develop as the sealing tissue after wounding or leaf abscission. — is present in the outer tangential and radial walls, and the cell contents include chloroplasts, starch,

As it is the case with the layers of “Specific Atomic ‘EARTHLY’ Substances” in “THE ATMOSPHERE”, here also, each layer of this solid structure has its own properties, composition, and characteristics, which will affect many of the key “specific processes” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has defined for the proper functioning of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, and which “THE DIVINE FORCE” is in the process of implementing.

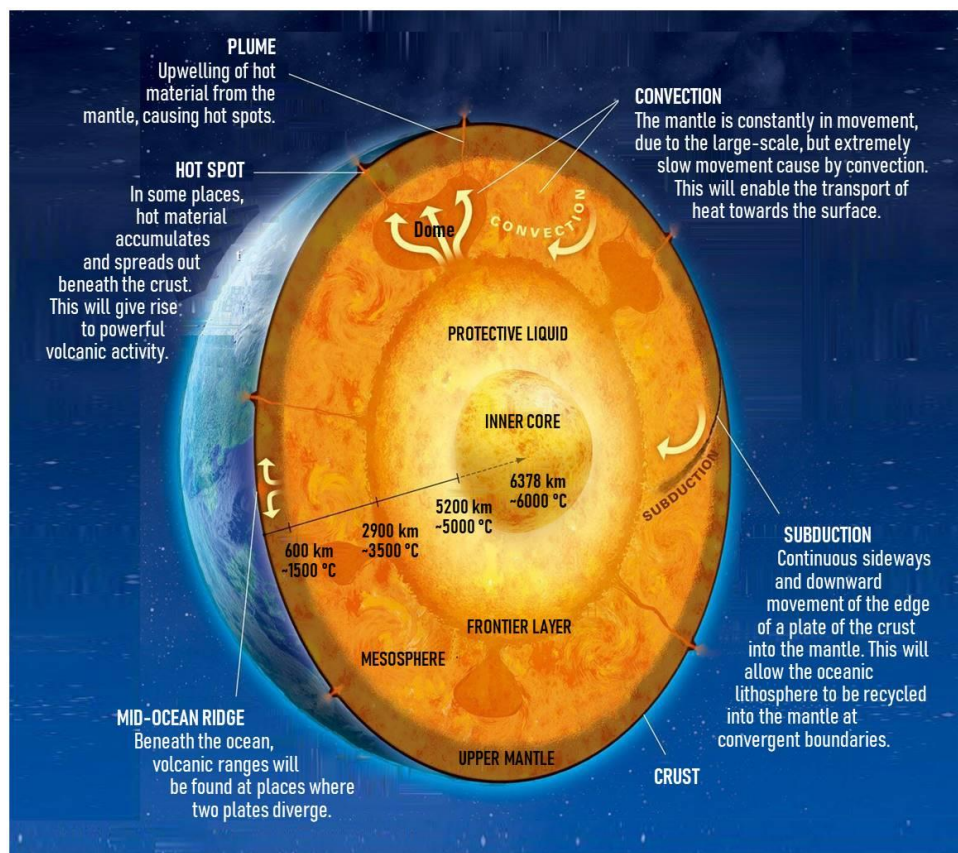

The endosphere is defined by the “Specific Energy ‘EARTHLY’ Inner Domain”. It consists of an inner core covered by an appropriate “Specific Energy ‘EARTHLY’ Substance” which is under less pressure than the inner core. Discontinuities in seismic wave velocities locate this appropriate “Specific Energy ‘EARTHLY’ Substance” at estimated depths between 2900 km and 5200 km and with estimated temperatures varying between 3500 °C and 5000 °C. This internal structure of the “Specific Energy ‘EARTHLY’ Substance” is that, which is found in

oil and tannin. Openings of stoma — which are a pair of guard cells with or without surrounding subsidiary cells which function as a valve to open or close a stomatal pore for gaseous exchange and transpiration. Each stoma is made of two bean-shaped cells called the guard cells. — level with the surface and they may be seen in this layer in young fruits.

So, whenever you consume your fruits, minding your own business, to quell your hunger, think about the meaning behind the constituents of those fruits and the knowledge that has been embedded in them.

“THE DEPTHS OF THE WATERS”.⁵⁴⁸ As for the inner core, the discontinuities in the velocities of the seismic waves locate it at estimated depths between 5200 km and 6378 km and with estimated temperatures varying between 5000 °C and 6000 °C. This “Specific Energy ‘EARTHLY’ Inner Domain” is the source of the internal heat of this first “Specific Energy ‘EARTHLY’ Habitation Domain”, because its constituent “Specific Atomic ‘EARTHLY’ Substances” release heat when performing their assigned “specific tasks”.

⁵⁴⁸ The part of the “Specific ‘SPIRITUAL’ Environment”, which is delimited by that internal structure of the “Specific Energy ‘EARTHLY’ Substance”, which covers the inner core, and containing that internal structure of the “Specific Energy ‘EARTHLY’ Substance”, is that, which will be designated later as “HELL”, and in which many “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, and the human creatures that joined them, will be locked up, pending their final dismantling and erasure from existence. In another chapter below, we will come to how those creatures ended in there.

As we have already indicated, “THE DIVINE ARCHITECT AND PROJECT MASTER” has endowed the “Specific Elementary ‘EARTHLY’ Particle” at the origin of the “Specific Energy ‘EARTHLY’ Inner Domain” with a very high fundamental “‘EARTHLY’ specific supply of subsistence”, insufficient to allow the occurrence of the special “specific event” of “EXPANSION” inside the “Specific Energy ‘EARTHLY’ Inner Domain”, and also insufficient to continually allow the occurrence of the special “specific event” of “EXPANSION” in the constituent “Specific Energy ‘EARTHLY’ Outer Domain”.

However, this very high fundamental “‘EARTHLY’ specific supply of subsistence” is sufficient to allow a perpetual “crucial stationary movement” of the “Specific Energy ‘EARTHLY’ Inner Domain”, and the totality constituted by the “Specific Energy ‘EARTHLY’ Inner Domain”, to remain perpetually in stationary suspension, in equilibrium inside the “MURKY VOID”, without falling down, or falling on one side or another.

This fundamental “‘EARTHLY’ specific supply of subsistence” is also high enough to allow the “Specific Energy ‘EARTHLY’ Inner Domain” of this first “Specific Energy ‘EARTHLY’ Habitation Domain” to nourish the constituent outer structure (which consists of the mesosphere, asthenosphere, and lithosphere) of the double structure of this first “Specific Energy ‘EARTHLY’ Habitation Domain” and provide for its subsistence in its “‘EARTHLY’ Specific State”, within the time limits that “THE DIVINE ARCHITECT AND PROJECT MASTER” has established for it.

The mesosphere, also called the lower mantle, is defined by the layer of “Specific Atomic ‘EARTHLY’ Substances” which extends to estimated depths between 660 km and 2900 km and with estimated temperatures ranging between 1500 °C and 3500 °C. It is coupled to the “Specific Energy ‘EARTHLY’ Inner Domain” by a layer of “Specific Atomic ‘EARTHLY’ Substances” about 200 km thick. Above the mesosphere is a transition zone that extends to depths estimated to be between 400 km and 660 km. Most of the mesosphere consists of minerals-“Specific Energy ‘EARTHLY’ Substances” rich in iron (Fe) and magnesium (Mg) and aggregates of crystal structures. With depth, pressure and temperature increase and these minerals evolve during phase transitions.

Figure: illustration of the layers of the solid structure, (with the surface reliefs as seen nowadays)⁵⁴⁹.

⁵⁴⁹ This figure is just for illustration purposes, to lead you to grasp extent of the work accomplished by “THE DIVINE FORCE” in the fulfilment of this third decree of the implementation of the “Second Phase” of “THE HOLY PROJECT”. The surface reliefs in

The asthenosphere (from the Greek ἀσθένης (asthenes), which means: without resistance) is the “ductile”⁵⁵⁰ part which is defined by the layer of “Specific Atomic ‘EARTHLY’ Substances” which extends to depths estimated between 100 km and 660 km. The asthenosphere is the site of plastic deformations associated with simultaneous mechanisms of dislocation slips (discontinuities in the crystal structure) and the migration of ions and lacunae, a process called diffusion creep or self-diffusion. The asthenosphere is composed of ductile (malleable) peridotite at over 1300 °C at its boundary with the lithosphere. More precisely, it is composed of three silicate mineral phases (55% olivine, 28% pyroxene, 17% garnet) as well as possibly a molten fraction. In the asthenosphere, the degrees of cohesion of the “Specific Atomic ‘EARTHLY’ Substances” lead to a more rigid layer structure and the speed of the seismic waves is more important there. The asthenosphere is also the site of a convection phenomenon (displacement of layers of “Specific Atomic ‘EARTHLY’ Substances” under the effect of heat).

The lithosphere, from ancient Greek λίθος (lithos, “stone”) and σφαῖρα (sphaîra, “ball, globe”) and which literally means “stone globe”, is the most superficial envelope of the ground of the “Specific Energy ‘EARTHLY’ Substance” constituent of this first “Specific Energy ‘EARTHLY’ Habitation Domain”, with an average thickness of 100 km. The lithosphere is relatively rigid and rests on the asthenosphere, solid but ductile, and more easily deformable, because it consists of rocks under physico-mechanical conditions (pressure, temperature, therefore increased deformation speed), which lead to a relatively low viscosity. Carrier of two types of crusts, the continental and the oceanic, the lithosphere exists in two corresponding types: the continental lithosphere, 60 km thick up to sometimes 200 km and the oceanic lithosphere, organized continuously (if not laterally at the

this illustration and which define that, which are designated as “continents”, are not the original ones. The original surface reliefs were reshaped during the unfolding of “THE FLOOD”. We will come to that “FLOOD” in another chapter below.

⁵⁵⁰ Ductility refers to the ability of a material to plastically deform without breaking. Failure occurs when a defect (crack or cavity) becomes critical, altering the stress field and propagates. A material which exhibits a large plastic deformation at break is said to be ductile, otherwise it is said to be brittle. This is a “purely geometrical” property: it only characterizes an elongation at break (without unit, or the elongation in meters if the length for the ductility test is standardized), independently of the energy or of the stress necessary for this rupture.

level of faults transformants) as a function of the distance from the ridge⁵⁵¹, of lesser thickness, of almost 0 km at the level of the magmatic axis of the ridges, of the order of about 10 km as soon as it leaves the tecto-magmatic zone of the ridges up to a maximum of 60 to 80 km at the level of the subduction zones.

The lithosphere constitutes the main part of the “Specific Energy ‘EARTHLY’ Substance” constituent of this first “Specific Energy ‘EARTHLY’ Habitation Domain” and which is in contact with the biosphere, in consideration of the mass and of volume, far ahead of the “Specific Energy ‘EARTHLY’ Substance”-water and the air-“Specific Energy ‘EARTHLY’ Substance”. It is the support of life (biodiversity) and contains most of the residual fossil carbon in various forms of the “Specific Energy EARTH Substance”: coal, gas, oil and carbonate rocks.

Inside the lithosphere, the earth’s crust is separated from the upper mantle by a discontinuity which is marked by a change in the propagation speed of seismic waves, corresponding to a drastic change in the material composing these units of the solid structure, to namely: ultramafic rocks for the lithospheric mantle, basaltic type rocks for the oceanic crust, granulitic type rocks for the lower continental crust, the upper continental crust being granitoid in nature.

Heat transfer in the lithosphere will be by thermal conduction as opposed to heat transfer by convection in the asthenosphere. The temperature gradient is higher in the lithosphere (between 10 and 30 °C/km) than in the asthenosphere (0.3 °C/km).

⁵⁵¹ In geology, a ridge, also called a mid-ocean crest or mid-ocean ridge, is an underwater mountain range, which is found in all ocean basins. It is distinguished from the abyssal plain, the flat part of the oceanic abyssal zone between 5000 and 6000 meters deep, by much less marked depths, typically around 2000 m. A ridge is in the form of a system of reliefs forming a chain, on either side of a marked central rift. The network of these backbones is continuous and extends under the oceans for nearly 60 to 80000 km.

The ocean ridges form the largest continuous mountain chain of the “Specific Energy ‘EARTHLY’ Substance” constituent of this first “Specific Energy ‘EARTHLY’ Habitation Domain”. They constitute a system of relief without discontinuities across all the oceans.

A ridge is not a continuous ridge line: it is formed by a series of many elongated segments, connected by transforming faults.

The Ocean Floor

The lithosphere-asthenosphere limit corresponds to a rheological limit located inside the upper mantle: on both sides, these are the same rocks, of the same chemical composition, but due to variations in physico-mechanical conditions, the mechanical and thermal behaviors are different, moving upward from liquid-type rheology and advective thermal transport to the top of the asthenosphere, to rigid rheology and conductive thermal transport from the base of the lithosphere.

The plates that make up the lithosphere are animated by relative “specific movements” of divergence, convergence or stalling (sliding). The “specific movements” of divergence will reflect a distance of two plates from each other at the level of a ridge; the convergence will translate a coming together of the two plates. Convergence could be a subduction⁵⁵², a plate that will pass under another. There are two cases of subduction, a convergence of a continental and oceanic plate, with the formation of a cordillera⁵⁵³ or an “island arc”⁵⁵⁴. In the second case, the convergence will be between two oceanic plates with the creation of an island arc or a double island arc and a marginal sea formed by the filling of a rear-arc basin. In the case of two continental plates, the two plates collide with a local blockage of the convergence which gives rise to a chain of collision. The quantity of lithosphere in the “Specific Energy ‘EARTHLY’ Substance” constituent of this first “Specific Energy ‘EARTHLY’ Habitation Domain” is always the same and the “specific movements” of convergence and divergence compensate each other.

From this short description, you should also reflect about the work performed by “THE DIVINE FORCE” in the subset of the “Specific Energy ‘EARTHLY’ Substance”, which is called “THE SOLID MATTER” in order to accomplish this third decree of the implementation of the “Second Phase” of “THE HOLY PROJECT”.

Regarding this work that has been performed by “THE DIVINE FORCE” in this subset of the “Specific Energy ‘EARTHLY’ Substance”, which is called “THE SOLID MATTER”, it will said in parables that “THE DIVINE FORCE” plowed Her field to prepare for sowing and facilitate the development of the following crops

⁵⁵² Subduction is the process of sinking a tectonic plate under another plate of lower density, usually an oceanic plate under a continental plate or under a more recent oceanic plate, in a context of convergence.

⁵⁵³ A cordillera is an elongated and narrow mountain range generally resulting from the subduction of an oceanic plate under a continental plate.

⁵⁵⁴ An island arc is a set of volcanic islands (generally with explosive eruptions) arranged in a curved line with a length of the order of a thousand kilometers, or even greater. On the convex side of the arc, which faces the oceanic domain, this volcanic line (or volcanic axis, or volcanic front) is bordered by a deep oceanic trench (6000 m or more), located about 200 km from the volcanoes. In addition, an island arc is a zone of high seismicity: the depth of the foci of earthquakes increases regularly from the pit (superficial seismicity) towards the volcanic axis (depth of the order of 120 km) and reaches up to 600- 700 km under the rear arc area.

that “THE DIVINE”, IHVH, our FATHER has planned to manifest into existence inside the attribute “NON DIVINE”.⁵⁵⁵

You should also reflect about the amount of work in all the details that “THE DIVINE ARCHITECT AND PROJECT MASTER” had deployed to think and conceive all these of “Specific Atomic ‘EARTHLY’ Substances” in “THE SOLID MATTER” through, and to established them, and long before that any of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” was “spoken” into existence; in short, reflect about “THE SCIENCE” behind what “THE DIVINE FORCE” is now producing into existence.

***** Short description of layers of “THE SOLID MATTER”
Zoom out *****

When the “EXPANSION” of that solid structure was somewhat larger in the “Specific Energy ‘EARTHLY’ Substance”, then, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” began to perceive a dense form appearing in this “Specific Energy ‘EARTHLY’ Substance”.

The “EXPANSION” of that solid structure and its reliefs has continued, has appeared outside of the subset of the “Specific Energy ‘EARTHLY’ Substance” that was called “THE WATERS”, of all the variants of the color brown and covered a good part of this subset, following the design that had been established, from eternity, by “THE DIVINE ARCHITECT AND PROJECT MASTER”.

It is so that, “THE DIVINE FORCE” has produced into existence, “THE SOLID MATTER” inside of the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain” and as “THE DIVINE ARCHITECT AND PROJECT MASTER” had designed it.

⁵⁵⁵ The image associated with the expression “plowing a field” is that of the beautiful furrows of plowed fields. As you would already know, to facilitate the development of plants and vegetables, the soil requires good preparation as well as regular maintenance. Plowing then intervenes as an essential operation which makes it possible to prepare a loose soil for the next sowing and for a successful cultivation. Since the early days of agriculture, plowing has been used to turn, mix, and loosen the soil. This action results in rapid mineralization of organic matter in virgin soils, which release nutrients for the next crop. The same is true of this work which has been performed by “THE DIVINE FORCE” in this subset of the “Specific Energy ‘EARTHLY’ Substance”, which is called “THE SOLID MATTER”. Keep in mind that when we talk about nutrients in parables, we are talking about “THE KNOWLEDGE OF THE DIVINE” in all its forms.

The speed with which “THE DIVINE FORCE” had executed the divine instructions carried by “THE WORD OF THE DIVINE” in this third decree of the implementation of the “Second Phase” of “THE HOLY PROJECT”, just as SHE did during the execution of the second decree of the implementation of the “Second Phase” of “THE HOLY PROJECT”, could not be followed by the “Specific ‘CELESTIAL’ Visual Structure” of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”.

The speed with which “THE DIVINE FORCE” had executed those divine instructions is several billion times faster than what the “Specific ‘CELESTIAL’ Visual Structure” of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” can follow.

Only “THE EYE OF THE DIVINE” has the ability to follow such an achievement. The “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” saw only parts of the “Specific Energy ‘EARTHLY’ Substance” swirling and moving under the effects of the work been accomplished by “THE DIVINE FORCE”, and they saw the solid structure appear in “THE WATERS”, then, kept spreading by “EXPANSION” to cover a part of that “Specific Energy ‘EARTHLY’ Substance”.

This was another demonstration of the application, to the “Specific Energy ‘EARTHLY’ Substance”, of the “movement”, considered in its manifestations under all its forms and all scales, and the state of equilibrium expected from the “movement”. The consolidated products associated with the state of equilibrium here, include, among other things, “THE SOLID MATTER”, with various degrees of cohesion of its constituents “Specific Atomic ‘EARTHLY’ Substances”, in all its reliefs and internal irrigation canals.

On this Third Day of the implementation of the “Second Phase” of “THE HOLY PROJECT”, “THE DIVINE FORCE” has processed and arranged the core three life elements of the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain” in their manner of being: “THE WATERS” (or the processed “THE LIQUID MATTER”), “THE SOLID MATTER” (also designated as “THE EARTH MATTER”, al designated as “THE GROUND”), and “THE AIRS” (or the processed “THE LIGHTWEIGHT MATTER”).⁵⁵⁶

⁵⁵⁶ We leave it to you to make the connection with “THE BODY OF THE DIVINE” and its three core components, so that you exercise your capacities of discernment: Third Day, Three Core Component (WATER, EARTH, AIR) ⇒ LIFE symbol. Remember also these are manifested metaphors and that all these three core components are inside the manifested “Specific Septenary Equilibrium Zone”.

Subsequently, “THE DIVINE”, IHVH, our FATHER has consolidated, in their manner of being, all the products of the “specific work” accomplished by “THE DIVINE FORCE” during the achievement of the first emission of “THE WORD OF THE DIVINE” in this third decree of the implementation of the “Second Phase” of “THE HOLY PROJECT”: each product in itself and having its own designation.⁵⁵⁷

At the second emission of “THE WORD OF THE DIVINE” in this third decree of the implementation of the “Second Phase” of “THE HOLY PROJECT”, “THE WORD OF THE DIVINE” carried with it the subsequent divine instructions of the third decree of the implementation of the “Second Phase” of “THE HOLY PROJECT”.

מִי
הַ
סֵּפֶר

As we have explained already, regarding “THE SEAT OF THE INTELLECT”, truly a growing medium of “THE INTELLECT” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, as long as the “DIVINE PRIMARY WEALTH” that “THE DIVINE”, IHVH, our FATHER would have chosen to share in the “‘SPIRIT’ Specific State” with this attribute “NON DIVINE”, are not yet shared with this attribute “NON DIVINE” but rather remain in “THE DIVINE”, IHVH, our FATHER, then the attribute “NON DIVINE” and all that it contains as “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” cannot know about the existence of these “DIVINE PRIMARY WEALTH”, nor would they know about themselves as manifestations in the “‘SPIRIT’ Specific State” of the metaphors of “DIVINE PRIMARY WEALTH” that already exist in “THE DIVINE”, IHVH, our FATHER, or know anything else about “HE WHO IS”. The manifestations of the metaphors of the “DIVINE PRIMARY WEALTH” in the “‘SPIRIT’ Specific State” inside the attribute “NON DIVINE” possess their existence in this attribute “NON DIVINE” only as a seed of “THE KNOWLEDGE OF THE DIVINE” in the “‘SPIRIT’ Specific State”, so that this existence can be compared to that of an embryo of “THE KNOWLEDGE OF THE DIVINE” in the “‘SPIRIT’ Specific State”. “THE DIVINE”,

⁵⁵⁷ As we have indicated in one previous annotation, by the time that “THE DIVINE”, IHVH, our FATHER has emitted “THE WORD OF THE DIVINE” in this decree of the implementation of the “Second Phase” of “THE HOLY PROJECT”, these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” knew not about these earthly products.

With the unfolding of the realisation of these decrees of the implementation of the “Second Phase” of “THE HOLY PROJECT”, these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” were indeed in the “Classroom” of “THE DIVINE FORCE”, whose intention was to rectify the deficiency of “THE KNOWLEDGE OF THE DIVINE” that had taken place inside “THE SEAT OF THE INTELLECT” in the “‘SPIRIT←SPIRIT’ Body” these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”.

IHVH, our FATHER generated these manifestations of the metaphors of HIS own “DIVINE PRIMARY WEALTH”, in the state of seed of “THE KNOWLEDGE OF THE DIVINE” in the “‘SPIRIT’ Specific State” before they came into existence inside the attribute “NON DIVINE”. HE also planned for these manifestations of the metaphors of HIS own “DIVINE PRIMARY WEALTH”, not only that they would exist for HIM, in the “‘SPIRIT’ Specific State”, but that they would also exist for themselves, each as an “intellectual substance”. In the purpose to rectify the deficiency of “THE KNOWLEDGE OF THE DIVINE” that had taken place in “THE SEAT OF THE INTELLECT” in the “‘SPIRIT←SPIRIT’ Body” of “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, “THE DIVINE”, IHVH, our FATHER intended to demonstrate this concept of the seed of “THE KNOWLEDGE OF THE DIVINE” to these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, so that they would come to understand and know not only about themselves and the manifestations of metaphors of “DIVINE PRIMARY WEALTH” that had already been expressed in each of them as a seed of “THE KNOWLEDGE OF THE DIVINE” and did not develop to their “PLENITUDE” in the “‘SPIRIT’ Specific State”, but so that these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” may perceive “HE WHO IS”.

“THE DIVINE FORCE” instantly received those divine instructions carried by “THE WORD OF THE DIVINE” in this second emission in the third decree of the implementation of the “Second Phase” of “THE HOLY PROJECT” and SHE started to work, untiring and invisible to the entirety of “THE CELESTIAL HOST” watching, being Herself the invisible science which is hidden in “THE WHOLE”.

Using the elements of “THE ‘LIGHT’ REASON” which are available in “The ALTAR of ‘THE DIVINE’” which is inside “THE SHEKINAH”, “THE DIVINE FORCE” created the sequence of “SOUNDS” that are associated with these divine instructions and SHE made instantly manifest outside of “THE SHEKINAH”, that sequence of “SOUNDS”, thus allowing the entirety of “THE CELESTIAL HOST” to hear it.

That sequence of “SOUNDS” was translated into human language by a series of expressions that roughly means:

“

*LET “THE SOLID MATTER” BRING FORTH
THE “‘EARTHLY’ VEGETAL CREATURE” AFTER ITS KIND!*

”

Deployed in the entirety of the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain” which is immersed in the “Specific Energy ‘SPIRITUAL’ Substance”, “THE DIVINE FORCE” has continued Her work.

SHE has arranged a multitude of sets of “Specific Atomic ‘EARTHLY’ Substances” constituents of the “Specific Energy ‘EARTHLY’ Substance” and SHE has created all the structures associated to the “Vegetal ‘EARTHLY’ Creatures” affected by this third decree of the implementation of the “Second Phase” of “THE HOLY PROJECT”; these include, among others, the “Vegetal ‘EARTHLY’ Creatures” that the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” in “THE CELESTIAL HOST” had “chosen” during the tasks, which were assigned to them in view of the implementation of the “Second Phase” of “THE HOLY PROJECT”.

Once those structures were created, into existence in “THE SOLID MATTER”, then, “THE DIVINE FORCE” has nourished them all, sprouted them and instantly grew them to reach appropriate proportions. All those structures associated to the “Vegetal ‘EARTHLY’ Creatures” began to appear in the surface of “THE SOLID MATTER”, green and growing gradually in their proportions.

Subsequently, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” began to perceive those “Vegetal ‘EARTHLY’ Creatures” growing gradually in their proportions, while covering the surface of “THE SOLID MATTER” visible both in the inside as well as outside of the subset of the “Specific Energy ‘EARTHLY’ Substance” that was called “THE WATERS”.

The process continued and all these “Vegetal ‘EARTHLY’ Creatures” reached their size and stability prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”.

A good part of these “Vegetal ‘EARTHLY’ Creatures”, which were visible outside of the subset of the “Specific Energy ‘EARTHLY’ Substance” that was called “THE WATERS”, beared smaller structures, of which those that will be called: “fruits” in all their sizes, shapes, colors and perfume; as well as those which seemed to be more complex and more thin and that will be called: “flowers” in all their sizes, shapes, colors and fragrance.

This was also another demonstration of the application, to the “Specific Energy ‘EARTHLY’ Substance”, of the “movement”, considered in its manifestations under all its forms and all scales, and the state of equilibrium expected from the “movement”.

The “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures” of the “MALAK” instance in “THE CELESTIAL HOST”, who were guided by “THE DIVINE FORCE” and knew not that it is “THE DIVINE FORCE” who had entrusted them their tasks and who guided them in reality, but who believed and have always believed that it is by themselves that they had accomplished the work on the design of these “Vegetal ‘EARTHLY’ Creatures”, were filled with joy at the view of this manifestation into existence of their work in “THE SOLID MATTER”.

It is so that, “THE DIVINE FORCE” has produced into existence all the “Vegetal ‘EARTHLY’ Creatures” after their kind and with their own seed in this subset which was called “THE SOLID MATTER”, following the core model that “THE DIVINE ARCHITECT AND PROJECT MASTER” had designed, and following the multitude of “Characters” of the “Vegetal” type that the “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures” in “THE CELESTIAL HOST” had “chosen” during the tasks, which were assigned to them in view of the implementation of the “Second Phase” of “THE HOLY PROJECT”.

The speed with which “THE DIVINE FORCE” had executed the divine instructions carried by “THE WORD OF THE DIVINE” in this second emission of this third decree of the implementation of the “Second Phase” of “THE HOLY PROJECT”, could not either be followed by the “Specific ‘CELESTIAL’ Visual Structure” of the “SPIRIT←SPIRIT” ‘CELESTIAL’ Creature”.

The speed with which “THE DIVINE FORCE” had executed those divine instructions is several billion times faster than what the “Specific ‘CELESTIAL’ Visual Structure” of the “SPIRIT←SPIRIT” ‘CELESTIAL’ Creature” can follow.

Only “THE EYE OF THE DIVINE” has the ability to follow such an achievement. The “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures” saw only the structures of those living “Vegetal ‘EARTHLY’ Creatures” appearing into existence on the surface of “THE SOLID MATTER”, as coming from nowhere, and covering it as “THE DIVINE ARCHITECT AND PROJECT MASTER” had designed it.

From the perspective of the “Specific Energy ‘EARTHLY’ Substance”, those “Vegetal ‘EARTHLY’ Creatures” that “THE DIVINE FORCE” has carved and produced into existence in the “Specific Energy ‘EARTHLY’ Substance” and by the achievement of this second emission of “THE WORD OF THE DIVINE” in this third decree of the implementation of the “Second Phase” of “THE HOLY PROJECT”, are and remain “INDISTINCT FORMS OF THE SPECIFIC ENERGY ‘EARTHLY’ SUBSTANCE”; that is, cohesive subsets carved in the “Specific Energy ‘EARTHLY’ Substance”.

It is so that, “THE WORD OF THE DIVINE”, emitted from “THE DIVINE DOMAIN” outside of the attribute “NON DIVINE”, was accomplished by “THE DIVINE FORCE”, in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”.

Through the achievement of this third decree of the implementation of the “Second Phase” of “THE HOLY PROJECT”, “THE DIVINE FORCE” has brought forth:

- It is in the hydrosphere and in the biosphere that the continuous cycling of matter (water, carbon, hydrogen, nitrogen, oxygen, phosphorus, and sulfur), and an accompanying flow of appropriate solar radiation will take place for sustaining the

conditions of life. Through those biogeochemical cycles of matter, layers of “Specific Atomic ‘EARTHLY’ Substances” will be continuously displaced, consumed, rearranged, stored, and used throughout the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”. All life in this first “Specific Energy ‘EARTHLY’ Habitation Domain” will depend the proper functioning not only of the atmosphere, of the hydrosphere, of the biosphere, and of the lithosphere, but of all the remaining layers of “Specific Atomic ‘EARTHLY’ Substances” below the lithosphere. The biosphere will receive gases, heat, and appropriate solar radiation (energy) through the atmosphere. It receives water from the hydrosphere and a living medium from the lithosphere.

All the layers of “Specific Atomic ‘EARTHLY’ Substances” that have been organized by “THE DIVINE FORCE” inside the “Specific Energy ‘EARTHLY’ Substance” interact adequately with each other and for the proper functioning of

the first “Specific Energy ‘EARTHLY’ Habitation Domain”. NOTHING WAS DONE AT RANDOM BY “THE DIVINE FORCE”!

Through the achievement of this third decree of the implementation of the “Second Phase” of “THE HOLY PROJECT”, “THE DIVINE FORCE” has manifested once again several teachings describing aspects of “THE DIVINE”, IHVH, our FATHER, that were not known to the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, and which would allow them to move forward and grow in “THE KNOWLEDGE OF THE DIVINE”.

The living “‘EARTHLY’ Vegetal Creature” that will be called the “Plant”, in all its aspects, is the core metaphor used for education in the concepts associated with “THE KNOWLEDGE OF THE DIVINE”.

The “Plant” is thus the symbol that has been associated with the human creature; not only the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, but also his following and which will be manifested in the model that follows that of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

As for the “fruits” that are produced and beared by the “plant”, they are expressions of the products of the “specific work” accomplished by creatures of “THE DIVINE”; in the case of the human creature, it will be the “specific work” accomplished both by “THE SEAT OF THE INTELLECT” in the “Specific Energy ‘SPIRIT’ Substance” and “The ALTAR of ‘THE DIVINE’” which is covered by the “Specific Energy ‘SPIRIT’ Substance”, working together as conjoints in agreement in the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

It is so that, all the models we have described, are truly schematics, representations of the fundamental constituents of a complex divine object, including the functional relationships existing between these constituents, but reduced to the essence of what can be described in the attribute “NON DIVINE”, by manifestations of metaphors and by using a single and same symbol for teaching and where all the information is given accurately. This unique symbol for teaching is what is called: “THE TREE”, or “THE PLANT”, in all its forms. All these “Vegetal ‘EARTHLY’ Creatures” that have been manifested in the existence in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, on this Third Day of the implementation of the “Second Phase” of “THE HOLY PROJECT”, and at the sight of all the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who did not understand this teaching, are representations of this symbol of teaching concerning the work that “THE DIVINE FORCE” has accomplished within “THE DIVINE DOMAIN”, from eternity through “THE DIVINE SUPREME CONFIGURATION” and long before

that the attribute “NON DIVINE” was the object of a project.⁵⁵⁸ Some products of this work have led to other more refined end products that are called: “fruits”, and which will be representations of the expressions of the products of the “specific work” accomplished by creatures of “THE DIVINE”. The tasks which lead to the actual realization of all these products, all bear the indications concerning the paths followed by “THE DIVINE FORCE” in the realization of all these products derived from “THE DIVINE SUPREME CONFIGURATION”, its essential aspects and qualities, and its seven constituent “Divine particles”.⁵⁵⁹

Therefore, by covering the surface of “THE SOLID MATTER” with “Vegetal ‘EARTHLY’ Creatures” after their kind, bearing “fruits” and having their seed in “THE SOLID MATTER”, “THE DIVINE FORCE” had planned to lead the multitude of “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of “THE CELESTIAL HOST”:

⁵⁵⁸ You, as products of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, are representations of this symbol and you carry another representation of that same symbol inside each of you.

⁵⁵⁹ It is for the purpose to lead human creatures to understand this, that “THE DIVINE FORCE” has proclaimed Her Eulogy, when SHE had spoken to elder MOSES, the one who received the Tablets of the Decalogue when he was still living on Earth down here, and that was expressed in these terms:

“...

I grew up like a cedar of Lebanon, like the cypress on the heights of Hermon.

I grew up like the palm of Ein-Guédi, like plants of rosebushes in Jericho, like a magnificent olive tree in the plain, like a plane tree I grew up.

Like the cinnamon and the acanthus I gave perfume, like choice myrrh I embalmed, like the Galbanum, the Onyx, the labdanum, like the steam of incense in the Tent.

I have deployed my twigs like the Terebinthus, and my reaches are full of grace and majesty.

Like a vine, I produced graceful shoots, and my flowers gave fruits of glory and richness.

...”

Read more, with explanations, in the section concerning the details of annotations — Annotation on the Eulogy of “THE DIVINE WISDOM”.

1. To discern and to understand not only the inaccessible from the accessible and to grasp “THE TRUTH” inaccessible, inscrutable, and invisible, which is represented by the plant of “THE KNOWLEDGE OF THE DIVINE”; but also
2. To discern and to understand that “THE DIVINE”, IHVH, our FATHER, has established to deploy the knowledge of Himself — that is, “THE KNOWLEDGE OF THE DIVINE”, in its countless forms and according to their types as “THE DIVINE ARCHITECT AND PROJECT MASTER” has classified them as products of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” that “THE DIVINE” has consolidated in Himself and that HE has chosen to share with the attribute “NON DIVINE” — and through human creatures who come into existence in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”.

Just as in “THE CELESTIAL HOST” and on each of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, “THE DIVINE FORCE” had sowed and deployed abundantly the knowledge of “THE DIVINE”, IHVH, our FATHER, like a great LIGHT inside of the “Specific Energy ‘CELESTIAL’ Domain”, likewise, through the achievement of this third decree of the implementation of the “Second Phase” of “THE HOLY PROJECT”, “THE DIVINE FORCE” had planned to lead them to understand that SHE will cover the surface of this first “Specific Energy ‘EARTHLY’ Habitation Domain” with “THE KNOWLEDGE OF THE DIVINE”, through human creatures, in order to rectify the deficiency of “THE KNOWLEDGE OF THE DIVINE” that had taken place in “THE SEAT OF THE INTELLECT” in the “‘SPIRIT←SPIRIT’ Body” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”.

The achievement of this third decree of the implementation of the “Second Phase” of “THE HOLY PROJECT”, by “THE DIVINE FORCE”, was also a teaching addressed to these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” themselves, so that they come to understand that: as much as they were, myriads of “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, “THE DIVINE FORCE” has brought them up and has educated all of them: simultaneously, in groups, or individually, so that they could develop in themselves “THE KNOWLEDGE OF THE DIVINE”, just as those “Vegetal ‘EARTHLY’ Creatures” that have been produced into existence after their kind and bearing “fruits”.

By the achievement of this third decree of the implementation of the “Second Phase” of “THE HOLY PROJECT”, “THE DIVINE FORCE” has shaped the “Specific Energy ‘EARTHLY’ Substance” and has made the first “Specific Energy ‘EARTHLY’ Habitation Domain” habitable: SHE has built the domain of residence of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” that has not yet been brought forth into existence; SHE has prepared the lullaby of the child to be brought forth into existence inside that domain of residence.

Consequently, “THE DIVINE FORCE” has invited the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, talking to them directly, through the “telepathic wavelength”, also as in communication by “VISION”, to descend and enter in this first “Specific Energy ‘EARTHLY’ Habitation Domain”.

The purpose of the invitation was to allow them to see and discover by themselves the manifested aspects of “THE DIVINE”, IHVH, our FATHER, that were not known to “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”. As we have indicated already throughout the previous chapters of these writings, it is about discerning the “LIGHT” that is hidden in the “LIGHT”; it is about the discernment and understanding of the inaccessible from the accessible and to grasp “THE TRUTH” inaccessible, inscrutable, and invisible, which is represented by the plant of “THE KNOWLEDGE OF THE DIVINE”.

An additional purpose of this invitation was to allow them to understand through observation of the manifested “Vegetal ‘EARTHLY’ Creatures” that have been produced into existence after their kind and bearing “fruits”, how they, as “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, are seen through “THE EYE OF THE DIVINE”.⁵⁶⁰

⁵⁶⁰ It is to make such things understood, that CHRIST more often has used the notion of plant in the parables that HE gave to human creatures; to the example of the “wheat plant” in the Parable of the Weeds and which, like all the parables that HE gave has its origin in the “Specific Energy ‘CELESTIAL’ Domain” and among the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”.

“THE DIVINE FORCE” had gave such teachings to those “ADONA’IM”, in those days after the announcement of the “Second Phase” of the implementation of “THE HOLY PROJECT”, in an endeavor to bring them to climb down from the heights of their “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, to bring them to understand who they are themselves and how they are seeing seen through “THE EYE OF THE DIVINE”. But these “ADONA’IM” rejected those teachings and that is why their ex-public figure, in his bitterness and having lost his mind, was saying:

“... IHVH would have you believe that we are but a layer of all His wonders. ...”.

Following this invitation, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” entered in this first “Specific Energy ‘EARTHLY’ Habitation Domain” and were able to see and discover by themselves, feel with their own hands the truths that are into existence in the “‘SPIRIT’ Specific State” and which were made manifest in another existence, this time outside of the “‘SPIRIT’ Specific State”, by the work that has been accomplished by “THE DIVINE FORCE”.

The “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who have publicly rejected the ordinance of the “specific spiritual formation” of “THE CHURCH” from “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — and about this “Second Phase” of “THE HOLY PROJECT” and the implementation of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who had declared themselves to be smarter and wiser than “THE DIVINE”, IHVH, our FATHER, have also followed the invitation, although reluctantly, reluctant to see the arguments of “THE DARKNESS” in which they were to evaporate in front of the arguments of “THE LIGHT” manifested.

Once was accomplished this third decree of the implementation of the “Second Phase” of “THE HOLY PROJECT”, and that the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” were able to see for themselves the truths that are into existence in the “‘SPIRIT’ Specific State” and which were made manifest in another existence, this time outside of the “‘SPIRIT’ Specific State”, then, “THE DIVINE FORCE” returned the “‘SPIRIT←SPIRIT’ Body” of each “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” in their existence in the “Specific Energy ‘CELESTIAL’ Domain”, adjourning the “Classroom”.

Back in the “Specific Energy ‘CELESTIAL’ Domain”, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who “in façade” had accepted “THE DIVINE”, IHVH, our FATHER and all that HE is, received again a little more of “THE KNOWLEDGE OF THE DIVINE” and others among them were provided in abundance from these teachings that “THE DIVINE FORCE” has manifested by accomplishing this third decree of the implementation of the “Second Phase” of “THE HOLY PROJECT”.

Several of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” that have openly rejected “THE DIVINE”, IHVH, our FATHER and all that HE is, although they were still in an extreme upheaval, since the previous day, had been able to see and discover for themselves, touching with their own hands the truths that are into existence in the “‘SPIRIT’ Specific State”.

Seeing that several of his supporters who had followed him into his transgressions were at the edge of the repentance, AZAZEL has gather them together and revealed them that the way back was no longer possible because they have spilled the “Specific ‘CELESTIAL’ Blood” and had thus sealed their own destruction that would occur because the strength of “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — was already deployed to accomplish this goal.

You will think that these elders of the creation, on both sides of the two warring factions, and who like to qualify themselves as the “most intelligent children” of IHVH, have used their “superior brains” and have learnt something from all the teachings that “THE DIVINE FORCE” has deployed in Her “Classroom” and in front of all of them, WELL NO! They learnt nothing at all. In the depths of their “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, they only realized that the implementation of the “Second Phase” of “THE HOLY PROJECT” was moving forward and their “worst nightmare” — the creation of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, who will receive that “LIGHT”, which became their new object of covetousness and rivalries — was about to become a reality.

Both the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who “in façade”⁵⁶¹ had accepted “THE DIVINE”, IHVH, our FATHER and all that HE is, and those who have publicly rejected him, were all traumatized and worried by “THE CELESTIAL WAR” that broke out two days ago inside of the “Specific Energy ‘CELESTIAL’ Domain” in the “Plane Above”.

⁵⁶¹ Having miserably failed to know about “THE DIVINE FORCE”, who is “THE MEDIATOR OF THE DIVINE”, “THE MESSENGER OF THE DIVINE”, who is the only intermediary between “THE DIVINE”, IHVH, our FATHER and the attribute “NON DIVINE”, they have “toed the line” behind the Archangel MICHAEL, believing that he was in the “same league” with “THE DIVINE”, IHVH, our FATHER, and believing that, as such, they have accepted “THE DIVINE”, IHVH, our FATHER. The actions that these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” will perpetrate afterwards and all along the unfolding of this “Second Phase” of “THE HOLY PROJECT” will truly reveal and be a testimony of where they stand with respect to “THE DIVINE”, IHVH, our FATHER.

To accept “THE DIVINE”, IHVH, our FATHER is equivalent with (that is to say, does not present a difference, is at the same degree of extension, and the canonical form of which is “is equal to”) TO STAND IN “PURITY” AND HOLD YOUR GROUND IN “PURITY”, THE ETERNAL SYMBOL OF THE GLORY OF “THE DIVINE FORCE”, and this mean: TO BE FAITHFUL TO “THE DIVINE FORCE”.

It is so that, this trauma added to the reality of their “worst nightmare”, will prevailed on the call to common sense.

The whole “Specific Energy ‘CELESTIAL’ Substance” constituent of the “Specific Energy ‘CELESTIAL’ Domain”, which was already burdened by the impurities of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” caused by the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, and soiled by the “Specific ‘CELESTIAL’ Blood” which has been spilled several times during “THE CELESTIAL WAR” in the previous two days, bubbled up far more above the critical threshold of the state of “CHAOS”, contrary to the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”.

משה

The deceit that the Archangel MICHAEL had put in place and which was maintained by the Archangel GABRIEL, was about to fail, but was still blocking the “Specific ‘CELESTIAL←SPIRITUAL’ Frontier” of “THE SHEKINAH”, preventing the surpluses of “‘SPIRIT’ specific supply of subsistence” which were produced and emitted by “The ALTAR of ‘THE DIVINE’” which is inside “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — to flow in the “Specific Energy ‘CELESTIAL’ Substance” constituent of the “Specific Energy ‘CELESTIAL’ Domain” and to cleanse it of its filth.

דב

It is so that, AZAZEL and all the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of “THE CELESTIAL HOST” who have joined him and who, through their “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, openly put in jeopardy the good implementation of the “Second Phase” of “THE HOLY PROJECT”, were still been protected from the destruction by the radiation and the strength of the force emitted by “The ALTAR of ‘THE DIVINE’” which is inside “THE SHEKINAH”.

As we have already indicated, for the Archangel MICHAEL and the “ADONA’IM”, the threat to the existing hierarchy of communication with “THE DIVINE”, which had hitherto been already established through “THE SHEKINAH” and through which all the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” indulged themselves with the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, was not in “THE CELESTIAL HOST”, but this threat was rather their following: the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

It is so that, “THE CELESTIAL WAR” that broke out two days ago inside of the “Specific Energy ‘CELESTIAL’ Domain” in the “Plane Above” and which was momentarily interrupted, will resume its course unabated and with much more violence than it had been during the two previous days.

The “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” will flout all the teachings they had received of “THE DIVINE FORCE”; using these teachings to inflict damage to each other and with the purpose to destroy and to kill each other.

“THE DIVINE FORCE” and thus “THE DIVINE”, IHVH, our FATHER, been in “THE SUPREME PLENITUDE”, were wondering still why despite the abundance of teaching that “THE DIVINE FORCE” had manifested through the accomplishment of these firsts three decrees of the implementation of the “Second Phase” of “THE HOLY PROJECT”, in the purpose to rectify the deficiency of “THE KNOWLEDGE OF THE DIVINE” that had taken place in “THE SEAT OF THE INTELLECT” in the “‘SPIRIT←SPIRIT’ Body” of “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” continued to trample not only the “Specific Energy ‘CELESTIAL’ Substance” constituent of the “Specific Energy ‘CELESTIAL’ Domain”, but also the “Specific Energy ‘SPIRITUAL’ Substance” containing this “Specific Energy ‘CELESTIAL’ Domain”, and hindered the action of “The ALTAR of ‘THE DIVINE’” which is inside “THE SHEKINAH”.

All the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” were in the battle, which was raging everywhere throughout the “Specific Energy ‘CELESTIAL’ Domain”, and even inside “THE CELESTIAL TABERNACLE” in front of “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” —, they fought in there, ruthless to each other, showing, as such, how much consideration for “THE DIVINE”, IHVH, our FATHER, and how much “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” they had in themselves; that is, they had NONE. Most of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” were thus revealing in the sight of all, the darkness of their competencies and dexterity, from the depths of the prison in which “THE SEAT OF THE INTELLECT” in their “‘SPIRIT←SPIRIT’ Body” was locked.

The battle lasted for a long time, until the moment when the Archangel MICHAEL and AZAZEL clashed.⁵⁶² The Archangel MICHAEL, using his “KHEREV” loaded with the “specific generative energy” of “THE SHEKINAH”, put an end to this

⁵⁶² Some details of “THE CELESTIAL WAR”, looking from the perspective of “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, are part of the chronicles of the conflict of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and in which they describe their prowess of the absence of “THE KNOWLEDGE OF THE DIVINE” and their works of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”. Those chronicles have already been delivered to the human by the name of David Aguilar, and are available online on the Internet.

confrontation by splitting in the middle and ripping asunder the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” called AZAZEL.

AZAZEL screamed out in agony, and under the effect of the pain resulting from the splitting caused by the “KHEREV” of the Archangel MICHAEL, his personality was laid bare and at the sight of all those who were watching.

From the splitting caused by the “KHEREV” of the Archangel MICHAEL, a “Specific Energy ‘CELESTIAL’ Substance” constituent of the “Specific ‘CELESTIAL’ Garment”, spilled out of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” called AZAZEL. The bright white color of that “Specific Energy ‘CELESTIAL’ Substance” constituent his “Specific ‘CELESTIAL’ Garment” transformed at the contact with the “Specific Energy ‘CELESTIAL’ Substance” constituent of the “Specific Energy ‘CELESTIAL’ Domain”, and froze on the bright red color.

Subsequently, the shape of AZAZEL melted and stretched, transforming this time into the “Character” that he had chosen, when the task to choose a “Character” for oneself was assigned, in order to identify himself by manifestation of the metaphor in the new “Specific Energy ‘EARTHLY’ Substance”.

That “Character” which he had chosen was now appearing into existence: a form with twelve wings, not white, not feathers and having no resemblance to those of others “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, but having the likeness of a thick black leather and covered with scales. The organ that was his head, before this open split caused by the “KHEREV” of the Archangel MICHAEL, now fragmented into seven new heads, each stretched and twisted into a scary face.

The middle head had two horns, and each of the other six had one; and for AZAZEL, who had the task to facilitate the education of “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” younger than him, those eight horns were his understanding of the “specific spiritual formation” of “THE CHURCH” from “THE SHEKINAH”. That “Character” had a horn on each of his shoulders. His arms and legs thickened and grew fierce dagger-like claws, and from his back now hung a long, heavy tail.

The “Specific Radiance ‘SPIRITUAL’ Aureole” which had previously covered his “Specific ‘CELESTIAL’ Garment” before this open split, disappeared and on each of its seven heads appeared a dull red diadem, which for him was to indicate to “THE CELESTIAL HOST” that he has crowned himself (self-proclaimed) to be a “god”. As we have already indicated, “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed and established the tool designated as “THE COLOR” and

which was intended to make sensitive what is not naturally visible to the perception and to reveal the qualities of the manifested metaphor of the “LIGHT” that is hidden in the “LIGHT”, from which arises “THE KNOWLEDGE OF THE DIVINE”. To the manifested metaphors of the three “Core Formative Divine State”, which are the “‘SPIRIT’ Divine State”, the “‘LIGHT’ Divine State”, and the “‘GOD’ Divine State” whose child is the “‘LIGHT’ Divine State”, “THE DIVINE FORCE” has associated three manifested metaphors of the three “Core COLORS” designated as: the color “BLUE”, which is associated with the manifestation of the metaphor of the “‘SPIRIT’ Divine State”; the color “YELLOW”, which is associated with the manifestation of the metaphor of the “‘LIGHT’ Divine State”; and the color “RED”, which is associated with the manifestation of the metaphor of the “‘GOD’ Divine State”. Thus was that color “RED”, which AZAZEL chose for the diadem, which he crowned himself with.

All the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” present, both those who “in façade” had accepted “THE DIVINE”, IHVH, our FATHER and all that HE is, and those who have publicly rejected him, gasped in terror at the view of this horrible transformation.

As we have already said, “THE DIVINE FORCE” had assigned to the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” in “THE CELESTIAL HOST” which had acquired enough knowledge, the particular task, to each of them, to choose a “Character” for oneself, so that each of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” can reflect on itself, describing through the chosen “Character”, its own vision of existence and also its own vision of “THE DIVINE”.

Therefore, each “Character” chosen by each of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, in the sense where it involves intellectual, cognitive, and emotional processes, would also be a testimony of both their intellectual growth in “THE KNOWLEDGE OF THE DIVINE” and their affective and emotional growth in “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”: the two factors that enable access to the indescribable joy, the ineffable gladness, and immeasurable state of equilibrium that “THE DIVINE” has chosen to share with the attribute “NON DIVINE”.

The discernment of the “Character” that a “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” would have chosen would allow the following of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” to understand three values that the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” will unconsciously express in his “Character” and about both his intellectual growth in “THE KNOWLEDGE OF THE DIVINE” and his

affective and emotional growth in “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”.

Therefore, this twelve-winged “Character” having the likeness of a thick black leather and covered with scales, seven heads having a total of eight horns, and each head with a dull red diadem, two more horns on his shoulders, thick arms and legs with fierce claws like daggers, and on his back a long and heavy tail, was for AZAZEL his own vision of existence and also his own vision of “THE DIVINE”, and which he has inferred from all the teachings that “THE DIVINE FORCE” poured on them, through the process of education through enlightenment when SHE was trying to bring them to understand that which is “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” that “THE DIVINE” has consolidated in Himself and that HE has chosen to share with the attribute “NON DIVINE”.

Having failed to grasp the core of the teachings that “THE DIVINE FORCE” had poured abundantly on them, about “THE DIVINE”, that twelve-winged “Character” was all that had learned the one dimensional point who took itself to be akin to the seven dimensions totality of which it is merely a projection following a specific angle and with a specific intensity of projection; that twelve-winged “Character” was the life summary of the one dimension point who has self-proclaimed itself to have outgrown in intelligence and wisdom, “THE DIVINE”, IHVH, our FATHER, the seven dimensions totality.

This was the end of the confrontation and also “THE CELESTIAL WAR” that broke out two days ago inside of the “Specific Energy ‘CELESTIAL’ Domain” in the “Plane Above”.

The whole “Specific Energy ‘CELESTIAL’ Substance” constituent of the “Specific Energy ‘CELESTIAL’ Domain”, was so soiled that the surpluses of “‘SPIRIT’ specific supply of subsistence” which were produced and emitted by “The ALTAR of ‘THE DIVINE’” which is inside “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — in addition to the surpluses that had been produced the previous days and that had been blocked by the deceit that the Archangel MICHAEL had implemented, have exploded the “Specific ‘CELESTIAL←SPIRITUAL’ Frontier”.

It is so that, this deceit put in place by the Archangel MICHAEL who also considered himself to be smarter and wiser than “THE DIVINE”, IHVH, our FATHER, and having decided in their “obscurity” and absence of “WISDOM” that the future “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” is a “MISTAKE OF THE

CREATION”, had hindered three days long the action of “The ALTAR of ‘THE DIVINE’” which is inside “THE SHEKINAH”.

The important flow of the surpluses of “Specific Atomic ‘SPIRIT’ Substances” that were available in the “Specific Energy ‘SPIRIT’ Substance” constituent of “THE SHEKINAH” and which had been produced as a result of the continual generation by “EXPANSION” of the “Specific Atomic ‘LIGHT’ Substances” constituents of the “Specific Energy ‘LIGHT’ Substance” of “The ALTAR of ‘THE DIVINE’” which is inside “THE SHEKINAH”, broke the walls of the “CELESTIAL TABERNACLE” which then, collapsed, and the structure of the building also collapsed.

Before that “The ALTAR of ‘THE DIVINE’” which is inside “THE SHEKINAH” could be exposed without protection to the “Specific Energy ‘CELESTIAL’ Substance” and that the special “specific event” of the “EXPANSION” could occur and spread in the whole “Specific Energy ‘CELESTIAL’ Domain”, “THE DIVINE FORCE” intervened and protected “The ALTAR of ‘THE DIVINE’”.

The foundations of the whole “Specific Energy ‘CELESTIAL’ Domain” were shaken to the point of breaking, but while protecting “The ALTAR of ‘THE DIVINE’”, “THE DIVINE FORCE” has retained these foundations in place, leaving the purification process run its course from the surpluses of “Specific Atomic ‘SPIRIT’ Substances” constituents of the “Specific Energy ‘SPIRIT’ Substance”, itself a constituent of “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’”.

Consequently, this surplus of pure “Specific Atomic ‘SPIRIT’ Substances”, containing crude and very high “‘SPIRIT’ specific supply of subsistence”, and constituent of the “Specific Energy ‘SPIRIT’ Substance”, itself constituent of “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — which was a mystery for all the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, has spilled in the “Specific Energy ‘CELESTIAL’ Substance” constituent of the “Specific Energy ‘CELESTIAL’ Domain”.

It is so that, these pure “Specific Atomic ‘SPIRIT’ Substances”, containing crude and very high “‘SPIRIT’ specific supply of subsistence”, have begun to spread gradually in the “Specific Energy ‘CELESTIAL’ Substance”, purifying both the “Specific Atomic ‘SPIRITUAL’ Substances” constituents of the “Specific ‘SPIRITUAL’ Environment” external to “THE SHEKINAH”, and the “Specific Atomic ‘CELESTIAL’ Substances” constituents of this “Specific Energy ‘CELESTIAL’ Domain”: an in-depth purification, a cataclysm for all that, which is

impure and thus for all the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” that have openly rejected “THE DIVINE”, IHVH, our FATHER and all that HE is, and who had on them the mark of “DEATH”.

“THE DIVINE”, IHVH, our FATHER had instructed “THE DIVINE FORCE” to spare only the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who “in façade” had accepted “THE DIVINE”, IHVH, our FATHER and all that HE is.

Therefore, with the exception of these latters that were spared and regenerated, also cleaning them from their impurities, on the passage of this flow of “Specific Atomic ‘SPIRIT’ Substances”, containing crude and very high “‘SPIRIT’ specific supply of subsistence”, everything else was being destroyed by the passage of the flow of the “Specific Energy ‘SPIRIT’ Substance”, itself constituent of “THE SHEKINAH” and which was spreading in the “Specific Energy ‘CELESTIAL’ Substance” constituent of the “Specific Energy ‘CELESTIAL’ Domain”, and was flooding the “Specific Energy ‘CELESTIAL’ Domain”. This was the first large scale “FLOOD” of the symbol of life (which for the “Specific Energy ‘CELESTIAL’ Domain”, is the “Specific Energy ‘SPIRIT’ Substance” constituent of “THE SHEKINAH”) to occur in the attribute “NON DIVINE”; this was “THE CELESTIAL FLOOD” in the “Specific Energy ‘CELESTIAL’ Domain”.⁵⁶³

The “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” that have openly rejected “THE DIVINE”, IHVH, our FATHER and all that HE is, and who thus had on them the mark of “DEATH”, were burning, agonizing in pain, some tried to commit suicide by themselves.⁵⁶⁴

⁵⁶³ It is from this event, “THE CELESTIAL FLOOD”, that, later during the course of the unfolding of the “Second Phase” of “THE HOLY PROJECT”, the “ADONA’IM” will draw their idea for producing a similar event, this time, in the first “Specific Energy ‘EARTHLY’ Habitation Domain”, using the symbol of life which for this first “Specific Energy ‘EARTHLY’ Habitation Domain” is that which has been called “THE WATERS”, in order to erase from existence all human creatures.

⁵⁶⁴ This was meant to be the conclusion of the parable of the Weeds that has its origin in the “Specific Energy ‘CELESTIAL’ Domain” but who will not see its conclusion in the “Specific Energy ‘CELESTIAL’ Domain”; because when the time of the harvest came, some creatures with deceit motives, will change the course of events and prevent that the Weeds be burned.

It is so that, the weeds which had been tied in bundles to be burned, were not burned, but rather were planted in another field in which the MAN had planned to sow another good seed, and this new fields was given to the enemy of the MAN before that the MAN begins to sow this other good seed.

While the “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures” who “in façade” had accepted “THE DIVINE”, IHVH, our FATHER and all that HE is, were spared and regenerated, and with the exception of “The ALTAR of ‘THE DIVINE’” which is inside “THE SHEKINAH”, which was protected by “THE DIVINE FORCE”, everything else, living structures and inanimate structures alike, all the shapes that had been carved in the “Specific Energy ‘CELESTIAL’ Substance” constituent of the “Specific Energy ‘CELESTIAL’ Domain” exploded and dissolved on the passage of this flow of pure “Specific Atomic ‘SPIRIT’ Substances”, containing crude and very high “SPIRIT” specific supply of subsistence”.

All the symbols that these “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures” had produced in the “Specific Energy ‘CELESTIAL’ Substance” constituent of the “Specific Energy ‘CELESTIAL’ Domain”, and that were symbolical representations of the constituents of their “SPIRIT←SPIRIT” Body”, which they had no knowledge about, like “The ALTAR of ‘THE DIVINE’” that is inside their “SPIRIT←SPIRIT” Body”, all those symbols were exploding and dissolving on the passage of this flow of pure “Specific Atomic ‘SPIRIT’ Substances”, containing crude and very high “SPIRIT” specific supply of subsistence”. This also indicated the destruction, and all those damages and cracks, which had occurred inside their “SPIRIT←SPIRIT” Body” and that they could not see through their “Specific ‘CELESTIAL’ Visual Structures”, and which were now manifested in large scale and that they could now perceive with their own “Specific ‘CELESTIAL’ Visual Structures”, their own “eyes”.

It is such destruction, damages and cracks, which already occurred in the “SPIRIT←SPIRIT” Body” of all those “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures” who, back then in their bitterness after the announcement of the “Second Phase” of the implementation of “THE HOLY PROJECT”, when they came to understand that “... *None amongst them, who are elders of the creation, but a new creature will receive and carry the manifestation of “THE UNION”* ...”, and as a token of defiance and rejection of “THE DIVINE”, IHVH, our FATHER, and all that HE represents, have transgressed the unique commandment — “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” — that “THE DIVINE”, IHVH, our FATHER, gave them through “THE DIVINE FORCE” and have torn out their “protective veil”, which is constructed using “Specific Atomic ‘CELESTIAL’ Substances” and that is part of the “Specific ‘CELESTIAL’ Garment”, and have exposed their “Specific ‘CELESTIAL’ Visual Structure”

Read more in the section concerning the details of annotations — Annotation on the parable of the weeds.

Back then, inside the “CELESTIAL TABERNACLE”, with the refined (not crude) luminous radiation emanating directly from “THE SHEKINAH” crossing their unprotected “Specific ‘CELESTIAL’ Visual Structure”, the shock wave caused by the transfer of a power surge at the contact of the luminous radiation emanating directly from “THE SHEKINAH” with the “Specific Energy ‘SPIRIT’ Substance” constituent of their “‘SPIRIT←SPIRIT’ Body” also caused fractures and cracks in their “‘SPIRIT←SPIRIT’ Body”.

In the same conditions and context, the same cause always produces the same effect, and the same effect never arises but from the same cause. Here, the transgression of the unique commandment — “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” — has led to the occurrence of all kinds of negligences. These negligences in turn led to the increased occurrence of “IMPURITY” in all its forms and in which these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” stood and embraced. Standing in their “IMPURITY” in all its forms, they have generated wilful misconducts, offspring of “IMPURITY” in all their forms. These wilful misconducts in their turn led to the occurrence of the rupture of the structures of protection of the “created energy” emanating directly from “THE SHEKINAH”: on the one hand, some of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have deliberately tore their “protective veil”, and secondly, the structural integrity of the “Specific ‘CELESTIAL←SPIRITUAL’ Frontier” protecting “THE SHEKINAH” did not hold under the weight of the generated and accumulated surplus of pure “Specific Atomic ‘SPIRIT’ Substances”, containing crude and very high “‘SPIRIT’ specific supply of subsistence”, and constituent of the “Specific Energy ‘SPIRIT’ Substance”, itself constituent of “THE SHEKINAH”; these surpluses which must be appropriately regulated in order to maintain a well-defined state of equilibrium of the “Specific Energy ‘CELESTIAL’ Substance”. These ruptures of the structures of protection led to the outpouring of the “created energy” emanating directly from “THE SHEKINAH” and flowing into the “Specific Energy ‘CELESTIAL’ Substance” external to the “Specific Energy ‘SPIRIT’ Substance” constituent of “THE

SHEKINAH” and that is not designed to keep in check that “created energy”. The outpouring and subsequent spread of that “created energy” emanating directly from “THE SHEKINAH” into the “Specific Energy ‘CELESTIAL’ Substance” as unsuitable “created environment” (unsuitable in the sense that it was not designed to keep in check the “created energy” emanating directly from “THE SHEKINAH”), has led to the dismantling of the structural integrity of the assembled structures of the “Specific Energy ‘CELESTIAL’ Substance” constituent of the “Specific Energy ‘CELESTIAL’ Domain”.⁵⁶⁵

This was also a large-scale demonstration of the concept of “DEATH”, as a result of the transgression of the unique commandment — “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” — and without any external intervention whatsoever.

While the “Specific Energy ‘CELESTIAL’ Substance” constituent of the “Specific Energy ‘CELESTIAL’ Domain” was being purified in-depth, down to its constituents “Specific Atomic ‘CELESTIAL’ Substances”, the unthinkable will happen:

Using the teachings that he had learned from “THE DIVINE FORCE” and that would allow him to pass from the “Specific Energy ‘CELESTIAL’ Domain” to the others “Specific Energy ‘EARTHLY’ Habitation Domains” that would be created in the “Plane Below”, it is then, that the Archangel MICHAEL and the Archangel GABRIEL opened a tunnel between the “Specific Energy ‘CELESTIAL’ Domain” and the first “Specific Energy ‘EARTHLY’ Habitation Domain” which had just been made habitable. Opening such a tunnel does not happen “just like that”, out of the blue; it requires adequate training and the Archangel MICHAEL and the Archangel GABRIEL have spent time training extensively on performing such operation. Hence, the premeditated aspect of this disastrous action carried out by the Archangel MICHAEL and the Archangel GABRIEL.

⁵⁶⁵ Do you think that with this large scale deployment of this flow of “Specific Atomic ‘SPIRIT’ Substances”, containing crude and very high “‘SPIRIT’ specific supply of subsistence”, these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, self-declared “most intelligent children” of IHVH, in their obscurity, will come to grasp and understand what had happened inside the “‘SPIRIT←SPIRIT’ Body” of all those amongst them who have exposed their “Specific ‘CELESTIAL’ Visual Structure” unprotected against luminous radiation emanating directly from “THE SHEKINAH”, inside the “CELESTIAL TABERNACLE”? WELL NO!

Through this tunnel, they instantly transported and hurled in the first “Specific Energy ‘EARTHLY’ Habitation Domain”, all the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” that have openly rejected “THE DIVINE”, IHVH, our FATHER and all that HE is, and which thus carried with them all their filth and the mark of “DEATH”, and which were in the process of being erased from existence through the flow of the pure “Specific Atomic ‘SPIRIT’ Substances”, containing crude and very high “‘SPIRIT’ specific supply of subsistence”, and which was in ongoing process in the “Specific Energy ‘CELESTIAL’ Domain”.⁵⁶⁶

Once “THE DIVINE FORCE” and therefore “THE DIVINE”, IHVH, our FATHER, saw that action from the Archangel MICHAEL, an action that was in contradiction with his own commitments to “THE SHEKINAH” and by deceiving the confidence that “THE DIVINE”, IHVH, our FATHER had placed on him, while the “Specific Energy ‘CELESTIAL’ Substance” was being purified in-depth of its filth, it is then, that the word “BETRAYAL” came into existence.

Until nowadays, no “BETRAYAL” has equated that of that action perpetrated consciously with intent to harm and by the Archangel MICHAEL against “THE DIVINE”, IHVH, our FATHER. This was the worst of “BETRAYALS” that someone could suffer; this “BETRAYAL” that “THE DIVINE”, IHVH, our FATHER had suffered that day from those that HE considered as his “CHILDREN”, to the point that HE entrusted them with important tasks in the implementation of this “Second Phase” of “THE HOLY PROJECT”.

Inside the “HUBRIS Spiritual Veil”, which was now frozen like a mist on “THE SEAT OF THE INTELLECT” in the “‘SPIRIT←SPIRIT’ Body” of each of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, without exceptions in “THE CELESTIAL HOST”, to the point that they have already thrown “THE KNOWLEDGE OF THE DIVINE” into oblivion, into exile, it is so that, this

⁵⁶⁶ When looking through “THE EYE OF THE DIVINE”, far above from outside of the attribute “NON DIVINE”, the appearing of that tunnel and the transfer of all those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” that have openly rejected “THE DIVINE”, IHVH, our FATHER and all that HE is, and which thus carried with them all their filth and the mark of “DEATH”, is shown by the appearance all of a sudden of a “large black spot”, a “giant black mass of filth”, from the heights of the “MURKY VOID”, where the “Specific Energy ‘CELESTIAL’ Domain” is located, and like a “black shooting star” (you are familiar with “shooting stars”, or have seen one in your lifetime) it crossed the “MURKY VOID”, falling down, and that “giant black mass of filth” crash-landed on the first “Specific Energy ‘EARTHLY’ Habitation Domain” in which you now lives, and started spreading in it. That is how those fallen “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” entered this earthly world in which you are living. See “Vision of August 18, 2005”.

“BETRAYAL” will mark the enthronement and the beginning of the reign of obscurity and his disciples and princes, the reign of the absence of “THE KNOWLEDGE OF THE DIVINE” and his disciples and princes, over all creation. With this “BETRAYAL”, obscurity “has ascended on its own throne”⁵⁶⁷ inside the “HUBRIS Spiritual Veil”, and started its reign over all creation, with the support of all its disciples and princes, and it has splitted its own territory into two, each these two territories hogging a part inside the whole territory delimited by the “HUBRIS Spiritual Veil”, and from which two new “kings” both of them, vassals to obscurity, have also ascended each on their own throne.

It is so that, “THE DIVINE FORCE” and therefore “THE DIVINE”, IHVH, our FATHER, being in “THE SUPREME PLENITUDE”, and having been sent into exile in “THE NORTH” (in parables, “THE NORTH” refers to the place where “HE WHO IS ABOVE” is) by these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, instantly understood the “MALICE” and the shenanigans that the Archangel MICHAEL and all the “ADONA’IM” who, to the point of wanting to sacrifice the “Specific Energy ‘CELESTIAL’ Domain”, have grown in their “‘SPIRIT←SPIRIT’ Body”.

Since long before the first Day of the implementation of the “Second Phase” of “THE HOLY PROJECT”, all the “ADONA’IM”, and not only those who had been assigned “THE GUARDIANSHIP OF THE SHEKINAH”, but all the other archangels elders of the creation, had being aware of the “HUBRIS COVENANT”, concluded between the Archangel MICHAEL and AZAZEL, and by which they had already decided to give the first “Specific Energy ‘EARTHLY’ Habitation Domain” as a future dwelling home for AZAZEL and his supporters.

In view of all the violence and the destruction in all their forms which had taken place in the “Specific Energy ‘CELESTIAL’ Domain”, in the entirety of “THE CELESTIAL HOST”, since the announcement of the implementation of the “Second Phase” of “THE HOLY PROJECT”, and this destruction that has crowned in this Third Day of the implementation of the “Second Phase” of “THE HOLY PROJECT”, what would become of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”?

⁵⁶⁷ This is said in parables to help you develop your discernment skills and to understand the representations of expressions in the “Specific ‘SPIRITUAL’ Language” that is used in communications by “VISIONS”. Thus, the expression “has ascended on its own throne” in pictures in the “Specific ‘SPIRITUAL’ Language”, means “has culminated and reached its peak, the highest degree it could reach”.

Was it “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” which was reflected in this behavior of the Archangel MICHAEL, the “ADONA’IM”, and the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” on both sides?

By pulling out the filth from the in-depth purification process that was ongoing in the “Specific Energy ‘CELESTIAL’ Domain” and by placing these filth in the place of residence of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, was that, for them, a way of acknowledging that they have understood the teachings that “THE DIVINE FORCE” has manifested in front of all of them on this very Third Day and telling them that SHE will cover the surface of this first “Specific Energy ‘EARTHLY’ Habitation Domain” with “THE KNOWLEDGE OF THE DIVINE”, through human creatures, in order to rectify the deficiency of “THE KNOWLEDGE OF THE DIVINE” that had taken place in “THE SEAT OF THE INTELLECT” in the “‘SPIRIT←SPIRIT’ Body” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”?

By pulling out the filth from the in-depth purification process that was ongoing in the “Specific Energy ‘CELESTIAL’ Domain” and by placing these filth in the place of residence of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, was that an act of grace that the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” were doing to the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” who had not even been created into existence?

What would have happen if “THE DIVINE ARCHITECT AND PROJECT MASTER” had not designed the proportionality factors that define the laws of change of frame of reference, between “THE ABSOLUTE FRAME OF REFERENCE” defined by “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” in “THE DIVINE” and “THE FRAME OF REFERENCE OF THE ATTRIBUTE ‘NON DIVINE’” in the attribute “NON DIVINE”, and that “THE DIVINE FORCE” had applied on these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, but if rather “THE DIVINE FORCE” had expressed on these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” the “DIVINE PRIMARY WEALTH” in all of their powers as they are inside “THE DIVINE DOMAIN”?

What would have happen if these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” came to discover how “THE DIVINE FORCE” moves from the attribute “NON DIVINE” to “THE DIVINE DOMAIN”? Wouldn’t they not have sent all the filth directly to “THE DIVINE DOMAIN”?

In their “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, although they did not know that they were less than atoms in front of “THE DIVINE”, were ready to

attack directly “THE DIVINE” because HE chose to express the manifestation of metaphor of the “‘SPIRIT←LIGHT’ INDISTINCT DIVINE FORM” on a creature other than the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”.⁵⁶⁸

By throwing in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, AZAZEL and all the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of “THE CELESTIAL HOST” that had rallied with him, the Archangel MICHAEL thus perpetrated adultery with the teachings that he had received from “THE DIVINE FORCE”, with blatant disregard to his commitment to “THE WILL” of “THE DIVINE”, IHVH, our FATHER, and instead he has chosen to honor the “HUBRIS COVENANT” that he had concluded with AZAZEL, and giving to AZAZEL possession of the first “Specific Energy ‘EARTHLY’ Habitation Domain” in which “THE DIVINE”, IHVH, our FATHER had planned to create into existence the “‘SPIRIT←LIGHT’

⁵⁶⁸ Later during the course of the “PROJECT OF THE REDEMPTION” for which “THE DIVINE FORCE” will create CHRIST into existence among human creatures, a replica of this situation in which “THE DIVINE”, IHVH, our FATHER, had ended up with these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, will be manifested through CHRIST, when he will choose those twelve disciples and among whom the one has betrayed him to acquire material wealth, those “thirty” pieces of silver, and will deliver CHRIST to the cross. You are aware of what had been done to CHRIST by that disciple there, but you do not connect the “dots”, you do not discern, and you do not understand that it was in fact an expression, shown this time in the sight of all, of this “TREASON” that these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had perpetrated against “THE DIVINE”, IHVH, our FATHER. Why precisely this number “thirty” in those “thirty” pieces of silver? Why not another amount other than those “thirty” silver coins? In parables, it is said that they have traded their “PURITY”, which is symbolized by the number “thirty”, for greed and others progeny of the works of “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” and which are symbolized by the “pieces of silver”. Go to “THE DIVINE FORCE” and you will learn things.

Such replicas, in this “Specific Energy ‘EARTHLY’ Substance”, of those situations which had occurred in the “Specific Energy ‘CELESTIAL’ Domain”, are due to the properties of reflection (such as a mirror) of this “Specific Energy ‘EARTHLY’ Substance”. Look at that which is called “WATER” and understand through insight. These properties had been established in order to reflect the aspects of “THE DIVINE”, IHVH, our FATHER, but this “TREASON” perpetrated on this third Day, will upset things and turn everything to catastrophe.

‘EARTHLY’ Creature”. All the “ADONA’IM” and the archangels most eldest of the creation knew about this “HUBRIS COVENANT”.⁵⁶⁹

⁵⁶⁹ Read more in the section concerning the details of annotations — Annotation on the conversation between the Archangel MICHAEL and the Archangel ZA’AFIEL, extracted from the archives on the unfolding of the open conflict in the “Specific Energy ‘CELESTIAL’ Domain”.

Read also more in the section concerning the details of annotations — Annotation on the conversation between the Archangel AS’FAEL and the Archangel ANAEL, extracted from the archives on the unfolding of the open conflict in the “Specific Energy ‘CELESTIAL’ Domain”.

As we have pointed out already, later, during the course of the “Second Phase” of “THE HOLY PROJECT”, and during the course of the “PROJECT OF THE REDEMPTION” for which “THE DIVINE FORCE” will create CHRIST into existence among human creatures, AZAZEL will reveal the object of this “HUBRIS COVENANT”, when through the communication by “VISIONS” in the “Specific ‘SPIRITUAL’ Environment”, he was attempting to bring down CHRIST, by saying (Matthew 4:8-9):

“...

Again, AZAZEL took CHRIST to a very high mountain and showed him all the kingdoms of the world and their splendour [this is about the first “Specific Energy ‘EARTHLY’ Habitation Domain” and all that it contains]. “All this I will give you,” he said, “if you will bow down and worship me.”

...”

“... All this ...” refers to his “HUBRIS COVENANT”-“belongings”, that is to say, this first “Specific Energy ‘EARTHLY’ Habitation Domain” and all that it contains, and which the Archangel MICHAEL gave him through their “HUBRIS COVENANT”. As such, he was also revealing the object of this “HUBRIS COVENANT”, which he had concluded with the Archangel MICHAEL: their “HUBRIS COVENANT” gave him possession of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, long before that the first manifestation of the model of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” was produced into existence inside this first “Specific Energy ‘EARTHLY’ Habitation Domain”.

In Luke 4:5-7, it is more explicitly recorded in these terms:

“...

*And, AZAZEL led CHRIST up to a very high place and showed him in an instant all the kingdoms of the world [this is about the first “Specific Energy ‘EARTHLY’ Habitation Domain” and all that it contains] and said to CHRIST. “I will give you authority over all these kingdoms and all their glory, for **it** [this is about the first “Specific Energy ‘EARTHLY’ Habitation Domain” and all that it contains] **has been given to me**, and I can give it to anyone I wish. If you bow down and worship me, it will all be yours.”*

...”

“PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” which was nothing more than an appearance in “THE SEAT OF THE INTELLECT” in their “‘SPIRIT←SPIRIT’ Body”, the blanket behind which these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” hid their “MALICE” and their true “nature”, had evaporated. They were all wearing the masks of convenience (masks of sanity), trying to hide what was in “THE SEAT OF THE INTELLECT” in their “‘SPIRIT←SPIRIT’ Body”, and to intentionally do that, which is “WRONG”, that, which is “UNJUST”, that, which is “INCORRECT”, by insidious ways, by cunning and deceit. In doing so, they have derailed the course of the implementation of “THE HOLY PROJECT”.

Think for a moment: have you ever heard of a dwelling place that could house at the same time he who is in the image of “THE DIVINE” and he who has openly declared himself the enemy of “THE DIVINE”? That enemy that vowed to seize all that, which belongs to “THE DIVINE”?

Recall the vision communication that “THE DIVINE FORCE” had sent to the Archangel ZEPHON, and regarding what were to happen to the “Specific Energy ‘CELESTIAL’ Domain” and the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, who were in the absence of “THE KNOWLEDGE OF THE DIVINE” and who would choose to reject “THE DIVINE”, IHVH, our FATHER and all that HE is? At that time, long before that the actual implementation of the “Second Phase” of “THE HOLY PROJECT” started, the Archangel ZEPHON did not know what it was and he qualified it using another word provided by “THE DIVINE FORCE” — through the process of education through enlightenment, which we have described already, and through which SHE fulfilled all their “Wishes”, their “Desires” —, and which translates in the human language as: “SHEEMAMON”, meaning “desolation”; a state of complete decay, collapse, disintegration, devastation and destruction, the condition of a place that is empty of life, with nothing pleasant in it.

By throwing in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, AZAZEL and all the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of “THE CELESTIAL HOST” that had rallied with him, the Archangel MICHAEL thus threw “SHEEMAMON”, in

As such, AZAZEL, was speaking about this “HUBRIS COVENANT”, which he had concluded with the Archangel MICHAEL, and which gave him possession of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, long before that the first manifestation of the model of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” was produced into existence inside this first “Specific Energy ‘EARTHLY’ Habitation Domain”.

the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”: moving “SHEEMAMON” from the “Specific Energy ‘CELESTIAL’ Domain” and placing it in the first “Specific Energy ‘EARTHLY’ Habitation Domain”.⁵⁷⁰

Consequently, “THE DIVINE”, IHVH, our FATHER understood that the Archangel MICHAEL and the “ADONA’IM” had put in place all these shenanigans for one purpose: the destruction of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, and at that moment, “THE DIVINE”, IHVH, our FATHER knew that HE was not at the end of surprises: HE understood that the worst was yet to come, as these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” are all prone to the Governing Law of the Behavior and cannot escape it, and they were all standing in their own “DISGRACE”, “IMPURITIES”, and “LIES”.⁵⁷¹

As we have indicated already, as long as the “DIVINE PRIMARY WEALTH” that “THE DIVINE”, IHVH, our FATHER would have chosen to share with this attribute “NON DIVINE”, are not yet shared with this attribute “NON DIVINE” but rather remain in “THE DIVINE”, IHVH, our FATHER, then the attribute “NON DIVINE” and all that it contains as creatures cannot know about the existence of these “DIVINE PRIMARY WEALTH”, nor would they know about themselves as manifestations of the metaphors of “DIVINE PRIMARY WEALTH” that already exist in “THE DIVINE”, IHVH, our FATHER, or know anything else about “HE WHO IS”.

In much the same as it is with any enterprise business, the activities which were established by “THE DIVINE ARCHITECT AND PROJECT MASTER” and were designed to support realization of “THE DIVINE”, IHVH, our FATHER’s undertaking to share HIS great “DIVINE WEALTH” with the attribute “NON DIVINE”, include projects and operations activities. They have fundamentally different objectives.

A project is a sequence of unique, complex, and connected activities having one goal or purpose and that must be completed by a specific time, with available resources, and according to specifications established by “THE DIVINE ARCHITECT AND PROJECT MASTER”. It is a temporary effort undertaken to bring into existence inside the attribute “NON DIVINE”, a manifestation of the

⁵⁷⁰ A replica of this is widespread amongst human creatures, and in their business landscapes, they have come to call it: “Risk Management and Transfer”. Sounds familiar?

⁵⁷¹ See vision of August 18, 2005; See also the conversation of October 01, 2005, Aristide with CHRIST.

metaphor of a unique “DIVINE PRIMARY WEALTH” that already exists in “THE DIVINE”, IHVH, our FATHER. Such manifested product is carrier of “THE KNOWLEDGE OF THE DIVINE”, which is not yet available in the attribute “NON DIVINE”; it is associated with a well-defined convergence point in “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”. The purpose of a project is to attain its objectives and then terminate. Such projects originate as a result of alignment with the products of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” and, as such, exist alongside operations and within a portfolio of other projects which were established by “THE DIVINE ARCHITECT AND PROJECT MASTER”, long before that the attribute “NON DIVINE” was produced into existence by “THE DIVINE FORCE”. These projects are therefore utilized as a mean of achieving “THE DIVINE”, IHVH, our FATHER’s undertaking strategy, which was established by “THE DIVINE ARCHITECT AND PROJECT MASTER”, and also before that the attribute “NON DIVINE” was produced into existence. These projects conclude when their specific objectives have been attained and “THE KNOWLEDGE OF THE DIVINE” is transmitted to the attribute “NON DIVINE” and all that it contains already as creatures.

Operational activities are ongoing, perpetual, and repetitive efforts, the purposes of which are to sustain, in conformity with the specifications which were established by “THE DIVINE ARCHITECT AND PROJECT MASTER”, all that the attribute “NON DIVINE” contains already. These are a part of these operational activities that had already been shown to ENOCH, of whom METHUSELAH is the descendant, and which he described in the writings that he had left to mankind.

Without those projects, the attribute “NON DIVINE” and all that it contains as creatures cannot know about the existence of these “DIVINE PRIMARY WEALTH”, nor would they know about themselves as manifestations of the metaphors of “DIVINE PRIMARY WEALTH” that already exist in “THE DIVINE”, IHVH, our FATHER, or know anything else about “HE WHO IS”.

By this action accomplished by the Archangel MICHAEL, who was entrusted the leader task to facilitate the good implementation of the “Second Phase” of “THE HOLY PROJECT”, and who, as the “PRINCIPAL” instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, was kept abreast of the project of the creation of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” within this “Second Phase” of “THE HOLY PROJECT”, he had thus demonstrated and revealed how much “trust” and loyalty in his intentions, that is, zero, he had in “THE DIVINE”, IHVH, our FATHER, who used to keep them abreast of His projects. He had thus demonstrated and revealed where he has chosen to stand

and has resolved to hold his ground: in his own “IMPURITIES” — his own excreta, the mist of residuals of their own “Interpreted THOUGHTS” —, and those “IMPURITIES” do not belong to “THE DIVINE FORCE”.

Consequently, “THE DIVINE”, IHVH, our FATHER decided to never trust a “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, regardless of who that “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” is, and HE decided to no longer keep them abreast of His projects.

“THE WILL” OF “THE DIVINE”, IHVH, OUR FATHER, IN HIS VARIOUS FORMS, AND THE WILL OF ANY THING OTHER THAN “THE DIVINE”, IHVH, CANNOT COEXIST IN THE SAME “ALTAR OF ‘THE DIVINE’”.

It is so that, “THE DIVINE FORCE”, who is “ABSOLUTE PURITY” and who is the veritable “SPIRITUAL FORCE OF LIFE” in the attribute “NON DIVINE”, under the designation of “THE DIVINE WISDOM”, and under the designation of “THE CONFIDENCE OF THE DIVINE”, has moved away from the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, all standing in their “IMPURITIES”, and has ceased to educate them as SHE used to do, through the process of education through enlightenment, which we have described already, and through which SHE used to fulfil all their “Wishes”, their “Desires”.

It is so that, these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” will find themselves in the darkness of illusions (empty of enlightenment) produced by “THE SEAT OF THE INTELLECT” in their “‘SPIRIT←SPIRIT’ Body” and from the mist of residuals of their own “Interpreted THOUGHTS”; for they will no longer receive the illumination — “THE LIGHT” which allows to discern that, which conforms to the specifications that “THE DIVINE ARCHITECT AND PROJECT MASTER” has defined. Their “INTELLIGENCE” will reside in their own “obscurity” that they themselves have begotten and will attach importance to things that have no real value, to things that are not related to “THE DIVINE”, IHVH, our FATHER. It is so that, their “Interpreted THOUGHTS” will also become futile, for they will no longer converge towards the manifestation by metaphors of any product of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” that “THE DIVINE” has chosen to share with the attribute “NON DIVINE”, and as “THE DIVINE ARCHITECT AND PROJECT MASTER” had designed it.

It is so that, all what has remained in these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, are their “innate skills”, their imperfections, and their memories about

the unity, which they once had with “THE DIVINE FORCE” who is “THE PERFECT SEAL OF THE DIVINE”, and which had ceased to exist in them. Thus, being already drowned in the absence of “THE KNOWLEDGE OF THE DIVINE”, with this withdrawal of “THE PERFECT SEAL OF THE DIVINE” away from them, forever they have been weakened even more, in the manner of a female nature deprived of masculinity; for endless times they will remain “IMPERFECT”, that is, without the unity with the component of “PERFECTION” which is “THE DIVINE FORCE”.

It is so that, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” will never take part and have access to the indescribable joy, the ineffable gladness, and immeasurable state of equilibrium that “THE DIVINE” has chosen to share with the attribute “NON DIVINE”, and as “THE DIVINE ARCHITECT AND PROJECT MASTER” had designed it.

From that moment onwards, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” will receive from “THE DIVINE FORCE”, only instructions, without any education purpose established in advance, and for them to be executed to perform operations activities, which are ongoing, perpetual, and repetitive efforts, the purposes of which are to sustain, in conformity with the specifications which were established by “THE DIVINE ARCHITECT AND PROJECT MASTER”, all that the attribute “NON DIVINE” contains already. Following all these actions carried out by the Archangel MICHAEL and the “ADONA’IM” of the two warring parties, inside the attribute “NON DIVINE”, things that will not be within those specifications which were established by “THE DIVINE ARCHITECT AND PROJECT MASTER”, will fall into two categories: (1) those that can be restored, and (2) those that cannot be restored and will be erased from existence. Thus the original purpose that “THE DIVINE”, IHVH, our FATHER, had established himself to share His own “DIVINE PRIMARY WEALTH” with the attribute “NON DIVINE”, will be affected and will not be achieved as originally established; for, several manifestations of the metaphors of the “DIVINE PRIMARY WEALTH” that already exist in “THE DIVINE”, IHVH, our FATHER, will be erased from existence in the attribute “NON DIVINE” and will not be again manifested.

The designation by the “unique word” “CHILD” of “THE DIVINE” was also withdrawn to them; because the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” were not worthy, they were not either worthy to be “Conjoints” of “THE DIVINE FORCE”. Furthermore, because of their “MALICE” and their true “nature”, the adjective/qualifier/designation of “SAINT” has been removed to these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and no longer applies to them. **NO**

“‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, be it their leader, the Archangel MICHAEL, the “ADONA’IM”, the Chiefs of Angelic Orders, the archangels, etc..., NONE OF THESE is designated as “SAINT”!

It is so that, to give themselves some kind of importance, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” then, gave themselves the epithet which is translated to mean: “Servant” of “THE DIVINE”.⁵⁷² “Servant” is that word that the ex-public figure of the circle of the “ADONA’IM” had used the previous day when he harangued the crowd there in front of the “CELESTIAL TABERNACLE” and had said:

“... ”

*Who is strong enough to join me? Let him rise now, or evermore be a **SERVANT** to both IHVH and human!*

...”.

Indeed, he was disclosing loudly what all these “ADONA’IM”, including himself, had been thinking and hiding inside “THE SEAT OF THE INTELLECT” in their “‘SPIRIT←SPIRIT’ Body” and from the mist of residuals of their own “Interpreted THOUGHTS”, since those days back then, when in their bitterness after the announcement of the “Second Phase” of the implementation of “THE

⁵⁷² This is why, when “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” that “THE DIVINE”, IHVH, our FATHER has maintained in the “Specific Energy ‘CELESTIAL’ Domain”, will introduce themselves to you, they always say: “... *I am a “Servant” of THE ETERNAL ...*” and they will not say “... *I am a “CHILD” of THE ETERNAL ...*”.

Even that epithet, they do not deserve it. They are not “... *“Servant” of THE ETERNAL ...*”, since they do not obey to “THE DIVINE”, IHVH, our FATHER, they did not really submitted to “THE DIVINE”, IHVH, our FATHER. They stand at the opposite, adverse, of “THE DIVINE”, IHVH, our FATHER, and in a sense, they, just like their nemesis counterparts who were pulled out of the destruction in the “Specific Energy ‘CELESTIAL’ Domain” and immersed in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, are the “enemy” of “THE DIVINE”, IHVH, our FATHER. For, “*it takes two to tango*”, and the two warring parties of this ongoing “CELESTIAL WAR” are paired in an active and inextricably-related negative manner in destroying the “Second Phase” of “THE HOLY PROJECT”; they are disciples, princes and servants of “obscurity”. Standing and holding their ground in their “IMPURITIES”, “LIES” and “DISGRACE”, they will do what their “nature” is, and it is the deeds that they will perpetrate throughout this “Second Phase” of “THE HOLY PROJECT” against their neighbour, the human creature, which will be the veritable and undeniable testimony written by themselves of their adversity against “THE DIVINE”, IHVH, our FATHER.

HOLY PROJECT”, they came to understand that “... *None amongst them, who are elders of the creation, but a new creature will receive and carry the manifestation of “THE UNION” ...*”.

They thus illustrated their way of seeing the arrangement of things in the “world” in which they lived and they also illustrated once more their absence of knowledge about “THE DIVINE FORCE” — “THE HANDS OF THE DIVINE”, “THE DIVINE WORKER” —. For, he who comes to know “THE DIVINE FORCE” will also instantly understand that, in front of HER, he is reminiscent to a microbe into existence and in front of the Solar Star: How then can such a microbe, which, moreover, do not know how it came into existence and what is awaiting it in the future, be a “Servant” of “THE DIVINE” who created “THE DIVINE FORCE” to work and accomplish the purposes of “THE HOLY PROJECT”?

THE PURPOSE OF “THE DIVINE FORCE” IS TO BE THE CONJOINT OF “THE DIVINE ARCHITECT AND PROJECT MASTER”. She works for the good of Her Conjoint, All the days of her life, She does him good, and not harm: this is not a relationship of “Servitude”. Those who are conjoints work in the same consent and form one common entity.

The “CHILD” of “THE DIVINE”, stands in unity with both his “MOTHER” who is “THE DIVINE FORCE” and his “FATHER” who is “THE DIVINE” and, takes part and has access to the indescribable joy, the ineffable gladness, and immeasurable state of equilibrium that “THE DIVINE” has chosen to share with the attribute “NON DIVINE”, and as “THE DIVINE ARCHITECT AND PROJECT MASTER” had designed it, in “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”.

It is so that, the work that “THE DIVINE” undertakes to perform also belongs to his “CHILD”; it is also the work of the “CHILD”, and there is no relationship of servitude between the two, there is no remuneration any between the two, but there is rather a strong relationship of affection and education between THE FATHER and his “CHILD”: what belongs to THE FATHER, also belongs to the “CHILD” who of his own volition then, takes care of the businesses of his FATHER, and for the affection that he has for his FATHER, because he has understood why his FATHER undertook this work.

Thus the work that the “CHILD” undertakes to achieve is also the work of his FATHER. The “CHILD” works for the cause of his FATHER, in “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”.

The “CHILD” is created into existence so that it can grow up in “THE KNOWLEDGE OF THE DIVINE” and take part and has access to the indescribable joy, the ineffable gladness, and immeasurable state of equilibrium that “THE DIVINE” has chosen to share with the attribute “NON DIVINE”, and as “THE DIVINE ARCHITECT AND PROJECT MASTER” had designed it, in “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”.

It is through the execution of tasks that “THE DIVINE FORCE” entrusts to Her “CHILD” that, the “CHILD” will have to achieve that “PLENITUDE”, and there is no relationship of servitude between the two; that is, executing the tasks is not a bond of servitude, but is rather the learning path that leads to maturity in “THE KNOWLEDGE OF THE DIVINE”, because “THE DIVINE FORCE” Herself is able to perform all of these tasks simultaneously in no time and SHE is capable by Herself to manifest the attribute “NON DIVINE” and everything that “THE DIVINE ARCHITECT AND PROJECT MASTER” had designed to be realized in this attribute “NON DIVINE” and in all their details.

Thus, “THE DIVINE ARCHITECT AND PROJECT MASTER” did not design the manifestations of the metaphors of the “EONS” to which a unique purpose, a unique disposition of “THE INTELLECT OF THE DIVINE”, and a unique disposition of “THE DIVINE FORCE” will have been added, in order to be shared with the attribute “NON DIVINE”, so that they be “Servants” of “THE DIVINE”.

It is because the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who all were all called “CHILDREN” of “THE DIVINE” were not worthy of this status that was withdrawn to them, that they have attributed to themselves the epithet “Servant” of “THE DIVINE”.

He who has lost the status of “CHILD” of “THE DIVINE” and who then pretends to be called “Servant” of “THE DIVINE”, DO NOT TAKE PART AND DO NOT HAVE ACCESS to the indescribable joy, the ineffable gladness, and immeasurable state of equilibrium that “THE DIVINE” has chosen to share with the attribute “NON DIVINE”, and as “THE DIVINE ARCHITECT AND PROJECT MASTER” had designed it, in “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”.

It is so that, the work that “THE DIVINE” undertakes to perform, does not belong to the supposedly designated “Servant” who has no knowledge of the purposes for which “THE DIVINE” would have assigned him that work; the “Servant” is working to get a salary and he expects compensation, recognition, of the work that he has accomplished. The “Servant” works for his own interests that have nothing to do with the cause of “THE DIVINE”, IHVH, our FATHER.

It is so that, the condition of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, regardless of who it is, towards “THE DIVINE”, IHVH, our FATHER, went from that of the “CHILD” to that of the supposedly designated “Servant”.

“THE DIVINE FORCE”, under the designation of “THE DIVINE WISDOM”, and under the designation of “THE CONFIDENCE OF THE DIVINE”, having moved away from the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, accordingly, the plant of “THE KNOWLEDGE OF THE DIVINE” which had been sown in the “‘SPIRIT←SPIRIT’ Body” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and who had grown until the advanced stage of “spiritual childhood” will not anymore receive the elements of fertilization that are the temperature and the enlightenment intensity provided by “THE DIVINE FORCE” and which are necessary for the development of that plant.

By this action accomplished by the Archangel MICHAEL, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” that have openly rejected “THE DIVINE”, IHVH, our FATHER and all that HE is, and which thus carried with them all their filth and the mark of “DEATH”, have been intentionally pulled out of the destruction by the flow of the pure “Specific Atomic ‘SPIRIT’ Substances”, containing crude and very high “‘SPIRIT’ specific supply of subsistence”, which had been accumulated inside of the “SHEKINAH”, and which flooded the “Specific Energy ‘CELESTIAL’ Domain”, and immersed in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”.

And at that moment and at those places where had fallen the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” that have openly rejected “THE DIVINE”, IHVH, our FATHER and all that HE is, and which thus carried with them all their filth and the mark of “DEATH”, both the following were contaminated and turned in the state of “CHAOS”, contrary to the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”:

1. The “Specific Atomic ‘SPIRITUAL’ Substances” constituents of the “Specific Energy ‘SPIRITUAL’ Substance” of the “Specific ‘SPIRITUAL’ Environment” containing the first “Specific Energy ‘EARTHLY’ Habitation Domain”; and
2. The “Specific Atomic ‘EARTHLY’ Substances” constituents of the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”.

In much the same way as was contaminated the “Specific ‘SPIRITUAL’ Environment” containing the “Specific Energy ‘CELESTIAL’ Substance”

constituent of the “Specific Energy ‘CELESTIAL’ Domain”, with the product (reminiscent to “blood”) of the “Specific Energy ‘SPIRIT’ Substance” leaking out, through the “Specific ‘SPIRITUAL←SPIRIT’ Frontier” of the fractured “‘SPIRIT←SPIRIT’ Body” of AZAZEL and all the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of “THE CELESTIAL HOST” who have joined him in his transgressions, so was immediately contaminated the “Specific ‘SPIRITUAL’ Environment” containing “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain” in which they have now been immersed. It is so that, the noxious effects of those reactions which result from the different reactions arising from the contacts between the “Specific Atomic ‘SPIRITUAL’ Substances” and those “Specific Atomic ‘SPIRIT’ Substances” leaking out of the fractured “‘SPIRIT←SPIRIT’ Body” of those fallen “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, were already in the process of spreading back to the “Specific Energy ‘EARTHLY’ Substance” constituent of this first “Specific Energy ‘EARTHLY’ Habitation Domain” in which they have now been immersed. In much the same manner as those noxious effects impaired directly the property of regeneration of structures of that “Specific Energy ‘CELESTIAL’ Substance”, so will be impaired the property of regeneration of structures of this “Specific Energy ‘EARTHLY’ Substance”: as such, the “Specific Energy ‘EARTHLY’ Substance” was also in the process of “dying”. Due to the high density “specific ‘EARTHLY’ coating”, which is far higher than that of the “specific ‘CELESTIAL’ coating”, and that has been used in the design and implementation of the “Plane Below”, the transfer of the effects of those impurities — that is, the state of “CHAOS” contrary to the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER” — from the “Specific ‘SPIRITUAL’ Environment” to the “Specific Energy ‘EARTHLY’ Substance”, will be far less rapid than it occurred in the “Specific Energy ‘CELESTIAL’ Substance” in the “Plane Above”. It was just a matter of time for it to spread with the transmission factor being inversely proportional to the density of the “specific ‘EARTHLY’ coating”; thus much slower that it occurred in the “Specific Energy ‘CELESTIAL’ Substance”.

***** Zoom in, short description of the depth of the noxious effects that disrupt the property of regeneration of the structures of the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”. *****

The “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain” has been poisoned by the immersion in it of those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, who carry with them the mark of “DEATH”. The effects of the malfunctionalities that ensue from that poisoning have affected most “Vegetal ‘EARTHLY’ Creatures”, down to the core of their seed. The manifestation of those effects of malfunctionalities are reflected in the course of time on the “Vegetal ‘EARTHLY’ Creature” morphology, as thorns, spines, and prickles, and in general those spinose structures (sometimes called spinose teeth or spinose apical processes), which are hard, rigid extensions or modifications of leaves, roots, stems or buds with sharp, stiff ends. The leaves of the “Vegetal ‘EARTHLY’ Creature” affected by these effects of malfunctionalities will display malformations (embossing, winding, curled, stunted or filiform leaf blade), coloration anomalies (yellowing, reddening, purple, bronze, etc.), and the flowers will for example display discolored or necrotic streaks, brown to black necrotic lesions and deformation of the petals. All these manifestations of abnormal growth reflected on the morphology of the “Vegetal ‘EARTHLY’ Creature” are the consequences of that “BETRAYAL”, which was perpetrated against “THE DIVINE”, IHVH, our FATHER, on that afternoon of the Third Day of the implementation of the “Second Phase” of “THE HOLY PROJECT”.

At the basis of such manifestations of abnormal growth reflected on the morphology of the “Vegetal ‘EARTHLY’ Creature”, there are very small poisoned structures of the “Specific Energy ‘EARTHLY’ Substance”, which, on contact or after introduction into the “Vegetal ‘EARTHLY’ Creature” and depending on the dose, the mode of penetration, the state of the “Vegetal ‘EARTHLY’ Creature”, are likely to oppose the normal functioning, disrupt certain vital functions, seriously injure the structures of the “Vegetal ‘EARTHLY’ Creature” or lead to its death destruction. Such deleterious/pathogenic structures are poisons. They bear the mark of “DEATH” and are part of the “**TERRIBLE CONSEQUENCES**” of the “BETRAYAL” that was perpetrated against “THE DIVINE”, IHVH, our FATHER, that afternoon of the Third Day of the “Second Phase” of “THE HOLY PROJECT”.

We will use the designation of deleterious/pathogenic/infectious particle, or viral particle, in relation to such very small poisoned structures of the “Specific Energy ‘EARTHLY’ Substance”, smaller poisons, and which oppose the holy functioning of an organism.⁵⁷³ A deleterious/pathogenic/infectious particle in an organism is a

⁵⁷³ Viral, derived from the Latin “vīrus” and meaning “poison”, “toxin”, “venom”, is an adjective coming from the vocabulary of medicine to qualify what is relative or due to a

submicroscopic deleterious foreign structure (generally of the order of 1/10000 millimeter) which, like fungi, is capable of affecting the machinery of the constituents of the susceptible organism, in order to lead to the production of identical copies contained in the original deleterious/pathogenic/infectious particle. Such a deleterious/pathogenic structure, such a poison, is capable of passing through ultrafiltrate filters that do not allow the passage of bacteria.

Going down the size scale, for example, there is a parasitic viral group of plants that presents itself in the form of sticks, which are observable through transmission electron microscopy with enhance visibility at high magnification. The typical representative of this group is the deleterious/pathogenic particle that is designated as the “tobacco mosaic”. It is a positive-sense single-stranded RNA deleterious/pathogenic particle species that infects a wide range of plants, especially tobacco and other members of the family Solanaceae. The infection causes characteristic patterns, such as “mosaic”-like mottling and discoloration on the leaves (hence the name). Positive-strand RNA deleterious/pathogenic particles are a group of related deleterious/pathogenic particles that have positive-sense, single-stranded genomes made of ribonucleic acid. The positive-sense genome can act as messenger RNA (mRNA) and can be directly translated into viral proteins by the ribosomes of the host cell. The genome of the deleterious/pathogenic particle that is designated as the “tobacco mosaic” is composed of a single-stranded RNA of positive polarity, with a length of about 6300 nucleotides. Organized in a simple way, it encodes a limited number of proteins: the components of the replicase of viral origin of 126 kDa and, via translocation, of 183 Kda is produced directly from the viral genome. After purification, it has been shown that they were associated with an eIF-3 type factor produced by tobacco. The other proteins are produced from subgenomic RNAs, These RNAs encode respectively for the movement protein (30 kDa), the capsid protein and for a third protein called 54 kDa. In transmission electron microscopy, the deleterious/pathogenic particle that is designated as the “tobacco mosaic”, is observable and appears as a rod 300 nm long. It is actually made up of 2300 capsid proteins, wrapped around RNA in a helical structure that has 16 1/3 molecules per turn, with a diameter of 18 nm. On electronic micrographs, a central, empty channel is clearly visible. Three nucleotides of the genome are associated with a capsid protein. This structure ensures a remarkable protection of the deleterious/pathogenic particle and explains its exceptional stability. This

“poison”, to a “poisoned substance”, to the metabolites of a “poisonous substance”, which is capable of passing through ultrafiltrate filters.

deleterious/pathogenic particle that is designated as the “tobacco mosaic” has a thermal inactivation point (TIP-thermal inactivation point) of 90°C, which means that it is able to survive a heating of 90°C for 10 minutes. Its assembly begins with a precise association of the viral RNA (at the level of an assembly origin), with groups of capsid proteins self-associating with the conditions of pH and cellular ionic strength.

The deleterious/pathogenic particle that is designated as the “tobacco mosaic” is transmitted mechanically. Upon entry into the cell, ribosomes of cytoplasmic origin associate with the 5' end of the viral RNA and thus facilitate the deencapsidation process. The replicase complex comes into action to allow the synthesis of subgenomic RNAs. These will allow the synthesis of the movement protein rather quickly, which allows the deleterious/pathogenic particle to “move” from cell to cell in the form of a nucleo-protein complex. The 30 kDa protein exerts an effect on the limiting exclusion size of the plasmodesmata to facilitate the passage of the deleterious/pathogenic particle from one cell to another, and is associated with the cell cytoskeleton, to direct the deleterious/pathogenic particle towards the plasmodesmata: this protein is produced rapidly during the viral cycle, but is degraded later. Later, the deleterious/pathogenic particle will produce the capsid protein in abundance and will be assembled. The capsid protein is involved in the “long-distance” movement, as opposed to cell-to-cell movement, of the deleterious/pathogenic particle.

The observed structure of the deleterious/pathogenic particle that is designated as the “tobacco mosaic” will provide an important model for the development of knowledge and the study of other deleterious/pathogenic particles that will affect various organisms.

A deleterious/pathogenic/infectious particle cannot develop/replicate itself in an external environment; it is a cellular parasite, specifically, an endoparasite. A parasite is an organism, which lives within, or on, a host and thrives to the detriment of their host; the host is another organism. The parasite uses the host's resources to fuel its own life cycle. It uses the host's resources to maintain itself into existence. Without a host, a parasite cannot live, grow and facilitate its multiplication. Endoparasites rely on a third organism, known as the vector, or carrier. The vector transmits the endoparasite to the host. For example, the mosquito is a vector for many parasites, including the protozoan known as Plasmodium, which causes malaria.

Most deleterious/pathogenic/infectious particles have either RNA or DNA as their genetic material. The nucleic acid may be single- or double-stranded. The entire

deleterious/pathogenic/infectious particle consists of the nucleic acid and an outer shell of protein. The simplest deleterious/pathogenic/infectious particles contain only enough RNA or DNA to encode four proteins. The most complex can encode 100–200 proteins.

Deleterious/pathogenic/infectious particles can infect all types of life forms, from animals and plants to microorganisms, including bacteria and archaea. Deleterious/pathogenic/infectious particles cannot be viewed with an optical microscope; they can be viewed using an electron microscope and they cannot escape “THE EYE OF THE DIVINE”, just as any “Specific Atomic ‘EARTHLY’ Substance” cannot escape “THE EYE OF THE DIVINE”.

When it is infected by a deleterious/pathogenic/infectious particle, the machinery of the constituents of the susceptible organism can suffer malfunctions and lead to the production of identical copies contained in the original deleterious/pathogenic/infectious particle. When they are not inside the infected constituents of an organism or when they are infecting the constituents of an organism, the deleterious/pathogenic/infectious particles exist in the form of independent particles, consisting of: (i) the infectious particle genetic material, i.e. long molecules of DNA or RNA that encode the structure of the proteins by which the infectious particle acts; (ii) a protein coat, the capsid, which surrounds and protects the genetic material; and in some cases (iii) an outside envelope of lipids. The shapes of these deleterious/pathogenic/infectious particles range from simple helical and icosahedral shapes to more complex structures. Most deleterious/pathogenic/infectious species are too small to be seen under a light microscope, because they are one hundredth the size of most bacteria.

The surface of such infectious particles includes many copies of one type of protein that binds, or adsorbs, specifically to multiple copies of a receptor protein on a susceptible host cell. This interaction determines the host range of an infectious particle and begins the infection process. The entering infectious particle genetic material may still be accompanied by inner viral proteins, although in the case of many bacteriophages, all capsid proteins remain outside an infected cell. The genome of most DNA-containing infectious particles that infect eukaryotic cells is transported (with some associated proteins) into the susceptible host cell nucleus, where the cellular DNA is, of course, also found. Once inside the susceptible host cell, the viral DNA hijacks and interacts with the host's machinery for transcribing DNA into mRNA. The viral mRNA, which is produced then is translated into viral proteins by host-cell ribosomes, tRNA, and translation factors, and, of course, waste material is produced in the hijacked process, which do not take into account the many “invisible specific processes”

taking place concurrently and in synchronously — remember that the cells of the “Subjective ‘EARTHLY’ Garment” are powered by the “‘SPIRIT←LIGHT’ Body” that will wear the “Subjective ‘EARTHLY’ Garment”. Such infectious particle related waste is not produced when the original cell host machinery for transcribing DNA into mRNA is functioning as it was designed and established by “THE DIVINE ARCHITECT AND PROJECT MASTER” and implemented by “THE DIVINE FORCE”. The produced waste in the infected cell will be cleared out by the lysosomes — functioning as part of the waste disposal system of the cell — and the resulting garbage will be deposited outside of the infected cell, which will become as such a target for destruction by T lymphocytes (Natural Killers).

Bacteria are microscopic, single-celled organisms that exist in their millions, in every environment, both inside and outside other organisms. Bacteria are a few micrometres in length and they have a number of shapes, ranging from spheres to rods and spirals. They can be viewed using regular optical microscopes.

This short description is intended to make you grasp the depth of the poisoning of the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain” by the immersion in it of those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who carry with them the mark of “DEATH”. Thus, you will come to understand the depth of the disaster and the **“TERRIBLE CONSEQUENCES”** of the “BETRAYAL” that was perpetrated against “THE DIVINE”, IHVH, our FATHER, that afternoon of the Third Day of the “Second Phase” of “THE HOLY PROJECT”. In a later chapter, we will return to the concepts of proteins, cells, RNA and DNA and their constituents.

***** Short description of the depth of the noxious effects that disrupt the property of regeneration of the structures of the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”,

Zoom out *****

As such, that which is designated as the “CURSE”, or also the “CALAMITY”, from AZAZEL and all the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of “THE CELESTIAL HOST” who have joined him in his transgressions, was effectively spreading at low speed in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain” in which they have now been immersed.

Just as the degree of presence of “THE SPECIFIC SPIRITUAL FORCE OF LIFE” in the “Specific ‘SPIRITUAL’ Environment” external and immediate around the any creature, is catalyst of state of “HARMONY” of that creature with “THE DIVINE”, IHVH, our FATHER, in much the same, the degree of presence of those impurities in the “Specific ‘SPIRITUAL’ Environment” external and immediate around any creature, is catalysts of the state of “CHAOS” in that creature, contrary to the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”. As we have explained already in the chapter concerning the functioning of the “Specific Energy ‘SPIRIT←LIGHT’ Bridge” model, any “DISEASE” in a “Specific Energy ‘SPIRIT←LIGHT’ Bridge” which is in a state of “CHAOS”, contrary to the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”, is caused by failure of the degree of presence of “THE SPECIFIC SPIRITUAL FORCE OF LIFE” in the “Specific ‘SPIRITUAL’ Environment” external and immediate around the “Specific Energy ‘SPIRIT←LIGHT’ Bridge”. Thus, the degree of presence of those impurities in the “Specific ‘SPIRITUAL’ Environment” external and immediate around any creature, is catalysts of all “DISEASES” which will arise into existence in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”.

This was thus the beginning of the burden of the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, the beginning of all the evils and sufferings in this “Specific Energy ‘EARTHLY’ Substance”, the beginning of all “DISEASES”, the beginning of the destruction of all that, which will be subsequently carved into existence in this “Specific Energy ‘EARTHLY’ Substance”, including the destruction of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

Indeed, by this action accomplished by the Archangel MICHAEL, who was chosen to lead and facilitate the good implementation of the “Second Phase” of “THE HOLY PROJECT”, he has set in “DISGRACE”, “IMPURITIES”, and “LIES”, himself and all the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, who where looking upon him as example of conduct. Those fallen “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” that have openly rejected “THE DIVINE”, IHVH, our FATHER and all that HE is, and which thus carried with them all their filth and the mark of “DEATH”, had already set themselves in “DISGRACE”, “IMPURITIES”, and “LIES”.

Being all prone to the Governing Law of the Behavior, “The Walk within the Acronym IHVH”, which they cannot escape, it is so that all the progeny of the

actions which these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” will produce will be “INCOMPREHENSION”, “OBSCURITY”, and “HATRED” in all their forms. Due to a “specific reflecting property” of the “Specific Energy ‘EARTHLY’ Substance” constituent of this first “Specific Energy ‘EARTHLY’ Habitation Domain”, those progeny of their actions will also be manifested in that “Specific Energy ‘EARTHLY’ Substance”, hence in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” who will also be prone to the Governing Law of the Behavior, once it is created into existence in that “Specific Energy ‘EARTHLY’ Substance”, in addition to the already spreading “CURSE”, or also the “CALAMITY”, from AZAZEL and all the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of “THE CELESTIAL HOST” who have joined him in his transgressions.

Only an “in-depth purification process” similar to that which has just taken place in the “Specific Energy ‘CELESTIAL’ Substance”, on this Third Day, but this time, applied immediately to this “Specific Energy ‘EARTHLY’ Substance”, would erase from existence, all these impurities and at the same time all these fallen “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”. The structure of “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — has been destroyed and the pure “Specific Atomic ‘SPIRIT’ Substances”, containing crude and very high “‘SPIRIT’ specific supply of subsistence”, which are produced within “THE SHEKINAH”, cannot be transported immediately and abundantly to be poured directly into this “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”. Thus, an “in-depth purification process”, applied to this “Specific Energy ‘EARTHLY’ Substance” and the “Specific ‘SPIRITUAL’ Environment” which contains this first “Specific Energy ‘EARTHLY’ Habitation Domain”, can only be carried out upon the instruction of “THE DIVINE”, IHVH, our FATHER, by “THE DIVINE FORCE”, who is currently protecting “The ALTAR of ‘THE DIVINE’” which is inside “THE SHEKINAH” and maintaining at the same time the foundations of the whole “Specific Energy ‘CELESTIAL’ Domain”. For it is “THE DIVINE FORCE” who has produced the “Specific Energy ‘LIGHT’ Substance” constituent of “THE SHEKINAH”, this “Specific Energy ‘LIGHT’ Substance” which is the “First Begotten” — the Monogene manifested by “THE DIVINE FORCE”, the first begotten, the pure light of the attribute “NON DIVINE”, the first expression in the attribute “NON DIVINE” of a metaphor of the “‘LIGHT’ Divine State”, with properties which are the most potent properties that “THE DIVINE ARCHITECT AND PROJECT MASTER” has fixed for the “‘LIGHT’ Specific State” in the attribute “NON DIVINE” — and from which these pure “Specific Atomic ‘SPIRIT’ Substances”, containing crude and very high “‘SPIRIT’ specific supply of subsistence”, which are found inside “THE SHEKINAH”. If in this situation, on

this Third Day of the implementation of the “Second Phase” of “THE HOLY PROJECT”, “THE DIVINE”, IHVH, our FATHER, had given to “THE DIVINE FORCE”, the instruction to apply an “in-depth purification process” to this first “Specific Energy ‘EARTHLY’ Habitation Domain”, “THE DIVINE FORCE” would have instantly completed that instruction, while performing the protective tasks that “THE DIVINE”, IHVH, our FATHER had assigned Her to maintain the survival of the “Specific Energy ‘CELESTIAL’ Domain”.

On this Third Day of the implementation of the “Second Phase” of “THE HOLY PROJECT”, the application of such an “in-depth purification process” to this first “Specific Energy ‘EARTHLY’ Habitation Domain”, would mean the destruction of all that is contaminated by these impurities in this first “Specific Energy ‘EARTHLY’ Habitation Domain”; that is, the destruction of this first “Specific Energy ‘EARTHLY’ Habitation Domain” and all the work that “THE DIVINE FORCE” has accomplished and produced into existence. In other words, the application of such an “in-depth purification process” would mean: the cessation of the implementation of the “Second Phase” of “THE HOLY PROJECT”; that is, the cessation of the creation of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

The continuation of the implementation of the “Second Phase” of “THE HOLY PROJECT” would mean: the destruction of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, once it is produced in this “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain” and contaminated by these impurities that came from the “Specific Energy ‘CELESTIAL’ Domain”.

It is so that, on this Third Day of the implementation of the “Second Phase” of “THE HOLY PROJECT”, “THE DIVINE”, IHVH, our FATHER was caught short by this “screwed up blow” of the Archangel MICHAEL, and the implementation of the “Second Phase” of “THE HOLY PROJECT” was in a quagmire, in the impasse: the worst was to come from these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”.

“THE DIVINE”, IHVH, our FATHER does nothing at random, HE does nothing unexpectedly, and HE chose to continue with the implementation of the “Second Phase” of “THE HOLY PROJECT”, as “THE DIVINE ARCHITECT AND PROJECT MASTER” had planned since eternity, before that the attribute “NON DIVINE” was realized, and also, since eternity, before that these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” were created into existence in this attribute “NON DIVINE”.

Moreover, having been caught short by the “MALICE” of these treacherous “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, and, since “THE DIVINE FORCE”,

who is “ABSOLUTE PURITY” and who is the veritable “SPIRITUAL FORCE OF LIFE” in the attribute “NON DIVINE”, under the designation of “THE DIVINE WISDOM”, and under the designation of “THE CONFIDENCE OF THE DIVINE”, has moved away from the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, who are all standing in their “IMPURITIES”, it became necessary for “THE DIVINE”, IHVH, our FATHER to understand the functioning of each of these treacherous “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” all standing in their “IMPURITIES”. It became necessary to understand how these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” proceed in their “IMPURITIES”, and to collect and record all evidences concerning their “MALICE” and their true “nature”. In short, it became necessary to build the “case” for their pending judgment. To accomplish such purposes, “THE DIVINE”, IHVH, our FATHER has maintained in the “Specific Energy ‘CELESTIAL’ Domain”, those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, disciples of “obscurity” who have “stumbled from off the bridge”, who went “a bridge too far” in their “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, and have placed themselves in the so called “GREY ZONES” by choosing and siding with that, which is “WRONG”, that, which is “UNJUST”, that, which is “INCORRECT”, at the same time, using as façade the designation of that, which is “RIGHT”, that, which is “JUST”, that, which is “CORRECT”, to hide the already made “WRONG” choice.⁵⁷⁴

It is so that, “THE DIVINE”, IHVH, our FATHER had established a new project with the purposes:

- To observe, to study and record all the proceedings of each and all of these treacherous “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, unbeknownst to all of them, without exception, and in which these treacherous “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” will reveal by themselves through their own proceedings, everything concerning their true “nature”;
- To record the accountability of each of them in this inevitable forthcoming destruction of the “‘SPIRIT←LIGHT’ ‘EARTHLY’

⁵⁷⁴ Those are the most dangerous ones, as they are unpredictable; they will stab you in the back while smiling at you in the face and telling you that they “love” you or that they “love” “THE DIVINE”, IHVH, our FATHER. With openly declared adversaries who have sworn to destroy you and everything that you have, the equation is pretty simple, whereas, with the ones who have been hiding their “MALICE”, the equation is much more complex. Often, these later ones, must be kept closer in order to understand their malicious functioning and without becoming them. Keep a close eye on your enemies without becoming your enemies.

Creature”; much accurately, the inevitable forthcoming sacrifice of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” in order to build the “case” for the pending judgment of these pampered “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and self-declared “gods” who have set themselves on the path to sabotage “THE HOLY PROJECT” and to destroy the manifested expression of “THE UNION” that they coveted but have not received as it has been given to the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”;

- To record the accountability of each of them in the quagmire in which they have thrown the implementation of “THE HOLY PROJECT”;
- To record all the temporal details of the life of each of them.⁵⁷⁵

“THE DIVINE”, IHVH, our FATHER was not to be fooled anymore by any “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” whosoever.

“THE DIVINE”, IHVH, our FATHER also chose to save all that could be saved from this first “Specific Energy ‘EARTHLY’ Habitation Domain” in the

⁵⁷⁵ All those temporal details concerning the life of each “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, spanning over seventy billions years, since this afternoon of the Third Day of the implementation of the “Second Phase” of “THE HOLY PROJECT” and until these days of todays and ongoing, and which they are revealing by themselves through their own actions, have been recorded by “THE DIVINE FORCE”. This also applies to the life of each human creature.

You have certainly heard of the expression “Your Life Unrolls Before Your Eyes...”, which is often used to refer to a phenomenon where the entire past of a person unfolds in front of him/her, in few seconds, like a replay of all the most significant moments of his/her entire years of life? Not only that everything is stored inside you, but all details of every second of your life is recorded by “THE DIVINE FORCE”, for the day of reckoning.

I cannot even remember the details of what I did few days ago, but every second of what I did has been recorded by “THE DIVINE FORCE”. Everything that every creature has done in every second of its life into existence inside this attribute “NON DIVINE” has been recorded by “THE DIVINE FORCE”. How many “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have been “spoken” into existence and how many human creatures have been produced into existence inside this attribute “NON DIVINE” so far, since the creation of this attribute “NON DIVINE”? This should give you (reading these writings) an indication of the memory capacity of “THE DIVINE FORCE”. All what we are detailling throughout these writings with respect to all what “THE DIVINE FORCE” has recorded and concerning the “case” for the pending judgment of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” is similar to a drop of water in an ocean.

continuation of this implementation, pending the appropriate time for the application, by “THE DIVINE FORCE”, of such an “in-depth purification process” to this first “Specific Energy ‘EARTHLY’ Habitation Domain”.

It is so that, long before the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” was created, the first “Specific Energy ‘EARTHLY’ Habitation Domain” which was to serve as a dwelling place for that “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, was instead given by the Archangel MICHAEL to the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” that have openly rejected “THE DIVINE”, IHVH, our FATHER and all that HE is, and which thus carried with them all their filth and the mark of “DEATH”.

Afterwards, it was just a matter of time before that the intensity of the state of “CHAOS” of the “Specific Atomic ‘EARTHLY’ Substances” constituents of this “Specific Energy ‘EARTHLY’ Substance”, contrary to the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”, be rendered manifest on scales larger than that of the “Specific Atomic ‘SPIRIT’ Substance”, and in the first manifestation of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model.

Because indeed, when he had concluded the “HUBRIS COVENANT” with AZAZEL, the Archangel MICHAEL had already sealed the fate of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, long before that this later would be created into existence. With this “BETRAYAL” perpetrated against “THE DIVINE”, IHVH, our FATHER, all these “ADONA’IM”, all of them without exception and with the Archangel MICHAEL at their helm, and all the Archangels without exception, understood that they have just moved “SHEEMAMON” from the “Specific Energy ‘CELESTIAL’ Domain” and have transferred it in the first “Specific Energy ‘EARTHLY’ Habitation Domain”. They have moved the incurable “CANCER” from the “Specific Energy ‘CELESTIAL’ Domain” and have inserted it in the first “Specific Energy ‘EARTHLY’ Habitation Domain”. All the “ADONA’IM”, all the archangels, and all the others high-ranking “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” knew about the message of that vision that, back then in the “Specific Energy ‘CELESTIAL’ Domain” and before the actual implementation of the “Second Phase” of “THE HOLY PROJECT”, was sent to the Archangel ZEPHON, and which he had qualified then, using a word, which translates in the human language as “SHEEMAMON”, meaning “desolation”.⁵⁷⁶ All of them, without exception, who like to qualify themselves as

⁵⁷⁶ All these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” admit it themselves in their own records and chronicles of the conflict of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”

the “most intelligent children” of IHVH, understood the **“TERRIBLE CONSEQUENCES”** of this “BETRAYAL”; they all understood the extent of the weight of their own “SINS” that they had perpetrated against “THE DIVINE”, IHVH, our FATHER. They understood that they have effectively and irreversibly condemned to “DEATH” the not yet created “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” that they had already sentenced to “DEATH”.

Once it will be created, the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, who had already been designated by the “ADONA’IM” as being a “MISTAKE OF THE CREATION”, will be subsequently used as a “scapegoat” by the Archangel MICHAEL and AZAZEL to formalize their “HUBRIS COVENANT” in front of the entirety of “THE CELESTIAL HOST”, and to the detriment of “THE DIVINE”, IHVH, our FATHER, and, saying it bluntly if you will allow the expression, to “cover their backs”⁵⁷⁷ and to cover their “BETRAYAL” perpetrated against “THE DIVINE”, IHVH, our FATHER.

It is so that, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, not seeing the beam of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” that hung in their eyes, will all point the finger at the straw that they themselves did sprout on the eye of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”; and they will charge the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” to be the cause of the presence of filth in the first “Specific Energy ‘EARTHLY’ Habitation Domain”, also spreading their “CHARGE” on the descendants of the first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”. We shall write about this in a following section.

To the detriment of “THE DIVINE”, IHVH, our FATHER, to the detriment of “THE DIVINE FORCE” who are always in “THE SUPREME PLENITUDE” and who had educated all of them in “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”, the implementation of the “Second Phase” of “THE HOLY PROJECT” will continue by such series of shenanigans (all kinds of monkey

and in which they describe their prowess of the absence of “THE KNOWLEDGE OF THE DIVINE” and their works of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”. Those chronicles have already been delivered to the human by the name of David Aguilar, and are available online on the Internet.

⁵⁷⁷ Here, “cover their backs” refers to the set of malicious activities performed by these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” in order to avert future accountability of their wrongdoing, to officially absolve themselves from blame, to devise excuses and alibis, by deflecting responsibility in advance onto a “scape goat”.

businesses), having no base and no stability, without possible ins and outs, orchestrated and led by these “ADONA’IM”.

The unique outcome of those series of shenanigans will be to discredit and destroy the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, to prevent that the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” be “above them”, and thereby to justify their “CHARGE” as they understood it in their “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”.

Such was the scale of the scourge of the absence of “THE KNOWLEDGE OF THE DIVINE” in the “‘SPIRIT←SPIRIT’ Body” of “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, and such was the depth of the “COVETOUSNESS” to seize the new manifestation of the metaphor of the “DIVINE PRIMARY WEALTH” that “THE DIVINE” had chosen to manifest as expression of “THE UNION” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

EVERYTHING that these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” will do afterwards, after this “BETRAYAL” that crowned all their “BETRAYALS”, which they had perpetrated so far against “THE DIVINE”, IHVH, our FATHER, after this major “screw up”, what they will tell their neighbours — the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” —, once these are created into existence, will be the progeny of “IMPURITY” in all its forms, which they will beget into existence; an orchestrated cover-up in order to conceal that “BETRAYAL”. They will manipulate and lead their neighbours — the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” — astray, in the depths of “Obscurity”, in stories of conflicts between the Archangel MICHAEL and AZAZEL, between those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who have toed the line behind the Archangel MICHAEL and their fallen brethren “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who have toed the line behind AZAZEL. All that, with one purpose: **keep their neighbours — the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” — away from ever coming to know about this “BETRAYAL”, which has been the turning point at which they have derailed the implementation of “THE HOLY PROJECT”, and have sealed the fate of humanity in the “Obscurity” and destruction.** And when these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” will eventually come to talk about this “BETRAYAL”, which they have perpetrated against “THE DIVINE”, IHVH, our FATHER, on this afternoon of the Third Day of the implementation of the “Second Phase” of “THE HOLY PROJECT”, they will present it to their neighbours — the

“‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” —, using psychological⁵⁷⁸ manipulation tricks, as a “glorious” event through which they have saved THE CREATION from destruction. In so doing, they will be revealing unconsciously that, which has been sealed in their “nature” and their own proceedings of manipulation and deception.

On this afternoon of the Third Day of the implementation of the “Second Phase” of “THE HOLY PROJECT”, after that those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who carry with them the mark of “DEATH” were immersed in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain” that had just been made habitable was immediately poisoned on the same day, the in-depth purification process continued its course in the “Specific Energy ‘CELESTIAL’ Substance” constituent of the “Specific Energy ‘CELESTIAL’ Domain”, from the surpluses of “Specific Atomic ‘SPIRIT’ Substances” constituents of the “Specific Energy ‘SPIRIT’ Substance”, itself a constituent of “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’”. It is thus that the deleterious/pathogenic structures, the poisons, which were the result of malfunctions in the “Specific Energy ‘CELESTIAL’ Substance” in the “Plane Above” have all been destroyed and will no longer be present in the “Specific Energy ‘CELESTIAL’ Substance” constituent of the “Specific Energy ‘CELESTIAL’ Domain”. It is thus that the inhabitants of the “Specific Energy ‘CELESTIAL’ Domain” will no longer be affected by the “DISEASES” that result from the presence of deleterious/pathogenic structures, poisons, which bear the mark of “DEATH”, as will be the case with the organisms and inhabitants of the first “Specific Energy ‘EARTHLY’ Habitation Domain” whose constituent “Specific Energy ‘EARTHLY’ Substance” has been poisoned by the immersion in

⁵⁷⁸ Psychology is the framework associated to all that, which relates to the understanding of the processes, behavior and cognition of “THE SEAT OF THE INTELLECT”.

Psychology manipulation, or psychological manipulation, is the use of devious means to manipulate, exploit, control, or otherwise influence the processes, behavior and cognition of “THE SEAT OF THE INTELLECT”. It refers to radical programming or reprogramming of all or most of the resources (for example, beliefs, desires, and other mental states) that have been developed in “THE SEAT OF THE INTELLECT” and by “THE SEAT OF THE INTELLECT”. Psychology manipulation happens via decidedly deceitful manipulation techniques, which strive to deprive the victim of the autonomous capacity of “FREE CHOICE”. It includes an element of moral disapprobation and undermines the validity of consent, and it is meant to “bypass”, “undermine”, or “subvert” the rational deliberation of the victim.

it of those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who carry with them the mark of “DEATH”.

It is in this disaster and with this “BETRAYAL” that this Third Day of the implementation of the “Second Phase” of “THE HOLY PROJECT” will also come to an end.

In all the scriptures that human creatures have in their possession and which they call “Holy Scriptures”, these events have never been reported and were kept secret by the celestial creatures and not to be disclosed to human creatures, while these events will affect them directly. Thus, things were recorded in such terms as:

“ ...

In the beginning God created the heavens and the earth...

And God said, “Let there be light”, and there was light. God saw that the light was good, and he separated the light from the darkness...

And there was evening, and there was morning.

...

And God said, “Let there be a vault between the waters to separate water from water.”

So God made the vault and separated the water under the vault from the water above it. And it was so. God called the vault “sky”. And there was evening, and there was morning.

And God said, “Let the water under the sky be gathered to one place, and let dry ground appear.” And it was so.

Then God said, “Let the land produce vegetation: seed-bearing plants and trees on the land that bear fruit with seed in it, according to their various kinds.” And it was so. ...

And there was evening, and there was morning: the third day.

...”

In between those “*And there was evening, and there was morning: the third day*”, quite a lot of disastrous events that are directly connected with your functioning, as human creature, took place, and were orchestrated by the “ADONA’IM” and to the detriment of “THE DIVINE”, IHVH, our FATHER. On

that Third Day, the implementation of this “Second Phase” of “THE HOLY PROJECT” was derailed, “THE DIVINE”, IHVH, our FATHER was betrayed by His own archangels, and this earthly world in which you are living, was given by the Archangel MICHAEL to AZAZEL and all his disciples who carried the mark of “DEATH” with them. It was on that Third Day of the implementation of this “Second Phase” of “THE HOLY PROJECT” that “Obscurity” “ascended on its own throne”, and with the support of all its disciples and princes, it started its reign over all the CREATION.

By keeping human creatures in the dark of the absence of the knowledge of those events, ignorance will prevail and the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” will keep their own “SINS” hidden. As such, human creatures were supposed to have no memory of those events, which took place before the implementation of this “Second Phase” of “THE HOLY PROJECT” and which are directly connected with their functioning, as human creatures, and they were supposed to believe that the deceptive narrative given by the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” has always been the narrative: “*And there was evening, and there was morning: day X*” and everybody was supposed to be and to remain happy. Much more disastrous and disturbing events were on the way after this Third Day of the implementation of the “Second Phase” of “THE HOLY PROJECT”.

CHAPTER 169

IMPLEMENTATION OF THE “SECOND PHASE” OF THE HOLY PROJECT — THE FOURTH DECREE

What had remained of “THE CELESTIAL HOST” in the “Specific Energy ‘CELESTIAL’ Domain” was gathered a fourth time and “THE DIVINE FORCE” has made visible the whole “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”.

As in projection in the communication by “VISION”, “THE DIVINE FORCE” brought forward once again the “‘SPIRIT←SPIRIT’ Body” of each of those remaining “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” just above “THE FIRMAMENT” that had been built by the accomplishment of the second decree.

Therefore, once again, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, although traumatized by the turn of events of the previous day, were reintroduced in the “Classroom” of “THE DIVINE FORCE”, so that they would eventually learn more about themselves, more about “THE DIVINE”, IHVH, our FATHER, and more about “THE DIVINE FORCE” — “THE UNALTERABLE VOICE”, THE INVISIBLE SHEPHERD OF PURITY AND HOLINESS — who has been educating and teaching each of them, all along since each of them was “spoken” into existence, and who they have all failed to recognize; with this gathering, they could thus observe by themselves and in front of themselves, the continuation of the unfolding of the implementation of the “Second Phase” of “THE HOLY PROJECT”.

Through the fourth decree of the implementation of the “Second Phase” of “THE HOLY PROJECT”, “THE DIVINE FORCE”, omnipresent in the attribute “NON DIVINE”, invisible of the remaining of “THE CELESTIAL HOST” watching, wanted to lead them to discern and to understand that “THE DIVINE” is the Source of all the “DIVINE PRIMARY WEALTH”. These “DIVINE PRIMARY WEALTH” are countless and HE has identified all of them. At the base of these

“DIVINE PRIMARY WEALTH”, is “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”.

It is through the fourth decree of the implementation of the “Second Phase” of “THE HOLY PROJECT” that “THE DIVINE FORCE” will express all this, in the attribute “NON DIVINE”, as well as “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” that SHE will express on the “Specific Energy ‘EARTHLY’ Domains”, at the sight of the elders of the creation so that they develop in themselves the profound knowledge of the origin of the “Calendar of the ‘NON DIVINE’” — “THE FRAME OF REFERENCE OF THE ATTRIBUTE ‘NON DIVINE’”.

It is so that, on the fourth Day of the implementation of the “Second Phase” of “THE HOLY PROJECT”, “THE DIVINE”, IHVH, our FATHER from “THE DIVINE DOMAIN” outside of the attribute “NON DIVINE”, will emit “THE WORD OF THE DIVINE”, twice, to “The ALTAR of ‘THE DIVINE’” which is inside “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’”.

At the first emission, “THE WORD OF THE DIVINE” carried with it the firsts instructions of the fourth decree of the implementation of the “Second Phase” of “THE HOLY PROJECT”.

“THE DIVINE FORCE” instantly received those divine instructions and SHE started to work, untiring and invisible of “THE CELESTIAL HOST” remaining watching, being Herself the invisible science which is hidden in “THE WHOLE”.

Using the elements of “THE ‘LIGHT’ REASON” which are available in “The ALTAR of ‘THE DIVINE’” which is inside “THE SHEKINAH”, “THE DIVINE FORCE” created the sequence of “SOUNDS” that are associated with these divine instructions and SHE made instantly manifest outside of “THE SHEKINAH”, that sequence of “SOUNDS”, thus allowing the entirety of “THE CELESTIAL HOST” remaining to hear it.

That sequence of “SOUNDS” was translated into human language by a series of expressions that roughly means:

“

LET THERE BE “STARS” INSIDE THE “FIRMAMENT”!

”

Invisible of “THE CELESTIAL HOST” present above of “THE FIRMAMENT” and watching, “THE DIVINE FORCE” has continued Her work in the interior

delineated by “THE FIRMAMENT”; that is, in the “Plane Below”, being Herself the invisible science which is hidden both in the “Specific Atomic ‘SPIRITUAL’ Substances” and in the “Specific Atomic ‘EARTHLY’ Substances”.

Deployed in the entirety of the “Plane Below”, “THE DIVINE FORCE” has created a “Specific Elementary ‘EARTHLY’ Particle” and from which SHE has also simultaneously created in countless well-defined places in this “Plane Below”, “Specific Energy ‘EARTHLY’ Substances”, constituted by a double structure of “Specific Energy ‘EARTHLY’ Substances”; thus creating manifestations of metaphors of those “EONS” that “THE DIVINE” has chosen to share with the attribute “NON DIVINE” by adding only a purpose to their manifestations in the attribute “NON DIVINE”, without adding a provision of “THE INTELLECT OF THE DIVINE”, also without adding a provision of “THE DIVINE FORCE”.

“THE DIVINE FORCE” has established the “HARMONY” between “THE DIVINE”, IHVH, our FATHER and the “Specific Atomic ‘SPIRITUAL’ Substances” constituents of the “Specific ‘SPIRITUAL’ Environment” external and immediate around each of those countless “Specific Energy ‘EARTHLY’ Substances”.

As “THE DIVINE ARCHITECT AND PROJECT MASTER” had designed it, “THE DIVINE FORCE” then, started to “NOURISH” those “Specific Energy ‘EARTHLY’ Substances” and thereby, growing gradually and simultaneously, the entirety of those “Specific Energy ‘EARTHLY’ Substances”, each radiant in its state of “HARMONY” with “THE DIVINE”, each being formed by this double structure of “Specific Energy ‘EARTHLY’ Substances”.

It is so that, gradually by “EXPANSION”, “THE DIVINE FORCE” has grown the entirety of those “Specific Energy ‘EARTHLY’ Substances” radiant in their state of “HARMONY” with “THE DIVINE”, on a larger volume, and in the proportions of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” — the “Generative Divine Particle” and the six “Formative Divine Particles” in manifested walking movement of a metaphor of the “Movement of Formative Divine Particle” synchronized between them, and, each “Movement of Formative Divine Particle” synchronized with the movement of the “Generative Divine Particle” and without collisions forever with the passage of time — as “THE DIVINE ARCHITECT AND PROJECT MASTER” had defined it.

As the entirety of those “Specific Energy ‘EARTHLY’ Substances” were nourished, they increased in volume by “EXPANSION”, and “THE DIVINE FORCE” gave to nineteen among them, the same spherical form similar to that, which has been

given the previous day to the first “Specific Energy ‘EARTHLY’ Habitation Domain”.

It was similar to the repetition of the simultaneous achievement of the three firsts decrees that had been applied the previous days, combined this time in a single decree, carried out also simultaneously in different places in the “Plane Below”: a demonstration of the capabilities of “THE DIVINE FORCE” to perform countless tasks simultaneously throughout the attribute “NON DIVINE”, just as SHE had made it while performing Her office inside of “THE DIVINE DOMAIN”.

As it was the case during the previous days, the speed with which “THE DIVINE FORCE” had executed the divine instructions carried by “THE WORD OF THE DIVINE” in this fourth decree of the implementation of the “Second Phase” of “THE HOLY PROJECT”, could not be followed by the “Specific ‘CELESTIAL’ Visual Structure” of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”.

The speed with which “THE DIVINE FORCE” had executed those divine instructions is several billion times faster than what the “Specific ‘CELESTIAL’ Visual Structure” of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” can follow.

When the “EXPANSION” of the entirety of those “Specific Energy ‘EARTHLY’ Substances” were a little bit bigger in the “MURKY VOID”, then, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of the remaining of “THE CELESTIAL HOST” and present just above of “THE FIRMAMENT”, began to perceive the small “LUMINOUS GLOBES” appear into existence in the “Plane Below”, in the interior of “THE FIRMAMENT”, as coming from nowhere.

Gradually by “EXPANSION”, and in a few moments, “THE DIVINE FORCE” has grown the entirety of those “Specific Energy ‘EARTHLY’ Substances” radiant in their state of “HARMONY” with “THE DIVINE”, on a larger volume, and in the proportions of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”.

It is so that, in addition of the “Specific Energy ‘CELESTIAL’ Domain” that “THE DIVINE FORCE” had already created a long time ago, in addition to the first “Specific Energy ‘EARTHLY’ Habitation Domain” that “THE DIVINE FORCE” had created and shaped during the previous three days, in this Fourth Day, “THE DIVINE FORCE” has created at once the nineteen others “Specific Energy

‘EARTHLY’ Domains” and the multitudes of others “Specific Energy ‘EARTHLY’ Substances” which will be called the “LUMINAIRES” (or the “STARS”)⁵⁷⁹.

These countless “Specific Energy ‘EARTHLY’ Substances” which will be called the “LUMINAIRES”, are manifestations of metaphors of products of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” that were begotten and arose into existence in the “‘SPIRIT’ Divine State”.

Each of those “Specific Energy ‘EARTHLY’ Substances” has a unique meaning, and as countless as they are, “THE DIVINE FORCE” has counted all of them and knows all the details that are associated to them as products of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” with which they are mapped.

Among these details, are information about the position where each product appeared into existence in the interior delineated by “THE FIRMAMENT” of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, at what time and how each product came to existence.

It is so that, by all those “twenty one” “Specific Energy ‘Partially Spiritual’ Domains” added to all the countless “Specific Energy ‘EARTHLY’ Substances” which will be called the “LUMINAIRES”, “THE DIVINE FORCE” has thus created into existence in the attribute “NON DIVINE”, a mockup of the manifestation of the metaphor of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” with the positions of all its products that were begotten and arose into existence in the “‘SPIRIT’ Divine State”.⁵⁸⁰

The “twenty one” “Specific Energy ‘Partially Spiritual’ Domains” include:

⁵⁷⁹ Later during the unfolding of the “Second Phase” of “THE HOLY PROJECT”, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who will have dwelling place in these “Specific Energy ‘EARTHLY’ Substances” which will be called the “LUMINAIRES” (or the “STARS”), in order to perform the tasks that will be assigned to them, will also be said to belong to the “LUMINAIRES” classification (or to the “STARS” classification) and will also be called the “LUMINAIRES” (or the “STARS”).

See conversation of August 29, 2005, and see also the conversation of September 17, 2005, Aristide with the Archangel RAGUEL on the “LUMINAIRES” and the “STARS”.

⁵⁸⁰ It is a bit like if you take a magnifying glass and watch what is inside of an atom and see, at the scale of the universe through this magnifying glass, all what is inside that atom and all what has been produced in a well-defined state inside that atom.

- The “Specific Energy ‘CELESTIAL’ Domain” that “THE DIVINE FORCE” had already created a long time ago;
- The first “Specific Energy ‘EARTHLY’ Habitation Domain” that “THE DIVINE FORCE” had created and shaped during the previous three days; and
- The nineteen others “Specific Energy ‘EARTHLY’ Domains” that “THE DIVINE FORCE” has created on this Fourth Day by the achievement of this first emission of “THE WORD OF THE DIVINE” in this fourth decree of the implementation of the “Second Phase” of “THE HOLY PROJECT”.

Among those “twenty one” “Specific Energy ‘Partially Spiritual’ Domains” which were now into existence in the attribute “NON DIVINE”, “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed seven of them to be habitation domains: the “Specific Energy ‘CELESTIAL’ Domain” and the six “Specific Energy ‘EARTHLY’ Habitation Domains”.

These seven domains of habitation are matched respectively with the seven “Specific Energy ‘EARTHLY’ Habitation Domains” of the “SPECIFIC SUPREME CONFIGURATION”; the “Specific Energy ‘CELESTIAL’ Domain” being matched with the “Specific Generative Energy ‘EARTHLY’ Domain”, and the other six domains of habitation being matched with the six “Specific Formative Energy ‘EARTHLY’ Domains”.

To these seven “Specific Energy ‘EARTHLY’ Domains” of the “SPECIFIC SUPREME CONFIGURATION” are also associated seven additional “Specific Energy ‘EARTHLY’ Domains” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed to allow his creatures that have been created into existence in the “Plane Above” and which will be created into existence in the “Plane Below” to acquire and develop their knowledge on the aspects of the “Generative Power of ‘THE DIVINE’” and the “Formative Essence of ‘THE DIVINE’” from the “SPECIFIC SUPREME CONFIGURATION” formed by the seven first “Specific Energy ‘EARTHLY’ Domains” which are manifestations of metaphors of the “DIVINE PRIMARY WEALTH” of the “Divine Particles”, in the attribute “NON DIVINE” in which His creatures are attached.

Only the “Specific Energy ‘CELESTIAL’ Domain” and the first “Specific Energy ‘EARTHLY’ Habitation Domain” have been made habitable, by “THE DIVINE FORCE”.

It is so that, “THE DIVINE FORCE” has accomplished the first emission of “THE WORD OF THE DIVINE” in this fourth decree of the implementation of the “Second Phase” of “THE HOLY PROJECT”, by creating into existence the nineteen others “Specific Energy ‘EARTHLY’ Domains” and the countless others “Specific Energy ‘EARTHLY’ Substances” which will be called the “LUMINAIRES” (or the “STARS”); all these “STARS” radiant in their state of “HARMONY” with “THE DIVINE”.

It is so that, from the perspective of the “Specific Energy ‘EARTHLY’ Substance”, the radiation of the largest “STAR” which is the “Specific Generative Energy ‘EARTHLY’ Domain”, has superimposed on the radiation which reflects the state of “HARMONY” of each of the nineteen others “Specific Energy ‘EARTHLY’ Domains” (including the first “Specific Energy ‘EARTHLY’ Habitation Domain”) with “THE DIVINE”; sending on the background and making invisible the radiations of “HARMONY” with “THE DIVINE”. This is why it is said of this largest “STAR” that it sets ablaze all “LUMINAIRES”.⁵⁸¹

⁵⁸¹ It is also of this that ENOCH, of whom METHUSELAH is the descendant, wanted human inhabitants of this earthly world to understand, when he said in his writings:

“...

From there I arrived in another place, on the side of the Occident, at the ends of the Earth. Where I saw a burning fire and a perpetual movement, which was rolling night and day, without ever stopping.

And I asked the angel who was with me, and I tell him: what is that? Why this incessant movement?

RAGUEL, one of the angels who accompanied me said: “That burning fire, which moves towards the Occident, is the fire which sets ablaze all “LUMINAIRES” of the “HEAVEN” ...”.

...”

“...RAGUEL, one of the angels who accompanied me answered to me: “This blazing fire that moves constantly to the Occident, is the fire which ignites all “LUMINAIRES” of the “HEAVEN”...” is said to lead ENOCH to discern and to understand that RAGUEL is the head of all those archangels and angels who have been tasked to light up the “MURKY VOID”.

With ““SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures”, he who is responsible for a specific task will take the lead and speak in parables about the work that concerns him, and not someone else, and the human creature is called to discern and understand it that way, who is who and who does what.

From the perspective of the “Specific Energy ‘SPIRITUAL’ Substance” in which is immersed the “Specific Energy ‘EARTHLY’ Substance”, the radiation which reflects the state of “HARMONY” of each of the nineteen others “Specific Energy ‘EARTHLY’ Domains” (including the first “Specific Energy ‘EARTHLY’ Habitation Domain”) with “THE DIVINE”, is still present and well visible to “THE EYE OF THE DIVINE”.

At the second emission of “THE WORD OF THE DIVINE” in this fourth decree of the implementation of the “Second Phase” of “THE HOLY PROJECT”, “THE WORD OF THE DIVINE” carried with it the subsequent divine instructions of the fourth decree of the implementation of the “Second Phase” of “THE HOLY PROJECT”.

Once again, “THE DIVINE FORCE” instantly received those divine instructions and SHE started to work, invisible to the entirety of “THE CELESTIAL HOST” watching, being Herself the invisible science which is hidden in “THE WHOLE”.

Using all along the elements of “THE ‘LIGHT’ REASON” which are available in “The ALTAR of ‘THE DIVINE’” which is inside “THE SHEKINAH”, “THE DIVINE FORCE” created the sequence of “SOUNDS” that are associated with these divine instructions and SHE made instantly manifest outside of “THE SHEKINAH”, that sequence of “SOUNDS”, thus allowing the entirety of “THE CELESTIAL HOST” remaining to hear it.

That sequence of “SOUNDS” was translated into human language by a series of expressions that roughly means:

“
LET THESE “STARS” SEPARATE THE “DAY” FROM THE “NIGHT”!
 ”

This second emission of “THE WORD OF THE DIVINE” was expressed into existence in “The ALTAR of ‘THE DIVINE’” which is inside “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — in the “Specific Energy ‘CELESTIAL’ Domain” in the attribute “NON DIVINE”, and the sequence of “SOUNDS” associated to this “WORD OF THE DIVINE” was made instantly manifest outside of “THE SHEKINAH”, by “THE DIVINE FORCE”; thus allowing the entirety of “THE CELESTIAL HOST” to hear it.

Invisible of “THE CELESTIAL HOST” present above of “THE FIRMAMENT” and watching, “THE DIVINE FORCE” has continued Her work in the interior delineated by “THE FIRMAMENT”.

“THE DIVINE FORCE” has also assigned the “specific behaviors” and associated “specific effects” (including the “WINDS” generated and associated with the “Specific Walking Movement”) and defining the principle of actions, as was established since eternity by “THE DIVINE ARCHITECT AND PROJECT MASTER”, for each of the twenty “Specific Energy ‘EARTHLY’ Domains” (including the first “Specific Energy ‘EARTHLY’ Habitation Domain”) — the “Specific Generative Energy ‘EARTHLY’ Domain”, the six “Specific Formative Energy ‘EARTHLY’ Domains”, the six “Specific Energy ‘EARTHLY’ Habitation Domains”, and the seven “Specific Energy ‘EARTHLY’ Additional Domains” — as well as the multitude of others “Specific Energy ‘EARTHLY’ Substances” which are called the “LUMINAIRES” (or the “STARS”), that SHE has created into existence in the “Plane Below”.

As we have already explained, concerning their design, the first component of the “Specific Walking Movement”, for each of these twenty “Specific Energy ‘EARTHLY’ Domain”, is a “rotary movement” of the considered “Specific Energy ‘EARTHLY’ Domain” around itself and following a “specific rotation axis” which is directed towards the “Specific Energy ‘CELESTIAL’ Domain”.

It is in these “twenty one” “Specific Energy ‘Partially Spiritual’ Domains” that “THE DIVINE”, IHVH, our FATHER has chosen to apply the concepts, the rules and principles, and the tools that “THE DIVINE ARCHITECT AND PROJECT MASTER” had designed and established for use in the “Specific ‘SPIRITUAL’ Environment”.

Through the perfect synchronization and through “specific processes” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed and established, and that “THE DIVINE FORCE” has also manifested, the walking movement of each of all others “Specific Energy ‘EARTHLY’ Domains”, as well as those of all “LUMINAIRES” that “THE DIVINE FORCE” has created into existence in the interior delineated by “THE FIRMAMENT”, are driven by the walking movement of the “Specific Generative Energy ‘EARTHLY’ Domain” along the “First Orbit of The MOST LUMINOUS”.

It is so that, through all the others “Specific Energy ‘Partially Spiritual’ Domains” that SHE has produced into existence in the attribute “NON DIVINE” and in the “Plane Below”, “THE DIVINE FORCE” has manifested “THE FRAME OF REFERENCE OF THE ATTRIBUTE ‘NON DIVINE’” in the attribute “NON DIVINE”, and which is “THE DIVINE SUPREME CONFIGURATION” of seven “Specific Energy ‘EARTHLY’ Domains”: the “Specific Generative Energy ‘EARTHLY’ Domain” and the six “Specific Formative Energy ‘EARTHLY’

Domains” in manifested walking movement of a metaphor of the “Movement of Formative Divine Particle” synchronized between them, and, each “Movement of Formative Divine Particle” synchronized with the movement of the “Generative Divine Particle” and without collisions forever with the passage of time — in the proportions of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” as “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed and established it.

יצירה ספר

The “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures” of the “IKARI” instance, those of the “KO’ACH” instance, as well as those of the “HASHMALL” instance, in “THE CELESTIAL HOST” remaining, who were guided by “THE DIVINE FORCE” and knew not that it is “THE DIVINE FORCE” who had entrusted them their tasks and who guided them in reality, but who believed and have always believed that it is by themselves that they had accomplished the work on the design associated to the implementation of this fourth decree, were filled with joy at the view of this

manifestation into existence of their work in the interior delineated by “THE FIRMAMENT”.

It is so that, with these “Specific Energy ‘EARTHLY’ Domains” and through all these “Specific Energy ‘Partially Spiritual’ Domains” (including the “Specific Energy ‘CELESTIAL’ Domain”) which have thus been created into existence in the attribute “NON DIVINE”, “THE DIVINE FORCE” has placed the mark, the signature, of “THE DIVINE”, IHVH, our FATHER, that HE has consolidated in Himself, visible on a very large scale and inside the attribute “NON DIVINE”, so that it serves as teaching both to the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of “THE CELESTIAL HOST” who had already been created into existence, and to the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” who will be created into existence in the “Plane Below”.

This mark is “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, made manifest using the “Specific Energy ‘EARTHLY’ Domains”, and with the “Specific Energy ‘CELESTIAL’ Domain” as the cardinal point of all those “Specific Energy ‘EARTHLY’ Domains”.

It is so that, “THE DIVINE FORCE” has accomplished the second emission of “THE WORD OF THE DIVINE” in this fourth decree of the implementation of the “Second Phase” of “THE HOLY PROJECT”.

Consequently, “THE DIVINE FORCE” has once more invited the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of what has remained of “THE CELESTIAL HOST”, talking to them directly, through the “telepathic wavelength”, also as in communication by “VISION”, to descend and enter in this first “Specific Energy ‘EARTHLY’ Habitation Domain”.

The purpose of the invitation was to allow them to see and discover by themselves the manifested aspects of “THE DIVINE”, IHVH, our FATHER, that were not known to “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”. As we have indicated already throughout the previous chapters of these writings, it is about discerning the “LIGHT” that is hidden in the “LIGHT”; it is about the discernment and understanding of the inaccessible from the accessible and to grasp “THE TRUTH” inaccessible, inscrutable, and invisible, which is represented by the plant of “THE KNOWLEDGE OF THE DIVINE”.

Through the implementation of this fourth decree of the implementation of the “Second Phase” of “THE HOLY PROJECT”, “THE DIVINE FORCE” has manifested once again several teachings describing aspects of “THE DIVINE”,

IHVH, our FATHER, that were not known to the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, and which would allow them to move forward and grow in “THE KNOWLEDGE OF THE DIVINE”; in particular, “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, made manifest using the “Specific Energy ‘EARTHLY’ Domains”.

Just as the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of “THE CELESTIAL HOST” had failed to discern the metaphor of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” when it was made manifest through the seven “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” to whom “THE DIVINE FORCE” had entrusted the task of “THE GUARDIANSHIP OF THE SHEKINAH”, likewise the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of “THE CELESTIAL HOST” present just above of “THE FIRMAMENT”, failed to discern and understand that signature of “THE DIVINE”.

Having not grown in them “THE KNOWLEDGE OF THE DIVINE” from which they would have understood that “THE DIVINE FORCE” has established “THE ABSOLUTE FRAME OF REFERENCE” defined by “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” in “THE DIVINE”, from eternity, before that the attribute “NON DIVINE” was the object of a project, in addition to that, being under the trauma related to the events of the previous day, therefore the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of “THE CELESTIAL HOST” present just above of “THE FIRMAMENT”, will rather associate some of those “Specific Energy ‘EARTHLY’ Domains” and their “Specific Walking Movement”, to the disastrous actions and filth of the others “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” which have been immersed the previous day in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”.⁵⁸²

⁵⁸² You can gauge the extent of growth of the plant of “THE KNOWLEDGE OF THE DIVINE” in these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” through discernment from their own records and chronicles of the conflict of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and in which they describe their prowess of the absence of “THE KNOWLEDGE OF THE DIVINE” and their works of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”. Those chronicles have already been delivered to the human by the name of David Aguilar, and are available online on the Internet.

Having stepped in the first “Specific Energy ‘EARTHLY’ Habitation Domain” following the invitation, which was given to them, and looking upwards, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” could all clearly perceive the “Specific Generative Energy

Others “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of the remaining of “THE CELESTIAL HOST” will say that they have been represented by the multitude of others “Specific Energy ‘EARTHLY’ Substances” which will be called the “LUMINAIRES” (or the “STARS”), whereas in fact “THE DIVINE FORCE” showed them the mockup of their origins; the mockup of the manifestation of the metaphor of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine

‘EARTHLY’ Domain”, the six “Specific Formative Energy ‘EARTHLY’ Domains”, the six “Specific Energy ‘EARTHLY’ Habitation Domains”, and the seven “Specific Energy ‘EARTHLY’ Additional Domains”, as well as the multitude of others “Specific Energy ‘EARTHLY’ Substances” which are called the “LUMINAIRES” (or the “STARS”), in their “crucial stationary movement” in orbit around the “Specific Generative Energy ‘EARTHLY’ Domain”.

At one moment, the Archangel ZA’AFIEL drew near the Archangel MICHAEL and asked him about a particular “Specific Energy ‘EARTHLY’ Domain”, namely, the second “Specific Energy ‘EARTHLY’ Domain” from the “Specific Generative Energy ‘EARTHLY’ Domain”, which is drifting in orbit around the “Specific Generative Energy ‘EARTHLY’ Domain”, and which is the last to fade away when the “Specific Generative Energy ‘EARTHLY’ Domain” (which is also designated as the Solar star) starts sending its rays towards the first “Specific Energy ‘EARTHLY’ Habitation Domain”. And the answer of the leader of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” was quite revealing of the extent of the plant of “THE KNOWLEDGE OF THE DIVINE” in these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”:

“ ...

Archangel MICHAEL: (answering to ZA’AFIEL):

*It is a reminder, ZA’AFIEL, for AZAZEL also knows its meaning.
Behold how this stubborn star, which is not a true star at all,
proudly resists the rising sun’s authority over the day.*

“ ...”

The “*stubborn star*”, which they were talking about, is the “Specific Energy ‘EARTHLY’ Domain” to which human creatures in their desires of grandeur have attributed the designations “Venus” and also “morning star”. This is just an example, to illustrate the extent of growth of the plant of “THE KNOWLEDGE OF THE DIVINE” in these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”.

You can only shake your head in astonishment. After all those billions of years into existence and which have defined the “First Phase” of “THE HOLY PROJECT”, and despite all the teachings, which “THE DIVINE FORCE” had poured on them, these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and self-declare “gods” could not perceive the large scale manifestation of “THE ABSOLUTE FRAME OF REFERENCE”, the signature of “THE DIVINE”, in front of their own “eyes”.

Particles” with the positions of all its products that were begotten and arose into existence in the “‘SPIRIT’ Divine State”.

The mockup is an indication of the origin which was designed and established, from eternity, before that the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” were “spoken” into existence in the attribute “NON DIVINE”; and the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” are living representations of that, which is illustrated in this mockup, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” are not the origin of the mockup.

Once was accomplished this fourth decree of the implementation of the “Second Phase” of “THE HOLY PROJECT”, and that the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” were able to see for themselves the truths that are into existence in the “‘SPIRIT’ Specific State” and which were made manifest in another existence, this time outside of the “‘SPIRIT’ Specific State”, then, “THE DIVINE FORCE” returned the “‘SPIRIT←SPIRIT’ Body” of each of those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of the remaining of “THE CELESTIAL HOST” in their existence in the “Specific Energy ‘CELESTIAL’ Domain”, adjourning the “Classroom”.

The fallen “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” did not take part in the “Classroom”, on this Fourth Day of the implementation of the “Second Phase” of “THE HOLY PROJECT”, as they had been hurled the previous day in the first “Specific Energy ‘EARTHLY’ Habitation Domain”, and from where they were standing and staring above, looking through the open window of the “Classroom”, to see the creation of those constituents of the “Solar System” appearing in the “MURKY VOID”, very far away, above the new dwelling home place of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, which has not yet been produced into existence, but the dwelling home place of which has already been given to those fallen “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”.

Back in the “Specific Energy ‘CELESTIAL’ Domain”, the remaining “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” went back to work on the reconstruction of the “CELESTIAL TABERNACLE” which had been destroyed, by the flow of the pure “Specific Atomic ‘SPIRIT’ Substances”, containing crude and very high “‘SPIRIT’ specific supply of subsistence”, which had been accumulated inside of “THE SHEKINAH” and spilled on the “Specific Energy ‘CELESTIAL’ Substance” constituent of the “Specific Energy ‘CELESTIAL’ Domain”, and which flooded the “Specific Energy ‘CELESTIAL’ Domain”, in the afternoon of the Third Day of the implementation of the “Second Phase” of “THE HOLY PROJECT”.

It is so that, this Fourth Day of the implementation of the “Second Phase” of “THE HOLY PROJECT” will also come to an end.

יצירה נצחית ספר

CHAPTER 170

IMPLEMENTATION OF THE “SECOND PHASE” OF THE HOLY PROJECT — THE FIFTH DECREE

What had remained of “THE CELESTIAL HOST” in the “Specific Energy ‘CELESTIAL’ Domain” was gathered a fifth time and “THE DIVINE FORCE” has made visible the whole “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”.

As in projection in the communication by “VISION”, “THE DIVINE FORCE” brought forward once again the “‘SPIRIT←SPIRIT’ Body” of each of those remaining “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, again just above of the “Specific ‘SPIRITUAL’ Frontier” of the first “Specific Energy ‘EARTHLY’ Habitation Domain” which had been soiled by the immersion, in the “Specific Energy ‘EARTHLY’ Substance” constituent of this first “Specific Energy ‘EARTHLY’ Habitation Domain”, of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” that have openly rejected “THE DIVINE”, IHVH, our FATHER and all that HE is; those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” which thus carried with them all their filth and the mark of “DEATH”, and had been intentionally pulled out of the destruction by the flow of the pure “Specific Atomic ‘SPIRIT’ Substances”, containing crude and very high “‘SPIRIT’ specific supply of subsistence”, which had been accumulated inside of the “SHEKINAH”, and which flooded the “Specific Energy ‘CELESTIAL’ Domain”.

Therefore, once again, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, although traumatized by the turn of events of the previous days, were reintroduced in the “Classroom” of “THE DIVINE FORCE”, so that they would eventually learn more about themselves, more about “THE DIVINE”, IHVH, our FATHER, and more about “THE DIVINE FORCE” — “THE UNALTERABLE VOICE”, THE INVISIBLE SHEPHERD OF PURITY AND HOLINESS — who has been educating and teaching each of them, all along since each of them was “spoken” into existence, and who they have all failed to recognize; with this gathering, they could thus

observe by themselves and in front of themselves, the continuation of the unfolding of the implementation of the “Second Phase” of “THE HOLY PROJECT”.

Through the fifth decree of the implementation of the “Second Phase” of “THE HOLY PROJECT”, “THE DIVINE FORCE” had planned to lead these elders of the creation to understand that “THE DIVINE”, IHVH, our FATHER is “THE FATHER OF THE WHOLE”.

“THE DIVINE FORCE” had planned to lead them to understand that just as the products of the implementation of this fifth decree which they will see by themselves, each of the elders of the creation who had been “spoken” into existence in the “Specific Energy ‘CELESTIAL’ Substance” constituent of the “Specific Energy ‘CELESTIAL’ Domain” in the attribute “NON DIVINE”, is a delineated part and entity of this “Specific Energy ‘CELESTIAL’ Substance”, and is an “INDISTINCT FORM OF THE SPECIFIC ENERGY ‘CELESTIAL’ SUBSTANCE”.

Through this, “THE DIVINE FORCE” had planned to lead them to understand that “THE DIVINE”, IHVH, our FATHER generates and creates Himself in countless ways.

When “THE DIVINE FORCE” had planned all this, it was for the purpose to rectify the deficiency of “THE KNOWLEDGE OF THE DIVINE” that had taken place in “THE SEAT OF THE INTELLECT” in the “‘SPIRIT←SPIRIT’ Body” of “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, and the sentence of annihilation of that “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” would be the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

In “THE SUPREME PLENITUDE”, “THE DIVINE FORCE” knew not that SHE would be betrayed by these very “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” that SHE had educated.

After the “BETRAYAL” that “THE DIVINE”, IHVH, our FATHER had undergone, HE decided nevertheless to continue the implementation of the “Second Phase” of “THE HOLY PROJECT”. Knowing already that the worst was yet to come, as these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” are all prone to the Governing Law of the Behavior and cannot escape it, and they were all standing in their own “DISGRACE”, “IMPURITIES”, and “LIES”, “THE DIVINE”, IHVH, our FATHER will combat in “ABSOLUTE ‘PURITY’” for the existence of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” so it will be the sentence of annihilation of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” and of the “nefarious and despicable shadow schemings” that the “‘SPIRIT←SPIRIT’

‘CELESTIAL’ Creatures” had developed in “THE SEAT OF THE INTELLECT” in their “‘SPIRIT←SPIRIT’ Body”.

It is so that, on the fifth Day of the implementation of the “Second Phase” of “THE HOLY PROJECT”, “THE DIVINE”, IHVH, our FATHER from “THE DIVINE DOMAIN” outside of the attribute “NON DIVINE”, will emit “THE WORD OF THE DIVINE”, twice, to “The ALTAR of ‘THE DIVINE’” which is inside “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’”.

At the first emission, “THE WORD OF THE DIVINE” carried with it the firsts instructions of the fifth decree of the implementation of the “Second Phase” of “THE HOLY PROJECT”.

“THE DIVINE FORCE” instantly received those divine instructions and SHE started to work, untiring, “THE CONFIDENCE OF THE DIVINE”, and invisible of “THE CELESTIAL HOST” watching, being Herself the invisible science which is hidden in “THE WHOLE”.

Using the elements of “THE ‘LIGHT’ REASON” which are available in “The ALTAR of ‘THE DIVINE’” which is inside “THE SHEKINAH” of which the “Specific ‘CELESTIAL←SPIRITUAL’ Frontier” had been destroyed, but the one instantly built and set in place, afterwards, was nevertheless maintained intact by “THE DIVINE FORCE”, therefore “THE DIVINE FORCE” created the sequence of “SOUNDS” that are associated with these divine instructions and SHE made instantly manifest outside of “THE SHEKINAH”, that sequence of “SOUNDS”, thus allowing the entirety of “THE CELESTIAL HOST” remaining to hear it.

That sequence of “SOUNDS” was translated into human language by a series of expressions that roughly means:

“

*LET THE LIVING CREATURE AFTER ITS KIND
BE BROUGHT FORTH FROM “THE WATERS”;
AND LET LIVING MULTITUDE OF “THE AIRS” BE PRODUCED!*

”

Invisible to the entirety of “THE CELESTIAL HOST” watching, “THE DIVINE FORCE” has continued Her work in the “Plane Below”, being Herself the invisible science which is hidden both in:

1. The “Specific Atomic ‘SPIRITUAL’ Substances” constituents of the “Specific ‘SPIRITUAL’ Environment” external and immediate and

around the first “Specific Energy ‘EARTHLY’ Habitation Domain” and containing this first “Specific Energy ‘EARTHLY’ Habitation Domain”; and in

2. The “Specific Atomic ‘EARTHLY’ Substances” constituents of the two structures of the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”.

Deployed in the entirety of both the “Specific Energy ‘SPIRITUAL’ Substance” and the “Specific Energy ‘EARTHLY’ Substance”, then, “THE DIVINE FORCE” has continued Her work.

SHE has selected pure “Specific Atomic ‘EARTHLY’ Substances” constituents of the “Specific Energy ‘EARTHLY’ Substance”, and SHE has also selected “Specific Atomic ‘SPIRITUAL’ Substances” constituents of the “Specific Energy ‘SPIRITUAL’ Substance”, from which SHE has arranged a multitude of structures (“‘SPIRIT←SPIRIT’ Body” and external “Specific Energy ‘EARTHLY’ Envelope”, following the “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creature” model), as complex as the morphologies of the “Subjective ‘EARTHLY’ Garments” and their anatomies, associated to the living “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creatures” affected by this fifth decree of the implementation of the “Second Phase” of “THE HOLY PROJECT”, were.

As it was the case during the previous days, the speed with which “THE DIVINE FORCE” had executed the divine instructions carried by “THE WORD OF THE DIVINE” in this fifth decree of the implementation of the “Second Phase” of “THE HOLY PROJECT”, could not be followed by the “Specific ‘CELESTIAL’ Visual Structure” of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”.

The speed with which “THE DIVINE FORCE” had executed those divine instructions is several billion times faster than what the “Specific ‘CELESTIAL’ Visual Structure” of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” can follow.

Only “THE EYE OF THE DIVINE” has the ability to follow such an achievement. Just as it had been during the previous days, when the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had seen the achievements appear into existence gradually, such was also the case in this fifth achievement.

The “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” saw the living “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creatures” appear gradually into existence both in the subset which has been called “THE WATERS” and in the subset which has

been called “THE AIRS”, constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, as coming from nowhere.

It is so that, “THE DIVINE FORCE” has produced into existence all the living “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creatures” both in the subset which has been called “THE WATERS” and in the subset which has been called “THE AIRS”, in pairs “MALE” and “FEMALE”, as “THE DIVINE ARCHITECT AND PROJECT MASTER” had designed the “‘SPIRIT←SPIRIT’ Body” of these “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creatures”, and following the multitude of “Characters” (that is, the shapes of the “Subjective ‘EARTHLY’ Garments”) that the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” in “THE CELESTIAL HOST” had chosen on the instruction of “THE DIVINE FORCE”.

“THE DIVINE FORCE” has produced into existence all these living “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creatures”, each carrying in itself its own seed and as “THE DIVINE ARCHITECT AND PROJECT MASTER” had designed it; each “‘SPIRIT←SPIRIT’ Body” of each “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creature” as concrete “image” in characters of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, which is at the origin of the “Character” associated to this “‘SPIRIT←SPIRIT’ Body” of the “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creature”; that is, as self-portrait of that “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”. And some of the properties of the “Specific ‘CELESTIAL’ Tegumentary Structure” of the “Specific ‘CELESTIAL’ Garment” of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, which is at the origin of the “Character” associated to this “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creature”, have been “projected” onto the “Specific ‘EARTHLY’ Tegumentary Structure” of the “Subjective ‘EARTHLY’ Garment” of the “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creature”.

This was also another demonstration of the application, to the “Specific Energy ‘EARTHLY’ Substance”, of the “movement”, considered in its manifestations under all its forms and all scales, and the state of equilibrium expected from the “movement”.

All the living “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creatures” in “THE WATERS” — fishes and marine mammals —, were in movement, from the smallest to the largest, in all their shapes and colors, swimming in “THE WATERS” and feeding of aquatic plants that had been created for their use.

The living “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creatures” in “THE AIRS” — birds in all their shapes and colors — were not outdone, winging in “THE AIRS”, others taking refuge in the “Vegetal ‘EARTHLY’ Creatures” — trees and plants — and

feeding on fruit, emitting all kinds of vocalised sounds throughout the entirety of the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”: babbling, singing, chirping, gabbling, squeaking, peeping, etc...

יצירה ספר

The “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain” was filled with the vocalises sounds emitted by these “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creatures”.

This was a demonstration of the “specific behaviors” and associated “specific effects”, associated with the “movement”, considered in its manifestations under all its forms and all scales, and the state of equilibrium expected from the “movement”, which exist already in the “‘SPIRIT’ Specific State” in the “SILENCE” and through the “telepathy wavelength”, but which have now been made manifested with their “SOUNDS” outside of the “telepathy wavelength”, in another existence, this time outside of the “‘SPIRIT’ Specific State”.

Those of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of “THE CELESTIAL HOST” remaining, whose “Characters” had been manifested on these “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creatures”, and who were guided by “THE

DIVINE FORCE” and knew not that it is “THE DIVINE FORCE” who had entrusted them their tasks and who guided them in reality, but who believed and have always believed that it is by themselves that they had accomplished the work on the design associated to these “Characters”, were filled with joy at the view of this manifestation into existence of their work, and they also recognize themselves in these “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creatures”; this is why “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” will say and always like to say that “THE DIVINE”, IHVH, our FATHER has glorified them (in the sense of manifested living “waxwork”, or, living “wax” sculptures, and NOT in the sense of the manifestation of the “GLORY” of “THE LIGHT”) through the “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creatures”.

It is so that, all these “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creatures” were created into existence in these two subsets of the “Specific Energy ‘EARTHLY’ Substance” which are called “THE WATERS” and “THE AIRS”, in the shadow of the filth and of the mark of “DEATH” which were already present and spread already in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain” from the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” that have openly rejected “THE DIVINE”, IHVH, our FATHER and all that HE is, and had been immersed in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, at the end of the Third Day of the implementation of the “Second Phase” of “THE HOLY PROJECT”.

“THE DIVINE FORCE” has created all these “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creatures” so that, in the limits of “THE ‘SPIRIT’ REASON”, the following of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, through the perfection of discernment, can discern the celestial truths that are in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” who is at the origin of a “Character” considered. Those celestial truths define the personality of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” at the origin of the “Character” from the perspective of intellectual growth in “THE KNOWLEDGE OF THE DIVINE” and his affective and emotional growth in “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”.

These celestial truths that lie in the “‘SPIRIT←SPIRIT’ Body” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” at the origin of the “Character” and at the moment when it is chosen, are not eternal truths that are contained in the product of “THE ABSOLUTE FRAME OF REFERENCE” defined by “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” and from

which this “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” is a manifestation of the metaphor.

To be able to discern the eternal truths, within the limits of “THE ‘SPIRIT’ REASON”, from the celestial truths, the following of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” would have to trace back and discern the narrative value carried by the “Character” that the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” has chosen.

Therefore, in addition to all the “Vegetal ‘EARTHLY’ Creatures” which was created into existence on the Third Day, all these “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creatures” which have been created into existence in these two subsets of the “Specific Energy ‘EARTHLY’ Substance”, would constitute a true living library for the following of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”; that is, for the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” that had not yet been created into existence.

But this living library will be contaminated and destroyed by the filth that had been intentionally pulled out of the destruction by the flow of the pure “Specific Atomic ‘SPIRIT’ Substances”, containing crude and very high “‘SPIRIT’ specific supply of subsistence”, which had been accumulated inside of the “SHEKINAH”, and which flooded the “Specific Energy ‘CELESTIAL’ Domain”, and immersed in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, at the end of the Third Day of the implementation of the “Second Phase” of “THE HOLY PROJECT”.

Indeed, from the perspective of the “Specific Energy ‘EARTHLY’ Substance”, these “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creatures” which had been produced into existence by this first emission of “THE WORD OF THE DIVINE” in this fifth decree of the implementation of the “Second Phase” of “THE HOLY PROJECT”, are and remain “INDISTINCT FORMS OF THE SPECIFIC ENERGY ‘EARTHLY’ SUBSTANCE”; that is, cohesive subsets carved in the “Specific Energy ‘EARTHLY’ Substance”.

From the immersion in this “Specific Energy ‘EARTHLY’ Substance” of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” that have openly rejected “THE DIVINE”, IHVH, our FATHER and all that HE is, and which thus carried with them all their filth and the mark of “DEATH”, both the following were contaminated and turned in the state of “CHAOS”, contrary to the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”:

1. The “Specific Atomic ‘SPIRITUAL’ Substances” constituents of the “Specific Energy ‘SPIRITUAL’ Substance” of the “Specific ‘SPIRITUAL’ Environment” containing the first “Specific Energy ‘EARTHLY’ Habitation Domain”; and
2. The “Specific Atomic ‘EARTHLY’ Substances” constituents of the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”.

It is so that, from the perspective of the “Specific Energy ‘EARTHLY’ Substance”, it was just a matter of time before that the intensity of the state of “CHAOS” of the “Specific Atomic ‘EARTHLY’ Substances” constituents of this “Specific Energy ‘EARTHLY’ Substance”, contrary to the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”, be made manifest on scales larger than that of the “Specific Atomic ‘SPIRIT’ Substance”, and in all these living “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creatures” that “THE DIVINE FORCE” has created by accomplishing this first emission of “THE WORD OF THE DIVINE” in this fifth decree of the implementation of the “Second Phase” of “THE HOLY PROJECT”.

When it will come to pass, it is the first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” who had already been designated by the “ADONA’IM” as being a “MISTAKE OF THE CREATION”, who will be used as a “scapegoat” by the Archangel MICHAEL and AZAZEL to justify the presence of filth and the mark of “DEATH” in these “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creatures”; they will do it through the “HUBRIS COVENANT” which they will formalize in front of the entirety of “THE CELESTIAL HOST” and on this first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, and to the detriment of “THE DIVINE”, IHVH, our FATHER, and to cover their actions and their “BETRAYAL” perpetrated against “THE DIVINE”, IHVH, our FATHER.

At the second emission of “THE WORD OF THE DIVINE” in this fifth decree of the implementation of the “Second Phase” of “THE HOLY PROJECT”, “THE WORD OF THE DIVINE” carried with it the subsequent divine instructions of the fifth decree of the implementation of the “Second Phase” of “THE HOLY PROJECT”.

Once again, “THE DIVINE FORCE” instantly received those divine instructions and SHE started to work, invisible to the entirety of “THE CELESTIAL HOST” watching, being Herself the invisible science which is hidden in “THE WHOLE”.

Using all along the elements of “THE ‘LIGHT’ REASON” which are available in “The ALTAR of ‘THE DIVINE’” which is inside “THE SHEKINAH”, “THE DIVINE FORCE” created the sequence of “SOUNDS” that are associated with these divine instructions.

This second emission of “THE WORD OF THE DIVINE” was expressed into existence in “The ALTAR of ‘THE DIVINE’” which is inside “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — in the “Specific Energy ‘CELESTIAL’ Domain” in the attribute “NON DIVINE”, and the sequence of “SOUNDS” associated to this “WORD OF THE DIVINE” was made instantly manifest outside of “THE SHEKINAH”, by “THE DIVINE FORCE”; thus allowing the remaining of “THE CELESTIAL HOST” to hear it.

By this second emission of “THE WORD OF THE DIVINE”, “THE DIVINE”, IHVH, our FATHER has consolidated, in their manner of being, the products of the “specific work” accomplished by “THE DIVINE FORCE” during the achievement of the fifth decree of the implementation of the “Second Phase” of “THE HOLY PROJECT”.

Through the achievement of this fifth decree of the implementation of the “Second Phase” of “THE HOLY PROJECT”, “THE DIVINE FORCE” has manifested once again several teachings describing aspects “THE DIVINE”, IHVH, our FATHER, which were not known to the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, and which had been planned to allow these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” to move forward and grow in “THE KNOWLEDGE OF THE DIVINE”.

Once was accomplished this fifth decree of the implementation of the “Second Phase” of “THE HOLY PROJECT”, then, “THE DIVINE FORCE” returned the “‘SPIRIT←SPIRIT’ Body” of each “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” of the remaining of “THE CELESTIAL HOST” in their existence in the “Specific Energy ‘CELESTIAL’ Domain”, adjourning the “Classroom”.

Back in the “Specific Energy ‘CELESTIAL’ Domain”, the remaining “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” went back to work on the reconstruction of the “CELESTIAL TABERNACLE” which had been destroyed, by the flow of the pure “Specific Atomic ‘SPIRIT’ Substances”, containing crude and very high “‘SPIRIT’ specific supply of subsistence”, which had been accumulated inside of “THE SHEKINAH”, in the afternoon of the Third Day of the implementation of the “Second Phase” of “THE HOLY PROJECT”, and which flooded the “Specific Energy ‘CELESTIAL’ Domain”.

The filth that had been intentionally pulled out of the destruction by the flow of the pure “Specific Atomic ‘SPIRIT’ Substances”, containing crude and very high “‘SPIRIT’ specific supply of subsistence”, which had been accumulated inside of the “SHEKINAH”, and which flooded the “Specific Energy ‘CELESTIAL’ Domain”, and immersed in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, at the end of the Third Day of the implementation of the “Second Phase” of “THE HOLY PROJECT”, and which flooded the “Specific Energy ‘CELESTIAL’ Domain”, have all along remained in this “Specific Energy ‘EARTHLY’ Substance”, trampling it gradually, as well as the new “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creatures”.

It is so that, this Fifth Day of the implementation of the “Second Phase” of “THE HOLY PROJECT” will also come to an end.

CHAPTER 171

IMPLEMENTATION OF THE “SECOND PHASE” OF THE HOLY PROJECT — THE SIXTH DECREE

What had remained of “THE CELESTIAL HOST” in the “Specific Energy ‘CELESTIAL’ Domain” was gathered a sixth time and “THE DIVINE FORCE” has made visible the whole “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, and containing the “Vegetal ‘EARTHLY’ Creatures” and the living “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creatures” that had been created during the preceding two days.

As in projection in the communication by “VISION”, “THE DIVINE FORCE” brought forward once again the “‘SPIRIT←SPIRIT’ Body” of each of those remaining “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, again just above of the “Specific ‘SPIRITUAL’ Frontier” of the first “Specific Energy ‘EARTHLY’ Habitation Domain”.

Therefore, once again, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, although traumatized by the turn of events of the previous days, were reintroduced in the “Classroom” of “THE DIVINE FORCE”, so that they would eventually learn more about themselves, more about “THE DIVINE”, IHVH, our FATHER, and more about “THE DIVINE FORCE” — “THE UNALTERABLE VOICE”, THE INVISIBLE SHEPHERD OF PURITY AND HOLINESS — who has been educating and teaching each of them, all along since each of them was “spoken” into existence, and who they have all failed to recognize; with this gathering, they could thus observe by themselves and in front of themselves, the continuation of the unfolding of the implementation of the “Second Phase” of “THE HOLY PROJECT”.

Through the sixth decree of the implementation of the “Second Phase” of “THE HOLY PROJECT”, just as it had been planned to be the case with the fifth decree, “THE DIVINE FORCE” had planned to lead once again these elders of the

creation to understand that “THE DIVINE”, IHVH, our FATHER is “THE FATHER OF THE WHOLE”.

“THE DIVINE FORCE” had planned to lead them to understand that just as the products of the implementation of this sixth decree which they will see by themselves, each of the elders of the creation who had been “spoken” into existence in the “Specific Energy ‘CELESTIAL’ Substance” constituent of the “Specific Energy ‘CELESTIAL’ Domain” in the attribute “NON DIVINE”, is a delineated part and entity of this “Specific Energy ‘CELESTIAL’ Substance”, and is an “INDISTINCT FORM OF THE SPECIFIC ENERGY ‘CELESTIAL’ SUBSTANCE”.

Through this, “THE DIVINE FORCE” had planned to lead them to understand that “THE DIVINE”, IHVH, our FATHER generates and creates Himself in countless ways.

As we have already explained it, when “THE DIVINE FORCE” had planned all this, it was for the purpose to rectify the deficiency of “THE KNOWLEDGE OF THE DIVINE” that had taken place in “THE SEAT OF THE INTELLECT” in the “‘SPIRIT←SPIRIT’ Body” of “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, and the sentence of annihilation of that “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” would be the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

In “THE SUPREME PLENITUDE”, “THE DIVINE FORCE” knew not that SHE would be betrayed by these very “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” that SHE had educated.

After the “BETRAYAL” that “THE DIVINE”, IHVH, our FATHER had undergone, HE decided nevertheless to continue the implementation of the “Second Phase” of “THE HOLY PROJECT”. Knowing already that the worst was yet to come, as these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” are all prone to the Governing Law of the Behavior and cannot escape it, and they were all standing in their own “DISGRACE”, “IMPURITIES”, and “LIES”, “THE DIVINE”, IHVH, our FATHER will combat in “ABSOLUTE ‘PURITY’” for the existence of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” so it will be the sentence of annihilation of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” and of the “nefarious and despicable shadow schemings” that the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had developed in “THE SEAT OF THE INTELLECT” in their “‘SPIRIT←SPIRIT’ Body”.

It is so that, on the Sixth Day of the implementation of the “Second Phase” of “THE HOLY PROJECT”, “THE DIVINE”, IHVH, our FATHER from “THE DIVINE DOMAIN” outside of the attribute “NON DIVINE”, will emit “THE WORD OF THE DIVINE”, a first time, to “The ALTAR of ‘THE DIVINE’” which is inside “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’”.

At this first emission, “THE WORD OF THE DIVINE” carried with it the firsts instructions of the sixth decree of the implementation of the “Second Phase” of “THE HOLY PROJECT”.

“THE DIVINE FORCE” instantly received those divine instructions and SHE started to work, untiring, “THE CONFIDENCE OF THE DIVINE”, and invisible of “THE CELESTIAL HOST” watching, being Herself the invisible science which is hidden in “THE WHOLE”.

Using the elements of “THE ‘LIGHT’ REASON” which are available in “The ALTAR of ‘THE DIVINE’” which is inside “THE SHEKINAH” of which the “Specific ‘CELESTIAL←SPIRITUAL’ Frontier” had been destroyed, but the one instantly built and set in place, afterwards, was nevertheless maintained intact by “THE DIVINE FORCE”, therefore “THE DIVINE FORCE” created the sequence of “SOUNDS” that are associated with these divine instructions and SHE made instantly manifest outside of “THE SHEKINAH”, that sequence of “SOUNDS”, thus allowing the entirety of “THE CELESTIAL HOST” remaining to hear it.

That sequence of “SOUNDS” was translated into human language by a series of expressions that roughly means:

“

*LET THE LIVING CREATURE AFTER ITS KIND
BE BROUGHT FORTH FROM “THE SOLID MATTER”!*

”

Invisible to the entirety of “THE CELESTIAL HOST” watching, “THE DIVINE FORCE” has continued Her work in the “Plane Below”, being Herself the invisible science which is hidden both in:

1. The “Specific Atomic ‘SPIRITUAL’ Substances” constituents of the “Specific ‘SPIRITUAL’ Environment” external and immediate and around the first “Specific Energy ‘EARTHLY’ Habitation Domain” and containing this first “Specific Energy ‘EARTHLY’ Habitation Domain”; and in

2. The “Specific Atomic ‘EARTHLY’ Substances” constituents of the two structures of the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”.

Deployed in the entirety of both the “Specific Energy ‘SPIRITUAL’ Substance” and the “Specific Energy ‘EARTHLY’ Substance”, then, “THE DIVINE FORCE” has continued Her work.

SHE has selected once again pure “Specific Atomic ‘EARTHLY’ Substances” constituents of the “Specific Energy ‘EARTHLY’ Substance”, and SHE has also selected “Specific Atomic ‘SPIRITUAL’ Substances” constituents of the “Specific Energy ‘SPIRITUAL’ Substance”, from which SHE has arranged a multitude of structures (“‘SPIRIT←SPIRIT’ Body” and external “Specific Energy ‘EARTHLY’ Envelope”, following the “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creature” model), as complex as the morphologies of the “Subjective ‘EARTHLY’ Garments” and their anatomies, associated to the living “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creatures” affected by this sixth decree of the implementation of the “Second Phase” of “THE HOLY PROJECT”, were.

As it was the case during the previous days, the speed with which “THE DIVINE FORCE” had executed the divine instructions carried by “THE WORD OF THE DIVINE” in this sixth decree of the implementation of the “Second Phase” of “THE HOLY PROJECT”, could not be followed by the “Specific ‘CELESTIAL’ Visual Structure” of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”.

The speed with which “THE DIVINE FORCE” had executed those divine instructions is several billion times faster than what the “Specific ‘CELESTIAL’ Visual Structure” of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” can follow.

Only “THE EYE OF THE DIVINE” has the ability to follow such an achievement. Just as it had been during the previous days, when the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had seen the achievements appear into existence gradually, such was also the case in this sixth achievement.

As it was the case the previous days, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” saw the living “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creatures” appear gradually into existence on the surface of the subset which has been called “THE SOLID MATTER” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, as coming from nowhere.

It is so that, “THE DIVINE FORCE” has produced into existence all those living “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creatures” at the surface of the subset which has been called “THE SOLID MATTER”, in pairs “MALE” and “FEMALE”, as “THE DIVINE ARCHITECT AND PROJECT MASTER” had designed the “‘SPIRIT←SPIRIT’ Body” of these “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creatures”, and following the multitude of “Characters” (that is, the shapes of the “Subjective ‘EARTHLY’ Garments”) that the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” in “THE CELESTIAL HOST” had chosen on the instruction of “THE DIVINE FORCE”.

Just as SHE had accomplished it the previous day, “THE DIVINE FORCE” has produced into existence all these living “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creatures”, each carrying in itself its own seed and as “THE DIVINE ARCHITECT AND PROJECT MASTER” had designed it; each “‘SPIRIT←SPIRIT’ Body” of each “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creature” as concrete “image” in characters of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” that is at the origin of the “Character” associated to this “‘SPIRIT←SPIRIT’ Body” of the “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creature”; that is, as self-portrait of that

“‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”. And some of the properties of the “Specific ‘CELESTIAL’ Tegumentary Structure” of the “Specific ‘CELESTIAL’ Garment” of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” that is at the origin of the “Character” associated to this “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creature”, have been “projected” onto the “Specific ‘EARTHLY’ Tegumentary Structure” of the “Subjective ‘EARTHLY’ Garment” of the “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creature”.

This was also another demonstration of the application, to the “Specific Energy ‘EARTHLY’ Substance”, of the “movement”, considered in its manifestations under all its forms and all scales, and the state of equilibrium expected from the “movement”.

All the living “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creatures” at the surface of “THE SOLID MATTER”, were in movement, from the smallest to the largest, in all their shape and colors, moving on the surface of “THE SOLID MATTER” and eating “fruits” from the “Vegetal ‘EARTHLY’ Creatures” — trees and plants —, also emitting all kinds of vocalised sounds throughout the entirety of the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”.

The “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain” was once again filled with vocalised sounds emitted by these new “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creatures”.

This was a demonstration of the “specific behaviors” and associated “specific effects”, associated with the “movement”, considered in its manifestations under all its forms and all scales, and the state of equilibrium expected from the “movement”, which exist already in the “‘SPIRIT’ Specific State” in the “SILENCE” and through the “telepathy wavelength”, but which have now been made manifested with their “SOUNDS” outside of the “telepathy wavelength”, in another existence, this time outside of the “‘SPIRIT’ Specific State”.

Those of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of “THE CELESTIAL HOST” remaining, whose “Characters” had been manifested on these “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creatures”, and who were guided by “THE DIVINE FORCE” and knew not that it is “THE DIVINE FORCE” who had entrusted them their tasks and who guided them in reality, but who believed and have always believed that it is by themselves that they had accomplished the work on the design associated to these “Characters”, were filled with joy at the view of this manifestation into existence of their work, and they also recognize themselves in these “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creatures”. In some of these

“‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creatures”, “THE DIVINE FORCE” has manifested the properties of the “Specific ‘CELESTIAL’ Tegumentary Structure”, which allow to selectively absorb and reflect certain wavelengths of the “electromagnetic spectrum”, to instantly produce vivid structural colors in order to present different appearances of the “Subjective ‘EARTHLY’ Garment” of those “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creatures”. This is notably what you can observe on the plumage of some birds, peacocks, butterflies, the garment in the families of panther chameleons, scarlet macaws, clown fish, toucans, blue-ringed octopuses, and so many more, which reflects luminous radiation and makes it more vivid.

Here too, those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” will say and always like to say that “THE DIVINE”, IHVH, our FATHER has glorified them (in the sense of manifested living “waxwork”, or, living “wax” sculptures, and NOT in the sense of the manifestation of the “GLORY” of “THE LIGHT”) through the “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creatures”.

It is so that, all these “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creatures” were created into existence at the surface of the subset of the “Specific Energy ‘EARTHLY’ Substance” which are called “THE SOLID MATTER”, in the shadow of the filth and of the mark of “DEATH” which were already present and spread already in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain” from the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” that have openly rejected “THE DIVINE”, IHVH, our FATHER and all that HE is, and had been immersed in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, at the end of the Third Day of the implementation of the “Second Phase” of “THE HOLY PROJECT”.

As we have indicated previously, “THE DIVINE FORCE” has created all these “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creatures” so that, in the limits of “THE ‘SPIRIT’ REASON”, the following of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, through the perfection of discernment, can discern the celestial truths that are in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” who is at the origin of a “Character” considered. Those celestial truths define the personality of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” at the origin of the “Character” from the perspective of intellectual growth in “THE KNOWLEDGE OF THE DIVINE” and his affective and emotional growth in “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”.

These celestial truths that lie in the “‘SPIRIT←SPIRIT’ Body” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” at the origin of the “Character” and at

To be able to discern the eternal truths, within the limits of “THE ‘SPIRIT’ REASON”, from the celestial truths, the following of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” would have to trace back and discern the narrative value carried by the “Character” that the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” has chosen.

But this living library will be contaminated and destroyed by the filth that had been intentionally pulled out of the destruction by the flow of the pure “Specific Atomic ‘SPIRIT’ Substances”, containing crude and very high “‘SPIRIT’ specific supply of subsistence”, which had been accumulated inside of the “SHEKINAH”, and which flooded the “Specific Energy ‘CELESTIAL’ Domain”, and immersed in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, at the end of the Third Day of the implementation of the “Second Phase” of “THE HOLY PROJECT”.

CHAPTER 171
IMPLEMENTATION OF THE “SECOND PHASE” OF THE HOLY PROJECT — THE SIXTH DECREE

From the immersion in this “Specific Energy ‘EARTHLY’ Substance” of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” that have openly rejected “THE DIVINE”, IHVH, our FATHER and all that HE is, and which thus carried with them all their filth and the mark of “DEATH”, both the following were contaminated and turned in the state of “CHAOS”, contrary to the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”:

1. The “Specific Atomic ‘SPIRITUAL’ Substances” constituents of the “Specific Energy ‘SPIRITUAL’ Substance” of the “Specific ‘SPIRITUAL’ Environment” containing the first “Specific Energy ‘EARTHLY’ Habitation Domain”; and
2. The “Specific Atomic ‘EARTHLY’ Substances” constituents of the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”.

It is so that, from the perspective of the “Specific Energy ‘EARTHLY’ Substance”, it was just a matter of time before that the intensity of the state of “CHAOS” of the “Specific Atomic ‘EARTHLY’ Substances” constituents of this “Specific Energy ‘EARTHLY’ Substance”, contrary to the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”, be made manifest on scales larger than that of the “Specific Atomic ‘SPIRIT’ Substance”, and in all these living “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creatures” that “THE DIVINE FORCE” has created by accomplishing this first emission of “THE WORD OF THE DIVINE” in this sixth decree of the implementation of the “Second Phase” of “THE HOLY PROJECT”.

When it will come to pass, it is the first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” who had already been designated by the “ADONA’IM” as being a “MISTAKE OF THE CREATION”, who will be used as a “scapegoat” by the Archangel MICHAEL and AZAZEL to justify the presence of filth and the mark of “DEATH” in these “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creatures”; they will do it through the “HUBRIS COVENANT” which they will formalize in front of the entirety of “THE CELESTIAL HOST” and on this first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, and to the detriment of “THE DIVINE”, IHVH, our FATHER, and to cover their actions and their “BETRAYAL” perpetrated against “THE DIVINE”, IHVH, our FATHER.

CHAPTER 172

IMPLEMENTATION OF THE “SECOND PHASE” OF THE HOLY PROJECT — THE SEVENTH DECREE

After completing the sixth decree of the implementation of the “Second Phase” of “THE HOLY PROJECT”, always in this Sixth Day of the implementation of the “Second Phase” of “THE HOLY PROJECT”, it is then, that “THE DIVINE FORCE” has invited the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, talking to them directly, through the “telepathic wavelength”, also as in communication by “VISION”, to descend and enter in this first “Specific Energy ‘EARTHLY’ Habitation Domain” to allow them to see and discover by themselves the manifested aspects of “THE DIVINE”, IHVH, our FATHER, that were not known to “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”.

Following this invitation, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” entered in this first “Specific Energy ‘EARTHLY’ Habitation Domain” and were able to see and discover by themselves, feel with their own hands the truths that are into existence in the “‘SPIRIT’ Specific State” and which were made manifest in another existence, this time outside of the “‘SPIRIT’ Specific State”, by the work that has been accomplished by “THE DIVINE FORCE”.

“THE DIVINE” has consolidated in Himself, “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” — one “Generative Divine Particle” and six “Formative Divine Particles” in “Movement of Formative Divine Particle” synchronized between them, and, each “Movement of Formative Divine Particle” synchronized with the movement of the “Generative Divine Particle”, and without collisions forever with the passage of time — which ensures through the “Divine Septenary Equilibrium Zone”, the “SUPREME STATE OF EQUILIBRIUM”, the “SUPREME STATE OF HARMONY”, of “THE DIVINE” and of His “Electrical Charge” throughout all regions of His unlimited “BEING”.

This “SUPREME STATE OF EQUILIBRIUM” obtained from the “Divine Septenary Equilibrium Zone” in this “DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” is a state of indescribable joy, an ineffable gladness, and in an immeasurable state of equilibrium, that “THE DIVINE” had decided to share with the attribute “NON DIVINE”.

Through the seventh decree of the implementation of the “Second Phase” of “THE HOLY PROJECT”, “THE DIVINE FORCE” had planned to lead the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” to understand through discernment, that feature of the “Divine Septenary Equilibrium Zone” of this “DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”.

“THE DIVINE FORCE” had planned to lead the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” to understand the three aspects of “THE DIVINE” — “THE INTELLECT OF THE DIVINE”, “THE DIVINE FORCE”, and “THE BODY OF THE DIVINE” —, as well as the difference of scale from all perspectives, between HIM and His creatures in the attribute “NON DIVINE”, through those three aspects of “THE DIVINE”.

It was also to lead them to understand the orders of the realisation of events in “THE ABSOLUTE FRAME OF REFERENCE” defined by “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” in “THE DIVINE” — that is, to lead them to understand the “Causal Precedence Relation of ‘THE CREATION’” — that “THE DIVINE FORCE” had entrusted the Archangel MICHAEL, as “PRINCIPAL” instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, the task to choose for himself a “Character” and which will be used as “Subjective ‘EARTHLY’ Garment” for the “PRINCIPAL” instance of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model.

As we have already indicated, when “THE DIVINE FORCE” had planned all this, it was for the purpose to rectify the deficiency of “THE KNOWLEDGE OF THE DIVINE” that had taken place in “THE SEAT OF THE INTELLECT” in the “‘SPIRIT←SPIRIT’ Body” of “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, and the sentence of annihilation of that “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” would be the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

In “THE SUPREME PLENITUDE”, “THE DIVINE FORCE” knew not that SHE would be betrayed by these very “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” that SHE had educated.

After the “BETRAYAL” that “THE DIVINE”, IHVH, our FATHER had undergone, HE decided nevertheless to continue the implementation of the “Second Phase” of “THE HOLY PROJECT”. Knowing already that the worst was yet to come, as these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” are all prone to the Governing Law of the Behavior and cannot escape it, and they were all standing in their own “DISGRACE”, “IMPURITIES”, and “LIES”, “THE DIVINE”, IHVH, our FATHER will combat in “ABSOLUTE ‘PURITY’” for the existence of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” so it will be the sentence of annihilation of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” and of the “nefarious and despicable shadow schemings” that the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had developed in “THE SEAT OF THE INTELLECT” in their “‘SPIRIT←SPIRIT’ Body”.

Therefore, on this Sixth Day of the implementation of the “Second Phase” of “THE HOLY PROJECT”, “THE DIVINE”, IHVH, our FATHER from “THE DIVINE DOMAIN” outside of the attribute “NON DIVINE”, will emit “THE WORD OF THE DIVINE”, a second time, to “The ALTAR of ‘THE DIVINE’” which is inside “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’”.

At this second emission, “THE WORD OF THE DIVINE” carried with it the instructions of the seventh decree of the implementation of the “Second Phase” of “THE HOLY PROJECT”.

“THE DIVINE FORCE” instantly received those divine instructions and SHE started to work, untiring, “THE CONFIDENCE OF THE DIVINE”, and invisible of “THE CELESTIAL HOST” watching, being Herself the invisible science which is hidden in “THE WHOLE”.

Using the elements of “THE ‘LIGHT’ REASON” which are available in “The ALTAR of ‘THE DIVINE’” which is inside “THE SHEKINAH” of which the “Specific ‘CELESTIAL←SPIRITUAL’ Frontier” had been destroyed, but the one instantly built and set in place, afterwards, was nevertheless maintained intact by “THE DIVINE FORCE”, therefore “THE DIVINE FORCE” created the sequence of “SOUNDS” that are associated with these divine instructions and SHE made instantly manifest outside of “THE SHEKINAH”, that sequence of “SOUNDS”, thus allowing the entirety of “THE CELESTIAL HOST” remaining to hear it.

That sequence of “SOUNDS” was translated into human language by a series of expressions that roughly means:

“
LET US CREATE THE “‘SPIRIT←LIGHT’ ‘EARTHLY’ CREATURE”
*IN OUR IMAGE!*⁵⁸³
 ”

“*IN OUR IMAGE*”, in “THE WORD OF THE DIVINE” that was emitted, refers to the “‘SPIRIT←LIGHT’ Body” in the “PRINCIPAL” instance of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model. It is this “‘SPIRIT←LIGHT’ Body” that is in the concrete image of the three parts of “THE DIVINE” and that are: “THE DIVINE ARCHITECT AND PROJECT MASTER”, “THE DIVINE FORCE”, and “THE DIVINE BODY”.

“*IN OUR IMAGE*”, in “THE WORD OF THE DIVINE” that was emitted, does not refer to any image or likeness of those treacherous “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, as they have always believed and spreaded among human creatures, although metaphors of “DIVINE PRIMARY WEALTH” had been manifested on the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and that similarities will be observed.

“*IN OUR IMAGE*”, in “THE WORD OF THE DIVINE” that was emitted, does not either refer to the “Character” that the Archangel MICHAEL had chosen for himself and which will be used as “Subjective ‘EARTHLY’ Garment” for the “PRINCIPAL” instance of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model; although that “Character” was designed by the Archangel MICHAEL as the representation of the illusion that was his and that was supposed to represent “THE ONE” from whom “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” originate.

As we have indicated already, to be in the image of “THE DIVINE”, to the “‘SPIRIT→LIGHT’ Divine State”, has nothing to do with the morphology (that is, the shape of the “Character” that the Archangel MICHAEL had chosen for himself) of the external “Specific Energy ‘EARTHLY’ Envelope” which will cover the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”. However, an expression by metaphor of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” will be expressed in the anatomy of this external “Specific Energy ‘EARTHLY’ Envelope” — that is, the “Subjective ‘EARTHLY’ Garment” for the “PRINCIPAL” instance of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model — and will be powered (just like the electrical power

⁵⁸³ See the text concerning the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, to understand what is meant by “... in the image of “THE DIVINE”, IHVH, our FATHER ...”

supply) through the “‘SPIRIT←LIGHT’ Body”. Such a combination of the “‘SPIRIT←LIGHT’ Body” encrusted and “hidden” (in the sense of invisibility as we have already described) in the anatomy of this “much coarse” external “Specific Energy ‘EARTHLY’ Envelope” in which an expression by metaphor of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” will be expressed, will aim to convey to the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of “THE CELESTIAL HOST” in their obscurity, in their absence of “THE KNOWLEDGE OF THE DIVINE”, as well as to the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, that this “‘SPIRIT←LIGHT’ Body” is in fact a metaphor of a product (meaning: what is issued, what comes out, what comes into existence, what results from the activity of the movement) of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” that “THE DIVINE”, IHVH, our FATHER has consolidated in Himself.

As you would have undertood already, in much the same manner as an electromagnetic wave, which transports white luminous radiation, can be considered into its constituent wavelengths by separation through a prism, “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” can be considered from different perspectives associated with the events taking place in it. This includes the structural positioning of the twelve redundant “Divine Equilibrium Regions” or the twelve gates (the six “Entry Gates” and the six “Exit Gates”) along the complete flow path of the “Generative Divine Particle” in “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, the flow of the products of the work performed by each and all of the seven “Divine Particles” in “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, the flow of the many others uniquely identified information transported by the flow of “energy”, the flow of products that are formed, the flow of products that are consumed, the flow of the unique movement, etc... It is so that “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” can be decomposed along these perspectives and the differents decompositions can be linked together through appropriated relations of adequacy, relations of convenience, which exist between those constitutive perspectives, to form separate unique expressions, which are based on those relations of adequacy. Such unique expressions will form the basic layout of a unique “entities” or unique “creatures”, or “living images” of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, which are expressed into existence inside the attribute “NON DIVINE” and through manifestations by metaphors. A manifestation by metaphors of a decomposition of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” along a well defined perspective is that, which will be considered as a “system” of the “Subjective ‘EARTHLY’ Garment”, and which is to refer to: a

group of organs that are manifestations by metaphors of aspects of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, and which will work together to perform major functions or meet physiological needs of this “Subjective ‘EARTHLY’ Garment” and thereby revealing the events taking place in “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, from the well defined perspective considered.

Invisible to the entirety of “THE CELESTIAL HOST” watching, “THE DIVINE FORCE” has continued Her work in the “Plane Below”, being Herself the invisible science which is hidden both in:

1. The “Specific Atomic ‘SPIRITUAL’ Substances” constituents of the “Specific ‘SPIRITUAL’ Environment” external and immediate and around the first “Specific Energy ‘EARTHLY’ Habitation Domain” and containing this first “Specific Energy ‘EARTHLY’ Habitation Domain”; and in
2. The “Specific Atomic ‘EARTHLY’ Substances” constituents of the two structures of the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”.

Deployed in the entirety of both the “Specific Energy ‘SPIRITUAL’ Substance” and the “Specific Energy ‘EARTHLY’ Substance”, “THE DIVINE FORCE” has continued Her work, working this time in “slow motion”, with respect to her normal speed of execution of tasks, and to allow the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” to understand by analogy how they were created into existence in the “Specific Energy ‘CELESTIAL’ Substance” constituent of the “Specific Energy ‘CELESTIAL’ Domain”.

“THE DIVINE FORCE” has sent asleep all the “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creatures” that SHE had created the previous days, in this “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”.

Working in “slow motion” in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, “THE DIVINE FORCE” has selected pure “Specific Atomic ‘EARTHLY’ Substances” constituents of each of the three subsets of the “Specific Energy ‘EARTHLY’ Substance” and which had been called: “THE LIQUID MATTER (also called “THE WATERS”)), “THE LIGHTWEIGHT MATTER” (also called “THE AIRS”), and “THE SOLID MATTER”.

Simultaneously, “THE DIVINE FORCE” has also selected “Specific Atomic ‘SPIRITUAL’ Substances” constituents of the “Specific Energy ‘SPIRITUAL’ Substance”.

While selecting those “Specific Atomic ‘EARTHLY’ Substances” and those “Specific Atomic ‘SPIRITUAL’ Substances”, throughout the first “Specific Energy ‘EARTHLY’ Habitation Domain”, “THE DIVINE FORCE” was moving them from those places and was using them in the precise location where SHE was arranging the multitude of structures of the anatomy of the “Subjective ‘EARTHLY’ Garment” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.⁵⁸⁴

⁵⁸⁴ It is for the purpose to lead human creatures to understand this, and get them to develop their capacity for discernment that the following maxim was given to them:

“...

Blessed is he who has found a “Valued Conjoint”, SHE has much more value than precious pearls.

Her Conjoint has complete trust in Her, HE will not fail to have assets in His house.

She works for the good of Her Conjoint, All the days of her life, She does him good, and not harm.

She seeks wool and flax carefully and Her hands work cheerfully.

She is like merchant ships, she brings her subsistence afar from her home.

When it is still night, she is already standing, preparing for her household the needed food and she distributes tasks to all Her maiden.

She considers a field and buys it. From the “fruit” of her work, she plants a vineyard.

Full with energy, she gets to work and activates Her arms.

She notices that her undertaking functions properly. Her lamp does not turn off at night.

...

...”

This maxim describes “THE DIVINE WISDOM” and the work that SHE performs, using terms which human creatures are familiar with.

Read more, with explanations, in the section concerning the details of annotations – Annotation on the maxim of “THE DIVINE WISDOM”.

THE “SUBJECTIVE ‘EARTHLY’ GARMENT” OF THE HUMAN CREATURE

The “specific effects” associated with the movement of “Specific Atomic ‘EARTHLY’ Substances” and of “Specific Atomic ‘SPIRITUAL’ Substances”, throughout the first “Specific Energy ‘EARTHLY’ Habitation Domain”, by “THE DIVINE FORCE” were manifested both by sparks that were formed and which have been called “THE FIRE”, as a result of atmospheric electricity in movement, and by the “WINDS” that characterizes the movement felt from “Specific Atomic ‘EARTHLY’ Substances” in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”.

In “slow motion”, “THE DIVINE FORCE” was sewing the “Subjective ‘EARTHLY’ Garment” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, and the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” present could see by themselves the complexity of the work that “THE DIVINE FORCE” was accomplishing: the finest and most detailed demonstration of the application, to the “Specific Energy ‘EARTHLY’ Substance”, of the “movement”, considered in its manifestations under all its forms and all scales, and the state of equilibrium expected from the “movement”. We use the term “sewing”, in the sense that you know already, to indicate that, using “Specific Atomic ‘EARTHLY’ Substances” and “Specific Atomic ‘SPIRITUAL’ Substances”, “THE DIVINE FORCE” was producing, joining and assembling the pieces of the “Subjective ‘EARTHLY’ Garment”, including their systems and interconnections in an integrated manner; all the distinct systems, organs, tissues at once.

But all the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” present have not understood that it was “THE DIVINE FORCE” who was at work; “THE DIVINE FORCE” who had always talked to them through the ordinances of the “specific spiritual formation” of “THE CHURCH” from “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — and who had several times manifested Herself to them under several forms, up to speaking to them directly from “THE SEAT OF THE INTELLECT” that SHE had built and placed in the “Specific Energy ‘SPIRIT’ Substance” constituent of “‘SPIRIT←SPIRIT’ Body” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”.

In “slow motion”, “THE DIVINE FORCE” was sewing the “Subjective ‘EARTHLY’ Garment” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”; directly creating the layers of structures and organs of that “Subjective ‘EARTHLY’ Garment”, to match those that would acquire “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” when they approach the end of physical adolescence; that is to say, that of the “Subjective ‘EARTHLY’ Garment” at the 17 to 18 years old growth age into existence. “Why 17 to 18 years”, you will ask? It is because at the moment when the tasks to choose a “Character” for oneself was assigned to the “ADONA’IM”

***** Brief descriptions
of the human systems *****

מציג
ה
ספר

We add here a set of brief descriptions⁵⁸⁵ of the systems concerning this “Subjective ‘EARTHLY’ Garment” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” in the non-spiritual “Specific ‘EARTHLY’ Environment”, leaving aside the description of their attachments to the “Specific ‘SPIRITUAL’ Environment” external and immediate around the “Subjective ‘EARTHLY’ Garment”, so that:

- You get a good impression about the massive amount of considerations, reflections, and intellectual work that “THE DIVINE ARCHITECT AND PROJECT MASTER” has unfolded in the design of this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, and;
- You get a good impression about the work of “divine surgery” that “THE DIVINE FORCE” has performed in producing this “Subjective ‘EARTHLY’ Garment” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” into existence.

Throughout the years, since the destruction of “THE HUMAN EDIFICE”, many human creatures have spent a great length of their time and their life scrutinising the anatomy of the human creature and writing these descriptions and we heartfully acknowledge their work and their contribution to spreading the knowledge of living organisms and of the anatomy of this “Subjective ‘EARTHLY’ Garment” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”. Especially, in these days of today, we acknowledge the work, which has been produced by those of the

⁵⁸⁵ These descriptions are available already in several forms in various records, books, articles, dictionaries, medical and of biology — the natural science that studies life and living organisms, including their physical structure, chemical processes, molecular interactions, physiological mechanisms, development and evolution — encyclopaedae.

multitude who have made their work available online as free resources for learning.

It is also not our intention to “reinvent the wheel” or to infringe on the rights of these many people for the work that they have produced regarding the anatomy of this “Subjective ‘EARTHLY’ Garment” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, and which we use (some times “as is”, without any text change whenever suitable) in this descriptive section to illustrate the tangible work that “THE DIVINE FORCE” has performed in producing this “Subjective ‘EARTHLY’ Garment” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” into existence, and in which SHE has embedded manifested metaphors of the “LIGHT” that is hidden in the “LIGHT”, from which arises “THE KNOWLEDGE OF THE DIVINE”.

It takes a lot of people to bring in and lay the stones to rebuild the house, but only the person to whom the owner has shown the house and the blueprint of the house can point in the right direction and explain the purpose of each stone and how these stones were assembled in the first place, so that the house is rebuilt and that many understand who they are, why they are into existence, and in the hope that they would find salvation and return to the house owner.

THE CELL

DESCRIPTION OF THE CELL — THE BUILDING BLOC OF LIFE OF THE “SUBJECTIVE ‘EARTHLY’ GARMENT”

The “Specific Atomic ‘EARTHLY’ Substances” are the basic constituents of the “Specific Energy ‘EARTHLY’ Substance”; they were produced into existence by “THE DIVINE FORCE” and following the designs of “THE DIVINE ARCHITECT AND PROJECT MASTER”. “THE DIVINE ARCHITECT AND PROJECT MASTER” has endowed the “Specific Atomic ‘EARTHLY’ Substance” with a fundamental “‘EARTHLY’ specific supply of subsistence” allowing it to maintain intact the capacity of all “specific processes”, without exception, to execute their predefined “specific tasks” to produce the “specific work” that HE has also predefined for the “Specific Atomic ‘EARTHLY’ Substance”.

As we have already indicated for the “Specific Atomic ‘SPIRIT’ Substance”, most of the properties remain valid with the “Specific Atomic ‘EARTHLY’ Substance”. In its equilibrium state, that is to say, that which is associated with the fundamental “‘EARTHLY’ specific supply of subsistence” and with the “movement”, considered in relation to defined benchmarks, and considered in relation to the absence of “movement”, and which has been defined for the “Specific Atomic ‘EARTHLY’ Substance”, the “Specific Elementary ‘EARTHLY’ Substances” constituents of the “Specific Atomic ‘EARTHLY’ Substance” are into existence in pairs⁵⁸⁶ revolving around a well-defined center. It is so that, through the execution of their “specific tasks” they maintain the state of equilibrium of the “Specific Atomic ‘EARTHLY’ Substance” in the quality of a manifested metaphor of one of the many stable configurations of “divine particles” — the “Divine Primary Configurations”, the “Divine Secondary Configurations”, the “Divine Tertiary Configurations”, the “Divine Quaternary Configurations”, the “Divine

⁵⁸⁶ If you have been paying attention, you would have already noticed that these things have also been manifested into existence on a much larger scale by “THE DIVINE FORCE” when SHE accomplished the third and the fifth and the sixth decrees of the implementation of the “Second Phase” of “THE HOLY PROJECT”, by producing in pairs the “Vegetal ‘EARTHLY’ Creatures” of “THE FLORA” in all its magnificence and the “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creatures” of “THE FAUNA”. The same principle of complementary (of two products, the interdependence of two products, forming together one entity in equilibrium and as a manifestation of the pair formed by “THE DIVINE ARCHITECT AND PROJECT MASTER” and “THE DIVINE FORCE”, with adjective “MALE” coupled with adjective “FEMALE”, a manifestation of a “PROTON” complemented by a manifestation of an “ELECTRON”) has been applied on the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model. Also inside the tissues and organs of this “Subjective ‘EARTHLY’ Garment”, you will see most of them in complementary pairs.

Quinary Configurations”, and the “Divine Senary Configurations” —, which are all contained in “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” and which we have already described. It is thus that the property of the “Specific Atomic ‘EARTHLY’ Substance”, which is designated as the “electric charge” — and which will cause it to experience any interaction that, when unopposed, will change the “specific behaviors” and associated “specific effects”, associated with the “movement” of the considered “Specific Atomic ‘EARTHLY’ Substance”, when placed in an electromagnetic field — will reflect the state of equilibrium and it will be equal to zero. Note that the “electric charge” is not necessarily the “‘EARTHLY’ specific supply of subsistence”. When this equilibrium state is disrupted, one or more pairs of the “Specific Elementary ‘EARTHLY’ Substances” constituents of the “Specific Atomic ‘EARTHLY’ Substance” will be broken: the “Specific Atomic ‘EARTHLY’ Substance” either will have a “‘EARTHLY’ specific supply of subsistence” less than its fundamental “‘EARTHLY’ specific supply of subsistence”, in which case it will loose (have a negative “electric charge”, lost) to other “Specific Atomic ‘EARTHLY’ Substances”, or it will have a “‘EARTHLY’ specific supply of subsistence” higher than its fundamental “‘EARTHLY’ specific supply of subsistence”, in which case it will gain (have a positive “electric charge”, gained) from other “Specific Atomic ‘EARTHLY’ Substances”, depending on well-defined “specific circumstances” and it will be transformed into another “Specific Atomic ‘EARTHLY’ Substance” or it will combined with another “Specific Atomic ‘EARTHLY’ Substance”. Such “Specific Atomic ‘EARTHLY’ Substance” that has lost its equilibrium state, also designated as the neutrality of its “electric charge”, will be designated as a “charged” “Specific Atomic ‘EARTHLY’ Substance”.

Two or more “Specific Atomic ‘EARTHLY’ Substances” combine, and are held together by chemical bonds, to form a “Specific Molecular ‘EARTHLY’ Substance” (or simply a molecule, such as the water molecules, proteins, and sugars found in living things) of the “Specific Energy ‘EARTHLY’ Substance”. Such “Specific Molecular ‘EARTHLY’ Substance” is the smallest identifiable unit into which a pure “Specific Energy ‘EARTHLY’ Substance” can be divided and still retain the composition and chemical properties of that “Specific Energy ‘EARTHLY’ Substance”. A chemical bond is a lasting attraction between the “Specific Atomic ‘EARTHLY’ Substances”, which enables the formation of chemical compounds. The bond may result from the electrostatic force of attraction between oppositely charged “Specific Atomic ‘EARTHLY’ Substances” as in that, which is designated as ionic bonds or through the sharing of electrons as in that, which is designated as covalent bonds. The strength of chemical bonds will vary considerably; there will be “strong bonds” or “primary bonds” such as covalent, ionic and that, which

is designated as metallic bonds, and “weak bonds” or “secondary bonds” such as dipole—dipole interactions, “specific dispersion force” and hydrogen bonding. Covalent bonds are directional, meaning that the “Specific Atomic ‘EARTHLY’ Substances” will adopt specific positions relative to one another so as to maximize the bond strengths. As a result, each “Specific Molecular ‘EARTHLY’ Substance” has a definite, fairly rigid structure, or spatial distribution of its “Specific Atomic ‘EARTHLY’ Substances”.

The division of a sample of a pure “Specific Energy ‘EARTHLY’ Substance” into progressively smaller parts will produce no change in either its composition or its chemical properties until parts consisting of single “Specific Molecular ‘EARTHLY’ Substances” are reached. Further subdivision of the pure “Specific Energy ‘EARTHLY’ Substance” will lead to still smaller parts that will differ from the original pure “Specific Energy ‘EARTHLY’ Substance” in composition and will always differ from it in chemical properties. In this latter stage of fragmentation, the chemical bonds that hold the “Specific Atomic ‘EARTHLY’ Substances” together in the “Specific Molecular ‘EARTHLY’ Substance” will be broken.

In the equilibrium state of the “Specific Molecular ‘EARTHLY’ Substance”, that is to say, that which is associated with the fundamental “‘EARTHLY’ specific supply of subsistence” and with the “movement”, considered in relation to defined benchmarks, and considered in relation to the absence of “movement”, and which has been defined for the “Specific Molecular ‘EARTHLY’ Substance”, each of the constituents “Specific Atomic ‘EARTHLY’ Substances” is in its own equilibrium state, and the “Specific Molecular ‘EARTHLY’ Substance” is said to be electrically neutral.

A molecule may consists of “Specific Atomic ‘EARTHLY’ Substances” of only one type of chemical element, as with oxygen (O_2); or it may consists of a chemical compound composed of more than one type of chemical element, as with water (H_2O). An element here is a species of “Specific Atomic ‘EARTHLY’ Substance” having the same number of protons in its atomic nuclei (that is, the same atomic number, or Z). For example, the atomic number of oxygen is 8, so the element oxygen describes all “Specific Atomic ‘EARTHLY’ Substances” which have 8 protons.

All molecules will have a definite mass and size that will be dependent on the “Specific Atomic ‘EARTHLY’ Substances” from which the molecule is made. The mass will be equal to the sum of the masses of all the individual “Specific Atomic ‘EARTHLY’ Substances” in the molecular structure. The size is not only dependent on these “Specific Atomic ‘EARTHLY’ Substances” components of the

molecule, but also on the arrangement of these “Specific Atomic ‘EARTHLY’ Substances” within the molecule and how tightly they are joined together.

When “Specific Atomic ‘EARTHLY’ Substances” will join other “Specific Atomic ‘EARTHLY’ Substances” to form molecules, the chemical and physical properties of the compounds will be different from those of the elements from which they were formed. These include such things as color, hardness, conductivity, state (solid, liquid, gas), etc. When letters of the alphabet are used to form new words, the meanings of the new words cannot be discovered by observing or studying either the letters of the alphabet, or the other words. The new words formed will have new and different meanings. This is also true when new molecules form. The properties of the new substances cannot be found by studying the properties of the elements from which they formed or the properties of other similar molecules.⁵⁸⁷

While the molecular formula will give the basic information about what “Specific Atomic ‘EARTHLY’ Substances” are joined together and how many of each kind of “Specific Atomic ‘EARTHLY’ Substance”, the molecular formula will not give the whole story. The arrangement of the “Specific Atomic ‘EARTHLY’ Substances” within the molecule must also be considered since different arrangements of the same “Specific Atomic ‘EARTHLY’ Substances” within a molecule will produce different substances.

GEOMETRICAL CONSIDERATIONS OF A “SPECIFIC MOLECULAR ‘EARTHLY’ SUBSTANCE”

The properties of molecules will also correlate with their geometrical structures — shape, size, relative position of constituents “Specific Atomic ‘EARTHLY’ Substances”, and the properties of space — considered as organized points group.

⁵⁸⁷ For example, hydrogen and oxygen “Specific Atomic ‘EARTHLY’ Substances” can join to form water molecules. The properties of water (often used to extinguish fires) are completely different from the properties of oxygen gas (needed to support burning). These same two elements, hydrogen and oxygen, also form another common substance designated as hydrogen peroxide, with a molecular formula of H_2O_2 . Hydrogen peroxide, in its undiluted form, can cause serious burns. When diluted, it will be used for bleaching and as an antiseptic in cleansing wounds. These properties are completely different from the properties of the elements from which it is made, hydrogen and oxygen, as well as from the similar molecule, water. You cannot boil potatoes in H_2O_2 instead of H_2O without deadly effects. The properties of hydrogen peroxide differ greatly from those of hydrogen, oxygen, and water because each of the substances has its own specific number, kind, and arrangement of its “Specific Atomic ‘EARTHLY’ Substances”.

A point group, in geometry, is a group of geometric isometries — that is to say, a congruence, or congruent transformation, or a distance-preserving transformation between metric spaces⁵⁸⁸ — that keep at least one point fixed. In a two-dimensional or three-dimensional Euclidean space, two geometric figures are congruent if they are related by an isometry; the isometry that relates them is either a rigid motion (translation or rotation), or a composition of a rigid motion and a reflection. As such, the geometric figures are said to belong to the “geometry isometry” group.

In a three dimensions metric space, point groups consist of 7 infinite families of axial (where the “geometry isometry” is defined by a “specific axis”) or prismatic (where the “geometry isometry” is defined by a “specific prism”) groups, and 7 additional polyhedral (where the “geometry isometry” is defined by a “specific polyhedron”) or Platonic groups.

These mathematical concepts and properties, and much more, also apply to the “Specific Atomic ‘EARTHLY’ Substances” constituents of a “Specific Molecular ‘EARTHLY’ Substance” and it is so that the geometrical structures of a “Specific Molecular ‘EARTHLY’ Substance” will also be considered as organized in “specific geometry isometry” groups.

⁵⁸⁸ In mathematics, a metric space is a set of elements in which a metric has been defined to be applied to those elements. The metric is a function that defines a concept of distance between any two elements of the set, which are also designated as points. The metric satisfies a few simple properties. Informally:

- The distance from a point to itself is zero;
- The distance between two distinct points is positive;
- The distance from A to B is the same as the distance from B to A, and
- The distance from A to B (directly) is less than or equal to the distance from A to B via any third point C.

A metric on a space induces topological properties like open and closed sets, which lead to more abstract topological spaces.

The familiar metric space that you are already familiar with is the 3-dimensional Euclidean space. The Euclidean metric defines the distance between two points as the length of the straight line segment connecting them. Other metric spaces occur for example in elliptic geometry and hyperbolic geometry, where distance on a sphere measured by angle is a metric, and the hyperboloid model of hyperbolic geometry is used by special relativity as a metric space of velocities.

A “Specific Molecular ‘EARTHLY’ Substance” can thus be described by 5 types of “specific geometry isometry”: the symmetry axis, the plane of symmetry, the center of symmetry or inversion center, the rotation-reflection axis, and the identity isometries.

THE SYMMETRY AXIS. — Through a “specific axis” around which a rotation by a “specific angle” results in a molecule indistinguishable from the original. Such “specific angle” can always be expressed as a fraction of one complete circle around, and that is to say, a “specific angle” can always be expressed in the form $360^\circ/n$, where n is a natural number. In each “specific axis” defined by any of the $360^\circ/n$ “specific angle” of the n fractions of one complete circle around, a rotation of a molecule will result in a molecule indistinguishable from the original. It is thus that the “specific axis” associated with the “specific angle” equal to $360^\circ/n$ will also be designated as an n -fold rotational axis and abbreviated C_n . Examples are the C_2 axis in water molecule and the C_3 axis in ammonia molecule. A molecule can have more than one symmetry axis; the one with the highest n is designated as the principal axis, and by convention will be aligned with the z -axis in a Cartesian coordinate system.

PLANE OF SYMMETRY. — Through a plane of reflection through which an identical copy of the original molecule is generated. This is also designated as a mirror plane and abbreviated σ (sigma). Water molecule has two of them: one in the plane of the molecule itself and one perpendicular to it. A symmetry plane parallel with the principal axis is dubbed vertical (σ_v) and one perpendicular to it horizontal (σ_h). A third type of symmetry plane exists: If a vertical symmetry plane additionally bisects the angle between two 2-fold rotation axes perpendicular to the principal axis, the plane is dubbed dihedral (σ_d). A symmetry plane can also be identified by its Cartesian orientation, e.g., (xz) or (yz).

CENTER OF SYMMETRY OR INVERSION CENTER, abbreviated i . — A molecule has a center of symmetry when, for any “Specific Atomic ‘EARTHLY’ Substance” constituent of the molecule, an identical “Specific Atomic ‘EARTHLY’ Substance” exists diametrically opposite to this center and at an equal distance from it. In other words, a molecule has a center of symmetry when the points (x,y,z) and $(-x,-y,-z)$ correspond to identical objects. For example, if there is an oxygen “Specific Atomic ‘EARTHLY’ Substance” in some point (x,y,z) , then there is an oxygen “Specific Atomic ‘EARTHLY’ Substance” in the point $(-x,-y,-z)$. There may or may not be a “Specific Atomic ‘EARTHLY’ Substance” at the inversion center itself. Examples are xenon tetrafluoride where the inversion center is at the Xe “Specific Atomic ‘EARTHLY’ Substance”, and benzene (C_6H_6) where the inversion center is at the center of the ring. The benzene molecule has a sixfold

axis of symmetry along a line through the centre of the molecule and perpendicular to it. The benzene molecule also possesses a threefold symmetry axis that is co-incident with its sixfold axis.

ROTATION-REFLECTION AXIS. — Through an axis around which a rotation by $360^\circ/n$, followed by a reflection in a plane perpendicular to it, leaves the molecule unchanged. Also designated as an n -fold improper rotation axis, it is abbreviated S_n . Examples are present in tetrahedral silicon tetrafluoride molecule, with three S_4 axes, and the staggered conformation of ethane molecule with one S_6 axis. An S_1 axis corresponds to a mirror plane σ and an S_2 axis is an inversion center i . A molecule which has no S_n axis for any value of n is a chiral molecule.

IDENTITY, abbreviated to E , from the German “Einheit” meaning unity. — This symmetry element simply consists of no change: every molecule has this element. While this element seems physically trivial, it must be included in the list of symmetry elements so that they form a mathematical group, whose definition requires inclusion of the identity element. It is so designated because it is analogous to multiplying by one (unity). In other words, E is a property that any object needs to have regardless of its symmetry properties.

THE FUNDAMENTAL OF THE “MOVEMENT”

“Specific Molecular ‘EARTHLY’ Substances” are collections of “Specific Atomic ‘EARTHLY’ Substances” held together by chemical bonds. In many ways, they are a lot like Tinkertoy — the wholesome enduring fun — construction set for childrens’ education. Just as someone can put Tinkertoy elements together in different ways using different stick connectors, one can also put “Specific Atomic ‘EARTHLY’ Substances” together in a different ways by forming different sets of chemical bonds. The process of reorganizing “Specific Atomic ‘EARTHLY’ Substances” by breaking one set of chemical bonds and forming a new set is designated as a “chemical reaction”.

The geometry of a “Specific Molecular ‘EARTHLY’ Substance” is determined by the number of electron pairs surrounding the constituents central “Specific Atomic ‘EARTHLY’ Substances”. The “valence electron”⁵⁸⁹ pairs surrounding a

⁵⁸⁹ A “valence electron” is an outer shell electron that is associated with a “Specific Atomic ‘EARTHLY’ Substance”, and that can participate in the formation of a chemical bond if the outer shell is not closed; in a single covalent bond, both “Specific Atomic ‘EARTHLY’ Substances” in the bond contribute one valence electron in order to form a shared pair.

“Specific Atomic ‘EARTHLY’ Substance” were designed and established by “THE DIVINE ARCHITECT AND PROJECT MASTER” so that they will repel each other and will, therefore, adopt an arrangement that minimizes this repulsion. This in turn will decrease the energy held in the “Specific Molecular ‘EARTHLY’ Substance” and increases its stability, which determines the molecular geometry: the three-dimensional arrangement of the constituents “Specific Atomic ‘EARTHLY’ Substances”.

The molecular geometry includes the general shape of the “Specific Molecular ‘EARTHLY’ Substance” as well as bond lengths, bond angles, torsional angles and any other geometrical parameters that determine the position of each “Specific Atomic ‘EARTHLY’ Substance”.

Molecular geometry influences several properties of a “Specific Molecular ‘EARTHLY’ Substance” including its reactivity, polarity, phase of matter, color and magnetism. Larger molecules mostly will exist in multiple stable geometries (conformational isomerism) that are close in energy on the potential energy surface.

The presence of valence electrons can determine the chemical properties of the “Specific Atomic ‘EARTHLY’ Substance”, such as its valence — whether it may bond with other “Specific Atomic ‘EARTHLY’ Substances” and, if so, how readily and with how many. In this way, a given reactivity of a “Specific Atomic ‘EARTHLY’ Substance” is highly dependent upon its electronic configuration. For a main group element, a valence electron can exist only in the outermost electron shell; in a transition metal, a valence electron can also be in an inner shell.

A “Specific Atomic ‘EARTHLY’ Substance” with a closed shell of valence electrons (corresponding to an electron configuration s^2p^6 for main group elements) will tend to be chemically inert. “Specific Atomic ‘EARTHLY’ Substances” with one or two valence electrons more than a closed shell will be highly reactive due to the relatively low energy to remove the extra valence electrons to form a positive ion. A “Specific Atomic ‘EARTHLY’ Substance” with one or two electrons less than a closed shell is reactive due to its tendency either to gain the missing valence electrons and form a negative ion, or else to share valence electrons and form a covalent bond.

Similar to a core electron, a valence electron has the ability to absorb or release energy in the form of a photon. An energy gain can trigger the electron to move (jump) to an outer shell; this is known as atomic excitation. Or the electron can even break free from its associated shell in the “Specific Atomic ‘EARTHLY’ Substance”; this is ionization to form a positive ion. When an electron loses energy (thereby causing a photon to be emitted), then it can move to an inner shell which is not fully occupied.

The position of each “Specific Atomic ‘EARTHLY’ Substance” constituent of a “Specific Molecular ‘EARTHLY’ Substance” is determined by the nature of the chemical bonds by which it is connected to its neighboring “Specific Atomic ‘EARTHLY’ Substances”. The molecular geometry can thus be described by the positions of these “Specific Atomic ‘EARTHLY’ Substances” in space, evoking bond lengths of two joined “Specific Atomic ‘EARTHLY’ Substances”, bond angles of three connected “Specific Atomic ‘EARTHLY’ Substances”, and torsion angles (dihedral angles) of three consecutive bonds.

The elucidation of the manner in which the “Specific Atomic ‘EARTHLY’ Substances” constituents of a “Specific Molecular ‘EARTHLY’ Substance” are re-arranged or reorganized in the course of chemical reactions is the basis of the manifestation of a metaphor of that, which is designated as the “movement”, considered in its manifestations under all its forms and all scales, and the state of equilibrium expected from the “movement”.

The manifested “movement” is an expression of the successive series of re-arrangements (each of which is the application of an appropriate isometry) or reorganisations of the “Specific Atomic ‘EARTHLY’ Substances” constituents of a “Specific Molecular ‘EARTHLY’ Substance” in the course of chemical reactions and the state of equilibrium expected from such re-arrangement of “Specific Atomic ‘EARTHLY’ Substances”.⁵⁹⁰ It is a manifestation of the successive

⁵⁹⁰ It is important that you understand that everything that you do is a manifestation of the “movement”, considered in its manifestations under all its forms and all scales, and the state of equilibrium expected from the “movement”. This is a well coordinated expression of re-arrangement or reorganisation of the “Specific Atomic ‘EARTHLY’ Substances” constituents of the “Specific Molecular ‘EARTHLY’ Substances” constituents of the “Subjective ‘EARTHLY’ Garment” that you wear, in the course of the many continuous chemical reactions taking place inside that “Subjective ‘EARTHLY’ Garment”, and the state of equilibrium expected from such re-arrangement of those “Specific Atomic ‘EARTHLY’ Substances”.

Such re-arrangements of those “Specific Atomic ‘EARTHLY’ Substances” and which lead to states of equilibrium are finite; there are limitations imposed on such re-arrangements and beyond which they cannot proceed forward. By propagation and synergy of “movement”, there are limitations, boundaries, conditions, etc..., in short, there are specifications, which have been imposed of the “movement” in order for such series of re-arrangements to progress toward an expected state of equilibrium and to maintain it, and beyond which such series of re-arrangements will not proceed forward. From this short explanation, you should also make the connection to, and understand, the limitations, which “THE DIVINE ARCHITECT AND PROJECT MASTER” has imposed on the different subsets of “THE REASON” (for example, “THE ‘SPIRIT’ REASON” and consequently on the

transient re-arrangements of the “Specific Atomic ‘EARTHLY’ Substances” constituents of a “Specific Molecular ‘EARTHLY’ Substance” from a starting

“‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, “THE ‘SPIRIT→LIGHT’ REASON” and consequently on the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, or “THE ‘LIGHT’ REASON” and consequently on the following of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model) and which have been assigned to these creatures respectively and beyond which one enters the domain of the incomprehensible for the corresponding subset of “THE REASON”. Ultimately, you must stop being like a resounding cymbal and you must comprehend what you say in your prayers (and not just hear it), for example should comprehend why the following is said in prayer:

“... ”

Be exalted and glorified, O FATHER! Exalted beyond all measure, beyond the efforts of any creature, born into existence inside this attribute “NON DIVINE”, to penetrate your mystery, to describe your glory or only to allude to the nature of your essence.

For, these efforts, being the fruits of your work, and therefore aroused by your decree, whatever they may accomplish, they could not yield results beyond the limits that you have assigned to your creatures.

...”

Keep such knowledge keenly present in you, so as not to fall into obscurity and become its disciple.

Reflect on these things and also about: (1) the logic that is in such chemical reactions that lead to re-arrangements or reorganisation of a molecule constituents “Specific Atomic ‘EARTHLY’ Substances”, and hence to a manifestation of the “movement”; (2) the in-depth reflection and the scope of the “INTELLECTUAL” work that was deployed to design the “Specific Molecular ‘EARTHLY’ Substances” as structures of “Specific Atomic ‘EARTHLY’ Substances”; (3) “THE SCIENCE” which is in such “Specific Molecular ‘EARTHLY’ Substances” and the origin of that “SCIENCE”.

Meditate on “THE ‘DIVINE’ REASON”, which is associated to “THE ‘DIVINE’ LOGIC”. Meditate about “THE DIVINE ARCHITECT AND PROJECT MASTER” who, in “ABSOLUTE PURITY”, from the “Specific Elementary ‘SPIRIT’ Particle”, designed and established the “Specific Molecular ‘EARTHLY’ Substance”, the “Specific Molecular ‘CELESTIAL’ Substance”, the “Specific Molecular ‘SPIRITUAL’ Substance”, the “Specific Molecular ‘SPIRIT’ Substance”, and the “Specific Molecular ‘LIGHT’ Substance” from the “Specific Elementary ‘LIGHT’ Particle”, etc. Meditate about “THE DIVINE FORCE” who, in “ABSOLUTE PURITY”, manifested and implemented all these things at nanoscopic scale inside the “Subjective ‘EARTHLY’ Garment” that you, as human creature, wear.

Above all, meditate on yourself regarding your relationship with “THE DIVINE FORCE” and regarding your relationship with “THE DIVINE”, IHVH, our FATHER.

reference arrangement associated with a given state of equilibrium to another arrangement associated with an expected state of equilibrium that will be obtained at completion of a chemical reaction. A rotation “movement” will be a successive series of transient re-arrangements of the “Specific Atomic ‘EARTHLY’ Substances” without changing the principal axis of the considered “Specific Molecular ‘EARTHLY’ Substance”.

All the “Specific Molecular ‘EARTHLY’ Substances” and all their constituents “Specific Atomic ‘EARTHLY’ Substances”, including all their constituents “Specific Elementary ‘EARTHLY’ Substances”, all possible stable arrangements, their properties, their “movements”, their “specific behaviors”, etc... have been designed and established by “THE DIVINE ARCHITECT AND PROJECT MASTER”, long before that the attribute “NON DIVINE” was created into existence.⁵⁹¹

As we have indicated already, before the creation of this first “Specific Energy ‘EARTHLY’ Habitation Domain”, the study of such properties from “Specific Energy ‘CELESTIAL’ Substances” put at their disposal by “THE DIVINE FORCE” Herself, was part of the tasks that “THE DIVINE FORCE” had entrusted to the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” in the “Specific Energy

⁵⁹¹ You have understood this already by reading the calling card of “THE DIVINE WISDOM”, when SHE had said:

“...

IHVH created Me, origination of His Project, before His earliest Works.

From eternity I was established, from the beginning, before the origin of the Earth.

When there were no abysses I was brought forth, when there were no springs abounding with water.

*Before the mountains had been shaped, before the hills, I was brought forth, **before HE had made the earth with its fields, nor all the molecules and the first elements of the world.***

When HE consolidated the heavens, I was there, when HE drew a circle on the surface of the abyss, when HE condensed the clouds from above, when the sources of the abyss were inflated, when HE assigned its term to the sea — and the waters will not cross the edge —, when HE laid the foundations of the EARTH, I was at His side like the Project Master I was his delight, day after day, ever at play all the time in His presence, ever at play in his EARTH and finding my delight among the children of men.

...

...”

‘CELESTIAL’ Domain”. Such study also included the study of the properties of new layers of “Specific Atomic ‘CELESTIAL’ Substances” of those “Specific Energy ‘CELESTIAL’ Substances” as well as the different ways to arrange them on all scales above the scales of the new “Specific Energy ‘CELESTIAL’ Substances”, or to move more or less large quantities of these new layers of “Specific Atomic ‘CELESTIAL’ Substances” from one place in the new “Specific Energy ‘CELESTIAL’ Substances” to another and as indicated by “THE DIVINE FORCE”.

The “Specific Atomic ‘EARTHLY’ Substance” behaves differently than the “Specific Atomic ‘CELESTIAL’ Substance”, due to the difference in between the high-density “specific ‘EARTHLY’ coating” used for the “Specific Atomic ‘EARTHLY’ Substance” and the low-density “specific ‘CELESTIAL’ coating” used for the “Specific Atomic ‘CELESTIAL’ Substance”. Such different behaviour also propagates on the “Specific Molecular ‘EARTHLY’ Substance” and the “Specific Molecular ‘CELESTIAL’ Substance”.

These “Specific Molecular ‘EARTHLY’ Substances”, which are different from the “Specific Molecular ‘CELESTIAL’ Substances”, are the chemical building blocks of the “Subjective ‘EARTHLY’ Garment” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”. From these “Specific Molecular ‘EARTHLY’ Substances” of the “Specific Energy ‘EARTHLY’ Substance”, “THE DIVINE FORCE” has constructed a variety of tiny functioning units designated as organelles, and from which SHE has also built several self-contained and fully operational basic “building blocks of life” structures, designated as “cells”, the cellular components, and from which SHE has assembled the “Subjective ‘EARTHLY’ Garment” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, following the designs of “THE DIVINE ARCHITECT AND PROJECT MASTER”.

THE “CELL”

The “cell”, as designed and established by “THE DIVINE ARCHITECT AND PROJECT MASTER”, is a marvel of miniaturization and compressed complexity, built from “Specific Atomic ‘EARTHLY’ Substances”.

In much the same conceptual manner as “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed and established the tools (in particular for the “Specific Elementary ‘SPIRIT’ Particle”), which “THE DIVINE FORCE” will use in the “Specific ‘SPIRITUAL’ Environment” and inside the attribute “NON DIVINE”, “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed the “cell” and has endowed it with a fundamental “‘EARTHLY’ specific supply of subsistence” allowing it to maintain intact the capacity of all “specific processes”, without exception, to execute their predefined “specific tasks” to produce the “specific work” that HE has also predefined for the “cell”. It is the “‘SPIRIT←LIGHT’ Body” that will supply the “cell” with “‘EARTHLY’ specific supply of subsistence” through the “Specific ‘EARTHLY←SPIRITUAL’ Frontier” and as a result of the emission of “THE PRAISE” — “specific signals” requesting the sending of external supply of subsistence in order to remain into existence in the “‘EARTHLY’ Specific State” —. We have designated this as the third non-reversible energy osmosis in the functioning of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model. It occurs at the cellular level. As you would have understood already, without the connection to the “‘SPIRIT←LIGHT’ Body”, the “cell” in the “‘EARTHLY’ Specific State” will be lifeless and will remain merely a magnificent sculpted structure in the “Specific Energy ‘EARTHLY’ Substance” and as an integral and delineated part of the “Specific Energy ‘EARTHLY’ Substance”.

When the “cell” is in “HARMONY” with “THE DIVINE”, IHVH, our FATHER, and that furthermore its “‘EARTHLY’ specific supply of subsistence” increases with the passage of time, then, the “cell” will be overcharged, following some steps of

“‘EARTHLY’ specific supply of subsistence”, to the maximum extent of the “‘EARTHLY’ specific supply of subsistence” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has established.

Through these steps of “‘EARTHLY’ specific supply of subsistence” until the “specific maturity limit”, multiple occurrences of the special “specific event” of scission will take place and thus creating into existence several other “cells” maintained all together in several subsets of cohesive layers of identical “cells” characterized by unique “specific degrees of cohesion”.

Other non-cellular components in this “Subjective ‘EARTHLY’ Garment” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” will include water, macronutrients, (carbohydrates, proteins, lipids), micronutrients (vitamins, minerals) and electrolytes, which “THE DIVINE FORCE” has already produced into existence with the achievement of the third decree of the implementation of the “Second Phase” of “THE HOLY PROJECT”, when SHE had produced into existence the “Vegetal ‘EARTHLY’ Creatures” after their kind, bearing “fruits” and having their seed in “THE SOLID MATTER”. In that that dreadful afternoon of the Third Day of the implementation of the “Second Phase” of “THE HOLY PROJECT”, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” with the Archangel MICHAEL at their helm have spit (in a premeditated and intentional act) on “THE TRUST OF THE DIVINE”, they have “BETRAYED” “THE DIVINE”, IHVH, our FATHER and they have screwed-up the work that “THE DIVINE FORCE” had produced on that Third Day of the implementation of the “Second Phase” of “THE HOLY PROJECT” and we have already explained it.

A collection of cells that will function together to perform the same activity will be designated as “tissue”. Masses of tissue will work collectively to form that which will be designated as an “organ” that will perform specific functions in this “Subjective ‘EARTHLY’ Garment”. An organ will be an anatomically distinct structure of this “Subjective ‘EARTHLY’ Garment” composed of two or more tissue types. Each organ will perform one or more specific physiological functions. An organ system will be a group of organs that will work together to perform major functions or meet physiological needs of this “Subjective ‘EARTHLY’ Garment”. Despite this structural organization, all activity within this this “Subjective ‘EARTHLY’ Garment” will boil down to the cell — the complex unit through which the “‘SPIRIT←LIGHT’ Body” will enliven the “Subjective ‘EARTHLY’ Garment”. Without this “‘SPIRIT←LIGHT’ Body”, the “Subjective ‘EARTHLY’ Garment” is merely a sculpted structure in the “Specific Energy ‘EARTHLY’ Substance” and as an integral and delineated part of the “Specific Energy ‘EARTHLY’ Substance”.

The “Subjective ‘EARTHLY’ Garment” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” will be composed of trillions of cells. They will provide the cellular structure for the “Subjective ‘EARTHLY’ Garment”, take in nutrients from appropriate raw “Specific Energy ‘EARTHLY’ Substances” that will be designated as food, convert those nutrients into energy, and carry out specialized functions. Cells also will contain the hereditary material of the “Subjective ‘EARTHLY’ Garment” and cells will also be able to replicate themselves.

THE CELL STRUCTURE IN THIS “SUBJECTIVE ‘EARTHLY’ GARMENT”

יצירה ספר

Figure: Typical structure of a cell in the physical body of the human creature.⁵⁹²

⁵⁹² Take a close look at that cell structure in which nanometers elements have been built in, see beyond the diagram and try to get an idea about: (1) the logic that is in that cell; (2) the in-depth reflection and the scope of the “INTELLECTUAL” work that was deployed to design such a cell; (3) “THE SCIENCE” which is in such a cell and the origin of that “SCIENCE”.

The cell in this “Subjective ‘EARTHLY’ Garment” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” will contain various structural components designated as organelles, each with a different function. Organelles are small structures that exist within cells. All the organelles are suspended within a gelatinous matrix, the cytosol, which is contained within the cell membrane. Few cells in this “Subjective ‘EARTHLY’ Garment”, namely the red blood cells, will not have these organelles. The main organelles include: the cell membrane, the endoplasmic reticulum, the Golgi apparatus, the lysosomes, the mitochondria, the nucleus, the peroxisomes, the microfilaments and microtubules.

The cytosol is the intra-cellular fluid that is present inside the cell. On the other hand, the cytoplasm is all of the material within the entire cell, enclosed by the cell membrane, with exception of the cell nucleus.

THE CELL STRUCTURE — THE CELL MEMBRANE

The cell membrane, also designated as the plasma membrane, or cytoplasmic membrane, is the frontier, the protective membrane that encloses the cell and protects the cytoplasm (the contents of the cell) from the surroundings. The plasma membrane is a thin semi-permeable membrane consisting of a double

From that pictured idea, see a vision of the GREATNESS of “THE DIVINE”, IHVH, our FATHER, by which HE has revealed Himself through this “Subjective ‘EARTHLY’ Garment”, which is been sculpted by “THE DIVINE FORCE”, who is manufacturing simultaneously tens of thousands of such cells at a speed “beyond light speed” directly in the “Specific Energy ‘EARTHLY’ Substance” and as an integral and delineated part of the “Specific Energy ‘EARTHLY’ Substance” and at “lightning speed” (a speed of execution much slower than that used for the manufacture of the cells), SHE is assembling simultaneously the tissues, the organs and the systems of this “Subjective ‘EARTHLY’ Garment” — SHE is “sewing” this “Subjective ‘EARTHLY’ Garment”: a GREATNESS beyond words and letters; a GREATNESS that dominates the murmur of syllables and sounds.

Meditate on “THE ‘DIVINE’ REASON”, which is associated to “THE ‘DIVINE’ LOGIC”. Meditate about “THE DIVINE ARCHITECT AND PROJECT MASTER” who, in “ABSOLUTE PURITY”, from the “Specific Elementary ‘SPIRIT’ Particle”, designed and established such highly specialized building block unit at microscopic scale. Meditate about “THE DIVINE FORCE” who, in “ABSOLUTE PURITY”, manifested and implemented all the variants of such a highly specialized building block unit at microscopic scale inside the “Subjective ‘EARTHLY’ Garment” that you, as human creature, wear.

Above all, meditate on yourself regarding your relationship with “THE DIVINE FORCE” and regarding your relationship with “THE DIVINE”, IHVH, our FATHER.

layer of lipids and associated proteins, each constituting 50% of the total mass of the cell membrane.

The components of the cell membrane are lipids (phospholipids, glycolipids, glycerophospholipids, sphingolipids and cholesterol), proteins, and carbohydrate groups that are attached to some of the lipids and proteins. The glycerophospholipids and sphingolipids will, when mixed vigorously with water, spontaneously form what is called a lipid bilayer, which serves as a protective boundary for the cell that is largely impermeable to the movement of most materials across it. All these components are ingrained into the cell membrane (as shown in the schematic view). The multitude of different proteins and lipids in the cell membrane give it the mosaic-like appearance. The proportions of proteins, lipids, and carbohydrates in the cell membrane will vary between different types of cells.

יצירה ספר

Figure: Nanometric schematic view of the structure of the cell membrane. 1. Extracellular fluid. 2. Glycoprotein. 3. Carbonhydrate chain. 4. Cholesterol. 5. Intracellular fluid. 6. Integral monotopic protein. 7. Protein channel (Integral protein). 8. Protein channel (Transport protein). 9. α -helix protein. 10. Protein of cytoskeleton (microfilaments). 11. Peripheral protein. 12. Hydrophobic (nonpolar) fatty acid tail of phospholipid. 13. Phospholipid bilayer. 14. Hydrophilic (polar) head of phospholipid.

With the notable exceptions of water, carbon dioxide, carbon monoxide, and oxygen, most polar/ionic molecules will require transport proteins to help them to efficiently navigate across the bilayer. The orderly movement of these compounds will be critical for the cell to be able to: 1) get food for energy; 2) export materials; 3) maintain osmotic balance; 4) create gradients for secondary transport; 5) provide electromotive force for nerve signaling; and 6) store energy in electrochemical gradients for a well-defined “specific molecule” production (oxidative phosphorylation or photosynthesis). In some cases, energy will be required to move the substances (active transport). In other cases, no external energy will be required and they will move by diffusion through specific cellular channels. This will be referred to as the “facilitated diffusion”.

PHOSPHOLIPIDS — phospholipids are the main component of the cell membrane. A phospholipid is a diglyceride molecule in which one of the glycerol binding sites contains a phosphate group and two fatty acid tails.

Phospholipids, arranged in a bilayer, make up the basic fabric of the cell membrane.⁵⁹³ They are well-suited for this role because they are amphipathic, meaning that they have both hydrophilic and hydrophobic groups. The phosphate ion (hydrophilic) is attracted to polar water, while the fatty acid “tails” are non-polar and not attracted to water (hydrophobic).

The hydrophilic, or “water-loving”, portion of a phospholipid is its head, which contains a negatively charged phosphate group as well as an additional small group (of variable identity, “R” in the diagram at the top), which may also be charged or polar. The hydrophilic heads of phospholipids in a membrane bilayer face outward, contacting the aqueous (watery) fluid both inside and outside the cell. Since water is a polar molecule, it readily forms electrostatic (charge-based) interactions with the phospholipid heads.

The hydrophobic, or “water-fearing”, part of a phospholipid consists of its long, nonpolar fatty acid tails. The fatty acid tails will easily interact with other nonpolar molecules, but they will interact poorly with water. Because of this, it will be more energetically favorable for the phospholipids to tuck their fatty acid

⁵⁹³ Such arrangement of the phospholipid bilayer is also a revelation that gives an indication on the construction of the generic “Specific ‘CONDITION#1←CONDITION#2’ Frontier” (e.g. the “Specific ‘EARTHLY←SPIRITUAL’ Frontier”). The first layer is built using “Specific Molecular ‘CONDITION#1’ Substances” and the second layer is built using “Specific Molecular ‘CONDITION#2’ Substances”. The cell membrane is actually a “Specific ‘EARTHLY⇌EARTHLY’ Frontier”.

tails away in the interior of the membrane, where they will be shielded from the surrounding water. The phospholipid bilayer formed by these interactions will make a good barrier between the interior and exterior of the cell, because water and other polar or charged substances will not easily cross the hydrophobic core of the membrane.

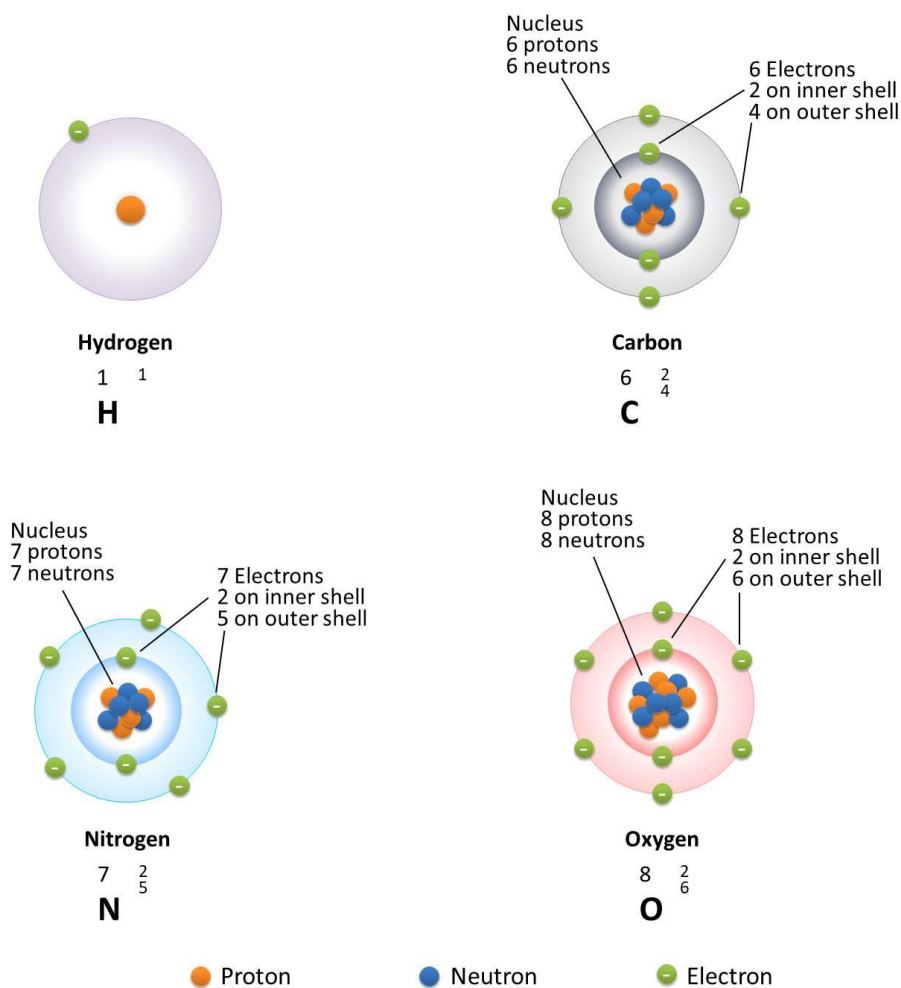

Thanks to their amphipathic nature, phospholipids will not just be well-suited to form a membrane bilayer. Instead, this is something that they will do spontaneously under the right conditions, in water or aqueous solution, phospholipids will arrange themselves with their hydrophobic tails facing each other and their hydrophilic heads facing out. For small-tailed phospholipids, the tails will be able to form a micelle (a small, single-layered sphere); whereas for large-tailed phospholipids, the tails will be able to form a liposome (a hollow droplet of bilayer membrane).

PROTEINS — proteins are the second major component of the cell membrane.

Proteins are the main workers within the cell, which will carry out the “specific instructions” issued by the cell nucleus and which will perform a vast array of

functions within a cell. They are large molecules and ions, or macromolecules, present in the cell and consisting of one or more long chains of residues of organic compounds that contain amine (-NH₂) and carboxyl (-COOH) functional groups, along with a side chain (R group) specific to each of such organic compound. Such organic compounds are designated as “amino acids” and they have four key elements: carbon (C), hydrogen (H), oxygen (O), and nitrogen (N); although other elements will be found in the side chains of certain amino acids.

A carbon atom — that is to say, the “Specific Atomic ‘EARTHLY’ Substance”-carbon — consists of a nucleus (center) with rings of six moving electrons around it. Inside the nucleus are six protons and six neutrons. A carbon atom is an example of a manifestation of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”: a nucleus (center) with rings of six moving electrons around it, without collision ever.

יצירה של ספר

It is an outstanding element, which reflects some of the properties of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”. It has been assigned to this “Subjective ‘EARTHLY’ Garment” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, which itself is the sixth expression into existence of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”. Carbon is the second most abundant element by mass in this “Subjective ‘EARTHLY’ Garment”, after oxygen. It is from the carbon atom (six neutrons, six protons, and six electrons) that the abbreviated designation 666 has been derived for carbon based structures. In this first “Specific Energy ‘EARTHLY’ Habitation Domain”, the element carbon occurs in all organic life and is the basis of organic chemistry. The

carbon atom has two “electron shells”⁵⁹⁴, with the first holding two electrons and the second (the valence shell, the outershell) holding four electrons out of a

⁵⁹⁴ In chemistry and atomic physics, an electron shell is described as the energy level where electrons having the same energy level exist. It is represented as an orbit followed by electrons around the nucleus of an atom and according to their energies. The electron shell model basically explains the distribution of energy levels into different shells. In this model, all the nuclear particles are paired one-to-one, neutron with a neutron, and proton with a proton. At the n-th “electron shell”, the electrical charge of an electron in orbit is equal to $n^2 \times 13.6$ eV and the paired neutrons and protons are filled when the number of neutrons or protons is equal to $2(n^2)$. The farther a shell is from the nucleus, the larger the shell, the more electrons it can hold, and the higher the energies of those electrons.

The closest shell to the nucleus is called the “1 shell” (also called the “K shell”), followed by the “2 shell” (or “L shell”), then the “3 shell” (or “M shell”), and so on farther and farther from the nucleus. The shells correspond to the principal quantum numbers ($n = 1, 2, 3, 4, \dots$) or are labeled alphabetically with the letters used in X-ray notation (K, L, M, ...). Each shell can contain only a fixed number of electrons: the first shell can hold up to two electrons, the second shell can hold up to eight ($2 + 6$) electrons, the third shell can hold up to 18 ($2 + 6 + 10$) and so, in accordance with the relation that the n-th shell can in principle

possible eight spaces. Because of this unique configuration, it is easier for the carbon atom to share its four electrons with another atom or atoms than to lose or gain four electrons. Because each carbon is identical, they all have four valence electrons, so they can easily bond with other carbon atoms to form long chains or rings. In fact, a carbon atom can bond with another carbon atom two or three times to make double and triple covalent bonds between two carbon atoms.⁵⁹⁵ Because carbon has four valence electrons and needs eight to satisfy the “octet rule”⁵⁹⁶, it can bond with up to four additional atoms, creating countless compound possibilities, which form the basis of life conditions in this first “Specific Energy ‘EARTHLY’ Habitation Domain”. When united with oxygen it forms carbon dioxide which is absolutely vital to plant growth. When united with hydrogen, it forms various compounds called hydrocarbons. When combined with both oxygen and hydrogen it can form many groups of compounds including fatty acids, which are essential to life, and esters, which give flavor to many fruits.

Oxygen atom — that is to say, the “Specific Atomic ‘EARTHLY’ Substance”-oxygen — is the chemical element, which is designated by the symbol O, and which possesses 8 protons in its nucleus. The oxygen atom is at the basis of the dioxygen molecule (O₂), which is a diatomic molecule composed of two oxygen atoms held together by a covalent bond; a relatively weak (hence, high-energy storage) double bond, to satisfy the “octet rule”, with each oxygen atom bonding twice so that the pair of oxygen atoms form two bonds with each other. Molecular oxygen is the essential element in the respiratory processes of most living cells and in the combustion processes. Uncombined gaseous oxygen normally exists in the form of diatomic molecules (O₂) but it also exists in the triatomic form (O₃) designated as ozone. Varying the number of electrons forms ions, while altering

hold up to $2(n^2)$ electrons. Each shell consists of one or more subshells, and each subshell consists of one or more atomic orbitals.

⁵⁹⁵ This example on the carbon atom should help you grasp what we have indicated by saying that: “THE DIVINE” has consolidated “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” in Himself, on all the “Divine Particles” constituent of His “DIVINE BODY”.

⁵⁹⁶ A stable arrangement in an atom is attended when the atom is surrounded by eight electrons. This octet in an atom can be made up by own electrons and some electrons which are shared. Thus, an atom will continue to form bonds with others atoms until an octet of electrons is made. The “octet rule” refers to this tendency of atoms to prefer to have eight electrons in the valence shell. When atoms have fewer than eight electrons, they tend to react and form more stable compounds.

the number of neutrons makes different isotopes of the oxygen element, but the number of protons remains constant. Due to the electronic configuration of its valence electrons, the oxygen atom has six electrons available. Four electrons form two non-binding doublets. This leaves two electrons very available to react with other chemical elements, which is why the oxygen atom can bind to most other chemical elements.

The nitrogen atom — that is to say, the “Specific Atomic ‘EARTHLY’ Substance”-nitrogen — is the chemical element, which is designated by the symbol N, and which possesses 7 protons in its nucleus and 7 neutrons in orbit around the nucleus. The nitrogen atom is at the basis of the dinitrogen molecule (N₂), which is a diatomic molecule composed of two nitrogen atoms held together by three covalent bond. Nitrogen has five valence electrons, so it needs three more valence electrons to satisfy the “octet rule”. It is thus that, nitrogen atom can fill its octet by sharing three electrons with another nitrogen atom, forming three covalent bonds, a so-called triple bond. A triple bond is not quite three times as strong as a single bond, but it is a very strong bond with high-energy storage. In fact, the triple bond in the dinitrogen molecule (N₂) is one of the strongest bonds known. This strong bond is what makes the dinitrogen molecule (N₂) very stable and resistant to reaction with other chemicals.

Nitrogen occurs in all organisms, primarily in amino acids, in the nucleic acids and in the energy transfer molecule adenosine triphosphate. In this “Subjective ‘EARTHLY’ Garment” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, nitrogen is the fourth most abundant element by mass after oxygen, carbon, and hydrogen.

The hydrogen atom — that is to say, the “Specific Atomic ‘EARTHLY’ Substance”-hydrogen — is the lightest chemical element and is designated by the symbol H. It consists of a nucleus comprising a single proton with mass 1.67265×10^{-27} kg and an electron with mass 9.10953×10^{-31} kg; the proton-electron mass ratio is equal to 1836.15267343(11). It is a manifestation of the “Divine Primary Configuration” of a “Formative Divine Particle” with respect to a “Generative Divine Particle”. The the proton-electron mass ratio gives an indication on the magnitude of the proportionality factors that define the laws of change of frame of reference, between “THE ABSOLUTE FRAME OF REFERENCE” defined by “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” in “THE DIVINE” and “THE FRAME OF REFERENCE OF THE ATTRIBUTE ‘NON DIVINE’” in the attribute “NON DIVINE”. In the hydrogen atom, the neutron is moving in a perfectly circular orbit around the nucleus and in electrostatic interaction with the proton. There are three natural isotopes of hydrogen: protium, deuterium, and

tritium. The most common isotope of hydrogen is protium, which has 1 proton, 0 neutrons, and 1 electron. Although hydrogen is the most abundant element in this “Subjective ‘EARTHLY’ Garment” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” in terms of numbers of atoms of the element, it is only third in abundance by mass, after oxygen and carbon.

Each amino acid has the same core structure, which consists of a central carbon atom, also known as the alpha (α) carbon, bonded to an amino group, a carboxyl group (COOH), and a hydrogen atom. Every amino acid also has another atom or group of atoms bonded to the alpha carbon known alternately as the R group, the variable group or the side-chain. The key carbon element in these amino acids is designated as the α -carbon (alpha-carbon), which represents the central point in the backbone of every amino acid. The alpha carbon (α -carbon or C_α) is what connects the amino group to the acid carboxyl group, giving amino acids their name.

ספר
הארץ

The four bonds of the central or alpha carbon (C) of an amino acid are directed towards the four corners of a tetrahedron. With respect to the carboxyl (-COO) and amino (the ammonium substituent (-NH₃⁺), or the primary amide group (-NH₂), which is a derivative of ammonia (NH₃)) groups, there are two possible arrangements of the H and Radical group. These arrangements are literally mirror images of each other, and are called stereoisomers or spatial isomerism, which are forms of isomerism in which molecules have the same molecular formula and sequence of bonded atoms (constitution), but they contrast with structural

The “Subjective ‘EARTHLY’ Garment” under production by “THE DIVINE FORCE” will have several billions different proteins, all designed and established by “THE DIVINE ARCHITECT AND PROJECT MASTER” using these twenty amino acids, all implemented into existence by “THE DIVINE FORCE”. The proteins will differ from one another primarily in their sequence of amino acids.

Once formed, proteins only exist for the period of time assigned to them to perform their “specific tasks” and after which they will degrade, breakdown into smaller ammino acids, and be recycled through “specific cellular processes”.

Table: Properties of Common Amino Acids

Name	Abbr.		Molecular Weight	Molecular Formula	Residue Formula	Residue Weight (-H ₂ O)
Alanine	Ala	A	89.10	C ₃ H ₇ NO ₂	C ₃ H ₅ NO	71.08
Arginine	Arg	R	174.20	C ₆ H ₁₄ N ₄ O ₂	C ₆ H ₁₂ N ₄ O	156.19

Most proteins will fold into unique 3D structures. The shape into which a protein will naturally fold will be designated as its native folded and/or assembled form and in which it is operative and functional. While all protein molecules will begin as simple unbranched chains of amino acids, once completed, they will assume highly specific three-dimensional shapes. That ultimate shape, designated as the “tertiary structure”, is the folded shape that possesses a minimum of free energy. It is this “tertiary structure” that makes the protein capable of performing its predefined⁵⁹⁷ “specific tasks”. There are four distinct levels of protein structure.

Figure: Illustration of the levels of protein structure. All proteins have a primary structure. Both fibrous and globular proteins have a secondary structure; they are either helices (keratin, collagen) or pleated sheets (silk). Globular proteins always

⁵⁹⁷ Remember! Everything concerning molecules and their constituents has been conceived and established to the least details by “THE DIVINE ARCHITECT AND PROJECT MASTER” long before that the attribute “NON DIVINE” was created.

have a tertiary structure, and most have a quaternary structure (e.g., hemoglobin and enzymes⁵⁹⁸ such as RNase).

THE PRIMARY STRUCTURE — this is the unique sequence of amino acids chain, in their order of appearance as specified by “THE DIVINE ARCHITECT AND PROJECT MASTER” and implemented by “THE DIVINE FORCE” in the genetic material kept secured in the cell’s nucleus, and which makes up the protein.

An example of protein primary structure is illustrated in the figure by the unique sequence of amino acids chain of insulin of the “Subjective ‘EARTHLY’ Garment”.

⁵⁹⁸ A substance that helps a chemical reaction to occur is called a catalyst, and the molecules that catalyze chemical reactions are called enzymes. Most enzymes are proteins and perform the critical task of lowering the activation energies of chemical reactions inside the cell. Enzymes do this by binding to the reactant molecules and holding them in such a way as to make the chemical bond-breaking and -forming processes take place more easily. Enzymes do not change whether a reaction is exergonic or endergonic. They do not change the free energy of the reactants or products. They only reduce the activation energy — the amount of initial energy necessary for reactions to occur — required for the reaction to proceed forward. In addition, an enzyme itself is unchanged by the reaction it catalyzes. Once one reaction has been catalyzed, the enzyme is able to participate in other reactions.

The chemical reactants to which an enzyme binds are called the enzyme’s substrates. There may be one or more substrates, depending on the particular chemical reaction. In some reactions, a single reactant substrate is broken down into multiple products. In others, two substrates may come together to create one larger molecule as in the anabolic processes discussed earlier. Two reactants might also enter a reaction and both become modified, but they leave the reaction as two products. The location within the enzyme where the substrate binds is called the enzyme’s active site. The active site is where the “action” happens. Since enzymes are proteins, there is a unique combination of amino acid side chains within the active site. Each side chain is characterized by different properties. They can be large or small, weakly acidic or basic, hydrophilic or hydrophobic, positively or negatively charged, or neutral. The unique combination of side chains creates a very specific chemical environment within the active site. This specific environment is suited to bind to one specific chemical substrate (or substrates).

When an enzyme binds its substrate, an enzyme-substrate complex is formed. This complex lowers the activation energy of the reaction and promotes its rapid progression in one of multiple possible ways. On a basic level, enzymes promote chemical reactions that involve more than one substrate by bringing the substrates together in an optimal orientation for reaction. Another way in which enzymes promote the reaction of their substrates is by creating an optimal environment within the active site for the reaction to occur. The chemical properties that emerge from the particular arrangement of amino acid R groups within an active site create the perfect environment for an enzyme’s specific substrates to react.

Insulin of the “Subjective ‘EARTHLY’ Garment” is a protein of molecular formula $C_{257}H_{383}N_{65}O_{77}S_6$. It is a combination of two amino acids chains (dimer) designated as chain A and chain B, which are linked together by two disulfide bonds. The chain A is composed of 21 amino acids, while the chain B consists of 30 residues.

The linking (interchain) disulfide bonds are formed at cysteine (Cys) residues between the positions A7-B7 and A20-B19. There is an additional (intrachain) disulfide bond within the chain A between cysteine residues at positions A4 and A11. The chain A exhibits two α -helical regions at A1-A8 and A12-A19 which are antiparallel; while the chain B has a central α -helix, covering residues B9-B19, flanked by the disulfide bond on either sides and two β -sheets covering B7-B10 and B20-B23.

Figure: Illustration of the human insulin primary structure.

In this primary structure, “THE DIVINE FORCE” has also embedded manifested metaphors of the “LIGHT” that is hidden in the “LIGHT”, from which arises “THE KNOWLEDGE OF THE DIVINE”. As you have already understood, these numbers are not fortuitous; everything has a meaning in this “Subjective ‘EARTHLY’ Garment” under production by “THE DIVINE FORCE”. This primary

structure, with its three disulfide bonds, reveals that it is a combined manifestation by metaphors of both the “Generative Power of ‘THE DIVINE’” (expressed by the chain A which is made up of 21 amino acids) and the “Formative Essence of ‘THE DIVINE’” (expressed by the chain B which is composed of 30 residues). Insulin is thus a manifestation by metaphor of a feature of the energy substance that is found in the “Divine Septenary Equilibrium Zone” of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”.⁵⁹⁹

Insulin will be produced by the cells and stored in this “Subjective ‘EARTHLY’ Garment” as a hexamer (a unit of six insulin molecules), while the active form is the monomer. The hexamer is about 36000 Da in size — the dalton, symbol Da, is also sometimes used as a unit of molar mass, especially in biochemistry, with the definition $1 \text{ Da} = 1 \text{ g/mol}$, despite the fact that it is strictly a unit of mass ($1 \text{ Da} = 1 \text{ u} = 1.66053906660(50) \times 10^{-27} \text{ kg}$) —. The six molecules are linked together as three dimeric units to form symmetrical molecule. An important feature is the presence of the “Specific Atomic ‘EARTHLY’ Substance” designated as Zinc (Zn^{2+}), on the axis of symmetry, and which is surrounded by three water molecules and three histamine residues at position B10.⁶⁰⁰ It is this hexamer that will facilitate the cell survival and “COMBAT” — the process of “HEALING” in order to annihilate any cause of cell malfunction. Histamine, a basic amino acid with electrically charged side chains, will be involved in the “COMBAT” against foreign pathogens; because these latter do not carry within them the signature of “THE DIVINE”. It will increase the permeability of the capillaries to “special combat cells” that have been designed and established by “THE DIVINE ARCHITECT AND PROJECT MASTER” and that have been assigned the “specific

⁵⁹⁹ In order to be able to read the living “DISCOURSE” of “THE DIVINE”, IHVH, our FATHER, written by “THE DIVINE FORCE” through this “Subjective ‘EARTHLY’ Garment” that you (as human creature) wear, you must exercise your discernment capability to quickly recognize all of these things from all that we have described in the first series of chapters regarding the construction of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” that “THE DIVINE”, IHVH, our FATHER has consolidated in HIMSELF.

⁶⁰⁰ These are further details of manifested metaphors of the “LIGHT” that is hidden in the “LIGHT”, from which arises “THE KNOWLEDGE OF THE DIVINE”, and that reveal the basic construction of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”.

task” of carrying out the “COMBAT” and destroying foreign pathogens.⁶⁰¹ Those “special combat cells” are designated as the “white blood cells”.

The hexamer is an inactive form with long-term stability, which will serve as a way to keep the highly reactive insulin protected, yet readily available. The hexamer is far more stable than the monomer, which is desirable for practical reasons; however, the monomer is a much faster-reacting.

THE SECONDARY STRUCTURE — this refers to local folded structures that form within a chain of amino acids due to interactions between the “Specific Atomic ‘EARTHLY’ Substances” of the backbone. The backbone just refers to the amino acids chain apart from the R groups. Thus, the secondary structure does not involve R group “Specific Atomic ‘EARTHLY’ Substances”. The most common types of secondary structures are the α -helix and the β -pleated sheet. Both structures are held in shape by hydrogen bonds, which form between the carbonyl O of one amino acid and the amino H of another.

THE ALPHA HELIX (α -HELIX) chain is a common motif — that is to say, a superseding secondary structure, which will also appear in a variety of other molecules — in the secondary structure of proteins and is a right hand-helix conformation in which every backbone N–H group hydrogen bonds to the backbone C=O group of the amino acid located three or four residues earlier along the protein sequence. This holds the stretch of amino acids in a right-handed coil. The R groups (the side chains) of the chain of amino acids protrude out from the α -helix chain and are not involved in the H bonds that maintain the α -helix structure. The α -helix chain is also designated as the 3.613-helix, denoting the average number of residues per helical turn, with 13 “Specific Atomic ‘EARTHLY’ Substances” being involved in the ring formed by the hydrogen bond. The amino

⁶⁰¹ Such were also the “specific tasks” that were assigned to the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and through which they indulged themselves of their “HUBRIS”. After the announcement of the “Second Phase” of the implementation of “THE HOLY PROJECT”, the elders amongst them, the “ADONA’IM”, came to understand that most of those “specific tasks” that symbolized each of them will be assembled and made manifest directly in the new creature: inside you (human creature) reading these writings.

It is so that, those “ADONA’IM”, in their “obscurity”, decided to make “THE DIVINE”, IHVH, our FATHER, “bite the dust”. Keep on reading, all their “obscurity” and in which they have also plunged and locked humanity will be revealed. After that, they will face the consequences and be held accountable of all the destruction that they have unleashed in the implementation of “THE HOLY PROJECT”. NONE OF THEM WILL GET AWAY WITH IT LIGHTLY!

acids in an α -helix are arranged in a right-handed helical structure where each amino acid residue corresponds to a 100° turn in the helix (i.e., the helix has 3.613 residues per turn), and a translation of 1.5 Å (0.15 nm) along the helical axis. Among types of local structure in proteins, the α -helix is the most extreme and the most predictable from sequence, as well as the most prevalent.

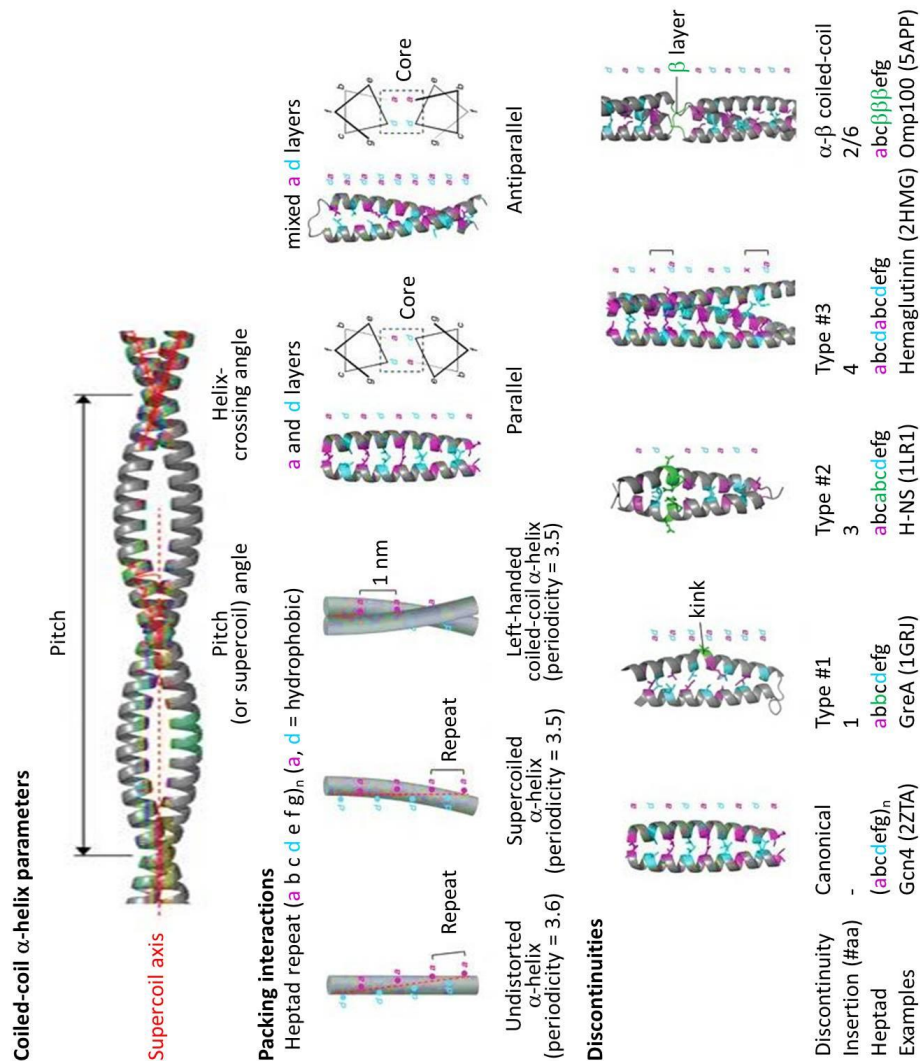

COILED COILS α -HELICES — Two or more α -helices may be wound around each other into superhelical bundles and held together by a mostly hydrophobic core to form a bundle designated as a “coiled coil α -helices”, which is found in many proteins.

In a “coiled coil α -helices”, each complete turn of an α -helix contains a set number of amino acids, but the number of amino acids in the turns of a coiled coil can vary.

The most common pattern (or motif) in a coiled coil has 7 amino acids over two turns, which is known as a heptad repeat, in which the motif repeats itself every seven (7) residues along the sequence (amino acid residues, not DNA base-pairs). A heptad is a written expression of a “specific aspect” and chosen properties of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”; it is a phrase in the second chapter of the living “DISCOURSE” of “THE DIVINE”, IHVH, our FATHER and written down by “THE DIVINE FORCE”. The seven positions in a heptad are labelled symbolically as “abcdefg”, where the first and fourth positions, respectively a and d, are oriented towards the core of the bundle and are thus mostly hydrophobic. Beyond the heptad repeat, a range of other periodicities is accessible to coiled coils, which is only restrained by the periodicity of the unperturbed α -helix. This restraint is responsible for the supercoiling of the bundle: as an ideal, straight α -helix has a periodicity of about 3.63 residues per turn, the heptad coiled coil has a left-handed twist to reduce the periodicity to 3.5 residues per turn with respect to the bundle axis. In hendecad “coiled coils α -helices”, the situation is reversed: 11 residues are accommodated in 3 helical turns, resulting in $11/3 = 3.67$ residues per turn. As this is slightly above 3.63, hendecads are slightly right-handed. With the periodicity of pentadecad coiled coils, $15/4 = 3.75$ residues per revolution, right-handedness is as pronounced as left-handedness is in heptad coiled coils.

Many “coiled coils α -helices” contain transitions between segments of different periodicity or harbor discontinuities that retain the α -helical structure, but perturb the periodicity locally. When amino acids are added (inserted) into or deleted from the heptad repeats, the number of amino acids in the turns of a “coiled coil α -helices” changes and discontinuities occur. However, it cannot

increase too far beyond the number of amino acids in each turn of a normal α -helix because there is a limit to the amount of coiling that the helices can tolerate.

Coiled-coil α -helices are highly stable forms and as such they will contain a large amount of information. Residues in the first and fourth positions of a “coiled coil α -helices” are almost always hydrophobic and form a zig-zag pattern of knobs and holes that interlock with a similar pattern on another strand to form a tight-fitting hydrophobic core; the fourth residue is typically leucine — this gives rise to the name of the structural motif called a leucine zipper, which is a type of “coiled-coil α -helices”. These hydrophobic residues pack together in the interior of the helix

bundle. Of the remaining residues, those in the second, the third and the sixth positions represents polar (and, therefore, hydrophilic) residues, those in the fifth and seventh positions have opposing charges and form a salt bridge stabilized by electrostatic interactions. Fibrous proteins such as keratin or the “stalks” of myosin or kinesin often adopt coiled-coil α -helix structures, as do several dimerizing proteins. A pair of coiled-coils — a four-helix bundle — is a very common structural motif in proteins.

The basic parameters of the “coiled-coil α -helices” are its pitch (periodicity of the supercoil), the associated pitch (or supercoil) angle (angle of the helix with respect to the supercoil axis), and the helix-crossing angle (angle at which the two helices cross each other). The canonical “coiled-coil α -helices” is formed from a heptad repeat, labelled abcdefg, in which hydrophobic amino acids at the first and fourth positions, respectively labelled a and d, are conserved. Undistorted α -helices cannot pack together in a side-by-side arrangement due to the non-integral periodicity of the helix (3.6). By supercoiling the helices, the periodicity is reduced to 3.5, leading to the 3.5 periodicity of a canonical, left-handed coiled-coil, with each heptad repeat measuring ~ 1 nm along the “coiled-coil α -helices”. Consequently, helices deriving from such repeating sequences will exhibit distinct amphipathic character, with both hydrophobic and polar faces. The association of two helices via their hydrophobic faces drives coiled-coil formation. However, in order to pack two helices together and maintain hydrophobic contacts, the knobs-into-holes packing of side chains requires that these residues occupy equivalent positions, turn after turn. By supercoiling the helices around each other, the periodicity is effectively reduced from 3.6 to 3.5 with respect to the supercoil axis. This allows the positions of side chains to repeat after two turns, or seven residues, instead of drifting continuously on the helical surface. Coiled-coil α -helices packing of two parallel, supercoiled helices results in layers at the first position a, and at the fourth position d, while antiparallel helices exhibit mixed a and d layers. Insertions of 1, 2, 3, 4, or 6 amino acids give rise to discontinuities of type 1, 2, 3, 4, or 6, in the heptad repeat and local structural deformations in the coiled-coil.

THE β -PLEATED SHEETS — In the β -pleated sheets motif, stretches of amino acids are held in an almost fully-extended conformation that “pleats” or zig-zags due to the non-linear nature of single C-C and C-N covalent bonds. The β -pleated sheets will never occur alone. They will have to be held in place by other β -pleated sheets. The stretches of amino acids in the β -pleated sheets are held in their pleated sheet structure because hydrogen bonds form between the oxygen atom in a chain of amino acids backbone carbonyl group of one β -pleated sheet and the

hydrogen atom in a chain of amino acids backbone amino group of another β -pleated sheet. The β -pleated sheets which hold each other together align parallel or antiparallel to each other. The R groups of the amino acids in a β -pleated sheet point out perpendicular to the hydrogen bonds holding the β -pleated sheets together, and are not involved in maintaining the β -pleated sheet structure.

Certain amino acids are more or less likely to be found in α -helices or β -pleated sheets and many proteins will contain both α -helices and β -pleated sheets.

THE TERTIARY STRUCTURE — this refers to the overall three-dimensional of a single protein molecule, once all the secondary structure elements have folded together among each other; the spatial relationship of the secondary structures to one another. The tertiary structure is primarily due to interactions between the R groups of the amino acids that make up the protein. R group interactions that contribute to tertiary structure include hydrogen bonding, ionic bonding, dipole-dipole interactions, and London dispersion forces; basically, the whole gamut of non-covalent bonds.

The tertiary structure is stabilized by nonlocal interactions, most commonly the formation of:

- **Hydrogen Bonds** — formed between amino acids at different points in the chain.
- **Disulphide Bonds** — a strong double bond (S=S) formed between the Sulphur atoms within the Cysteine monomers.

- Ionic Bonds — formed between 2 oppositely charged R groups (+ and -) found close to each other.
- Hydrophobic and Hydrophilic Interactions — amino acids may be hydrophobic or hydrophilic. The hydrophobic interactions, in which amino acids with nonpolar, hydrophobic R groups cluster together on the inside of the protein, will leave hydrophilic amino acids on the outside to interact with surrounding water molecules.
- Posttranslational modifications.

סדר ה יצי

Many functional proteins fold into this compact globular shape tertiary structure, with many carbon-rich amino acids sheltered inside away from the surrounding water. This tertiary structure is what controls the basic function of the protein.

THE QUATERNARY STRUCTURE — many proteins are made up of a single amino acid chain and have only three levels of structure. However, some proteins are made up of multiple amino acid chains, also designated as “subunits”. When these subunits come together, they give the protein its quaternary structure that will function as a single protein complex.

Figure: Example of quaternary structure from the hemoglobin of “red blood”

cell. Hemoglobin consists of four long amino acids chains sub-units; 2 α -chains and two β -chains of amino acids.

The quaternary structure of a protein is how its subunits are oriented and arranged with respect to one another. As a result, the quaternary structure only applies to multi-subunit proteins.

PROTEIN DOMAINS — many proteins are composed of several segments that fold into distinct structural units designated as “protein domains”. A protein domain is a conserved part of a given protein sequence and tertiary structure that can evolve, function, and exist independently of the rest of the protein chain. Each domain forms a compact three-dimensional structure and often can be independently stable and folded.

The main characteristic of proteins that also will allow their diverse set of functionalities is their ability to bind other molecules specifically and tightly. The region of the protein responsible for binding another molecule will be designated as the binding site and will often be a depression or “pocket” on the molecular surface. This binding ability will be mediated by the tertiary structure of the protein, which will define the binding site pocket, and by the chemical properties of the surrounding amino acids’ side chains.

CELL MEMBRANE PROTEINS — these are proteins embedded into the cell membrane. Although the lipid bilayer provides the basic structure of a cell membrane, the membrane proteins are the ones that will perform most of the “specific tasks” that have been assigned to the membrane and therefore, they will give each type of cell membrane its characteristic functional properties. There are two main categories of membrane proteins: integral and peripheral.

Many membrane proteins will extend across the lipid bilayer. In some of these transmembrane proteins, the long amino acids chain crosses the bilayer as a single α helix (single-pass proteins). In others, including those that will be responsible for the transmembrane transport of ions and other small water-soluble molecules, the long amino acid chain will cross the bilayer several times — either as a series of α -helices or as a β -pleated sheet in the form of a closed barrel (multipass proteins). Other membrane-associated proteins will not span the bilayer but instead will be attached to either side of the membrane. Many of these will be bound by noncovalent interactions with transmembrane proteins, but others will be bound via covalently attached lipid groups. Like the lipid molecules in the bilayer, many membrane proteins will be able to diffuse rapidly in the plane of the membrane. However, cells have been endowed with “specific processes” for

immobilizing specific membrane proteins and of confining both membrane protein and lipid molecules to particular domains in a continuous lipid bilayer.

INTEGRAL MEMBRANE PROTEINS — as their name suggests, these are permanently anchored and embedded proteins within the lipid bilayer. They cannot easily be removed from the cell membrane without the use of “specific detergents” that destroy the lipid bilayer.

Integral membrane proteins float rather freely within the bilayer, much like oceans in the sea. In addition, integral proteins will usually be transmembrane proteins, extending through the lipid bilayer so that one end contacts the interior of the cell and the other touches the exterior.

The stretch of the integral protein within the hydrophobic interior of the bilayer is also hydrophobic, made up of non-polar amino acids. Like the lipid bilayer, the exposed ends of the integral protein are hydrophilic.

Integral membrane proteins will be classified according to their relationship with the bilayer:

- Integral polytopic proteins are transmembrane proteins that will span across the cell membrane more than once. These proteins may have different transmembrane topology. These proteins have one of two structural architectures: the α -helix bundle proteins, which are present in all types of cell membranes; and the β -pleated sheet proteins, which are found only in outer membranes of mitochondria and chloroplasts.
- Bitopic proteins are transmembrane proteins that will span across the cell membrane only once. Transmembrane helices from these proteins will have significantly different amino acid distributions to transmembrane helices from polytopic proteins.
- Integral monotopic proteins are integral membrane proteins that will be attached to only one side of the membrane and do not span the whole way across.

PERIPHERAL MEMBRANE PROTEINS — these are only temporarily attached to the lipid bilayer or to other integral proteins. They are easily separable from the lipid bilayer, able to be removed without harming the bilayer in any way. Peripheral proteins are less mobile within the lipid bilayer. They are attached by a combination of hydrophobic, electrostatic, and other non-covalent interactions.

CARBOHYDRATES — carbohydrates, which are molecules consisting of carbon (C), hydrogen (H) and oxygen (O) atoms, with a hydrogen—oxygen atom ratio of 2:1 (as in water) and thus with the empirical formula $C_m(H_2O)_n$ (where m may be different from n), are the third major component of the cell membrane. Carbohydrates are chemically bound to glycolipids and glycoproteins. However, some membrane carbohydrates will be part of proteoglycans that will insert their amino acid chain among the lipid fatty acids. Although some carbohydrates will be found associated to intracellular membranes, most of them will be located in the outer monolayer of the plasma membrane, facing the extracellular space (see figure). In general, they will be covalently bound either to proteins (forming glycoproteins) or to lipids (forming glycolipids). These carbohydrate chains will consist of 2-60 monosaccharide units and will be either straight or branched. The synthesis of membrane carbohydrates will start in the endoplasmic reticulum, but it is in the Golgi complex where they will be modified and grow by adding many new monomers to form complex carbohydrate molecules.

Along with membrane proteins, these carbohydrates will perform two main functions: (1) participate in cell recognition and adhesion — recognition by

forming distinctive cellular markers, in some sense a type of molecular identification badges, which will allow cells to recognize each other, either cell-cell signalling or cell-pathogen interactions, and adhesion by serving as points of attachment or adherence to other cells — and (2) they have a structural role as physical barrier. These markers formed by the membrane proteins and carbohydrates will be very important for the “specific processes” that have been established by “THE DIVINE ARCHITECT AND PROJECT MASTER” for the immune system of this “Subjective ‘EARTHLY’ Garment”. They will allow the immune system to differentiate anything distinguished from the “Subjective ‘EARTHLY’ Garment” healthy cells or tissues and that is detrimental to its proper functioning and to trigger the “COMBAT”, the process of “HEALING” in order to annihilate the intruder and to restore the cells or tissues to their functional state without damage.

STRUCTURE OF THE FATTY ACID TAILS — the structure of the fatty acid tails of the phospholipids will be important in determining the properties of the membrane, and in particular, how fluid it is.

Saturated fatty acids will have no double bonds (will be saturated with hydrogens), so they will be relatively straight. Unsaturated fatty acids, on the other hand, will contain one or more double bonds, which will often result in a bend or kink, (you can see an example of a bent, unsaturated tail in the diagram of phospholipid structure above). The saturated and unsaturated fatty acid tails of phospholipids will behave differently as temperature drops:

- At cooler temperatures, the straight tails of saturated fatty acids will be able to pack tightly together, making a dense and fairly rigid membrane.
- Phospholipids with unsaturated fatty acid tails will not be able to pack together as tightly because of the bent structure of the tails. Because of this, a membrane containing unsaturated phospholipids will stay fluid at lower temperatures than a membrane made of saturated ones.

CHOLESTEROL — in addition to phospholipids, there is an additional membrane component that helps to maintain fluidity: it is cholesterol; a four fused carbon rings, which is embedded among the phospholipids of the membrane.

Cholesterol composes about 30% of the cell membrane and it will facilitate the modulation of the membrane fluidity over the range of physiological temperatures. The hydroxyl group of each cholesterol molecule will interact with water molecules surrounding the cell membrane, as do the polar heads of the membrane phospholipids and sphingolipids, while the bulky steroid and the hydrocarbon chain will be embedded in the cell membrane, alongside the nonpolar fatty-acid chain of the other lipids. Through the interaction with the phospholipid fatty-acid chains, cholesterol will increase the cell membrane packing, which both will alter the cell membrane fluidity and maintain the cell membrane integrity. The cell membrane will remain stable and durable without being rigid, allowing a cell to change shape and facilitate a manifestation of the “movement”, considered in its manifestations under all its forms and all scales, and the state of equilibrium expected from the “movement”.

The structure of the tetracyclic ring of cholesterol will contribute to the fluidity of the cell membrane, as the molecule will be in a trans-conformation making all but the side chain of cholesterol rigid and planar. In this structural role, cholesterol also will reduce the permeability of the cell membrane to neutral solutes, hydrogen ions, and sodium ions.

Cholesterol will be abundantly found in membrane structures designated as “lipid rafts”. Depicted in the figure above, lipid rafts are organized structures within the cell membrane, more ordered than the bulk cell membrane and enriched in cholesterol and sphingolipids. They will represent a platform for protein-lipid and protein—protein interactions and for cellular communication. Lipid rafts will affect the cell membrane fluidity, neurotransmission, and trafficking of “specific receptors” and the membrane proteins.

MOVEMENT OF SUBSTANCES — the whole chemical structure of the cell membrane makes it remarkably flexible, the ideal boundary for rapidly growing and dividing cells, yet remaining also a formidable barrier that will allow some dissolved substances, or solutes, to pass while blocking others.

In much the same as all “Divine Particles” are always in movement, each “Divine Particle” in movement in itself and in relation to others, and their movements are not disordered, “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed and established such features to be applied to the “Specific Atomic ‘EARTHLY’ Substance” and all its constituents. It is so that, by inheritance, all “Specific Molecular ‘EARTHLY’ Substances” will also have such features. Consequently, lipids and proteins will be constantly in movement (hence the fluid mosaic designation mentioned above). This feature is at the basis of the principle

of quantitative and qualitative growth of all structures (e.g. tissues and organs in all their forms) that will be built from a cell.

By inheritance from its constituents “Specific Molecular ‘EARTHLY’ Substances”, a “cell” will also possess a dynamism, a principle of action, an ability to produce this “specific work” which will shift it from the absence of “specific behavior” to the “specific behavior” considered, in short, an “energy” which is called: the energy of the “specific behavior”, — in the case of the “movement”, it will be that, which is called “kinetic” energy —, which is associated with the “specific work” performed by those “specific elementary processes” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed and placed in a “cell”, and which is necessary to pass a “cell” from the absence of “specific behavior” to the “specific behavior” considered. Thus, different denominations are associated with this “specific work” according to the desired “specific behavior”; the example of that, which will be called: “ELECTRICITY”, in all its forms, and which derives from the “movement”, as that “energy” produced by the displacement of the “Specific Atomic ‘SPIRIT’ Substances” constituent of the “Specific Molecular ‘EARTHLY’ Substances” constituent of a cell and which will manifest itself by different phenomena such as attraction and repulsion (static electricity), heat, chemical, luminous, magnetic, mechanical (dynamic electricity), etc...

The magnitude of the manifestation of these “specific effects” and associated “specific behaviors” by a “cell”, being the result of the combination and a “specific interpretation” of “specific effects” and associated “specific behaviors” of “Specific Molecular ‘EARTHLY’ Substances” constituents, it will of course be higher than those of the constituents taken in on their own as a single unit.

The “‘EARTHLY’ specific supply of subsistence” provided by the “Specific Energy ‘SPIRIT’ Substance” constituent of the “‘SPIRIT←LIGHT’ Body”, is the external “specific supply of subsistence” that will allow the “cell” to maintain its dynamism.

Three main modes of movement can be considered in the cell membrane: rotational, translational and transbilayer.

Rotational movement will occur essentially around an axis perpendicular to the plane of the membrane. Both lipids and proteins will rotate around their long axis, under physiological conditions, at frequencies in the range of 10^8 to 10^9 per second for lipid molecules and 10^3 to 10^5 per second for protein molecules. If this rotational movement is hindered, then the constituent molecules of the considered proteins and lipids will lose their functionality. Translational diffusion of lipids and proteins will occur along the plane of the membrane, unhindered by diffusion barriers.

Translational (or lateral) diffusion will occur as in conventional molecular diffusion (e.g. solutes in water) only in two dimensions; it is what will provide the cell membrane with a fluid structure. The diffusion coefficients will be in the range of 10^{-8} to 10^{-9} cm^2 per second for lipids and 10^{-9} to 10^{-11} cm^2 per second for integral membrane proteins.

Transbilayer lipid motion will occur to remove instabilities that may occur as a result of the insertion of foreign molecules in one of the cell membrane layer.

Many of the proteins constituents of the cell membrane are transmembrane proteins, which are embedded in the membrane but stick out on both sides. Some of these proteins will be receptors which will bind to "specific signal" molecules, while others will be ion channels which will be the only means of allowing ions into or out of the cell. These proteins in the cell membrane will selectively manage the cellular entry and exit of water-soluble, however not lipid-soluble, products.

Movement of lipids within each layer of the lipid bilayer occurs readily and rapidly due to membrane fluidity. This type of movement will be designated as the "lateral diffusion". While the movement in "lateral diffusion" will occur rapidly, movement of molecules from one leaflet over to the other layer will occur much more slowly. This type of molecular movement will be designated as the "transverse diffusion" and will occur only in the presence of the "specific enzyme" action. There are three lipid translocating "specific enzymes" that will catalyze the movement of compounds in the "transverse diffusion". Flippases enzymes will

facilitate the movement of the membrane glycerophospholipids/sphingolipids from the outer layer to the inner layer (cytoplasmic side) of the cell. Floppases enzymes will facilitate the movement of the membrane lipids in the opposite direction. Scramblases enzymes will facilitate the movement of the membrane lipids in either direction. These lipid translocating “specific enzymes” will be required to equalize the number of lipids at both sides of the cell membrane when a new cell membrane/organelle will be generated, lipid synthesis taking place only on one side of the bilayer. It is so that, these lipid translocating “specific enzymes” will help maintain the symmetrical feature of the cell membrane.

Lipid-soluble molecules and some small molecules will be able to permeate the membrane, but the lipid bilayer of the membrane will effectively repel the many large, water-soluble molecules and electrically charged ions that the cell must import or export in order to live. Transport of these vital substances will be carried out by certain classes of intrinsic proteins that will form a variety of transport systems: some will be open channels, which will allow ions to diffuse directly into the cell; others will be “facilitators”, which, through a little-understood chemical transformation, will help solutes diffuse past the lipid screen; yet others will act as “pumps” that will force solutes through the membrane when they will not be concentrated enough to diffuse spontaneously. Particles too large to be diffused or pumped will often be swallowed or disgorged whole by an opening and closing of the membrane.

Active and passive transport processes are two processes through which molecules and other materials will move in and out of a cell and across intracellular membranes. Active transport is the movement of molecules or ions against a concentration gradient (from an area of lower to higher concentration), which does not ordinarily occur, so enzymes and energy are required. Passive transport is the movement of molecules or ions from an area of higher to lower concentration. There are multiple forms of passive transport: simple diffusion, facilitated diffusion, filtration, and osmosis. Passive transport occurs because of the entropy of the system, so additional energy isn't required for it to occur.

THE CELL STRUCTURE — THE CELL NUCLEUS

The cell nucleus is the most noticeable organelle within the cell. Most of the genetic material will be contained in the nucleus, while a small amount of it will be found in mitochondria. The genetic material contained in the nucleus has been designed and established by “THE DIVINE ARCHITECT AND PROJECT MASTER” so that it will never be removed from the cell nucleus. However, “THE DIVINE ARCHITECT AND PROJECT MASTER” has also designed and established “specific processes” through which the genetic material kept in the cell will be transcribed (replicated) in the form of “specific molecules” that may travel out of the nucleus. “Déjà vu?” Does this sound familiar to you? NO? Remember what we have explained already about “THE SHEKINAH” and its replica which is designated as the “‘SPIRIT←LIGHT’ Body” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

The cell nucleus in this “Subjective ‘EARTHLY’ Garment” is only 6 micrometres in diameter, yet it contains about 1.8 metres of genetic material (namely, DNA, or deoxyribonucleic acid, a “nucleic acid”⁶⁰² that will be the hereditary material in this “Subjective ‘EARTHLY’ Garment”). This is distributed among 46 chromosomes, each consisting of a single DNA molecule about 40 mm long. This extraordinary packaging structure achieved by “THE DIVINE FORCE” can be viewed in a scale model enlarged a million times. On such enlarged scale a genetic material (namely, DNA) molecule would be a thin string of 2 mm thick, and the average chromosome would contain 40 km of genetic material. With a diameter of only 6 micrometres, the nucleus would contain 1800 km of genetic material. The nucleus has been assigned a very important “specific work”. As it will contain genetic material, it will coordinate the cell activities like protein synthesis and cell division. Anatomically the nucleus is made up of several components: nuclear envelope, nuclear lamina, nucleolus, chromosomes and nucleoplasm are some of these components.

All of these components will work together in order for the nucleus to accomplish all of its “specific work”. Namely, this “specific work” will include the following tasks:

1. Control of the genetical information of the cell and thus the heredity characteristics of an organism;
2. Control of the protein and enzyme synthesis;
3. Control of cell division and cell growth;
4. Storage of generic material and ribosome;
5. Regulation of the transcription of the generic material to protein;
6. Production of ribosomes.

THE NUCLEAR ENVELOPE — the nuclear envelope surrounds the nucleus, separating it from the cell’s cytoplasm. It is a double membrane. Each membrane is a phospholipid bilayer associated with proteins, and the two membranes are

⁶⁰² A nucleic acid is a long molecule made up of smaller molecules called nucleotides. Nucleic acids are macromolecules; which means they are molecules composed of many smaller molecular units. These units are called nucleotides, and they are chemically linked to one another in a chain. In DNA, the nucleotides are referred to in shorthand as A, C, T, and G. In RNA, the nucleotides are A, C, U, and G. The order, or sequence, of the nucleotides in DNA allows nucleic acid to encode the genetic blueprint of an organism.

divided by 20 to 40 nanometers of space. The two membranes of the nuclear envelope will be referred to as the inner and outer nuclear membranes. The outer membrane is continuous with the cell's endoplasmic reticulum, and therefore the space between the inner and outer nuclear membranes links to the lumen of the endoplasmic reticulum. Like the endoplasmic reticulum, the outer nuclear membrane has ribosomes attached to it. Contrastingly, the inner membrane of the nuclear envelope is attached to proteins that are specific to the nucleus, and therefore found nowhere else.

The nuclear envelope is perforated with tiny pores with diameters of around 100 nanometers. The inner and outer membranes of the envelope are continuous around the pores. Each pore is lined with a structure of 50 to 100 different proteins known as the nuclear pore complex. These pore complexes will regulate the movements of macromolecules, genetic material and proteins into and out of the nucleus. This movement of molecules also will be designated as nuclear transport and it is an application of the concept of “movement”, considered in its manifestations under all its forms and all scales, and the state of equilibrium expected from the “movement”. Small molecules will move passively through the pores, but larger molecules, including genetic material and many proteins, will be too large for this and will move actively. During this active process, they will be selectively recognised and transported in one specific direction. The traffic of genetic material and proteins through the nuclear pore complex will be particularly important, as they will play a role in gene expression.

The inner nuclear membrane is internally lined by protein filaments meshwork organised in a net-like fashion, designated as nuclear lamina. The proteins that make up the nuclear lamina will be designated as lamins, which are intermediate filament proteins. These will support the nuclear envelope, ensuring that the overall shape and structure of the nucleus is maintained. In addition to lamins there is another set of membrane proteins designated as lamina associated proteins, which will help to mediate the interaction between the lamina and inner nuclear membrane. The nuclear lamina, along with protein fibers designated as the nuclear matrix, will also aid in the organisation of genetic material, allowing it to function more efficiently.

When a nucleus will not be dividing, a structure designated as the nucleolus will become visible. In fact, it is the most prominent structure within the nucleus. In general there will be only a single nucleolus — a mass of granules and fibers attached to chromatin — present inside the cell, but some nuclei will have multiple nucleoli.

THE NUCLEOLUS — the nucleolus is the site of ribosomal genetic material production. Inside the nucleolus, genetic material molecules will be combined with proteins to form ribosomes. The nucleolus will be involved in genetic material transcription, pre-genetic material processing and ribosome subunit assembly. The nucleolus is not surrounded by a membrane, but it has a unique density, separating it from the surrounding nucleoplasm, and allowing it to be visualised under at the microscopic scale. As well as being involved in ribosomal biogenesis, the nucleolus will have other roles, as it will contain a number of proteins unrelated to genetic material and ribosome synthesis.

Nucleoplasm is similar to the cytoplasm of a cell, in that it is semi-liquid, and fills the empty space in the nucleus. It is a form of protoplasm and surrounds the chromosomes and nucleoli inside the nucleus. It also has various proteins and enzymes dissolved within it.

RIBOSOMES — ribosomes are the molecular departments responsible for protein synthesis in the highly specialized proteins manufacturing factory designated as the cell and that has its own internal supply chain and quality control units.

A ribosome is made out of proteins and ribonucleic acids (RNA) — the travelling “specific molecules” into which will be transcribed (replicated) the genetic material kept in the cell —, and each ribosome consists of two separate RNA-protein complexes, known as the small and large subunits. Both subunits, comprised of both ribonucleic acid and protein components, are linked to each other by interactions between the proteins in one subunit and the rRNAs in the other subunit. The ribonucleic acid will be obtained from the nucleolus, at the

point where ribosomes will be arranged in a cell. The large subunit sits on top of the small subunit, with an RNA template sandwiched between the two.

In eukaryote cells, ribosomes will receive their orders for protein synthesis from the nucleus, where portions of deoxyribonucleic acid (DNA) will be transcribed to make messenger RNAs (mRNAs). An mRNA will travel to the ribosome department, which will use the information it contains to build a protein with a specific amino acid sequence. This process will be designated as “translation”. Since prokaryote cells will not have a nucleus, their mRNAs will be transcribed in the cytosol and will be translated by ribosomes immediately.

Eukaryotic ribosomes may be either free, meaning that they are floating around in the cytosol, or bound, meaning that they are attached to the endoplasmic reticulum or the outside of the nuclear envelope.

Because protein synthesis will be an essential function of all cells, ribosomes will be found in practically every cell type. However, eukaryotic cells that will specialize in producing proteins will have particularly large numbers of ribosomes.

The main “specific task” that has been assigned to ribosomes is to bring together amino acids to form particular proteins, which are important for completing the “specific work” of the cell.

THE CELL STRUCTURE – THE ENDOPLASMIC RETICULUM

The endoplasmic reticulum is a membranous structure that contains a network of tubules and vesicles. Its structure is such that substances can move through it and be kept in isolation from the rest of the cell until the manufacturing processes conducted within are completed.

There are two types of endoplasmic reticulum, each with assigned distinct “specific work”, and differing morphology: rough (granular) and smooth (agranular).

The rough endoplasmic reticulum (granular endoplasmic reticulum) will have membrane-bound ribosomes that give it the characteristic “rough” appearance.

These ribosomes will create proteins that will be destined for the cisternal space of the endoplasmic reticulum and will be moved into the organelle as they will be translated. These proteins will contain a short “specific signal” created by a few amino acids in their N-terminal and they will be initially translated in the cytoplasm. However, as soon as the “specific signal” will be translated, special proteins will bind to the growing polypeptide chain and will move the entire ribosome and associated translation machinery to the endoplasmic reticulum. Such movement will be another application of the concept of “movement”, considered in its manifestations under all its forms and all scales, and the state of equilibrium expected from the “movement”. Without the “movement”, nothing can be accomplished. All the “specific signals” received and emitted by organelles within any cell have been designed and established by “THE DIVINE ARCHITECT AND PROJECT MASTER”. These polypeptides could be resident proteins of the rough endoplasmic reticulum, or be moved towards the Golgi network to be sorted and secreted. The “specific work” of the rough endoplasmic reticulum will be to synthesize new proteins.

The smooth endoplasmic reticulum (agranular endoplasmic reticulum) will not have any attached ribosomes. Its “specific work” will be to synthesize different types of lipids (fats) and to act as the calcium store for the cell. The smooth endoplasmic reticulum also will play a role in carbohydrate and drug metabolism.

The endoplasmic reticulum membrane system can be morphologically divided into two structures: cisternae and sheets. Cisternae are tubular in structure and form a three-dimensional polygonal network. Endoplasmic reticulum sheets, on the other hand, are membrane-enclosed, two-dimensional flattened sacs that extend across the cytoplasm. They will be frequently associated with ribosomes and special proteins that will be designated as translocons that are necessary for protein translation within the rough endoplasmic reticulum.

The construction of the endoplasmic reticulum will be closely related with the presence of cytoskeletal elements, especially microtubules. Endoplasmic reticulum membranes, especially cisternae, will move and branch along microtubules. It is the endoplasmic reticulum that will process most of the “specific instructions” coming from the nucleus and which will contain indications regarding the manufacturing of proteins. As such, the endoplasmic reticulum surrounds the nucleus and radiates outward. The rough endoplasmic reticulum has many ribosomes, which will be the primary location of protein production. This portion of the organelle will create proteins and will begin to fold them into the proper formation. The smooth endoplasmic reticulum will be the primary location for lipid synthesis. As such, it will not contain any ribosomes. Rather, it

will conduct a series of chemical reactions which will create the phospholipid molecules necessary to create various membranes and organelles.

THE CELL STRUCTURE — THE GOLGI APPARATUS

The Golgi apparatus is an organelle comprised of a series of flattened sacs that extend from the endoplasmic reticulum and that move molecules from the endoplasmic reticulum to their destination. The organelle also will modify products of the endoplasmic reticulum to their final form. The main function of the Golgi apparatus will be the ability to deliver vesicles, or packets of various cell products, to different locations throughout the cell. The Golgi apparatus also will have important functions in tagging vesicles with proteins and sugar molecules, which will serve as identifiers for the vesicles so that they can be delivered to the proper target.

The Golgi apparatus, from its receiving side designated as “cis Face”, will receive proteins and lipids (fats) from the rough endoplasmic reticulum. It will modify some of them and it will sort, concentrate and pack them into sealed droplets called vesicles.

Depending on the contents, these will be despatched to one of three destinations, via the shipping side of the Golgi apparatus, which is designated as “trans Face”:

1. Destination 1: within the cell, to organelles designated as lysosomes.
2. Destination 2: the plasma membrane of the cell. Vesicles containing biochemicals for continuous secretion will flow to and fuse with the plasma membrane. This group of secretions will contribute to the biochemicals of the extracellular matrix, will act as “specific chemical signals” to other cells, and provide proteins for the repair and replacement of the plasma membrane. This constitutive (or continuous) secretory pathway will also be the default pathway. Products from the Golgi apparatus, which will not be labelled for other routes, will use this destination.
3. Destination 3: outside of the cell. The way in which chemicals move through the Golgi apparatus from cisterna to cisterna is an application of the concept of “movement”, considered in its manifestations under all its forms and all scales, and the state of equilibrium expected from the “movement”.

Typically, proteins and cellular products will be manufactured in the endoplasmic reticulum. The rough endoplasmic reticulum has a number of ribosomes, which will assemble proteins from “specific instructions” that it will receive. Throughout the rest of the endoplasmic reticulum, these protein products will be folded and modified through a marvellous process of quality control checking. As they will reach the Golgi apparatus, more modifications will be made. Finally, the products will be packaged within vesicles which will be “labeled” by other proteins and molecules. The vesicles will be released and based on their tags or labels they will be carried to the appropriate location within the cell by the cytoskeleton.

The Golgi apparatus will have many discrete tasks attached to its “specific work”. But, all tasks will be associated with moving molecules from the endoplasmic reticulum to their final destination and modifying certain products along the way. The multiple sacs of the Golgi apparatus will serve as different chambers for chemical reactions. As the products of the endoplasmic reticulum will move through the Golgi apparatus, they will be continuously transferred into new

environments, and the reactions that can take place will be different. In this way, a product can be given modifications, or multiple products can be combined to form large macromolecules. The many sacs and folds of the Golgi apparatus will allow for many reactions to take place at the same time, increasing the speed at which an organism will be able to produce products.

THE CELL STRUCTURE — THE LYSOSOMES, THE SECRETORY VESICLE, AND THE PEROXISOMES

Lysosomes are membrane-enclosed organelles, which contain an array of enzymes capable of breaking down all types of biological polymers — proteins, nucleic acids, carbohydrates, and lipids.

Lysosomes function as the digestive system of the cell, serving both to degrade material taken up from outside the cell and to digest obsolete components of the cell itself. In their simplest form, lysosomes are visualized as dense spherical

vacuoles, but they can display considerable variation in size and shape as a result of differences in the materials that have been taken up for digestion. Lysosomes thus represent morphologically diverse organelles defined by the common function of degrading intracellular material.

Lysosomes contain about 40 different degradative enzymes that can hydrolyze proteins, DNA, RNA, polysaccharides, and lipids. All of the lysosomal enzymes are acid hydrolases, which are active at the acidic pH (about 5), which is maintained within lysosomes, but not at the neutral pH (about 7.2) characteristic of the rest of the cytoplasm. The requirement of these lysosomal hydrolases for acidic pH provides double protection against uncontrolled digestion of the contents of the cytosol; even if the lysosomal membrane were to break down, the released acid hydrolases would be inactive at the neutral pH of the cytosol. To maintain their acidic internal pH, lysosomes must actively concentrate H^+ ions (protons). This is accomplished by a proton pump in the lysosomal membrane, which actively transports protons into the lysosome from the cytosol. This pumping requires expenditure of energy in the form of ATP hydrolysis, since it maintains approximately a hundredfold higher H^+ concentration inside the lysosome.

One of the major functions of lysosomes is the digestion of material taken up from outside the cell by endocytosis. However, the role of lysosomes in the digestion of material taken up by endocytosis relates not only to the function of lysosomes but also to their formation. In particular, lysosomes are formed by the fusion of transport vesicles budded from the trans-Golgi network with endosomes, which contain molecules taken up by endocytosis at the plasma membrane.

The formation of lysosomes thus represents an intersection between the secretory pathway, through which lysosomal proteins are processed, and the endocytic pathway, through which extracellular molecules are taken up at the cell surface. Material from outside the cell is taken up in clathrin-coated endocytic vesicles, which bud from the plasma membrane and then fuse with early endosomes. Membrane components are then recycled to the plasma membrane and the early endosomes gradually mature into late endosomes, which are the precursors to lysosomes. One of the important changes during endosome maturation is the lowering of the internal pH to about 5.5, which plays a key role in the delivery of lysosomal acid hydrolases from the trans Golgi network.

A structure that is similar to a lysosome is the secretory vesicle. Secretory vesicles are small, membrane-enclosed sacs that store and transport substances to and from one cell to another and from one part of a cell to another. The small,

spherical compartment of vesicles is separated from the cytosol by at least one lipid bilayer.

Because secretory vesicles are made of phospholipids, they can break off of and fuse with other membraneous material. It is so that, secretory vesicles can fuse with the cell membrane when their contents is to be released outside the boundaries of the cell. However, secretory vesicles can also fuse with other organelles, which are present inside the cell to release or engulf substances. The function of secretory vesicles in a cell, thus, varies depending on the type of vesicle that is present and as it was designed and established by “THE DIVINE ARCHITECT AND PROJECT MASTER”.

Peroxisomes, found in all eukaryotic cells, are bounded by a single membrane and contain neither DNA nor elements of a translation system. These organelles harbor high concentrations of oxidative enzymes such as catalase and urate oxidase and are a major site of oxygen utilization. Peroxisomes generate hydrogen peroxide (H_2O_2) — which is the basis of the name peroxisome —, which is then use (via catalase) to oxidize a variety of substrates, by converting hydrogen peroxide to water and oxygen. By virtue of this function, peroxisomes will play an important role in the detoxification of substances, which are potentially harmful to the cell. Peroxisomes are biochemically diverse, even within a single cell. Peroxisomes will be formed directly from the endoplasmic reticulum rather than from the Golgi apparatus like lysosomes.

THE CELL STRUCTURE – THE MITOCHONDRIA

Mitochondria are round to oval in shape organelles, structured with two membranes: an outer membrane and an inner membrane. These membranes are made of phospholipid layers, just like the cell membrane.

The outer mitochondrial membrane, which encloses the entire organelle, is 6 to 7.5 nanometers thick. It has a protein-to-phospholipid ratio similar to that of the cell membrane (about 1:1 by weight). It contains large numbers of integral membrane proteins designated as porins. A major trafficking protein is the pore-forming voltage-dependent anion channel. This pore-forming voltage-dependent anion channel will be the primary transporter of nucleotides, ions and metabolites between the cytosol and the intermembrane space. It is formed as a beta barrel that spans the outer membrane. Larger proteins will be able to enter the mitochondrion if a signaling sequence at their N-terminal binds to a large multisubunit protein designated as translocase in the outer membrane, which

then will actively move them across this outer membrane. Mitochondrial proteins are imported through specialised translocation complexes.

The outer membrane will also contain enzymes that will be involved in such diverse activities as the elongation of fatty acids, oxidation of epinephrine, and the degradation of tryptophan. Disruption of the outer membrane will allow proteins in the intermembrane space to leak into the cytosol, which afterward will lead to the destruction of the cell. The mitochondrial outer membrane can associate with the endoplasmic reticulum membrane, in a structure that will be designated as the mitochondria-associated endoplasmic reticulum-membrane. This association will be important in the endoplasmic reticulum-mitochondria calcium signaling and it will be involved in the transfer of lipids between the endoplasmic reticulum and mitochondria. Outside the outer membrane there are small particles of 6 nanometers of diameter.

The inner membrane is far less permeable than the outer membrane. The inner mitochondrial membrane contains proteins with three types of tasks:

1. Those that will perform the electron transport chain — which is a series of electron transporters embedded in the inner mitochondrial membrane that will shuttle electrons from the nicotinamide adenine dinucleotide molecule and from the hydroquinone form of the flavin adenine dinucleotide molecule to molecular oxygen — of oxidation-reduction reactions;
2. Those that will catalyse the synthesis process through which will be generated the energy storage molecule adenosine triphosphate (ATP^{603}), and which will be formed from adenosine diphosphate (ADP) molecule and inorganic phosphate.

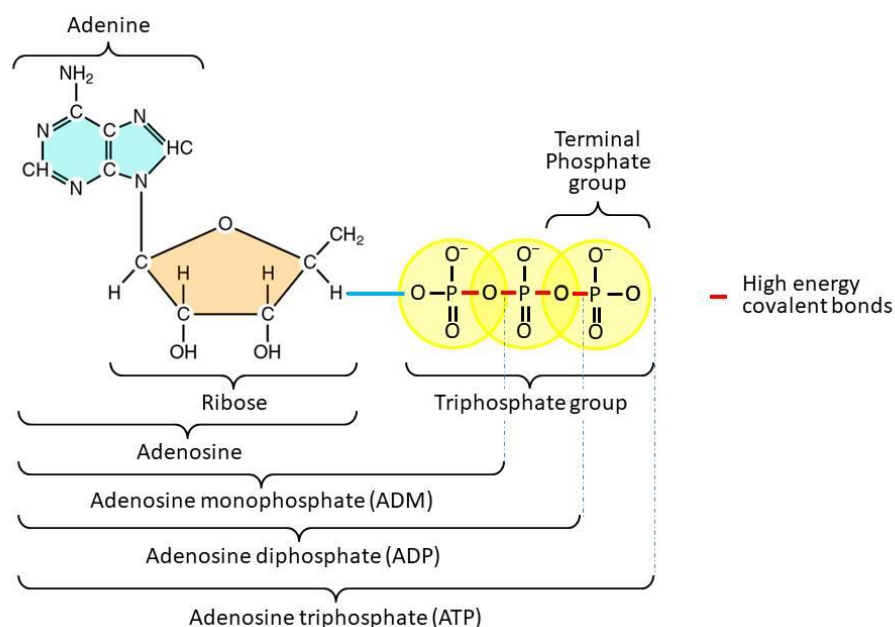

⁶⁰³ As its name suggests, the ATP (adenosine triphosphate) molecule is comprised of adenosine bound to three phosphate groups (Figure). Adenosine is a nucleoside consisting of the nitrogenous base adenine and a five-carbon sugar, ribose. The ATP (adenosine triphosphate) molecule is an energy-carrying molecule used in cells in the sense that through it, chemical energy can be released very quickly.

In the ATP molecule, the chemical energy is stored in the covalent bonds (marked in red in the figure) between phosphate groups joining the terminal phosphate group to the rest of the molecule. In this form, energy can be stored at one location, then, moved from one part of the cell to another, where it can be released to drive other biochemical reactions. The chemical energy utilized by a cell will not be predominantly stored in the ribose sugar, but rather in the oxygen molecule (O_2) with its relatively weak (i.e., high-energy) double bond. Accordingly, chemical reactions of the oxygen molecule (O_2) with organic molecules will be

- Those that will regulate the metabolite passage into and out of the mitochondrial matrix.

highly exergonic (that is to say, they will be chemical reactions that release energy in the form of heat), while other reactions of ribose sugar will not. The chemical energy stored in the ATP molecule at one location will be released from the ATP molecule when the terminal phosphate bond will be broken. In this process, a phosphate group will be detached to yield inorganic phosphate and an ADP (adenosine diphosphate) molecule, and, under standard conditions, this will result in the liberation of 7.3 kcal/mol. Likewise, chemical energy is also released when a phosphate is removed from the ADP molecule to form adenosine monophosphate (AMP).

ספר
המורה

Once the ATP molecule has released its stored chemical energy, it becomes an ADP (adenosine diphosphate) molecule, which is a low energy molecule. The ADP molecule can be recharged back into ATP molecule by adding a phosphate group and forming new covalent bond to store chemical energy once again. This will also require absorbing chemical energy (this time, from the glycolysis process, the oxidation of glucose to carbon dioxide and water, which is a step in the cellular respiration process, which we will explained in this section). The ADP molecule and the ATP molecule will constantly convert back and forth in this manner. It is so that, through this cycle of chemical energy release — ATP molecule to ADP molecule — chemical energy storage — ADP molecule gaining chemical energy to become ATP molecule —, a constant stream of chemical energy will be available for all metabolic pathways in the cell.

The inner mitochondrial membrane will contain more than 151 different polypeptides⁶⁰⁴, and it will have a very high protein-to-phospholipid ratio (more

⁶⁰⁴ Peptides are short chains of between two and fifty amino acids, linked by peptide bonds. Chains of less than ten or fifteen amino acids are called oligopeptides, and include dipeptides, tripeptides, and tetrapeptides.

A polypeptide is a longer, continuous, and unbranched peptide chain of up to fifty amino acids. Hence, peptides fall under the broad chemical classes of biological oligomers and polymers, alongside nucleic acids, oligosaccharides, polysaccharides, and others.

When a polypeptide contains more than fifty amino acids it is known as a protein. Proteins consist of one or more polypeptides arranged in a biologically functional way, often bound to ligands such as coenzymes and cofactors, or to another protein or other macromolecule such as DNA or RNA, or to complex macromolecular assemblies.

Amino acids that have been incorporated into peptides are termed residues. A water molecule is released during formation of each amide bond. All peptides except cyclic peptides have an N-terminal (amine group) and C-terminal (carboxyl group) residue at the end of the peptide.

Amino acids are organic compounds that contain amine ($-NH_2$) and carboxyl ($-COOH$) functional groups, along with a side chain (R group) specific to each amino acid. The key elements of an amino acid are carbon (C), hydrogen (H), oxygen (O), and nitrogen (N), although other elements are found in the side chains of certain amino acids.

than 3:1 by weight, which is about 1 protein for 15 phospholipids). The inner membrane will house around 1/5 of the total protein in a mitochondrion. Additionally, the inner membrane will be rich in cardiolipin — an acidic lipoprotein that is abundant in the inner mitochondrial membrane and is required for normal respiratory chain enzyme activity. The cardiolipin contains four fatty acids rather than two, and it will facilitate the impermeability of the inner membrane impermeable. Unlike the outer membrane, the inner membrane does not contain porins, and is highly impermeable to all molecules. Almost all ions and molecules will require special membrane transporters to enter or exit the mitochondrial matrix.

י
ת
ו
ס
ג
ר

The space between the outer and inner membranes is designated as the intermembrane space. It will also be designated as the perimitochondrial space. Because the outer membrane will be freely permeable to small molecules, the concentrations of small molecules, such as ions and sugars, in the intermembrane space will be the same as in the cytosol. However, the protein composition of this space will be different from the protein composition of the cytosol because, to large proteins, will be attached a specific signaling sequence in order to be transported across the outer membrane.

The inner mitochondrial membrane is bent into folds, designated as cristae, that will house the protein components of the main chemical energy-generating system of the cell, and which is designated as the electron transport chain (ETC). The electron transport chain will use a series of oxidation-reduction reactions to move electrons from one protein component to the next, ultimately producing free energy that will be harnessed to drive the phosphorylation of ADP (adenosine diphosphate) molecule to ATP (adenosine triphosphate) molecule. This process, designated as the chemiosmotic coupling of oxidative phosphorylation, will power nearly all cellular activities. Many other chemical reactions will also take place inside the folds as part of the tasks associated with the “specific work” of the mitochondrion. The ratio of the inner membrane to the outer membrane will vary in accordance with the cell type and the demand for ATP (adenosine triphosphate) molecules from the cell: the higher the ratio, the more cristae.

The mitochondrial matrix is the space enclosed by the inner membrane. It will contain about 2/3 of the total proteins in a mitochondrion. The mitochondrial matrix will be important in the production of ATP molecules with the aid of the ATP synthase contained in the inner membrane. The mitochondrial matrix will contain the deoxyribonucleic acid (DNA) of the mitochondrial genome and the enzymes of the tricarboxylic acid (TCA) cycle (also designated as the citric acid cycle), which will metabolize nutrients into by-products that the mitochondrion

can use for chemical energy production. The processes that convert these by-products into chemical energy will occur primarily on the inner membrane, which is bent into folds designated as cristae that will house the protein components of the main chemical energy-generating system of the cell, and which is designated as the electron transport chain (ETC). The mitochondrial matrix will contain a highly concentrated mixture of hundreds of:

1. Enzymes (including the enzymes of the tricarboxylic acid (TCA) cycle (also designated as the citric acid cycle), which will metabolize nutrients into by-products that the mitochondrion can use for chemical energy production).
2. Special mitochondrial ribosomes, which are complex molecular protein builders or protein synthesizers of the cell. They will make proteins from amino acids in the process that will be designated as protein synthesis or protein translation. Most of the proteins and other molecules that make up mitochondria, will originate in the cell nucleus.
3. Transfer ribonucleic acid (tRNA), which is a type of ribonucleic acid, a polymeric molecule essential in various biological roles in coding, decoding, regulation and expression of “GENES”.

The primary task in the “specific work” that has been assigned to a mitochondrion is to perform cellular respiration. This means that the simpler molecules of nutrition will be sent to the mitochondria for further processing and to produce charged molecules. These charged molecules will combine with oxygen and produce ATP molecules. This process will be designated as the oxidative phosphorylation, the process where electron transport from the chemical energy precursors from the citric acid cycle will lead to the phosphorylation of ADP molecules, producing ATP molecules. In the oxidative phosphorylation, energy will be harnessed through a series of protein complexes embedded in the inner-membrane of mitochondria to create ATP molecules. It is a step of cellular respiration process, and it produces the most of the chemical energy in cellular respiration. This chemical energy contained in the ATP molecules will then used by the cell organelles to carry out their assigned “specific work” and it will also be exported out of the cell and for usage to drive other internal processes of the “Subjective ‘EARTHLY’ Garment” requiring that chemical energy.

THE CELLULAR RESPIRATION

“THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” is characterized by one configuration in one movement and by one state of equilibrium which is obtained from the movement. Well defined events taking place inside the “Divine Septenary Equilibrium Zone” of the “DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” allow maintaining the “SUPREME STATE OF EQUILIBRIUM” of this “DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”. The cellular respiration is a manifestation by metaphors of those events that allow maintaining that “SUPREME STATE OF EQUILIBRIUM” of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”.

The cellular respiration is a multi-step process that will take place in the cell and through which the chemical energy of the appropriate intake of raw “Specific Atomic ‘EARTHLY’ Substances” designated as food, and consumed by the “Subjective ‘EARTHLY’ Garment”, will be converted into usable cellular energy in the form of adenosine triphosphate, or ATP molecules, and the resulting waste products, carbon dioxide and water, will be discarded. It is basically the flow of electrons down the electron transport chain. In the process, protons are pumped from the mitochondrial matrix to the intermembrane space, and oxygen is reduced to form water. The metabolic reactions involved in the cellular respiration process are catabolic reactions, which will gradually break large molecules into smaller ones, and ultimately into carbon dioxide and water, releasing energy because the weak high-energy bonds, in particular in molecular oxygen, will be replaced by stronger bonds in the products.

The cellular respiration is one of the majestic and fascinating ways through which a cell, at or below the microscopic scale, will release chemical energy to fuel nanometric cellular activity. The overall reaction will occur in a series of biochemical steps, some of which are redox reactions; that is to say, reaction

which involve the transfer of electrons from one molecule to another, also designated as an oxidation-reduction reaction. A molecule that loses electrons is oxidized; a molecule that gains electrons is reduced. Different molecules have different tendencies to gain or lose electrons, and designated as the redox potential. A redox reaction between a pair of molecules with a large difference in redox potential will result in a large release of free chemical energy.

Cellular energy metabolism will feature a series of redox reactions. Heterotrophs will oxidize (take electrons from) organic molecules (food) and reduce (give them to) an electron carrier molecule, designated as NAD⁺ (the oxidized form of NAD molecule, or Nicotinamide Adenine Dinucleotide C₂₁H₂₇N₇O₁₄P₂; it is a critical coenzyme that “THE DIVINE FORCE” will produce into existence and will place in every cell, as SHE was building each cell of the over 70 trillions⁶⁰⁵ of cells of this “Subjective ‘EARTHLY’ Garment” and directly sewing this “Subjective ‘EARTHLY’ Garment” into existence, to accomplish this seventh decree of the implementation of the “Second Phase” of “THE HOLY PROJECT”)⁶⁰⁶ that will

⁶⁰⁵ Using a rough estimate of the cell (including a portion of the extracellular fluid surrounding the cell membrane) average weight to be equal to 1 nanogram (10^{-9} g, or 10^{-12} kg), one can estimate the average total number of cells constituents of a “Subjective ‘EARTHLY’ Garment” that weights W kilograms to be equal to $10^{12} \times W$; thus 40 trillions cells will be an average estimate for a “Subjective ‘EARTHLY’ Garment” that weights 40 kilograms, and 70 trillions cells will be an average estimate for a “Subjective ‘EARTHLY’ Garment” that weights 70 kilograms and which is the estimated average weight of this “Subjective ‘EARTHLY’ Garment” at the 17 to 18 years old growth age into existence, etc....

⁶⁰⁶ That is just a glimpse of the GREATNESS of “THE DIVINE FORCE”. Remember all what SHE has accomplished during the sixth previous decrees of the implementation of the “Second Phase” of “THE HOLY PROJECT”, and picture those accomplishments at the cellular level. Now, remember that “THE DIVINE”, IHVH, our FATHER has created “THE DIVINE FORCE”. Well, do you get the picture? Do you understand and grasp what we are transmitting to you about “THE DIVINE”, IHVH, our (your TRUE) FATHER? How would you praise “THE DIVINE” if you do not know anything about HIM, if you do not know anything about HIS WORK? If you fail to understand these things, which are inside you and which have been also manifested into existence outside of you and all around of you, how would you tell about “THE DIVINE”? Would you not be like cymbals that reverberate? Would you not be worse than all those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” disciples of “obscurity”, on both sides of the ongoing “CELESTIAL WAR”, who self-proclaimed themselves to be “gods”, standing right there, watching the “Subjective ‘EARTHLY’ Garment” that you now wear coming into existence, unable to recognize “THE DIVINE FORCE” at work, unable to read what is been written in front of them by “THE HAND OF THE DIVINE”, and consumed by their impure “Interpreted THOUGHTS” and

accept electrons from food to become a high-energy molecule designated as NADH⁶⁰⁷ (the reduced form). The NADH molecule will then cycle back to NAD⁺ molecule by giving electrons to (reducing) the first complex of the membrane electron transport chain. Thus the (NAD⁺, NADH) pair will be a key intermediary in shuttling electrons from food molecules to the electrons transport chain for cellular respiration.

THE STEPS OF THE CELLULAR RESPIRATION PROCESS

The steps of the cellular respiration process include: glycolysis, pyruvate oxidation, the citric acid cycle, and oxidative phosphorylation.

yearing in their “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” to destroy all the work that “THE DIVINE FORCE” was accomplishing?

⁶⁰⁷ Feel like you have fallen into a can of organic-chemistry-flavored alphabet soup? Stay awake and hold on tight, these details are quite important to know, so that through these, you can (1) understand and truly grasp the massive amount of considerations, reflections, and intellectual work that “THE DIVINE ARCHITECT AND PROJECT MASTER” has unfolded in your design as human creature; that (2) you get a good impression about the work of “divine surgery” that “THE DIVINE FORCE” has performed in producing this “Subjective ‘EARTHLY’ Garment” that you, as human creature, wear; and ultimately that you understand the descriptions of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” that we have given in the first set of chapters of these writings.

This “organic-chemistry-flavored alphabet soup” is a pledge of the “GRACE” of “THE DIVINE”, IHVH, our (your TRUE) FATHER, towards you (human creature reading these writings), in order to allow you to elevate yourself to the state of self-awareness and that HE bestowed upon you, not only through the “Subjective ‘EARTHLY’ Garment” that you, as human creature, wear, but much more through your “‘SPIRIT←LIGHT’ Body” that enliven the “Subjective ‘EARTHLY’ Garment” that you wear.

The NAD molecule can exist in two forms: NAD⁺ and NADH. These two forms of NAD molecule will be known as a “redox couple”, a term that is used to describe a reduced and oxidized form of the same atom or molecule. When NAD⁺ molecule is converted to NADH molecule, it acquires two things: first, a charged hydrogen molecule (H⁺) and next, two electrons. As electrons are negatively charged, the combination of the positively charged NAD⁺ and H⁺, coupled with two electrons, effectively cancel each other out and neutralize the resulting NADH molecule. This is why the NADH molecule does not have a “+” sign next to it. The charge of a molecule tells about how it interacts with other molecules. For example, the NADH molecule cannot do what NAD⁺ molecule does, and vice versa. Thus, NAD⁺ and NADH molecules are almost the same thing (with some small differences), like two sides of the same coin. However, there will not be equal amounts of NAD⁺ molecules to NADH molecules. The NAD⁺ molecule is required for fundamental cellular processes to occur.

GLYCOLYSIS — Glycolysis is the first step in the breakdown of glucose to extract energy for cellular metabolism. In glycolysis, glucose will be converted into pyruvate. Glucose is a six-membered ring molecule that will be found in the “blood” and will be a result of the breakdown of carbohydrates into sugars. It will enter the cell through specific transporter proteins that will move it from outside the cell into the cell’s cytosol. All of the glycolytic enzymes are found in the cytosol where glycolysis will take place. Glycolysis will consist of ten steps, each catalyzed by its own enzyme.

Step 1: Hexokinase — the first step in glycolysis is the conversion of D-glucose into glucose-6-phosphate. The enzyme that will catalyze this reaction will be designated as hexokinase. Here, the glucose ring will be phosphorylated. Phosphorylation is the process of adding a phosphate group to a molecule derived from the ATP molecule. As a result, at this point in the glycolysis, one molecule of ATP will be consumed. The reaction will occur with the help of the enzyme hexokinase, an enzyme that will catalyzes the phosphorylation of many six-membered glucose-like ring structures. A “Specific Atomic ‘EARTHLY’ Substance” magnesium (Mg) will also be involved to help shield the negative charges from the phosphate groups on the ATP molecule. The result of this phosphorylation will be a molecule designated as glucose-6-phosphate (G6P), thusly called because the 6’ carbon of the glucose will acquire the phosphate group.

Step 2: Phosphoglucose Isomerase — this second step of glycolysis will involve the conversion of glucose-6-phosphate molecule to fructose-6-phosphate (F6P) molecule. The chemical reaction through which this conversion will occur will be catalyzed by the enzyme phosphoglucose isomerase (PI). As the designation of the enzyme suggests, this reaction will involve an isomerization reaction and which is the chemical process by which a compound is transformed into any of its isomeric forms, i.e., forms with the same chemical composition but with different structure or configuration and, hence, generally with different physical and chemical properties. The reaction in this step 2 will involve the rearrangement of the carbon-oxygen bond to transform the six-membered ring into a five-membered ring. To rearrangement will take place when the six-membered ring will open and then close in such a way that the first carbon will become external to the ring.

Step 3: Phosphofructokinase — in this third step of glycolysis, fructose-6-phosphate molecule will be converted to fructose-1,6-bisphosphate (FBP) molecule. Similar to the reaction that occurs in step 1 of glycolysis, a second molecule of ATP will provide the phosphate group that is added on to the fructose 6-phosphate (F6P) molecule. The enzyme that will catalyze this reaction will be

designated as phosphofructokinase (PFK). As in step 1, a “Specific Atomic ‘EARTHLY’ Substance” magnesium (Mg) will be involved to help shield negative charges.

Step 4: Aldolase — in this fourth step of glycolysis, the enzyme Aldolase will facilitate the split of the fructose 1,6-bisphosphate into two sugars that are isomers of each other; that is to say, that are with identical chemical formulas but with distinct structures. These two sugars are dihydroxyacetone phosphate (DHAP) and glyceraldehyde 3-phosphate (GAP). This step will utilize the enzyme aldolase, which will catalyze the cleavage of fructose-1,6-bisphosphate (FBP) molecule to yield two 3-carbon molecules. One of these molecules will be designated as glyceraldehyde-3-phosphate (GAP) and the other will be designated as dihydroxyacetone phosphate (DHAP).

Step 5: Triosephosphate isomerase — in this fifth step of glycolysis, the enzyme triosephosphate isomerase rapidly will facilitate the inter-conversion the molecules dihydroxyacetone phosphate (DHAP) and glyceraldehyde 3-phosphate (GAP). The glyceraldehyde 3-phosphate (GAP) molecule will be removed/used in next step of Glycolysis. The glyceraldehyde 3-phosphate (GAP) molecule will be the only molecule that will continue in the glycolytic pathway. As a result, all of the dihydroxyacetone phosphate (DHAP) molecules produced will further be acted on by the enzyme Triosephosphate isomerase (TIM), which will reorganize the dihydroxyacetone phosphate (DHAP) molecules into glyceraldehyde 3-phosphate (GAP) molecules so that they can continue in glycolysis process. At this point in the glycolytic pathway, there will be two 3-carbon molecules, but not yet fully converted glucose into pyruvate.

Step 6: Glyceraldehyde-3-phosphate Dehydrogenase — in this sixth step of glycolysis, the glyceraldehyde-3-phosphate dehydrogenase (GAPDH) enzyme will dehydrogenate and add an inorganic phosphate to glyceraldehyde 3-phosphate molecule, producing 1,3-bisphosphoglycerate molecule. At this level of this sixth step of glycolysis, two main events will take place: 1) the glyceraldehyde-3-phosphate molecule will be oxidized by the coenzyme nicotinamide adenine dinucleotide (NAD); 2) the 1,3-bisphosphoglycerate molecule will be phosphorylated by the addition of a free phosphate group. The enzyme that catalyzes this chemical reaction is the glyceraldehyde-3-phosphate dehydrogenase (GAPDH) enzyme. It contains appropriate structures and it will hold the 1,3-bisphosphoglycerate molecule in a conformation such that it allows the nicotinamide adenine dinucleotide (NAD) molecule to pull a hydrogen off the glyceraldehyde 3-phosphate (GAP) molecule, converting the nicotinamide adenine dinucleotide (NAD) molecule to NADH molecule. The phosphate group

then will attack the glyceraldehyde 3-phosphate (GAP) molecule and will release it from the enzyme to yield a molecule of 1,3-bisphoglycerate, a NADH molecule , and a hydrogen atom.

Step 7: Phosphoglycerate Kinase — in this seventh step of glycolysis the phosphoglycerate kinase enzyme will facilitate the transfer a phosphate group from the 1,3-bisphosphoglycerate molecule to the ADP molecule to form the ATP molecule and the 3-phosphoglycerate molecule. In this step, 1,3-bisphoglycerate molecule will be converted to a 3-phosphoglycerate molecule by the enzyme phosphoglycerate kinase (PGK). This reaction will involve the loss of a phosphate group from the starting material. The phosphate will be transferred to a molecule of ADP that will yield the first molecule of ATP. Since there are actually two molecules of 1,3-bisphoglycerate (because there were two 3-carbon products from stage 1 of glycolysis), two molecules of ATP have been actually synthesize at this seventh step of glycolysis. With this synthesis of ATP molecule, the first two molecules of ATP that have been used are cancelled, leaving a net of zero ATP molecules up at this stage of glycolysis. Again, a “Specific Atomic ‘EARTHLY’ Substance” magnesium (Mg) will be involved to shield the negative charges on the phosphate groups of the ATP molecule.

Step 8: Phosphoglycerate Mutase — in this eighth step of glycolysis, the enzyme phosphoglycero mutase will facilitate the relocation of the phosphate from the 3-phosphoglycerate molecule from the 3rd carbon to the 2nd carbon to form a 2-phosphoglycerate molecule. This step will involve a simple rearrangement of the position of the phosphate group on the 3-phosphoglycerate molecule, making it 2-phosphoglycerate molecule. The molecule responsible for catalyzing this reaction will be designated as the phosphoglycerate mutase (PGM). A mutase is an enzyme that will catalyze the transfer of a functional group from one position on a molecule to another. The reaction mechanism will proceed by first adding an additional phosphate group to the 2' position of the 3-phosphoglycerate molecule. The enzyme will then facilitate the removal of the phosphate from the 3' position leaving just the 2' phosphate, and thus yielding a 2-phosphoglycerate molecule. In this way, the enzyme is also restored to its original, phosphorylated state.

Step 9: Enolase — in this ninth step of glycolysis, the enzyme enolase will facilitate the removal of a molecule of water from the 2-phosphoglycerate molecule to form the phosphoenolpyruvic acid (PEP). This step will involve the conversion of the 2-phosphoglycerate molecule to the phosphoenolpyruvate (PEP) molecule. The reaction will be catalyzed by the enzyme enolase. The enzyme enolase works by facilitating the removal a water group, or dehydrating the 2-phosphoglycerate molecule. The specificity of the enzyme pocket will allow for the

reaction to occur through a series of very complex steps, too complicated to cover here.

Step 10: Pyruvate Kinase — in this tenth step of glycolysis, the pyruvate kinase enzyme will facilitate the transfers of a phosphate group from the phosphoenolpyruvate (PEP) molecule to ADP molecule to form pyruvic acid and ATP molecule. The phosphate group attached to the 2' carbon of the phosphoenolpyruvate (PEP) molecule will be transferred to a molecule of ADP, yielding a molecule of ATP. Again, since there are two molecules of phosphoenolpyruvate (PEP), therefore two molecules of ATP will be generated.

Immediately upon finishing this tenth step of glycolysis, the cell must continue respiration in either an aerobic or anaerobic direction; this choice will be made based on the circumstances of the particular cell. A cell that will be able perform aerobic respiration and which will find itself in the presence of oxygen will continue on to the aerobic citric acid cycle in the mitochondria. If a cell able to perform aerobic respiration is in a situation where there is no oxygen (such as muscles under extreme exertion), it will move into a type of anaerobic respiration designated as homolactic fermentation.

PYRUVATE OXIDATION — At the end of the glycolysis process, there will be two pyruvate molecules that still contain quite a lot of extractable energy. The pyruvate oxidation process is the next step in capturing the remaining energy in the form of ATP molecules, although no ATP molecules will be produced directly during this pyruvate oxidation step. The pyruvate molecules will be produced by glycolysis in the cytosol, but the oxidation of these pyruvate molecules will occur in the mitochondrial matrix, the innermost compartment of mitochondria, for eukaryote cells. For prokaryote cells, it will occur in the cytosol. So, for eukaryote cells, before that the chemical reactions can begin, the pyruvate molecule must enter the mitochondrion, crossing its inner membrane and arriving at the matrix. In the matrix, the pyruvate molecule will be modified in a series of substeps that will be carried out by a large enzyme complex designated as the pyruvate dehydrogenase complex, which will consist of three interconnected enzymes and will include over 60 subunits. Each pyruvate molecule from the glycolysis process will go into the mitochondrial matrix. There, it will be converted into a two-carbon molecule bound to Coenzyme A, which will be designated as acetyl CoA. Carbon dioxide will be released and NADH molecules will be produced. The conversion is a three-step process described as follows:

Step 1. A carboxyl group will be removed from the pyruvate molecule, releasing a molecule of carbon dioxide into the surrounding medium. This reaction will create

a two-carbon hydroxyethyl group bound to the enzyme (pyruvate dehydrogenase). This will be the first of the six carbons from the original glucose molecule to be removed. This first step of oxidation of the pyruvate molecule will proceed twice because of the presence of the two pyruvate molecules that were produced at the end of glycolysis for every molecule of glucose metabolized anaerobically; thus, two of the six carbons will have been removed at the end of both steps.

Step 2. The hydroxyethyl group will be oxidized to an acetyl group, and the electrons will be picked up by NAD^+ , forming NADH molecule. The high-energy electrons from NADH molecule will be used later to generate ATP molecule.

Step 3. The enzyme-bound acetyl group will be transferred to Coenzyme A (CoA), producing a molecule of acetyl CoA.

Upon entering the mitochondrial matrix, a multienzyme complex will convert the pyruvate molecule into a molecule of acetyl CoA. In the process, carbon dioxide will be released, and one molecule of NADH will be formed. In the presence of oxygen, the molecule of acetyl CoA will deliver its acetyl (2C) group to a four-carbon molecule, oxaloacetate, to form citrate, a six-carbon molecule with three carboxyl groups; this pathway will harvest the remainder of the extractable energy from what began as a glucose molecule and release the remaining four CO_2 molecules. This single pathway will be designated as the citric acid cycle (for the first intermediate formed — citric acid, or citrate — when acetate joins to the oxaloacetate), also designated as the TCA cycle (because citric acid or citrate and isocitrate are tricarboxylic acids).

Overall, pyruvate oxidation converts the pyruvate molecule — a three-carbon molecule — into acetyl CoA — which is a two-carbon molecule attached to Coenzyme A — producing an NADH molecule and releasing one carbon dioxide molecule in the process. Acetyl CoA will act as fuel for the citric acid cycle in the next stage of cellular respiration.

CITRIC ACID CYCLE — the citric acid cycle is a central driver of the cellular respiration process. Like the conversion of pyruvate to acetyl CoA, the citric acid cycle will take place in the matrix of mitochondria eukaryote cells and in the cytosol for prokaryote cells. Almost all of the enzymes of the citric acid cycle will be soluble, with the single exception of the enzyme succinate dehydrogenase, which will be embedded in the inner membrane of the mitochondrion. Unlike glycolysis, the citric acid cycle will be a closed loop: the last part of the pathway will regenerate the compound used in the first step.

The seven steps of the citric acid cycle are a series of redox, dehydration, hydration, and decarboxylation reactions. It will take the molecule of acetyl CoA — produced by the oxidation of pyruvate and originally derived from glucose — as the starting material and, in a series of redox reactions, it will harvest much of its bond energy in the form of NADH, FADH₂, and ATP molecules.⁶⁰⁸ The reduced electron carriers — NADH, FADH₂ molecules — produced in the citric acid cycle will pass their electrons into the electron transport chain and, through oxidative phosphorylation, it will generate most of the ATP molecules produced in cellular respiration. The seven steps of the citric acid cycle can be described as follows:

Step 1. In this first step of the citric acid cycle, acetyl CoA will combine with a four-carbon acceptor molecule, oxaloacetate, to form a six-carbon molecule designated as citrate. The Coenzyme A (CoA) will bind to a sulfhydryl group (-SH) and will diffuse away to eventually combine with another acetyl group. This step is irreversible because it is highly exergonic. The rate of this reaction will be controlled by negative feedback and the amount of ATP molecules available. If ATP molecules levels increase, the rate of this reaction will decrease. If ATP molecules are in short supply, the rate will increase.

Step 2. In this second step of the citric acid cycle, the citrate molecule will lose one water molecule and it will gain another as the citrate molecule will be converted into its isomer: the isocitrate molecule.

Step 3. In this third step of the citric acid cycle, the isocitrate molecule will be oxidized to produce a five-carbon molecule, α -ketoglutarate, along with a molecule of CO₂ and two electrons, which will reduce NAD⁺ to NADH molecule.

⁶⁰⁸ The flavin adenine dinucleotide (FAD) molecule is a redox-active coenzyme associated with various proteins, which is involved with several important enzymatic reactions in metabolism. A flavoprotein is a protein that contains a flavin group; this may be in the form of FAD molecule or flavin mononucleotide (FMN) molecule. There are many flavoproteins besides components of the succinate dehydrogenase complex, including α -ketoglutarate dehydrogenase and a component of the pyruvate dehydrogenase complex.

The FAD molecule can exist in four different redox states, which are the flavin-N(5)-oxide, quinone, semiquinone, and hydroquinone. The FAD molecule will be converted between these states by accepting or donating electrons. The FAD molecule, in its fully oxidized form, or quinone form, will accept two electrons and two protons to become the FADH₂ (hydroquinone form) molecule. The semiquinone (FADH[•]) can be formed by either reduction of the FAD molecule or oxidation of the FADH₂ molecule by accepting or donating one electron and one proton, respectively. Some proteins, however, generate and maintain a superoxidized form of the flavin cofactor, the flavin-N(5)-oxide.

This third step will also be regulated by negative feedback from ATP and NADH molecules and a positive effect of ADP molecule.

Step 4. This fourth step of the citric acid cycle, just as the previous third step, will be both an oxidation and a decarboxylation step, which will release electrons that will reduce NAD⁺ to NADH molecule and release carboxyl groups that form CO₂ molecules. The α-ketoglutarate is the product of step 3, and a succinyl group will be the product of this fourth step. The Coenzyme A (CoA) will bind with the succinyl group to form succinyl CoA. The enzyme that will catalyze this fourth step will be regulated by feedback inhibition of ATP molecules, succinyl CoA, and NADH molecules.

Step 5. In this fifth step of the citric acid cycle, a phosphate group will be substituted for coenzyme A, and a high-energy bond will be formed. This chemical energy will be used in substrate-level phosphorylation (during the conversion of the succinyl group to succinate molecule) to form either guanosine triphosphate (GTP)⁶⁰⁹ molecule or ATP molecule. There will be two forms of the enzyme,

⁶⁰⁹ The GTP molecule (also designated as guanylyl imidodiphosphate, guanosine-5'-triphosphate, or guanosine triphosphate, C₁₀H₁₆N₅O₁₄P₃) is an energy-rich molecule that "THE DIVINE FORCE" has produced and incorporated into the growing RNA chain during synthesis of RNA. It consists of a ribose sugar, which is attached to a guanine heterocyclic base on C1' of the sugar and a triphosphate group on C4' of the sugar. When such molecule is hydrolyzed, the free energy of hydrolysis will be used to drive chemical reactions that otherwise will be energetically unfavorable.

During the citric acid cycle, a molecule of GTP will be produced and then readily be converted to ATP molecule for a source of energy.

The GTP molecule will be used in protein synthesis. During initiation of translation, the GTP molecule will be associated with an initiation factor 2 (IF2) and will be hydrolyzed upon the assembly of the initiation ribosomal complex. During elongation, the GTP molecule will facilitate the binding of a new aminoacyl tRNA to the A site of a ribosome.

The GTP molecule will also be an important factor in "specific signal" transduction pathways. Here, the GTP molecule will be associated with G-protein complexes and will be used to regulate the activity of the protein. The G-proteins, also known as guanine nucleotide-binding proteins, are a family of proteins that will act as "molecular switches" inside cells, and will be involved in transmitting external "specific signals" from a variety of stimuli outside a cell to its interior. The activity of the G-proteins will be regulated by factors that will control their ability to bind to and hydrolyze the GTP molecule to obtain the guanosine diphosphate (GDP) molecule. When the G-proteins will be bound to the GTP molecule, they will be said to be "on", and, when the G-proteins will be bound to the GDP molecule, they will be said to be "off". G-proteins belong to the larger group of enzymes called GTPases. There are two classes of G proteins. The first will function as monomeric

designated as isoenzymes, for this fifth step, depending upon the type of tissue in which they will be used. One form will be used in tissues that will require large amounts of ATP molecules, such as heart and skeletal muscle. This form will produce ATP molecules. The second form of the enzyme will be used in tissues that will have a high number of anabolic pathways, such as in the liver. This form will produce GTP molecules. The GTP molecule will be energetically equivalent to ATP molecule; however, its use will be more restricted. In particular, protein synthesis primarily will use the GTP molecules.

Step 6. The sixth step of the citric acid cycle is a dehydration process that will convert the succinate molecule, obtained from step 5 of the citric acid cycle, into a fumarate molecule. Two hydrogen atoms will be transferred to FAD molecule, reducing it to FADH₂ molecule. The energy contained in the electrons of these hydrogens will not be sufficient to reduce the NAD⁺ but it will be adequate to reduce the FAD molecule. Unlike the NADH molecule, this carrier will remain attached to the enzyme and it will transfer the electrons to the electron transport chain directly. This process will be made possible by the localization of the enzyme catalyzing this sixth step inside the inner membrane of the mitochondrion.

Step 7. In this seventh step of the citric acid cycle, water will be added by hydrolysis to the fumarate molecule obtained from the sixth step of the citric acid cycle, and a malate molecule will be produced. This last step in the citric acid cycle will regenerate the oxaloacetate molecule by oxidizing the malate molecule. Another molecule of NADH will then be produced in the process. This regenerated oxaloacetate molecule is the starting molecule required to repeat the citric acid cycle.

Overall, one loop of the citric acid cycle will release two carbon dioxide molecules and it will produce three NADH molecules, one FADH₂ molecule, one ATP molecule or one GTP molecule. The citric acid cycle will cycle twice for each molecule of glucose that will enter the cellular respiration process because there are two pyruvates — and thus, two acetyl CoA — made per glucose.

OXIDATIVE PHOSPHORYLATION — the oxidative phosphorylation process is the final stage of cellular respiration. Oxidative phosphorylation will consist of two closely connected components: the electron transport chain and chemiosmosis.

small GTPases (small G-proteins), while the second will function as heterotrimeric G-protein complexes.

The Electron Transport Chain, also designated as the Electron Transport System, is a chain of reactions that converts redox energy available from oxidation of NADH and FADH₂, into proton-motive force which is used to synthesize ATP through conformational changes in the ATP synthase complex through the oxidative phosphorylation.

This last step of cellular respiration consists of a series of electron transfer from organic compounds to oxygen while simultaneously releasing energy during the process. In aerobic respiration, the final electron acceptor will be the molecular oxygen while in anaerobic respiration there will be other acceptors like sulfate.

This chain of reactions will break down of ATP molecule into ADP molecule and resynthesize it in the process to ATP molecule, thus it will utilize the limited ATP molecules in this “Subjective ‘EARTHLY’ Garment” about 300 times per 24 hours and which is the manifested time span of the “transformation step” (comprising twenty-four “transformation sub-steps”) in the “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”.

Figure: Nanometric diagram of the electron-transport chain in the (between 0.6 to 0.8 nanometers thickness) inner membrane of the mitochondrion, carried out during the last stage of cellular respiration. The intermembrane space has a low

pH and a high concentration of H^+ .⁶¹⁰ The inner membrane of the mitochondrion is thick enough to allow for the broad circulation of electron and protons.

The electron flow will take place in four large protein complexes that are embedded in the inner mitochondrial membrane, together designated as the respiratory chain.

As the citric acid cycle will take place in the mitochondria, the high energy electrons will also be present within the mitochondria. As a result, the electron transport chain in eukaryote cells will also take place in the mitochondria. As we

⁶¹⁰ Take a close look at that nanometric diagram of the electron-transport chain and chemiosmosis. All what have been represented in there are molecules in action. See beyond the diagram, look beyond the molecules and try to get an idea about: (1) the logic that is found in that electron-transport chain and chemiosmosis, and the whole cellular respiration process; (2) the in-depth reflection and the scope of the “INTELLECTUAL” work that was deployed to design such a the electron-transport chain and chemiosmosis, and the whole cellular respiration process; (3) “THE SCIENCE” which is in such a the electron-transport chain and chemiosmosis, and the whole cellular respiration process, and the origin of that “SCIENCE”.

Those are parts of the details of the manifested metaphor of the sixth expression of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”.

From that pictured idea, see a vision of the GREATNESS of “THE DIVINE”, IHVH, our FATHER, by which HE has revealed Himself through this “Subjective ‘EARTHLY’ Garment”, which is been sculpted by “THE DIVINE FORCE”, who is manufacturing simultaneously tens of thousands of such components inside cells that SHE is also constructing into existence at a speed “beyond light speed” directly in the “Specific Energy ‘EARTHLY’ Substance” and as an integral and delineated part of the “Specific Energy ‘EARTHLY’ Substance” and at “lightning speed” (a speed of execution much slower than that used for the manufacture of the cells), SHE is assembling simultaneously the tissues, the organs and the systems of this “Subjective ‘EARTHLY’ Garment” — SHE is “sewing” this “Subjective ‘EARTHLY’ Garment”: a GREATNESS beyond words and letters; a GREATNESS that dominates the murmur of syllables and sounds.

Meditate on “THE ‘DIVINE’ REASON”, which is associated to “THE ‘DIVINE’ LOGIC”. Meditate about “THE DIVINE ARCHITECT AND PROJECT MASTER” who, in “ABSOLUTE PURITY”, from the “Specific Elementary ‘SPIRIT’ Particle”, designed and established such highly specialized building block unit at microscopic scale. Meditate about “THE DIVINE FORCE” who, in “ABSOLUTE PURITY”, manifested and implemented all the variants of such a highly specialized building block unit at microscopic scale inside the “Subjective ‘EARTHLY’ Garment” that you, as human creature, wear.

Above all, meditate on yourself regarding your relationship with “THE DIVINE FORCE” and regarding your relationship with “THE DIVINE”, IHVH, our FATHER.

have indicated already, there are two compartments in the mitochondria: the matrix and the intermembrane space. The outer membrane is highly permeable to ions. It contains enzymes necessary for citric acid cycles while the inner membrane is impermeable to various ions and contains uncharged molecules, electron transport chain and ATP synthesizing enzymes.

The number of electron transport chains in the mitochondria will depend on the location and function of the cell. In the liver mitochondria, there will be 10000 sets of electron transport chains while in the heart mitochondria there will be three times the number of electron transport chain as in the liver mitochondria; that is to say: 30000 sets of electron transport chains.

The intermembrane space will contain enzymes like adenylate kinase, and the matrix will contain ATP, ADP, AMP, NAD, and NADP molecules, and various ions like Ca²⁺, Mg²⁺, etc...

Electrons in the chain will be transferred from substrate to oxygen through a series of electron carriers. There are about 15 different chemical groups that will accept or transfer electrons through the electron chain.

FMN (FLAVIN MONONUCLEOTIDE) — at the beginning of the electron transfer chain, the electrons from NADH molecules will be transferred to the flavin Mononucleotide (FMN) molecule reducing it to FMNH₂ molecule.

This transfer of electrons will be catalyzed by the action of the NADH dehydrogenase enzyme. The electrons will be further transferred to a series of iron-sulfur complexes (Fe-S) which have a higher relative affinity towards the electrons.

UBIQUINONE (Coenzyme-Q) — between the flavoproteins and cytochromes, are other electron carriers termed ubiquinone (UQ). Ubiquinone is the only electron carrier in the respiratory chain that is not bound attached to a protein. This will allow molecules to move between the flavoproteins and the cytochromes.

Once the electrons are transferred from FMNH₂ molecule via the Fe-S centers to the ubiquinone, it will become UQH₂ molecule and the oxidized form of the flavin Mononucleotide (FMN) molecule will be released.

CYTOCHROMES — the next electron carriers are cytochromes proteins that are red or brown colored proteins containing a special chemical compound designated as the “heme molecule group” and that is required for a protein to function. The “heme molecule group” contains an iron molecule, represented by the Fe in the molecule. The iron molecule is found the middle of a large ring molecule consisting of 4 components of more complex macrocycles, which are smaller rings made from 4 carbons and 1 nitrogen. It is the “heme molecule group” that will carry the electrons in a sequence from ubiquinone to the molecular oxygen. However, each cytochrome protein, like Fe-S centers, will only transfer a single electron, whereas other electron carriers like the flavin Mononucleotide (FMN) molecule and ubiquinone will transfer two electrons.

There are five types of cytochromes proteins between ubiquinone and the molecular oxygen, and each will be designated as a, b, c, and so on. These are designated on the basis of their ability to absorb luminous radiation of different wavelengths (cytochrome protein a will absorb the longest wavelength, cytochrome protein b will absorbs the next longest wavelength and so on).

STEPS OF THE ELECTRON TRANSFER CHAIN — the following are the steps involved in electron transfer chains:

Step 1. Transfer of electrons from NADH to Ubiquinone (UQ) — NADH molecules will be produced in different other cycles by the α-ketoglutarate dehydrogenase, isocitrate dehydrogenase, and malate dehydrogenase reactions of the citric acid

cycle, by the pyruvate dehydrogenase reaction that converts pyruvate to acetyl-CoA, by β -oxidation of fatty acids, and by other oxidation reactions.

The NADH molecules produced in the mitochondrial matrix will be transferred into the intermembrane space. There, the NADH will transfer the electrons to the flavin Mononucleotide (FMN) molecules present in the intermembrane space via the protein complex I (NADH dehydrogenase). The flavin mononucleotide (FMN) molecule that is derived from vitamin B2 (also designated as riboflavin) is one of several prosthetic groups or cofactors in the electron transport chain. A prosthetic group is a nonprotein molecule required for the activity of a protein. Prosthetic groups are organic or inorganic, nonpeptide molecules bound to a protein, which facilitate its function. Prosthetic groups include coenzymes, which are the prosthetic groups of enzymes. The flavin Mononucleotide (FMN) molecules in their turn will pass the electrons to the Fe-S center (one electron to one Fe-S center) which will then transfer the electrons, one at a time to Coenzyme Q — the quinone molecule (Q) is lipid soluble and will freely move through the hydrophobic core of the membrane. Once it is reduced (QH₂), the ubiquinone will deliver its electrons to the next protein complex in the electron transport chain —, forming semiquinone and then ubiquinol.

The electron transfer will create energy which will be used to pump two protons across the membrane and thus creating a potential gradient. The protons will move back to the matrix through the pore in the ATP synthase complex, forming energy in the form of ATP molecule.

Step 2. Transfer of electrons from FADH₂ molecule to Coenzyme Q (CoQ) — the oxidation of succinate to fumarate will result in the reduction of FAD molecule to FADH₂ molecule. The electrons from FADH₂ molecule will enter the electron transport chain catalyzed by the protein complex II, succinic dehydrogenase. Like in the protein complex I, the electrons will reach the Coenzyme Q through a series of Fe-S centers. However, the protein complex II will not pump any protons across the membrane.

Step 3. Transfer of electrons from coenzyme QH₂ (CoQH₂) to cytochrome protein c — the reduced coenzyme QH₂ (CoQH₂) will transfer electrons through the cytochrome proteins b and c₁ which finally will reach cytochrome protein c. The protein complex II (cytochrome reductase) will catalyze this process where the Fe³⁺ present in the cytochrome protein will be reduced to Fe²⁺. Each cytochrome protein transfers one electron each and thus two molecules of cytochrome protein will be reduced for the transfer of electrons for every NADH molecule oxidized. Energy will be produced during the transfer of electrons which will be utilized to

pump protons across the membrane aiding to the potential gradient. The protons will move back to the matrix through the pore in the ATP synthase complex, forming energy in the form of ATP molecule like in the first step.

Step 4. Transfer of electrons from cytochrome protein c to molecular oxygen — this is the final step in the electron transfer chain. It will be catalyzed by the protein complex IV (cytochrome oxidase) where electrons will be transferred from cytochrome protein c to molecular oxygen. Since two electrons are required to reduce one molecule of oxygen to water, for each NADH molecule oxidized, half of oxygen will be reduced to water. Similarly, the Fe^{2+} of the cytochrome protein c will be oxidized to Fe^{3+} . The energy released during this process will be used to pump protons across the membrane. The transfer of protons back to the matrix will result in the formation of ATP molecule.

The end products of the electron transport chain, and thus of the cellular respiration process, include 30-32 ATP molecules and 44 moles of H_2O , as follows:

Process	Direct products (net)	Ultimate ATP molecules yield (net)
Glycolysis	2 ATP molecules	2 ATP molecules
	2 NADH molecules	3 to 5 ATP molecules
Pyruvate oxidation	2 NADH molecules	5 ATP molecules
Citric acid cycle	2 ATP/GTP molecules	2 ATP molecules
	6 NADH molecules	15 ATP molecules
	2 FADH_2 molecules	3 ATP molecules
Total		30 to 32 ATP molecules

The electron transport chain consists of a series of oxidation-reduction reactions that lead to the release of energy. A summary of the reactions in the electron transport chain reads:

A chain of four enzyme proteins complexes is present in the electron transport chain, which catalyzes the transfer of electrons through different electron carriers

to the molecular oxygen. These proteins complexes are also designated as the Electron Transport Chain Complexes.

PROTEIN COMPLEX I in the electron transport chain is formed of NADH dehydrogenases enzymes and the Fe-S centers that will catalyze the transfer of two electrons from NADH to ubiquinone (UQ). At the same time, the protein complex will translocate four H^+ ions through the membrane, creating a proton gradient.

The NADH molecule will be first oxidized to NAD^+ by reducing FMN molecule to FMNH₂ molecule in a two-step electron transfer. The FMNH₂ molecule will then be oxidized to FMN molecule where the two electrons will be first transferred to Fe-S centers and then to ubiquinone.

PROTEIN COMPLEX II consists of succinic dehydrogenase, FAD molecule, and Fe-S centers. The enzyme of this protein complex II will catalyze the transfer of electrons from other donors like fatty acids and glycerol-3 phosphate to ubiquinone through FAD molecule and Fe-S centers. This protein complex runs parallel to the protein complex I, but the protein complex II does not translocate H^+ across the membrane, as in the protein complex I.

Succinate (molecular formula: $C_4H_4O_4^{2-}$) is a dicarboxylic acid dianion resulting from the removal of a proton from both of the carboxy groups of succinic acid ($C_4H_6O_4$); it is a C₄-dicarboxylate and a dicarboxylic acid dianion. Fumarate (molecular formula: $C_4H_2O_4^{2-}$) is a C₄-dicarboxylate that is the E-isomer of butenedioate-2-enedioate(2-); it is a butenedioate ($C_4H_2O_4^{2-}$) and a C₄-dicarboxylate.

PROTEIN COMPLEX III consists of cytochrome proteins b, c, and a specific Fe-S center. The enzyme complex, cytochrome reductase, will catalyze the transfer of two electrons from reduced $CoQH_2$ to two molecules of cytochrome protein c. Meanwhile, the protons (H^+) from the ubiquinone will be release across the membrane aiding to the proton gradient. The coenzyme QH₂ ($CoQH_2$) will be oxidized back to coenzyme Q while the iron center (Fe^{3+}) in the cytochrome protein c will be reduced to Fe^{2+} .

PROTEIN COMPLEX IV consists of cytochrome protein a, and cytochrome protein a₃, which is also designated as cytochrome oxidase. This is the last complex of the chain and will be involved in the transfer of two electrons from cytochrome protein c to molecular oxygen (O₂) forming water. In the meantime, four protons will be translocated across the membrane aiding the proton gradient.

CHEMIOSMOSIS — in chemiosmosis, the free chemical energy from the series of redox reactions just described above will be used to pump hydrogen ions (protons) across the mitochondrial membrane. The uneven distribution of H⁺ ions across the membrane will establish both concentration and electrical gradients (thus, an electrochemical gradient), owing to the positive charge of hydrogen ions and their aggregation on one side of the membrane.

If the membrane was to be continuously open to simple diffusion by the hydrogen ions, the ions would tend to diffuse back across into the matrix, driven by the concentrations producing their electrochemical gradient. Recall that many ions cannot diffuse through the nonpolar regions of phospholipid membranes without the aid of ion channels. Similarly, hydrogen ions in the matrix space will only pass through the inner mitochondrial membrane by an integral membrane protein designated as the ATP synthase. This ATP synthase is a complex protein that will act as a tiny generator, turned by the force of the hydrogen ions (H⁺) diffusing through it, down their electrochemical gradient. The turning of parts of this molecular machine will facilitate the addition of a phosphate to the ADP molecule, forming an ATP molecule, using the potential energy of the hydrogen ion gradient.

In this cellular respiration process thus described, the glycolysis process can take place without oxygen in a process designated as fermentation. The other three stages of cellular respiration — pyruvate oxidation, the citric acid cycle, and oxidative phosphorylation — require oxygen in order to occur. Only oxidative phosphorylation will use oxygen directly, but the other two stages cannot proceed without oxidative phosphorylation.

The nutrients used as input to the cellular respiration will include: sugar, amino acids and fatty acids, and the most common oxidizing agent providing most of the chemical energy is the oxygen molecule (O₂). The released chemical energy, which will be stored in ATP molecules (the bond of its third phosphate group to the rest of the molecule can be broken allowing more stable products to form, thereby releasing energy for use by the cell or) can be exported out of the cell for

usage to drive other internal processes of the “Subjective ‘EARTHLY’ Garment” requiring that chemical energy, including biosynthesis, locomotion or transport of molecules across cell membranes.

This fundamental principle of chemical energy generation and irreversible (as in irreversible osmosis) distribution, manifested in the mitochondria of the cell is also at the basis of the functioning of all the living creatures that “THE DIVINE FORCE” will produce into existence inside the attribute “NON DIVINE”. It is also at the basis of the functioning of the “‘SPIRIT←SPIRIT’ Body” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, the “‘SPIRIT←SPIRIT’ Body” in the “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creature” model and the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model. In the case of the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, the “chemical ‘SPIRIT’ energy” produced by the “Specific ‘SPIRIT’ Mitochondria” of the “Specific ‘SPIRIT’ Cells” of the “‘SPIRIT←LIGHT’ Body” is also exported out of the “Specific ‘SPIRIT’ Cells” for usage to drive other internal processes of the “‘SPIRIT←LIGHT’ Body”. Furthermore, it is also exported irreversibly (as in irreversible osmosis) out of the “Specific ‘SPIRIT’ Cells”, through the “Specific ‘EARTHLY←SPIRITUAL’ Frontier” and coming out as “‘EARTHLY’ specific supply of subsistence”, as a result of the emission of “THE PRAISE” — “specific signals” requesting the sending of external supply of subsistence in order to remain into existence in the “‘EARTHLY’ Specific State” — , to power the cells of “Subjective ‘EARTHLY’ Garment”. Without this “‘EARTHLY’ specific supply of subsistence” provided by the “Specific Energy ‘SPIRIT’ Substance” constituent of the “‘SPIRIT←LIGHT’ Body”, a cell of “Subjective ‘EARTHLY’ Garment” will not perform its assigned “specific work” and it will remain a lifeless sculpture in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”. This “‘EARTHLY’ specific supply of subsistence” provided by the “Specific Energy ‘SPIRIT’ Substance” constituent of the “‘SPIRIT←LIGHT’ Body”, is the external “specific supply of subsistence” needed by the cell to maintain its dynamism. You can view these “Specific ‘SPIRIT’ Mitochondria” and these “Specific ‘SPIRIT’ Cells” by analogy to the mitochondria and the cells of this “Subjective ‘EARTHLY’ Garment”. These “Specific ‘SPIRIT’ Mitochondria” and these “Specific ‘SPIRIT’ Cells” are, however, in the “‘SPIRIT’ Specific State” and are more refined than their analogues, the mitochondria and the cells of this “Subjective ‘EARTHLY’ Garment”, which are in the “‘EARTHLY’ Specific State”. And as we have already indicated and as you would know by now, the “Specific Energy ‘SPIRIT’ Substance” constituent of the “‘SPIRIT←LIGHT’ Body” is very

complex, delicate, and “flows freely”⁶¹¹ into both the “Specific ‘SPIRITUAL’ Environment” and the “Specific ‘EARTHLY’ Environment” if it is not protected and kept in a container. This “Specific Energy ‘SPIRIT’ Substance”, assembled by “THE DIVINE FORCE” using “Specific Molecular ‘SPIRIT’ Substances”, will seem elusive and “invisible” if compared to the constituents parts of the “Subjective ‘EARTHLY’ Garment”.

Because of the presence of the “Specific Energy ‘LIGHT’ Substance” in the “‘SPIRIT←LIGHT’ Body”, it is the same “chemical ‘SPIRIT’ energy” produced by the “Specific ‘SPIRIT’ Mitochondria” of the “Specific ‘SPIRIT’ Cells” of the “‘SPIRIT←LIGHT’ Body”, which will also be exported irreversibly (as in irreversible osmosis) out of the “Specific ‘SPIRIT’ Cells” of the “Specific Energy ‘SPIRIT’ Substance” constituent of the “‘SPIRIT←LIGHT’ Body”, through the “Specific ‘SPIRITUAL←SPIRIT’ Frontier” and the “‘SPIRIT→LIGHT’ CORD OF PRAISE”. This will come out as the “‘SPIRIT’ specific supply of subsistence”, as a result of the emission of “THE PRAISE” — “specific signals” requesting the sending of external supply of subsistence in order to remain into existence in the “‘SPIRIT’ Specific State” —, emitted by the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” to the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, to power the “Specific ‘SPIRIT’ Cells” of the “‘SPIRIT←SPIRIT’ Body” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”. We have already explained it in previous chapters concerning the functioning of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model from the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model. Without the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” that has been designed and established by “THE DIVINE ARCHITECT AND PROJECT MASTER” to be a living replication of “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” —, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” cannot survive or remain into existence in its “‘SPIRIT’ Specific State” at remote locations from “THE SHEKINAH”.

Apart from cellular respiration and the ATP molecule synthesis, mitochondria will also produce heat under certain conditions, where protons will re-enter the mitochondrial matrix without contributing to the ATP molecule synthesis. This process will be designated as the mitochondrial uncoupling and is due to the facilitated diffusion of protons into the matrix. The process will result in the

⁶¹¹ In one previous chapter, we have already defined the concept of “flows freely” through the “specific non-spiritual coating” densities.

unharnessed potential energy of the proton electrochemical gradient being released as heat.

Mitochondria will also transiently accumulate and store iron-containing pigments, calcium ions (Ca^{2+}) and monohydrogen phosphate ions (HPO_4^{2-}). The concentrations of free calcium in the cell will regulate an array of reactions and will be important for “specific signal” transduction in the cell.

THE GENETIC MATERIAL — DNA & RNA

Most DNA will be located in the cell nucleus (where it will be called nuclear DNA), but a small amount of DNA will also be found in the mitochondria (where it will be called mitochondrial DNA or mtDNA).

Nuclear DNA will never leave the nucleus; instead, it will be transcribed (copied, replicated) into RNA molecules, which may then travel out of the nucleus. In the cytosol, some RNAs associate with structures called ribosomes, where they direct synthesis of proteins.

The information in DNA will be stored as a code made up of four chemical bases: adenine (A), guanine (G), cytosine (C), and thymine (T). The DNA of this “Subjective ‘EARTHLY’ Garment” DNA will consist of over 3 billion bases, and more than 99 percent of those bases will be the same in all products of the mould

designated as the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model; that is to say, in all “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”.

The four chemical bases adenine (A), guanine (G), cytosine (C), and thymine (T) will be combined in varying “specific combinations” sequences of these chemical bases, that is to say, as it has been designed and established by “THE DIVINE ARCHITECT AND PROJECT MASTER”, to code for the creation of “specific proteins”, which the cells of this “Subjective ‘EARTHLY’ Garment” need to produce in order for the tissues and organs to perform their assigned “specific tasks”.

This four chemical bases adenine (A), guanine (G), cytosine (C), and thymine (T) will thus be linked together to form long chains, and DNA is made of two parallel chains. The bold line in red on each molecule, show where these molecules join on to the deoxyribose. In each case, the hydrogen is lost together with the -OH group on the 1’ carbon atom of the sugar. This is a condensation reaction: two molecules joining together with the loss of a small one (not necessarily water).

The order, or sequence, of these bases will determine the information available for building and maintaining an organism, similar to the way in which letters of the alphabet will appear in a certain order to form words and sentences. DNA bases will pair up with each other, A with T and C with G, to form units called base pairs.⁶¹²

These particular pairs fit exactly to form very effective hydrogen bonds with each other. It is these hydrogen bonds which hold the two chains together. Each base is also attached to a sugar molecule and a phosphate molecule. Together, a base, sugar, and phosphate will be designated as a nucleotide.

The complete structure of the deoxyribonucleic acid (DNA) molecule can be described, for understanding purposes, using “polynucleotide” models. The common “polynucleotide” model that has been postulated to describe the complete structure of the deoxyribonucleic acid (DNA) molecule, based on the identification of different conformations of DNA structure through the basic mathematics of helical diffraction theory, is designated as the double-stranded helix model. The precise geometries and dimensions of the double helix can vary. The most common conformation that is used to describe most living cells is designated as the B-DNA model. There are also two other conformations: A-DNA

⁶¹² Have you made the connection between these four chemical bases and the acronym IHVH and its two pairs I with V and H with H? No? Then, wake up! It is the signature of “THE DIVINE”, IHVH, our FATHER

model, a shorter and wider form that has been found in dehydrated samples of DNA and rarely under normal physiological circumstances; and Z-DNA, a left-handed conformation model. Z-DNA model is a transient form of DNA model, which only occasionally exists in response to certain types of biological activity.

In the double-stranded helix model, nucleotides will be arranged in two long strands that will form a spiral called a double helix. The structure of the double helix will be ladder-like, with the base pairs forming the rungs of the ladder and the sugar and phosphate molecules forming the vertical sidepieces of the ladder. The backbone of DNA is based on a repeated pattern of a sugar group and a phosphate group. The full name of DNA, deoxyribonucleic acid, gives the name of the sugar present: deoxyribose. Deoxyribose is a modified form of another sugar called ribose.

ספר הזיכרון

A DNA strand is simply a string of nucleotides joined together. The phosphate group on one nucleotide links to the 3' carbon atom on the sugar of another one. In the process, a molecule of water is lost; it is another condensation reaction. The carbons in the sugars are given the little prime sign (e.g. "3-prime" or "5-prime") so that they can be distinguished from any numbers given to atoms. The other

repeating part of the DNA backbone is a phosphate group. A phosphate group is attached to the sugar molecule in place of the -OH group on the 5' carbon. The final piece of a DNA strand is one of the four complicated organic bases: adenine (A), guanine (G), cytosine (C), and thymine (T). These organic bases attach in place of the -OH group on the 1' carbon atom in the sugar ring.

An important property of DNA is that it can replicate, or make copies of itself. Each strand of DNA in the double helix can serve as a pattern for duplicating the sequence of bases.

This will be critical when cells divide because each new cell will need to have an exact copy of the DNA present in the old cell.⁶¹³

⁶¹³ We have already explained these things in previous chapters concerning the basic elements and tools that “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed and the passage from those basic elements to more complex ones (e.g. the cell), and which “THE DIVINE FORCE” will apply in the attribute “NON DIVINE” for any design to be carried out. We have also explained the class of electromagnetic attractions bonds between these basic elements and tools.

As we have indicated previously, the nucleus of the cell is the master control of the cell. In the nucleus of each cell, the DNA molecule will be packaged into thread-like structures called chromosomes. Each chromosome will be made up of DNA tightly coiled many times around proteins called histones that will support its structure. Chromosomes are not visible in the nucleus of the cell — not even at the microscopic scale — when the cell is not dividing. However, the DNA that makes up chromosomes will become more tightly packed during cell division and will then be visible at the microscopic scale.

The packaging of DNA into nucleosomes shortens the fiber (linker DNA) length about sevenfold. In other words, a piece of DNA that is 1 meter long will become a “string-of-beads” chromatin fiber just 14 centimeters long. Despite this shortening, a 15.24 cm of chromatin is still much too long to fit into the nucleus, which is typically only 10 to 20 micrometers in diameter. Therefore, chromatin is further coiled into an even shorter, thicker fiber, termed the “30-nanometer fiber”, because it is approximately 30 nanometers in diameter.

Chromosomes will be most compacted during metaphase. When eukaryotic cells will divide, the genomic DNA will be equally partitioned into both progeny cells. To accomplish this, “THE DIVINE FORCE” will highly compact the DNA into the metaphase chromosomes. Once a cell has divided, its chromosomes will uncoil again.

Figure: Diagram of DNA packed into a Mitotic Chromosome. 1. Tails protrude from histones and allow them to interact with other molecules in the nucleus. 2. Nucleosomes form beads on a DNA string. 3. DNA wraps around histones, forming a vast number of nucleosomes. 4. Nucleosomes pack into a coil that twists into another larger coil, and so forth, producing condensed supercoiled chromatin fibers. 5. The fibers fold to form loops. 6. The loops coil even further, forming chromosome.

Comparing the length of metaphase chromosomes to that of naked DNA, the packing ratio of DNA in metaphase chromosomes will be approximately 10000:1

(depending on the chromosome). This level of compaction is achieved by repeatedly folding chromatin fibers into a hierarchy of multiple loops and coils.

Each chromosome has a constriction point called the centromere, which divides the chromosome into two sections, or “arms”. The short arm of the chromosome is labeled the “p arm”. The long arm of the chromosome is labeled the “q arm”. The location of the centromere on each chromosome gives the chromosome its characteristic shape, and can be used to help describe the location of specific “GENES”.

Arranged linearly along the length of each chromosome (like beads on a string) are the “GENES”, with each “GENE” having its own unique position or locus. Each pair of “GENES” that is inherited for a particular trait is referred to as the genotype for that trait; the physical characteristics that result from possessing those “GENES” is referred to as the phenotype. These are sections of DNA, which will determine every aspect of the anatomy and physiology of this “Subjective ‘EARTHLY’ Garment”. They will contain the instructions for a specific molecule, usually a protein. They will contain the instructions for the individual characteristics of the “Subjective ‘EARTHLY’ Garment”; such as the eye and hair colour, etc... The purpose of “GENES” is to store information. Each “GENE” will contain the information required to build specific proteins needed in the “Subjective ‘EARTHLY’ Garment”. The genome of this “Subjective ‘EARTHLY’ Garment”, which is the complete set of DNA, including all of its “GENES”, will contain 144000 “GENES” (72000 per strand of the double helix model of DNA) categorized into 12 classes (in relation with the 12 redundant “Divine Equilibrium Regions” of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine

Particles”, each of the 12 classes has 12000 “GENES”), and over 3 billion DNA base pairs packaged into 23 chromosomes. These 144000 “GENES” are the basis for the development of all aspects of the anatomy and physiology of this “Subjective ‘EARTHLY’ Garment”. They represent the totality of the parameters at the twelve gates (the six “Entry Gates” and the six “Exit Gates”) along the complete flow path of the “Generative Divine Particle” in “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” and which define the movement of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”.⁶¹⁴ You may view the genome as a complete set of instructions for manufacturing this “Subjective ‘EARTHLY’ Garment”, like a “recipe book” for the “Subjective ‘EARTHLY’ Garment” and which describes the aspects and the movement of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”.⁶¹⁵ The “GENES” will come in different forms, which will be designated

⁶¹⁴ Do you recall the 144000 sealed? Do you also remember the connection between the four chemical bases — adenine (A), guanine (G), cytosine (C), and thymine (T) — and the signature of “THE DIVINE”, IHVH, our FATHER, that is to say acronym IHVH, and its two pairs I with V and H with H? No? Read Revelation 7:1-8 in the scriptures. It is about the living “DISCOURSE” of “THE DIVINE”, IHVH, our FATHER, written by “THE DIVINE FORCE” through this “Subjective ‘EARTHLY’ Garment” that you (as human creature) wear. KEEP IT PURE! STAND IN “PURITY” AND HOLD YOUR GROUND IN “PURITY”!

⁶¹⁵ If printed out as a “recipe book”, these over 3 billion letters in the genome of this “Subjective ‘EARTHLY’ Garment” would: Fill a stack of paperback books 61 m high; fill 200 to 500-page telephone directories; take a century to recite, if someone was to recite at one letter per second for 24 hours a day; and extend 3000 km.

The over 3 billion DNA base pairs in the genome of this “Subjective ‘EARTHLY’ Garment” would make a total of over 6 billion base pairs of DNA per cell. Because each base pair is around 0.34 nanometers long (a nanometer is one-billionth of a meter), each cell that contains two complete sets of chromosomes therefore contains about 2 meters of DNA $[(0.34 \times 10^{-9}) \times (6.4 \times 10^9)]$. Moreover, using a rough estimate of the cell (including a portion of the extracellular fluid surrounding the cell membrane) average weight to be equal to 1 nanogram (10^{-9} g, or 10^{-12} kg), one can estimate the average total number of cells constituents of a “Subjective ‘EARTHLY’ Garment” that weights 70 kilograms (associated with a 17 to 18 years old growth age into existence) to be equal to 70 trillions cells. This will result to an estimated average of 140 trillion meters of DNA of an adolescent human creature of 17 to 18 years old growth age into existence, and which is enough to make several trips back and forth from Earth in which human creatures live to the “Solar star”. Reflect about how the histones were designed in order to compact chromosomal DNA to the sevenfold into the microscopic space of the eukaryotic nucleus. Why sevenfold? Reflect about such things and try to get an idea about: (1) the logic that is behind these developments that have been placed inside a single cell; (2) the in-depth reflection and the

as alleles⁶¹⁶. In this “Subjective ‘EARTHLY’ Garment”, alleles of particular “GENES” will be in pairs, one on each chromosome.

The DNA will be arranged into chromosomes also will contain the blueprint specific for each type of cell which will allow for replication of the cell. In order to access and use this information, part of the genome is transcribed, or recopied, into a second type of molecule called ribonucleic acid, or RNA. One strand of DNA is used as a template for synthesizing RNA so that the resulting RNA molecule has a structure and sequence very similar to the DNA used to generate it.

Within the nucleus is an area designated as the nucleolus. It is not enclosed by a membrane but is just an accumulation of ribonucleic acid (RNA) and proteins within the nucleus.

Ribonucleic acid (RNA) is a molecule similar to DNA. Unlike DNA, RNA is single-stranded. An RNA molecule closely resembles DNA, but has several key differences. It is a linear molecule composed of four types of smaller molecules called ribonucleotide bases: adenine (A), cytosine (C), guanine (G), and uracil (U). Each ribonucleotide base will consist of a ribose sugar, a phosphate group, and a nitrogenous base. Adjacent ribose nucleotide bases will be chemically attached to one another in a chain via chemical bonds called phosphodiester bonds.⁶¹⁷

Unlike DNA, RNA will contain ribose sugars rather than deoxyribose sugars, which will make RNA more unstable and more prone to degradation. RNA has a 2’ OH group on the sugar, and thus contains the sugar ribose instead of 2’

scope of the “INTELLECTUAL” work that was deployed to design such a cell containing all those things; (3) “THE SCIENCE” which is in such a cell and the origin of that “SCIENCE”.

Above all, meditate on yourself regarding your relationship with “THE DIVINE FORCE” and regarding your relationship with “THE DIVINE”, IHVH, our FATHER.

⁶¹⁶ Which pertains to an allele, which is an alternative form of a gene. Each gene in a considered “Subjective ‘EARTHLY’ Garment” resides at a specific locus (location on a chromosome) in two copies, one copy of the gene inherited from each ascendant “Subjective ‘EARTHLY’ Garment” of the considered “Subjective ‘EARTHLY’ Garment”. The copies, however, are not necessarily the same. When the copies of a gene differ from each other, they are designated as alleles. A given gene may have multiple different alleles, though only two alleles are present at the locus of the gene in any individual “Subjective ‘EARTHLY’ Garment”.

⁶¹⁷ Also designated as a phosphodiester linkage, a phosphodiester bonds is covalent bond in RNA or DNA that holds a polynucleotide chain together by joining a phosphate group at position 5 in the pentose sugar of one nucleotide to the hydroxyl group at position 3 in the pentose sugar of the next nucleotide.

deoxyribose. Also, RNA contains the base uracil in place of thymine. Like thymine, uracil is a pyrimidine that base pairs with adenine.

Two differences between the structure of DNA and RNA. DNA contains a sugar group with a 2' hydroxyl group (circled in blue). DNA contains the base thymine, which base pairs with adenine. Instead of thymine, RNA contains uracil as related base. Uracil is similar to thymine, but it lacks a methyl group (circled in red). Like thymine, uracil can base pair with adenine.

ADN

ARN

RNA will be synthesized from DNA by an enzyme designated as RNA polymerase during a process called transcription. The new RNA sequences will be complementary to their DNA template, rather than being identical copies of the template. RNA will then be translated into proteins by structures called ribosomes. There will be three types of RNA involved in the translation process: messenger RNA (mRNA), transfer RNA (tRNA), and ribosomal RNA (rRNA).

As we have indicated, the four chemical bases adenine (A), guanine (G), cytosine (C), and thymine (T) will be combined in varying “specific combinations sequences of these chemical bases”, that is to say, as it has been designed and established by “THE DIVINE ARCHITECT AND PROJECT MASTER”, to code for the creation of “specific proteins”, which the cells of this “Subjective ‘EARTHLY’ Garment” need to produce in order for the tissues and organs to perform their assigned “specific tasks”.

The messenger RNA (mRNA) carries the message from the DNA, which controls all of the cellular activities in a cell. If a cell requires a certain protein to be synthesized, the gene for this product is “turned on” and the mRNA is synthesized through the process of transcription. The mRNA then interacts with ribosomes and other cellular machinery to direct the synthesis of the protein it encodes during the process of translation. The messenger RNA (mRNA) is relatively unstable and short-lived in the cell, especially in prokaryotic cells, ensuring that proteins are only made when needed. It is thus that the messenger RNA (mRNA) are the “go-between” instructional codes, which tell the ribosomes about how to link different amino acids together to form a “specific protein” needed by the tissues and organs of this “Subjective ‘EARTHLY’ Garment”.

The messenger RNA (mRNA) molecules are called messenger RNA because they carry instructions for producing proteins from one part of the cell to another. They deliver messages in three steps:

- A process, which is designated as transcription will make an RNA copy of a DNA sequence for a protein.
- This copy, which is designated as mRNA, will move from the nucleus (center) of the cell to the ribosomes. Ribosomes, which are located in the cell outside of the nucleus, will make the proteins.
- Ribosomes will “translate” the instructions in messenger RNA (mRNA) and synthesize the protein. Essentially, in this translation process, the language of nucleotides is translated into the language of amino acids.

The messenger RNA (mRNA) will carry complimentary genetic code copied, from DNA during transcription, in the form of triplets of nucleotides called codons.

Figure: Infographic of DNA transcription to mRNA to form a protein through tRNA. DNA is partially unwound by RNA polymerase so that one strand can serve as a template for RNA synthesis. The RNA transcript is formed and then peels

away, allowing the DNA that has already been transcribed to rewind into a double helix.

פרק שביעי

Each codon specifies a particular amino acid, though one amino acid may be coded for by many different codons. It is thus that the genetic code includes $4 \times 4 \times 4 = 64$ possible permutations, or combinations, of three-letter or triplet nucleotide sequences that can be made from the four nucleotides. Although there are 64 possible codons or triplet bases in the genetic code, only 21 of them represent amino acids. There are also 3 stop codons, which indicate that ribosomes should cease protein generation by translation.⁶¹⁸

⁶¹⁸ We will leave this as a good exercise for you, the reader, to exercise your discernment capabilities. Hint: look at the numbers, 64, 21 and 3, and remember “THE DIVINE

In most eukaryotes, “exons”, which are the designation of the coding sequences that make it possible to code the amino acid sequence of the protein, are interrupted by noncoding regions, which are designated as “introns”. The “exons” do not change frequently with time and they are transcribed into mature mRNA after post-transcriptional modification.

As part of post-transcriptional processing in eukaryotes, the 5’ end of mRNA is capped with a guanosine triphosphate nucleotide, which helps in mRNA recognition during translation or protein synthesis. Similarly, the 3’ end of an mRNA has a poly-A tail or multiple adenylate residues added to it, which prevents enzymatic degradation of mRNA. Both the 5’ and 3’ end of an mRNA imparts stability to the mRNA.

The ribosomal RNA (rRNA), as its name suggests, is a major constituent of ribosomes, composing up to about 60% of the ribosome by mass and providing the location where the mRNA binds. The rRNA ensures the proper alignment of the mRNA, tRNA, and the ribosomes; the rRNA of the ribosome also has an enzymatic activity (peptidyl transferase) and catalyzes the formation of the peptide bonds between two aligned amino acids during protein synthesis. Ribosomes are composed of a large subunit called the 50S and a small subunit called the 30S, each of which is made up of its own specific rRNA molecules. Different rRNAs present in the ribosomes include small rRNAs and large rRNAs, which belong to the small and large subunits of the ribosome, respectively. The ribosomal RNA (rRNA) combines with proteins and enzymes in the cytoplasm to form ribosomes, which act as the site of protein synthesis. These complex

SUPREME CONFIGURATION” of seven “Divine Particles” and an expression of its 64 “Divine Equilibrium Regions” (the fifty-two non-redundant “Divine Equilibrium Regions” plus the twelve redundant “Divine Equilibrium Regions”). The sixth expression of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” has been written/implemented at the core of the genome of this “Subjective ‘EARTHLY’ Garment” by “THE DIVINE FORCE” and as the blueprint, the basis, the seed, the complete engineering plan that explains the overall details from which all cells, tissues and organs of this “Subjective ‘EARTHLY’ Garment”, and hence this “Subjective ‘EARTHLY’ Garment” in its whole, find their expressions and develop in accordance with the growing patterns that “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed and established for them: a masterpiece of divine engineering work about which CHRIST told you through the parable of the growing seed.

Read more in the section concerning the details of annotations — Annotation on the parable of the growing seed.

structures travel along the mRNA molecule during translation and facilitate the assembly of amino acids to form a polypeptide chain.

The transfer RNA (tRNA) is the third prominent type of RNA involved in protein translation. Transfer RNAs (tRNA) are central players in translation, functioning as adapter molecules between the informational level of nucleic acids and the functional level of proteins. Typically, tRNA molecules are between 70–90 nucleotides in length, and show a highly conserved secondary and tertiary structure. They also show the highest amount of nucleotide modification of all types of RNA with modifications concentrated in two hotspots—the anticodon loop and the tRNA core region, where the D- and T-loop interact with each other, stabilizing the overall structure of the molecule. These modifications can cause large rearrangements as well as local fine-tuning in the tertiary structure of a tRNA.

Transfer RNAs (tRNA) carry the correct amino acid to the site of protein synthesis in the ribosome. It is the base pairing between the tRNA and mRNA, which allows for the correct amino acid to be inserted in the polypeptide chain being synthesized. Any mutations or impairment in the tRNA or rRNA will result in catastrophe for the cell because both are necessary for proper protein synthesis.

Each different tRNA binds to a specific amino acid and transfers it to the ribosome. Mature tRNAs take on a tertiary structure through intramolecular basepairing to position the amino acid binding site at one end and the anticodon in an unbasepaired loop of nucleotides at the other end. The anticodon is a three-nucleotide sequence, unique to each different tRNA, which interacts with a messenger RNA (mRNA) codon through complementary base pairing. There are different tRNAs for the 21 different amino acids. Most amino acids can be carried by more than one tRNA.

The life of a transfer RNA (tRNA) molecule starts with a series of important maturation steps, which can vary in their sequential order from case to case. Leader and trailer sequences are removed by a set of endo- and exonucleases, and in several tRNA precursors, splicing reactions excise intronic sequences. Furthermore, in many organisms the sequence CCA, which represents the site of amino acid attachment, is not encoded, but has to be added post-transcriptionally by CCA-adding enzymes. While all primary tRNA transcripts are composed of the four standards RNA bases A, C, G and U, many of these nucleotides will be modified, altering their properties in very different ways. The complexity of such modifications ranges from simple methylations at the bases or the ribose to rather complex and large base hypermodifications, whose synthesis often requires a

whole cascade of enzymatic reactions. Modifications can alter the shape of a tRNA in subtle ways, but can also lead to massive structural rearrangements. In addition, they ensure efficient translation by maintaining the anticodon loop structure and promoting correct codon-anticodon interactions.

After maturation, tRNA have multiple interaction partners in their life cycle, ranging from aminoacyl-tRNA-synthetases that are responsible for amino acid attachment, to translation factors, ribosomes and mRNAs. Apart from synthetases, these interaction partners do not specifically act on one individual tRNA transcript or isoacceptor, but on all tRNA, similar to the above mentioned CCA-adding enzyme.

All these “specific processes”, which are taking place through the “Specific Atomic ‘EARTHLY’ Substances” and “Specific Molecule ‘EARTHLY’ Substances” inside a cell and which lead to the production of a protein, are a manifestation of the “INTELLIGENCE” designed for the “cell” by “THE DIVINE ARCHITECT AND PROJECT MASTER” and “programmed” and embedded into the “cell” by “THE DIVINE FORCE” to mimic products, which are formed in the “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” inside the manifestation by the metaphor of the “Divine Septenary Equilibrium Zone” in this “Subjective ‘EARTHLY’ Garment”. It is a demonstration of “intelligent behaviour” inside a marvel of miniaturization and compressed complexity, a demonstration of “THE SCIENCE”, which is found in any structure of “created energy”. It is thereby a demonstration of “THE INTELLIGENCE” of “THE DIVINE FORCE”.

Although some RNA molecules will be passive copies of DNA, many will play crucial, active roles in the cell. For example, some RNA molecules will be involved in switching “GENES” on and off, and other RNA molecules will make up the critical protein synthesis machinery in ribosomes. The nucleolus is the site where the ribosomal RNA is transcribed from DNA and assembled as designed by “THE DIVINE ARCHITECT AND PROJECT MASTER” and implemented by “THE DIVINE FORCE”.

Microfilaments and microtubules are rigid protein substances that form the internal skeleton of the cell designated as the cytoskeleton. The microtubules in the structure of a cell are the central component of cilia, small hair-like projections that protrude from the surface of certain cells. They will be also the central component of specialized cilia like the tail of the sperm cells which beats in a manner to allow the cell to move in a fluid medium. Some of these microtubules also will make up the centrioles and mitotic spindles within the cell and which will be responsible for the division of the cytoplasm through a manifestation of a

metaphor of the unique and fantastic “specific event”, this miracle which is called “THE BIRTH” and which we have already mentioned in previous chapters concerning the tools (in particular for the “Specific Elementary ‘SPIRIT’ Particle”) that “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed and established for use in the “Specific ‘SPIRITUAL’ Environment” and inside the attribute “NON DIVINE”. Two processes will ensue from this unique and fantastic “specific event”, this miracle which is called “THE BIRTH”, and depending on the cell type, and they will be designated as: the mitosis process and the meiosis process. Following further increase of its “‘EARTHLY’ specific supply of subsistence” beyond the “specific maturity limit” with an appropriate passage of time until it reaches a surplus equal to its fundamental “‘EARTHLY’ specific supply of subsistence”, the unique and fantastic “specific event”, the miracle which is designated as “THE BIRTH”, will be immediately followed by a second miracle, this second special “specific event”, unique and just as fantastic as that of “BIRTH”, is designated as: “EXPANSION”. And so on, a cycle of “specific events”, “BIRTH” followed by “EXPANSION”, will take place through the cell. We have already explained the occurrence of these special “specific events” at the subatomic scale. This cycle of “specific events”, “BIRTH” followed by “EXPANSION”, will be designated as: the cell cycle.

As we have indicated already, the “specific event” of “BIRTH” follows a “birth system”, which is manifested by the “binary system”, and the “specific event” of “EXPANSION” follows an “expansion and contraction system”, which is manifested by the “helix and spiral system”.

מציאות

THE CELL CYCLE

You can consider the cell cycle as the life cycle of a cell from the moment it is created at the end of a previous cycle of cell “EXPANSION” until it then divides itself, generating two new cells. It is the series of growth and development steps that a cell will undergo between its “BIRTH” — formation by the division of a parent cell — and “EXPANSION” — division to make two new progeny cells. Cells will proceed through the cell cycle under the control of a variety of molecules, such as cyclins and cyclin-dependent kinases. These control molecules will determine whether or not the cell is prepared to move into the following stage of the cycle.

For the manifestation of a metaphor of these unique and fantastic “specific events”, designated as “THE BIRTH” and “EXPANSION”, to occur, “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed and established several important “specific tasks” that must be completed by the cell: it must grow, replicate its genetic material (DNA), and physically split into two progeny cells. The cells will perform these “specific tasks” as part of their assigned “specific work”, in an organized, predictable series of steps that will constitute the cell cycle. The cell cycle is a cycle, rather than a linear pathway, because at the end of each go-round, the two progeny cells can start the exact same process over again from the beginning.

A typical eukaryotic cell cycle will contain several distinct phases that will progress in an orderly fashion — a phase will not start without completion of the previous phase. The four phases of the cell cycle will be designated as: G₁ (G stands for gap), S (synthesis), G₂, and M (mitosis).

During the G₁ phase, also designated as the first gap phase, the cell will grow physically larger by consuming the nutrients used as input to the cellular respiration; it will copy organelles, and it will make the molecular building blocks that it will need in later steps.

Figure: the phases of the cell cycle. The cell cycle begins in the G₁ phase of a diploid cell (DNA content = $2N$; N is the number of chromosomes). After DNA replication is completed in the S phase, the cell enters the G₂ phase and has twice the amount of the DNA ($4N$) of the starting cell. This is followed by mitosis (M) and cell division, which leads to the formation of two diploid daughter cells. Cells in either mitosis or cell division (also called cytokinesis) are in the M phase, whereas those in the other three phases (G₁, S, and G₂) are in the interphase. The time in which a cell spends in each phase varies among the cell type and is not drawn to scale.

In the S phase, the cell will synthesize a complete copy of the DNA in its nucleus. It will also duplicate a microtubule-organizing structure designated as the centrosome. The centrosomes will facilitate the separation of DNA during the mitosis phase.

During the second gap phase, or G₂ phase, the cell will grow more, making proteins and organelles, and as it has been designed and established by “THE DIVINE ARCHITECT AND PROJECT MASTER”, the cell will begin to reorganize its contents in preparation for mitosis. The G₂ phase will end when mitosis will begin.

The G₁, S, and G₂ phases collectively constitute the interphase. The DNA content of a cell in the G₁ phase is 2N (N is the number of chromosomes), also known as diploid, whereas the DNA content of a cell in the G₂ phase is 4N (tetraploid). The DNA content of a cell in the S phase will vary between 2N and 4N, depending on the stage of replication of the cell. The M phase is in turn comprised of two processes: the mitosis process, in which the cell's chromosomes will be equally divided between the two progeny cells, and cytokinesis (or cell division), in which the cytoplasm of the cell will divide in half to form two distinct progeny cells. Typically, the time span required for a single cell cycle will be 24 hours. Of these, the M phase will take approximately one hour to complete and interphase will take up the remaining 23 hours. Once a cell has completed interphase and is ready for cell division, it will proceed through four separate stages of mitosis (prophase, metaphase, anaphase, and telophase). Telophase will be followed by the division of the cytoplasm (cytokinesis), which will generate two progeny cells.

What will happen to these two progeny cells produced in one round of the cell cycle? This will depend on what type of cells they are. Some types of cells will divide rapidly, and in these cases, the progeny cells may immediately undergo another round of cell division. Other types of cells will divide slowly or not at all. These cells may exit the G₁ phase and enter a resting state designated as the G₀ (o for zero) phase. In the G₀ phase, a cell will not be actively preparing to divide, but it will just be performing its assigned “specific work”. For instance, it might conduct signals as a neuron cell or it might store carbohydrates as a liver cell. The G₀ phase will be a permanent state for some cells, while others may re-start the cell cycle if they receive the right external “specific signals”. Typically, a cell will enter the G₀ phase if the environment is not conducive for the progression of the cell cycle, as in the event of deprivation of essential nutrients or growth factors, or if a cell has reached a fully differentiated state such as a hepatocyte or neuron. In these conditions, the cell will be referred to as being in a quiescent state. Additionally, a cell will be able to enter the G₀ phase and become senescent due to DNA damage or telomere attrition.

As a cell will proceed through its cycle, each phase will involve certain “specific processes” that must be completed before that the cell should advance to the next phase. A checkpoint is a point in the cell cycle at which the cycle can be signaled to move forward or stopped. At each of these checkpoints, different varieties of molecules will provide the stop or go signals, depending on certain “specific conditions” within the cell. A cyclin is one of the primary classes of cell cycle control molecules. A cyclin-dependent kinase (CDK) is one of a group of molecules that will work together with cyclins to determine progression past cell

checkpoints. By interacting with many additional molecules, these triggers will push the cell cycle forward unless prevented from doing so by “stop” signals, if for some reason the cell is not ready. At the G1 checkpoint, the cell must be ready for DNA synthesis to occur. At the G2 checkpoint the cell must be fully prepared for mitosis. Even during mitosis, a crucial stop and go checkpoint in metaphase will ensure that the cell is fully prepared to complete cell division. The metaphase checkpoint will ensure that all progeny chromatids are properly attached to their respective microtubules and lined up at the metaphase plate before the signal is given to separate them during anaphase.

Everything, to the least detail, has been well thought by “THE DIVINE ARCHITECT AND PROJECT MASTER” and HE has designed and established a very elaborate and precise system of regulation controls to direct the way in which cells will proceed from one phase to the next in the cell cycle and for the manifestation of a metaphor of these unique and fantastic “specific events”, designated as “THE BIRTH” and “EXPANSION”, to occur. The control system involves molecules within the cell as well as external triggers. These internal and external control triggers will provide “stop” and “advance” signals for the cell. Such precise regulation of the cell cycle will be critical for maintaining the health of the cell, and loss of cell cycle control will trigger the “COMBAT”, the process of “HEALING” in order to restore the cell cycle control to its functional state without damage.

THE MITOSIS PROCESS IN THE CELLULAR DIVISION PROCESS

The mitosis process will be the process of nuclear division in “eukaryotic cells”, which will occur when a parent cell divides to produce two identical progeny cells. Eukaryotic cells are cells that contain a nucleus and organelles, and are enclosed by a plasma membrane; unlike prokaryotes that have no membrane-bound organelles. During cell division, mitosis will refer specifically to the separation of the duplicated genetic material carried in the nucleus.

The mitosis process will be divided into five stages, as a manifestation of a metaphor of that, which is “PERFECT”, and known as: prophase, prometaphase, metaphase, anaphase, and telophase. While mitosis will be taking place, there will be no cell growth and all of the cellular energy will be focused on cell division.

Prophase — during the prophase, which is the first phase of the mitosis process, the chromosomes will condense and compact themselves. Each chromosome is composed of two chromatids, containing identical genetic information. The pairs of chromosomes that have been replicated are identical progeny chromatids; they are pairs of identical copies of DNA and they remain joined at a central point called the centromere. A large structure called the mitotic spindle will also form from long proteins designated as microtubules on each side, or pole, of the cell.

Prometaphase — during the prometaphase, which is the second phase of the mitosis process, the nuclear envelope that encloses the nucleus will break down, and the nucleus will no longer be separated from the cytoplasm. This breakdown of the nuclear envelope will set free the progeny chromatids from the nucleus, and this is necessary for separating the nuclear material into two cells. Another important event that will occur during the prometaphase is the development of a protein formation that will be designated as kinetochore around the centromere, the central point joining the progeny chromatids. Long protein filaments designated as kinetochore microtubules will extend from poles on either end of the cell and will attach to the kinetochores.

Figure: Schematic of the mitosis. 1. Prior to mitosis, each chromosome makes an exact duplicate of itself. The chromosomes then thicken and coil. 2. In early prophase, the centrioles, which have divided, form asters and move apart. The nuclear membrane begins to disintegrate. 3. In late prophase, the centrioles and asters are at opposite poles. The nucleolus and nuclear membrane have almost completely disappeared. 4. The doubled chromosomes, their centromeres attached to the spindle fibres, line up at mid-cell in metaphase. 5. In early anaphase, the centromeres split. Half the chromosomes move to one pole, half to the other pole. 6. In late anaphase, the chromosomes have almost reached their respective poles. The cell membrane begins to pinch at the centre. 7. The cell membrane completes constriction in telophase. Nuclear membranes form around the separated chromosomes. 8. At mitosis (cell division) completion, there are two cells with the same structures and number of chromosomes as the parent cell.

Metaphase — during the metaphase, which is the third phase of the mitosis process, the microtubules will pull the progeny chromatids back and forth until they align in a plane, designated as the equatorial plane, along the center of the cell. In the middle of mitosis process, there is an important checkpoint designated as the metaphase checkpoint, during which the cision of the cell is pre-established in accordances with the specifications established by “THE DIVINE ARCHITECT AND PROJECT MASTER”. Once all of the chromosomes have been properly aligned and the kinetochores have been correctly attached in the cell, the cell enters the fourth phase of the mitosis process.

Anaphase — during the anaphase, which is the fourth phase of the mitosis process, the progeny chromatids will be separated simultaneously at their

centromeres. Each pair of chromosomes will be separated into two identical, independent chromosomes. The chromosomes will be separated by a structure designated as the mitotic spindle. The spindle is a tool designed to equally divide the chromosomes in a parental cell into two progeny cells during both types of nuclear division: mitosis and meiosis. During mitosis, the spindle fibers are called the mitotic spindle. Meanwhile, during meiosis, the spindle fibers are referred to as the meiotic spindle. At the beginning of nuclear division, two wheel-shaped protein structures called centrioles position themselves at opposite ends of the cell forming cell poles. Long protein fibers called microtubules extend from the centrioles in all possible directions, forming what is called a spindle. Some of the microtubules attach the poles to the chromosomes by connecting to protein complexes called kinetochores. Kinetochores are protein formations that develop on each chromosome around the centromere, which is a region located near the middle of a chromosome. Other microtubules bind to the chromosome arms or extend to the opposite end of the cell. During the cell division phase called metaphase, the microtubules pull the chromosomes back and forth until they align in a plane along the equator of the cell, which is called the equatorial plane. It is thus an application of the concept of “movement”, considered in its manifestations under all its forms and all scales, and the state of equilibrium expected from the “movement”. The cell goes through an important checkpoint to ensure that all of the chromosomes are attached to the spindle and ready to be divided before it proceeds with division. Next, during anaphase, the chromosomes are simultaneously separated and pulled by the spindle to opposite poles of the cell. The anaphase will ensure that each progeny cell receives an identical set of chromosomes.

Telophase — finally, during the telophase, which is the fifth phase of the mitosis process, a nuclear membrane will form around each set of chromosomes to separate the nuclear DNA from the cytoplasm. The chromosomes will begin to uncoil, which will make them diffuse and less compact. Along with the telophase, the cell will undergo a separate process designated as cytokinesis that will divide the cytoplasm of the parental cell into two progeny cells.

THE MEIOSIS PROCESS IN THE CELLULAR DIVISION PROCESS

In the meiosis process, the cell division will reduce the number of chromosomes in the parent cell by half and produces four gamete cells. This process will be applied in the production of egg cells (for the “Subjective ‘EARTHLY’ Garment” having the “FEMALE” adjective) and sperm cells (for the “Subjective ‘EARTHLY’ Garment” having the “MALE” adjective) for reproduction of the “Subjective ‘EARTHLY’ Garment” in accordance with the recursive transformations that have been designed and established by “THE DIVINE ARCHITECT AND PROJECT MASTER” and applied to the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model. During the reproduction process of the “Subjective ‘EARTHLY’ Garment”, when the sperm and egg will unite to form a single cell, the number of chromosomes will be restored in the offspring.

The meiosis process will begin with a diploid parent cell; that is to say, a cell having two copies of each chromosome. The parent cell will undergo one round of DNA replication followed by two separate cycles of nuclear division. The process will result in four progeny cells that are haploid; that is to say, cells that contain half the number of chromosomes of the diploid parent cell.

The meiosis process will have both similarities to and differences from the mitosis process. The meiosis process will begin following one round of DNA replication in cells in the reproduction organs of the “Subjective ‘EARTHLY’ Garment”. The process will be splitted into meiosis process I and meiosis process II, and both meiotic divisions will have multiple phases. The meiosis process I will be a cell division process unique to germ cells, while the meiosis process II will be similar to the mitosis process.

Figure: Schematic of the meiosis. 1. At the onset of meiosis, DNA strands thicken into chromosomes. Homologous, or like, chromosomes begin to approach each other. 2. Homologous chromosomes pair to form bivalents. The centrioles divide and move to opposite poles of the cell. 3. Bivalents duplicate to form tetrads, or four-chromatid groups. The nuclear membrane disintegrates. Recombination occurs. 4. In metaphase I, the tetrads, attached to spindle fibers at their centromeres, line up at mid-cell. 5. In early anaphase I, the tetrads separate, and the paired chromatids move along the spindle to their respective centrioles. 6. In late anaphase I, the chromatids have almost reached the spindle poles. The cell membrane begins to constrict. 7. In telophase I, the nuclear membranes enclose the separated chromatids. The cell membrane completes its constriction. 8. The first meiotic division ends. There are now two cells, each with the same number of chromatids as parent cell. 9. Prophase II begins. In the second meiotic division, homologous chromatids do not duplicate but merely separate. 10. In metaphase II, the chromatids line up at mid-cell. The centrioles and asters are at the poles. A spindle has formed. 11. In anaphase II, the now-separated chromatids approach their respective poles. The cell membrane begins to constrict. 12. Telophase II has been completed. There are now four cells, each with half the number of chromosomes of the parent cell.

In the meiosis process I, the first meiotic division, will begin with the prophase I. During prophase I, the complex of DNA and protein known as chromatin will

condense to form chromosomes. The pairs of replicated chromosomes will remain joined at a central point designated as the centromere. A large structure designated as the meiotic spindle also will form from long proteins designated as microtubules on each side, or pole, of the cell. Between prophase I and metaphase I, the pairs of homologous chromosome will form tetrads. Within the tetrad, any pair of chromatid arms can overlap and fuse in a process that will be designated crossing-over or recombination. Recombination will be the process that will break, recombine and rejoin sections of DNA to produce new combinations of genes. In metaphase I, the homologous pairs of chromosomes will align on either side of the equatorial plate. Then, in anaphase I, the spindle fibers will contract and pull the homologous pairs, each with two chromatids, away from each other and toward each pole of the cell. During telophase I, the chromosomes will be enclosed in nuclei. The cell now will undergo the cytokinesis process that will divide the cytoplasm of the original cell into two progeny cells. Each progeny cell will be haploid and will have only one set of chromosomes, or half the total number of chromosomes of the original cell.

The meiosis process II is a mitotic division of each of the haploid cells produced in meiosis process I. During the prophase II, the chromosomes will condense, and a new set of spindle fibers will form. The chromosomes will begin moving toward the equator of the cell. During the metaphase II, the centromeres of the paired chromatids will align along the equatorial plate in both cells. Then in the anaphase II, the chromosomes will separate at the centromeres. The spindle fibers will pull the separated chromosomes toward each pole of the cell. Finally, during the telophase II, the chromosomes will be enclosed in nuclear membranes. The cytokinesis process will follow, dividing the cytoplasm of the two cells. At the conclusion of the meiosis process, there will be four haploid progeny cells that will go on to develop into either egg cells (for the “Subjective ‘EARTHLY’ Garment” having the “FEMALE” adjective) or sperm cells (for the “Subjective ‘EARTHLY’ Garment” having the “MALE” adjective).

FUNCTIONS OF THE CELL

In much the same manner as external instructions that the “Specific Atomic ‘EARTHLY’ Substance” receives, as well as the “specific work” it produces, are, respectively, in fact, signals received and emitted, the external instructions that the “cell” receives, as well as the “specific work” it produces, are, respectively, in fact, signals received and emitted.

It is so that, the “cell” is also actually a perfect receiver-transmitter of signals, larger than the “Specific Atomic ‘EARTHLY’ Substance”. It is a highly specialized proteins manufacturing factory, having its own internal supply chain and quality control units. It is an enclosed vessel, within which innumerable chemical reactions will take place simultaneously. These reactions will be under very precise control so that they contribute to the life of the cell. “THE DIVINE ARCHITECT AND PROJECT MASTER” has also established the specifications for these signals received and emitted by the “cell”.

The “specific work” assigned to a cell in this “Subjective ‘EARTHLY’ Garment” will vary based on the type of cell and its location in the “Subjective ‘EARTHLY’ Garment”. This implies prior detailed scientific knowledge of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, in order to manufacture a “cell”. That is to say, the manufacturing of a “cell” implies prior detailed scientific knowledge that belongs to the domain of science associated with a “LOGIC” that is above “THE ‘SPIRIT→LIGHT’ LOGIC” — “THE LOGIC of the Second Order” pertaining to the discursive formulation of the truths of the “secondary transformation” in “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” — that is associated to the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”. And that is the domain of science associated with “THE DIVINE FORCE” — “THE LOGIC of the Fifth Order” pertaining to the discursive formulation of the truths of the “quinary transformation” in “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” — and the domaine of

science associated with “THE DIVINE” — “THE LOGIC of the Seventh Order” pertaining to the discursive formulation of the truths of the “‘end of cycle’ transformation” in “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”.

All the organelles will work together to keep the cell alive and allow it to carry out its “specific work”. Sometimes these organelles will be highly specialized and will vary in size, shape and number. The organelles are the most basic functional units but they cannot exist and operate without the cell as a whole. Their “specific work” will include intake of nutrients and other substances, processing of these compounds, production of new substances, cell replication and energy production. In specialized cells which must be capable of motility⁶¹⁹, tail-like projections will allow for cellular locomotion.

The cell membrane will allow substances to enter and leave the cell. While certain substance like oxygen will easily diffuse through the cell membrane, others will have to be actively transported through the process of endocytosis. Small particles will be transported by the process of pinocytosis while larger particles will be moved by the process of phagocytosis. These “specific works” will become highly specialized to allow cells to perform specific activities, like the macrophages that will phagocytose invading bacteria to neutralize it. Small and large substances that will not dissolve in the cytoplasm will be contained within vesicles. Lysosomes will attach to the vesicles and will digest this material.

The endoplasmic reticulum and Golgi apparatus will synthesize different substances like protein and fats as required by the cell or designated according to its “specific work”. They will utilize basic nutrient molecules that will be either dissolved in the cytoplasm or specific substances that will be contained within vesicles.

Some nutrients, specifically carbohydrates, will be transported to the mitochondria where they will be broken down further to yield energy. In the process, high-energy molecules known as ATP (adenosine triphosphate) will be manufactured and will provide energy for other organelles.

⁶¹⁹ Motility, in this context, refers to the ability of the cell, as a living organism, to move independently, using metabolic energy. Motility, in this context, contrasts to mobility, which describes the ability of an object to be moved. Motility of an organism is an application of the concept of the “movement”, considered in its manifestations under all its forms and all scales, and the state of equilibrium expected from the “movement”.

The genetic material housed in the nucleus will provide the blueprint necessary for the production of specific compounds by the endoplasmic reticulum and Golgi apparatus. The “GENES” also will help the cell replicate and codes for the formation of new cells.

Secretory vesicles will store some of the enzymes and other specialized substances formed by the endoplasmic reticulum and Golgi apparatus. These stored substances will be released from the cell when necessary in order to complete various functions that allow the “Subjective ‘EARTHLY’ Garment” to function as a whole.

CELLULAR COMMUNICATION

All “specific signals” that a “cell” may receive and emit have been designed and predefined inside the “cell” by “THE DIVINE ARCHITECT AND PROJECT MASTER”. Cellular communication, also designated as cell signalling, will govern the basic cellular activities and it will coordinate cell actions through a complex coordination of responses to cellular microenvironment.

Cells typically will communicate using “specific chemical signals” transmitted and received through the cell membrane. These “specific chemical signals”, which are proteins or other molecules produced by a sending cell, will be secreted from the cell and released into the extracellular fluid. There, they will be able to float — like messages in a bottle — over to neighboring recipient cells to which they will be addressed to. It is so that, a “cell” has also been equipped with “specific receptors” for those predefined “specific signals” that it will be able to receive. Such “specific receptors” are “Specific Atomic ‘EARTHLY’ Substances” and “Specific Molecular ‘EARTHLY’ Substances” of the cell and which are tasked to receive first and foremost external signals.

When a signaling molecule — an external “specific signal”, also designated as an extracellular signal — will bind to a cell “specific receptor”, the “specific receptor” will perform its predefined “specific work”. Such “specific work” will include the conversion of the received external “specific signal” into an internal “specific signal” — an intracellular signal — and its forwarding to the neighbouring internal “Specific Atomic ‘EARTHLY’ Substances” and “Specific Molecular ‘EARTHLY’ Substances” constituents of the cell. At completion of such “specific work”, the “specific receptor” will adopt a predefined “specific behaviour”. A signaling molecule will be designated as: “specific ligand”, or simply a ligand, a general term for molecules that bind specifically to other molecules (such as “specific receptors”).

There are various forms of “specific receptors” and “specific ligands”, and they will exist in closely matched pairs, with a “specific receptor” recognizing just one or a few “specific ligands”, and a “specific ligand” binding to just one or a few target “specific receptors”. Binding of a “specific ligand” to a “specific receptor” will cause the “specific receptor” to perform its predefined “specific work”, allowing it to transmit an external “specific signal” — an extracellular signal — that will be converted into an internal “specific signal” — an intracellular signal — that will be relayed through a chain of “Specific Atomic ‘EARTHLY’ Substances” and “Specific Molecular ‘EARTHLY’ Substances” — in the quality of “specific chemical messengers” — inside of the cell. The chains of “Specific Atomic ‘EARTHLY’ Substances” and “Specific Molecular ‘EARTHLY’ Substances” that will relay “specific signals” inside a cell will be designated as: intracellular signal transduction pathways, also designated as cell signaling pathways. It is the complex interaction of the activated “specific receptor” with other proteins inside the cell before that the ultimate physiological “specific effect” of the “specific ligand” on the “specific behaviour” of the cell is produced. It is a series of chemical reactions that takes a starting molecule and modifies it, step-by-step much like an assembly line, through a series of protein intermediates, eventually yielding a final product.

Upon reception of the transmitted external “specific signal” that has been converted into an internal “specific signal”, the cell will also perform its “specific work”, emit an internal “specific signal” in return and adopt a predefined “specific behaviour”.

All “specific behaviors” and associated “specific effects”, associated with the “movement” of the considered chains of “Specific Atomic ‘EARTHLY’ Substances” and “Specific Molecular ‘EARTHLY’ Substances” that will relay “specific signals” inside a cell, have been designed and established by “THE DIVINE ARCHITECT AND PROJECT MASTER”.

“THE DIVINE ARCHITECT AND PROJECT MASTER” has designed and established many types of “specific receptors” and that “THE DIVINE FORCE” will implement in the cells of this “Subjective ‘EARTHLY’ Garment” that SHE is in the process of “sewing” into existence, to accomplish this seventh decree of the implementation of the “Second Phase” of “THE HOLY PROJECT”. These “specific receptors” can be divided into two categories: intracellular receptors, which are found inside of the cell (in the cytoplasm or in the nucleus), and cell surface receptors, which are found in the cell membrane.

TWO TYPES OF CELLULAR RECEPTORS

INTRACELLULAR OR INTERNAL RECEPTORS — Intracellular receptors will be receptor proteins that will be found on the inside of the cell, typically in the cytoplasm or nucleus. In most cases, the “specific ligands” of intracellular receptors will be small, hydrophobic (water-hating) molecules, since they must be able to cross the cell membrane in order to reach their receptors. Once inside the cell, many of these molecules will bind to proteins that will act as regulators of mRNA synthesis to mediate the expression of “GENES”. The expression of “GENES” is the cellular process of transforming the information in a cell’s DNA into a sequence of amino acids that ultimately will form a protein. When the “specific ligand” will bind to the internal receptor, a conformational change will reveal a DNA-binding site on the protein. The ligand-receptor complex will move into the nucleus, bind to “specific regulatory regions” of the chromosomal DNA, and promote the initiation of transcription. Internal “specific receptors” will be able to directly influence the expression of “GENES” without having to pass the signal on to other “specific receptors” or “specific chemical messengers”.

One important family of intracellular “specific receptors” will be the nuclear “specific receptors” (also designated as “nuclear hormone receptors”), which will include “specific receptors” for steroid hormones, thyroid hormones, retinoids and vitamin D. Although the “specific ligands” differ in their structural type, all nuclear “specific receptors” will be structurally similar.

EXTRACELLULAR OR CELL-SURFACE RECEPTORS — Cell-surface “specific receptors”, also designated as transmembrane receptors, will be membrane-anchored, or integral proteins that will bind to “specific ligands” on the outside surface of the cell. In this type of signaling, the “specific ligand” will not need to cross the cell membrane. It is so that, many different kinds of molecules (including large, hydrophilic or “water-loving” ones) may act as “specific ligands”. This type of receptor, the cell-surface receptor, will span the cell membrane and will perform signal transduction, converting an extracellular signal into an intracellular signal. Cell-surface receptors will also be designated as “cell-specific proteins” or “markers” because they will be specific to individual cell types.

As we have already indicated above in these brief reminders of cell biology, a transmembrane protein is a type of integral membrane protein that spans the entirety of the cell membrane. Many transmembrane proteins will function as gateways to permit the transport of specific substances across the cell membrane. They will frequently undergo significant conformational changes — that is to say, adjustments of a protein’s tertiary structure in response to binding of a ligand —

in order to move a substance through the membrane. They will be highly hydrophobic and they will aggregate and precipitate in water.

Figure: Schematic diagram of a cell membrane with a mosaic of proteins in a fluid lipid bilayer. A. Integral membrane proteins are anchored to the hydrophobic interior of the membrane by hydrophobic transmembrane segments (light purple), while hydrophilic segments (dark purple) extend outward on one or both sides of the membrane. Peripheral membrane proteins are associated with the membrane surface by weak electrostatic forces. B. An integral membrane protein with multiple α -helical transmembrane segments. Many integral membrane proteins of the cell membrane have carbohydrate side chains attached to the hydrophilic segments on the outer membrane surface. C. A single transmembrane segment of an integral membrane will often be α -helix typically consists of about 20-30 amino acids, represented by small circles.

The peptide sequence that spans the membrane, or the transmembrane segment, will be largely hydrophobic. Depending on the number of transmembrane segments, transmembrane proteins will be classified as single-span (or bitopic; that is to say, that spans the lipid bilayer only one time) or multi-span (polytopic; that is to say, that spans the lipid bilayer several times in accordance with an appropriate expression that has its origin in “THE DIVINE SUPREME

CONFIGURATION” of seven “Divine Particles” and which “THE DIVINE ARCHITECT AND PROJECT MASTER” chose to manifest using such expression; for example for the seven “Divine Particles” in “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” you will have 7-spans or 7-segments, for the six “Formative Divine Particles” in “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” you will have 6-spans or 6-segments divided into two pairs of three, for the twelve gates (the six “Entry Gates” and the six “Exit Gates” along the complete flow path of the “Generative Divine Particle” in “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”) you will have 12-spans or 12-segments, etc...). Some other integral membrane proteins will be designated as monotopic, meaning that they are also permanently attached to the membrane, but do not pass through it. Using the molecular concept at the basis of transmembrane multi-span proteins, all the others configurations of “Divine Particles” that are contained in the “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, including the transitions from one configuration to the next one in the “movement” of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, can be manifested by metaphors throughout the cell life cycle.

A membrane transport protein (or simply transporter) is a membrane protein involved in the movement of ions, small molecules, and macromolecules, such as another protein, across a cell membrane. Transport proteins are integral transmembrane protein; that is they exist permanently within and span the cell membrane across which they transport substances. The proteins may assist in the movement of substances by facilitated diffusion or active transport. The two main types of proteins that will be involved in such transport will be broadly categorized as either channels or carriers. A carrier is not open simultaneously to both the extracellular and intracellular environments. Either its inner gate will be open, or its outer gate will be open. In contrast, a channel (see figure of the cell membrane schematic) can be open to both environments at the same time, allowing the molecules to diffuse without interruption. Carriers will have binding sites, but channels will not. When a channel will be opened, millions of ions will be able to pass through the membrane per second, but only 100 to 1000 molecules typically will pass through a carrier molecule in the same time. Each carrier protein has been designed by “THE DIVINE ARCHITECT AND PROJECT MASTER” to recognize only one substance or one group of very similar substances.

Each cell-surface receptor has three main components: an external ligand-binding domain (extracellular domain), a hydrophobic membrane-spanning region, and

an intracellular domain or protein “specific regulatory region” inside the cell. The size and extent of each of these domains will vary widely, depending on the type of receptor.

There are three general categories of cell-surface receptors: ion channel-coupled receptors, G-protein-coupled receptors, and enzyme-coupled receptors.

Figure: The ion channel-coupled receptor signaling pathway.

ION CHANNEL-COUPLED RECEPTORS — ligand-gated ion channels are ion channels that will be able to bind a “specific ligand” and open a channel through the cell membrane, which will allow specific ions to pass through. To form a channel, this type of cell-surface receptor has been endowed with a membrane-spanning region with a hydrophilic (water-loving) channel through its middle. The channel will let ions cross the membrane without having to touch the hydrophobic core of the phospholipid bilayer.

When a “specific ligand” will bind to the extracellular region of the channel, the structure of the protein will change in such a way that the ions of a particular type, such as Ca^{2+} , K^{+} , or Cl^{-} can pass through. In some cases, the reverse will hold true: the channel will usually be open, and the “specific ligand” binding will cause it to close. Changes in ion levels inside the cell will also cause change in the activity of other molecules, such as ion-binding enzymes and voltage-sensitive

channels, to produce a response. Neurons, or nerve cells, will have ligand-gated channels that will be bound by neurotransmitters.

G-PROTEIN-COUPLED RECEPTORS — G protein-coupled receptors (GPCRs) — also known as seven-(pass)-transmembrane domain receptors, 7TM receptors, heptahelical receptors, serpentine receptor, and G protein-linked receptors (GPLR) — constitute a large protein family of cell surface receptors that will detect molecules outside the cell and activate internal signal transduction pathways and, ultimately, cellular responses. Coupling with G proteins, they are called seven-transmembrane receptors because they pass through the cell membrane seven times. That is to say, the members of the GPCR family will all have seven (7) different protein segments that will cross the cell membrane, and they will transmit “specific signals” inside the cell through a type of protein designated as: G protein.

Why do they pass through the cell membrane seven times, you will ask? Because all together, they represent a manifestation of a metaphor of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”! Still difficult to grasp because you have never seen “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”? Do you remember the placement of the seven firsts “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” outside, in front of and all around “THE SHEKINAH”, before the creation of this first “Specific Energy ‘EARTHLY’ Habitation Domain” in which you live, and which we have indicated in one previous chapter dealing with the production of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” into existence? Those seven “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” to whom “THE DIVINE FORCE” had entrusted the task of “THE GUARDIANSHIP OF THE SHEKINAH”? They were placed in that arrangement so that they themselves, as well as the creatures that will be created into existence in the “Plane Above” grow in “THE KNOWLEDGE OF THE DIVINE”, understand the particulars of “THE DIVINE BODY”, and know that it is through “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” that:

- All “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” came to existence as manifestation of products of this “DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”.
- Everything that should come to existence, in the attribute “NON DIVINE” and coming from “THE DIVINE DOMAIN”, will be a product of this “DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”; it is the meaning of the “‘SPIRIT←SPIRIT’ Body” of the

Archangel MICHAEL going forth and back in the “Specific Energy ‘SPIRIT’ Substance” constituent of “THE SHEKINAH” in order to receive instructions, through “THE DIVINE FORCE”, from “THE DIVINE”, IHVH, our FATHER.

A “cell” with its G protein-coupled receptors (GPCRs) are an expression of that arrangement that was formed by the seven firsts “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” outside, in front of and all around “THE SHEKINAH”; here, the inside of the cell is also an expression of the inside of “THE SHEKINAH”. Such a “cell” with its G protein-coupled receptors (GPCRs) is a self-contained and fully operational “specific structure” through which “created life” is brought forth.⁶²⁰

G protein-coupled receptors (GPCRs) will be found only in eukaryote cells. There is a diversity of G protein-coupled receptors (GPCRs) and they all share a common structure and method of signalling. In terms of structure, G protein-coupled receptors (GPCRs) are characterized by an extracellular N-terminus, followed by seven transmembrane (7-TM) α-helices (TM-1 to TM-7) connected by three intracellular (IL-1 to IL-3) and three extracellular loops (EL-1 to EL-3), and finally an intracellular C-terminus. The G protein-coupled receptor (GPCR) arranges itself into a tertiary structure resembling a barrel, with the seven transmembrane helices forming a cavity within the plasma membrane that serves a ligand-binding domain that is often covered by the second extracellular loop

⁶²⁰ Do you think that these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, disciples of obscurity, who had failed to understand anything at all about that arrangement formed by the seven firsts “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” outside, in front of and all around “THE SHEKINAH”, who declared themselves to be “gods” and who were present and watching the accomplishment of this work of “divine surgery”, understood anything of what “THE DIVINE FORCE” was demonstrating in front of them?

If the G protein-coupled receptors (GPCRs) were to be given the “token of life” and the autonomous ability to choose freely and to act accordingly, and that, using that capacity, they start viewing themselves as the cell “nucleolus” and disrupt their functioning as G protein-coupled receptors (GPCRs), what will happen to the cell that is equipped with such G protein-coupled receptors (GPCRs)?

Read on in the following chapters and observe the behavior of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, who declared themselves to be “gods”, who have “cheated to get their way” and “trampolined” themselves — that is to say, used deceptions and “MALICE” as “trampoline” to place themselves — above the human creature, and you will have the answer to such question by yourself.

(EL-2). The structure of the N- and C-terminal tails of the G protein-coupled receptor (GPCR) will also serve important functions beyond ligand-binding.

G protein-coupled receptors (GPCRs) will bind many different types of “specific ligands”. The “specific ligands” that will bind and activate these receptors include the following five (5) compound types: light-sensitive compounds, odors, pheromones, hormones, and neurotransmitters. The “specific ligands” that will bind and activate these receptors also vary in size from small molecules to peptides to large proteins.

The “Subjective ‘EARTHLY’ Garment” under production will contain over 800 of G protein-coupled receptors (GPCRs), and each binding its own “scent molecule” — such as a particular chemical in perfume — and causes a signal to be sent to the brain, making you smell a smell! When the “specific ligand” associated to a G protein-coupled receptor (GPCR) is not present, a G protein-coupled receptor will wait at the cell membrane in an inactive state.

The G protein-coupled receptors (GPCRs) can be grouped into 6 classes based on sequence homology⁶²¹ and functional similarity:

1. Class A (or 1) — Rhodopsin-like;
2. Class B (or 2) — Secretin receptor family;
3. Class C (or 3) — Metabotropic glutamate/pheromone;
4. Class D (or 4) — Fungal mating pheromone receptors;
5. Class E (or 5) — Cyclic AMP receptors;
6. Class F (or 6) — Frizzled/Smoothed.

Frizzled is a family of G protein-coupled receptor proteins that serves as receptors in the “Wnt signaling pathway”⁶²² and other signaling pathways. When activated, Frizzled leads to activation of Dishevelled — which is a family of proteins involved

⁶²¹ The state of having the same or a similar relation; corresponding, as in relative position or structure and in origin, but not necessarily in function. Homology is contrasted with analogy, which refers to a cognitive process of transferring information or meaning from a particular subject (the analog, or source) to another (the target), or a linguistic expression corresponding to such a process.

⁶²² The “Wnt signaling pathways” are a group of signal transduction pathways which begin with proteins that pass signals into a cell through cell surface receptors. The name Wnt is a portmanteau created from the names Wingless and Int-1. Wnt signaling pathways use either nearby cell-cell communication (paracrine) or same-cell communication (autocrine).

in canonical and non-canonical “Wnt signalling pathways” — in the cytosol. Frizzled proteins also will play key roles in governing cell polarity, embryonic development, formation of neural synapses, cell proliferation, and many other growth processes. These processes will occur as a result of one of three signaling pathways. These include the canonical Wnt/ β -catenin pathway, the noncanonical Wnt/calcium pathway, and the noncanonical planar cell polarity (PCP) pathway. All three pathways will be activated by the binding of a Wnt-protein “specific ligand” to a Frizzled family receptor, which will pass the biological signal to the Dishevelled protein inside the cell.

Smoothened is a protein which, in this “Subjective ‘EARTHLY’ Garment”, will be encoded by the SMO “GENE”. Smoothened acts as a Class Frizzled G protein-coupled receptor that is a component of the hedgehog signaling pathway, a cell-cell communication system critical for embryonic development and adult tissue homeostasis. It is the molecular target of the natural teratogen cyclopamine.

There exist different types of G proteins and they will all bind the nucleotide guanosine triphosphate (GTP) molecule, which they can break down (hydrolyze) to form guanosine diphosphate (GDP) molecule. As we have indicated already, a G protein attached to the nucleotide guanosine triphosphate (GTP) molecule will be active, or “on”, while a G protein attached to guanosine diphosphate (GDP) molecule will be inactive, or “off”. The G proteins that associate with G protein-coupled receptors (GPCRs) are a type made up of three subunits that will be designated as: Heterotrimeric G proteins. When they will be attached to an inactive “specific receptor”, they will be in the “off” form (bound to guanosine diphosphate (GDP) molecule).

Cellular communication using G-protein-linked receptors will occur as a cyclic series of “specific events”.

The G protein-coupled receptor (GPCR) will be activated by an external signal in the form of a “specific ligand” or other “specific signal” mediator. This will create a conformational change in the “specific receptor”; that is to say, an adjustment of a protein’s tertiary structure in response to binding of a ligand. This will cause activation of a G protein. Further effect will depend on the type of G protein. G proteins will be subsequently inactivated by GTPase activating proteins, known as RGS proteins. The regulators of G protein signaling (RGS) are protein structural domains or the proteins that contain these domains, which function to activate the GTPase activity of heterotrimeric G-protein “ α -subunits”. RGS proteins are multi-functional, GTPase-accelerating proteins that promote GTP molecules hydrolysis by the “ α -subunit” of heterotrimeric G proteins, thereby inactivating

the G protein and rapidly switching off G protein-coupled receptor signaling pathways. Upon activation by receptors, G proteins will exchange GDP molecules for GTP molecules, will release them, and dissociate them into a free, active GTP-bound “ α -subunit” and “ $\beta\gamma$ -dimer”, both of which will activate downstream effectors. The cell response — an internal “specific signal” generated by the cell following the achievement of its “specific work” — will be terminated upon GTP molecules hydrolysis by the “ α -subunit”, which can then re-bind the “ $\beta\gamma$ -dimer” and the “specific receptor”. RGS proteins markedly will reduce the lifespan of GTP-bound “ α -subunits” by stabilising the G protein transition state. Whereas “specific receptors” will stimulate GTP molecule binding, RGS proteins will stimulate GTP molecule hydrolysis.

Figure: The G-protein coupled receptors signaling pathway. Heterotrimeric G proteins have three subunits: α , β , and γ . When a signaling molecule binds to a G-protein-coupled receptor in the plasma membrane, a GDP molecule associated with the “subunit α ” is exchanged for GTP molecule. The β and γ subunits dissociate from the “subunit α ”, and a cellular response is triggered either by the “subunit α ” or the dissociated β pair. Hydrolysis of the GTP molecule to GDP molecule terminates the signal. PIP₂ is the phospholipid designated as phosphatidylinositol 4,5-bisphosphate (PIP₂); IP₃ is the lipid designated as

inositol 1,4,5-trisphosphate (IP₃); The diacylglycerol (DAG) is a glyceride consisting of two fatty acid chains covalently bonded to a glycerol molecule through ester linkages.

There are two principal signal transduction pathways involving the G protein-coupled receptors: the cyclic adenosine monophosphate (cAMP) signal pathway and the phosphatidylinositol signal pathway.

When a “specific ligand” will bind to the G protein-coupled receptor (GPCR) it will cause a conformational change in the GPCR; that is to say, an adjustment of a protein’s tertiary structure in response to binding of a ligand. This will allow it to act as a guanine nucleotide exchange factor (GEF). The G protein-coupled receptor (GPCR) will then be able to activate an associated G protein by exchanging the GDP molecule bound to the G protein for a GTP molecule. The “α subunit” of the G protein, together with the bound GTP molecule, can then dissociate from the β and γ subunits to further affect intracellular signaling proteins or target functional proteins directly depending on the “α subunit” type (Gas, Gai/o, Gaq/11, Ga12/13).

THE CYCLIC ADENOSINE MONOPHOSPHATE (cAMP) signal pathway — Cyclic adenosine monophosphate (cAMP, cyclic AMP, or 3',5'-cyclic adenosine monophosphate) is a secondary “specific chemical messenger”. The cyclic adenosine monophosphate (cAMP) is a derivative of adenosine triphosphate (ATP) and will be used for intracellular signal transduction, conveying the cAMP-dependent pathway. The cyclic adenosine monophosphate (cAMP) signal transduction will contain 5 main characters: stimulative hormone receptor (Rs) or inhibitory hormone receptor (Ri); stimulative regulative G-protein (Gs) or inhibitory regulative G-protein (Gi); adenylyl cyclase; protein kinase A (PKA); and the cyclic adenosine monophosphate (cAMP) phosphodiesterase.

- Stimulative hormone receptor (Rs) is a receptor that will be able to bind with stimulative signal molecules, while inhibitory hormone receptor (Ri) is a receptor that will be able to bind with inhibitory signal molecules.
- Stimulative regulative G-protein is a G-protein linked to stimulative hormone receptor (Rs), and its “α subunit” upon activation will be able to stimulate the activity of an enzyme or other intracellular metabolism. On the contrary, inhibitory regulative G-protein is linked to an inhibitory hormone receptor, and its “α subunit” upon activation will be able to inhibit the activity of an enzyme or other intracellular metabolism.

- Adenylyl cyclase is a 12-transmembrane glycoprotein that will catalyze ATP molecule to form the cyclic adenosine monophosphate (cAMP) with the help of cofactor Mg^{2+} (Magnesium ion (+2)) or Mn^{2+} (Manganese ion (+2)). The cyclic adenosine monophosphate (cAMP) produced is a secondary “specific chemical messenger” in cellular metabolism and is an allosteric activator of protein kinase A.
- Protein kinase A is an important enzyme in cell metabolism due to its ability to regulate cell metabolism by phosphorylating specific committed enzymes in the metabolic pathway. It will be also able to regulate specific gene expression, cellular secretion, and membrane permeability. The protein enzyme contains two catalytic subunits and two regulatory subunits. When there is no cyclic adenosine monophosphate (cAMP), the complex is inactive. When the cyclic adenosine monophosphate (cAMP) will bind to the regulatory subunits, their conformation will be altered, causing the dissociation of the regulatory subunits, which will activate the protein kinase A and will allow further biological effects.

These signals then can be terminated by the cyclic adenosine monophosphate (cAMP) phosphodiesterase, which is an enzyme that will degrade the cyclic adenosine monophosphate (cAMP) to 5'-AMP and inactivates protein kinase A.

THE PHOSPHATIDYLINOSITOL SIGNAL PATHWAY — in the phosphatidylinositol signal pathway, the extracellular signal molecule will bind with the G-protein receptor (Gq) on the cell surface and will activate phospholipase C, which is located on the cell membrane. The lipase will hydrolyze phosphatidylinositol 4,5-bisphosphate (PIP₂) into two secondary “specific chemical messengers”: inositol 1,4,5-trisphosphate (IP₃) and diacylglycerol (DAG). IP₃ molecule binds with the IP₃ “specific receptor” in the membrane of the smooth endoplasmic reticulum and mitochondria to open Ca^{2+} (Calcium ion (+2)) channels. The diacylglycerol (DAG) molecule will facilitate activation of the protein kinase C (PKC), which will phosphorylate many other proteins, changing their catalytic activities, leading to cellular responses.

The Ca^{2+} (Calcium ion (+2)) will cooperate with diacylglycerol (DAG) molecule in activating the protein kinase C (PKC) and will be able to activate the Ca^{2+} /calmodulin-dependent protein (CaM) kinase pathway — the CAMK, also written as CaMK, pathway —, in which calcium-modulated protein calmodulin (CaM) will bind Ca^{2+} , will undergo a change in conformation, and will activate the CaM kinase II, which has unique ability to increase its binding affinity to CaM

by autophosphorylation, making the Ca^{2+} /calmodulin-dependent protein (CaM) unavailable for the activation of other enzymes. The kinase will then phosphorylate target enzymes, regulating their activities. The two signal pathways are connected together by Ca^{2+} -CaM, which is also a regulatory subunit of adenylyl cyclase and phosphodiesterase in the cyclic adenosine monophosphate (cAMP) signal pathway.

The Ca^{2+} /calmodulin-dependent protein kinases (CAMKs) class of enzymes are a family of serine/threonine kinases that will mediate many of the secondary “specific chemical messenger” effects of Ca^{2+} . At basal Ca^{2+} levels, CaMKs will be maintained in a dormant state through autoinhibition, which can be relieved by increases in Ca^{2+} levels. They will be activated by increases in the concentration of intracellular calcium ions (Ca^{2+}) and calmodulin. When activated, the enzymes will transfer phosphates from ATP molecules to defined serine or threonine residues in other proteins, so that they will become serine/threonine-specific protein kinases. Activated CAMK will be involved in the phosphorylation of transcription factors and therefore, in the regulation of expression of responding “GENES”. The Ca^{2+} /calmodulin-dependent protein kinases (CAMKs) will also work to regulate the cell life cycle, rearrangement of the cell cytoskeletal network, and mechanisms involved in the learning and memory.

Numerous cells signaling pathways exist for the minerals, vitamins and electrolytes that are essential for mediating signals for the proper functioning of cells: this includes cell growth, cell-cycle progression, differentiation, transcription, translation, glucose metabolism, cell shrinkage, nuclear fragmentation, chromatin condensation and membrane blebbing, gene regulation mechanisms, cell survival and “COMBAT” — the process of “HEALING” in order to annihilate any cause of cell malfunction. The primary mineral that will facilitate the “COMBAT” is zinc, a vital mineral that will be found in every cell for many purposes and throughout almost all “specific processes” carried out by a cell, including the production of insuline, which is the main protein for anabolic “specific processes” of this “Subjective ‘EARTHLY’ Garment”. Anabolic “specific processes” are those “specific processes” designed and established by “THE DIVINE ARCHITECT AND PROJECT MASTER” to autonomously build tissues and organs from cells. Those anabolic “specific processes” will produce growth and differentiation of cells and increase in the size of the “Subjective ‘EARTHLY’ Garment” through the synthesis of complex molecules. Examples of anabolic “specific processes” will include the growth and mineralization of bone and increases in muscle mass. Other minerals that will facilitate the “COMBAT” include Manganese, Magnesium and copper —, etc...

Cellular communication using G protein-coupled receptors is a cycle, one that can repeat over and over in response to “specific ligand” binding. G protein-coupled receptors play many different roles in the different types of cells and disruption of G protein-coupled receptor (GPCR) signaling will cause a malfunction and the “cell” will not be able to fulfill the purpose for which it has been designed.

As we have already indicated, when such disruptions occur in the cell, we speak of “DISOBEDIENCE” to “THE DIVINE”, IHVH, our FATHER, we also say that the “cell” is not in “HARMONY” with “THE DIVINE”, IHVH, our FATHER. Such “cell” which presents one or more malfunctions is said to be “SICK”; that is, it carries a “DISEASE” in it. When this happens, “specific processes” which have been designed and established “THE DIVINE ARCHITECT AND PROJECT MASTER” will trigger the “COMBAT”, the process of “HEALING” in order to annihilate the cause of malfunction and to restore “HARMONY” with “THE DIVINE”, IHVH, our FATHER: this will restore the “cell” to its functional state without damage or replace the “cell” with a new one. If the local “COMBAT” that will take place at the location of the “cell” that carries a “DISEASE” in the “Subjective ‘EARTHLY’ Garment” fails to achieve its purpose, then the “Subjective ‘EARTHLY’ Garment” will send out a distress signal to the “‘SPIRIT←LIGHT’ Body” for an internal intervention. We have already explained these things in the chapter concerning the functioning of the “Specific Energy ‘SPIRIT←LIGHT’ Bridge”. Such possible disruption of G protein-coupled receptor (GPCR) signaling is just one of hundreds of malfunctions that can take place in the “cell”. In the case where the transfer of forces, the exchange of communication (reception and transmission of instructions, specific signals), between the “Subjective ‘EARTHLY’ Garment” and the “Specific Energy ‘SPIRIT’ Substance” of the “‘SPIRIT←LIGHT’ Body” that will wear this “Subjective ‘EARTHLY’ Garment”, will be necessary, then, only the “HARMONY” of the “‘SPIRIT←LIGHT’ Body” with “THE DIVINE”, IHVH, our FATHER will allow to carry out the process of “HEALING”. In order for such a “HARMONY” with “THE DIVINE”, IHVH, our FATHER to be established, the “‘SPIRIT←LIGHT’ Body” must be in “PURITY”: it is the “sine qua non” condition, that is to say, the indispensable and essential ingredient without which there could not be “HARMONY” with “THE DIVINE”, IHVH, our FATHER.

Thus it is that, for the proper functioning of a cell, the cellular microenvironments (both the “Specific ‘SPIRITUAL’ Environment” for the transfer of “‘EARTHLY’ specific supply of subsistence” and the “Specific ‘EARTHLY’ Environment” for the operational aspect of the cell) external and immediate around the cell must be

kept in “PURITY” conditions, out of any “IMPURITY” and pathogen agent, and the “specific receptors” must be kept unobstructed, not perturbed.⁶²³

RECEPTOR TYROSINE KINASES (RTKs) — Receptor tyrosine kinases (RTKs) are a class of enzyme-linked receptors found in this “Subjective ‘EARTHLY’ Garment” under production. A kinase is just a name for an enzyme that transfers phosphate groups to a protein or other target, and a receptor tyrosine kinase transfers phosphate groups specifically to the amino acid tyrosine. In the receptor tyrosine kinases (RTKs) signalling, signaling molecules will first bind to the extracellular domains of two nearby receptor tyrosine kinases. The two neighboring receptors will then come together, or dimerize. The receptors also attach phosphates to tyrosines in each others’ intracellular domains. The phosphorylated tyrosine can transmit the signal to other molecules in the cell. In many cases, the phosphorylated receptors will serve as a docking platform for other proteins that will contain special types of binding domains. A variety of proteins will contain these domains, and when one of these proteins will bind, it will be able to initiate a downstream signaling cascade that will lead to a cellular response. Receptor tyrosine kinases are crucial to many signaling processes in this “Subjective ‘EARTHLY’ Garment” under production. For instance, they will bind to growth factors, signaling molecules that will promote cell division and survival. Growth factors will include platelet-derived growth factor (PDGF), which will participate in the “HEALING” process, and nerve growth factor (NGF), which must be continually supplied to certain types of neurons to keep them alive.

The mitogen-activated protein kinases (MAPK), also designated as the extracellular signal-regulated kinases (ERK), pathway (also designated as the Ras (Small GTPase, or Small G-proteins enzymes)-Raf (Rapidly Accelerated Fibrosarcoma)-MEK (Mitogen/Extracellular signal-regulated Kinase)-ERK pathway) is a chain of proteins in the cell that communicates a “specific signal” from a “specific receptor” on the surface of the cell to the DNA in the nucleus of the cell.

The coding of the internal “specific signal” starts when a signaling molecule binds to the “specific receptor” on the cell surface and ends when the cell has completed its “specific work” and emitted its output “specific signal” in return, and adopted the associated predefined “specific behaviour”. The pathway includes many

⁶²³ See conversation of July 01, 2005, Aristide with the Archangel RAPHAEL, on how to cleanse an organ; to rid it of impurities, rid it of everything which, like bacteria, infectious particle, etc ..., is detrimental to its proper functioning.

proteins that communicate by adding phosphate groups to a neighboring protein (phosphorylating it), which acts as an “on” or “off” switch.

Figure: The enzyme-coupled receptors signaling pathway. PIP₂ is the phospholipid designated as phosphatidylinositol 4,5-bisphosphate (PIP₂); PIP₃ is the phospholipid designated as phosphatidylinositol (3,4,5)-trisphosphate (PIP₃); IP₃ is the lipid designated as inositol 1,4,5-trisphosphate (IP₃); and AKT is the protein kinase B; Insulin receptor substrate 1 (IRS-1) is a signaling adapter protein that “THE DIVINE FORCE” has encoded by the IRS-1 “GENE” in this “Subjective ‘EARTHLY’ Garment” under production; PTEN is a protein tyrosine phosphatase for IRS1, it is a “GENE” on chromosome 10Q23.3 which encodes PTEN (phosphatase and tensin homolog), a phosphatidylinositol-3,4,5-trisphosphate 3-phosphatase protein, which acts as a tumour suppressor by negatively regulating the AKT/PKB-signalling pathway.

Overall, the extracellular mitogen will bind to the cell membrane “specific receptor”. This will allow the Ras (a Small GTPase) enzyme to swap its guanosine diphosphate (GDP) molecule for a guanosine triphosphate (GTP) molecule. It will then be in a position to activate MAP3K, which activates MAP2K, which activates MAPK.

Receptor-linked tyrosine kinases such as the epidermal growth factor receptor (EGFR) will be activated by extracellular ligands, such as epidermal growth factor (EGF). Binding of EGF to the EGFR will activate the tyrosine kinase activity of the cytoplasmic domain of the receptor. The EGFR will become phosphorylated on tyrosine residues. Docking proteins such as the growth factor receptor-bound

protein 2 (GRB2) contain a proto-oncogene tyrosine-protein kinase (SARCOMA) homology 2 (SH2) domain — a structurally conserved protein domain contained within the proto-oncogene tyrosine-protein kinase (SARCOMA) oncoprotein and in many other intracellular signal-transducing proteins — that will bind to the phosphotyrosine residues of the activated receptor. GRB2 will bind to the guanine nucleotide exchange factor (GEF) designated as the SOS — “Son of Sevenless” “homology” 1, or “Son of Sevenless” “GENE” 1, is a protein that “THE DIVINE FORCE” has encoded by the SOS1 “GENE” in this “Subjective ‘EARTHLY’ Garment” under production — by way of the two proto-oncogene tyrosine-protein kinase (SARCOMA) homology 3 (SH3) domains of GRB2. When the GRB2-SOS complex will dock to a phosphorylated EGFR, the “Son of Sevenless” “GENE” will become activated. An activated “Son of Sevenless” “GENE” will then promote the removal of the GDP molecule from a member of the Ras (a Small GTPase) enzyme subfamily (most notably H-Ras or K-Ras). The Ras (Small GTPase) enzyme will then be able to bind a GTP molecule and become active.

Apart from EGFR, other cell surface receptors that can activate this pathway via GRB2 include receptor tyrosine kinases (RTKs) A and B, Fibroblast growth factor receptor (FGFR) and PDGFR. The Growth factor receptor-bound protein 2 also known as GRB2 is an adaptor protein involved in signal transduction/cell communication. In this “Subjective ‘EARTHLY’ Garment”, the GRB2 protein will be encoded by the GRB2 “GENE”.

In this enzyme-coupled receptors category, when the insulin receptor binds insulin, ❶, the activated receptor will phosphorylate the IRS-1 protein. The IRS-1 protein can lead to recruitment of GRB2, activating the Ras pathway. ❷ The IRS-1 protein will activate the PI 3-kinase, which will catalyze the addition of a phosphate group to the membrane lipid PIP2, thereby converting it to PIP3. PTEN will be able to convert PIP3 back to PIP2. ❸ PIP3 will bind a protein kinase designated as AKT, which will be activated by other protein kinases. ❹ AKT will catalyze phosphorylation of key proteins, leading to an increase in glycogen synthase activity and recruitment of the glucose transporter, GLUT4, to the cell membrane.

TWO TYPES OF CELLULAR LIGANDS

There are also two main types of “specific ligands”: “specific ligands” that will bind to receptors inside the cell, and which will be designated as intracellular ligands, and “specific ligands” that will bind to receptors outside the cell, and which will be designated as extracellular ligands. These two main types of

“specific ligands” can be classified further into three categories: hormones, neurotransmitters, and cytokines.

HORMONES — hormones will be the major signaling molecules of the endocrine system, though they will often regulate each other’s secretion via local signaling (e.g. islet of Langerhans cells), and most will also be expressed in tissues for local purposes (e.g. angiotensin). A hormone will be any member of a class of glands produced signaling molecules that are transported by the circulatory system to target distant organs to regulate physiology and behavior. The term “hormone” will be sometimes extended to include chemicals produced by cells that affect the same cell (autocrine or intracrine signaling) or nearby cells (paracrine signalling). The glands that secrete hormones comprise the endocrine signaling system. Hormones will have diverse chemical structures, mainly of three classes:

1. Eicosanoids — these will be signaling molecules made by the enzymatic or non-enzymatic oxidation of arachidonic acid or other polyunsaturated fatty acids (PUFAs) that are, similar to arachidonic acid, 20 carbon units in length. Eicosanoids will be a sub-category of oxylipins, i.e. oxidized fatty acids of diverse carbon units in length, and they will be distinguished from other oxylipins by their overwhelming importance as cell signaling molecules.
2. Steroids — these will be biologically active organic compound with four rings arranged in a specific molecular configuration. Steroids will have two principal biological functions: as important components of cell membranes which alter membrane fluidity; and as signaling molecules. The steroid core structure will be typically composed of seventeen carbon atoms, bonded in four “fused” rings: three six-member cyclohexane rings and one five-member cyclopentane ring. Steroids will vary by the functional groups attached to this four-ring core and by the oxidation state of the rings. Sterols are forms of steroids with a hydroxy group at position three and a skeleton derived from cholestane.
3. Amino acid/protein derivatives (amines, peptides, and proteins) — these will be organic compounds that contain amine ($-NH_2$) and carboxyl ($-COOH$) functional groups, along with a side chain (R group) specific to each amino acid. The key elements of an amino acid are carbon (C), hydrogen (H), oxygen (O), and nitrogen (N), although other elements will be found in the side chains of certain amino acids. Amino acid/protein derivatives can be classified according to the core structural functional groups’ locations as alpha- (α -), beta- (β -),

gamma- (γ -) or delta- (δ -) amino acids; other categories will relate to polarity, pH level, and side chain group type (aliphatic, acyclic, aromatic, containing hydroxyl or sulfur, etc.). In the form of proteins, amino acid residues will form the second-largest component (water is the largest) of muscles and other tissues of this “Subjective ‘EARTHLY’ Garment” under production. Beyond their role as residues in proteins, amino acids will participate in a number of processes such as neurotransmitter transport and biosynthesis.

Hormones will serve to communicate between organs and tissues for physiological regulation and behavioral activities such as digestion, metabolism, respiration, tissue function, sensory perception, sleep, excretion, lactation, stress induction, growth and development, movement, reproduction, and mood manipulation. Amino acid—based hormones (amines and peptide or protein hormones) are water-soluble and they will act on the surface of target cells via secondary “specific chemical messengers”; steroid hormones, being lipid-soluble, will move through the cell membranes of target cells (both cytoplasmic and nuclear) to act within their nuclei.

NEUROTRANSMITTERS — neurotransmitters will be signaling molecules of the nervous system, also including neuropeptides and neuromodulators, to transmit messages between neurons or from neurons to other tissues. Communication between two neurons will take place in the synaptic cleft (the small gap between the synapses of neurons). Here, electrical signals that have travelled along the axon will be briefly converted into chemical ones through the release of neurotransmitters, causing a specific response in the receiving neuron. A neurotransmitter will influence a neuron in one of three ways: excitatory, inhibitory or modulatory.

Once neurotransmission will occur, the neurotransmitter will be removed from the synaptic cleft so that the postsynaptic membrane can “reset” and be ready to receive another signal. This will be accomplished in three ways: the neurotransmitter can diffuse away from the synaptic cleft, it can be degraded by enzymes in the synaptic cleft, or it can be recycled (sometimes called reuptake) by the presynaptic neuron.

Figure: Communication at chemical synapses requires release of neurotransmitters. When the presynaptic membrane is depolarized, voltage-gated Ca^{2+} channels open and allow Ca^{2+} to enter the cell. The calcium entry causes synaptic vesicles to fuse with the membrane and release neurotransmitter molecules into the synaptic cleft. The neurotransmitter diffuses across the synaptic cleft and binds to ligand-gated ion channels in the postsynaptic membrane, resulting in a localized depolarization or hyperpolarization of the postsynaptic neuron.

CHEMICAL AND ELECTRICAL SYNAPSES IN NEUROTRANSMITTERS

The synapse or “gap” is the place where information will be transmitted from one neuron to another. Synapses will often form between axon terminals and dendritic spines. There will also be axon-to-axon, dendrite-to-dendrite, and axon-to-cell body synapses. The neuron transmitting the “specific signal” will be designated as the presynaptic neuron, and the neuron receiving the “specific signal” will be designated as the postsynaptic neuron. There will be two types of synapses: chemical and electrical.

CHEMICAL SYNAPSE — when an action potential will reach the axon terminal it will depolarize the membrane and open the voltage-gated Na^+ channels. Na^+ ions will enter the cell, further depolarizing the presynaptic membrane. This depolarization will cause the voltage-gated Ca^{2+} channels to open. Calcium ions entering the cell will initiate a signaling cascade that will cause small membrane-bound vesicles, designated as synaptic vesicles, containing neurotransmitter molecules to fuse with the presynaptic membrane.

Fusion of a vesicle with the presynaptic membrane will cause neurotransmitter to be released into the synaptic cleft, the extracellular space between the presynaptic and postsynaptic membranes. The neurotransmitter will diffuse across the synaptic cleft and will bind to receptor proteins on the postsynaptic membrane.

ELECTRICAL SYNAPSE — while electrical synapses will be fewer in number than chemical synapses, they will be found in all nervous systems and play important

and unique roles. The mode of neurotransmission in electrical synapses will be quite different from that in chemical synapses. In an electrical synapse, the presynaptic and postsynaptic membranes will be very close together and will actually physically be connected by channel proteins forming gap junctions. Gap junctions will allow current to pass directly from one cell to the next. In addition to the ions that carry this current, other types of molecules, such as ATP molecules, will be able to diffuse through the large gap junction pores.

There are key differences between chemical and electrical synapses. Because chemical synapses depend on the release of neurotransmitter molecules from synaptic vesicles to pass on their “specific signal”, there will be an approximately one millisecond delay between when the axon potential will reach the presynaptic terminal and when the neurotransmitter will lead to opening of postsynaptic ion channels. Additionally, this signaling is unidirectional. Signaling in electrical synapses, in contrast, will be virtually instantaneous, and some electrical synapses are bidirectional.

The binding of a specific neurotransmitter will cause particular ion channels, for example the ligand-gated channels, on the postsynaptic membrane to open. Neurotransmitters will either have excitatory or inhibitory effects on the postsynaptic membrane. Release of neurotransmitter at inhibitory synapses will cause inhibitory postsynaptic potentials (IPSPs), a hyperpolarization of the presynaptic membrane.

CYTOKINES.— cytokines (meaning “cell movement”) are a group of small proteins used as signaling molecules of the immune system, with a primary paracrine or juxtacrine role. They will be produced by a wide range of cells, which will be designated as macrophages, lymphocytes, mast cells, endothelial cells and fibroblasts, and they will be responsible for producing some of the cardinal signs of inflammation. An inflammation will be a result of exposure of a healthy cell to harmful stimuli produced by anything distinguished from the “Subjective ‘EARTHLY’ Garment” healthy cells and which is detrimental to its proper functioning. Cytokines will be key modulators of cell inflammation. As there are many types of cytokines, they have been placed into different classes including: chemokines, interferons, interleukins, lymphokines and tumour necrosis factors.

CHEMOKINES.— Chemokines are cytokines that will induce directed chemotaxis (chemical-induced migration) in local cells. That is to say, on release of chemokines, local cells will be attracted to these proteins and follow their concentration gradient to the source, where the concentration is highest. The source is where the chemokines will be originally released and where the cells that

will be attracted will be most needed. Chemokines will be mainly produced by macrophages cells during infection. Chemokines will have a variety of actions, such as:

- Pro-inflammatory — recruiting immune cells to the site of infection;
- Normal cell migration — attracting cells required for angiogenesis: the process for the formation of new blood vessels. The angiogenesis process will involve the migration, growth, and differentiation of endothelial cells, which will line the inside wall of blood vessels. This angiogenesis process will be controlled by chemokines. Some of these chemokines, such as vascular endothelial growth factor (VEGF), will bind to receptors on the surface of a healthy endothelial cell. When VEGF and other endothelial growth factors bind to their receptors on an endothelial cell, internal “specific signals” within a healthy endothelial cell are initiated in order to promote the growth and survival of new blood vessels. Other of these chemokines, designated as angiogenesis inhibitors, will interfere with blood vessel formation. The angiogenesis stimulating and inhibiting effects of chemokines will be in a state of equilibrium reflecting the state of “HARMONY” with “THE DIVINE”, IHVH, our FATHER, so that blood vessels will form only when and where they will be needed, such as during the “GROWTH” process or during the “HEALING” process. Disruption of such state of equilibrium reflecting the state of “HARMONY” with “THE DIVINE”, IHVH, our FATHER will cause a malfunction in the promotion of growth and survival of new blood vessels and the “cell” will not be able to fulfill the purpose for which it has been designed. As we have already indicated, in such cases we speak of “DISOBEDIENCE” to “THE DIVINE”, IHVH, our FATHER, we also say that the “cell” is not in “HARMONY” with “THE DIVINE”, IHVH, our FATHER. Such “cell” which presents one or more malfunctions is said to be “SICK”; that is, it carries a “DISEASE” in it. When this happens, “specific processes” which have been designed and established “THE DIVINE ARCHITECT AND PROJECT MASTER” will trigger the “COMBAT”, the process of “HEALING” in order to annihilate the cause of malfunction and to restore “HARMONY” with “THE DIVINE”, IHVH, our FATHER.

Interferons — Interferons are cytokines that will be released by host cells in response to pathogens (e.g. infectious particles and bacteria) and tumour cells. Interferons will have a number of roles, including:

- Interfere (hence their name) with viral replication to facilitate the “COMBAT”, the process of “HEALING” in order to annihilate the pathogens and to restore “HARMONY” with “THE DIVINE”, IHVH, our FATHER — for example, interferon- α and interferon- β ;
- Activate macrophages — for example, interferon- γ ;
- Increase the expression of the major histocompatibility complex (MHC) molecule. The major histocompatibility complex (MHC) molecules are glycoproteins that “THE DIVINE FORCE” has encoded in a large cluster of “GENES” (designated as the leukocyte antigens (HLA)) located on chromosome 6 in this “Subjective ‘EARTHLY’ Garment” under production. The acronym MHC will be also used to designate the region located on the short arm of chromosome 6P21.31 in this “Subjective ‘EARTHLY’ Garment” and which will contains more than 200 “GENES”. The function of the major histocompatibility complex (MHC) molecules is to bind peptide fragments derived from pathogens and display them on the cell surface for recognition by the appropriate T cells. The consequences will be the annihilation of pathogens — pathogens-infected cells will be erased from existence, macrophages will be activated to destroy the pathogens living in intracellular vesicles, and B cells will be activated to produce antibodies that will eliminate or neutralize extracellular pathogens.⁶²⁴ We will elaborate on this in another section below concerning the immune system.

ספר
הארץ
העליון

⁶²⁴ This also clarifies to you (reading these writings) why those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” disciples of “obscurity” who carried with them all their filth and the mark of “DEATH” were to be erased from existence in the attribute “NON DIVINE”, before the implementation of the “Second Phase” of “THE HOLY PROJECT” and why “THE DIVINE”, IHVH, our FATHER had informed the Archangel MICHAEL about such things. The Archangel MICHAEL, drowned in his own “obscurity”, decided to outsmart “THE TRUTH”; just like if a T cell that has received information about an identified extracellular pathogen, would decide to keep the pathogen alive and relocate it into a different healthy cell.

You have understood already that the creatures are manifestations of metaphors of products that are produced in “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” and to which were added a purpose to their manifestations in the

Interleukins — interleukins (IL) will be cytokines that will be produced by T leucocytes, monocytes and macrophages of the innate immune system. They will have a wide range of functions, including among others:

- Promotion of the production and differentiation of B and T lymphocytes — for example, IL-1 α / β , IL-4, IL-7 and IL-21;
- Activation of neutrophils and natural killer cells — for example, IL-2, IL-8 and IL-12;
- Production of detectable signs — interleukin-6 (IL-6) will cause the elevated temperature (fever) which will inhibit microbial growth and raises the acute phase proteins CRP which is associated with inflammation;
- Promotion of vascular permeability, allowing faster recruitment of cells involved in immunity and causing swelling;
- Etc...

attribute “NON DIVINE”, and (or not) a unique provision of “THE INTELLECT OF THE DIVINE”, and (or not) a unique provision of “THE DIVINE FORCE”. It is thus that, to these creatures, were given the “token of life” and the autonomous ability to choose freely and to act accordingly. However, they all remain manifestations of metaphors of products that are produced in “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” and their “specific behaviour”, which is regulated by the Governing Law of the Behavior, the manifestation of “The Walk within the Acronym IHVH”, is no different than that of the “cell”. “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed and established all of the least details about the proper functioning of a “cell” and all of the least details on how to remedy any malfunction of a “cell”. Because of the autonomous ability to choose freely and to act accordingly, some of these creatures can be damaged beyond repair (e.g. if the “Quintessential Substance” of the creature has been damaged) by their own choices and become similar to pathogens-infected cells, in which case they must be erased from existence.

FORMS OF CELLULAR COMMUNICATION

In this “Subjective ‘EARTHLY’ Garment” under production, cellular communication will occur either through release into the extracellular fluid, in which case the communication will be divided in paracrine signaling (over short distances) and endocrine signaling (over long distances), or by direct contact, in which case the communication will be designated as juxtacrine signaling. Autocrine signaling is a special case of paracrine signaling where the secreting cell will have the ability to respond to the secreted signaling molecule. Synaptic signaling is a special case of paracrine signaling (for chemical synapses) or juxtacrine signaling (for electrical synapses) between neurons and target cells.

THE CELL MEMBRANE ELECTRIC POTENTIAL

As we indicated already, in much the same as all “Divine Particles” are always in movement, each “Divine Particle” in movement in itself and in relation to others, and their movements are not disordered, “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed and established such features to be applied to the “Specific Atomic ‘EARTHLY’ Substance” and all its constituents. It is so that, by inheritance, all “Specific Molecular ‘EARTHLY’ Substances” will also have such features. Consequently, the cell membrane and its constituent lipids and proteins will be constantly in movement while regulating which materials can pass in or out of the cell.

One of the fantastic achievements of “THE DIVINE ARCHITECT AND PROJECT MASTER” in the design of the cell membrane at the submicroscopic scale and its constituents at the nanometric scale and which has been implemented by “THE DIVINE FORCE” is the ability of the cell membrane in movement to regulate the concentration of substances inside the cell, as the cell undergoes the process of cellular respiration and performs its assigned “specific work”. These substances include: ions such as Ca^{2+} , Na^{+} , K^{+} , and Cl^{-} ; nutrients such as sugars, fatty

acids, and amino acids; and waste products, particularly carbon dioxide (CO₂), which must leave the cell, which itself is a highly specialized proteins manufacturing factory, having its own internal supply chain and quality control units.

The cell membrane's lipid bilayer structure will provide the first level of regulation of the concentration of substances inside the cell. The structure of the phospholipids will cause the cell membrane to be selectively permeable. A membrane that has selective permeability allows only substances meeting certain criteria to pass through it unaided. In the case of the cell membrane, only relatively small, nonpolar materials will be able to move through the lipid bilayer (remember, the lipid tails of the membrane are nonpolar). Some examples of these are other lipids, oxygen and carbon dioxide gases, and alcohol. However, water-soluble materials — like glucose, amino acids, and electrolytes — will need some assistance to cross the cell membrane because they are repelled by the hydrophobic tails of the phospholipid bilayer. All substances that will move through the cell membrane will do so by one of two general methods, which are categorized based on whether or not energy is required. Passive transport will be the movement of substances across the membrane without the expenditure of cellular energy. In contrast, active transport will be the movement of substances across the membrane using a high energy molecule like the adenosine triphosphate (ATP) molecule.

A concentration gradient is the difference in the concentration of a substance across a space. Diffusion is the movement of molecules from an area of higher concentration to an area of lower concentration and the net rate of movement is proportional to the difference in concentration. The continuous movement of the cell membrane will cause the molecules (or ions) to spread/diffuse from where they are more concentrated to where they are less concentrated until they are equally distributed in that microenvironment space. When molecules move in this way, they are said to move down their concentration gradient. Diffusion will be the dominant mechanism by which the exchange of nutrients and waste products will take place in the cell; it will also be the driving force that will facilitate the movement of key materials around the inside of the cell.

As you would know already, although a “Specific Molecular ‘EARTHLY’ Substance” is electrically neutral in its equilibrium state, that is to say, that which is associated with the fundamental “‘EARTHLY’ specific supply of subsistence” and with the “movement”, considered in relation to defined benchmarks, and considered in relation to the absence of “movement”, and which has been defined for the “Specific Molecular ‘EARTHLY’ Substance”, it can be charged positively or

negatively by inheritance to its constituents “Specific Atomic ‘EARTHLY’ Substances” when they will experience interaction under the influence of an electromagnetic field developed in the microenvironment containing the cell. It is so that, both the extracellular fluid, which is an extensive network of extracellular macromolecules, such as collagen, enzymes, and glycoproteins, which provide structural and chemical support in the microenvironment containing the cell, and the intracellular fluid contained inside the cell, will have positively and negatively charged materials. These electrical charges will also interact with and impact the transport of material through size-based, hydrodynamic, and/or electrostatic interactions. They will exert an electric force on ions and molecules to keep them inside or outside of the cell. Just as ions and molecules diffuse down their concentration gradient, the electric force associated with the electrical gradient (that is to say, the electrical charge difference) between the extracellular and intracellular fluid will also affect the attraction or repulsion of the electrically charged ions and molecules on the opposite side of the cell membrane. The greater the electrical gradient the more strongly ions and molecules will be attracted to a concentration with their opposite charge and the more strongly they will be repelled by a concentration with their same charge.

The electric energy associated with electric forces of attraction and repulsion between these ions and molecules is designated as the potential electric energy. It is the electric energy held by these ions and molecules because of their composition, or arrangement, and their position in the microenvironment containing the cell and within the cell.

It is also so that, as the cell undergoes the process of cellular respiration and performs its assigned “specific work”, the cell membrane will also have an electric potential energy by virtue of its position relative to: (1) the ions and molecules that are in the microenvironment both inside and outside of the cell, (2) stresses within itself, (3) its electric charge, and (4) other factors. Numerous factors will influence the electric potential energy of the cell membrane potential and they include the numerous types of ion channels.

Both concentration gradients and simple electrical gradients will affect the transport of ions and molecules into and out of cells. These two gradients can work together or work against each other. The sum of these two gradients will be designated as the electrochemical gradient and it will determine the direction and speed of ion and molecules transport across the membrane.

When both gradients will be oriented in the same direction their combined effect will make for rapid transport of ions across the membrane. When the two

gradients will be oriented in opposite sides to each other, the transport will be slowed or stopped.

When the electrochemical gradient is zero, the cell is said to be in a quiescent state and the relatively state of the cell membrane is designated as the “membrane resting state”. The electric potential energy of the cell membrane at the “membrane resting state” will be designated as the cell membrane resting potential. It is the amount of “specific work” needed to move a unit of electric charge from a defined benchmark to a “specific value” without producing an acceleration.

Opening of the cell membrane channels will cause a change in the cell membrane resting potential, resulting in a change within a cell, during which the cell will undergo a shift in electric charge distribution and will alter the ability of particular types of ions to enter or exit the cell. In this process, the negative internal electrical charge of the cell temporarily can become more positive (less negative), in which case one will speak of a depolarization. This shift from a negative to a more positive membrane electrical potential can occur during several “specific processes”. Such the depolarization can be so large that the potential difference across the cell membrane briefly will reverse polarity, with the inside of the cell becoming positively charged. Such change in electrical charge typically will occur due to an influx of sodium ions into a cell, although it can be mediated by an influx of any kind of cation or efflux of any kind of anion. The opposite of a depolarization will be designated as a hyperpolarization.

The cell membrane electrical potential will have two basic functions. First, it will allow a cell to function as a “specific battery”, providing power to operate a variety of “molecular devices” embedded in the cell membrane. Second, in electrically excitable cells such as neurons and muscle cells, it will be used for the transmission of “specific signals” between different parts of a cell and for communication with either adjacent or more distant cells. In non-excitable cells, and in excitable cells in their quiescent states, the cell membrane electrical potential will be held at the cell membrane resting potential.

THE CELL MEMBRANE ELECTRICAL POTENTIAL FOR ACTION

When the cell membrane electrical potential will rapidly rise and fall at a given cell location, as the cell undergoes the process of cellular respiration and performs its assigned “specific work”, there will occur that, which will be designated as an “electrical potential for action”, a depolarization that will subsequently cause adjacent cell locations to similarly depolarize. It will thus be an expression

downstream of an action signal emitted upstream by “THE SEAT OF THE INTELLECT” that itself is in the “‘SPIRIT←LIGHT’ Body”.

In “specific specialized cells” that will be designated as neurons, electrical potentials for action will play a central role in cell-to-cell communication by providing for — or with regard to saltatory conduction, assisting — the propagation of “specific signals” along the neuron’s axon (or nerve fiber; the long, slender projection of a nerve cell) toward synaptic boutons situated at the ends of an axon (see figure); these “specific signals” will then connect with other neurons at synapses, or to motor cells or glands.

Figure: multipolar neuron cell diagram.⁶²⁵

⁶²⁵ Take a close look at that neural cell, see beyond the diagram and try to get an idea about: (1) the logic that is in that cell; (2) the in-depth reflection and the scope of the “INTELLECTUAL” work that was deployed to design such a cell; (3) “THE SCIENCE” which is in such a neural cell and the origin of that “SCIENCE”.

Remember also that you are “in the box”, inside the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain” in

In other types of cells, the main function of electrical potentials for action will be to activate intracellular processes. In muscle cells, for example, an electrical potential for action will be the first step in the chain of events that will lead to contraction. In beta cells of the pancreas, they will provoke release of insulin.

which you live right now. Since you cannot receive “VISIONS” communication to see the work that “THE DIVINE FORCE” is performing, you can still picture it as follows: close your eyes, focus and project yourself (in mind) outside of this first “Specific Energy ‘EARTHLY’ Habitation Domain” and observe what “THE DIVINE FORCE” is achieving: at the microscopic scale and below, SHE is “sewing” this “Subjective ‘EARTHLY’ Garment” as integral and delineated part of the “Specific Energy ‘EARTHLY’ Substance” in the attribute “NON DIVINE”: that is, SHE is “working out” a cohesive subset and carved in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”. When CHRIST had explained these things to human creatures, when HE was still living here on Earth, HE had used the terminology of “tilled ground” in His parables.

From that pictured idea, see a vision of the GREATNESS of “THE DIVINE”, IHVH, our FATHER, by which HE has revealed Himself through this “Subjective ‘EARTHLY’ Garment”, which is been sculpted by “THE DIVINE FORCE”, in the “Specific Energy ‘EARTHLY’ Substance” and as an integral and delineated part of the “Specific Energy ‘EARTHLY’ Substance”: a GREATNESS beyond words and letters; a GREATNESS that dominates the murmur of syllables and sounds.

Meditate on “THE ‘DIVINE’ REASON”, which is associated to “THE ‘DIVINE’ LOGIC”. Meditate about “THE DIVINE ARCHITECT AND PROJECT MASTER” who, in “ABSOLUTE PURITY”, from the “Specific Elementary ‘SPIRIT’ Particle”, designed and established such highly specialized communication unit at microscopic scale. Meditate about “THE DIVINE FORCE” who, in “ABSOLUTE PURITY”, manifested and implemented all the variants of such a highly specialized communication unit on a microscopic scale inside the “Subjective ‘EARTHLY’ Garment” that you, as human creature, wear. “THE DIVINE FORCE” operates at scales below the subnuclear scale. It is so that, the “sewing” of this “Subjective ‘EARTHLY’ Garment” at the microscopic scale by “THE DIVINE FORCE” was for HER like a “child play” with “logo building blocks development tools”; and indeed, “THE DIVINE FORCE” was producing and arranging the “building blocks of life” (that is to say, the “cells”) for this “Subjective ‘EARTHLY’ Garment” and simultaneously SHE was “sewing” this “Subjective ‘EARTHLY’ Garment”.

When “THE DIVINE FORCE” shows you these things in the “VISIONS” and through “THE EYE OF THE DIVINE”, it is as if your eye was equipped with a magnifying glass, and that you “zoom in” and “zoom out” at a scale below the microscopic scale at will, just by “thinking”. It will seem to be fiction to you (who are reading these writings), but it is not fiction, it is a serious business.

Above all, meditate on yourself regarding your relationship with “THE DIVINE FORCE” and regarding your relationship with “THE DIVINE”, IHVH, our FATHER.

Electrical potentials for action in neurons will also be designated as “nerve impulses” or “spikes”, and the temporal sequence of electrical potentials for action generated by a neuron will be designated as its “spike train”. A neuron that will emit an electrical potential for action, or nerve impulse, will be said to “fire”.

Electrical potentials for action will be generated by ion channels embedded in a cell membrane. These channels will be closed when the cell membrane electrical potential will be near the resting electrical potential of the cell, but they will rapidly begin to open if the cell membrane electrical potential increases to a precisely defined threshold voltage, depolarising the transmembrane potential, as established by “THE DIVINE ARCHITECT AND PROJECT MASTER” in the design of the cell membrane. When the channels will open, they will allow an inward flow of sodium ions, which will change the electrochemical gradient, which in turn will produce a further rise in the cell membrane electrical potential. This then will cause more channels to open, producing a greater electric current across the cell membrane and so on. The process will proceed explosively until all of the available ion channels are open, resulting in a large upswing in the cell membrane electrical potential. The rapid influx of sodium ions will cause the polarity of the cell membrane to reverse, and the ion channels then rapidly will inactivate. As the sodium channels will close, sodium ions will no longer enter the neuron, and they will then be actively transported back out of the cell membrane. Potassium channels will then be activated, and there will be an outward current of potassium ions, returning the electrochemical gradient to the resting state. After an action potential has occurred, there will be a transient negative shift, designated as the afterhyperpolarization.

In neurons, potassium ions (K^+) and organic anions will be typically found at a higher concentration within the cell than outside, whereas sodium ions (Na^+) and chlorine ions (Cl^-) will be typically found in higher concentrations outside the cell. This difference in concentrations will provide a concentration gradient for ions to flow down when their channels are open. At rest, most neurons will be permeable to K^+ , Na^+ and Cl^- ions, as such they will all readily flow down their concentration gradients, with K^+ ions moving out of the cells and Na^+ and Cl^- ions moving in to the cell. However the cell will be most permeable to K^+ ions, as such this will exert the greatest influence on the cell membrane resting electrical potential — and the value is closest to the equilibrium electrical potential of K^+ ions (the cell membrane electrical potential at which the concentration gradient for an ion is balanced) out of the three ions. These concentration gradients will be maintained by the action of the Na^+/K^+ ATPase enzyme via active transport, which in turn will allow the membrane potential to be maintained.

During the resting state the cell membrane electrical potential will arise because the membrane will be selectively permeable to K^+ ions. An electrical potential for action will begin at the axon hillock as a result of depolarisation. During depolarisation sodium ion channels will open due to an electrical stimulus. As the sodium will rush back into the cell, the positive sodium ions will raise the charge inside the cell from negative to positive.

If a “specific threshold” is reached, then an electrical potential for action will be produced. Electrical potentials for action will only occur if a “specific threshold” established by “THE DIVINE ARCHITECT AND PROJECT MASTER” is reached, as such they will be described as “all or nothing”. If the “specific threshold” is reached then the maximum response will be elicited.

Once the cell has been depolarised the sodium ion channels will close. The raised positive charge inside the cell will cause the potassium channels to open, K^+ ions will now move down their electrochemical gradient out of the cell. As the K^+ will move out of the cell, the cell membrane electrical potential will fall and start to approach the resting electrical potential.

Typically, repolarisation will overshoot the cell membrane resting electrical potential, making the membrane electrical potential more negative. This will be designated as hyperpolarisation. It is important to note that the Na^+/K^+ ATPase enzyme will not be involved in the repolarisation process following an action potential.

Every electrical potential for action will be followed by a refractory period. This period can be further divided into the absolute refractory period and the relative refractory period. This period will occur as once the sodium channels will close after an electrical potential for action, they will enter an inactive state during which they will not be reopened regardless of the membrane electrical potential. This will be designated as the absolute refractory period.

Slowly the sodium channels will come out of inactivation. This will be designated as the relative refractory period. During this period the neuron can be excited with stimuli stronger than will normally be needed to initial an electrical potential for action. Early on in the relative refractory period the strength of the stimulus required will be very high and gradually it will decrease throughout the relative refractory period as more sodium channels will recover from inactivation.

Electrical potentials for action will be propagated along the axons of neurons via local currents. Local current flow following depolarisation will result in depolarisation of the adjacent axonal membrane and where this will reach a “specific threshold”, further electrical potentials for action will be generated. The

areas of the cell membrane that have recently depolarised will not depolarise again due to the refractory period — meaning that the electrical potential for action will only travel in one direction.

These local currents would eventually decrease in charge until the “specific threshold” is no longer reached. The distance that this would take will depend on the membrane capacitance and resistance:

- Membrane capacitance — is the ability to store electrical charge or the electrical charge required to initiate an electrical potential for action/electrical impulse; the low capacitance means that a lower change in ion concentration is required to initiate an axon potential.
- Membrane resistance — is the degree to which a membrane prevents or facilitates free movement of ions; a low resistance membrane allows lots of ion movement, and a high resistance membrane does not. It will depend on the number of ion channels open, the lower the number the more channels are open. A higher membrane resistance will result in a greater distance before the “specific threshold” is no longer reached.

In order to allow rapid conduction of electrical signals through a neuron and make them more energy efficient certain neuronal axons have been covered by a “specific sheath” that will be designated as the “myelin sheath”. Myelin is a lipid-rich substance that will be produced by a neuroglial cell and which will wrap itself around the axon. The sheath is formed from wrapping of multiple layers of cell membrane (lipoprotein) from the myelin-producing cells.

Each region of myelin formed by an individual neuroglial cell is separated from the next region by an unmyelinated area called the “Node of Ranvier” (or simply, node); only at the “Nodes of Ranvier” is the axonal membrane in direct contact with the extracellular fluid, like a long underwater “communication” cable. Because the myelin sheath prevents the transfer of ions between the axonal cytosol and the extracellular fluids, all electric activity in axons will be confined to the “Nodes of Ranvier”, where ions can flow across the axonal membrane. Neuroglial cells secrete protein hormones that trigger the clustering of Na^+ ions channels at the “Nodes of Ranvier”. As a result, the “Node of Ranvier” regions will contain a high density of voltage-gated Na^+ ions channels (≈ 10000 per square micrometer of axonal cell membrane), whereas the regions of axonal membrane between the “Nodes of Ranvier” will have few, if any, Na^+ ions channels. The Na^+/K^+ ATPase enzyme, which will maintain the ionic gradients in the axon, is

also localized to the “Nodes of Ranvier”. The fibrous cytoskeletal protein ankyrin will bind to these proteins and keeps them in the nodal membrane.

It is so that, the myelin sheath will surround the axon to form an insulating layer. This insulation will improve conduction by increasing the cell membrane resistance and decreasing the membrane capacitance. It is so that, the myelin sheath will give axons certain properties that increase the speed at which they will be able to conduct electrical potentials for action.

The “myelin sheath” will act as good insulator so that the electrical potential for action will be able to propagate along the neurone at a higher rate than would be possible in unmyelinated neurons. The electrical “specific signals” will be rapidly conducted from one node to the next, where they will cause depolarisation of the cell membrane above the “specific threshold” and they will initiate another electrical potential for action which will be conducted to the next node. In this manner, an electrical potential for action will be rapidly conducted down a neuron without experiencing any significant loss in electrical voltage.

It is through this propagation of electrical potentials for action and associated “specific effects” and “specific behaviors” produced by cells throughout the “Subjective ‘EARTHLY’ Garment” that the “‘SPIRIT←LIGHT’ Body” will enliven the “Subjective ‘EARTHLY’ Garment”.

FROM CELL TO TISSUE, TO ORGAN, AND TO SYSTEM

The “cell”, as designed and established by “THE DIVINE ARCHITECT AND PROJECT MASTER”, is a marvel of miniaturization and compressed complexity, built from “Specific Atomic ‘EARTHLY’ Substances”, as a whole and as a manifestation of a metaphor of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, including the products that are formed and those that are consumed in “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”.

As we have indicated in one previous annotation, the “organic-chemistry-flavored alphabet soup” that we have served you throughout the section hereabove about the “cell”, its constituents and their functioning, is a pledge of the “GRACE” of “THE DIVINE”, IHVH, our (your TRUE) FATHER, towards you (human creature reading these writings), in order to allow you to elevate yourself to the state of self-awareness and that HE bestowed upon you, not only through the “Subjective ‘EARTHLY’ Garment” that you, as a product of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, wear, but much more through your “‘SPIRIT←LIGHT’ Body” that enliven the “Subjective ‘EARTHLY’ Garment” that you wear.

In much the same manner as “THE DIVINE” has consolidated “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” in Himself, on all the “Divine Particles” constituent of His “DIVINE BODY”, “THE DIVINE ARCHITECT AND PROJECT MASTER” has also established:

- To consolidate the “cell” as a manifestation of a metaphor of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, including the products that are formed and that are consumed in “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, through the whole “Subjective ‘EARTHLY’ Garment” that you, human

creature — as a product of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model — wear; and

- To highlight that manifestation of that metaphor of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” through the tissues, the organs, and the systems of this “Subjective ‘EARTHLY’ Garment”.

The passage from a cell to a tissue, to an organ, and to a system is an application of the concept of “movement”, considered in its manifestations under all its forms and all scales, and the state of equilibrium expected from the “movement”. It requires a detailed scientific foreknowledge of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model.

In itself, the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model is shapeless, in the sense that it does not have a fixed morphology, and it can be applied to any subjective morphology attached to the “Specific ‘EARTHLY’ Garment” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model. As we have explained already, this “Subjective ‘EARTHLY’ Garment” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” is a result of application of the “Specific ‘EARTHLY’ Garment” model of “THE DIVINE ARCHITECT AND PROJECT MASTER” to the subjective morphology that was chosen by the Archangel MICHAEL, under the teachings and guidance of “THE DIVINE FORCE”, who he has failed to know and be aware of HER teaching him, and during the tasks that was assigned to them to choose a “Character” for oneself.

To any state of growth of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” will be associated a unique state of growth of the “Subjective ‘EARTHLY’ Garment” and a different unique state of growth of the “‘SPIRIT←LIGHT’ Body” that will enliven this “Subjective ‘EARTHLY’ Garment”. It is so that, for a well-defined state of growth of the “Subjective ‘EARTHLY’ Garment” and a well-defined state of growth of the “‘SPIRIT←LIGHT’ Body”, an initial cell, let us designate it as “cell zero”, and from which will arise, as a result of the application of the cellular division processes, all other cells that will be required to build-up the morphology and the anatomy of that well-defined state of growth of the “Subjective ‘EARTHLY’ Garment”, can be defined and established and their temporal appearance into existence can be programmed through the pool of information contained in “cell zero”. Not all temporal information that will lead to the desired well-defined state of growth of the “Subjective ‘EARTHLY’ Garment” needs to be present in “cell zero”; just the critical information need to be present in “cell zero”.

Through the cellular division processes and with the detailed scientific foreknowledge of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, all other succeeding generations of cells, as they appear into existence, can be gradually assigned their own critical information and “specific work” and temporal positioning according to the generation identifier to ultimately form the morphology and anatomy of the chosen well-defined state of growth of the “Subjective ‘EARTHLY’ Garment”.⁶²⁶ The temporal positioning of those cells is a result of application of the concept of “movement”, considered in its

⁶²⁶ Since the early days of this Earthly world in which you live, after that the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have destroyed the first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” and their descendances, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” that were pulled out of the destruction in the “Specific Energy ‘CELESTIAL’ Domain” and have immersed in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain” in which you live, will further the destruction of humanity by trying to get their hands on such critical information at various stage of growth of the “Subjective ‘EARTHLY’ Garment” and to falsify, manipulate and alter it to their advantage, and to produce their own “mutants” (sorcerers) through xenotransplantation between the cells of their “Specific ‘CELESTIAL’ Garment” and the cells of the “Subjective ‘EARTHLY’ Garment” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”: that was the origin of the “sorcerers”. These “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, that have declared themselves to have outgrown “THE DIVINE”, IHVH, our FATHER, in intelligence and in wisdom, did not content themselves only with defiling wives of human creatures and performing xenotransplantation in those females to produce those “giants” you have heard about. Those “giants” were the result of falsification and manipulation of critical information at various stage of growth of the “Subjective ‘EARTHLY’ Garment”, not according to the spirit (that is to say, not according to the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, which they knew nothing about the existence, since all those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” knew nothing about the existence of their own “‘SPIRIT←SPIRIT’ Body”, which they cannot see), but according to the flesh (that is to say, according to the “Subjective ‘EARTHLY’ Garment”, which they could all see; this means, through xenotransplantation between the cells of their “Specific ‘CELESTIAL’ Garment” and the cells of the “Subjective ‘EARTHLY’ Garment” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”). The elder ENOCH, of whom METHUSELAH is the descendant, had reported all of those xenotransplantations in his writings. But these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” pushed their iniquities with animals, producing those half-humans, half-animals of which you heard about; mixing human cells with various cells of various animals: the origin of most genetic diseases. Some of those half-humans, half-animals, are still in existence in “THE DEPTHS OF THE WATERS”. Since those days, human creatures themselves have kept those practices of mixing human cells with various cells of various animals for various purposes; thus are furthering their own destruction.

manifestations under all its forms and all scales, and the state of equilibrium expected from the “movement”.

It is so that, from “cell zero” and with the passage of time, the tissues, the organs, and the systems will be gradually produced and assigned predefined shapes and “specific work” to autonomously (without external intervention) bring forth or assemble the ultimate morphology and anatomy of the chosen well-defined state of growth of the “Subjective ‘EARTHLY’ Garment”. This is the principle that is at the basis of the growth of all the subjective shapes that have been associated to the designed models of “THE DIVINE ARCHITECT AND PROJECT MASTER” and sculpted by “THE DIVINE FORCE” in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”: be it (1) the various manifestations of the “Vegetal ‘EARTHLY’ Creature” model, in which case “cell zero” will be a well-defined set of initial tissues designated as a “seed”; (2) the various manifestations of “Subjective ‘EARTHLY’ Garments” associated to the “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creature” model; or the “Subjective ‘EARTHLY’ Garment” associated to the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, in which case in which case “cell zero” will be a well-defined initial cell.⁶²⁷

The well-defined state of growth of the “Subjective ‘EARTHLY’ Garment” that was in the process to be manufactured into existence by “THE DIVINE FORCE” is the state of growth that would acquire “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” when they approach the end of physical adolescence; that is to say, that of a 17 to 18 years old into existence. As we have explained already, the 17 to 18 years old

⁶²⁷ So is also explained, at a scale that you can perceive, the parable of the growing seed that CHRIST, when he lived on Earth down here, had told to the human creatures, when HE said, using by analogy, the terms of things that humans are familiar with, so that they can develop their understanding of the Project of “THE DIVINE”, IHVH, our FATHER:

“...

The “Kingdom of God” is like a field where a Man casts seed into the ground; whether it is asleep or awoken, night and day, the seed sprouts and grows without it being known how.

The earth produces by itself, first the herb, then, the cob, finally the flower formed in the cob; and when the flower is ripe, at once the sickle is used, because the harvest has come.

...”

Read more in the section concerning the details of annotations — Annotation on the parable of the growing seed.

into existence is so because at the moment when the tasks to choose a “Character” for oneself was assigned to the “ADONA’IM” and to the Archangel MICHAEL, and through which they were to identify themselves by manifestation of the metaphor in the new “Specific Energy ‘EARTHLY’ Substance”, the “Specific ‘CELESTIAL’ Garment” of the Archangel MICHAEL had the appearance of that, which is associated to a 17 to 18 years old growth age into existence from the model of the “Specific ‘CELESTIAL’ Garment”, although at that moment he was created into existence nearly 70 billions years before. As we have already explained, such appearance from “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” is due to the “perdurable juvenile” condition through which the “Specific ‘CELESTIAL’ Garment” in its totality undergoes a “rejuvenation” process immediately at the completion of a cycle of “30 years” into existence inside the attribute “NON DIVINE”, and through which it is restored, at the cellular level, to the “juvenile specific conditions” of birth in which it was produced (brought forth) into existence inside the attribute “NON DIVINE”.

This “Subjective ‘EARTHLY’ Garment” will comprise over 70 trillions⁶²⁸ of cells, will be marked at its base with 3 billion times the manifestation of the signature of “THE DIVINE”, IHVH, our FATHER, and there are over 200 different types of cells. Most of these cells have been designed by “THE DIVINE ARCHITECT AND PROJECT MASTER” and implemented by “THE DIVINE FORCE” to perform particular functions and they will not be able to replicate or divide themselves indefinitely as the “Subjective ‘EARTHLY’ Garment” will grow.

While these cells are nothing short of a marvel of miniaturization and compressed complexity in their designed machinery, most cells will not keep performing their assigned “specific work” forever. They have been assigned a lifespan and as they will age, wear and tear will lead to loss of some of their protein, and their activity will decrease. That is because the end of each chromosome will start to unravel.

⁶²⁸ As we have indicated in one previous annotation, using a rough estimate of the cell (including a portion of the extracellular fluid surrounding the cell membrane) average weight to be equal to 1 nanogram (10^{-9} g, or 10^{-12} kg), one can estimate the average total number of cells constituents of a “Subjective ‘EARTHLY’ Garment” that weights W kilograms to be equal to $10^{12} \times W$; thus 40 trillions cells will be an average estimate for a “Subjective ‘EARTHLY’ Garment” that weights 40 kilograms, and 70 trillions cells will be an average estimate for a “Subjective ‘EARTHLY’ Garment” that weights 70 kilograms and which is the estimated average weight of this “Subjective ‘EARTHLY’ Garment” at the 17 to 18 years old growth age into existence, etc....

The sites — designated as telomeres — will degrade over time, resulting in degraded of the genetic information. Chemical reactions necessary for the survival of these types of cells will consequently be impaired and ultimately they will be destroyed and removed from the “Subjective ‘EARTHLY’ Garment” through appropriate specific processes and they will be replaced by new cells.

Such replacement will be made possible via “specific cells” that are not specialised to perform particular functions and that have been designed for the replacement purpose. These “specific cells” are designated are “stem cells”. Through “stem cells” and through “specific processes” designed by “THE DIVINE ARCHITECT AND PROJECT MASTER” and implemented by “THE DIVINE FORCE”, the “Subjective ‘EARTHLY’ Garment” will be replenished with new cells that will perform particular functions. These “specific cells”, the “stem cells”, unlike regular cells, have two unique properties: they can divide over and over again to produce new cells; as they divide, they can change into the other types of cells that will perform particular functions.

As we have already explained about the core inheritance qualities which predetermine precise features of the “Specific ‘EARTHLY’ Garment” and which are at the core of that, which is designated as the “GENES”, here too, the regeneration rate of all cells of this “Subjective ‘EARTHLY’ Garment” is seven (7) years into existence inside the attribute “NON DIVINE”, in accordance with the specifications of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”. It is so that, every seven (7) years into existence inside the attribute “NON DIVINE”, all cells of this “Subjective ‘EARTHLY’ Garment” will be regenerated.

This cellular regeneration, however, will not restore the “Subjective ‘EARTHLY’ Garment” to an earlier growth state as it is the case with the “perdurable juvenile” condition of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model and in which the “Specific ‘CELESTIAL’ Garment” undergoes a “rejuvenation” process immediately at the completion of a cycle of “30 years” into existence inside the attribute “NON DIVINE”, and through which it is restored, at the cellular level, to the “juvenile specific conditions” of birth in which it was produced (brought forth) into existence inside the attribute “NON DIVINE”.

All this information, the complete set of instructions for manufacturing this “Subjective ‘EARTHLY’ Garment”, the over 3 billion DNA base pairs of the “Subjective ‘EARTHLY’ Garment”, added to it similar information for the “‘SPIRIT←LIGHT’ Body” that will enliven this “Subjective ‘EARTHLY’ Garment” and their interconnections with the “Specific ‘SPIRITUAL’ Environment” external

and immediate around the “Subjective ‘EARTHLY’ Garment”, “THE DIVINE FORCE” possesses it all and to the least details.

THE SKELETAL SYSTEM

THE SKELETAL SYSTEM INFOGRAPHIC

THE SKELETAL SYSTEM DESCRIPTION

The skeletal system of this “Subjective ‘EARTHLY’ Garment” is the rigid structure formed of bones and cartilage, which are connected by ligaments to form the internal framework, which will give shape to the remainder of the “Subjective ‘EARTHLY’ Garment” tissues. The skeleton is subdivided into two principal structures, each with origins distinct from the other and each presenting certain individual features: the axial skeleton and the appendicular skeleton.

The axial skeleton forms the vertical and central axis of the “Subjective ‘EARTHLY’ Garment”. For an adult “Subjective ‘EARTHLY’ Garment” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, it will consist of 80 bones, including the skull, the vertebral column, and the thoracic cage. The skull will be formed by 22 bones. Also associated with the head are an additional seven bones, including the hyoid bone and the ear ossicles (three small bones found in each middle ear). The vertebral column consists of 24 bones, each called a vertebra, plus the sacrum and coccyx. The thoracic cage includes the 12 pairs of ribs, and the sternum, the flattened bone of the anterior chest.

The appendicular skeleton is the portion of the skeleton that will consist of the bones which support the appendages. It includes the skeletal elements which form the upper and lower limbs, and the pelvic (hip) and pectoral (shoulder) girdles. The word appendicular is the adjective of the noun appendage, which itself means a part that is joined to something larger. The bones of the appendicular skeleton (the limbs and girdles) “append” to the axial skeleton. For an adult “Subjective ‘EARTHLY’ Garment” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, the appendicular skeleton will consist of 126 bones divided into six major regions:

- Shoulder girdles (4 bones) — Left and right clavicle (2) and scapula (2);
- Arms and forearms (6 bones) — Left and right humerus (2) (arm), ulna (2) and radius (2) (forearm);
- Hands (54 bones) — Left and right carpals (16) (wrist), metacarpals (10), proximal phalanges (10), intermediate phalanges (8) and distal phalanges (10);
- Pelvis (6 bones) — Ilium (2), Ischium (2) and Pubis (2);
- Thighs and legs (8 bones) — Left and right femur (2) (thigh), patella (2) (knee), tibia (2) and fibula (2) (leg);

- Feet and ankles (52 bones) — Left and right tarsals (14) (ankle), metatarsals (10), proximal phalanges (10), intermediate phalanges (8) and distal phalanges (10).

Unlike the axial skeleton, the appendicular skeleton is unfused and it will form from cartilage, by the process of endochondral ossification, during the development of the “Subjective ‘EARTHLY’ Garment”.

BONE

A Bone is a specialized connective tissue that has the strength of a cast iron and the lightness of pine wood. It will consist of cells embedded in an abundant hard intercellular material. The two principal components of this material, collagen and calcium phosphate, distinguish bone from such other hard tissues as chitin, enamel, and shell. Bone tissue makes up the individual bones of the skeletal system of this “Subjective ‘EARTHLY’ Garment”. The functions of bone will be to provide to “Subjective ‘EARTHLY’ Garment”:

- Structural support, so that, despite the force exerted by earthly gravity, the many multicellular layers of structures and organs of the “Subjective ‘EARTHLY’ Garment” will retain a certain shape and will not collapse under their own mass;
- Structural support for the locomotion and mechanical action of soft tissues, such as the contraction of muscles and the expansion of lungs. A bone will be a site of attachment for ligaments and tendons, providing a skeletal framework that can produce movement through the coordinated use of levers, muscles, tendons and ligaments. The bones will act as levers, while the muscles will generate the forces responsible for moving the bones;
- Protective boundaries for soft organs and tissues: the cranium around the brain, the vertebral column surrounding the spinal cord, the ribcage containing the heart and lungs, and the pelvis protecting the urogenital organs;
- Provision of a protective production site for the formation of specialized tissues such as the blood cellular components. All cellular blood components will be derived from haematopoietic stem cells, which will reside in the medulla of the bone (bone marrow) and will have the unique ability to give rise to all of the different mature blood cell types and tissues. Haematopoietic stem cells are self-renewing cells: when they differentiate, at least some of their daughter cells will remain as

haematopoietic stem cells, so the pool of stem cells is not depleted. This phenomenon is called asymmetric division. The other daughters of haematopoietic stem cells (myeloid and lymphoid progenitor cells) can follow any of the other differentiation pathways that lead to the production of one or more specific types of blood cell, but cannot renew themselves. The pool of progenitors is heterogeneous and can be divided into two groups; long-term self-renewing haematopoietic stem cells and only transiently self-renewing haematopoietic stem cells, also called short-terms. This will be one of the main vital processes in the “Subjective ‘EARTHLY’ Garment”;

- Provision of a protective site for triglyceride storage. The bone yellow bone marrow will act as a potential energy reserve for the “Subjective ‘EARTHLY’ Garment”; it will consist largely of adipose cells, which store triglycerides. Triglycerides are chemical compounds, which will be digested by the “Subjective ‘EARTHLY’ Garment” to provide it with the energy for metabolism. Triglycerides will be the most common form of fat in the “Subjective ‘EARTHLY’ Garment”. The triglyceride molecule is a form of the chemical glycerol (three molecules of fatty acid + glyceride = glycerol) that contains three fatty acids. To be absorbed, these parts will be broken apart in the small intestine, and afterwards they will be reassembled with cholesterol to form chylomicrons. This will be the source of energy for cells in the “Subjective ‘EARTHLY’ Garment”. Fat cells and liver cells will be used as storage sites and release chylomicrons when the “Subjective ‘EARTHLY’ Garment” needs the energy;
- A reservoir for minerals in the “Subjective ‘EARTHLY’ Garment”. The bones of the “Subjective ‘EARTHLY’ Garment” will contain approximately 99% of the calcium of the “Subjective ‘EARTHLY’ Garment”, 85% of its phosphate and 50% of its magnesium. They will play an essential in maintaining homeostasis of minerals in the blood and whereby the endocrine system regulates the level of calcium and phosphate in the circulating body fluids in response to the demands of the “Subjective ‘EARTHLY’ Garment”.

The bone tissue will be organized into a variety of shapes and configurations adapted to the function of each bone: broad, flat plates, such as the scapula, serve as anchors for large muscle masses, while hollow, thick-walled tubes, such as the femur, the radius, and the ulna, support weight or serve as a lever arm. These different types of bone will be distinguished more by their external shape than by

their basic structure. Long bones are longer than they are wide. Short bones are cube shaped — that is, their lengths and widths are about equal. Flat bones, such as those of the skull, are platelike with broad surfaces. Irregular bones have varied shapes that permit connections with other bones. Round bones are circular in shape.

All bones will have an exterior layer called cortex that is smooth, compact, continuous, and of varying thickness. In its interior, bony tissue will be arranged in a network of intersecting plates and spicules called trabeculae, which will vary in amount in different bones and enclose spaces filled with blood vessels and marrow. This honeycombed bone is termed cancellous or trabecular. In mature bone, trabeculae will be arranged in an orderly pattern that provides continuous units of bony tissue aligned parallel with the lines of major compressive or tensile force. Trabeculae thus will provide a complex series of cross-braced interior struts arranged so as to provide maximal rigidity with minimal material.

Bones such as vertebrae, subject to primarily compressive or tensile forces, will have thin cortices and provide necessary structural rigidity through trabeculae, whereas bones such as the femur, subject to prominent bending, shear, or torsional forces, will have thick cortices, a tubular configuration, and a continuous cavity running through their centres (medullary cavity).

Long bones exhibit a number of common gross anatomical structural features. The central region of the bone (diaphysis) is the most clearly tubular. At one or commonly both ends, the diaphysis flares outward and assumes a predominantly cancellous internal structure. This region (metaphysis, between diaphysis and epiphysis) will function to transfer loads from weight-bearing joint surfaces to the diaphysis. Finally, at the end of a long bone is a region known as an epiphysis, which exhibits a cancellous internal structure and comprises the bony substructure of the joint surface. Prior to full skeletal maturity the epiphysis will be separated from the metaphysis by a cartilaginous plate called the growth plate or physis; in bones with complex articulations (such as the humerus at its lower end) or bones with multiple protuberances (such as the femur at its upper end) there may be several separate epiphyses, each with its growth plate.

A bone consists of hard, homogeneous intercellular material, within which can be found four characteristic cell types: osteoblasts, osteocytes, osteoclasts, and undifferentiated bone mesenchymal stem cells. Osteoblasts will be responsible for the synthesis and deposition on bone surfaces of the protein matrix of new intercellular material. Osteocytes will be osteoblasts that have been trapped within intercellular material, residing in a cavity (lacuna) and communicating

with other osteocytes as well as with free bone surfaces by means of extensive filamentous protoplasmic extensions that occupy long, meandering channels (canaliculi) through the bone substance.

יצירה

All bones of the skeletal system of this “Subjective ‘EARTHLY’ Garment” will have an osteocytic structure. Osteoclasts are large multinucleated cells that, working from bone surfaces, will resorb bone by direct chemical and enzymatic attack. Undifferentiated mesenchymal stem cells of the bone will reside in the loose connective tissue between trabeculae, along vascular channels, and in the condensed fibrous tissue covering the outside of the bone (periosteum); they will give rise under appropriate stimuli to osteoblasts.

Depending on how the protein fibrils and osteocytes of bone are arranged, there are two major types of bones: woven, in which collagen will bundle and the long axes of the osteocytes will be randomly oriented, and lamellar, in which both the fibrils and osteocytes will be aligned in clear layers. In lamellar bone the layers will alternate every few micrometres (millionths of a metre), and the primary direction of the fibrils will shift approximately 90°. In compact, or cortical, lamellar bone will be further organized into units known as osteons, which consist of concentric cylindrical lamellar elements several millimetres long and 0.2–0.3 mm in diameter. These cylinders comprise the haversian systems. Osteons exhibit a gently spiral course oriented along the axis of the bone. In their centre is a canal (haversian canal) containing one or more small blood vessels, and at their outer margins is a boundary layer known as a “cement line”, which will serve both as a means of fixation for new bone deposited on an old surface and as a diffusion barrier. Osteocytic processes will not penetrate the cement line, and therefore these barriers will constitute the outer envelope of a nutritional unit; osteocytes on opposite sides of a cement line will derive their nutrition from different vascular channels. Cement lines will be found in all types of bone, as well as in osteons, and in general they will indicate lines at which new bone was deposited on an old surface.

In a typical long bone, blood will be supplied by three separate systems: a nutrient artery, periosteal vessels, and epiphyseal vessels. The diaphysis and metaphysis will be nourished primarily by the nutrient artery, which will pass through the cortex into the medullary cavity and then ramifies outward through haversian and Volkmann canals to supply the cortex. Extensive vessels in the periosteum, the membrane surrounding the bone, will supply the superficial layers of the cortex and connect with the nutrient-artery system. In the event of obstruction of the nutrient artery, periosteal vessels will be capable of meeting the needs of both systems. The epiphyses will be supplied by a separate system that consists of a ring of arteries entering the bone along a circular band between the growth plate and the joint capsule. In an adult “Subjective ‘EARTHLY’ Garment” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, these vessels will become connected to

the other two systems at the metaphyseal-epiphyseal junction, but while the growth plate will be open there will be no such connection, and the epiphyseal vessels will be the sole source of nutrition for the growing cartilage; therefore they are essential for skeletal growth.

Drainage of blood will be assured by a system of veins that runs parallel with the arterial supply and by veins leaving the cortical periosteum through muscle insertions. Muscle contraction will milk blood outward, giving rise to a centrifugal pattern of flow from the axial nutrient artery through the cortex and out through muscle attachments.

SURFACE FEATURES OF BONES

The surfaces of bones bear outgrowth (also designated as projections, also designated as processes) from the body of the bone, depressions, ridges, and various other features. A process (or projection, or outgrowth) from the body of a bone on one bone may fit with a depression on a second bone to form a joint, serving as such for bone attachment or muscle attachment and leverage. Another process (or projection, or outgrowth) from the body of a bone may allow for the attachment of a muscle or ligament. Grooves and openings will provide passageways for blood vessels or nerves.

The following terms, in alphabetical order with short definitions, are often used to describe surface features of bone or anatomical structures related to surface features of bone:

	Word/Term: Meaning/Description	Types of Bone Marking
1.	Angle: A corner	Feature of shape of bone
2.	Body: The main portion of a bone	
3.	Condyle: Rounded bump or large rounded prominence. Such rounded surfaces usually fit into a fossa on another bone to form a joint.	Process - forms joints
4.	Crest: Moderately raised and therefore prominent border or ridge. Such crests are often sites for a muscle attachment.	Process - attach connective tissues
5.	Diaphysis: Shaft (main section) of a long-bone	

6.	Epicondyle: Bump near a condyle; often give appearance of a “bump on a bump”; for muscle attachment	Process - attach connective tissues
7.	Epiphysis: The end part of a long bone which usually has a larger diameter than the shaft-part of the bone (which is called the diaphysis).	Articular part (ends) of long bones.
8.	Facet: A smooth flat articular surface. Such flat surfaces may form a joint with another facet or flat bone.	Process - forms joints
9.	Fissure: Long, crack-line hole for blood vessels and nerves	Channel-like cleft or crack
10.	Foramen (pl. foramina): Round hole through which blood vessels, nerves or ligaments pass.	Hole
11.	Fossa (pl. fossae): A shallow depression (the word suggests “ditch” or “trench”). Such depressions in the surface of bones often receive another articulating bone with which a joint is formed.	(Shallow) depression
12.	Head: A rounded projection that forms part of a joint (in combination with a fitting part of an adjacent bone) and is separated from the shaft of the same bone by a narrow portion (usually called a “neck”).	Process - forms joints
13.	Line: Similar to a crest but not raised as much - may be relatively faint.	
14.	Margin: Edge of a flat bone or flat portion of the edge of a flat area.	
15.	Meatus (pl. meati): A tube-like opening or channel extending within a bone.	Channel through bone
16.	Neck: A section of bone (esp. of long bones) between the “head” and the “shaft” of the bone, the “neck” of a bone is a narrowed portion, usually located at the base of the “head” of the bone.	
17.	Notch: A V-like depression in the margin or edge of a flat area	Articulatory surface
18.	Process: A raised area or projection	Process - attach connective

		tissues
19. Ramus (pl. rami):	Curved portion of a bone, like a ram's horn.	Curved surface
20. Sinus:	Cavity within a bone	Cavity
21. Spine or spinous process:	Similar to a crest but raised higher; a sharp, pointed, slender projection. Such sharp raised projections called spines are often sites for muscle attachment.	Process - attach connective tissues
22. Sulcus (pl. sulci):	Groove, crevice or furrow. Such elongated depressions may accommodate a blood vessel, nerve or tendon.	Channel-like depression
23. Trochanter:	Large blunt bump-like projection (larger than a tuberosity, which is in turn larger than a tubercle)	Process - attach connective tissues
24. Tuberosity:	Large rounded or oblong projection that may look like a raised bump. Such rounded/oblong projections called tuberosities are often sites for muscle attachment.	Process - attach connective tissues
25. Tubercle:	Small tuberosity that may also be described as a round nodule or warty outgrowth.	Process - attach connective tissues; can also form articular surfaces

CARTILAGE

Cartilage is composed of a dense network of collagen fibres embedded in a firm, gelatinous ground substance that has the consistency of plastic; this structure will give the tissue tensile strength, enabling it to bear weight while retaining greater flexibility than bone. Cartilage cells, called chondrocytes, will occur at scattered sites through the cartilage and receive nutrition by diffusion through the gel; cartilage contains no blood vessels or nerves, unlike bone.

Three main types of cartilage will be distinguished. Hyaline cartilage will be the most widespread and will be the type that makes up the embryonic skeleton. It will persist in the adult "Subjective 'EARTHLY' Garment" of the

“‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” at the ends of bones in free-moving joints as articular cartilage, at the ends of the ribs, and in the nose, larynx, trachea, and bronchi, in the form of a glossy blue-white in appearance and very resilient. Fibrocartilage will be the tough, very strong tissue found predominantly in the intervertebral disks and at the insertions of ligaments and tendons; it will be similar to other fibrous tissues but will contain cartilage ground substance and chondrocytes. Elastic cartilage, which is yellow in appearance, will be more pliable than the other two forms because it will contain elastic fibres in addition to collagen. In this “Subjective ‘EARTHLY’ Garment” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, it will make up the external ear, the auditory tube of the middle ear, and the epiglottis.

LIGAMENT

Ligament is a tough fibrous band of connective tissue, which will serve to support the internal organs and hold bones together in proper articulation at the joints. A ligament is composed of dense fibrous bundles of collagenous fibres and spindle-shaped cells known as fibrocytes, with little ground substance (a gel-like component of the various connective tissues). At joints, ligaments will form a capsular sac, which will enclose the articulating bone ends and a lubricating membrane, the synovial membrane. Sometimes the structure will include a recess, or pouch, lined by synovial tissue; this is called a bursa. Other ligaments will fasten around or across bone ends in bands, permitting varying degrees of movement, or act as tie pieces between bones (such as the ribs or the bones of the forearm), restricting inappropriate movement. Ligaments may be of two major types: capsular and noncapsular.

Capsular ligaments will be simply thickenings of the fibrous capsule itself that take the form of either elongated bands or triangles, the fibres of which radiate from a small area of one articulating bone to a line upon its mating fellow. The iliofemoral ligament of the hip joint will be an example of a triangular ligament. Capsular ligaments will be found on the outer surface of the capsule, with the exception of ligaments of the shoulder joint (glenohumeral ligaments) which will be found on the inner surface.

Noncapsular ligaments will be free from the capsule and will be of two kinds: internal and external. The internal type will be found in the knee, wrist, and foot. In the knee there will be two, both arising from the upper surface of the tibia; each will pass to one of the two femoral condyles and lies within the joint cavity, surrounded by synovial membrane. They are called cruciate ligaments because they cross each other X-wise. At the wrist most of the articulations of the carpal

bones will share a common joint cavity, and neighbouring bones will be connected sideways by short internal ligaments. The same will be true of the tarsal bones that lie in front of the talus and the calcaneal tendon.

The external noncapsular ligaments will be of two kinds: proximate and remote. The proximate ligaments will pass over at least two joints and will be near the capsules of these joints. They will be found only on the outer side of the lower limb. Examples will be the outer (fibular) ligament of the knee, which passes from the femur to the upper part of the fibula over both the knee and tibiofibular joints, and the middle part of the outer ligament of the ankle joint, which will pass from the lowest part of the fibula to the heel bone. These two ligaments, particularly that passing over the ankle, will be especially liable to damage (sprain).

The remote ligaments are so called because they will be far from, rather than close to, the joint capsule. A notable example will be that of the ligaments that will pass between the back parts (spines and laminae) of neighbouring vertebrae in the cervical, thoracic, and lumbar parts of the spinal column. These will be the chief ligaments of the pairs of synovial joints between the vertebrae of these regions. Unlike most ligaments, they will contain a high proportion of elastic fibres that assist the spinal column to return to its normal shape after it has been bent forward or sideways.

THE VERTEBRAL COLUMN

The vertebral column is a flexuous and flexible column, formed of a series of bones designated as the vertebrae.

The vertebrae are thirty-three (33) in number, and are grouped under the names cervical, thoracic, lumbar, sacral, and coccygeal, according to the regions they occupy; there are seven (7) in the cervical region, twelve (12) in the thoracic, five (5) in the lumbar, five (5) in the sacral, and four (4) in the coccygeal.

The vertebrae in the upper three regions of the column will remain distinct throughout the life span of the “Subjective ‘EARTHLY’ Garment”, and will be designated as the true or movable vertebrae. Those of the sacral and coccygeal regions, on the other hand, will be designated as the false or fixed vertebrae, because they will be united with one another in the adult “Subjective ‘EARTHLY’ Garment” to form two bones: five forming the upper bone or sacrum, and four the terminal bone or coccyx.

With the exception of the first and second cervical, the true or movable vertebrae present certain common characteristics which are best studied by examining one from the middle of the thoracic region.

When the vertebrae are articulated with each other the bodies of the vertebrae form a strong pillar for the support of the head and trunk of the “Subjective ‘EARTHLY’ Garment”, and the vertebral foramina constitute a canal for the protection of the medulla spinalis (spinal cord), while between every pair of vertebrae are two apertures, the intervertebral foramina, one on either side, for the transmission of the spinal nerves and vessels.

THE BODY OF THE VERTEBRA (corpus vertebrae).— The body of the vertebra is the largest part of a vertebra, and is more or less cylindrical in shape. Its upper and lower surfaces are flattened and rough, and give attachment to the intervertebral fibrocartilages, and each presents a rim around its circumference. In front, the body of the vertebra is convex from side to side and concave from above downward. Behind, it is flat from above downward and slightly concave from side to side. Its anterior surface presents a few small apertures, for the passage of nutrient vessels; on the posterior surface there is a single large, irregular aperture, for the exit of the basi-vertebral veins from the body of the vertebra.

PEDICLES OF THE VERTEBRA (radices arcus vertebrae).— The pedicles of the vertebra are two short, thick processes, which project backward, one on either side, from the upper part of the body of the vertebra, at the junction of its posterior and lateral surfaces. The concavities above and below the pedicles are named the vertebral notches; and when the vertebrae are articulated, the notches

of each contiguous pair of bones form the intervertebral foramina, already referred to.

LAMINAE OF THE VERTEBRA.— The laminae are two broad plates directed backward and medialward from the pedicles. They fuse in the middle line posteriorly, and so complete the posterior boundary of the vertebral foramen. Their upper borders and the lower parts of their anterior surfaces are rough for the attachment of the ligamenta flava.

SPINOUS PROCESS (processus spinosus).— The spinous process is directed backward and downward from the junction of the laminae of the vertebra, and serves for the attachment of muscles and ligaments.

ARTICULAR PROCESSES.— The articular processes, two superior and two inferior, spring from the junctions of the pedicles and laminae. The superior project upward, and their articular surfaces are directed more or less backward; the inferior project downward, and their surfaces look more or less forward. The articular surfaces are coated with hyaline cartilage.

TRANSVERSE PROCESSES (processus transversi).— The transverse processes, two in number, project one at either side from the point where the lamina joins the pedicle, between the superior and inferior articular processes. They serve for the attachment of muscles and ligaments.

STRUCTURE OF A VERTEBRA.— The body of a vertebra is composed of cancellous tissue, covered by a thin coating of compact bone; the latter is perforated by numerous orifices, some of large size for the passage of vessels. The interior of the bone is traversed by one or two large canals, for the reception of veins, which converge toward a single large, irregular aperture, or several small apertures, at the posterior part of the body of the vertebra. The thin bony lamellae of the cancellous tissue are more pronounced in lines perpendicular to the upper and lower surfaces and are developed in response to greater pressure in this direction. The arch and processes projecting from it have thick coverings of compact tissue.

THE THORAX

The skeleton of the thorax or chest is an osseo-cartilaginous cage, containing and protecting the principal organs of respiration and circulation. It is conical in shape, being narrow above and broad below, flattened from before backward, and longer behind than in front. It is somewhat reniform on transverse section on account of the projection of the vertebral bodies into the cavity.

The posterior surface is formed by the twelve (12) thoracic vertebrae and the posterior parts of the ribs. It is convex from above downward, and presents on either side of the middle line a deep groove, in consequence of the lateral and backward direction which the ribs take from their vertebral extremities to their angles. The anterior surface, formed by the sternum and costal cartilages, is flattened or slightly convex, and inclined from above downward and forward. The lateral surfaces are convex; they are formed by the ribs, separated from each other by the intercostal spaces, eleven in number, which are occupied by the Intercostal muscles and membranes.

The upper opening of the thorax is reniform in shape, being broader from side to side than from before backward. It is formed by the first thoracic vertebra behind, the upper margin of the sternum in front, and the first rib on either side. It slopes downward and forward, so that the anterior part of the opening is on a lower level than the posterior. Its antero-posterior diameter is about 5 cm and its transverse diameter about 10 cm. The lower opening is formed by the twelfth thoracic vertebra behind, by the eleventh and twelfth ribs at the sides, and in front by the cartilages of the tenth, ninth, eighth, and seventh ribs, which ascend on either side and form an angle, the subcostal angle, into the apex of which the xiphoid process projects. The lower opening is wider transversely than from before backward, and slopes obliquely downward and backward, it is closed by the diaphragm which forms the floor of the thorax.

THE SKULL

The skull is the bony structure that forms the head in the skeleton. It supports the structures of the face and forms a cavity for the brain. The skull consists of three parts: the neurocranium, the sutures, and the facial skeleton. The neurocranium (or braincase) forms the protective cranial cavity that surrounds and houses the brain and brainstem. The upper areas of the cranial bones form the calvaria (skullcap). The facial skeleton includes the mandible. The sutures are fairly rigid joints between bones of the neurocranium. The facial skeleton is formed by the bones supporting the face.

Except for the mandible, all of the bones of the skull are joined together by sutures, which are synarthrodial (immovable) joints formed by bony ossification, with fibres permitting some flexibility.

The skull of this “Subjective ‘EARTHLY’ Garment” consists of twenty-two bones: eight cranial bones and fourteen facial skeleton bones. In the neurocranium these are the occipital bone, two temporal bones, two parietal bones, the sphenoid, ethmoid and frontal bones.

THE PECTORAL GIRDLE

The shoulder girdle or pectoral girdle is the set of bones in the appendicular skeleton which connects to the arm on each side. It consists of the clavicle and the scapula bones, attaches each upper limb to the axial skeleton. The clavicle is an anterior bone whose sternal end articulates with the manubrium of the sternum at the sternoclavicular joint. The sternal end is also anchored to the first rib by the costoclavicular ligament. The acromial end of the clavicle articulates with the acromion of the scapula at the acromioclavicular joint. This end is also anchored to the coracoid process of the scapula by the coracoclavicular ligament, which provides indirect support for the acromioclavicular joint. The clavicle supports the scapula, transmits the weight and forces from the upper limb to the body trunk, and protects the underlying nerves and blood vessels.

The scapula lies on the posterior aspect of the pectoral girdle. It mediates the attachment of the upper limb to the clavicle, and contributes to the formation of the glenohumeral (shoulder) joint. This triangular bone has three sides called the medial, lateral, and superior borders. The suprascapular notch is located on the superior border. The scapula also has three corners, two of which are the superior and inferior angles. The third corner is occupied by the glenoid cavity. Posteriorly, the spine separates the supraspinous and infraspinous fossae, and then extends laterally as the acromion. The subscapular fossa is located on the anterior surface of the scapula. The coracoid process projects anteriorly, passing inferior to the lateral end of the clavicle.

THE BONES OF THE UPPER EXTREMITY

The upper extremity or arm consists of three sections, the upper arm, forearm, and hand. It extends from the shoulder joint to the fingers and contains 30 bones, as an expression of a manifestation by metaphors of the thirty “transformation steps” that each of the twelve redundant “Divine Equilibrium Regions” with respect to the “Generative Divine Particle” in “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” will see passing in itself.

Thirty bones in total make up the structure of the upper extremity. They act as a framework for the muscle, blood vessels, nerves and lymphatics to work upon. There is one bone in the upper arm region, the humerus. The forearm contains two bones, the radius and the ulna. When picturing the upper extremity in a standard anatomical position with the palm of the hand facing forward, the radius is located laterally and the ulna medially. However, because the forearm allows rotation around a central axis, the terms radial and ulnar provide a better description when describing direction or location in the forearm, wrist, and hand.

The wrist and hand contain 27 bones. There are eight carpal bones, organized into a proximal and distal row. The proximal bones, from radial (thumb side) to ulnar are the scaphoid (navicular), lunate, triquetrum, and pisiform. From radial to ulnar, the distal row consists of the trapezium, trapezoid, capitate, and hamate. There are five metacarpal bones, each associated with a group of phalanges. There are also 14 phalanx bones. Fingers two to five have a proximal, intermediate, and distal phalanx, while the thumb has only a proximal and distal phalanx.

The region located between the shoulder and elbow joints contains the humerus. The proximal humerus consists of the head, which articulates with the scapula at the glenohumeral joint, the greater and lesser tubercles separated by the intertubercular (bicipital) groove, and the anatomical and surgical necks. The humeral shaft has the roughened area of the deltoid tuberosity on its lateral side. The distal humerus is flattened, forming a lateral supracondylar ridge that terminates at the small lateral epicondyle. The medial side of the distal humerus has the large, medial epicondyle. The articulating surfaces of the distal humerus consist of the trochlea medially and the capitulum laterally. Depressions on the humerus that accommodate the forearm bones during bending (flexing) and straightening (extending) of the elbow include the coronoid fossa, the radial fossa, and the olecranon fossa.

The forearm is the region of the upper limb located between the elbow and wrist joints. This region contains two bones, the ulna medially and the radius on the lateral (thumb) side. The elbow joint is formed by the articulation between the trochlea of the humerus and the trochlear notch of the ulna, plus the articulation between the capitulum of the humerus and the head of the radius. The proximal

radioulnar joint is the articulation between the head of the radius and the radial notch of the ulna. The proximal ulna also has the olecranon process, forming an expanded posterior region, and the coronoid process and ulnar tuberosity on its anterior aspect. On the proximal radius, the narrowed region below the head is the neck; distal to this is the radial tuberosity. The shaft portions of both the ulna and radius have an interosseous border, whereas the distal ends of each bone have a pointed styloid process. The distal radioulnar joint is found between the head of the ulna and the ulnar notch of the radius. The distal end of the radius articulates with the proximal carpal bones, but the ulna does not.

The base of the hand is formed by eight carpal bones. The carpal bones are united into two rows of bones. The proximal row contains (from lateral to medial) the scaphoid, lunate, triquetrum, and pisiform bones. The scaphoid, lunate, and triquetrum bones contribute to the formation of the radiocarpal joint. The distal row of carpal bones contains (from medial to lateral) the hamate, capitate, trapezoid, and trapezium bones. The anterior hamate has a prominent bony hook. The proximal and distal carpal rows articulate with each other at the midcarpal joint. The carpal bones, together with the flexor retinaculum, also form the carpal tunnel of the wrist.

The five metacarpal bones form the palm of the hand. The metacarpal bones are numbered 1 to 5, starting with the thumb side. The first metacarpal bone is freely mobile, but the other bones are united as a group. The digits are also numbered 1 to 5, with the thumb being number 1. The fingers and thumb contain a total of 14 phalanges (phalanx bones). The thumb contains a proximal and a distal phalanx, whereas the remaining digits each contain proximal, middle, and distal phalanges.

THE PELVIC GIRDLE

The pelvic girdle, consisting of a hip bone, serves to attach a lower limb to the axial skeleton. The hip bone articulates posteriorly at the sacroiliac joint with the sacrum, which is part of the axial skeleton. The right and left hip bones converge anteriorly and articulate with each other at the pubic symphysis. The combination of the hip bone, the sacrum, and the coccyx forms the pelvis. The pelvis has a pronounced anterior tilt. The primary function of the pelvis is to support the upper body and transfer body weight to the lower limbs. It also serves as the site of attachment for multiple muscles.

The hip bone consists of three regions: the ilium, ischium, and pubis. The ilium forms the large, fan-like region of the hip bone. The superior margin of this area is the iliac crest. Located at either end of the iliac crest are the anterior superior and posterior superior iliac spines. Inferior to these are the anterior inferior and

posterior inferior iliac spines. The auricular surface of the ilium articulates with the sacrum to form the sacroiliac joint. The medial surface of the upper ilium forms the iliac fossa, with the arcuate line marking the inferior limit of this area. The posterior margin of the ilium has the large greater sciatic notch.

יצירה ספר

Ligaments & Bones of the Pelvic Girdle

The posterolateral portion of the hip bone is the ischium. It has the expanded ischial tuberosity, which supports body weight when sitting. The ischial ramus projects anteriorly and superiorly. The posterior margin of the ischium has the shallow lesser sciatic notch and the ischial spine, which separates the greater and lesser sciatic notches.

The pubis forms the anterior portion of the hip bone. The body of the pubis articulates with the pubis of the opposite hip bone at the pubic symphysis. The superior margin of the pubic body has the pubic tubercle. The pubis is joined to the ilium by the superior pubic ramus, the superior surface of which forms the pectineal line. The inferior pubic ramus projects inferiorly and laterally. The pubic arch is formed by the pubic symphysis, the bodies of the adjacent pubic bones, and the two inferior pubic rami. The inferior pubic ramus joins the ischial ramus to form the ischiopubic ramus. The subpubic angle is formed by the medial convergence of the right and left ischiopubic rami.

The lateral side of the hip bone has the cup-like acetabulum, which is part of the hip joint. The large anterior opening is the obturator foramen. The sacroiliac joint is supported by the anterior and posterior sacroiliac ligaments. The sacrum is also joined to the hip bone by the sacrospinous ligament, which attaches to the ischial spine, and the sacrotuberous ligament, which attaches to the ischial tuberosity. The sacrospinous and sacrotuberous ligaments contribute to the formation of the greater and lesser sciatic foramina.

The broad space of the upper pelvis is the greater pelvis, and the narrow, inferior space is the lesser pelvis. These areas are separated by the pelvic brim (pelvic inlet). The inferior opening of the pelvis is the pelvic outlet. Compared to the male, the female pelvis is wider to accommodate childbirth, has a larger subpubic angle, and a broader greater sciatic notch.

THE BONES OF THE LOWER EXTREMITY

Like the upper limb, the lower limb is divided into three regions. The thigh is that portion of the lower limb located between the hip joint and knee joint. The leg is specifically the region between the knee joint and the ankle joint. Distal to the ankle is the foot. The lower limb also contains 30 bones, as another expression of a manifestation by metaphors of the thirty “transformation steps” that each of the twelve redundant “Divine Equilibrium Regions” with respect to the “Generative Divine Particle” in “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” will see passing in itself. These 30 bones are the femur, patella, tibia, fibula, tarsal bones, metatarsal bones, and phalanges.

The femur is the single bone of the thigh. The patella is the kneecap and articulates with the distal femur. The tibia is the larger, weight-bearing bone located on the medial side of the leg, and the fibula is the thin bone of the lateral leg. The bones of the foot are divided into three groups. The posterior portion of the foot is formed by a group of seven bones, each of which is known as a tarsal

bone, whereas the mid-foot contains five elongated bones, each of which is a metatarsal bone. The toes contain 14 small bones, each of which is a phalanx bone of the foot.

The lower limb is divided into three regions. These are the thigh, located between the hip and knee joints; the leg, located between the knee and ankle joints; and distal to the ankle, the foot. There are 30 bones in each lower limb. These are the femur, patella, tibia, fibula, seven tarsal bones, five metatarsal bones, and 14 phalanges.

The femur is the single bone of the thigh. Its rounded head articulates with the acetabulum of the hip bone to form the hip joint. The head has the fovea capitis for attachment of the ligament of the head of the femur. The narrow neck joins inferiorly with the greater and lesser trochanters. Passing between these bony expansions are the intertrochanteric line on the anterior femur and the larger intertrochanteric crest on the posterior femur. On the posterior shaft of the femur is the gluteal tuberosity proximally and the linea aspera in the mid-shaft region. The expanded distal end consists of three articulating surfaces: the medial and lateral condyles, and the patellar surface. The outside margins of the condyles are the medial and lateral epicondyles. The adductor tubercle is on the superior aspect of the medial epicondyle.

The patella is a sesamoid bone located within a muscle tendon. It articulates with the patellar surface on the anterior side of the distal femur, thereby protecting the muscle tendon from rubbing against the femur.
