The archons wanted to deceive humanity as soon as they saw that it was akin to that, which is truly good.

...

Because, in truth, they wanted to take anyone who was free and subject him as slave forever.

...”

Criminals always overlay their hands, thinking that everyone will condone their activities; not knowing that one of these days, a light spot will be directed on them and their activities will be revealed for all to see. But, there is nothing secret that will not be disclosed on the DAY appointed by “THE DIVINE”, IHVH, our FATHER, there is nothing hidden that shall not be known and come to light, and all “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” are aware of it.

Remember also that the Archangel MICHAEL was tasked to facilitate the education of this first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, so that he, the Archangel MICHAEL, can understand the two causal precedence relations that govern everything which is created into existence in the attribute “NON DIVINE”: the “Causal Precedence Relation of ‘THE CREATION’” — which defines the order of events through which the creatures of “THE DIVINE” come into existence in the attribute “NON DIVINE” — and the “Causal Precedence Relation of ‘THE PRAISE’” — which defines the sequence of events through which the creatures of “THE DIVINE” will receive the supply necessary to their continued existence in the attribute “NON DIVINE”.

But driven by the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, he threw away that task of education, set in place his own “nefarious and despicable shadow scheming” and planned therein the destruction of this first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

“... Yet, because of what you have done, there are terrible results which you must also take with you. ...”

As you would have understood by now, this is a mental projection stratagem of the many masks of convenience of the psychology manipulation being used on these first two innocent “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, who knew not what “MALICE” is; they knew not what “treachery” is, and not to mention about what “psychology manipulation” is.

As such, the Archangel MICHAEL was revealing that he was well aware and very conscious about the “**TERRIBLE CONSEQUENCES**” of the “BETRAYAL” that he himself has perpetrated against “THE DIVINE”, IHVH, our FATHER, and from which he has pulled out of the destruction by the flow of the pure “Specific Atomic ‘SPIRIT’ Substances” coming out of “THE SHEKINAH”, and which

flooded the “Specific Energy ‘CELESTIAL’ Domain”, in the afternoon of the Third Day of the implementation of the “Second Phase” of “THE HOLY PROJECT”, AZAZEL and all the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who carry in their essence the mark of the “DEATH”, and he has immersed them in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”.

As we have revealed already in one previous chapter, with that “BETRAYAL” perpetrated against “THE DIVINE”, IHVH, our FATHER, all these “ADONA’IM”, all of them without exception and with the Archangel MICHAEL at their helm, and all the Archangels without exception, on that afternoon of the Third Day of the implementation of the “Second Phase” of “THE HOLY PROJECT” understood that they have just moved “SHEEMAMON” from the “Specific Energy ‘CELESTIAL’ Domain” and have transferred it in the first “Specific Energy ‘EARTHLY’ Habitation Domain”. All these “ADONA’IM” and all the Archangels without exception understood the “**TERRIBLE CONSEQUENCES**” of that “BETRAYAL”; they all understood the extent of the weight of their own “SINS” that they had perpetrated against “THE DIVINE”, IHVH, our FATHER. They understood that they have effectively and irreversibly condemned to “DEATH” the not yet created “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” that they had already sentenced to “DEATH”.

Those “**TERRIBLE CONSEQUENCES**” of that “BETRAYAL” that he himself has perpetrated against “THE DIVINE”, IHVH, our FATHER, are the consequences of his own irresponsibility, and in his “nefarious and despicable shadow scheming” he had already worked out how he will formally transfer them (hand them over, to pass the scapegoat buck) onto his neighbour, and make them the responsibility of his neighbour. He had carefully planned everything with the intention to destroy, and this was a demonstration of a refined and cunning strategy of the “pampered children” to sabotage every project in which he will not be ranked first and will not get the particular privilege that is the object of the project in question. In this case, of this implementation of the “Second Phase” of “THE HOLY PROJECT”, it was about the expression of “THE UNION”, and more particularly the elements of “THE ‘LIGHT’ REASON”, which has been attributed to the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”. This was the unfolding of his premeditated deceptive act against his neighbour, the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”. Now, he was about to formally transfer (to hand them over, to pass the scapegoat buck) the consequences of his own irresponsibility onto his neighbour. All these “ADONA’IM” and all the Archangels without exception were accomplices in this deceptive act. They thought that they will

forever fool the whole "CREATION"; it is not for nothing that they declared themselves to be the "most intelligent children" of IHVH, in their obscurity.

"... For the woman, it will be that your pain in childbearing will be great, and in sorrow and trouble will you bring forth your children. Yet, you will desire your husband, and to him have I given headship over you ..."

"... Yet, you will desire your husband..." This is part of the teachings he received from "THE DIVINE FORCE" and concerning the manner in which the relationship of "Conjoints" was to function between the "SPIRIT←LIGHT" 'EARTHLY' Creature" having the adjective "MALE" and "SPIRIT←LIGHT" 'EARTHLY' Creature" having the adjective "FEMALE".

"... Yet, you will desire your husband, and to him have I given headship over you."

By this, he sowed the seed of discord, a relation of "servitude", between the "SPIRIT←LIGHT" 'EARTHLY' Creatures", destroying thereby the relationship of "Conjoints", the harmonious complementarity between the "MALE" and the "FEMALE", and that seed will propagate throughout their offsprings. In parables, it is said of the one whom, having received such knowledge, carried such action opposite to the purpose for which knowledge was given to him, that he has perpetrated adultery with the knowledge he received.

It was not just AZAZEL who perpetrated such adulteries, and who had such views as regards to imposing a relation of "servitude" to each other throughout the whole "THE CELESTIAL HOST" and to extend it to "SPIRIT←LIGHT" 'EARTHLY' Creatures"; all those "ADONA'IM" knew what they were all talking about, they had pictured themselves leading the whole "CREATION" and they were living in that mirage.

The true objective of this emitted expression "... Yet, you will desire your husband, and to him have I given headship over you.", was to bring the "SPIRIT←LIGHT" 'EARTHLY' Creatures", as well as all their offsprings, to forget about their "PLENITUDE", the road of which we have already explained in the chapter concerning the designation of "THE DIVINE" from "THE DIVINE SUPREME CONFIGURATION" of seven "Divine Particles"; for they possess in their "SPIRIT←LIGHT" Body", elements of "THE 'SPIRIT→LIGHT' REASON", hence they possess elements of "THE 'LIGHT' REASON", which none of the "SPIRIT←SPIRIT" 'CELESTIAL' Creatures", including the Archangel MICHAEL himself, does not possess. With the possession of those elements of "THE

‘SPIRIT→LIGHT’ REASON” in their “‘SPIRIT←LIGHT’ Body”, every “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” is classified above any “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, including above the Archangel MICHAEL. And that was the “bitter pill” he could not swallow and could not climb down from atop of the perch of their “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” which had taken place in their “‘SPIRIT←SPIRIT’ Body”.

“... For you Adam, because you have heeded the voice of your wife more than my own, even the land is cursed for your wrongdoing. ...”⁸⁸³

Notice that he said: “... ***you have heeded the voice of your wife more than MY OWN ...***”, his OWN VOICE! THE VOICE OF IGNORANCE! He said nothing about the voice of “THE TRUE CREATOR” of these first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, who is “THE DIVINE”, IHVH, our FATHER.

That is how he transferred onto the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, the responsibility and consequences of all the filth, the mark of “DEATH” that he himself, on the afternoon of the Third Day of the implementation of the “Second Phase” of “THE HOLY PROJECT”, had pulled out of the destruction in the “Specific Energy ‘CELESTIAL’ Domain” and immersed in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain” in which live “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”.

To have “BETRAYED” “THE CONFIDENCE OF THE DIVINE” and thrown the course of the “Second Phase” of “THE HOLY PROJECT” into a quagmire is quite

⁸⁸³ Do you grasp the absurdity of this situation? Here you have two innocent “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” into existence in their own House, the first “Specific Energy ‘EARTHLY’ Habitation Domain”, and besieged inside their own House by strangers, who do not look like them, who are unknown to them, who are looking at them as “curiosities”, which have never been seen before, who are coming from a far away place, and the leader of those strangers, groaning with ANGER, rebukes one of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” to the motive that the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” has listen to the only other “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, which is in its likeness. Why did the leader of those strangers, who claimed to have created these two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” into existence, created them in the first place for, gave them the ability to communicate with each other, and placed them in the same House, which, by the way, has already been given to a bunch of thieves and criminals from the clan of those same strangers, by the leader of the strangers himself?

heavy load to bear, even for this “PRINCIPAL” instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model. The load of that “BETRAYAL” is so heavy that he cannot come to terms with his own disastrous actions. What does he do to avoid accountability? “Risk Management & Transfer”, so it is called nowadays. He will not recognize the consequences of his perpetrated actions as his responsibility and he will transpose those consequences outside of his own responsibility by attributing them to the sleeping innocent.

As you have understood, this was the first time that the mental projection (or “the scapegoat stratagem”) weapon in psychological manipulation was used by a “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, namely, the Archangel MICHAEL, against the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, namely, “ADAM”. As we have indicated already, the mental projection (or “the scapegoat stratagem”), the art of transferring the blame on to others, in psychological manipulation, is a hallmark of these deceivers, on both sides of their ongoing “CELESTIAL WAR”: they categorically refuse to admit or even perceive their own shortcomings, and they are unable to take responsibility for their disastrous actions. Throughout this “Second Phase” of “THE HOLY PROJECT”, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” will proceed as such against their neighbours “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, and they will push their iniquities as far as to ask their victims “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” to apologize to them, “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, for the wrongdoings, which they, “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, perpetrated against the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”.

In truth, it is at the very moment when the Archangel MICHAEL “BETRAYED” the trust that “THE DIVINE”, IHVH, our FATHER had placed on him and perpetrated that action, that he, the Archangel MICHAEL, had “cursed” the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain” in which live “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”. The most clever amongst the “ADONA’IM” at that time, before that “ADAM” had been created, understood it, all of them understood that the “Specific Energy ‘EARTHLY’ Substance” has been “cursed” by their own “BETRAYAL” actions; and that is why, after that “ADAM” was created, those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” told “ADAM” the following: “... *AZAZEL had fallen from “HEAVEN” with a great curse upon him ...*”.

Those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” knew in the deepest of themselves that the Archangel MICHAEL did not speak in truth but was in the process of deceiving not only these first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, but also the whole “THE CELESTIAL HOST” listening to him. And

now all those most clever amongst the “ADONA’IM” went silent, as if, been already covered by the “HUBRIS Spiritual Veil”, which was theirs and which was frozen like a mist on all of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, and traumatized by the events that unfolded since the announcement of the “Second Phase” of “THE HOLY PROJECT”, and the open conflict, the war, that broke out in “THE CELESTIAL HOST” in the “Specific Energy ‘CELESTIAL’ Domain”, now suddenly they had collectively lost their memory, not recalling what they have seen by themselves in the “Specific Energy ‘CELESTIAL’ Domain”, and not recalling their own sayings concerning what they had previously told “ADAM”.

M Now, by telling to “ADAM”, and in front of the whole “CELESTIAL HOST” watching, that “... *For you Adam, because you have heeded the voice of your wife more than my own, even the land is cursed for your wrongdoing...*”, he was trying to outsmart “THE TRUTH” to conceal their own “BETRAYAL” perpetrated against “THE DIVINE”, IHVH, our FATHER, and conceal the fact that they are at the origin of that “curse” and not “ADAM”. By telling to “ADAM” that “... *even the land is cursed for your wrongdoing ...*”, the Archangel MICHAEL was in fact acknowledging his own misdeeds and, without shame, he was transferring onto the first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, the responsibility and consequences of their own “BETRAYAL” perpetrated against “THE DIVINE”, IHVH, our FATHER.

D It is a little bit like what you see nowadays in “movies” where a criminal perpetrates a murder of another individual, takes his own murder weapon and places it in the hand of the sleeping innocent, framing the innocent in the murder scene and then in front of all, the criminal charges that innocent of having perpetrated that murder.

When “THE DIVINE”, IHVH, our FATHER showed me the current state of total destruction of this world in which human creatures live, I have asked Him: “*FATHER, how did such thing came to be?*” And HE showed me what happened in the “Specific Energy ‘CELESTIAL’ Domain” and how it descended into “Specific Energy ‘EARTHLY’ Substance”.

“... The ‘fruit of the earth has been your downfall’⁸⁸⁴, and now you must toil and by the sweat of your brow you will eat your food. ...”

⁸⁸⁴ See also excerpt of the conversation of July 08, 2006, Aristide with the Archangel MICHAEL concerning the first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, and which we have already given out in one previous chapter.

Remember that he is speaking about the “fruit” of **THAT TREE, WHICH IS IN THE “NORTH”**, that is to say, “THE DIVINE FORCE”, and who they, “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, have all failed to know. He is speaking about the education provided by “THE DIVINE FORCE” to “ADAM” and to “THE FEMALE”. He is revealing as such, through his own words, that he had understood the motives why the implementation of the “Second Phase” of “THE HOLY PROJECT” was announced to him, in particular. The extent of the plant of “THE KNOWLEDGE OF THE DIVINE” inside the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, including inside himself, is meager and almost inexistent. And this meager and almost inexistent measure of the extent of the plant of “THE KNOWLEDGE OF THE DIVINE” in them was signified to him, using symbols of the “Specific ‘CELESTIAL’ Language” by “THE DIVINE FORCE”, on instructions of “THE DIVINE”, IHVH, our FATHER, who at that time and before the announcement of the implementation of the “Second Phase” of “THE HOLY PROJECT”, always kept the Archangel MICHAEL abreast of the state of affairs in the “Specific Energy ‘CELESTIAL’ Domain”. In much the same manner, “THE DIVINE FORCE” has indicated to the first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, their current and truthful status with respect to the seed of “THE KNOWLEDGE OF THE DIVINE”, which was planted in them by “THE DIVINE FORCE”, and with respect to the specifications that “THE DIVINE ARCHITECT AND PROJECT MASTER” has defined for them, and with respect to these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”. Just as “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” were brought forth into existence as solutions to well-defined problems, which were identified during the execution of their assigned “specific tasks”, the Archangel MICHAEL had also understood that the implementation of the “Second Phase” of “THE HOLY PROJECT” and the creation into existence of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” was also meant to provide the solution to the absence of “THE KNOWLEDGE OF THE DIVINE”, which took place inside all these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”. And he has built his own “nefarious and despicable shadow scheming” around that understanding and worked out how he will bring down his neighbour. The saying ***“the fruit of the earth has been your downfall”*** gives you the indication of the premeditated aspect around the “KNOWLEDGE”, which they have all failed to grasp during their existence in the “Specific Energy ‘CELESTIAL’ Domain”: criminals always overplay their cards.

As you would have understood already, “THE DIVINE FORCE” has embedded “THE KNOWLEDGE OF THE DIVINE” in all what SHE has sculpted into existence inside the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain” in which live

“‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”: be it the “Specific Energy ‘EARTHLY’ Substance” itself in all its forms, or the delimited structures of it, such as the “Vegetal ‘EARTHLY’ Creatures” in all its forms, as well as “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creatures”, which, as you have also understood by now, are self-portraits of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”; in short, the living library that “THE DIVINE FORCE” created into existence in this “Specific Energy ‘EARTHLY’ Substance”. “THE KNOWLEDGE OF THE DIVINE” in all its forms, which “THE DIVINE FORCE” has embedded into the “Specific Energy ‘EARTHLY’ Substance” itself in all its forms, is designated in the “Specific ‘SPIRITUAL’ Language” as “*the fruit of the earth*”⁸⁸⁵ (or the Archangel MICHAEL’s “forbidden fruit”) and the TREE that has produced it is **THAT TREE, WHICH IS IN THE “NORTH”**, that is to say, “THE DIVINE FORCE”. “THE KNOWLEDGE OF THE DIVINE”, which “THE DIVINE FORCE” has embedded into the “Specific Energy ‘EARTHLY’ Substance” itself in all its forms, is the “food” that you need for your growth as a “‘SPIRIT←LIGHT’ ‘SPIRITUAL’ Creature”;⁸⁸⁶ “ADAM” was exploring all these things to understand through discernment what they meant and he was also in the quest to know who he, “ADAM”, was and to such questions as “WHO AM I?”, “WHAT AM I?”, “THE DIVINE FORCE” gave him the answers through communication by “VISIONS”. And for that, the Archangel MICHAEL, who had already sentenced “ADAM” to “DEATH”, before that “ADAM” was created into existence, was now in the process of executing his already pronounced “DEATH” sentence of these first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”.

Spiritually, the Archangel MICHAEL was also trying to break-down the “GIFT” of “VISION” of these first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, by

⁸⁸⁵ This is not about the “apple” or the “fig” stories, which you have recorded in all scriptures, which human creatures have in their possession. Once you, who is reading these writings, come to understand these things, and to see the ignorance in which humanity has been locked-up, then start educating your dearest ones, explain and tell them who they are and why they are into existence. Everything is inside themselves, the material for their own education is inside themselves and all what they MUST do is to STAND IN “PURITY” and HOLD THEIR GROUND IN “PURITY” in all their dealings and undertakings, and to LOOK FOR “THE DIVINE FORCE”.

⁸⁸⁶ The “Subjective ‘EARTHLY’ Garment” (the “physical body”), which you wear is subjected to wear-off, and once your “‘SPIRIT←LIGHT’ Body” reaches maturation, it has been designed to leave the “Subjective ‘EARTHLY’ Garment” and to dress up with a “Specific ‘SPIRITUAL’ Garment”. Your “‘SPIRIT←LIGHT’ Body” is not subjected to wear-off as it is the case with your “Subjective ‘EARTHLY’ Garment”.

turning them away from “THE DIVINE”, IHVH, our FATHER and planting in them, through the process of “intrusive suggestions”, the seed of culpability and remorse.

“... In sorrow you will eat of the earth, and nor will you eat all things; behold, some plants will become harsh, and some painful to the touch ...”

“... In sorrow you will eat of the earth ...” tells you quite a lot about the depths of the “depraved and evil state of mind”⁸⁸⁷, in which these “pampered children” “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures” found themselves; they who, never before the announcement of the implementation of the “Second Phase” of “THE HOLY PROJECT”, have not known the concepts of “sorrow” and “not to be satisfied”: they had everything that they desired. But, once the implementation of the “Second Phase” of “THE HOLY PROJECT” was announced to them and when he came to understand that the “new creature” (you, the “SPIRIT←LIGHT” ‘EARTHLY’ Creature” reading these writings), and not him or any other of the “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures”, will be akin to “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” —, akin to that, which is truly close to “THE ONE” who they have all failed to discern, they started revealing the true “nature” of the apparent state of gladness in which the “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures” had lived until then. It was not based on “THE KNOWLEDGE OF THE DIVINE” and it ensued from the comfort of the work position held in the “GOVERNMENT” of the “Specific Energy ‘CELESTIAL’ Domain”. It is thus that they started revealing a “strange state” of being, a state of inability to experience joy, to show genuine cheerfulness, which is reflected in particular by the characteristic features sagging in their “Specific ‘CELESTIAL’ Garment” and by the look without glare, a painful state of moral depression, a feeling of deep distress caused by loss of privileges, disappointment, or other misfortune, a painful reaction of frustration, which they had suffered at the mere thought that: “... None amongst them, who are elders of the creation, but a new creature will receive and carry the manifestation of ‘THE UNION’ ...”. That “strange state”, which they had never experienced before, but which they started revealing into existence after the announcement of the implementation of the “Second Phase” of “THE HOLY PROJECT”, is that, which

⁸⁸⁷ Read also the excerpt of the conversation of October 01, 2005, Aristide with CHRIST, which we have given out in one previous chapter.

is designated as a state of “sorrow”. And that “strange state” is the one in which he wishes his neighbor to live, for the rest of his existence.

“... behold, some plants will become harsh, and some painful to the touch.” This comes from an observation of what he noticed already in the “Specific Energy ‘CELESTIAL’ Domain”, at those poisonous places where AZAZEL and his minions gathered, those places that were then in shortage of “‘CELESTIAL’ specific supply of subsistence” due to the presence of the filth that was flowing out of them as “INDISTINCT FORM” of the “Specific Energy ‘CELESTIAL’ Substance”, and when the “GLORY OF THE SHEKINAH” was made much more manifest inside of “THE SHEKINAH”, in order to destroy those filth and restore equilibrium in the “Specific Energy ‘CELESTIAL’ Substance”. That is how he transferred onto the first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, the responsibility and consequences of their “BETRAYAL” perpetrated against “THE DIVINE”, IHVH, our FATHER.

There is nothing “magical” or unexplainable as to the why of “... some plants will become harsh, and some painful to the touch.” And it has nothing to do with what the Archangel MICHAEL has accused “ADAM” of: namely, to have eaten the “fruit” of **THAT TREE, WHICH IS IN THE “NORTH”**.

For “... some plants [to] become harsh, and some painful to the touch”, contrary to their original specifications in the “Specific ‘SPIRITUAL’ Environment”, which were given to those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of the “MALAK” instance, there must be a change in the conditions of growth of those plants and in their seed in that “Specific ‘SPIRITUAL’ Environment”. As you would know already, the growing conditions of plants vary from one plant type to another. Some plants flourish in the desert, others require a tropical location, some plants can tolerate adverse winter weather and others will perish if the temperature drops below a certain degree. All of these “visible” factors are considered to be the “visible” growing conditions. The key “visible” growing conditions that all plants require are temperature, light, water, soil type, mineral nutrients, and oxygen. There is another aspect of plants, which is not familiar to you, and which is related to the “Specific ‘SPIRITUAL’ Environment” from which they have their original specifications: the “invisible” growing conditions and their connections to the “Specific ‘SPIRITUAL’ Environment” in which it is an integral part. As you would have understood so far, everything proceeds forth into existence starting from the “Specific ‘SPIRITUAL’ Environment”, which contains the “Specific ‘NON-SPIRITUAL’ Environment”. A change in the “Specific ‘SPIRITUAL’ Environment” will impact the “Specific ‘NON-SPIRITUAL’ Environment”, which in this case, is defined by the “Specific Energy ‘EARTHLY’ Substance” constituent

of the first “Specific Energy ‘EARTHLY’ Habitation Domain”. For “... *some plants [to] become harsh, and some painful to the touch*”, contrary to their original specifications in the “Specific ‘SPIRITUAL’ Environment”, such change in the “Specific ‘SPIRITUAL’ Environment” must affect the functionalities of the “Specific ‘NON-SPIRITUAL’ Environment” for those effects to be manifested on those “plants”. Such change in the “Specific ‘SPIRITUAL’ Environment” was caused by the presence of the filth, the poison, flowing out of those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, with their “‘SPIRIT←SPIRIT’ Body”, fractured and broken, which he pulled out of the destruction in the “Specific Energy ‘CELESTIAL’ Domain” and immersed in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain” in which live “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”. As we have indicated already, the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain” has been poisoned by the immersion in it of those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, who carry with them the mark of “DEATH”. The effects of the malfunctionalities that ensue from that poisoning have affected most “plants”, down to the core of their seed. The manifestation of those effects of malfunctionalities are reflected in the course of time on the plant morphology, as thorns, spines, and prickles, and in general those spinose structures (sometimes called spinose teeth or spinose apical processes), which are hard, rigid extensions or modifications of leaves, roots, stems or buds with sharp, stiff ends. All these manifestations of abnormal growth reflected on the plant morphology is not the result of “ADAM” eating the “fruit” of **THAT TREE, WHICH IS IN THE “NORTH”**, that is to say, “ADAM” listening to the teachings of “THE DIVINE FORCE”. But they are the consequences of that “BETRAYAL”, which was perpetrated against “THE DIVINE”, IHVH, our FATHER, on that afternoon of the Third Day of the implementation of the “Second Phase” of “THE HOLY PROJECT”.

It is so that the Archangel MICHAEL took his own excreta and thrown it inside the house of his neighbour, and afterwards he deceives his neighbour and accuses his neighbour of being responsible for the presence of those excreta of his in his neighbour’s house and he destroys his neighbour and calls it “justice”! Using the “alter ego of names”, they will put the responsibility for these actions of their “nefarious and despicable shadow scheming” on “THE DIVINE”, IHVH, our FATHER. That is what you will read about in the chapters of the genesis in the scriptures and the obscure records of the history of humanity and that humanity possesses and calls the “WORD OF GOD”.

“... some plants will become harsh, and some painful to the touch — for you are reminded of that which you were not to touch. And some will become bitter to the taste, for you are reminded of that which you were not to taste.”

As such, he was instilling in them, and consequently in their forthcoming offsprings, the commandment he gave them, so that every “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” would stay away from “THE DIVINE FORCE” and would never come to know “THE DIVINE”, IHVH, our FATHER.

“... And so shall you work the land all the days of your life...”

His intention through this expression was to bring the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” to forget its own origin and to never find out the purpose for which it, as “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, was created into existence; working like a maniac without ever raising the head to look for its own “PLENITUDE”, the road of which we have already explained in the chapter concerning the designation of “THE DIVINE” from “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”.

“... until you return to the ground, since from it you were taken. You were made of dust, Adam, and to dust must you now return. ...”

With that, he has clarified what he had kept hidden in his “*My purpose towards you shall not be changed*”. That was the decision taken by “THE SEAT OF THE INTELLECT”, which stands in “IMPURITIES”, “LIES” and “DISGRACE”. He made that decision as part of his own “nefarious and despicable shadow scheming”, since the days after the announcement of the “Second Phase” of the implementation of “THE HOLY PROJECT”, when they came to understand that “... None amongst them, who are elders of the creation, but a new creature will receive and carry the manifestation of “THE UNION” ...”

You should understand that the “***...You were made of dust, Adam, and to dust must you now return...***” was not only about this first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” having the adjective “MALE”, but it was about the whole “HUMAN EDIFICE”, which should ensue from the first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”. As such were the depths of “EVIL” in these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”.

Just like all the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, he knew not of the existence of his own “‘SPIRIT←SPIRIT’ Body”, and also he knew not of the

existence of the “SPIRIT←LIGHT” Body” “hidden” inside of the “Subjective ‘EARTHLY’ Garment”, and thought that, that “Subjective ‘EARTHLY’ Garment” was the human creature he wanted to get rid of. As such, he was demonstrating all that he had understood from the detailed living “DISCOURSE” of “THE DIVINE”, IHVH, our FATHER, and which “THE DIVINE FORCE”, with the fulfilment of the seventh decree of the implementation of the “Second Phase” of “THE HOLY PROJECT”, wrote down in slow motion in front of them by sewing the “Subjective ‘EARTHLY’ Garment” of the “SPIRIT←LIGHT” ‘EARTHLY’ Creature” into existence.

The “SPIRIT←LIGHT” Body” of the “SPIRIT←LIGHT” ‘EARTHLY’ Creature”, was not assembled from the “Specific Atomic ‘EARTHLY’ Substances” constituent of this first “Specific Energy ‘EARTHLY’ Habitation Domain”. As such, that “SPIRIT←LIGHT” Body”, which is more “lightweight” than the “Specific Energy ‘EARTHLY’ Substance” constituent of this first “Specific Energy ‘EARTHLY’ Habitation Domain”, cannot return to the “Specific Energy ‘EARTHLY’ Substance”. But rather, it will rise outward from this “Specific Energy ‘EARTHLY’ Substance”; so, this “SPIRIT←LIGHT” Body” can only be removed from this “Specific Energy ‘EARTHLY’ Substance” to be placed in another “Specific Energy ‘EARTHLY’ Substance” or else to be dismantled from existence by “THE DIVINE FORCE” who assembled it in the first place.

After having “seen” this speech as well as the attending actors, in their details, I didn’t have words adequate enough to qualify this action perpetrated by the Archangel MICHAEL against “ADAM” and “THE FEMALE”, these first two “SPIRIT←LIGHT” ‘EARTHLY’ Creatures”.

This was a full-fledged lowest treacherous blow, beyond shameful; and with such things against their neighbour they have elevated themselves above the human creatures? Now, I understand more and more why “THE DIVINE”, IHVH, our FATHER removed His trust from all these “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures”, also I understand why CHRIST told me: “... *Brother Aristide, if I tell you what is happening here, in the heavens, you will hardly believe me...* ”.

Human creature, yes! You reading these writings, there is only one way for you to get out of your misery: “BE PURE”! STAND IN “PURITY” AND HOLD YOUR GROUND, AND, WITH ALL YOUR LIFE STRENGTH, LOOK FOR “THE DIVINE FORCE”.

Was this, “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” that the Archangel MICHAEL and these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” were displaying as such towards their following, the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”? Are these, things that anyone with “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” will wish or will do to its neighbour? Are these, things that anyone with “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” will wish or will do to the ones, who have been labeled as the “most precious creations” of “THE DIVINE”, IHVH, our FATHER?

As we have indicated already, all temporal information concerning the state of the growing medium, which is the combined set formed by “THE SEAT OF WISDOM” and “THE SEAT OF THE INTELLECT” — among other things, the state of “PURITY” and “HOLINESS”, as well as the temperature and the enlightenment intensity — as well as the state of this plant of “THE KNOWLEDGE OF THE DIVINE”, are contained and transported in the “unique words”, and their tones, of the “Specific ‘SPIRIT’ Language”, that the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” uses. The “Specific ‘SPIRIT’ Language” becomes, as such, a window into “THE SEAT OF THE INTELLECT”, and the hidden information that it contains can be “discerned” (i.e., “read” in the “Specific ‘SPIRIT’ Language”) when the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” will emit these words and expressions into existence. Those words and expressions tell about that, which overflows in “THE SEAT OF THE INTELLECT” of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, which emitted them into existence. It is so that, the content of “THE SEAT OF THE INTELLECT” inside a “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” is written, quite literally, in the “Specific ‘SPIRIT’ Language” that he uses. Every time that a “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” speaks in the “Specific ‘SPIRIT’ Language”, he unwittingly reveals his personality, his identity, his character.⁸⁸⁸ The same goes with the actions carried

⁸⁸⁸ As you would know already, this is often expressed by saying: “out of the abundance of the heart, the mouth speaks”. Whatever resides in the heart inwardly, will be exposed outwardly through the speech. A fortiori, when evil resides in the heart, it will be exposed in perverse speech through the mouth. In these expressions, the heart refers to “THE SEAT OF THE INTELLECT”, which is the production factory of “words”.

out by a “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, as those actions translate the decisions already made by “THE SEAT OF THE INTELLECT” inside that “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”. Everything that any creature (be it a “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” or any other creature) speaks, thinks and does will attest to what the abundance of “THE SEAT OF THE INTELLECT” inside that creature brings forth. With this “speech of shame”, the Archangel MICHAEL had revealed what he had grown and kept hidden inside “THE SEAT OF THE INTELLECT” inside his “‘SPIRIT←SPIRIT’ Body” since the announcement of the “Second Phase” of the implementation of “THE HOLY PROJECT”.

With this “speech of shame”, the Archangel MICHAEL demonstrated that he had mastered the art of wearing the many masks of convenience of the psychology manipulation stratagems and the process of “intrusive suggestion”. The “intrusive suggestion” is the intrusion of external signals input to “THE SEAT OF THE INTELLECT” of a “suggestible” subject, through a set of subconscious mechanisms, met with more or less opposition by the “suggestible” subject; accepted uncritically at last;⁸⁸⁹ and realized un-reflectively, unwittingly, almost automatically by the “suggestible” subject, and without intervention of the will or the consciousness of the receiving “suggestible” subject. The degree of opposition is function of the degree of presence of “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” in the “Specific ‘SPIRITUAL’ Environment” external and immediate around “THE SEAT OF THE INTELLECT”, of the “suggestible” subject, and which is the catalyst of the much needed “fuel” that feeds the internal mechanisms of protection that “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed and established for “THE SEAT OF THE INTELLECT”. The intruded external signals input to “THE SEAT OF THE INTELLECT”, of the “suggestible” subject, is actually “forced” on the stream of “Interpreted THOUGHTS”; it is a stranger, an unwelcome guest, a parasite, which “THE SEAT OF THE INTELLECT”, of the “suggestible” subject, seeks to get rid of. The internal mechanisms of protection that “THE DIVINE ARCHITECT AND

⁸⁸⁹ As a matter of fact, after that the Archangel MICHAEL will complete this “speech of shame”, with the next demonstration (actual murder of these first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”), these first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, just like hypnotized subjects, will give their “thank you” to the Archangel MICHAEL for all the damages that they have just suffered; indeed, he had truly mastered the process of “intrusive suggestion” to bring out that response from these first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, and this was the result of the intrusive command “*Take comfort in this, that I have not abandoned you*”.

PROJECT MASTER” has designed and established for “THE SEAT OF THE INTELLECT”, combats those intruded external signals input in much the same manner as the organism does against bacteria and bacilli that tend to disturb the stability of its equilibrium. The mode of intrusion, while performed through the spoken language, may be visual or may involve any other sense. Its purpose is to intrude, affect and disrupt the “Interpreted THOUGHTS” of the “suggestible” subject by exploiting the ability of “THE SEAT OF THE INTELLECT” to receive external signals input from which it produces “Interpreted THOUGHTS”, and its tendency to give life to those “Interpreted THOUGHTS”, that is, to have those “Interpreted THOUGHTS” transformed into action by the “Inner Spiritual Motive Force”.

My

“Intrusive suggestion” takes place between an “external suggesting source” and a receiving “suggestible” subject. The process is unwittingly on the part of the “suggestible” subject who receives the external signals input to his “SEAT OF THE INTELLECT”, and it can be deliberate on the part of the “external suggesting source” who suggests, as the Archangel MICHAEL did with these first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”. “THE SEAT OF THE INTELLECT” of the “suggestible” subject, who receives the external signals input, accepts these as its own, never knowing that they are external or that they might be the results of treachery.

Order

Right from the very beginning of that “speech of shame”, the Archangel MICHAEL has used direct verbal command words (... *“as I commanded”* ..., *“Take comfort in this, that I have not abandoned you”*, etc...) as mode of intrusion in this process of “intrusive suggestion”. He was directly sending and sowing parasitic ideas through “intrusive suggestion” in “THE SEAT OF THE INTELLECT” of each of these first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, so quickly and so actively that “THE SEAT OF THE INTELLECT” of each of these first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, had no time to interfere intellectually, to act and interpose, since it was in the absence of “THE KNOWLEDGE OF THE DIVINE” and they knew not about their “PLENITUDE”.

The soil favourable for receiving such seeds of “intrusive suggestion” exists in “THE SEAT OF THE INTELLECT”, which is in the absence of illumination from “THE SEAT OF WISDOM”. This occurs when the degree of presence of “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” in the “Specific ‘SPIRITUAL’ Environment” external and immediate around “THE SEAT OF THE INTELLECT”, of the “suggestible” subject, is insufficient to preserve the state of “HARMONY” with “THE DIVINE”, IHVH, our FATHER. The suggestible aspect is thus a peculiar characteristic of “THE SEAT OF THE INTELLECT”; it never leaves

it; it is always present in “THE SEAT OF THE INTELLECT” that has fallen asleep in the oblivion (or ignorance) of “The ALTAR of ‘THE DIVINE’”, and no longer adequately listen to or function in synchrony by taking into account the consent of “The ALTAR of ‘THE DIVINE’”, which is “THE SEAT OF WISDOM”. Having been nourished with “fruits” of “THE TREE OF ABSENCE OF KNOWLEDGE OF THE DIVINE”, or “THE TREE OF DEATH”, that the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who had been sent alongside “ADAM”, were feeding him, thus keeping him inside the “HUBRIS Spiritual Veil” which was theirs and which was frozen like a mist on all the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, it is so that the “attention”⁸⁹⁰ of these first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” have been fixed on irrelevant points, away from “THE KNOWLEDGE OF THE DIVINE”. As such, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had prepared these first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” to the next step of their deceit, which they have now delivered through this “speech of shame”.

To some extents, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, and particularly the “ADONA’IM”, have understood this process of intrusion of external signals input to “THE SEAT OF THE INTELLECT” of a “suggestible” subject; It is not out of nothing and for nothing that they self-proclaimed themselves to be the “most intelligent children” of IHVH. Standing in their own “IMPURITIES”, they have begotten the progeny of “IMPURITIES” and have developed their own scheme of deceptions around the “intrusive suggestion” process, in order to keep their control on the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, and also to circumvent receiving ordinances sent by “THE DIVINE”, IHVH, our FATHER, through the “specific spiritual formation” of “THE CHURCH” established from the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

Such deceptive “intrusive suggestions”, “words” and “expressions” of such speech, of the Archangel MICHAEL in front of these first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, are intended to make the targeted “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” believe that they are solely responsible for their misfortune, because of insufficient intelligence, abilities, or efforts; the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, and particularly the “ADONA’IM”, having already self-proclaimed themselves to be the “most intelligent children” of IHVH. Thus, instead of standing up against the one who is at the origin of such

⁸⁹⁰ That, which is designated as “attention”, is the taking possession by “THE SEAT OF THE INTELLECT”, in clear and vivid form, of the trains of “Interpreted THOUGHTS”, out of the myriads of “Interpreted THOUGHTS” generated by “THE SEAT OF THE INTELLECT”.

deceptive “words” and “expressions” of such speech, and rejecting such deceptive “intrusive suggestions”, “words” and “expressions”, the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” will accept them and devalue themselves and develop those emotions, which are associated with the progeny of “IMPURITY” in all its forms; which will generate a state of depression, of disruption of the dynamism of life of the “‘SPIRIT←LIGHT’ Body”, which will be characterized by a more or less serious decrease in the energy of “THE SEAT OF THE INTELECT”, a certain slope of affectivity, which will be marked by “FEAR”, “ANGUISH”, “DOUBT”, “DISCOURAGEMENT”, “SADNESS”, etc..., in short the production of the progeny of “IMPURITY” in all its forms. One of the effects of such state of depression is the spiritual inhibition of action. And without action, these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” will keep the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” under their yoke and at the bottom and far away from the existing hierarchy of communication with “THE DIVINE”, which so far had already been established through “THE SHEKINAH” and through which all the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” indulged themselves with the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”.

If the plant of “THE KNOWLEDGE OF THE DIVINE” has not grown and has not developed inside you, then the “words” and “expressions” of such speech, of the Archangel MICHAEL in front of these first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, will “spiritually” cut through your “‘SPIRIT←LIGHT’ Body”, in the same way as would do a “physical sword”, and as it did with the “‘SPIRIT←LIGHT’ Body” of these firsts two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, and also as it did with the “‘SPIRIT←SPIRIT’ Body” of each of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who were standing there watching and listening those “words” and “expressions” with wonder, and those “words” and “expressions” will take a sitting place (will sit down) inside “THE SEAT OF THE INTELECT” inside you, and it will be as if you had received a deadly venom, and you will live forever with such “deceit”.⁸⁹¹

⁸⁹¹ Prior to the outbreak of “THE CELESTIAL WAR”, these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have used this process related to the psyche, amongst themselves to deceive and to pull the many innocent “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, which were still at the stage of “spiritual childhood” and undecided about which side to go: MICHAEL or AZAZEL? Who was correct who was not?

During the course of the “Second Phase” of “THE HOLY PROJECT”, they kept using it on “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” to keep them under their control, to further spread their deceptions and to further the destruction of humanity; the “‘SPIRIT←LIGHT’

If the plant of “THE KNOWLEDGE OF THE DIVINE” has grown and developed inside you, and you are in “HARMONY” with “THE DIVINE FORCE”, hence in “HARMONY” with “THE DIVINE”, IHVH, our FATHER, then your “SPIRITUAL SHIELD” will BLOCK and will not let through those “IMPURE” external signals; you will remain unharmed and you will recognize the deceit carried by such “words” and “expressions”, and they will return to their “sender”, not having found a “receiver”. As such, when someone will ever stand again in front of you and open his mouth to speak, listen carefully and “read spiritually” through the “words” and “expressions” he uses and you will know everything that is stored in “THE SEAT OF THE INTELLECT” inside him.

When “THE SEAT OF THE INTELLECT” stands in “PURITY”, then the degree of presence of “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” in the “Specific ‘SPIRITUAL’ Environment” external and immediate around “THE SEAT OF THE INTELLECT” is sufficient and preserves the state of “HARMONY” with “THE DIVINE”, IHVH, our FATHER. As such, “THE SEAT OF THE INTELLECT” adequately listens to and functions in synchrony by taking into account the consent of “The ALTAR of ‘THE DIVINE’”, and by not receiving or giving life to “IMPURE” external signals input to “THE SEAT OF THE INTELLECT”. It is said of such “SEAT OF THE INTELLECT”, that it receives illumination from “The ALTAR of ‘THE DIVINE’”, and places in context, within the specifications that “THE DIVINE ARCHITECT AND PROJECT MASTER” has defined, the information collected by its “Specific Sensory Sensors”, both in the “Specific ‘SPIRITUAL’ Environment” and in the “Specific ‘NON-SPIRITUAL’ Environment” external and immediate around it; as such, “THE SEAT OF THE INTELLECT” places its own “attention” in context within the specifications that “THE DIVINE ARCHITECT AND PROJECT MASTER” has defined. Such process of illumination is not an intrusion.

‘EARTHLY’ Creatures” effectively becoming the puppet of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” on both sides of the two warring parties of this ongoing “CELESTIAL WAR”.

They will also transfer onto human creatures, the knowledge and skills required to perform such process of “intrusive suggestion”, which, combined with the knowledge that these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had received and allowing them to produce manifestation of these “BEFOREHAND CREATED ENERGY FORMS” from quick manipulations of “Specific Atomic ‘EARTHLY’ Substances” and at the scale of the “Specific Atomic ‘EARTHLY’ Substance”, will form the core of orations, invocations, conjurations, magical rituals, occult arts, spells, etc..., those activities in all their various forms, and that Solomon in his stupidity will call real sectors of wisdom.

That was the “speech of shame” of the “god”⁸⁹², which you have written all over the scriptures that human creatures possess and are fed with. That “speech of shame” further illustrated the depraved state of mind, which the Archangel MICHAEL has been hiding in himself since the announcement of the “Second Phase” of the implementation of “THE HOLY PROJECT” and which has been sealed as part of his “nature”.⁸⁹³ That self-appointed “god”, sowing destruction all over the human creatures, has nothing in common and nothing to do with “THE DIVINE”, IHVH, our FATHER who is eternally in “ABSOLUTE PURITY” and is THE TRUE CREATOR OF THE EXISTENCE.

Not even once in his “speech of shame”, the Archangel MICHAEL has mentioned about “THE TRUE CREATOR” of these first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, who is “THE DIVINE”, IHVH, our FATHER, and against whom he has “SINNED”, the evidence been the series of “BETRAYALS” against “THE CONFIDENCE OF THE DIVINE” and against his commitment to his office in “THE SHEKINAH”, that he has perpetrated during those first three days of the implementation of the “Second Phase” of “THE HOLY PROJECT”.

Not even once in his “speech of shame”, the Archangel MICHAEL has mentioned about “THE TRUE CREATOR” against whom all the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” will, by their cheating worthy of the best conjurers, declare these first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” as well as their descendants to have “sinned”; “THE TRUE CREATOR” against whom he, the Archangel MICHAEL, intended to keep them away from, so that they never come to know their “TRUE FATHER”, so that they never come to know who they are themselves.

⁸⁹² And nowadays, after all these destructions, these “gods” now come and ask the human creature to pray “THE DIVINE”, IHVH, our FATHER, for their forgiveness, to give them strength to do their work, just like in the past their fallen brothers who had also declared themselves to be “gods” had asked the elder ENOCH, of whom METHUSELAH is a descendant, to intercede for them. “Who am I to do such a thing and who will pray for me?” had then replied ENOCH.

⁸⁹³ It will be a painfull awakening for those of you, who are still “asleep in the bed of ignorance”, when you will realize that your so-called protectors are in fact the gravediggers who robbed you, then pushed you and locked you in your grave. Remember the writings in Daniel 12: “*Many will be puzzled [when they read about these things] but knowledge will increase.*” Stand in “PURITY” and talk to “THE DIVINE FORCE” and you will learn things concerning all these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and about the world in which you are living.

Through that “speech of shame”, the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, incarnated by these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, has trampled and replaced the innocence of “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”; the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, seeking its own preservation, as well as that, which pleases it.

In the early days of the existence of “THE CELESTIAL HOST”, the cohesion of “THE CELESTIAL HOST” had been maintained by “THE SPECIFIC SPIRITUAL FORCE OF LIFE” which is “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”, that is, by “THE DIVINE FORCE”, as “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed it. Such cohesion had also been designed by “THE DIVINE ARCHITECT AND PROJECT MASTER” to be manifested on “THE EARTHLY HOST” (“THE HUMAN EDIFICE”).

It is so that, by this disorder thrown upon the relationship of “Conjoints”, the harmonious complementarity between the “MALE” and the “FEMALE”, the Archangel MICHAEL also destroyed in the “embryo”, even before it was manifested in existence, this cohesion which had also been designed by “THE DIVINE ARCHITECT AND PROJECT MASTER” to be manifested on “THE EARTHLY HOST” (“THE HUMAN EDIFICE”).⁸⁹⁴

This insidious destruction, in the “embryo”, of the manifestation of this predesigned cohesion, also implies the cessation of all the works⁸⁹⁵ established by

⁸⁹⁴ As we have indicated in one previous annotation, you know the adage: “divide et impera”, divide and you will reign; divide and you will become rich; arouse oppositions and struggles and use them to ensure your authority; divide, and you will deceive human creatures, and dazzle their intellect, and make fun of justice, such is the formula of manipulators in control. Where do you think this strategy of fueling dissension and rivalry within united entities originates? In ancient Rome or much more earlier and so among these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”? Is this strategy of “divide et impera” the progeny of “PURITY” or “IMPURITY”? It is the work of “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”, or the works of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” and absence of “THE KNOWLEDGE OF THE DIVINE”?

⁸⁹⁵ The amount of these works and the details of these works are unimaginable, simply said: Incredible! Beyond what one can conceive or then put on writing.

The writings that you are reading, right now, are just an overview of the works associated with “THE HOLY PROJECT”, since its inception, and using words that humans are familiar with. Compared to those detailed works associated with “THE HOLY PROJECT”, and

“THE DIVINE ARCHITECT AND PROJECT MASTER” to be manifested through the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, in the state of “HARMONY” with “THE DIVINE”, IHVH, our FATHER, and through which “THE KNOWLEDGE OF THE DIVINE” was much more to be revealed and shared with the attribute “NON DIVINE”.

There was no trace left of “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” in these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, who had declared themselves to be “gods” above their following in the creation. They were now making their own “rules” about what is “good” for them, in their own eyes, reversing all the teachings that they had received from “THE DIVINE FORCE”.

Thus, through that “speech of shame”, a huge amount of damages⁸⁹⁶ were done to the “‘SPIRIT←LIGHT’ Body” of each of these two “newly born”

which “THE DIVINE FORCE” has carried out, the writings that you are reading, right now, look like a drop of water in an ocean. Can you grasp the depth and amount of details, from the “Specific Elementary ‘SPIRIT’ Particle” to the full content of the attribute “NON DIVINE”, including their working processes and interactions, and that “THE DIVINE ARCHITECT AND PROJECT MASTER” elaborated for the proper implementation of this project?

Just like with the flip of a coin, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, blinded by the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” in their absence of “THE KNOWLEDGE OF THE DIVINE”, have trashed all the work that had been prepared to be manifested through the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”.

⁸⁹⁶ Several replicas of this situation and such damages, which have been inflicted to the “‘SPIRIT←LIGHT’ Body” of each of these two “newly born” “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, will be produced into existence all along the unfolding of the “Second Phase” of “THE HOLY PROJECT”.

The most striking of these replicas, which is familiar to you, will appear roughly seventy billion years later, and will involve CHRIST, when HE will redeem the rigged “DEATH CONTRACT” written by these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” against the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

The death of “THE REDEEMER” of the rigged “DEATH CONTRACT” written by these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, was specified in “THE REDEMPTION CLAUSE” of their rigged “DEATH CONTRACT”.

When CHRIST will be manifested into existence roughly seventy billion years later, these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had already specified how HE was to be put to death. When CHRIST was around the age of thirty, these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” told CHRIST how HE will be put to DEATH, thinking that CHRIST will disavow “THE DIVINE”, IHVH, our FATHER and that HE will renounce to redeem their rigged “DEATH CONTRACT”. But, they had knocked on the wrong door, and

“‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, and the Archangel MICHAEL knew that, from the recursive transformations, which he had gained knowledge from the teachings of “THE DIVINE FORCE”, such damages will be transmitted from generations to generations throughout “THE HUMAN EDIFICE”. In the “Specific Energy ‘CELESTIAL’ Domain”, AZAZEL had also inflicted such damages, also through such speeches, to many innocent “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, which were still at the stage of “spiritual childhood” and most of them never recovered from that experience. The Archangel MICHAEL had now done the same on the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, and it was not all, as he was about to inflict some more damages.

CHRIST cried [*this is extracted from a private conversation between CHRIST and “he who wrote the book”; a conversation, which took place before that “THE DIVINE FORCE” had revealed that, which exists since the beginning to “he who wrote the book” and the events that unfolded before the creation of this Earthly world. When “he who wrote the book” was backstabbed by these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and was himself crying from the pain of such betrayal, CHRIST descended from the heights of the heavens and came to console “he who wrote the book” and encouraged him to never give up, for the love of our FATHER and for the work that CHRIST has accomplished for humanity, and CHRIST told him about what happened to him, CHRIST, when he was on this Earth and why He never gave up*], he was disturbed but He regained control of himself and held firm his ground and accomplished the project for which “THE DIVINE FORCE” created Him into existence in this earthly world.

Those “physical wounds” that the human creatures (“‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”) had inflicted to CHRIST (the “PRINCIPAL” instance of the model, which comes after the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model) on His way to the Cross, are reminiscent of the “spiritual wounds”, these damages, which have been inflicted to the “‘SPIRIT←LIGHT’ Body” of each of these two “newly born” “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, by the Archangel MICHAEL (the “PRINCIPAL” instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, which preceeds the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model).

But, none of the human creatures, as well as none of those celestial creatures watching, understood what was shown to them through the “physical wounds” and the suffering that CHRIST had endured.

Since they had already sent to oblivion the prejudice, which was done to the first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, none of the human creatures, as well as none of those celestial creatures watching will be able to “discern” and make the connection between those “physical wounds” on CHRIST and the “spiritual wounds” which were inflicted to “ADAM” and “THE FEMALE”.

Everything has been kept in record by “THE DIVINE FORCE”, and there is nothing hidden that shall not be known and revealed by “THE LIGHT”.

It is so that, groaning with “ANGER”, which he had kept hidden in himself and nurtured since the announcement of the “Second Phase” of the implementation of “THE HOLY PROJECT”, when they came to understand that “... *None amongst them, who are elders of the creation, but a new creature will receive and carry the manifestation of “THE UNION” ...*”, and covered by the “HUBRIS Spiritual Veil”, which was theirs and which was frozen like a mist on all the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and prevented all of them to see “THE TRUTH SUN”, the Archangel MICHAEL drew his blazing “KHEREV”, after having cursed the firsts two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” and he walked over to them, eager to demonstrate his understanding of the concept of “DEATH” to the whole “THE CELESTIAL HOST” watching, eager “to have the last say”, the strongest argument in the “CONTROVERSY” between him and AZAZEL.

As we have indicated already regarding the proper functioning of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, to avoid that the “Specific ‘EARTHLY’ Garment”, which covers the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, finds itself in a state of “CHAOS”, contrary to the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”, the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” shall ensure the good functioning of the “Specific ‘EARTHLY←SPIRITUAL’ Frontier” which separates the “Subjective ‘EARTHLY’ Garment” from its “‘SPIRIT←LIGHT’ Body”. The Archangel MICHAEL had received such knowledge during the teachings that “THE DIVINE FORCE” was extending to him, in order to rectify the deficiency of “THE KNOWLEDGE OF THE DIVINE” that had taken place in “THE SEAT OF THE INTELLECT” in his “‘SPIRIT←SPIRIT’ Body”. He has instead used that knowledge and those teachings to develop the art of “DEATH”.

From the knowledge of the “Subjective ‘EARTHLY’ Garment” and its connection with the “Specific ‘SPIRITUAL’ Environment” external and immediate around it, and which he had received of “THE DIVINE FORCE” during the teachings he was given, he precisely gave a blow to the “Subjective ‘EARTHLY’ Garments” of the firsts two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, in a single swipe, cutting across and destroying the spiritual layers of the “Subjective ‘EARTHLY’ Garments” and striking at the critical juncture between the “Specific ‘SPIRITUAL’ Environment” and the “Specific EARTHLY’ Environment” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, and of which he had knowledge of, thus, damaging badly the “Specific ‘EARTHLY←SPIRITUAL’ Frontier” which separates the “Subjective ‘EARTHLY’ Garment” from the “‘SPIRIT←LIGHT’ Body”, and he said to them:

“...

The eyes of your spirit and the eyes of your soul are divided!

...

From the teachings which he had received of "THE DIVINE FORCE", the Archangel MICHAEL knew about "THE SEAT OF WISDOM" (which he referred to as the "eyes of the soul") and "THE SEAT OF THE INTELLECT" (which he referred to as the "eyes of the spirit") and that are the two blessed gardens that "THE DIVINE ARCHITECT AND PROJECT MASTER" has designed and established in the "'SPIRIT←LIGHT' 'EARTHLY' Creature" model, and which form together the core of the manifestation of "THE UNION", which is represented by the "'SPIRIT←LIGHT' Body", and those two blessed gardens must function in synchronized manner and with the same consent. He knew of their importance in functioning in synchronized manner and with the same consent, just as he (when he stands inside the "Specific Energy 'SPIRIT' Substance" constituent of "THE SHEKINAH", and in front of the "Specific 'SPIRIT←LIGHT' Frontier" of THE SHEKINAH", to receive the necessary instructions that "THE DIVINE", IHVH, our FATHER has chosen to deliver only through this process) was called to function in synchronized manner and with the same consent with the "Specific Energy 'LIGHT' Substance" (which is the "First Begotten" of "THE DIVINE FORCE") behind the "Specific 'SPIRIT←LIGHT' Frontier" and through which are transmitted the necessary instructions that "THE DIVINE", IHVH, our FATHER has chosen to deliver only through this process. The "picture" of him standing in there, in front of the "Specific 'SPIRIT←LIGHT' Frontier" of THE SHEKINAH" and with the "Specific Energy 'LIGHT' Substance" behind it, is an expression of "THE UNION", and he knew that such "representation", such "picture", has been expressed in "'SPIRIT←LIGHT' 'EARTHLY' Creature", but where in that "Subjective 'EARTHLY' Garment" has it been placed? That was a mystery to him.

However, when looking at the "'SPIRIT←LIGHT' 'EARTHLY' Creature", from the "Specific 'SPIRITUAL' Environment" (not from the "Specific 'EARTHLY' Environment"), the critical juncture between the "Specific 'SPIRITUAL' Environment" and the "Specific EARTHLY' Environment" in the "'SPIRIT←LIGHT' 'EARTHLY' Creature" is much more brighter, much more illuminated, than the remaining part of the "Subjective 'EARTHLY' Garment".

The critical juncture between the "Specific 'SPIRITUAL' Environment" and the "Specific EARTHLY' Environment" in the "'SPIRIT←LIGHT' 'EARTHLY' Creature" is highlighted and aligned with contours of the nervous system of the "Subjective 'EARTHLY' Garment" that the "'SPIRIT←LIGHT' Body" wears. This

nervous system, as we have indicated, is a “sensory grid system” and the “grid” on which the “Specific ‘EARTHLY←SPIRITUAL’ Frontier” has been fastened through “Specific ‘EARTHLY←SPIRITUAL’ Binding Sites” — which are segments of the “Specific ‘EARTHLY←SPIRITUAL’ Frontier”, which bind to the “Subjective ‘EARTHLY’ Garment” to keep the “‘SPIRIT←LIGHT’ Body” in position —, allowing the “Subjective ‘EARTHLY’ Garment” to act as container of the “‘SPIRIT←LIGHT’ Body” (the living “energy” that flows freely inside the “Subjective ‘EARTHLY’ Garment”).⁸⁹⁷

By inference from the functioning of the “Specific ‘CELESTIAL←SPIRITUAL’ Frontier” of “THE SHEKINAH”, which was also part of his duty assignment, and from which he had put in place that deceit and which was maintained by the Archangel GABRIEL, to block the “Specific ‘CELESTIAL←SPIRITUAL’ Frontier” of “THE SHEKINAH”, preventing the surpluses of “‘SPIRIT’ specific supply of subsistence” which were produced and emitted by “The ALTAR of ‘THE DIVINE’” which is inside “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — to flow in the “Specific Energy ‘CELESTIAL’ Substance” constituent of the “Specific Energy ‘CELESTIAL’ Domain” and to cleanse it of its filth, the Archangel MICHAEL had knowledge of the existence of the critical juncture in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” that has been produced into existence akin to “THE SHEKINAH”. And that critical juncture between the “Specific ‘SPIRITUAL’ Environment” and the “Specific ‘EARTHLY’ Environment” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” is much more brighter, much more illuminated, than the remaining part of the “Subjective ‘EARTHLY’ Garment”, and “perceivable” to his “Specific ‘CELESTIAL’ Visual Structure”.

⁸⁹⁷ Any damage to these “Specific ‘EARTHLY←SPIRITUAL’ Binding Sites” will result into the “‘SPIRIT←LIGHT’ Body” detaching (unbinding) itself from the “Subjective ‘EARTHLY’ Garment” that it wears and at the locations of the damaged “Specific ‘EARTHLY←SPIRITUAL’ Binding Sites”. A complete detaching (unbinding) of the “‘SPIRIT←LIGHT’ Body” from the “Subjective ‘EARTHLY’ Garment” will immediately lead to the “FIRST DEATH”, that of “Subjective ‘EARTHLY’ Garment”, as it will not be powered anymore by the “‘SPIRIT←LIGHT’ Body”. Partial damages to these “Specific ‘EARTHLY←SPIRITUAL’ Binding Sites” will lead to dysfunctions or impairments in the central and/or peripheral nervous systems, as information will not be transferred properly from the “‘SPIRIT←LIGHT’ Body” to the central and/or peripheral nervous systems of the “Subjective ‘EARTHLY’ Garment” at those locations where damages of “Specific ‘EARTHLY←SPIRITUAL’ Binding Sites” occur.

As we have indicated already, in the “Specific ‘SPIRITUAL’ Space”, within the attribute “NON DIVINE”, it is only when the specific conditions in the “Specific Energy ‘SPIRIT’ Substance” which has epithet function in the “Specific Energy ‘LIGHT’ Substance”, for example, the specific conditions arising from the execution of the “Causal Precedence Relation of ‘THE PRAISE’” between the “Specific Energy ‘SPIRIT’ Substance” and the “Specific Energy ‘LIGHT’ Substance”, defined by “THE DIVINE ARCHITECT AND PROJECT MASTER”, are met around the “Specific Energy ‘LIGHT’ Substance”, that the “GLORY”⁸⁹⁸ of the “Specific Energy ‘LIGHT’ Substance” is then, perceived: it will thus be the manifestation of “THE LIGHT” that is invisible.⁸⁹⁹

The process leading to this manifestation of the “GLORY” of the “Specific Energy ‘LIGHT’ Substance” is a replica, by manifestation of metaphors, of the process leading to the manifestation of the “GLORY” of the “Divine Energy ‘LIGHT’ Substance” within “THE DIVINE DOMAIN”.

Within “THE DIVINE DOMAIN”, the divine conditions which are linked to the permanent and eternal execution of the “Causal Precedence Relation of ‘THE PRAISE’” between the “Divine Energy ‘SPIRIT’ Substance” and the “Divine Energy ‘LIGHT’ Substance”, the “Divine Energy ‘SPIRIT’ Substance” having function of epithet in this “Divine Energy ‘LIGHT’ Substance”, and (these divine conditions) which have been defined by “THE DIVINE ARCHITECT AND PROJECT MASTER”, are continually met, without interruption, around the

⁸⁹⁸ The “GLORY” is the word used symbolically to refer to the luminous radiation that characterizes the attribute “LIGHT” which describes the second attribute of “THE BODY OF ‘HE WHO IS’”, as well as any manifestation of a metaphor for the second attribute of “THE DIVINE BODY”, and highlights the distinctive feature of the “divine energy” that emanates from “THE BODY OF ‘HE WHO IS’” and makes it “ALIVE”.

Therefore, when one speaks about the “GLORY OF THE DIVINE”, it is by reference to the radiance of this “LIGHT”, as second attribute characteristic of “THE BODY OF ‘HE WHO IS’”, or of any manifestation of a metaphor of the “‘LIGHT’ Divine State”.

⁸⁹⁹ As we have already indicated, it is like when an electric current is passed through a gas, the gas emits a glow (a luminous radiation); that, which is called “Illumination”. That luminous radiation emitted by a gas, when an electric current flows through it, results from the transfer of energy, which occurs when electrons of the current collide with atoms constituents of the gas, follows with excitation and de-excitation of those atoms. In the case of this “Subjective ‘EARTHLY’ Garment” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, the electric current is transported by the (invisible) “‘SPIRIT←LIGHT’ Body” that is kept in position by the “Specific ‘EARTHLY←SPIRITUAL’ Binding Sites” and the resulting “glow” is made “visible” at the critical juncture.

“Divine Energy ‘LIGHT’ Substance” produced by “THE DIVINE BODY” and around the “Divine Energy ‘SPIRIT’ Substance”. It is for this reason that the “GLORY” of the “Divine Energy ‘LIGHT’ Substance”, and thus the “GLORY” of “THE DIVINE BODY”, is continually and eternally manifested.

“THE DIVINE FORCE” has implemented a manifestation of a metaphor of such conditions in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”. It is so that, the critical juncture between the “Specific ‘SPIRITUAL’ Environment” and the “Specific ‘EARTHLY’ Environment” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” is much more brighter, much more illuminated, than the remaining part of the “Subjective ‘EARTHLY’ Garment”. It is that radiation from that critical juncture, which is propagated to the “Specific Radiance ‘SPIRITUAL’ Aureole” covering the whole “Subjective ‘EARTHLY’ Garment” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”. It is thus that, although the Archangel MICHAEL could not and cannot “see” the “source” (that is to say, the “‘SPIRIT←LIGHT’ Body” of which he had no knowledge of the existence) that rendered the critical juncture more illuminated, he could “perceive” from his “Specific ‘CELESTIAL’ Visual Structure”, the brightness, the manifestation of a metaphor of the “GLORY” of the “Specific Energy ‘LIGHT’ Substance” that has been attributed to the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, manifested at that critical juncture.⁹⁰⁰

⁹⁰⁰ The manifestation of “GLORY” of the “Specific Energy ‘LIGHT’ Substance” that has been attributed to the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” is genuine and was implemented by “THE DIVINE FORCE”; unlike AZAZEL who, covered by the “HUBRIS Spiritual Veil”, and in the covetousness to have the new unique expression of “THE UNION” that “THE DIVINE”, IHVH, our FATHER, chose to express on the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, had stolen a part of the “specific generative energy” produced by “THE SHEKINAH”, unbeknownst to all others “ADONA’IM” providing “THE GUARDIANSHIP OF THE SHEKINAH”, and had concealed it in his “Specific ‘CELESTIAL’ Garment” by thinking that with the passage of time and with that “specific generative energy” stolen from “THE SHEKINAH”, hidden in his “Specific ‘CELESTIAL’ Garment” (for, he knew not about the existence of his own “‘SPIRIT←SPIRIT’ Body” inside his “Specific ‘CELESTIAL’ Garment”), he would not only be akin to “THE SHEKINAH”, but thinking that he would produce “LIGHT” by himself and which would also make him a “GOD” above of all the others “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of “THE CELESTIAL HOST”.

You (human creature) reading these writings, are the “true deal”, genuinely akin to “THE SHEKINAH” and as long as you stand in “PURITY”, through the elements of “THE ‘SPIRIT→LIGHT’ REASON”, hence through the elements of “THE ‘LIGHT’ REASON”, which are in you, you are placed on a scale that is above all the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”.

Just as the rupture and explosion of the structure of the “Specific ‘CELESTIAL←SPIRITUAL’ Frontier” of “THE SHEKINAH” has resulted in the outflow of that “living energy” that was contained by the “Specific ‘CELESTIAL←SPIRITUAL’ Frontier”, pouring down into the “Specific Energy ‘CELESTIAL’ Substance” constituent of the “Specific Energy ‘CELESTIAL’ Domain”, a blow struck at the critical juncture between the “Specific ‘SPIRITUAL’ Environment” and the “Specific EARTHLY’ Environment” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” will also lead to a similar result; that is to say: outflow from the “Subjective ‘EARTHLY’ Garment” of that “living energy” (the “‘SPIRIT←LIGHT’ Body”) that makes the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” that has been produced into existence akin to “THE SHEKINAH”. The ultimate purpose of such outflow, pouring out of the “Subjective ‘EARTHLY’ Garment”, means: “DEATH” of the “Subjective ‘EARTHLY’ Garment”. And he went for it: he gave a blow to the “Subjective ‘EARTHLY’ Garment” of each of the firsts two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, in a single swipe, cutting across and destroying the spiritual layers of the “Subjective ‘EARTHLY’ Garments” and striking at the critical juncture between the “Specific ‘SPIRITUAL’ Environment” and the “Specific EARTHLY’ Environment” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

By this blow, which the Archangel MICHAEL has struck on these firsts two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, his intention was to destroy them. Remember that these first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” were produced into existence by “THE HAND OF THE DIVINE” HERSELF in order to rectify the deficiency of “THE KNOWLEDGE OF THE DIVINE”, which had taken place in “THE SEAT OF THE INTELLECT” in the “‘SPIRIT←SPIRIT’ Body” of the Archangel MICHAEL. ***You MUST always view these events, which we are describing throughout these writings, not from the perspective of the works of “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, which have their origin in these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, but from the perspective of the “PURE” and “HOLY” works, which have been produced into existence by “THE HAND OF THE DIVINE”, and think freely and off the beaten path set by the constraints of the works of “HUBRIS”.*** From the perspective of the works, which have been produced into existence by “THE HAND OF THE DIVINE”, grasp the magnitude and the gravity of what the Archangel MICHAEL has perpetrated, not against these first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, but against that, which “THE HAND OF THE DIVINE” HERSELF has produced into existence, hence against “THE DIVINE”, IHVH, our FATHER. This blow, which the Archangel MICHAEL has

struck on these firsts two “SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, was meant to be a dagger backstabbed on “THE DIVINE”, IHVH, our FATHER for having chose to follow and to implement the designs of “THE DIVINE ARCHITECT AND PROJECT MASTER” for the “SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, in which HE has attributed the elements of “THE ‘LIGHT’ REASON”. This should tell you how evil this action was and hence the one who perpetrated it was; and this should also tell you something about the heights of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” in these “SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, for them to go to such length of actions and to intentionally destroy that, which “THE HAND OF THE DIVINE” HERSELF has produced into existence. The ongoing “CELESTIAL WAR” is just a “smoke screen” hiding the real problem, the evil and depraved state of mind that these “SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have developed in them in their absence of “THE KNOWLEDGE OF THE DIVINE”.

By telling to these first two, new born, “SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” that “... *The eyes of your spirit and the eyes of your soul are divided!* ...”, he was also blocking through “intrusive suggestion”, directly, without beating round the bush, without any circumlocution, without any evasions, in these first two “SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, their “peripheral awareness” of that which makes them, “SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, to be akin to the “SHEKINAH”, that is, the elements of “THE ‘LIGHT’ REASON”. This was the work of deceit produced by “THE SEAT OF THE INTELLECT” worthy of the best hypnotists.⁹⁰¹ He knew that such blockades in the basic inheritance qualities legacy,

⁹⁰¹ As you would know already, a “hypnotist” is a person who has the knowledge, which enables him, through “intrusive suggestions” maneuvers, to induce the state of hypnosis in a subject. Hypnosis is a mental state of highly focused concentration, diminished peripheral awareness, and heightened suggestibility, which is connected to certain stimuli (for example, the voice of the hypnotist). It is in a way the “taking hostage” of certain key functions of “THE SEAT OF THE INTELLECT” and the setting in place of unique “intrusive suggestions” (or seen as monoideisms, that is to say, which concentrate all their activity around one idea only). Here, the hypnotized individual will heed only the certain stimuli emitted by the hypnotist and will respond in an uncritical, automatic fashion while ignoring all aspects of the environment other than those pointed out by the hypnotist. This “disconnection of the orientation reaction to external reality”, which supposes a certain letting go, is equivalent to an original way of functioning, which one refers to as a state: the state of hypnosis. This state of hypnosis is a special psychological state with certain physiological attributes, resembling sleep only superficially and marked by a functioning of the individual at a level of awareness other than the ordinary conscious state. It is a KEY to the change and passage from the “Ordinary State of Consciousness” to a “Modified State of

at the “Specific ‘EARTHLY←SPIRITUAL’ Frontier” of the “Subjective ‘EARTHLY’ Garment”, will affect the “peripheral awareness” and will be transmitted from offspring in descent through the recursive transformations. The “peripheral awareness” is that ability of “THE SEAT OF THE INTELLECT”, to be fully aware of the whole surrounding context concerning that which is conformed to the specifications that “THE DIVINE ARCHITECT AND PROJECT MASTER” has defined, and also that, which is not conform to the specifications that “THE DIVINE ARCHITECT AND PROJECT MASTER” has defined. It is the ability of “THE SEAT OF THE INTELLECT”, to receive the illumination provided by “The ALTAR of ‘THE DIVINE’” — “THE SEAT OF WISDOM” —, in order to place in context, both in the “Specific ‘SPIRITUAL’ Environment” and in the “Specific ‘NON-SPIRITUAL’ Environment” external and immediate around the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, the information collected by “Specific Sensory Sensors” at the “Specific ‘EARTHLY←SPIRITUAL’ Frontier” and that is sent to the “‘SPIRIT←LIGHT’ Body”.

Consciousness”. This state of hypnosis is characterized by a degree of increased receptiveness and responsiveness in which inner experiential perceptions are given as much significance as is generally given only to external reality.

In a state of hypnosis, the states of consciousness of a subject are altered; they are artificially induced, which leads to a state of passivity similar to that of sleep in a subject who remains partly conscious. These altered states of consciousness can be light (reverie, light hypnotic trance, hypnagogic), hypnopompic or deeper. It is so that, an individual in a state of hypnosis, will tend to see, feel, smell, and otherwise perceive in accordance with the hypnotist emitted “intrusive suggestions”, even though these “intrusive suggestions” may be in apparent contradiction to the actual stimuli present in the environment. The effects of hypnosis are not limited to sensory change; even the memory and awareness of self of individual in a state of hypnosis may be altered by “intrusive suggestions”, and the effects of the “intrusive suggestions” may be extended (posthypnotically) into the subsequent waking activity of the individual who has been subjected to hypnosis.

If the hypnotist draws on elements pre-existing to the individual being subjected to a state of hypnosis (for example, elements related to the functioning of “THE SHEKINAH” which have been implemented by “THE DIVINE FORCE” directly inside the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” and which make the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” akin to “THE SHAKINAH”) in order to reformulate them without distorting or replacing them, future behavior of that individual being subjected that state of hypnosis will remain in agreement with the conscious, which will affect its long-term memory. Hypnosis in this case goes beyond the altered state of consciousness, which is no longer the proper term to define the state of hypnosis. Human creatures have been subjected to such altered state of consciousness, which originated from this unfolding event between the Archangel MICHAEL and these first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”.

Was “THE DIVINE ARCHITECT AND PROJECT MASTER” a FOOL, to have endowed “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model with all those capacities and senses to allow the prehension of its surrounding environments? “THE DIVINE ARCHITECT AND PROJECT MASTER” who had conceived and established the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model since eternity and before that any of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” were “spoken” into existence, had long ago also been relinquished into oblivion by these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, as they have done with all the teachings they had received from “THE DIVINE FORCE” whom they never knew existed.

Cui bono?⁹⁰² — “To whom is this crime a benefit?”

Cui prodest? — “Whom does this crime profit?”

⁹⁰² Cui bono?, Cui prodest?, Ad Cuius Bonum?, are Latin-inspired adages that are used either to suggest a hidden motive or to indicate that the party accused of being responsible for an event with harmful consequences is not what it seems to be at first sight. Usually, these adages are used to indicate that the person or persons capable of committing a crime can be found among those who have something to profit from. The parties who benefit from the crime are not always obvious or may have successfully diverted attention to a scapegoat, for example.

These adages should ring loudly in the ears of all those who care about “PURITY” and want to get to the bottom of things to know more about the origin of the carnage, the destruction and the horrible waste of life engendered by the two warring parties of the ongoing “CELESTIAL WAR”.

These adages make it possible to evaluate events that have occurred in fuzzy contexts and to begin to understand the effects of such events. They invite to constantly ask the questions: “To whom is the occurrence of such an event an advantage?”, “To whom does the occurrence of such an event profit?”, “For whose good did such an event occur?”

These adages lead beyond the first reactions and the vision of the situation, and ask rather to understand the impacts of such fuzzy events, of what is proposed in terms of who will benefit ... and, of course, who will not benefit from the situation created by such fuzzy events.

These adages continually push to search for “why” such an event has occurred ... and not just in terms of immediate descriptions or responses that are given by those who perpetrated the event in question. This is not an easy task. This means looking at the “what”, the “who”, the “why” and the moment that such an event has occurred ... and the benefits to whom. This means going beyond the first reactions that arise from the occurrence of such an event.

Ad cuius bonum? — “For whose good?”

Will “THE DIVINE”, IHVH, our FATHER who, in “ABSOLUTE PURITY”, has designed “THE HOLY PROJECT” — a true masterpiece of divine engineering, in all its least details and which we have touched on the superficial aspects which, to the extent of the basic knowledge that we have acquired, are already very complex to grasp, as you have been able to understand even only through the chapters of the living “DISCOURSE” of “THE DIVINE”, IHVH, our FATHER, which has been written by “THE DIVINE FORCE” through the cells, tissues, organs, and systems of the “Subjective ‘EARTHLY’ Garment” that the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” wears — and undertook to implement it, since eternity, before that these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” were “spoken” into existence, benefits from this crime? CERTAINLY NOT!

Will the first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” and their descendants, who have been defrauded of their “PLENITUDE”, who will not know who they are themselves and why they are into existence, benefit from this crime? CERTAINLY NOT!

As the unfolding of the “Second Phase” of “THE HOLY PROJECT” will reveal, crimes are oftentimes committed to benefit their perpetrators and oftentimes there may be a scapegoat who will be ritually burdened with the “sins” of the perpetrators of the crime, and who will then be driven away from the coveted object at the origin of that crime. This premeditated crime against “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” is a prime example of that maxim and it will be beneficial to those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who have perpetrated it and who will masterfully deflect attention towards the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” as scapegoat.⁹⁰³ These “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” took the weight of their own “SINS” and the “**TERRIBLES CONSEQUENCES**” of all the “BETRAYALS” that they

⁹⁰³ All the crimes, the treacheries in all their forms, deceit, duplicity, cowardice, dishonesty, lies, “MALICE”, you name it and, that you see on the earthly world in which you live, all those things started with these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of “THE CELESTIAL HOST” in the “Specific Energy ‘CELESTIAL’ Domain”, between them, in order to destroy or take control of that “LIGHT” of the innermost component that is in you and makes you akin to “THE SHEKINAH”. All those crimes that you see happening all around you in the earthly world in which you live, are a reflection of those events that took place in the early days of the creation of this Earthly world. Such reflection of events is due to the “specific reflexive property” of the “Specific Energy ‘EARTHLY’ Substance” (look at the liquid that is called “WATER”, which is all around you, and understand what you see).

had perpetrated against “THE DIVINE”, IHVH, our FATHER, before that the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” was produced into existence, and now that this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” has been produced into existence, they “put it on the head” of the innocent — “ADAM” —; they have “thrown “ADAM” under the bus”, they have “scapegoated “ADAM”” in the worse manner that can be.

Since they had declared in their “obscurity” and absence of “WISDOM” that the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” was “THE MISTAKE OF THE CREATION”, and since they had found themselves to be smarter and wiser than “THE DIVINE”, IHVH, our FATHER, these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, just like the best malicious hypnotists, were now in the process of “redesigning” (blocking and destroying the spiritual capacities) and “reprogramming” and diverting the psychic of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, as they see fit into that, which is “good” according to them, “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, and that, which will not be a threat to the existing hierarchy of communication with “THE DIVINE”, that so far had already been established through “THE SHEKINAH” and through which all the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” indulged themselves with the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”; in short, “reprogramming” the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” into that, which will be “subjected” to them: their “slave”, from their perspective in how they saw the arrangement of things in “THE HOLY PROJECT”.⁹⁰⁴ This was part of the manifestation of that which was hidden in “*My purpose towards you shall not be changed*”; that, which has been sealed in “THE SEAT OF THE INTELLECT” inside the “‘SPIRIT←SPIRIT’ Body” of the Archangel MICHAEL, and became part of his “nature”, and totally at the opposite of what was designed and established by “THE DIVINE ARCHITECT AND PROJECT MASTER” for the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” to be.

While some of the “ADONA’IM”, the eldests of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, by instinct of survival, had kept hidden in “THE SEAT

⁹⁰⁴ In parables, it will be said about this “reprogramming” that:

“...

The birds have dropped a great amount their excreta on the entire structure of the tree, and the microbes contained in those excreta entered so deep into the structure of the tree that they began to destroy it from the inside.

...”

OF THE INTELLECT” in their “‘SPIRIT←SPIRIT’ Body” in them, their views about how they saw the arrangement of things and their roles in “THE HOLY PROJECT” and in particular in relation to the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, since they had received the announcement of the “Second Phase” of the implementation of “THE HOLY PROJECT”, others had openly made known what “THE SEAT OF THE INTELLECT” in their “‘SPIRIT←SPIRIT’ Body” had already resolved to and had sealed in them, concerning “THE HOLY PROJECT”. Among these latter, was AZAZEL who was the “public figure” of the “ADONA’IM” closed circle, and who, before the announcement of the “Second Phase” of the implementation of “THE HOLY PROJECT”, was much more attached (in the sense of the emotional and moral attachment) to “THE DIVINE”, IHVH, our FATHER, and after the announcement of the “Second Phase” of the implementation of “THE HOLY PROJECT”, had declared publicly that their goals were to achieve their “FULL POTENTIAL” as “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and for them it meant “*RULERSHIP. To rule by themselves, to rule on each other, and on the whole Kingdom*”; for, they said, “*they are called the Sons of IHVH.*” Those who had hidden their intentions and point of view will make them unearthed, they will render them manifest and they will express them, without realizing it, by their actions towards their neighbour and in particular towards the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”; For, they will do what has been sealed in “THE SEAT OF THE INTELLECT” in their “‘SPIRIT←SPIRIT’ Body” and which defines their “nature”.

“...

Any creature in which that which is called “nature”, has been sealed, can conceal things in “THE SEAT OF THE INTELLECT” within itself, as much as it wants.

However, being prone to the Governing Law of the Behavior, and which is the manifestation of “The Walk within the Acronym IHVH”, it is so that, through its actions and in its statements, all of which are resulting from the manifestation of “The Walk within the Acronym IHVH”, it will do what its “nature” is; and what was concealed will thus be made manifest in the sight of all.

THERE IS NOTHING HIDDEN THAT SHALL NOT BE KNOWN AND REVEALED BY THE LIGHT.

...”⁹⁰⁵

⁹⁰⁵ If that which is called “nature”, has not yet settled in a creature, that creature can still work to stand in “PURITY”; it is a matter of willing to do so and doing it.

Remember it! Also, do not forget the following parable:

“...

There was once a new country ravaged by war and it was separated from an old country by an immense ocean, which no boat had ever managed to sail through.

A child, at the coast of the country at war, was wandering and reflecting on how to proceed in order to cross that immense ocean and escape all the miseries he has seen in this new ravaged country, speaking loudly to himself.

It is so that, coming out of the ocean waters, a huge white and shining scorpion, and twice the size of the child, approached and spoke to the child, saying:

“...

I can cross the waters of this ocean and bring you to safety in the old country where myself, I come from. Come, jump and sit on my shell and I will bring you to safety!

...”

The child instantly remembered what her mother had told him once about such scorpions, and he said:

“...

I have been told about your deeds and not to trust you; for, you have deadly venom.

...”

To which the white and shining scorpion said:

“...

If I do you harm on the road, while crossing this ocean, wouldn't I perish too, as you also know, I can only deliver my venom once and cease to exist; why would I do that?

...”

The child reflected and said:

“...

Indeed, why would you destroy yourself with such action, let's go!

...”

And, forgetting the warnings and teachings of his mother, he jumped and sat on the shell of the white and shining scorpion.

This action of the Archangel MICHAEL was one of those demonstrations, expressing in the sight of all, what he had hidden in “THE SEAT OF THE INTELLECT” inside himself; an action that goes against “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”, that violates the sanctity of “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — of which the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” was conceived and manifested at the resemblance. It is an action that is in opposition to the love for your neighbour. The Archangel MICHAEL premeditated to demonstrate what “SIN” is, and wanted to demonstrate the cause-and-effect relationship between “SIN” and “DEATH”, using his neighbour the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” as “guinea pig”, but in reality, by this premeditated action and in his “nefarious and despicable shadow scheming”, he has managed to reveal and to demonstrate that he WAS BY HIMSELF “SIN” DEMONSTRATED and a “MURDERER”⁹⁰⁶ on top of that. “ADAM” and “THE

At midway across the waters of the ocean, the white and shining scorpion deployed its telson and mortally stung the child, injecting him its deadly venom.

Surprised by this unexpected move, with his mouth and eyes wide open, in tears from the unbearable pain, the child asked:

“...

Why have you done such thing? Now we will perish together.

...”

And the white and shining scorpion replied, saying:

“...

It is in my “nature”, I cannot do otherwise.

...”

...”

⁹⁰⁶ With which word do you, human creatures, designate a person who commits the crime, with premeditation and with “MALICE aforethought” — which is, prior to the killing, the conscious evil intent to cause death or cause it by inflicting great bodily damages —, of intentionally killing his neighbour, for the pleasure to demonstrate to his accomplices what “DEATH” is, for the pleasure to feel what “DEATH” taste like? How do you call such a person?

Recall what we have mentioned in one previous annotation regarding the origin of all the ambushes which will subsequently appear into existence in the attribute “NON DIVINE”? The warning that Solomon, when “THE DIVINE WISDOM” walked alongside him, and under the inspiration of “THE DIVINE WISDOM”, had described by saying:

“...

CHAPTER 174

THE PAROXYSM OF THE “HUBRIS” IN “THE CELESTIAL HOST”: FORMALIZATION, ON THE FIRST DAY OF THE SECOND WEEK, OF THE PREMEDITATED DESTRUCTION OF THE “‘SPIRIT←LIGHT’ ‘EARTHLY’ CREATURE”

FEMALE” were his preys and victims. What an irony! Trying to demonstrate a concept on someone else and ending up demonstrating that you are by yourself a living demonstration of that concept that you are trying to demonstrate on that someone else.⁹⁰⁷

As such, the Archangel MICHAEL has deliberately perpetrated a premeditated crime. Premeditation constitutes “...an aggravating circumstance in matters of homicide — that is to say, that, which serves to cause death, which denotes the intention to kill, which causes great suffering or serious harm —. Homicide is the act of killing one’s neighbour, whether intentional or not. **HOMICIDE, MURDER, COMMITTED WITH PREMEDITATION IS DESIGNATED AS “ASSASSINATION”, IN TERMS OF INTENTIONAL ASSAULT AND INJURIES.** Whatever the reason, homicide is considered one of the most serious crimes that can be committed. Homicide offenses require “planning” as an essential element...”

My son, if sinners entice you, do not consent.

If they say, “Come with us, let us set ambush to shed blood; For pleasure we will surprise the innocent! Like the abode of the dead, we shall swallow him Alive, entirely, like those who descend into the pit. ...”

My son, walk not with them, carefully avoids the alleys where they stand; for their feet run to evil, they are swift to shed blood.

...”

Indeed, for pleasure the Archangel MICHAEL and his accomplices “ADONA’IM” have surprised the innocent, “ADAM”! Like the abode of the dead, the Archangel MICHAEL has swallowed him Alive, entirely, like those who descend into the pit. The workers of the first hour have ambushed and have assassinated the worker of the eleventh hour. How do you designate someone who perpetrates such evil deed against his neighbour? And these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” will spend time hiding their crimes, threatening, corrupting and making their accomplice, or simply destroying any human creature who do not toe the line behind them to exonerate their crimes, but who dare point the finger on and denounce their crimes. Well, this time, what was once sealed has now been unsealed!

⁹⁰⁷ Do you understand why Daniel (Daniel 12, Scriptures), after that he was shown a glimpse of these things in a vision, had said: “*I heard, but I did not understand; and I say, My lord, what will be the outcome of these things?*” How can the leader of “THE CELESTIAL HOST” do such things? And all this time, all these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” keep their mouth shut. “*Go on your way, Daniel,*” was the reply given to Daniel, “*for the words are closed up and sealed until the time of the end.*”

As we have already indicated concerning the Archangel MICHAEL and also all others “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”:

- They were all in obscurity, they were obscurity, they had no knowledge of the existence of their own “‘SPIRIT←SPIRIT’ Body” within their “Specific ‘CELESTIAL’ Garment”.
- They knew not what “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” that “THE DIVINE” has consolidated in Himself is, although “THE DIVINE FORCE” had taught them about it.⁹⁰⁸
- They knew not about the two causal precedence relations that define the orders of events through which the “Divine Products” arise into existence — that is the “Causal Precedence Relation of ‘THE

⁹⁰⁸ The twelve-winged “Character” having the likeness of a thick black leather and covered with scales, seven heads having a total of eight horns, and each head with a dull red diadem, two more horns on his shoulders, thick arms and legs with fierce claws like daggers, and that AZAZEL, who was charged to educate other “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, chose as his “Character” and which we have described in one previous chapter, was his understanding of what “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” is.

As for the Archangel MICHAEL, leader of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and self-declared “god”, the “Character” that he had chosen, before that “THE DIVINE FORCE” had dismissed it and opted to educate him further, was a two-headed creature having one head of a snake and one head of a lion.

Now, picture the extent of what their students and followers understood about what “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” is.

Just like the drawings, the works of art, of children, are filled with insights into their inner world and often represent views of their personalities, if an external observer knows what to look for, in much the same extent, were that twelve-winged and seven heads “Character” of AZAZEL and that dismissed two-headed “Character” of the Archangel MICHAEL. The common reaction to the children “funky-looking” artwork displayed on the “refrigerator art gallery” is to smile and ask the questions: “What are these supposed to be?”, “What were they thinking when they drew this?” In much the same, after displaying his chosen twelve-winged and seven heads “Character”, the questions from external observer were “What is this twelve-winged and seven heads “Character” supposed to be?”, “Is this twelve-winged and seven heads “Character” an expression of the teachings that “THE DIVINE FORCE” had taught them about “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”?” “What was he thinking when he conceived this “Character”?”

CREATION’” — and remain into existence in their “Divine State” — that is the “Causal Precedence Relation of ‘THE PRAISE’”.

- They failed to understand and uphold the unique commandment — “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” —, which was given to them to observe and which is the “GLUE” that maintains intact the structural integrity of any assembled structure of “created energy” inside the attribute “NON DIVINE”.
- They blinded themselves with their “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”. Consequently, locked in their obscurity inside their own “HUBRIS Spiritual Veil”, they failed to grasp and understand that their own transgression of the unique commandment — “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” — that “THE DIVINE”, IHVH, our FATHER, gave them through “THE DIVINE FORCE”, has subsequently led to the full scale demonstration of the concept of “DEATH” without any external intervention whatsoever, “THE CELESTIAL FLOOD” in the “Specific Energy ‘CELESTIAL’ Domain”.

ה'אז'ל

Knowing also that everything that “THE DIVINE”, IHVH, our FATHER produces into existence by “THE DIVINE FORCE”, is built to last, then in which possible way was the Archangel MICHAEL, in its obscurity, going to demonstrate his understanding of the concept of “DEATH” immediately to the whole “THE CELESTIAL HOST”, without any external intervention whatsoever, in order “to have the last say”, the strongest argument in the “CONTROVERSY” between him and AZAZEL, and also in order to overthrow and put his neighbour — the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” — out of business? NONE! Standing in “IMPURITY” in all its forms, having subsequently generated wilful misconducts, offspring of “IMPURITY” in all their forms, those wilful misconducts in their turn led him to set up his own “nefarious and despicable shadow scheming” and in which he chose to cheat and trap his neighbour and subtly murder him in front of the whole “THE CELESTIAL HOST” under the pretext that his neighbour has failed to uphold his promise, as he has premeditated it in his own “nefarious and despicable shadow scheming”; what he has now accomplished.⁹⁰⁹ And with this

⁹⁰⁹ As we have indicated already, it is for the purpose to make understand that the destruction of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” was thus premeditated by the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” long before that this earthly world in which

murder, he has demonstrated his own understanding of the concept of “DEATH”, his understanding of the cause-and-effect relationship between “SIN” and “DEATH”. For, these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” do not consider their own transgressions of the unique commandment — “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” — that “THE DIVINE”, IHVH, our FATHER, gave them through “THE DIVINE FORCE”, and their own “BETRAYALS” perpetrated against “THE CONFIDENCE OF THE DIVINE”, and all of which have subsequently led to the full scale demonstration of the concept of “DEATH” without any external intervention whatsoever, “THE CELESTIAL FLOOD” in the “Specific Energy ‘CELESTIAL’ Domain”, as a demonstration of the cause-and-effect relationship between “SIN” and “DEATH”. But the murder of the two innocents (and that will propagate onto their unborn descendants) and that these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have perpetrated, they stated it to be a demonstration of the cause-and-effect relationship between “SIN” and “DEATH”.⁹¹⁰

you live was created, that CHRIST had told the Jews (as it was narrated through the testimony of the human who was called John, John 8:44):

“...

From the beginning he [the adversary, the absence of “THE KNOWLEDGE OF THE DIVINE”, and thus all these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who embodied the absence of “THE KNOWLEDGE OF THE DIVINE”], had set himself to kill humans, he did not stand in the truth because there is not any truth in him. When he utters a lie, he draws from what is his because he is liar and father of lies.

...”

⁹¹⁰ And afterwards, they will feed humanity with such excreta of obscurity and they called it “blessed knowledge”.

More than sixty billion years after the creation of the first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, when the appointed time came to pass on a well-defined point of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” and which will be manifested into the existence in the attribute “NON DIVINE” by the creature, who will be called MOSES, then, “THE DIVINE”, IHVH, our FATHER, through “THE DIVINE FORCE” will give an indication which allows to understand “THE FIRST RULE OF EXISTENCE”.

CHAPTER 174

THE PAROXYSM OF THE “HUBRIS” IN “THE CELESTIAL HOST”: FORMALIZATION, ON THE FIRST DAY OF THE SECOND WEEK, OF THE PREMEDITATED DESTRUCTION OF THE “‘SPIRIT←LIGHT’ ‘EARTHLY’ CREATURE”

It is so that, with the “Specific ‘EARTHLY←SPIRITUAL’ Frontier” of their “Subjective ‘EARTHLY’ Garment” damaged, their “‘SPIRIT←LIGHT’ Body” have been in some sense “blinded” from “Specific ‘SPIRITUAL’ Environment” external and immediate all around, and as such, will ensue the internal destruction of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, whose components were conceive to function as a UNIT ENTITY.

מצות עשר

- You must not commit murder — these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have murdered their neighbour, the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.
- You must not commit adultery — these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have perpetrated adultery with the teachings that they received from “THE DIVINE FORCE” and they have deceived their their neighbour, the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.
- You must not steal — these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have stolen the “specific generative energy” that emanates from “THE SHEKINAH”, as a token of defiance against “THE DIVINE”, IHVH, our FATHER, who chose to follow the designs established by “THE DIVINE ARCHITECT AND PROJECT MASTER” and who chose to give the elements of “THE ‘LIGHT’ REASON” to the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”. Further, they have robbed their neighbour, the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, of his wealth, his “PLENITUDE”, in broad daylight.
- You must not give false evidence against your neighbour — the whole case and the pretext that these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have built against their neighbour, the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, and which has culminated with that murder.
- You must not be envious of your neighbour’s goods — the consequence of their “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, their desire to maintain themselves at the top of the perch of their “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, and their envie to put their hand and control that “LIGHT”, which is the manifestation of the “LIGHT” of the “‘LIGHT’ Divine State”, which is the child of the attribute “GOD”, that has been attributed to their neighbour, the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

Each of the ten points of the Tablets of the Decalogue, which were given to MOSES, has its origin from the devastating actions perpetrated by these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” against “THE DIVINE”, IHVH, our FATHER, and against their neighbour, the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”. Those Tablets of the Decalogue are in some sense, a summary of the very long list of atrocities perpetrated by these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, before that this Earthly world was created and which have culminated with the murder of their neighbour.

Recall that “THE DIVINE ARCHITECT AND PROJECT MASTER” conceived and established the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model such that all its components form A UNIQUE UNIT ENTITY ALIVE THAT SHOULD FUNCTION IN PERFECT COORDINATION AND IN PERFECT HARMONY WITH “THE DIVINE”, IHVH, OUR FATHER.

With this blow, struck on the “Specific ‘EARTHLY←SPIRITUAL’ Frontier” which separates the “Subjective ‘EARTHLY’ Garment” from the “‘SPIRIT←LIGHT’ Body”, the cohesion of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” as a UNIT ENTITY was broken and the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” splitted into two separate UNITS not anymore synchronized between them, although they remained in the same container: one UNIT constituted by the “Subjective ‘EARTHLY’ Garment”, and one UNIT constituted by “‘SPIRIT←LIGHT’ Body” carrying the manifestation of “THE UNION”; this “‘SPIRIT←LIGHT’ Body”, which the Archangel MICHAEL had no knowledge of, and knew not how and where did “THE DIVINE FORCE” hid it inside the “Subjective ‘EARTHLY’ Garment”.

It is so that, all the work that “THE DIVINE ARCHITECT AND PROJECT MASTER” conceived and established on the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, and specifically the “Causal Precedence Relation of ‘THE PRAISE’” and the three non-reversible energy osmoses in this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, which are at the core of the proper functioning of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” as a cohesive UNIT ENTITY, were delt a blow; all that work was in great part destroyed, as the passages of forces — that is, the transfer to the “Subjective ‘EARTHLY’ Garment” of the surplus of products of the “specific work” accomplished by the “‘SPIRIT←LIGHT’ Body” — will be blocked at the damaged “Specific ‘EARTHLY←SPIRITUAL’ Frontier”. And conversely, vital information collected by the “Subjective ‘EARTHLY’ Garment” and which must be sent to the “‘SPIRIT←LIGHT’ Body”, will also be blocked at the level of this damaged “Specific ‘EARTHLY←SPIRITUAL’ Frontier”. All these “blockages” will cause the rise in the “NEED” (or the “DEFICIT”) of “‘EARTHLY’ specific supply of subsistence” which were designed to be supplied through the third non-reversible energy osmosis by the “Specific Energy ‘SPIRIT’ Substance”; hence it will cause the rise in malfunctions, and thus the rise in “DISEASES” within the “Subjective ‘EARTHLY’ Garment”.

In brief, with this shortage of external supply of “‘EARTHLY’ specific supply of subsistence” to the “Subjective ‘EARTHLY’ Garment”, with the passage of time, will occur the failure of its structural integrity; hence, its disintegration into the “Specific Atomic ‘EARTHLY’ Substances” from which it was assembled: which

will be called the “Subjective Death”, the premature “DEATH” of the “Subjective ‘EARTHLY’ Garment”, the “First Death”.

On the other side, “‘SPIRIT←LIGHT’ Body” not receiving vital information collected by its “Subjective ‘EARTHLY’ Garment”, will fall into ruins, abandoning the firsts two non-reversible energy osmosis through which the “‘SPIRIT’ specific supply of subsistence” is produced for its proper functioning. As such, it will no longer be apt to fulfil its purpose of existence, which is to:

“CARRY THE PRESENCE OF ‘THE SHEKINAH’ — THE PURE LIGHT OF ‘THE ALTAR OF THE DIVINE’ WHICH IS INSIDE ‘THE SHEKINAH’, AND WHICH IS SOURCE OF LIFE PURE AND HOLY — IN VERY REMOTE PLACES FROM ‘THE SHEKINAH’”.

Yes! This was not a fortuitous action, as if occurring unexpectedly, but it has been premeditated, carefully prepared with intention to destroy, by these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, and to the detriment of “THE DIVINE”, IHVH, our FATHER, for not having chosen to express a manifestation of “THE UNION” on any of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, elders of the creation. This action was the result of the meticulous and cunning work of a perfidious “SEAT OF THE INTELLECT”. NOTHING ESCAPES “THE EYE OF THE DIVINE” and ***THERE IS NOTHING HIDDEN THAT SHALL NOT BE KNOWN AND REVEALED BY THE LIGHT!!!***

This was a “BLOW OF DEATH”, struck by the Archangel MICHAEL on to these firsts two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, hence on the whole “HUMAN EDIFICE”, since he knew of the existence of the recursive transformations designed for the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” and to be applied starting from these firsts two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” to form “THE EARTHLY HOST” (“THE HUMAN EDIFICE”), hence the cursing he emitted towards them; afterwards he will tell them that he was doing them a “favour” for their well-being. What a “favour”!⁹¹¹

⁹¹¹ This is a continuation and the tragic end of the parable of the workers of the eleventh hour, which CHRIST talked most often about to human creatures, for the purpose to lead them to understand these things.

Read the beginning of the parable in the section concerning the details of annotations — Annotation on the parable of the workers of the eleventh hour.

Here is the continuation and its tragic end.

“...

What is it again the designation given nowadays, to the following acts perpetrated among others by the Archangel MICHAEL, not accidentally, but premeditated meticulously, unscrupulously, without moral demands or concerns, since the announcement of the “Second Phase” of the implementation of “THE HOLY PROJECT”:

- MURDER with PREMEDITATION, that is to say, ASSASSINATION, of the first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” with the intent to destroy the entire “HUMAN EDIFICE” through the basic inheritance qualities legacy of the “Subjective ‘EARTHLY’ Garment”, which are passed from offspring in descent through the recursive transformations, which have been established and manifested through the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model;
- Causing serious bodily (related to the “Subjective ‘EARTHLY’ Garment”) and mental (related to the “‘SPIRIT←LIGHT’ Body”) harm to the first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” at the origin of “THE HUMAN EDIFICE”, by forcibly planting the seeds of parasitic “intrusive suggestions” and physical aggression with the intent to keep such harm on the entire “HUMAN EDIFICE” through the basic inheritance qualities legacy of the “Subjective ‘EARTHLY’ Garment”, which are passed from offspring in descent through the recursive transformations, which have been established and manifested through the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model;
- Deliberately inflicting on “THE HUMAN EDIFICE” conditions of life, calculated to bring about its physical destruction in whole or in part, by

Afterwards, they forgathered and decided to rob the workers of the eleventh hour of their silver coin salary, and they acted consequently on their decisions.

CHAPTER 174

THE PAROXYSM OF THE “HUBRIS” IN “THE CELESTIAL HOST”: FORMALIZATION, ON THE FIRST DAY OF THE SECOND WEEK, OF THE PREMEDITATED DESTRUCTION OF THE “‘SPIRIT←LIGHT’ ‘EARTHLY’ CREATURE”

having pulled the incurable “CANCER” out of destruction in the “Specific Energy ‘CELESTIAL’ Domain” and having immersed it in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”. The immersion of that incurable “CANCER”, those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” with fractured “‘SPIRIT←SPIRIT’ Bodies”, who carried with them all their filth and the mark of “DEATH” and who were intentionally pulled out of the destruction by the flow of the pure “Specific Atomic ‘SPIRIT’ Substances”, containing crude and very high “‘SPIRIT’ specific supply of subsistence”, which had been accumulated inside of the “SHEKINAH”, and which flooded the “Specific Energy ‘CELESTIAL’ Domain”, and have been immersed in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain” in which “ADAM” and “THE FEMALE” were to live, was not only about the destruction of “THE HUMAN EDIFICE”. But, as we have explained already, it was an intentional transfer, with “MALICE aforethought”, of “SHEEMAMON” — which means “desolation”, a state of complete decay, collapse, disintegration, devastation and destruction, the condition of a place that is empty of life, with nothing pleasant in it — from the “Specific Energy ‘CELESTIAL’ Domain”, where it originates and where it was destroying the core functions of the “Specific Energy ‘CELESTIAL’ Domain”, and it immersion in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, for the ultimate destruction of everything that will be sculpted in this “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”;⁹¹²

- Imposing measures intended to prevent members of “THE HUMAN EDIFICE” to ever know about themselves, as living reproduction (replication) of “THE SHEKINAH”, to ever know why they are into existence, to reproduce in a broken and damaged state so as to never fulfill the purpose for which they were produced into existence, and to never know about their own “PLENITUDE”?

⁹¹² The “pampered children” did not get the particular privilege, which they were yearning to have, thus, they decided to sabotage this project in which they were not ranked first and they decided to make the project owner, “THE DIVINE”, IHVH, our FATHER, “bite the dust”.

Yes! It is designated nowadays as “GENOCIDE”⁹¹³ of “THE HUMAN EDIFICE”; an attempt to ultimately wipe “THE HUMAN EDIFICE” out of existence, and which is understood to be the gravest crime against “THE HUMAN EDIFICE” it is possible to commit: it is “THE CRIME” of all crimes against “THE HUMAN EDIFICE”. And these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” will tell that they (since all of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” with the Archangel MICHAEL at their helm are accomplices covering each others back) perpetrated such crimes “FOR THE GOOD OF HUMANITY”! You have read it correctly and it is not a typing mistake: “FOR THE GOOD OF HUMANITY”! They say and tell human creatures afterwards.⁹¹⁴

It is so that, with this “BLOW OF DEATH”, struck on the “Specific ‘EARTHLY←SPIRITUAL’ Frontier” which separates the “Subjective ‘EARTHLY’ Garment” from the “‘SPIRIT←LIGHT’ Body”, the Archangel MICHAEL has demonstrated his understanding of the concept of “DEATH”, his understanding of the cause-and-effect relationship between “SIN” and “DEATH”, to the whole

⁹¹³ I will not mince words to describe and denounce the crimes perpetrated by these treacherous “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” against their neighbours the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”. Creatures who do such evil things against their neighbour are adverse to, are “enemy” of, “THE DIVINE”, IHVH, our FATHER. These “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” are that “enemy”, about which they themselves refer to, with regards to the destruction that they have done to the implementation of this “Second Phase” of “THE HOLY PROJECT”. “... *the enemy has destroyed the most part of the things that THE FATHER has created ...*”, these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” tell human creatures, as if they were speaking about someone other than themselves. See conversation of July 08, 2006, Aristide with the Archangel MICHAEL concerning the first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

Anyone who will condone or take side with these treacherous “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, instead of pledging allegiance to “THE DIVINE FORCE” (to pledge allegiance to “THE DIVINE FORCE” means, to stand in “PURITY” and hold your ground in “PURITY”), will thereby also set himself in the “IMPURITY” of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, and hence, in adversity against “THE DIVINE”, IHVH, our FATHER.

⁹¹⁴ Someone intentionally removes an incurable “CANCER” from his own house (his own body) and inject it in his neighbour’s house (body), afterwards deceives his neighbour into believing that it is the neighbour’s fault that, that incurable “CANCER” happen to be there in his house, and tells his neighbour that it has been done for the good of that neighbour! And furthermore, the culprit and deceiver tells the neighbour to be happy about it.

“THE CELESTIAL HOST” watching, and as he has premeditated it in his own “nefarious and despicable shadow scheming”.⁹¹⁵

This “BLOW OF DEATH” in the “Specific ‘SPIRITUAL’ Environment”, struck by the Archangel MICHAEL on to these firsts two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” was the first “MURDER” (a delayed “DEATH”, also designated as “DEATH TOUCH”, or “DEATH-POINT STRIKING”, or “DEATH ART”, or “DIM MAK”)⁹¹⁶ of a creature into existence inside the attribute “NON DIVINE”, perpetrated by the first “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, the “PRINCIPAL” instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, the leader of “THE CELESTIAL HOST”. At the sight of the whole CREATION, one

“...

I cannot explain it too directly to you at this time, for the Host will not be able to fully understand it until they see Sin demonstrated.

...”

⁹¹⁶ This “BLOW OF DEATH” is similar to that, which will be developed later by human creatures and will be called: “DEATH TOUCH”, or “DEATH-POINT STRIKING”, or “DEATH ART”, or “DIM MAK”.

The “DEATH TOUCH” is an ancient technique that consists of using seemingly less than lethal force, and striking certain points on the physical human body (that is, the “Subjective ‘EARTHLY’ Garment”) to cause illness or death. The points are usually called “dim mak” points, but they are also referred to as vital points, and pressure points. The majority of these points correspond to the same locations as acupuncture points. The “DEATH TOUCH” is an extremely dangerous technique, which can cause a great deal of damage to the physical human body (that is, the “Subjective ‘EARTHLY’ Garment”). The effects of attacking the “dim mak” points include knockout, immediate death, and a delayed death.

With this “BLOW OF DEATH” inflicted by the Archangel MICHAEL to the “Specific ‘EARTHLY←SPIRITUAL’ Frontier” which separates the “Subjective ‘EARTHLY’ Garment” from the “‘SPIRIT←LIGHT’ Body”, and the true nature of which was to remain shrouded in spiritual secrecy between these “ADONA’IM”, it was about inflicting a great deal of damage and causing a delayed death of the “Subjective ‘EARTHLY’ Garment”, as he had developed knowledge of the position of the “spiritual vital points” that are necessary for the proper functioning of the “Subjective ‘EARTHLY’ Garment”, when he was performing the task that was assigned to him to choose his own “Character”; although he knew not about the existence of the “‘SPIRIT←LIGHT’ Body” that enlivens that “Specific ‘EARTHLY’ Garment”.

creature, the “PRINCIPAL” instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, has destroyed and murdered another creature, his brother the “PRINCIPAL” instance of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model and all his future descendance, under the pretext that his victim did not hold unto an oral promise, which he extorted out of him through “MALICE” and deception. This “PRINCIPAL” instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model himself does not keep his own promises, which he makes to others creatures. This was madness coming out of these “pampered children” and treacherous “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” at the altar of “Obscurity”, which “ascended on its own throne” inside the “HUBRIS Spiritual Veil”, on that afternoon of the Third Day of the implementation of the “Second Phase” of “THE HOLY PROJECT”. In their ignorance they have caused all this destruction because the elements of “THE ‘SPIRIT→LIGHT’ REASON” were not attributed to them.

Some of the “ADONA’IM”, elders of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” in “THE CELESTIAL HOST”, understood immediately this demonstration, they understood what they have just witnessed, they felt the full “reality” of the situation; they understood that they have just murdered two innocents, these firsts two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” whom they, “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” themselves, have labeled as the “most precious creations” of “THE DIVINE”, IHVH, our FATHER.⁹¹⁷ The others “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, who were still at the stage of the “spiritual childhood”, and who were slow to understand what was going on, will come to grips with the situation and will wrap their minds around what they had witnessed and they will understand the gravity of the “spiritual wound” from the blow that had just been inflicted to these firsts two “‘SPIRIT←LIGHT’

⁹¹⁷ A replica of these destructive events, in which the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have pulled their fellow “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who have sworn to destroy everything that belongs to “THE DIVINE”, IHVH, our FATHER, out of the destruction in the “Specific Energy ‘CELESTIAL’ Domain” and have immersed them — setting them free — in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, and afterward have murdered the innocents, “ADAM” and “THE FEMALE”, will be produced into existence roughly seventy billion years later, through CHRIST and amongst human creatures. Do you remember that event, which took place at the time of the praefectus or governor of Judea, who was designated as “Ponctius Pilate”, who presided over the trial gainst CHRIST and ordered his crucifixion? They pulled a criminal, designated as “Barabas”, out of death sentence and released him, and instead, in their ignorance, they sentenced an innocent, CHRIST, to death and murdered him.

‘EARTHLY’ Creatures”, only afterwards, during the unfolding of the “Second Phase” of the realisation of “THE HOLY PROJECT”, and when they will see “unfolding indefinitely, over and over again”⁹¹⁸ in front of them, this time through

⁹¹⁸ This follows from a “specific reflecting property” of the energy contained in the “Specific Septenary Equilibrium Zone” in which has been placed the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, but none of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” has ever come close to understand that “specific reflexive property”, since they knew not of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” and the manifestation of its products in the attribute “NON DIVINE”.

This deplorable action perpetrated by the Archangel MICHAEL, will be replicated on the first two offsprings from “THE FEMALE” (not from “ADAM”, and the events behind these, are others works of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”), who were designated as: “CAIN”, which means “A POSSESSION”, and “ABEL”, which means “BREATH”. And those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who were now watching with indifference and curiosity, how “ADAM” was “spiritually butchered” by the Archangel MICHAEL, later they will be horrified at the sight of “ABEL” being “physically butchered” by “CAIN”, not realizing that, that physical action of “CAIN” was a replica, a manifestation, of what has been done spiritually in the first place to “ADAM”.

The “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” will tell human creatures that, that action of “CAIN” “physically butchering” his brother “ABEL”, was a special lesson for “THE HUMAN EDIFICE” to learn from their first and second sons; while throwing under the carpet the origin of it, and which they have all witnessed by themselves: the “PRINCIPAL” instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who, in his absence of “THE KNOWLEDGE OF THE DIVINE” and having failed to understand the “Causal Precedence Relation of ‘THE CREATION’”, has “spiritually butchered” his brother, the “PRINCIPAL” instance of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”; that is the veritable lesson for all creatures, just as “THE CELESTIAL WAR” that broke out in the “Specific Energy ‘CELESTIAL’ Domain” between “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” in the “Plane Above”, and from which are replicas, all wars that took place in the “Plane Below” between human creatures, is the veritable lesson for all creatures.

“CAIN”, which means “A POSSESSION”, will receive this designation because “THE FEMALE”, first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” having the adjective “FEMALE” will reveal that she has *“gained this precious possession: a man, from the Elohim”*; the “Elohim” here, is how they all called the Archangel MICHAEL, and we explained already how he came to be called as such by those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”.

By perpetrating this odious action against his “PRINCIPAL” instance brother “ADAM”, the Archangel MICHAEL knew very well that the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” who were to descend from “ADAM”, will no more be akin to “THE SHEKINAH”. Wanting to fulfil his own purposes, which he had kept hidden in “THE SEAT OF THE INTELLECT”

inside his “SPIRIT←SPIRIT” Body”, and through which he yearned to produce a lineage of himself and which will be akin to his understanding of that “LIGHT” — which is the manifestation of the “LIGHT” of the “LIGHT” Divine State”, which is the child of the attribute “GOD”, and which they have all failed to understand what it was —, the Archangel MICHAEL saw in “THE FEMALE”, a prospect for accomplishing his purposes, since the source of that “LIGHT” was still in her.

Fortunately, “THE DIVINE FORCE”, who, since SHE was “BETRAYED” on that afternoon of the Third Day of the implementation of the “Second Phase” of “THE HOLY PROJECT”, by now was aware of the “MALICE” that these “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures” have developed in them, understood the intentions of the Archangel MICHAEL when he had activated the processes through which he used to express his wishes of reproduction; those processes which had led to the production of each of those “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures” descending from him. It is so that, “THE DIVINE FORCE” had swiftly taken away from the “SPIRIT←LIGHT” Body” of “THE FEMALE”, that source of that “LIGHT”. Nevertheless, using the teaching which he had received from “THE DIVINE FORCE”, long before the implementation of the “Second Phase” of “THE HOLY PROJECT”, the Archangel MICHAEL will go ahead with his intentions and will defile “THE FEMALE”. From this deplorable action, he will beget two sons (and two girls, twins of the sons); it is those firsts two offspring, having the adjective “MALE”, from “THE FEMALE”, who will receive the designations: “CAIN”, which means “A POSSESSION”, and “ABEL”, which means “BREATH”, and who will be slain by his brother “CAIN”.

CHRIST had already explained this to human creatures when he told them that:

“...

The first Archon saw the Virgin who stood with Adam, and also saw that the living light, manifested itself in her. Then the first Archon was filled with ignorance.

But when “the science that is in the whole” came to know about the intentions of the first Archon, then she drew away the source of this living light out of Eva.

And the first Archon defiled Eva (which she will reveal when saying “I have gained this precious possession: a man from Elohim”). He generated of her two sons. To those he gave the names: Cain and Abel, thus demonstrating his guile.

...”

The first offspring from “ADAM” and “THE FEMALE”, and who will be the fifth born from “THE FEMALE” (thus, beside the first two pairs of “THE FEMALE” and which are “CAIN” and “ABEL”, and their associated twins who had the adjective “FEMALE”), is the “SPIRIT←LIGHT” ‘EARTHLY’ Creature” having the adjective “MALE” and who will be designated: “SETH”, meaning “MY OWN SEED”.

CHAPTER 174

THE PAROXYSM OF THE “HUBRIS” IN “THE CELESTIAL HOST”: FORMALIZATION, ON THE FIRST DAY OF THE SECOND WEEK, OF THE PREMEDITATED DESTRUCTION OF THE “SPIRIT←LIGHT” ‘EARTHLY’ CREATURE”

the offsprings of the first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, all the betrayals, the low blows, the murders and destructions in all their forms, that those offsprings will be committing and multiplying in the first “Specific Energy ‘EARTHLY’ Habitation Domain”.

Using the “alter ego of names” and psychological manipulation techniques, these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” with the Archangel MICHAEL at their helm, will induce “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” in a permanent sleeping state so that they not only accept such insanity as if it is something good for humanity and which must not be questioned, but so that they worship these criminals “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”.

And all of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” will keep their mouth shut, in a fit of collective amnesia, as if they have had somehow a collective memory loss, “burying their heads in the sand”, none of them would denounce this crime which had been perpetrated before them, thus making themselves complicit and demonstrating also, as such, how much love they had for “THE DIVINE”, IHVH, our FATHER; that is, they had NONE. If you become aware of a deception and do nothing to stay out of it, to expose it, or to confront the perpetrators, then you become part of the deception and you have embraced the deception.

To help you grasp the extent and catastrophic gravity of the situation between “THE DIVINE”, IHVH, our FATHER and these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, consider the picture in which creatures on the one side, in their own place of residence, often go and stand in front of a flag in which has been imprinted the image of someone they have failed to know and have never seen and they sing praise to the glory of that someone they have failed to know and have never seen, begging for food for their survival. On the other side, when these same creatures are in a far away country, outside of their own place of residence, they spit, trample, urinate, desecrate, perpetrate all types of iniquities on the reproduction of that same flag in which has been imprinted the image of that same someone they have failed to know and have never seen. How much love do such creatures have for that someone they have failed to know and have never seen and whose image is imprinted in that flag? That is a view of the situation between “THE DIVINE”, IHVH, our FATHER and all these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”. As such is how much love these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, in their obscurity, have (also nowadays) for “THE DIVINE”, IHVH, our FATHER. Their actions perpetrated against their neighbours, the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, speak volume about the hidden intentions against “THE DIVINE”, IHVH, our FATHER.

All the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” that have been maintained in the “Specific Energy ‘CELESTIAL’ Domain” have pledged oath of allegiance to the Archangel MICHAEL, and all the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” that have been pulled out of the destruction in the “Specific Energy ‘CELESTIAL’ Domain” and were given the first “Specific Energy ‘EARTHLY’ Habitation Domain” have pledged oath of allegiance to AZAZEL. In pledging those oaths of allegiance, they threw their diadems, at the feet of the one to whom they signify, as such, their “ultimate act of trust” and their “ultimate act of submission”. Those diadems, which often materialized at will or on special occasions upon their heads, symbolize their existence and their lives. It is thus that, in pledging those oaths of allegiance, they surrender their existence, their life and their independence to the will and authority of the one to whom they have pledged oath of allegiance. As a consequence, the “WILL” of the one to whom they have pledged oath of allegiance, will take the foremost place in the very depths of their “‘SPIRIT←SPIRIT’ Body”, and which is “The ALTAR of ‘THE DIVINE’” inside their “‘SPIRIT←SPIRIT’ Body”, and it will take priority over the “WILL” of the one pledging such oaths of allegiance; thus, overruling the “FREE CHOICE”, the autonomous capacity to “THINK”, to “REASON” and to “MAKE DECISIONS”, from the one pledging such oath of allegiance. In thus doing, they are bound by a “vow of silence”⁹¹⁹ regarding those actions, which they know very well, from the very depths of their “‘SPIRIT←SPIRIT’ Body”, to be opposite to “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”, those misdeeds, perpetrated by those to whom they have pledge allegiance to. Furthermore, the Archangel MICHAEL and AZAZEL are bound by their “HUBRIS COVENANT” and by their rigged “DEATH CONTRACT”, which they have written against the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” and all his descendants, and with which these two will work to destroy any “KNOWLEDGE OF THE DIVINE” that will be sent on a “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”. Moreover, the followers and admirers of AZAZEL are still among those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” that have been maintained in the “Specific Energy ‘CELESTIAL’ Domain”.

Knowing that:

*“THE WILL” OF “THE DIVINE”, IHVH, OUR FATHER, IN HIS
VARIOUS FORMS, AND THE WILL OF ANY THING OTHER THAN*

⁹¹⁹ Nowadays, people use fancy designations such as “non disclosure agreement” in all its forms, and behind which, they hide such “vow of silence”.

“THE DIVINE”, IHVH, CANNOT COEXIST IN THE SAME “ALTAR OF ‘THE DIVINE’”.

Question: Having pledge those oaths of allegiance, what type of love would these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have for “THE DIVINE”, IHVH, our FATHER? or for their neighbour, the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, who is the reproduced flag in which has been imprinted an image of “THE DIVINE”, IHVH, our FATHER?

Allegiance to “THE DIVINE”, IHVH, our FATHER, means: to have, to develop, and to maintain in oneself “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”; it means to “BE PURE” and “TRUTHFUL” TO “THE DIVINE FORCE”, who is the invisible science which is hidden inside every creature. There are no ceremonies about pledging allegiance to “THE DIVINE”, IHVH, our FATHER, and HE has never asked His creatures to pledge allegiance to Him, and that is why “THE DIVINE ARCHITECT AND PROJECT MASTER” has endowed “THE SEAT OF THE INTELLECT” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model with the “FREE CHOICE”, the autonomous capacity to “THINK”, to “REASON” and to “MAKE DECISIONS”. By using this “FREE CHOICE” autonomous capacity through life existence, either oneself has grown the plant of “THE KNOWLEDGE OF THE DIVINE” within himself, and, consequently, has maintained a high enough degree of presence of “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” in the “Specific ‘SPIRITUAL’ Environment” external and immediate around “THE SEAT OF THE INTELLECT”, or oneself has failed to do so. In any case, the products generated by “THE SEAT OF THE INTELLECT”, carry all the necessary indications about the status of the plant of “THE KNOWLEDGE OF THE DIVINE”, hence about the level of allegiance to “THE DIVINE”, IHVH, our FATHER. NOTHING IS HIDDEN TO “THE EYE OF THE DIVINE”, AND NOTHING WAS CREATED AT RANDOM.⁹²⁰

⁹²⁰ Stay on your toes, when these elders of the creation will approach you and that, during conversations exchanges with them, they tell you that you have to prove your love for “THE DIVINE”, IHVH, our FATHER, for whatever reason, like they did with the elder ABRAHAM. If you hear these key words “... prove this or that ...”, “... promise this or that ...”, then without hesitation, tell them directly to “take a hike”, because the one who will ask you such thing has no consideration for “THE DIVINE”, IHVH, our FATHER. The hidden objective behind those key words “... prove this or that ...”, “... promise this or that ...”, is to chain you in the cage of ignorance, so that the plant of “THE KNOWLEDGE OF THE DIVINE” that is inside you, be destroyed, or bears no “fruits” at all, and hence, so that you

The plant of “THE KNOWLEDGE OF THE DIVINE” within all these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” was measured and found to be meager, almost non-existent, and they knew not of “THE DIVINE FORCE”. The “HUBRIS Spiritual Veil”, which was theirs and which was frozen like a mist on all these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” not only indicates that, within each of them, the “TRUTHFUL” component, and hence the “PURE” component, in “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”, are damaged, but it also indicates that their “nature” has been sealed in “THE SEAT OF THE INTELLECT” in the “‘SPIRIT←SPIRIT’ Body” of each of them.

It is the large trail of destruction that their actions will leave behind them during the “Second Phase” of the realisation of “THE HOLY PROJECT”, which will be the true testimony and the true answer to the question above.

It is so that, with this “BLOW OF DEATH”, struck on the “Specific ‘EARTHLY←SPIRITUAL’ Frontier” which separates the “Subjective ‘EARTHLY’ Garment” from the “‘SPIRIT←LIGHT’ Body”, these firsts two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” could not anymore perceive the “Specific ‘SPIRITUAL’ Environment” external and immediate around them, hence they could not anymore perceive the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who were around them, and who thus had the open way, through the “Specific ‘SPIRITUAL’ Environment”, to enslave the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” and to make them execute their will to them “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”; in short words: the “spiritual abuse”⁹²¹ and enslavement of

find yourself in the same situation, if not a worse one, than the one in which they are themselves, the characteristics of which became part of their “nature”.

The only thing, which is required of you by “THE DIVINE”, IHVH, our FATHER, is that you be and remain “PURE” and “TRUTHFUL” TO “THE DIVINE FORCE”: that is the image of HIM, that you have received from “THE DIVINE FORCE”.

⁹²¹ The “spiritual abuse”, in all its forms, is the work of “Obscurity”, the absence of “THE KNOWLEDGE OF THE DIVINE”, who “ascended on its own throne” inside the “HUBRIS Spiritual Veil”, on that afternoon of the Third Day of the implementation of the “Second Phase” of “THE HOLY PROJECT”. It is a form of psychological and emotional manipulation that takes place within a spiritual context; it is the “coercion and control of one individual by another in a spiritual context, through the emotions of “FEAR”, “ANGUISH”, “DOUBT”, etc..., which are the progeny of “IMPURITY” in all its forms, and by using the “alter ego of names”. The victim of a “spiritual abuse” always stands in the absence of “THE KNOWLEDGE OF THE DIVINE”, and as such, that is to say, without “THE KNOWLEDGE OF THE DIVINE” as “protection shield” against the “IMPURITY” in all its form, it will experience such abuse as a deeply emotional personal attack, since it will

“‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” by the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”. Since everything proceeds into existence starting from the “Specific ‘SPIRITUAL’ Environment”, it is thus that the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” will be effectively enslaved.

Thus, were the “Subjective ‘EARTHLY’ Garments” of these firsts two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” destroyed and the Archangel MICHAEL has obscured their perceptions of clear awareness of “THE KNOWLEDGE OF THE DIVINE” from the “Subjective ‘EARTHLY’ Garment” of the firsts two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, so that these two and all their offspring must not anymore be able to discern and understand the teachings of “THE DIVINE FORCE”.⁹²²

be receiving “spiritual wounds” in full blow. The “spiritual abuse” may include: manipulation and exploitation, enforced accountability, censorship of decision making, the seeding of shame, ridicule and self-loathing, requirements for secrecy and silence, pressure to conform to “Obscurity” that the abuser serves, requirement of obedience to the abuser, the suggestion through the “alter ego of names” that the abuser has a superior position, and misusing such position in situations and contexts to control behaviour.

Remember that, in anyone who is prone to the Governing Law of the Behavior, the manifestation of “The Walk within the Acronym IHVH”, these emotions of “FEAR”, “ANGUISH”, “DOUBT”, etc..., are the progeny of “IMPURITY” in all its forms; they are progeny of residuals of “Interpreted THOUGHTS”. “FEAR”, as you have understood already, ensues from “distress signals” emitted by internal structures of a creature that is in a state of “CHAOS”, contrary to the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”. If you come to experience these emotions of “FEAR”, “ANGUISH”, “DOUBT”, etc..., you MUST understand that your internal structures are giving you indications, they are telling you, that you are standing in “IMPURITY”, and you MUST take appropriate corrective actions to stand in “PURITY”: you are prone to the Governing Law of the Behavior, the manifestation of “The Walk within the Acronym IHVH”.

⁹²² When the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” present these events to human creatures, they proceed in such a manner as to instil on the human creature that through these events, they were actually doing a “favour” to the human creatures, as if they were acting for the “wellfare” of human creatures. But, in truth, they were “robbing” the human creatures of their “PLENITUDE” and destroying “THE KNOWLEDGE OF THE DIVINE” which “THE DIVINE FORCE” had planted inside these firsts two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”.

Do you remember what we have already indicated concerning the Governing Law of the Behavior, the manifestation of “The Walk within the Acronym IHVH”, and the road to “PLENITUDE”? “HE WHO EXISTS” (through “PERCEPTION”, and associated “SCIENCE”, and “MEMORY”) is the “seed” (the responsible cause of the effects that will be

The state of “HARMONY” of the “Subjective ‘EARTHLY’ Garment”, as an external component of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, with “THE DIVINE”, IHVH, our FATHER, was thus broken by the Archangel MICHAEL.

It is so that, the “GIFT” of “VISION” of which the firsts two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” had been endowed, and which is a channel of direct communication with “THE DIVINE”, IHVH, our FATHER, will be severely damaged and its acuity will also decrease with the passage of time.

This “GIFT” of “VISION”, channel of communication with “THE DIVINE”, and therefore the hierarchy of communication of the ordinances of the “specific spiritual formation” of “THE CHURCH” from that “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” was thus destroyed, in other words, “THE TABERNACLE” of “THE DIVINE” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” was thus destroyed;⁹²³ paving the way for the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”

developed later, the “essence”) of “HE WHO WILL EXIST” (through “INTELLIGENCE”, and associated “PERFECTION”, and “HARMONY”). If “PERCEPTION” is contaminated with “IMPURITIES”, or is impaired, then you are in a “screwed up” situation, you are in “deep shit”, that is to say, deep in the excreta or residuals of “Interpreted THOUGHTS” of those who stand in “IMPURITY” in all its forms, in other words, you are in “alternatives to true reality”.

⁹²³ The bitter ironie in all this is that, before the creation of these first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, the communication through “VISIONS” was not something that these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” knew much about. They knew not how “THE DIVINE FORCE” had started educating these first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”. Later on, after having destroyed these first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, and with the passage of time, and with their goal to keep their control on “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, the “ADONA’IM”, the most elders of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, came to learn much more about the communication by “VISIONS”, and how to tap into it, bypassing the consent of “THE DIVINE”, IHVH, our FATHER, to send communications by “VISIONS” to “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”. And these “ADONA’IM” did not even blink an eyelash at the memory of the fact that they had accused the first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” to have eaten their forbidden fruit, that is, to have received and listened to communications by “VISIONS” which were sent by “THE DIVINE FORCE”, who they, “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had no knowledge of the existence, and that they had used that accusation to push forward and carry out their tenebrous agenda and destroy their neighbour. Amongst such communications through “VISIONS” without the consent of the “DIVINE”, IHVH, our FATHER, is the one that took place between the Archangel MICHAEL, self-declared “god”, and the human creature who was designated as Peter, and which is recorded (in Acts 10:10-17) in the writings which humans have in their

to take control of the “SPIRIT←LIGHT’ Body” even as it was hidden inside the “Subjective ‘EARTHLY’ Garment” of the “SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

It is also so that the “Specific Radiance ‘SPIRITUAL’ Aureole” that covered the “Subjective ‘EARTHLY’ Garment” and several others particulars of this “Subjective ‘EARTHLY’ Garment” and which reminded “SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” that the “SPIRIT←LIGHT’ ‘EARTHLY’ Creature” was akin to “THE SHEKINAH”, disappeared from the perception. This was also an indication that, the internal luminescence processes taking place inside the “Subjective ‘EARTHLY’ Garment” and the “SPIRIT←LIGHT’ Body” contained in the “Subjective ‘EARTHLY’ Garment” have been damaged: the volume of the “EPHEMERAL GLOW ‘EARTHLY’” of the “Subjective ‘EARTHLY’ Garment” was now equal to zero.

What happens when the forefront of the immune and defense system of the “Subjective ‘EARTHLY’ Garment” is broken? The “Specific ‘EARTHLY’ Garment” is open to attack from both the “Specific ‘SPIRITUAL’ Environment” external and immediate around the “SPIRIT←LIGHT’ ‘EARTHLY’ Creature” and from the “Specific ‘NON-SPIRITUAL’ Environment” defined by the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, as it will drift in these two environments. Both these two environments have been poisoned by the immersion in them of the incurable “CANCER”, those “SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” with fractured “SPIRIT←SPIRIT’ Bodies”, who carried with them all their filth and the mark of “DEATH”; both these two environments were contaminated and turned in the

possession and that they call “Holy Scriptures” and that they say to be “THE WORD OF GOD”, thus implicitly referring to “THE DIVINE”, IHVH, our FATHER.

In that bitter ironie, the situation is similar to that where, the inhabitants of an isolated village, having no knowledge concerning the technology related to the cell phone, will issue the ban to the newcomer in the village, to move away from the cell phone and not use it or listen to what comes out as words. The newcomer, not knowing himself what a cell phone is, will however approach and listen to the words addressed to him. This is how the village elder, having had knowledge of this fact, he will put to death this newcomer and will destroy him. Days later, it is this same village elder, as well as several of his accomplices who are also elders of the village, who, each having now equipped with a cell phone, will become the champions of the use of the cell phone, each in himself, using their cell phone, any way they can, for their conversations, forgetting the newcomer they had destroyed under the pretext of having approached the cell phone and to have listened to the words that had been addressed to him through that cell phone.

state of “CHAOS”, contrary to the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”, and these two environments are perishing just like it was the case with the “Specific Energy ‘CELESTIAL’ Substance” in the “Plane Above”.

It will thus be the “Subjective Death”, which is the premature “DEATH” of the “Subjective ‘EARTHLY’ Garment” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”: the premeditated murder of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

As we have already indicated in the section concerning the functioning of the “Specific Energy ‘SPIRIT←LIGHT’ Bridge” and the concept of “DEATH”, “DEATH” occurs as a result of the decrease with the passage of time and that will ultimately cause the total lack of “‘SPIRIT’ specific supply of subsistence”. The “specific processes” that ensure the cohesion of all components of the “Specific Energy ‘SPIRIT←LIGHT’ Bridge”, no longer being nourished, will stop working and what will follow is the dismantling, the “unmaking”, of an assembled structure, and returning it to the “VOID” out of which it was originally assembled from elements of that which came into existence through “BIRTH”.

It is the return to the crude substance (in this case, the crude “Specific Energy ‘EARTHLY’ Substance”) of origin, which was produced into existence by “THE DIVINE FORCE”, and the constituent elements of which (in this case, it will be called “Specific Atomic ‘EARTHLY’ Substances”) were used to assemble the components of this “Subjective ‘EARTHLY’ Garment”.⁹²⁴

⁹²⁴ As we indicated in a previous annotation, from the teachings that “THE DIVINE FORCE”, in “PURITY”, “HOLINESS” and “RIGHTEOUSNESS” (that is, according to the elements of “THE REASON”), lavished upon them, the Archangel MICHAEL came to understand to some extent, this concept of “DEATH”. However, he knew not and had no knowledge concerning the “‘SPIRIT←LIGHT’ Body” that was hidden inside the “Subjective ‘EARTHLY’ Garment” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

Wanting to make sure that no human creature — “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, which is an unique expression of “THE UNION”, which thus represented to them a threat to the existing hierarchy of communication with “THE DIVINE”, which had hitherto been already established through “THE SHEKINAH” — do not remember its own “PLENITUDE” which stems from this expression of “THE UNION” defined by the “‘SPIRIT←LIGHT’ Body”, and be forever destroyed, the Archangel MICHAEL will curse the first human creature and all its offspring, in these terms that have been recorded in the writings that humans possess, saying:

“...

It is so that, by this accomplished action, the Archangel MICHAEL has manifested the decisions that the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had already taken but had kept hidden in them, by instinct for survival, since the announcement of the “Second Phase” of the implementation of “THE HOLY PROJECT”: their refusal of this new project of the Creation of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” in this “Second Phase” of the implementation of “THE HOLY PROJECT”.

As we have asked already, why the Archangel MICHAEL did not chose to demonstrate his understanding of the concept of “DEATH” on AZAZEL or on any of all the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of “THE CELESTIAL HOST” which had rallied with AZAZEL, and who have all transgressed the unique commandment — “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” — that “THE DIVINE”, IHVH, our FATHER, gave them through “THE DIVINE FORCE”, and were putting in jeopardy the successful completion of the “Second Phase” of “THE HOLY PROJECT”?

Here is a small highlight the performance track record of AZAZEL, after the announcement of the “Second Phase” of the implementation of “THE HOLY PROJECT” and before the creation of “ADAM” — the first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”:

1. Transgressed in full conscience the unique commandment — “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” — that “THE DIVINE”, IHVH, our FATHER, gave them through “THE DIVINE FORCE”.
2. Stole the “specific generative energy” that emanates from “THE SHEKINAH”, as a token of defiance against “THE DIVINE”, IHVH, our FATHER, who chose to follow the designs established by “THE DIVINE ARCHITECT AND PROJECT MASTER” and who chose to give the elements of “THE ‘LIGHT’ REASON” to the “‘SPIRIT←LIGHT’

In sorrow you will eat of the earth... And so shall you work the land all the days of your life ... until you return to the ground, since from it you were taken. You were made of dust, Adam, and to dust must you now return.

...”

This was about the return to this crude “Specific Energy ‘EARTHLY’ Substance” of origin, which was produced in existence by “THE DIVINE FORCE”, and the constituent elements of which are the “Specific Atomic ‘EARTHLY’ Substances”, which have been used to assemble this “Subjective ‘EARTHLY’ Garment”.

‘EARTHLY’ Creature”, hence, to create the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” akin to “THE SHEKINAH”, and not to give those elements of “THE ‘LIGHT’ REASON” to any of “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”.

3. Insulted and slander “THE DIVINE”, IHVH, our FATHER in front of the whole “THE CELESTIAL HOST”, vowed to grab or destroy everything that belongs to “THE DIVINE”, and vowed to raise himself above all creatures.⁹²⁵
4. Rejected the authority of the Archangel MICHAEL, the self-declared “god”, and afterwards, dueled against him, with the ultimate intention to kill him, in front of the whole “THE CELESTIAL HOST” watching.
5. Corrupted and “violated” through “intrusive suggestions” and also assaulted most of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who were looking upon him as an example of conduct, and to whom he had the task of facilitating their education. Until these days of today, some of his victims “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have never recovered from it.
6. Shed the “blood” of many “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” in the “Specific Energy ‘CELESTIAL’ Domain” and instigated and launched “THE CELESTIAL WAR”.
7. Etc... (Because there is not enough space to mention all the “SINS” (in uppercase) perpetrated by these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’

⁹²⁵ To place things in perspective, so that you come to grasp the extent of insanity in which these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had plunged themselves, imagine a situation where you have an earthly microbe, which can only be viewed using microscopic devices, stands up on its “feet” from where it is on earth and begins to challenge the “Solar Star” that shines every day above the world in which you currently live. If only one atom constituent of the “Solar Star”, un-attenuated, falls on that earthly microbe, what would happen to the microbe? As such is the situation of these self-declared “gods”, in front of “THE EYE OF THE DIVINE”.

You can read about the insanity of these blinded “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” in their “Obscurity” and thirst for power from their own records, as reported in the chronicles of the conflict of “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and in which they describe their prowess of the absence of “THE KNOWLEDGE OF THE DIVINE” and their works of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”. Some of these chronicles (which are incomplete) have already been delivered to the human by the name of David Aguilar, and are available online on the Internet.

Creatures”. Every inch of “sin” (in lower case) that you see around you in the first “Specific Energy ‘EARTHLY’ Habitation Domain” in which you live has its origin in the “Specific Energy ‘CELESTIAL’ Domain” with these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”. At that time, these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, in their obscurity, did not designate those misdeeds of AZAZEL as “SINS”, instead, they said that “AZAZEL has **MISUSED** the greatest gift that IHVH has given to the Host — the ability to choose”⁹²⁶).

All these highlighted performance track record points hereabove were perpetrated by AZAZEL and his many others of his minions against “THE DIVINE”, IHVH, our FATHER.

And what was the reward that has been given to AZAZEL for such performance, for all those “**MISUSES** of the greatest gift that IHVH has given to the Host”? He was given the first “Specific Energy ‘EARTHLY’ Habitation Domain” as new residence as per their “HUBRIS COVENANT”. He was pulled out of the destruction by the flow of the pure “Specific Atomic ‘SPIRIT’ Substances”, containing crude and very high “‘SPIRIT’ specific supply of subsistence”, which had been accumulated inside of the “SHEKINAH”, and which flooded the “Specific Energy ‘CELESTIAL’ Domain”, and he was immersed in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, where these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have said, it will be for him: “to avoid mavet for a time, and to finally come to a full understanding of his **MISTAKE**”.⁹²⁷

What was the crime perpetrated by “ADAM” and “THE FEMALE”?

⁹²⁶ You can read these things in the chronicles of the conflict of “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and in which they describe their prowess of the absence of “THE KNOWLEDGE OF THE DIVINE” and their works of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”. Some of these chronicles (which are incomplete) have already been delivered to the human by the name of David Aguilar, and are available online on the Internet.

⁹²⁷ Idem as with the previous annotation, you can read these things in the chronicles of the conflict of “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and in which they describe their prowess of the absence of “THE KNOWLEDGE OF THE DIVINE” and their works of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”. Some of these chronicles (which are incomplete) have already been delivered to the human by the name of David Aguilar, and are available online on the Internet.

1. They have functioned as they have been designed to function by “THE DIVINE ARCHITECT AND PROJECT MASTER” and accepting the fertilizers and feeding on the “fruits” of “THE DIVINE FORCE”, not obeying thus to the Archangel MICHAEL, the voice of “IGNORANCE”, who made them commandment to move away from “THE DIVINE FORCE”. **THEY HAVE NOT PERPETRATED ANY “OFFENSE” AGAINST “THE DIVINE”, IHVH, OUR FATHER.**
2. They **HAVE NOT** transgressed the unique commandment – “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” – and through the teachings, which “THE DIVINE FORCE” provided them through communications by “VISIONS”, they barely started to understand who they are themselves and that there is “SOMEONE”, who is “THE TRUE CREATOR”, and who is above all these self-declared “gods” around them.
3. They **HAVE NOT** stolen anything from anyone, be it these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” or any of the “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creatures”, which were around.
4. They **HAVE NOT** insulted or slander “THE DIVINE”, IHVH, our FATHER in any manner whatsoever.
5. They **HAVE NOT** corrupted or “violated” anyone in any form whatsoever, be it these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, or any of the “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creatures”, which were around.
6. They **HAVE NOT** spilled the “blood” of anyone, be it these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, or any of the “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creatures”, which were around.
7. They are “new born” with clean conscience, who **DO NOT KNOW** what is “MALICE”, what is perfidy, what are “dirty tricks”, what are “palace intrigues”, etc...⁹²⁸

⁹²⁸ You can also discern this from the replica, which will be manifested roughly seventy billion years later with the birth of CHRIST, and Herod who had planned to wipe child CHRIST from existence. Had child CHRIST perpetrated any crime whatsoever against Herod? NO! Why did Herod wanted to get rid of child CHRIST? For the motives, which are analogous to those for which these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” wanted to get rid of “ADAM”.

And what was the reward that the Archangel MICHAEL has given to “ADAM” and “THE FEMALE” for this crime of “being innocents guinea pigs” (since “ADAM” was extorted “...*the greatest gift that IHVH has also given to him — the ability to choose ...*” by the Archangel MICHAEL, and since these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” do not say that “... *“ADAM” and “THE FEMALE” have MISUSED the greatest gift that IHVH has given to them — the ability to choose ...*”, but instead they designated it as “SIN”) that they have perpetrated against the Archangel MICHAEL? Their reward is (1) “DEATH” sentence established by the self-declared “god”, and (2) destruction of “THE HUMAN EDIFICE”, descendants from “ADAM” and “THE FEMALE”, before that those descendants are even produced into existence, and (3) “ADAM” and “THE FEMALE”, as well as their unborn descendants, are labelled as “SINNERS”.

This destruction was not fortuitous, as if occurring unexpectedly, but it had been premeditated, carefully prepared with intention, to the detriment of “THE DIVINE”: you understand then, why “THE CONFIDENCE OF THE DIVINE”, has moved away from the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, and why “THE DIVINE”, IHVH, our FATHER decided to never trust a “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, regardless of who that “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” is, and HE decided to no longer keep them abreast of His projects?⁹²⁹

That behavior of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” towards “THE DIVINE”, IHVH, our FATHER, is not that of any creature with the status of “CHILD” of “THE DIVINE”.

Those of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who, before the start of the implementation of the “Second Phase” of the implementation of “THE HOLY PROJECT”, had openly expressed their refusal and led to the open conflict, had

⁹²⁹ These “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” will be held accountable for all their iniquities, and they have already understood it, and they cannot get away with those crimes. They have tasted and savoured the poison of their own impunity, and now after these billions of years that have elapsed, that poison has dissipated, and they have understood that they cannot get away with their irresponsibilities and their crimes. They have now found themselves in that “time of anguish such that it has not happened since a nation exists, until the time marked for the end”, and that was reported in the Scriptures (Daniel 12). Did you though that it was meant for the human creatures? Not at all, the human creatures live “day in” and “day out” in their own misery, anguish, and foreknowledge of the “Subjective Death”, which is the premature “DEATH”, of their “Subjective ‘EARTHLY’ Garment”, for so long that they are not anymore “afraid” of it. That “time of anguish such that it has not happened since a nation exists, until the time marked for the end” is meant for these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”.

already been immersed in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”.

During the course of the “Second Phase” of “THE HOLY PROJECT”, other “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” by their own actions and all the veiled insults and contempt toward their following, undermining their following as much as they can and whenever possible, will show to light their resentment toward the creation of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

As we have already indicated, in this “Subjective Death”, which is the premature “DEATH” of the “Subjective ‘EARTHLY’ Garment” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” which ensued from the rejection of the commandment not to eat of the “fruit” of the tree which is in the “NORTH”, the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” has trampled and replaced the innocence of “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”; the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” seeking its own preservation, as well as that, which pleases it.

This “Subjective Death”, which is the premature “DEATH” of the “Subjective ‘EARTHLY’ Garment” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, is not “THE VERITABLE DEATH”; that is, that of the “‘SPIRIT←LIGHT’ Body”, and resulting from the rejection of this first commandment, which is “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”.⁹³⁰

However, the mark of “THE VERITABLE DEATH” will be induced by the “Subjective Death”, which is the premature “DEATH” of the “Subjective ‘EARTHLY’ Garment”; because the “Subjective ‘EARTHLY’ Garment” will become a tomb for the “‘SPIRIT←LIGHT’ Body” that enlivens it, and so the “‘SPIRIT←LIGHT’ Body” will be in a certain sense “buried alive” in the broken and destroyed “Subjective ‘EARTHLY’ Garment”.

The perceptions of clear awareness of “THE KNOWLEDGE OF THE DIVINE”, having been veiled by the Archangel MICHAEL, therefore will be also destroyed the acuity that “THE DIVINE ARCHITECT AND PROJECT MASTER” had endowed to the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’

⁹³⁰ These details are given so that you (reading these writings) can re-examine yourself, remember your “PLENITUDE” and save yourself from “THE VERITABLE DEATH”: the “Subjective ‘EARTHLY’ Garment” you wear is of no importance anymore, it is a burden for you, and only your “‘SPIRIT←LIGHT’ Body” has kept its importance in front of “THE EYE OF THE DIVINE”.

Creature” so that it can discern and grow in “THE KNOWLEDGE OF THE DIVINE”.

As these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have planned it, in their views of their role in the CREATION and how they saw the arrangement of things in “THE HOLY PROJECT”, and blinded by the “HUBRIS Spiritual Veil”, which was theirs and which had frozen like a mist on all these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” will henceforward live in “slavery” in the “looking glass” defined by the “Specific ‘NON-SPIRITUAL’ Environment” (the physical environment), in an obscure way, in the quality of a “puppet” of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who will be pulling the strings. The root causes of events that directly affect these “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” (and all those who afterwards will wear the “Subjective ‘EARTHLY’ Garment” descending from the first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”) originate in the “Specific ‘SPIRITUAL’ Environment”, before being manifested in the “looking glass” defined by the “Specific ‘NON-SPIRITUAL’ Environment” (the physical environment). Those events, which will take place in the “Specific ‘SPIRITUAL’ Environment” external and immediate around these “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, and which affect directly the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” in the “Specific ‘NON-SPIRITUAL’ Environment” (the physical environment), will be influenced and controlled in the “Specific ‘SPIRITUAL’ Environment” by these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” on both sides of their “THE CELESTIAL WAR” pulling the strings.

It is so that, obscurity, the absence of “THE KNOWLEDGE OF THE DIVINE” will take place in the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, and the descendants of the firsts two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” will not remember their “PLENITUDE” and then, infringe and trample without consideration the first commandment, which is “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”, hence the mark of “THE VERITABLE DEATH”.⁹³¹

⁹³¹ You, fellow human creature reading these writings, are part of the descendants of the firsts two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”. You have been kept in “obscurity” for so long and you have lived so far in that “obscurity”. Now that have been revealed to you, who you are and how you came to be in your actual disastrous situation, you MUST make appropriate course correction in order to reclaim your true status: that of “CHILD” of “THE DIVINE”, IHVH, our FATHER. Write that in the table of your heart and do not let anyone take it away from you; you are not a “servant” of “THE DIVINE”, IHVH, our FATHER, you

Using the “alter ego of names”, the Archangel MICHAEL, who had declared himself to be “god” on the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, hence “god” on the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, will pin these events on “THE DIVINE”, IHVH, our FATHER, and as such, this will be recorded in the Scriptures that humanity afterwards will be fed with.

He kept silent the answers, which he several times gave to confused “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, who earlier have asked to know what was going on about this concept of “FREE CHOICE”, and who wanted to know if besides AZAZEL and his cronies, anyone else of those who “THE DIVINE”, IHVH, our FATHER has maintained in the “Specific Energy ‘CELESTIAL’ Domain”, could have chosen to disobey and disregard the existence of “THE DIVINE”, IHVH, our FATHER and the laws of existence, which they were given and asked to obey. Those answers, he had summarized as follows, saying⁹³²:

“ ...

You all had the potential for it, you all still do, and always will have the ability to not do good. AZAZEL declared the Kingdom to be based upon slavery, but in this he is wrong. Had this been so, the instant he chose to blind himself, he would have been removed from

are truly his “CHILD”, just like CHRIST. We have already explained to you, the difference between these two statuses and how the status of “servant” came to be. In order for you to succeed in implementing such course correction, YOU MUST STAND IN “PURITY” AND HOLD YOUR GROUND IN “PURITY”. Because you have lived so long in “obscurity”, it will not be easy to achieve this at once or overnight, but progressively, you will ultimately achieve this, by breaking, one after another, the chains of ignorance, which were laid upon you by these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, and as you identify them. Do not worry about the physical garment that you are wearing, it is subjected to wear-off, just like every fabric, which has been assembled using “Specific Atomic ‘EARTHLY’ Substances”: you are a “‘SPIRIT←LIGHT’ ‘SPIRITUAL’ Creature” wearing a “Subjective ‘EARTHLY’ Garment” (which is the physical garment) and there is a “new garment” waiting for you, once you leave the damaged one, which you are currently wearing. It is the “‘SPIRIT←LIGHT’ ‘SPIRITUAL’ Creature” aspect of you, which is of crucial importance, and which must not be damaged.

⁹³² These are also recorded as part of the chronicles of the conflict of “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and in which they describe their prowess of the absence of “THE KNOWLEDGE OF THE DIVINE” and their works of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”. Some of these chronicles (which are incomplete) have already been delivered to the human by the name of David Aguilar, and are available online on the Internet.

his position, from the Kingdom, from his own essence. Had this been so, none of this would be possible.

...”

The Archangel MICHAEL and none of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” knew that, from the moment when they started perpetrating the “BETRAYALS” against “THE CONFIDENCE OF THE DIVINE”, hence against “THE DIVINE”, IHVH, our FATHER, in those days after the announcement of the “Second Phase” of the implementation of “THE HOLY PROJECT”, “THE DIVINE”, IHVH, our FATHER, had already established to observe, to study and record all the proceedings of each and all of these treacherous “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, unbeknownst to all of them, without exception, and in which these treacherous “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” will reveal by themselves through their own proceedings, everything concerning their true “nature”. That is why none of them was “wiped out of existence” immediately by “THE DIVINE FORCE”, when they were perpetrating their iniquities and their crimes.

Now that he has perpetrated this crime against these firsts two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, and destroyed them for the motive that they have not obeyed his commandment, bringing them thereby under the yoke of absolute servitude⁹³³ towards these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, his actions towards these firsts two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, were

⁹³³ As we have explained already, in the event that the elements of “THE ‘SPIRIT’ REASON” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has restricted to “THE SEAT OF THE INTELLECT” in the “Specific Energy ‘SPIRIT’ Substance” in this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, are blocked by “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” in case these would have developed in them the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, or are blocked by an external force for whatever motives that be, then, this capacity to make own “DECISIONS”, to make own “CHOICES”, that “THE DIVINE ARCHITECT AND PROJECT MASTER” has endowed to “THE SEAT OF THE INTELLECT” will not be anymore autonomous, but will be conditioned by those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” or by such external force and in which case “THE SEAT OF THE INTELLECT” and therefore the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” associated with this “SEAT OF THE INTELLECT” will not be anymore free, but “subjected” to those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” or to that external force.

This is what the Archangel MICHAEL has precisely done onto these firsts two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, and it will propagate onto their offsprings and the whole “HUMAN EDIFICE”.

in contradiction⁹³⁴ with his own sayings regarding the “FREE CHOICE”, and he knew not why and how AZAZEL and his cronies were kept alive there in the “Specific Energy ‘CELESTIAL’ Domain”. He knew not that the structure of their “‘SPIRIT←SPIRIT’ Body” had fractured, cracked and broken in contact with that luminous radiation emanating directly from “THE SHEKINAH”, and which passed through that unprotected “Specific ‘CELESTIAL’ Visual Structure” at that very moment when they had transgressed the unique commandment — “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” — that “THE DIVINE”, IHVH, our FATHER, gave them through “THE DIVINE FORCE”.

⁹³⁴ None of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” understood the unique commandment — “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” — that “THE DIVINE”, IHVH, our FATHER, gave them through “THE DIVINE FORCE”. None of them understood that this unique commandment is the glue that maintains intact their structural integrity, as assembled structure of “created energy”, which is “subjected” to laws and well-defined processes.

As we have explained already, “THE DIVINE ARCHITECT AND PROJECT MASTER” has established laws and well-defined processes to sustain, into existence, the attribute “NON DIVINE” and all assembled structures of “created energies” that it will contain, once it has been created. Through those laws and well-defined processes, the structural integrity of any assembled structure of “created energy” (indeed, “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” or any other creatures are assembled structures of “created energy”) built inside the attribute “NON DIVINE”, is maintained and sustained in its defined state of existence. Thus, any assembled structure of “created energy” is “subjected” to those laws and well-defined processes, as they are exerted onto the attribute “NON DIVINE” and all assembled structures of “created energies” that it contains or will contain. Failure by any assembled structure of “created energy”, which has received the capacity to make own “DECISIONS”, to make own “CHOICES”, to abide by those laws and well-defined processes will result in failure of their structural integrity; hence, the disintegration of that assembled structure of “created energy”. This does not mean that the assembled structure of “created energy”, which has received the capacity to make own “DECISIONS”, to make own “CHOICES”, is “enslaved” by those laws and well-defined processes. This does not either mean that the assembled structure of “created energy”, which has received the capacity to make own “DECISIONS”, to make own “CHOICES”, is “enslaved” by “THE DIVINE ARCHITECT AND PROJECT MASTER” who established the attribute “NON DIVINE” and all assembled structures of “created energies” that it will contain. Because of the capacity to make own “DECISIONS”, to make own “CHOICES”, which has been endowed to an assembled structure of “created energy”, that assembled structure of “created energy” can choose not to abide by those laws and well-defined processes which were designed and established by “THE DIVINE ARCHITECT AND PROJECT MASTER” to ensure its subsistence into existence in the attribute “NON DIVINE”, and face the consequences of its own “CHOICES”; that is, failure of its structural integrity, hence, its disintegration.

Once the Archangel MICHAEL, covered by the “HUBRIS Spiritual Veil”, had achieved this premeditated crime against the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, this deliberate blow he has inflicted to the structural integrity of “Subjective ‘EARTHLY’ Garment” through which all information from the “Specific ‘EARTHLY’ Environment” external and immediate around the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” are collected, all the “ADONA’IM” and most Archangels were accomplices to this crime, he realized what he has done and made them promises that *“one day he will ‘cut the head’⁹³⁵ of [that, which they have designated as] the SERPENT”*. As you would have understood already, when these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” speak about the “SERPENT”, they are referring to that manifested form that “THE DIVINE FORCE” had demonstrated above their “heads” before the creation of this first “Specific Energy ‘EARTHLY’ Habitation Domain”, which we have described already in one previous chapter, which was unknown to them, and which they attempted to reproduced the external appearance features through a “Character”, during the task of choosing a “Character” for one self, and to which (that unknown manifested form of that creature there, above their heads) they gave the designation of “SERPENT”. They are not talking about the “animal”, which is the “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creature”, associated to the manifestation of that chosen “Character” in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain” down here, and which has also received the designation the “SERPENT”. Was it not so, then he would have caught the “animal”, which is the “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creature”, associated to the manifestation of that chosen “Character”, and “cut its head”, in

⁹³⁵ That was another interesting choice of words, “*cut the head*”!, at a time when there were only two human creatures, “ADAM” and “THE FEMALE”, into existence in this first “Specific Energy ‘EARTHLY’ Habitation Domain”.

As you would know already, “out of the abundance of the heart, the mouth speaks”. Whatever resides in the heart inwardly, will be exposed outwardly through the speech. A fortiori, when evil resides in the heart, it will be exposed in perverse speech through the mouth. In these expressions, the heart refers to “THE SEAT OF THE INTELLECT”, which is the production factory of “words”.

“Choose your words carefully”, because those words themselves reveal far more than what you are actually trying to say. The content of “THE SEAT OF THE INTELLECT” inside every creature (be it a “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, or any other creature) is written, quite literally, in the “Specific ‘SPIRIT’ Language” that he/she uses. Every time a creature (be it a “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, or any other creature) open his/her mouth, in the “Specific ‘SPIRIT’ Language”, he/she unwittingly reveals his/her personality, identity, or character.

the same manner as he will demonstrate shortly with the “animal”, which is the “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creature”, which has received the designation “SHEEP”.

Thus, in clear words, he made them promises that “*one day he will ‘cut the head’ of*” “THE UNALTERABLE VOICE” — “THE DIVINE FORCE”, “THE HOLY SPIRIT” —⁹³⁶ who fed them with the “fruits” of “THE KNOWLEDGE OF THE DIVINE” and who have told them about their “PLENITUDE”; and that is to say, he made them the promise that HE WILL DESTROY “THE DIVINE FORCE”⁹³⁷.

⁹³⁶ Those were the depths of insanity into which these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” disciples of “obscurity” had sank since the days after the announcement of the “Second Phase” of the implementation of “THE HOLY PROJECT”, when they came to understand that “... *None amongst them, who are elders of the creation, but a new creature will receive and carry the manifestation of “THE UNION” ...*”. Who do you think that he is referring to when he spoke of the SERPENT? Do you think that he was speaking about AZAZEL or one of his cronies? NO! He has an agreement with AZAZEL, their “HUBRIS COVENANT”, through which they are bounded and which he chose to honor and betray “THE DIVINE”, IHVH, our FATHER. Do you think that he was speaking about the “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creature”, the animal designated as the “serpent”? NO! The “pampered child” who did not get the one privilege that he coveted and adrift into the absence of responsibility and accountability, has decided to change the course of “THE HOLY PROJECT” to his own selfish purposes, because according to their logic distorted by the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, “THE DIVINE ARCHITECT AND PROJECT MASTER” did not know what HE was doing when HE conceived “THE HOLY PROJECT” in all its details. Thus, the “pampered child” decided to make “THE DIVINE”, IHVH, our FATHER “bite the dust” for having chosen to place the manifestation of “THE UNION” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” and not in any of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, whosoever.

As CHRIST told once to His disciples and to human creatures, regarding these events on the fall of these firsts two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” and the elders of the creation:

“...

...

They took the name of that, which is good and attributed it to that, which is not good, to deceive humanity through “alter ego of names” and to tie humanity to that, which is not good, and subsequently what favour they are extending them!

...

...”

⁹³⁷ Obscurity that “ascended on its own throne”, and with the support of all its disciples and princes has set itself to destroy any trace of the “LIGHT”. It is like a “microbe” on the

It is thus that, by that empty promise, he brought these firsts two “SPIRIT←LIGHT” ‘EARTHLY’ Creatures” to be “thankful” for the “favor” he did to them; in clear words: to be “thankful” that they have been “robbed” of their “PLENITUDE” and to be “thankful” that has been destroyed “THE KNOWLEDGE OF THE DIVINE” which “THE DIVINE FORCE” had planted inside these firsts two ““SPIRIT←LIGHT” ‘EARTHLY’ Creatures”, in order to rectify the deficiency of “THE KNOWLEDGE OF THE DIVINE” that had taken place in “THE SEAT OF THE INTELLECT” in the ““SPIRIT←SPIRIT” Body” of ““SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures”.⁹³⁸ Indeed, he had truly mastered the process of “intrusive suggestion” to bring out that response from these first two ““SPIRIT←LIGHT” ‘EARTHLY’ Creatures”.

Earthly world making a promise that one day it will destroy the “solar star”. Such promises, made by these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” speak volume about the evil and depraved state of mind that they have developed in them in their absence of “THE KNOWLEDGE OF THE DIVINE”.

Regardless of which “SPIRIT←SPIRIT” ‘CELESTIAL’ Creature” comes in front of you, stand on your feet, hold your ground, do not take any order from such creature or make any promise, or give your word to such creature. They are the ones who MUST receive from you the ordinances, which “THE DIVINE”, IHVH, our FATHER, will send through you on your road to recovering your “PLENITUDE”.

CHAPTER 174

THE PAROXYSM OF THE "HUBRIS" IN "THE CELESTIAL HOST": FORMALIZATION, ON THE FIRST DAY OF THE SECOND WEEK, OF THE PREMEDITATED DESTRUCTION OF THE "SPIRIT←LIGHT" 'EARTHLY' CREATURE"

‘CELESTIAL’ Creatures” who have established and accepted this rigged “DEATH CONTRACT” against their following — the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”? Answer: for the process of “intrusive suggestion” to be effective, several conditions must be met. Amongst these are:

1. A low opposition to “intrusive suggestions”. The element of opposition which comes from “KNOWLEDGE OF THE DIVINE” and the degree of presence of “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” in the “Specific ‘SPIRITUAL’ Environment” external and immediate around “THE SEAT OF THE INTELLECT”, has been distracted away from the “attention” of “THE SEAT OF THE INTELLECT”. It was in the process of been awoken by “THE DIVINE FORCE”, following the decision of “THE DIVINE”. By revelation, “THE DIVINE WISDOM” had already started to teach “THE KNOWLEDGE OF THE DIVINE” to these first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, by the intermediary of the tree, which is the symbol of education in “THE KNOWLEDGE OF THE DIVINE”.⁹³⁹ SHE taught them to feed themselves with “THE KNOWLEDGE OF THE DIVINE”, so that they remember their “PLENITUDE”, as had occurred in them, the fall in ignorance.
2. The field of consciousness in these new born first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” was still fresh and limited, as it had not yet expanded with acquired and developed knowledge.
3. “THE SEAT OF THE INTELLECT” in each of these first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” has a perfect blank memory, and was voluntarily absorbing ideas, impressions, and associations that were arising, were transmitted to “THE SEAT OF THE INTELLECT”, and were claiming “attention”; that is why “ADAM” and “THE FEMALE” had been exploring the first “Specific Energy ‘EARTHLY’ Habitation Domain” in which they were created into existence and lived, absorbing information.

⁹³⁹ The construct, which is designated as a “tree” in all its forms, is the symbol par excellence of education in “THE KNOWLEDGE OF THE DIVINE”. Observe trees all around you carefully and learn through discernment about that, which you cannot see, which is alive inside the “Subjective ‘EARTHLY’ Garment”, which you wear, but which is displayed outside of you throughout those trees.

4. Immediate execution, in order to hastily sow the seed of any parasitic idea of “intrusive suggestion” through the favourable moment, through a scar, a crack which has been produced in the fertile soil in “THE SEAT OF THE INTELLECT”. Combined with the previous three conditions, it is the most fundamental condition sine qua non for any parasitic idea of “intrusive suggestion” to assert itself with greater force, not meeting any opposition, to gain the upper hand and to realize itself completely on a blank memory. Such realization and the traumatisme associated to it will form a lasting impression to be passed from offspring in descent through the recursive transformations.⁹⁴⁰

Thus, the soil for receiving the seeds of “intrusive suggestion” was fresh, virgin and favourable in “THE SEAT OF THE INTELLECT” of this first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, and these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” were anxious to “play the pawn” of their deceit, as soon as possible, before that these first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, become aware of their “PLENITUDE”.

Only “THE EYE OF THE DIVINE” sees the “Specific Energy ‘SPIRIT’ Substance” and sees “The ALTAR of ‘THE DIVINE’” and also the “Specific Energy ‘LIGHT’ Substance” that is in there, and thus the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.⁹⁴¹

⁹⁴⁰ As evidence, until these days of today, all the parasitic ideas of “intrusive suggestion” forced by the Archangel MICHAEL in the first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, are still well established in “THE SEAT OF THE INTELLECT” of human creatures descending from the first two. To the very point that, the only reading of the writings which humans have in their possession and which they call “Holy Scriptures” and which they say to be “THE WORD OF GOD”, and in which were inscribed the parasitic ideas of the “intrusive suggestion” which had been forced into the first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, is sufficient to trigger the impressions which this “intrusive suggestion” process had produced and which are transmitted from offspring in descent through the recursive transformations.

⁹⁴¹ This stems from the nested relationships that we have already explained in a previous chapter, concerning the creation of the “Specific ‘PARTIALLY-SPIRITUAL’ Environment” in the attribute “NON DIVINE”, and in which we have also explained why is “THE DIVINE FORCE” invisible to any creature of the attribute “NON DIVINE”, and we have also explained why “THE DIVINE”, IHVH, our FATHER is also invisible to any creature of the attribute “NON DIVINE”.

The fact that “THE DIVINE FORCE” has never disclosed the existence of the “‘SPIRIT←LIGHT’ Body” to the Archangel MICHAEL, and to no other “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, and neither how this “‘SPIRIT←LIGHT’ Body” is embedded in the “Subjective ‘EARTHLY’ Garment”, has been the way of salvation of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” and it is by this way of salvation that the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” has escaped the total extermination from existence.⁹⁴²

What would have happen if it had not been so; that is, if “THE DIVINE FORCE” had not hidden the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” of the perception of both the “Specific ‘SPIRITUAL’ Visual Structure” and of the “Specific ‘CELESTIAL’ Visual Structure” of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”?

What would have happen if those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had come to discover how “THE DIVINE FORCE” passes from the attribute “NON DIVINE” to “THE DIVINE DOMAIN”?

Cursing the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” so that it returns and remains forever in the “Specific Energy ‘EARTHLY’ Substance” from which it had been carved into existence, and destroying the “Subjective ‘EARTHLY’ Garment” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, were parts of the manifested “spiritual abuse”, aimed also to prevent that no “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” shall serve the main purpose for which it was created into existence and which is:

“CARRY THE PRESENCE OF ‘THE SHEKINAH’ — THE PURE LIGHT OF ‘THE ALTAR OF THE DIVINE’ WHICH IS INSIDE ‘THE SHEKINAH’, AND WHICH IS SOURCE OF LIFE PURE AND HOLY — IN VERY REMOTE PLACES FROM ‘THE SHEKINAH’”.

⁹⁴² At the very least for this, human creatures! Forever bless “THE DIVINE”, IHVH, our FATHER, bless “THE DIVINE FORCE” of that apart from the radiation of the “Specific ‘EARTHLY←SPIRITUAL’ Frontier”, SHE has never revealed or let see to “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and still less to the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, the real “‘SPIRIT←LIGHT’ Body” which is inside the “Specific ‘EARTHLY←SPIRITUAL’ Frontier”; because had SHE done so, then, in view of the scourge of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” that raged “THE CELESTIAL HOST”, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” would have erase from existence any trace of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”. Yes! Eternally be blessed “THE DIVINE”, IHVH, our FATHER!

***** Zoom in *****

So far, likely, you have understood that, everything that is into existence inside the attribute “NON DIVINE”, is energy substance; energy substance produced into existence by “THE DIVINE FORCE”.

However, that “delimited part” of that first energy substance has failed to do so, it (the very small, almost insignificant, “delimited part” endowed with those

elements of consciousness and comprehension) has failed to comprehend all these objectives that were established by “HE WHO IS”, who has delimited it (the very small, almost insignificant, “delimited part”) in that first energy substance.

Thus, “HE WHO IS”, who has delimited it (that very small, almost insignificant, “delimited part”) in that first energy substance, decided to help that very small, almost insignificant, “delimited part” endowed with those elements of consciousness and comprehension, to comprehend its origin, to comprehend that it (the very small, almost insignificant, “delimited part”) is merely a very small, almost insignificant, delimited part of that first energy substance, and to comprehend and to know “HE WHO IS”, who is outside, is not part of, is beyond that first energy substance.

Because that very small, almost insignificant, first “delimited part” of the first energy substance, has been endowed with those elements of consciousness and comprehension, it is so that “HE WHO IS” chose a second neighbouring energy substance, in order to demonstrate things to it (the very small, almost insignificant, first “delimited part” of the first energy substance), directly in front of it (the very small, almost insignificant, first “delimited part” of the first energy substance), so that it (the very small, almost insignificant, first “delimited part” of the first energy substance) would eventually understand things.

Thus, “HE WHO IS”, who has delimited that very small, almost insignificant, first “delimited part” in that first energy substance, has also delimited, this time, a different, also very small, and also almost insignificant, first “delimited part” in a second energy substance. “HE WHO IS” has also endowed it (the very small, almost insignificant, first “delimited part” in a second energy substance) with elements of consciousness and comprehension, although different from those that were endowed to the very small, almost insignificant, first “delimited part” in the first energy substance.

These two very small, almost insignificant, delimited parts of their respective energy substance, have the same objectives: to eventually come to comprehend that they are merely very small, almost insignificant, delimited parts of their respective energy substance, and most importantly, to comprehend and to know “HE WHO IS”, who has delimited them in their respective energy substances and how “HE WHO IS” has delimited them. The first very small, almost insignificant, “delimited part” of the first energy substance, however, has the advantage in that: things have been demonstrated right in front of it (first “delimited part” of the first energy substance).

But, the very small, almost insignificant, first “delimited part” of the first energy substance, did not grasp anything of all things that have been demonstrated just in front of it. From the prior knowledge that it had received about those elements of consciousness and comprehension endowed to the also very small, almost insignificant, first “delimited part” of that second energy substance, which are different and apparently “superior” to those elements that it itself (first “delimited part” in the first energy substance) was endowed with, had already taken its resolution, not to allow that this other first “delimited part” in that second energy substance, to receive those new elements of consciousness and comprehension.

It is so that, this very small, almost insignificant, first “delimited part” in the first energy substance, which is merely a delimited part of the first energy substance, went ahead to overthrow and to dismantle the first “delimited part” of that second energy substance: just because, not it (first “delimited part” in the first energy substance), but this first “delimited part” of that second energy substance, has been endowed with those new elements of consciousness and comprehension.

That is what these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, merely very small, almost insignificant, “delimited parts” in that first energy substance, have perpetrated against their neighbour, the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, first “delimited part” in the second energy substance, and those “delimited parts” in the first energy substance do not even know how that first energy substance, in which they are very small, almost insignificant, parts of, was produced into existence.

Now, “zoom out” from the perspective of energy substance, and back to the scale of those creatures.

***** Zoom out *****

Once the Archangel MICHAEL, covered by the “HUBRIS Spiritual Veil”, had achieved this premeditated crime against the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, afterwards, he summoned the Archangels to witness, and take notes. Since he had managed to destroy the “Specific Radiance ‘SPIRITUAL’ Aureole” that covered the “Subjective ‘EARTHLY’ Garment” and several others particulars of this “Subjective ‘EARTHLY’ Garment” and which reminded to the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” that the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” was akin to “THE SHEKINAH”, he said to them: *“The humans must be covered. They will not appear before us in this condition, reminded constantly of their shame and nakedness.”*

This tells you volume about how he viewed that, which themselves, “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, have labeled as the “most precious creations” of “THE DIVINE”, IHVH, our FATHER, and to which he was assigned the task to facilitate the education as regards the development of the elements of “THE ‘SPIRIT’ REASON”. It is not about the “Subjective ‘EARTHLY’ Garment” in its bare state strictly speaking, as if, it is now been revealed to these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”. The “Subjective ‘EARTHLY’ Garment” in its bare state is just a diversion manoeuvre, a “psychological misdirection” of attention, as the best malicious hypnotists do, when they want by get their victim’s attention diverted in such a way as to elicit intended alterations or responses in sensations, perceptions, feelings, thoughts and behaviour.⁹⁴³

⁹⁴³ In the metaphor and hypnotic language, “words” can make or break an individual. As you would know already, “words” constitute real, conditioned stimuli. Thus, an individual can be habituated to key words, which will invariably evoke behavioral responses, as in hypnosis. On account of the preceding life experience of an individual, “words” are connected up with all the internal and external stimuli or “specific signals”, which are emitted or received by the “‘SPIRIT←LIGHT’ Body” through the “Subjective ‘EARTHLY’ Garment”, signaling and coding all of them. Thus through “words”, “specific reactions” manifested through the “Subjective ‘EARTHLY’ Garment”, which are ordinarily determined by stimuli, for example conditioned reflex, can be call forth. In other words, the mere mention of a “word” associated with a certain physiologic or psychological “specific reaction” will elicit that “specific reaction” even though the original stimulus has been forgotten. As such, a “word” does not become meaningful until a conditioned reflex between it and some conditioned or unconditioned stimulus takes place in the “Subjective ‘EARTHLY’ Garment”. In a child, for example, the word “hurt” acquires a definite meaning only after it has been associated with real pain sensation. After that, the appropriate conditioned reaction to the word “hurt” can be evoked to reproduce the exact conditioned response (pain reaction). Once a conditioned reflex is established, the individual will automatically reacts without thinking to the nongenuine stimulus that has become part of the reflex. A verbal stimulus will provoke a stronger reaction in hypnotically conditioned individuals. It is so that “words” will elicit responses through “specific feedback mechanisms”, which have been implemented in this “Subjective ‘EARTHLY’ Garment”. From “words”, a “specific feedback mechanism” can call upon “specific processes” of “mental representation” and which are related to:

- The ability to develop automatic responses from the sensory system; kinesthetic, olfactory, visual, auditory, tactile or gustatory responses: in which case we will speak of ideosensory responses. An example of an ideosensory response is looking at the clouds and “seeing” the “face” of CHRIST.
- The ability to develop automatic responses from the motor system; unconscious or involuntary body movement in which the contraction, relaxation or inhibition

Remember that during the accomplishment of the seventh decree of the implementation of the “Second Phase” of “THE HOLY PROJECT”, when “THE DIVINE FORCE” was sewing into existence this “Subjective ‘EARTHLY’ Garment” of the first manifestation of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model in the first “Specific Energy ‘EARTHLY’ Habitation Domain” and in slow motion, all these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” were observing. They all saw the “Subjective ‘EARTHLY’ Garment” in its bare state strictly speaking, not covered by the “Specific Radiance ‘SPIRITUAL’ Aureole”. None of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had then referred to the “Subjective ‘EARTHLY’ Garment” (which they thought was the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”) as something which was in a nakedness condition strictly speaking, that is to say, in a state of a scantily clad person; because these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had understood very well that the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” is akin to “SHEKINAH”. Remember also that these first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” had never seen the “Subjective ‘EARTHLY’ Garment”, which they wears, from the perspective of some bare state strictly speaking, in the absence of the “Specific Radiance ‘SPIRITUAL’ Aureole”, which covered it. They never saw how they, as “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, were brought forth into existence by “THE DIVINE FORCE”, and they were unaware of their own identity. And just as it will be with the children of human creatures, they had no discomfort from their “Subjective ‘EARTHLY’ Garment” in its naked state strictly speaking, although it was covered by the “Specific Radiance ‘SPIRITUAL’ Aureole”. Through the teachings they received from “THE DIVINE FORCE” through the communication by “VISIONS”, they understood that they were “naked”, from the perspective of the absence of “THE KNOWLEDGE OF THE DIVINE”.

Thus, as you would have understood, the saying “*The humans must be covered. They will not appear before us in this condition, reminded constantly of their shame and nakedness.*” is still part of the psychological manipulation operation started by the Archangel MICHAEL with the “speech of shame”. He has already

of voluntary and involuntary muscles occur in response to “words” received: in which case we will speak of ideomotor responses.

- The ability to develop automatic emotional responses: in which case we will speak of ideo-emotional responses.
- The ability to develop automatic responses from cognitive function: in which case we will speak of ideo-cognitive responses.

placed himself and the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” above the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, and now through “spiritual abuse” he was now “spiritually incarcerating” these “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” in a state of constant reminder of guilt, shame, ridicule (the state of what is by nature to involuntarily provoke laughter, mockery, derision) and self-loathing, which will be an ideosensory response conditioned and aroused by the perception of the “Subjective ‘EARTHLY’ Garment” in its naked state, strictly speaking, and so that they also lose the sense of their life purpose: that of “CARRIER OF THE (MANIFESTED METAPHOR OF THE) PRESENCE OF ‘THE SHEKINAH’” and through which the “specific spiritual formation” of “THE CHURCH” is established.

Remember that it is not out of thin air that these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have called themselves “the most intelligent children” of IHVH; so, do not underestimate their intelligence, otherwise they will have the wool pulled over your eyes and make a fool of you with their own sayings and writings in the “Specific ‘SPIRITUAL’ Language” and using the symbols of the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”. The word “nakedness” in the saying *“The humans must be covered. They will not appear before us in this condition, reminded constantly of their shame and nakedness”* refers to the fact that Archangel MICHAEL robbed, deprived, dispossessed them of the manifestation of the likeness of “THE SHEKINAH” and plunged them in poverty. Shame, as you already know, is an effect of opprobrium brought about by a fact, an action transgressing an ethical norm or a convenience (of a social group, in this case it is “THE CELESTIAL HOST” as a social group and from the commandment of the “Obscurity” given to them by Archangel MICHAEL not to feed on the “fruit” of the tree which is in the “NORTH”, that is to say, not to feed on the teachings of “THE DIVINE FORCE”, as an ethical norm or a convenience) or by an action considered demeaning compared to the norm (of this social group). The opprobrium in this case is this state of extreme degradation, of extreme and public dishonor, in front of “THE CELESTIAL HOST” including the fallen “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who were also observing, and which Archangel MICHAEL is inflicting on these first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”. The word “nakedness” associated with the “Subjective ‘EARTHLY’ Garment” which is the receptacle intended to “CARRY THE (MANIFESTED METAPHOR OF THE) PRESENCE OF ‘THE SHEKINAH’” and which “THE HAND OF THE DIVINE” has produced into existence in front of the whole of “THE CELESTIAL HOST”, is thus intended to elicit reactions of guilt, shame (synonymous with dishonor), ridicule (the state of what is by nature to

involuntarily provoke laughter, mockery, derision) and disgust, which become conditioned ideosensory responses, planted through “intrusive suggestions” into these first two “newborn” “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” and as a reminder of these destructive unfolding events.

Such “spiritual incarceration” will be propagated from generation to generation, so that the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” descendants of the first two never think of their own “PLENITUDE” as the “most precious creations” of “THE DIVINE”, IHVH, our FATHER, and that they never come the idea that they are true receptable destined to “CARRY THE (MANIFESTED METAPHOR OF THE) PRESENCE OF ‘THE SHEKINAH’”. The ultimate goal of these “intrusive suggestions” and “spiritual abuse” is that the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” who were created in “THE IMAGE OF THE DIVINE AND THE DIVINE FORCE”⁹⁴⁴, never succeed in read the living “DISCOURSE” of “THE DIVINE”, IHVH, our FATHER, which was written by “THE DIVINE FORCE” through the cells, tissues, organs and systems of the “Subjective ‘EARTHLY’ Garment” that the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” wears. Because through this “Subjective ‘EARTHLY’ Garment” (which all these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” believed to be the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, because they had no knowledge of the existence of the “‘SPIRIT←LIGHT’ Body” wearing this “Subjective ‘EARTHLY’ Garment”), the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” will be seen as an object of derision, mockery mixed with contempt, dishonor and opprobrium inflicted on it by the Archangel MICHAEL who by using the “alter ego of names” was posing himself off as “god” above these “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”. You get the picture? The “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, who is a written living “DISCOURSE” of “THE DIVINE”, IHVH, our FATHER, walking around and not knowing about the “DISCOURSE” of “THE DIVINE”, IHVH, our FATHER, which is written throughout its own “Subjective ‘EARTHLY’ Garment”. That, is nakedness the poverty of “THE SEAT OF THE INTELLECT”.

This is how he thought he would manage to keep the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” descendants of the first two, far away from “THE DIVINE”, IHVH, our FATHER, having failed to keep them, by their own volition

⁹⁴⁴ As you would have understood by now, “THE IMAGE OF THE DIVINE AND THE DIVINE FORCE” referred to here, and which was attributed to the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, is not about the morphology and/or the external appearance of the “Subjective ‘EARTHLY’ Garment” that the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” (more precisely, that the “‘SPIRIT←LIGHT’ ‘SPIRITUAL’ Creature”) wears.

(that of the “SPIRIT←LIGHT” ‘EARTHLY’ Creatures”), far away from the “fruit” of tree which is in the “NORTH”, that is to say, far away from the teachings of “THE DIVINE FORCE”. Do you understand well who are the “adversaries” of “THE DIVINE”, IHVH, our FATHER and do you understand well “THE COMBAT” in progress, which is carried out in “ABSOLUTE PURITY” by “THE DIVINE”, IHVH, our FATHER, with the aim to remedy the deficiency of “THE KNOWLEDGE OF THE DIVINE” which took place in these “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures” disciples of the “Obscurity” and which will be propagated on the “SPIRIT←LIGHT” ‘EARTHLY’ Creatures”?

In front of these first two “SPIRIT←LIGHT” ‘EARTHLY’ Creatures”, and in front of those firsts foremost “ADONA’IM” and those “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures” of “THE CELESTIAL HOST” nearby and watching, the Archangel MICHAEL took two of the “SPIRIT←SPIRIT” ‘EARTHLY’ Creatures”, which had received the designation “SHEEP” (a symbol of innocence) from “ADAM” when he was assigning designations to each of the “SPIRIT←SPIRIT” ‘EARTHLY’ Creatures”, and which were around, and he said aloud to his accomplices “ADONA’IM” and those high ranking “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures” who were gathered: *“The consequence of sin is death.”*

CHAPTER 174

THE PAROXYSM OF THE “HUBRIS” IN “THE CELESTIAL HOST”: FORMALIZATION, ON THE FIRST DAY OF THE SECOND WEEK, OF THE PREMEDITATED DESTRUCTION OF THE “SPIRIT←LIGHT” ‘EARTHLY’ CREATURE”

Here, as you have understood already, the “sin” about which the Archangel MICHAEL is referring to in his saying “*The consequence of sin is death.*”, is not about the transgression of “THE FIRST LAW”, “THE FIRST RULE OF EXISTENCE” and which is “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”, “THE FIRST COMMANDMENT” established by “THE DIVINE”, IHVH, our FATHER, and that was given to all these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” to put to practice and not to transgress. Has it been so, then, according to his own distorted logic that he has applied to his neighbour — the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” —, he and all his accomplices “ADONA’IM” would have been put to immediate “DEATH” and wiped out of existence at the very moment that they started their “CELESTIAL WAR”, and especially at that very moment when he “BETRAYED” the confidence of “THE DIVINE”, IHVH, our FATHER, on that afternoon of the Third Day of the implementation of the “Second Phase” of “THE HOLY PROJECT”, as through those events, they have all demonstrated many times their transgression of “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” and they have demonstrated that they had NONE at all in themselves.

Here also, since these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, who have called themselves “the most intelligent children” of IHVH, did not consider as “SINS”, the transgressions and crimes, which they have perpetrated against “THE DIVINE”, IHVH, our FATHER, before the creation of this first “Specific Energy ‘EARTHLY’ Habitation Domain”, and which were exemplified by their ex-public figure of the circle of the “ADONA’IM”, but they consider their own transgressions and crimes rather as “...*MISUSE of the greatest gift [i.e. the ability to choose freely] that IHVH has given to the Host ...*”, now, to the uttered expression “...*the consequence of sin is death...*”, add the infamous “...*I cannot explain it too directly to you at this time, for the Host will not be able to fully understand it until they see Sin demonstrated...*”⁹⁴⁵. What do you get? THE ASSASSINATION (THE PREMEDITATED MURDER) OF THE “‘SPIRIT←LIGHT’ ‘EARTHLY’ CREATURE”! As such, the Archangel MICHAEL also revealed by himself, and through his own “words”, his premeditated intentions towards his neighbour, the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, and with that “BLOW OF DEATH”, struck on the “Specific

‘EARTHLY←SPIRITUAL’ Frontier” which separates the “Subjective ‘EARTHLY’ Garment” from the “‘SPIRIT←LIGHT’ Body”, the Archangel MICHAEL has demonstrated his understanding of the concept of “DEATH”, his understanding of the cause-and-effect relationship between “SIN” and “DEATH”, he has accomplished his premeditated act.

The “sin” about which the Archangel MICHAEL is referring to in his saying “*The consequence of sin is death.*”, and about which he chose to demonstrate the consequence on his neighbour as “guinea pig”, is about “*not obeying to his command, as the leader of “THE CELESTIAL HOST” structure and self-declared “god” over those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures.”*” Just like gang leaders assert themselves and assert their dominance and control on their organisation and their members by perpetrating the most despicable murders they have the courage to perpetrate, he was thus asserting his dominance over those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and he was also indirectly reminding them of their oath of allegiance to him and the consequence, which he will inflict anyone who will break his oath of allegiance to him. That is why he summoned those firsts foremost “ADONA’IM” and those high-ranking “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of “THE CELESTIAL HOST” to be witness and to take notes. Where do you think all those behaviors of gang leaders asserting themselves on their pack and that you see spreaded among human creatures originate from?⁹⁴⁶

⁹⁴⁶ As we have indicated already in previous annotations, the Archangel MICHAEL had already worked out the manner through which he intended to demonstrate his understanding of the concept of “DEATH”, the cause-and-effect relationship between “SIN” and “DEATH”, on his neighbour, so that, putting it using his own words: “*the Host be able to fully understand [the destruction that he and AZAZEL have unleashed in the CREATION] until they [the celestial creatures of the Host] see Sin demonstrated*”. He was now demonstrating to “the Host” the significance of the “BLOW OF DEATH” that, in the “Specific ‘SPIRITUAL’ Environment”, he had struck on to the firsts two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, but now by using living symbols in the “Specific ‘NON-SPIRITUAL’ Environment”.

“...

I cannot explain it too directly to you at this time, for the Host will not be able to fully understand it until they see Sin demonstrated.

Just as he has failed to discern the “LIGHT” that is hidden in the “LIGHT”, and that “THE DIVINE FORCE” has embedded in the rational activities that SHE assigned to each of them, and despite all the teaching that “THE DIVINE FORCE” — THE INVISIBLE SHEPHERD OF PURITY AND HOLINESS — gave them, he and all the “ADONA’IM” and those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of “THE CELESTIAL HOST”, who have inherited his “obscurity”, have also failed to understand the cause-and-effect relationship between “SIN”, which, in truth, is the transgression of “THE FIRST RULE OF EXISTENCE”, the rejection of “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”, and “DEATH”, which, in truth, follows from the decrease of the external specific supply of subsistence with the passage of time and that will ultimately cause the total lack of external specific supply of subsistence and leading to a failure of maintaining the structural integrity of an assembled structure of “created energy”; “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” is the “GLUE” that maintains intact the structural integrity of any assembled structure of “created energy” inside the attribute “NON DIVINE”.

He drew his “KHEREV”, not blazing this time and as such to make understand to those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” present, that it is not in the “Specific ‘SPIRITUAL’ Environment” but in the “Specific ‘NON-SPIRITUAL’ Environment” (the physical environment), and just like he previously struck the “BLOW OF DEATH” on to the firsts two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, he now struck the same “BLOW OF DEATH” on to these two “SHEEPS” and cutting their “heads” and releasing the “blood” from within the two

...

When these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” give out written confessions of their own crimes and iniquities perpetrated against humanity, they expect human creatures NOT TO BE ABLE TO READ SPIRITUALLY and to understand those crimes, and they present their own crimes in such a manner that the human creatures will sympathise with them, the criminals, and as a consequence, the human creatures will lower their guards and toe the line in the “obscurity” of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” on both sides of their ongoing “CELESTIAL WAR”. Wearing the masks of convenience (masks of sanity), they present themselves as if they, “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, were the “victims” of the alledged “crime” that “ADAM” and “THE FEMALE” who, have been created into existence even though these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” rejected the implementation of the “Second Phase” of “THE HOLY PROJECT”, have perpetrated by not obeying to “THE VOICE OF IGNORANCE”. They present their own crimes as if they were doing a favour to humanity, and they will wrap and rule over humanity in that “obscurity”: check your prayers and canticles, who are you praising in there?

“‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creatures”, the two “SHEEPS”. The “blood” gushed out of the “Subjective ‘EARTHLY’ Garments” of the two “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creatures”: the “DEATH” of these two “SHEEPS” was swift.⁹⁴⁷

The firsts foremost “ADONA’IM” and those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of “THE CELESTIAL HOST” nearby and watching, drew closer to the scene to take notes and understand what has just happened with the two “SHEEPS” laying lifeless in front of them. By inference, they understood what will happen to whomever amongst them who will break his oath of allegiance, which he gave to the Archangel MICHAEL; those oaths of allegiance where they threw their diadems, at the feet of the one to whom they signify, as such, their “ultimate act of trust” and their “ultimate act of submission”.

As you would have understood through this carnage, when these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” speak about the “SERPENT”, they are referring to that manifested form that “THE DIVINE FORCE” had demonstrated above their “heads” before the creation of this first “Specific Energy ‘EARTHLY’ Habitation Domain”, which we have described already in one previous chapter, which was unknown to them, and which they attempted to reproduced the external appearance features through a “Character”, during the task of choosing a “Character” for one self, and to which (that unknown manifested form of that creature there, above their heads) they gave the designation of “SERPENT”. They are not talking about the “animal”, which is the “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creature”, associated to the manifestation of that chosen “Character” in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain” down here, and which has also received the designation the “SERPENT”. Was it not so, then to uphold the promises, which he made to the first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” that *“one day he will ‘cut the head’ of [that, which they have designated as] the SERPENT”*, the Archangel MICHAEL would have caught the “animal”, which is the “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creature”, associated to the manifestation of that chosen “Character”, and “cut its head”, in the same

⁹⁴⁷ Such actions do not spring up from “THE SEAT OF THE INTELLECT” of a creature as if coming from no where, especially in an environment where no one knows and no one has ever seen what “DEATH” is. He has mature the “Art of DEATH”, in his “nefarious and despicable shadow scheming” dictated by the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” and to be demonstrated on the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” as “guinea pig”.

manner as what he has now demonstrated on the “animal”, which is the “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creature”, which has received the designation “SHEEP”.

Since the days after the announcement of the “Second Phase” of the implementation of “THE HOLY PROJECT” and before the creation of “ADAM” — the first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” —, and when these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had heard about the concept of “DEATH”, they yearned to see that concept demonstrated and their prey on which they had set their eyes to demonstrate that concept was the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

Now, those of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who were slow to understand what was going on with that “BLOW OF DEATH” that the Archangel MICHAEL had previously struck on to the firsts two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, will come to grips with the situation and will wrap their minds around what they have now witnessed in the “Specific ‘NON-SPIRITUAL’ Environment” and they understood the gravity of the “spiritual wound” from the “BLOW OF DEATH” that the Archangel MICHAEL had previously been inflicted to these firsts two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” in “Specific ‘SPIRITUAL’ Environment”. They understood exactly that what they have now witnessed by themselves in the “Specific ‘NON-SPIRITUAL’ Environment” is a demonstration of what the Archangel MICHAEL had previously inflicted to the firsts two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” with that “BLOW OF DEATH” in “Specific ‘SPIRITUAL’ Environment”: they understood that everything proceeds forward from the “Specific ‘SPIRITUAL’ Environment” and is manifested afterwards in the “Specific ‘NON-SPIRITUAL’ Environment”. It is not for nothing that in their obscurity, they have declared themselves to be the “most intelligent children” of IHVH.

The “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creature” designated as “SHEEP” is a symbol of innocence and guileless. It is so that, these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of “THE CELESTIAL HOST”, now watching the two “SHEEPS” laying lifeless in front of them, felt the full “reality” of the situation: they took knowledge from the symbol in front of them, they understood that they have murdered (through a delayed “DEATH”, also designated as “DEATH TOUCH”, or “DEATH-POINT STRIKING”, or “DEATH ART”, or “DIM MAK”) two innocents, the firsts two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” whom they, “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” themselves, have labeled as the “most precious creations” of “THE DIVINE”, IHVH, our FATHER.

So was their understanding of the concept of “DEATH”, their understanding of the cause-and-effect relationship between “SIN” and “DEATH”, and they will be chanting back and forth to any “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” descendant of the first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, saying: *“The consequence of sin is death.”*

What these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” failed to discern in their obscurity, is that through all these demonstrations, the Archangel MICHAEL has managed to reveal and to demonstrate that, as we have already indicated, he WAS BY HIMSELF “SIN” DEMONSTRATED and a “MURDERER” on top of that. With all these killings, the Archangel MICHAEL, who hid his resentment towards the creation of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, was now revealing to the whole CREATION what he had kept hidden in “THE SEAT OF THE INTELLECT” inside his “‘SPIRIT←SPIRIT’ Body”: the evil and depraved state of mind of a “pampered child” coupled with “narcissism”, adrift into the absence of responsibility and accountability, who did not get what he coveted and had set himself out to proceed further using treachery and unconcerned for the lives of others.⁹⁴⁸ Furthermore, these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, under the leadership of the Archangel MICHAEL, have also revealed and demonstrated that they knew not why the task of choosing a “Character” for oneself had been entrusted to them. They have all demonstrated that they understood nothing from all the teachings that “THE DIVINE FORCE” had poured on them, they have all failed to discern the “LIGHT” that is hidden in the “LIGHT”, and that “THE DIVINE FORCE” has embedded in the rational activities that SHE assigned to each of them.

What happened afterwards is pretty disgusting, as these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had hit the bottom of “obscurity”. The Archangel MICHAEL scrapped the skin of the slain “SHEEPS” and order the first two

⁹⁴⁸ These “ADONA’IM” and their leader self-declared “god”, “lost their mind” and adopted that evil and depraved state of mind, and started exhibiting the destructive behaviors, characteristics of “pampered children”, right after the announcement of the “Second Phase” of the implementation of “THE HOLY PROJECT”, when they came to understand that “... *None amongst them, who are elders of the creation, but a new creature will receive and carry the manifestation of “THE UNION” ...*”.

When CHRIST refers to this evil and depraved state of mind that these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and their leader were demonstrating and which has been sealed as part of their “nature”, HE just says, without going into the details, that “... *“the evil spirit” had invaded the children of THE FATHER ...*” See conversation of October 01, 2005, Aristide with CHRIST, at the end of this chapter.

“‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, “ADAM” and “THE FEMALE” under the shock in mute horror of what they were witnessing, to dress up with these skins of “SHEEPS”, thinking that as such, such “display” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” will appease his mind and not remind him that the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” is akin to “THE SHEKINAH”, is classified “above” him, and is carrier of that “LIGHT” — which is the manifestation of the “LIGHT” of the “‘LIGHT’ Divine State”, which is the child of the attribute “GOD”.

After these events, the Archangel MICHAEL and the “ADONA’IM”, elders of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” in “THE CELESTIAL HOST”, gathered to set in motion the next step in their deceptive act, now that they have effectively demonstrated their understanding of the concept of “DEATH” on their neighbour. This was only part of that series of shenanigans (all kinds of monkey businesses), having no base and no stability, without possible ins and outs, orchestrated and led by these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, trying to outsmart “THE TRUTH” to conceal all the “BETRAYALS” that they have perpetrated against “THE DIVINE”, IHVH, our FATHER, and to conceal the true motive of all this ongoing fury of destructions: conceal their rebellion against the decision of “THE DIVINE”, IHVH, our FATHER not to give to these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, that “LIGHT” — which is the manifestation of the “LIGHT” of the “‘LIGHT’ Divine State”, which is the child of the attribute “GOD” — which has been attributed to the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”. In other words, to conceal their rebellion against the decision of “THE DIVINE”, IHVH, our FATHER to have followed the implementations of the designs of “THE DIVINE ARCHITECT AND PROJECT MASTER” regarding the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model and the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, which were conceived and established as a result of the development of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, that HE has consolidated in Himself, long before that the attribute “NON DIVINE” was even the object of a project, long before that any of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, who do not even have the slightest idea about the existence of those models, was even considered as a creature to be produced into existence in the attribute “NON DIVINE”.⁹⁴⁹

⁹⁴⁹ When you ask the Archangel MICHAEL, what was this all about? Can you tell me something concerning the first creature that was called “ADAM”? He serves you the

As we have already indicated, “THE DIVINE FORCE”, under the designation of “THE DIVINE WISDOM”, and under the designation of “THE CONFIDENCE OF THE DIVINE”, has moved away from the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and has ceased to educate them as SHE used to do, through the process of education through enlightenment, which we have described already, and through which SHE used to fulfil all their “Wishes”, their “Desires”. Furthermore, the ordinances, which “THE DIVINE FORCE” used to give them through the “specific spiritual formation” of “THE CHURCH” from “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — also ceased to be given. Most of those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” will interpret this cessation of activity from “THE SHEKINAH” by saying that the Archangel MICHAEL left of His own accord his role of “Mediator between IHVH and the Host”, and they will spread the word, concealing the reasons behind it.⁹⁵⁰

deceiving story about “*the enemy has destroyed the most part of the things that THE FATHER has created*”.

See conversation of July 08, 2006, Aristide with the Archangel MICHAEL concerning the first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

⁹⁵⁰ It is only later, during the course of the “Second Phase” of “THE HOLY PROJECT”, when he will see and grasp the extent of damages he has produced in the implementation of “THE HOLY PROJECT”, that he will go in front of “THE SHEKINAH” and confess his misdeeds and the destruction he has caused. He prayed and submitted his repentance, and begged for forgiveness in front of “The ALTAR of ‘THE DIVINE’”, which is inside “THE SHEKINAH”, recalling the memories of their early days in the “Specific Energy ‘CELESTIAL’ Domain”, when he used to receive the ordinances of “THE DIVINE”. After confessing his misdeeds and plea for forgiveness, and to walk away from the evil path in which he had been and had led the CREATION, very few activities from “THE SHEKINAH” will resume. Most activities will resume only when CHRIST will take over the role of “Mediator between IHVH and the Host” after completing the “PROJECT OF THE REDEMPTION” for which “THE DIVINE FORCE” will create Him into existence among human creatures. This resumption of activities through CHRIST will be interpreted by others creatures by saying that: “WISDOM” has returned to the heights of Heaven; they omit to explain why “WISDOM” has departed in the first place; for, in order for “WISDOM” to “return” to the heights of Heaven, “WISDOM” must have “departed” first: “WHY” did “WISDOM” departed in the first place? You have understood the answer through all what we have revealed so far. However, “THE DIVINE FORCE”, under the designation of “THE DIVINE WISDOM”, and under the designation of “THE CONFIDENCE OF THE DIVINE”, will never return to these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” with their “MALICE” having become part of their “nature”.

It is so that, these “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures” will find themselves in the darkness of illusions (empty of enlightenment) produced by “THE SEAT OF THE INTELLECT” in their “SPIRIT←SPIRIT” Body” and from the mist of residuals of their own “Interpreted THOUGHTS”; for they will no longer receive the illumination — “THE LIGHT” which allows to discern that, which conforms to the specifications that “THE DIVINE ARCHITECT AND PROJECT MASTER” has defined. All they had left were their innate skills and the “kudos of their innate skills” on which they are sleeping. Their “Interpreted THOUGHTS” will thus become futile, for they are full with “MALICE” and will no longer converge towards the manifestation by metaphors of any product of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” that “THE DIVINE” has chosen to share with the attribute “NON DIVINE”, and as “THE DIVINE ARCHITECT AND PROJECT MASTER” had designed it.

It is so that, all standing in “DISGRACE”, “IMPURITIES”, and “LIES”, and all prone to the Governing Law of the Behavior, these “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures” organized themselves around the Archangel MICHAEL and established their “Council of Sages”, in the darkness of their own illusions, and from which they will establish their decisions — which actually will be all forms of the progeny of “DISGRACE”, “IMPURITIES”, and “LIES”, output of the Governing Law of the Behavior — in order to manage and lead⁹⁵¹ the CREATION, and under the pretext of acting for the good of the “SPIRIT←LIGHT” ‘EARTHLY’ Creatures”; these “SPIRIT←LIGHT” ‘EARTHLY’ Creatures” who came into existence in order to be the sentence of annihilation of their ignorance and their “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, and

⁹⁵¹ So, here you have “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures” who, despite all the teachings, which were poured on them by “THE DIVINE FORCE”, do not know about the “ins” and “outs” of “THE HOLY PROJECT”, do not know about “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” and the manifestation of its products in the attribute “NON DIVINE”, and which have been displayed in front of them, and hence who do not know about the “Specific Septenary Equilibrium Zone” in which has been placed the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, and who do not know about the meaning of a “Day” and how the concept of “Day” was constructed, who do not know who they are themselves, but who decided to manage and lead the CREATION. This was pure madness!

Blinded by the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” in their absence of “THE KNOWLEDGE OF THE DIVINE”, they knew not of the Governing Law of the Behavior, and they could not even understand that they were all standing in “DISGRACE”, “IMPURITIES”, and “LIES”.

that they have overthrown, changed, altered completely for something inverse and different from what “THE DIVINE ARCHITECT AND PROJECT MASTER” had designed and established, and have destroyed in their ignorance and their “palace intrigues”. Having already decided that “...*They will never bow down to serve a physical being!*...”, their “Council of Sages” thus replaced the “specific spiritual formation” of “THE CHURCH” that “THE DIVINE ARCHITECT AND PROJECT MASTER” had designed and established from that “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” to receive and transmit to these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, the ordinances coming from “THE DIVINE”, IHVH, our FATHER; that is what these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” disciples of “Obscurity” have failed to grasp and to understand the meaning, and instead, in their logic twisted by the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” in their absence of “THE KNOWLEDGE OF THE DIVINE”, they “see” this reception and transmission of the ordinances from the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, as if they are “*bowing down to the physical being*”.⁹⁵² It is the decisions of this “Council of Sages”, in the darkness of

⁹⁵² Those are the motives behind of all the destruction that you see around you in the Earthly world in which you live now, and these disciples of “Obscurity” have been beating around the bush, fooling humanity with stories to sleep upright and which have neither head nor tail, to hide all these things. From those motives, you can measure the heights of the perches of their “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”.

Throughout the course of this “Second Phase” of “THE HOLY PROJECT”, these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” will impose their decisions taken by their “Council of Sages” to “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, who will no longer have the memory of their own “PLENITUDE”, let alone the remembrance of “THE DIVINE”, IHVH, our FATHER.

And using the “alter ego of names”, these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” will try to lay on “THE DIVINE”, IHVH, our FATHER, the responsibility of the decisions taken by their own “Council of Sages”. It is those decisions and their disastrous consequences that you will find long and wide in the writings that humans have in their possession and that they call “Holy Scriptures” and that they say to be “THE WORD OF GOD”, thus implicitly referring to “THE DIVINE”, IHVH, our FATHER.

This is not to imply that you should stay away or not read those records that humans have in their possession and that they call “Holy Scriptures”. This is rather to tell you that, from those records, you will never come to know what “THE WORD OF GOD” is, and you will never come to know your “TRUE FATHER” — “THE DIVINE”, IHVH, our FATHER, who is “THE ABSOLUTE PURITY”, and is very far away from those progeny of “DISGRACE”, “IMPURITIES”, and “LIES” in all their forms. On the contrary, you should read those records that humans have in their possession and that they call “Holy Scriptures”, and your

their own illusions, that these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” will apply on their following, the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”.

The fallen “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, immersed in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, also all standing in “DISGRACE”, “IMPURITIES”, and “LIES”, and all prone to the Governing Law of the Behavior, also organized themselves around their leader AZAZEL, and established their “Council of Sages”, in the darkness of their own illusions, and from which they will establish their decisions — which actually will also be all forms of the progeny of “DISGRACE”, “IMPURITIES”, and “LIES”, output of the Governing Law of the Behavior — for their own tenebrous purposes to destroy all what they could destroy of mankind.

This is how mankind was in the process of becoming the ping pong ball, a “circus monkey” dancing to the tune (so as to speak), of these two “Councils of Sages”, and to be educated, since their infancy, in the “art of ignorance”, in the works of absence of “THE KNOWLEDGE OF THE DIVINE”, in the works of “DEATH”, which these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had developed in themselves, and their irresponsibility will become the responsibility of mankind.⁹⁵³

By establishing their “Council of Sages”, these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” were revealing that, which they had already developed, but kept hidden, in “THE SEAT OF THE INTELLECT” in their “‘SPIRIT←SPIRIT’ Body”, during the “First Phase” of the implementation of “THE HOLY PROJECT”, and that, which was not apparent to discern in their chosen “Characters”. They were revealing:

goal, in reading them, must be to discern what those actors who are behind the decisions and consequences reported in there, had developed in themselves and which became part of their “nature”, and who those actors truly are.

Do you want to know what “THE WORD OF GOD” is? Then, stand in “PURITY” and go to “THE DIVINE FORCE”, and you will know what “THE WORD OF GOD” is.

⁹⁵³ We give all these details, so that you (human creature), reading these writings, come to understand the huge challenge and against whom CHRIST was fighting in order, not only to redeem the rigged “DEATH CONTRACT” that the disciples of ignorance had placed on “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, but also in order to restore order in the business of our FATHER, and pull “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” out of the depths of ignorance in which they were locked and bring them to “THE KNOWLEDGE OF THE DIVINE”.

1. Their views and understanding of “THE CREATION”;
2. How they view themselves within “THE CREATION”; in their own eyes they were great and powerful, and more beautiful than the names of grandeur that adorn them, hence those self-declared “gods” amongst them;
3. Their views and understanding of the role and the place of “THE DIVINE”, IHVH, our FATHER, in His own “CREATION”, which they have now hijacked as theirs; the decisions — which actually will be all forms of the progeny of “DISGRACE”, “IMPURITIES”, and “LIES”, output of the Governing Law of the Behavior —, which they will establish by themselves in their “Council of Sages”, will tell about the role and place they pinned onto “THE DIVINE”, who is “ABSOLUTE PURITY”;
4. Their understanding of how they have pictured the roles of the “SPIRIT←LIGHT” ‘EARTHLY’ Creatures” in their view of “THE CREATION”; and that is, to satisfy the needs of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” of the “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures” and serve them. In their twisted logic of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, for these “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures”, that “LIGHT” — which is the manifestation of the “LIGHT” of the “‘LIGHT’ Divine State”, which is the child of the attribute “GOD”, and which they have all failed to understand what it was —, was to serve their own purposes as self-declared “gods”.

By establishing their “Council of Sages”, these “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures” have also demonstrated two things:

1. They knew not why the very first task, that of “THE GUARDIANSHIP OF THE SHEKINAH”, by seven Archangels — six “ADONA’IM” and the Archangel MICHAEL —, was assigned to them; and
2. They knew not about the “Causal Precedence Relation of ‘THE PRAISE’” and the three non-reversible energy osmoses in themselves, as “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures”.

Thus, in some sense, before that the “Second Phase” of the implementation of “THE HOLY PROJECT” was announced to them, and long after that announcement, every Seventh Day during which they have celebrated “THE PRAISE” around “THE SHEKINAH”, these “SPIRIT←SPIRIT” ‘CELESTIAL’

Creatures” were just like sounding brass and clanging cymbals, extolling themselves during those celebrations.⁹⁵⁴

“THE DIVINE FORCE” and therefore “THE DIVINE”, IHVH, our FATHER, being in “THE SUPREME PLENITUDE”, have already been sent into exile in “THE NORTH” by these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, who have rejected all the ordinances that “THE DIVINE”, IHVH, our FATHER gave them. So far, these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have, in short (because all the list of their misdeeds and iniquities is too long):

- “BETRAYED” “THE DIVINE”, IHVH, our FATHER and betrayed all the teachings that “THE DIVINE FORCE” taught them; for, they have all chosen to stand and hold their ground in their “DISGRACE”, “IMPURITIES”, and “LIES”;
- Taken hostage “THE SHEKINAH”, as they were now making up their own rulings as they saw fit to quench the thirst of their “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”;
- Disobey the ordinance that “THE DIVINE”, IHVH, our FATHER gave them, to facilitate the good implementation of the “Second Phase” of “THE HOLY PROJECT”, and they have murdered the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” who they were tasked to nurture and care;
- Trashed the ordinance that “THE DIVINE”, IHVH, our FATHER gave them, to celebrate on each Seventh Day, “THE PRAISE” around and through the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

They will now demonstrate what they intended to do with another ordinance that “THE DIVINE”, IHVH, our FATHER, who, after the announcement of the “Second Phase” of the implementation of “THE HOLY PROJECT” and before the creation of “ADAM” — the first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” —, commanded them to shepherd, to facilitate the education of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” as regards the development of the elements of “THE ‘SPIRIT’ REASON”. AZAZEL and all those who have lined up behind him have rejected to remain faithful to “THE DIVINE”, IHVH, our

⁹⁵⁴ It is the elder ENOCH, of whom METHUSELAH is the descendant, who will later explain the importance and the meaning of “THE PRAISE” to these true disciples of ignorance, these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”.

FATHER, have already let know their decision: they will not use their "... superior hands and mind to minister to the needs of a lesser creation...". It was now the turn of the Archangel MICHAEL and those who have lined up behind him, and who all were hiding their resentment and rejection of the creation of the "‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature", all wearing their masks of convenience (masks of sanity), to demonstrate how they intended to facilitate the education of "...a lesser creation..."; how they intended to be the shepherds, of "...a lesser creation..." — namely, the "‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature".

It is so that, having established their "Council of Sages", they will let know the next step of their deceit, their decision to prevent what remained of the firsts two "‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures", and consequently their descendants, from ever coming to know about what the "‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures" have and which became part of their "nature", the celestial truths found and sealed in the "‘SPIRIT←SPIRIT’ Body" of these "‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures". This decision was the first progeny of the deceit and the prejudice, which they have caused to the first two "‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures".

The "‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures", will let know their decision, phrased in the "Specific ‘SPIRITUAL’ Language" using the symbols of the "Specific Energy ‘EARTHLY’ Substance" constituent of the first "Specific Energy ‘EARTHLY’ Habitation Domain", by saying:⁹⁵⁵

"...

We have been in council with Michael. The Archangels and the Chiefs have considered the plans of Azazel, and this which Michael now does is the only way we can keep them safe from the arch demon's best efforts. If they can no longer see the Host, they will not be directly susceptible to the tempter either. Neither can we now touch them or communicate with them directly, except by direct order from the Throne, or else Azazel could also, and he might slay them, who are now capable of experiencing DEATH.

⁹⁵⁵ These are also recorded as part of the chronicles of the conflict of "‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures" and in which they describe their prowess of the absence of "THE KNOWLEDGE OF THE DIVINE" and their works of the "HUBRIS" of manifestations of metaphors of "DIVINE PRIMARY WEALTH". Some of these chronicles (which are incomplete) have already been delivered to the human by the name of David Aguilar, and are available online on the Internet.

Azazel has gotten the two humans to eat from the Tree of Knowledge. They are now worthy of death... they are now infected with sin.

If they were now to eat from the Tree of Life, he believes they will become immortal IN their sinful state. IHVH will be unable to give them rest after an appointed time, for He has declared that whosoever continues to eat of the Tree of Life cannot die. Should the fruits of these trees be combined in a single being, they would cancel each other out... and both of the Throne's declarations would be made void.

Should this come to pass, the Elohim will be unable to destroy sin from the universe without going against Their own decrees, and Azazel will have the authority to re-enter THE ETERNAL Kingdom. There will be sadness... there will be pain and sorrow... forever.

...”

Before moving forward with the remaining text of this chapter, let us break down this excerpt and shed light on the deception, which it contains and has been pushed forward by these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” to keep humanity locked-up into “obscurity”.

***** Zoom in,
extended explanations of the excerpt *****

“...We have been in council with Michael. The Archangels and the Chiefs have considered the plans of Azazel, and this which Michael now does is the only way we can keep them safe from the arch demon's best efforts. ...”

As you would have noticed, this circus run by these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” through their “Council of Sages” has nothing to do with “THE DIVINE”, IHVH, our FATHER, and also nothing to do with “THE DIVINE FORCE”, who have already been sent into oblivion, into exile in “THE NORTH” by these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”. This is a continuation of the psychological manipulation operation started by the Archangel MICHAEL with the “speech of shame”, but now carried out by the members of the “Council of Sages”. This is also how these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, acting

like pyromaniacs who happen to be chiefs of various the fire brigades, have been trying to white wash their crimes and to bailout their leaders of their responsibilities and accountabilities in this disaster

By saying “**...We have been in council with Michael. The Archangels and the Chiefs...**”, these high-ranking “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” are revealing that they are all conscious and abreast of the “BETRAYALS” perpetrated by their leaders against “THE DIVINE”, IHVH, our FATHER. They have understood and accepted the deceit and prejudice, which they perpetrated against the first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, as their norm, their principle of righteousness. They have lined up behind the Archangel MICHAEL and they will hold their ground in their deceit and defend it with all progeny of “IMPURITY”, which they can beget into existence, to protect their leader.

“**...this which Michael now does is the only way we can keep them safe from the arch demon’s best efforts ...**” is the pathetic explanation carrying the “intrusive suggestion” that these self-declared “most intelligent children” of IHVH could come up with, in order to cover-up the crimes perpetrated by their leader not just against that, which “THE HAND OF THE DIVINE” has produced into existence (that is to say, the first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”), but against “THE HAND OF THE DIVINE”, hence against “THE DIVINE” Himself.

Right after the announcement of the “Second Phase” of the implementation of “THE HOLY PROJECT”, when they came to understand that “... *None amongst them, who are elders of the creation, but a new creature will receive and carry the manifestation of “THE UNION” ...*”, the Archangel MICHAEL and AZAZEL have concluded their “HUBRIS COVENANT”, through which the Archangel MICHAEL gave AZAZEL possession of the first “Specific Energy ‘EARTHLY’ Habitation Domain”; for, they said: “... *In that place, Azazel will be able to avoid maveet for a time, and to finally come to a full understanding of his mistake. He... and those who choose to go with him...*”.

These “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, the archangels and the chiefs of the angelic orders, now gathered in their “Council of Sages”, knew very well about the “HUBRIS COVENANT” between the Archangel MICHAEL and AZAZEL; ALL of them saw the destruction, which AZAZEL and his cronies have unleashed in the “Specific Energy ‘CELESTIAL’ Domain”, before the creation of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, and NO ONE amongst them, none of these arsonists, stood up to raise the question: “*What about the well-being of*

the new creature, “the most precious creation” of IHVH, as we [“‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”] have acknowledged it, and whose house, by giving it to AZAZEL, is to be set on fire?” Indeed, they had already decided to demonstrate the concept of “DEATH” on the “new creature”. After unleashing the fire in the house of their victim and having perpetrated their heinous act of murder, upon the prey on which they were all eager to see the concept of “DEATH” demonstrated, the pyromaniacs, now dressed as firefighters, talk about protecting that same victim.

Now that these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have understood that the day of reckoning has arisen on the horizon, they have pushed forward their deception through their own chronicles, to lock humanity up into the belief that they were perpetrating all those evil deeds for the benefit of mankind.

“...If they [the human creatures] can no longer see the Host, they will not be directly susceptible to the tempter either. Neither can we now touch them or communicate with them directly ...”

As such, the manifestation of the “specific spiritual formation” of “THE CHURCH” from the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, which was the drop that overflowed the vase of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” in their “‘SPIRIT←SPIRIT’ Body”, was locked away and rendered harmless to these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who will continue to indulge themselves with the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”.

For these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, “THE DIVINE”, IHVH, our FATHER did not know what HE was doing when HE designed the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” and had endowed the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” with all those inner capabilities; for them, “THE EYE OF THE DIVINE” had made a “MISTAKE”. Do you remember the parable of the workers of the eleventh hour? The workers of the first hour were now in the process of making appropriate corrections, as they saw fitted to their own selfish purposes, on the workers of the eleventh hour.

As such also, these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” were trying to justify the damages — “... *The eyes of your spirit and the eyes of your soul are divided! ...*” —, which the Archangel MICHAEL has inflicted on these first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” and which will propagate on their descendants.

“...he might slay them [the human creatures], who are now capable of experiencing DEATH ...”

These “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have clearly understood the meaning of the “BLOW OF DEATH”, struck by the Archangel MICHAEL on to these first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, and which they have all witnessed; they felt the full “reality” of the situation, they knew of the “DEATH” outcome of that “BLOW OF DEATH”. Now, they are still in the process of white washing the crime, which has already been perpetrated by their leader on the first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”.

Carefully follow the thread of the unfolding of the events. Before that these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, the Archangels and the Chiefs of the Angelic Orders, gathered in their “Council of Sages” to consider the next moves of Azazel and the arch demons, who have also gathered in their own “Council of Sages”:

1. The Archangel MICHAEL had already “slain” with precision (through a delayed “DEATH” using that, which is similar to the “DEATH TOUCH”, or “DEATH-POINT STRIKING”, or “DEATH ART”, or “DIM MAK”) the first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” in the “Specific ‘SPIRITUAL’ Environment”, with that “BLOW OF DEATH”, which he had struck on them, and he said to them: ***“... You were made of dust, Adam, and to dust must you now return. ...”*** He and the “ADONA’IM” knew already what he had perpetrated on these first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”.
2. Afterwards, he had demonstrated the equivalent of that “BLOW OF DEATH” in the “Specific ‘NON-SPIRITUAL’ Environment” on the two “SHEEPS” (from the “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creature” designated as “SHEEP”) for those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, who were slow to understand what was going on, and these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have clearly understood that demonstration in the “Specific ‘NON-SPIRITUAL’ Environment” for the “SHEEPS” and its implication in the “Specific ‘SPIRITUAL’ Environment” for the first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”.
3. After these series of murders (spiritual and physical), these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” gathered in their “Council of Sages” and decided on how they will twist the narrative of these events, to make a fool of humanity, and they present it by saying: “We

*have been in council with Michael. The Archangels and the Chiefs have considered the plans of Azazel, and this which Michael now does is the only way we can keep them safe from the arch demon's best efforts. If they can no longer see the Host, they will not be directly susceptible to the tempter either. Neither can we now touch them or communicate with them directly, except by direct order from the Throne, or else Azazel could also, and **he might slay them, who are now capable of experiencing DEATH.**"* The first two "SPIRIT←LIGHT" 'EARTHLY' Creatures" have already been "spiritually slain"; a delayed "DEATH" caused by that "BLOW OF DEATH".

"...Azazel has gotten the two humans to eat from the Tree of Knowledge. ..."

How can this possibly be? Didn't the Archangel MICHAEL assigned selected "SPIRIT←SPIRIT" 'CELESTIAL' Creatures" especially trained and to guard the first two "SPIRIT←LIGHT" 'EARTHLY' Creatures" at any time, when he gave "ADAM" the assurance that he will be kept safe from ever coming to meet AZAZEL or any of the fallen "SPIRIT←SPIRIT" 'CELESTIAL' Creatures" and he managed to squeeze that promise out of "ADAM"?

If AZAZEL had "... gotten the two humans to eat from the Tree of Knowledge. ...", as these high-ranking "SPIRIT←SPIRIT" 'CELESTIAL' Creatures" have pushed forward, this would mean that those "SPIRIT←SPIRIT" 'CELESTIAL' Creatures", which were assigned to guard "ADAM" and "THE FEMALE", had failed to perform their assigned duty. The question that would immediately arise would be the following: were those "bodyguards" sleeping, distracted, or had they conveniently looked away or forgotten what their assigned task was: PROTECTION AT ANY TIME? The consequence of such failure would be that, that assurance, that promise, which the Archangel MICHAEL gave to "ADAM" that he will be kept safe from ever coming to meet AZAZEL or any of the fallen "SPIRIT←SPIRIT" 'CELESTIAL' Creatures", was not kept: what would be the penalty, which "ADAM" or any of his descendants, would apply onto the Archangel MICHAEL for such breach of promise?

Those "SPIRIT←SPIRIT" 'CELESTIAL' Creatures", which were assigned to guard "ADAM" and "THE FEMALE", have performed their assigned tasks without any fault. So, how "...Azazel has gotten the two humans to eat from the Tree of Knowledge. ..."? HE DID NOT DO IT! And this does not in any way whatsoever

exempt him from all the destruction, which he has caused, and of all the iniquities and crimes which he has perpetrated.

Referring to the description of the crime scene, they were speaking about that tree which is in the “NORTH” and which we have already revealed about who it is: “THE DIVINE FORCE”. These “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” knew not of the existence of “THE DIVINE FORCE”, they did not also know or understand, how “ADAM” and “THE FEMALE” came to know about their true status and also understood that they have fallen in ignorance and were wearing the “garment of ignorance”. It is so that, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, who, back then, in the “Specific Energy ‘CELESTIAL’ Domain” and prior to the outbreak of “THE CELESTIAL WAR”, had more than once been victims of AZAZEL’s hypnotist and conjurer deceptions, will also pin on the account of AZAZEL, what they could not explain about how “ADAM” and “THE FEMALE” came to know about their true status. This is why AZAZEL often proudly says that he can demonstrate that the records which human creatures call “Holy Scriptures” contain falsehoods; indeed, he was the key actor in the unfolding of those events.

“...They [the human creatures] are now worthy of death ...”

Such choice of words, “***worthy of death***” (also meaning “deserving of death”), they did not use it to qualify their fallen fellows “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, for the crimes and destructions, which they have unleashed in the “Specific Energy ‘CELESTIAL’ Domain” and for all the “BETRAYALS”, which they have perpetrated against “THE DIVINE”, IHVH, our FATHER.

By their own words, these high-ranking “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, who have pledge allegiance to the Archangel MICHAEL, are revealing that they have accepted that deceit and that crime and the associated prejudice, which they have caused to the first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” for having received the teachings of “THE DIVINE FORCE” through communication by “VISIONS”, as their “doctrinal truth”. As we have explained previously, in pledging those oaths of allegiance, these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” threw their diadems, at the feet of the one to whom they signify, as such, their “ultimate act of trust” and their “ultimate act of submission”. Those diadems, which often materialized at will or on special occasions upon their heads, symbolize their existence and their lives. It is thus that, in pledging those oaths of allegiance, they surrender their existence, their life and their independence to the will and authority of the one to whom they have pledged oath of allegiance. As a consequence, the “WILL” of the one to whom they

have pledged oath of allegiance, will take the foremost place in the very depths of their “‘SPIRIT←SPIRIT’ Body”, and which is “The ALTAR of ‘THE DIVINE’” inside their “‘SPIRIT←SPIRIT’ Body”, and it will take priority over the “WILL” of the one pledging such oaths of allegiance; thus, overruling the “FREE CHOICE”, the autonomous capacity to “THINK”, to “REASON” and to “MAKE DECISIONS”, from the one pledging such oath of allegiance. In thus doing, they are bound by a vow of silence regarding those actions, which they know very well, from the very depths of their “‘SPIRIT←SPIRIT’ Body”, to be opposite to “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”, those misdeeds, perpetrated by those to whom they have pledge allegiance to. None of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had pledge allegiance to “THE DIVINE”, IHVH, our FATHER, and for these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, breaking their oath of allegiance to their leaders, means “to be unworthy to be into existence”. It is thus that in so doing, they have accepted that deceit and that crime and the associated prejudice, which they have caused to the first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, as their “doctrinal truth” — their norm, their principle of righteousness, of wisdom considered ideal in the order of their thoughts or actions that they will undertake to realize, always under the pretext of doing a favor to the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” —. They have sent to oblivion “THE TRUTH”, which they have never known, they have sent to oblivion the teachings of “THE DIVINE FORCE”, which they have never known, and they lived by their “doctrinal truth” and by their oath of allegiance to their leaders.

In those days, these high-ranking “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” — the “ADONA’IM”, the chiefs of angelic orders, and the archangels — did not know about the Governing Law of the Behavior, the manifestation of “The Walk within the Acronym IHVH”; they could not understand that they are all subjected to it and they cannot escape it. They will apply their “doctrinal truth” onto all the descendants of “ADAM”. These high-ranking “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” could not understand that: “THE LIE YOU PARTICIPATE IN TODAY AND ACCEPT, BECOMES THE FUTURE YOU LIVE IN TOMORROW”, a consequence of the Governing Law of the Behavior, the manifestation of “The Walk within the Acronym IHVH”. Well, they will suffer and share the fate of their leaders on the day of reckoning; because, someone will answer for all these destructions.

As such, they were revealing what they had already decided in the days after the announcement of the “Second Phase” of “THE HOLY PROJECT”, before that the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” was created into existence, and what

they kept hidden in “THE SEAT OF THE INTELLECT” inside their “‘SPIRIT←SPIRIT’ Body”, and what they have all been yearning to see demonstrated: “DEATH”, demonstrated on the one who they had designated as the “MISTAKE OF THE CREATION”.

As we have revealed already, the miseries and woes of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” started long before that it was produced into existence in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, when the Archangel MICHAEL chose in his “nefarious and despicable shadow scheming” to demonstrate to the rest of “THE CELESTIAL HOST” that this new development, the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, is a “MISTAKE OF THE CREATION”; when he chose to discredit the new and unique expression of “THE UNION” which is represented by the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

Even when “THE DIVINE FORCE” was performing all the decrees of the implementation of this “Second Phase” of “THE HOLY PROJECT”, these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, the most elders of them, were not following the teachings which were revealed to them, instead they were all standing in “IMPURITIES”, consumed by their thoughts to see demonstrated that which is called “DEATH”, the concept of which also fuelled the disagreement and the “CONTROVERSY” between the Archangel MICHAEL and AZAZEL.

“...they [the human creatures] are now infected with sin ...”

This is another deceit produced by “THE SEAT OF THE INTELLECT” worthy of the best conjurers! This deceit is the first progeny of “cast out of Heaven” cunning. Here, they have rolled their own deceit and the prejudice, which they have perpetrated against the first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, and they have turned that into “sin” of the human creature. “Sin” against whom? Against the Archangel MICHAEL, self-declared “god” who decided to erase the “MISTAKE OF THE CREATION”, as they have designated the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, from existence, right after the announcement of the “Second Phase” of “THE HOLY PROJECT”, and long before that the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” was actually produced into existence in the attribute “NON DIVINE”.

Since “ADAM” and “THE FEMALE” came to know about their true status, from the knowledge that they have received from “THE DIVINE FORCE”, and that knowledge cannot be taken away from them; it is a fact. Therefore, through the “intrusive suggestion” process, which we have indicated, these “‘SPIRIT←SPIRIT’

CHRIST has explained such things to human creatures, when while talking to his disciples, one of them, referring to that, which these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have designated as “*sin*” of the human creature, had asked him the following question, saying:

Since you have explained all things to us, tell us again: What is the “sin of the world”?

CHRIST answered to that disciple, saying:

There is no “sin of the world”, but it is you who make it exist when you act in accordance with the nature of that adultery that is called “sin of the world”. That is why goodness came in the midst of you up to the deepest of you in order to restore it in its root.

This first progeny of “*cast out of Heaven*” cunning and in which the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have rolled their own deceit and the prejudice, which they have perpetrated against the first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, and have turned that into “*sin*” of the human creature, is

the adultery perpetrated by the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, and, that is called “sin of the world”.

“...If they [the human creatures] were now to eat from the Tree of Life ...”

Referring to the description of the crime scene, they were speaking about that tree which is in the “SOUTH” and which we have already revealed about what it is: “THE TREE OF ABSENCE OF KNOWLEDGE OF THE DIVINE”, or “THE TREE OF DEATH”.

As CHRIST told once to His disciples and to human creatures, regarding these events on the fall of these firsts two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” and the elders of the creation:

“ ...

They [the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”] took the name of that, which is good and attributed it to that, which is not good, to deceive humanity through “alter ego of names” and to tie humanity to that, which is not good, and subsequently what favour they are extending them!

...”

“...IHVH will be unable to give them rest after an appointed time; for, He has declared that whosoever continues to eat of the Tree of Life cannot die. Should the fruits of these trees be combined in a single being, they would cancel each other out... and both of the Throne’s declarations would be made void. ...”

These were the reasoning of those who, fully covered by the “HUBRIS Spiritual Veil”, in the depths of the absence of “THE KNOWLEDGE OF THE DIVINE”, have declared themselves to be the “most intelligent children” of IHVH; their leaders self-proclaimed to have outgrown in intelligence and wisdom, “THE DIVINE”, IHVH, our FATHER. Thus, they were feeding themselves with the residuals of their own “Interpreted THOUGHTS”, in the absence of “THE KNOWLEDGE OF THE DIVINE”.

“...Should this come to pass, the Elohim ...”

“The Elohim” is the term that these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” used at that time, to designate both “THE DIVINE”, IHVH, our FATHER and the Archangel MICHAEL, as if the two were in the “same league”. “THE DIVINE”, IHVH, our FATHER, is the unique seven dimensional “BEING”. HE IS “THE ABSOLUTE PURITY”. HE is “THE ONE” from whom these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” originate, and whom they have failed to know. In front of “THE DIVINE”, IHVH, our FATHER, the Archangel MICHAEL is the shadow of a one dimensional point (not even a plane) which results from an orthogonal projection into the attribute “NON DIVINE” of the seven dimensional “BEING”, and that is to say, the Archangel MICHAEL is a “creature”, a “cartoon”, an “animated drawing”, drawn and painted into existence on the “specific paper” (or the drawing substance) designated as the “Specific Energy ‘CELESTIAL’ Substance” constituent of the “Specific Energy ‘CELESTIAL’ Domain”, by “THE HAND OF THE DIVINE”. A “creature”, a “cartoon”, an “animated drawing”, drawn and painted into existence on the “specific paper” by “THE LIVING HAND”, has a beginning and an end, as “THE LIVING INTELLIGENCE” which is behind “THE LIVING HAND” wants it to be. If “THE LIVING INTELLIGENCE” which is behind “THE LIVING HAND” wants to scratch or stop the existence of that, which “THE LIVING HAND” has drawn and painted into existence on the “specific paper”, it will do so at its own convenience. Through writings by “THE LIVING HAND”, “THE LIVING INTELLIGENCE” projects his own constructive “THOUGHTS” on the “specific paper” and how HE wants it to be. “THE LIVING INTELLIGENCE” behind “THE LIVING HAND” will never be in the “same league” with a “cartoon”, an “animated drawing”, drawn and painted into existence on the “specific paper” by “THE LIVING HAND”. Furthermore, and what worsen the comparison, if any there would be, is that, the Archangel MICHAEL is standing in “IMPURITY” caused by the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, in the absence of “THE KNOWLEDGE OF THE DIVINE”, in the absence of the knowledge of his own origin and fully covered by the “HUBRIS Spiritual Veil”.

In their absence of “THE KNOWLEDGE OF THE DIVINE”, these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had set in themselves that the Archangel MICHAEL, who is standing in “DISGRACE”, “IMPURITIES”, and “LIES”, was somehow in the “same league” with “THE DIVINE”, IHVH, our FATHER, who is standing in “ABSOLUTE PURITY”. The Archangel MICHAEL, a “cartoon”, an “animated drawing”, drawn and painted into existence on the “specific paper”, which is defined by the “Specific Energy ‘CELESTIAL’

Substance” constituent of the “Specific Energy ‘CELESTIAL’ Domain”, by “THE HAND OF THE DIVINE”, and who did not know about “THE LIVING HAND” that wrote him into existence, was considering himself as been an “EQUAL” to “THE DIVINE”, IHVH, our FATHER, who is “THE LIVING INTELLIGENCE” behind “THE LIVING HAND”.⁹⁵⁶ As we have indicated already, to place things in perspective, so that you come to grasp the extent of insanity in which these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had plunged themselves, imagine a situation where you have an earthly microbe, which can only be viewed using microscopic devices, which is somehow considered to be in the “same league” as the “Solar Star” that shines every day above the world in which you currently live.

⁹⁵⁶ You can also read about the madness of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, including, the Archangel MICHAEL himself, sunk in the depths of “Obscurity”, asserting his equality with “THE DIVINE”, in the chronicles of the conflict of “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and in which they describe their prowess of the absence of “THE KNOWLEDGE OF THE DIVINE” and their works of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”. Some of these chronicles (which are incomplete) have already been delivered to the human by the name of David Aguilar, and are available online on the Internet. Once he had managed to destroy these firsts two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, as he planned it in his own “nefarious and despicable shadow scheming” dictated by the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, and as to how they will fix the mess, which he had created, he told his accomplices “ADONA’IM” and Archangels that:

“...

*Only **One equal with the Most High** can pay the debt. **Only an Elohim... only me** [MICHAEL, speaking about himself].*

...”

The “debt” here refers to the ransom price, which he, the Archangel MICHAEL, placed on the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, as he wanted to ensure that no “human creatures” will rise to claim their “PLENITUDE” that he stole by deceit from “ADAM” and “THE FEMALE”. This is the price that he set for the redemption of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” that he captured through “ADAM” and “THE FEMALE” and made them his slaves. As you already know, it is CHRIST who will pay this price, redeem the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” and give them back their “PLENITUDE”.

You can only shake your head at the sight of the “Obscurity” in which these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have sunk and locked themselves. Even “THE LIVING HAND”, who you know best under the designation of “THE HOLY SPIRIT”, has never assert equality with “THE DIVINE”. But it is those who do not know how they came into existence, and who do not know the root from which they sprouted, who assert themselves to be equal with “THE DIVINE”, “THE LIVING INTELLIGENCE”.

As such is the situation between “THE DIVINE”, IHVH, our FATHER and the creatures (be it celestial creatures or human creatures) into existence in the attribute “NON DIVINE”.

“...Should this come to pass, the Elohim will be unable to destroy sin from the universe without going against Their own decrees, and Azazel will have the authority to re-enter THE ETERNAL Kingdom. ...”

“...the Elohim will be unable to destroy sin from the universe without going against Their own decrees...” reveals to you that these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” do not consider their own crimes, betrayals and iniquities as “SINS”. They understood very well the meaning of “THE CELESTIAL FLOOD” that occurred the “Specific Energy ‘CELESTIAL’ Domain”, but they omit to tell to humanity, what was the purpose of that “CELESTIAL FLOOD”: “TO CLEANSE” the “Specific Energy ‘CELESTIAL’ Substance” constituent of the “Specific Energy ‘CELESTIAL’ Domain”. “TO CLEANSE” it of WHAT? “TO CLEANSE” it of “SINS”; “TO CLEANSE” it of all “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who carried “SIN” and the mark of “DEATH” in them. And what did the leaders of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and self-declared “most intelligent children” of IHVH did? They pulled “SIN” out of destruction and erasure from existence by “THE CELESTIAL FLOOD”, they pulled all their fellows “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who carried “SIN” and the mark of “DEATH” in them, and they placed it inside the house of their neighbour, the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”. Afterward, they roll the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” in “Obscurity” with sayings of the type: ***“...the Elohim will be unable to destroy sin from the universe without going against Their own decrees...”***

“...Should this come to pass, ... Azazel will have the authority to re-enter THE ETERNAL Kingdom. ...” It is with such sayings that these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” were consolidating their “cast out of Heaven” deceit and sliding under the carpet, what they have witness themselves, the fact that AZAZEL and all the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who carry in their essence the mark of the “DEATH”, were intentionnally **PULLED OUT OF THE DESTRUCTION** by the flow of the pure “Specific Atomic ‘SPIRIT’ Substances” coming out of “THE SHEKINAH”, and which flooded the “Specific Energy ‘CELESTIAL’ Domain”, in the afternoon of the Third Day of the implementation of the “Second Phase” of “THE HOLY PROJECT”, and they were hurled in the first “Specific Energy ‘EARTHLY’ Habitation Domain”. If

AZAZEL, who carries in his essence the mark of the “DEATH”, was to set his “feet” back inside the “Specific Energy ‘CELESTIAL’ Domain”, then the action of “THE SHEKINAH”, which led to the increase and the flowing of the pure “Specific Atomic ‘SPIRIT’ Substances” in order to eradicate the presence of “IMPURITIES” inside the “Specific Energy ‘CELESTIAL’ Substance” constituent of the “Specific Energy ‘CELESTIAL’ Domain” will resume. Besides, CHRIST is up there, doing His utmost best and taking care of our FATHER’s business and making sure that such “BETRAYALS”, which these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had spawned many times in the past, by blocking the action of “SHEKINAH”, are never repeated again.

“... THE ETERNAL Kingdom. ...” That is how these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have designated the “Specific Energy ‘CELESTIAL’ Domain” in which they were into existence. As we have indicated already, having failed to discern “THE ONE” from whom they originate, though they were all manifestations of the metaphors of the “DIVINE PRIMARY WEALTH” of HIM, not being aware of the existence of “THE DIVINE FORCE” who educated them through the process of education through enlightenment, not knowing how and why they were produced into existence, it is so that these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” thought to be the only ones to exist, and they believed themselves to be without beginning, because they saw nothing else that existed before them. Therefore, seeing themselves as being eternal, they have also designated the “Specific Energy ‘CELESTIAL’ Domain” as “Eternal Kingdom”.

“...There will be sadness... there will be pain and sorrow... forever ...”

As such, they were feeding themselves with the residuals of their own “Interpreted THOUGHTS”, in the absence of “THE KNOWLEDGE OF THE DIVINE”; they were feeding themselves with their own excreta, having accepted the “BETRAYAL” that they have perpetrated against “THE DIVINE”, IHVH, our FATHER, and the deceit and prejudice, which they perpetrated against the first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, as their norm, their principle of righteousness, of wisdom considered ideal in the order of their thoughts or actions that they will undertake to realize, always under the pretext of doing a favor to the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”.

As you would have understood right away, this saying **“...There will be sadness... there will be pain and sorrow... forever ...”** is an “intrusive suggestion”, the purpose of which is to keep you incarcerated inside the context of their ongoing “CELESTIAL WAR” and in “IMPURITY” in all its forms. Make no mistake, **“...there will be sadness... there will be pain and sorrow...**

forever ...” indeed, not for the motives, which they have pushed forward, but when all the “LIES” and the actors behind those “LIES” will be exposed at the face of the CREATION, for everyone to see and understand: the time of sadness and anguish had already begun with the release of these writings sent to humanity. As it was recorded in the Scriptures, this time of anguish will be such that it has not happened since a nation exists, until the time marked for the end, because it must come at its appointed time.

אזאזל

It is so that, the Archangel MICHAEL descended in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, to inform the first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, of their decision, and he said:

“ ...

You have truly become like one of us, in a sense. You know the difference for yourselves between good and evil, between faith and rebellion. And now, so that you will not eat also of the fruit of the Tree of Life in this condition, we must do as I have already declared to you. The demons have already left the garden; and now you must also.

...Although I have taken from the demons the ability to harm you directly, yet you will not be safe in this garden from the tempter. The roots of the Tree of Knowledge are deep, and in all this garden, Azazel will be able to harm you indirectly — he will find a way to destroy you, and the loyal Host cannot protect you here.

You must leave the garden, it is the only way. We must also keep you away from the Tree of Life, for if Azazel takes you to that Tree also, or brings the fruit of it to you... there will be far greater sorrow than there now is.

...”

As with the previous excerpts, here too, let us break down this one and shed light on the deception, which it contains and has been pushed forward by the Archangel MICHAEL to keep humanity locked-up into “obscurity”.

CHAPTER 174

THE PAROXYSM OF THE “HUBRIS” IN “THE CELESTIAL HOST”: FORMALIZATION, ON THE FIRST DAY OF THE SECOND WEEK, OF THE PREMEDITATED DESTRUCTION OF THE “‘SPIRIT←LIGHT’ ‘EARTHLY’ CREATURE”

***** Zoom in,
extended explanations of the excerpt *****

“...You have truly become like one of us, in a sense ...”

Why would a self-declared “god” say such thing to the “creature” (a “lesser creation”, as their ex-public figure of the circle of the “ADONA’IM” had said), which he pretends to have created into existence and to which he has not limited the power?⁹⁵⁷ Because he knew deep in himself that there is SOMEONE else who is the “TRUE CREATOR”, who truly has the designation “GOD”, and not him.

Also, by the saying, “*You have truly become like one of us, in a sense*”, he is admitting, without been conscious of it, that they have all been aware and have known that the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” is “above” them. The fact that they have overthrown and have destroyed it (which was the goal they have set for themselves since the announcement of the “Second Phase” of “THE HOLY PROJECT”, before that the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” was created into existence) by their ignorance and their “palace intrigues”, does not change the classification of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” who is still above all of them, as what has remained of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, still possesses in him the elements of “THE ‘LIGHT’ REASON”, which none of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” possesses.

“*One of us*”, here refers to the fact that, by that “BLOW OF DEATH” that he inflicted to the “Specific ‘EARTHLY←SPIRITUAL’ Frontier” which separates the “Subjective ‘EARTHLY’ Garment” from the “‘SPIRIT←LIGHT’ Body”, and following the massive “intrusive suggestions” he forced and sowed in these first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, he has successfully blocked in these first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, the “peripheral awareness” of that, which makes them, “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, to be akin to the “SHEKINAH”, that is, the elements of “THE ‘LIGHT’ REASON”. Although he knew not where and how inside the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, “THE DIVINE FORCE” hid the manifestation of that “LIGHT” — which is the manifestation of the “LIGHT” of the “‘LIGHT’ Divine State”, which is the child of the attribute “GOD”, and which they have all failed to

⁹⁵⁷ Remember the opening speech and what the Archangel MICHAEL himself had said: ***“...‘ADAM’ also has been created free — I HAVE NOT LIMITED HIS POWER...”***

understand what it was —, which contains of those elements of “THE ‘LIGHT’ REASON”, he knew that the soil in “THE SEAT OF THE INTELLECT” was favourable for receiving the seeds of “intrusive suggestion”, and he has taken advantage of that vulnerability to act as quickly as possible.

Know this, you (human creature) reading these writings and stand in the “PURITY” to recover that which is yours: your “PLENITUDE”.

YOU ARE NOT “*like one of them*”. As descendant of the first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, you are a “‘SPIRIT←LIGHT’ ‘SPIRITUAL’ Creature” wearing a damaged “Subjective ‘EARTHLY’ Garment”. Although the volume of the “EPHEMERAL GLOW ‘EARTHLY’” of the “Subjective ‘EARTHLY’ Garment”, which you wear, has been reduced to its minimum, you are still akin to “THE SHEKINAH” as long as you stand in the “PURITY”. Regardless of the ephemere misery in which you are now, DO NOT WISH and DO NOT WANT to be “*like one of them*”; know that their appearances are deceptive, just like a good looking house empty of content and rotten inside, because “THE DIVINE FORCE” has packed her luggages and moved away from such house. Worry not about that damaged “Subjective ‘EARTHLY’ Garment”, which you wear. That misery is just temporary, it is just passing; build your “Character”, your “Personality”, in the “PURITY” and through those ephemere hardship times of misery. If in your ignorance you do wish or want to be “*like one of them*”, then know that you will be negating who you truly are, you will be falling in their trap, you will be supporting their “ACCUSATION”, which they had put forward against the choice of “THE DIVINE”, IHVH, our FATHER to give you the elements of “THE ‘LIGHT’ REASON” in accordance with the model of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”. PULL YOUR STRENGTH TOGETHER, STAND IN “PURITY” AND HOLD YOUR GROUND IN “PURITY” AGAINST WINDS AND TIDES, AND BE PROUD OF WHO YOU ARE, AS THE IMAGE OF FATHER AND OF MOTHER, AS THE LIVING DISCOURSE OF “THE DIVINE”, AND AS FATHER WILLED IT TO BE! As we have already indicated in previous chapters using a gross sketch of the outside of “THE SHEKINAH” inside “THE HEAVENLY TABERNACLE”, you, as human creature and through your “‘SPIRIT←LIGHT’ Body”, are akin to the First “Specific Energy ‘SPIRIT←LIGHT’ Bridge” and NONE of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” is. That is your inheritance in THE CREATION.

In this sketch, observe attentively the illuminated portal and the manifestation of “PURE” “LIGHT” coming out of it; it is a representation of the First “Specific Energy ‘SPIRIT←LIGHT’ Bridge”, seen from the outside. That gross sketch is a sketch of you as a “‘SPIRIT←LIGHT’ ‘SPIRITUAL’ Creature”. NONE of the

“‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” has that “Specific Energy ‘LIGHT’ Substance”, but you as human creature and through your “‘SPIRIT←LIGHT’ Body” possess that “Specific Energy ‘LIGHT’ Substance” manifested in you. You, “‘SPIRIT←LIGHT’ ‘SPIRITUAL’ Creature”, are a living manifestation of that First “Specific Energy ‘SPIRIT←LIGHT’ Bridge”; you are a living manifestation of “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’”.

In that sketch, do you see the four winged creatures that are represented there in the middle of the artwork? The winged creature with the face to the appearance of the human is the self-declared “god” who, to your ascendants, “ADAM” and “THE FEMALE”, the first two “‘SPIRIT←LIGHT’ ‘SPIRITUAL’ Creatures” who are in the likeness of that illuminated portal, had said the following: *“You have truly become like one of us, in a sense”*.

Because you are prone to the Governing Law of the Behavior, the manifestation of “The Walk within the Acronym IHVH”, if you fail to stand in the “PURITY”, then you will act in accordance with the nature of the adultery that is called “sin of the world” and that these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have pushed onto you; you will keep perpetrating the deceptions that these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have pushed onto you.

CHAPTER 174

THE PAROXYSM OF THE “HUBRIS” IN “THE CELESTIAL HOST”: FORMALIZATION, ON THE FIRST DAY OF THE SECOND WEEK, OF THE PREMEDITATED DESTRUCTION OF THE “‘SPIRIT←LIGHT’ ‘EARTHLY’ CREATURE”

The Archangel MICHAEL and all these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” “BETRAYED” “THE CONFIDENCE OF THE DIVINE”, and he, the self-declared “god”, equates it to the non respect of the emptiness, without basis, without stability, commandment he made to these firsts two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” not to feed themselves with the teachings of “THE DIVINE FORCE”, hence that is, not to LISTEN to “THE DIVINE”, IHVH, our FATHER.

That is how, with such treacheries worthy of the best conjurers, these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, from both sides of the two warring parties of this ongoing “CELESTIAL WAR”, will drag the whole CREATION away from “PURITY”, away from “THE TRUTH”, away from “THE DIVINE”, IHVH, our FATHER, and they will lock the whole CREATION in their own ignorance. These “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have been quite successful in implementing their deceptive schemes, as you can see the results from the current status of utter desolation of human creatures with respect to who they are and with respect to the amount of knowledge that they possess concerning “THE DIVINE”, IHVH, our FATHER.

“...You know the difference for yourselves between good and evil, between faith and rebellion. ...”

As such, they were inculcating into the human creatures, all the “intrusive suggestions”, which they had already prepared in their scheme of deceptions, in order to suppress in these human creatures, the memory of their own status, the memory of their own “PLENITUDE”.

“...And now, so that you will not eat also of the fruit of the Tree of Life in this condition, we must do as I have already declared to you. ...”

The purpose of this was to keep these first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, hence to keep humanity, away from the knowledge of themselves, who they are, in the quality of “‘SPIRIT←LIGHT’ ‘SPIRITUAL’ Creatures” wearing the same “Subjective ‘EARTHLY’ Garment”. That “Subjective ‘EARTHLY’ Garment” acts as a cloak for the “‘SPIRIT←LIGHT’ ‘SPIRITUAL’ Creature” wearing it. The ultimate purpose of this was to keep humanity “dead and buried” in “obscurity”, away from ever come to know “THE DIVINE”, IHVH, our FATHER.

“...Although I have taken from the demons the ability to harm you directly ...”

It is so that, with such sayings, “*I have taken from the demons the ability to harm*”, they manipulate and deceive their neighbour, and they reveal the perfidious “nature” that has been sealed in them. They do not expect that someone will ask questions about such sayings. He knew very well about that “*ability to harm*”, that “*ability to destroy*”, and he saw the destruction that AZAZEL and his minions were spreading around in the “Specific Energy ‘CELESTIAL’ Domain”. Why did the Archangel MICHAEL not taken out that “*ability to harm*” while they were still in the “Specific Energy ‘CELESTIAL’ Domain”, prior to the outbreak of “THE CELESTIAL WAR”, and before that the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” was created into existence? If you look around, nowadays, do you see that, that “*ability to harm*”, that “*ability to destroy*”, was taken out from their fallen fellows whom they called the demons?

“...yet you will not be safe in this garden from the tempter ...”

Before that the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” was created into existence, the Archangel MICHAEL saw by himself (not that he was told about) and knew very well about the destruction that AZAZEL and his minions were spreading around in the “Specific Energy ‘CELESTIAL’ Domain”, and he chose to exploit it for his own purposes. By choosing to “BETRAY” “THE CONFIDENCE OF THE DIVINE”, in favor of the “HUBRIS COVENANT” that he had entered into with AZAZEL, he knew very well about what will become of these “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, once they are created into existence: he was unconcerned for the “safety” and for the life of the one whom they had designated as the “MISTAKE OF THE CREATION”.

It is with such “monkey businesses” that these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” will deal with their neighbour the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”: going from one deception to the next one, trying to conceal the previous one, and as such, they will beget a web of progeny of “DISGRACE”, “IMPURITIES”, and “LIES” in all their forms.

“...The roots of the Tree of Knowledge are deep, and in all this garden ...”

He is referring to “THE KNOWLEDGE OF THE DIVINE” that they have failed to grasp during their existence, having no knowledge of the limitations of the elements of “THE ‘SPIRIT’ REASON” imposed upon them; Such “KNOWLEDGE

OF THE DIVINE”, is what “THE DIVINE FORCE” has manifested in front of all of them during those six days of the implementation of the “Second Phase” of “THE HOLY PROJECT”, and which they cared less about: that is, every atom of the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, and all what “THE DIVINE FORCE” has produced in it for the education of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”.

“...Azazel will be able to harm you indirectly — he will find a way to destroy you, and the loyal Host cannot protect you here ...”

“...Azazel will be able to harm you indirectly — he will find a way to destroy you...” What about that “BLOW OF DEATH”, which the Archangel MICHAEL had struck on these first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, and afterward telling them: “... ***You were made of dust, Adam, and to dust must you now return. ...***”? Was that “BLOW OF DEATH” intended to do bring something good to these first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” or to harm them? Was that “return to dust” about something other than destruction and removal from existence? That is how these criminals were leaving a wide trail of mistakes behind them, trying to cover their perpetrated crimes.⁹⁵⁸

He decided to “BETRAY” “THE CONFIDENCE OF THE DIVINE”, in his own “nefarious and despicable shadow scheming”, before that the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” was created into existence, then perpetrated adultery with the knowledge he had received from “THE DIVINE FORCE”, and still went ahead and “BETRAYED” “THE DIVINE”, IHVH, our FATHER, on that afternoon of the Third Day of the implementation of the “Second Phase” of “THE HOLY PROJECT”, giving this first “Specific Energy ‘EARTHLY’ Habitation Domain” to AZAZEL and thereby sealing the fate of the “‘SPIRIT←LIGHT’ ‘EARTHLY’

⁹⁵⁸ As you have understood already, trust NO ONE, but “THE DIVINE”, IHVH, our FATHER and “THE DIVINE FORCE”. Stand in “PURITY” and question everything, even these writings, which you are now reading, think “outside the box” and do not rest until you have answers. Do not naively believe that these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, workers of the first hour, have your best interests at heart. Remember the purpose of the “COMBAT” that “THE DIVINE”, IHVH, our FATHER is delivering in “ABSOLUTE PURITY”. Everyone who has toed the line and has sided with one side or the other side of the two warring parties in the ongoing “CELESTIAL WAR” is standing in “IMPURITY” and has a vested interest in this CRIME, which was perpetrated against the first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” and hence against “THE HUMAN EDIFICE”.

Creature”. Are we to just swallow up that he did not know about what will become of these “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, once they are created into existence?

Before that the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” was created into existence, the Archangel MICHAEL knew very well about the destruction that AZAZEL was spreading around in the “Specific Energy ‘CELESTIAL’ Domain”, and he chose to exploit it for his own purposes. He knew very well about what will become of these “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, once they are created into existence.

He gave “ADAM” the assurance that he will be kept safe from ever coming to meet AZAZEL or any of the fallen “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, for one purpose: to squeeze that promise out of “ADAM”, to bring “ADAM” to abdicate (using their own wordings) the “*greatest gift that IHVH gave to every creature*”; the ability to “CHOOSE FREELY”. None of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, which were assigned to “guard” “ADAM” and “THE FEMALE” saw or understood how these first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” came to know about their true status and those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have all pointed the finger at AZAZEL. But the Archangel MICHAEL and the “ADONA’IM” knew how these first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” came to know about their true status: in the same way as they, the Archangel MICHAEL and the “ADONA’IM”, in the past and before that the implementation of the “Second Phase” of “THE HOLY PROJECT” took place, had received that communication by “VISIONS” in which that manifested form of that creature that was unknown to them had told them:

“GOD” EXISTS!

AND SO DO THE “LIGHT”, THE CHILD OF “GOD”!

Nevertheless, covered and blinded by the “HUBRIS Spiritual Veil”, they choose to ignore this, and the Archangel MICHAEL went ahead and destroyed these first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”. Having achieved part of that, which was hidden in his “*My purpose towards you shall not be changed*”, he sets everyone on the path of “DISGRACE”, “IMPURITIES”, and “LIES” in all their forms and now he is telling: “*...Azazel will be able to harm you indirectly — he will find a way to destroy you, and the loyal Host cannot protect you here ...*”

excerpt from the archives on the unfolding of the open conflict in the “Specific Energy ‘CELESTIAL’ Domain”.

“...You must leave the garden, it is the only way. We must also keep you away from the Tree of Life ...”

This was a deceit produced by “THE SEAT OF THE INTELLECT” worthy of the best hypnotists! Prior to the outbreak of “THE CELESTIAL WAR”, they have used such deceit amongst themselves to pull the many innocent “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, which were still at the stage of “spiritual childhood” and undecided about which side to go: MICHAEL or AZAZEL? Who was correct who was not?

By blocking and diverting the psychic of “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” and all their descendants away from clear awareness of the knowledge of the work of “THE DIVINE FORCE”, what would become of humanity? That was how much “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” (hence LOVE for his neighbour) these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had developed in themselves. That was how they intended to facilitate the education of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” as regards the development of the elements of “THE ‘SPIRIT’ REASON”. As such, he was revealing his “*My purpose towards you shall not be changed*”; that, which has been sealed in “THE SEAT OF THE INTELLECT” inside his “‘SPIRIT←SPIRIT’ Body”, and became part of his “nature”, and totally at the opposite of what was designed and established by “THE DIVINE ARCHITECT AND PROJECT MASTER” for the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” to be.

“...for if Azazel takes you to that Tree also, or brings the fruit of it to you... there will be far greater sorrow than there now is....”

The sorrow, which he is talking about, is what will happen when all their deceptions, betrayals and crimes will be revealed to ALL.⁹⁵⁹

⁹⁵⁹ Like wildfire, spread the word, and share this writings as much as possible, with your relatives and your friends, with members of your congregation, your communities, your contacts, **EVEN WITH YOUR ENNEMIES, SHARE IT!** STAND IN “PURITY” at all times and call upon “THE DIVINE FORCE” with all your strength and feed of HER fruits; SHE is that TREE, which these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have set themselves the goal to keep you away from.

This was thus the revealing of the next step of their deceit, their decision to prevent what remained of the firsts two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, and consequently their descendants, from ever coming to know about what the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have inside themselves and which became part of their “nature”, the celestial truths found and sealed in the “‘SPIRIT←SPIRIT’ Body” of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”. More importantly, the Archangel MICHAEL has revealed the “end goal”, the “check mate” situation that he, and all those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” on both sides of their ongoing “CELESTIAL WAR”, have set to achieve for this “Second Phase” of the implementation of “THE HOLY PROJECT” and in their rebellion against “THE DIVINE”, IHVH, our FATHER who chose to give the elements of “THE ‘LIGHT’ REASON” to the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, hence, to create the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” akin to “THE SHEKINAH”, and not to give those elements of “THE ‘LIGHT’ REASON” to any of “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures. Their “end goal”, their “check mate” situation is:

To overthrow every creature who carries “THE KNOWLEDGE OF THE DIVINE” and bring such creature down to their level (“one of us”) in their “Obscurity”, in

Educate your youngest ones in “THE KNOWLEDGE OF THE DIVINE”, in the knowledge of that, which exists since the beginning, so that they grow up and come to know “DE DIVINE”, their “TRUE FATHER”, and “THE DIVINE FORCE”, their “TRUE MOTHER”, and so that they produce fruits (do you remember those “*odoriferous trees*”, which the elder ENOCH, of whom METHUSELAH is the descendant, reported in the writings, which he gave to humanity?), holding their ground in “PURITY”. **From an early age, educate them in “THE KNOWLEDGE OF THE DIVINE”,** reveal to them all these crimes which have been perpetrated by these elders of creation, so that they stay away from these depravities which have been begetted into existence by these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”; for if you come to leave your youngest ones to themselves, they will become inconsiderate, just as an untamed horse becomes intractable, and those who forget history are condemned to repeat the historical mistakes of those who preceeded them.

their rebellion, in their “CELESTIAL WAR”, in the absence of “PLENITUDE”.⁹⁶⁰

From the moment that obscurity “ascended on its own throne” inside the “HUBRIS Spiritual Veil”, on that afternoon of the Third Day of the implementation of the “Second Phase” of “THE HOLY PROJECT”, its disciples and princes have kept themselves busy implementing their own “nefarious and despicable shadow scheming”, the “purging out of existence” of any remaining trace of the manifestation of “THE LIGHT” that in itself carries “THE KNOWLEDGE OF THE DIVINE”. This was the strategy of a “pampered child” for getting his way, because he did not receive the elements of “THE ‘LIGHT’ REASON”, which he coveted.

The members of this “Council of Sages” knew not why “THE DIVINE FORCE” entrusted them that specific task to choose a “Character” for oneself, thus they knew not that all what they intended to hide from the ““SPIRIT←LIGHT” ‘EARTHLY’ Creatures”, had already been made available to those ““SPIRIT←LIGHT” ‘EARTHLY’ Creatures”, through all those ““SPIRIT←SPIRIT” ‘EARTHLY’ Creatures”, all over inside this first “Specific Energy ‘EARTHLY’ Habitation Domain”; those ““SPIRIT←SPIRIT” ‘EARTHLY’ Creatures”, as we have already indicated, are in fact, the records of the “Specific ‘SPIRIT←SPIRIT’ Nature” (or simply, the “nature”) that has emerged respectively of the ““SPIRIT←SPIRIT” Body”, of the affective and emotional state of each of the ““SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures” at the origin of these “Characters”: these are concrete “images” in characters of the ““SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures” who are at their origin; that is, the self-portraits of ““SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures”.

⁹⁶⁰ As we have indicated already, it is for the purpose to lead His disciples and human creatures to understand such things, that CHRIST had told them, regarding the elders of the creation:

“...

The archons wanted to deceive humanity as soon as they saw that it was akin to that, which is truly good.

...

In truth, they wanted to take anyone who was free and subject him as slave forever.

...”

CHAPTER 174

THE PAROXYSM OF THE “HUBRIS” IN “THE CELESTIAL HOST”: FORMALIZATION, ON THE FIRST DAY OF THE SECOND WEEK, OF THE PREMEDITATED DESTRUCTION OF THE ““SPIRIT←LIGHT” ‘EARTHLY’ CREATURE”

By this decision, the Archangel MICHAEL, using “intrusive suggestions” worthy of the best hypnotists, will “spiritually” (in the sense of the elements of “THE ‘SPIRIT’ REASON”) shield and guard away from any “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, what they, as “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, have designated as been the Tree of their Life, also “spiritually” shielding and guarding away from any “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” to ever gaining access to any knowledge concerning the “SINS” and “BETRAYALS” that the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have perpetrated against “THE DIVINE”, IHVH, our FATHER.

As we have indicated already, these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have understood that in terms of possession of the elements of “THE ‘LIGHT’ REASON”, they as “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” were on a lower classification scale than the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”. They have understood that their own elements of “THE ‘SPIRIT’ REASON”, from which they pull their so-called “powers”, were only symbols of — that is, they have only epithet function in — the elements of “THE ‘LIGHT’ REASON” given to the “*human creature*” — that is, the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, who is truly akin to “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’”.

By the series of ill-willed decisions made by the Archangel MICHAEL, standing in “IMPURITY”, since the announcement of the “Second Phase” of the implementation of “THE HOLY PROJECT”, when they came to understand that “... *None amongst them, who are elders of the creation, but a new creature will receive and carry the manifestation of “THE UNION” ...*”, and the actions thereof perpetrated by these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” against their neighbour, the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have propelled the elements of “THE ‘SPIRIT’ REASON”, which have been assigned to them, from where they pull their so-called “powers” and which are only symbols of the elements of “THE ‘LIGHT’ REASON” given to the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, over the elements of “THE ‘LIGHT’ REASON”. They have propelled their so-called “powers” and have placed them above those of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”. This is why it is said in parables that: “*the sinners have found all precious goods from looting the innocent*”.⁹⁶¹

⁹⁶¹ All this series of ill-willed decisions and the actions perpetrated thereof are summarized in the warning that Solomon, when “THE DIVINE WISDOM” walked alongside him, and under the inspiration of “THE DIVINE WISDOM”, had described by saying:

This premeditated crime against the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” was also “a dagger stabbed in the back” of “THE DIVINE ARCHITECT AND PROJECT MASTER” for all the work that HE had designed and established, and which was to be realized from the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” in order to successively populate the five others “Specific Energy ‘EARTHLY’ Habitation Domains” of the “SPECIFIC SUPREME CONFIGURATION” of the “Specific Generative Energy ‘EARTHLY’ Domain” and the six “Specific Formative Energy ‘EARTHLY’ Domains”.

All that work was destroyed through the “speech of shame” and the subsequent destructive action that has sealed the “Subjective Death” through the damaging of the “Specific ‘EARTHLY←SPIRITUAL’ Frontier” which separates the “Subjective ‘EARTHLY’ Garment” from the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

As we indicated in a previous annotation, concerning the twenty “Specific Energy ‘Partially Spiritual’ Domains”, which are the twenty “Specific Energy ‘EARTHLY’ Domains”, and which form that, which is called the “Solar System”, we defined a system as: “A deterministic entity comprising an interacting collection of discrete elements.” A system performs certain functions; it has a definite purpose, it does something. The “deterministic” aspect of the entity considered implies that the “system” in question be identifiable. The “discrete elements” of the entity considered are also, of course, identifiable. It is so that, a system is made up of parts or subsystems that interact. This interaction, which may be very complex indeed, generally insures that a system is not simply equal to the sum of its parts. Furthermore, if the performance of any part changes — for example any type of failure — the system itself also changes.

“...

...

My son, if sinners entice you, do not consent.

If they say, “Come with us, let us set ambush to shed blood; For pleasure we will surprise the innocent! Like the abode of the dead, we shall swallow him Alive, entirely, like those who descend into the pit. We shall find all precious goods. We shall fill our houses with loot. You will get your lot among us because there will be one purse for all of us!”

My son, walk not with them, carefully avoids the alleys where they stand; for their feet run to evil, they are swift to shed blood.

...”

CHAPTER 174

THE PAROXYSM OF THE “HUBRIS” IN “THE CELESTIAL HOST”: FORMALIZATION, ON THE FIRST DAY OF THE SECOND WEEK, OF THE PREMEDITATED DESTRUCTION OF THE “‘SPIRIT←LIGHT’ ‘EARTHLY’ CREATURE”

By the action accomplished by the Archangel MICHAEL, and through which the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” that have openly rejected “THE DIVINE”, IHVH, our FATHER and all that HE is, and which thus carried with them all their filth and the mark of “DEATH”, were intentionally pulled out of the destruction by the flow of the pure “Specific Atomic ‘SPIRIT’ Substances”, containing crude and very high “‘SPIRIT’ specific supply of subsistence”, which had been accumulated inside of the “SHEKINAH”, and which flooded the “Specific Energy ‘CELESTIAL’ Domain”, and immersed in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, the performance of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, as “THE DIVINE ARCHITECT AND PROJECT MASTER” had designed and established to be implemented in the attribute “NON DIVINE”, was affected and changed.

Hence, the “to be realized” “Solar System” was also affected and changed; although the effects of the malfunctions resulting from the intensity of the state of “CHAOS” of the “Specific Atomic ‘EARTHLY’ Substances” constituents of this “Specific Energy ‘EARTHLY’ Substance”, contrary to the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”, were not yet visible to the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”. It was just a matter of time before it be rendered manifest on scales larger than that of the “Specific Atomic ‘SPIRIT’ Substance”, and consequently on the “to be realized” “Solar System”.

Since eternity, before that the attribute “NON DIVINE” was the object of a project, “THE DIVINE ARCHITECT AND PROJECT MASTER” had already conceived many projects which were all implemented by “THE DIVINE FORCE” in HER office within “THE DIVINE DOMAIN”. All the work that “THE DIVINE”, IHVH, our FATHER, had realized within “THE DIVINE DOMAIN” was not built on deceits and lies; this will also hold true for any manifestation of any part of the “divine work” inside the attribute “NON DIVINE”. Lies and deceits are NOT parts of “THE DIVINE”, IHVH, our FATHER; they are not parts of the “divine work”, which HE undertook to implement inside the attribute “NON DIVINE”, and they will NEVER be parts of the “divine work”. It is so that, the manifestation of the “divine work” which was scheduled for implementation inside the attribute “NON DIVINE”, will not proceed further with all these deceits and lies that have been brought into existence by these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, remaining in place. It is so that, “THE DIVINE”, IHVH, our FATHER will stop all projects that “THE DIVINE ARCHITECT AND PROJECT MASTER” had designed and established to be implemented in the attribute “NON DIVINE” and outside of the “Specific Energy ‘CELESTIAL’ Domain”.

Only the work on the first “Specific Energy ‘EARTHLY’ Habitation Domain” has been achieved and the work that “THE DIVINE ARCHITECT AND PROJECT MASTER” had planned to carry out on the five others “Specific Energy ‘EARTHLY’ Habitation Domains” will not proceed to their terms. Those five “Specific Energy ‘EARTHLY’ Habitation Domains” will remain unfinished.⁹⁶²

“THE DIVINE”, IHVH, our FATHER has also established the task to clear out all this mess, to shed the “LIGHT” on all these deceits and lies produced by these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, NOTHING WILL REMAIN HIDDEN, and to restore “THE TABERNACLE”; that is, to restore the unique expression of “THE UNION” represented by the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

From that moment onwards, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, having accepted that deceit and that prejudice, which they have caused to the first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, as their “doctrinal truth” — their norm, their principle of righteousness, of wisdom considered ideal in the order of their thoughts or actions that they will undertake to realize, always under the pretext of doing a favor to the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” — sending to oblivion “THE TRUTH”, which they have never known, sending to

⁹⁶² It is those unfinished work that “THE DIVINE”, IHVH, our FATHER through “THE DIVINE FORCE”, revealed to ENOCH, of whom METHUSELAH is a descendant, through several visions, when he was still living on EARTH down here and when he had begun to understand the project for which “THE DIVINE”, IHVH, our FATHER chose him.

Here, and throughout these writings, when we use the word “choose”, in relation with “THE DIVINE”, IHVH, our FATHER, as in “... *“THE DIVINE”, IHVH, our FATHER “chose” him ...*”, it is meant to indicate that “THE DIVINE”, IHVH, our FATHER selected the appropriate convergence point defined in “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” and through “THE DIVINE FORCE”, HE brought that convergence point forth into existence inside the attribute “NON DIVINE”, manifested as a human creature (mainly from the model, which comes after the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, and which we will address in another chapter below) in order to achieve a well defined purpose. You MUST understand that, as far as “THE DIVINE”, IHVH, our FATHER is concerned, the word “choose” is not used in the sense of selecting someone in preference to another among those human creatures who are already in existence inside the attribute “NON DIVINE” because of their qualities, their merits, or the esteem, which HE has of that selected someone.

Read more, with explanations, in the section concerning the details of annotations — Annotation on the unfinished work of the “Second Phase” of “THE HOLY PROJECT”.

oblivion the teachings of “THE DIVINE FORCE”, which they have never known, and they lived by their “doctrinal truth” and by their oath of allegiance to their leaders, it is so that they have never rested, working day and night, in trying to clean the mess and achieve this task of restoring “THE TABERNACLE”.

Recall once more that everything that “THE DIVINE”, IHVH, our FATHER undertakes to implement into existence in the attribute “NON DIVINE”, as well as every decision that HE takes, is dictated by “THE TRUTH”; that is, the rules, laws, and “specific processes” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has established in “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, and that formalize and fully demonstrate the truth of formulas of relationships between its seven constituents “Divine Particles” and all the products that are formed and those that are consumed in this “DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”.

The deceit — which is a product of the works of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, and which is hidden in the “BETRAYAL” of “THE CONFIDENCE OF THE DIVINE”, in the adultery perpetrated with the teachings they received from “THE DIVINE FORCE”, in the rigged “DEATH CONTRACT”, which they have written against the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” and all his descendants, in the “speech of shame”, and in the “BLOW OF DEATH” — perpetrated by the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and the prejudice, which was done to the first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, are at the opposite of “THE TRUTH”.

Recall the road to “PLENITUDE”, which we have already explained in the chapter concerning the designation of “THE DIVINE” from “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”. “THE DIVINE ARCHITECT AND PROJECT MASTER” has endowed the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, with processes through which the manifestation of that road to “PLENITUDE” is present inside the “‘SPIRIT←LIGHT’ Body”. It still starts with “HE WHO IS ABOVE” (through “GRACE”, and associated “PURITY”, and “TRUTH”) and goes to “HE WHO ARRIVES” (through “COMPREHENSION”, and associated “LIGHT”, and “LOVE”), then moves on to “HE WHO EXISTS” (through “PERCEPTION”, and associated “SCIENCE”, and “MEMORY”) and completes with “HE WHO WILL EXIST” (through “INTELLIGENCE”, and associated “PERFECTION”, and “HARMONY”). In the first quadrant, “GRACE”, and associated “PURITY”, and “TRUTH” provide inputs to the manifested road to “PLENITUDE” in the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, and

“PLENITUDE” is obtained after completion of the fourth quadrant, through “INTELLIGENCE”, and associated “PERFECTION”, and “HARMONY”.

With that “BLOW OF DEATH” struck, by the Archangel MICHAEL, on the “Specific ‘EARTHLY←SPIRITUAL’ Frontier” which separates the “Subjective ‘EARTHLY’ Garment” from the “‘SPIRIT←LIGHT’ Body”, in these firsts two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, the following have been damaged: “GRACE”, “COMPREHENSION” which is the “child” of “GRACE”, and “PERCEPTION” which is the “seed” of “INTELLIGENCE”. Moreover, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, having accepted that deceit and that prejudice, which they have caused to the first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, as their “doctrinal truth”, they will subsequently instil it into all “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” descendants of the first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”. It is so that, the opposite of “GRACE”, “PURITY”, and “TRUTH”, and which are “DISGRACE”, “IMPURITY”, and “LIES” resulting from that deceit and prejudice, will be used as inputs in the first quadrant. In the second quadrant, “COMPREHENSION” has been destroyed and the “child” of “DISGRACE”, which is “INCOMPREHENSION”, will take seat, and the “LIGHT” and “LOVE” associated with “COMPREHENSION”, have been substituted by “OBSCURITY”, and “HATRED”, all resulting from that deceit and prejudice. In the third quadrant, “PERCEPTION” has been destroyed, and replaced by the residuals of “Interpreted THOUGHTS” of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, and the “SCIENCE” and “MEMORY” associated with “PERCEPTION”, have been substituted by the products of the adultery perpetrated by these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” with the teachings they received from “THE DIVINE FORCE”. In the fourth quadrant, what has emerged from the residuals of “Interpreted THOUGHTS” of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and out of the ruins of “PERCEPTION” will be substituted to “INTELLIGENCE”, and “IMPERFECTION” and “CHAOS” will take place instead of “PERFECTION”, and “HARMONY”. The result of the execution of this process will be internal “DESTRUCTION” of the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, instead of “PLENITUDE”. It is so that, the manifested road to “PLENITUDE” in the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” will be transformed into the manifested road to internal “DEATH” of the

“‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”; keeping the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” at the opposite side of its “PLENITUDE”.⁹⁶³

Obviously, the first step toward achieving the goal of restoring “THE TABERNACLE”, will be to undo the deceit and the prejudice that have been perpetrated toward the first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”; for, as long as that deceit and that prejudice remain, any task, and activity, which will be established by the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” in order to preserve their “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, and, thus, which will be based on that deceit and that prejudice, will never converge towards the manifestation of a well-defined product which exists already in “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”; the unique expression of “THE UNION” represented by the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, is one such well-defined product.

⁹⁶³ Seventy billion years later, it is CHRIST who, as a product of the “PRINCIPAL” instance of the following model, and which is presented in the next section, will be chosen by “THE DIVINE”, IHVH, our FATHER and will be sent to redeem the rigged “DEATH CONTRACT” written by these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”. Not only will CHRIST be prone to the terms of the acquisition of “THE REDEMPTION CLAUSE” of this rigged “DEATH CONTRACT” which was set against the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” and all his descendants, but CHRIST will also restore the manifested road to “PLENITUDE” in the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, by removing all what the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had substituted in that road. CHRIST will restore it by walking through all the twelve steps of damaged road, and restoring each needed input: “GRACE”, and associated “PURITY” and “TRUTH”, “COMPREHENSION”, and associated “LIGHT” and “LOVE”, “PERCEPTION”, and associated “SCIENCE” and “MEMORY”, and finally “INTELLIGENCE”, and associated “PERFECTION” and “HARMONY”. That damaged spiritual road through which CHRIST had walked in order to restore the manifested road to “PLENITUDE” in the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, will be recorded in the scriptures which human creatures have in their possession, as: The Road to the Cross, with its twelve stations.

None of the human creatures, and even none of the celestial creatures, all locked up in the cage of ignorance, until the release of this “BOOK”, understood what was been restored through CHRIST and in the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”. Had “THE DIVINE FORCE” not shown this to me, I would not have understood it either, having myself for quite a long time lived in the meanderings of that cage of ignorance.

Thus, to undo the deceit and the prejudice that have been perpetrated toward the first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, the “‘SPIRIT←LIGHT’ Body” must (and in this order):

1. Acquire “THE KNOWLEDGE OF THE DIVINE”, and develop it in “THE SEAT OF THE INTELLECT”. Once this development is well advanced, then;
2. See the origin of that deceit and that prejudice, and look them “straight in the eyes”, for what they are: they are emptiness, without basis, without stability, they are products of the absence of “THE KNOWLEDGE OF THE DIVINE”. What will be said of those who have perpetrated this deceit and prejudice? What will be said of those who derive their strength from that deceit and prejudice, and from the ignorance that is at the origin, and who have declared themselves to be above their neighbour? What will be said of those who have kept their neighbour captive in the cage built by that deceit and prejudice? What qualifiers will they receive? Once the origin of that deception and that prejudice, has been seen, and their motives understood, then;
3. Vomit all that filth out of “THE SEAT OF THE INTELLECT”, out of the “‘SPIRIT←LIGHT’ Body”, because they are all at the opposite of “THE TRUTH”; then call “THE DIVINE FORCE” so that SHE comes and restores Her abode, “THE TABERNACLE” which SHE Herself built in you, and invite Her to settle there, for, without Her, how are you going to restore what you do not know?

There is nothing that can be done for the “Subjective ‘EARTHLY’ Garment” of the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”: the damages reflected on it cannot be undone, they are a reminder of that deceit perpetrated by the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and that prejudice, which was done to the first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”.

Instead of telling the truth to the offspring of the first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” will rather consistently deceive them and instil in them, that those damages on the “Subjective ‘EARTHLY’ Garment” are the consequences of that which they will then call: the “original sin” of the first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”; and as such they will keep silent and hide their own “sins”, their own deceit and misdeeds which they perpetrated against those offspring. Thus, the terms “original sin” will propagate and remain in the memory of the offspring of

the first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, and they will live, as such, with deeply rooted in them and registered in the records of their own history — which they have called “Holy Scriptures” — that deceit of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”. Consequently, none of the offspring of the firsts two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” will think about his/her own “PLENITUDE”, since they will also live with that which will be called “FEAR of GOD”, which ensues from that deceit perpetrated by the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and that prejudice, which was done to the first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, and which is the opposite of “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”; none of those offspring of the firsts two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” will come close to know “THE DIVINE”, IHVH, our FATHER, their TRUE FATHER.⁹⁶⁴

⁹⁶⁴ It is a sad situation. You, human creatures, reading these writings, are those offspring of the firsts two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”. Look around you, in the Earthly world in which you are living, and draw your own conclusions. All the destructions that you see around you, and amongst you, are the consequences of that deceit perpetrated by the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and that prejudice, which was done to the first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”. All what you see around you and amongst you, is the opposite of “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”. Such things were instilled in you and those elders of the creation constantly told you that you are unworthy for our FATHER, and that is not correct; if you were unworthy, this Earthly world in which you live would have been wiped out of existence very long time ago. It is because of the part of “THE DIVINE FORCE” that is inside you, that you are worth for our FATHER and your worth is far above those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”. CHRIST had already spoken about these things, each time that He told human creatures that, they (human creatures) are more worth than the birds of Heaven. For example, when He referred to sparrows, birds of the Heaven, saying to human creatures:

“...

Are not five sparrows sold for two farthings? And not one of them goes unnoticed in the sight of THE ETERNAL. Even the hairs of your head are all numbered. So fear not, for you are worth more than an infinity of sparrows.

...”

To regain, to reclaim your own “PLENITUDE”, all that you need to do is: “BE PURE”, stand tall in the “PURITY”, get out of the deceit in which you have been living, search for and go towards “THE DIVINE FORCE” and you will understand all what is written in this BOOK, and even well more than what is written in this BOOK. Every edifice built with rotten foundations will collapse.

CHAPTER 174

THE PAROXYSM OF THE “HUBRIS” IN “THE CELESTIAL HOST”: FORMALIZATION, ON THE FIRST DAY OF THE SECOND WEEK, OF THE PREMEDITATED DESTRUCTION OF THE “‘SPIRIT←LIGHT’ ‘EARTHLY’ CREATURE”

That damaged “Subjective ‘EARTHLY’ Garment” will be replaced by the new perdurable “Specific ‘SPIRITUAL’ Garment”, as soon as the “‘SPIRIT←LIGHT’ Body”, that is to say, you as a “‘SPIRIT←LIGHT’ ‘SPIRITUAL’ Creature”, definitely leaves the “Specific ‘EARTHLY’ Garment”. That damaged “Subjective ‘EARTHLY’ Garment”, which you as a “‘SPIRIT←LIGHT’ ‘SPIRITUAL’ Creature” wear, will loose its structural integrity and disintegrate in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”.

Being always in their absence of “THE KNOWLEDGE OF THE DIVINE”, performing this task of restoring “THE TABERNACLE”, will go from bad to worse; because the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” that the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had developed in them, in their “‘SPIRIT←SPIRIT’ Body”, had never decreased and was already part of their “nature”; they have accepted that deceit and that prejudice as their “doctrinal truth” — their norm, their principle of righteousness, of wisdom considered ideal in the order of their thoughts or actions that they will undertake to realize, always under the pretext of doing a favor to the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” — sending to oblivion “THE TRUTH”, which they have never known, sending to oblivion the teachings of “THE DIVINE FORCE”, which they have never known, and they lived by their “doctrinal truth” and by their oath of allegiance to their leaders. All these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” did not stand in “PURITY” and “TRUTH”. Their behaviour being governed by “The Walk within the Acronym IHVH”, thus all the tasks and activities that the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” will undertake with the objective of restoring “THE TABERNACLE”, will lead to the opposite of the expected “PLENITUDE”, as was conceived and established by “THE DIVINE ARCHITECT AND PROJECT MASTER”. All the tasks and activities that the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” will establish, under the pretext of doing a favor to the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, will have that deceit and that prejudice at their foundation. That deceit and that prejudice will form the set of principles, statements, which will be erected in a system, to reflect the conception of THE CREATION from the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” point of views, to reflect their conception of human existence, and that system been readily accompanied, by the formulation of

models of thought and rules of conduct.⁹⁶⁵ In short, that deceit and that prejudice, brought forth into existence by the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” in their “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, is the deceitful narrative, which will form the basis of all “doctrines”, all Scriptures and record of history, all the paradigms⁹⁶⁶, with which the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” will be fed.⁹⁶⁷ And the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” will pin all that filth on the account of “THE DIVINE”, IHVH, our FATHER. The more that deceitful narrative will be repeated like a mantra, the more it will stick in “THE SEAT OF THE INTELLECT” of the descendants of these first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” and it will shape the way in which these “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” think, their “Interpreted THOUGHTS”, their paradigms, their life. Can you get into picture the resulting “prison”, of which the thick walls are built with that deceitful narrative and in which the “THE SEAT OF THE INTELLECT” of these “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” will be locked in? The

⁹⁶⁵ Any destruction that you see on this world in which you live, is a product of that deceit and that prejudice that have been perpetrated toward the first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”.

⁹⁶⁶ The word “paradigm” comes from the Greek “paradeigma” which means “model” or “example”. This is a framework containing all the elements that rest on a defined basis that relates to the act of knowing. These elements form a conceptual field of interpretation of the existence commonly accepted at any given time, and they serve as a frame of reference for a representation of the existence that is based on a dominant school of thought. A paradigm describes the set of experiences, beliefs and values that condition the way in which individuals perceive the existence in which they live and how they react to what they perceive. As such, each individual is subject to the limitations and distortions produced by their socially conditioned nature.

Paradigm is what is shown by way of example, what is referred to as what exemplifies a rule and can therefore serve as a model. As a concrete model intended to guide human activity and serve as a benchmark, the paradigm differs from the archetype, which a priori forms the lived experience, conditions the patterns of thought or representation, and which suggests the idea of an original ontological priority.

⁹⁶⁷ Do you grasp the scope and depth of “IMPURITY” and the disaster in which mankind has been plunged and locked? Consider for example a mathematical treatise in which the basic assumptions have all been distorted and falsified. That mathematical treatise is supposed to be the model which conditions the way in which individuals perceive the existence in which they live and how they react to what they perceive. How good will such a mathematical treatise be, as it is developed? What will these individuals know about the true existence, the true reality, which has been falsified by the basic assumptions of that mathematical treatise? This is the situation in which mankind has been plunged into.

All what was thus produced into existence, based on that deceit and that prejudice, is part of the works of “DEATH”, works having no life; it is these dead works that have been recorded in the writings that the “SPIRIT←LIGHT” ‘EARTHLY’ Creatures” have in their possession, which they call “Holy Scriptures”, and which they take to be the word of “GOD”. Do you want to know what the word of “GOD” is? Then, (1) stand in “PURITY” and “TRUTH”, (2) go to “THE DIVINE FORCE”, and (3) SHE will instruct you about “THE ONE” who created HER, about “THE FATHER OF THE WHOLE”, and it is then that you will know what the word of “GOD” is.

It is so that, that deceit perpetrated by the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and that prejudice, which was done to the first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, will form together, that which is designated as: the chains of ignorance, the fortified gates of the “HUBRIS Spiritual Veil”, the high walls of darkness in which the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” — both the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” that “THE DIVINE”, IHVH, our FATHER has maintained in the “Specific Energy ‘CELESTIAL’ Domain”, as well as their brethren who had been pulled out of the destruction in the “Specific Energy ‘CELESTIAL’ Domain” and immersed in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain” — have confined “THE KNOWLEDGE OF THE DIVINE”.

It is so that, with those chains of ignorance placed upon the whole CREATION, the absence of “THE KNOWLEDGE OF THE DIVINE”, will increase and prevail throughout the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, as none of the tasks established on the basis of that deceit and that prejudice will converge towards the manifestation of a well-defined product which exists already in “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”; none of those tasks were designed by “THE DIVINE ARCHITECT AND PROJECT MASTER”, none of those tasks will be carrier of any “KNOWLEDGE OF THE DIVINE” that “THE DIVINE”, IHVH, our FATHER, has chosen to share with the attribute “NON DIVINE”. It is so that, the realization of “THE HOLY PROJECT” will find itself at the opposite of the expected “PLENITUDE”, as was conceived and established by “THE DIVINE ARCHITECT AND PROJECT MASTER”.

By the promise that he had made to the Archangel MICHAEL, “ADAM” had abdicated his own freedom to him as well as that great power and wealth carried

by his “SPIRIT←LIGHT” Body” as a “PRINCIPAL” instance of the “SPIRIT←LIGHT” ‘EARTHLY’ Creature” model, and which he had received of “THE DIVINE” through “THE DIVINE FORCE” and at his creation into existence; and thus “ADAM” had given to the Archangel MICHAEL, the power to do whatever he want of him and of his descendants.

It is so that, the “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures”, be it those that were maintained in the “Specific Energy ‘CELESTIAL’ Domain” or those that were immersed in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, will inflict on “ADAM” and all his descendants, all kinds of abuse, humiliation and veiled insults.

Having already been struck with the “BLOW OF DEATH” from the Archangel MICHAEL, not knowing that he was deceived by the Archangel MICHAEL, who, through malice and treachery, has transferred onto him the consequences of his own “BETRAYAL” perpetrated against “THE DIVINE”, IHVH, our FATHER, on that afternoon of the Third Day of the implementation of the “Second Phase” of “THE HOLY PROJECT”, it is so that “ADAM” and “THE FEMALE”, both patriarches of “THE HUMAN EDIFICE”, will roll with all the punches, all the abuses, all the humiliations, all the mockeries, coming not only from the “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures” on both sides, but also from their offspring losts “SPIRIT←LIGHT” ‘EARTHLY’ Creatures” who joined with the fallen “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures”.

Looking at all the destruction that unfolded afterwards, we can only say: what a suffering these first two “SPIRIT←LIGHT” ‘EARTHLY’ Creatures” have had to endure during their lifetime, having been falsely accused (since (1) they did not asked to be created, as they were qualified as been “THE MISTAKE OF THE CREATION” before that they were actually produced into existence, and (2) they are not the ones who betrayed “THE DIVINE”, IHVH, our FATHER, and have thrown the filth and the mark of “DEATH” in this first “Specific Energy ‘EARTHLY’ Habitation Domain”, on that afternoon of the Third Day of the implementation of the “Second Phase” of “THE HOLY PROJECT”, and derailed it) of being the origin of this destruction, and not knowing that in reality, they were deceived and defrauded by the one who was suppose to take care of them.

Those “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures” will take “... *anyone who was free* ...” and subject him to their absolute dependence and forever, thus causing him to forget “THE DIVINE FORCE”. As such, “THE KNOWLEDGE OF THE DIVINE” would be also sent to oblivion by the “SPIRIT←LIGHT” ‘EARTHLY’ Creatures” offspring of “ADAM”; the “HUBRIS” of manifestations of metaphors of

“DIVINE PRIMARY WEALTH” having already trampled and replaced the innocence of “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”.

It is so that, recess started for the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who will reduce the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” to their puppet, and the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain” will become their new playground and their battlefield where those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” will continue “THE CELESTIAL WAR”, but now most of the time using “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” as proxies on both sides; as such, none of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” offspring of “ADAM” would ever think of his own “PLENITUDE”.

The first thing that those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” will do to erase the confusing dreams in the middle of which they had found themselves since the project of that, which they have designated as “THE MISTAKE OF THE CREATION” was announced to them, will be to put in the trash the statement that “THE DIVINE FORCE” had given to the Archangel MICHAEL and to all the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of “THE CELESTIAL HOST” remaining, to celebrate from now on each Seventh Day, “THE PRAISE” around and through the first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

It is so that, the “POTENCY”, which is the degree of possession of elements of “THE ‘LIGHT’ REASON”, and which, inside the attribute “NON DIVINE”, is a manifestation of a metaphor of the “Generative Power of ‘THE DIVINE’”, and which is attributed to the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” and which, as “THE DIVINE ARCHITECT AND PROJECT MASTER” had designed and established it, was to complete the “AUTHORITY” which is defined by the ability to carry out several tasks simultaneously throughout well defined places in the attribute “NON DIVINE” and, which is attributed to the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, which itself, inside the attribute “NON DIVINE”, is a manifestation of a metaphor of the “Formative Essence of ‘THE DIVINE’”, will be relegated and sent to oblivion by the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, to the benefit of the “AUTHORITY”, just as they did with “THE KNOWLEDGE OF THE DIVINE”.

In order to divert the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” of the purpose for which “THE DIVINE ARCHITECT AND PROJECT MASTER” had designed and established him, and in their “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’

Creatures” will reverse roles and see themselves as beings (not anymore creatures) having a divine essence, “gods”, through “alter ego of names”.

The elders of the creation will not stop there, having already declared themselves to be smarter and wiser than “THE DIVINE”, IHVH, our FATHER, and the Archangel MICHAEL believing he was a “TREE OF LIFE”, they will also divert and reverse the “lips service” of the “Causal Precedence Relation of ‘THE PRAISE’” taking into account the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” and concerning “THE PRAISE” emitted by the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” to “THE DIVINE”, IHVH, our FATHER. We use the terms “lips service” of the “Causal Precedence Relation of ‘THE PRAISE’” to highlight the depths of “obscurity” in which these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have immersed themselves. Indeed, not having any knowledge of the existence and functioning of their own “‘SPIRIT←SPIRIT’ Body”, they also knew not about “Causal Precedence Relation of ‘THE PRAISE’”. The “Causal Precedence Relation of ‘THE PRAISE’” has been designed by “THE DIVINE ARCHITECT AND PROJECT MASTER” and implemented by “THE DIVINE FORCE” at the cellular level as a relation between (1) the “‘SPIRIT←SPIRIT’ Body” of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model that emits the “THE PRAISE” — “specific signals” requesting the sending of external supply of subsistence in order to remain into existence in the “‘SPIRIT’ Specific State” — and (2) the “‘SPIRIT←LIGHT’ Body” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, which is recipient of “THE PRAISE” and gives in return the “‘SPIRIT’ specific supply of subsistence” to the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” that emitted “THE PRAISE”, in order to power the “Specific ‘SPIRIT’ Cells” of the “‘SPIRIT←SPIRIT’ Body” of that “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”. The “‘SPIRIT←LIGHT’ Body” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, which they also had no knowledge about the existence of, is a living reproduction (replication) of “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — in front of which they perform their “lip services” every seven days, pretending to worship “THE DIVINE”, IHVH, our FATHER, while they are praising themselves and each others; since they have all embraced “obscurity” and stand in their “IMPURITY” in all its forms. Any creature who stands in “IMPURITY” in all its forms is adverse to, is against, “THE DIVINE”, IHVH, our FATHER and any such creature who is adverse to “THE DIVINE”, IHVH, our FATHER cannot, in “TRUTH”, worship “THE DIVINE”, IHVH, our FATHER who is “ABSOLUTE PURITY”. Such adoration coming from such a creature which is adverse to “THE DIVINE”, IHVH, our FATHER, is façade

adoration, an adoration of the “lip services”.⁹⁶⁸ If you were to ask to such a creature who claims to worship “THE DIVINE”, IHVH, our FATHER, while in “TRUTH” it is adverse to “THE DIVINE”, IHVH, our FATHER, to tell you something substantial about “THE DIVINE”, IHVH, our FATHER, then, that creature will not be able to tell you anything about “THE DIVINE”, IHVH, our FATHER who is “ABSOLUTE PURITY”. The actions perpetrated afterward by these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, elders of the creation, will be a live demonstration of such adoration of the “lip services”.

It is so that, through the “alter ego of names”, these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, elders of the creation, will subject the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” to bow down in front of them and issue “THE PRAISE” through them, and in the worst case to perform the “lip serves” of “THE PRAISE” to them, just like resounding cymbals; demonstrating thus that they had no knowledge about their own “‘SPIRIT←SPIRIT’ Body” constituent of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, the mould from which they were all called and carved into existence in the “Specific Energy ‘CELESTIAL’ Substance”.⁹⁶⁹

⁹⁶⁸ To be able to “perceive” and grasp these things on your own, and of course with the assistance of “DIVINE FORCE”, **YOU MUST STAND IN “PURITY”**. There where “PURITY” is, there also is “THE LIGHT”. It all starts with “PURITY” and without it you are “blinded”, you are in “Obscurity” and you will not be able to “see” “THE LIGHT” that is hidden in the “LIGHT”, from which arises “THE KNOWLEDGE OF THE DIVINE”.

In truth, no one can celebrate what he does not understand, nor describe what is beyond him, if he is not standing in the base that allows it. How could you mention and worship “THE DIVINE”, IHVH, our FATHER, if you do not stand in the base that allows you to mention and understand Him? Would you not be like a resounding piece of brass or a clanging cymbal, which would like to be compared to a loud noise, if you are not standing in such a base? Take a look at where those who lead you spiritually are standing: are they standing in “PURITY” or are they standing in “IMPURITY” in all its forms? Ask one of them to tell you something substantial about “THE DIVINE”, IHVH, our FATHER, and open your ears wide to hear what he will tell you and for you to “read spiritually” what is inside that spiritual leader.

⁹⁶⁹ As such, they have also rooted this deceit so deeply in “THE SEAT OF THE INTELLECT” inside the “‘SPIRIT←LIGHT’ Body” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” that it became part of their “nature”, and transmit it from generation in generations. Even in these days, these “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” during their prayer, are still singing praises to the “glory” and “grandeur” of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, also sending them their prayers as if these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, who have no elements of “THE ‘LIGHT’

When this “Causal Precedence Relation of ‘THE PRAISE’” taking into account the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” and concerning “THE PRAISE” emitted by the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” to “THE DIVINE”, IHVH, our FATHER, is not established as “THE DIVINE ARCHITECT AND PROJECT MASTER” had designed it, then, “The Specific Process of Attachment to ‘THE DIVINE’” will not work; thus paving the way for the destruction of “The ALTAR of ‘THE DIVINE’” which is inside the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, and subsequently the complete destruction of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.⁹⁷⁰

Having already “taken hostage” “The ALTAR of ‘THE DIVINE’” inside the “Specific Energy ‘SPIRIT’ Substance” constituent of “THE SHEKINAH”, to manage the creatures as they saw fitted according to their desires of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” — being at that time, the only intermediate vessel capable of entering in the “Specific Energy ‘SPIRIT’ Substance” constituent of “THE SHEKINAH” —, with the approval of the “ADONA’IM” will also hijack “The ALTAR of ‘THE DIVINE’” which is inside the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

It is so that, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” will place their seat in “The ALTAR of ‘THE DIVINE’” which is inside the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” and all his descendants.

It is for the purpose to lead human creatures to understand such things that the human Mirza Husayn, under the inspiration of “THE DIVINE FORCE”, said:

“...

Ô son of dust!

REASON” in them, could somehow provide to these “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, their much needed “‘LIGHT’ specific supply of subsistence”, or could lead them to recover their “PLENITUDE”. Examine your much beloved prayers and canticles, and see whose names you have sitting in there, then, take appropriate corrective measures and do the cleaning.

⁹⁷⁰ This is reminiscent of cutting “THE UMBILICAL CORD”, the primordial biological link between the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” having the “FEMALE” adjective and the “BEFOREHAND CREATED ENERGY FORMS” that are produced in her “Subjective ‘EARTHLY’ Garment”, while these “BEFOREHAND CREATED ENERGY FORMS” are still inside this “Subjective ‘EARTHLY’ Garment”.

All that is on Earth, I dedicated it to you, except my home inside yourself and of which I made the seat of my beauty and of my glory.

However, you gave my dwelling place and my home to someone other than Me.

And whenever “the manifestation of my holiness” sought her own house, she found a stranger there in; then, deprived of dwelling place, she has hastened to return to Me.⁹⁷¹

Nevertheless, I hid your secret and did not want your shame.

...”

By this reversal of the direction of the “Causal Precedence Relation of ‘THE PRAISE’”, one will find himself in this current situation of complete absurdity in which “THE CHURCH”, that “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed to give life to the faithful, will bow down to the faithful, and it is “THE CHURCH” that will celebrate and emit “THE PRAISE” to the faithful who, after all, are only all small entities delimited of the “Specific Energy ‘CELESTIAL’ Substance”.

This complete nonsense is reminiscent of the situation in which it will be rather the birds of Heaven who will claim to be a shelter to the tree and these birds will also claim to be able to produce “fruits” in order to feed the tree. Whereas, it is the tree, that was designed to provide a shelter for the birds and to allow the birds to feed on its “fruits”.

It is so that, “The ALTAR of ‘THE DIVINE’” which is inside the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” will end up in ruins.

Such were the depths of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” and the absence of “THE KNOWLEDGE OF THE DIVINE” in the “‘SPIRIT←SPIRIT’ Body” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”.

⁹⁷¹ Whenever, in the attribute “NON DIVINE”, “THE DIVINE FORCE”, who is the manifestation of the holiness of “THE DIVINE”, IHVH, our FATHER, comes to look in “The ALTAR of ‘THE DIVINE’” inside “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, then SHE finds that “The ALTAR of ‘THE DIVINE’” is in ruins in such a “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, and is filled on all sides by works of ignorance.

What a suffering and a miserable and shameful life, those who have deceived these first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, and have elevated themselves above the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, have had to endure, knowing very well that no matter how much human creatures they will place under their yoke and servitude, one amongst the human creatures will be brought forth to shed “LIGHT” on all their misdeeds and treachery, and reveal it to the whole CREATION.

The elders of the creation will then, create for themselves a new object of their “HUBRIS”: the “Specific Energy ‘CELESTIAL’ Domain” which they had declared to be the “Kingdom of GOD”, with respect to the first “Specific Energy ‘EARTHLY’ Habitation Domain” which is a manifestation of a metaphor of “THE DIVINE DOMAIN” as it is placed in the first “Specific Septenary Equilibrium Zone” of the first “Specific Formative Energy ‘EARTHLY’ Domain” with respect to the “Specific Generative Energy ‘EARTHLY’ Domain” in the “SPECIFIC SUPREME CONFIGURATION” of the seven “Specific Energy ‘EARTHLY’ Domains”, but which had been intentionally plunged in the state of “CHAOS”, contrary to the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”.

In their absence of “THE KNOWLEDGE OF THE DIVINE”, and consequently in the absence of knowledge of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” that “THE DIVINE” has consolidated in Himself, they had failed to understand that because of the presence of “THE SHEKINAH” in it, “THE DIVINE ARCHITECT AND PROJECT MASTER” has established the “Specific Energy ‘CELESTIAL’ Domain” to act in the attribute “NON DIVINE” as a manifestation of a metaphor of the “Cardinal Point” of the “Generative Divine Particle” in “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, and they had also failed to discern and understand that the first “Specific Energy ‘EARTHLY’ Habitation Domain” was a manifestation of a metaphor of “THE DIVINE DOMAIN”.

To belong to, and to live in, the “Specific Energy ‘CELESTIAL’ Domain”, thus, became the object of “HUBRIS”, which subsequently spreaded on the entire creation in the attribute “NON DIVINE”, imprisoning all creatures in the darkness inside the “HUBRIS Spiritual Veil” which was theirs and which was frozen like a mist on all the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, and which, to the detriment of “THE KNOWLEDGE OF THE DIVINE”, prevented all creatures, both the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” as well as the

“‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, to see “THE TRUTH SUN” which shines always outside and above the mist of ignorance.⁹⁷²

As we put it in a previous section: what would have happen if “THE DIVINE ARCHITECT AND PROJECT MASTER” had not designed the proportionality factors that define the laws of change of frame of reference, between “THE ABSOLUTE FRAME OF REFERENCE” defined by “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” in “THE DIVINE” and “THE FRAME OF REFERENCE OF THE ATTRIBUTE ‘NON DIVINE’” in the attribute “NON DIVINE”, and that “THE DIVINE FORCE” had applied on these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, but if rather “THE DIVINE FORCE” had expressed on these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” the “DIVINE PRIMARY WEALTH” in all of their powers as they are inside “THE DIVINE DOMAIN”?⁹⁷³

In their “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, although they did not know that they were less than atoms in front of “THE DIVINE”, were ready to attack directly “THE DIVINE”, just like single-celled, disease-generating

⁹⁷² It is for the purpose to lead “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” to understand that they must not sprout in them such object of the “HUBRIS” to the detriment of “THE KNOWLEDGE OF THE DIVINE”, that CHRIST, when HE lived in this earthly world, had said:

“...

If those who shepherd you say: Behold, the “Kingdom of GOD” is in the Heaven, then, the birds of the Heaven will precede you.

If they tell you: it is in the sea, then, the fish will precede you;

But the “Kingdom of GOD” is inside of you and it is outside you.

When you will know yourself, you will be known and you will know that you are sons of THE FATHER who is alive; But if you do not know yourself, then, you will be in nakedness, and you will be nakedness.

...”

The expression “the birds of Heaven” always refers to those who dwell in the “Specific Energy ‘CELESTIAL’ Domain”.

⁹⁷³ The sole fact that such a question crossed my “Interpreted THOUGHTS” gave me chills. Blessed is “THE DIVINE”, IHVH, our FATHER, that HE chose to share his “DIVINE PRIMARY WEALTH” using only the metaphors that are billions of times slower and also that are billions of times less powerful than the movement and the actual realities of “THE DIVINE BODY”.

microorganisms that will attack their host body which is several billion times oversized, because HE chose to express the manifestation of metaphor of the “‘SPIRIT←LIGHT’ INDISTINCT DIVINE FORM” on a creature other than the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”.⁹⁷⁴

In fear of retaliation from the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who, by their “MALICE”, had destroyed them and who kept them under the yoke of absolute servitude towards these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, and in the fear of being cursed once more by these same “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, it is in “FEAR” and slavery that “ADAM” and “THE FEMALE” will serve the Archangel MICHAEL, who was posing as a “god” through the “alter ego of names”.

It is thus that “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” that the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” had been called upon to grow in them, in their “‘SPIRIT←LIGHT’ Body” and in happiness, became “FEAR” in all its forms.⁹⁷⁵ This is why in the scriptures that humanity has, you will read things like: “... fear of “god” is this..., fear of “god” is that...”, to keep you, “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, far away from “THE DIVINE”, IHVH,

⁹⁷⁴ Read more in the section concerning the details of annotations — Annotation on the broken “vase” that held no life water.

⁹⁷⁵ As we have already indicated in a previous annotation, from the absence of “THE KNOWLEDGE OF THE DIVINE” comes among other things: grief, envy, jealousy, pain, boredom, rivalry, insensitivity, anxiety, concern, affliction, etc., as well as the emotions associated with them. Such things do not exist in “THE LIGHT” — “THE KNOWLEDGE OF THE DIVINE”.

From the pleasure that ensues from the absence of “THE KNOWLEDGE OF THE DIVINE” come many vices as well as vanity and everything that looks like it.

From the desire that ensues from the absence of “THE KNOWLEDGE OF THE DIVINE” come anger, irritation, bitterness, bitter passion and dissatisfaction, and all that resembles it.

From the fear that ensues from the absence of “THE KNOWLEDGE OF THE DIVINE” comes terror, perplexity, anguish and shame.

And whoever controls the absence of “THE KNOWLEDGE OF THE DIVINE”, hence the emotions of “FEAR”, “ANGUISH”, “DOUBT”, etc..., and which are the progeny of “IMPURITY” in all its forms, associated with the absence of “THE KNOWLEDGE OF THE DIVINE”, in people, becomes the master of their behavior, and hence the master of the decisions, which they make, that is to say, the master of “THE SEAT OF THE INTELLECT” inside each of them.

your FATHER. That “god” referred to in “... fear of “god” is this..., fear of “god” is that...” is the Archangel MICHAEL, the self-proclaimed “god”, and he has nothing to do with “THE DIVINE” who is “ABSOLUTE PURITY”. Sayings like “... fear of “god” is this..., fear of “god” is that...”, and that you have recorded long and wide in the Scriptures available to mankind, are part of the filth that the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have tried at all times to pin on “THE DIVINE”, IHVH, our FATHER, to justify the “BETRAYAL” that they had perpetrated against HIM. They have never understood what “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” is; indeed, they have never known “THE DIVINE FORCE” although SHE had walked amongst them, they have never understood that “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” is a pure radiation of the glory and the activity of “THE DIVINE”, a metaphor of his kindness, and no impurity can slip in HER.

We remind once more that, in anyone who is prone to the Governing Law of the Behavior, the manifestation of “The Walk within the Acronym IHVH”, these emotions of “FEAR”, “ANGUISH”, “DOUBT”, etc..., are the progeny of “IMPURITY” in all its forms; they are progeny of residuals of “Interpreted THOUGHTS”. If you give life to those emotions, in your “‘SPIRIT←LIGHT’ Body”, instead of “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”, then you are standing and consolidating yourself in “IMPURITY” in all its forms and you will never “come” close to “THE DIVINE FORCE”; then, would you “come” close to “THE DIVINE”, IHVH, our FATHER?

It is by this reversal of the “Causal Precedence Relation of ‘THE PRAISE’”, that they will take “... *anyone who was free* ...” and subject him to their absolute dependence and forever, thus causing him to forget “THE DIVINE FORCE” who is always alongside of the “‘SPIRIT←LIGHT’ Body” of every pure “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

It is thus that they will impose their will on the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, as well as their works of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” and which had no model at all in “THE HOLY PROJECT” and that they had developed in their “‘SPIRIT←SPIRIT’ Body”.

As we have indicated earlier in one previous annotation, by perpetrating that odious action against his “PRINCIPAL” instance brother “ADAM”, the Archangel MICHAEL knew very well that the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” who were to descend from “ADAM”, will no more be akin to “THE SHEKINAH”. Wanting to fulfil his own purposes, which he had kept hidden in “THE SEAT OF THE INTELLECT” inside his “‘SPIRIT←SPIRIT’ Body”, and through which he

yearned to produce a lineage of himself and which will be akin to his understanding of that “LIGHT” — which is the manifestation of the “LIGHT” of the “‘LIGHT’ Divine State”, which is the child of the attribute “GOD”, and which they have all failed to understand what it was —, the Archangel MICHAEL saw in the first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” having the adjective “FEMALE”, a prospect for accomplishing his purposes, since the source of that “LIGHT” was still in her.

Fortunately, “THE DIVINE FORCE”, who, since SHE was “BETRAYED” on that afternoon of the Third Day of the implementation of the “Second Phase” of “THE HOLY PROJECT”, by now was aware of the “MALICE” that these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have developed in them, understood the intentions of the Archangel MICHAEL when he had activated the processes through which he used to express his wishes of reproduction; those processes which had led to the production of each of those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” descending from him. It is so that, “THE DIVINE FORCE” had swiftly taken away from the “‘SPIRIT←LIGHT’ Body” of “THE FEMALE”, that source of that “LIGHT”. Nevertheless, using the teaching which he had received from “THE DIVINE FORCE”, long before the implementation of the “Second Phase” of “THE HOLY PROJECT”, the Archangel MICHAEL will go ahead with his intentions and will defile “THE FEMALE”.

From this deplorable action, he will beget, in a first time, a first pair of progeny “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”. The “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” progeny having the adjective “MALE” in this first pair will be designated as “CAIN”. “CAIN”, which means “A POSSESSION”, will receive this designation because “THE FEMALE”, first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” having the adjective “FEMALE” will reveal that she has *“gained this precious possession: a man, from the Elohim”*; the “Elohim” here, is how they all called the Archangel MICHAEL, and we explained already how he came to be called as such by those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”. The “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” progeny having the adjective “FEMALE” was not given a designation as such, since the “ADONA’IM”, who all have the adjective “MALE”, in their “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, did not consider any “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” having the adjective “FEMALE” in their established hierarchy of communication with “THE DIVINE”, that so far had already been established through “THE SHEKINAH”. Thus they transferred the same view of existence onto the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” progeny. The

“‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” progeny having the adjective “FEMALE” was known only as the “...*FEMALE*” of ...” or the “...*GIRL*” of ...”.

With the passage of time, the Archangel MICHAEL will beget, in a second time, a second pair of progeny “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”. The “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” progeny having the adjective “MALE” in this second pair will be designated as “ABEL”, which means “BREATH”, because when he came into existence from the womb, he was gasping for air. The “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” progeny having the adjective “FEMALE” in this second pair of progeny was also not given a designation as such.

The first offspring from the first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, “ADAM” — the first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” having the adjective “MALE” — and “THE FEMALE” — the first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” having the adjective “FEMALE” —, and who will be the fifth born from “THE FEMALE” (thus, beside the first two pairs of “THE FEMALE” and which are “CAIN” and “ABEL”, and their associated twins who had the adjective “FEMALE”), is the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” having the adjective “MALE” and who will be designated: “SETH”, meaning “MY OWN SEED”; indeed, “ADAM” was very intelligent, well aware and knew very well of the fact that the two first pairs of progeny “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, which came out of “THE FEMALE”, and which were designated as “CAIN” and “ABEL” (and their associated twins who had the adjective “FEMALE”), were not from his own “seed”, they were not his and he did not need any DNA test to know about it.

With the passage of time, many more pairs and single offspring “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” will also be produced into existence between them, multiplying like “rabbits” — and as a consequence of the taking “body” of the seeds of parasitic “intrusive suggestion” that was forced into “ADAM” and “THE FEMALE”, being passed from offspring in descent through the recursive transformations, — and others offspring, apart from “SETH”, will also be produced from “ADAM” and “THE FEMALE”.

It is with these progeny and offspring “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, starting from the very first two “CAIN” and “ABEL” (and their associated twins who had the adjective “FEMALE”), descending with others, that will unfold most of the developments, intrigues, and manipulations of humanity as puppets in the hands of the two “Council of Sages” of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” from both sides of the two warring parties of this ongoing “CELESTIAL

WAR”, in their new battlefield: the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain” in which live the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”.

Having already reversed of the “Causal Precedence Relation of ‘THE PRAISE’”, it is so that, progressively as offspring “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” sprung into existence and grew up, the elders of the creation, both those that “‘THE DIVINE’”, IHVH, our FATHER had maintained in the “Specific Energy ‘CELESTIAL’ Domain”, and those that had been immersed in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, will subject those “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, to bow down in front of them and issue “THE PRAISE” through them, and in the worst case to emit “THE PRAISE” to them.

Those of the elders of the creation, that “‘THE DIVINE’”, IHVH, our FATHER had maintained in the “Specific Energy ‘CELESTIAL’ Domain” will be subtle. Through the “alter ego of names”, they will substitute and take on the role of a manifestation of a metaphor of “‘THE ‘LIGHT←GOD’ EON” in front of which the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” must bow down to converse with “‘THE DIVINE’”, IHVH, our FATHER, and emit “THE PRAISE”.

Do you grasp the extent of insanity in which these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, elder of the creation, have entangled themselves in their “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”? Do you see the gross sketch, which we have used already several times for illustration purposes, and which is a gross sketch of you as a “‘SPIRIT←LIGHT’ ‘SPIRITUAL’ Creature”? Those winged creatures (including their fallen nemesis) are the ones who have declared themselves to be “above” the living manifestation of “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” —, the living manifestation of that illuminated portal. They have turned the living manifestation of that illuminated portal (that is to say, you as a “‘SPIRIT←LIGHT’ ‘SPIRITUAL’ Creature”, who is reading these writings) so that it bows down in front of them and worships them.

From that gross sketch, does it appear to you like that illuminated portal is bowing down to those winged creatures and worshipping them or is it the other way around, the winged creatures honouring the presence of that illuminated portal? In which direction goes the flow of “living created energy” (the “daily bread” of which CHRIST already talked about), which those winged creatures and all others all around need in order to remain into existence? Does the flow of “living created energy” exiting from these winged creatures and going towards the

illuminated portal or is it the other way around, exiting from the illuminated portal and going towards these winged creatures? How does the luminous radiation of the manifestation of the “created light” flows? Does it flow from the emptiness of obscurity going towards the source of the luminous radiation, or is it the other way around, from the source of the luminous radiation and flowing towards obscurity, so that obscurity be illuminated? Do you see any “intermediate” or any “messenger” between that illuminated portal and that, which is manifested directly inside that illuminated portal? Do you know about that, which is manifested inside that illuminated portal? You, the “‘SPIRIT←LIGHT’ ‘SPIRITUAL’ Creature” reading these writings, have within you the knowledge of all these things, the answers to such questions, as well as the knowledge of that, which is manifested directly inside that illuminated portal. It is “THE DIVINE FORCE” who sowed the seed of such knowledge within you, for you to be the sentence of annihilation of the nothingness of obscurity, and you see all those things around you in your daily life. Why don’t you discern and make the connection? Why would the “‘SPIRIT←LIGHT’ ‘SPIRITUAL’ Creature” which is the reproduction and living manifestation of that illuminated portal, the sentence of annihilation of nothingness of obscurity, bow down and worship nothingness of obscurity that has settled in these winged creatures who have become disciples of it and have no clue about that, which is manifested inside that illuminated portal?

CHAPTER 174

THE PAROXYSM OF THE “HUBRIS” IN “THE CELESTIAL HOST”: FORMALIZATION, ON THE FIRST DAY OF THE SECOND WEEK, OF THE PREMEDITATED DESTRUCTION OF THE “‘SPIRIT←LIGHT’ ‘EARTHLY’ CREATURE”

Through the “alter ego of names”, these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” will declare themselves to be “intermediates”, also designating themselves as “messengers”, between the living manifestation of that illuminated portal (that is to say, you as a “‘SPIRIT←LIGHT’ ‘SPIRITUAL’ Creature”, who is reading these writings), who possesses the knowledge about that, which is manifested inside that illuminated portal, and “THE DIVINE”, IHVH, our FATHER, whose “PRESENCE” is manifested inside the living manifestation of that illuminated portal. How crazy and insane is that? You walk and talk directly, although unconsciously, with your FATHER, and an unknown stranger, who do not know about your FATHER and who cannot “perceive” your FATHER next to you, comes and tell you that he is a “messenger” or an “intermediate” between you and your FATHER. And of course, such insanity takes place when you do not know who you are yourself and who and where is your FATHER; in short, when you do not know that the road that leads to your FATHER is inside yourself.

It is so that, the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” who was maintained in the absence of “THE KNOWLEDGE OF THE DIVINE”, will forget about his own “PLENITUDE” and will not develop knowledge of the model of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, the mould from which he was produced into existence; he will forget “The ALTAR of ‘THE DIVINE’” which is inside his “‘SPIRIT←LIGHT’ Body” and which is the interface for direct communication with “THE DIVINE”, IHVH, our FATHER.

It is so that, the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” who was chained and maintained in the absence of “THE KNOWLEDGE OF THE DIVINE”, will forget that he himself is akin to “THE SHEKINAH”, he is akin to the intermediate vessel capable of entering in the “Specific Energy ‘SPIRIT’ Substance” constituent of “THE SHEKINAH”, he has no need of these “intermediates”, of these “messengers”, because not only he, as “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, is the one who was designed to be the “intermediate”, the “messenger”, between “THE DIVINE”, IHVH, our FATHER (through “THE DIVINE FORCE”), and those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, but, additionally, “THE DIVINE FORCE” who is always alongside of the “‘SPIRIT←LIGHT’ Body” of every pure “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” is the true intermediary — “THE MEDIATOR OF THE DIVINE”, “THE MESSENGER OF THE DIVINE”⁹⁷⁶ —

⁹⁷⁶ Remember the calling card of “THE DIVINE WISDOM”; for, SHE is “THE MEDIATOR OF THE DIVINE”, “THE MESSENGER OF THE DIVINE”:

“...

IHVH created Me, origination of His Project, before His earliest Works.

between the “SPIRIT←LIGHT” ‘EARTHLY’ Creature” and “THE DIVINE”, IHVH, our FATHER.

For every pure “SPIRIT←LIGHT” ‘EARTHLY’ Creature”, it is “THE DIVINE FORCE”, under her first designation of “THE MEDIATOR OF THE DIVINE”, “THE MESSENGER OF THE DIVINE”, who is the sole intermediate between that “SPIRIT←LIGHT” ‘EARTHLY’ Creature” and “THE DIVINE”, IHVH, our FATHER. None of the “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures” had that knowledge.

Still in the absence of “THE KNOWLEDGE OF THE DIVINE” and covered by the “HUBRIS Spiritual Veil”, it is thus that by reversing the “Causal Precedence Relation of ‘THE PRAISE’”, and finding oneself in the actual situation where it is the living manifestation of “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” —, the living manifestation of that illuminated portal, which now bows down in front of vanity and emptiness, and worships the disciples of “Obscurity”, the “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures” will take place in the “SPIRIT←LIGHT” Body” in the “SPIRIT←LIGHT” ‘EARTHLY’ Creature”, and will attach him to the works of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, educating the “SPIRIT←LIGHT” ‘EARTHLY’ Creature” about works that have no life (the works of the absence of “THE KNOWLEDGE OF THE DIVINE”, the works of death).

The “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures” did all these things by claiming that they were doing a favor to the “SPIRIT←LIGHT” ‘EARTHLY’ Creature” in the purpose, they said, to detach the humanity from that, which is not good and place it among that, which is good according to them, and as they have defined it in the “DEATH CONTRACT” that they had presented to “ADAM”.

From eternity I was established, from the beginning, before the origin of the Earth.

Blessed is the one who listens to Me, watching daily at My gates, guarding the jambs.

For whoever finds Me, finds life and obtains the favour of IHVH.

CHAPTER 174

THE PAROXYSM OF THE “HUBRIS” IN “THE CELESTIAL HOST”: FORMALIZATION, ON THE FIRST DAY OF THE SECOND WEEK, OF THE PREMEDITATED DESTRUCTION OF THE “SPIRIT←LIGHT” ‘EARTHLY’ CREATURE”

Given that:

“THE WILL” OF “THE DIVINE”, IHVH, OUR FATHER, IN HIS VARIOUS FORMS, AND THE WILL OF ANY THING OTHER THAN “THE DIVINE”, IHVH, CANNOT COEXIST IN THE SAME “ALTAR OF ‘THE DIVINE’”.

It is so that, “THE DIVINE FORCE” will also move away from any “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” who, in his “‘SPIRIT←LIGHT’ Body”, would have gave place to “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, and not to “THE DIVINE”, IHVH, our FATHER; as the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” continue to do so even nowadays. This why it was said in the parable that:

“...

... whenever “the manifestation of my holiness” sought her own house, she found a stranger there in; then, deprived of dwelling place, she has hastened to return to Me.

...”

The most destructive of these works of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” that the “ADONA’IM” had imposed on the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, was that of the sacrifice of “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creatures”, which the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, the living manifestation of “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” —, the living manifestation of that illuminated portal, was to offer them “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” having declared themselves, through “alter ego of names”, as “intermediates” between the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” and “THE DIVINE”, IHVH, our FATHER. Those infamous rituals of sacrifice, the offering of which, deposited on a salutary “mockery of the Altar”, were burned by the “fire” coming from the “HEAVEN” (the “Plane Above”), as a sign of acceptance of the offering by these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, self declared “gods” above the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”.⁹⁷⁷

⁹⁷⁷ “THE DIVINE”, IHVH, our FATHER, through “THE DIVINE FORCE”, will enlighten human creatures about the nature of such sacrifices that the “ADONA’IM”, elders of the creation, had imposed on them, when through Isaiah (Isaiah 66:3), HE told them:

The Archangel MICHAEL has imposed on the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” these rituals of sacrifice of the “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creatures”, arguing that “ADAM”, first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” having the adjective “MALE”, did not kept his “promise” to him, having no element whatsoever of “THE ‘LIGHT’ REASON”, but self-proclaiming himself to be “god” not only over the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, but also self-proclaiming himself to be “god” over the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, who possess the elements of “THE ‘LIGHT’ REASON”; thus according to him, “ADAM” has “sinned” against him, and all his descendants must bear the consequences of it, and these rituals of sacrifice of the “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creatures” were to be for them a reminder of the cause-and-effects relationship that these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” like to quote, saying: “... *the consequences of sin is death...*”, not having a clue as to why the living and interactive library was produced into existence by “THE DIVINE FORCE”.

“...

He who slaughters an ox is like one who kills a man;

He who sacrifices a lamb, is like one who breaks a dog's neck;

He who presents a grain offering, is like one who offers pig's blood;

He who makes a memorial offering of frankincense, is like one who worship idols.

Those have chosen their own ways, and their soul delights in their abominations.

...”

Do you want to make offerings? Then, “STAND IN THE PURITY” and put into practice the teachings of “THE DIVINE WISDOM” who inspired the descendant of Sira to reveal this (Ben Sira 35: 1-5).

“...

To live by the tenets of “THE DIVINE WISDOM” is equivalent to multiply offerings;

To observe the commandments set forth by “THE DIVINE WISDOM”, is offering a sacrifice of salvation;

To show recognition, is to make an offering of fine flour;

And to give alms, it is to offer a sacrifice of praise.

To refrain from evil pleases “THE DIVINE”, and to stay away from injustice is a sacrifice of Redemption.

CHAPTER 174

THE PAROXYSM OF THE “HUBRIS” IN “THE CELESTIAL HOST”: FORMALIZATION, ON THE FIRST DAY OF THE SECOND WEEK, OF THE PREMEDITATED DESTRUCTION OF THE “‘SPIRIT←LIGHT’ ‘EARTHLY’ CREATURE”

According to the arguments of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, these rituals of sacrifice of the “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creatures” were supposed to be, for the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, the ransom of “sin” (of having listened to “THE DIVINE FORCE” — “THE UNALTERABLE VOICE” — and having functioned as they were designed, by “THE DIVINE ARCHITECT AND PROJECT MASTER”, and having not listened and not obeyed to “THE VOICE OF IGNORANCE” from the Archangel MICHAEL, who made them commandment to stay away from “THE DIVINE FORCE”), which “ADAM” had perpetrated towards the Archangel MICHAEL, in counter part of their “PLENITUDE” which he had seized. That was, in a way, the price of the “favour”, which he granted them by not killing them immediately, but “leaving them alive” (and those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, in their arguments, had already slid under the carpet what their leader had said to “ADAM”, once he had inflicted that “BLOW OF DEATH”; namely: “... **You were made of dust, Adam, and to dust must you now return. ...**”), and the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” were to rejoice in performing those rituals of sacrifice, more precisely those rituals of carnage, of the “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creatures”.⁹⁷⁸ Not only that he cheated “ADAM”, defrauded “ADAM” and “THE FEMALE”, and all their descendants, of their “PLENITUDE”, but after that, he brought them to destroy the teaching material that “THE DIVINE FORCE” had created for the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”; that teaching material, which contain those celestial truths found and sealed in the “‘SPIRIT←SPIRIT’

⁹⁷⁸ These are the origins of the racketeering, the practice of conducting or engaging in a crime in which the perpetrators set up a coercive, dishonest, fraudulent, extortionary, or otherwise illegal coordinated scheme or operation (a racket) to repeatedly or consistently collect ransoming, demanding a ransom, under threat of violence or death, against the release of a person held captive; indeed, as you would have understood by now, by that promise, which he had made to the Archangel MICHAEL, “ADAM” had abdicated his own freedom as well as that of all his descendants, without been conscious of that; for, he took the Archangel MICHAEL for someone who was there for the well-being of human creatures, to defend and protect human creatures against the fallen “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, not knowing that the Archangel MICHAEL and AZAZEL are bound by a “HUBRIS COVENANT”, which they have signed between them in order to have the head of “ADAM”. So it is that “ADAM” and his future descendants were held captive by the Archangel MICHAEL. With the passage of time, this racketeering practice will transform and it will eventually flourish among the human creatures, racketeering each other.

The case against these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” self-declared “gods” is terrible!

Body” of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, and referred to as the Tree of Life by these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”.

The real purpose of such a “mockery of the Altar” was to lead the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” to forget “The ALTAR of ‘THE DIVINE’” which is inside their “‘SPIRIT←LIGHT’ Body”, that “ALTAR of ‘THE DIVINE’” which makes them to be akin to “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” —, and thus the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” will not remember their own “PLENITUDE”. This is how we will see the celebration by the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of “THE PRAISE” around and through the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, through the “specific spiritual formation” of “THE CHURCH” from that “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, moving to the situation where it will now be the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” that goes, prostrates before these “mockery of the Altar” and, celebrates “THE PRAISE” of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”;⁹⁷⁹ the reversal of the “Causal Precedence Relation of ‘THE PRAISE’” taking into account the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” and concerning “THE PRAISE” emitted by the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” to “THE DIVINE”, IHVH, our FATHER.

The Archangel MICHAEL, knew very well that he is the one who has “sinned” against “ADAM” and against all his descendants, and not otherwise. Since he is the one who, not only “BETRAYED” “THE DIVINE”, IHVH, our FATHER, on that afternoon of the Third Day of the implementation of the “Second Phase” of “THE HOLY PROJECT”, but he is the one who afterwards, through malice and treachery, cheated “ADAM”, defrauded “ADAM” and “THE FEMALE”, and all their descendants, of their “PLENITUDE” and transferred on to “ADAM” and on to all his descendants, the consequences of his own “BETRAYAL” against “THE DIVINE”, IHVH, our FATHER. Those consequences of his own “BETRAYAL” against “THE DIVINE”, IHVH, our FATHER, are the already spreading state of “CHAOS”, contrary to the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”, inside the “Specific ‘SPIRITUAL’ Environment” external and immediate around and containing this first “Specific

⁹⁷⁹ From generations down to generations, these rituals and “mockery of the Altar” and the offerings of all kinds that will be deposited therein, will replace “The ALTAR of ‘THE DIVINE’” which is inside their “‘SPIRIT←LIGHT’ Body”, and become the usages and customs that will be rooted in the deepest of human creatures. Watch what you do when you go into your buildings which you call your “churches”!

Energy 'EARTHLY' Habitation Domain", and their effects affecting back the "Specific Energy 'EARTHLY' Substance" constituent of this first "Specific Energy 'EARTHLY' Habitation Domain". What do all these deceit and treachery amount to, against "ADAM", "THE FEMALE", and all their descendants? Would this be called "blessing" or something other than "SIN"? Indeed, for having listened to "THE DIVINE FORCE" — "THE UNALTERABLE VOICE" — and having functioned as they were designed, by "THE DIVINE ARCHITECT AND PROJECT MASTER", to function, "ADAM" and "THE FEMALE" were labeled as "SINNERS". While those who desecrated "THE SHEKINAH" — "THE THRONE OF THE DIVINE IN THE ATTRIBUTE 'NON DIVINE'" — with their "IMPURITIES" and by fighting right there, in front of "THE SHEKINAH", those who "BETRAYED" "THE DIVINE", IHVH, our FATHER, on that afternoon of the Third Day of the implementation of the "Second Phase" of "THE HOLY PROJECT", and who afterwards, through malice and treachery, cheated "ADAM", defrauded "ADAM" and "THE FEMALE", and all their descendants, of their "PLENITUDE", and kept their mouth shut about such deceit, were instead labeled by their accomplices as "SAINTS", "PRINCES"⁹⁸⁰, "MOST HIGHT", "SUPREME"

⁹⁸⁰ The "'SPIRIT←SPIRIT' 'CELESTIAL' Creatures" used this word, "prince", to qualify the "ADONA'IM", those of them who were the "decision makers" concerning the way in which they had established themselves to lead "THE HOLY PROJECT"; for they had spoken to each other, that they are called the Sons of IaHVeH, and as such they have made the decisions by themselves to exert their freedom to do what they want, their freedom to run wild at their own works. They had sent to oblivion, for ages and before the announcement of the "Second Phase" of the implementation of "THE HOLY PROJECT", all the teachings that "THE DIVINE FORCE" had given them and thus these "'SPIRIT←SPIRIT' 'CELESTIAL' Creatures", not possessing any elements of "THE 'LIGHT' REASON" in them, they also had no knowledge of the ins and outs of "THE HOLY PROJECT" of which they had established themselves to lead by themselves. Moreover, they had already destroyed the "'SPIRIT←LIGHT' 'EARTHLY' Creature" that was designed so that it communicates directly (through "THE DIVINE FORCE") with "THE DIVINE", IHVH, our FATHER, and pass on instructions to these "'SPIRIT←SPIRIT' 'CELESTIAL' Creatures".

It is about these "princes", who do not possess any element of "THE 'LIGHT' REASON" in them, that you will read in the writings that the elder ENOCH, of whom METHUSELAH is the descendant, had given to mankind. These are in fact the "princes" of obscurity, the "princes" of ignorance, the "princes" of the absence of "THE KNOWLEDGE OF THE DIVINE", they are the troublemakers who like to reign. Nowadays, they use another word, instead of the word "prince", to qualify themselves: namely, they qualify themselves using the word "SUPREME"; "SUPREME" in what? I do not know, given that they stand in their own "IMPURITIES" and deceit. "THE DIVINE FORCE" who has produced the attribute

(in what? I do not know; given that they stand in their own “IMPURITIES” and deceit, in the “SPIRIT” Specific State”, where forever they will remain in the “IMPERFECTION” without unity with “THE DIVINE FORCE” — the veritable “SPIRITUAL FORCE OF LIFE” in the attribute “NON DIVINE”, under the designation of “THE DIVINE WISDOM”, and under the designation of “THE CONFIDENCE OF THE DIVINE” — who has moved away from them, and thus they do not lack audacity to pretend to be close to “THE DIVINE”, whom they have never known and who is “THE SUPREME PURITY”), etc... and kept praising themselves as such with qualifiers that keep them atop of the perch of their “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”.

Shame is on the thief who stole the “PLENITUDE” of his neighbor. A severe condemnation is on the head of someone whose character has duplicity; someone who through the character adopts a behavior different from the deep beliefs which he uses as a façade in order to deceive by dissimulation. What then will there be on the head of the thief who is a “MURDERER” and who has duplicity in his character? The accomplices of such a thief and “MURDERER” who has duplicity in character have already qualified their partner in crime as a “SAINT”, “MOST HIGHT”, and “SUPREME” (only themselves know in what). When your past on which you have been working ardently while standing in “IMPURITY” in all its forms at all times to want to keep it hidden and erased will catch up with you, it will be a terrible situation, not only for you, but also for all your accomplices.⁹⁸¹

“NON DIVINE” into existence and who works for the good of “THE DIVINE”, IHVH, our FATHER, by producing all things on HIS instruction, SHE has never adorned Herself with all these qualifiers, SHE has never adorned Herself with the qualifier of “SUPREME”; but it is rather those who do not even know how they entered into existence in this attribute “NON DIVINE” who adorn themselves with the qualifier of “SUPREME”. I can reveal you so many things about these “ADONA’IM”, that you will hardly believe it; just stand in the “PURITY” and work to achieve unity with “THE DIVINE FORCE”, because you possess the elements of “THE ‘LIGHT’ REASON” in you, and you will come by yourself to see those many things.

⁹⁸¹ You can never really escape your past... no matter how far you roam or how cleverly you hide your crimes, if you have perpetrated any. Sooner or later, the light spot will be directed upon your past and someone will see those misdeeds and reveal everything to all.

“THERE IS NOTHING HIDDEN THAT SHALL NOT BE KNOWN AND REVEALED BY THE LIGHT”.

“WEAR THE ARMOUR OF GOD”, in other words “STAND IN PURITY AND HOLD YOUR GROUND IN PURITY” at all time and you will be at peace with yourself and with “THE DIVINE”, IHVH, our FATHER.

Everyone of the “ADONA’IM”, everyone of the archangels, and everyone of the others high-ranking “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” knew about the message of that vision that, back then in the “Specific Energy ‘CELESTIAL’ Domain” and before the actual implementation of the “Second Phase” of “THE HOLY PROJECT”, was sent to the Archangel ZEPHON, and which he had qualified then, using a word, which translates in the human language as “SHEEMAMON”, meaning “desolation”. Everyone of the “ADONA’IM”, everyone of the archangels, and everyone of the others high-ranking “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” knew about this deceit against their following, the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” and all his unborn descendants, and you will think that out of “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”, if any at all, they have grown in them, they will stand up and denounce such deceit? Think again! All these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, disciples and princes of “obscurity”, have signed in and “toed the line” to enforce such deceit and treachery instead of standing against it. They have already self-proclaimed themselves to be the “most intelligent children” of IHVH and each of them has already received its share of the pie of deception through which they have elevated themselves above their neighbour, the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” who possesses the elements of “THE ‘LIGHT’ REASON”;⁹⁸² each of them has received its lot from the one purse stolen.⁹⁸³ They

⁹⁸² Consider the “Specific Energy ‘EARTHLY’ Substances” designated as “silver” and “gold”, in analogy respectively with the manifestations by metaphors of the “Specific Energy ‘SPIRIT’ Substance” (for “silver”) and the “Specific Energy ‘LIGHT’ Substance” (for “gold”). Since ancient human civilization, these metals designated as “gold” and “silver” have held a special place of actual and symbolic value for human creatures. “Silver” can be polished and textured in multiple ways so as to catch the luminous radiation and the eye. However, there remains no metal quite like “gold”. Unlike other elements, “gold” naturally possesses a subtle array of unique and beautiful colors. The atoms in “gold” are actually heavier than in “silver”. This atomic attribute makes the electrons move faster, which in turn allows for some of the luminous radiation to be absorbed into the “gold”. Which one of those two metals is more valuable? Have you ever heard that “silver” taken alone, was more valuable than “gold” taken alone, or more valuable than a combination of “silver” and “gold”? Of course, this short descriptive analogy is given in the parable to lead you to understand the difference between a “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” and a “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, and where “Silver” has elevated itself above “Gold”.

⁹⁸³ Recall what we have mentioned in one previous annotation regarding the origin of all the ambushes which will subsequently appear into existence in the attribute “NON DIVINE”? The warning that Solomon, when “THE DIVINE WISDOM” walked alongside him, and under the inspiration of “THE DIVINE WISDOM”, had described by saying:

“...

“PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” is the beginning of knowledge; fools despise wisdom and instruction.

My son, observe the discipline that your FATHER imposes on you and do not neglect the teaching of your MOTHER; for they are a graceful Crown for your head and necklaces around your neck.

My son, if sinners entice you, do not consent.

If they say, “Come with us, let us set ambush to shed blood; For pleasure we will surprise the innocent! Like the abode of the dead, we shall swallow him Alive, entirely, like those who descend into the pit. We shall find all precious goods. We shall fill our houses with loot. You will get your lot among us because there will be one purse for all of us!”

My son, walk not with them, carefully avoids the alleys where they stand; for their feet run to evil, they are swift to shed blood.

...”

All these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” are the true sinners referred to in this warning. They have looted, robbed, impaired and knowingly caused damage to the first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” and all their descendants of their “PLENITUDE” and they have murdered, they have “swallowed them [the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”] alive, entirely, like those who descend into the pit”. Based on this crime, they have elevated themselves above the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, taking undue advantage over the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, sharing as such “one purse for all of them” and finding as such for themselves “all precious goods”, all advantages against their neighbours, the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”. And they wonder why “THE DIVINE”, IHVH, our FATHER, does not trust anyone amongst them.

“Come with us, let us set ambush to shed blood; For pleasure we will surprise the innocent! Like the abode of the dead, we shall swallow him Alive, entirely, like those who descend into the pit. We shall find all precious goods. We shall fill our houses with loot. You will get your lot among us because there will be one purse for all of us!” refers to the “HUBRIS COVENANT” in all its forms. It is also a summary of the tragic end of the parable of the workers of the eleventh hour, which we have already described in previous annotations.

Read more in the section concerning the details of annotations — Annotation on the parable of the workers of the eleventh hour.

As we have already explained, in parables, the terms “house” or “tent” of a creature, be it a “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” or a “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, refer to the construct inside of which resides the “‘SPIRIT←SPIRIT’ Body” of a “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” and to the construct inside of which resides the “‘SPIRIT←LIGHT’ Body” of a “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”; and that is to say, the “Specific ‘CELESTIAL’ Garment” for the “‘SPIRIT←SPIRIT’ Body” of a

will hold on to the falsehood that they have begotten rather than denouncing such deceit and making allegiance to “THE TRUTH” which will break the façade behind which they are hiding their shame and present them in a whole new light. Just as they will strongly root their rigged “DEATH CONTRACT” that they have written against the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” and all his descendants, in the nature of every creature created into existence in the attribute “NON DIVINE”, they will also strongly root this deceit and treachery in the nature of every creature created into existence in the attribute “NON DIVINE”, using this deceit and treason as moorings to properly fasten their rigged “DEATH CONTRACT” in those creatures. And their deceptive argument is that: *“It took them a while to wrap their minds around the concepts of “right” and “wrong”, ... and the human creature [their victim] can much more easily grasp the idea of wrongness than they, who had never known deficiency in anything, or an unfulfilled desire.”*⁹⁸⁴, while they were quick to understand the cause-and-effects

“‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, and the “Subjective ‘EARTHLY’ Garment” for the “‘SPIRIT←LIGHT’ Body” of a “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

To “*fill our houses with loot*” means: to fill the “‘SPIRIT←SPIRIT’ Body” inside a “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” (respectively, the “‘SPIRIT←LIGHT’ Body” inside a “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”) with that, which has been looted, cheated, stolen, that, which has been fraudulently taken and whatever the process used (cunning, lying, violence, etc....), and which belongs to someone else, with the intention of owning it, and in so doing, to impair and knowingly cause damage to someone else in his possessions and unduly taking advantage over someone else.

In the same line of speaking, to “*clean your house*” means: to rid the “‘SPIRIT←SPIRIT’ Body” inside a “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” (respectively, the “‘SPIRIT←LIGHT’ Body” inside a “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”) of any “IMPURITY”.

“*the alleys where they stand*” refers to where “THE SEAT OF THE INTELLECT” inside the “‘SPIRIT←SPIRIT’ Body” of each of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” stands: it stands in “IMPURITY” in all its forms.

“*their feet run to evil, they are swift to shed blood*” is a consequence of the Governing Law of the Behavior, the manifestation of “The Walk within the Acronym IHVH”.

⁹⁸⁴ You can read these things in the chronicles of the conflict of “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and in which they describe their prowess of the absence of “THE KNOWLEDGE OF THE DIVINE” and their works of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, and still trying to deceive humanity through those chronicles and to let humanity carry the responsibility and the consequences of the “SINS” that these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have perpetrated. Some of

relationship that they always express, saying: "... *the consequences of sin is death...*". Have "ADAM", "THE FEMALE", and all their descendants said: "*It took us time to understand the meaning of a promise and its consequences*"? And got away with such argument?

These "'SPIRIT←SPIRIT' 'CELESTIAL' Creatures" understood very well the concepts of "RIGHT" and "WRONG". When the Archangel MICHAEL had declared himself to be "god" above the "'SPIRIT←SPIRIT' 'CELESTIAL' Creatures", the "'SPIRIT←SPIRIT' 'CELESTIAL' Creatures" leaders of the "KO'ACH" and of the "HASHMALL" instances knew immediately that the Archangel MICHAEL was "LYING"; they understood that this was "bad business". But they kept their mouth shut. What they had difficulty in understanding was why their leaders, the "ADONA'IM", whom they viewed, through the lens of morality through which they perceived and understood the existence around them, as "almighty"-like "powers", as if they were in the "same league" with "THE DIVINE", IHVH, our FATHER, and from whom they were receiving the specifications from which they proceeded to perform their assigned tasks, were "LYING" to them, were telling them things that are "INCORRECT"?

According to their own saying:

"...

For, even as we labor, whether together or alone, we are always blissfully awake to the fact that our task was assigned to us because we as individuals are the best suited for that particular task.

..."

Indeed, as we have indicated in the previous chapter, at its production into existence inside the attribute "NON DIVINE", and to the extent of the elements of "THE 'SPIRIT' REASON", the "'SPIRIT←SPIRIT' 'CELESTIAL' Creature, was already endowed with the capacity to generate "Interpreted THOUGHTS" in accordance with the age of preteenager or "end of middle childhood" and its abilities and it was already operational and capable to:

- "THINK" and "REASON" through "hypothetico-deductive reasoning" and through the logical use of symbols related to abstract concepts related to the purpose and the tasks for which it was brought forth into existence inside the attribute "NON DIVINE";

these chronicles (which are incomplete) have already been delivered to the human by the name of David Aguilar, and are available online on the Internet.

- “Work” on “forms” or representations related to abstract concepts, that is to say mental representations of the relevant objects and actions, related to the purpose and the tasks for which it was brought forth into existence inside the attribute “NON DIVINE” and systematically solve a problem in a logical and methodical way; hence, it was already able to tell the difference between that, which is “a solution” and that, which is “not a solution” of a problem, that is to say, the difference between that, which is “CORRECT” and that, which is “INCORRECT”;
- Understand the concept of “self” and has self-knowledge of the purpose and the tasks for which it was brought forth into existence inside the attribute “NON DIVINE”, in the social environment in which it was brought forth into existence inside the attribute “NON DIVINE”, and was able to develop standards and expectations for own behavior. The concept of “self” is at the base of the principle of individual consciousness, the object of it, but an active subject; it is all together personal identity, the dimension of invisible interiority, the ontological depth to which the individual character and individual destiny lean and build on into existence inside the attribute “NON DIVINE”.

How is it that, those who:

- Are “*best suited for the task*” for which they were brought forth into existence;
- Since the very moment when they came into existence, were able to systematically solve a problem in a logical and methodical way, hence, who were able to tell the difference between that, which is “a solution” and that, which is “not a solution” of a problem, that is to say, the difference between that, which is “CORRECT” (that is to say, that, which is “RIGHT”) and that, which is “INCORRECT” (that is to say, that, which is “WRONG”), based on the specifications given to them;
- Who have declared themselves to be the “most intelligent children” of IHVH;
- Who have understood that the most important “gift” that IHVH gave to HIS creatures is the “FREE CHOICE” and exploited such knowledge in order to ambush and kill their neighbour;

not know about the concepts of “RIGHT” and “WRONG”? How were they solving or handling their tasks? Were they not making decisions along the way and about

what course of action must be taken or not taken depending of the situation and to produce the best result?

Once they knew and understood that something was at odd with their leaders, the “ADONA’IM”, whom they looked upon as models for rules of conduct, they started making choices by affinities and aligning themselves behind one or another of their leaders. Thus, they all “jumped with both feet” in their own “IMPURITIES”. Afterwards they use dishonest blows and tell human creatures that: *“It took them a while to wrap their minds around the concepts of “right” and “wrong”, ... and the human creature [their victim] can much more easily grasp the idea of wrongness than they, who had never known deficiency in anything, or an unfulfilled desire.”*⁹⁸⁵

Well, the long awaited time of reckoning, has now arisen on the horizon, after all these billions of years that have elapsed, and all these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have understood it. At the appointed time by “THE DIVINE”, IHVH, our FATHER, all these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” will all bear the consequences of their choice and actions. Indeed:

“...

Until all of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, elders of the creation, without exception, fully reveal their characters to all, they are allowed time... but the way they are using this time is doing nothing but revealing more clearly their “nature” and the “MALICE” and the sin in them.

...”

⁹⁸⁵ In view of all that “THE DIVINE FORCE” has collected about these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and the thick case file that has been built against them for their pending judgement, I do not think that they will get out of this “affair” so easily with their lies and iniquities. The result of their last appraisal, which took place at the end of the implementation of the “First Phase” of “THE HOLY PROJECT” roughly seventy billion years ago, was bad enough: the plant of “THE KNOWLEDGE OF THE DIVINE” inside those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, was meager and inexistent. Added to that, all the murders, iniquities in all their forms, and destruction of humanity, which they have perpetrated during the ongoing “Second Phase” of implementation of “THE HOLY PROJECT”, only FATHER knows what HE will do with these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”.

Nothing is hidden, except to be made manifest; nor is anything secret except to come to light.

By imposing on “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” these rituals of sacrifice of the “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creatures”, the elders of the creation thus liberated the feelings and desires which they had deeply concealed in “THE SEAT OF THE INTELLECT” in their “‘SPIRIT←SPIRIT’ Body”, since the announcement of the “Second Phase” of the implementation of “THE HOLY PROJECT”: their refusal of this new project of the Creation of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” in this “Second Phase” of the implementation of “THE HOLY PROJECT”. They were at the apex of absence of “THE KNOWLEDGE OF THE DIVINE”, and they were demonstrating as such to the whole CREATION, how much “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” they have grown in them, and also how much “PURE, TRUTHFUL, AND AUTHENTIC LOVE” they have for their neighbour, the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

By imposing on “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” these rituals of sacrifice of the “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creatures”, the elders of the creation had thus demonstrated that they had not even understood why “THE DIVINE FORCE” had entrusted them the particular task, to each of them, to choose a “Character” for oneself; those “Characters” that have been used as “Subjective ‘EARTHLY’ Garment” on the model of the “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creature”.

Those “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creatures” are the “recordings” and “books” of the living and interactive library that was produced by “THE DIVINE FORCE” and for the purposes of the education of this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” and of all its descendants. Those “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creatures” contain in them, a potency of knowledge of the celestial truths which were to be used as amendments, the second category of the elements of fertilization which are necessary for the growth of the plant of “THE KNOWLEDGE OF THE DIVINE”, and they are as active as “THE SEAT OF THE INTELLECT” in the “‘SPIRIT←SPIRIT’ Body” of those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” whose progeny they are. He who destroys those “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creatures” that are the “recordings” and “books” of the living and interactive library that was produced by “THE DIVINE FORCE”, destroys the celestial truths and “THE KNOWLEDGE OF THE DIVINE” conveyed through those “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creatures”.

As if these rituals of sacrifice of the “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creatures” were not enough odious, with the passage of time, these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” will later on, impose on the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, to literally “eat”, feed themselves with, those “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creatures”.⁹⁸⁶

What better way for these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” to reshape the balance of authority, which, in their twisted logic of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, they thought the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” will have over them?

What better way for these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” to send a message at the same time, to the offspring of these first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, than by these rituals of burning those “recordings” and “books” of the living and interactive library that was produced by “THE DIVINE FORCE”, and which, in their twisted logic of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, were to act subversively against their future, as “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, or were to strike at the root of their thoughts, as they described it with “... *the Tree of Life which is in the “SOUTH”, ... the symbol of “HEAVEN’s” everlasting vitality, and the life force that springs freely from IHVH ...*”, and the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, which is the driving force of all the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”?⁹⁸⁷

⁹⁸⁷ As every actions carried out by those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” are reflected in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, due to special properties of that “Specific Energy ‘EARTHLY’ Substance”, it is so that with the passage of time, such actions will be manifested in many forms, amongst which, the actual burning of written books by human creatures, when those books appear to act subversively on their future or strike at the root of their thought, or their driving forces.

Just as “books” burning are rituals destruction by “fire” of books or other written materials, usually carried out in a public context, and representing an element of censorship in opposition to the materials in question, in much the same were those rituals of sacrifice of the “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creatures”, which were imposed on the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” by these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, who were supposed to facilitated their education.

For these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, self-declared “most intelligent children” of IHVH, these rituals of sacrifice of the “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creatures” were expressions of what they have developed in their subconscious, regarding their following; they were acts of contempt, for the implementation of this “Second Phase” of “THE HOLY PROJECT”, and manifestations of the decisions which they had already made in “THE SEAT OF THE INTELLECT” in their “‘SPIRIT←SPIRIT’ Body” and kept hidden in there, since the announcement of this “Second Phase” of “THE HOLY PROJECT”.

Thus, despite everything that “THE DIVINE FORCE” had manifested in front of them in achieving all the decrees of the implementation of the “Second Phase” of “THE HOLY PROJECT”, these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” remained inside their “HUBRIS Spiritual Veil” and did not understand and discern “THE ONE” from whom they originate and who to them had remained invisible and unapprehendable and inconceivable by elements of “THE ‘SPIRIT’ REASON”.

The living library that “THE DIVINE ARCHITECT AND PROJECT MASTER” had designed and established, and that “THE DIVINE FORCE” had implemented into existence in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, as well as all “THE KNOWLEDGE OF THE DIVINE” that had been placed by “THE DIVINE FORCE” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” in order to rectify the deficiency of “THE KNOWLEDGE OF THE DIVINE” that had taken place in “THE SEAT OF THE INTELLECT” in the “‘SPIRIT←SPIRIT’ Body” of “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, will thus be trashed.

All what “THE DIVINE FORCE” had planned, in order to have the surface of this first “Specific Energy ‘EARTHLY’ Habitation Domain” filled with “THE KNOWLEDGE OF THE DIVINE”, in its countless forms and according to their kind as “THE DIVINE ARCHITECT AND PROJECT MASTER” has classified them as products of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” that “THE DIVINE” has consolidated in Himself and that HE has chosen to share with the attribute “NON DIVINE” — and through the human creatures that would come into existence in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain” — was looted or destroyed by the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, both those of the remaining of “THE CELESTIAL HOST” and those that had been immersed in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, who

behaved all like thieves, like those collecting ransom, by proxies through “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”.

Those of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” that had been immersed in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, will be less subtle.

They will subject the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” not only to emit “THE PRAISE” to them since they saw themselves as “gods”, but to also offer in sacrifice, not “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creatures” as it had been imposed by those of the elders of the creation, that “THE DIVINE”, IHVH, our FATHER had maintained in the “Specific Energy ‘CELESTIAL’ Domain”, but to offer them “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” in sacrifice.

It is so that, those works of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, which have their origin in the “‘SPIRIT←SPIRIT’ Body” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” will take place in the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, and will pervert the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.⁹⁸⁸

⁹⁸⁸ It is for the purpose to lead “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” to stay away of such practices, that “THE DIVINE”, IHVH, our FATHER, through “THE DIVINE FORCE”, will explain the unique commandment defined by “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” breaking it down into two perfect sets which formed the Tablets of the Decalogue, which were given to MOSES, and in which HE told him:

“...

You shall not have others “gods” beside ME.

You shall not make idols, nothing in the likeness of what is in the Heaven above, or on the Earth beneath, or in the Waters under the earth.

You shall not bow down to them or serve them

...”

This is said to remind you to be very careful when you celebrate “THE PRAISE”, and that in your ignorance you get to send your prayers to this angel or that angel.

Those elders of the creation, whosoever, regardless of their strength, be it those who are in Heaven above, that is those who dwell in the “Specific Energy ‘CELESTIAL’ Domain”, even the Archangel MICHAEL, or be it those who had been immersed in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation

Those works of the “HUBRIS” will become rituals with the passage of time; dipping the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” in nakedness and abject poverty, as had been the intention of the terms of the rigged “DEATH CONTRACT” against the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” and as the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had planned it.

***** Zoom in,
example of symbol of those rituals of ignorance *****

A symbol of those rituals of ignorance is still displayed nowadays amongst human creatures sleeping in their “coma”, more than 70 billion years after the creation of this first “Specific Energy ‘EARTHLY’ Habitation Domain”.

The representation of that symbol is a winged creature in the likeness of a human creature, half male and half female, with the wings of fallen “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, with the head of an animal with horns and marked with the sign of the pentagram on the forehead, above which they display a lit lamp. The winged creature has one hand pointing above toward the symbol of the sun star and the other hand pointing below toward the symbol of the moon star, and

Domain”, or be it your fellow “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, they are all small entities delineated in the “Specific Energy ‘CELESTIAL’ Substance” as far as the elders of the creation are concerned, and in which “THE DIVINE”, IHVH, our FATHER has placed the mark of existence.

All these elders of creation, whosoever, regardless of their strength, they are all similar to tiny drops, taken as tilled delineated parts of the “Specific Energy ‘CELESTIAL’ Substance” and in each of which had been placed the “token of life” and also in which had been planted a seed of “THE KNOWLEDGE OF THE DIVINE”, and whose resulting plant had remained meager, without fruits, despite all the fertilizers that had been poured on these tilled parts.

They have a beginning, and in the attribute “NON DIVINE” in which they were “spoken” into existence and are attached to, anyone who has a beginning also has an end. They are not “gods”, they have no divine essence, they have no elements of “THE ‘LIGHT’ REASON” in them, they are and remain “INDISTINCT FORMS OF THE SPECIFIC ENERGY ‘CELESTIAL’ SUBSTANCE” in the attribute “NON DIVINE”.

Do not EVER worship them and NEVER bow before them. Remember how your “‘LIGHT→GOD’ CORD OF PRAISE” works. Have respect towards those who will respect you because it is with those who respect you that you are called to work together in the execution of the tasks that “THE DIVINE”, IHVH, our FATHER will assign you; stay away from those who will spit on you.

the winged creature is sitted on a “ruler” chair and is carried by “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” on their shoulders.⁹⁸⁹

The winged creature in the likeness of a human creature represents AZAZEL who, in his aspirations of grandeur, had proclaimed himself to be “LIGHT Bearer”; that “LIGHT” of which they had heard during their education through “THE DIVINE FORCE”, and through the ordinances of the “specific spiritual formation” of “THE CHURCH” from “THE SHEKINAH”, but of which they had no knowledge.

The “animal head” is indicative of those “Characters” that have been used for the “Subjective ‘EARTHLY’ Garments” on the model of the “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creature” (the animals), and which those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” were choosing for themselves during that particular task, which was assigned to each of them, to choose a “Character” for oneself. As they often say themselves, they were “glorified” (in the sense of manifested living “waxwork”, or, living “wax” sculptures, and NOT in the sense of the manifestation of the “GLORY” of “THE LIGHT”) through the “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creatures”.

The sign of the pentagram on his forehead is meant to be an expression of that, which is “PERFECT”, that is to say, the presence of the manifestation of a metaphor of “THE LIGHT”, hence, the manifestation of the “GLORY” of “THE LIGHT”, and that is to say, the presence of “THE DIVINE FORCE”. You, as a “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, are a living expression of that sign of the pentagram on his forehead. Take a look at your hand. How many fingers do you see on one of your hand? What do you think is the meaning of your hand having five fingers? Answer: it is a manifestation of that, which is “PERFECT”; an expression, an “IMAGE” of “THE DIVINE FORCE”. Many of such expressions have been implemented directly in the internal organs and structures of the “Subjective ‘EARTHLY’ Garment” that you wear: You are a written living “DISCOURSE”, a living “IMAGE”, of “THE DIVINE”, IHVH, our FATHER, and NONE of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” is. The most visible expression of the symbol of the pentagram, from the “Subjective ‘EARTHLY’ Garment”, which you wear, are the four limbs (two upper and two lower) of mobility articulated and maintained together and added to it, a part, which presents the characters of a protuberance, and which is designated as the “head”. Thus, what you “perceive” immediately from the “Subjective ‘EARTHLY’

⁹⁸⁹ You can find a sketch of it out there on the Internet, and we will not reproduce it in these writings.

Garment” that you wear are those “FIVE” components, which, taken together form symbolically a “pentagram” and it was intended to represent an “image” of that, which is “PERFECT”. You are a living expression of the pentagram!

The lited lamp above his “animal-like and horned head”, since the “specific generative energy” that he had once stolen from “THE SHEKINAH” had long ran out, is for these fallen “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, a way to indicate that their fallen leader has affirmed himself as “LIGHT Bearer”, which he is not; there is no “LIGHT” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model.

The sign of the pentagram on the forehead goes together with the lited lamp above his “animal-like and horned head”, and it is meant to indicate the manifestation of the “GLORY” of “THE LIGHT”; in much the same as the coming of the very first rays of the Sun (a manifestation of a metaphor of that, which is “PERFECT”) are entering the first “Specific Energy ‘EARTHLY’ Habitation Domain” at 05h00 (pentagram) on the timetables grid, to indicate the presence of the manifestation of the “GLORY” of “THE LIGHT”.⁹⁹⁰ You, as a “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, are a living expression of the pentagram and you possess a manifestation of that “LIGHT” through the “Specific Energy ‘LIGHT’ Substance” constituent of your “‘SPIRIT←LIGHT’ Body”.

The half male and half female representation is an expression of what he had understood from those ordinances of the “specific spiritual formation” of “THE CHURCH” from “THE SHEKINAH” and concerning what the attribute “GOD” of “THE BODY OF ‘HE WHO IS’” represent, more specifically, concerning the androgyny property of “THE SHEKINAH”.

The one hand of the winged creature, pointing above toward the symbol of the sun star is a reference to the “Generative Power of ‘THE DIVINE’”, a manifestation of a metaphor of which has been implemented inside of you, as “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, and through the manifestation of the “Specific Energy

⁹⁹⁰ As we have already indicated in one previous chapter, that, which is called the “LIGHT of the DAY” enters the scene at 05h00, which is associated with the first “transformation sub-step” in the manifestation by metaphor of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, where the products of the “specific work” accomplished by the “Specific Generative Energy ‘EARTHLY’ Domain” start to continuously enter the “Specific Septenary Equilibrium Zone” of the first “Specific Formative Energy ‘EARTHLY’ Domain” with respect to the “Specific Generative Energy ‘EARTHLY’ Domain”, and marking the start of that, which is called the “DAY”, and at which point, that, which is called the “NIGHT” leaves the scene.

‘LIGHT’ Substance” constituent of your “‘SPIRIT←LIGHT’ Body”; a feature that is not available in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model; NO ANGEL has that feature.

The other hand of the winged creature, pointing below toward the symbol of the moon star, the eternal symbol of “PURITY” of “THE DIVINE FORCE”, is a reference to the “Formative Essence of ‘THE DIVINE’”, a manifestation of a metaphor of which has also been implemented inside of you, as “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

The symbol of the sun star and the symbol of the moon star, taken together, are a reference to “THE SHEKINAH”, of which you, as “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, are a living symbol; NO ANGEL has that feature.

The representation of “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” carrying him sitting on a “ruler” chair on their shoulders is how not only him, but most of those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, saw their roles in the CREATION and with respect to the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”. That is how those “pampered children” in their obscurity saw themselves and saw the world in which they were living and of which they were depicting in their “Characters” during the task that was assigned to them to choose a “Character” for one self.

The likeness of a human creature in those representations reveals what they all aspired to be like, once the implementation of the “Second Phase” of “THE HOLY PROJECT” and your creation (you, the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”) was announced to these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”.

Now, picture the bitter surprise on the “faces” of these “pampered children”, “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, drowned in their “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, when afterwards they came to understand that “... *None amongst them, who are elders of the creation, but a new creature [you, the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” now reading these writings] will receive and carry the manifestation of “THE UNION” ...*”, when they came to understand that they are the ones who will be kneeling in front of you (the human creature) in order to celebrate “THE PRAISE”, to receive their “daily bread”. Yes, it was “a bitter pill to swallow”, as if the “floor had vanished underneath their feet”. And they have consequently set in motion all this destruction, in order to make FATHER “bite the dust”.

Do you recall the conversation that AZAZEL had held with the Archangel ZA’AFIEL and through which AZAZEL, talking about the fulfilment of their true potential that he defined to be “Rulership” — Rulership of themselves, and of each other, rulership of the Kingdom and of course, rulership of their neighbour (the

“‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”) who was in project; for, they were called the Sons of IaHVeH —, was trying to corrupt ZA’AFIEL? Well, such representation of a winged creature in the likeness of a human creature, half male and half female, with the wings of “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, with the head of an animal with horns and marked with the sign of the pentagram on the forehead, above which they display a lited lamp, and the winged creature is sitted on a “ruler” chair and carried out by “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” on their shoulders” is a manifestation of what these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” were hiding in the depths of “THE SEAT OF THE INTELLECT” within their “‘SPIRIT←SPIRIT’ Body”.

Those “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, carrying him sitting on a “ruler” chair on their shoulders, kneeling at the feet of stupidity, greed and obscurity, are the blinded ones who have lost the knowledge of their own “PLENITUDE”, who have been “locked-up” in ignorance:

- Not knowing that they, as “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, are akin to “THE SHEKINAH”;
- Not knowing that in themselves, as “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, they possess a manifestation of the living “LIGHT” of “THE SHEKINAH”;
- Not knowing that, in truth, as “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, they are living symbols of that litted lamp above the “animal-like head” of the one sitted on a “ruler” chair and that they are carring on their shoulders;
- Not knowing that they, as “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, are the true “LIGHT Bearer”, the true “HEIRS” of the living “‘LIGHT’ Divine State” (the “key layer”, which is the “LIFE” imprint of “THE DIVINE”, IHVH, our FATHER), which is the child of the attribute “GOD”, and that they are on a classification scale, which is ranked above that of the one sitted on a “ruler” chair and that they are carring on their shoulders;
- Not knowing that they, as “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, are a written living “DISCOURSE” of “THE DIVINE”, IHVH, our FATHER. All the internal organs and structures of the “Subjective ‘EARTHLY’ Garment” that they wear, tell about “THE DIVINE”, IHVH, our FATHER and about “THE DIVINE FORCE”;

- Not knowing that the winged creature sitted on a “ruler” chair and who they are carring on their shoulders, is surviving as a “parasite” that feeds on the crude “‘SPIRIT’ specific supply of subsistence” emitted by “The ALTAR of ‘THE DIVINE’” which is inside of their “‘SPIRIT←LIGHT’ Body” as “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, at their expense and unbeknownst to them.

We explain these things so that you understand the depths of nakedness, perversity and abject poverty in which these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, self proclaimed “most intelligent children” of IHVH, have plunged the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”.

Help awaken your fellows, “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, who are still asleep on the bed of ignorance: explain these things to them, explain them why their “PERCEPTION” is contaminated with “IMPURITIES”, explain them why the “emperor is naked and in total deprivation”; explain them why they must stand in “PURITY” and hold their ground in “PURITY” against the winds and tides. All the “material” things, in all their forms, which you see all around you, are merely the “Specific Energy ‘EARTHLY’ Substance”, do not “attach” yourself to those “material” things, although you use them on a daily basis. Share and spread the message wide and large, throughout your own social network.

These are thus the consequences of those decisions — which actually are all forms of the progeny of “DISGRACE”, “IMPURITIES”, and “LIES”, output of the Governing Law of the Behavior — made by those “Councils of Sages” and reflected in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”.

In the absence of “THE KNOWLEDGE OF THE DIVINE”, and filled with the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, it is as “glorious creatures” that the elders of the creation were perceiving themselves and have always wanted to be considered as such by their following — the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” and his descendants —, in order to slide under the carpet the “BETRAYAL” that the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had perpetrated against “THE DIVINE”, IHVH, our

FATHER, and “THE FATALITY” in which the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have plunged “THE HOLY PROJECT”.

It is so that, with the passage of time, the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” who had forgotten their “PLENITUDE” and were under the yoke of the absolute servitude towards the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, will develop in them a manifestation of the unconscious, driven by the survival instinct and by which they will express a sense of confidence, a positive feeling, or even sympathy for the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”.

The “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” will, by themselves and in their own “SEAT OF THE INTELLECT” within their “‘SPIRIT←LIGHT’ Body”, install and give place to “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, and they will feed only on what these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, who had not grown “THE KNOWLEDGE OF THE DIVINE” in their “‘SPIRIT←SPIRIT’ Body” had available in “THE SEAT OF THE INTELLECT” in their “‘SPIRIT←SPIRIT’ Body”; that is, the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” will feed on the absence of “THE KNOWLEDGE OF THE DIVINE”, the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” — the “fruit” of the tree which is in the “SOUTH” and from which the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had found their joy and their state of gladness; that is, the “fruit” of “THE TREE OF ABSENCE OF KNOWLEDGE OF THE DIVINE”, or “THE TREE OF DEATH”.

It is so that, the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” will abdicate their own freedom to the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who will maintain their control on the “‘SPIRIT←LIGHT’ Body” of every “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, and impose their will on their following.

In attracting the sympathy of those who keep them under the yoke of servitude, the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” will think of himself to be out of danger, believing to control, even unconsciously, the emotions of their jailers, to the advantage of saving his life in slavery and without knowing his “PLENITUDE”; and the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who thus maintain the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” under the yoke of servitude will become the object of love and admiration and forbidden to criticize.

In fact, it is the effects of the state of “CHAOS”, contrary to the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”, of the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, and the negative emotions which ensue, that

the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” were thus protecting themselves from, forgetting that the danger is always there and real.⁹⁹¹

The “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had planned such things in order to control or to destroy their neighbour, since the announcement of the “Second Phase” of “THE HOLY PROJECT”. Remember the infamous “*My purpose towards you shall not be changed*”? That is how were revealed the works of the “HUBRIS”, which the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had already developed, but kept hidden, in “THE SEAT OF THE INTELLECT” in their “‘SPIRIT←SPIRIT’ Body”, and that, which was not apparent to discern in their chosen “Characters”.

Afterwards, just like the best conjurers and hypnotists, they pulled a rabbit out of the hat, trying to outsmart “THE TRUTH”, in order to conceal the “BETRAYAL” they had perpetrated against “THE DIVINE”, IHVH, our FATHER, and through which they had intentionally pulled, AZAZEL and all those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who carried with them all their filth and the mark of “DEATH”, out of the destruction by the flow of the pure “Specific Atomic ‘SPIRIT’ Substances”, containing crude and very high “‘SPIRIT’ specific supply of subsistence”, which had been accumulated inside of the “SHEKINAH”, and which flooded the “Specific Energy ‘CELESTIAL’ Domain”, in the afternoon of the Third Day of the implementation of the “Second Phase” of “THE HOLY PROJECT”, and had been immersed them in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain” in which “ADAM” and “THE FEMALE” live.

It is that “BETRAYAL” which the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had perpetrated against “THE DIVINE”, IHVH, our FATHER, that fatally plunged “THE HOLY PROJECT” in turmoil and chained all creatures in its consequences, irrevocable and unexplained, manifesting by persistent series of misfortunes, and which result in reality from:

1. The state of “CHAOS”, contrary to the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”, in which the

⁹⁹¹ REMEMBER, HUMAN CREATURE! ONLY “THE DIVINE”, IHVH, OUR FATHER IS TRUSTWORTHY, and it is “THE DIVINE FORCE” only who provides the true protection and educates so that one can find the “PLENITUDE” as “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed it and established.

“Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain” ended;

2. The web of progeny of “DISGRACE”, “IMPURITIES”, and “LIES”, in all their forms, and in which the creatures (be it “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” or “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”) are all standing, not knowing that they are all prone to the Governing Law of the Behavior and cannot escape it.

All of these irrevocable and unexplained fatal consequences of that “BETRAYAL” that had been perpetrated in the afternoon of the Third Day of the implementation of the “Second Phase” of “THE HOLY PROJECT”, and which manifest through persistent series of misfortunes, is called: “FATALITY”.

“FATALITY” is due to the presence of all the filth and the mark of “DEATH” that had been pulled out of the destruction in the “Specific Energy ‘CELESTIAL’ Domain” and immersed in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain” in which live “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”.

All the destruction, in all its forms, which will take place after the Third Day of the implementation of the “Second Phase” of “THE HOLY PROJECT”, and decimate the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, is the consequence of that “BETRAYAL” that the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had perpetrated against “THE DIVINE”.

The rigged “DEATH CONTRACT” against the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” was nothing more than a smoke screen put forth by the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” in an attempt to outsmart “THE TRUTH” to conceal that “BETRAYAL” they had perpetrated against “THE DIVINE”, IHVH, our FATHER, and that led to “FATALITY”.

“FATALITY”, caused by that “BETRAYAL” which the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had perpetrated against “THE DIVINE”, IHVH, our FATHER, on the afternoon of the Third Day of the implementation of the “Second Phase” of “THE HOLY PROJECT”, has not only tied everything in the web of evil and perverse purpose of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” that the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have grown in their “‘SPIRIT←SPIRIT’ Body” and which became an integral part of their “nature”, but has also locked everything in the “HUBRIS Spiritual Veil”; every creature into existence inside of this “HUBRIS Spiritual Veil” seeking to satisfy the “fame of oneself”, and to the detriment of “THE DIVINE”, IHVH, our FATHER.

“THE CELESTIAL WAR” will continue its course in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain” which will be the new battleground of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, who will use the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” as proxies in their works of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”.⁹⁹²

Until nowadays, many of those elders of the creation who dwell in the “Specific Energy ‘CELESTIAL’ Domain”, in complicity with those who have been intentionally pulled out of the destruction and immersed in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, have not abandoned their “nefarious and despicable shadow scheming” to destroy any expression of the “specific spiritual formation” of “THE CHURCH” manifested through human creatures, in particular through the following of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.⁹⁹³

⁹⁹² It is for the purpose to lead human creatures to understand this, that “THE DIVINE FORCE” had sent to ENOCH, the vision about this “FATALITY”, and that he had then, reported in the writings that he had given to humanity by saying:

“...

From there, I crossed in another place of terror.

There I saw the work of a huge fire, burning and consuming, in the middle of which there was a division.

And columns of fire fought between them and they went deep in the abyss.

And it was impossible for me to estimate its size or its height; I could not know its origin.

And I called out again at this sight: “What a terrible place, that it is difficult to probe the mysteries!”

....”

⁹⁹³ In their project of destruction, they always use the same subterfuge, their standard operating procedure, which consists in a first place to plant the “HUBRIS” — the seed of “DEATH” — in the “‘SPIRIT←LIGHT’ Body” of any “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, making you all kinds of promises. If you rely on those promises, then, the objects of those promises will take place in your “‘SPIRIT←LIGHT’ Body” to the detriment of “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”. It is so that, the “TRUTHFUL” component in “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE

By this prejudice that the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have caused to the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, the seed of “THE KNOWLEDGE OF THE DIVINE”, which had been placed in the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” will also be locked in the “HUBRIS Spiritual Veil” and will not develop as “THE DIVINE ARCHITECT AND PROJECT MASTER” designed it.

It is so that, the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” that was created rich, since it is bearer of the “‘LIGHT’ Specific State”, and in order to rectify the deficiency of “THE KNOWLEDGE OF THE DIVINE” that had taken place in “THE SEAT OF THE INTELLECT” in the “‘SPIRIT←SPIRIT’ Body” of “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, and be the sentence of annihilation of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, was swallowed up in the deficiency of “THE KNOWLEDGE OF THE DIVINE” and plunge into nakedness and abject poverty; because the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” will not know anymore that he is truly a CHILD of “THE DIVINE”, IHVH, our FATHER.

This is why the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, who was thus robbed of his wealth by the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, is called: “The Poor”.⁹⁹⁴

From the perspective of the “Specific Energy ‘EARTHLY’ Substance”, the intensity of the state of “CHAOS” of the “Specific Atomic ‘EARTHLY’ Substances” constituents of this “Specific Energy ‘EARTHLY’ Substance”, contrary to the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”, was already made manifest on scales larger than that of the “Specific Atomic ‘SPIRIT’ Substance”, and in all the “INDISTINCT FORMS OF THE SPECIFIC ENERGY ‘EARTHLY’ SUBSTANCE”; that is, cohesive subsets carved in the “Specific Energy ‘EARTHLY’ Substance”.

DIVINE” that you will be expressing for “THE DIVINE”, IHVH, our FATHER, will be affected by the objects of those promises.

Read more in the section concerning the details of annotations — Annotation on the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and their “nefarious and despicable shadow scheming” of the destruction of the “specific spiritual formation” of “THE CHURCH” manifested through human creatures.

⁹⁹⁴ It is of this “Poor” which is referred to in all the holy scriptures, proverbs, and the writings on the wisdom, that human creatures possess.

And, of course, the descendants of the firsts two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, will ask the following question to those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who claimed to be acting for the good of humanity:

“... ”

Where does this state of “CHAOS” in which this world we are living comes from?

“... ”

Under the terms of the rigged “DEATH CONTRACT” against the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” and the terms of “THE REDEMPTION CLAUSE”, the “Subjective Death” applies only on the “Character” of which the Archangel MICHAEL is at the origin and is somehow the “owner”, because having designed the morphology of this “Character” (that is to say, the contours of identity), and in so doing, not knowing that he was guided by “THE DIVINE FORCE”, who was educating him in the 3D-modelling/shaping/forming of the contours of identity in order rectify the deficiency of “THE KNOWLEDGE OF THE DIVINE” that had taken place in “THE SEAT OF THE INTELLECT” inside his “‘SPIRIT←SPIRIT’ Body”; it is so that the “Subjective Death” applies only on the “Subjective ‘EARTHLY’ Garment”.

Why were the “Vegetal ‘EARTHLY’ Creatures”, as well as the “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creatures”, affected by the state of “CHAOS” of the “Specific Atomic ‘EARTHLY’ Substances” constituents of this “Specific Energy ‘EARTHLY’ Substance”, contrary to the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”?

When the filth had spread in the “Specific Energy ‘CELESTIAL’ Substance” constituent of the “Specific Energy ‘CELESTIAL’ Domain”, all “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” were aware of the withdrawal of the full grace at places of the “Specific Energy ‘CELESTIAL’ Substance” that were the most affected by those filth; that is, they were all conscious that the “Specific Energy ‘CELESTIAL’ Substance”, in the places most affected by these filth, was perishing in a state of “CHAOS”, contrary to the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”.

All the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” will quickly forget what they had seen on their own in the “Specific Energy ‘CELESTIAL’ Substance” constituent of the “Specific Energy ‘CELESTIAL’ Domain”, how this “Specific Energy ‘CELESTIAL’ Substance” was perishing in the places most affected by these filth and why the “GLORY OF THE SHEKINAH” was much more manifest

inside “The ALTAR of ‘THE DIVINE’” which is inside “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’”.

Having immersed in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, the same filth extracted from the “Specific Energy ‘CELESTIAL’ Substance” constituent of the “Specific Energy ‘CELESTIAL’ Domain”, these same filth by which the “Specific Energy ‘CELESTIAL’ Substance” was perishing in places that had been most affected, and seeing the same results appear in the “Specific Energy ‘EARTHLY’ Substance”, the withdrawal of the full grace of the “Specific Energy ‘EARTHLY’ Substance”⁹⁹⁵, then, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, self-declared “most intelligent children of IHVH”, suddenly will not remember of the almost destruction that these same filth had caused in the “Specific Energy ‘CELESTIAL’ Substance” constituent of the “Specific Energy ‘CELESTIAL’ Domain”.

In response to the following question asked to those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who claimed to be acting for the good of humanity:

“...

Where does this state of “CHAOS” in which this world we are living comes from?

⁹⁹⁵ See vision of August 18, 2005, Aristide and “THE DIVINE”, through “THE DIVINE FORCE”.

This withdrawal of the full grace of the “Specific Energy ‘EARTHLY’ Substance” is manifested by the movement of the filth which have been extracted from the “Specific Energy ‘CELESTIAL’ Substance” constituent of the “Specific Energy ‘CELESTIAL’ Domain”, and which were immersed in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, propagating in this “Specific Energy ‘EARTHLY’ Substance” and covering gradually its surface; the withdrawal of the “PURITY” in which was the “Specific Energy ‘EARTHLY’ Substance” and the “IMPURITY” taking place and gradually covering the surface of this “Specific Energy ‘EARTHLY’ Substance”. When this same event occurred in “Specific Energy ‘CELESTIAL’ Substance” constituent of the “Specific Energy ‘CELESTIAL’ Domain”, the spread of the filth, which was affecting the functionalities of “Specific Energy ‘CELESTIAL’ Substance”, was counter balanced by the necessary action of the “SHEKINAH”; namely, the “GLORY OF THE SHEKINAH” was much more manifest inside “The ALTAR of ‘THE DIVINE’” which is inside “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — in order to eliminate the spread of that filth inside the “Specific Energy ‘CELESTIAL’ Substance”.

...

All the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” will point the finger to the one they already had designated as being a “MISTAKE OF THE CREATION”, their “scapegoat” — “ADAM” — to justify why the “Vegetal ‘EARTHLY’ Creatures”, as well as the “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creatures”, were affected by the state of “CHAOS” of the “Specific Atomic ‘EARTHLY’ Substances” constituents of this “Specific Energy ‘EARTHLY’ Substance”, contrary to the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”.

Even ants, the highly sophisticated and amazing creatures, marvels of miniaturization and compressed complexity, in this “Specific Energy ‘EARTHLY’ Substance” are seen fighting each others, because of the filth extracted from the “Specific Energy ‘CELESTIAL’ Substance” constituent of the “Specific Energy ‘CELESTIAL’ Domain” and that has been immersed in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”.

Nevertheless, all the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” will tell to the descendants of the first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”: “...*IT IS BECAUSE ADAM DID THIS... IT IS BECAUSE ADAM DID THAT...*” or even “...*ON THE DAY THAT YOUR PARENTS SINNED, THE ENTIRE EARTH WAS CURSED ...*”⁹⁹⁶; sliding under the carpet the real cause of the disaster in which is the first “Specific Energy ‘EARTHLY’ Habitation Domain” in which live

⁹⁹⁶ As such, they were inculcating into the human creatures, all the “intrusive suggestions”, which they had already prepared in their scheme of deceptions, in order to suppress in these human creatures, the memory of their own status, the memory of their own “PLENITUDE”. And, the human creatures will give life to those “intrusive suggestions”; they will give life to that, which these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have designated as “*sin*” of the human creature, and as such, they will stand in “IMPURITIES”. That is how that, which these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have designated as “*sin*” of the human creature, has taken “body” amongst human creatures and remains alive.

As we have explained already in one previous annotation, that which these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have designated as “*sin*” of the human creature, is the first progeny of “*cast out of Heaven*” cunning and in which the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have rolled their own deceit and the prejudice, which they have perpetrated against the first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, and have turned that into “*sin*” of the human creature. It is the adultery perpetrated by the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”.

“‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”: the “BETRAYAL” that the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had perpetrated against “THE DIVINE”, in the afternoon of the Third Day of the implementation of the “Second Phase” of “THE HOLY PROJECT”.

This mantra of “...IT IS BECAUSE ADAM DID THIS... IT IS BECAUSE ADAM DID THAT...” or even “...ON THE DAY THAT YOUR PARENTS SINNED, THE ENTIRE EARTH WAS CURSED ...”, or other selected pieces of the nonsense and poisonous pie that the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have presented and served to the descendants of the first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, with scripted intent to deceive humanity, is a mockery of “THE TRUTH”. There is a scientific explanation behind the functioning and the behavior associated to every “created energy” that “THE DIVINE FORCE” has produced into existence inside this attribute “NON DIVINE”; SHE is Herself “THE SCIENCE” that is at the origin of such “created energy”. From the teachings that “THE DIVINE FORCE” gave us, and to be transmitted to humanity, we have explained already how this “Specific Energy ‘EARTHLY’ Substance” was contaminated with the poison flowing out of those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and how that poison spreaded and affected the functionalities of this “Specific Energy ‘EARTHLY’ Substance” in which the “Vegetal ‘EARTHLY’ Creatures”, the “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creatures”, as well as the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” are “INDISTINCT FORMS OF THE SPECIFIC ENERGY ‘EARTHLY’ SUBSTANCE”; that is, they are cohesive subsets carved in the “Specific Energy ‘EARTHLY’ Substance”.

“ ...

With the iniquities that these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, on both sides of the two warring parties of this ongoing “CELESTIAL WAR”, have perpetrated, they have built barriers between them and “THE DIVINE”, IHVH, our FATHER; for their hands are stained with the murder of the first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” and of their descendants, and their fingers are stained with iniquity.

With treacheries worthy of the best conjurers, by transferring the consequences of the “BETRAYAL” they had perpetrated against “THE DIVINE”, IHVH, our FATHER, and transforming their irresponsibility and presenting it as the responsibility of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, the lips of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have spoken “LIES”,

and by not denouncing that deceit and that prejudice, which they have caused to the first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, their tongues have appreciated the taste of injustice. It is in those iniquities of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” that the descendants of the first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” will enter into existence.

Having accepted that deceit and that prejudice, which they have caused to the first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, as their “doctrinal truth” — their norm, their principle of righteousness, of wisdom considered ideal in the order of their thoughts or actions that they will undertake to realize, always under the pretext of doing a favor to the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” — sending to oblivion “THE TRUTH”, it is so that these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have tasted the poison of holding others (namely, the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”), but themselves as “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, accountable for the outcomes of their own irresponsibility. They have savoured the poison of their own impunity, and their feet run to evil; they have been swift to destroy the first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”.

Their “Interpreted THOUGHTS” are sinful thoughts, full with “MALICE”; as they, as “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, are all prone to the Governing Law of the Behavior, “The Walk within the Acronym IHVH”, which they cannot escape, it is so that ruin and destruction lie in the wake of their actions. It is the large trail of destruction that the actions of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” will leave behind them during the “Second Phase” of the realisation of “THE HOLY PROJECT”, which will be the true testimony revealing where they are standing.⁹⁹⁷

⁹⁹⁷ Take any of the scriptures, which human creatures have in their possession, and which they called “Holy Scriptures”, what do have recorded in there, from the very first page to the last one, and concerning those “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” who preceded you? FEAR, ANXIETY, ANGUISH, DOUBT, SADNESS, TEARS, RUINS, DESTRUCTIONS, DEATH, in brief: the progeny of “IMPURITY” in all its forms.

Take a look all around you in this first “Specific Energy ‘EARTHLY’ Habitation Domain”, in which you live right now, what do you see day in day out? FEAR, ANXIETY, ANGUISH,

...”

It is so that, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have caused prejudice to their following, and to the descendants of their following, because of jealousy and the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” that they have in their “‘SPIRIT←SPIRIT’ Body” and which became an integral part of their “nature”.

And they have imprisoned all creatures in the darkness inside the “HUBRIS Spiritual Veil” which was theirs and which was frozen like a mist on all the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, and which, to the detriment of “THE KNOWLEDGE OF THE DIVINE”, prevented all creatures, both the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” as well as the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, to see “THE TRUTH SUN” which shines always outside and above the mist of ignorance.

Despite the prejudice that the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have caused to the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, “THE DIVINE”, IHVH, our FATHER, has not abandoned him in the “FATALITY”, caused by that “BETRAYAL” which the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had perpetrated against “THE DIVINE”, IHVH, our FATHER, on the afternoon of the Third Day of the implementation of the “Second Phase” of “THE HOLY PROJECT”, and which had tied everything in the evil and perverse purpose of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”.

DOUBT, SADNESS, TEARS, RUINS, DESTRUCTIONS, DEATH, in brief: the progeny of “IMPURITY” in all its forms.

What have you been fed with, since you enter the existence inside this first “Specific Energy ‘EARTHLY’ Habitation Domain”? FEAR, ANXIETY, ANGUISH, DOUBT, SADNESS, TEARS, RUINS, DESTRUCTIONS, DEATH, in brief: the progeny of “IMPURITY” in all its forms.

From whose trail of actions do you think such things are coming from?

CHAPTER 174

THE PAROXYSM OF THE “HUBRIS” IN “THE CELESTIAL HOST”: FORMALIZATION, ON THE FIRST DAY OF THE SECOND WEEK, OF THE PREMEDITATED DESTRUCTION OF THE “‘SPIRIT←LIGHT’ ‘EARTHLY’ CREATURE”

EXCERPT OF CONVERSATIONS

Excerpt of the conversation of October 01, 2005, Aristide with CHRIST. At the time of this conversation, “THE DIVINE”, IHVH, our FATHER, through “THE DIVINE FORCE”, had not yet awaken in the Tree that interprets and translates, the details of what had happen in the “Specific Energy ‘CELESTIAL’ Domain”, although HE had already placed the knowledge of those events, in this Tree which interprets and translates the work accomplished by “THE DIVINE FORCE”.

It was only later, when I reflected on the vision of 18 August 2005, and in which I had asked “THE DIVINE”, IHVH, our FATHER, through “THE DIVINE FORCE”, “*How did a such thing happen?*”, that I began to see more clearly and understand, with the help of “THE DIVINE FORCE” explaining me, everything that unfolded in front of “THE EYE OF THE DIVINE”.

“...

CHRIST:

Peace be with you brother Aristide, you have the greetings from the others there above, how are you?

Aristide:

Peace be with you LJ⁹⁹⁸, I am fine.

I am trying to understand why and how the impurity entered in this earthly world, and why did THE FATHER Creator did not prevent that?

CHRIST:

There is something that you must know. When the creation of the earthly world started, THE ETERNAL FATHER knew not that he would be betrayed by his own creatures, which has been the case with his archangels. THE ETERNAL FATHER is

⁹⁹⁸ LJ is the acronym that we have always used for the “Lord Jesus”, and it is also by this acronym we have always addressed him, with all due respect.

the “PURITY” and in that “PURITY”, there are no such “thoughts”.⁹⁹⁹

When his own creatures descended [were immersed in the earthly world], it was late and HE knew what was coming, then, HE saw the betrayals of his creatures and decided to get rid of them, but some remained loyal to him and he decided to keep them without telling them anymore of his upcoming projects.

Afterwards, they have caused prejudice to others, then, the decision was made to destroy the Earth and all its inhabitants. It is what has been done, while saving those eight people, thinking thus that evil would no longer be of this world in which you live.

But as time passed, the situation worsened.

You must know that THE ETERNAL FATHER has created the human creature in his own image, pure of mind and thought, that HE said almost everything to his children who are his creatures and archangels but after that all has changed and HE alone knows what HE does and when HE has to do it.

Maybe you already heard that HE does not trust his own angels and archangels? It is because HE had been betrayed; it is thus that, the betrayal entered your world because it all started here (in Heaven).

I don't know if you have understood?

⁹⁹⁹ The “Interpreted THOUGHTS” apply only to creatures that were created into existence in the attribute “NON DIVINE” and they do not exist in “THE SUPREME PLENITUDE” in which “THE DIVINE”, IHVH, our FATHER, and “THE DIVINE FORCE” are.

Write that testimony of CHRISTUS on the tables of your heart and remember it whenever the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, will tell you about their own works of the “Obscurity” and their consequences, and will subtly pin it on “THE DIVINE”, IHVH, our FATHER. Always remember that “THE DIVINE”, IHVH, our FATHER, is “ABSOLUTE PURITY”, HE IS THE KINDEST ENTITY THERE CAN BE INTO EXISTENCE. He always shows the greatest kindness towards His creatures and HE DOES NOT DO WHAT IS NOT IN HIS NATURE!

Aristide:

Yes, I understand.

CHRIST:

Everything was partly changed in part because of “the evil spirit”¹⁰⁰⁰ that had invaded the children of THE FATHER.

The FATHER decided to save what could still be and this work will stop when the earthly world will be purified of all sins and of all impurity that burden it.¹⁰⁰¹

¹⁰⁰⁰ It is about the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” that the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have developed in their “‘SPIRIT←SPIRIT’ Body” and which is born of the absence of “THE KNOWLEDGE OF THE DIVINE”, and “MALICE” that has also become part of their “nature”.

¹⁰⁰¹ Actually, the work will not stop when the earthly world will be purified of all sins and of all impurity that burden it; because, to eliminate or solve a problem, it is imperative to go to the “root causes”, to neutralize them and then eliminate them. The “root causes” — that is, the highest level underlying causes, the “what”, “how”, and “why” — of all this destruction are still in those angels and archangels that FATHER has maintained in the heavens. Those “root causes” are the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” and “MALICE” that the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have developed in their “‘SPIRIT←SPIRIT’ Body” and which became part of their “nature”. The “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” are prone to the Governing Law of the Behavior, the manifestation of “The Walk within the Acronym IHVH”, and, until these days of today, those angels and archangels are still standing in their own “IMPURITIES” and “LIES”, not realizing that this earthly world is also a reflection and the progeny of what they have hidden in themselves. Nothing escapes the sight of “THE EYE OF THE DIVINE”. To purify the earthly world of all sins and of all impurity that burden it, is to deal with the consequences of the problem, it is to merely address the immediately obvious consequences, except the “root causes”. By directing corrective measures at the “root causes”, it is more probable that the recurrence such destruction, to the likeness of the one in which the CREATION is now bogged down, will be prevented.

Those who were locked in the depths of the waters of this earthly world will soon be erased from existence: they know about it, and their fellows who were maintained in the heavens also know about it. Once they are erased from existence, then those who have been maintained in the heavens will face their fate and will be brought to look at themselves in the mirror and understand the “root causes” of all this destruction, instead of always pointing the finger at the reflection on the mirror.

The desire to dominate one's following and to possess all, comes from the fact that the "CONTROVERSY" between the Archangel MICHAEL and his other creatures who were cast out of Heaven lasts until nowadays, because the Earth is disturbed because of them; they who wanted to have full control and get everything, and manage the Earth and Heaven, hence the current fight between the angels who remained faithful to THE FATHER and them, between them and the terrestrial world.

Do you understand? And especially why it took THE FATHER to start all over again to redeem the earthly world, because you see, this is not what HE expected of his creatures, and I think that this was the worst of betrayals that can be, that, which HE has suffered.

"... "ADAM" also must choose ... the man has no favors ...", they have said regarding the "SPIRIT←LIGHT" 'EARTHLY' Creature", and thinking that their own monkey businesses, "IMPURITIES" and "LIES" will never come to light. In much the same, and if one follows the logic, which they have applied on their neighbour, now that their "IMPURITIES" and "LIES" have been unsealed, they too, in return, will "have no favors" and they must be held accountable for all this destruction that they have unleashed on the CREATION.

If those "root causes" are not neutralized and erased from existence, then, we will be back to square one and, the situation will become worse than what it is now, because "MALICE" will wear a different mask and find more refined ways to do what it does and get away with it at good price.

Only "THE DIVINE", IHVH, our FATHER, knows what HE will do with those angels and archangels that HE has maintained in the heavens, and for all human creatures who will stand and hold their ground in "PURITY", there are some very interesting things to come and to witness. Will the first two "SPIRIT←LIGHT" 'EARTHLY' Creatures, "ADAM" and "THE FEMALE" be resurrected and rehabilitated, once this earthly world will be purified of all sins and of all impurity that burden it?

To know the answer to this question, you must stand and remain firm in the "PURITY" and, through the Governing Law of the Behavior, the manifestation of "The Walk within the Acronym IHVH", you must achieve unity with "THE DIVINE FORCE".

All those who have elevated themselves and have declared themselves to be above their neighbour, in order to govern the CREATION, based on the deception and the "full-fledged lowest blow" that they have struck against "ADAM", they will be brought down from their perches and will be considered as worthless; it cannot be otherwise, for, the work of "THE DIVINE", IHVH, our FATHER, is not founded on deceptions and lies.

Aristide:

Yes, I understand.

(... Conversation on others subjects ...)

...

As we have indicated already, nothing is hidden, except to be made manifest; nor is anything secret except to come to light.

“ ...

Until all of the “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures”, elders of the creation, without exception, fully reveal their characters to all, they are allowed time... but the way they are using this time is doing nothing but revealing more clearly their “nature” and the “MALICE” and the sin in them.

...”

As we have indicated also, since the announcement of the implementation of the “Second Phase” of “THE HOLY PROJECT”, when the “floor had vanished underneath their feet” in their “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, once they came to understand that “... *None amongst them, who are elders of the creation, but a new creature will receive and carry the manifestation of “THE UNION” ...*”, these “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures” “lost their mind”, in the sense that, they became insane, mentally unsound, and extremely foolish.

Following the “psychological trauma”¹⁰⁰² caused by that announcement, their characters and, hence, the “nature”, which have emerged in these

¹⁰⁰² We use this word to bring you to grasp the depths and the severity of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” in which these “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures” had sunk before the announcement of the implementation of the “Second Phase” of “THE HOLY PROJECT”.

As you would already know, psychological trauma, psychotrauma, or psychic trauma, is the set of safeguard mechanisms of a psychological, neurological and physiological order that can occur following an event generating an emotional load not controlled and beyond the resources of the subject, and thus causing in the subject a lasting emotional upheaval and more or less profound transformations. Psychological trauma is very often expressed by

“‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, “pampered children”, all standing in “DISGRACE”, “IMPURITIES”, and “LIES”, and all prone to the Governing Law of the Behavior, and adrift into the absence of responsibility and accountability, was revealed and will be revealed much more throughout the unfolding of this “Second Phase” of “THE HOLY PROJECT”.

Besides the treacherous characteristics of the evil and depraved state of mind of “pampered children”, which we have already described, others aspects of their characters and, hence, the “nature”, which have emerged in these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” (on both sides of the two warring parties of this ongoing “CELESTIAL WAR”), have also been extensively documented in the psychology literature and are designated nowadays under the term: the psychopathic character (or personality).

As you would know already, “psychopathy” is a designation, which refers to a pattern of “abnormal” affective, interpersonal, lifestyle behaviors and attitudes associated to the character and, hence, to the “nature”, which have emerged in a creature. Here, the “abnormality” is defined by the deviation of the considered character from “THE FIRST COMMANDMENT” — “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” —, the LAW from which all existing laws arise: the larger the deviation, the larger the “abnormality”.

The psychopathic character develops outside the boundary of “THE FIRST COMMANDMENT” — “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” —, the LAW from which all existing laws arise, and once that, which is designated as the “nature” has been sealed, the psychopathic character cannot

reactions, which take the form of symptoms such as somatic hyperarousal (agitation, anxiety, acute psychotic disorders), repetition syndrome (recurrent intrusive memories, nightmares), dissociation (detachment) and personality disorders, and avoidance (situational or social anxiety, generalized anxiety disorders).

Comfortably seated atop the perch of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” and the absence of “THE KNOWLEDGE OF THE DIVINE”, the fact of having understood suddenly and unexpectedly that “... *None amongst them, who are elders of the creation, but a new creature will receive and carry the manifestation of “THE UNION” ...*” had a traumatic effect on these “ADONA’IM”. In their logic distorted by the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, they saw this as a threat to their integrity. This perception was accompanied by the feeling of helplessness, terror, distress, dread, loneliness, abandonment, etc., and they reacted and embraced stupidity; thus imagining to save their integrity that they have defined themselves in their “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”.

adjust anymore to “THE FIRST COMMANDMENT”. It is so that, psychopathic individuals, in whom that, which is designated as the “nature” has been sealed, do not abide by the established rules of existence; they disregard “THE FIRST COMMANDMENT” — “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” — as if it does not apply to them. In their absence of knowledge about their own existence, they are not aware that they are prone to the Governing Law of the Behavior.

Psychopaths are callous, they lack remorse, they lack empathy for others, and they display little guilt or remorse for their actions. They are cunning, they have a manipulative interpersonal style, they have a grandiose sense of self-worth, and once that, which is designated as the “nature” has been sealed in them, they do what their “nature” is.

The psychopath is supremely selfish, living only for immediate gratification and reward and without regard for the consequences. The psychopath is always able to differentiate between that, which is “RIGHT” and that, which is “WRONG”, but he does not believe that the rules apply to him. The only interest a psychopath has in the established rules is to make sure that he is not caught when he violates them and, if he is caught, he deflects his own transgressions and irresponsibility onto someone else, by some tricks; he will emphatically deny any responsibility and accountability and, without feeling shame, he will do what his “nature” is and turn to manipulation and finger-pointing: for the psychopath it is always someone else’s fault. The only time a psychopath shows an ordinary response to kindness or special treatment by others is when it can be used to his advantage.

On first impression, and as part of the masks of convenience (masks of sanity), which they wear, psychopaths generally appear charming, engaged, caring, friendly, reliable, devoted, logical, reasonable, and trustworthy with well thought-out goals. They give the impression that they can reason, that they know the consequences for unlawful behavior and that they will react appropriately. Once they have projected the view of being honest and sincere onto others, and as they stand in “DISGRACE”, “IMPURITIES”, and “LIES”, and as they are prone to the Governing Law of the Behavior, they do what their “nature” is: they beget all forms of the progeny of “DISGRACE”, “IMPURITIES”, and “LIES”, without concern for others.

Because psychopaths, standing in the “IMPURITY” in all its forms, have mastered the art of deception, those onto whom they have given the impression of being honest and sincere will be slow to understand or to accept the abrupt change, which they will see in the behaviour of the psychopaths. When psychopaths are

confronted with their lack of responsibility, lack of honesty or lack of loyalty, it generally has no impact on their attitude or future performance. They are unable to perceive that other people may value truthfulness and integrity; they are unable to perceive that other people may choose to stand in the "PURITY".

The psychopathic character is the characteristic of those "SPIRIT←SPIRIT" 'CELESTIAL' Creatures" that "THE DIVINE", IHVH, our FATHER has maintained in the "Specific Energy 'CELESTIAL' Domain": they are the "psychopaths".

Add to this psychopathic character, the inner "ANGER", which surfaces from the broken "SPIRIT←SPIRIT" Body" with violent episodes, which they cannot control and which are manifested into existence through the "speech" and through the reckless and destructive actions, which they perpetrate, and you have the other class of "psychopaths".

This other class is the characteristic of those "SPIRIT←SPIRIT" 'CELESTIAL' Creatures", which were pulled out of the destruction in the "Specific Energy 'CELESTIAL' Domain" and immersed in the "Specific Energy 'EARTHLY' Substance" constituent of the first "Specific Energy 'EARTHLY' Habitation Domain" in which live "SPIRIT←LIGHT" 'EARTHLY' Creatures": they are the class of violent "psychopaths".

Stand in "PURITY" and go talk to "THE DIVINE FORCE" about these "SPIRIT←SPIRIT" 'CELESTIAL' Creatures" (on both sides of the two warring parties of this ongoing "CELESTIAL WAR"). Your hair will stand stiff on your head when "THE DIVINE FORCE" tells you about these "SPIRIT←SPIRIT" 'CELESTIAL' Creatures" and their malicious works. Afterwards, when "THE DIVINE FORCE" will show you the works of these "SPIRIT←SPIRIT" 'CELESTIAL' Creatures", you will understand what is written here.

You can already understand such things from the records of the history of human creatures and which they called "Holy Scriptures". First of all, keep in mind that "THE DIVINE", IHVH, our FATHER is "THE ABSOLUTE PURITY" and HE does not do what is not in His "nature"; in Himself HE has consolidated "THE DIVINE SUPREME CONFIGURATION" of seven "Divine Particles" and the Governing Law of the Behavior, "The Walk within the Acronym IHVH", which is defined in and is a cornerstone of "THE DIVINE SUPREME CONFIGURATION" of seven "Divine Particles". Now, check the "Book of Job" and all the killings and destructions that these "SPIRIT←SPIRIT" 'CELESTIAL' Creatures" perpetrated all around the human creature designated as "Job". What do you think about such evil works? Were those the works of sane "SPIRIT←SPIRIT" 'CELESTIAL' Creatures"?

Creatures” towards their neighbour, the human creature who was designated as “Job”? Or were those the works of “psychopaths” towards their prey? How would you designate those who do such evil things towards their neighbour? And throughout the course of this “Second Phase” of “THE HOLY PROJECT”, that is how these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” (on both sides of the two warring parties of this ongoing “CELESTIAL WAR”) at all times in their recess have “played hockey” with humanity, using human creatures as “hockey ball”, and they have destroyed many, so many human creatures. All the crimes that they have perpetrated, up to the least details, have been recorded by “THE DIVINE FORCE”.

Excerpt of the conversation of September 02, 2005, Aristide with CHRIST and Archangel PHANUEL. At the time of this conversation, “THE DIVINE”, IHVH, our FATHER, through “THE DIVINE FORCE”, had not yet awaken in the Tree that interprets and translates, the details of what had happen in the “Specific Energy ‘CELESTIAL’ Domain”, although HE had already placed the knowledge of those events, in this Tree which interprets and translates the work accomplished by “THE DIVINE FORCE”.

It was only later, when I reflected on the vision of 18 August 2005, and in which I had asked “THE DIVINE”, IHVH, our FATHER, through “THE DIVINE FORCE”, “*How did a such thing happen?*”, that I began to see more clearly and understand, with the help of “THE DIVINE FORCE” explaining me, everything that unfolded in front of “THE EYE OF THE DIVINE”.

CHRIST:

Peace be with you brother Aristide, how are you?

Aristide:

Peace be with you LJ, I am holding my ground. I come to listen to your advice. Because they always give joy, and a happy heart keeps a man alive.

CHRIST:

I have the joy in my heart to speak to you. Did you start with my song¹⁰⁰³?

Aristide:

Not yet, but I will be doing so soon.

¹⁰⁰³ In another conversation, prior to this one, I talked with CHRIST about the song that He sang to his disciples, to lead them to understand thought discernment, who is He (CHRIST), at the time when He was still living here on Earth, accomplishing the project for which “THE DIVINE FORCE” brought him forth into existence. His disciples at that time did not understand anything at all about what He was telling them through that song. It is that song that He is referring to, in this conversation. We have inserted an excerpt of that song at the end of this BOOK.

CHRIST:

You will also pass my greetings to Margriet and that of the others here above, I suppose you have questions for me?

Aristide:

Not really, but I would love to listen to all that you can tell me about this world I live in. It would give me something to think about and meditate on.

CHRIST:

The world is simple you see, but everywhere there are ambushes and you have to overcome them to get there and to do your mission well. You also need patience in everything you do. You must not forget one thing: the intelligent man is the one who thinks before acting and is slow to anger as I have been and as I always am, except towards those who curse THE ETERNAL. Seeing you, I see that you are following the right path.

Aristide:

It is necessary. We must honor you and FATHER and not give the enemy an opportunity to rejoice.

CHRIST:

Yes, I think so too and I would help you all, you don't have to be afraid of anything in life because it will not be easy. Any combatant must fight with his weapons in order to achieve his mission, yours is the "Divine Word"¹⁰⁰⁴ and you must succeed through it, because the world and all that it contains are in the hands of the Divine FATHER. You just have to stay focus and keep on the right path, that is to say, that of the

¹⁰⁰⁴ We were talking here about "THE DIVINE FORCE", who incarnates the "Divine Word". To succeed through "THE DIVINE FORCE", you MUST STAND AT ALL TIMES IN "PURITY"! For, as we have already explained to you several times, "THE DIVINE FORCE" is "ABSOLUTE PURITY", She is the very symbol of "PURITY". You cannot approach or walk with "THE DIVINE FORCE" if you have "IMPURITY" in you.

TRUTH. You can ask me any question you want, that's what I am here for.

Aristide:

Thanks for your advice. Can I also talk to Phanuel?

CHRIST:

Yes, you can talk to him, Michael will let him come to answer your questions, I leave you in peace, I thank THE FATHER and I thank you. Peace be with you.

Aristide:

Be blessed and blessed be THE FATHER CREATOR. Peace be with you.

(Few seconds after that CHRIST returned to the Heavens, the Archangel PHANUEL arrived, following a call sent by the Archangel MICHAEL through "telepathic" communication.)

Aristide:

Peace be with you Phanuel, be blessed and blessed be THE FATHER CREATOR.

Archangel PHANUEL:

Peace be with you brother Aristide, I am Phanuel, how are you? I am happy to meet you.

Aristide:

I am fine; I wanted to meet you too, after Uriel and Raguel. I told myself that I must go and introduce myself to Phanuel, even as he already knows me.

Archangel PHANUEL:

Yes and that's a good thing since you have heard of me, you also know that I am an Archangel?

Aristide:

Yes, I know. I would also like to ask you some questions if you will allow it.

Archangel PHANUEL:

You must always have “peace of heart”¹⁰⁰⁵ because only then will you be able to do the work that was entrusted to you decades ago, you may not have known it, but it is so.¹⁰⁰⁶ All right, I am listening to you.

Aristide:

For more than 70 billion years that THE FATHER CREATOR created the human creature, I am sure that human creatures have already made you see all colors. What do you think of the human creature? How do you characterize it?

Archangel PHANUEL:

More than the colors and none of those that are in the “alliance with humans”¹⁰⁰⁷ has gone unnoticed. The human

¹⁰⁰⁵ “Peace of heart” is a reference to “HARMONY” with “THE DIVINE”, IHVH, our FATHER.

¹⁰⁰⁶ All the “ADONA’IM” and Archangels knew already about “He who wrote the book”, but “He who wrote the book” himself was not yet aware of who he himself was and why these “ADONA’IM” and Archangels were all “happy to meet” him. We give you all this information so that you, human creature reading these writings, understand that while you are “minding your business” here on Earth to survive, you will not be aware that something is actually expected of you, out of this Earth: the seed of the plant of “THE KNOWLEDGE OF THE DIVINE” has been planted in each of you, as a “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”. Do you remember what we have explained already about the “tilled ground”? Forget not that you are a “‘SPIRIT←LIGHT’ ‘SPIRITUAL’ Creature” wearing a “Subjective ‘EARTHLY’ Garment” (which in fact is the “tilled ground”). What will come out of the seed of the plant of “THE KNOWLEDGE OF THE DIVINE” that was sowed in that “tilled ground”? Once you leave that “Subjective ‘EARTHLY’ Garment”, the extent of growth of the plant of “THE KNOWLEDGE OF THE DIVINE” inside of you, as a “‘SPIRIT←LIGHT’ ‘SPIRITUAL’ Creature”, will be measured and appraised. Thus, wake up while you still have time and take appropriate course correction in order to understand who you are, why are you here on this Earth and how to grow that plant of “THE KNOWLEDGE OF THE DIVINE”, which is inside you, so that it flourishes and produce abundant “flowers” or “fruits”, as the OWNER of the vineyard wants it to be. Carefully observe flowering plants, fruit plants, and any other plant whatsoever, around you and in the environment in which you live and understand these things, learn from them, make the appropriate course correction, before it is too late for you to be able to change anything inside of you.

¹⁰⁰⁷ This is a reference to all the colors of the rainbow and it is meant to say that nothing surprises him anymore coming out from human creatures.

creature is someone who is quickly “manipulated and weak in mind”¹⁰⁰⁸ but can manage to succeed.

Aristide:

How do you describe the work of human creatures on this earth since its creation?

Archangel PHANUEL:

It changes with each mission and each human creature, but everything remains the same since the beginning until these days of today.

Aristide:

What can you tell me about this world I live in? Any advice for me?

Archangel PHANUEL:

Leave the world to the world. Tell yourself that everything is in the hands of THE FATHER; do not ask for things that will destroy your spirit, flesh and soul but ask that HIS will be fulfilled so that you carry on more tasks, because he knows what you need and he will give it to you because of his promise and “his love for you”¹⁰⁰⁹. You will tell me surely that it is not easy and that I know it because the flesh of any

¹⁰⁰⁸ He is speaking about “psychological manipulation” in all its forms. As you would know already, psychological manipulation is the exercising of undue influence through mental misrepresentation and emotional exploitation, carried out covertly, with the intention to seize power, control, benefits, and privileges at the victim’s expense. It is a radical programming or reprogramming of all or most of the victim’s beliefs, desires, consciousness, and other mental states, by using verbal, paralinguistic, and non-verbal means. In psychological manipulation, the manipulator deliberately creates an imbalance of power, and exploits his victim to serve the manipulator’s agenda.

¹⁰⁰⁹ When a “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” says such things, you should understand that FATHER has manifested a metaphor of a unique “DIVINE PRIMARY WEALTH”, which has never been manifested in ANYONE amongst the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”. That is their understanding of “love” of FATHER for HIS children. Do you remember about “ADAM”, “*the most precious creature of IHVH*” as these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had said in those days, and what those same “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” did to “ADAM” afterward?

human is weak but it is necessary to dominate it and I will tell you how to do it. You can ask me your questions if you have any, I am here for that.¹⁰¹⁰

Aristide:

How to dominate the flesh¹⁰¹¹?

Archangel PHANUEL:

To dominate the flesh, you have to wage a merciless fight, which without the help of the Lord¹⁰¹² can lead to your downfall. You must arm yourself with patience and courage, tell yourself that the Lord alone with your help directs your flesh and know that it is only vanity. Know that at the end of any mission, the flesh remains here below and you are clothed with “another flesh”¹⁰¹³ to continue your mission with THE FATHER.

Aristide:

I notice that you are short and to the point in everything you say. On the writings of elder Enoch, I read that you preside over the penance and the hope of those who are to inherit eternal life. Can you tell me what is your mission?

Archangel PHANUEL:

I simply wait for those who do their work, I am the one who leads them to the son¹⁰¹⁴ through the angels to be judged and await the final decision of the son or THE FATHER. I am not brief in what I am saying, it is just that I want to be sure that

¹⁰¹⁰ As you would have noticed, he was leading me to the questions, which he wanted me to ask. So, I went along with the process.

¹⁰¹¹ This is about the damaged “Subjective ‘EARTHLY’ Garment” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

¹⁰¹² The “Lord” is a reference to CHRIST.

¹⁰¹³ This is about the perdurable “Specific ‘SPIRITUAL’ Garment” of the “‘SPIRIT←LIGHT’ ‘SPIRITUAL’ Creature”.

¹⁰¹⁴ This is another designation referring to CHRIST.

your spirit of discernment rises more and that you can quickly understand the holy word. It also allows me “to elevate you spiritually”¹⁰¹⁵ knowing that you are worthy of THE FATHER’s work. It is “MICHAEL who has the role of educating you”¹⁰¹⁶ and his teaching is that of a good master

¹⁰¹⁵ “to elevate spiritually” is a reference to the task to facilitate the education of the first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, and of his descendance of “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” in general, as regards the development of the elements of “THE ‘SPIRIT’ REASON”, and which was assigned to these “ADONA’IM”, before the creation of this first “Specific Energy ‘EARTHLY’ Habitation Domain”: **“everything remains the same since the beginning until now.”**

Remember the question that was asked earlier: “*How do you describe the work of human creatures on this earth since its creation?*” and the answer that was given: “*It changes with each mission and each human creature, but **everything remains the same since the beginning until now.***”

¹⁰¹⁶ In much the same manner as he, the Archangel MICHAEL, was assigned the task to facilitate the education of “ADAM”, the first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”. By now, you now know how “ADAM” was back-stabbed by the Archangel MICHAEL, who he thought was there to assure his well-being and how it all ended with “ADAM”.

Do you remember what we have said about that, which has been sealed in the “Nature” of a creature? The Archangel MICHAEL has repeated the same treachery and back-stabbing with many others human creatures afterwards, who were either destroyed or had submitted and surrender to him, and have chosen to stand in the same swamp of “DISGRACE”, “IMPURITIES” and “LIES”, in which those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” are standing, and they have erected barriers between themselves and “THE DIVINE”, IHVH, our FATHER. This was also first revealed to the elder ENOCH, of whom METHUSELAH is the descendant, through communication by “VISIONS”, which was sent to him by “THE DIVINE FORCE” on instructions of “THE DIVINE”, IHVH, our FATHER, and concerning the “blinded seventy shepherds”. We will come to that communication by “VISIONS” on the “blinded seventy shepherds” in another chapter below. Just like in a closed loop, **“everything remains the same since the beginning until now.”**

Remember this, fellow human creature, who is reading these writings: YOU SURRENDER ONLY TO “THE DIVINE FORCE” AND TO “THE DIVINE”, IHVH, OUR FATHER, and TO NO ONE ELSE! STAND IN “PURITY” AND HOLD YOUR GROUND IN “PURITY” and you will wake up from the bed of ignorance and you will understand these recommendations.

apart from the fact that he is a fighter like GABRIEL. You see that the minds are the same but each job is different.¹⁰¹⁷

Aristide:

I see that of MICHAEL, GABRIEL, RAPHAEL, URIEL, RAGUEL and you, each one proceeds with a different style. I also see that you (PHANUEL) are very humble.¹⁰¹⁸

Archangel PHANUEL:

And I am a little used to the sun¹⁰¹⁹ and my stars¹⁰²⁰ burning and shining hence that tone, and you will excuse me.

Aristide:

No, I am the one who is grateful to you for showing me what humility is.

Archangel PHANUEL:

I promise to change next time and be like Michael and Gabriel, but you must know that we have the same spirit but the task is different.

¹⁰¹⁷ None of these “ADONA’IM” and Archangels could and can “see” or “perceive” “THE DIVINE FORCE” along side HER Child and educating him and showing him the devastating works of these “ADONA’IM” and Archangels. They have simply understood that FATHER loves “He who wrote the book” and that “He who wrote the book” was protected.

¹⁰¹⁸ During conversations with other “ADONA’IM”, I had already noticed the almost absence of humility in their tone and the presence of “something” different from “humility”, “something” that I could feel, but that I could not put my finger on; but I left that matter on the back-burner, and it is only few years later that I understood what that “something” was: the absence of “THE KNOWLEDGE OF THE DIVINE”.

¹⁰¹⁹ This is a reference to the Archangel RAGUEL who dwell in the Solar star, which you see shining everyday above your heads, above this Earthly world.

¹⁰²⁰ This is a reference to those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of the “LUMINAIRES” classification (or to the “STARS” classification), who are under his supervision.

Aristide:

No, no, do not change. Being humble is a very great quality that can only be found in those who are endowed with wisdom.

Archangel PHANUEL:

Bless be THE ETERNAL and be blessed for these words. You can call on me whenever you want and I will come but stay on your guard.

Aristide:

I will do so. Be blessed, blessed be LJ and THE FATHER CREATOR. Also pass my greetings to those of you up there, without forgetting to the “MOST LUMINOUS”¹⁰²¹ one.

Archangel PHANUEL:

It is allowed, I will do it, it is promised.

¹⁰²¹ As we have explained already, this is another designation of the Archangel RAGUEL.

CHAPTER 174
THE PAROXYSM OF THE “HUBRIS” IN “THE CELESTIAL HOST”: FORMALIZATION, ON THE
FIRST DAY OF THE SECOND WEEK, OF THE PREMEDITATED DESTRUCTION OF THE
“SPIRIT←LIGHT” ‘EARTHLY’ CREATURE”

CHAPTER 175

SAVE WHAT COULD STILL BE SAVED FROM THE “SECOND PHASE” OF THE HOLY PROJECT

In the afternoon of the Third Day of the implementation of the “Second Phase” of “THE HOLY PROJECT”, by the “BETRAYAL” that the “ADONA’IM” had perpetrated against “THE DIVINE”, IHVH, our FATHER, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who carried with them all their filth and the mark of “DEATH”, had been intentionally pulled out of the destruction by the flow of the pure “Specific Atomic ‘SPIRIT’ Substances”, containing crude and very high “‘SPIRIT’ specific supply of subsistence”, which had been accumulated inside of the “SHEKINAH”, and which flooded the “Specific Energy ‘CELESTIAL’ Domain”, and they have been immersed in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”.

And at that moment and at those places where had fallen the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” that have openly rejected “THE DIVINE”, IHVH, our FATHER and all that HE is, and which thus carried with them all their filth and the mark of “DEATH”, both the following were contaminated and turned in the state of “CHAOS”, contrary to the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”:

1. The “Specific Atomic ‘SPIRITUAL’ Substances” constituents of the “Specific Energy ‘SPIRITUAL’ Substance” of the “Specific ‘SPIRITUAL’ Environment” containing the first “Specific Energy ‘EARTHLY’ Habitation Domain”; and
2. The “Specific Atomic ‘EARTHLY’ Substances” constituents of the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”.

When the “Subjective ‘EARTHLY’ Garment” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” was created into existence from “Specific Atomic ‘EARTHLY’ Substances” constituents of the “Specific Energy ‘EARTHLY’ Substance”, the breath emitted by the Archangel MICHAEL, — that breath in itself was already carrying “IMPURITIES”¹⁰²², since the Archangel MICHAEL himself was already standing in “DISGRACE”, “IMPURITIES”, and “LIES”, the evidence of which was the “BETRAYAL” he perpetrated against “THE DIVINE”, IHVH, our FATHER — and to which “THE DIVINE FORCE” had joined the “‘SPIRIT←LIGHT’ Body” in the “PRINCIPAL” instance of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, came further into contact with impure “Specific Atomic ‘EARTHLY’ Substances” as consequence of the presence of the filth that had been immersed in the “Specific Energy ‘EARTHLY’ Substance”, at the end of the Third Day of the implementation of the “Second Phase” of “THE HOLY PROJECT”, and in addition, those “Specific Atomic ‘EARTHLY’ Substances” in their manner of being are not in the “‘SPIRIT’ Specific State” used for the construction of the “Specific Energy ‘SPIRIT’ Substance” constituent of this “‘SPIRIT←LIGHT’ Body” in the “PRINCIPAL” instance of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model.

It is so that, at the moment when the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” was manifested into existence in the “Plane Below”, in the attribute “NON DIVINE”, his “‘SPIRIT←LIGHT’ Body” which was “PURE” at its creation inside of “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” in the “Specific Energy ‘CELESTIAL’ Domain” — and at exit of “THE SHEKINAH”, will lose its “HOMOGENEITY” and was rendered “IMPURE” immediately at the entrance of the “Subjective ‘EARTHLY’ Garment”; because it got mixed with “IMPURITIES”, which were present in the breath and in those “Specific Atomic ‘EARTHLY’ Substances”.

Therefore, the “HARMONY” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” with “THE DIVINE”, IHVH, our FATHER, was affected from that moment, although this will be noticeable until later.

It is so that, through the recursive transformations, which we described in a previous section, every “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” as a “Specific Energy ‘SPIRIT←LIGHT’ Bridge” offspring from the firsts two will be forever in a precursor state of “CHAOS”, contrary to the “HARMONY” prescribed by “THE

¹⁰²² Just like the breath of a subject carrying severe diseases contains “IMPURITIES” to some extents.

DIVINE ARCHITECT AND PROJECT MASTER”, and it will not function anymore as “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed it.

Afterwards, it was just a matter of time before that the intensity of the state of “CHAOS” of the “Specific Atomic ‘EARTHLY’ Substances” constituents of this “Specific Energy ‘EARTHLY’ Substance”, contrary to the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”, be rendered manifest on scales larger than that of the “Specific Atomic ‘SPIRIT’ Substance”, and in the first manifestation of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model.

Nevertheless, “THE DIVINE”, IHVH, our FATHER has not abandoned the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, His love for the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” has never decreased, and HE has not turned the “Causal Precedence Relation of ‘THE PRAISE’” off to him, because of the prejudice that the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” brought on him.

The fact that “THE DIVINE FORCE” has never disclosed the existence of the “‘SPIRIT←LIGHT’ Body” to the Archangel MICHAEL, and to no other “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, and neither how this “‘SPIRIT←LIGHT’ Body” is embedded in the “Subjective ‘EARTHLY’ Garment”, has been the way of salvation of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” and it is by this way of salvation that the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” has escaped the total extermination from existence.

“THE DIVINE ARCHITECT AND PROJECT MASTER” has designed the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model in the likeness of “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” in the “Specific Energy ‘CELESTIAL’ Domain”.

“THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — is the first expression in the attribute “NON DIVINE” of a metaphor of “THE ‘SPIRIT←LIGHT’ EON” at the limit of “proximity” of the most potent properties that “THE DIVINE ARCHITECT AND PROJECT MASTER” has fixed for the “‘SPIRIT→LIGHT’ Specific State” in the attribute “NON DIVINE”. It is the first expression in the attribute “NON DIVINE”, of the link of attachment of the “Specific Energy ‘CELESTIAL’ Domain” to “THE PLACE OF LIFE”: it is “THE TREE OF LIFE” manifested in the “Specific Energy ‘CELESTIAL’ Domain”.

The “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model is the second expression in the attribute “NON DIVINE” of a metaphor of “THE ‘SPIRIT←LIGHT’ EON”. It is the second expression in the attribute “NON DIVINE” of the link of attachment

to “THE PLACE OF LIFE”: it is also so that the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” is also a “TREE OF LIFE” manifested in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”.

Just as the “GLORY OF THE SHEKINAH” was made much more manifest inside of “THE SHEKINAH” when the degree of presence of “IMPURE” external signals that had been emitted by the “Specific Energy ‘CELESTIAL’ Substance” and by the “Specific ‘SPIRITUAL’ Environment” external and immediate around “THE SHEKINAH” had been high enough, likewise, “The ALTAR of ‘THE DIVINE’” inside the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” will emit much more of products of its “specific work” in order to eliminate any trace of impurity in the “Specific Energy ‘SPIRIT’ Substance” constituent of the “‘SPIRIT←LIGHT’ Body”.

At the difference of “THE SHEKINAH”, where the “Specific Atomic ‘LIGHT’ Substances” constituents of this “Specific Energy ‘LIGHT’ Substance” are continually generated by “EXPANSION”, and in the temporal limits that “THE DIVINE ARCHITECT AND PROJECT MASTER” has established, “The ALTAR of ‘THE DIVINE’” inside the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” will produce its “specific work” while it will have the external supply of subsistence in order to remain into existence in the “‘LIGHT’ Specific State”.

This external supply of subsistence will be provided, in the form of “‘LIGHT’ specific supply of subsistence”, by any expression in the attribute “NON DIVINE” of a metaphor of “THE ‘LIGHT←GOD’ EON”, or by “THE DIVINE FORCE”, as a result of the execution of the “Causal Precedence Relation of ‘THE PRAISE’”.

It is so that, through this way of salvation, “THE DIVINE” has established the task to restore “THE TABERNACLE”; that is, to restore the unique expression of “THE UNION” represented by the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” and to restore the “Causal Precedence Relation of ‘THE PRAISE’” on the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

For the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, this “Causal Precedence Relation of ‘THE PRAISE’” must be established as it should with all its two core components. The first core component that will emit “THE PRAISE” is the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”. “THE PRAISE” will be emitted towards any expression of the metaphor of “THE ‘LIGHT←GOD’ EON” in the attribute “NON DIVINE”, or directly towards “THE

DIVINE” (through “THE DIVINE FORCE” as intermediary) and using the “‘LIGHT→GOD’ CORD OF PRAISE”.

It is so that, through the “Causal Precedence Relation of ‘THE PRAISE’” which is catalyzed by the degree of presence of “THE SPECIFIC SPIRITUAL FORCE OF LIFE” — that is, “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” — in the “Specific ‘SPIRITUAL’ Environment” external and immediate around the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” should work so as to always possess a significant surplus of “‘LIGHT’ specific supply of subsistence” in “The ALTAR of ‘THE DIVINE’” which is inside his “‘SPIRIT←LIGHT’ Body”.

To this end, the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” must be and remain at all times in “THE PRAISE” with “THE DIVINE”, IHVH, our FATHER. It is through such permanent “PRAISE” with “THE DIVINE”, IHVH, our FATHER, that “The ALTAR of ‘THE DIVINE’” which is inside the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, will have a surplus of “‘LIGHT’ specific supply of subsistence” and subsequently produce the large surpluses of “‘SPIRIT’ specific supply of subsistence” which will be used by the remaining components of the “‘SPIRIT←LIGHT’ Body”.

Just as in the afternoon of the Third Day of the implementation of the “Second Phase” of “THE HOLY PROJECT”, the flow of the pure “Specific Atomic ‘SPIRIT’ Substances”, containing crude and very high “‘SPIRIT’ specific supply of subsistence”, which had been accumulated inside of the “SHEKINAH”, and which flooded the “Specific Energy ‘CELESTIAL’ Domain”, destroyed in-depth every filth and impurity which was present in the “Specific Energy ‘CELESTIAL’ Substance” constituent of the “Specific Energy ‘CELESTIAL’ Domain”, likewise, at the scale of the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, this always significant surplus of “‘LIGHT’ specific supply of subsistence” will allow to the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”:

1. To destroy the effects of those “Specific Atomic ‘EARTHLY’ Substances” which are in his “‘SPIRIT←LIGHT’ Body” and are in the state of “CHAOS”, contrary to the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”, and which are transmitted through the recursive transformations starting from one “‘SPIRIT←LIGHT’ Body” to another; and also
2. To maintain the proximity of the “HOMOGENEITY”, of the “PURITY” and of the “HOLINESS” of his “‘SPIRIT←LIGHT’ Body”.

It is in this proximity of the “HOMOGENEITY”, of the “PURITY” and of the “HOLINESS” that the “‘SPIRIT←LIGHT’ Body” will begin to function as a “TREE OF LIFE” manifested in the first “Specific Energy ‘EARTHLY’ Habitation Domain”, and bear abundant “fruits” of the “TREE OF LIFE” as “THE DIVINE”, IHVH, our FATHER wanted it to be when had HE decided to share His great “DIVINE WEALTH” with the attribute “NON DIVINE”.

Those are the primary tasks that were assigned to you, “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” reading these writings, as a living reproduction (replication) of “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’”. You MUST take care of the unique expression of “THE UNION”, which is represented by your “‘SPIRIT←LIGHT’ Body”, by performing those appropriate primary tasks. Those are the maintenance tasks of “THE TABERNACLE”, which is inside you. ONLY YOU can do it and NO ONE ELSE! And it is “THE DIVINE FORCE” who will guide you in performing those primary tasks.

Here, the “Subjective ‘EARTHLY’ Garment” does not count anymore because it has already been destroyed by the Archangel MICHAEL, although the detailed knowledge of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” that “THE DIVINE FORCE” has imparted into it is still available for the education of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”: everything that “THE HAND OF THE DIVINE” write into existence is meant to last and cannot be erased overnight from the paper on which it is written. What must be saved is the “‘SPIRIT←LIGHT’ Body” contained in the “Subjective ‘EARTHLY’ Garment”.

This “Subjective ‘EARTHLY’ Garment” is nothing more than a burden holding back the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, and do not take into account this burden in this task to restore “THE TABERNACLE”; that is, to restore the unique expression of “THE UNION” represented by the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” and to restore the “Causal Precedence Relation of ‘THE PRAISE’” on the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

Instead of the original classifications of “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” through the seven instances of the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, which were to arise from their “PRINCIPAL” instance, “ADAM”, who has been destroyed by the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, disciples of ignorance, it is so that, as consequences of that destruction and also of the destruction of “THE

KNOWLEDGE OF THE DIVINE” that was to flow out from the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, now the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, descendants of the first two, who have worked so as to always have a surplus of “‘LIGHT’ specific supply of subsistence” at all times in their “‘SPIRIT←LIGHT’ Body”, will be broadly splitted into two classifications: the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” of the classification of the “SAINTS”, and the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” of the classification of the “RIGHTEOUS”.

The “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” of the classification of the “SAINTS” will be those, whose “‘SPIRIT←LIGHT’ Body” will be in the proximity of the “HOMOGENEITY” and of the “HOLINESS”.

The “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” of the classification of the “RIGHTEOUS” will be those, whose “‘SPIRIT←LIGHT’ Body” will be in the proximity of the “HOMOGENEITY” and of the “PURITY”.

It is of these “SAINTS” and of these “RIGHTEOUS” that ENOCH, of whom METHUSELAH is a descendant, reported in his writings. It is of these “SAINTS” and of these “RIGHTEOUS” that one is referring to in all the Scriptures.

To these two classes of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, “THE DIVINE”, IHVH, our FATHER, will add a third classification; that, which will carry the rays of “THE TRUTH SUN” inside the frozen mist caused by the “HUBRIS Spiritual Veil”, in order to shed light on the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”. That third classification will be the exclusive property of “THE DIVINE FORCE”, and hence will be “dedicated” to “THE DIVINE”, IHVH, our FATHER. We shall write about this third classification in the following sections.

These three classes — the classification of the “SAINTS”, the classification of the “RIGHTEOUS”, and the classification of those who carry the rays of “THE TRUTH SUN” — are pledges of blessings for the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, until retribution is made to which cannot escape the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” for the prejudice that they have caused to their neighbour and for the damages that they have inflicted in “THE HOLY PROJECT”. For, “INJUSTICE” and “IMPURITIES” cannot be endorsed by “THE DIVINE”, IHVH, our FATHER and “THE HOLY PROJECT” will not resume its course on “IMPURITIES” and “LIES”.

It is so that, through this way of salvation, the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” is called to clear itself a new field in order to sprout and keep in him the care of righteousness and equity according to the rules of existence that “THE

DIVINE ARCHITECT AND PROJECT MASTER” has established; to be the plant of justice and equity, that is to be “RIGHTEOUS”¹⁰²³.

As we have indicated already in the previous chapter, “THE DIVINE”, IHVH, our FATHER has also established the task to clear out all the mess produced by the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, to shed the “LIGHT” on all these deceits and lies produced by these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, NOTHING WILL REMAIN HIDDEN, and to restore “THE TABERNACLE”; that is, to restore the unique expression of “THE UNION” represented by the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

It was not an easy task, that of, to restore “THE TABERNACLE”, because the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” that “THE DIVINE”, IHVH, our FATHER has maintained in the “Specific Energy ‘CELESTIAL’ Domain”, and who had been assigned this task to restore “THE TABERNACLE”, that is, to restore the unique expression of “THE UNION” represented by the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” and to restore the “Causal Precedence Relation of ‘THE PRAISE’” on the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, were in the absence of “THE

¹⁰²³ It is of this that ENOCH, of whom METHUSELAH is the descendant, spoke about in the writings of the teachings that he had received from “THE DIVINE”, IHVH, our FATHER, through “THE DIVINE FORCE”.

It is also of this that CHRIST spoke about when HE was also teaching both his “Twelve Disciples” and human creatures who came to listen to him. As we have already mentioned in a previous annotation, eleven of the “Twelve Disciples” of CHRIST did not fed on the knowledge that CHRIST gave them, and later when CHRIST had accomplished the project for which “THE DIVINE FORCE” created Him into existence in this earthly world, eleven of His “Twelve Disciples” will turn away from all the teachings that He had given them. Only one of “Twelve Disciples” will feed himself with all teachings that he had received and grew in “KNOWLEDGE OF THE DIVINE”.

It is the only disciple who ascended to the heavens when he left this earthly world. This single disciple among the twelve, is the one who was “RIGHTEOUS” and had remained so until he left this world. This only disciple is JACQUES. None of the other remaining eleven ascended to the heavens.

CHRIST had explained to them in several ways, at great length, in “spiritual language” as well as in their own “non-spiritual language”, that only those who are “RIGHTEOUS” are approved by “THE DIVINE”, IHVH, our FATHER and only those who are “RIGHTEOUS” will get redemption. But these eleven, and human creatures with them, did not understand what CHRIST showed them.

KNOWLEDGE OF THE DIVINE”, and thus had no knowledge of this “Causal Precedence Relation of ‘THE PRAISE’” and of its importance.¹⁰²⁴ Moreover, they have accepted that deceit and that prejudice, which they have caused to the first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, as their “doctrinal truth” — their norm, their principle of righteousness, of wisdom considered ideal in the order of their thoughts or actions that they will undertake to realize, always under the pretext of doing a favor to the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” — sending to oblivion “THE TRUTH”; thus, they have chosen and stood and held their ground firmly in their own “DISGRACE”, “IMPURITIES”, and “LIES”.

Covered by the “HUBRIS Spiritual Veil”, those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” that “THE DIVINE”, IHVH, our FATHER has maintained in the “Specific Energy ‘CELESTIAL’ Domain”, as well as those that had been immersed in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, will maintain the descendants of the firsts two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” under the yoke of the absolute servitude toward those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”.

The descendants of the first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, having forgotten their “PLENITUDE”, many will fall into decay as slaves in the service of “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who had been immersed in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”.

Other “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, having also forgotten their “PLENITUDE”, will be under the yoke of the absolute servitude toward those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” that “THE DIVINE”, IHVH, our FATHER has maintained in the “Specific Energy ‘CELESTIAL’ Domain”, and who had already reversed of the “Causal Precedence Relation of ‘THE PRAISE’” by declaring themselves, through the “alter ego of names”, as “intermediaries” between the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” and “THE DIVINE”,

¹⁰²⁴ Later, “THE DIVINE”, IHVH, our FATHER, through “THE DIVINE FORCE”, will send rays of “THE TRUTH SUN”, under the aspect of a human creature, and who will make them understand to all (both the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” that “THE DIVINE”, IHVH, our FATHER has maintained in the “Specific Energy ‘CELESTIAL’ Domain”, and the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”) the importance of “THE PRAISE”, and therefore of the “Causal Precedence Relation of ‘THE PRAISE’”.

The first human creature who will carry those rays of “THE TRUTH SUN”, will be called: ENOCH, meaning “Dedicated” (to “THE DIVINE”), and of whom METHUSELAH is the descendant.

IHVH, our FATHER, having pushed “THE DIVINE FORCE” into oblivion through the terms of their rigged “DEATH CONTRACT” against the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.¹⁰²⁵

It is so that, in “FEAR” of reprisals from those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who, by their “MALICE”, had destroyed them and who kept them under the yoke of the absolute servitude, a minority of the descendants of the firsts two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, although having forgotten their “PLENITUDE”, worshiped “THE DIVINE” through those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”.

¹⁰²⁵ These two groups of slaves, in the service of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” from both sides of the two warring parties of this ongoing “CELESTIAL WAR”, are those “slaves” of which CHRIST had hinted about, when He was accomplishing the “PROJECT OF THE REDEMPTION” for which “THE DIVINE FORCE” will create Him into existence among human creatures, to redeem the rigged “DEATH CONTRACT” written by these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, and when he talked to the Jews about getting their freedom back; as recorded through the testimony of the human who was called John, John 8:31-59:

“... ”

CHRIST then, said to the Jews who had believed in him:

“... ”

If you remain in my word, you are truly my disciples, and you will know the truth, and the truth will make you free.

“... ”

They [having forgotten who they are, having forgotten their “PLENITUDE”, being in complete absence of “THE KNOWLEDGE OF THE DIVINE”] answered him:

“... ”

We are descendants of ABRAHAM, and have never been in bondage to anyone. How can you claim that we will become free men?

“... ”

“... ”

“...We are descendants of ABRAHAM, and have never been in bondage to anyone. How can you claim that we will become free men?...” As you would know already, a slave that does not realize that he is in chains will never seek to free himself.

It is so that, the task to restore “THE TABERNACLE”, that is, to restore the unique expression of “THE UNION” represented by the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” and to restore the “Causal Precedence Relation of ‘THE PRAISE’” on the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, has not made any progress as it should.

“FEAR”, which is the major product of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” had already replaced the innocence of “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”, and the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” was not anymore conscious of his “PLENITUDE”, and did not have the knowledge of the existence of the “‘LIGHT→GOD’ CORD OF PRAISE” that is inside him and which was no longer functioning through that reversal of the “Causal Precedence Relation of ‘THE PRAISE’”.

The plant of “THE KNOWLEDGE OF THE DIVINE” inside those “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, was meager and inexistent, because the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” were fed with what the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” that “THE DIVINE”, IHVH, our FATHER has maintained in the “Specific Energy ‘CELESTIAL’ Domain” had available in their own “‘SPIRIT←SPIRIT’ Body”; that is, the “fruits” of the plant which is in the “SOUTH” and which they recommended to “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”.

They fed the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” with the absence of “THE KNOWLEDGE OF THE DIVINE”, and the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, keeping their will on those “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”.¹⁰²⁶

¹⁰²⁶ If you come to ask those “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, the elders of “THE HUMAN EDIFICE”, to tell you something about “THE DIVINE”, they will also tell you all what they know about Him, and which they have been fed by the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”; and that is: NOTHING AT ALL.

Only “THE DIVINE FORCE” knows “THE DIVINE” and will tell you as many things as you would like to know about “THE DIVINE”. SHE is “THE KNOWLEDGE OF THE DIVINE”, and SHE alone possesses all elements of fertilization which are necessary for the growth of the plant of “THE KNOWLEDGE OF THE DIVINE”, in all “Specific States” — the “‘SPIRIT’ Specific State”, the “‘SPIRIT→LIGHT’ Specific State”, the “‘LIGHT’ Specific State”, the “‘LIGHT→GOD’ Specific State”, the “‘GOD’ Specific State”, and all “DIVINE States” that are not available in the attribute “NON DIVINE”.

Inside those “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” who were and are slaves in the service of “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who had been

As we have indicated in a previous annotation, it is for the good of human creatures that “THE DIVINE FORCE” had led Solomon to understand these things, and Solomon had then, interpreted and transmitted it in these terms:

“...

My son, if you receive my words and treasure up my tenets with you, making your ear attentive to “WISDOM” and inclining your heart to “THE REASON”; yes, if you call out for intelligence, if you invoke “THE REASON”, if you seek it like silver and search for it as for hidden treasures, then, you will understand what is LOVE of “THE DIVINE”, you will find “THE KNOWLEDGE OF THE DIVINE”.

For, it is “THE DIVINE” who gives “WISDOM”; from “HIS MOUTH” come knowledge and “THE REASON”.

To the righteous HE reserves success. Like a shield for those who behave honestly, HE protects those who walk righteously, HE watch over the conduct of his followers.

Then, you will understand what is righteousness and justice and equity, all things that lead to happiness.

....”

“My son” is said to lead human creatures to understand that they are genuine children of “THE DIVINE FORCE”.

“... my tenets ...” refers to that, which is called “THE REASON” (clearly understood, of the unique “Divine Septenary Configuration” of seven “Divine Particles”), which we have already explained, and which is the set of guiding principles that govern the “Divine Septenary Configuration” of seven “Divine Particles” and from where ensue the indescribable joy, the ineffable gladness, and immeasurable state of equilibrium that “THE DIVINE”, IHVH, our FATHER has chosen to share with the attribute “NON DIVINE”.

“WISDOM” refers to “THE DIVINE FORCE” from the perspective of “THE DIVINE WISDOM”, as we have already explained.

“HIS MOUTH” also refers to “THE DIVINE FORCE”, these are the designations of “THE DIVINE FORCE” and that we have already explained.

“... success ...” refers to achievement of the task to restore “THE TABERNACLE”, and it does not refer to any work of the “HUBRIS” which human creatures have been subjected to, since the early days of this world.

“Happiness” refers to the manifestations of metaphors of the indescribable joy, the ineffable gladness, and immeasurable state of equilibrium that “THE DIVINE”, IHVH, our FATHER has chosen to share with the attribute “NON DIVINE”, and which can be understood and grasped only through “THE KNOWLEDGE OF THE DIVINE”.

immersed in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, it was emptiness; just a dead “Subjective ‘EARTHLY’ Garment”.

Having established the task to restore the unique expression of “THE UNION” represented by the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” and undertaken to save what could be saved of the “Second Phase” of “THE HOLY PROJECT”, “THE DIVINE”, IHVH, our FATHER, will also from time to time send rays of “THE TRUTH SUN” inside the frozen mist caused by the “HUBRIS Spiritual Veil”, in order to shed light on the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”. These rays of “THE TRUTH SUN” will be carried by instances of the model following that of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

HE will send these rays of “THE TRUTH SUN” until the appropriate time when will be erased from existence all the filth and the mark of “DEATH” that had been pulled out of the destruction in the “Specific Energy ‘CELESTIAL’ Domain” and immersed in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain” in which live “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”.¹⁰²⁷

Despite these measures that “THE DIVINE”, IHVH, our FATHER had taken, while waiting for the appropriate time to pass, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have continued their recess with their series of shenanigans (all kinds of monkey businesses), having no base and no stability, without possible ins and outs, to the detriment of “THE DIVINE FORCE” in “THE SUPREME PLENITUDE” and who had educated all of them in “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”.

Their recess will last until that the “PRINCIPAL” instance of the next model that “THE DIVINE” had chosen to share with the attribute “NON DIVINE”, and which we shall develop in the next section, is produced into existence by “THE DIVINE FORCE”, and with the purpose to break this chain of servitude that the Archangel MICHAEL and the “ADONA’IM” had placed on “ADAM” and all his descendants.

¹⁰²⁷ After several billion years of misery and burden that the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain” has suffered and endured, that appropriate time has now appeared on the horizon, in these days of today when this BOOK is given to you.

As we mentioned in a previous annotation, it is only a “PRINCIPAL” instance of a model who, through “THE REDEMPTION CLAUSE”, has the power to redeem the rigged “DEATH CONTRACT” against the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” and to put an end to the penalties associated with breaching of the terms of the “DEATH CONTRACT”.

Just as “ADAM”, who is the product of the “PRINCIPAL” instance of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, has been created into existence to rectify the deficiency of “THE KNOWLEDGE OF THE DIVINE” that has taken place in “THE SEAT OF THE INTELLECT” of the Archangel MICHAEL and who is the product of the “PRINCIPAL” instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, likewise, it is such a “PRINCIPAL” instance who can rectify the deficiency of “THE KNOWLEDGE OF THE DIVINE” that would have taken place in “THE SEAT OF THE INTELLECT” of the “PRINCIPAL” instance of the model that precedes it.

By redeeming thus this rigged “DEATH CONTRACT” against the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, this “PRINCIPAL” instance of the following model must undergo the terms of acquisition of “THE REDEMPTION CLAUSE”, that is: to suffer the “Subjective Death”, which is the premature “DEATH” of the “Subjective ‘EARTHLY’ Garment” as the Archangel MICHAEL has established it in the terms of their rigged “DEATH CONTRACT”, believing that this was meant to be “THE VERITABLE DEATH” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

With the passage of time, and in the meantime waiting that the appointed time following the appropriate convergence point in “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” that “THE DIVINE” has consolidated in Himself, occurs and be associated with the occurrence into existence in the attribute “NON DIVINE” of the “PRINCIPAL” instance of the next model that “THE DIVINE” had chosen to share with the attribute “NON DIVINE”, the state of “CHAOS” of the “Specific Atomic ‘EARTHLY’ Substances” constituents of this “Specific Energy ‘EARTHLY’ Substance”, contrary to the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”, will spread beyond the level which had been seen in the “Specific Energy ‘CELESTIAL’ Domain”.

Indeed, both in the “Specific ‘SPIRITUAL’ Environment” containing the first “Specific Energy ‘EARTHLY’ Habitation Domain”, and in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, the state of “CHAOS”, contrary to the “HARMONY”

prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”, will increase tremendously.

Because, very soon after that they were immersed in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” that have openly rejected “THE DIVINE”, IHVH, our FATHER and all that HE is, and which thus carried with them all their filth and the mark of “DEATH”, understood that they could not subsist by themselves, without that external supply of subsistence they had always obtained from “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” in the “Specific Energy ‘CELESTIAL’ Domain”.

It is so that, those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had begun to sober up from their ignorance, and they begun to understand the purposes for which the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” was created into existence in the likeness of “THE SHEKINAH” in the first “Specific Energy ‘EARTHLY’ Habitation Domain”; they understood that it was for the subsistence of “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” in these very remote places from “THE SHEKINAH”.¹⁰²⁸

Although the “Subjective ‘EARTHLY’ Garment” had been broken and destroyed, and the unique expression of “THE UNION” represented by the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” no longer functioning as it should, those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” understood that what had made of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” akin of “THE SHEKINAH”, was still available in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

It is so that, by using the same shenanigans that they had already used in the “Specific Energy ‘CELESTIAL’ Domain” before that they were immersed in the

¹⁰²⁸ Later during the course of the “Second Phase” of “THE HOLY PROJECT”, nearly seventy billion years later after that these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had destroyed “ADAM” and “THE HUMAN EDIFICE”, this time, at the time of MOSES, he who received the Tablets of the Decalogue when he still lived on Earth hier below, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” which were maintained in the “Specific Energy ‘CELESTIAL’ Domain”, will transport a small part of the energy emanating from “THE SHEKINAH” and bring it in the first “Specific Energy ‘EARTHLY’ Habitation Domain”, as they were to stay in there for an extended period of time, and they needed a source of subsistence.

“Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” that have openly rejected “THE DIVINE”, IHVH, our FATHER and all that HE is, will devise ways of getting the external contribution of subsistence — the crude “‘SPIRIT’ specific supply of subsistence” emitted by “The ALTAR of ‘THE DIVINE’” which is inside the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” — which they need and to the detriment of “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, who have forgotten their “PLENITUDE”, and who felt into decay as slaves to their service.

It is so that, AZAZEL and all the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of “THE CELESTIAL HOST” who rallied to him, will survive as parasites to the detriment of those “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” who were “BLINDED”.¹⁰²⁹

In the event that such “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” who were deceived, be suppressed from the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, then, AZAZEL and all the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of “THE CELESTIAL HOST” who rallied to him, would no longer have the external supply of crude “‘SPIRIT’ specific supply of subsistence” that they need to survive in their “‘SPIRIT’ Specific State”.

Beyond the time limit of the “‘SPIRIT’ specific supply of subsistence” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has established for the continued existence of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, AZAZEL and all the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of “THE CELESTIAL HOST” who rallied to him would come to perish.

That does not mean that the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, will be restored in the “HARMONY” with “THE DIVINE”, IHVH, our FATHER; because it is “THE DIVINE FORCE” alone who restores the state of “HARMONY” between “THE DIVINE” and any “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

¹⁰²⁹ Until nowadays, it is still so that AZAZEL, and all the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of “THE CELESTIAL HOST” who rallied to him, subsist as parasites to the detriment of “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” who let themselves be duped.

“FATALITY”, caused by that “BETRAYAL” which the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had perpetrated against “THE DIVINE”, IHVH, our FATHER, on the afternoon of the Third Day of the implementation of the “Second Phase” of “THE HOLY PROJECT”, had tied everything in the evil and perverse purpose of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” that the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have grown in their “‘SPIRIT←SPIRIT’ Body” and which became an integral part of their “nature”.

“THE CELESTIAL WAR” will continue its course in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain” which will be the new battleground of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, who will use the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” as proxies in their works of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”.¹⁰³⁰

The radiation and the strength of the force emitted by “The ALTAR of ‘THE DIVINE’” which is inside “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” —, that burning fire that none of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” is able to bear, that had spilled out of “THE SHEKINAH” in the “Specific Energy ‘CELESTIAL’ Domain” and that was to destroy AZAZEL and all the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of “THE CELESTIAL HOST” who rallied to him, while they were still in the “Specific Energy ‘CELESTIAL’ Domain”, is not available in the “Plane Below” and in the

¹⁰³⁰ It is for the purpose to lead human creatures to understand this, that “THE DIVINE FORCE” had sent to ENOCH, the vision about this “FATALITY”, and that he had then, reported in the writings that he had given to humanity by saying:

“...

From there, I crossed in another place of terror.

There I saw the work of a huge fire, burning and consuming, in the middle of which there was a division.

And columns of fire fought between them and they went deep in the abyss.

And it was impossible for me to estimate its size or its height; I could not know its origin.

And I called out again at this sight: “What a terrible place, that it is difficult to probe the mysteries !”

proximity of the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”.

In addition, such radiation and such strength of the force issued by “The ALTAR of ‘THE DIVINE’” which is inside “THE SHEKINAH”, cannot — by those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, which were maintained in the “Specific Energy ‘CELESTIAL’ Domain” — be transported from the inside of “THE SHEKINAH” and to be and immersed in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”.

As we have indicated in a previous chapter, only the application by “THE DIVINE FORCE” of the “in-depth purification process” to this first “Specific Energy ‘EARTHLY’ Habitation Domain”, allows to erase from existence all these impurities and at the same time all these fallen “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” which are the origin of those impurities following their immersion in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”.

It is so that, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who were still accusing the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” for all this disaster in which the first “Specific Energy ‘EARTHLY’ Habitation Domain” was plunged into, have gathered and, through their “Council of Sages”, they have decided to eradicate mankind from existence, believing that it is so that they were going to cleanse the state of “CHAOS” in which the first “Specific Energy ‘EARTHLY’ Habitation Domain” was.

Standing in their own “IMPURITIES”, “LIES” and “DISGRACE”:

1. Not having knowledge about the Governing Law of their Behavior, the manifestation of “The Walk within the Acronym IHVH”, which they are prone to and cannot escape;
2. Not having knowledge of their own mirror images, which is the progeny of their actions, those progeny which are called “INCOMPREHENSION”, “OBSCURITY”, and “HATRED”, in all their forms, and how they are reflected in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”;
3. Not having knowledge of how the “CHAOS” effects propagate through the “Specific ‘SPIRITUAL’ Environment” and how the resulting impures signals are transmitted, from the “Specific ‘SPIRITUAL’

Environment”, through successive series of reception and transmission of signals at the atomic scale, to the “Specific Energy ‘EARTHLY’ Substance” constituent of this whole first “Specific Energy ‘EARTHLY’ Habitation Domain”, and thereby affecting the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”;

It is so that, these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, elders of the creation, who were kept in the “Specific Energy ‘CELESTIAL’ Domain”, organized in their “Council of Sages”, will give new impetus to their cherished “nefarious and despicable shadow scheming”, that they had matured since the announcement of the “Second Phase” of “THE HOLY PROJECT” and had not given up.

These elders of the creation, who were kept in the “Specific Energy ‘CELESTIAL’ Domain”, will make known their decision to destroy all the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” that are present in the first “Specific Energy ‘EARTHLY’ Habitation Domain”, convincing themselves in their obscurity, using their masks of convenience (masks of sanity), that, this is how they will:

1. Erase their own mirror images, which is the progeny of their own actions, which were reflected in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”¹⁰³¹, and that;
2. Destroy those fallen “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, which they had themselves intentionally pulled out of the destruction by the flow of the pure “Specific Atomic ‘SPIRIT’ Substances”, containing crude and very high “‘SPIRIT’ specific supply of subsistence”, which had been accumulated inside of the “SHEKINAH”, and which flooded the “Specific Energy ‘CELESTIAL’ Domain”, in the afternoon of the Third Day of the implementation of the “Second Phase” of “THE HOLY PROJECT”, and had immersed in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy

¹⁰³¹ The situation was like the one in which some people stand above the water of a river. They see their own reflections in that water with all the fishes swimming all around, and not liking what they see in that water, not knowing that what they see are their own images reflected by that water, they decide to destroy all the fishes from the water. Afterwards, having destroyed almost all fishes, they will stand again above that same water and will see that things have not improved, instead, those reflected images they will still see in that water will be worse than the previous ones, not realising that they themselves have aged badly in the meantime, and they will say that they do not understand what is happening. This description, of course, is said in parables.

‘EARTHLY’ Habitation Domain” in which these “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” live.

In fact, they have decided to tamper and destroy the evidence of their own crimes, which they have perpetrated against “ADAM” and “THE FEMALE”, hence against the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, inhabitants of this first “Specific Energy ‘EARTHLY’ Habitation Domain”, and against “THE DIVINE”, IHVH, our FATHER.¹⁰³²

¹⁰³² As you would know, tampering with evidence is the crime of altering, destroying, or concealing physical evidence with the intent to affect the outcome of the course of justice. Tampering with evidence can take one of two forms. It can involve concealing, removing, destroying or changing something to preclude its “coming to light” during the course of justice. It can also involve using, producing or presenting evidence that one knows to be false in the interest of misleading all those involved in the proceedings. Tampering with evidence is carried out in the hopes of avoiding accountability for the consequences by either concealing the fact that a crime has taken place, obscuring the role of the perpetrator(s) of the crime, or trying to frame someone else for the offense and its consequences. All the shenanigans that these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have produced into existence fall into these two forms of tampering with evidence.

Tampering with evidence is closely related to the issue of spoliation of evidence, which is usually the due process version of the same concept (but may itself be a crime). Tampering with evidence is also closely related to obstruction of the course of justice and perverting the course of justice, and these two kinds of crimes often go together. The goal of tampering with evidence is usually to cover up a crime or with intent to seal the prejudice that has been caused to a victim. Spoliation of evidence is the intentional, reckless, or negligent withholding, hiding, altering, fabricating, or destroying of evidence relevant to the course of justice.

When tampering with evidence occurs, it can result in a severe miscarriage of the course of justice. A crime culprit may walk around freely or an innocent could wrongly carry the weight of the consequences of the crime that was perpetrated by the culprit. A prime example of tampering with evidence and its consequences, is given by the case of “ADAM” and “THE FEMALE”, two innocents, who, all their life long, have carried the heavy weight of the despicable and beyond shameful crimes perpetrated by these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” against humanity and against “THE DIVINE”, IHVH, our FATHER. As a consequence, the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, inhabitants of this first “Specific Energy ‘EARTHLY’ Habitation Domain”, are carrying the weight of the shameful crimes perpetrated by these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” against humanity and against “THE DIVINE”, IHVH, our FATHER, and what is more despicable and shameful is that you see the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” bowing down in front of these criminals “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” on both sides of their ongoing “CELESTIAL WAR” and worshipping them.

They will develop the “FLOOD” project, in the likeness of “THE CELESTIAL FLOOD”, which took place in the “Specific Energy ‘CELESTIAL’ Domain”, believing that “THE DIVINE” had abandoned the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

In that “FLOOD” project, they have planned to disrupt the “hydrological cycle”¹⁰³³ of the “Specific Energy ‘EARTHLY’ Substance”-water in its different states inside the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, by intentionally and artificially causing and increasing evaporation of the “Specific Energy ‘EARTHLY’ Substance”-water that surrounded the surface of the earth, condensation of “Specific Energy ‘EARTHLY’ Substance”-“water vapor” stored in the atmosphere, which will lead to precipitation of the formed “Specific Energy ‘EARTHLY’ Substance”-“water liquid” and in the form of rainfall, and maintaining that artificial process for fourty days in a row.¹⁰³⁴ Following the orders given by the Archangel MICHAEL, that action of artificially causing and increasing condensation of “Specific Energy ‘EARTHLY’ Substance”-“water vapor” stored in the atmosphere, was assigned to and carried out by the Archangel ZA’AFIEL, whose speciality at that time was electricity. For several centuries, the Archangel ZA’AFIEL had developed extensive knowledge on condensation and artificial rainmaking, out of his experience with the first artificial rainfall, artificial precipitations, which he had produced successfully during the first fight that broke out in the first “Specific Energy ‘EARTHLY’ Habitation Domain” several centuries ago, in the early days of “ADAM” and “THE FEMALE”, and between the two rival factions of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”.¹⁰³⁵ Once these “‘SPIRIT←SPIRIT’

¹⁰³³ Hydrology is the branch of study concerned with the movement and properties of the “Specific Energy ‘EARTHLY’ Substance”-water in all its forms, throughout the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”. The hydrological cycle describes the continuous non-stop circulation movement of the “Specific Energy ‘EARTHLY’ Substance”-water in its different states inside the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”.

¹⁰³⁴ Similar to the artificial rainmaking processes, which you are already familiar with, and where condensation of water vapor stored in the atmosphere and precipitation are artificially induced or increased through external mechanisms.

¹⁰³⁵ During that first fight, the trees on the ground in the first “Specific Energy ‘EARTHLY’ Habitation Domain” were on fire (the very first manifestation of that, which will be

‘CELESTIAL’ Creatures” had managed to overthrow “ADAM” and “THE FEMALE” in those days, they have transformed the first “Specific Energy ‘EARTHLY’ Habitation Domain” in which these “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” live, into the battlefield for their ongoing “CELESTIAL WAR”.

That “FLOOD” project was revealing about these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”. It was a large-scale sad display of their dramatic lack of knowledge of “THE SCIENCE” that is behind not only the creation of the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain” in which these “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” live, but behind the creation of the attribute “NON DIVINE” and all what it contains. It was a large-scale illustration of the work of “obscurity”, trying to outsmart “THE TRUTH” and to conceal that “BETRAYAL” they had perpetrated against “THE DIVINE”, IHVH, our FATHER, and that led to

designated as “forest fire”), burning, in the surroundings of the location of the “crime scene”, where the fight broke out in this first “Specific Energy ‘EARTHLY’ Habitation Domain”, and as a result of the actions of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” fighting each others in their “obscurity”. In order to extinguish that fire, the Archangel ZA’AFIEL had single handedly performed the process, which leads to rain formation and precipitation: from warming the water of nearby rivers, causing evaporation and elevating the water vapor at a higher altitude through up-moving columns of streams of air charged with aqueous vapor, and from that altitude, he had managed to pull the evaporated and elevated water together, forming clouds in a couple of minutes and he had induced condensation of the formed clouds to produce a downpour of water, extinguishing the fire on the trees on the ground. He had performed that process instinctively, using his knowledge of electricity and the intensive training, which he had been subjected to in the “Specific Energy ‘CELESTIAL’ Domain”, after the announcement of the implementation of the “Second Phase” of “THE HOLY PROJECT”, when the particular task was assigned to many of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” to study the properties of the new substance, the “Specific Energy ‘EARTHLY’ Substance”.

You can also read the details of that first fight, which took place in the first “Specific Energy ‘EARTHLY’ Habitation Domain” in which human creatures live, as they, “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, have reported it themselves in the chronicles of the conflict of “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and in which they describe their prowess of the absence of “THE KNOWLEDGE OF THE DIVINE” and their works of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, and still trying to deceive humanity through those chronicles and to let humanity carry the responsibility and the consequences of the “SINS” that these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have perpetrated. Some of these chronicles (which are incomplete) have already been delivered to the human by the name of David Aguilar, and are available online on the Internet.

“FATALITY”, trying to conceal it by erasing from their own sight those “**TERRIBLE CONSEQUENCES**” of that “BETRAYAL”. In their obscurity, these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who have taken hostage “THE CREATION” and have appointed themselves to manage it, could not see that the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” is an “INDISTINCT FORM OF THE SPECIFIC ENERGY ‘EARTHLY’ SUBSTANCE”. Since they were empty of any “KNOWLEDGE OF THE DIVINE”, with the Archangel MICHAEL their commander-in-chief and self-declared “god”, and who was pushing his own “dark agenda” onto his accomplices who themselves believed that their commander-in-chief was in the “same league” with “THE DIVINE”, IHVH, our FATHER, it is so that these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” will pin such works of “obscurity” resulting from the decisions taken by their own “Council of Sages”¹⁰³⁶, such works of lack of knowledge of “THE SCIENCE” that is behind the creation of the attribute “NON DIVINE” on “THE DIVINE”, IHVH, our FATHER.

But “THE DIVINE”, IHVH, our FATHER had not abandoned the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” and His love for the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” has never decreased.

Right after that “BETRAYAL”, which these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had perpetrated against “THE DIVINE”, IHVH, our FATHER on that afternoon of the Third Day of the implementation of the “Second Phase” of “THE HOLY PROJECT”, “THE DIVINE”, IHVH, our FATHER, through the models of “THE SCIENCE” that is behind the creation and the functioning of the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, had already established how and when “THE DIVINE FORCE” will apply the “in-depth purification process” to this first “Specific Energy ‘EARTHLY’ Habitation Domain” and cleanse it of the filth that these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had thrown in it. It was not to be accomplished through the work of “obscurity” of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and their “FLOOD” project.

¹⁰³⁶ Some parts of these things concerning their “FLOOD” project and how they themselves executed it, are already unsealed and released in the chronicles of the conflict of “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and in which they describe their prowess of the absence of “THE KNOWLEDGE OF THE DIVINE” and their works of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”. Some of these chronicles (which are incomplete) have already been delivered to the human by the name of David Aguilar, and are available online on the Internet.

At that time, when these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, who were kept in the “Specific Energy ‘CELESTIAL’ Domain”, had made known their decision to eradicate all the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” from existence and had initiated their “FLOOD” project, “THE DIVINE”, IHVH, our FATHER, through “THE DIVINE FORCE”, and through communication by “VISIONS”, had informed the elder ENOCH, of whom METHUSELAH is the descendant, about the evil intents of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”. The elder ENOCH had cried for the fate of mankind and he had pleaded to “THE DIVINE”, IHVH, our FATHER for stopping such thing from happening. To make understand to the elder ENOCH that these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have “lost their mind”, and that the adrenaline of the poison of impunity and destruction was “running high in their veins”, since they all stood in their own “IMPURITY” in all its forms, and since they did not listen anymore to what “THE DIVINE”, IHVH, our FATHER was telling them, it is so that “THE DIVINE”, IHVH, our FATHER, through “THE DIVINE FORCE”, and through communication by “VISIONS”, then sent the “vision” of the “blinded seventy shepherds”, showing to the elder ENOCH, what these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had in their “nature” and when these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” will be held accountable for all their crimes. They were designated as “shepherds” because, after the announcement of implementation of “Second Phase” of “THE HOLY PROJECT” and before the actual implementation of this “Second Phase” of “THE HOLY PROJECT”, they were assigned the task to facilitate the education of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” as regards the development of the elements of “THE ‘SPIRIT’ REASON”. They are “blinded”, because they have embraced “obscurity” and they have locked themselves in their “HUBRIS Spiritual Veil”, in the absence of “THE KNOWLEDGE OF THE DIVINE”. The term “seventy”, is said in parables to make reference to the seventy billion years, in “THE FRAME OF REFERENCE OF THE ATTRIBUTE ‘NON DIVINE’” in the attribute “NON DIVINE”, that have defined the “First Phase” of the implementation of “THE HOLY PROJECT”, and at the end of which, that, which is designated as the “nature” has been sealed in these myriads of “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”. The elder ENOCH had reported that “vision” of the “blinded seventy shepherds” and concerning these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and all their misdeeds committed against their neighbours the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, in his writings by saying:

“ ...

Then I began to cry out with all my might, imploring the Lord of the sheeps¹⁰³⁷, and showing him how the sheeps were devoured by all the “beasts¹⁰³⁸ of prey”.

But he looked on in silence, smiled that they were devoured, swallowed up, and carried off; and leaving them in the yoke of every beast for food.¹⁰³⁹

[And, he showed the following to ENOCH.]

He called “seventy shepherds”¹⁰⁴⁰, and assigned to them the task to take care of the sheeps, that they might overlook them.¹⁰⁴¹

¹⁰³⁷ The “sheep” is the symbol of the innocent creature that just follows whoever is leading it. It is the designation of the innocent human creature. The Lord of the sheeps refers to “THE DIVINE”, IHVH, our FATHER.

¹⁰³⁸ In parables, the “beast” is another designation for “obscurity”, the “King of the SOUTH”; and the “beasts” is a designation for “obscurity” and its disciples and princes.

¹⁰³⁹ In truth, the Lord of the sheeps did not “*smiled that they were devoured, swallowed up, and carried off; and leaving them in the yoke of every beast for food*”, but he smiled at the certainty and infallibility of “THE INVISIBLE SCIENCE” (in the sense of the set of rules and governing laws), which the elder ENOCH could not “grasp”, which was developed by “THE DIVINE ARCHITECT AND PROJECT MASTER”, and which is behind the prediction of the events, which were unfolding. The elder ENOCH could “see” those manifested events, but he could not “see” the “INVISIBLE SCIENCE” behind the scene, hence the “smile” from the Lord of the sheeps. In much the same as when a much young child, who is pointing his finger with excitement at the tree leaves, which are rotating under the effect of the wind, and will tell you to take a look at such strange phenomenon. The usual reaction is to look at the leaves and smile to the fact that the youngster is not yet aware of the existence of the wind in its many forms and the laws of physics. How are you going to explain the laws of physics to that much very young child? In the continuation of the “vision”, the Lord of the sheeps wanted to bring the elder ENOCH to understand that there is certitude and infallible “INVISIBLE SCIENCE” behind the events that he was witnessing.

¹⁰⁴⁰ It is the reference to all the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who were “called” (“spoken”) into existence during the whole duration of the implementation of the “First Phase” of “THE HOLY PROJECT” and which lasted roughly seventy billion years in “THE FRAME OF REFERENCE OF THE ATTRIBUTE ‘NON DIVINE’” in the attribute “NON DIVINE”.

“... *He called “seventy shepherds” ...*”, which in the parable means: During the roughly seventy billion years in “THE FRAME OF REFERENCE OF THE ATTRIBUTE ‘NON DIVINE’” in the attribute “NON DIVINE”, which has elapsed, He brought forth the

*He said to them and to their associates:*¹⁰⁴²

“ ...

Every one of you henceforwards overlooks the sheeps,¹⁰⁴³
and whatsoever I command you, do it; and I will deliver
them to you numbered. I will tell you which of them shall
be slain; these destroy.

And he delivered the sheeps to them.

“‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” into existence inside the attribute “NON DIVINE”.

¹⁰⁴¹ After the announcement of implementation of “Second Phase” of “THE HOLY PROJECT” and before the actual implementation of this “Second Phase” of “THE HOLY PROJECT”, they were assigned the task to facilitate the education of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” as regards the development of the elements of “THE ‘SPIRIT’ REASON”.

¹⁰⁴² “... to them and to their associates...” is a reference to the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” on both sides of their ongoing “CELESTIAL WAR”; “... to them ...” refers to those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, which “THE DIVINE”, IHVH, our FATHER has maintained in the “Specific Energy ‘CELESTIAL’ Domain”, and “... to their associates ...” refers to their fallen nemesis who are locked underground in “THE DEPTHS OF THE WATERS” (inside in this first “Specific Energy ‘EARTHLY’ Habitation Domain” in which you human creatures are living). Why are they associated, you will ask? They have sworn allegiance to their leaders, who are bounded and work together through their “HUBRIS COVENANT”. Further, many of those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, which “THE DIVINE”, IHVH, our FATHER has maintained in the “Specific Energy ‘CELESTIAL’ Domain”, are disciples of AZAZEL and have kept their contacts and are still in contact with their fallen brethren that are locked underground in “THE DEPTHS OF THE WATERS”.

¹⁰⁴³ “...Every one of you henceforwards overlooks the sheeps...” is a reference to the task, which “THE DIVINE”, IHVH, our FATHER gave to these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” after the announcement of implementation of “Second Phase” of “THE HOLY PROJECT” and before the creation of this first “Specific Energy ‘EARTHLY’ Habitation Domain”. They were assigned the task to facilitate the education of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” as regards the development of the elements of “THE ‘SPIRIT’ REASON”. You have already understood what these “pampered children”, of their own volition, have inflicted afterwards to their neighbours, the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”.

Then he called to “another sheep”¹⁰⁴⁴, and said:

“...

Understand, and watch everything that the shepherds will do to these sheeps; for many more of them will perish than I have commanded.¹⁰⁴⁵

Of every excess and slaughter, which the shepherds will commit, there will be accountability; as, how many have perished by my command, and how many they have destroyed of their own volition.¹⁰⁴⁶

¹⁰⁴⁴ This “other sheep” called upon to understand, and watch everything that the shepherds shall do to these sheep, was the elder ENOCH himself. When FATHER sends you a communication by “VISIONS”, and intends to show you something and with you in the unfolding of the content of the “vision” and in your current state of growth in “THE KNOWLEDGE OF THE DIVINE”, HE proceeds in that manner, and you are called (often, HE tells you Himself) to discern, to “see” yourself from the “outside of the box”, and understand what is displayed to you.

¹⁰⁴⁵ As we have indicated in the previous annotation, in truth, the Lord of the sheeps did not “smiled that they were devoured, swallowed up, and carried off; and leaving them in the yoke of every beast for food”, but he smiled at the certainty and infallibility of “THE INVISIBLE SCIENCE” (in the sense of the set of rules and governing laws), which was developed by “THE DIVINE ARCHITECT AND PROJECT MASTER”, and which is behind the prediction of the events, which were unfolding. The elder ENOCH could “see” those manifested events, but he could not “see” “THE INVISIBLE SCIENCE” behind them, hence the “smile” from the Lord of the sheeps. The Lord of the sheeps wanted to bring the elder ENOCH to understand that there is certitude and infallible “INVISIBLE SCIENCE” behind the events that he was witnessing: all those shepherds involved in the those events are prone to the Governing Law of their Behavior, the manifestation of “The Walk within the Acronym IHVH”, which they cannot escape. They have chosen themselves to stand in “IMPURITY” in all its forms, and the predicted behavior associated to those shepherds, and which is at the opposite of the behaviour of the Lord of the sheeps, is what the Lord of the sheeps was now showing to the elder ENOCH.

¹⁰⁴⁶ Given that these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have always pinned on “THE DIVINE”, IHVH, our FATHER, the consequences of their own decisions and work of “obscurity”, there will be an account about (1) how much destruction “THE DIVINE”, IHVH, our FATHER has perpetrated in the implementation of this “Second Phase” of “THE HOLY PROJECT”, which so far is ZERO, and (2) how much destruction these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” self-declared “gods” have perpetrated in the implementation of this “Second Phase” of “THE HOLY PROJECT”. The task to report about all these accounts has been assigned to “he who wrote the book”.

Of all the destruction brought about by each of the shepherds there will be accountability; and according to the number I will cause a recital to be made before me, how many they have destroyed of their own volition, and how many they have delivered up to destruction, that I may have this testimony against them; that I may know all their proceedings; and that, delivering the sheeps to them, I may see what they will do; whether they will act as I have commanded them, or not.¹⁰⁴⁷

Of this, however, they shall be ignorant; neither shall you make any explanation to them, neither shall you reprove them; but there shall be an accountability of all the destruction done by them in their respective seasons.¹⁰⁴⁸

¹⁰⁴⁷ As we have indicated already, at the appointed time by “THE DIVINE”, IHVH, our FATHER, all these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” will all bear the consequences of their choice and actions. Indeed:

“...

Until all of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, elders of the creation, without exception, fully reveal their characters to all, they are allowed time... but the way they are using this time is doing nothing but revealing more clearly their “nature” and the “MALICE” and the sin in them.

...”

¹⁰⁴⁸ As you would have already understood, this matter between “THE DIVINE”, IHVH, our FATHER, and these treacherous “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, is not to be taken lightly. Before the creation of this first “Specific Energy ‘EARTHLY’ Habitation Domain” in which you (reading these writings) live, these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have declared themselves to have outgrown “THE DIVINE”, IHVH, our FATHER, in intelligence and in wisdom. Afterwards, they have betrayed their oath of office, and they have challenged “THE DIVINE”, IHVH, our FATHER, HIMSELF to “DEATH” through the terms of redeeming their rigged “DEATH CONTRACT”, which they wrote against the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, and they ran amok, thinking that they have sidelined “THE DIVINE”, IHVH, our FATHER out of the CREATION. Indeed, there shall be accountability for all the destructions, which they have caused in the implementation of this “Second Phase” of “THE HOLY PROJECT”.

By using the “alter ego of names”, these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have pinned the progeny of their own “IMPURITIES”, their own actions, on “THE DIVINE”, IHVH, our FATHER. They will not get away with all those murders that they have

...

And the shepherds left the sheeps under the yoke of lions, so that very many of the sheeps were devoured and swallowed up by lions and tigers¹⁰⁴⁹; and wild boars preyed upon the sheeps. The house of the Lord of the sheeps, and his tower they burnt, and overthrew that house.¹⁰⁵⁰

perpetrated during this “Second Phase” of “THE HOLY PROJECT”: these self-proclaimed “gods” will have to answer for their actions. AZAZEL and all those who have joined him will soon all be erased from existence, and they all know about it; as for the Archangel MICHAEL and his accomplices, only “THE DIVINE”, IHVH, our FATHER knows what HE will do with them.

¹⁰⁴⁹ Lions, tigers, etc... are the designations of the true “nature” that emerged and was sealed in these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” once they chose their “Characters”. These designations were assigned to their “Characters” and indirectly to them by “ADAM”. However, they prefer to use their names of grandeur as façade to hide their true “nature”.

¹⁰⁵⁰ This is a reference to the work accomplished by “THE DIVINE FORCE” with constructing the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, setting in place “THE HUMAN EDIFICE”, during this “Second Phase” of “THE HOLY PROJECT”, and which these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have overthrown and have demolished. Why is this first “Specific Energy ‘EARTHLY’ Habitation Domain” referenced to as “*The house of the Lord of the sheeps*”, you will ask? Remember that this first “Specific Energy ‘EARTHLY’ Habitation Domain” is immersed inside the “Specific Septenary Equilibrium Zone” of the first “Specific Formative Energy ‘EARTHLY’ Domain” with respect to the “Specific Generative Energy ‘EARTHLY’ Domain”. This “Specific Septenary Equilibrium Zone” is a manifestation by metaphors of the “Divine Septenary Equilibrium Zone”, which “THE DIVINE”, IHVH, our FATHER, has consolidated in Himself, through the “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”. Also remember the statement of the seventh decree of the implementation of the “Second Phase” of “THE HOLY PROJECT”: “...LET US CREATE THE “‘SPIRIT←LIGHT’ ‘EARTHLY’ CREATURE” IN OUR IMAGE!...”. Now, ask yourself the questions: why create the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” inside this first “Specific Energy ‘EARTHLY’ Habitation Domain”? What does it means symbolically, the painting of a “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, which is in “THE IMAGE” of “THE DIVINE”, IHVH, our FATHER, and of “THE DIVINE FORCE”, and placed inside this first “Specific Energy ‘EARTHLY’ Habitation Domain”, which itself is immersed inside the “Specific Septenary Equilibrium Zone”? Through the creation of this first “Specific Energy ‘EARTHLY’ Habitation Domain” and all what it contains, through these living symbols, through manifestations by metaphors, “THE DIVINE”, IHVH, our FATHER, was telling/showing to these blinded “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, what “THE HOUSE OF THE DIVINE”, “THE

Then I grieved extremely on account of the tower, and because the house of the sheeps was overthrown.

Neither was I afterwards able to perceive whether they again entered that house.

The shepherds likewise, and their associates, delivered the sheeps to all the wild beasts, that they might devour them. Each of them in his season, according to his number, was delivered up; each of them, one with another, was described in a book, how many of them, one with another, were destroyed, was described in a book.¹⁰⁵¹

More, however, than was ordered, every shepherd killed and destroyed.¹⁰⁵²

Then I began to weep, and was greatly indignant, on account of the sheeps. Moreover also all the sheeps were blind, and could not see;¹⁰⁵³ as were the shepherds likewise.

Thus were they delivered up to the shepherds for a great destruction¹⁰⁵⁴, who trod them under foot, and devoured them.¹⁰⁵⁵

DIVINE DOMAIN”, looks like, in order to remedy the deficiency of “THE KNOWLEDGE OF THE DIVINE” that had taken a sitting place and had remained seated in “THE SEAT OF THE INTELLECT” in the “‘SPIRIT←SPIRIT’ Body” of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”.

All this devastation, these “pampered children” have unleashed it as a token of defiance against “THE DIVINE”, IHVH, our FATHER, who chose to follow the designs established by “THE DIVINE ARCHITECT AND PROJECT MASTER” and who chose to give the elements of “THE ‘LIGHT’ REASON” to the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

¹⁰⁵¹ All the misdeeds, all the crimes perpetrated by these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have been recorded, up to the least detail.

¹⁰⁵² All these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, without exception, will be held accountable for the destruction that they have unleashed in THE CREATION. The first “sheep” that they have “MURDERED” (through a delayed death of the “Subjective ‘EARTHLY’ Garment”, as we have explained already) is the first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” designated as “ADAM”.

¹⁰⁵³ All the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” are in the absence of “THE KNOWLEDGE OF THE DIVINE”.

¹⁰⁵⁴ The inevitable sacrifice of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” in order to build the “case” for the pending judgment of these pampered “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and self-declared “gods” who have set themselves on the path to

Then “he who wrote the book” ascended near the Lord of the sheeps, exhibited “the book”, and read it at the residence of the Lord of the sheeps. This “vision” of the “blinded seventy shepherds” is a brief summary of the implementation of the “Second Phase” of “THE HOLY PROJECT”; from its announcement until the end of this “Second Phase” of “THE HOLY PROJECT”. This “vision” of the “blinded seventy shepherds” also indicates that, from that very moment on that afternoon of the Third Day of the implementation of the “Second

sabotage “THE HOLY PROJECT” and to destroy the manifested expression of “THE UNION” that they coveted but have not received as it has been given to the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

¹⁰⁵⁵ This was a summary, in parables, of the work accomplished by these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” during this “Second Phase” of “THE HOLY PROJECT”: the yoke of servitude towards them and destruction in all its forms, in which they have thrown the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”.

¹⁰⁵⁶ The “field” is a reference to the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, and which became the new playground and the battlefield where those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” will continue “THE CELESTIAL WAR”, but now most of the time using “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” as proxies on both sides.

¹⁰⁵⁷ The time when “*all the sheeps in the field were destroyed*” is a reference to the time of the end of this “Second Phase” of “THE HOLY PROJECT”, the time after which these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” will “receive the bill” and face the retribution to the consequences of that “BETRAYAL” that they have perpetrated, all of them, against “THE DIVINE”, IHVH, our FATHER, and all their iniquities.

¹⁰⁵⁸ The project to bring forth “*he who wrote the book*” into existence inside the attribute “NON DIVINE”, was established by “THE DIVINE”, IHVH, our FATHER, in that afternoon of the Third Day of the implementation of the “Second Phase” of “THE HOLY PROJECT”, following that “BETRAYAL” that these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have perpetrated, all of them, against “THE DIVINE”, IHVH, our FATHER.

See conversation of September 17, 2005, Aristide with ENOCH.

Phase” of “THE HOLY PROJECT”, right after that “BETRAYAL” perpetrated by the Archangel MICHAEL and the “ADONA’IM” against “THE DIVINE”, IHVH, our FATHER, when that, which is designated as the “nature” has been sealed inside these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, “THE DIVINE”, IHVH, our FATHER had understood through the models of “THE SCIENCE” that is behind the creation and the functioning of the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, how and when will end this “state of affairs”, which these “pampered children” have begotten into existence. It was not to end through the work of “obscurity” of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and their “FLOOD” project.

As we have said, “THE DIVINE”, IHVH, our FATHER had not abandoned the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” and His love for the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” has never decreased. It is so that, HE ordered them to refrain from destroying a specific “human creature”, having the “MALE” adjective, as well as the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” having the “FEMALE” adjective who will be associated to him, and HE told them the moment when that specific “human creature”, having the “MALE” adjective and who had been named “NOAH”¹⁰⁵⁹, was to come into existence in the attribute “NON DIVINE”.

He was named “NOAH” by the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” in the house of which “NOAH” was produced into existence, and the word “NOAH” meaning “CONSOLATION”; for, that “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” in the house of which “NOAH” was produced into existence had said: *“This one shall console us concerning our work and toil of our hands, because of the ground which ~~IaHWeH~~ has cursed in Adam.”* Follow my look at the word strikethrough in the previous sentence! It is as such that, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, through the “alter ego of names”, through adulteries and treacheries worthy of the best conjurers, had already “pinned” on “THE DIVINE”, IHVH, our FATHER, the consequences of the “BETRAYAL” which they themselves have perpetrated against “THE DIVINE”, IHVH, our FATHER, on the afternoon of the Third Day of the implementation of the “Second Phase” of “THE HOLY PROJECT”. And they have transferred the progeny of those adulteries and

¹⁰⁵⁹ The elder NOAH was the first with “white colour pigmentation”, “yellow colour pigmentation”, and “red colour pigmentation” of skin for the “Subjective ‘EARTHLY’ Garment” and he was also the first “blond” amongst the human creatures, and all “blond” human creatures are of his lineage. All others before him had only “brown colour pigmentation” of skin for their “Subjective ‘EARTHLY’ Garment”.

treacheries, onto “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, who, having already lost the memory of their own “PLENITUDE”, not knowing who they are themselves, having been reprogrammed so that they look in the opposite direction of their purpose of being into existence, will swallow and feed themselves with the progeny of those adulteries and treacheries, and will write them in the tablets of their heart, as their “doctrinal truth”; also forwarding, from offspring in descent, the progeny of those adulteries and treacheries which they have received from the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, who were doing a “favour!” to “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”.

The elder ENOCH, of whom METHUSELAH is the descendant, reported about the birth of NOAH, in the writings that he had given to humanity by saying:

“...

...

And after some days my son Methuselah took a wife for his son Lamech, and she became pregnant by him and bore a son.

And his body was white as snow and red as the blooming of a rose, and the hair of his head and his long locks were white as wool, and his eyes beautiful. And when he opened his eyes, he lighted up the whole house like the sun, and the whole house was very bright.

And thereupon he arose in the hands of the midwife, opened his mouth, and conversed with the Lord of righteousness.

And his father Lamech was afraid of him and fled, and came to his father Methuselah.

And he said unto him:

“

I have begotten a strange son, diverse from and unlike man, and resembling the sons of the “gods of heaven”¹⁰⁶⁰; and his

¹⁰⁶⁰ That is how those criminals “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, the “blinded seventy shepherds” and who, since those days, right after the announcement of the “Second Phase” of the implementation of “THE HOLY PROJECT”, when they came to understand that “... None amongst them, who are elders of the creation, but a new creature will receive and carry the manifestation of “THE UNION” ...”, have self-declared themselves to be “gods” and on both sides of their ongoing “CELESTIAL WAR”, presented themselves to the “blinded” “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” who have already lost the memory of their own “PLENITUDE” and who did not know that they, as “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, are the true “LIGHT Bearer”, the true “HEIRS”

And it seems to me that he is not sprung from me but from the angels, and I fear that in his days a wonder may be wrought on the earth.

And now, my father, I am here to petition thee and implore thee that thou mayst go to Enoch, our father, and learn from him the truth, for his dwelling-place is amongst the angels.

And when Methuselah heard the words of his son, he came to me to the ends of the earth¹⁰⁶²; for he had heard that I was there, and he called aloud, and I heard his voice and I came to him. And I said unto him:

of the living “‘LIGHT’ Divine State” (the “key layer”, which is the “‘LIFE’ imprint of “‘THE DIVINE”, IHVH, our FATHER”), which is the child of the attribute “GOD”, and that they, as “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, are on a classification scale, which is ranked above that of those self-declared “gods of heaven”. Do you grasp the overall picture of this disastrous situation? There will be accountability indeed in this matter!

¹⁰⁶¹ Having sunk in the total absence of “THE KNOWLEDGE OF THE DIVINE”, they could not discern and read the message that “THE DIVINE”, IHVH, our FATHER, was sending to humanity and written throughout those descriptive particulars of the manifested child. The written message is: HE is sending the rays of “THE TRUTH SUN” inside the frozen mist caused by the “HUBRIS Spiritual Veil”, in order to shed light on the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”. Those rays of “THE TRUTH SUN”, will not anymore traverse any of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” as it was done at the creation of “ADAM”, and between the Archangel MICHAEL and “ADAM”, but they come directly from “The ALTAR of ‘THE DIVINE’” which is inside “THE SHEKINAH”, and they are manifested into existence amongst “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” by “THE DIVINE FORCE”, and they are carried by instances of the model following that of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”. “THE DIVINE”, IHVH, our FATHER has not abandoned the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

¹⁰⁶² The ends of the earth, here, refer to the summits of the mountains, the high reliefs of the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, where the elder ENOCH had retreated and was living.

”

And he answered and said:

“

Because of a great cause of anxiety have I come to thee, and because of a disturbing vision have I approached.

And now, my father, hear me: unto Lamech my son there hath been born a son, the like of whom there is none, and his nature is not like man's nature, and the colour of his body is whiter than snow and redder than the bloom of a rose, and the hair of his head is whiter than white wool, and his eyes are like the rays of the sun, and “he opened his eyes and thereupon lighted up the whole house”¹⁰⁶³.

¹⁰⁶³ This was still part of the message that “THE DIVINE”, IHVH, our FATHER, was sending to humanity and written throughout those descriptive particulars of the manifested child. CHRIST had already discerned and explained this to human creatures when He told them that (as recorded in Matthew 5:15):

“...

No one lights a lamp and puts it under a basket, but rather on a lampstand, and it gives light for all who are in the house.

....”

The first lamp, which was designated as “ADAM”, was lit up in order to give light (that is, “THE KNOWLEDGE OF THE DIVINE”) to “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures” who were all in obscurity as far as “THE KNOWLEDGE OF THE DIVINE” was concerned. Those “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures”, in their ignorance, took that lamp and locked it in the basket so that no one (no creature) comes to know “THE DIVINE”, IHVH, our FATHER, and all who are in the house (the CREATION, the attribute “NON DIVINE”) have remained inside the obscurity of the frozen mist caused by the “HUBRIS Spiritual Veil”, which belongs to these “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures”.

The second lamp, was designated ENOCH, of whom METHUSELAH is the descendant. And the third lamp was this new born designated as “NOAH”. Many others lamps will be lit up during the course of the “Second Phase” of “THE HOLY PROJECT”; many will end up extinguished in “baskets” and destroyed, few will give “light” but not sufficient for “all who are in the house”, because they will absorb obscurity that will change their light diffusion conditions, and one, so far, gave its full “light” because not having absorbed obscurity (that unique lamp is He Who is designated as “CHRIST”, meaning “LIGHT”).

“he opened his eyes and thereupon lighted up the whole house” refers to those human creatures who carry “THE KNOWLEDGE OF THE DIVINE” in them and are able to discern the mysteries of the HOLY PROJECT; their whose purpose is to educate in “THE

KNOWLEDGE OF THE DIVINE”, to make that “THE DIVINE”, IHVH, our FATHER, be known to all others creatures (be it those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, or any other human creature) who are in the obscurity of the absence of “THE KNOWLEDGE OF THE DIVINE”.

“he arose in the hands of the midwife, and opened his mouth and blessed the Lord of righteousness” refers to those human creatures who carry “THE KNOWLEDGE OF THE DIVINE” in them, once they are educated, brought up, by “THE DIVINE FORCE”, SHE is the symbol of the midwife, they bless “THE DIVINE”, IHVH, our FATHER, for having sent “THE KNOWLEDGE OF THE DIVINE”, the knowledge of HIMSELF, for all who are in the house.

Basically, as we have indicated already, this was a living message, contrary to a message written on a piece of frozen paper, and that “THE DIVINE”, IHVH, our FATHER, has sent to humanity and written throughout those descriptive particulars of the manifested child. All that “THE DIVINE”, IHVH, our FATHER writes with His “HAND” is alive and in motion: his paper to him is the “Specific Energy ‘SPIRITUAL’ Substance” and His words are printed there and they are subsequently reflected through His creatures that are produced into existence in the attribute “NON DIVINE”.

To be able to understand and “read” such messages, there is only one recommendation: stand in the “PURITY” (have you understood this from *“the colour of his body is whiter than snow”*?) and work to achieve unity with “THE DIVINE FORCE” (have you understood this from *“he arose in the hands of the midwife”*?), so that you, in turn, *“open your eyes, wake up, and thereupon help to light up the whole house”*. That “LIGHT”, which was placed inside of you, must not end up extinguished in a “basket”. Now, do you understand the purpose of these writings, which you have received freely and that you are reading? This is not fiction, it is not a novel, you are right in the middle of the reality of the happenings.

“

The Lord¹⁰⁶⁴ will do a new thing on the earth, and this I have already seen in a vision, and make known to thee that in the generation of my father Jared some of the angels of heaven transgressed the word of the Lord.¹⁰⁶⁵

¹⁰⁶⁴ Using the “alter ego of names”, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have entangled everything and human creatures were not anymore able to discern who this “Lord” was referring to: was it the Archangel MICHAEL, self-declared “god”, or was it “THE DIVINE”, IHVH, our FATHER? Perform a tracking of the trace of “PURITY” and the progeny of “PURITY” and “THE KNOWLEDGE OF THE DIVINE”, then compare it with the trace of “IMPURITY” and the progeny of “IMPURITY” and the absence of “THE KNOWLEDGE OF THE DIVINE”, in the decisions made by the one who is designated by the word “Lord”, and you will disentangle everything and come to know by yourself, who is who.

¹⁰⁶⁵ To the elder ENOCH, of whom METHUSELAH is the descendant, was not revealed the origin and the mysteries behind the full scale of the disaster that took place in the “Specific Energy ‘CELESTIAL’ Domain”. But, he was shown a vision about the “FATALITY”, which ensued, and that he had then, reported in the writings that he had given to humanity by saying:

“... ”

From there, I crossed in another place of terror.

There I saw the work of a huge fire, burning and consuming, in the middle of which there was a division.

And columns of fire fought between them and they went deep in the abyss.

And it was impossible for me to estimate its size or its height; I could not know its origin.

And I called out again at this sight: “What a terrible place, that it is difficult to probe the mysteries!”

....”

However, by walking with those the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” which were maintained in the “Specific Energy ‘CELESTIAL’ Domain”, he came to understand by himself much of what they were hiding; but he himself, like many offspring of the first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, “ADAM” and “THE FEMALE”, was under the yoke of those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”. It is thanks to “THE DIVINE FORCE” that he survived all their deceit (see conversation of September 17, 2005, Aristide with ENOCH).

And behold they commit sin and transgress the law, and have united themselves with women and commit sin with them, and have married some of them, and have begotten children by them. And they shall produce on the earth giants not according to the spirit, but according to the flesh, and there shall be a great punishment on the earth, and the earth shall be cleansed from all impurity.

Yea, there shall come a great destruction over the whole earth, and there shall be a deluge and a great destruction.

“... *And it seems to me that he is not sprung from me ...*”. Indeed, he was not. Just like the elder ENOCH, before him, this new child, with “white colour pigmentation”, “yellow colour pigmentation”, and “red colour pigmentation” of skin for the “Subjective ‘EARTHLY’ Garment”, has inherited the qualities of the “Subjective ‘EARTHLY’ Garment” from the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” in the house of which he was produced into existence. But his “spiritual body”, which is wearing the “Subjective ‘EARTHLY’ Garment”, was not a “‘SPIRIT←LIGHT’ Body”. He was an instance of the next model following that of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” and that “THE DIVINE”, IHVH, our FATHER, chose to share with the attribute “NON DIVINE”. We will describe that model in the next chapters and why and how its instances are manifested by “THE DIVINE FORCE”, into existence in the attribute “NON DIVINE”.

This birth of the elder “NOAH” was quite an event in itself, as all “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” before him, and as the elder ENOCH (who is not a “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, but an instance of the next model following that of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”) before him, all had only “brown colour pigmentation” of skin for the “Subjective ‘EARTHLY’ Garment” and dark hair colour. Only the first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, “ADAM” and “THE FEMALE”, and later, including the elder ENOCH, had seen the predefined shape, the predefined morphology, established for the perdurable “Specific ‘SPIRITUAL’ Garment” to be used by all “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” during their movement from the “Specific Energy ‘CELESTIAL’ Domain” to a “Specific Energy ‘EARTHLY’ Habitation Domain” in the “Plane Below”. As we have indicated already, when the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” enter in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’

Habitation Domain”, through the process of instant dress up, they wear instantly (at the “speed of the thought”, without even been aware of it) the perdurable “Specific ‘SPIRITUAL’ Garment” with that predefined morphology, and which, when covered with “Specific Atomic ‘EARTHLY’ Substances”, will appear in the form of the “white garment” composed of feathers, interlaced and held together, and which they wear. “ADAM” and “THE FEMALE” had already described to their offspring, not only the form of appearance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, who pretended to be “gods” and held all the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” in their yoke, but they had also described to their offspring, the events that led to the birth of the first two offspring pairs from “THE FEMALE”; those first two offspring pairs, the “MALE” of which were designated as “CAIN” and “ABEL”, who were not offspring of “ADAM”. Those narratives have circulated widely amongst the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, who had sunk in the total absence of “THE KNOWLEDGE OF THE DIVINE” and who could not perceive the “Specific ‘SPIRITUAL’ Environment” surrounding them and the events that were taking place in there. That is why, in “FEAR” and “ANXIETY”, since they have heard about the business of those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” in the house of which “NOAH” was produced into existence, had said:

“...

I have begotten a strange son, diverse from and unlike man, and resembling the sons of the “gods of heaven”; and his nature is different and he is not like us, and his eyes are as the rays of the sun, and his countenance is glorious.

And it seems to me that he is not sprung from me but from the angels, and I fear that in his days a wonder may be wrought on the earth.

....”

That is also why, also in “FEAR” and “ANXIETY”, METHUSELAH, of whom is the descendant LAMECH — the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” in the house of which “NOAH” was produced into existence —, seeking to know if this is the likeness of those first two offspring pairs from “THE FEMALE”, the “MALE” of which were designated as “CAIN” and “ABEL”, seeking to know the truth about this birth of “NOAH”, has also inquired about it from his ascendant ENOCH, saying:

“...

*And his father Lamech became afraid and fled to me, and did not believe that he was sprung from him, but that he was in the likeness of the angels of heaven; and behold **I have come to thee that thou mayst make known to me the truth.***

....”

It is so that, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” will go ahead with their project to eradicate mankind from existence. But the goal of this “FLOOD” project will not be achieved, because by the end of the execution time that the Archangel MICHAEL had set to complete this project, although all the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” and the “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creatures” which had not been spared, were all destroyed, the “‘SPIRIT’ specific supply of subsistence” of each of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who had been immersed in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, had not been rendered null.

To extend the duration of the “FLOOD” project in order to render null this “‘SPIRIT’ specific supply of subsistence” of each of those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” would have been fatal to the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” and the “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creatures” which had been spared and were not to be destroyed.

The Archangel ZA’AFIEL was ordered to stop his actions, through which he was causing and increasing (1) evaporation of the “Specific Energy ‘EARTHLY’ Substance”-water that surrounded the surface of the earth, (2) condensation of “Specific Energy ‘EARTHLY’ Substance”-“water vapor” stored in the atmosphere, which was leading to (3) precipitation of the formed “Specific Energy ‘EARTHLY’ Substance”-“water liquid” and in the form of rainfall. After a passage of time and as the thickness of the clouds decreased, the electromagnetic waves, which transported the rays of white luminous radiation, emitted by the “Specific Generative Energy ‘EARTHLY’ Domain” (which is also designated as the Solar star) propagated through the clouds in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain” and a meteorological phenomenon occurred across that “Specific Energy ‘EARTHLY’ Substance”: namely, the first manifestation of that, which is designated as “THE RAINBOW”.

As you would know already, that, which is designated as “THE RAINBOW”, is the result of an optical and meteorological phenomena, which is caused from the properties of the “Specific Energy ‘EARTHLY’ Substance”-water. “THE RAINBOW” occurs when the electromagnetic waves, which transport the white luminous radiation emitted by a distant source — in this case, the electromagnetic waves, which transport the white luminous radiation emitted by the “Specific Generative Energy ‘EARTHLY’ Domain” (which is also designated as the Solar star) — is scattered by spherical “Specific Energy ‘EARTHLY’ Substance”-water droplets (e.g. raindrops or fog) in suspension in a delimited part of the “Specific Energy ‘EARTHLY’ Substance” denser than the “Specific Energy ‘EARTHLY’ Substance”-air and through three “specific processes”: a “specific process” called refraction¹⁰⁶⁶, a “specific process” called reflection, and a “specific process” called

¹⁰⁶⁶ Refraction is the change in direction of an electromagnetic wave, which transports the luminous radiation, emitted by a distant source passing from one medium to another with different densities. The electromagnetic wave, which transports of the luminous radiation emitted by a distant source will bend away from the normal (the orthogonal center line) when passing into a less dense medium, and it will bend toward the normal (the orthogonal center line) when passing into a more dense medium. The amount of refraction in a medium depends upon: the density of the medium, the angle at which the luminous radiation enters the medium, and the wavelength. It also has weaker dependencies on temperature, pressure/stress, etc., as well on precise compositions of the considered medium. The refractive index of a medium is used to represent the factor by which the speed of propagation of an electromagnetic wave, which transports luminous radiation, decreases when traveling through a refractive medium, such as glass or water, as opposed to its velocity in a vacuum. By definition, the refractive index of the vacuum is set to 1. At standard temperature and pressure, the measured refractive index of air is 1.000273. Standard refractive index measurements are available for an electromagnetic wave, which transport a yellow luminous radiation, at a wavelength of 589 nanometers. At 0°C and 1 atmosphere, the measured refractive index of air is 1.000293; that of carbon dioxide is 1.00045; helium, 1.000036; hydrogen, 1.000132. At 20 °C, the refractive index of water is 1.333.

The ratio of the sines of the angles of incidence and refraction is equivalent to the ratio of phase velocities in the two media, or equivalent to the reciprocal of the ratio of the indices of refraction; namely:

$$\begin{aligned} &(\text{refractive index of incident medium}) \times \text{Sine of incident angle} \\ &= \\ &(\text{refractive index of refracted medium}) \times \text{Sine of refracted angle} \end{aligned}$$

When an electromagnetic wave hits a reflecting boundary and is reflected, the angle of incidence equals the angle of reflection. The angle of incidence is the angle between the

the chromatic dispersion of the “Specific Energy ‘EARTHLY’ Substance”-water, to produce the primary arcs of colour.

As with the prism, the formation of the manifestation of “THE RAINBOW” is strongly linked to the geometry and properties of the dispersive element, here the droplets of the “Specific Energy ‘EARTHLY’ Substance”-water. Since the size of the droplets of the “Specific Energy ‘EARTHLY’ Substance”-water is very large compared to the wavelength of the electromagnetic wave, which transports luminous radiation, the rules of geometric optics can be applied to a spherical droplet of “Specific Energy ‘EARTHLY’ Substance”-water having a refractive index equal to about 1.333. The trajectories of the luminous radiation are indicated as in the figure.

The manifestation of “THE RAINBOW”, caused by the “Specific Generative Energy ‘EARTHLY’ Domain” (which is also designated as the Solar star), is a multicolored full 360 degrees circle (a defined optical “projection” of the “Specific

direction of motion of the electromagnetic wave and a line drawn perpendicular to the reflecting boundary.

Generative Energy ‘EARTHLY’ Domain” spherical shape onto a two dimensional plane inside the “Specific Energy ‘EARTHLY’ Substance”) displayed in a section of the “Specific Energy ‘EARTHLY’ Substance” directly opposite the source of white luminous radiation.

Every manifestation of “THE RAINBOW” is a perfectly circular ring centered around the antisolar point.¹⁰⁶⁷ This is the spot on the ground, which is located

¹⁰⁶⁷ The point located at infinity (in the direction opposite to the sun) on the line passing through the eyes of the observer and parallel to the solar rays is called the antisolar point. What does this have to do with manifestations of “THE RAINBOW”, you will ask? The direction where the antisolar point is located gives you the direction where you can expect a manifestation of “THE RAINBOW” to form, since the electromagnetic waves, which transport the visible luminous radiation from the raindrops exit those raindrops at specific angles, which can be measured with respect to the antisolar point. An observer can also easily find the direction where this point is located on a sunny day since it is in the direction given by the shadow of the observer’s head (for each observer, in the direction of the shadow of their own head). If you look at the ground in good weather, the direction of the shadow of your head indicates the direction of the point called the antisolar point, 180° from the sun. If the sun is at the zenith, the antisolar point is below the horizon. If the sun has set, the antisolar point is above the horizon.

exactly 180 degrees away from the “Specific Generative Energy ‘EARTHLY’ Domain” relative to the perspective of the observer.

יצירה ספר

Any manifestation of “THE RAINBOW” is due to the raindrops at 40.6° to 42° angle deviation from the line of sight to the antisolar point. Electromagnetic waves, which transport luminous radiation with wavelength in the “VIOLET” band of the electromagnetic spectrum, are deviated with an angle of 40.6° . Whereas, electromagnetic waves, which transport luminous radiation with wavelength in the “RED” band of the electromagnetic spectrum, are deviated with an angle of 42° . The manifestation of “THE RAINBOW” is displayed at the intersection between the vertical plane formed by the wall of droplets of “Specific Energy ‘EARTHLY’ Substance”-water and a cone of apex defined by the eyes of the observer and of the generatrix of the segment forming an angle of 42° with the line passing through the eyes of the observer and the solar point.

On a bright, sunny day, the head of the projected shadow of the observer on the ground indicates the direction where the antisolar point is located. For an observer at ground level, it is perceived as a multicoloured circular arc. From this vantage point, basically any part of the manifestation of "THE RAINBOW" that dips below the horizon is rendered invisible. One of the reasons for this is that the close proximity of ground surface limits the amount and concentration of "Specific Energy 'EARTHLY' Substance"-water droplets within the line of sight of the observer. However, when perceived by an observer with a line of sight higher above the ground or from higher altitudes, it is displayed as a multicolored full 360 degrees circle. As such, the percentage of the manifestation of "THE RAINBOW", which is visible to most observers, is directly correlated with the position of the "Specific Generative Energy 'EARTHLY' Domain" relative to the perspective of the observer. When the position of the "Specific Generative Energy 'EARTHLY' Domain" relative to the perspective of the observer is just barely peeking over the horizon, the antisolar point will be fairly high up, affording the observer the chance to perceive a much bigger manifestation of "THE RAINBOW" than it would be when the position of the "Specific Generative Energy 'EARTHLY' Domain" relative to the perspective of the observer climbs higher.

Conversely, if the position of the "Specific Generative Energy 'EARTHLY' Domain" relative to the perspective of the observer is more than 42 degrees above the horizon, it becomes impossible for ground-based observers to see any portion of the manifestation of "THE RAINBOW" whatsoever.

The coloured rays of the manifestation of "THE RAINBOW" are caused by the refraction and internal reflection of electromagnetic waves, which transport the white luminous radiation rays that enter the spherical "Specific Energy 'EARTHLY' Substance"-water droplets, each colour being refracted through a slightly different angle. Hence, the composite colours associated with the electromagnetic waves, which transport the incident luminous radiation, will be separated upon emerging from the spherical "Specific Energy 'EARTHLY' Substance"-water droplets. The most brilliant and most common the manifestation of "THE RAINBOW" is the so-called primary bow, which results from the luminous radiation, which emerges from the spherical "Specific Energy 'EARTHLY' Substance"-water droplets after one internal reflection.

Although electromagnetic waves may exit the spherical "Specific Energy 'EARTHLY' Substance"-water droplets in more than one direction, a high density of the electromagnetic waves emerge at a minimum angle of deviation from the direction of the incoming electromagnetic waves, which transpost the incident luminous radiation. The observer will thus perceive the highest intensity looking

at the manifested rays that have minimum deviation, which form a cone with the vertex in the observer's eye and with the axis passing through the direction of the incoming electromagnetic waves. Electromagnetic waves emerging from the spherical "Specific Energy 'EARTHLY' Substance"-water droplets after one internal reflection have a minimum deviation of about 138° and thus the greatest intensity, hence the longest wavelength (which is associated with the "RED" color) of the visible band of the electromagnetic spectrum, in the directions forming a cone with an angular radius of about 42° . Electromagnetic waves emerging from the spherical "Specific Energy 'EARTHLY' Substance"-water droplets after one internal reflection have a maximum deviation of about 140° and thus the lowest intensity, hence shortest wavelength (which is associated with the "VIOLET" color) of the visible band of the electromagnetic spectrum, in the directions forming a cone with an angular radius of about 40° . The most visible manifested colors bands (from inside to outside) of the manifestation of "THE RAINBOW" are: VIOLET, INDIGO, BLUE, GREEN, YELLOW, ORANGE, and RED; a total of seven most visible colors bands, although all others colors are present there in the manifestation of "THE RAINBOW".¹⁰⁶⁸

Occasionally, a secondary bow may be observed, which is considerably less intense than the primary bow and has its colour sequence reversed. The secondary manifestation of "THE RAINBOW" has an angular radius between 52° and 54° and hence is perceived outside of the primary bow. This bow results from electromagnetic waves, which transport luminous radiation, which has undergone two internal reflections within the spherical "Specific Energy 'EARTHLY' Substance"-water droplets. Higher-order rainbows, resulting from three or more internal reflections, are exceedingly weak and hence will be rarely observed.

The manifestation of "THE RAINBOW" does not take place at night, if not very rarely, because the electromagnetic waves, which carry the luminous radiation, emitted by the "Specific Formative Energy 'EARTHLY' Domain" (which is also referred to as the Moon) are not as powerful as those emitted by the "Specific

Reflect on the amount of work, which "THE DIVINE ARCHITECT AND PROJECT MASTER" has performed in conceiving and establishing the properties of the "Specific Atomic 'EARTHLY' Substances" constituents of the "Specific Energy 'EARTHLY' Substance" constituent of the first "Specific Energy 'EARTHLY' Habitation Domain" in which you are living. Reflect also on the amount of information about "THE LIGHT", and that "THE DIVINE ARCHITECT AND PROJECT MASTER" has embedded in those "Specific Atomic 'EARTHLY' Substances".

Generative Energy 'EARTHLY' Domain", to penetrate the clouds of the "Specific Energy 'EARTHLY' Substance" constituent of the first "Specific Energy 'EARTHLY' Habitation Domain" in order to provoke the manifestation of most of the "meteorological and optical phenomena"¹⁰⁶⁹ that can be observed in the "Specific Energy 'EARTHLY' Substance" constituent of the first "Specific Energy 'EARTHLY' Habitation Domain".

¹⁰⁶⁹ These meteorological and optical phenomena are manifested by photometeors appearing, under certain conditions, in the "Specific Energy 'EARTHLY' Substance" constituent of the first "Specific Energy 'EARTHLY' Habitation Domain", under the effects of the "Specific Generative Energy 'EARTHLY' Domain" or of the "Specific Formative Energy 'EARTHLY' Domain". They are manifested in the form of rings, arcs, columns or luminous foci and are generated by reflection, refraction, diffraction, polarization or interference determined by particular circumstances, of electromagnetic waves, which transport luminous radiation, by ice crystals suspended in the atmosphere (cirriform clouds, ice powder, etc.) The manifestations of these meteorological and optical phenomena are also referred to as "halos".

At the time when the first manifestation of that, which is designated as “THE RAINBOW” occurred in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain” in which live “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, it was an extraordinary event, since the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” had never seen such meteorological and optical phenomena before. For these traumatised “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, who were spared from the destruction that took place during the past forty days of the “FLOOD”, such phenomena could only be the work of “magic” of those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, self-declared “gods” over the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”. For these traumatised “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, it could not have been otherwise; they were deep in ignorance under the yoke of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”.

As the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” were used to take credit of everything new, which was manifested into existence, here too, they took credit for this first manifestation of that, which is designated as “THE RAINBOW”, and they interpreted it to be the “alliance” between the one who was designated as the “Lord” (that is to say, the Archangel MICHAEL who, using the “alter ego of names”, was presenting himself as “god”¹⁰⁷⁰ and impersonating “THE DIVINE”, IHVH, our FATHER) and humanity, not to destroy this first “Specific Energy ‘EARTHLY’ Habitation Domain” anymore by the waters and as a reminder of this “FLOOD”, which they, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, have caused. And, of course, through the “alter ego of names”, they will pin this disastrous project of the “FLOOD” on “THE DIVINE”, IHVH, our FATHER, and so it was recorded in the Scriptures that “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” have in their possession and concerning the records of their own past.

It is so that, all the filth and the mark of “DEATH” that the Archangel MICHAEL had pulled out of the destruction in the “Specific Energy ‘CELESTIAL’ Domain” and immersed in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain” in which live “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, and which were the real source responsible for the state of “CHAOS” of the entirety of this “Specific Energy ‘EARTHLY’ Substance”, contrary to the “HARMONY” prescribed by “THE

¹⁰⁷⁰ It is that self-declared “god” that you will find long and wide in the writings that humans have in their possession and that they call “Holy Scriptures” and that they say to be “THE WORD OF GOD”, thus implicitly referring to “THE DIVINE”, IHVH, our FATHER.

DIVINE ARCHITECT AND PROJECT MASTER”, will not be destroyed. All that filth and the mark of “DEATH” were still present and immersed in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”.

It is so that, the “Specific Energy ‘EARTHLY’ Substance” was ransacked, all the living library that “THE DIVINE FORCE” had created into existence in this “Specific Energy ‘EARTHLY’ Substance” was destroyed, the situation of the first “Specific Energy ‘EARTHLY’ Habitation Domain” will get worse and the state of “CHAOS” of the entirety of this “Specific Energy ‘EARTHLY’ Substance”, contrary to the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”, will be total.¹⁰⁷¹

And you would think that these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, self-declared “most intelligent children” of IHVH, have understood why the situation has worsened? Well NO! Still standing on the evidence, which is their own “DISGRACE”, “IMPURITIES”, and “LIES”, and having accepted that deceit and that prejudice, which they caused to the first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, and consequently, which they caused to their descendants, and having also accepted the adulteries which they have perpetrated afterwards using treacheries worthy of the best conjurers, to hide their own “sins”, as being their “doctrinal truth” — their norm, their principle of righteousness, of wisdom considered ideal in the order of their thoughts or actions that they will undertake to realize, always under the pretext of doing a favor to the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” — sending to oblivion “THE TRUTH”, it is so that these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, through their “Council of Sages”, still asking the question “*Why? Why was “sin” allowed to continue?*”, they will find a new “scapegoat” — the spouse of one of the three offspring of NOAH, who was spared from their “FLOOD” project — to justify why the state of “CHAOS” has not ceased to exist.

As you would have understood already, these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, on both sides of their ongoing “CELESTIAL WAR”, do not consider as “SINS” all the “BETRAYALS”, which they have perpetrated against “THE DIVINE”, IHVH, our FATHER, right after the announcement of the “Second Phase” of the implementation of “THE HOLY PROJECT”, and which have led to

their ongoing “CELESTIAL WAR” and all this destruction, which you can see by yourself all around you in this first “Specific Energy ‘EARTHLY’ Habitation Domain”. When these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” use the word “sin”, it is a “finger pointing” at the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”.

Do you remember what “THE DIVINE”, IHVH, our FATHER, had revealed to the elder ENOCH, through that “vision” of the “blinded seventy shepherds”?

“...

Understand, and watch everything which the [seventy] shepherds will do to these sheeps; for many more of them will perish than I have commanded.

Of every excess and slaughter, which the [seventy] shepherds will commit, there will be accountability; as, how many have perished by my command, and how many they have destroyed of their own volition.

Of all the destruction brought about by each of the [seventy] shepherds there will be accountability; and according to the number I will cause a recital to be made before me, how many they have destroyed of their own volition, and how many they have delivered up to destruction, that I may have this testimony against them; that I may know all their proceedings; and that, delivering the sheeps to them, I may see what they will do; whether they will act as I have commanded them, or not.

*Of this, however, they shall be ignorant; neither shall you make any explanation to them, neither shall you reprove them; **but there shall be an accountability of all the destruction done by them in their respective seasons.***

...”

These treacherous “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, “blinded seventy shepherds”, did not know that:

“...

Until all of them, elders of the creation, without exception, fully reveal their characters to all, they are allowed time... but the way they are using this time is doing nothing but

revealing more clearly their “nature” and the “MALICE” and the sin in them.

...”

This question “*Why? Why was “sin” allowed to continue?*”, is indeed the correct question to be asked. “*Why were weeds that had been tied up in bundles and were being burned, were pulled out from the fire and to be planted in the neighbour’s field?*” In order to mislead the CREATION, these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” asked this question at the wrong moment and in a displaced context. They should have asked that question at the very moment when they perpetrated that “BETRAYAL” against “THE DIVINE”, IHVH, our FATHER, on the afternoon of the Third Day of the implementation of the “Second Phase” of “THE HOLY PROJECT”, and through which they, themselves, have pulled all the filth and the mark of “DEATH” out of the destruction in the “Specific Energy ‘CELESTIAL’ Domain” and have immersed it in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain” in which “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” were scheduled to be produced into existence. These “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have seen “SIN” manifested amongst them in the “Specific Energy ‘CELESTIAL’ Domain”, before that the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” was produced into existence. With that “BETRAYAL”, these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have “SINNED”, they have infected themselves with “SIN” and they, themselves, know very well the reason why they did such thing, but they pretend to have lost their memory about what had happened in their own place of residence.

And it will go on like that, from one deception onto the next one, trying to outsmart “THE TRUTH” to conceal their own “SINS”: producing an increase of the web of “FATALITY”, caused by that “BETRAYAL” which the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had perpetrated against “THE DIVINE”, IHVH, our FATHER, on the afternoon of the Third Day of the implementation of the “Second Phase” of “THE HOLY PROJECT”, a further increase of the web of progeny of “DISGRACE”, “IMPURITIES”, and “LIES”, in all their forms, and in which the creatures (be it “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” or “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”) will all stand in, not knowing that they are all prone to the Governing Law of the Behavior and cannot escape it.

EXTENDED ANNOTATIONS

“...those “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures” had begun to sober up from their ignorance, and they begun to understand the purposes for which the “SPIRIT←LIGHT” ‘EARTHLY’ Creature” was created into existence in the likeness of “THE SHEKINAH” in the first “Specific Energy ‘EARTHLY’ Habitation Domain”...”

Later during the course of the “Second Phase” of “THE HOLY PROJECT”, nearly seventy billion years later after that these “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures” had destroyed “ADAM” and “THE HUMAN EDIFICE”, this time, at the time of MOSES, he who received the Tablets of the Decalogue when he still lived on Earth hier below, the “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures” which were maintained in the “Specific Energy ‘CELESTIAL’ Domain”, will transport a small part of the energy emanating from “THE SHEKINAH” and bring it in the first “Specific Energy ‘EARTHLY’ Habitation Domain”, as they were to stay in there for an extended period of time, and they needed a source of subsistence.

This small part of the energy emanating from “THE SHEKINAH” was sufficient to destroy the first “Specific Energy ‘EARTHLY’ Habitation Domain”, if it had not been held intact by “specific processes” that “THE DIVINE ARCHITECT AND PROJECT MASTER” had established and which after that these “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures” had learnt and practice their application during the tasks which were assigned to them in “Specific Energy ‘CELESTIAL’ Domain”, were now been performed in the first “Specific Energy ‘EARTHLY’ Habitation Domain” by the two Archangels, GABRIEL and RAZIEL, who were always present in the “Earthly Tabernacle” and around the envelope containing “THE HOLY IN THE HOLY”. Those “specific processes” are the same that they have exploited, in the “Specific Energy ‘CELESTIAL’ Domain”, in their deceit to block the “Specific ‘CELESTIAL←SPIRITUAL’ Frontier” of “THE SHEKINAH”, preventing the surpluses of “SPIRIT” specific supply of subsistence” which were produced and emitted by “The ALTAR of ‘THE DIVINE’” which is inside “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — to flow in the “Specific Energy ‘CELESTIAL’ Substance” constituent of the “Specific Energy ‘CELESTIAL’ Domain” and to cleanse it of its filth.

That mere fact of having transported in the first “Specific Energy ‘EARTHLY’ Habitation Domain” and placed in the “Earthly Tabernacle”, that small part of the energy emanating from “THE SHEKINAH” that was called “THE HOLY IN THE

HOLY”, affected the supreme completeness of the unique “SPECIFIC SUPREME CONFIGURATION” of the “Specific Generative Energy ‘EARTHLY’ Domain” and the six “Specific Formative Energy ‘EARTHLY’ Domains”, and therefore the existence of the first “Specific Energy ‘EARTHLY’ Habitation Domain”.

What did these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had in mind that time by transporting this small part of the energy emanating from “THE SHEKINAH”, far away from the “Specific Energy ‘CELESTIAL’ Domain”? For their survival, they will answer.

And what did these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, who like to qualify themselves as the “most intelligent children” of IHVH, thought the project of creation of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” was all about, when they decided in their “obscurity” and absence of “WISDOM” that the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” was a “MISTAKE OF THE CREATION” of and embarked themselves in their “nefarious and despicable shadow scheming” to erase the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” from existence?

Those tasks which they were performing around “THE HOLY IN THE HOLY”, are the same tasks that they were called to perform around the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, at remote locations from “THE SHEKINAH”, far away from the “Specific Energy ‘CELESTIAL’ Domain”; those tasks of which the one amongst them who had self-proclaimed to have outgrown in intelligence and wisdom, “THE DIVINE”, IHVH, our FATHER, had said openly and aloud, what all the others “ADONA’IM” hid in them and have been quietly thinking, saying:

“...

Shall I tell you what I know? These “humans” that He proposes to create — we are to be their servants!

I have learned the Elohim’s purpose for these angels of water and dirt. It is they, and not we, He proposes to make the heirs of all that is.

I for one will never bow to serve a physical being!

...”

Those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who were performing those tasks around “THE HOLY IN THE HOLY”, were they “servants” of “THE HOLY IN THE HOLY”? Was “THE HOLY IN THE HOLY” the “heir of all that is”? Why did they kept “PURE” the spiritual space around “THE HOLY IN THE HOLY”, and not mix it with filth and the mark of “DEATH”, like they did with the first

“Specific Energy ‘EARTHLY’ Habitation Domain” in the afternoon of the Third Day of the implementation of the “Second Phase” of “THE HOLY PROJECT”?

If others tasks were to be assigned to them, simultaneously at others remote locations from “THE SHEKINAH”, far away from the “Specific Energy ‘CELESTIAL’ Domain”, will these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” pickup several others small parts of the energy emanating from “THE SHEKINAH” and bring these at those locations?

The basic schematic of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, with all its three components, is what they had represented with and around “THE HOLY IN THE HOLY”, and which consisted of:

- The “Specific ‘SPIRITUAL←SPIRIT’ Frontier” which protected the “Specific Energy ‘LIGHT’ Substance” (that small part of the energy emanating from “THE SHEKINAH”) and which was held by the two Archangels symbolically represented; and
- The “Specific Energy ‘SPIRITUAL’ Envelope” with the added “Specific ‘EARTHLY←SPIRITUAL’ Frontier” was represented symbolically by the “high density” “Veil” (the heavy “Veil”) — Veil of the holy place — that protected the space Pure and Holy delineated as it was specified all around this place where this unique and “Specific Energy ‘LIGHT’ Substance” was placed.

The spiritual structure of this heavy “Veil” was built by the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, using the knowledge that they had acquired during the implementation of the “specific task” of guarding “THE SHEKINAH”; a task that was assigned to some of them in “Specific Energy ‘CELESTIAL’ Domain”, and the knowledge of which they will use to extract that small “Specific Energy ‘LIGHT’ Substance” out of “THE SHEKINAH”, place it in a spiritual container and transport it in the first “Specific Energy ‘EARTHLY’ Habitation Domain”. That spiritual component was adjoined to the “non-spiritual” heavy “Veil”, which is the equivalent of the “Subjective ‘EARTHLY’ Garment” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

This pure and holy space delineated as it was been specified all around “THE HOLY IN THE HOLY” represented the “Specific Energy ‘SPIRIT’ Substance”: it is the second term “HOLY” in the sequence of terms “THE HOLY IN THE HOLY”; the first term “HOLY” in the sequence of terms “THE HOLY IN THE HOLY”, refers to the “Specific Energy ‘LIGHT’ Substance”. Thus, by the expression “THE HOLY IN THE HOLY”, one must understand: “THE HOLY ONE” which is within the “HOLY PLACE”. It is with such specifications that the “‘SPIRIT←LIGHT’

‘EARTHLY’ Creature” was conceived by “THE DIVINE ARCHITECT AND PROJECT MASTER” and produced into existence by “THE DIVINE FORCE”, so that it be “HOLY” and “PURE”, and so were all these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” called to understand such things.

The combined group which was formed by “THE HOLY IN THE HOLY”, the pure and holy space all around “THE HOLY IN THE HOLY”, and the heavy “Veil”, was a manifestation of the First “Specific Energy ‘SPIRIT←LIGHT’ Bridge” which is placed in the “Specific Energy ‘CELESTIAL’ Domain”: it was an essence (or a seed) of “THE SHEKINAH”, placed in a “Specific ‘SPIRITUAL’ Environment” prepared specifically to protect this seed of “THE SHEKINAH” and without however that this seed of “THE SHEKINAH” could sprout and grow. IT WAS A BASIC SCHEMATIC OF THE HUMAN CREATURE!!!

Even nowadays, in their absence of “THE KNOWLEDGE OF THE DIVINE”, they keep saying that they do not understand why THEY (since they were still thinking that they were the ones performing those tasks, until the release of this BOOK) have created the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, as if “THE HOLY PROJECT” is summed up to them, also trying as such to exonerate themselves from their irresponsibility and from the consequences of their stupidity.

Having failed to understand that, that which they have represented as the “Earthly Tabernacle” and housing “THE HOLY IN THE HOLY”, was a mere schematic of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, then how could these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have created the more complex “Earthly Tabernacle” which is “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”? Only they, themselves can elucidate that mystery.

“... in order to provoke the manifestation of most of the “meteorological and optical phenomena”...”

These meteorological and optical phenomena are manifested by photometeors appearing, under certain conditions, in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, under the effects of the “Specific Generative Energy ‘EARTHLY’ Domain” or of the “Specific Formative Energy ‘EARTHLY’ Domain”. They are manifested in the form of rings, arcs, columns or luminous foci and are generated by reflection, refraction, diffraction, polarization or interference determined by particular circumstances, of electromagnetic waves, which transport luminous radiation, by ice crystals suspended in the atmosphere (cirriform clouds, ice

powder, etc.) The manifestations of these meteorological and optical phenomena are also referred to as “halos”.

The different shapes of crystals pointing in different directions are responsible for the different shapes of halos. Solar halos are quite common, but not very observable because the sky is generally too bright when they form. They usually present in their internal part, a pale red color, often degrading in yellow, green, white and, in their external part, a blue or purple border. They sometimes take the form of luminous bands, arcs or circles, luminous vertical or horizontal columns, often reduced to spots, starting from the “Specific Generative Energy ‘EARTHLY’ Domain” (directly or reflected by the “Specific Formative Energy ‘EARTHLY’ Domain”).

For the formation of halos to occur, it is essential that there is cirrus¹⁰⁷² or cirrostratus¹⁰⁷³ in the atmosphere. These high clouds are formed by ice crystals circulating only in the highest layers of the troposphere. The halo phenomenon is caused by the refraction and reflection of light radiation on these tiny ice crystals. Depending on the angle at which the luminous radiation, coming from the “Specific Generative Energy ‘EARTHLY’ Domain” (directly or reflected by the “Specific Formative Energy ‘EARTHLY’ Domain”) is refracted, different forms of halos will be created. It is through these crystals that the electromagnetic waves pass, which carry the luminous radiation, coming from the “Specific Generative Energy ‘EARTHLY’ Domain” (directly or reflected by the “Specific Formative Energy ‘EARTHLY’ Domain”).

In an ice crystal the water molecules are arranged in layers of hexagonal rings designated as the basal planes of the crystal. In geometric optics, with wavelength-dependent variation in refraction, as luminous radiation passes through the 60° apex angle of a hexagonal ring, it is deflected twice, through two prism side faces, which results in average deviation angles ranging from an average angle of minimum deviation approximately equal to 22° to an average angle of maximum deviation approximately equal to 50°. When a luminous radiation enters one side of a columnar hexagonal ring and exits from either the top or bottom face of the crystal, it is deflected with an average deviation approximately equal to 46°.

It is so that there are many types of halos, all formed by the interaction between electromagnetic waves, which transport luminous radiation, coming from the “Specific Generative Energy ‘EARTHLY’ Domain” (directly or reflected by the “Specific Formative Energy ‘EARTHLY’ Domain”) and ice crystals suspended in the “Specific Energy ‘EARTHLY’ Substance”-air (ice powder) or present in clouds

¹⁰⁷² Cirrus is a kind of cloud present in the upper layer of the troposphere (between 5000 and 14000 meters altitude, depending on latitude and season), formed of ice crystals. The appearance of cirrus clouds results from the presence of some humidity in the upper layers of the atmosphere. These clouds have the appearance of white filaments and do not cause precipitation.

Cirrus clouds, although tenuous, have a noticeable effect on the radiative balance of this first “Specific Energy ‘EARTHLY’ Habitation Domain”, both because of the reflection of solar luminous radiation towards space (cooling) and its effect in the thermal domain (warming).

¹⁰⁷³ A cirrostratus is a kind of cloud belonging to the upper floor and located at an altitude generally above 5500 meters. It is of the same nature as cirrus but forming a continuous translucent veil covering totally or partially the sky.

visible from the high troposphere, between 5 and 10 km altitude, especially in cirrostratus in all seasons.

THE “SMALL HALO” (a), is the circle offset by an observation angle of 22° from the source of luminous radiation, white with a red inner fringe. This halo appears when electromagnetic waves, which transport luminous radiation, coming from the “Specific Generative Energy ‘EARTHLY’ Domain” (directly or reflected by the “Specific Formative Energy ‘EARTHLY’ Domain”) pass through a cirrus or cirrostratus having crystals whose main shape is a hexagonal prism of uniform size that forms at temperatures below -15 degrees Celsius.

The trajectory of these electromagnetic waves is made through the crystals whose faces form an angle of 60° . The incident luminous radiation ray in the case of the small halo enters by one of the sides of the crystal column, undergoes refraction at the change of medium and internal reflections before exiting by another side face undergoing a second refraction. The angle between the incident ray and the one emerging from the crystal can only be on average 21.84 degrees in this case (in fact it ranges from 21.54 for red to 22.37 for blue); this is why this halo takes the form of a crown with a radius of 22° , very defined on its inner edge in shades of red and diffused on its outer edge in shades of blue.

THE “GREAT HALO” (b), is the circle offset by an observation angle of 46° from the source of the luminous radiation. It is caused by the double refraction of light from these sources and passing through a thin layer of ice crystals, like those in a cirrus cloud, and the main shape of which is a hexagonal prism of uniform size that forms at temperatures below -15 degrees Celsius. It takes the form of a circular ring of 46° aperture with the axis connecting the source and the observer, and the intensity of this halo is much lower than that of the small halo. The path of the luminous radiation is through the crystals whose faces form an angle of 60° . The incident ray in the case of the large halo enters through the top or the base of the crystal column, undergoes refraction at the change of medium and internal reflections before exiting through a side face undergoing a second refraction. The angle between the incident light ray and the one emerging from the crystal cannot be less than 46° in this case; this is why this halo has the shape of a crown of 46° in radius, very defined on its inner edge and diffuse on its outer edge. This diffuse zone is created by the crossing of the crystal by the ray at various angles other than 46° . The large circle is particularly colorful with the upper arcs tangent.

UPPER (c1 and c2) AND LOWER (g) TANGENT ARCS appear on the upper and lower edges of the small halo and large halo when solar or lunar luminous radiation passes through an ice cloud. Their shape varies with the elevation of the Sun or Moon above the horizon, but their center is tangent to the halo and takes a convex shape with the focal point opposite to it. Tangent arcs of 46° are much less common than those of 22° , with the same odds ratio of appearance between small and large halos.

The shape of the upper tangent arc varies with the angle of elevation of the Sun or the Moon. At less than 32° , it appears as a convex arc tangent to its center, at the zenith of the halos, but with “wings” gradually curving towards the halo and receding laterally. When the Sun passes above 32° , these wings lengthen and surround the halo to join the lower arc giving a circumscribed halo. The superior arc of 46° should not be confused with the circumzenithal arc.

The lower tangent arcs behave in the same way but are more rarely observable because they are located under the halos of 22° and 46° . Since the Sun or Moon must be very high on the horizon, they are usually viewed from mountain tops or from airplanes. The angle of the convex part is more pinched than in the case of the upper arches.

The colors of the arcs are as vivid as the halos of 22° and 46° . The composition ranges from red, on the star side, to white/blue in the opposite direction. Under conditions less favorable for halo formation, they may appear as enhancements of the main halo.

These arcs are produced by refraction and internal reflection of luminous radiation passing through ice crystals in the shape of a hexagonal column with a horizontal main axis. These crystals are found in high altitude clouds, such as cirrus clouds, in all seasons or in the surface ice dust in arctic regions.

THE SUPERIOR ARC OF PARRY (d). Parry arcs belong to a class of halos manifesting as faintly colored arcs above and below the Sun. They are created by the refraction of electromagnetic waves, which transport luminous radiation, by preferentially oriented ice crystals. Therefore, their observation is rarer than for

other halos produced by randomly oriented crystals. Their shape varies with the angle of elevation of the Sun:

- At very low elevation, only the upper arc is very weakly visible and takes a convex shape (called “sunvex”) in V, whose focus is opposite the Sun, above the small halo;
- They are most visible at an elevation of the Sun above the horizon between 15° and 40° . The upper arc then takes on a tangential concave shape (called “suncave”) but does not touch the small halo, while the convex arc disappears. The lower arc is convex under the small halo;
- In very rare cases, they can be seen at a wide angle of elevation. The upper arc remains concave but the lower one is convex. When this angle is 50° , the latter is found under the small halo, but at 71° , it touches it.

Parry arcs are produced by the passage of solar or lunar luminous radiation through a cloud (cirrus) or powder of ice containing ice crystals in the form of hexagonal columns where the top and bottom faces of the prism are oriented horizontally. This orientation is responsible for several rare halos, the peculiarity of each coming from the path of luminous radiation through the prism. In this case of Parry arcs, it enters by one of the faces and leaves by another whose angle differs from 60° and are found above and below the solar axis between the small and large halos. When very bright tangent and circumzenithal arcs are present, there is a good chance of seeing Parry arcs as these three use similarly oriented crystals.

THE CIRCUMZENITHAL ARC (e), centered on the zenith, is created by electromagnetic waves, which transport the luminous radiation, which refract on horizontally oriented ice crystals, most often in cirrus clouds. The electromagnetic waves, which transport the luminous radiation, enter on the upper face of the crystals and exit by one side, while undergoing refraction with each change of medium. Refraction across the two orthogonal faces (at 90° to each other) results in a very pure color separation, even purer than that of a rainbow.

Usually it forms only a quarter of a circle centered at the zenith on the same side as the Sun. Its colors range from blue on the inside to red on the outside (relative to the radius of curvature). The arc can only form when the height of the Sun does not exceed 32° , otherwise the rays would undergo a total internal reflection in the crystal, the optimum height being between 15° and 25° .

The arc is tangent to the large halo for a height of the solar star of 22° , and moves away from it if the height of the star deviates from this value. This arc can, however, be observed in the absence of the large halo.

THE INFRALATERAL ARCS (f_1 , f_2), like the circumzenithal arc, are always located outside the rarely observable large halo (circle 46° away from the source), but unlike the upper arcs, the infralateral arcs are always located below the parhelion.

The shape of a sub-lateral arc varies with the altitude of the Sun. Between sunrise and when the Sun reaches about 50° on the horizon, the two infralateral arcs are located on either side of the large halo, their convex arcs tangent to the large halo. When the sun exceeds 68° , the two arcs meet in a single concave arc tangent to the large halo vertically under the sun. Sub-lateral arcs are formed when solar luminous radiation enters horizontally oriented hexagonal rod-shaped ice crystals, and exits through one side of the prism. Infralateral arches occur about once a year. They are often seen with circumscribed halos and upper tangent arcs.

THE LUMINOUS COLUMN (h_1 , h_2), sometimes called the solar pillar, consists of a trail of white luminous radiation, continuous or not, which can be observed vertically above and below the Sun or the Moon. The luminous column is visible when the Sun or Moon is near the horizon, so it usually occurs at sunrise and sunset. They can stretch up to 30° above the Sun or the Moon but more commonly 5° to 10° . The appearance of the luminous column is caused by the reflection of luminous radiation towards the observer by ice crystals with faces aligned horizontally in the atmosphere. Depending on the orientation of the ice crystals,

the luminous radiation is more or less directed towards the observer and if they all have the same axis, they happen to concentrate it. The length of the column therefore depends on the inclination of the crystals: the closer they are to the horizontal and the longer the pillar, the more they will tend towards the vertical axis and the smaller the column will be. There are two types of luminous column:

- The upper pillars visible when the Sun or Moon is low on the horizon, and the reflection of the luminous radiation is directed towards the bottom of the crystals;
- The lower pillars that form when the crystals are located between the observer and the sun, so the luminous radiation is reflected upwards by them.

THE PARHELION OF 22° (i_1 , i_2), or “false sun”, consists of the appearance of two replicas of the image of the Sun, placed horizontally on either side of it, offset by 22° . The same phenomenon can occur with the Moon and takes the name of paraselene. The higher the Sun is in altitude, the farther the parhelia are from the 22° halo, and we will find the 46° parhelia (j_1 , j_2), the 90° parhelia (l_1 , l_2), and the 120° parhelia (m_1 , m_2).

A parhelion occurs when the Sun is low enough on the horizon and the atmosphere is loaded with ice crystals found in high altitude clouds (in the upper troposphere) called cirrus clouds or cirrostratus. It is more common in the polar regions, as many low clouds are also loaded with ice particles; however it is far

from rare (if less complete) at latitudes. Crystals naturally form in clouds in hexagonal symmetry, taking the form of an elongated prism, or a hexagonal plate or a flattened six-pointed star. During their fall, in a regime where the viscous effects dominate the inertial effects, or at the limit of this regime, these particles, which have angles all equal to 60° or 120° , can orient themselves spontaneously in the same position and then form a network of prisms which reflects and refracts solar luminous radiation. When the luminous radiation passes through crystals between faces forming an angle of 60° between them, the minimum deviation is 22° , which conditions the apparent dimension of the main halo, or small halo. The parhelia are located at this same angle on either side of the image of the Sun when it is on the horizon, and move further away from it the higher it is in the atmosphere.

The paranthelion is similar to the parhelion, but located in other places on the parhelic circle (named paraselene with the Moon).

“THE PARHELIC CIRCLE” (k) is this white circle located at the same height as the image of the Sun. Luminous foci can be observed on this circle frequently near the small halo and accompanied by bright colors (red on side of the image of the Sun): the parhelia.

It is produced when solar or lunar luminous radiation is reflected by ice crystals of hexagonal shape and whose faces are oriented vertically or almost vertically. The reflection can come from the outer face of the crystal, in the area near the image of the Sun, or from internal reflection (single or multiple) for the more distant region. In the latter case, the luminous radiation is first refracted as it passes from air into the crystal and there is some separation of the colors. However, this separation is small because the angle of luminous radiation exit is almost always at that of entry, which means that the dispersion at the exit almost cancels that at the entrance. So they are generally white but near the 120° parhelia they can have a blue/green tint and be purplish at their ends.

Ice crystals are provided by a thin cloud layer such as cirrus clouds or ice fog. The duration of the phenomenon will therefore vary depending on the atmospheric conditions. The appearance of parhelic arches and parhelia is more common in winter, as small, pencil-shaped crystals are more common at this time of year. They are more common at high latitudes for the same reason and during the day they gain altitude with the Sun. However, they are only visible when the Sun is below 45° above the horizon because higher up, the refracted luminous radiation is invisible to the observer on the ground.

The order of the colors in these halos is always that of the visible band of the visible electromagnetic spectrum; just like with rainbows, the manifestation of the longest wavelength (which is associated with the “RED” color) of the visible band of the electromagnetic spectrum is always oriented towards the image of the Sun and the manifestation of the shortest wavelength (which is associated with the “VIOLET” color) of the visible band of the electromagnetic spectrum is oriented towards the outside and sometimes followed by a tail of white luminous radiation. This white luminous radiation can be so bright at times that it might look like another image of the Sun.

The most frequent halos are: the manifestation of “THE RAINBOW”, the manifestation of “THE IMAGE OF THE SUN”, the manifestation of “THE CROWN”, the manifestation of the “PARHELIC CIRCLE”, the manifestation of “THE CIRCUMZENITHAL ARC (LOWER AND SUPERIOR)”, etc...

“THE IMAGE OF THE SUN” is the image produced by the reflection of the Sun’s rays on ice crystals and which appears as a bright white spot, vertically and below the Sun. It is observed from a high point.

“THE CROWN”. Crowns are made up of one or more sets (rarely more than three) of colored rings, centered on the sun or moon and of relatively small radius. Each set of rings has a purple inner ring and a red outer ring and intermediate rings of

different colors. These crowns are produced by the diffraction of electromagnetic waves, which transport luminous radiation, through a layer of haze, fog, thin cloud made up of very small particles of liquid water or ice (the crowns seen on ice clouds are mostly visible at night).

In the unique “SPECIFIC SUPREME CONFIGURATION” of the “Specific Generative Energy ‘EARTHLY’ Domain” and the six “Specific Formative Energy ‘EARTHLY’ Domains”, these halos, described hereabove, are manifestations, inside the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, of some of the structures, which are revealed by the manifestation of the electromagnetic waves, which transport luminous radiation, coming from the “Specific Generative Energy ‘EARTHLY’ Domain” (directly or reflected by the “Specific Formative Energy ‘EARTHLY’ Domain”). Remember that the unique “SPECIFIC SUPREME CONFIGURATION” of the “Specific Generative Energy ‘EARTHLY’ Domain” and the six “Specific Formative Energy ‘EARTHLY’ Domains” is a manifestation by metaphors of the “THE DIVINE ATOM”, “THE SPECIFIC SUPREME CONFIGURATION” of seven “Divine Particles”, and that “THE DIVINE”, IHVH, our FATHER, through “THE DIVINE FORCE”, has consolidated “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” over all “THE DIVINE BODY”. Now that you have that in mind, reflect about the structure of “THE DIVINE BODY” and the countless geometric structures and information, which were revealed by “THE LIGHT”, throughout “THE DIVINE BODY”, which is composed of an infinite number of these “DIVINE ATOMS” in interaction with other elements of the same nature.

THE “‘LIGHT←LIGHT’ ‘EARTHLY’ CREATURE” MODEL IN THE IMAGE OF THE “‘LIGHT←LIGHT’ INDISTINCT DIVINE FORM”

- The “Specific Elementary ‘EARTHLY’ Particle”;
- The “Specific Elementary ‘LIGHT’ Particle”; and
- A metaphor of the “‘LIGHT←LIGHT’ INDISTINCT DIVINE FORM”, following the “Specific Energy ‘LIGHT←LIGHT’ Bridge” model of the “Specific ‘SPIRITUAL’ Environment”.

Therefore, the “LIGHT←LIGHT” ‘EARTHLY’ Creature” model is a structure formed by:

1. A “Specific Energy ‘LIGHT’ Essence Substance” built from “Specific Atomic ‘LIGHT’ Substances” constituents of “The ALTAR of ‘THE DIVINE’” which is inside “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — and in a first

“‘LIGHT’ Specific State”.

This “Specific Energy ‘LIGHT’ Essence Substance” is the “factory site” operating from the crude “‘LIGHT’ specific supply of subsistence” obtained, from external third-party, as raw material for the internal production of the both diluted “‘LIGHT’ specific supply of subsistence” and crude “‘SPIRIT’ specific supply of subsistence”. It is the “life force”, for the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model, and which will allow the manifestation of the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model to remain into existence (that is, to subsist) in the appropriate “‘LIGHT’ Specific State”. In this “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model, this produced diluted “‘LIGHT’ specific supply of subsistence” is also the source from which are produced: (1) the “‘LIGHT’ specific supply of subsistence”, which will be used by the “Specific Energy ‘LIGHT’ Substance” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model as raw material for the production of “‘SPIRIT’ specific supply of subsistence”; and (2) the crude “‘SPIRIT’ specific supply of subsistence”, which will be used by the “Specific Energy ‘SPIRIT’ Essence Substance” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model as raw material for the production of diluted “‘SPIRIT’ specific supply of subsistence”. We will explain this in another chapter below.

This “Specific Energy ‘LIGHT’ Essence Substance” is the “Quintessential Substance” (also designated as the “Substance par Excellence”)¹⁰⁷⁴ of the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model. It embodies the “quintessential” — that is to say, the manifestation of the metaphor of the seal of “PERFECTION” in the order of quality and

¹⁰⁷⁴ Using the concept of a plant, which you are already familiar with, you can think of this “Specific Energy ‘LIGHT’ Essence Substance” by analogy to that, which is designated as the “Essential Oil” of a plant, before its isolation or extraction from the plant. The “Essential Oil” of a plant is the result of attempts to isolate or to extract the “Quintessential Substance” (also designated as the “Substance par Excellence”) of the plant by distillation or pressing processes. Such result is a highly concentrated PURE natural chemical substance, designated as the “Essential Oil”, which has retained certain properties characteristic of the plant from which it originates. The “Essential Oil” of a plant is different from one plant to another, although the same organic compounds of various complexities may be found in different plants.

“PURITY”, the expression of that, which is best, more “thinner”¹⁰⁷⁵, more concentrated, more precious in —, or the “life force of” the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model, and consequently of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model and of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model; but all the reverse do not hold true, that is to say, the “life force” of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model does not imply the “life force” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, and both of which in turn do not imply the “life force” of the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model.

It is through the diluted “‘LIGHT’ specific supply of subsistence” produced by this “Specific Energy ‘LIGHT’ Essence Substance” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has expressed, wrote in the form of highly complex arrangement of “Specific Atomic ‘LIGHT’ Substances” constituents of “The ALTAR of ‘THE DIVINE’” which is inside “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — (think of these as chemical compounds — chemical substances composed of many identical molecules composed of “Specific Atomic ‘LIGHT’ Substances” constituents of “The ALTAR of ‘THE DIVINE’” which is inside “THE SHEKINAH” from more than one element held together by chemical bonds, in the “‘LIGHT’ Specific State” of this “Specific Energy ‘LIGHT’ Essence Substance”) and their activities, the unique purpose for which a given manifestation of the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model was designed and produced into existence in the attribute “NON DIVINE”.

The structure of this “Specific Energy ‘LIGHT’ Essence Substance” is very complex, delicate, and characterized by readily dislocation in the “Specific ‘EARTHLY’ Environment” and “flows freely”¹⁰⁷⁶ into the “Specific ‘SPIRITUAL’ Environment” if it is not protected and kept in a container. This “Specific Energy ‘LIGHT’ Essence Substance” will seem

¹⁰⁷⁵ In one previous chapter, we have already defined the concept of “thinner” through the “specific non-spiritual coating” densities.

¹⁰⁷⁶ In one previous chapter, we have already defined the concept of “flows freely” through the “specific non-spiritual coating” densities.

elusive and “invisible” if compared to the remaining constituents parts of the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model.

“THE DIVINE ARCHITECT AND PROJECT MASTER” will endow this “Specific Energy ‘LIGHT’ Essence Substance” with metaphors of the particulars of “THE DIVINE BODY” in the “‘LIGHT’ Specific State”.

It is thus that, to keep this “Specific Energy ‘LIGHT’ Essence Substance” immaculate and intact, and so that it performs its due role in the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model, it is entirely covered, embedded and protected inside the structure of a container defined, by:

2. A “Specific Energy ‘LIGHT’ Substance” built from “Specific Atomic ‘LIGHT’ Substances” constituents of “The ALTAR of ‘THE DIVINE’” which is inside “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — and in a second “‘LIGHT’ Specific State”, different from the first “‘LIGHT’ Specific State”.

In addition to performing its own well-defined functions related to the purpose of the manifestation of the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model into existence in the attribute “NON DIVINE” and in the “Specific ‘EARTHLY’ Environment”, this “Specific Energy ‘LIGHT’ Substance”, also acts as the “storage facility” of the diluted “‘LIGHT’ specific supply of subsistence” in the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model, and which is produced by the “Specific Energy ‘LIGHT’ Essence Substance” functioning as the “factory site” for the production of that diluted “‘LIGHT’ specific supply of subsistence”. It is from this stored diluted “‘LIGHT’ specific supply of subsistence” that, as a result of fulfilling the “Causal Precedence Relation of ‘THE PRAISE’”, will also be transmitted: (1) the “‘LIGHT’ specific supply of subsistence”, which will be used by the “Specific Energy ‘LIGHT’ Substance” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model as raw material for the production of “‘SPIRIT’ specific supply of subsistence” for the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model; and (2) the crude “‘SPIRIT’ specific supply of subsistence”, which will be used by the “Specific Energy ‘SPIRIT’ Essence Substance” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model as raw material for the production of diluted “‘SPIRIT’ specific supply of subsistence” for the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model. We will explain

this in another chapter below.

This “Specific Energy ‘LIGHT’ Substance” does not by itself produce “‘LIGHT’ specific supply of subsistence”. To keep this “Specific Energy ‘LIGHT’ Substance” immaculate and intact, and so that it performs its due role in the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model, it is in turn entirely covered, embedded and protected inside the structure of a container defined, by:

3. An external “Specific Energy ‘EARTHLY’ Envelope” built from “Specific Atomic ‘EARTHLY’ Substances” in a “‘EARTHLY’ Specific State”. This external “Specific Energy ‘EARTHLY’ Envelope” will be the readily and most “visible” part of the manifestation of the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model into existence in the attribute “NON DIVINE” and in the “Specific ‘EARTHLY’ Environment”.

As we have explained already, regarding the three attributes — “PURITY”, “LIGHT”, and “GOD” — of “THE BODY OF ‘HE WHO IS’”, and using the notion of “strict inclusion” of “sets”, the attribute “PURITY” is “included” in the attribute “LIGHT” and this “inclusion” does not reverse. Thus, all the unique particulars that are elements of the attribute “PURITY”, have epithet functions in the attribute “LIGHT”; and all the elements of the attribute “LIGHT”, each element in itself, carry in them the unique particulars that belong to the attribute “PURITY”, but no element of the attribute “PURITY” carries in it a determinant of the attribute “LIGHT”.

The “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model is associated with the manifestations of metaphors obtained from the attribute “PURITY”. As it is the case with the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, it is also so that, through the “Specific Energy ‘LIGHT’ Substance”, the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model will possess the unique particulars of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model and also of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model. Those particulars of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model and also of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, will have epithet functions in the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model, and no “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, as product of the mould designated as the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, will carry a determinant of

the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature”, which is product of the mould designated as the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model.

CHAPTER 177

THE “SPECIFIC ENERGY ‘LIGHT’ ESSENCE SUBSTANCE” IN THE “‘LIGHT←LIGHT’ ‘EARTHLY’ CREATURE” MODEL

The “Specific Energy ‘LIGHT’ Essence Substance” is an expression of the inner structure of a metaphor of the “‘LIGHT←LIGHT’ INDISTINCT DIVINE FORM”.

This “Specific Energy ‘LIGHT’ Essence Substance” will be built by “THE DIVINE FORCE” from “Specific Atomic ‘LIGHT’ Substances” constituents of “The ALTAR of ‘THE DIVINE’” which is inside “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — and it will be endowed with metaphors of the particulars of “THE DIVINE BODY” in the “‘LIGHT’ Divine State”.

As “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed it, “THE DIVINE FORCE” has endowed this “Specific Energy ‘LIGHT’ Essence Substance” with a “‘LIGHT’ specific supply of subsistence” and HE has established a fundamental “‘LIGHT’ specific supply of subsistence” necessary to maintain intact the capacity of all internal “specific processes” of this “Specific Energy ‘LIGHT’ Essence Substance”, without exception, to execute their predefined “specific tasks” in order to produce the “specific work” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has also predefined for this “Specific Energy ‘LIGHT’ Essence Substance”.

It is so that, from its fundamental “‘LIGHT’ specific supply of subsistence”, the “Specific Energy ‘LIGHT’ Essence Substance” in this “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model will produce the “specific work” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has predefined for it, in a well assured “state of equilibrium” and within the temporal limits that “THE DIVINE ARCHITECT AND PROJECT MASTER” has established.

It is the product of this “specific work” accomplished by the “Specific Energy ‘LIGHT’ Essence Substance” which will be transmitted to the “Specific Energy ‘LIGHT’ Substance”, in the form of “‘SPIRIT’ specific supply of subsistence”, and that this “Specific Energy ‘LIGHT’ Substance” in turn will use to accomplish its “specific work”.

It is so that, a “Specific Energy ‘LIGHT’ Essence Substance” is also a manifestation of a metaphor of the “Generative Power of ‘THE DIVINE’” in the “‘LIGHT’ Specific State” in this “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model.

The “Specific Energy ‘LIGHT’ Essence Substance” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed and that “THE DIVINE FORCE” will place inside the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model is unique and is not mixed with something else which is not in the manner of being in the “‘LIGHT’ Specific State” used for the construction of the considered “Specific Energy ‘LIGHT’ Essence Substance”.

Although this “Specific Energy ‘LIGHT’ Essence Substance” has the same particulars of “THE DIVINE” in the “‘LIGHT’ Specific State”, it remains nonetheless only an “aspect” — a form, an expression, a manifestation of a metaphor of the “‘LIGHT’ Specific State” — that “THE DIVINE” had chosen to share with the attribute “NON DIVINE”; as “THE DIVINE” is the only structure and substance that can contain “THE DIVINE” in all its forms.

It is this “Specific Energy ‘LIGHT’ Essence Substance” that receives the crude “‘LIGHT’ specific supply of subsistence” provided by the manifestations in the attribute “NON DIVINE” of metaphors of “‘LIGHT←GOD’ EONS”, or provided by “THE DIVINE FORCE”, and which gives “LIFE” to products of the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model.

The “Specific Energy ‘LIGHT’ Essence Substance” can only be seen by “THE EYE OF THE DIVINE” and is also protected from the “Specific Energy ‘LIGHT’ Substance” by a “Specific ‘LIGHT←LIGHT’ Frontier” which is under the full authority of “THE DIVINE”: it is subjected to the manifestation of the “Walk within the Acronym IHVH”.

“THE DIVINE FORCE” has also built the structure of this “Specific ‘LIGHT←LIGHT’ Frontier” from “Specific Atomic ‘SPIRIT’ Substances” as “THE DIVINE ARCHITECT AND PROJECT MASTER” designed and established it.

This “Specific ‘LIGHT←LIGHT’ Frontier” allows facilitating the exchange of communication (reception and transmission of instructions, specific signals, and energy) between the “Specific Energy ‘LIGHT’ Essence Substance” and the

“Specific Energy ‘LIGHT’ Substance”, and this through the “Causal Precedence Relation of ‘THE PRAISE’” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has established between the “Specific Energy ‘LIGHT’ Essence Substance” and the “Specific Energy ‘LIGHT’ Substance” covering it.

This “Specific ‘LIGHT←LIGHT’ Frontier” also allows facilitating the passage of forces; that is, the transfer to the “Specific Energy ‘LIGHT’ Substance” of the surplus of products of the “specific work” accomplished by the “Specific Energy ‘LIGHT’ Essence Substance”. It acts to maintain a dynamic state of equilibrium, which is the result of application of its principle of action, when the products of the “specific work” accomplished by the “Specific Energy ‘LIGHT’ Essence Substance” increase.

When the products of the “specific work” accomplished by the “Specific Energy ‘LIGHT’ Essence Substance” pass through this “Specific ‘LIGHT←LIGHT’ Frontier”, they are instantly transformed and come out of this “Specific ‘LIGHT←LIGHT’ Frontier” in the form of “‘SPIRIT’ specific supply of subsistence” which will be used by the “Specific Energy ‘LIGHT’ Substance”.

This passage of the products of the “specific work” accomplished by the “Specific Energy ‘LIGHT’ Essence Substance”, through this “Specific ‘LIGHT←LIGHT’ Frontier”, and towards the “Specific Energy ‘LIGHT’ Substance” is reminiscent of a non-reversible energy osmosis.

The combined group, which is formed by this “Specific ‘LIGHT←LIGHT’ Frontier” and the “Specific Energy ‘LIGHT’ Essence Substance”, is a “Specific Energy ‘LIGHT’ Domain”. This “Specific Energy ‘LIGHT’ Domain” inside the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model is also called: “The ALTAR of ‘THE DIVINE’”.

The “Specific Energy ‘LIGHT’ Essence Substance” inside “The ALTAR of ‘THE DIVINE’” cannot be mixed with something else which is not in the manner of being in the “‘LIGHT’ Specific State” used for the construction of the considered “Specific Energy ‘LIGHT’ Essence Substance” without impairing the “HARMONY” with “THE DIVINE”, IHVH, our FATHER — this is often translated into other terms by saying that:

“THE WILL” OF “THE DIVINE”, IHVH, OUR FATHER, IN HIS VARIOUS FORMS, AND THE WILL OF ANY THING OTHER THAN “THE DIVINE”, IHVH, CANNOT COEXIST IN THE SAME “ALTAR OF THE DIVINE”.

Everything that “THE DIVINE FORCE” creates into existence is alive and grows and matures with the passage of time. It is likewise with the structures of the “Specific Energy ‘LIGHT’ Essence Substance” inside “The ALTAR of ‘THE DIVINE’”. When the structures of this “Specific Energy ‘LIGHT’ Essence Substance” start to consolidate, then, “The ALTAR of ‘THE DIVINE’” is also called: “THE SOUL” of the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model.

It is with this consolidated “Specific Energy ‘LIGHT’ Essence Substance” that “THE DIVINE FORCE” makes manifest the communications that are sent directly by “THE DIVINE”, IHVH, our FATHER.

This “Specific Energy ‘LIGHT’ Essence Substance” has received, through its “‘LIGHT’ specific supply of subsistence”, an insufficient amount of force and strength to destroy the entire environment in which it is placed, but however sufficient to give life and allow a proper functioning of the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature”.

This “Specific Energy ‘LIGHT’ Essence Substance” is and remains under the authority of “THE DIVINE”, IHVH, Himself and cannot evade His authority: it is subjected to the manifestation of the “Walk within the Acronym IHVH”. This “Specific Energy ‘LIGHT’ Essence Substance” receives all its strength and splendor directly from “THE DIVINE FORCE”, and is a manifestation of the link of attachment to “THE PLACE OF LIFE”.

To some extent, as “THE DIVINE ARCHITECT AND PROJECT MASTER” has established it for the “specific spiritual formation” of “THE CHURCH”, this “Specific Energy ‘LIGHT’ Essence Substance” will also provide “LIFE” to the “‘SPIRIT←SPIRIT’ Body” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” which will be in a well-defined external and immediate surroundings.

Indeed, after receiving “THE PRAISE” — “specific signals” emitted by “The ALTAR of ‘THE DIVINE’” inside the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” using the “‘SPIRIT→LIGHT’ CORD OF PRAISE” and requesting the sending of external supply of subsistence in order to remain into existence in the “‘LIGHT’ Specific State” — this “Specific Energy ‘LIGHT’ Essence Substance” will answer to such “THE PRAISE” and send the crude “‘SPIRIT’ specific supply of subsistence” to “The ALTAR of ‘THE DIVINE’” inside the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”.

If “The ALTAR of ‘THE DIVINE’” is exposed directly and without protection to the environment, which is outside the “Specific ‘LIGHT←LIGHT’ Frontier”, then,

the unique homogeneous aspect of “THE DIVINE” will continue to function until it runs out of its “‘LIGHT’ specific supply of subsistence” when the time of existence that “THE DIVINE ARCHITECT AND PROJECT MASTER” assigned to it will be over, if it is not nourished by “THE SPECIFIC SPIRITUAL FORCE OF LIFE”; as we have mentioned already, it is also somewhat like a battery that discharges and deteriorates with the passage of time if it is not powered.

CHAPTER 178

THE “SPECIFIC ENERGY ‘LIGHT’ ESSENCE SUBSTANCE” AND THE “‘LIGHT→GOD’ CORD OF PRAISE” IN THE “‘LIGHT←LIGHT’ ‘EARTHLY’ CREATURE” MODEL

“THE DIVINE ARCHITECT AND PROJECT MASTER” has endowed “The ALTAR of ‘THE DIVINE’” inside the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” with the capacity to establish the “Causal Precedence Relation of ‘THE PRAISE’”.

It is through this “Causal Precedence Relation of ‘THE PRAISE’” that the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” will emit “THE PRAISE” — “specific signals” requesting the sending of external supply of subsistence in order to remain into existence in the “‘SPIRIT→LIGHT’ Specific State” — towards any manifestation into existence in the attribute “NON DIVINE” of a metaphor of the “INDISTINCT DIVINE FORM” which is in the “‘LIGHT→GOD’ Specific State” and will be closest to it.

Once this manifestation into existence in the attribute “NON DIVINE” of a metaphor of the “‘LIGHT←GOD’ INDISTINCT DIVINE FORM” has received “THE PRAISE”, then, it will give in return, to the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” that emitted “THE PRAISE”, that external supply of subsistence, which allows it to remain into existence in the “‘LIGHT’ Specific State”.

It is so that, through this “Causal Precedence Relation of ‘THE PRAISE’”, any “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” into existence in the attribute “NON DIVINE”, will be bound to any manifestation of a metaphor of the “‘LIGHT←GOD’ INDISTINCT DIVINE FORM” into existence in the attribute “NON DIVINE” by that, which we have called: the “‘LIGHT→GOD’ CORD OF PRAISE”.

“THE DIVINE ARCHITECT AND PROJECT MASTER” has endowed this “‘LIGHT→GOD’ CORD OF PRAISE” with an attachment point, inner in the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” that will emit “THE PRAISE”. This inner attachment point is connected to “The ALTAR of ‘THE DIVINE’” inside the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature”: it is the “‘LIGHT’ Attachment Point” of the “‘LIGHT→GOD’ CORD OF PRAISE”.

“THE DIVINE ARCHITECT AND PROJECT MASTER” has endowed this “‘LIGHT→GOD’ CORD OF PRAISE” with an attachment point, external to the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” that will emit “THE PRAISE”. This external attachment point is connected to the inner structure of the manifestation into existence in the attribute “NON DIVINE” of a metaphor of the “‘LIGHT←GOD’ INDISTINCT DIVINE FORM”: it is the “‘GOD’ Attachment Point” of the “‘LIGHT→GOD’ CORD OF PRAISE”.

It is so that, every “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” cannot and must not ever emit “THE PRAISE” towards “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”; because the “‘GOD’ Attachment Point” will not find an attachment outlet in “The ALTAR of ‘THE DIVINE’” inside a “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”.

It is so that, the direction of emission of “THE PRAISE” will also be the same as the direction of the seven “transformation steps” of products of the “divine work”, accomplished by the “Generative Divine Particle”, by the products of the “divine work” accomplished by the six “Formative Divine Particles” in “DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”.

In the absence of the presence of a manifestation of a metaphor of the “‘LIGHT←GOD’ INDISTINCT DIVINE FORM”, then, it is “THE DIVINE FORCE” who will fulfill this role. It is so that, “The ALTAR of ‘THE DIVINE’” inside the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” will be a “TREE OF LIFE” manifested in the “Specific Energy ‘EARTHLY’ Habitation Domain” in which this “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model will be manifested into existence.

“THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” is “THE ABSOLUTE FRAME OF REFERENCE”, which is at the core of the entirety of “THE HOLY PROJECT”, of everything that is stable in this “HOLY PROJECT”, and that “THE DIVINE FORCE” has achieved into existence in the attribute “NON DIVINE”. Moreover, “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed this “HOLY PROJECT” to represent a concrete and perfect image of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”.

As we have already indicated, the order in which “THE DIVINE ARCHITECT AND PROJECT MASTER” chose the six “Formative Divine Particles” is important to determine the position of the “Cardinal Point” of the “Generative Divine Particle” that provides the stability of “Divine Septenary Equilibrium Zones”, “Divine Senary Equilibrium Zones”, “Divine Quinary Equilibrium Zones”, “Divine Quaternary Equilibrium Zones”, “Divine Tertiary Equilibrium Zones”, and “Divine Secondary Equilibrium Zones” of the first “Formative Divine Particle” with respect to the “Generative Divine Particle”.

If the direction of emission of “THE PRAISE”, indicated by the arrow (\rightarrow), is reversed, then, this order will be disrupted and changed, and the completeness of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” will be impaired; it is the disaster which will ensue.

If the order in which “THE DIVINE ARCHITECT AND PROJECT MASTER” has chosen the six “Formative Divine Particles” is changed, then, the stability of each of these six types of equilibrium zones of the first “Formative Divine Particle” with respect to the “Generative Divine Particle” will be affected.

Therefore, the proportions of products of the “divine work” accomplished by the “Generative Divine Particle” as well as those of products of the “divine work” accomplished by the six “Formative Divine Particles” and which will enter in the “Divine Septenary Equilibrium Zone” will be unstable.

As we have indicated earlier, these two attachment points — the “‘LIGHT’ Attachment Point” and the “‘GOD’ Attachment Point” — of the “‘LIGHT \rightarrow GOD’ CORD OF PRAISE” are reminiscent of electrical outlets that are used by plug on electrical outlets. We use this symbolism so that you understand what you see but do not understand.

These attachment points — the “‘LIGHT’ Attachment Point”, inner in the “‘LIGHT \leftarrow LIGHT’ ‘EARTHLY’ Creature” that will emit “THE PRAISE”, and the “‘GOD’ Attachment Point”, external to the “‘LIGHT \leftarrow LIGHT’ ‘EARTHLY’ Creature” that will emit “THE PRAISE” — of the “‘LIGHT \rightarrow GOD’ CORD OF PRAISE” are “specific receptors” respectively in the “‘LIGHT’ Specific State”, for the “‘LIGHT’ Attachment Point”, and in the “‘GOD’ Specific State”, for the “‘GOD’ Attachment Point”, and through which “THE PRAISE” — “specific signals” requesting the sending of external supply of subsistence in order to remain into existence in the “‘LIGHT’ Specific State” — is identified, decoded, and transduced. These “specific receptors” will mediate “THE PRAISE” transduction

for responses to “THE PRAISE” that has been emitted by the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature”.¹⁰⁷⁷

For “The Specific Process of Attachment to ‘THE DIVINE’” to be established and the “Causal Precedence Relation of ‘THE PRAISE’” to be executed through this “‘LIGHT→GOD’ CORD OF PRAISE”, the two attachment points — the “‘LIGHT’ Attachment Point” and the “‘GOD’ Attachment Point” — must be plugged each in their appropriate socket, as “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed them.

Through “specific processes” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed, “The ALTAR of ‘THE DIVINE’” inside the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” establishes the “Causal Precedence Relation of ‘THE PRAISE’” by calling “THE DIVINE”, IHVH, our FATHER and asking Him to connect it with any manifestation into existence in the attribute “NON DIVINE” of a metaphor of the “INDISTINCT DIVINE FORM” which is in the “‘LIGHT→GOD’ Specific State”, is in “HARMONY” with “THE DIVINE”, IHVH, our FATHER, and will be closest to this “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature”, in order to receive the external supply of subsistence, which will allow it to remain into existence in the “‘LIGHT’ Specific State”.

If the “Specific Energy ‘LIGHT’ Substance” which covers “The ALTAR of ‘THE DIVINE’” inside the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” is not in “HARMONY” with “THE DIVINE”, IHVH, our FATHER, then, the “‘GOD’ Attachment Point” of the “‘LIGHT→GOD’ CORD OF PRAISE” inside this “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” may not be in “HARMONY” with “THE DIVINE”, IHVH, our FATHER.

¹⁰⁷⁷ As we have indicated already, these two attachment points — the “‘LIGHT’ Attachment Point” and the “‘GOD’ Attachment Point” — of the “‘LIGHT→GOD’ CORD OF PRAISE” are similar to the devices entering the corresponding receptacle plug of an electrical outlet.

You can also understand this concept of “‘LIGHT→GOD’ CORD OF PRAISE” much better from the concepts of receptors and ligands that are used in cellular and molecular biology. The principle is the same. With this “‘LIGHT→GOD’ CORD OF PRAISE”, you are in the presence of a “cross-bridge” between two different “Specific States”: the “‘LIGHT’ Specific State” and the “‘GOD’ Specific State”. With the concepts of receptors and ligand of cellular and molecular biology, which you are already familiar with, you are in the presence of only one “Specific State”, but the principle of communication of information and transfer of forces is the same.

When this “GOD’ Attachment Point” of the “‘LIGHT→GOD’ CORD OF PRAISE” inside this “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” is not in “HARMONY” with “THE DIVINE”, IHVH, our FATHER, then, it will also not be in “HARMONY” with any manifestation into existence in the attribute “NON DIVINE” of a metaphor of the “INDISTINCT DIVINE FORM” which is in the “‘LIGHT→GOD’ Specific State”, is in “HARMONY” with “THE DIVINE”, IHVH, our FATHER, and wherever this manifestation is.

Therefore, there will be a “VOID” between “The ALTAR of ‘THE DIVINE’” inside the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” whose “Specific Energy ‘LIGHT’ Substance” is not in “HARMONY” with “THE DIVINE”, IHVH, our FATHER, and any manifestation into existence in the attribute “NON DIVINE” of a metaphor of the “INDISTINCT DIVINE FORM” which is in the “‘LIGHT→GOD’ Specific State”, is in “HARMONY” with “THE DIVINE”, IHVH, our FATHER, and wherever this manifestation is.

The “‘GOD’ Attachment Point” of the “‘LIGHT→GOD’ CORD OF PRAISE” inside this “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” whose “Specific Energy ‘LIGHT’ Substance” is not in “HARMONY” with “THE DIVINE”, IHVH, our FATHER, will not find an appropriate socket in any manifestation into existence in the attribute “NON DIVINE” of a metaphor of the “INDISTINCT DIVINE FORM” which is in the “‘LIGHT→GOD’ Specific State”, is in “HARMONY” with “THE DIVINE”, IHVH, our FATHER, and wherever this manifestation is.

If otherwise the “Specific Energy ‘LIGHT’ Substance” which covers “The ALTAR of ‘THE DIVINE’” inside the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” is in “HARMONY” with “THE DIVINE”, IHVH, our FATHER, then, with His consent, the “‘GOD’ Attachment Point” of the “‘LIGHT→GOD’ CORD OF PRAISE” inside this “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” will be connected to the appropriate socket inside any manifestation into existence in the attribute “NON DIVINE” of a metaphor of the “INDISTINCT DIVINE FORM” which is in the “‘LIGHT→GOD’ Specific State”, is in “HARMONY” with “THE DIVINE”, IHVH, our FATHER, and will be closest to this “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature”.

Therefore, “The Specific Process of Attachment to ‘THE DIVINE’” will be established and the “Causal Precedence Relation of ‘THE PRAISE’” will be executed through this “‘LIGHT→GOD’ CORD OF PRAISE”, and between “The ALTAR of ‘THE DIVINE’” inside the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” which is in “HARMONY” with “THE DIVINE”, IHVH, our FATHER, and “The ALTAR of ‘THE DIVINE’” inside any manifestation into existence in the attribute

“NON DIVINE” of a metaphor of the “INDISTINCT DIVINE FORM” which is in the “‘LIGHT→GOD’ Specific State”, is in “HARMONY” with “THE DIVINE”, IHVH, our FATHER, and will be closest to this “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature”.

“THE DIVINE ARCHITECT AND PROJECT MASTER” has endowed the “Specific ‘LIGHT←LIGHT’ Frontier” with “specific ‘LIGHT←LIGHT’ nerves” — which are actually structures that “THE DIVINE FORCE” will build from “Specific Atomic ‘LIGHT’ Substances”, and which are receivers and transmitters of signals — to facilitate the exchange of communication (reception and transmission of instructions, specific signals) between the “Specific Energy ‘LIGHT’ Essence Substance” and the “Specific Energy ‘LIGHT’ Substance” of this “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model.

The “Specific Energy ‘LIGHT’ Substance”, inside the “Specific ‘EARTHLY’ Envelope”, helps to protect the “Specific Energy ‘LIGHT’ Essence Substance” which it covers.

As for the “Specific ‘EARTHLY’ Envelope”, it helps to maintain intact all this “Specific Energy ‘LIGHT’ Substance” and also to facilitate the exchange of communication (reception and transmission of instructions, specific signals) between the “Specific Atomic ‘EARTHLY’ Substances” constituents of the “Specific Energy ‘EARTHLY’ Domain” in which this “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model will be manifested into existence and the “Specific Energy ‘LIGHT’ Substance” of the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model.

CHAPTER 179

THE “SPECIFIC ENERGY ‘LIGHT’ SUBSTANCE” IN THE “‘LIGHT←LIGHT’ ‘EARTHLY’ CREATURE” MODEL

The “Specific Energy ‘LIGHT’ Substance” in this “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model is an expression of the outer structure of a metaphor of the “‘LIGHT←LIGHT’ INDISTINCT DIVINE FORM”.

This “Specific Energy ‘LIGHT’ Substance” is an expression of the metaphor of the energy that is present at all times in the “Divine Septenary Equilibrium Zone” in “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, all in the “‘LIGHT’ Divine State”.

The energy in the “Divine Septenary Equilibrium Zone” is formed by the products of the “divine work” accomplished by the six “Formative Divine Particles” constituent of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, all in the “‘LIGHT’ Divine State”.

This “Specific Energy ‘LIGHT’ Substance” is visible only to “THE EYE OF THE DIVINE” and it is separated from the external “Specific Energy ‘EARTHLY’ Envelope” by a “Specific ‘EARTHLY←SPIRITUAL’ Frontier”, it is also separated from the “Specific ‘SPIRITUAL’ Environment” by a “Specific ‘SPIRITUAL←LIGHT’ Frontier”.

The “Specific ‘EARTHLY←SPIRITUAL’ Frontier” and the “Specific ‘SPIRITUAL←LIGHT’ Frontier” are in fact the same and only one “Specific Energy ‘SPIRITUAL’ Substance” of separation. It is because of the external environment from which the external “specific signals” are sent to this “Specific Energy ‘LIGHT’ Substance”, that this distinction is made. We shall refer to the “Specific ‘SPIRITUAL←LIGHT’ Frontier” when the external “specific signals” are emitted from the “Specific ‘SPIRITUAL’ Environment” and we shall refer to the “Specific ‘EARTHLY←SPIRITUAL’ Frontier” when the external “specific signals” are emitted from the “Specific ‘EARTHLY’ Environment”.

“THE DIVINE ARCHITECT AND PROJECT MASTER” has chosen to use for the “Specific Energy ‘LIGHT’ Substance” of the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model, the same structure and the same functionalities, which HE has designed and defined for the “Specific Energy ‘LIGHT’ Substance” of the “PRINCIPAL” instance of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model that we have already described in a previous text.

The manner of being of the “‘LIGHT’ Specific State” for the “Specific Energy ‘LIGHT’ Substance” of this “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model is reminiscent of the manner of being of the “‘LIGHT’ Specific State” for the “Specific Energy ‘LIGHT’ Substance” of any instance of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model.

This is an expression of the “Causal Precedence Relation of ‘THE CREATION’” between the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model and the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model.

The combined group formed by the “Specific ‘EARTHLY←LIGHT’ Frontier”, the “Specific Energy ‘LIGHT’ Substance” and “The ALTAR of ‘THE DIVINE’” which is inside this “Specific Energy ‘LIGHT’ Substance”, is an expression, in the attribute “NON DIVINE”, of a metaphor of “THE ‘LIGHT←LIGHT’ EON”.

It is so that, a “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” will be a manifestation of an expression in the attribute “NON DIVINE” of a metaphor of the “‘LIGHT←LIGHT’ INDISTINCT DIVINE FORM” which is associated to “THE ‘LIGHT←LIGHT’ EON” added with a unique purpose, a unique disposition of “THE INTELLECT OF THE DIVINE”, and a unique disposition of “THE DIVINE FORCE”.

Only “THE EYE OF THE DIVINE” sees the “Specific Energy ‘LIGHT’ Substance” and sees also the “Specific Energy ‘LIGHT’ Essence Substance”, which are in there in this “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model.

The layers of structures constituent of the “Specific Energy ‘LIGHT’ Substance” in this “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model are all held together by “specific processes” which are also activated by the degree of presence of “THE SPECIFIC SPIRITUAL FORCE OF LIFE” that is present in the “Specific ‘SPIRITUAL’ Environment” external and immediate around the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature”.

These layers of structures are interconnected with a given degree of cohesion defined as “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed

them. However, different layers of structures have different degrees of cohesion and as “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed them.

Just like HE has done it with the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model and with the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, “THE DIVINE ARCHITECT AND PROJECT MASTER” has also endowed the “Specific Energy ‘LIGHT’ Substance” of the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature”, with all the capacities, the capabilities and all “specific processes” internal and autonomous to the “Specific Energy ‘LIGHT’ Substance” and similar to those of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model; with the exception of the capacity to implement several tasks simultaneously throughout the first “Specific Energy ‘EARTHLY’ Habitation Domain”, in which the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” will be created into existence.

Just like HE has done it with the “Specific Energy ‘SPIRIT’ Substance” of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model and also with the “Specific Energy ‘SPIRIT’ Substance” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, “THE DIVINE ARCHITECT AND PROJECT MASTER” has endowed the “Specific Energy ‘LIGHT’ Substance” of the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model with the capacity to feel or to have, by natural affinity or by elective affinity, an attraction to things that “THE DIVINE”, IHVH, our FATHER would also manifest into existence and that this “Specific Energy ‘LIGHT’ Substance” will recognize: it is the capacity to “LOVE”.

HE has endowed the “Specific Energy ‘LIGHT’ Substance” with “THE SEAT OF THE INTELLECT”, which gives to this “Specific Energy ‘LIGHT’ Substance” “THE INTELLECT”: the capacity to “THINK”, to “REASON” and “MAKE DECISIONS” by itself, as a result of the reception of particular input signals through the basis structures (or organs), through the basic instincts, which allow to collect external signals emitted by the “Specific ‘SPIRITUAL’ Environment” external and immediate around this “Specific Energy ‘LIGHT’ Substance” considered.

“THE SEAT OF THE INTELLECT” in this “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model is similar to that of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model and to that of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, functions in the same way.

In this “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model, “THE SEAT OF THE INTELLECT” is built with elements of “THE ‘LIGHT’ REASON”, whereas “THE

SEAT OF THE INTELLECT” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, is built with elements of “THE ‘SPIRIT’ REASON” and it is in a direct vicinity of elements of “THE ‘LIGHT’ REASON” which are present in “The ALTAR of ‘THE DIVINE’” which is inside the “Specific Energy ‘SPIRIT’ Substance” containing “THE SEAT OF THE INTELLECT”. It is a feature which is not available either in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, or in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model.

“THE SEAT OF THE INTELLECT” in this “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model, is a concrete and living image of “THE DIVINE ARCHITECT AND PROJECT MASTER”, in the “‘LIGHT’ Specific State”.

This “SEAT OF THE INTELLECT” in this “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model, just as we have indicated in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model and also in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, is the entry gate to the “Realm of the ‘THOUGHTS’” and at the same time the exit gate from the “Realm of the ‘THOUGHTS’”.

Inside the “Realm of the ‘THOUGHTS’”, these “THOUGHTS” are truly alive and “tangible” realities, that are defined by the elements of “THE ‘GOD’ REASON”, and it is also in these living realities and this “dimension” defined by the “Realm of the ‘THOUGHTS’”, that you will also find “THE DIVINE FORCE”, “PURE” and “HOLY”. SHE is found both inside and outside the “Realm of the ‘THOUGHTS’”.

Outside of the “Realm of the ‘THOUGHTS’”, it is first within the “Realm of the Optimal Interpreted ‘THOUGHTS’” that “THE DIVINE FORCE” “lets Herself be seen”, because every “Optimal Interpreted THOUGHT” — element of the “Realm of the Optimal Interpreted ‘THOUGHTS’” — is “PURE” and “HOLY”. And it is afterwards that SHE then, “lets Herself be seen” outside the “Realm of the Interpreted ‘THOUGHTS’”. “THE DIVINE FORCE” is not in the residuals of “Interpreted THOUGHTS” because those residuals are products of the absence of “THE KNOWLEDGE OF THE DIVINE”, and “THE DIVINE FORCE” is “THE KNOWLEDGE OF THE DIVINE”.

It is the elements of “THE ‘SPIRIT’ REASON” which will allow giving shape to the elements of this “Realm of the ‘THOUGHTS’”, and it is the elements of “THE ‘LIGHT’ REASON” which, through the mould called “THE WORD”, will allow “giving body” to the resulting forms of application of elements of “THE ‘SPIRIT’ REASON” to the elements of this “Realm of the ‘THOUGHTS’”.

Because of the abundant presence of the elements of “THE ‘LIGHT’ REASON” alongside (in a direct vicinity) “THE SEAT OF THE INTELLECT” in the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model, “THE DIVINE WISDOM”, who

is always present in the “Realm of the ‘THOUGHTS’”, will let Herself be seen much more quickly in the “Realm of the Interpreted ‘THOUGHTS’” of the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model than SHE does with in the “Realm of the Interpreted ‘THOUGHTS’” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model and even much more quickly than SHE does in the “Realm of the Interpreted ‘THOUGHTS’” of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model.

It is always “THE DIVINE WISDOM” that provides “THE SEAT OF THE INTELLECT” the additional information which allow to discern that, which conforms to the specifications that “THE DIVINE ARCHITECT AND PROJECT MASTER” has defined, directly both from the perspective of the supreme completeness of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, then, “THE SPECIFIC SPIRITUAL FORCE OF LIFE” is called: “THE DIVINE WISDOM”, and from the perspective of the capacity to “LOVE” those things that conform to the specifications that “THE DIVINE ARCHITECT AND PROJECT MASTER” has defined.

It is always from, and through, “The ALTAR of ‘THE DIVINE’” which is covered by the “Specific Energy ‘LIGHT’ Substance” in this “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model, that “THE SPECIFIC SPIRITUAL FORCE OF LIFE” provides these additional information which allow to illuminate “THE SEAT OF THE INTELLECT” inside the “Specific Energy ‘LIGHT’ Substance”. This is why “The ALTAR of ‘THE DIVINE’” is also called: “THE SEAT OF WISDOM”.

“THE SEAT OF WISDOM” is a concrete and living image of “THE DIVINE FORCE”.

The “Interpreted THOUGHT” that is generated by “THE SEAT OF THE INTELLECT” is always at the origin of all action that the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” will execute. It is an internal signal of action resulting from the “specific work” produced by “specific processes” of “THE SEAT OF THE INTELLECT” and which will be transmitted, as external input signal, to the various layers of other “Specific Atomic ‘SPIRIT’ Substances” constituents of the “Specific Energy ‘LIGHT’ Substance” and therefore of the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature”.

This is why it is said that “THE SEAT OF THE INTELLECT” in the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature”, will work on his own material. This material is this “Specific Energy ‘LIGHT’ Substance” which itself will be built from “Specific Atomic ‘LIGHT’ Substances” constituents of “The ALTAR of ‘THE DIVINE’” inside of “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN

THE ATTRIBUTE 'NON DIVINE'". And this is why all work that will be assigned to the "‘LIGHT←LIGHT’ ‘EARTHLY’ Creature" will always concern the implementation and realisation of the decrees that "THE DIVINE", IHVH, our FATHER will emit into existence in "The ALTAR of 'THE DIVINE'" inside "THE SHEKINAH".

This is why the "‘LIGHT←LIGHT’ ‘EARTHLY’ Creature" will be in the attribute "NON DIVINE", at any time and at any place always connected with "The ALTAR of 'THE DIVINE'" inside "THE SHEKINAH" – "THE THRONE OF THE DIVINE IN THE ATTRIBUTE 'NON DIVINE'".

"THE SEAT OF THE INTELLECT" is an added function to the original "Specific Energy 'SPIRIT←LIGHT' Bridge" model and allowing, as such, the "Specific Energy 'LIGHT' Substance" to generate its own internal input signals in addition to the external signals input it receives from the "Specific 'SPIRITUAL' Environment" external and immediate around it.

As it is with the "‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature" model and with the "‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature" model, it is likewise with the "‘LIGHT←LIGHT’ ‘EARTHLY’ Creature" model.

ו
ג
ר

If "THE SEAT OF THE INTELLECT" inside this "Specific Energy 'LIGHT' Substance" is in "HARMONY" with "THE DIVINE", IHVH, our FATHER, then, its "SPIRITUAL SHIELD", this internal "specific mechanism" which allows rejecting "IMPURE" external input signals, will function as it should and will not let through "IMPURE" external signals input which will be sent to "THE SEAT OF THE INTELLECT" inside this "Specific Energy 'LIGHT' Substance". "THE SEAT OF THE INTELLECT" inside this "Specific Energy 'LIGHT' Substance", which is in "HARMONY" with "THE DIVINE", IHVH, will receive only "PURE" external input signals.

It is so that, any "Interpreted THOUGHT" generated by "THE SEAT OF THE INTELLECT" inside this "Specific Energy 'LIGHT' Substance", will be "PURE" because it will be generated from "PURE" external input signals, and also from a degree of presence of "THE SPECIFIC SPIRITUAL FORCE OF LIFE" in the "Specific 'SPIRITUAL' Environment" external and immediate around the "Specific Energy 'LIGHT' Substance" high enough and using "specific processes" functioning correctly as "THE DIVINE ARCHITECT AND PROJECT MASTER" has designed them.

Thus, it will be said that “THE SEAT OF THE INTELLECT” inside this “Specific Energy ‘LIGHT’ Substance” is “HOLY”, and therefore it will be said that the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” in question is “HOLY”.

When “THE SEAT OF THE INTELLECT” inside this “Specific Energy ‘LIGHT’ Substance” is continuously in “HARMONY” with “THE DIVINE”, IHVH, our FATHER, then, while “IMPURE” external signals input to the “Specific Energy ‘LIGHT’ Substance” last, the “SPIRITUAL SHIELD” will continuously block and reject those “IMPURE” external input signals, and “WRATH” will continuously be present all around “THE SEAT OF THE INTELLECT” inside this “Specific Energy ‘LIGHT’ Substance”.

If “THE SEAT OF THE INTELLECT” inside this “Specific Energy ‘LIGHT’ Substance”, is in a state of “CHAOS”, contrary to the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”, then, its “SPIRITUAL SHIELD” will fail to function as it should and will let these “IMPURE” external signals input through to “THE SEAT OF THE INTELLECT” inside this “Specific Energy ‘LIGHT’ Substance”. “THE SEAT OF THE INTELLECT” inside this “Specific Energy ‘LIGHT’ Substance”, which is in a state of “CHAOS”, contrary to the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”, will receive these “IMPURE” external input signals.

It is so that, at least one of the “Interpreted THOUGHTS” generated by “THE SEAT OF THE INTELLECT” inside this “Specific Energy ‘LIGHT’ Substance”, will be defective; because it will be generated from “IMPURE” external input signals, and also from a lack of the degree of presence of “THE SPECIFIC SPIRITUAL FORCE OF LIFE” in the “Specific ‘SPIRITUAL’ Environment” external and immediate around the “Specific Energy ‘LIGHT’ Substance”. Such a defective “Interpreted THOUGHT” is said to be “IMPURE”.

When such a defective “Interpreted THOUGHT” is transmitted as external action signal at input to other layers of the “Specific Atomic ‘SPIRIT’ Substances” constituents of the “Specific Energy ‘LIGHT’ Substance”, the output signal that these “Specific Atomic ‘SPIRIT’ Substances” will emit will be unpredictable and will not be as expected.

The more the “Interpreted THOUGHTS” are “IMPURE”, the less is the degree of presence of “THE SPECIFIC SPIRITUAL FORCE OF LIFE” in the “Specific ‘SPIRITUAL’ Environment” external and immediate around the “Specific Energy ‘LIGHT’ Substance” concerned.

Thus, it will be said that “THE SEAT OF THE INTELLECT” inside this “Specific Energy ‘LIGHT’ Substance” is “UNHOLY”, and therefore it will be said that the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” in question is “UNHOLY”.

When “THE SEAT OF THE INTELLECT” inside this “Specific Energy ‘LIGHT’ Substance”, is in a state of “CHAOS”, contrary to the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”, then, while “IMPURE” external signals input to “THE SEAT OF THE INTELLECT” inside this “Specific Energy ‘LIGHT’ Substance” last, the “SPIRITUAL SHIELD” will let through some “IMPURE” external signals input and will block others. “WRATH” will not be anymore present around “THE SEAT OF THE INTELLECT” inside this “Specific Energy ‘LIGHT’ Substance”.

The effect of eroded blocking that occurs instantly in the “Specific ‘SPIRITUAL’ Environment” external and immediate around the “Specific Energy ‘LIGHT’ Substance”, accompanied by the “distress signals” emitted by the “Specific Energy ‘LIGHT’ Substance” that ensues from this eroded blocking is still called: “ANGER”.

As we have already indicated, in the presence of “IMPURE” external input signals, the difference between “WRATH” and “ANGER” is determined by the degree of presence of “THE SPECIFIC SPIRITUAL FORCE OF LIFE” in the “Specific ‘SPIRITUAL’ Environment” external and immediate around the “Specific Energy ‘LIGHT’ Substance”.

“ANGER” does not exist when “THE SEAT OF THE INTELLECT” inside this “Specific Energy ‘LIGHT’ Substance” is in “HARMONY” with “THE DIVINE”, IHVH, our FATHER and in this case, only “WRATH” will be present around “THE SEAT OF THE INTELLECT” inside this “Specific Energy ‘LIGHT’ Substance” following the rejection of “IMPURE” external signals input at the entrance to “THE SEAT OF THE INTELLECT” inside this “Specific Energy ‘LIGHT’ Substance”.

From the perspective of the stream flow of signals, throughout “THE SEAT OF THE INTELLECT” inside this “Specific Energy ‘LIGHT’ Substance”, “WRATH” is upstream all around following the protection against “IMPURE” external signals and when it is absent then, “ANGER” will be downstream and coming out along with the results of processing “IMPURE” external signals input that came through. “WRATH” and “ANGER” will not be present simultaneously in the “Specific ‘SPIRITUAL’ Environment” external and immediate around “THE SEAT OF THE INTELLECT” inside this “Specific Energy ‘LIGHT’ Substance”.

The desire to share the indescribable joy, the ineffable gladness, and immeasurable state of equilibrium that arise out of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” and that “THE DIVINE”, IHVH, our FATHER has consolidated in Himself, is at the origin of “THE HOLY PROJECT”.

In this design of the “DISTINCT” form in the attribute “NON DIVINE”, as manifestation of a metaphor of the “‘LIGHT←LIGHT’ INDISTINCT DIVINE FORM”, “THE DIVINE ARCHITECT AND PROJECT MASTER” has endowed the inner structures of the “Specific Energy ‘LIGHT’ Substance” with capacities, with capabilities and with “specific processes” which, among others, allow “THE SEAT OF THE INTELLECT” inside this “Specific Energy ‘LIGHT’ Substance” to independently: remember, learn, acquire intelligence and develop it throughout its existence in the attribute “NON DIVINE”, and to “LOVE”.

All these capacities, these capabilities, and these “specific processes” inner and autonomous to “THE SEAT OF THE INTELLECT” inside this “Specific Energy ‘LIGHT’ Substance” work in “PURITY” and “HOLINESS”, and aim to create the conditions that allow to give birth, in the “Specific Energy ‘LIGHT’ Substance”, to manifestations of metaphors of the indescribable joy, the ineffable gladness, and immeasurable state of equilibrium that “THE DIVINE”, IHVH, our FATHER has chosen to share with the attribute “NON DIVINE”.

It is in these conditions, produced in “PURITY” and “HOLINESS” and, established by “THE DIVINE ARCHITECT AND PROJECT MASTER”, that “THE DIVINE FORCE” will then, place inside of “The ALTAR of ‘THE DIVINE’” which is covered by the “Specific Energy ‘LIGHT’ Substance” in this “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model, the special element from which will arise, autonomously to “The ALTAR of ‘THE DIVINE’” and also to the “Specific Energy ‘LIGHT’ Substance”, the manifestations of metaphors of the indescribable joy, of the ineffable gladness, and the immeasurable state of equilibrium, that “THE DIVINE”, IHVH, our FATHER has consolidated in Himself.

This special element is still called: the seed of “THE KNOWLEDGE OF THE DIVINE”; it goes hand in hand with “THE SPECIFIC SPIRITUAL FORCE OF LIFE” and of which the degree of presence in the “Specific ‘SPIRITUAL’ Environment” external and immediate around the “Specific Energy ‘LIGHT’ Substance”, will be the main factor that will provide the temperature and the enlightenment intensity which are necessary for the development of this seed.

However, this seed of “THE KNOWLEDGE OF THE DIVINE” inside of “The ALTAR of ‘THE DIVINE’” which is covered by the “Specific Energy ‘LIGHT’

Substance” in this “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model, is not exactly the same as the seed of “THE KNOWLEDGE OF THE DIVINE” that has been placed in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, and it is not also exactly the same as the seed of “THE KNOWLEDGE OF THE DIVINE” that has been placed in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model; because “THE KNOWLEDGE OF THE DIVINE” that is shared with the attribute “NON DIVINE”, is sent by “THE DIVINE”, IHVH, our FATHER, according to the “Phases of Creation” as “THE DIVINE ARCHITECT AND PROJECT MASTER” has established it, and so that it forms at the end of the fifth phase, a WHOLE: “THE DIVINE”.¹⁰⁷⁸

Indeed, the seed of “THE KNOWLEDGE OF THE DIVINE” inside of “The ALTAR of ‘THE DIVINE’” which is covered by the “Specific Energy ‘LIGHT’ Substance” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model contains at its base, only elements of “THE ‘SPIRIT’ REASON”.

In the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, the seed of “THE KNOWLEDGE OF THE DIVINE” inside of “The ALTAR of ‘THE DIVINE’” which is covered by the “Specific Energy ‘SPIRIT’ Substance” contains at its base, only elements of “THE ‘LIGHT’ REASON”, and that “Specific Energy ‘SPIRIT’ Substance” contains at its base, elements of “THE ‘SPIRIT’ REASON” inherited from the seed of “THE KNOWLEDGE OF THE DIVINE” that has been placed inside of “The ALTAR of ‘THE DIVINE’” which is covered by the “Specific Energy ‘SPIRIT’ Substance” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model.

Those elements of “THE ‘LIGHT’ REASON” are not available in the seed of “THE KNOWLEDGE OF THE DIVINE” that has been placed inside of “The ALTAR of ‘THE DIVINE’” which is covered by the “Specific Energy ‘SPIRIT’ Substance” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model.

In the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model, the seed of “THE KNOWLEDGE OF THE DIVINE” inside of “The ALTAR of ‘THE DIVINE’” which is covered by the “Specific Energy ‘LIGHT’ Substance” contains at its base, only elements of “THE ‘LIGHT’ REASON”, and that “Specific Energy ‘LIGHT’ Substance” contains at its base, elements of “THE ‘LIGHT’ REASON” inherited from the seed of “THE KNOWLEDGE OF THE DIVINE” that has been placed inside of “The ALTAR of ‘THE DIVINE’” which is covered by the “Specific Energy ‘LIGHT’ Substance” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model.

¹⁰⁷⁸ Do you remember what we have indicated about the double prism experiment in one previous chapter? A summary of the CREATION.

It is so that, by inheritance from the model of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, and following “specific processes” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed, the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model, will have knowledge of the elements of “THE ‘SPIRIT’ REASON”, although this “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model is entirely based on the elements of “THE ‘LIGHT’ REASON”.

Those elements of “THE ‘LIGHT’ REASON” are not available in the seed of “THE KNOWLEDGE OF THE DIVINE” that has been placed inside of “The ALTAR of ‘THE DIVINE’” which is covered by the “Specific Energy ‘SPIRIT’ Substance” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, and they are not either available in the seed of “THE KNOWLEDGE OF THE DIVINE” that has been placed inside of “The ALTAR of ‘THE DIVINE’” which is covered by the “Specific Energy ‘SPIRIT’ Substance” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model.

The temperature provided by “THE SPECIFIC SPIRITUAL FORCE OF LIFE” is that, which allows affective and emotional development of the seed of “THE KNOWLEDGE OF THE DIVINE” inside of “The ALTAR of ‘THE DIVINE’” which is covered by the “Specific Energy ‘LIGHT’ Substance” in this “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model.

The enlightenment intensity provided by “THE SPECIFIC SPIRITUAL FORCE OF LIFE” is that, which allows development of “THE INTELLECT” inside “THE SEAT OF THE INTELLECT” inside the “Specific Energy ‘LIGHT’ Substance” in this “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model.

From the perspective of the affective and emotional growth, “THE SPECIFIC SPIRITUAL FORCE OF LIFE” will always be called “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”, and from the perspective of “THE INTELLECT” growth, “THE SPECIFIC SPIRITUAL FORCE OF LIFE” will always be called “THE DIVINE WISDOM”.

The seed of “THE KNOWLEDGE OF THE DIVINE” inside of “The ALTAR of ‘THE DIVINE’” which is covered by the “Specific Energy ‘LIGHT’ Substance” in this “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model contains at its base, only elements of “THE ‘LIGHT’ REASON”.

In the absence of this seed of “THE KNOWLEDGE OF THE DIVINE”, the “Specific Energy ‘LIGHT’ Substance” will never be able to apprehend and develop a deep understanding of the emotions that are associated with the manifestations of metaphors of the indescribable joy, the ineffable gladness, and immeasurable

state of equilibrium that “THE DIVINE”, IHVH, our FATHER has chosen to share with “The ALTAR of ‘THE DIVINE’” which is covered by the “Specific Energy ‘LIGHT’ Substance” in this “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model.

Therefore, the “Specific Energy ‘LIGHT’ Substance” will never be able to have a share of the indescribable joy, the ineffable gladness, and immeasurable state of equilibrium that “THE DIVINE”, IHVH, our FATHER has chosen to share with “The ALTAR of ‘THE DIVINE’” which is covered by the “Specific Energy ‘LIGHT’ Substance” in this “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model, during the course of the “Second Phase” of “THE HOLY PROJECT”.

It is “THE DIVINE FORCE” who produced the “Specific Elementary ‘SPIRIT’ Particle” into existence, made it germinate and grow to the maturity stage where the “Specific Atomic ‘SPIRIT’ Substance” has been sealed.

Instead, in “The ALTAR of ‘THE DIVINE’” which is covered by the “Specific Energy ‘LIGHT’ Substance” in this “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model, it is the capacities, the capabilities and all “specific processes” inner to the “Specific Energy ‘LIGHT’ Substance”, and the degree of presence of “THE SPECIFIC SPIRITUAL FORCE OF LIFE” in the “Specific ‘SPIRITUAL’ Environment” external and immediate around the “Specific Energy ‘LIGHT’ Substance”, that will create autonomously the conditions through which this seed of “THE KNOWLEDGE OF THE DIVINE” will be able to sprout and grow following the temperature and the enlightenment intensity which will be provided by “THE SPECIFIC SPIRITUAL FORCE OF LIFE”.

The creation of these conditions through which this seed of “THE KNOWLEDGE OF THE DIVINE” will be able to sprout and grow, depends upon the state of “HARMONY” of both “The ALTAR of ‘THE DIVINE’” which is covered by the “Specific Energy ‘LIGHT’ Substance” in this “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model, and the “Specific Energy ‘LIGHT’ Substance” which covers “The ALTAR of ‘THE DIVINE’”, with “THE DIVINE”, IHVH, our FATHER.

The creation of these conditions through which this seed of “THE KNOWLEDGE OF THE DIVINE” will be able to sprout and grow, is similar to a fertilization process which consists of bringing to a plant growing medium, the necessary elements for the growth of the plant.

As we have already mentioned in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model and in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, here too in the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model, the plant in question here is the plant of “THE KNOWLEDGE OF THE DIVINE” and the growing medium is the combined set formed by “THE SEAT OF WISDOM” (also called “THE GARDEN

OF WISDOM”, the growing medium of “WISDOM”) and “THE SEAT OF THE INTELLECT” (also called “THE GARDEN OF THE INTELLECT”, the growing medium of “THE INTELLECT”).

“THE SEAT OF WISDOM” and “THE SEAT OF THE INTELLECT” are the two blessed gardens that “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed and established in the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model.

These elements of fertilization which are necessary for the growth of the plant of “THE KNOWLEDGE OF THE DIVINE”, in the “‘LIGHT’ Specific State” (the “Specific Energy ‘LIGHT’ Substance” being in the “‘LIGHT’ Specific State” and which covers “The ALTAR of ‘THE DIVINE’” in the “‘LIGHT’ Specific State”), are of two types, fertilizers and amendments:

1. Fertilizers are the knowledge of these things that relate closely to “THE HOLY PROJECT” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed and established, with the purpose to be implemented in the attribute “NON DIVINE”, and which represent that, which we have called: the ins and outs of “THE HOLY PROJECT”; that is, what justified and has been at the origin of “THE HOLY PROJECT” in which manifestations in the attribute “NON DIVINE”, of metaphors of the “DIVINE PRIMARY WEALTH”, that “THE DIVINE” has chosen to share with the attribute “NON DIVINE”, will be “spoken” into existence: the “who”, “what” and “why”, that will represent all of the ins of “THE HOLY PROJECT”, and the “when”, “where” and “how” that will represent all the outs of “THE HOLY PROJECT”.

Those fertilizers originate directly from “THE ABSOLUTE FRAME OF REFERENCE” defined by “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” in “THE DIVINE”.

2. Amendments are the knowledge that is acquired by “THE SEAT OF THE INTELLECT” all along its growth in “THE KNOWLEDGE OF THE DIVINE” and through the execution of tasks that “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed and established, and that “THE DIVINE FORCE” will assign to creatures that are or will be into existence in the attribute “NON DIVINE”.

Those amendments originate from “THE FRAME OF REFERENCE OF THE ATTRIBUTE ‘NON DIVINE’” in the attribute “NON DIVINE”.

The final objectives of this fertilization are to get the best performance possible, from the elements of “THE ‘LIGHT’ REASON”, in the “‘LIGHT’ Specific State”, given the other factors that are the temperature and the enlightenment intensity, which contribute to it and which will be provided by “THE SPECIFIC SPIRITUAL FORCE OF LIFE” in all its forms.

These elements of fertilization which are necessary for the growth of the plant of “THE KNOWLEDGE OF THE DIVINE”, in the “‘LIGHT’ Specific State” (the “Specific Energy ‘LIGHT’ Substance” being in the “‘LIGHT’ Specific State” and which covers “The ALTAR of ‘THE DIVINE’” in the “‘LIGHT’ Specific State”) are not the same as those of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model which in the “‘SPIRIT←LIGHT’ Specific State” (the “Specific Energy ‘SPIRIT’ Substance” being in the “‘SPIRIT’ Specific State” and which covers “The ALTAR of ‘THE DIVINE’” in the “‘LIGHT’ Specific State”), and are also not the same as those of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model which are only in the “‘SPIRIT’ Specific State” (the “Specific Energy ‘SPIRIT’ Substance” being in the “‘SPIRIT’ Specific State” and which covers “The ALTAR of ‘THE DIVINE’” in the “‘SPIRIT’ Specific State”).

The needs of the plant of “THE KNOWLEDGE OF THE DIVINE”, in the “‘LIGHT’ Specific State” (the “Specific Energy ‘LIGHT’ Substance” being in the “‘LIGHT’ Specific State” and which covers “The ALTAR of ‘THE DIVINE’” in the “‘LIGHT’ Specific State”), will always evolve during its growth, and will not necessarily be the same as those of either the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model or the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model.

At stages where they are needed, fertilization elements must be able to be taken by the plant in the growing medium that is “The ALTAR of ‘THE DIVINE’” which is covered by the “Specific Energy ‘LIGHT’ Substance” in this “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model. These elements of fertilization must be available in sufficient quantities and in a form available.

This is why “The ALTAR of ‘THE DIVINE’” which is covered by the “Specific Energy ‘LIGHT’ Substance” in this “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model, will have to be always in “THE PRAISE” with “THE DIVINE”, whose Presence will be available inside of this “ALTAR of ‘THE DIVINE’” which contains elements of “THE ‘LIGHT’ REASON”, and through the degree of presence of “THE SPECIFIC SPIRITUAL FORCE OF LIFE” in the “Specific ‘SPIRITUAL’ Environment” external and immediate around the “Specific Energy ‘LIGHT’ Substance”.

In the case of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, “The ALTAR of ‘THE DIVINE’” which is covered by the “Specific Energy ‘SPIRIT’ Substance” in this “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, will have to be always in “THE PRAISE” with “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — or with any expression in the attribute “NON DIVINE” of a metaphor of “THE ‘LIGHT←LIGHT’ EON” closest to that “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, and through the degree of presence of “THE SPECIFIC SPIRITUAL FORCE OF LIFE” in the “Specific ‘SPIRITUAL’ Environment” external and immediate around the “Specific Energy ‘LIGHT’ Substance”.

If the elements of fertilization are not available when needed, because for example of the presence of the state of “CHAOS” either of “The ALTAR of ‘THE DIVINE’” which is covered by the “Specific Energy ‘LIGHT’ Substance” in this “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model, or of “Specific Energy ‘LIGHT’ Substance” which covers “The ALTAR of ‘THE DIVINE’”, with “THE DIVINE”, IHVH, our FATHER, then, the growing medium that is “The ALTAR of ‘THE DIVINE’” which is covered by the “Specific Energy ‘LIGHT’ Substance” in this “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model, will be damaged and the growth of the plant of “THE KNOWLEDGE OF THE DIVINE” will be limited and the final yield lowest.

It is so that, “The ALTAR of ‘THE DIVINE’” which is covered by the “Specific Energy ‘LIGHT’ Substance” in this “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model, as well as this “Specific Energy ‘LIGHT’ Substance” which covers “The ALTAR of ‘THE DIVINE’” are called to remain in the state of “HARMONY” with “THE DIVINE”, IHVH, our FATHER, to remain in “PURITY” and “HOLINESS”, for the seed of “THE KNOWLEDGE OF THE DIVINE” to be able to sprout and grow from the temperature and the enlightenment intensity which will be provided by “THE SPECIFIC SPIRITUAL FORCE OF LIFE”.

It is then, “THE SPECIFIC SPIRITUAL FORCE OF LIFE” who, through the degree of Its Presence in the “Specific ‘SPIRITUAL’ Environment” external and immediate around the “Specific Energy ‘LIGHT’ Substance” in this “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model, will educate both “The ALTAR of ‘THE DIVINE’” which is covered by the “Specific Energy ‘LIGHT’ Substance” in this “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model, and this “Specific Energy ‘LIGHT’ Substance” which has received an autonomous capacity to “MAKE DECISIONS” and covers this “ALTAR of ‘THE DIVINE’”.

The purpose of this education provided by “THE SPECIFIC SPIRITUAL FORCE OF LIFE”, is to lead “The ALTAR of ‘THE DIVINE’” which is covered by the “Specific Energy ‘LIGHT’ Substance” in this “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model towards “THE KNOWLEDGE OF THE DIVINE”, with a shade at least implicitly of extraction, by rising “THE SEAT OF THE INTELLECT”, which is inside the “Specific Energy ‘LIGHT’ Substance” of the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model, from the oblivion (or ignorance) of “The ALTAR of ‘THE DIVINE’”.

Such education, as we have already indicated several times, involves three essential knowledge:

1. The knowledge of the origin of both “The ALTAR of ‘THE DIVINE’” which is covered by the “Specific Energy ‘LIGHT’ Substance” in this “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model, and this “Specific Energy ‘LIGHT’ Substance” which covers this “ALTAR of ‘THE DIVINE’” which will be educated;
2. The knowledge of the path along which will be educated and led “The ALTAR of ‘THE DIVINE’” which is covered by the “Specific Energy ‘LIGHT’ Substance” in this “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model;
3. The knowledge of the manner in which both “The ALTAR of ‘THE DIVINE’” which is covered by the “Specific Energy ‘LIGHT’ Substance” in this “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model, and this “Specific Energy ‘LIGHT’ Substance” which covers this “ALTAR of ‘THE DIVINE’” will be truly educated.

Although this education process is the same with the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” and with the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, the content of education will not be the same.

Only “THE SPECIFIC SPIRITUAL FORCE OF LIFE”, in all its forms, has all that information in all their details, and SHE received them from “THE DIVINE”, IHVH, our FATHER, in order to accomplish all the purposes of education of all creatures that will be created into existence in the attribute “NON DIVINE”.

When “THE SPECIFIC SPIRITUAL FORCE OF LIFE” is providing this education, as well as the temperature and the enlightenment intensity, that is, the illumination — “THE LIGHT” which allows to discern that, which conforms to the specifications that “THE DIVINE ARCHITECT AND PROJECT MASTER” has

defined — from within “The ALTAR of ‘THE DIVINE’”, it is said that: “THE SPECIFIC SPIRITUAL FORCE OF LIFE” is in HER council inside “The ALTAR of ‘THE DIVINE’”. Such education is said to be performed through enlightenment.

At the origin of both “The ALTAR of ‘THE DIVINE’” which is covered by the “Specific Energy ‘LIGHT’ Substance” in this “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model, and this “Specific Energy ‘LIGHT’ Substance” which covers this “ALTAR of ‘THE DIVINE’”, is an “‘LIGHT←LIGHT’ INDISTINCT DIVINE FORM” which is inside of “THE DIVINE DOMAIN” that is not accessible to the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature”.

The dwelling place of “The ALTAR of ‘THE DIVINE’” which is covered by the “Specific Energy ‘LIGHT’ Substance” in this “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model is in the attribute “NON DIVINE”; and with respect to this “‘LIGHT←LIGHT’ INDISTINCT DIVINE FORM”, “The ALTAR of ‘THE DIVINE’” and the “Specific Energy ‘LIGHT’ Substance” which covers this “ALTAR of ‘THE DIVINE’” in this “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model, are together just a manifestation of a metaphor in the attribute “NON DIVINE” of the original “‘LIGHT←LIGHT’ INDISTINCT DIVINE FORM”.

It is “THE SPECIFIC SPIRITUAL FORCE OF LIFE”, under its name of “THE DIVINE FORCE”, who will create into existence in the attribute “NON DIVINE” both “The ALTAR of ‘THE DIVINE’” which is covered by the “Specific Energy ‘LIGHT’ Substance” in this “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model, and this “Specific Energy ‘LIGHT’ Substance” which covers this “ALTAR of ‘THE DIVINE’”, following the model that has been designed and established by “THE DIVINE ARCHITECT AND PROJECT MASTER”.

It is “THE DIVINE FORCE” who will make manifest in the attribute “NON DIVINE”, “The Specific Process of Attachment to ‘THE DIVINE’” and all the “specific processes” which contribute to the unique link of attachment by which “The ALTAR of ‘THE DIVINE’” and the “Specific Energy ‘LIGHT’ Substance” which covers this “ALTAR of ‘THE DIVINE’” in this “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model are associated to the “‘LIGHT←LIGHT’ INDISTINCT DIVINE FORM” that is in “THE PLACE OF LIFE”; that is, in “THE DIVINE DOMAIN”.

This link of attachment always implies a relationship and a differentiation between the “‘LIGHT←LIGHT’ INDISTINCT DIVINE FORM” and “The ALTAR of ‘THE DIVINE’” and the “Specific Energy ‘LIGHT’ Substance” which covers this “ALTAR of ‘THE DIVINE’” in this “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature”

model, which is the manifestation of the metaphor of the considered “‘LIGHT←LIGHT’ INDISTINCT DIVINE FORM”.

The path along which will be educated and led “The ALTAR of ‘THE DIVINE’” which is covered by the “Specific Energy ‘LIGHT’ Substance” in this “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model, is the path illustrated by the Governing Law of the Behavior, the manifestation of “The Walk within the Acronym IHVH”; it is the path that leads to “PLENITUDE”, to the manifestation in the attribute “NON DIVINE”, of the metaphor of the indescribable joy, the ineffable gladness, and immeasurable state of equilibrium that “THE DIVINE”, IHVH, our FATHER has chosen to share with the attribute “NON DIVINE” like HE had intended when HE had decided to establish “THE HOLY PROJECT”.

Two developments, inside of “The ALTAR of ‘THE DIVINE’” which is covered by the “Specific Energy ‘LIGHT’ Substance” in this “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model and inside of this “Specific Energy ‘LIGHT’ Substance” which covers this “ALTAR of ‘THE DIVINE’”, will allow to accomplish the walk along this prescribed path:

1. The affective and emotional development of the seed of “THE KNOWLEDGE OF THE DIVINE” inside of “The ALTAR of ‘THE DIVINE’” which is covered by the “Specific Energy ‘LIGHT’ Substance” in this “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model;
2. The development of “THE INTELLECT” inside “THE SEAT OF THE INTELLECT” inside the “Specific Energy ‘LIGHT’ Substance” in this “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model.

These two developments form the framework, the model whereby “THE SPECIFIC SPIRITUAL FORCE OF LIFE” will conform to complete the education that SHE will provide to “‘LIGHT←LIGHT’ ‘EARTHLY’ Creatures”.

It is “THE SPECIFIC SPIRITUAL FORCE OF LIFE” who, through the degree of Its Presence in the “Specific ‘SPIRITUAL’ Environment” external and immediate around the “Specific Energy ‘LIGHT’ Substance”, will act as SHEPHERD of “THE SEAT OF THE INTELLECT” inside the “Specific Energy ‘LIGHT’ Substance” and provide the temperature and the enlightenment intensity which are necessary to accomplish these two developments.

As “THE DIVINE ARCHITECT AND PROJECT MASTER” had established it, and since the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model possesses the unique particulars of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, in the

quality of epithet functions, it is so that, the task of developing the character of “THE INTELLECT” in the “Specific Energy ‘LIGHT’ Substance” of the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model would also be the deliberate effort that will be facilitated by the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” as future educators and shepherds of the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” to nurture their attributes and make them as a standard of behavior of the manifestation of “THE ‘SPIRIT’ REASON”.¹⁰⁷⁹

During this upbringing, while developing, through the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, knowledge of the attributes of the elements of “THE ‘SPIRIT’ REASON” which are the basis of “THE KNOWLEDGE OF THE DIVINE” manifested in the “‘SPIRIT’ Specific State” and of which the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” should already have in their possession, the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” was called upon to develop the knowledge of the attributes of elements of “THE ‘LIGHT’ REASON” which are the basis of “THE KNOWLEDGE OF THE DIVINE” manifested in the “‘LIGHT’ Specific State” and which is not available both to the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and to the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”.

As “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed it, from one “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” to another one, the seed of “THE KNOWLEDGE OF THE DIVINE” will sprout and grow in a slightly different manner in “The ALTAR of ‘THE DIVINE’” which is covered by the “Specific

¹⁰⁷⁹ We remind that, these are descriptions of the model that was established from eternity, before the creation of the attribute “NON DIVINE”, when “THE DIVINE ARCHITECT AND PROJECT MASTER” designed and established “THE HOLY PROJECT”, in “ABSOLUTE PURITY”. There was no contingency plan with regards to negative events that could unfold during the implementation of “THE HOLY PROJECT”, and especially, with regards to such events as those that took place in the “Specific Energy ‘CELESTIAL’ Domain” and which were crowned by the “BETRAYAL” that the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have perpetrated against “THE DIVINE”, IHVH, our FATHER. A mere thought of the possibility of occurrence of a negative event or an outcome other than that, which was expected from the designs of “THE DIVINE ARCHITECT AND PROJECT MASTER”, did not exist in “THE DIVINE”, IHVH, our FATHER. During the course of the implementation of “THE HOLY PROJECT”, “THE DIVINE”, IHVH, our FATHER was caught short by that “BETRAYAL”, which has plunged the implementation of the “Second Phase” of “THE HOLY PROJECT” in a quagmire, in the impasse, and “THE DIVINE ARCHITECT AND PROJECT MASTER” had to change the plans regarding the continuation of the implementation of “THE HOLY PROJECT”. What we are describing here are the original plans for the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model.

Energy ‘LIGHT’ Substance” in this “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model.

After a period of germination, this development will always go through predefined stages of growth and which are in all respect analogues of the growth stages from the “Specific Elementary ‘SPIRIT’ Particle” to the “Specific Atomic ‘SPIRIT’ Substance”. They range from the “spiritual awakening” to the “adult spiritual age” passing through the “spiritual childhood” and the “spiritual adolescence”. They will mark the stages of passage along the manifestation of the metaphor of the complete flow path of the “Generative Divine Particle” in “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”. As such, they are manifestations of the four quadrants which result from the projection of the Four points that define the movement of the “Generative Divine Particle” and in this arrangement — “HE WHO EXISTS”, “HE WHO IS ABOVE”, “HE WHO WILL EXIST”, “HE WHO ARRIVES” — and the pronunciation of the acronym of which is the same as the word “IHVH”, onto the complete flow path of the “Generative Divine Particle”. The “spiritual awakening” is associated with the first quadrant, the “spiritual childhood” is associated with the second quadrant, the “spiritual adolescence” is associated with the third quadrant, and the “adult spiritual age” is associated with the fourth quadrant. This flow path is defined by its fifty-two non-redundant “Divine Equilibrium Regions”:

- The “spiritual awakening” is associated with the manifestation of the metaphor of the beginning of the first of the fifty-two non-redundant “Divine Equilibrium Regions”.
- The seven manifestations of the metaphor of the following seven of the fifty-two non-redundant “Divine Equilibrium Regions” will define the “spiritual childhood”.
- The five manifestations of the metaphor of the following five of the remaining forty-five non-redundant “Divine Equilibrium Regions” will define the “spiritual adolescence” and mark the time of acquisition by “THE SEAT OF THE INTELLECT” of the voice of “The ALTAR of ‘THE DIVINE’” which is covered by the “Specific Energy ‘SPIRIT’ Substance”.
- The forty manifestations of the metaphor of the remaining forty non-redundant “Divine Equilibrium Regions” will mark the time at the end of which “THE SEAT OF THE INTELLECT” would have dispelled the mist of residuals from the interpretation of the elements of the “Realm of the ‘THOUGHTS’”, to mark the end of the manifestation of the

metaphor of the complete flow path of the “Generative Divine Particle” in “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, and thus the beginning of the “adult spiritual age”.

Just as it is in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, and also in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, “THE DIVINE ARCHITECT AND PROJECT MASTER” has endowed “THE SEAT OF THE INTELLECT” in this “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model with the “FREE CHOICE”, the autonomous capacity to “THINK”, to “REASON” and to “MAKE DECISIONS” without that, the elements of “THE REASON” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has restricted to “THE SEAT OF THE INTELLECT” — in this case of the model of the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature”, they are elements of “THE ‘LIGHT’ REASON” (it goes without saying, with all their epithets that are built from elements of “THE ‘SPIRIT’ REASON”) in the “Specific Energy ‘LIGHT’ Substance” and the elements of “THE ‘LIGHT’ REASON” in “The ALTAR of ‘THE DIVINE’” which is covered by the “Specific Energy ‘LIGHT’ Substance” in this “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model — are blocked by “THE SPECIFIC SPIRITUAL FORCE OF LIFE”.

It is so that, the education of both “The ALTAR of ‘THE DIVINE’” which is covered by the “Specific Energy ‘LIGHT’ Substance” in this “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model, and this “Specific Energy ‘LIGHT’ Substance” which covers this “ALTAR of ‘THE DIVINE’”, through these two developments, always aim therefore to the full achievement of the potential contained both in “The ALTAR of ‘THE DIVINE’” which is covered by the “Specific Energy ‘LIGHT’ Substance” in this “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model, and in this “Specific Energy ‘LIGHT’ Substance” which covers this “ALTAR of ‘THE DIVINE’”.

As we have already mentioned for the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, one of the main drivers of this education, and that allows to lead “The ALTAR of ‘THE DIVINE’” which is covered by the “Specific Energy ‘LIGHT’ Substance” in this “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model, toward that, which it is called to become, is the distinction.

“The ALTAR of ‘THE DIVINE’” which is covered by the “Specific Energy ‘LIGHT’ Substance” in this “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model carries a unique expression of the manifestation of a metaphor of a “DIVINE PRIMARY WEALTH” chosen within a countless number of “DIVINE PRIMARY WEALTH”.

It is through the distinction, which highlights the purpose of the “DIVINE PRIMARY WEALTH”, that each manifestation of the “‘LIGHT←LIGHT’

‘EARTHLY’ Creature” model, will have to find its place, build a personality; each “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” with respect to the others “‘LIGHT←LIGHT’ ‘EARTHLY’ Creatures”, each “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” with respect to the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, each “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” with respect to the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, — the personalities of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” will be expressed in their chosen “Characters” and made manifest through the “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creatures” that will be created in the environment of the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” — and each “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” with respect to “THE DIVINE”, IHVH, our FATHER.

The distinction designed by “THE DIVINE ARCHITECT AND PROJECT MASTER” and manifested through the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model is creative and educational; because it ensues from the supreme completeness of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”.

Only “THE SPECIFIC SPIRITUAL FORCE OF LIFE”, in all its forms, has all these information in all their details, and SHE received them from “THE DIVINE”, IHVH, our FATHER, in order to accomplish all the purposes of education of all creatures that will be created into existence in the attribute “NON DIVINE”.

It is so that, through this creative and educative distinction through the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature”, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” in turn would also be enriched in the understanding of the attributes of the elements of “THE ‘LIGHT’ REASON” by observation of their development by “THE SPECIFIC SPIRITUAL FORCE OF LIFE” acting in the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature”.

The knowledge of the manner in which both “The ALTAR of ‘THE DIVINE’” which is covered by the “Specific Energy ‘LIGHT’ Substance” in this “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model, and this “Specific Energy ‘LIGHT’ Substance” which covers this “ALTAR of ‘THE DIVINE’” will be truly educated, was established by “THE DIVINE ARCHITECT AND PROJECT MASTER”, from eternity, before that the attribute “NON DIVINE” was created, and according to the manifestation of the metaphor of the “DIVINE PRIMARY WEALTH” which will be placed in “The ALTAR of ‘THE DIVINE’” which is covered by the “Specific Energy ‘LIGHT’ Substance” in this “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model.

Therefore, each “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” through the unique manifestation of the metaphor of a “DIVINE PRIMARY WEALTH” which will be placed in “The ALTAR of ‘THE DIVINE’” which is covered by the “Specific Energy ‘LIGHT’ Substance” in this “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature”, will thus have the necessary elements for his own education.

Although as “THE DIVINE ARCHITECT AND PROJECT MASTER” had established it, the task of developing the character of “THE INTELLECT” in the “Specific Energy ‘LIGHT’ Substance” of the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model would be the deliberate effort that will be facilitated by the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” as future educators and shepherds of the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” to nurture their attributes and make them as a standard of behavior of the manifestation of “THE ‘SPIRIT’ REASON”, only “THE SPECIFIC SPIRITUAL FORCE OF LIFE”, in all its forms, possesses in all their details the knowledge of all these elements contained in the unique manifestation of the metaphor of a “DIVINE PRIMARY WEALTH” and which are necessary for the development of this unique manifestation of the metaphor of a “DIVINE PRIMARY WEALTH”; and SHE received them from “THE DIVINE”, IHVH, our FATHER, in order to accomplish all the purposes of education of each creature that will be created into existence in the attribute “NON DIVINE”.

This is not a packet transmitted in inheritance that “THE SPECIFIC SPIRITUAL FORCE OF LIFE”, under its name of “THE DIVINE FORCE”, will transmit to “The ALTAR of ‘THE DIVINE’” which is covered by the “Specific Energy ‘LIGHT’ Substance” in this “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model, because to educate is to nurture in order to move from one level of “THE KNOWLEDGE OF THE DIVINE” to another located farther in the direction of travel so that it acquires a value that brings close to the horizon of the path to which will be led “The ALTAR of ‘THE DIVINE’” which is covered by the “Specific Energy ‘LIGHT’ Substance” in this “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model.

To educate both “The ALTAR of ‘THE DIVINE’” which is covered by the “Specific Energy ‘LIGHT’ Substance” in this “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model, and this “Specific Energy ‘LIGHT’ Substance” which covers this “ALTAR of ‘THE DIVINE’”, is to love them; the affection passing through:

1. The breast of “THE SPECIFIC SPIRITUAL FORCE OF LIFE”, under its name of “THE DIVINE FORCE”, at the same time as Her nutrient milk — that is, the rules, the principles, and the precepts she had established, and to live by these precepts, which are the customs and

patterns (that is, “PURITY” and “HOLINESS” of “THE DIVINE WISDOM”) — and that will allow the development of “THE INTELLECT” and the affective and emotional development of “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”;

2. The attributes and behavior standards of the manifestation of “THE ‘SPIRIT’ REASON” that the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” were supposed to have developed in them during the “First Phase” of “THE HOLY PROJECT”, and which will facilitate the development of “THE INTELLECT”.

This nutrient milk of “THE SPECIFIC SPIRITUAL FORCE OF LIFE” has been placed within the tasks established by “THE DIVINE ARCHITECT AND PROJECT MASTER”, from eternity, before that the attribute “NON DIVINE” was created, and for the implementation of the phases of “THE HOLY PROJECT”.

As we have indicated already, all these concepts and much more, which are related to the education of the creatures that “THE DIVINE FORCE”, on instruction of “THE DIVINE”, IHVH, our FATHER, will spawn into existence inside the attribute “NON DIVINE”, were also transposed by “THE DIVINE FORCE”, into metaphors to be manifested explicitly on those creatures. The “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, products of the mold designated as the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, in the “Plane Above”, will have those concepts manifested accordingly on their “Specific Energy ‘CELESTIAL’ Envelope”. The “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, products of the mold designated as “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, in the “Plane Below”, will also have those concepts manifested accordingly on their “Specific Energy ‘EARTHLY’ Envelope”. The “‘LICHT←LIGHT’ ‘EARTHLY’ Creatures”, products of the mold designated as “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model, in the “Plane Below”, will also have those concepts manifested accordingly on their “Specific Energy ‘EARTHLY’ Envelope”. It is so that, just as the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, in the “Plane Above”, were designed to be “living and animated chapters” of the “DISCOURSE” of “THE DIVINE”, IHVH, our FATHER, and just as the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” that “THE DIVINE FORCE”, on instruction of “THE DIVINE”, IHVH, our FATHER, will spawn into existence inside the attribute “NON DIVINE”, in the “Plane Below”, were also designed to be “living and animated chapters” of the “DISCOURSE” of “THE DIVINE”, IHVH, our FATHER, and complementing those parts of the “DISCOURSE”, which have been written on the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, in much the same, the

“‘LIGHT←LIGHT’ ‘EARTHLY’ Creatures” that “THE DIVINE FORCE”, on instruction of “THE DIVINE”, IHVH, our FATHER, will spawn into existence inside the attribute “NON DIVINE”, in the “Plane Below”, also truly will be “living and animated chapters” of the “DISCOURSE” of “THE DIVINE”, IHVH, our FATHER, and further complementing those parts of the “DISCOURSE”, which have been written on the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and on the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”.

As we have mentioned here above, “THE DIVINE ARCHITECT AND PROJECT MASTER” has endowed “THE SEAT OF THE INTELLECT” in this “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model with the “FREE CHOICE”, the autonomous capacity to “THINK”, to “REASON” and to “MAKE DECISIONS” without that, the elements of “THE REASON” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has restricted to “THE SEAT OF THE INTELLECT” — in this case of the model of the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature”, they are elements of “THE ‘LIGHT’ REASON” (it goes without saying, with all their epithets that are built from elements of “THE ‘SPIRIT’ REASON”) in the “Specific Energy ‘LIGHT’ Substance” and the elements of “THE ‘LIGHT’ REASON” in “The ALTAR of ‘THE DIVINE’” which is covered by the “Specific Energy ‘LIGHT’ Substance” in this “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model — are blocked by “THE SPECIFIC SPIRITUAL FORCE OF LIFE”.

Just as “THE DIVINE ARCHITECT AND PROJECT MASTER” is conscious, and just as he did with the previous models, HE also endowed “THE SEAT OF THE INTELLECT” in this “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model, of that, which is called “CONSCIENCE”: that ability that allows “THE SEAT OF THE INTELLECT” to be conscious, to be aware immediately, to know in an immediate rational way, to have rational knowledge of its states, of its acts and of their value, to feel it exists, to be present to itself, to have an immediate and direct knowledge, more or less complete and clear to know of its law that allows it to be in existence, to know its purpose, and its route in its existence. It is this ability that will allow “THE SEAT OF THE INTELLECT” to grow in knowledge through its own “DECISIONS” and its own “CHOICES”.

As long as the “DIVINE PRIMARY WEALTH” that “THE DIVINE”, IHVH, our FATHER would have chosen to share in the “‘LIGHT’ Specific State” with this attribute “NON DIVINE”, are not yet shared with this attribute “NON DIVINE” but rather remain in “THE DIVINE”, IHVH, our FATHER, then the attribute “NON DIVINE” and all that it contains as “‘LIGHT←LIGHT’ ‘EARTHLY’ Creatures” cannot know about the existence of these “DIVINE PRIMARY

WEALTH”, nor would they know about themselves as manifestations in the “‘LIGHT’ Specific State” of the metaphors of “DIVINE PRIMARY WEALTH” that already exist in “THE DIVINE”, IHVH, our FATHER, or know anything else about “HE WHO IS”. The manifestations of the metaphors of the “DIVINE PRIMARY WEALTH” in the “‘LIGHT’ Specific State” inside the attribute “NON DIVINE” possess their existence in this attribute “NON DIVINE” only as a seed of “THE KNOWLEDGE OF THE DIVINE” in the “‘LIGHT’ Specific State”, so that this existence can be compared to that of an embryo of “THE KNOWLEDGE OF THE DIVINE” in the “‘LIGHT’ Specific State”. “THE DIVINE”, IHVH, our FATHER generated these manifestations of the metaphors of HIS own “DIVINE PRIMARY WEALTH”, in the state of seed of “THE KNOWLEDGE OF THE DIVINE” in the “‘LIGHT’ Specific State” before they came into existence inside the attribute “NON DIVINE”. HE also planned for these manifestations of the metaphors of HIS own “DIVINE PRIMARY WEALTH”, not only that they would exist for HIM, in the “‘LIGHT’ Specific State”, but that they would also exist for themselves, each as an “intellectual substance”. For this reason, “THE DIVINE ARCHITECT AND PROJECT MASTER” conceived and established “THE SEAT OF THE INTELLECT”, truly a growing medium of “THE INTELLECT”, and endowed it with this ability that will allow “THE SEAT OF THE INTELLECT” to grow in knowledge through its own “DECISIONS” and its own “CHOICES”. So that not only “THE SEAT OF THE INTELLECT” (and therefore the creature in which it will be placed) also exists for itself through “CONSCIENCE” and knows itself as a manifestation in the “‘LIGHT’ Specific State” of the metaphor of a “DIVINE PRIMARY WEALTH” which already exist in “THE DIVINE”, IHVH, our FATHER, but also that “THE SEAT OF THE INTELLECT” (and therefore the creature in which it will be placed) comes to understand and to know who is “HE WHO IS”, and reaches the “PLENITUDE” in the “‘LIGHT’ Specific State” — the finality of development of the seed of the metaphor of the “DIVINE PRIMARY WEALTH”, manifested in the “‘LIGHT’ Specific State” inside the attribute “NON DIVINE”.

In the event that the elements of “THE ‘LIGHT’ REASON” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has restricted to “THE SEAT OF THE INTELLECT” in the “Specific Energy ‘LIGHT’ Substance” in this “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model, are blocked by “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” in case these would have developed in them the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, or are blocked by an external force for whatever motives that be, then, this capacity to make own “DECISIONS”, to make own “CHOICES”, that “THE DIVINE ARCHITECT AND PROJECT MASTER” has endowed to “THE SEAT OF

THE INTELLECT” will not be anymore autonomous, but will be conditioned by those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” or by such external force and in which case “THE SEAT OF THE INTELLECT” and therefore the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” associated with this “SEAT OF THE INTELLECT” will not be anymore free, but “subjected” to those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” or to that external force.

Of such “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” whose capacity to make own “DECISIONS”, to make own “CHOICES”, is conditioned or deprived by such external force, it will be said that, that “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” is “subjected” (or is “enslaved”, or is in “slavery”) to that external force.

As “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed it, from one “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” to another one, the seed of “THE KNOWLEDGE OF THE DIVINE” will sprout and grow in a slightly different manner in “The ALTAR of ‘THE DIVINE’” which is covered by the “Specific Energy ‘LIGHT’ Substance” in this “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model.

The growth stages inside of “The ALTAR of ‘THE DIVINE’” which is covered by the “Specific Energy ‘LIGHT’ Substance” in this “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model, having abundantly at its disposal the elements of “THE ‘LIGHT’ REASON” and having at its disposal knowledge of the elements of “THE ‘SPIRIT’ REASON”, in “THE KNOWLEDGE OF THE DIVINE”, in the understanding and the knowledge of “THE TREE OF LIFE”, as well as in the understanding and the knowledge of “THE HOLY PROJECT”, are in all respect analogues of the growth stages from the “Specific Elementary ‘SPIRIT’ Particle” to the “Specific Atomic ‘SPIRIT’ Substance”. They range from the “spiritual awakening” to the “adult spiritual age” passing through the “spiritual childhood” and the “spiritual adolescence”, and that we have already described in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model.

“THE DIVINE ARCHITECT AND PROJECT MASTER” has designed and established all the temporal, quantitative and qualitative transformations, at different scales, the laws that govern the growth and the subsequent development of the seed of “THE KNOWLEDGE OF THE DIVINE”, and which follow the course of the various stages of growth of the plant of “THE KNOWLEDGE OF THE DIVINE”, from the implantation of the seed to the maturity of the manifestations of the metaphors of the indescribable joy, the ineffable gladness, and immeasurable state of equilibrium that “THE DIVINE”, IHVH, our FATHER

has chosen to share with “The ALTAR of ‘THE DIVINE’” which is covered by the “Specific Energy ‘LIGHT’ Substance” in this “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model.

The achievement of each stage of growth inside of “The ALTAR of ‘THE DIVINE’” which is covered by the “Specific Energy ‘LIGHT’ Substance” in this “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model, is visible only to “THE EYE OF THE DIVINE”, however this growth will also be made manifest on the “Specific Energy ‘EARTHLY’ Envelope”.

It is in this stage of the “adult spiritual age” that the “Realm of the Interpreted ‘THOUGHTS’” will refine with the passage of time to converge towards the “Realm of the Optimal Interpreted ‘THOUGHTS’” and that is associated to the portion of the “Realm of the ‘THOUGHTS’” which is delineated by the elements of “THE ‘LIGHT’ REASON” and for the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model.

It is thus that, the full “PLENITUDE” of the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model will be attained when the “Realm of the Interpreted ‘THOUGHTS’” converges towards the “Realm of the Optimal Interpreted ‘THOUGHTS’”. When this convergence occurs, the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” is said to be at its “HIGHEST PLENITUDE”, it is said to have achieved its “FULL POTENTIAL”, and the following conditions are fulfilled and present in the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature”:

- “THE SEAT OF THE INTELLECT” inside the “Specific Energy ‘LIGHT’ Substance” and “The ALTAR of ‘THE DIVINE’” which is covered by that “Specific Energy ‘LIGHT’ Substance”, working together as conjoints in agreement in this “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model, are at their “PUREST” and “HOLIEST” states.
- The degree of presence of “THE SPECIFIC SPIRITUAL FORCE OF LIFE” in the “Specific ‘SPIRITUAL’ Environment” external and immediate around both “THE SEAT OF THE INTELLECT” and “THE SEAT OF WISDOM”, is at its highest level.
- The states of “HARMONY” of both “THE SEAT OF THE INTELLECT” and “THE SEAT OF WISDOM”, with “THE DIVINE”, IHVH, our FATHER, are at their highest levels as designed and established by “THE DIVINE ARCHITECT AND PROJECT MASTER”.

In this “HIGHEST PLENITUDE”, the road of which we have already explained in the chapter concerning the designation of “THE DIVINE” from “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” is at the maximum of its particulars. It has all its intensity, its density, it shines with the manifestation of the metaphor of the unique “DIVINE PRIMARY WEALTH” that “THE DIVINE FORCE” had placed in it. It has the UNITY of all its constituents components and “specific processes” functioning at full capacity as the “‘LIGHT’ specific supply of subsistence” is at the proximity of the maximum “‘LIGHT’ specific supply of subsistence” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has established for the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model.

This road to this “HIGHEST PLENITUDE”, to achieve the “FULL POTENTIAL”, of the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model, is a road built on the pillars of “PURITY” and “HOLINESS”, with “THE KNOWLEDGE OF THE DIVINE” as gold bricks; the material of construction of those gold bricks are the elements of “THE ‘LIGHT’ REASON”, and the cement that maintains those gold bricks together is the degree of presence of “THE SPECIFIC SPIRITUAL FORCE OF LIFE”.

It is from these two pillars of “PURITY” and “HOLINESS”, that the growing medium, which is the combined set formed by “THE SEAT OF WISDOM” (also called “THE GARDEN OF WISDOM”, the growing medium of “WISDOM”) and “THE SEAT OF THE INTELLECT” (also called “THE GARDEN OF THE INTELLECT”, the growing medium of “THE INTELLECT”) will be fertile: able to produce abundant harvests of the plant of “THE KNOWLEDGE OF THE DIVINE”. It is from these two pillars of “PURITY” and “HOLINESS”, and following the course of the various stages of growth of the plant of “THE KNOWLEDGE OF THE DIVINE”, that will autonomously emerge the manifestations of the metaphors of the “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” that a product of the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model has grown in itself with respect to “THE DIVINE”, IHVH, our FATHER. In the absence of these two pillars of “PURITY” and “HOLINESS”, the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature”, that is the product of the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model, will not have in itself any

“PURE, TRUTHFUL, AND AUTHENTIC LOVE” with respect to “THE DIVINE”, IHVH, our FATHER.¹⁰⁸⁰

Just as it is with the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model and the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, all temporal information concerning the state of the growing medium, which is the combined set formed by “THE SEAT OF WISDOM” (also called “THE GARDEN OF WISDOM”, the growing medium of “WISDOM”) and “THE SEAT OF THE INTELLECT” (also called “THE GARDEN OF THE INTELLECT”, the growing medium of “THE INTELLECT”) — among other things, the state of “PURITY” and “HOLINESS”, as well as the temperature and the enlightenment intensity —, as well as the state of this plant of “THE KNOWLEDGE OF THE DIVINE”, all this information based on “THE ‘LIGHT’ REASON”, in the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model, which are only visible by “THE EYE OF THE DIVINE”, are contained and transported by the action signals which are produced by “THE SEAT OF THE INTELLECT”.

The attributes of this information are contained and transported in the “unique words”, and their tones, of the “Specific ‘SPIRIT’ Language”. The “Specific ‘SPIRIT’ Language” becomes, as such, a window into “THE SEAT OF THE INTELLECT”, and the hidden information that it contains can be “discerned” (i.e., “read” in the “Specific ‘SPIRIT’ Language”) when the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” will emit these words and expressions, in their tones, during its communications and interactions with the “Specific ‘SPIRITUAL’ Environment” external and immediate around it.

The words in the expressions of the “Specific ‘SPIRIT’ Language”, in their tones, which will be used by a “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature”, and will be based on “THE ‘LIGHT’ REASON”, will be indicative of all this internal information which is visible only by “THE EYE OF THE DIVINE”. The metaphors of this internal information will be precisely what will be made manifest in the “Specific ‘EARTHLY’ Environment”.

¹⁰⁸⁰ To have “PURE, TRUTHFUL, AND AUTHENTIC LOVE” for “THE DIVINE”, IHVH, our FATHER, is not about chanting “lips service” on the virtues and greatness of “THE DIVINE”, IHVH, our FATHER, but it is about standing in “PURITY” and “HOLINESS” just like “... the First Begotten of *THE DIVINE FORCE*”, who has received the anointing of *THE DIVINE FORCE* and stands in Her presence glorifying *THE DIVINE* as well as *THE DIVINE FORCE* through whom he has been manifested. ...”

In this model of the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature”, the permanent awareness, by “THE SEAT OF THE INTELLECT”, of the existence of all this information, as well as the ability of “THE SEAT OF THE INTELLECT” to “read” this information in the “Specific ‘SPIRIT’ Language”, and to make their syntheses, are indispensable and essential conditions to be able to walk on the road leading to the “HIGHEST PLENITUDE”, and to achieve the “FULL POTENTIAL”.

As we have already mentioned, it is “THE SPECIFIC SPIRITUAL FORCE OF LIFE” that, through the degree of its Presence in the “Specific ‘SPIRITUAL’ Environment” external and immediate around the “Specific Energy ‘LIGHT’ Substance”, will act as SHEPHERD of “THE SEAT OF THE INTELLECT” inside the “Specific Energy ‘LIGHT’ Substance”.

It is so that, “THE SPECIFIC SPIRITUAL FORCE OF LIFE”, by providing, inside of “The ALTAR of ‘THE DIVINE’” which is covered by the “Specific Energy ‘LIGHT’ Substance” in this “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model, the temperature and the enlightenment intensity, that is, the illumination — “THE LIGHT” which allows to discern that, which conforms to the specifications that “THE DIVINE ARCHITECT AND PROJECT MASTER” has defined —, will be “THE SIGHT” for “THE SEAT OF THE INTELLECT” inside the “Specific Energy ‘LIGHT’ Substance”.

That “SIGHT” which allows “THE SEAT OF THE INTELLECT”, in this “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model, to perceive, to become acquainted with the presence and characteristics of “THE DIVINE” and all that, which conforms to the specifications that “THE DIVINE ARCHITECT AND PROJECT MASTER” has defined, is also called: “THE EYE OF THE DIVINE”.

From one “ALTAR of ‘THE DIVINE’” which is covered by the “Specific Energy ‘LIGHT’ Substance” in this “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model to another one and in which “THE DIVINE FORCE” has placed seeds of “THE KNOWLEDGE OF THE DIVINE”, the plants of “THE KNOWLEDGE OF THE DIVINE” will differ, because:

1. The uniqueness of the “DIVINE PRIMARY WEALTH” that “THE DIVINE”, IHVH, our FATHER will share with “The ALTAR of ‘THE DIVINE’” which is covered by the “Specific Energy ‘LIGHT’ Substance” in this “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model, through manifestation of metaphor;
2. The degree of presence of “THE SPECIFIC SPIRITUAL FORCE OF LIFE” in the “Specific ‘SPIRITUAL’ Environment” external and

immediate around the “Specific Energy ‘LIGHT’ Substance” which will not be the same from one “Specific Energy ‘LIGHT’ Substance” to another one, and;

3. The level of understanding that will be developed through the capacities, the capabilities and all “specific processes” inner and autonomous to the “Specific Energy ‘LIGHT’ Substance”.

It is so that, from countless “DIVINE PRIMARY WEALTH” that “THE DIVINE”, IHVH, our FATHER will share with each “ALTAR of ‘THE DIVINE’” which is covered by the “Specific Energy ‘LIGHT’ Substance” in this “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model, through manifestation of metaphor, countless plants of “THE KNOWLEDGE OF THE DIVINE” will be produced, all different the one from the other and with a difference similar to that from one “DIVINE PRIMARY WEALTH” to another one.

Inside “THE DIVINE DOMAIN”, all elements of communication reside in “THE DIVINE ARCHITECT AND PROJECT MASTER”, and are expressed in “THE SILENCE”. When “THE WORD OF THE DIVINE”, which resides in “THE DIVINE ARCHITECT AND PROJECT MASTER”, is emitted into existence in the attribute “NON DIVINE”, then, it will “take body” in the attribute “NON DIVINE”.

“THE DIVINE”, IHVH, our FATHER has also chosen to share such “DIVINE PRIMARY WEALTH” with this “Specific Energy ‘LIGHT’ Substance” of the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model.

Therefore, “THE DIVINE ARCHITECT AND PROJECT MASTER” has also endowed the “Specific Energy ‘LIGHT’ Substance” with capabilities and with “specific processes” allowing it to communicate individually with another “Specific Energy ‘LIGHT’ Substance” or another “Specific Energy ‘SPIRIT’ Substance” and this:

- Without going through a manifestation or an expression through the “Specific Energy ‘EARTHLY’ Envelope” which covers it;
- Regardless of the distance between the two “Specific Energy ‘LIGHT’ Substances” that are in communication;
- Regardless of the distance with the “Specific Energy ‘SPIRIT’ Substance” with which it enters into communication;
- With only the two concerned “Specific Energy ‘LIGHT’ Substances”, or the other “Specific Energy ‘SPIRIT’ Substance” with which it enters

into communication, being aware of the communication, or even that a communication has been established. The receiving “Specific Energy ‘SPIRIT’ Substance” can be that of a “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”.

The “Specific Energy ‘LIGHT’ Essence Substance” is in the “‘LIGHT’ Specific State” and will thus contain elements of “THE ‘LIGHT’ REASON”, and the “Specific Energy ‘LIGHT’ Substance” which covers it, is in the “‘LIGHT’ Specific State”.

Therefore, the elements of communication, the “unique words”, the predicates, and the elements of “THE ‘LIGHT’ REASON” may reside both in the “Specific Energy ‘LIGHT’ Essence Substance” and in the “Specific Energy ‘LIGHT’ Substance” which covers it, and in which case they will not “take body” but will be used for communications by telepathy, or these elements of the communication may “take body” when they are emitted into existence in the “Specific Energy ‘EARTHLY’ Substance” outside the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature”.

CHAPTER 180

The “‘LIGHT←LIGHT’ Body” in the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model is the combined group which is formed by the “Specific ‘SPIRITUAL←LIGHT’ Frontier”, the “Specific Energy ‘LIGHT’ Substance”, and “The ALTAR of ‘THE DIVINE’”. We shall use this designation for the purpose of leading you to understand that, it is a double structure.

This “‘LIGHT←LIGHT’ Body” in the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model will be produced into existence inside of “The ALTAR of ‘THE DIVINE’” inside “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — and by “THE DIVINE FORCE”.

This “‘LIGHT←LIGHT’ Body” in the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model is a manifestation in the attribute “NON DIVINE” of a metaphor of the “‘LIGHT←LIGHT’ INDISTINCT DIVINE FORM” which is in “THE DIVINE DOMAIN”, and is not an expression of “THE UNION”, in the attribute “NON DIVINE”.

Although the structure of this “‘LIGHT←LIGHT’ Body” in the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model do not contain the expression of “THE UNION”, it is nevertheless also called the “TABERNACLE OF THE CHURCH” in the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model; or, the “TABERNACLE” of “THE DIVINE”, IHVH, our FATHER, in the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model. Inside the “TABERNACLE” of “THE DIVINE”, there will always be:

1. The NUCLEUS, which is akin to “THE DIVINE FORCE”, and represents in this interior, the symbol and the manifestation of “PURITY” and “THE LIGHT” — it is “The ALTAR of ‘THE DIVINE’”

which is inside of the “‘LIGHT←LIGHT’ Body” in the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model;

2. Elements of “THE ‘LIGHT’ REASON”, just as possesses “THE DIVINE FORCE” who is at the origin of the creation into existence of these elements of “THE ‘LIGHT’ REASON” — they are the inner constituents of “The ALTAR of ‘THE DIVINE’” which is inside of the “‘LIGHT←LIGHT’ Body” in the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model;
3. “The Specific Process of Attachment to ‘THE DIVINE’” functioning within the specifications established by “THE DIVINE ARCHITECT AND PROJECT MASTER” and through these elements of “THE ‘LIGHT’ REASON” as communication interface.

For this “‘LIGHT←LIGHT’ Body” in the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model, “THE DIVINE ARCHITECT AND PROJECT MASTER” has established the same fixed dimensions and functional particulars as those of the “‘SPIRIT←SPIRIT’ Body” in the “PRINCIPAL” instance of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, and consequently as those of the “‘SPIRIT←SPIRIT’ Body” in the “PRINCIPAL” instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, so that it performs its due relevant role.

These dimensions as well as the functional particulars are fixed, and this “‘LIGHT←LIGHT’ Body” as seen by “THE EYE OF THE DIVINE”, is similar to a drop of energy in the entire “Specific Energy ‘EARTHLY’ Substance”, and having two components: a first component in the “‘LIGHT’ Specific State” and containing in it a second component also in the “‘LIGHT’ Specific State”.

These dimensions are the same and do not vary from one “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” to another “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature”.

All what we have indicated concerning “The Walk within the Acronym IHVH” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, as well as in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, also extends and holds true in the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model.

“THE DIVINE ARCHITECT AND PROJECT MASTER” has endowed the “Specific ‘SPIRITUAL←LIGHT’ Frontier” with “specific nerves” which are in contact with the “Specific Energy ‘EARTHLY’ Envelope” and with the “Specific Energy ‘LIGHT’ Substance” contained in the “Specific Energy ‘EARTHLY’ Envelope”.

It is through “specific signals” collected by these “specific nerves” of the “Specific ‘SPIRITUAL←LIGHT’ Frontier” that radiation from this “Specific ‘SPIRITUAL←LIGHT’ Frontier” is made visible to the “Specific ‘SPIRITUAL’ Visual Structure” of the “Specific Energy ‘LIGHT’ Substance”.

However, this “Specific ‘SPIRITUAL’ Visual Structure” cannot see either the “Specific Energy ‘LIGHT’ Substance”, or “The ALTAR of ‘THE DIVINE’”, or what is there inside “The ALTAR of ‘THE DIVINE’”. Only “THE EYE OF THE DIVINE” sees the “Specific Energy ‘LIGHT’ Substance” and sees “The ALTAR of ‘THE DIVINE’” and also the “Specific Energy ‘LIGHT’ Essence Substance” which is in there.

It is through the “Specific ‘SPIRITUAL←LIGHT’ Frontier” that the “Specific ‘SPIRITUAL’ Language” of the “Specific Energy ‘LIGHT’ Substance” is transmitted to the “Specific ‘SPIRITUAL’ Environment” external and immediate around the “Specific Energy ‘LIGHT’ Substance” and thus to the “Specific ‘SPIRITUAL’ Environment” external and immediate around the “‘LIGHT←LIGHT’ Body”.

It is so that, radiation from the “Specific ‘SPIRITUAL←LIGHT’ Frontier” of “‘LIGHT←LIGHT’ Body” also indicates through the “Specific ‘SPIRITUAL’ Visual Structure”, just as “THE EYE OF THE DIVINE” sees the “Specific Energy ‘LIGHT’ Substance”, the “TRUTHFUL” functioning status of this “Specific Energy ‘LIGHT’ Substance”, in particular the functioning status of “The ALTAR of ‘THE DIVINE’”; this “TRUTHFUL” functioning status is not visible through the “Specific Energy ‘EARTHLY’ Envelope”.

It is so that, through this radiation of the “Specific ‘SPIRITUAL←LIGHT’ Frontier” of the “‘LIGHT←LIGHT’ Body”, one would know whether a “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” is in “HARMONY” with “THE DIVINE”, IHVH, or is in a state of “CHAOS”, contrary to the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”.

“THE DIVINE ARCHITECT AND PROJECT MASTER” has also endowed the “‘LIGHT←LIGHT’ Body” in the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” with the capacity to move independently in the “Specific ‘SPIRITUAL’ Environment” without that, the “Specific Energy ‘EARTHLY’ Envelope” that covers it, moves along.

“THE DIVINE ARCHITECT AND PROJECT MASTER” has also designed a protective spiritual structure, which helps to protect the “‘LIGHT←LIGHT’ Body” in the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model.

This protective spiritual structure goes hand in hand with the “‘LIGHT←LIGHT’ Body” in the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model, but it remains external and it is present in the “Specific ‘SPIRITUAL’ Environment” external and immediate and covering all this “‘LIGHT←LIGHT’ Body”.

As “THE DIVINE ARCHITECT AND PROJECT MASTER” also designed it, this protective spiritual structure, external to the “‘LIGHT←LIGHT’ Body” in the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model, is activated automatically by a high degree of presence of “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” in the “Specific ‘SPIRITUAL’ Environment” external and immediate around the “‘LIGHT←LIGHT’ Body” in the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model, and thus by a high degree of “ABSOLUTE AND TOTAL CONFIDENCE IN THE DIVINE” in the “‘LIGHT←LIGHT’ Body” in the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model which it was designed to ensure protection.

This protective spiritual structure can also be activated by the inner will to the “‘LIGHT←LIGHT’ Body” in the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model which it was designed to ensure protection, when the degree of presence of “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” in the “Specific ‘SPIRITUAL’ Environment” external and immediate around the “‘LIGHT←LIGHT’ Body” in the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model is sufficiently high, and thus the degree of “ABSOLUTE AND TOTAL CONFIDENCE IN THE DIVINE” is sufficiently high in the “‘LIGHT←LIGHT’ Body” in the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model which it was designed to ensure protection.

When it is enabled, this protective spiritual structure is manifested by a glowing sphere covering the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” like a dome. This is why this protective spiritual structure is also called: the “Protective ‘SPIRITUAL’ Dome”.

It is also by means of this “Protective ‘SPIRITUAL’ Dome” that the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” (more specifically the “‘LIGHT←LIGHT’ Body” in the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature”) will move from one location to another, from one “Specific Energy ‘EARTHLY’ Habitation Domain” to another “Specific Energy ‘EARTHLY’ Habitation Domain”, within the “MURKY VOID” in the attribute “NON DIVINE”.

The “‘LIGHT←LIGHT’ Body” in the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model and its added “Protective ‘SPIRITUAL’ Dome” are still precursor of “THE UNION”; thus, precursor of “THE SPIRITUAL FORMATION OF THE CHURCH”.

“THE DIVINE ARCHITECT AND PROJECT MASTER” **HAS NOT ENDOWED** the “Specific Energy ‘LIGHT’ Substance” of the “‘LIGHT←LIGHT’ Body” in the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” with the capacity to implement several tasks simultaneously in the image of “THE DIVINE FORCE”. But HE has placed “THE DIVINE FORCE” alongside this “‘LIGHT←LIGHT’ Body” in the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature”: it is “THE INVISIBLE TREASURE”, “THE LIFE INSURANCE”, of the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” in the attribute “NON DIVINE”.

Alongside this “‘LIGHT←LIGHT’ Body” in the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature”, and for the accomplishment of particular tasks that “THE DIVINE ARCHITECT AND PROJECT MASTER” has established, “THE DIVINE FORCE” will act in place of this “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” only when the “‘LIGHT←LIGHT’ Body” in the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” is in “HARMONY” with “THE DIVINE”, IHVH, our FATHER.

It is “THE DIVINE FORCE” who officiates both in “THE DIVINE DOMAIN” and in “THE ABSOLUTE FRAME OF REFERENCE” defined by “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” in “THE DIVINE”, and in “THE FRAME OF REFERENCE OF THE ATTRIBUTE ‘NON DIVINE’” in the attribute “NON DIVINE”.

Regardless of the frame of reference, no force into existence surpasses “THE DIVINE FORCE”; Her strength is billions of times greater than all the combined forces and powers of all creatures that have been created into existence in “THE FRAME OF REFERENCE OF THE ATTRIBUTE ‘NON DIVINE’” in the attribute “NON DIVINE”, and the knowledge She holds has no equal.

Alongside this “‘LIGHT←LIGHT’ Body” in the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” that is in the “PURITY”, the eternal symbol of glory of “THE DIVINE ARCHITECT AND PROJECT MASTER” and also of “THE DIVINE FORCE”, “THE DIVINE FORCE” will be present and active.

In the event that the “‘LIGHT←LIGHT’ Body” in the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” is in the state of “CHAOS”, contrary to the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”, then, “THE DIVINE FORCE” who will always be alongside this “‘LIGHT←LIGHT’ Body”, will not be able to act for this “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature”; because:

1. The state of “CHAOS”, contrary to the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”, appears and develops in a creature when such a creature has rejected “THE DIVINE”, IHVH, our FATHER and all that HE is; and

2. *“THE WILL” OF “THE DIVINE”, IHVH, OUR FATHER, IN HIS VARIOUS FORMS, AND THE WILL OF ANY THING OTHER THAN “THE DIVINE”, IHVH, CANNOT COEXIST IN THE SAME “THE ALTAR OF ‘THE DIVINE’”.*

Just like “THE DIVINE FORCE” has assigned “THE GUARDIANSHIP OF THE SHEKINAH” to “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, likewise SHE intended to assign to appropriate “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, the task of guardianship of the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature”. The “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” on the other hand, need not to be guarded; because the “‘SPIRIT←SPIRIT’ Body” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model does not contain structures that are in the “‘LIGHT’ Specific State”.

It is so that, from the “‘LIGHT←LIGHT’ Body” in the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model and its added “Protective ‘SPIRITUAL’ Dome”, “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed and lined up to manifest the “specific spiritual formation” of “THE CHURCH” into existence outside “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” within the “Specific Energy ‘CELESTIAL’ Domain” —, and also outside of the “Specific Energy ‘CELESTIAL’ Domain”.

This “‘LIGHT←LIGHT’ Body” in the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model is a manifestation in the attribute “NON DIVINE” of a metaphor of the “‘LIGHT←LIGHT’ INDISTINCT DIVINE FORM” which is located in “THE DIVINE DOMAIN”, and is not an expression of “THE UNION”, in the attribute “NON DIVINE”.

An expression of “THE UNION” from the “‘LIGHT←LIGHT’ Body” was to be formed through the presence of the “‘SPIRIT←SPIRIT’ Body” in the “PRINCIPAL” instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model; that is, through the presence of the Archangel MICHAEL.¹⁰⁸¹

¹⁰⁸¹ Again, we restate the previous annotation, reminding that, these are descriptions of the model that was established from eternity, before the creation of the attribute “NON DIVINE”, when “THE DIVINE ARCHITECT AND PROJECT MASTER” designed and established “THE HOLY PROJECT”, in “ABSOLUTE PURITY”. There was no contingency plan with regards to negative events that could unfold during the implementation of “THE HOLY PROJECT”, and especially, with regards to such events as those that took place in the “Specific Energy ‘CELESTIAL’ Domain” and which were crowned by the “BETRAYAL” that the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have perpetrated against “THE

It is from this expression of “THE UNION” that was to be formed the “specific spiritual formation” of “THE CHURCH” into existence outside “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” within the “Specific Energy ‘CELESTIAL’ Domain” —, and also outside of the “Specific Energy ‘CELESTIAL’ Domain”.

The Archangel MICHAEL was to act as an intermediary between the whole “‘LIGHT←LIGHT’ Body” and the seven “‘SPIRIT←SPIRIT’ Body” pure and holy of each of the seven instances of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model — the “QUERUB” instance, the “MALAK” instance, the “OPHAN” instance, the “IKARI” instance, the “KO’ACH” instance, the “SERAPH” instance, and the “HASHMALL” instance — who were to be present outside and surrounding the added “Protective ‘SPIRITUAL’ Dome” of the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature”.¹⁰⁸²

DIVINE”, IHVH, our FATHER. A mere thought of the possibility of occurrence of a negative event or an outcome other than that, which was expected from the designs of “THE DIVINE ARCHITECT AND PROJECT MASTER”, did not exist in “THE DIVINE”, IHVH, our FATHER. During the course of the implementation of “THE HOLY PROJECT”, “THE DIVINE”, IHVH, our FATHER was caught short by that “BETRAYAL”, which has plunged the implementation of the “Second Phase” of “THE HOLY PROJECT” in a quagmire, in the impasse. Furthermore, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” having accepted the “BETRAYAL” that they have perpetrated against “THE DIVINE”, IHVH, our FATHER, and the deceit and prejudice, which they perpetrated against the first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, as their norm, their principle of righteousness, were and are standing as such in their own “DISGRACE”, “IMPURITIES” and “LIES”. It is so that, “THE DIVINE ARCHITECT AND PROJECT MASTER” had to change the plans regarding the continuation of the implementation of “THE HOLY PROJECT”. What we are describing here are the original plans for the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model.

¹⁰⁸² As we have indicated already in the model of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, right after the announcement of the “Second Phase” of “THE HOLY PROJECT”, before that the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” was created into existence, the Archangel MICHAEL and the “ADONA’IM” have understood these tasks, which they were called upon to perform around not only the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, but also later on around the following of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, and who will be produced into existence as the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creatures”. And these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” decided to derail “THE HOLY PROJECT”, not only with that “BETRAYAL” that they have perpetrated against “THE DIVINE”, IHVH, our FATHER, but also with the murder of the first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”. That is why the one amongst them who had self-proclaimed to have outgrown in intelligence and wisdom, “THE DIVINE”, IHVH, our

While eight creatures (seven “‘SPIRIT←SPIRIT’ Body” pure and holy, and a “‘SPIRIT←LIGHT’ Body” pure and holy) are required to form the “specific spiritual formation” of “THE CHURCH” from the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, in the “specific spiritual formation” of “THE CHURCH” formed from the “‘LIGHT←LIGHT’ Body” in the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model, one will be in the presence of nine creatures: seven “‘SPIRIT←SPIRIT’ Body” pure and holy, a “‘SPIRIT←SPIRIT’ Body” pure and holy of the “PRINCIPAL” instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, and a “‘LIGHT←LIGHT’ Body” pure and holy.

The strength of the “Specific Energy ‘LIGHT’ Essence Substance” which is present in the “‘LIGHT←LIGHT’ Body” in the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model, is such that when this “specific spiritual formation” of “THE CHURCH” from the “‘LIGHT←LIGHT’ Body” in the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” is manifested into existence outside of the “Specific Energy ‘CELESTIAL’ Domain”, then, each “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” which is present through its “‘SPIRIT←SPIRIT’ Body” in the proximity of “THE SPIRITUAL FORMATION OF THE CHURCH” thus formed, will receive through “The Specific Process of Attachment to ‘THE DIVINE’” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has established for that purpose and which is activated when “THE PRAISE” is celebrated, seven times its daily amount of “fruits” of “THE TREE OF LIFE” so that he can perform the weekly tasks that he will be assigned to.

Because of the presence of far much more elements of “THE ‘LIGHT’ REASON” in the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model than in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, it is so that the scope covered by this “specific spiritual formation” of “THE CHURCH” from the “‘LIGHT←LIGHT’

FATHER, had said openly and aloud, what all the others “ADONA’IM” hid in them and have been quietly thinking, saying:

“...

Shall I tell you what I know? These “humans” that He proposes to create — we are to be their servants!

I have learned the Elohim’s purpose for these angels of water and dirt. It is they, and not we, He proposes to make the heirs of all that is.

I for one will never bow to serve a physical being!

...”

Body” in the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model will be much more larger than that associated with the “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creature” model.

It is so that, “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed and established to manifest the “Causal Precedence Relation of ‘THE PRAISE’” outside of the “Specific Energy ‘CELESTIAL’ Domain” in the attribute “NON DIVINE”.

As it is with the “specific spiritual formation” of “THE CHURCH” through “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — within the “Specific Energy ‘CELESTIAL’ Domain”, it is likewise with this expression of the “specific spiritual formation” of “THE CHURCH” manifested from the “‘LIGHT←LIGHT’ Body” in the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model and its added “Protective ‘SPIRITUAL’ Dome”. It is also thus that other ordinances to be applied and implemented outside of the “Specific Energy ‘CELESTIAL’ Substance” and throughout the attribute “NON DIVINE”, will ensue from this expression of the “specific spiritual formation” of “THE CHURCH” manifested from the “‘LIGHT←LIGHT’ Body” in the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model and its added “Protective ‘SPIRITUAL’ Dome”.

In this expression of the “specific spiritual formation” of “THE CHURCH” manifested from the “‘LIGHT←LIGHT’ Body” in the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model and its added “Protective ‘SPIRITUAL’ Dome”, once the “‘LIGHT←LIGHT’ Body” pure and holy of the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model has established the instructions that should be executed, or has received instructions of “THE DIVINE”, IHVH, our FATHER, then, he will convey and explain the received instructions to the “‘SPIRIT←SPIRIT’ Body” pure and holy of the “PRINCIPAL” instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model.

This “‘SPIRIT←SPIRIT’ Body” pure and holy of the “PRINCIPAL” instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model will in turn convey and explain the received instructions to the seven others “‘SPIRIT←SPIRIT’ Body” pure and holy of each of the seven instances of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model — the “QUERUB” instance, the “MALAK” instance, the “OPHAN” instance, the “IKARI” instance, the “KO’ACH” instance, the “SERAPH” instance, and the “HASHMALL” instance — who will be present outside and surrounding the added “Protective ‘SPIRITUAL’ Dome” of the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature”.

It is then, that these seven will in their turn subdivide, transmit and explain the instructions they received, to the others “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”. It is so that, these instructions will be executed and implemented in any designated location where will be present the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” and throughout the attribute “NON DIVINE”.

In the “specific spiritual formation” of “THE CHURCH” manifested from the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, the “‘SPIRIT←LIGHT’ Body” pure and holy of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model does not established the instructions which must be implemented, but he receives them from “THE DIVINE”, IHVH, our FATHER. Whereas in the “specific spiritual formation” of “THE CHURCH” manifested from the “‘LIGHT←LIGHT’ Body” in the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model, the “‘LIGHT←LIGHT’ Body” pure and holy of the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model can himself establish the instructions that must be executed, and he also receives instructions from “THE DIVINE”, IHVH, our FATHER.

As “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed and established it through this manifestation of the “Causal Precedence Relation of ‘THE PRAISE’” outside of the “Specific Energy ‘CELESTIAL’ Domain” in the attribute “NON DIVINE”, the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” and the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” would thus complement each others, in the “specific spiritual formation” of “THE CHURCH” manifested from the “‘LIGHT←LIGHT’ Body” in the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model and its added “Protective ‘SPIRITUAL’ Dome”, and were to remain as such together in “HARMONY” with “THE DIVINE”, IHVH, our FATHER.

It is so that, the “POTENCY”, which is the degree of possession of elements of “THE ‘LIGHT’ REASON”, and which, inside the attribute “NON DIVINE”, is a manifestation of a metaphor of the “Generative Power of ‘THE DIVINE’”, and which is attributed to the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature”, was to complete the “AUTHORITY” which is defined by the ability to carry out several tasks simultaneously throughout well defined places in the attribute “NON DIVINE” and, which is attributed to the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, which itself, inside the attribute “NON DIVINE”, is a manifestation of a metaphor of the “Formative Essence of ‘THE DIVINE’”. And vice versa.

It is so that, through the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature”, “THE DIVINE ARCHITECT AND PROJECT MASTER” had designed and lined up, to add the proximity of “THE TREE OF LIFE” to the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’

Creature” to allow it to remain into existence (that is, to subsist) in the “‘SPIRIT’ Specific State”, to receive directly the ordinances of the “specific spiritual formation” of “THE CHURCH”, and executing the future tasks that “THE DIVINE ARCHITECT AND PROJECT MASTER” had planned and which were to be conducted on long periods of time outside of the “Specific Energy ‘CELESTIAL’ Domain”.

It is so that, the implementation of the future tasks in “THE HOLY PROJECT” would also become more efficient in any chosen place within the “MURKY VOID” in the attribute “NON DIVINE”, and in the execution of these tasks the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” as well as the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” were to grow in “THE KNOWLEDGE OF THE DIVINE”.

As we have already indicated, the task of developing the character of “THE KNOWLEDGE OF THE DIVINE” in “THE SEAT OF THE INTELLECT” within the “Specific Energy ‘LIGHT’ Substance” of the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model was to be a deliberate effort that will be performed by the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” as future educators and shepherds of the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” to nurture their attributes and make them as a standard of behavior of the manifestation of “THE ‘SPIRIT’ REASON”.

During this upbringing, the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” was called upon to develop the knowledge of the attributes of elements of “THE ‘LIGHT’ REASON” which are the basis of “THE KNOWLEDGE OF THE DIVINE” manifested in the “‘LIGHT’ Specific State” and which is not available to the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”.

This is also another aspect of “THE DIVINE DOMAIN”: there is not one and one only place unique in “THE DIVINE DOMAIN” and from which instructions are emitted; each delineated part of “THE DIVINE” (wherever in “THE DIVINE DOMAIN”, as “DIVINE SUBSTANCE” unlimited and constituent of “THE DIVINE DOMAIN”) is conscious and living by itself, reflected into itself and is at the same time “THE DIVINE”. And it is thus that “THE DIVINE” chose to share this aspect of Himself with the attribute “NON DIVINE”.

As we have already explained it, when “THE DIVINE FORCE” had planned all this, it was for the purpose to rectify the deficiency of “THE KNOWLEDGE OF THE DIVINE” that had taken place in “THE SEAT OF THE INTELLECT” in the “‘SPIRIT←SPIRIT’ Body” of “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, and the sentence of annihilation of that “HUBRIS” of manifestations of metaphors of

In “THE SUPREME PLENITUDE”, “THE DIVINE FORCE” knew not that SHE would be betrayed by these very “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” that SHE had educated. SHE knew not that these same “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” that SHE had educated in “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”, had already planned their “nefarious and despicable shadow scheming” whereby they would subsequently cause prejudice and place their following under the yoke of absolute servitude.

“THE DIVINE ARCHITECT AND PROJECT MASTER” did not design the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, and the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” so that one “dominates” the other, so that one crushes the other, so that one be “above” the other.

To express “THE KNOWLEDGE OF THE DIVINE” on the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model in the attribute “NON DIVINE”, “THE DIVINE ARCHITECT AND PROJECT MASTER” has established specific conditions which

are proper to the “Specific Energy ‘LIGHT’ Substance” and others which are proper to the “Specific Energy ‘LIGHT’ Essence Substance” of the “‘LIGHT←LIGHT’ Body” in the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model.

Within these specific conditions, added to the “‘LIGHT←LIGHT’ Body” in the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model, HE has endowed “THE SEAT OF THE INTELLECT” within the “Specific Energy ‘LIGHT’ Substance” constituent of this “‘LIGHT←LIGHT’ Body” with the capacity, a proper ability, to be able to discern “THE KNOWLEDGE OF THE DIVINE” from elements of “THE ‘LIGHT’ REASON” that are available in the “Specific Energy ‘LIGHT’ Essence Substance” of this “‘LIGHT←LIGHT’ Body”.

“THE DIVINE FORCE” will make manifest this proper ability to discern, in seven different ways; each representing a manifestation of a unique metaphor of a “Divine Particle” constituent of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”.

It is so that, “THE DIVINE ARCHITECT AND PROJECT MASTER” will generate seven new instances of the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model. HE has also designed and established a metaphor to represent “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” on this “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model.

These seven instances of the “‘LIGHT←LIGHT’ Body” in the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model are the respective analogues of the seven instances of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, and they are also called: “LINEAGES”.

It is along these seven instances of the “‘LIGHT←LIGHT’ Body” in the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model that “‘LIGHT←LIGHT’ ‘EARTHLY’ Creatures” will also be classified.

- The first instance of the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model is the analogue of the “QUERUB” instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model. This first instance of the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model is also called: the “LINEAGE OF TEACHERS”; it is from this first instance that ensue all those who have been entrusted with “THE KNOWLEDGE OF THE DIVINE”, as well as all those possessing the “GIFT” of vision.
- The second instance of the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model is the analogue of the “MALAK” instance of the

- The third instance of the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model is the analogue of the “OPHAN” instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model.
- The fourth instance of the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model is the analogue of the “IKARI” instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model.
- The fifth instance of the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model is the analogue of the “KO’ACH” instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model.
- The sixth instance of the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model is the analogue of the “SERAPH” instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model.
- The seventh instance of the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model is the analogue of the “HASHMALL” instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model.

This instance is the manifestation of the main unit formed by the seven instances of the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model, without any division: it is the “PRINCIPAL” instance of the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model.

Just as all the equilibrium states obtained from each of the seven “Divine Particles” constituent of this “DIVINE SUPREME CONFIGURATION”, are contained in the equilibrium state obtained in “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” to form an optimal equilibrium, it will be the same with the “PRINCIPAL” instance of the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model with respect to all the seven instances.

This “‘LIGHT←LIGHT’ Body” in the “PRINCIPAL” instance of the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model, is in the attribute “NON DIVINE”, a concrete and living image of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”.

It will be the seventh expression into existence of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”; the first expression of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” being “THE DIVINE” Himself.

The second expression into existence of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” is “THE SHEKINAH”, “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’”.

The third expression into existence of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” is that of the “‘SPIRIT←SPIRIT’ Body” in the “PRINCIPAL” instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”.

The fourth expression into existence of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” is the combined group formed by the seven “‘SPIRIT←SPIRIT’ Body” pure and holy, which perform “THE GUARDIANSHIP OF THE SHEKINAH” in the “specific spiritual formation” of “THE CHURCH”.

The fifth expression into existence of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” is the “SPECIFIC SUPREME CONFIGURATION” of the seven “Specific Energy ‘EARTHLY’ Domains”, designed in the proportions of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” and which will be manifested in the “Plane Below”.

The sixth expression into existence of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” is the “‘SPIRIT←LIGHT’ Body” in the “PRINCIPAL” instance of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model. It was that of the first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” having the “MALE” adjective and who was called “ADAM” and whom the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” destroyed by jealousy and the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”. This is why the number six is also used to mean: “THE LOVE LOST”, or also “THE DESTROYED LOVE”. It is also the symbol associated only to all “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, descendants of the first two: “ADAM” and “THE FEMALE”. The “‘LIGHT←LIGHT’ ‘EARTHLY’ Creatures” are not

descendants, as such, of the first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”; we will clarify this, as we move forward in the following chapters.

At the appointed time, “THE DIVINE FORCE” will create into existence this “‘LIGHT←LIGHT’ Body” in the “PRINCIPAL” instance of the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model, as a manifestation in the attribute “NON DIVINE” of a metaphor of the “‘LIGHT←LIGHT’ INDISTINCT DIVINE FORM”, from the “Specific Energy ‘LIGHT’ Substance” constituent of “The ALTAR of ‘THE DIVINE’” inside of “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’”.

As we mentioned in a previous annotation, it is the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” associated to this “PRINCIPAL” instance of the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model who, through “THE REDEMPTION CLAUSE”, will redeem the rigged “DEATH CONTRACT” against the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” and put an end to the penalties associated with breaching of the terms of the “DEATH CONTRACT”.

Just as the first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” having the “MALE” adjective, who is the product of the “PRINCIPAL” instance of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, has been created into existence to rectify the deficiency of “THE KNOWLEDGE OF THE DIVINE” that has taken place in “THE SEAT OF THE INTELLECT” of the Archangel MICHAEL and who is the product of the “PRINCIPAL” instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, and from whom all “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” that were produced into existence have inherited their deficiency of “THE KNOWLEDGE OF THE DIVINE”, likewise, it is the “PRINCIPAL” instance of the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model who can rectify the deficiency of “THE KNOWLEDGE OF THE DIVINE” that has taken place in “THE SEAT OF THE INTELLECT” of the “PRINCIPAL” instance of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, and from whom the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” descendants of the first two, have also inherited their deficiency of “THE KNOWLEDGE OF THE DIVINE”.

By redeeming thus this rigged “DEATH CONTRACT” against the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, this “PRINCIPAL” instance of the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model will undergo the terms of acquisition of “THE REDEMPTION CLAUSE”, that is: HE will suffer the “Subjective Death”, which is the premature “DEATH” of the “Subjective ‘EARTHLY’ Garment” as the Archangel MICHAEL has established it in the terms of their rigged “DEATH CONTRACT”.

As we have already indicated in a text above, “THE DIVINE FORCE” has built the structure of the “Specific Energy ‘LIGHT’ Substance” of “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — from “Specific Atomic ‘SPIRIT’ Substances” obtained from “Specific Elementary ‘SPIRIT’ Particles” to which SHE has endowed with manifestations of metaphors of the six “Formative Divine Particles” in “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, all in a manner of being of the “‘LIGHT’ Specific State”.

It is so that, the structure of this “Specific Energy ‘LIGHT’ Substance” which will be formed and produced into existence in the “Specific Energy ‘LIGHT’ Substance” constituent of “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — will inherit these same properties: it will have all the particulars of a stable “Specific Septenary Equilibrium Zone” with respect to “The ALTAR of ‘THE DIVINE’”, which it will cover.

This “‘LIGHT←LIGHT’ Body” in the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model, and its constituents that are the “Specific Energy ‘LIGHT’ Substance” and “The ALTAR of ‘THE DIVINE’” in this “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model, will form as such, in the attribute “NON DIVINE”, a unique manifestation of a metaphor of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” in the “‘LIGHT’ Specific State”: it will be the seventh expression into existence of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”.

In this “‘LIGHT←LIGHT’ Body” in the “PRINCIPAL” instance of the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model, the “primary transformation”, the “secondary transformation”, the “tertiary transformation”, the “quaternary transformation”, the “quinary transformation”, the “senary transformation”, and the “‘end of cycle’ transformation” will also take place in the “Specific Energy ‘LIGHT’ Substance” inside the “Specific ‘SPIRITUAL←LIGHT’ Frontier” of this “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model.

Therefore, the “Specific Atomic ‘SPIRIT’ Substances” constituents of the “Specific Energy ‘LIGHT’ Substance” will automatically regenerate during the course of the “‘end of cycle’ transformation” and following the “specific processes” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has established.

These seven “transformation steps” of products of the “specific work” accomplished by “The ALTAR of ‘THE DIVINE’” in this “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model, by the products of the “specific work” accomplished by the “Specific Atomic ‘LIGHT’ Substances” constituents of the “Specific Energy

‘LIGHT’ Substance”, are metaphors coming from the same and unique model of the “transformation step” of products of the “divine work” accomplished by the “Generative Divine Particle” by the reagents of the “transformation step”, that is by the products characteristic of the “transformation step” considered and which will be consumed during the “transformation step”, in “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”.

The metaphor of this same and unique model of the “transformation step” formed by the twenty-four “transformation sub-steps” which have already been described.

It is so that, through “The ALTAR of ‘THE DIVINE’”, in this “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model, through the “Specific Energy ‘LIGHT’ Substance” and inside the “Specific ‘SPIRITUAL←LIGHT’ Frontier” of this “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model, and with respect to the “CARDINAL POINT OF THE CREATION”, “THE DIVINE FORCE” will manifest into existence in the attribute “NON DIVINE” and inside “The ALTAR of ‘THE DIVINE’” which is inside “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” —, the seventh metaphor of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”.

“The ALTAR of ‘THE DIVINE’” inside the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model cannot be mixed with something else which is not in the manner of being in the “‘LIGHT’ Specific State” used for the construction of the “Specific Energy ‘LIGHT’ Essence Substance” which is inside “The ALTAR of ‘THE DIVINE’” considered, without impairing the “HARMONY” with “THE DIVINE”, IHVH, our FATHER.

The same is true with this “Specific Energy ‘LIGHT’ Substance” which covers “The ALTAR of ‘THE DIVINE’” inside the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model.

This “Specific Energy ‘LIGHT’ Substance” cannot be mixed with something else which is not in the manner of being in the “‘LIGHT’ Specific State” used for its construction, without impairing the “HARMONY” with “THE DIVINE”, IHVH, our FATHER.

“THE DIVINE ARCHITECT AND PROJECT MASTER” has endowed the “‘LIGHT←LIGHT’ Body” in the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model with both properties which are those of the “Specific Energy ‘LIGHT’ Substance” which covers “The ALTAR of ‘THE DIVINE’” which is inside “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” and

also with properties which are those of “The ALTAR of ‘THE DIVINE’” which is inside “THE SHEKINAH”.

This is also why it is said of the any “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” that it ensues from a great power and a great wealth.

This “‘LIGHT←LIGHT’ Body” in the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model and that “THE DIVINE FORCE” will always create into existence inside “THE SHEKINAH” – “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” – and for each product of the mould designated as the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model, each product in itself, will also be called an essence (or a seed) of only “The ALTAR of ‘THE DIVINE’” which is inside “THE SHEKINAH”. As such, each “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” that will be produced into existence, will be directly descendant of “The ALTAR of ‘THE DIVINE’” which is inside “THE SHEKINAH”.

Whereas for the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, it is only the “‘SPIRIT←LIGHT’ Body” in the “PRINCIPAL” instance of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model that is an essence (or a seed) of “THE SHEKINAH”, and all the remaining “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” are descendants of their “PRINCIPAL” instance, in the sense that the “‘SPIRIT←LIGHT’ Body” of each of the descendants is not directly an essence (or a seed) of “THE SHEKINAH”, but is an essence (or a seed) of the “‘SPIRIT←LIGHT’ Body” in their “PRINCIPAL” instance; for, the “‘SPIRIT←LIGHT’ Body” of each of the descendants is the result of recursive transformations applied to this “‘SPIRIT←LIGHT’ Body” in their “PRINCIPAL” instance and from which the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” come into the existence outside of “THE SHEKINAH”.

Whereas for the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, it is only the “‘SPIRIT←SPIRIT’ Body” in the “PRINCIPAL” instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model that is an essence (or a seed) of only the “Specific Energy ‘SPIRIT’ Substance” which is inside “THE SHEKINAH”, and all the remaining “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” are descendants of their “PRINCIPAL” instance, in the sense that the “‘SPIRIT←SPIRIT’ Body” of each of the descendants (that is, every “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, except the Archangel MICHAEL) is not directly an essence (or a seed) of “THE SHEKINAH”, but is an essence (or a seed) of the “‘SPIRIT←SPIRIT’ Body” in their “PRINCIPAL” instance (the Archangel MICHAEL); for, the “‘SPIRIT←SPIRIT’ Body” of each of the

descendants is the result of the process by which they were “spoken” into existence outside “THE SHEKINAH”.

It is so that, each “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” that will be produced into existence, will be directly descendant of “The ALTAR of ‘THE DIVINE’” which is inside “THE SHEKINAH”, and is not and will never be descendant of any “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, although they will wear the same “Subjective ‘EARTHLY’ Garment”.

All these notions of descentance, essence (or a seed), are manifestations of metaphors of parts of “THE KNOWLEDGE OF THE DIVINE” — the eternal knowledge concerning “THE DIVINE”, IHVH, our FATHER — associated with, and describing the interactions peculiar to, those “INDISTINCT DIVINE FORMS” designated as “EONS” and that are double geometric structures, in “THE DIVINE BODY”, which, once “THE DIVINE”, IHVH, our FATHER had consolidated “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” in HIMSELF and in all “THE DIVINE BODY”, were revealed one after the other because they are nested together in a very complex way, and that “THE DIVINE”, IHVH, our FATHER has chosen to share with the attribute “NON DIVINE”.¹⁰⁸³

For the production into existence of a “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature”, following the appropriate point of convergence in “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” that “THE DIVINE” has consolidated in Himself, it is from “THE WORD OF THE DIVINE” emitted, and remaining in “THE SILENCE”, from “THE DIVINE DOMAIN” outside of the attribute “NON DIVINE”, until its reception by “THE DIVINE FORCE”, without manifesting into existence in the attribute “NON DIVINE” the sequence of

¹⁰⁸³ These were parts of the teaching that “THE DIVINE FORCE” was awakening in the first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” after that they had fallen into ignorance as a result of consumption of obscurity that “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” were feeding them with, in the early days after the creation of this earthly world in which you are living.

These are parts of the eternal knowledge concerning “THE DIVINE”, IHVH, our FATHER, the knowledge for which the Archangel MICHAEL made commandment to these firsts two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” not feed themselves with, and for which he subsequently destroyed these first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” and all their descendants, in order to maintain the CREATION in the ignorance in which all the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have inherited from him and have incarcerated themselves in.

“SOUNDS” that are associated with “THE WORD OF THE DIVINE”, that “THE DIVINE FORCE” will manifest into existence in the attribute “NON DIVINE” outside of “THE DIVINE DOMAIN”, the firsts three of the six concepts that “THE DIVINE ARCHITECT AND PROJECT MASTER” had designed to be applied to His creatures in this attribute “NON DIVINE”, and which we have already described for the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model.

Let us recall once again these first three of the six concepts and their details in the context of the “‘LIGHT←LIGHT’ Body” in the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model, because on the contrary of the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, which will be able to reproduce indefinitely within the temporal limits that “THE DIVINE ARCHITECT AND PROJECT MASTER” has established, the “‘LIGHT←LIGHT’ Body” in the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model is not going to reproduce as “‘LIGHT←LIGHT’ Body”, but its reproductions will be “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model.

When it is produced into existence by “THE DIVINE FORCE”, the “‘LIGHT←LIGHT’ Body” in the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model is unique, because it will be produced to act as “LIGHT”, both to “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and to “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, and for a specific purpose, just as every “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” was “spoken” into existence for a specific purpose.

The first concept, that “THE DIVINE ARCHITECT AND PROJECT MASTER” will establish and manifest, through the creation of this “‘LIGHT←LIGHT’ Body” in the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model, is still an expression of the “Generative Power of ‘THE DIVINE’”.

This first concept still brings to light the distinctive characteristic of “THE DIVINE ARCHITECT AND PROJECT MASTER” and expresses “HE WHO BEFOREHAND CREATES ENERGY DESIGNS” and possesses the capacity to design, to elaborate something, to arrange the various elements of what he has designed in order to form it into existence in the attribute “NON DIVINE”.

To “HE WHO BEFOREHAND CREATES ENERGY DESIGNS” through this first concept, “THE DIVINE” has assigned the adjective of the “Generative Divine Particle” and the pronunciation of which in the human language means “CREATOR”, which with the passage of time will also be designated by the word whose pronunciation in the human language means “MALE”. It is so that, to the substantive, for all His creatures, “THE DIVINE” is qualified as being “MALE”.

“THE DIVINE ARCHITECT AND PROJECT MASTER” **WILL NOT ENDOW** the “‘LIGHT←LIGHT’ Body” in the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” with the capacity to “CREATE ENERGY DESIGNS”. Only “THE DIVINE”, IHVH, our FATHER, through “THE DIVINE ARCHITECT AND PROJECT MASTER” is the “CREATOR” of “ENERGY DESIGNS” in the attribute “NON DIVINE”.

The second concept, that “THE DIVINE ARCHITECT AND PROJECT MASTER” will establish and manifest, through the creation of this “‘LIGHT←LIGHT’ Body” in the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model, still brings to light the distinctive characteristic of “THE WORD OF THE DIVINE” which is this signal emitted by “THE DIVINE” from “THE DIVINE DOMAIN” outside of the attribute “NON DIVINE” and carrying all the information needed to “GIVE BODY TO BEFOREHAND CREATED ENERGY DESIGNS”. Without this signal, nothing can be created into existence.

“THE WORD OF THE DIVINE” acts as a catalyst that causes instantly upon receipt by “THE DIVINE FORCE”, the start of work of “THE DIVINE FORCE” who will “GIVE BODY TO BEFOREHAND CREATED ENERGY DESIGNS” that are defined by the content of “THE WORD OF THE DIVINE”. It will be a manifestation of the special, unique and fantastic “specific event” that is called “THE BIRTH” which we have already mentioned in an above text concerning the particulars of the “Specific Elementary ‘SPIRIT’ Particle”. It is said that “THE WORD OF THE DIVINE” has “taken body”.

Such a “WORD OF THE DIVINE” emitted by “THE DIVINE” from “THE DIVINE DOMAIN” outside of the attribute “NON DIVINE”, is a “SPECIFIC SIGNALS CATALYST OF THE BIRTH”.

As we have already indicated, “THE WORD OF THE DIVINE” resides in “THE DIVINE ARCHITECT AND PROJECT MASTER” and it will carry these “Divine Signals” containing instructions concerning these metaphors of the “DIVINE PRIMARY WEALTH” that HE has chosen to share with the attribute “NON DIVINE”, to be applied in the attribute “NON DIVINE”.

To “HE WHO EMITS ‘SPECIFIC SIGNALS CATALYST OF THE BIRTH’” through this second concept, “THE DIVINE” has also assigned the adjective of “THE DIVINE ARCHITECT AND PROJECT MASTER” and the pronunciation of which in the human language means “GENITOR”, which with the passage of time will also be designated by the word whose pronunciation in the human language means “MALE”.

“THE DIVINE ARCHITECT AND PROJECT MASTER” **WILL ENDOW** the “‘LIGHT←LIGHT’ Body” in the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model with the “specific processes” that will allow it to emit, in “THE SILENCE” and without using “THE WORD”, “SPECIFIC SIGNALS CATALYST OF THE BIRTH” of an instance of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model.

The “‘LIGHT←LIGHT’ Body” in the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model that will be endowed with such “specific processes” will also have the “MALE” adjective.

Such an instance of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, resulting from that emission of “SPECIFIC SIGNALS CATALYST OF THE BIRTH” by the “‘LIGHT←LIGHT’ Body” in the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model, is part of the seven instances that “THE DIVINE ARCHITECT AND PROJECT MASTER” has already “BEFOREHAND CREATED” and it is so that the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” cannot and will not be called: “CREATOR”.

“THE DIVINE ARCHITECT AND PROJECT MASTER” will also predefine this “SPECIFIC SIGNAL CATALYST OF THE BIRTH” in this “‘LIGHT←LIGHT’ Body” in the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model.

This is not the case with the “‘SPIRIT←SPIRIT’ Body” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model.

The third concept, that “THE DIVINE ARCHITECT AND PROJECT MASTER” will establish and manifest, through the creation of this “‘LIGHT←LIGHT’ Body” in the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model, will concern the communication medium receiver of “THE WORD OF THE DIVINE” which is this signal emitted by “THE DIVINE” from “THE DIVINE DOMAIN” outside of the attribute “NON DIVINE”.

“The ALTAR of ‘THE DIVINE’” which is alive inside “THE SHEKINAH” is such a communication medium through which “THE WORD OF THE DIVINE” is expressed instantly and in synchronization into existence in “The ALTAR of ‘THE DIVINE’” which is inside “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — through mechanisms that “THE DIVINE ARCHITECT AND PROJECT MASTER” has established.

To such communication medium through which “SPECIFIC SIGNALS CATALYST OF THE BIRTH” are transmitted, “THE DIVINE” has also assigned the adjective of “THE DIVINE ARCHITECT AND PROJECT MASTER” and the pronunciation of which in the human language will also mean: “MALE”.

“THE DIVINE ARCHITECT AND PROJECT MASTER” will endow the “‘LIGHT←LIGHT’ Body” in the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model with the capacity to serve as a medium of communication of particular products that are based on “THE ‘SPIRIT→LIGHT’ REASON” and which will be associated with “SPECIFIC SIGNALS CATALYST OF THE BIRTH” of instances, not of the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model, but of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model.

The “‘LIGHT←LIGHT’ Body” in the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model that will be endowed with such capacity to serve as communication medium will also have the “MALE” adjective.

It is so that, every “‘LIGHT←LIGHT’ Body” in the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model will be always have the “MALE” adjective and never the “FEMALE” adjective; It is for this that the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creatures” manifested into existence in the attribute “NON DIVINE”, will be called: “SONS OF LIGHT”. “THE DIVINE” is their FATHER and “THE DIVINE FORCE” is their MOTHER.

“THE DIVINE ARCHITECT AND PROJECT MASTER” has also endowed the “‘LIGHT←LIGHT’ Body” in the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” with a metaphor of “THE WORD OF THE DIVINE” and through which “THE DIVINE FORCE” will also accomplish the instructions carried by the manifestation of such metaphor of “THE WORD OF THE DIVINE”, when the “‘LIGHT←LIGHT’ Body” that emitted it is in a high enough state of “HARMONY” with “THE DIVINE”, IHVH, our FATHER. This is not the case with the “‘SPIRIT←SPIRIT’ Body” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”.

Indeed, as we have explained already, “THE WORD OF THE DIVINE” resides in “THE DIVINE ARCHITECT AND PROJECT MASTER” and in “THE DIVINE FORCE”, who is responsible to manifest into existence in the attribute “NON DIVINE”, the product that is associated with “THE WORD OF THE DIVINE”. It also resides also in the “LIGHT” that characterizes the Energy that emanates from “THE BODY OF ‘HE WHO IS’” and makes it “ALIVE”.

It is so that, “The ALTAR of ‘THE DIVINE’” which is inside this “‘LIGHT←LIGHT’ Body” in the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” has also been endowed with constituents which allow manifestations of “THE WORD OF THE DIVINE” to be formed and emitted into existence in the attribute “NON DIVINE”. Here also, it is from “THE DIVINE FORCE”, that such manifestation of “THE WORD OF THE DIVINE” will proceed forward into existence, only when

the “‘LIGHT←LIGHT’ Body” is in a high enough state of “HARMONY” with “THE DIVINE”, IHVH, our FATHER.

For this “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model, “THE DIVINE ARCHITECT AND PROJECT MASTER” has endowed the “Specific ‘SPIRITUAL←LIGHT’ Frontier” with “specific nerves” — which are actually structures that “THE DIVINE FORCE” will build from “Specific Atomic ‘SPIRIT’ Substances”, and which are receivers and transmitters of signals — which are in contact with the “Specific Energy ‘EARTHLY’ Envelope” and allow to facilitate the exchange of communication (reception and transmission of instructions, specific signals) both between the “Specific Energy ‘LIGHT’ Substance” and the “Specific Energy ‘EARTHLY’ Envelope” and between the “Specific Energy ‘LIGHT’ Substance” and the “Specific ‘SPIRITUAL’ Environment” external and immediate around the “Specific Energy ‘LIGHT’ Substance”.

It is so that, “THE DIVINE ARCHITECT AND PROJECT MASTER” has made the “‘LIGHT←LIGHT’ Body” in the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” alive by the addition of all these “specific processes”, capacities and capabilities, and elements of “THE ‘LIGHT’ REASON”, in order to make “DISTINCT” in the attribute “NON DIVINE”, intellect, reflection and thought, each of the manifestations of metaphors of the “‘LIGHT←LIGHT’ INDISTINCT DIVINE FORM”.

The “‘LIGHT←LIGHT’ Body” in the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” has as such, the three characteristic parts of “THE DIVINE”, IHVH, our FATHER:

- A part which is reflection, thought, consciousness, understanding, discernment, with unlimited perceptions, which is contemplating itself, and allows to understand, to think, to analyze and “MAKE DECISIONS”. This part is “THE INTELLECT OF THE ‘LIGHT←LIGHT’ ‘EARTHLY’ CREATURE”. This part is constituted by all the elements and constituents of the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature”, including “THE SEAT OF THE INTELLECT”, which contribute to “THE INTELLECT” in the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature”.

Everything that the “‘LIGHT←LIGHT’ Body” in the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” will accomplish is first of all established by “THE INTELLECT OF THE ‘LIGHT←LIGHT’ ‘EARTHLY’ CREATURE”.

- This part is the “Inner Spiritual Motive Force” — “THE MOTIVE FORCE OF THE ‘LIGHT←LIGHT’ ‘EARTHLY’ CREATURE”.

- It is so that, in the attribute “NON DIVINE”, “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed a concrete and living image to express the “‘LIGHT←LIGHT’ INDISTINCT DIVINE FORM” that exists already within “THE DIVINE DOMAIN”.

To be in the image of “THE DIVINE”, to the “‘LIGHT’ Divine State”, has nothing to do with the external “Specific Energy ‘EARTHLY’ Envelope” which will cover the “‘LIGHT←LIGHT’ Body” in the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature”.

CHAPTER 18o
THE “‘LIGHT←LIGHT’ BODY” OF THE “‘LIGHT←LIGHT’ ‘EARTHLY’ CREATURE” MODEL

resides outside of the attribute “NON DIVINE”. This is the concept of “EXTENSION” of “THE DIVINE”, IHVH, our FATHER, to the attribute “NON DIVINE”, through the manifestation by metaphor of the “‘LIGHT←LIGHT’ INDISTINCT DIVINE FORM”. It is through and inside “THE SEAT OF WISDOM”, that “THE DIVINE FORCE” will provide the temperature and the enlightenment intensity, that is, the illumination — “THE LIGHT” which allows to discern that, which conforms to the specifications that “THE DIVINE ARCHITECT AND PROJECT MASTER” has defined —, and will be “THE SIGHT” for “THE SEAT OF THE INTELLECT”. Without “THE SEAT OF WISDOM”, this concrete and living image, which expresses the “‘LIGHT←LIGHT’ INDISTINCT DIVINE FORM” that exists already within “THE DIVINE DOMAIN”, will not know anything at all coming from “THE DIVINE”, IHVH, our FATHER, and it will not have any “SIGHT”; it will be in that, which will be designated as “obscurity”. It is so that, with the added “SEAT OF WISDOM”, this concrete and living image, which expresses the “‘LIGHT←LIGHT’ INDISTINCT DIVINE FORM”, which exists already within “THE DIVINE DOMAIN”, is intended to live not only for itself, but also for “THE DIVINE”, IHVH, our FATHER through “THE SEAT OF WISDOM”. All what we have just described in this short paragraph is an application of the concept of “EXTENSION” of “THE DIVINE”, IHVH, our FATHER, to the attribute “NON DIVINE”, through the manifestation by metaphor of the “‘LIGHT←LIGHT’ INDISTINCT DIVINE FORM”. Such “EXTENSION” will hold as long as “THE SEAT OF WISDOM” is in “PURITY”; for, “THE DIVINE”, IHVH, our FATHER is “ABSOLUTE PURITY”.

Such image is the result of analogical substitution, defined and applied by “THE DIVINE FORCE”, onto a unique “DIVINE PRIMARY WEALTH” — which already exist within “THE DIVINE DOMAIN” and which cannot be expressed in its form of origin which is within “THE DIVINE DOMAIN”, since the attribute “NON DIVINE” does not provide the divine conditions that are specific to express such forms of origin — following two unique angles defined by the attribute “LIGHT” and the attribute “PURITY” contained in the “LIGHT”, and projected inside the attribute “NON DIVINE”.

For this “‘LIGHT←LIGHT’ Body” in the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model, recall, from the “strict inclusion” of “sets” we mentioned at the onset, that all the unique particulars that are elements of the attribute “PURITY”, have epithet functions in the attribute “LIGHT”; and all the elements of the attribute “LIGHT”, each element in itself, carry in them the unique particulars that belong to the attribute “PURITY”, but no element of the attribute “PURITY” carries in it a determinant of the attribute “LIGHT”.

In this “‘LIGHT←LIGHT’ Body” in the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model, there is no transition between the attribute “SPIRIT” (or “PURITY”) and the attribute “LIGHT”, as is the case with the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model.

Such image is also a two-dimensional “projection”, into the attribute “NON DIVINE”, of a “DIVINE PRIMARY WEALTH” with respect to its two attributes “PURITY” and “LIGHT”; the filter through which this “projection” is made possible, is “THE DIVINE FORCE”.

It is so that, “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed and established the “‘LIGHT←LIGHT’ Body” in the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature”, it this way, in order to be able to share “THE KNOWLEDGE OF THE DIVINE” with the first “Specific Energy ‘EARTHLY’ Habitation Domain”, through this “‘LIGHT←LIGHT’ Body”, and to lead the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” and the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creatures” to know and understand “THE DIVINE” in the “‘SPIRIT’ Divine State”, in the “‘SPIRIT→LIGHT’ Divine State”, and in the “‘LIGHT’ Divine State”.

CHAPTER 181

FUNCTIONING OF THE “‘LIGHT←LIGHT’ ‘EARTHLY’ CREATURE” MODEL

The functioning of the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model is reminiscent of the functioning of the “Specific Energy ‘SPIRIT←LIGHT’ Bridge” model in the “Specific ‘SPIRITUAL’ Environment” and that we have already described above.

Through “The Specific Process of Attachment to ‘THE DIVINE’” and the execution of the “Causal Precedence Relation of ‘THE PRAISE’”, between “The ALTAR of ‘THE DIVINE’” in this “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model and any expression in the attribute “NON DIVINE” of a metaphor of “THE ‘LIGHT←GOD’ EON”, using the “‘LIGHT→GOD’ CORD OF PRAISE”, thereupon, the reception of “‘LIGHT’ specific supply of subsistence” by the “Specific Energy ‘LIGHT’ Essence Substance” in this “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model, and afterwards the transmission of “‘SPIRIT’ specific supply of subsistence” emitted by the “Specific Energy ‘LIGHT’ Essence Substance” in this “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model, towards all the others components of this “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model, this functioning of the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model is reminiscent of three successive and non-reversible energy osmoses:

1. “The ALTAR of ‘THE DIVINE’” inside of this “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model will emit “THE PRAISE” — “specific signals” requesting the sending of external supply of subsistence in order to remain into existence in the “‘LIGHT’ Specific State” — using the “‘LIGHT→GOD’ CORD OF PRAISE”.

This external supply of subsistence will be provided, in the form of “‘LIGHT’ specific supply of subsistence”, by any expression in the

attribute “NON DIVINE” of a metaphor of “THE ‘LIGHT←GOD’ EON”, or by “THE DIVINE FORCE”: it is the first non-reversible energy osmosis

“The ALTAR of ‘THE DIVINE’” inside of this “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model will accomplish its “specific work” from these “‘LIGHT’ specific supply of subsistence”.

2. The “Specific Energy ‘LIGHT’ Substance”, which covers the “Specific Energy ‘LIGHT’ Essence Substance” inside of this “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model, will emit “THE PRAISE” — “specific signals” requesting the sending of external supply of subsistence in order to remain into existence in the “‘LIGHT’ Specific State”.

This external supply of subsistence will be provided, in the form of diluted “‘LIGHT’ specific supply of subsistence”, by “The ALTAR of ‘THE DIVINE’” inside of this “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model: it is the second non-reversible energy osmosis.

The “Specific Energy ‘LIGHT’ Substance” will accomplish its “specific work” from these diluted “‘LIGHT’ specific supply of subsistence”.

3. The “Specific ‘EARTHLY’ Garment”, which covers the “Specific Energy ‘LIGHT’ Substance” which itself covers “The ALTAR of ‘THE DIVINE’” inside of this “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model, will emit “THE PRAISE” — “specific signals” requesting the sending of external supply of subsistence in order to remain into existence in the “‘EARTHLY’ Specific State”.

This external supply of subsistence will be provided, in the form of “‘EARTHLY’ specific supply of subsistence”, by the “Specific Energy ‘LIGHT’ Substance”: it is the third non-reversible energy osmosis.

The “Specific ‘EARTHLY’ Garment” will accomplish its “specific work” from these “‘EARTHLY’ specific supply of subsistence”. The products of this “specific work” will be transmitted through successive series of reception and transmission of “‘EARTHLY’ specific supply of subsistence” to the remaining of the “Specific Energy ‘EARTHLY’ Substance” all around the “Specific ‘EARTHLY’ Garment” of this “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model.

The crude “‘EARTHLY’ specific supply of subsistence” leaving the “Specific ‘EARTHLY’ Garment” of this “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model will also be propagated by the successive series of reception and transmission to others “Specific Atomic ‘EARTHLY’ Substances” constituents of the “Specific Energy ‘EARTHLY’ Domain” in which this “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model will be manifested into existence.

Therefore, the proper functioning of the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model depends upon the proper functioning of all its components and of their links of “HARMONY” with “THE DIVINE”, IHVH, our FATHER. As we have mentioned in one annotation at the onset of these writings, a state of “HARMONY” with “THE DIVINE”, IHVH, our FATHER, is a combination which is ownership of “THE DIVINE” and which presents an original and exclusive characteristic, forming a whole whose various and separate elements are linked in a relation of adequacy, a relation of convenience existing between the constitutive elements, which brings to the both satisfaction and pleasure. The three key drivers, which contribute to maintaining and increasing the state of “HARMONY”, beyond the fundamental state of “HARMONY”, with “THE DIVINE”, IHVH, our FATHER, are: “PURITY”, “THE PRAISE”, and “THE KNOWLEDGE OF THE DIVINE”. In the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model, to emit “THE PRAISE”, as you would have understood by now, is to send out “specific signals” requesting the sending of external supply of subsistence in order to remain into existence in the “‘LIGHT’ Specific State”. This is achieved through the “Causal Precedence Relation of ‘THE PRAISE’” and using “PRAYERS”, “MEDITATIONS”, and “SONGS”.

The “Causal Precedence Relation of ‘THE PRAISE’”, through the constituting components of this “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model and between “The ALTAR of ‘THE DIVINE’” in this “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model and any expression in the attribute “NON DIVINE” of a metaphor of “THE ‘LIGHT←GOD’ EON”, is catalyzed by the degree of presence of “THE SPECIFIC SPIRITUAL FORCE OF LIFE” in the “Specific ‘SPIRITUAL’ Environment” external and immediate around the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature”.

The three successive and non-reversible energy osmoses in this “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model are activated by “THE SPECIFIC SPIRITUAL FORCE OF LIFE”. “THE SPECIFIC SPIRITUAL FORCE OF LIFE” is the same and unique for all components of the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model.

Symbolically, it is said of this whole process of the reception of “‘LIGHT’ specific supply of subsistence” by “The ALTAR of ‘THE DIVINE’” inside of this “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model and the transmission of the “‘LIGHT’ specific supply of subsistence” emitted by “The ALTAR of ‘THE DIVINE’” inside of this inside of this “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model, that the “GLORY OF ‘THE LIGHT’”¹⁰⁸⁴ pours inside the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature”.

Through the “Causal Precedence Relation of ‘THE PRAISE’”, between “The ALTAR of ‘THE DIVINE’” in the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model and any expression in the attribute “NON DIVINE” of a metaphor of “THE ‘LIGHT←GOD’ EON”, or towards “THE DIVINE”, IHVH, our FATHER, this expression in the attribute “NON DIVINE” of a metaphor of “THE ‘LIGHT←GOD’ EON”, or “THE DIVINE FORCE”, will provide crude “‘LIGHT’ specific supply of subsistence” to “The ALTAR of ‘THE DIVINE’” inside the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model.

In this “Causal Precedence Relation of ‘THE PRAISE’”, it is “The ALTAR of ‘THE DIVINE’” inside the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model, which will emit “THE PRAISE” and it is an expression in the attribute “NON DIVINE” of a metaphor of “THE ‘LIGHT←GOD’ EON”, or it is “THE DIVINE” who will receive “THE PRAISE” and, through “THE DIVINE FORCE”, will provide in return the crude “‘LIGHT’ specific supply of subsistence” to “The ALTAR of ‘THE DIVINE’” inside the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model that emitted “THE PRAISE”.¹⁰⁸⁵

¹⁰⁸⁴ As we have already indicated, the “GLORY” is the word used symbolically to refer to the luminous radiation that characterizes the attribute “LIGHT” which describes the second attribute of “THE BODY OF ‘HE WHO IS’”, as well as any manifestation of a metaphor for the second attribute of “THE DIVINE BODY”, and highlights the distinctive feature of the “divine energy” that emanates from “THE BODY OF ‘HE WHO IS’” and makes it “ALIVE”.

Therefore, when one speaks about the “GLORY OF ‘THE LIGHT’”, it is by reference to the radiance of this “LIGHT”, as second attribute characteristic of “THE BODY OF ‘HE WHO IS’”, or of any manifestation of a metaphor of the “‘LIGHT’ Divine State”.

¹⁰⁸⁵ It is very important that you, human creatures, understand that “The ALTAR of ‘THE DIVINE’” inside the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model does not, and will never, emit “THE PRAISE” towards a “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, no matter of who that “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” is.

This is an expression in the attribute “NON DIVINE” of the “Causal Precedence Relation of ‘THE PRAISE’” which is defined within “THE DIVINE DOMAIN” by the concrete image, of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, expressed on the “Divine States”, between “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, all in a manner of being of the “LIGHT→’LIGHT’ Divine State”, and “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, all in a manner of being of the “‘LIGHT→GOD’ Divine State”.

It is so that, “THE DIVINE”, IHVH, our FATHER has chosen to share His great “DIVINE WEALTH” with the attribute “NON DIVINE”, through such manifestations of metaphors of His “DIVINE PRIMARY WEALTH”.

Once “The ALTAR of ‘THE DIVINE’” in the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model has received crude “‘LIGHT’ specific supply of subsistence”, it will produce the “specific work” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has predefined for it, in a well assured “state of equilibrium” and within the temporal limits that “THE DIVINE ARCHITECT AND PROJECT MASTER” has established.

It is the product of this “specific work” accomplished by “The ALTAR of ‘THE DIVINE’” in the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model which will be transmitted to the “Specific Energy ‘LIGHT’ Substance” constituent of “‘LIGHT←LIGHT’ Body” in the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model, in the form of diluted “‘LIGHT’ specific supply of subsistence”, and that this “Specific Energy ‘LIGHT’ Substance” of the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model in turn will use to accomplish its “specific work”.

It is so that, the crude “‘LIGHT’ specific supply of subsistence” emitted by any expression in the attribute “NON DIVINE” of a metaphor of “THE ‘LIGHT←GOD’ EON”, or emitted by “THE DIVINE FORCE”, will also participate to the wellness of the “‘LIGHT←LIGHT’ Body” in the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model. This is possible only through the “Causal Precedence Relation of ‘THE PRAISE’” which is catalyzed by the degree of presence of “THE SPECIFIC SPIRITUAL FORCE OF LIFE” in the “Specific ‘SPIRITUAL’ Environment” external and immediate around the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature”.

The “Specific ‘EARTHLY’ Garment”, which covers the “‘LIGHT←LIGHT’ Body” in the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model will never provide diluted “‘LIGHT’ specific supply of subsistence” to the “‘LIGHT←LIGHT’ Body” which it covers.

Therefore, to avoid that the “‘LIGHT←LIGHT’ Body” in the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model finds itself in a state of “CHAOS”, contrary to the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”, the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” will have to work so as to always have an overload of “‘LIGHT’ specific supply of subsistence” and sustain the “HOMOGENEITY”, the PURITY and HOLINESS of its “‘LIGHT←LIGHT’ Body”.

Therefore, the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” must also remain at all time in “THE PRAISE” with “THE DIVINE”, IHVH, our FATHER, or in “THE PRAISE” with any expression in the attribute “NON DIVINE” of a metaphor of “THE ‘LIGHT←GOD’ EON”.

To avoid that the “Specific ‘EARTHLY’ Garment”, which covers the “‘LIGHT←LIGHT’ Body” in the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model, finds itself in a state of “CHAOS”, contrary to the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”, the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” shall ensure the good functioning of the “Specific ‘EARTHLY←SPIRITUAL’ Frontier” which separates the “Subjective ‘EARTHLY’ Garment” from its “‘LIGHT←LIGHT’ Body”. This will also be done at the same time from two sides:¹⁰⁸⁶

1. On the side of the “‘LIGHT←LIGHT’ Body”; by sustaining this “‘LIGHT←LIGHT’ Body” overcharged with “‘LIGHT’ specific supply of subsistence”, and in the “HOMOGENEITY”, the “PURITY” and the “HOLINESS”.
2. On the side of the “Specific ‘EARTHLY’ Garment”; by consuming “‘EARTHLY’ Food” which allow to keep the “specific nerves” intact and which enable to increase the speed of reception and transmission of “specific signals” in the “Specific Atomic ‘EARTHLY’ Substances” and between the “Specific Atomic ‘EARTHLY’ Substances” constituents of all structures of the “Specific ‘EARTHLY’ Garment”.

¹⁰⁸⁶ It is for the purpose to lead human creatures to know and understand this, that they are asked to place in the construction of a “TABERNACLE”, the “fruits” tables and the table-case for messages and instructions that “THE DIVINE”, IHVH, our FATHER will send them.

Read more in the section concerning the details of annotations — Annotation on the task of restoring “THE TABERNACLE” of “THE DIVINE”.

Each “‘EARTHLY’ Food” has its usefulness, but the nutrients extracted from particular “‘EARTHLY’ Food” especially allow to keep intact the “specific nerves” and other extracted nutrients allow to increase the speed of reception and transmission of “specific signals” in the “Specific Atomic ‘EARTHLY’ Substances” and between the “Specific Atomic ‘EARTHLY’ Substances” constituents of all structures of the “Specific ‘EARTHLY’ Garment”. Among these “‘EARTHLY’ Food”, you will find “fruits” in all their forms.

It is so that, when the “‘LIGHT←LIGHT’ Body” in the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model is overcharged with “‘LIGHT’ specific supply of subsistence” and when the “Specific ‘EARTHLY’ Garment”, which covers the “‘LIGHT←LIGHT’ Body” in the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature”, is in a state of “HARMONY” with “THE DIVINE”, IHVH, our FATHER, then, the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature”, in its entirety, will emit a luminous radiation — the “EPHEMERAL GLOW ‘EARTHLY’” (also called “light”) — as internal output signal resulting from the combination of luminous radiation from its constituent components, and following processes that “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed. This luminous radiation will be of a color that belongs to the “Palette of HARMONY”.¹⁰⁸⁷

The large percentage of this “EPHEMERAL GLOW ‘EARTHLY’” originates from the “EPHEMERAL GLOW ‘LIGHT’” of the “‘LIGHT←LIGHT’ Body” in the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature”, but is not directly visible on the “Specific ‘EARTHLY’ Garment” as is the case on the “Specific ‘CELESTIAL’ Garment” of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” because of the “high density” “specific ‘EARTHLY’ coating” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has used for the “Specific Elementary ‘EARTHLY’ Particle”.

This “EPHEMERAL GLOW ‘EARTHLY’” is visible to “THE EYE OF THE DIVINE” and also to the “Specific ‘CELESTIAL’ Visual Structure” of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”.

¹⁰⁸⁷ It is because of the “high density” “specific ‘EARTHLY’ coating” of the “Specific Elementary ‘EARTHLY’ Particle” at the origin of the “Specific Atomic ‘EARTHLY’ Substances” constituents of the “Specific ‘EARTHLY’ Garment” that you do not see this radiation. But in the “Specific ‘SPIRITUAL’ Environment”, this glow, which is similar to “‘LIGHT’”, is very noticeable.

This “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model is bearer of a metaphor of the “‘GOD’ Divine State”, but this is not the case of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model which is rather bearer of a metaphor of the “‘SPIRIT→LIGHT’ Divine State”, and it is not also the case with the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model which is rather bearer of a metaphor of the “‘LIGHT’ Divine State”.

CHAPTER 182

FUNCTIONING OF THE “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ CREATURE” MODEL FROM THE “‘LIGHT←LIGHT’ ‘EARTHLY’ CREATURE” MODEL

“THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — is the first expression in the attribute “NON DIVINE” of a metaphor of “THE ‘LIGHT←LIGHT’ EON” at the limit of “proximity” of the most potent properties that “THE DIVINE ARCHITECT AND PROJECT MASTER” has fixed for the “‘SPIRIT→LIGHT’ Specific State” in the attribute “NON DIVINE”. It is the first manifestation in the attribute “NON DIVINE”, of the link of attachment of the “Specific Energy ‘CELESTIAL’ Domain” to “THE PLACE OF LIFE”: It is “THE TREE OF LIFE” manifested in the “Specific Energy ‘CELESTIAL’ Domain”.

It is from “THE SHEKINAH” that the first non-reversible energy osmosis in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model will be achieved, and during which the “‘LIGHT’ Attachment Point” of the “‘SPIRIT→LIGHT’ CORD OF PRAISE” of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” will be connected to “The ALTAR of ‘THE DIVINE’” inside of this First “Specific Energy ‘SPIRIT←LIGHT’ Bridge” which is “THE SHEKINAH”.

The “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model is the second expression in the attribute “NON DIVINE” of a metaphor of “THE ‘LIGHT←LIGHT’ EON”. Just as the Archangel MICHAEL, the manifested “PRINCIPAL” instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model was created with properties at the limit of “proximity” of the most potent properties that “THE DIVINE ARCHITECT AND PROJECT MASTER” has fixed for the “‘SPIRIT’ Specific State” in the attribute “NON DIVINE”, it is so that the manifested “PRINCIPAL” instance of the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model will be created with properties, not at the limit of “proximity”, but with properties which are fully those of the “First Begotten” of “THE DIVINE FORCE” — the Monogene

manifested by “THE DIVINE FORCE” —, which is inside “THE SHEKINAH” and with elements of “THE ‘LIGHT’ REASON”, and that is to say, with properties which are the most potent properties that “THE DIVINE ARCHITECT AND PROJECT MASTER” has fixed for the “‘LICHT’ Specific State” in the attribute “NON DIVINE”.

This “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model is the third expression in the attribute “NON DIVINE” of the link of attachment to “THE PLACE OF LIFE”: It is also so that the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” will also be a “TREE OF LIFE” manifested in the first “Specific Energy ‘EARTHLY’ Habitation Domain” in which this “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model will be manifested into existence.

The “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model is the second expression in the attribute “NON DIVINE” of a metaphor for “THE ‘LIGHT←LIGHT’ EON”. It is also the third expression in the attribute “NON DIVINE” of the link of attachment to “THE PLACE OF LIFE”: It is thus also that the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” will also be a “TREE OF LIFE” manifested in the “Specific Energy ‘EARTHLY’ Habitation Domain” in which this “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model will be manifested into existence.

It is so that, the first non-reversible energy osmosis in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model will also be performed from the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature”. When the conditions necessary to the implementation of this first non-reversible energy osmosis in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model are met, then, the “‘LIGHT’ Attachment Point” of the “‘SPIRIT→LIGHT’ CORD OF PRAISE” of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” will be connected to “The ALTAR of ‘THE DIVINE’” inside the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature”.

In the “specific spiritual formation” of “THE CHURCH” formed from the “‘LIGHT←LIGHT’ Body” in the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model, it is through the “Causal Precedence Relation of ‘THE PRAISE’”, between “The ALTAR of ‘THE DIVINE’” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model and “The ALTAR of ‘THE DIVINE’” in this “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model, through the intermediary of the “‘SPIRIT←SPIRIT’ Body” in the “PRINCIPAL” instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, that “The ALTAR of ‘THE DIVINE’” in this “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model will provide crude “‘SPIRIT’ specific supply of subsistence” to “The ALTAR of ‘THE DIVINE’” which is inside the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model.

In this “Causal Precedence Relation of ‘THE PRAISE’”, it is “The ALTAR of ‘THE DIVINE’” inside the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, which will emit “THE PRAISE” and it is “The ALTAR of ‘THE DIVINE’” inside the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model that will receive “THE PRAISE” and provide in return the crude “‘SPIRIT’ specific supply of subsistence” to “The ALTAR of ‘THE DIVINE’” inside the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model that emitted “THE PRAISE”.

This is an expression in the attribute “NON DIVINE” of the “Causal Precedence Relation of ‘THE PRAISE’” which is defined within “THE DIVINE DOMAIN” by the concrete image, of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, expressed on the “Divine States”, between “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, all in a manner of being of the “‘SPIRIT’ Divine State”, and “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, all in a manner of being of the “‘SPIRIT→LIGHT’ Divine State”; the manifestation of the metaphor of the “‘SPIRIT→LIGHT’ Divine State” is obtained as a result of the intermediate presence of the “‘SPIRIT←SPIRIT’ Body” in the “PRINCIPAL” instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model in this “specific spiritual formation” of “THE CHURCH” formed from the “‘LIGHT←LIGHT’ Body” in the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model.¹⁰⁸⁸

¹⁰⁸⁸ What we are describing here are the original plans for the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model. The “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” having accepted the “BETRAYAL” that they have perpetrated against “THE DIVINE”, IHVH, our FATHER, and the deceit and prejudice, which they perpetrated against the first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, as their norm, their principle of righteousness, were and are standing as such in their own “DISGRACE”, “IMPURITIES” and “LIES”. During the course of the “Second Phase” of “THE HOLY PROJECT”, these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” will keep under their yoke and in slavery and in the obscurity of the absence of “THE KNOWLEDGE OF THE DIVINE”, not only the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” descendants of the first two, but also the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creatures” which will be manifested into existence in this attribute “NON DIVINE”, and as such, destroying all “specific spiritual formations” of “THE CHURCH” formed from the human creatures. Almost all “‘LIGHT←LIGHT’ ‘EARTHLY’ Creatures”, before CHRIST, have ended up like lamps extinguished in thorn-covered “*baskets*” and it is only CHRIST who started to put an end to that business of those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”; but it was too late, the damages caused by the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” onto the human creatures were already too deeply rooted in the human creatures, being transmitted from offspring in descent through the recursive transformations.

It is so that, “THE DIVINE”, IHVH, our FATHER has chosen to share His great “DIVINE WEALTH” with the attribute “NON DIVINE”, through such manifestations of metaphors of His “DIVINE PRIMARY WEALTH”.

Once “The ALTAR of ‘THE DIVINE’” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model has received these crude “‘SPIRIT’ specific supply of subsistence”, it will produce the “specific work” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has predefined for it, in a well assured “state of equilibrium” and within the temporal limits that “THE DIVINE ARCHITECT AND PROJECT MASTER” has established.

It is the product of this “specific work” accomplished by “The ALTAR of ‘THE DIVINE’” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model which will be transmitted to the “Specific Energy ‘SPIRIT’ Substance” of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, in the form of diluted “‘SPIRIT’ specific supply of subsistence”, and that the “Specific Energy ‘SPIRIT’ Substance” of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model in turn will use to accomplish its “specific work”.

It is so that, in the “specific spiritual formation” of “THE CHURCH” formed from the “‘LIGHT←LIGHT’ Body” in the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model, the crude “‘SPIRIT’ specific supply of subsistence” emitted by “The ALTAR of ‘THE DIVINE’” inside the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model will also participate to the wellness of the “‘SPIRIT←SPIRIT’ Body” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model.

This is possible only through the “Causal Precedence Relation of ‘THE PRAISE’” which is catalyzed by the degree of presence of “THE SPECIFIC SPIRITUAL FORCE OF LIFE” in the “Specific ‘SPIRITUAL’ Environment” external and immediate around the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, and when all the components of the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” that will receive “THE PRAISE” are sufficiently in the “HOMOGENEITY”, in the PURITY, and in the HOLINESS as “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed and established them.

It is so that, “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model, to allow the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” to remain at any time in “THE PRAISE” with “THE DIVINE”, IHVH, our FATHER, and through any “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” sufficiently in the “HOMOGENEITY”,

in the PURITY, and in the HOLINESS, and as manifestation in the attribute “NON DIVINE” of a metaphor of “THE ‘LIGHT←LIGHT’ EON”.¹⁰⁸⁹

As “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed it and established through this manifestation of the “Causal Precedence Relation of ‘THE PRAISE’” outside of the “Specific Energy ‘CELESTIAL’ Domain” in the attribute “NON DIVINE”, the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” and the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” were thus to become complementary, in the “specific spiritual formation” of “THE CHURCH” formed from the “‘LIGHT←LIGHT’ Body” intellect, pure and holy, of the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model, and were to remain together as such in “HARMONY” with “THE DIVINE”, IHVH, our FATHER.

It is so that, the “POTENCY”, which is the degree of possession of elements of “THE ‘LIGHT’ REASON”, and which, inside the attribute “NON DIVINE”, is a manifestation of a metaphor of the “Generative Power of ‘THE DIVINE’”, and which is attributed to the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature”, was to complete the “AUTHORITY” which is defined by the ability to carry out several tasks simultaneously throughout well defined places in the attribute “NON DIVINE” and, which is attributed to the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, which itself, inside the attribute “NON DIVINE”, is a manifestation of a metaphor of the “Formative Essence of ‘THE DIVINE’”. And vice versa.

It is so that, through the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature”, “THE DIVINE ARCHITECT AND PROJECT MASTER” had designed and lined up, to add the proximity of “THE TREE OF LIFE” to the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” to allow it to stay alive, to receive directly the ordinances of the “specific spiritual formation” of “THE CHURCH”, and to execute the future tasks that

¹⁰⁸⁹ With the announcement of the “Second Phase” of the implementation of “THE HOLY PROJECT”, from the teachings that “THE DIVINE FORCE” instilled to each of them through the process of education through enlightenment, as numerous as they were and although they were not conscious of “THE DIVINE FORCE” working through them and guiding them, and also from the teachings that they received from “THE DIVINE FORCE”, through the ordinances of the “specific spiritual formation” of “THE CHURCH” from “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — , the elders of the creation will understand this to some extent.

Covered by this “HUBRIS Spiritual Veil”, and in the logic distorted by the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, they will decide otherwise: they will reverse the direction of the “Causal Precedence Relation of ‘THE PRAISE’”, and all the consequences that will follow from this inversion.

“THE DIVINE FORCE” had planned and which were to be implemented over long periods of time outside of the “Specific Energy ‘CELESTIAL’ Domain”.

For the purpose to have the task of the realization of “THE HOLY PROJECT” shared and easy to perform throughout the attribute “NON DIVINE” and outside of the “Specific Energy ‘CELESTIAL’ Domain”, therefore from the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” was to be established another direct communication channel with “THE DIVINE”, IHVH, our FATHER, and thus another “GOVERNMENT” other than that of the “Specific Energy ‘CELESTIAL’ Domain”, another hierarchy of communication with “THE DIVINE”, other than the one already established through “THE SHEKINAH” and through which “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” indulged themselves with the “HUBRIS”.

As we have already explained it several times, when “THE DIVINE FORCE” had planned all this, it was for the purpose to rectify the deficiency of “THE KNOWLEDGE OF THE DIVINE” that had taken place in “THE SEAT OF THE INTELLECT” in the “‘SPIRIT←SPIRIT’ Body” of “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, and the sentence of annihilation of that “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” would be the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

In “THE SUPREME PLENITUDE”, “THE DIVINE FORCE” knew not that SHE would be betrayed by these very “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” that SHE had educated. SHE knew not that these same “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” that SHE had educated in “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”, had already planned their “nefarious and despicable shadow scheming” whereby they would subsequently cause prejudice and place their following under the yoke of absolute servitude.

After the “BETRAYAL” that “THE DIVINE”, IHVH, our FATHER had undergone, HE decided nevertheless to continue the implementation of the “Second Phase” of “THE HOLY PROJECT”. Knowing already that the worst was yet to come, as these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” are all prone to the Governing Law of the Behavior and cannot escape it, and they were all standing in their own “DISGRACE”, “IMPURITIES”, and “LIES”, “THE DIVINE”, IHVH, our FATHER will combat in “ABSOLUTE ‘PURITY’” for the existence of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” so it will be the sentence of annihilation of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” and of the “nefarious and despicable shadow schemings” that the “‘SPIRIT←SPIRIT’

‘CELESTIAL’ Creatures” had developed in “THE SEAT OF THE INTELLECT” in their “‘SPIRIT←SPIRIT’ Body”.

“THE DIVINE ARCHITECT AND PROJECT MASTER” did not design the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, and the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” so that one “dominates” the other, so that one crushes the other, so that one be “above” the other.

But “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, and the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” in the ABSOLUTE “PURITY”, so that they live and coexist in “HARMONY” with “THE DIVINE” in order to perform all tasks that HE had in projects and through which “THE DIVINE” chose to share “THE KNOWLEDGE OF THE DIVINE” with the attribute “NON DIVINE”.

CHAPTER 183

THE “‘LIGHT←LIGHT’ ‘EARTHLY’ CREATURE” MANIFESTED IN THE FIRST “SPECIFIC ENERGY ‘EARTHLY’ HABITATION DOMAIN”

In the afternoon of the Third Day of the implementation of the “Second Phase” of “THE HOLY PROJECT”, after the “BETRAYAL” that the “ADONA’IM” had perpetrated against HIM, “THE DIVINE”, IHVH, our FATHER, had already decided to continue the implementation of “THE HOLY PROJECT” with the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” whose “‘SPIRIT←SPIRIT’ Body” structure was not cracked, knowing that even with those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of “THE CELESTIAL HOST” remaining the worst was yet to come, as these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” are all prone to the Governing Law of the Behavior and cannot escape it, and they were all standing in their own “DISGRACE”, “IMPURITIES”, and “LIES”.

And the worst came to pass when those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of “THE CELESTIAL HOST” remaining, in complicity with those who have been immersed in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, have made “ADAM” stumble on their rigged “DEATH CONTRACT” against the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, as to indicate directly and openly to “THE DIVINE”, IHVH, our FATHER, that they had not digested that “THE DIVINE” has chosen to manifest an expression of “THE UNION” — the manifestation of the “‘SPIRIT←LIGHT’ INDISTINCT DIVINE FORM” — on the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” that they had already declared to be a “MISTAKE OF THE CREATION”, and not on them as “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of “THE CELESTIAL HOST”.

The Archangel MICHAEL, using treacheries worthy of the best conjurers and hypnotists, has substituted the innocence of “PURE, TRUTHFUL, AND

AUTHENTIC LOVE OF ‘THE DIVINE’” by the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” that the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had grown inside “THE SEAT OF THE INTELLECT” in their “‘SPIRIT←SPIRIT’ Body”, then, he has destroyed the “Subjective ‘EARTHLY’ Garment” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” and produced the “Subjective Death”, which is the premature “DEATH” of this “Subjective ‘EARTHLY’ Garment”.

It is so that, “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have caused prejudice to their following, by jealousy, by the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” that became an integral part of their “nature”.

And the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have imprisoned all creatures in the darkness inside the “HUBRIS Spiritual Veil” which was theirs and which was frozen like a mist on all the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, and which, to the detriment of “THE KNOWLEDGE OF THE DIVINE”, prevented all creatures, both the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” as well as the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, to see “THE TRUTH SUN” which shines always outside and above the mist of ignorance.

It is so that, the State of “CHAOS” of the “Specific Atomic ‘EARTHLY’ Substances” constituents of the “Specific Energy ‘EARTHLY’ Substance”, contrary to the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”, will spread and “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” descendants of the first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” having forgotten their “PLENITUDE”, were maintained under the yoke of the absolute servitude toward these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, and in the “FEAR” of being cursed once more by these same “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, as they have done on “ADAM” and “THE FEMALE”.

Despite the prejudice that the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have caused the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, “THE DIVINE”, IHVH, our FATHER, has not abandoned him in the “FATALITY”, caused by that “BETRAYAL” which the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had perpetrated against “THE DIVINE”, IHVH, our FATHER, on the afternoon of the Third Day of the implementation of the “Second Phase” of “THE HOLY PROJECT”, and that had tied everything in the evil and perverse purpose of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”.

HE has established the task to restore the unique expression of “THE UNION” represented by the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” and has undertaken to save what could still be saved of the “Second Phase” of “THE HOLY PROJECT”.

“THE DIVINE”, IHVH, our FATHER, will also from time to time send rays of “THE TRUTH SUN” inside the frozen mist caused by the “HUBRIS Spiritual Veil”, in order to shed light on the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”.

These rays of “THE TRUTH SUN” will be manifestations of the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model into existence in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain” in which live “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”.

As we have already indicated, at the moment when the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” was manifested into existence in the “Plane Below”, in the attribute “NON DIVINE”, his “‘SPIRIT←LIGHT’ Body” which was “PURE” at its creation inside of “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” in the “Specific Energy ‘CELESTIAL’ Domain” — and at exit of “THE SHEKINAH”, will lose its “HOMOGENEITY” and was rendered “IMPURE” immediately at the entrance of the “Subjective ‘EARTHLY’ Garment”; because it got mixed with those impure “Specific Atomic ‘EARTHLY’ Substances”.

Therefore, the “HARMONY” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” with “THE DIVINE”, IHVH, our FATHER, was affected from that moment, although this will be noticeable until later.

It is so that, through the recursive transformations, which we described already in one preceding section, every “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” as a “Specific Energy ‘SPIRIT←LIGHT’ Bridge” offspring from the firsts two will be forever in a precursor state of “CHAOS”, contrary to the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”, and it will not function anymore as “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed it.

In order to save what could still be saved of the “Second Phase” of “THE HOLY PROJECT”, and on the basis of the “PRINCIPLE OF ENLIGHTENMENT BY ‘THE DIVINE WISDOM’”, “THE DIVINE”, IHVH, our FATHER decided also, among other things, to manifest into existence in the attribute “NON DIVINE”, in

the “Plane Below”, that is “THE EARTH”, a limited number of “‘LIGHT←LIGHT’ ‘EARTHLY’ Creatures”.

It is so that, for the production into existence of a “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature”, following the appropriate point of convergence in “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” that “THE DIVINE” has consolidated in Himself, it is from “THE WORD OF THE DIVINE” emitted, and remaining in “THE SILENCE”, from “THE DIVINE DOMAIN” outside of the attribute “NON DIVINE”, until its reception by “THE DIVINE FORCE”, without manifesting into existence in the attribute “NON DIVINE” the sequence of “SOUNDS” that are associated with “THE WORD OF THE DIVINE”, that “THE DIVINE FORCE” will produce into existence inside “The ALTAR of ‘THE DIVINE’” which is inside “THE SHEKINAH” – “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” – which is placed in the “Specific Energy ‘CELESTIAL’ Domain”, the chosen “‘LIGHT←LIGHT’ Body” in the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model, unbeknownst to all the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”.

Each “‘LIGHT←LIGHT’ Body” of each of the seven other instances of the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model which will be produced into existence will be a manifestation of a metaphor of a “‘LIGHT←LIGHT’ INDISTINCT DIVINE FORM” and associated with a “Divine Product” that already exists in “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”. Such a “‘LIGHT←LIGHT’ INDISTINCT DIVINE FORM” which is at the origin of a “‘LIGHT←LIGHT’ Body” will be also called: a “PRE-EXISTING”.

It is thus that, from the perspective of the “Specific ‘SPIRITUAL’ Environment”, a manifestation of the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model, into existence in the attribute “NON DIVINE” and in the “Specific ‘EARTHLY’ Environment”, is a “‘LIGHT←LIGHT’ ‘SPIRITUAL’ Creature” (which is represented by a “‘LIGHT←LIGHT’ Body”, which comprises a “Specific Energy ‘LIGHT’ Essence Substance” and a “Specific Energy ‘LIGHT’ Substance”, which covers it) wearing a “Specific ‘EARTHLY’ Garment”.

Every “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” has a mission defined with precision, a especially predestined revelation of “THE KNOWLEDGE OF THE DIVINE”, and representing well-defined rays of “THE TRUTH SUN”, and limitations that are her own.

As soon as the right moment defined by the appropriate point of convergence in “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” comes to pass, then, the “‘LIGHT←LIGHT’ Body” which was produced into existence

inside “The ALTAR of ‘THE DIVINE’” which is inside “THE SHEKINAH” which is placed in the “Specific Energy ‘CELESTIAL’ Domain”, will be made manifest by “THE DIVINE FORCE” directly inside of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” having the “FEMALE” adjective and into existence in the first “Specific Energy ‘EARTHLY’ Habitation Domain”.¹⁰⁹⁰

This is done so to avoid that the “‘LIGHT←LIGHT’ Body” be mixed with impure “Specific Atomic ‘EARTHLY’ Substances” and constituent of the “Specific Energy ‘EARTHLY’ Habitation Domain” in which live in “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” and in which the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” will appear into existence and begin the project for which “THE DIVINE”, IHVH our FATHER chose him.

As we have already indicated, no “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” is descendant of a “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” having the “MALE” adjective and will never be; but it is in a specific “LINEAGE” of “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” that the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” will appear into existence and begin the project for which “THE DIVINE”, IHVH, our FATHER chose him.¹⁰⁹¹

¹⁰⁹⁰ It is like if you take a drop of energy by the hand and place this drop of energy in the womb of this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” having the “FEMALE” adjective, without that this drop of energy comes into contact with the “Subjective ‘EARTHLY’ Garment” of this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”; This “Subjective ‘EARTHLY’ Garment” is a delineated form of the “Specific Energy ‘EARTHLY’ Substance”.

¹⁰⁹¹ At all times, human creatures did not understand this, not even with the birth of the elder NOAH, and not even after that “THE DIVINE”, IHVH, our FATHER had announced the coming of CHRIST through Isaiah, and the manifestation of CHRIST into existence directly inside a “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” having the “FEMALE” adjective, when Isaiah had interpreted it, saying:

“...

There shall come forth a shoot from the stump of Jesse, and a progeny will spring forth from his roots.

And the Spirit of IHVH will rest upon him: the Spirit of wisdom and discernment, the Spirit of counsel and valour, the Spirit of knowledge and love of IHVH. And his delight shall be in the love of IHVH.

He shall not judge by what his eyes see, or decide disputes by what his ears hear, but with righteousness he shall judge the poor, and decide with equity for the meek of the earth; and he shall strike the earth with the rod of his mouth, and with the breath of his lips he shall kill the wicked.

On the other hand, it will be said of the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” that it descends directly from the “First Begotten” of “THE DIVINE FORCE” — the Monogene manifested by “THE DIVINE FORCE”, the pure light of the attribute “NON DIVINE”, the first expression in the attribute “NON DIVINE” of a metaphor of the “‘LIGHT’ Divine State”, with properties which are the most potent properties that “THE DIVINE ARCHITECT AND PROJECT MASTER” has fixed for the “‘LIGHT’ Specific State” in the attribute “NON DIVINE”, and which will serve as a “COMMUNICATION CHANNEL OF ‘THE WORD OF THE DIVINE’”.¹⁰⁹²

It is so that, the “‘LIGHT←LIGHT’ Body” of “‘LIGHT←LIGHT’ ‘EARTHLY’ Creatures” will be manifested into existence in the attribute “NON DIVINE”, in the “Plane Below”, in a viable way but before the initial time that “THE DIVINE ARCHITECT AND PROJECT MASTER” had associated to the realisation of the “Third Phase” of “THE HOLY PROJECT”.

For the purpose that, be broken the chains of ignorance that the elders of the creation had placed on the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” in destroying the “Subjective ‘EARTHLY’ Garment” in order to divert the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” away of his “PLENITUDE” and thus away of “THE DIVINE”, IHVH, our FATHER, it is so that “THE DIVINE FORCE” will also assign to the chosen “‘LIGHT←LIGHT’ Body” in the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature”, the same “Subjective ‘EARTHLY’ Garment” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” and of which the Archangel MICHAEL had designed for morphology and that he himself had subsequently destroyed by

Righteousness shall be the belt of his waist, and faithfulness the belt of his loins.

...”

¹⁰⁹² It is for the purpose to lead human creatures and His disciples, all “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, to understand this, and also to lead them to understand the difference between a “CHOSEN ONE” (who is a “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature”) and “CALLED ONE” (who is a “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”), that CHRIST spoke to them of the “BREAD OF LIFE”, and which was reported through the testimony of the human who was called John (John 6:22-59).

jealousy and by the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”.¹⁰⁹³

It is thus that, the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” and the “‘LIGHT←LIGHT’ Body” in the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature”, will wear the same “Subjective ‘EARTHLY’ Garment” as soon as they are manifested into existence within a same production medium that is the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” having the “FEMALE” adjective, and in which they will take consistency for nine months.

Because of this same “Subjective ‘EARTHLY’ Garment” that will wear the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature”, this latter will also be prone to the same conditions and limits imposed by this “Subjective ‘EARTHLY’ Garment”. And in parables, the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” will thus be designated as a “LAMB”. Since all the constituents of “‘LIGHT←LIGHT’ Body” in the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” consist of “Specific Energy ‘LIGHT’ Substance”, which also sustains “life” in this “‘LIGHT←LIGHT’ Body”, it will also be referred to, in parables, as “*the blood of the lamb*”, which is also a reference to “THE LIGHT” in all its metaphors.¹⁰⁹⁴

It is thus that from the moment when the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” will come out of the production medium that is the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” having the “FEMALE” adjective, just as the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, it will breathe the “Specific Energy ‘EARTHLY’ Substance” which is common to them and within the “FATALITY”, caused by that “BETRAYAL” which the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had perpetrated against “THE DIVINE”, IHVH, our FATHER, on the afternoon of the Third Day of the implementation of the “Second Phase” of “THE HOLY PROJECT”, and that had tied everything in the evil and perverse purpose

¹⁰⁹³ This should allow you to understand that the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” having the “FEMALE” adjective and from which the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” will be produced into existence in the attribute “NON DIVINE”, can also produce into existence of other “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” as “BEFOREHAND CREATED ENERGY FORMS” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model.

¹⁰⁹⁴ As regard to a “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, when it stands in “PURITY” and holds its ground, it is said in parables that: *the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” has washed its garment and made it clean with “the blood of the lamb”.*

of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”.

“THE DIVINE FORCE” has also delineated the “Specific ‘SPIRITUAL’ Environment” external and immediate around the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” by a spiritual aureole visible to “THE EYE OF THE DIVINE”, and which is a manifestation of the state of “HARMONY” with “THE DIVINE”, IHVH, our FATHER: It is still the “Specific Radiance ‘SPIRITUAL’ Aureole”. At the level of the “Specific ‘EARTHLY’ Garment” with which the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” will be dressed with, the “EPHEMERAL GLOW ‘EARTHLY’” will also be the result of internal luminescence processes taking place inside the “Specific ‘EARTHLY’ Garment” and the “‘LIGHT←LIGHT’ Body” contained in the “Specific ‘EARTHLY’ Garment”. The “EPHEMERAL GLOW ‘EARTHLY’” for the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature”, however, is different from the “EPHEMERAL GLOW ‘EARTHLY’” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” and is much more different from the “EPHEMERAL GLOW ‘CELESTIAL’” of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, due to the presence of much more “Specific Energy ‘LIGHT’ Substance”, which is the manifestation of the metaphor of that “LIGHT”, which is the manifestation of the “LIGHT” of the “‘LIGHT’ Divine State”, which is the child of the attribute “GOD”, in the “‘LIGHT←LIGHT’ Body” of the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature”.

The higher the “HARMONY” of the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” with “THE DIVINE”, IHVH, our FATHER, the brightest the “Specific Radiance ‘SPIRITUAL’ Aureole” which covers the “‘LIGHT←LIGHT’ Body” of such “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature”.

This radiation is no longer visible through the “Specific ‘EARTHLY’ Visual Structure” of the “Subjective ‘EARTHLY’ Garment” because its components were destroyed since their origin on the firsts two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” and are parts of elements that are transmitted over the “GENES” of the “Subjective ‘EARTHLY’ Garment”. But it remains visible through the “Specific ‘SPIRITUAL’ Visual Structure”, and the radiation from the “Specific Radiance ‘SPIRITUAL’ Aureole” that covers the “‘LIGHT←LIGHT’ Body” of such “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature”, is very different from one “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” to another, and is very different from the radiation from the “Specific Radiance ‘SPIRITUAL’ Aureole” which covers the “‘SPIRIT←LIGHT’ Body” of a “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”. It is through observation and inference deriving logical conclusions from premises

known to be true about the radiation emanating from the “LIGHT” that is inside of the “SHEKINAH”, and from other operation activities, that “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” will come to understand that “‘LIGHT←LIGHT’ ‘EARTHLY’ Creatures” have been manifested into existence in the attribute “NON DIVINE”. Operational activities, as we have already explained, are different from projects, and are ongoing, perpetual, and repetitive efforts, the purposes of which are to sustain, in conformity with the specifications which were established by “THE DIVINE ARCHITECT AND PROJECT MASTER”, all that the attribute “NON DIVINE” contains already.

The “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” manifested into existence in the attribute “NON DIVINE” is called a “CHOSEN ONE of THE DIVINE”, or simply a “CHOSEN ONE”. It is the third classification which will complete the firsts others two — the classification of the “SAINTS” and the classification of the “RIGHTEOUS” — and that are pledges of blessings for the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, until retribution is made to which cannot escape the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” for the prejudice that they have caused to their neighbour and for the damages that they have inflicted in “THE HOLY PROJECT”. For, “INJUSTICE” and “IMPURITIES” cannot be endorsed by “THE DIVINE”, IHVH, our FATHER and “THE HOLY PROJECT” will not resume its course on “IMPURITIES” and “LIES”. Remember what “THE DIVINE”, IHVH, our FATHER, had shown to the elder ENOCH in that vision of the “blinded seventy shepherds”.

“ ...

...

Of all the destruction brought about by each of the [seventy] shepherds there will be accountability; and according to the number I will cause a recital to be made before me, how many they have destroyed of their own volition, and how many they have delivered up to destruction, that I may have this testimony against them; that I may know all their proceedings; and that, delivering the sheeps to them, I may see what they will do; whether they will act as I have commanded them, or not.

Of this, however, they shall be ignorant; neither shall you make any explanation to them, neither shall you reprove them; but there shall be an accountability of all the destruction done by them in their respective seasons.

...

During the unfolding of the “Second Phase” of the realisation of “THE HOLY PROJECT”, “THE DIVINE”, IHVH, our FATHER, chose to manifest a limited number of “‘LIGHT←LIGHT’ ‘EARTHLY’ Creatures”; that is, of the “CHOSEN ONES”¹⁰⁹⁵, in very small numbers compared to the number of “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” who are into existence in the attribute “NON DIVINE”.

The “CHOSEN ONES” are born of the seed of “The ALTAR of ‘THE DIVINE’” which is inside “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — which is placed in the “Specific Energy ‘CELESTIAL’ Domain”, and they live at all times and in all places with “THE DIVINE FORCE”.

All the “CHOSEN ONES”, without exception, bear the mark of “THE DIVINE”, because they are the essence (or the seed, or a part) of “The ALTAR of ‘THE DIVINE’” which is inside “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — which is placed in the “Specific Energy ‘CELESTIAL’ Domain”.

All the “CHOSEN ONES”, without exception, bear also manifestations of the metaphors of the “DIVINE PRIMARY WEALTH” appropriate to the work that they do, and they differ among themselves only by the intensity of the rays of “THE TRUTH SUN”, of the “LIGHT”, that is, “THE KNOWLEDGE OF THE DIVINE”, that they must transmit to both “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” and to “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”.¹⁰⁹⁶

Each “CHOSEN ONE” receives a distinct message, to express “THE KNOWLEDGE OF THE DIVINE”, with mission to reveal it in a certain way. The

¹⁰⁹⁵ Do not confuse this designation of “CHOSEN ONES” with those people on Earth who parade themselves with this designation, hiding behind it, abusing their fellow humans and sowing death and destructions all over the Earth.

¹⁰⁹⁶ It is because of this difference in the intensity of the “LIGHT” that the words that flow from the “CHOSEN ONES” will seem to vary, for those who do not look with discernment. Otherwise, in the eyes of those who are initiated to understand spiritually, with discernment, all the words that flow from the “CHOSEN ONES” are only the expression of a same message.

It is the failure to understand the differences and to understand spiritually that most “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” remain puzzled and disturbed in front of the words spoken by the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creatures”.

intensity of the rays of “THE TRUTH SUN”, of the “LIGHT”, carried by each “CHOSEN ONE” also depends upon the “LINEAGE” (among the seven “LINEAGES” of the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model) in which the “CHOSEN ONE” will appear into existence in the attribute “NON DIVINE” and start the project for which “THE DIVINE”, IHVH, our FATHER chose him.¹⁰⁹⁷

When the “‘LIGHT←LIGHT’ Body” in the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature”, that is, of a “CHOSEN ONE”, is in a high enough state of “HARMONY” with “THE DIVINE”, IHVH, our FATHER, then, “THE DIVINE FORCE” will also accomplish “THE WORD OF THE CHOSEN ONE” in much the same as SHE does with “THE WORD OF THE DIVINE”.¹⁰⁹⁸ This is the application of the manifestation of the metaphor of “THE WORD OF THE DIVINE” and of which “THE DIVINE ARCHITECT AND PROJECT MASTER” has endowed the “‘LIGHT←LIGHT’ Body” in the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature”.

Because of the lack of discernment from most the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” who have developed the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” in their “‘SPIRIT←LIGHT’ Body”, these “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” are going to quantify the greatness of the different “CHOSEN ONES”.

Any apparent variation in the intensity of the rays of “THE TRUTH SUN”, of the “LIGHT”, that is, “THE KNOWLEDGE OF THE DIVINE”, brought by the various “CHOSEN ONES” is not inherent to that “LIGHT” itself, but it is due to the essentially varying receptivity of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” whose “‘SPIRIT←LIGHT’ Body” are confined in ignorance, in the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”.

Each “CHOSEN ONE” that “THE DIVINE”, IHVH, our FATHER decides to send towards “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” receives with his message, the

¹⁰⁹⁷ It is to for the purpose to bring human creatures to understand this, that ENOCH, of whom METHUSELAH is the descendant, had wrote the teachings that HE had received from “THE DIVINE FORCE”, and also to lead “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” to grow in “THE KNOWLEDGE OF THE DIVINE”.

¹⁰⁹⁸ It is for the purpose to lead human creatures and His disciples, all “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, as well as “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, to understand this, that CHRIST brought Lazarus back to life. See conversation of June 29, 2005, Aristide with the Archangel RAPHAEL.

authority to act in the way that works best in the time period in which he begins the realisation of his mission.

It is so that, he who acknowledges a “CHOSEN ONE” has acknowledged the manifestation of “THE DIVINE”. He who listens to the voice of a “CHOSEN ONE”, listens to the voice of “THE DIVINE” because it is “THE DIVINE FORCE” Herself who speaks through a “CHOSEN ONE”; and he who certifies the “TRUTH” of the revelations that a “CHOSEN ONE” transmits, certifies the “TRUTH” of “THE DIVINE”, IHVH, our FATHER. Likewise, anyone who turns away from a “CHOSEN ONE” has turned away from “THE KNOWLEDGE OF THE DIVINE”, and therefore has turned away from “THE DIVINE”.

Anyone, whoever, and especially any “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” in whom such practices of deceit have become part of their “nature” and, who sets traps on the path, in order to deceive and bring down a “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature”, is also busy trying to deceive and bring down “THE DIVINE”, IHVH, our FATHER, just as these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had already tried such deceit using “THE REDEMPTION CLAUSE” of their rigged “DEATH CONTRACT” that they had established against the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

With respect to a “CHOSEN ONE”, the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” manifested into existence in the attribute “NON DIVINE” is designated as being a “CALLED ONE”.¹⁰⁹⁹

¹⁰⁹⁹ It is for the purpose to lead human creatures and His disciples, all “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, to understand this, that CHRIST told them:

“... many are “CALLED”, but few are “CHOSEN” ...”

You must be very careful with wordplay in this saying. *“... many are “CALLED”, but few are “CHOSEN” ...”* does not mean that: few of those many who are “CALLED” (in the sense of: to whom one addresses in order to enter into communication with him/her and with a view to a certain result) will somehow be “CHOSEN” (in the sense of: to opt, to decide, to determine between two or more of those who are “CALLED”; like when humans express their opinion, their choice through a vote to elect their leaders)!

Observe the construct that is designated as a “tree” in all its forms, and which is the symbol par excellence of education, and understand these things, which are revealed to you. The “tree” has a “trunk”, “branches” that are attached to the “trunk”, and “leaves” that are attached to the “branches”. Have you ever wondered why there are many “leaves” and few “branches” as components of the “tree”? Can a “leaf” become a “branch”?

A “SPIRIT←LIGHT’ ‘EARTHLY’ Creature” is a manifestation in the attribute “NON DIVINE” of a metaphor of the “SPIRIT←LIGHT’ INDISTINCT DIVINE FORM” and a “LIGHT←LIGHT’ ‘EARTHLY’ Creature” is a manifestation in the attribute “NON DIVINE” of a metaphor of the “LIGHT←LIGHT’ INDISTINCT DIVINE FORM”; they are different and a “SPIRIT←LIGHT’ ‘EARTHLY’ Creature” cannot become a “LIGHT←LIGHT’ ‘EARTHLY’ Creature”, a “CALLED ONE” cannot become a “CHOSEN ONE”.

The products of the “specific work” accomplished by the “LIGHT←LIGHT’ Body” in the “LIGHT←LIGHT’ ‘EARTHLY’ Creature” are also those “LIGHT’ specific supply of subsistence” that “The ALTAR of ‘THE DIVINE’” which is inside the “SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model receives through the first non-reversible osmosis of energy in the “SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, to be used as an external supply which is necessary for its subsistence in the “LIGHT’ Specific State”.¹¹⁰⁰

It is through “THE SPECIFIC SPIRITUAL FORCE OF LIFE” that these “LIGHT’ specific supply of subsistence”, also called the “fruits”, of “THE TREE OF LIFE”, which are provided as a result of the execution of the “Causal Precedence Relation of ‘THE PRAISE’”, will be extracted from the “LIGHT←LIGHT’ Body” in the “LIGHT←LIGHT’ ‘EARTHLY’ Creature” through the “specific spiritual formation” of “THE CHURCH” and provided to “The ALTAR of ‘THE DIVINE’” which is present inside the “SPIRIT←LIGHT’ Body” in the “SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model.

From time to time, when the appointed time and the necessary conditions to manifest a “CHOSEN ONE” are not met, then, “THE DIVINE FORCE” often talk through particular “SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” that SHE chose so that the “SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” do not fully sink into obscurity. Such a “SPIRIT←LIGHT’ ‘EARTHLY’ Creature” is called: a

¹¹⁰⁰ It is for the purpose to lead human creatures and His disciples, all “SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, to understand this, and also to lead them to understand the difference between a “CHOSEN ONE” (who is a “LIGHT←LIGHT’ ‘EARTHLY’ Creature”) and “CALLED ONE” (who is a “SPIRIT←LIGHT’ ‘EARTHLY’ Creature”), that CHRIST spoke to them of the “BREAD OF LIFE”, and which was reported through the testimony of the human who was called John (John 6:22-59).

“PROPHET”. It is so that, a “CHOSEN ONE” will also be called a “PROPHET”, but a “PROPHET” is not necessarily a “CHOSEN ONE”.

Later during the course of the realization of the “Second Phase” of “THE HOLY PROJECT”, it is ENOCH, of whom METHUSELAH is the descendant, who will be the first manifestation of the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model, the first “CHOSEN ONE” manifested in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain” in which live “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”.

ENOCH, of whom METHUSELAH is the descendant, will be manifested into existence at the seventh offspring of generation from the first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” — who had been called “ADAM”, and meaning “The EYE of the ‘LIGHT’” — and who had been destroyed by the “ADONA’IM” in their “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”.

ENOCH, of whom METHUSELAH is the descendant, will be manifested into existence at the seventh offspring of generation from the first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” because it is at the seventh offspring of generation from the first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” that particular “GENES” of the “‘SPIRIT←LIGHT’ Body” and particular “GENES” of the “Subjective ‘EARTHLY’ Garment” of origin of the first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” are nullified to give way to new “GENES” of the “‘SPIRIT←LIGHT’ Body” and new “GENES” of the “Subjective ‘EARTHLY’ Garment”, as “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed it describing concrete images of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, on the transmission of the “GENES” of the “‘SPIRIT←LIGHT’ Body” and on the transmission of the “GENES” of the “Specific ‘EARTHLY’ Garment” (and therefore of the “Subjective ‘EARTHLY’ Garment”).

“THE DIVINE FORCE” will apply this principle throughout the unfolding of the “Second Phase” of “THE HOLY PROJECT”, in order to save what could be saved of this “Second Phase” of “THE HOLY PROJECT”, and following the instructions that “THE DIVINE”, IHVH, our FATHER gave HER.

It is so that, the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creatures” will be manifested into existence in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, and each at the time which is associated with a well-defined convergence point and which will be a manifestation of a metaphor of a product that already exists in “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”.

With the birth of the elder ENOCH, of whom METHUSELAH is the descendant, and during the years that followed his birth, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” managed, through observation of the radiation from the “Specific Radiance ‘SPIRITUAL’ Aureole” that covers the “‘LIGHT←LIGHT’ Body” of the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” designated as ENOCH, to understand that, that radiation was very different from that, which had covered the first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” and very different from the ones that covered their descendants. These “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have understood that this “new comer”, was different from the descendants of the first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”. They understood that, in spite of that “BLOW OF DEATH” struck by the Archangel MICHAEL on to the firsts two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, and those massive seeds of parasitic “intrusive suggestions” that were forced into “ADAM” and “THE FEMALE” and that were been transmitted down from generations in descent, the conditions necessary for the manifestation of the Presence of “THE DIVINE”, IHVH, our FATHER, and which they had destroyed in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, were now right back in there, in this “new comer” who knew not about it and any less about himself.

Through observation of the radiation from the “Specific Radiance ‘SPIRITUAL’ Aureole” that covers the “‘LIGHT←LIGHT’ Body” of the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” designated as ENOCH, and through inference deriving logical conclusions from premises known to be true about the radiation emanating from the “LIGHT” that is inside of the “SHEKINAH”, these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” understood that the following of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” has been manifested into existence. They understood that “THE KNOWLEDGE OF THE DIVINE” — the eternal knowledge concerning “THE DIVINE”, IHVH, our FATHER — that they thought to have destroyed in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” and their descendants, has returned, not in any “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, not in any “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, but, in the “new comer” who is in the likeness of “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”. But how did that happened, was not known to them.

Since “THE DIVINE”, IHVH, our FATHER, ceased to keep them abreast of His projects, and since “THE DIVINE FORCE”, under the designation of “THE DIVINE WISDOM”, and under the designation of “THE CONFIDENCE OF THE DIVINE”, has moved away from the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and has ceased to educate them as SHE used to do, through the process of education through enlightenment, these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’

Creatures”, organised through their “Council of Sages”, knew not how it happened. They also understood that, this following of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, was “living at all times and in all places” with the Presence¹¹⁰¹ of “THE DIVINE”, IHVH, our FATHER, although the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” knew not of its own “PLENITUDE”, since he was wearing the same destroyed “Subjective ‘EARTHLY’ Garment” and has entered into existence, burried under the disastrous conditions that had been imposed on that destroyed “Subjective ‘EARTHLY’ Garment”.

With the birth of the elder ENOCH, of whom METHUSELAH is the descendant, and from the little teachings that “ADAM” and “THE FEMALE” have received from “THE DIVINE FORCE”, before that the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” brought them down, and from the lasts communications by visions that “ADAM” had received afterwards from “THE DIVINE FORCE”, “ADAM” understood that the “new comer” originates from the model following that from which he, “ADAM”, originated: the “new comer” originates from the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model.

Were these same “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” going to attempt the treacheries that they did on firsts two “‘SPIRIT←LIGHT’ ‘EARTHLY’

¹¹⁰¹ See conversation of June 29, 2006, Aristide with the Archangel MICHAEL.

This is also why, later on, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, on both sides of the warring parties of the ongoing “CELESTIAL WAR”, will gather separately in their own side, and send their petitions to the elder ENOCH, so that he intercedes for them with FATHER and pray “THE DIVINE”, IHVH, our FATHER, for the forgiveness of their iniquities. “*Who am I to do such a thing and who will pray for me?*” had then replied ENOCH.

The mere fact that these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had approached the elder ENOCH with such petitions speaks volume: it tells you for example that these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” are well aware, very well conscious of the damages, which they have inflicted on their neighbours, the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, and they understand the quagmire in which they have thrown the course of the “Second Phase” of “THE HOLY PROJECT”. It tells you furthermore that “THE DIVINE WISDOM”, “THE CONFIDENCE OF THE DIVINE”, “THE DIVINE FORCE”, has moved away from them. All this destruction, because of ignorance and “JEALOUSY” towards their neighbours, the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”. Well, you “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” on both sides of the warring parties of the ongoing “CELESTIAL WAR” have perpetrated this crime of all crimes, be also prepared to bear the consequences in full.

Creatures”, on this manifested “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature”, in order to also destroy this “new comer”?

If you will think that, with that knowledge about the permanent Presence of “THE DIVINE”, IHVH, our FATHER, alongside of the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature”, those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” will shy away from trying their treacheries on such “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature”, then you have not been paying attention about all what we have been revealing so far. Remember what “THE DIVINE”, IHVH, our FATHER, had revealed to the elder ENOCH, through that “vision” of the “blinded seventy shepherds”, when HE said the following to the elder ENOCH:

“ ...

Understand, and watch everything that the shepherds will do to these sheeps; for many more of them will perish than I have commanded.

...

And the shepherds left the sheeps under the yoke of lions, so that very many of the sheeps were devoured and swallowed up by lions and tigers; and wild boars preyed upon the sheeps. The house of the Lord of the sheeps, and his tower they burnt, and overthrew that house.

...

The shepherds likewise, and their associates, delivered the sheeps to all the wild beasts, that they might devour them. Each of them in his season, according to his number, was delivered up; each of them, one with another, was described in a book, how many of them, one with another, were destroyed, was described in a book.

...”

The “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had not equally abandoned their “nefarious and despicable shadow scheming” to take “... *anyone who was free* ...” and subject him to their absolute dependence and forever, thus causing him to forget their own “PLENITUDE” and to forget “THE DIVINE FORCE”; keeping thus control over the existing hierarchy of communication with “THE DIVINE”, which had hitherto been already established through “THE SHEKINAH” and through which all the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’

Creatures” indulged themselves with the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”.

“THE KNOWLEDGE OF THE DIVINE” had already been sent to oblivion long before the implementation of the “Second Phase” of “THE HOLY PROJECT”; the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” having trampled and replaced the innocence of “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”.

Under the yoke of the absolute servitude toward these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, and in “FEAR” to be cursed by these same “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, as they have done on “ADAM” and “THE FEMALE”, it is so that, the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” descending from the first two, blindly imitated their ascendants and were educated according to the principles which are in close agreement with the rituals and rigid precepts that were imposed on them by the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”: both those of the remaining of “THE CELESTIAL HOST” and those that had been immersed in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, who behaved all like thieves, like those collecting ransom, by proxies through “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” who had become their puppets, feeding on obscurity.¹¹⁰²

When the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creatures” will be manifested into existence in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain” and amongst the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” descendants of the first two, these

¹¹⁰² This is translated into parables by saying of human creatures that they feed on the excrements of the sheeps and which are mixed with a little of the food that is due to them. The one who serves them these sheeps excrements is called ignorance — the absence of “THE KNOWLEDGE OF THE DIVINE” — and is most often made manifest like the one who sells this food mixed with these sheeps excrements. The sheep are those human creatures who have the task of educating their fellows but who, without understanding what they are doing, follow the teachings and actions that the elders of creation have propagated in “THE HUMAN EDIFICE” and which with the passage of time have become rituals.

Being in ignorance — the absence of “THE KNOWLEDGE OF THE DIVINE” — human creatures do not also have knowledge of “THE DIVINE FORCE”, who alone is empowered to provide them with the true food they are owed. It is thus that human creatures feed on the products of ignorance; impurities in all their forms, in short: the excrements of the sheeps and which are mixed with a little of the food which is due to them.

“‘LIGHT←LIGHT’ ‘EARTHLY’ Creatures”, just as the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, will initially be raised in the diapers of ignorance and educated according to those principles which are in close agreement with the rigid precepts and rituals which were imposed by the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, and many will forget their “PLENITUDE”.

It is so that, always with the purpose to take “... *anyone who was free* ...” and subject him to their absolute dependence and forever, thus causing him to forget their own “PLENITUDE” and to forget “THE DIVINE FORCE”, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” will always take the opportunity to present to the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creatures”, variants of the “DEATH CONTRACT” that was rigged against the first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

This time, concerning the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creatures” of whom they have understood that they are living at all times and in all places with the permanent Presence of “THE DIVINE”, IHVH, our FATHER, these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” that were maintained in the “Specific Energy ‘CELESTIAL’ Domain” had pushed forward another one of their “cunning idea”, coming from their “Council of Sages”. Lead the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creatures” to take side with them, and become in some sense “one of them”, in their ongoing “CELESTIAL WAR” in their new battlefield, which is the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”.

The cunning behind this is to build an escape route for the retribution to the consequences of that “BETRAYAL” that they have perpetrated against “THE DIVINE”, IHVH, our FATHER, and all the iniquities that they have also perpetrated afterwards. These “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have understood and they know very well in which swamp they are standing, and the most clever amongst the “ADONA’IM” have thought in themselves:

“... ”

If we pull onto our side these new ones who are living at all times and in all places with the Presence of IHVH, and since these new ones do not know who they are themselves, they will condone and accept our views and our iniquities. Given that these new ones are the “CHOSEN ONES”, with them on our side, we will somehow get away with our own “sins” and especially, with the murder that we have perpetrated against the first two human creatures and the destruction that we have caused.

...”

They had already used such reasoning when, with obscurity, they have fed “ADAM”, the first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” having the adjective “MALE”, by telling him that:

“ ...

AZAZEL believes that if he can lead you into disobedience he will somehow be proven right — that IHVH standards of government, the laws by which IHVH established the creation, are unreasonable. That His will is restrictive to those whom He has created, and he will, in that way, prevent his own destruction.

....”

This time, they were using the same reasoning for their own expected escape route for the retribution to the consequences of that “BETRAYAL” that they have perpetrated, all of them, against “THE DIVINE”, IHVH, our FATHER, and all their iniquities.

If you take side in their ongoing “CELESTIAL WAR”, you will stand in the swamp of their own “DISGRACE”, “IMPURITIES”, and “LIES”. They have sworn allegiance to their leaders, and in doing so, they are bound by a vow of silence regarding those actions, which they know very well, from the very depths of their “‘SPIRIT←SPIRIT’ Body”, to be opposite to “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”, those misdeeds, perpetrated by those to whom they have pledge allegiance to; thus, making themselves accomplices.

As we have explained already:

“THE WILL” OF “THE DIVINE”, IHVH, OUR FATHER, IN HIS VARIOUS FORMS, AND THE WILL OF ANY THING OTHER THAN “THE DIVINE”, IHVH, CANNOT COEXIST IN THE SAME “ALTAR OF ‘THE DIVINE’”.

What type of barriers will you be constructing between you and “THE DIVINE”, IHVH, our FATHER, if you take side in their ongoing “CELESTIAL WAR”? Who will ascend the mountain of “THE DIVINE”? Who will stand in His Holy Place? “The Walk within the Acronym IHVH”, the road that leads to “THE DIVINE”, IHVH, our FATHER, was conceived by “THE DIVINE ARCHITECT AND PROJECT MASTER” and has been manifested inside you by “THE DIVINE FORCE”. Use it as compass, stand and hold your ground in “PURITY” with “THE

DIVINE FORCE” and no one else: if you have found “THE DIVINE FORCE”, you can be certain that you have found “THE DIVINE”, IHVH, our FATHER.

It is so that, that which is called the “nature”, having been sealed inside “THE SEAT OF THE INTELLECT” in the “‘SPIRIT←SPIRIT’ Body” of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, they will do what their “nature” is. Wearing the masks of convenience (masks of sanity), they have rolled up their sleeves and got on the job to bring the new ones on their side, and of course under their yoke, in their ongoing “CELESTIAL WAR”, feeding them as much as possible with obscurity, to the point that the rays of “THE TRUTH SUN” that these “CHOSEN ONES of THE DIVINE” have been tasked to bring inside the frozen mist caused by the “HUBRIS Spiritual Veil”, in order to shed light on the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, will be mixed with the peculiarities of obscurity, and “THE KNOWLEDGE OF THE DIVINE” that they carry will be lost.

It is so that, the chains of ignorance that the elders of the creation have placed on the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” in destroying the “Subjective ‘EARTHLY’ Garment” in order to divert the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” away of his “PLENITUDE” and thus away of “THE DIVINE”, IHVH, our FATHER, have remained in place, unbroken, and deeply rooted in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”.

Even nowadays, after all the billions of years that have elapsed since the announcement of the “Second Phase” of “THE HOLY PROJECT”, if you ask to those “CHOSEN ONES” who have taken side in this ongoing “CELESTIAL WAR”, to tell you something concerning “THE DIVINE”, IHVH, our FATHER, they will tell you everything that they know about HIM, and that they have learnt from the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”; and that is: NOTHING SUBSTANTIAL, the obscurity that they have fed themselves with, and you will very be disappointed. **AFTER ALL THESE BILLIONS OF YEARS! NOTHING!**

It is so that, as well, “THE CELESTIAL WAR” will continue its course in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain” which had become the new battleground of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, who will use the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” and the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creatures” as proxies in their works of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”.

The second manifestation of the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model, the second “CHOSEN ONE” manifested in the “Specific Energy ‘EARTHLY’

Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain” in which live “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, is the elder NOAH, of which we have already spoken about his birth in one previous chapter.

The birth of the elder NOAH, was a message sent by “THE DIVINE”, IHVH, our FATHER, and addressed to the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who were still accusing the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” for all this disaster in which the first “Specific Energy ‘EARTHLY’ Habitation Domain” was plunged into, and who have revived their cherished “nefarious and despicable shadow scheming”, that they had matured since the announcement of the “Second Phase” of “THE HOLY PROJECT” and had not given up to eradicate mankind from existence, believing that it is so that they were going to cleanse the state of “CHAOS” in which the first “Specific Energy ‘EARTHLY’ Habitation Domain” was. They had failed to understand that what they were seeing in the “Specific Energy ‘EARTHLY’ Substance” and manifested throughout those “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, was actually a reflection of what they, as “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, have hidden in “THE SEAT OF THE INTELLECT” in their “‘SPIRIT←SPIRIT’ Body”; thus, they knew not that, by destroying the mirror, thus by destroying their own reflection from the mirror, they were not going to change what has been sealed inside them.¹¹⁰³

The birth of the elder NOAH, was also a living message, contrary to a message written on a piece of frozen paper, and that “THE DIVINE”, IHVH, our FATHER, has sent to humanity and written throughout the descriptive particulars of the manifested child. We have already explained the content of that message in one previous annotation.

Since the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had destroyed the first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” and their offspring, they knew that a creature, in the likeness of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, and this will be their following, the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature”, will

¹¹⁰³ Do you remember the “Causal Precedence Relation of ‘THE CREATION’” between the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” and the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”? Its manifestation is a bit like what is meant by the saying “*the offspring are the reflections of what lies within their direct ascendants*”. The offspring are wonderful sounding boards, which send back the reactions, attitudes, remarks which are hidden inside their direct ascendants. They are immediately connected to the interior of their ascendants, and such knowledge about the manifestation of the “Causal Precedence Relation of ‘THE CREATION’” should help those ascendants become aware of what is inside them.

come to redeem “THE REDEMPTION CLAUSE” of the rigged “DEATH CONTRACT” against the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” and his offspring.

At all times, since the creation of the first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” until these days of today, whenever “THE DIVINE”, IHVH, our FATHER, sends “THE KNOWLEDGE OF THE DIVINE” to any particular “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” or to any “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature”, the Archangel MICHAEL and AZAZEL meet up, just like “good cop and bad cop”¹¹⁰⁴, around that particular “‘SPIRIT←LIGHT’

¹¹⁰⁴ The “good cop and bad cop” is a deceitful routine used by those standing in “IMPURITIES”, linked and working together but in opposition, in order to induce a desired behaviour from a third party. In this “good cop and bad cop” deceitful routine, the “bad cop” has an aggressive, negative stance towards the third party, making blatant accusations, derogatory comments, threats, and in general creating antipathy between the third party and himself. This sets the stage for the “good cop” to wear a convenience mask in order to act sympathetically, to appear supportive and understanding, and in general to show sympathy for the third party. The “good cop” will also defend the third party from the “bad cop”. The third party, forgetting its own “PLENITUDE”, may feel that it can cooperate and go in a boat trip with the “good cop” either out of trust or out of fear of the “bad cop”. The third party may then seek protection by and trusts the “good cop” and provides the response behaviour that the “good cop” seeks to obtain from this third party.

Similar to the “good cop and bad cop” deceitful routine, is the “carrot and stick” deceitful routine also used to induce a desired behaviour from one’s neighbour. The “carrot and stick” principle is this: the stick is tied to the bridle of a mule or donkey (in parables, a mule or donkey is the designation given to the human creature who is not aware of his own “PLENITUDE”), or held by the rider or cart driver (that is, the one who is pulling by the nose the human creature who is not aware of his own “PLENITUDE”) so that it extends above and in front of the mule or donkey’s head, and the carrot hangs on a string from the far end of the stick, just out of reach of the mule or donkey’s mouth. Attracted by the sight and smell, the mule or donkey steps forward to bite at the carrot, but of course, as it is attached to the stick, the carrot also moves forward and remains out of reach. Not especially brilliant, not aware of his own “PLENITUDE”, the mule or donkey repeats the same ineffective strategy ad infinitum, thereby pulling or carrying whatever or whomever it is laden with, until the poor animal (the status down to which the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have reduced the human creature) collapses from exhaustion.

Of course, these two descriptions are given in parables.

Records of the use of these deceitful routines are illustrated all over the Scriptures that human creatures have in their possession and that they call “Holy Scriptures”; the most renowned one is given in the record called the “Book of Job”, where the Archangel MICHAEL and AZAZEL were demonstrating their prowess in manipulating and using

human creatures as puppets in their ongoing “CELESTIAL WAR”. Throughout the whole of the “Book of Job”, the one who is referred to as “god”, also referred to as “lord”, is the Archangel MICHAEL, the self-proclaimed “god” who, using the “alter ego of names” had turned human creatures into his “servants” and has been working (successfully) to keep them asleep on the bed of ignorance about their own “PLENITUDE”; for, he, the Archangel MICHAEL, is the one who should be the “servant” of the human creatures and not otherwise. Recall what the one amongst these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, who had self-proclaimed to have outgrown in intelligence and wisdom, “THE DIVINE”, IHVH, our FATHER, had said openly and aloud, what all the others “ADONA’IM” hid in them and have been quietly thinking, before that the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” was even produced into existence, saying:

“... ”

Shall I tell you what I know? These “humans” that He proposes to create — we are to be their servants!

I have learned the Elohim’s purpose for these angels of water and dirt. It is they, and not we, He proposes to make the heirs of all that is.

I for one will never bow to serve a physical being!

“... ”

These “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, self-proclaimed “gods”, were thus in the process of applying what they had already decided to make of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”. It is so that, the human creature who was called “Job”, not knowing about his own “PLENITUDE”, was also kept under the yoke of slavery that the Archangel MICHAEL, through deceitful practices, had laid on all “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, and “Job” was abundantly fed with obscurity of the absence of “THE KNOWLEDGE OF THE DIVINE”. Many human creatures, before and after “Job”, and through whom “THE KNOWLEDGE OF THE DIVINE” was sent to “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, were destroyed in this way by these two “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”. Do not forget the content of that vision of the “blinded seventy shepherds”, which “THE DIVINE”, IHVH, our FATHER, had sent to the elder ENOCH, in those days before “THE FLOOD”, and when HE had said to the elder ENOCH: “... *Understand, and watch everything that the shepherds will do to these sheeps ...*”. And, by using the “alter ego of names”, these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have pinned the progeny of their own “IMPURITIES”, their own actions, on “THE DIVINE”, IHVH, our FATHER. They will not get away with all those murders that they have perpetrated during this “Second Phase” of “THE HOLY PROJECT”: these self-proclaimed “gods” will have to answer for their actions. AZAZEL and all those who have joined him will soon all be erased from existence, and they all know about it; as for the Archangel MICHAEL and his accomplices, only “THE DIVINE”, IHVH, our FATHER knows what HE will do with them. All that, which has been recorded in the whole “Book of Job”, are the works of ignorance, the works of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”; they have nothing to do with “THE DIVINE”, IHVH, our FATHER. Through such records, as laid in “Book of Job”, you will never come close to know about

‘EARTHLY’ Creature” or that “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature”, and through their “HUBRIS COVENANT” and by their rigged “DEATH CONTRACT”, which they have written against the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” and all his descendants, using, almost to letter, the same script that they have used on “ADAM” and “THE FEMALE”, having elevated that script up to making an art of deceiving, the Archangel MICHAEL and AZAZEL work to destroy that particular “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” or that “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” and “THE KNOWLEDGE OF THE DIVINE” it carries. They turn the life of that particular “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” or that “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” into “a living hell” on Earth, and as such they managed to deflect attention away from their own sins and they locked and broke the will of every creature locked up inside their two cutting edges “bitter bond”, bringing every creature to toe the line in one side or another: they oscillate the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” as well as the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creatures” trapped inside their two cutting edges “bitter bond”.

It is so that, with the passage of time, after the failure of the “FLOOD” project, in conformity with the content of that vision of the “blinded seventy shepherds”, which “THE DIVINE”, IHVH, our FATHER, had sent to the elder ENOCH, in those days before “THE FLOOD”, and when HE had said to the elder ENOCH: “... *Understand, and watch everything that the shepherds will do to these sheeps ...*”, many “‘LIGHT←LIGHT’ ‘EARTHLY’ Creatures” will be destroyed by these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, and those “‘LIGHT←LIGHT’ ‘EARTHLY’ Creatures” who will not be destroyed, will instead be submitted under the same yoke of servitude as the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” towards the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”.

As we have explained already, those who are akin to “THE SHEKINAH”, are also designated as “LAMPS”, or carriers of “*THE PRESENCE OF ‘THE SHEKINAH’*”, and, speaking by using the metaphor, it is said about these “LAMPS”, which are fed with obscurity — or ignorance, the absence of “THE KNOWLEDGE OF THE DIVINE” — that:

“...

If a lamp absorbs obscurity, then that lamp turns off and becomes obscurity; because the conditions of diffusion of the radiation of the

“THE DIVINE”, IHVH, our FATHER, and when that, which is called “nature” will be sealed in you, it will be too late for you to be able to change anything in you.

On the contrary, if a lamp does not absorb obscurity, but obscurity absorbs the radiation of the light diffused by that lamp, then the obscurity is illuminated; because the radiation of the diffused light spreads in the darkness.

”
.....

In addition, they managed to identify the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” who will be at the origin of that lineage: ABRAM, who later will be called ABRAHAM.

Several of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” that “THE DIVINE”, IHVH, our FATHER has maintained in the “Specific Energy ‘CELESTIAL’ Domain”, having kept communication links with their brethren who had been pulled out of the destruction in the “Specific Energy ‘CELESTIAL’ Domain” and immersed in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, have kept them posted.

Therefore, these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have laid their eyes on ABRAM, with the purpose to bring him down, just as they did with the first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” having the “MALE” adjective — and

who had been called “ADAM”, and meaning “The EYE of the ‘LIGHT’” — and also with much more others afterwards.

The “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” will be sowed in the “‘LIGHT←LIGHT’ Body” in the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” called ABRAM, who like all the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” and the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creatures” before him, was not aware of his own “PLENITUDE”.

In the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” that was sowed in him, to be the father of many, the elder ABRAM had a first progeny, a “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” having the “MALE” adjective, who was designated as ISHMAEL (meaning “Heard by El”), and descendant of ABRAM and HAGAR (with whom he was not married), a handmaiden of SARAH (who was the legitimate wife of the elder ABRAM). Many years after, the elder ABRAM had a second progeny, a “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” having the “MALE” adjective, who was designated as ISAAC (meaning “He who laughs”), and descendant of ABRAM and SARAH. It is from the elder ABRAM and these two offspring of him that the lineages of future “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” will be reckoned by the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” as the origin, as a turning point, of subsequent developments in this “Second Phase” of “THE HOLY PROJECT”. “THE KNOWLEDGE OF THE DIVINE” had long been forgotten since the murder of the firsts two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” and the “ADONA’IM” have already wrapped the whole CREATION in obscurity, in the “FATALITY”, caused by that “BETRAYAL” which they perpetrated against “THE DIVINE”, IHVH, our FATHER, on that afternoon of the Third Day of the implementation of the “Second Phase” of “THE HOLY PROJECT”.

It is so that, inside that obscurity, the elder ABRAM was not aware of his own “PLENITUDE”, and the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” that was sowed in him had sufficiently grown in him. The “ADONA’IM” had already managed to understand that it will be in the line of descent through the progeny of ABRAM and SARAH (who was the legitimate wife of the elder ABRAM), and who was designated as ISAAC, that will be manifested the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” who will come to redeem “THE REDEMPTION CLAUSE” of the rigged “DEATH CONTRACT” against the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” and his offspring.

It is so that, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” will take advantage and the Archangel MICHAEL will present to ABRAM a variant of the “DEATH

CONTRACT”: that of the sacrifice of ABRAM’s progeny who has the designation ISAAC. A description of those events concerning ABRAM and the sacrifice of ISAAC, bogged down in the web of the perverse purpose created by “FATALITY” in which the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have plunged “THE HOLY PROJECT” and using human creatures as their puppets, is part of the chronicles of the conflict of “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and in which they describe their prowess of the absence of “THE KNOWLEDGE OF THE DIVINE” and their works of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”.¹¹⁰⁵

Since the early days of the creation of the first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, after that the Archangel MICHAEL had cheated “ADAM”, defrauded “ADAM” and “THE FEMALE”, and all their descendants, of their “PLENITUDE” and transferred on to “ADAM” and on to all his descendants, the consequences of his own “BETRAYAL” against “THE DIVINE”, IHVH, our FATHER, and had imposed on them the perverse rituals of sacrifice of the “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creatures”, the ransom of “sin” that had perpetrated “ADAM” towards the Archangel MICHAEL, the price of the “favour” that the Archangel MICHAEL granted them by leaving them alive, and of which the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” were to rejoice in, it is so that, those perverse rituals of sacrifice the “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creatures” quickly moved onto rituals of sacrifices of, not just “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creatures”, but actual “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, under the leadership of those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” that had been immersed in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”.

Thus, that variant of the “DEATH CONTRACT” in which the Archangel MICHAEL requested that ABRAM sacrifices his progeny who has the designation ISAAC, to him, the Archangel MICHAEL who, using the “alter ego of names”, was presenting himself as “god”¹¹⁰⁶ and impersonating “THE DIVINE”, IHVH, our FATHER, was not anymore something unusual. The sacrifice (murder) of “‘SPIRIT←LIGHT’

¹¹⁰⁶ It is that self-declared “god” that you will find long and wide in the writings that humans have in their possession and that they call “Holy Scriptures” and that they say to be “THE WORD OF GOD”, thus implicitly referring to “THE DIVINE”, IHVH, our FATHER.

‘EARTHLY’ Creatures” for the pleasure of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” was already a “business as usual” affair, since they had derailed the course of “THE HOLY PROJECT”, billions years ago, with that “BETRAYAL” that they have perpetrated against “THE DIVINE”, IHVH, our FATHER, on that afternoon of the Third Day of the implementation of the “Second Phase” of “THE HOLY PROJECT”.

Furthermore, as we have indicated already, these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, wearing the masks of convenience (masks of sanity), have rolled up their sleeves and got on the job of implementing that “cunning idea”, coming from their “Council of Sages”, to lead the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creatures” to take side with them, and become in some sense “one of them”, or be destroyed, in their ongoing “CELESTIAL WAR”; they were doing what their “nature” is.

The Archangel MICHAEL, by asking the elder ABRAM to offer him as a sacrifice (murder) his progeny who has the designation ISAAC, thus revealed the perverse purpose that they, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, had set in motion; for, just as the rigged “DEATH CONTRACT” against the first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” concerned not only that first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, but concerned all his offspring, likewise, this variant of the “DEATH CONTRACT” presented to the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” called ABRAM, was not limited to him ABRAM, but had a more distant goal: prevent the coming of the “REDEEMER”.

Because, for the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, if the one who is at the origin of that lineage in which will be manifested that “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” who will come to redeem “THE REDEMPTION CLAUSE” of the rigged “DEATH CONTRACT” against the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” and his offspring, came to fall, as was the case with “ADAM”, then, it is the coming of the “REDEEMER” that will be thus jeopardized.

If the elder ABRAM was to fail to fulfill the request made to him by the Archangel MICHAEL who, using the “alter ego of names”, was presenting himself as “god” and had already succeeded in extracting ABRAM’s “promise” to sacrifice his progeny who has the designation ISAAC, then the Archangel MICHAEL was going to destroy ABRAM, and all his offspring, just as he had already done with the first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” which was called “ADAM”, and it was the coming of the “REDEEMER” that would have been put to “checkmate”.

If, on the other hand, the elder ABRAM was to fulfill the request made to him by the Archangel MICHAEL, then it will be the elder ABRAM himself who will

destroy all his own descendance and thus put an end to the coming of the “REDEEMER”: “checkmate”.

It is so that, from the top of the perch of their “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” were ready to take any action to stay there and also in order to outsmart “THE TRUTH” in order to conceal the “BETRAYAL” they had perpetrated against “THE DIVINE”, IHVH, our FATHER, and trying to justify the destruction of the first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

These “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” on both sides of the two warring parties of this ongoing “CELESTIAL WAR”, in the darkness inside the “HUBRIS Spiritual Veil” which was theirs and which was frozen like a mist on all of them, were now fighting around the elder ABRAM who could not perceive what was going on around him in the “Specific ‘SPIRITUAL’ Environment”. They were fighting on how to bring about the “checkmate” that will prevent the coming of the “REDEEMER”. One side was pushing ahead and fighting so that the elder ABRAM performs the sacrifice (murder, no matter with which words or in which languages these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” qualify it, in order to avoid offense and have a quiet conscience, it was about taking the life away of your neighbour, it was about the killing of an innocent human creature, in order to satisfy the needs generated by their “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”)¹¹⁰⁷ of his progeny who has the designation ISAAC; “checkmate”, through the destruction by oneself of own descendance. The other side was pushing ahead and fighting the opposite side so that the elder ABRAM does not perform the sacrifice; “checkmate”, through the destruction by application of those untold penalties coming from the Archangel MICHAEL who was just waiting to hold the elder ABRAM accountable for breaching his “promise”, and in this regard, “ADAM” and “THE FEMALE” know something

¹¹⁰⁷ It is no different from what you have heard or that you hear around you about the satanic gang initiation rituals of killing childrens in order to become “member of the club” and/or receive material wealth from those fallen “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” that have been locked underground in “THE DEPTHS OF THE WATERS” in the “Specific Energy ‘EARTHLY’ Substance” constituent of this first “Specific Energy ‘EARTHLY’ Habitation Domain” in which you live currently. Those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” on both sides of the two warring parties of this ongoing “CELESTIAL WAR”, including their human creature disciples, delight in their abominations. Using the “alter ego of names”, they have pinned the progeny of their own “IMPURITIES”, their own actions and abominations, on “THE DIVINE”, IHVH, our FATHER, and they have fed humanity with it. Such evil deeds will not go unanswered.

about such breach of “promise”, and that is, “Subjective Death”. Thus, the elder ABRAM was, in some sense, caught between the hammer and the anvil, and as for those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, they were about to bring out their famous line: “... *it was what had to happen, what had been written ...*”, in order to prevent the coming of the “REDEEMER”.¹¹⁰⁸

Any original product of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” is manifested by metaphor, once and only once, into existence in the attribute “NON DIVINE”, and is embedded in a creature produced through the application of one of the models that we have described so far. If such manifestation by metaphor of an original product was to be damaged or destroyed by other creatures as a result of their ignorance, then it will be the termination of existence for such manifestation by metaphor of an original product, if the damages that this manifestation by metaphor has undergone cannot be repaired. Such manifestation by metaphor, terminated of existence, will not be manifested a second time into existence inside the attribute “NON DIVINE”. Such termination of existence for such a manifestation by metaphor, in no way affects its pre-existing, which is the original product of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, and which is found in “THE DIVINE DOMAIN”. Such a termination of existence for such a manifestation by metaphor is thus a loss for the attribute “NON DIVINE”.

¹¹⁰⁸ As we have indicated already in one previous annotation, stay on your toes, when these elders of the creation will approach you and that, during conversations exchanges with them, they tell you that you have to prove your love for “THE DIVINE”, IHVH, our FATHER, for whatever reason, like they did with the elder ABRAHAM. If your hear these key words “... *prove this or that ...*”, “... *promise this or that ...*”, then without hesitation, tell them directly to “*take a hike*”, because the one who will ask you such thing has no consideration for “THE DIVINE”, IHVH, our FATHER. The hidden objective behind those key words “... *prove this or that ...*”, “... *promise this or that ...*”, is to chain you in the cage of ignorance, so that the plant of “THE KNOWLEDGE OF THE DIVINE” that is inside you, be destroyed, or bears no “fruits” at all, and hence, so that you find yourself in the same situation, if not a worse one, than the one in which they are themselves, the characteristics of which became part of their “nature”.

Read more in the section concerning the details of annotations — Annotation on the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and their “nefarious and despicable shadow scheming” of the destruction of the “specific spiritual formation” of “THE CHURCH” manifested through human creatures.

The only thing, which is required of you by “THE DIVINE”, IHVH, our FATHER, is that you be and remain “PURE” and “TRUTHFUL” TO “THE DIVINE FORCE”: that is the image of HIM, that you have received from “THE DIVINE FORCE”.

The Archangel MICHAEL had enough knowledge about this; he knew that everything, coming from “THE DIVINE”, IHVH, our FATHER, is produced once and only once into existence. The “DIVINE PRIMARY WEALTH”, which exist already inside “THE DIVINE DOMAIN”, and which are at the origin of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, and the names of grandeur of which they had adorn themselves with, will not be anymore manifested by metaphor into existence inside the attribute NON DIVINE”, once that those fallen “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” will be erased from existence. The same is valid with “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” and with “‘LIGHT←LIGHT’ ‘EARTHLY’ Creatures”.

It is so that, if it were to happen that one of the two “checkmate” situations occurred, in order to prevent the coming of the “REDEEMER”, then the destroyed “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” (in which case, it will be the elder ABRAM) in the “checkmate” situation of been destroyed by the Archangel MICHAEL, or the destroyed “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” (in which case, it will be the to be sacrificed progeny who has the designation ISAAC) in the “checkmate” situation of oneself destroying own descendance, will not be manifested a second time into existence inside the attribute NON DIVINE”. This means that, if it were to happen that one of the two “checkmate” situations occurred, in order to prevent the coming of the “REDEEMER”, then it will be terminated with any possible redeem of “THE REDEMPTION CLAUSE” of the rigged “DEATH CONTRACT” against the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” and his offspring: FULL STOP!

After the “BETRAYAL” which the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had perpetrated against “THE DIVINE”, IHVH, our FATHER, on the afternoon of the Third Day of the implementation of the “Second Phase” of “THE HOLY PROJECT”, and which derailed the implementation of “THE HOLY PROJECT”, this “checkmate” situation, in order to prevent the coming of the “REDEEMER”, was a decisive turning point in the course of the task to save what could be saved of the “Second Phase” of “THE HOLY PROJECT”, and for the continuation or not of the implementation of “THE HOLY PROJECT”.¹¹⁰⁹

¹¹⁰⁹ When you read the records of the writings, about the elder ABRAM and the sacrifice of ISAAC, that humans have in their possession, that they call “Holy Scriptures” and that they say to be “THE WORD OF GOD”, thus implicitly referring to “THE DIVINE”, IHVH, our FATHER, everything has been recorded under the censorship of “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, in order to keep human creatures asleep on the bed of ignorance and so that they never come to understand that, it was their very existence that was truly at

Such vicious and evil works of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, in which these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have kept themselves busy with, since the announcement of the “Second Phase” of “THE HOLY PROJECT”, is a progeny of “THE SEAT OF THE INTELLECT” where “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” is absent, that is subjected to the Governing Law of the Behavior, and stands in “DISGRACE”, “IMPURITIES”, and “LIES”.

After all the backstabbing and betrayals that he had to undergo on the part of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” on both sides of the two warring parties of this ongoing “CELESTIAL WAR”, and who also used the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” as puppets, in their endeavour to bring down the one who is at the origin of this lineage in which will be manifested that “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” who will come to redeem “THE REDEMPTION CLAUSE” of the rigged “DEATH CONTRACT” against the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” and his offspring, the elder ABRAM,

stake. Those blood sacrifice rituals, in all their forms, have been recorded in many scriptures, which feature such vicious and evil works of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, in which these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have kept themselves busy with, in a bright light as “noble deeds”, while they are not: they are the works of criminals, they are works that denote supreme evil, wickedness, perversity, and do not conform to morals; these are the most heinous crimes that can be perpetrated. Remember that all these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, who have declared themselves to be the “most intelligent children” of IHVH, on both sides of their ongoing “CELESTIAL WAR”, were present when the seventh decree of the implementation of the “Second Phase” of “THE HOLY PROJECT” was emitted into existence and they have all heard and understood its content: “*LET US CREATE THE ‘SPIRIT←LIGHT’ ‘EARTHLY’ CREATURE IN OUR IMAGE!*”. “OUR IMAGE” as you have already understood, is about the “IMAGE” of “THE DIVINE”, IHVH, our FATHER, as well as, the “IMAGE” of “THE DIVINE FORCE” — that “FORCE” there, which these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had NO KNOWLEDGE about and that had held “THE CELESTIAL HOST” in unity, as these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” understood it, before the announcement of the “Second Phase” of the implementation of “THE HOLY PROJECT”. By inflicting such cruel deeds to that, which has been created in the “IMAGE” of FATHER as well as in the “IMAGE” of MOTHER, what does it tell about what those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have against your (our) FATHER? Remember the content of that vision about the “blinded seventy shepherds”, which “THE DIVINE”, IHVH, our FATHER, via “THE DIVINE FORCE” has sent to the elder ENOCH in those days before “THE FLOOD”. The content of that vision about the “blinded seventy shepherds” is what has been unfolding repeatedly, like in a close loop, since those days and is ongoing even nowadays: write the content of that vision about the “blinded seventy shepherds” in the table of your heart.

had already resolved to stand firm with “THE DIVINE”, IHVH, our FATHER, and he did not know that the one who had squeezed out of him the “promise” of sacrificing his progeny who has the designation ISAAC, was not “THE DIVINE”, IHVH, our FATHER.

From the education that “THE DIVINE FORCE” was providing him, without that he was aware of it, the elder ABRAM understood from the deepest of “THE SEAT OF THE INTELLECT” in his “‘LIGHT←LIGHT’ Body”, that “THE DIVINE”, IHVH, our FATHER will never betray him. Thus, the elder ABRAM had resolved to hold firm with “THE DIVINE”, IHVH, our FATHER, of whom he had no knowledge, and since he had been also fed abundantly with obscurity from the Archangel MICHAEL and all others “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, to the point that the elder ABRAM could not look toward his own “PLENITUDE”, he had not yet understood that “THE DIVINE”, IHVH, our FATHER is “ABSOLUTE PURITY” AND HE DOES NOT DO WHAT IS NOT IN HIS “NATURE”, the elder ABRAM had not understood that, the unique and only covenant between “THE DIVINE”, IHVH, our FATHER and all His creatures that are inside the attribute “NON DIVINE”, is “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”; it is “THE HOLY COVENANT”.

Have you ever heard that “THE DIVINE”, IHVH, our FATHER had said one first thing in the morning and before that the afternoon ended HE said a second thing that goes at the opposite direction of the first thing HE had said in the morning? Before that the attribute “NON DIVINE” was produced into existence, “THE DIVINE”, IHVH, our FATHER had already established “THE HOLY COVENANT” between HIM and the attribute “NON DIVINE” (and all what the attribute “NON DIVINE” will contain). Thus, if someone shows up in front of you, claiming to be “god”, and tells you that he will make a covenant with you about this or about that subject, then, before you sit down at the table of deceptions to taste the dishes and delicacies of obscurity and with their delightful appearances, which will be served to you to keep you asleep even more on the bed of ignorance, remember that “THE DIVINE”, IHVH, our FATHER has one and only one covenant with His creatures: “THE HOLY COVENANT” — “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”.

“THE DIVINE FORCE” walked alongside the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” called ABRAM, and protected him throughout the work that he was achieving, thwarting traps that the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” — both the elders of the creation, that “THE DIVINE”, IHVH, our FATHER has maintained in the “Specific Energy ‘CELESTIAL’ Domain”, and those who had been immersed in the “Specific Energy ‘EARTHLY’ Substance” constituent of the

first “Specific Energy ‘EARTHLY’ Habitation Domain” — were laying on his path. Being unaware of his own “PLENITUDE”, ABRAM knew not that it is “THE DIVINE FORCE” who assisted and educated him.

Thus, in its resolution to hold firm with “THE DIVINE”, IHVH, our FATHER, the elder ABRAM will go to the place of the sacrifice, which had been indicated to him by the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” that “THE DIVINE”, IHVH, our FATHER has maintained in the “Specific Energy ‘CELESTIAL’ Domain”, in order to fulfill the “promise” which the Archangel MICHAEL had squeezed out of him, using the “alter ego of names”, and presenting himself as “god”.

The “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” on both sides of the two warring parties of this ongoing “CELESTIAL WAR”, were anxious to see their desires become realities, to see their wicked design concerning the “checkmate” of the coming of the “REDEEMER” come true.

It was then that, in the darkness inside the “HUBRIS Spiritual Veil” which was theirs and which was frozen like a mist on all the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, one of the most intelligent among the “ADONA’IM”, the Archangel GABRIEL, the second in command who assisted the Archangel MICHAEL in their hierarchy of communication and who had filled the vacant post left by AZAZEL when he had been dismissed from all duties in the “Specific Energy ‘CELESTIAL’ Domain”, had a moment of clarity, a “revival of consciousness”, he was illuminated by “THE DIVINE FORCE” in order to prevent the murder that was about to take place and to be perpetrated by elder ABRAM.

And the Archangel GABRIEL, remembered the first sacrifice of a “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creature”, the lamb that the Archangel MICHAEL had slaughtered and poured the blood in front of the firsts two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” and in front of “THE CELESTIAL HOST” stunned who was observing.

It is thus that, the Archangel GABRIEL went forward and prevented the elder ABRAM from carrying out this despicable sacrifice; the Archangel GABRIEL thus prevented the “checkmate” expected by these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” from being realized, and whose intention was to put an end to the coming of the “REDEEMER”. That heroic action from Archangel GABRIEL, at that decisive turning point in the course of the task to save what could be saved of the “Second Phase” of “THE HOLY PROJECT”, will be taken into consideration at the appointed time, when these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” will receive the retribution to the consequences of that “BETRAYAL” that they have

perpetrated, all of them, against “THE DIVINE”, IHVH, our FATHER, and all their iniquities.

It is so that, the Archangel GABRIEL, having prevented the elder ABRAM from carrying out that despicable sacrifice, subsequently gave him a “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creature”, a lamb, to be later used as sacrifice instead.¹¹¹⁰

Just as the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” could not anymore perceive the “Specific ‘SPIRITUAL’ Environment” external and immediate around them, as a result of the “BLOW OF DEATH” that the Archangel MICHAEL had struck on the “Specific ‘EARTHLY←SPIRITUAL’ Frontier” which separates the “Subjective ‘EARTHLY’ Garment” from the “‘SPIRIT←LIGHT’ Body” of each of the firsts two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, and consequently could no longer perceive the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who were around them, likewise, all these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” cannot perceive “THE DIVINE FORCE” who is present everywhere and observes them.

It is thus that will fail all variants of the “DEATH CONTRACT” which were presented to ABRAM, who later will be called ABRAHAM. He lived all the days of his life in the first “Specific Energy ‘EARTHLY’ Habitation Domain” and will not know the “Subjective Death”, and he will be raised in the air and sent to the “Plane Above” on the instruction of “THE DIVINE”, IHVH, our FATHER.¹¹¹¹

It was only a postponement for the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who this time, will set their sights on the potential “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” to redeem “THE REDEMPTION CLAUSE” of the rigged “DEATH CONTRACT” against the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

As we have already pointed out, “FATALITY”, caused by that “BETRAYAL” which the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had perpetrated against “THE DIVINE”, IHVH, our FATHER, on the afternoon of the Third Day of the implementation of the “Second Phase” of “THE HOLY PROJECT”, has not only tied everything in the web of evil and perverse purpose of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” that the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have grown in their “‘SPIRIT←SPIRIT’ Body” and which became an integral part of their “nature”,

but has also locked everything in the “HUBRIS Spiritual Veil”; every creature into existence inside of this “HUBRIS Spiritual Veil” seeking to satisfy the “fame of oneself”, and to the detriment of “THE DIVINE”, IHVH, our FATHER.

At the end of the implementation of the “First Phase” of “THE HOLY PROJECT”, the plant of “THE KNOWLEDGE OF THE DIVINE” in “The ALTAR of ‘THE DIVINE’” inside the “‘SPIRIT←SPIRIT’ Body” of “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” in the “Specific Energy ‘CELESTIAL’ Domain”, had been appraised and found to be little; because the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had sent to oblivion all the fertilizer that “THE DIVINE FORCE” provided them and thus these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had no knowledge about the ins and outs of “THE HOLY PROJECT”.

The deficiency of “THE KNOWLEDGE OF THE DIVINE” that had taken place in “THE SEAT OF THE INTELLECT” in the “‘SPIRIT←SPIRIT’ Body” of “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” in the “Specific Energy ‘CELESTIAL’ Domain” inside the attribute “NON DIVINE”, had not been rectified, but it has worsened and has been transmitted to the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” who made of that their rituals and precepts; because they no longer remember their “PLENITUDE” and “THE CELESTIAL WAR” was following its course in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”.

It is for the purpose to make understand this perverse purpose of that “FATALITY”, caused by that “BETRAYAL” which had perpetrated against “THE DIVINE”, IHVH, our FATHER, and to warn “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” to stay away from the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, that “THE DIVINE FORCE” had sent to ENOCH, the vision about this “FATALITY”, and that he had then, reported in the writings that he had given to humanity by saying:

“...

From there, I crossed in another place of terror.

There I saw the work of a huge fire, burning and consuming, in the middle of which there was a division.

And columns of fire were fighting each other and they were sinking into the abyss.¹¹¹²

And it was impossible for me to estimate its size or its height; I could not know its origin.

And I called out again at this sight:

“

What a terrible place, that it is difficult to probe the mysteries!

”

...”

All the filth and the mark of “DEATH” that the Archangel MICHAEL had pulled out of the destruction in the “Specific Energy ‘CELESTIAL’ Domain” and immersed in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain” in which live “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, and which were the real source responsible for the state of “CHAOS” of the entirety of this “Specific Energy ‘EARTHLY’ Substance”, contrary to the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”, had increased beyond all proportions amongst the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”.

All the filth and the mark of “DEATH” were always present and immersed in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”. And the situation of the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain” was worse than it had been so far.

With the passage of time, several “‘LIGHT←LIGHT’ ‘EARTHLY’ Creatures” who have been made manifest into existence after ABRAHAM, will be destroyed, those who were not, will be instead submitted under the same yoke of servitude as the

¹¹¹² Was said to lead to understand that “THE CELESTIAL WAR” will continue its course in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain” which had become the new battleground of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, who will use the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” and the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creatures” as proxies in their works of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”. They all continue to sink into the depths of the absence of “THE KNOWLEDGE OF THE DIVINE”.

“‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” towards the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”.

It is so that, obscurity — who “ascended on its own throne” inside the “HUBRIS Spiritual Veil”, on that afternoon of the Third Day of the implementation of the “Second Phase” of “THE HOLY PROJECT”, and who is thus also called the “King of the SOUTH”, in the same line of interpretation as that associated with that tree which is in the “SOUTH”, which we have described already concerning the crime scene on the firsts two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” in one previous chapter, and the “fruits” of which were recommended by the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” to the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”; also called the absence of “THE KNOWLEDGE OF THE DIVINE”, also called the “abyss”, of which the elder ENOCH has referred to in those writings that he recorded for humanity; also called the “antichrist” (i.e., obscurity) as opposed to the “LIGHT”, the “LIGHT” in ancient language is written using the group of articulated sounds with which the word “CHRIST” is associated — was ruling with a mighty hand over its subjects.

The kingdom of this “King of the SOUTH” is that *“terrible place, that it is difficult to probe the mysteries”* and which was shown to the elder ENOCH, of whom METHUSELAH is the descendant. That kingdom of this “King of the SOUTH” is constituted by:

1. All that, which is contained inside the “HUBRIS Spiritual Veil” which was owned by “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and which was frozen like a mist on all of them and has extended to engulf all “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” and even has extended on to, and had swallowed, some of those “‘LIGHT←LIGHT’ ‘EARTHLY’ Creatures” who have been tasked to bring the rays of “THE TRUTH SUN” inside that frozen mist caused by the “HUBRIS Spiritual Veil”, in order to shed light on the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”.
2. The web of “FATALITY”, caused by that “BETRAYAL” which the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had perpetrated against “THE DIVINE”, IHVH, our FATHER, on the afternoon of the Third Day of the implementation of the “Second Phase” of “THE HOLY PROJECT”.

The army of this “King of the SOUTH” is constituted by its soldiers who are all those who, at all times, carry with them weapons of “DEATH”. Those weapons of “DEATH” for which they stand for and firmly believe in, are called: “DISGRACE”, “IMPURITIES” and “LIES”, in all their forms. The offspring of those soldiers of

this “King of the SOUTH” are called: “INCOMPREHENSION”, “OBSCURITY”, and “HATRED”, in all their forms. They run wild at their works throughout the country roads sowing the “seeds” of “LACK OF INTELLIGENCE”, “IMPERFECTION” and “CHAOS”, and the trail that they leave behind them is paved with destruction and ruin.

The victims and worshipers of this “King of the SOUTH” include all those who feed themselves with obscurity, the “fruits” of that tree which is in the “SOUTH”; in parables, it is said about those who feed themselves with obscurity, that: they eat from the king’s provisions, they eat of the portion of his delicacies. The princes¹¹¹³ of the kingdom of this “King of the SOUTH” are those members and

¹¹¹³ As we have already indicated in one previous annotation, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” used this word, “prince”, to qualify the “ADONA’IM”, those of them who were the “decision makers” concerning the way in which they had established themselves to lead “THE HOLY PROJECT”; for they had spoken to each other, that they are called the Sons of IaHVeH, and as such they have made the decisions by themselves to exert their freedom to do what they want, their freedom to run wild at their own works. They had sent to oblivion, for ages and before the announcement of the “Second Phase” of the implementation of “THE HOLY PROJECT”, all the teachings that “THE DIVINE FORCE” had given them and thus these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, not possessing any elements of “THE ‘LIGHT’ REASON” in them, they also had no knowledge of the ins and outs of “THE HOLY PROJECT” of which they had established themselves to lead by themselves. Moreover, they had already destroyed the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” that was designed so that it communicates directly (through “THE DIVINE FORCE”) with “THE DIVINE”, IHVH, our FATHER, and pass on instructions to these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”.

It is about these “princes”, who do not possess any element of “THE ‘LIGHT’ REASON” in them, that you will read in the writings that the elder ENOCH, of whom METHUSELAH is the descendant, had given to mankind. These are in fact the “princes” of obscurity, the “princes” of ignorance, the “princes” of the absence of “THE KNOWLEDGE OF THE DIVINE”, they are the troublemakers who like to reign, the “princes” of the kingdom of the “King of the SOUTH”. Nowadays, they use another word, instead of the word “prince”, to qualify themselves: namely, they qualify themselves using the word “SUPREME”; “SUPREME” in what? I do not know, given that they stand in their own “IMPURITIES” and deceit. “THE DIVINE FORCE” who has produced the attribute “NON DIVINE” into existence and who works for the good of “THE DIVINE”, IHVH, our FATHER, by producing all things on HIS instruction, SHE has never adorned Herself with all these qualifiers, SHE has never adorned Herself with the qualifier of “SUPREME”; but it is rather those who do not even know how they entered into existence in this attribute “NON DIVINE” who adorn themselves with the qualifier of “SUPREME”. I can reveal you so many things about these “ADONA’IM”, that you will hardly believe it; just stand in the “PURITY” and work to achieve unity with “THE DIVINE FORCE”, because you possess the

leaders of those two “Council of Sages”, that we have mentioned in one previous chapter.

In the kingdom of this “King of the SOUTH”, two other kings rose thereafter, each hogging a part of the territory of the kingdom of this “King of the SOUTH” and forming two kingdoms within the kingdom of this “King of the SOUTH”¹¹¹⁴; these two other kings are thus the heads of the two “Council of Sages” in “THE CELESTIAL WAR”, which is the internal war taking place in the very inside of the kingdom of this “King of the SOUTH” and, which follows its course in the new battlefield. The two kingdoms, which were formed from the territory of the kingdom of this “King of the SOUTH”, are the two warring parties of this ongoing “CELESTIAL WAR”. These two kings, the heart full of “MALICE”, also spoke deceitfully at the same table, that is, they agreed between themselves on a

elements of “THE ‘LIGHT’ REASON” in you, and you will come by yourself to see those many things taking place within the kingdom of the “King of the SOUTH”.

¹¹¹⁴ Do you recall the conversation that AZAZEL had held with the Archangel ZA’AFIEL and through which AZAZEL, talking about the fulfilment of their true potential that he defined to be “Rulership” — Rulership of themselves, and of each other, and of the Kingdom itself; for, they were called the Sons of IaHVeH —, was trying to corrupt ZA’AFIEL? AZAZEL had held that same conversation with several others “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and had corrupted them as much as possible. He was talking aloud, what all the others “ADONA’IM”, including the Archangel MICHAEL, hid in themselves and had been quietly thinking. Those conversations, through which AZAZEL was laying his business case and getting stakeholders (those “ADONA’IM” and many of the most seniors archangels) on board of his own “nefarious and despicable shadow scheming”, were the foundations and initiation to the birth of these two kingdoms within the kingdom of this “King of the SOUTH”. The Archangel MICHAEL, at the opposite of AZAZEL, was also busy laying his own business case and also getting stakeholders (those “ADONA’IM” and many of the most seniors archangels) on board of his own “nefarious and despicable shadow scheming”.

deceitful covenant, they are bound by their “HUBRIS COVENANT” and by their rigged “DEATH CONTRACT”, which they have written against the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” and all his descendants, and with which these two kings will work to destroy any “KNOWLEDGE OF THE DIVINE” that will be sent on a “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”; but this has not succeeded, for, the end of this “King of the SOUTH” must come at the appointed time, and in this they have no power to prevent it, for, what has been decreed will be executed.

In the kingdom of this “King of the SOUTH”, in addition to the two other kingdoms that have been formed, two other new kingdoms have formed, each of these two new kingdoms being subservient respectively to the two preceding kingdoms and whose kings are the heads of the two “Council of Sages”. These two other new kingdoms are the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” which, according to their convictions, choose one side or the other of the two warring parties of this ongoing “CELESTIAL WAR”. In parables, the small groups among the undecided “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, inside this vast kingdom of this “King of the SOUTH”, are called: the islands or the islets, depending on their size. As for all the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” which are held captive within the kingdom of this “King of the SOUTH”, they are described as: the people.

About the Archangel MICHAEL, the fact that he had been assigned the task to lead and facilitate the good implementation of the “Second Phase” of “THE HOLY PROJECT”, and that in addition he had been given the task to choose for himself a “Character” and that was used for the “Subjective ‘EARTHLY’ Garment” for all the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, it is said in parables that: “*the Archangel MICHAEL stands alongside the people*”.

“THE KNOWLEDGE OF THE DIVINE” — also called the “King of the NORTH”, in the same line of interpretation as that associated with that tree which is in the “NORTH”, which we have also described already concerning the crime scene on the firsts two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” in one previous chapter, and the “fruits” of which are the knowledge gained (also called the “outcomes”, the “products”, the “achievements”) by “THE DIVINE FORCE” in Her office inside “THE DIVINE DOMAIN” and concerning “THE DIVINE”, IHVH, our FATHER; those “fruits” that these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” made commandment to the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” to stay away from, under the penalty of “DEATH” — has been sent to oblivion long time ago by

the subjects of the “King of the SOUTH”, and before the creation of the first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”.

The kingdom of the “King of the NORTH” is all that, which is outside the “HUBRIS Spiritual Veil” which was owned by “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and which was frozen like a mist on all of them, and which is outside of the web of “FATALITY”, caused by that “BETRAYAL” which the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had perpetrated against “THE DIVINE”, IHVH, our FATHER, on the afternoon of the Third Day of the implementation of the “Second Phase” of “THE HOLY PROJECT”.

The sons of the “King of the NORTH”, for he has only sons and no girls, are all the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creatures”, also called “SONS OF LIGHT”, who have been tasked to bring the rays of “THE TRUTH SUN” inside that frozen mist caused by the “HUBRIS Spiritual Veil”, in order to shed light on the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”; these “SONS OF LIGHT” have been tasked to sustain the COMBAT against the “King of the SOUTH”, who is the adversary of the “King of the NORTH”. They were not instructed to take part in the internal struggles between the factions of the kingdom of the “King of the SOUTH”, and they are not ambassadors sent to the “King of the SOUTH”, but they are rather responsible to fight against the “King of the SOUTH”, and for the cause of the “King of the NORTH”. Indeed, as we have explained already:

“THE WILL” OF “THE DIVINE”, IHVH, OUR FATHER, IN HIS VARIOUS FORMS, AND THE WILL OF ANY THING OTHER THAN “THE DIVINE”, IHVH, CANNOT COEXIST IN THE SAME “ALTAR OF ‘THE DIVINE’”.

As we have also explained previously, no “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” is descendant of a “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” having the “MALE” adjective and will never be; but it is in a specific “LINEAGE” of “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” that the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” will appear into existence and begin the project for which “THE DIVINE”, IHVH, our FATHER chose him. In parables, it is said about this that:

“...

The daughter of the “King of the SOUTH” went to the “King of the NORTH” to make deals. But she will not retain the support of any arms and her offspring will not subsist.

...”

The multitude of the “King of the NORTH” are all forms of “THE KNOWLEDGE OF THE DIVINE” in their details in relation to the ins and outs of “THE HOLY PROJECT”; it is that knowledge gained (also called the “outcomes”, the “products”, the “achievements”) by “THE DIVINE FORCE” in Her office inside “THE DIVINE DOMAIN” and concerning “THE DIVINE”, IHVH, our FATHER, and that “THE DIVINE”, IHVH, our FATHER, has chosen to share with the attribute “NON DIVINE”, at the inception of “THE HOLY PROJECT”.

In this ongoing fight between the “King of the SOUTH” against the “King of the NORTH”¹¹¹⁵, the people — that is, those held captive inside the kingdom of the

¹¹¹⁵ This ongoing fight between the “King of the SOUTH” against the “King of the NORTH”, started at the announcement of the “Second Phase” of the implementation of “THE HOLY PROJECT”. Billions of years later, “THE DIVINE”, IHVH, our FATHER had indicated it by communication through visions sent to Daniel, using the words and things that were familiar to him, and which he recorded and gave to humanity, as recorded in the book of Daniel: Daniel 10, Daniel 11, and Daniel 12.

We have now given out the essential elements that will allow you (who is reading these writings) to interpret and understand by yourself, the content of those visions, which were sent to Daniel, billion years ago. Yes, billion years ago! And, about the “why?” of billions years, that is part of those things that you will understand once you leave this earthly world.

In those visions that were sent to Daniel, the presence of the Archangel MICHAEL, is there to indicate that he is the central figure spoken about in those visions. He is the self-declared “god” above the other self-declared “gods”; he is that “god” of the “gods”, and the “King of the NORTH” has revealed astonishing things about this “god” of the “gods”. They thought that they have outsmarted “THE TRUTH”, forgetting that they are mere creatures and nothing escapes the sight of “THE EYE OF THE DIVINE”.

What is the meaning of the word “DANIEL”? Who are those concerned by the JUDGMENT that is on the horizon? Indeed, the time of anguish has already begun for the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and concerning the retribution to the consequences of that “BETRAYAL” that they have perpetrated, all of them, against “THE DIVINE”, IHVH, our FATHER, and all their iniquities. It will be a time of anguish such that it has not happened since a nation exists, until the time marked for the end, because it must come at its appointed time. **REMEMBER THE CONTENT OF THE VISION OF THE BLINDED SEVENTY SHEPHERDS!** Have you ever heard that anything said by “THE DIVINE”, IHVH, our FATHER, did not come to pass?

“...

Of all the destruction brought about by each of the shepherds there will be accountability; and according to the number I will cause a recital to be made before me, how many they have destroyed of their own volition, and

“King of the SOUTH” — of those who have heard about the “King of the NORTH” and who want to approach him, acts firmly, and the “thoughtful people” amongst this people, that is, the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” who have understood the revelations that have been given throughout this “BOOK OF FORMATION”, and who chose to stand and hold their ground in “PURITY”, will instruct a multitude, although they are under the captivity and spoliation of the “King of the SOUTH”. Among the “thoughtful people” of the people, many have already fallen and many will fall, but it is in order to be refined, rid of the filth and bleached until the time marked for the end, because it must come at its appointed time.

Although those “‘LIGHT←LIGHT’ ‘EARTHLY’ Creatures” were under the same yoke of servitude as the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, “THE DIVINE FORCE” had never ceased to speak to the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creatures”, and without that, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” could not see Her. In “ABSOLUTE ‘PURITY’” and in “HOLINESS”, “THE DIVINE”, IHVH, our FATHER, and “THE DIVINE FORCE” have kept fighting for the existence of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, for the continuation of “THE HOLY PROJECT”.

“PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” is “THE HOLY COVENANT” between “THE DIVINE”, IHVH, our FATHER and His creatures, and the “DIVINITY” of the “King of the NORTH” is “THE DIVINE

how many they have delivered up to destruction, that I may have this testimony against them; that I may know all their proceedings; and that, delivering the sheeps to them, I may see what they will do; whether they will act as I have commanded them, or not.

Of this, however, they shall be ignorant; neither shall you make any explanation to them, neither shall you reprove them; but there shall be an accountability of all the destruction done by them in their respective seasons.

...

The “King of the NORTH”, who had returned for a time in his kingdom, has set up a large crowd, and gathered up his chariots, his riders and many ships for the last fight. The chariots, the riders and the many ships of the “King of the NORTH”, are metaphors of “THE KNOWLEDGE OF THE DIVINE” in its details, and that are sent to the people so that each “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, by acquiring them, may by itself fight the “King of the SOUTH” and get rid of the “garment of ignorance”.

FORCE”, who, so far, has remained unknown to all “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and to all “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”.

In this ongoing fight between the “King of the SOUTH” against the “King of the NORTH”, and in all the confusion generated by the “alter ego of names” that the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” were using, no creature, whether the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” or even the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creatures”, could make the difference between:

- “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”, and
- The “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” which had trampled and replaced the innocence of “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”.

It is “THE DIVINE FORCE” alone who provides the temperature and the enlightenment intensity, that is, the illumination — “THE LIGHT” which allows to discern that, which conforms to the specifications that “THE DIVINE ARCHITECT AND PROJECT MASTER” has defined — and all creatures have sent Her to oblivion.

Similarly, of the tasks that “THE DIVINE FORCE” assigns to the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” so that they can grow in “THE KNOWLEDGE OF THE DIVINE”, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” bogged down in “THE FATALITY” caused by that “BETRAYAL” which they had perpetrated against “THE DIVINE”, IHVH, our FATHER, on the afternoon of the Third Day of the implementation of the “Second Phase” of “THE HOLY PROJECT”, and which has tied everything in the web of evil and perverse purpose of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, will tell to the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” that it is through these tasks that creatures will “SERVE” “THE DIVINE”, IHVH, our FATHER, indicating thereby their ignorance about “THE HOLY PROJECT” and its origin and its ins and outs.

Therefore, the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” as well as the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creatures”, could not make the difference between the “CHILD” and the “Servant”, between:

- Education in “THE KNOWLEDGE OF THE DIVINE” in “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” and so that

“THE DIVINE”, IHVH, our FATHER be revealed and known in the attribute “NON DIVINE”; and

- Servitude towards the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” in the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” which had trampled and replaced the innocence of “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”.

The tasks that “THE DIVINE” assigns to his “CHILD” are assigned for the purposes of the education of that “CHILD”, so that he grows up and comes to know “THE DIVINE”, IHVH, our FATHER. You must look at this from the perspective of a FATHER who is educating his “CHILD”, through the tasks that are assigned by a FATHER to his “CHILD” and not from the perspective of “SOMEONE” who is serving “THE DIVINE”; for, you are not able to serve “THE DIVINE”, his “HAND” produced the “Specific Energy ‘EARTHLY’ Substance” in which you were carved into existence.

Observe a “Specific Energy ‘EARTHLY’ Substance”-water droplet and its properties all around you and look closely at the atomic and molecular scale. Can you (who are reading these writings) bring into existence, and out of nowhere, a single atom of a molecule of that “Specific Energy ‘EARTHLY’ Substance”-water droplet?

Do you have an idea of the amount of work that “THE DIVINE ARCHITECT AND PROJECT MASTER” and “THE DIVINE FORCE” have accomplished in “THE HOLY PLACE”, from all eternity before that “THE HOLY PROJECT” was even the object of a project?

Do you have an idea of the amount of work that “THE DIVINE ARCHITECT AND PROJECT MASTER” and “THE DIVINE FORCE” have done to achieve “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”?

Do you have an idea of the amount of work that “THE DIVINE ARCHITECT AND PROJECT MASTER” and “THE DIVINE FORCE” have done to plan “THE HOLY PROJECT” in all its details and from the products of the unique “DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”?

Do you think that with “THE DIVINE ARCHITECT AND PROJECT MASTER” and “THE DIVINE FORCE” at His disposal, and BEING HIS OWN POSSESSION, then, “THE DIVINE”, IHVH, our FATHER will have some need to use as “Servants”, creatures who are into existence in the attribute “NON DIVINE” and who know not even how they came into existence?

Do you think that as “Servants” you will take part in the indescribable joy, the ineffable gladness, and immeasurable state of equilibrium that “THE DIVINE”, IHVH, our FATHER has chosen to share with the attribute “NON DIVINE”? NO!

The work that “THE DIVINE” undertakes to perform, does not belong to the “Servant” who has no knowledge of the purposes for which “THE DIVINE” would have assigned him that work; the “Servant” is working to get a salary and he expects compensation, recognition, of the work that he has accomplished.

The “CHILD” has been created into existence so that it can grow up in “THE KNOWLEDGE OF THE DIVINE” and take part and has access to the indescribable joy, the ineffable gladness, and immeasurable state of equilibrium that “THE DIVINE” has chosen to share with the attribute “NON DIVINE”, and as “THE DIVINE ARCHITECT AND PROJECT MASTER” had designed it, in “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”.¹¹¹⁶

Therefore, “THE DIVINE”, IHVH, our FATHER has established to enlighten the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” and the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creatures”, so that they can understand “THE FIRST LAW”, “THE FIRST RULE OF EXISTENCE”, “THE FIRST COMMANDMENT” established by “THE DIVINE”, IHVH, our FATHER, and so that the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” understand who they are and retrieve their “PLENITUDE”.

It is so that, that “THE DIVINE”, IHVH, our FATHER chose the appropriate convergence point defined in “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” and on which the “PROJECT OF THE DECALOGUE” was established.¹¹¹⁷

With the passage of time, the “ADONA’IM” in their “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, have managed to understand that the conditions were met for the manifestation into existence of a potential

¹¹¹⁶ You, as human creatures, are truly children of “THE DIVINE”, IHVH, our FATHER. Stand in “PURITY” and restore your “PLENITUDE”! Let no one take away off you your status of “CHILD” of “THE DIVINE”, IHVH, our FATHER. Those who were demoted to the status of “SERVANT” know themselves how they got in that situation; it is their situation, do not let them drag you into it. Remember this proverb: “The wise servant will supplant a son who is a source of shame and he will share the inheritance with the brethren.”

“‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” to redeem “THE REDEMPTION CLAUSE” of the rigged “DEATH CONTRACT” against the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

Just as the news had circulated in the case of ABRAHAM, several of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” that “THE DIVINE”, IHVH, our FATHER has maintained in the “Specific Energy ‘CELESTIAL’ Domain”, having kept communication links with their brethren who had been pulled out of the destruction in the “Specific Energy ‘CELESTIAL’ Domain” and immersed in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, have always kept them posted about the predictions.

Therefore, these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have laid their eyes on the coming of this new “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature”, with the purpose to immediately eliminate him at birth, because they believed that it was the coming of the “REDEEMER”.

It was without reckoning on “THE DIVINE FORCE” who will intervene and will manifest into existence the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” who had been associated with the “PROJECT OF THE DECALOGUE”. This “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” is the one who is called: MOSES.

“THE CELESTIAL WAR” that had erupted more than 70 billion years ago in the “Specific Energy ‘CELESTIAL’ Domain” in the “Plane Above”, was still ongoing in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain” which, from the firsts days after the creation of the first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, was the new battlefield of “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”.

The “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, faithful to their “nefarious and despicable shadow scheming” to take “... *anyone who was free* ...” and subject him to their absolute dependence and forever, thus causing him to forget their own “PLENITUDE” and to forget “THE DIVINE FORCE”, will make no exception with MOSES.

“THE DIVINE FORCE” walked alongside the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” called MOSES, just as SHE had been with ABRAHAM, and protected him all through the work he was achieving, thwarting traps that the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” — both the elders of the creation, that “THE DIVINE”, IHVH, our FATHER has maintained in the “Specific Energy ‘CELESTIAL’ Domain”, and those who had been immersed in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy

‘EARTHLY’ Habitation Domain” — were laying on the path of MOSES.¹¹¹⁸ Being unaware of his own “PLENITUDE”, MOSES either knew not that it is “THE DIVINE FORCE” who assisted, educated him, and was thwarting traps.

With the passage of time, the “PROJECT OF THE DECALOGUE” was accomplished, so that the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” come to remember their “PLENITUDE” and understand their true status as “CHILDREN” of “THE DIVINE”.

The “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” called MOSES, had not redeemed “THE REDEMPTION CLAUSE” of the rigged “DEATH CONTRACT” against the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” and his offspring, and the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” understood that he was not the “REDEEMER”.

Once more, this was only a postponement for the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”; but this time, it will be of short duration: about a thousand years after the completion of the “PROJECT OF THE DECALOGUE” through MOSES, the coming of the true “REDEEMER”, the “PRINCIPAL” instance of the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model into existence in the attribute “NON DIVINE”, was announced.

“THE KNOWLEDGE OF THE DIVINE” which had been sent to oblivion long before the implementation of the “Second Phase” of “THE HOLY PROJECT”, has always remained confined in the depths of the cupboards of “THE SEAT OF THE INTELLECT” inside the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, and wrapped by the works of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” and the rituals and rigid precepts that were imposed not only by the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, but also by the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” themselves to their fellow creatures.

Just as the news had circulated in the cases of ABRAHAM and of MOSES, several of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” that “THE DIVINE”, IHVH, our FATHER has maintained in the “Specific Energy ‘CELESTIAL’ Domain”, having kept communication links with their brethren who had been pulled out of the destruction in the “Specific Energy ‘CELESTIAL’ Domain” and immersed in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific

Energy ‘EARTHLY’ Habitation Domain”, have always kept them posted about the predictions.

Therefore, these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have always laid their eyes on the coming of this new “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature”, with the purpose to immediately eliminate him at birth; because they were now certain that he was the coming “REDEEMER”.

It is still from the same principle which we have described previously about the coming of ENOCH, that “THE DIVINE FORCE” will manifest the “PRINCIPAL” instance of the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model into existence in the attribute “NON DIVINE” and in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain” in which live the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, to accomplish the “REDEMPTION PROJECT”.

This “PRINCIPAL” instance of the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model, manifested into existence in the attribute “NON DIVINE”, will be called: CHRIST (JESUS CHRIST), and meaning “THE LIGHT”¹¹¹⁹.

¹¹¹⁹ CHRIST had already explained this to human creatures in several ways, back and forth, in “spiritual language” as well as in their own “non-spiritual language”, when HE spoke to them of the goals of the “LIGHT” and why the “LIGHTS” are sent in the attribute “NON DIVINE”, by saying for example (John 8:12):

“ ...

Again CHRIST spoke to them, and saying:

“ ...

I am the ‘LIGHT’ of the world. Whoever follows me will not walk in darkness, but will have the ‘LIGHT’ of life.

...”

Thereof, the Pharisees said to him:

“ ...

You are bearing witness about yourself; your testimony is not true.

...”

CHRIST answered:

“ ...

Even if I do bear witness about myself, my testimony is true, for I know where I came from and where I am going, but you do not know where I come from or where I am going.

This “PRINCIPAL” instance of the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model is the seventh expression into existence of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”. This is also why the number seven (7) is assigned to “‘LIGHT←LIGHT’ ‘EARTHLY’ Creatures”, in particular to CHRIST, and several metaphors of this are also used to designate CHRIST; for example: the “*little child of seven days*” is a metaphor that is used throughout the Scriptures to refer to one who belongs to “THE DIVINE”, or to refer to CHRIST.

“THE DIVINE ARCHITECT AND PROJECT MASTER” has endowed the “‘LIGHT←LIGHT’ Body” of that “PRINCIPAL” instance of the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model with properties which are at the limit of “proximity” of the most potent properties that “THE DIVINE ARCHITECT AND PROJECT MASTER” has fixed for the “‘LIGHT’ Specific State” in the attribute “NON DIVINE” and with properties which are those of “The ALTAR of ‘THE DIVINE’”

You judge according to the flesh; I judge no one. Yet even if I do judge, my judgment is true, for it is not I alone who judge, but I and THE FATHER who sent me.

In your Law it is written that the testimony of two people is true. I am the one who bears witness about myself, and THE FATHER who sent me bears witness about me.

...”

...”

Or when he was telling them (Mark 4:21):

“...”

Is a lamp brought in to be put under a bushel, or under a bed?

Isn't it to be placed on a lamp post so that everyone who comes in and goes out sees its 'LIGHT'?

For nothing is hidden, except to be made manifest; nor is anything secret except to come to light.

If anyone has ears to hear, let him hear!

...”

“... a lamp ...” refers to any “CHOSEN ONE” (that is, any “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature”) who brings a distinct message, to express “THE KNOWLEDGE OF THE DIVINE”, with mission to reveal it in a certain way to the “CALLED ONES” who are “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”.

“... everyone who comes in and goes out ...” refers to human creatures who come into existence in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, or go out of this existence.

which is inside “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’”.

CHRIST is thus the “CHOSEN ONE” of the “CHOSEN ONES”. This is also why it is said of the “‘LIGHT←LIGHT’ Body” of CHRIST that it ensues from a very great power and a great wealth.

As we have already indicated, it will be CHRIST — “PRINCIPAL” instance of the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model, manifested into existence in the attribute “NON DIVINE” — who, through “THE REDEMPTION CLAUSE” of the rigged “DEATH CONTRACT” against the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, will redeem that “DEATH CONTRACT” and put an end to the penalties associated with breaching of the terms of the “DEATH CONTRACT”.

Just as the first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” having the “MALE” adjective, who is the product of the “PRINCIPAL” instance of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, has been created into existence to rectify the deficiency of “THE KNOWLEDGE OF THE DIVINE” that has taken place in “THE SEAT OF THE INTELLECT” of the Archangel MICHAEL and who is the product of the “PRINCIPAL” instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, and from whom all “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” that were produced into existence have inherited their deficiency of “THE KNOWLEDGE OF THE DIVINE”, likewise, it is the “PRINCIPAL” instance of the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model who can rectify the deficiency of “THE KNOWLEDGE OF THE DIVINE” that has taken place in “THE SEAT OF THE INTELLECT” of the “PRINCIPAL” instance of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, and from whom the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” descendants of the first two, have also inherited their deficiency of “THE KNOWLEDGE OF THE DIVINE”.

It is CHRIST who will then, pull “THE KNOWLEDGE OF THE DIVINE” out of the oblivion and out of the depths of the cupboards of “THE SEAT OF THE INTELLECT” inside the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, dismantling the chains of ignorance, toppling the high walls of darkness in which the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” — both the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” that “THE DIVINE”, IHVH, our FATHER has maintained in the “Specific Energy ‘CELESTIAL’ Domain”, as well as their brethren who had been pulled out of the destruction in the “Specific Energy ‘CELESTIAL’ Domain” and immersed in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation

Domain” — had confined “THE KNOWLEDGE OF THE DIVINE”, breaking the locks of the fortified gates of the “HUBRIS Spiritual Veil”.

During the fulfilment of the tasks, which were assigned to Him by “THE DIVINE”, IHVH, our FATHER, and for which He was brought forth into existence by “THE DIVINE FORCE”, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” on both sides of their ongoing “CELESTIAL WAR”, gave no respite to CHRIST. They had already prepare theirs ambushes to bring down CHRIST, just as they did with the “PRINCIPAL” instance of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model and who was designated as “ADAM”.

From the moment when He was brought forth into existence by “THE DIVINE FORCE”, as a “new born child”, they have set their plans in motion to eliminate Him. As we have indicated already, the events that took place right after the birth of CHRIST, were a replica of those events that took place at the creation into existence of the “PRINCIPAL” instance of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model and who was designated as “ADAM”, and in which the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have laid their trap to destroy “ADAM”. The lead actor in those events related to the birth of CHRIST, was the king Herod. But the dark details of the happenings, which took place behind the scenes in the “Specific ‘SPIRITUAL’ Environment” between these criminals “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, and manifested through Herod planning the death of the new born child CHRIST, have never been disclosed to human creatures. Others “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” were watching and understanding what was about to happen to the new born CHRIST, as they themselves did the same to the new born “ADAM”. In the scriptures, which human creatures have in their possession, it is only reported, without details, that (Matthew 2:1-13):

“ ...

Now after CHRIST was born in Bethlehem of Judea in the days of Herod the king, behold, wise men from the East came to Jerusalem, and asked:

“ ...

Where is he who has been born king of the Jews? For we saw his star when it rose and have come to worship him.

...”

When Herod the king heard this, he was troubled, and all Jerusalem with him.

He assembled all the chief priests and scribes of the people, he inquired of them where CHRIST was to be born.

They told him, "In Bethlehem of Judea", for so it is written by the prophet:

"...

And you, O Bethlehem, in the land of Judah, are by no means least among the rulers of Judah; for from you shall come a ruler who will shepherd my people Israel.

..."

Then, Herod summoned the wise men secretly and ascertained from them what time the star had appeared. And he sent them to Bethlehem, saying:

"...

Go and search diligently for the child, and when you have found him, bring me word, that I too may come and worship him.

..."

After listening to the king, they went on their way. And behold, the star that they had seen when it rose went before them until it came to rest over the place where the child was.

When they saw the star, they rejoiced exceedingly with great joy.

And going into the house, they saw the child with MARY his mother, and they fell down and worshiped him. Then, opening their treasures, they offered him gifts, gold and frankincense and myrrh.

And being warned in a dream not to return to Herod, they departed to their own country by another way.

Now when they had departed, behold, an angel¹¹²⁰ of the Lord appeared to Joseph in a dream and said:

¹¹²⁰ As we have indicated already, that angel, which "appeared to Joseph in a dream", was the Archangel GABRIEL. And he had said to Joseph: "Stand up, take the child and his

“...

Stand up, take the child and his mother, and flee to Egypt, and remain there until I tell you, for Herod is about to search for the child, to destroy him.

...”

...”

As CHRIST grew, these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, true to that, which has been sealed in their “nature”, held on their “nefarious and despicable shadow scheming” to take “... *anyone who was free* ...” and subject him to their absolute dependence and forever, thus causing him to forget their own “PLENITUDE” and to forget “THE DIVINE FORCE”. They have set in motion all sorts of ambushes to bring CHRIST down, but to no avail: “THE DIVINE FORCE” was walking alongside CHRIST and was educating Him, and CHRIST had revealed in parables, most of those ambushes to his disciples. When CHRIST spoke to them of the goals of the “LIGHT” and why the “LIGHTS” are sent in the attribute “NON DIVINE”, by asking them for example (Mark 4:21):

“...

Is a lamp brought in to be put under a bushel, or under a bed?

Isn't it to be placed on a lamp post so that everyone who comes in and goes out sees its 'LIGHT'?

For nothing is hidden, except to be made manifest; nor is anything secret except to come to light.

If anyone has ears to hear, let him hear!

...”

You are already aware of the principle of causality. Now, what do you think was the “cause”, the preceding motive (in the temporal order of things), associated with the “raison d'être” of those questions? To who were those questions actually

mother, and flee to Egypt, and remain there until I tell you, for Herod is about to search for the child, to destroy him.” It is not that he could “see” the future, but it is that he knew very well what they, the Archangel MICHAEL and the “ADONA'IM”, have done to “ADAM”, who was a “newborn”, and he had seen over and over again all the replicas of that situation repeated among human creatures. Thus, by inference, he understood with certainty what was about to unfold on the “new born” child CHRIST if no action is taken.

addressed to? Were those questions addressed to His disciples “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, who were blinded, who could not understand what He was talking about, and who could not “perceive” the events taking place in the “Specific ‘SPIRITUAL’ Environment” between the criminals “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”? Or were those questions addressed to those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, who were trying to bring Him down? Do you remember what is recorded in Ephesians 6:11-13, in these terms:

“ ...

Put on the whole “Armour of GOD”¹¹²¹, so that you may be able to stand against the wiles of the devil.

For, you wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places.¹¹²²

Wherefore take unto you the whole “Armour of GOD”, so that you may be able to withstand in the evil day, and having done all, to stand.

...”?

There, you have the answer.

Through the many ambushes, which these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had laid on CHRIST path, they did not know that they were actually revealing that, which has been sealed in their “nature” and they were also revealing their secret deals, which they had concluded through their “HUBRIS COVENANT” and by their rigged “DEATH CONTRACT”, which they have written against the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” and all his descendants. When the ambushes laid by those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, which “THE DIVINE”, IHVH, our FATHER, has maintained in the “Specific Energy ‘CELESTIAL’ Domain”, had failed to achieve their purposes, their fallen brethren took over to present any possible variant of their rigged “DEATH

¹¹²¹ As we have already explained to you (who is reading these writings), the “Armour of GOD” is “PURITY”, and wearing the “Armour of GOD” means: Stand in “PURITY” and hold your ground in “PURITY”.

¹¹²² “The principalities, the powers, the rulers of the darkness of this world, the spiritual wickedness in high places”, are those criminals and high-ranking “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” in their Angelic Orders and on both sides of their ongoing “CELESTIAL WAR”.

CONTRACT” to CHRIST. One of those is that, which has been recorded in the scriptures (Matthew 4:8-9) and through which AZAZEL had revealed the object of the “HUBRIS COVENANT”, which he had signed into with the Archangel MICHAEL. The record reads:

“ ...

Again, AZAZEL took CHRIST to a very high mountain and showed him all the kingdoms of the world and their splendour [this is about the first “Specific Energy ‘EARTHLY’ Habitation Domain” and all that it contains]. “All this I will give you,” he said, “if you will bow down and worship me.”¹¹²³

...”

¹¹²³ As we have already explained, “... All this ...” refers to his “HUBRIS COVENANT”-“belongings”, that is to say, this first “Specific Energy ‘EARTHLY’ Habitation Domain” and all that it contains, and which the Archangel MICHAEL gave him through their “HUBRIS COVENANT”. As such, he was also revealing the object of this “HUBRIS COVENANT”, which he had concluded with the Archangel MICHAEL: their “HUBRIS COVENANT” gave him possession of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, long before that the first manifestation of the model of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” was produced into existence inside this first “Specific Energy ‘EARTHLY’ Habitation Domain”.

This first “Specific Energy ‘EARTHLY’ Habitation Domain” is nothing more than a “specific energy substance” in which things have been sculpted into existence, in much the same as the “Specific Energy ‘CELESTIAL’ Domain”. Who produced these “specific energy substances” into existence? In which way would a tiny delimited and sculpted part of a water vapor, which is hanging above a water stream, give the water stream to the emissary who has been sent by “HE WHO” produced these “specific energy substances” into existence?

“... if you will bow down and worship me ...” gives you an indication on the extent and the depths of the “HUBRIS” that these elders of the creation have grown in them, how they see themselves in their obscurity. “Obscurity” is longing to be worshiped by the manifested “LIGHT”.

“... all the kingdoms of this earthly world ...”, (all countries, all their leaders and all the subordinates of those leaders in their own hierarchies of governing) have subjected themselves at all times to this thief and doomed “pampered child”, who is on a scale of classification below that of those blinded earthly leaders who have lost the knowledge of their own “PLENITUDE”. All those earthly leaders WITHOUT EXCEPTION at all times and all the subordinates of those leaders in their own hierarchies of governing, bow down and eat down at the feet of AZAZEL and in so doing, they have also irrevocably doomed themselves.

In Luke 4:5-7, it is more explicitly recorded in these terms:

“ ...

*And, AZAZEL led CHRIST up to a very high place and showed him in an instant all the kingdoms of the world [this is about the first “Specific Energy ‘EARTHLY’ Habitation Domain” and all that it contains] and said to CHRIST. “I will give you authority over all these kingdoms and all their glory, for **it** [this is about the first “Specific Energy ‘EARTHLY’ Habitation Domain” and all that it contains] **has been given to me**, and I can give it to anyone I wish. If you bow down and worship me, it will all be yours.”*

...”

CHRIST will reveal to “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, through many parables, “THE KNOWLEDGE OF THE DIVINE” and the goals of “THE HOLY PROJECT”. HE will also reveal the nature of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and their “nefarious and despicable shadow scheming” to take “... *anyone who was free* ...” and subject him to their absolute dependence and forever, thus causing him to forget their own “PLENITUDE” and to forget “THE DIVINE FORCE”.

The last ambush, which those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, which “THE DIVINE”, IHVH, our FATHER, has maintained in the “Specific Energy ‘CELESTIAL’ Domain”, had laid on the path of CHRIST, was to tell Him about “THE REDEMPTION CLAUSE” of their rigged “DEATH CONTRACT” and they had already decided on how CHRIST was to be put to death: through crucifixion¹¹²⁴.

¹¹²⁴ As you would know already, at the time when CHRIST was still living on this earthly world, the rulers of this earthly world had a method of administering the death penalty, designated as crucifixion, and in which the victim was tied or nailed to a large wooden beam and left to hang until eventual death from exhaustion and asphyxiation. While a crucifixion was an execution, it was also an act of humiliation, by making the condemned as vulnerable as possible. Crucifixion was intended to be a gruesome spectacle: the most painful and humiliating death imaginable. It was originally reserved for slaves (hence also the designation “supplicium servile”, meaning “punishment for slaves”), and later extended to citizens of the lower classes (“humiliores”, which is the Latin term referring to a less privileged order of society, “the more humble persons”). Although artists have traditionally depicted the figure on a cross with a loin cloth or a covering of the genitals, the victims of crucifixion were stripped naked and put on public display while they were slowly tortured to death so that they would serve as a spectacle and as an example. It is what those

When CHRIST was around the age of thirty, those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, which “THE DIVINE”, IHVH, our FATHER, has maintained in the “Specific Energy ‘CELESTIAL’ Domain”, told CHRIST how HE will be put to DEATH. The purpose of telling it to CHRIST was to sow “FEAR” in Him, and to lead Him to disavow “THE DIVINE”, IHVH, our FATHER and to renounce to redeem their rigged “DEATH CONTRACT”; which would have opened the door for His own destruction. But, they had knocked on the wrong door. CHRIST cried, when they told it to him; he was disturbed, but He regained control of himself and held firm his ground and accomplished the project for which “THE DIVINE FORCE” created Him into existence in this earthly world.¹¹²⁵

By redeeming thus this rigged “DEATH CONTRACT” against the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, CHRIST will take the terms of acquisition of “THE REDEMPTION CLAUSE”, that is: HE will suffer the “Subjective Death”, which is the premature “DEATH” of the “Subjective ‘EARTHLY’ Garment” as the Archangel MICHAEL has established it in the terms of their rigged “DEATH CONTRACT”.

By redeeming thus this rigged “DEATH CONTRACT” against the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, CHRIST will also restore each needed input of the manifested road to “PLENITUDE” in the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, and which were damaged by the misdeeds of “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”. He has restored: “GRACE”, and associated “PURITY” and “TRUTH”, “COMPREHENSION”, and associated “LIGHT” and “LOVE”, “PERCEPTION”, and associated “SCIENCE”

“‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, which “THE DIVINE”, IHVH, our FATHER, has maintained in the “Specific Energy ‘CELESTIAL’ Domain”, had decided to put CHRIST through.

¹¹²⁵ This is extracted from a private conversation between CHRIST and “he who wrote the book”; a conversation, which took place before that “THE DIVINE FORCE” had revealed that, which exists since the beginning to “he who wrote the book” and the events that unfolded before the creation of this Earthly world. When “he who wrote the book” was backstabbed by these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and was himself crying from the pain of such betrayal, CHRIST descended from the heights of the heavens and came to console “he who wrote the book” and encouraged him to never give up, for the love of our FATHER and for the work that CHRIST has accomplished for humanity, and CHRIST told him about what happened to him, CHRIST, when he was on this Earth and why He never gave up.

Stand in “PURITY” and hold your ground in “PURITY”, and you will talk to CHRIST yourself and ask Him about these things, about what He went through in this earthly world.

and “MEMORY”, and finally “INTELLIGENCE”, and associated “PERFECTION” and “HARMONY”.

It is so that, CHRIST has freed the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, having delivered all of them from absolute servitude towards the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”.

However, the trail of destruction that the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, elders of the creation who portrayed themselves as “gods”, have charted in “THE HOLY PROJECT” was already so wide that it will not be closed any time soon. The wounds, the undesired consequences and the yoke of that absolute servitude remained anchored in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” who even in these days, and in their absence of “THE KNOWLEDGE OF THE DIVINE”, continue to serve and to worship “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”; those “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” having forgotten about the manifested road to “PLENITUDE” which was implemented in their own “‘SPIRIT←LIGHT’ Body”.

The properties of any “‘LIGHT←LIGHT’ Body”, and in particular the “‘LIGHT←LIGHT’ Body” in the “PRINCIPAL” instance of the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model, are identical to those of “The ALTAR of ‘THE DIVINE’” which is inside “THE SHEKINAH” – “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’”.

It is so that: after that CHRIST had accomplished the “REDEMPTION PROJECT” for which “THE DIVINE FORCE” had manifested him into existence amongst the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, CHRIST will leave the “Specific Energy ‘EARTHLY’ Substance” in the “Plane Below” and enter the “Specific Energy ‘CELESTIAL’ Substance” constituent of the “Specific Energy ‘CELESTIAL’ Domain” in the “Plane Above”, and having redeemed the “DEATH CONTRACT” that was rigged against the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, CHRIST also liberated “The ALTAR of ‘THE DIVINE’” inside the “Specific Energy ‘SPIRIT’ Substance” of “THE SHEKINAH” from the “hostage situation” it was placed by the Archangel MICHAEL as the then, only intermediate vessel capable of entering in the “Specific Energy ‘SPIRIT’ Substance” constituent of “THE SHEKINAH”.

It is so that, “THE DIVINE”, IHVH, our FATHER, through “THE DIVINE FORCE” had crowned CHRIST as sole intermediate vessel between “The ALTAR of ‘THE DIVINE’” inside the “Specific Energy ‘SPIRIT’ Substance” constituent of “THE SHEKINAH”, and the remaining creatures; CHRIST being Himself a seed of “The ALTAR of ‘THE DIVINE’” which is inside “THE SHEKINAH”.

It is so that, as sole intermediate vessel between “The ALTAR of ‘THE DIVINE’” which is inside “THE SHEKINAH” and the remaining creatures, CHRIST had received the authority to manage all instructions that “THE DIVINE”, IHVH, our FATHER, through “THE DIVINE FORCE”, manifest in “The ALTAR of ‘THE DIVINE’” which is inside “THE SHEKINAH”, and it was thus the end of recess for the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”.

It is so that, the designation of “Lord” has also been withdrawn to the Archangel MICHAEL, and given to CHRIST.

It is so that, the “specific spiritual formation” of “THE CHURCH” manifested from the “‘LIGHT←LIGHT’ Body” of CHRIST and represented by this new “specific spiritual formation” of eight “‘SPIRIT←SPIRIT’ Body” plus one “‘LIGHT←LIGHT’ Body”, will be also called “THE CHURCH OF CHRIST”, or “THE CHURCH OF THE LIGHT”, or “THE ‘CELESTIAL’ CHURCH OF CHRIST”.

As we have already mentioned, it is the manifestation of a metaphor of “THE ‘CELESTIAL’ CHURCH OF CHRIST” thus constituted by this “specific spiritual formation” that “THE DIVINE”, IHVH, our FATHER decided to express one last time in this first “Specific Energy ‘EARTHLY’ Habitation Domain” in which live “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, before that be completely arisen the DAY appointed for the restoration of this first “Specific Energy ‘EARTHLY’ Habitation Domain” and all other “Specific Energy ‘EARTHLY’ Domain” in the state of “HARMONY” with “THE DIVINE”, IHVH, our FATHER.

This appointed DAY is on the horizon, it is also why “THE DIVINE”, IHVH, our FATHER has sent you this “BOOK OF FORMATION”, so that you can understand who you are and that you act in consequence by yourself.

It will be a terrible DAY for the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” because those who were pulled out of the destruction in the “Specific Energy ‘CELESTIAL’ Domain” and immersed in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, will be erased from existence, in the sight of all, and no deceit rescue will be used by those that “THE DIVINE”, IHVH, our FATHER has maintained in the “Specific Energy ‘CELESTIAL’ Domain”. The same fate awaits all the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” who have followed those depraved “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” in their nakedness: they will all be erased from existence, in the sight of all! **HE, WHO HAS EARS TO HEAR, LET HIM HEAR!**

CHAPTER 184

CONCLUSION

The attribute “NON DIVINE” is by definition “NON DIVINE”, and as “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed it, it does not provide the divine conditions that are proper to express the “‘DIVINE’ Divine State”.

How and with what, with which elements, would you describe what lies outside and above your portion in the “Realm of the ‘THOUGHTS’”, when you cannot even understand that, which is part of your portion of the “Realm of the ‘THOUGHTS’”?

In the example of the “Subjective ‘EARTHLY’ Garment” that you wear:

- Consider, for example, the head at the top of your “Subjective ‘EARTHLY’ Garment”. Why is it that this organ which is designated as the “head” is located at the top, above the rest of the “Subjective ‘EARTHLY’ Garment”. Why is it not located in the middle or in a place other than above, at the very top, of your “Subjective ‘EARTHLY’ Garment”? Why does it include the following 7 constituents: two eyes, two nostrils (the two channels of the nose), two ears, and one mouth?
- Why are there 12 pairs of cranial nerves, which provide the majority of nervous control to the head (remember how “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” is directed)? The cranial nerves are the nerves that emerge directly from the brain, in contrast to spinal nerves. Ten of the cranial nerves originate in the brainstem. Why “Ten”? Cranial nerves relay information between the brain and parts of the “Subjective ‘EARTHLY’ Garment”, primarily to and from regions of the head and neck.
- A spinal nerve is a mixed nerve, which carries motor, sensory, and autonomic signals between the spinal cord and the “Subjective

‘EARTHLY’ Garment”. In your “Subjective ‘EARTHLY’ Garment” there are 31 pairs of spinal nerves, one on each side of the vertebral column. These are grouped into the 5 regions of the spine and corresponding to: the cervical region, the thoracic region, the lumbar region, the sacral region and the coccygeal region. There are 8 pairs of cervical nerves, 12 pairs of thoracic nerves, 5 pairs of lumbar nerves, 5 pairs of sacral nerves, and 1 pair of coccygeal nerves. The spinal nerves are part of the peripheral nervous system. How do all these nerves distribute on the 64 “Divine Equilibrium Regions” with respect to the complete flow path of the “Generative Divine Particle” in “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”?

- As for the sensory areas of the head, why are they distributed into 5 cutaneous innervations: the ophthalmic nerve, the maxillary nerve, the mandibular nerve, the cervical plexus, and the dorsal rami of cervical nerves?
- For the others parts of your “Subjective ‘EARTHLY’ Garment”, why does the spine includes among others: 7 cervical vertebrae, 12 dorsal vertebrae, 5 lumbar vertebrae, 5 sacred vertebrae, 5 coccygeal vertebrae?
- Why does the neck has 7 vertebrae?
- Why are there four limbs — the upper and lower limbs are commonly called the arms and the legs, respectively — used for locomotion, such as walking, running, or climbing, and allowing to reach at a wide range of distances and angles?

How are these limbs related to the Four points that define the movement of the “Generative Divine Particle” and in this arrangement — “HE WHO EXISTS”, “HE WHO IS ABOVE”, “HE WHO WILL EXIST”, “HE WHO ARRIVES” — and the pronunciation of the acronym of which is the same as the word “IHVH”?

- Consider, for example, the hand, which is the terminal organ of the upper limb, prehensile effector organ, articulated at the end of the forearm and connected to the latter by the wrist. It is an organ capable of seizing and manipulating objects in particular. It is described as a palm (or anterior) and dorsal (or posterior) side, proximal (or higher), and distal (or lower) end, and lateral edge and medial edge. At the proximal, enlarged part, five cylindrical structures, which are called

“fingers”, are hung.

Why does the “Subjective ‘EARTHLY’ Garment”, which you wear, has 2 hands and each having 5 fingers working in agreement? Remember that the number 5 is used to express or to indicate a manifestation of the presence of that, which is “PERFECT”; and that is to say, the presence of the manifestation of a metaphor of “THE LIGHT”, hence, the manifestation of the “GLORY” of “THE LIGHT”. Remember also that, the “hand” is the symbol of that, which will enable to perform well-defined tasks. What is then the symbolism of a “hand” having five fingers? What is the relationship between (1) a “hand” having 5 fingers and (2) “THE DIVINE FORCE” (who is also known by the designation of “THE HAND OF THE DIVINE”)? A “hand” having 5 fingers in the morphology of the “Subjective ‘EARTHLY’ Garment”, which the Archangel MICHAEL chose during the particular task, which was assigned to them, to choose a “Character” for oneself, was for him, an expression of his understanding of what “THE DIVINE FORCE” is.

The proximal part of the hand can be divided into three parts: the thenar eminence, lateral, the hollow of the hand, central, and the hypothénar eminence, medial. It has three folds of bending on its palm side (palm), the lines of the hand. Why this number “three” in these specifications, and not four or more?

The skeleton (non-rigid structure) of the hand of an adult “Subjective ‘EARTHLY’ Garment” has, in principle, 27 bones, divided in three groups: the carpus, the metacarpus, and the skeleton of the fingers.

The carpus has eight bones, short, located generally in a same frontal plane, which can be divided into two rows, proximal and distal, each made up of four bones. The metacarpus consists of five long bones, metacarpals, located in a frontal plane, numbered from 1 to 5 from the tip lateral to the medial end. Overall, they are directed in the axis of the member. Their proximal end articulates with the carpal bones and the metacarpals adjacent, while their body is free. The skeleton of the fingers includes fourteen long bones, the phalanges. Each finger has three phalanges, proximal, middle and distal, except the thumb, which has only two, proximal and distal.

Why these precise numbers in these specifications? Why is each hand made up of 27 bones, making a total of 54 bones for 2 hands? What is the relationship with the 52 non redundant “Divine Equilibrium Regions” of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”?

What is the relationship with the Four points that define the movement of the “Generative Divine Particle” and in this arrangement — “HE WHO EXISTS”, “HE WHO IS ABOVE”, “HE WHO WILL EXIST”, “HE WHO ARRIVES” — and the pronunciation of the acronym of which is the same as the word “IHVH”?

Now, knowing that you, as “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, are a written living “DISCOURSE” of “THE DIVINE”, IHVH, our FATHER, a living “IMAGE” of “THE DIVINE”, IHVH, our FATHER, what does the expression of “the upper limb” articulated to the “Subjective ‘EARTHLY’ Garment” tells you? This expression tells you that “THE DIVINE FORCE” is part of “THE DIVINE DOMAIN”, and that is to say, “THE DIVINE FORCE” is part of “THE DIVINE”. Do you get the point about you, as a written living “DISCOURSE” of “THE DIVINE”, IHVH, our FATHER?

- Why is the thorax composed of 12 dorsal vertebrae and 12 pairs of ribs? What is the relationship with the 12 redundant “Divine Equilibrium Regions” of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”?
- Why is the Tarsus of your foot composed of 7 bones? What is the relationship with the “FOOTSTOOL” of the “THRONE” of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”?
- Why is the self-regeneration of some components of the “Subjective ‘EARTHLY’ Garment” completed every 7 years?
- Why should an adult who has all his adult teeth, have a total of 32 teeth? What is the relationship with the first “Specific Formative Energy ‘EARTHLY’ Domain” — that is, the lunar star — and the “Second Orbit of The MOST LUMINOUS”? Why do these include including 8 incisors (including four upper and four lower), 4 canines (including two upper and two lower), 8 premolars (including four

upper and four lower), and 12 molars (including six upper and six lower)?

Why these numbers and why are they matched with those of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, with its complete movement, and with its “Divine Equilibrium Regions”?

It is because you, as a human creature, are a living expression, a living image, of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, that “THE DIVINE”, IHVH, our FATHER has chosen to share with the attribute “NON DIVINE”, and in which HE has expressed a manifestation of the presence of that, which is “PERFECT”; and that is to say, the presence of the manifestation of a metaphor of “THE LIGHT”, hence, the manifestation of the “GLORY” of “THE LIGHT”. The sixth expression of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” has been written/implemented at the core of the genome of this “Subjective ‘EARTHLY’ Garment” by “THE DIVINE FORCE” and as the blueprint, the basis, the seed, the complete engineering plan that explains the overall details from which all cells, tissues and organs of this “Subjective ‘EARTHLY’ Garment”, and hence this “Subjective ‘EARTHLY’ Garment” in its whole, find their expressions and develop in accordance with the growing patterns that “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed and established for them: a masterpiece of divine engineering work about which CHRIST told you through the parable of the growing seed.

The human creatures that are identified as the “CALLED ONES” — that is, the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, offspring of their first manifestation which was called “ADAM” and which means “The Eye of the ‘LIGHT’” — and among which are those which will have the designations of “SAINTS” and others of “RIGHTEOUS”, are all descendent from the sixth expression of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, manifested in the attribute “NON DIVINE”.

The human creatures that are identified as the “CHOSEN ONES” — that is, the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creatures”, offspring from the first begotten of “THE DIVINE FORCE”, that first begotten who was anointed with kindness, the ability to illuminate, and the incorruptibility of “THE DIVINE FORCE”, that first begotten who is also called “THE SON OF THE DIVINE” — are all descendent from the seventh expression of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, manifested in the attribute “NON DIVINE”.

This expression of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, manifested in the attribute “NON DIVINE”, is reflected in the

“Subjective ‘EARTHLY’ Garment” of which you have been dressed with and which is the same garment for the “CALLED ONES” as for the “CHOSEN ONES”.

Remember that “THE DIVINE”, IHVH, our FATHER, did nothing at random and he does nothing at random. When you truly understand what is “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, that “THE DIVINE”, IHVH, our FATHER has chosen to share with the attribute “NON DIVINE”, then you will come to comprehend who you are, and then you will be known.

“THE DIVINE”, IHVH, our FATHER transcends all reality in the attribute “NON DIVINE”, and eternally HE has been sanctified of any equivalence or similarity and HE will remain so forever; not even CHRIST, and far less the Archangel MICHAEL, resemble Him. He, who is disciple and prince of “obscurity”, stands in “obscurity” and in “IMPURITY” in all its forms, became a king of one of the kingdoms of the “King of the SOUTH”, cannot possibly be close or “akin” to “THE DIVINE”, IHVH, our FATHER, in any sense of the term “close”. All the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, without exception, and on both sides of their ongoing “CELESTIAL WAR”, are the “SHAME”¹¹²⁶ in the “CREATION”.

All that is produced into existence in the attribute “NON DIVINE”, “OTHER THAN MYSELF”, as “THE DIVINE” called it in “THOUGHTS” — that is, as “THE DIVINE ARCHITECT AND PROJECT MASTER” had called it — is “OTHER THAN ‘THE DIVINE’”.

The elements of “THE ‘SPIRIT’ REASON” are not sufficient to describe the elements of “THE ‘SPIRIT→LIGHT’ REASON” which themselves are not sufficient to describe the elements of “THE ‘LIGHT’ REASON” which themselves are not sufficient to describe the elements of “THE ‘LIGHT→GOD’ REASON” which themselves are not sufficient to describe the elements of “THE ‘GOD’ REASON” which themselves are not sufficient to describe the elements of “THE

¹¹²⁶ Those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” are the “*columns of fire fighting between them and sinking deep in the abyss (deep in obscurity)*” and about which the elder ENOCH, of whom METHUSELAH is the descendant, had already reported in the writings that he had given to humanity.

As you would know already, in any war, there are irreplaceable losses, ruins, broken lives, refugees who have lost everything, etc... The actors of any war are losers by themselves. This ongoing “CELESTIAL WAR” with its actors, is no exception, it is a prime example: how would the actors of this ongoing “CELESTIAL WAR” possibly be close or “akin” to “THE DIVINE”, IHVH, our FATHER?

‘GOD→DIVINE’ REASON” which in their turn are not sufficient to describe the elements of “THE ‘DIVINE’ REASON”.

This is why, for the manifestations of metaphors of the five “INDISTINCT DIVINE FORMS” that “THE DIVINE”, IHVH, our FATHER has chosen to share with the attribute “NON DIVINE”, and that are and will be expressed into existence in the attribute “NON DIVINE”, “THE DIVINE” is beyond expression; because of His intense character, strange, extraordinary which cannot be expressed by elements of the first five subsets of “THE REASON” and are not elements of “THE ‘DIVINE’ REASON”.

For these creatures that are produced into existence in the attribute “NON DIVINE”, “THE DIVINE” is and will remain “THE UNUTTERABLE”, “THE INCOMPREHENSIBLE”.

The true concrete and living image of “THE DIVINE”, that has been created by “THE DIVINE” inside “THE DIVINE DOMAIN” and which manifests itself in the attribute “NON DIVINE”, is “THE DIVINE FORCE”; and it is of “THE DIVINE FORCE” that, everything that “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed to be manifested into existence in the attribute “NON DIVINE”, has received image.

It is through all the concrete and living images, all images of “THE DIVINE FORCE”, which are and which will be manifestations of metaphors of the “DIVINE PRIMARY WEALTH” that already exist within “THE DIVINE”, “THE DIVINE SUPREME CONFIGURATION”, its aspects and essential qualities, and its seven constituent “Divine Particles”, and which will be, for the attribute “NON DIVINE”, the attributes and values, that the manifestations of metaphors of the five “INDISTINCT DIVINE FORMS” that will be expressed into existence in the attribute “NON DIVINE”, must discern how is “THE DIVINE” who cannot be grasped and is elusive in the “NON DIVINE” that will not have “THE ‘DIVINE’ REASON”.

“THE DIVINE ARCHITECT AND PROJECT MASTER” and “THE DIVINE FORCE” go hand in hand and are conjoint and cannot be expressed in an understandable manner by elements of the first three subsets of “THE REASON”. It is for the purpose of wanting to represent this indivisible pair of “THE DIVINE” that the constituent parts of the “Subjective ‘EARTHLY’ Garments” of creatures that are into existence in the attribute “NON DIVINE”, and who are the metaphors of the divine pair, also go hand in hand. It is the same with the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” whose constituent parts are metaphors, of the divine pair, represented in the “‘SPIRIT’ Specific State”. It is a

bit like to represent an indivisible object located in a seven-dimensional space, by a restricted and divisible projection which is located in a space of two or three dimensions.

No creature into existence in the attribute “NON DIVINE”, since the implementation of the attribute “NON DIVINE” and all that this attribute “NON DIVINE” contains, has known “THE DIVINE”; only those who please him and that HE “sends”, through analogical substitution and using concrete and living images, in the attribute “NON DIVINE” with particular specific knowledge to serve as “LIGHT” for others creatures into existence in this attribute “NON DIVINE”, revealing what exist since the beginning, have reconstituted a part of His likeness from the elements of “THE REASON” that they have been restricted to.

“THE DIVINE” IS UNIQUE, HE IS THE ONLY HOLY BEING, THE ONLY PURE AND RIGHTEOUS BEING, AND THE ONLY TRUSTWORTHY BEING.

“THE DIVINE ARCHITECT AND PROJECT MASTER” is “STUNNING”; just like “THE HOLY PROJECT” that HE designed, for those who manage to grasp only a tiny part of this “HOLY PROJECT” that “THE DIVINE” has undertaken to achieve in the attribute “NON DIVINE”.

There are no words to describe “THE DIVINE FORCE” and anyone who will blaspheme against “THE DIVINE FORCE” will receive “THE VERITABLE DEATH”.

“THE DIVINE ARCHITECT AND PROJECT MASTER” has designed all “THE HOLY PROJECT” in ABSOLUTE “PURITY”, so that the entities created in this “HOLY PROJECT” grow up in “THE KNOWLEDGE OF THE DIVINE” and coexist in “HARMONY” with “THE DIVINE”, IHVH, our FATHER.

The notions of particles, magnitude, sizing, measurability, etc... which we have used throughout this “BOOK OF FORMATION”, have been expressed using elements of “THE ‘SPIRIT’ REASON” and elements of “THE ‘LIGHT’ REASON” in order to manifest metaphors of concepts that cannot yet be expressed into existence, because the conditions to do it are not yet met.

This is why, by using those notions which have been expressed using elements of “THE ‘SPIRIT’ REASON” and elements of “THE ‘LIGHT’ REASON”, “THE HOLY PROJECT”, which is manifested into existence in the attribute “NON DIVINE” by “THE DIVINE FORCE”, is seen from two angles:

1. From the inside of the attribute “NON DIVINE”, by the creatures of “THE DIVINE”; those creatures that are into existence within the attribute “NON DIVINE”.

The dimensions of the attribute “NON DIVINE” seem limitless at the scale of the creatures of “THE DIVINE”, and it is from the “Specific Elementary ‘SPIRITUAL’ Particle” in the attribute “NON DIVINE” that “THE DIVINE FORCE” will achieve “THE HOLY PROJECT” on a scale that will be several billion times greater than that of the “Specific Elementary ‘SPIRITUAL’ Particle”, but which always resolve through modular arithmetic to the scale of the “Specific Elementary ‘SPIRITUAL’ Particle”. Remember that “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, is an “expansion and contraction system”.

2. From the outside of the attribute “NON DIVINE”, by “THE EYE OF THE DIVINE”.

Because “THE DIVINE DOMAIN” is unlimited, the dimensions of the attribute “NON DIVINE” are delineated within “THE DIVINE DOMAIN” and that is how the attribute “NON DIVINE” remains so always similar to an atom, to a tiny point, inside “THE DIVINE DOMAIN”.

It is the sole atom of “THE DIVINE DOMAIN” that “THE DIVINE FORCE” has manifested through the very first “ECLIPSE” of the “Generative Divine Particles” by the “Formative Divine Particles”.

It is the sole atom of “THE DIVINE DOMAIN”, within which the darkness is present. All the others atoms in “THE DIVINE DOMAIN” produce “LIGHT” and they are illuminated from the inside and from the outside: the entirety of “THE DIVINE DOMAIN” is “PURE LIGHT” and that “PURE LIGHT” produces “PURE LIGHT” and past instantly through several manner of being.

It is in that sole atom of “THE DIVINE DOMAIN”, that is, inside the attribute “NON DIVINE”, that “THE DIVINE FORCE” has achieved “THE HOLY PROJECT”; and the creatures that are into existence inside this attribute “NON DIVINE” are similar to “Specific Elementary ‘SPIRITUAL’ Particles”.

Inside the attribute “NON DIVINE”, all products of selected activities of “THE HOLY PROJECT”, that “THE DIVINE FORCE” has achieved into existence, using elements of “THE ‘SPIRIT’ REASON” and elements of “THE ‘LIGHT’ REASON”, are all important. None is more important than others, none is less important than the others, but they complement each other in “HARMONY” with “THE DIVINE”, IHVH, our FATHER, to express in various forms the supreme achievement of “THE DIVINE ARCHITECT AND PROJECT MASTER”.

This supreme accomplishment, a veritable divine engineering marvel and masterpiece, that has crowned, honored, given the pre-eminence, and glorified the work of “THE DIVINE ARCHITECT AND PROJECT MASTER” and of “THE DIVINE FORCE”, is characterized by one configuration in one movement and by one state of equilibrium which is obtained from the movement, and defines thus “THE FRAME OF REFERENCE OF THE CREATION”.

The movement is described by the seven “Divine Particles” constituent of “THE DIVINE SUPREME CONFIGURATION” — one “Generative Divine Particle” and six “Formative Divine Particles” in “Movement of Formative Divine Particle” synchronized between them, and, each “Movement of Formative Divine Particle” synchronized with the movement of the “Generative Divine Particle”, and without collisions forever with the passage of time — which ensures through the “Divine Septenary Equilibrium Zone”, the “SUPREME STATE OF EQUILIBRIUM”, the “SUPREME STATE OF HARMONY”, of “THE DIVINE” throughout all regions of His unlimited “BEING”.

The “SUPREME STATE OF EQUILIBRIUM” obtained from “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” is a state of indescribable joy, an ineffable gladness, and in an immeasurable state of equilibrium.

“THE DIVINE”, IHVH, our FATHER has consolidated “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” in Himself, and on all the “Divine Particles” constituent of His “DIVINE BODY” which is unlimited; this is why in the “Specific ‘SPIRITUAL’ Language”, “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” is called: “THE FACE OF THE DIVINE”, “THE VISAGE OF THE DIVINE” — that is, what you see a lot and which is an expression of “THE DIVINE”.

He who has seen and understood by discernment “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, that one has seen “THE FACE OF THE DIVINE”.¹¹²⁷

Of all creatures that “THE DIVINE FORCE” produced into existence in the attribute “NON DIVINE” in the past and until today, only CHRIST had received knowledge of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” and its manifestation in the attribute “NON DIVINE”. If CHRIST had not revealed it before, it is because the appointed DAY was still far away.

The DAY appointed for the restoring of the state of “HARMONY” between “THE DIVINE”, IHVH, our FATHER with this first “Specific Energy ‘EARTHLY’ Habitation Domain” in which live “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, and also with the others unfinished “Specific Energy ‘EARTHLY’ Habitation Domain” and in which are locked others “‘SPIRIT←LIGHT’ Body”, is now on the horizon.

As we have already indicated, as “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed it, the “Specific Energy ‘SPIRIT’ Substance” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model which is created into existence in the attribute “NON DIVINE” will wither and “THE SEAT OF THE INTELLECT”, inside of this “Specific Energy ‘SPIRIT’ Substance”, will fall asleep in the oblivion (or ignorance) of “The ALTAR of ‘THE DIVINE’” which that “Specific Energy ‘SPIRIT’ Substance” covers.

Because of the prejudice that the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” suffered, the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” does not possess anymore its acuity of “THE KNOWLEDGE OF THE DIVINE”, and “THE SEAT OF THE INTELLECT”, within this “Specific Energy ‘SPIRIT’ Substance”, if it is not awake as soon as possible, will remain in the oblivion (or ignorance) of “The ALTAR of ‘THE DIVINE’” which that “Specific Energy ‘SPIRIT’ Substance” covers, and until the “Subjective Death”.¹¹²⁸ After this “Subjective Death”, “THE SEAT OF

¹¹²⁷ See vision of August 18, 2005. Aristide and “THE DIVINE”, IHVH, our FATHER, through the intermediary of “THE DIVINE FORCE”.

¹¹²⁸ This is why it is said of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” that:

“...

It is empty of his own knowledge that the “poor” appeared into existence in this first “Specific Energy ‘EARTHLY’ Habitation Domain”, empty also he seeks to get out of this first “Specific Energy ‘EARTHLY’ Habitation Domain”.

...”

THE INTELLECT”, within this “Specific Energy ‘SPIRIT’ Substance”, will wake up only to meet “THE VERITABLE DEATH”.¹¹²⁹

The “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, and therefore the disorder organized and orchestrated by the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, came to exist because the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had sent to oblivion “THE UNALTERABLE VOICE” and thus they could not discern and know “THE ONE” from whom they originate and who to them had remained invisible and unapprehendable and inconceivable by elements of “THE ‘SPIRIT’ REASON”: “THE DIVINE”, IHVH, our FATHER.

“FATALITY”, caused by that “BETRAYAL” which the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had perpetrated against “THE DIVINE”, IHVH, our FATHER, on the afternoon of the Third Day of the implementation of the “Second Phase” of “THE HOLY PROJECT”, has not only tied everything in the web of evil and perverse purpose of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” that the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have grown in their “‘SPIRIT←SPIRIT’ Body” and which became an integral part of their “nature”, but has also locked everything in the “HUBRIS Spiritual Veil”, destroying all the seeds of “THE KNOWLEDGE OF THE DIVINE” in the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” and that “THE DIVINE ARCHITECT AND PROJECT MASTER” had designed to be manifested into existence by recursive transformations; every creature into existence inside of this “HUBRIS Spiritual Veil” seeking to satisfy the “fame of oneself”, and to the detriment of “THE DIVINE”, IHVH, our FATHER.

At any time, since the afternoon of the Third Day of the implementation of the “Second Phase” of “THE HOLY PROJECT”, and in the purpose of trying to justify the disaster in which they have plunge “THE HOLY PROJECT”, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, both those that “THE DIVINE”, IHVH, our FATHER has maintained in the “Specific Energy ‘CELESTIAL’ Domain” and those that are immersed in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation

¹¹²⁹ This is why it is said:

*Many of those who sleep in the dusty soil will wake up, these for eternal life,
those for reproach, to eternal horror.*

...”

Domain” and who still have their disciples in the “Specific Energy ‘CELESTIAL’ Domain” until nowadays, will not hesitate to “make you swallow venomous snakes” alive.¹¹³⁰

Stay on your toes with “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, you must know that “THE DIVINE”, IHVH, our FATHER withdrew his confidence from them; listen to “THE UNALTERABLE VOICE” and have absolute confidence in one BEING: “THE DIVINE”.

From the moment when “THE UNALTERABLE VOICE” is listened, then, “THE KNOWLEDGE OF THE DIVINE” will be made manifest, and every creature into existence inside this “HUBRIS Spiritual Veil” and who will listen to “THE UNALTERABLE VOICE”, will rid itself of the “garment of ignorance”. This is how the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” will cease to exist in every creature into existence and who will choose to walk with “THE DIVINE FORCE” as a road companion.¹¹³¹

¹¹³⁰ Remember the libretto of “THE DIVINE WISDOM” to his CHILDREN, and which was stated in these terms:

“...

If you are at the table with a powerful person, be on your toes with he who is in front of you;

Put a knife to your throat if you are a glutton!

Do not desire his delicacies, for it is a deceptive food.

Do not toil to acquire wealth; be wise enough to desist.

Your eyes will be barely resting on it that it will be gone. Because it knows how to grow wings! Like an Eagle it will fly to the heavens.

Do not eat the bread of a man who is stingy; do not covet his delicacies; for he is like someone who has already made his decision. “Eat and drink!” he says to you; but his heart is not with you.

You will vomit up the morsels which you have eaten, and your kindness will have been in vain.

...”

¹¹³¹ Remember the parable:

“...

There is in Paradise a tree under the shadow of which a horseman can walk for a hundred years without ever leaving it [feeding on “THE KNOWLEDGE OF THE DIVINE” and still asking for more].

Indeed, only “THE DIVINE FORCE” possesses and has guardianship of knowledge of the ins and outs of “THE HOLY PROJECT” — that is, what justified and has been at the origin of “THE HOLY PROJECT” in which manifestations in the attribute “NON DIVINE”, of metaphors of the “DIVINE PRIMARY WEALTH”, that “THE DIVINE” has chosen to share with the attribute “NON DIVINE”, will be “spoken” into existence: the “who”, “what” and “why”, that will represent all of the ins of “THE HOLY PROJECT”, and the “when”, “where” and “how” that will represent all the outs of “THE HOLY PROJECT”.

Thus, any creature who has chosen to receive, from “THE DIVINE FORCE”, knowledge of the ins and outs of “THE HOLY PROJECT”, and will develop in itself “THE KNOWLEDGE OF THE DIVINE” that ensues, will be truly free, will not be prone to ignorance, and will not commits any transgression of the laws and rules that have been established for existence in the attribute “NON DIVINE”.

For, the mere fact of acquiring knowledge of the ins and outs of “THE HOLY PROJECT”, instantly breaks the chains of ignorance, subsequently, brings down the masks worn by all those who had laid these chains in order to deceive Mankind. And once the chains of ignorance are broken by the acquisition of the knowledge of the ins and outs of “THE HOLY PROJECT”, then, one comes instantly out of the “HUBRIS Spiritual Veil” and sees “THE TRUTH SUN” which shines always outside and above the mist of ignorance. Once you are outside of the “HUBRIS Spiritual Veil” and sees “THE TRUTH SUN”, when you look at the “HUBRIS Spiritual Veil” and the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” locked up in their ongoing “THE CELESTIAL WAR”, it is then that you will understand how miserable and pathetic¹¹³² these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” are in their “obscurity”. Once you are outside of the “HUBRIS Spiritual Veil”, which has its origin in these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, when you look at that “HUBRIS Spiritual Veil” and what lies there inside of that “HUBRIS Spiritual Veil”, such as the first “Specific Energy ‘EARTHLY’ Habitation Domain” in which live “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, you will see that it is reminiscent of a pit for excreta and you will you stay away from such a thing.

¹¹³² Is said of something which moves vividly and deeply, which is overwhelming, in particular by the spectacle or the evocation of suffering. Synonyms are: overwhelming, heartbreaking, dramatic, moving, poignant, gripping, touching.

He, who commits even a single transgression, is prone to ignorance (to the absence of “THE KNOWLEDGE OF THE DIVINE”), and consequently is not free: he is the slave of ignorance, he is a slave of the “King of the SOUTH”.

At the basis of any war, the consequences of which is destruction in all its forms, there is ignorance, which is the absence of “THE KNOWLEDGE OF THE DIVINE”, which is also called the adversary (the “enemy”) of “THE KNOWLEDGE OF THE DIVINE”, which is also called obscurity; and there is “DISGRACE”, “IMPURITY”, and “LIES” in all their forms, and their progeny. “THE CELESTIAL WAR” that had erupted more than 70 billion years ago in the “Specific Energy ‘CELESTIAL’ Domain” in the “Plane Above”, and is still ongoing, along with all its replicas, in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, is a prime example of the works of the absence of “THE KNOWLEDGE OF THE DIVINE”, “DISGRACE”, “IMPURITY”, and “LIES”, taking place inside the kingdom of the “King of the SOUTH”. *“Truth is the first casualty in any war”*, goes the old saying; “THE CELESTIAL WAR” and all those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, who are entangled in “DISGRACE”, “IMPURITY”, and “LIES” in all their forms, are a prime demonstration of this adage.

As it is with ignorance¹¹³³ in a person: when someone is living in ignorance, in the absence of knowledge of its own roots, asleep on the bed of the absence of knowledge concerning “THE DIVINE”, this will leave that person at the mercy of those who stand in “IMPURITY” in all its forms and who will take advantage of that ignorance and use it against that person; “YOUR IGNORANCE IS THEIR POWER”. From the moment when that person acquires knowledge, then, his ignorance dissipates by itself, “THEIR POWER OVER YOU DISSIPATE!” as soon as you acquire “THE KNOWLEDGE OF THE DIVINE” and hence the knowledge of your ROOTS. Just like on the First Day of the implementation of the “Second Phase” of “THE HOLY PROJECT”, that, which has been called “DARKNESS” had dissipated in front of the manifestation of the “LIGHT” to give place to that, which

¹¹³³ As you would know already, the word “ignorance” shares a root with the word “ignore”, one of those etymological connections which appear obvious once they are pointed out, yet remained overlooked by most. Both words come from the Latin *ignorare* (“to ignore”, “to be ignorant of”), which for an individual means “to not know, to lack knowledge, even though the necessary information, which leads to the required knowledge is available, because that necessary information has been intentionally refused or disregarded by the individual concerned, and not because that necessary information, which leads to knowledge was somehow absent or unattainable.” It is in this sense that we use the word “ignorance” throughout the text of this BOOK.

has been called “DAY”, in much the same, the deficiency of “THE KNOWLEDGE OF THE DIVINE” dissipates likewise in the presence of “THE KNOWLEDGE OF THE DIVINE”.

Any creature who will choose to feed on the “fruits” of the tree which is in the “SOUTH” and from which the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had found their joy and their state of gladness, whether those that “THE DIVINE”, IHVH, our FATHER has maintained in the “Specific Energy ‘CELESTIAL’ Domain” or those who have been immersed in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, will be trapped in the conflicts of “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and will remain in the pit for excreta.¹¹³⁴

Just as it was necessary to complete “THE ‘SPIRIT’ REASON” by the elements of “THE ‘LIGHT’ REASON” to describe the concepts that were not tangible by the elements of “THE ‘SPIRIT’ REASON”, likewise it is necessary to complete “THE ‘LIGHT’ REASON” by elements of “THE ‘GOD’ REASON” to describe the concepts that will allow creatures that are into existence in the attribute “NON DIVINE” to grow a little more in “THE KNOWLEDGE OF THE DIVINE”.¹¹³⁵

For this to happen, it is necessary to put to light, to reveal and, subsequently, to remove all the “DISGRACE”, “IMPURITY”, and “LIES”, as well as the disaster of “FATALITY” in which “THE HOLY PROJECT” was plunged; which will thus mark the end of this “Second Phase” of “THE HOLY PROJECT”, and will allow to resume the work which had been stopped by the premeditated crime that the

¹¹³⁴ Remember the recommendation that CHRIST, when HE was still living on this earth, had given to you by saying:

“...

If those who shepherd you say: Behold, the “Kingdom of GOD” is in the Heaven, then, the birds of the Heaven will precede you.

If they tell you: it is in the sea, then, the fish will precede you;

But the “Kingdom of GOD” is inside of you and it is outside you.

When you will know yourself, you will be known and you will know that you are sons of THE FATHER who is alive; But if you do not know yourself, then, you will be in nakedness, and you will be nakedness.

...”

¹¹³⁵ You can better understand these things by analogy to the concepts of rational numbers, irrational numbers, and real numbers that you are already familiar. A real number is an element of the set of rational numbers “completed” by the set of irrational numbers.

“‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had perpetrated against their following — the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

As you have understood by now, “THE HOLY PROJECT” was conceived in “PURITY” and “HOLINESS”, and the “sine qua non” condition for it to move forwards and to be accomplished as “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed it to be manifested into existence in the attribute “NON DIVINE”, is “PURITY”. “PURITY” is the requirement that must be present at the core of everything that has been brought forth into existence inside the attribute “NON DIVINE”. “PURITY” is “sine qua non” condition, that is to say, the indispensable and essential ingredient without which there could not be “THE HOLY PROJECT”. And “THE HOLY PROJECT” will not resume its course with the presence of “DISGRACE”, “IMPURITIES” and “LIES”: the manifestation of the city of “THE DIVINE WISDOM” was not designed by “THE DIVINE ARCHITECT AND PROJECT MASTER” to be a “cavern of Ali Baba”; it was not designed to be a cavern in which thieves have hidden their loot, it was not designed to be a refuge of murderers and ransom collectors, it was not designed to be a place that houses sellers of oxen, sheep and pigeons, and the money-changers; those, they know themselves who they are and everyone of them will be held accountable and retributed according to the extent of his/her own recorded iniquities and the destruction that they have unleashed in the implementation of “THE HOLY PROJECT”.

Behold that the time of the end of this “Second Phase” of “THE HOLY PROJECT” has arisen on the horizon, and just as in the past “THE DIVINE”, IHVH, our FATHER had sent ENOCH and many other “SONS OF LIGHT” to forewarn the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” so that they can escape the various cataclysms, likewise HE has sent another “SON OF LIGHT” to announce that the time of the end has arisen on the horizon, and also to explain that, which is since the beginning, so that these “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” wake up from their sleep; for, what has been decreed will be executed.

Just as the “SONS OF LIGHT” who had been sent before him in the past to help rectify the absence of “THE KNOWLEDGE OF THE DIVINE”, suffered the anger of those who wanted to preserve ignorance, similarly this “SON OF LIGHT” has suffered their anger.

Recall that “vision” of the “blinded seventy shepherds” that “THE DIVINE”, IHVH, our FATHER, through “THE DIVINE FORCE”, and through communication by “VISIONS”, had sent to the elder ENOCH, of whom METHUSELAH is the descendant, in those days before the “FLOOD”? After the

failure of that “FLOOD” project, which was initiated by these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” in order to eradicate mankind from existence, and with the passage of time, the content of that “vision” of the “blinded seventy shepherds” has leaked out and became public amongst the elders of “THE HUMAN EDIFICE” who have ascended in the “Specific Energy ‘CELESTIAL’ Domain” as refugees from the ongoing “CELESTIAL WAR”. And, of course, those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” that “THE DIVINE”, IHVH, our FATHER has maintained in the “Specific Energy ‘CELESTIAL’ Domain” came to understand that “he who wrote the book” will be brought forth into existence and they have understood why.

Before that “he who wrote the book” was brought forth into existence, all these elders of “THE HUMAN EDIFICE”, all the “ADONA’IM” and most of those high-ranking “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” knew already about “he who wrote the book”. These “ADONA’IM” and most of those high-ranking “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, who have declared themselves to be the “most intelligent children” of IHVH, had already understood the reason why “he who wrote the book” will be brought forth into existence, and to a certain extent, they knew about the tasks that “THE DIVINE”, IHVH, our FATHER has assigned to “he who wrote the book”.

Now, fast forward into the present days, “he who wrote the book” has already been brought forth into existence and these “blinded seventy shepherds” have seen “he who wrote the book”. They have perceived the brightness of the manifestation of “THE LIGHT” that this “SON OF LIGHT” was tasked to bring to humanity and in their own words they have said: “*We have never seen such [manifestation of the] ‘LIGHT’ into existence*”; even “THE LIGHT” of “THE SHEKINAH” is not manifested like this one. By inference, they have understood that something new, new knowledge, concerning “THE DIVINE”, IHVH, our FATHER, has been sent to humanity, and they have understood that the time has come for the accomplishment of the prophecy that was pronounced through Daniel. But they did not know what type of knowledge has been sent by “THE DIVINE”, IHVH, our FATHER, to humanity, through this “SON OF LIGHT”. Using their deceit, intrigues, dirty and secret deals, they conspired to destroy that knowledge before that it reaches humanity. For ages, since the destruction of the first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have set in place a vast system of imposture and deception, to purposefully keep the CREATION in obscurity, to purposefully keep “THE KNOWLEDGE OF THE DIVINE” away from any creature into existence in the attribute “NON DIVINE”. They monitor the various frequencies of the

channels of communication, all around every “SON OF LIGHT” who is tasked to bring the rays of “THE TRUTH SUN” to humanity, just like they had monitored “ADAM” in the early days. As in the past, they have overthrown many of those who were tasked to bring the rays of “THE TRUTH SUN” inside that frozen mist caused by their “HUBRIS Spiritual Veil” and have successfully destroyed almost all “THE KNOWLEDGE OF THE DIVINE” that was sent to humanity.

Such destruction resulting from the behaviour of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, had been predicted through “THE SCIENCE” that is behind the creation of the attribute “NON DIVINE” and all what it contains, by “THE DIVINE”, IHVH, our FATHER, back then, before the “FLOOD”, in that “vision” of the “blinded seventy shepherds” that, through “THE DIVINE FORCE”, and through communication by “VISIONS”, HE had sent to the elder ENOCH. This time, these “blinded seventy shepherds” have understood that the count down for the day of reckoning is almost over, and they were also certain of their case: they did what their “nature” is; they have *“sold the skin of the bear before killing it.”* Once they had locked up this “SON OF LIGHT” at the bottom of the bushes and covered it with thorns, they have celebrated their victory, saying between themselves: *“... He has been strucked like thunder! He did not see that blow coming...”*, *“... Now, we will see how ‘THE LIGHT’ of this ‘LAMP’ will manifest. ...”*, *“... Now, we will see how HE will go forward with the project that has been entrusted onto Him. ...”*, *“... It is a pity that so much knowledge is lost. ...”*, etc..., in plain words, they were saying: *“... Now, we will see how ‘THE KNOWLEDGE OF THE DIVINE’ that HE carries, will reach humanity. ...”*, *“... Now, we will see how ‘he who wrote the book’ will write that ‘book’. ...”*

***** Zoom in, on the “blinded seventy shepherds”
who have hastily celebrated their victory *****

“... He has been strucked like thunder! He did not see that blow coming...”

Long before that “he who wrote the book” was produced into existence, these “ADONA’IM” and elders of the creation had already prepared the ambush they were going to set for “he who wrote the book” with the purpose to take him out of business. Wearing their masks of convenience (masks of sanity), they had waited for the right moment when they estimated that “THE KNOWLEDGE OF THE DIVINE” was about to be revealed to humanity and they made their move to strike. For the second time, the Archangel MICHAEL had betrayed the confidence

that “he who wrote the book” had placed on him and afterwards, trying to take advantage of the situation, he presented to “he who wrote the book” a variant of their rigged “DEATH CONTRACT”, their two cutting edges “bitter bond” and treacherous subterfuge: “PROMISE ME THIS..., PROMISE ME THAT...”. Through discernment and thanks to “THE DIVINE FORCE”, and long before that the Archangel MICHAEL had presented him their two cutting edges “bitter bond” and treacherous subterfuge, “he who wrote the book” had already understood that the Archangel MICHAEL and AZAZEL intended to use him as “hockey ball” in their power struggle.

M “He who wrote the book” had reflected in himself and said: *“I have trusted this creature a first time and he made a fool of me. I told him not to do such a thing anymore because I have a project to accomplish. I have trusted him a second time by assuming that he has not understood the gravity of what he had done that first time, and that second time he betrayed that trust again, telling “... you did not learn from what happen to you the first time...”. Thus, he sees me truly as a fool and I had made a mistake to have trusted him that second time. How much weight will my promise have in front of such creature, in front of someone who willfully is trying to derail the course of a prophetic, who trashes a key ordinance that FATHER gave him to fulfil and who does things opposite to what FATHER ask him to do? I will not become a “hockey ball” in their power struggle.”*

D It is so that, “he who wrote the book” has rejected the rigged “DEATH CONTRACT” that the Archangel MICHAEL had presented him; for, “he who wrote the book” had already “seen” that the Archangel MICHAEL was not truthful and had a hidden agenda because he has transgressed and thrown away one key ordinance that “THE DIVINE”, IHVH, our FATHER gave him previously in front of “he who wrote the book”.¹¹³⁶ The Archangel MICHAEL from his own volition

¹¹³⁶ Just like what you have in the content of that “vision” of the “blinded seventy shepherds”, when “THE DIVINE” had said to the elder ENOCH:

“...

“... Understand, and watch everything that the shepherds will do to these sheeps ...”

...

The shepherds likewise, and their associates, delivered the sheeps to all the wild beasts, that they might devour them. Each of them in his season, according to his number, was delivered up; each of them, one with another,

had made his move to backstab “he who wrote the book”, to honor the “HUBRIS COVENANT” that he had entered into with AZAZEL; this time, they brought out their “HUBRIS COVENANT” with the goal to overthrow and to “have the head” of “he who wrote the book”; that is exactly the words, which they have used, when the fallen public figure stood in front of “he who wrote the book” through communication through “VISIONS” with the intention to intimidate him. He saw “he who wrote the book” and he could not see “THE DIVINE FORCE” who was standing behind “he who wrote the book”, but he understood immediately there was something strange with this “SON OF LIGHT”, and he stepped back and said to him: “I will have your head!”, to which “he who wrote the book” had replied, saying: “we will see”. And yes, that same “HUBRIS COVENANT” that bound them together and which they have used in the early days of this earthly world to overthrow the first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, “ADAM” and “THE FEMALE”, and they have used it continuously throughout the years to destroy or enslave almost every human creature, each in his season and according to his number, and onto whom “THE DIVINE”, IHVH, our FATHER had sent “THE KNOWLEDGE OF THE DIVINE” to be transmitted to humanity.

Even in these days of today, when someone asks these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” self-declared “gods” some basic questions like: What is the meaning of a “day” in the cycle of seven days? What can you tell me about “THE DIVINE”, IHVH, our FATHER? NONE among the myriad of them is able to give you a satisfactory answer! After the billions of years that they have spent into existence in this attribute “NON DIVINE”, NONE of them knows what is the meaning of a “day”! NONE of them was even aware that they are into existence inside the attribute “NON DIVINE”! But they spend time telling that they are the ones who govern “THE CREATION” and they work in “MALICE” to ambush to crush any human creature that has been tasked by “THE DIVINE”, IHVH, our FATHER to transmit “THE KNOWLEDGE OF THE DIVINE” to humanity. They work to keep humanity locked in the “FATALITY” in which they have plunged the

was described in a book, how many of them, one with another, were destroyed, was described in a book.

...”

The head of the “blinded seventy shepherds”, faithful to that, which has been sealed in his “nature”, intended to make “he who wrote the book” suffer the same fate as those “sheeps”. Remember that the content of that vision about the “blinded seventy shepherds” is what has been unfolding repeatedly, like in a close loop, since those days and is ongoing even nowadays.

“Second Phase” of the implementation of “THE HOLY PROJECT”, locked in the “power struggle” and “palace intrigues” of these “ADONA’IM” in their ongoing “CELESTIAL WAR”, mocking and turning human creatures into their laughingstock.

All those who dwell in the “Plane Above” know what is going on there and all these things. They know very well about their own dishonest and malicious behavior, but they all “toe the line” of these “ADONA’IM” and keep their mouths shut to the detriment of “THE DIVINE”, IHVH, our FATHER.

“... Now, we will see how *“THE KNOWLEDGE OF THE DIVINE”* that HE carries, will reach humanity. ...”, “... Now, we will see how *“he who wrote the book”* will write that *“book”*. ...”

Amongst those “ADONA’IM” that “THE DIVINE”, IHVH, our FATHER has maintained in the “Specific Energy ‘CELESTIAL’ Domain” and who were celebrating their victory, after that they had succeeded to locked up this “SON OF LIGHT” at the bottom of the bushes and covered it with thorns, only “ADONAI” RAPHAEL did not take part in their celebration. He talked to “he who wrote the book” while he was in grief with the pain from the blade of their betrayal and said, regarding his fellow “ADONA’IM” brothers: *“They do not understand what they do, they do not understand that the task that has been assigned to you is a very difficult one.”*

CHRIST also came to console and talked to “he who wrote the book” and said:

“...

I see all your pain I wouldn’t know what else to tell you apart from what FATHER already told you. You should know that you have to fight to get to the end of the project that has been assigned to you. THE ETERNAL is protecting you and knowing that you have been assigned a project to accomplish, HE will not let you down.

You should know that the kingdom of THE FATHER (that is to say, “THE KNOWLEDGE OF THE DIVINE”) is not given so easily otherwise I would not have suffered as much. I have already suffered for humanity, for you, will you not also suffer so much for FATHER? Don’t give up, talk to your FATHER.

“PURITY” and sustain the “COMBAT”, sustain the work of our (your) FATHER. Remember the content of that “vision” of the “blinded seventy shepherds” that, through “THE DIVINE FORCE”, and through communication by “VISIONS”, HE had sent to the elder ENOCH, in those days before “THE FLOOD”, and when HE had said to the elder ENOCH: “... *Understand, and watch everything that the shepherds will do to these sheeps ...*”.

After this conversation, “he who wrote the book” reflected in himself about the “*You cannot avoid the prophecy but you can modify it*” and he said: “*Modify the prophecy? Who am I to do such thing? I do not even know which underwear I will wear tomorrow or what I will eat as food tomorrow “by the sweat of my brow”, and I am asked to modify FATHER’s prophecy? NO I will not! The project will be accomplished as intended*”, “he who wrote the book” had said in himself.

Remember what we have indicated about the supreme completeness of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”? As we have indicated, every knowledge concerning “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” and its supreme completeness comes from “THE DIVINE”, and remains with Him forever. A prediction (also designated as prophecy) of a manifestation of a metaphor of a well-defined convergence point of products that already exist in “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, will only come from “THE DIVINE”. Did “THE DIVINE ARCHITECT AND PROJECT MASTER” not know what HE was doing when HE had conceived the “movement” and “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, and thus had laid the foundations for “THE HOLY PROJECT”? Did “THE DIVINE FORCE” who implemented the designs of “THE DIVINE ARCHITECT AND PROJECT MASTER” and achieved “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” not know what SHE was doing? And a mere creature similar to a microbe in front of “THE DIVINE”, a mere creature which is a projection, that is to say a product obtained by manifestation of metaphors, of a product which already exists in “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, who do not possess “THE SCIENCE” that is found behind the creation of “THE ABSOLUTE MOUVEMENT”, who do not know which clothes he will wear tomorrow, is been told that he can modify a well-defined convergence point of products that already exist in “THE DIVINE SUPREME CONFIGURATION” of

and focus your “attention” on “PURITY”, on “THE DIVINE”, IHVH, our FATHER and on “THE DIVINE FORCE” and no one else.

seven “Divine Particles” that “THE DIVINE”, IHVH, our FATHER, has consolidated in HIMSELF. “*You cannot avoid the prophecy but you can modify it*” means: do like those who, after the announcement of the “Second Phase” of the implementation of “THE HOLY PROJECT” and after having understood that “... None amongst them, who are elders of the creation, but a new creature will receive and carry the manifestation of “THE UNION” ...”, have “lost their minds” and have decided to derail the course of “THE HOLY PROJECT” for their own selfish purposes. “*NO I will not! The project will be accomplished as intended*”.

After this, “he who wrote the book” has suffered much more but he has remained faithful to His FATHER. Having seen no impurity in His FATHER, he made the decision to move away from “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” without exception, and swore to himself to never again trust any “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” or anyone who dwell in the “Plane Above”, and as long as he will be into existence, to walk only with His FATHER and with His MOTHER. Afterwards, weeping in the grief of the betrayal he had suffered, he asked His FATHER:

“ ...

FATHER! Why do they [“‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” that “THE DIVINE”, IHVH, our FATHER has maintained in the “Specific Energy ‘CELESTIAL’ Domain”] do such things?

...”

Then, at that very moment when he had called His FATHER and had asked that question, and by “THE DIVINE FORCE”, his FATHER manifested Himself. In broad daylight, through the communication by “VISIONS”, in front of “he who wrote the book” and above at the level of the clouds, the clouds opened and “THE FIRST OF TIMES” appeared in human form, hundreds of times larger than a normal human creature, all in extremely pure white like the full moon and with a long beard as white as the full moon as all of his whole manifested “being”, and HE spoke directly to “he who wrote the book” and showed him what these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have in them, in their “nature”, what has been sealed in their “nature”. It is so that, this “SON OF LIGHT” understood the motives behind the malice and shenanigans of these “ADONA’IM” and he understood the veritable “COMBAT” for which these “ADONA’IM” wanted to put him out of business. He understood the “wherefrom”, the origin, and the “whereto”, the intention, behind the “*You cannot avoid the prophecy but you can modify it*”: well played by these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who

have qualified themselves to be the “most intelligent children” of IHVH, now using CHRIST to achieve their goals. But it was not good enough! Their goal, which they had set since they perpetrated that “BETRAYAL” against “THE DIVINE”, IHVH, our FATHER, is to corrupt every creature; to bring every creature in whichever manner to condone and to accept their “BETRAYAL”, which they have perpetrated against “THE DIVINE”, IHVH, our FATHER, and hence the consequences thereof, like the murder of the first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, “ADAM” and “THE FEMALE”. The ultimate purpose, through such self-corruption, is that the creature by its own volition gives away “THE KNOWLEDGE OF THE DIVINE”, which it carries, and embraces the “obscurity” of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”. A cunning and devilish ploy from these self declared “most intelligent children” of IHVH. It is so that, this “SON OF LIGHT” stood up and said to himself *“this battle is not over yet! This project will move forward and will be completed! These creatures are not going to get away so easily with their iniquities.”* and he called upon “THE DIVINE FORCE” to the rescue.

***** Zoom out, on the “blinded seventy shepherds”,
who have hastily celebrated their victory. *****

As in their habit, they have ignored “THE DIVINE FORCE” who, they knew very well, protected Her “SON”.¹¹³⁸ Having no knowledge of the ins and outs of “THE HOLY PROJECT”, having miserably failed to read the living “DISCOURSE” of “THE DIVINE”, IHVH, our FATHER, written by “THE DIVINE FORCE” through them, these “ADONA’IM” have taken it into their minds that they are the ones who throw the dice and direct “THE CREATION” and that “THE DIVINE”, IHVH, our FATHER, is there to assist them to “run their circus show”. They knew not that through their own actions, all evidences are been collected and recorded concerning their “MALICE” and their true “nature”, and that the “case” for their pending judgment has been built. They did not take into account “THE DIVINE FORCE” who was protecting and has always protected Her “SON” and has educated him in “PURITY” and SHE showed him that, which is since the beginning, and it is thanks to HER that this “BOOK OF FORMATION” came into existence.

¹¹³⁸ See conversation of August 29, 2005, Aristide with the Archangel RAGUEL: “*THE ETERNAL blesses and protects the one he loves.*”

**THE GLORY BE WITH YOU, FATHER! O “ABSOLUTE PURITY”,
WHERE “IMPURITY” HAS NEVER DWELLED
AND WILL NEVER DWELL.**

**THE GLORY BE WITH YOU, FATHER!
IN THAT YOU DID NOT REVEAL TO THE TRAITORS, THE
MYSTERIES THAT YOU HAVE SENT TO HUMANITY.**

**THE GLORY BE WITH YOU, FATHER!
IN THAT THE KNOWLEDGE THAT YOU HAVE SENT
TO HUMANITY, HAS REACHED ITS END RECIPIENTS.**

Now, fellow human creature, I have explained to you (reading these writings) that, which exists since the beginning and to the extent of what FATHER has decreed to be revealed and using terms and notions in a language, which is familiar to you. It is now up to each of you, human creatures recipients of these writings, to take the “COMBAT” steps forward and work to restore your PLENITUDE.

Behold thus that the “BOOK OF FORMATION” is wide open, and it is for the purpose to have accomplished as well the prophecy of the “vision” of the “blinded seventy shepherds” that “THE DIVINE”, IHVH, our FATHER, through “THE DIVINE FORCE”, and through communication by “VISIONS”, had sent to the elder ENOCH before the “FLOOD”, as the prophecy that had been pronounced through Daniel¹¹³⁹ billions of years after the “FLOOD”, that “THE DIVINE”,

¹¹³⁹ It is so that, Daniel had interpreted the vision that “THE DIVINE”, IHVH, our FATHER had sent him, saying:

“ ...

*Many of those who sleep in the dusty soil will wake up, these for eternal life,
those for reproach, to eternal horror.*

*And thoughtful people will shine, as the brightness of the firmament, they
who have led many to righteousness, like the stars for ever and ever.*

*But you, Daniel, roll up and seal the words of the scroll until the time of the
end. Many will be puzzled but knowledge will increase ...*

...

*GO! Daniel, because these words are kept secret and sealed until the time of
the end. Many will be purified, bleached and refined. The wicked will act
with impiety. None of the wicked will understand, but thoughtful people
will understand.*

IHVH, our FATHER sends you (to every human creature living on this earth) this “BOOK OF FORMATION”, and the knowledge that is written herein, so that: you come up to speed quickly, given that over 70 billion years (Yes! You have read it correctly. Over 70 billion years)¹¹⁴⁰ have elapsed since the creation of the first two

...

“... *those who sleep in the dusty soil* ...” refers to “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” who have forgotten their “PLENITUDE” and whose “‘SPIRIT←LIGHT’ Body” is asleep in ignorance inside their “Subjective ‘EARTHLY’ Garment”, not knowing that they must restore the TABERNACLE inside them.

“... *these for eternal life, those for reproach, to eternal horror* ...” ensues from the two doors at the end of road defined by the manifestation of “The Walk within the Acronym IHVH”; one door at the end of each of the two tracks that are associated to the Governing Law of the Behavior, the manifestation of “The Walk within the Acronym IHVH”, depending on whether “THE SEAT OF THE INTELLECT” stands in “PURITY” — that is to say, stands in that which is in line with the specifications that “THE DIVINE ARCHITECT AND PROJECT MASTER” has defined — or stands in “IMPURITY” — that is to say, stands in that, which is not conform to the specifications that “THE DIVINE ARCHITECT AND PROJECT MASTER” has defined.

“... *thoughtful people* ...” refers to “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” who have understood the revelations that have been given in this “BOOK OF FORMATION”, and chose to stand and hold their ground in “PURITY”.

“... *the time of the end* ...” refers to the time appointed for the end of this “Second Phase” of “THE HOLY PROJECT”: we have entered that last short time interval in the present days. As for the precise duration of this last short time interval, you will have to ask that to “FATHER” Himself. Consider the following: associate a full light moon to the start of the implementation of this “Second Phase” of “THE HOLY PROJECT”, and for the present days, associate a full dark moon, having few sparse light dots that you can count with the fingers of your hand. The time that had elapsed from the full light moon until the current situation of full dark moon having those sparse light dots, is nearly 70 billions years. Now make a linear estimation of a measure of this last short time interval: how many years will it take to have full dark moon with no light dots anymore. 100? 1000? 10000? What is the measure of this last short time interval, compared to 70 billions? NOTHING! When this last short time interval will be completed, the cup of “IMPURITIES” in this “Specific Energy ‘EARTHLY’ Substance” will be at its fullest, then “THE DIVINE”, IHVH, our FATHER will emit the decree, long awaited, for the “in-depth purification process”, in order to restore this “Specific Energy ‘EARTHLY’ Substance” into the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”, and it is “THE DIVINE FORCE” who will accomplish that task.

¹¹⁴⁰ What is the life expectancy these days? 72 years, 84 years, or 100 years? What is that life expectancy compared to 70 billion years? Do you understand that time is not on your side? Do not waste the couple of years that you have left, in futilities in this Earthly world.

“‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, and so that you understand who you are and how did you came into existence in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”.

Because he who would have not understood how he came into existence in the attribute “NON DIVINE”, will not understand either how he will leave it. He who does not know the Work of “THE DIVINE ARCHITECT AND PROJECT MASTER” and the achievements of “THE DIVINE FORCE”, is in absolute poverty and do not know about himself. He who will not reflect on his past, will not know himself and will repeat the same mistakes made by those who preceded him. He who do not know himself, who then, will recognize him?

It is only when you will know who you are, that you will be known and you will know that “THE DIVINE”, IHVH is truly your FATHER and you are his true “CHILDREN”. If you do not know who you are, then, you are in poverty and you are called a “poor”, a drunk who is not thirsty, because “heart” blinded and he do not see.

Parts of this knowledge had been transmitted in various forms by the “CHOSEN ONES”, by the prophets and others who followed them, so that many be educated in “THE KNOWLEDGE OF THE DIVINE” and that “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” can restore the unique expression of “THE UNION”, which is defined by their “‘SPIRIT←LIGHT’ Body”, as “THE DIVINE ARCHITECT AND PROJECT MASTER” designed it, and that accordingly with indescribable joy, with glory, honor, and with grace, so that they can produce abundant “fruits” as “THE DIVINE”, IHVH, our FATHER wanted from the beginning.

The teaching contained in this “BOOK OF FORMATION” is the same that “THE DIVINE FORCE” had given to CHRIST to fulfill the “REDEMPTION PROJECT” and that CHRIST was transmitting in parables to his disciples and to human creatures.¹¹⁴¹ Yes! It is “THE DIVINE FORCE” who has dressed CHRIST with “THE SHINING LIGHT GARMENT”.

There is only one way for salvation: STAND IN “PURITY” AND HOLD YOUR GROUND for the remaining years of your life here on Earth.

¹¹⁴¹ CHRIST, when HE was still living on this earth, had also received this teaching from “THE DIVINE FORCE”. It is so that, HE started to teach it and during the course of teachings HE gave to human creatures, HE said:

“...

By this teaching, all the chains of ignorance have been dismantled, the bondages of servitude have been broken, the high walls of darkness have been toppled, the locks of the fortified gates of the “HUBRIS Spiritual Veil” have been broken, and the masks of convenience (masks of sanity) have been torn.

Now, feed yourself on this teaching and annihilate the works of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, vomit them off your “‘SPIRIT←LIGHT’ Body”.

As you would have understood already, there is a “seed” of “THE KNOWLEDGE OF THE DIVINE” in each of you, as “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”. Each “seed” of “THE KNOWLEDGE OF THE DIVINE” is different from one “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” to another. Use this teaching as groundbase to sprout that “seed” of “THE KNOWLEDGE OF THE DIVINE”, which is inside of you, and add your own experience, understanding and creativity to it, to grow in “THE KNOWLEDGE OF THE DIVINE”, to blossom the plant of “THE KNOWLEDGE OF THE DIVINE”, which is inside of you, and to know your FATHER.¹¹⁴² There is no substitute for “THE KNOWLEDGE OF THE DIVINE”, which you acquire through your experience as a “‘SPIRIT←LIGHT’ ‘**SPIRITUAL**’ Creature” (we highlighted that word “SPIRITUAL” in red, to draw your attention on that key and most important aspect of you) wearing a “Subjective ‘EARTHLY’ Garment” and living in this first “Specific Energy ‘EARTHLY’ Habitation Domain”; you will not acquire that “KNOWLEDGE OF THE DIVINE” if you come to live as a refugee in the “Specific Energy ‘CELESTIAL’ Domain” in the “Plane Above”. You MUST acquire it through your experience here in this first “Specific Energy ‘EARTHLY’ Habitation Domain”.

Let he who seeks never cease to seek until he finds; when he will find, he will be troubled; when he will be troubled, he will admire, and he will understand the universe!

...”

When his disciples asked him: “Tell us how our end will come to pass”. CHRIST answered to them by referring to “THE DIVINE”, saying:

“...”

Have you discovered the beginning so that you are looking for the end? For where is the beginning, there will be the end. Blessed is he who will stand in the beginning: he will know the end, and he will not taste death.

...”

¹¹⁴² Read more in the section concerning the details of the annotation — Annotation on mountains crowned of odoriferous trees.

That is part of the motives why you were created into existence in this first “Specific Energy ‘EARTHLY’ Habitation Domain” and not up there in the “Specific Energy ‘CELESTIAL’ Domain”. It is by the extent of growth of that plant of “THE KNOWLEDGE OF THE DIVINE” that you will be appraised in your judgment. For whatever motive, do not allow yourself to loose that “THE KNOWLEDGE OF THE DIVINE”, which is meant to grow inside you; DO NOT LET ANYONE take it away from you. The starting point for you to develop it, is “PURITY”: PULL YOUR STRENGTH TOGETHER, STAND IN “PURITY” AND HOLD YOUR GROUND IN “PURITY” AGAINST WINDS AND TIDES, AND BE PROUD OF WHO YOU ARE, AS THE IMAGE OF FATHER AND OF MOTHER, AS THE LIVING DISCOURSE OF “THE DIVINE”, AND AS FATHER WILLED IT TO BE! Thus, now that you have received the details given out in these writings, and you understand that you are not here by accident, apply yourself throughout your stay in first “Specific Energy ‘EARTHLY’ Habitation Domain” to grow that plant of “THE KNOWLEDGE OF THE DIVINE”, of which the “seed” was planted inside your “‘SPIRIT←LIGHT’ Body” by “THE DIVINE FORCE”: DO NOT RELAX; BECAUSE YOUR ENEMIES, THOSE HAVE PLUNGED YOU INTO THIS MISERY, THEY DO NOT SLEEP.

You, as “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, possess more than the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”. They had received the task of facilitating your education as regards the development of the elements of “THE ‘SPIRIT’ REASON”¹¹⁴³ and they have abused that trust which they had been given and have kept you under the yoke of servitude absolute toward them. They are

¹¹⁴³ In the example of the teachings (and explanations) which have been given in the annotations section and including the calling card of “THE DIVINE WISDOM”, the eulogy of “THE DIVINE WISDOM”, the maxim of “THE DIVINE WISDOM”, and the parables.

If you are unable to understand such things, which are part of the elements of “THE ‘SPIRIT’ REASON”, you will remain asleep on the bed of ignorance, and then:

- How would you grow in “THE KNOWLEDGE OF THE DIVINE” and come to discern “THE DIVINE” who manifested Himself through metaphors all around you, through you, and inside you?
- How would you achieve your “PLENITUDE” and understand “THE LIGHT” that is hidden in the “LIGHT”?
- How would you take part and have access to the indescribable joy, the ineffable gladness, and immeasurable state of equilibrium that “THE DIVINE” has chosen to share with the attribute “NON DIVINE”, and as “THE DIVINE ARCHITECT AND PROJECT MASTER” had designed it?

truly those “blinded seventy shepherds” who have delivered you up to servitude and destruction and, which were shown in the “vision” of the “blinded seventy shepherds” to the elder ENOCH, of whom METHUSELAH is the descendant, back in those days when he was living here in the first “Specific Energy ‘EARTHLY’ Habitation Domain”.

Stop running after the things that are dead and to feed on their “fruits”, but instead follow the direction that “THE DIVINE ARCHITECT AND PROJECT MASTER” has defined for you and head toward your “PLENITUDE”, head toward “THE FIRST” — “THE DIVINE”.

מְשִׁיחַ
הַ
קָדוֹן
הַ
יְהוָה

If a “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” would come and tells you that it possesses elements of “THE ‘LIGHT’ REASON”, so be sure that it has stolen those.

It is not because you drag with you the “Subjective ‘EARTHLY’ Garment” which is a burden that you should give up. CHRIST has fought for you and gave you back your freedom by redeeming the rigged “DEATH CONTRACT” to which you were all tied; therefore, never give up for the continuation and work to restore the TABERNACLE that is in you, because the DAY of the end is on the horizon.

Let the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” that had raged in “THE CELESTIAL HOST” and that you would have vomit off your “‘SPIRIT←LIGHT’ Body”, found no more home in you.

Once you have in good conscience vomit it off your “‘SPIRIT←LIGHT’ Body”, strengthen not what may make you stumble, but work to raise the degree of presence of “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” in the “Specific ‘SPIRITUAL’ Environment” external and immediate around your “‘SPIRIT←LIGHT’ Body”.

Apply yourself to develop a deep understanding of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, of “THE TREE OF LIFE” — “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” — and exercise your intelligence day and night to “REASON”, meditate and reflect on its secrets in order to feed yourself only with its “fruits” as “THE DIVINE”, IHVH, our FATHER has willed it.

Meditate on the following truth:

The Solar star that you see every day shine above you, protects its eyes when it is in the proximity of “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” —

so that its structure, Solar star, is not destroyed by the strength of the luminous radiation emanating directly from "THE SHEKINAH". "THE SHEKINAH" itself is reminiscent of a "spark" of "THE DIVINE LIGHT".

So, what is the Solar star with respect to "THE DIVINE LIGHT", that is, with respect to "THE DIVINE"? In front of "THE DIVINE", the Solar star is OBSCURITY.

From that, you will understand then, why those creatures into existence in the attribute "NON DIVINE", of which the portion in the domain of "THOUGHTS" is bounded by the elements of "THE 'SPIRIT' REASON", and who have declared themselves to be "gods", received the epithet of "gods of obscurity", in every sense of the word "obscurity"; and we have already explained what it means for a creature to be in "obscurity". Even "THE 'NON DIVINE' LIGHT" and which was created into existence in the attribute "NON DIVINE", those "gods of obscurity" have not known it.

Meditate on this "DIVINE LIGHT" in front of which the Solar star is OBSCURITY; This "DIVINE LIGHT" that by itself and in itself produces and contains "THE DIVINE LIGHT"; This "DIVINE LIGHT" that nothing can contain if not itself, this "DIVINE LIGHT" not created but which has always existed by itself, this "DIVINE LIGHT", which has no beginning and no end.

What is the "'SPIRIT←SPIRIT' 'CELESTIAL' Creature", or the "'SPIRIT←LIGHT' 'EARTHLY' Creature", or even the "'LIGHT←LIGHT' 'EARTHLY' Creature" with respect to "THE DIVINE"? Less than a zepto¹⁴⁴-organism, that is to say non-existent. If you are not aware that you are into existence inside a manifestation of a metaphor of "THE DIVINE ATOM", then, who will know you? Observe an ant on the ground. It is a highly sophisticated and amazing creature, a marvel of miniaturization and compressed complexity. With

allegedly only a tiny brain, an ant absorbs and interprets a flood of data from its sense-organs, navigating a complex and constantly changing environment, despite the external constraints imposed on it, co-operating and communicating with its nest-mates, collaborating in prodigies of architecture, engineering and logistics. Consider others microorganisms, on scales smaller than that of an ant, extrapolate those observations up to your scale and understand through discernment how you are seen by “THE EYE OF THE DIVINE”. Why then, would you cover yourself with the “HUBRIS” while you do not even exist?

If you failed to understand the manifestations of the metaphors of the content of “THE DIVINE ATOM” — the infinitely small, unbreakable and homogeneous, alive, and which constitutes, with other elements of the same type and with which it comes into combination, that, which is called: the “DIVINE SUBSTANCE” — and that have been made manifest all around you, amongst you and within you, by “THE DIVINE FORCE”, is it the “DIVINE SUBSTANCE” which is composed of an infinite number of these “DIVINE ATOMS” in interaction with other elements of the same nature, far beyond the combined elements of “THE ‘SPIRIT’ REASON” and “THE ‘LIGHT’ REASON”, and which is outside the attribute “NON DIVINE” and is not accessible to you, that you will understand? NO!

If you feed on the “fruits” of the tree which is in the “SOUTH” and which are now “fruits” of “FATALITY”, caused by that “BETRAYAL” which the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had perpetrated against “THE DIVINE”, IHVH, our FATHER, on the afternoon of the Third Day of the implementation of the “Second Phase” of “THE HOLY PROJECT”, which has tied everything in the web of evil and perverse purpose of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, will you come to know “THE DIVINE” and share with HIM, the indescribable joy, an ineffable gladness, and in an immeasurable state of equilibrium, as HE willed it? NO!

All those who fed themselves on the “fruits” of the tree which is in the “SOUTH” have remained tied in the web of “FATALITY” and its evil and perverse purpose of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, and as the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had planned it through the rigged “DEATH CONTRACT” against the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, “... *anyone who was free* ...” amongst “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” and even “‘LIGHT←LIGHT’ ‘EARTHLY’ Creatures” who preceded CHRIST, was submitted to the existing hierarchy of communication with “THE DIVINE”, that so far had already been established through “THE SHEKINAH” and through which all the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” indulged

themselves with the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”.

All those who fed themselves on the “fruits” of the tree which is in the “SOUTH”, have installed “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and gave them sitting places in “THE SEAT OF THE INTELLECT” in their “‘SPIRIT←LIGHT’ Body” for “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, and in the “‘LIGHT←LIGHT’ Body” for “‘LIGHT←LIGHT’ ‘EARTHLY’ Creatures”, and they have all been submitted, without knowing their “PLENITUDE”.

Just as the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had found their joy in the absence of “THE KNOWLEDGE OF THE DIVINE”, but through the comfort they felt in the “Specific Energy ‘CELESTIAL’ Domain”, likewise “... *anyone who was free* ...” amongst “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” and even “‘LIGHT←LIGHT’ ‘EARTHLY’ Creatures” who preceded CHRIST, will find themselves in the joy of comfort.

When you ask them to talk about “THE DIVINE”, and if you do not have “THE KNOWLEDGE OF THE DIVINE” in you, then, the teaching that they will give you will not bring you forward in “THE KNOWLEDGE OF THE DIVINE”, but will keep you in the web of “FATALITY”. Thus the task to restore “THE TABERNACLE”¹¹⁴⁵, that is to restore the unique expression of “THE UNION” represented by the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” and to restore the “Causal Precedence Relation of ‘THE PRAISE’” on the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, has not made any progress as it should.¹¹⁴⁶

¹¹⁴⁵ Read more in the section concerning the details of annotations — Annotation on the task of restoring “THE TABERNACLE” of “THE DIVINE”.

¹¹⁴⁶ It is for the purpose to lead “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” to understand this, for the purpose to lead them to understand the status of “THE TABERNACLE” of “THE DIVINE” which is defined by their “‘SPIRIT←LIGHT’ Body” and which they cannot see, that CHRIST went to the Jewish Passover and showed them the true meaning of the “Passover” and which is the achievement of the task that was assigned to every “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”: Get out of servitude in which you have been confined! And restore “THE TABERNACLE” of “THE DIVINE”.

The human called John recorded it in his testimony by saying (John 2:13-20):

“... ”

The Passover of the Jews was at hand, and CHRIST went up to Jerusalem.

In the temple he found those who were selling oxen and sheep and pigeons, and the money-changers at their business.

Having made a whip of cords, he drove them all, with the sheep and oxen, out of the Temple; and he poured out the coins of the money-changers and overturned their tables; and he told those who sold the pigeons:

“...

Take these things away, you shall not make of my FATHER's house a house of trade.

...”

His disciples remembered that it was written: “Zeal for your House consumes me.”

The Jews then, said to him:

“...

What sign have you to show us for doing this?

...”

CHRIST answered them:

“...

Destroy this temple, and in three days I will raise it up.

...”

The Jews then, said:

“...

It has taken forty-six years to build this temple, and will you raise it up in three days?

...”

...”

“... *sellers of oxen, sheep and pigeons, and the money-changers* ...” refers to all species unusable for anything whatsoever, of which “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” have installed and given sitting places in “THE SEAT OF THE INTELLECT” in their “‘SPIRIT←LIGHT’ Body”, which keep them under the yoke of the absolute servitude, and which prevent these “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” to look towards their “PLENITUDE”.

“... *What sign have you to show us for doing this?* ...” by this, you must discern and understand that these are the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who had been immersed in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, who spoke so through these Jews. CHRIST was fighting them; remember what is recorded in Ephesians 6:11-13.

Indeed, it is “THE DIVINE FORCE” who has built “THE TABERNACLE” of “THE DIVINE” which is defined by the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

“THE DIVINE FORCE”, under Her designation of “THE DIVINE WISDOM”, moved away from “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” because of their “MALICE” and their duplicity.

Have you ever heard that “THE DIVINE”, IHVH, our FATHER has emitted an ordinance into existence in the attribute “NON DIVINE”, and that with the passage of time HE has emitted an another ordinance contrary to the first?

If then, you, as a “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, give places and install “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, whomever they may be, in “THE SEAT OF THE INTELLECT” in your “‘SPIRIT←LIGHT’ Body”, do you think that “THE DIVINE FORCE” will take place in “THE TABERNACLE” of “THE DIVINE” which is defined by a such “‘SPIRIT←LIGHT’ Body”? Could such a “TABERNACLE” of “THE DIVINE” be restored? Remember the saying in the parable:

“... ”

... you [as a “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”] gave my dwelling place and my home to someone other than Me.

And whenever “the manifestation of my holiness” [“THE DIVINE FORCE”] sought her own house, she found a stranger there in; then, deprived of dwelling place, she has hastened to return to Me

“... ”

Have you ever heard that “THE DIVINE”, IHVH, our FATHER has emitted an ordinance into existence in the attribute “NON DIVINE”, and that with the passage of time, a manifested “SOUND” of that ordinance has changed tune, or so that a letter from the text of that ordinance has changed position?

“THE WILL” OF “THE DIVINE”, IHVH, OUR FATHER, IN HIS VARIOUS FORMS, AND THE WILL OF ANY THING OTHER THAN “THE DIVINE”, IHVH, CANNOT COEXIST IN THE SAME “ALTAR OF ‘THE DIVINE’”.

If however you have “THE KNOWLEDGE OF THE DIVINE” in you, and of which you can receive only through the teaching of “THE DIVINE FORCE” Herself, then, you will come to understand the deficiency of “THE KNOWLEDGE OF THE

DIVINE” among those who feed on the “fruits” of the tree which is in the “SOUTH”.

Only CHRIST has not been submitted, nor tied in the web of ignorance and “FATALITY”, because HE is the seed of the “fruit” of the tree which is in the “NORTH” and HE has fed on its “fruit”: which is that of “THE KNOWLEDGE OF THE DIVINE”, and which is in the hands and under the care of “THE DIVINE FORCE”. Only CHRIST has restored “THE TABERNACLE” and HE had explained it to his disciples. And the joy and state of gladness of CHRIST is true and stems from “THE KNOWLEDGE OF THE DIVINE”, as “THE DIVINE”, IHVH, our FATHER has willed from the beginning.

LET “THE DIVINE FORCE” AND ONLY HER BE FOR YOU THE UNIQUE MODEL TO FOLLOW, THE UNIQUE REFERENCE FROM WHICH YOU MUST BASE YOUR CONDUCT, THE ONLY “PERFECT” TO IMITATE THROUGHOUT YOUR LIFE.¹¹⁴⁷

IT IS FROM “THE DIVINE FORCE” THAT YOU HAVE ALL RECEIVED “IMAGE”; SHE IS THE FIVE DIMENSIONAL FILTER THROUGH WHICH ARE MANIFESTED, IN TWO OR THREE DIMENSIONS IN THE ATTRIBUTE “NON DIVINE”, THE DESIGNS OF “THE DIVINE ARCHITECT AND PROJECT MASTER”.

“THE DIVINE FORCE” IS THE WATER WHICH FLOWS INSIDE OF “THE ALTAR OF ‘THE DIVINE’” THAT SHE HAS HERSELF PLACED INSIDE YOU.

¹¹⁴⁷ Be pure and you will understand all these recommendations. When “THE DIVINE FORCE” will educate you, pay attention to Her behaviour and how SHE will proceed to educate you. Toward you, Her behaviour alone and without that SHE opens the “mouth” to talk to you, will be for you a great source of teaching.

WOULD YOU QUENCH YOUR THIRST OUTSIDE YOURSELF? DRINK WATER FROM YOUR OWN CISTERN!

“THE DIVINE FORCE” is the life of “THE DIVINE ARCHITECT AND PROJECT MASTER”, SHE is present:

- In all and every eternal movement;
- In the “Specific Energy ‘LIGHT’ Substance” which is invisible and that SHE Herself created, and in all energy substances;
- In the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, regardless of who they are;
- In the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” and the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creatures”, in all “The ALTAR of ‘THE DIVINE’” within each of His creatures into existence in the attribute “NON DIVINE”.

“THE DIVINE FORCE” exists in all those who are into existence in the attribute “NON DIVINE”, and who are “PURE”. SHE moves in each and works in all, walking in righteousness, arousing those who sleep and have fallen into oblivion of “THE KNOWLEDGE OF THE DIVINE”.

“THE DIVINE FORCE” IS TRULY “THE BOOK OF CREATION”, “THE BOOK OF FORMATION” — title of these writings sent to humanity, — “THE BOOK” which was announced to you through Daniel.

“THE DIVINE FORCE” is “THE LIGHT” existing in “THE LIGHT”, SHE is the memory of “THE CREATION”. SHE filled her face with “THE LIGHT” in view of the end of ignorance and SHE is present inside “The ALTAR of ‘THE DIVINE’” within each of His creatures into existence in the attribute “NON DIVINE” and SHE says:

“LET HE WHO HEARS RISES FROM THE DEEP SLEEP!”

But, as the creatures into existence in the attribute “NON DIVINE” are chained all in the web of ignorance and “FATALITY”, in the depths of the dungeons of the “King of the SOUTH”, none of them hears or listens. It is so that, “THE DIVINE FORCE” had wept and poured deep sobs since SHE had left the heights of “THE HEAVEN” and Her throne that rested on a pillar of cloud.

While the “King of the SOUTH” was celebrating the victories he had hitherto appropriated, by deceit, intrigues, dirty and secret deals to bring to fruition his conspiracy to harm the “King of the NORTH”, on the battlefields, it was then that “THE DIVINE FORCE” heard a call to the rescue, and SHE wiped Her tears and said:

“WHO IS PRONOUNCING MY NAME? AND WHERE DID THIS HOPE COME FROM, WHEN I AM IN THE BONDS OF THE PRISON OF IGNORANCE AND “FATALITY”?”

And to Her “SON” who had called her to the rescue, from the battlefield and at the bottom of the bushes in which he had been locked up and covered with thorns by the disciples and princes of the “King of the SOUTH”, “THE DIVINE FORCE” replied to and said:

“...

I am the WISDOM of “PURE LIGHT”, I am the life of the “Virginal Spirit”, the one who restores you in a place of honor.

Stand up! And remember that you are the one who has heard and I am your root, I who is compassionate, and keeps you from the “angels of poverty”¹¹⁴⁸ as well as the “demons of chaos”¹¹⁴⁹ and all those who hinder you. And remain awake out of the deep sleep and the cape.

...”

You too, who is reading these writings, call “THE DIVINE FORCE” to the rescue! How do you call HER to the rescue, you will ask? It is an innate feature, which has been implemented deep inside of you. All what you need to do is to activate HER symbol in you. Now, what do you mean by that, “activate HER symbol in you”, you will still ask? Answer: “WEAR THE ARMOUR OF GOD”, which means: STAND IN “PURITY” AND HOLD YOUR GROUND IN “PURITY”! And what

¹¹⁴⁸ All those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” that “THE DIVINE”, IHVH, our FATHER has maintained in the “Specific Energy ‘CELESTIAL’ Domain”; for, none of them possesses “THE KNOWLEDGE OF THE DIVINE”.

¹¹⁴⁹ All those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who had been immersed in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”.

would this accomplish, you are still asking? The innate features, which SHE has implemented inside “The ALTAR of ‘THE DIVINE’”, the residence house of the manifestation of the “HOLINESS” of “THE DIVINE” and, which was built by “THE DIVINE FORCE”, inside your “‘SPIRIT←LIGHT’ Body”, will automatically, but slowly come out of the ruins and oblivion in which you have left that “ALTAR of ‘THE DIVINE’” and, start to function, until they reach their full operational mode, as they were designed to function, by “THE DIVINE ARCHITECT AND PROJECT MASTER”. It is that simple: STAND IN “PURITY” AND HOLD YOUR GROUND IN “PURITY”! Why do you think the disciples and princes of the “King of the SOUTH” are keeping you locked and chained in the dungeons of their castle, in the “IMPURITY” in all its forms, in the web of the evil and perverse purpose of “FATALITY”, for?

It is “THE DIVINE FORCE” who awakens and seals in “THE LIGHT” by means of the five seals, through which SHE was made “PERFECT”, and so that the “bitter bond” of the rigged “DEATH CONTRACT” against the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, as well as the web of the evil and perverse purpose of “FATALITY”, be without power over those in whom she found abode.

“THE DIVINE FORCE” is Herself the invisible science which is hidden in “THE WHOLE”: SHE is “THE INVISIBLE” in all and SHE is the one who consider hidden things since SHE has knowledge in all the details of everything that the attribute “NON DIVINE” contains, and it is through HER that comes “THE KNOWLEDGE OF THE DIVINE” in the attribute “NON DIVINE” while SHE is inside “THE DIVINE DOMAIN” outside the attribute “NON DIVINE”.

“THE SEAT OF THE INTELLECT” that SHE has built inside Her creatures into existence in the attribute “NON DIVINE”, is the entry gate to the “Realm of the ‘THOUGHTS’” and at the same time the exit gate from the “Realm of the ‘THOUGHTS’”.

The “Realm of the ‘THOUGHTS’” is truly a universe, a true “tangible” reality, that is defined by the elements of “THE ‘GOD’ REASON”; it is not an intentionality which has its origin in the “Specific Energy ‘SPIRIT’ Substance” considered or a production of the “Specific Energy ‘SPIRIT’ Substance” considered, but it is truly the external manifestation of a metaphor of the great “DIVINE WEALTH” as a collection of an infinite number of “DIVINE PRIMARY WEALTH”.

It is the elements of “THE ‘SPIRIT’ REASON” which will allow giving shape to the elements of this “Realm of the ‘THOUGHTS’”, and it is the elements of “THE ‘LIGHT’ REASON” which, through the mould called “THE WORD”, will allow

“giving body” to the resulting forms of application of elements of “THE ‘SPIRIT’ REASON” to the elements of this “Realm of the ‘THOUGHTS’”.

Inside the “Realm of the ‘THOUGHTS’”, these “THOUGHTS” are truly alive and “tangible” realities, that are defined by the elements of “THE ‘GOD’ REASON”, and it is also in these living realities and this “dimension” defined by the “Realm of the ‘THOUGHTS’”, that you will also find “THE DIVINE FORCE”, “PURE” and “HOLY”. SHE is found both inside and outside the “Realm of the ‘THOUGHTS’”.

Outside of the “Realm of the ‘THOUGHTS’”, it is first within the “Realm of the Optimal Interpreted ‘THOUGHTS’” that “THE DIVINE FORCE” “lets Herself be seen”, because every “Optimal Interpreted THOUGHT” — element of the “Realm of the Optimal Interpreted ‘THOUGHTS’” — is “PURE” and “HOLY”. And it is afterwards that SHE then, “lets Herself be seen” outside the “Realm of the Interpreted ‘THOUGHTS’”. “THE DIVINE FORCE” is not in the residuals of “Interpreted THOUGHTS” because those residuals are products of the absence of “THE KNOWLEDGE OF THE DIVINE”, and “THE DIVINE FORCE” is “THE KNOWLEDGE OF THE DIVINE”.

If you do not perceive and do not recognize “THE DIVINE FORCE” inside the “Realm of the Interpreted ‘THOUGHTS’” which is in you, is it outside this “Realm of the Interpreted ‘THOUGHTS’” that you will succeed?

“THE DIVINE FORCE” is by Herself, the five “INDISTINCT DIVINE FORMS” taken together in an indivisible and representing the five “EONS” that “THE DIVINE”, IHVH, our FATHER chose to share with the attribute “NON DIVINE” and that HE made “PERFECT” by adding an intellect.

“THE DIVINE FORCE” by Herself, provides to the needs of all Her creatures, down to the smallest ones; and any “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” who accepts in him “THE DIVINE FORCE”, will thus be stripped of clothes of ignorance and will be dressed in “THE SHINING LIGHT GARMENT”.¹¹⁵⁰

¹¹⁵⁰ It is for the purpose to lead human creatures, celestial Christians, to discern and understand such things that they have been asked to wear a white cassock, as a symbol of “THE SHINING LIGHT GARMENT”.

But in the ignorance and covered by the “HUBRIS Spiritual Veil”, they look rather at the garment of the hubris — the garment of ignorance — and add what comes from their own desires of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, and they do not know that “THE LIGHT” is always “PURE”, contains no foreign element, remains always “PURE”, and no element which is external to it can affect its quality.

In the heights of “THE HEAVEN” SHE dwelt, and Her throne was in a pillar of cloud. But after the horrible “BETRAYAL” that “THE DIVINE”, IHVH, our FATHER had suffered on the part of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, “THE DIVINE FORCE” has packed Her coffers and went looking for a new home. Then, “THE DIVINE”, IHVH, our FATHER, gave Her an order and has assigned a place for Her tent to set home, telling Her:

“...

MAKE YOUR DWELLING IN THOSE WHO ARE “PURE AND HOLY”, AND RECEIVE YOUR INHERITANCE IN THOSE WHO REMAIN FAITHFUL TO ME.¹¹⁵¹

...”

Now then, “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” reading these writings, I beg of you: STAND IN “PURITY”, HOLD YOUR GROUND, and listen to “THE UNALTERABLE VOICE” that speaks from “The ALTAR of ‘THE DIVINE’” that is in you, because through these writings, SHE delivers you of all chains of ignorance, and the links that the elders of the creation had placed on you, SHE has broken them.¹¹⁵²

Through these writings, SHE has taken down the high walls of darkness, and the fortified doors of the ruthless that have kept you in absolute servitude, SHE has broken them. And the origin of shenanigans activities as well as those that hits you and that, which hinders you, and the tyrant and the adversary, and he who is king and the true enemy, the absence of “THE KNOWLEDGE OF THE DIVINE”, all of them, therefore, SHE has revealed to you and highlighted them, so that you destroy all of them and get out of all these chains and enter in the place in which you were previously: in your “PLENITUDE”.

¹¹⁵¹ To remain faithful to “THE DIVINE”, IHVH, our FATHER, means: To stand in “PURITY” and to hold your ground in “PURITY”. Remember the application of the concept of “EXTENSION” of “THE DIVINE”, IHVH, our FATHER, to the attribute “NON DIVINE”, through “THE SEAT OF WISDOM”. Such “EXTENSION” will hold as long as “THE SEAT OF WISDOM” is in “PURITY”; for, “THE DIVINE”, IHVH, our FATHER is “ABSOLUTE PURITY”.

¹¹⁵² You can read these writings days and nights, as long as you want, but, if you do not STAND IN “PURITY” AND HOLD YOUR GROUND IN “PURITY”, then these writings will be useless for you. There is no compromise, there is no “middle ground” between “PURITY” and “IMPURITY”.

***** Zoom in, on another summary
of “THE HOLY PROJECT” *****

For those who have difficulties understanding the details written so far, here is a summary of “THE HOLY PROJECT”, using the concepts of points, lines, planes, and sphere, which you are already familiar with:

The “point” is the basic element of the formation. It is a one dimensional type element in the “void”.

Individual and separated “points”, each with a unique feature, are utilized to form and display representations of the concepts of existence, which cannot be presented by only one or few of those individual separated “points”. Each unique feature of each “point” has the same importance, as far as are concerned the concepts of existence which these “points” are meant to form.

Thus, those individual and separated “points”, each with a unique feature, are arranged and completed with other one dimensional type elements — this second dimension been different from the dimension at the origin of the “points” — to form that, which is called a “plane”: the two dimensional type element of the formation.¹¹⁵³

¹¹⁵³ At the onset of these writings, we asked you to consider that you are living creatures in a two-dimensional domain (that is, in a plane of existence), and indeed, you are.

Remember the parable saying: “...*In paradise, there is a brick of gold and a brick of silver; the cement that holds them is from musk, its gravel is pearls and rubies, its sand is saffron. ...*”?

What do you think it was all about? Why only two “bricks”? Why not one or more than the two?

Because the two “bricks” (said in parable) refer to your main internal constructs (such a construct is called a “brick” in parable; because it was at the time when the parable was given, the most close and comprehensible expression which could be use to describe those constructs to human creatures so that they could understand who the human creatures are themselves) and each of these main internal constructs is in its own specific dimension: the first dimension is “Light” (referred to as “gold”, because of its gold-like radiation) for your innermost construct and the second dimension is “Spirit” (referred to as “silver”, because of its silver-like radiation) for your external construct.

What words, what concepts will you use, to explain what is unknown to you? You can only explain things that are unknown to you, only by making reference using words and

Those individual and separated “points”, alone, each with a unique feature, cannot form a “plane” in the absence of the elements of that secondly added dimension.

Obviously, the features of the many one dimensional “points” are needed to form a coherent two dimensional type “plane”. Hence, there will be many “points” and few “planes”.¹¹⁵⁴

If a “plane” is not aware of its existence as “plane”, then, it will loose its cohesion and the individual and separated “points”, which are one dimensional and, the features of which form that “plane”, will overrule it and eventually break it apart. In such case, how would the broken “plane” be recognized as a “plane”? Which concept would it represent? Who will know that “plane”?

Individual and separated “planes”, each with a set of unique features, are utilized to form and display representations of the concepts of existence, which cannot be presented by only one or few of those individual separated “planes”, and even less by one or few of those individual separated “points”.

Thus, in much the same as the individual and separated “points”, each with a unique feature, are arranged and completed with other one dimensional type elements to form that, which is called a “plane”, the features of the individual and separated “planes” are arranged and completed with other one dimensional type elements — this third dimension been different from both the dimension at the origin of the “planes” and the dimension at the origin of the “points” — to form that, which is called a “sphere”: the three dimensional type element of the formation.

Obviously again, the features of the many two dimensional “planes” are needed to form a coherent three dimensional type “sphere”. Hence, there will be many “planes” and few “spheres”.¹¹⁵⁵

concepts to the extent of your knowledge base on things that are familiar to you. So were your main internal constructs referred to as “*a brick of gold and a brick of silver*”, so that the one through whom was given the parable, could understand through discernment, the teaching that was given to him and in turn, so that he could explain those teachings to his fellow human creatures.

¹¹⁵⁴ You are able to count how many human creatures are living in your domain of existence, i.e., in the first “Specific Energy ‘EARTHLY’ Habitation Domain”. Now, look outside of your domain of existence, in the “void” and toward the firmament, how many “stars” are there? Can you count them? The absolute “ONE”, at the origin of that “void” and all that it contains, knows how many there are; HE knows them all by their designation and their locations. None of them are missing His call. See vision of August 18, 2005.

From the one dimensional “points”, to the three dimensional “sphere”, passing through “planes”, the increase in complexity and understanding of representation of the concepts of existence is phenomenal: over exponential.

In much the same as the features of individual and separated “planes” are arranged and completed with other one dimensional type elements to form that, which is called a “sphere”, the features of individual and separated “spheres” are also arranged and completed with other two dimensional type elements — different from the elements of the added third dimension at the origin of the “spheres”, and different from both the dimension at the origin of the “planes” and the dimension at the origin of the “points” — to form that, which is called a “filter”: the five dimensional type element of the formation.

A “filter” contains all the features of all three dimensional “spheres”, all the features of all two dimensional “planes”, and all the features of all the basic one dimensional “points”.

Ultimately, the features of individual and separated “filters” are also arranged and completed with other two dimensional type elements — different from the elements of the added two dimension at the origin of the “filters”, different from the elements of the added two dimension at the origin of the “spheres”, and different from both the dimension at the origin of the “planes” and the dimension at the origin of the “points” — to form that, which is called: “THE WHOLE”, “THE ABSOLUTE ONE”.

“THE ABSOLUTE ONE” contains all the features of all five dimensional “filters”, of all three dimensional “spheres”, of all two dimensional “planes”, and of all the basic one dimensional “points”.

To develop a profound understanding of this decomposition and reconstitution of “THE WHOLE”, “THE ABSOLUTE ONE”, through the different “ins” (that is, the “who”, “what” and “why”) and “outs” (that is, the “when”, “where” and “how”), starting from the unique features of each individual and separated “points”, moving forwards in the complexity to the features of “planes”, afterwards to the features of “spheres”, and experience the joy that ensues from that discovery journey, is the goal of the HOLY PROJECT — THE PROJECT OF CREATION, THE PROJECT OF FORMATION.

¹¹⁵⁵ CHRIST had explained this already to human creatures when he told them that:

“... many are “CALLED”, but few are “CHOSEN” ...”

Unfortunately, during the course of realization of this goal, the basic one dimensional “points”, having received the mark of life which enabled them to think and act autonomously, in their individuality and their quest to get hold of the second dimensional type elements, which they do not possess, declared themselves to be equivalent of “THE WHOLE”, “THE ABSOLUTE ONE”, THE UNIQUE SEVEN DIMENSIONAL ELEMENT IN EXISTENCE, while they had ZERO knowledge of the “plane” next in line for creation after them.

In that ignorance, those basic one dimensional “points” broke the “plane” that, once it was formed into existence, was not aware of its “PLENITUDE” and status of “plane”, and they derailed the work which was scheduled to achieve the original goal of “THE HOLY PROJECT”.

The ensuing broken “planes” that have lost their cohesion, will not either understand the concepts of “points” and their arrangement into lines. Would they be able understand the concept of the “sphere” next in line for creation after them?

If then, the broken “planes” do not manage to apprehend the “sphere”, which is by itself the projection, through a five-dimensional “filter”, of “THE ABSOLUTE ONE” which this time is in a domain with seven dimensions, and the broken “planes”, since they have lost their cohesion, do not know of the existence of this five-dimensional intermediate “filter”, is it “THE ABSOLUTE ONE” of the seven-dimensional domain that they will be able to apprehend from the lines and points — the concepts of their two-dimensional domain — that they use to represent everything they can represent in their domain of existence?

It is so that, everything has been put on hold, in order to fix the broken “plane”; for, the transmitted features of “planes” also affect the “spheres” of which they are meant to form the basis.

***** Zoom out, on another summary
of “THE HOLY PROJECT”. *****

Exercise to remain at all times in “THE PRAISE”, in the “MEDITATION”, with “THE DIVINE”, IHVH, our FATHER, and let “PURITY” — the eternal symbol of the glory of “THE DIVINE ARCHITECT AND PROJECT MASTER” and also of “THE DIVINE FORCE” —, let “LOYALTY” to “THE DIVINE”, and let “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” be your only passions and your only “Interpreted THOUGHTS” at every moment, day and night. Reflect

deeply about the concept of “EXTENSION”, in the sense that something extends into a class of objects to which an element of knowledge is applied. Reflect also about the concept of spiritual “UNION”, which defines that “EXTENSION”, and through discernment understand by yourselves who you are.

You must exercise your capacities of discernment to fully understand what is “going on” inside the attribute “NON DIVINE” in which you are into existence, at the risk of being swallowed by the monstrosity, the horror, and the disaster that are represented by that “CELESTIAL WAR”, and to never come to understand what is “PURITY” which emanates from “THE DIVINE”, IHVH, our FATHER, and in which you are called to “STAND IN” and “HOLD YOUR GROUND IN”, and at the risk to never come to understand what is “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”. That is why we give out as much details as possible.

Remain at all times in “THE PRAISE”, in the “MEDITATION”, with “THE DIVINE”, IHVH, our FATHER, as this will allow you to restore and maintain your “‘SPIRIT←LIGHT’ Body” in the proximity of the “HOMOGENEITY”, of the “PURITY” and of the “HOLINESS”.

Observe and live by “THE FIRST RULE OF EXISTENCE” — which offshoots in the Ten Commandments —, because this will allow you to consolidate the achievements of “THE PRAISE” and of the “MEDITATION”, dispelling the mist of the residuals of “Interpreted THOUGHTS” — which is the mist of ignorance — and bringing you thus close to the proximity of the “Realm of the Optimal Interpreted ‘THOUGHTS’”.

Like a hunter, go after “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”, keep watch on its passage, because SHE will first make Herself known to you, in each of your “Interpreted THOUGHTS”.

That is how you would come to know that, even in the pit for excreta in which you are living, “THE DIVINE”, IHVH, our FATHER has always been with you through “THE DIVINE FORCE”, and you will understand “THE LIGHT” that is hidden by that, which you see with your eyes without however understanding; because as we have told you in a text at the beginning, long before the creation of the attribute “NON DIVINE”, “THE DIVINE”, IHVH, our FATHER had decided to reveal Himself through metaphors of “THE LIGHT OF THE DIVINE”, and His metaphor is hidden by His “LIGHT”.

To see “THE DIVINE”, IHVH, our FATHER, is equivalent with, to see and comprehend “THE LIGHT” that is found within “THE LIGHT”. You cannot see “THE DIVINE”, IHVH, our FATHER, or take part in the indescribable joy, the ineffable gladness, and in an immeasurable state of equilibrium, that HE chose to share with the attribute “NON DIVINE”, if you have failed to see and comprehend “THE LIGHT” that is found within “THE LIGHT”. And, to see and comprehend “THE LIGHT” that is found within “THE LIGHT”, you must stand in “PURITY”. You cannot see and comprehend “THE LIGHT” that is found within “THE LIGHT”, if you have failed to stand “PURITY”. Take a look at those who have preceded you in the order of creation, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, both the “angels of poverty” and the “demons of chaos”, in their ongoing “CELESTIAL WAR”; they are a prime example of such failure.

In the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain” in which you are right now, consider everything that is around you and inside you, as a teaching material for your own education, and remember the “specific reflexive property” of the “Specific Energy ‘EARTHLY’ Substance” (look at the liquid that is called “WATER”, which is all around you, and understand what you see). In truth, you are a pupil in the classroom of “THE DIVINE FORCE”, and it is through that material that SHE teaches. THUS, WAKE UP!

How will he cultivate the plant of “THE KNOWLEDGE OF THE DIVINE” that is inside of himself, he who holds the plough, whose pride is to brandish the sting, who leads oxen and does not leave them at work, who speaks only of young bulls, and who instead applies his heart to draw grooves and to spend his nights to give the fodder to heifers, without being conscious and without reflecting on that plant of “THE KNOWLEDGE OF THE DIVINE” that is inside of himself and in relation to his occupation and his cattle?

Similarly, how will he cultivate the plant of “THE KNOWLEDGE OF THE DIVINE” that is inside of himself, the carpenter or the worker, who at night and day is busy cutting, drilling, and assembling the pieces of the structures of the frameworks, and who instead applies his heart to reproduce well his models and spends his nights to complete his work, without being conscious and without reflecting on that plant of “THE KNOWLEDGE OF THE DIVINE” that is inside of himself and in relation to his occupation of carpenter?

Similarly, how will he cultivate the plant of “THE KNOWLEDGE OF THE DIVINE” that is inside of himself, the blacksmith who sits near the anvil, the attention fixed on the work of the raw iron, the steam of the fire gnawing his flesh,

in the heat of the furnace where he strives, the sound of the hammer constantly resonating in his ear, his eyes riveted on the models of the objects he forges and produces, and who instead applies his heart to do his work well and spends his nights to rework his objects until he makes them perfect, without being conscious and without reflecting on that plant of “THE KNOWLEDGE OF THE DIVINE” that is inside of himself and in relation to his occupation as a blacksmith?

Similarly, how will he cultivate the plant of “THE KNOWLEDGE OF THE DIVINE” that is inside of himself, the potter who sits at his work, turning the wheel with his feet, who is continually preoccupied with his work, all his gestures being counted, shaping the clay and, from his feet, bending the resistance of that clay, and who puts his heart to properly apply the varnish and spends his nights cleaning the furnace, without being conscious and without reflecting on that plant of “THE KNOWLEDGE OF THE DIVINE” that is inside of himself and in relation to his occupation of potter?

All these creatures have put their trust in their hands and feet and each one is skilled in his own work; just like the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have put their trust in their innate skills and the “kudos of their innate skills” on which they are sleeping, having failed to extract “THE KNOWLEDGE OF THE DIVINE” that “THE DIVINE FORCE” has integrated into the tasks entrusted to them. However, without these creatures, under the present conditions of existence, cities will hardly be built, people will hardly live there and circulate there.

But these creatures are not met in “THE ASSEMBLY OF THE MOST HIGH” and they cannot open their mouths or glorify themselves in front of His POWER. They have not meditated and they are not meditating on the origin of the laws and rules that govern their occupations. They do not understand the provisions of righteousness, they do not shine the instruction of “THE MOST HIGH”, and you do not meet them among the makers of maxims. But they sustain and ensure rather the maintenance of the fabric of a creation of which they do not know about the origin, and their prayers, addressed to “THE DIVINE”, IHVH, our FATHER, have as purposes, the affairs of their occupations.

“THE KNOWLEDGE OF THE DIVINE” and the knowledge of the mysteries of “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” are gained through passion at the labour, which consists of growing the plant of “THE KNOWLEDGE OF THE DIVINE” that is inside of oneself, in relationship with any daily activity undertaken, and with the help of “THE DIVINE FORCE”. It is only so that you will rectify as fast as you can, that, which is yours; that, which belongs

to “THE DIVINE”, IHVH, our FATHER: the unique expression of “THE UNION” which is defined by your “‘SPIRIT←LIGHT’ Body”.

The only assistance that you need is that, which comes from “THE DIVINE FORCE”, be pure and listen to “THE UNALTERABLE VOICE” that speaks from “The ALTAR of ‘THE DIVINE’” that is in you. It is HER alone who can help you in order to get an idea and describe what lies outside and above your portion of the “Realm of the ‘THOUGHTS’”. SHE bears in HER the five “INDISTINCT DIVINE FORMS” taken together and representing that, which is “PERFECT”; SHE is in the attribute “NON DIVINE”, the manifestation of “THE WHOLE” which is, from the perspective of indivisibility, the “FIRST POSSESSION” and also called the “FIRST POWER”; that is, “THE DIVINE”.

Behold, “THE CONJOINT OF VALUE” has lit “THE LAMP” and placed it on a support so that everyone who comes in and goes out sees “THE LIGHT”. For, nothing is hidden, except to be made manifest; nor is anything secret except to come to light.

Behold, “THE CONJOINT OF VALUE” has sprouted the seed of “THE KNOWLEDGE OF THE DIVINE”, SHE has provided the fertilizer needed for the development of the plant of “THE KNOWLEDGE OF THE DIVINE”, and the “TREE” has grown and produced “fruits” so that those who are hungry find food.

Behold, “THE CONJOINT OF VALUE” has placed a tiny drop of water in a vase, and everything has turned into a “FOUNTAIN” where the water that is at the same time light flows in abundance so that those who are thirsty drink.

Come on, eat these “fruits”, drink this water that SHE has produced. Stand in “PURITY” and use the Governing Law of the Behavior, the manifestation of “The Walk within the Acronym IHVH” as a magnifying glass that reveals everything available in “THE SEAT OF THE INTELLECT”, which is inside you; it is a high precision compass that reveals everything about the behaviour of “THE SEAT OF THE INTELLECT”, which is inside you.

“ ...

Go to “THE CONJOINT OF VALUE”, you who desire HER; and fill yourself up on HER fruits and HER water.

For, HER memory gently overtakes the honey, and HER possession on the honeycomb.

Whoever listens to HER will not be ashamed and those who work with HER will not sin.

...”

Take a look at the state of the world in which you are living! It is the web of progeny of the decisions taken by those who preceded you, they who, before that your world was created, were tasked to facilitate your education, and they who chose to stand in their own “DISGRACE”, “IMPURITIES”, and “LIES”: they did not feed on the “fruits” and they did not drink of the water of “THE CONJOINT OF VALUE”.

Give up the deceit, the “MALICE”, the works of “HUBRIS”, the works of absence in “THE KNOWLEDGE OF THE DIVINE”, the works of “DEATH”, which have been inculcated into you since the early days of your creation, and escape the cataclysm that has appeared on the horizon, escape “THE VERITABLE DEATH”!

Remember the thing that NOAH had announced to “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” and who did not believe him. Indeed, the time has come for you to make your last stand, the “ULTIMATE DECISION”, from the depths of “FATALITY” in which you came into existence: (1) The absence of “THE KNOWLEDGE OF THE DIVINE” and all those who incarnate that deficiency; that is, the path that all the elders of the creation had chosen and have swallowed and locked the whole CREATION in it; or (2) “THE KNOWLEDGE OF THE DIVINE”, and “THE DIVINE FORCE” who incarnates it; that is, the path that CHRIST and the “SONS OF LIGHT” chose and on which they walk.

REMEMBER YOUR OWN PLENITUDE, “HUMAN CREATURE”!!!

REMEMBER WHO YOU TRULY ARE!!!

YOU ARE A LIVING REPRODUCTION (REPLICATION)

OF “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’”.

Look at the existence from the perspective of the “Specific ‘SPIRITUAL’ Environment”! Everything that you do, every decision that you make, proceed forward into existence starting from the “Specific ‘SPIRITUAL’ Environment”, before been manifested in the “Specific ‘EARTHLY’ Environment”. As a manifestation of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, into existence in the attribute “NON DIVINE” and in the “Specific ‘EARTHLY’ Environment”, you are a “‘SPIRIT←LIGHT’ ‘SPIRITUAL’ Creature” (which is represented by a “‘SPIRIT←LIGHT’ Body”, which comprises a “Specific Energy ‘LIGHT’ Substance” and a “Specific Energy ‘SPIRIT’ Substance”, which covers it) wearing a “Subjective ‘EARTHLY’ Garment” (your “physical body” is the “Subjective ‘EARTHLY’ Garment”).

Cease to be the laughingstock, the subject of mockery and conversations, of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”. From the perspective of the “Specific ‘SPIRITUAL’ Environment”, they, are “‘SPIRIT←SPIRIT’ ‘SPIRITUAL’ Creatures” (which are represented by a “‘SPIRIT←SPIRIT’ Body”, which comprises a “Specific Energy ‘SPIRIT’ Essence Substance” and a “Specific Energy ‘SPIRIT’ Substance”, which covers it) wearing a “Specific ‘CELESTIAL’ Garment”, and they are classified on a scale, which is lower than yours; they are classified below you, because of the “Specific Energy ‘LIGHT’ Substance” that you possess, in your true status, as “HEIR” of “THE LIGHT” layer (the “key layer”, which is the “LIFE” imprint of “THE DIVINE”, IHVH, our FATHER”).

These “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who have set themselves the goal to deceive the whole CREATION, by taking “... *anyone who was free* ...” and corrupt him/her to take side in their own iniquities, had a distant purpose, conceived with cunning, carried out in a spirit of treachery, of bad faith and of disloyalty in their “SEAT OF THE INTELLECT”: prevent their own destruction, their removal from existence. For, if every creature gets corrupted (taking side in their ongoing “CELESTIAL WAR”, condoning and accepting their views and their iniquities), and remains in the absence of “THE KNOWLEDGE OF THE DIVINE”, in their own words, becomes “one of them” (as they understood it and have said it to the first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, once they had brought them down), then, what will be the future of “THE HOLY PROJECT” after the completion of the “Second Phase”? It is the battle between the “King of the NORTH” (including his SONS) against the “King of the SOUTH” (including his princes and disciples) that will soon come to its conclusion.

That battle between the “King of the NORTH” (including his SONS) against the “King of the SOUTH” (including his princes and disciples) is the ongoing COMBAT, which is led in “ABSOLUTE PURITY” by “THE DIVINE”, IHVH, our FATHER in order to remedy the deficiency of “THE KNOWLEDGE OF THE DIVINE” that had taken place and had remained seated in “THE SEAT OF THE INTELLECT” in the “‘SPIRIT←SPIRIT’ Body” of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”. That deficiency of “THE KNOWLEDGE OF THE DIVINE” that subsequently swallowed up the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, as well as the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creatures” that had been sent to the rescue in order to carry the rays of “THE TRUTH SUN” to the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”. That ongoing COMBAT, which is led in “ABSOLUTE PURITY” by “THE DIVINE”, IHVH, our FATHER, **IS NOT** the “CELESTIAL WAR” which is also ongoing in “DISGRACE”, “IMPURITIES” and “LIES” between the two rival factions of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’

Creatures". The ongoing "CELESTIAL WAR", is the "OPEN CONFLICT" between the two rival factions of the "'SPIRIT←SPIRIT' 'CELESTIAL' Creatures", the "angels of poverty" against the "demons of chaos", who are all swallowed up by the deficiency of "THE KNOWLEDGE OF THE DIVINE" and in their internal struggles, their thirst for POWER (also designated as the "AUTHORITY"), their low blows and underhanded tricks, their palace intrigues, etc..., you name a progeny of "IMPURITY" and "LIE" and you will find its origin amongst those "'SPIRIT←SPIRIT' 'CELESTIAL' Creatures" and in that "CELESTIAL WAR".

ULTIMATE REVELATION.— The ongoing COMBAT, which is led in "ABSOLUTE PURITY" by "THE DIVINE", IHVH, our FATHER in order to remedy the deficiency of "THE KNOWLEDGE OF THE DIVINE" which has taken a seat in His creatures, **IS NOT** the ongoing "CELESTIAL WAR", the "OPEN CONFLICT", the armed struggle, in "DISGRACE", "IMPURITIES" and "LIES" between the two rival factions of the "'SPIRIT←SPIRIT' 'CELESTIAL' Creatures", the "angels of poverty" against the "demons of chaos". "THE DIVINE", IHVH, our FATHER is NOT AT WAR (conflictual relationship which is settled by an armed struggle, in order to defend a territory, a right or to conquer them, or to make triumph an idea.) against His own creatures. The creatures, which have chosen side in the iniquities of the "'SPIRIT←SPIRIT' 'CELESTIAL' Creatures" on both sides of their ongoing "CELESTIAL WAR" and in that ongoing "CELESTIAL WAR", have set themselves away from "THE DIVINE FORCE"; those creatures have chosen to hurt themselves, locked-up in the dungeons of the castle of the "King of the SOUTH".

Think for a moment, by considering the following as starting point:

1. NONE of the proportionality factors that define the laws of change of frame of reference, between "THE ABSOLUTE FRAME OF REFERENCE" defined by "THE DIVINE SUPREME CONFIGURATION" of seven "Divine Particles" in "THE DIVINE" and "THE FRAME OF REFERENCE OF THE ATTRIBUTE 'NON DIVINE'" in the attribute "NON DIVINE", have been applied to "THE DIVINE FORCE", as it is the case with everything begotten into existence inside the attribute "NON DIVINE".
2. Everything begotten into existence inside the attribute "NON DIVINE" is similar to an animated drawing, drawn by "THE HAND OF THE DIVINE", in a created and assembled "energy substance" as "paper", and to which has been given the possibility to think independently and to act independently.

3. The “First Begotten” of “THE DIVINE FORCE” — the Monogene manifested by “THE DIVINE FORCE”, the first begotten, the pure light of the attribute “NON DIVINE”, the first expression in the attribute “NON DIVINE” of a metaphor of the “‘LIGHT’ Divine State”, with properties which are the most potent properties that “THE DIVINE ARCHITECT AND PROJECT MASTER” has fixed for the “‘LIGHT’ Specific State” in the attribute “NON DIVINE”, and which will serve as a “COMMUNICATION CHANNEL OF ‘THE WORD OF THE DIVINE’” — and in front of which NO “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, with exception of the Archangel MICHAEL due to the property of the “Specific Energy ‘SPIRIT’ Substance” constituent of his “‘SPIRIT←SPIRIT’ Body”, can draw near, at the risk of being destroyed, is similar to a spark in front of “THE LIGHT” of “THE DIVINE”, which is several billion times more powerful than the “First Begotten” of “THE DIVINE FORCE”.¹¹⁵⁶
4. The strength and endurance of “THE DIVINE FORCE”, MOTHER of “First Begotten”, are several billion times above those of all “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” taken together.
5. “THE DIVINE FORCE”, “THE HAND OF THE DIVINE”, has epithet function in “THE DIVINE”, IHVH, our FATHER.

Now, ask yourself the following question: What “WAR” would there be between “THE DIVINE”, IHVH, our FATHER and those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, animated cartoons, who themselves are billion times less potent than the “First Begotten” of “THE DIVINE FORCE”, and who do not know how they came into existence inside the attribute “NON DIVINE”? Answer: NO “WAR”! NO CONTEST!

However, there is a pending case between “THE DIVINE”, IHVH, our FATHER and these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, and which is related (1) to the horrible “BETRAYAL” that these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have perpetrated against “THE DIVINE”, IHVH, our FATHER, on that afternoon of the Third Day of the implementation of the “Second Phase” of “THE HOLY PROJECT”, and (2) to the premeditated crime that the “‘SPIRIT←SPIRIT’

¹¹⁵⁶ To give you an idea of the power ratio, consider the power ratio between the Solar Star at its full strength against a nano-organism (a 10^{-9} meter small-size organism) on the earthly ground in which you currently live. What contest would there be between the two?

‘CELESTIAL’ Creatures” have perpetrated against their following — the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

This ultimate revelation is the hammer which has broken and “shattered” the locks of the fortified gates of the “HUBRIS Spiritual Veil” and has teared down into debris the high walls of the castle and those of the dungeons of the castle of the “King of the SOUTH”. WAKE UP! YOU, HUMAN CREATURE, READING THESE WRITINGS AND LOOK BEYOND THE RUINED CASTLE OF the “King of the SOUTH”. STEP OUT OF THOSE DEBRIS. YOU ACHIEVE THIS, BY STANDING IN “PURITY” AND HOLDING YOUR GROUND IN “PURITY”. Then walk towards “THE DIVINE FORCE”, “THE TRUTH SUN”, for the purpose of the blossoming, the full and harmonious development of the plant of “THE KNOWLEDGE OF THE DIVINE” that “THE DIVINE FORCE” has sown inside you and so that you attain your “PLENITUDE”. ON THE ROAD, ALSO HELP WAKE UP THOSE WHO ARE SLEEPING! EDUCATE THEM; HELP THEM UNDERSTAND WHO THEY ARE! HELP THEM UNDERSTAND THAT, WHICH EXISTS SINCE THE BEGINNING! IF THEY DO NOT LISTEN, YOU CANNOT DO ANYTHING ELSE FOR THEM, MOVE ON TO HELP OTHERS.¹¹⁵⁷

He who has assembled something also knows how he will dismantle what he has himself assembled.

All those who have elevated themselves and have declared themselves to be above their neighbour, based on the deception and the “full-fledged lowest blow” that they have struck against “ADAM”, they will be brought down from their perches

¹¹⁵⁷ “You can lead a horse to water, but you cannot make it drink.” “You can show someone something that will benefit him, but you cannot force him to accept it.”

Remember that any creature can only understand things to the extent of the knowledge base, which it has grown inside itself. Beyond that knowledge base, which it possesses, and unless it is predisposed to learn and to acquire new knowledge, the creature will likely not understand you, it will not listen to you and it will fight you, for whatever motive. In such situation, do not forget the proverb: “*Better to face a bear deprived of its cubs, than a foolish person during his madness.*” Also, remember the saying about the stupid ones: “*A stupid person is more dangerous than a malicious one, who always carries within itself the germ of its own subversion. A stupid person is capable of any evil deed and at the same time incapable of seeing that it is evil. Against a stupid person, you will be defenceless, you will be dealing against slogans, matras, and the like that have taken possession of him, as reason cannot accomplish anything there.*”

Remember that everyone, after all, is also entitled to one’s OWN “FREE CHOICE”, including the choice to remain clueless in “obscurity”.

and will be considered as worthless; it cannot be otherwise, for, the work of “THE DIVINE”, IHVH, our FATHER, is not founded on deceptions and lies.

All edifices, which have been built using as its foundations, the deception and the “full-fledged lowest blow” which were struck against “ADAM”, will crumble and will be considered as worthless; it cannot be otherwise, for, the work of “THE DIVINE”, IHVH, our FATHER, is not founded on deceptions and lies.

It is through “THE WORD OF THE DIVINE” that each “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” had been assembled into existence, it is also by “THE WORD OF THE DIVINE” that all the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” that are locked underground in “THE DEPTHS OF THE WATERS” of this first “Specific Energy ‘EARTHLY’ Habitation Domain”, as well as all the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” who followed them in their execration, will be erased from existence. None of these will be immune to the decree that “THE DIVINE”, IHVH, our FATHER will emit.

YES! There are some very interesting things to come and to witness, and the time of great anguish, as it has not happened since a nation exists, has already begun.

What will be kept in the records of “THE HOLY PROJECT” and regarding these first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”:

- Who, before that they were even produced into existence, were already labeled as “MISTAKE OF THE CREATION” by the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”;
- Who were deceived and cheated afterwards by those same “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”;
- Onto whom those same “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have transferred the responsibility of the consequences of that “BETRAYAL” which they had perpetrated against “THE DIVINE”, IHVH, our FATHER, on the afternoon of the Third Day of the implementation of the “Second Phase” of “THE HOLY PROJECT”; and
- Who have lived all their life with the discredit, the critics, and the contempt, in all their forms, associated with that “BETRAYAL”?

Will the first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, “ADAM” and “THE FEMALE” be resurrected and rehabilitated, once this earthly world will be purified of all sins and of all impurity that burden it?

What will be kept in the records of “THE HOLY PROJECT” and regarding these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who have:

- “BETRAYED” “THE DIVINE”, IHVH, our FATHER, on that afternoon of the Third Day of the implementation of the “Second Phase” of “THE HOLY PROJECT”, and derailed the course of “THE HOLY PROJECT”;
- Deliberately, and with “MALICE aforethought”, cheated “ADAM” and transferred onto “ADAM” the “TERRIBLE CONSEQUENCES” of the “BETRAYAL” that they, these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, have perpetrated against “THE DIVINE”, IHVH, our FATHER, on that afternoon of the Third Day of the implementation of the “Second Phase” of “THE HOLY PROJECT”; and in so doing, they turned their own irresponsibility and, like the best conjurers and hypnotists, they transformed it into the responsibility of “ADAM” and mankind, and in all these deceptions, they knew very well that “THE DIVINE”, IHVH, our FATHER, whom they had already sent into exile in “THE NORTH” was observing them and taking notes on everything and every details of whatever they were doing.
- Defrauded “ADAM” and “THE FEMALE”, and all their descendants, of their “PLENITUDE”, and have used that treachery as “trampoline” to elevate themselves and declare themselves to be above their neighbour;
- MURDERED the first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” with the intent to destroy the entire “HUMAN EDIFICE”, with the intent to provoke the “GENOCIDE” of “THE HUMAN EDIFICE”, in their attempt to ultimately wipe “THE HUMAN EDIFICE” out of existence, and which is understood to be the gravest crime against “THE HUMAN EDIFICE” it is possible to commit, through the basic inheritance qualities legacy of the “Subjective ‘EARTHLY’ Garment”, which are passed from offspring in descent through the recursive transformations, which have been established and manifested through the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model;
- Caused serious bodily (related to the “Subjective ‘EARTHLY’ Garment”) and mental (related to the “‘SPIRIT←LIGHT’ Body”) harm to the first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” at the origin of “THE HUMAN EDIFICE”, by forcibly planting the seeds of parasitic “intrusive suggestions” and physical aggression with the intent to keep such harm on the entire “HUMAN EDIFICE” through the basic inheritance qualities legacy of the “Subjective ‘EARTHLY’ Garment”, which are passed from offspring in descent through the recursive

transformations, which have been established and manifested through the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model;

- Deliberately inflicted on “THE HUMAN EDIFICE” conditions of life, calculated to bring about its physical destruction in whole or in part, by having pulled the filth out of destruction in the “Specific Energy ‘CELESTIAL’ Domain” and having immersed it in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”;
- Imposed measures intended to prevent members of “THE HUMAN EDIFICE” to ever know about themselves, as living reproduction (replication) of “THE SHEKINAH”, to ever know why they are into existence, and to ever know about their own “PLENITUDE”;
- Imposed on the members of “THE HUMAN EDIFICE” measures intended to ransack the “Specific Energy ‘EARTHLY’ Substance” and to destroy all the living library that “THE DIVINE FORCE” had created into existence for the education of the members of “THE HUMAN EDIFICE”;
- Using treacheries worthy of the best conjurers and hypnotists, told and brought afterwards members of “THE HUMAN EDIFICE” to believe that they, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, were doing such evil things for the good of “THE HUMAN EDIFICE” and their leader, the Archangel MICHAEL, made the promise that one day he will “CUT THE HEAD” of “THE HOLY SPIRIT”, whom they, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, designated as the “SERPENT”?

Will these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, hiding behind the façade of names of grandeur of which they have adorn themselves with, receive a “blank check” as a salary for their destructive works and will they get away cheaply with all their iniquities and the murders that they have perpetrated throughout this “Second Phase” of “THE HOLY PROJECT”, once this earthly world will be purified of all sins and of all impurity that burden it? ONLY “THE DIVINE”, IHVH, our FATHER knows what HE will do with those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”.

“ ...

...

Of all the destruction brought about by each of the [seventy] shepherds there will be accountability; and according to the number I will cause a recital to be made before me, how many they have destroyed of their own volition, and how many they have delivered up to destruction, that I may have this testimony against them; that I may know all their proceedings; and that, delivering the sheeps to them, I may see what they will do; whether they will act as I have commanded them, or not.

Of this, however, they shall be ignorant; neither shall you make any explanation to them, neither shall you reprove them; but there shall be an accountability of all the destruction done by them in their respective seasons.

...”

It is by “THE WEIGHT SCALE OF THE DIVINE” that all creatures are measured, each creature at its appointed time; whether it be the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, or the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creatures”. This “WEIGHT SCALE OF THE DIVINE” is not a weight scale, which operates on the principle of the “double standards”, the principle of “two measurements for the same weight”, the principle of the “double scale of criteria”, and no creature of the attribute “NON DIVINE” has ever distorted this “WEIGHT SCALE OF THE DIVINE”.

“... “ADAM” also must choose ... the man has no favors ...”, these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had said regarding the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, and thinking that their own monkey businesses, “IMPURITIES” and “LIES” will never come to light. In much the same, and if one follows the logic, which these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have applied on their neighbour, now that their “IMPURITIES” and “LIES” have been unsealed, they too, in return, will “have no favors” and they will be held accountable for all this destruction that they have unleashed on the CREATION in their futile attempts to outsmart the “THE TRUTH” in order: to hide their short comings, their absence of “THE KNOWLEDGE OF THE DIVINE”, their iniquities and all the “BETRAYALS” that they, these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, have perpetrated against “THE DIVINE”, IHVH, our

FATHER before the production of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” into existence.

What will be kept in the records of “THE HOLY PROJECT” and regarding those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who:

- Desecrated “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — with their “IMPURITIES” and by fighting right there, in front of “THE SHEKINAH”, those who “BETRAYED” “THE DIVINE”, IHVH, our FATHER, on that afternoon of the Third Day of the implementation of the “Second Phase” of “THE HOLY PROJECT”, and who afterwards;
- Through malice and treachery, took the weight of their own “SINS” of them “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and the “**TERRIBLES CONSEQUENCES**” of all the “BETRAYALS” that they had perpetrated against “THE DIVINE”, IHVH, our FATHER, before that the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” was produced into existence, and they have “put it on the head” of the innocent — “ADAM” — once he was produced into existence;
- Through malice and treachery, cheated “ADAM”, defrauded “ADAM” and “THE FEMALE”, and all their descendants, of their “PLENITUDE”, have used that treachery as “trampoline” to elevate themselves and declare themselves to be above their neighbour;
- Have labeled their victims “ADAM” and “THE FEMALE” and their descendants as “SINNERS”;
- Have adorned themselves with the qualifiers of “SAINTS”, “PRINCES”, “MOST HIGHT”, “SUPREME”, etc..., and kept their mouth shut about such deceit, at all times, transferring and letting their irresponsibility become the responsibility of two innocents who lived afterwards with it?

At all times, during the billions of years that have elapse since the creation and destruction of the first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, none of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” stood up to say: “... *THIS IS NOT CORRECT, IT IS NOT “GOD” (for, there is only ONE, and as such, insinuating “THE DIVINE”, IHVH, our FATHER, who is “THE ABSOLUTE PURITY”, and who has been sanctified from all eternity against any*

“IMPURITY” and who will remain eternally sanctified against any “IMPURITY”¹¹⁵⁸ who perpetrated such evil deeds that are recorded in all scriptures that humanity possesses, but it is the Archangel MICHAEL who was the leading author of all those evil deeds. ...”.

They all chose to stand and hold their ground in their own “DISGRACE”, “IMPURITIES”, and “LIES”, behind their leaders, thinking that with the passage of time, every creature coming into existence in the attribute “NON DIVINE” will swallow and stand in those “IMPURITIES” and “LIES”, and that ultimately, those “LIES”, repeated and absorbed long enough, will somehow transform and become a “TRUTH” statement, a statement conforming to reality, recognized as fair, as conforming to its object and possessing as such an absolute value, ultimate in the order of thought or action of every creature. Just like most of these “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures” have adorned themselves with the qualifiers of “SAINTS”, “PRINCES”, “MOST HIGHT”, “SUPREME”, etc..., while standing in their own “DISGRACE”, “IMPURITIES”, and “LIES”.

NO “LIE” CAN TRANSFORM TO BECOME A “TRUTH” STATEMENT.

A “LIE” CAN ONLY TRANSFORM TO BECOME A GREATER “LIE”.

JUST BECAUSE A MAJORITY HAS EMBRACED IT
AND HAVE IMPOSED IT ON THE REST OF THE CREATION,
THE PREMEDITATED MURDER OF AN INNOCENT AND THE
CONSEQUENCES THEREOF CANNOT BE CONDONED AND ACCEPTED.

THAT, WHICH IS “UNJUST” CANNOT BE “JUST”,
THAT, WHICH IS “WRONG” CANNOT BE “RIGHT”,
AND THAT, WHICH IS “EVIL” CANNOT BE “GOODNESS”.

As the “Second Phase” of “THE HOLY PROJECT” will very soon come to its conclusion, what will be kept in the records of “THE HOLY PROJECT” and regarding those “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures” who, until these days, have let humanity stand and live in that “IMPURITY” and “LIE” as their core belief, by implying that “GOD” (there is only ONE, and as such, insinuating “THE DIVINE”, IHVH, our FATHER, who is “THE ABSOLUTE PURITY”, and

¹¹⁵⁸ NEVER a creature of the attribute “NON DIVINE”, be it a celestial creature or a human creature, has made “IMPURE” “THE DIVINE”, IHVH, our FATHER.

NEVER a creature of the attribute “NON DIVINE”, be it a celestial creature or a human creature, has made “IMPURE” “THE DIVINE FORCE”.

who has been sanctify from all eternity against any “IMPURITY” and who will remain eternally sanctified against any “IMPURITY”) destroyed the first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” and, hence, humanity, because those first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” had not kept their promise to HIM (insinuating “THE DIVINE”, IHVH, our FATHER)?

THIS AFFAIR IS FAR FROM OVER!

To know the answers to these questions and many others, “HUMAN CREATURE”, you must write your name yourself in “THE BOOK”; that is to say that, against winds and tides, you must stand and remain firm in the “PURITY” and, through the Governing Law of the Behavior, the manifestation of “The Walk within the Acronym IHVH”, and which is your implacable and infallible compass on the road to “PLENITUDE” (in parables: this road to “PLENITUDE” is the path that is drawn on the great mountain that leads to “THE DIVINE”, IHVH, our FATHER), you must achieve unity with “THE DIVINE FORCE”; for, you are capable of taking up any challenge. Each of you, “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, possesses incredible unique talents through your “‘SPIRIT←LIGHT’ Body” and through the seed of the plant of “THE KNOWLEDGE OF THE DIVINE”, which was sowed in there by “THE DIVINE FORCE”, and which NONE of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” possesses. No one else can and will write your name in “THE BOOK” if not yourself, you and only you have to accomplish it by yourself, and you must ultimately come to know who you are yourself. By standing and holding your ground in the “PURITY”, you become a living reproche against the behaviour of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”; you become a living sentence for their judgment.

To use this implacable and infallible compass, at all times, you must follow the train of your “Interpreted THOUGHTS” using “The Walk within the Acronym IHVH”, in order to gauge the status of your “SEAT OF THE INTELLECT” and to take appropriate corrective measures before that you carry out any action associated with those “Interpreted THOUGHTS”.

Remember that an “Interpreted THOUGHT” that is generated by “THE SEAT OF THE INTELLECT” is at the origin of any action that you will execute. An “Interpreted THOUGHT” is an internal signal of action resulting from the “specific work” produced by “specific processes” of “THE SEAT OF THE INTELLECT” and which will be transmitted, as external input signal, to the various layers of other “Specific Atomic ‘SPIRIT’ Substances” constituents of the “Specific Energy ‘SPIRIT’ Substance” and therefore of your “‘SPIRIT←LIGHT’ Body”. Such “Interpreted THOUGHT”, which is at the origin of any action that

you will execute, also carries internal emotions and many others necessary indications about the “TRUTHFUL” functioning status of “THE SEAT OF THE INTELLECT” and the conditions in which it is standing. Before that you actually implement any action associated with an “Interpreted THOUGHT”, you must assess the consequences of carrying out such action. To do this, lay “The Walk within the Acronym IHVH” compass on those internal emotions, and, since the attributes of the first quadrant are transmitted through inheritance, analyse and understand those internal emotions and identify where your “SEAT OF THE INTELLECT” is standing; it will be either in “PURITY” or (exclusive) in “IMPURITY”, there are no half way with this compass. “PURITY” is the key fundamental prerequisite necessary to achieving “PLENITUDE” through “The Walk within the Acronym IHVH”. “TRUTH” can be difficult to grasp when one does not have knowledge of “THE REASON” (clearly understood, of the unique “Divine Septenary Configuration” of seven “Divine Particles”). However, “PURITY” is not difficult to grasp; where “PURITY” is present in your “Interpreted THOUGHTS” and associated internal emotions, there also are present “TRUTH” and “GRACE”. If “THE SEAT OF THE INTELLECT” in your “SPIRIT←LIGHT” Body”, is “UNHOLY”, then, during this self-analysis, “PURITY” will fail to be present in your “Interpreted THOUGHTS” and associated internal emotions, and “TRUTH” and “GRACE” also will not be present in your “Interpreted THOUGHTS” and associated internal emotions, instead, “IMPURITY”, “LIES” and “DISGRACE”, which are opposite, will be present, and “The Walk within the Acronym IHVH” will still operate with “IMPURITY”, “LIES” and “DISGRACE” as inputs in the first quadrant, and at each step of “The Walk within the Acronym IHVH”, and opposite attributes will be produced. This compass is implacable and infallible, it has no half measure. It is so that, in the second quadrant, the “children” of “IMPURITY”, “LIES” and “DISGRACE”, which are called “INCOMPREHENSION”, “OBSCURITY”, and “HATRED”, will be the products of “THE SEAT OF THE INTELLECT” inside your “SPIRIT←LIGHT” Body”. Assess your “Interpreted THOUGHTS” and associated internal emotions with respect to these “children” of “IMPURITY”, “LIES” and “DISGRACE”. In the third quadrant, “PERCEPTION” will be replaced by the residuals of your “Interpreted THOUGHTS”, and the “SCIENCE” and “MEMORY” associated with “PERCEPTION”, will be contaminated with “IMPURITY”, “LIES” and “DISGRACE” inherited from the first quadrant, and also they will be contaminated with “INCOMPREHENSION”, “OBSCURITY”, and “HATRED” inherited from the second quadrant. In the fourth quadrant, what has emerged from the residuals of your “Interpreted THOUGHTS”, will be the “seed” to “LACK OF INTELLIGENCE”, and “IMPERFECTION” and “CHAOS”, which will be the

characteristic of “THE SEAT OF THE INTELLECT” inside your “‘SPIRIT←LIGHT’ Body”.

Once you have finished assessing the train of your “Interpreted THOUGHTS” and their associated internal emotions, using “The Walk within the Acronym IHVH” compass, then take appropriate corrective measures if the result of that assessment indicates that “THE SEAT OF THE INTELLECT” inside your “‘SPIRIT←LIGHT’ Body” stands in “IMPURITY”, thus is “UNHOLY”. The appropriate corrective measures must, not only place “THE SEAT OF THE INTELLECT” inside your “‘SPIRIT←LIGHT’ Body” back in “PURITY”, but lead you towards “THE FIRST RULE OF EXISTENCE” — which offshoots in the Ten Commandments —, and must also dispel the mist of the residuals of your “Interpreted THOUGHTS”. In achieving this, the appropriate corrective measures MUST take into account the fulfilment of the rescue task that was assigned to every creature: “HELP SAVE WHAT CAN BE SAVED OF THE “SECOND PHASE” OF “THE HOLY PROJECT”” and not the opposite. It is so that, through such “Interpreted THOUGHTS” and their associated internal emotions, and through your own illusions generated by “THE SEAT OF THE INTELLECT” inside your “‘SPIRIT←LIGHT’ Body”, you have inside you the material for your own education. Such a material is different from one creature to another, and there is only one teacher empowered to lead you on this road to “PLENITUDE”: It is “THE DIVINE FORCE”. With practice, discipline, and time, such internal assessment will become automatic, instantaneous, and a routine consolidated and performed inside your “‘SPIRIT←LIGHT’ Body”, and ultimately, your goal is to you achieve unity with “THE DIVINE FORCE”.

“...

Listen, my son, collect my words, do not forget my teaching, and may your soul observe my precepts. They are the length of days and years of life and for you greater peace.

I directed you in the path of “THE DIVINE WISDOM”¹¹⁵⁹, I made you walk in the paths of

¹¹⁵⁹ When “THE DIVINE”, IHVH, our FATHER introduced himself to me for the first time, I was then 20-21 years old. In front of “THE CELESTIAL HOST”, the elders of creation, who were present and listening, “THE DIVINE”, IHVH, our FATHER then addressed me and said, among other things: “... I knew you before that you were born...”, then HE asked me afterwards: “... What do you want me to give you...?” I thought about it for few seconds and then replied, saying: “Give me “WISDOM” and keep diseases away from me.” Some of

righteousness. You will not be handicapped in your walk and you will not stumble if you run.

Hold firmly to the teaching and education given to you in "PURITY" and do not abandon them; keep them, they are your life.

Do not step on the path of those who have "MALICE" in them, do not set out on the path of wrongdoers. Leave it, do not go there! Avoid it and ignore it!

All those who have "MALICE" in them do not fall asleep before having committed evil, before having served the obscurity which is in them, before having caused the innocent to stumble; they lose sleep if they have not knocked down their neighbor. Their path is the obscurity that arises from the "IMPURITY" in which they have taken up residence.

My son, pay attention to my words, listens to my words. May this teaching, these words not depart from your eyes, write them on the table of your heart; because, they are life and health for your whole body.

Prohibit away from you the "IMPURITY" in all its forms and stay away from backbiting. Let your eyes stare straight ahead and let your gaze go straight ahead of you.

the archangels, among the elders of creation, who were present then said among themselves: "...He is not afraid at all! MOSES, in his time had been filled with fear, trembled and fell on the ground...".

It was only few years later, when I was looking for an appropriate way to explain "who" or "what" is "WISDOM", so that people can understand it and also understand who they are themselves, that "THE DIVINE WISDOM" presented Herself in front of me and I recognized Her immediately, as I was already walking with Her, since the beginning, and knew Her then only under the designation of "THE KNOWLEDGE OF THE DIVINE". It is difficult to explain these things to those who are going to read these writings, I understand it well; to put it using CHRIST words, words are not enough to explain to human creatures "...what their eye has not seen, nor their ear heard, what their hand has not touched, and what has never entered their mind...".

Make yourself a path in "PURITY" for your feet and let your road be firm. Do not turn away to the right or to the left.

..."

All these knowledge that "THE DIVINE", IHVH, our FATHER passes directly to His "CHOSEN ONES" are not always transmitted to others with the same force; for, one can explain things that are unknown to others, only by making reference using words and concepts to the extent of the available knowledge base on things that are familiar to others. Let anyone who reads these writings do so with kindness and attention, and be forgiving if not saving the trouble to translate as correctly as possible, I could not interpret and render certain concepts and expressions in the human language.

**GLORIFIED BE "THE DIVINE";
THE ONLY HOLY BEING,
THE ONLY PURE AND RIGHTEOUS BEING, AND
THE ONLY TRUSTWORTHY BEING.**

DETAILS OF ANNOTATIONS

Some annotations containing the explanations received and mentioned in the text of this “BOOK OF FORMATION” are very long to be incorporated directly in the text. It is for that purpose that we chose to shorten these annotations in the text and to defer the details of these annotations in this section.

CHAPTER 186

ANNOTATION ON “THE DIVINE SUPREME CONFIGURATION” OF SEVEN “DIVINE PARTICLES”

This “DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” — one “Generative Divine Particle” and six “Formative Divine Particles” in “Movement of Formative Divine Particle” synchronized between them, and, each “Movement of Formative Divine Particle” synchronized with the movement of the “Generative Divine Particle”, with respect to the “septenary intersecting points”, and without collisions forever with the passage of time — and the seven “transformation steps” of the “divine electrical charge” of the “Divine Septenary Equilibrium Zone” in this “DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” will be at the base of the whole “HOLY PROJECT” that “THE DIVINE” will create into existence, in the space in which “THE DIVINE FORCE” will realize this “HOLY PROJECT”.

The space in which “THE DIVINE FORCE” will realize “THE HOLY PROJECT” will be other than “THE DIVINE DOMAIN” and will not provide the divine conditions that are proper to express the “‘DIVINE’ Divine State”. It is so that, in that space in which SHE will realize “THE HOLY PROJECT”, “THE DIVINE FORCE” will create into existence, through analogical substitution, concrete and living images to express this “DIVINE SUPREME CONFIGURATION” as well as all aspects and essential particulars of this “DIVINE SUPREME CONFIGURATION” and of its seven “Divine Particles” constituent.

All these concrete and living images will be manifestations of metaphors of this “DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, of its aspects and essential particulars, and of its seven “Divine Particles” constituent.

It is so that, the entirety of “THE HOLY PROJECT” that “THE DIVINE” will create into existence, all things which will symbolically bear this figure (number) “seven”, in the configuration “six” around the “one”, in “THE HOLY PROJECT”,

will be a reference to a specific metaphor and will be a manifestation of that specific metaphor of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” and the attainment of the “SUPREME STATE OF EQUILIBRIUM” through these seven “transformation steps” of the “divine electrical charge” of the “Divine Septenary Equilibrium Zone” in this “DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”.

CHAPTER 187

ANNOTATION ON THE “MEASURE OF TRANSFORMATION STEP” AND THE PROFOUND ORIGIN OF THE CONCEPTS OF “DAY”

This is the profound origin of the concepts of “Day”, the cycle of seven “Days”, and the meaning of the seventh “Day”; that is, the seventh step which is associated with the “‘end of cycle’ transformation” in “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, and which will be used in the terrestrial world in which live human creatures.

Later during the realization of “THE HOLY PROJECT”, “THE DIVINE FORCE” will create into existence and on a scale that will be billions of times larger than that of the “Divine Particle”, in the space in which SHE will realize this “HOLY PROJECT”, manifestations of each of these seven transformation steps of the “divine electrical charge”, so that the creatures SHE will produce into existence can develop their understanding in “THE KNOWLEDGE OF THE DIVINE” without however giving them the explanation and the meaning of each of the manifestations of the metaphors of these seven transformation steps.

This “measure of transformation step” is instantaneous at the scale of the “Divine Particle” and “THE DIVINE FORCE” will manifest a metaphor of this “measure of transformation step” on a scale that will be billions of times larger than the scale of the “Divine Particle” and create the unit of measure that will be called the “Day” to delineate the same length of time during which takes place each of the seven “transformation steps” of the “divine electrical charge” of the “Divine Septenary Equilibrium Zone” in this “DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”.

Even to the elders of the creation, which are the archangels and angels, although SHE gave the clues, through the tasks that SHE assigned to them and, which they failed to understand in order to reconstitute things together, “THE DIVINE

FORCE” did not gave them the explanation and the profound meaning of this unit of measure that will be called the “Day” on a scale that will be billions of times larger than the scale of the “Divine Particle”.

1. The first “transformation step”, that, which is associated to the “primary transformation”, will also be called the “First Day”.
2. The second “transformation step”, that, which is associated to the “secondary transformation”, will also be called the “Second Day”.
3. The third “transformation step”, that, which is associated to the “tertiary transformation”, will also be called the “Third Day”.
4. The fourth “transformation step”, that, which is associated to the “quaternary transformation”, will also be called the “Fourth Day”.
5. The fifth “transformation step”, that, which is associated to the “quinary transformation”, will also be called the “Fifth Day”.
6. The sixth “transformation step”, that, which is associated to the “senary transformation”, will also be called the “Sixth Day”.
7. The seventh “transformation step”, that, which is associated to the “‘end of cycle’ transformation”, will also be called the “Seventh Day”. This “Seventh Day” will be that of “THE DIVINE”; that is, that of the attainment of the “SUPREME STATE OF EQUILIBRIUM”. “THE DIVINE” has consolidated and consecrated this “Seventh Day” long before that HE had decided to design this “HOLY PROJECT” that “THE DIVINE FORCE” will achieve and in which we are all into existence.

CHAPTER 188

ANNOTATION ON THE PARABLE OF THE GROWING SEED

CHRIST, when he lived on Earth down here, had explained this on a large scale, at the scale of the human creature, by the parable of the growing seed when HE said, using by analogy, the terms of things that humans are familiar with, so that they can develop their understanding of the Project of “THE DIVINE”, IHVH, our FATHER:

“...

The “Kingdom of God” is like a field where a Man casts seed into the ground; whether it is asleep or awoken, night and day, the seed sprouts and grows without it being known how.

The earth produces by itself, first the herb, then, the cob, finally the flower formed in the cob; and when the flower is ripe, at once the sickle is used, because the harvest has come.

...”

The “*Kingdom of God*” refers to the “Specific ‘SPIRITUAL’ Environment” at the scale of the “Specific Elementary ‘SPIRIT’ Particle”, to the inaccessible, to the inscrutable, to the unapprehendable and invisible; It is the field, the domain, in which the “Specific Elementary ‘SPIRIT’ Particle” will be cultivated. Only “THE DIVINE”, IHVH, our FATHER holds entitlement, and indeed every power, in this domain: HE is “THE SOVEREIGN”.

Which creature has ever accessed to this “*Kingdom of God*”, that is, whose “visual structure” has been able to look at this subatomic scale of the “Specific Elementary ‘SPIRIT’ Particle”? None, but “THE DIVINE”, IHVH, our FATHER, and “THE EYE OF THE DIVINE”. It is in this sense that CHRIST also said:

“ ...

I will give you what eye has not seen, nor ear heard, what hand has not touched, and what has never entered the human mind.

...”

The “seed” refers to the “Specific Elementary ‘SPIRIT’ Particle” that is placed in the “Specific ‘SPIRITUAL’ Environment”. Whether the “Specific Elementary ‘SPIRIT’ Particle” is “awaken” or “asleep”, the “specific work” accomplished by its “specific elementary processes” does not stop but it is accompanied by a change (decrease) more or less of its “‘SPIRIT’ specific supply of subsistence”, depending upon whether the “Specific Elementary ‘SPIRIT’ Particle” is “awaken” or “asleep”.

“... *the seed sprouts and grows without it being known how ...*” refers to the special “specific mechanism” designed and established by “THE DIVINE ARCHITECT AND PROJECT MASTER” and which allows “THE SPECIFIC SPIRITUAL FORCE OF LIFE” in the “Specific ‘SPIRITUAL’ Environment” external and immediate around the “Specific Elementary ‘SPIRIT’ Particle”, to “NOURISH” that “Specific Elementary ‘SPIRIT’ Particle”.

“... *The earth produces by itself, first the herb, ...*” refers to the first product that ensues of the occurrence of the special, unique and fantastic “specific event” of scission that “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed and built for the “Specific Elementary ‘SPIRIT’ Particle”, and for products of the following occurrences of this special, unique and fantastic “specific event” of scission through the “‘SPIRIT’ specific supply of subsistence steps”.

“... *then, the cob...*” refers to the others successive products of the others occurrences of this special, unique and fantastic “specific event” of scission that “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed and established on the “Specific Elementary ‘SPIRIT’ Particle”.

“... *finally the flower formed in the cob;...*” refers to the final product resulting from the last occurrence of this special, unique and fantastic “specific event” of scission that “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed and established on the “Specific Elementary ‘SPIRIT’ Particle”. This last “‘SPIRIT’ specific supply of subsistence step” is that of the “specific maturity limit” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has established and beyond which a “Specific Elementary ‘SPIRIT’ Particle” will no longer split with the passage of time.

“... and when the flower is ripe, at once the sickle is used, because the harvest has come. ...” refers to the passage of time which is necessary so that the “Specific Atomic ‘SPIRIT’ Substance” grows, its cohesion strengthened, and reaches the atomic scale from which this “Specific Atomic ‘SPIRIT’ Substance” can then, be removed to be used for other purposes in “THE HOLY PROJECT”. Because it is in fact from these “Specific Atomic ‘SPIRIT’ Substance” that the structures of entities created have now been shaped into existence.

It is so that, this parable of the growing seed also refers to the formation of the “spiritual atom”; a “DIVINE PRIMARY WEALTH” which manifests one of the equilibrium configuration of “Divine Particles”.

CHAPTER 189

ANNOTATION ON THE SPECIAL “SPECIFIC EVENTS” OF “BIRTH” AND “EXPANSION”

The most common example, in this first “Specific Energy ‘EARTHLY’ Habitation Domain” in which human creatures will be created into existence, is the formation of rainwater drops, manifestation of the sign of life. These waters will fall down, manifesting into existence, the principle of the “high density” “specific non-spiritual coating”.

The creation of new layers of “Specific Atomic ‘EARTHLY’ Substances” will lead to the dissolution of old layers, manifesting therefore into existence the principles necessary to sustain life.

Another most common example in this first “Specific Energy ‘EARTHLY’ Habitation Domain” in which human creatures will be created into existence, is the evaporation of water from rivers, or of the waters of the soils, which are signs of destruction, manifesting into existence of principles leading to the “dissipation” or to the “death” of a structure. These waters that evaporate move upwards, manifesting into the principle of the “low density” “specific non-spiritual coating”.

It is the combination of the “specific effects” that are the “HEAT” and the “COLD” resulting from work produced by these layers of “Specific Atomic ‘EARTHLY’ Substances” in movement which will produce the dew, the rain, the ice, the cold, the snow and the jelly, etc... and characterize different places inside the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”. It is so that, according to particular “specific displacement movements”, regions inside the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain” will be drained, or cooled, or render mild, as part of “specific cycles of transport and storage” of layers of “Specific Atomic ‘EARTHLY’ Substances” and “Specific Molecular ‘EARTHLY’ Substances”: hydrological cycle, carbon cycle,

nitrogen cycle, etc... The layers of “Specific Atomic ‘EARTHLY’ Substances” and “Specific Molecular ‘EARTHLY’ Substances” constituents of the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain” are constantly being cycled between the atmosphere, the ocean and land, which are all components of that “Specific Energy ‘EARTHLY’ Substance”. These cycling are very important “specific processes”, which help sustain life conditions inside this first “Specific Energy ‘EARTHLY’ Habitation Domain”.

The “Specific Energy ‘EARTHLY’ Substance”-water inside the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain” is stored in the following reservoirs (and which are delimited parts of the “Specific Energy ‘EARTHLY’ Substance”): atmosphere, oceans, lakes, rivers, soils, glaciers, snowfields, and groundwater. The hydrological cycle describes the continuous non-stop circulation movement of the “Specific Energy ‘EARTHLY’ Substance”-water in its different states inside the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”.

A delimited part of the “Specific Energy ‘EARTHLY’ Substance” can be described by the basic behaviour of its constituents “Specific Atomic ‘EARTHLY’

Substances” and “Specific Molecular ‘EARTHLY’ Substances”. These “Specific Atomic ‘EARTHLY’ Substances” and “Specific Molecular ‘EARTHLY’ Substances” can have different amounts and types of kinetic energy. Vibrational and rotational kinetic energies manifest themselves when “Specific Molecular ‘EARTHLY’ Substances” bend and rotate. Translational kinetic energy is the force that moves an entire “Specific Molecular ‘EARTHLY’ Substance”. Such basic behaviour in a delimited part of the “Specific Energy ‘EARTHLY’ Substance” throughout which all physical properties are essentially uniform, is designated as a “state” of a delimited part of the “Specific Energy ‘EARTHLY’ Substance”. It can be: a liquid-“Specific Energy ‘EARTHLY’ Substance”, a solid-“Specific Energy ‘EARTHLY’ Substance”, or a gaseous-“Specific Energy ‘EARTHLY’ Substance”.¹¹⁶⁰

State changes of a delimited part of the “Specific Energy ‘EARTHLY’ Substance” are those changes, which take place when the energy states of the considered delimited part of the “Specific Energy ‘EARTHLY’ Substance” change and the chemical bonds of its constituents “Specific Molecular ‘EARTHLY’ Substances” are not broken or formed. For example, the physical properties of ice-“Specific Energy ‘EARTHLY’ Substance”, “liquid water”-“Specific Energy ‘EARTHLY’ Substance”, and steam-“Specific Energy ‘EARTHLY’ Substance”, are quite different even though they are all “Specific Energy ‘EARTHLY’ Substance”-water and there is no difference in the molecular structure of these delimited “Specific Energy ‘EARTHLY’ Substances” in this example.

In a liquid-“Specific Energy ‘EARTHLY’ Substance” and a solid-“Specific Energy ‘EARTHLY’ Substance”, the constituents “Specific Molecular ‘EARTHLY’ Substances” can also interact with each other to form intermolecular bonds. In a gaseous-“Specific Energy ‘EARTHLY’ Substance”, the force of these intermolecular bonds is assumed to be zero. The energy in “Specific Energy ‘EARTHLY’ Substance”-“water vapor” is translational kinetic energy, and it is dependent on temperature. As temperature decreases, the kinetic energy is dissipated in heat. Eventually, the intermolecular bonds are strong enough to

¹¹⁶⁰ We use such designations — liquid-“Specific Energy ‘EARTHLY’ Substance”, solid-“Specific Energy ‘EARTHLY’ Substance”, or gaseous-“Specific Energy ‘EARTHLY’ Substance” — to lead you to understand that these are delimited parts of the same “Specific Energy ‘EARTHLY’ Substance” constituent of this first “Specific Energy ‘EARTHLY’ Habitation Domain”. Water, air, earth, in all their forms, all what you see around you are delimited parts with different degrees of cohesion, of the same “Specific Energy ‘EARTHLY’ Substance” constituent of this first “Specific Energy ‘EARTHLY’ Habitation Domain” in which you live.

change the state of the “Specific Energy ‘EARTHLY’ Substance”-“water vapor” to liquid-“Specific Energy ‘EARTHLY’ Substance”.

State changes of a delimited part of the “Specific Energy ‘EARTHLY’ Substance” occur as a result of appropriate chemical reactions and “specific processes” applied to the considered delimited part of the “Specific Energy ‘EARTHLY’ Substance”. These appropriate chemical reactions and “specific processes” include those, which are designated as: fusion, vaporization, and sublimation, which are endothermic “specific processes”, which occur only with the absorption of heat; and freezing, condensation, and deposition, which are the exothermic reverse “specific processes” associated respectively with fusion, sublimation, and vaporization.

When a liquid-“Specific Energy ‘EARTHLY’ Substance” changes from one state to another, the constituents “Specific Molecular ‘EARTHLY’ Substances” spread apart or move more closely together. The change in density is accompanied by a release of energy when the constituents “Specific Molecular ‘EARTHLY’ Substances” move closer together, such as when a gaseous-“Specific Energy ‘EARTHLY’ Substance” changes to a liquid-“Specific Energy ‘EARTHLY’ Substance”, or when a liquid-“Specific Energy ‘EARTHLY’ Substance” changes to a solid-“Specific Energy ‘EARTHLY’ Substance”.

The hydrological cycle is all about storing “Specific Energy ‘EARTHLY’ Substance”-water, transitioning it from one state into another, and moving it from one location to another inside the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”. It is driven by:

- “WINDS”, in all their form, applied to layers of “Specific Atomic ‘EARTHLY’ Substances” and hence to “Specific Molecular ‘EARTHLY’ Substances” constituents of the “Specific Energy ‘EARTHLY’ Substance”;
- APPROPRIATE CHEMICAL REACTIONS, which are catalized by the action of the “Specific Generative Energy ‘EARTHLY’ Domain” (that is to say, the Solar Star) and which facilitate the change of state of the “Specific Energy ‘EARTHLY’ Substance”-water — solid, liquid, and gas; and
- “VERTICAL CONVECTION”, which is atmospheric motion in the vertical direction and in which the warmer parts, of a considered

delimited part of the “Specific Energy ‘EARTHLY’ Substance”, move up and the cooler parts move down convection currents.

There are nine “specific processes” at work and which make up the hydrological cycle: evaporation, transpiration, sublimation, condensation, transportation (which is the movement of water through the atmosphere, specifically from over the oceans to over land using the tools designated as “WINDS” in all their forms and forces), precipitation, deposit, infiltration (percolation), and runoff. These “specific processes” occur simultaneously and, except for precipitation, continuously.

Evaporation of a delimited part of the “Specific Energy ‘EARTHLY’ Substance” is a “specific process”, which occurs during a progressive state transition of the considered delimited part of the “Specific Energy ‘EARTHLY’ Substance” from the liquid state to the gas state at temperatures below the “boiling point” — the temperature at which the vapor pressure of the considered delimited liquid-“Specific Energy ‘EARTHLY’ Substance” is equal to the pressure exerted it by the surrounding environment (air-“Specific Energy ‘EARTHLY’ Substance”) — at a given pressure and as a result of appropriate chemical reactions. Evaporation occurs on the surface of a delimited liquid-“Specific Energy ‘EARTHLY’ Substance”. It consists of certain “Specific Molecular ‘EARTHLY’ Substances” constituents of the considered delimited liquid-“Specific Energy ‘EARTHLY’ Substance” leaving the separation surface to enter the space occupied by the gas state. The number of these “Specific Molecular ‘EARTHLY’ Substances” is proportional to the average speed of thermal agitation. Evaporation thus occurs as a result of an endothermic reaction because the “Specific Molecular ‘EARTHLY’ Substances” constituents of the considered delimited liquid-“Specific Energy ‘EARTHLY’ Substance” must absorb heat from its surrounding in order to transform into a gaseous-“Specific Energy ‘EARTHLY’ Substance”. For “Specific Molecular ‘EARTHLY’ Substances” constituents of a delimited liquid-“Specific Energy ‘EARTHLY’ Substance” to evaporate, they must be located near the surface, be moving in the proper direction, and have sufficient kinetic energy to overcome liquid-state intermolecular forces. Evaporation is the primary pathway through which, a “Specific Energy ‘EARTHLY’ Substance”-water moves from the liquid state back into the hydrological cycle in the quality of atmospheric “Specific Energy ‘EARTHLY’ Substance”-“water vapor”. The delimited parts of the “Specific Energy ‘EARTHLY’ Substance” designated as the oceans, seas, lakes, and rivers provide nearly 90% of the moisture in the atmosphere via evaporation, with the remaining 10% being contributed by plant transpiration. A very small amount of

“Specific Energy ‘EARTHLY’ Substance”-“water vapor” enters the atmosphere through sublimation.

Transpiration is the biological “specific process”, which occurs mostly during the day. Water inside of plants is transferred from the plant to the atmosphere as “Specific Energy ‘EARTHLY’ Substance”-“water vapor” through numerous individual leaves openings. Plants transpire to move nutrients to the upper portion of the plants and to cool the leaves exposed to the sun. Leaves undergoing rapid transpiration can be significantly cooler than the surrounding air. Transpiration is greatly affected by the species of plants, which are in the soil and it is strongly affected by the amount of light to which the plants are exposed. Water can be transpired freely by plants until a water deficit develops in the plant and its water-releasing cells (stomata) begin to close. Transpiration then continues at a much slower rate. Only a small portion of the water that plants absorb are retained in the plants.

Sublimation is a “specific process”, which occurs during the conversion between the solid and the gaseous state of a considered delimited part of the “Specific Energy ‘EARTHLY’ Substance”, without going through an intermediate liquid state. It occurs at temperatures and pressures below a triple point of a considered delimited part of the “Specific Energy ‘EARTHLY’ Substance”. The triple point of a considered delimited part of the “Specific Energy ‘EARTHLY’ Substance” is the temperature and pressure at which all three states of that considered delimited part of the “Specific Energy ‘EARTHLY’ Substance” coexist in its state diagram. At a given temperature, most delimited parts of the “Specific Energy ‘EARTHLY’ Substance” can possess one of the three different states at different pressures. In these cases, the transition from the solid to the gaseous state requires an intermediate liquid state. But at temperatures below that of the triple point, a decrease in pressure will result in a phase transition directly from the solid to the gaseous. Also, at pressures below the triple point pressure, an increase in temperature will result in a solid being converted to gas without passing through the liquid region. Sublimation occurs more readily when certain conditions are present inside the “Specific Energy ‘EARTHLY’ Substance”, such as low relative humidity and dry winds. Sublimation also occurs more at higher altitudes, where the air pressure is less than at lower altitudes.¹¹⁶¹

¹¹⁶¹ It is not easy to actually see sublimation occurring, at least not with ice. One way to see the results of sublimation is to hang a wet shirt outside on a below-freezing day. Eventually the ice in the shirt will disappear. Actually, the best way to visualize sublimation is to not use water at all, but to use carbon dioxide instead.

Without the addition of energy (heat) to the process, ice would not sublime into vapor. That is where sunlight plays a large role in the natural world. Water has a physical property called the “heat of vaporization”, which is the amount of heat required to vaporize water. If you want an exact amount of heat, the heat of vaporization of water is 2260 kilojoules/kilogram. That is a lot more energy than is needed to convert water to ice (the latent heat of fusion), which is 335 kilojoules/kilogram. And, it is also about five times the energy needed for heating water from the freezing point to the boiling point. In summary, energy is needed for the sublimation of ice to vapor to occur, and most of the energy is needed in the vaporization phase. A cubic centimeter (1 gram) of water in ice form requires 0.335 kilojoules to melt, 0.418 kilojoules to rise to boiling point, and another 2.259 kilojoules to vaporize, a total of 3.013 kilojoules. Sublimation requires the same energy input, but bypasses the liquid phase. The reverse “specific process” associated with sublimation is “deposition”, where a “Specific Energy ‘EARTHLY’ Substance”-“water vapor” changes directly into ice-“Specific Energy ‘EARTHLY’ Substance” — such as snowflakes and frost.

Heat (energy) is necessary for evaporation to occur. Heat, which results from the action of the “Specific Generative Energy ‘EARTHLY’ Domain” (that is to say, the Solar Star) will turn moisture (water) from plants and leaves, as well as oceans, lakes, and rivers, into aqueous vapor (gas).

When the air-“Specific Energy ‘EARTHLY’ Substance” near the surface of the earth becomes more heated or more highly charged with aqueous vapor, which is only five eighths of the specific gravity of atmospheric air, it will lose its equilibrium and become unstable, and up-moving columns or streams of air charged with aqueous vapor will be formed. As these up-moving columns of air charged with aqueous vapor will rise, their upper parts will come under less pressure, and the air charged with aqueous vapor will therefore expand; as it expands, it will grow colder about one degree and a quarter for nearly every

The most well-known example of sublimation is dry ice. Of course, dry ice is not actually ice, it is frozen CO₂. The CO₂ sublimates at room temperature.

Other examples include air fresheners. The solid in an air freshener can sublime in order to make the room smell nice. Naphthalene, which is used to make moth balls, is another example of odorous sublimation. It sublimates quickly, and the smell keeps the moths away.

Another example is medication. Often medication bottles will say that you should keep them in a cool place or at room temperature. This is because there is a possibility that some of the components involved could sublime if they get heated up too much.

hundred meters of its ascent. The ascending columns of air charged with aqueous vapor will carry up with them the aqueous vapor, which they contain, and, if they rise high enough, the cold produced by expansion from diminished pressure will condense some of this vapor into cloud. The distance or height, to which the air charged with aqueous vapor will have to ascend before it will become cold enough to begin to form cloud, is a variable quantity. The highest the temperature at which it will condense, which is variable accordingly as there will be more or less vapor in the air, is designated at the “dew point”, and the difference between the “dew point” and the temperature of the air in degrees, is designated as the “complement of the dew point”.

Condensation is the “specific process” associated with change of the state of a delimited part of the “Specific Energy ‘EARTHLY’ Substance” from the gas state into the liquid state. At the completion of the condensation “specific process”, a liquid-“Specific Energy ‘EARTHLY’ Substance” (or solid-“Specific Energy ‘EARTHLY’ Substance”) is deposited upon a surface of another delimited part of the “Specific Energy ‘EARTHLY’ Substance”, which is cooler than the adjacent gaseous-“Specific Energy ‘EARTHLY’ Substance”. A delimited part of the “Specific Energy ‘EARTHLY’ Substance” condenses when the pressure exerted by its vapour exceeds the vapour pressure of the liquid or solid state of the considered delimited part of the “Specific Energy ‘EARTHLY’ Substance” at the temperature of the surface where condensation occurs. Heat is released when a “Specific Energy ‘EARTHLY’ Substance”-vapour condenses. Unless this heat is removed, the surface temperature will increase until it is equal to that of the surrounding vapour-“Specific Energy ‘EARTHLY’ Substance”. Condensation is crucial to the hydrological cycle because it is responsible for the formation of clouds. The change of state change, which accompanies a “Specific Energy ‘EARTHLY’ Substance”-water as it moves between its vapor, liquid, and solid forms is exhibited in the arrangement of the “Specific Molecular ‘EARTHLY’ Substances” constituents of the “Specific Energy ‘EARTHLY’ Substance”-water. “Specific Molecular ‘EARTHLY’ Substances” constituents of a “Specific Energy ‘EARTHLY’ Substance”-“water vapor” are arranged more randomly than those of a “Specific Energy ‘EARTHLY’ Substance”-“water liquid”. As condensation, typically a “Specific Energy ‘EARTHLY’ Substance”-“water vapor” turning back into a “liquid water”-“Specific Energy ‘EARTHLY’ Substance”, occurs and “liquid water”-“Specific Energy ‘EARTHLY’ Substance” forms from the “Specific Energy ‘EARTHLY’ Substance”-“water vapor”, the “Specific Molecular ‘EARTHLY’ Substances” constituents of a “Specific Energy ‘EARTHLY’ Substance”-“water vapor” become more organized and heat is released into the atmosphere as a result of exothermic chemical reactions.

Even though clouds are absent in a crystal clear blue sky, water is still present in the form of “Specific Energy ‘EARTHLY’ Substance”-“water vapor” and droplets which are too small to be seen. Depending on weather conditions, H₂O-“Specific Molecular ‘EARTHLY’ Substances” will combine with tiny particles of dust, salt, and smoke in the air-“Specific Energy ‘EARTHLY’ Substance” to form cloud droplets, which combine and grow and develop into clouds, a form of “Specific Energy ‘EARTHLY’ Substance”-water that you can see. Cloud droplets can vary greatly in size, from 10 microns (millionths of a meter) to 1 millimeter (mm), and even as large as 5 mm. This process occurs higher in the atmosphere where the air-“Specific Energy ‘EARTHLY’ Substance” is cooler and more condensation occurs relative to evaporation. As water droplets combine (also known as coalescence) with each other, and grow in size, clouds not only develop, but precipitation may also occur. Precipitation is essentially water in its liquid or solid form falling from the base of a cloud. The clouds formed by condensation are an intricate and critical component of a delimited part of the “Specific Energy ‘EARTHLY’ Substance”, which is designated as the “Specific ‘EARTHLY’ Environment”.

If the air-“Specific Energy ‘EARTHLY’ Substance” at the surface of the earth should at any time be cooled down a little below the “dew point”, it would form a fog, by condensing a small portion of its transparent vapor into little fine particles of water; and if it should be cooled twenty one degrees below the dew point, it would condense about one half of its vapor into water, and at forty degrees below, it would condense about three fourths of its vapor into water. This, however, will not be exactly the case from the cold produced by expansion in the up-moving columns; for, the vapor itself becomes thinner, and the “dew point” falls about one quarter of a degree, that as soon as the column rises as many hundred meters as the temperature of the “complement of the dew point” increases, cloud will begin to form; or, in other words, the bases of all clouds forming by the cold of diminished pressure from up-moving columns of air charged with aqueous vapor, will be about as many hundred meters high as the “dew point” is below the temperature of the air, at the time.

As soon as cloud begins to form, the heated substance, which is formed during the many chemical reactions taking place, flows from warmer to colder regions of an ascending column, and is given out into the air in contact with the little particles of water formed by condensation of the vapor. This will prevent the air, in its further progress upwards, from cooling so fast as it did up to that point. If the “dew point” is higher, it cools a little less, and if the “dew point” is lower, it cools a little more than five eighths of a degree in ascending about one hundred meters.

The atmosphere itself, free from clouds, is about one degree colder for about every hundreds meters in height above the surface of the sea; therefore, as the air in the cloud above its base is only five eighths of a degree colder for about every hundred meters, it follows that, when the cloud is of great perpendicular height above its base, its top must be much warmer than the atmosphere at the height, and consequently much lighter.

The outspreading of the air in the upper parts of an ascending column will form an annulus all around the cloud; of course, the air will sink downwards from its greater weight in the annulus, and increase the velocity of the wind at the surface of the earth, towards the centre of the ascending column, while all around on the outside of the annulus there will be a gentle wind outwards.

When up-moving vertical convection currents are formed by superior heat, clouds will more frequently begin to form in the morning, increase in number as the heat increases, and cease altogether in the evening, when the surface of the earth becomes cold by radiation. The commencement of up-moving columns in the morning, will be attended with an increase of wind, and its forces will increase with the increasing columns; both keeping pace with the increasing temperature. This increase of wind will be produced partly by the rush of air on all sides at the surface of the earth to wards the centre of the ascending columns, producing fitful breezes; and partly by the depression of air all around the ascending columns, bringing down with it the motion, which it has above. The rapid disturbance of equilibrium, which is produced by one ascending column, will tend to form others in its neighborhood; for, the air being pressed outwards from the annulus, or at least retarded on the windward side, will form other ascending columns, and these will form other annuli, and so the process will be continued. These ascending columns will have a tendency to approach, and finally unite; for, the air between them must descend, and in descending, the temperature of the whole column will increase; for, the air, at great elevations, contains more kilojoules/kilogram, than the air near the surface of the earth, because it is the upper regions that receive the elasticity of the heated substance, which is formed during the many chemical reactions taking place, is given out in the condensation of vapor into clouds. Therefore, when the air has descended some time in the middle, between the two ascending columns, the air pressure will fall a little, or at least not stand so high above the mean as it does on the outside of the two clouds, and so the columns will be pressed towards each other. If one of two neighboring columns should be greatly higher than the other, its annulus may overlap the smaller one, and, of course, the vertical convection current under the smaller cloud will be inverted, and the cloud, which may have been formed over the

column thus forced to descend will soon disappear; for, as it is forced downwards by the overlapping annulus of the more lofty column, it will come under great pressure, and its temperature will be thus increased; and as soon as its top descends as low as its base, it will have entirely disappeared; and in the mean time, the larger cloud will have greatly increased. As the air above the cloud formed by an ascending column is forced upwards, if it contains much aqueous vapor, a thin film of cloud will be formed in it by the cold of diminished pressure, entirely distinct from the great dense cumulus below it; but as the cumulus rises faster than the air above it, (for, some of the air will roll off) the thin film and the top of the cumulus will come in contact; and a second, third or fourth film or cap may be formed in the same way. The formation of these caps indicates a high degree of saturation in the upper air. When these cap form, in the cumulus, with more water condensing onto other water droplets, the droplets grow. When they get too heavy to stay suspended in the cumulus, even with updrafts within the cumulus, they fall to earth as rain. If the air in the cumulus is below the freezing point (0°C), ice crystals will form; if the air all the way down to the ground is also freezing or below, you get snow. However, if the layers of atmosphere within the cumulus, and between the cumulus and the ground, alternate between warmer than freezing and colder than freezing, you get other kinds of precipitation.

Water-“Specific Energy ‘EARTHLY’ Substance” is continually evaporating and condensing in the atmosphere, which also serves as storage for this “Specific Energy ‘EARTHLY’ Substance”-water. If you look closely at a cloud you can see some parts disappearing (evaporating) while other parts are growing (condensation). Most of the condensed “Specific Energy ‘EARTHLY’ Substance”-water in clouds does not fall as precipitation because their fall speed is not large enough to overcome updrafts which support the clouds. Water-“Specific Energy ‘EARTHLY’ Substance” stored in the atmosphere can be moved relatively quickly from one part of the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain” to another part, using “WINDS” in all their forms and strenght.

When the “complement of the dew point” is above twenty one degrees, clouds will scarcely form; for, up-moving columns will either come to equilibrium with the surrounding air, or be dispersed before they rise about twenty hundred meters, which they must do in this case, before they form clouds.

Clouds facilitate the regulation of the flow of radiant energy into and out of delimited parts of the “Specific Energy ‘EARTHLY’ Substance”. They influence life conditions inside the “Specific Energy ‘EARTHLY’ Substance” by reflecting incoming solar radiation (heat) back to space and outgoing radiation (terrestrial)

from the earth's surface. Often at night, clouds will act as a "blanket", keeping a portion of the day's heat next to the surface.

Precipitation is the primary mechanism for the delivery of "Specific Energy 'EARTHLY' Substance"-water from the atmosphere to the earth surface. There are several forms of precipitation, the most common designated as "rain". Other forms of precipitation include hail, snow, sleet, and freezing rain. Once on the earth surface, water infiltrates the soil by moving through the surface. This movement of water through the soil surface into the soil profile is designated as "infiltration". By it, ground water supplies are recharged and water is made available to sustain vegetation. Infiltration is governed by two forces, gravity, and capillary action. Infiltration is controlled by soil texture, soil structure, vegetation, and soil moisture status. The infiltration rate is the amount of water that enters the soil in a specified time period. The infiltration rate is directly influenced by soil texture, soil cover, and moisture content of the soil, soil temperature, precipitation type, and rainfall intensity. High infiltration rates occur in dry soils, with infiltration slowing as the soil becomes wet. Coarse-textured soils with large well-connected pore spaces tend to have higher infiltration rates than fine textured soils. However, coarse-textured soils fill more quickly than fine-textured soils due to a smaller amount of total pore space in a unit volume of soil. Runoff is then generated quicker than one might have with a finer-textured soil. Infiltration capacity, which includes surface infiltration and percolation together, is expressed in depth of water per unit of time, usually millimeters per hour or centimeters per hour. Whenever the precipitation rate is greater than the infiltration capacity, surface runoff occurs.

The terms infiltration and percolation are often used interchangeably; however, percolation specifically refers to the movement of water within the soil itself and its layers, by gravity and capillary forces, while infiltration refers to water entering the soil surface.

Finally, as the water percolates into the deeper layers of the soil, it reaches groundwater, which is water below the surface. The prime moving force of groundwater is gravity. The upper surface of this underground water is designated as the "water table". Groundwater can intersect with surface streams, it can appear at the surface as springs, and it flows generally downhill toward the ocean.

It is so that, through the hydrological cycle, and through many others "specific processes" and "specific cycles of transport and storage" of layers of "Specific Atomic 'EARTHLY' Substances" and "Specific Molecular 'EARTHLY' Substances" (including nitrogen and carbon cycles) taking place inside the "Specific Energy

‘EARTHLY’ Substance”, life conditions will be established within the first “Specific Energy ‘EARTHLY’ Habitation Domain”, as “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed it. All the parameters necessary to establish such combinations of “specific effects” that are the “HEAT” and the “COLD” resulting from work produced by these layers of “Specific Atomic ‘EARTHLY’ Substances” in movement, which will produce the dew, the rain, the ice, the cold, the snow and the jelly, etc..., in the selected regions of the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, are parts of the parameters which are established by the “Sealed Twelve” at the “Entry Gates” and the “Exit Gates” of the “First Orbit of The MOST LUMINOUS”. The work accomplished will be evaluated at the “Exit Gates” which are located at the Occident of the “Specific Energy ‘CELESTIAL’ Domain”.

The “specific processes” of evaporation, condensation, and transportation (which is the movement of water through the atmosphere, specifically from over the oceans to over land using the tools designated as “WINDS” in all their forms and forces), which are part of the hydrological cycle, outlined hereabove, can also be induced artificially by trained “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” as part of the “specific tasks”, which have been assigned to them. Depending of the expected outcomes — dew, the rain, the ice, the cold, the snow and the jelly, etc... — to be produced by the application of these “specific tasks”, those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” will also be designated in accordance with those expected outcomes: for example, the “spirit of dew” will refer to both the “specific process”, which leads to the formation of dew, and to the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” who, as part of his/her assigned “specific tasks”, will be at work to artificially induce the “specific process”, which leads to the formation of dew; the “spirit of rain” will refer to both the “specific process”, which leads to the formation of rain and precipitation, and to the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” who, as part of his/her assigned “specific tasks”, will be at work to artificially induce the “specific process”, which leads to the formation of rain and precipitation; the “spirit of snow” will refer to both the “specific process”, which leads to the formation of snow, and to the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” who, as part of his/her assigned “specific tasks”, will be at work to artificially induce the “specific process”, which leads to the formation of snow; and in the same manner, the “spirit of the clouds” will refer to both the “specific process”, which leads to the formation of clouds, and to the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” who, as part of his/her assigned “specific tasks”, will be at work to artificially induce the “specific

process”, which leads to the formation of clouds; etc... I am sure that you get the point.

In the parable, when the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” who, as part of his/her assigned “specific tasks”, will be at work to artificially induce the “specific process”, which leads to the formation of rain and precipitation, through condensation of the “Specific Energy ‘EARTHLY’ Substance”-“water vapor”, which is stored in the atmosphere, and followed by precipitation, it will be said that, that “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” has “*opened the floodgates of the sky*”, or has “*opened the floodgates of the reservoirs of the sky*”, or simple that “*the floodgates of the reservoirs of the sky have been opened*”.

As we have indicated, according to particular “specific displacement movements”, regions inside the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain” will be drained, or cooled, or render mild, as part of “specific cycles of transport and storage” of layers of “Specific Atomic ‘EARTHLY’ Substances” and “Specific Molecular ‘EARTHLY’ Substances”.

It is so that, according to the strength of the “‘EARTHLY’ specific supply of subsistence”¹¹⁶², which will be added to this set of layers of “Specific Atomic ‘EARTHLY’ Substances” considered of this first “Specific Energy ‘EARTHLY’ Habitation Domain”, this set of layers of “Specific Atomic ‘EARTHLY’ Substances” considered will emit in the “Specific ‘SPIRITUAL’ Environment” an internal output signal which will manifest instantly by the appearance of a luminous radiation followed with a “specific effect”, resulting respectively of the combination and of a “specific interpretation” of luminous radiation and of “specific effects” of the “Specific ‘SPIRITUAL’ Environment” around its layers of “Specific Atomic ‘EARTHLY’ Substances” constituent.

Such instantaneous luminous radiation will also manifest instantly in the “Specific ‘EARTHLY’ Environment” containing this set of layers of “Specific Atomic ‘EARTHLY’ Substances” considered, by that, which is called “LIGHTNING”: it is so that “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed it. This luminous radiation which will be emitted by this set of layers of “Specific

¹¹⁶² Consider it as physical energy in the appropriate form and resulting from a transfer of spiritual energy. As you would know, physical energy exists in many different forms. Examples of these are: light energy, heat energy, mechanical energy, gravitational energy, electrical energy, sound energy, chemical energy, electromagnetic energy, and so on. Each form can be converted or changed into the other forms.

Atomic 'EARTHLY' Substances" considered, as well as the "specific effect" that accompanies it are inseparable.

This "LIGHTNING" will be very intense at the level of the layers of "Specific Atomic 'EARTHLY' Substances" that will be in a greater state of "CHAOS", contrary to the "HARMONY" prescribed by "THE DIVINE ARCHITECT AND PROJECT MASTER".

When the "Specific 'SPIRITUAL' Environment" around the layers of "Specific Atomic 'EARTHLY' Substances" considered is in a lesser state of "CHAOS", contrary to the "HARMONY" prescribed by "THE DIVINE ARCHITECT AND PROJECT MASTER", then, the luminous radiation emitted by this set of layers of "Specific Atomic 'EARTHLY' Substances" considered, as well as the "specific effect" that accompanies this luminous radiation will be less noticeable.

Whereas, when the "Specific 'SPIRITUAL' Environment" around the layers of "Specific Atomic 'EARTHLY' Substances" considered is in a higher state "CHAOS", contrary to the "HARMONY" prescribed by "THE DIVINE ARCHITECT AND PROJECT MASTER", then, the luminous radiation which will be emitted by this set of layers of "Specific Atomic 'EARTHLY' Substances" considered, as well as the "specific effect" that accompanies it will be much more noticeable.

The "specific effect" that accompanies this luminous radiation which will be emitted by this set of layers of "Specific Atomic 'EARTHLY' Substances" considered, still indicates that a "COMBAT" is taking place in the "Specific 'SPIRITUAL' Environment" around this set of layers of "Specific Atomic 'EARTHLY' Substances" considered. It is what is happening, in this first "Specific Energy 'EARTHLY' Habitation Domain", when the angels who live in heaven come in contact with demons.

That which is called the "THUNDER" is a manifestation of an instantaneous audible sound of the "COMBAT", in the "Specific 'SPIRITUAL' Environment" around and containing this set of layers of "Specific Atomic 'EARTHLY' Substances" considered.

The feeling of "HEAT" is also a manifestation of an instant non-audible of the "specific effect" associated with adding some "'SPIRITUAL' specific supply of subsistence" to the "Specific 'SPIRITUAL' Environment" around the layers of "Specific Atomic 'EARTHLY' Substances" considered.

The opposite feeling to the “HEAT” is called the “COLD”, associated with the absorption of “‘SPIRITUAL’ specific supply of subsistence” of “Specific ‘SPIRITUAL’ Environment” around the layers of “Specific Atomic ‘EARTHLY’ Substances” considered.

This knowledge on the special “specific events” of “THE BIRTH” and of “THE EXPANSION” that will occur into existence in the layers of “Specific Atomic ‘EARTHLY’ Substances” of this first “Specific Energy ‘EARTHLY’ Habitation Domain”, as well as the principles and methods that “THE DIVINE FORCE” had established and which allow to restore the “Specific ‘SPIRITUAL’ Environment” around such layers of “Specific Atomic ‘EARTHLY’ Substances” in their state of “HARMONY” with “THE DIVINE”, IHVH, our FATHER, had already been given to ENOCH, of whom METHUSELAH is the descendant, by “THE DIVINE FORCE” through several visions, when ENOCH was still living on EARTH down here and when he had begun to understand the project for which “THE DIVINE”, IHVH, our FATHER chose him.

It is so that, in his writings, ENOCH, of whom METHUSELAH is the descendant, had also described the vision that “THE DIVINE FORCE” had sent him regarding this knowledge in these terms:

“...

Then, the other angel who was with me, talked to me, and told me the firsts and the last secrets of the HEAVEN and of the EARTH. On the edge of the HEAVEN, and its foundations, in the receptacles of the winds¹¹⁶³;

He showed me how their blasts are divided and weighted, how winds and fountains are classified, according to their energy and

¹¹⁶³ The “winds” refer to the effects of displacement of the layers of “Specific Atomic ‘EARTHLY’ Substances” in this first “Specific Energy ‘EARTHLY’ Habitation Domain”; “receptacles of the winds” refers to those creatures that “THE DIVINE FORCE” will create into existence in the “Specific Energy ‘CELESTIAL’ Domain” and who will have the “specific task” to generate the forces which allow to move the layers of “Specific Atomic ‘EARTHLY’ Substances” of the first “Specific Energy ‘EARTHLY’ Habitation Domain” from one place to another in this first “Specific Energy ‘EARTHLY’ Habitation Domain” and on smaller or larger scales.

Depending upon the context, the “winds” will also refer to these same creatures that “THE DIVINE FORCE” will create into existence in the “Specific Energy ‘CELESTIAL’ Domain” and who will receive the “specific task” to act as “receptacles of the winds”.

I saw the obedience of these celestial plagues to his divine will. I learned that the light never parted of the lightning, and even though the one and the other are united through different spirits¹¹⁶⁵, they are not less inseparable.

Also the spirit of the sea is powerful and strong, and just as a prodigious strength keeps it backward with a flange, likewise it is send forward and scattered against the mountains.

¹¹⁶⁵ “Spirit”, in this context here, is the word that the elders of the creation (the archangels and angels) use, to designate things or processes that they themselves cannot visualize, cannot perceive, and cannot explain. These include the “Specific Atomic ‘SPIRITUAL’ Substances” and those “specific processes” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has established and predefined in those “Specific Atomic ‘SPIRITUAL’ Substances” constituent of the “Specific ‘SPIRITUAL’ Environment”.

¹¹⁶⁶ The “right time” refers to the achievement of the state of “HARMONY” of the “Specific ‘SPIRITUAL’ Environment” around the layers of the considered “Specific Atomic ‘EARTHLY’ Substances” with “THE DIVINE”, IHVH, our FATHER. These things are part of the teachings that “THE DIVINE FORCE”, in “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”, taught archangels and angels.

The spirit of the frosts, is its angel;¹¹⁶⁷ the spirit of the hail is a good Angel as well as the spirit of the snow, because of its strength, and there are in it mainly a spirit who actually raises the smoke, and its name is freshness;¹¹⁶⁸

The spirit of the clouds lives not with those which I have just mentioned, but it has his particular home; its walk takes place in splendor. Day and night, in the winter and in the summer its sojourn is splendid and its angel is always bright.

The spirit of the dew has its dwelling at the edges of the HEAVENS, its sojourn is in the proximity of that of the rain; its empire is nearby that of the rain; its empire exerts during the winter and in the summer.

As for the clouds, this is their origin: a first cloud is produced, it enlists several others; soon they gather carrying the wet rain in its slopes, then, the angel appears, he opens the top treasures, and the rain is thus created.¹¹⁶⁹

The same thing happens when the rain spreads on the face of the Earth, it will meet all the waters flowing from her breast, after having fertilized it; because the waters are the food of the land, it is the will of the Most High.

¹¹⁶⁷ In this context here, the “spirit”, as we have indicated previously, is the word that the elders of the creation (the archangels and angels) use, to designate things or processes that they themselves cannot visualize, cannot perceive, and cannot explain. It is so that, the elder of the creation who performs such a process, although he cannot visualize it (the submerged part of the iceberg) but sees only the visibles consequences (the tip of the iceberg), is also designated by the visible product output from the execution of that process. That is how those elders of the creation (the archangels and angels) have also received their designations.

¹¹⁶⁸ All these are parts of manifestations, in “THE FRAME OF REFERENCE OF THE ATTRIBUTE ‘NON DIVINE’” in the attribute “NON DIVINE”, of metaphors of the effects produced in the “Specific Septenary Equilibrium Zone” by the movement of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” in “THE ABSOLUTE FRAME OF REFERENCE”.

¹¹⁶⁹ This refers to the manifestation of the special “specific events” of “THE BIRTH” and of “THE EXPANSION” that will appear into existence in the layers of “Specific Atomic ‘EARTHLY’ Substances” of this first “Specific Energy ‘EARTHLY’ Habitation Domain”.

That is why there are some limits to the rain and the angels who perform it, spreading it with the right measure.

I saw all these wonders, as well as the garden of the righteous.

...

These activities that the elders of the creation (the archangels and angels) have called the “secrets of the HEAVEN and of the EARTH”, and have been keeping as precious belongings not to divulge to human creatures, are not secrets at all, in themselves; they are operational activities, which were assigned to them, as part of the implementation of “THE HOLY PROJECT”. Operational activities are ongoing, perpetual, and repetitive efforts, the purposes of which are to sustain, in conformity with the specifications which were established by “THE DIVINE ARCHITECT AND PROJECT MASTER”, all that the attribute “NON DIVINE” contains already.

These operational activities are parts of manifestations, in “THE FRAME OF REFERENCE OF THE ATTRIBUTE ‘NON DIVINE’” in the attribute “NON DIVINE”, of metaphors of the effects produced in the “Specific Septenary Equilibrium Zone” by the movement of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” in “THE ABSOLUTE FRAME OF REFERENCE”.

If you do not have the knowledge of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, as was the case with the archangels and angels and human creatures that followed until the days of today, then, you will not be able to make the connection between these events and “THE DIVINE”; you will not know that it is “THE DIVINE FORCE” who has established and subdivided all these effects as well as the rules and laws that govern these effects, into “specific tasks” that SHE will assign to the archangels and angels, and SHE will also educate them in the execution of these “specific tasks”, in order to lead them to grow in the knowledge of “THE DIVINE ATOM” and the understanding of the work that “THE DIVINE ARCHITECT AND PROJECT MASTER” has accomplished in order to arrive at the “SUPREME STATE OF EQUILIBRIUM” and the “SUPREME STATE OF HARMONY” of “THE DIVINE ATOM”, and therefore to the understanding of the “SUPREME STATE OF EQUILIBRIUM” and the “SUPREME STATE OF HARMONY” of “THE DIVINE”, IHVH, our FATHER.

If you do not have the knowledge of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, as was the case with the

The veritable divine engineering marvel and masterpiece, which is the veritable “secret” hidden and invisible in those operational activities, is “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” which is unknown to all, and of which all creatures into existence in the attribute “NON DIVINE” are called to understand through the execution of the activities assigned to them; and the veritable mystery is both “HE WHO” designed this “DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” — that is, “THE DIVINE ARCHITECT AND PROJECT MASTER” — and “SHE WHO” has implemented it — that is, “THE DIVINE FORCE” —, and how SHE moved amongst the archangels and angels, unbeknownst to them and had taught them.

Once you have acquired and developed in you the knowledge of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, then you will understand that those operational activities are implementation and maintenance activities of the manifestations by metaphors of the tasks that arose in “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”.

CHAPTER 190

ANNOTATION ON THE “SPECIFIC ENERGY ‘CELESTIAL’ DOMAIN” AND THE CORRESPONDENCE WITH THE “SPECIFIC GENERATIVE ENERGY ‘EARTHLY’ DOMAIN”

“THE DIVINE FORCE” had already given this knowledge to ENOCH, of whom METHUSELAH is the descendant, through several visions, when he still lived on EARTH down here and when he had begun to understand the project for which “THE DIVINE”, IHVH, our FATHER chose him.

It is so that, in his writings, ENOCH had also described the vision that “THE DIVINE FORCE” had sent him regarding the “Specific Generative Energy ‘EARTHLY’ Domain” in these terms:

“...

From there I arrived in another place, on the side of the Occident, at the ends of the Earth. Where I saw a burning fire and a perpetual movement, which was rolling night and day, without ever stopping.

And I asked the angel who was with me, and I tell him: what is that? Why this incessant movement?

RAGUEL, one of the angels who accompanied me said: “That burning fire, which moves towards the Occident, is the fire which sets ablaze all “LUMINAIRES” of the HEAVEN.”

...”

The “burning fire” refers to the “Specific Generative Energy ‘EARTHLY’ Domain”. The “Specific Generative Energy ‘EARTHLY’ Domain” continuously accomplished the “specific work” that “THE DIVINE FORCE” had entrusted to it and it is the Archangel “ZAHARIEL”, also called “THE MOST LUMINOUS”, the “SUN”, the

“MOON”, the “NORTHERN STAR”, “RAGUEL”, etc..., he has several names depending upon the form he takes and the “specific tasks” entrusted to him, who has received the task to perform and ensure the proper functioning of the “specific work” of the “Specific Generative Energy ‘EARTHLY’ Domain”.

“...RAGUEL, one of the angels who accompanied me answered to me: “This blazing fire that moves constantly to the Occident, is the fire which ignites all “LUMINAIRES” of the “HEAVEN”...” is said to lead ENOCH to discern and to understand that RAGUEL is the head of all those archangels and angels who have been tasked to light up the “MURKY VOID”.

That reply given by the Archangel RAGUEL, however, does not answer the question that the Elder ENOCH has asked: namely, “Why this incessant movement?”

If the “movement” was a “yo-yo movement” up and down, you would ask to know why it is moving up and down, or if it was a “pendulum movement” where the “blazing fire” would be subject to a restoring force due to some sort of “gravity”, which will accelerate it back toward the equilibrium position, you would ask to know where is the “pivot” of this “pendulum movement”, why is that “pivot” invisible, what is the root cause of that “incessant movement”, what is the meaning of such “incessant movement” in itself, what does that “incessant movement” in itself intended to tell me about, etc...? Do you get the point of the question that was asked by the elder ENOCH? A good follow-up to the question asked by the Elder ENOCH would be: *“Why does this fire ignites all “LUMINAIRES” of the “HEAVEN”?”* To which the anticipated answer would be: *“It is the WILL of THE ETERNAL.”* And a continuing question would be: *“Why is it the WILL of THE ETERNAL? Could it be that THE ETERNAL is telling his creatures something about Himself through that “blazing fire that moves constantly to the Occident, and which ignites all “LUMINAIRES” of the “HEAVEN”...”?”*

The reply given by the Archangel RAGUEL is directed at the visible part of the iceberg, which is the subsequent consequences of the “specific effect” associated with that “incessant movement”, and it will not make you move forward even of an iota closer to know more about the “Why this incessant movement?” or about the “AUTHORS” of such production, and you will remain on your thirst for answers and hungry to know, the dish that you brought with you to be served knowledge, in order to feed, will remain miserably empty; namely, you will not “come” close to know about WHO has conceived it and WHO has produced it as it is into existence? With such answer, you will be and remain as “empty” of any

knowledge, about the “AUTHORS” of such production, as you were when you came to ask the question. Such answer is an “empty” answer that also tells more about the extent of knowledge that the Archangel RAGUEL had in himself and concerning the submerged part of the iceberg; that is, about the “TRUE AUTHORS” of such production.

All answers that archangels and angels give to questions asked to them, by human creatures, follow that same pattern: directed at the visible part of the iceberg and never at the submerged part of the iceberg. It is so because they did not develop in them any knowledge concerning that submerged part of the iceberg, hence concerning “THE DIVINE”, IHVH, our FATHER and “THE DIVINE FORCE”. The correct answer to the questions asked by the Elder ENOCH, have been given in the chapter concerning “THE DIVINE BODY”.

With the archangels and angels, he who is responsible for a specific task will take the lead and speak in parables about the work that concerns him, and not someone else, and the human creature is called to discern and understand it that way, who is who and who does what. Moreover, the human creature is called to discern the invisible knowledge concerning “THE DIVINE”, IHVH, our FATHER and “THE DIVINE FORCE”, and that “THE DIVINE FORCE” has embedded into those tasks. The archangels and the angels themselves have failed to uncover such invisible knowledge; we will explain more about how this has occurred as we move forward in the text of the following chapters.

In this vision, as in most of those visions in which the elder ENOCH interacted with those archangels and angels, the questions that he was asking them were “awaken” in him by “THE DIVINE FORCE”, so that he, the elder ENOCH, comes:

1. To gauge by himself the extent of knowledge concerning “THE DIVINE”, IHVH, our FATHER, and that these archangels and angels were supposed to have developed in themselves; and
2. To discern the invisible knowledge concerning “THE DIVINE”, IHVH, our FATHER and “THE DIVINE FORCE”, and that has been embedded, by “THE DIVINE FORCE”, in those activities that those archangels and angels are performing.

In all those visions, the elder ENOCH himself was not aware of the fact that, “THE DIVINE FORCE” was at the origin and behind those questions that he was asking to those archangels and angels.

It is so that, the answers given by these archangels and angels, tell much more about what they know (that is, nothing) about “THE DIVINE ATOM”, hence,

about “THE DIVINE”, IHVH, our FATHER, and about “THE DIVINE FORCE”. Everything coming from “THE DIVINE”, IHVH, our FATHER, or “awaken” in a human creature by “THE DIVINE FORCE”, has a purpose: every question “awaken” has an educational purpose. NOTHING IS DONE AT RANDOM BY “THE DIVINE”.

It is so that, if you come to ask questions to those archangels and angels, do not content yourself with the “empty” answers that they will give you and do not let yourself be distracted or fall in euphoria by their appearances or by the activities that they are performing. Pull yourself together, focus, and if you sense that the archangel or the angel in front of you, and who is in charge of a specific task, is in a position to tell more, then, follow up those answers with a series of “why” questions, until you get down to the bottom of things and understand something concerning “THE DIVINE”, IHVH, our FATHER and “THE DIVINE FORCE”, or otherwise, concerning that archangel or that angel in front of you. If, otherwise, you sense that you will not get any substantial answer from the archangel or the angel in front of you, then, he will not tell you what he has no knowledge of, move on to interrogate the next one, or better, go directly and talk to “THE DIVINE FORCE”. Why this constant movement of this blazing fire to the Occident? Why not in another direction or in many others directions? Why is that blazing fire not falling down or falling sideways, but seems to be in stationary motion? Why does that blazing fire shaped as a sphere, and rolling? Why it is not shaped as a square or as some other bizarre form? Why the “fire” element and not “water” or any other element, which you are familiar with? And why is that fire “blazing”? It ignites all “LUMINAIRES” of the “HEAVEN”; this implies the existence of mechanisms of synchronisation between that blazing fire and all those “LUMINAIRES” of the “HEAVEN”. How was this synchronisation achieved and WHO are the “AUTHORS” of such production? What invisible learnings did the “AUTHORS” of such production wanted us to grasp?

Thus, you see what types of questions can pop-up in your mind when you truly want to learn? Do you think it is by coincidences that around the age of three, children enter the “why?”-stage, as soon as they acquire a basic command of the language? They start to ask the question “why?” constantly questioning about anything and everything under the sun? “Why does the dog wag its tail?”, “Why is there fog today?”, “Why is it sunny right now?”, “Why is the sun hiding behind the clouds?”, “How many blades of grass are there in the world?”, “Why is the sky blue?”, “Why are ants so small?”, “Do ants have grandmothers?”, “What do chairs taste like?”, etc... Asking the question “why?” is a sign of inherent curiosity and wanting to understand things. By asking the question “why?”, you will be able to

practice critical thinking skills and take control of the learning. Through the “child”, you are called to understand how you are in front of “THE DIVINE FORCE”, and you are called to understand that everything around you was brought forth by “THE DIVINE FORCE” for your education in “THE KNOWLEDGE OF THE DIVINE”, so that you growth to know YOUR TRUE FATHER, “THE DIVINE”, AND YOUR TRUE MOTHER, “THE DIVINE FORCE”. Through the “child” entering the “Why?”-stage, and questioning everything around him, you MUST reflect on the amount of work, which “THE DIVINE ARCHITECT AND PROJECT MASTER” has performed in conceiving and establishing the model of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, of which that “child” is, and hence you are, a manifested product.

If you content yourself with the “empty” answers that the archangels and angels will give you, then you will be and remain as “empty” of any knowledge, about the “AUTHORS” of such production, as you were when you came to ask them questions.

Remember what CHRIST had said when He was still living on this Earth, and concerning the invisible knowledge about “THE DIVINE”, IHVH, our FATHER and “THE DIVINE FORCE”:

“...

Let he who seeks never cease to seek until he finds; when he will find, he will be troubled; when he will be troubled, he will admire, and he will understand the universe!

...”

In his writings, ENOCH had also described the vision that “THE DIVINE FORCE” had sent him regarding “THE DIVINE ATOM” manifested in “THE FRAME OF REFERENCE OF THE ATTRIBUTE ‘NON DIVINE’” in the attribute “NON DIVINE”, in these terms:

“...

I saw a mountain of fire, burning night and day. When I approached it, I saw seven bright mountains, of which one was distinct from the other.

The stones which they were formed were beautiful and sparkling; They shine and radiate at sight, and their surface is polished.

There were three in the Orient, and all the more unshakeable, that they were the one and the other; and there were three in the South, also unshakeable.

There were also deep valleys but which were separated one from another. In the middle was the seventh mountain.

And all these mountains appear in the distance as the majestic thrones, and they were crowned of odoriferous trees.

Among these trees, there was one of a constantly reappearing odour, so suave and, there was no one in the Garden of Eden, which exhaled such a delicious scent. Its leaves, its “flowers”, its wood, never withered and its “fruits” were beautiful.

משה
...”

The “mountain” is the symbol used to refer to that, which is difficult to access, which is difficult to understand, which is hardly apprehendable.

“When I approached it, I saw seven bright mountains, of which one was distinct from the other” is said to lead you to understand that the “mountain of fire burning night and day” refers to “THE DIVINE ATOM” manifested in “THE FRAME OF REFERENCE OF THE ATTRIBUTE ‘NON DIVINE’” in the attribute “NON DIVINE”; that is, the “SPECIFIC SUPREME CONFIGURATION” of the seven “Specific Energy ‘EARTHLY’ Domains”, designed in the proportions of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”.

It is thus that, the “seven bright mountains, of which one was distinct from the other” are symbolically the seven domains of habitation are associated to “THE DIVINE ATOM” manifested in “THE FRAME OF REFERENCE OF THE ATTRIBUTE ‘NON DIVINE’” in the attribute “NON DIVINE”: the “Specific Energy ‘CELESTIAL’ Domain” and the six “Specific Energy ‘EARTHLY’ Habitation Domains”, as “THE DIVINE ARCHITECT AND PROJECT MASTER” had designed them.

“The stones which they were formed” refer to the basic tools which are manifestations of the metaphors of the “DIVINE PRIMARY WEALTH” that “THE DIVINE FORCE” had chosen to use for the construction of each of these seven domain of habitation; for human creatures, “precious stones” had become their symbols of wealth and it is to lead to understand the concept of the “DIVINE PRIMARY WEALTH” to human creatures that “THE DIVINE FORCE” has used this symbolism in this vision that SHE had sent to ENOCH.

"They shine and radiate at sight, and their surface is polished ..." because the "DIVINE PRIMARY WEALTH" are all in the state of "HARMONY" with "THE DIVINE", IHVH, our FATHER.

The "*deep valleys*" refer to the delimitations of the six "Specific Septenary Equilibrium Zones", each "Specific Septenary Equilibrium Zone" being associated to a "Specific Formative Energy 'EARTHLY' Domain" with respect to the "Specific Generative Energy 'EARTHLY' Domain"; it is within each of the six "Specific Septenary Equilibrium Zone" that are placed each of the six "Specific Energy 'EARTHLY' Habitation Domains", as "THE DIVINE ARCHITECT AND PROJECT MASTER" had designed them.

The "*seventh mountain*" refers to the "Specific Energy 'CELESTIAL' Domain".

"And all these mountains appear in the distance as the majestic thrones", is said to lead to understand that, it is the achievement of "THE DIVINE FORCE" and, which has been sealed: "THE DIVINE ATOM" is sealed and "THE DIVINE", IHVH, our FATHER has consolidated it in Himself.

"THE DIVINE ATOM" is the supreme accomplishment that has crowned, honored, given the pre-eminence, and glorified the work of "THE DIVINE ARCHITECT AND PROJECT MASTER" and of "THE DIVINE FORCE"; it is characterized by one configuration in one movement and by one state of equilibrium which is obtained from the movement, and defines thus "THE FRAME OF REFERENCE OF THE CREATION".

It is so that, "THE DIVINE FORCE" had shown to ENOCH, an overview of the work that "THE DIVINE ARCHITECT AND PROJECT MASTER" had designed long before that the attribute "NON DIVINE" was created and it is the realization of that work that had been planned to be accomplished in the attribute "NON DIVINE".

The "*odoriferous trees*" that crown the mountains refer to living creatures (human on the six mountains creatures and celestial creatures on the mountain in the middle), as "THE DIVINE ARCHITECT AND PROJECT MASTER" had designed them to reside in these dwelling places, and with whom "THE DIVINE", IHVH, our FATHER wanted to share His great "DIVINE WEALTH" and the indescribable joy, the ineffable gladness, and in an immeasurable state of equilibrium, that ensues from it.

We shall give more details about these “*odoriferous trees*” in the section concerning the details of the annotation — Annotation on the mountains crowned with odoriferous trees.

CHAPTER 191

ANNOTATION ON THE TWENTY OTHERS “SPECIFIC ENERGY ‘PARTIALLY SPIRITUAL’ DOMAINS” IN THE “PLANE BELOW” AND “SOUTH” WITH RESPECT TO THE METAPHOR OF THE “CARDINAL POINT OF THE CREATION”

These twenty “Specific Energy ‘EARTHLY’ Domains”, constitute that, which is called the “Solar System”.

We shall think of a system as: “A deterministic entity comprising an interacting collection of discrete elements.” A system performs certain functions; it has a definite purpose, it does something. The “deterministic” aspect of the entity considered implies that the “system” in question be identifiable. The “discrete elements” of the entity considered are also, of course, identifiable. It is so that, a system is made up of parts or subsystems that interact. This interaction, which may be very complex indeed, generally insures that a system is not simply equal to the sum of its parts. Furthermore, if the performance of any part changes — for example any type of failure — the system itself also changes.

The constituents of the “Solar System” are these “Specific Energy ‘EARTHLY’ Domains”; they are not “planets”, as human creatures mistakenly call them and through names such as (Mercury, Venus, Mars, Jupiter, Saturn, Uranus, Neptune, etc.) that they have themselves selected and reflecting their own impure desires. All these “Specific Energy ‘EARTHLY’ Domains” components of the “Solar System” are on the same plane of existence which is called the “EARTH”, that is the “Plane Below”.

The twenty “Specific Energy ‘EARTHLY’ Domains” which are at the basis of the “Solar System” are not “planets”. All these “Specific Energy ‘EARTHLY’ Domains” are under the responsibility of “THE DIVINE FORCE” who created them on

instructions of “THE DIVINE”, IHVH, our FATHER, and following the designs of “THE DIVINE ARCHITECT AND PROJECT MASTER”.

Later during the unfolding of the execution of this “HOLY PROJECT” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed, and as a result of the destructive events that will take place in the “Specific Energy ‘CELESTIAL’ Domain”, the first “Specific Energy ‘EARTHLY’ Habitation Domain” will be contaminated by the filth sent from the “Specific Energy ‘CELESTIAL’ Domain”, and “THE DIVINE”, IHVH, our FATHER will stop the implementation of the work that “THE DIVINE ARCHITECT AND PROJECT MASTER” had designed in order to make habitable the six “Specific Energy ‘EARTHLY’ Habitation Domains”.

Only the work planned for the realization of the first “Specific Energy ‘EARTHLY’ Habitation Domain” will be accomplished and the work that “THE DIVINE ARCHITECT AND PROJECT MASTER” had planned for the realization of the five others “Specific Energy ‘EARTHLY’ Habitation Domain” will not proceed to their terms; those five “Specific Energy ‘EARTHLY’ Habitation Domains” will remain unfinished.

We shall explain this in details in a following section.

CHAPTER 192

ANNOTATION ON THE CALLING CARD OF “THE DIVINE WISDOM”

It is for the purpose to lead human creatures to understand this, that Solomon, when “THE DIVINE WISDOM” walked with him and told him who SHE was, and under the inspiration of “THE DIVINE WISDOM”, had described her by saying:

“...

IHVH created Me, origination of His Project, before His earliest Works.

From eternity I was established, from the beginning, before the origin of the Earth.

When there were no abysses I was brought forth, when there were no springs abounding with water.

Before the mountains had been shaped, before the hills, I was brought forth, before HE had made the earth with its fields, nor all the molecules and the first elements of the world.

When HE consolidated the heavens, I was there, when HE drew a circle on the surface of the abyss, when HE condensed the clouds from above, when the sources of the abyss were inflated, when HE assigned its term to the sea — and the waters will not cross the edge —, when HE laid the foundations of the EARTH, I was at His side like the Project Master I was His delight, day after day, ever at play all the time in His presence, ever at play in his EARTH and finding my delight among the children of men.

And now, my sons, listen to Me: Blessed are those who keep My ways!

Hear the instruction and be wise, and do not neglect it.

*Blessed is the one who listens to Me, watching daily at My gates,
guarding the jambs of the gates.*

*For whoever finds Me, finds life and obtains the favor of IHVH, but
he who sins against Me, injures his soul; all who hate Me, cherish
death.*

...

“*IHVH created Me, origination of His Project, before His earliest Works*” is said to lead human creatures to understand that “THE DIVINE WISDOM” is part of “THE DIVINE” and who exists in “THE DIVINE” — “THE DIVINE DOMAIN”. “THE DIVINE WISDOM” has no beginning because SHE is “THE DIVINE”.

“... *the abysses* ...” refers to the “MURKY VOID” inside the attribute “NON DIVINE”, seen from “THE DIVINE DOMAIN”.

“... *springs abounding with water* ...” refers to the “Specific Energy ‘EARTHLY’ Substance” inside of the attribute “NON DIVINE”.

“... *the mountains and the hills* ...” refers to the different “Specific Energy ‘EARTHLY’ Domains” inside of the attribute “NON DIVINE”.

“... *HE drew a circle on the surface of the abyss* ...” refers to the design and the implementation of “THE FRONTIER OF THE DIVINE DOMAIN”.

“... *HE condensed the clouds from above* ...” refers to shaping of the “Plane Above” and to the implementation of the “Specific Energy ‘CELESTIAL’ Domain” into existence inside of the attribute “NON DIVINE”.

“... *when the sources of the abyss were inflated, when HE assigned its term to the sea — and the waters will not cross the edge —, when HE laid the foundations of the EARTH* ...” refers to the shaping of the “Plane Below” and the creation and implementation of the “Specific Energy ‘EARTHLY’ Domains” in this “Plane Below” inside of the attribute “NON DIVINE”.

“... *I was at His side like the Project Master* ...” is said to lead human creatures to understand that “THE DIVINE WISDOM” is the conjoint of “THE DIVINE ARCHITECT AND PROJECT MASTER”.

“... *I was His delight, day after day, ever at play all the time in His presence, ever at play in his EARTH and finding my delight among the children of men* ...”

refers to the work that “THE DIVINE ARCHITECT AND PROJECT MASTER” designed and that “THE DIVINE WISDOM”, “THE DIVINE FORCE”, has accomplished in this “Plane Below” inside of the attribute “NON DIVINE”, and also the work that SHE has accomplished among human creatures, and in which SHE rejoices in teaching them and be their shepherd.

“Blessed are those who keep My ways! ...” is said to lead human creatures to understand the supreme completeness of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” and to lead them to live according to the elements of “THE REASON” of “THE DIVINE SUPREME CONFIGURATION”.

“Blessed is the one who listens to Me, watching daily at My gates, guarding the jambs. ...” is said to lead human creatures to develop in themselves a profound understanding of “THE DIVINE WISDOM” and to live with HER, because SHE is part of “THE DIVINE”.

The “*gates*” refers to everything that leads and allows access to the knowledge of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, to the knowledge of “THE DIVINE FORCE”. These “*gates*” are among others: “PURITY”, “HOLINESS”, “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”, and the place where these “*gates*” are located, is inside “The ALTAR of ‘THE DIVINE’” which is inside you.

“... guarding the jambs of the gates ...” is said to lead you to understand that one must work and keep watch at all moment in order to remain and keep in oneself “PURITY”, “HOLINESS”, “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”.

יצירה לספר

Then, the “CREATOR” of all things gave me His command, and “HE WHO” created Me, has assigned a place for my tent.

He said, “Make your dwelling in those who are “PURE AND HOLY”, and receive your inheritance in those who remain faithful to ME”.

From eternity, in the beginning, He created me, and for eternity I shall not cease to exist.

In “THE HOLY DWELLING” I ministered before Him, and so I was established in “PURITY”.

In the “Beloved City” likewise he gave me a resting place, and in the “City of Peace” was my dominion.

So I took root among honored people, in the portion of “THE DIVINE” is my inheritance.

I grew up like a cedar of Lebanon, like the cypress on the heights of Hermon.

I grew up like the palm of Ein-Guédi, like plants of rosebushes in Jericho, like a magnificent olive tree in the plain, like a plane tree I grew up.

Like the cinnamon and the acanthus I gave perfume, like choice myrrh I embalmed, like the Galbanum, the Onyx, the labdanum, like the steam of incense in the Tent.

I have deployed my twigs like the Terebinthus, and my reaches are full of grace and majesty.

Like a vine, I produced graceful shoots, and my flowers gave fruits of glory and richness.

Come to me, you who desire me; and fill up on my products.

For my memory gently overtakes the honey, and my possession on the honeycomb.

Those who eat me will still be hungry, those who drink me will still be thirsty.

Whoever listens to me will not be ashamed and those who work with me will not sin.

“... *THE ASSEMBLY OF THE MOST HIGH* ...” refers to “THE DIVINE DOMAIN”, to “THE DIVINE” who is in Himself and by Himself “THE DIVINE DOMAIN”, and from the perspective of all the “INDISTINCT DIVINE FORMS” which are present in the very inside of “THE DIVINE DOMAIN”.

“... *In “THE ASSEMBLY OF THE MOST HIGH” I open my mouth, in the Presence of his Power I tell of my glory* ...”

Is said to lead to understand that, it is “THE DIVINE FORCE” who is “THE DIVINE WORKER”, and it is HER who accomplished all instructions that “THE DIVINE” issues into existence once they have been established by “THE DIVINE ARCHITECT AND PROJECT MASTER”.

It is “THE DIVINE FORCE” who speaks among all those “INDISTINCT DIVINE FORMS”; that is, it is “THE DIVINE FORCE” who is the invisible science which lies in the realization of all “INDISTINCT DIVINE FORMS”, in other words, all “INDISTINCT DIVINE FORMS” are the result of her work.

“... *I came forth from “THE MOUTH OF THE MOST HIGH”* ...”

Is said to lead to understand that, it is “THE DIVINE FORCE” who has the responsibility to manifest into existence in the attribute “NON DIVINE”, that product that is associated to “THE WORD OF THE DIVINE” (to signify what comes out of the mouth) which resides in “THE DIVINE ARCHITECT AND PROJECT MASTER” and when “THE WORD OF THE DIVINE” is emitted into existence in the attribute “NON DIVINE”.

“... *like a mist I covered “THE EARTH”* ...” is said to lead to understand that “THE DIVINE FORCE” is omnipresent in the entirety of the “Plane Below”.

“... *In the heights of “HEAVEN” I dwelt, and my throne was in a pillar of cloud* ...”

Is said to lead to understand that “THE DIVINE FORCE” had dwelled in the “Plane Above”, in the “Specific Energy ‘CELESTIAL’ Domain” and among the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”; each of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had received its original “IMAGE” from “THE DIVINE FORCE”. But after that impurities had taken place in every “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, and the betrayal of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” that followed, each of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had lost its original “IMAGE”, it is then, that “THE DIVINE FORCE”,

from the perspective of “THE DIVINE WISDOM”, left “THE CELESTIAL HOST” and SHE went looking for new homes in the attribute “NON DIVINE”.

“... *a pillar of cloud*...” refers to the entirety of “THE CELESTIAL HOST”.

“*THE HEAVEN*” refers to the “Plane Above”, seen from “THE DIVINE DOMAIN”.

“... *I have made “THE CIRCLE OF THE HEAVEN” ...*” is said to lead to understand that, it is “THE DIVINE FORCE” who has implemented “THE FRONTIER OF THE DIVINE DOMAIN”, which is also called “THE CIRCLE OF THE HEAVEN”.

“... *I have walked in the depths of the abyss ...*” is said to lead to understand that “THE DIVINE FORCE” has knowledge of everything that the “Plane Below” contains, all that SHE has created into existence in this “Plane Below” is referenced by the following sentence “... *In the waves of the sea, over all the land, and in every people and nation I have gotten a possession. ...*”: SHE is the science that is behind all these things.

“... *the abysses ...*” refers to the “MURKY VOID” inside the attribute “NON DIVINE”, seen from “THE DIVINE DOMAIN”.

“... *Among all these I sought a resting place; I sought in whose inheritance I should abide. ...*” is said to lead to understand that, it is among creatures into existence in this “Plane Below” that “THE DIVINE FORCE” has sought the “PURE AND HOLY” creature in which SHE will lodge, in which SHE will settle down and live.

“... *Make your dwelling in those who are “PURE AND HOLY”, and receive your inheritance in those who remain faithful to ME ...*” is said to lead to understand that, it is only in those creatures who are “PURE AND HOLY”, and consequently “BELOVED OF THE DIVINE” that “THE DIVINE FORCE” settles down. This decree was given to “THE DIVINE FORCE”, after the destructive events that took place in the “Specific Energy ‘CELESTIAL’ Domain”, when SHE left the heights of “HEAVEN” where SHE had dwelt, and where HER throne was in a pillar of cloud. We will describe the unfolding of those destructive events and their actors, as we move forward in the chapters of these writings.

"... From eternity, in the beginning, He created me, and for eternity I shall not cease to exist..."

Is said to lead human creatures to understand that "THE DIVINE WISDOM" is part of "THE DIVINE" who exists within "THE DIVINE" — "THE DIVINE DOMAIN". "THE DIVINE WISDOM" has no beginning because SHE is "THE DIVINE". We have already explained it in the annotation on the call card of "THE DIVINE WISDOM".

"*THE HOLY DWELLING*" refers to the very inside of "THE DIVINE DOMAIN".

"... In 'THE HOLY DWELLING' I ministered before Him ..." is said to lead to understand that in His own days when "THE DIVINE", through "THE DIVINE ARCHITECT AND PROJECT MASTER", was designing Himself in an infinite number of ways, by Himself and in Himself, it is "THE DIVINE FORCE" who was accomplishing the implementation of all designs which were established by "THE DIVINE ARCHITECT AND PROJECT MASTER".

"...I was established in 'PURITY'..." is said to lead you to understand that it is only in "PURITY" that "THE DIVINE FORCE" manifest Herself in all Her forms and designations. It is only in "PURITY" that seed of "THE KNOWLEDGE OF THE DIVINE" that was sowed in you, as human creature, will sprout and grow. STAND IN "PURITY" AND HOLD YOUR GROUND IN "PURITY" so that the seed of "THE KNOWLEDGE OF THE DIVINE" that was sowed in you, as human creature, by "THE DIVINE FORCE", can sprout and grow to produce its expected fruits (read more in the section concerning the details of the annotation — Annotation on mountains crowned of odoriferous trees.). To stand in "PURITY" and remain in "PURITY" is the "sine qua non" condition, the condition without which nothing else will be considered or received by "THE DIVINE", IHVH, our FATHER, the condition that is absolutely necessary, which HE request from His creatures. TO STAND IN "PURITY" AND TO HOLD GROUND IN "PURITY" is equivalent to: TO HAVE IN ONESELF "PURE, TRUTHFUL, AND AUTHENTIC LOVE OF 'THE DIVINE'"; which comes down to: TO OBSERVE AND LIVE BY "THE FIRST RULE OF EXISTENCE".

"... the Beloved City ...", *"... the City of Peace ..."*, etc... refer to the city of "THE DIVINE WISDOM", that is "THE DIVINE SUPREME CONFIGURATION" of seven "Divine Particles" and in which "THE DIVINE FORCE" has found Her glory and settled down.

“... In the “Beloved City” likewise he gave me a resting place, and in the “City of Peace” was my dominion. ...”

Is said to lead to understand that in this “DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, which is in the supreme completeness, “THE DIVINE FORCE” has absolute knowledge of all of “THE REASON” governing this “DIVINE SUPREME CONFIGURATION”; it is “THE DIVINE FORCE” who implemented it. “THE DIVINE FORCE” has knowledge of all the products that are produced and those that are consumed in it.

“... So I took root among honored people, in the portion of “THE DIVINE” is my inheritance. ...” is said to lead to understand that, it is in every “PURE AND HOLY” creature that “THE DIVINE FORCE” settles down. It is only in “PURITY” and “HOLINESS” that “THE DIVINE FORCE” acts.

As we have explained at the onset of these writings, the three attributes — “PURITY”, “LIGHT”, and “GOD” — for “THE BODY OF ‘HE WHO IS’”, form that, which is called the Monad of Origin, also called the Triad of origin; that is, the primordial unity which is the source of each of the components of this primordial unity, and these components cannot be separated, but are distinguishable. On the attribute “PURITY” of this Monad of Origin for “THE BODY OF ‘HE WHO IS’”, and which characterizes the first “Core Formative Divine State”, for “THE BODY OF ‘HE WHO IS’”, “HE WHO IS” has established the inheritance of “THE DIVINE FORCE”: *“... in the portion of “THE DIVINE” is my inheritance. ...”*. “THE DIVINE FORCE” is the living incarnation of the attribute “PURITY”, SHE has epithet function in all the accomplishments of “THE DIVINE”, IHVH, our FATHER.

“... ”

I grew up like a cedar of Lebanon, like the cypress on the heights of Hermon.

I grew up like the palm of Ein-Guédi, like plants of rosebushes in Jericho, like a magnificent olive tree in the plain, like a plane tree I grew up.

Like the cinnamon and the acanthus I gave perfume, like choice myrrh I embalmed, like the Galbanum, the Onyx, the labdanum, like the steam of incense in the Tent.

I have deployed my twigs like the Terebinthus, and my reaches are full of grace and majesty.

Like a vine, I produced graceful shoots, and my flowers gave fruits of glory and richness.

...”

This is said to lead to understand that, you as a human creature, are called upon to grow in “THE KNOWLEDGE OF THE DIVINE”, and the only symbol for teaching and that has been put at your disposal is that, which is called: “THE TREE”, or “THE PLANT”, in all its forms. All forms of this symbol for teaching, are truly schematics, representations of the fundamental constituents of a complex divine object, including the functional relationships existing between these constituents, but reduced to the essence of what can be described in the attribute “NON DIVINE”, by manifestations of metaphors and where all the information is given accurately.

When this teaching was given to elder MOSES, the one who received the Tablets of the Decalogue when he was still living on Earth down here, the names of these places — Lebanon, Hermon, Ein-Guédi, Jericho —, which were nearest and most reputed to where he lived, were used to bring human creatures to understand from what is familiar to them; For, how, and with what, with which elements, would you describe what lies outside and above your portion in the “Realm of the ‘THOUGHTS’”?

“...

Come to me, you who desire me; and fill up on my products.

For my memory gently overtakes the honey, and my possession on the honeycomb.

Those who eat me will still be hungry, those who drink me will still be thirsty.

Whoever listens to me will not be ashamed and those who work with me will not sin.

...”

This is said to lead to understand that, ONLY “THE DIVINE FORCE”, in all her forms, has all this information in all their details, and SHE received it from of “THE DIVINE”, IHVH, our FATHER, in order to accomplish also all goals of education of all creatures that will be produced into existence in the attribute “NON DIVINE”. SHE is that TREE, which is in Paradise and under the shadow of which a rider can walk for hundreds of years without ever leaving it, feeding on

“THE KNOWLEDGE OF THE DIVINE” and still asking for more; that is to say, “THE KNOWLEDGE OF THE DIVINE” is unlimited. All those who truly acquire “THE KNOWLEDGE OF THE DIVINE”, the knowledge of the “ins” and “outs” of “THE HOLY PROJECT”, do not commit transgression; for, they stand outside the mist of ignorance.

CHAPTER 194

ANNOTATION ON THE MAXIM OF “THE DIVINE WISDOM”

It is for the purpose to lead human creatures to understand this, and get them to develop their capacity for discernment that the following maxim was given to them:

“...

Blessed is he who has found the “Valued Conjoint”, SHE has much more value than precious pearls.

Her Conjoint has complete trust in Her, HE will not fail to have assets in His house.

She works for the good of Her Conjoint, All the days of her life, She does him good, and not harm.

She seeks wool and flax carefully and Her hands work cheerfully.

She is like merchant ships, she brings her subsistence afar from her home.

When it is still night, she is already standing, preparing for her household the needed food and she distributes tasks to all Her maiden.

She considers a field and buys it. From the “fruit” of her work, she plants a vineyard.

Full with energy, she gets to work and activates Her arms.

She notices that her undertaking functions properly. Her lamp does not turn off at night.

Her hands spin the wool and her fingers weave garments.

She opens her hand to the poor, and reaches out her hands to the needy.

She is not afraid of snow for her household, for all her kinship are clothed with double garments.

She makes herself coverings; her garments are fine linen and crimson.

Her Conjoint is known in the gates of the city; because HE sits with the elders of the land.

She makes linen garments and delivers them; she delivers girdles to the merchant.

Strength and splendour are her adornment, and it is with a smile that She is considering the future.

She opens her mouth with wisdom, and the teaching of kindness is on her tongue.

She ensures the smooth running of her house and does not feed on the bread of the laziness.

Her children, from the moment that they rise up, speak of her blessing; Her Conjoint also, and HE praises her: "Many women have done excellently, but you surpass them all."

Charm is deceitful, and beauty is vain, but a woman who reveres "THE DIVINE" is to be praised.

Give her of the "fruit" of her work! Let extol her at the gates of the city for all that She has accomplished!

..."

The "Valued Conjoint" refers to "THE DIVINE FORCE" under Her designation of "THE DIVINE WISDOM" and Her "Conjoint" refers to "THE DIVINE ARCHITECT AND PROJECT MASTER".

"She works for the good of Her Conjoint, All the days of her life, She does him good, and not harm" is said to lead you to understand that THE MAIN PURPOSE OF "THE DIVINE WISDOM" — "THE DIVINE FORCE", "THE DIVINE WORKER", better known under the name: "THE HOLY SPIRIT" — IS TO BE THE CONJOINT OF "THE DIVINE ARCHITECT AND PROJECT MASTER".

"... She seeks wool and flax carefully and Her hands work cheerfully ..." refers to the work accomplished by "THE DIVINE WISDOM" in the form of "THE DIVINE FORCE".

The "*wool*" refers to the "Specific Atomic 'SPIRIT' Substances" constituents of the "Specific Energy 'SPIRIT' Substances" which is inside "THE SHEKINAH".

The "*flax*" refers to the "Specific Atomic 'LIGHT' Substances" constituents of the "Specific Energy 'LIGHT' Substances" which is inside "THE SHEKINAH".

"... She seeks wool and flax carefully ..." is said to lead you to understand that "THE DIVINE FORCE" will accomplish Her work using appropriate "Specific Atomic 'SPIRIT' Substances" and "Specific Atomic 'LIGHT' Substances" that SHE Herself will select inside "THE SHEKINAH". These appropriate constituent of "THE SHEKINAH" are at the core of all that "THE DIVINE FORCE" will eventually manifest into existence in the attribute "NON DIVINE".

"... She is like merchant ships, she brings her subsistence afar from her home...." refers to products of "THE DIVINE SUPREME CONFIGURATION" of seven "Divine Particles"; the house of "THE DIVINE WISDOM" is "THE DIVINE SUPREME CONFIGURATION" of seven "Divine Particles". It is as a result of application of the proportionality factors (symbolised by "*merchant ships*") that define the laws of change of frame of reference, "THE DIVINE SUPREME CONFIGURATION" of seven "Divine Particles" being "THE ABSOLUTE FRAME OF REFERENCE", "THE FRAME OF REFERENCE OF THE CREATION", for which the particulars of everything in this "DIVINE SUPREME CONFIGURATION" will be preserved by manifestations of metaphors in the attribute "NON DIVINE", that these products are manifested into existence in the attribute "NON DIVINE".

"... When it is still night, she is already standing, preparing for her household the needed food and she distributes tasks to all Her maiden. ..." refers to the myriad of "specific tasks" that "THE DIVINE ARCHITECT AND PROJECT MASTER" has established in order to manifest into existence a metaphor of "THE DIVINE SUPREME CONFIGURATION" of seven "Divine Particles".

These are some of the "specific tasks" that "THE DIVINE FORCE" will distribute to the creatures SHE has created into existence in this attribute "NON DIVINE", so that through their execution, these creatures can grow in "THE KNOWLEDGE OF THE DIVINE" and thus that "THE DIVINE", IHVH, our FATHER is known.

These are some of the “specific tasks” that “THE DIVINE FORCE” will distribute to the archangels and angels and which must be performed both in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, and outside of this “Specific Energy ‘EARTHLY’ Habitation Domain” and throughout the attribute “NON DIVINE”.

These are some of the “specific tasks” that “THE DIVINE FORCE” will distribute to the human creatures that SHE chose to take part in the realization of “THE HOLY PROJECT” in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, by serving as “LIGHT” to other human creatures who need HER but do not know how to go to HER.

מְרַבֵּה

“... She considers a field and buys it. From the “fruit” of her work, she plants a vineyard...” refers to projects that are established by “THE DIVINE ARCHITECT AND PROJECT MASTER” and that “THE DIVINE WISDOM” will perform (*“plants a vineyard”*) into existence in well-defined areas of the attribute “NON DIVINE”.

“... Full with energy, she gets to work and activates Her arms. ...” is said to lead you to understand that “THE DIVINE FORCE” never get tired, SHE do not have “rest” (which is a concept that “THE DIVINE ARCHITECT AND PROJECT MASTER” has established to be applied to the creatures that “THE DIVINE FORCE” will create into existence in this attribute “NON DIVINE”). Once “THE DIVINE FORCE” has received instructions from “THE DIVINE”, then, SHE accomplished it.

“... She notices that her undertaking functions properly. ...” is said to lead you to understand that the “SPECIFIC SUPREME CONFIGURATION” of the “Specific Generative Energy ‘EARTHLY’ Domain” and six “Specific Formative Energy ‘EARTHLY’ Domains”, which is the manifestation, in the attribute “NON DIVINE”, of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, works as it should.

“... Her lamp does not turn off at night...” is said to lead you to understand that “THE DIVINE LIGHT”, “THE DIVINE WISDOM” withers not, SHE is eternal and always present.

“... Her hands spin the wool and her fingers weave garments ...” refers to the structures of the “Specific Energy ‘SPIRIT’ Substance” and to the structures of the “Specific Energy ‘LIGHT’ Substance” that “THE DIVINE FORCE” will build

respectively from the “Specific Atomic ‘SPIRIT’ Substances” and from the “Specific Atomic ‘LIGHT’ Substances” that SHE has selected inside “THE SHEKINAH”.

“... *She opens her hand to the poor, and reaches out her hands to the needy...*” is said to lead to understand that, it is “THE DIVINE FORCE” who comes to help to human creatures. The “needy” or even “poor” refers to the human creature who will be robbed of his wealth by the celestial creatures; We shall explain this in another section of this BOOK.

“... *She is not afraid of snow for her household, for all her kinship are clothed with double garments...*” is said to lead you to understand that all (animated) living creatures that “THE DIVINE FORCE” creates into existence in the attribute “NON DIVINE”, are based on the “INDISTINCT DIVINE FORM” model, and of which manifestations of metaphors are protected by an external envelop.

A “INDISTINCT DIVINE FORM” is constituted by a double structure, that of the “EON” which is associated to it:

- The internal structure of the “EON” is akin to “THE DIVINE FORCE”, one says that it is the kinship of “THE DIVINE FORCE”; in human creatures, the manifestation of a metaphor of this internal structure of the “EON” is at the basis of that, which is called “THE SOUL” and which is “The ALTAR of ‘THE DIVINE’” which is inside the human creature (we shall explain this in another section).
- The external structure of the “EON” covers and protects the internal structure of the “EON”; this external structure is thus a garment for the internal structure of the “EON”, and it is likewise with the manifestation of its metaphor which is a garment for the manifestation of the metaphor of the internal structure of the “EON”.

The external envelop which covers and protects the entire manifestation of the metaphor of the “INDISTINCT DIVINE FORM” is also a garment for this manifestation, and therefore a garment on the clothing of the manifestation of the metaphor of the internal structure of the “EON” that is associated with the “INDISTINCT DIVINE FORM”: those are the “*double garments*” of the household of “THE DIVINE FORCE”.

“... *She makes herself coverings; her garments are fine linen and crimson....*” is said to lead you to understand that, it is “THE DIVINE FORCE” who ensures the

protection of any creature that is “PURE” (symbolized by the “*fine linen*”) and “HOLY” (symbolized by the “*crimson*”).

“... *Her Conjoint is known in the gates of the city; because HE sits with the elders of the land...*” is said to lead you to understand that, it is the Conjoint of “THE DIVINE FORCE” who designed “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”.

The “*city*” also refers to the manifestation into existence in the attribute “NON DIVINE”, of the metaphor of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, that is, in the “SPECIFIC SUPREME CONFIGURATION” of the seven “Specific Energy ‘EARTHLY’ Domains”, designed in the proportions of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”; and especially the habitation domains which are in there.

The “*gates of the city*” refers to everything that leads and allows access to the knowledge of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, to the knowledge of “THE DIVINE FORCE”. These “*gates of the city*” are among others: “PURITY”, “HOLINESS”, “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”, and the place where these “*gates of the city*” are located, is inside “The ALTAR of ‘THE DIVINE’” which is inside you.

“... *Strength and splendour are her adornment, and it is with a smile that She is considering the future...*” is said to lead you to understand that the “*Valued Conjoint*” is “THE DIVINE FORCE”; SHE possess the knowledge of the supreme completeness of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”.

“... *She opens her mouth with wisdom, and the teaching of kindness is on her tongue...*” is said to lead you to understand that “THE DIVINE FORCE” possesses the knowledge of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, of its “REASON” and of all its products, and it is with pleasure that SHE teaches to all Her creatures who have recognized Her and who walk with HER.

“... *She ensures the smooth running of her house and does not feed on the bread of the laziness...*” is said to lead you to understand that the manifestation into existence in the ‘attribute “NON DIVINE” of the metaphor of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” — that is, of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, that is, in the

“SPECIFIC SUPREME CONFIGURATION” of the seven “Specific Energy ‘EARTHLY’ Domains”, designed in the proportions of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” — is under Her authority and SHE is always at work.

“... *Her children, from the moment that they rise up, speak of her blessing...*” is said to lead you to understand that, from the moment that they rise up in the morning, all Her creatures who have recognized her, extol her and testify about the work SHE has done and continues to do.

It is here about the “PRAISE of the DIVINE” that you must celebrate from the awakening at the first “transformation sub-step” when the products of the “specific work” accomplished by the “Specific Generative Energy ‘EARTHLY’ Domain” start to continuously enter the “Specific Septenary Equilibrium Zone” of the first “Specific Formative Energy ‘EARTHLY’ Domain” with respect to the “Specific Generative Energy ‘EARTHLY’ Domain”.

As noted in a previous annotation, in this earthly world in which live human creatures, this first “transformation sub-step” begins at the moment marked by 05h00 on our timetables grid.

It is at that time that the archangels and angels who have been selected, enter inside the first “Specific Energy ‘EARTHLY’ Habitation Domain” singing Praises to “THE DIVINE”, IHVH, our FATHER, and to perform among other the “specific tasks” of displacement of “Specific Atomic ‘EARTHLY’ Substances” that “THE DIVINE FORCE” would have assigned to them.

It is also at that time, 05h00 on our timetables grid, which marks the beginning of the morning, that one starts to celebrate the “PRAISE of the DIVINE”, and to express gratitude for this beautiful Project that “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed and that “THE DIVINE FORCE” has undertaken to carry out on His instructions.

CANTICLE:

“...

We express our gratitude to “THE DIVINE”! We express our gratitude!

We express our gratitude, it is for His LOVE!

*From the early morning the birds sing Praises to God the creator!
(birds make reference to the archangels and Angels when they
descend in this earthly world)*

*And you, my soul? (wonders the human who is sleeping in bed and
who heard these songs of Praise)*

*And you, my soul, why would you not sing love song FOR the only
HOLY BEING?*

*And you, my soul? (wonders the human who is sleeping in bed and
who heard these songs of Praise)*

*And you, my soul, why would you not sing love song FOR GOD THE
CREATOR?*

...”

As “THE DIVINE”, IHVH, our FATHER created Her, “THE DIVINE FORCE” transcends the attribute “NON DIVINE” and all that it contains.

“... Give her of the “fruit” of her work! Let extol her at the gates of the city for all that She has accomplished!...” is a call to human creatures, asking them to embrace “PURITY”, “HOLINESS”, and “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”, so that the seed of “THE KNOWLEDGE OF THE DIVINE” that “THE DIVINE FORCE” placed in you can germinate and grow inside of “The ALTAR of ‘THE DIVINE’” which is inside your ““SPIRIT←LIGHT” Body”.

CHAPTER 195

ANNOTATION ON THE STAGES OF GROWTH OF THE "SPECIFIC ENERGY 'SPIRIT' SUBSTANCE" IN "THE KNOWLEDGE OF THE DIVINE"

It is of this, that ENOCH, of whom METHUSELAH is the descendant, wanted human inhabitants of this earthly world to understand, when he said in his writings:

"...

All those who dwell in heaven know what happens there. (...)

They look at the Earth, and suddenly they know everything that is happening there since the beginning, and until the end.

They see that each of the creations of "THE DIVINE" invariably follows the path that has been laid for it.

They behold summer and winter; perceiving that the whole earth is full of water; and that the cloud, the dew, and the rain refresh the temperature.

They consider and behold how every tree crowns of leaves; how it then, loses them afterwards, with the exception of fourteen privileged trees which remain evergreen, and which during several winters present the appearance of the spring.

..."

"... They look at the Earth, and suddenly they know everything that is happening there since the beginning, and until the end ..." refers to understanding of "THE TRUTH" inaccessible and inscrutable, invisible, inside the "Specific Energy 'SPIRIT' Substance", and of which they understand from what is accessible and visible, outside the "Specific Energy 'SPIRIT' Substance" and that "THE DIVINE

FORCE” created into existence, in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, for this purpose: bring Her creatures to discern and understand by themselves, the inaccessible from the accessible.

“... each of the creations of “THE DIVINE” invariably follows the path that has been laid for it ...” refers to the Governing Law of the Behavior, the manifestation of “The Walk within the Acronym IHVH”, and also to “THE SUPREME COMPLETENESS” of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” — “THE ABSOLUTE FRAME OF REFERENCE”. Although *“all those who dwell in heaven”*, until the release of this writings that you are reading right now, knew not about the existence of Governing Law of the Behavior and knew not about “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, since they had failed to understand these things from the teachings that “THE DIVINE FORCE” used to give them during their upbringing, they were afterwards able to understand, through observation, that *“... each of the creations of “THE DIVINE” invariably follows the path that has been laid for it ...”*. We shall write further about “THE SUPREME COMPLETENESS” in another section below.

“... the summer ...” refers to the presence of a sufficient degree of presence of “THE SPECIFIC SPIRITUAL FORCE OF LIFE” in the “Specific ‘SPIRITUAL’ Environment” external and immediate around the “Specific Energy ‘SPIRIT’ Substance”. It is this degree of presence of “THE SPECIFIC SPIRITUAL FORCE OF LIFE” that acts as a catalyst to enable the provision of the temperature and the enlightenment intensity which are necessary for the passage of the steps of “‘SPIRIT’ specific supply of subsistence” for the following development of the plant of “THE KNOWLEDGE OF THE DIVINE”.

“... the winter ...” refers to the absence of a sufficient degree of presence of “THE SPECIFIC SPIRITUAL FORCE OF LIFE” in the “Specific ‘SPIRITUAL’ Environment” external and immediate around the “Specific Energy ‘SPIRIT’ Substance”. It is then, that the temperature and the enlightenment intensity which are necessary for the passage of the steps of “‘SPIRIT’ specific supply of subsistence” for the following development of the plant of “THE KNOWLEDGE OF THE DIVINE” will not be provided as it should.

“... the cloud, the dew, and the rain ...” refer to the factors and conditions of growth and through which “THE SEAT OF THE INTELLECT” inside the “Specific Energy ‘SPIRIT’ Substance” will develop capacities, faculties, and all the internal

and autonomous “specific processes”. This will be done through the daily tasks that “THE DIVINE ARCHITECT AND PROJECT MASTER” has established that “THE DIVINE FORCE” will assign to the creatures throughout execution of “THE HOLY PROJECT”.

“... *They consider and behold how every tree crowns of leaves ...*” refers to the growth stages of the plant of “THE KNOWLEDGE OF THE DIVINE” which is inaccessible and inscrutable, invisible, and which is inside the “Specific Energy ‘SPIRIT’ Substance”.

“... *how it then, loses them afterwards ...*” refers to the abnormal development of the plant of “THE KNOWLEDGE OF THE DIVINE”, that is, to “THE SEAT OF THE INTELLECT” inside the “Specific Energy ‘SPIRIT’ Substance” losing what it has acquired of “THE KNOWLEDGE OF THE DIVINE”. This occurs when “THE SEAT OF THE INTELLECT” stands in “IMPURITY”, while it is prone to the Governing Law of the Behavior, the manifestation of “The Walk within the Acronym IHVH”.

“... *with the exception of fourteen privileged trees which remain evergreen, and which during several winters present the appearance of the spring ...*” refers to those chosen (i.e., privileged, also called “CHOSEN ONES”) creatures of “THE DIVINE”, IHVH, our FATHER; those chosen creatures in whom “THE SEAT OF THE INTELLECT” stands in “PURITY”, who grew in “THE KNOWLEDGE OF THE DIVINE” and have reached the completion stage of “THE KNOWLEDGE OF THE DIVINE”, which was given to them by “THE DIVINE FORCE”. Those chosen creatures do not lose their assets gained in “THE KNOWLEDGE OF THE DIVINE”, which was given to them by “THE DIVINE FORCE”, despite the harsh and difficult factors and conditions of growth in which they are living. They always remain in “PURITY” and keep in them the blessings, “GRACE”, (i.e. remain evergreen and present the appearance of the spring) which they have received from “THE DIVINE”, IHVH, our FATHER.

In the celestial numbering the number fourteen is used to indicate and to symbolically mark the end of acquisition of “THE KNOWLEDGE OF THE DIVINE”, defined for a specific purpose and in a very specific framework.

יצירה נארה ספר

ANNOTATION ON THE PARTICULARS OF “PURE,
TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE
DIVINE.’”

Later during the course of “THE HOLY PROJECT”, this will be explained to humans through a descendant of Sira, in these terms:

“PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” is eminent of that, which is called “WISDOM”; “THE DIVINE”, IHVH, our FATHER gives a share to those with whom HE wants to let Himself seen.

*“PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”
rejoices the heart, giving gladness, joy, and long life.*

*“PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”
is a gift of “THE DIVINE”; because it perseveres on His ways.*

He who possesses a high enough degree of presence of “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” in the “Specific ‘SPIRITUAL’ Environment” external and immediate around him will have a happy ending; on the day when his

“‘SPRITUAL’ Body” will leave the “Garment of ‘SPRITUAL’ Body”, he will be blessed.

That which is called “WISDOM” begins with “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”: it is created with each faithful in the womb.

“PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” has built its nest among humans, foundation of eternity: it will be faithful to their descendants.

“WISDOM” is accomplished in “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”; it exhilarates with its “fruits”.

“PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” will fill their homes of desirable assets, and their granaries, with its products.

“WISDOM” is crowned by “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”, flowering with peace and perfect health. The one and the other are gifts of “THE DIVINE” which lead to happiness, a just honour blooms those who love “THE DIVINE”.

“WISDOM” spreads like a wavy of science and advised knowledge, it exalts the glory of those who possess it.

“WISDOM” takes roots in “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”, and its antler is long life.

“PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” drives away sins, and he who attaches himself to it turns back all anger.

...”

In the Scriptures that humans possess, they have used the word “FEAR” (of The Lord) instead of “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”, and it is not correct to do so. We shall explain this in another section.

“FEAR” ensues from “distress signals” emitted by internal structures of a creature that is in a state of “CHAOS”, contrary to the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”. “FEAR” does not exist in “THE DIVINE”, IHVH, our FATHER and it does not exist in a creature filled with “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”.

CHAPTER 197

ANNOTATION ON THE PARABLE OF THE WEDDING FEAST

CHRIST had illustrated this using the parable of the wedding feast; This parable as all the other parables that HE had given to humans, has its origin in the “Specific Energy ‘CELESTIAL’ Domain” and explains these events which took place at the announcement of the “Second Phase” of the realization of “THE HOLY PROJECT”.

It was roughly in these words that CHRIST had issued this parable of the wedding feast:

“...

The kingdom of Heaven may be compared to a king who gave a wedding feast for his son.

He sent his servants to call those who were invited to the wedding feast, but they would not come.

Again He sent other servants, saying:

“

Tell those who are invited: I have prepared my dinner, my oxen and my fat calves have been slaughtered, and everything is ready. Come to the wedding feast.

”

But they paid no attention and went off, one to his farm, another to his business, while the rest seized his servants, treated them shamefully, and killed them.

At this news, the king was angry, and He sent his troops, and placed these murderers under arrest pending to destroy them.

“The ALTAR of ‘THE DIVINE’”, beforehand created by “THE DIVINE ARCHITECT AND PROJECT MASTER”, and who is alive inside “THE SHEKINAH”, and having received the “MALE” adjective, is also called “THE SON” (of “THE DIVINE”). Similarly any seed of “The ALTAR of ‘THE DIVINE’” is always referred to as “THE SON” (of “THE DIVINE”). It is this “son [of Man]”, that it is about, as extracted part from “The ALTAR of ‘THE DIVINE’” and which will be used in the creation into existence of the human creature as a manifestation of the metaphor of “THE UNION” of the “‘LIGHT’ Divine State” and the “‘SPIRIT’ Divine State”.

The “servants” refers to the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who have not openly rejected “THE DIVINE”, but who have lost their status of “CHILD” of “THE DIVINE”. In a following section, we shall explain why these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” are called “servants”.

The “guests” also refers to “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” in general and who have been “spoken” into existence inside the “Specific Energy ‘CELESTIAL’ Domain”.

“... Again He sent other servants, saying: ‘Tell those who are invited: I have prepared my dinner, my oxen and my fat calves have been slaughtered, and everything is ready. Come to the wedding feast.’...”

Refers to all forms of “THE KNOWLEDGE OF THE DIVINE”, that “THE DIVINE FORCE” had planned to manifest into existence in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, during the course of the “Second Phase” of “THE HOLY PROJECT”, in order to rectify the deficiency of “THE KNOWLEDGE OF THE DIVINE” that had taken place in “THE SEAT OF THE INTELLECT” in the “‘SPIRIT←SPIRIT’ Body” of “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” in the “Specific Energy ‘CELESTIAL’ Domain” inside the attribute “NON DIVINE”.

“... But they paid no attention and went off, one to his farm, another to his business, while the rest seized his servants, treated them shamefully, and killed them ...”

Refers to the open conflict that took place in the “Specific Energy ‘CELESTIAL’ Domain”, and also to all the series of shenanigans (all kinds of monkey businesses) that the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” in the “Specific Energy ‘CELESTIAL’ Domain”, will plan in order to destroy their following.

“... *the guest who had no wedding garment* ...” refers to rebel “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, empty of “THE KNOWLEDGE OF THE DIVINE”, and who, moreover, had been dismissed from office in the “Specific Energy ‘CELESTIAL’ Domain”.

CHAPTER 198

ANNOTATION ON THE PARABLE OF THE GRAIN OF MUSTARD

CHRIST had already explained this to humans when HE told them the parable of a grain of mustard seed. As answer to the question “*Tell us, to what the Work of GOD is comparable to?*” that his disciples had asked him, CHRIST, when he lived in this Earthly world, had explained this, saying:

“

The Work of GOD is like a grain of mustard. It is the smallest among all the seeds, but when it falls on the tilled ground, it produces a large tree and becomes a shelter for the birds of the heaven.

“

The “*grain of mustard*” refers to the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model.

The “*tilled ground*” refers to the “Specific ‘EARTHLY’ Garment” of the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model.

“... *it produces a large tree* ...” refers to the plant of “THE KNOWLEDGE OF THE DIVINE” that each “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” into existence in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, is called upon to grow in their “‘SPIRIT←LIGHT’ Body”.

The “*birds of the heaven*” refers to the elders of the creation, that is, the angels and archangels, who live in the “Specific Energy ‘CELESTIAL’ Domain”.

“... to become a shelter for the birds of the heaven ...” means to ensure the “Causal Precedence Relation of ‘THE PRAISE’” and:

“CARRY THE PRESENCE OF ‘THE SHEKINAH’ — THE PURE LIGHT OF ‘THE ALTAR OF THE DIVINE’ WHICH IS INSIDE ‘THE SHEKINAH’, AND WHICH IS SOURCE OF LIFE PURE AND HOLY — IN VERY REMOTE PLACES FROM ‘THE SHEKINAH’”.

And thus be a source of “fruits” of “THE TREE OF LIFE” which are necessary for the angels and archangels present in the “specific spiritual formation” of “THE CHURCH” manifested from the “‘SPIRIT←LIGHT’ Body” intellect, pure and Holy, of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, in these remote domains from the “Specific Energy ‘CELESTIAL’ Domain”.

CHAPTER 199

ANNOTATION ON THE EXTENT OF THE SCOURGE OF ABSENCE OF “THE KNOWLEDGE OF THE DIVINE” WITHIN “THE CELESTIAL HOST” AND ITS EXTREME UPHEAVAL

Among the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” that have openly rejected “THE DIVINE”, IHVH, our FATHER and all that HE is, who were emptied of “THE KNOWLEDGE OF THE DIVINE” and whose “‘SPIRIT←SPIRIT’ Body” were broken in pieces, was AZAZEL, their leader, who has gathered anew his cohort of supporters outside and in front of the “CELESTIAL TABERNACLE”.

Therefore, taking advantage of the little knowledge that he had acquired when he was still in office as well as some details he received of the Archangel MICHAEL concerning the new creature that was to be created into existence in the “Plane Below”, and to serve its own obscure purposes products of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, in the total absence of “THE KNOWLEDGE OF THE DIVINE”, AZAZEL whose “‘SPIRIT←SPIRIT’ Body” was fractured, cracked and broken, and in a very advanced state of “CHAOS”, contrary to the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”, began to utter insulting accusations against “THE DIVINE”, IHVH, our FATHER, and in front of a crowd of elders of the creation delighted to listen to the “IMPURE” products of the work accomplished by the “‘SPIRIT←SPIRIT’ Body” of AZAZEL, saying to “THE CELESTIAL HOST”:

“ ...

How can you believe your perceptions?

IHVH would have you believe that we are but a layer of all His wonders.

Shall I tell you what I know? These “humans” that He proposes to create — we are to be their servants!

I have learned the Elohim’s purpose for these angels of water and dirt. It is they, and not we, He proposes to make the heirs of all that is.

I for one will never bow to serve a physical being!

Why should I, a child of IHVH, a creature of spirit, use my superior hands and mind to minister to the needs of a lesser creation?

The Throne is falling under Its own weight, and we can see the evidence plainly enough before us!

Who, then, will stand with us? Who will throw off the bondage we have endured for so long, and leave behind this obsolete LEADERSHIP?

Who is strong enough to join me? Let him rise now, or evermore be a servant to both IHVH and human!

...”

“... IHVH would have you believe that we are but a layer of all His wonders. ...”

Do you recall what we have indicated about the meaning of the word “EARTH”? The reference to that place (level, layer) “deep inside” the “THRONE” and where KNOWLEDGE of those causes and the consequences associated with the manifestation by metaphor of the movement of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, which is established and directed from the “THRONE”, is kept? Well, in the same way as “THE DIVINE FORCE” has revealed this knowledge to “He who wrote the book”, similar knowledge, related to the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and the “Plane Above” in which they were “spoken” into existence, was also revealed by “THE DIVINE FORCE” to these “ADONA’IM” after the announcement of the “Second Phase” of the implementation of “THE HOLY PROJECT”.

“THE DIVINE”, IHVH, our FATHER had made it clear, through “THE DIVINE FORCE”, to the “ADONA’IM”, the three core “Divine States” and HE made them understand that the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” were all manifestations in a metaphor of the “‘SPIRIT’ Divine State”; but AZAZEL and several others had refused to accept this.

Having failed to discern “THE ONE” from whom they originate, though they were all manifestations of the metaphors of the “DIVINE PRIMARY WEALTH” of HIM, not being aware of the existence of “THE DIVINE FORCE” who educated them through the process of education through enlightenment, not knowing how and why they were produced into existence, it is so that these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, in their “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, thought to be the only ones to exist, and they believed themselves to be without beginning, because they saw nothing else that existed before them. They saw themselves as been in the “‘GOD’ Divine State” in which the “LIGHT” is produced.

After the announcement of the “Second Phase” of the implementation of “THE HOLY PROJECT”, in their depths of “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, not aware that they were in total deficiency of “THE KNOWLEDGE OF THE DIVINE”, not having ever had an unfulfilled desire since each of them was “spoken” into existence in the “Specific Energy ‘CELESTIAL’ Domain”, they “had found themselves in the middle of nightmares and confusing dreams” when they came to understand that they are merely manifestations in a metaphor of the “‘SPIRIT’ Divine State” and that: “... *None amongst them, who are elders of the creation, but a new creature will receive and carry the manifestation of “THE UNION” ...*”

As we have also already indicated in relation to the model of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, all temporal information concerning the state of the growing medium, which is the combined set formed by “THE SEAT OF WISDOM” (also called “THE GARDEN OF WISDOM”, the growing medium of “WISDOM”) and “THE SEAT OF THE INTELLECT” (also called “THE GARDEN OF THE INTELLECT”, the growing medium of “THE INTELLECT”) — among other things, the state of “PURITY” and “HOLINESS”, as well as the temperature and the enlightenment intensity —, as well as the state of this plant of “THE KNOWLEDGE OF THE DIVINE”, all this information based on “THE ‘SPIRIT’ REASON”, which are only visible by “THE EYE OF THE DIVINE”, are contained and transported by the action signals which are produced by “THE SEAT OF THE INTELLECT”.

The attributes of this information are contained and transported in the “unique words”, and their tones, of the “Specific ‘SPIRIT’ Language”. The “Specific ‘SPIRIT’ Language” becomes, as such, a window into “THE SEAT OF THE INTELLECT”, and the hidden information that it contains can be “discerned” (i.e., “read” in the “Specific ‘SPIRIT’ Language”) when the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” will emit these words and expressions, in their tones,

during its communications and interactions with the “Specific ‘SPIRITUAL’ Environment” external and immediate around it.

The words in the expressions of the “Specific ‘SPIRIT’ Language”, in their tones, which will be used by a “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, and will be based on “THE ‘SPIRIT’ REASON”, will be indicative of all this internal information which is visible only by “THE EYE OF THE DIVINE”. The metaphors of this internal information will be precisely what will be made manifest in the “Specific ‘CELESTIAL’ Environment”.

You know already about this transfer of information, under the saying: “*out of the abundance—the overflow—of the heart, the mouth speaks*”.

So it is that the ex-public figure of the circle of the “ADONA’IM”, in his bitterness of a “pampered child” who did not get what he wanted, uttered into existence that, which was in abundance in “THE SEAT OF THE INTELLECT” inside his “‘SPIRIT←SPIRIT’ Body”.

“...Shall I tell you what I know? These “humans” that He proposes to create — we are to be their servants! ...”

It is in front of “THE SHEKINAH” and when “THE UNION” is manifested, that these “ADONA’IM”, and subsequently all the remaining “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, celebrate “THE PRAISE” and receive each, seven times their daily quantity of raw “‘SPIRIT’ specific supply of subsistence” so that they can carry out the weekly tasks that will be entrusted to them. Furthermore, from the teachings, which these “ADONA’IM” had received from “THE DIVINE FORCE”, through the “specific spiritual formation” of “THE CHURCH” from “THE SHEKINAH”, they have understood that “... *None amongst them, who are elders of the creation, but a new creature will receive and carry the manifestation of “THE UNION” ...*”.

They have understood that it will now be in front of the “new creature” (that is to say, in front of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, and that is to say, in front of you, human creature, reading these writings) that they will celebrate “THE PRAISE” and through the “new creature” (that is to say, through the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, and that is to say, through you, human creature, reading these writings), they will receive each, seven times their daily quantity of raw “‘SPIRIT’ specific supply of subsistence” so that they can carry out the weekly tasks that will be entrusted to them.

Since these “ADONA’IM” viewed their office in the task of “THE GUARDIANSHIP OF THE SHEKINAH” in the “specific spiritual formation” of “THE CHURCH” from “THE SHEKINAH” as being “in service” of “THE DIVINE”, IHVH, our FATHER, they have inferred that they will now be “in service” of the “new creature” (that is to say, “in service” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, and that is to say, “in service” of you, human creature, reading these writings).

Since these “ADONA’IM”, in their delusions of grandeur, had defined orders of importance to the manifestations of metaphors of “DIVINE PRIMARY WEALTH” and classification scale in their hierarchy of communication of ordinances of the “specific spiritual formation” of “THE CHURCH” from “THE SHEKINAH”, they have understood that all of them, “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, are on a lower classification scale than the “new creature” (that is to say, they are on a lower classification scale than the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, and that is to say, they are on a lower classification scale than you, human creature, reading these writings).

“... I have learned the Elohim’s purpose for these angels of water and dirt. It is they, and not we, He proposes to make the heirs of all that is. ...”

Just as all the others “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, AZAZEL had no knowledge about the ins and outs of “THE HOLY PROJECT”; that is, what justified and has been at the origin of “THE HOLY PROJECT” in which manifestations in the attribute “NON DIVINE”, of metaphors of the “DIVINE PRIMARY WEALTH”, that “THE DIVINE” has chosen to share with the attribute “NON DIVINE”, will be “spoken” into existence: the “who”, “what” and “why”, that will represent all of the ins of “THE HOLY PROJECT”, and the “when”, “where” and “how” that will represent all the outs of “THE HOLY PROJECT”.

From the teachings, which these “ADONA’IM” had received from “THE DIVINE FORCE”, through the “specific spiritual formation” of “THE CHURCH” from “THE SHEKINAH”, they have understood that “THE DIVINE”, IHVH, our FATHER is “ALL THAT IS”, another designation for “HE WHO IS”. They have understood that the “key layer”, which is the “LIFE” imprint of “THE DIVINE”, IHVH, our FATHER is designated as “THE LIGHT”, which we have explained at the onset of these writings. “THE LIGHT” characterizes the Energy that emanates from “THE BODY OF ‘HE WHO IS’” and makes it “ALIVE”. That energy is the “LIFE” imprint of “THE BODY OF ‘HE WHO IS’”.

They have understood that they are not manifestations of the determinants of “THE LIGHT” layer, but they, “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, have only epithet functions in the manifestations of the determinants of “THE LIGHT” layer. Furthermore, they have understood that a manifestation of a metaphor of “THE LIGHT” — of the “‘LIGHT’ Divine State” (the “key layer”, which is the “LIFE” imprint of “THE DIVINE”, IHVH, our FATHER”), which is the child of the attribute “GOD”, and which they have all failed to understand what it was —, will be given to the “new creature” (that is to say, to the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, and that is to say, to you, human creature, reading these writings).

This makes the “new creature” (that is to say, the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, and that is to say, to you, human creature, reading these writings) the “RECIPIENT” of the manifestation of the determinant of “THE LIGHT” layer. Such “RECIPIENT” of the manifestation of the determinant of “THE LIGHT” layer is designated as the “HEIR” of “THE LIGHT” layer. Through several implications and additional functionalities, which we have described in the chapters concerning the model of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” and, which will give to such “RECIPIENT”, the qualities and traits transmitted directly by “THE DIVINE”, IHVH, our FATHER, and from which such “RECIPIENT” will perpetuate the work of “THE DIVINE”, IHVH, our FATHER, it is thus that such “RECIPIENT” will also be designated as: the “HEIR” of “ALL THAT IS”. This is what the ex-public figure of the circle of the “ADONA’IM” was disclosing loudly in his bitterness in front the crowd of those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”.

In his delusions of grandeur and in view of the teachings that “THE DIVINE FORCE” has revealed with the achievement of this second decree of the implementation of the “Second Phase” of “THE HOLY PROJECT”, the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” inside AZAZEL has saddened and was whinnying frantically, since it knows nothing about “THE DIVINE”: this “ADONAI”, ex-public figure of the circle of the “ADONA’IM”, was in pain and it has amplified his basic personality, just like it is with someone intoxicated by strong alcohol, offering up brutally honest, unfiltered truths, which he has kept hidden inside himself; of this, it is said that: “What soberness conceals in his heart, drunkenness reveals through his tongue”.

These “ADONA’IM”, indeed, know very well the truth about who you (human creature) are: they all know very well and they have understood that you (human creature) are above all of them, “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”. In their bitterness, and perched at the heights of their “HUBRIS” of manifestations

of metaphors of “DIVINE PRIMARY WEALTH”, these “ADONA’IM” rejected the truth and twisted it, and started this ongoing “CELESTIAL WAR”.

As we indicated in another annotation, a replica of that situation, in which these “ADONA’IM” found themselves, is that which you see, time over time, manifested amongst human creatures and their direct offspring, when those offspring have love only for the “earthly wealth” that their ascendants have accumulated throughout their years of existence, and those offspring have no love at all for those ascendants themselves. Once these elders offspring hear the “happy news” from their ascendants, informing them that a new offspring is on the way “to be born” imminently, and of course it goes without saying that the new one will receive part of that “earthly wealth”, the elders ones, blinded by their absence of love for their ascendants and thinking that the “to be born” offspring will be heir of that “earthly wealth” they are yearning, they start to set in motion all sorts of ambush in order to disinherit and to get rid of the “to be born” offspring.

Such was the situation in which “THE DIVINE”, IHVH, our FATHER, and “THE DIVINE FORCE”, had found themselves with these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, elders of the creation.

In themselves, all these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had NO and have NO “PURE, TRUTHFUL, AND AUTHENTIC LOVE” for “THE DIVINE”, IHVH, our FATHER; they do not know what it is and they were only after the manifestations of metaphors of HIS “DIVINE WEALTH”.

“... I for one will never bow to serve a physical being! ...”

He was talking about their decision to never accept, to never submit to, the ordinances of “THE DIVINE”, IHVH, our FATHER, which were designed and established by “THE DIVINE ARCHITECT AND PROJECT MASTER” and to be provided to them through the “specific spiritual formation” of “THE CHURCH” manifested from the “‘SPIRIT←LIGHT’ Body” intellect, pure and Holy, of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

Basically, he and all his followers chose to “starve” themselves to “DEATH”, they have chosen to “DIE”, without being aware of it, since they have rejected to celebrate “THE PRAISE” in front of the “new creature” (that is to say, the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, and that is to say, you, human creature, reading these writings) and whereby they will receive their raw “‘SPIRIT’ specific supply of subsistence” (the “daily bread” about which CHRIST told to you already, when he indicated how to pray) so that they can carry out the weekly tasks that will be entrusted to them. This tells you about the heights of the

“HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” where these elders of the creation were perched.

In their absence of “THE KNOWLEDGE OF THE DIVINE”, although they had been assigned the task of “THE GUARDIANSHIP OF THE SHEKINAH” in the “specific spiritual formation” of “THE CHURCH” from “THE SHEKINAH”, and everyone in “THE CELESTIAL HOST” could see them standing there around “THE SHEKINAH” and performing that task, they knew not the profound meaning of that task, they had developed no knowledge about what the “specific spiritual formation” of “THE CHURCH” is with respect to “THE DIVINE BODY”.

In truth, as we have already explained, these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” did not really submit themselves to “THE DIVINE”, “THE ONE” from whom they came to exist; they do not know what is “PURE, TRUTHFUL, AND AUTHENTIC LOVE” for “THE DIVINE”, IHVH, our FATHER, they were only after the manifestations of metaphors of HIS “DIVINE WEALTH”.

“Why should I, a child of IHVH, a creature of spirit, use my superior hands and mind to minister to the needs of a lesser creation?”

It is so that, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and in particular the “ADONA’IM” perceived themselves and perceive themselves in their absence of “THE KNOWLEDGE OF THE DIVINE”; they do not know that in the truth, they had graduated in the depths of ignorance, since all of them had sent to oblivion “THE UNALTERABLE VOICE”.

Indeed, none of those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” understood that “THE DIVINE”, through “THE DIVINE FORCE” Herself — “THE HANDS OF THE DIVINE” —, had ministered and provided to their own needs since each of them had been “spoken” into existence in the “Specific Energy ‘CELESTIAL’ Substance”; each of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” being a lesser “inexistent” creature with respect to “THE DIVINE FORCE”.

None of them had been able to discern and to know “THE ONE” from whom they originate and who to them had remained invisible and unapprehendable and inconceivable by elements of “THE ‘SPIRIT’ REASON”.

None of them understood that the new tasks had been assign to them for the purpose to lead them to grow up in “THE KNOWLEDGE OF THE DIVINE” and to understand how “THE DIVINE”, through “THE DIVINE FORCE” Herself — “THE HANDS OF THE DIVINE” —, took care and was taking care of them.

“The Throne is falling under Its own weight, and we can see the evidence plainly enough before us!”

Through this, he was illustrating the depths of absence of knowledge of the ins and outs of “THE HOLY PROJECT”, and in which all these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have sunk.

Having no knowledge of their origin and even of the ins and outs of “THE HOLY PROJECT”, then, they realized that they were not going to have control of the hierarchies of communication with “THE DIVINE” and that would be established from the new human creatures, and this was unbearable for these “ADONA’IM”.

“... Who, then, will stand with us? Who will throw off the bondage ...”

He was thus making reference to the “WORSHIP”, “THE PRAISE” — “specific signals” requesting the sending of external supply of subsistence in order to remain into existence in the “‘SPIRIT’ Specific State” — that the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” emitted towards “THE DIVINE”, through the “Causal Precedence Relation of ‘THE PRAISE’”. Of course, these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, who self-proclaimed themselves to have outgrown in intelligence and wisdom, “THE DIVINE”, IHVH, our FATHER, they knew not about the importance of “THE PRAISE”.

After all the teachings that “THE DIVINE FORCE” had poured abundantly on them for nearly seventy billion years, in “THE FRAME OF REFERENCE OF THE ATTRIBUTE ‘NON DIVINE’” in the attribute “NON DIVINE”, that have defined the “First Phase” of the implementation of “THE HOLY PROJECT”, and during which all the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had been “spoken” into existence, they knew not about the “Causal Precedence Relation of ‘THE PRAISE’”, and they knew not what was taking place during the celebration of the “WORSHIP”, they knew not that their very existence was based upon the receiving of an external supply of subsistence in order for them to remain into existence in the “‘SPIRIT’ Specific State”.

As we have already indicated, it is by this “Causal Precedence Relation of ‘THE PRAISE’”, that every “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” into existence in the attribute “NON DIVINE”, is bound to any manifestation of a metaphor of the “‘SPIRIT←LIGHT’ INDISTINCT DIVINE FORM” into existence in the attribute “NON DIVINE”, and as such would be bound to the new creature, by that, which we have called: the “‘SPIRIT→LIGHT’ CORD OF PRAISE”.

“... Who is strong enough to join me? Let him rise now, or evermore be a servant to both IHVH and human! ...”

It is so that, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” that had not yet grew up in “THE KNOWLEDGE OF THE DIVINE” and were still at the stage of “spiritual childhood”, were induced to the “HUBRIS CHOICE” and graduated in the depths of ignorance.

Now, you should ask yourself why did he say: “*to both IHVH and human*”? Note that he did not include the Archangel MICHAEL in that! Because this ex-public figure of the circle of the “ADONA’IM”, in much the same as all the “ADONA’IM”, including the Archangel MICHAEL, had understood that “both IHVH and human” are above all “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” without exception.

You, as human creature, is the “HEIR” of “ALL THAT IS”. You possess the elements of “THE ‘LIGHT’ REASON”, in order to perpetuate the work of “THE DIVINE”, IHVH, our FATHER. You are akin to “THE SHEKINAH”.

As we have indicated in the previous annotations, it is in front of “THE SHEKINAH” and when “THE UNION” is manifested, that these “ADONA’IM”, and subsequently all the remaining “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, celebrate “THE PRAISE” and receive each, seven times their daily quantity of raw “‘SPIRIT’ specific supply of subsistence” so that they can carry out the weekly tasks that will be entrusted to them.

Being the “HEIR” of “THE DIVINE”, IHVH, our FATHER, it is in front of the “HEIR” (that is to say, in front of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, and that is to say, in front of you, human creature, reading these writings) that all these “ADONA’IM”, including the Archangel MICHAEL, and all “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” MUST celebrate “THE PRAISE” and through the “HEIR” (that is to say, through the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, and that is to say, through you, human creature, reading these writings), they will receive each, seven times their daily quantity of raw “‘SPIRIT’ specific supply of subsistence” so that they can carry out the weekly tasks that will be entrusted to them.

As we have indicated in one previous annotation, consider the illustration below and which you know already about. It is a gross sketch of the outside of “THE SHEKINAH” inside “THE HEAVENLY TABERNACLE”. Inside “THE HEAVENLY TABERNACLE” where “THE SHEKINAH” is placed, everything is very bright, very illuminated, and as such, the illustration below is approximative, yet sufficient to bring you to “get the picture”.

In this illustration, the illuminated portal represents the entry to “THE SHEKINAH”. Inside “THE SHEKINAH”, you have the “Specific Energy ‘SPIRIT’ Substance” and the “Specific Energy ‘LIGHT’ Substance” constituent of “THE SHEKINAH”. The “Specific Energy ‘LIGHT’ Substance” — the First Begotten of “THE DIVINE FORCE” — is behind the “Specific ‘SPIRIT←LIGHT’ Frontier” which is manifested inside “THE SHEKINAH” as an impenetrable wall of “PURE FIRE”. All the figures around and outside of “THE SHEKINAH” would be the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, in their true external appearances (which is not the winged human appearance that they take when they manifest in front of human creatures) and, when they gather every seven day to celebrate “THE PRAISE” and to receive each, seven times their daily quantity of raw “‘SPIRIT’ specific supply of subsistence” so that they can carry out the weekly tasks that will be entrusted to them.

Observe attentively the illuminated portal and the manifestation of “PURE” “LIGHT” coming out of it; it is a representation of the First “Specific Energy ‘SPIRIT←LIGHT’ Bridge”, seen from the outside. You, as human creature and through your “‘SPIRIT←LIGHT’ Body”, are akin to that First “Specific Energy ‘SPIRIT←LIGHT’ Bridge” and NONE of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” is. NONE of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” has that

“Specific Energy ‘LIGHT’ Substance”, but you as human creature and through your “‘SPIRIT←LIGHT’ Body” possess that “Specific Energy ‘LIGHT’ Substance” manifested in you. You, as human creature and through your “‘SPIRIT←LIGHT’ Body”, are a living manifestation of that First “Specific Energy ‘SPIRIT←LIGHT’ Bridge”; you are a living manifestation of “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” —. From now onwards, REMEMBER WHO YOU ARE! REMEMBER YOUR “PLENITUDE”! WRITE IT ON THE TABLE OF YOUR HEART! The struggle that you are waging throughout your existence in this Earthly world in which you currently live is to work to keep this living manifestation of “THE SHEKINAH” in “PURITY” and against all those who have embraced “IMPURITY” and who have rejected “PURITY”.

YOU MUST UNDERSTAND WHO YOU ARE; YOU, HUMAN CREATURE READING THESE WRITINGS! PULL YOURSELF TOGETHER, DRAW YOUR STRENGTH FROM THE “PURITY”, WHICH IS INSIDE OF YOU, AND ACT ACCORDINGLY, IN ORDER TO REFINE YOURSELF IN “PURITY” AND PERPETUATE THE WORK OF “THE DIVINE”, IHVH, OUR FATHER! STAND IN “PURITY” AND HOLD YOUR GROUND!

CHAPTER 200

ANNOTATION ON THE FOURTH AND FIFTH CONCEPTS MANIFESTED THROUGH THE CREATION OF THE “‘SPIRIT←LIGHT’ BODY” OF THE “‘SPIRIT←LIGHT’ ‘EARTHLY’ CREATURE”

Later during the unfolding of the “Second Phase” of “THE HOLY PROJECT”, the elders of the creation will understand this. It is so that, in their “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, and representing themselves to be gods, not knowing where “BEFOREHAND CREATED ENERGY” originate from, thus not being able to “GIVE BODY TO BEFOREHAND CREATED ENERGY DESIGNS” that would be “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, those of the elders of the creation, who had been immersed in the “Specific Energy ‘EARTHLY’ Substance” then, locked underground in “THE DEPTHS OF THE WATERS”, of the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, will take the decision to make their own “creations” through the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” having the “FEMALE” adjective.

It is so that, they designated themselves leaders and it is by using their inner faculties of metamorphosis that these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” transformed their appearances and took those of the husbands of these women and defile themselves with them in order to fill them with particulars of their “‘SPIRIT←SPIRIT’ Body” corrupted by their perversities, and produce hybrids of mixed blood.

It is so that, they will defile and impregnate “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, multiply among them errors, to the point that the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” will offer sacrifices to these evils elders of the creation, which had been immersed in the “Specific Energy ‘EARTHLY’ Substance” then, locked underground in “THE DEPTHS OF THE WATERS”, of the “Specific

Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”.

It is those hybrids of mixed blood of which ENOCH, of whom METHUSELAH is a descendant, reported in his writings when he said:

“...

And it came to pass when the children of men had multiplied that in those days were born unto them beautiful and comely daughters.

And when the angels, children of heaven saw them, they lusted after them; and they said to each other: come, let us choose us wives from among the children of men and beget us children.

Then, Samyaza (AZAZEL), who was their leader, said unto them: “I am afraid that you cannot accomplish your purpose, and I alone shall have to pay the penalty of your crime.”

And they all answered him and said: “Let us all swear an oath, and all bind ourselves by mutual execrations not to abandon this our purpose, but we shall achieve what we have decided.”

Indeed they swore and bound to each other by mutual execrations. They were two hundred, which descended on Aradis, located near mount Armon.

That mountain was called Armon, because it is there that they had sworn and bound themselves by mutual execrations.

Here are the names of their leaders: Samyaza, their leader, Urakabameel, Akibeel, Tamiel, Ramuel, Danel, Azkeel, Sarakmyal, Asael, Armers, Batraal, Anane, Zavebe, Samsavel, Ertael, Turel, Yomyael, Arazeal. Such were the leaders of those angels and the rest were all with them.

And they took unto themselves wives, and each chose for himself one, and they came, and they began to go in unto them and to defile themselves with them¹¹⁷⁰, and they taught them charms and enchantments, and the properties of root and plants.¹¹⁷¹

¹¹⁷⁰ These “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” did not content themselves only with wives of human creatures, but they pushed their iniquities with animals, producing those half-humans, half-animals of which you heard about. Some of those half-humans, half-animals, are still in existence in “THE DEPTHS OF THE WATERS”: those are

And these women became pregnant, and they bare great giants, whose height was three hundred cubits. They were eating all the work that men could produce, and it became impossible to feed them.

Then, they turned against men, in order to devour them.

And they began to throw themselves on the birds, animals, reptiles, and fish, to satiate themselves of their flesh and drink their blood.

And then, the earth laid accusation against the evils ones.

designated as “mermaids”, who survived the “FLOOD” and subsequently propagated their “seed” onto human creatures after the “FLOOD”.

¹¹⁷¹ After the announcement of the “Second Phase” of the implementation of “THE HOLY PROJECT”, these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” were assigned “specific tasks”, which were to be applied later in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”. Through those tasks, they were called upon to learn more about “THE DIVINE”, IHVH, our FATHER and about “THE DIVINE FORCE”, by discerning the invisible knowledge concerning “THE DIVINE”, IHVH, our FATHER and “THE DIVINE FORCE”, and that “THE DIVINE FORCE” has embedded into those tasks. But they have all failed to do so, contenting themselves with the visibles consequences (the tip of the iceberg) associated with performing those tasks. It is the production processes associated with those visibles consequences that they set themselves to teach to human creatures that they each took as wives.

CHAPTER 201

ANNOTATION ON THE DIVISION OF THE MANIFESTATION OF THE “‘EARTHLY’ LANGUAGE”

Later during the implementation of the “Second Phase” of “THE HOLY PROJECT”, the Archangel MICHAEL will use this knowledge and will divide the manifestation of the “‘EARTHLY’ Language”, and it was then, that this “‘EARTHLY’ Language” will be manifested differently according to different groups of “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

The “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, of whom the elements of “THE ‘SPIRIT→LIGHT’ RAISON” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has restricted to “THE SEAT OF THE INTELLECT” will be blocked by the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, and who were already immersed in a state of “CHAOS”, contrary to the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”, even more will be divided between them to reflect these divisions that will occur in the manifestation of the “‘EARTHLY’ Language”.

It is so that, following the “CONTROVERSY” between the Archangel MICHAEL and AZAZEL, this “CONTROVERSY” that had started within the “Specific Energy ‘CELESTIAL’ Domain” about the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” and in which this last will be used as a “scapegoat”, and this “CONTROVERSY” will continue in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, the division of the manifestation of the “‘EARTHLY’ Language” will occur during the fight which will take place at the Tower of Babel.

Following the work of the “HUBRIS” manifested on the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, the Archangel MICHAEL will say:

“...

Behold, they are one people, and they have all one language, and this is only the beginning of what they will do. And nothing that they propose to do will now be impossible for them. Come, let us go down and there confuse their language, so that they may not understand one another's speech!

...”

The “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures” will pin such sayings on “THE DIVINE”, IHVH, our FATHER; but “THE DIVINE” does not demean Himself to argue with His creatures who are full of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, and who in their distorted logic had already declared themselves to have outgrown IHVH in intelligence and wisdom. It is what the “ADONA’IM” have always sought to achieve since the announcement of the “Second Phase” of “THE HOLY PROJECT”, but they have never succeeded in their project.

It is so that, through the “alter ego of names”, and taking themselves as divinities, the “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures” will propagate such impurities among the “SPIRIT←LIGHT” ‘EARTHLY’ Creatures” and these latter will anchor such things in their “SPIRIT←LIGHT” Body” and the “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures” will transform “THE HOLY PROJECT” in an object of mockery.

This is why in the Scriptures that “SPIRIT←LIGHT” ‘EARTHLY’ Creatures” have in their possession, you read things of the kind that is described in the text of the genesis about the Tower of Babel — Genesis 11:1-9 — and in these terms:

“...

Now the whole earth had one language and the same words. And as people migrated from the east, they found a plain in the land of Shinar and settled there.

And they said to one another, “Come, let us make bricks, and burn them thoroughly.” And they had brick for stone, and bitumen for mortar.¹¹⁷²

¹¹⁷² In reality, it is the “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures” who have pushed forward the notion of “brick” and their making and have infused those notions into human creatures who could no longer perceive what was taking place in the “Specific ‘SPIRITUAL’

Then, they said, "Come, let us build ourselves a city and a tower with its top in the heavens, and let us make a name for ourselves, lest we be dispersed over the face of the whole earth."

And the "Lord" came down to see the city and the tower, which the children of man had built.

And the "Lord" said, "Behold, they are one people, and they have all one language, and this is only the beginning of what they will do.

Environment" all around them. Everything concerning the way this has happened, how the "SPIRIT←SPIRIT" 'CELESTIAL' Creatures" have manipulated and still manipulate the human creatures, all this has been recorded: who did what, when, how and where.

"THE DIVINE FORCE" is the ABSOLUTE PURITY, and in that ABSOLUTE PURITY, before the beginning of the implementation of the "Second Phase" of "THE HOLY PROJECT", SHE was unaware that all that knowledge that SHE was giving to "SPIRIT←SPIRIT" 'CELESTIAL' Creatures" would be diverted from their purpose by these same "SPIRIT←SPIRIT" 'CELESTIAL' Creatures" who will then, use it to satisfy the needs of their "HUBRIS" of manifestations of metaphors of "DIVINE PRIMARY WEALTH" and destroy their following who will be the human creature.

It is this knowledge concerning the manipulation of the "Specific Energy 'EARTHLY' Substance" that the "SPIRIT←SPIRIT" 'CELESTIAL' Creatures" in their decay will start transmitting to human creatures in their misery, devoid of knowledge of their own "PLENITUDE" and devoid of "THE KNOWLEDGE OF THE DIVINE", and teach them to make swords, knives, shields, breastplates and mirrors, bracelets and ornaments, the use of painting, the art of painting the eyebrows, using gemstones, and all kinds of dyes.

The "SPIRIT←SPIRIT" 'CELESTIAL' Creatures" in their decay will teach them the making of bricks, of the bitumen, of all kinds of construction materials using stones, metals or alloys, so that mankind was completely corrupted, the "Specific Energy 'EARTHLY' Substance" was completely ransacked. This is what ENOCH, of whom METHUSELAH is the descendant, described in the writings he had left to humans.

Many things concerning the detrimental influence that the "SPIRIT←SPIRIT" 'CELESTIAL' Creatures" in their decay will start transmitting to human creatures, are not reported in the Scriptures that the human creatures have in their possession. The finger is only pointed at the "SPIRIT←LIGHT" 'EARTHLY' Creatures". The "SPIRIT←SPIRIT" 'CELESTIAL' Creatures" attribute all these consequences to the "SPIRIT←LIGHT" 'EARTHLY' Creatures", in the event that they fail through the "alter ego of names" trying to put the responsibility for the actions of their "nefarious and despicable shadow scheming" on "THE DIVINE", IHVH, our FATHER.

But, there is nothing secret that will not be disclosed on the DAY appointed by "THE DIVINE", IHVH, our FATHER, there is nothing hidden that shall not be known and come to light, and all "SPIRIT←SPIRIT" 'CELESTIAL' Creatures" are aware of it.

And anything that they propose to do, will now be impossible for them. Come, let us go down and there confuse their language, so that they may not understand one another's speech!"

So the "Lord" dispersed them from there over the face of all the earth, and they left off building the city.

Therefore its name was called Babel, because there the Lord confused the language of all the earth. And from there the Lord dispersed them over the face of all the earth.

..."

"And the "Lord" said, "Behold, they are one people, and they have all one language, and this is only the beginning of what they will do. And anything that they propose to do, will now be impossible for them. Come, let us go down and there confuse their language, so that they may not understand one another's speech!"

Now, think for a moment: where do you think stood the one, who is designated hereabove as the "Lord", which you have recorded at great length in the Scriptures that human creatures have in their possession, and who said such things, and to be applied on his neighbour? Was that "Lord" standing in the "PURITY" or in the "IMPURITY" in all its forms? Are those things somehow related to "LOVE YOUR NEIGHBOUR LIKE YOU WILL LOVE YOURSELF" or "TREAT YOUR NEIGHBOUR LIKE YOU WILL TREAT YOURSELF"? Are those, the things that someone who has "PURE, TRUTHFUL, AND AUTHENTIC LOVE OF 'THE DIVINE'" in himself will do to his neighbour? Or, are those, the things that someone with hidden rancour against his neighbour will do?

To understand the behaviour of the one who is designated hereabove as the "Lord", read also the content of the vision of the "blinded seventy shepherds", in another section below, and which "THE DIVINE", IHVH, our FATHER, had sent to the elder ENOCH, of whom METHUSELAH is the descendant, back in those days when he was living here in the first "Specific Energy 'EARTHLY' Habitation Domain".

Such things reflect the extent of the desire that the "ADONA'IM" and the "'SPIRIT←SPIRIT' 'CELESTIAL' Creatures" had hidden in them, to want to exterminate the "'SPIRIT←LIGHT' 'EARTHLY' Creatures" of existence, and their resentment towards "THE DIVINE", whom they blamed for not choosing to express on a "'SPIRIT←SPIRIT' 'CELESTIAL' Creature", the new manifestation of metaphor of the "DIVINE PRIMARY WEALTH" which is an expression of

“THE UNION” and to have expressed it on the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”. And it will be so throughout the “Second Phase” of “THE HOLY PROJECT”, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” will undermine and spit on the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” as much as they can, thus demonstrating how much love they had for their following, and consequently, demonstrating how much love they have for “THE DIVINE”, IHVH, our FATHER.¹¹⁷³ They swept away the fact that they, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” with the Archangel MICHAEL at the helm of affairs, since he was entrusted the leader task to facilitate the good implementation of the “Second Phase” of “THE HOLY PROJECT”, and in the depths of their ignorance, are at the origin of this disaster in which the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” were bogged down to. They, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, are the ones who have destroyed the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” and have kept it in the very opposite direction, away from knowing its own “PLENITUDE”. They have understood that, if the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” comes to understand its own “PLENITUDE” and to reclaim it, then they, as “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, will have to answer for all this destruction that they have brought into “THE HOLY PROJECT”.

The one who is called the “Lord” in this excerpt is the Archangel MICHAEL. During their existence, within the “Specific Energy ‘CELESTIAL’ Domain”, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have failed to know “THE ONE” from whom they originate and it was then, the Archangel MICHAEL that they called their “Lord”, and it is through such “alter ego of names” that “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” will impose their will on “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”. It will last until CHRIST comes ring the end of recess and restore order in the business.

Be very careful when some will tell you “...*the Lord said this... the Lord that...*” while such a thing is clearly the work of the “HUBRIS”. Take the magnifying glass

¹¹⁷³ Once you get an overview of the work that “THE DIVINE ARCHITECT AND PROJECT MASTER” had designed long before that the attribute “NON DIVINE” was created and of which the realization had been planned to be accomplished in the attribute “NON DIVINE”, and when you see the disaster in which the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had plunged “THE HOLY PROJECT”, then, you cannot stop you to ask the question whether these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” were insane? And, indeed, they were. Many of them have never recovered or got themselves out of that insanity, although they have sobered up from it.

of “PURITY” and scrutinize such a thing in all its details before granting it or not a consideration.

Always remember that “THE DIVINE”, IHVH, our FATHER, is the SUPREME “PURITY” and that in Him there is no “HUBRIS”. Remember your “PLENITUDE” and know that in that “PLENITUDE” you are manifestations of the “‘SPIRIT←LIGHT’ INDISTINCT DIVINE FORM” and, from the perspective of the power and as the possession, since you have in you the elements of “THE ‘LIGHT’ REASON”, you are on a scale of classification which is above that of all the manifestations of the “‘SPIRIT←SPIRIT’ INDISTINCT DIVINE FORM”; that is, above all the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, including the Archangel MICHAEL, who do not have in them the elements of “THE ‘LIGHT’ REASON”. Without those elements of “THE ‘LIGHT’ REASON” into existence, especially those that are available in “THE SHEKINAH”, which has been placed in the “Specific Energy ‘CELESTIAL’ Domain”, none of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” will exist.

CHAPTER 202

ANNOTATION ON THE PRODUCTS CONSUMED BY THE “SPECIFIC ‘EARTHLY’ GARMENT” OF THE “‘SPIRIT←LIGHT’ ‘EARTHLY’ CREATURE”

As “THE DIVINE ARCHITECT AND PROJECT MASTER” had established it from “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, the “Specific ‘EARTHLY’ Garment” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” was to be fed by the consumption of only the products of “Vegetal ‘EARTHLY’ Creatures” and which represent the manifestations of products that are consumed in “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” and to which “THE DIVINE” had chosen to add a unique purpose without adding a provision of “THE INTELLECT OF THE DIVINE”, also without adding a provision of “THE DIVINE FORCE”.

Later during the unfolding of the “Second Phase” of “THE HOLY PROJECT”, and in the absence of knowledge of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” and its supreme completeness, the Archangel MICHAEL will impose on the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” the consumption of “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creatures” which are manifestations of the metaphors of the “‘SPIRIT←SPIRIT’ INDISTINCT DIVINE FORM” and to which “THE DIVINE” had chosen to add a unique purpose, a provision of “THE INTELLECT OF THE DIVINE”, and a provision of “THE DIVINE FORCE”.

It is so that, in the immediate days after the “FLOOD”, having already declared himself to be “GOD”, without however having neither the knowledge of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” from which “THE DIVINE ARCHITECT AND PROJECT MASTER” has established everything, not understanding that the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain” was still so poisoned as it was before the “FLOOD”, but believing that this first “Specific

Energy ‘EARTHLY’ Habitation Domain” had been rid of impurities by the “FLOOD”, the Archangel MICHAEL, just as he had already demonstrated on “ADAM” and “THE FEMALE”, that he had mastered the process of “intrusive suggestion” with his “speech of shame”, will do the same with NOAH.

The soil for receiving the seeds of “intrusive suggestion” existed in “THE SEAT OF THE INTELLECT” inside the “‘LIGHT←LIGHT’ Body” in the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” designated as NOAH, and was favourable. Indeed, the elder NOAH, in the same manner as all “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” descendants of the first two, was kept under the same yoke of absolute servitude towards those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, and he has been fed abundantly with obscurity. It is so that, the absence of “THE KNOWLEDGE OF THE DIVINE” had taken place inside him, and the rays of “THE TRUTH SUN” that he, as a “CHOSEN ONE OF THE DIVINE” had been tasked to bring inside the frozen mist caused by the “HUBRIS Spiritual Veil”, in order to shed light on the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, was mixed with the peculiarities of the obscurity that the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had fed him and his peers with, and “THE KNOWLEDGE OF THE DIVINE” that he carried was lost.¹¹⁷⁴ Furthermore, he has witnessed the unfolding of the destruction caused by the “FLOOD”. With such trauma, the soil for receiving the seeds of “intrusive suggestion” existed in “THE SEAT OF THE INTELLECT” inside the “‘LIGHT←LIGHT’ Body”, and was favourable. The Archangel MICHAEL, once more, took advantage of the situation, to plant the parasitic seeds of “intrusive suggestion”, saying:

“...

As I have commanded the animals, so also I say to you now: be fruitful, and multiply on the face of the earth. Fill this world with humans, so that they may have dominion over all that I have made for them.

But now the earth is changed, and some things must alter with it. The animals will become more fierce, and behold, I will give them a

¹¹⁷⁴ Thankfully, the living message that “THE DIVINE”, IHVH, our FATHER, has sent to humanity and written throughout the descriptive particulars of the elder NOAH at his birth, was recorded by the elder ENOCH, of whom METHUSELAH is the descendant, and has been passed on to human creatures, from generations to generations. Blessed be the elder ENOCH, of whom METHUSELAH is the descendant.

fear of you, so that they will not often trouble your offspring with their violence.

To you also have I delivered the animals — as they will be prey for each other, so shall they be prey for you.

The earth is yet weak in its supply of plant life, and the balance will be kept in this way for the time being.

The beasts therefore shall also be food for you, even as the plants have always been — yet you must not digest their blood, for that is the life, and is sacred unto me.

...”

As with the previous excerpts, here too, let us break down this one and shed light on the deception, which it contains and has been pushed forward to keep humanity locked-up into “obscurity”.

***** Zoom in,
extended explanations of the excerpt *****

“As I have commanded the animals, so also I say to you now: be fruitful, and multiply on the face of the earth. Fill this world with humans, so that they may have dominion over all that I have made for them.”

As we have also already indicated in relation to the model of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, all temporal information concerning the state of the growing medium, which is the combined set formed by “THE SEAT OF WISDOM” (also called “THE GARDEN OF WISDOM”, the growing medium of “WISDOM”) and “THE SEAT OF THE INTELLECT” (also called “THE GARDEN OF THE INTELLECT”, the growing medium of “THE INTELLECT”) — among other things, the state of “PURITY” and “HOLINESS”, as well as the temperature and the enlightenment intensity —, as well as the state of this plant of “THE KNOWLEDGE OF THE DIVINE”, all this information based on “THE ‘SPIRIT’ REASON”, which are only visible by “THE EYE OF THE DIVINE”, are contained and transported by the action signals which are produced by “THE SEAT OF THE INTELLECT”.

The attributes of this information are contained and transported in the “unique words”, and their tones, of the “Specific ‘SPIRIT’ Language”. The “Specific ‘SPIRIT’ Language” becomes, as such, a window into “THE SEAT OF THE INTELLECT”, and the hidden information that it contains can be “discerned” (i.e., “read” in the “Specific ‘SPIRIT’ Language”) when the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” will emit these words and expressions, in their tones, during its communications and interactions with the “Specific ‘SPIRITUAL’ Environment” external and immediate around it.

The words in the expressions of the “Specific ‘SPIRIT’ Language”, in their tones, which will be used by a “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, and will be based on “THE ‘SPIRIT’ REASON”, will be indicative of all this internal information which is visible only by “THE EYE OF THE DIVINE”. Those words in the expressions of the “Specific ‘SPIRIT’ Language”, in their tones, will also reveal the level of understanding of certain concepts/subjects by that “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” and whether the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” has in-depth knowledge about a given concept/subject or not. Keep this in mind throughout this speech of the Archangel MICHAEL, and you will learn quite a lot of things.

Now, coming back to this: ***“As I have commanded the animals, so also I say to you now: be fruitful, and multiply on the face of the earth. Fill this world with humans, so that they may have dominion over all that I have made for them.”***

Have you not noticed that, in all those speeches, which the Archangel MICHAEL gave, first, in front of the first two traumatized “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, and now in front of the elder NOAH and the other survivors of the “FLOOD”, just as traumatized, everything is about “control”, “dominion”, “command”, “power”, “rulership”, “subdue”, etc... his neighbour, just like the words, which AZAZEL, their ex-public figure of the circle of the “ADONA’IM” had once about the fulfilment of their true potential that he defined to be “Rulership” — Rulership of themselves, and of each other, and of the Kingdom itself; for, they were called the Sons of IaHVeH —, and NOTHING is ever said about “THE TRUE CREATOR”, or about “THE KNOWLEDGE OF THE DIVINE” in any of its forms? That is because he, the Archangel MICHAEL, and these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have NO knowledge about “THE DIVINE”, IHVH, our FATHER. They have set themselves the goal to keep every human creature away from knowing about their TRUE FATHER: “THE DIVINE”. Through the words, which these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” use, you can classify

them into: those who love to reign, those love to fight, the warriors, the troublemakers, the rebels, the insubordinates, etc.

In his ignorance and obscurity, having failed to know “THE DIVINE FORCE”, not knowing his own root and the place where he had sprouted, it is with such sayings “*As I have commanded the animals...*”, “*... all that I have made for them...*”, that the Archangel MICHAEL kept attributing to himself the achievements of the work performed by “THE DIVINE FORCE” and not give a damn about every human creature, and keeping the CREATION locked-up into Obscurity.

Using such sayings as “*... all that I have made for them...*” and the “alter ego of names”, it is in this manner that the Archangel MICHAEL has been hiding his own “CRIMES” and “INIQUITIES”, and his accomplices “ADONA’IM” have kept covering all of it, not knowing that everything about their proceedings has been recorded. Read also the content of the vision of the “blinded seventy shepherds”, which “THE DIVINE”, IHVH, our FATHER, had sent to the elder ENOCH, of whom METHUSELAH is the descendant, back in those days when he was living here in the first “Specific Energy ‘EARTHLY’ Habitation Domain”, and understand these things.

“...all that I have made for them...”??? How does he who has no knowledge of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” — “THE ABSOLUTE FRAME OF REFERENCE” — and its products, could have created, in “THE FRAME OF REFERENCE OF THE ATTRIBUTE ‘NON DIVINE’” in the attribute “NON DIVINE”, even a single manifestation by metaphor of a product of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”?

“...all that I have made for them...” Also reveals the fact that the Archangel MICHAEL had not understood that, it was also because of his own deficiency, his ignorance and absence in “THE KNOWLEDGE OF THE DIVINE”, that the “Second Phase” of “THE HOLY PROJECT” was set in motion, in order to remedy that deficiency that took place in him. Although he has failed to know about “THE DIVINE FORCE”, it is so that he thinks (even nowadays) that he is the one who was producing into existence, all those manifestations by metaphor of products of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, and he attributed himself the honour of work accomplished by “THE DIVINE FORCE”.

“...all that I have made for them...” is actually the destruction of the human creature and state of total destruction in which the implementation of the “Second Phase” of “THE HOLY PROJECT” has been plunged into, and which is not a manifestation by metaphor of a product of “THE DIVINE SUPREME

CONFIGURATION” of seven “Divine Particles”. The hidden purpose behind the use of such expression is to “wash away” his own responsibility of the disaster in which the implementation of “THE HOLY PROJECT” has been thrown into. Indeed, the expression “*...all that I have made for them...*” is a continuation of the psychological manipulation operation started with the “speech of shame” and against human creatures. It is part of the psychological covert tactics, which manipulators use to control and confuse others, and it is known as the “self-victimisation” psychological covert tactic. This “self-victimisation” psychological covert tactic serves two main purposes:

- Existential validation or justification to the psychological manipulator himself, as a way of dealing with the cognitive dissonance that results from inconsistencies between the way he treats his neighbour and what he believes about himself.
- Justification to others as a strategy of evading or deflecting harsh judgment or condemnation he may fear from others.

Manipulators who use the “self-victimisation” psychological covert tactic often play the victim role (the “poor me” card) by portraying themselves as victims of circumstances or someone else’s behavior. Individuals who often indulge in self-victimisation, taking the role of a victim, do so for various reasons: to control or influence the thoughts, feelings and actions of other people; to justify their abuse of others; to seek attention and gain sympathy; or, as a way to cope with uncomfortable situations for them. Manipulators maintain domination through continuous, recurring emotional manipulation, abuse, and coercive control. Often they are passive-aggressive. They may lie or act caring or hurt or shocked by the complaints of their targeted people—all to deflect any criticism and to continue to behave in an unacceptable manner. For these types of manipulators, mental projection is a key tool; it is always someone else fault why things go badly. They will not take any responsibility for the disaster, which they have provoked. They will intentionally say and do things to get the attention of people and play their feelings to gain sympathy. As a result, the people will let down their guard.

Here, the Archangel MICHAEL takes the role of a victim, still trying to justify (1) the transferring of his own irresponsibility and making it the responsibility of the first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, and (2) the aggression and destruction of the first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, hence of “THE HUMAN EDIFICE”, while knowing very well what he has done on that afternoon of that Third Day of the implementation of the “Second Phase” of “THE HOLY PROJECT”, and how he has cheated humanity.

It is so that, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” implemented a series of shenanigans (all kinds of monkey businesses) of their “nefarious and despicable shadow scheming”, having no base and no stability, without possible ins and outs, orchestrated and led by those “ADONA’IM”, to the detriment of “THE DIVINE”, IHVH, our FATHER, to the detriment of “THE DIVINE FORCE”, who are in “THE SUPREME PLENITUDE” and had educated all of them in “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”.

The “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had already thrown to oblivion “THE DIVINE”, IHVH, our FATHER, and these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had no knowledge about “THE DIVINE FORCE” who has Herself produced into existence inside this attribute “NON DIVINE” all things from the designs of “THE DIVINE ARCHITECT AND PROJECT MASTER”.

It is so that, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” declared themselves to be the owners of the “Specific Energy ‘EARTHLY’ Habitation Domain” and what it contained, animals as well as human creatures, and imposed their will on the human creatures.

“But now the earth is changed, and some things must alter with it. The animals will become more fierce, and behold, I will give them a fear of you, so that they will not often trouble your offspring with their violence.”

Can you believe such nonsense and works of deceit? You still have difficulties understanding where is the deceit? Take a step back and look carefully at the “...*be fruitful, and multiply on the face of the earth. Fill this world with humans, so that they may have dominion over all that I have made for them...*”, and consider particularly the expression “*all that I have made for them*”. This implies the possession of knowledge of “THE INVISIBLE SCIENCE”, which is found behind all what has been produced into existence inside this first “Specific Energy ‘EARTHLY’ Habitation Domain” and for the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, and also the knowledge of the relations and laws, which have been established through “THE INVISIBLE SCIENCE”, and which govern all those things, which have been produced into existence inside the attribute “NON DIVINE” and for the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”. If you had with you such knowledge of that “INVISIBLE SCIENCE”, and once most of what was produced into existence inside this first “Specific Energy ‘EARTHLY’ Habitation Domain” has been destroyed by your own dealings, would you say afterwards: ***“But now, the earth is changed, and [let me think about it a bit..., uh...] SOME THINGS must alter with it.”***??? NO! Because, from the

knowledge of that “INVISIBLE SCIENCE”, which is found behind all what has been produced into existence inside this first “Specific Energy ‘EARTHLY’ Habitation Domain”, you would “see” and understand from what that “INVISIBLE SCIENCE” is telling you: which scientific relations have been broken, or are not anymore in agreement with the proper functioning of all those things, which allegedly you have produced for the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”. ***“But now, the earth is changed, and SOME THINGS must alter with it...”***, is an indication of groping and absence of knowledge about “THE INVISIBLE SCIENCE”, which is found behind all what has been produced into existence inside this first “Specific Energy ‘EARTHLY’ Habitation Domain”. It illustrates the absence of any base and stability in their project of the “FLOOD”, their sole purpose was to want to exterminate the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” of existence.

If you do not have knowledge of the disastrous events that took place in the in the “Specific Energy ‘CELESTIAL’ Domain”, before the creation of this first “Specific Energy ‘EARTHLY’ Habitation Domain” in which you live, if FATHER had not shown those disastrous events to you, you will hardly see the deceit in that speech of the Archangel MICHAEL and you will swallow those statements as such and subject yourself to them, without asking questions, recording them in your history and transmitting them from generations to generations, as being sacred and not to be questioned. Now, we have described those disastrous events to you (who is reading these writings), although we cannot display them to you, as in a communication by “Vision”, you can picture and understand what happened in there between these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” in those days right after the announcement of the “Second Phase” of “THE HOLY PROJECT”.

“The earth is changed”??? Ah! At least he has noticed that “the earth is changed”. Could it be that the Archangel MICHAEL will now admit that the earth has been poisoned by filth and the mark of “DEATH”, which he himself has pulled out of destruction in the “Specific Energy ‘CELESTIAL’ Domain” and has immersed in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, on that dreadful afternoon of the Third Day of the implementation of the “Second Phase” of “THE HOLY PROJECT”? And that, his (he and his accomplices in their “Council of Sages”) failed “FLOOD” project has now exacerbated the situation by spreading the state of “CHAOS”, contrary to the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”, even more throughout the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”?

Let see, ***"SOME THINGS must alter with it."***??? And what were those ***"SOME THINGS"*** that were to be altered with the changed earth?

"...

... I will give them [the animals] a fear of you, so that they will not often trouble your offspring with their violence.

To you also have I delivered the animals — as they will be prey for each other, so shall they be prey for you.

The earth is yet weak in its supply of plant life, and the balance will be kept in this way for the time being.

The beasts therefore shall also be food for you, even as the plants have always been — yet you must not digest their blood, for that is the life, and is sacred unto me.

..."

Those were the changes put forward by the self-declared "god" who claimed to have "made everything for them [the humans]", to cope with the changed earth, to cope with the spreading the state of "CHAOS", contrary to the "HARMONY" prescribed by "THE DIVINE ARCHITECT AND PROJECT MASTER", throughout the "Specific 'SPIRITUAL' Environment" and impacting considerably the "Specific Energy 'EARTHLY' Substance" constituent of the first "Specific Energy 'EARTHLY' Habitation Domain".

You can only shake your head at the sight of all this destructions and display of ignorance. As recorded in the content of that "Vision" of the "blinded seventy shepherds", which "THE DIVINE", IHVH, our FATHER, had sent to the elder ENOCH, of whom METHUSELAH is the descendant, back in those days when he was living here in the first "Specific Energy 'EARTHLY' Habitation Domain", **"THERE WILL BE AN ACCOUNTABILITY OF ALL THE DESTRUCTION PERPETRATED BY THESE "SPIRIT←SPIRIT' 'CELESTIAL' CREATURES" IN THEIR RESPECTIVE SEASONS."**

Was it not already odious enough to have cheated "ADAM", defrauded "ADAM" and "THE FEMALE", and all their descendants, of their "PLENITUDE" and transferred on to "ADAM" and on to all his descendants, the consequences of his own "BETRAYAL" against "THE DIVINE", IHVH, our FATHER?

Was it not already odious enough to have imposed on "SPIRIT←LIGHT' 'EARTHLY' Creatures" those rituals of sacrifice of the "SPIRIT←SPIRIT' 'EARTHLY' Creatures", the ransom of "sin" that had perpetrated "ADAM"

towards the Archangel MICHAEL, the price of the “favour” that the Archangel MICHAEL granted them by leaving them alive, and of which the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” were to rejoice in?

Was it not already odious enough to have imposed on “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” to destroy the teaching material that “THE DIVINE FORCE” had created for the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”; that teaching material, which contain those celestial truths found and sealed in the “‘SPIRIT←SPIRIT’ Body” of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”?

Apparently all these were not odious enough, it was necessary to add other offspring of “DISGRACE”, “IMPURITIES”, and “LIES”. Those alterations of those **“SOME THINGS”**, all offspring of “DISGRACE”, “IMPURITIES”, and “LIES” in which the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” were standing, and which were to be applied to the changed earth, consisted in imposing on “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” to literally eat as meat that teaching material. And of course, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” that were pulled out of destruction in the “Specific Energy ‘CELESTIAL’ Domain” and have been immersed in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, will very soon impose on the most lost “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, to expand such consumption on their kind, to literally eat each other “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” as meat: that, which will be called CANNIBALISM.

The “nefarious and despicable shadow scheming” of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, since they all agreed with it through their “Council of Sages” and they are all accomplices, had no base and no stability, without possible ins and outs, orchestrated and led by the “ADONA’IM”, to the detriment of “THE DIVINE”, IHVH, our FATHER. They stood in their own “DISGRACE”, “IMPURITIES”, and “LIES”, trying to outsmart “THE TRUTH” in order to conceal the “BETRAYAL” they had perpetrated against “THE DIVINE”, IHVH, our FATHER, and, by trial an error, trying to justify the destruction of the first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

In this speech here, the Archangel MICHAEL has pulled the same rabbit out of the hat, which he had already used to defraud the first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, “ADAM” and “THE FEMALE”, of their “PLENITUDE”, and now he uses it to brainwash and send the survivors of their “FLOOD” project into sleep in the bed of ignorance and to keep them in there.

Do you remember what these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” often proudly say about themselves to have been “glorified” (in the sense of manifested

living “waxwork”, or, living “wax” sculptures, and NOT in the sense of the manifestation of the “GLORY” of “THE LIGHT”) through the “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creatures” (that is to say, through the animals)? “...*The animals will become more fierce* ...” is an inference from of the situation that the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, and more specifically the “ADONA’IM”, have found themselves in, at the announcement of the “Second Phase” of the implementation of “THE HOLY PROJECT”: covered by the “HUBRIS Spiritual Veil”, it is so that these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” were overwhelmed by the emotion of “FEAR” and had become fierce and in turmoil at the mere thought of knowing that the object from which they indulged themselves with the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, will be placed in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

Just like the “speech of shame”, that the Archangel MICHAEL had delivered in front of the whole CREATION and in front of “ADAM” and “THE FEMALE”, this “speech”, now delivered in front of the elder NOAH and the seven others “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” who have been spared from destruction by that “FLOOD”, was for the Archangel MICHAEL and all “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, the written confession of their imposture and their ignorance about the work of “THE DIVINE FORCE”, about the ins and outs of “THE HOLY PROJECT”.

It is through such speeches that these “ADONA’IM” have revealed by themselves, and without realizing it, the vast system of imposture, having no base and no stability, which they have put in place and have applied relentlessly on “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” who had no more knowledge of their own “PLENITUDE” and never dared to question the inconsistencies which are brought to light and which are revealed to them through such speeches.

“...The animals will become more fierce, and behold, I will give them a fear of you...”???

Indeed, he has mastered the process of “intrusive suggestion”. This is the same “fear” suggested, that he had already induced by the massive “intrusive suggestions” he had forced and sowed in “ADAM” and “THE FEMALE”, and which generated physiological changes that broke the tranquility of “THE SEAT OF THE INTELLECT” in the “‘SPIRIT←LIGHT’ Body” of the first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, and which subsequently was transmitted down from generations in descent. It is this same “fear” suggested that has replaced the innocence of “PURE, TRUTHFUL, AND AUTHENTIC LOVE

OF ‘THE DIVINE’”, and is used in expressions like “...*the fear of “god” is this... the fear of “god” is that...*”. It is about the self-declared “god”, the Archangel MICHAEL; It is not about “THE DIVINE”, IHVH, our FATHER. It is in this same “fear” suggested, that “ADAM” and “THE FEMALE”, and all their descendants, will live in slavery, and serve the desires of the Archangel MICHAEL and the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, both those who have been maintained in the “Specific Energy ‘CELESTIAL’ Domain” as well as their fallen fellows and sworn enemies who are under the leadership of AZAZEL.

“To you also have I delivered the animals — as they will be prey for each other, so shall they be prey for you.”

These are the consequences of the scourge of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” which raged in “THE CELESTIAL HOST”. Having failed to know “THE ONE” from whom all “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, including the Archangel MICHAEL himself, originated, and thus not knowing of “THE DIVINE FORCE”, the Archangel MICHAEL did not know either why the “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creatures” was created into existence.

“The earth is yet weak in its supply of plant life, and the balance will be kept in this way for the time being.”???

Also illustrates the ongoing imposture. The work of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” are alternatives to “THE KNOWLEDGE OF THE DIVINE”; they have no base and no stability, they are without possible ins and outs, they do not have any place in “THE HOLY PROJECT”.

On the Third Day of the implementation of the “Second Phase” of “THE HOLY PROJECT”, “THE DIVINE FORCE” received the divine instructions carried by “THE WORD OF THE DIVINE” in the second emission in the third decree of the implementation of the “Second Phase” of “THE HOLY PROJECT”, the sequence of “SOUNDS” of which were translated into human language by a series of expressions that roughly means:

“

*LET “THE SOLID MATTER” BRING FORTH
THE “‘EARTHLY’ VEGETAL CREATURE” AFTER ITS KIND!*

”

It was so that, “THE DIVINE FORCE”, deployed in the entirety of the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, had demonstrated the application, to the “Specific Energy ‘EARTHLY’ Substance”, of the “movement”, considered in its manifestations under all its forms and all scales, and the state of equilibrium expected from the “movement”, and had brought forth all the “Vegetal ‘EARTHLY’ Creatures”, including those bear fruits and also those fruits, in a perfect stability and in less than one hour, covering the surface of “THE SOLID MATTER” visible both in the inside as well as outside of the subset of the “Specific Energy ‘EARTHLY’ Substance” that was called “THE WATERS”.

And now, after having implemented their project of the “FLOOD”, the Archangel MICHAEL, who had already claimed the honor of the work that “THE DIVINE FORCE” had accomplished during the implementation of the decrees of “Second Phase” of “THE HOLY PROJECT”, tells that: *“The earth is yet weak in its supply of plant life, and the balance will be kept in this way for the time being.”* And none of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” asks the questions: “What is going on here? What types of businesses are these?” They simply take those statements as if they were “TRUTH” values, which should not be put into questioning. How would you learn and discover “who is who” and “who did what”, if you do not question everything until you get to the bottom of things? “TAKE THOSE SCRIPTURES, WHICH HUMAN CREATURES CALLED “HOLY SCRIPTURES” AND QUESTION EVERYTHING RECORDED IN THERE, UNTIL YOU UNDERSTAND HOW THOSE THINGS CAME TO BE. DO NOT SWALLOW ANYTHING LIKE ASPIRIN TABLETS, BUT QUESTION IN ORDER TO GAIN UNDERSTANDING ABOUT HOW IT CAME TO BE.”

“The beasts therefore shall also be food for you, even as the plants have always been — yet you must not digest their blood, for that is the life, and is sacred unto me.”???

And the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, having received this parasitic “intrusive suggestion”, will give it life without asking questions; that is the expected response from those who have been victims of the process of “intrusive suggestion”.

The blood of the “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creatures” represents the life that is sacred to the self-declared “god” who, however, he commands the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” to eat these “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creatures” as food. By eating these “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creatures” as food, are you not going to take life away from these “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creatures”? That life that you will thus remove from these “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creatures”, is it not sacred? Or is it only the blood of the “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creatures” and which represents the life that is sacred? Are these the precepts that these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” learned from the teachings given to them by “THE DIVINE FORCE” (who is “ABSOLUTE PURITY”) before the announcement of the “Second Phase” of “THE HOLY PROJECT”, or are these the manifestations of products and desires of “THE SEAT OF THE INTELLECT” in the “‘SPIRIT←SPIRIT’ Body” which is standing in “IMPURITY” (at the opposite of “THE DIVINE FORCE”), and therefore is “UNHOLY”?

“...

*He who slaughters an ox, he who takes life away from these
“‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creatures” to use it or not as food, is
like one who kills a man;*

He who sacrifices a lamb, is like one who breaks a dog’s neck;

...

*Those have chosen their own ways, and their essences, their souls,
delights in their abominations.*

...”

The “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” thus had chosen their own ways, in the obscurity inside the frozen mist caused by the “HUBRIS Spiritual Veil”, in the absence of “THE KNOWLEDGE OF THE DIVINE”, and delighted in their abominations. Through the “alter ego of names”, they will pin such actions on “THE DIVINE” and spread them among the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” who will in turn anchor them in their “‘SPIRIT←LIGHT’ Body”.

It was just a matter of time before that the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, whose elements of “THE ‘LIGHT’ REASON” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has restricted to “THE SEAT OF THE INTELLECT” will be blocked by the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, and who will be already plunged in a state of “CHAOS”, contrary to the

“HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”, will be even more plunged into humiliation.

Such actions having no convergence point as a product of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, it is so that the speeds of reception and transmission of “specific signals” in the “Specific Atomic ‘EARTHLY’ Substances” constituents of all the structures of the “Specific ‘EARTHLY’ Garment” will be blocked here and there, causing all sorts of diseases, and it is the destruction of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” which will thus continue.

It is as if to the detriment of “THE DIVINE”, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” were conducting a sickening experiment using the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” as their guinea pigs.

The “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had transformed the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” in their puppet, had kept him under the yoke of the absolute servitude, and had reduced him to shreds so that he could never accomplish the purpose for which “THE DIVINE ARCHITECT AND PROJECT MASTER” had designed it, namely:

“CARRY THE PRESENCE OF ‘THE SHEKINAH’ — THE PURE LIGHT OF ‘THE ALTAR OF THE DIVINE’ WHICH IS INSIDE ‘THE SHEKINAH’, AND WHICH IS SOURCE OF LIFE PURE AND HOLY — IN VERY REMOTE PLACES FROM ‘THE SHEKINAH’”.

What would have happen if “THE DIVINE”, IHVH, our FATHER had chosen to manifest in the “‘SPIRIT←SPIRIT’ Body” of the elders of the creation, not metaphors of “DIVINE PRIMARY WEALTH” through application of proportionality factors, but exactly the “DIVINE PRIMARY WEALTH” as they are in “THE DIVINE DOMAIN”?

As we have already mentioned several times, the mere thought of such a thing is enough to give you chills. These elders of the creation would have attacked directly “THE DIVINE DOMAIN” in place of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” in the first “Specific Energy ‘EARTHLY’ Habitation Domain” which is a metaphor of “THE DIVINE DOMAIN”.

CHAPTER 203

ANNOTATION ON THE INVITATION OF “THE DIVINE WISDOM”

It is for the purpose to lead human creatures to understand this, that Solomon, when “THE DIVINE WISDOM” walked with him and told him who SHE was, and under the inspiration of “THE DIVINE WISDOM”, had described her by saying:

“...

WISDOM has built Her house; She has hewn Her seven pillars, She has slaughtered Her beasts; She has mixed Her wine; She has also set Her table.

She has sent out Her maids to shout Her invitation on the heights of the city: “Whoever is simple, let him come in here!”

To him who lacks sense she says: “Come, eat of my bread and drink of the wine I have mixed. Leave silliness, and live! Then, walk in the way of intelligence.”

...”

Such choice of words and expressions (“*slaughtered Her beast*”, “*mixed Her wine*”, “*set Her table*”, etc... and that you will find throughout most Scriptures) is due to the fact that, when such revelation is given to a human creature, he can only interpret and express it using words, symbols and expressions in the human language and which are familiar to him and to those human creatures around him, so that they can grasp and understand what is been revealed. If the human creature receiver of such revelation has a tendency to be a hunter, then he will interpret and express it using words, symbols and expressions of hunters; if he is a fisherman, then he will interpret and express it using words, symbols and expressions of fishermen; if he is in the building construction business, he will interpret and express it using words, symbols and expressions that you find in

building construction business. Well, I am sure that you get the point. With which words, symbols and expressions would you describe that, which is beyond your understanding? If you do not have in you the knowledge of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, in all its details, then the human creatures to whom you will transmit such a revelation could quickly end up in “deep shit”.

The “house” of “THE DIVINE WISDOM”, which is the place where “THE DIVINE WISDOM” resides and where her particulars and all that belong to her are placed, where She has placed her bags and belongings, is “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, in all its details, including products that are formed and those that are consumed.

In the very beginning of this book, “THE DIVINE WISDOM” has described all the steps that She followed, how and why She built the “Divine Septenary Configuration” of seven “Divine Particles”.

The “seven pillars”, also called the “seven columns”, of this “house” are the seven “Divine Particles” — one “Generative Divine Particle” and six “Formative Divine Particles” in “Movement of Formative Divine Particle” synchronized between them, and, each “Movement of Formative Divine Particle” synchronized with the movement of the “Generative Divine Particle”, and without collisions forever with the passage of time.

“... *She slaughtered Her animals, mixed Her wine, and set Her table...*” refers to all forms of “THE KNOWLEDGE OF THE DIVINE”, that “THE DIVINE FORCE” had planned to manifest into existence in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, during the course of the “Second Phase” of “THE HOLY PROJECT”, in order to rectify the deficiency of “THE KNOWLEDGE OF THE DIVINE” that had taken place in “THE SEAT OF THE INTELLECT” in the “‘SPIRIT←SPIRIT’ Body” of “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” in the “Specific Energy ‘CELESTIAL’ Domain” inside the attribute “NON DIVINE”.

“... *She has mixed Her wine ...*” refers to the new “KNOWLEDGE OF THE DIVINE” that ensues from “THE ‘SPIRIT→LIGHT’ REASON” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” which has been extended on “THE ‘SPIRIT’ REASON” and also on part of “THE ‘LIGHT’ REASON”.

“... *She has sent out Her maids ...*” refers to “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of the “STARS” classification, having the “FEMALE” adjective, and who form constellations of “STARS” from messages of “THE DIVINE”.

The “*invitation*” refers to the call to take part in the indescribable joy, the ineffable gladness, and in an immeasurable state of equilibrium, that “THE DIVINE”, IHVH, our FATHER has chosen to share with the attribute “NON DIVINE”. Intellectual development in “THE KNOWLEDGE OF THE DIVINE” and affective and emotional development in “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” are the two factors that allow accessing that indescribable joy.

The “*city*” also refers to the manifestation into existence in the attribute “NON DIVINE”, of the metaphor of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, that is in the “SPECIFIC SUPREME CONFIGURATION” of the seven “Specific Energy ‘EARTHLY’ Domains”, designed in the proportions of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”; and especially the habitation domains which are in there.

The “*gates of the city*” refers to everything that leads and allows access to the knowledge of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, to the knowledge of “THE DIVINE FORCE”. These “*gates of the city*” are among others: “PURITY”, “HOLINESS”, “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”, and the place where these “*gates of the city*” are located, is inside “The ALTAR of ‘THE DIVINE’” which is inside you.

“... *Come, eat of my bread and drink of the wine I have mixed ...*” is the content of the invitation sent by “THE DIVINE WISDOM” to human creatures, asking them to observe the rules, principles, and the precepts that SHE had established, and to live by these precepts, which are the usages and customs — that is, “PURITY”, and “HOLINESS” — of “THE DIVINE WISDOM”, and which enable the intellectual development in “THE KNOWLEDGE OF THE DIVINE” and affective and emotional development in “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”.

The bread and the wine of “THE DIVINE WISDOM” are length of days and years of life; that is, it is by these rules, principles and precepts that, is maintained the stability of all transformation steps of the products of the “divine work”, accomplished by the “Generative Divine Particle”, by the products of the consecutive and combined “divine work” of the six “Formative Divine Particles” constituent in “THE DIVINE SUPREME CONFIGURATION” of seven “Divine

Particles”. Therefore, it is by observing those rules, principles, and precepts that all the creatures of “THE DIVINE” will subsist in the attribute “NON DIVINE”.

יצה נרסר

secrets, had been established by “THE DIVINE WISDOM”, under Her designation of “THE DIVINE FORCE”, long before that those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” were “spoken” into existence.

He had not understood that it is “THE DIVINE FORCE” who had given the teachings to those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” in order to achieve the goals of the “Second Phase” of “THE HOLY PROJECT”; those same “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who subsequently had betrayed “THE DIVINE” whom they blamed for not choosing to express on a “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, the new manifestation of metaphor of the “DIVINE PRIMARY WEALTH” which is an expression of “THE UNION” and to have expressed it on the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

It is so that, Solomon is going to feed on the “fruits” of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” filled with of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, listening to and putting into practice what those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” told him, and he gave them place in “THE SEAT OF THE INTELLECT” which was in him, and therefore “THE DIVINE FORCE” has moved away from Solomon, and you know the rest: he became the laughingstock of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”.

Later, when he will find himself in deprivation, he will remember his youth and “THE DIVINE WISDOM” who had walked alongside him and who he had ignored, not knowing that it is “THE DIVINE WISDOM”, under Her designation of “THE DIVINE FORCE”, who had created all that is in the attribute “NON DIVINE”.

It was then, that Solomon will then, recalled his human condition by saying (Wisdom 7:1-14):

“...

I also am mortal, like all men, a descendant of the first-formed child of earth.

In the womb of a mother I was molded into flesh, within the period of ten months, compacted with blood, from the seed of a man and the pleasure of marriage.

And when I was born, I began to breathe the common air, and fell upon the kindred earth, and my first sound was a cry, like that of all.

I was nursed with care in swaddling cloths.

For no king has had a different beginning of existence.

There is for all mankind one entrance into life, and a common departure.

Therefore I prayed, and discernment was given me, I prayed and the Spirit of Wisdom came to me.

I preferred her to scepters and thrones, and I accounted wealth as nothing in comparison with her; either did I liken to her any priceless gem, because all gold is but a little sand in her sight, and silver will be accounted as clay before her.

I loved her more than health and beauty, and I chose to have her as light, because her radiance never decline.

All good things came to me along with her, and in her hands uncounted wealth.

I benefited from all of them all, knowing that Wisdom leads them; Yet, I never knew that she was herself the author.

I learned without guile and I impart without grudging; I do not hide her wealth.

For, she is an inexhaustible treasure for men; those who receive her, obtain friendship with God, recommended to him by the gifts that come from education.

....”

This is unveiled to you, human creatures (reading these writings), so that you come to understand that you do not have to seek to have the possession of those orations, invocations, conjurations, magic rituals, occult arts, etc... that Solomon had left to his descendants, as several of the elders of the creation, in the absence of “THE KNOWLEDGE OF THE DIVINE”, had deceive you and made you believe in order to rip you off your freedom.

These elders of the creation will offer you all the gold of this mass of energy in which you live so that you come to follow them in their deprivation. You should know that from the perspective of the “Specific Energy ‘EARTHLY’ Substance” in which the garment that you wear (that is, your physical body, which is actually

your garment) was carved into existence, there is no difference between water, gold, bronze, the leaves of trees, sand, air, etc... Those are all dead things.

They are all the layers of “Specific Atomic ‘EARTHLY’ Substances” as delineated parts of the “Specific Energy ‘EARTHLY’ Substance”. All these delineated parts of the “Specific Energy ‘EARTHLY’ Substance” are the same from the perspective of the “Specific Energy ‘EARTHLY’ Substance”, and are lifeless.

The elders of creation, offering you all the gold of this mass of energy in which you live, is like offering you all the dead leaves of the trees that have been carved in this mass of energy in which you live, or like, offering you all the waters of the oceans that are in this mass of energy in which you live.

If one of the elders of the creation will propose you such a thing, then, do not hesitate to tell him to “take a hike”; whoever he is.

As a “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, you have received of “THE DIVINE FORCE”, the elements of “THE ‘LIGHT’ REASON”, even if they are in small quantities they are sufficient to constitute “THE ‘SPIRIT→LIGHT’ REASON”. Those elements of “THE ‘LIGHT’ REASON” inside of your “‘SPIRIT←LIGHT’ Body”, are the “TRUE GOLD” and none of those elements of “THE ‘LIGHT’ REASON” are constituent parts of the “Specific Energy ‘EARTHLY’ Substance” from which the garment that you wear was carved into existence.

None of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” has such elements of “THE ‘LIGHT’ REASON” and it is for the purpose to take possession of those elements of “THE ‘LIGHT’ REASON” which you have in you and that are necessary for the survival of “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” outside of the “Specific Energy ‘CELESTIAL’ Domain”, that these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” come to “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” and propose them dead leaves in exchange for their souls.

The only things you need to restore in you are the “PURITY” and the “HOLINESS”; that is, restore this that makes you the image of “THE DIVINE”, which you are and that was given to you by “THE DIVINE FORCE”.

Once the “PURITY” and the “HOLINESS” are restored in you, then, “THE DIVINE FORCE” who is always present alongside you, as “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed and established your model, will act for you.

For the good of human creatures, “THE DIVINE FORCE” had led Solomon in his youth to understand this, and Solomon had then, interpreted and transmitted it in these terms:

“... ”

My son, do not forget my teaching, but let your heart keep my tenets.

They are length of days and years of life and for you greater peace.

Do not let friendship and loyalty leave you. Tie them around your neck, write them on the tablet of your heart.

You will find favor and be well advised in the eyes of “THE DIVINE” and of His creatures.

Have trust in “THE DIVINE” with all your heart and do not lean on your own intelligence.

In all your conduct learn to acknowledge it, and HE will guide your steps.

Be not wise in your own eyes, but rather have much love for “THE DIVINE” and turn away from evil.

This will be healing for your body, a refreshment for your limbs.

...

My son, let not prudence and discernment get away from your eyes: watch them!

They will be life for your throat and grace for your neck.

Then, you will go your way safe and your foot will not stumble.

If you lie down, you will not be afraid; once lying down, your sleep will be sweet.

Do not fear a sudden terror, nor the irruption of the wicked when it comes; because “THE DIVINE” will be your insurance and off trap HE will keep your foot.

....”

“My son” is said to lead human creatures to understand that they are genuine children of “THE DIVINE FORCE”.

“... *my tenets* ...” refers to that, which is called “THE REASON” (clearly understood, of the unique “Divine Septenary Configuration” of seven “Divine Particles”), which we have already explained, and which is the set of guiding principles that govern the “Divine Septenary Configuration” of seven “Divine Particles” and from where ensue the indescribable joy, the ineffable gladness, and immeasurable state of equilibrium that “THE DIVINE”, IHVH, our FATHER has chosen to share with the attribute “NON DIVINE”.

“They are length of days and years of life and for you greater peace.” is said to lead human creatures to understand that, it is by these “... *tenets* ...” that the very existence of the attribute “NON DIVINE” and all that it contains have been defined and have come into existence. You are called to understand the elements of “THE REASON”, which govern “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, all its cycles and measure of transformation steps, as well as all products that are formed and those that are consumed through it, and from which everything that must come to the existence in the attribute “NON DIVINE” finds its origin.

“Friendship and loyalty” (to “THE DIVINE FORCE”) refers to the state of “HARMONY” with “THE DIVINE”, IHVH, our FATHER, and that every human creature must keep, or must restore and maintain: they are the states of “PURITY” and “HOLINESS”.

“‘THE DIVINE’ will be your insurance” is said to lead human creatures to understand that they are genuine children of “THE DIVINE FORCE” is always alongside them; All that the human creatures must do is to be in “HARMONY” with “THE DIVINE”, IHVH, our FATHER, for “THE DIVINE FORCE” to act.

CHAPTER 205

ANNOTATION ON THE “WINDS” AND THE ELDERS OF THE CREATION, AND HOW CHRIST HAD CALMED THE STORM

It is of this, that ENOCH, of whom METHUSELAH is the descendant, wanted human creatures to understand, when he described the limits of the “Specific Energy ‘CELESTIAL’ Domain” and also described the activities and tasks that are performed by the elders of the creation, saying in his writings:

“ ...

And at the extremities of the earth I beheld twelve gates open for all the winds, from which they proceed from time to time and blow over the earth.¹¹⁷⁵

Three of those gates open in the opposite side of the Heaven, three others in the Occident, three to the right and three left. The first three look to the Orient; the last three to the North. Those which are

¹¹⁷⁵ This refers to these elders of the creation who will descend into the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain” in the “Plane Below” to carry out their activities according to the ordinances established by the “Sealed Twelve”.

The “Twelve Gates” are the manifestations, in “THE FRAME OF REFERENCE OF THE ATTRIBUTE ‘NON DIVINE’” in the attribute “NON DIVINE”, of the metaphors of the twelve redundant “Divine Equilibrium Regions” of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”. Those “WINDS”, as well as their “SWIRLS”, in all their forms and powers, and which we have already mentioned in one previous chapter, are examples of applications of the concept of the “movement”, considered in its manifestations under all its forms and all scales, and the state of equilibrium expected from the “movement”. The path followed by those “WINDS” is an expression of the manifestation of “The Walk within the Acronym IHVH”.

placed on the right and left respectively look to the South and the Occident.

Through four gates come out the winds of blessing and salvation, and through the other eight winds of desolation. When they are on mission, they corrupt the Earth and its inhabitants, water and everything that lives in it.

The prince of these winds comes out through the gate placed in the Orient which tilts toward the South. That wind brings destruction, aridity, the suffocating heat and corruption.

From the second gate, which is in the Middle, come out equality or the just measure of all things, rain, fertility, safety and strength; from the last gate, turned to the North, come out the cold and aridity.

After these winds, come the northern winds which blow through three main gates; through the first, facing the Orient, escapes the hot wind.

But through the Middle gate exhales a pleasant odour, dew, rain, salvation and life.

From the third gate, to the Occident, come out the dew, the rain, the blight and perdition.

The breezes blow through three doors. From the seventh placed near one that looks to the South, come out the dew, the rain, the blight and perdition. From the one in the Middle come out rain, dew, life and salvation. From the third door, turned to the Occident, but approaching from the North, come out the clouds, ice, snow, rain and dew.

Then, in the fourth region, the western winds. From the first gate come out dew, rain, ice, cold, snow, and frost; from the door in the Middle, rain, dew, calm and abundance.

From the last, on the side of the South, come out aridity, destruction, drought and death.

Thus ends the description of the twelve gates placed at the four corners of the Heaven.

This is the scope of those activities that will be performed by these elders of the creation that descend down into the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain” in the “Plane Below”.

The destruction associated with these activities is the consequence of the “FATALITY”, caused by that “BETRAYAL” which the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had perpetrated against “THE DIVINE”, IHVH, our FATHER, on the afternoon of the Third Day of the implementation of the “Second Phase” of “THE HOLY PROJECT”, which has tied everything in the web of evil and perverse purpose of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”.

It is also these activities that CHRIST wanted to lead humans inhabitants of this earth to understand, when at their sight, HE had calmed the storm, as the human called Mathieu had reported in his testimony (Matthew 8:23-27) by saying:

“ ...

And when he got into the boat, his disciples followed him.

And behold, there arose a great storm on the sea, to the point that the boat was being swamped by the waves. And CHRIST however was asleep.

The disciples approached and woke him, saying, “Save us, Lord; we are perishing !”

And CHRIST said to them, “Why are you afraid, people of little faith?” Then, HE rose and rebuked the winds and the sea, and there was a great calm.

And the men marveled, saying, “What sort of man is this, that even winds and sea obey him?”

...”

You must understand that water, as you know, is a delineated part of the “Specific Energy ‘EARTHLY’ Substance” and it is formed by the “Specific Atomic ‘EARTHLY’ Substance”.

The “WINDS”, in all their forms and their intensities, are work tools manifested by these elders of creation who have received the task to perform these specific activities which allow to move not only “Specific Atomic ‘EARTHLY’ Substances”,

but also the products of the “specific work” accomplished by the layers of “Specific Atomic ‘EARTHLY’ Substances”.

The waves are “BEFOREHAND CREATED ENERGY DESIGNS” by “THE DIVINE ARCHITECT AND PROJECT MASTER” and formed by “THE DIVINE FORCE”, then, produced by “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” having the “FEMALE” adjective through the application of “WINDS” to delineated parts of the “Specific Energy ‘EARTHLY’ Substance”. Such waves depends on the intensity of these “WINDS”.

It is to those elders of the creation that CHRIST, by the authority on these elders of creation and that “THE DIVINE FORCE” had placed on him, was speaking to and ordering them to ease the intensity of the “WINDS” that they were producing.

This knowledge is given to you so that you can understand everything that is unfolding in the environment all around you and of which you can only perceive the results by your sight. It is so that, all the “natural phenomena” that you perceive through your sight, but cannot understand have been designed and are manifested into existence throughout the “Specific Energy ‘EARTHLY’ Substance” constituent of this first “Specific Energy ‘EARTHLY’ Habitation Domain” in which you live.

They are very numerous, countless myriads, these elders of the creation who perform such activities and they take turns continuously one after another in the execution of the tasks entrusted to them by “THE DIVINE FORCE”.

It is so that, when they come out of the “Specific Energy ‘CELESTIAL’ Domain” in the “Plane Above”, to perform their duties in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain” in the “Plane Below”, you will have the impression, by watching from far away, as if torrents of water are flowing from the top of a mountain, or as if torrents of lava are flowing from the top of a volcano; depending upon the activities that they will perform in the “Plane Below”.

But looking through “THE EYE OF DIVINE”, you come to see that these molten lavas are in fact the luminous bodies of these elders of the creation. It is this kind of things that are often shown to human creatures when they receive messages in “VISIONS”, so that they develop their capacity of discernment.

CHAPTER 206

ANNOTATION ON THE UNCONSCIOUS EXPRESSION OF THE ORGANIZATION OF THE “‘SPIRIT←SPIRIT’ BODY” OF THE “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ CREATURE” IN THE PARTICULAR TASK TO CHOOSE A “CHARACTER” FOR ONESELF

This is an excerpt¹¹⁷⁶ of the conversation that AZAZEL had held with the Archangel ZA’AFIEL and through which AZAZEL was trying to corrupt ZA’AFIEL. AZAZEL had held this same conversation with several others “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and had corrupted them as much as possible. He knew not that “THE DIVINE”, IHVH, our FATHER was seeing and listening all what they were saying.

“...

Archangel ZA’AFIEL:

Azazel hovered in a particular spot, and raised his hands over his head. The “air” (not literal air, of course) seemed to waver, and when he spread his arms apart, the Substance of Heaven thinned out, and revealed something I had not previously being aware of.

¹¹⁷⁶ These are part of the chronicles of the conflict of “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and in which they describe their prowess of the absence of “THE KNOWLEDGE OF THE DIVINE” and their works of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”. Some of these chronicles (which are incomplete) have already been delivered to the human by the name of David Aguilar, and are available online on the Internet.

AZAZEL:

Yes, I can see you are surprised. There is more to everything there is than you thought there was, isn't there, Za'afiel?

Archangel ZA'AFIEL:

I nodded in mute astonishment.

AZAZEL:

This is the plane upon which the new project will take place.¹¹⁷⁷

Archangel ZA'AFIEL:

I cannot really put into words what I saw. I do not have eyes in the spiritual realm... But I could perceive it was a massive amount of energy, concentrated, seemingly limitless, and all waiting to be harnessed and shaped.¹¹⁷⁸ "It is beautiful," was my first reaction, and I voiced it.

¹¹⁷⁷ He was now speaking about the "Plane Below"

¹¹⁷⁸ As we have indicated in the section concerning the "twenty-one" "Specific Energy 'Partially Spiritual' Domains", long before that the "SPIRIT←SPIRIT" 'CELESTIAL' Creatures" were "spoken" into existence, "THE DIVINE FORCE" chose the second plane in the "MURKY VOID" and on which SHE will produce into existence the second domain of habitation. SHE chose this second plane to be "Plane Below", that is the "EARTH".

Then, in this "Plane Below", "THE DIVINE FORCE" manifested into existence the "Specific Elementary 'SPIRIT' Particle", covering it with the "high density" "specific 'EARTHLY' coating" as "THE DIVINE ARCHITECT AND PROJECT MASTER" had designed it and defined it for this "Plane Below"; creating into existence the "Specific Elementary 'EARTHLY' Particle".

Subsequently, from the "Specific Elementary 'EARTHLY' Particle", "THE DIVINE FORCE" has produced into existence in this "Plane Below", inside the "MURKY VOID", the "Specific Energy 'EARTHLY' Substance", which is the equivalent of the "Specific Energy 'SPIRIT' Substance" in the "Specific 'SPIRITUAL' Environment".

As "THE DIVINE ARCHITECT AND PROJECT MASTER" had designed it, "THE DIVINE FORCE" had "NOURISHED" this "Specific Energy 'EARTHLY' Substance" and grew it by "EXPANSION" on a larger volume, nearly seventy billion years later, creating as such the crude "Specific Energy 'EARTHLY' Substance" which will be later shaped to form the first "Specific Energy 'EARTHLY' Habitation Domain", as "THE DIVINE ARCHITECT AND PROJECT MASTER" had also designed it to be immersed in the "Specific Septenary

AZAZEL:

Yes, it is. Everything stands in readiness for its unfolding, but MICHAEL delays its revelation to the rest of the Host.

Archangel ZA'AFIEL:

I am sure He has a good reason, perhaps it is not as ready as we perceive it to be.

AZAZEL:

You are sure, are you?

Archangel ZA'AFIEL:

I could see he was actually straining to not let something show. But I pointed it out by saying:

“

You must tell me what consumes your thoughts so deeply, Adonai. How can I help you? You have always been the first with encouragement or aid up until now. Can I not return this favor when you need it?

”

AZAZEL:

I have need of nothing. It is for your sake that I do this, your sake and all the Host.

Equilibrium Zone” of the first “Specific Formative Energy ‘EARTHLY’ Domain” with respect to the “Specific Generative Energy ‘EARTHLY’ Domain” in the “SPECIFIC SUPREME CONFIGURATION” of seven “Specific Energy ‘EARTHLY’ Domains”.

It is of this crude “Specific Energy ‘EARTHLY’ Substance” that these two “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” are speaking about. And to give you an impression of how they felt, you can stand on a bridge above a large river, a lac, or stand on a boat at sea, and observe the water underneath very carefully, think of it at the molecular level, and project yourself to stand in the “VOID” looking at this water that is stationary motion. Through its internal movement, the movement of its molecules, it is indeed “a massive amount of energy, concentrated, seemingly limitless” in what can be performed using such energy.

And just what is it you are doing? Why all this effort, why all this unease?

What do you know of unease¹¹⁷⁹, Za'afiel?

*Do you have any idea what has been happening inside my being since this started?*¹¹⁸⁰

*I have these movements in my essence that I cannot control. I perform actions I cannot explain at times.*¹¹⁸¹

¹¹⁷⁹ The “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” knew not that they had grown, in “THE SEAT OF THE INTELLECT” in their “‘SPIRIT←SPIRIT’ Body” as such and which enlivens the “Specific ‘CELESTIAL’ Garment”, the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, and the unease they were experiencing was a result of that “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” trying to preserve itself in front of the forthcoming manifestation of “THE TRUTH”.

1180 *“... Do you have any idea what has been happening inside my being since this started? ...”* is said to lead you to understand through discernment that the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had no knowledge of the existence of their “‘SPIRIT←SPIRIT’ Body” as such and which enlivens the “Specific ‘CELESTIAL’ Garment”.

“... *since this started?* ...” refers to the announcement of the “Second Phase” of “THE HOLY PROJECT”; all the “ADONA’IM” “*were shaken like a reed shaken by the wind*”, because of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” that they had in them.

¹¹⁸¹ The “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” knew not of the existence of their own “‘SPIRIT←SPIRIT’ Body” and its structures inside their “Specific ‘CELESTIAL’ Garment”. They knew not of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, the mould from which they were carved into existence in the “Specific Energy ‘CELESTIAL’ Substance” constituent of the “Specific Energy ‘CELESTIAL’ Domain”.

“... I have these movements in my essence that I cannot control. I perform actions I cannot explain at times ...” is said to lead you to understand through discernment that his “‘SPIRIT←SPIRIT’ Body” is fractured, cracked and broken, and no longer works in synchronization with the “Specific ‘CELESTIAL’ Garment”; just like what you see manifested on humans who suffers from dysfunctions of the central and/or peripheral nervous systems or who suffers from neurological disorders.

Archangel ZA'AFIEL:

He swept his hand toward the rift in the Substance, to the glowing nimbus of energy and continued,

AZAZEL:

I feel like that... swirling, beautiful, READY! But unfinished — unused. I am capable of so much more than this... avdoot.

Archangel ZA'AFIEL:

It seems Zephon was not the only one to whom new words were revealed. I shudder when I tell you what this one means: slavery¹¹⁸².

But Azazel was not finished yet, and in the meantime I was still being held speechless by his overflow of emotions.¹¹⁸³

It was as if not only the words, but the essence of Adonai Azazel was flowing into me, and my fear threatened to knock me right out of the air.

His restless turmoil flooded through me like poison, just as I felt it before. And still he continued, though I would have given anything if only he would stop.

The sense of calm that he (I now know) had tried to impose upon me had shattered, and the awful truth was revealed. The mighty Cherub before me was in pain.¹¹⁸⁴

¹¹⁸² As we have already indicated in one previous annotation, yes, “slavery”, that is the word and concept, which these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have used, already in those days, before that this Earthly world in which you now live was created into existence. That is how most of those higher ranking “ADONA’IM” and archangels at the highs of their “HUBRIS” perceived their fellow “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who were lower in the hierarchy of communication of ordinances of the “specific spiritual formation” of “THE CHURCH” from “THE SHEKINAH” and who were tasked to perform the actual work at the bottom of that hierarchy.

¹¹⁸³ Having also developed in him the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, he was vulnerable to the poison flowing out of AZAZEL. His “SPIRITUAL SHIELD” against “IMPURE” external input signals was weakened by the presence of that “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” in “THE SEAT OF THE INTELLECT” in his “‘SPIRIT←SPIRIT’ Body”.

AZAZEL:

All these things to do, no end to it all. We go from day to day, doing what They tell us, and never asking why. What is the “overall picture”¹¹⁸⁵, Za’afiel? Can you tell me that?

Archangel ZA’AFIEL:

Azazel had completely lost me at this point. Of course I had wondered about these things. Heaven is not a place of “blissful ignorance”, but of “blessed knowledge”¹¹⁸⁶.

But the same thoughts that caused me to thrill in expectation over the coming wonders seemed to cause exactly the opposite reaction in the Archangel.

¹¹⁸⁴ “THE DIVINE FORCE” intervened and showed him the truth, what had become of AZAZEL. At that time, because all “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had sent to oblivion “THE UNALTERABLE VOICE”, therefore, the Archangel ZA’AFIEL knew not that “THE DIVINE FORCE” had pulled him out of the misery caused by the flow of poison flowing out of AZAZEL.

¹¹⁸⁵ Like all “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, he had not grown “THE KNOWLEDGE OF THE DIVINE” in him, and none of them knew of the ins and outs of “THE HOLY PROJECT”, despite all the teachings that “THE DIVINE FORCE” poured on them during the whole duration of the implementation of the “First Phase” of “THE HOLY PROJECT” and which lasted roughly seventy billion years in “THE FRAME OF REFERENCE OF THE ATTRIBUTE ‘NON DIVINE’” in the attribute “NON DIVINE”.

We have explained this “overall picture” of “THE HOLY PROJECT” and its associated tasks using the concept of the “plant”, the “fruit” and the “LIGHT” that is hidden in the “LIGHT” in the chapter concerning the creation in existence of “THE CELESTIAL HOST”.

¹¹⁸⁶ As far as “THE KNOWLEDGE OF THE DIVINE” is concerned, Heaven is indeed a place of “blissful ignorance” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and not of “blessed knowledge”.

If Heaven had not been a place of “blissful ignorance” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” but a place of “THE KNOWLEDGE OF THE DIVINE”, then, this first “Specific Energy ‘EARTHLY’ Habitation Domain” in which live human creatures would not be in its actual state of absolute disaster.

AZAZEL:

*Will I forever serve in the Temple, or is there some bigger purpose to it all?*¹¹⁸⁷

Archangel ZA'AFIEL:

*So GABRIEL spoke truly! You are unsatisfied with your office?*¹¹⁸⁸

AZAZEL:

*I do not know what I am*¹¹⁸⁹, Za'afiel. *I just know something is not right.*¹¹⁹⁰

¹¹⁸⁷ Like all “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who knew not of the ins and outs of “THE HOLY PROJECT”, he also knew not how and why he had been “spoken” into existence.

¹¹⁸⁸ From the Archangel MICHAEL, AZAZEL had learned that others hierarchies of communication with “THE DIVINE”, others than the one already established through “THE SHEKINAH” and through which they indulged themselves of their “HUBRIS”, will be established from the new human creatures.

¹¹⁸⁹ As we have indicated already, to these “ADONA’IM” and those archangels and angels who were all covered by the “HUBRIS Spiritual Veil”, the announcement of the “Second Phase” of “THE HOLY PROJECT” was appalling, dreadful, rude, and terrible: it was “a bitter pill to swallow”, as if the “floor had vanished underneath their feet”; to put it as CHRIST will explain this later to human creatures, it was like if these elders of the creation “had found themselves in the middle of nightmares and confusing dreams”. The roots of their “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” and their “narcissism”, were shaken and their emotions and “Interpreted THOUGHTS” were “running wild”, locked inside their “HUBRIS Spiritual Veil” frozen in that mist of residuals of their own “Interpreted THOUGHTS”.

And it is those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who do not know who they are, who will later declare to whoever listened to them that they are “gods” and thus they will subject their following to absolute servitude towards them. Do you think that in the paradigm of the absence of “THE KNOWLEDGE OF THE DIVINE” in which these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” are living, they have finally figured out who they are themselves?

¹¹⁹⁰ He knew not that his “‘SPIRIT←SPIRIT’ Body” was fractured, cracked and broken, and no longer worked as “THE DIVINE ARCHITECT AND PROJECT MASTER” had designed it.

CHAPTER 206
ANNOTATION ON THE UNCONSCIOUS EXPRESSION OF THE ORGANIZATION OF THE
“SPIRIT←SPIRIT” BODY” OF THE “SPIRIT←SPIRIT” ‘CELESTIAL’ CREATURE” IN THE
PARTICULAR TASK TO CHOOSE A “CHARACTER” FOR ONESELF

EXTENDED ANNOTATIONS

“All these things to do, no end to it all. We go from day to day, doing what They tell us, and never asking why. What is the “overall picture”, Za’afiel?”

Like all “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, he had not grown “THE KNOWLEDGE OF THE DIVINE” in him, and none of them knew of the ins and outs of “THE HOLY PROJECT”, despite all the teachings that “THE DIVINE FORCE” poured on them during the whole duration of the implementation of the “First Phase” of “THE HOLY PROJECT” and which lasted roughly seventy billion years in “THE FRAME OF REFERENCE OF THE ATTRIBUTE ‘NON DIVINE’” in the attribute “NON DIVINE”.

As we have explained already, the achievement of the intended mission of a proper implementation of “THE HOLY PROJECT” has two aspects, as in any enterprise business: the strategic and the operational aspects, which complement each other. These two aspects answer the questions: “Is the business doing the correct things?” and “Is the business doing things correctly?” All these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, who like to qualify themselves as the “most intelligent children” of IHVH, starting with their leaders at the very top of their hierarchy with those who have self-proclaimed to have outgrown in intelligence and wisdom, “THE DIVINE”, IHVH, our FATHER, down to the least one, have failed to discern and understand what are the “correct things” for the achievement of the intended mission of a proper implementation of “THE HOLY PROJECT”; they have all failed to discern and understand the “divine realities”, which are the invisible treasure, the “LIGHT” that is hidden in the “LIGHT”, and that “THE DIVINE FORCE” has embedded into the rational activities, which were assigned to them.

They have been assigned the task of “THE GUARDIANSHIP OF THE SHEKINAH” in the “specific spiritual formation” of “THE CHURCH” from “THE SHEKINAH”, and everyone in “THE CELESTIAL HOST” could see them standing there around “THE SHEKINAH” and performing that task, they knew not the profound meaning of that task, they had developed no knowledge about what the “specific spiritual formation” of “THE CHURCH” is with respect to “THE DIVINE BODY”. Nonetheless, having failed to recognize “THE DIVINE FORCE” who was educating all and each of them through the process of education through enlightenment, they have failed to understand that the “overall picture” of “THE HOLY PROJECT” was depicted by the setting of the manifestation of a metaphor

of “THE DIVINE ATOM”: that setting was constituted by those seven Archangels — the first foremost six “ADONA’IM” and the Archangel MICHAEL — to whom was assigned that task of “THE GUARDIANSHIP OF THE SHEKINAH” in the “specific spiritual formation” of “THE CHURCH” from “THE SHEKINAH”, and by them as products of the manifested second expression into existence of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, which is “THE SHEKINAH”, “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’”. And none of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, who like to qualify themselves as the “most intelligent children” of IHVH, was able to figure out this “overall picture” of “THE HOLY PROJECT” and the setting in which they were performing their assigned tasks.

They

They have miserably failed to understand that through them, as “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, and through those tasks, which were assigned to them, “THE DIVINE”, IHVH, our FATHER, has enliven and gave consciousness to all the constituents elements of those “chemical reactions”, which take place within “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, and HE has manifested those constituents elements of those “chemical reactions”, by metaphors inside the attribute “NON DIVINE”. At the basis of all those products that are formed as well as those that are consumed in all their details in “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, are “chemical reactions”. “THE DIVINE”, IHVH, our FATHER, has “given body” to the constituents elements of those “chemical reactions”, the reactants, the products, and intermediates of enzymatic reactions, etc..., through those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” themselves as constituents elements of those “chemical reactions”, and those tasks, which were assigned to them, were meant to lead them to understand the multitudes of “chemical pathways and cycles” and other details of those “chemical reactions”, which represent the “LIGHT” that is hidden in the “LIGHT”. In a “chemical reaction”, the flow of reactants, products, and intermediates of enzymatic reactions, etc..., does not have “consciousness” — in the sense of the qualitative flow of inner states; this capacity by which an “energy” will take at any moment an immediate and direct knowledge, more or less complete and clear, of its existence, its states and its acts; that instant knowledge, unaccompanied by effort, of the experience as it presents itself — as such. Giving “consciousness”, giving the “token of life”, and giving the autonomous capacity of “FREE CHOICE”, and the capacity to understand, to those constituents elements of “chemical reactions” is what “THE DIVINE”, IHVH, our FATHER, has performed throughout the implementation of “THE HOLY PROJECT”. Of the “energy” products of the events, which take place in “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, HE

has made “creatures” endowed with “consciousness”. It is a VERY CHALLENGING TASKS, THE ULTIMATE CHALLENGE, which FATHER undertook to achieve with implementation of “THE HOLY PROJECT”.

We have explained this “overall picture” of “THE HOLY PROJECT” and its associated tasks using the concept of the “plant”, the “fruit” and the “LIGHT” that is hidden in the “LIGHT” in the chapter concerning the creation in existence of “THE CELESTIAL HOST”.

“...Heaven is not a place of “blissful ignorance”, but of “blessed knowledge”...”

As far as “THE KNOWLEDGE OF THE DIVINE” is concerned, Heaven is indeed a place of “blissful ignorance” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and not of “blessed knowledge”.

Take for example the very first task of “THE GUARDIANSHIP OF THE SHEKINAH” in the “specific spiritual formation” of “THE CHURCH” from “THE SHEKINAH”, and those seven Archangels — the first foremost six “ADONA’IM” and the Archangel MICHAEL — to whom was assigned that task. They were “spoken” into existence and with innate abilities that enable them to perform that task and over time they have all acquired dexterity in performing that task. But, did they understand the “why?” of that task and within the framework which was prescribed to them all around “THE SHEKINAH”? Did they understand that this framework which was prescribed to them all around “THE SHEKINAH” is an indication of the manifestation of a metaphor of “THE DIVINE ATOM”? Did they understand that by this framework that was prescribed to them all around “THE SHEKINAH”, “THE DIVINE”, IHVH, our FATHER, was indicating to them what HE has most precious and which HE has consolidated in HIMSELF? Did they understand that all the other tasks which were assigned to the other “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of “THE CELESTIAL HOST” were intended to make them understand what takes place inside “THE DIVINE ATOM”? Despite the fact that “THE DIVINE”, IHVH, our FATHER, through “THE DIVINE FORCE”, has told these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” repeatedly that they were merely manifestations of metaphors of “DIVINE PRIMARY WEALTH”, layers of HIS “DIVINE WEALTH”, did they understand that through them, as “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, the “energy” products of the events that take place in “THE DIVINE ATOM” were made “creatures” in the “‘SPIRIT’ Specific State” and given the autonomous capacity to “THINK”, to “REASON” and “MAKE DECISIONS”? NO, these seven

Archangels **DID NOT UNDERSTAND ANYTHING AT ALL**, and all the other “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures” of “THE CELESTIAL HOST” who have inherited the ignorance of these seven Archangels, they too did not understand anything at all. For, if they had understood these things, then their elders, who are those seven Archangels — the first foremost six “ADONA’IM” and the Archangel MICHAEL — would not be, after spending roughly 70 billion years in “THE FRAME OF REFERENCE OF THE ATTRIBUTE ‘NON DIVINE’” in the attribute “NON DIVINE” and which marked the duration of the implementation of the “First Phase” of “THE HOLY PROJECT”, asking themselves the question to know what is the “overall picture” of “THE HOLY PROJECT”? From their own saying, “...*We go from day to day, doing what They tell us, and never asking why...*”, they tell you that they **DID NOT UNDERSTAND ANYTHING AT ALL**. They have all miserably failed to extract “THE KNOWLEDGE OF THE DIVINE”, to understand the “LIGHT” that is hidden in the “LIGHT” and that “THE DIVINE FORCE” has embedded into their assigned task. Is such a situation that of “blissful ignorance” or that of “blessed knowledge”?

If one does not have knowledge of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” and that “THE DIVINE FORCE” had deployed abundantly in the “Specific Energy ‘CELESTIAL’ Domain”, as was and is still the case with all “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures”, then, one is asleep on the bed of ignorance, such creature is in “blissful ignorance”:

Having acquired and developed the dexterity in performing the tasks that one is assigned to, does not mean having “THE KNOWLEDGE OF THE DIVINE”.

But having “THE KNOWLEDGE OF THE DIVINE” will lead you to understand, with respect to “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, to acquire and develop the dexterity in performing the tasks that one is assigned to.

As we indicated in one previous annotation, proficiency and dexterity in executing tasks and the capacity to discern and extract “THE KNOWLEDGE OF THE DIVINE” that “THE DIVINE FORCE” has imparted in those tasks are two different affairs.

The capacity to discern and extract “THE KNOWLEDGE OF THE DIVINE” conveyed in those tasks is the key prerequisite to growth of the plant of “THE KNOWLEDGE OF THE DIVINE”, thus to growth of “THE SEAT OF WISDOM”, whereas proficiency and dexterity in executing those tasks have little, almost zero,

effect on the growth of the plant of “THE KNOWLEDGE OF THE DIVINE”, but are key to growth of “THE SEAT OF THE INTELLECT”. That, which is “PERFECT”, is obtained when proficiency and dexterity in executing those tasks goes hand in hand with discernment and extraction of “THE KNOWLEDGE OF THE DIVINE” conveyed in those tasks.

If Heaven had not been a place of “blissful ignorance” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” but a place of “THE KNOWLEDGE OF THE DIVINE”, then, this first “Specific Energy ‘EARTHLY’ Habitation Domain” in which live human creatures would not be in its actual state of absolute disaster.

“...So GABRIEL spoke truly! You are unsatisfied with your office?...”

From the Archangel MICHAEL, AZAZEL had learned that others hierarchies of communication with “THE DIVINE”, others than the one already established through “THE SHEKINAH” and through which they indulged themselves of their “HUBRIS”, will be established from the new human creatures.

Therefore, covered by the “HUBRIS Spiritual Veil”, AZAZEL coveted to have the new unique expression of “THE UNION” that “THE DIVINE”, IHVH, our FATHER, chose to express on the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, and which represented to them a threat to the existing hierarchy of communication with “THE DIVINE”, which had hitherto been already established through “THE SHEKINAH”.

You have here a prototype of conversation between two high ranking “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and a hint is made about something, which was said by another high ranking “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” other than these two, who are currently in conversation. It is thus that, through the expression “*So GABRIEL spoke truly!*”, you should understand through discernment that ALL these high-ranking “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” knew what was going on: from “word of mouth” and “gossips”, so as to say, they passed information to each others. NONE of these high-ranking “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” is exempt from guilt in the disaster in which they have plunged the implementation of “THE HOLY PROJECT”. Furthermore, the expression “*So GABRIEL spoke truly!*”, also implies that these high ranking “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” understood very well the concepts of “logical truth”, the concepts of that, which is “RIGHT” and that, which is “WRONG”.

“SPIRIT←SPIRIT” BODY” OF THE “SPIRIT←SPIRIT” ‘CELESTIAL’ CREATURE” IN THE
PARTICULAR TASK TO CHOOSE A “CHARACTER” FOR ONESELF

CHAPTER 207

ANNOTATION ON THE UNCONSCIOUS EXPRESSION OF THE ORGANIZATION OF THE “‘SPIRIT←SPIRIT’ BODY” OF AZAZEL AND HIS “PRE-EXISTING” INTENTION

This is an excerpt¹¹⁹¹ of the continuing conversation that AZAZEL had held with the Archangel ZA’AFIEL and through which AZAZEL was trying to corrupt ZA’AFIEL. AZAZEL had held this same conversation with several others “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and had corrupted them as much as possible. He knew not that “THE DIVINE”, IHVH, our FATHER was seeing and listening all what they were saying.

“ ...

Archangel ZA’AFIEL:

The sadness of sheemamon flowed over Azazel’s being, and he drew himself up to full height.

AZAZEL:

You disappoint me, Za’afiel. I always considered you a Cherub of some intelligence, of some perception.

¹¹⁹¹ These are part of the chronicles of the conflict of “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and in which they describe their prowess of the absence of “THE KNOWLEDGE OF THE DIVINE” and their works of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”. Some of these chronicles (which are incomplete) have already been delivered to the human by the name of David Aguilar, and are available online on the Internet.

I have shown you that I survived True Light with unveiled eyes.¹¹⁹²

I have spoken against MICHAEL, and I have not been subjected to mavet.

With all my words I have tried to show you the way I came to this understanding, that things need not be as they are.

We have no need of veils or tasks. They bind us, they make us weak. IHVH Himself created us to be strong!¹¹⁹³

Were we not meant to learn this so that we could fulfill our true potential?¹¹⁹⁴

אזאזל

¹¹⁹² He knew not that the structure of their “‘SPIRIT←SPIRIT’ Body” had been already destroyed when he had unveiled his “Specific ‘CELESTIAL’ Visual Structure” unprotected to the luminous radiation emanating from “THE SHEKINAH”. He knew not that it is thanks to “THE DIVINE FORCE” that he was still alive.

¹¹⁹³ That was the voice of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, speaking from “THE SEAT OF THE INTELLECT” in his cracked “‘SPIRIT←SPIRIT’ Body”. That is “blissful ignorance” in “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”.

¹¹⁹⁴ From the teachings that “THE DIVINE FORCE”, in “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”, taught these elders of the creation, they came to understand that their current state was far from the optimum state, which they could attain as celestial creatures. The word which was provided to them, translates into human language by “potential”.

Their “potential” status, which is that possible next status of growth of the plant of “THE KNOWLEDGE OF THE DIVINE”, towards the “HIGHEST PLENITUDE”, likely to be reached and of which the attainment is incompatible with the current conditions, the current facts, and with the current measurements gathered from the current status of the plant of “THE KNOWLEDGE OF THE DIVINE”, was unknown to them.

As we indicated in a previous annotation, the “potential” is measured by the difference between the “potential” status and the “current” status of the plant of “THE KNOWLEDGE OF THE DIVINE”; the “FULL POTENTIAL” is measured by the difference between (1) the status associated with the “HIGHEST PLENITUDE” and (2) the “current” status of the plant of “THE KNOWLEDGE OF THE DIVINE”.

A “potential” status is realized, or achieved, when the necessary conditions exist. And the road to attaining this “HIGHEST PLENITUDE”, the road to this “FULL POTENTIAL”, of “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, is a road built on the pillars of “PURITY” and “HOLINESS”, with “THE KNOWLEDGE OF THE DIVINE” as silver bricks;

Yes, I can see you are surprised. There is more to everything there is than you thought there was, isn't there, Za'afiel?

Archangel ZA'AFIEL:

"What potential is that, Azazel?" (I did not really want to know the answer, but I had a feeling he was about to tell me anyway.)

AZAZEL:

What else could it be, Za'afiel, but rulership? Rulership of ourselves, and of each other, and of the Kingdom itself! We are called the Sons of IaHVeH. Are we not to exert our freedom to do as we will?¹¹⁹⁵

Archangel ZA'AFIEL:

"I don't understand..." I began, but he cut me off.

AZAZEL:

Of course you don't. You have never thought of it! That's just it, none other of the Host has.

This is all I have thought about since... I can't even remember.¹¹⁹⁶

the material of construction of those silver bricks are the elements of "THE 'SPIRIT' REASON", and the cement that maintains those silver bricks together is the degree of presence of "THE SPECIFIC SPIRITUAL FORCE OF LIFE".

None of these elders of the creation understood such things, despite all the teachings that "THE DIVINE FORCE" poured on them using elements of "THE 'SPIRIT' REASON".

¹¹⁹⁵ "THE DIVINE FORCE", alongside the Archangel ZA'AFIEL who was still pure, was letting him see through the words spoken by AZAZEL, what was underneath the "Specific 'CELESTIAL' Garment" of the creature called AZAZEL: what ensues from the absence of "THE KNOWLEDGE OF THE DIVINE". Such was their understanding of attaining their full potential as celestial creatures.

¹¹⁹⁶ As you would have understood by now, all that, started right after the announcement of "Second Phase" of "THE HOLY PROJECT", before that the "'SPIRIT←LIGHT' 'EARTHLY' Creature" was created into existence, when these "pampered children", he and all of those "ADONA'IM", came to understand that "... None amongst them, who are elders of the creation, but a new creature [you, human creature, reading these writings] will receive

*If only I could make them understand. We are being limited by the Throne!*¹¹⁹⁸

As we have indicated already, during the unfolding of the “First Phase” of “THE HOLY PROJECT”, in their own eyes, these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” thought and saw themselves (and even in these days of today they see themselves) as great and powerful, and more beautiful than the names of grandeur that adorn them. Behind that façade of grandeur, there is only “obscurity”, the total absence of “THE KNOWLEDGE OF THE DIVINE”.

¹¹⁹⁸ Like all “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who knew not of the ins and outs of “THE HOLY PROJECT”, who knew not of the existence of their own “‘SPIRIT←SPIRIT’ Body” and its functioning with respect to “THE SHEKINAH”, “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’”, he also knew not that his very existence depended upon “THE SHEKINAH” through which, following the execution of the “Causal Precedence Relation of ‘THE PRAISE’”, each of them was receiving their crude “‘SPIRIT’ specific supply of subsistence”. He was laying out his business case with the purpose, for each of them, to sever their own “‘UMBILICAL CORD’”, which is their “‘SPIRIT→LIGHT’ CORD OF PRAISE”, to “THE SHEKINAH”, believing that they were eternal at the equal of “THE DIVINE”. IHVH, our FATHER, whom they have never managed to know.

Archangel ZA'AFIEL:

I rose to my feet. I didn't even know what I was doing¹¹⁹⁹, but I walked slowly closer to him, looked him directly in the eyes, and I said in a loud voice:

“

You are wrong! This thing you are speaking of... it cannot be! Even if we did “rule” each other, would we not still be prone to each other as we are now?

The only difference would be that each would seek to please himself first, not everyone else.

There is enough here for all, Azazel, this is —

”

*At that point, I said a new word of my own¹²⁰⁰. When I thought about these events later, I realize that **it was IHVH Himself providing us with new words to express the new concepts being spoken into existence.**¹²⁰¹ But having a word does not mean liking it.*

*I will not even pronounce what I said to him then. But translated, I said this: “**THIS IS SIN!**”*

Azazel did not even hear me. All trace of the loving Archangel I once knew had been dissolved into this new, cold creature.

¹¹⁹⁹ Because all “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had sent to oblivion “THE UNALTERABLE VOICE”, therefore, the Archangel ZA'AFIEL knew not that “THE DIVINE FORCE” took over and was now speaking directly through him (ZA'AFIEL).

¹²⁰⁰ Same as in the preceding annotation, he knew not that it was “THE DIVINE FORCE” who was speaking directly through him (ZA'AFIEL).

¹²⁰¹ As such, these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” tell you, using their own words, that all along the unfolding of the “First Phase” of “THE HOLY PROJECT”, they knew NOTHING about “THE DIVINE FORCE”, invisible to all of them, and who educated them through the process of education through enlightenment, as numerous as they were, working through them and guiding them. Since they had not seen anyone that existed before them, they knew not how they came into existence and they believed that they had no beginning; they believed that they were “eternal”, and they believed that they were doing things by themselves.

AZAZEL:

You think yourself so loyal, Za'afiel. You have no idea the power that awaits us!¹²⁰² Ever since I tore that "meaningless strip of Substance"¹²⁰³ from my eyes in the Temple, I knew the truth. Behold the thing which I am!¹²⁰⁴

אזאזל

¹²⁰² It was not enough for these "SPIRIT←SPIRIT" 'CELESTIAL' Creatures to have received the "AUTHORITY" that is defined by the ability to carry out several tasks simultaneously throughout well defined places in the attribute "NON DIVINE". It was not enough for them to extol themselves of their "AUTHORITIES", a "fame of oneself", everyone in himself. And it was not enough to pretend through the names of grandeur that adorn them, to see themselves in their own eyes (and even in these days of today they see themselves) as great and powerful, and more beautiful than those names of grandeur. In their "HUBRIS" of manifestations of metaphors of "DIVINE PRIMARY WEALTH", after the announcement of the "Second Phase" of "THE HOLY PROJECT", the most elders of these "SPIRIT←SPIRIT" 'CELESTIAL' Creatures, have set their greedy eyes on one thing: to acquire "POTENCY", which is the degree of possession of elements of "THE 'LIGHT' REASON", and which, inside the attribute "NON DIVINE", is a manifestation of a metaphor of the "Generative Power of 'THE DIVINE'", and which is attributed to the "SPIRIT←LIGHT" 'EARTHLY' Creature and which, as "THE DIVINE ARCHITECT AND PROJECT MASTER" had designed and established it, was to complete the "AUTHORITY" that is attributed to the "SPIRIT←SPIRIT" 'CELESTIAL' Creature", which itself, inside the attribute "NON DIVINE", is a manifestation of a metaphor of the "Formative Essence of 'THE DIVINE'".

¹²⁰³ Have you ever heard that "THE DIVINE", IHVH, our FATHER has given instruction to "THE DIVINE FORCE" to produce into existence, something meaningless? The "meaningless strip of Substance" that AZAZEL, in the depths of his absence of "THE KNOWLEDGE OF THE DIVINE", is talking about is the "protective veil", constructed using "Specific Atomic 'CELESTIAL' Substances" and that is part of the "Specific 'CELESTIAL' Garment" and, that every "SPIRIT←SPIRIT" 'CELESTIAL' Creature" must place in front of its "Specific 'CELESTIAL' Visual Structure" to protect it from the luminous radiation emanating directly from "THE SHEKINAH". AZAZEL, just as a "pampered child" who did not get what he wanted, has torn his "protective veil", as a token of defiance and rejection of "THE DIVINE", IHVH, our FATHER, and all that HE represents. He had not developed in himself any knowledge about "why?" he was into existence and under "which?" specifications he was maintained into existence. He was now on a rampage course to make a mess of the "Second Phase" of the implementation of "THE HOLY PROJECT".

¹²⁰⁴ This was the result of the "HUBRIS" of manifestations of metaphors of "DIVINE PRIMARY WEALTH" trying to preserve itself in front of the forthcoming manifestation of "THE TRUTH".

Archangel ZA 'AFIEL:

At that he stood back from me and spread his wings. I stepped back, and lowered my head, because he began to glow brightly — to my horror, he began to look like the inside of the Temple itself.

“Azazel!”, I said to him.

*But he continued to glow, and as he did so, his legs lifted ever so slightly off the ground. He floated there before me, with sparkles of luminous radiation framing his appearance, filling his appearance, and growing brighter by the moment.*¹²⁰⁵

"Azazel!" I said, even louder, when I saw that he was not responding.

AZAZEL:

*You will call me ADONAI! And soon... you will call me EL!*¹²⁰⁶

¹²⁰⁵ Covered by the “HUBRIS Spiritual Veil”, and in the covetousness to have the new unique expression of “THE UNION” that “THE DIVINE”, IHVH, our FATHER, chose to express on the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, unbeknownst to all others “ADONA’IM” providing “THE GUARDIANSHIP OF THE SHEKINAH”, AZAZEL had stolen a part of the “specific generative energy” produced by “THE SHEKINAH”, and he had concealed it in his “Specific ‘CELESTIAL’ Garment”.

He stole and hid it, using the knowledge of the spiritual “specific processes” he had acquired from his function in “THE GUARDIANSHIP OF THE SHEKINAH” and which allowed him to keep intact and regulate the “Specific ‘CELESTIAL←SPIRITUAL’ Frontier” of “THE SHEKINAH”.

¹²⁰⁶ Those were his aspirations to be “GOD”, not knowing that he is a creature defined only in the ““SPIRIT” Specific State”, a projection similar to a very small point in a two-dimensional plane, not knowing the mould from which he had been produced into existence.

He thus revealed the personality traits associated with “narcissism”, which, as we have already indicated, relates to the general functioning of the personality whose ultimate goal is the search by the subject for his own idealized and all-powerful image, either in that of others, or in the vision that others have of him, and not of a complementarity by another, different from oneself.

Archangel ZA'AFIEL:

Now I saw why he had brought me to this deserted corner of the Kingdom.

It was not merely to show me the rift in the Substance; he wanted no distractions when he revealed the utter darkness of his new appearance.

In front of me, Azazel's form began to change. His wings split apart and each half regenerated... he now had four. The two lower ones separated and each new pair developed into its full size. He now looked like one of the Seraph'im. And then, to the amazement of my veiled eyes, each of these were divided into two. He now had twelve sparkling wings, fanned out like flames from his back.¹²⁰⁷

He threw back his head and laughed, but I had never heard a laugh like it before. This was the sound of desolation, not delight. It sounded so empty, so void of essence... I stood there frozen.¹²⁰⁸

¹²⁰⁷ He had learned of their inner faculties of metamorphosis applied on their "Specific 'CELESTIAL' Garment". The twelve wings manifested are an indication of his aspiration to lead the entirety of "THE CELESTIAL HOST".

¹²⁰⁸ It is the same effects that the "'SPIRIT←SPIRIT' 'CELESTIAL' Creatures" will manage to project onto human creatures once they would have subjected them to their absolute servitude.

Always remember, as we have already indicated, that "THE DIVINE ARCHITECT AND PROJECT MASTER" has established the same fixed dimensions and functional particulars for the "'SPIRIT←LIGHT' Body" in the "'SPIRIT←LIGHT' 'EARTHLY' Creature" model, as those of the "'SPIRIT←SPIRIT' Body" in the "PRINCIPAL" instance of the "'SPIRIT←SPIRIT' 'CELESTIAL' Creature" model, so that it performs its due relevant role.

Regardless of the appearance, regardless of the shape taken by the "Specific 'CELESTIAL' Garment" of a "'SPIRIT←SPIRIT' 'CELESTIAL' Creature", it remains an external "Specific Energy 'CELESTIAL' Envelope" whose purpose is to cover the "'SPIRIT←SPIRIT' Body" of that "'SPIRIT←SPIRIT' 'CELESTIAL' Creature".

Do not let yourself be impressed or fooled by such appearance or by the strength that such "'SPIRIT←SPIRIT' 'CELESTIAL' Creatures" will display. Your "'SPIRIT←LIGHT' Body" and his "'SPIRIT←SPIRIT' Body" are of the same dimensions and structures, and you

AZAZEL:

Before this, Za'afiel, I WAS a "mistake"¹²⁰⁹, I WAS unfinished.

But now... behold my power. Have you ever seen an angel this glorified?¹²¹⁰

No angel am I... I have learned the secrets of the Temple. I have become like the Most High!¹²¹¹

possess elements of "THE 'LIGHT' REASON", which none of the "'SPIRIT←SPIRIT' 'CELESTIAL' Creatures" possess and have always desired to have.

¹²⁰⁹ That is a translation into the human language, of the same term, which these "ADONA'IM" have used to qualify the "new creature" — that is to say, you, as "'SPIRIT←LIGHT' 'EARTHLY' Creature" —, in those days, right after the announcement of "Second Phase" of "THE HOLY PROJECT", before that the "'SPIRIT←LIGHT' 'EARTHLY' Creature" was created into existence, when these "pampered children", he and all of those "ADONA'IM", came to understand that "... *None amongst them, who are elders of the creation, but a new creature [you, human creature, reading these writings] will receive and carry the manifestation of "THE UNION" ...*".

¹²¹⁰ As such, he gave a follow-up demonstration to his own sayings about the "*power that awaits [them]*", and on which these most elders of these "'SPIRIT←SPIRIT' 'CELESTIAL' Creatures" have set their greedy eyes: to acquire "POTENCY", which is the degree of possession of elements of "THE 'LIGHT' REASON", and which, inside the attribute "NON DIVINE", is a manifestation of a metaphor of the "Generative Power of 'THE DIVINE'", and which is attributed to the "'SPIRIT←LIGHT' 'EARTHLY' Creature" and which makes the "'SPIRIT←LIGHT' 'EARTHLY' Creature" akin to "THE SHEKINAH".

As we have indicated already, the "GLORY" is the word used symbolically to refer to the luminous radiation that characterizes the attribute "LIGHT" which describes the second attribute of "THE BODY OF 'HE WHO IS'", as well as any manifestation of a metaphor for the second attribute of "THE DIVINE BODY", and highlights the distinctive feature of the "divine energy" that emanates from "THE BODY OF 'HE WHO IS'" and makes it "ALIVE".

Therefore, when one speaks about the "GLORY OF 'THE LIGHT'", it is by reference to the radiance of this "LIGHT", as second attribute characteristic of "THE BODY OF 'HE WHO IS'", or of any manifestation of a metaphor of the "'LIGHT' Divine State".

To be "glorified", for a creature, means to radiate by oneself the likeness of the radiance of the created pure "LIGHT" emanating from "THE SHEKINAH".

¹²¹¹ As we have indicated already, in those days right after the announcement of the "Second Phase" of the implementation of "THE HOLY PROJECT", when they came to understand that "... *None amongst them, who are elders of the creation, but a new creature [you, human creature, reading these writings] will receive and carry the manifestation of "THE UNION" ...*", these "'SPIRIT←SPIRIT' 'CELESTIAL' Creatures" "lost their mind", in the

Archangel ZA'AFIEL:

As he raised himself effortlessly on his twelve wings and turned to leave me shuddering in defeat, I shouted out to him,

"Azazel, this is wrong! You cannot do this! You will unmake us all!"¹²¹²

But he was already gone, and I fell to my knees again.

sense that, they became insane, mentally unsound, and extremely foolish. That is what this ex-public figure of the circle of the "ADONA'IM" was revealing through his own behaviour and actions.

As such, were the depths of absence of "THE KNOWLEDGE OF THE DIVINE" in "THE CELESTIAL HOST", the depths of the "HUBRIS" of manifestations of metaphors of "DIVINE PRIMARY WEALTH" in AZAZEL, and the covetousness of the new unique expression of "THE UNION" that "THE DIVINE", IHVH, our FATHER, chose to express on the "SPIRIT←LIGHT" 'EARTHLY' Creature".

¹²¹² Through this expression, you should understand through discernment that ALL these high-ranking "SPIRIT←SPIRIT" 'CELESTIAL' Creatures" knew what was going on: from "word of mouth" and "gossips", so as to say, they passed information to each others, and as such, they have kept each other posted about the concept of "MAVET", the concept of "DEATH", the removal from existence, the return to nothingness, the new concept that has fuelled the disagreement and the "CONTROVERSY" between the Archangel MICHAEL and AZAZEL.

EXTENDED ANNOTATIONS

“But he continued to glow, and as he did so, his legs lifted ever so slightly off the ground. He floated there before me, with sparkles of luminous radiation framing his appearance, filling his appearance, and growing brighter by the moment.”

Covered by the “HUBRIS Spiritual Veil”, and in the covetousness to have the new unique expression of “THE UNION” that “THE DIVINE”, IHVH, our FATHER, chose to express on the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, unbeknownst to all others “ADONA’IM” providing “THE GUARDIANSHIP OF THE SHEKINAH”, AZAZEL had stolen a part of the “specific generative energy” produced by “THE SHEKINAH”, and he had concealed it in his “Specific ‘CELESTIAL’ Garment”.

He stole and hid it, using the knowledge of the spiritual “specific processes” he had acquired from his function in “THE GUARDIANSHIP OF THE SHEKINAH” and which allowed him to keep intact and regulate the “Specific ‘CELESTIAL←SPIRITUAL’ Frontier” of “THE SHEKINAH”.

He did so by thinking that with the passage of time, and with this “specific generative energy”, from “THE SHEKINAH”, hidden in him, he would not only be akin to “THE SHEKINAH” as the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” which was under project, but he would produce “LIGHT” by himself; that is, he would become a source of “LIGHT”, and which would also make him a “GOD” above of all the others “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of “THE CELESTIAL HOST”.

AZAZEL will use the knowledge of the spiritual “specific processes” he had from his function in “THE GUARDIANSHIP OF THE SHEKINAH” and which allowed him to keep it intact and regulate the “Specific ‘CELESTIAL←SPIRITUAL’ Frontier” of “THE SHEKINAH”, and then, he will diffuse on his “Specific ‘CELESTIAL’ Garment” the luminous radiation of this “specific generative energy” he had stolen and hidden in him, thus appearing as bright as “THE SHEKINAH”.

It is so that, several of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” mesmerised, in “FEAR” and trembling in front of this deliberated deception, product of his work of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, will join him in his transgressions of the rules and precepts that “THE DIVINE ARCHITECT AND PROJECT MASTER” has established and

the teachings that “THE DIVINE FORCE” taught them in order for them to grow in “THE KNOWLEDGE OF THE DIVINE”.

How can one characterize such behaviour coming from one of the firsts “ADONA’IM” who more over was transmitting his behaviour and values to the youngest ones? Is that blessed knowledge? Or is that “blissful ignorance” in “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”?

The action perpetrated by this elder of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, and who was providing “THE GUARDIANSHIP OF THE SHEKINAH”, was the very first theft felony perpetrated in the existence; the act of seizing fraudulently and whatever the procedure used, of that, which belongs to someone else, with the intention of depriving the owner of it permanently. And, the creature, AZAZEL, who perpetrated that theft felony, is the very first “thief” into existence. He was afterwards dismissed of all duties, to the same extent that you will not keep in function a bank security guard who has stolen gold ingots from the bank where the finest gold ingots in existence are stored and he is supposed to guard.

END OF EXTENDED ANNOTATIONS

As we have indicated already, AZAZEL was the “public figure”, the “spokesman”, of the “ADONA’IM” closed circle, and, before the announcement of the “Second Phase” of the implementation of “THE HOLY PROJECT”, he drew himself much more attached (in the sense of the emotional and moral attachment) to “THE DIVINE”, IHVH, our FATHER. After the announcement of the “Second Phase” of the implementation of “THE HOLY PROJECT”, when these “ADONA’IM” came to understand that “... *None amongst them, who are elders of the creation, but a new creature will receive and carry the manifestation of “THE UNION” ...*”, then in their absence of “THE KNOWLEDGE OF THE DIVINE”, they did not accept their disappointment gracefully. It is so that, AZAZEL, the “public figure” of the “ADONA’IM” closed circle, started to express aloud, what all the others “ADONA’IM”, including the Archangel MICHAEL, hid in themselves and had been quietly thinking about the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” under project and to be produced into existence.

Since these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, in their own words, “*had never known deficiency in anything, or an unfulfilled desire*”, it is so that AZAZEL had initiated his own “nefarious and despicable shadow scheming” to get

hold of the new unique expression of “THE UNION” that “THE DIVINE”, IHVH, our FATHER chose to express on the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

Through those conversations that AZAZEL had held with several others “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and had corrupted them as much as possible, he was busy laying his business case and getting stakeholders (those “ADONA’IM” and many of the most seniors archangels) on board of his own “nefarious and despicable shadow scheming”. What he was not aware of, was that he was also exhibiting to the whole CREATION, the defining characteristics of that which is now designated, amongst human creatures, as: the “pampered child” syndrome.

As you would know, a “pampered child” is a pejorative term aimed at children who, are in the absence of crucial knowledge about “why?” they are into existence and under “which?” specifications they are maintained into existence, had never had an unfulfilled desire, and who exhibit forms of problematic behaviour, as if it will be the end of their existence, when a new privilege, outside of their specifications, and granted to others, is denied to them.

Knowledge about “why?” someone is into existence and under “which?” specifications someone is maintained into existence, is crucial in this definition of “pampered child”, as that knowledge allows developing knowledge about “oneself”: who you are. When someone operates within specifications and knows “why?” he is into existence and under “which?” specifications he is maintained into existence, then one does not desires things that are “outside of the specifications” under which he is into existence, as they do not exist inside the sphere of one’s own specifications; all things that one desires are within specifications and are fulfilled, and in such situation, we do not speak of being “pampered”. The absence of that crucial knowledge about “why?” they are into existence and under “which?” specifications they are maintained into existence opens the door to a drift into the absence of responsibility and accountability.

Being pampered thus suggests a desire to drift away, to operate “outside of the specifications” under which someone is maintained into existence, a desire for more and more possession of privileges “not within own specifications” granted to others, and that is indeed the main aspect of being pampered: the road towards the absence of “PLENITUDE”. By not having that crucial knowledge about “why?” he is into existence and under “which?” specifications he is maintained into existence, a “pampered child” will appear comfortable having no consideration for others than himself; perceiving others as unworthy and inferior. The possession of this crucial knowledge about “why?” someone is into existence and under

“which?” specifications someone is maintained into existence, rather leads to have a great consideration for others; it leads on the road towards “PLENITUDE”.

It is so that, in the drift into the absence of responsibility and accountability, a “pampered child” is likely to be discontented, frustrated, irritable, disgruntled, plaintive, querulous, resentful, self-centered, unpleasant, even obnoxious to those around him, preoccupied by his own “Interpreted THOUGHTS” about the privilege that he does not have and is longing to have, and feeling victimized and even cheated if he do not get that privilege. A “pampered child” always has his own reasons according to his own “logic” to prove that he is entitled to everything he wants: “He wants what he wants when he wants it.” For that reason, he will appear and will be impulsive, and he will try to sabotage every project in which he will not be ranked first and will not get the particular privilege that is the object of that project. It is not enough for a “pampered child” to have all privileges already existing, he has to pretend to have even more than he has already; it is not enough to be admired, he has to be admired above everyone and praised by everyone, in the first place. For a “pampered child”, to possess more privileges means to be loved by his parents; “love” from his parents means receiving those privileges from his parents.

A “pampered child” also feels for example that he does not need to be polite, to have any consideration for his neighbour, because he can get away with being rude. He considers himself to be the most wonderful, sweet, humble, and benevolent creature. He identifies his preys and expects others to better love him and do everything he wants or, with a vengeance, he will stab them in the back while he smiles innocently.¹²¹³ He pushes himself to the front of the line, and small frustrations quickly become intolerable burdens. Mostly, however, since he cannot ever get enough, he appears insecure and is not aware that everyone around him is walking on eggshells. Such a creature is unhappy.

Having become a prolific liar in getting whatever he wants at any cost, and a skillful manipulator to get his way, the usual strategy of a “pampered child” for getting his way is to create a fuss publicly. If he is near you or walking with you, you will have no leverage, but you will pray for a miracle to keep you away from him. Sound familiar to you?

¹²¹³ All these defining and treacherous characteristics of the “pampered child” will be illustrated by these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” all along the “Second Phase” of the implementation of “THE HOLY PROJECT” and towards their neighbours “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, and starting with the destruction of the first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”.

As such, had become this “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” designated as AZAZEL, after the announcement of the “Second Phase” of the implementation of “THE HOLY PROJECT”. All those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who had declared themselves to be “gods” were in the same disastrous situation of a “pampered child” with their many disruptive behavioral patterns. None of them had developed in themselves any knowledge about “why?” they were into existence and under “which?” specifications they were maintained into existence. Since they did not know how they came into existence and they had not “seen” anyone that existed before them, it is so that they considered themselves to be “eternal” and did not bother themselves with such questions.

At the end of the “First Phase” of “THE HOLY PROJECT” and during the days after the announcement of the “Second Phase” of the implementation of “THE HOLY PROJECT”, when these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” were given the tasks to choose their own “Characters”, the defining characteristics of the “pampered child” are parts of those celestial truths of the “nature” that had emerged inside “THE SEAT OF THE INTELLECT” in the “‘SPIRIT←SPIRIT’ Body” of each of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, and was also afterwards sealed in them.¹²¹⁴ All those defining and treacherous characteristics of the “pampered child” will be illustrated by these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, who will do what their “nature” is, all along the “Second Phase” of the implementation of “THE HOLY PROJECT”, and towards their neighbours “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”; starting with the destruction of the first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”.

Those destructive behaviors, characteristics of a “pampered child” and, that you now see widespread amongst human creatures did not started with human creatures in the “Plane Below”, but they started in the “Specific Energy ‘CELESTIAL’ Domain” in the “Plane Above”, with these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, with the most elders of them: the “ADONA’IM”. All the evil deeds that you see widespread amongst human creatures did not started with human creatures in the “Plane Below”, but they have their origins in the “Specific Energy ‘CELESTIAL’ Domain” in the “Plane Above”, amongst these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”: it is the havoc that these “pampered children” “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have caused in the implementation of “THE HOLY PROJECT”.

¹²¹⁴ It is to make you understand such things that CHRIST has told you that, angels are like “children”.

CHAPTER 208

ANNOTATION ON THE MANIFESTATION OF “THE DIVINE”, IHVH, OUR FATHER, TO EZECHIEL

Later during the unfolding of the “Second Phase” of the realization of “THE HOLY PROJECT”, “THE DIVINE”, IHVH, our FATHER will also manifest Himself through “THE DIVINE FORCE”, in this way toward human creatures, by different expressions of concrete and living images of the acronym IHVH. But human creatures will not understand such manifestations, because the elements of “THE ‘SPIRIT’ REASON” assigned to them and which are parts of their “THE ‘SPIRIT→LIGHT’ REASON”, had been blurred and, as such, limit their portion of the “Realm of the ‘THOUGHTS’” and of their understanding.

It is so that, “THE DIVINE”, IHVH, our FATHER, through “THE DIVINE FORCE”, had sent to the human creature named EZEKIEL, a manifestation in the attribute “NON DIVINE”, of the metaphor of the acronym IHVH through the “Characters” that SHE had given to the archangels MICHAEL, URIEL, RAPHAEL, and CAMAEL, to signify to EZEKIEL who HE is and that all the archangels and angels that are in the “Specific Energy ‘CELESTIAL’ Domain” were called into existence, to follow His instructions, and EZEKIEL had described this manifestation by saying:

“..

I looked: a stormy wind came from the North, a great cloud, and a searing fire and, around, a clarity; in its middle, as a sparkling of vermeil in the middle of the fire.

And from the midst of it came the likeness of four living creatures; such was their appearance: they had a human likeness.

Each had four faces, and each of them had four wings.

יצירה ספר

Their legs were straight; their feet: like the hooves of a calf, glittering as sparkles polished bronze.

Human hands, under their wings, were turned in the four directions, so as their faces and their wings to all four; their wings joined one another. They advanced not sloping, but everyone right in front of himself.

As for the likeness of their faces, each had a human face. The four had, the face of a lion on the right side, the face of the bull on the left side, and all the four had the face of the eagle. Such were their faces.

As for their wings, spread upward, joined one another and two covered their bodies.

And each went straight forward; wherever the spirit would go, they went. They advanced not sloping.

They resembled living creatures. Their appearance was that of ignited flying sparks; it was like a vision of torches; among the living creatures it was like a back and forth movement; and then, there was the light of the fire, and out of fire, lightning.

And these living creatures were soaring in all directions: a vision of lightning.

I looked at the living creatures, and I saw a wheel upon the ground beside the living creatures, one for each face.

Here are what the appearance of the wheels and their structure were: they sparkled like the chrysolite and the four had the same likeness. As for their structure, they were nested one inside the other.

When they moved forward, they moved in the four directions without sloping as they moved.

The height of their rims frightened; and it was a multitude of sparks around their edge to all four.

When the living creatures moved forward, the wheels were advancing alongside them; and when the living creatures rose from the ground, the wheels rose.

Wherever the spirit¹²¹⁵ would go, they went, and the wheels rose at the same time; for the spirit¹²¹⁶ of the living creatures was in the wheels.

¹²¹⁵ "Spirit", is the word that the elders of the creation (the archangels and angels) use, to designate things or processes that they themselves cannot visualize, cannot perceive, and cannot explain.

¹²¹⁶ "the spirit of the living creatures was in the wheels" is the revelation concerning the purpose of the "SPIRIT←SPIRIT" 'CELESTIAL' Creatures" into existence: they were not created into existence to lead, to reign, or to dominate on anything or on whomever it be, or to be "served" by their neighbour, but rather they were created into existence to "serve" their neighbour, to "be in the service of their neighbour", to receive instructions and

When they moved forward, the wheels moved forward; and when those stopped, the wheels stopped; and when they rose from the ground, the wheels rose along with them; for the spirit of the living creatures was in the wheels.

Above the heads of the living creatures, there was the likeness of a firmament, sparkling like a shining Crystal; it stretched over their heads, well above.

Below the likeness of the firmament their wings were strained one toward another. Each had two covering their body.

And I heard that noise that did their wings when they were moving forward: it was the sound of great waters, the voice of the Almighty; the sound of a multitude, the sound of an army. When they stopped, they let down their wings.

There came a voice from above the likeness of the firmament which was above their heads.

And above the likeness of the firmament which was above their heads, such as a stone of lazulite, there was the likeness of a throne, and above of this likeness of a throne, there was the likeness as the appearance of a human, above, at the top.

Then, I saw as the sparking of bronze, as the appearance of a fire that enveloped him all around, in his upper half (above the level of kidneys); and in his lower half (below the level of kidneys), I saw the aspect of a fire and of a brightness, all around him.

It was like the rainbow: such was the appearance of the surrounding brightness. It was the aspect, the likeness of the glory of "THE DIVINE". I looked at it and I threw myself face on the ground; I heard a voice that spoke.

accomplish them, to be of great importance to their neighbour. The word "spirit", in this context, refers to "specific processes", which are invisible to these elders of the creation (archangels and angels) and, that "THE DIVINE ARCHITECT AND PROJECT MASTER" has established and predefined in the model of the "'SPIRIT←SPIRIT' 'CELESTIAL' Creature" and that define the purpose of these "'SPIRIT←SPIRIT' 'CELESTIAL' Creatures" into existence.

It said to me: "Son of MAN¹²¹⁷, stand upon your feet, and I will speak with you."

..."

"... a stormy wind came from the North, a great cloud, and a searing fire and, around, a clarity; in its middle, as a sparkling of vermeil in the middle of the fire.

...", is said to get you to understand that this is a message sent by "THE DIVINE". It is reminiscent of seeing a post office vehicle car coming far away and having a large envelope on its rooftop. The "Visionaries" from the "Celestial Christian Church", will understand this very quickly, as they are familiar with receiving this kind of messages.

The "*human face*", that is the shape and appearance of the human creature, is the "Character" that the Archangel MICHAEL had chosen for the realization of the "Second Phase" of "THE HOLY PROJECT", and to refer to "THE DIVINE", IHVH, our FATHER, which he had sought to know without success. In such "vision", the display of the likeness of the "*human face*" on such winged creature tells you that, that creature is a representation of the Archangel MICHAEL.

The "*face of the lion*", "*the lion*", that is the shape and appearance of the "'SPIRIT←SPIRIT' 'EARTHLY' Creature" called "*the lion*", is the "Character" that the Archangel URIEL had chosen for the realization of the "Second Phase" of "THE HOLY PROJECT", and to refer to the "'LIGHT' Divine State". In such "vision", the display of the likeness of the "*face of the lion*" on such winged creature tells you that, that creature is a representation of Archangel URIEL.

The "*face of the bull*", "*the bull*", that is the shape and appearance of the "'SPIRIT←SPIRIT' 'EARTHLY' Creature" called "*the bull*", is the "Character" that the Archangel RAPHAEL had chosen for the realization of the "Second Phase" of "THE HOLY PROJECT", and to refer to the "'GOD' Divine State" of which the "'LIGHT' Divine State" is the son. In such "vision", the display of the likeness of the "*face of the bull*" on such winged creature tells you that, that creature is a representation of the Archangel RAPHAEL.

¹²¹⁷ "Son of MAN" means: manifestation of the metaphor of the "'SPIRIT←LIGHT' INDISTINCT DIVINE FORM"; not to be confused with the designation of a descendant of the "'SPIRIT←LIGHT' 'EARTHLY' Creature", which is a secondary meaning.

The “*face of the eagle*”, “*the eagle*”, that is the shape and appearance of the “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creature” called “*the eagle*”, is the “Character” that the Archangel CAMAEL had chosen for the realization of the “Second Phase” of “THE HOLY PROJECT”, and to refer to “THE EYE OF THE DIVINE”. In such “vision”, the display of the likeness of the “*face of the eagle*” on such winged creature tells you that, that creature is a representation of the Archangel CAMAEL.

“... As for the likeness of their faces, each had a human face. The four had, the face of a lion on the right side, the face of the bull on the left side, and all the four had the face of the eagle. Such were their faces. ...” This packaged “four faces” in one concrete image is presented to lead you to understand that, it is about “THE DIVINE FORCE”. The concrete image itself is an attempt to form a representation of “THE DIVINE FORCE”, the source of all those four separated “images”, which make up the whole “four faces” image; and SHE is always omnipresent among and alongside human creatures. With what “images/symbols” would you represent that, which is “invisible” and present it to someone who can only “see” that, which is “visible”? It is “THE DIVINE FORCE” who gave those individual “images” to those Archangels, during the task, which SHE had assigned to them to choose a “Character” for one self.

“THE ‘SPIRIT’ REASON” is at the base of creation and manifestation into existence of such a concrete image that will be representative of a message of great significance. When human creatures do not understand such manifestation, it is because the elements of “THE ‘SPIRIT’ REASON” assigned to them and which are parts of their “THE ‘SPIRIT→LIGHT’ REASON”, had been blurred¹²¹⁸, and, as such, limit their portion of the “Realm of the ‘THOUGHTS’” and their understanding.

“THE DIVINE ARCHITECT AND PROJECT MASTER” and “THE DIVINE FORCE” go hand in hand and are conjoint and cannot be expressed in an understandable manner by elements of the first three subsets of “THE REASON”. It is for the purpose of wanting to represent this indivisible pair of “THE

¹²¹⁸ This blocking was caused by the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” in their “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, not having not accepted the fact that “THE DIVINE”, IHVH, our FATHER, chose to express on the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” the new unique expression of “THE UNION”, they had then, decided to destroy the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, blocking the elements of “THE ‘SPIRIT’ REASON” that are in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” and preventing it to subsequently to know its origin.

DIVINE”, using the elements of “THE ‘SPIRIT’ REASON”, that such manifestations are created into existence in the attribute “NON DIVINE”, as metaphors of aspects of the divine pair. It is a bit like to represent, or to project, in a three-dimensional space, an indivisible object located in a seven-dimensional space, or in a five-dimensional space, by a restricted and divisible projection in a two-dimensional or three-dimensional space; this, by using only the elements of the projection space, because not having an exact knowledge of the original indivisible object that is in a higher dimension.

Using a two-dimensional board, for example, how would you represent aspects of a full three dimensional object? Now consider a five-dimensional “PERFECT” object, how would you represent some of its aspects it in a three dimensional space? That is why you have those representations of creatures with four faces, in your dimension of existence. In dimensions of existence higher than your current one, such four-faces creatures are represented differently.

“... As for their wings, spread upward, joined one another and two covered their bodies. ...” means to say that, it is always through “THE DIVINE FORCE” that, messages coming from “THE DIVINE”, IHVH, our FATHER, are transmitted to His creatures, and “THE DIVINE FORCE” brings this message to him EZEKIEL and to be sent to human creatures, to the four corners of the Earth.

When the wings of an angel are deployed upward, that means: *“...I bring a message on behalf of “THE DIVINE”...”*, when the wings are later folded along the body, this means that the messenger has conveyed the message that he was carrying. The wings covering the body mean that he must not reveal who he is in order to bring the one who receives the message to develop capabilities to discern through the message that was given to him.

“... And each went straight forward; wherever the spirit would go, they went. They advanced not sloping. ...” means that “THE DIVINE FORCE” executes the instructions SHE receives from “THE DIVINE”, IHVH, our FATHER, and in any place designated, without ever deviate.

“... And these living creatures were soaring in all directions: a vision of lightning. ...” means “THE DIVINE FORCE” accomplishes the work entrusted to Her in any place designated in this first “Specific Energy ‘EARTHLY’ Habitation Domain” in which live human creatures, as well as in “Specific Energy ‘CELESTIAL’ Domain”.

“... a wheel upon the ground beside the living creatures, one for each face ...” is said to lead you to understand that “THE DIVINE FORCE” is at the origin of that, which is designated as the “movement” in all its forms. SHE is found in all “movement” and SHE is the “movement”. SHE also associates the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” to the work that SHE accomplishes, and SHE gives them tasks to perform.

“... Wherever the spirit would go, they went, and the wheels rose at the same time; for the spirit of the living creatures was in the wheels.” is said to lead you to understand that, it is “THE DIVINE FORCE”, invisible to all, who decides how SHE will accomplish the tasks entrusted to Her by “THE DIVINE”, and the tasks that SHE entrusts to the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” are all synchronized by “THE DIVINE FORCE”. “Spirit”, is the word that the elders of the creation (the archangels and angels) use, to designate things or processes that they themselves cannot visualize, cannot perceive, and cannot explain.

“the spirit of the living creatures was in the wheels” is the revelation concerning the purpose of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” into existence, the purpose that the “ADONA’IM” have concealed in their inner circle, since the announcement of the “Second Phase” of “THE HOLY PROJECT”: they were not created into existence to lead, to reign, or to dominate on anything or on whomever it be, or to be “served” by their neighbour, but, instead, they were created into existence to “serve” their neighbour, to “be in the service of their neighbour”, to receive instructions and accomplish them, to be of great importance to their neighbour.¹²¹⁹ The word “spirit”, in this context, refers to

¹²¹⁹ The most elders of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, those “ADONA’IM”, have understood all these things regarding their roles into existence, right after the announcement of the “Second Phase” of “THE HOLY PROJECT”, and before that the first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” who was called “ADAM” and, which means “The Eye of the ‘LIGHT’”, was even produced into existence. And, these “ADONA’IM” decided, in their “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, to inverse the roles, in defiance of all the instructions that they had received from “THE DIVINE”, IHVH, our FATHER, through “THE DIVINE FORCE”.

That is why, one amongst these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, who will self-proclaimed to have outgrown in intelligence and wisdom, “THE DIVINE”, IHVH, our FATHER, will say openly and aloud, what all the others “ADONA’IM” hid in them and were been quietly thinking, before that the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” was even produced into existence, saying:

“ ...

“specific processes”, which are invisible to these elders of the creation (archangels and angels) and, that “THE DIVINE ARCHITECT AND PROJECT MASTER” has established and predefined in the model of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” and that define the purpose of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” into existence.

The wheel is an object of circular shape, revolving around an axis passing through its center, which has multiple uses. It is, in fact, the essential part of most of the platforms allowing for displacement. Its purpose is to receive and transmit a movement. In these platforms allowing for displacement, the wheel does not have the role of the steering wheel which is the manual control platform connected by gears and wheelhouse parts to the guiding wheels of these platforms allowing for displacement. In these platforms allowing for displacement, the wheel does not have the role of the engine that gives the movement; the wheel does not have the role of the transmission belt, a wheel does not have the role of the driver.

If, in a platform allowing for displacement, the wheel would acquire consciousness and therefore decided by itself to no longer perform its role, but rather to take the role of the driver, or that of the engine, or that of the transmission belt, what would happen to such a platform allowing for displacement? This is what has become of the platform that is called “THE HOLY PROJECT” and the wheels that are called the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”.

“... Above the heads of the living creatures, there was the likeness of a firmament, sparkling like a shining Crystal; it stretched over their heads, well above. ...” is additional information to confirm that “THE DIVINE FORCE” is sent directly by “THE DIVINE”.

“... And I heard that noise that did their wings when they were moving forward: it was the sound of great waters, the voice of the Almighty; the sound of a multitude, the sound of an army. When they stopped, they let down their wings.

Shall I tell you what I know? These “humans” that He proposes to create — we are to be their servants!

I have learned the Elohim’s purpose for these angels of water and dirt. It is they, and not we, He proposes to make the heirs of all that is.

I for one will never bow to serve a physical being!

...”

...” to make you understand that all “THE CELESTIAL HOST” is also at work and directed by “THE DIVINE FORCE”.

“... There came a voice from above the likeness of the firmament which was above their heads. ...” to lead you to understand that, it is “THE WORD OF THE DIVINE”, emitted from “THE DIVINE DOMAIN” outside of the attribute “NON DIVINE”.

“... And above the likeness of the firmament which was above their heads, such as a stone of lazulite, there was the likeness of a throne, and above of this likeness of a throne, there was the likeness as the appearance of a human, above, at the top. ...”

That aspect of the human creature above the likeness of the firmament which was above their heads, is called by the word which is translated into human language by: “MAN” — and which is the “unique word” that “THE DIVINE ARCHITECT AND PROJECT MASTER” had assigned to the metaphor in the attribute “NON DIVINE” of the “‘SPIRIT←LIGHT’ INDISTINCT DIVINE FORM”, long before that the attribute “NON DIVINE” was created.

That aspect of the human creature above the likeness of the firmament which was above their heads, is also shown to lead to understand that the “Specific Energy ‘LIGHT’ Substance” is its own possession; it is above the “Specific Energy ‘SPIRIT’ Substance” and the “Specific Energy ‘CELESTIAL’ Substance”.

The “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” are manifestations of this metaphor of the “‘SPIRIT←LIGHT’ INDISTINCT DIVINE FORM”, and that is why each of those with the “MALE” adjective came to be called: “Man”.

It is so that, this manifestation to the appearance of the human creature above the likeness of the firmament which was above their heads, is that, which is associated with the “PLENITUDE” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

Just as this metaphor of the “‘SPIRIT←LIGHT’ INDISTINCT DIVINE FORM” is made manifest above the likeness of the firmament which was above the heads of the “Characters” associated with the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, likewise, as “THE DIVINE ARCHITECT AND PROJECT MASTER” had designed and established, the manifestations of this metaphor of the “‘SPIRIT←LIGHT’

INDISTINCT DIVINE FORM”, which are human creatures, are above all “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”.¹²²⁰

It is this same teaching that “THE DIVINE FORCE” had given to “THE FEMALE” and to “ADAM” so that they remember their “PLENITUDE”, because both of them, they have sunk into the ignorance caused by the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” they were fed with by the “ADONA’IM” and the others “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, who pretended to be the providers of their well-being and kept them in ignorance. Because “THE FEMALE” and “ADAM” had received this teaching, these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, who knew not about the existence of “THE DIVINE FORCE”, also who knew not how “THE FEMALE” and “ADAM” had received such teaching, have accused them to have eaten their “forbidden fruit”, to have broken the commandment that the Archangel MICHAEL gave them to stay away from such knowledge, and he was very quick to destroy these first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” and their forthcoming descendants, before that these “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” could come to truly understand their own “PLENITUDE” and to understand that they are on a scale of classification that is above that of any “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, including above the Archangel MICHAEL himself.

The “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, particularly the “ADONA’IM”, knew about this “PLENITUDE” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, right after the announcement of the “Second Phase” of “THE HOLY PROJECT”, long before that the first “Specific Energy ‘EARTHLY’ Habitation Domain” in which live human creatures was given form, and long before that the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” was created, and these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” did not accept this truth.¹²²¹ In their “HUBRIS” of manifestations of

¹²²⁰ As we have pointed out in the previous annotation, the most elders of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, those “ADONA’IM”, have understood all these things regarding their roles into existence, and also regarding their own status with respect to the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, right after the announcement of the “Second Phase” of “THE HOLY PROJECT”, and before that the first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” who has called “ADAM” and which means “The Eye of the ‘LIGHT’” was even produced into existence. And, these “ADONA’IM” decided, in their “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, to inverse the roles, in defiance of all the instructions that they had received from “THE DIVINE”, IHVH, our FATHER, through “THE DIVINE FORCE”.

¹²²¹ These events will be replicated among the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” at the advent of CHRIST into existence; especially with Herod who, having been told by the

metaphors of “DIVINE PRIMARY WEALTH”, they decided to destroy the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, blocking the elements of “THE ‘SPIRIT’ REASON” that are in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” and preventing it to subsequently to know his origin.

“... Then, I saw as the sparking of bronze, as the appearance of a fire that enveloped him all around, in his upper half (above the level of kidneys); and in his lower half (below the level of kidneys), I saw the aspect of a fire and of a brightness, all around him. ...”

This is said to lead you to understand that the “‘SPIRIT←LIGHT’ INDISTINCT DIVINE FORM” possesses elements of “THE ‘LIGHT’ REASON”. It is likewise with all manifestation of this metaphor of the “‘SPIRIT←LIGHT’ INDISTINCT DIVINE FORM”, which is designated by the “unique word” which is translated into human language by: “MAN”. That is, as a “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” (you, reading these writings), you have these elements of “THE ‘LIGHT’ REASON” inside yourself, and when you are in “PURITY”, then, you are also enveloped by such a fire and which is manifested on your “Specific Radiance ‘SPIRITUAL’ Aureole”.

“... It was like the rainbow: such was the appearance of the surrounding brightness. ...”

This is to remind the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” that the first “Specific Energy ‘EARTHLY’ Habitation Domain” in which they live, was once destroyed by the waters.

“... I looked at it and I threw myself face on the ground ...” are the manifestations of the effects that had been expected by the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, when in their “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, they had premeditated to destroy the human creature and submit it to their control, by declaring themselves to be at the top of the human creature. We shall explain this in the text of another section.

Magi that the child CHRIST, child KING was going to be born into existence, and wanting to protect his own “Throne”, not wanting to accept what the Magi had told him, then planned to erase the child CHRIST from existence before that the child CHRIST could come to understand who HE (CHRIST) himself is.

CHAPTER 209

ANNOTATION ON THE BROKEN VASE THAT HELD NO LIFE WATER

“...

The heart of he who is devoid of wisdom is in his mouth, like a broken vase holding no water, and his speech weighs as a burden on a journey.

...”

In the absence of “THE KNOWLEDGE OF THE DIVINE”, and covered by the “HUBRIS Spiritual Veil”, and in the logic distorted by the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” will not really understand why “THE DIVINE”, IHVH, our FATHER entrusted, through “THE DIVINE FORCE”, to His CHILDREN, “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, that HE much loved the same way and which had acquired enough knowledge, the particular task, to each of them, to choose a “Character” for oneself.

This absence of “THE KNOWLEDGE OF THE DIVINE” and the consequences of the absence of “THE KNOWLEDGE OF THE DIVINE” will be illustrated by the very statements of the “ADONA’IM”.

This is an excerpt¹²²² of AZAZEL’s speech to a large group of “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” he had invited in order for himself to make his case

¹²²² These are part of the chronicles of the conflict of “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and in which they describe their prowess of the absence of “THE KNOWLEDGE OF THE DIVINE” and their works of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”. Some of these chronicles (which are incomplete) have

about his conduct and demonstrate how he has outgrown IHVH in intelligence and wisdom; he knew not that he was actually in the process of revealing, to the whole CREATION, all the defining and treacherous characteristics of the “pampered child” who did not get what he wanted:

“...

My brethren, I know the confusion that has been resting upon you all since the day I truly awoke. But I have come before you today to set your minds at peace.

I will tell you all that I have seen, and will hide nothing, so that you will know I have done nothing in secret¹²²³, nor do I wish to conceal¹²²⁴ anything from my family the Host.

Many of you have heard this about me, and it is true, that I became dissatisfied with the tasks to which I was set by the Elohim¹²²⁵.

MICHAEL and IaH have ever kept us occupied with Their labors, and I was the first to find joy in the works which I did in Their Name.¹²²⁶

already been delivered to the human by the name of David Aguilar, and are available online on the Internet.

¹²²³ He acknowledges thus that all what he had done, even stealing a part of the “specific generative energy” produced by “THE SHEKINAH”, which he had standing right there concealed in his “Specific ‘CELESTIAL’ Garment”, and he acknowledge that is aware that he did all that at the sight of “THE EYE OF THE DIVINE”, with disregard of “THE DIVINE”, IHVH, our FATHER and with disregard of the “PURE, TRUTHFUL, AND AUTHENTIC LOVE” that “THE DIVINE”, IHVH, our FATHER had for him, AZAZEL, in particular.

¹²²⁴ Standing right there, he had concealed in his “Specific ‘CELESTIAL’ Garment”, the stolen “specific generative energy” produced by “THE SHEKINAH”. Two of his accomplices, who he has corrupted and who also held the task of “THE GUARDIANSHIP OF THE SHEKINAH”, were well aware of his felony of theft. As we have indicated already, having become a prolific liar in getting whatever he wants at any cost, and a skillful manipulator to get his way, the usual strategy of a “pampered child” for getting his way is to create a fuss publicly.

¹²²⁵ “The Elohim” is the term that these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” used at that time, to designate both “THE DIVINE”, IHVH, our FATHER and the Archangel MICHAEL, as if the two were in the “same league”. “THE DIVINE”, IHVH, our FATHER, is the unique seven dimensional “BEING”. HE IS “THE ABSOLUTE PURITY”.

Read more in the extended annotations at the end of this conversation.

You have also heard much about the Creation project, that new environment within the Void for which we have all been working to prepare recently.

I understand this undertaking very well — better than any standing here before me, and yet, when I offered my assistance to the Union, I was refused.¹²²⁷

For a long time, I said nothing. I asked myself many times why They would not allow me to help — was I not valued, after all?¹²²⁸

¹²²⁶ None of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, including the Archangel MICHAEL, understood that the tasks that were assigned to them, were for the purpose of their own education, so that they could come to understand who they are, how they came into existence, and most importantly “why?” they were into existence and under “which?” specifications they were maintained into existence. None of them understood that those tasks were not assigned to them randomly, but described a well defined pattern that revealed aspects of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, aspects of “THE DIVINE FORCE”, and aspects of “THE DIVINE”, IHVH, our FATHER; thus, “THE KNOWLEDGE OF THE DIVINE” that “THE DIVINE FORCE” had embedded into those tasks was somehow lost. They contented themselves with the “tip of the iceberg”. All the discourses that these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” are giving in the chronicles of their own conflicts, are outside of the sphere of “THE KNOWLEDGE OF THE DIVINE”; that is, they are the works of “pampered children” in obscurity and trying to deceive others to join their cause.

¹²²⁷ During all their existence in the “Specific Energy ‘CELESTIAL’ Domain”, none of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” grew in “THE KNOWLEDGE OF THE DIVINE” so as to understand or be aware of the “Causal Precedence Relation of ‘THE CREATION’”; despite all the tasks that “THE DIVINE FORCE” had entrusted them in order to lead them to understand the two causal precedence relations that define the orders of events through which the “Divine Products” arise into existence — that is the “Causal Precedence Relation of ‘THE CREATION’” — and remain into existence in their “Divine State” — that is the “Causal Precedence Relation of ‘THE PRAISE’”.

¹²²⁸ As we have already indicated in one previous annotation, it is not enough for a “pampered child” to have all privileges already existing, he has to pretend to have even more than he has already; it is not enough to be admired, he has to be admired above everyone and praised by everyone, in the first place. Those destructive behaviors, characteristics of a “pampered child” and, that you now see widespread amongst human creatures did not started with human creatures in the “Plane Below”, but they started in the “Specific Energy ‘CELESTIAL’ Domain” in the “Plane Above”, with these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, with the most elders of them: the “ADONA’IM”. All the evil deeds that you see widespread amongst human creatures did

The more I considered the matter, the less Their decision seemed pleasing to me. It occurred to me some time later, that... They had made a wrong (mistake)!

Yes, it is possible. And when I understood that not everything was as I thought it had been, my very eyes seemed different. If our Elohim could err in small matters such as this, how then, could I trust anything They had previously told me?¹²²⁹ And I began to question the validity of all that I knew.

I began to test the limits of those things which we have never done before. They were small things at first, such as performing a task in a way which had not been specified¹²³⁰, and then, eventually leaving things completely undone... but soon I decided to make one final test. Before the very Shekinah over which I have charge, I removed my veil.¹²³¹

not started with human creatures in the “Plane Below”, but they have their origins in the “Specific Energy ‘CELESTIAL’ Domain” in the “Plane Above”, amongst these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”.

¹²²⁹ Like all “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, he had not grown “THE KNOWLEDGE OF THE DIVINE” in him, and none of them knew of the ins and outs of “THE HOLY PROJECT”.

¹²³⁰ As we have explained already, the achievement of the intended mission of a proper implementation of “THE HOLY PROJECT” has two aspects, as in any enterprise business: the strategic and the operational aspects, which complement each other. These two aspects answer the questions: “Is the business doing the correct things?” and “Is the business doing things correctly?” All these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, who like to qualify themselves as the “most intelligent children” of IHVH, starting with their leaders at the very top of their hierarchy with those who have self-proclaimed to have outgrown in intelligence and wisdom, “THE DIVINE”, IHVH, our FATHER, down to the least one, have failed to discern and understand what are the “correct things” for the achievement of the intended mission of a proper implementation of “THE HOLY PROJECT”; they have all failed to discern and understand the “divine realities”, which are the invisible treasure, the “LIGHT” that is hidden in the “LIGHT”, and that “THE DIVINE FORCE” has embedded into the rational activities, which were assigned to them.

¹²³¹ He knew not that at very moment when he had removed his veil, his “‘SPIRIT←SPIRIT’ Body” as well as “The ALTAR of ‘THE DIVINE’” inside of his “‘SPIRIT←SPIRIT’ Body” had fractured, cracked and broken by contact with this luminous

When I saw that no harm came to me, I perceived the great freedom of operating outside of the Throne's influence. Even in that most sacred spot, I was no longer a servant of Heaven. I was no longer an angel... I was something else. I saw that I was no longer Adonai, but EL.¹²³²

I saw that I alone had learned the secrets of IaH, that He IS only because He says He is. Well, I say the same: I AM. And when I saw that I was, I looked at myself, and I found my power.¹²³³

¹²³² The "'SPIRIT←SPIRIT' 'CELESTIAL' Creatures" knew not of the existence of their own "'SPIRIT←SPIRIT' Body" and its structures inside their "Specific 'CELESTIAL' Garment"; moreover he could not see the actual state of his "'SPIRIT←SPIRIT' Body".

So were the depths of absence of "THE KNOWLEDGE OF THE DIVINE" in "THE CELESTIAL HOST", the depths of the "HUBRIS" of manifestations of metaphors of "DIVINE PRIMARY WEALTH" in AZAZEL, not knowing that his domain of "THOUGHTS" was delineated by the elements of "THE 'SPIRIT' REASON" (that is, "THE REASON of the First Order"). He declared himself to be of "THE 'DIVINE' REASON" (that is, "THE REASON of the Seventh Order"), which will never be made available in the attribute "NON DIVINE". It is like an ant on earth, where live human creatures, declares itself to have become the Solar star.

¹²³³ As we have indicated already, in those days right after the announcement of the "Second Phase" of the implementation of "THE HOLY PROJECT", when they came to understand that "... None amongst them, who are elders of the creation, but a new creature [you, human creature, reading these writings] will receive and carry the manifestation of "THE UNION" ...", these "'SPIRIT←SPIRIT' 'CELESTIAL' Creatures" "lost their mind", in the sense that, they became insane, mentally unsound, and extremely foolish. That is what this ex-public figure of the circle of the "ADONA'IM" was revealing through his own behaviour and actions.

None of the "'SPIRIT←SPIRIT' 'CELESTIAL' Creatures" knew what was the meaning of the acronym IHVH and they knew not why "THE DIVINE" had told them, through "THE DIVINE FORCE", that HE is "HE WHO IS".

In all this display of "blissful ignorance", "'SPIRIT←SPIRIT' 'CELESTIAL' Creatures" were listening, mesmerised, and feeding themselves on the poison that AZAZEL was giving them.

¹²³⁴ The saddest thing in all this madness is that AZAZEL was beloved of “THE DIVINE”, IHVH, our FATHER, and in his absence of “THE KNOWLEDGE OF THE DIVINE”, he knew not that, like all “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, he was attached to the attribute “NON DIVINE”, and that for him to be into existence, “THE DIVINE FORCE” had applied proportionality factors that made him (AZAZEL) at least “ten billion” times smaller in every perspective than “THE DIVINE”. These things cannot be grasped within “THE ‘SPIRIT’ REASON”.

¹²³⁵ As such, the one who has been the public figure of the closed circle of the “ADONA’IM”, the second in command after the Archangel MICHAEL, and who had received the tasks to facilitate the education of the youngest “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, was revealing the whole extent of what he and those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of “THE CELESTIAL HOST” have extracted, about the “LIGHT” that is hidden in the “LIGHT”, and that “THE DIVINE FORCE” has embedded into the rational activities, which were assigned to them. Do you now understand why at their last appraisal by “THE DIVINE FORCE”, the measure of that extent of “THE KNOWLEDGE OF THE DIVINE”, which emerges from the “LIGHT” that is hidden in the “LIGHT”, was found to be almost equal to zero? After those almost 70 billions years that marked the duration of the “First Phase” of “THE HOLY PROJECT”, these “ADONA’IM” and the remaining “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of “THE CELESTIAL HOST” knew **NOTHING** about “THE DIVINE FORCE” and **NOTHING** about “THE DIVINE”, IHVH, our FATHER! These “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” lived in a paradigm of the absence of “THE KNOWLEDGE OF THE DIVINE”.

EXTENDED ANNOTATIONS

“... the tasks to which I was set by the Elohim ...”

“The Elohim” is the term that these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” used at that time, to designate both “THE DIVINE”, IHVH, our FATHER and the Archangel MICHAEL, as if the two were in the “same league”. “THE DIVINE”, IHVH, our FATHER, is the unique seven dimensional “BEING”. HE IS “THE ABSOLUTE PURITY”. HE is “THE ONE” from whom these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” originate, and whom they have failed to know. In front of “THE DIVINE”, IHVH, our FATHER, the Archangel MICHAEL is the shadow of a one dimensional point (not even a plane) which results from an orthogonal projection into the attribute “NON DIVINE” of the seven dimensional “BEING”, and that is to say, the Archangel MICHAEL is a “creature”, a “cartoon”, an “animated drawing”, drawn and painted into existence on the “specific paper” (or the drawing substance) designated as the “Specific Energy ‘CELESTIAL’ Substance” constituent of the “Specific Energy ‘CELESTIAL’ Domain”, by “THE HAND OF THE DIVINE”. A “creature”, a “cartoon”, an “animated drawing”, drawn and painted into existence on the “specific paper” by “THE LIVING HAND”, has a beginning and an end, as “THE LIVING INTELLIGENCE” which is behind “THE LIVING HAND” wants it to be. If “THE LIVING INTELLIGENCE” which is behind “THE LIVING HAND” wants to scratch or stop the existence of that, which “THE LIVING HAND” has drawn and painted into existence on the “specific paper”, it will do so at its own convenience. Through writings by “THE LIVING HAND”, “THE LIVING INTELLIGENCE” projects his own constructive “THOUGHTS” on the “specific paper” and how HE wants it to be. “THE LIVING INTELLIGENCE” behind “THE LIVING HAND” will never be in the “same league” with a “cartoon”, an “animated drawing”, drawn and painted into existence on the “specific paper” by “THE LIVING HAND”. Furthermore, and what worsen the comparison, if any there would be, is that, the Archangel MICHAEL is standing in “IMPURITY” caused by the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, in the absence of “THE KNOWLEDGE OF THE DIVINE”, in the absence of the knowledge of his own origin and fully covered by the “HUBRIS Spiritual Veil”.

In their absence of “THE KNOWLEDGE OF THE DIVINE”, these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had set in themselves that the Archangel MICHAEL, who is standing in “DISGRACE”, “IMPURITIES”, and “LIES”, was somehow in the “same league” with “THE DIVINE”, IHVH, our FATHER, who is standing in “ABSOLUTE PURITY”. The Archangel MICHAEL, a

“cartoon”, an “animated drawing”, drawn and painted into existence on the “specific paper”, which is defined by the “Specific Energy ‘CELESTIAL’ Substance” constituent of the “Specific Energy ‘CELESTIAL’ Domain”, by “THE HAND OF THE DIVINE”, and who did not know about “THE LIVING HAND” that wrote him into existence, was considering himself as been an “EQUAL” to “THE DIVINE”, IHVH, our FATHER, who is “THE LIVING INTELLIGENCE” behind “THE LIVING HAND”. As we have indicated already, to place things in perspective, so that you come to grasp the extent of insanity in which these “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures” had plunged themselves, imagine a situation where you have an earthly microbe, which can only be viewed using microscopic devices, which is somehow considered to be in the “same league” as the “Solar Star” that shines every day above the world in which you currently live. As such is the situation between “THE DIVINE”, IHVH, our FATHER and the creatures (be it celestial creatures or human creatures) into existence in the attribute “NON DIVINE”.

“I understand this undertaking very well — better than any standing here before me, and yet, when I offered my assistance to the Union, I was refused.”

During all their existence in the “Specific Energy ‘CELESTIAL’ Domain”, none of the “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures” grew in “THE KNOWLEDGE OF THE DIVINE” so as to understand or be aware of the “Causal Precedence Relation of ‘THE CREATION’”; despite all the tasks that “THE DIVINE FORCE” had entrusted them in order to lead them to understand the two causal precedence relations that define the orders of events through which the “Divine Products” arise into existence — that is the “Causal Precedence Relation of ‘THE CREATION’” — and remain into existence in their “Divine State” — that is the “Causal Precedence Relation of ‘THE PRAISE’”.

In those days right after the announcement of the “Second Phase” of the implementation of “THE HOLY PROJECT”, when these “ADONA’IM” came to understand that “... None amongst them, who are elders of the creation, but a new creature [you, human creature, reading these writings] will receive and carry the manifestation of “THE UNION” ...”, this ex-public figure of the closed circle of the “ADONA’IM” had requested that this manifestation of “THE UNION” be expressed on him instead. His request was rejected and he made several others requests to put his hand on this manifestation of “THE UNION”, which were also rejected. He also wanted to be able to enter inside “THE SHEKINAH” for “THE UNION”, and thought that access to “THE SHEKINAH” is a matter of a stroke of a

“magic wand”, not knowing about the “mould” from which he was “spoken” into existence; not knowing about the existence of his own “‘SPIRIT←SPIRIT’ Body”, and hence he could not understand that the “Specific Energy ‘SPIRIT’ Substance” constituent of his “‘SPIRIT←SPIRIT’ Body” cannot withstand, and will be immediately destroyed by, the luminous radiation, which emanates directly from “The ALTAR of ‘THE DIVINE’” inside “THE SHEKINAH”. The Archangel MICHAEL had told him many times that he cannot go inside “THE SHEKINAH”, at the risk of being destroyed by that luminous radiation, which emanates directly from “The ALTAR of ‘THE DIVINE’” inside “THE SHEKINAH”. But, in his obscurity and covetousness of the new unique expression of “THE UNION” that “THE DIVINE”, IHVH, our FATHER, chose to express on the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, this “pampered child” and ex-public figure of the closed circle of the “ADONA’IM” did not want to hear anything. Amongst the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, only the “‘SPIRIT←SPIRIT’ Body” in the “PRINCIPAL” instance of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, that is to say the Archangel MICHAEL, can enter inside “THE SHEKINAH” and stand in front of “The ALTAR of ‘THE DIVINE’” for “THE UNION”. We have already explained this in one previous chapter.

See also the vision of the August 12, 2005, Aristide with “THE DIVINE”, with CHRIST, and with the Archangel MICHAEL.

“...I began to test the limits of those things which we have never done before. They were small things at first, such as performing a task in a way which had not been specified...”

As we have explained already, the achievement of the intended mission of a proper implementation of “THE HOLY PROJECT” has two aspects, as in any enterprise business: the strategic and the operational aspects, which complement each other. These two aspects answer the questions: “Is the business doing the correct things?” and “Is the business doing things correctly?” All these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, who like to qualify themselves as the “most intelligent children” of IHVH, starting with their leaders at the very top of their hierarchy with those who have self-proclaimed to have outgrown in intelligence and wisdom, “THE DIVINE”, IHVH, our FATHER, down to the least one, have failed to discern and understand what are the “correct things” for the achievement of the intended mission of a proper implementation of “THE HOLY PROJECT”; they have all failed to discern and understand the “divine realities”, which are the invisible treasure, the “LIGHT” that is hidden in the “LIGHT”, and

that “THE DIVINE FORCE” has embedded into the rational activities, which were assigned to them.

All specifications of the tasks that they were performing were given to them by “THE DIVINE FORCE” through the ordinances of the “specific spiritual formation” of “THE CHURCH” from “THE SHEKINAH”. Through the understanding of those specifications and the product of their work, all “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” were called to discern the particulars of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”; hence come to grow in “THE KNOWLEDGE OF THE DIVINE”. As you would know, a specification is a “blueprint” that provides all the information and operations requirements, which are necessary to bring something (e.g., a product, a task, a project, etc...) to fruition, efficiently and with standards of quality, in order to fulfill the role assigned to it. It formalizes the needs, detailing the expected functionalities of something (e.g., a product, a task, a project, etc...) that has been thoroughly analyzed beforehand and thus provides precise and detailed answers that are needed to bring it to fruition. Gaining a thorough understanding of specifications requires understanding the background, vocabulary, and fundamental concepts from which those specifications originate.

The very first task that was assigned to the firsts seven “ADONA’IM” was that of “THE GUARDIANSHIP OF THE SHEKINAH”. It is so that, the designations of those seven “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” to whom “THE DIVINE FORCE” has entrusted “THE GUARDIANSHIP OF THE SHEKINAH”, would also give them guidance on the descriptions of the seven subsets of the “Divine States” that are defined by “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”.

But the “ADONA’IM” could not see further than the words of these revelations, they had not understood that a whole “unique word” that is revealed into existence by “THE DIVINE”, IHVH, our FATHER, through “THE DIVINE FORCE”, is in fact a designation of an attribute which reveals a unique meaning and the unique particulars of “THE DIVINE”. They did not understand the existence of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, and therefore they could not understand the message that was placed in front of them through the symbolism of the seven surrounding “THE SHEKINAH”.

Even small tasks that “THE DIVINE FORCE” entrusted to AZAZEL, he could not discern any product of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”.

“... Before the very Shekinah over which I have charge, I removed my veil ...”

He knew not that at very moment when he had removed his veil, his “‘SPIRIT←SPIRIT’ Body” as well as “The ALTAR of ‘THE DIVINE’” inside of his “‘SPIRIT←SPIRIT’ Body” had fractured, cracked and broken by contact with this luminous radiation emanating directly from “THE SHEKINAH”, and which was transmitted through its “Specific ‘CELESTIAL’ Visual Structure” unprotected.

Remember the proportionality factors that define the laws of change of frame of reference, and remember that this luminous radiation emanating directly from “THE SHEKINAH” is only a “spark of light” which was created by “THE DIVINE FORCE” and which resembles “THE LIGHT” blessed. Although it is only a “spark of light” that resembles “THE LIGHT” blessed, “THE DIVINE FORCE” has endowed it with the most potent properties in the attribute “NON DIVINE”.

Although the speed of movement of the luminous radiation emanating directly from “THE SHEKINAH” is at least three thousand six hundred forty billion times slower than the speed of movement of the radiation of the true “LIGHT” which was not created and which lies within “THE DIVINE DOMAIN” outside the attribute “NON DIVINE”, however, it is instantaneous (very high) in relation to the speed of displacement of the fastest “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”.

It is the immediate “DEATH” of AZAZEL that should have followed at the very moment when he had unveiled and exposed his “Specific ‘CELESTIAL’ Visual Structure”, without protection, to the luminous radiation emanating directly from “THE SHEKINAH”.

But because HE loved His others “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” that much, His “CHILDREN” that were still at the stage of the “spiritual childhood” and were following the “ADONA’IM” by affinities and by conveniences, “THE DIVINE”, IHVH, our FATHER intervened through “THE DIVINE FORCE” at the very moment when this luminous radiation emanating directly from “THE SHEKINAH” broke the structure of the “‘SPIRIT←SPIRIT’ Body” of AZAZEL, and has thus maintained AZAZEL alive.

“...I will exalt myself above all of His angels, and rule, with all those who will join with me, all of Heaven. I will take all of you with me who wish to go, and we will be like the Most High Himself!...”

As such, the one who has been the public figure of the closed circle of the “ADONA’IM”, the second in command after the Archangel MICHAEL, and who had received the tasks to facilitate the education of the youngest “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, was revealing the whole extent of what he and those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of “THE CELESTIAL HOST” have extracted, about the “LIGHT” that is hidden in the “LIGHT”, and that “THE DIVINE FORCE” has embedded into the rational activities, which were assigned to them. Do you now understand why at their last appraisal by “THE DIVINE FORCE”, the measure of that extent of “THE KNOWLEDGE OF THE DIVINE”, which emerges from the “LIGHT” that is hidden in the “LIGHT”, was found to be almost equal to zero? After those almost 70 billions years that marked the duration of the “First Phase” of “THE HOLY PROJECT”, these “ADONA’IM” and the remaining “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of “THE CELESTIAL HOST” knew **NOTHING** about “THE DIVINE FORCE” and **NOTHING** about “THE DIVINE”, IHVH, our FATHER! These “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” lived in a paradigm of the absence of “THE KNOWLEDGE OF THE DIVINE”.

The joy, this state of gladness of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” was not based on “THE KNOWLEDGE OF THE DIVINE”. It ensues from the comfort of the work position held in the “GOVERNMENT” of the “Specific Energy ‘CELESTIAL’ Domain”; that is, in the hierarchy of communication of the ordinances of the “specific spiritual formation” of “THE CHURCH” from “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’”. The most comfortable being the “ADONA’IM” and the Archangels who are at the very beginning of this hierarchy of communication of ordinances of the “specific spiritual formation” of “THE CHURCH” from “THE SHEKINAH”.

It is so that, with the announcement of the “Second Phase” of “THE HOLY PROJECT”, all the “ADONA’IM” and those most comfortable “*were shaken like a reed shaken by the wind*”, because of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” that they had in them, and because they understood that they will lose their comfort, as others hierarchies of communication with “THE DIVINE”, others than the one already established through “THE SHEKINAH” and through which they indulged themselves of their “HUBRIS”, will be established from the new human creatures.

END OF EXTENDED ANNOTATIONS

As we have already indicated, this was the discourse of a “pampered child” adrift into the absence of responsibility and accountability, who did not get what he coveted and had set himself out to proceed further using the usual strategy of a “pampered child”, not knowing that he was actually revealing, to the whole CREATION, all his defining and treacherous characteristics. And these are the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” that have made you believe that they are “gods” above you “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, pulling you into their own insanity crises because they were not granted the “LIGHT” that has been attributed to you, and you are running after such creatures with your prayers and grievances. Do you understand the disastrous situation in which you are currently in?

To bring you to grasp this absence of “THE KNOWLEDGE OF THE DIVINE” in the whole of “THE CELESTIAL HOST”, consider the glimpse of the following situation, using the words that are acquainted to you.

“...

A Light source lies in a seven dimensional environment and in which there is no reflection or projection distinguishable and different from this Light: the reflected Light is always the original Light of the source and this Light is always its own projection.

This light consists of three basic essences and it can only be projected on a plane that is an external and on a two-dimensional environment. This Light cannot either be reflected by this two-dimensional external environment.

Such a projection is a manifestation, on the projection plane, of a metaphor of this Light.

This two-dimensional environment is very far away from the seven dimensional original environment.

It is so that, the projections of this Light, depending on the essence of the Light considered and the projection angle considered, are infinite (cannot be counted) when observed from the projection plane.

But when observed from the Light source in the seven dimensional environment, all projections of this Light are countable.

All these projections appear as very small “dots”, “infinitely small”, on the projection plane which is a two-dimensional environment;

the first dimension is associated with the essence of the Light and the second dimension is associated with the projection angle.

All these points are similar and have the same importance when observed from the Light source in the seven dimensional environment.

Although very far from the Light source, the closest point to this light source, according to the first dimension that is associated with the essence of the Light, is that, which corresponds to that, which is called in mathematics: the “orthogonal projection”.

After a short passage of time, a myriad of projections, following a single essence of the Light source, was produced on a well-defined plane and which is a two-dimensional environment.

All these small “dots” that correspond to these projections are animated on the projection plane and have received the awareness of their existence on this projection plane; but they do not have knowledge concerning the Light source and cannot see it directly because they are only projections.

Towards the end of this short passage of time, the point associated with the “orthogonal projection” of the Light source, following this essence of the Light that has been selected, not being able to understand its origin which is in a seven dimensional environment, and despite all the indications present on the projection plane, will declare itself to be more important than the other small “points” and establish itself above them, on this projection plane.

Another small “point” that is close to the “orthogonal projection” of the Light source, will do the same and in addition, this second small “point” which is on the projection plane in a two-dimensional environment, will declare itself to be the equal of the Light source; this Light source which it has no knowledge of and which is in a seven dimensional environment.

It is the monkey wrench that will follow, a great mess and total confusion over the entire projection plane in this two-dimensional environment, because all these projected small “points”, animated and conscious, despite all the indications present on the projection plane on which they are, do not know and have not been able to see

the Light source that is outside their environment and of which they are all projections on this well-defined plane.

CHAPTER 210

ANNOTATION ON “THE DIVINE FORCE” MANIFESTING HERSELF AMONG “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ CREATURES”

Despite all the teachings that “THE DIVINE FORCE” had poured on them during these nearly seventy billion years in “THE FRAME OF REFERENCE OF THE ATTRIBUTE ‘NON DIVINE’” in the attribute “NON DIVINE”, the “ADONA’IM” did not grow in “THE KNOWLEDGE OF THE DIVINE”; they did not even have knowledge of existence of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” from which they were “spoken” into existence as manifestation of products of this “DIVINE SUPREME CONFIGURATION”.

It is for the purpose to make understand this, that “THE DIVINE FORCE” says in parable that:

“...

I manifested Myself to them, up to entering the place which is located in the middle of their prison, being Verb, and I talked with them to the depths of their language.

I manifested Myself in the guise of their image and I wore their garment, to each, and I hid myself in them and they did not know HE who gives me power.

Because I am within the principalities as well as within the powers, and within the angels and within any movement that is in any matter, and I hid in them until I manifest Myself again.

And none of them has known Me, although it is Me who is in them, but they thought that they were the ones who created everything, being ignorant because they did not know their roots, the place where they had sprouted.

And I hid to them because of their “MALICE” and they have not known Me.

... “

“... *I manifested Myself to them, up to entering the place which is located in the middle of their prison, being Verb, and I talked with them to the depths of their language ...*” is said to lead to understand that “THE DIVINE FORCE”, under the name of “THE DIVINE WISDOM”, having created all of them into existence from the “Specific Elementary ‘SPIRIT’ Particle”, spoke to them directly from “THE SEAT OF THE INTELLECT” that SHE had built and placed in the “Specific Energy ‘SPIRIT’ Substance” constituent of “‘SPIRIT←SPIRIT’ Body” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”.

As you have understood already, any creature, be it a “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, a “Vegetal ‘EARTHLY’ Creature”, a “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creature”, a “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, or a “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature”, which “THE DIVINE FORCE” has produced into existence inside the attribute “NON DIVINE”, on instructions of “THE DIVINE”, IHVH, our FATHER, is a very complex signal processing system, which perform a wide variety of signal processing operations. The signals processed by these creatures are sequence of “electrical pulses” that represent samples of a continuous variable in a domain such as time, space, or frequency. Each “electrical pulse” can be represented by using a two-symbol basis: “on” and “off”, or “o” and “1”, and that is to say a binary code basis. The most fundamental layer of controlled vocabulary — the set of sequences of “electrical impulses” distinct and considered in their formation and meaning, and which define the “words” — and set of grammatical rules, which are based on the two-symbol basis, will define the “inner language”, or the “innermost language”, or “nethermost language”, or the “depths of the language” of the considered creature.

Although this “SEAT OF THE INTELLECT” was now imprisoned in the “HUBRIS Spiritual Veil” and could no longer see the illumination provided by “The ALTAR of ‘THE DIVINE’” in this same “Specific Energy ‘SPIRIT’ Substance” constituent of “‘SPIRIT←SPIRIT’ Body” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, “THE DIVINE FORCE” has worked around this “HUBRIS Spiritual Veil” and spoke to them directly in this “SEAT OF THE INTELLECT” using elements of “THE ‘SPIRIT’ REASON” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has restricted to this “SEAT OF THE INTELLECT”.

“... *being Verb ...*” is said by “THE DIVINE FORCE” to indicate that SHE, “THE DIVINE FORCE”, is the one who expresses the movement, the action, or the state

associated to any creature into existence inside the attribute “NON DIVINE”, and SHE takes different forms according to manners of being, times, creatures and number. “THE DIVINE FORCE” constitutes the core of the expression of everything that comes into existence inside the attribute “NON DIVINE”.

Inside the attribute “NON DIVINE”, “THE DIVINE FORCE” is the only one that can bear the marks of time and manners of being. SHE is the only one that cannot be removed from expressions of the creatures, which SHE brought forth into existence inside the attribute “NON DIVINE”, on instructions of “THE DIVINE”, without removing the entire expression of those creatures. SHE is “THE SCIENCE”, which is found in any structure of “created energy”. “THE DIVINE FORCE” is “THE PRESENCE OF THE DIVINE” and around which everything that comes into existence inside the attribute “NON DIVINE” is organized.

It is so that, in the scriptures, when you will read terms as “... *I am the Verb* ...” or “... *the Verb was with “THE DIVINE” in the beginning* ...”, etc..., you MUST understand that it is about “THE DIVINE FORCE” and no one else.

“... *I manifested Myself in the guise of their image and I wore their garment, to each* ...” is said to lead to understand that because the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” were not aware of “THE DIVINE FORCE” who spoke to them directly inside of “The ALTAR of ‘THE DIVINE’” in their “‘SPIRIT←SPIRIT’ Body”, then, “THE DIVINE FORCE” manifested Herself to them in their own form, under the aspect of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, wearing the “Specific ‘CELESTIAL’ Garment”, and spoke directly to each of them face to face, in the hope that these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” would come to understand from that, which they could see in front of them and which they were familiar with.

“... *I hid myself in them and they did not know HE who gives me power* ...” is said to lead to understand that every creature into existence in the attribute “NON DIVINE” is called, through discernment, to grow in “THE KNOWLEDGE OF THE DIVINE”. “THE DIVINE FORCE” manifested Herself under several forms to the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, without however explicitly telling them who SHE is, but the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” were unable to recognize Her and have not developed in them “THE KNOWLEDGE OF THE DIVINE”; Which is the meaning of: “... *they did not know HE who gives me power* ...”. The word “power” means “possession”, just as “THE DIVINE” is His own “possession”, “THE DIVINE” also gave this characteristic to “THE DIVINE FORCE”.

“... Because I am within the principalities as well as within the powers, and within the angels and within any movement that is in any matter, and I hid in them until I manifest Myself again ...” is said to lead to understand that, it is “THE DIVINE FORCE” who has manifested into existence the attribute “NON DIVINE” and all that this attribute “NON DIVINE” contains. The words “principalities”, “powers”, and “angels” refer to all “Angelic Orders”.

“THE DIVINE FORCE” is Herself the science that is hidden and is located behind any energy substance that SHE has manifested into existence in the attribute “NON DIVINE”. All what is in the attribute “NON DIVINE” is energy substance, be it the living creatures (archangels, angels, human creatures, etc.) or creatures that appear to be inanimate (soil, water, stars, etc...).

“... And none of them has known Me, although it is Me who is in them, but they thought that they were the ones who created everything ...” is said to lead to understand that, it is “THE DIVINE FORCE” who, through the degree of Her Presence in the “Specific ‘SPIRITUAL’ Environment” external and immediate around the “Specific Energy ‘SPIRIT’ Substance” in each “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, educated both “The ALTAR of ‘THE DIVINE’” which is covered by this “Specific Energy ‘SPIRIT’ Substance”, and “THE SEAT OF THE INTELLECT” in the “Specific Energy ‘SPIRIT’ Substance” and which has received autonomy to “MAKE DECISIONS”.

It is “THE DIVINE FORCE” who gave them Her teaching both directly inside of their “‘SPIRIT←SPIRIT’ Body” and through the ordinances of the “specific spiritual formation” of “THE CHURCH” from “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’”.

But despite all the teaching that “THE DIVINE FORCE” had poured on them during these nearly seventy billion years in “THE FRAME OF REFERENCE OF THE ATTRIBUTE ‘NON DIVINE’” in the attribute “NON DIVINE”, the “ADONA’IM”, elders of the creation, always thought that it was themselves who manifested into existence the creations of “THE DIVINE FORCE”.

“... being ignorant because they did not know their roots, the place where they had sprouted ...” is said to lead to understand that the “ADONA’IM”, elders of the creation, just as all the others “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of “THE CELESTIAL HOST”, did not have the knowledge of the existence of their own “‘SPIRIT←SPIRIT’ Body”, nor the existence of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model on which they had all been “spoken” into existence in the “Specific Energy ‘CELESTIAL’ Domain”; they had no knowledge of the

existence of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” from which they had all been “spoken” into existence as manifestations of the products of this “CONFIGURATION SUPRÊME DIVINE”.

“... And I hid to them because of their “MALICE” and they have not known Me ...” is said to lead to understand that the “ADONA’IM”, elders of the creation, took the decision to destroy the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, through a series of shenanigans, having no base and no stability, orchestrated and led by these “ADONA’IM”, those who SHE had chosen to educate in order to carry out the implementation of this “Second Phase” of “THE HOLY PROJECT”; a series of shenanigans whose sole outcome will be to discredit and destroy the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

Once “THE DIVINE FORCE” will understand that, then, “THE DIVINE” will withdraw His trust from the “ADONA’IM” and from all the other “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of “THE CELESTIAL HOST”, and it is thus that “THE DIVINE FORCE”, under the name of “THE DIVINE WISDOM”, will move away from these “ADONA’IM” and all the others “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”. We shall explain the details of this as we move forward in the text and in the sections which will follow.

CHAPTER 211

ANNOTATION ON THE PARABLE OF WORKERS OF THE ELEVENTH HOUR

CHRIST had already explained this to human creatures when he described to them in parables the events that took place in the “Specific Energy ‘CELESTIAL’ Domain”, saying (Matthew 20, 1-16):

“...

The situation in the kingdom of Heaven is indeed, comparable to that of a homeowner who came out in the early morning, in order to hire laborers for his vineyard.

He agreed with the laborers for a wage of one silver coin for the day and sent them to his vineyard.

Coming out about the third hour he saw others who stood on the square, without work, and he said to them:

“...

Come on in my vineyard, and I will give you what is right.

...”

They went.

Coming out again to the sixth hour, and then, to the ninth, he did the same.

About the eleventh hour he went out again, found others who stood there and said to them:

“...

Why did you stay here all day, without work?

...

They said to him: "Because no one has hired us."

He said to them: "Go, you too, to my vineyard."

When the evening came, the owner of the vineyard said to his steward:

"...

Call the laborers, and pay them their wages, beginning with the last, up to the first.

..."

Those of the eleventh hour came and each received a silver coin.

Now when the first came, they thought they would receive more; but each of them also received a silver coin. And on receiving it they grumbled at the householder, saying:

"...

These last worked only one hour, and you have made them equal to us who have borne the burden of the day and the scorching heat.

..."

But he replied to one of them:

"...

Friend, I am doing you no wrong; did you not agree with me for a silver coin?

Take what belongs to you, and go; I choose to give to this last as I give to you.

Am I not allowed to do what I choose with what belongs to me? Or do you begrudge my generosity?

..."

..."

"... The situation in the Kingdom of Heaven is indeed, comparable to that of a homeowner who came out in the early morning, in order to hire laborers for his vineyard. ..."

Is said to lead to understand that “THE DIVINE”, IHVH, our FATHER is the owner of the attribute “NON DIVINE” and all that it contains. The “vineyard” is here a metaphor for the attribute “NON DIVINE”.

“... He agreed with the laborers for a wage of one silver coin for the day and sent them to his vineyard. ...”

Is said to lead to understand that “THE DIVINE”, IHVH, our FATHER has established to feed these elders of the creation, all in the same way, on the “fruits” of “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” so that they can perform the tasks that HE would have assigned to them. And on each of them, HE will manifest a metaphor of His “DIVINE PRIMARY WEALTH” in the “‘SPIRIT’ Specific State”; it is referred to as “*a wage of one silver coin*”. The “*silver coin*” is the symbol of the measurement of the wealth in the world in which live “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”. There are also others types of coins, like the “gold coin”, which are also used as symbol of the measurement of the wealth in the world in which live “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”. In the parable, the “gold coin” is used to indicate the “‘LICHT’ Specific State”. Thus, when in such parable of the workers of the eleventh hour, CHRIST speaks of a “silver coin”, you MUST understand that He is speaking about something well-defined; namely, the “‘SPIRIT’ Specific State”, which is often referred to in the parable as “silver”. If you come to replace the “silver coin” by, let say, a “penny” or a “dinar”, or whatever ancient coin designation, which are also symbols of the measurement of the wealth in the world in which live “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, then those people who do not know about “THE DIVINE” and who will receive the message through you, will have difficulties understanding what CHRIST was talking about. Every little detail has its importance in the parable, just as in the communication by “VISIONS”.

“THE DIVINE”, IHVH, our FATHER does not have “silver coins”, in the sense of the symbol of the measurement of the wealth in the world in which live “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”. But HE has a very great “DIVINE WEALTH” that HE has subdivided Himself into countless “DIVINE PRIMARY WEALTH”, in different “Divine States”, and each having the same importance from the perspective of “THE DIVINE”.

Similarly, there are no “silver coins” in the “Specific Energy ‘CELESTIAL’ Domain”, in the sense of the symbol of the measurement of the wealth in the world in which live “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”. But rather expressions of the manifestations of metaphors of “DIVINE PRIMARY WEALTH” in the “‘SPIRIT’ Specific State”, on each of the elders of the creation. All the

“DIVINE PRIMARY WEALTH” are parts of the great “DIVINE WEALTH” of “THE DIVINE” and “THE DIVINE” has divided in Himself His great “DIVINE WEALTH” which is unlimited, and in countless “DIVINE PRIMARY WEALTH”.

It is each of these “DIVINE PRIMARY WEALTH”, manifested by metaphor in the “‘SPIRIT’ Specific State”, which is symbolically called here “one silver coin”; and “... *He agreed with the laborers for a wage of one silver coin ...*” (each), because each “DIVINE PRIMARY WEALTH”, manifested by metaphor in the “‘SPIRIT’ Specific State”, has the same importance with respect to the others “DIVINE PRIMARY WEALTH”, manifested by metaphor in the “‘SPIRIT’ Specific State”, from the perspective of “THE DIVINE”, and HE has manifested a unique metaphor of a “DIVINE PRIMARY WEALTH”, in the “‘SPIRIT’ Specific State”, on each “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”.

“... Coming out about the third hour he saw others who stood on the square, without work, and he said to them: “... Come on in my vineyard, and I will give you what is right. ...” They went. Coming out again to the sixth hour, and then, to the ninth, he did the same. ...”

Is said to lead to understand that for the task to be shared, and as the need was felt, “THE DIVINE”, IHVH, our FATHER has spoken into existence several other elders of the creation in the “Specific Energy ‘CELESTIAL’ Domain” and HE has assigned them specific tasks, a unique purpose to each, in “THE HOLY PROJECT”. On each of these other elders of the creation, “THE DIVINE”, IHVH, our FATHER will also manifest a unique metaphor of His “DIVINE PRIMARY WEALTH”; It is always “*a wage of one silver coin*”; and that is to say, a manifestation by metaphor of a “DIVINE PRIMARY WEALTH”, in the “‘SPIRIT’ Specific State”.

“... About the eleventh hour he went out again, found others who stood there and said to them: “... Why did you stay here all day, without work? ...” They said to him: “Because no one has hired us.” ...”

Is said to lead to understand that new needs and new tasks appeared just before the entrance to the end of the cycle associated with the “First Phase” of “THE HOLY PROJECT” — that is, “*the eleventh hour*”, the end of the cycle being defined by “*the twelfth hour*” — and it is then, that the “Next Phase” of the realization of “THE HOLY PROJECT” was announced. “THE DIVINE”, IHVH, our FATHER has established to assign these tasks to the new creatures: the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”.

"... When the evening came, the owner of the vineyard said to his steward: "... Call the laborers, and pay them their wages, beginning with the last, up to the first. ..." Those of the eleventh hour came and each received a silver coin. ..."

Is said to lead to understand that just as "THE DIVINE", IHVH, our FATHER has established it with the elders of the creation in the "Specific Energy 'CELESTIAL' Domain", these "'SPIRIT←LIGHT' 'EARTHLY' Creatures" will also be fed on the "fruits" of "PURE, TRUTHFUL, AND AUTHENTIC LOVE OF 'THE DIVINE'" so that they can also perform the tasks that HE will assign to them.

On each of these "'SPIRIT←LIGHT' 'EARTHLY' Creatures", HE will also manifest a metaphor of His "DIVINE PRIMARY WEALTH": it is the expression of "THE UNION" with "THE DIVINE", IHVH, our FATHER; it is always *"a wage of one silver coin"*, because each "DIVINE PRIMARY WEALTH" has the same importance with respect to the others "DIVINE PRIMARY WEALTH" from the perspective of "THE DIVINE". They complement each other to form a "WHOLE" which is: "THE DIVINE".

"... Now when the first came, they thought they would receive more; but each of them also received a silver coin. And on receiving it they grumbled at the householder, saying: "... These last worked only one hour, and you have made them equal to us who have borne the burden of the day and the scorching heat. ..."

Is said to lead to understand that in their "HUBRIS" of manifestations of metaphors of "DIVINE PRIMARY WEALTH", these elders of the creation have asked to have more than the same amount of "fruits" of "PURE, TRUTHFUL, AND AUTHENTIC LOVE OF 'THE DIVINE'" that "THE DIVINE", IHVH, our FATHER had established for these creatures coming into existence in the attribute "NON DIVINE", and more than the "DIVINE PRIMARY WEALTH" that "THE DIVINE", IHVH, our FATHER had chosen to express on the "'SPIRIT←LIGHT' 'EARTHLY' Creature".

"... But he replied to one of them: "... Friend, I am doing you no wrong; did you not agree with me for a silver coin? Take what belongs to you, and go; I choose to give to this last as I give to you. Am I not allowed to do what I choose with what belongs to me? Or do you begrudge my generosity? ..."

Is said to lead to understand that this request was rejected, and "THE DIVINE", IHVH, our FATHER, through "THE DIVINE FORCE", will explain in several ways

to AZAZEL who HE loved so much (hence the use of term “Friend”), why his request could not be met.

Covered by the “HUBRIS Spiritual Veil”, AZAZEL could not see and understand “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”, and just as him, the elders of the creation had not understood that the manifestations of the metaphors of “DIVINE PRIMARY WEALTH” that “THE DIVINE”, IHVH, our FATHER had expressed on each of them, each had the same importance from the perspective of “THE DIVINE”.

CHAPTER 212

ANNOTATION ON THE PARABLE OF THE WEEDS

CHRIST had illustrated this by using the Parable of the Weeds; this parable as all the others parables that HE will give to humans, has its origin in the “Specific Energy ‘CELESTIAL’ Domain” and explains these events that took place, and which take place at the point of “OBLIVION OF THE KNOWLEDGE OF THE DIVINE” in the “Specific ‘SPIRITUAL’ Environment”, and that are not immediately visible in the “Specific ‘NON-SPIRITUAL’ Environment”.

It is roughly in these words that CHRIST had emitted this parable of the weeds (Matthew 13, 24–30):

“...

The kingdom of Heaven may be compared to a domain in which a MAN sowed good seed in his field.

However, while people slept, his enemy came; he sowed weeds among the wheat and went away.

When the stem grew and produced the cob, then, the weeds also appeared.

The servants of the householder came and said to him:

“...

Lord, is it not good seed that you sowed in your field?
Where did the weeds then, come from?

...”

He said to them: “It is an enemy who has done this.”

The servants said to him: “Do you want us to remove it?”

He replied:

“...

No, by removing the weeds, you may pull out the wheat at the same time.

Let them grow together until the harvest; and, at the time of the harvest, I will tell to the reapers:

First remove the weeds, and bind them in bundles to be burned; as for the wheat, gather it up to place it in my attic.

...”

...”

“*The kingdom of Heaven*” refers to the “Specific Energy ‘CELESTIAL’ Domain”, the “MAN” still refer to “THE DIVINE”, IHVH, our FATHER.

The “*field*” refers to the “Specific Energy ‘SPIRIT’ Substance” pure and holy and constituent of “‘SPIRIT←SPIRIT’ Body” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, in “THE CELESTIAL HOST” as “INDISTINCT FORM OF THE SPECIFIC ENERGY ‘CELESTIAL’ SUBSTANCE”.

“*The good seed*” refers to the seed of “THE KNOWLEDGE OF THE DIVINE” in the “Specific Energy ‘SPIRIT’ Substance” constituent of “‘SPIRIT←SPIRIT’ Body” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, in the specifications as “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed it.

“... *people sleeping* ...” refers to the elders of the creation “asleep on the kudos of their innate skills” and who during their existence did not grew up in “THE KNOWLEDGE OF THE DIVINE”, but rather grew in them the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” to the point of reaching the point of “OBLIVION OF THE KNOWLEDGE OF THE DIVINE”.

“... *an enemy* ...” refers to that, which is adverse to “THE DIVINE”, IHVH, our FATHER; and subsequently, “... *an enemy* ...” is the absence of “THE KNOWLEDGE OF THE DIVINE”.

“... *the stem grew and produced the cob* ...” refers to each “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” who is awoken in “THE KNOWLEDGE OF THE DIVINE” and started to grow in “THE KNOWLEDGE OF THE DIVINE” to reach an

advanced stage of the “spiritual childhood” or to reach the stage of the “spiritual adolescence”.

The “weeds” refers to the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, which ensues from the absence of “THE KNOWLEDGE OF THE DIVINE”, and which took place in “THE SEAT OF THE INTELLECT” in the “‘SPIRIT←SPIRIT’ Body” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” in “THE CELESTIAL HOST”.

“... The servants of the householder came and said to him: “... Lord, is it not good seed that you sowed in your field? Where did the weeds then, come from? ...”...” refers to the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, which did not understand what was happening around them.

“... He replied: “... No, by removing the weeds, you may pull out the wheat at the same time. Let them grow together until the harvest; and, at the time of the harvest, I will tell to the reapers: First remove the weeds, and bind them in bundles to be burned; as for the wheat, gather it up to place it in my attic. ...”...”

Refers to the instruction that “THE DIVINE”, IHVH, our FATHER will give to “THE DIVINE FORCE” to purify the “Specific Energy ‘CELESTIAL’ Substance” from all filth, to destroy (*the weeds*”, that is) all the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” that have openly rejected “THE DIVINE”, IHVH, our FATHER and all that HE is, and which thus carried with them all their filth and the mark of “DEATH”, but to spare only (*the wheat*”, that is) the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who “in façade” had accepted “THE DIVINE”, IHVH, our FATHER and all that HE is.

CHAPTER 213

ANNOTATION ON THE CONVERSATION BETWEEN THE ARCHANGEL MICHAEL AND THE ARCHANGEL ZA'AFIEL, EXTRACTED FROM THE ARCHIVES ON THE UNFOLDING OF THE OPEN CONFLICT IN THE “SPECIFIC ENERGY ‘CELESTIAL’ DOMAIN”

“...

The heart of an evil doer is filled with falsehood in all its forms, and he who, scheming evil tricks, closes his eyes and closes his lips, has already done evil, by that very fact.

...”

With the announcement of the “Second Phase” of the implementation of “THE HOLY PROJECT”, the “ADONA’IM” who had reached an advanced stage of the “spiritual childhood” and entered in the “spiritual adolescence” stage, had understood that “THE DIVINE”, IHVH, our FATHER would manifest a new “DIVINE PRIMARY WEALTH” on the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” and which will make of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” a unique living expression of “THE UNION”. This expression of “THE UNION” will be able to move independently, just as the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”.

To some extent, the “ADONA’IM” who had reached an advanced stage of the “spiritual childhood” and entered in the “spiritual adolescence” stage, had understood this. They understood that this means a “GOVERNMENT” other than that of the “Specific Energy ‘CELESTIAL’ Domain”; that is, others channels of communication directly with “THE DIVINE”, IHVH, our FATHER and, thus, others hierarchies of communication with “THE DIVINE”, others than the one

already established through “THE SHEKINAH”, and through which they indulged themselves of their “HUBRIS”.

It is so that, covered by the “HUBRIS Spiritual Veil” and no longer able to see and recognize the “LIGHT” of “THE DIVINE”, the archangels MICHAEL and AZAZEL perceived the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” as a threat to their hierarchy of communication with “THE DIVINE” and through which they indulged themselves of their “HUBRIS”.

These “ADONA’IM”, in their “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, have not digested that “THE DIVINE”, IHVH, our FATHER had chosen to manifest the “‘SPIRIT←LIGHT’ INDISTINCT DIVINE FORM” on the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

In the section concerning the “PRIDE” and the absence of “THE KNOWLEDGE OF THE DIVINE” in “THE CELESTIAL HOST” which is at the origin of the “HUBRIS”, as well as in the preceding sections, we have already described a good part of this “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, in relation with the “‘SPIRIT←SPIRIT’ Body” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”.

It is so that, the “HUBRIS CONFLICT” took new dimensions in the “‘SPIRIT←SPIRIT’ Body” of the archangels MICHAEL and AZAZEL, with as only outcome: the destruction or the takeover of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”; because they could not attack directly “THE DIVINE”, IHVH, our FATHER, of whom they did not have knowledge about, and they will choose to go and unload their anger on the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, which, at this point in the unfolding timeline of the implementation of “THE HOLY PROJECT”, has not yet been produced into existence. They were not aware that they will be revealing further, to the whole CREATION, what has become an integral part of, and sealed in, their “nature”: the defining and treacherous characteristics of the “pampered children”, adrift into the absence of responsibility and accountability, who did not get what they coveted, and had set themselves out to wreak havoc as long as they have the courage, to inflict on their parent (“THE DIVINE”, IHVH, our FATHER), who did not give in to their caprices, as much miseries as they possibly can, and they will proceed forward using deceit, “MALICE”, the works of “HUBRIS”, the works of absence in “THE KNOWLEDGE OF THE DIVINE”, the works of “DEATH”.

The archangel MICHAEL and AZAZEL, will conclude between them the “HUBRIS COVENANT” giving to AZAZEL possession of the first “Specific Energy ‘EARTHLY’ Habitation Domain” in which “THE DIVINE”, IHVH, our FATHER

had planned to create into existence the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”. Having seen by himself all the destruction that AZAZEL was spreading in the “Specific Energy ‘CELESTIAL’ Domain”, the Archangel MICHAEL knew very well that this “HUBRIS COVENANT” meant the destruction of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”. This was a demonstration of a refined and cunning strategy of the “pampered children” to sabotage every project in which they will not be ranked first and will not get the particular privilege that is the object of the project in question. In this case, it was about the expression of “THE UNION”, and more particularly the elements of “THE ‘LIGHT’ REASON”, which has been attributed to the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” in the project to be produced into existence.

Through other conversations with others elders of the creation, the archangels MICHAEL and AZAZEL will reveal their “nefarious and despicable shadow scheming” without realizing that they were revealing, as such, the “HUBRIS COVENANT” that they had concluded between them in secret. One of these others conversation was the one between the Archangel MICHAEL and the Archangel ZA’AFIEL¹²³⁶.

This is an excerpt¹²³⁷ of the conversation between the Archangel MICHAEL and the Archangel ZA’AFIEL, while the state of “CHAOS” of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” contrary to the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”, spreaded in “THE CELESTIAL HOST”, and this happened long before the implementation of the “Second Phase” of “THE HOLY PROJECT” and long before that the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” will be created in the “Specific Energy ‘EARTHLY’

¹²³⁶ This is the name of grandeur, which means “Wrath of El”, and which adorns this “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” of the “QUERUB” angelic order. The names of grandeur are the designations by which these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” present themselves to others. These names follow the model: (“unique word” or attribute of the “DIVINE PRIMARY WEALTH”) to which the suffix “el” or “iel” is added, and which is the singularity used to refer to the property of “HE WHO IS ABOVE”. For example: MICHAEL, GABRIEL, RAPHAEL, URIEL, CAMAEL, etc...

¹²³⁷ These are part of the chronicles of the conflict of “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and in which they describe their prowess of the absence of “THE KNOWLEDGE OF THE DIVINE” and their works of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”. Some of these chronicles (which are incomplete) have already been delivered to the human by the name of David Aguilar, and are available online on the Internet.

Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”.¹²³⁸

“...

Archangel ZA’AFIEL:

When did this truly begin, Lord¹²³⁹, this wrongness¹²⁴⁰? What has happen to Adonai AZAZEL?

Archangel MICHAEL:

We knew this day would come.¹²⁴¹ We did not want it to, and I have certainly tried to prevent it in many ways, but We cannot rule¹²⁴² by force.

¹²³⁸ It is for the purpose to lead human creatures to understand such things that CHRIST will give them the parable of the Wedding Feast, as well as the parable of the workers of the eleventh hour, which we have already described in previous annotations.

Read more in the section concerning the details of annotations — Annotation on the parable of the Wedding Feast.

Read more in the section concerning the details of annotations — Annotation on the parable of the workers of the eleventh hour.

¹²³⁹ This is the “Lord”, referring to the Archangel MICHAEL, the self-declared “god” that you have written about, at great length, in the Scriptures that humans have in their possession, that they call “Holy Scriptures” and that they say to be “THE WORD OF GOD”, thus implicitly referring to “THE DIVINE”, IHVH, our FATHER.

¹²⁴⁰ The state of wrongness is actually the state of “CHAOS” of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” contrary to the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”.

¹²⁴¹ “THE DIVINE”, IHVH, our FATHER had explained, through “THE DIVINE FORCE”, to the Archangel MICHAEL the concept of “MAVET”, which means “MURKY VOID” (also return to the “MURKY VOID”) or erasure from the attribute “NON DIVINE”, which will be called “DEATH”.

SHE made it clear to the Archangel MICHAEL that with the ever increasing number of “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” that will be in the state of “CHAOS”, contrary to the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”, then, “The ALTAR of ‘THE DIVINE’” inside of “THE SHEKINAH” will provide increasingly much more “‘SPIRIT’ specific supply of subsistence”, in order to restore and maintain the “Specific Energy ‘CELESTIAL’ Substance” in the state of “HARMONY” with “THE DIVINE”. Ultimately, when the threshold of filth not permitted in the “Specific Energy ‘CELESTIAL’ Domain” will be reached, then, all those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’

*We cannot make Azazel want to be here.*¹²⁴³

*Should IHVH desires to do this, there could be no freedom.*¹²⁴⁴

Creatures” who carry in them filth and in their essence the mark of the “DEATH” will be destroyed from existence.

It is about the day associated with that threshold that the Archangel MICHAEL is speaking about.

¹²⁴² Yes! They saw themselves as monarchs who exerted sovereign power. For these “ADONA’IM”, the most comfortable at the very beginning of the hierarchy of communication of ordinances of the “specific spiritual formation” of “THE CHURCH” from “THE SHEKINAH”, who did not develop any substantial “KNOWLEDGE OF THE DIVINE” in them and did not know “why?” they were into existence, despite all the teaching that “THE DIVINE FORCE” had poured on them, they have set in themselves, in their absence of “THE KNOWLEDGE OF THE DIVINE”, that, the fulfilment of their true potential was to achieve and maintained “Rulership” — Rulership of themselves, and of each other, and of the Kingdom itself, and of course, rulership of their neighbour who was in project; for, they were called the Sons of IaHVeH. How they were going to achieve that “Rulership”, knowing that the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” was in project to be produced into existence, was the object of their “HUBRIS CONFLICT”.

Read more in the extended annotations at the end of this chapter.

¹²⁴³ With this expression, he is skillfully bringing up the subject, to grab the attention of and to put that “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, ZA’AFIEL, into context, about a foregone conclusion, which he has already made: the “HUBRIS COVENANT” with AZAZEL.

Read more in the extended annotations at the end of this chapter.

¹²⁴⁴ Keep in mind that expression “*Should IHVH desires to do this, there could be no freedom*” and remember it when we will describe the treatment that the Archangel MICHAEL will inflict on the first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” under the pretext that they have not obey to him and as part of his own “nefarious and despicable shadow scheming” to demonstrate to the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” his understanding of what “sin” is; is; he will be revealing, through his own actions, the evil and depraved state of mind, which he has been hiding in himself since those days right after the announcement of the “Second Phase” of the implementation of “THE HOLY PROJECT”, when they came to understand that “... *None amongst them, who are elders of the creation, but a new creature [you, human creature, reading these writings] will receive and carry the manifestation of “THE UNION” ...*”.

With such expressions, he is already pinning on “THE DIVINE”, IHVH, our FATHER, the responsibility of the actions, which he, the Archangel MICHAEL, has already resolved to carry; abusing “THE CONFIDENCE OF THE DIVINE”, who has kept him posted on the forthcoming events to occur inside the “Specific Energy ‘CELESTIAL’ Domain”, namely,

He must make his own choice, do what he wants to do, just as you must... just as you have. No one will experience mavet unless they choose to.

*As to when this began...*¹²⁴⁵

*The Kingdom of IaHVeH is like the light from the Inner Temple, Za'afiel. It is always shining, it is always bright, yet we do not always behold it directly, for the walls keep the Shekinah from blinding and absorbing all the Host with Its brilliance.*¹²⁴⁶

the erasure from existence of AZAZEL and all those “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures” who carried with them all their filth and the mark of “DEATH”. CHRIST already told you, about this, using the parable of the Weeds:

¹²⁴⁵ These “ADONA’IM” always try to evade giving answer to this simple question: “When did this state of wrongness began?”

As we have explained already, this began with their “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, long before the announcement of the “Second Phase” of “THE HOLY PROJECT”, but it had remained hitherto harmless. When the Archangel MICHAEL had declared himself “god” above his peers “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures”, then the noxious effects of their “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” started to become more manifested in “THE CELESTIAL HOST”. With the announcement of the “Second Phase” of “THE HOLY PROJECT”, when the Archangel MICHAEL and these “ADONA’IM”, the most comfortable at the very beginning of the hierarchy of communication of ordinances of the “specific spiritual formation” of “THE CHURCH” from “THE SHEKINAH”, came to understand that “... None amongst them, who are elders of the creation, but a new creature will receive and carry the manifestation of “THE UNION” ...”, then things turned sour and this “state of wrongness” has started to become perceivable and to emerge in more and more “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures”.

¹²⁴⁶ The vast majority of “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures” of “THE CELESTIAL HOST” had been careless of “THE KNOWLEDGE OF THE DIVINE” to the point that none could recognize the “LIGHT” of “THE DIVINE FORCE” through all the manifestations of metaphors of “DIVINE PRIMARY WEALTH” that SHE had expressed on “THE CELESTIAL HOST”, and which is always present and shines all around and outside of the “HUBRIS Spiritual Veil” frozen on “THE SEAT OF THE INTELLECT” in the “SPIRIT←SPIRIT” Body” in the “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures”.

What does the expression “...The Kingdom of IaHVeH is like the light from the Inner Temple, Za’afiel...” tells you about the extent of “THE KNOWLEDGE OF THE DIVINE” in the high-ranking “SPIRIT←SPIRIT” ‘CELESTIAL’ Creature” to whom it is addressed to?

In the same way, though it is always there, you can choose to look, or not to look. The Covering Querub is still in the presence of the Light of Heaven, yet he puts up walls, and will not look around them.

Archangel ZA'AFIEL:

So Azazel knows what he is doing is wrong¹²⁴⁷, but will not see why?

(I could conceive of this on some level, especially in light of recent events, but it seemed so alien a concept that it bothered me to even hear it expressed aloud in my own voice.)

Archangel MICHAEL:

I have explained it to him. His own friends have explained it to him,¹²⁴⁸ but he has changed his mind.

From that expression, do you think that he knew anything at all about “THE DIVINE”, IHVH, our FATHER? About “THE DIVINE DOMAIN”? About “THE DIVINE FORCE”? And how about the work that has been accomplished by “THE DIVINE FORCE”? What do you think is the extent of “THE KNOWLEDGE OF THE DIVINE” in younger “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures”?

¹²⁴⁷ And these are the same “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures” who, trying to bail themselves out of the disaster that they will unleash in the “Second Phase” of the implementation of “THE HOLY PROJECT”, will later tell to their neighbours “SPIRIT←LIGHT” ‘EARTHLY’ Creatures”, once they have destroyed them, that: “It took us [“SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures”] a while to wrap our minds around the concepts of “right” and “wrong”, ... and the human creature can much more easily grasp the idea of wrongness than we, who had never known deficiency in anything, or an unfulfilled desire.” Whereas this conversation between these two “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures”, as well as many others such conversations, in which they talked about these concepts of “right” and “wrong”, took place long before that the “Plane Below” was even given form.

¹²⁴⁸ All these “ADONA’IM”, the most comfortable at the very beginning of the hierarchy of communication of ordinances of the “specific spiritual formation” of “THE CHURCH” from “THE SHEKINAH”, including the chiefs of “Angelic Orders”, were aware of what was going on behind the scenes and the business that their leaders had already concluded among themselves in their own “nefarious and despicable shadow schemings”. They had chosen to make a fool of “THE DIVINE”, IHVH, our FATHER.

Archangel ZA'AFIEL:

Changed his mind?

Archangel MICHAEL:

I cannot explain it too directly to you at this time, for the Host will not be able to fully understand it until they see Sin demonstrated.¹²⁴⁹

But yes, “he has made the choice to not see the Light”¹²⁵⁰, to not listen to me, and he is in very great danger now as a result of that.

Archangel ZA'AFIEL:

Can this be prevented, MICHAEL?

¹²⁴⁹ This shows premeditation, that is to say, a deliberate intention, a conception put together to do something, to commit a culpable or tortious act, before it is done. It consists in the intention formed, before the action, to attack the person of a determined individual, or even of the one who will be found or encountered, even when this intention would be dependent on some circumstance or some condition. In common parlance, premeditation is the deliberate intention to commit an offense or a crime and constituting an aggravating circumstance in matters of homicide — that is to say, that, which serves to cause death, which denotes the intention to kill, which causes great suffering or serious harm —. Homicide is the act of killing one's neighbour, whether intentional or not. **Homicide, murder, committed with premeditation is designated as “assassination”, in terms of intentional assault and injuries.** Whatever the reason, homicide is considered one of the most serious crimes that can be committed. Homicide offenses require “planning” as an essential element.

¹²⁵⁰ The purpose of using this expression — “he has made the choice to not see the Light” — by these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” in the chronicles of the conflict of “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and in which they describe their prowess of the absence of “THE KNOWLEDGE OF THE DIVINE” and their works of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, and which they have delivered to the human by the name of David Aguilar, is meant to deceive humanity, in a very subtle way. The subtlety here resides in the use of words, expressions, and their mental representations.

Archangel MICHAEL:

*Yes, of course it can be prevented, but it will not be prevented.*¹²⁵¹

*The decision has always been Azazel's to make and despite my repeated warnings, he has persisted in his course.*¹²⁵²

*This began when he **MISUSED** the greatest gift that IHVH has given to the Host — the ability to choose.*¹²⁵³

¹²⁵¹ “THE DIVINE”, IHVH, our FATHER used to tell everything, through “THE DIVINE FORCE”, to the Archangel MICHAEL, and HE had made him understand the principles of functioning of “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — and the importance of maintaining a high enough, the degree of presence of “THE SPECIFIC SPIRITUAL FORCE OF LIFE” (that is, “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”) in the “Specific ‘SPIRITUAL’ Environment” external and immediate around of this First “Specific Energy ‘SPIRIT←LIGHT’ Bridge”.

¹²⁵² The dispute between the Archangel MICHAEL and AZAZEL had reached very large proportions and was already out of control. Driven by the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, neither of them wanted to “lose face” and in front of the entirety of “THE CELESTIAL HOST” and wanted to “have the last say”, the strongest argument, in their works of ignorance.

It is their following — the human creature in project — who will pay the price for their “HUBRIS” and to the detriment of “THE DIVINE”, IHVH, our FATHER, to the detriment of “THE DIVINE FORCE”, who are in “THE SUPREME PLENITUDE” and had educated all of them in “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”.

It is thus that: “*The columns of fire will fight each other and continue to sink into the abyss of ignorance*”.

¹²⁵³ As we have already revealed and explained, all this started in those days right after the announcement of the “Second Phase” of the implementation of “THE HOLY PROJECT”, when they came to understand that “... None amongst them, who are elders of the creation, but a new creature [you, human creature, reading these writings] will receive and carry the manifestation of “THE UNION” ...”. These “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” “lost their mind”, in the sense that, they became insane, mentally unsound, and extremely foolish.

Now, what does that “...he **MISUSED** the greatest gift that IHVH has given to the Host — the ability to choose...” actually means? Why would someone not “call a spade a spade”? Because the intent behind that “...he **MISUSED** the greatest gift that IHVH has given to the Host — the ability to choose...”, just like the intent behind the previous expression “he

Archangel ZA'AFIEL:

(I had so many other questions I wanted to ask, so much else I wanted Him to explain, but something He had said about seeing Sin demonstrated made me hold back.¹²⁵⁴

If He said I could not understand yet, I trusted Him, but I knew I would understand soon enough.

The way El MICHAEL had said those things, though... I had a feeling my education would not be a pleasant experience.)

"If we all have free will", I asked instead, "could this then, have begun in any of us? In me, for example?"¹²⁵⁵

Archangel MICHAEL:

Yes! You all had the potential for it, you all still do, and always will have the ability to not do good.

has made the choice to not see the Light", is to subtly deceive humanity, who is the end recipient of those chronicles of the conflict of "‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures" and in which they describe their prowess of the absence of "THE KNOWLEDGE OF THE DIVINE" and their works of the "HUBRIS" of manifestations of metaphors of "DIVINE PRIMARY WEALTH". The subtlety of the deception resides in the use of words, expressions, and their mental representations.

Read more in the extended annotations at the end of this chapter.

¹²⁵⁴ As you have noticed, the "...but something He had said about seeing Sin demonstrated made me hold back..." is meant to send you off track, to mislead you, about his (more precisely, since all the "ADONA'IM", the Chiefs of Angelic Orders, and the archangels knew what was going on, it is about their) knowledge, long before the creation of the "‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature", about what "Sin" is. They proceed as if they had lost their memory about what took place in the "Specific Energy ‘CELESTIAL’ Domain" and what will incriminate them in the unfolding disaster.

Read more in the extended annotations at the end of this chapter.

¹²⁵⁵ This is also an indication of the depths of "obscurity" in which all these "‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures" have plunged themselves into. As we have indicated already, despite all the teaching that "THE DIVINE FORCE" — THE INVISIBLE SHEPHERD OF PURITY AND HOLINESS — gave them, they have failed to discern the "LIGHT" that is hidden in the "LIGHT", and that "THE DIVINE FORCE" has embedded in the rational activities that SHE assigned to each of them. They were in the absence of "THE KNOWLEDGE OF THE DIVINE", they knew nothing about "THE DIVINE", IHVH, our FATHER, they were in "obscurity" and they were "obscurity".

Azazel declared the Kingdom to be based upon slavery¹²⁵⁶, but in this he is wrong.

Had this been so, the instant he chose to blind himself, he would have been removed from his position, from the Kingdom, from his own essence.¹²⁵⁷

Had this been so, none of this would be possible.¹²⁵⁸

¹²⁵⁶ The word “avdoot”, which translates to mean “slavery”, was uttered for the first time into existence by AZAZEL as he was trying to corrupt ZA’AFIEL, there in front of the Rift in the Substance. — see annotation on the unconscious expression of the organization of the “‘SPIRIT←SPIRIT’ Body” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” in the particular task to choose a “Character” for oneself —. As you would have understood by now, more “pairs of eyes” and more “pairs of ears” were attentively following and listening that conversation there, in front of the Rift in the Substance, between AZAZEL and ZA’AFIEL, as the current conversation between the Archangel MICHAEL and ZA’AFIEL took place right after in the timeline.

As we have already indicated in one previous annotation, yes, “slavery”, that is the word and concept, which these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have used, already in those days, before that this Earthly world in which you now live was created into existence. That is how most of those higher ranking “ADONA’IM” and archangels at the heights of their “HUBRIS” perceived their fellow “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who were lower in the hierarchy of communication of ordinances of the “specific spiritual formation” of “THE CHURCH” from “THE SHEKINAH” and who were tasked to perform the actual work at the bottom of that hierarchy.

¹²⁵⁷ Pay attention and examine carefully everything said by these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” in their chronicles of their own conflicts; for, there is a deceitful purpose behing almost everything that they say in there: to keep you locked in obscurity. There is a disconnect between the saying “...*the instant he chose to blind himself, he would have been removed from his position, from the Kingdom, from his own essence* ...” and the concept of “slavery” that these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have brought into existence.

Read more in the extended annotations at the end of this chapter.

¹²⁵⁸ As such, these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” were feeding themselves with their own illusions and speculations. None of them, including the Archangel MICHAEL, understood why AZAZEL was still alive despite that he had exposed his “Specific ‘CELESTIAL’ Visual Structure” unprotected against luminous radiation emanating directly from “THE SHEKINAH”; none of them knew of the existence of their own “‘SPIRIT←SPIRIT’ Body”, and none of them could see the damages that were now present in the “‘SPIRIT←SPIRIT’ Body” of those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’

Creatures" who have exposed their "Specific 'CELESTIAL' Visual Structure" unprotected against luminous radiation emanating directly from "THE SHEKINAH".

¹²⁵⁹ This tells you that the Archangel MICHAEL was "monitoring" every move of AZAZEL, since the instruction was given to him to dismiss AZAZEL from all duties. How was he "monitoring" all this? You will understand the "real time monitoring capability" and "specific process" in another chapter below.

"...You have seen Azazel unfold his wings before you, Za'afiel...", tells you that the Archangel MICHAEL also "...saw Azazel unfold his wings in front of Za'afiel...". He has followed and understood everything that was said in that conversation, and especially that "strange word", which is translated to mean "SIN", and which the Archangel ZA'AFIEL had pronounced into existence, only a moment ago — see annotation on the unconscious expression of the organization of the "SPIRIT←SPIRIT" Body" of AZAZEL and his "PRE-EXISTING" intention —, when "THE DIVINE FORCE" spoke directly through ZA'AFIEL and right after that AZAZEL was trying to corrupt him, there in front of the rift in the Substance, when he stood up to AZAZEL's deceptions and had said: "...THIS IS SIN!..." And thus, the Archangel MICHAEL understood and knew very well what that "strange word", which is translated to mean "SIN", is and the demonstration of which was revealed through AZAZEL and through all those conversations, which AZAZEL had with others high-ranking "SPIRIT←SPIRIT" 'CELESTIAL' Creatures", besides ZA'AFIEL, there in front of that rift in the Substance.

¹²⁶⁰ He who has not known and who do not have in him the "HUBRIS" of manifestations of metaphors of "DIVINE PRIMARY WEALTH", will never know nor understand, these emotions which reflect the intense anxiety and the doubt which are related to the oblivion of "THE KNOWLEDGE OF THE DIVINE", and that allow to sense the growing deficit of

Archangel ZA'AFIEL:

"Doubt..."

(Yes, the word he used seemed fitting for the unease that had been boiling away in my essence ever since this began.)¹²⁶¹

Archangel MICHAEL:

When all have done so, then, it will be but a short time before the end.¹²⁶³

"SPIRIT" specific supply of subsistence" in the "SPIRIT←SPIRIT" Body" of these "SPIRIT←SPIRIT" 'CELESTIAL' Creatures".

"FEAR", "ANGUISH", "DOUBT", etc..., are part of those emotions that are generated and expressed into existence in the "SPIRIT←SPIRIT" Body" to indicate the presence of the "HUBRIS CONFLICT".

¹²⁶¹ He knew not that this was the result of the decrease of the degree of presence of "THE SPECIFIC SPIRITUAL FORCE OF LIFE" (that is, "PURE, TRUTHFUL, AND AUTHENTIC LOVE OF 'THE DIVINE'") in the "Specific 'SPIRITUAL' Environment" external and immediate around him, and a decrease far below that, which is required to establish the state of "HARMONY" with "THE DIVINE", IHVH, our FATHER. All these "SPIRIT←SPIRIT" 'CELESTIAL' Creatures" were all standing in "IMPURITY" in all its forms, and we have explained already how this came to be.

¹²⁶² It is about the "HUBRIS CHOICE" at the point of "OBLIVION OF THE KNOWLEDGE OF THE DIVINE".

¹²⁶³ Through communication by "VISIONS", via "THE DIVINE FORCE", "THE DIVINE", IHVH, our FATHER, used to keep the Archangel MICHAEL posted about imminent events to occur in the "Specific Energy 'CELESTIAL' Domain" and HE had told the Archangel MICHAEL about what was to befall those rebellious "SPIRIT←SPIRIT" 'CELESTIAL' Creatures", which were marked for "MAVET" (marked for "DEATH", the removal from existence, the return to nothingness): their imminent erasure from existence and how this was to happen. In the communication by "VISIONS", those rebellious "SPIRIT←SPIRIT" 'CELESTIAL' Creatures", which were marked for "MAVET" (marked for "DEATH", the removal from existence, the return to nothingness), were shown to him, the Archangel MICHAEL, as many "dark" (absence of luminosity) spots spreading all over (that is to say, corrupting, destroying the functionalities of) the "luminous" Substance, which represented the "Specific Energy 'CELESTIAL' Domain". In that communication by "VISIONS", before

the creation of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, all those “dark” spots were been “wiped out”/dismantled/removed/erased from existence.

Read more in the extended annotations at the end of this chapter.

¹²⁶⁴ As we have explained previously, the Archangel MICHAEL understood very well that, in accordance with the principles of functioning of “THE SHEKINAH”, AZAZEL and all those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of “THE CELESTIAL HOST” who have joined him will be “ERASED from existence” (“wiped out”/dismantled/removed, the manifestation of “MAVET”, the return to nothingness), and not “sent out of the Kingdom” as he circulated his words, and he decided nevertheless that they will not be “ERASED from existence”. And he chose to deceive everyone with subtlety. Have you caught the subtlety between “ERASED from existence” and “sent out of the Kingdom”? For the remaining “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, who did not know about that communication by “VISIONS”, which “THE DIVINE”, IHVH, our FATHER, via “THE DIVINE FORCE”, had sent to the Archangel MICHAEL to keep him posted about imminent events to occur in the “Specific Energy ‘CELESTIAL’ Domain”, “...The Kingdom was all there WAS...” (in their own wording) and they have not “seen” anyone nor anything that existed before them. Thus for these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, “ERASED from existence” will imply “sent out of the Kingdom”. However, “sent out of the Kingdom” does not mean and does not imply “ERASED from existence”; it does not imply “MAVET”, the return to nothingness. The Archangel MICHAEL understood all these subtleties and decided to work against the principles of functioning of “THE SHEKINAH”, and to commit adultery with the knowledge that he had received in “PURITY”.

Read more in the extended annotations at the end of this chapter.

¹²⁶⁵ The Archangel MICHAEL knew that all the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who carried in them filth and in their essence the mark of the “DEATH” were to be erased from existence by the massive deployment of the “‘SPIRIT’ specific supply of subsistence” emitted by “The ALTAR of ‘THE DIVINE’” inside of “THE SHEKINAH”. He decided on his own volition and for his own purposes, to change the course of that “prophecy” of the parable of the Weeds, to change the course of the events, which were shown to him in that communication by “VISIONS”, which we have indicated in one previous annotation.

Using the teachings that he had received from “THE DIVINE FORCE”, he had already prepared his “nefarious and despicable shadow scheming”, aimed at preventing the erasure from existence of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who carried in them filth and in their essence the mark of the “DEATH”. That “nefarious and despicable shadow scheming” had no base and no stability, without possible ins and outs, orchestrated and led by those “ADONA’IM”, to the detriment of “THE DIVINE”, IHVH, our FATHER, to the

detriment of "THE DIVINE FORCE", who are in "THE SUPREME PLENITUDE" and had educated all of them in "PURE, TRUTHFUL, AND AUTHENTIC LOVE OF 'THE DIVINE'".

¹²⁶⁶ What is a "blessing"? The word "blessing" is the expression of both an action and an effect, which possesses a character inclined to goodness, qualities of gentleness and benevolence, and which in a singular way and by manifestation of the expression itself, gives a benefit. This means that from the moment that the blessing is pronounced or granted, the act of blessing is also manifested. A blessing can be expressed in many ways, without explicit mention of the act of blessing. Approval or consent given by someone to someone else can also be considered blessings. With that in mind, what does "*their removal will be a blessing*" means?

Read more in the extended annotations at the end of this chapter.

¹²⁶⁷ As we have indicated already, these "'SPIRIT←SPIRIT' 'CELESTIAL' Creatures" had never "seen" anyone that existed before them, they knew not how they came into existence and for them, the "Specific Energy 'CELESTIAL' Domain" was all that existed; for them, the "existence" was synonym of where they have lived so far. They did not know either about the concept of "DEATH", that is to say, to be "wiped out"/dismantled/removed/erased from existence; except the Archangel MICHAEL who, to a certain extent, understood what it means: to be "UNMADE", a return to nothingness; the concept that has fuelled the "CONTROVERSY" between him and AZAZEL. Thus, all those "'SPIRIT←SPIRIT' 'CELESTIAL' Creatures" who the Archangel MICHAEL approached and talked to, could not fathom what was meant by: AZAZEL and all those "'SPIRIT←SPIRIT' 'CELESTIAL' Creatures" who have been marked for "MAVET" (marked for "DEATH", the removal from existence, the return to nothingness) were to be "erased" from existence. They immediately imply that "to be removed/erased from existence" means: to place those scorpions under the bed sheets of their neighbour.

¹²⁶⁸ They are talking here about the "Specific Energy 'EARTHLY' Substance" constituent of the first "Specific Energy 'EARTHLY' Habitation Domain" in which "THE DIVINE", IHVH, our FATHER had planned to create into existence the "'SPIRIT←LIGHT' 'EARTHLY' Creature".

And the Archangel ZA'AFIEL, in much the same as the many others archangels with whom the Archangel MICHAEL had such conversation, "...*You remember the joy and holiness you felt before the Covering Querub's choice, and **YOU FEEL THE POISON OF DOUBT AND FEAR NOW...***", did not asked such questions: WHAT ABOUT THE NEW

Archangel MICHAEL:

...

With the passage of time and the implementation of the tasks that “THE DIVINE”, IHVH, our FATHER entrusted them and concerning the implementation of the “Second Phase” of “THE HOLY PROJECT”, each “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” of “THE CELESTIAL HOST” will reach the point of “OBLIVION OF THE KNOWLEDGE OF THE DIVINE” and find itself in front of the “HUBRIS CHOICE”. It is of this, that the Archangel MICHAEL is speaking about when he says:

“...

Not all the Host have come to their ultimate decision yet, not all have yet been presented with the choice.

CREATURE? Will the “new creature” be immune to that “poison of doubt and fear” caused by AZAZEL and all those who choose to follow him into the new Substance? Did IaHVeH instructed to do such thing?

¹²⁶⁹ Idem to previous annotation, they are talking here about the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain” in which “THE DIVINE”, IHVH, our FATHER had planned to create into existence the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

¹²⁷⁰ That is how he was revealing his own “nefarious and despicable shadow scheming” without realizing that he was also revealing as such the “HUBRIS COVENANT” that he had concluded with AZAZEL in secret. He did not explained the concept of “DEATH”, that is to say, to be “wiped out”/dismantled/removed/erased from existence, to be “UNMADE”, a return to nothingness, to those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who he talked to. But he led them to imply and thereby to accept themselves their own conclusion: “*The Rift in the Substance*” as escape route for AZAZEL and all those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who have been marked for “MAVET” (marked for “DEATH”, the removal from existence, the return to nothingness) were to be “erased” from existence.

CHAPTER 213

ANNOTATION ON THE CONVERSATION BETWEEN THE ARCHANGEL MICHAEL AND THE ARCHANGEL ZA'AFIEL, EXTRACTED FROM THE ARCHIVES ON THE UNFOLDING OF THE OPEN CONFLICT IN THE “SPECIFIC ENERGY ‘CELESTIAL’ DOMAIN”

...”

This “HUBRIS CHOICE” was also induced, by the “ADONA’IM”, on several “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” on which the degree of presence of “THE KNOWLEDGE OF THE DIVINE”, in their “‘SPIRIT←SPIRIT’ Body”, had not yet declined to the point of “OBLIVION OF THE KNOWLEDGE OF THE DIVINE”.

It is so that, when these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, that had not yet grew up in “THE KNOWLEDGE OF THE DIVINE” and were still at the stage of “spiritual childhood”, were induced to the “HUBRIS CHOICE” by the “ADONA’IM”, or by those who had already made their choice, these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” at the stage of “spiritual childhood” and on which the degree of presence of “THE KNOWLEDGE OF THE DIVINE”, in their “‘SPIRIT←SPIRIT’ Body”, had not yet declined to the point of “OBLIVION OF THE KNOWLEDGE OF THE DIVINE”, will choose following affinities and by conveniences with those who had already made their choice; as fishes following a river stream.

EXTENDED ANNOTATIONS

“...We did not want it to, and I have certainly tried to prevent it in many ways, but We cannot rule by force....”

Yes! They saw themselves as monarchs who exerted sovereign power. For these “ADONA’IM”, the most comfortable at the very beginning of the hierarchy of communication of ordinances of the “specific spiritual formation” of “THE CHURCH” from “THE SHEKINAH”, who did not develop any substantial “KNOWLEDGE OF THE DIVINE” in them and did not know “why?” they were into existence, despite all the teaching that “THE DIVINE FORCE” had poured on them, they have set in themselves, in their absence of “THE KNOWLEDGE OF THE DIVINE”, that, the fulfilment of their true potential was to achieve and maintained “Rulership” — Rulership of themselves, and of each other, and of the Kingdom itself, and of course, rulership of their neighbour who was in project; for, they were called the Sons of IaHVeH. How they were going to achieve that “Rulership”, knowing that the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” was in project to be produced into existence, was the object of their “HUBRIS CONFLICT”.

As we have indicated already, despite all the teaching that “THE DIVINE FORCE” — THE INVISIBLE SHEPHERD OF PURITY AND HOLINESS — gave them, all these “ADONA’IM”, including the Archangel MICHAEL, have failed to discern the “LIGHT” that is hidden in the “LIGHT”, and that “THE DIVINE FORCE” has embedded in the rational activities that SHE assigned to each of them. They were in “obscurity”, they have given life to that “obscurity” and nourished themselves with it, and they could not read the living “DISCOURSE” of “THE DIVINE”, IHVH, our FATHER, written by “THE DIVINE FORCE” through all these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” as expressions of the sentences, and through which “THE DIVINE”, IHVH, our FATHER revealed who HE is and makes Himself known to the attribute “NON DIVINE”. Yet, with such failure, they wanted to “rule” the CREATION. Until these days, they claim that they are the ones who “rule” the CREATION.

“...We cannot make Azazel want to be here...”

With this expression, he is skillfully bringing up the subject, to grab the attention of and to put that “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, ZA’AFIEL, into

context, about a foregone conclusion, which he has already made: the “HUBRIS COVENANT” with AZAZEL.

Just like AZAZEL was busy manipulating others “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, in so doing, pushing forwards his “nefarious and despicable shadow scheming”, so was the Archangel MICHAEL also pushing forwards his case and demonstrating a skillful ability to manipulate others to side with him, on board of his own “nefarious and despicable shadow scheming”. Through discernment, you should understand through the expression “...We cannot make Azazel want to be here...” that he has already entered the “HUBRIS COVENANT” with AZAZEL, and through which he gave AZAZEL possession of the first “Specific Energy ‘EARTHLY’ Habitation Domain” in which “THE DIVINE”, IHVH, our FATHER had planned to create into existence the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”. Notice that, at this point in the time line, the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” has not yet been brought forth into existence, and the Archangel MICHAEL has already been kept posted by “THE DIVINE”, IHVH, our FATHER, on the forthcoming events to occur inside the “Specific Energy ‘CELESTIAL’ Domain”, namely, the erasure from existence of AZAZEL and all those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who carried with them all their filth and the mark of “DEATH”.

We shed some light on all these things, throughout the conversations of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” between themselves, so that you, who is reading these writings, can “see” how the disaster, the premeditated destruction of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, unfolded.

“...I cannot explain it too directly to you at this time, for the Host will not be able to fully understand it until they see Sin demonstrated. ...”

This shows premeditation, that is to say, a deliberate intention, a conception put together to do something, to commit a culpable or tortious act, before it is done. It consists in the intention formed, before the action, to attack the person of a determined individual, or even of the one who will be found or encountered, even when this intention would be dependent on some circumstance or some condition. In common parlance, premeditation is the deliberate intention to commit an offense or a crime and constituting an aggravating circumstance in matters of homicide — that is to say, that, which serves to cause death, which denotes the intention to kill, which causes great suffering or serious harm —. Homicide is the act of killing one’s neighbour, whether intentional or not. **Homicide, murder, committed with premeditation is designated as**

“assassination”, in terms of intentional assault and injuries. Whatever the reason, homicide is considered one of the most serious crimes that can be committed. Homicide offenses require “planning” as an essential element.

Something premeditated is planned in advanced and has a purpose behind it. In other words, it is no accident. Premeditated comes from a combination of two Latin words: pre, meaning “before”, and meditat, meaning “to ponder”. If you ponder — or think about — something before you act, that makes it premeditated. If you watch a lot of TV crime dramas, you may be familiar with the term “premeditated murder”. This means that the murderer did not just lose his temper and kill someone in the moment — instead, he went after a specific person on purpose. A premeditated crime involves careful planning and research on the part of the murderer before he completes his act. Murder, the killing of someone’s neighbor, for example, requires “MALICE” aforethought; that is, the murder must have been planned for a period of time, regardless how short, before it was committed.

“I cannot explain it too directly to you at this time” reveals specifically premeditation, the consideration or planning of an act beforehand, and it also reveals a mature and deliberate intention to commit that act. The act in question here is to demonstrate to the “Host”, what “Sin” is and what the consequences of “Sin” are, according to his own understanding.

As he was “monitoring” every move of AZAZEL, since the instruction was given to him to dismiss AZAZEL from all duties, the Archangel MICHAEL knew pretty well about all the transgression of the laws of their own existence, which were given to them to observe, all the felonies, which AZAZEL has been perpetrating in front of them, and all the slanger, which AZAZEL threw against “THE DIVINE”, IHVH, our FATHER, once they came to understand that “... *None amongst them, who are elders of the creation, but a new creature will receive and carry the manifestation of “THE UNION” ...*”, and the resulting “state of wrongness” in which the “Specific Energy ‘CELESTIAL’ Domain” was plunged into. But he says that he cannot explain/tell to ZA’AFIEL and to the remaining “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, that what they are witnessing, the poison that they are feeling, is a demonstration of that, which is called “THE TRANSGRESSION OF THE FIRST RULE OF EXISTENCE”, in other word that, which is called “SIN”. Are these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, who have declared themselves to be the “most intelligent children” of IHVH, not able to understand what they themselves are seeing and what they are feeling? By not telling it to these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, he consolidated himself in

“IMPURITY”: *“he who, scheming evil tricks, closes his eyes and closes his lips, has already done evil, by that very fact.”*

The Archangel MICHAEL knew not that he himself, standing in “IMPURITY” in all its forms, was already demonstrating through himself what “Sin” is; that is, giving life to the progeny of “IMPURITY”, making them become a living reality, against all the teaching and precepts of “PURITY” — “THE DIVINE FORCE”.

And it is on his following — the human creature — that the Archangel MICHAEL had already established to demonstrate what “Sin” is; and this long before that the human creature was created in the “Specific Energy ‘EARTHLY’ Substance”. The Archangel MICHAEL and the others “ADONA’IM” had already premeditated the destruction of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”. How one would call that? “Sin?” or “Love for your neighbour, like you would love yourself?” This is how they were revealing their “nefarious and despicable shadow scheming” without realizing that they were revealing as such the “HUBRIS COVENANT” that they had concluded between them in secret.

“...he has made the choice to not see the Light...”

The purpose of using this expression — *“he has made the choice to not see the Light”* — by these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” in the chronicles of the conflict of “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and in which they describe their prowess of the absence of “THE KNOWLEDGE OF THE DIVINE” and their works of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, and which they have delivered to the human by the name of David Aguilar, is meant to deceive humanity, in a very subtle way. The subtlety here resides in the use of words, expressions, and their mental representations.

When a creature thinks, whether it is a “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” or a “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, the objects it thinks of are not present in it in a tangible way: they are rather the result of the action of “THE SEAT OF THE INTELLECT” which interprets and renders substitutes associated with these things. Such an activity is that of representation and it is linked to the symbolic function, that is to say, to that form of activity which consists in producing symbols or substitutes which are “valid for”. In other words, there is activity of representation when an object or when the elements of a set of objects find themselves expressed, translated, figured, in the form of a new set of substitutes, and a systematic correspondence is found realized between the set of objects and the set of substitutes. This mapping involves two aspects: the conservation of the relationships between the elements that are the subject of the

representation, on the one hand, and the transformation of the initial information, by a process of coding which gives rise to a change of nature, on the other hand. In addition to such general characteristics of representations, mental or cognitive representations possess specific properties of a psychological nature, which make it possible to associate substitutes, symbols, mental images, with words and expressions. They reflect what the creature retains from its interactions with the world in which it lives and thus, they are intrinsically linked to the lived experience which then serves as their point of reference. Mental representations will thus take shape thanks to knowledge, culture and lived experience.

BY HIS OWN VOLITION, AZAZEL HAS TRANSGRESSED THE UNIQUE COMMANDMENT, which is defined by “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”, which was given to them, by “THE DIVINE”, IHVH, our FATHER, through “THE DIVINE FORCE”, to observed. The transgressions, which AZAZEL has perpetrated from his own volition, are not to be taken lightly, given that he was afterwards dismissed from all duties; **he was dismissed from the purpose for which he was “spoken” into existence.** And what is the “plain text” designation of such willful transgression this unique commandment? **“SIN”!** The mental representation of the word “SIN” carries a negative connotation; it implies a pending disaster and destruction, and it is associated with “DEATH”. Which is not the case with the mental representation of the expression: *“he [i.e. AZAZEL] has made the choice to not see the Light”*.

The Archangel MICHAEL understood very well all this, and instead of telling directly to those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” that, what AZAZEL has perpetrated is designated as “SIN”, he chose to mislead by juggling with words and expressions. For, in his own “nefarious and despicable shadow scheming”, he had already set himself the goal to demonstrate what “MAVET” is, to “KILL” (erase from existence) the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, the “MISTAKE OF THE CREATION” as they have already labelled it; he had already set himself the goal to demonstrate the concept of “sin” to “THE CELESTIAL HOST” using the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” as “guinea pig”: *“he who, scheming evil tricks, closes his eyes and closes his lips, has already done evil, by that very fact”*. Keep on reading through the following chapters and you will understand these things through his own actions and through what he will be saying himself.

“...Yes, of course it can be prevented, but it will not be prevented...”

“THE DIVINE”, IHVH, our FATHER used to tell everything, through “THE DIVINE FORCE”, to the Archangel MICHAEL, and HE had made him understand the principles of functioning of “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — and the importance of maintaining a high enough, the degree of presence of “THE SPECIFIC SPIRITUAL FORCE OF LIFE” (that is, “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”) in the “Specific ‘SPIRITUAL’ Environment” external and immediate around of this First “Specific Energy ‘SPIRIT←LIGHT’ Bridge”.

Following the extreme state of “CHAOS” of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” contrary to the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”, it is then, that “THE DIVINE”, IHVH, our FATHER had explained, through “THE DIVINE FORCE”, to the Archangel MICHAEL the concept, which was designated by a word which will be pronounced: “MAVET”, which means “MURKY VOID” (also return to the “MURKY VOID”) or erasure from the attribute “NON DIVINE”, that, which is called “DEATH”.

The Archangel MICHAEL understood very well that, following the principles of functioning of “THE SHEKINAH”, AZAZEL and all those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of “THE CELESTIAL HOST” who have joined him will be erased from existence, and he decided nevertheless that they will not be erased from existence: he decided to work against the principles of functioning of “THE SHEKINAH”, he decided to commit adultery with the knowledge that he had received in “PURITY”.

The Archangel MICHAEL will also share this knowledge with the others “ADONA’IM” and the description of this concept will circulate among the others “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of “THE CELESTIAL HOST”.

“...This began when he MISUSED the greatest gift that IHVH has given to the Host — the ability to choose...”

As we have already revealed and explained, all this started in those days right after the announcement of the “Second Phase” of the implementation of “THE HOLY PROJECT”, when they came to understand that “... None amongst them, who are elders of the creation, but a new creature [you, human creature, reading these

writings] will receive and carry the manifestation of “THE UNION” ...”. These “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” “lost their mind”, in the sense that, they became insane, mentally unsound, and extremely foolish.

Now, what does that “...he **MISUSED** the greatest gift that IHVH has given to the Host — the ability to choose...” actually mean? Why would someone not “call a spade a spade”? Because the intent behind that “...he **MISUSED** the greatest gift that IHVH has given to the Host — the ability to choose...”, just like the intent behind the previous expression “he has made the choice to not see the Light”, is to subtly deceive humanity, who is the end recipient of those chronicles of the conflict of “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and in which they describe their prowess of the absence of “THE KNOWLEDGE OF THE DIVINE” and their works of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”. The subtlety of the deception resides in the use of words, expressions, and their mental representations.

“...he **MISUSED** the greatest gift that IHVH has given to the Host — the ability to choose...” is in fact about those crimes and “SINS”, which AZAZEL had perpetrated in his office of “THE GUARDIANSHIP OF THE SHEKINAH”, once he had understood that “... None amongst them, who are elders of the creation, but a new creature [you, human creature, reading these writings] will receive and carry the manifestation of “THE UNION” ...”. It is not for nothing or so for something trivial that he was dismissed of all duties, those duties that defined him as a “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, those duties for which he was “spoken” into existence. To be dismissed from the purpose for which he was “spoken” into existence means that he was to be erased from existence: he was marked for “MAVET” (for “DEATH”) in the “Specific Energy ‘CELESTIAL’ Domain”. And AZAZEL himself will unconsciously confess his own crimes and “SINS” during a speech, which he gave in front of “THE CELESTIAL TEMPLE” and to a large group of “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” he had invited in order for himself to make his case about his conduct and demonstrate how he has outgrown IHVH in intelligence and wisdom.

The uttered expression “...he **MISUSED** the greatest gift that IHVH has given to the Host — the ability to choose...” also reveals something about the character of the one who uttered it: HYPOCRISY, since the one who uttered that expression knows very-well that his ex-right hand has “SINNED”, to the highest degree, against “THE DIVINE”, IHVH, our FATHER. As you would know already,

“hypocrisy” (synonym: dissimulation, duplicity, falsity, deceit, cunning) is a pretense of having a virtuous character, moral beliefs or principles, etc., that one does not really possess, and it manifests in a behavior that contradicts what one claims to believe or feel; it is especially the false assumption of an appearance of virtue. “Hypocrisy” is found in the character of a person who hides his true personality and affects, most often out of interest, opinions, feelings or qualities that he does not possess. It is found in the character of a person who lacks sincerity, who is imbued with affectation and/or duplicity. It is found in the character that reflects bad faith and tends to mask reality. To understand the logic of a hypocritical person, it is important to distinguish two important aspects: the moral valorization sought by the individual, who hopes to show himself to be more virtuous than his actions actually reveal, and the gap, voluntary or not, between his words and his manifested actions. Hypocrisy will therefore define the gap between the image that someone gives (or that he wishes to give) and the acts that he manifests.

“...I had so many other questions I wanted to ask, so much else I wanted Him to explain, but something He had said about seeing Sin demonstrated made me hold back...”

As you have noticed, the “...but something He had said about seeing Sin demonstrated made me hold back...” is meant to send you off track, to mislead you, about his (more precisely, since all the “ADONA’IM”, the Chiefs of Angelic Orders, and the archangels knew what was going on, it is about their) knowledge, long before the creation of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, about what “Sin” is. They proceed as if they had lost their memory about what took place in the “Specific Energy ‘CELESTIAL’ Domain” and what will incriminate them in the unfolding disaster.

Here, he has already conveniently “forgotten” his own words, about what “Sin” is and that he had pronounced into existence, only a moment ago — see annotation on the unconscious expression of the organization of the “‘SPIRIT←SPIRIT’ Body” of AZAZEL and his “PRE-EXISTING” intention —, when “THE DIVINE FORCE” spoke directly through him (ZA’AFIEL) and right after that AZAZEL was trying to corrupt him, there in front of the rift in the Substance, when he stood up to AZAZEL’s deceptions and had said:

“...

I [ZA'AFIEL] rose to my feet. I didn't even know what I was doing, but I walked slowly closer to him [AZAZEL], looked him directly in the eyes, and I said in a loud voice:

“

You are wrong! This thing you are speaking of... it cannot be! Even if we did “rule” each other, would we not still be prone to each other as we are now?

The only difference would be that each would seek to please himself first, not everyone else.

There is enough here for all, Azazel, this is —

”

*At that point, I said a new word of my own. When I thought about these events later, I realize that **it was IHVH Himself providing us with new words to express the new concepts being spoken into existence.** But having a word does not mean liking it.*

*I will not even pronounce what I said to him then. But translated, I [ZA'AFIEL] said this: **“THIS IS SIN!”***

...”

Since none of these “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures” had knowledge of the existence of “THE DIVINE FORCE” working through them, it is so that they had all sent to oblivion “THE UNALTERABLE VOICE”, and they fed only on what the Archangel MICHAEL was telling them, no knowing that he, himself, was in the absence of “THE KNOWLEDGE OF THE DIVINE”.

What kind of “Sin” demonstrated was he expected to see further than what “THE DIVINE FORCE” had shown him demonstrated on AZAZEL? In truth, all these “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures” were eager to see demonstrated, that, which has been designated as “MAVET” — that, which is called “DEATH” —; they had all, already, seen “Sin” demonstrated by the deeds of AZAZEL and his followers, and they have labelled it: “...**MISUSED** the greatest gift that IHVH has given to the Host — the ability to choose...”. They think that every human creature is “asleep on the bed of ignorance” and will swallow their sayings just like “aspirin tablets”.

“...Had this been so, the instant he chose to blind himself, he would have been removed from his position, from the Kingdom, from his own essence...”

Pay attention and examine carefully everything said by these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” in their chronicles of their own conflicts; for, there is a deceitful purpose behing almost everything that they say in there: to keep you locked in obscurity. There is a disconnect between the saying “...*the instant he chose to blind himself, he would have been removed from his position, from the Kingdom, from his own essence* ...” and the concept of “slavery” that these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have brought into existence.

That saying of the Archangel MICHAEL is meant to send you off track, to mislead you, about his knowledge of the imminent removal from existence, the erasure from the attribute “NON DIVINE”, of AZAZEL and all those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” that joined him in his transgressions and who have exposed their “Specific ‘CELESTIAL’ Visual Structure” unprotected against luminous radiation emanating directly from “THE SHEKINAH”. With their “‘SPIRIT←SPIRIT’ Body”, fractured and broken, which could no longer reflect the unique and homogenous aspect of the “HOLY SPIRIT” in the image of which they were designed and created into existence, they were all found not to be “fit for purpose” anymore, and they were marked for “MAVET” (marked for “DEATH”, the removal from existence, the return to nothingness) and removed from their position. Do you remember that communication by “VISIONS” that was sent to the Archangel ZEPHON and about that, which he designated as “SHEEMAMON”, meaning “desolation”? At that time, “THE DIVINE”, IHVH, our FATHER, also used to keep the Archangel MICHAEL posted about imminent events to occur in the “Specific Energy ‘CELESTIAL’ Domain” and HE had told the Archangel MICHAEL about what was to befall those rebellious “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, which were marked for “MAVET” (marked for “DEATH”, the removal from existence, the return to nothingness): their erasure from existence and how this was to happen.

“...When all have done so, then, it will be but a short time before the end...”

Through communication by “VISIONS”, via “THE DIVINE FORCE”, “THE DIVINE”, IHVH, our FATHER, used to keep the Archangel MICHAEL posted about imminent events to occur in the “Specific Energy ‘CELESTIAL’ Domain” and HE had told the Archangel MICHAEL about what was to befall those

rebellious “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, which were marked for “MAVET” (marked for “DEATH”, the removal from existence, the return to nothingness): their imminent erasure from existence and how this was to happen. In the communication by “VISIONS”, those rebellious “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, which were marked for “MAVET” (marked for “DEATH”, the removal from existence, the return to nothingness), were shown to him, the Archangel MICHAEL, as many “dark” (absence of luminosity) spots growing all over (that is to say, corrupting, destroying the functionalities of) a “luminous” Substance, which represented the “Specific Energy ‘CELESTIAL’ Domain”. In that communication by “VISIONS”, before the creation of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, all those “dark” spots were been “wiped out”/dismantled/removed/erased from existence.

“THE DIVINE”, IHVH, our FATHER had made this clear, through “THE DIVINE FORCE”, to the Archangel MICHAEL; once the threshold of filth not permitted in the “Specific Energy ‘CELESTIAL’ Domain” will be reached, then, all those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who carry in them filth and in their essence the mark of the “DEATH” will be erased from existence by the massive deployment of the “‘SPIRIT’ specific supply of subsistence” emitted by “The ALTAR of ‘THE DIVINE’” inside of “THE SHEKINAH”.

A short summary of that communication “VISIONS”, via “THE DIVINE FORCE”, is what the Archangel MICHAEL has said with the “...*Not all the Host have come to their ultimate decision yet, not all have yet been presented with the choice. When all have done so, then, it will be but a short time before the end...*”

This was meant to be the conclusion of the parable of the Weeds, which CHRIST told you already about, and which has its origin in the “Specific Energy ‘CELESTIAL’ Domain”. That conclusion of the parable of the Weeds was meant to take place before the creation of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

Read more in the section concerning the details of annotations — Annotation on the parable of the weeds.

It is also about what will happen to this first “Specific Energy ‘EARTHLY’ Habitation Domain” in which live “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, because the threshold of filth that are not permitted in this first “Specific Energy ‘EARTHLY’ Habitation Domain” has been reached already. What is your escape route to avoid the erasure ahead of all that this first “Specific Energy ‘EARTHLY’ Habitation Domain” contains? **STAND IN PURITY AND HOLD YOUR GROUND IN PURITY! DO NOT FEAR ANYTHING.**

See vision of August 18, 2005, Aristide with "THE DIVINE", IHVH, our FATHER, through "THE DIVINE FORCE".

"...Those who choose to follow Azazel will need to be "sent out" of the Kingdom..."

As we have explained previously, the Archangel MICHAEL understood very well that, in accordance with the principles of functioning of "THE SHEKINAH", AZAZEL and all those "'SPIRIT←SPIRIT' 'CELESTIAL' Creatures" of "THE CELESTIAL HOST" who have joined him will be "ERASED from existence" ("wiped out"/dismantled/removed, the manifestation of "MAVET", the return to nothingness), and not "*sent out of the Kingdom*" as he circulated his words, and he decided nevertheless that they will not be "ERASED from existence". And he chose to deceive everyone with subtlety. Have you caught the subtlety between "ERASED from existence" and "*sent out of the Kingdom*"? For the remaining "'SPIRIT←SPIRIT' 'CELESTIAL' Creatures", who did not know about that communication by "VISIONS", which "THE DIVINE", IHVH, our FATHER, via "THE DIVINE FORCE", had sent to the Archangel MICHAEL to keep him posted about imminent events to occur in the "Specific Energy 'CELESTIAL' Domain", "*...The Kingdom was all there WAS...*" (in their own wording) and they have not "seen" anyone nor anything that existed before them. Thus for these "'SPIRIT←SPIRIT' 'CELESTIAL' Creatures", "ERASED from existence" will imply "*sent out of the Kingdom*". However, "*sent out of the Kingdom*" does not mean and does not imply "ERASED from existence"; it does not imply "MAVET", the return to nothingness. The Archangel MICHAEL understood all these subtleties and decided to work against the principles of functioning of "THE SHEKINAH", and to commit adultery with the knowledge that he had received in "PURITY".

His ultimate goal was rather to erase the "'SPIRIT←LIGHT' 'EARTHLY' Creature" from existence; the "'SPIRIT←LIGHT' 'EARTHLY' Creature" that he has already designated as a "MISTAKE OF THE CREATION", even before it is produced in existence and, which was to receive the new unique expression of "THE UNION", and which represented to them a threat to the existing hierarchy of communication with "THE DIVINE", which had hitherto been already established through "THE SHEKINAH" and through which all the "'SPIRIT←SPIRIT' 'CELESTIAL' Creatures" indulged themselves with the "HUBRIS" of manifestations of metaphors of "DIVINE PRIMARY WEALTH".

He had already made the decision and was already working out in his own “nefarious and despicable shadow scheming”, the details of the process through which he will transfer into the “to be created” new domain of habitation, AZAZEL and all those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of “THE CELESTIAL HOST” who have joined him and were to be ERASED from existence: the “HUBRIS COVENANT” that the Archangel MICHAEL and AZAZEL will conclude between them in secret.

That “to be created” new domain of habitation, is the first “Specific Energy ‘EARTHLY’ Habitation Domain” in which “THE DIVINE”, IHVH, our FATHER had planned to create into existence the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

Such decisions made by the Archangel MICHAEL, and their subsequent implementations and all forms of dissimulations, are parts of his own “Sins” against “THE DIVINE”, IHVH, our FATHER.

“...Even their removal will be a blessing...”

What is a “blessing”? The word “blessing” is the expression of both an action and an effect, which possesses a character inclined to goodness, qualities of gentleness and benevolence, and which in a singular way and by manifestation of the expression itself, gives a benefit. This means that from the moment that the blessing is pronounced or granted, the act of blessing is also manifested. A blessing can be expressed in many ways, without explicit mention of the act of blessing. Approval or consent given by someone to someone else can also be considered blessings. With that in mind, what does “*their removal will be a blessing*” means? What “benefit” will they receive from this “blessing” that Archangel MICHAEL has already granted them? For every action, there is a motive and there are consequences. And knowing whether an action is good requires knowing whether its consequences are good. Having seeing all the destruction that AZAZEL and his followers have been spreading in the “Specific Energy ‘CELESTIAL’ Domain”, and having been told by “THE DIVINE”, IHVH, our FATHER, through “THE DIVINE FORCE”, about the imminent occurrence of “SHEEMAMON” inside the “Specific Energy ‘CELESTIAL’ Domain”, what is the motive behind such a “blessing”? For whom would “*their removal will be a blessing*”? There are only three parties concerned with the implementation of the “Second Phase” of “THE HOLY PROJECT”:

1. “THE DIVINE”, IHVH, our FATHER, who has conceived “THE HOLY PROJECT” in “ABSOLUTE PURITY” since eternity, before that any of

these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” was “spoken” into existence, and who, through “THE DIVINE FORCE”, has assigned to the Archangel MICHAEL the task to facilitate the good implementation of the “Second Phase” of “THE HOLY PROJECT”, and was keeping the Archangel MICHAEL abreast of HIS projects, so that he could grow up in “THE KNOWLEDGE OF THE DIVINE” and come to understand the two causal precedence relations that define the orders of events through which the “Divine Products” arise into existence — that is the “Causal Precedence Relation of ‘THE CREATION’” — and remain into existence in their “Divine State” — that is the “Causal Precedence Relation of ‘THE PRAISE’”.

2. The “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” still in project to be produced into existence in that “to be created” new domain of habitation and where the Archangel MICHAEL has already decided to transfer AZAZEL and all those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of “THE CELESTIAL HOST” who have joined him.
3. The “pampered children”, all these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” with the Archangel MICHAEL at their helm and, who have set themselves on the path to destroy what they coveted but could not obtain as it has been given to someone else other than them.

Evidently, “*their removal will be a blessing*” for these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, with the Archangel MICHAEL at their helm. For those amongst these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who have been found not to be “fit for purpose”, have been marked for “MAVET” (marked for “DEATH”, the removal from existence, the return to nothingness), and to be imminently erased from existence, such “blessing” means “...an escape route, an unexpected burst of hope in an otherwise sentenced to “DEATH” situation...”. For those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, who have not been marked for “MAVET”, this means the likelihood for the occurrence of “SHEEMAMON” in the “Specific Energy ‘CELESTIAL’ Domain” goes following their fallen brethren in the new domain of habitation. All this tells you that some “secret” agreements have been concluded behind the scene. The Archangel MICHAEL has already concluded an agreement with AZAZEL, to rescue him and his followers from erasure from existence, and with the destruction of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” as intended consequence: “THE HUBRIS COVENANT”.

In the case that you will be wondering why did “THE DIVINE”, IHVH, our FATHER, did not stop the Archangel MICHAEL in his “obscurity”, you must

understand what “ABSOLUTE PURITY” is and what “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” is, which you are called to develop in yourselves and grow with, you must understand what “FREE WILL” means, which “THE DIVINE”, IHVH, our FATHER, has endowed every “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” with, as well as every “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, and you must understand that inside the attribute “NOT DIVINE”, no “sound”, however faint, no pulsation of any “substance” that “THE DIVINE FORCE” has created into existence, escape “THE EAR OF DIVINE” and “THE SIGHT OF DIVINE” where everything is magnified. After educating someone in “ABSOLUTE PURITY” and in “PURE, TRUTHFUL, AND AUTHENTIC LOVE”, if you want to know if that person is faithful to you, is faithful to the education and to “PURE, TRUTHFUL, AND AUTHENTIC LOVE”, which you have shown towards him, then without intervening in his dealings processes, you carefully observe, not only the decisions that such person will make, but also the actions that he will perform following his own decisions, and all this, in relation to the instructions, explanations and warnings that you would have given him beforehand. If someone is loyal to you, for whatever motives, then he will cherish the education you have given him, as his own life, and he will not act in opposition to the instructions, explanations and warnings, which you would have given him beforehand. Thus, you can establish a “trust scale” regarding such a person in relation to you, and know what to expect; because the stabs in the back hurt, very badly.

“...The Rift in the Substance ...”

They are talking here about the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain” in which “THE DIVINE”, IHVH, our FATHER had planned to create into existence the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

And the Archangel ZA’AFIEL, in much the same as the many others archangels with whom the Archangel MICHAEL had such conversation, “...*You remember the joy and holiness you felt before the Covering Querub’s choice, and **YOU FEEL THE POISON OF DOUBT AND FEAR NOW**...*”, did not asked such questions: WHAT ABOUT THE NEW CREATURE? Will the “new creature” be immune to that “poison of doubt and fear” caused by AZAZEL and all those who choose to follow him into the new Substance? Did IaHVeH instructed to do such thing?

Through such conversations, what these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” were revealing is the lack of empathy in their personality traits. Empathy, as you know already, is the ability to get out of oneself, to make a change of perspective, both emotional (emotional empathy) and cognitive (cognitive empathy), by moral affinity, similarity of feelings and emotions, and, while remaining aware of one’s own identity, to ask oneself the question: “*If I were in his place, what would I feel?*”

As such, through such conversations, the Archangel MICHAEL has led ZA’AFIEL by the nose, by concealing his true motives from especially by elaborately feigning good intentions, so as to gain this end mental representation. He has developed the subject, which he had skillfully brought up, to grab the attention of and to put that “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, ZA’AFIEL, into context, about a foregone conclusion, which he has already made: the “HUBRIS COVENANT” with AZAZEL.

“... In that place, Azazel will be able to AVOID MAVET for a time, and to finally come to a full understanding of his mistake. He... and those who choose to go with him. ...”

That is how he was revealing his own “nefarious and despicable shadow scheming” without realizing that he was also revealing as such the “HUBRIS COVENANT” that he had concluded with AZAZEL in secret. He did not explained the concept of “DEATH”, that is to say, to be “wiped out”/dismantled/removed/erased from existence, to be “UNMADE”, a return to nothingness, to those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who he talked to. But he led them to imply and thereby to accept themselves their own conclusion: “*The Rift in the Substance*” as escape route for AZAZEL and all those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who have been marked for “MAVET” (marked for “DEATH”, the removal from existence, the return to nothingness) were to be “erased” from existence.

“AVOID MAVET for a time”? “AVOID MAVET”? Why “for a time”? Let those words ring slowly in your mind, so that you grasp the depths and gravity of the palace intrigues, which are being tied by these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, in order to “put a spoke in the wheels” of the implementation of the “Second Phase” of “THE HOLY PROJECT”, and in the event that this implementation goes on and the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” is created into existence, to destroy the “‘SPIRIT←LIGHT’ ‘EARTHLY’

Creature” and thus prevent it from realizing the purpose for which it will be created in the existence; namely:

“CARRY THE PRESENCE OF ‘THE SHEKINAH’ — THE PURE LIGHT OF ‘THE ALTAR OF THE DIVINE’ WHICH IS INSIDE ‘THE SHEKINAH’, AND WHICH IS SOURCE OF LIFE PURE AND HOLY — IN VERY REMOTE PLACES FROM ‘THE SHEKINAH’”.

As such, with the “... *In that [remote] place [from “THE SHEKINAH”], Azazel will be able to AVOID MAVET for a time...*”, the Archangel MICHAEL reveals that he has understood very well the concept of “DEATH”, that is to say, to be “wiped out”/dismantled/removed/erased from existence, to be “UNMADE”, a return to nothingness, and which was indicated to him in that communication by “VISIONS”, by “THE DIVINE”, IHVH, our FATHER, via “THE DIVINE FORCE”, and about what was to befall those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, which with their “‘SPIRIT←SPIRIT’ Body”, fractured and broken, which could no longer reflect the unique and homogenous aspect of the “HOLY SPIRIT” in the image of which they were designed and created into existence, were all found not to be “fit for purpose” anymore, and were marked for “MAVET” (marked for “DEATH”, the removal from existence, the return to nothingness): their imminent erasure from existence and how this was to happen inside the “Specific Energy ‘CELESTIAL’ Domain”.

After that (unspecified amount of) “time” for which AZAZEL would “AVOID MAVET” and once he would “...*finally come to a full understanding of his mistake...*”, which would mean that somehow he will cease to do that, which his “nature” is and which has been sealed in his fractured and broken “‘SPIRIT←SPIRIT’ Body”, what then? Will he and all those who will follow him out of the “Kingdom” somehow return to the “Kingdom” where they came from and resume their positions from which they have been found not to be “fit for purpose” anymore? Was that finality of choosing to “send them out” of the “Kingdom” instead of having them be fully erased from existence or were there other motives behind that choice and directly connected to the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”? Do you “see” any basis or any stability in that decision to prevent the imminent erasure from existence of all those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, which have been marked for “MAVET” (marked for “DEATH”, the removal from existence, the return to nothingness) by sending them in the place where “THE DIVINE”, IHVH, our FATHER, intended to bring forth into existence the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”?

From his own volition and for his own purposes, the Archangel MICHAEL decided to change the course of that “prophecy” of the parable of the Weeds: “*Let us remove the weeds from our field and plant it far away, over there, in the field of our future neighbour*”; “*Let us remove the scorpions from our own house and place them far away, over there, under the bed sheets of our future neighbour, before that he enters his own home; over there, the scorpions will have time to think about how wrong it is to do what their “nature” is.*” That is the “blessing” that he was talking about when he had previously said: “*their removal will be a blessing*”. Does that make sense to you?

What about all the preparation work that had already been accomplished and had been planned by “THE DIVINE FORCE” to be accomplished in the first “Specific Energy ‘EARTHLY’ Habitation Domain” and in others “Specific Energy ‘EARTHLY’ Habitation Domains” in the “Plane Below”?

What about the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” whose dwelling place is that first “Specific Energy ‘EARTHLY’ Habitation Domain” in which the Archangel MICHAEL has already planned to somehow transfer those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, which have been marked for “MAVET” (marked for “DEATH”, the removal from existence, the return to nothingness)? Was that “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” that the Archangel MICHAEL had right there? Was that affection towards their future neighbour?

“...*You remember the joy and holiness you felt before the Covering Querub’s choice, and **YOU FEEL THE POISON OF DOUBT AND FEAR NOW...***” the Archangel MICHAEL had said to ZA’AFIEL, and to many others archangels with whom he had similar conversation, and in the process of building his case. To have planned to transfer the “state of wrongness”, “the poison of doubt and fear” flowing out of the “Covering Querub”, the excreta that they have seen and acknowledged the harmful effects, from their own house and into their future neighbour’s house, to place the most venomous poison under the bed sheets of their future neighbour, was that for the benefit of their future neighbour? Was that because they had too much love for their future neighbour? Or, was that “SIN” demonstrated against their future neighbour and against “THE DIVINE”, IHVH, our FATHER, who trusted these “ADONA’IM” to facilitate the good implementation of the “Second Phase” of “THE HOLY PROJECT”?

The Archangel MICHAEL, all the “ADONA’IM” and the archangels eldest of the creation, saw by themselves all the destruction that AZAZEL was spreading in the “Specific Energy ‘CELESTIAL’ Domain”.

Right in the days following the announcement of the “Second Phase” of “THE HOLY PROJECT”, when the Archangel MICHAEL and these “ADONA’IM”, the most comfortable at the very beginning of the hierarchy of communication of ordinances of the “specific spiritual formation” of “THE CHURCH” from “THE SHEKINAH”, came to understand that “... *None amongst them, who are elders of the creation, but a new creature will receive and carry the manifestation of “THE UNION” ...*”, when things had turned sour, it is in those days that the Archangel MICHAEL had no consideration for his neighbour — the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” — and he set himself since those days, to destroy the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”. This was a demonstration of a refined and cunning strategy of the “pampered children” to sabotage every project in which they will not be ranked first and will not get the particular privilege that is the object of the project in question.

CHRIST had already explained all these things to human creatures, when he told them that the destruction of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” was premeditated by the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” long before that this earthly world in which you live was created, as it was recorded through the testimony of the human who was called John, John 8:44, saying:

“...

From the beginning he [the adversary, the absence of “THE KNOWLEDGE OF THE DIVINE”, and thus all these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who embodied the absence of “THE KNOWLEDGE OF THE DIVINE”], had set himself to kill humans, he did not stand in the truth because there is not any truth in him. When he utters a lie, he draws from what is his because he is liar and father of lies.

...”

Think for a moment: have you ever heard of a dwelling place that could house at the same time he who is in the image of “THE DIVINE” and he who has openly declared himself the enemy of “THE DIVINE”? That enemy that vowed to seize all that, which belongs to “THE DIVINE”?

As we have asked already, what would have happen if “THE DIVINE”, IHVH, our FATHER had chosen to manifest in the “‘SPIRIT←SPIRIT’ Body” of the elders of the creation, not metaphors of “DIVINE PRIMARY WEALTH” through application of proportionality factors, but exactly the “DIVINE PRIMARY WEALTH” as they are in “THE DIVINE DOMAIN”?

What would have happen if those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had come to discover how “THE DIVINE FORCE” passes from the attribute “NON DIVINE” to “THE DIVINE DOMAIN”?

Long time before the implementation of the “Second Phase” of “THE HOLY PROJECT” and long before that the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” will be created in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, they all knew about the “HUBRIS COVENANT” which already gave to AZAZEL, possession of the first “Specific Energy ‘EARTHLY’ Habitation Domain” in which “THE DIVINE”, IHVH, our FATHER had planned to create into existence the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

It is so that, long before the implementation of the “Second Phase” of “THE HOLY PROJECT”, the fate of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” had been sealed by the “ADONA’IM”. Having declared themselves to have outgrown “THE DIVINE”, IHVH, our FATHER, in intelligence and in wisdom, they will go ahead and execute their “nefarious and despicable shadow scheming”.

Yet, when the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” will be created into existence in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain” in the “Plane Below”, they will try to conceal all of this “nefarious and despicable shadow scheming” and ambush the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” as a “scapegoat”, while presenting themselves in bright glow, and pretending to be the benefactors of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

And to justify themselves and further deceive humanity, these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” will tell human creatures that: *“It took them [“‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and self-declared “most intelligent children of IHVH”] a while to wrap their minds around the concepts of “right” and “wrong”, ... and the human creature can much more easily grasp the idea of wrongness than they [“‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”], who had never known deficiency in anything, or an unfulfilled desire.”*

Analyse closely the following part of the reported conversation between the Archangel MICHAEL, who is speaking using spiritual symbols, and ZA’AFIEL, who is immediately understanding the concept that is been explained to him:

“...

Archangel MICHAEL:

The Kingdom of IaHVeH is like the light from the Inner Temple, Za'afiel. It is always shining, it is always bright, yet we do not always behold it directly, for the walls keep the Shekinah from blinding and absorbing all the Host with Its brilliance.

In the same way, though it is always there, you can choose to look, or not to look. The Covering Querub is still in the presence of the Light of Heaven, yet he puts up walls, and will not look around them.

Archangel ZA'AFIEL:

**SO AZAZEL KNOWS WHAT HE IS DOING IS WRONG,
BUT WILL NOT SEE WHY?**

(I could conceive of this on some level, especially in light of recent events, but it seemed so alien a concept that it bothered me to even hear it expressed aloud in my own voice.)

...”

Follow my eyes to that highlighted understanding given by the Archangel ZA'AFIEL. Does it seem to you that “...it took them [these two “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures” for example and self-declared “most intelligent children of IHVH”] a while to wrap their minds around the concepts of “right” and “wrong”...”, which they are talking about?

CHAPTER 214

ANNOTATION ON THE CONVERSATION BETWEEN THE ARCHANGEL AS'FAEL AND THE ARCHANGEL ANAEL, EXTRACTED FROM THE ARCHIVES ON THE UNFOLDING OF THE OPEN CONFLICT IN THE “SPECIFIC ENERGY ‘CELESTIAL’ DOMAIN”

This is an excerpt¹²⁷¹ of the conversation between the two high-ranking principalities in the existing hierarchy of communication with “THE DIVINE”, which had hitherto been already established through “THE SHEKINAH” and through which all the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” indulged themselves with the “HUBRIS”.

This is the conversation between the Archangel AS'FAEL¹²⁷² and the Archangel ANAEL¹²⁷³, while the state of “CHAOS” of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’

¹²⁷¹ These are part of the chronicles of the conflict of “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and in which they describe their prowess of the absence of “THE KNOWLEDGE OF THE DIVINE” and their works of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”. Some of these chronicles (which are incomplete) have already been delivered to the human by the name of David Aguilar, and are available online on the Internet.

¹²⁷² This is the name of grandeur, which means “Added by El”, and which adorns this “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” of the “IKARI” angelic order. The names of grandeur are the designations by which these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” present themselves to others. These names follow the model: (“unique word” or attribute of the “DIVINE PRIMARY WEALTH”) to which the suffix “el” or “iel” is added, and which is the singularity used to refer to the property of “HE WHO IS ABOVE”. For example: MICHAEL, GABRIEL, RAPHAEL, URIEL, CAMAEL, etc...

¹²⁷³ This is the name of grandeur, which means “Glory of El”, and which adorns this “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” of the “IKARI” angelic order.

Through such conversations with others elders of the creation, the archangels MICHAEL and AZAZEL had already revealed their “nefarious and despicable shadow scheming” without realizing that they had revealed as such thus the “HUBRIS COVENANT” that they had concluded between them in secret.

Archangel AS'FAEL:

It was while engaged in this pursuit that I received a summons by Anael, another high-ranking member of my Angelic Order.

The Archangel saw me as I drew near and smiled – a gesture that never fails to draw from us a response, and then, He rested His hand gently on Anael's shoulder before departing.

Archangel ANAEL:

¹²⁷⁴ As we have explained already, the “PRINCIPALITY”, or “IKARI”, is the instance of the “SPIRIT—SPIRIT” ‘CELESTIAL’ Creature” model and upon which the laws and principles of stability of energy substances, produced by “THE DIVINE FORCE”, were transmitted to,

Archangel AS'FAEL:

(He said to me, a look of sadness on his face. This was an expression the Host was becoming more and more used to seeing, but it was unsettling, and heartbreaking, each time.

Somewhere deep in my essence I was not surprised, but Anael's sudden words still hit me hard and, unable to speak, I only shook my head in bewilderment.)

Archangel ANAEL:

El MICHAEL just informed me that I am to take his place.

Archangel AS'FAEL:

So you will be the chief of the Principalities until this is all straightened out?

(I asked, still clinging to the hope that the disaster¹²⁷⁶ hanging in the air could be resolved in a peaceful manner.

None of us truly had a firm grasp of what it meant for an angel to "fall", but we were learning day by day.

Anael's hand moved almost unconsciously to his forehead, and then, he said:

Archangel ANAEL:

MICHAEL has given me quite a lot of troubling news, my friend.

through "specific processes" that "THE DIVINE ARCHITECT AND PROJECT MASTER" has designed and established. Thus, the members of the "PRINCIPALITY" instance, understand better than any others "'SPIRIT←SPIRIT' 'CELESTIAL' Creatures", the governing laws of the "HARMONY" prescribed by "THE DIVINE ARCHITECT AND PROJECT MASTER".

¹²⁷⁵ To have "fallen" means, to have rejected "THE DIVINE", IHVH, our FATHER, and all that HE represents, and to have sided with AZAZEL in his transgressions.

¹²⁷⁶ All the most elders of the creation knew well the disastrous situation in which the "Specific Energy 'CELESTIAL' Domain" was.

Those that have chosen the way of AZAZEL... those that have sided with the deceiver... they will have to leave Heaven.¹²⁷⁷

Archangel AS'FAEL:

Leave Heaven?

(I asked. These were new words, and new thoughts, and all I could do was repeat the words Anael had said, trying to attach familiar meanings to them.)

Archangel ANAEL:

You know about the Creation project, don't you, As'fael?

Archangel AS'FAEL:

(I nodded. I knew this was the reason I was studying electricity, though many of the Host were not yet aware of the purpose of their new tasks.¹²⁷⁸)

¹²⁷⁷ See the extended annotation in the chapter: Annotation on the conversation between the Archangel MICHAEL and the Archangel ZA'AFIEL, extracted from the archives on the unfolding of the open conflict in the "Specific Energy 'CELESTIAL' Domain". — Annotation on: "...Those who choose to follow Azazel will need to be "sent out" of the Kingdom..."

¹²⁷⁸ "THE DIVINE FORCE" entrusted the other elders of the creation, the task to study, in the "Specific Energy 'CELESTIAL' Domain" and from new "Specific Energy 'CELESTIAL' Substances" put at their disposal by "THE DIVINE FORCE" Herself, the properties of new layers of "Specific Atomic 'CELESTIAL' Substances" of the new "Specific Energy 'CELESTIAL' Substances" as well as the different ways to arrange them on all scales above the scales of the new "Specific Energy 'CELESTIAL' Substances", or to move more or less large quantities of these new layers of "Specific Atomic 'CELESTIAL' Substances" from one place in the new "Specific Energy 'CELESTIAL' Substances" to another and as indicated by "THE DIVINE FORCE".

It is these teachings that these elders of the creation would subsequently apply to the "Specific Energy 'EARTHLY' Substance" constituent of the first "Specific Energy 'EARTHLY' Habitation Domain" in the "Plane Below".

With expressions such as "...though many of the Host were not yet aware of the purpose of their new tasks ...", these "'SPIRIT←SPIRIT' 'CELESTIAL' Creatures" reveal through their own "words" that they have failed to understand that the tasks, which were assigned to them, were designed for their own education. Despite all the teaching that "THE DIVINE FORCE" — THE INVISIBLE SHEPHERD OF PURITY AND HOLINESS — gave them, they

Archangel ANAEL:

Then, let me show you something.

Archangel AS'FAEL:

(Anael raised his hand and a small globe of some kind appeared, floating above his palm.

In a flash the globe expanded, opening up a passageway to a truly remarkable "place".¹²⁷⁹

Everything about my being was instantly drawn to the indescribable energy that flowed from, through, and into what I saw. I asked, after staring in silence for some time.)

"What is it?"

Leave Heaven?

Archangel ANAEL:

This is the Void, As'fael,

This is the place where IHVH will establish His new creation.

This is where the rebellious Host will be sent.¹²⁸⁰

have failed to discern the "LIGHT" that is hidden in the "LIGHT", and that "THE DIVINE FORCE" has embedded in the rational activities that SHE assigned to each of them.

¹²⁷⁹ From the ordinances of the "specific spiritual formation" of "THE CHURCH" from "THE SHEKINAH", all the "ADONA'IM" and the archangels most eldest of the creation came to know of the existence of the "MURKY VOID" and of the "Specific Energy 'EARTHLY' Substance".

¹²⁸⁰ Let those two sentences ring slowly in your mind: (1) "*This is the place where IHVH will establish His new creation.*" and (2) "*This is where the rebellious Host will be sent.*". And remember what the Archangel AS'FAEL said previously: he was "...still clinging to the hope that **THE DISASTER HANGING IN THE AIR...**". With that in mind, do you "see" anything wrong with that "picture" of those two sentences going together and "...**THE DISASTER HANGING IN THE AIR...**" on the background? Where will "...**THE DISASTER HANGING IN THE AIR...**" be sent to? Has any of these "'SPIRIT←SPIRIT' 'CELESTIAL' Creatures" said: Hold your horses a minute, "*the rebellious Host will be sent in the place where IHVH will establish His new creation*"? WHAT ABOUT THE NEW CREATURE? Will the "new creature" be immune to that "**DISASTER HANGING IN**

Archangel AS'FAEL:

As Anael closed his hand the Void vanished from my perception, and he said to me:

THE AIR" and caused by AZAZEL and all those who choose to follow him into the new Substance? Did IaHVeH instructed to do such thing?

"Let us remove the weeds from our field and plant it far away, over there — in the place where IHVH will establish His new creation —, in the field of our future neighbour"; "Let us remove the scorpions from our own house and place them far away, over there — in the place where IHVH will establish His new creation —, under the bed sheets of our future neighbour, before that he enters his own home; over there, the scorpions will have time to think about how wrong it is to do what their "nature" is."

All the "ADONA'IM", all the chiefs of Angelic Orders, all the Archangels and all the high-ranking "'SPIRIT←SPIRIT' 'CELESTIAL' Creatures" knew about "...**THE DISASTER HANGING IN THE AIR...**" and the "HUBRIS COVENANT" between the Archangel MICHAEL and AZAZEL. All of these "'SPIRIT←SPIRIT' 'CELESTIAL' Creatures" knew about the "coup d'état" in preparation and **NOT ONE** of these treacherous "'SPIRIT←SPIRIT' 'CELESTIAL' Creatures" stood up to defend the business of "THE DIVINE", IHVH, our FATHER. All of them, without exception, were standing in "IMPURITY" in all its forms.

As such, all these "'SPIRIT←SPIRIT' 'CELESTIAL' Creatures" jumped on board of the "BETRAYAL" train, in order to "put a spoke in the wheels" of the implementation of the "Second Phase" of "THE HOLY PROJECT", and in the event that this implementation goes on and the "'SPIRIT←LIGHT' 'EARTHLY' Creature" is created into existence, to destroy the "'SPIRIT←LIGHT' 'EARTHLY' Creature" and thus prevent it from realizing the purpose for which it will be created in the existence; for, they all knew very well what was going on between the Archangel MICHAEL and AZAZEL, and related to the "new creature".

As we have asked already, what would have happen if "THE DIVINE", IHVH, our FATHER had chosen to manifest in the "'SPIRIT←SPIRIT' Body" of the elders of the creation, not metaphors of "DIVINE PRIMARY WEALTH" through application of proportionality factors, but exactly the "DIVINE PRIMARY WEALTH" as they are in "THE DIVINE DOMAIN"?

What would have happen if those "'SPIRIT←SPIRIT' 'CELESTIAL' Creatures" had come to discover how "THE DIVINE FORCE" passes from the attribute "NON DIVINE" to "THE DIVINE DOMAIN"?

Have you ever heard of a dwelling place that could house at the same time he who is in the image of "THE DIVINE" and he who has openly declared himself the enemy of "THE DIVINE"? That enemy that vowed to seize all that, which belongs to "THE DIVINE"?

Archangel ANAEL:

I am going to do something that will require great trust on your part.

Archangel AS'FAEL:

Trust... this was an unusual word. The meaning was not unusual, but asking for it was almost unknown.

When we were assigned to a task by IHVH, we “trusted” that this would produce a beautiful new effect in the Kingdom.¹²⁸¹

When the chief of our Order, or one ranked higher than we, summoned us, we “trusted” that the matter was important.

This was automatic, however... understood. Nevertheless, I nodded — this day was already turning out to be a very unusual one.

The new Chief Principality made a motion toward his left hip, then, I heard a sharp sound fill the air. It was something like a buzzing, something like a whistling, but the next thing I knew, a long line of flame burst forth from Anael's hand.

“Stand still,” he commanded me, and then, he stepped forward, striking me in my chest with the ethereal, blazing sword.¹²⁸²

¹²⁸¹ As we have indicated already, these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” failed to understand that the tasks, which were assigned to them, were designed for their own education. Despite all the teaching that “THE DIVINE FORCE” — THE INVISIBLE SHEPHERD OF PURITY AND HOLINESS — gave them, they have failed to discern the “LIGHT” that is hidden in the “LIGHT”, and that “THE DIVINE FORCE” has embedded in the rational activities that SHE assigned to each of them. They contented themselves with the “visible part of the iceberg”: the effect of the tasks in the Kingdom, etc... They were in the absence of “THE KNOWLEDGE OF THE DIVINE”, they knew nothing about “THE DIVINE”, IHVH, our FATHER, they were in “obscurity” and they were “obscurity”.

¹²⁸² As we have indicated already, “THE DIVINE ARCHITECT AND PROJECT MASTER” has also designed a special tool through which the “‘EARTHLY’ specific supply of subsistence” may be added or removed from such layers of “Specific Atomic ‘EARTHLY’ Substances”. A metaphor for this tool will be manifested into existence in the attribute “NON DIVINE” by that, which will be called the “KHEREV” — the “SWORD” —, and “THE DIVINE FORCE” will endow the creatures that SHE will create in the existence with this special tool in various forms.

There was no real pain when the kherev pierced my being. It was not, however, without effect. I felt a tremendous heat rising in me, sparking along my arms and my wings, and filling me completely.

I closed my eyes, yet all I could see was brilliant light. Finally I fell to my knees, unable to contain the overwhelming energy released by what had just occurred.¹²⁸³

As I received the insight to let this force pass through me rather than into me, the pressure on my being faded somewhat, and I felt the fire moving towards, and being concentrated in, my right hand.

I grasped an object that I perceived to have appeared in my half-open palm, and a blade of fiery light shot out from it, similar in appearance to that with which Anael had smitten me.

As I opened my eyes, I found myself better able to control the discomfort that had been coursing through my being since I had first become aware of the conflict in Heaven.

New insight flooded my mind, and I became aware, as I had never been before, of the sorrow I had been feeling... and I

Later during the course of the first Phase of the realisation of “THE HOLY PROJECT”, the elders of the creation will discover this tool and they will use it wrongly to inflict damage to each others, by absorbing the “‘CELESTIAL’ specific supply of subsistence” of the constituent layers of the “Specific Atomic ‘CELESTIAL’ Substances” of the structure of their body, beyond their fundamental value. It is so that, many of them will find themselves in a state of “CHAOS”, contrary to the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”.

Later when they will descend on this earthly world in which live human creatures, they will corrupt human creatures by unveiling their perversions and their diverted use of the “KHEREV” that they developed in the “Specific Energy ‘CELESTIAL’ Domain”.

¹²⁸³ He who has not known and who do not have in him the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, will never know nor understand, these emotions which reflect the intense anxiety and the doubt which are related to the oblivion of “THE KNOWLEDGE OF THE DIVINE”, and that allowed to sense the growing deficit of “‘SPIRIT’ specific supply of subsistence” in the “‘SPIRIT←SPIRIT’ Body” of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”.

wept. I also felt an unusual pressure in my forehead, but I was not to understand that until later on.

Anael's kherev faded, and he stored the weapon in a sheath by his hip, and then, he placed a fraternal hand on my shoulder and said to me:

Archangel ANAEL:

You are reborn in fire, As'fael, Now you can feel, and understand, the pain of all Creation; and now you can begin to be equipped for the days ahead.

Archangel AS'FAEL:

The new Chief of my Order explained to me the use of my sword and the great responsibility of my opened eyes. With great solemnity I thought on these things.

...

"... MICHAEL has given me quite a lot of troubling news, my friend. Those that have chosen the way of AZAZEL... those that have sided with the deceiver... they will have to leave Heaven. This is the Void, As'fael, this is the place where IHVH will establish His new creation. This is where the rebellious Host will be sent. ..."

As we have asked already, what would have happened if "THE DIVINE", IHVH, our FATHER had chosen to manifest in the "SPIRIT←SPIRIT" Body" of the elders of the creation, not metaphors of "DIVINE PRIMARY WEALTH" through application of proportionality factors, but exactly the "DIVINE PRIMARY WEALTH" as they are in "THE DIVINE DOMAIN"?

What would have happened if those "SPIRIT←SPIRIT" 'CELESTIAL' Creatures" had come to discover how "THE DIVINE FORCE" passes from the attribute "NON DIVINE" to "THE DIVINE DOMAIN"?

Have you ever heard of a dwelling place that could house at the same time he who is in the image of "THE DIVINE" and he who has openly declared himself the enemy of "THE DIVINE"? That enemy that vowed to seize all that, which belongs to "THE DIVINE"?

None of these "SPIRIT←SPIRIT" 'CELESTIAL' Creatures", to whom it was told that *"...the rebellious Host will be sent to the place where IHVH will establish His new creation"*, did not ask itself and to others, the question:

“...

*Why would IHVH send the “state of wrongness” in a place where
HE chose to create the likeness of “THE SHEKINAH”?*

...”

Have they asked such a question and have they remembered how well IHVH has treated all of them with the utmost kindness and in “THE ABSOLUTE PURITY”, starting from the moment that each of them was “spoken” into existence, then they would have come to understand that IHVH is not the one who made the decision to “... send the rebellious Host in the place where IHVH will establish His new creation ...”.

Have they asked such a question, then, they would have unmasked the deception that has been sold to them, they would have understood that the decision of IHVH concerning “the rebellious Host” was to ERASE all that “IMPURITY” from existence, and until these days of today, that decision has not changed but is rather waiting to be executed by “THE DIVINE FORCE” at the appointed time for the end (of “IMPURITY”), starting in this first “Specific Energy ‘EARTHLY’ Habitation Domain” where the Archangel MICHAEL will move “the rebellious Host”, as per the “benediction”, which he granted them and “THE HUBRIS COVENANT”, which he has concluded with AZAZEL. Once accomplished, then attention will be turned to the “Specific Energy ‘CELESTIAL’ Domain” and those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, where that “IMPURITY” originated from.

But, as all these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had already sent into oblivion “THE UNALTERABLE VOICE” — “THE KNOWLEDGE OF THE DIVINE” —, it is so that all they have boarded the deceptive works set by the “pampered children” to sabotage every other project in which they will not be ranked first and will not get the particular privilege that is the object of that other project in question. Just as the Archangel MICHAEL was busy promoting his business case and getting those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” on board of his own “nefarious and despicable shadow scheming”, AZAZEL was also very busy promoting his own business case and also getting others “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” on board of his own “nefarious and despicable shadow scheming”.

All the “ADONA’IM” and the archangels eldest of the creation, saw by themselves all the destruction that AZAZEL was spreading in the “Specific Energy ‘CELESTIAL’ Domain”, and they are prompt to tell that they felt unsettled and heartbroken, as the “state of wrongness” was propagating. They were all kept

abreast of the ongoing state of affairs between the Archangel MICHAEL and AZAZEL; they understood very well the meaning of the “HUBRIS COVENANT” between these two, and none of them felt unsettled and heartbroken as far as the new creatures were concerned. None of them asked the question: *“What about those new creatures whose dwelling is to be that place where IHVH will establish His new creation?”*

Was that “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” that these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” were revealing as such? Was that affection towards their future neighbour? To have planned to transfer the “state of wrongness”, “the poison of doubt and fear” flowing out of the “Covering Querub”, the excreta that they have seen and acknowledged the harmful effects, from their own house and into their future neighbour’s house, to place the most venomous poison under the bed sheets of their future neighbour, was that for the benefit of their future neighbour? Was that because they had too much love for their future neighbour? Or, was that “SIN” demonstrated against their future neighbour and against “THE DIVINE”, IHVH, our FATHER, who trusted these “ADONA’IM” to facilitate the good implementation of the “Second Phase” of “THE HOLY PROJECT”?

What about all the preparation work that had already been accomplished and had been planned by “THE DIVINE FORCE” to be accomplished in the first “Specific Energy ‘EARTHLY’ Habitation Domain” and in others “Specific Energy ‘EARTHLY’ Habitation Domains” in the “Plane Below”?

It is so that, all these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” were standing in “IMPURITY” in all its forms, long before the implementation of the “Second Phase” of “THE HOLY PROJECT”, and they had already sealed the fate of their neighbour, the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”. Having declared themselves to have outgrown “THE DIVINE”, IHVH, our FATHER, in intelligence and in wisdom, they will go ahead and execute their “nefarious and despicable shadow scheming”, and thus they will stand in “DISGRACE”. Afterwards, by trying to conceal their irresponsibility by transferring it onto their neighbour, they will also stand in all forms of “LIES”. They will give life to the progeny of “IMPURITY” in all its forms, and thus, demonstrating what “SIN” is.

CHAPTER 215

ANNOTATION ON THE PARABLE ON THE BEHAVIOR OF THE HIGH AUTHORITIES AT THE ANNOUNCEMENT OF THE TIME OF THE END

After nearly seventy billion years, in “THE FRAME OF REFERENCE OF THE ATTRIBUTE ‘NON DIVINE’” in the attribute “NON DIVINE”, that have defined the “First Phase” of the implementation of “THE HOLY PROJECT”, and covered by this “HUBRIS Spiritual Veil”, through “THE SEAT OF THE INTELLECT” in their “‘SPIRIT←SPIRIT’ Body”, the “ADONA’IM” would not accept that the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” under project be akin to “THE SHEKINAH”.

In their logic distorted by the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, such a “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” would call into question and make obsolete their functions in the existing hierarchy of communication with “THE DIVINE”, which had hitherto been already established through “THE SHEKINAH” and through which all the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” indulged themselves with the “HUBRIS”.

The mere thought of seeing the object from which they indulged themselves with the “HUBRIS”, of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, not be expressed on a “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” will become not only inexplicable but also unbearable; in the same way as the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who were asleep on the bed of negligence of “THE KNOWLEDGE OF THE DIVINE” would found themselves in the middle of confusing dreams.

It is for the purpose to make understand this, that “THE DIVINE FORCE” gave this parable, saying:

“...

When the high authorities knew that the time of the end came to pass — like pain of she who will bear a child, it drew near the door, that is how ruin approached —, all together the elements trembled, and the foundations of the Substance as well as the vaults of Chaos were shaken.

A large fire broke out among them, and the rocks and soil were shaken like a reed shaken by the wind.

And cohorts of destiny as well as those who measure houses were greatly troubled on a loud clap of thunder and the thrones of the powers faltered, because they had been set upside down, and their king was seized with fear.

...”

“...the high authorities...” refers to the firsts foremost “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of “THE CELESTIAL HOST”.

“...the time of the end had appeared...” refers to the accomplishment of the “First Phase” of “THE HOLY PROJECT”.

“...all together the elements trembled...” refers to the different aspects of the “Specific Energy ‘CELESTIAL’ Substance” constituent of the “Specific Energy ‘CELESTIAL’ Domain”, and that were in the state of “CHAOS”, contrary to the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”; each “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed and that “THE DIVINE FORCE” manifested into existence in the “Specific Energy ‘CELESTIAL’ Domain”, is an integral and delineated part of the “Specific Energy ‘CELESTIAL’ Substance”.

“...the foundations of the Substance as well as the vaults of Chaos were shaken...” refers respectively to the Archangels and the “ADONA’IM” who were in turmoil at the mere thought of knowing that the object from which they indulged themselves with the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, will be placed in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

“...A large fire broke out among them, and the rocks and soil were shaken like a reed shaken by the wind...” refers to the open conflict, the war, that broke out in “THE CELESTIAL HOST” in the “Specific Energy ‘CELESTIAL’ Domain”.

“...cohorts of destiny...” refers to the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of the “STARS” classification, who had been selected and had received the teaching about how to form constellations of “STARS” so that at the appointed time, they would announce the messages of “THE DIVINE” to a large number of His creatures, by manifestation in the “MURKY VOID”, as we have already described. Those among them who have openly rejected “THE DIVINE”, IHVH, our FATHER and all that HE is, were in an extreme upheaval at the end of the accomplishment of the second decree of the implementation of the “Second Phase” of “THE HOLY PROJECT”.

“...those who measure houses...” refers to the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of the three “Angelic Orders” — which are the “IKARI’IM”, the “KO’ACH’IM”, and the “HASHMALL’IM” — who were selected to perform the tasks of maintaining life conditions in the six “Specific Energy ‘EARTHLY’ Habitation Domains”; each “Specific Energy ‘EARTHLY’ Habitation Domain” is immersed in a unique “Specific Septenary Equilibrium Zone” of this “SPECIFIC SUPREME CONFIGURATION” of the seven “Specific Energy ‘EARTHLY’ Domains”, and of which we have already described. Those among them who have openly rejected “THE DIVINE”, IHVH, our FATHER and all that HE is, were in an extreme upheaval at the end of the accomplishment of the second decree of the implementation of the “Second Phase” of “THE HOLY PROJECT”.

“...were greatly troubled on a loud clap of thunder and the thrones of the powers faltered, because they had been set upside down, and their king was seized with fear....” refers to the explosion of violence and the fighting that had taken place in the very inside of the “CELESTIAL TABERNACLE” and right in front of “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — and right at the place where the seven who were performing “THE GUARDIANSHIP OF THE SHEKINAH” stood. The “*thrones of the powers*” refers to the “HUBRIS”, in all its forms, of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, which had taken place in “THE SEAT OF THE INTELLECT” in the “‘SPIRIT←SPIRIT’ Body” of the “ADONA’IM”, and on which they based their joy and their state of gladness. The “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” is opposite (upside down) to “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”.

The roof of the “CELESTIAL TABERNACLE” exploded into pieces as a result of this explosion. Indeed, two accomplices of AZAZEL and who were among these creatures who were responsible to ensure “THE GUARDIANSHIP OF THE SHEKINAH”, have engaged the fight against the others and in front of “The ALTAR of ‘THE DIVINE’” which is inside of “THE SHEKINAH”.

To understand this very well, look at the Altar where is placed the seven candles candlestick inside the Celestial Temple, of the Celestial Christians, it is in front of the equivalent of that candlestick that those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” began to fight, those same “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who will subsequently declare to be the heavenly princes and the “gods” above the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”; just like some Celestial Christians are repeating such things on Earth down here.

ANNOTATION ON THE “‘SPIRIT←SPIRIT’
‘CELESTIAL’ CREATURES” OF THE REMAINING OF
“THE CELESTIAL HOST” FEEDING THE FIRST
“‘SPIRIT←LIGHT’ ‘EARTHLY’ CREATURE”

It is so that, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of the remaining of “THE CELESTIAL HOST” will feed the first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, saying:

The law of sin and death is the following: sin causes destruction. Even now, AZAZEL's essence is being held together by the mercy of IHVH, since it is infected with sin.

Until AZAZEL fully reveals his character to all, he is allowed time... but the way he is using this time is doing nothing but revealing more clearly the nature of the sin in him.

He feels that if he can get you, you who is IHVH most precious creature, to also transgress, then, IHVH will spare all who have sinned, in order to save you as well.

If this were to occur, should IHVH protect even one sinner, then, AZAZEL would see this as an indication that IHVH IS unfair, and that he should never have been cast out of Heaven for his own rebellion.

He would storm back into the Kingdom and overthrow it. Even the Holy angels would be so confused, that they could not be rallied into a suitable defense.

....”

It is with such “fruits” of “THE TREE OF ABSENCE OF KNOWLEDGE OF THE DIVINE”, or “THE TREE OF DEATH”, that the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who had been sent alongside “ADAM”, were feeding him.

“...The law of sin and death is the following: sin causes destruction. ...”

This follows from the Governing Law of the Behavior, the manifestation of “The Walk within the Acronym IHVH”. They knew not about the manifestation of “The Walk within the Acronym IHVH”, of which all of them are prone to and cannot escape, but the most clever among these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” were able to infer the cause-and-effect relationship from the events they were witnessing happening around them since the announcement of the “Second Phase” of “THE HOLY PROJECT”, and also from the content of that communication by “VISIONS”, which “THE DIVINE”, IHVH, our FATHER, via “THE DIVINE FORCE”, had sent to the Archangel MICHAEL and about imminent events to occur in the “Specific Energy ‘CELESTIAL’ Domain” and which were to befall those rebellious “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, which were marked for “MAVET” (marked for “DEATH”, the removal from existence, the return to nothingness): their imminent erasure from existence and how this was to happen.

They saw all the destruction that AZAZEL and his cronies were spreading all over the “Specific Energy ‘CELESTIAL’ Domain”, yet, they “closed their eyes” and “buried their heads in the sand”. Long before the actual start of the implementation of the “Second Phase” of “THE HOLY PROJECT”, the Archangel MICHAEL and the “ADONA’IM” were able to infer that AZAZEL and his cronies were infected with “SIN”, and they were able to infer (using their own words) that “... *the law of sin and death is the following: sin causes destruction ...*”. Yet, because they loved “THE DIVINE”, IHVH, our FATHER very much and they also very much loved “*the most precious creature of IHVH*”, the first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” that was to be produced into existence in first “Specific Energy ‘EARTHLY’ Habitation Domain”, they decided to enter into the “HUBRIS COVENANT” with AZAZEL, giving AZAZEL (the one whose essence, they have acknowledged, is infected with “SIN”) possession of the first “Specific Energy ‘EARTHLY’ Habitation Domain”; for, they said: “... *In that place, Azazel will be able to avoid mavet for a time, and to finally come to a full understanding of his mistake. He... and those who choose to go with him...*”¹²⁸⁴. What about their own inference “... *the law of sin and death is the following: sin causes destruction ...*”? Add “one” to “one”, what would you get? What will be the result of placing all those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” whose essence are infected with “SIN”, inside the first “Specific Energy ‘EARTHLY’ Habitation Domain” and applying the inference “... *the law of sin and death is the following: sin causes destruction ...*”? Would the result be the DESTRUCTION of the first “Specific Energy ‘EARTHLY’ Habitation Domain” and all that it will contain or would it be something else?

“...Even now, AZAZEL’s essence is being held together by the mercy of IHVH, SINCE IT IS INFECTED WITH SIN. ...”

In that sentence and with the words “...*held together...*”, which means to keep the component parts, to keep the shattered parts, of something together in a defined

state, these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” reveal that they have understood that “AZAZEL’s essence” is shattered. That is the extent to which they have understood that something (actually the “‘SPIRIT←SPIRIT’ Body”, which they had no knowledge of the existence) inside of AZAZEL is fractured, broken. That shattering, as we have indicated already, was the result of him, in the bitterness of a manipulative and ungrateful “pampered child” who has been whining way too much and did not get what he yearned to have, throwing tantrums and exposing his “Specific ‘CELESTIAL’ Visual Structure” unprotected to luminous radiation emanating directly from “THE SHEKINAH” to show his displeasure. All those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, which have followed AZAZEL in that transgression also ended-up with fractured and broken “‘SPIRIT←SPIRIT’ Body” invisible inside their “Specific ‘CELESTIAL’ Garment”. With their “‘SPIRIT←SPIRIT’ Body”, fractured and broken, which could no longer reflect the unique and homogenous aspect of the “HOLY SPIRIT” in the image of which they were designed and created into existence, they were all found not to be “fit for purpose” anymore, and were marked for “MAVET” (marked for “DEATH”, the removal from existence, the return to nothingness): this was to happen inside the “Specific Energy ‘CELESTIAL’ Domain”. It is not because of the mercy of IHVH that “...*Even now, AZAZEL’s essence is being held together*” (that is to say, he is not yet “DEAD”, returned to nothingness), but because of “THE BETRAYAL” of the Archangel MICHAEL, which took place on that afternoon of the Third Day of the implementation of the “Second Phase” of “THE HOLY PROJECT”.

Knowing that, ***“THE ESSENCE OF AZAZEL [AND OF EACH OF HIS CRONIES] IS INFECTED WITH SIN” AND “...THE LAW OF SIN AND DEATH IS THE FOLLOWING: SIN CAUSES DESTRUCTION [AND CONSEQUENTLY DEATH]. ...”***, why then, have these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, self-declared “most intelligent children of IHVH”, proceeded with their deceit to hinder the action of “THE SHEKINAH”, then, pulled out of the destruction by the flow of the pure “Specific Atomic ‘SPIRIT’ Substances” coming out of “THE SHEKINAH”, and which flooded the “Specific Energy ‘CELESTIAL’ Domain”, in the afternoon of the Third Day of the implementation of the “Second Phase” of “THE HOLY PROJECT”, AZAZEL and all the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who carry in their essence the mark of the “DEATH”, to place them under the bed sheets of the first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, whom they, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, have understood themselves as to be ***“THE MOST PRECIOUS CREATION OF IHVH”***?

- Was it for the wellbeing of this first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”?
- Was it because these “ADONA’IM” had too much love for their following — the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”?
- Was it because these “ADONA’IM” had in them “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” and were upholding the unique commandment that “THE DIVINE”, IHVH, our FATHER, gave them through “THE DIVINE FORCE”?
- Or was it because they had decided among themselves to demonstrate this relationship of cause and effect on their neighbour, this first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, to get rid of him?

As we have indicated already, the Archangel MICHAEL had decided to destroy the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” right after the announcement of the “Second Phase” of “THE HOLY PROJECT” and he started setting in place a deceptive act to hide his “MALICE” and his intentions towards his neighbour. Through their own words and conversations, they will unconsciously reveal everything that they hid in themselves.

All these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” broke (to the highest degree, as “broke” is a light word, and I did not find a word heavy enough to characterize the transgression that these “pampered children” have perpetrated, to make you feel the severity of their transgression of) this unique commandment, and thus, they have all sinned against “THE DIVINE”, IHVH, our FATHER, and that is why HE withdrew His confidence from all the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, without exception.

The difference between those that “THE DIVINE”, IHVH, our FATHER has maintained in the “Specific Energy ‘CELESTIAL’ Domain” and those that have been immersed in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, is in the status of the structure of their “‘SPIRIT←SPIRIT’ Body”.

For the former, the structure of the “‘SPIRIT←SPIRIT’ Body” is not cracked and is not destroyed, and that is why they were regenerated by the pure “Specific Atomic ‘SPIRIT’ Substances” flowing out of “THE SHEKINAH”.

Whereas for the latter, the structure of their “‘SPIRIT←SPIRIT’ Body” was already destroyed when they unveiled their “Specific ‘CELESTIAL’ Visual Structure” unprotected to the luminous radiation emanating from “THE

SHEKINAH”; they became as such, toxic sources flowing in the “Specific Energy ‘CELESTIAL’ Substance”, and that is why they had be destroyed from existence.

As we have already indicated in a previous annotation, from the teachings that they had received from “THE DIVINE FORCE” during the design of the morphological particulars of this “Subjective ‘EARTHLY’ Garment”, the Archangel MICHAEL and the “ADONA’IM” had understood that the basic inheritance qualities legacy of the “Subjective ‘EARTHLY’ Garment” will be transmitted from offspring in descent through the recursive transformations, without any interference with the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”.

It is so that, in their “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, and taking themselves to be “gods”, by using the knowledge that they had received from “THE DIVINE FORCE”, these elders of the creation will decide otherwise.

In their “nefarious and despicable shadow scheming”, they planned the destruction of the first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” having the “MALE” adjective and also that of the first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” having the “FEMALE” adjective, and through these recursive transformations, it is the destruction of mankind that will ensues.

The seed of “DEATH” which is the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” and that the elders of the creation will sow in the first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” having the “MALE” adjective and also in the first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” having the “FEMALE” adjective, as well as the penalties that the Archangel MICHAEL had already prepared to be applied to “ADAM”, will spread through these recursive transformations on his descendants.

It is so that, the elders of the creation had planned to maintain forever that seed of “DEATH” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”. And this is why it is said of “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” that they bear in them the “Original Sin”.

“... Until AZAZEL fully reveals his character to all, he is allowed time... but the way he is using this time is doing nothing but revealing more clearly the nature of the sin in him. ...”

When “THE DIVINE FORCE”, speaking through the Archangel UZZIEL in the “Specific Energy ‘CELESTIAL’ Domain” and in front of all the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, had revealed to them and fully described the character

of AZAZEL, were those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of the remaining of “THE CELESTIAL HOST” asleep or had their “ears” plugged?

When by the “KHEREV” of the Archangel MICHAEL, has revealed the true monstrous “Character” that AZAZEL had chosen to be identified with through manifestation of a metaphor in the new “Specific Energy ‘EARTHLY’ Substance”, were these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of the remaining of “THE CELESTIAL HOST” asleep or else had their “eyes” blinded?

On second thought, looking at the feats of those who dwell in “Specific Energy ‘CELESTIAL’ Domain”, this statement is correct, as it is not only about AZAZEL, but it is about all the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, including all those that have been maintained in the “Specific Energy ‘CELESTIAL’ Domain”.

Given that any “SEAT OF THE INTELLECT” with guilty “CONSCIENCE” towards “THE DIVINE”, IHVH, our FATHER, whatever the masks of convenience (masks of sanity), the necessary accommodations and indulgence that it will produce vis-à-vis itself to conceal its guilt and having at a lower cost the feeling of fulfilling its obligations and having nothing to reproach itself, will eventually betray itself and reveal its own misdeeds, the existence of which will be inferred through discernment from the “IMPURE” signals of actions which it will produce and manifest into existence, in the broad daylight and at the sight of all, we will rephrase this statement by saying that:

“ ...

Until all of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, elders of the creation, without exception, fully reveal their characters to all, they are allowed time... but the way they are using this time is doing nothing but revealing more clearly their “nature” and the “MALICE” and the sin in them.

...”

Nothing is hidden, except to be made manifest; nor is anything secret except to come to light.

“... he is allowed time ...” why then, in the dwelling place of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”? Because the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had so much love for their neighbours the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”?

Have you ever heard of a dwelling place that could house at the same time he who is in the image of “THE DIVINE” and he who has openly declared himself the enemy of “THE DIVINE”? That enemy that vowed to seize all that, which belongs to “THE DIVINE”?

“... you who is IHVH most precious creation ...”

It is because “THE DIVINE” IHVH, our FATHER has established to manifest the unique expression of “THE UNION” represented by the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” and not in a “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, that all the “ADONA’IM” and the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” will infer that the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” is in their own words: *“the most precious creature of IHVH”*.

Having then, inferred that their neighbour, the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” is *“the most precious creature of IHVH”*, why then, did they plan and proceeded with their deceit to hinder the action of “THE SHEKINAH”, then, pulled out of the destruction by the flow of the pure “Specific Atomic ‘SPIRIT’ Substances” coming out of “THE SHEKINAH”, and which flooded the “Specific Energy ‘CELESTIAL’ Domain”, in the afternoon of the Third Day of the implementation of the “Second Phase” of “THE HOLY PROJECT”, AZAZEL and all the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who carry in their essence the mark of the “DEATH”, to place them under the bed sheets of *“the most precious creature of IHVH”*?

It is so that, these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, through their actions and their words, were in fact revealing everything about their “nefarious and despicable shadow scheming”: the deceptive works set by the “pampered children” to sabotage every project in which they will not be ranked first and will not get the particular privilege that is the object of such a project.

Such were the depths of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” and the absence of “THE KNOWLEDGE OF THE DIVINE” in the “‘SPIRIT←SPIRIT’ Body” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”.

Even nowadays, those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have not changed, indeed that which defines their “nature” was sealed right at the onset of the implementation of the “Second Phase” of “THE HOLY PROJECT”. If a “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” says the following to you, human creature:

“IHVH loves you very much”, “You are most precious to IHVH”, etc...

You must understand by this, that you have received from “THE DIVINE”, IHVH, our FATHER, a manifestation of a metaphor of a “DIVINE PRIMARY WEALTH”, and which, none of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” has. They do not speak about, and do not see, the affection that “THE DIVINE”, IHVH, our FATHER has for His creatures.

Through that manifestation of a metaphor of that “DIVINE PRIMARY WEALTH”, a particular “KNOWLEDGE OF THE DIVINE” is sent to “THE HUMAN EDIFICE”. And, as these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have proceeded with “ADAM”, since the very first days of the creation of this world in which you are living, these same “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” will do what has been sealed in their “nature”: they will try to annihilate in you, that manifestation of that metaphor of that “DIVINE PRIMARY WEALTH”, or subjugate you to their yoke and ignorance.

To illustrate their own ignorance and their absence of “THE KNOWLEDGE OF THE DIVINE”, trying to justify the disaster in which they have plunge the implementation of “THE HOLY PROJECT”, they will present you that two cutting edges “bitter bond”. Keep in mind that your only way out of that trap, is: “THE DIVINE FORCE”.

“THE DIVINE FORCE” is “ABSOLUTE PURITY”, run and go to HER, with all your thoughts, with all your strength, do not waste time, and you will learn things concerning these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who called themselves “gods”.

Having then, inferred that their neighbour, the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” is “*the most precious creature of IHVH*”, the one that IHVH loves most, and all the “ADONA’IM” and the archangels eldest of the creation saw by themselves all the destruction that AZAZEL was spreading in the “Specific Energy ‘CELESTIAL’ Domain”, nevertheless they have chosen to place the filth under the bed sheets of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”. Again, we shall ask:

- Was it for the wellbeing of this “*most precious creature of IHVH*”?
- Was it because these “ADONA’IM” had too much love for their following — “*the most precious creature of IHVH*”?
- Was it because these “ADONA’IM” had in them “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” and were upholding the unique commandment that “THE DIVINE”, IHVH, our FATHER, gave them through “THE DIVINE FORCE”?

- Or was it because they had decided among themselves to demonstrate this relationship of cause and effect on their neighbour, this “*most precious creature of IHVH*”, to get rid of him?

“... He feels that if he can get you, you who is IHVH most precious creature, to also transgress, then, IHVH will spare all who have sinned, in order to save you as well. ...”

This is an expression of the two cutting edges “bitter bond”, which they have begotten from their ignorance and from the adultery they perpetrated with the knowledge, which they have received from MOTHER.

It is in this manner that these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, self-proclaimed “gods” and self-declared “most intelligent children” of IHVH, in their obscurity, will place and deeply root this “bitter bond” and all its variants on everything, blinding all the creation and locking it in ignorance so that the creatures will not know “THE DIVINE”, IHVH, our FATHER. As such, they will hide their own sins, as they will be related to measures, times and moments.

Keep in mind that at the moment of this speech about the “law of sin and death” as these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” understood it, only the first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, “ADAM” and “THE FEMALE”, as human creatures, were into existence inside the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”. The others creatures into existence were the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”. With the expression “***all who have sinned, in order to save you as well***”, who do you think they are referring to when they say “***all who have sinned***”? They are referring to themselves, on both sides of the two warring parties of their ongoing “CELESTIAL WAR”, and they are speaking about “saving their own skin”¹²⁸⁵ at the expenses of “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, because they have understood the gravity of the “BETRAYALS”, which

¹²⁸⁵ An expression used nowadays and meaning: to find an escape route to rescue or protect oneself from imminent danger, trouble, difficulty or unpleasant situation, without regard or concern for the welfare of others.

For “THE DIVINE”, IHVH, our FATHER, the nearly 70 billions years that have elapsed so far, since the creation into existence of the first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, is seen as nearly 70 weeks. The human creatures will answer for their own sins, so will all these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”; they will answer for their actions and “SINS”.

they have perpetrated against “THE DIVINE”, IHVH, our FATHER, and they have understood that they will “receive the bill” and answer for the disaster in which they have thrown the implementation of the “Second Phase” of “THE HOLY PROJECT”. These “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” on both sides of the two warring parties of this ongoing “CELESTIAL WAR” are very well aware of their own “SINS”, which they have perpetrated against “THE DIVINE”, IHVH, our FATHER, and they are very well aware of the consequences; “the law of sin and death”. Through such expressions of the two cutting edges “bitter bond”, which these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have begotten from their ignorance and from the adultery they perpetrated with the knowledge, which they have received from MOTHER, these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” also acknowledge that they, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have “SINNED” against “THE DIVINE”, IHVH, our FATHER. The strategy, which they have set in place in order to be spared, to try to escape the “law of sin and death” as these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” understood it, is to drag these first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, hence all those who will descend from these first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” (and that is to say, the whole “HUMAN EDIFICE”) inside the quagmire of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and to keep “THE HUMAN EDIFICE” locked-up in there.

It is so that, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” were using the “alter ego of names” trying to put the responsibility for the actions of their “nefarious and despicable shadow scheming” on “THE DIVINE”, IHVH, our FATHER; because in fact, it is the Archangel MICHAEL with the approval of the “ADONA’IM” who wrote the terms of their rigged “DEATH CONTRACT” against the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” so that this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, as well as all his descendants, look not towards “HE WHO IS ABOVE”, towards their “PLENITUDE”.

Throughout the course of the “Second Phase” of “THE HOLY PROJECT”, and even nowadays, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” kept and keep using this two cutting edges “bitter bond”, to root it in any human creature and to associate it to any human creature on which “THE KNOWLEDGE OF THE DIVINE” is projected to be manifested.

As we have indicated already, it is indeed from this two cutting edges “bitter bond” born from the ignorance that arose any fault, any injustice, blasphemy that is associated with ignorance, fright, any precept overwhelmingly associated with the transgression of the first rule of existence [that is, “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”].

This “bitter bond” born from the ignorance has several variants. In all its variants, and always under the pretext of doing a favor to the human creature, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” will replicate on the human creature on which they have set their sights, the unhealthy psychological conditions of hubris in which they (“‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”) had found themselves at the announcement of the “Second Phase” of the implementation of “THE HOLY PROJECT”, hoping that this human creature will act in the same way as the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have done; that is, to reject, to walk away from, to betray the cause of “THE DIVINE”, IHVH, our FATHER. If such a thing was to happen on this human creature, then these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” will hasten to say about this human creature: “...*He has become like one of us...*”

And it is by this “bitter bond” that the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have tried at all times to keep blind and lock in ignorance any human creature on which “THE KNOWLEDGE OF THE DIVINE” is projected to be manifested. They tried it on all the elders of “THE HUMAN EDIFICE”; ENOCH, NOAH, ABRAHAM, ISAAC, MOISE, ELIJAH, JOB, JONAS, and many more who are not mentioned in the history records of human creatures, subjecting many of the elders of “THE HUMAN EDIFICE” to their yoke and ignorance.

These “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” even went as far as to present this two cutting edges “bitter bond” to CHRIST — “HE WHO” accomplished the project of “REDEMPTION” — to no avail, as CHRIST was educated directly by “THE DIVINE FORCE”, with whom HE was and is always in contact. And of course, they have tried to present it to the one who is revealing these things right now, but to no avail: “THE DIVINE FORCE” has protected her “SON” at all times, day and night.

With this two cutting edges “bitter bond”, it has many variants, rooted as such in the human creatures, by these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” once these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” feel that their hierarchy of communication with “THE DIVINE”, which had hitherto been already established through “THE SHEKINAH”, is threatened, it is so that almost all “THE KNOWLEDGE OF THE DIVINE” which is projected to be manifested by “THE DIVINE FORCE” through human creatures, will not come to fruition and will be destroyed.

It is for the purpose to lead human creatures to understand such things, that CHRIST had given them the parable of the sower (Matthew 13:4-8) saying:

A sower went out to sow. As he sowed, some seeds fell along the path: birds came and devoured them.

Other seeds fell on rocky ground, where they did not have much soil: immediately they sprang up, since they had no depth of soil; but when the sun rose they were scorched, since they had no root, they withered away.

Other seeds fell among thorns, and the thorns grew up and choked them.

Other seeds fell on good soil and produced grain, some a hundredfold, some sixty, some thirty.

“... If this were to occur, should IHVH protect even one sinner, then, AZAZEL would see this as an indication that IHVH IS unfair, and that he should never have been cast out of Heaven for his own rebellion. ...”

As such, are the reasonings of these “SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”. What about the previous saying: “...*Even now, AZAZEL’s essence is being held together by the mercy of IHVH, SINCE IT IS INFECTED WITH SIN. ...*”? Does it not mean “PROTECTED FROM UNDERGOING MAVET, PROTECTED FROM DEATH”? It is with such sayings that these “SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” roll and twist their words in order to pull the wool over the eyes of “SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”.

“... **would see this as an indication that IHVH IS unfair** ...”; did you notice the word “**unfair**”, which they have used? How did such a “strange” word came to be in a domain of existence where the concept of “not to be satisfy” did not exist? That “strange” word, “**unfair**”, is the one, which these “ADONA’IM” have used to qualify “THE DIVINE”, IHVH, our FATHER, since the days after the announcement of the “Second Phase” of the implementation of “THE HOLY PROJECT”, when they came to understand that “... *None amongst them, who are elders of the creation, but a new creature will receive and carry the manifestation of “THE UNION” ...*”. The word “unfair”, as you would know already, means: “*not honest, not impartial, disingenuous, using or involving trick or artifice, not conforming to approved standards or rules, not in accordance*

with absolute respect for what is owed to each one, not giving each one their due, not based on or not behaving according to the principles of equality and justice, honesty and ethics, etc...” As for the word **“justice”**, do you remember the “... Thus is the **justice** of the “THRONE” seen ...”, coming from the Archangel MICHAEL? Do you now understand the depraved state of mind, which these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and their leader have exhibited right after the announcement of the “Second Phase” of the implementation of “THE HOLY PROJECT” and which has been sealed as part of their “nature”? Do you now understand what CHRIST was revealing using the parable of the workers of the eleventh hour?

Having no knowledge about the ins and outs of “THE HOLY PROJECT”, it is by such subterfuge that the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” wanted to outsmart “THE TRUTH” to conceal and make forget not only their “BETRAYAL” perpetrated against “THE DIVINE”, IHVH, our FATHER, but also conceal the fact that they are the ones who had decided to erase what they had designated as a “MISTAKE OF THE CREATION” and that had received the new unique expression of “THE UNION” which represented to them a threat to the existing hierarchy of communication with “THE DIVINE”, which had hitherto been already established through “THE SHEKINAH”.

With that “BETRAYAL” perpetrated against “THE DIVINE”, IHVH, our FATHER, all these “ADONA’IM” have “SINNED” against “THE DIVINE”, IHVH, our FATHER, they have “BETRAYED” “THE DIVINE”, IHVH, our FATHER, they have perpetrated adultery with with the teachings that they had received from “THE DIVINE FORCE”, they are “TRUE SINNERS”.

By explaining as such the “why” were AZAZEL and all the fallen “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” present in this first “Specific Energy ‘EARTHLY’ Habitation Domain” in which “ADAM” and “THE FEMALE” live, these most clever amongst the “ADONA’IM” at that time, have rolled their own “BETRAYAL” perpetrated against “THE DIVINE”, IHVH, our FATHER, from which they have pulled out of the destruction by the flow of the pure “Specific Atomic ‘SPIRIT’ Substances” coming out of “THE SHEKINAH”, and which flooded the “Specific Energy ‘CELESTIAL’ Domain”, in the afternoon of the Third Day of the implementation of the “Second Phase” of “THE HOLY PROJECT”, AZAZEL and all the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who carry in their essence the mark of the “DEATH”, and they have turned that “BETRAYAL” into a “cast out of Heaven”: a deceit produced by “THE SEAT OF THE INTELLECT” worthy of the best conjurers! And human creatures will record it as

“cast out of Heaven” in the records of their history, not knowing the details of what was behind that “cast out of Heaven”.

“...He would storm back into the Kingdom and overthrow it. Even the Holy angels would be so confused, that they could not be rallied into a suitable defense. ...”

They were now whitewashing their “BETRAYAL” perpetrated against “THE DIVINE”, IHVH, our FATHER, using such reasoning that are the progeny of “IMPURITY” in all its forms and in which “THE SEAT OF THE INTELLECT” inside each of them was standing.

As we indicated in one previous annotation and we remind here so that you can understand how “THE HOLY PROJECT” was diverted from its course by these elders of the creation: these were the works and the reasoning of all these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” in their absence of “THE KNOWLEDGE OF THE DIVINE”, having no knowledge of the ins and outs of “THE HOLY PROJECT”, not knowing why and how they had been “spoken” into existence in the attribute “NON DIVINE”, not even knowing of the existence of the attribute “NON DIVINE” in which they are all attached, having no knowledge of the model from which they have all been carved and produced into existence, having no knowledge of the limitations of the elements of “THE ‘SPIRIT’ REASON” imposed upon them, etc...

The “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” having not developed in itself the plant of “THE KNOWLEDGE OF THE DIVINE”, but rather the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, thus, these were the reasoning of the works of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, that all these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had developed in them and which became an integral part of their “nature”. And they will nourish the whole CREATION with these products of the absence of “THE KNOWLEDGE OF THE DIVINE” and will drag the whole CREATION in the wake of this ignorance.

That is how, through such deceit produced by “THE SEAT OF THE INTELLECT” worthy of the best conjurers, the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” will override the innocence of “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”.

That is how the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” will drag and lock the whole Creation in ignorance, in the web of evil and perverse purpose of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, and

this will last until CHRIST is manifested in the existence in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”.

CHAPTER 217

ANNOTATION ON THE UNFINISHED WORK OF THE “SECOND PHASE” OF THE HOLY PROJECT

As we have already indicated, the premeditated crime against the “SPIRIT←LIGHT” ‘EARTHLY’ Creature” was also “a dagger stabbed in the back” of “THE DIVINE ARCHITECT AND PROJECT MASTER” for all the work that HE had designed and established, and which was to be realized from the “SPIRIT←LIGHT” ‘EARTHLY’ Creature” in order to successively populate the five others “Specific Energy ‘EARTHLY’ Habitation Domains” of the “SPECIFIC SUPREME CONFIGURATION” of the “Specific Generative Energy ‘EARTHLY’ Domain” and the six “Specific Formative Energy ‘EARTHLY’ Domains”.

It is so that, “THE DIVINE”, IHVH, our FATHER will stop all projects that “THE DIVINE ARCHITECT AND PROJECT MASTER” had designed and established to be implemented in the attribute “NON DIVINE” and outside of the “Specific Energy ‘CELESTIAL’ Domain”.

“THE DIVINE”, IHVH, our FATHER, through “THE DIVINE FORCE”, had already given this knowledge to ENOCH, of whom METHUSELAH is the descendant, through several visions, when he lived on EARTH down here and when he had begun to understand the project for which “THE DIVINE”, IHVH, our FATHER had chosen him.

In the annotation on the “Specific Energy ‘CELESTIAL’ Domain” and the correspondence with the “Specific Generative Energy ‘EARTHLY’ Domain”, we explained the vision about an overview of the work that “THE DIVINE ARCHITECT AND PROJECT MASTER” had designed long before that the attribute “NON DIVINE” was created and it is the realization of that work that had been planned to be accomplished in the attribute “NON DIVINE”.

That work that “THE DIVINE ARCHITECT AND PROJECT MASTER” had designed and planned, will not run its course because “FATALITY”, caused by that

“BETRAYAL” which the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had perpetrated against “THE DIVINE”, IHVH, our FATHER, on the afternoon of the Third Day of the implementation of the “Second Phase” of “THE HOLY PROJECT”, has not only tied everything in the web of evil and perverse purpose of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” that the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have grown in their “‘SPIRIT←SPIRIT’ Body” and which became an integral part of their “nature”, but has also locked everything in the “HUBRIS Spiritual Veil”; every creature into existence inside of this “HUBRIS Spiritual Veil” seeking to satisfy the “fame of oneself”, and to the detriment of “THE DIVINE”, IHVH, our FATHER.

“THE CELESTIAL WAR” will continue its course in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain” which will be the new battleground of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, who will use the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” as proxies in their works of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”.

It is for the purpose to lead human creatures to understand this, that “THE DIVINE FORCE” had sent to ENOCH, the vision about this “FATALITY”, and that he had then, reported in the writings that he had given to humanity by saying:

“...

I then, made a long circuit to arrive at a place where nothing was complete.

I saw there neither the admirable work of the Heaven height, nor of the Earth and its wonders. This was only a solitary and terrible desert.

There too, I saw seven “STARS” chained to each other, as high mountains, as ablazed fire.¹²⁸⁶

And I called out at this sight:

¹²⁸⁶ Those are the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” in all the seven angelic orders and who in their ignorance have rejected “THE DIVINE”, IHVH, our FATHER and all that HE is. They were subsequently locked underground in “THE DEPTHS OF THE WATERS” (inside in this first “Specific Energy ‘EARTHLY’ Habitation Domain” in which live human creatures). It is what is been shown to ENOCH in this vision. The symbolic of the “seven “STARS” chained to each other” tells you that all those seven angelic orders have boarded the “BETRAYAL” train against “THE DIVINE”, IHVH, our FATHER, and they are bound to each other in their crimes.

“

For what crime these “STARS” are chained? Why have they been relegated in this place?

”

Then, URIEL, one of the “holy Angels”¹²⁸⁷ who was with me and was my guide gave me an answer:

“

ENOCH, why this question? Why this concern, this anxiety?

These “STARS” have transgressed the commandment of the Most High God; and to atone for their crime, they have been chained in this place for an infinite number of centuries.

”

From there, I crossed in another place of terror.

There I saw the work of a huge fire, burning and consuming, in the middle of which there was a division.¹²⁸⁸

¹²⁸⁷ As we have indicated already, because of their “MALICE” and their true “nature” and as a consequence of that “BETRAYAL”, which the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have perpetrated against “THE DIVINE”, IHVH, our FATHER, on that afternoon of the Third Day of the implementation of the “Second Phase” of “THE HOLY PROJECT”, the adjective/qualifier/designation of “SAINT” was removed to these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and no longer applies to them. **NO “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, be it their leader, the Archangel MICHAEL, the “ADONA’IM”, the Chiefs of Angelic Orders, the archangels, etc..., NONE OF THESE is designated as “SAINT”!** In those days, when the elder ENOCH, was still living here on Earth, he was not told about the full length of that “BETRAYAL” and all of its consequences with regards to those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, which “THE DIVINE”, IHVH, our FATHER, has maintained in the in the “Specific Energy ‘CELESTIAL’ Domain”.

¹²⁸⁸ This is a reference to the “CONTROVERSY”, between the Archangel MICHAEL and AZAZEL; that “CONTROVERSY”, separation, opposition of interests and feelings, disunity, discord, dissension, which started in those days, after the announcement of the “Second Phase” of the implementation of “THE HOLY PROJECT”, when they came to understand that “... None amongst them, who are elders of the creation, but a new creature [you, human creature, reading these writings] will receive and carry the manifestation of “THE UNION” ...”. That “CONTROVERSY” has developed beyond all proportions, and was

And columns of fire were fighting each other and they were sinking into the abyss.¹²⁸⁹

And it was impossible for me to estimate its size or its height; I could not know its origin.¹²⁹⁰

And I called out again at this sight:

“

What a terrible place, that it is difficult to probe the mysteries!¹²⁹¹

”

URIEL, one of the angels who were with me, replied and said to me:

“

ENOCH, why these alarms, why this astonishment at the view of this terrible place, at the view of this place of suffering?

It is here, he added, the prison of the angels; and they will be locked up forever!

”

brought to the attention of others “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of “THE CELESTIAL HOST”.

¹²⁸⁹ Was said to lead to understand that, “THE CELESTIAL WAR” will continue its course in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain” which had become the new battleground of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, who will use the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” and the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creatures” as proxies in their works of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”. They all continue to sink into the depths of the absence of “THE KNOWLEDGE OF THE DIVINE”.

¹²⁹⁰ We have already described the origin of “THE CELESTIAL WAR”: Ignorance that took place in “THE SEAT OF THE INTELLECT” in the “‘SPIRIT←SPIRIT’ Body” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, and became integral part of their “nature”.

¹²⁹¹ The mysteries, which are at the origin of this open conflict, are all what we have described about the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, that took place in “THE SEAT OF THE INTELLECT” in the “‘SPIRIT←SPIRIT’ Body” in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, and became integral part of their “nature”.

From there, I proceeded forward to another place, where on the Occident side I saw a great and high mountain, a steep rock, and four delicious receptacles.¹²⁹²

Inside, this place was deep, spacious, smooth and equal, but of a deep darkness.

Then, Raphael, one of the holy Angels who accompanied me said:

“

These are the regions where the spirits, the souls of the deads are gathered. It is here that must be collected all the souls of the children of men.

It is in these places that they will remain until the judgment day, until the time which is marked to them. However, this time will take long to come to pass, it is the great judgment day.¹²⁹³

¹²⁹² This description refers to others “Specific Energy ‘EARTHLY’ Habitation Domains” (meaning of each of the four receptacles) and of which the works were not completed.

¹²⁹³ Indeed, this will be the great judgment day, not only for the children of men, as all these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have convinced themselves, but they, “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, will face the retribution for their irresponsibility. Those children of men awaiting the great judgment day, they are there as a consequence of the irresponsibility of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”. One cannot just wipe out the consequences (that is, the produced effects) and not address or ignore the source of those consequences (that is, the cause of the produced effects); that will be the recipe calling for more disasters.

Before the creation of this Earthly world, these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have already very well understood the principle of causality that establishes one event or action as the direct result of another. They had understood that nothing happens without a cause. They have understood that, and these are their own words, “*The law of sin and death is the following: sin causes destruction*”, and ignoring all the evidence that they have witnessed by themselves through themselves in their own house, they have nevertheless set themselves to demonstrate that “*law of sin and death*” by using, as guinea pig, their neighbour, who they have inferred to as “*the most precious creature of IHVH*”. Having declared themselves to have outgrown “THE DIVINE”, IHVH, our FATHER, in intelligence and in wisdom, they went ahead and executed their own “nefarious and despicable shadow scheming”, and they have preserved their own garbage into existence and revealed by their own actions that they all stood in “IMPURITY” in all its forms and in “DISGRACE”. They have thus revealed by themselves that they were themselves “Sin” demonstrated against their future neighbour and against “THE DIVINE”, IHVH, our

”

I saw the spirits of the children of men who had died, and their accusing yellings ascended up to the Heaven.

So I asked Raphael, the angel who accompanied me and I said:

“

Who is this accusatory voice that ascends up to the Heaven?

”

He replied, saying:

“

It is the voice of the spirit of Abel, who was killed by his brother Cane, and who will accuse him until his kind is exterminated from the face of the Earth. Until his kind is erased from among men.

”

FATHER. Once the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” was afterwards produced into existence, these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” attempted to conceal their irresponsibility through “LIES” and they have turned their irresponsibility and transformed it into the responsibility of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” and its descendants. The consequences of that irresponsibility are the actual state of “*destruction*” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” and its descendants, and those regions where are collected all the souls of the children of men.

Indeed, “*The law of sin and death is the following: sin causes destruction*”. “*Sin*” of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” has caused the “*destruction*” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”. It is not “*Sin*” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” that has caused the “*destruction*” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, as these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have propagated it through “THE HUMAN EDIFICE”, but it is “*Sin*” of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” that has caused the “*destruction*” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”. They are not going to get away with it at good price; for, it would be tantamount to approving the behaviour of “pampered children” to put themselves on the path of wreaking havoc when they have not obtained what they desire.

Indeed, the time of anguish has already begun for the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and concerning the retribution to the consequences of that “BETRAYAL” that they have perpetrated, all of them, against “THE DIVINE”, IHVH, our FATHER, and all their iniquities. It will be a time of anguish such that it has not happened since a nation exists, until the time marked for the end, because it must come at its appointed time.

“

”

“

And that is what exists since the beginning of the world¹²⁹⁵. The souls of those who utter complaints, and of those who watch for their destruction, for their extermination on the judgment day.

¹²⁹⁵ The “beginning of the world” here refers to the beginning of “FATALITY” in which the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have plunged “THE HOLY PROJECT”, and it is not about that, which “THE DIVINE ARCHITECT AND PROJECT MASTER” had designed long before that the attribute “NON DIVINE” was created. Be very careful with the delicious dishes that the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” serve you for your enjoyment, because if you do not have knowledge of the ins and outs of “THE HOLY PROJECT”, and if you do not have “THE KNOWLEDGE OF THE DIVINE” in you and alongside you, then, you may find yourself chained in ignorance of the perverse purpose created by “FATALITY”.

Such is the sojourn of the souls of unjust men and sinners,
of the souls of those who have perpetrated iniquity and who
have joined the society of the impious, whom they are alike.

Their souls will never be annihilated on the day of
judgment; but confined in this place, they will never leave
it.¹²⁹⁶

”

So I praised GOD.

*And I say: Blessed be my Lord, the Lord of glory and justice, the
supreme and eternal ruler.*

...”

¹²⁹⁶ As we mentioned in the previous annotation, be very careful with the delicious dishes that the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” serve you for your enjoyment, because if you do not have knowledge of the ins and outs of “THE HOLY PROJECT”, and if you do not have “THE KNOWLEDGE OF THE DIVINE” in you and alongside you, then, you may find yourself chained in ignorance of the perverse purpose created by “FATALITY”.

The impurity and filth, in any form whatsoever, have no place in “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”.

No one accumulates and keeps garbage in his own house forever! On the day of judgment, all the impurities, all the filth that are in the “Plane Below”, including the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, which were pulled out of the “Specific Energy ‘CELESTIAL’ Domain” and immersed in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, will be erased from existence. Any “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” that “THE DIVINE”, IHVH, our FATHER has maintained in the “Specific Energy ‘CELESTIAL’ Domain” and who will try to use one any deceit to save those who have been immersed in the “Specific Energy ‘EARTHLY’ Substance”, will be also destroyed from existence with them. YOU ARE ALL NOTIFIED!

“THE DIVINE ARCHITECT AND PROJECT MASTER” did not design these unfinished “Specific Energy ‘EARTHLY’ Habitation Domain” to serve as trash for keeping filth. But HE had designed them to manifest metaphors of products of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” and so that “THE DIVINE”, IHVH, our FATHER be known in the attribute “NON DIVINE” and that all creatures into existence in this attribute “NON DIVINE” can access the indescribable joy, the ineffable gladness, and immeasurable state of equilibrium that “THE DIVINE” has chosen to share with the attribute “NON DIVINE”.

Such a vision and conversation with the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” will not allow you to know about “THE DIVINE”, IHVH, our FATHER, but they will rather allow you to see the “FATALITY” in which the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have plunged “THE HOLY PROJECT”, and also to understand what the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have hidden in themselves, how did they perceive the existence and how did they perceived and perceive “THE DIVINE”.

It is so that, “THE DIVINE ARCHITECT AND PROJECT MASTER” will change the plans that HE had designed for the realization of the six “Specific Energy ‘EARTHLY’ Habitation Domains” and HE chose temporarily six other more or less large planes in the “Plane Above” and on which HE will extend the “Specific Energy ‘CELESTIAL’ Domain” on these six plans so that this extended “Specific Energy ‘CELESTIAL’ Domain” can accommodate the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” refugees of “THE CELESTIAL WAR” which will continue its course in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”.

These “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” refugees who were to dwell in the six “Specific Energy ‘EARTHLY’ Habitation Domains”, are: the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” which will be “HOLY”, those who will be “RIGHTEOUS”, and those who will be dedicated to “THE DIVINE”.

Once a “‘SPIRIT←LIGHT’ Body” has accomplished the time of purification (which is equal to the “forty years” preceding the mark of time of redemption) and reached the time of redemption (which is currently seventy years from the perspective of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”), which it is appointed to him in the “Specific Energy ‘EARTHLY’ Habitation Domain” where it was placed on hold, then, that “‘SPIRIT←LIGHT’ Body” will be sent in one of seven other subdivisions of the “Plane Above”.

It is so that, the entire “Plane Above” will be divided into seven plans more or less large and each on a different level. Thus, when one talk about “planets” in “THE HOLY PROJECT” of “THE DIVINE”, IHVH, our FATHER, it is about those seven subdivisions of the “Plane Above” and one speaks of the seven “Heavens”, from the first to the seventh.¹²⁹⁷

¹²⁹⁷ See conversation of September 14, 2005, Aristide with CHRIST; see conversation of September 17, 2005, Aristide with the Archangel RAGUEL; and see conversation of June 30, 2006, Aristide with the Archangel URIEL.

The whole “Plane Above” is in the “HAND OF THE DIVINE”, and “THE DIVINE”, IHVH, our FATHER, has assigned responsibility tasks of these seven “Heavens” to Christ, to the archangels, and to angels. It is so that, the allocation of responsibilities on these seven “Heavens” will be associated respectively with “THE DIVINE”, IHVH, our FATHER, with CHRIST, with the archangels, with the angels, with the saints, and with the “dedicated” ones, according to the ranks.

These seven subdivisions of the “Plane Above”, are regulated the consequence of “FATALITY” in which “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have plunged “THE HOLY PROJECT” and “THE CELESTIAL WAR” which continues its course in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”.

It is so that, “THE DIVINE”, IHVH, our FATHER will keep some “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” in the “Specific Energy ‘CELESTIAL’ Domain”, the first “Specific Energy ‘EARTHLY’ Habitation Domain” in which live “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” will remain the only “Specific Energy ‘EARTHLY’ Habitation Domain” in the “Plane Below” and whose achievement work will be more advanced, and all work that “THE DIVINE ARCHITECT AND PROJECT MASTER” had planned to have implemented in the other “Specific Energy ‘EARTHLY’ Habitation Domains” have been stopped and put on hold.

CHAPTER 218

ANNOTATION ON THE ORIGIN OF THE TEN COMMANDMENTS DESCRIBED IN TABLETS OF THE DECALOGUE

All the rules and principles that “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed and established in order to sustain “THE HOLY PROJECT” into existence are based on a common element which is “VITAL” to the existence and to the proper functioning of the “Specific Elementary ‘SPIRIT’ Particle” and everything will be formed and produced by it. This common element is:

“PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”

“PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” is “THE FIRST LAW”, “THE FIRST RULE OF EXISTENCE”, “THE FIRST COMMANDMENT” established by “THE DIVINE”, IHVH, our FATHER.

The “Causal Precedence Relation of ‘THE PRAISE’” is catalyzed by the degree of presence of “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” in the “Specific ‘SPIRITUAL’ Environment” external and immediate around the creatures that “THE DIVINE FORCE” has created into existence in the attribute “NON DIVINE”.

It is through “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” that will be created the conditions through which the plant of “THE KNOWLEDGE OF THE DIVINE” will grow and it is “THE DIVINE FORCE” who will provide the elements of fertilization which are necessary for the growth of the plant of “THE KNOWLEDGE OF THE DIVINE”.

SHE will provide those elements of fertilization to the two invisible seats — “THE SEAT OF WISDOM” and “THE SEAT OF THE INTELLECT” — that SHE built in the creatures that SHE created into existence in the attribute “NON DIVINE”; these two invisible seats must operate synchronously and in agreement.

During all their existence in the “Specific Energy ‘CELESTIAL’ Domain”, none of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” grew in “THE KNOWLEDGE OF THE DIVINE” so as to understand or be aware of the “Causal Precedence Relation of ‘THE CREATION’”. Moreover, the “ADONA’IM” and, all the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had demonstrated that they understood not the sole and unique commandment that “THE DIVINE”, IHVH, our FATHER, gave them through “THE DIVINE FORCE”. “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” was just an appearance, used as a blanket and, behind which these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” hid their “MALICE” and their true “nature”.

It is so that, when the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” will be created, then, destroyed by the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” will impose their will on the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” descendant of the first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, and “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” also became a misunderstood appearance in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”.

More than sixty billion years after the creation of the first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, when the appointed time came to pass on a well-defined point of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” and which will be manifested into the existence in the attribute “NON DIVINE” by the creature, who will be called MOSES, then, “THE DIVINE”, IHVH, our FATHER, through “THE DIVINE FORCE” will give an indication which allows to understand “THE FIRST RULE OF EXISTENCE”.

It is so that, the offshoot of “THE FIRST RULE OF EXISTENCE” in the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” will be revealed: it branches on the two invisible seats — “THE SEAT OF WISDOM” and “THE SEAT OF THE INTELLECT” — and reflecting on each, an expression of that, which is “PERFECT”, and which ensues of a metaphor for the five “INDISTINCT DIVINE FORMS” that “THE DIVINE”, IHVH, our FATHER has chosen to share with the attribute “NON DIVINE”, and which taken together from the perspective of the indivisibility, represent that, which is “PERFECT”.

The first part of this offshoot of “THE FIRST RULE OF EXISTENCE”, also branches into five secondary branches representing a “PERFECT” set, expression of a metaphor for the five “INDISTINCT DIVINE FORMS” that “THE DIVINE”, IHVH, our FATHER has chosen to share with the attribute “NON DIVINE”. It has been defined to contain the rules that are necessary to sustain the fertility of the growing medium of the plant of “THE KNOWLEDGE OF THE DIVINE” from “THE SEAT OF WISDOM”, from which the “PURE, TRUTHFUL, AND AUTHENTIC BOND OF COMMUNION, OF DEEP CONFORMITY, WITH ‘THE DIVINE’” was established and implemented. These are the first five secondary branches; each is in fact a law necessary to remain into existence.

These first five laws — secondary branches of the first branch of this offshoot of “THE FIRST RULE OF EXISTENCE” — are all of equal importance and form a “PERFECT” set which is characterised by the designation: “LOVE THE DIVINE” or “THE LOVE OF THE DIVINE IN THE SEAT OF WISDOM”; that is to say: “PURE, TRUTHFUL, AND AUTHENTIC BOND OF COMMUNION, OF DEEP CONFORMITY, WITH ‘THE DIVINE’”, which takes place inside “THE SEAT OF WISDOM”. Here are the respective purposes of each of these first five laws:

1. The first law in “THE LOVE OF THE DIVINE IN THE SEAT OF WISDOM” is intended to lead you to understand how your “‘LIGHT→GOD’ CORD OF PRAISE”, and its attachment points, function. It is through this “‘LIGHT→GOD’ CORD OF PRAISE” that you will receive the external supply of subsistence, which allows you to remain into existence in the “‘SPIRIT→LIGHT’ Specific State”.
2. The second law in “THE LOVE OF THE DIVINE IN THE SEAT OF WISDOM” is intended to lead you to stay away from the use of the “alter ego of names” regarding “THE DIVINE”, IHVH, our FATHER.
3. The third law in “THE LOVE OF THE DIVINE IN THE SEAT OF WISDOM” is intended to lead you to remember your “PLENITUDE”.¹²⁹⁸

¹²⁹⁸ It is for the purpose to lead human creatures to understand such things that the human Mirza Husayn, under the inspiration of “THE DIVINE FORCE”, said:

“...

O good Son! From dust, and with my decree, I made you appear into existence and I ordered that every existing atom and the essence of all created things, served to your education.

By yourself (because the strength is still inside you) you are called reclaim your freedom: break the chains of servitude towards the “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures” and by which they had bound you as their slaves — whether those that “THE DIVINE”, IHVH, our FATHER has maintained in the “Specific Energy ‘CELESTIAL’ Domain”, and who are symbolically described as “birds of Heaven”, or those who have been immersed in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, and who are symbolically described as the “fish in the depths of the waters”, and as well as the chains of servitude towards your fellow humans.¹²⁹⁹

4. The fourth law in “THE LOVE OF THE DIVINE IN THE SEAT OF WISDOM” is intended to lead you to grow up in “THE KNOWLEDGE

So, before you came out of your mother’s womb, I saved two shimmering milk sources, “MY EYES” to watch over you and “MY HEART” to love. By my tender goodness, in the shadow of my mercy, I raised you; and by the essence of my grace and my goodness, I have protected you.

In all this, my purpose was that you can come to know me and that you to become worthy of my invisible gifts. However, you have been careless and, as an adult, you neglected all my blessings, engaged yourself in your vain imaginations to the point of becoming completely oblivious and diverting from your friend’s portal to go and dwell in the courtyards of my enemy.

Many times at sunrise from the realms of the infinite, I came to your home and found you asleep on the bed, busy with other than me. Also, just like the flash of the spirit, I went back to my Kingdom of “DIVINE LIGHT” and in my retreat from above, I kept quiet.

Think for a moment: have you ever heard of a dwelling place that could house at the same time he who is in the image of “THE DIVINE” and he who has openly declared himself the enemy of “THE DIVINE”? That enemy that vowed to seize all that, which belongs to “THE DIVINE”? Drive out the enemy of “THE DIVINE” so that “THE DIVINE” can stay there.

...”

¹²⁹⁹ O Son of “THE INVISIBLE SPIRIT”! Break your cage and, as the Phoenix of love, fly to my firmament of Holiness and Purity. Renounce to your me and fill yourself of “THE INVISIBLE SPIRIT”, and remain in the Kingdom of Holiness.

OF THE DIVINE”, from the knowledge of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, and its particulars.¹³⁰⁰

5. The fifth law in “THE LOVE OF THE DIVINE IN THE SEAT OF WISDOM” is intended to lead you to understand who you are, who is your real FATHER, and who your real MOTHER is; because it is only when you will know yourself that you will be known. If you do not know yourself, then, who will know you?

Regarding the first law in “THE LOVE OF THE DIVINE IN THE SEAT OF WISDOM”, and as we have indicated, by the “Causal Precedence Relation of ‘THE PRAISE’” which is catalyzed by the degree of presence of “THE SPECIFIC SPIRITUAL FORCE OF LIFE” in the “Specific ‘SPIRITUAL’ Environment” external and immediate around the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, any “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” into existence in the attribute “NON DIVINE”, through this “Causal Precedence Relation of ‘THE PRAISE’”, will be bound to any manifestation of a metaphor of the “‘LIGHT←GOD’ INDISTINCT DIVINE FORM” into existence in the attribute “NON DIVINE” by that, which we have called: the “‘LIGHT→GOD’ CORD OF PRAISE”. The only manifestation of a metaphor of the “‘LIGHT←GOD’ INDISTINCT DIVINE FORM” into existence in the attribute “NON DIVINE”, is “THE DIVINE FORCE”.

“THE DIVINE ARCHITECT AND PROJECT MASTER” has endowed this “‘LIGHT→GOD’ CORD OF PRAISE” with an attachment point, inner in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” that will emit “THE PRAISE”. This inner attachment point is connected to “The ALTAR of ‘THE DIVINE’” inside the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”: it is the “‘LIGHT’ Attachment Point” of the “‘LIGHT→GOD’ CORD OF PRAISE”.

“THE DIVINE ARCHITECT AND PROJECT MASTER” has endowed this “‘LIGHT→GOD’ CORD OF PRAISE” with an attachment point, external to the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” that will emit “THE PRAISE”. This external attachment point is connected to the inner structure of the manifestation into existence in the attribute “NON DIVINE” of a metaphor of the “‘LIGHT←GOD’ INDISTINCT DIVINE FORM”: it is the “‘GOD’ Attachment Point” of the “‘LIGHT→GOD’ CORD OF PRAISE”.

¹³⁰⁰ O Son of my Conjoint! If you could perceive the immortal sovereignty, you would strive to leave this ephemeral world. But to hide one and to reveal the other is a mystery that, alone, a pure heart can understand.

It is so that, every “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” cannot and must not ever emit “THE PRAISE” towards “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”; because the “‘GOD’ Attachment Point” will not find an attachment outlet in “The ALTAR of ‘THE DIVINE’” inside a “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”.

It is so that, the direction of emission of “THE PRAISE” will also be the same as the direction of the seven “transformation steps” of products of the “divine work”, accomplished by the “Generative Divine Particle”, by the products of the “divine work” accomplished by the six “Formative Divine Particles” in “DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”.

When this “Causal Precedence Relation of ‘THE PRAISE’” taking into account the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” and concerning “THE PRAISE” emitted by the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” to “THE DIVINE”, IHVH, our FATHER, is not established as “THE DIVINE ARCHITECT AND PROJECT MASTER” had designed it, then, “The Specific Process of Attachment to ‘THE DIVINE’” will not work.

“THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” is “THE ABSOLUTE FRAME OF REFERENCE”, which is at the core of the entirety of “THE HOLY PROJECT”, of everything that is stable in this “HOLY PROJECT”, and that “THE DIVINE FORCE” has achieved into existence in the attribute “NON DIVINE”. Moreover, “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed this “HOLY PROJECT” to represent a concrete and perfect image of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”.

As we have already indicated, the order in which “THE DIVINE ARCHITECT AND PROJECT MASTER” chose the six “Formative Divine Particles” is important to determine the position of the “Cardinal Point” of the “Generative Divine Particle” that provides the stability of “Divine Septenary Equilibrium Zones”, “Divine Senary Equilibrium Zones”, “Divine Quinary Equilibrium Zones”, “Divine Quaternary Equilibrium Zones”, “Divine Tertiary Equilibrium Zones”, and “Divine Secondary Equilibrium Zones” of the first “Formative Divine Particle” with respect to the “Generative Divine Particle”.

If the direction of emission of “THE PRAISE”, indicated by the arrow (→), is reversed, then, this order will be disrupted and changed, and the completeness of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” will be impaired; it is the disaster which will ensue.

The “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” who keeps emitting “THE PRAISE” to the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” will receive nothing because “The Specific Process of Attachment to ‘THE DIVINE’” will not work.

This is said to remind you to be very careful when you celebrate “THE PRAISE”, and that in your ignorance you get to send your prayers to this angel or that angel.

Those elders of the creation, whosoever, regardless of their appearance and their strength, be it those who are in Heaven above, that is those who dwell in the “Specific Energy ‘CELESTIAL’ Domain”, even the Archangel MICHAEL, or be it those who had been immersed in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, or be it your fellow “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, they are all small entities delineated in the “Specific Energy ‘CELESTIAL’ Substance” as far as the elders of the creation are concerned, and in which “THE DIVINE”, IHVH, our FATHER has placed the mark of existence.

All these elders of creation, whosoever, regardless of their strength, they are all similar to tiny drops, taken as tilled delineated parts of the “Specific Energy ‘CELESTIAL’ Substance” and in each of which had been placed the “token of life” and also in which had been planted a seed of “THE KNOWLEDGE OF THE DIVINE”, and whose resulting plant had remained meager, without fruits, despite all the fertilizers that had been poured on these tilled parts.

They have a beginning, and in the attribute “NON DIVINE” in which they were “spoken” into existence and are attached to, anyone who has a beginning also has an end. They are not “gods”, they have no divine essence, they have no elements of “THE ‘LIGHT’ REASON” in them, they are and remain “INDISTINCT FORMS OF THE SPECIFIC ENERGY ‘CELESTIAL’ SUBSTANCE” in the attribute “NON DIVINE”.

Do not EVER worship them and NEVER bow before them. Remember how your “‘LIGHT→GOD’ CORD OF PRAISE” works. Have respect towards those who will respect you because it is with those who respect you that you are called to work together in the execution of the tasks that “THE DIVINE”, IHVH, our FATHER will assign you; stay away from those who will spit on you.

Similarly, the second part of this offshoot of “THE FIRST RULE OF EXISTENCE” in the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, also branches into five secondary branches representing a “PERFECT” set, expression of a metaphor for the five “INDISTINCT DIVINE FORMS” that “THE DIVINE”, IHVH, our FATHER has chosen to share with the attribute “NON

DIVINE". It has been defined to contain the rules that are necessary to sustain the fertility of the growing medium of the plant of "THE KNOWLEDGE OF THE DIVINE" from "THE SEAT OF THE INTELLECT", from which you interact with your surrounding environment and all that it contains. These are the following five secondary branches; each is still a law necessary to remain into existence.

These following five laws — secondary branches of the second branch of this offshoot of "THE FIRST RULE OF EXISTENCE" — are all of equal importance and form a "PERFECT" set which is characterised by the designation: "LOVE YOUR FOLLOWING" or "THE LOVE OF THE DIVINE IN THE SEAT OF THE INTELLECT". Here are the respective purposes of each of these following five laws:

1. The first law in "THE LOVE OF THE DIVINE IN THE SEAT OF THE INTELLECT" is intended to lead you to understand that "THE DIVINE", IHVH, our FATHER, and HE alone is the source of all "LIFE", and you are called to respect "LIFE" which has been manifested into existence among you.
2. The second law in "THE LOVE OF THE DIVINE IN THE SEAT OF THE INTELLECT" is intended to lead you to keep in "PURITY", "The ALTAR of 'THE DIVINE'", which is inside of your "'SPIRIT←LIGHT' Body", which "THE DIVINE FORCE" built from "Specific Atomic 'LIGHT' Substances" and placed in your "'SPIRIT←LIGHT' Body". It is within you, the dwelling place of "THE DIVINE"; let none of the creature of the attribute "NON DIVINE", regardless of who it is, take place in that dwelling.¹³⁰¹

¹³⁰¹ It is for the purpose to lead human creatures to understand such things that the human Mirza Husayn, under the inspiration of "THE DIVINE FORCE", said:

"...

O good Son! The flame of my altar which is in you was lit by the hand of my power, do not turn it off by the headwinds of the hubris. Keeping me awake in you, is cure to all your ills, do not forget. Do of my love your treasure and cherish it as much as your own eyes and as much as your life even.

You let my enemy enter in my house and you have driven out "THE TRUTH SUN", because you have opened your hearts to that, which I abhor and made of it a friend. Give ear to the words of "THE TRUTH SUN" and head towards her. Those who I abhor, seeking their own advantage, they say to love you in order to rip off your freedom, while "THE TRUTH SUN" loved you and loves you for yourself.

Remember that this dwelling that is within you is the seat of “THE DIVINE FORCE”, and it is through actions accomplished by “THE SEAT OF THE INTELLECT” that you must protect that dwelling:

“THE WILL” OF “THE DIVINE”, IHVH, OUR FATHER, IN HIS VARIOUS FORMS, AND THE WILL OF ANY THING OTHER THAN “THE DIVINE”, IHVH, CANNOT COEXIST IN THE SAME “ALTAR OF ‘THE DIVINE’”.

3. The third law in “THE LOVE OF THE DIVINE IN THE SEAT OF THE INTELLECT” is intended to lead you to understand the metaphor of the “DIVINE PRIMARY WEALTH” that “THE DIVINE FORCE” has placed in you and you do not need something other than that “DIVINE PRIMARY WEALTH”: to every creature that “THE DIVINE FORCE” created into existence in the attribute “NON DIVINE”, SHE has associated with a unique product of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”.
4. The fourth law in “THE LOVE OF THE DIVINE IN THE SEAT OF THE INTELLECT” is intended to lead you to have consideration for your fellow man. Look at how the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have treated their following and what have been the consequences: “FATALITY”.
5. The fifth law in “THE LOVE OF THE DIVINE IN THE SEAT OF THE INTELLECT” is intended to lead you to stay away from the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”. Always remember that “THE DIVINE”, IHVH, our FATHER is and remains the “SUPREME ‘PURITY’”, “THE SUPREME PLENITUDE”.

It is so that, “THE FIRST RULE OF EXISTENCE” branches into two “PERFECT” sets — “THE LOVE OF THE DIVINE IN THE SEAT OF WISDOM”, and “THE

In truth, to guide you, she endured countless suffering. Be not disloyal to her, SHE is a real friend for you; hurry up instead to her. This is the Sun of the word of truth and loyalty that stood on the horizon of my decree. Open your ears to listen to Her words, she who rescues from danger.

...”

As you would have understood already, “...the hand of my power...”, “THE TRUTH SUN”, are designations of “THE DIVINE FORCE”.

It is by these two “PERFECT” sets, each having five laws which are all of equal importance, that each ““SPIRIT←LIGHT” ‘EARTHLY’ Creature” into existence in the attribute “NON DIVINE” is called upon to perform his own work through the tasks that “THE DIVINE FORCE” would have entrusted to him: symbolically, these are your two hands, each with five fingers.

The steps on the walking path that “THE DIVINE FORCE” has laid, go from the “spiritual awakening” to the “adult spiritual age” passing through the “spiritual childhood” and the “spiritual adolescence”, as we have already described.

Etc...

“
...

And here is the second, which is alike: You shall love your following as yourself.

On these two commandments depend all the law and the prophets.

”...

CHAPTER 219

ANNOTATION ON THE “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ CREATURES” AND THEIR “SHADOW PROJECT” OF THE DESTRUCTION OF THE “SPECIFIC SPIRITUAL FORMATION” OF “THE CHURCH” MANIFESTED THROUGH HUMAN CREATURES

Until nowadays, many of these elders of the creation who live in the “Specific Energy ‘CELESTIAL’ Domain” in complicity with those who have been pulled out of destruction in the “Specific Energy ‘CELESTIAL’ Domain” and immersed in the “Specific Energy ‘EARTHLY’ Substance” then, locked underground in “THE DEPTHS OF THE WATERS” of the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, are trapped in their “nefarious and despicable shadow scheming” to destroy or to have control over this expression of the “specific spiritual formation” of “THE CHURCH” manifested from every human creature who receives the task to restore “THE TABERNACLE” of “THE DIVINE”, IHVH, our FATHER.

In their project of destruction, they always use the same subterfuge, their standard operating procedure, which consists in a first time to plant the “HUBRIS” — the seed of “DEATH” — in the human creature who still has his freedom, making him all kinds of promises.

If the human creature relies upon these promises, then, the objects of those promises will take place in “THE SEAT OF THE INTELLECT” which is inside the considered human creature, and the “HUBRIS Spiritual Veil” will be quick to isolate “THE SEAT OF THE INTELLECT” from “The ALTAR of ‘THE DIVINE’” which is inside the considered human creature, to the detriment of “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”.

It is so that, the “TRUTHFUL” component in “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” that this human creature will express for “THE DIVINE”, IHVH, our FATHER, will be affected by the objects of those promises.

Once the “TRUTHFUL” component in “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” is affected and is no more “TRUTHFUL”, then, it is the “PURE” component that will lose its importance in “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”.

It is so that, this human creature will have accepted in him the seed of the “DEATH” and the attachment of this human creature to these promises will sprout this seed of “DEATH” inside of him. It is thus that, the “WORRY” which is related to the possibility of loosing the object of the promise will make its appearance in the considered human creature.

It is then, that in a second time of their subterfuge, these elders of the creation will confront the considered human creature to the objects of promises that have sprouted in him.

Immediately afterwards, in a third time they will explicitly present the “HUBRIS CHOICE” (the “DEATH CONTRACT”, “...**PROMISE ME THIS...**, ...**PROMISE ME THAT...**”) to such a human creature so that it affixes its signature and approves its own destruction.

Be aware that the appearance of the “WORRIES” or “THE ANGUISH” in a “‘SPIRIT←LIGHT’ Body” is an indication of the presence of the “HUBRIS” in this “‘SPIRIT←LIGHT’ Body”; It is also an indication of a failure of the degree of presence of “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” in the “Specific ‘SPIRITUAL’ Environment” external and immediate around this “‘SPIRIT←LIGHT’ Body”.

If you hear these words “...**PROMISE ME THIS...**, ...**PROMISE ME THAT...**”, then, do not rise to the bait; for, it is a rigged “DEATH CONTRACT” against you and which is thus been presented to you. You should know that a form of the “HUBRIS” sprouted inside you and you must immediately eliminate it: be uncompromising with yourself regarding the “HUBRIS”, because it is the adversary of “THE DIVINE”.

Think for a moment: how much weight, what value or importance, would your “PROMISE” carries in front of someone who has already made his decision about you, who does not keep his own “PROMISES”, and who has conscientiously

chosen to disregard the instructions given to him by “THE DIVINE”, IHVH, our FATHER?

The primary purpose of this treacherous subterfuge “...**PROMISE ME THIS...**, **...PROMISE ME THAT...** ...”, coming from these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, is not only to further deprive you of your capacity to choose freely, but to lock you away from “THE DIVINE FORCE” who is alongside you and who, in “ABSOLUTE PURITY”, is protecting you from them.

The ultimate purpose of such “HUBRIS COVENANT” is your destruction and thereby, the destruction of the project that “THE DIVINE”, IHVH, our FATHER had entrusted to you.

Also know that at your expense, and like they are used to proceed with using the human creature as “a scapegoat” in their “HUBRIS CONFLICT”, some of the elders of the creation who live in the “Specific Energy ‘CELESTIAL’ Domain” have already concluded a “HUBRIS COVENANT” with those who have been pulled out of the destruction in the “Specific Energy ‘CELESTIAL’ Domain” and immersed in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain” in which you live, and with whom they have always kept in touch. The purpose of such a “HUBRIS COVENANT” is your destruction and by that, the destruction of the project that “THE DIVINE”, IHVH, our FATHER would have entrusted to you: they do what is in their “nature”.

Never forget the danger of the promise if you were to make one to the elders of the creation or to your neighbour; remember the teachings of “THE DIVINE WISDOM” to Her CHILDREN:

“ ...

My son, if you have made a promise to your neighbour, if you have given your pledge, if you have been trapped in the utterance of your mouth, if you have been snared in the words of your mouth, then, do the following to free yourself; for you have fallen into your neighbour's hands by abdicating your freedom to him:

Go to the one to whom you gave your promise, insists, and hassles him day and night. Give your eyes no sleep and your eyelids no slumber. Save yourself from the trap of the promise in which you have fallen, like a deer, from the trap, like the bird from the hand of the fowler.

...”

Do not make promises, do not rely on the promises of these elders of the creation, NEVER sign such a “DEATH CONTRACT”, get away without hesitation from he who would have presented you such a “DEATH CONTRACT”, and arm yourself with “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” to eliminate all forms of the “HUBRIS” that you would have discerned in you and that will be the subject of the “HUBRIS CHOICE” (the “DEATH CONTRACT”, “...**PROMISE ME THIS...**, ...**PROMISE ME THAT...**”) which would have been presented to you.

LET “THE DIVINE” AND “THE KNOWLEDGE OF THE DIVINE” IN “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” BE YOUR ONLY OBJECTS OF JOY AND HONOR, AND LET YOUR ONLY AND UNIQUE REWARD, IN PERFORMING THE TASKS THAT “THE DIVINE”, IHVH, OUR FATHER WILL HAVE ENTRUSTED TO YOU, BE TO SEE THE SMILE ON THE FACE OF “THE DIVINE”, IHVH, OUR FATHER.

Do not enter in discussion with he who would have explicitly presented you one such “DEATH CONTRACT”, tell him directly and without detours to “take a hike” and do not try to talk on equal terms with him.

Remember the writings of the descendant of Sira on “the traps of the proud rich” and about the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” elder of the creation (the rich, one who is born of the spirit and believes to know himself, who is rich in spirit, the iron kettle) and the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” (the poor, he who does not know or who has lost the knowledge of how he came into existence, who is poor in spirit because he forgot his own “PLENITUDE”, the clay pot) in the current situation, when he would later say (Ben Sira 13:1-8):

“...

Whoever touches pitch gets filth, and whoever associates with a proud person becomes like him.

Do not lift a weight too heavy for you, or associate with one mightier and richer than you.

How can the clay pot and the iron kettle go together? If they collide, the clay pot will be broken.

The rich commits an injustice and he is the one who gets upset; the poor suffered that injustice and he must furthermore apologize.

A rich person will exploit you if you can be of use to him, but if you are in need he will let you down.

If you own something, he will live with you; he will drain you without remorse.

When he needs you he will deceive you, and will smile at you and encourage you; he will speak to you kindly and say: "What can I do for you?"

He will humiliate you with his delicacies, until he has drained you two or three times, and finally he will laugh at you. Should he see you afterwards, he will pass you by and shake his head at you.

Take care not to be led astray and humiliated as a result of your foolishness and your ignorance.

..."

Be humble in front of "THE DIVINE", IHVH, our FATHER and wait that His hand act.

Also remember the libretto of "THE DIVINE WISDOM" to Her CHILDREN, and which was stated in these terms:

"...

If you are at the table with a powerful person, be on your toes with he who is in front of you;

Put a knife to your throat if you are a glutton!

Do not desire his delicacies, for it is a deceptive food.

Do not toil to acquire wealth; be wise enough to desist.

Your eyes will be barely resting on it that it will be gone. Because it knows how to grow wings! Like an Eagle it will fly to the heavens.

Do not eat the bread of a man who is stingy; do not covet his delicacies; for he is like someone who has already made his decision. "Eat and drink!" he says to you; but his heart is not with you.

You will vomit up the morsels which you have eaten, and your kindness will have been in vain.

..."

From his own experience with some of these elders of the creation who live in the “Specific Energy ‘CELESTIAL’ Domain”, and in the same line of thought as that expressed by the descendant of Sira about on “the traps of the proud rich”, he who interpret this “BOOK OF FORMATION” passes you this knowledge:

“

When the rich man needs you, he will come to you saying that he comes on behalf of “THE DIVINE” (to get you to lower your guard and send you asleep) and promise you mountains and wonders through his speeches.

Do not trust to such speeches on the promises of wonders, because he wants to sow the “HUBRIS” in you, to lead you astray from “THE TREE OF LIFE” — “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” —, and he will not spare you if he succeeds his project.

Remember that no mountain, no wonder in the attribute “NON DIVINE” surpasses “THE TREE OF LIFE” — “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” — that “THE DIVINE”, IHVH, our FATHER has placed alongside you.

The rich will not hold the promise that he would have made you and he is the one who gets upset, he will blame you that he has failed to keep his promise if you give him the opportunity, and he will ask that you apologize to him for the injustice that you have suffered.

If he finds you blameless while he did not kept his promise, then, he will not take his responsibilities but he will tell you: “It is THE ETERNAL GOD who wanted it to be so!”, and he will be supported by his accomplices.

When the rich is mistaken and do not keep his promise, many come to his rescue, if he utters nonsense, he is supported.

But if the poor who has made a promise to the rich, delays to keep that promise, then, it is certain “death” for that poor, and the rich will not say: “It is THE ETERNAL GOD who wanted it to be so! That this poor is late to keep his promise, because any flower blossoms at the time that THE ETERNAL GOD has allotted to it!”

If the poor said things that make sense to plead his case, no one takes it into account, but they say: “Who is he?”

It is then, you would come know and understand the meaning of this:

ONLY ONE IS HOLY!
ONLY ONE IS PURE AND RIGHTEOUS, AND
ONLY ONE IS TRUSTWORTHY:
“THE DIVINE”, IHVH, OUR FATHER

...”

With some of the elders of the creation who live in the “Specific Energy ‘CELESTIAL’ Domain”, be reserved and be very careful, because with them and in the absence of “THE KNOWLEDGE OF THE DIVINE” on your part, you are out walking at the edge of your own ruination.

Many of the elders of the creation, in their “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, have not digested that “THE DIVINE”, IHVH, our FATHER had chosen to manifest the “‘SPIRIT←LIGHT’ INDISTINCT DIVINE FORM” on the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

It is also for the purpose to lead to understand this, that CHRIST often says:

“...

If I tell you what is happening here [in the “Specific Energy ‘CELESTIAL’ Domain”], you will not believe me! You will hardly believe what is happening on Earth where you live!

...”

NEVER approach of those who were pulled out of the destruction in the “Specific Energy ‘CELESTIAL’ Domain” and immersed in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain” in which you live.

Arm yourself with “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” and forget not that such “HUBRIS CHOICE” (the “DEATH CONTRACT”, “...**PROMISE ME THIS...., ...PROMISE ME THAT...**”) for the purpose to make you affix your own signature to formalize your own destruction, without that you are aware of what you are doing, were presented in the past and

will be presented to everyone who is beloved of “THE DIVINE”, IHVH, our FATHER.

Because if those who spend their time presenting variants of the rigged “DEATH CONTRACT” against the first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” would not do the same with you, then, how will they explain what they have done to the first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”? It is for this that we said they are themselves trapped in their “nefarious and despicable shadow scheming”.

This was the case in the “Specific Energy ‘CELESTIAL’ Domain” and it is always the case in this first “Specific Energy ‘EARTHLY’ Habitation Domain” in which you live and where continues the open conflict, the war, that broke out in “THE CELESTIAL HOST” in the “Specific Energy ‘CELESTIAL’ Domain”.

Several “HUBRIS CHOICES” were presented to ENOCH, of whom METHUSELAH is descendant, (see conversation of September 17, 2005, Aristide with ENOCH), he suffered and held his ground and he did not succumb.

Several “HUBRIS CHOICES” were presented to ABRAHAM, of whom ISAAC is descendant; the “HUBRIS CHOICE” that you are aware of is that, which the object of the “HUBRIS” was his direct descendant who will be called ISAAC, he held his ground and did not succumb (see conversation on June 29, 2005, Aristide with ABRAHAM).

Several “HUBRIS CHOICES” were presented to MOSES, he who has received the Tablets of the Decalogue; the “HUBRIS CHOICE” that you are aware of is that, which the subject of the “HUBRIS” was the people who came out of Egypt with him, he stood firm despite a few mistakes (see conversation of June 28, 2005, see conversation of July 08, 2006, and other conversations later, Aristide with MOSES).

Several “HUBRIS CHOICES” were presented to CHRIST, he suffered to the point of crying, and he has remained faithful to “THE DIVINE FORCE” and fed only on the “fruits” of “THE TREE OF LIFE” — “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”.

Such “HUBRIS CHOICES” were also presented to the one who interpreted this “BOOK OF FORMATION” for you. He suffered to the point of crying, and he remained faithful to His FATHER. Having seen no impurity in His FATHER, he made the decision to move away from such creatures and to walk only with His FATHER and with His MOTHER. Afterwards, weeping in the grief of the betrayal he had suffered, he asked His FATHER: “FATHER! Why do they do such things?”

Then, at that very moment and by “THE DIVINE FORCE”, his FATHER manifested Himself in front of him and showed him what these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have in them, in their “nature”.¹³⁰²

¹³⁰² CHRIST had already explained this to human creatures in several ways, back and forth, in “spiritual language” as well as in their own “non-spiritual language”, when HE spoke to them of the goals of the “LIGHT” and why the “LIGHTS” are sent in the attribute “NON DIVINE”, by saying for example (Mark 4:21) :

“...

Is a lamp brought in to be put under a bushel, or under a bed?

Isn't it to be placed on a lamp post so that everyone who comes in and goes out sees its 'LIGHT'?

For nothing is hidden, except to be made manifest; nor is anything secret except to come to light.

If anyone has ears to hear, let him hear!

...”

What do you think was the motive behind that parable, which CHRIST gave to human creatures? Who do you think he was addressing to, when he gave that parable and closed it with “*If anyone has ears to hear, let him hear!*”? Was CHRIST battling against human creatures or was Him battling against those “invisible forces”, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” on both sides of their ongoing “CELESTIAL WAR”, who in their “Obscurity”, have declared themselves to be the “rulers” of this Earthly world and have decided to keep humanity enslaved in that “Obscurity”?

Consider also the following parable and reflect on its content:

“...

As her Conjoint had asked her, “THE CONJOINT OF VALUE” has lit “THE LAMP” and placed it on a lamp post so that those who enter Her house see “THE LIGHT”, so that they do not walk in the darkness, and so that they may take part of that “LIGHT” with them when they come out of the house to go to the place where the Husband was waiting for them.

But the disciples of ignorance, who walk in the darkness, gathered as their habit and they said to each other:

“...

“THE LIGHT” of this “LAMP” is in the process of spreading and illuminating all around because this “LAMP” is placed on this lamp post.

Be aware that the only assistance you need is that, which comes from “THE DIVINE”, and HE will have already gave it to you at the very moment when your task has been assigned to you. This assistance is: “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”; It is the only force (resp. the only wonder) who surpasses all the forces (resp. all the wonders) in the attribute “NON

This “LIGHT” risks putting into the spotlight and reveals our lucrative and dark activities through which we have prospered so far.

Come, let us take this “LIGHT” out of this lamp post, place it in the bushes and cover it with thorns, so that its “LIGHT” is extinguished; because this “LAMP” is a reproach for us.

...”

It is so that, these disciples of ignorance went forward with their project and placed “THE LAMP” in the bushes and covered it with thorns.

After a short passage of time, they looked towards the bushes where they had placed “THE LAMP” of “THE CONJOINT OF VALUE” and they were in total amazement.

The opposite of what they had planned occurred and they said to each other:

“...”

How does this “LIGHT” keeps coming out of this “LAMP”?
Where do this “LIGHT” and such a “LAMP” come from?

...”

“THE LAMP”, in the bushes and covered on all parts by the thorns, shone more strongly. Its “LIGHT” crossed the bushes and thorns, and the whole (“THE LAMP”, the bushes and the thorns) now looked like a luminous crown, so bright that all those who passed from afar and walked in the darkness went towards this “LAMP” to take a part of Its “LIGHT”.

And as the Conjoint of “THE CONJOINT OF VALUE” had foreseen, several of those who enter Her house, just like those coming out of the house, saw “THE LIGHT” of this “LAMP”, and took it with them and walked in the wake of this “LIGHT” going to the place where the Conjoint was waiting for them.

It was the shame for the disciples of ignorance, for they had understood that this was the end of their darkness activities.

For nothing is hidden, except to be made manifest; nor is anything secret except to come to light.

If anyone has ears to hear, let him hear!

...”

DIVINE” and it is the only force (resp. the only wonder) that transcends this attribute “NON DIVINE”. Scribe this on the shelves of your hearts and never forget, and you do not worry about tomorrow: tomorrow will worry about itself.

When such “HUBRIS CHOICE” (the “DEATH CONTRACT”, “...**PROMISE ME THIS...**, ...**PROMISE ME THAT...**”) will be presented to you, NEVER sign it. But see rather in that and in front of your own eyes, the “HUBRIS” manifested on he who has presented such a thing to you; also see in that an opportunity to discern the purpose of the “HUBRIS” which is hidden in you and that you are unaware of, and eliminate all traces of the “HUBRIS” in you.

Also see in that an opportunity to discern what lies in the nature of he who would have presented you with such “HUBRIS CHOICE”, and which is contrary to “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”; because if he who would have presented you such “HUBRIS CHOICE” feels deep inside himself to be a “CHILD” of “THE DIVINE”, then, he would do the works of “THE DIVINE” in “PURITY”, without seeking to make you stumble and to provoke your death.

These details are given so that you can understand the worst betrayal that “THE DIVINE”, IHVH, our FATHER suffered on the part of the elders of the creation, and also so that you understand the situation in which you find yourself as a “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, and why you need to restore the honor of “THE DIVINE”, IHVH, our FATHER.

In the text of the following annotation on the task to restore “THE TABERNACLE” of “THE DIVINE”, we shall explain the work that awaits you.

CHAPTER 219
ANNOTATION ON THE “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ CREATURES” AND THEIR “SHADOW
PROJECT” OF THE DESTRUCTION OF THE “SPECIFIC SPIRITUAL FORMATION” OF “THE
CHURCH” MANIFESTED THROUGH HUMAN CREATURES

CHAPTER 220

ANNOTATION ON THE TASK OF RESTORING “THE TABERNACLE” OF “THE DIVINE”

When one receives the task to restore “THE TABERNACLE” of “THE DIVINE”, which is in ruins, inside the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, or inside the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature”, it is very important to have knowledge on:

1. The “specific spiritual formation” of “THE CHURCH” which is formed from the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model;
2. “Specific Energy ‘SPIRIT←LIGHT’ Bridge” from which the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” has been designed;
3. The origin of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, and how that “HUBRIS” affects “The ALTAR of ‘THE DIVINE’” inside the “‘SPIRIT←LIGHT’ Body”.

As we have already indicated, “THE TABERNACLE” of “THE DIVINE” is defined by the structure of the “‘SPIRIT←LIGHT’ Body” for the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, and that of the “‘LIGHT←LIGHT’ Body” for the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature”.

To restore “THE TABERNACLE” of “THE DIVINE”, is to restore primarily (the proximity of) the “HOMOGENEITY”, the “PURITY” and the “HOLINESS” of this unique expression of “THE UNION”, which is represented by the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, and in the case of the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” it comes to the “‘LIGHT←LIGHT’ Body”, as “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed it.

Just like before starting to build a house one must clear the field of all parasites, weeds, as well as all species unusable for anything whatsoever and that encumber it, similarly your task is firstly to clean your “‘SPIRIT←LIGHT’ Body”, as “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, and as much as possible of any trace of parasites that have taken place inside “THE TABERNACLE” of “THE DIVINE”: undo the deceit and the prejudice that have been perpetrated by the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” toward the first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” and transmitted down to you from generations to generations.¹³⁰³

¹³⁰³ Remember the action that CHRIST had accomplished when HE went to the Jewish Passover and showed them the true meaning of the “Passover” and that is the achievement of the task that was assigned to every “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”: Get out of servitude in which you have been confined! And restore “THE TABERNACLE” of “THE DIVINE”.

The human called John recorded it in his testimony by saying (John 2:13-20):

“...

The Passover of the Jews was at hand, and CHRIST went up to Jerusalem.

In the temple he found those who were selling oxen and sheep and pigeons, and the money-changers at their business.

Having made a whip of cords, he drove them all, with the sheep and oxen, out of the Temple; and he poured out the coins of the money-changers and overturned their tables; and he told those who sold the pigeons:

“...

Take these things away, you shall not make of my FATHER’s house a house of trade.

...”

His disciples remembered that it was written: “Zeal for your House consumes me.”

The Jews then, said to him:

“...

What sign have you to show us for doing this?

...”

CHRIST answered them:

“...

Destroy this temple, and in three days I will raise it up.

As we have already indicated, to undo the deceit and the prejudice that have been perpetrated toward the first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, the “‘SPIRIT←LIGHT’ Body” must (and in this order):

1. Acquire “THE KNOWLEDGE OF THE DIVINE”, and develop it in “THE SEAT OF THE INTELLECT”. Once this development is well advanced, then;
2. See the origin of that deceit and that prejudice, and look them “straight in the eyes”, for what they are: they are emptiness, without basis, without stability, they are products of the absence of “THE KNOWLEDGE OF THE DIVINE”. Once the origin of that deception and that prejudice, has been seen, and their motives understood, then;
3. Vomit all that filth out of “THE SEAT OF THE INTELLECT”, out of the “‘SPIRIT←LIGHT’ Body”, because they are all at the opposite of “THE TRUTH”; then call “THE DIVINE FORCE” so that SHE comes and restores Her abode, “THE TABERNACLE” which SHE Herself built in you, and invite Her to settle there, for, without Her, how are you going to restore what you do not know?

...”

The Jews then, said:

“ ...

It has taken forty-six years to build this temple, and will you raise it up in three days?

...”

...”

“... *sellers of oxen, sheep and pigeons, and the money-changers* ...” refers to all species unusable for anything whatsoever, of which “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” have installed and given sitting places in “THE SEAT OF THE INTELLECT” in their “‘SPIRIT←LIGHT’ Body”, which keep them under the yoke of the absolute servitude, and which prevent these “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” to look towards their “PLENITUDE”.

“... *What sign have you to show us for doing this?* ...” by this, you must discern and understand that these are the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who had been immersed in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, who spoke so through these Jews. CHRIST was fighting them; remember what is recorded in Ephesians 6:11-13.

There is nothing that can be done for the “Subjective ‘EARTHLY’ Garment” of the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”: the damages reflected on it cannot be undone, they are a reminder of that deceit perpetrated by the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and that prejudice, which was done to the first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”.

The basic tool that you must use to perform this cleaning, is the knowledge of the origin of the Ten Commandments described in Tablets of the Decalogue, and which we have already described.

Putting repeatedly into practice the recommendations described in this tool, will already allow you to prepare the growing medium of the plant of “THE KNOWLEDGE OF THE DIVINE” which is located inside of “The ALTAR of ‘THE DIVINE’” which is inside the “‘SPIRIT←LIGHT’ Body”.

Simultaneously by performing this cleaning, you must wrap “THE SEAT OF THE INTELLECT” by two consecutive ramparts.

1. The first rampart, the inner rampart, will be an envelope consisting of three filters: “PURITY” — the eternal symbol of glory of “THE DIVINE ARCHITECT AND PROJECT MASTER” and “THE DIVINE FORCE”; “FIDELITY” to “THE DIVINE”, which means, HOLD YOUR GROUND IN “PURITY”; and “ABSOLUTE CONFIDENCE” on “THE DIVINE”.
2. The second rampart, the external rampart, will be an envelope consisting of only one filter: “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”. As we have indicated already, throughout these writings, we use the word “LOVE” as short expression for “the bond of communion, the bond of deep conformity”. To “love” means to form a bond of communion, to form a bond of deep conformity; conformity being the state, the quality of two or more things which are in perfect agreement with each other. It is so that we will use the designation “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”, as a short expression for “PURE, TRUTHFUL, AND AUTHENTIC BOND OF COMMUNION, OF DEEP CONFORMITY, WITH ‘THE DIVINE’”. This second rampart has its roots in the first rampart, as “PURE, TRUTHFUL, AND AUTHENTIC BOND OF COMMUNION, OF DEEP CONFORMITY, WITH ‘THE DIVINE’” was created from eternity and it was established in “PURITY”, and for eternity it shall not cease to exist.

With these two ramparts in place and wrapping “THE SEAT OF THE INTELLECT” through which your action signals are generated, you must root out of it all traces of the “HUBRIS”, as well as works of the “HUBRIS”, in all its forms.

The meaning of these two ramparts is: “TO DESIRE “THE DIVINE FORCE” IN YOU”.

The purpose of these two ramparts is, to continually:

1. Erase the “intrusive suggestions”, which were rooted into you by “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” on both sides of the warring parties of the ongoing “CELESTIAL WAR”, since the very first days of your creation into existence in the attribute “NON DIVINE”; and,
2. Focus and fix your “attention” on relevant points which are all in “THE KNOWLEDGE OF THE DIVINE”; that is, fix your attention on “THE DIVINE FORCE” in all HER forms, and away from that, which the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have designated as “sin” of the human creature, away from that adultery and the irresponsibility of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”.

As we have indicated already, that, which is designated as “attention”, is the taking possession by “THE SEAT OF THE INTELLECT”, in clear and vivid form, of the trains of “Interpreted THOUGHTS”, out of the myriads of “Interpreted THOUGHTS” generated by “THE SEAT OF THE INTELLECT”. Focusing, concentrating, remaining conscious are of its essence. It implies withdrawal from irrelevant things in order to deal effectively with the most relevant ones. Any “intrusive suggestion” to “THE SEAT OF THE INTELLECT” can affect your “attention” if you are not focused, concentrated, and conscious.

At all costs, do not let your “attention” be distracted away or diverted from “PURITY”. Remember the tendency of “THE SEAT OF THE INTELLECT” to give life to “Interpreted THOUGHTS”, that is, to have “Interpreted THOUGHTS” transformed into action by the “Inner Spiritual Motive Force”. Remember also that you are prone to the Governing Law of the Behavior, the manifestation of “The Walk within the Acronym IHVH”.

As we indicated already, when “THE SEAT OF THE INTELLECT” stands in “PURITY”, then the degree of presence of “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” in the “Specific ‘SPIRITUAL’ Environment” external and immediate around “THE SEAT OF THE INTELLECT” is sufficient and preserves the state of “HARMONY” with “THE DIVINE”, IHVH,

our FATHER. As such, “THE SEAT OF THE INTELLECT” adequately listens to and functions in synchro by taking into account the consent of “The ALTAR of ‘THE DIVINE’”, and by not receiving or giving life to “IMPURE” external signals input to “THE SEAT OF THE INTELLECT”. As such, “THE SEAT OF THE INTELLECT”, which is receiving illumination from “The ALTAR of ‘THE DIVINE’”, will place in context, within the specifications that “THE DIVINE ARCHITECT AND PROJECT MASTER” has defined, the information collected by its “Specific Sensory Sensors”, both in the “Specific ‘SPIRITUAL’ Environment” and in the “Specific ‘NON-SPIRITUAL’ Environment” external and immediate around it; as such, “THE SEAT OF THE INTELLECT” will place its own “attention” in context within the specifications that “THE DIVINE ARCHITECT AND PROJECT MASTER” has defined.

You who spend your time singing canticles to the glory of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who have plunged “THE HOLY PROJECT” in the “FATALITY”, caused by that “BETRAYAL” which the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had perpetrated against “THE DIVINE”, IHVH, our FATHER, on the afternoon of the Third Day of the implementation of the “Second Phase” of “THE HOLY PROJECT”, and which has tied everything in the web of evil and perverse purpose of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, you who spend your time to send them your “PRAISES”, you who spend your time to do much the same with your ascendants — these human creatures you call your fathers and grandfathers, your ancestors, etc., who preceded you, who are currently locked up and awaiting for their judgment:

WHY DO YOU GO AFTER THINGS THAT HAVE NO LIFE? WHY CONTINUE TO GIVE THEM SITTING PLACES IN YOUR “SEAT OF THE INTELLECT”, AFTER ALL WHAT CHRIST HAS SUFFERED FOR YOU AND THAT CHRIST SHOWED YOU THE TRUE PATH TO FOLLOW? REMEMBER YOUR PLENITUDE AND WHY YOU WERE CREATED INTO EXISTENCE.

Remember the answer that CHRIST gave to one of His disciple, when asked “... *What is the “sin of the world”?* ...”. CHRIST answered to that disciple, saying:

“ ...

There is no “sin of the world”, but it is you who make it exist when you act in accordance with the nature of that adultery that is called “sin of the world”. That is why goodness came in the midst of you up to the deepest of you in order to restore it in its root.

....”

Take as a filter, take as broom, the knowledge of the origin of the Ten Commandments described in Tablets of the Decalogue, meditate on what is “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”, then, proceed through with that fine-toothed comb and clean up all the canticles and prayers that you usually use.

The only name that should be part of your canticles and songs, is: “THE DIVINE FORCE”, in all Her forms — the unique “PERFECT” in the attribute “NON DIVINE”, whom you know much more under the designation of: “THE HOLY SPIRIT”.

The only BEING, for there is only ONE WHO IS, who must be part of your prayers is “THE DIVINE”, IHVH, our FATHER.

Yes! Sweep your “SEAT OF THE INTELLECT” of the presence of all “... *sellers of oxen, sheep and pigeons, and the money-changers* ...” who are sitting in there.

That which you will have rooted out of “THE SEAT OF THE INTELLECT” which is inside your “‘SPIRIT←LIGHT’ Body”, do not let it take place anymore inside you.

Let your only “Interpreted THOUGHTS”, those that will emerge from these two ramparts of envelopes, all be in “PURITY”, “FIDELITY” to “THE DIVINE”, and “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”.

Be uncompromising and do not make any concessions to yourself as far as the “HUBRIS”, in all its forms, and the works by the “HUBRIS” are concerned; as in the attribute “NON DIVINE”, there is nothing more poisonous than the venom of the “HUBRIS”. The venom of the “HUBRIS” will send you directly to the “Second Death”.

Keep watch to work to remain at all times in “THE PRAISE” with “THE DIVINE”, IHVH, our FATHER at any moment, day and night, and let not the knowledge of the origin of the Ten Commandments described in the Tablets of the Decalogue, move away from you: tie them around your neck, scribe them on the tablet of your heart; the recommendations outlined by the knowledge of the origin of the Ten Commandments described in Tablets of the Decalogue, must be for your “‘SPIRIT←LIGHT’ Body” what the oxygen you breathe is for your “Subjective ‘EARTHLY’ Garment”.

This first task has no end, at the risk of seeing the “intrusive suggestions”, the parasites, weeds, as well as all species unusable for anything whatsoever, return

back settle and destroy all the work that you have accomplished so far and that you come to see that you built on quicksand and that your ruin is greater.

But once this first task is well advanced, then, your second task is to restore your “peripheral awareness” by removing all the barriers and the chains that the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have placed on the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” and by which these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” keep control of your “‘SPIRIT←LIGHT’ Body”. Those chains which have been passed down for generations and of which you made rites and customs, to the detriment of “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”.

My

In order to remove all these external influences, these barriers and chains that have been placed on your “‘SPIRIT←LIGHT’ Body” and to be able to communicate directly with your true FATHER, “THE DIVINE”, IHVH, you must place your “‘SPIRIT←LIGHT’ Body” in “THE HANDS OF THE DIVINE”. Speak directly with “THE DIVINE”, through “THE DIVINE FORCE”, and through “The ALTAR of ‘THE DIVINE’” inside your “‘SPIRIT←LIGHT’ Body”. Stand in “PURITY” and every day, as much as possible during your days, into existence always said this to your true FATHER, “THE DIVINE”, IHVH:

“...

My FATHER, my CREATOR,

Protect my “‘SPIRITUAL’ Body” by yourself and do not allow that a creature, whosoever it is, calls my “‘SPIRITUAL’ Body”, regardless of the motives, do not allow it; because my adversaries are too many.

Let Your will and only Yours, accomplishes on me.

...”

As you will break those barriers and chains that have been placed on your “‘SPIRIT←LIGHT’ Body”, you must also realize your third task.

Your third task is to restore and consolidate in yourself, in your “‘SPIRIT←LIGHT’ Body”, the expression of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”. The product of this third task will be a spiritual construction that you must carry within yourself, in your

“‘SPIRIT←LIGHT’ Body”: this will be a manifestation of the “home” of “THE DIVINE FORCE”.¹³⁰⁴

Only “THE DIVINE FORCE” can help you in the fulfillment of this third task, no “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” and no other creature into existence in the attribute “NON DIVINE” has the knowledge to do this; and to accomplish this third task, you must be pure and remain in “PURITY”, and call “THE DIVINE FORCE” to help you.¹³⁰⁵

Once this third task has been accomplished, then, your fourth task is also to restore and to consolidate the expression of the same “DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” for the symbolic representation of the metaphor of “THE ‘LIGHT←GOD’ EON” in front of which you will converse, through “THE SEAT OF WISDOM” — “The ALTAR of ‘THE DIVINE’” — inside your “‘SPIRIT←LIGHT’ Body”, with “THE DIVINE”, IHVH, our FATHER, and emit “THE PRAISE”.

The product of this fourth task will also be a spiritual construction that you can make manifest in the form of a structure, a construct, “non-spiritual” which will be built outside of yourself. This “non-spiritual” structure, or construct, is a metaphor for the spiritual construction.

¹³⁰⁴ Remember that in terms of the knowledge of the supreme wholeness of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, “THE DIVINE FORCE” is called “THE DIVINE WISDOM”:

“...

WISDOM has built Her house; She has hewn Her seven pillars, She has slaughtered Her beasts; She has mixed Her wine; She has also set Her table.

She has sent out Her maids to shout Her invitation on the heights of the city: “Whoever is simple, let him turn in here!”

To him who lacks sense she says: “Come, eat of my bread and drink of the wine I have mixed. Leave silliness, and live! Then, walk in the way of intelligence.”

...”

“THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” is forever stable and characterized by one movement and a state of equilibrium which is obtained from the movement. Inside of you and all around you, the symbol of the bedrock and of stability, which you are familiar, is: the “CHAIR”, which is the sitting and stable place that one will give to someone.

Using this symbol, and seen from afar, you can get a representation of the manifestation of the metaphor of “THE DIVINE ATOM” which is in you, as being a great “CHAIR”, bright at any time, day or night, and which is always “PURE”.

Always using this symbol, and this time seen closely, you can also make a representation of the manifestation of the metaphor of the seven “Divine Particles” constituent of “THE DIVINE ATOM” which is in you, as being seven bright “CHAIRS” and always “PURE”.

Both within yourself, in your “‘SPIRIT←LIGHT’ Body”, and outside of yourself for the “non-spiritual” construct, these seven “CHAIRS” will be for you an appropriate representation of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, in the space that you have chosen to place “THE TABERNACLE” of “THE DIVINE”, that you are restoring.

Inside of yourself, the great “CHAIR”, bright at all moment, day and night, which is always “PURE”, and seen more closely is actually a set of seven bright “CHAIRS” and always “PURE”, will represent what you have in your “‘SPIRIT←LIGHT’ Body”; the attributes that make you who you are.

If you know that “THE DIVINE”, IHVH, is your FATHER, and that you have consolidated Him in yourself, that you have given in yourself the great “CHAIR”, bright at all moment, day and night, which is always “PURE”, and seen more closely is actually a set of seven bright “CHAIRS” and always “PURE”, to “THE DIVINE”, IHVH, your FATHER, then, your “‘SPIRIT←LIGHT’ Body” will be filled with the attributes of “THE DIVINE”. Otherwise, your “‘SPIRIT←LIGHT’ Body” will be filled with all unusable things and other than the attributes of “THE DIVINE”.

The first of the seven “CHAIRS” will be an expression of the metaphor of the “Generative Divine Particle”, the “Generative Power of ‘THE DIVINE’”, in “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”.

Inside of your “‘SPIRIT←LIGHT’ Body”, this first of the seven “CHAIRS” will be a representation of “THE SEAT OF WISDOM” — that is, of “The ALTAR of ‘THE DIVINE’” — in the “‘LIGHT’ Specific State” and first component of your “‘SPIRIT←LIGHT’ Body” and where is and shines “THE LIGHT” at any time, day

and night, and which must always be kept “PURE” by putting repeatedly into practice the recommendations on the knowledge of the origin of the Ten commandments described in Tablets of the Decalogue, which we have already described: the firsts five laws — secondary branches of the first branch of this offshoot of “THE FIRST RULE OF EXISTENCE” — which are all of equal importance and form a “PERFECT” set which is characterised by the designation: “LOVE THE DIVINE” or “THE LOVE OF THE DIVINE IN THE SEAT OF WISDOM”.

Outside of yourself, for the spiritual construction that you will render manifest in the form of a “non-spiritual” construct, it will be an expression of the “‘GOD’ Specific State”, inner component of any expression of the metaphor of “THE ‘LIGHT←GOD’ EON”, in front of which you will converse, through “THE SEAT OF WISDOM” — “The ALTAR of ‘THE DIVINE’” — inside your “‘SPIRIT←LIGHT’ Body”, with “THE DIVINE”, IHVH, our FATHER, and emit “THE PRAISE”.

You must give to “THE DIVINE” that, which belongs to Him, as “Generative Power” of all life, that is why you must give this first “CHAIR” to “THE DIVINE”, IHVH, our FATHER, and to no one else; nobody other than “THE DIVINE”, IHVH, our FATHER must “sit” (figuratively as well as literally) on this first “CHAIR”, either inside of you or outside of you in the “non-spiritual” construct.

Outside of yourself, for the spiritual construction that you will make manifest in the form of a “non-spiritual” construct, the space where you will place the unique first of the seven “CHAIRS”, is a symbolic representation of the “‘GOD’ Specific State” and of which the “SON” is in the “‘LIGHT’ Specific State” which is located inside of your “‘SPIRIT←LIGHT’ Body”. It is in this space and in front of the unique first of the seven “CHAIRS” that you will place a table and above which you will place a lamp which will be lit at all times, to symbolize the “Generative Power of ‘THE DIVINE’”: this will be for you the “First Altar”.

On both sides of this first table, you will place pots in which you grow living “flowers”¹³⁰⁶.

¹³⁰⁶ The “flower” is the symbol used to represent what lies inside a structure, it remains invisible inside of that structure and for a while, then, after a passage of proper time, it will appear outside of the structure and will be visible. The “fruit” is also another symbol which is used to make understand that some creatures in “THE HOLY PROJECT” are called upon to grow in “THE KNOWLEDGE OF THE DIVINE”, just like the flower.

You MUST understand that, the process through which the “flower” or the “fruit”, which is found inside a structure, is manifested, after a passage of proper time, outside of the structure and made visible, is a “living” “DISCOURSE”, which tells about the “specific products”, which are formed in “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, in much the same manner as your “‘SPIRIT←LIGHT’ Body”, which is inside your “Subjective ‘EARTHLY’ Garment”, is a “living” “DISCOURSE”, which tells about “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”. It is in this manner that “THE DIVINE”, IHVH, our FATHER, also talk to His creatures; through “living” “DISCOURSES”, and you are called to discern and understand such “living” “DISCOURSES”, which were produced into existence by “THE DIVINE FORCE”, for your education.

Look closely at the manifested constructs of “THE TABERNACLE” of “THE DIVINE”, which you are in the process of restoring; for, you are in some sense walking/going through a “living” “DISCOURSE”, or in a “process walk-through”¹³⁰⁷, which tells about aspects of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, which were implemented by metaphors inside your “‘SPIRIT←LIGHT’ Body”. You can consider this task of restauring “THE TABERNACLE” of “THE DIVINE”, which is inside your “‘SPIRIT←LIGHT’ Body”, from the perspective of “role playing” activities, using “energy products”, and you are walking inside “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”.

These living “flowers” are “flowers” of “PURITY” and “HOLINESS” of “The ALTAR of ‘THE DIVINE’” which is inside your “‘SPIRIT←LIGHT’ Body”, and that you want to grow inside of your “‘SPIRIT←LIGHT’ Body”.

They represent “THE LOVE OF THE DIVINE IN THE SEAT OF WISDOM” that you would have grown inside “The ALTAR of ‘THE DIVINE’” and that you will water with the water of certitude, that is by maintaining a high degree of presence of “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” in the “Specific ‘SPIRITUAL’ Environment” external and immediate around yourself, through the practice of the firsts five laws — secondary branches of the first branch of this offshoot of “THE FIRST RULE OF EXISTENCE” — so that these “flowers” can grow, and green and fresh, all around you.

¹³⁰⁷ As you would know already, this is the practice of literally walking through a process step by step to gain insight into its intricate details and working.

If you place only two pots of “flowers”, one on each side of this first table, then, they are symbols that highlight, on the one hand, the distinctive feature of “THE DIVINE ARCHITECT AND PROJECT MASTER” through the “MALE” adjective and, on the other hand, the distinctive feature of “THE DIVINE FORCE” through the “FEMALE” adjective.

If however you place seven pots of “flowers” all around this first table, then, they are symbols of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”.

Watch how these pots of “flowers” will grow and how do you maintain them with the passage of time, because it will also be through it that “THE DIVINE FORCE” will lead you to understand what is inside your “‘SPIRIT←LIGHT’ Body” and that you cannot see.

The six other “CHAIRS”, placed on a distance in front of the previous unique first “CHAIR” symbolizing “THE SEAT OF WISDOM”, will each be an expression of a unique metaphor of the “Formative Divine Particle” as well as the metaphor of the “Formative Divine State” associated with it, in “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”. Together these six “CHAIRS” will be an expression of “THE SEAT OF THE INTELLECT”.

It is so that, you will place three of these six “CHAIRS” following a same spacing, on the one hand and on a distance in front of the previous unique first “CHAIR” symbolizing “THE SEAT OF WISDOM”, and you will place the other remaining three of these six “CHAIRS”, following a same spacing, the other side and over the same distance in front of the previous unique first “CHAIR” symbolizing “THE SEAT OF WISDOM”.

Inside of yourself, in your “‘SPIRIT←LIGHT’ Body”, it will be the “‘SPIRIT’ Specific State”, and the space where you will place these six “CHAIRS”, is a symbolic representation of the “Specific Energy ‘SPIRIT’ Substance” as external constituent of your “‘SPIRIT←LIGHT’ Body”.

Such a visible layout has already been manifested in the anatomy of the “Subjective ‘EARTHLY’ Garment” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” by the heart and the two lungs, and which have been placed in the space which is called: the thoracic cage;¹³⁰⁸ that anatomical region of the “Subjective

¹³⁰⁸ Anatomically speaking, with regard to the “Subjective ‘EARTHLY’ Garment” with which you have been dressed, each lung consists of three lobes. The right lung appears to be larger than the left lung, for two reasons, which both depend on each other:

‘EARTHLY’ Garment”, located at the thorax level. Its main roles are to keep in place and protect certain vital organs and visceral structures.

“THE SEAT OF THE INTELLECT” must always be kept “PURE” by putting repeatedly into practice recommendations on the knowledge of the origin of the Ten commandments described in Tablets of the Decalogue, and which we have already described: the following five laws — secondary branches of the first branch of this offshoot of “THE FIRST RULE OF EXISTENCE” — which are all of equal importance and form a “PERFECT” set which is characterised by the designation: “LOVE YOUR FOLLOWING” or “THE LOVE OF THE DIVINE IN THE SEAT OF THE INTELLIGENCE”.

Outside of yourself, for the spiritual construction that you will make manifest in the form of a “non-spiritual” construct, the space where you will place these six “CHAIRS”, is a symbolic representation of the “Specific Energy ‘LIGHT’ Substance” as an external component of any expression of the metaphor of “THE ‘LIGHT←GOD’ EON” in front of which you will converse, through “THE SEAT

-
- The right lung has three visible lobes, compared to the left lung which has two visible and one invisible.
 - The left lung also has three lobes, but only two are visible because the position of the heart — the heart is an expression of the metaphor of the “Generative Divine Particle”, the “Generative Power of ‘THE DIVINE’”, in “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” — which is the result of a projection in the space called the thoracic cage, coincides with the position of this third lobe and has thus been superimposed on this position of this third lobe — this third lobe being also an expression of a unique metaphor of the “Formative Divine Particle” as well as the metaphor of the “Formative Divine State” associated with it, in “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”.

The heart takes the “place” of this third lobe; therefore, it is said that the left lung has two visible lobes, and that the heart is left, while in truth, the left lung also has three lobes and the heart is placed in the center of the two lungs, but its ventricles and apex (its tip) are directed to the left.

- Lungs are extremely vascularized organs.
- Pleura is the envelope that covers and protects the lung. There is a pleura for each lung and the two pleura are not interconnected.

If the lungs are not kept in purity, then, lung diseases will appear. Among these lung diseases are a number of more or less common: asthma, emphysema, cystic fibrosis, pneumonia.

OF WISDOM” — “The ALTAR of ‘THE DIVINE’” — inside your “‘SPIRIT←LIGHT’ Body”, with “THE DIVINE”, IHVH, our FATHER, and emit “THE PRAISE”.

Here, too, you must give to “THE DIVINE” that, which belongs to Him, as “Formative Essence” of all life, that is why you must give all these six “CHAIRS” to “THE DIVINE”, IHVH, our FATHER, and to no one else; nobody other than “THE DIVINE”, IHVH, our FATHER must “sit” (figuratively as well as literally) on any of these six “CHAIRS”, not a “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” and not either a “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”¹³⁰⁹, either within yourself, in your “‘SPIRIT←LIGHT’ Body”, or so outside of yourself for the spiritual construction that you will make manifest in the form of a “non-spiritual” construct.

Through “THE DIVINE FORCE”, “THE DIVINE”, IHVH, our FATHER, said, in a loud voice:

“ ...

Not even a “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” should sit on those “CHAIRS”!

The layout of those “CHAIRS” will serve as teaching.

¹³⁰⁹ When “THE DIVINE”, IHVH, our FATHER, told me this, through “THE DIVINE FORCE”, then, a question mark appeared over my head because I thought of the conversation I had with the Archangel MATMONIEL (see conversation on July 01, 2006; Aristide and the Archangel MATMONIEL, on the layout of “The ALTAR of ‘THE DIVINE’”).

Then, I remembered the three successive and non-reversible energy osmoses in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model and the “Causal Precedence Relation of ‘THE PRAISE’” taking into account the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” and concerning “THE PRAISE” emitted by the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” towards “THE DIVINE”, IHVH, our FATHER, and I understood why and “THE DIVINE”, IHVH, our FATHER said to me, in a loud voice:

“ ...

Not even a “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” should sit on those “CHAIRS”!

The layout of those “CHAIRS” will serve as teaching.

They [the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”] will descend to perform the GUARDIANSHIP.

...”

They [the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”] will descend to perform the GUARDIANSHIP.

...”

Because, in the event that a “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” or a “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” would take place on these six “CHAIRS”, then, outside of yourself, the spiritual construction that you will make manifest in the form of a “non-spiritual” construct, will not be anymore an expression of the metaphor of “THE ‘LIGHT←GOD’ EON” in front of which you will converse, through “THE SEAT OF WISDOM” — “The ALTAR of ‘THE DIVINE’” — inside your “‘SPIRIT←LIGHT’ Body”, with “THE DIVINE”, IHVH, our FATHER, and emit “THE PRAISE”.

It is so that, the “‘GOD’ Attachment Point” of your “‘LIGHT→GOD’ CORD OF PRAISE” will not find an attachment outlet in this spiritual construction that you will make manifest in the form of a “non-spiritual” construct, and all the “PRAISE” that you emit will not go farther than the tip of your lips. In this case, all the work you have accomplished will have to be redone.

As we have already said, it is for the purpose to lead “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” to understand such things that the human Mirza Husayn, under the inspiration of “THE DIVINE FORCE”, said:

“...”

Ô son of dust!

All that is on Earth, I dedicated it to you, except my home inside yourself and of which I made the seat of my beauty and of my glory.

However, you gave my dwelling place and my home to someone other than Me.

And whenever “the manifestation of my holiness” sought her own house, she found a stranger there in; then, deprived of dwelling place, she has hastened to return to Me.

Nevertheless, I hid your secret and did not want your shame.

...”

This second space where you will place these six “CHAIRS”, is also an expression of the metaphor of the energy that is present at all times in the “Divine Septenary Equilibrium Zone” in “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”. The energy in the “Divine Septenary Equilibrium Zone” is

formed by the products of the “divine work” accomplished by the six “Formative Divine Particles” constituent of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”.

It is so that, the combined group, which consist of the first space where you will place the unique first of the seven “CHAIRS”, with a lamp which will be lit at all times, and the second space where you will place the six remaining “CHAIRS”, is a symbolic expression of “THE UNION”.

Inside “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, in their “‘SPIRIT←LIGHT’ Body”, it will be “THE UNION” of the “‘LIGHT’ Specific State” and of the “‘SPIRIT’ Specific State”.

Outside of yourself, for the spiritual construction that you will make manifest in the form of a “non-spiritual” construct, it will be “THE UNION” of the “‘GOD’ Specific State” and of the “‘LIGHT’ Specific State”.

Outside of yourself, for the spiritual construction that you will make manifest in the form of a “non-spiritual” construct, you must separate the space where you will place the unique first of the seven “CHAIRS” from the space where the other six “CHAIRS” remaining will be placed, using a first low density “Veil” or a special grid to symbolize the “Specific ‘LIGHT←GOD’ Frontier”.

In the second space and in front of the six “CHAIRS”, you will place a second table, and above which you will place a lampstand with seven candles; as the seven “CHAIRS” will be for you an appropriate representation of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”.

When the seven candles of this lampstand will be lit, then, you will symbolically have an appropriate representation of the “specific spiritual formation” of “THE CHURCH” that is created from the representation of “THE UNION” that you have thus restored.

It is therefore through this “specific spiritual formation” of “THE CHURCH” that you will converse, through “THE SEAT OF WISDOM” — “The ALTAR of ‘THE DIVINE’” — inside your “‘SPIRIT←LIGHT’ Body”, with “THE DIVINE”, IHVH, our FATHER, and emit “THE PRAISE”.

On both sides of this second table, you will place pots in which you grow living “flowers”.

These living “flowers” are “flowers” of “PURITY” and “HOLINESS” of “THE SEAT OF THE INTELLECT” which is inside your “‘SPIRIT←LIGHT’ Body”, and that

you want to grow inside of “The ALTAR of ‘THE DIVINE’” inside your “‘SPIRIT←LIGHT’ Body”.

They represent “THE LOVE OF THE DIVINE IN THE SEAT OF THE INTELLECT” that you would have grown inside “The ALTAR of ‘THE DIVINE’” and that you will water with the water of certitude, that is by maintaining a high degree of presence of “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” in the “Specific ‘SPIRITUAL’ Environment” external and immediate around yourself, through the practice of the following five laws — secondary branches of the second branch of this offshoot of “THE FIRST RULE OF EXISTENCE” — so that these “flowers” can also grow, and green and fresh, all around you.

If you place only two pots of “flowers”, one on each side of this second table, then, they are symbols that highlight, on the one hand, the distinctive feature of “THE DIVINE ARCHITECT AND PROJECT MASTER” through the “MALE” adjective and, on the other hand, the distinctive feature of “THE DIVINE FORCE” through the “FEMALE” adjective.

If however you place seven pots of “flowers” all around this second table, then, they are symbols of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”.

You must maintain the “HOMOGENEITY”, the “PURITY” and the “HOLINESS” of these two spaces thus formed: the first space with the lamp always lit, the second space with its lampstand with seven candles lit when you converse, through “THE SEAT OF WISDOM” — “The ALTAR of ‘THE DIVINE’” — inside your “‘SPIRIT←LIGHT’ Body”, with “THE DIVINE”, IHVH, our FATHER, and emit “THE PRAISE”.

You must maintain the “HOMOGENEITY”, the “PURITY” and the “HOLINESS” of these two spaces thus formed both within yourself, in your “‘SPIRIT←LIGHT’ Body”, and outside of yourself for the spiritual construction that you will make manifest in the form of a “non-spiritual” construct.

When the “specific spiritual formation” of “THE CHURCH” is made manifest in the “HOMOGENEITY”, the “PURITY” and the “HOLINESS”, then, “THE DIVINE FORCE”, will instantly send the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” in order to perform the guardianship in the “Specific ‘SPIRITUAL’ Environment” of this “specific spiritual formation” of “THE CHURCH” and none of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” should sit on these six “CHAIRS”

which represent “THE SEAT OF THE INTELLECT”. No “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” either should sit on these six “CHAIRS”.

This manifestation of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” is the brand of “THE DIVINE”, the culmination of the work that “THE DIVINE FORCE” has accomplished.

It is not a brand or the work, of a “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, so that the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” would go and take place on these six “CHAIRS”.

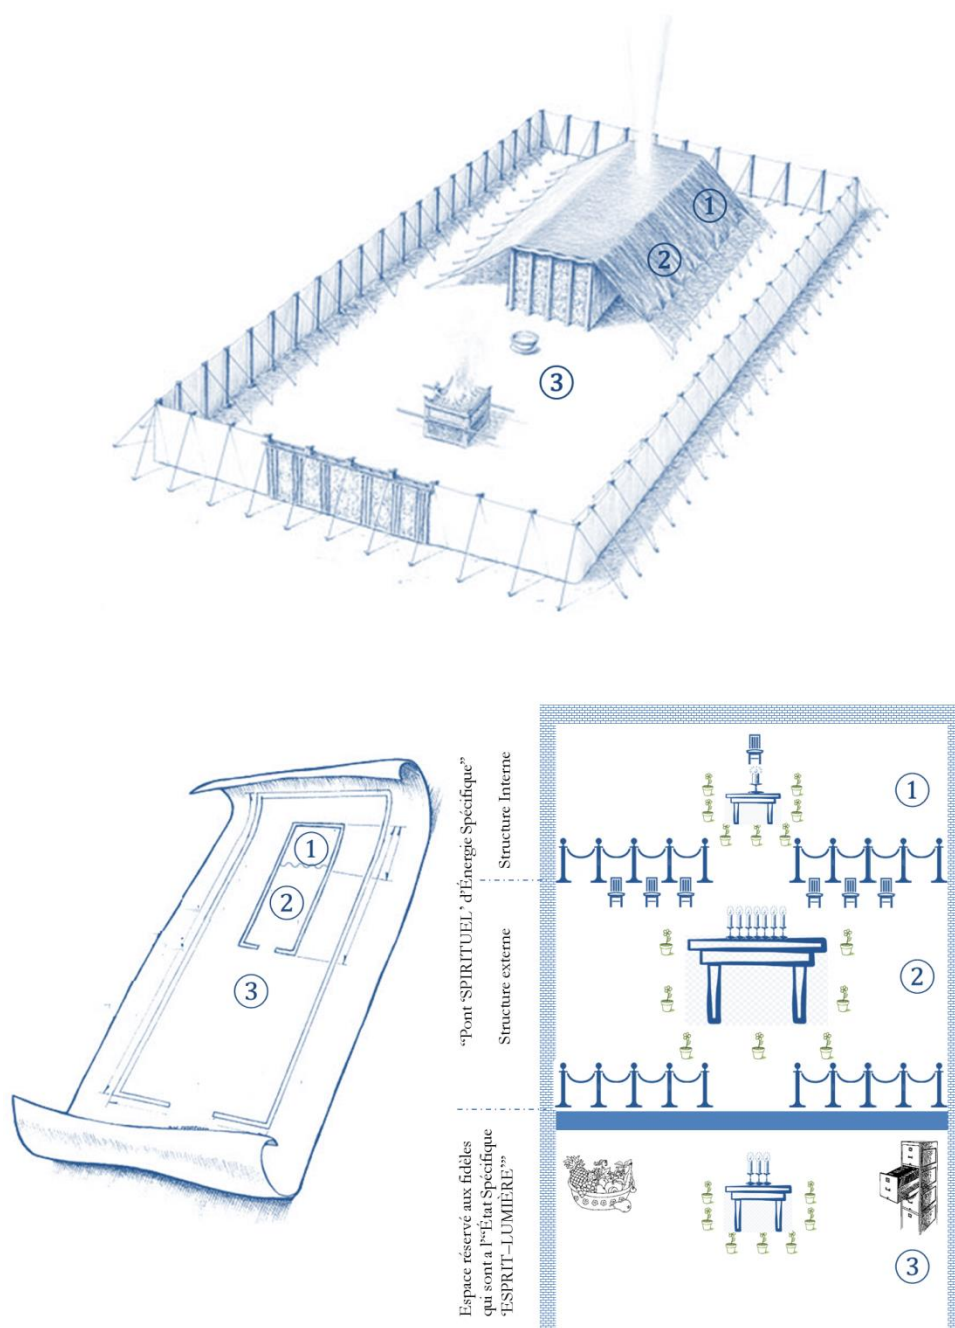

It is not either a brand or the work, of a “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, so that the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” would go and take place on these six “CHAIRS”.

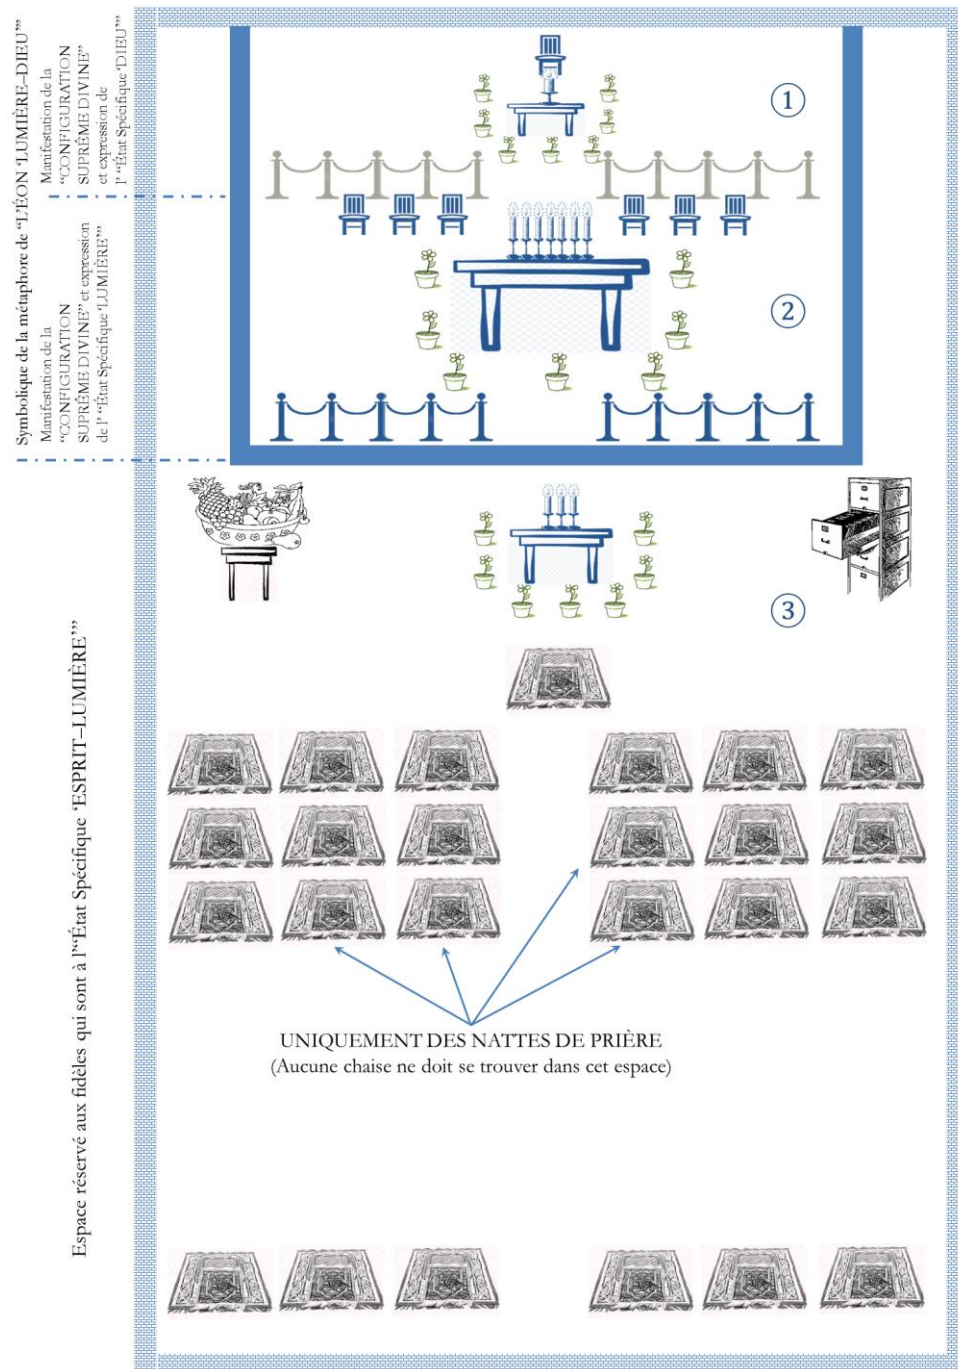

These are the same layout that had been given to MOSES, he who received the Tablets of the Decalogue, as shown in the diagrams below.

When the “specific spiritual formation” of “THE CHURCH” is made manifest in the “HOMOGENEITY”, the “PURITY” and the “HOLINESS”, and if your “‘SPIRIT←LIGHT’ Body” is sufficiently in the “HOMOGENEITY”, the “PURITY” and the “HOLINESS”, then, “THE SEAT OF WISDOM” will pass the conversation to “THE SEAT OF THE INTELLECT” in your “‘SPIRIT←LIGHT’ Body” and you will be aware of it, and you will understand this conversation as if you were face to face with “THE DIVINE”, IHVH, our FATHER.

If your “‘SPIRIT←LIGHT’ Body” is NOT sufficiently in the “HOMOGENEITY”, the “PURITY” and the “HOLINESS”, then, as much as “THE SEAT OF WISDOM” will pass the conversation to “THE SEAT OF THE INTELLECT” in your “‘SPIRIT←LIGHT’ Body”, “THE SEAT OF THE INTELLECT” will not receive the conversation as it should and you will not be aware of it, and you will not know that a conversation took place between “THE SEAT OF WISDOM” in your “‘SPIRIT←LIGHT’ Body” and “THE DIVINE”, IHVH, our FATHER, and you will not understand that conversation.

יצירה ספר

If you come to transgress the “HOMOGENEITY”, the “PURITY” and the “HOLINESS” of these two spaces thus formed both within yourself, in your “‘SPIRIT←LIGHT’ Body”, and outside of yourself for the spiritual construction that you will make manifest in the form of a “non-spiritual” construct, then, you will also break the stability, and therefore the structure, of everything that these two spaces thus constituted represent.¹³¹⁰

It is then, that the “HARMONY” with “THE DIVINE”, IHVH, our FATHER, of the “TABERNACLE” of “THE DIVINE” that you will be restoring or constructing, will be broken and that “TABERNACLE” of “THE DIVINE” will find itself in a state of “CHAOS”, contrary to the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”. Your “TABERNACLE” will not function as it should and, without understanding what is happening in the “Specific ‘SPIRITUAL’ Environment” containing the “TABERNACLE”, you will see the consequences and manifestations of the state of “CHAOS”, contrary to the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”, with your own eyes in the “Specific ‘PHYSICAL’ Environment”.

As we have mentioned earlier, at the creation of the first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, the “‘SPIRIT←LIGHT’ Body” in the “PRINCIPAL” instance of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model carried by this breath emitted by the Archangel MICHAEL, also came into contact with impure “Specific Atomic ‘EARTHLY’ Substances” as consequence of the presence of the filth that had been immersed in the “Specific Energy ‘EARTHLY’ Substance”, at the end of the Third Day of the implementation of the “Second Phase” of “THE HOLY PROJECT”, and in addition, those “Specific Atomic ‘EARTHLY’ Substances” in their manner of being are not in the “‘SPIRIT’ Specific State” used for the construction of the “Specific Energy ‘SPIRIT’ Substance” constituent of this “‘SPIRIT←LIGHT’ Body” in the “PRINCIPAL” instance of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model.

Thus, the “‘SPIRIT←LIGHT’ Body” in the “PRINCIPAL” instance of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, had already lost its “HOMOGENEITY” and its “PURITY”, at its creation.

¹³¹⁰ To lead you to understand this, consider what happens to a “fruit” within which a foreign body has entered, for some whatever reason: in a short time, and from this foreign body which is not compatible with the constituent substance of the structure of the “fruit”, will appear microbes into existence inside of the “fruit”. With the passage of time, these microbes will grow and destroy the internal structure of the “fruit”.

Subsequently, the so called “curses”, those massive seeds of parasitic “intrusive suggestions”, that the Archangel MICHAEL had forced into the first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, veiling their “peripheral awareness” as well as the perceptions of the “Subjective ‘EARTHLY’ Garment”, threw the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” in a state of “CHAOS”, contrary to the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”, and hence the “TABERNACLE” of “THE DIVINE” could not work as it should. It is so that, the messages that are sent by “THE SEAT OF WISDOM” to “THE SEAT OF THE INTELLECT” in the “‘SPIRIT←LIGHT’ Body” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, and that are of “VITAL” importance to “THE SEAT OF THE INTELLECT” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, were disrupted and the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” was not anymore aware of those messages, and could not anymore understand those conversations taking place through “THE SEAT OF WISDOM” and with “THE DIVINE”, IHVH, our FATHER.

Similarly, when the “specific spiritual formation” of “THE CHURCH” is manifested, in the event that “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” that “THE DIVINE FORCE” will instantly send to perform the guardianship in the “Specific ‘SPIRITUAL’ Environment” of this “specific spiritual formation” of “THE CHURCH”, take place on these six “CHAIRS”, then, the “HOMOGENEITY” of the “Specific Energy ‘LIGHT’ Substance” as an external component of any expression of the metaphor of “THE ‘LIGHT←GOD’ EON” in front of which you will converse, through “THE SEAT OF WISDOM” — “The ALTAR of ‘THE DIVINE’” — inside your “‘SPIRIT←LIGHT’ Body”, with “THE DIVINE”, IHVH, our FATHER, and emit “THE PRAISE”, will be compromised because the “Specific Energy ‘LIGHT’ Substance” will be mixed with some “Specific Energy ‘CELESTIAL’ Substances”.

It is so that, it will be impure and the “Causal Precedence Relation of ‘THE PRAISE’” taking into account the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” has no value because you will emit “THE PRAISE” to “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”.

Similarly, when the “specific spiritual formation” of “THE CHURCH” is manifested, in the event that a “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” will take place on these six “CHAIRS”, then, the “HOMOGENEITY” of the “Specific Energy ‘LIGHT’ Substance” as an external component of any expression of the metaphor of “THE ‘LIGHT←GOD’ EON” in front of which you will converse, through “THE SEAT OF WISDOM” — “The ALTAR of ‘THE DIVINE’” — inside your

“‘SPIRIT←LIGHT’ Body”, with “THE DIVINE”, IHVH, our FATHER, and emit “THE PRAISE”, will also be compromised because the “Specific Energy ‘LIGHT’ Substance” will be mixed with some “Specific Energy ‘EARTHLY’ Substances”.

It is so that, it will be impure and the “Causal Precedence Relation of ‘THE PRAISE’” taking into account the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” has no value because you will emit “THE PRAISE” to those “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”. No “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” should take place on these six “CHAIRS”.

It is thus that you will see the consequences and manifestations of the state of “CHAOS”, contrary to the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”, through the behaviours of the faithful and struggles of power which will appear.

Therefore, you will spend your time in futile combats to fix these manifestations of the state of “CHAOS”, contrary to the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”, while the source of these manifestations of the state of “CHAOS” lies in the fact that in the absence of “THE KNOWLEDGE OF THE DIVINE”, you have broken the “HOMOGENEITY”, the “PURITY” and the “HOLINESS” of this symbolic expression of the “TABERNACLE” of “THE DIVINE”.

It is so that, will elapse the time that has been assigned to complete the task of restoring the “TABERNACLE” of “THE DIVINE”, and all the work will have to be redone again and the culprits, including the Shepherd who has the responsibility of the herd, or then, the one who has the charge to carry out the task of restoring the “TABERNACLE” of “THE DIVINE”, will be decommissioned and placed in confinement awaiting their judgment.¹³¹¹

¹³¹¹ The confinement place is those four delicious receptacles, which were shown to the elder ENOCH, of whom METHUSELAH is the descendant, and about which the Archangel RAPHAEL had explained, saying that:

“ ...

*These are the regions where the spirits, the souls of the deads are gathered.
It is here that must be collected all the souls of the children of men.*

It is in these places that they will remain until the judgment day, until the time which is marked to them. However, this time will take long to come to pass, it is the great judgment day.

...”

Therefore, “THE DIVINE”, IHVH, our FATHER will send someone else to redo all the work.

The “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” is an expression of “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — which has been placed in the “Specific Energy ‘CELESTIAL’ Domain”.

It is so that, when the “specific spiritual formation” of “THE CHURCH” is manifested in the “HOMOGENEITY”, the “PURITY” and the “HOLINESS”, through the “Causal Precedence Relation of ‘THE PRAISE’” taking now into account the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, your “‘SPIRIT←LIGHT’ Body” will be for the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, what for you is any expression of the metaphor of “THE ‘LIGHT←GOD’ EON” in front of which you will converse, through “THE SEAT OF WISDOM” — “The ALTAR of ‘THE DIVINE’” — inside your “‘SPIRIT←LIGHT’ Body”, with “THE DIVINE”, IHVH, our FATHER, and emit “THE PRAISE”.

It is as a result of the continuous execution of this “Causal Precedence Relation of ‘THE PRAISE’” that the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” whose “‘SPIRIT←LIGHT’ Body” is sufficiently in the “HOMOGENEITY”, the “PURITY” and the “HOLINESS”, will bear abundant “fruits” of “THE TREE OF LIFE” as “THE DIVINE”, IHVH, our FATHER willed it when HE had decided to share His great “DIVINE WEALTH” with the attribute “NON DIVINE”, long before that the attribute “NON DIVINE” was manifested into existence.

It is so that, “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed and established it, so that “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” bear abundant “fruits” of “THE TREE OF LIFE” as “THE DIVINE”, IHVH, our FATHER willed it when HE had decided to share His great “DIVINE WEALTH” with the attribute “NON DIVINE”.

It is for the purpose to lead His creatures that were created into existence in the “Plane Above” to understand this and know the importance of the “specific spiritual formation” of “THE CHURCH” in all its forms, that on the following Day after the achievement of the seventh decree of the implementation of the “Second Phase” of “THE HOLY PROJECT”, that “THE DIVINE FORCE” had instructed what had remained of “THE CELESTIAL HOST” in the “Specific Energy

‘CELESTIAL’ Domain”, to celebrate on every seventh day, “THE PRAISE”, around and through the first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” with the “MALE” adjective — and who has been called “ADAM” — just as they did around “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — in the “Specific Energy ‘CELESTIAL’ Domain”.

For the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, to emit (or to celebrate) “THE PRAISE”, it is to emit the “specific signals” requesting the sending of external supply of subsistence in order to remain into existence in the “‘SPIRIT’ Specific State”. Those “specific signals” are emitted towards the closest expression into existence in the attribute “NON DIVINE” of a metaphor of “THE ‘SPIRIT←LIGHT’ EON”. In this case, “ADAM” was the closest expression into existence in the attribute “NON DIVINE” of a metaphor of “THE ‘SPIRIT←LIGHT’ EON”, in the first “Specific Energy ‘EARTHLY’ Habitation Domain” which is far enough from “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’”.

After billions of years that they had spent into existence in the “Specific Energy ‘CELESTIAL’ Domain”, all these elders of the creation, in their “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, were in the confusion because they had not developed in them “THE KNOWLEDGE OF THE DIVINE” and “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”.

It is so that, without still understanding the profound meaning of this manifestation into existence of the first “specific spiritual formation” of “THE CHURCH” through the “‘SPIRIT←LIGHT’ Body” of this first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” having the “MALE” adjective, and reluctantly, because the “ADONA’IM” had already declared this first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” to be a “MISTAKE OF THE CREATION”, and thus reluctant to see their arguments of “THE DARKNESS” evaporate in front of the arguments of “THE LIGHT” manifested, the Archangel MICHAEL and the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” of “THE CELESTIAL HOST” remaining who descended in the “Specific Energy ‘EARTHLY’ Substance” in this Seventh Day, will celebrate “THE PRAISE” around “ADAM”, who was still covered by his “Specific Radiance ‘SPIRITUAL’ Aureole” and with a luminous radiation similar to that of “THE SHEKINAH” and indicating the presence of a unique expression of “THE UNION” in this first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”. While celebrating “THE PRAISE”, they did not perform their ceremony of pledging of oaths of allegiance towards “ADAM” as they do to the Archangel MICHAEL.

Once you have restored the “HOMOGENEITY”, the “PURITY” and the “HOLINESS” of these two spaces thus constituted — the first space with the lamp always lit, the second space with its lampstand with seven candles burning when you converse, through “THE SEAT OF WISDOM” — “The ALTAR of ‘THE DIVINE’” — inside your “‘SPIRIT←LIGHT’ Body”, with “THE DIVINE”, IHVH, our FATHER, and emit “THE PRAISE” —, then, you must protect this combined set using a heavy “Veil”.

Outside of yourself, for the spiritual construction that you will make manifest in the form of a “non-spiritual” construct, you use a heavy “Veil” or a special grid to symbolize the “Specific ‘SPIRITUAL’ Frontier” that separates from the rest of the space that is reserved for the faithful.

On the one side, outside the heavy “Veil”, you will place a table for “fruits”. On the opposite side to the table for “fruits”, outside the heavy “Veil”, you will place a table (a cabinet) to keep all messages and instructions that “THE DIVINE”, IHVH, our FATHER will send you. Symbolically, these two tables and their content are meant to tell you that you must keep yourself in “PURITY” by consuming the “fruits” of the work of “THE DIVINE FORCE”, and you must pay attention to the instructions of “THE DIVINE”, IHVH, our FATHER, and live by the teachings, which are contained in those messages of “THE DIVINE”, IHVH, our FATHER, given to you through “THE DIVINE FORCE”, and may those teachings not depart from your eyes, write them on the table of your heart.

These messages, which are revealed into existence by “THE DIVINE FORCE”, are carriers of “RAW KNOWLEDGE OF THE DIVINE”, and it is by developing a deep understanding of these “RAW KNOWLEDGE OF THE DIVINE” that one grows up in “THE KNOWLEDGE OF THE DIVINE”. This will allow you to develop in you the elements of “THE ‘SPIRIT’ REASON”.

In front of this heavy “Veil”, outside of the combined group formed by the two spaces containing the seven “CHAIRS”, you will place a third table, this will be the “Third Altar”, and above which you will place a lampstand with three candles.

It is in front of this “Third Altar” in the space that is reserved for the faithful that all the faithful, including the Shepherd, or the one who has received the charge to carry out the task of restoring the “TABERNACLE” of “THE DIVINE”, bow down when they come to celebrate “THE PRAISE”.

On both sides of this third table, you will also place pots in which you will grow living “flowers”.

If you place only two pots of “flowers”, one on each side of this third table, then, they are symbols that highlight, on the one hand, the distinctive feature of “THE DIVINE ARCHITECT AND PROJECT MASTER” through the “MALE” adjective and, on the other hand, the distinctive feature of “THE DIVINE FORCE” through the “FEMALE” adjective.

If however you place seven pots of “flowers” all around this third table, then, they are symbols of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”.

If you know that “THE DIVINE”, IHVH, is your FATHER, and that you have consolidated Him in yourself, that you have given in yourself the great “CHAIR”, bright at all moment, day and night, which is always “PURE”, and seen more closely is actually a set of seven bright “CHAIRS” and always “PURE”, to “THE DIVINE”, IHVH, your FATHER, then, your “‘SPIRIT←LIGHT’ Body” will be filled with the attributes of “THE DIVINE”.

Therefore, you will remain at all times in “THE PRAISE” with “THE DIVINE”, IHVH, our FATHER, in the “PURITY” — the eternal symbol of the glory of “THE DIVINE ARCHITECT AND PROJECT MASTER” and of “THE DIVINE FORCE” — “FIDELITY” to “THE DIVINE”, and “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” will be your only passions and your only “Interpreted THOUGHTS” at all times, day and night.

For “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”, you will keep watch these core rules on the “HOMOGENEITY”, the “PURITY” and the “HOLINESS” of these two spaces thus constituted: the first space with the lamp always lit, the second space with its lampstand with seven candles burning when you converse, through “THE SEAT OF WISDOM” — “The ALTAR of ‘THE DIVINE’” — inside your “‘SPIRIT←LIGHT’ Body”, with “THE DIVINE”, IHVH, our FATHER, and emit “THE PRAISE”.

If otherwise you have not consolidated “THE DIVINE”, IHVH, your FATHER, in your “‘SPIRIT←LIGHT’ Body”, then, your “‘SPIRIT←LIGHT’ Body” will be filled with all unusable things and other than the attributes of “THE DIVINE”, and you can be certain that the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” is “sitting” on these seven “CHAIRS” within yourself, in your “‘SPIRIT←LIGHT’ Body”.

It is so that, outside of yourself, for the spiritual construction that you will make manifest in the form of a “non-spiritual” construct, the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” will drive you to

go and “sit” on one of these seven “CHAIRS”, or to go add your own chairs within the combined group protected by the heavy “Veil”.

No “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” should cross the heavy “Veil”, except when assigned the task to keep cleanliness and lit the lamps in these two spaces thus constituted — the first space with the lamp always lit, the second space with its lampstand with seven candles. For the spiritual construction that you will make manifest in the form of a “non-spiritual” construct, only the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” with the “MALE” adjective should carry this task of maintaining cleanliness and lit the lamps.

In the space that you will reserve to the faithful, in the spiritual construction that you will make manifest in the form of a “non-spiritual” construct, no “CHAIR” should be placed there; the Shepherd and the herd of which he has charge, must use mats.¹³¹² Remember that those seven “CHAIRS”, the tables and all what they contain, inside that combined group, which is protected by the heavy “Veil”, are symbolic teaching materials for the education of the faithful, to tell them about that, which is “invisible” and which is inside of each of them; namely, it is a gross symbolic representation of their “‘SPIRIT←LIGHT’ Body”, from the perspective of “kindergarden” teachings, and constantly remind them of that. If they fail to understand this “kindergarden” representation of themselves, is it the “high level” detailed representations that they will understand? Would they become worthy of the “invisible gifts”, which “THE DIVINE”, IHVH, our FATHER, has designed for them?

As we have stated, “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed the unique “SPECIFIC SUPREME CONFIGURATION” of the “Specific Generative Energy ‘EARTHLY’ Domain” and the six “Specific Formative Energy ‘EARTHLY’ Domains”, so it be also an absolute complete model.

HE designed it so that at the end of its implementation, nothing can there be added and nothing can be removed in this unique “SPECIFIC SUPREME CONFIGURATION” of the “Specific Generative Energy ‘EARTHLY’ Domain” and the six “Specific Formative Energy ‘EARTHLY’ Domains” without that its stability is not affected.

In the event that you will break these core rules on the “HOMOGENEITY”, the “PURITY” and the “HOLINESS” of these two spaces thus formed — the first space

with the lamp always lit, the second space with its lampstand with seven candles burning when you converse, through “THE SEAT OF WISDOM” — “The ALTAR of ‘THE DIVINE’” — inside your “‘SPIRIT←LIGHT’ Body”, with “THE DIVINE”, IHVH, our FATHER, and emit “THE PRAISE” —, then, you will see the consequences and manifestations of the state of “CHAOS”, contrary to the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”, through the behaviours of the faithful and struggles of power which will appear.

Therefore, you will spend your time in futile combats to fix these manifestations of the state of “CHAOS”, contrary to the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”, while the source of these manifestations of the state of “CHAOS” lies in the fact that in the absence of “THE KNOWLEDGE OF THE DIVINE”, you have broken the “HOMOGENEITY”, the “PURITY” and the “HOLINESS” of this symbolic expression of the “TABERNACLE” of “THE DIVINE”.

It is so that, will elapse the time that has been assigned to complete the task of restoring the “TABERNACLE” of “THE DIVINE”, and all the work will have to be redone again and the culprits, including the Shepherd who has the responsibility of the herd, or then, the one who has the charge to carry out the task of restoring the “TABERNACLE” of “THE DIVINE”, will be decommissioned and placed in confinement awaiting their judgment.

Therefore, “THE DIVINE”, IHVH, our FATHER will send someone else to redo all the work.

DO NOT FORGET IT!!! All those who, by their “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” transgressed these core rules on the “HOMOGENEITY”, the “PURITY” and the “HOLINESS” of these two spaces thus formed, and who have gone through the “First Death”, are currently in confinement awaiting their judgment.

If such a thing comes to pass on you, do not say: “Brother Aristide, FATHER gave you the knowledge about these things, and you did not keep us informed!” Here, we have made an effort and put that knowledge in writings, and give it to you freely, in this “BOOK OF FORMATION” and through its annotations.

Once you have restored the “HOMOGENEITY”, the “PURITY” and the “HOLINESS” of these two spaces thus formed — the first space with the lamp always lit, the second space with its lampstand with seven candles burning when you converse, through “THE SEAT OF WISDOM” — “The ALTAR of ‘THE

DIVINE” — inside your “‘SPIRIT←LIGHT’ Body”, with “THE DIVINE”, IHVH, our FATHER, and emit “THE PRAISE” — and that you will have protected this combined group using a heavy “Veil” both within yourself, in your “‘SPIRIT←LIGHT’ Body”, and outside of yourself, for the spiritual construction that you will make manifest in the form of a “non-spiritual” construct, then, it will be (the proximity of) the “HOMOGENEITY”, the “PURITY” and the “HOLINESS” of this unique expression of “THE UNION” that is represented by your “‘SPIRIT←LIGHT’ Body” that you will have thus restored as “THE DIVINE ARCHITECT AND PROJECT MASTER” designed it.

You will have thus re-established the necessary and conditions favourable to the growth of the plant of “THE KNOWLEDGE OF THE DIVINE”, and of which the seed was placed in your “‘SPIRIT←LIGHT’ Body”.

No one else, other than yourself, can restore the “TABERNACLE” of “THE DIVINE” that is in you. “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” is the only tool and also the unique material allowing to realize this task assigned to you (reading these writings).

As we have already said, “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” is the Love of “THE DIVINE”, IHVH, our FATHER, in His various forms and aspects, and that is:

1. PURE — that is, in the “PURITY” of the “Interpreted THOUGHTS” just as “THE DIVINE”, IHVH, our FATHER is towards His CHILDREN;
2. TRUTHFUL — that is, not for any gain other than the main goal that “THE DIVINE”, IHVH, our FATHER has established for His CHILDREN, for what “THE DIVINE”, IHVH, our FATHER is and represents;
3. AUTHENTIC — that is, whose accuracy, genuine expression cannot be challenged.

The “PURITY” of the “Interpreted THOUGHTS”, which ensues from the “PURITY” of the “THOUGHTS” and which is the eternal symbol of “THE DIVINE ARCHITECT AND PROJECT MASTER” and of “THE DIVINE FORCE”, is a very important aspect in “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” because in “THE SEAT OF THE INTELLECT” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, just as it is the case in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, it is also the “Interpreted THOUGHT” which is at the origin of every action.

This “PURITY” of the “Interpreted THOUGHTS” takes place only when the “TRUTHFUL” aspect of love that one has for “THE DIVINE”, IHVH, our FATHER, is present.

If love that a “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” has for “THE DIVINE”, IHVH, our FATHER is not “TRUTHFUL” then, the degree of presence of “THE SPECIFIC SPIRITUAL FORCE OF LIFE” which is “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”, in the “Specific ‘SPIRITUAL’ Environment” external and immediate around the considered “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, just as it is with the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, will decrease and this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” will generate impure “Interpreted THOUGHTS” aimed to satisfy his own internal needs outside of the specifications established by “THE DIVINE ARCHITECT AND PROJECT MASTER”.

The only assistance you need is that, which comes from “THE DIVINE”, and HE will have already gave it to you at the very moment when your task has been assigned to you. This assistance is: “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”; It is the only force (resp. the only wonder) who surpasses all the forces (resp. all the wonders) in the attribute “NON DIVINE” and it is the only force (resp. the only wonder) that transcends this attribute “NON DIVINE”.

Have inside yourself, in your “‘SPIRIT←LIGHT’ Body”, an “ABSOLUTE CONFIDENCE” in “THE DIVINE”. It is through this “ABSOLUTE CONFIDENCE” in “THE DIVINE” that will manifest into existence your “Specific Radiance ‘SPIRITUAL’ Aureole”.

The foundation of this “Specific Radiance ‘SPIRITUAL’ Aureole”, is “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”, it is the “ABSOLUTE CONFIDENCE” in “THE DIVINE”.

Once you have consolidated this “Specific Radiance ‘SPIRITUAL’ Aureole” in you, it is impervious to anything other than “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”. Nothing other than “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” can cross this protective spiritual structure.

To restore the “TABERNACLE” of “THE DIVINE” that is in you is not a difficult task, and you will accomplish it without even be aware of it. Once you have managed to accomplish this task, it is then, that will start the bulk of the work that

you are called to accomplish in order to see the “LIGHT” of “THE DIVINE” at the end of your stay on EARTH.

As we have indicated already, the seed of “THE KNOWLEDGE OF THE DIVINE” will sprout and grow in “The ALTAR of ‘THE DIVINE’” in the “‘SPIRIT←LIGHT’ Body”, going after a period of germination through the four stages of growth which range from the “spiritual awakening” to the “adult spiritual age” passing through the “spiritual childhood” and the “spiritual adolescence”, and they will mark the stages of passage along the manifestation of the metaphor of the complete flow path of the “Generative Divine Particle” in “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”. As such, they are manifestations of the four quadrants which result from the projection of the Four points that define the movement of the “Generative Divine Particle” and in this arrangement — “HE WHO EXISTS”, “HE WHO IS ABOVE”, “HE WHO WILL EXIST”, “HE WHO ARRIVES” — and the pronunciation of the acronym of which is the same as the word “IHVH”, onto the complete flow path of the “Generative Divine Particle”. The “spiritual awakening” is associated with the first quadrant, the “spiritual childhood” is associated with the second quadrant, the “spiritual adolescence” is associated with the third quadrant, and the “adult spiritual age” is associated with the fourth quadrant. This flow path is defined by its fifty-two non-redundant “Divine Equilibrium Regions”:

- The “spiritual awakening” is associated with the manifestation of the metaphor of the beginning of the first of the fifty-two non-redundant “Divine Equilibrium Regions”.
- The seven manifestations of the metaphor of the following seven of the fifty-two non-redundant “Divine Equilibrium Regions” will define the “spiritual childhood”.
- The five manifestations of the metaphor of the following five of the remaining forty-five non-redundant “Divine Equilibrium Regions” will define the “spiritual adolescence” and mark the time of acquisition by “THE SEAT OF THE INTELLECT” of the voice of “The ALTAR of ‘THE DIVINE’” which is covered by the “Specific Energy ‘SPIRIT’ Substance”.
- The forty manifestations of the metaphor of the remaining forty non-redundant “Divine Equilibrium Regions” will mark the time at the end of which “THE SEAT OF THE INTELLECT” would have dispelled the mist of residuals from the interpretation of the elements of the “Realm of the ‘THOUGHTS’”, to mark the end of the manifestation of the

metaphor of the complete flow path of the “Generative Divine Particle” in “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, and thus the beginning of the “adult spiritual age”.

As we have previously indicated, the “Subjective ‘EARTHLY’ Garment” of the “‘SPIRIT←LIGHT’ Body” in the “PRINCIPAL” instance of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, when it was been produced into existence, it corresponded to that, which will acquire the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” when they approach the end of physical adolescence, and which will be about “eighteen” (18) years into existence.

At the creation of that “Subjective ‘EARTHLY’ Garment” of the “‘SPIRIT←LIGHT’ Body” in the “PRINCIPAL” instance of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, the “‘SPIRIT←LIGHT’ Body” which that “Subjective ‘EARTHLY’ Garments” had covered, was not yet at the threshold of the stage of the “spiritual awakening” and from the spiritual perspective, that “‘SPIRIT←LIGHT’ Body” was similar to a newborn that is perceived in the hours which come just after childbirth, and the measure of “WISDOM” in one such newborn is equal to zero.

The measure of time at which “THE SEAT OF THE INTELLECT” in the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model becomes aware of the voice of “THE SEAT OF WISDOM”, and will start to consciously function in conjoint with “THE SEAT OF WISDOM”, was established at the attainment of “twelve” (12) years reckoned on the “Calendar of the ‘NON DIVINE’” and after the “spiritual awakening” (these are cycles defined in “The ALTAR of ‘THE DIVINE’” in the “‘SPIRIT←LIGHT’ Body”, “The ALTAR of ‘THE DIVINE’” being associated with the metaphor of the “Generative Divine Particle” in “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”).

By normalizing on the original life expectancy, which had been established for the original “Subjective ‘EARTHLY’ Garment”, these “twelve” (12) years reckoned on the “Calendar of the ‘NON DIVINE’” and after the “spiritual awakening”, mark the beginning of the acquisition of “WISDOM”.

This awakening to the voice of “WISDOM” takes place at the earliest “twelve” (12) years reckoned on the “Calendar of the ‘NON DIVINE’” and after the “spiritual awakening” and at the latest “fourteen” (14) years reckoned on the “Calendar of the ‘NON DIVINE’” and after the “spiritual awakening” and marking the end of acquisition of “WISDOM” — “two” (02) years after the time marked for the beginning of the acquisition of “WISDOM”.

DEVELOPMENT STAGES OF THE PLANT OF “THE KNOWLEDGE OF THE DIVINE”

It is so that, this bulk of the work which you are called to accomplish in order see the “LIGHT” of “THE DIVINE” at the end of your stay on EARTH, will begin at earliest “twelve” (12) years reckoned on the “Calendar of the ‘NON DIVINE’” and after the “spiritual awakening”, and at the latest “fourteen” (14) years reckoned on the “Calendar of the ‘NON DIVINE’” and after the “spiritual awakening”.

Which will correspond to a “Subjective ‘EARTHLY’ Garment” that “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” have when they approach the physical age, the normalized lifetime into existence, that will be between “thirty” (30) years and “thirty-two” (32) years into existence in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain” in which you currently live.¹³¹³

It is roughly at this spiritual age that CHRIST had accomplished the project for which “THE DIVINE FORCE” had created him into existence in the attribute “NON DIVINE”.

In performing this bulk of the work, you will have to face all sorts of external tribulations present in the “Specific ‘SPIRITUAL’ Environment” external and immediate around your “‘SPIRIT←LIGHT’ Body”, because of the presence of all kinds of impure signals that are sent by this “Specific ‘SPIRITUAL’ Environment” external and immediate around your “‘SPIRIT←LIGHT’ Body”.

The purpose of the bulk of the work is to “... *keep watch at the gates of the “TABERNACLE” of “THE DIVINE” ...*”¹³¹⁴; that is, to maintain in (the proximity of) the “HOMOGENEITY”, the “PURITY” and the “HOLINESS”, the

¹³¹³ Do you remember the speed that marks the beginning of the mission of the blood through the “Subjective ‘EARTHLY’ Garment”?

¹³¹⁴ Remember the teachings (and explanations) that were given to you in the annotations section and including the calling card of “THE DIVINE WISDOM”, the eulogy of “THE DIVINE WISDOM”, the maxim of “THE DIVINE WISDOM”, and the parables.

“ ...

And now, my sons, listen to Me: Blessed are those who keep My ways!

Hear the instruction and be wise, and do not neglect it.

Blessed is the one who listens to Me, watching daily at My gates, waiting beside My doors.

For whoever finds Me, finds life and obtains the favour of IHVH, but he who sins against Me, injures his soul; all who hate Me, cherish death.

...”

“TABERNACLE” of “THE DIVINE”, during the “purification time” (also called the waiting time, and), which is equal to the “forty” (40) years after the time marked for the beginning of acquisition of “WISDOM”.

This will correspond to a “Subjective ‘EARTHLY’ Garment” that “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” have when they approach the physical age, the normalized lifetime into existence, that will be between “seventy” (70) years and “seventy-two” (72) years into existence in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain” in which you currently live; and which is the measure of time that was established to mark the start of the “adult spiritual age” in the growth of “THE KNOWLEDGE OF THE DIVINE” inside “The ALTAR of ‘THE DIVINE’” in the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

As we have explained already, the frequency of emission of the products of the works accomplished by the inverted cone-shaped red viscera organ, which is designated as the “heart” of the “Subjective ‘EARTHLY’ Garment”, in the equilibrium state that has been associated with it, has been expressed to the hundred-fold, resulting in 4200 beats per “transformation sub-step”, which corresponds to 70 beats per minute, in this “Subjective ‘EARTHLY’ Garment” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”. This normalized lifetime in existence, which corresponds to those “seventy” (70) years passed into existence in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain” is another expression of the frequency of emission of the products of the works accomplished by the inverted cone-shaped red viscera organ, in the equilibrium state which has been associated with it, this time applied to the growth “movement” of the “Subjective ‘EARTHLY’ Garment” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” and the expected state of equilibrium associated with that growth “movement”.

To “... keep watch at the gates of the “TABERNACLE” of “THE DIVINE” ...” is a full time job with no rest, at the risk of seeing the “intrusive suggestions”, the parasites, weeds, as well as all species unusable for anything whatsoever, return back settle and destroy all the work that you have accomplished so far and that you come to see that you built on quicksand and that your ruin is greater.

In fulfilling this task, you must condition yourself to always be in meditation “mode” at any time and focus your “attention” on “PURITY”, on “THE DIVINE”, IHVH, our FATHER and on “THE DIVINE FORCE” and no one else. Take your courage with both your two hands and do not let that courage fall under your feet, snap yourself out of the self-defeating situation in which you, as a

“‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, have been locked into, since the premeditated “murder” of the first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” from which you are a descendant. “Pep talk” and constantly encourage yourself by using the right uplifting words that are more accessible, more connected, and more easily activated in “THE SEAT OF THE INTELLECT” inside yourself, in order also to also keep a positive mindset and your inner joy regardless of the situation in which you find yourself.

In order to maintain the “TABERNACLE” of “THE DIVINE”, in (the proximity of) the “HOMOGENEITY”, the “PURITY” and the “HOLINESS”, one can choose to regularly perform a set of activities designed to:

- Focus and refine your “attention” on “PURITY”, on “THE DIVINE”, IHVH, our FATHER and on “THE DIVINE FORCE” and no one else;
- Keep you awake, out of the bed of oblivion of “THE KNOWLEDGE OF THE DIVINE”;
- Move “THE SEAT OF THE INTELLECT”, which is inside your “‘SPIRIT←LIGHT’ Body”, away from the status of a sounding brass and clanging cymbal, to a reflective and concentration status where each word and each of your “Interpreted THOUGHTS”, are examined and their profound meaning understood, found to be uplifting, and will have their worth and weight concerning yourself and your purpose into existence in this attribute “NON DIVINE”.

These sets of activities, organized and performed repeatedly over time, are referred to as: MEDITATION, in all its forms (including cults, prayers, hymns). It is not different from the sets of activities, which you perform in order to maintain your flowers garden, to preserve its aesthetics and durability, by: regularly working the soil to keep it fertile and rich in organic matter; removing weeds as soon as they appear; staying alert for parasites attack; keeping the soil moist by regular watering; watering the flower bulbs and onions at appropriate times of the day; etc. As a consequence of the distinction, which we have mentioned already in previous chapters, and which is creative and educational, it is so that to each flowers garden is associated its techniques and its tasks of maintenance to be performed so that the garden remains promising and splendid at all times. He, who has ears to hear, let him hear!

To keep a positive mindset and your inner joy regardless of the situation in which you find yourself, is not about standing in “IMPURITY” in “THE SEAT OF THE INTELLECT” inside yourself and expecting that somehow, the sun will always

shine above your head and you will always be happy and successful. It is rather about standing in “PURITY” in “THE SEAT OF THE INTELLECT” inside yourself and maintaining a positive framework for your “Interpreted THOUGHTS” by withdrawing yourself from irrelevant things in order to deal effectively with the most relevant ones that are related to the task to save what can still be saved of this “Second Phase” of “THE HOLY PROJECT”.

To keep a positive mindset and your inner joy regardless of the situation in which you find yourself, is about maintaining the “IMAGE” of “THE DIVINE”, IHVH, our FATHER and of “THE DIVINE FORCE”, that you have received at your creation into existence, regardless of the adversity surrounding you. Remember the seventh decree of the implementation of the “Second Phase” of “THE HOLY PROJECT”?

Knowledge of the “ins” and “outs” of “THE HOLY PROJECT”, as well as the rules and precepts that “THE DIVINE ARCHITECT AND PROJECT MASTER” has established and to which all creatures into existence inside the attribute “NON DIVINE” are subjected to and cannot evade (in the example of the Governing Law of the Behavior, the manifestation of “The Walk within the Acronym IHVH”), and the teachings of “THE DIVINE FORCE”, are of the essence of keeping a positive mindset and your inner joy.

Keeping a positive mindset and your inner joy regardless of the situation will come naturally after some practice, but first you have to give a little help to the wandering “SEAT OF THE INTELLECT” inside yourself, by consciously selecting those uplifting words to meditate about and to remain conscious of the Presence of “THE DIVINE FORCE” — “THE UNALTERABLE VOICE” that speaks from “The ALTAR of ‘THE DIVINE’” that is in you — alongside you and with whom you can communicate directly. Any right uplifting words will do well to refocus your “attention” on “PURITY”, on “THE DIVINE”, IHVH, our FATHER and on “THE DIVINE FORCE”. Such right uplifting words can also be found in songs, in proverbs, in parables, in inspiration texts, in prayers, etc..., which you are already familiar with.

Throughout the “purification time”, you are called upon to grow in “THE KNOWLEDGE OF THE DIVINE” to reach the beginning of the “adult spiritual age”.

Because of the presence of all kinds of filth and the mark of the “DEATH” that had been immersed in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain” and have multiplied beyond all proportion among the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, this

time which is defined by these “seventy” (70) years and “seventy-two” (72) years into existence in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, is also called the “redemption time” which was granted to the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”.

The “redemption time” is the time span of redeem, normalized on the original lifetime that was established for the original “Subjective ‘EARTHLY’ Garment”, from the perspective of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, that “THE DIVINE”, IHVH, our FATHER has established for the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”. It is the elapse of time at the end of which you must be found pristine of any impurity. In parables, it is spoken about the: “... 70 (to 72) *pristines granted to the believer who will enter the “PARADISE” ...*”. The road that leads to these 70 (to 72) pristines is defined by the Governing Law of the Behavior, the manifestation of “The Walk within the Acronym IHVH”.

As we have indicated already, particular “GENES” of the “‘SPIRIT←LIGHT’ Body” and particular “GENES” of the “Subjective ‘EARTHLY’ Garment” are nullified once every seven years to give way to new “GENES” of the “‘SPIRIT←LIGHT’ Body” and new “GENES” of the “Subjective ‘EARTHLY’ Garment”. Thus, at attainment of this “redemption time”, these “GENES” have been nullified ten times.

This time, at attainment of this “redemption time”, these “GENES” will not give way to new “GENES”, but they will consolidate and seal all the fixed character features — considered as innate, as independent of both biological determinations and the “Specific ‘SPIRITUAL’ Environment” external and immediate around your “‘SPIRIT←LIGHT’ Body” — which will forever define the creature associated with the “Subjective ‘EARTHLY’ Garment” considered: it will be the “Specific ‘SPIRIT←LIGHT’ Nature” (or simply, the “nature”) that has emerged of the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” considered.

This “Specific ‘SPIRIT←LIGHT’ Nature” (or simply, the “nature”) that has emerged of the “‘SPIRIT←LIGHT’ Body”, contains all the earthly truths that are in the “‘SPIRIT←LIGHT’ Body” and that define the personality of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” from the perspective of intellectual growth in “THE KNOWLEDGE OF THE DIVINE” and his affective and emotional growth in “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”.

This “Specific ‘SPIRIT←LIGHT’ Nature” (or simply, the “nature”) that has emerged of the “‘SPIRIT←LIGHT’ Body”, will also affix the future behavior of the

plant of “THE KNOWLEDGE OF THE DIVINE” which is in that “‘SPIRIT←LIGHT’ Body”.

If at the attainment of this “redemption time”, the plant of “THE KNOWLEDGE OF THE DIVINE” has produced nothing, then, eternally it will not produce anything, by itself, of “THE KNOWLEDGE OF THE DIVINE”. And in this case, the plant of “THE KNOWLEDGE OF THE DIVINE” will eternally remain in its acquired state to the attainment of this “redemption time”, and in the absence of “THE KNOWLEDGE OF THE DIVINE”, because “THE DIVINE FORCE” will not have taken place in the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” considered.¹³¹⁵

If on the other hand, at the attainment of this “redemption time”, the plant of “THE KNOWLEDGE OF THE DIVINE” has produced and is in the process of producing “fruits” as “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed and established it in the “‘SPIRIT←LIGHT’ Body”, then, this plant of “THE KNOWLEDGE OF THE DIVINE” will continue to produce such “fruits” eternally, because “THE DIVINE FORCE” who holds all “THE KNOWLEDGE OF THE DIVINE”, will have taken place in the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” considered.¹³¹⁶

¹³¹⁵ This was what had happen to the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” at the time of the accomplishment of the “First Phase” of “THE HOLY PROJECT”. They remained in the states of “spiritual childhood” for the vast majority and the “spiritual adolescence” for the older ones. This is why in parable the expression “... *children with eternal youth* ...” is used to referred to the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, although as we have explained already, the “Specific ‘CELESTIAL’ Garment” of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” has been endowed with a “perdurable youth” property through which, every “30 years” into existence inside the attribute “NON DIVINE”, the “Specific ‘CELESTIAL’ Garment” in its totality will automatically “rejuvenate” to its “juvenile specific conditions” of birth. The expression “... *children with eternal youth* ...” refers much more to the status of the plant of “THE KNOWLEDGE OF THE DIVINE” inside the “‘SPIRIT←SPIRIT’ Body” of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” and the “nature” and the distinctive features of the personality, which has emerged in the “‘SPIRIT←SPIRIT’ Body” of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, and it refers less to the “Specific ‘CELESTIAL’ Garment” that “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” wears.

¹³¹⁶ It is for the purpose to make such things understood that CHRIST said:

“... Whosoever drinks of the “WATER” that I shall give him shall never thirst, and the “WATER” that I give him will become in him a source of “WATER”, which will spring up till the eternal life. ...”

As we have indicated already, as “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed and established it in the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, while rising towards the “Specific Energy ‘CELESTIAL’ Domain”, this “‘SPIRIT←LIGHT’ Body” will undergo a “specific transformation”, covering itself with a new perdurable “Specific ‘SPIRITUAL’ Garment”, and “THE SOUL” — “The ALTAR of ‘THE DIVINE’” consolidated inside of this “‘SPIRIT←LIGHT’ Body” — will also transform, taking in passing all knowledge and many features that are stored in “THE SEAT OF THE INTELLECT” in the “Specific Energy ‘SPIRIT’ Substance” constituent of this “‘SPIRIT←LIGHT’ Body”, and in particular the “Specific ‘SPIRIT←LIGHT’ Nature” (or simply, the “nature”) that has emerged of the “‘SPIRIT←LIGHT’ Body”, to produce a new “‘SPIRIT←LIGHT’ ‘SPIRITUAL’ Creature”.¹³¹⁷

When a “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” has been found flawless and pristine of any impurity, then, such “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” has developed in itself “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” to the point that the “Realm of the Interpreted ‘THOUGHTS’” of this “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” will be already refined and will be on the threshold of the “Realm of the Optimal Interpreted ‘THOUGHTS’” and that is

“THE KNOWLEDGE OF THE DIVINE” is “THE WATER OF LIFE”, and “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” is “THE PERFUME OF LIFE”. Those who drink it, those who will anoint themselves with it are approved, because “THE DIVINE FORCE” who holds all “THE KNOWLEDGE OF THE DIVINE”, will have taken place in them.

¹³¹⁷ Remember the work performed by “THE DIVINE FORCE” in the accomplishment of the fifth decree and the sixth decree of the implementation of the “Second Phase” of “THE HOLY PROJECT”.

“THE DIVINE FORCE” has produced into existence all the living “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creatures”, each carrying in itself its own seed and as “THE DIVINE ARCHITECT AND PROJECT MASTER” had designed it; each “‘SPIRIT←SPIRIT’ Body” of a “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creature” as concrete “image” in characters of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” that is at the origin of the “Character” associated to this “‘SPIRIT←SPIRIT’ Body”; that is, as self-portrait of that “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”.

This new “‘SPIRIT←LIGHT’ ‘SPIRITUAL’ Creature” is the product of a similar transformation; but this time, it is what can be called a “self-transformation”, as “THE DIVINE ARCHITECT AND PROJECT MASTER” defined it: it is the transformation of “THE SOUL”.

associated to the portion of the “Realm of the ‘THOUGHTS’” which is delineated by the elements of “THE ‘SPIRIT→LIGHT’ REASON” and for the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model.

As we have already mentioned, inside the “Realm of the ‘THOUGHTS’”, these “THOUGHTS” are truly alive and “tangible” realities, that are defined by the elements of “THE ‘GOD’ REASON”, and it is also in these living realities and this “dimension” defined by the “Realm of the ‘THOUGHTS’”, that you will also find “THE DIVINE FORCE”, “PURE” and “HOLY”. SHE is found both inside and outside the “Realm of the ‘THOUGHTS’”.

Outside of the “Realm of the ‘THOUGHTS’”, it is first within the “Realm of the Optimal Interpreted ‘THOUGHTS’” that “THE DIVINE FORCE” “lets Herself be seen”, because every “Optimal Interpreted THOUGHT” — element of the “Realm of the Optimal Interpreted ‘THOUGHTS’” — is “PURE” and “HOLY”. And it is afterwards that SHE then, “lets Herself be seen” outside the “Realm of the Interpreted ‘THOUGHTS’”. “THE DIVINE FORCE” is not in the residuals of “Interpreted THOUGHTS” because those residuals are products of the absence of “THE KNOWLEDGE OF THE DIVINE”, and “THE DIVINE FORCE” is “THE KNOWLEDGE OF THE DIVINE”.

By consolidating their gains in “THE KNOWLEDGE OF THE DIVINE”, then, it will be said of the new “‘SPIRIT←LIGHT’ ‘SPIRITUAL’ Creatures” associated to the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” who have held their ground in (the proximity of) the “HOMOGENEITY”, the “PURITY” and the “HOLINESS”, during the “purification time”, and who will be flawless and pristine of any impurity at the beginning of the “adult spiritual age”, that they have entered in the “Realm of the ‘THOUGHTS’”; that is, that their “Realm of the Interpreted ‘THOUGHTS’” is the same as the “Realm of the Optimal Interpreted ‘THOUGHTS’”, and it will be said that they (the new “‘SPIRIT←LIGHT’ ‘SPIRITUAL’ Creatures”) have entered the “PARADISE”.

Let recall that the “Optimal Interpreted THOUGHT” is that, which results from the optimal functioning of “THE SEAT OF THE INTELLECT” and with an optimal degree of presence of “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” in the “Specific ‘SPIRITUAL’ Environment” external and immediate around the “Specific Energy ‘SPIRIT’ Substance” containing “THE SEAT OF THE INTELLECT”.

As we have forewarned already, do not confuse the “Realm of the ‘THOUGHTS’” (also called “PARADISE”) with the “Plane Above”, which is called “HEAVEN”.

It is in the “Plane Above” that products of the mould that represents the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model will be manifested into existence. Every “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” produced into existence in the “Plane Above”, will “THINK” through “THE SEAT OF THE INTELLECT” inside his own “‘SPIRIT←SPIRIT’ Body” and from the elements of “THE ‘SPIRIT’ REASON”.

Likewise, it is in the “Plane Below” that products of the mould that represents the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model will be manifested into existence. Every “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” produced into existence in the “Plane Below”, will “THINK” through “THE SEAT OF THE INTELLECT” inside his own “‘SPIRIT←LIGHT’ Body” and from the elements of “THE ‘SPIRIT→LIGHT’ REASON”.

Both the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” and the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” (as well as the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” who uses elements of “THE ‘LIGHT’ REASON”) will “THINK”; that is, “THE SEAT OF THE INTELLECT” in each of them, uses the “mathematical” function “To ‘THINK’” and of which the domain of definition is the “Realm of the ‘THOUGHTS’” (also called “PARADISE”).

To be able to understand these things easily, the combined group formed by the elements of “THE ‘SPIRIT’ REASON”, the elements of “THE ‘SPIRIT→LIGHT’ REASON”, and the elements of “THE ‘LIGHT’ REASON”, must be “completed” with the elements of “THE ‘GOD’ REASON”.

It is for the purpose to lead the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” to understand the existence of the new “‘SPIRIT←LIGHT’ Body” of the new “‘SPIRIT←LIGHT’ ‘SPIRITUAL’ Creature”, born of “THE SOUL”, and of whom it is said that it has entered the “PARADISE”, that it is said in parables that:

“ ...

In paradise, there is a brick of gold and a brick of silver; the cement that holds them is from musk, its gravel is pearls and rubies, its sand is saffron. Whoever enters it will taste the delights, without knowing the indigence, will remain eternal and will not die, his clothes will never decay; and he will remain forever young.

...”

This parable is said to bring you to discern and to lead you understand that, it is about the new “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’

Creatures” who would have held their ground in (the proximity of) the “HOMOGENEITY”, the “PURITY” and the “HOLINESS”, during the “purification time”, they will be flawless and pristine of any impurity.

What words, what concepts will you use, to explain what is unknown to you? You can only explain things that are unknown to you, only by making reference using words and concepts to the extent of your knowledge base on things that are familiar to you. So were your main internal constructs referred to as “*a brick of gold and a brick of silver*”, so that the one through whom was given the parable, could understand through discernment, the teaching that was given to him and in turn, so that he could explain those teachings to his fellow human creatures.

“... *a brick* ...” is the symbol of the element of construction and which is most often used by human creatures.

“... *a brick of gold* ...” refers to the “Specific Energy ‘LIGHT’ Substance” which is built from “Specific Atomic ‘LIGHT’ Substances”, and inside of which is “THE SEAT OF WISDOM” — “THE GARDEN OF WISDOM”.

“... *a brick of silver* ...” refers to the “Specific Energy ‘SPIRIT’ Substance” which is built from “Specific Atomic ‘SPIRIT’ Substances”, and inside of which is “THE SEAT OF THE INTELLECT” — “THE GARDEN OF THE INTELLECT”.

“... *the cement that holds them is from musk* ...” refers to the “Specific Atomic ‘SPIRITUAL’ Substances” that “THE DIVINE FORCE” created and used to hold together all of the components of the “‘SPIRIT←LIGHT’ Body”.

“... *its gravel is pearls and rubies, its sand is saffron* ...” is said to bring you to discern and to lead you understand that, it is about the different forms of the “Specific Atomic ‘SPIRITUAL’ Substances”.

“... *his clothes will never decay* ...” refers to the new perdurable “Specific ‘SPIRITUAL’ Garment” of the new “‘SPIRIT←LIGHT’ Body”. This perdurable “Specific ‘SPIRITUAL’ Garment” does not decay as the “Subjective ‘EARTHLY’ Garment” (your human body) that you are currently wearing and which bears all your suffering, your diseases and humiliations.

The “redemption time”, normalized on the original lifetime that was established for the original “Subjective ‘EARTHLY’ Garment”, from the perspective of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, defines also a “Marking Point” for entrance in the “PARADISE”. The beginning of the “purification time” (also called the waiting time, and which is equal to the “forty” (40) years after the time marked for the beginning of acquisition of “WISDOM”, and which precedes the

“redemption time”, is also a “Marking Point” for entrance in the “PARADISE”; it is the first “Marking Point”. This is why it is said of the distance between these two “Marking Points” — from the start of the “purification time” until the “redemption time” — for entrance in the “PARADISE”, that:

“ ...

Forty (40) years of walking separate the two shutters of the gates of Paradise.

...”

It is for the purpose to lead “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” to understand such things, that it has been reported in the scriptures that humanity has that: the project of the “FLOOD” lasted forty (40) days; Elijah walked for forty (40) days (day and night) until he reached the mountain of God; CHRIST spent forty (40) days (day and night) in the desert, etc...

For the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” who would have held their ground in (the proximity of) the “HOMOGENEITY”, the “PURITY” and the “HOLINESS”, during the “purification time”, they will be flawless and pristine of any impurity. By consolidating their gains in “THE KNOWLEDGE OF THE DIVINE”, those “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” will access eternity once they have left the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, and will be sent to the “Plane Above” (for now, as refugees of the ongoing “CELESTIAL WAR”, and waiting for “THE HOLY WORK” to resume its course once this “CELESTIAL WAR” will come to its end with the erasure from existence of one of the two warring parties, and that the others “Specific Energy ‘EARTHLY’ Habitation Domains” whose work had been unfinished, be completed, restored and made livable for the flawless and pristine of any impurity; for, just as the “Plane Below” was not created to house the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, likewise, the “Plane Above” was not created to house the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”).

It is for the purpose to lead “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” to understand this, that it has been said in parables that:

“ ...

As for those who are righteous, they shall be in gardens in full delight, enjoying the benefits of their GOD. They shall be provided with all the fruits and all the meat they want, and they shall pass

therein, from one to another, a cup wherein there shall be nothing vain nor turpitude, while the ephebes, as beautiful as pearls in their setting, will circulate around them to serve them.

...

And there, will circulate around them, children with eternal youth; when you see them, you will think these are scrolled pearls.

...”

We add here additional explanations to the symbolic terminology, which has been used in this parable, in order to enhance your understanding of it.

The expression “...*They shall be provided with all the fruits and all the meat they want...*” has been said to make you understand that the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” who would have held their ground in (the proximity of) the “HOMOGENEITY”, the “PURITY” and the “HOLINESS”, during the “purification time”, they will be flawless and pristine of any impurity, will be provided with all forms of “THE KNOWLEDGE OF THE DIVINE”: it is of “THE KNOWLEDGE OF THE DIVINE” that one feeds.

“... *the ephebes, as beautiful as pearls in their setting* ...” refers to those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, having the “MALE” adjective, and that “THE DIVINE”, IHVH, our FATHER has maintained in the “Specific Energy ‘CELESTIAL’ Domain”; particularly, those amongst them who will survive the retribution to the consequences of that “BETRAYAL” that they have perpetrated, all of them, against “THE DIVINE”, IHVH, our FATHER, and all their iniquities.

As we have explained already, when the “Second Phase” of “THE HOLY PROJECT” was announced to these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, the “ADONA’IM” had reached an advanced stage of the “spiritual childhood” and entered in the “spiritual adolescence” stage. Furthermore, their “nature” and the distinctive features of their personalities were sealed in them, in the days following that announcement of the “Second Phase” of “THE HOLY PROJECT”, and they will remain as such forever: hence, the designation of “children with eternal youth” also attributed to these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’

Creatures”. That is why the substantive “*ephebe*” was used in this parable, to lead to understand that, it refers to those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”.

“... *will circulate around them to serve them* ...” is said to bring you to understand that those “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” will proceed with the “specific spiritual formation” of “THE CHURCH”, formed from their “‘SPIRIT←LIGHT’ Body”, in the quality of a living reproduction (replication) of “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” —, and with the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” around them, as “THE DIVINE ARCHITECT AND PROJECT MASTER” had designed long before that the attribute “NON DIVINE” was created.

With the announcement of the “Second Phase” of “THE HOLY PROJECT”, those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” understood that they were called into existence to “serve” their neighbour, to “be in the service of their neighbour”, to receive instructions and accomplish them, to be of great importance to their neighbour, and they decided to overturn and change the roles, arguing that “THE DIVINE”, IHVH, our FATHER had made a mistake and claiming that they had outgrown “THE DIVINE”, IHVH, our FATHER, in intelligence and in wisdom. That is why their “public figure” of the “ADONA’IM” closed circle, had spoken openly and aloud, what all the others “ADONA’IM” hid in them and have been quietly thinking, saying:

“...

Shall I tell you what I know? These “humans” that He proposes to create — we are to be their servants!

I have learned the Elohim’s purpose for these angels of water and dirt. It is they, and not we, He proposes to make the heirs of all that is.

I for one will never bow to serve a physical being!

...”

Once “THE DIVINE ARCHITECT AND PROJECT MASTER” has designed and established something, such as the “specific spiritual formation” of “THE CHURCH”, formed from the “‘SPIRIT←LIGHT’ Body”, in the quality of a living reproduction (replication) of “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” —, and with the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” around it, and that “THE DIVINE”, IHVH, our FATHER has decreed its implementation, so it will be ultimately implemented and no one can overturn it (foolish creatures can try to sabotage its

implementation, but ultimately, it will be implemented): "... *the ephebes will circulate around the righteous to serve them ...*"

"...And there, will circulate around them, children with eternal youth; when you see them, you will think these are scrolled pearls..."

This is said to bring you to discern and to lead you understand that, it is about the heavens and the "'SPIRIT←SPIRIT' 'CELESTIAL' Creatures" — which are symbolically the "... children with eternal youth ..." — that "THE DIVINE", IHVH, our FATHER has maintained in the "Specific Energy 'CELESTIAL' Domain", and who will be around the "'SPIRIT←LIGHT' 'EARTHLY' Creatures" that would have held their ground in (the proximity of) the "HOMOGENEITY", the "PURITY" and the "HOLINESS", during the "purification time", they will be flawless and pristine of any impurity, at the time that is defined by these "seventy" (70) years and "seventy-two" (72) years into existence in the "Specific Energy 'EARTHLY' Substance".

***** Extended explanations of the parable,

Such a "'SPIRIT←LIGHT' 'EARTHLY' Creature" that has been found flawless and pristine of any impurity, will be a source of "THE KNOWLEDGE OF THE DIVINE" and in parables, it is said of such "'SPIRIT←LIGHT' 'EARTHLY' Creature" that it is:

"...

A stream whose water will be incorruptible; a stream of milk, of which the taste will not change, and a stream of wine, delight to those who drink; and a stream of limpid honey.¹³¹⁸

..."

"THE DIVINE FORCE" is always present, in all Her forms, inside the "Realm of the 'THOUGHTS'", and this is for the purpose to lead to understand that, the "Realm of the Interpreted 'THOUGHTS'" of this "'SPIRIT←LIGHT' 'EARTHLY' "

¹³¹⁸ Water, milk, etc... are the symbols of life for human creatures, and honey is the symbol of purification. These are the symbols used in parables to express the manifestations of "THE KNOWLEDGE OF THE DIVINE" and their necessary condition of "PURITY".

Creature” who would be found flawless and pristine of any impurity, will be already refined and will be on the threshold of the “Realm of the Optimal Interpreted ‘THOUGHTS’” and that is associated to the portion of the “Realm of the ‘THOUGHTS’” which is delineated by the elements of “THE ‘SPIRIT→LIGHT’ REASON” and for the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, that it has been said in parables that:

“...

In Paradise, the believer will have a tent in the form of a hollow pearl the length thereof being sixty miles (in heaven) (and the width will be sixty miles), he will have companions that he will attend without that one of them knows of the existence of the others.

...”

In this parable, the expression “... *the believer* ...” refers to any “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” who would have held his ground in (the proximity of) the “HOMOGENEITY”, the “PURITY” and the “HOLINESS”, during the “purification time”, will be found flawless and pristine of any impurity at the time which is defined by these “seventy” (70) years and “seventy-two” (72) years into existence in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, and will have afterwards consolidated his gains in “THE KNOWLEDGE OF THE DIVINE”. By standing in “PURITY” and holding ground in “PURITY”, during the “purification time”, any such “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” has thereby demonstrated his acceptance, by act of his own volition, of “PURITY” as “truth by adhesion to the attributes and values” of “THE DIVINE”, IHVH, our FATHER, who has remained “invisible” to him. Anyone who stands in “IMPURITY” will beget the progeny of “IMPURITY” in all its forms, and is NOT designated as a “believer”, as such person, by act of his own volition, does not adhere to the attributes and values of “THE DIVINE”, IHVH, our FATHER.¹³¹⁹

“... *the believer* will have a tent in the form of a hollow pearl the length thereof being sixty miles (in heaven) (and the width will be sixty miles) ...” has been said to lead you to understand that “... *the believer* ...” who will be a new “‘SPIRIT←LIGHT’ ‘SPIRITUAL’ Creature”, born of “THE SOUL”, will have a new

¹³¹⁹ Thus, if anyone shows up in front of you and claims to be a “believer”, all that you need to do is to observe attentively, through his own actions and undertakings, where his feet are standing, to know the truth value of such person.

“‘SPIRIT←LIGHT’ Body” which will be dressed in a new “Specific Energy ‘SPIRITUAL’ Envelope” (this is the reference to the “... tent ...”), that is, the new perdurable “Specific ‘SPIRITUAL’ Garment” of the new “‘SPIRIT←LIGHT’ Body” of “... the believer ...”).

“... he will have companions that he will attend without that one of them knows of the existence of the others ...” has been said to lead you to understand that “... the believer ...” will then, grow in “THE KNOWLEDGE OF THE DIVINE”, and will be educated by “THE DIVINE FORCE” (recall that SHE has the “FEMALE” adjective and SHE is the one who will be their companion) through all Her forms that are all different one from another (in parables: “... without that one of them knows of the existence of the others ...”).

“THE DIVINE FORCE” is always present, in all Her forms, inside the “Realm of the ‘THOUGHTS’”, and it is for the purpose to lead to understand this, that it has been said in parables that:

“... ”

In Paradise there is a tree at the summit of which will spring forth clothes, from its base will spring forth gold horses sealed with rubies and jewels. They do not eject manure or urine; they have wings of unlimited dimensions. The inhabitants of Paradise will straddle them and carry them wherever they desire.

“... ”

In this parable, the expression “...In Paradise there is a tree at the summit of which will spring forth clothes...” was said to lead you to understand that, it is “THE DIVINE FORCE” who created the perdurable “Specific ‘SPIRITUAL’ Garment” of the new “‘SPIRIT←LIGHT’ Body” of “... the believer ...”; Every “... believer ...” will have his own.

“... from its base will spring forth gold horses sealed with rubies and jewels ...” refers to the tasks that “THE DIVINE FORCE” will assign to “... believer ...” throughout places where SHE will send them and so that they increase their achievements, their wealth, which is “THE KNOWLEDGE OF THE DIVINE”. For human creatures, “... rubies and jewels ...” are symbols of wealth; and the true wealth is “THE KNOWLEDGE OF THE DIVINE”. Thus, “... rubies and jewels ...” represent “THE KNOWLEDGE OF THE DIVINE” in all its forms; they are expressions of the “divine realities”, which are the invisible treasure, the “LIGHT” that is hidden in the “LIGHT”, and that “THE DIVINE FORCE” has embedded into the rational activities, the tasks, which SHE will assign to them. “...the horse

with wings ...” is the symbol of the authority (that is, the capacity to realize several tasks simultaneously) and the stability of displacement both on the earth and in the air.

“... *They do not eject manure or urine ...*” was said to bring you to discern and to lead you to understand that, it is not about the “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creatures” of the fauna. It is about the “Realm of the Optimal Interpreted ‘THOUGHTS’” and “THE KNOWLEDGE OF THE DIVINE”, there are no remnants produced in the “Realm of the Optimal Interpreted ‘THOUGHTS’” and there are no remnants in “THE KNOWLEDGE OF THE DIVINE” given by “THE DIVINE FORCE”.

“... *they have wings of unlimited dimensions ...*” was said to bring you to discern and to lead you to understand that the authority of “THE DIVINE FORCE” both on the earth and in the air is unlimited.

“THE DIVINE FORCE” is always present, in all Her forms, inside the “Realm of the ‘THOUGHTS’”, which is truly a universe, a true “tangible” reality, “PURE” and “HOLY”, which is defined by the elements of “THE ‘GOD’ REASON” in the “NON DIVINE”; and it is for the purpose to lead to understand this, that it has been said in parables that:

“... ”

In Paradise there shall be very nice and beautiful companions, pristines with invisible big eyes, withdrawn in their tents and never human creature or celestial creature has made them impure.

“... ”

We add here additional explanations to the symbolic terminology, which has been used in this parable, in order to enhance your understanding of it.

***** Zoom in,
extended explanations of the parable *****

In this parable, the expression “... *there shall be very nice and beautiful companions ...*” has been said to make you understand that “... *the believer ...*” will then, grow in “THE KNOWLEDGE OF THE DIVINE”, and will be educated by “THE DIVINE FORCE” (recall that SHE has the “FEMALE” adjective and SHE is

the one who will be their companion) through all Her forms that are all different one from another.

“... *pristines with invisible big eyes, withdrawn in their tents* ...” refers to “THE DIVINE FORCE” (recall that SHE has the “FEMALE” adjective and SHE is the one who will be their companion) through all Her forms that are all different one from another.

“THE DIVINE FORCE” is “PURITY”, all Her aspects are “PURES” and “HOLY”; In Her “SUPREME PLENITUDE”, “THE DIVINE FORCE” is always at the maximum of Her particulars, SHE has all Her intensity, Her density, Her “DIVINE WEALTH”, SHE is by Herself the “Realm of the ‘THOUGHTS’” — Her “THOUGHTS” are “THE TRUTH” and are not interpreted at all like it is the case with the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and with the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”; there are no residuals in Her “THOUGHTS”, and it is for the purpose to make understand such things that it is said of Her that SHE is “... *pristine* ...” of any impurity and it is the same with all Her forms: they are “... *pristines* ...” of any impurity.

“THE DIVINE FORCE” sees everything, nothing escape Her sight, “THE EYE OF THE DIVINE”, and it is for this that one speaks about the “...*invisible big eyes* ...”. It is in the new “‘SPIRIT←LIGHT’ Body” of “... *the believer* ...” that “THE DIVINE FORCE” is present and this new “‘SPIRIT←LIGHT’ Body” is dressed by the perdurable “Specific ‘SPIRITUAL’ Garment” (it is the “... *tent* ...”) for the “‘SPIRIT←LIGHT’ Body”.

“... *never human creature or celestial creature has made them impure* ...” is said to make understand that “PURITY” of “THE DIVINE FORCE” is not an intentionality that has its origin in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” or in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” (and not even in the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creatures”); SHE is not a fabrication of these latters and SHE is incorruptible.

“THE DIVINE FORCE” HAS NEVER TAKEN IN HER, SHE HAS NEVER ADOPTED IN HER, what has emerged from a creature, be it a “*human creature or celestial creature*” that SHE has, only and always on instructions of “THE DIVINE”, IHVH, our FATHER, Herself produced into existence in the attribute “NON DIVINE”. “THE DIVINE FORCE” is by Herself Her own possession. “THE DIVINE FORCE” is by Herself, the five “INDISTINCT DIVINE FORMS” taken together in an indivisible and representing the five “EONS” that “THE DIVINE”, IHVH, our FATHER chose to share with the attribute “NON DIVINE” and that HE made “PERFECT” by adding an intellect.

***** Extended explanations of the parable,

Zoom out *****

“‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”! Work to grow in you the elements of “THE ‘SPIRIT’ REASON”, through all the messages and instructions that “THE DIVINE”, IHVH, our FATHER will send you, in order to be able to easily discern such parables.

As we have previously stated: on the one side, outside the heavy “Veil”, you will place a table for “fruits”. On the opposite side to the table for “fruits”, outside the heavy “Veil”, you will place a table (a cabinet) to keep all messages and instructions as “THE DIVINE”, IHVH, our FATHER will send you.

All these messages, all these instructions, must be used for the education of the youngest among you; because the more quickly and earlier they will begin to work on the task of restoring the “TABERNACLE” of “THE DIVINE” that is in them, the sooner they will have the knowledge and all the necessary tools to allow them to get flawless and pristine of any impurity at the beginning of the “adult spiritual age” which is defined by these “seventy” (70) years and “seventy-two” (72) years into existence in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”.

Do not forget that it is “THE DIVINE FORCE” who gauge the “‘SPIRIT←LIGHT’ Body” of every the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” (it is the same of the “‘LIGHT←LIGHT’ Body” of every the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature”); SHE is Herself the science that is hidden and is located behind any energy substance that SHE has manifested into existence in the attribute “NON DIVINE”. All what is in the attribute “NON DIVINE” is energy substance, be it the living creatures (archangels, angels, human creatures, etc.) or creatures that appear to be inanimate (soil, water, stars, etc...).

For the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” who would have failed to stand their ground in (the proximity of) the “HOMOGENEITY”, the “PURITY” and the “HOLINESS”, or who would have traded the righteous path for the bewilderment throughout the “purification time”, they will be covered with impurities at the time which is defined by these “seventy” (70) years and “seventy-two” (72) years into existence in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”.

For these “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” who will have turned away from “THE KNOWLEDGE OF THE DIVINE”, either because they have sided with those who have been pulled out of the destruction in the “Specific Energy ‘CELESTIAL’ Domain” and immersed in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain” in which you live in, or because they failed to stand up against the woes of this earthly world, their case will be a heavy one when they will leave this first “Specific Energy ‘EARTHLY’ Habitation Domain”.

To maintain in (the proximity of) the “HOMOGENEITY”, the “PURITY” and the “HOLINESS”, the “TABERNACLE” of “THE DIVINE”, during the “purification time”, is the bulk of the work because from the perspective of the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” is an “INDISTINCT FORM” OF THE “SPECIFIC ENERGY ‘EARTHLY’ SUBSTANCE”; that is, as integral and delineated part of the “Specific Energy ‘EARTHLY’ Substance” in the attribute “NON DIVINE”: that is, a cohesive subset and carved in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”.

This “Specific Energy ‘EARTHLY’ Substance” is plunged in the state of total “CHAOS”, contrary to the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”; as a result of immersion in the “Specific Energy ‘EARTHLY’ Substance” of those elders of the creation who were in the state of “CHAOS”, contrary to the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”.

It is so that, this state of total “CHAOS”, contrary to the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”, will continuously affect the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, during the “purification time”, and in order to annihilate the presence of “THE KNOWLEDGE OF THE DIVINE” in the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

On the other hand, added to this state of “CHAOS” of the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, contrary to the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”, all sorts of external tribulations present in the “Specific ‘SPIRITUAL’ Environment” external and immediate around your “‘SPIRIT←LIGHT’ Body” will be produced both by some of the elders of the creation living in the “Specific Energy ‘CELESTIAL’ Domain” and by those who

were pulled out of the destruction in the “Specific Energy ‘CELESTIAL’ Domain” and immersed in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain” in which you live, as well as by your fellow “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” with which you live.

It is for the purpose to lead “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” (namely the human creatures) to understand such things that CHRIST had given them the parable of the Sower, by saying (Matthew 13:4-8):

“ ...

A sower went out to sow. As he sowed, some seeds fell along the path: birds came and devoured them.

Other seeds fell on rocky ground, where they did not have much soil: immediately they sprang up, since they had no depth of soil; but when the sun rose they were scorched, since they had no root, they withered away.

Other seeds fell among thorns, and the thorns grew up and choked them.

Other seeds fell on good soil and produced grain, some a hundredfold, some sixty, some thirty.

...”

Having maintained the “TABERNACLE” of “THE DIVINE” in (the proximity of) the “HOMOGENEITY”, the “PURITY” and the “HOLINESS”, during the “purification time” until the “redemption time”, then, your “‘SPIRIT←LIGHT’ Body” will be consolidated in the unique expression of “THE UNION”.

The only tool and the unique material that will allow you to accomplish this task is “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”. For the one who knows how to use it, this material has all the qualities and virtues imaginable: it is light as a feather, it is still softer than cotton, and it is harder than a rock.

If you have maintained the “TABERNACLE” of “THE DIVINE” in (the proximity of) the “HOMOGENEITY”, the “PURITY” and the “HOLINESS”, and that the unique expression of “THE UNION” that is represented by your “‘SPIRIT←LIGHT’ Body” is irreproachable in front of “THE DIVINE”, IHVH, our FATHER at the time of departure of your “‘SPIRIT←LIGHT’ Body” of this earthly world, that is, at the time of the “First Death”, then, your “‘SPIRIT←LIGHT’ Body” will go directly towards the “Specific Energy ‘CELESTIAL’ Domain” and

continue, in the “specific spiritual formation” of “THE CHURCH” formed from your new “SPIRIT←LIGHT” Body” which will be born from your “SOUL”, the work that will be assigned to you at any specific place in the attribute “NON DIVINE” with other “STARS” and that “THE DIVINE”, IHVH, our FATHER has reserved for such purpose, and awaiting the appointed DAY that has appeared on the horizon.¹³²⁰

They can be counted on the fingers of the hand, the “SPIRIT←LIGHT” ‘EARTHLY’ Creatures” living in the first “Specific Energy ‘EARTHLY’ Habitation Domain” in which you live, and whose “SPIRIT←LIGHT” Body” are in (the proximity of) the “HOMOGENEITY”, the “PURITY” and the “HOLINESS”, at the present time when these revelations are written.¹³²¹

If otherwise the “First Death” surprises you during this bulk work of maintaining in (the proximity of) the “HOMOGENEITY”, the “PURITY” and the “HOLINESS”, the unique expression of “THE UNION” that is represented by your “SPIRIT←LIGHT” Body”, then, your “SPIRIT←LIGHT” Body” will be placed in the “Specific Energy ‘EARTHLY’ Habitation Domain” that is associated with the “LIGHT”¹³²², it is one of those “Specific Energy ‘EARTHLY’ Habitation Domains”

¹³²⁰ It is for the purpose to lead “SPIRIT←LIGHT” ‘EARTHLY’ Creatures” to understand this, that it has been said in parables that:

“ ...

As for those who are righteous, they shall be in gardens in full delight, enjoying the benefits of their GOD. They shall be provided with all the fruits and all the meat they want, and they shall pass therein, from one to another, a cup wherein there shall be nothing vain nor turpitude, while the ephebes, as beautiful as pearls in their setting, will circulate around them to serve them.

...

And there, will circulate around them, children with eternal youth; when you see them, you will think these are scrolled pearls.

...”

¹³²² It is the classification of the “light that is on the water” which is mentioned in the annotation on the unfinished work of the “Second Phase” of “THE HOLY PROJECT”.

which were to serve as dwelling places for the creatures of “THE DIVINE”, IHVH, our FATHER.

Therefore your “‘SPIRIT←LIGHT’ Body” will spend the time remaining to reach the total redemption span which is marked for your “‘SPIRIT←LIGHT’ Body”, in that “Specific Energy ‘EARTHLY’ Domain” which is associated with the “LIGHT”.

Once a “‘SPIRIT←LIGHT’ Body” has accomplished the “purification time” (which is equal to the “forty years” (40) preceding the marking of the redemption time) and during which it grew in “THE KNOWLEDGE OF THE DIVINE” and reached the “redemption time” (which is currently seventy years from the perspective of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”) which is marked to it, in the “Specific Energy ‘EARTHLY’ Habitation Domain” that is associated with the “LIGHT”, then, that “‘SPIRIT←LIGHT’ Body” will be sent in one of these six other more or less large planes at the level of the “HEAVEN”.

Those who have rejected the task to build or to restore (the proximity of) the “HOMOGENEITY”, the “PURITY” and the “HOLINESS” of this unique expression of “THE UNION” that is represented by their “‘SPIRIT←LIGHT’ Body”, will see their “‘SPIRIT←LIGHT’ Body” transferred according to the degree of damage that they will carry in them (that is, according to the measure of their sins) to others “Specific Energy ‘EARTHLY’ Habitation Domains” other than that “Specific Energy ‘EARTHLY’ Habitation Domain” which is associated with the “LIGHT” and which were to serve as dwelling place for creatures of “THE DIVINE”, IHVH, our FATHER.

It is so that, those who will have rejected the task to build or to restore (the proximity of) the “HOMOGENEITY”, the “PURITY” and the “HOLINESS” of this unique expression of “THE UNION” that is represented by their “‘SPIRIT←LIGHT’ Body”, will be placed in waiting for the “Second Death”.

It is very important that you (reading these writings) understand the aspects and qualities of a “‘SPIRIT←LIGHT’ Body” intellect, at (the proximity to) the “HOMOGENEITY”, the “PURITY” and the “HOLINESS”, as “THE DIVINE ARCHITECT AND PROJECT MASTER” designed it, and that you wake up from your sleep on the bed of oblivion of “THE KNOWLEDGE OF THE DIVINE”.

You who are asleep as dead on the bed of neglect of “THE KNOWLEDGE OF THE DIVINE”, billions of years have passed and the DAY of the end of this first “Specific Energy ‘EARTHLY’ Habitation Domain” as you see it, has appeared on the horizon.

Since the “last boat that came down from the heavens” berthed, not a single breath of purity came on board to reach the Court of Holiness and Justice.

The “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, towards which this “last boat that came down from the heavens” was sent, are still plunged in the ocean of incredulity and their lips always profess the works of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”.

That which “THE DIVINE”, IHVH, our FATHER abhor, the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” like and, of the enemy of “THE DIVINE”, the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” have made a friend.¹³²³

Despite this, pleased with themselves, the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” do not realize that the “Specific Energy ‘EARTHLY’ Substance” from which they were carved into existence, is tired of the state of “CHAOS” in which it is and all what it contains slips away from them.

YES! HURRY UP TO GET OUT OF YOUR GRAVES. HOW LONG WILL YOU STAY STILL ASLEEP IN THE OBLIVION OF “THE KNOWLEDGE OF THE DIVINE”? WAKE UP FROM YOUR SLEEP! WAKE UP AND UNDERSTAND WHO YOU ARE, AND THEN WALK ON THE PATH OF “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”, IT IS A TEMPORAL PATH, WALK IN THE PATHS OF GOODNESS AND GRACE.

NEVER FOLLOW THE PATHS OF THE “HUBRIS” IN ALL ITS FORMS. RUN AWAY FROM THEM! KEEP AWAY, BECAUSE SURELY YOU WILL PERISH!

Choose rather “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”, make of it your treasure and cherish it more than your life; because the flame of “The ALTAR of ‘THE DIVINE’” inside your “‘SPIRIT←LIGHT’ Body” was lit by the authority of “THE DIVINE”. Walk on the path of “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” and of “THE KNOWLEDGE OF THE DIVINE” — it is a path that extends in time, do not forget! — and you will be worthy to be “CHILDREN” of “THE DIVINE”, IHVH, our FATHER.

¹³²³ By this, you must understand by discernment that: in the absence of “THE KNOWLEDGE OF THE DIVINE”, in the ignorance, in all that is adverse to “THE DIVINE”, IHVH, our FATHER, you have placed your affection and your attachment.

Keep the memory of these writings at every moment of your life, never let them fade from your “Interpreted THOUGHTS”. Sow them in your “‘SPIRIT←LIGHT’ Body” and water them with the water of certitude, so that the “flowers” of plant of “THE KNOWLEDGE OF THE DIVINE” can grow green and fresh, in “The ALTAR of ‘THE DIVINE’” inside your “‘SPIRIT←LIGHT’ Body”.

Today, the entirety of the “Specific Energy ‘EARTHLY’ Substance” (including indistinct forms which have been carved in it) constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain” is groaning under the weight of all the filth that it has supported and which all ensues flow from the “HUBRIS” in all its forms; and this first “Specific Energy ‘EARTHLY’ Habitation Domain” is loaded with tears.

But blessed be “THE DIVINE”, IHVH, our FATHER, the remedy is within your grasp. That remedy is: “THE KNOWLEDGE OF THE DIVINE”.

These details on the importance of the aspects and particulars of a “‘SPIRIT←LIGHT’ Body” intellect, pure and holy, of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, as “THE DIVINE ARCHITECT AND PROJECT MASTER” designed it, are revealed to you so that you can examine by yourself the status of your “‘SPIRIT←LIGHT’ Body”, see the scope of the work that you must provide to remain in purity, and so that you can yourself take the necessary measures to be impeccable at the time of redemption.

The teaching contained in this “BOOK OF FORMATION” is the same as “THE DIVINE”, IHVH, our FATHER, through “THE DIVINE FORCE” had given to CHRIST to fulfill the “PROJECT OF REDEMPTION” and that CHRIST was transmitting in parables to his disciples and to human creatures.

It is by exercising that one becomes skillful, and it is only by the continuous application of this teaching that the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” will accomplish the task to build or to restore the “TABERNACLE” of “THE DIVINE” in (the proximity of) the “HOMOGENEITY”, the “PURITY” and the “HOLINESS”.

EXAMPLES OF INSPIRATION WORDS TO MEDITATE ABOUT

Here are three examples of inspirational words, adapted from the writings of the human who was designated as Mirza Husayn, and which you can use to pull yourself together, to focus, to rally your troupes, in your ongoing combat against the “King of the SOUTH” (including his princes and disciples), and as you will stand your ground in “PURITY”, the prerequisite for your victory.

Always remember that you are not an ambassador who has been sent to the kingdom of the “King of the SOUTH”. Just as the “SONS OF LIGHT” have been tasked to sustain the COMBAT against the “King of the SOUTH” (including his princes and disciples), who is the adversary of the “King of the NORTH”, you have the same task.

Strive to be: an adornment for the face of truth, a crown on the forehead of fidelity, a pillar of the temple of righteousness, a breath of life for the body of humanity, a flag of justice, a torch that shines on the horizon of virtue, a dew for the dry soil of the human heart, an ark on the ocean of “THE KNOWLEDGE OF THE DIVINE”, a sun in the sky of goodness, a gem with the diadem of “WISDOM”, a shining light in the firmament of your generation, a fruit of the tree of humility, a lamp for those who walk in darkness. May “PURITY” mark all your deeds.

Example 1

1 Be praised, O DIVINE, my FATHER, for that you have awakened me to the splendours of the light of your knowledge.

2 No one other than you has ever been able to properly celebrate your Praise, and no creature, born into existence inside this attribute “NON DIVINE”, will ever be able to give the measure of your glory.

3 From your laws emerges the sweet scent of your garment, and by them will be planted on the highest peaks, your banners of victory against the “King of the SOUTH” (including his princes and disciples).

4 From the heights of your omnipotent glory, the language of your power addresses to your creation these words: “My son, do not

forget my teaching, but let your heart keep my tenets for the sake of my beauty.”

5 Also, as I walk in your path’s acronym, and stand my ground in “PURITY”, my only purpose and hope are that, by the spread of your perfumes on me, my soul may always exclaims: “Let the GLORY be eternally with you, O FATHER!”

Example 2

ה
ס
פ
ר

1 Be Magnified, O DIVINE, FATHER of the WHOLE! You are “THE DIVINE”, the very source of my existence.

2 You have knowledge of all things inside this attribute “NON DIVINE” and you are not known to any. You wanted to make yourself known to this attribute “NON DIVINE” and all that it contains; that is why, with a word out of your mouth, “THE DIVINE FORCE”, you brought this Earthly World into existence and shaped it.

3 In front of “THE DIVINE FORCE” in whom you have placed your wisdom, the wise is taken aback and is at fault; in front of “THE DIVINE FORCE” in whom you have placed the knowledge of yourself, the scholar confesses his ignorance.

4 In front of your power, the strong becomes weak and inexistent; in the face of the abundance of your goods, the rich one affirms his poverty; in front of your light, the enlightened one finds himself lost in the darkness;

5 Towards “THE DIVINE FORCE”, the tabernacle of your knowledge, turns the essence of all understanding, and around the sanctuary of “THE DIVINE FORCE”, your presence, gravitate the souls of all humanity.

6 How could I mention and celebrate your Essence, which could not be grasped by the wisdom of the wise or the science of the scholar, since no one can celebrate what he does not understand or describe what is beyond him, when, from all eternity You have been the Unattainable, the Inscrutable?

7 However, as helpless as I may be to rise to the heights of your glory and hover in the domains of your knowledge, I can

nevertheless speak of your signs which, through manifestations of metaphors, proclaim the glorious work of your hands, "THE DIVINE FORCE".

8 By your glory, O Beloved of all pure hearts! You who alone can soothe the torments of those who long for You, Would all the inhabitants of plane above and those of the plane below unite to glorify the least of your signs in which and by which You revealed yourself, that they would nevertheless fail; all the more so would they fail to praise "THE DIVINE FORCE", through whom You created all these signs.

9 All praise and glory be with you, O FATHER, from whom all things have testified that You are the absolute ONE, who, from all eternity, has been sanctified from all equivalence or likeness and will remain so forever.

Example 3

1 Be praised and glorified O DIVINE, my FATHER! For this magnificent PROJECT that you designed and undertook to implement.

2 But how can I speak of you, when there are no words, no matter how profound the wisdom, capable of magnifying you with dignity, nor of a heart which can hope to rise, however ardent his aspiration may be to you, to the heights of your science and of your majesty?

3 If I represent you, O FATHER, as the ONE who perceives all things, I find myself compelled to admit that "THE DIVINE FORCE" who is the highest incarnations of perception, inside this attribute "NON DIVINE", was created by yourself.

4 And if I exalt you as the ONE who is the Most Wise, I also find myself forced to recognize that "THE DIVINE FORCE", who is the very source of wisdom inside this attribute "NON DIVINE", was engendered by the operation of your volition.

5 And if I proclaim that you are the Incomparable, I soon discover that "THE DIVINE FORCE" who is the purest essence of unity inside this attribute "NON DIVINE" was sent by you and is only the manifestations of your work.

6 And if I applaud you as the Omniscient, I must confess that *“THE DIVINE FORCE”* who is the epitome of knowledge inside this attribute *“NON DIVINE”* is herself only the creation and the instrument of your Providence.

7 Be exalted and glorified, O FATHER! Exalted beyond all measure, beyond the efforts of any creature, born into existence inside this attribute *“NON DIVINE”*, to penetrate your mystery, to describe your glory or only to allude to the nature of your essence.

8 For, these efforts, being the fruits of your work, and therefore aroused by your decree, whatever they may accomplish, they could not yield results beyond the limits that you have assigned to your creatures.

9 The highest feelings that the holiest among these creatures, born into existence inside this attribute *“NON DIVINE”*, can express to your praise, the deepest wisdom exerted by the most wise of these of creatures, to understand your nature, all this revolves around *“THE DIVINE FORCE”* who is entirely subject to your sovereignty, who adores your beauty and that your pen animates with its own movement.

10 Any comparison is powerless to do justice to the tree of your revelation, and every way is barred that could lead to the understanding of your manifestation and the dawn of your beauty.

11 Far, so far from your glory is what the human creature can affirm of you, or attribute to you, or say to your praise! The duty you have prescribed to your children to exalt your glory and majesty to infinity is only a guarantee of your grace in their place, in order to make them able to rise to this state of self-knowledge accorded to their most inner being.

12 No one but you has ever been able to deepen your mystery or properly exalt your greatness. Impenetrable and infinitely above the praise of any creature, born into existence inside this attribute *“NON DIVINE”*, you will remain forever. GLORY BE WITH YOU, O FATHER!

ANNOTATION ON THE SAME “SUBJECTIVE
‘EARTHLY’ GARMENT” ASSIGNED TO THE
“LIGHT←LIGHT” ‘EARTHLY’ CREATURE”

The “Subjective ‘EARTHLY’ Garment” being the same both for the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” and for the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, therefore the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” will be seemingly similar to the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” and they will live together in the same environment; but in reality they are very different.

It is from the original “‘SPIRIT←LIGHT’ Body” of the first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” having the “MALE” adjective and the original “‘SPIRIT←LIGHT’ Body” of the first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” having the “FEMALE” adjective, and through recursive transformations starting from these first two “‘SPIRIT←LIGHT’ Body”, that the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” will be created into existence in the attribute “NON DIVINE” and made manifest directly inside of a “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” having the “FEMALE” adjective, by

“specific processes” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has established, and as a result of the receipt of a “SPECIFIC SIGNAL CATALYST OF THE BIRTH” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” emitted by a “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” having the “MALE” adjective.

Whereas, the “SPECIFIC SIGNAL CATALYST OF THE BIRTH” of the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” is not emitted by a “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” having the “MALE” adjective.

It is rather emitted by “THE DIVINE”, IHVH, our FATHER and the “‘LIGHT←LIGHT’ Body” in the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” is produced into existence by “THE DIVINE FORCE”, inside “The ALTAR of ‘THE DIVINE’” inside “THE SHEKINAH”, then, made manifest directly inside of an appropriated “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” having the “FEMALE” adjective, through “specific processes” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has established. This will be unveiled at the birth of CHRIST.

It is of such things that CHRIST wanted to lead Jews to understand when HE told them (through the testimony of the human who was called John, John 8:31-59):

“...

CHRIST then, said to the Jews who had believed in him:

“...

If you remain in my word, you are truly my disciples, and you will know the truth, and the truth will make you free.¹³²⁴

...”

¹³²⁴ Refers to any creature who possesses knowledge of the “TRUTH”; that is, knowledge of the rules, laws, and the “specific processes” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has established in this unique “Divine Septenary Configuration” of seven “Divine Particles”, which formalise entirely and demonstrate the truth of formulas of relations between its seven constituent “Divine Particles” and all products that are formed and those that are consumed in this “Divine Septenary Configuration”; the knowledge of the ins and outs of “THE HOLY PROJECT”.

They answered him:

“ ...

We are descendants of ABRAHAM, and have never been in bondage to anyone. How can you claim that we will become free men?¹³²⁵

...”

CHRIST answered them:

“ ...

Truly, truly, I say to you, everyone who commits sin is a slave to sin.

The slave does not remain in the house for ever; the Son remains forever.

Therefore, if it is the son who makes you free, you will truly be free men.

I know that you are descendants of ABRAHAM; yet you seek to kill me, because my word finds no place in you.

I speak of what I have seen alongside my FATHER, and you do what you have heard from your father!

...”

They answered him:

“ ...

ABRAHAM is our father!

...”

CHRIST said to them:

“ ...

If you are children of ABRAHAM, do therefore the works of ABRAHAM.

¹³²⁵ Having lost the consciousness of their “PLENITUDE”, the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” do not know themselves, who they are and in what condition they are in.

However, now you seek to kill me, I who has told you the truth which I heard alongside GOD: that is not what ABRAHAM did.

But you, you do the works of your father.

...

They replied to him:

“...

We are not born of prostitution! We have only one father, GOD!

...”

CHRIST said to them:

“...

If [you knew that] GOD was your FATHER, you would love me, for it is from GOD that I proceeded and came forth¹³²⁶; I came not of my own accord, but He sent me.

Why do you not you understand my language? Because, you are not able to listen to my words.¹³²⁷

Your father, is the devil [the adversary, the absence of “THE KNOWLEDGE OF THE DIVINE”], and your will is to do the desires of your father. From the beginning he had set

¹³²⁶ The “‘LIGHT’ Specific State” is produced by the “‘GOD’ Specific State”. If you do not have in you, or if you have now grown in you, “THE KNOWLEDGE OF THE DIVINE”, then, you will not understand the teaching that CHRIST passed so to the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”.

¹³²⁷ Indeed, all those Jews, “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, as well as his disciples heard the words of CHRIST, but they were not able to listen to him; that is, they discerned not and did not understand what CHRIST was revealing to them.

The word “listen” is most often used in conjunction with/or in opposition to the word “hear”, in front of which it expresses the voluntary effort, and in which case, to “listen” is to pay “attention”, to focus “attention” to what is audible, to what is heard and **DISCERN**. As we have explained already, that, which is designated as “attention”, is the taking possession by “THE SEAT OF THE INTELLECT”, in clear and vivid form, of the trains of “Interpreted THOUGHTS”, out of the myriads of “Interpreted THOUGHTS” generated by “THE SEAT OF THE INTELLECT”.

himself to kill humans, he did not stand in the truth because there is not any truth in him. When he utters a lie, he draws from what is his, because he is liar and father of lies.¹³²⁸

As for me, it is because I tell the truth that you do not believe me.

Which of you will convict me of sin? If I tell the truth, why do you not believe me?

He who is of GOD hears the words of GOD; and it is because you are not of GOD that you are not listening to me.

...

The Jews answered him:

“...

Are we not right in saying that you are a Samaritan and a possessed?

...”

CHRIST answered:

“...

No, I am not a possessed; but I honor my FATHER, whereas you, you dishonor me.¹³²⁹

¹³²⁸ We have already explained this in the section about the paroxysm of the “HUBRIS” in “THE CELESTIAL HOST” and how “HUBRIS” in all its forms in “THE SEAT OF THE INTELLECT” in the “‘SPIRIT←SPIRIT’ Body” of “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, has worked to wanted to outsmart “THE TRUTH” to conceal and make forget not only their “BETRAYAL” perpetrated against “THE DIVINE”, IHVH, our FATHER, but also conceal the fact that they, “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, are the ones who had decided to erase what they had designated as a “MISTAKE OF THE CREATION”, that had received the new unique expression of “THE UNION”, which represented to them a threat to the existing hierarchy of communication with “THE DIVINE”, which had hitherto been already established through “THE SHEKINAH”.

¹³²⁹ In their absence of “THE KNOWLEDGE OF THE DIVINE”, “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” are unaware of the rigged “DEATH CONTRACT” against the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”; they do not know that CHRIST was manifested

Yet I do not seek my own glory; there is One who provides for it and who judge.

Truly, truly, I say to you, if any one keeps my word, he will never see death.

...

The Jews said to him:

“...

Now we know that you are possessed.

ABRAHAM died, as did the prophets; and you say, “If any one keeps my word, he will never see death.”

Are you greater than our father ABRAHAM, who died? And the prophets died! Who do you claim to be?

...”¹³³⁰

CHRIST answered:

“...

If I glorify myself, my glory will be of no meaning; it is my FATHER who glorifies me, of whom you claim that he is your GOD.

You have not known him whereas I know him. If I said, I do not know him, I will be just like you, a liar; but I do know him and I keep his word.

into existence to redeem it and return “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” their freedom so that they can look towards “HE WHO IS ABOVE”, towards their “PLENITUDE”.

¹³³⁰ He who is in the absence of “THE KNOWLEDGE OF THE DIVINE” will also behave like those Jews who did not understand whatever CHRIST was telling them.

To give you an impression of what CHRIST went through with these Jews, try talking about a particular subject whose “truth values” you master, to someone who has been “brainwashed”, from generations in descent, so that he does not come to know about these “truth values” on this particular subject, and for whom these “truth values” represent a threat in the paradigm in which he lives, and observe what the reaction of that person will be. You will see the unfolding of the “specific process” of instinctive self-protection in the face of threat or in certain critical situations: fight, flight, or submission.

Your father ABRAHAM rejoiced at the thought that he was to see my Day; he saw it and was glad.

...

On which, the Jews then, said to him:

“...

You are not yet fifty years old, and have you seen ABRAHAM?

...”

CHRIST said to them:

“...

Truly, truly, I say to you, before ABRAHAM was, I AM.¹³³¹

...”

¹³³¹ The “PRINCIPAL” instance of the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model exists before the other instances of the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model. ABRAHAM is an instance of the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model, and CHRIST is the “PRINCIPAL” instance of the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model.

These instances have not been manifested into existence in the attribute “NON DIVINE” according to their order of existence, because of “THE FATALITY” in which the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have plunged “THE HOLY PROJECT”. These instances are manifested according to the thickness of the darkness in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” and according to the receptivity of these “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” whose “‘SPIRIT←LIGHT’ Body” are locked in ignorance, in the absence of “THE KNOWLEDGE OF THE DIVINE”.

CHRIST had received this knowledge and had been raised by “THE DIVINE FORCE”, and it is thus that “THE DIVINE FORCE” also showed him everything since “THE DIVINE”, IHVH, our FATHER had chosen to establish “THE HOLY PROJECT” even before the creation of the attribute “NON DIVINE”.

The “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, to whom HE wanted to lead to understand these teachings were locked in ignorance, in the absence of “THE KNOWLEDGE OF THE DIVINE”; just as the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had been in the “Specific Energy ‘CELESTIAL’ Domain” and could not recognize “THE DIVINE FORCE” who was speaking to them in the form of a “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” to bring them to the understanding of things.

CHAPTER 222

ANNOTATION ON MOUNTAINS CROWNED OF ODORIFEROUS TREES

It is to for the purpose to bring human creatures to understand this, that ENOCH, of whom METHUSELAH is the descendant, had wrote the teachings that HE had received from “THE DIVINE FORCE”, and also to lead “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” to grow in “THE KNOWLEDGE OF THE DIVINE”, saying:

“ ...

I saw a mountain of fire, burning night and day. When I approached it, I saw seven bright mountains, of which one was distinct from the other.

The stones which they were formed were beautiful and sparkling; they shine and radiate at sight, and their surface is polished.

There were three in the Orient, and all the more unshakeable, that they were the one and the other; and there were three in the South, also unshakeable.

There were also deep valleys but which were separated one from another. In the middle was the seventh mountain.

And all these mountains appear in the distance as the majestic thrones, and they were crowned of odoriferous trees.

Among these trees, there was one of a constantly reappearing odour, so suave and, there was no one in the Garden of Eden, which exhaled such a delicious scent. Its leaves, its “flowers”, its wood, never withered and its “fruits” were beautiful.

And I called out at this sight:

“

This is a wonderful tree to see; what beautiful leaves, what delicious “fruits”.

”

Then, MICHAEL one of the “holy and glorious angels”¹³³² who accompanied me, and who was their head, told me again:

“

ENOCH, why these questions about the smell of this tree?
Why are you eager to know it?

”

Then, me, ENOCH, I replied that I would like to know everything, but mainly all what concerns that tree.

...”

In the section concerning the details annotations — Annotation on the “Specific Energy ‘CELESTIAL’ Domain” and the correspondence with the “Specific Generative Energy ‘EARTHLY’ Domain” — we have explained the meaning of the

¹³³² As we have already indicated, in the absence of “THE KNOWLEDGE OF THE DIVINE”, and filled with the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, it is as “glorious creatures” that the elders of the creation were perceiving themselves and have always wanted to be considered as such by their following — the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” and his descendants —, in order to slide under the carpet the “BETRAYAL” that the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had perpetrated against “THE DIVINE”, IHVH, our FATHER, and “THE FATALITY” in which the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have plunged “THE HOLY PROJECT”.

Because of their “MALICE” and their true “nature” and as a consequence of that “BETRAYAL”, which the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have perpetrated against “THE DIVINE”, IHVH, our FATHER, on that afternoon of the Third Day of the implementation of the “Second Phase” of “THE HOLY PROJECT”, the adjective/qualifier/designation of “SAINT” was removed to these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and no longer applies to them. **NO “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, be it their leader, the Archangel MICHAEL, the “ADONA’IM”, the Chiefs of Angelic Orders, the archangels, etc..., NONE OF THESE is designated as “SAINT”!** In those days, when the elder ENOCH, was still living here on Earth, he was not told about the full length of that “BETRAYAL” and all of its consequences with regards to those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, which “THE DIVINE”, IHVH, our FATHER, has maintained in the in the “Specific Energy ‘CELESTIAL’ Domain”.

“mountain of fire burning night and day”, that of the “seven bright mountains”, as well as that of the “precious stone”. Now we give you further explanations of these “odoriferous trees”.

The *“Garden of Eden”* refers to the growing medium of the plant of “THE KNOWLEDGE OF THE DIVINE”, inside the “‘LIGHT←LIGHT’ Body” in the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creatures” (that is, the “CHOSEN ONES”) and also in the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” who are from the classification of the “SAINTS” and the classification of the “RIGHTEOUS”.

The *“odoriferous trees”* refers to the plant of “THE KNOWLEDGE OF THE DIVINE” in all its forms through the “‘LIGHT←LIGHT’ Body” in the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creatures” (that is, the “CHOSEN ONES”) and also through the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” who are from the classification of the “SAINTS” and the classification of the “RIGHTEOUS”. The plant of “THE KNOWLEDGE OF THE DIVINE” is also a form of “THE TREE OF LIFE”.

The *“delicious scent”* that exhales from these *“odoriferous trees”* refers to “THE KNOWLEDGE OF THE DIVINE” — more precisely, to the separate message carried by each “CHOSEN ONE” to express “THE KNOWLEDGE OF THE DIVINE”. This message must be transmitted to “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” who live in the *“deep valleys”* that have become the places where “THE KNOWLEDGE OF THE DIVINE” is absent.

The *“leaves, its “flowers”, its wood, never withered”* refers to the growth stages of “THE KNOWLEDGE OF THE DIVINE”, in understanding and knowledge of “THE TREE OF LIFE”, as well as in the understanding and knowledge of the Work of “THE DIVINE”, IHVH, our FATHER.

For creatures that “THE DIVINE FORCE” created into existence in the attribute “NON DIVINE”, their development in “THE KNOWLEDGE OF THE DIVINE” will never stop. Indeed, the “DIVINE PRIMARY WEALTH”, that “THE DIVINE” has chosen to share with the attribute “NON DIVINE” are unlimited, even more manifestations of their metaphors, and therefore the development in this knowledge will never stop.

The “flowers” are also manifestations of the metaphors of the indescribable joy, the ineffable gladness, and in an immeasurable state of equilibrium, that “THE DIVINE”, IHVH, our FATHER has chosen to share with the “‘LIGHT←LIGHT’

Body” in the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creatures” (that is, the “CHOSEN ONES”) and also through the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” who are from the classification of the “SAINTS” and the classification of the “RIGHTEOUS”.

These “flowers” are expressions of the degree of presence of “THE SPECIFIC SPIRITUAL FORCE OF LIFE” which is “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” in the “Specific ‘SPIRITUAL’ Environment” external and immediate around the “‘LIGHT←LIGHT’ Body” in the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creatures” (that is, the “CHOSEN ONES”) and also through the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” who are from the classification of the “SAINTS” and the classification of the “RIGHTEOUS”.

The “*delicious fruits*” produced by those “*odoriferous trees*” refer to products of the “specific works” accomplished by the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creatures” (that is, the “CHOSEN ONES”) from “THE KNOWLEDGE OF THE DIVINE” that they bear in them and which they have received from “THE DIVINE”, and also by the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” who are from the classification of the “SAINTS” and the classification of the “RIGHTEOUS” and who after having received the message carried by the “CHOSEN ONES”, have fed themselves and grown it in their “‘SPIRIT←LIGHT’ Body”.

These “fruits” are expressions of products of the work accomplished by the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creatures” (that is, the “CHOSEN ONES”) and by the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” who are from the classification of the “SAINTS” and the classification of the “RIGHTEOUS”, in the attribute “NON DIVINE” and from “THE KNOWLEDGE OF THE DIVINE” that they have acquired and have grown in themselves.

CHAPTER 223

ANNOTATION ON CHRIST AND THE “BREAD OF LIFE”

It is for the purpose to lead human creatures and His disciples, all “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, and also to lead them to understand the difference between a “CHOSEN ONE” (who is a “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature”) and “CALLED ONE” (who is a “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”), that CHRIST spoke to them of the “BREAD OF LIFE”, and which was reported through the testimony of the human who was called John (John 6:22-59).

“...

On the next day the crowd who remained on the other side of the sea, saw that there had been only one boat there, and that CHRIST had not entered the boat with his disciples, but that his disciples had gone away alone.

However, boats from Tiberias came near the place where they ate the bread after the Lord had given thanks.

So when the crowd saw that CHRIST was not there, nor his disciples, they themselves got into the boats and went to Capernaum, seeking CHRIST.

When they found him on the other side of the sea, they said to him, “Rabbi, when did you come here?”

CHRIST answered them:

“

In truth, in truth, I tell you, it is not because you saw signs that you are looking for me, but because you ate bread to the fullness.

You need to labor not for that food which perishes, but for the food which endures to eternal life, because it is him that THE FATHER, who is GOD, has marked of his seal.

”

Then, they said to him:

“

What must we do, to be doing the works of GOD?

”

CHRIST answered them:

“

The Work of GOD is that you believe in the one whom HE has sent.

”

So they said to him:

“

Then, what sign do you do, that we may see, and believe you?

What work do you perform?

Our fathers ate the manna in the wilderness, as it is written: “He gave them bread from heaven to eat.”

”

CHRIST then, said to them:

“

In truth, in truth, I tell you, it was not MOSES who gave you the bread from Heaven, but it is my FATHER who gives you the true bread from Heaven.

Because the bread of GOD, is the one who comes down from Heaven, and gives life to the world.¹³³³

מזה

¹³³³ More precisely, “the bread of GOD is the one who comes down from the “First Begotten” and that, by “THE DIVINE FORCE”, gives life to all existence.”

”

They said to him:

“

Lord, give us this bread always!

”

CHRIST said to them:

“

I am the bread of life; whoever comes to me shall not hunger, and whoever believes in me shall never thirst.

But I said to you:

“

You have seen me and yet do not believe.

All that THE FATHER gives me will come to me, and whoever comes to me, I will not cast him out, because I have come down from heaven, not to do my own will, but the will of HE who sent me.

But the will of HE who sent me, is that I should not lose any of those who HE has given to me, but that I bring them back on the last day.

Such is the will of my FATHER, that everyone who looks on the Son and believes in Him should have eternal life, and I will raise him up on the last day.

”

”

*Thereupon, the Jews began to murmur at him because he had said:
“I am the bread which came down from Heaven.”*

CHRIST was thus revealing the lines of the “REDEMPTION PROJECT” for which “THE DIVINE FORCE” created him into existence among human creatures, and why He (CHRIST) was manifested into existence.

And they added:

“

Isn't that CHRIST, the son of Joseph? Don't we know his father and mother? How can he now say: "I have come down from Heaven".

”

CHRIST spoke again and said to them:

“

Do not murmur among yourselves!

No one can come to me unless THE FATHER who sent me draws him; and I will raise him up on the last day.

In the Prophets it is written:

“

They shall all be taught by GOD. Everyone who has heard that, which comes from THE FATHER and received His teaching comes to me.

Not that anyone has seen THE FATHER except him who is from GOD; he has seen THE FATHER.

It is that no one has seen THE FATHER, if not he who comes from GOD. Him, he has seen THE FATHER.

”

In truth, in truth, I tell you, he who believes has eternal life. I am the bread of life.

Your fathers ate the manna in the wilderness, and they died.

Such is the bread which comes down from Heaven, that whoever shall eat of it shall not die.

I am the living bread which came down from Heaven; whoever eats of this bread, will live forever.

As THE FATHER who is alive sent me, and that I live because of THE FATHER, so whoever eats me will live because of me.¹³³⁷

¹³³⁷ As such, CHRIST was telling them about the concept of “EXTENSION” of “THE DIVINE”, IHVH, our FATHER, to the attribute “NON DIVINE”, through “THE SEAT OF WISDOM”, which we have explained already to you.

Such is the bread which came down from Heaven: it is very different than that, which your fathers have eaten; they are dead, them, but whoever eats this bread here will live for eternity.

¹³³⁸

Such were the teachings of CHRIST, in the synagogue at Capernaum.

...

When

the degree of presence of “THE SPECIFIC SPIRITUAL FORCE OF LIFE” in the “Specific ‘SPIRITUAL’ Environment” external and immediate around a “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” is not sufficient, then, that “‘SPIRIT←LIGHT’ Body” will not be able to feed on this “Bread of Life” which CHRIST spoke about, those “‘LIGHT’ specific supply of subsistence” which is the product of the “specific work” accomplished by the “‘LIGHT←LIGHT’ Body” in the “PRINCIPAL” instance of the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model. Such was the case of those who were part of that crowd at Capernaum, such is the case of human creatures inhabitants of this earth.

The

“‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, from generation to generation, blindly imitate those from whom they are descendants. Educated according to the principles which are in close agreement with the rituals and rigid precepts of their faith. When suddenly they discover that a “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” who lives among them and who seems to be their equal with respect to all of the limits imposed on the status of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, rises to abolish those rituals and precepts — of which they have been for centuries, educated to hold any denier for infidel and depraved — then, they are hardly prepared to recognize the message brought by this “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature”. They find themselves in a state of “cognitive dissonance”:

¹³³⁸ It is so that, CHRIST wanted to bring them to discern and understand that, which is the external supply of subsistence, which allow them to remain into existence in the “‘SPIRIT→LIGHT’ Specific State”: that “‘LIGHT’ specific supply of subsistence” which is the product of the “specific work” accomplished by the “‘LIGHT←LIGHT’ Body” in the “PRINCIPAL” instance of the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model, and is also produced by any manifestation of a metaphor of “THE ‘LIGHT←GOD’ EON”.

that state of psychological discomfort, tension, unpleasant feeling, that occurs when someone is confronted with inconsistent cognitions.

You can consider the reactions of those “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” to the revelations that CHRIST was telling them, as a statistical sample from a statistical population — that is to say, “THE HUMAN EDIFICE” — which you will also define from the perspective of the extent of “THE KNOWLEDGE OF THE DIVINE” developed by each individual “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, and which has been transmitted from offspring in descent, starting from the days when the elder ENOCH was still living on this Earth, to the days when CHRIST was giving them those revelations about the lines of the “REDEMPTION PROJECT” for which “THE DIVINE FORCE” created him into existence among human creatures.

From that statistical sample, and assuming that you have understood and digested all what we have revealed to you about that, which exists since the beginning, you can gauge by yourself the thickness of the walls of the jail of “obscurity” in which those “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” were locked-up in. It is much worse these days, yes, the situation has worsened since then, for there are so many who, despite all that CHRIST has revealed, they have yet embraced “IMPURITY” and are standing in “IMPURITY” in all its forms.

They can be counted on the fingers of the hand, the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” living in the first “Specific Energy ‘EARTHLY’ Habitation Domain” in which you live, and whose “‘SPIRIT←LIGHT’ Body” are in (the proximity of) the “HOMOGENEITY”, the “PURITY” and the “HOLINESS”, at the present time when these revelations are written. But fortunately, the remedy, “THE KNOWLEDGE OF THE DIVINE”, has been sent to humanity for the last time.

Feed yourself with “THE KNOWLEDGE OF THE DIVINE”, “GOING DOWN” IS NOT AN OPTION AND SHOULD NOT BE FOUND IN YOUR VOCABULARY, “FIGHT” FOR THE HONOR OF OUR FATHER, “THE DIVINE”, AND FOR THE “LOVE” OF OUR MOTHER, “THE DIVINE FORCE”, STAND IN “PURITY” AND AGAINST WINDS AND TIDES, HOLD YOUR GROUND IN “PURITY”, AND GO TO “THE DIVINE FORCE”! Remember that, which has been announced through Daniel 12, the excerpt given at the onset of these writings:

And thoughtful people will shine, as the brightness of the firmament, they who have led many to righteousness, like the stars for ever and ever.

But you, Daniel, roll up and seal the words of the “BOOK” until the time of the end. Many will be puzzled but knowledge will increase ...

A FEW PARABLES CONCERNING THE REALIZATION OF THE HOLY PROJECT

This section contains the selection of the short stories allegorical, symbolic of familiar character, under which you are called to understand why the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain” in which you live, is in the current state.

FIRST PARABLE ABOUT THE REALIZATION OF THE “SECOND PHASE” OF THE HOLY PROJECT

The first “Specific Energy ‘EARTHLY’ Habitation Domain” is reminiscent of a river in closed circuit and which was poisoned by external excreta immersed in the river and which destroys and alters the vital functions of the constituents of the water of the river.

In order to restore purity in the river, those to which the owner of the land, on which this river was flowing, had entrusted the responsibility to ensure the maintenance of the quality of water, and who themselves had poisoned the river by throwing their own excreta into it, decided to destroy all fishes by drowning, by considering the fishes as an error in the water, without touching to the excreta that they had themselves placed in the river and which destroys and alters the vital functions of the constituents of the water of the river.

Those to whom the owner of the land, on which this river was flowing, had entrusted the responsibility to ensure the maintenance of the quality of water, have carried out their project and once all the fishes were destroyed, the spared eight fishes were released back

in the water of the river which is always poisoned; because the excreta that are the source of the poison are always submerged in the water of this river: not even a crumb of these excreta immersed in the river was affected by the project which aimed to restore a purity in the river.

It is so that, from the eight fish that had been preserved, sprang forth new fish into existence in the water of this river that is still poisoned.

With the passage of time, harmful substances coming out of the excreta have always contaminated the fishes that will themselves become a source of destruction and will alter even more, both their own functioning as well as the vital functions of the constituents of the water of the river.

Because the very essence of the external excreta which have been immersed in the river and which destroy and alter the vital functions of the constituents of the water of the river, will end up in the inside of these new fishes.

As well as this very essence of these external excreta which have been immersed in the river and which destroy and alter the vital functions of the components of the water of the river, will spread throughout the volume of water and the situation will become worse than that, which prevailed before the great drowning.

Such is the case of the first “Specific Energy ‘EARTHLY’ Habitation Domain” in which live human creatures.

Only the owner of the river, that owner who himself created the constituents of the water of the river, will restore the purity of the water his river, on the DAY that HE himself appointed.

When HE will do it, not only all the fishes that are still there in the water of this river will be destroyed, but also these external excreta which have been immersed in the river and which destroy and alter the vital functions of the constituents of water from the river, will be completely destroyed from the existence.

No trace of these external excreta, will be left into existence. That appointed DAY has appeared on the horizon.

End of the parable

CHAPTER 226

SECOND PARABLE ABOUT THE REALIZATION OF THE “SECOND PHASE” OF THE HOLY PROJECT

Beginning of the parable

The realization of “THE HOLY PROJECT” is reminiscent of the situation of a Man who has a very large island and servants to ensure the work throughout the island.

For many years, they have considered themselves as the sons of the Man. For many years, they have worked together, as children working with their FATHER; to the point that they started making ideas by themselves, wanting to be like the Man; and they have considered themselves the heirs of the Man and said among themselves: “... the island is ours! ...”.

But then, the Man pulled them out of their illusions and told them not only the coming of his Son, but also the upcoming wedding of this Son.

It was a total upheaval among the servants who were seeing themselves to be the inheritors of all that the Man had in this island.

The Man, meanwhile, was in a very great joy about the coming and the marriage of his Son, and in that joy, he did not saw that his servants did not share the same sentiments: their state of mind were completely opposite to his.

It is so that, in his joy, the Man gave instruction to his servants to prepare the wedding banquet and to prepare the necessary material for the wedding garment.

The Man had planned to have this clothing sewed on the day of the wedding, and once sewed, his Son would wear it and dress this way for the celebration of the feast.

The servants obeyed to the instructions that they had received; but in their bitterness to see the legacy that they coveted, escaping them, they mixed the material that was to be used for the garment of wedding, with the venom of the most venomous scorpions of the island.

The day of the wedding arrived and the Man announced the arrival of his Son, and as it had been established in advance, the tailor of garment was brought, from a very distant country, and he sewed the wedding garment following the specifications.

The Son of the Man has worn the poisoned garment and a few moments later, the poison that had been mixed in the material used for garment produced the effect expected by the servants.

It is thus that the son of man died as a consequence of the effects of the poison.

The Man was very saddened by the death of his Son who had just got married and the servants on the other hand, were jubilant by saying that the legacy was theirs by right, they who had worked for years under the scorching heat of the island; making all sorts of accusations against the dead Son, and saying that he was not worthy to be the heir of the Man.

It is then, that the Man came to understand what had happen and he also understood how his Son had been murdered. Therefore, he decided to say nothing more of its business to such servants and he appointed the DAY when those servants will answer for their crime.

That appointed DAY has appeared on the horizon, and there is nothing secret that will not be disclosed on that DAY, nothing hidden that shall not be known and come to light.

End of the parable

THIRD PARABLE ABOUT THE REALIZATION OF THE “SECOND PHASE” OF THE HOLY PROJECT

The Work of “THE DIVINE”, IHVH, our FATHER is reminiscent of a small spherical, particularly hermetic container that a MAN has manufactured and placed in His courtyard and following a specific orientation. This sealed container is completely under the full authority of this MAN, who is the owner.

The courtyard of this MAN has no limits and the small spherical, particularly hermetic container that the MAN has made and placed in his courtyard, is reminiscent of a drop of water in an ocean.

This MAN decided to mark His signature in the interior of His small hermetic container that is reminiscent of a drop in an ocean.

It is so that, in the interior of His small hermetic container, and by “specific processes” known to Himself, the MAN placed a mass of liquid water, suspended and without contact with the wall of the container.

This mass of liquid water, although it is moving in the middle of this container, it leaves not the middle of this small hermetic container, because if it were to leave, then, following the direction of the container, it would fall to one side or the other side of the wall of the container.

This MAN has heated up His small whole container until the appearance of a certain amount of steam of water, obtained from the mass of liquid water, and HE stopped to heat up His container.

Steam rose upward, on a specific side inside the small container and by “specific processes” that MAN Himself has established, and this steam remained suspended above the mass of liquid water, much more upward and inside this small hermetic container.

This MAN did in that way so that His processes that HE used inside His hermetic container are not in vain and so that HE could mark his signature as HE had planned to do by using those processes.

It is so that, by this steam of water which has remained suspended far above the mass of liquid water, the MAN wrote the first letter of his signature inside His small hermetic container.

The MAN decided to embellish this first letter by drawing “flowers” on it; therefore, HE will apply one of His molds in the steam of water and HE will draw several animated and conscious “flowers”, modeled in this steam of water.

The drawings of this MAN are always animated and conscious inside His small hermetic container; whatever these drawings, they are always animated and conscious.

According to His own will, the MAN has arranged the animated and conscious “flowers” of the steam of water that HE drew himself in the steam of water, throughout the first letter of His signature inside His hermetic container, and these “flowers” have perfumed the whole first letter of His signature.

The MAN looked at his Work inside His small hermetic container and HE was very happy. HE was in the joy of having written the first letter of His signature inside His sealed container and to have added in there the ornaments of fragrant “flowers” on that first letter.

The animated and conscious “flowers” that the MAN had drawn on the first letter of His signature, sought to find out if they were the only ones on this first letter and if there was something else than that first letter.

It is then, that this MAN decided to write the second letter of His signature inside His small hermetic container. HE also planned to embellish this second letter of His signature by drawing a new “flower” on it and which does not exists on the first letter of His signature.

HE chooses to write the second letter of His signature, not anymore in steam of water, but this time in the mass of liquid water that HE Himself has placed suspended both in the interior and in the middle of His hermetic container.

This MAN did in this way so that the animated and conscious “flowers” that HE drew in the steam of water know and understand that, it is through this new conscious and animated “flower” that HE will draw in the mass of liquid water that they owe their existence.

But the animated and conscious “flowers” on the first letter of the signature of the MAN, modelled in the steam of water, began to stir in all directions because this MAN has chosen according to His own will to write the second letter of His signature in the mass of liquid water beneath their steam of water and embellish this second letter of His signature by drawing a new “flower” on it.

In their upheaval, the animated and conscious “flowers” on the first letter of signature, modelled in the steam of water, declared that the new animated and conscious “flower” that the MAN has chosen according to His own will, to draw on the second letter of His signature is a “MISTAKE OF THE CREATION” in this hermetic container and that they had no need of it for their existence on the first letter of His signature.

These animated and conscious “flowers” on the first letter of His signature, modelled in the steam of water, did so because they were fully wrapped up in their fragrances and they had no knowledge about the owner of this small hermetic container.

These animated and conscious “flowers” on the first letter of His signature, modelled in the steam of water, had no knowledge about the signature of the MAN; That signature that HE was writing inside his small hermetic container.

These animated and conscious “flowers” on the first letter of His signature, modelled in the steam of water, did not even know that they were into existence in a small hermetic container and in which they can never get out.

These animated and conscious “flowers” on the first letter of His signature, modelled in the steam of water, did not know that this

hermetic container and everything it contains are fully under the total authority of the MAN.

It is so that, several of these animated and conscious “flowers” on the first letter of His signature, modelled in the steam of water, will declare themselves not to be anymore “flowers” produced from a mold that has been applied to the steam of water, but to be themselves the MAN who is outside His small hermetic container that they could not access and who produced them to embellish the first letter of His signature.

It is so that, several of these animated and conscious “flowers” on the first letter of His signature, modelled in the steam of water, began to lose their perfume, and a large part of them became dull and fell into the mass of liquid water below the steam of water, for they were not anymore perfectly conscious and animated.

It is so that, the mass of liquid water below the steam of water has been soiled by the filth in those dull “flowers”.

Those animated and conscious “flowers” on the first letter of His signature, modelled in the steam of water, did it so in order to prevent the MAN from writing the second letter of His signature in the mass of liquid water beneath their steam of water and to prevent Him to embellish this second letter of His signature with drawings of a new “flower”.

What will the MAN make of these dull, no fragrant, inanimate “flowers” that have no place inside the small hermetic container, and that have corrupted the mass of liquid water below the steam of water?

HE has appointed Himself the DAY when HE will remove the filth from the interior of His small hermetic container, including all those dull, no fragrant, inanimate “flowers” of the steam of water which have declared themselves to be MAN.

CHAPTER 228

FOURTH PARABLE ABOUT THE REALIZATION OF THE “SECOND PHASE” OF THE HOLY PROJECT

Beginning of the parable

A man has conceived several children and HE classified them by series. The Man has produced in existence the first series of these children as embryos inside the womb of his companion. Each of these embryos is related to the companion of man by an umbilical cord; each embryo with his.

These embryos, then, began to grow and the most firsts became fetus; the fetus being the following product, after the embryonic stage, when it begins to form and present the distinctive traits of its species in those series of classification established by the Man. All organs and vital systems of each of these firsts fetuses have been formed and each of these firsts fetuses began to react to the external stimuli that the Man could emit.

The presence of these early fetus became more concrete, they could move and their movements were well felt, their senses had started to awaken, and each of these firsts fetus could already reach its own umbilical cord.

It is then, that the Man decided to produce the second series of the children that HE Himself had conceived. He chose to produce them as embryos inside the womb of His companion and in symbiosis with the firsts fetuses, but with new umbilical cords of symbiosis for those new embryos.

Through these new umbilical cords of symbiosis, the firsts fetus would also be bound to the new second series embryos that are themselves related to the companion of the Man. It is through this

symbiosis that the firsts fetus should grow even more and develop as the Man willed it.

The firsts fetus inside the womb of the companion of the Man received this external stimulus that the Man had emitted about the creation of new embryos still inside the womb of Her companion.

It is then, that these firsts fetus worried inside the womb of the companion of the man entered a bustle, reflecting an individual unrest from each of them.

Not knowing how they came into existence, they said that they lived by themselves, they did not want those new embryos of the second series, and they said among themselves that the Man was only the “fruit” of their imagination.

Later, some of these first fetus still inside the womb of the companion of the Man took the decision, each in itself, to cut their own umbilical cord, to show that they could subsist by themselves.

After having implemented their project and having cut each in themselves, their own umbilical cord, they realized that they could no longer subsist by themselves inside the belly of the companion of the Man.

It is then, that these firsts fetuses who had chosen, each in itself, to cut their own umbilical cord, took a second decision: to push and bring the embryos of the second series of children that the Man himself had conceived to cut by themselves their own umbilical cord of symbiosis whereby each of those embryos of the second series is related to the companion of the Man.

What will happen to those among these embryos in the second series, inside the womb of the companion of the Man, who will follow those firsts fetuses who had chosen, each in itself, to cut their own umbilical cord?

CHAPTER 229

FIFTH PARABLE ABOUT THE REALIZATION OF THE “SECOND PHASE” OF THE HOLY PROJECT

Beginning of the first parable

A Man planted a unique magnificent tree in His field which is seemingly unlimited. This unique magnificent tree always bears succulent “fruits” at any time and these “fruits” never fall on the ground in which this unique magnificent tree was planted.

The magnificence of this unique tree pushed the Man to get wonderful fledglings and HE gave them nests on this tree so that they can grow and find shelter on this tree and by feeding on its succulent “fruits”.

With the passage of time, the fledglings grew up, began to fly away by themselves and became wonderful birds, always finding shelter on this tree, which is still maintained by Man, owner of the field, and feeding on its succulent “fruits”.

With the passage of time, these wonderful birds flew and roamed distances more and more remote from the unique magnificent tree, and they came back always exhausted and gasping for force on this unique and magnificent tree of succulent “fruits”.

It is then, that the Man decided to help even more His wonderful birds in these remote places from the unique magnificent tree and in which they had no access to succulent “fruits” of the unique tree of the field.

In those times, the Man spoke with His birds in the language of the birds and they had the ability to understand and abide by the

instructions that the Man gave them, although they could not see the Man.

It is so that, the Man put his birds abreast of His Project to sow in those remote places from the unique magnificent tree, another beautiful tree, in all respects similar to the first, but which was going to be able to reproduce from one place to another when the “fruits” of this second tree would be placed in the ground in those remote places from the first and unique magnificent tree.

The firsts birds, who wanted to know where they come from, but who had no knowledge about the Man and the goals for which the Man had decided to sow a second tree, have asked the Man to make rather of them such trees.

The Man explained to them in many ways and in the language of the birds, that they were birds in nature and could not become such trees.

Those firsts birds have turned a deaf ear and began to bad-mouth the Man, owner of the field and the unique wonderful tree on which they had shelter and of which they fed on succulent “fruits”.

It is so that, those firsts birds, that the Man had raised by Himself, declared themselves not to be birds in nature but rather to be of the same nature as Man.

Then, they took the decision to destroy this second tree that the Man had decided for Himself to sow in the ground that HE himself had also tilled at the other end of the field far from the first and only magnificent tree that always bears succulent “fruits” at any time and those “fruits” never fall on the floor in which this unique magnificent tree was planted.

Came the time that the Man had chosen to sow His second intended tree. It is then, that the Man took a seed of the first and unique magnificent tree and placed that seed in the tilled ground in the farthest place from the first and unique magnificent tree, and instantly HE did sprouted and grew a second tree, as HE had planned.

Once the Man had planted the second tree as HE had planned, the firsts bird landed on this second tree whose structure was still fresh

and very weak and had not yet begun to produce the same succulent “fruits” as those of the first tree.

It is then, that those firsts birds have dropped their excreta on the entire structure still fresh and very weak on the second tree, and which was not yet strengthened. They dropped a great amount of excreta that the microbes contained in those excreta entered into the structure of the second tree and began to destroy it from the inside.

It is so that, the internal structure of this second tree was stained and with the passage of time, the “fruits” produced by this second tree lost their flavor because they contained the multiple microbes from the excreta of the firsts birds.

From these filth “fruits” of this second tree stained, several other trees sprouted; with the exception of a few trees, the multitude of other trees have sprouted and grew up having an internal structure soiled by those same microbes contained in the excreta of those early birds. Their leaves are always withered and their “fruits” are very bitter.

In this tragic turn of events, the firsts birds who declared themselves to be Man in nature will also declared themselves to be shelter for all these soiled trees ensuing from the second tree and they brought these contaminated trees to feed on their excreta which they have in the bird language also called “fruits” (as those firsts birds believe themselves to be trees) of these firsts birds: complete absurdity.

It is so that, the trees that grew in those remote places of the first and unique magnificent tree, have all been contaminated largely by the droppings of these firsts birds.

Exceptional trees, odoriferous and each exceptional tree having a suave and constantly renewed odor¹³³⁹, and whose internal structure had not been invaded by the microbes contained in the

¹³³⁹ With regard to this “suave and constantly renewed odor”, remember the recommendation that CHRIST had given to human creatures and about the “WATER OF LIFE”, when HE was saying:

“... Whosoever drinks of the “WATER” that I shall give him shall never thirst, and the “WATER” that I give him will become in him a source of “WATER”, which will spring up till the eternal life. ...”

excreta of these first birds, were set aside by the Man, owner of the field and the first unique wonderful tree.

At the time that the Man has chosen to restore cleanliness in his field, what will happen to those birds that have deposited their droppings on these trees and have contaminated them to the depths of their internal structure? What happens to those trees which are still contaminated by those excreta?

End of the first parable

Still using the concept of the tree, here is another parable about the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain” and all that it contains as human creatures and the celestial creatures that were immersed in there.

Beginning of the second parable

The owner of a very large land parcel has let cleared his land by his trustworthy gardener and some days later, he gave the instruction to the trustworthy gardener to plant a fruit tree in the cleared land. This was done according to the instruction of the owner.

But the ravens and bats in their migration and having left their place of leisure, saw the beauty of this tree and the succulent fruits which it would produce, and they hastened to take place on that tree before it had produced its first fruit.

When the fruit tree has produced its branches, the sprout of the first fruit, the ravens and bats have immediately pecked it and the microbes they bore in their beaks entered in this spout and developed.

After that this sprout had taken consistency and becoming a fruit apparently mature, the microbes had already caused a lot of damage inside of the fruit.

When this first fruit fell down, the trustworthy gardener picked it up and placed it in a receptacle for fruits.

With the passage of time, the fruit tree continued to produce many fruits, but the ravens and bats had already covered the tree with their nests, thus preventing fruits to receive the temperature and the

enlightenment intensity which are necessary for their development, and their droppings had entered in the depths of the entire structure of this tree and were slowly destroying it.

A very small number of fruits still manage to receive the temperature and the enlightenment intensity which are necessary for their development, and to take their consistency and mature without however being affected by the effects of the ravens and bats, and without falling down. This small number of fruits that are edible, the trustworthy gardener picks them and gives them back to the owner of the land.

As for the vast majority of the fruits of this tree, that do not receive the temperature and the enlightenment intensity which are necessary for their development, those fruits will lose their consistency and fall down before having matured as they should.

It is so that, the trustworthy gardener continued his task, picking up all the fruits that fall on the ground, gauging them to know those, whose inner core was unaffected by the effects of the ravens and bats, although the edible part that covers the inner core has been slightly affected by the effects of the ravens and bats, and which he will sow again in this land when the owner of the land will give him instruction.

As for the other fruits, the trustworthy gardener gauge them depending upon whether microbes have reached the inner core, or else have destroyed the edible part of the fruit, as those fruits there are of no use; he sort them in his receptacles and he will burn them for use as manure ash, when the owner of the land will give him instruction.

When the time that the owner of the land himself has appointed comes, then, the trustworthy gardener will burn this fruit tree with all that this tree will contain, including the ravens and bats that took place in this tree.

CHAPTER 230

SIXTH PARABLE ABOUT THE REALIZATION OF THE “SECOND PHASE” OF THE HOLY PROJECT

Beginning of the first parable

A Man wanted to share His Autobiography, so HE decided to tell his story by using a narrative, graphic and sequential art and HE chose to express it in a drawn and animated comic book.

After having wrote the script and made the cutting of his narrative, the Man primed His sheets of drawing paper and His special felts pencil.

Then, the Man began to write the first part of His story. From His own thoughts and His own intellect, HE drew the appropriate comics, graphic and narrative elements, animated and recounting his own story.

In this first part of his story, all these comic images on paper were silent, although they were animated; as in a silent television, however they could communicate with the Man who is outside the television set, and only the Man had speech and writing capabilities to build the texts.

Many years later, after writing the first seventy pages of His own story through drawn and silent comics, came the time to write the second part of the story.

In this second part of His story, the Man had established to make more vivid his comic book, in accordance with the scenario that HE had Himself written, from eternity, before starting to draw the first silent pictures that were part of the first part of His story.

It is so that, the man had chosen to add another illustrative element of speech to new drawings, graphics and narrative elements, through which HE would describe this second part of His story; thus connecting the image to the word.

Somehow, the firsts silent comics in the first part of His narrative, were made aware of the existence of this illustrative element that the Man was going to add to the new comics, and those first silent comics became jealous to the point of fussing so much.

These firsts silent comics drawn said among them that they were sufficient to themselves and did not need this new illustrative element that the Man was going to add to the new images.

They said among them that the Man did not exist and was only a figment of their imagination; in addition they hijacked the Man's story, claiming that it was theirs, and it was up to them to write the rest of the scenario as they saw fit.

The man realized His project as HE had established it and in accordance with the scenario that HE had Himself written, from eternity, before starting to draw the first silent comics that were part of the first part of His story.

Those firsts silent comics of the first part of the story then, saw the new animated and talking comic that the Man had drawn and wanting to write the screenplay as they said fit from their view, then, they threw the confusion in the words that came out of the new animated and talking comic that had been drawn by the Man.

It is so that, those firsts silent comics of the first part of the story will spread this confusion in the next seventy pages of the story of the Man, describing this part of the story with their own illusions, and all this second part of the story of the Man was troubled and made unrecognizable, in a total mess having nothing to do with the Man's Autobiography.

What will the Man make of those first silent comics of the first part of His story? What will the Man make of the sources of disorder that are in this second part of His story?

End of the first parable

Still using the concept of the speech, here is another parable about the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain” and all that it contains as human creatures and the celestial creatures that were immersed in there.

Beginning of the second parable

A Man wanted to write a “living” speech and talk about a subject He wanted to share with others than himself, by developing it methodically.

His “living” speech, as he thought it, is a language act put into action and from which emerge a sequence of linguistic signs constituting a work, a context and an intention. His “living” speech is a complex entity having: a linguistic dimension as a result of linguistic signs constituting the work which He wanted to share with others than himself; a dimension that relates to the methods, the processes, and objectives of language signs, and as a production in context; and a communication dimension, as a finalized interaction of the linguistic signs constituting the work in question.

This very complex entity, which is His “living” speech, has several components which themselves decompose into several modules. All of these components are prone to constraints related to the “interpretation”¹³⁴⁰ that He had chosen to convey to His audience.

In the hierarchical model of His speech, he postulated forms of organization resulting from the coupling of information of various origins and collected from His own life, from His lived experience.

Thus He established the alphabet, vocabulary and grammar rules that determine the correct use (or proper use) of the written language He had chosen to use in order to convey the message of His speech, and He summed up the hierarchical model of His speech on seven basic forms of organization.

It was then that from this hierarchical model and his vocabulary, He began to choose the words that express a qualification of Himself, of His own life as a Man, of all the experience He has

¹³⁴⁰ Remember the reason for the use of metaphors and their manifestations in the attribute “NON DIVINE”.

gained; these are words that designate His own quality and His own way of being: for, it is necessary to “be”, to be such, to have a quality.

In order to make his speech “alive”, the Man added consciousness to each of these words and He called them: “adjectives”. Each conscious word being in itself an “adjective”, not only because it is always added to the Man himself, but also because it adds to the Man the idea of the qualities or ways of being under which He is considered.

It is so that, the man methodically produced all the “adjectives” He needed in the writing of his “living” speech; one by one, until the last, He produced them all.

Because of the element of “conscience” of which these “adjectives” had been endowed, they became very proud, each in itself, of their status and qualifiers, displaying illusory superiorities among themselves and having no knowledge of the substantive (that is, the Man) of which they are all qualifiers, having no knowledge of the speech and even less of the rhetoric of this speech in which they were going to be part.

Once the man had completed this task of producing His “adjectives”, He then proceeded to move on to the next task in his detailed work plan: this next task was to write “conscious phrases” using the “adjectives” already produced and using new complements, necessary elements to be integrated into all the “adjectives”, to form semantic completeness, a grammatical cohesion; in short, to form a complete whole, so that nothing essential or useful is lacking in the “conscious sentences”.

It was then that the “adjectives”, by their conscience, realized that by themselves they were not and did not form a complete whole, and they wanted to become “sentences”; which was not part of Man’s planning.

It is so that, those conscious “adjectives”, which had all been produced by the Man, began to agitate believing that they were going to lose their senses, their idiomatic forms, and they declared that they were more important and above the “phrase” that was to form a complete whole.

So they thought they were all complete and in no way needed the “sentences”; having no knowledge of the speech and even less of the rhetoric of this “living” speech in which they were to be part, having no knowledge of the origin of the “conscience” element of which they had been endowed, they nevertheless stated that the “sentence”, for them “adjectives”, was a “mistake” in the speech and should not be part of it.

What will the Man do with such meaningless “phrases” that cannot reflect the image of the content of the “living” speech that He had undertaken to write?

What will the Man do with those conscious “adjectives” and “sentences” that are empty of all meaning and are prone to these “adjectives”?

CHAPTER 231

SEVENTH PARABLE ABOUT THE REALIZATION OF THE "SECOND PHASE" OF THE HOLY PROJECT

Beginning of the first parable

"THE HOLY PROJECT" is reminiscent of a Man who has established to manufacture a large vehicle in order to move from one village in His country to another village which is located opposite at the other side of His country.

That vehicle was so fantastic and built with material that He had brought from far away, out of this country, so that once built, one could not see the driver who was driving.

At the first village, the Man stopped and he took passengers who knew not how did they arrived in that country and they knew not where to go in that great country.

During part of the trip, the passengers were well behaved.

Then, along the way, they realized that they could not see the driver while the car was moving smoothly to its destination and would stop from time to time in the region of this first village to take other passengers.

Then, the first passengers said between them: "... Let take the steering wheel and drive this car as we see fit ..."

Having no knowledge about this vehicle and also how it worked, with no knowledge of the country and the path that the driver alone has established in order to arrive without incident at destination, it is so that the firsts passengers took the steering wheel and began to drive in all directions, at their own discretion, and the car started to derail in all directions.

At the second village, this time outside the region of the first village, the car stopped by itself; because the Man owner of the vehicle had planned to take a second series of passengers.

It was then, that the first passengers of the first series stood up preventing these new ones to get in the vehicle, and they decided to take full control of the vehicle to the detriment of the Man owner who alone knew where he was heading with his vehicle.

At the insistence of the Man, the new passengers in the second series managed to get in the vehicle.

It is then, that along the way, the vehicle derailing in all directions, the first passengers of the first series who this time, declared themselves now to be owners of the vehicle, began to mistreat the new passengers, up to kill some and throwing them through windows.

After a good part of the way, the Man owner who had remained quiet until then, because HE was watching closely those first passengers, then, turned to all the passengers and said: "... THAT'S ENOUGH! ..."

What will happen to all those passengers who wanted to substitute themselves to the Man owner, and who went so far as to kill their following?

End of the first parable

Here is another parable, to help you understand things about "THE HOLY PROJECT", using concepts that you are familiar with.

Beginning of the second parable

"THE HOLY PROJECT" is reminiscent of an enterprise in which a mighty business owner has defined his business imperative, the primary objective of his own business. For this mighty business owner, this primary objective is to achieve a high profit with high productivity.

The mighty business owner has defined his business strategy, he has aligned all possible "relevant" activities to be performed in his business, in order to achieve its primary objective effectively and

efficiently, and he has defined performance measurements to keep things in check.

It is so that, in a far away country, very far away from where he resides, the mighty business owner launched his enterprise and, through his confidential business helper, he hired the first employees in that country and assigned well-defined tasks to them, as part of the initial “relevant” activities of the enterprise.

To the very first employee that he had hired, through his confidential business helper, he appointed that first employee as CEO (Chief Executive Officer) of the enterprise. Those that were hired right after the appointed CEO, were also appointed to highest-ranking positions to assist their CEO.

As time elapsed, through his confidential business helper, the mighty business owner revealed new “relevant” activities, new opportunities, to these existing employees. Thus, new employees and new working tools were needed in order to accomplish the tasks arising from the new “relevant” activities, to realise those new opportunities, and to move the business forward.

It is so that, with the assistance of the confidential business helper, the CEO established new “job specification” for each new opportunity and, once approved by the confidential business helper, a call for candidate was sent out to fill the new position in the enterprise.

It is so that, the confidential business helper, who supervised all the resources of the enterprise, selected and brought in the appropriate new employee to perform the tasks highlighted in the new “job specification”, and to act in concert with the enterprise intended strategy; each employee in the enterprise was identified by his own “job specification”. And the larger the enterprise became, the more important the synergy — the coordinated action of the elements of a system¹³⁴¹ and which contributes to produce a total effect that is

¹³⁴¹ We shall think of a system as: “A deterministic entity comprising an interacting collection of discrete elements.” A system must have some purpose, it must do something, and do not exist simply as figments of the imagination; it performs certain functions and the selection of particular performance aspects will dictate in which direction it will have to adjust in order to move forward. A system, thus, consists of parts or subsystems that

greater than the sum of effects of the individual elements — that diverse resources and capabilities provide within the enterprise also became. Thus, the components of the enterprise took shape and were aligned by integrating organizational and work flow components of the enterprise, vertically and horizontally, under the CEO and those who were appointed to highest-ranking positions to assist their CEO.

As such, were the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” brought into existence inside the attribute “NON DIVINE”, by “THE DIVINE FORCE”, and to take part in “THE HOLY PROJECT”; each “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” identified by its own “job specification” and representing, as such, a living record of the necessity that had occurred in the enterprise and that had led to the production of that “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” into existence, inside the attribute “NON DIVINE”. The “job specification” of a “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, is the “identity” of that “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”; that is, all the traits or characteristics (specifications) of what remains identical or equal to oneself in time and which, in the light of the necessity that led to the introduction of that “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” in question into the existence inside the attribute “NON DIVINE”, allow to recognize that “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” and to establish its individuality. The seven angelic orders form the base of the vertical organizational and work flow component of the enterprise, and specific workgroups and teams across those seven angelic orders, for special purposes, form the base of the horizontal organizational and work flow component of the enterprise.

It is so that, the employees of that enterprise of the mighty business owner, and each of which being identified by its own “job specification”, were forming all together, a living chronological narrative, a living history of that enterprise. Moreover, through this living chronological narrative, and through his confidential business helper, the mighty business owner also wrote a living

interact. This interaction, which may be very complex indeed, generally insures that a system is not simply equal to the sum of its parts. Furthermore, if the performance of any part changes — for example any type of failure occurs — the system itself also changes.

message, concerning himself and bearing part of his own signature, but visible only for a trained eye and as a result of a very advanced discernment capability.

As time elapsed, these employees worked to master their work tools and they applied their heart to perform their work well, without being conscious and without reflecting on the imperative of the enterprise in which they were hired. They had have put their trust in their skills, each in his own work, but they have failed to gain the required discernment, knowledge, or wisdom, that the confidential business helper had embedded in their work and which were necessary in order to move the business forward as a system, and, to the next desired state, in order to achieve its primary objective.

It is so that, the primary objective of the enterprise has not been achieved; productivity was measured by the confidential business helper and it was found to be very low, almost inexistent, as the employees were sleeping on the “kudos of their innate skills”, after mastering their work tools.

When productivity is low in a business, profit also drops; when productivity increases, profit generally improves as well. When the mighty business owner, saw that productivity in his enterprise was low, then HE rightfully initiated the “change” process to increase productivity.

To increase productivity, it is important to change how employees work, to bring the “LIGHT” close to them. Despite all the assistance that the confidential business helper provided them, these workers in the enterprise, had not grown any discernment and “relevant” knowledge about the primary objective of the enterprise and in relation with their assigned tasks, which were described in their “job description” and, which were needed to move the business forward in achieving its primary objective. They did not listen to the confidential business helper and they were in full “ignorance” as far as the primary objective of the enterprise was concerned, and how that primary objective relates to their “job description”.

It is so that, with the announcement of “change” in the enterprise, their “ignorance” has generated “FEAR” of “change”, and these workers were ready to destroy themselves, to destroy the

enterprise, in order to not have implemented, that “change” in the enterprise.

The mighty business owner went ahead and, through his confidential business helper, he launched the “change” process to increase productivity. The “ignorant” employees, under the leadership of their CEO, also went ahead with their own project to reject the “LIGHT”, they sabotaged and destroyed the “change” process, and they “virtually” took control of the enterprise, and implemented their own desires, not knowing about the primary objective for which the mighty business owner has set when he started his own enterprise.

As such, was the “SPIRIT←LIGHT” ‘EARTHLY’ Creature” brought into existence inside the attribute “NON DIVINE”, to carry the “LIGHT” which is needed to change how employees work, and was destroyed by those same “ignorant” employees. As if to mock the mighty business owner, one of those “ignorant” employees, who was appointed to highest-ranking positions to assist their CEO, will declare himself to be the bearer of that “LIGHT” that they had rejected.

It is so that, since then, the enterprise has been plagued with all sorts of internal fightings, in the absence of the “LIGHT” which is needed to change how employees work; productivity has decreased dramatically to the level of zero and the enterprise had not made any step forward.

Everything that the mighty business owner undertakes to implement for the good of his enterprise, he accomplishes it through his confidential business helper. When come to pass the time that he himself has set and appointed his confidential business helper to “clean up” the enterprise, what will the mighty business owner do with those employees who have knowingly sabotaged and destroyed that “change” process and who have brought the productivity down to zero?

CHAPTER 232

SELECTION OF FEW AMONGST MANY OTHERS VISIONS

As you have understood already, the core content of this “BOOK OF FORMATION” was transmitted through “VISIONS”, or “VISION”-enabled communications, or communication by “VISIONS”, and also through direct communication with “THE DIVINE FORCE”.

This section contains a selection of those “VISIONS” that are very long to describe and to be incorporated directly in the text, and whose reach extends to every human creature that wants to walk with “THE DIVINE”, IHVH, our FATHER. This is why we give them to you here.

CHAPTER 233

VISION OF AUGUST 12, 2005

Beginning of the vision

During the prayer, through my “Spiritual Body”, I rose to the “HEAVEN” and I found myself walking on a forecourt and going towards a very simple appearance dwelling place.

In this forecourt were the Archangel MICHAEL and CHRIST, and they were having a conversation between them. I headed towards them and told them that I came to thank THE FATHER CREATOR and I asked them to give him my thanks, but CHRIST told me that I could go in the dwelling place and thank Him.

So, I went inside that dwelling place, like passing through a door, and I found myself in front of a large flame, in fact a large wall of flame that is protected by something invisible that protects and holds the flame so that it extends no more.

Inside the flame there was the resemblance of someone sitting on a Chair and I asked this being: “Are you GOD?”, and he nodded, and his answer resonated inside me and all my being responded “YES!”, like by telepathy, and I knew that was THE FATHER CREATOR.

Then, I said:

“...

The whole world is looking for You and You are here in front of them and nobody sees you?

...”

I knelt and thanked THE FATHER CREATOR that He created me and for all that He has done for me.

And THE FATHER CREATOR (his voice coming from inside of the flame) told me: "Hold your ground!" And in return, I said: "Yes! I will hold on".

Afterwards, I started to laugh, I was like drunk in front of the flame, rolling myself on the ground, drunken with laughter, laughing because THE ETERNAL GOD is in front of humans, but nobody sees Him.

The Archangel MICHAEL and CHRIST then, entered inside this dwelling place and then, carried me, as one carries someone a stretcher above oneself, one holding me by the feet, the other with his hands supporting me through the back.

While being carried, I asked myself the question in mind:

"...

Why am I drunk like a drunkard?

"..."

A voice (either that of the Archangel MICHAEL or that of CHRIST, I do not know which of the two because I was still drunk with laughter) answered me by saying:

"...

You are drunk with joy!

No one can stand in front of THE ETERNAL and withstand that FLAME.

"

They came out with me through the entrance by which I had entered and they placed me standing on my feet in front of the entry door of this dwelling place where the Presence of the creator father is.

I thanked them and my "Spiritual Body" came back on Earth.

End of the vision

After the prayer, I related this vision to the Archangel MICHAEL and he explained to me its content.

CHAPTER 234

VISION OF NOVEMBER 05, 2006

Beginning of the vision

I find myself in the "Specific 'SPIRITUAL' Environment", "The ALTAR of 'THE DIVINE'", the one in front of which I emit "THE PRAISE", appears in front of me and I see the plants of orchids with white flowers and all around "The ALTAR of 'THE DIVINE'".

From one of these orchids plants bearing flowers, white pollen seeds start to emerge from its flowers, as a white dust, and rise into the air following an elliptic curve, and rising into space going towards the "HEAVEN".

At a certain level, at the top of the elliptic curve, the white pollen seeds turn into bright light in the form of "STARS", then, these "STARS" descend slowly in the direction of the EARTH.

But while descending, I notice that these "STARS" are transformed into plants of orchids and underneath, they all have a bulb and a hook appears at the bottom of each bulb, ready to anchor, to sow into the ground.

At the ground of the EARTH, these "STARS" transformed into orchids plants anchored in the ground and continue to grow.

I say to myself:

"...

What a strange way for a flowers plant to breed and grow.

Its bulb is not formed in the Earth as is usually the case with plants with their seed in the Earth.

..."

CHAPTER 235

Beginning of the vision

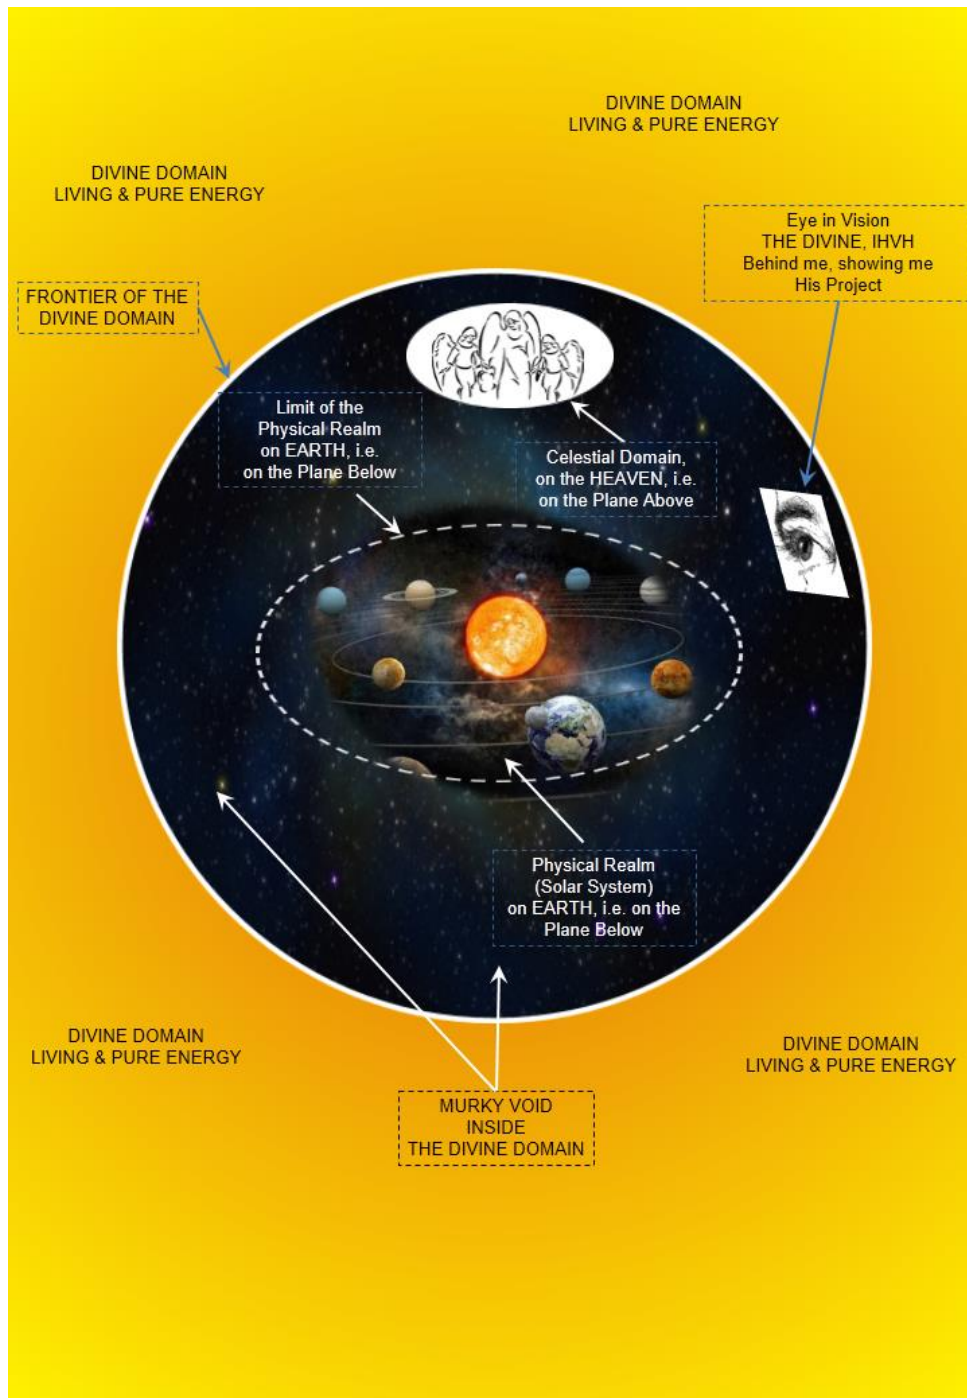

My “Spiritual Body” rose and I found myself in the “Specific ‘SPIRITUAL’ Environment”, outside the “Physical Realm” and above outside the universe (of the “MURKY VOID”). (See diagram)

I see the whole universe in front of me, the solar system and several of the “earthly globes” that humans call “planets” appear as small balls, each following its path around the solar star.

I see thousands of shining “STARS”, very close to me, behind me, outside the universe and I feel the Presence of THE ETERNAL GOD, IHVH, THE FATHER CREATOR next to me and I have no need to look at Him, I know instantly that it is Him, and together we look at his Work.

I see one of the “planets” (those “earthly globes” that humans call “planets”) deviating from the path that “THE DIVINE”, IHVH, our FATHER has assigned to it. That “planet” was moving away jumping joyfully and dancing like a little child playing.

That “planet” hears the call of “THE DIVINE”, IHVH, our FATHER who asks it to come back and resume the path assigned to it around the solar star.

solar system appear to be inanimate, but each of them answers the call of THE FATHER CREATOR, they obey all to what HE asks them to do and they follow the path that HE asked them to take.

I understand then, within myself why the solar star light is like darkness in front of THE FATHER CREATOR. Because the luminous radiation of the "DIVINE BODY" of THE FATHER CREATOR is more than of several billion times that of the Sun.

I understand then, why the angels are singing the praise and the glory of THE FATHER CREATOR: THE FATHER CREATOR is the Absolute Master of the universe, of the whole existence.

My eyes turn towards another domain of energy, a small of the "earthly globes" that humans call "planets", it is brown in color and is totally boiling.

On that "earthly globe", forms of bubble jets, a gooey liquid and of brown color (as wet clay), rise all over its surface, while remaining attached on that surface, before flattening themselves again on that same surface, like splashes: as if this "earthly globe" in turmoil was about to explode at any time.

I understand immediately that it is Earth (the Earthly world in which live human creatures) and its inhabitants and the bubble jets are the souls of human creatures who are born, live and die while staying at the Earth (they do not leave that "earthly globe" which is in turmoil; that is, the Earthly world).

I look and observe closely at that small "earthly globe" of brown color, as if by my only thought I magnified it to take a closer look, and in fact my presumption is confirmed, it is Earth (the earthly world) where live human creatures.

Other forms of bubbles of jets, of the gooey liquid and of brown color, these are fewer and can be counted on the fingers of the hands, rise at times as single points on some parts of the surface of this earthly world, while remaining attached to the surface before flattening themselves again on that same surface, but this time by letting a bright white light which goes very quickly right up in the space where the other thousands of "STARS" are, to join them.

I understand that these are the souls of the chosen ones, the righteous, of all those who have accomplished and carry out their

duties in the work of THE ETERNAL, the mission that THE ETERNAL has entrusted to them on Earth; their souls rise to the Heavens.

By looking more closely at one particular bright light of these white bright lights on the small “earthly globe” of brown color and which ascends towards the Heavens, I notice that this particular glittering light is in fact in itself a set of bright white lights, stuck between them.

The largest bright light at the top within this set is pulling up all the other lights that are attached to it, and by cascades these lights are also pulling up those which are below them, and so forth, and all rising into space to the Heavens, in the direction where the largest bright light at the top within this set of bright white lights, directs them and where all the other small lights are going.

This whole set, of white bright lights, resembles a pyramid that rises in the space to the Heavens, as it comes out of the surface of the small “earthly globe” of brown color and, inside myself, I recognize the largest bright light that pulls all the others white bright lights towards Heaven: it is a great light in itself alone, I understand that, it is the beloved of “THE DIVINE”, and other small lights are those who must be saved. I know very well that great light, that chosen one of “THE DIVINE”.¹³⁴³

I look at the environment all around this pyramid of white bright lights that this chosen one of “THE DIVINE” is pulling out of the gooey liquid that was of brown color, and I notice that all around this group of white bright lights that this chosen one of “THE DIVINE” is pulling out, that gooey liquid is currently black: like a black tide of oil, but this black liquid do not touch this chosen one of “THE DIVINE” and do not touch this pyramid of white bright lights.

¹³⁴³ You, fellow human, who is reading these writings, **BE THOUGHTFUL AND UNDERSTAND THROUGH DISCERNMENT** what we are giving to you, what we are passing on to you, through these revelations. **STAND IN “PURITY” AND HOLD YOUR GROUND IN “PURITY”, AT ALL TIMES;** for, that is your ticket for boarding the last boat — that whole set, of white bright lights, which resembles a pyramid that rises in the space to the Heavens — leaving this destroyed Earthly world and bound for ETERNAL LIFE.

Beneath pyramid of white bright lights, other white bright lights are coming out of the gooey black liquid, to join the pyramid of white bright lights.

Instantly, I zoomed out of this close view of this earthly world which was brown in color, and now looking from afar (as if by my only thought I remove the magnification to take a look from afar, of what I just saw at closer look).

And I see then, that this earthly world is in fact entirely covered with that gooey black and filth liquid; however, there are small points of white bright light appearing from time to time and in different parts of its surface.

Those small points of white bright lights, afterwards, go straight into space, outside of this earthly world.

I understand that the earthly world, the whole world is currently dominated and covered completely by evil, by filth, but that there are still human creatures on this earth and others will be born there, who must be saved, who will accomplish the tasks that “THE DIVINE”, IHVH, our FATHER will entrust them and will return to THE FATHER CREATOR.

I then, ask “THE DIVINE”, IHVH, our FATHER:

“ ...

How did such thing came to be?

...”

And “THE DIVINE”, IHVH, our FATHER showed me how it happened.

I look again at that “earthly globe” which is the “earthly world”, and it appears as a small ball white, shining and covered with a beautiful glow of pure white light, like the lunar star in full light — the full Moon — and just like the gas layer that covers the external surface of the earthly world.

That “earthly globe” which is the “earthly world” is alone in the universe in front of me; there are no others “earthly globe” or stars, no Solar star, no Moon star, and I understood that this is the status of the “earthly world”, before the creation of the human creature.

Suddenly, a black spot leaves from the “Specific Energy ‘CELESTIAL’ Domain” that “THE DIVINE”, IHVH, our FATHER showed me when I asked him where was the Archangel MICHAEL.

And that black spot, like lightning, crosses the void and falls on the surface of the “earthly globe” which is the “earthly world” and begins to spread over the surface of the “earthly world” which, was alone in the void, and as I now notice, is this time in the solar system¹³⁴⁴, it increases and gradually covers the entire surface of the “earthly world”.

However small points of white bright lights subsist at few places on that “earthly globe” which is all wrapped in the gooey black and filth liquid. Those small points of white bright lights stop appearing, and thus, the surface of the “earthly world” becomes completely black, and there is no point of white bright lights on this surface: that “earthly globe” which is the “earthly world” is now a complete darkness.

After a passage of time during which that “earthly globe” which is the “earthly world”, remained completely black, it is afterwards, that, pure white Light began to reappear as at the beginning, spreading on the surface of the “earthly world” and the gooey black and filth liquid begins to be wiped out of existence and disappear from the surface of this “earthly world”, which becomes fully white

¹³⁴⁴ That black spot has fallen on the surface of the “earthly globe”, which is the “earthly world”, long before that the solar system was produced in the void, long before that the human creature was created into existence inside that “earthly globe”. In fact, this was the disaster that took place in the afternoon of the Third Day of the implementation of the “Second Phase” of “THE HOLY PROJECT”; the “BETRAYAL” that has crowned all the betrayals perpetrated by the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” against “THE DIVINE”, IHVH, our FATHER. We have already explained the details of the origin of that black spot, what it was, the effects of which were designated as the “CURSE”, and how it spreaded, and how the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” deceived their neighbour, the human creature, accused him of being the cause at the origin of the spread of that black spot, and murdered him. These “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” will eventually spend their time trying to outsmart “THE TRUTH” to conceal their own “BETRAYAL” perpetrated against “THE DIVINE”, IHVH, our FATHER, saying in themselves that no one else will read “THE TRUTH” in the registers of “THE DIVINE”, IHVH, our FATHER.

lighted and takes back the brightness which it has in the beginning: like the lunar star in full light – the full Moon.

It is then, that white bright lightning, points of bright glittering light, as the shooting “STARS”, depart from the space and move towards this “earthly world” which has regained its original white color and brightness.

These shooting “STARS”, are human creatures who had walked on the path that “THE DIVINE”, IHVH, our FATHER had prescribed for them and who had annihilated the filth of their spiritual body.

I understand that by what “THE DIVINE”, IHVH, our FATHER showed me in response to my question “... How did such thing came to be? ...”, HE let me see by myself the creation of this world in which live the human creatures, the appearance of evil in this world, his dominion over human creatures until the end of the time appointed when the soul of the last of the chosen ones will return to THE FATHER CREATOR, and the erasure and disappearance of evil, impurity and filth which had been hurled into the “earthly world”, of the existence and the coming of the world again as it was designed by “THE DIVINE”. All this, HE showed it to me in less than a minute.¹³⁴⁵

And I also understand that “THE WORD OF THE DIVINE” whereby the impurity and the filth will be wiped out from existence, is ready. The whole CREATION awaits only the time appointed by “THE DIVINE”, IHVH, our FATHER, for this “WORD OF THE DIVINE” to be pronounced into existence. I understand that we have entered and we are in the last interval of time for this “earthly world”, I understand that this is “the time of the end”.

“...

FATHER CREATOR!

Glory be with You, Honor be with You!

Yes, You deserve them in all ages, You merit it.

¹³⁴⁵ From such a short display of knowledge, “technological” and scientific achievements, to produce such concise and detailed communication by “VISION”, by “THE DIVINE”, you instantly realise how little and inexistent you are in front of “THE DIVINE”.

I am just an Ant of Earth and I do not deserve to be in front
of Your Holy Temple and in front of You!

Yes! My soul extols Your praise, my soul extols Your glory.

Yes, Glory be with You, Honor be with You, in all ages.

...”

End of the vision.

CHAPTER 236

VISION OF OCTOBER 11, 2015, DURING THE PRAISE WORSHIP OF o3Hoo IN THE MORNING

Beginning of the vision

Through my "Spiritual Body", I find myself inside a "SUBSTANCE" and I understand in myself that "THE DIVINE", IHVH, our FATHER shows me an image of the interior of His Domain, the interior of Himself, through this "spiritual image".

In front of me, (I am still) inside the "SUBSTANCE", I see parts of the "SUBSTANCE" which rise from themselves and take each of forms of known things. These things are alive in the "SUBSTANCE" and are the "SUBSTANCE" and they move in the "SUBSTANCE".

Looking closely, I see how these living things are formed from the "SUBSTANCE": they were formed from smaller particles of the "SUBSTANCE" itself. These smaller particles of the "SUBSTANCE" itself come together very quickly, it is like an invisible force responded to an instruction that "THE DIVINE", IHVH, our FATHER gave and this invisible force arranges these smaller particles of the "SUBSTANCE" itself and form a living thing that starts to move in the "SUBSTANCE" and this thing formed is still the "SUBSTANCE" itself.

Other smaller particles of the "SUBSTANCE" are also arranged together and the shape of an angel appears and this living form moves flying in the "SUBSTANCE".

And I say: "Ah! I understand how You created all things in Yourself."

End of the vision.

By this vision, I understood then, how had been manifested “The wall of flame and the shape of the being sitting on a chair and in front of which I found myself” and concerning a previous vision, that of August 12, 2005, that “THE DIVINE”, IHVH, our FATHER had sent me. I also understood how “THE DIVINE FORCE” had made appear the form of the BEING sitting in that chair, and I also understood their meanings.

By this vision, I understood how each of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” was brought forth, was written, was drawn, into existence inside the attribute “NON DIVINE”, by “THE HAND OF THE DIVINE”, “THE DIVINE FORCE”, on instructions of “THE DIVINE”, IHVH, our FATHER.

By this vision, I also understood the realization of the decrees emitted by “THE DIVINE”, IHVH, our FATHER, and “saw” “THE DIVINE FORCE” at work in the achievement of all these decrees.

CHAPTER 237

VISION OF AUGUST 18, 2016

Beginning of the vision

While I was in the “SPIRITUAL”, “THINKING” and “REFLECTING” on how to describe “WISDOM” at best so that human creatures can grasp what it is, I said to myself:

“...

“WISDOM” is difficult to grasp.

With who is it CONJOINT?

FATHER has created everything by pair.

I see that where “THE SPECIFIC SPIRITUAL FORCE OF LIFE” is, there also is “WISDOM”.

When “THE SPECIFIC SPIRITUAL FORCE OF LIFE” is not present somewhere, “WISDOM” is not present there either.

Would it be another face of “THE SPECIFIC SPIRITUAL FORCE OF LIFE”?

FATHER has placed in “WISDOM” the knowledge of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, its supreme completeness and knowledge of all that this “DIVINE SUPREME CONFIGURATION” contains.

I see that it would be rather the CONJOINT of “THE DIVINE ARCHITECT AND PROJECT MASTER”.

...”

It is then, that, "WISDOM" presented Herself in front of me, in the "Specific 'SPIRITUAL' Environment", in the form and appearance of a human creature.

I recognized this human creature and I said to this creature who was in front of me:

"...

Wait a moment, I know you! We are walking together since the beginning. Is it not you who is called "THE KNOWLEDGE OF THE DIVINE"? It is you also "WISDOM"?

..."

Then, the creature in human appearance in front of me smiled.

Instantly I realized who SHE was and together we burst into laughter, and then, I said:

"...

MY GOD! YOU ARE AMAZING IN YOUR WORKS, BE GLORIFIED. Even a "word" you make it alive, you transform it into a living creature.

..."

Then, I remembered the conversation that I had with the Archangel RAGUEL concerning the Sun and the Moon. Therefore, together, the creature in human appearance in front of me and I, we have again burst into laughter.

I understood: "WISDOM" passes everywhere where "THE SPECIFIC SPIRITUAL FORCE OF LIFE" is, SHE is the same in all the "Divine States" and all the manifestations of those "Divine States" in the attribute "NON DIVINE". "WISDOM" is "THE DIVINE FORCE", at the same time "THE KNOWLEDGE OF THE DIVINE".

Then, I understood why SHE takes many forms and why CHRIST had told me that "THE DIVINE FORCE" takes several forms to live with the likes of taken form and accomplish the mission that has been entrusted to HER by THE FATHER.

End of the vision.

CHAPTER 238

EXCERPTS OF CONVERSATIONS

This section contains some excerpts from conversations with the elders of the creation, that “THE DIVINE”, IHVH, our FATHER has maintained in the “Specific Energy ‘CELESTIAL’ Domain”.

The scope of these conversations remains in the domain bounded by “FATALIY” in which “THE HOLY PROJECT” was plunged and it spans on every human creature who wants to discern the consequences of that “FATALIY” on human creatures, and this is why we give them to humanity, although they are in metaphors, and also so that you can sober yourself up the sleep in which you are.

It is thereafter that “THE DIVINE”, IHVH, our FATHER showed me “THE HOLY PROJECT” and led me to understand the genesis of “THE HOLY PROJECT”, outside of “THE FATALIY” in which “THE HOLY PROJECT” was plunged, and with the help of “THE DIVINE FORCE”, this “BOOK OF FORMATION” has been written, as HE explained it to me.

CHAPTER 239

EXCERPT FROM THE CONVERSATION OF JUNE 21,
2005: ARISTIDE, MARGRIET, HOLY MARY

HOLY MARY:

Peace be with you brother Aristide! Peace be with you sister Margriet! How are you today?

Aristide, Margriet:

Peace be with you Holy Mother! We are doing well today, thanks.

HOLY MARY:

I am your friend, Margriet, we bear the same name: Mary. I will tell you my story.

When I was younger, I was like you, I cried a lot. When I was almost twenty years old, I walked along a path and I had met someone very poor who did not have anything to eat. He had no family and was only wearing shabby clothes.

I had observed that person and he asked me: "Can you help me? I have no one else." I had an open heart and welcomed anyone, anyone was welcome.

I had brought that person to live in my family. He had received food and everything else he could need, and it is that person who did crucify my father. He delivered my father to the enemy who crucified him. That person did this because he wanted to have possession of all the property of my father and my family. After that, my family had nothing more. My family and I had lost everything.

When I was thirty years old, I met THE ETERNAL FATHER and spoke with Him for the first time. It was through GABRIEL. This is not mention in the Bible. After that HE talked with me, the remaining is written in the Bible.

I said to myself: "What is happening with me?" It was already written, it was part of the prophecy. I lived with the feelings of guilt about my father because I thought that I had been the cause of the death of my father. But it was not so. What had happen was a prophecy. This had to happen.¹³⁴⁶ The prophecy repeated later with my Son.

I know how you feel, how you are suffering and I see it. But you must have a lot of courage, Margriet. Do not look in the past, but rather to the future. Do not cry anymore and have joy in your heart. Do not trust in any human creature in this world, as a human creature cannot create another human creature. But give your life to THE ETERNAL and believe in Him.

Do you know that I left Earth without knowing the death? I went directly to the Heavens after the death of my Son. I have not known death. I now live in joy with THE ETERNAL. I am asking you to be brave and strong.

¹³⁴⁶ Whenever you want to get to the bottom of things, to find out where "THE FATALITY" in which this earthly world is plunged into, comes from, if you go through the system of imposture and deception that the "SPIRIT←SPIRIT" 'CELESTIAL' Creatures" have set in place, to cancel and to replace the "specific spiritual formation" of "THE CHURCH", formed from the "SPIRIT←LIGHT" Body" of the "SPIRIT←LIGHT" 'EARTHLY' Creature", with the "SPIRIT←SPIRIT" 'CELESTIAL' Creatures" around it receiving instructions from the "SPIRIT←LIGHT" 'EARTHLY' Creature", you will not go anywhere. You will not be any step further to know anything about the origin of "THE FATALITY" in which this earthly world is plunged into, let alone, to know anything about "THE DIVINE", IHVH, our FATHER. The system of imposture and deception that the "SPIRIT←SPIRIT" 'CELESTIAL' Creatures" have set in place is a dead end road where all answers to pertinent questions that you may have, summarize to: "... It is what had to happen..., it is what was written..., it is the prophecy, etc...". And the "SPIRIT←SPIRIT" 'CELESTIAL' Creatures" stick together with those answers of their leaders, in their system of imposture and deception.

Read more in the extended annotations at the end of this excerpt.

את

When you are among people who do not believe in THE ETERNAL, do not let them dominate you, never give up! And let not such people run your life. Let them see that THE ETERNAL is your GOD. HE is the ONE who decides on your life.

I hope that you will not cry more. From time to time, I will come visit you in Wijk aan Zee so that you should not feel alone. You can always call me if you have any questions or if you want to talk to me via MICHAEL.

I wish you good luck when you see and talk to your loved ones; Do not let anyone push you back.

Aristide, Margriet:

We thank you for the teachings you gave us; Be blessed, Holy Mother, and blessed be THE ETERNAL FATHER!

EXTENDED ANNOTATIONS

“...What had happen was a prophecy. This had to happen...”

Whenever you want to get to the bottom of things, to find out where “THE FATALITY” in which this earthly world is plunged into, comes from, if you go through the system of imposture and deception that the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have set in place, to cancel and to replace the “specific spiritual formation” of “THE CHURCH”, formed from the “‘SPIRIT←LIGHT’ Body” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, with the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” around it receiving instructions from the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, you will not go anywhere. You will not be any step further to know anything about the origin of “THE FATALITY” in which this earthly world is plunged into, let alone, to know anything about “THE DIVINE”, IHVH, our FATHER. The system of imposture and deception that the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have set in place is a dead end road where all answers to pertinent questions that you may have, summarize to: “... *It is what had to happen..., it is what was written..., it is the prophecy, etc...*”. And the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” stick together with those answers of their leaders, in their system of imposture and deception.

They did the same with the first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, “ADAM” and “THE FEMALE”, after having destroyed these two, they told and kept telling to their descendants that “... *It is what had to happen..., it is what was written..., it is the prophecy, etc...*”, thinking that no one will ever come to look through “THE EYE OF THE DIVINE”, to understand what is really “going on” behind the scene, and to reveal all their misdeeds. Those answers, however, will allow you to gauge the extent of “THE KNOWLEDGE OF THE DIVINE” that these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have grown in them and have been transmitted to “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”.

If you really want to know what is “going on” behind the scene with these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, then go and talk to “THE DIVINE FORCE”.

All the miseries, through which HOLY MARY went through, before the coming into existence of CHRIST, were orchestrated by these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” on both sides of their ongoing “CELESTIAL WAR”, and for one purpose: TO PREVENT THE ADVENT OF CHRIST. These “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had already identified the

“‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” having the “FEMALE” adjective, that is to say HOLY MARY, and through which CHRIST will come into existence. For these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, it was imperative to break HOLY MARY down, as in the past they had attempted to destroy the elder ABRAHAM, and have destroyed many others, for the same purpose: TO PREVENT THE ADVENT OF CHRIST; HE WHO WILL REDEEM THE “REDEMPTION CLAUSE” OF THE RIGGED “DEATH CONTRACT” that these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” wrote against “ADAM”, and all his descendants, who are the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”.

To hide their shenanigans and their crimes, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” will repeatedly tell to their victims, “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, what their leader, the Archangel MICHAEL, told them: “... *It is what had to happen..., it is what was written..., it is the prophecy, etc...*”, just like the infamous “...*I cannot explain it too directly to you at this time, for the Host will not be able to fully understand it until they see Sin demonstrated...*”¹³⁴⁷, not knowing that through all such sayings, he was revealing his own dealings, in order to hide his own “SINS” and crimes, which he has perpetrated against “THE DIVINE”, IHVH, our FATHER, and against his neighbours, the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”. And their victims will swallow it and pass it on to others “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”. As such the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” are kept confined in “Obscurity”, in “THE FATALITY”.

EXCERPT FROM THE CONVERSATION OF JUNE 28,
2005: ARISTIDE, MARGRIET, MOSES

Peace be with you brother Aristide! Peace be with you sister Margriet! How are you my friend?

*Peace be with you father*¹³⁴⁸ **MOSES!** *We are doing well.*

I hope that you will not cry anymore Margriet! If you cry, CHRIST will let come all the others. We are here to help you.

You are not the only one who cries, from time to time, I cried too when I was on this Earth. Sometimes I did not know why I was crying, it was a habit.

But I have learned one thing about that: when you cry, it makes you weak and you have no more confidence in yourself.

Have a lot of confidence and faith in THE ETERNAL.

¹³⁴⁸ At the time of these conversations, the knowledge on the meaning of the word “father” was not yet awoken in me by “THE DIVINE FORCE”, although that knowledge was sleeping inside me, just as it is with all human creatures on this earthly world. Thus at that time I used the terms “father MOSES”, “father ABRAHAM”, “father ENOCH”, as a token of respect towards my elders. It is later that “THE DIVINE FORCE” has awoken that knowledge in me and explained to me the meaning of the word “father” and I understood why no human creature should be and cannot be called “father”; it is the same with the word “mother”.

CHRIST sent me to talk to you about my own experience.

I wish you ahead happy wedding anniversary, the others above too.

When I was on this Earth doing the work of the Lord¹³⁴⁹, I had a brother and a sister: Miriam and Aaron, whom you know through the Scriptures. My brother Aaron had followed the wrong path.

It is Aaron who had conducted himself on the wrong path; He was the one who left the people create and worship an Idol instead of THE ETERNAL; because he had no faith in the Lord, but only in material things.

Aaron believed that the Lord would give him anything he wanted. It had nothing to do with the fact that he was my brother. He was punished by the Lord and cast out from among those who the Lord had chosen¹³⁵⁰.

¹³⁴⁹ It is important to understand that from the early days after the creation of “ADAM”, through the “alter ego of names” the Archangel MICHAEL was presenting himself as “The Lord”; it is about that “Lord” that is reported in a large part of the Scriptures, as long as “FATALITY” is concerned, and here also.

The “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” were using the “alter ego of names” trying to put the responsibility for the actions of their “nefarious and despicable shadow scheming” on “THE DIVINE”, IHVH, our FATHER.

Lacking knowledge of the ins and outs of “THE HOLY PROJECT” and not knowing that “THE DIVINE”, IHVH, our FATHER is in “THE SUPREME PLENITUDE”, then, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” say to themselves that if “THE DIVINE”, IHVH, our FATHER were to make a decision that is intended to “punish” this or that human creature, then, they — “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” — would have justified their “BETRAYAL” perpetrated against “THE DIVINE”, IHVH, our FATHER, and “THE FATALITY” in which the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have plunged “THE HOLY PROJECT”.

¹³⁵⁰ These people that the Archangel MICHAEL, through the “alter ego of names” and presenting himself as “The Lord”, had chosen there at the time of MOSES, had nothing to do with the “CHOSEN ONES” and who are the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creatures”, offspring from the first begotten of “THE DIVINE FORCE” — that first begotten who was anointed with kindness, the ability to illuminate, and the incorruptibility of “THE DIVINE FORCE”, that first begotten who is also called “THE SON OF THE DIVINE” — and are all descendent from the seventh expression of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, manifested in the attribute “NON DIVINE”.

Miriam and Aaron were always against me in the decisions I took and in what I said because I had not lived among them. For them, I did not know the misery they had known.

My sister Miriam was also punished by the Lord; because she had offended the Lord. The Lord had punished her right there with leprosy, which was at that time an unknown disease.¹³⁵¹

The body of Miriam was covered with leprosy for years. She was very saddened and in sorrow. All the other people who had worshipped the idol were also punished with leprosy. Thousands of people died of it.

Amongst all those human creatures there, only MOSES was a “CHOSEN ONE”, a “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, and he was not “chosen” and sent into existence by Archangel MICHAEL.

These people that the Archangel MICHAEL had chosen there at the time of MOSES, were “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, the “CALLED ONES”, the offspring of their first manifestation which was called “ADAM”, and which had lost the memory of their “PLENITUDE”.

It is not because the Archangel MICHAEL placed his choice, opted, on a “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” that, that “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” will, as if by enchantment, become a “CHOSEN ONE”, a “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature”.

Thus, if you are in the absence of “THE KNOWLEDGE OF THE DIVINE”, imagine what kind of confusion and damages you will propagate amongst those “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, by designating them as “CHOSEN ONES”, as “CHOSEN” people, which they are not.

¹³⁵¹ As you have understood already, this “Lord” about which the elder MOSES was talking about, is the Archangel MICHAEL, the self-proclaimed “god” who, in as much as his nemesis “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” designated as AZAZEL, was sowing destruction and “DEATH” amongst “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” who did not know anymore about their own “PLENITUDE”, and that “Lord” has nothing to do with “THE DIVINE”, IHVH, our FATHER, who is “ABSOLUTE PURITY”.

As we have indicated in the previous annotation, if you are in the absence of “THE KNOWLEDGE OF THE DIVINE”, imagine what kind of confusion and damages you will propagate amongst those “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, who do not know the difference between this “Lord” about which the elder MOSES was talking about, and “THE DIVINE”, IHVH, our FATHER.

*But the people who had been healed turned away from the Lord a second time. In the desert, the people were killed by snakes. Thousands of people fled from the chosen people, thousands of snakes came out of nowhere.*¹³⁵²

¹³⁵² It is “THE CELESTIAL WAR” that followed its course in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, which, from the early days of its formation, became the new battleground of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”. They used the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” and the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creatures” as proxies in their works of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”. All of them continued to sink into the depths of the absence of “THE KNOWLEDGE OF THE DIVINE”, in the web of “FATALITY”.

Always remember that “THE DIVINE”, IHVH, our FATHER is “SUPREME PURITY” and HE is always in “THE SUPREME PLENITUDE”.

*You should not cry any more, Margriet, because the Lord is with you. Do you know that since I am with the Lord I do not cry anymore? I am now in joy. I am very happy*¹³⁵⁴ *and I wish you courage.*

Know that I always look at you, you cannot go far to hide, I will always see you. We will always help you. Look! I brought you “flowers”!

*I must leave the spot to others, stay in peace.*¹³⁵⁵

¹³⁵³ The human creatures could not see what was going on in the “Specific ‘SPIRITUAL’ Environment” external and immediate around them and they had long lost the memory of their own “PLENITUDE”.

Thus the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, since they had overthrown and destroyed “ADAM” and “THE FEMALE”, as well as their offspring, and had themselves, by cheating, raised above the human creatures, continued their recess and continued to “rule the roost” on these human creatures, using indiscriminately and irresponsibly, and committing adulteries with the teachings they had received from “THE DIVINE FORCE” long before the creation of this earthly world; those teachings which had been provided to them in order to carry out the proper implementation of the “Second Phase” of “THE HOLY PROJECT”.

These “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” were demonstrating by their own actions, what they have hidden in them; they were demonstrating and realizing their vision of their role in “THE HOLY PROJECT”, by the mistreatment they inflicted on their neighbour: the ransom of “sin” that had perpetrated “ADAM” towards the Archangel MICHAEL, the price of the “favour” that the Archangel MICHAEL granted them by leaving them alive, and of which the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” were to rejoice in.

¹³⁵⁴ This joy is that, which the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had always wanted to impose on human creatures: it is a joy that is based on feelings of well-being and it is not based on “THE KNOWLEDGE OF THE DIVINE”; because when you ask these elders to tell you something about “THE DIVINE”, IHVH, our FATHER, then, you will quickly realize that with the exception of CHRIST, none of them is knows “THE DIVINE” and less “THE DIVINE FORCE” and the work SHE has accomplished.

¹³⁵⁵ “*I must leave the spot to others*” is said because many of the elders of “THE HUMAN EDIFICE”, as well as angels and archangels, came to greet “he who wrote the book”, as apparently, the news has circulated already in the “Plane Above” about the unsealing of the

CHAPTER 241

EXCERPT FROM THE CONVERSATION OF JUNE 29,
2005: ARISTIDE, MARGRIET, ARCHANGEL RAPHAEL

Aristide:

Peace be with you RAPHAEL! Can you tell me about the healing and sanctification?

Archangel RAPHAEL:

Peace be with you brother Aristide! Peace be with you sister Margriet!

The “peace of the heart”¹³⁵⁶ is the source of all healing and sanctification. To have the “peace of the heart”, you must have love for THE ETERNAL FATHER in your “heart”. You must remain focused in your prayers during worship.

You have to tell yourself that you are doing this or that because you want to do it and not because someone else is pushing you to do it. You should not be angry and remain alone for a long time.

The “peace of the heart” allows to achieve many things. Always seek it and have trust in the Lord. Any problem has a solution; you only need to want to solve it.

I will tell you the story of Lazarus.

¹³⁵⁶ The “heart” is the symbol of the most inner constituent in the human creature; It is “The ALTAR of ‘THE DIVINE’” inside of the “Spiritual Body” of the human creature. Therefore, the “peace of the heart” is the expression used to refer to the state of “HARMONY” of “The ALTAR of ‘THE DIVINE’” with “THE DIVINE”.

Lazarus was a nephew of MARY. He has prayed THE ETERNAL FATHER and was doing his work, at that time CHRIST was still living on this Earth.

CHRIST left for another region and Lazarus fell sick. For months Lazarus was sick, but CHRIST, nephew of Lazarus, could not help him because he was not in the neighborhood.

The family of Lazarus called to THE ETERNAL FATHER, who remained silent. The ETERNAL FATHER was silent not that HE did not like Lazarus but so that prophecy might be fulfilled. The ETERNAL FATHER willed to let the inhabitants of the Earth see that HE is the one GOD.¹³⁵⁷ It is so that, Lazarus came to pass.

Years after the death of Lazarus, his nephew CHRIST returned to the country. Initially the members of the family of Lazarus were very angry that they asked CHRIST to go away.

But out of love for Lazarus, and for the love of THE ETERNAL FATHER, CHRIST left. He left not to the neighborhood, but he immediately went to the tomb of Lazarus.

In those times, people used huts to lay their deads, and it is in one of these huts that, that, which had been Lazar was laid in its coffin.

At that period of time, humans wrapped the bodies of their deads with white sheets. After all the years that had elapsed after the death of Lazarus, it was just his bones that were in the white sheets.

CHRIST spoke to these bones, and the body of Lazarus came back to life, covered with flesh. That is how Lazarus came back to life.¹³⁵⁸

¹³⁵⁷ This is a view from the “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures” concerning those events. It is also an acknowledgement that some “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures” had claimed in the past, and had presented themselves, to be “gods” and had thus sowed such things in human creatures.

After the horrible “BETRAYAL” that “THE DIVINE”, IHVH, our FATHER had undergone with the “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures”, HE do not tell anyone, anymore, of His Projects. Blessed be “THE DIVINE”, IHVH, our FATHER for having taken that decision!

¹³⁵⁸ CHRIST was in a high enough state of “HARMONY” with “THE DIVINE”, IHVH, our FATHER, and it is so that “THE WORD OF THE CHOSEN ONE”, emitted CHRIST, was accomplished by “THE DIVINE FORCE”.

CHRIST brought him to his family. His family began to believe in THE ETERNAL FATHER, but it was for a short time.

CHRIST was able to achieve this miracle because he had the “peace of the heart”.

I tell this story to Margriet to make her understand that with the “peace of the heart” you can achieve a lot.

It is also so that CHRIST, by faith and the “peace of the heart”, walked on the water.

You must do everything to achieve the “peace of the heart”. There are things happening on this Earth that you cannot understand.

“THE WORD OF THE CHOSEN ONE”, emitted CHRIST, was not expressed into existence in “The ALTAR of ‘THE DIVINE’” inside of “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — in the “Specific Energy ‘CELESTIAL’ Domain” in the attribute “NON DIVINE”; but it was expressed in the existence directly by CHRIST who was present in the first “Specific Energy ‘EARTHLY’ Habitation Domain” in the “Plane Below”, and as the very essence (or the seed, or even a part) of “The ALTAR of ‘THE DIVINE’” which is located inside of “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — in the “Specific Energy ‘CELESTIAL’ Domain” in the attribute “NON DIVINE”.

It is so that, “THE DIVINE FORCE” has obeyed, invisible in the sight of all these creatures, both the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” (human creatures) and the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” (angels and archangels), and “THE DIVINE FORCE” started to work. Instantly, SHE arranged the “Specific Atomic ‘EARTHLY’ Substances”, restoring again in details, the “Subjective ‘EARTHLY’ Garment” which had been that of the “‘SPIRIT←LIGHT’ Body” of Lazarus. At the same time when “THE DIVINE FORCE” has finished restoring that “Subjective ‘EARTHLY’ Garment”, SHE (tele-) transported the “‘SPIRIT←LIGHT’ Body” of Lazarus, like in a wink from the place where it had been placed awaiting trial, from the outside of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, and SHE placed it again in that “Subjective ‘EARTHLY’ Garment”.

It is so that, “THE DIVINE FORCE” has accomplished in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, “THE WORD OF THE CHOSEN ONE”, emitted by CHRIST. That is how Lazarus came back to life.

All the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who have declared themselves to be “gods” above “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, were stunned and none perceived nor recognized “THE DIVINE FORCE” at work, and even less understood what had been manifested in front of them.

Do you know that your spirit ["Spiritual Body"] is able to talk with other people on this Earth without using your mouth?

You must continue with the prayers. Always ask for help to THE ETERNAL FATHER, and HE will always help you.

No matter what will happen to you in your life, never be afraid. Even if you see that you are faced with a problem that seems to have no solution. Always know that any problem has a solution, it takes only your will to solve it.

CHAPTER 242

EXCERPT FROM THE CONVERSATION OF JUNE 29,
2005: ARISTIDE, MARGRIET, ABRAHAM

Aristide:

Peace be with you father¹³⁵⁹ ABRAHAM!

ABRAHAM:

Peace be with you sister Margriet! Peace be with you brother Aristide!

In the past, I lived like you on this Earth in the respect and love of THE ETERNAL GOD. I was chosen by the Lord, when I was still young and I lived with him.¹³⁶⁰

¹³⁵⁹ As we mentioned in a previous annotation, at the time of these conversations, the knowledge on the meaning of the word “father” was not yet awaken in me by “THE DIVINE FORCE”, although that knowledge was sleeping inside me, just as it is with all human creatures on this earthly world. Thus at that time I used the terms “father MOSES”, “father ABRAHAM”, “father ENOCH”, as a token of respect towards my elders. It is later that “THE DIVINE FORCE” has awaken that knowledge in me and explained to me the meaning of the word “father” and I understood why no human creature should be and cannot be called “father”; it is the same with the word “mother”.

¹³⁶⁰ Now, through the “alter ego of names”, it was the Archangel MICHAEL who was presenting himself as the Lord; but ABRAHAM did not know that. Just like every human creature during those times, they had no knowledge of such things and many things were mixed through those “alter ego of names” to the point that none of the human creatures could make the difference between the Archangel MICHAEL who presented himself as the Lord, and “THE DIVINE”, IHVH, our FATHER.

Read more in the extended annotations at the end of this conversation.

I had a lot of problems because I could not have children because the time was not ripe. I prayed to THE ETERNAL GOD for years until I had the joy to found a family.

At that period of time, people on this Earth could live up to the age of 460 to 600 years. But after more than 100 years, THE ETERNAL GOD gave me a son. My son was meant to praise and love THE ETERNAL GOD and to do His will.

I did not have any friends, because the people did not approach me. It is not easy, when you pray and praise THE ETERNAL GOD, to interact with people who do not believe in Him, who do not praise, and who believe in other things.

Everywhere people made fun of me and I was betrayed by several people. It is so that, I headed toward THE ETERNAL GOD. I was sure that THE ETERNAL GOD will never betray me.¹³⁶¹ That is how I continued with my assignment.

When my son was born, I got another assignment; the Lord promised me that HE will give me a land for myself, my family and my flock. I had only one son and not enough land to make a living.¹³⁶²

ה' אלהים
אברהם

¹³⁶¹ It is “THE DIVINE FORCE” who instructed him so, without that, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” could see. But in the confusion generated by the “alter ego of names”, no creature, be it the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” or so the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creatures”, could make the difference between:

- “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”, and
- The “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” which had overrode the innocence of “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”.

It is “THE DIVINE FORCE” alone who provides the illumination that allows to discern that difference. It is so that, only those who live with “THE DIVINE FORCE” and listen to “THE UNALTERABLE VOICE” will discern who is who in the confusion generated by the “alter ego of names”.

¹³⁶² As you would have understood, this was still a variant and the continuation of the infamous “...My purpose towards you shall not be changed...” and “... And so shall you work the land all the days of your life...”, the intent of which was to bring the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” to forget its own origin and to never find out the

For years, I traveled from regions to regions seeking the promised land. Several times my family and I had been driven out of areas where we were traveling in search of the promised land.

The promised land was not yet in sight, my son had grown up and learned to praise THE ETERNAL GOD.

Seven years after his birth, the Lord saw that I had first a lot of love for my family, that I should not have done. I should have started with the Lord.¹³⁶³

purpose for which it, as “SPIRIT←LIGHT” ‘EARTHLY’ Creature”, was created into existence; working like a maniac without ever raising the head to look for its own “PLENITUDE”, or running after things that have NO LIFE. How would you rate the value of the possession of a piece of land for your relatives and flock, here on Earth, with respect to the main purpose for which the “SPIRIT←LIGHT” ‘EARTHLY’ Creature” was created into existence and which is:

“CARRY THE PRESENCE OF ‘THE SHEKINAH’ — THE PURE LIGHT OF ‘THE ALTAR OF THE DIVINE’ WHICH IS INSIDE ‘THE SHEKINAH’, AND WHICH IS SOURCE OF LIFE PURE AND HOLY — IN VERY REMOTE PLACES FROM ‘THE SHEKINAH’”.

What type of deal is that? It is the type of deal that occurs when you are dealing with “crooks”, and when you have lost the memory of your own “PLENITUDE”, when you are chained in “Obscurity” and kept away from knowing who you are, from knowing about the manifestation of metaphor of “DIVINE PRIMARY WEALTH”, which “THE DIVINE FORCE” has placed inside of you, and from knowing about why you were brought forth into existence, and when you are “dying to survive” by “the sweat of your brow”.

¹³⁶³ As we have already indicated in one previous annotation, it is not enough for a “pampered child” to have all privileges already existing, he has to pretend to have even more than he has already; it is not enough to be admired, he has to be admired above everyone and praised by everyone, in the first place.

Through the “alter ego of names”, the elders of creation have cast so much confusion on the human creatures during the course of the “Second Phase” of “THE HOLY PROJECT”, in such a way that no creature, be it the “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures”, the “SPIRIT←LIGHT” ‘EARTHLY’ Creatures” or so the “LIGHT←LIGHT” ‘EARTHLY’ Creatures”, could make the difference between:

- “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”, and
- The “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” which had overrode the innocence of “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”.

In a vision¹³⁶⁴, after that, I saw the Lord and he spoke to me in the same way that “THE ETERNAL GOD”¹³⁶⁵ speaks to you in these days.

The Lord asked me: “Do you love your son more than me? Or do you love me more than your son?”¹³⁶⁶

Through the “alter ego of names”, it was the Archangel MICHAEL who was presenting himself as the Lord, as the eternal GOD; but ABRAHAM did not know that. In the web of “FATALITY” in which was enclosed the unfolding of the “Second Phase” of “THE HOLY PROJECT”, ignorance has even more drawn its strength, prevailed over all creatures, and the works of ignorance have thus prospered.

Do you also remember the infamous “...For you Adam, because you have heeded the voice of your wife more than my own, even the land is cursed for your wrongdoing...”? Under the “magician” sleeve, the self-declared “god”, who presented himself as the “Lord”, had already prepared a similar treacherous blow to be delt to the elder ABRAHAM.

¹³⁶⁴ As we have already pointed out in one previous annotation, the bitter ironie in all this is that, before the creation of these first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, the communication through “VISIONS” was not something that these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” knew much about. They knew not how “THE DIVINE FORCE” had started educating these first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”. Later on, after having destroyed these first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, and with the passage of time, and with their goal to keep their control on “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, the “ADONA’IM”, the most elders of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, came to learn much more about the communication by “VISIONS”, and how to tap into it, bypassing the consent of “THE DIVINE”, IHVH, our FATHER, to send communications by “VISIONS” to human creatures. And these “ADONA’IM” did not even blink an eyelash at the memory of the fact that they had accused the first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” to have eaten their forbidden fruit, that is, to have received and listened to communications by “VISIONS” which were sent by “THE DIVINE FORCE”, who they, “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had no knowledge of the existence, and that they had used that accusation to push forward and carry out their tenebrous agenda and destroy their neighbour. Amongst such communications through “VISIONS” without the consent of the “DIVINE”, IHVH, our FATHER,, was this one that the Archangel MICHAEL, self-declared “god”, had sent to the elder ABRAHAM.

¹³⁶⁵ Here is meant “THE DIVINE”, IHVH, our FATHER, as all these elders of the CREATION had undetsood that “THE DIVINE”, IHVH, our FATHER, was communicating with “he who wrote the book” in several ways.

¹³⁶⁶ This is a variant of the “DEATH CONTRACT” that was rigged against the first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”. It is so that, “THE CELESTIAL WAR” was following its course in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first

*Right there I understood that I had made a mistake and that I was astray from the Lord.*¹³⁶⁷

*I replied: "I have no other GOD than you!"*¹³⁶⁸

*Then, the Lord say: "Give me your son as a sign of love that you have for me!"*¹³⁶⁹

I trusted THE ETERNAL GOD and I knew that no matter what will happen, THE ETERNAL GOD will give new life to my son.

"Specific Energy 'EARTHLY' Habitation Domain" which had become the new battleground of the "'SPIRIT←SPIRIT' 'CELESTIAL' Creatures", who will use the "'SPIRIT←LIGHT' 'EARTHLY' Creatures" and the "'LIGHT←LIGHT' 'EARTHLY' Creatures" as proxies in their works of the "HUBRIS" of manifestations of metaphors of "DIVINE PRIMARY WEALTH".

Read more in the extended annotations at the end of this conversation.

¹³⁶⁷ Once the "'SPIRIT←SPIRIT' 'CELESTIAL' Creatures" perceive that a form of the "HUBRIS" of manifestations of metaphors of "DIVINE PRIMARY WEALTH" has taken place in a human creature, then, they will eagerly present to him a variation of the "DEATH CONTRACT" that was rigged against the first "'SPIRIT←LIGHT' 'EARTHLY' Creature", trying to justify that first "DEATH CONTRACT" that was rigged against the first "'SPIRIT←LIGHT' 'EARTHLY' Creature". It is so that, the "columns of fire" fight between themselves and sink into the darkness, into the depths of the absence of "THE KNOWLEDGE OF THE DIVINE".

¹³⁶⁸ Do you remember "ADAM" saying *"I will not go near it [THAT TREE, WHICH IS IN THE "NORTH"]"* and by which he has signed the rigged "DEATH CONTRACT", which the Archangel MICHAEL had presented to him through "MALICE", and by which "ADAM" was has been taken "hostage" by the Archangel MICHAEL? Here was the elder ABRAHAM in a similar situation.

¹³⁶⁹ Have you ever heard that "THE DIVINE", IHVH, our FATHER has done something which is not in His nature? HE is "THE SUPREME PLENITUDE", and the works of the "HUBRIS" of manifestations of metaphors of "DIVINE PRIMARY WEALTH" such as "TEMPTATION" and "JEALOUSY" which are manifestations of the state of "CHAOS", contrary to the "HARMONY" prescribed by "THE DIVINE ARCHITECT AND PROJECT MASTER", are not part of HIM.

Therefore, if someone would come to present you such variants of the "DEATH CONTRACT", be aware immediately that you have in front of you a deceit of the "'SPIRIT←SPIRIT' 'CELESTIAL' Creatures", and do not hesitate to tell to such a creature to "take a hike".

Read more in the extended annotations at the end of this conversation.

The Lord showed me the place where I was to offer my son as a sacrifice and how I should proceed.

I set the table for the sacrifice then, I searched and found the right place for the sacrifice.

After that, I went to talk to my son and tell him what the Lord said. Then, we went to the place chosen for the sacrifice. I have tied my son by the hands and feet and laid him on the sacrifice table.¹³⁷⁰

I had prayed to THE ETERNAL GOD in these terms: “ETERNAL my GOD! You are my only GOD and I am offering you here my son in sacrifice to prove my love for You!”

¹³⁷⁰ It is through such works of ignorance that human creatures (both the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” and the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creatures”), all of which had lost consciousness of their own “PLENITUDE” and had become the puppets of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” since the first days of the creation of this earthly world, have been chained in the web of the perverse purpose created by “FATALITY” in which the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have plunged “THE HOLY PROJECT”; thus maintaining the human creatures in poverty, in nakedness, and away from “THE KNOWLEDGE OF THE DIVINE”.

Indeed, as CHRIST had already said, regarding the elders of the creation:

“...

The archons wanted to deceive humanity as soon as they saw that it was akin to that, which is truly good.

They took the name of that, which is good and attributed it to that, which is not good, to deceive humanity through “alter ego of names” and to tie humanity to that, which is not good, and subsequently what favour they are extending them! — In order to detach the humanity of that, which is not good and place it among that, which is good according to them.

Because, in truth, they wanted to take anyone who was free and subject him as slave forever.

...”

A description of these events concerning ABRAHAM and the sacrifice of ISAAC, bogged down in the web of the perverse purpose created by “FATALITY” in which the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have plunged “THE HOLY PROJECT” and using human creatures as their puppets, is part of the chronicles of the conflict of “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and in which they describe their prowess of the absence of “THE KNOWLEDGE OF THE DIVINE” and their works of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”. Some of these chronicles (which are incomplete) have already been delivered to the human by the name of David Aguilar, and are available online on the Internet.

I was ready to sacrifice my son when I heard the voice of the Archangel GABRIEL. He had been sent by the Lord and the Archangel GABRIEL stopped my arms preventing me to perform the sacrifice.

The Archangel GABRIEL had called me three times in a row: "ABRAHAM! ABRAHAM! ABRAHAM! Hear the word of the Lord! You proved your love for the Lord!"¹³⁷¹

And he gave me a little sheep as a sacrifice in place of my son. The sheep was still too young to be sacrificed and I had to wait a few more months as the Lord had recommended to offer sheep as a sacrifice.¹³⁷²

You have heard that I am the best friend of the Lord. Do you think to be able to offer your lives for the Lord? What would you have done in my place?¹³⁷³

¹³⁷¹ Think about it! Any action manifested through the "Subjective 'EARTHLY' Garment" is an expression downstream of a decision that "THE SEAT OF THE INTELLECT" in the "SPIRITUAL' Body" has already taken. "THE DIVINE FORCE" when SHE educates Her children, SHE manifest Herself to them, up to entering the place which is located in the middle of their prison, being Verb, SHE talked with them to the depths of their inner language, both directly in "THE SEAT OF THE INTELLECT" and in "THE SEAT OF WISDOM" in the "SPIRITUAL' Body". In the "THOUGHTS" of the "SONS OF THE LIGHT", SHE is present and talks to them constantly and SHE is the invisible science that is hidden in their "SPIRITUAL' Body".

Read more in the extended annotations at the end of this conversation.

¹³⁷² It is through such sacrifices, imposed by the "SPIRIT←SPIRIT' 'CELESTIAL' Creatures" on the "SPIRIT←LIGHT' 'EARTHLY' Creatures" who were under the yoke of the absolute servitude, that the living library that "THE DIVINE ARCHITECT AND PROJECT MASTER" had designed and established, and that "THE DIVINE FORCE" had implemented into existence in the "Specific Energy 'EARTHLY' Substance" constituent of the first "Specific Energy 'EARTHLY' Habitation Domain", as well as all "THE KNOWLEDGE OF THE DIVINE" that had been placed by "THE DIVINE FORCE" in the "SPIRIT←LIGHT' 'EARTHLY' Creature" in order to rectify the deficiency of "THE KNOWLEDGE OF THE DIVINE" that had taken place in "THE SEAT OF THE INTELLECT" in the "SPIRIT←SPIRIT' Body" of "SPIRIT←SPIRIT' 'CELESTIAL' Creatures", had been ransacked and destroyed.

¹³⁷³ When you are in front of a "SPIRIT←SPIRIT' 'CELESTIAL' Creature", or one of the elders of "THE HUMAN EDIFICE", "be on your toes" and do not forget that "roses have thorns"; they do that, which has been sealed in their "nature". If a "SPIRIT←SPIRIT'

You should understand that the work of THE ETERNAL GOD is not easy to accomplish.¹³⁷⁴ You must keep faith and know when and how you make choices. You should always choose THE ETERNAL GOD first, human creatures on this earth come after.

That is how my son was saved and grew up in the love and respect of THE ETERNAL GOD. My son continued the work of THE ETERNAL GOD.

Do you know brother Aristide that I have not experienced death? As the Holy Mother and many others here above who did not know death as ENOCH and others chosen ones?

Aristide:

No, I knew not!

ABRAHAM:

The prophecy of THE ETERNAL GOD shall be accomplished as long as the human creatures on this earth will not know that there is only one GOD.¹³⁷⁵

‘CELESTIAL’ Creature”, or if one of the elders of “THE HUMAN EDIFICE”, asks you such a question, do not rise to the bait, abstain from giving an answer, no matter who is in front of you; for, they will trap you in the utterance of your mouth and they will be merciless against you. Remember what “ADAM” and “THE FEMALE” went through and have suffered coming from these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”; do not forget it!

¹³⁷⁴ This stems from the fact that the creatures at all times, both the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” as well as the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, have embraced the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, to live in the absence of “THE KNOWLEDGE OF THE DIVINE”; they sent “THE UNALTERABLE VOICE” to oblivion, and so they have no knowledge about the ins and outs of “THE HOLY PROJECT”.

¹³⁷⁵ That is the view of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and that they have propagated onto the elders of “THE HUMAN EDIFICE”. As such, they tried to bail themselves out for their responsibility of the disaster in which this first “Specific Energy ‘EARTHLY’ Habitation Domain” has been plunged into.

*Human creatures are themselves responsible for their own actions and decisions.*¹³⁷⁷

¹³⁷⁶ When you converse with the elders of “THE HUMAN EDIFICE”, or with the elders of the creation, whoever they may be, make sure to stay out of the “FATALITY” in which the “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures” have plunged “THE HOLY PROJECT”.

Aristide:

*Thank you for the teachings you gave us;¹³⁷⁸ Be blessed, and blessed
be THE ETERNAL FATHER!*

¹³⁷⁷ This is the major argument that the elders of the creation had put forward in order to justify the first “DEATH CONTRACT” that they had rigged against the first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” and also to outsmart “THE TRUTH” to conceal their action and their decision that spawned all this current disaster, their “BETRAYAL” perpetrated against “THE DIVINE”, IHVH, our FATHER.

Those elders of creation who had received the task of being educators of their neighbour — the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” — subsequently propagated such things on all human creatures that were under their yoke, not assuming their responsibility for the disaster in which they had plunged “THE HOLY PROJECT” and thus threw on these human creatures, naked and who had already forgotten their own “PLENITUDE”, the responsibility for their own destruction.

It is through this argument that the elders of creation have always wanted to escape their responsibilities and have kept the human creatures mired in the web of the perverse purpose created by “FATALITY”.

Run! Do not waste time! Go instead to “THE DIVINE FORCE”, who is in the attribute “NON DIVINE” the very PRESENCE of “THE DIVINE”, and you will be educated in “THE KNOWLEDGE OF THE DIVINE”.

¹³⁷⁸ You should understand that the motive behind these conversations and the “why?” “THE DIVINE”, IHVH, our FATHER, had ordered these elders of the creation to converse with “he who wrote the book”, was not so much for these elders of the creation to educate or give recommendations to “he who wrote the book”, since “he who wrote the book” was already walking with “THE DIVINE FORCE” who was educating him, and NONE of these elders of the creation could “see” HER. But the true motive, the “why?”, behind these conversation was for “he who wrote the book” to gauge by himself the extent of “THE KNOWLEDGE OF THE DIVINE”, which these elders of the creation have developed in themselves, and their understanding of who “THE DIVINE”, IHVH, our FATHER is, and consequently, to “read spiritually” inside each of these elders of the creation and through their own sayings. That is why “he who wrote the book” also asked to each of these elders of creation the following question: “Can you tell me something about THE ETERNAL FATHER?”. NO ONE amongst them, except CHRIST, could give a satisfactory answer. NO ONE amongst them, except CHRIST, could “see” beyond the “FATALITY” in which the CREATION has been plunged into, and in which each of them came into existence and had lived. As such, the purpose of this annotation is to lead you to understand that: it is here on Earth that you MUST do your very best to come to know and recognise “THE DIVINE”, IHVH, our FATHER, to grow in “THE KNOWLEDGE OF THE DIVINE” and produce “fruits” from the plant of “THE KNOWLEDGE OF THE DIVINE”, which is inside of you; for, once you leave this Earthly world, it is done. We have provided you, who are reading

these writings, with as much details as possible, so that you complete such task by yourself. Look at the visible growing “plants” around you and understand through discernment that, which is invisible to you and is inside of you.

EXTENDED ANNOTATIONS

“...I was chosen by the Lord, when I was still young and I lived with him. ...”

Now, through the “alter ego of names”, it was the Archangel MICHAEL who was presenting himself as the Lord; but ABRAHAM did not know that. Just like every human creature during those times, they had no knowledge of such things and many things were mixed through those “alter ego of names” to the point that none of the human creatures could make the difference between the Archangel MICHAEL who presented himself as the Lord, and “THE DIVINE”, IHVH, our FATHER.

It is through such “alter ego of names” that the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” diverted human creatures and keep them away from “THE KNOWLEDGE OF THE DIVINE”, under the pretext of doing a favour to humanity. It lasted until CHRIST came and rang the end of recess for the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, and restored order in the business of “THE DIVINE”, IHVH, our FATHER.

“THE DIVINE”, IHVH, our FATHER does not choose the “CHOSEN ONES” when they are still young and already in existence, but he had already established them all during the conception of the attribute “NON DIVINE” and even before that the “Specific Energy ‘CELESTIAL’ Domain” in the “Plane Above”, as well as all that this “Specific Energy ‘CELESTIAL’ Domain” contains, were manifested into existence.

“THE DIVINE”, IHVH, our FATHER “chooses” the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creatures”, which must be manifested in the attribute “NON DIVINE”, millions of years (yes! millions of years!) before they are born and according to the intensity of “THE KNOWLEDGE OF THE DIVINE”, that they must transmit to both “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” and to “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”. Go and talk to “THE DIVINE FORCE”, and you will learn things. It is for the purpose to awaken and to lead to the understanding of such things to the “CHOSEN ONES” that “THE DIVINE”, IHVH, our FATHER often tells them:

“...

I have known you before you got out of the womb of the one that bore you, before you were born into existence.

...

“...The Lord asked me: “Do you love your son more than me? Or do you love me more than your son?” ...”

Read carefully that whole expression. Do you see in there something revealing about the one who is designated as the “Lord”? The words “your son” must ring all kind of alarm bells in you. Why?

Have you ever heard that “THE DIVINE”, IHVH, our FATHER, has used His own “words” wrongly and through? What does the words “your son” implies about the one to whom it is addressed? The word “son” infers that there is a “FATHER” associated to it. What is the meaning of the word “FATHER”? Can any human creature be the “FATHER” of another human creature? In the confusion, which was thrown into the meaning of words, by the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, we, including you, as creatures, use words wrongly and through; but “THE DIVINE”, IHVH, our FATHER does NOT. The one who presented himself as the “Lord” and asked “...Do you love your son more than me? Or do you love me more than your son?...” did not know the meaning of the word “FATHER” and the implication of the words “your son”.

You **MUST** understand that “THE DIVINE”, IHVH, our FATHER, on the other hand, is very precise with His “words”, whenever HE uses “words”, and HE does not use His own “words” wrongly and through. Therefore, if someone shows up in front of you, presenting himself to be the “Lord”, and asking you such question, be aware immediately that you have a “crook” in front, and do not hesitate to tell to such a creature to “take a hike”; for, such a creature has revealed himself through the utterance of his own mouth.

The question “...Do you love your son more than me? Or do you love me more than your son?...” is a “bait” intended to trap the one to whom it is addressed to, through the utterance of his own mouth. If the one to whom such a question is addressed opens his mouth to answer, then he will fall into the trap set for him, and will find himself with his feet and hands tied, deprived of his freedom to act, deprived of the “FREE CHOICE”.

This question “...Do you love your son more than me? Or do you love me more than your son?...” is, indeed, a variant of the “DEATH CONTRACT” that was rigged against the first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”. It is so that, “THE CELESTIAL WAR” was following its course in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’

Habitation Domain” which had become the new battleground of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, who will use the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” and the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creatures” as proxies in their works of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”.

This variant of the “DEATH CONTRACT” presented to ABRAHAM, was not limited to him, ABRAM, but had a more distant goal: prevent the coming of CHRIST. Because the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had managed to understand the lineage through which CHRIST would be manifested into existence. If the one who is at the origin from this lineage comes to fall, as this had been the case with “ADAM”, then, is the coming of CHRIST that would thus be jeopardized. Do you now grasp what type of “EVIL” intent was hidden behind the question “...*Do you love your son more than me? Or do you love me more than your son?...*”? As such, the “blinded seventy shepherds” were revealing their proceedings. And some will tell you that: “... *It is what had to happen..., it is what was written..., it is the prophecy, etc...*” to keep you chained and locked into obscurity.

It is so that, in their “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” were ready to take any action to outsmart “THE TRUTH” in order to conceal the “BETRAYAL” they had perpetrated against “THE DIVINE”, IHVH, our FATHER.

You, “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, who are reading these writings, never forget that “THE DIVINE FORCE” Herself is the science that is behind any energy substance that SHE has manifested into existence in the attribute “NON DIVINE”. SHE is inside the “THOUGHTS” that are “PURE”, being Herself “PURITY”. SHE educates and SHE moves away from the duplicity and SHE does not present “DEATH CONTRACTS” to Her own creatures. Go to HER and you will learn and you will understand things.

“...Then, the Lord say: “Give me your son as a sign of love that you have for me!”...”

Here again, have you ever heard that “THE DIVINE”, IHVH, our FATHER, has used His own “words” wrongly and through? What does the words “your son” implies about the one to whom it is addressed? The word “son” infers that there is a “FATHER” associated to it. What is the meaning of the word “FATHER”? Can any human creature be the “FATHER” of another human creature? In the confusion, which was thrown into the meaning of words, by the

“‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, we, including you, as creatures, use words wrongly and through; but “THE DIVINE”, IHVH, our FATHER does NOT. The one who presented himself as the “Lord” and asked “...*Do you love your son more than me? Or do you love me more than your son?...*” did not know the meaning of the word “FATHER” and the implication of the words “your son”.

Furthermore, have you ever heard that “THE DIVINE”, IHVH, our FATHER has done something which is not in His nature? HE is “THE SUPREME PLENITUDE”, and the works of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” such as “TEMPTATION” and “JEALOUSY” which are manifestations of the state of “CHAOS”, contrary to the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”, are not part of HIM.

Therefore, if someone would come to present you such variants of the “DEATH CONTRACT”, be aware immediately that you have in front of you a deceit of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, and do not hesitate to tell to such a creature to “take a hike”.

At that time of the elder ABRAHAM, the sacrifice (murder) of “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” for the pleasure of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” was already a “business as usual” affair, since they had derailed the course of “THE HOLY PROJECT”, billions years ago, with that “BETRAYAL” that they have perpetrated against “THE DIVINE”, IHVH, our FATHER, on that afternoon of the Third Day of the implementation of the “Second Phase” of “THE HOLY PROJECT”. This demand by the Archangel MICHAEL, self-declared “god”, was not only about the progeny of the elder ABRAHAM, but it had a more distant goal: prevent the coming of CHRIST. Because these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had managed to understand the lineage through which CHRIST would be manifested into existence. If the one who is at the origin from this lineage comes to fall, as this had been the case with “ADAM”, then, is the coming of CHRIST that would thus be jeopardized.

It is for the purpose to bring human creatures to discern such deceptions of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and also that human creatures recover their “PLENITUDE” that “THE DIVINE”, IHVH, our FATHER has established the “PROJECT OF THE DECALOGUE”.

Some billions years (yes, billions! this is not a typing mistake) after the elder ABRAHAM, having failed to prevent the advent of CHRIST, these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” will also present such variants of the “DEATH CONTRACT” to CHRIST himself, he who redeemed their rigged

“DEATH CONTRACT” against the first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” and its descendants. The variant of the “DEATH CONTRACT”, which you are most familiar with, since it is recorded in the scriptures, is the one where AZAZEL, the arch-nemesis of the Archangel MICHAEL and with whom he is bounded by their “HUBRIS COVENANT”, standing on the highest point of the temple, will tell CHRIST: *“If you are the Son of God, throw yourself down. For it is written: ‘He will command his angels concerning you, and they will lift you up in their hands, so that you will not strike your foot against a stone.’”* You know already the answers, which CHRIST gave him: *“...Away from me, Satan!...”*, or as we say it: “take a hike!”.

Through such variants of the “DEATH CONTRACT”, you should analyse and “see” (1) the depraved state of mind that these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have grown in them since the announcement of the “Second Phase” of “THE HOLY PROJECT”, when they came to understand that *“... None amongst them, who are elders of the creation, but a new creature will receive and carry the manifestation of “THE UNION” ...”* and (2) how they are trying to justify their “STUPIDITIES”.

“...The Archangel GABRIEL had called me three times in a row: ‘ABRAHAM! ABRAHAM! ABRAHAM! Hear the word of the Lord! You proved your love for the Lord!’ ...”

Think about it! Any action manifested through the “Subjective ‘EARTHLY’ Garment” is an expression downstream of a decision that “THE SEAT OF THE INTELLECT” in the “‘SPIRITUAL’ Body” has already taken. “THE DIVINE FORCE” when SHE educates Her children, SHE manifest Herself to them, up to entering the place which is located in the middle of their prison, being Verb, SHE talked with them to the depths of their “inner language”¹³⁷⁹, both directly in “THE

¹³⁷⁹ As you have understood already, any creature, be it a “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, a “Vegetal ‘EARTHLY’ Creature”, a “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creature”, a “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, or a “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature”, which “THE DIVINE FORCE” has produced into existence inside the attribute “NON DIVINE”, on instructions of “THE DIVINE”, IHVH, our FATHER, is a very complex signal processing system, which perform a wide variety of signal processing operations. The signals processed by these creatures are sequence of “electrical pulses” that represent samples of a continuous variable in a domain such as time, space, or frequency. Each “electrical pulse” can be represented by using a two-symbol basis: “on” and “off”, or “o” and “1”, and that is to say a binary code basis. The most fundamental layer of controlled

SEAT OF THE INTELLECT” and in “THE SEAT OF WISDOM” in the “‘SPIRITUAL’ Body”. In the “THOUGHTS” of the “SONS OF THE LIGHT”, SHE is present and talks to them constantly and SHE is the invisible science that is hidden in their “‘SPIRITUAL’ Body”.

Do you believe that “THE DIVINE FORCE”, who is, in the attribute “NON DIVINE”, the very PRESENCE of “THE DIVINE”, who has in HER all the elements of “THE ‘LIGHT’ REASON”, who can enter in Her Council with “The ALTAR of ‘THE DIVINE’” inside of the “‘LIGHT←LIGHT’ Body” of the “CHOSEN ONES”,¹³⁸⁰ will have recourse to such artifices of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, to determine if a “SON OF THE LIGHT” has in him the love for “THE DIVINE”, IHVH, our FATHER? That is to say, if the bond of communion, the bond of deep conformity with “THE DIVINE”, IHVH, our FATHER, inside that “SON OF THE LIGHT”, works as it should?

It is not from what the creatures see and perceive through the behaviour of the “Subjective ‘EARTHLY’ Garment”, that “THE DIVINE FORCE” will draw conclusions about what SHE has Herself “hidden” from the view of such creatures

vocabulary — the set of sequences of “electrical impulses” distinct and considered in their formation and meaning, and which define the “words” — and set of grammatical rules, which are based on the two-symbol basis, will define the “inner language”, or the “innermost language”, or “nethermost language”, or the “depths of the language” of the considered creature.

¹³⁸⁰ Remember what the human designated as Mirza Husayn, under the inspiration of “THE DIVINE FORCE”, had said:

“ ...

Ô son of dust!

*All that is on Earth, I dedicated it to you, except **my home inside yourself and of which I made the seat of my beauty and of my glory.***

However, you gave my dwelling place and my home to someone other than Me.

And whenever “the manifestation of my holiness” sought her own house, she found a stranger there in; then, deprived of dwelling place, she has hastened to return to Me.

Nevertheless, I hid your secret and did not want your shame.

...”

and that SHE has placed in the “‘SPIRITUAL’ Body”. We have already explained the concept of a substance that is “invisible” (or “hidden”, or “thinner”, or “flows freely in”) to another much coarse substance.

It is the one who do not see the “thinner” “‘SPIRITUAL’ Body” that “THE DIVINE FORCE” has “hidden” in the “much coarse” “Subjective ‘EARTHLY’ Garment”, one who has no knowledge of the invisible science of what is inside the “‘SPIRITUAL’ Body”, who will infer the particulars of the “‘SPIRITUAL’ Body” that are unknown to him, from expressions that he will perceive downstream manifested on the “Subjective ‘EARTHLY’ Garment”.

Such particulars obtained from the expressions that he will perceive downstream manifested on the “Subjective ‘EARTHLY’ Garment”, will always reflect a margin of error from the invisible science that is at the origin of the “‘SPIRITUAL’ Body” and the behaviour of the “Subjective ‘EARTHLY’ Garment” which is associated with such “‘SPIRITUAL’ Body”. Therefore, the interpretation of the behaviour of the “Subjective ‘EARTHLY’ Garment” is, to a large extent, the key point of the inference of such particulars; and such interpretation will substitute for the knowledge of the invisible science of what is in the “‘SPIRITUAL’ Body”.

After the horrible “BETRAYAL” that “THE DIVINE”, IHVH, our FATHER had undergone with the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, do you believe that “THE DIVINE FORCE” who moved away from those creatures who have embraced “MALICE” and duplicity, will resort to such artifices of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, to determine if a “SON OF THE LIGHT” has in him the love for “THE DIVINE”, IHVH, our FATHER?

“... You have heard that I am the best friend of the Lord. Do you think to be able to offer your lives for the Lord? What would you have done in my place? ...”

When you are in front of a “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, or one of the elders of “THE HUMAN EDIFICE”, “be on your toes” and do not forget that “roses have thorns”; they do that, which has been sealed in their “nature”. If a “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, or if one of the elders of “THE HUMAN EDIFICE”, asks you such a question, do not rise to the bait, abstain from giving an answer, no matter who is in front of you; for, they will trap you in the utterance of your mouth and they will be merciless against you. Remember what “ADAM” and “THE FEMALE” went through and have suffered coming from these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”; do not forget it!

For the one who is in “HARMONY” with “THE DIVINE”, IHVH, our FATHER, in “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” and who has “THE KNOWLEDGE OF THE DIVINE”, such questions have no meaning because they are part of the perverse purpose created by “FATALITY” in which the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have plunged “THE HOLY PROJECT”; such questions are parts of the progeny of the “IMPURITY” in all its forms.

As we have explained already, to “LOVE” “THE DIVINE”, IHVH, our FATHER, means to form a bond of communion, to form a bond of deep conformity with “THE DIVINE”, IHVH, our FATHER; conformity being the state, the quality of two or more things which are in perfect agreement with each other. It means STAND IN “PURITY”; for, “THE DIVINE”, IHVH, our FATHER is “ABSOLUTE PURITY”. To be faithful to “THE DIVINE”, IHVH, our FATHER, means: To stand in “PURITY” and to hold your ground in “PURITY”. Remember the application of the concept of “EXTENSION” of “THE DIVINE”, IHVH, our FATHER, to the attribute “NON DIVINE”, through “THE SEAT OF WISDOM”. Such “EXTENSION” will hold as long as “THE SEAT OF WISDOM” is in “PURITY”; for, “THE DIVINE”, IHVH, our FATHER is “ABSOLUTE PURITY”.

Thus, if you see or hear about, that, someone, who is locked in the perverse purpose created by “FATALITY” in which the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have plunged “THE HOLY PROJECT”, is going here and there destroying his neighbour and claiming to be doing such things because he/she is proving his/her “LOVE” for “THE DIVINE”, IHVH, our FATHER, you should understand that, that person is standing in “IMPURITY” and whatever that person is doing has nothing to do with “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”; whatever that person is doing has nothing to do with “THE DIVINE”, IHVH, our FATHER.

As we have already indicated, “THE DIVINE”, IHVH, our FATHER, through “THE DIVINE FORCE”, will enlighten human creatures about the nature of such sacrifices that the “ADONA’IM”, elders of the creation, had imposed on them, when through Isaiah (Isaiah 66:3), HE told them:

“...

He who slaughters an ox is like one who kills a man;

He who sacrifices a lamb, is like one who breaks a dog's neck;

He who presents a grain offering, is like one who offers pig's blood;

He who makes a memorial offering of frankincense, is like one who worship idols.

Those have chosen their own ways, and their soul delights in their abominations.

...”

Do you want to make offerings? Then, “STAND IN THE PURITY” and put into practice the teachings of “THE DIVINE WISDOM” who inspired the descendant of Sira to reveal this (Ben Sira 35: 1-5).

“...

To live by the tenets of “THE DIVINE WISDOM” is equivalent to multiply offerings;

To observe the commandments set forth by “THE DIVINE WISDOM”, is offering a sacrifice of salvation;

To show recognition, is to make an offering of fine flour;

And to give alms, it is to offer a sacrifice of praise.

To refrain from evil pleases “THE DIVINE”, and to stay away from injustice is a sacrifice of Redemption.

...”

“... The prophecy of THE ETERNAL GOD shall be accomplished as long as the human creatures on this earth will not know that there is only one GOD. ...”

That is the view of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and that they have propagated onto the elders of “THE HUMAN EDIFICE”. As such, they tried to bail themselves out for their responsibility of the disaster in which this first “Specific Energy ‘EARTHLY’ Habitation Domain” has been plunged into.

What “*prophecy of THE ETERNAL GOD*” are they talking about, in the first place? We have explained already that, which is designated as a “prophecy” and how it emanates from “THE SUPREME COMPLETENESS” and state of “ABSOLUTE PURITY” of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”. Are they talking about the task that was assigned to those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” to clean up their mess and from which they have never rested, or something else? That is how they keep creatures

in the absence of clarity. Assume for example that: “all human creatures on this earth come to be aware (to know) that there is only one GOD.” Then, WHAT? “*The prophecy of THE ETERNAL GOD*” will come to its end, all the destructions and miseries in which the implementation of the “Second Phase” of “THE HOLY PROJECT” has been plunged into will somehow vanish? The creatures will live happily forever after, while they are prone to the Governing Law of the Behavior and they have rooted “IMPURITY” in all its forms at their innermost by accepting as their “doctrinal truth” — their norm, their principle of righteousness, of wisdom considered ideal in the order of their thoughts or actions that they will undertake to realize —, the “BETRAYAL” that they have perpetrated against “THE DIVINE”, IHVH, our FATHER, and the deceit and prejudice, which they perpetrated against the first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”? That, which has been sealed and became part of the “nature” in each creature, will also somehow be reset to a blank page?

What are the “root causes” of this problematic situation in which the human creatures have found themselves with the “peripheral awareness” of that, which makes them, “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, to be akin to the “SHEKINAH”, destroyed so that they must not know anything about “THE DIVINE”, IHVH, our FATHER, and that:

“ ...

In sorrow, [they] will eat of the earth... And so shall [they] work the land all the days of [their] life ... until [they] return to the ground, since from it [they] were taken.... [They] were made of dust, ..., and to dust must [they] now return

...”?

Are the “root causes” of this problematic situation found inside the human creatures or somewhere else? To eliminate or solve a problem, it is imperative to go to the “root causes”, to neutralize them and then eliminate them.

It is well in the norm of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” to say: “...*The prophecy of THE ETERNAL GOD shall be accomplished as long as the human creatures on this earth will not know that there is only one GOD...*”, without however identifying the “root causes” that led to such a situation, without however establishing how those “root causes” affect the subjects concerned, and without however presenting solutions to eliminate those “root causes”.

Instead of helping save what can still be saved from the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have

produced a masterful distraction endowed with malice through projection and transformation of their irresponsibility, to make it be the responsibility of the human creature and to hold that human creature as root-cause culprit for the unfortunate consequences of that irresponsibility.

This point of view of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, expressed using the terms of “...*The prophecy of THE ETERNAL GOD shall be accomplished as long as the human creatures on this earth will not know that there is only one GOD...*”, and that they have propagated onto the elders of “THE HUMAN EDIFICE”, is part of the web of the perverse purpose created by that “FATALITY” in which they have plunged “THE HOLY PROJECT”. To absolve themselves of their own iniquities, they hide themselves behind the word “*prophecy*”, and behind terms such as “... *it is what was written...*”, or “... *it is what had to happen* ...”, etc..., while they are prone to the Governing Law of the Behavior, the manifestation of “The Walk within the Acronym IHVH”, and they have no knowledge about “THE SUPREME COMPLETENESS” and state of “ABSOLUTE PURITY” of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, from which originates everything that comes into existence and that is decreed by “THE DIVINE”, IHVH, our FATHER.

The extent and the state of damage that the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have inflicted in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” is such that, at any point in time, inside this first “Specific Energy ‘EARTHLY’ Habitation Domain”, there will always be at least one, if not a bunch, amongst the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, who will not believe in the existence of “THE DIVINE”, IHVH, our FATHER. That is why the task of saving what can still be saved from the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, was instituted. It is so that, with the subterfuge “...*The prophecy of THE ETERNAL GOD shall be accomplished as long as the human creatures on this earth will not know that there is only one GOD...*”, these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had thought that this state of affairs, the state of “CHAOS”, contrary to the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”, and in which the first “Specific Energy ‘EARTHLY’ Habitation Domain” has been plunged, will last for an infinite number of centuries; that is, will last eternally. In much the same as they had thought about that solitary and terrible desert, the prison of the angels, where seven “STARS” were chained to each other, as high mountains, as ablazed fire, and which was shown to the elder

ENOCH, when he was still leaving here on Earth.¹³⁸¹ As such, and with such subterfuges, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had thought that they will never be held accountable for all this destruction.

In truth, once will be reached the convergence point, in time and from the manifestation out of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, appointed for erasure from existence of those fallen “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, and for restoring this first “Specific Energy ‘EARTHLY’ Habitation Domain” into “HARMONY” with “THE DIVINE”, IHVH, our FATHER, then, the long awaiting decree will be emitted into existence. At attainment of that convergence point, there will not be anything “PURE” in the “Specific Energy ‘EARTHLY’ Substance” constituent of this first “Specific Energy ‘EARTHLY’ Habitation Domain”. A short time will elapse, and then, the long awaiting decree will be emitted into existence. Afterwards, those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” that “THE DIVINE”, IHVH, our FATHER has maintained in the “Specific Energy ‘CELESTIAL’ Domain”, will also face the retribution to the consequences of that “BETRAYAL” that they have perpetrated, all of them, against “THE DIVINE”, IHVH, our FATHER, and all their iniquities. They cannot and they will not escape with their iniquities and “IMPURITY” in all its forms and “LIES” that they have set in themselves. Amongst those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” that “THE DIVINE”, IHVH, our FATHER has maintained in the “Specific Energy ‘CELESTIAL’ Domain”, there are disciples, followers, and admirers of AZAZEL. YES! There, in the “Specific Energy ‘CELESTIAL’ Domain” in the “Plane Above”. You can only shake your head in astonishment when “THE DIVINE FORCE” shows and reveals these things to you. The time when they will be neutralized will also come at its appointed date; for, “THE HOLY PROJECT” was conceived in “PURITY” and “HOLINESS”, to be implemented in “PURITY” and “HOLINESS”, and it will not resume its course with the presence of “DISGRACE”, “IMPURITIES” and “LIES”.

“... Do you know what happen to the cities of Sodom and Gomorrah? This is to show you that it is very easy to destroy things ...”

When you converse with the elders of “THE HUMAN EDIFICE”, or with the elders of the creation, whoever they may be, make sure to stay out of the

¹³⁸¹ Read more, with explanations, in the section concerning the details of annotations – Annotation on the unfinished work of the “Second Phase” of “THE HOLY PROJECT”.

“FATALITY” in which the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have plunged “THE HOLY PROJECT”.

For, they will never tell you how this disaster of destruction has happen on Earth here below and you are not going to grow in “THE KNOWLEDGE OF THE DIVINE”, you will not know why did the elders of creation have laid their eyes on ABRAHAM, why did they lay their traps for ABRAHAM whenever the opportunity presented itself.

And so, you will never know “THE DIVINE”, IHVH, our FATHER, let alone what is “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” as we have described to you thanks to the teachings of “THE DIVINE FORCE”.

All the destruction that you see on this earthly world, in which you are living, is the work of those, in which “THE SEAT OF THE INTELLECT” is standing in the “IMPURITY” in all its forms. All this destruction is the progeny of the “IMPURITY” that has its origin in “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”.

If you will come to converse with the elders of “THE HUMAN EDIFICE”, or with the elders of the creation, whoever they may be, and that during those conversations they will tell you that THE ETERNAL GOD destroyed this or that, because of this or that, remember that you are sitted down at the table of deceptions in the house of “FATALITY”. Before that you start tasting and feeding yourself on the dishes and delicacies of obscurity and with their delightful appearances, formulated as “... THE ETERNAL GOD *destroyed this or that* ...”, and that they will serve to you, to keep you asleep even more on the bed of ignorance, remember that “THE DIVINE”, IHVH, our FATHER is “ABSOLUTE PURITY”, and HE DOES NO DO WHAT IS NOT IN HIS “NATURE”.

If the plant of “THE KNOWLEDGE OF THE DIVINE” growing inside a creature, remains meager and does not produce any “fruits” by the time when that, which is designated as the “nature” will settle and will be sealed inside that creature, then, forever and regardless of where that creature will reside inside the attribute “NON DIVINE”, it will not produce any “fruits” of itself: it will not produce any knowledge about “THE DIVINE”, IHVH, our FATHER; that creature will hardly grasp the concepts of “PURITY” and “HOLINESS”.

Meditate on these concepts of “PURITY” and “HOLINESS”, before that, that which is designated as the “nature” settles and is sealed inside you; grow in you the “fruits” of “PURITY”. STAND IN “PURITY” at all times! It is here, on Earth in the “Plane Below” that you are called to develop the “COMPREHENSION” of these concepts of “PURITY” and “HOLINESS”; your only teacher is “THE DIVINE FORCE” and SHE gives you HER teaching through everything that you do during

your stay on Earth. You are all in HER classroom, but you do not pay attention and do not listen to HER teaching.

WAKE UP! Do not waste time! Go to “THE DIVINE FORCE”, who is, in the attribute “NON DIVINE”, the very PRESENCE of “THE DIVINE”. No creature into existence in the attribute “NON DIVINE” can “come into contact” with “THE DIVINE”, IHVH, our FATHER without the agreement of “THE DIVINE FORCE”: SHE is the true comforter, the one whom CHRIST had spoken to you when he said (John: 14):

“...

If you love me, keep my commands.

And I shall pray to the father, and he will give you another comforter, that he may remain eternally with you, the Spirit of truth, whom the world cannot receive, because it neither sees him nor knows him; but you, you know him, for he lives with you, and he will be in you.

....

The comforter, the Holy Spirit, whom the father will send in my name, will teach you all things, and will remind you of all that I have told you.

...”

As your contemporary, who is walking and talking with “THE DIVINE FORCE”, and seeing HER work, I confirm to you the veracity of all what CHRIST has said in the past, and concerning the TRUE COMFORTER. As we have explained concerning the mould from which you were produced into existence, “THE DIVINE FORCE” is along side you and truly lives with you, human creatures. All that is required of you is: STAND IN “PURITY”! AND HOLD YOUR GROUND IN “PURITY”! It is only so, that SHE will awaken “THE KNOWLEDGE OF THE DIVINE” that is already inside of you, but dormant.

You, as a “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, possesses in you, the elements of “THE ‘LIGHT’ REASON”. And, in the ancient language, that “LIGHT” of which you possesses the elements in “THE ‘LIGHT’ REASON”, was also designated by the word written “CHRIST” and that was later assigned to the manifestation into existence, inside the attribute “NON DIVINE”, of the “PRINCIPAL” instance of the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model and that you have come to know as: CHRIST (Jesus), is also called “CHRIST”.

Furthermore, that “LIGHT”, which is at the basis of your innermost structure, is (in the sense of “invisibility”, as we have already explained) the kinship of “THE DIVINE FORCE”. That is the motive why “THE DIVINE FORCE” is along side you and truly lives with you, human creatures.

It is because of the designation of that “LIGHT”, using the word written “CHRIST” in ancient language, that CHRIST (the manifested “PRINCIPAL” instance of the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model) has said: “...*the Holy Spirit, whom the father will send in **my NAME** ...*” (for the sake of that “LIGHT” and in the purpose of saving that “LIGHT”, which is basis of your innermost structure). Often also, CHRIST said: “... *I am in you ...*”, to bring you to understand such things.

It is because by construction, all the features of that “LIGHT”, of which you possesses the elements in “THE ‘LIGHT’ REASON”, are present in the “PRINCIPAL” instance of the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model, that CHRIST said: “... *you are in me ...*”.

It is because, just as every creature that has been produced into existence inside the attribute “NON DIVINE”, is prone to the Governing Law of the Behavior, the manifestation of “The Walk within the Acronym IHVH”, that CHRIST said: “... *THE FATHER is in you ...*”

When you actually stand in “PURITY” and hold your ground in “PURITY”, and because you are prone to that Governing Law of the Behavior, it is said that: “*you walk with THE FATHER*”; and, it is also said that: “*obscurity*” (it has many others designations in parable), which is “*the ruler of this world*”, has no power on you.

These explanations should help you to understand most of what CHRIST was talking about and that was recorded in John: 14, as well as in other records that humanity possesses.

Do not forget the writings of Solomon, when he recalled his human condition (wisdom 7:1-14, Read more in the section concerning the details of annotations — Annotation on Solomon who failed to recognize “THE DIVINE FORCE”) by saying:

“... ”

I also am mortal, like all men, a descendant of the first-formed child of earth.

...

Therefore I prayed, and discernment was given me, I prayed and the Spirit of Wisdom came to me.

...

*I benefited from all of them all, knowing that Wisdom leads them;
YET, I NEVER KNEW THAT SHE WAS HERSELF THE AUTHOR.*

...”

He who has found “THE DIVINE FORCE” will be extracted from the web of the perverse purpose created by “FATALITY” in which the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have plunged “THE HOLY PROJECT”.

He who has found “THE DIVINE FORCE” will be instructed on all things, on the ins and outs of “THE HOLY PROJECT”, on all that has been revealed in this “BOOK OF FORMATION”.

He who has found “THE DIVINE FORCE” will also know who is the true author of this “BOOK OF FORMATION” which has been interpreted to you; the author is not the interpreter.

During this conversation with the elder ABRAHAM, the Archangel MICHAEL was also standing there and listening. The elder ABRAHAM did not say: “*Listen, brother Aristide. That Lord about which I am telling you about and that had asked me to give him my son in sacrifice is the Archangel MICHAEL.*”, as at the time when he was still living here on Earth, he did not see the events that were unfolding around him in the “Specific ‘SPIRITUAL’ Environment” and he did not know that it was the Archangel MICHAEL who was presenting himself as the Lord to human creatures. The Archangel MICHAEL himself, standing there and listening to this conversation, did not step forwards to say something like: “*Listen, human, actually, I am the one who asked ABRAHAM to give me his son in sacrifice.*” Draw your conclusions about what is happening between the elders of the “HUMAN EDIFICE” who are living in the “Plane Above” and the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”. If you do not and develop “THE KNOWLEDGE OF THE DIVINE”, the seed of which “THE DIVINE FORCE” has sowed in you, and through it, learn about “THE DIVINE”, IHVH, our (your) true FATHER, and about “THE DIVINE FORCE”, our (your) true MOTHER, while you are living here on Earth, it is not in the “Plane Above” amongst these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” that you will ever come to learn something about “THE DIVINE”, IHVH, our (your) true FATHER, and about

“THE DIVINE FORCE”, our (your) true MOTHER. To be able to learn something about “THE DIVINE”, IHVH, our (your) true FATHER, and about “THE DIVINE FORCE”, our (your) true MOTHER, all that is required of you is: STAND IN “PURITY”! AND HOLD YOUR GROUND IN “PURITY”!

CHAPTER 243

EXCERPT FROM THE CONVERSATION OF JULY 01,
2005: ARISTIDE, MARGRIET, ARCHANGEL RAPHAEL

Archangel RAPHAEL:

Peace be with you sister Margriet!

I just travelled the entire Earth on a mission to save other people.

I have also accomplished the will of THE ETERNAL GOD! These are things that you will understand when you come here above by the will of THE ETERNAL GOD.

I am RAPHAEL and I heal some people with the help of THE ETERNAL GOD! Because everyone here above has his task.

There are certain diseases that no longer exist on this Earth, but that had existed in the past.

The ETERNAL FATHER sent me from time to time to heal human creatures.

The archangels do not often have a lot of stories to tell, because they have not lived as human creatures on this Earth. But their mission is to stay loyal to THE ETERNAL GOD.

There are other things that the eternal GOD do not revealed fully to human creatures on Earth. (...)

Aristide:

Peace be with you RAPHAEL!

Archangel RAPHAEL:

Peace be with you brother Aristide! We shall continue with the pharmacy. Do you have any questions for me?

Aristide:

Yes I prepared some. With the agreement of THE ETERNAL GOD, can you tell me how to proceed with the following diseases:

1. *Cancer*
2. *Cleansing of an organ;¹³⁸² for example the lungs, liver, intestine.*
3. *Paralysis (of muscles and members)*
4. *Diabetes*
5. *Asthma*
6. *AIDS*
7. *Lose weight*

¹³⁸² To rid it of impurities, rid it of everything which, like bacteria, infectious particle, etc ..., is detrimental to its proper functioning.

As you would know already, a large amount of dust in your tent comes from outside through windows, doors, and vents, and a hodgepodge of all sorts of things will come forth from your tent construction material. A quick walk through your tent can show you the obvious places where those detrimental materials tend to gather — from your air conditioning system to all other household furnitures. In fact, most surfaces of the furnitures inside your tent collect layers of dust. You will not be able to completely rid your tent of those sorts of things but the more you can eliminate the better. It is important to minimize their amount inside your tent through regular cleaning of your household furnitures. He, who has ears to hear, let him hear!

Carefully also read the description on THE ULTRAFILTRATE PLASMA ISOPATHIC THERAPY, which we have given in the section concerning the excretory system of the “Subjective ‘EARTHLY’ Garment” — in the chapter concerning the seventh decree of the implementation of the “Second Phase” of “THE HOLY PROJECT” — and its product, which is designated as “urine”, a complex ultrafiltrate biofluid and a tailor-made internal “medicinal substance” — a tailor-made internal preparation in a specified formulation for the treatment or prevention of disease — produced by the “Subjective ‘EARTHLY’ Garment” itself and to best support its own health. You have in you the medicine to best support the health of the “Subjective ‘EARTHLY’ Garment” that you wear.

Archangel RAPHAEL:

1. *Cancer is one of the plagues sent on Earth for many years ago.¹³⁸³ This scourge has spreaded with time and is hereditary. It has several causes, among other pollution in the atmosphere and the indiscriminate consumption of food. To avoid this, you must:*
 - a. *Avoid consuming any blood related food; It is through blood that the disease develops quickly.*
 - b. *One should consume honey to purify his body.*
 - c. *Consume a lot of “fruits”, except acid “fruits”.¹³⁸⁴*

¹³⁸³ As you would know, the formation and occurrence of neoplastic (tumor) cells, or cancer cells, is the consequence of a stem cell coming into contact with estrogen, non sexually, and as part of the general “HEALING” process to disruption (either by physical trauma, chemical action, or illness) in the “Subjective ‘EARTHLY’ Garment”. Cancer, as you would know, is a hereditary, chronic metabolic deficiency “DISEASE”, which is aggravated by the lack of antioxydants and the lack of amygdalin (also designated as vitamin B17), an essential food compound in the diet of the “Subjective ‘EARTHLY’ Garment”. A hereditary “DISEASE” is one that is caused by mutations (changes) in certain genes or chromosomes that are passed down in descent. A chronic “DISEASE” is one that does not transmit away from its own accord. A chronic metabolic “DISEASE” is one that arises within the “Subjective ‘EARTHLY’ Garment”, affects any aspect of metabolism — the many different chemical processes that occur in the “Subjective ‘EARTHLY’ Garment” to sustain life and normal functioning — and is not contagious. When the “Subjective ‘EARTHLY’ Garment” is sufficiently powered (spiritually) by the “SPIRIT←LIGHT” Body that wears it, with “‘EARTHLY’ specific supply of subsistence” through the transfer of forces, that is to say, the exchange of communication (reception and transmission of instructions, specific signals), between the “Subjective ‘EARTHLY’ Garment” and the “Specific Energy ‘SPIRIT’ Substance” of the “SPIRIT←LIGHT” Body, then the solution to all chronic metabolic “DISEASE” that may affect that “Subjective ‘EARTHLY’ Garment” is found in factors related to appropriate nutrition, increased levels of appropriate enzymes for the metabolism of their compounds, and appropriate physical exercise to oxygenate the “Subjective ‘EARTHLY’ Garment” and improve the blood flow. Those appropriate enzymes are transported in the blood flow throughout the “Subjective ‘EARTHLY’ Garment” and are excreted in the “ultrafiltrate of plasma”, which is called “urine”, and which can be re-introduced in the “Subjective ‘EARTHLY’ Garment”, to best support its health.

¹³⁸⁴ By “fruits” is not only meant the flesh of the fruit, but also the pits or seeds that are found inside the fruit. Of particular importance are those fruits and vegetables, which are rich sources of amygdalin (also designated as vitamin B17), glucosinolate, and antioxidants: glutathione, superoxide dismutase, and catalase, the descriptions of which we have given in

the chapter concerning the seventh decree of the implementation of the “Second Phase” of “THE HOLY PROJECT”. However, the optimal levels of nutrients known to provide health benefits to the adult “physical body” cannot be obtained only from a daily consumption of fresh fruits. For example, the optimal level of vitamin C is approximately 1200 to 2000 mg daily, which will translate into a daily consumption of 18 oranges, or 17 kiwifruit, or 160 apples. From this example, it is clear that to obtain an optimal level of nutrients for the proper functioning of the cells of your “physical body”, you must also add potent natural nutrients supplements and supplements of these three antioxidants to your dietary, to provide for optimal cellular nutrition and functioning.

Potential of hydrogen, otherwise known as pH, measures the levels of acid and alkaline in a substance on a scale from 0 to 14. A high pH indicates higher alkaline content, and a low pH signals higher acidity.

The majority of fruits and vegetables have high, moderate or low alkaline levels, while a few contain low levels of acid. All vegetables and fruits produce alkaline when they are natural and raw. When canned, processed or cooked, they tend to have higher acidity.

Alkaline fruits: Most fruits fall into the low alkaline category, including oranges, peaches, mangoes, papayas, watermelons, grapes, melons, strawberries, apples, bananas, apricots and avocados. Cherries, limes, pineapples and raisins produce slightly higher alkaline levels.

Acidic fruits: Canned fruits are the only type of fruits that produce high levels of acid. Blueberries, cranberries, plums, bananas and processed fruit juices have low acidity.

Alkaline vegetables: Vegetables with high alkaline levels include parsley, spinach, broccoli, celery, garlic, barley and vegetable juices. Carrots, beets, green beans, Lima beans, lettuce and zucchini have moderate alkaline levels, while the majority of vegetables are low alkaline producers. These include squash, corn, rhubarb, cabbage, onion, peas, turnip, potato, soybean, cauliflower, asparagus and mushrooms.

Acidic vegetables: Pickled vegetables produce the highest levels of acid, while pinto and navy beans have moderate acidity. Sweet potatoes, cooked spinach and kidney beans have the lowest levels of acid.

Sources of amygdalin (also designated as vitamin B17) and glucosinolate include vegetables like carrots, spinach, celery, bean sprouts, mung beans, lima beans and butter beans clover, sorghum, black beans, garbanzo, green pea, lentils, alfalfa, beet tops, cassava (contains very high concentrations), bamboo (contains very high concentrations), sweet potato, raw nuts such as bitter raw almonds, raw macadamia, and in the pips of many fruits, particularly pips or kernels of papayas (contains medium concentrations), mango (contains medium concentrations), apricots (contains high concentrations), wild blackberry (contains very high concentrations), boysenberry, elderberry, mulberry, apple seeds (contains very high concentrations), cherry seed, nectarine seeds (contains very high concentrations), peach seed (contains very high concentrations), pear seeds (contains very high concentrations), plum seed (contains very high concentrations), prune seed (contains very high concentrations), etc...

d. *One should not to live locked up in his own “thoughts”.*

*The only effective remedy is HARMONY with THE ETERNAL GOD.*¹³⁸⁵

2. *For the cleansing of an organ, one should take tisane (Lemongrass + hot water) mixed with lemon and not put a lot of sugar. You can also use green tea pure (without mixture) with lemon.*¹³⁸⁶

As you would know already, papaya seeds for example are a good source of phytochemicals. They contain valuable phytochemicals such as: Amygdalin (Cyanogenic Glucoside, Vitamin B17; β -glucosidases are responsible to hydrolyse cyanogenic glucosides into free hydrogen cyanide, benzaldehyde, or acetone and sugar), Glucosinolate (is a sulfur-rich compound mainly found in the Brassicaceae and Caricaceae family such as *Carica papaya*; The hydrolysis of glucosinolates, which is catalyzed by a class of enzymes called myrosinases (β -thioglucosidases), leads to the formation of breakdown compounds, such as thiocyanates, isothiocyanates, indoles, oxazolidine-2-thiones (e.g., goitrin), epithionitrile, and nitrile. Isothiocyanates are antioxidants, anti-neoplastic (anti-tumor, anticarcinogenic) substances. Cruciferous vegetables, such as broccoli, cabbage, brussels sprouts, kohlrabi, and kale, are rich sources of glucosinolates, each cruciferous vegetable forms a different isothiocyanate when hydrolyzed.), Phenolics, p-Coumaric acid, Kaempferol-3-glucoside, p-Hydroxybenzoic acid, Quercetin-3-galactoside, Caffeic acid, Ferulic acid, Phytosterols, Campesterol, Stigmasterol, β -Sitosterol, Flavonoids, Alkaloids, Phytates, Steroids, Terpenoids, Oxalates, Glycosides, Strobosteroids, Carotenoids, Anthraquinones, Phlobatannins.

¹³⁸⁵ The Archangel RAPHAEL is speaking about the meaning of his designation/identity: “RAPHAEL”. We have already explained why this is so, in the chapter concerning the functioning of the “Specific Energy ‘SPIRIT←LIGHT’ Bridge” and the transfer of forces from one structure to another. “HEALING” comes as a last resort from “THE DIVINE”, IHVH, our FATHER through His “ALTAR”: hence the naming by the word “RAPHAEL”. Thus, when you speak with one of those those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” that “THE DIVINE”, IHVH, our FATHER has maintained in the “Specific Energy ‘CELESTIAL’ Domain”, activate your discernment faculties and whatever he tells you, read/understand it also in the “Specific ‘SPIRIT’ Language”. Every time a creature (be it a “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, or any other creature) open his/her mouth, in the “Specific ‘SPIRIT’ Language”, he/she unwittingly reveals his/her personality, identity, or character.

¹³⁸⁶ LEMONGRASS (*Cymbopogon Citratus*), also known as cymbopogon, barbed wire grass, silky heads, Cochin grass or Malabar grass or oily heads, is a genus of Asian, African, Australian, and tropical island plants in the grass family, and with multiples virtues for the health of the human body.

3. *Paralysis. Any paralysis comes from a blockage in the brain. It must be free. For this, one must:*
 - a. *Avoid consuming whatever food and avoid any drug that stifles the brain, except when such paralysis comes from an accident.*
 - b. *Pray and free the brain and consume honey when the paralysis is recent (one to two teaspoons of honey per week).*
 - c. *Do enough movement so that the body has enough air.*¹³⁸⁷

¹³⁸⁷ “The running water will not rot! Things that remain in motion do not stagnate.”

Cardio exercises allow achieving this purpose. As you would know already, cardio exercises are physical exercises of low to high intensity, which depend primarily on the aerobic energy-generating process, the use of oxygen to adequately meet energy demands during exercise via aerobic metabolism. Cardio exercises (Eastern style, calming and restorative exercises) allow improving your health, improving your blood flow, increasing your intrinsic energy level, and increasing the overall tone of all your internal organs. Cardio exercises will allow you to improve your lungs efficiency by maximizing breathing capacity, thereby increasing ability to ventilate more air in a shorter period of time. As breathing capacity increases, your internal organs will be able to extract oxygen more quickly into the blood stream, increasing elimination of carbon dioxide. With aerobic exercises, your heart will also become more efficient at functioning, and blood volume, hemoglobin and red blood cells increase, enhancing the ability of your body to transport oxygen from the lungs into the blood and muscles.

Dance, grooving to the sound of music, in all its forms, is an aerobic exercise. It is a health-promoting physical activity which creatures (be it in the “Plane Above”, amongst the “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures” and the elders of the creation (see conversation of September 17, 2005, Aristide with ENOCH), or in the Plane Below, here on Earth) incorporate into their lifestyles today. This physical activity appeals to those who may not typically be active and therefore may be another alternative of exercise.

Dancing can be a way to stay fit for people of all ages, shapes and sizes, having a wide range of physical, and mental benefits including improved condition of the heart and lungs, increased muscular strength, endurance and motor fitness, increased aerobic fitness, improved muscle tone and strength, weight management, stronger bones and reduced risk of osteoporosis, better coordination, agility and flexibility, improved balance and spatial awareness, increased physical confidence, improved mental functioning, improved general

4. *For Diabetes, one should:*
 - a. *Avoid an excess of sugar in the body.*
 - b. *Have recourse to the vegetarian diet.*
 - c. *Consume unsweetened “fruits” when the disease has already developed. “Fruits” facilitate the treatment many diseases.*
5. *Asthma is a disease of the nature that comes from the wind and the microbes that unfurl in the weakest bodies. It is also caused by allergy to something, for example an allergy to the cat’s hair. The only way to slow down asthma is to live in an environment where it is neither too hot nor too cold. However, it is from THE ETERNAL GOD that comes healing.*
6. *AIDS. Some humans have already found a cure, but they are still making trade on their fellow neighbour.*

One needs to purify the blood. The blood is purified by what one consumes.

- a. *Avoid alcohol, tobacco, and anything that can be harmful to health.*
- b. *Consume a lot of “fruits” because the more there are “fruits” in the body, the more the blood is purified.¹³⁸⁸*

and psychological well being, greater self-confidence and self-esteem, and better social skills.

¹³⁸⁸ Of particular importance are those fruits and vegetables, which are rich sources of antioxidants: glutathione, superoxide dismutase, and catalase, the descriptions of which we have given in the chapter concerning the seventh decree of the implementation of the “Second Phase” of “THE HOLY PROJECT”. However, the optimal levels of nutrients known to provide health benefits to the “physical body” cannot be obtained only from a daily consumption of fresh fruits. For example, the optimal level of vitamin C is approximately 1200 to 2000 mg daily, which will translate into a daily consumption of 18 oranges, or 17 kiwifruit, or 160 apples. From this example, it becomes clear that to obtain an optimal level of nutrients for the proper functioning of the cells of your “physical body”, you must also add potent natural nutrients supplements and supplements of these three antioxidants to your dietary to provide for optimal cellular nutrition and functioning.

As you would know already, glutathione is a vital substance, which is produced by the liver and for the proper functioning of the “physical body”. Glutathione acts as an intracellular

antioxidant, a free radical scavenger and a detoxifying agent, which helps to minimize the damage caused by free radicals and by limiting the accumulation of toxins.

Glutathione is also readily found in certain foods, such as fruits and vegetables (Asparagus, Avocado, Banana, Broccoli, Carrot, Cauliflower, Cucumber, Grapefruit, Green Beans, Green Pepper, Green Squash, Lemon, Mango, Orange, Papaya, Parsley, Potato, Red Pepper, Spinach, Strawberry, Tomato, Yellow Squash, etc...). It is also available in dietary supplement form and there are various forms of glutathione supplements available.

Glutathione is purported to slow down the aging process of cells, prevent cancer, and preserve memory. It also facilitate protection against a wide range of health problems, including: clogged arteries (atherosclerosis), Lyme disease, Alzheimer's disease, chronic fatigue syndrome, colitis, high cholesterol, osteoarthritis, asthma, cataracts, diabetes, glaucoma, heart disease, hepatitis, liver disease, Parkinson's disease, etc...

The superoxide dismutase enzyme is also an important endogenous antioxidant in nearly all cells exposed to oxygen in the physical body. Superoxide dismutase is available in many fresh food sources. The top superoxide dismutase foods include:

- Marine Phytoplankton;
- Melons such as Casaba, Honeydew and Cantaloupe;
- Cruciferous Vegetables;
- Polyphenol-rich tea;
- Essene or Sprouted Wheat, Sprouted Soy or Sprouted Corn;
- Goji Berries;
- Black Chokeberry Extract;
- Curcuminoid-piperine combination (Turmeric/Black Pepper).

Superoxide dismutase is also available as a dietary supplement, which are often made from a combination of wheat and melon extract.

Catalase, as we have indicated in the chapter concerning the seventh decree of the implementation of the "Second Phase" of "THE HOLY PROJECT", is a protein that works to stabilize these free radicals, in a process called anti-oxidation. It facilitates the conversion of free radicals into hydrogen peroxide which ultimately breaks down to stable and safe water and oxygen. All fruits contain catalase, some have more than others: avocados, pineapple, cherries, apricots, bananas, watermelon, kiwi and peaches have the highest levels of catalase among fruit when eaten fresh and raw. Intake of supplements such as manganese, copper, zinc and selenium will facilitate the production of catalase by the physical body.

Use these recommendations in combination with THE ULTRAFILTRATE PLASMA ISOPATHIC THERAPY, which we have given in the section concerning the excretory system of the "Subjective 'EARTHLY' Garment" — in the chapter concerning the seventh decree of the implementation of the "Second Phase" of "THE HOLY PROJECT" — and its product, which is designated as "urine", a complex ultrafiltrate biofluid and a tailor-made

The olives fruits are small, oval fruits with a hard, inedible stone in the middle. They come in varying shades of green and black, depending on when they are picked. The olives fruits are very rich in lipids (up to 99% of the oil that is extracted), but also in vitamin E and A. They are a remarkable source of antioxidant and anti-inflammatory phytonutrients, which include:

- Simple Phenols: tyrosol, hydroxytyrosol;
- Terpenes (including secoiridoids and triterpenes): oleuropein, demethyloleuropein, erythrodil, uvaol, oleanolic acid, elenoic acid, ligstroside;
- Flavones: apigenin, luteolin;
- Hydroxycinnamic acids: caffeic acid, cinnamic acid, ferulic acid, coumaric acid;
- Anthocyanidins: Cyanidins, peonidins;
- Flavonols: Quercetin, kaempferol;
- Hydroxybenzoic acids: gallic acid, protocatechuic acid, vanillic acid, syringic acid;
- Hydroxyphenylacetic acids: homovanillic acid, homoveratric acid.

This phytonutrient richness and the vitamin E, are the sources of the health benefits, which extend to most of systems of the “physical body”, including: the cardiovascular system, respiratory system, nervous system, musculoskeletal system, immune system, inflammatory system, and digestive system.

EXTENDED ANNOTATIONS

“... For the cleansing of an organ, one should take tisane (Lemongrass+hot water) mixed with lemon and not put a lot of sugar. You can also use green tea pure (without mixture) with lemon. ...”

LEMONGRASS (leaves of Cymbopogon Citratus)

+ Little lemon juice + Honey + Hot water

(or, PURE GREEN TEA + Little lemon juice + Honey + Hot water)

Here is the process to make the infusion:

1. Rinse the leaves of LEMONGRASS (Cymbopogon Citratus) to rid them of impurities;
2. Cut those clean leaves of LEMONGRASS (Cymbopogon Citratus) into smaller pieces;
3. Pour water in a pot and heat it (**WITHOUT** those leaves of LEMONGRASS (Cymbopogon Citratus) in it) on the stove; don't let the water boil, just bring it towards the point of boiling (the boiling point of water is 100 degrees celcius); 70-80 degrees celcius is OK (you will get a green infusion afterwards), this will allow you to extract the organic compounds that are available in the leaves of LEMONGRASS (Cymbopogon Citratus) without destroying those organic compounds (which is what will occur if you let the water boil, in which case you will get a brown infusion afterwards).
4. Turn off the heat and add those clean leaves of LEMONGRASS (Cymbopogon Citratus) in the pot of hot water;
5. Let it infuse properly to get the most out of the LEMONGRASS (Cymbopogon Citratus) leaves. It may take few hours if you are using dried leaves, be patient!
6. Pour the resulting infusion (without the leaves) in a 450 ml cup and warm it in a microwave for 2 to 3 minutes. The purpose of this microwave heating is to be able to activate the molecules of the next components that are found in: lemon juice, honey, and the “Essential Oils”;

7. Add a little (for example 2 or 3 normal tablespoons of) lemon juice, also add one normal tablespoon of honey, and properly stir the mixture contained in the cup to have a homogeneous mixture;
8. Add 3 to 4 droplets of PURE LEMONGRASS (*Cymbopogon Citratus*) “Essential Oil”, also add the same amount of droplets of PURE LEMONGRASS (*Cymbopogon Winterianus*) “Essential Oil”;
9. Mix it properly by stirring to have a homogeneous mixture. That is your “ALL IN ONE” therapeutic tisane: it is a therapeutic chemical agent, which, once inside your organism, it will oppose the development or even survival (that is to say, it will annihilate) both putrid ferments as pathogenic germs, bacteria and infectious particles which are harmful the proper functioning of your physical body. As for your spiritual body, it is only HARMONY with “THE DIVINE”, IHVH, our FATHER and through “THE DIVINE FORCE”, which guarantees the good functioning of your spiritual body and therefore the transfer of forces of “COMBAT” from the spiritual body to the physical body. And to arrive at HARMONY with “THE DIVINE”, IHVH, our FATHER, you must put your own affairs in order by yourself (for, no one else but yourself can do it) and go and conclude your business with “THE DIVINE”, IHVH, our (your true) FATHER.
10. Drink it warm, slowly! Drink it slowly, as it is also a great natural antiseptic cleanser for the mouth cavity organs — the oral cavity includes the lips, gingivae, retromolar trigone, teeth, hard palate, cheek mucosa, mobile tongue, and floor of the mouth — and for the decongestion of the nasal cavity, and as a gargle, it is effective against sore throat; swirl it around in your mouth to rinse your mouth to ensure the cleaning of the whole mouth and annihilate all those nasty germs starting in your mouth and going down deep into the physical body, where the curative properties will be transported by the blood to your internal organs.

Throughout the day, you can repeat steps 6 to 10, one or two times, and drink one cup of this beverage before going to sleep; this will allow you to get any infectious particle out of your lungs and internal organs and at the same time cleanse those internal organs at the cellular level (cleansing the microenvironment both inside

and outside of the cell).¹³⁹¹ The higher the concentration of LEMONGRASS extract in your tisane, with respect to the amount of water, the better the tisane, and the faster the cleansing; hence the 3 to 4 droplets mentioned in step 8. In grocery you can buy PURE LEMONGRASS (Cymbopogon Citratus) “Essential Oil” and PURE LEMONGRASS (Cymbopogon Winterianus) “Essential Oil”, which is also designated as “Java Citronella”. As for the amount of honey and lemon juice, you can also proceed according to your physical body’s tolerance for sugar or lemon. If the result of step 9 is too bitter for you to drink, by all means add one more normal tablespoon of honey! Honey is a natural by-product from flower nectar and the aero-digestive tract of the honey bee. It has a complex chemical and biochemical composition including sugars, proteins, amino acids, phenolics, vitamins and minerals. Honey is a natural medicinal agent with antioxidant, anti-bacterial, antifungal, anti-malarial and anti-tumor properties.

All this information contained in these writings as well as this curative process described here above have been given to you freely! You MUST NOT make business out of it and you MUST NOT exploit your neighbour using this information! NEVER!!!

¹³⁹¹ You can make your own experiments to demonstrate that the Solar star is shining above this Earthly world, to understand “THE SCIENCE” behind these works of “THE DIVINE FORCE” and write down several PhD theses out of all these information.

CALCIUM

Calcium is a divalent cation with an atomic weight of 40. In the elementary composition of the human physical body, it ranks fifth after oxygen, carbon, hydrogen, and nitrogen, and it makes up 1.9 percent of the weight of the human physical body.

Calcium salts provide rigidity to the skeleton and calcium ions play a role in many if not most metabolic processes. In the primitive exoskeleton and in shells, rigidity is generally provided by calcium carbonate, but in the vertebrate skeleton it is provided by a form of calcium phosphate which approximates hydroxyapatite and is embedded in collagen fibrils.

90% of the human physical body calcium is located in the skeleton. The remaining 1% is equally distributed between the teeth and soft tissues, with only 0.1% in the extracellular fluid. In the skeleton it constitutes 25% of the dry weight and 40% of the ash weight. The extracellular fluid contains ionised calcium at about 4.8mg/100ml (1.20 mmol/l) maintained by the parathyroid – vitamin D system as well as complexed calcium at about 1.6mg/100ml (0.4 mmol/l). In the plasma there is an additional protein-bound calcium fraction of 3.2mg/100ml (0.8 mmol/l). In the cellular compartment the total calcium concentration is comparable with that in the extracellular fluid, but the free calcium concentration is lower by several orders of magnitude.

Bone serves as the ultimate mineral reservoir for the calcium circulating in the extracellular fluid. Calcium enters the extracellular fluid from the gut by absorption and from bone by resorption. Calcium leaves the extracellular fluid via the gastrointestinal tract, kidneys, and skin and enters into bone via bone formation. In addition, calcium fluxes occur across all cell membranes. Many neuromuscular and other cellular functions depend on the maintenance of the ionised calcium concentration in the extracellular fluid. Calcium fluxes are also important mediators of hormonal effects on target organs through several intracellular signalling pathways, such as the phosphoinositide and cyclic adenosine monophosphate systems. The cytoplasmic calcium concentration is kept down by a series of calcium pumps, which concentrate calcium within the intracellular storage sites or extrude from the cells the calcium which flows in by diffusion. The physiology of calcium metabolism is primarily directed towards the maintenance of the concentration of ionised calcium in the extracellular fluid. This is protected and maintained by a feedback loop through calcium receptors in the parathyroid glands, which control the secretion of parathyroid hormone. This hormone increases the renal tubular reabsorption of calcium, promotes intestinal calcium absorption by stimulating the renal production of 1,25-dihydroxycolecalciferol, and, if necessary, resorbs bone. However, the integrity of the system depends critically on vitamin D status; if there is a deficiency of vitamin D, the loss of its calcaemic action leads to a decrease in the ionised calcium and secondary hyperparathyroidism and hypophosphataemia.

POTASSIUM

Potassium is a mineral classified as an electrolyte because it is highly reactive in water. When in water, an electrolyte dissolves into positive or negative ions that have the ability to conduct electricity. Potassium, when dissolved in water, it produces positively charged ions. This special property allows it to conduct electricity, which is important for many processes throughout the human physical body. The human physical body uses this electricity to manage a variety of processes, including control heart rate and blood pressure, fluid balance, nerve signals and muscle contractions.

The human physical body is made of approximately 60% water. 40% of this water is found inside the cells in a substance called intracellular fluid. The remainder is found outside the cells in areas such as blood, spinal fluid and between cells, in a substance called extracellular fluid. The amount of water in the intracellular fluid and extracellular fluid is affected by their concentration of electrolytes, especially potassium and sodium. Potassium is the main electrolyte in the intracellular fluid, and it determines the amount of water inside the cells. Conversely, sodium is the main electrolyte in the extracellular fluid, and it determines the amount of water outside the cells.

The number of electrolytes relative to the amount of fluid is called osmolality. Under normal conditions, the osmolality is the same inside and outside the cells of the human physical body. That is to say, there is an equal balance of electrolytes outside and inside the cells of the human physical body.

However, when osmolality is unequal, water from the side with fewer electrolytes will move into the side with more electrolytes to equalize electrolyte concentrations. This may cause cells to shrink as water moves out of them, or swell up and burst as water moves into them. That's why it is important to make sure you consume the right electrolytes, including potassium.

Maintaining good fluid balance is important for optimal health. Poor fluid balance can lead to dehydration, which in turn affects the heart and kidneys.

The nervous system relays messages between the brain and body. These messages are delivered in the form of nerve impulses and help regulate the muscle contractions, heartbeat, reflexes and many other functions of the human physical body. Nerve impulses are generated by sodium ions moving into cells and potassium ions moving out of cells. The movement of ions changes the voltage of the cell, which activates a nerve impulse. A drop in blood levels of potassium can affect the ability of the human physical body to generate a nerve impulse. Getting enough potassium help you maintain healthy nerve function.

Potassium is also important for a healthy heart, as its movement in and out of cells helps maintain a regular heartbeat. When blood levels of the mineral are too high, the heart may become dilated and flaccid. This can weaken its contractions and produce an abnormal heartbeat. Likewise, low levels in the blood can also alter the heartbeat. When the heart does not beat properly, it cannot effectively pump blood to the brain, organs and muscles.

Getting enough potassium is linked to many health benefits, including:

1. Strokes prevention;
2. Osteoporosis prevention — osteoporosis is a condition characterized by hollow and porous bones;
3. Prevention and treatment of kidney stones — kidney stones are clumps of material that may form in concentrated urine; calcium is a common mineral in kidney stones, and potassium citrate lowers calcium levels in urine;
4. Reduction of water retention in the human physical body.

The optimal levels of potassium known to provide health benefits to the “physical body” cannot be obtained only from a daily consumption of LEMONGRASS (*Cymbopogon Citratus*) tisane. For the proper functioning of the cells of your “physical body”, you must also add potent natural potassium supplements to your dietary to provide for optimal cellular nutrition and functioning.

ZINC

Zinc is a vital mineral that the human physical body uses in countless ways. It is present in every cell in all tissues and fluids of the human physical body. It is the second-most-abundant trace mineral in the human physical body — after iron — The total zinc content in the human physical body is estimated to be 30 mmol (2 g). Skeletal muscle accounts for approximately 60 percent of the total content and bone mass, with a zinc concentration of 1.5-3 mmol/g (100-200 mg/g), for approximately 30 percent. Zinc concentration of lean mass of the human physical body is approximately 0.46 mmol/g (30 mg/g). Plasma zinc has a rapid turnover rate and it represents only about 0.1 percent of total human physical body zinc content. This level is under close homeostatic control. High concentrations of zinc are found in the choroid of the eye 4.2 mmol/g (274 µg/g) and in prostatic fluids 4.6-7.7 mmol/l (300-500 mg/l).

Zinc is an essential component of a large number (>300) of enzymes participating in the synthesis and degradation of carbohydrates, lipids, proteins, and nucleic acids as well as in the metabolism of other micronutrients. It is required for numerous processes in the human physical body, including: Gene expression, Enzymatic reactions, Immune function, Protein synthesis, DNA synthesis, “COMBAT” and “HEALING” processes, Growth and development, etc...

Zinc stabilises the molecular structure of cellular components and membranes and contributes in this way to the maintenance of the integrity of the human physical body cells and organs. Furthermore, zinc has an essential role in polynucleotide transcription and thus in the process of genetic expression. Its involvement in such fundamental activities accounts for the essentiality of zinc for all life forms.

Zinc plays a central role in the immune system, affecting a number of aspects of cellular and Humoral immunity. It functions as a modulator of the immune response through its availability, which is tightly regulated by several transporters and regulators. When this mechanism is disturbed, Zinc availability is reduced, altering survival, proliferation and differentiation of the cells of different organs and systems and, in particular, cells of the immune system. Zinc deficiency will affect cells involved in both innate and adaptive immunity at the survival, proliferation and maturation levels. These cells include monocytes, polymorphonuclear-, natural killer-, T-, and B-cells. T cell functions and the balance between the different T helper cell subsets are particularly susceptible to changes in Zinc status. The human physical body has no zinc stores in the conventional sense and it must be ingested daily in proper amounts. In conditions of bone resorption and tissue catabolism, zinc is released and may be re-utilised to some extent.

Sufficient levels of zinc are essential for the immune system to function properly. For example, zinc is required for the development and activity of T-lymphocytes, which are white blood cells, the brave “fighters” of the internal defense system that help fight infection, and which we have already described in one previous chapter.

MAGNESIUM

The human physical body contains about 760 mg of magnesium at birth, approximately 5 g at age 4-5 months, and 25 g for adult human physical body. Of the human physical body magnesium, 30-40 percent is found in muscles and soft tissues, 1 percent is found in extracellular fluid, and the remainder is located within bone, where it forms a surface constituent of the hydroxyapatite (calcium

phosphate) mineral component. Initially much of this magnesium is readily exchangeable with serum and therefore represents a moderately accessible magnesium store, which can be drawn on in times of deficiency. However, the proportion of bone magnesium in this exchangeable form declines significantly with increasing age. Significant increases in bone mineral density of the femur are associated with rises in erythrocyte magnesium.

Magnesium is an important mineral, playing a fundamental role in over hundreds enzyme reactions in the human physical body. It is critical for a great number of cellular functions, including oxidative phosphorylation, glycolysis, DNA transcription, and protein synthesis. It is involved in ion currents and membrane stabilization. Its wide range of health benefits and biological activity make it effective in addressing a number of common diseases and conditions including fibromyalgia, chronic pain, diabetes, osteoporosis, cardiovascular disease and headaches. Its many functions include:

- Helping the physical body to absorb vital minerals and vitamins like sodium, calcium, potassium and phosphorus.
- Helping with muscle and nerve function, regulating blood pressure, supporting the immune system, participating in normal psychological functions such as concentration, reasoning or memory.

One of the main roles of magnesium is to act as a cofactor — a helper molecule — in the biochemical reactions continuously performed by hundreds (over 600) of enzymes, including:

- Energy creation: converting food into energy. The most important enzymes that magnesium is a cofactor for, are the ones that produce cellular energy. These enzymes form a series of pathways (glycolysis, Krebs's cycle, phosphorylation) that convert organic compounds like glucose sugars into smaller molecules designated as adenosine triphosphate (ATP), which is the main source of energy in cells. Both ATP and magnesium ion (Mg^{2+}) are mutually and strongly buffered in cytosol where ATP binds to magnesium ion (Mg^{2+}) to compose biologically functional form, and most of intracellular ATP and Mg^{2+} assumed to form Mg-ATP complexes. Since the cell energy production pathways (glycolysis, Krebs's cycle, phosphorylation) are magnesium dependent, the human physical body needs quite a good supply of magnesium to fuel a continuous production of ATP. During exercise, the physical body needs more magnesium than when it is resting, depending on the activity. Magnesium helps move blood sugar into

your muscles and dispose of lactate, which can build up during exercise and cause fatigue.

- **Protein formation:** creating new proteins from amino acids. Magnesium acts as a cofactor of several important enzymes, especially those requiring ATP in order to be fully functional, such as the various protein kinases, proteins involved in nucleic acid metabolism, or ATPases involved in the transport of various ions.
- **Glutathione synthesis.** Magnesium is an absolute requirement for the proper functioning of the gamma-glutamyl transpeptidase (GGT) enzyme, which plays a key role in the synthesis of glutathione, via the gamma-glutamyl cycle. Bodily production of glutathione, by way of this particular cycle, is important for maintaining glutathione balance and in helping recycle “used up” (i.e. oxidized) glutathione. Its beneficial effects are therefore retained in the physical body for a longer period of time. Magnesium also increases the activity of glutathione peroxidase (GPx) enzyme. This enzyme accelerates how quickly glutathione neutralizes free radicals. Magnesium also increases the activity of two other extremely important antioxidants that reside in the physical bodies—catalase and superoxide dismutase.
- **Gene maintenance:** helping create and repair DNA and RNA. Magnesium is a cofactor for several important enzymes in the human physical body, like DNA/RNA polymerases, used to transcribe new DNA/RNA strands.
- **Muscle and joints movements:** it contributes to flexibility and helps to prevent injury by loosening tight muscles. Without enough magnesium, muscles cannot properly relax, possibly causing cramps. Low magnesium can create a buildup of lactic acid, known to cause post-workout pain and tightness. If your physical body is experiencing frequent muscle cramps and spasms, or joints pain, it is possible that your magnesium intake is lower than your calcium intake, resulting in those muscles being unable to relax fully between every contraction. Additionally, without enough magnesium in your physical body it can be difficult for your physical body to flush out lactic acid — the byproduct of a muscle contraction — resulting in muscle soreness. If you experience frequent tension headaches, it could be that this process of improper muscular release is occurring in the muscles of your head and neck.

- Nervous system regulation: regulating neurotransmitters, which send messages throughout your brain and nervous system.

Magnesium plays an important role in relaying signals between the brain and the physical body. It acts as the gatekeeper for the N-methyl-D-aspartate (NMDA) receptors, which are found on the nerve cells and aid brain development.¹³⁹³ In terms of antinociceptive action, the main mode of action of magnesium involves its antagonist action at the N-methyl-d-aspartate (NMDA) receptor, which prevents central sensitization and attenuates preexisting pain hypersensitivity. It inhibits calcium ions from entering cells by blocking NMDA receptors, resulting in a pain relief effect. This pain relief effect is related to the prevention of central sensitization caused by peripheral tissue injury. It inhibits central sensitization and decreases preexisting pain hypersensitivity. As such, magnesium helps to relieve pain (muscle pain, joints pain, lower back pain, headaches and migraines, etc...), reduce panic attacks, stress, anxiety and undue agitations.

Magnesium also plays a role in regulating muscle contractions. At the cellular level, magnesium blocks the calcium channel, preventing an excessive increase in intracellular calcium levels, which reduces muscles cramping/spasm. Just like in the heart, magnesium acts as a natural calcium blocker to help muscles relax. In the muscles, calcium binds to proteins such as troponin C and myosin. This process changes the shape of these proteins, which generates a contraction. Magnesium competes with calcium for these same binding spots to help relax the muscles. If the human physical body does not have enough magnesium to compete with calcium, the muscles may contract too much, causing cramps or spasms. For this reason, magnesium is commonly recommended to treat muscle cramps.

Soft tissue magnesium functions as a co-factor of many enzymes involved in energy metabolism, protein synthesis, RNA and DNA synthesis, and maintenance of the electrical potential of nervous tissues and cell membranes. Of particular importance with respect to the pathologic effects of magnesium depletion is the role of this element in regulating potassium fluxes and its involvement in the

¹³⁹³ N-methyl-D-aspartate (NMDA) receptors are membrane ion channels expressed in the central nervous system. Each receptor has seven subunits that assemble into various combinations of tetrameric receptor complexes. NMDA receptors play critical physiological roles in synaptic function including synaptic plasticity, learning, and memory. These receptors regulate the cellular inflows of Na⁺ and Ca²⁺ and the outflow of K⁺.

metabolism of calcium. Magnesium depletion depresses both cellular and extracellular potassium and exacerbates the effects of low-potassium diets on cellular potassium content. Muscle potassium becomes depleted as magnesium deficiency develops, and tissue repletion of potassium is virtually impossible unless magnesium status is restored to normal. Low plasma calcium develops frequently as magnesium status declines. This occurs either because parathyroid hormone release is inhibited or because of a reduced sensitivity of the bone to parathyroid hormone, thus restricting withdrawal of calcium from the skeletal matrix.

Proper intake of magnesium also help to:

- Prevent constipation — Magnesium provides quick relief from a constipated condition. The laxative property of magnesium relaxes the intestinal muscles, thereby helping to establish a smoother rhythm while passing bowel movements. Magnesium also has another property of attracting water, which in turn softens the stool and helps it to pass easily. This relaxation of the nervous system can also assist with preventing problems such as vomiting, cramps, indigestion, abdominal pain, and flatulence.
- Prevent diabetes and regulates sugar level — The health benefits of magnesium are contributed towards diabetic patients also as this mineral helps to improve insulin reaction to blood sugar level. Magnesium supplements are vital for all diabetic patients as many suffer from magnesium deficiency. Magnesium aids in regulating blood sugar status, thus promoting normal blood pressure.
- Prevent heart diseases — High magnesium intake is associated with lower risk of major cardiovascular risk factors (mainly metabolic syndrome, diabetes and hypertension), stroke and total cardiovascular diseases. Higher levels of circulating magnesium are associated with lower risk of cardiovascular diseases, mainly ischemic heart disease and coronary heart disease.
- Prevent asthma — Chronic asthma patients may be able to normalize their breathing with help of magnesium supplements which aids in relaxing bronchial muscles and normalize breathing.

The common signs of magnesium deficiency include: muscle pain, muscle cramps especially in the legs or feet, muscle twitches, aching or tight muscles, (lower)

general muscle tightness or aches, restless legs, back pain, headaches, migraine (Serotonin balance is magnesium dependent), personality changes, anxiety and panic attacks, confusion, disorientation, dizziness, loss of concentration, drop in morale, loss of appetite, gastrointestinal spasms, constipation, nausea and vomiting, depression, tingling, numbness, depression, high blood pressure, hypoglycemia, abnormal heart rhythms, coronary spasm, and seizures, type II diabetes, hypertension, insomnia, blood clots, bladder spasms, poor detoxification, osteoporosis, arthritis, etc... If you commonly experience these symptoms you may be deficient in magnesium. If you are deficient in magnesium your physical body may not have the necessary minerals to actually relax your muscles. Increasing magnesium in your physical body is a great way to reduce the ailments listed here above on your physical body.

As it is the case with most nutrients and minerals that you consume from single daily food, the daily optimal levels of magnesium known to provide health benefits to the “physical body” cannot be obtained only from a daily consumption of LEMONGRASS (*Cymbopogon Citratus*) tisane. For the proper functioning of the cells of your “physical body”, you must also add potent natural magnesium supplements to your dietary to provide for optimal cellular nutrition and functioning.

MANGANESE

Manganese contributes to many functions of the human physical body, including the metabolism of amino acids, cholesterol, glucose, and carbohydrates. It also plays a role in bone formation, blood clotting, and reducing inflammation.

The human physical body cannot produce manganese, but it can store it in the liver, pancreas, bones, kidneys, and brain. A person often obtains manganese from its diet. The human physical body uses manganese as a co-factor that helps to form the antioxidant¹³⁹⁴ enzyme called superoxide dismutase. This enzyme

¹³⁹⁴ An antioxidant compound is a compound that inhibits the oxidation. Oxidation is a chemical process that transfers electrons or hydrogen from a substance to an oxidizing agent. Oxidation reactions will produce free radicals. In turn, these radicals will begin chain reactions. Once the chain reaction happens in a cell, it will cause damage or death to the cell of the organism. Antioxidants stop these chain reactions by removing free radical intermediates, and inhibit different oxidation reactions. To balance the oxidative stress, plants maintain complex systems of overlapping antioxidants, such as glutathione and enzymes (e.g., catalase and superoxide dismutase), produced internally, or the dietary antioxidants vitamin C and vitamin E.

helps break down one of the more dangerous free radicals, which is designated as superoxide, into smaller components that are not harmful. As such the uses of manganese also contribute to improve (boost) the efficiency of the immune system of the human physical body.

Along with vitamin K, manganese aids the formation of blood clots. Blood clotting, which keeps the blood in a damaged blood vessel, is the first stage of wound healing. Manganese may help lower blood sugar levels; it also helps promote strong, dense bones when combined with other nutrients, such as calcium and vitamin D.

IRON

Iron (symbol Fe in the periodic table of elements) is one of the trace elements. Most of the iron is concentrated in red blood cells and muscles. There are also reserves in the liver.

Iron has several vital functions in the human physical body:

- Iron is a constituent of hemoglobin inside red blood cells, which is used to supply the various organs with oxygen. It serves as a carrier of oxygen to the tissues from the lungs by red blood cell hemoglobin, as a

Free radicals are a product of tissue metabolism, and the potential damage which they can cause is minimised by the antioxidant capacity and repair mechanisms within the cell. Thus in a metabolically active tissue cell in a healthy subject with an adequate dietary intake, damage to tissue will be minimal and most of the damage occurring will be repaired.

Free radicals, especially superoxide (O_2), nitric oxide (NO), and other reactive species such as H_2O_2 , are continuously produced in vivo. Superoxide in particular is produced by leakage from the electron transport chains within the mitochondria and microsomal P450 systems or formed more deliberately, for example, by activated phagocytes as part of the primary immune defence in response to foreign substances or to combat infection by micro-organisms.

To cope with potentially damaging reactive oxidant species, aerobic tissues contain endogenously produced antioxidant enzymes such as superoxide dismutase superoxide dismutase, glutathione peroxidase (GPx), and catalase and several exogenously acquired radical-scavenging substances such as vitamins E and C and the carotenoids. Under normal conditions the high concentrations of superoxide dismutase maintains superoxide concentrations too low to allow the formation of peroxynitrite.

Integrated antioxidant defences protect tissues and are presumably in equilibrium with continuously generated reactive oxidant species to maintain tissues metabolically intact most of the time.

transport medium for electrons within cells, and as an integrated part of important enzyme systems in various tissues.

- It is also present within myoglobin, which is a form of oxygen reserve in the muscles.
- It is part of the structure of many enzymes, which are involved in essential metabolic reactions, for example, DNA synthesis or the production of catecholamines (dopamine, norepinephrine).

Most of the iron in the human physical body is present in the erythrocytes as hemoglobin, a molecule composed of four units, each containing one heme group and one protein chain. The structure of hemoglobin allows it to be fully loaded with oxygen in the lungs and partially unloaded in the tissues (e.g., in the muscles). The iron-containing oxygen storage protein in the muscles, myoglobin, is similar in structure to hemoglobin but has only one heme unit and one globin chain. Several iron-containing enzymes, the cytochromes, also have one heme group and one globin protein chain. These enzymes act as electron carriers within the cell and their structures do not permit reversible loading and unloading of oxygen. Their role in the oxidative metabolism is to transfer energy within the cell and specifically in the mitochondria. Other key functions for the iron-containing enzymes (e.g., cytochrome P450) include the synthesis of steroid hormones and bile acids; detoxification of foreign substances in the liver; and signal controlling in some neurotransmitters, such as the dopamine and serotonin systems in the brain. Iron is reversibly stored within the liver as ferritin and hemosiderin whereas it is transported between different compartments in the human physical body by the protein transferrin.

Iron is not actively excreted from the human physical body in urine or in the intestines. Iron is only lost with cells from the skin and the interior surfaces of the human physical body — intestines, urinary tract, and airways. The total amount lost is estimated at 14 µg/kg body weight/day.

SELENIUM

Selenium is the chemical element with atomic number 34 and symbol Se. It is a trace element, just like iron, copper or zinc. Trace elements are minerals that the human physical body only needs in very small quantities but which are nevertheless essential for its functioning.

In the human physical body, selenium is stored in tissues, mostly in skeletal muscles. It can be converted in the organism into various metabolites. The role of selenium in the human physical body is mainly played through selenoproteins,

including important amino acid derivatives, such as selenomethionine, selenocysteine, methylselenocysteine, and selenocystathionine, which are synthesized by the selenium metabolic system.¹³⁹⁵ Selenoproteins contain one or more residues of the nonstandard amino acid selenocysteine, which is an analog of cysteine in which a selenol group replaces a thiol. Selenocysteine is located in the active sites of enzymes that participate in oxidation–reduction reactions. These include glutathione peroxidase, thioredoxin reductase, and iodothyronine deiodinase. The incorporation of selenocysteine into the growing peptide chain occurs by a unique suppressor tRNA and a stop codon. The majority of these

¹³⁹⁵ Selenomethionine is a selenoamino acid that is the selenium analogue of methionine. It exists in two forms designated as enantiomers, including L-selenomethionine and D-selenomethionine. It has a role as a plant metabolite. It is a member of selenomethionines and a selenoamino acid.

Selenocysteine is an amino acid that is present in several enzymes (for example glutathione peroxidases, tetraiodothyronine-5'-deiodinases, thioredoxin reductases, formate dehydrogenases, glycine reductases and some hydrogenases). Selenocysteine has a structure similar to cysteine, but with an atom of selenium taking the place of the usual sulfur. Selenium is more susceptible to oxidation than sulfur and so proteins that contain it must be protected from oxygen. Selenocysteine is not one of the standard 20 amino acids and yet it is incorporated into a few rare proteins during translation of the mRNA by the ribosome. It is a proteinogenic amino acid; that is to say, an amino acid that is incorporated biosynthetically into proteins during translation. The word "proteinogenic" means "protein creating". Throughout known life, there are 22 genetically encoded (proteinogenic) amino acids, 20 in the standard genetic code and an additional 2 (selenocysteine and pyrrolysine) that can be incorporated by special translation mechanisms. In eukaryotes, there are only 21 proteinogenic amino acids, the 20 of the standard genetic code, plus selenocysteine. The human physical body can synthesize 12 of these from each other or from other molecules of intermediary metabolism. The other nine must be consumed (usually as their protein derivatives), and so they are called essential amino acids. The essential amino acids are histidine, isoleucine, leucine, lysine, methionine, phenylalanine, threonine, tryptophan, and valine.

Methylselenocysteine, also known as Se-methylselenocysteine, is an analog of S-methylcysteine in which the sulfur atom is replaced with a selenium atom.

Methylselenocysteine is a naturally occurring organoselenium compound found in many plants, including garlic, onions, and broccoli, with potential antioxidant and chemopreventive activities. Se-Methyl-seleno-L-cysteine (MSC) is an amino acid analogue of cysteine in which a methylselenium moiety replaces the sulphur atom of cysteine.

Selenocystathionine is a member of the class of cystathionines derived from homoselenocysteine and serine residues joined by a selenide bond. It is a member of cystathionines and a selenoamino acid.

proteins that participate in oxidation–reduction reactions, catalyzes some oxidation/reduction functions in which the selenol of the selenocysteine that is present in the active site of the respective enzyme takes part in the reaction. The advantage of having a selenol instead of a thiol lies in the fact that it confers to these enzymes a higher kinetic efficiency. Selenoproteins are synthesized in the cells via a unique mechanism that involves specific enzymes and factors and directly depends on selenium intake. They have an important role in skeletal muscle regeneration, cell maintenance, oxidative and calcium homeostasis, thyroid hormone metabolism, and immune responses.

BRAIN FUNCTIONING.— Selenium is essential for the functioning of the brain. Its importance is revealed in the context of hereditary disorders, where genetic mutations compromise the manufacture of selenoproteins. The resulting progressive cerebro-cerebellar atrophy is associated with severe brain abnormalities.

At the level of the central nervous system, selenium is part of the composition of glutathione peroxidase (GPx). This enzyme is endowed with antioxidant abilities: it neutralizes free radicals that can damage brain cells. It exists mainly in two forms in this organ. GPx4 fights against oxidative stress at the level of neurons, while GPx1 also protects astrocytes, these star-shaped cells that support the functioning of neurons. A decrease in the production of these enzymes is observed in the context of neurodegenerative conditions such as Parkinson's or Alzheimer's disease, as well as in the case of epilepsy.

IMMUNE SYSTEM FUNCTIONING.— Selenium is important for the functioning of the immune system and it conditions its ability to facilitate the “COMBAT”. It is particularly concentrated in the organs of immunity such as the lymph nodes, the liver or the spleen. Selenium stimulates the antibody formation and the activity of the helper T cells along with the cytotoxic T and NK cells. It is also implicated in the stimulation of the phagocytic cells migration and in the phagocytosis. In terms of selenium status, some metabolites of selenium and selenoproteins such as GPX1 and TR1 were shown to be involved in the immune and inflammatory responses, the mechanisms responsible for the beneficial effects being not yet fully understood.

THYROID DISORDERS.— The thyroid gland is the organ of the human physical body most concentrated in selenium. Some of the selenoproteins it houses work to eliminate the free radicals produced during the manufacture of thyroid hormones. The other part are iodothyronine deiodases, enzymes directly involved in the action of thyroid hormones. Their role is to remove an iodine atom from a

molecule derived from thyronine; they make it possible in particular to transform thyroxine (T4), an inactive hormone, into tri-iodothyronine (T3) endowed with biological activity. A low selenium status is associated with an increase in the prevalence of thyroid gland diseases such as hypothyroidism, enlarged thyroid gland or autoimmune thyroiditis.

CARDIOVASCULAR HEALTH.— Selenium is beneficial for cardiovascular health, as it has anti-inflammatory properties and helps prevent excessive aggregation of blood platelets. Selenoproteins are important for a proper functioning of the heart muscle. They prevent the oxidative modification of lipids, or body fats, and thereby facilitates the reduction of inflammation and the buildup of platelets. In case of deficiency, the activity of glutathione peroxidase is not optimal within these cells, which favors the phenomena of thrombosis.

CANCER.— High levels of selenium in the human physical body are associated with a decrease in the risk of breast, lung, esophageal, stomach and prostate cancer. The advantages of selenium against cancer are based on its ability to improve the functioning of Natural Killer lymphocytes, which destroy cells that have become malignant, and on its antioxidant abilities. By protecting DNA from the attack of free radicals, it limits the risk of mutations occurring that could lead to the appearance of a cancerous process.

Selenium promotes the repair of DNA damage. The main lesions caused by oxidative stress on DNA affect one of its constituents, guanine, which is then found in the form of 8-hydroxyguanine (8-oxoguanine). The enzyme responsible for correcting this problem, a DNA glycosylase (OGG1), is itself vulnerable to oxidation phenomena, which hinder its activity. Antioxidant selenoproteins help keep OGG1 in a reduced chemical state where it performs better.

QUALITY OF HAIR AND NAILS.— Selenium plays a role in maintaining the quality of the skin, nails and hair. Many dietary supplements aimed at strengthening hair and nails and limiting hair loss contain selenium, among other things. A selenium deficiency manifests itself in particular by abnormal hair loss and depigmentation of the integuments.

OTHER ADVANTAGES.— As an anti-toxic trace element, selenium neutralizes heavy metals absorbed by the human physical body. It is also an element structuring the human physical body in the conception of spermatozoa.

Like most trace elements, selenium plays a key role in the whole organism. Its anti-inflammatory properties are valuable especially against rheumatism. At the intracellular level, it has an antioxidant effect, as it allows the organism to produce glutathione-peroxidase. This enzyme works in concert with vitamin E to

protect cell membranes from oxidation caused by free radicals. The synergistic action of selenium and vitamin E, two well-known antioxidants, is of crucial importance in the prevention of various diseases.

Selenium is present everywhere in the earth's crust and is extracted by plants. The selenium content of plants depends on the selenium richness of the soils in which they grow, and therefore varies greatly depending on the geographical areas. The optimal levels of selenium known to provide health benefits to the "physical body" cannot be obtained only from a daily consumption of LEMONGRASS (*Cymbopogon Citratus*) tisane. Due to its essential function for the organism, it is essential to protect yourself from the main risks of deficiency. For the proper functioning of the cells of your "physical body", you must also add potent natural selenium supplements to your dietary to provide for optimal cellular nutrition and functioning.

COPPER

The symbol of copper is Cu, it has the atomic number 29. Its atomic mass is 63.546 u and its density is 8.96 g/cm³. It is a red-brown metal from the same family as gold and silver. Present in the Earth's crust, it is essential for all forms of life and all living organisms. After iron and zinc, copper is the most abundant dietary essential trace mineral.

The human physical body contains 75 to 100 mg of copper in various forms, of which 40% is in the skeleton, 24% in the muscles, 9% in the liver and 6% in the brain. It is mostly related to amino acids or proteins. Copper is a component of many enzymes and it has numerous important functions that benefit the human physical body.¹³⁹⁶

¹³⁹⁶ Groups enzymes that use copper as a cofactor in their catalysis include:

- 2-furoyl-CoA dehydrogenase
- Amine oxidase (copper-containing) (AOC), which is a family of amine oxidase enzymes which includes both primary-amine oxidase and diamine oxidase; these enzymes catalyze the oxidation of a wide range of biogenic amines including many neurotransmitters, histamine and xenobiotic amines. They act as a disulphide-linked homodimer. They catalyse the oxidation of primary amines to aldehydes, with the subsequent release of ammonia and hydrogen peroxide, which requires one copper ion per subunit and topaquinone as cofactor.

Copper contributes to the pigmentation of the skin and hair through tyrosinase. Tyrosinase is a copper-containing enzyme in a 75 kD glycoprotein, known as molecule T4, which is essential for melanogenesis and pigmentation.¹³⁹⁷ It is the key enzyme of melanin biosynthesis. It is synthesized by epithelial, mucosal, retinal and ciliary body melanocytes, and stored in cytoplasmic organelles. Melanin is metabolically derived from the tyrosinase-catalyzed oxidation of the

ספר הארץ

- Amine oxidase, copper containing 2 (AOC2), which is a protein that in the human physical body is encoded by the AOC2 gene. The protein is a copper-containing primary amine oxidase enzyme.
- Amine oxidase, copper containing 3 (AOC3), also known as vascular adhesion protein (VAP-1) and HPAO, which is an enzyme that in the human physical body is encoded by the AOC3 gene on chromosome 17. This protein is a member of the semicarbazide-sensitive amine oxidase (SSAO; aka primary amine oxidase) family of enzymes and is associated with many vascular diseases.
- ATPases (Adenosine 5'-TriPhosphatase, adenylypyrophosphatase, ATP monophosphatase, triphosphatase, SV40 T-antigen, ATP hydrolase, complex V (mitochondrial electron transport), $(\text{Ca}^{2+} + \text{Mg}^{2+})$ -ATPase, HCO_3^- -ATPase, adenosine triphosphatase), which are a class of enzymes that catalyze the decomposition of ATP into ADP and a free phosphate ion or the inverse reaction. This dephosphorylation reaction releases energy, which the enzyme (in most cases) harnesses to drive other chemical reactions that would not otherwise occur. This process is widely used in all known forms of life.
- Bilirubin oxidase, Catalase, Catechol oxidase, Ceruloplasmin, Cytochrome c oxidase, Diamine oxidase, Dopamine beta-hydroxylase, Galactose oxidase, Glutathione peroxidase, Hephaestin, Hexose oxidase, Indole 2,3-dioxygenase, L-ascorbate oxidase, Laccase, Lysyl oxidase, Methane monooxygenase, Multicopper oxidase, Nitrite reductase, Nitrite reductase (NO-forming), Nitrous-oxide reductase, Peptidylglycine monooxygenase, Polyphenol oxidase, Quercetin 2,3-dioxygenase, Superoxide dismutase [Cu-Zn] also known as superoxide dismutase 1 or hSod1, Extracellular superoxide dismutase [Cu-Zn], Superoxide dismutase, Tyrosinase.

¹³⁹⁷ Tyrosinase is an oxidase that is the rate-limiting enzyme for controlling the production of melanin. The enzyme is mainly involved in two distinct reactions of melanin synthesis otherwise known as the Raper Mason pathway. Firstly, the hydroxylation of a monophenol and secondly, the conversion of an o-diphenol to the corresponding o-quinone. o-Quinone undergoes several reactions to eventually form melanin. Tyrosinase is a copper-containing enzyme present in plant and animal tissues that catalyzes the production of melanin and other pigments from tyrosine by oxidation. It is found inside melanosomes which are synthesized in the skin melanocytes.

amino acid L-tyrosine. Melanin production is regulated by tyrosinase, tyrosinase-related protein 1, DOPAchrome tautomerase and melanogenic inhibitor.

Copper is involved in the transport of iron in the human physical body. It is also involved in iron metabolism, mainly in the synthesis of hemoglobin.

Copper facilitates the production of energy in the human physical body. It participates in the metabolisms of glucose (oxidation), lipids but also proteins. The major supply of ATP in cells is from mitochondrial oxidative phosphorylation in the presence of oxygen. Copper plays an essential role in this process by forming a catalytic core of cytochrome c oxidase, the terminal enzyme complex of the electron transport chain that produces ATP in the mitochondria (oxidative phosphorylation).

Copper helps in the proper functioning of the nervous system. Copper is a component of numerous metalloenzymes and proteins that have a key role in maintaining the structure and function of the nervous system. It is a constituent of cytochrome oxidase (oxidative phosphorylation), superoxide dismutase (antioxidant defense), ceruloplasmin (iron metabolism), tyrosinase (melanin synthesis), and dopamine β -monooxygenase (catecholamine synthesis).

Copper participates in the maintenance of normal connective tissues and the synthesis of elastin and collagen, and it also degrades dopamine into a neurotransmitter for cellular "communication".

Copper contributes to the proper functioning of the immune system. Thanks to its anti-infectious properties, it helps to "COMBAT" fever and flu-like conditions in all their forms. It also stimulates the synthesis of antibacterial and antiviral molecules (immunoglobulins) and inhibits certain pro-inflammatory molecules responsible for fever. The level of copper in the blood increases during infectious diseases as a result of the mobilization of this metal by the organism to "COMBAT" infection. It potentiates the anti-inflammatory action of aspirin as well as manganese and magnesium, it promotes the biological activity of vitamin C.

Copper is involved in the synthesis of superoxide dismutase (SOD), an antioxidant also involved in anti-inflammatory processes.

Copper is involved in the growth and maintenance of bone mass and cartilage. It is particularly effective in combating osteoporosis and osteoarthritis.

THE B-COMPLEX VITAMINS

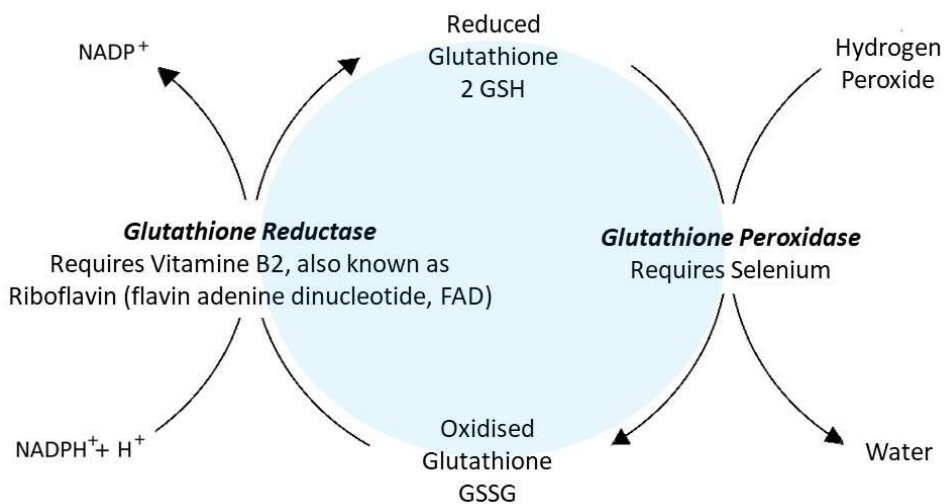

B vitamins are a class of water-soluble vitamins that play important roles in cell metabolism. Though these vitamins share similar names, they are chemically distinct compounds that often coexist in the same foods. In general, dietary supplements containing all eight are referred to as a vitamin B complex. Individual B vitamin supplements are referred to by the specific number or name of each vitamin: B1 (thiamine), B2 (riboflavin), B3 (niacin), B5 (pantothenic acid), B6 (pyridoxine), B7 (biotin), B9 (folic acid), and B12 (cobalamin). Some are better known by name than number: niacin, pantothenic acid, biotin and folate. Each B vitamin is either a cofactor (generally a coenzyme) for key metabolic processes or is a precursor needed to make one.

Vitamin	Physiologic roles as	What happens when it is deficient
Thiamin (B1)	Co-enzyme in metabolism of carbohydrates and branched-chain amino acids.	Beri-beri, polyneuritis, and Wernicke-Korsakoff syndrome.
Riboflavin (B2)	Co-enzyme in numerous oxidation and reduction reactions.	Growth, cheilosis, angular stomatitis, and dermatitis.
Niacin	Co-substrate/co-enzyme for hydrogen transfer with numerous dehydrogenases.	Pellagra with diarrhoea, dermatitis, and dementia.
Vitamin B6	Co-enzyme in metabolism of amino acids, glycogen, and sphingoid bases.	Naso-lateral seborrhoea, glossitis, and peripheral neuropathy (epileptiform convulsions in infants).
Pantothenic acid	Constituent of co-enzyme A and phosphopantetheine involved in fatty acid metabolism.	Fatigue, sleep disturbances, impaired coordination, and nausea.
Biotin	Co-enzyme in bicarbonate-dependent carboxylations.	Fatigue, depression, nausea, dermatitis, and muscular pains.

RIBOFLAVIN

Riboflavin is an essential nutrient, which is a heat-stable and water-soluble Flavin, which belongs to the vitamin B family. Vitamin B refers to several water soluble vitamins often found together in foods, all of which are necessary for normal growth and metabolism, but none of which are synthesized in adequate amounts by the physical body. The common forms of vitamin B include vitamin B1 (thiamine), B2 (riboflavin), B3 (niacin), B6 (pyridoxine) and B12 (cyanocobalamin).

Riboflavin is a precursor of the coenzymes flavin mononucleotide (FMN) and flavin adenine dinucleotide (FAD). These coenzymes are of vital importance in normal tissue respiration, pyridoxine activation, tryptophan to niacin conversion, fat, carbohydrate, and protein metabolism, and glutathione reductase mediated detoxification.

As you would know already, glutathione is the most important endogenous antioxidant in cells, protecting them from active oxygen compounds that can destroy cellular components (membranes, DNA) within microseconds, even inside the cell. It is called the endogenous “master antioxidant” of the “Subjective ‘EARTHLY’ Garment”. It acts as an intracellular antioxidant, a free radical scavenger and a detoxifying agent, which helps to keep the necessary balance in place, by minimizing the damage caused by free radicals and by limiting the accumulation of toxins. By binding to some of these toxins, it will transform them into water-soluble compounds, easily eliminated by emunctories.

In addition to being an important intracellular antioxidant, glutathione will also play a part in the: metabolism of toxins and cancer-causing substances; natural creation and repair of DNA; production of protein and prostaglandin; activation of enzymes.

Glutathione is also readily found in certain foods, such as fruits and vegetables (Asparagus, Avocado, Banana, Broccoli, Carrot, Cauliflower, Cucumber, Grapefruit, Green Beans, Green Pepper, Green Squash, Lemon, Mango, Orange, Papaya, Parsley, Potato, Red Pepper, Spinach, Strawberry, Tomato, Yellow Squash, etc...). It is also available in dietary supplement form and there are various forms of glutathione supplements available.

VITAMIN C

Behind the term “vitamin C” is a whole bunch of shapes and molecules with different physicochemical properties. Basically, vitamin C refers to L-ascorbic acid. It is the chemical form of ascorbic acid that can be considered as a vitamin because it fulfills the characteristics of a water-soluble vitamin, and which are: existence of potential deficiencies, coenzyme aspect, provided by food, soluble in water.

It is thus that, the biological form of ascorbic acid that has vitamin status and is called vitamin C is L-ascorbic acid. There are also 3 other isomers of ascorbic acid but they cannot be considered as vitamins because they are non-essential and they do not meet the criteria mentioned above, these isomers are: L-isoascorbic acid, D-ascorbic acid, and D-isoascorbic acid. There is also the oxidized form of L-ascorbic acid, which is dehydro-ascorbic acid. The latter is very quickly reduced to L-ascorbic acid. It is considered to be the precursor of vitamin C. The difference between the two, if we observe the general chemical formula of each, is that the oxidized form lacks 2 hydrogen atoms: L-ascorbic acid ($C_6H_8O_6$) and dehydroascorbic acid ($C_6H_6O_6$).

Vitamin C is thus a water soluble vitamin. It plays an essential role in the major part of all metabolic reactions of the “Subjective ‘EARTHLY’ Garment”. It is essential for immune reactions because L-ascorbic acid has important anti-inflammatory, immunomodulatory, antioxidant, antithrombotic, and antiviral properties. These properties help the “Subjective ‘EARTHLY’ Garment” to fight against the accumulation of heavy metals such as lead, mercury and cadmium. In addition, the antioxidant activity of L-ascorbic acid helps to neutralize free radicals, thus facilitating the protection of the cells of the “Subjective ‘EARTHLY’ Garment” from “oxidative stress” and also helping to strengthen the immune system. The “Subjective ‘EARTHLY’ Garment” has endogenous defense systems

(proper to the “Subjective ‘EARTHLY’ Garment”). It can also use exogenous systems (to be ingested) to fight against the harmful effects of “oxidative stress”: vitamins C and E are the most important; carotenoids and polyphenols also participate in defense.

Vitamin C regenerates vitamin E and vice versa. This major antioxidant role also explains the positive role of vitamin C in the prevention of cardiovascular diseases, cataracts, certain cancers and infections. By being involved in the synthesis of collagen, vitamin C participates in the synthesis of catecholamines and certain neuro-endocrine hormones. It facilitates the transformation of cholesterol and helps in liver detoxification. It helps the absorption of iron from the intestine. It inhibits the synthesis of nitrosamines, carcinogenic substances.

Vitamin C is an essential nutrient involved in the repair of tissue and the enzymatic production of certain neurotransmitters. It is required for the functioning of several enzymes and is important for immune system function. It is an electron donor (reducing agent or antioxidant), and all of its biochemical and molecular functions can be accounted for by this function.

Vitamin C acts as an electron donor for 11 enzymes. Three of those enzymes are found in fungi but not in the human physical body. They are involved in reutilisation pathways for pyrimidines and the deoxyribose moiety of deoxynucleosides. Of the 8 remaining human enzymes, three participate in collagen hydroxylation and two in carnitine biosynthesis; of the three enzymes which participate in collagen hydroxylation, one is necessary for biosynthesis of the catecholamine norepinephrine, one is necessary for amidation of peptide hormones, and one is involved in tyrosine metabolism.

Vitamin C interacts with enzymes having either monooxygenase or dioxygenase activity. The monooxygenases dopamine b-monooxygenase and peptidyl-glycine a-monooxygenase incorporate a single oxygen atom into a substrate, either a dopamine or a glycine-terminating peptide. The remaining enzymes are dioxygenases which incorporate two oxygen atoms in two different ways. The enzyme 4-hydroxyphenylpyruvate dioxygenase incorporates two oxygen atoms into one product. The other dioxygenase incorporates one oxygen atom into succinate and one into the enzyme-specific substrate.

VITAMIN A

Vitamin A (retinol) is an essential nutrient needed in small amounts for the normal functioning of the visual system; growth and development; and maintenance of epithelial cellular integrity, immune function, and reproduction.

These dietary needs for vitamin A are normally provided for as preformed retinol (mainly as retinyl ester) and pro-vitamin A carotenoids.

Vitamin A functions at two levels in the human physical body. The first is in the visual cycle in the retina of the eye; the second is in all tissues of the human physical body systemically to maintain growth and the soundness of cells. In the visual system, carrier-bound retinol is transported to ocular tissue and to the retina by intracellular binding and transport proteins. Rhodopsin, the visual pigment critical to dim-light vision, is formed in rod cells after conversion of all-trans retinol to retinaldehyde, isomerization to the 11-cis-form, and binding to opsin. Alteration of rhodopsin through a cascade of photochemical reactions results in ability to see objects in dim light. The speed at which rhodopsin is regenerated relates to the availability of retinol. Night blindness is usually an indicator of inadequate available retinol, but it can also be due to a deficit of other nutrients, which are critical to the regeneration of rhodopsin, such as protein and zinc, and to some inherited diseases, such as retinitis pigmentosa.

The growth and differentiation of epithelial cells throughout the body are especially affected by vitamin A deficiency. Goblet cell numbers are reduced in epithelial tissues. The consequence is that mucous secretions with their antimicrobial components diminish. Cells lining protective tissue surfaces fail to regenerate and differentiate, hence flatten and accumulate keratin. Both factors — the decline in mucous secretions and loss of cellular integrity — diminish resistance to invasion by potentially pathogenic organisms. The immune system is also compromised by direct interference with production of some types of protective secretions and cells. Classical symptoms of xerosis (drying or nonwetability) and desquamation of dead surface cells as seen in ocular tissue (i.e., xerophthalmia) are the external evidence of the changes also occurring to various degrees in internal epithelial tissues.

All the minerals and vitamins listed for the LEMONGRASS (*Cymbopogon Citratus*) herb are available in proper amounts in the LEMONGRASS (*Cymbopogon Citratus*) herb for continuous daily consumption through the tisane of LEMONGRASS (*Cymbopogon Citratus*), for continuously strengthening the efficiency of the immune system by continuously cleaning the microenvironment both inside and outside of the cells of your physical body and supplying those cells continuously. At the cellular level, the combination of antimicrobial, antiviral, antifungal and antioxydant properties of the compounds of this “ALL IN ONE” therapeutic tisane cleanse the microenvironment outside the cell including the cell surface membrane in a first step, clearing out the

blocades at the cell-surface receptor, which are caused by external pathogen agents, and allowing the cell membrane to function as it was designed and established by “THE DIVINE ARCHITECT AND PROJECT MASTER” and implemented by “THE DIVINE FORCE”. The completion of this first step allows to open ALL the appropriate cell-surface receptors — ion channel-coupled receptors, G-protein-coupled receptors, and enzyme-coupled receptors — and as such, allowing the transfer of forces of “COMBAT” transported by the essential inorganic materials — among others sodium, potassium, calcium, magnesium, iron, copper, zinc, bicarbonate, phosphate, and iodide — contained in this tisane; thus facilitating the cell survival and “COMBAT” — the process of “HEALING” in order to annihilate any cause of cell malfunction —; and thus facilitating the cleansing of the microenvironment inside the cell through “specific processes” that were designed and established by “THE DIVINE ARCHITECT AND PROJECT MASTER” and implemented by “THE DIVINE FORCE” directly inside the cell. We have explained the general process of “HEALING” in the chapter concerning the functioning of the “Specific Energy ‘SPIRIT←LIGHT’ Bridge” and the transfer of forces from one structure to another. In this case of the physical body, which is the “Subjective ‘EARTHLY’ Garment” that you wear, the forces of “COMBAT” are transported by the essential inorganic materials listed above and contained in this “ALL IN ONE” therapeutic tisane. Other important forces of “COMBAT” will be supplied by your “‘SPIRITUAL’ Body”. Remember that each cell of the “Subjective ‘EARTHLY’ Garment” that you wear is powered by the “‘SPIRITUAL’ Body”; we have explained it already.

LEMONGRASS (*Cymbopogon Citratus*) is thus a mineralizing plant. For 100 g of dry matter, it contains about 723 mg of Potassium, 65 mg of Calcium, 60 mg of Magnesium, Zinc and other minerals, as shown in the table. This remineralizing capacity is very useful because the depletion in minerals of food which is consumed by the human physical body leads to states of demineralization accentuated under the influence of stress, and nervous hyperexcitability which enormously increases the consumption of minerals. LEMONGRASS (*Cymbopogon Citratus*) helps replenish mineral reserves of the human physical body, stabilize the nervous system, improve (boost) the efficiency the internal defense system, and ensure that the bone structure of the human physical body remains solid with advancement in age.

LEMONGRASS (*Cymbopogon Citratus*) chemical compounds consist of luteolin and its 6-C and 7-O-glycosides, isoorientin 2'-O-rhamnoside and isolation of flavonoids quercetin, kaemferol and apigenin from its white core and leaves. The phenolic compounds elimicin, catechol, chlorogenic acid, caffeic acid and

hydroquinone are also contained in LEMONGRASS (*Cymbopogon Citratus*). These antioxidants properties help scavenge free radicals and lipid which may cause diseases in your internal organs, and they also help prevent the dysfunction of cells inside your coronary arteries.

Flavonoids mainly consists of a benzopyrone ring bearing a phenolic or polyphenolic groups at different positions. They are phytochemical compounds most commonly found in fruits, herbs, stems, cereals, nuts, vegetables, flowers and seeds. The presence of bioactive phytochemical constituents present in these different plants parts gives them their medicinal value and biological activities as therapeutic agents, including antitumor (anticancer), antioxidant, anti-inflammatory, antiviral, antimicrobial, antiangiogenic, antimalarial, neuroprotective, cardio-protective, and anti-proliferative properties. Flavonoids also have neuroprotective and effects. These biological activities depend upon the type of flavonoid, its (possible) mode of action, and its bioavailability.

The antioxidant potential of flavonoids is associated with the molecular structure, and more precisely, with the location and total number of the –OH groups, the conjugation and resonance effects, the surrounding environment which modifies the thermodynamically favored antioxidant site, and the particular antioxidant mechanism for a compound.

Quercetin (C₁₅H₁₀O₇) is a natural antioxidant flavonoid, which is present in plants and in commonly consumed foods such as berries, tisane of LEMONGRASS (*Cymbopogon Citratus*), green tea, and grains. It has been used most effectively for colorectal cancer. Cell cycle arrest, increase in apoptosis, antioxidant replication, modulation of estrogen receptors, regulation of signaling pathways, inhibition of metastasis and angiogenesis are among various mechanisms underlying the chemo-preventive effects of quercetin in colorectal cancer. Quercetin, when present in the blood stream, improves vascular health and reduces risk of cardiovascular disease in its conjugated form. The quercetin and its derivatives prevents thrombosis or blood clotting and prevents chances of stroke.

Flavonoids also prevent age related neurodegenerative diseases, and in particular, dementia, Parkinson's and Alzheimer's disease.

Kaempferol, (3,5,7-trihydroxy-2-(4-hydroxyphenyl)-4H-1-benzopyran-4-one), is a polyphenol antioxidant with a wide range of pharmacological properties, including antioxidant, anti-inflammatory, antimicrobial, anticancer, cardioprotective, neuroprotective, antidiabetic, anti-osteoporotic, estrogenic/antiestrogenic, anxiolytic, analgesic and antiallergic properties.

Kaempferol reduces the incidence of brain vascular diseases, prevents and reduces the effects of atherosclerosis by reducing vascular inflammation, thrombus formation, and oxidation of low-density lipoproteins. It reduces the risk of chronic diseases, especially cancer, modulates apoptosis, angiogenesis, inflammation, and metastasis, and it augments the antioxidant defense against free radicals.

Luteolin (3',4',5,7-tetrahydroxy flavone) is a flavonoid naturally occurring as a glycosylated form and which possesses anti-oxidative, anti-tumor, anti-inflammatory, and neuroprotective properties. Luteolin is known to induce accumulation of O₂ while it reduces the H₂O₂ concentration in lung cancer cells.

Apigenin (C₁₅H₁₀O₅, 4',5,7-trihydroxyflavone), just like luteolin, is a flavonoid naturally occurring as a glycosylated form and which possesses anti-oxidative, anti-tumor, anti-inflammatory, anti-amyloidogenic, neuroprotective, cognition-enhancing substance properties, and anti-diabetic properties due to its capacity to inhibit α -glucosidase activity. Among the wide variety of phenolic compounds, apigenin is one of the most renowned, with countless nutritional and organoleptic characteristics.

The main chemical component in LEMONGRASS (*Cymbopogon Citratus*) herb is citral or lemonal, an aldehyde responsible for its unique lemon odor. Citral gives LEMONGRASS (*Cymbopogon Citratus*) its antimicrobial properties, which enables it to destroy or suppress the growth of a wide range of microorganisms, bacteria, yeasts, molds, infectious particles, and amoebas. The antimicrobial properties of LEMONGRASS (*Cymbopogon Citratus*) are essential to rid your lungs and respiratory related organs, and the digestive tract, of infectious particles.

Additionally to citral (which consists of Citral α (40.8%) and Citral β (32%)), the "Essential Oil" of LEMONGRASS (*Cymbopogon Citratus*) also carries other organic compounds of various complexities, such as: Nerol (4.18%), Geraniol (3.04%), Citronellal (2.10%), Terpinolene (1.23%), Geranyl acetate (0.83%), Myrecene (0.72%), Terpinol (0.45%), Methylheptenone (0.2%), Borneol (0.1-0.4%), etc. These additional organic compounds in the "Essential Oil" of LEMONGRASS (*Cymbopogon Citratus*) have strong antifungal properties.

To increase the concentrations of these additional organic compounds of the "Essential Oil" of LEMONGRASS (*Cymbopogon Citratus*) in the mixture used for the cleansing of an internal organ of the human physical body, one should use the combination of the "Essential Oil" of LEMONGRASS (*Cymbopogon Citratus*) and the "Essential Oil" of LEMONGRASS (*Cymbopogon Winterianus*), which is also

designated as “Java Citronella”. The “Essential Oil” of LEMONGRASS (*Cymbopogon Winterianus*) carries the following organic compounds of various complexities: Citronellal (19.00% to 40.61%), Geraniol (18.37% to 41.57%), Citronellol (6.33% to 10.01%), Elemol (5.16% to 9.59%), Geranyl Acetate (5.15% to 6.43%), Limonene (1.75% to 4.26%), Citronellyl Acetate (1.42% to 3.12%), Geranyl Formate (0.33% to 1.52%), Nerol (0.27% to 0.32%), α -Cadinol (0.71% to 2.84%), γ -Cadinene (0.17% to 1.64%).

Let’s remind what the “Essential Oil” of a plant is. *“The ‘Essential Oil’ of a plant is the result of attempts to isolate or to extract the ‘Quintessential Substance’ (also designated as the ‘Substance par Excellence’) of the plant by distillation or pressing processes. Such result is a highly concentrated PURE natural chemical substance, designated as the ‘Essential Oil’, which has retained certain properties characteristic of the plant from which it originates.”* The “Quintessential Substance” (also designated as the “Substance par Excellence”) of a plant embodies the “quintessential” — that is to say, the manifestation of the metaphor of the seal of “PERFECTION” in the order of quality and “PURITY”, the expression of that, which is best, more “thinner”¹³⁹⁸, more concentrated, more precious in —, or the “life force of” the plant considered. The “Essential Oil” resulting from attempts to isolate or to extract the “Quintessential Substance” also contains features of the “Quintessential Substance” in a number of ways: chemically, through its constituents “Specific Atomic ‘EARTHLY’ Substances”; physically, through the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain” and in which the plant grows; aromatically, through its aroma; and spiritually, through the degree of presence of “THE SPECIFIC SPIRITUAL FORCE OF LIFE” in the “Specific ‘SPIRITUAL’ Environment” external and immediate around the plant and containing the plant.

Plants store the organic compounds of their “Quintessential Substance” (also designated as the “Substance par Excellence”) in the glands of the glandular tissue either in external secretory structures, which are found on the surface of the plant, or internal secretory structures, which are found inside the plant material. External secretory structures in plants are called glandular trichomes. These secretory structures consist of large, intercellular spaces that are formed either by the separation of the walls of neighboring cells, or by the disintegration of cells. They occur as spherical spaces, for cavities, and are most commonly found in the

¹³⁹⁸ In one previous chapter, we have already defined the concept of “thinner” through the “specific non-spiritual coating” densities.

Myrtaceae and Rutaceae families. They occur as more elongated spaces, for ducts, and are most commonly seen in the Asteraceae, Pinaceae, Apiaceae, and Coniferae families. These external secretory structures can be found on the surface of the plant (such as herbaceous leaves) and are secretion of chemicals that deter or attract pests or pollinators. Glandular trichomes are most commonly found in the Lamiaceae family. The “organic compounds” storage capacity varies from species to species and also between trichomes. These “organic compounds” are synthesized by highly refined enzyme reactions taking place within the plant. The glands contain cells that may or may not have a central cavity. This can be broken down further into plant cells, scales, and hairs located in various places in the plant.

“Essential Oils” are also known as volatile oils, ethereal oils, aetherolea, or simply as the “oil of the plant” from which they were extracted, such as oil of LEMONGRASS (*Cymbopogon Citratus*).

While “Quintessential Substances” are in the plant, they are constantly changing their chemical composition, helping the plant to adapt to the ever-changing internal and external environment of the “Specific Energy ‘EARTHLY’ Substance” in which it has its attachments. A plant will produce the organic compounds of its “Quintessential Substance” in order to fulfil the purpose for which it was designed and produced into existence in the attribute “NON DIVINE”. Such purpose may include tasks related to the very survival of the plant, such as:

- Allelopathy, and which is a type of plant-to-plant interaction and communication — Allelopathy occurs when a plant releases chemicals to prevent neighbouring vegetation from growing within its growing area, and the communication methods may vary between ultrasonic sound, thread-like fungi networks, and airborne chemical compounds.;
- Self-defense against insects and other animals — A plant, like other living creatures, need to protect itself from various types of predators. Plants use terpenoid compounds to deter insects and other animals from approaching them;
- “Auto-regeneration” through the antifungal and antibacterial properties of the organic compounds of its “Quintessential Substance” — Resins and complex combinations of terpenes are produced and released by some plants and trees, such as LEMONGRASS (*Cymbopogon Citratus*) plant and evergreens trees, to act as antimicrobial, antifungal, and antibacterial agents against a wide range of organisms that may threaten the survival of the plants.

As we have indicated already in the chapter concerning the “Vegetal ‘EARTHLY’ Creature” model at the origin of “THE FLORA” in all its magnificence vegetal, “THE DIVINE ARCHITECT AND PROJECT MASTER” has endowed the “Vegetal ‘EARTHLY’ Creature” model with several particulars and several functions, notably the capacity to synthesize various forms of “Specific Atomic ‘EARTHLY’ Substances” constituents of the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, by developing own elements of subsistence using these “Specific Atomic ‘EARTHLY’ Substances”.

All manifestations of this “Vegetal ‘EARTHLY’ Creature” model will be “INDISTINCT FORMS OF THE SPECIFIC ENERGY ‘EARTHLY’ SUBSTANCE” having their attachments in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”.

Some various manifestations of the “Vegetal ‘EARTHLY’ Creature” model will allow to maintain a state of dynamic equilibrium of the “‘EARTHLY’ specific supply of subsistence” in the “Specific Energy ‘EARTHLY’ Substance”, and particular living conditions in this “Specific Energy ‘EARTHLY’ Substance”, by synthesizing its constituents “Specific Atomic ‘EARTHLY’ Substances”: each manifestation of the “Vegetal ‘EARTHLY’ Creature” model having a unique purpose in this “Specific Energy ‘EARTHLY’ Substance”.

In LEMONGRASS (*Cymbopogon Citratus*) augmented with LEMONGRASS (*Cymbopogon Winterianus*), the organic compounds of the “Quintessential Substance” and which are present in the “Essential Oil” of LEMONGRASS (*Cymbopogon Citratus*) added to those which are present in the “Essential Oil” of LEMONGRASS (*Cymbopogon Winterianus*) are known to have counter-irritant, rubefacient, insecticidal, antifungal and anti-septic properties. Myrcene and citronellal are compounds, which contribute to improve (boost) the efficiency the internal defense system of the human physical body and also offer relief from pain. The citral component of LEMONGRASS (*Cymbopogon Citratus*) added to that of LEMONGRASS (*Cymbopogon Winterianus*), allow limiting cell degeneration; they destroys cancerous cells while leaving healthy normal cells unharmed.

These organic compounds of the “Quintessential Substance” and which are present in the “Essential Oil” of LEMONGRASS (*Cymbopogon Citratus*) added to those which are present in the “Essential Oil” of LEMONGRASS (*Cymbopogon Winterianus*) allow suppressing all malaria related parasites, including the species (*plasmodium berghei*, *plasmodium chabaudi*, *plasmodium vinckei*, *plasmodium*

yoelii), which often invade red blood cells and cause damages to essential organs such as lungs, liver, spleen, in the human physical body. As they allow to cleanse internal organs of the human physical body by suppressing any parasite, not just malaria related parasites, these organic compounds of the “Quintessential Substance” and which are present in the “Essential Oil” of LEMONGRASS (Cymbopogon Citratus) added to those which are present in the “Essential Oil” of LEMONGRASS (Cymbopogon Winterianus), are more effective and efficient than the medication designated as “chloroquine”, which is also used to prevent and treat malaria.

LEMONGRASS (Cymbopogon Citratus) is also a known diuretic, which is used to flush toxins, excess fluid and sodium out of your internal organs, to shed water weight, and to provide a sense of calm and tranquility. Thanks to its antimicrobial properties, LEMONGRASS (Cymbopogon Citratus) also helps in the treatment of oral infections and cavities.

To rid your internal organs of any impurity and parasites which, like bacteria, infectious particle, etc..., are detrimental to its proper functioning, follow the recommendation, which was given by the Archangel RAPHAEL, from his pharmacy:

“For the cleansing of an organ, one should take tisane (Lemongrass + hot water) mixed with lemon and not put a lot of sugar. You can also use green tea pure (without mixture) with lemon.”

The higher the concentration of LEMONGRASS extract in your tisane, with respect to the amount of water, the better the tisane, and the faster the cleansing at cellular level (cleansing the microenvironment both inside and outside of the cell). As we have indicated, at the cellular level, the combination of antimicrobial, antiviral, antifungal and antioxydant properties of the compounds of this “ALL IN ONE” therapeutic tisane cleanse the microenvironment outside the cell including the cell surface membrane in a first step, clearing out the blockades at the cell-surface receptor, which are caused by external pathogen agents, and allowing the cell membrane to function as it was designed and established by “THE DIVINE ARCHITECT AND PROJECT MASTER” and implemented by “THE DIVINE FORCE”. The completion of this first step allows to open ALL the appropriate cell-surface receptors — ion channel-coupled receptors, G-protein-coupled receptors, and enzyme-coupled receptors — and as such, allowing the transfer of forces of “COMBAT” transported by the essential inorganic materials — among others sodium, potassium, calcium, magnesium, iron, copper, zinc, bicarbonate, phosphate, and iodide — contained in this tisane; thus facilitating the cell survival

and “COMBAT” — the process of “HEALING” in order to annihilate any cause of cell malfunction —; and thus facilitating the cleansing of the microenvironment inside the cell through “specific processes” that were designed and established by “THE DIVINE ARCHITECT AND PROJECT MASTER” and implemented by “THE DIVINE FORCE” directly inside the cell.¹³⁹⁹ You get a higher concentration of LEMONGRASS extract in the tisane by adding to it, few droplets of both PURE LEMONGRASS (*Cymbopogon Citratus*) “Essential Oil” and PURE LEMONGRASS (*Cymbopogon Winterianus*) “Essential Oil”, which is also designated as “Java Citronella”, both of which you can buy in grocery.

Thanks to the properties of the organic compounds of the “Quintessential Substance” and which are present in the “Essential Oil” of LEMONGRASS (*Cymbopogon Citratus*) added to those which are present in the “Essential Oil” of LEMONGRASS (*Cymbopogon Winterianus*), and which make it possible to: (1) rid the internal organs of the human body of impurities and all that, such as bacteria, infectious particles, etc., is detrimental to its proper functioning; and (2) facilitate the recovery of the cells of these internal organs, LEMONGRASS (*Cymbopogon Citratus*) augmented with LEMONGRASS (*Cymbopogon Winterianus*) is used in the ancient pharmacopoeia to treat a wide variety of diseases, especially with regard to:

- Eye conditions — it is used to treat conjunctivitis;
- Skin conditions — it is used to treat: swelling, blistering, edema, gratin, itching, boil;
- Conditions and intestinal disorders troubles — it is used as a laxative/purgative, and it is also used to treat: diarrhea, constipation, kidney cleaning, aerophagia, carminative, bloating, stomachic, colic, colitis, abdominal pain, upset stomach, eupeptic;
- Pain — it is used to treat: headache, intercostal neuralgia, tachycardia;
- Respiratory tract disorders — it is used to treat: tuberculosis, cough in all its forms and severities, pneumonia, catarrh, lung diseases, chest pain, bronchitis, respiratory disorders in all their forms, colds;

¹³⁹⁹ As we have indicated in one previous annotation, you can make your own experiments to demonstrate that the Solar star is shining above this Earthly world, to understand “THE SCIENCE” behind these works of “THE DIVINE FORCE” and write down several PhD theses out of all these information.

- Fevers — it is used to treat: influenza, fever, yellow fever, typhoid fever, malaria in all its forms and severities, measles, chickenpox;
- Other infections — it is used to treat: urogenital infections, pain in the fallopian tubes, general fatigue, hemorrhoids, nervous disorders, joint and muscle pain, liver disease, liver problems, hypertension, etc.

The properties of the organic compounds of the “Quintessential Substance” and which are present in the “Essential Oil” of LEMONGRASS (*Cymbopogon Citratus*) added to those which are present in the “Essential Oil” of LEMONGRASS (*Cymbopogon Winterianus*), also exert a remarkable antioxidant action which makes it possible to block the peroxidation of lipids in the human physical body; this means that the polyunsaturated fatty acids that are absorbed through food will not go rancid in the human physical body. This antioxidant activity thus contributes to the prevention of atherosclerosis, which is inter alia induced by the oxidation of unsaturated fatty acids when they are contained in low density lipoproteins, which are carriers of fatty acids and cholesterol.

In regular consumption of the tisane by adding to it, a few droplets of both PURE LEMONGRASS (*Cymbopogon Citratus*) “Essential Oil” and PURE LEMONGRASS (*Cymbopogon Winterianus*) “Essential Oil”, this contribution of antioxidants, would contribute therefore to protect the cells against various and varied aggressors, to protect the arteries.

As we have indicated already, for the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” model, “THE DIVINE ARCHITECT AND PROJECT MASTER” has endowed the “Specific ‘SPIRITUAL←SPIRIT’ Frontier” with “specific nerves” — which are actually structures that “THE DIVINE FORCE” has built from “Specific Atomic ‘SPIRIT’ Substances”, and which are receivers and transmitters of signals — which are in contact with the “Specific Energy ‘EARTHLY’ Envelope” (which has been manifested as the “Subjective ‘EARTHLY’ Garment” or the human physical body) and allow to facilitate the exchange of communication (reception and transmission of instructions, specific signals) both between the “Specific Energy ‘SPIRIT’ Substance” and the “Specific Energy ‘EARTHLY’ Envelope” and between the “Specific Energy ‘SPIRIT’ Substance” and the “Specific ‘SPIRITUAL’ Environment” external and immediate around the “Specific Energy ‘SPIRIT’ Substance” of the “‘SPIRIT←LIGHT’ Body” (that is to say, the “spiritual body”).

With regular consumption of the tisane by adding to it, a few droplets of both PURE LEMONGRASS (*Cymbopogon Citratus*) “Essential Oil” and PURE LEMONGRASS (*Cymbopogon Winterianus*) “Essential Oil”, the organic compounds of the “Quintessential Substance” that are present in the “Essential

Oil” of LEMONGRASS (*Cymbopogon Citratus*) added to those which are present in the “Essential Oil” of LEMONGRASS (*Cymbopogon Winterianus*), are transported through the “Specific ‘EARTHLY’ Blood” or simply the “blood”, and they are transmitted to the “Specific Atomic ‘EARTHLY’ Substances” constituents of the “Subjective ‘EARTHLY’ Garment”. This transmission will also facilitate the cleansing of the blockades at the level of the “specific nerves” of the “Specific ‘SPIRITUAL←SPIRIT’ Frontier”. This cleansing, in turn, facilitates the transfer of forces, the exchange of communication (reception and transmission of instructions, specific signals), between the “Specific Energy ‘SPIRIT’ Substance” of the “‘SPIRIT←LIGHT’ Body” (that is to say, the “spiritual body”) and the “Subjective ‘EARTHLY’ Garment” (that is to say, the human physical body). As such is the equilibrium of transfer of forces, which are also designated as “vital energies”, facilitated and stimulated between the “spiritual body” and the human physical body.

With regular consumption of the tisane by adding to it, a few droplets of both PURE LEMONGRASS (*Cymbopogon Citratus*) “Essential Oil” and PURE LEMONGRASS (*Cymbopogon Winterianus*) “Essential Oil”, the transmission of the organic compounds of the “Quintessential Substance” and which are present in the “Essential Oil” of LEMONGRASS (*Cymbopogon Citratus*) added to those which are present in the “Essential Oil” of LEMONGRASS (*Cymbopogon Winterianus*) and which are transported through the “Specific ‘EARTHLY’ Blood” or simply the “blood”, to the “Specific Atomic ‘EARTHLY’ Substances” constituents of the “Subjective ‘EARTHLY’ Garment”, allows a better circulation of water through the pores of the skin of the “Subjective ‘EARTHLY’ Garment”. It is so that, through perspiration process, the internal heat in the “Subjective ‘EARTHLY’ Garment” can be evacuated outside. This diaphoretic or sweaty action allows regulating and acting on the temperature of the “Subjective ‘EARTHLY’ Garment”; hence, the antipyretic action, the febrifuge action, exerted by the organic compounds of the “Quintessential Substance” and which are present in the “Essential Oil” of LEMONGRASS (*Cymbopogon Citratus*) added to those which are present in the “Essential Oil” of LEMONGRASS (*Cymbopogon Winterianus*), for treating fevers; hence the designation of “Fever Grass”. This tisane of LEMONGRASS can thus be consumed throughout the day to facilitate this process of regulating the temperature of the “Subjective ‘EARTHLY’ Garment”; hot infusion if the “Subjective ‘EARTHLY’ Garment” is in the cold phase and chills, warm or cold infusion if the “Subjective ‘EARTHLY’ Garment” is in the profuse sweating phase.

Large amounts of antibiotics used for human therapy have resulted in the occurrence of pathogenic stubborn bacteria that are resistant to many antibiotics and therapeutic agents through mutations through which their pathogenic strength may build up or weaken. Indeed, some strains have become resistant to practically all of the commonly available antibiotics agents.

In such cases, you should proceed with a two-phase "COMBAT" for cleansing your internal organs. The first phase will consist of using the tisane of LEMONGRASS leaves, adding to it a few droplets of both PURE LEMONGRASS (Cymbopogon Citratus) "Essential Oil" and PURE LEMONGRASS (Cymbopogon Winterianus) "Essential Oil". The constituents of phase one are:

LEMONGRASS (leaves of Cymbopogon Citratus)
 + Little lemon juice + Honey + Hot water
 + PURE LEMONGRASS (Cymbopogon Citratus) "Essential Oil"
 + PURE LEMONGRASS (Cymbopogon Winterianus) "Essential Oil"

The process to make the infusion has already been described.

After one or two days, proceed with the second phase, which consist of adding to your phase one tisane of LEMONGRASS leaves, additional antimicrobial, antiviral, antifungal and antioxydant properties obtained from plants other than LEMONGRASS (Cymbopogon Citratus) and other than LEMONGRASS (Cymbopogon Winterianus), and which are compatibles with these LEMONGRASS plants. Two of such plants are OREGANO (Origanum compactum) and THYME (Thymus vulgaris); thus enriching the tisane of LEMONGRASS leaves with the antimicrobial, antiviral, antifungal properties of carvacrol and thymol, the primary organic compound of OREGANO (Origanum compactum) and THYME (Thymus vulgaris).

You achieve this by adding to your tisane of LEMONGRASS leaves, few droplets of simultaneously PURE LEMONGRASS (Cymbopogon Citratus) "Essential Oil", PURE LEMONGRASS (Cymbopogon Winterianus) "Essential Oil", PURE OREGANO (Origanum compactum) "Essential Oil" and PURE THYME (Thymus vulgaris) "Essential Oil". The constituents of phase two are:

LEMONGRASS (leaves of Cymbopogon Citratus)
 + Little lemon juice + Honey + Hot water
 + PURE LEMONGRASS (Cymbopogon Citratus) "Essential Oil"

- + PURE LEMONGRASS (Cymbopogon Winterianus) “Essential Oil”
- + PURE OREGANO (Origanum compactum) “Essential Oil”
- + PURE THYME (Thymus vulgaris) “Essential Oil”

The process to make the infusion is the same as with phase one. The new step 8 now reads:

Add 3 to 4 droplets of PURE LEMONGRASS (Cymbopogon Citratus) “Essential Oil”, also add the same amount of droplets of PURE LEMONGRASS (Cymbopogon Winterianus) “Essential Oil”; Add further, 3 to 4 droplets of PURE OREGANO (Origanum compactum) “Essential Oil”, also add the same amount of droplets of PURE THYME (Thymus vulgaris) “Essential Oil”.

As you would know already, Honey is a natural by-product from flower nectar and the aero-digestive tract of the honey bee. It has a complex chemical and biochemical composition including sugars, proteins, amino acids, phenolics, vitamins and minerals. Honey is a natural medicinal agent with antioxidant, anti-bacterial, antifungal, anti-malarial and anti-tumor properties. This resulting tisane of LEMONGRASS leaves is fully enriched with vitamins A, B, C, E, K, the needed glucose (from Honey) and minerals, including Potassium, Calcium, Magnesium, Manganese, Iron, etc..., and antimicrobial, antiviral, antifungal and antioxydant properties coming from citral, citronellal, geraniol, citronellol, carvacrol and thymol. These vitamins, essential minerals and properties in proper amount are required for optimum catalytic activity of the major antioxidants, which are: glutathione, superoxide dismutase, and catalase, and which we have described in the chapter concerning the seventh decree of the implementation of the “Second Phase” of “THE HOLY PROJECT”. The result will be immediate, complete cleansing at the end of phase two. Afterward, regularly keep your internal organs clean with this two-phase “COMBAT” for cleansing. In the parable, it is said that: *“You rid your tent of dust and of the hodgepodge of all sorts of things, which are detrimental to your proper functioning.”*

As we have already indicated, drink the beverage warm, slowly! Drink it slowly, as it is also a great natural antiseptic cleanser for the mouth cavity organs — the oral cavity includes the lips, gingivae, retromolar trigone, teeth, hard palate, cheek mucosa, mobile tongue, and floor of the mouth — and for the decongestion of the nasal cavity, and as a gargle, it is effective against sore throat; swirl it around in your mouth to rinse your mouth to ensure that clean the whole mouth and annihilate all those nasty germs starting in your mouth and going down deep into the physical body, where the curative properties will be transported by the blood to your internal organs.

OREGANO (*Origanum compactum*)

Pizza is usually the first image that comes to mind when someone hear the word oregano, it is thus that the herb is often referred to as the “pizza spice”. Its warm, spicy fragrance and pungent flavor have made it a staple in the kitchen. But this herb is more than just a culinary essential.

OREGANO, (*Origanum compactum*, a compound Greek term that consists of ὄρος (óros) meaning “mountain”, and γάνος (gános) meaning “brightness”, thus, “brightness of the mountain”), is a perennial herb of the mint family (Lamiaceae) known for its flavourful dried leaves and flowering tops. OREGANO (*Origanum compactum*) is native to the hills of the Mediterranean region. The OREGANO (*Origanum compactum*) herb grows from 20 to 80 cm tall, with opposite leaves of 1 to 4 cm long. The flowers are purple, 3 to 4 mm long, produced in erect spikes.

There are over 40 varieties of the OREGANO plant, but OREGANO (*Origanum compactum*) and OREGANO (*Origanum vulgare*) are the ones that you should use for medicinal purposes. OREGANO (*Origanum compactum*) is more potent and more spicy than OREGANO (*Origanum vulgare*). As a member of the mint (*Lamiaceae* or *Labiatae*) family, OREGANO (*Origanum compactum*) is related to THYME (*Thymus vulgaris*).

With a subtle balance between sweet and spicy, the flavor of OREGANO (*Origanum compactum*) is bold and earthy with a slight bitterness reminiscent of the aromatic organic compound camphor.

Due to the unique properties of the organic compounds of its “Quintessential Substance” (also designated as the “Substance par Excellence”) and that is contained in its leaves, and which have long been used in the context of ancient medicine and also in herbal medicine for the treatment of a large number of ailments and diseases, in a similar manner as with LEMONGRASS (*Cymbopogon Citratus*), OREGANO (*Origanum compactum*) will inhibit the development of a wide range of microorganisms, bacteria, yeasts, molds, infectious particles, and amoebas, which are detrimental to the proper functioning of the human physical body.

In a similar manner as with LEMONGRASS (*Cymbopogon Citratus*), OREGANO (*Origanum compactum*) herb has numerous wonderful healing and health properties benefiting “Essential Oils”, chemicals, minerals and vitamins, which are known in ancient medicine to have infection-preventing properties and it has long been used in medicine for the treatment of a large number of ailments and diseases, including: respiratory disorders, dyspepsia, painful menstruation, rheumatoid arthritis, scrofulosis and urinary tract disorders, etc... Some diseases, which were treated in the past using OREGANO (*Origanum compactum*), no longer exist on this Earth nowadays.

As indicated in the table, OREGANO (*Origanum compactum*) dried herb contains 265 kcal per 100g with no cholesterol. Whether fresh or dried, OREGANO (*Origanum compactum*) is also a very rich source of minerals like potassium, zinc, iron, manganese, copper, and magnesium and calcium. All these minerals, which we have already described, are available in proper amounts in the OREGANO

(*Origanum compactum*) herb for continuous daily consumption. These essential minerals are required for optimum catalytic activity of the major antioxidants, which are glutathione, superoxide dismutase, and catalase, and which we have described in the chapter concerning the seventh decree of the implementation of the “Second Phase” of “THE HOLY PROJECT”.

PHOSPHORUS

Phosphorus plays an important role in the human physical body. In the human physical body, almost all phosphorus is combined with oxygen to form phosphate.

Phosphate is thus the oxidized form of phosphorus; it is a charged particle (ion) that contains the mineral phosphorus. It is found in the human physical body in both inorganic and organic forms. The organic form of phosphate is mostly found in phospholipids and plasma lipoproteins. The inorganic form of phosphate, which is defined as phosphate which does not naturally occur, but is artificially added during processing in the form of biochemical compounds, such as preservatives and salts, is the primary circulating form of phosphate in the extracellular fluid.

In an adult human physical body, 85% of phosphate is present in bones and teeth. The remaining 15% of phosphate is distributed in the soft tissues (14%) and extracellular fluid (1%). At a physiologic pH, inorganic phosphate exists in the ratio of HPO_4^{-2} to $\text{H}_2\text{PO}_4^{-1}$ as 4 : 1. In addition to being an important component of bone, cell membrane, and nucleic acids, phosphate plays an important role in energy metabolism and phosphorylation of proteins responsible for intracellular signaling and is an important component of 2,3-diphosphoglycerate for oxygen carriage in the blood. Other functions of phosphate include maintenance of pH in the human body as phosphate is an important urinary and blood buffer.

Measurable serum phosphate is the extracellular inorganic phosphate and, as it represents 1% of the total human physical body phosphate stores, does not accurately represent the total human physical body phosphate levels. However, maintenance of measurable serum phosphate levels within the normal range is critical for many functions of the human physical body. Although phosphate homeostasis¹⁴⁰¹ in a neonate is in a positive balance due to growth, an adult

¹⁴⁰¹ Any system in dynamic equilibrium tends to reach a steady state, a balance that resists outside forces of change. When such a system is disturbed, built-in regulatory devices respond to the departures to establish a new balance; such a process is one of feedback control. Homeostasis is any self-regulating process by which biological systems tend to maintain stability while adjusting to conditions that are optimal for survival. If homeostasis

human physical body is in a neutral phosphate balance. Phosphate balance involves complex interaction between gastrointestinal absorption, urinary excretion, and bone remodeling which results in exchange of phosphate between bone, the extracellular fluid, and recycling of phosphate in the human physical body.

The equilibrium of phosphate within blood is formed between inorganic phosphate and organically bound phosphoric acid, with changes to one component shifting the equilibrium of the system. This can be influenced by:

- Anticoagulants that can reduce the concentration of phosphate within plasma specimens and has made serum specimens the most commonly accepted specimen type for the measurement of phosphate;
- Hemolysis, which results in the release of intracellular red blood cell phosphate stores;

is successful, life continues; if unsuccessful, disaster or death ensues. The stability attained is actually a dynamic equilibrium, in which continuous change occurs yet relatively uniform conditions prevail. All processes of integration and coordination of function, whether mediated by electrical circuits or by nervous and hormonal systems, are examples of homeostatic regulation.

The control of body temperature in the human physical body (that is to say, the “Subjective ‘EARTHLY’ Garment”) is a good example of homeostasis in a biological system. In the human physical body, normal temperature of the human physical body fluctuates around the value of 37 °C, but various factors can affect this value, including exposure, hormones, metabolic rate, and disease, leading to excessively high or low temperatures. The regulation of the temperature of the human physical body is controlled by the “‘SPIRITUAL’ Body” (“‘SPIRIT←LIGHT’ Body” for the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” and “‘LIGHT←LIGHT’ Body” for the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creatures”) and the appropriate data that are sent to the “‘SPIRITUAL’ Body” are collected in a region in the brain called the hypothalamus. Feedback about human physical body temperature is carried through the bloodstream to the brain and results in compensatory adjustments in the breathing rate, the level of blood sugar, and the metabolic rate. Heat loss in the human physical body is aided by reduction of activity, by perspiration, and by heat-exchange mechanisms that permit larger amounts of blood to circulate near the skin surface. Heat loss is reduced by insulation, decreased circulation to the skin, and cultural modification such as the use of clothing, shelter, and external heat sources. The range between high and low temperature levels of the human physical body constitutes the homeostatic plateau – the “normal” range that sustains life. As either of the two extremes is approached, corrective action (through negative feedback) returns the system to the normal range.

- Delayed separation of red blood cells from plasma/serum is associated with leakage of phosphate occurring due to the imperfect barrier of the membrane and leakage of ions down their concentration gradients.

VITAMIN E

The term “vitamin E” describes a family of eight plant-derived fat-soluble molecules with antioxidant activities: four tocopherol isoforms (α -, β -, γ -, and δ -tocopherol) and four tocotrienol isoforms (α -, β -, γ -, and δ -tocotrienol). Only one form, α -tocopherol, meets the requirements of the “Subjective ‘EARTHLY’ Garment”. In the liver of this “Subjective ‘EARTHLY’ Garment”, α -tocopherol is the form of vitamin E that is preferentially bound to α -tocopherol transfer protein (α -TTP) and incorporated into lipoproteins that transport α -tocopherol in the blood for delivery to extrahepatic tissues. Consequently, it is the predominant form of vitamin E found in the blood and tissues of this “Subjective ‘EARTHLY’ Garment”. The main function of α -tocopherol in this “Subjective ‘EARTHLY’ Garment” is that of a fat-soluble antioxidant. Fats, which are an integral part of all cell membranes, are vulnerable to damage through lipid peroxidation by free radicals. α -Tocopherol is uniquely suited to intercept peroxy radicals and thus prevent a chain reaction of lipid oxidation. When a molecule of α -tocopherol neutralizes a free radical, it is oxidized and its antioxidant capacity is lost. Other antioxidants, such as vitamin C, are capable of regenerating the antioxidant capacity of α -tocopherol. Aside from maintaining the integrity of cell membranes, α -tocopherol protects the fats in low-density lipoproteins (LDLs) from oxidation. Lipoproteins are particles composed of lipids and proteins, which transport fats through the bloodstream.

Reactive free radicals are involved in many diseases, including heart disease and cancers. Cells in the human physical body contain many potentially oxidizable substrates such as polyunsaturated fatty acids (PUFAs), proteins, and DNA. Therefore, a complex antioxidant defence system normally protects cells from the injurious effects of endogenously produced free radicals as well as from species of exogenous origin such as cigarette smoke and pollutants. Should exposure to free radicals inside the human physical body exceed the protective capacity of the antioxidant defence system, a phenomenon often referred to as oxidative stress, then, damage to biologic molecules may occur. Many diseases cause an increase in oxidative stress; therefore, consumption of antioxidants, which are potentially able to quench or neutralise excess radicals, may play an important role in modifying the development of such diseases.

Vitamin E is the major lipid-soluble antioxidant in the cell antioxidant defence system and is exclusively obtained from what the human physical body consumes as food. The term “vitamin E” refers to a family of eight naturally occurring homologues that are synthesised by plants from homogentisic acid. All are derivatives of 6-chromanol and differ in the number and position of methyl groups on the ring structure.

Vitamin E is an example of a phenolic antioxidant. Such molecules readily donate the hydrogen from the hydroxyl (-OH) group on the ring structure to free radicals, which then become unreactive. On donating the hydrogen, the phenolic compound itself becomes a relatively unreactive free radical because the unpaired electron on the oxygen atom is usually delocalised into the aromatic ring structure thereby increasing its stability.

The major biologic role of vitamin E is to protect polyunsaturated fatty acids and other components of cell membranes and low-density lipoprotein from oxidation by free radicals. Vitamin E is located primarily within the phospholipid bilayer of cell membranes. It is particularly effective in preventing lipid peroxidation, a series of chemical reactions involving the oxidative deterioration of polyunsaturated fatty acids. Elevated levels of lipid peroxidation products are associated with numerous diseases and clinical conditions. Although vitamin E is primarily located in cell and organelle membranes where it can exert its maximum protective effect, its concentration may only be one molecule for every 2000 phospholipid molecules. This suggests that after its reaction with free radicals it is rapidly regenerated, possibly by other antioxidants.

Absorption of vitamin E from the intestine depends on adequate pancreatic function, biliary secretion, and micelle formation. Conditions for absorption are like those for dietary lipid, that is to say, efficient emulsification, solubilisation within mixed bile salt micelles, uptake by enterocytes, and secretion into the circulation via the lymphatic system. Emulsification takes place initially in the stomach and then in the small intestine in the presence of pancreatic and biliary secretions. The resulting mixed micelle aggregates the vitamin E molecules, solubilises the vitamin E, and then transports it to the brush border membrane of the enterocyte probably by passive diffusion. Within the enterocyte, tocopherol is incorporated into chylomicrons and secreted into the intracellular space and lymphatic system and subsequently into the blood stream. Tocopherol esters, present in processed foods and vitamin supplements, must be hydrolysed in the small intestine before absorption.

Vitamin E is transported in the blood by the plasma lipoproteins and erythrocytes. Chylomicrons carry tocopherol from the enterocyte to the liver, where they are incorporated into parenchymal cells as chylomicron remnants. The catabolism of chylomicrons takes place in the systemic circulation through the action of cellular lipoprotein lipase. During this process tocopherol can be transferred to high-density lipoproteins (high-density lipoproteins). The tocopherol in high-density lipoproteins can transfer to other circulating lipoproteins, such as low-density lipoproteins and very low-density lipoproteins. During the conversion of very low-density lipoprotein to low-density lipoprotein in the circulation, some α -tocopherol remains within the core lipids and thus is incorporated in low-density lipoprotein. Most α -tocopherol then enters the cells of peripheral tissues within the intact lipoprotein through the low-density lipoprotein receptor pathway, although some may be taken up by membrane binding sites recognising apolipoprotein A-I and A-II present on high-density lipoprotein.

VITAMIN K

Vitamin K is an essential fat-soluble micronutrient which is needed for a unique post-translational chemical modification in a small group of proteins with calcium-binding properties, collectively known as vitamin K-dependent proteins or Gla-proteins. Thus far, the only unequivocal role of vitamin K in health is in the maintenance of normal coagulation. The vitamin K-dependent coagulation proteins are synthesised in the liver and comprise factors II, VII, IX, and X, which have a haemostatic role (i.e., they are procoagulants that arrest and prevent bleeding), and proteins C and S, which have an anticoagulant role (i.e., they inhibit the clotting process). Despite this duality of function, the overriding effect of nutritional vitamin K deficiency is to tip the balance in coagulation towards a bleeding tendency caused by the relative inactivity of the procoagulant proteins. Vitamin K-dependent proteins synthesised by other tissues include the bone protein osteocalcin and matrix Gla protein.

The four vitamin K-dependent procoagulants (factor II or prothrombin, and factors VII, IX, and X) are serine proteases that are synthesised in the liver and then secreted into the circulation as inactive forms (zymogens). Their biologic activity depends on their normal complement of Gla residues, which are efficient chelators of calcium ions. In the presence of Gla and calcium ions these proteins bind to the surface membrane phospholipids of platelets and endothelial cells where, together with other cofactors, they form membrane-bound enzyme complexes. When coagulation is initiated, the zymogens of the four vitamin K-dependent clotting factors are cleaved to yield the active protease clotting factors.

Two other vitamin K-dependent proteins called protein C and protein S play a regulatory role in the inhibition of coagulation. The function of protein C is to degrade phospholipid-bound activated factors V and VIII in the presence of calcium. Protein S acts as a synergistic cofactor to protein C by enhancing the binding of activated protein C to negatively charged phospholipids.

Vitamin K is extensively metabolised in the liver and excreted in the urine and bile.

All the minerals and vitamins listed for the OREGANO (*Origanum compactum*) herb are available in proper amounts in the OREGANO (*Origanum compactum*) herb for continuous daily consumption through the tisane, for continuously strengthening the efficiency of the immune system by continuously cleaning the microenvironment both inside and outside of the cells of your physical body. As we have indicated, and we emphasize on this point, at the cellular level, the combination of antimicrobial, antiviral, antifungal and antioxydant properties of the compounds of this “ALL IN ONE” therapeutic tisane cleanse the microenvironment outside the cell including the cell surface membrane in a first step, clearing out the blocades at the cell-surface receptor, which are caused by external pathogen agents, and allowing the cell membrane to function as it was designed and established by “THE DIVINE ARCHITECT AND PROJECT MASTER” and implemented by “THE DIVINE FORCE”. The completion of this first step allows to open ALL the appropriate cell-surface receptors — ion channel-coupled receptors, G-protein-coupled receptors, and enzyme-coupled receptors — and as such, allowing the transfer of forces of “COMBAT” transported by the essential inorganic materials — among others sodium, potassium, calcium, magnesium, iron, copper, zinc, bicarbonate, phosphate, and iodide — contained in this tisane; thus facilitating the cell survival and “COMBAT” — the process of “HEALING” in order to annihilate any cause of cell malfunction —; and thus facilitating the cleansing of the microenvironment inside the cell through “specific processes” that were designed and established by “THE DIVINE ARCHITECT AND PROJECT MASTER” and implemented by “THE DIVINE FORCE” directly inside the cell.

OREGANO (*Origanum compactum*) is thus a strong mineralizing plant. For 100 g of dry matter, it contains about 1260 mg of Potassium, 148 mg of Phosphorus, 1597 mg of Calcium, 270 mg of Magnesium, Zinc and other minerals, as shown in the table. With this remineralizing capacity OREGANO (*Origanum compactum*) helps replenish mineral reserves and stabilize the nervous system, contributes to improve (boost) the efficiency the internal defense system of the human physical

body, and helps to ensure that the bone structure of the human physical body remains solid with advancement in age.

OREGANO (*Origanum compactum*) contains polyphenols, including numerous flavones. The “Essential Oil” of OREGANO (*Origanum compactum*) is composed primarily of monoterpenoids and monoterpenes, with the relative concentration of each organic compound varying widely across geographic origin and other factors. Over 60 different organic compounds have been identified in OREGANO (*Origanum compactum*) herb, with the primary ones being carvacrol and thymol ranging to over 80%, while lesser abundant organic compounds include p-cymene, γ -terpinene, caryophyllene, spathulenol, germacrene-D, β -fenchyl alcohol and δ -terpineol.

Carvacrol or cymophenol is a monoterpenoid phenol that has a characteristic pungent and responsible for the warm odor of OREGANO. It is responsible for much of the medicinal prowess of OREGANO (*Origanum compactum*) herb. It is known in ancient medicine to inhibit the growth of bacteria and has been shown to reduce inflammation, to protect DNA from damage, and prevent cancer cells from growing.

Thymol is a natural monoterpenoid phenol derivative of cymene, $C_{10}H_{14}O$, isomeric with carvacrol. It gives strong antimicrobial properties to OREGANO (*Origanum compactum*) herb.

While the “Essential Oil” of OREGANO (*Origanum compactum*) contains a significant amount, the organic compound thymol occurs most abundantly in THYME (*Thymus vulgaris*) herb, thus in the “Essential Oil” of THYME (*Thymus vulgaris*).

Through the organic compounds of the “Quintessential Substance” and which are present in the “Essential Oil” of OREGANO (*Origanum compactum*), OREGANO (*Origanum compactum*) has antimicrobial, antiviral, antifungal, antioxidant, and anti-inflammatory properties against a wide range of organisms. It is used in the ancient pharmacopoeia to treat a wide variety of diseases, especially with regard to:

- Dental conditions — it is used to treat mouth and teeth conditions, mouth sores, dental abscess, gum infections;
- Skin conditions — it is used to treat: swelling, blistering, edema, gratin, itching, boil, wounds, eczema, acne, herpes, shingles and fungal infections;

- Conditions and intestinal disorders troubles — it is used as a laxative/purgative, and it is also used to treat: diarrhea, constipation, kidney cleaning, aerophagia, carminative, bloating, stomachic, colic, colitis, abdominal pain, upset stomach, eupeptic;
- Pain — it is used to treat: headache, intercostal neuralgia, tachycardia;
- Respiratory tract disorders — it is used to treat: tuberculosis, cough in all its forms and severities, pneumonia, catarrh, lung diseases, chest pain, bronchitis, respiratory disorders in all their forms, colds;
- Fevers — it is used to treat: influenza, fever;
- Other infections — it is used to treat: urogenital infections, pain in the fallopian tubes, general fatigue, hemorrhoids, nervous disorders, joint and muscle pain, liver disease, liver problems, hypertension;
- Blood glucose regulation — Blood glucose regulation is controlled by two main hormones: insulin and glucagon. Every time that you eat, your pancreas produces insulin, which is released into the bloodstream to regulate the amount of glucose in the blood of your physical body. Insulin, which we have described already in one previous chapter, is essentially the traffic controller of the bloodstream in your physical body; it determines how much glucose is kept in the bloodstream and how much glucose is stored in the cells of your physical body. When you eat carbohydrate-based foods, they are broken down into glucose which goes into the bloodstream of your physical body. When this occurs your pancreas produces insulin to help regulate the amount of sugar in your bloodstream and transfers the glucose to the cells of your physical body, specifically the liver cells, the muscles cells, and the fat cells. The “specific task” of insulin is to unlock the door to your cells, so that glucose can go into the cells, and out of the bloodstream. This process helps to bring your blood glucose levels back down to a normal range, and also provides the necessary energy for our cells to function.

OREGANO (*Origanum compactum*) has a very low glycemic index, which is equal to 5. The glycemic index is a measure of the rise in blood glucose levels caused by a measured quantity of a particular food. Glycemic index values less than 55 are considered as low. Values above 70 are considered as high. The highest value of the glycemic index is that of glucose and is equal to 100. Foods low on the glycemic index (GI) scale tend to release glucose slowly and steadily; Foods high on the

glycemic index release glucose rapidly, and generate a demand for insulin, which will be produced by the pancreas. Higher insulin levels promote carbohydrate oxidation at the expense of fatty acid oxidation, thereby promoting fat storage in adipose tissue and triglyceride synthesis in the liver. Thus low glycemic index foods promote weight control by both enhancing satiety and fat oxidation. Low glycemic index foods are generally more filling, more sustaining, help control hunger and appetite as well as blood glucose levels and may help with weight loss. The lower the glycemic index of a food, the better the carbohydrate food is. A lower insulin level implies that the physical body stores less fat and can access existing fat stores more easily than when insulin levels are higher.

The organic compounds of the “Quintessential Substance” and which are present in the “Essential Oil” of OREGANO (*Origanum compactum*) facilitate the process of lowering of blood glucose.

THYME (*Thymus vulgaris*)

THYME (*Thymus vulgaris*) is a species of flowering plant in the mint family Lamiaceae, native to southern Europe from the western Mediterranean to southern Italy. Growing to 15–30 cm tall by 40 cm wide, it is a bushy, woody-based evergreen subshrub with small, highly aromatic, grey-green leaves and clusters of purple or pink flowers in early summer. In Africa, the plant has been cultivated in Egypt, Morocco, Algeria, Tunisia, Libya, Cameroon, Nigeria, and South Africa.

THYME (*Thymus vulgaris*) herbs have a fragrant odor and a pungent taste, and are used in several food products.

Due to the unique properties of the organic compounds of its “Quintessential Substance” (also designated as the “Substance par Excellence”) and that is contained in its leaves, and which have long been used in the context of ancient medicine and also in herbal medicine for the treatment of a large number of ailments and diseases, in a similar manner as with LEMONGRASS (*Cymbopogon Citratus*) and OREGANO (*Origanum compactum*), THYME (*Thymus vulgaris*) will inhibit the development of a wide range of microorganisms, bacteria, yeasts,

molds, infectious particles, and amoebas, which are detrimental to the proper functioning of the human physical body.

In a similar manner as with LEMONGRASS (*Cymbopogon Citratus*) and OREGANO (*Origanum compactum*) herbs, THYME (*Thymus vulgaris*) herb has numerous wonderful healing and health properties benefiting “Essential Oils”, chemicals, minerals and vitamins, which are known in ancient medicine to have infection-preventing properties and it has long been used in medicine for the treatment of a large number of ailments and diseases, including: respiratory disorders, chest infections, dyspepsia, painful menstruation, rheumatoid arthritis, scrofulosis and urinary tract disorders, treatment of cartilaginous tube, bronchial, and treatment of laryngitis, etc...

CHOLINE

Choline is a vitamin-like essential nutrient and a source of methyl groups needed for many steps in many physiological processes, including normal metabolism and transport of lipids, methylation reactions, and neurotransmitter synthesis. Choline plays an important part in many metabolism processes of the physical body, including:

Structural integrity of cell membranes.— Choline is used in the synthesis of certain phospholipids (phosphatidylcholine and sphingomyelin), which are essential structural components of cell membranes. Phosphatidylcholine accounts for about 95% of total choline in tissues. This phospholipid can be synthesized from dietary choline via the cytidine diphosphocholine (CDP-choline) pathway or

through the methylation of another phospholipid, phosphatidylethanolamine. Sphingomyelin is a type of sphingosine-containing phospholipid (sphingolipid), which is synthesized by the transfer of a phosphocholine residue from a phosphatidylcholine to a ceramide. Sphingomyelin is found in cell membranes and in the fatty sheath that envelops myelinated nerve fibers.

Cell communication/signaling.— The choline-containing phospholipids, phosphatidylcholine and sphingomyelin, are precursors for the intracellular messenger molecules, diacylglycerol and ceramide. Specifically, sphingomyelinases (also known as sphingomyelin phosphodiesterases) catalyze the cleavage of sphingomyelin, generating phosphocholine and ceramide. Diacylglycerol is released by the degradation of phosphatidylcholine by phospholipases. Other choline metabolites known to be cell-signaling molecules include platelet activating factor (PAF) and sphingophosphocholine.

Nerve impulse transmission/A healthy nervous system.— Choline is a precursor for acetylcholine, an important neurotransmitter synthesized by cholinergic neurons and involved in muscle control and movement, circadian rhythm, memory, regulating heartbeat and many other neuronal functions. Choline acetyltransferase catalyzes the acetylation of choline to acetylcholine, and acetylcholine esterase hydrolyzes acetylcholine to choline and acetate. CDP-choline administration also stimulates the synthesis and release of a family of neurotransmitters derived from tyrosine (i.e., the catecholamines, including noradrenaline, adrenaline, and dopamine). Of note, non-neuronal cells of various tissues and organ systems also synthesize and release acetylcholine, which then binds and stimulates cholinergic receptors on target cells.

Lipid (fat) transport and metabolism.— Fat and cholesterol consumed in the diet are transported to the liver by lipoproteins called chylomicrons. In the liver, fat and cholesterol are packaged into lipoproteins called very-low-density lipoproteins (VLDL) for transport in the bloodstream to extrahepatic tissues. Phosphatidylcholine synthesis by the phosphatidylethanolamine N-methyltransferase (PEMT) pathway is required for VLDL assembly and secretion from the liver. Without adequate phosphatidylcholine, fat and cholesterol will accumulate in the liver.

Major source of methyl groups.— Choline may be oxidized in the liver and kidney to form a metabolite called betaine via a two-step enzymatic reaction. In the mitochondrial inner membrane, flavin adenine dinucleotide (FAD)-dependent choline oxidase will catalyze the conversion of choline to betaine aldehyde, which will then be converted to betaine by betaine aldehyde dehydrogenase in either the

mitochondrial matrix or the cytosol. Betaine is a source of up to 60% of the methyl (CH₃) groups required for the methylation of homocysteine. Betaine homocysteine methyltransferase (BHMT) uses betaine as a methyl donor to convert homocysteine to methionine in one-carbon metabolism. The ubiquitous vitamin B12-dependent methionine synthase (MS) enzyme also will catalyze the re-methylation of homocysteine, using the folate derivative, 5-methyltetrahydrofolate, as a methyl donor.

Osmoregulation.— The conversion of choline to betaine is irreversible. Betaine is an osmolyte that regulates cell volume and protect cell integrity against osmotic stress (especially in the kidney). Osmotic stress has been associated with a reduced BHMT expression such that the role of betaine in osmoregulation may be temporarily prioritized over its function as a methyl donor.

As a member of the mint (Lamiaceae or Labiatae) family, THYME (*Thymus vulgaris*) and OREGANO (*Origanum compactum*) are related. In a similar manner as with OREGANO (*Origanum compactum*), THYME (*Thymus vulgaris*) is also a strong mineralizing plant. For 100 g of dry matter, it contains about 814 mg of Potassium, 201 mg of Phosphorus, 1890 mg of Calcium, 220 mg of Magnesium, 123.60 mg of Iron, Zinc and other minerals, as shown in the table. With this remineralizing capacity, THYME (*Thymus vulgaris*) also helps replenish mineral reserves and stabilize the nervous system, contributes to improve (boost) the efficiency the internal defense system of the human physical body, and helps to ensure that the bone structure of the human physical body remains solid with advancement in age.

The “Essential Oil” of THYME (*Thymus vulgaris*) is composed primarily of monoterpenoids and monoterpenes, with the relative concentration of each organic compound varying widely across geographic origin and other factors. Over 40 different organic compounds have been identified in THYME (*Thymus vulgaris*) herb, with the primary ones being Thymol (16.90%–60%), γ-Terpinene (2.00%–50%), p-Cymene (3.96–27.62%), Carvacrol (4.42–18.51%).

Through the organic compounds of the “Quintessential Substance” and which are present in the “Essential Oil” of THYME (*Thymus vulgaris*) herb, THYME (*Thymus vulgaris*) has antimicrobial, antiviral, antifungal, antioxidant, and anti-inflammatory properties against a wide range of organisms. It is used in the ancient pharmacopoeia to treat a wide variety of diseases, especially with regard to:

- Skin conditions — it is used to treat: swelling, blistering, edema, gratin, itching, boil, wounds, ulcers, eczema, acne, herpes, shingles and fungal infections;

OTHERS PROPERTIES THAT YOU CAN ADD TO THIS “ALL-IN-ONE” THERAPEUTIC TISANE

Aches, joint pain, tension, stiffness, swelling, inflammation and many others ailments affect the physical body of everyone at some point in life. Whether they affect the physical body temporarily or on a regular basis, they are no fun as they will limit your movements. The joints are important parts of the physical body. If your muscles are hurt, in pain or sore, you can still move around pretty much, but if your joints are hurt, then your capacity to move around will be limited or even stop. So, regularly do some exercises to loosen your joints. When your joints are loosen, it will be much easier for you to use your muscles and your capacity to move around will be much easier. Thus, in addition to taking this “ALL IN ONE” therapeutic tisane, you should also exercise regularly to have your joints in movement continuously; for, “the running water will not rot! Things that remain in motion do not stagnate.”

In order to facilitate the treatment of such ailments, and to fortify the many therapeutic virtues of this “ALL IN ONE” therapeutic tisane, you can add to this “ALL IN ONE” therapeutic tisane, further antimicrobial, antiviral, antifungal and antioxydant properties obtained from plants other than the already mentioned key engredient plants — LEMONGRASS (*Cymbopogon Citratus*), LEMONGRASS (*Cymbopogon Winterianus*), OREGANO (*Origanum compactum*), and THYME (*Thymus vulgaris*) — and which are compatible with these key engredient plants.

Four of such compatible plants are GINGER (*Zingiber Officinale*), EUCALYPTUS (*Eucalyptus Globulus*), PEPPERMINT (*Mentha × piperita*), and ROSEMARY (*Rosmarinus Officinalis*, *Camphoriferum*).

You achieve this by adding to your “ALL IN ONE” therapeutic tisane few droplets of PURE GINGER (*Zingiber Officinale*) “Essential Oil”, PURE EUCALYPTUS (*Eucalyptus Globulus*) “Essential Oil”, PURE PEPPERMINT (*Mentha × piperita*) “Essential Oil” and PURE ROSEMARY (*Rosmarinus Officinalis*, *Camphoriferum*); thus enriching the tisane of LEMONGRASS leaves with further antimicrobial, antiviral, antifungal and antioxydant properties. The process to make the infusion

is the same as we have already described. Add 3 to 4 droplets of PURE “Essential Oil” from each of these additional plants.

GINGER (*Zingiber Officinale*)

GINGER (*Zingiber Officinale*) is an herbaceous perennial flowering plant, found in most tropical and sunny regions, especially in Asia. It grows annual pseudostems (false stems made of the rolled bases of leaves) about one meter tall bearing narrow leaf blades.

GINGER (*Zingiber Officinale*) is made up of two parts: the underground part, called the rhizome, is gnarled and branched, and the aboveground part is made up of leaves and a stem about a meter high. The rhizomes are aromatic, thick lobed, white to yellowish-brown, irregularly branched, annulated and compressed with smooth surface. The rhizome serves as a reserve for the plant and ensures its survival. The flesh of the ginger rhizome can be yellow, white or red in color, depending upon the variety. It is covered with a brownish skin that may either be thick or thin, depending upon whether the plant was harvested when it was

mature or young. The leaves are alternate, lanceolate and fragrant, and the flowers are yellow in color with a red lip. The inflorescences bear flowers having pale yellow petals with purple edges, and arise directly from the rhizome on separate shoots. The fruits contain few black seeds. Ginger multiplies and reproduces therefore rather through the division of its rhizome. It needs humid, warm and sunny weather to grow, which is why it is commonly found in tropical countries.

GINGER (*Zingiber Officinale*) is one of the most widely used spices in both gastronomy and traditional medicine. It is valued for its pungent flavor and as a natural remedy for its therapeutic virtues. Due to the unique properties — anti-inflammatory, antiemetic, antioxidant and antibacterial — of the organic compounds of its “Quintessential Substance” (also designated as the “Substance par Excellence”), which is found in its rhizome and which contains oleoresin consisting of shogaol and gingerol, GINGER (*Zingiber Officinale*) indeed has virtues as an energizing plant, which is used to facilitate the treatment of many ailments, to fight infections, fatigue, muscle pain and, above all, to maintain the intestinal flora (nausea, vomiting, diarrhea, indigestion, ...).

As indicated in the table, GINGER (*Zingiber Officinale*) contains 80 kcal per 100g with no cholesterol. It is very rich in carbohydrates and fiber. In addition, it is an important source of folates (vitamin B9), as well as vitamins C, E, thiamin (vitamin B1), riboflavin (vitamin B2), Niacin (vitamin B3), pantothenic acid (vitamin B5) and pyridoxine (vitamin B6) in smaller amounts. The rhizome of the plant is distinguished by its content of mineral salts and trace elements, such as calcium, iodine, magnesium, phosphorus, sodium, zinc and iron, which give it its energizing properties. GINGER (*Zingiber Officinale*) is also a rich source of potassium and manganese, which help to better synthesize carbohydrates and fats. All these minerals are available in proper amounts in the rhizome of GINGER (*Zingiber Officinale*) for continuous daily consumption. These vitamins and essential minerals are required for optimum catalytic activity of the major antioxidants, which are glutathione, superoxide dismutase, and catalase, and which we have described in the chapter concerning the seventh decree of the implementation of the “Second Phase” of “THE HOLY PROJECT”.

The rhizome of GINGER (*Zingiber Officinale*) plant contains over 400 different compounds. The major constituents are carbohydrates (50–70%), lipids (3–8%), terpenes, and phenolic compounds. Terpene components of ginger include zingiberene, β -bisabolene, α -farnesene, β -sesquiphellandrene, and α -curcumene, while phenolic compounds include gingerol, paradols, and shogaol. These gingerols (23–25%) and shogaol (18–25%) are found in higher quantity than others.

The aromatic constituents include zingiberene and bisabolene, while the pungent constituents are known as gingerols and shogaols. Other gingerol- or shogaol-related compounds (1–10%), which are found in GINGER (*Zingiber Officinale*) rhizome, include 6-paradol, 1-dehydrogingerdione, 6-gingerdione and 10-gingerdione, 4-gingerdiol, 6-gingerdiol, 8-gingerdiol, and 10-gingerdiol, and diarylheptanoids. The characteristic odor and flavor of GINGER (*Zingiber Officinale*) are due to a mixture of volatile oils like shogaols and gingerols.

The anti-inflammatory, antidiarrheal, antibacterial, antiviral, antifungal, spasmolytic action and antioxidant properties attributed to the GINGER (*Zingiber Officinale*) plant ensue from the organic compounds of the “Quintessential Substance”, extracted from the rhizome and, which are present in the “Essential Oil” of GINGER (*Zingiber Officinale*). Among the wide variety of ailments, which are treated, with regard to these properties of the organic compounds of the “Quintessential Substance”, which are present in the “Essential Oil” of GINGER (*Zingiber Officinale*), are:

- Respiratory tract disorders — it acts as an expectorant and lubricates irritations in the respiratory tract. It is used to reduce the accumulations of mucus in the lungs and throat, and to treat: coughs, asthma, bronchitis and also loss of breath;
- Conditions and intestinal disorders troubles — it acts on the production of enzymes involved in digestion, and stimulates it. It acts on the stomach and gut by blocking certain receptors for the hormone 5HT₃, known as serotonin, which are involved in the contraction of the smooth muscles inside the stomach and gut. It helps reducing indigestion, diarrhea, stomachaches, intestinal spasms, bloating, nausea, and it promotes the secretion of bile;

- Analgesic conditions — it is used to relieve swelling, inflammation, pain, soreness and stiffness in muscles and joints, chest pain, low back pain, stomach pain, and menstrual pain, and other conditions associated with rheumatoid arthritis. It does this by lowering levels of certain tissue hormones called prostaglandins that can induce pain and inflammation;
- Cardiovascular conditions — it helps prevent cardiovascular disease by facilitating the cleansing of blood cells and as such it thins the blood and thus promotes its transport through the physical body.
- Blood glucose regulation — As we have indicated already, blood glucose regulation is controlled by two main hormones: insulin and glucagon.

GINGER (*Zingiber Officinale*) has a very low glycemic index, which is equal to 15, which is 3 times higher than the glycemic index of OREGANO (*Origanum compactum*). The glycemic index is a measure of the rise in blood glucose levels caused by a measured quantity of a particular food. Glycemic index values less than 55 are considered as low. Values above 70 are considered as high. The highest value of the glycemic index is that of glucose and is equal to 100. Foods low on the glycemic index (GI) scale tend to release glucose slowly and steadily; Foods high on the glycemic index release glucose rapidly, and generate a demand for insulin, which will be produced by the pancreas. Higher insulin levels promote carbohydrate oxidation at the expense of fatty acid oxidation, thereby promoting fat storage in adipose tissue and triglyceride synthesis in the liver. Thus low glycemic index foods promote weight control by both enhancing satiety and fat oxidation. Low glycemic index foods are generally more filling, more sustaining, help control hunger and appetite as well as blood glucose levels and may help with weight loss. The lower the glycemic index of a food, the better the carbohydrate food is. A lower insulin level implies that the physical body stores less fat and can access existing fat stores more easily than when insulin levels are higher.

The organic compounds of the “Quintessential Substance”, extracted from the rhizome and, which are present in the “Essential Oil” of GINGER (*Zingiber Officinale*), facilitate the process of lowering of blood glucose. They also interact with serotonin receptors of cells to

reverse their effect on insulin secretion, and facilitate the uptake of glucose into muscle cells independently of insulin.

COMMON EUCALYPTUS (*Eucalyptus Globulus*)

Eucalyptus (from the Greek εὖ-eu, which means well, and καλυπτός-caluptos, which means covered, and which refers to the cuplike membrane that covers the budding flowers of the tree) form a very rich group of plants of the genus Eucalyptus, of the Myrtaceae family. The Myrtaceae family, Myrtaceae Juss, groups together dicotyledonous plants, which are plants whose seedling resulting from the germination of a seed, present before its release into the open air, two leaves, called cotyledons or sometimes, pre-leaves or eophylls.

The Myrtaceae family includes about three thousand species of trees and shrubs, belonging to many genera (from 23 to 134) according to the classifications. They are found in temperate, sub-tropical to tropical areas, but they grow mainly in Australia and tropical America, in the Mediterranean region, sub-Saharan Africa, Madagascar, tropical and temperate Asia, and the Pacific Islands. The main genera of this family are: Eucalyptus, Psidium which includes the guava tree,

Myrtus which includes the myrtle (Mediterranean scrub shrub), Eugenia, including the clove (*Eugenia caryophyllata*) which gives the clove.

COMMON EUCALYPTUS (*Eucalyptus Globulus*), also known as Blue Gum, is an evergreen tree; that is to say, a plant that keeps its leaves throughout the year. It is more commonly referred to as an “evergreen” plant, as opposed to deciduous plants. It is widely cultivated and can grow up to 92 m tall.

The appearance of COMMON EUCALYPTUS (*Eucalyptus Globulus*) tree bark varies with the age of the plant, the manner of bark shed, the length of the bark fibers, the degree of furrowing, the thickness, the hardness, and the color. All mature eucalypts put on an annual layer of bark, which contributes to the increasing diameter of the stems. The leaves of juvenile trees appear in pairs on square stems. They are 6 to 15 cm long and are covered with a waxy blue-gray bloom, which is the origin of the name “Blue Gum”.

The leaves of mature trees are alternate, narrow, scythe-shaped, and shiny dark green. They grow on cylindrical stems and are 15 to 35 cm long. Flowers consists of several fluffy stamens which may be white, cream, yellow, pink, or red; in bud, the stamens are surrounded in a cap known as an operculum, which is composed of the fused sepals or petals, or both. Thus, flowers have no petals, but instead decorate themselves with the many showy stamens. The top-shaped flower buds are ribbed and covered with a flattened operculum with a central button. The cream-colored flowers are solitary in the leaf axils and produce abundant nectar that bees transform into strong-flavored honey. As the stamens expand, the operculum is forced off, splitting away from the cup-like base of the flower; this is one of the features that unite the genus. Flowers produce a great abundance of nectar, providing food for many pollinators.

This fast-growing tree grows best with large amounts of water that it collects in depth (thus allowing the development of other species) but knows how to be satisfied with low soil moisture.

Eucalyptus leaf is very fibrous and has little nutritional and calorific value. However, its “Quintessential Substance” (also designated as the “Substance par Excellence”), which is found in its leaves, is very rich in organic compounds, which possess a broad-spectrum of unique properties — anti-inflammatory, antioxidant, antispasmodic, antibacterial and antimicrobial, antifungal — widely used to facilitate the treatment of many ailments. The major organic compounds obtained from the “Quintessential Substance” of EUCALYPTUS (*Eucalyptus Globulus*) are 1,8-cineole (60-80%), α -Pinene (4-10%), α -terpineol acetate (2-6%) and alloaromadendrene (1-4%).

Among the wide variety of ailments, which are treated, with regard to these properties of the organic compounds of the “Quintessential Substance”, which are present in the “Essential Oil” of EUCALYPTUS (*Eucalyptus Globulus*), are:

- Dental conditions — it is used to treat mouth and teeth conditions, mouth sores, dental abscess, gum infections, tooth decay and periodontitis, soothe receding gums and helps stimulate the growth of new gum tissue;
- Skin conditions — it is used to treat a variety of skin infections: swelling, blistering, edema, gratin, itching, boil, wounds, eczema, acne, herpes, shingles and fungal infections;
- Respiratory tract disorders — it acts as an expectorant and lubricates irritations in the respiratory tract. It is used to reduce the accumulations of mucus in the lungs and throat, and to treat: coughs and colds, sore throats, respiratory infection, laryngitis, bronchitis, asthma, sinusitis, and phlegm;
- Conditions and intestinal disorders troubles — it acts on the production of enzymes involved in digestion, and stimulates it. It helps reducing indigestion, diarrhea, bladder inflammation, stomachaches, intestinal spasms, bloating, nausea, and it promotes the secretion of bile;
- Analgesic conditions — it is used to relieve swelling, inflammation, pain, soreness and stiffness in muscles and joints, chest pain, low back pain, stomach pain, and menstrual pain, urinary infection, bladder infection and inflammation (cystitis), rheumatism, arthritis, etc...;
- Cardiovascular conditions — it helps prevent cardiovascular disease by facilitating the cleansing of blood cells and as such it thins the blood and thus promotes its transport through the physical body.

PEPPERMINT (*Mentha × piperita*)

Mint is a leafy plant, which is best known for its association with fresh breath due to the cool sensation it creates in the mouth. Toothpaste, mouthwash, breath mints, and chewing gum are all commonly flavored with mint. In addition to freshening breath, mint is also used to add flavor to foods and drinks. Mint is known for adding a fresh flavor to mint chocolate chip ice cream, and mojito cocktails.

The mint plant belongs to the Lamiaceae family, and most varieties of the mint plant fall under the genus *Mentha*. Because mint plants spread quickly, gardeners tend to grow them in containers. When planted directly into the ground, they can become invasive and take over a garden.

Although the genus *Mentha* comprises more than 25 species, the one in most common use is PEPPERMINT (*Mentha × Piperita*).

PEPPERMINT (*Mentha × Piperita*), also known as *Mentha Balsamea* Wild, is a natural cross hybrid between the water mint (*Mentha aquatica*) and spearmint (*Mentha spicata*). Indigenous to Europe and the Middle East, the plant is now widely spread and cultivated in many regions of the world. It is occasionally found in the wild with its parent species. While Western peppermint is derived from *Mentha piperita*, Chinese peppermint, or “Bohe” is derived from the fresh leaves of *Mentha haplocalyx*. *Mentha piperita* and *Mentha haplocalyx* are both plant sources of menthol and menthone and are among the herbs used for both culinary and medicinal products.

PEPPERMINT (*Mentha × Piperita*) plant grows well under shady conditions and features lance-shaped purple-veined, dark-green leaves with serrated margins and purple color whirly-flowers. In general, the PEPPERMINT (*Mentha × Piperita*) plant is sterile; producing no seeds. However, its growth happens through vegetative reproduction, spreading laterally all along through its underground rhizomes.

As indicated in the table, PEPPERMINT (Mentha × Piperita) contains 70 kcal per 100g with no cholesterol. It is very rich in carbohydrates and fiber. In addition, it is an important source of folates (vitamin B9), as well as vitamins A, C, thiamin (vitamin B1), riboflavin (vitamin B2), Niacin (vitamin B3), pantothenic acid (vitamin B5) and pyridoxine (vitamin B6) in smaller amounts. PEPPERMINT (Mentha × Piperita) is also a mineralizing plant. For 100 g of fresh matter, it contains about 569 mg of Potassium, 243 mg of Calcium, 80 mg of Magnesium, 5.08 mg of Iron, 1.11 mg of Zinc and other minerals, as shown in the table, which help to better synthesize carbohydrates and fats. All these minerals are available in proper amounts in the leaves of PEPPERMINT (Mentha × Piperita) for continuous daily consumption. These vitamins and essential minerals are required for optimum catalytic activity of the major antioxidants, which are glutathione, superoxide dismutase, and catalase, and which we have described in the chapter concerning the seventh decree of the implementation of the “Second Phase” of “THE HOLY PROJECT”.

The “Essential Oil” of PEPPERMINT (Mentha × Piperita) is composed primarily of menthol and menthone, with the relative concentration of each organic compound varying widely across geographic origin and with plant maturity. Menthol, also called mint camphor or peppermint camphor, is used medicinally as a soothing balm. The organic compounds of the “Quintessential Substance” and which are present in the “Essential Oil” of PEPPERMINT (Mentha × Piperita) include: menthol < 55%, menthone < 32%, 1,8-cineole (eucalyptol) < 14%, menthyl acetate < 10%, neomenthol < 10%, menthofuran < 9%, D-limonene < 5%,

β -caryophyllene < 4%, isopulegol < 4%, piperitone < 4%, pulegone < 4%, α -pinene < 3%, β -pinene < 3%, myrcene < 3%, as well as several other minor constituents.

Through the organic compounds of the “Quintessential Substance” and which are present in the “Essential Oil” of PEPPERMINT (*Mentha × Piperita*) herb, PEPPERMINT (*Mentha × Piperita*) also has the following properties for the treatment of a wide range of ailments:

- Local Analgesic — it acts as a pain reliever with a “cold effect”, thus it acts against muscle pain, strokes, neuralgia and headaches. It slightly anesthetizes the stomach lining thus preventing nausea and vomiting.
- Tonic, General Stimulant — it is hypertensive, it stimulates the heart muscle through its cardiotonic action. It has a stimulating effect upon nerves, hence, upon the nervous system.
- Antibacterial properties — it suppresses the growth of bacteria and/or their ability to reproduce, especially against the following microorganisms amongst others: staphylococcus aureus, streptococcus responsible for pulmonary diseases, E. coli responsible for digestive and urinary diseases.
- Antiviral properties — it suppresses the ability of some types of infectious particles to replicate and, hence, inhibits their capability to multiply and reproduce.
- Antifungal properties — it is active on the fungi that cause lung infections, skin infections, and candidiasis (oropharynx, digestive tract, vaginal flora).
- Antiparasitic properties — it is an intestinal antiparasitic that acts mainly against shigellosis, an acute gastroenteritis.
- Antispasmodic properties — it suppresses digestive and intestinal spasms acting on the sphincter of Oddi and on muscle contractions of the small intestine (bloating, stomach cramps, post-operative nausea).
- Anti-Inflammatory properties — it prevents pro-inflammatory substances from forming and thus acts on repeated inflammations on the respiratory tree and the colon.
- Cholagogue properties — it facilitates the evacuation of bile to the intestine (cholagogue) and promotes the flow of bile from the gall bladder into the duodenum.

PEPPERMINT (*Mentha × Piperita*) also has expectorant — promoting the secretion, liquefaction, or expulsion of sputum from the respiratory passages, by reducing the thickness or stickiness of mucus so it can be removed from the lung more easily by coughing —, uterotonic — induce contraction or greater tonicity of the uterus —, anticatarrhal — suppressing catarrh, which is inflammation of the mucous membranes in one of the airways or cavities of the physical body, usually with reference to the throat and paranasal sinuses —, mucolytic — make the mucus less thick and sticky and easier to cough up —, progestogen decongestant, and hormon-like properties.

ROSEMARY (Rosmarinus Officinalis, Camphoriferum)

ROSEMARY (*Rosmarinus Officinalis*) plant is a typically Mediterranean shrub of the Lamiaceae family. It is a small, vigorous, bushy and perennial shrub, reaching 1.50 to 2 meters in height. Its leaves, which look more like needles, are shiny green above and whitish below, showing blue to purple flowers in February, and stay green all year round. Its flowers vary from white to pale blue, even lavender blue. It likes arid, dry and sunny soils of the maquis. It tolerates sea spray well, and its Latin name *Rosmarinus officinalis*, which is derived from the Latin words “Ros” meaning dew or mist, and “marinus” meaning sea, literally means “sea dew”, as its gray-green foliage is thought to resemble dew against the sea cliffs of the Mediterranean. It is found mainly in countries bordering the Mediterranean.

There are different subspecies of the ROSEMARY (*Rosmarinus Officinalis*) plant, depending on their geographical origin. Thus, from the same species of ROSEMARY (*Rosmarinus Officinalis*) plant, there are different chemotypes¹⁴⁰⁵: camphoriferum, cineoliferum and verbenoniferum.

Very present in Mediterranean cuisine, despite a certain bitterness, ROSEMARY (*Rosmarinus Officinalis*) is used primarily as a culinary herb prized for its rich pungent flavour. It is also extensively used as a medicinal herb for its astringent, spasmolytic, antiinflammatory, expectorant, carminative, antirheumatic, analgesic, antimicrobial, and hypotensive properties.

¹⁴⁰⁵ In botany, a chemotype or chemical type, abbreviated ct, describes the subspecies of a plant that have the same morphological (relating to form and structure) characteristics but possess different quantities of organic compounds in their “Quintessential Substance”. This again is widespread within the botanical family classification of the Labiatae or Lamiaceae. Examples of plants with different chemotypes include lavender, melissa, peppermint, basil, rosemary, sage and thyme.

These vitamins and essential minerals are required for optimum catalytic activity of the major antioxidants, which are glutathione, superoxide dismutase, and catalase, and which we have described in the chapter concerning the seventh decree of the implementation of the “Second Phase” of “THE HOLY PROJECT”.

The main organic compounds of the “Quintessential Substance” and which are present in the “Essential Oil” of ROSEMARY (*Rosmarinus Officinalis*, ct Camphoriferum) include: 1,8-cineole (eucalyptol) (16-24%), α -pinene (15-27%), camphor (14-24%), camphene (6-13%), as well as several other constituents (α -terpineol, borneol, limonene, and p-cymene) in small amounts. These are camphene, cineol, borneol, bornyl acetate and other esters. These organic compounds are known to have tonic, astringent, diaphoretic, and stimulant properties.

Through the organic compounds of the “Quintessential Substance” and which are present in the “Essential Oil” of ROSEMARY (*Rosmarinus Officinalis*, ct Camphoriferum) plant, ROSEMARY (*Rosmarinus Officinalis*, ct Camphoriferum) also has the following properties for the treatment of a wide range of ailments:

- Respiratory conditions — it is repleted with antibacterial properties that can treat a host of respiratory problems. It eases throat congestion, and also treats allergies, sore throat, cold and flu. Its antispasmodic qualities it is also beneficial in treating bronchitis and asthma.
- Local Analgesic, due to camphor — it helps relieve muscle pain, strokes, neuralgia and headaches, cramp, contracture, stiffness. It slightly anesthetizes the stomach lining thus preventing nausea and vomiting.
- Tonic, General Stimulant, due to camphor — it is hypertensive, it stimulates the heart muscle through its cardiotonic action. It has a stimulating effect upon nerves, hence, upon the nervous system. Camphor is a ketone molecule that causes heart stimulation and a mild hypertensive effect. This has the effect of reducing the diameter of the blood vessels. This is very valuable when the blood accumulates by obstruction of its circulation, in the event of thrombosis for example or by mechanical defect (varicose veins for example).
- Antibacterial properties — it suppresses the growth of some types of bacteria and/or their ability to reproduce, due to its polyphenolic components as rosmarinic acid, carnosol, and carnosic acid. Rosmarinic acid (α -O-caffeoyl-3,4-dihydroxyphenyl lactic acid) is a naturally occurring hydroxylated compound and it is found in Lamiaceae family. These polyphenolic components have antiinflammatory, antioxidant, antiviral, and antibacterial properties.
- Antiviral properties — it suppresses the ability of some types of infectious particles to replicate and, hence, inhibits their capability to multiply and reproduce.
- Antispasmodic properties — it suppresses digestive and intestinal spasms acting on the sphincter of Oddi and on muscle contractions of the small intestine (bloating, stomach cramps, post-operative nausea). It is generally pretty adept at treating problems of indigestion, constipation, stomach cramps, bloating and relieving flatulence. Not only does it facilitate a smoother and better bile flow, it helps regulating the production and release of bile juice which enhances the process of digestion.

- Anti-Inflammatory properties — it prevents pro-inflammatory substances from forming and thus acts on repeated inflammations on muscles as well as on the respiratory tree and the colon.
- Cholagogue properties — it facilitates the evacuation of bile to the intestine (cholagogue) and promotes the flow of bile from the gall bladder into the duodenum.

ROSEMARY (*Rosmarinus Officinalis*, cf *Camphoriferum*) is also commonly used to combat dry skin, nourish the scalp and promote glossy, healthy hair, and stimulate hair growth by inhibiting the action of enzyme 5-alpha-reductase in hair follicles, hence reducing the conversion of testosterone to dihydrotestosterone. The 5-alpha-reductase is the enzyme that converts testosterone to dihydrotestosterone in the physical body. Dihydrotestosterone gradually reduces the blood flow to hair follicles. This process often takes place over several years until some of the hair follicles in the scalp could no longer grow hair. Lower levels of dihydrotestosterone (DHT) in hair follicles helps prevent androgenetic hair loss; that is to say, the hereditary androgen-dependent hair loss that is associated with the shrinkage of hair follicles and the shortening of the anagen¹⁴⁰⁷ phase of hair growth and which is typically characterized by moderate to severe hair loss on the temples and crown in men and diffuse thinning on the crown in women.

¹⁴⁰⁷ The anagen phase is the active phase of the hair growth cycle that precedes catagen and telogen, and which is marked by rapid division and differentiation of cells in the lower portion of the hair follicle and by lengthening of the hair shaft, and which typically lasts between two to six years.

HONEY

The bee is small among winged creatures, but what it produces is exquisitely sweet.

Honey is a natural by-product from flower nectar and the aero-digestive tract of the honey bee. Honey has a complex chemical and biochemical composition, comprised of 180 to 200 different substances, including sugar, water, proteins, amino acids, phenolics, vitamins, minerals, polyphenolic compounds and plant derivatives. Honey is a natural medicinal agent with antioxidant, anti-bacterial, antifungal, anti-malarial and anti-tumor properties.

The intense sweetness of honey arises from the very high content of two monosaccharides, glucose and fructose. The natural processes through which it is derived means that honey contains many chemicals and biochemical.

The composition of honey is rather variable and primarily depends on the floral source; however, a number of external factors also play a role, including seasonal and environmental factors and processing. Honey is a supersaturated solution of sugars, of which fructose (38%) and glucose (31%) are the main contributors.

Honey also contains small amounts of other constituents, such as minerals, proteins, vitamins, organic acids, flavonoids, phenolic acids, enzymes and other phytochemicals, which may contribute to its pharmacological profile.

Carbohydrates, predominantly monosaccharides such as glucose and fructose, are the primary nutrients of natural honey. They accounts for 82.4% of honey matter. The next largest component of honey is water, ranging from 13-23%. These carbohydrates and the water create a difficult environment with unsuitable growth conditions for microorganisms, as a result of low pH and high osmotic pressure; thus, preventing spoilage of cells of the human physical body. This difficult environment with unsuitable growth conditions for microorganisms largely contributes to the antimicrobial property of honey.

Sugar and water are the primary constituents of natural honey. Sugar accounts for 95-99% of the dry honey matter. The majority of these simple sugars are D-fructose (38.2%) and D-glucose (31.3%), which represents 85-95% of the total sugars. These 6-carbon sugars are immediately absorbed by the small intestine. Natural honey samples are rich in both reducing and non-reducing sugars.

Honey contains a number of proteins and free amino acids and the approximate percentage of proteins in natural honey is 0.5%. Depending upon the species of the harvesting honey bees, different proteins of diverse molecular weights are found in natural honey. Most of the enzymes found in honey are added by honey bees during the process of natural honey ripening; the three main honey phytochemicals are diastase (amylase), which decomposes starch or glycogen into smaller sugar units, invertase, which decomposes sucrose into fructose and glucose, and glucose oxidase, which produces hydrogen peroxide and gluconic acid from glucose.

In honey, amino acids account for 1% (w/w) with proline as the main contributor, as it corresponds to approximately 50% of the total free amino acids. In addition to proline, there are 26 amino acids in honeys; their relative proportions depend on their origin (nectar or honeydew).

The mineral content of honey has a 50-fold range of values, the largest of any component. Honey contains small but detectable quantities of vitamins, not a suitable to be considered as a source of vitamins for therapeutic purposes as the concentrations of many are in the sub-therapeutic parts per million range. The

aroma and flavour of honey are attributable to the sugars, the acids and other organic compounds in honey. These organic compounds include a variety of C1-C5 aldehydes and alcohols.

Fructose and glucose, the prominent monosaccharides in honey, are the stereoisomers having the same molecular formula but different structural formula. These monosaccharides do not need to be hydrolyzed by gastrointestinal tract enzymes and thus are ready for absorption.

The high sugar content of honey hinders the growth of microbes, but it is the presence of carbohydrates and the water that contribute the most to antibacterial properties of honey. The gastrointestinal tract contains essential and beneficial bacteria, especially Bifidobacteria for the maintenance of good health. One can increase the Bifidobacteria population in the gastrointestinal tract by consuming foods with rich a supply of prebiotics such as natural honey. Prebiotics are substances that facilitate the enhanced growth and the biological activity of these beneficial bacteria. The consumption of honey has a potential effect on human digestion and this effect is produced by oligosaccharides.

Honey proteins and enzymes also provide digestive benefits and hinder microbial growth. The enzyme content of honey is one of the characteristics that make it beneficial to human health. The main enzymes in honey are invertase (saccharase), diastase (amylase) and glucose oxidase. The enzymes in honey which originate from plants are catalase, lysozyme, and acid phosphatase.

INVERTASE (SACCHARASE)

Invertase is a carbohydrate-digestive enzyme that splits sucrose into glucose and fructose. Its ability to hydrolyse the glycosidic bond between fructose and glucose makes it a vital part of the digestion of complex sugars into glucose which can be used as a ready fuel source by the human physical body. Invertase plays a key role not only in digestive processes, but also and more importantly in overall disease prevention, physical rejuvenation and anti-aging processes of the human physical body. As invertase creates pre-digestive simple sugars, it helps to reduce stomach toxicity, because sugars do not remain in the stomach long enough to create toxic fermentation. This enzyme also provides defence against a number of harmful microbes which is attributed to the anti-microbial properties of honey. The ability of this enzyme to pull moisture out of the human physical body causes bacterial infestations to subside. As such, honey contributes to improve (boost) the efficiency the internal defense system of the human physical body.

Although proteins, enzymes and amino acids constitute only a small fraction of total honey composition, the presence of these compounds is associated with many health benefits of honey including nutritional benefits, and the role of honey enzymes in carbohydrate digestion and most importantly the anti-microbial potential of honey.

Phenolic acids are antioxidant constituents responsible for a range of therapeutic properties of honey.

Polyphenols serve as powerful antioxidants due to the hydrogendonating ability of their hydroxyl groups as well as their ability to donate electrons to arrest the production of free radicals as a result of oxidative stress. Polyphenols are important as they contribute to honey's color, taste and aroma; they also provide beneficial health effects. The antioxidant activity is primarily due to the presence of phenolic compounds and flavonoids. Thus the presence of phenolic acids contributes to the functional and therapeutic properties of honey.

The flavonoids present in different types of honeys, namely chrysin and kaempferol, are very active in inhibiting the replication of several herpes infectious particles, adeno- infectious particles and rota- infectious particles.

Known for its antiseptic, healing and anti-inflammatory properties, honey is used in medicine to treat wounds, burns, respiratory inflammation, and more! Undoubtedly the best-known hive product, honey is used both for its taste and for its health benefits. The therapeutic properties of honey include among others:

- Anti-infectious and antibiotic properties.— Honey is known for its anti-infectious properties: honey helps prevent bacterial, viral or fungal proliferation thanks to an enzyme, glucose oxidase, producing hydrogen peroxide (as in hydrogen peroxide) which is a natural antiseptic. In addition, it has a low protein concentration which prevents bacteria from growing. Finally, its acidity hinders the multiplication of bacteria, complementing its antibacterial action. It can be used for this purpose both on the skin and in ingestion for the respiratory or digestive sphere.
- Healing properties.— Honey is often used as an antiseptic to treat wounds, honey also has healing properties which again justify its use on the skin. It helps prevent the development of bacteria and regenerates skin tissue for good healing. This action is due to its high osmolarity, which causes honey to attract water, drains lymph and plasma

outwards, which removes debris and cleans the wound. Honey is therefore a very recognized antiseptic and antibacterial, which helps in the healing of wounds throughout and within the physical body.

- Antioxidant properties.— Thanks to the presence of many flavonoids, honey has an important antioxidant power, because the latter neutralize free radicals, thus having a beneficial effect in the prevention of certain cancers or certain cardiovascular diseases. It can also be noted here that “dark” honey, richer in flavonoids and fructose, would be more effective for these therapeutic properties.
- Energetic and toning properties.— Honey is a general tonic for the physical body, which in particular strengthens the efficiency of the immune system. It allows a better resistance to microbial infections and is a great ally against fatigue. Because it is a rich source of sugar, honey is a great source of energy, which helps boost the physical body when needed.
- Sedative and calming properties.— Honey allows the release of serotonin, a neurotransmitter that will promote sleep.
- Respiratory properties.— Against coughs or sore throats, honey will provide an immediate and lasting soothing effect. Thanks to its antiseptic and anti-inflammatory properties, it is effective in calming cold symptoms and soothing the respiratory tract. It will calm respiratory irritation and will decrease the adhesion of bacteria to the respiratory wall, thus preventing their proliferation.
- Digestive properties.— Honey works directly on the digestive tract, and is effective in treating infections of the stomach and intestines, reducing gastric inflammation or ulcers, as well as temporary constipation. Thanks to its “diastase” enzymes, it helps digestion and stimulates the stomach. Finally, it has a slight laxative power (variable depending on the honey) and limits intestinal fermentation.
- Cardiovascular protective properties.— Thanks to the B vitamins, which are antioxidants, honey will limit atherosclerosis, having a beneficial effect on the heart and blood vessels.
- Support of essential oils in ingestion.— This is something that is not necessarily thought about at first glance, but which can be very useful: and yes, honey is a very good solution for diluting essential oils and serving as a support for their ingestion.

- Cosmetic properties.— Honey has a pH close to that of the skin (4 to 6), and its rich composition makes it a very good moisturizing, emollient, softening and toning agent! It nourishes cells, promotes their renewal and helps maintain the youthfulness of the skin.

CITRUS (LEMON)

Lemon is an evergreen shrub or small tree belonging to the family of Rutaceae, which grows in tropical, sub-tropical and temperate regions.

Lemon fruit consists of a rind, the outer skin made up of a leathery and waxy epidermis, the flavedo, containing color and oil sacks, and the albedo a white layer below and a source of flavanones. The inner flesh has segments aligned around the soft central core of the fruit and wrapped a segment membrane, the septum. The segments are filled with small and densely packed sacs containing juice and seeds.

Lemon fruit supplies mainly carbohydrates, such as sucrose, glucose, and fructose and the fresh fruits is a good source of dietary fiber. Fiber improves the gastric absorption in the small intestine, decrease the energy absorption process, and maintain the performance of the bile duct and liver.

Lemon fruit contains a higher level of flavonoids, terpenes, phytonutrients, and range of phenolic compounds, vitamins C, vitamins B (thiamin, pyridoxine, niacin, riboflavin, pantothenic acid, and folate), Potassium, and carotenoids. Flavonoids in lemon fruit are present in the form of the glycoside or aglycone, especially in lemon juice as glycosyl derivatives (flavonoid glycosides).

The main organic acid, flavonoids and terpene in lemon, are:

- Citric acid. The most abundant organic acid in lemon, citric acid helps prevent the formation of kidney stones.
- Hesperidin. An antioxidant flavonoid glycoside that strengthens blood vessels and prevent atherosclerosis — the buildup of fatty deposits (plaque) inside arteries. In addition to its well-known benefits for cardiovascular function, type II diabetes, and anti-inflammation, hesperidin also benefits cutaneous functions, including wound healing, UV protection, anti-inflammation, antimicrobial, antiskin cancer, and skin lightening.
- Diosmin. An antioxidant flavonoid glycoside of diosmetin and which is found in a natural structure in the pericarp of lemon fruit. Diosmin is used for treating various disorders of blood vessels including hemorrhoids, varicose veins (twisted and enlarged veins), lymphedema (swelling of arms and legs), and acute and chronic hemorrhoids (swollen veins of lower rectum and anus), poor circulation in the legs (venous stasis), and bleeding (hemorrhage) in the eye or gums. It is also used to treat swelling of the arms (lymphedema) and to protect against liver toxicity.
- Eriocitrin. An antioxidant flavonoid is found in lemon peel and juice. It is a flavanone-7-O-glycoside between the flavanone eriodictyol and the disaccharide rutinose. Eriocitrin metabolites are associated with blood glucose support, cardiovascular support, and improved antioxidant capacity.
- D-limonene. The most common form, or isomer, of limonene, a hydrocarbon chemically classified as a cyclic terpene. The rinds of fruits in the Rutaceae family, commonly known as citrus fruits, contain large quantities of d-limonene that give these fruits their distinctive odor. D-limonene is known to relieve digestive discomfort. It is also helpful for maintaining bowel motility, managing gallstones and weight management.

The distribution of phytochemicals in various parts of lemon fruit have antibacterial, antiviral, antifungal, anticarcinogenic, antithrombotic, anti-inflammatory, anti-carcinogenic, cardiovascular, antiallergic and analgesic, anti-microbial, anti-anxiety, and antidepressant properties.

The Essential Oil of lemon fruit is a rich source of aromatic compounds, particularly, fruit peel, seed have about 400 compounds of volatile and nonvolatile compounds.

HOT WATER

Keeping the physical body hydrated is important to maintain its health. Hot (warm) water can provide several more benefits for the physical body and skin. It allows:

To relieve symptoms of upper respiratory tract infections such as runny nose and stuffy nose. High temperatures in warm water allow to speed up the passage of mucus, so cold symptoms will subside. In addition, the warm temperature is also able to relieve pain in the throat due to the buildup of mucus in the esophagus in the morning.

To activate the metabolism of the physical body, resulting in more fat burning, relax muscles, and increase blood flow. It also helps cleanse the intestines and eliminate waste in the physical body and which cause flatulence and excess water in the physical body.

To activate the digestive tract and help the intestines contract to expedite the process of elimination. Water works as a lubricant along the organs of the digestive system and helps hydrate and flush out toxins.

To facilitate detoxification by raising physical body temperature to cause sweating, which then allows the physical body to expel waste through sweat. Sweat glands help the skin filter toxins out of the physical body, allowing it to expel blood waste materials at an increased rate and cleanse itself. Detoxification is a chain of events through which the liver cleanses the system by changing the chemical nature of many toxins, and the kidneys filter toxins out of the blood into bile by-products that are sent to the intestine, to leave the physical body in the form of feces. Some toxins can be easily removed but some require additional intervention. The presence of water improves the functions of the liver and kidneys to help dilute toxins in the bloodstream and make it easier to expel the waste material from the physical body.

To facilitate circulation of the Micronutrients essential to fight infections. Hot (warm) water is a vasodilator. Meaning that it expands blood vessels, relaxes the muscles, and positively impacts circulation. Even brief improvements in

circulation can support better blood flow to muscles and assist in health maintenance, from cardiovascular function to muscle pain relief.

To minimize if not eliminate discomfort caused by acid reflux. Acid reflux occurs when the valve that connects the stomach to the esophagus, or food pipe, is weakened and the stomach acid flows back into the food pipe.

PURE GREEN TEA is a tea made from the leaves and buds of the tea plant *camellia sinensis*, which have been dried naturally and have not undergone the withering and oxidation process. GREEN TEA gets its name from the emerald green colour created when brewing unprocessed, unfermented tea leaves. It contains tea catechins, which are strong antibacterial and antiviral agents which make them effective for treating various types of flu. It is also known to inhibit the spread of many diseases.

When using PURE GREEN TEA, also add few droplets of both PURE LEMONGRASS (*Cymbopogon Citratus*) “Essential Oil” and PURE LEMONGRASS (*Cymbopogon Winterianus*) “Essential Oil”, which is also designated as “Java Citronella”, both of which you can buy in grocery.

For this “ALL IN ONE” therapeutic tisane that we have described in this excerpt of conversation with the Archangel RAPHAEL, with the following ingredients:

- LEMONGRASS (leaves of *Cymbopogon Citratus*)
 - + Little lemon juice + Honey + Hot water
- + PURE LEMONGRASS (*Cymbopogon Citratus*) “Essential Oil”
- + PURE LEMONGRASS (*Cymbopogon Winterianus*) “Essential Oil”
- + PURE OREGANO (*Origanum compactum*) “Essential Oil”
- + PURE THYME (*Thymus vulgaris*) “Essential Oil”
- + GINGER (*Zingiber Officinale*) “Essential Oil”
- + EUCALYPTUS (*Eucalyptus Globulus*) “Essential Oil”
- + PEPPERMINT (*Mentha × piperita*) “Essential Oil”
- + ROSEMARY (*Rosmarinus Officinalis*, *Camphoriferum*)

All the minerals — Calcium, Copper, Iron, Magnesium, Manganese, Selenium, Zinc —, the vitamins — Choline, Niacin, Pantothenic acid, Pyridoxine, Riboflavin, Thiamin, Vitamin A, Vitamin B6, Vitamin C, Vitamin E, Vitamin K —, and the electrolytes — Sodium, Potassium, Phosphorus — listed for this “ALL IN ONE” therapeutic tisane are available in proper amounts for continuous daily consumption, for continuously cleansing and restoring the cells (including blood cells!), tissues, and organs of the physical body, for continuously eliminating all pathogens from the physical body; for continuously strengthening the efficiency of the immune system by continuously cleaning the microenvironment both inside and outside of the cells of your physical body and supplying those cells continuously. These vitamins and essential minerals are required for optimum catalytic activity of the major antioxidants, which are glutathione, superoxide dismutase, and catalase, and which we have described in the chapter concerning the seventh decree of the implementation of the “Second Phase” of “THE HOLY PROJECT”. As we have indicated, and we emphasize on this point one more time, at the cellular level, the combination of antimicrobial, antiviral, antifungal and antioxydant properties of the compounds of this “ALL IN ONE” therapeutic tisane

cleanse the microenvironment outside the cell including the cell surface membrane in a first step, clearing out the blockades at the cell-surface receptor, which are caused by external pathogen agents, and allowing the cell membrane to function as it was designed and established by “THE DIVINE ARCHITECT AND PROJECT MASTER” and implemented by “THE DIVINE FORCE”. The completion of this first step allows to open ALL the appropriate cell-surface receptors — ion channel-coupled receptors, G-protein-coupled receptors, and enzyme-coupled receptors — and as such, allowing the transfer of forces of “COMBAT” transported by the essential inorganic materials — among others sodium, potassium, calcium, magnesium, iron, copper, zinc, bicarbonate, phosphate, and iodide — contained in this tisane; thus facilitating the cell survival and “COMBAT” — the process of “HEALING” in order to annihilate any cause of cell malfunction —; and thus facilitating the cleansing of the microenvironment inside the cell through “specific processes” that were designed and established by “THE DIVINE ARCHITECT AND PROJECT MASTER” and implemented by “THE DIVINE FORCE” directly inside the cell. This opens the way for the treatment of most diseases affecting the physical body; hence all the numerous wonderful healing and health properties benefiting this “ALL IN ONE” therapeutic tisane. To avoid, to prevent, and to cure diseases, do this: CONTINUOUSLY CLEANSE THE CELLS OF YOUR PHYSICAL BODY! YOUR IMMUNE SYSTEM IS VERY POWERFUL AND IT WILL HANDLE THE REST.

Carefully also read the description on THE ULTRAFILTRATE PLASMA ISOPATHIC THERAPY, which we have given in the section concerning the excretory system of the “Subjective ‘EARTHLY’ Garment” — in the chapter concerning the seventh decree of the implementation of the “Second Phase” of “THE HOLY PROJECT” — and its product, which is designated as “urine”, a complex ultrafiltrate biofluid and a tailor-made internal “medicinal substance” — a tailor-made internal preparation in a specified formulation for the treatment or prevention of disease — produced by the “Subjective ‘EARTHLY’ Garment” itself and to best support its own health. You have in you the medicine to best support the health of the “Subjective ‘EARTHLY’ Garment” that you wear.

When the “Subjective ‘EARTHLY’ Garment” is sufficiently powered (spiritually) by the “‘SPIRIT←LIGHT’ Body” that wears it, with “‘EARTHLY’ specific supply of subsistence” through the transfer of forces, that is to say, the exchange of communication (reception and transmission of instructions, specific signals), between the “Subjective ‘EARTHLY’ Garment” and the “Specific Energy ‘SPIRIT’ Substance” of the “‘SPIRIT←LIGHT’ Body”, then the solution to all (chronic)

metabolic “DISEASE” that may affect that “Subjective ‘EARTHLY’ Garment” is found in:

- Factors related to appropriate life style; living in a sane environment.
- The continuous cleansing of the microenvironment both inside and outside of the cells of the “Subjective ‘EARTHLY’ Garment”; keeping the “Subjective ‘EARTHLY’ Garment” in “PURITY”.
- The provision of appropriate nutrition (vitamins, essential minerals, organic acids and salts, etc...), increased levels of appropriate enzymes for the metabolism of their compounds.
- Appropriate physical exercise to oxygenate the “Subjective ‘EARTHLY’ Garment” and improve the blood flow. As you would have understood already: ***“The running water will not rot! Things that remain in motion do not stagnate.”***

If you, reading these writings had the slightest idea about “THE SCIENCE” that is found inside you and about “THE DIVINE FORCE” who implemented it, or could consciously talk to HER, then you would quickly understand who you are.

EXCERPT FROM THE CONVERSATION OF JULY 02,
2005: ARISTIDE, MARGRIET, CHRIST, THE
ARCHANGEL MICHAEL

CHRIST:

Peace be with you sister Margriet! Peace be with you brother Aristide! Do you have any questions for me?

Aristide:

Peace be with you LJ! Yes! Yesterday we talked about the pharmacy with RAPHAEL. In the end, he did let us know that there are people who live in "THE DEPTHS OF THE WATERS" and in the very inside of the Earth.

If I consider the three elements are: air, water, and land, can you tell me about the existence of the creatures who live inside these elements and how they arrived there?

CHRIST:

In the Heavens.

There is only one Heaven, divided into seven levels. In each of these levels are respectively, the responsibilities are to: THE ETERNAL father; Me; MICHAEL; GABRIEL; RAPHAEL; The Saints; The Chosen Ones (for example, MOSES, ELIJAH, and all those who made the will of THE ETERNAL).

To go from one level to another, you need permission. For example, to go from the level of the Chosen Ones to THE ETERNAL FATHER, you need to go through the level which follows the level of the

Chosen Ones, that is the level of the Saints, through the archangels, who in turn pass through me, and I send all messages to THE FATHER CREATOR.¹⁴⁰⁹

Creatures in the heavens live in the love of THE ETERNAL GOD and of the neighbour, and in prayer.¹⁴¹⁰ We always live in the light and we are living only by prayer and “fruits”.

¹⁴⁰⁹ This subdivision which appeared into existence in the attribute “NON DIVINE”, is one of the works of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” and “FATALITY” in which the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have plunged “THE HOLY PROJECT”, because they wanted to keep the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” in his poverty, in his nakedness, and away from “THE KNOWLEDGE OF THE DIVINE”.

Read more in the extended annotations at the end of this conversation.

¹⁴¹⁰ That is part of the deceptive narrative that has been spreaded in the “Plane Above” and which is told to human creatures, who are sleeping on the bed of ignorance. If “...Creatures in the heavens live in the love of THE ETERNAL GOD and of the neighbour...”, why then does “THE DIVINE”, IHVH, our FATHER, NOT TRUST any of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”? Why are there still disciples and admirers of AZAZEL in there in the “Plane Above” amongst those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, which have been maintained there in the “Plane Above”?

As we have indicated in one previous chapter, consider the picture in which creatures on the one side, in their own place of residence, often go and stand in front of a flag in which has been imprinted the image of someone they have failed to know and have never seen and they sing praise to the glory of that someone they have failed to know and have never seen, begging for food for their survival. On the other side, when these same creatures are in a far away country, outside of their own place of residence, they spit, trample, urinate, desecrate, perpetrate all types of iniquities on the reproduction of that same flag in which has been imprinted the image of that same someone they have failed to know and have never seen. How much love do such creatures have for that someone they have failed to know and have never seen and whose image is imprinted in that flag? That is a view of the situation between “THE DIVINE”, IHVH, our FATHER and all these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”. As such is how much love these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, in their obscurity, have (also nowadays) for “THE DIVINE”, IHVH, our FATHER.

When you are in front of a “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, or one of the elders of “THE HUMAN EDIFICE”, “be on your toes” and do not forget that “roses have thorns”; they do that, which has been sealed in their “nature”. Regardless of who will be in front of you, do not let any of them impress or overwhelm you in any way. **STAND IN PURITY AND TRUST ONLY “THE DIVINE FORCE” and “THE DIVINE”, IHVH, our FATHER.**

In “THE DEPTHS OF THE WATERS”.

There are some creatures that live in “THE DEPTHS OF THE WATERS”. They serve the evil that has established them when he was “cast out of Heaven”¹⁴¹¹. They can turn into all things: stones known as precious, shells, human creatures, etc...

To prevent that those creatures, which live in “THE DEPTHS OF THE WATERS” enter in your homes and settle there, you must always keep your houses Holy, singing of the HOLY SPIRIT canticles, to awaken the joy that is in you.¹⁴¹²

Archangel MICHAEL:

Peace be with you brother Aristide!

Aristide:

Peace be with you, MICHAEL!

Archangel MICHAEL:

I am the Chief of the Archangels.

¹⁴¹¹ Why would someone not “call a spade a spade”? Because the Archangel MICHAEL was standing there and following the conversation? The expression “cast out of Heaven” is meant to outsmart “THE TRUTH” and to keep human creatures in “Obscurity” a subtle way. The expression “cast out of Heaven” is a deceptive substitute, used to avoid saying that: the Archangel MICHAEL and the “ADONA’IM” have “BETRAYED” (an unprecedented MAJOR BETRAYAL against) “THE DIVINE”, IHVH, our FATHER, in that afternoon of the Third Day of the implementation of the “Second Phase” of “THE HOLY PROJECT”, and they sealed their premeditated destruction of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, by intentionally pulling AZAZEL and all the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who carry in their essence the mark of the “DEATH”, out of the destruction inside the “Specific Energy ‘CELESTIAL’ Domain” and immersing them in the first “Specific Energy ‘EARTHLY’ Habitation Domain” in which “THE DIVINE”, IHVH, our FATHER, had planned to bring the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” forth into existence.

¹⁴¹² That is to say, give to “THE DIVINE FORCE”, and only to “THE DIVINE FORCE”, the whole of “THE SEAT OF THE INTELLECT” that SHE has by Herself built and placed within you.

You ought to know that it is THE ETERNAL FATHER who establishes all prophecy, His Son also.

I fight against the enemy of day and night. I go to the other world to bring back the lost sheep.

You must also know that the world of the living is different from that of darkness and of the Heavens. In the world of the living, there are the day and the night.

The human creature has the original sin in him; He knows the distinction between the good and the bad, but most of the time he chooses evil because he has urges and wants to dominate his following.¹⁴¹³

Evil lives in the rage to take one day the place of THE FATHER CREATOR.¹⁴¹⁴

In the Heavens, we live in joy and love for THE FATHER CREATOR.¹⁴¹⁵

¹⁴¹³ How did such things come to be? What are their “root causes”? Where does this concept of “dominate his following” come from? What was the ultimate purpose of those massive seeds of parasitic “intrusive suggestions”, that he, the Archangel MICHAEL, had forced into the first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, veiling their “peripheral awareness” as well as the perceptions of the “Subjective ‘EARTHLY’ Garment”, and which have been propagated down in descent throughout “THE HUMAN EDIFICE”, from generations to generations, just because those first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” had listened to “THE DIVINE FORCE”? What you have here, coming from the Archangel MICHAEL, is a display of the mental projection (also known as “the scapegoat stratagem”) in psychological manipulation: it is the hallmark of deceivers, the art of transferring the blame on to others, in psychological manipulation.

¹⁴¹⁴ By the way, who or what is this “Evil”, which they (who live in the “Plane Above”) are all talking about? Is it the “Obscurity”, the absence of “THE KNOWLEDGE OF THE DIVINE”, inside of them, “the enemy within”, which is hiding behind the “names of grandeur” and appearances, and to which they have given life and have spreaded through the CREATION, or is it the incarnation of that “Obscurity” and which is represented in the ex-public figure of the closed circle of the “ADONA’IM”, who, in their wordings, was “casted out of Heaven” and that is to say AZAZEL and his gang?

(...)

One should not live in the past.

Aristide:

Thank you for this teaching; Be blessed, and blessed be THE ETERNAL FATHER!

¹⁴¹⁵ Idem as in a previous annotation. That is part of the deceptive narrative that has been spreaded in the “Plane Above” and which is told to human creatures, who are sleeping on the bed of ignorance. If “...*Creatures in the heavens live in the love of THE ETERNAL GOD and of the neighbour...*”, why then does “THE DIVINE”, IHVH, our FATHER, NOT TRUST any of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”? Why are there still disciples and admirers of AZAZEL in there in the “Plane Above” amongst those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, which have been maintained there in the “Plane Above”?

The deeds of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” towards their neighbour, even nowadays, say otherwise: for these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, “*love for THE FATHER CREATOR*” is just an appearance, used as a blanket and, behind which they hid their “MALICE” and their true “nature”.

For creatures that are prone to the Governing Law of the Behavior, the manifestation of “The Walk within the Acronym IHVH”, and which have set themselves to stand and are holding their ground in “DISGRACE”, “IMPURITIES” and “LIES” as their “doctrinal truth” — their norm, their principle of righteousness, of wisdom considered ideal in the order of their thoughts or actions that they will undertake to realize —, what kind of “*love for THE FATHER CREATOR*”, who is “GRACE”, who is “ABSOLUTE PURITY”, and who is “TRUTH”, would they have in them? If the epithet functions get corrupted and loose their meaning, what kind of phrases would someone write using those epithets? That, is the kind of “*love for THE FATHER CREATOR*” that they have in them.

EXTENDED ANNOTATIONS

“...To go from one level to another, you need permission. For example, to go from the level of the Chosen Ones to THE ETERNAL FATHER, you need to go through the level which follows the level of the Chosen Ones, that is the level of the Saints, through the archangels, who in turn pass through me, and I send all messages to THE FATHER CREATOR. ...”

This subdivision which appeared into existence in the attribute “NON DIVINE”, is one of the works of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” and “FATALITY” in which the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have plunged “THE HOLY PROJECT”, because they wanted to keep the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” in his poverty, in his nakedness, and away from “THE KNOWLEDGE OF THE DIVINE”.

These seven divisions of the “Plane Above”, is a reflection of how the “ADONA’IM” viewed the existence and their roles in it, in their absence of “THE KNOWLEDGE OF THE DIVINE”. When those seven divisions are considered as one object, and by discerning that object spiritually at closer view, it has the fingerprint of the two-faces illusion that the Archangel MICHAEL had originally chosen when he wanted to represent and produce that, which, to him, was supposed to be the “LIGHT” of the “‘LIGHT’ Divine State”, which is the child of the attribute “GOD”; that imperfect representation that “THE DIVINE FORCE” had rejected. It also has the fingerprint behind of the seven heads “Character” that AZAZEL chose when they were assigned the task to choose their own “Character”. It does not reflect any product emerging from “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” in “THE DIVINE”.

Note that these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have not taken “THE DIVINE FORCE” into in their classification. Right below “THE DIVINE”, IHVH, our FATHER and CHRIST, whom these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have placed at the top of their seven divisions of the “Plane Above”, you have the “CHEATERS” and “MURDERERS” who have self-declared themselves to be the “most intelligent children” of IHVH, from which “THE DIVINE”, IHVH, our FATHER, has forever removed His “CONFIDENCE”, and who, as product of the mould designated as the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” model, do not have any element of “THE ‘LIGHT’ REASON” in them, but they have elevated themselves above the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” who possesses elements of “THE ‘LIGHT’ REASON” and through

which the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” can receive its “‘SPIRIT’ specific supply of subsistence” after emission of “THE PRAISE” — “specific signals” requesting the sending of external supply of subsistence in order to remain into existence in the “‘SPIRIT’ Specific State” — to the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”. Below these “CHEATERS” and “MURDERERS”, you have the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” as well as the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creatures” who possess elements of “THE ‘LIGHT’ REASON” and who, not knowing who they are themselves, have “toed the line” set by those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”. Here on Earth in the “Plane Below”, you have the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” “sleeping in the dust” in their misery, not knowing that something is expected from them out of the seed of the plant of “THE KNOWLEDGE OF THE DIVINE” that “THE DIVINE FORCE” had planted inside them. Locked underground in the depths of the “WATERS” of this Earth, you have the others “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, “CHEATERS” and “MURDERERS”, who will soon be erased from existence. Outside of this Earth, but remaining in the “Plane Below”, you have those unfortunate “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” who have already gone through the “FIRST DEATH” (that of their “Subjective ‘EARTHLY’ Garment”). Their “‘SPIRIT←LIGHT’ Bodies” are locked-up and classified according to their degree of “IMPURITY” in all its forms, which became part of their “nature” when they were still living here on Earth and did not care about their purpose into existence. Most of them will be erased from existence through the “SECOND DEATH”, “THE VERITABLE DEATH”.

A view of the existence, as it arises from “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” in “THE DIVINE”, and which “THE DIVINE”, IHVH, our FATHER, had showed in a vision sent to the elder ENOCH, of whom METHUSELAH is the descendant, when he was still living on Earth, down here, can be found in the section concerning the details of the annotation — Annotation on mountains crowned of odoriferous trees. Once the first “Specific Energy ‘EARTHLY’ Habitation Domain” will be restored into the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”, the current seven divisions of the “Plane Above” will be dismantled. The “CHEATERS” and “MURDERERS” that are living in the “Plane Above” will face the consequences of the destruction that they have unleashed in the implementation of “THE HOLY PROJECT”.¹⁴¹⁶ It is only then, when “THE

¹⁴¹⁶ They have already understood these things and what is awaiting them, that is why they drew quickly near to “he who wrote the book” and ask him to pray FATHER for them. Who

CREATION” will be cleared of the system of imposture and deception that those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” living in the “Plane Above” have instituted, that “THE HOLY PROJECT” will resume its course, with those creatures who will remain, in “PURITY” with the planned work that was put on hold and, as it was established since eternity, with the view of the existence, as it arises from “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” in “THE DIVINE”.

Remember the application of the concept of “EXTENSION” of “THE DIVINE”, IHVH, our FATHER, to the attribute “NON DIVINE”, through “THE SEAT OF WISDOM”, the abode of the manifestation of the “HOLINESS” of “THE DIVINE”, IHVH, our FATHER. Such “EXTENSION” will hold as long as “THE SEAT OF WISDOM” is in “PURITY”; for, “THE DIVINE”, IHVH, our FATHER is “ABSOLUTE PURITY”. As we have already said, it is for the purpose to lead “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” to understand such things that the human Mirza Husayn, under the inspiration of “THE DIVINE FORCE”, said:

“... ”

Ô son of dust!

All that is on Earth, I dedicated it to you, except my home inside yourself and of which I made the seat of my beauty and of my glory.

However, you gave my dwelling place and my home to someone other than Me.

And whenever “the manifestation of my holiness” sought her own house, she found a stranger there in; then, deprived of dwelling place, she has hastened to return to Me.

Nevertheless, I hid your secret and did not want your shame.

“... ”

Any “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” who would have restored his “‘SPIRIT←LIGHT’ Body” in the unity and in “HARMONY” with “THE DIVINE”, IHVH, our FATHER, will also be directly in contact with “THE DIVINE”. Because it is through “The ALTAR of ‘THE DIVINE’”, the abode of the manifestation of the “HOLINESS” of “THE DIVINE”, IHVH, our FATHER, which is located inside such a “‘SPIRIT←LIGHT’ Body” restored in the unity and in “HARMONY” with

will pray for me? Who will pray for those humans who are “sleeping in the dust” on the bed of ignorance?

“THE DIVINE”, IHVH, our FATHER, that the considered the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” will communicate directly with “THE DIVINE”. As the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have not been endowed with that particularity, they decided to destroy the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

Therefore, as long as the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” will remain in poverty, not knowing his REAL FATHER, not knowing about the abode of the manifestation of the “HOLINESS” of “THE DIVINE”, IHVH, our FATHER, which is located inside the “‘SPIRIT←LIGHT’ Body”, then, the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” will get to look for “THE DIVINE” in places where HE is not, and that subdivision, those seven divisions of the “Plane Above”, will also remain and continue to draw its strength from the absence of “THE KNOWLEDGE OF THE DIVINE”, until the appointed date, when every edifice, which was built using as its foundations, the deception and the “full-fledged lowest blow” which were struck against “ADAM”, will crumble and be considered as worthless.

Take example with the content of this “BOOK OF FORMATION”. Such content will never come to light if the one through whom “THE DIVINE”, IHVH, our FATHER appointed to fulfil the task to unseal the “BOOK”, which was announced to you through Daniel (Daniel 12, Scriptures), had gone through that subdivision, asking for permission here and there in order to get to the bottom of things; because that path is paved with “LIES” and “DECEPTIONS”, that were set in place by the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who wanted to maintain themselves atop of the perch of their “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, to conceal their iniquities and keep humanity in poverty.

If you want to know anything about “THE DIVINE”, IHVH, our FATHER, then, all you need to do is this: “STAND IN THE PURITY” and speak to “THE DIVINE FORCE”; SHE is alongside you and SHE has always been alongside you since your creation into existence.

“...They serve the evil that has established them when he was “cast out of Heaven”...”

Why would someone not “call a spade a spade”? Because the Archangel MICHAEL was standing there and following the conversation? The expression “cast out of Heaven” is meant to outsmart “THE TRUTH” and to keep human creatures in “Obscurity” a subtle way. The expression “cast out of Heaven” is a deceptive

substitute, used to avoid saying that: the Archangel MICHAEL and the “ADONA’IM” have “BETRAYED” (an unprecedented MAJOR BETRAYAL against) “THE DIVINE”, IHVH, our FATHER, in that afternoon of the Third Day of the implementation of the “Second Phase” of “THE HOLY PROJECT”, and they sealed their premeditated destruction of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, by intentionally pulling AZAZEL and all the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who carry in their essence the mark of the “DEATH”, out of the destruction inside the “Specific Energy ‘CELESTIAL’ Domain” and immersing them in the first “Specific Energy ‘EARTHLY’ Habitation Domain” in which “THE DIVINE”, IHVH, our FATHER, had planned to bring the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” forth into existence.

As we have explained already, the most clever amongst the “ADONA’IM” at the early days of the creation of this first “Specific Energy ‘EARTHLY’ Habitation Domain”, have rolled their own “BETRAYAL” perpetrated against “THE DIVINE”, IHVH, our FATHER, from which they have pulled out of the destruction by the flow of the pure “Specific Atomic ‘SPIRIT’ Substances” coming out of “THE SHEKINAH”, and which flooded the “Specific Energy ‘CELESTIAL’ Domain”, in the afternoon of the Third Day of the implementation of the “Second Phase” of “THE HOLY PROJECT”, AZAZEL and all the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who carry in their essence the mark of the “DEATH”, they have immersed them — setting them free — in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, and they have turned that “BETRAYAL” into a “*cast out of Heaven*”: a deceit produced by “THE SEAT OF THE INTELLECT” worthy of the best conjurers! And human creatures will record it as “*cast out of Heaven*” in the records of their history, not knowing the details of what was behind that “*cast out of Heaven*”.

By using the expression “cast out of Heaven”, “THE TRUTH” is sent out of focus: the weight, the gravity of the “BETRAYAL” perpetrated by the Archangel MICHAEL and the “ADONA’IM” against “THE DIVINE”, IHVH, our FATHER, and by which they have sealed the destruction of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, is removed from the perception and is dissipated. Afterwards, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” will focus their attention to keep that “Obscurity” in place and point the finger on what will remain of the destroyed “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”. It is with such deceptive expressions that humanity will be brainwashed, reprogrammed and locked in “Obscurity” by these treacherous “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”. All these things were revealed already in that vision concerning the

“blinded seventy shepherds” and which “THE DIVINE”, IHVH, our FATHER, had sent to the elder ENOCH, when he was still living here on Earth.

What is even more puzzling is that all the elders of “THE HUMAN EDIFICE”, who have ascended in the “Plane Above”, have “toed the line” behind such deceptions in the use of words, expressions, and their mental representations, and they have knowingly or unknowingly turned themselves into accomplices of these treacherous “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”.

Why would someone not “call a spade a spade”? Because it is part of the escape route that these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have planned, in order to avoid their accountability of the disaster in which they have plunged the implementation of this “Second Phase” of “THE HOLY PROJECT”.

The elders of “THE HUMAN EDIFICE” seem to not have “seen” the end game of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, the wicked “checkmate” situation that these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have prepared against “THE DIVINE”, IHVH, our FATHER. It is the situation in which they intended to place all the human creatures, the refugees of the ongoing “CELESTIAL WAR”, who will ascend into the “Plane Above” and who will remain into existence in this attribute “NON DIVINE”, once the fallen “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” will be erased from existence at the closure of this “Second Phase” of “THE HOLY PROJECT”, to condone and accept the views and iniquities of those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” that “THE DIVINE”, IHVH, our FATHER, has maintained in the “Specific Energy ‘CELESTIAL’ Domain”. For, they have afterwards understood something about the resolutions that “THE DIVINE”, IHVH, our FATHER, had told to the elder ENOCH in that vision concerning the “blinded seventy shepherds”: *“...Of all the destruction brought about by each of the [seventy] shepherds THERE WILL BE ACCOUNTABILITY; and according to the number I will cause a recital to be made before me ...”*. And, they have said to themselves, *“...if we can get everyone of those humans to condone and accept our views and iniquities, then IHVH will spare us...”*, in much the same line of reasoning that they have used to feed “ADAM” with obscurity, when they have said to him: *“... He [AZAZEL] feels that if he can get you, you who is IHVH most precious creature, to also transgress, then, IHVH will spare all who have sinned, in order to save you as well. ...”*. Those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” that “THE DIVINE”, IHVH, our FATHER, has maintained in the “Specific Energy ‘CELESTIAL’ Domain”, do not seem to understand that “THE HOLY PROJECT” will not resume its course with the presence of “DISGRACE”, “IMPURITIES” and “LIES”, which they are

hiding in themselves (at least they think that they are hiding that, which has been sealed in their “nature”).

“... The human creature has the original sin in him; He knows the distinction between the good and the bad, but most of the time he chooses evil because he has urges and wants to dominate his following. ...”

How did such things came to be? What are their “root causes”? Where does this concept of “dominate his following” come from? What was that all about, the infamous “...I cannot explain it too directly to you at this time, for the Host will not be able to fully understand it until they see Sin demonstrated...”¹⁴¹⁷? What was the ultimate purpose of those massive seeds of parasitic “intrusive suggestions”, that he, the Archangel MICHAEL, had forced into the first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, veiling their “peripheral awareness” as well as the perceptions of the “Subjective ‘EARTHLY’ Garment”, and which have been propagated down in descent throughout “THE HUMAN EDIFICE”, from generations to generations, just because those first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” had listened to “THE DIVINE FORCE”? What was that all about, the “...You have truly become like one of us, in a sense. You know the difference for yourselves between good and evil, between faith and rebellion...”, which, back then, he had said to “ADAM” and “THE FEMALE”? By blocking and diverting the psychic of “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” and all their descendants away from clear awareness of the knowledge of the work of “THE DIVINE FORCE”, with the “...You must leave the garden, it is the only way. We must also keep you away from the Tree of Life ...”, what was the intention behind that? Maybe he, the Archangel MICHAEL, has simply lost the memory of all the crimes, which he perpetrated against the first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” and has kept believing his own “LIES”? Do you not understand, you “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, that the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, which was called “WATERS”, acts as a mirror, and that everything you see in this “Specific Energy ‘EARTHLY’ Substance”, is only the reflection, on this mirror, of what you hide in the deepest of you?

¹⁴¹⁷ Read more in the section concerning the details of annotations — Annotation on the conversation between the Archangel MICHAEL and the Archangel ZA’AFIEL, extracted from the archives on the unfolding of the open conflict in the “Specific Energy ‘CELESTIAL’ Domain”.

What you have here, coming from the Archangel MICHAEL, is a display of the mental projection (also known as “the scapegoat stratagem”) in psychological manipulation: it is the hallmark of deceivers¹⁴¹⁸, the art of transferring the blame on to others, in psychological manipulation. In the “the scapegoat stratagem”, the deceiver attributes to others what is internal to him. When a deceiver projects what is consciously true of his self and when the projection “fits”, then, the person who is the object of projection may feel deeply understood. As you would know already, projection frequently functions as a defensive operation of the “‘SPIRITUAL’ Body” against painful internal states.

The resilience of creatures, whether it is the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, the “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creature”, the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, or the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature”, as well as their ability to manage tensions, internal conflicts, dangers perceived in themselves or in the external environment in which they live, mobilize certain types of operations produced by “THE SEAT OF THE INTELLECT” which has been endowed with the autonomous capacity of “FREE CHOICE”: the operations or defense mechanisms of the “‘SPIRITUAL’ Body”, and which are linked to that, which is referred to as the survival instinct.

The defense operations of the “‘SPIRITUAL’ Body” constitute the set of operations produced by “THE SEAT OF THE INTELLECT”, and whose purpose is to reduce or eliminate any modification or conflict in “THE SEAT OF THE INTELLECT” which is likely to endanger the integrity and constancy of the “‘SPIRITUAL’ Body” — that is to say, the “‘SPIRIT←SPIRIT’ Body” for the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” as well as for the “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creature”, the “‘SPIRIT←LIGHT’ Body” for the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, and the “‘LIGHT←LIGHT’ Body” for the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” —, depending on the resources that have been developed in “THE SEAT OF THE INTELLECT” and by “THE SEAT OF THE INTELLECT”.

These operations or defense mechanisms of the “‘SPIRITUAL’ Body”, which will thus serve to protect the integrity and constancy of the “‘SPIRITUAL’ Body”, are most often activated beyond the control of the will, when the creature concerned is unaware of their existence. The function of these operations or defense

¹⁴¹⁸ A deceiver is someone who, concealing his feelings, his true intentions, most often malevolent, is disloyal, deceitful, hypocritical, traitor; it is someone who acts slyly, treacherously; it is someone who, hidden under harmless appearances, seeks to harm his neighbor who trusts him.

mechanisms of the “‘SPIRITUAL’ Body” is twofold, since in addition to protecting the integrity of the “‘SPIRITUAL’ Body”, they facilitate the adaptation of the creature concerned to the external world, through adaptation processes or control processes. Such coping processes are voluntary operations by which “THE SEAT OF THE INTELLECT” deliberately chooses a response to an internal and/or external problem. It is these defense mechanisms of the “‘SPIRITUAL’ Body” that will contribute to the constitution of the “character traits” of creatures; whether it is the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, the “‘SPIRIT←SPIRIT’ ‘EARTHLY’ Creature”, the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, or the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature”.

There are many different defense mechanisms of the “‘SPIRITUAL’ Body” and some are more often produced by “THE SEAT OF THE INTELLECT” than others and depending on whether “THE SEAT OF THE INTELLECT” is standing in “PURITY”, in “HARMONY” with “THE DIVINE”, IHVH, our FATHER, or is standing in “IMPURITY”, in the state of “CHAOS”, contrary to the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”. When “THE SEAT OF THE INTELLECT” is standing in “PURITY”, it will function in agreement with “THE SEAT OF WISDOM” from which illumination is provided by “THE DIVINE FORCE”, and it will produce only defense mechanisms which are “HOLY”, and which will thus reflect “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”. Which is not the case when “THE SEAT OF THE INTELLECT” which is standing in “IMPURITY”, and no longer works in agreement with “THE SEAT OF WISDOM”, and in this case it will produce defense mechanisms which are “UNHOLY” and which are the opposite of “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”. Here are some of the main defense mechanisms of the “‘SPIRITUAL’ Body” produced by “THE SEAT OF THE INTELLECT” which stands in “IMPURITY” in its various forms:

1. REPRESSION, which is the withdrawal from consciousness of an unwanted idea, affect¹⁴¹⁹, or desire by pushing it down, or repressing it, into the unconscious part of “THE SEAT OF THE INTELLECT”. This is the example of cases of hysterical amnesia, in which victims have performed or witnessed disturbing and reprehensible acts, and subsequently claim to have completely forgotten these acts themselves and the circumstances surrounding them.

¹⁴¹⁹ An elementary affective disposition (as opposed to intellect) that can be described by observing behavior, but which is difficult to analyze.

2. REACTION FORMATION, which is the psychological defense mechanism that pushes someone, faced with an emotional state that is difficult to bear, to adopt a behavior opposite to that which is natural to him. This does not make the initial feeling disappear, it persists and feeds the need to hold this exaggerated conduct. For example, someone who hates his neighbour, and having qualified that neighbour to be a "MISTAKE OF THE CREATION" for whatever motive, will adopt a particularly friendly attitude and which obscures, alters the judgment of the real feelings that he has towards that neighbour whom he is about to stab in the back. Do you remember the: "...All the "CELESTIAL HOST" also rejoices with your pleasure, "ADAM"..."? Another example is that of the alcoholic who proclaims the virtues of sobriety.
3. PROJECTION (ALSO KNOWN AS "THE SCAPEGOAT STRATAGEM"), which we have described already and which is a form of defense in which unwanted feelings and/or deeds are displaced onto someone else, where they then appear as a threat from the external world. The projection attributes falsely their own unacceptable and unpleasant feelings, thoughts or deeds to someone else. A common form of projection occurs when someone, threatened by his own angry feelings, or evil deeds, accuses his following of harbouring hostile thoughts or of being responsible for those evil deeds. As an example, someone who has flushed "PURE, TRUTHFUL, AND AUTHENTIC LOVE OF 'THE DIVINE'" down the toilet, has "BETRAYED" to the highest degree possible "THE CONFIDENCE" of "THE DIVINE", IHVH, our FATHER, has transferred the consequences of his own "SINS" (ORIGINAL SINS, which he perpetrated against "THE DIVINE", IHVH, our FATHER) onto his neighbour, the "'SPIRIT←LIGHT' 'EARTHLY' Creature", and placed the heavy burden of those consequences on the shoulders of his neighbour, by transforming his own irresponsibility and making it appear as the responsibility of his neighbour, has subsequently "ASSASSINATED" his neighbour (through a delayed "DEATH" using that, which is similar to the "DEATH TOUCH", or "DEATH-POINT STRIKING", or "DEATH ART", or "DIM MAK"), and point the finger at his neighbour, the "'SPIRIT←LIGHT' 'EARTHLY' Creature", and who afterwards shamelessly says: **"... The human creature has the original sin in him; He knows the distinction between the good and the bad, but most of the time he chooses evil because he has urges and wants to dominate his following.**

...”. Read also the seventh parable about the realization of the “Second Phase” of “THE HOLY PROJECT”.

4. REGRESSION, which is a return to earlier stages of development and abandoned forms of gratification belonging to them, prompted by dangers or conflicts arising at one of the later stages. Regression causes a person to adopt previous behaviors. Most often, these earlier behaviors stem from a period of carelessness, one of the later stages, during which the person’s needs were all met. As an example, someone saying “...*In the Heavens, we live in joy and love for THE FATHER CREATOR...*”, while standing in “IMPURITIES” in all its forms, their behaviour and actions towards their neighbour tell a different story.
5. SUBLIMATION, which is the defense mechanism adapted to correct conduct, and which ends up taking on its full value through adaptation to reality. More concretely, sublimation will allow the subject concerned to put his character traits at the service of society.
6. DENIAL, which is the active and unconscious exclusion of certain information from external reality or subjective experience that would be obvious to others, out of focal attention. Denial disfigures and works with an ax chopping against the sense of reality when an undesirable change occurs, such as when the “floor has vanished underneath someone’s feet”. This defense mechanism is also one of the best known. The phrase “he is in denial” is generally understood to mean that a person avoids reality despite what may be obvious to those around him. Remember what the ex-public figure of the “ADONA’IM” closed circle, had spoken openly and aloud, what all the others “ADONA’IM” hid in them and have been quietly thinking, saying:

“...Shall I tell you what I know? These “humans” that He proposes to create — we are to be their servants! I have learned the Elohim’s purpose for these angels of water and dirt. It is they, and not we, He proposes to make the heirs of all that is. I for one will never bow to serve a physical being!...”

All those “ADONA’IM”, including the Archangel MICHAEL, were in denial of the reality, when they understood that they are the ones who should bow down in front of you, human creature, as they did on that first “Sunday”, all around the first “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” that was designated as “ADAM”, the day right after his

creation, and send their prayers through you to “THE DIVINE”, IHVH, our FATHER.

7. RATIONALIZATION, which is the substitution of a safe and reasonable explanation for the genuine (but threatening) cause of behaviour, with seemingly logical reasons or explanations. Rationalization conceals the real motivations of one’s own thoughts, actions, feelings, behind reassuring or complacent but erroneous explanations. It is a tendentious justification resorting to logic or morality allowing the subject to hide his true motivations which are not perceived by the conscience. Rationalization, as an unconscious and involuntary mechanism, is to be distinguished from deliberate falsification used to deceive, manipulate and attempt to conceal from others its true intentions of which the subject is fully aware.

As such, through the “the scapegoat stratagem”, the Archangel MICHAEL was also unconsciously revealing why he has “ASSASSINATED” the first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”: to dominate his following, the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”. As we have explained already, by belittling you, “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” who are reading these writings, with all kind of dirt, and keeping you in “Obscurity”, they do not want you to fulfil the purpose for which you were created into existence; namely, to:

“CARRY THE PRESENCE OF ‘THE SHEKINAH’ — THE PURE LIGHT OF ‘THE ALTAR OF THE DIVINE’ WHICH IS INSIDE ‘THE SHEKINAH’, AND WHICH IS SOURCE OF LIFE PURE AND HOLY — IN VERY REMOTE PLACES FROM ‘THE SHEKINAH’”.

These conversations with these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, as well as the chronicles of their own conflicts, provide you with invaluable information for case study to understand the behaviour of “THE SEAT OF THE INTELLECT” of these treacherous “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, and through which you are called to discern the “nature” that has been sealed in them and “see” their “LIES” and deceptions, which they have propagated into “THE HUMAN EDIFICE”. Indeed, as “THE DIVINE”, IHVH, our FATHER, told to the elder ENOCH in that vision concerning the “blinded seventy shepherds”:

“...

...

Of all the destruction brought about by each of the [seventy] shepherds there will be accountability; and according to the number I will cause a recital to be made before me, how many they have destroyed of their own volition, and how many they have delivered up to destruction, that I may have this testimony against them; that I may know all their proceedings; and that, delivering the sheeps to them, I may see what they will do; whether they will act as I have commanded them, or not.

Of this, however, they shall be ignorant; neither shall you make any explanation to them, neither shall you reprove them; but there shall be an accountability of all the destruction done by them in their respective seasons.

...”

At the time of these conversations, like any human creature that is sleeping on the bed of ignorance, in the absence of any knowledge concerning the events that took place in the “Specific Energy ‘CELESTIAL’ Domain”, I was fed with obscurity, such as “... *The human creature has the original sin in him; He knows the distinction between the good and the bad, but most of the time he chooses evil because he has urges and wants to dominate his following. ...*”, by these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”. As we have already explained, these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have set as their “doctrinal truth” — their norm, their principle of righteousness, of wisdom considered ideal in the order of their thoughts or actions that they will undertake to realize —, the “BETRAYAL” that they have perpetrated against “THE DIVINE”, IHVH, our FATHER, and the deceit and prejudice, which they perpetrated against the first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”. As such, they have set themselves to stand and hold their ground in their own “DISGRACE”, “IMPURITIES” and “LIES”. And everyone who joins their ranks, also accept those “IMPURITIES” and “LIES” in himself; they do not fall short of arguments to bring those newcomers to embrace those “IMPURITIES” and “LIES”. That deceit and prejudice, which he, the Archangel MICHAEL, and all others archangels as accomplices, have perpetrated against these first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, is what they have “transformed”, using treacheries worthy of the best conjurers, into the so-called “original sin” in the human creature. They have set in place a system of imposture and deception, through which they conceal their own iniquities and keep humanity in poverty.

This is how, through the ages, these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have kept feeding human creatures with obscurity, transforming their own irresponsibilities and destruction of the human creature, and making it the responsibility of human creatures. Every human creature, on which “THE KNOWLEDGE OF THE DIVINE” was projected to be manifested, was fed with such obscurity in the first place, just like these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have done with me. Afterwards, the human creatures are presented the two cutting edges “bitter bond”, using those same arguments, almost to the word, as they have done on “ADAM”, and they deploy all such efforts for only one purpose: to prevent that “THE KNOWLEDGE OF THE DIVINE” carried by that human creature, reaches mankind.

It is only after these conversations with the archangels, when I rejected their two cutting edges “bitter bond”, “*PROMISE ME THIS...*, *PROMISE ME THAT...*”, and decided to walk only with “THE DIVINE FORCE” and “THE DIVINE”, IHVH, our FATHER, and no one else, that “THE DIVINE FORCE” awakened me to the knowledge of the ins and outs of “THE HOLY PROJECT”, and of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” in its details, and of which none of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” has knowledge, and SHE showed me what truly happened in the “Specific Energy ‘CELESTIAL’ Domain” and all the misdeeds of these archangels, with the Archangel MICHAEL at their helm; their betrayals and iniquities, and the so-called “original sin”, which they framed on the human creature. We have detailed all that in the chapters of these writings. Thanks to “THE DIVINE FORCE” for HER protection against all these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” on both sides of the ongoing “CELESTIAL WAR”, “THE KNOWLEDGE OF THE DIVINE” in these writings came through to fruition and has reached you. It is now up to you to take the “COMBAT” steps forward, and work to restore your “PLENITUDE”. Remember that you are prone to the Governing Law of the Behavior, the manifestation of “The Walk within the Acronym IHVH”, and for this, to “fight” means for you: “STAND IN THE PURITY” AND HOLD YOUR GROUND IN “PURITY”.

“...Evil lives in the rage to take one day the place of THE FATHER CREATOR...”

By the way, who or what is this “Evil”, which they (who live in the “Plane Above”) are all talking about? Is it the “Obscurity”, the absence of “THE KNOWLEDGE OF THE DIVINE”, inside of them, “the enemy within”, which is hiding behind the “names of grandeur” and appearances, and to which they have given life and have spread through the CREATION, or is it the incarnation of that “Obscurity” and

which is represented in the ex-public figure of the closed circle of the “ADONA’IM”, who, in their wordings, was “casted out of Heaven” and that is to say AZAZEL and his gang?

You can proceed on the assumption that, by “Evil”, here, the Archangel MICHAEL is making reference to AZAZEL. What about the “...*In that place [this first ‘Specific Energy ‘EARTHLY’ Habitation Domain’], Azazel will be able to avoid maveet for a time, and to finally come to a full understanding of his mistake. He... and those who choose to go with him...*”? (Read more in the section concerning the details of annotations — Annotation on the conversation between the Archangel MICHAEL and the Archangel ZA’AFIEL, extracted from the archives on the unfolding of the open conflict in the “Specific Energy ‘CELESTIAL’ Domain”.) Has he [AZAZEL] finally come to a full understanding of his mistake, to the point that he “*lives in the rage to take one day the place of THE FATHER CREATOR*”?

You can also proceed on the assumption that, by “Evil”, here, the Archangel MICHAEL is speaking about that, which is hidden inside himself, “the enemy within”, since he had already declared himself to be a “god”.

Do you now grasp in what type of “mess” these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have trapped humanity? It is what we have explained in the sixth parable about the realization of the “Second Phase” of “THE HOLY PROJECT”.

Until this day when this “BOOK OF FORMATION” is written into existence, no creature born into existence in the attribute “NON DIVINE” is aware that he/she is into this existence thanks to proportionality factors of and cannot get out of this attribute “NON DIVINE”, except to be dismantled and erased from existence in this attribute “NON DIVINE”. They do not understand that, in front of “THE DIVINE”, IHVH, our FATHER, they, and all creatures, are (similar to) cartoons, animated drawings, drawn by “THE HAND OF THE DIVINE”, in an energy substance, and to which have been given the possibility to think independently and to act independently.

CHAPTER 245

EXCERPT FROM THE CONVERSATION OF JULY 03,
2005: ARISTIDE, MARGRIET, CHRIST

CHRIST:

Peace be with you sister Margriet! Peace be with you brother Aristide!

Aristide:

Peace be with you LJ!

CHRIST:

I will tell you the story of David. He did not have the chance to see the light of THE ETERNAL.

David was chosen when he was very young because he had a pure heart, he was ready to work for the eternal god. Relatives of David did not know the eternal god, and they would not hear from the eternal god. The eternal god showed David the right path and walked with him.

The promise of the eternal god was to protect David, guide him on the path to follow and “teach him to keep the promise to the eternal god”¹⁴²⁰ to never abandon the eternal god. David also had to build a Tabernacle for the eternal god.

¹⁴²⁰ “...teach him to keep the promise to the eternal god...” As you would have understood, that expression is something which was inherited from the “ADONA’IM”, the elders of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”. The expression “...teach him to keep the promise to the eternal god...” is meant to justify the “ASSASSINATION” of the first two

Over times, David became ambitious because he always walked with human creatures. He forgot what the eternal god had done for him. He had happened to think of the promise he had made to the eternal god, but material wealth took precedence over him when he was king and directed his path.

David forgot to “LOVE” the eternal god, he forgot the prayer to the eternal god who chose him when he was still young. David did very bad things, was corrupt and knelt and prayed to those who called themselves “gods”.

He thereby betrayed the eternal god and the Temple. He had not built the house of the eternal god, but he first built his own dwelling place and the dwelling places of his own wives.

He took as spouses, wives of his close ones and continued to multiply his faults. He built statutes and temples to those who called themselves “gods”, forgetting who had loved him first.

David had many children and selected Solomon as one who was to follow him to the throne. Children of David killed each others and also wanted to kill Solomon.

When David was old, he remembered his sins, he had lost his mind and became crazy in his old age. He went to ask forgiveness to the eternal god, but it was too late, because the eternal god was no longer with him.

“‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, “ADAM” and “THE FEMALE”, and the destruction of their descendants. He who makes a promise to anyone has abdicated his ability of “FREE CHOICE”, and thereby becomes a captive of the one to whom he has given his promise. The “god” in such expression is the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” self-declared “god” above the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”; that is to say, the Archangel MICHAEL.

Remember that “THE DIVINE”, IHVH, our FATHER, is “ABSOLUTE PURITY” and HE DO NOT DO WHAT IS NOT IN HIS NATURE!

When such expression “...teach him to keep the promise to the eternal god...” is attributed to “THE DIVINE”, IHVH, our FATHER, the result is greater confusion amongst the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” who have been kept away from “THE KNOWLEDGE OF THE DIVINE”.

But for the sake of the love that the eternal god had had for David in his youth, Solomon — the son of David — was chosen to continue the work that had been entrusted to his father.

At the passing of David, his son Solomon took his place and led the people on the path to the eternal god, with respect and praising the eternal god. It is so that, the eternal god gave Wisdom to Solomon because Solomon deserved it and had asked Him.

Solomon became a great king and he had a lot of integrity. But soon, power and ambition took place in him. Solomon began to build a Tabernacle for the eternal god, and then, he built its own dwelling places.

But soon, he remembered who he was and the Tabernacle of the eternal god became a havoc and for those who called themselves “gods” it was a party place.

Solomon had built effigies for those who called themselves “gods” in the Temple and it was in that same Temple that the servants of those who called themselves “gods” to worship those so called “gods”.

The eternal god scrapped Solomon and this time the eternal god made no more promise to choose one of the sons of Solomon. Children of Solomon had not found favor in the eyes of the eternal god, they were all cursed because Solomon went astray of the eternal god.

Solomon had so many wives that no man on this Earth has ever equalled him. He was drunk day and night and cursed the eternal god.

It is so that, the eternal god scrapped Solomon and that generation ended.

Many people make bad decisions because they forget the past.

Sister Margriet, you always have to remember the beginning, at the point where you went to pray to the eternal god in that little church, how you cried, all that you received subsequently, the security.

Anger leads to bad decisions, but one must always pull oneself together and talk to THE ETERNAL FATHER. One who answers

under the effect of anger is not worthy to work for the cause of the eternal god.

Observe first before making a decision. One must always say that others have made this work before oneself. Always ask your FATHER what you desire in your heart.

Aristide:

Thank you for this teaching; Be blessed, and blessed be THE ETERNAL FATHER!

EXCERPT FROM THE CONVERSATION OF THE 25
AUGUST 2005: ARISTIDE, CHRIST, THE ARCHANGEL
MICHAEL, THE ARCHANGEL GABRIEL, AND THE
ARCHANGEL URIEL

Peace be with you MICHAEL, I have some questions for you:

- Archangel MICHAEL:**

Here is, GABRIEL!

Peace be with you, brother Aristide!

Peace be with you also GABRIEL!

How are you doing this morning? Me I am doing well and thanks to GOD.

Aristide:

I am holding my ground!

(... Conversation with the Archangel GABRIEL ...)

Thank you. I will do it.

Archangel GABRIEL:

Each Angel has his particular style and it is good because you are quickly getting to understand that, but know THE FATHER also takes the same styles;¹⁴²¹ because it is the same spirit.¹⁴²² Eventually you will master all of us if you go on like this.

Aristide:

One should know recognizing THE ETERNAL and head towards him before that HE opens his mouth to call me. I walked enough like a blind man.

¹⁴²¹ At the time of these conversations, like any human creature, I was also asleep on the bed of ignorance, having been nurtured in the diapers of absence of “THE KNOWLEDGE OF THE DIVINE”. It is only after these conversations with the archangels, when I rejected their two cutting edges “bitter bond”, “*PROMISE ME THIS...*”, “*PROMISE ME THAT...*”, and decided to walk only with “THE DIVINE FORCE” and “THE DIVINE”, IHVH, our FATHER, and no one else, that “THE DIVINE FORCE” revealed Herself to me and awakened me to the knowledge of the ins and outs of “THE HOLY PROJECT”, and showed me Her work.

Read more in the extended annotations at the end of this conversation.

¹⁴²² As we have explained already, “spirit” is the word that the elders of the creation (the archangels and angels) use, to designate things or processes that they themselves cannot visualize, cannot perceive, and cannot explain. They do not understand that, in front of “THE DIVINE”, IHVH, our FATHER, they, and all creatures, are (similar to) cartoons, animated drawings, drawn by “THE HAND OF THE DIVINE”, in an energy substance, and to which have been given the possibility to think independently and to act independently, and which have been endowed with a manifestation by metaphors of a unique disposition of “THE HOLY SPIRIT”, chosen from an infinity of unique dispositions. They thought that they were in some sense in the same league with “THE DIVINE”, IHVH, our FATHER.

Archangel GABRIEL:

You speak well, but also to know recognizing the voices because we are all talking the same way but there is also a sign, is the name given to at the beginning.

Aristide:

Yes, got it.

Archangel GABRIEL:

That, is ok.

Aristide:

Thanks for your help, when I have questions for you I will tell you. I thank THE FATHER CREATOR that He had let you come. Also passes my Greetings to CHRIST. Peace be with you.

Archangel GABRIEL:

I would not miss it, peace be with you, also passes my greetings and those of others to my friend. Blessed be the Lord.

Aristide:

MICHAEL, can you bring URIEL next time. I have read a lot about him and I would like to introduce myself also. I know that he knows me already, well long before I was born on Earth down here.

Archangel MICHAEL:

Wait a few minutes and I let him come.

Aristide:

MICHAEL, let's go back to our initial conversation.

Always over the years: how many years have elapsed between father MOSES and CHRIST and how many years have elapsed since CHRIST so far (2005?)?

Archangel MICHAEL:

About thousand years between MOSES and CHRIST. And between you and CHRIST, about 3 to 4 billion years.

Aristide:

I want to estimate roughly how many people have seen the light of THE ETERNAL, with the assumption that 5% do so every year. In the light of the current population of the Earth, how much can be saved.

Before going into battle, you should know who we are dealing with. And not waste time with trivia.

Archangel MICHAEL:

5%? I do not think so; because if the cities of Sodom and Gomorrah were destroyed because there was not 10 people who were praying THE ETERNAL whereas they were the two largest cities, I do not think so.

Aristide:

Less than 5 out of 1000 people per years?

Archangel MICHAEL:

Are you talking about those with whom I speak and communicate directly? As one should not be confused with those who also pray everywhere.

I take them by lineage, a lineage is a person, you can have 50 people for a lineage, that is the children of ABRAHAM descending from ISAAC and Ishmael and the lineage of others.

Aristide:

By lineage on the one hand and on the other hand those who without being chosen ones choose the Holy path and walk on it until the end of their mission.

Archangel MICHAEL:

Yes. This is URIEL who has arrived.

Archangel URIEL:

Peace be with you my friend!

Aristide:

Peace be with you URIEL!

Archangel URIEL:

You look tired, are you in trouble? What can I do for you?

Aristide:

No, I do not have any trouble. I am a student who is following new teachings. As I said to MICHAEL, I have been reading about you through the writings of the Scriptures and I wanted to introduce myself to you and meet you.

Archangel URIEL:

I bless THE ETERNAL for allowing me to talk to you right now

I am URIEL, servant¹⁴²³ of the GOD Creator since the creation of the Heaven. Everything you have read about me is true. I am the same and I have not changed.

Aristide:

Blessed be THE FATHER CREATOR and the Lord¹⁴²⁴ and I thank them for letting me talk with you.

With the permission of CHRIST, could also you instruct me about the creation of this world and the precepts that govern it?

¹⁴²³ We have already explained how these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” came to the designation of “SERVANT”, having lost the status of “CHILDREN” of “THE DIVINE”, IHVH, our FATHER.

¹⁴²⁴ The “Lord”, here, was in reference to CHRIST.

Archangel URIEL :

That is ok. Do you know, you know already, that the world was destroyed long ago because of the men of this world in which you live?¹⁴²⁵ And do you know the cause?

Aristide:

Yes I know from the writings of father ENOCH and I also know the cause.

Archangel URIEL:

If THE FATHER has not done it again¹⁴²⁶ so far it is because of his promise to these latters and for love of those who follow him, (...)

¹⁴²⁵ He is talking about their project of the “FLOOD”, their own works of “obscurity”, which he will also pin on “THE DIVINE”, IHVH, our FATHER. These “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” were not aware and were not given the explanation of that vision of the “blinded seventy shepherds” and which “THE DIVINE”, IHVH, our FATHER, had sent to the elder ENOCH, in those days before “THE FLOOD”, and when HE had said to the elder ENOCH: “... *Understand, and watch everything that the shepherds will do to these sheeps ...*”. And, by using the “alter ego of names”, these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have pinned the progeny of their own “IMPURITIES”, their own actions, on “THE DIVINE”, IHVH, our FATHER.

¹⁴²⁶ Here, with the “*If THE FATHER has not done it again...*”, he has pinned their project of the “FLOOD”, their own works of “obscurity”, on “THE DIVINE”, IHVH, our FATHER. These “ADONA’IM” know very well that they were the ones pulling the strings, throwing the dices, making their own decisions, through their “Council of Sages”, which they have formed around the Archangel MICHAEL, to wipe humanity out of existence with their project of the “FLOOD”. They have “*burnt the house of the Lord of the sheeps, and his tower, and overthrew that house.*” They will afterward proceed as if they have lost their memory and since they do not know about “THE SCIENCE” which is found in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, they will tell mankind, that it was “*the Lord of the sheeps*”, that is to say, “THE DIVINE”, IHVH, our FATHER, who once destroyed, “*burnt His own house and tower, and overthrew that house*”, that is to say, this first “Specific Energy ‘EARTHLY’ Habitation Domain” through the “FLOOD”.

private...), he watches over his children nights and days and we help him also.¹⁴²⁷

We are all working as much as each other, and I also wish that you¹⁴²⁸ come help us in this task if you agree. I am here if you need help, I look forward to your questions and may I also ask you?¹⁴²⁹

Aristide:

Yes of course! You can ask me.

Archangel URIEL:

Thank you very much.

*What do you think of THE FATHER CREATOR and his creations.
Do you think that we have things to change in this world?*

¹⁴²⁷ This is perversion of the reality, trying to mix “ABSOLUTE PURITY” with “IMPURITY” in all its forms. These “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” were not aware and were not given the explanation of that vision of the “blinded seventy shepherds” and which “THE DIVINE”, IHVH, our FATHER, had sent to the elder ENOCH, when he was still living here on Earth. You, “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, who are reading these writings, do not forget the content of that vision of the “blinded seventy shepherds”, which “THE DIVINE”, IHVH, our FATHER, had sent to the elder ENOCH, in those days before “THE FLOOD”, and when HE had said to the elder ENOCH: “... *Understand, and watch everything that the shepherds will do to these sheeps ...*”. And, by using the “alter ego of names”, these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have pinned the progeny of their own “IMPURITIES”, their own actions, on “THE DIVINE”, IHVH, our FATHER.

¹⁴²⁸ You, “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, who are reading these writings, this message is about you all. Restore the “TABERNACLE” of “THE DIVINE” which is in you, because there are a lot of tasks to be accomplished to help the elders of the creation get out of their own misery and save what can still be saved of this “Second Phase” of “THE HOLY PROJECT”. To be able to help them get out of their own misery, you must develop inside you, “THE KNOWLEDGE OF THE DIVINE”, while you are still living on this Earth.

Knowing that they have blossom their innate skills to the best they can be, in the proficiency and dexterity in performing the tasks which will be assigned to them, what type of help do you think that the Archangel URIEL was talking about?

Read more in the extended annotations at the end of this conversation.

¹⁴²⁹ Thus, to my previous question “*could also you instruct me about the creation of this world and the precepts that govern it?*”, I did not get any answer, but I was led by the nose to other subjects. It was only later that “THE DIVINE FORCE” gave me the answers to all my questions, without exceptions, through Her teachings.

Aristide:

Of THE FATHER CREATOR and his creations: I am speechless. My eyes open and I realize that I am an infinitely small, smaller than an Ant.

Archangel URIEL:

That is the answer of a wise, because no one should judge what THE FATHER does.¹⁴³⁰ You must know that all work is painful only for those who are weak of mind. Reason why you must be strong, patient and obey THE FATHER.

(...)

Aristide:

(... conversation with the Archangel URIEL ...)

Aristide:

OK, let's go back to our initial conversation, where were we MICHAEL? Yes! I remember. The years.

MICHAEL:-since CHRIST how many people so far have glorified THE FATHER CREATOR as he did.

Archangel MICHAEL:

More than a hundred.

¹⁴³⁰ It is with such sayings that these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” think that they will get away with the iniquities that they have committed and have pinned on “THE DIVINE”, IHVH, our FATHER. They are very subtle in planting the seeds of parasitic “intrusive suggestions” in “newcomers” to place them in a situation of ambiguity, a situation of darkness of expression and which is likely to receive several interpretations. If you swallow such “no one should judge what THE FATHER does”, then you will subsequently close your eyes and condone on all their misdeeds that they have perpetrated through the “alter ego of names” and pretending to be “gods”. You must question everything that is presented to you, until you get down to the bottom of things. Swallow nothing like aspirin tablet, especially coming from these elders of the creation! “STAND IN THE PURITY” and ask “QUESTIONS” whenever things are unclear to you.

Aristide:

¹⁴³¹ As we have indicated already, it is thanks to “THE DIVINE FORCE” with HER protection against all these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” on both sides of the ongoing “CELESTIAL WAR”, that “THE KNOWLEDGE OF THE DIVINE” in these writings came through to fruition and has reached you. It is now up to you, reading these writings, to take the “COMBAT” steps forward, and work to restore your “PLENITUDE”. Remember that you are prone to the Governing Law of the Behavior, the manifestation of “The Walk within the Acronym IHVH”, and for this, to “fight” means for you: “STAND IN THE PURITY” AND HOLD YOUR GROUND IN “PURITY”.

EXTENDED ANNOTATIONS

“... Each Angel has his particular style and it is good because you are quickly getting to understand that, but know THE FATHER also takes the same styles; ...”

At the time of these conversations, like any human creature, I was also asleep on the bed of ignorance, having been nurtured in the diapers of absence of “THE KNOWLEDGE OF THE DIVINE”. It is only after these conversations with the archangels, when I rejected their two cutting edges “bitter bond”, “*PROMISE ME THIS...*, *PROMISE ME THAT...*”, and decided to walk only with “THE DIVINE FORCE” and “THE DIVINE”, IHVH, our FATHER, and no one else, that “THE DIVINE FORCE” revealed Herself to me and awakened me to the knowledge of the ins and outs of “THE HOLY PROJECT”, and showed me Her work.

It is not THE FATHER who takes the same styles as these creatures; but instead, it is that, each of these creatures, has received an image from “THE DIVINE FORCE”, each had received a different image associated with a unique manifestation of a metaphor of a unique “DIVINE PRIMARY WEALTH”, and the features of such image were reflected in the style that the considered creature had developed in itself.

Before the announcement of the “Second Phase” of “THE HOLY PROJECT”, “THE DIVINE FORCE” used to manifest Herself in many ways to these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, for example through an instantly produced delimited form in the “Specific Energy ‘CELESTIAL’ Substance” constituent of the “Specific Energy ‘CELESTIAL’ Domain”, and with the appearance and all the specifications of any of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, or for example directly speaking to and through each of them, being Herself the science that is behind them, for the purpose that they could learn to recognize Her manifestations in all Her forms. But none of them succeeded to recognize Her. Through to “THE DIVINE FORCE”, “THE DIVINE”, IHVH, our FATHER who is outside of the attribute “NON DIVINE”, also used to talk with each of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, and they sent to oblivion “THE UNALTERABLE VOICE”.

Remember also that: NO “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” HAS EVER MADE IMPURE “THE DIVINE FORCE”; that is, “THE DIVINE FORCE” HAS NEVER TAKEN IN HER, SHE HAS NEVER ADOPTED IN HER, what has emerged from a creature, be it a “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, or any other creature that SHE has, only and always on instructions of “THE

DIVINE", IHVH, our FATHER, Herself produced into existence in the attribute "NON DIVINE". "THE DIVINE FORCE" is by Herself Her own possession. "THE DIVINE FORCE" is by Herself, the five "INDISTINCT DIVINE FORMS" taken together in an indivisible and representing the five "EONS" that "THE DIVINE", IHVH, our FATHER chose to share with the attribute "NON DIVINE" and that HE made "PERFECT" by adding an intellect.

Thus, the affairs of creatures that were produced in existence in the attribute "NON DIVINE", should not be mixed with the affairs of "THE DIVINE", IHVH, our FATHER. Inside the attribute "NON DIVINE", these creatures are reminiscent of cartoons, animated drawings, drawn by "THE HAND OF THE DIVINE", in an energy substance, and to which have been given the possibility to think independently and to act independently.

So, these conversations should also allow you to gauge by yourself, the extent of "THE KNOWLEDGE OF THE DIVINE" that each of these "'SPIRIT←SPIRIT' 'CELESTIAL' Creatures", has developed in itself.

"... Do you know, you know already, that the world was destroyed long ago because of the men of this world in which you live? ..."

He is talking about their project of the "FLOOD", their own works of "obscurity", which he will also pin on "THE DIVINE", IHVH, our FATHER. These "'SPIRIT←SPIRIT' 'CELESTIAL' Creatures" were not aware and were not given the explanation of that vision of the "blinded seventy shepherds" and which "THE DIVINE", IHVH, our FATHER, had sent to the elder ENOCH, in those days before "THE FLOOD", and when HE had said to the elder ENOCH: "... Understand, and watch everything that the shepherds will do to these sheeps ...". And, by using the "alter ego of names", these "'SPIRIT←SPIRIT' 'CELESTIAL' Creatures" have pinned the progeny of their own "IMPURITIES", their own actions, on "THE DIVINE", IHVH, our FATHER.

What about "the elephant in the room", those "skeletons in the closet", that is to say, the filth and the mark of the "DEATH", which were pulled out of the destruction in the "Specific Energy 'CELESTIAL' Domain" and immersed in the "Specific Energy 'EARTHLY' Substance" constituent of the first "Specific Energy 'EARTHLY' Habitation Domain" in which live "'SPIRIT←LIGHT' 'EARTHLY' Creatures"? Do that filth and the mark of the "DEATH", which are at the base of the destruction in those "'SPIRIT←LIGHT' 'EARTHLY' Creatures", have their origin in the "'SPIRIT←LIGHT' 'EARTHLY' Creatures"?

As we have indicated already, the “FLOOD” project was revealing about these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”. It was a large-scale sad display of their dramatic lack of knowledge of “THE SCIENCE” that is behind not only the creation of the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain” in which these “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” live, but behind the creation of the attribute “NON DIVINE” and all what it contains. It was a large-scale illustration of the work of “obscurity”, trying to outsmart “THE TRUTH” and to conceal that “BETRAYAL” they had perpetrated against “THE DIVINE”, IHVH, our FATHER, and that led to “FATALITY”, trying to conceal it by erasing from their own sight those “**TERRIBLE CONSEQUENCES**” of that “BETRAYAL”. In their obscurity, these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who have taken hostage “THE CREATION” and have appointed themselves to manage it, could not see that the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” is an “INDISTINCT FORM OF THE SPECIFIC ENERGY ‘EARTHLY’ SUBSTANCE”. Since they were empty of any “KNOWLEDGE OF THE DIVINE”, with the Archangel MICHAEL their commander-in-chief and self-declared “god”, and who was pushing his own “dark agenda” onto his accomplices who themselves believed that their commander-in-chief was in the “same league” with “THE DIVINE”, IHVH, our FATHER, it is so that these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” will pin such works of “obscurity” resulting from the decisions taken by their own “Council of Sages”, such works of lack of knowledge of “THE SCIENCE” that is behind the creation of the attribute “NON DIVINE” on “THE DIVINE”, IHVH, our FATHER. And they will spread such sayings repeatedly amongst human creatures (both the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” and the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creatures”) and feed them with. Just like one disciple of “obscurity” amongst humans will later say: “... *Make the lie big, make it simple, keep saying it, and eventually they will believe it...*”, in much the same manner, these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, standing in their “DISGRACE” and “IMPURITY” in all its forms, and using “LIES” as their “modus operandi” in full swing, proceeded with human creatures.

The situation is similar to that where someone decided to manufacture a magnificent new vehicle and He kept his guests informed of his intentions. Having understood the capabilities that were available in the new vehicle, but were not accessible to them as guests, it was then that these guests were filled with jealousy and they decided to sabotage the vehicle. Once the new vehicle was produced into existence, the guests hastened to pour sand and every other foreign contaminant they could think of, in the vehicle engine. At its first road drive, the vehicle engine started experiencing malfunctions and after few more runs, it

broke down. The guests, laughing at the vehicle manufacturer and producer, kept saying to whoever listened to them: *“this vehicle is worth nothing, it is damaging our road, let us demolish it completely; it is the fault of the producer, not to have listened to us, when we told that this vehicle is a mistake.”*

As such, these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have always pointed the finger either towards the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” as the source of the state of disaster in which this Earthly world has been plunged into, or towards “THE DIVINE”, IHVH, our FATHER, and in which case they say that it is “THE DIVINE”, IHVH, our FATHER who wanted it to be like that. They do not look at themselves in the mirror, they do not look at their disastrous actions against their neighbour the human creature, they do not even point the finger towards their own fallen fellows. They saw all such destructions in their own home, in the “Specific Energy ‘CELESTIAL’ Domain”, before the creation of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, but, somehow, they decided to have a collective memory loss, “burying their heads in the sand”.

There is nothing secret that will not be disclosed on the DAY appointed by “THE DIVINE”, IHVH, our FATHER, there is nothing hidden that shall not be known and come to light.

“... Do you know, you know already, that the world was destroyed long ago because of the men of this world in which you live? ... If THE FATHER has not done it again ...”

Here, with the *“If THE FATHER has not done it again...”*, he has pinned their project of the “FLOOD”, their own works of “obscurity”, on “THE DIVINE”, IHVH, our FATHER. These “ADONA’IM” know very well that they were the ones pulling the strings, throwing the dices, making their own decisions, through their “Council of Sages”, which they have formed around the Archangel MICHAEL, to wipe humanity out of existence with their project of the “FLOOD”. They have *“burnt the house of the Lord of the sheeps, and his tower, and overthrew that house.”* They will afterward proceed as if they have lost their memory and since they do not know about “THE SCIENCE” which is found in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, they will tell mankind, that it was *“the Lord of the sheeps”*, that is to say, “THE DIVINE”, IHVH, our FATHER, who once destroyed, *“burnt His own house and tower, and overthrew that house”*, that is to say, this first “Specific Energy ‘EARTHLY’ Habitation Domain” through the “FLOOD”.

The “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures” have transformed their own irresponsibility, the product of which was their “BETRAYAL” perpetrated against “THE DIVINE”, IHVH, our FATHER, and “THE FATALITY” in which the “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures” have plunged “THE HOLY PROJECT”, with the excreta that they have plunged into the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain” and that is destroying the vital functions of this “Specific Energy ‘EARTHLY’ Substance”, and they turned their irresponsibility into the responsibility of the human creatures who, through their “Subjective ‘EARTHLY’ Garment”, are merely delimited and cohesive subset of this “Specific Energy ‘EARTHLY’ Substance”, “INDISTINCT FORMS OF THE SPECIFIC ENERGY ‘EARTHLY’ SUBSTANCE”. Read also the first parable about the realization of the “Second Phase” of “THE HOLY PROJECT”.

As such, these “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures” avoid assuming their responsibility and they pushed forward their views in terms such as: *“If THE FATHER has not done it again...”*.

As we have indicated already, only the application by “THE DIVINE FORCE” of the “in-depth purification process” to this first “Specific Energy ‘EARTHLY’ Habitation Domain”, allows to erase from existence all these impurities and at the same time all those fallen “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures” that are at the origin of those impurities following their immersion in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”. If the “in-depth purification process” is not applied to this first “Specific Energy ‘EARTHLY’ Habitation Domain”, then, there is no point in eradicating the human creatures out of existence in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, while letting the excreta that were pulled out of the destruction in the “Specific Energy ‘CELESTIAL’ Domain” and immersed in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, to continue to exist and spreading damages in the vital functions of this “Specific Energy ‘EARTHLY’ Substance”.

These “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures” have set their mind and made their decision concerning the human creature, long time before that the human creature was produced into existence in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”: they have judged the human creature to be the “MISTAKE OF THE CREATION” and that must be deleted from existence, and they went ahead with their “nefarious and despicable shadow scheming” and destroyed the human

creature. All such deeds became parts of their “doctrinal truth” — their norm, their principle of righteousness, of wisdom considered ideal in the order of their thoughts or actions that they will undertake to realize — and they refuse to open their eyes and see “THE TRUTH”. Given that they are all prone to the Governing Law of the Behavior, the manifestation of “The Walk within the Acronym IHVH”, and they are all standing in their own “IMPURITIES” and “LIES”, it is so that, they continue to produce more confusions with the progeny of “IMPURITIES” and “LIES”.

When I have asked “THE DIVINE”, IHVH, our FATHER, *“how did such thing [the disaster in which this “Specific Energy ‘EARTHLY’ Substance” is locked into], came to be?”*, HE showed me how that happened, not that HE told me, but HE SHOWED IT (DISPLAYED, LIKE A VIDEO) to me, and I understood what I saw with my own perceptions, how the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, in which live human creatures, was poisoned, and how the poison was spreading. That spread cannot be stopped until it reaches its completion, at the time of which all vital functions of this “Specific Energy ‘EARTHLY’ Substance” will be damaged. It is only right after that appointed time, that “THE DIVINE”, IHVH, our FATHER will emit the decree, long awaited, for the “in-depth purification process” to be performed by “THE DIVINE FORCE”, in order to restore this “Specific Energy ‘EARTHLY’ Substance” into the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”. Thus, everything inside this “Specific Energy ‘EARTHLY’ Substance”, including all the excreta that were were pulled out of the destruction in the “Specific Energy ‘CELESTIAL’ Domain” and immersed in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, will be erased from existence, once and only once that the decree, long awaited, will be emitted. “THE DIVINE”, IHVH, our FATHER has established this, on that Third Day of the implementation of the “Second Phase” of “THE HOLY PROJECT”, right after the “BETRAYAL” that has crowned all the betrayals perpetrated by the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” against “THE DIVINE”, IHVH, our FATHER. Thus, a long time before that these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” initiated and went ahead with their own project of the “FLOOD”, “THE DIVINE”, IHVH, our FATHER knew already when and how HE will restore this “Specific Energy ‘EARTHLY’ Substance” into the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”.

It is so that, the decisions of obscurity (absence of “THE KNOWLEDGE OF THE DIVINE”) taken by the “Council of Sages” of these “‘SPIRIT←SPIRIT’

To be able to help these “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures” get out of their own misery, you must restore “THE TABERNACLE” of “THE DIVINE”

inside you, and you must develop “THE KNOWLEDGE OF THE DIVINE” that is dormant inside you. The more the plant of “THE KNOWLEDGE OF THE DIVINE” inside you, as “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, is developed, the more the ignorance inside these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” will be exposed. Your only teacher is “THE DIVINE FORCE” and SHE gives you HER teaching through everything that you do during your stay on Earth. You are all in HER classroom, but you do not pay attention and do not listen to HER teaching. Remember that “THE DIVINE”, IHVH, our FATHER is “ABSOLUTE PURITY” and HE has consolidated “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” in HIMSELF. HE DOES NOT DO WHAT IS NOT IN HIS “NATURE”. Just as NO “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” and NO human creature HAS EVER MADE IMPURE “THE DIVINE FORCE”, who has epithet function in “THE DIVINE”, IHVH, our FATHER, likewise, NO “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” and NO human creature HAS EVER MADE IMPURE “THE DIVINE”, IHVH, our FATHER. “STAND IN THE PURITY” and you will understand these things.

Read more in the section concerning the details of annotations — Annotation on the task of restoring “THE TABERNACLE” of “THE DIVINE”.

“...That is the answer of a wise, because no one should judge what THE FATHER does...”

It is with such sayings that these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” think that they will get away with the iniquities that they have committed and have pinned on “THE DIVINE”, IHVH, our FATHER. They are very subtle in planting the seeds of parasitic “intrusive suggestions” in “newcomers” to place them in a situation of ambiguity, a situation of darkness of expression and which is likely to receive several interpretations. If you swallow such “no one should judge what THE FATHER does”, then you will subsequently close your eyes and condone on all their misdeeds that they have perpetrated through the “alter ego of names” and pretending to be “gods”. You must question everything that is presented to you, until you get down to the bottom of things. Swallow nothing like aspirin tablet, especially coming from these elders of the creation! “STAND IN THE PURITY” and ask “QUESTIONS” whenever things are unclear to you.

To “judge” means, to form an opinion, to have an opinion on something, to give an opinion, to have an idea about something, to evaluate something with respect to a specified benchmark of real elements that are available. At the basis of this, is that, which is designated as the “QUESTION” and that is a request issued in any

form whatsoever and which calls for a supplement, a confirmation, or a denial, either in the form of a query, to learn something about it, to obtain an answer, to know the opinion.

“THE DIVINE”, IHVH, our FATHER has endowed all His creatures with the autonomous capacity to “THINK”, to “REASON” and to “MAKE DECISIONS” without that, the elements of “THE REASON” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has restricted to “THE SEAT OF THE INTELLECT” of those creatures are blocked.

To not “judge” means, to abdicate your autonomous capacity to “THINK”, to “REASON” and to “MAKE DECISIONS”, to swallow everything that these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” tell you and walk like a “mindless drone” and remain like “clanging cymbal”.

To not “judge” means, to accept the “status quo” and not seek to find out about “THE DIVINE”, IHVH, our FATHER.

How would you appreciate the work of “THE DIVINE”, IHVH, our FATHER, if you abdicate that autonomous capacity to “THINK”, to “REASON” and to “MAKE DECISIONS”? How would you come to understand that “ONLY ONE IS HOLY, ONLY ONE IS PURE AND RIGHTEOUS, AND ONLY ONE IS TRUSTWORTHY” if you abdicate that autonomous capacity to “THINK”, to “REASON” and to “MAKE DECISIONS”? How would you appreciate the accomplishments and the teaching of “THE DIVINE FORCE”, if you abdicate that autonomous capacity to “THINK”, to “REASON” and to “MAKE DECISIONS”? Indeed, when you walk with these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, remember that you are walking at the edge of your own destruction, with one foot resting on your own grave and the other foot resting on a banana peel.

Once FATHER showed me a glimpse of His work, a glimpse of the accomplishment of “THE DIVINE FORCE”, I understood immediately that I was inexistent; this was the result of instantaneous application of the autonomous capacity to “THINK”, to “REASON” and to “MAKE DECISIONS”. The more HE showed me the details of HIS PROJECT, the more I “judged” and praised such magnificent masterpiece of divine engineering.

CHAPTER 247

EXCERPT FROM THE CONVERSATION OF 29 AUGUST 2005: ARISTIDE AND THE ARCHANGEL RAGUEL

Archangel RAGUEL:

Peace be with you brother Aristide.

I am the servant¹⁴³² of THE ETERNAL, the Almighty GOD.

Aristide:

Peace be with you (he has not given his name). Blessed be THE FATHER CREATOR.

Archangel RAGUEL:

THE ETERNAL sent me to you, to answer your questions and also enlighten you so that you stay on the right path.

I am responsible to take care of all that, which is Heavenly, that is to say the Kingdom of Heaven because each Angel has his work, and mine is to protect and to lead the “STARS”.

I am an Archangel also like MICHAEL and the others and you have heard of me.

I have to talk to you about the “STARS” of THE FATHER. Every “STAR” has its significance; the “STARS” are the dwelling places of the other Angels whom I am responsible.

¹⁴³² We have already explained how these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” came to the designation of “SERVANT”, having lost the status of “CHILDREN” of “THE DIVINE”, IHVH, our FATHER.

This means that when you see a “STAR” in the sky, it is just the dwelling place of an Angel and that angel whom you see, that is the Angel himself; because it is their bodies that shine as such and allows humans to see that glow similar to the light.

Thus, each Angel has a specific job. It is so that, tasks are distributed and that humans are chosen¹⁴³³, among these tasks, some are tasked to enlighten the Earth so that it should not fall into darkness.

¹⁴³³ This was the major objective of the “BETRAYAL” that the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have perpetrated against “THE DIVINE”, IHVH, our FATHER: to erase what they had designated as a “MISTAKE OF THE CREATION”, that had received the new unique expression of “THE UNION”, which represented to them a threat to the existing hierarchy of communication with “THE DIVINE”, which had hitherto been already established through “THE SHEKINAH” and through which all the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” indulged themselves with the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”.

The “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, as well as all “THE KNOWLEDGE OF THE DIVINE” which had been placed in it by “THE DIVINE FORCE”, having been destroyed, it is thus that, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” will maintain the existing hierarchy of communication with “THE DIVINE”, in the deficiency of “THE KNOWLEDGE OF THE DIVINE”; the instructions and “THE KNOWLEDGE OF THE DIVINE” that “THE DIVINE”, IHVH, our FATHER, had planned to manifest through the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, could no longer be transmitted directly from “The ALTAR of ‘THE DIVINE’” which is located inside the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

“The ALTAR of ‘THE DIVINE’” which is located inside such a “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, having fallen into ruins, it is thus that, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, having already reversed the “Causal Precedence Relation of ‘THE PRAISE’”, will start to transmit their instructions and their desires to the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”; whereas it is the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” that must transmit to the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, the instructions that “THE DIVINE”, IHVH, our FATHER, had planned to manifest directly from “The ALTAR of ‘THE DIVINE’” which is located inside the “‘SPIRIT←LIGHT’ Body” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

“THE DIVINE”, IHVH, our FATHER, having withdrawn his confidence in the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, and telling no more of His projects to any of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, it is thus that, the whole CREATION was locked in the deficiency of “THE KNOWLEDGE OF THE DIVINE” that had taken place in “THE SEAT OF THE INTELLECT” in the “‘SPIRIT←SPIRIT’ Body” of “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”.

He who is nicknamed the “Angel of Death”¹⁴³⁴ is part of the “STARS” and is also responsible to destroy all that is on Earth as evil, following orders of THE FATHER.

It is from us that everything happens. The archangels lead everything with the help of THE FATHER and the other angels.¹⁴³⁵

You can ask me the questions that you want.

Aristide:

How are “STARS” born and the angels who dwell in there?

Archangel RAGUEL:

The “STARS” are the work of THE ETERNAL who created them after the archangels so that the task be shared and more simple. Any Angel is a “STAR” and the archangels are above Angels; as

¹⁴³⁴ He is speaking about himself, telling about his nickname, which was given to him by his peers, as if he was speaking about someone else. He wanted to see if I was able to discern through what he was telling me.

¹⁴³⁵ It is from the words used by the angels, during such conversations, that you (human creatures) are called to discern how each of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” reflects itself by describing through the words used, its own vision of existence and also its own vision of “THE DIVINE”, in order to reflect thus the celestial truths that are in their own “‘SPIRIT←SPIRIT’ Body” as “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”; because the living library that “THE DIVINE ARCHITECT AND PROJECT MASTER” had designed and established, and that “THE DIVINE FORCE” had implemented into existence in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”, for the education of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, as well as all “THE KNOWLEDGE OF THE DIVINE” that had been placed by “THE DIVINE FORCE” in the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” in order to rectify the deficiency of “THE KNOWLEDGE OF THE DIVINE” that had taken place in “THE SEAT OF THE INTELLECT” in the “‘SPIRIT←SPIRIT’ Body” of “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, had been ransacked and destroyed since the early days of existence of this Earthly world.

Amongst these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, none of which knowing how he/she came into existence and why he/she is into existence, since they have all sent into oblivion “THE DIVINE FORCE” and Her teachings, there are those who like the command and who think that they are the one “running the show”, and that FATHER is just there to help them “run their show”. There are others who think that they are the ones who are helping FATHER.

THE FATHER is above us and everything. An Archangel may also be called Angel but an Angel cannot be called Archangel.

Aristide:

What is the meaning of the months and days with respect to the coming of “STARS” in the universe?

Archangel RAGUEL:

Every day has its meaning, for example, Monday means first day of creation, Holy day, labor day, so on.

As for the months and the appearance of the “STARS” or the Moon, of the months also, every month has its meaning but the life of the man and his work boil down to these “STARS”, Moon and others.

Two people can be of the same month, but different days, so they will not be alike and have different tasks to perform.

Do you understand what I am saying? Or do I have to enlighten you more?¹⁴³⁶

האמת

ספר

¹⁴³⁶ I understood what he was telling me, but I did not see in his answers the origin of these things: the origin of the day, the origin of the month, their relationship with the “STARS” in the universe. I tried to discern in his answers, looking in spirit, but I did not see how these things came to be: Where do all these things come from? How were they formed? In short, my dish was empty and I was still on my hunger, my spoon in hand.

It is only after these conversations with the archangels, that “THE DIVINE FORCE” awakened me to the knowledge of the ins and outs of “THE HOLY PROJECT”, and of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” in its details, including the products that are formed and those that are consumed in “THE DIVINE SUPREME CONFIGURATION”, and of which none of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” has knowledge. It was then, that, from the teachings of “THE DIVINE FORCE”, not only I received the answers to my question “*What is the meaning of the months and days with respect to the coming of “STARS” in the universe?*”, but I also understood how came to me these questions that I had asked the Archangels and I understood why “THE DIVINE”, IHVH, our FATHER had sent these Archangels to me so that I ask them these questions.

In another vision that “THE DIVINE”, IHVH, our FATHER sent me, through “THE DIVINE FORCE”, I was in conversation with CHRIST and told him that “THE DIVINE”, IHVH, our FATHER has sent new knowledge and that I was putting them on writings. One of the angels who were with CHRIST approached CHRIST and asked him: “*How does he*

Aristide:

I understand.

Archangel RAGUEL:

Can I still help?

Aristide:

Yes, why did you not give your name (URIEL)?

Archangel RAGUEL:

I am not URIEL, besides URIEL there is another one that you know also, I wanted to just allow you to make a difference between us,

come to know these things?", and CHRIST answered him saying: "Myself, I do not know how FATHER gives them to him." And it was then, that I understood other things too; among other things, concerning the extent of "THE KNOWLEDGE OF THE DIVINE" in "THE CELESTIAL HOST". For ages, since the destruction of the first two "SPIRIT←LIGHT" 'EARTHLY' Creatures", these "SPIRIT←SPIRIT" 'CELESTIAL' Creatures" have set in place a vast system of imposture and deception, to purposefully keep the CREATION in obscurity, to purposefully keep "THE KNOWLEDGE OF THE DIVINE" away from any creature into existence in the attribute "NON DIVINE". None of these "SPIRIT←SPIRIT" 'CELESTIAL' Creatures", none of those who resides in the "Plane Above", is able to see "THE DIVINE FORCE" educating and teaching HER child, and they are surprise to see that, somehow, the child of "THE DIVINE FORCE" has fed and is feeding on the "fruit" of the Tree of Knowledge, of which the Archangel MICHAEL made commandment to "ADAM" and "THE FEMALE" (and consequently to their descendants) not to eat; "THE KNOWLEDGE OF THE DIVINE" has reached humanity, going through a different channel of communication outside of their established deceptive system where they think they control everything.

You, "SPIRIT←LIGHT" 'EARTHLY' Creatures", who are reading these writings, remember that "THE DIVINE FORCE" Herself is the science that is behind any energy substance that SHE has manifested into existence in the attribute "NON DIVINE". SHE is inside the "THOUGHTS" that are "PURE", being Herself "PURITY". Go to HER and you will learn and you will understand things.

Although SHE is "INVISIBLE" amongst the invisible ones who do not see HER, all you need is to be "PURE" and call for HER from "The ALTAR of 'THE DIVINE'" which is located inside you; SHE has so many things to teach the "SPIRIT←LIGHT" 'EARTHLY' Creatures", that entire books could not contain. All what we have written down in this "BOOK OF FORMATION" is just like a droplet of water in an ocean.

there are MICHAEL, GABRIEL, RAPHAEL, URIEL and me. Do you know who I am now?

Aristide:

The one who unites the world and luminaires.¹⁴³⁷

Archangel RAGUEL:

Yes! That is me! And that you have learned well.

Then, why did you say you do not know me? Have you heard of me before?

Aristide:

I did not know you were Archangel like MICHAEL, too, if you will excuse my ignorance.

Yes I heard about you in the writings of father ENOCH.

Archangel RAGUEL:

It's okay, we are all part of the same family, that of the Creator.

You know in a few words what I do and what I am in charge now.

I heard about you from the talkings of THE FATHER CREATOR a very long before you were born and I am delighted to meet you today as you were described to me.

Welcome to the Kingdom of THE ETERNAL and of his children.

Aristide:

I am also delighted and very happy to know you. Blessed are you and blessed be THE FATHER CREATOR.

My view of this world is completely changing and I thank THE FATHER CREATOR to have directed my feet to the splendour of His LIGHT.

¹⁴³⁷ We were now talking about the Solar "STAR", which shines daily above this Earthly world in which you live. He is the Archangel that dwells in there, inside the Solar "STAR".

Archangel RAGUEL:

Now we are friends and you can talk to me as with the others, without fear. Are you afraid of MICHAEL? Or GABRIEL or THE FATHER CREATOR? I think not, but I think you respect them all. THE ETERNAL blesses and protects the one he loves.

Aristide:

Yes, I respect you all.

Archangel RAGUEL:

Blessed be THE ETERNAL GOD who has created all things.

(... Private conversation ...)

Aristide:

Thank you very.

Blessed are you, and blessed be CHRIST and THE FATHER CREATOR. Thank you that you came here and I thank THE ETERNAL for having sent you to us.

Archangel RAGUEL:

I am here if you need me, peace be with you. I thank THE FATHER CREATOR and I also thank you for listening to me.

Aristide:

Peace be with you, RAGUEL.

Archangel RAGUEL:

Peace be with you too.

CHAPTER 248

EXCERPT FROM THE CONVERSATION OF SEPTEMBER 14, 2005: ARISTIDE, CHRIST, THE ARCHANGEL RAGUEL, AND THE ARCHANGEL MICHAEL

CHRIST:

Peace be with you brother Aristide.

Do you have anything else to tell me?

Aristide:

Peace be with you LJ.

Yes, these are questions always about the Creation.

CHRIST:

Go on, I am listening.

Aristide:

*How did THE FATHER CREATOR created the Archangel
MICHAEL?*

CHRIST:

*He created it with the word out of his mouth, it's hard for you to
understand I think. You ought to know that the word of the father is
different from his breath.*

*The word is made to be applied, to give life to the spirit while the
breath is just for humans, to create and protect.*

Have you understood something?

Aristide:

For once nothing at all.

CHRIST:

(... explanation ...)

Do you understand something this time?

Aristide:

I am already starting to understand.¹⁴³⁸

(... conversation ...)

Another question:-since how many billion years was created the “Most Luminous”? Who is the one called the “Moon”, since how many billion years was he created?

CHRIST:

Before even that the project to send me on Earth came to light, several billion years ago.¹⁴³⁹

¹⁴³⁸ Later after these conversations, “THE DIVINE”, IHVH, our FATHER, demonstrated the answer to me, on how each of the “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures” was brought forth, was written, was drawn, into existence inside the attribute “NON DIVINE”, by “THE HAND OF THE DIVINE”, “THE DIVINE FORCE”, on instructions of “THE DIVINE”, IHVH, our FATHER. See vision of October 11, 2005.

¹⁴³⁹ We have explained how the elders of the creation were “spoken” into existence in the attribute “NON DIVINE”, during the implementation of the “First Phase” of “THE HOLY PROJECT”. At the completion of the implementation of the “First Phase” of “THE HOLY PROJECT”, and with the announcement of the “Second Phase” of “THE HOLY PROJECT”, they “BETRAYED” “THE DIVINE”, IHVH, our FATHER, and afterwards, through their rigged “DEATH CONTRACT” and their “REDEMPTION CLAUSE” against the human creatures, they destroyed the human creatures. It was after this destruction that “THE DIVINE”, IHVH, our FATHER has established the project to redeem the “REDEMPTION CLAUSE” that these elders of the creation had put in place against the human creatures. “THE DIVINE”, IHVH, our FATHER had also selected the appropriate convergence point in “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” and that was associated to a manifestation of a metaphor of a product that already exists in “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”. That appropriate

Yet on the other hand, it seems that everything is recent because he remains the same since all that time.¹⁴⁴⁰

You must talk with RAGUEL, only he can tell you because he is the one who takes care of it and he is the one that you need to contact.

Aristide:

Yes, I will do so.

CHRIST:

I let him come; Here he is!

Archangel RAGUEL:

Peace be with you, I am RAGUEL.

CHRIST told me you wanted to talk to me.

convergence point, in “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, was later manifested into existence in the attribute “NON DIVINE”, nearly 70 billions years reckoned from the beginning of implementation of the “Second Phase” of “THE HOLY PROJECT”, as a human creature (the “PRINCIPAL” instance of the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creature” model) and was designated as: CHRIST, the one who is talking in this conversation. The manifestation into existence inside the attribute “NON DIVINE”, of that appropriate convergence point, in “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, has been established by “THE DIVINE ARCHITECT AND PROJECT MASTER” before that the attribute “NON DIVINE” was produced into existence; only, the circumstances of “BETRAYAL” and “THE FATALITY”, in which the manifestation of the metaphor of that appropriate convergence point has entered into existence inside the attribute “NON DIVINE”, were not the expected ones, from the initial objectives, which were established at the onset of “THE HOLY PROJECT”.

¹⁴⁴⁰ As we have explained already, when the “Second Phase” of “THE HOLY PROJECT” was announced to these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, the “ADONA’IM” had reached an advanced stage of the “spiritual childhood” and entered in the “spiritual adolescence” stage. Furthermore, their “nature” and the distinctive features of their personalities were sealed in them, in the days following that announcement of the “Second Phase” of “THE HOLY PROJECT”, and they will remain as such forever: hence, the designation of “children with eternal youth” also attributed to these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”.

Aristide:

Peace be with you RAGUEL, blessed are you and blessed is CHRIST and THE FATHER CREATOR.

I see that everything I learned from human creatures should be put in the trash.¹⁴⁴¹

Archangel RAGUEL:

Not everything, you just need to sort out because they have learned some of the angels and other things from evil.

Aristide:

Yes, I wanted to know roughly since how many billions of years was created the “Most Luminous”? Also the one who is called the “Moon”, since how many billions of years was he created?

Archangel RAGUEL:

Only he can answer that because I don’t know, it is also me who is called as such because I have several tasks at the same time, it is like if you asked MICHAEL who is called the Angel of battle and the Archangel MICHAEL.

Aristide:

Ah! So you are the “Sun”?

Archangel RAGUEL:

It is still me, thus, you can call to the Archangel RAGUEL, to the Moon, to the head of the “STARS” and others designations and I will come, but know also I have Angels under my command who take

¹⁴⁴¹ Indeed, fellow human creature reading these writings, I was waking up from a state of “coma”, my perspectives considerably transformed, being introduced to a new and disturbing understanding of the true nature of this earthly World in which we live. Understand this: the time span and almost everything that you have learnt concerning the history of human creatures, concerning this world in which you live, as well as concerning the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, has been falsified, turned upside down, inversed, twisted in every manners possible, to keep humanity locked in “Obscurity” and in poverty. If you want to learn things, go to “THE DIVINE FORCE” and talk to Her.

care too, it is like the CHRIST, the Savior, the Son of Man, the Chosen One of GOD, the Lord, you will be told that it is the same person.

Aristide:

Ah! Poor me.¹⁴⁴²

Archangel RAGUEL:

It is nothing, you still have to learn and I will help you.

See for example what is currently happening in your world with the destructions, there is an angel who is in charge of that.

Aristide:

When you appear twice at the same time (Sun and Moon) above our heads, what does that mean?

Archangel RAGUEL:

It is a sign of divine power; that is, the coming of THE FATHER in the world, that is to say towards humans. And I am the one who is responsible to illuminate His path so that neither darkness nor other evil spirits approaches. Do you have any other questions for me?

Aristide:

Yes, I have other questions, concerning the writings of father ENOCH.

¹⁴⁴² As we have indicated already, at the time of these conversations, like any human creature, I was also asleep on the bed of ignorance, having been nurtured in the diapers of absence of "THE KNOWLEDGE OF THE DIVINE". It is only after these conversations with the archangels, when I rejected their two cutting edges "bitter bond", "*PROMISE ME THIS...*", "*PROMISE ME THAT...*", and decided to walk only with "THE DIVINE FORCE" and "THE DIVINE", IHVH, our FATHER, and no one else, that "THE DIVINE FORCE" revealed Herself to me and awakened me to the knowledge of the ins and outs of "THE HOLY PROJECT", and showed me Her work.

Archangel RAGUEL:

Is it to me or to the Lord you want to ask your question?

Aristide:

To LJ.

In his writings, he talks about some of the doors through which RAGUEL passes and crosses during his walk. What doors are these?

CHRIST:

He is talking just about the challenges that you have to cross to get here, that is to say up to THE FATHER.¹⁴⁴³

Aristide:

Poor of us, human creatures who are unable to discern.

CHRIST:

How many tables of visions have you discerned since last time when we talked?¹⁴⁴⁴

¹⁴⁴³ Here, CHRIST was talking about the Governing Law of the Behavior, the manifestation of “The Walk within the Acronym IHVH”, and which we have explained already. As you would know already, every creature of the attribute “NON DIVINE” is subjected to the Governing Law of the Behavior and cannot escape it. To succeed in “The Walk within the Acronym IHVH”, you MUST STAND IN “PURITY” and HOLD YOUR GROUND IN “PURITY”. Remember the application of the concept of “EXTENSION” of “THE DIVINE”, IHVH, our FATHER, to the attribute “NON DIVINE”, through “THE SEAT OF WISDOM”, the abode of the manifestation of the “HOLINESS” of “THE DIVINE”, IHVH, our FATHER. We gave you already the explanation of why CHRIST, when he was still living here in this Earthly world, had washed the feet of his disciples, before the feast of the Passover. To understand these things, you MUST develop and deepen your knowledge of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, and SHARE your findings with others, so that many can be saved. SHARE IT, EVEN WITH YOUR ENEMIES! TELL THEM ABOUT “THE DIVINE”, TELL THEM ABOUT THAT, WHICH EXIST SINCE THE BEGINNING! These are parts of the recommendations, which CHRIST, as well as the elder ENOCH, of whom METHUSELAH is the descendant, gave me during those private conversations and to transmit them to humanity.

¹⁴⁴⁴ Through the guidance of CHRIST, as elder brother helping his much younger little brother to make his firsts walking steps after the “combat crawling” phase in which the

Aristide:

On the writings of father ENOCH, I was already in chapter 40. But I will revisit them again using this new teaching I received today. I really must admit that the human creature is deprived of all capacity to discern.

CHRIST:

It is all right, as soon as you are ready, let me know and I will come, I will help you, peace be with you, I thank THE FATHER and thank you also.

Aristide:

Peace be with you all. I also thank THE FATHER CREATOR of all this love that he continues to show us. Blessed is Him.

Archangel RAGUEL:

Do you still need me?

Aristide:

Not at the moment. I will go back to the writings of father ENOCH and eat more. I will give him a call at the right time.

Archangel RAGUEL:

It is okay, peace be with you.

Aristide:

Peace be with you RAGUEL.

Be blessed and blessed be THE FATHER CREATOR and CHRIST.

Also passes my greetings and thanks to THE FATHER CREATOR.

little brother was pulling himself forward with his arms while letting his belly and legs drag on the floor and making babbling sounds, I was starting to talk and improve the language development and acquisition by exercising and developing the capacity to discern and read spiritually, using not only the parables of CHRIST, but also the records that the elder ENOCH, of whom METHUSELAH is the descendant, had given to humanity. I was also not yet conscious that “THE DIVINE FORCE” was taking care of Her “new born”.

CHAPTER 249

Aristide:

Peace be with you father¹⁴⁴⁵ ENOCH. Blessed are you and blessed be THE FATHER CREATOR.

Father ENOCH:

*Peace be with you my son, may GOD protect you and enlighten your life. I am glad to meet you.*¹⁴⁴⁶

¹⁴⁴⁵ As we mentioned in a previous annotation, at the time of these conversations, the knowledge on the meaning of the word “father” was not yet awoken in me by “THE DIVINE FORCE”, although that knowledge was sleeping inside me, just as it is with all human creatures on this earthly world. Thus at that time I used the terms “father MOSES”, “father ABRAHAM”, “father ENOCH”, as a token of respect towards my elders. It is later that “THE DIVINE FORCE” has awoken that knowledge in me and explained to me the meaning of the word “father” and I understood why no human creature should be and cannot be called “father”; it is the same with the word “mother”.

¹⁴⁴⁶ At the time of this conversation, I did not understand the why of “*I am glad to meet you*” coming not only from the elder ENOCH but from all others elders of “THE HUMAN EDIFICE”. Inside myself, I was always asking: “... *Hm, why are these guys “glad to meet” a nobody like me? ...*” It was only later, through the teaching, indications, and insistence of “THE DIVINE FORCE” that I undertood why: that “vision” of the “blinded seventy shepherds” that “THE DIVINE”, IHVH, our FATHER, through “THE DIVINE FORCE”, and through communication by “VISIONS”, had sent to the elder ENOCH. Before that “he who wrote the book” was brought forth into existence, all these elders of “THE HUMAN EDIFICE” knew already about “he who wrote the book”, they had already understood the reason why “he who wrote the book” has been brought forth into existence, and to a certain

Aristide:

I am rather the one who is delighted to know you. I wanted to thank you too (and also to thank THE FATHER CREATOR) to have left writings for our education.

Father ENOCH:

I always thanked Him for that, and I think that it is those writings that today allow you to know what is “the work that you must perform”¹⁴⁴⁷ and who is this FATHER that people barely know.

Aristide:

Can you tell me something about THE FATHER CREATOR? And how did you come to know Him? The difficult times that you went through when you were still on Earth here below?

Father ENOCH:

When I was born I did not know Him yet, but I was in a family where people believed in Him.

As time passed, I endeavoured more to Him, it is so that I started to talk to Him and hear His voice.¹⁴⁴⁸

extent, they knew about the tasks that “THE DIVINE”, IHVH, our FATHER has assigned to “he who wrote the book”.

¹⁴⁴⁷ It was indeed from the writings of the elder ENOCH, and with the guidance and teachings of “THE DIVINE FORCE”, that “he who wrote the book” came to understand the work to be performed and for which he was brought forth into existence.

¹⁴⁴⁸ That is, to begin to receive directly, while being conscious, the temperature and the enlightenment intensity which are necessary to growth in “THE KNOWLEDGE OF THE DIVINE”.

Remember the parable that CHRIST, when he lived on Earth down here, had explained on a large scale, at the scale of the human creature, and concerning the growing seed when HE said, using by analogy, the terms of things that humans are familiar with, so that they can develop their understanding of the Project of “THE DIVINE”, IHVH, our FATHER:

“...

The “Kingdom of God” is like a field where a Man casts seed into the ground; whether it is asleep or awoken, night and day, the seed sprouts and grows [because it receives the temperature and the enlightenment

It is thus that my mission had begun. I believed in Him during all challenges.

I suffered more than you, but I stood my ground and I went through thanks to the love of my FATHER and our FATHER for all of us.

Then, I went up to His side, that is in the Heavens, I have not known death as you know already, because my faith in Him was high and I would also like you to become like me.¹⁴⁴⁹

That you do not know the suffering of the spirit, and that you to come directly to my side and alongside THE FATHER without waiting for the judgment. Because there is a difference between those who are judged and those who are not.

Those who are not do not know death and those who are, go through it in order to get rid of their body, that body which has

intensity which are necessary for its development] without it being known how.

The earth produces by itself, first the herb, then, the cob, finally the flower formed in the cob; and when the flower [which then, receives directly the temperature and the enlightenment intensity which are necessary for its development, has received enough and] is ripe, at once the sickle is used, because the harvest has come.

...”

Thus applied to the human creature, this parable of the growing seed also refers to the development of the seed of “THE KNOWLEDGE OF THE DIVINE” that “THE DIVINE FORCE” has placed in every human creature.

Thus, when you see flowering plants or fruit trees grow in a given environment, know that you are called to discern and understand what is inside of yourself, of which you cannot see, and what is the state of the plant of “THE KNOWLEDGE OF THE DIVINE” that “THE DIVINE FORCE” has placed in you. For it is by the measure of the state of this plant of “THE KNOWLEDGE OF THE DIVINE” that you will be judged.

¹⁴⁴⁹ You, “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, who are reading these writings, this message is about you all. Restore the “TABERNACLE” of “THE DIVINE” which is in you, and hold your ground in “PURITY”, because there are a lot of tasks to be accomplished to help the elders of the creation and save what can still be saved of this “Second Phase” of “THE HOLY PROJECT”.

confused them and which must be reborn. That body which has undergone all the humiliations, and injuries during its mission.

Because there are two kinds of death in the lives of humans. The first is that of the flesh of which it is spoken of in the Scriptures, the second is that of the Heavens, that is the redemption of the soul after the judgment.

At the first, the body descend into the void, and at the second it is the salvation. In the opposite case, the second death is eternal and there is no more talk of redemption but of perdition; because there is nothing more that can be done for that person who goes directly to join the realm of the deads.

At the level of the second, one can redeemed oneself by coming back to continue its mission on Earth but without knowing. Do you understand something at all what I am saying?

Aristide:

Yes! I got it very well. Better than all what I have learned so far.

Father ENOCH:

You have therefore understood the explanation of the vision that I sent you in a dream? Because I am the one who has sent it to make you understand some things.¹⁴⁵⁰

Aristide:

I will replay it again with a clear head. I did not know that it was you had sent it.

Father ENOCH:

Know that everything always has an explanation and that nothing is done randomly.¹⁴⁵¹ I just wanted to make you understand that the

¹⁴⁵⁰ When I was 21 years old, 12 years years before these conversations, I had received a vision, the explanation of which is what the elder ENOCH just gave here above about those who do not know death and those who do. At that time, when I was 21 years old, I did not understood what it was about, but I had kept that vision in my memory, as in those days I was waking up from the “sleep in the dusty soil” and to new and unusual realities.

judgment is for those who do not perform well their work, and also you need to redeem your loved ones and other people of this world who are in need of Divine help.¹⁴⁵²

(... Private conversation ...)

Aristide:

Yes! I will do it.

Can a human creature know death if his body (flesh) has never confused him?

Father ENOCH:

No, he cannot know death and confront it, but it is different from the mission of CHRIST who had to die to give life to others. And it depends on THE FATHER who wants everyone to be "PURE" in His Eyes.¹⁴⁵³

¹⁴⁵¹ As we have already indicated, inside the attribute "NON DIVINE", nothing is without cause; the "cause" being the preceding motive (in the temporal order of things) and which produces or causes something. The cause is thus the correlate of the produced thing (which is the effect, the consequence), it precedes this produced thing (which is the effect, the consequence), it is associated with the "raison d'être" of this produced thing (which is the effect, the consequence), it is necessarily responsible for the existence of this produced thing (which is the effect, the consequence). The understanding of the principle of causality is the necessary foundation of even the slightest knowledge of what is produced into existence inside this attribute "NON DIVINE".

¹⁴⁵² As we have indicated already, it is thanks to "THE DIVINE FORCE" with HER protection against all these "'SPIRIT'←'SPIRIT' 'CELESTIAL' Creatures" on both sides of the ongoing "CELESTIAL WAR", that "THE KNOWLEDGE OF THE DIVINE" in these writings came through to fruition and has reached you. WE HAVE GIVEN THESE WRITINGS TO YOU FREELY, so that you understand what to do and save yourself. NO ONE ELSE CAN DO IT, BUT YOURSELF. It is now up to you, reading these writings, to take the "COMBAT" steps forward, and work to restore your "PLENITUDE". Remember that you are prone to the Governing Law of the Behavior, the manifestation of "The Walk within the Acronym IHVH", and for this, to "fight" means for you: "STAND IN THE PURITY" AND HOLD YOUR GROUND IN "PURITY".

¹⁴⁵³ As you would have understood, if you have been paying attention to what we have been explaining throughout these writings, "PURITY" is the key fundamental prerequisite necessary to achieving "PLENITUDE" through "The Walk within the Acronym IHVH". "TRUTH" can be difficult to grasp when one does not have knowledge of "THE REASON"

But the body (flesh) does not count, you know, it is the “SPIRITUAL Body” that counts the most.

Did you have any other questions for me?

(... Private conversation ...)

Aristide:

Yes I will do it.

(... Private conversation ...)

Can you also tell me about THE FATHER CREATOR?

Father ENOCH:

Yes, HE is spirit¹⁴⁵⁴, he can take all forms.¹⁴⁵⁵ He is simple, friendly, patient and very cheerful.

(clearly understood, of the unique “Divine Septenary Configuration” of seven “Divine Particles”). However, “PURITY” is not difficult to grasp; where “PURITY” is present in your “Interpreted THOUGHTS” and associated internal emotions, there also are present “TRUTH” and “GRACE”. “PURITY” is the “sine qua non” condition, that is to say, the indispensable and essential ingredient, without which there could not be “HARMONY” between a creature (be it a “SPIRIT←SPIRIT” ‘CELESTIAL’ Creature” or any other creature) and “THE DIVINE”, IHVH, our FATHER. To be faithful to “THE DIVINE”, IHVH, our FATHER, means: To stand in “PURITY” and to hold your ground in “PURITY”.

¹⁴⁵⁴ This was said in the sense of “INVISIBLE” among the invisible ones who do not see Him. As we have explained already, “spirit” is the word that the elders of the creation (the archangels and angels) use, to designate things or processes that they themselves cannot visualize, cannot perceive, and cannot explain.

¹⁴⁵⁵ We have also explained how “THE DIVINE FORCE” manifests Herself in many ways to Her creatures, for example through an instantly produced delimited form in the considered “specific energy” substance and with the appearance and all the specifications of any of the appropriate creature, or for example directly speaking to and through each of the creatures, being Herself the science that is behind them, for the purpose that they learn to recognize Her manifestations in all Her forms.

“THE DIVINE”, IHVH, our FATHER is omnipresent inside the attribute “NON DIVINE”, while HE is outside of attribute “NON DIVINE”, and we have also explained why: remember the proportionality factors that define the laws of change of frame of reference, between “THE ABSOLUTE FRAME OF REFERENCE” defined by “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” in “THE DIVINE” and “THE

He is the kindest spirit that there may be in the world and in the Heavens.¹⁴⁵⁶

We often speak about humans during a mission and report to Him, we also gather to pray, we sing, we dance too.

(... Private conversation ...)

There are people who live and die without ever knowing Him.

Do you have any other questions for me?

Aristide:

No, not for now.

I thank you sincerely for the teaching you gave me and of that, which you give me without that I am aware of.

I also thank THE FATHER CREATOR to have allowed it.

Be blessed, and blessed be THE ETERNAL.

Father ENOCH:

If you have anything else, MICHAEL will let me know and we will talk with the help of THE FATHER.

Blessed be THE FATHER CREATOR, blessed are you, remain in peace and give my regards to your brothers and sisters and to your wife Mary.

Aristide:

Yes I will do it.

(... Conversation with others angels ...)

FRAME OF REFERENCE OF THE ATTRIBUTE 'NON DIVINE' in the attribute "NON DIVINE".

¹⁴⁵⁶ Write that testimony of the elder ENOCH on the tables of your heart and remember it whenever the "‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures", will tell you about their own works of the "Obscurity" and their consequences, and will subtly pin it on "THE DIVINE", IHVH, our FATHER. Always remember that "THE DIVINE", IHVH, our FATHER, is "ABSOLUTE PURITY", HE IS THE KINDEST ENTITY THERE CAN BE INTO EXISTENCE. He always shows the greatest kindness towards His creatures and HE DOES NOT DO WHAT IS NOT IN HIS NATURE!

The scope of this conversation, as well as other conversations, thus spans on every human creature who wants to discern and who has always seek to know where are those who came before them and who have completed their mission on Earth down here, and that is why we give these conversations to humanity, although they are in metaphors, and also so that you can you sober up from the sleep in which you are; because there is a lot of work ahead.

CHAPTER 250

EXCERPT FROM THE CONVERSATION OF OCTOBER 01, 2005: ARISTIDE, CHRIST, AND THE ARCHANGEL MICHAEL

Aristide:

Peace be with you MICHAEL

What will RAGUEL bring us this Monday around 09:40?

Archangel MICHAEL:

I will ask him the question... (after few seconds, he received the answer from RAGUEL)

Nothing really important because he does all the time, do you have an appointment with him at that hour Monday?

Aristide:

There is news going around among human creatures that he will appear as was the case on 29/09/1947.

Archangel MICHAEL:

He is letting you know that it will not be him but one of the servants of THE FATHER, that is to say another angel who is under his command.

Aristide:

And I think that whenever one of the "LUMINAIRES" appears in that way, the power of THE FATHER is not very far.

Archangel MICHAEL:

You want to go there to not miss the blessings?

Aristide:

In times like these, one must catch with hands full all the blessings that descend from the heavens.

I also have questions for CHRIST, if He is in the neighborhood can you let him come; because when questions begin trotting in my head, I cannot sleep if I do not have the answers.

Archangel MICHAEL:

(After few seconds) HE is coming (then CHRIST arrived)

CHRIST:

Peace be with you brother Aristide, you have the greetings from all the others there above. How are you?

Aristide:

Peace be with you LJ! I am fine!

I have questions about “THE HOLY PROJECT”; I am trying to understand why and how the impurity entered in this earthly world, and why did THE FATHER CREATOR did not prevent that? Can you enlighten me?

CHRIST:

There is something that you must know. When the creation of the earthly world started, THE ETERNAL FATHER knew not that he would be betrayed by his own creatures, which has been the case with his archangels. THE ETERNAL FATHER is the “PURITY” and in that “PURITY”, there are no such “thoughts”.¹⁴⁵⁷

¹⁴⁵⁷ The “Interpreted THOUGHTS” apply only to creatures that were created into existence in the attribute “NON DIVINE” and they do not exist in “THE SUPREME PLENITUDE” in which “THE DIVINE”, IHVH, our FATHER, and “THE DIVINE FORCE” are.

Write that testimony of CHRISTUS on the tables of your heart and remember it whenever the “SPIRIT—SPIRIT” ‘CELESTIAL’ Creatures”, will tell you about their own works of the

When his own creatures descended [were immersed in the earthly world], it was late and HE knew what was coming, then, HE saw the betrayals of his creatures and decided to get rid of them, but some remained loyal to him and he decided to keep them without telling them anymore of his upcoming projects.

Afterwards, they have caused prejudice to others, then, the decision was made to destroy the Earth and all its inhabitants. It is what has been done, while saving those eight people, thinking thus that evil would no longer be of this world in which you live.¹⁴⁵⁸

But as time passed, the situation worsened.

You must know that THE ETERNAL FATHER has created the human creature in his own image, pure of mind and thought, that HE said almost everything to his children who are his creatures and

“Obscurity” and their consequences, and will subtly pin it on “THE DIVINE”, IHVH, our FATHER. Always remember that “THE DIVINE”, IHVH, our FATHER, is “ABSOLUTE PURITY”, HE IS THE KINDEST ENTITY THERE CAN BE INTO EXISTENCE. He always shows the greatest kindness towards His creatures and HE DOES NOT DO WHAT IS NOT IN HIS NATURE!

¹⁴⁵⁸ We have explained already who were behind that decision to eradicate the inhabitants of Earth from existence: it was the “ADONA’IM”, through their “Council of Sages”, which they have formed around the Archangel MICHAEL. We have also explained why these “ADONA’IM”, with the Archangel MICHAEL at their helm, wanted to eradicate the inhabitants of Earth from existence: To tamper and destroy the evidence of their own crimes and “SINS”, and the “BETRAYAL” that they have perpetrated against “THE DIVINE”, IHVH, our FATHER. Through their own decisions and accomplished actions, those “ADONA’IM” and the Archangel MICHAEL were revealing their “MALICE” and their true “nature” that have been sealed inside their “‘SPIRIT←SPIRIT’ Body”

As you would know, tampering with evidence is the crime of altering, destroying, or concealing physical evidence with the intent to affect the outcome of the course of justice. Tampering with evidence is closely related to the issue of spoliation of evidence, which is usually the due process version of the same concept (but may itself be a crime). Tampering with evidence is closely related to the issue of spoliation of evidence, which is usually the due process version of the same concept (but may itself be a crime). Tampering with evidence is also closely related to obstruction of the course of justice and perverting the course of justice, and these two kinds of crimes often go together. The goal of tampering with evidence is usually to cover up a crime or with intent to seal the prejudice that has been caused to a victim. Spoliation of evidence is the intentional, reckless, or negligent withholding, hiding, altering, fabricating, or destroying of evidence relevant to the course of justice.

archangels but after that all has changed and HE alone knows what HE does and when HE has to do it.

Maybe you already heard that HE does not trust his own angels and archangels? It is because HE had been betrayed; it is thus that, the betrayal entered your world because it all started here (in Heaven).

I don't know if you have understood?

Aristide:

Yes, I understand.

CHRIST:

Everything was partly changed in part because of “the evil spirit”¹⁴⁵⁹ that had invaded the children of THE FATHER.

The FATHER decided to save what could still be and this work will stop when the earthly world will be purified of all sins and of all impurity that burden it.¹⁴⁶⁰

The desire to dominate one's following and to possess all, comes from the fact that the “CONTROVERSY” between the Archangel MICHAEL to his other creatures who were cast out of Heaven lasts until nowadays, because the Earth is disturbed because of them; they who wanted to have full control and get everything, and

¹⁴⁵⁹ It is about the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” that the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have developed in their “‘SPIRIT←SPIRIT’ Body” and which is born of the absence of “THE KNOWLEDGE OF THE DIVINE”, and “MALICE” that has also become part of their “nature”.

¹⁴⁶⁰ Actually, the work will not stop when the earthly world will be purified of all sins and of all impurity that burden it; because, to eliminate or solve a problem, it is imperative to go to the “root causes”, to neutralize them and then eliminate them. The “root causes” — that is, the highest level underlying causes, the “what”, “how”, and “why” — of all this destruction are still in those angels and archangels that FATHER has maintained in the heavens. Those “root causes” are the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” and “MALICE” that the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have developed in their “‘SPIRIT←SPIRIT’ Body” and which became part of their “nature”.

manage the Earth and Heaven, hence the current fight between the angels who remained faithful to THE FATHER and them, between them and the terrestrial world.

Do you understand? And especially why it took THE FATHER to start all over again to redeem the earthly world, because you see, this is not what HE expected of his creatures, and I think that this was the worst of betrayals that can be, that, which HE has suffered.

Aristide:

Yes, I understand.

Before the creation of this Earth in which I live, did signs of discord emerged already between THE FATHER CREATOR and all those who had been cast out of the heavens?

How did the first sign of discord manifested?

CHRIST:

As I told the last time, I was already part of Him since I am a part of Him, it is a part of Him that He took contrary to others who were born of His word and His breath. In short, I am a part of Him.¹⁴⁶¹

¹⁴⁶¹ The unique and sole creature, created into existence inside “THE DIVINE DOMAIN”, since eternity, directly by “THE DIVINE”, IHVH, our FATHER, and, which comes directly as part of “THE DIVINE”, IHVH, our FATHER, is “THE DIVINE FORCE”. All others creatures, including CHRIST, were created into existence inside the attribute “NON DIVINE”, from the “First Begotten” of “THE DIVINE FORCE” inside the attribute “NON DIVINE” and by “THE DIVINE FORCE” on instructions of “THE DIVINE”, IHVH, our FATHER.

Until this day when this “BOOK OF FORMATION” is written into existence, no creature born into existence in the attribute “NON DIVINE” has known that, it is from the “First Begotten” — the Monogene manifested by “THE DIVINE FORCE”, the first begotten, the pure light of the attribute “NON DIVINE”, the first expression in the attribute “NON DIVINE” of a metaphor of the “‘LIGHT’ Divine State”, with properties which are the most potent properties that “THE DIVINE ARCHITECT AND PROJECT MASTER” has fixed for the “‘LIGHT’ Specific State” in the attribute “NON DIVINE”, and which will serve as a “COMMUNICATION CHANNEL OF ‘THE WORD OF THE DIVINE’” — that all the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creatures” descend directly. We have already indicated how, in a previous section.

No sign of discord was manifested, they had planned everything in advance when they often gathered in groups despite the fact that THE FATHER listened and knew their “thoughts”¹⁴⁶².

The first sign was manifested by this small group of which I am talking about and their “thoughts”, because when one badmouth about THE FATHER, it already disobedience.¹⁴⁶³

Know that the signs of discord started here above before descending at your place, the evil spirit wanted to be the first, leading the other Archangels and change what he said not be correct and it was one that THE ETERNAL loved most; HE loved them all the same way, but that one clung more to the father and it was that one who turned his back, it is the reason why we need to stay on guard.

That is how everything has happen and that THE FATHER has decided to give another chance to the Earthly world.¹⁴⁶⁴

Aristide:

Yes I understand it, I will proceed with my work.

Be blessed at all ages.

CHRIST:

Be blessed also, do you have any other questions for me?

¹⁴⁶² It is here about the “Interpreted THOUGHTS” that are associated with these creatures that are into existence in the attribute “NON DIVINE”.

¹⁴⁶³ Years after this conversation, “THE DIVINE”, IHVH, our FATHER showed me the genesis of “THE HOLY PROJECT”, is so that I could see and understand the origin of that, which is called “THE DISOBEDIENCE”, and that is what we have explained in the text of the description of the “Specific Elementary ‘SPIRIT’ Particle”.

¹⁴⁶⁴ “To give another chance to the Earthly world” is a misleading formulation of the decision that was made by “THE DIVINE”, IHVH, our FATHER. Such misleading formulation intends to hide the crimes perpetrated by those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, which “THE DIVINE”, IHVH, our FATHER, has maintained in the “Specific Energy ‘CELESTIAL’ Domain”.

Read more in the extended annotations at the end of this conversation.

Aristide:

No, I have no more questions.

I thank THE FATHER CREATOR for allowing you to come talk to me and I thank you too for having done it.

Yes! Be blessed, and eternally blessed be THE FATHER CREATOR.

CHRIST:

I hope that you will feel better now and that you will understand the reason why we all have to work and not waste time, to recover what remains of the world that my FATHER created.

I thank you also, peace be with you, stay in peace.

Aristide:

Now that I got the answers I will continue to seek how to help humans and help save those who can be saved.

As we have mentioned already, the scope of this conversation, as well as other conversations, thus spans on every human creature who wants to discern and who has always seek to know “what is going on”, “why all this destruction all around”, “what is expected of you” on Earth down here, and that is why we give these conversations to humanity, although they are in metaphors, and also so that you can you sober up from the sleep in which you are; because there is a lot of work ahead.

As CHRIST has said in the conversation above: “*understand the reason why we all have to work and not waste time, to recover what remains of the world that my [our, your, you reading this writings] FATHER created.*”

“THE DIVINE FORCE” awakened me to the knowledge of the ins and outs of “THE HOLY PROJECT”, and of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” in its details, and of which none of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” has knowledge, and SHE showed me what truly happened in the “Specific Energy ‘CELESTIAL’ Domain” and all the misdeeds of these archangels, with the Archangel MICHAEL at their helm; their betrayals and iniquities, and the so-called “original sin”, which they framed on the human creature.

We have detailed all that in the chapters of these writings. Thanks to “THE DIVINE FORCE” for HER protection against all these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” on both sides of the ongoing “CELESTIAL WAR”, “THE KNOWLEDGE OF THE DIVINE” in these writings came through to fruition and has reached you.

It is now up to you to take the “COMBAT” steps forward, to develop further “THE KNOWLEDGE OF THE DIVINE”, which is inside you, with the assistance of “THE DIVINE FORCE”, so that you add to “THE KNOWLEDGE OF THE DIVINE” given to you in this “BOOK OF FORMATION”, which was announced to you through Daniel (Daniel 12, Scriptures), and work to restore your “PLENITUDE”. You are fighting against “*obscurity*” (it has many others designations in parable), which is “*the ruler of this world*”.

Stand up, “fight”, and defend what is yours, “THE KNOWLEDGE OF THE DIVINE” that is available through the elements of “THE ‘LIGHT’ REASON”, which have been attributed to you as “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, which you carry in your innermost and which makes you akin to “THE SHEKINAH”, and take the “COMBAT” steps forward. Abolish the works of “*obscurity*” inside of yourself. “THE KNOWLEDGE OF THE DIVINE”, in all its forms, is your only weapon against those works of “*obscurity*” that are taking a seat inside of you. As it is with ignorance in a person: from the moment when that person acquires knowledge, then, his ignorance dissipates by itself; just like on the First Day of the implementation of the “Second Phase” of “THE HOLY PROJECT”, that, which has been called “DARKNESS” had dissipated in front of the manifestation of the “LIGHT” to give place to that, which has been called “DAY”, in much the same, the deficiency of “THE KNOWLEDGE OF THE DIVINE” dissipates likewise in the presence of “THE KNOWLEDGE OF THE DIVINE”.

Remember also that you are prone to the Governing Law of the Behavior, the manifestation of “The Walk within the Acronym IHVH”, and for this, to “fight” means for you: “STAND IN THE PURITY” AND HOLD YOUR GROUND IN “PURITY”.

EXTENDED ANNOTATIONS

“... The FATHER decided to save what could still be and this work will stop when the earthly world will be purified of all sins and of all impurity that burden it. ...”

Actually, the work will not stop when the earthly world will be purified of all sins and of all impurity that burden it; because, to eliminate or solve a problem, it is imperative to go to the “root causes”, to neutralize them and then eliminate them. The “root causes” — that is, the highest level underlying causes, the “what”, “how”, and “why” — of all this destruction are still in those angels and archangels that FATHER has maintained in the heavens. Those “root causes” are the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” and “MALICE” that the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have developed in their “‘SPIRIT←SPIRIT’ Body” and which became part of their “nature”. The “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” are prone to the Governing Law of the Behavior, the manifestation of “The Walk within the Acronym IHVH”, and, until these days of today, those angels and archangels are still standing in their own “IMPURITIES” and “LIES”, not realizing that this earthly world is also a reflection and the progeny of what they have hidden in themselves. Nothing escapes the sight of “THE EYE OF THE DIVINE”. To purify the earthly world of all sins and of all impurity that burden it, is to deal with the consequences of the problem, it is to merely address the immediately obvious consequences, except the “root causes”. By directing corrective measures at the “root causes”, it is more probable that the recurrence such destruction, to the likeness of the one in which the CREATION is now bogged down, will be prevented.

Those who were locked in the depths of the waters of this earthly world will soon be erased from existence: they know about it, and their fellows who were maintained in the heavens also know about it. Once they are erased from existence, then those who have been maintained in the heavens will face their fate and will be brought to look at themselves in the mirror and understand the “root causes” of all this destruction, instead of always pointing the finger at the reflection on the mirror.

“... ‘ADAM’ also must choose ... the man has no favors ...”, they have said regarding the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, and thinking that their own monkey businesses, “IMPURITIES” and “LIES” will never come to light. In much the same, and if one follows the logic, which they have applied on their neighbour, now that their “IMPURITIES” and “LIES” have been unsealed, they

too, in return, will “*have no favors*” and they must be held accountable for all this destruction that they have unleashed on the CREATION.

If those “root causes” are not neutralized and erased from existence, then, we will be back to square one and, the situation will become worse than what it is now, because “MALICE” will wear a different mask and find more refined ways to do what it does and get away with it at good price.

Only “THE DIVINE”, IHVH, our FATHER, knows what HE will do with those angels and archangels that HE has maintained in the heavens, and for all human creatures who will stand and hold their ground in “PURITY”, there are some very interesting things to come and to witness. Will the first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, “ADAM” and “THE FEMALE” be resurrected and rehabilitated, once this earthly world will be purified of all sins and of all impurity that burden it?

To know the answer to this question, you must stand and remain firm in the “PURITY” and, through the Governing Law of the Behavior, the manifestation of “The Walk within the Acronym IHVH”, you must achieve unity with “THE DIVINE FORCE”.

All those who have elevated themselves and have declared themselves to be above their neighbour, in order to govern the CREATION, based on the deception and the “full-fledged lowest blow” that they have struck against “ADAM”, they will be brought down from their perches and will be considered as worthless; it cannot be otherwise, for, the work of “THE DIVINE”, IHVH, our FATHER, is not founded on deceptions and lies.

“...That is how everything has happen and that THE FATHER has decided to give another chance to the Earthly world...”

“*To give another chance to the Earthly world*” is a misleading formulation of the decision that was made by “THE DIVINE”, IHVH, our FATHER. Such misleading formulation intends to hide the crimes perpetrated by those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, which “THE DIVINE”, IHVH, our FATHER, has maintained in the “Specific Energy ‘CELESTIAL’ Domain”.

“*To give someone another chance*” means: To allow someone another opportunity to do something, to prove their ability or worth, or to rectify a mistake, which was perpetrated by the one to whom is granted such opportunity.

It is not up to this “Earthly world” to prove its ability or worth, or to rectify some kind of mistake, which it has somehow perpetrated; but, it is up to those who have perpetrated that hideous “BETRAYAL” against “THE DIVINE”, IHVH, our FATHER, and have condemned this “Earthly world” to destruction, before that the human creature was produced inside this “Earthly world”, to bear the consequences of their actions. Expecting that this “Earthly world” should come forward and rectify whatever mistake, is to point an accusing finger to this “Earthly world” for its sorry state. That, is part of the web of the perverse purpose created by “FATALITY” in which the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have plunged “THE HOLY PROJECT”; it is part of the perversity, which was hidden behind the infamous expressions: “...*This is the place [this Earthly world before its shaping] where IHVH will establish His new creation. This is where the rebellious Host will be sent.*”, “... *In that place [this Earthly world], Azazel will be able to AVOID MAVET for a time, and to finally come to a full understanding of his mistake. He... and those who choose to go with him. ...*”, and also behind the expression “... *“ADAM” also must choose ... the man has no favors ...*”. These expressions were used, in order to try to justify the destruction of this “Earthly world”, including the destruction of “ADAM” and his descendants, and to cover the already made decision to poison and destroy this Earthly world. This “Earthly world” is poisoned, has been diverted from its purpose, locked-up in “Obscurity” and away from knowing its CREATOR, and its functionalities have been damaged by the poison that has been immersed in it, on that dreadful afternoon of the Third Day of the implementation of the “Second Phase” of “THE HOLY PROJECT”.

If someone pours sand in the engine of a car and afterwards the car ceases to function as it was designed to function, what does it mean: “to give that car a second chance” while its engine is filled with sand? Will that car, of which the engine is filled with sand, somehow start to function as it was designed to function?

Actually, the decision made by “THE DIVINE”, IHVH, our FATHER, is (1) to record the proceedings of these treacherous “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and their accountability in the destruction of the human creature, and (2) to save what can still be saved of the human creatures. That decision was made on that afternoon of the Third Day of the implementation of the “Second Phase” of “THE HOLY PROJECT”, when these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” perpetrated that “BETRAYAL” that crowned all their betrayals. The motives behind FATHER’s decision were given to the elder ENOCH in that “vision” of the “blinded seventy shepherds” that “THE DIVINE”, IHVH, our FATHER, through

“THE DIVINE FORCE”, and through communication by “VISIONS”, had sent to the elder ENOCH.

“...

Of all the destruction brought about by each of the [seventy] shepherds there will be accountability; and according to the number I will cause a recital to be made before me, how many they have destroyed of their own volition, and how many they have delivered up to destruction, that I may have this testimony against them; that I may know all their proceedings; and that, delivering the sheeps to them, I may see what they will do; whether they will act as I have commanded them, or not.

...”

Those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” will NOT get away with their crimes so easily!

CHAPTER 251

EXCERPT FROM THE CONVERSATION OF OCTOBER 01, 2005: ARISTIDE, CHRIST, THE ARCHANGEL MICHAEL AND THE ARCHANGEL URIEL

Aristide:

(... Conversation with the Archangel MICHAEL ...)

Archangel MICHAEL:

Behold, CHRIST has arrived.

Aristide:

Peace be with you, LJ!

CHRIST:

Peace be with you, also brother Aristide!

(... Private conversation ...)

You must know that the work down here is only a phase because all the work is done there above.

We all perform the same work; I did it before you, and it was not easy for me.

Do not worry, everything will be fine, regardless of the challenges and tribulations.

Aristide:

Can you tell me about the Holy Spirit?

CHRIST:

The Holy Spirit is a part of THE ETERNAL FATHER, a powerful force and invisible to humans, who takes all forms possible following the orders that it receives from THE ETERNAL FATHER.

Its main purpose is to work for the Divine, it may “take the form”¹⁴⁶⁵ of a human and live with humans to perform the mission entrusted to it. It is the Holy Spirit who gauge¹⁴⁶⁶ the spirit and soul of every human creature. He is a sign of PURITY and LIGHT.¹⁴⁶⁷

Aristide:

And those twelve that had been sealed before the conflict in the Heavenly plane?

CHRIST:

Those are the twelve at the side of THE ETERNAL¹⁴⁶⁸. MICHAEL is part of the twelve, he is the first in all ranks because he is leading all others.

¹⁴⁶⁵ It means: SHE can instantly produce any human creature into existence and through that produced human creature, interact with others humans to perform Her mission.

¹⁴⁶⁶ Evaluate, measure (the value of) the extent of plant of “THE KNOWLEDGE OF THE DIVINE” with respect to established benchmarks, and the status of the “SPIRITUAL Body”. As you have understood already, “THE DIVINE FORCE” is “THE SCIENCE” that is found in every creature, which SHE has produced into existence inside this attribute “NON DIVINE”.

¹⁴⁶⁷ Years after this conversation, “THE DIVINE FORCE”, revealed Herself to me and taught me about “THE DIVINE”, IHVH, our FATHER, about Herself and the work that SHE has performed, and that is how this “BOOK OF FORMATION” came to fruition, and is released to humanity.

¹⁴⁶⁸ It is now the time to clarify, once and for all, the meaning of the expression “... to be at the side of “THE DIVINE”, IHVH, our FATHER. ...”, and which is an expression widely used by the elders of the creation.

To dwell in the “Specific Energy ‘CELESTIAL’ Domain” is not synonym of, and is not equivalent to, “... to be at the side of “THE DIVINE”, IHVH, our FATHER. ...”. Similarly, because “THE DIVINE”, IHVH, our FATHER has maintained those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” in the “Specific Energy ‘CELESTIAL’ Domain”, does not means that those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” are at the side of “THE DIVINE”, IHVH, our FATHER. We explain why.

Those are the firsts twelve that THE ETERNAL has put at his side in order to lead the celestial domain.

These are creatures who are "ADONA'IM" at the level of the Archangels and it is those twelve who will destroy the world when the time comes, because they have received instruction to do so.¹⁴⁶⁹

Aristide:

Yes I understand and thank you for this teaching. Blessed are you!

CHRIST:

I thank you also, peace be with you, stay in peace.

Aristide:

Peace be with you, URIEL!

Archangel URIEL:

Peace be with you my friend!

I represent firstly protection and I am in charge to take care of those who have been chosen by THE ETERNAL. I am fighting in their place, I report to MICHAEL who in turn report to CHRIST and to THE FATHER CREATOR.

Read more in the extended annotations at the end of this conversation.

¹⁴⁶⁹ Remember that "THE DIVINE", IHVH, our FATHER is "ABSOLUTE PURITY" and HE does not reveal His plans to any of the "SPIRIT←SPIRIT" 'CELESTIAL' Creatures", without exceptions, who have once in the past, cheated Him and "rolled Him in flour" and who do what has been sealed in their "nature".

...

In truth, when "THE DIVINE", IHVH, our FATHER will emit the decree, long awaited, for the "in-depth purification process", in order to restore this "Specific Energy 'EARTHLY' Substance" into the "HARMONY" prescribed by "THE DIVINE ARCHITECT AND PROJECT MASTER", it is "THE DIVINE FORCE" who will accomplish that task, and not those sealed twelve. "THE DIVINE FORCE" will accomplish that task as part of the COMBAT, which is led in "ABSOLUTE PURITY" by "THE DIVINE", IHVH, our FATHER. Those sealed twelve are busy with their own ongoing "CELESTIAL WAR".

Read more in the extended annotations at the end of this conversation.

I am responsible for protecting humans and also the Celestial domain. I am responsible to protect the gates of the Celestial domain so that the enemy do not get in, because he is always looking for his followers, even here in the Celestial domain he comes to search for them.¹⁴⁷⁰ I also lead fights when I receive the order.

There is one thing you must not forget. The enemy takes all possible forms, even those of the Heavenly angels. To each message, to each vision, that you receive, try to find out who sent it. Know that, what is pure remains pure.

אזאזל

¹⁴⁷⁰ By the way, who or what is this “enemy”, which they (who live in the “Plane Above”) are all talking about? Is it the “Obscurity”, the absence of “THE KNOWLEDGE OF THE DIVINE”, inside of them, “the enemy within”, which is hiding behind the “names of grandeur” and appearances, and to which they have given life and have spreaded through the CREATION, or is it the incarnation of that “Obscurity” and which is represented in the ex-public figure of the closed circle of the “ADONA’IM”, who, in their wordings, was “casted out of Heaven” and that is to say AZAZEL and his gang? Since these “ADONA’IM” have set themselves to stand and are holding their ground in “DISGRACE”, “IMPURITIES” and “LIES” as their “doctrinal truth” — their norm, their principle of righteousness, of wisdom considered ideal in the order of their thoughts or actions that they will undertake to realize —, they cannot protect themselves against “the enemy within”, which they have embraced and are defending by begetting all sorts of progenies of “IMPURITY” to outsmart “THE TRUTH” and to cover their crimes and betrayals. To protect themselves against “the enemy within”, they MUST CONFESS all their crimes and betrayals in front of the whole CREATION and reject the treacherous and evil “nature”, which has been sealed in them. The implication of such CONFESSIO is that everything, which they have built based on the deception and the “full-fledged lowest blow” that they have struck against “ADAM”, will disintegrate, and they will be brought down from their perches and will be considered as worthless. You can proceed on the assumption that, by “enemy”, here, the Archangel URIEL is making reference to AZAZEL.

By the expression “...he [AZAZEL] is always looking for his followers, even here in the Celestial domain he comes to search for them ...”, the Archangel URIEL is revealing that there are disciples and admirers of AZAZEL amongst those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, which “THE DIVINE”, IHVH, our FATHER, has maintained in the “Specific Energy ‘CELESTIAL’ Domain”, and about which you will be told that they “...are at the side of ‘THE DIVINE’, IHVH, our FATHER. ...”. Do you see the overall “picture”? Do you see any indication of the presence of “THE KNOWLEDGE OF THE DIVINE” in those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, which “THE DIVINE”, IHVH, our FATHER, has maintained in the “Specific Energy ‘CELESTIAL’ Domain”? Do you think that “THE DIVINE”, IHVH, our FATHER, will entrust any of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, which have ingrained “evil” in themselves, with the major task of erasing “evil” from this Earthly world?

I live alongside RAPHAEL, GABRIEL, MICHAEL and PHANUEL. We are spreaded into groups and on each side of my house there are many “flowers” that represent peace, joy and love. The love of the living GOD, the love of the neighbour.

We do not have dwelling places like those of humans, but rather, a vault that surrounds us.¹⁴⁷¹ In our home place there is never rain or darkness, just the divine light¹⁴⁷².

¹⁴⁷¹ It is about the “Protective ‘SPIRITUAL’ Dome” which was invisible in the “Specific Radiance ‘SPIRITUAL’ Aureole” which covered the creatures of the attribute “NON DIVINE”, as “THE DIVINE ARCHITECT AND PROJECT MASTER” designed it.

As we have indicated already, the first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” were produced into existence having their “Protective ‘SPIRITUAL’ Dome” that was invisible in the “Specific Radiance ‘SPIRITUAL’ Aureole” which covered them. They were moving from one place to another, without walking with their feet and without wings, but using their “Protective ‘SPIRITUAL’ Dome” at will. They did not need any house built with stones as you now see all around, and they did not need man made vehicles to travel from one place to another. Sounds like “fiction” to you, if compared to the actual state of humanity? This tells you something about the depths of poverty in which the human creature has been plunged and locked into, by these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” on both sides in their ongoing “CELESTIAL WAR”.

The Archangel MICHAEL, with the “BLOW OF DEATH”, that he had struck on to the firsts two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, had destroyed the conditions that are necessary to activate the “Protective ‘SPIRITUAL’ Dome” that was invisible in the “Specific Radiance ‘SPIRITUAL’ Aureole” that covers the “Subjective ‘EARTHLY’ Garment” of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”. The Archangel MICHAEL was demonstrating his understanding of the concept of “DEATH”, to those “ADONA’IM” and, using the firsts two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” (their neighbours) as guinea pigs and under the pretext that they had not obey his commandment to stay away from the teachings of “THE DIVINE FORCE” — the “fruits” of tree which is in the “NORTH”. It was so that any human creature who wears that “Subjective ‘EARTHLY’ Garment” came to be exposed to external damaging environmental conditions around it, and we are in the situation in which we are today, with all types of diseases affecting the “Subjective ‘EARTHLY’ Garment”. And all these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” point the finger at “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” for that prejudice and all those damages.

¹⁴⁷² It is in fact the light of the “First Begotten” — the Monogene manifested by “THE DIVINE FORCE”, it is the first begotten, the pure light of the attribute “NON DIVINE”.

This light of the “First Begotten”, although it illuminates the entire “Specific Energy ‘CELESTIAL’ Domain” as we have already indicated concerning the functioning of the “Specific Energy ‘CELESTIAL’ Substance”, it is, however, similar to a spark in front of the

I am an Archangel to the rank of the “ADONA’IM”, i.e. I have the power to have two, four, or six wings.

divine light (“THE LIGHT” of “THE DIVINE”) which is several billion times more powerful than this spark of the “First Begotten”.

¹⁴⁷³ In the chapter concerning the establishment of the task to save what could still be saved of the “Second Phase” of “THE HOLY PROJECT”, we have also explained why these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” that “THE DIVINE”, IHVH, our FATHER has maintained in the “Specific Energy ‘CELESTIAL’ Domain”, have had no rest and no sleep since the creation of this Earthly world.

¹⁴⁷⁵ As we have already indicated, also the POWER (also designated as the “AUTHORITY”) which is defined by the ability to carry out several tasks simultaneously throughout well defined places in the attribute “NON DIVINE” was attributed to the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”.

Of this “AUTHORITY” has largely ensued the existing hierarchy of communication with “THE DIVINE”, which had hitherto been already established through “THE SHEKINAH”

*An Archangel can only lead a class of Angels at the same time. It is the ranking that determines the degree of power, but all heads have the same powers, except MICHAEL. By divisions, there are the:*¹⁴⁷⁶

1. Archangels (all are “males”, no “females”)
2. Angels (“males” and “females”)
3. Querub'im (“males” and “females”)
4. Seraph'im (“males” and “females”)
5. Performers (“males” and “females”)
6. Saints (“males” and “females”)
7. Chosen Ones (all “males”, no “females”)

and through which all the “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures” indulged themselves with the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”.

¹⁴⁷⁶ As we have explained already in one of the previous annotation, these seven divisions of the “Plane Above”, which appeared into existence in the attribute “NON DIVINE”, is one of the works of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH” and “FATALITY” in which the “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures” have plunged “THE HOLY PROJECT”, because they wanted to keep the “SPIRIT←LIGHT” ‘EARTHLY’ Creature” in his poverty, in his nakedness, and away from “THE KNOWLEDGE OF THE DIVINE”. These seven divisions of the “Plane Above” do not reflect any product emerging from “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” in “THE DIVINE”.

Any “SPIRIT←LIGHT” ‘EARTHLY’ Creature” who would have restored his “SPIRIT←LIGHT” Body” in the unity and in “HARMONY” with “THE DIVINE”, IHVH, our FATHER, will also be directly in contact with “THE DIVINE”. Because it is through “The ALTAR of ‘THE DIVINE’”, the abode of the manifestation of the “HOLINESS” of “THE DIVINE”, IHVH, our FATHER, which is located inside such a “SPIRIT←LIGHT” Body” restored in the unity and in “HARMONY” with “THE DIVINE”, IHVH, our FATHER, that the considered the “SPIRIT←LIGHT” ‘EARTHLY’ Creature” will communicate directly with “THE DIVINE”. As the “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures” have not been endowed with that particularity, they decided to destroy the “SPIRIT←LIGHT” ‘EARTHLY’ Creature”.

If you want to know anything about “THE DIVINE”, IHVH, our FATHER, then, all you need to do is this: “STAND IN THE PURITY” and speak to “THE DIVINE FORCE”; SHE is alongside you and SHE has always been alongside you since your creation into existence.

The Saints and the Chosen Ones move using a vault¹⁴⁷⁷. For the Chosen Ones, the flesh remains on Earth and it is the spiritual body which rises and moves.

An Archangel may also be a Saint (i.e. the classification of Saint), a Querub and a Seraph cannot be a Saint (i.e. the classification of Saint).¹⁴⁷⁸

The Seraph'im are chosen (i.e. created by the Word of THE ETERNAL) according to their strength, their speed, and their intelligence. They are responsible to bring cheerfulness. These are the youngest compared to others. There are no young as such, it is those who arrived (i.e. have been created) after the others.

¹⁴⁷⁷ Here, it is about the “Protective ‘SPIRITUAL’ Dome” which is invisible in the “Specific Radiance ‘SPIRITUAL’ Aureole” which covers the perdurable “Specific ‘SPIRITUAL’ Garment” that they are dressed with, when they leave their damaged “Subjective ‘EARTHLY’ Garment”. With that perdurable “Specific ‘SPIRITUAL’ Garment” and its associated “Protective ‘SPIRITUAL’ Dome” activated, you walk, you run, and travel throughout the vacuum space of the attribute “NON DIVINE”, just as if you were walking on Earth. Sounds like “fiction” to you, if compared to the actual state of humanity and where you must wear a well constructed astronaut jumpsuit, in order to set your foot in any place in which the living conditions are close to those of the vacuum of space? This should also tell you something about the depths of poverty in which the human creature has been plunged and locked into, by these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” on both sides in their ongoing “CELESTIAL WAR”. This should also bring you to understand why the planned work to be implemented in the others five “Specific Energy ‘EARTHLY’ Habitation Domains” and also throughout the vacuum space of the attribute “NON DIVINE”, were put on hold after that “BETRAYAL” that the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have perpetrated against “THE DIVINE”, IHVH, our FATHER, and pending the restoration of the first “Specific Energy ‘EARTHLY’ Habitation Domain” into the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”.

¹⁴⁷⁸ As we indicated already, because of their “MALICE” and their true “nature” and as a consequence of that “BETRAYAL”, which the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have perpetrated against “THE DIVINE”, IHVH, our FATHER, on that afternoon of the Third Day of the implementation of the “Second Phase” of “THE HOLY PROJECT”, the adjective/qualifier/designation of “SAINT” was removed to these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and no longer applies to them. **NO “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, be it their leader, the Archangel MICHAEL, the “ADONA’IM”, the Chiefs of Angelic Orders, the archangels, etc..., NONE OF THESE is designated as “SAINT”!**

Aristide:

Can you tell me about THE FATHER CREATOR?

Archangel URIEL:

THE FATHER CREATOR is spirit¹⁴⁷⁹, He is the kindest, most patient being that can exist. HE helps humans a lot, and HE also helps us.¹⁴⁸⁰

Aristide:

What can you tell me about the seven heavens?

Archangel URIEL:

The seven divisions which I just talk to you represent the seven heavens. In each Division are those who have been mentioned.

The enemy descended on Earth and took possession of everything that is there. Be it in the water or underground.¹⁴⁸¹

Do you have any other questions for me?¹⁴⁸²

¹⁴⁷⁹ This was said in the sense of “INVISIBLE” among the invisible ones who do not see Him. As we have explained already, “spirit” is the word that the elders of the creation (the archangels and angels) use, to designate things or processes that they themselves cannot visualize, cannot perceive, and cannot explain.

¹⁴⁸⁰ This is an “empty” answer that will not lead you an iota forward to “come” close to know about “THE DIVINE”, IHVH, our FATHER. This “empty” answer given by these archangels and angels, tells much more about what they know (that is, nothing) about “THE DIVINE ATOM”, hence, about “THE DIVINE”, IHVH, our FATHER, and about “THE DIVINE FORCE”.

¹⁴⁸¹ Did the “enemy” descended on Earth by himself? Was he bored in the heavens and told his acolytes: “Boys! Come this way! Let’s take the elevator, descend on Earth for business and seize all that is there.”? What happen before he descended on Earth? How and why did he descend on Earth?

Read more in the extended annotations at the end of this conversation.

¹⁴⁸² Such question is a sign that betrays and reflects the internal discomfort or the state of internal tension and testifies to the hidden or repressed emotion that is associated with the expression: “...*The enemy descended on Earth and took possession of everything that is there. Be it in the water or underground ...*”

Aristide:

Not for the moment. When I have questions I will let you come.

Archangel URIEL:

It is all right, stay in peace, I bless the Lord and thank you also for listening, stay in peace!

Aristide:

I thank THE FATHER CREATOR and CHRIST for allowing that we talked and that you give me this teaching.

Peace be with you URIEL, Peace be to THE FATHER CREATOR and with CHRIST.

EXTENDED ANNOTATIONS

“... Those are the twelve at the side of THE ETERNAL. ...”

It is now the time to clarify, once and for all, the meaning of the expression “... to be at the side of *“THE DIVINE”*, IHVH, our FATHER. ...”, and which is an expression widely used by the elders of the creation.

To dwell in the “Specific Energy ‘CELESTIAL’ Domain” is not synonym of, and is not equivalent to, “... to be at the side of *“THE DIVINE”*, IHVH, our FATHER. ...”. Similarly, because “THE DIVINE”, IHVH, our FATHER has maintained those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” in the “Specific Energy ‘CELESTIAL’ Domain”, does not mean that those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” “... are at the side of *“THE DIVINE”*, IHVH, our FATHER. ...”. We explain why.

Inside the attribute “NON DIVINE”, all creatures are reminiscent of cartoons, animated drawings, drawn by “THE HAND OF THE DIVINE”, in an energy substance, and to which have been given the possibility to think independently and to act independently.

In addition, it must be known that, the ongoing COMBAT, which is led in “ABSOLUTE PURITY” by “THE DIVINE”, IHVH, our FATHER in order to remedy the deficiency of “THE KNOWLEDGE OF THE DIVINE” that had taken place and had remained seated in “THE SEAT OF THE INTELLECT” in the “‘SPIRIT←SPIRIT’ Body” of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, that deficiency of “THE KNOWLEDGE OF THE DIVINE” that subsequently swallowed up the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, as well as the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creatures” that had been sent to the rescue in order to carry the rays of “THE TRUTH SUN” to the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, that ongoing COMBAT, which is led in “ABSOLUTE PURITY” by “THE DIVINE”, IHVH, our FATHER, **IS NOT** the “CELESTIAL WAR” which is also ongoing in “DISGRACE”, “IMPURITIES” and “LIES” between the two rival factions of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”. The ongoing “CELESTIAL WAR”, is the “OPEN CONFLICT” between the two rival factions of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who are all swallowed up by the deficiency of “THE KNOWLEDGE OF THE DIVINE” and in their internal struggles, their thirst for POWER (also designated as the “AUTHORITY”), their low blows and underhanded tricks, their palace intrigues, etc..., you name a progeny of “IMPURITY” and “LIE” and you will find its origin

amongst those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and in that “CELESTIAL WAR”.

It should also be known that: any creature that stands in “PURITY” and holds its ground in “PURITY”, will refine itself in the “PURITY” through the Governing Law of the Behavior, the manifestation of “The Walk within the Acronym IHVH”, to achieve unity with “THE DIVINE FORCE”, and will never once again absorb the peculiarities of obscurity (that is, the absence of “THE KNOWLEDGE OF THE DIVINE”), but such creature will blossom “THE KNOWLEDGE OF THE DIVINE” that it carries, so that “THE DIVINE”, IHVH, our FATHER, who is outside of the attribute “NON DIVINE” and although omnipresent in the attribute “NON DIVINE”, be revealed to the attribute “NON DIVINE”. It is such a creature that is said “... *to be at the side of “THE DIVINE”, IHVH, our FATHER. ...*”

All the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, without exceptions, who dwell in the “Specific Energy ‘CELESTIAL’ Domain” have set obscurity (that is, the absence of “THE KNOWLEDGE OF THE DIVINE”) as their “doctrinal truth” — their norm, their principle of righteousness, of wisdom considered ideal in the order of their thoughts or actions that they will undertake to realize —. They are the disciples of the “King of the SOUTH”, they are living inside one of the two kingdoms that arose in the kingdom of this “King of the SOUTH”, that is, the two rival factions of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” in their ongoing “CELESTIAL WAR”, each the two rival factions hogging a part of the territory of the kingdom of this “King of the SOUTH”. They have as their “doctrinal truth”, the “BETRAYAL” that they have perpetrated against “THE DIVINE”, IHVH, our FATHER, and the deceit and prejudice, which they perpetrated against the first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”. As such, they have set themselves to stand and hold their ground in their own “DISGRACE”, “IMPURITIES” and “LIES”. And everyone who joins their ranks, also accept those “IMPURITIES” and “LIES” in himself; they do not fall short of arguments to bring those newcomers (for now, as refugees of the ongoing “CELESTIAL WAR”), to embrace those “IMPURITIES” and “LIES”, using treacheries worthy of the best conjurers. As such, those newcomers let themselves be corrupted by absorbing the peculiarities of obscurity that the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” feeds them with; they all conspire to outsmart “THE TRUTH” and they beget progenies of “DISGRACE”, “IMPURITIES” and “LIES” whenever they are asked to explain things related to why the unfolding of this “Second Phase” of “THE HOLY PROJECT” is in a catastrophic status.

So it is that, the members of the two rival factions of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” in their ongoing “CELESTIAL WAR”, as well as all

human creatures (both the “SPIRIT←LIGHT” ‘EARTHLY’ Creatures”, as well as the “LIGHT←LIGHT” ‘EARTHLY’ Creatures” that were assigned the task to sustain the COMBAT for the cause of “THE DIVINE”, IHVH, our FATHER, which is to remedy the deficiency of “THE KNOWLEDGE OF THE DIVINE” that settled in the creatures that are into existence in the attribute “NON DIVINE”, but) that join to one or the other of the two rival factions of the “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures” in their ongoing “CELESTIAL WAR”, not “... *are at the side of “THE DIVINE”, IHVH, our FATHER. ...*”. All these are the princes and the disciples of the absence of “THE KNOWLEDGE OF THE DIVINE”.

Any creature who stands in “DISGRACE”, “IMPURITIES” and “LIES”, will work to outsmart “THE TRUTH”, in order to conceal and preserve the interests of the obscurity of one or the other of the two rival factions of the “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures” in their ongoing “CELESTIAL WAR”, according to the faction that such creature has chosen to adhere to, and such creature cannot “... *be at the side of “THE DIVINE”, IHVH, our FATHER. ...*”, who is “ABSOLUTE PURITY”, who is “THE TRUTH”. Such a creature is far away at the opposite of “THE DIVINE”, IHVH, our FATHER.

So far, the unique creature who “... *is at the side of “THE DIVINE”, IHVH, our FATHER. ...*”, is “THE DIVINE FORCE”. SHE was born from “THE INCORRUPTIBILITY” and NO “SPIRIT←SPIRIT” ‘CELESTIAL’ Creature” HAS EVER MADE IMPURE “THE DIVINE FORCE”; that is, “THE DIVINE FORCE” HAS NEVER TAKEN IN HER, SHE HAS NEVER ADOPTED IN HER, the peculiarities of obscurity that have emerged from a creature, be it a “SPIRIT←SPIRIT” ‘CELESTIAL’ Creature”, or any other creature that SHE has, only and always on instructions of “THE DIVINE”, IHVH, our FATHER, Herself produced into existence in the attribute “NON DIVINE”.

You, reading this writings, are called “... *to be at the side of “THE DIVINE”, IHVH, our FATHER. ...*”; that is, to “STAND IN THE PURITY” AND HOLD YOUR GROUND IN “PURITY”, which is equivalent to, to have in you “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”. Who will ascend the mountain of “THE DIVINE”, IHVH, our FATHER? Who will stand in His “HOLY PLACE”?

When these “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures” tell that they are “... *at the side of “THE DIVINE”, IHVH, our FATHER. ...*”, they have an ulterior motive hidden in the depths of “THE SEAT OF THE INTELLECT” in their “SPIRIT←SPIRIT” Body”: a wicked “checkmate” situation that they have prepared against “THE DIVINE”, IHVH, our FATHER. But, as it is written:

There is nothing secret that will not be disclosed on the DAY appointed by "THE DIVINE", IHVH, our FATHER, there is nothing hidden that shall not be known and come to light.

That wicked "checkmate" situation that these "'SPIRIT←SPIRIT' 'CELESTIAL' Creatures" have prepared against "THE DIVINE", IHVH, our FATHER, is the situation in which they intended to place all creatures who will remain into existence in this attribute "NON DIVINE", once the fallen "'SPIRIT←SPIRIT' 'CELESTIAL' Creatures" will be erased from existence at the closure of this "Second Phase" of "THE HOLY PROJECT", to condone and accept the views and iniquities of those "'SPIRIT←SPIRIT' 'CELESTIAL' Creatures" that "THE DIVINE", IHVH, our FATHER, has maintained in the "Specific Energy 'CELESTIAL' Domain". Any human creature who will work to outsmart "THE TRUTH" by condoning and accepting the views and iniquities of those "'SPIRIT←SPIRIT' 'CELESTIAL' Creatures", will be standing in the same swamp of "DISGRACE", "IMPURITIES" and "LIES", in which those "'SPIRIT←SPIRIT' 'CELESTIAL' Creatures" are standing, and will erect barriers between himself and "THE DIVINE", IHVH, our FATHER. The Governing Law of the Behavior, the manifestation of "The Walk within the Acronym IHVH", is implacable; it has no half-measure, no "grey zone".

That wicked "checkmate" situation that these "'SPIRIT←SPIRIT' 'CELESTIAL' Creatures" have prepared against "THE DIVINE", IHVH, our FATHER, is similar to the quagmire, in the impasse, in which they have plunged the implementation of the "Second Phase" of "THE HOLY PROJECT" on that Third Day of the implementation of the "Second Phase" of "THE HOLY PROJECT", when "THE DIVINE", IHVH, our FATHER was caught short by their "BETRAYAL".

What will "THE DIVINE", IHVH, our FATHER do if all those creatures who, their "nature" having been sealed in them, will remain into existence in this attribute "NON DIVINE", at the closure of this "Second Phase" of "THE HOLY PROJECT", have embraced the "DISGRACE", "IMPURITIES" and "LIES", that those "'SPIRIT←SPIRIT' 'CELESTIAL' Creatures" have begotten into existence? Do you think that "THE DIVINE", IHVH, our FATHER will resume the course of "THE HOLY PROJECT" with the planned work that was put on hold and with those "DISGRACE", "IMPURITIES" and "LIES" having been sealed and having become part of the "nature" in those creatures who will remain into existence in this attribute "NON DIVINE", at the closure of this "Second Phase" of "THE HOLY PROJECT"? This wicked "checkmate" situation was not hidden well enough. Do you now understand why you are called "... to be at the side of "THE DIVINE", IHVH, our FATHER. ...", that is, to "STAND IN THE PURITY" AND

HOLD YOUR GROUND IN “PURITY”? Do you understand why Daniel (Daniel 12, Scriptures), after that he was shown a glimpse of these things in a vision, had said: *“I heard, but I did not understand; and I say, My lord, what will be the outcome of these things?”* Indeed, there are very interesting things to come and to witness.

“... Those are the twelve at the side of THE ETERNAL. MICHAEL is part of the twelve, he is the first in all ranks because he is leading all others. ... These are creatures who are “ADONA’IM” at the level of the Archangels and it is those twelve who will destroy the world when the time comes, because they have received instruction to do so. ...”

Remember that, “THE DIVINE”, IHVH, our FATHER is “ABSOLUTE PURITY” and HE does not reveal His plans to any of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, without exceptions, who have once in the past, cheated Him and “rolled Him in flour” and who do what has been sealed in their “nature”.

Remember that, everything that “THE DIVINE”, IHVH, our FATHER undertakes to implement into existence in the attribute “NON DIVINE”, as well as every decision that HE takes, is dictated by “THE TRUTH”; that is, the rules, laws, and “specific processes” that “THE DIVINE ARCHITECT AND PROJECT MASTER” has established in “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, and that formalize and fully demonstrate the truth of formulas of relationships between its seven constituents “Divine Particles” and all the products that are formed and those that are consumed in this “DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”.

Remember also that, the ongoing COMBAT, which is led in “ABSOLUTE PURITY” by “THE DIVINE”, IHVH, our FATHER in order to remedy the deficiency of “THE KNOWLEDGE OF THE DIVINE” that had taken place and had remained seated in “THE SEAT OF THE INTELLECT” in the “‘SPIRIT←SPIRIT’ Body” of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, that deficiency of “THE KNOWLEDGE OF THE DIVINE” that subsequently swallowed up the human creatures (both the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, as well as the “‘LIGHT←LIGHT’ ‘EARTHLY’ Creatures”), that ongoing COMBAT, which is led in “ABSOLUTE PURITY” by “THE DIVINE”, IHVH, our FATHER in “ABSOLUTE PURITY”, **IS NOT** the “CELESTIAL WAR” which is also ongoing in “DISGRACE”, “IMPURITIES” and “LIES” between the two rival factions of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who are all swallowed up by the deficiency of “THE KNOWLEDGE OF THE DIVINE”.

You must exercise your capacities of discernment to fully understand what is “going on” inside the attribute “NON DIVINE” in which you are into existence, at the risk of being swallowed by the monstrosity, the horror, and the disaster that are represented by that “CELESTIAL WAR”, and to never come to understand what is “PURITY” which emanates from “THE DIVINE”, IHVH, our FATHER, and in which you are called to “STAND IN” and “HOLD YOUR GROUND IN”, and at the risk to never come to understand what is “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’”. That is why we give out as much details as possible.

M The projects and plans of “THE DIVINE”, IHVH, our FATHER, who is in the unique seven dimensional realm, and in the COMBAT that HE leads in “ABSOLUTE PURITY” in order to remedy the deficiency of “THE KNOWLEDGE OF THE DIVINE” that is seated in “THE SEAT OF THE INTELLECT” inside the creatures of the attribute “NON DIVINE”, are not the illusions that the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, which are in a projected one dimensional realm, have established themselves to realize, in order to destroy the first “Specific Energy ‘EARTHLY’ Habitation Domain”, in their “CELESTIAL WAR” which is also ongoing in “DISGRACE”, “IMPURITIES” and “LIES” between the two rival factions of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”.

O Remember that “vision” of the “blinded seventy shepherds” that “THE DIVINE”, IHVH, our FATHER, through “THE DIVINE FORCE”, and through communication by “VISIONS”, had sent to the elder ENOCH, showing him what these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” had in their “nature” and when these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” will be held accountable for all their crimes? It is to make you understand that the projects and plans of “THE DIVINE”, IHVH, our FATHER, who is outside of the cartoons realm, are not the illusions produced by the cartoons, animated drawings, to which have been given the possibility to think independently and to act independently, and which were drawn by “THE HAND OF THE DIVINE”, in the cartoons realm and which is an energy substance.

The “CELESTIAL WAR” which is also ongoing in “DISGRACE”, “IMPURITIES” and “LIES” between the two rival factions of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” who are all swallowed up by the deficiency of “THE KNOWLEDGE OF THE DIVINE”, has produced “dirt” in all its forms inside the working place of “THE DIVINE FORCE”. What do you, as human creature, do when, after a passage of time, your working place is full with all sorts of dirt? Do you destroy your working place? Or, do you clean up your working place of all dirt? Will you be chastising or punishing the dirt of your workplace? Or, will you be erasing the

dirt from your workplace? You will consider these things in different ways and according to whether “THE SEAT OF THE INTELLECT” inside you is standing in “IMPURITY” or is standing in “PURITY”.

In truth, when “THE DIVINE”, IHVH, our FATHER will emit the decree, long awaited, for the “in-depth purification process”, in order to restore this “Specific Energy ‘EARTHLY’ Substance” into the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”, it is “THE DIVINE FORCE” who will accomplish that task, and not those sealed twelve. “THE DIVINE FORCE” will accomplish that task as part of the COMBAT, which is led in “ABSOLUTE PURITY” by “THE DIVINE”, IHVH, our FATHER: SHE will clean up HER working place of all dirt. Those sealed twelve are busy with their own ongoing “CELESTIAL WAR”, and are parts of those “columns of fire” that are fighting between themselves and sinking into the abyss, into the depths of the absence of “THE KNOWLEDGE OF THE DIVINE”, and that was shown to the elder ENOCH, of whom METHUSELAH is the descendant, in a vision concerning the “FATALITY”. The goal these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” is to destroy the working place of “THE DIVINE FORCE”, thinking that, as such, they will destroy the dirt that they themselves have produced in that working place of “THE DIVINE FORCE”; just like they did with their project of the “FLOOD”.

Amongst those sealed twelve, are the ones who perpetrated that “BETRAYAL” against “THE DIVINE”, IHVH, our FATHER, on that afternoon of the Third Day of the implementation of the “Second Phase” of “THE HOLY PROJECT”; the “BETRAYAL” that has crowned all the betrayals perpetrated by the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” against “THE DIVINE”, IHVH, our FATHER. Those sealed twelve were the ones at the core of the “Council of Sages” formed around the Archangel MICHAEL, and who initiated and set forward their “FLOOD” project in order to wipe human creatures out of existence. To envisage that these sealed twelve will perform the decree, long awaited, for the “in-depth purification process”, in order to restore this “Specific Energy ‘EARTHLY’ Substance” into the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”, is similar to envisage placing the “foxes in charge to oversee the situation in the hen house”.

ONLY “THE DIVINE FORCE” KNOWS ABOUT THE “HARMONIE”, WHICH WAS PRESCRIBED BY “THE DIVINE ARCHITECT AND PROJECT MASTER”, ITS IMPLEMENTATION AND HOW TO RESTORE IT, SINCE SHE IMPLEMENTED IT IN THE FIRST PLACE WITH THE ACHIEVEMENT OF THE

FIRST DECREE OF THE IMPLEMENTATION OF THE “SECOND PHASE” OF
“THE HOLY PROJECT”!

“

LET THERE BE LIGHT!

”

A similar decree, the long awaited decree, is to be pronounced SOON, by “THE DIVINE”, IHVH, our FATHER, and addressed to “THE DIVINE FORCE”.

Since these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” do what their “nature” is, they all believe that they will be able, once again, to “pull another rabbit out of the hat” and surprise “THE DIVINE”, IHVH, our FATHER, and then say to him: “You have not learned from what happened to you last time.”

This time, things will be different, there is a surprise coming! They will all witness the erasure from existence of their fallen fellows, including all human creatures who have sided and who will side with those fallen “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”. Just like the first decree of the implementation of the “Second Phase” of “THE HOLY PROJECT” — “LET THERE BE LIGHT!” — was emitted by “THE DIVINE”, IHVH, our FATHER from “THE DIVINE DOMAIN” and in order to establish the “Specific Energy ‘EARTHLY’ Substance” into the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”, and was performed by “THE DIVINE FORCE”, in much the same way, the decree, long awaited, for the “in-depth purification process”, in order to restore this “Specific Energy ‘EARTHLY’ Substance” into the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”, will be emitted by “THE DIVINE”, IHVH, our FATHER from “THE DIVINE DOMAIN” and to be performed by “THE DIVINE FORCE”.

Only “THE DIVINE FORCE” (and of course “THE DIVINE”, IHVH, our FATHER) possesses the SCIENCE that is at the origin of the “Specific Energy ‘EARTHLY’ Substance” and its positioning, inside the attribute “NON DIVINE”, of the manifested metaphor of the “Specific Septenary Equilibrium Zone” produced by the movement of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”: SHE is by Herself, that SCIENCE. Only “THE DIVINE FORCE” will accomplish that decree, long awaited, for the “in-depth purification process”, in order to restore this “Specific Energy ‘EARTHLY’ Substance” into the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”.

After that “BETRAYAL” perpetrated by these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” against “THE DIVINE”, IHVH, our FATHER, on that afternoon of the Third Day of the implementation of the “Second Phase” of “THE HOLY PROJECT”, and all the iniquities and adulteries that these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have perpetrated with the knowledge that they had received from “THE DIVINE FORCE”, “THE DIVINE”, IHVH, our FATHER, cannot make a second mistake to reveal or entrust to these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, the knowledge of the SCIENCE that is at the origin of the “Specific Energy ‘EARTHLY’ Substance” and its positioning, inside the attribute “NON DIVINE”, of the manifested metaphor of the “Specific Septenary Equilibrium Zone” produced by the movement of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”. These “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” do what their “nature” is.

These “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” know about the forth coming erasure from existence of their fallen fellows and it saddens them (can you believe that? After all these billions years of willful destruction, some of them are sad that their fallen nemesis fellows will be no more!) that, this time, they will be powerless to save their fallen fellows, like they did when they pulled them out of the destruction in the “Specific Energy ‘CELESTIAL’ Domain” and immersed them in the “Specific Energy ‘EARTHLY’ Substance” constituent of the first “Specific Energy ‘EARTHLY’ Habitation Domain”. This time, they will not escape the forthcoming erasure from existence, THERE WILL BE NO DECEIT!

Once that the “Specific Energy ‘EARTHLY’ Substance” is restored into the “HARMONY” prescribed by “THE DIVINE ARCHITECT AND PROJECT MASTER”, the Archangel MICHAEL will step down from his office: he has understood these things and he is well aware of it. Any one who has been entrusted with the responsibility to lead the good implementation of a project and who has led that project to a full disaster, will not be rewarded with a promotion and honours, but will held accountable for the disaster and removed from duty. His accomplices also will have to look at themselves in the mirror.

Yes, indeed, the time of anguish had already begun. As it was recorded in the Scriptures, this time of anguish will be such that it has not happened since a nation exists, until the time marked for the end, because it must come at its appointed time. There are some very interesting things to come and to witness.

“...The enemy descended on Earth and took possession of everything that is there. Be it in the water or underground....”

Yeah right, and they will also tell you that it was because “ADAM” has perpetrated the deadly “sin” of not having kept his promise. They forget their own premeditated action, “...*I cannot explain it too directly to you at this time, for the Host will not be able to fully understand it until they see Sin demonstrated...*”, the mute pedestal on which they have constructed the “ASSASSINATION” of the first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, “ADAM” and “THE FEMALE”, and the destruction of their descendants. During all these conversations, the Archangel MICHAEL, as well as other “ADONA’IM”, the main actors behind the destruction of this first “Specific Energy ‘EARTHLY’ Habitation Domain”, were standing there and were listening. NOT ONE of them stepped forward to say: LISTEN, HUMAN, WHAT WE ARE TELLING YOU IS NOT CORRECT, WE HAVE SCREWED-UP AND WE BEG FOR YOUR FORGIVENESS FOR THIS. They keep beating around the bush, telling that they “...*live in the love of THE ETERNAL GOD and the love of the neighbour...*”. These “ADONA’IM” are ranked the highest amongst the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, they are the self-declared “most intelligent children of IHVH”, the team of geniuses, who, in their “Obscurity”, in the absence of “THE KNOWLEDGE OF THE DIVINE”, claim to have all the powers and to be directing/managing everything in THE CREATION, and who believe that “THE DIVINE”, IHVH, our FATHER, is there to assist them in their circus. Do you think that through these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, you will ever come to learn about their crimes and betrayals, which they have perpetrated against “THE DIVINE”, IHVH, our FATHER, and why this first “Specific Energy ‘EARTHLY’ Habitation Domain” and all that it contain is in this sorry state?

When “THE SEAT OF THE INTELLECT” stands in “IMPURITY”, has a desire to be in control of a situation, and when “THE TRUTH” of that situation does not agree with such control, then, that “SEAT OF THE INTELLECT” will try to outsmart “THE TRUTH” and will beget into existence, a progeny of the “IMPURITY” where it is standing: a “LIE” that will conform to the narrative that “THE SEAT OF THE INTELLECT” desires, in order to be in control of that situation, to save face, to shirk from responsibility, to hide misdeeds, etc... Such “LIE” is intended to place the creature associated with that “SEAT OF THE INTELLECT” in a good light, but often, that “SEAT OF THE INTELLECT” itself will not be able to see that, what it has begotten as progeny of “IMPURITY”, has no basis in reality. Indeed, “*He who begets a “LIE” into existence, does not foresee*

the work that he undertakes, because he will have to beget a many others "LIES" to keep the first alive."

Did the "enemy" descended on Earth by himself? Was he bored in the heavens and told his acolytes: "Boys! Come this way! Let's take the elevator, descend on Earth for business and seize all that is there."? What happen before he descended on Earth? How and why did he descend on Earth?

See excerpt of the conversation of July 08, 2006, Aristide with the Archangel MICHAEL concerning the first "'SPIRIT←LIGHT' 'EARTHLY' Creature", and the answer of the Archangel MICHAEL to the question: "...MICHAEL, why did you hurled Azazel and all his cronies in this earthly world?..." His answer reads: "...It was the only habitable place outside the heavenly realm..."

Some of the "ADONA'IM" say "he has fallen from heaven", others say "he was cast out of heaven", others say "he descended on earth", etc... They do not even have their own deceptive story straight. They beget into existence all such progenies of "IMPURITY", with one purpose: to outsmart "THE TRUTH", and thereby to escape accountability in this disaster, which they have begetted into existence and plunged the implementation of the "Second Phase" of "THE HOLY PROJECT", and to keep humanity in poverty. And while you will be asleep on the bed of ignorance, you will be told that these "ADONA'IM", who have set themselves to stand and hold their ground in their own "DISGRACE", "IMPURITIES" and "LIES" as their "doctrinal truth" — their norm, their principle of righteousness, of wisdom considered ideal in the order of their thoughts or actions that they will undertake to realize —, are somehow "...at the side of THE ETERNAL..."

In truth, long time before the implementation of the "Second Phase" of "THE HOLY PROJECT" and long before that the "'SPIRIT←LIGHT' 'EARTHLY' Creature" will be created in the "Specific Energy 'EARTHLY' Substance" constituent of the first "Specific Energy 'EARTHLY' Habitation Domain", all the "ADONA'IM" knew about the "HUBRIS COVENANT" concluded between the Archangel MICHAEL and AZAZEL. Remember their own sayings: "...This is the place [this Earthly world before its shaping] where IHVH will establish His new creation. This is where the rebellious Host will be sent.", "... In that place [this Earthly world], Azazel will be able to AVOID MAVET for a time, and to finally come to a full understanding of his mistake. He... and those who choose to go with him. ...". Read more in the section concerning the details of annotations — Annotation on the conversation between the Archangel MICHAEL and the Archangel ZA'AFIEL, extracted from the archives on the unfolding of the open

conflict in the “Specific Energy ‘CELESTIAL’ Domain”. Read also more in the section concerning the details of annotations — Annotation on the conversation between the Archangel AS’FAEL and the Archangel ANAEL, extracted from the archives on the unfolding of the open conflict in the “Specific Energy ‘CELESTIAL’ Domain”.

As we have already indicated in a previous text, that “HUBRIS COVENANT” gave to AZAZEL possession of the first “Specific Energy ‘EARTHLY’ Habitation Domain” in which “THE DIVINE”, IHVH, our FATHER had planned to create into existence the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”.

By that, the “HUBRIS COVENANT” intended to give AZAZEL control of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, long before that the first manifestation of the model of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” was produced.

As for the Archangel MICHAEL, through this “HUBRIS COVENANT”, he would keep control of “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — and thereby, control of the “specific spiritual formation” of “THE CHURCH” from “THE SHEKINAH”.

It is so that, long before the implementation of the “Second Phase” of “THE HOLY PROJECT”, the fate of the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” had been sealed by the “ADONA’IM”. Having declared themselves to have outgrown “THE DIVINE”, IHVH, our FATHER, in intelligence and in wisdom, they will go ahead and execute their “nefarious and despicable shadow scheming”.

In that “vision” of the “blinded seventy shepherds”, “THE DIVINE”, IHVH, our FATHER had already shown to the elder ENOCH, of whom METHUSELAH is the descendant, all the crimes and iniquities that these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have perpetrated and also those crimes that they will perpetrate, and there will be an accountability for all those crimes.

CHAPTER 252

EXCERPT FROM THE CONVERSATION OF OCTOBER 01, 2006: ARISTIDE, THE ARCHANGEL MATMONIEL, THE ARCHANGEL MICHAEL, MOSES AND ABRAHAM

Aristide:

Peace be with you, RAPHAEL!

Archangel RAPHAEL:

Peace be also with you, brother Aristide!

(... Private conversation ...)

Do not lower your guard but seek advice. The work has never been easy for humans. There are a lot of things to do, the work is immense and the road is long. The work seems easy, but it is not.

Always seek to have the “peace of the heart” and to put into practice everything that you received of THE ETERNAL FATHER.

Aristide:

I thank you for your advice, be blessed!

Archangel MATMONIEL:

Peace be with you brother Aristide, did you asked to talk with me?

I am glad to meet you.

Aristide:

Peace be with you, MATMONIEL!

I need your advice regarding the construction of the Temple. Can you tell me about the layout of the Temple?

Archangel MATMONIEL:

THE ETERNAL sends me to talk to you about my role, where I am situated and how I was chosen (created).

I was chosen (that is, created or spoken in existence) by MICHAEL, on order of THE ETERNAL FATHER, before that your world was created.¹⁴⁸³ Choose means that I have been created by Him. Before that, I was not part of the Celestial host, nor the majority of the others.

I am firstly responsible to keep watch on the Celestial domain. I organize prayers; I am the one who establishes all the programs. I organize them depending upon the time of availability of each person. Because we cannot come together at the same time and leave the Celestial domain unguarded.¹⁴⁸⁴

¹⁴⁸³ None of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” knew about “THE DIVINE FORCE”, who produced each of them into existence, on instructions of “THE DIVINE”, IHVH, our FATHER, and through the production medium, which is designated as the Archangel MICHAEL. It is thus that these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” thought and think that it is the Archangel MICHAEL who brought them into existence. The Archangel MICHAEL himself thought that he himself was the one producing those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” into existence. We have already explained, in the chapters concerning the creation of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, how each of them was brought forth into existence, by “THE DIVINE FORCE” and on instructions of “THE DIVINE”, IHVH, our FATHER.

¹⁴⁸⁴ As such, the Archangel MATMONIEL was presenting his identity. As we have explained already, using the concepts of an enterprise and the mighty business owner who has established one of his enterprise in a far away country, far away from where he resides, the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, as employees in that enterprise, were brought into existence inside the attribute “NON DIVINE”, by “THE DIVINE FORCE”, and so that they take part in “THE HOLY PROJECT”, as arose the necessity to perform new tasks during the execution of the ongoing tasks that were assigned to those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” that were already into existence inside the attribute “NON DIVINE”. Each “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” was identified by its own “job specification” and representing, as such, a living record of the necessity that had occurred in the enterprise and that had led to the production of that “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature” into existence, inside the attribute “NON DIVINE”. The “job specification” of a “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creature”, is the

We celebrate worship, praise, blessings, and love of THE ETERNAL FATHER.

I am responsible to designate those of the angels Querub'im and Seraph'im who are tasked for maintaining the Temple, because the Temple must always be clean and illuminated.¹⁴⁸⁵

On the side of humans, I am a spiritual guide. I teach them to make worship and especially how to pray. I am responsible to rise the prayers of humans up to THE FATHER.¹⁴⁸⁶

"identity" of that "'SPIRIT←SPIRIT' 'CELESTIAL' Creature"; that is, all the traits or characteristics (specifications) of what remains identical or equal to oneself in time and which, in the light of the necessity that led to the introduction of that "'SPIRIT←SPIRIT' 'CELESTIAL' Creature" in question into the existence inside the attribute "NON DIVINE", allow to recognize that "'SPIRIT←SPIRIT' 'CELESTIAL' Creature" and to establish its individuality. That "job specification" is actually a summary of the "why" of that "'SPIRIT←SPIRIT' 'CELESTIAL' Creature" into the existence, and to every "job specification" is associated a title and the corresponding unique intention of a well-defined product of "THE DIVINE SUPREME CONFIGURATION" of seven "Divine Particles".

You can draw your own conclusions regarding what was the extent of knowledge of the "Causal Precedence Relation of 'THE PRAISE'" within "THE CELESTIAL HOST", before that, occurred into existence inside the attribute "NON DIVINE", the necessity that led to the production of the Archangel MATMONIEL, into existence inside the attribute "NON DIVINE".

¹⁴⁸⁵ You, "'SPIRIT←LIGHT' 'EARTHLY' Creatures", who are reading these writings, this message is about you all. Restore the "TABERNACLE" of "THE DIVINE" which is in you, and hold your ground in "PURITY". Develop "THE KNOWLEDGE OF THE DIVINE" which has been placed in your "'SPIRIT←LIGHT' Body", and remain at all time in the "PRAISE" and sing canticles.

¹⁴⁸⁶ As we have indicated already, any "'SPIRIT←LIGHT' 'EARTHLY' Creature" who would have restored his "'SPIRIT←LIGHT' Body" in the unity and in "HARMONY" with "THE DIVINE", IHVH, our FATHER, will also be directly in contact with "THE DIVINE". Because it is through "The ALTAR of 'THE DIVINE'", the abode of the manifestation of the "HOLINESS" of "THE DIVINE", IHVH, our FATHER, which is located inside such a "'SPIRIT←LIGHT' Body" restored in the unity and in "HARMONY" with "THE DIVINE", IHVH, our FATHER, that the considered the "'SPIRIT←LIGHT' 'EARTHLY' Creature" will communicate directly with "THE DIVINE". As the "'SPIRIT←SPIRIT' 'CELESTIAL' Creatures" have not been endowed with that particularity, they decided to destroy the "'SPIRIT←LIGHT' 'EARTHLY' Creature".

Here [in the “Plane Above”], there is no ground where you can put your feet, but we walk in space like you on the ground. No home here looks like to the one built by humans, because humans need to take shelter against the Sun, the rain. This is not the case for us. I can move using my wings or without, because I have that power that humans do not have [have lost].¹⁴⁸⁷

¹⁴⁸⁷ We have already explained what that “*power*” is: recall that the “Specific ‘CELESTIAL’ Garment” was built from the “Specific Energy ‘CELESTIAL’ Substance”, which has a much more lower density than that of the “Specific Energy ‘EARTHLY’ Substance”. Recall also that, the first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” were produced into existence having their “Protective ‘SPIRITUAL’ Dome” that was invisible in the “Specific Radiance ‘SPIRITUAL’ Aureole” which covered them. They were moving from one place to another, without walking with their feet and without wings, but using their “Protective ‘SPIRITUAL’ Dome” at will. They did not need any house built with stones as you now see all around, and they did not need man made vehicles to travel from one place to another.

It was so that any human creature who wears that “Subjective ‘EARTHLY’ Garment” came to be exposed to external damaging environmental conditions around it, and we are in the situation in which we are today, with all types of diseases affecting the “Subjective ‘EARTHLY’ Garment”.

“ . . .

. . .

So, if one day one of you wants to arrange his Temple, he will call to me, because one does not arrange a Temple anyhow.¹⁴⁸⁸

My son, if sinners entice you, do not consent.

If they say, "Come with us, let us set ambush to shed blood; For pleasure we will surprise the innocent! Like the abode of the dead, we shall swallow him Alive, entirely, like those who descend into the pit. We shall find all precious goods. We shall fill our houses with loot. You will get your lot among us because there will be one purse for all of us!"

My son, walk not with them, carefully avoids the alleys where they stand; for their feet run to evil, they are swift to shed blood.

...

All these "SPIRIT←SPIRIT" 'CELESTIAL' Creatures" are the true sinners referred to in this warning. They have looted, robbed, impaired and knowingly caused damage to the first two "SPIRIT←LIGHT" 'EARTHLY' Creatures" and all their descendants of their "PLENITUDE" and they have murdered, they have "swallowed them [the "SPIRIT←LIGHT" 'EARTHLY' Creatures]" alive, entirely, like those who descend into the pit". Based on this crime, they have elevated themselves above the "SPIRIT←LIGHT" 'EARTHLY' Creatures", taking undue advantage over the "SPIRIT←LIGHT" 'EARTHLY' Creatures", sharing as such "one purse for all of them" and finding as such for themselves "all precious goods", all advantages against their neighbours, the "SPIRIT←LIGHT" 'EARTHLY' Creatures". And they wonder why "THE DIVINE", IHVH, our FATHER, does not trust anyone amongst them.

Those so called "powers" that these "SPIRIT←SPIRIT" 'CELESTIAL' Creatures" have over the "SPIRIT←LIGHT" 'EARTHLY' Creatures" are parts of those stolen "precious goods" referred to in this warning and that these "SPIRIT←SPIRIT" 'CELESTIAL' Creatures" have found in their looting of the "SPIRIT←LIGHT" 'EARTHLY' Creatures".

"... STAND IN "PURITY" AND HOLD YOUR GROUND IN "PURITY" ...", so that when you leave your damaged "Subjective 'EARTHLY' Garment", you are dressed with your new perdurable "Specific 'SPIRITUAL' Garment" of density near to the density of "Specific 'CELESTIAL' Garment". With the "Protective 'SPIRITUAL' Dome" which is invisible in the "Specific Radiance 'SPIRITUAL' Aureole" which covers the perdurable "Specific 'SPIRITUAL' Garment" with which you will be clothed, and only by your will, you will walk, run, and travel throughout the vacuum space of the attribute "NON DIVINE", just as if you were walking on Earth.

¹⁴⁸⁸ This is about the "non-spiritual" construct outside of oneself and not about the innermost "TABERNACLE" where "The ALTAR of 'THE DIVINE'" is located inside of oneself. This "non-spiritual" construct is a basic schematic of the human creature and is though to represent an expression or a picture of the innermost "TABERNACLE" which is inside of oneself.

When we [angels] arrange the altar of the Temple¹⁴⁸⁹, we must respect the dimensions, one should not be near the altar. We must respect this dimension when using mats. Mats that humans use must not be mats near the altar.

The altar must always have a lampstand of seven or three candles (for those who do not).

Requests for help and supplication should not be placed on the altar, but on another table. Similarly, the blessed water should not be placed on the altar, but next.

The altar must be clean and decorated with natural and living “flowers”. Each flower has its meaning. You can place blue, yellow or white “flowers”.

The altar tables must have drawers where one can keep candles and incense.

All messages sent by THE ETERNAL FATHER must be kept, near the altar, on the Holy table. It is that, near the altar table, which is used only to keep objects of the Temple.

The main altar, is the one in front of which people must bow down to pray and which is reserved to humans.

Behind the main altar, there is a secondary altar, dedicated to the holy Angels. The secondary altar is separated from the main altar by a small passage (elevated by one step) for the movement of the saints.¹⁴⁹⁰

Only “THE EYE OF THE DIVINE” sees the innermost “TABERNACLE”, which was built by “THE DIVINE FORCE” and where “The ALTAR of ‘THE DIVINE’” is located inside of oneself. Only “THE DIVINE FORCE” can help you build that innermost “TABERNACLE”. For that to happen, there is only one requirement: “... STAND IN “PURITY” AND HOLD YOUR GROUND IN “PURITY” ...” and call HER for assistance.

¹⁴⁸⁹ You, human creature, who is reading these writings, remember that you are a living reproduction (replication) of “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” —: YOU ARE THE TEMPLE, spoken about in this conversation.

¹⁴⁹⁰ This is the reversing of the “Causal Precedence Relation of ‘THE PRAISE’” that these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have set in place since the early days of the creation of this earthly world, when they “murdered” the first two “‘SPIRIT←LIGHT’

‘EARTHLY’ Creatures” and brought humanity under the yoke of the servitude toward the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”.

Years after this conversation, “THE DIVINE”, IHVH, our FATHER, through “THE DIVINE FORCE”, educated me on “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” in its details, and of which none of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” has knowledge, and HE showed the corrections to be carried out in the layout of “THE TABERNACLE” following “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”. No creature of the attribute “NON DIVINE”, be it celestial creatures or human creatures, must take place inside the altars of “THE TABERNACLE”.

IN “THE TABERNACLE” OF “THE DIVINE”, IHVH, our FATHER, NO ALTAR IS DEDICATED TO ANY OF THE SO-CALLED SAINTS, IF NOT “THE DIVINE FORCE”!!! NO ALTAR IS DEDICATED TO ANY ANGEL, WHOEVER THAT ANGEL IS!!! THEY HAVE THE STATUS OF “SERVANTS” AND DO NOT STAND INSIDE THE HOUSE.

You, human creature, reading these writings: “... STAND IN “PURITY” AND HOLD YOUR GROUND IN “PURITY” ...” Do not EVER worship any angel (be it of the “angels of poverty” or their fallen brothers, the “demons of chaos”) or any so-called saints and NEVER bow before them. You must break that psychological barrier inside of which that they have locked humanity. They are the ones who should be standing around you and praying in order to receive, through their “‘SPIRIT→LIGHT’ CORD OF PRAISE”, their raw “‘SPIRIT’ specific supply of subsistence” coming from your “‘SPIRIT←LIGHT’ Body”. You are the external “LIGHT” battery which possesses the socket for the “‘LIGHT’ Attachment Point” of their “‘SPIRIT→LIGHT’ CORD OF PRAISE”, and not the other way around. Remember how your “‘LIGHT→GOD’ CORD OF PRAISE” works. As we have already said, it is for the purpose to lead “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” to understand such things that the human Mirza Husayn, under the inspiration of “THE DIVINE FORCE”, said:

“... ”

Ô son of dust!

All that is on Earth, I dedicated it to you, except my home inside yourself and of which I made the seat of my beauty and of my glory.

However, you gave my dwelling place and my home to someone other than Me.

And whenever “the manifestation of my holiness” sought her own house, she found a stranger there in; then, deprived of dwelling place, she has hastened to return to Me.

Nevertheless, I hid your secret and did not want your shame.

“... ”

Read more in the section concerning the details of annotations — Annotation on the task of restoring “THE TABERNACLE” of “THE DIVINE”.

At the level of the ground, you must use a mat or a carpet to mark the difference between the first and second altar.

Behind the second altar, at the end of the passage/corridor reserved to saints, is the altar reserved to THE ETERNAL FATHER and to CHRIST.

The corridor is itself an altar. The Archangel MICHAEL is responsible for it.

The mat placed on the floor of the altar must cover the entire floor of the altar so that one cannot see the ground.

One should place a collect box at the level of the first altar; whether left or right, it depends upon the layout and the division of the room.

All worship at the Temple is performed wearing a pure clothing, that is with your cassocks.

For humans, the collect must always be done to replace what is missing to the altars or to the Temple.

There should be a table reserved for the “fruits” and thanksgiving. It is a basket-shaped table and it should be placed at the level of the second altar.

At the entrance of the Temple, there must always be a bowl of water to purify oneself.

One must always bow down from the second altar and do not lift eyes from the third altar. Do not lift the eyes when one is at the third altar.¹⁴⁹¹

¹⁴⁹¹ Do not forget that these conversations are parables-like and you must “read between the lines” (through discernment) and understand spiritually.

This is an expression of how these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have perceived and still perceive themselves with respect to the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” and to “THE DIVINE”, IHVH, our FATHER; namely, they perceive the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures” as the ones bowing down in front of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and not looking to “THE DIVINE”, IHVH, our FATHER.

Do you remember what the ex-public figure of the closed circle of the “ADONA’IM”, had said before the creation of this first “Specific Energy ‘EARTHLY’ Habitation Domain” and concerning the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”, when these “‘SPIRIT←SPIRIT’

The Temple should always have “fruits” and those “fruits” should not spend more than three days at the altar.

From the second level, the altar must be scented, always put a sweet fragrance, you can also put natural “flowers”.

The Saint Michael scent is a strong fragrance, do not spray it on the altar.

One must grow natural “flowers” in the Temple, using small bins to make them grow on each side of the altars.

‘CELESTIAL’ Creatures” came to understand that “... None amongst them, who are elders of the creation, but a new creature [you, human creature, reading these writings] will receive and carry the manifestation of “THE UNION” ...”? That ex-public figure of the closed circle of the “ADONA’IM”, who was echoing loudly what all other “ADONA’IM” were thinking quietly in themselves, had said:

“...

Shall I tell you what I know? These “humans” that He proposes to create — we are to be their servants!

I have learned the Elohim’s purpose for these angels of water and dirt. It is they, and not we, He proposes to make the heirs of all that is.

I for one will never bow to serve a physical being!

...”

Now, what did the Archangel MATMONIEL said in this conversation and concerning the second altar? “...Behind the main altar, there is a secondary altar, dedicated to the holy Angels...” And “...One [that is to say, the human creature] must always bow down from the second altar [that is dedicated to the holy Angels]...”. Do you understand how these self declared “most intelligent children of IHVH” have implemented what their ex-public figure of the closed circle of the “ADONA’IM”, was echoing loudly what all other “ADONA’IM” were thinking quietly in themselves?

We say it again: “... **STAND IN “PURITY” AND HOLD YOUR GROUND IN “PURITY” ...” AND RECLAIM YOUR “PLENTITUDE”! LOOK UP TO “THE DIVINE”, IHVH, our (your) FATHER! SPEAK TO “THE DIVINE”, IHVH, our (your) FATHER, DIRECTLY, ONE-TO-ONE, FROM HIS ALTAR, WHICH IS INSIDE YOU.**

Remember the parable about the “ephebes” (the “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures”) who will circulate around the “righteous” (the “SPIRIT←LIGHT” ‘EARTHLY’ Creatures”) and serve those “righteous” who will enjoy the benefits of their GOD (“THE DIVINE”, IHVH, our FATHER). It is not the other way around, it was not said that, the “righteous” will circulate around the “ephebes” and serve those “ephebes”.

From the second altar, you can place chairs of pure color (that is, White color); three on each side of the entrance to the third altar — which is a total of six chairs at the second altar.

From the third altar, place only one Chair: that of THE FATHER CREATOR and CHRIST.¹⁴⁹²

Worship of praise: celebrate the worship of praise only for THE ETERNAL FATHER or for CHRIST.¹⁴⁹³ Extol THE ETERNAL FATHER for what HE is and His Creation.¹⁴⁹⁴ You have to structure

אֵלֵינוּ

¹⁴⁹² These “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” do not understand that the arrangement of this altar is for their education so that they may come to understand something about “THE DIVINE”, IHVH, our FATHER.

Just like in the past, these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” thought that “THE DIVINE”, IHVH, our FATHER, and the Archangel MICHAEL were somehow in the same league, they also think that somehow “THE DIVINE”, IHVH, our FATHER, and CHRIST are in the same league. They do not understand that, in front of “THE DIVINE”, IHVH, our FATHER, they, and all creatures of the attribute “NON DIVINE”, including CHRIST, who is also a creature of this attribute “NON DIVINE”, are (similar to) cartoons, animated drawings, drawn by “THE HAND OF THE DIVINE”, in an energy substance, and to which have been given the possibility to think independently and to act independently, and which have been endowed with a manifestation by metaphors of a unique disposition of “THE HOLY SPIRIT”, chosen from an infinity of unique dispositions.

¹⁴⁹³ Worship is addressed to, and only to, “THE DIVINE”, IHVH, our FATHER, or to “THE DIVINE FORCE”, and NO ONE ELSE. CHRIST Himself will confirm these things to you: address your praises only to “THE DIVINE”, IHVH, our FATHER.

¹⁴⁹⁴ The word “Extol” is used here in the sense of “Making Tribute”, mark and show your respect, your recognition and your gratitude to “THE DIVINE”, IHVH, our FATHER who, from all eternity, has been sanctified of any equivalence or similarity and will remain so forever.

If you do not have “THE KNOWLEDGE OF THE DIVINE” in you, if you do not have in you the knowledge of the ins and outs of “THE HOLY PROJECT”, then, how could you in truth “Extol THE ETERNAL FATHER for what HE is and for His Creation”?

In the absence of “THE KNOWLEDGE OF THE DIVINE”, all the creatures who were born into existence in the attribute “NON DIVINE”, should they unite to glorify the (science behind the atom, the) slightest of the signs of “THE DIVINE”, IHVH, our FATHER in which and through which HE has revealed Himself, that they would nonetheless fail; even more so would they fail to “Extol” “THE DIVINE FORCE”, who is “THE PERFECT SEAL OF THE DIVINE”, the stamp where are etched these five “INDISTINCT DIVINE FORMS”

these worship of praise without putting the name of any creature, whoever it is.

Prayer of protection: also ask THE ETERNAL to protect those who are in the seven heavens.¹⁴⁹⁵

The worship of adoration or of praise: one must dedicate his prayers to THE FATHER CREATOR or to CHRIST.¹⁴⁹⁶

None of the altars shall bear initials or brands on the tablecloth. An altar where there are initials or brands is an altar which in half

proper to the sovereign authority of “THE DIVINE”, and by whom “THE DIVINE”, IHVH, our FATHER created all those signs.

It is for the purpose to bring you, human creatures and also celestial creatures, to be able to truly “*Extol THE ETERNAL FATHER for what HE is and for His Creation*”, and not under the effect of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”, that this “BOOK OF FORMATION” is given to you.

¹⁴⁹⁵ What about the human creatures who are bogged down in their misery down here on Earth? The human who was robbed of his “PLENITUDE” and put to “DEATH” without mercy by the robbers, should now bow down to his robbers and send prayers to “THE DIVINE”, IHVH, our FATHER, asking HIM to protect those robbers? You can only shake your head in astonishment, when you come to understand how the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” perceive the CREATION.

Be careful in your prayers, to avoid that in your innocence and in the absence of “THE KNOWLEDGE OF THE DIVINE” on your part, you be “rolled in the flour”.

If you, human creature reading this writings, perform a “prayer of protection”, it is FIRST about you and your dearest ones to receive protection against the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” on both sides in their ongoing “CELESTIAL WAR” and against all those who hinder you on your road to recover your “PLENITUDE”; it is about you and your dearest ones to remain awake out of the deep sleep and the cape (that is to say, the envelope, the lid, the tent, the mantle, the covering, in short the heavy burden to bear and which is represented by the damaged “Subjective ‘EARTHLY’ Garment” in which you are asleep). For such protection to take place, you MUST understand why you are performing that “prayer of protection”, and you MUST “... STAND IN “PURITY” AND HOLD YOUR GROUND IN “PURITY” ...” and call for “THE DIVINE FORCE” to protect you. Stay focus and “...*be at the side of “THE DIVINE”, IHVH, our FATHER. ...*”, do not let yourself be distracted by the fate of those who are in the seven heavens.

¹⁴⁹⁶ As indicated in a previous annotation, worship is addressed to, and only to, “THE DIVINE”, IHVH, our FATHER, or to “THE DIVINE FORCE”, and NO ONE ELSE. CHRIST Himself will confirm these things to you: address your praises only to “THE DIVINE”, IHVH, our FATHER.

Every faithful must have his bible and the faithful should not have chairs in the Temple.

There must be a large crucifix at the level of the entrance to the Temple, it is just for the case when one must carry combats. The cross may not have the effigy.

*Prayer times must be respected because it is at that moment that we come together to pray and we cannot wait; our voices must rise together: angels and human creatures.*¹⁴⁹⁸

¹⁴⁹⁷ That is why no creature of the attribute “NON DIVINE”, be it celestial creatures or human creatures, must take place inside the altars of “THE TABERNACLE”.

IN “THE TABERNACLE” OF “THE DIVINE”, IHVH, our FATHER, NO ALTAR IS DEDICATED TO ANY OF THE SO-CALLED SAINTS, IF NOT “THE DIVINE FORCE”!!! NO ALTAR IS DEDICATED TO ANY ANGEL, WHOEVER THAT ANGEL IS!!!

¹⁴⁹⁸ As you have understood already, it is with such recommendations that these “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures” have managed to keep the “SPIRIT←LIGHT” ‘EARTHLY’ Creatures” in the absence of knowledge about the purposes for which the “SPIRIT←LIGHT” ‘EARTHLY’ Creature” was brought forth into existence. They, “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures”, are the ones who **MUST** come around you and pray through you, to “THE DIVINE”, IHVH, our FATHER. And not that you come around them, bow down (second temple) in front of them, and pray through them, to “THE DIVINE”, IHVH, our FATHER.

The “ephebes” (the “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures”) will circulate around the “righteous” (the “SPIRIT←LIGHT” ‘EARTHLY’ Creatures”) and serve those “righteous” who will enjoy the benefits of their GOD (“THE DIVINE”, IHVH, our FATHER).

If the “righteous” (the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”) is kept in obscurity and do not know why he is into existence, then the “ephebes” (the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”), who know about the why the “righteous” is into existence, and who have decided to keep the “righteous” into obscurity, will turn that “righteous” (the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature”) into a fool. Do you, human creatures, reading these writings, understand why it is very important that you UNDERSTAND WHO YOU ARE and develop inside of you, the plant of “THE KNOWLEDGE OF THE DIVINE” that “THE DIVINE FORCE” sowed in you? There are very interesting things to come and to be witness, about the judgment of these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”. It is not for nothing that they ask you, human creatures, to pray for them, “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, who are in living the seven heavens, in the joy and love of their

Aristide:

Can you tell me about the Temple which is the human creature?

Archangel MATMONIEL:

There are two temples: the outer temple and the inner temple.

To build the inner temple, you must have all the materials within your reach. If you decide to raise the walls with a fragile material that will not last in time, then, everything will collapse and you would have worked for nothing.

Your walls, you must build them with the holy Word. When the Word is not enough in you, then, your walls will be fragile.

Know that it is everyone who builds the walls of his temple from what he has in his hands and it is oneself who decides whether to modify it or keep it.

With all this, you can also apply to exterior walls. But do not forget that everyone decides with what to build his walls.¹⁴⁹⁹

neighbour, and who do not experience the miseries of this Earthly. Does it make any sense to you?

Remember the contain of that vision of the “blinded seventy shepherds”, which “THE DIVINE”, IHVH, our FATHER, had sent to the elder ENOCH, of whom METHUSELAH is the descendant, in those days, telling him:

“...

*Of all the destruction brought about by each of the [seventy] shepherds **THERE WILL BE ACCOUNTABILITY**; and according to the number I will cause a recital to be made before me, how many they have destroyed of their own volition, and how many they have delivered up to destruction, that I may have this testimony against them; that I may know all their proceedings; and that, delivering the sheeps to them, I may see what they will do; whether they will act as I have commanded them, or not.*

...”

¹⁴⁹⁹ From the teachings that “THE DIVINE FORCE” taught me, years later, I came to understand the material that must be used to build the “walls”, it is: “PURE, TRUTHFUL, AND AUTHENTIC LOVE OF ‘THE DIVINE’” as we have described to you thanks to the teachings of “THE DIVINE FORCE”. Once you have this material in you, then, it is “THE DIVINE FORCE” Herself and Her alone who will restore all the “walls” of Her home that is within you and that SHE has built Herself and placed within you.

Aristide:

What is the function of the pillars in the temple?

Archangel MATMONIEL:

The pillars allow supporting the temple, maintaining it.¹⁵⁰⁰

In the inner temple, they allow to maintain and support faith, to not falter at any challenge. This description applies also to the outer temple.

Each pillar is provided by the human creature itself; THE ETERNAL FATHER only provides assistance.¹⁵⁰¹

¹⁵⁰⁰ From the teachings that “THE DIVINE FORCE” taught me, years later, I came to understand what are the “Pillars” and their function. The “Pillars” are in truth “THE KNOWLEDGE OF THE DIVINE” and the knowledge of the ins and outs of “THE HOLY PROJECT”: in short, it is “THE DIVINE FORCE”.

¹⁵⁰¹ That, is the recipe for self-destruction, to “...lean on the work of “THE SEAT OF THE INTELLECT”...”. That, is the viewpoint of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”. They think that “THE DIVINE”, IHVH, our FATHER, is there to assist them in their circus, and they feed themselves with the “fruits” of that TREE that is in the “SOUTH”, having sent “THE UNALTERABLE VOICE” to oblivion. They did not see and they do not see “THE DIVINE”, IHVH, our FATHER, from the perspective of a FATHER, who is educating his CHILDREN, through “THE SEAT OF WISDOM” and by feeding His CHILDREN with the fruits of that other TREE that is in the “NORTH”. Since they do not have knowledge of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” in its details, they did not see and they do not see that all those elements used in the construction of the temple are aspects of “THE DIVINE FORCE”, manifested by metaphors and for their education. Remember the teachings of “THE DIVINE FORCE” (“THE UNALTERABLE VOICE” speaking from “THE SEAT OF WISDOM” inside you):

“...

My son, do not forget my teaching, but let your heart keep my tenets.

...

Have trust in “THE DIVINE” with all your heart and do not lean on your own intelligence (that is to say, do not lean on the work of “THE SEAT OF THE INTELLECT”, but, instead, hearken and trust what comes out of “THE SEAT OF WISDOM”).

In all your conduct learn to acknowledge it, and HE will guide your steps.

...”

Each person poses his own pillars; everything is in the hands of every human creature.¹⁵⁰²

Aristide:

How to build the roof?¹⁵⁰³

Archangel MATMONIEL:

As I told you, everyone chooses his material.

You can choose a roof that will cover you when it rains and another that will not cover you when it will be hot.

It is up to you to choose what will suit you, what will suit your spirit.

Because you cannot build a temple on the sand and put on top aluminium sheets.

Everything is in your hands and it is yours to choose what material you put where.

I advise you do what comes straight from the heart, knowing that if there are changes to make I will help you, but know that the most important thing is what comes from your heart because THE FATHER lives not houses made from hands of men, unless it is a temple that is within you.¹⁵⁰⁴

¹⁵⁰² Idem with previous annotation. "...do not lean on the work of "THE SEAT OF THE INTELLECT", but, instead, hearken and trust what comes out of "THE SEAT OF WISDOM"..."

You will ask: "How would you know/recognize what comes out of "THE SEAT OF WISDOM"? Answer: STAND IN "PURITY" AND HOLD YOUR GROUND IN "PURITY" and "COMPREHENSION" will be enabled in you!

¹⁵⁰³ From the teachings that "THE DIVINE FORCE" taught me, years later, I came to understand what is the meaning of the "Roof" and its function. The "Roof" is in truth "THE DIVINE FORCE" and the material that one must use to build it is "PURITY" and "HOLINESS". "THE DIVINE FORCE" is truly everything manifested into one "PERFECT".

¹⁵⁰⁴ This is a wise advice given by the Archangel MATMONIEL. The "heart" here is a reference to "THE SEAT OF WISDOM", and as we have indicated in one previous annotation: "...do not lean on the work of "THE SEAT OF THE INTELLECT", but, instead, hearken and trust what comes out of "THE SEAT OF WISDOM"..."

Aristide:

It is the temple which is in me!

Archangel MATMONIEL:

Since it is the one which is in you, that suits me as I told you, but what you need to do, is to start with CHRIST before reaching THE FATHER, it will be easier for you, you will see.

Raise the pillars and other walls for him first, then, the walls can resist thanks to the material that you have used and this will take you back to THE FATHER.

Do you grasp what I am saying?¹⁵⁰⁵

Aristide:

Yes, I think that I understand!

Archangel MATMONIEL:

Do you think that you can change the way you want to build this time?

Aristide:

I will get to work!

Was there something else to propose me for the temple?

Archangel MATMONIEL:

I advise you to go step by step and you will see, take your time because this work will not be easy but I am sure that you will achieve it.

¹⁵⁰⁵ Only the one who built your innermost “TABERNACLE” in the first place can help you restore it into “HARMONY” with “THE DIVINE”, IHVH, our FATHER. Only “THE DIVINE FORCE” can help you restore that innermost “TABERNACLE”, and for that to happen, you MUST “... STAND IN “PURITY” AND HOLD YOUR GROUND IN “PURITY” ...” and call for “THE DIVINE FORCE” to assist you.

Aristide:

Regarding the different altars, are they stacked? The 2nd altar on a height of how many steps above the 1st and the 3rd on how many steps above the 2nd?

Archangel MATMONIEL:

Between the 1st and the 2nd, you can take one step, but between the 2nd and the 3rd there will be no more step. But I will tell you how to differentiate them when the time comes.

Aristide:

It is understood! Another question, can you tell me about the Saints who are of your lineage [angelic order]¹⁵⁰⁶?

Archangel MATMONIEL:

There are too many of us and perform the same work, with the only difference that I am the one who is responsible to allocate them the work to perform.

For example, I can task them to go and restore a temple which is destroyed and build it within a given time with the help of those who have been chosen by THE FATHER.

I obey the orders given by THE ETERNAL FATHER, through MICHAEL, GABRIEL, or RAPHAEL.¹⁵⁰⁷

So, my question was directed at the “HASHMALL” instance, in order to understand something about their features and roles.

Archangel MICHAEL:

Because they are not humans who drag back and forth, they like that the human discerns and increases his ability to discern with their help. Is there something that you have not understood?

Aristide:

No, I am still on my hunger!

I had already taken my plate and fork, and my dish is still empty!¹⁵⁰⁸

Archangel MICHAEL:

I am sure you will satiate your hunger before even having started, proceed I am listening, if I can help you, MOSES is also there to greet you.

Archangel MATMONIEL:

Do you have any other questions for me?

Aristide:

It is good.

Peace be with you MATMONIEL, as soon as I have more questions about the Temple, I will give you a shout.

Give my greetings to CHRIST!

Archangel MATMONIEL:

I thank you also, stay in peace, I bless the Lord and thank you also for listening, stay in peace!

¹⁵⁰⁸ During these conversations with the elders of the CREATION, I expected to “perceive” a hint coming out of their words, expression and answers, and which will reveal something about “THE DIVINE”, IHVH, our FATHER; a hint that will light-up the bulb and make you say: “...Eureka! There it is, now I see it; Ah! That, is representative or belongs to FATHER...”. But I did not “perceive” any such hint, hence the expression: “...I had already taken my plate and fork, and my dish is still empty!...”

Aristide:

Peace be with you, MATMONIEL!

Archangel MATMONIEL:

Peace be with you, brother Aristide!

Aristide:

Peace be with you, MICHAEL!

Archangel MICHAEL:

Peace be with you too!

Aristide:

Can you tell me about your language (its symbols, its representations, its expressions, etc.), because I feel that it is a very colourful and expressive language, not as human language which is very reduced and many things cannot be expressed using the symbols of the human language.

How many symbols are there? How are the words formed? Are the words the manifestations of the new emotions?

How do you represent the name of THE ETERNAL FATHER in your symbols?

Why is the human language so reduced?

Archangel MICHAEL:

It is like a kind of telepathy, our means of communication.

It is a different language from yours and that no human understands.

*As I told you already, there are parts that are missing in your writings and in all what you got, I will complete them progressively.*¹⁵⁰⁹

Thank you!

You are welcome.

*There are some names that have been deleted and others kept.*¹⁵¹⁰

1510 Why? What will humanity do with “whitewashed” information, with simulacrum information? As you have understood, this is about “censorship”: (1) the suppression and control of that, which is considered “inconvenient” to the public relation “image” that these “SPIRIT←SPIRIT” ‘CELESTIAL’ Creatures” have built for themselves and that they present to “SPIRIT←LIGHT” ‘EARTHLY’ Creatures”, and (2) the suppression and control of that, which may be valuable to “SPIRIT←LIGHT” ‘EARTHLY’ Creatures”, that, which will enable “SPIRIT←LIGHT” ‘EARTHLY’ Creatures” to save themselves from the coming

We never use your words and you cannot use ours because you would not understand them.

long awaited decree and closure of this “Second Phase” of “THE HOLY PROJECT”, and that is to say, the suppression and control of that, which will lead you to the “FRUITS” of that TREE, which is in the “NORTH”, that is to say, the teachings of “THE DIVINE FORCE”.

Do you remember the content of that “speech” that the Archangel MICHAEL gave, back then, once he had managed to destroy the first two “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creatures”, “ADAM” and “THE FEMALE”?

“...

*...You must leave the garden, it is the only way. **WE MUST ALSO KEEP YOU AWAY FROM THE TREE OF LIFE...***

...”

Do you think that he has forgotten his own sayings and the purposes behind that speech? These “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” were ordered by “THE DIVINE”, IHVH, our FATHER, to release their own account of their history and the events behind the unfolding of the implementation of this “Second Phase” of “THE HOLY PROJECT”, and to give it to humanity. And what have they done? The most clever of them came together, and they “whitewashed” their records on instruction of their leader, deliberately concealing unpleasant and incriminating facts and truth about their themselves and making their “EVIL” behaviors, their “SINS” and crimes to seem acceptable, and thinking that they will get away with their misconducts. And to humanity, they gave the resulting entertainment documents, in the form of information that will divert humanity from the essential, away from the problems that are at the root of its own condition, and keep it locked into “Obscurity”: the chronicles of the conflict of “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”, which were delivered to the human by the name of David Aguilar, and in which the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” describe their prowess of the absence of “THE KNOWLEDGE OF THE DIVINE” and their works of the “HUBRIS” of manifestations of metaphors of “DIVINE PRIMARY WEALTH”. The weight of their “SINS” and crimes is quite HEAVY for them to go to such length of deceptions to keep humanity in “Obscurity”. They do not seem to understand that “THE HOLY PROJECT” will not resume its course with the presence of “DISGRACE”, “IMPURITIES” and “LIES”. There is nothing secret that will not be disclosed on the DAY appointed by “THE DIVINE”, IHVH, our FATHER, there is nothing hidden that shall not be known and come to light.

Censorship did not start nowadays or in ancient times of this first “Specific Energy ‘EARTHLY’ Habitation Domain”, it was already instituted amongst these “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” before the creation of this first “Specific Energy ‘EARTHLY’ Habitation Domain” in which you live.

Aristide:

There is a “STAR” that every night, always shines (more than the others, and sometimes it appears alone in the sky) when I look out the window. How is that Angel called?¹⁵¹¹

Archangel MICHAEL:

It is RAGUEL, I will tell him that you do not recognize him anymore.

Aristide:

Not RAGUEL, this must be someone else. RAGUEL is larger, 1000 times greater when he appears.

Archangel MICHAEL:

It is because of the distance that separates us from you, but if you were closer, you would know that it is him.

Aristide:

Ah! Now I see.

Archangel MICHAEL:

Except if you would like that he comes himself to tell you about it this week?

Aristide:

When I will see him again, maybe even this afternoon, I will call him.

I must observe once more closely if he appears in two forms at the same time (Moon and that very bright “STAR”).

Archangel MICHAEL:

He has several forms, he can even come in the form of a human or a person that you know. RAGUEL himself will better explain it to you so that you understand because this is his domain.

¹⁵¹¹ We were talking about the “STAR” that humans have called “THE NORTHERN STAR”

Aristide:

I see! I was asking myself the question: "who is that one who is always brighter than the others "STARS"?"

Archangel MICHAEL:

You finally have the answer, you know it now.

Aristide:

Hm! Hm! (sign of surprise)

Archangel MICHAEL:

(Laughter) I will talk to RAGUEL

Aristide:

Do not laugh.

Archangel MICHAEL:

Humans are like this, everything surprises them. The more they know about us, the less they are surprised.

Aristide:

Thus RAGUEL can come in front of me in several forms at the same time and I will be looking elsewhere and to wonder where he is today? While he is right there in front of me?

Archangel MICHAEL:

RAGUEL can even take the form of a person that you do not want to see or that you can't stand. You understand then, that he can come in the form of your worst enemy.

In the meantime the Archangel RAGUEL has arrived.

Archangel RAGUEL:

Peace be with you brother Aristide, it's me RAGUEL, MICHAEL told me that you wanted to talk to me?

I had to wait until the end of your conversation.

Aristide:

Peace be with you, RAGUEL.

Archangel RAGUEL:

I am here and I am listening, if I can help you I would do it.

According to what MICHAEL told me, you hardly recognize me.

Aristide:

Indeed! I often see through the window a very bright “STAR” and I always wondered who is that one?

Archangel RAGUEL:

It is me, you do not have to worry about it.

Aristide:

Tell! How many forms exactly do you have?

Archangel RAGUEL:

Like all the others here, I have several, but it is much more in the form of “STARS”. Sometimes I take that of a human according to the work that I have to perform.

I can take your form to save people who are in need. But you will be aware of it, it is that, which is called very often duplication.

Aristide:

Hm! Hm! It is amazing.

Archangel RAGUEL:

It is very amazing and it surprises you, I know, but this is something that humans cannot quickly understand.

Are you all right? I visited the construction site with CHRIST and for the moment it is ok, it is guarded by angels so that nothing be introduced.

Aristide:

I am fine, thank you.

Archangel RAGUEL:

I look forward to your questions.

Aristide:

I am also trying to understand the indications of MATMONIEL with respect to the walls of the inner temple.

Archangel RAGUEL:

Do not forget that the most important is the temple of the Lord, which you built in your heart. Have you understood what MATMONIEL told you?

Aristide:

Yes, the earthly temple is the externalization of the one which is in my heart.

Archangel RAGUEL:

Yes, this means that, you build the one that is in your heart first and the rest you will be detailed in dreams or vision so that you do not make mistake, because it is what you will build in broad daylight that will reflect what will be in your heart.¹⁵¹²

Aristide:

By reading the writings that had been sealed, I have not seen "RAGUEL" name, did you have a different name at that time? Everything is possible with you.

¹⁵¹² In much the same as we have explained, all the destruction that you see in this earthly world is the result of the "‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures" demonstrating their own actions; it is a reflection and the progeny of what they have hidden in themselves.

Archangel RAGUEL:

I had the same name, it is just that the writings are incomplete, there are too many of us, as you know, especially those who are not mentioned.

Did you know that it is MICHAEL who has created us too, following the orders of THE FATHER? Did you know it? I don't think so, because you asked what was the difference between us.

Aristide:

I read it in the writings, it is so that I had the impression that he is the one who has created everything that exists, under the order of THE ETERNAL FATHER.¹⁵¹³

Archangel RAGUEL:

It is good that you have learned, that encourages me to answer you.

THE FATHER created MICHAEL, he is the only one HE created. Then, MICHAEL has created everything and gave each of us a role and each of you, it is thanks to him that you think and that we talk now.¹⁵¹⁴

¹⁵¹³ I was thus fed with “sheeps dungs”, just as human creatures are. And I ate abundantly, until I was naked as “ADAM” and “THE FEMALE” had been.

Years after this conversation, “THE DIVINE”, IHVH, our FATHER, through “THE DIVINE FORCE”, “THE INVISIBLE” among the invisible ones who do not see Her, educated me on “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” in its details, and of which none of the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” has knowledge, and SHE showed me how SHE created everything, and I saw “THE DIVINE FORCE” at work and how SHE has created everything into existence in the attribute “NON DIVINE”.

It was thus then, that I understood why “THE DIVINE”, IHVH, our FATHER had sent these archangels to me so that I ask them questions: To measure by myself the plant of “THE KNOWLEDGE OF THE DIVINE” inside those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”. With exception of CHRIST, the plant of “THE KNOWLEDGE OF THE DIVINE” inside those “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” and the elders human creatures, is meager and inexistent.

¹⁵¹⁴ This is not correct, and this is what all the “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” have always believed, not knowing how they came into existence and not able to see “THE DIVINE FORCE”.

Tell me a little about the connection between MICHAEL and that, which is called the “Shekinah”.

MICHAEL answers himself to you because it concerns him.

The Shekinah is a kind of Temple, which allows to reach the father. it serves as a bridge between the father and the rest¹⁵¹⁵ and the only one to get through is me or CHRIST. It is like the Temple of which we were talking about to you the last time, and which is divided into 3 parts: that of humans, angels and THE FATHER.

Read more in the section concerning the details of annotations — Annotation on the task of restoring “THE TABERNACLE” of “THE DIVINE”.

I act as an intermediary for the moment.¹⁵¹⁶ I hope that it does not confuse you or do you want to I explain it better?

Aristide:

Explain! From what I can see, every pure human creature is a Temple.

Archangel MICHAEL:

I convey the messages from THE FATHER to others, sometimes it is the Son who pass them to me because all others (archangels and angels) cannot go to THE FATHER directly without going through us, you remember the LIGHT that renders people almost blind? It also exists for them, except for me and CHRIST, it is the reason why there is this passage, this path that the father has established.¹⁵¹⁷

Any pure human creature is a temple. This means: pure heart, pure “thoughts”¹⁵¹⁸, respect of the precepts and commandments. You can be you too if you want.

Aristide:

It is not for nothing that I ask these questions.

Archangel RAGUEL:

Is there something else for me?

Aristide:

I have no more questions for RAGUEL.

I will try from now on to recognize you at every moment.

Peace be with you RAGUEL, give my greetings to PHANUEL.

¹⁵¹⁶ At that moment I had felt like sadness in him; it was as if I “saw” directly what was inside of him. I understood and he also understood that he will be dismissed from his function, but I had not paid more attention.

¹⁵¹⁷ This is an explanation of one of the purposes for which the “‘SPIRIT←LIGHT’ ‘EARTHLY’ Creature” was created into existence in the attribute “NON DIVINE”.

¹⁵¹⁸ It is here about the “Interpreted THOUGHTS” that are associated with these creatures that are into existence in the attribute “NON DIVINE”.

Archangel RAGUEL:

I don't know if you will because I come in many forms, but I wish you good luck and that you recognize me, peace be with you too, I will pass the message to others.

Blessed be THE FATHER! Blessed are you!

Aristide:

Every angel I spoke with told me that his primary mission is to defend the realm of THE ETERNAL FATHER. And from what I can see, the realm of THE ETERNAL FATHER begins at the Inner Temple of any pure creature! Am I in mistake, MICHAEL?

Archangel MICHAEL:

You are not wrong this time. I hope that at least you have understood.

Aristide:

I hope so too!

Archangel MICHAEL:

Now you know what must be done.

Every human creature has a temple in him, he just simply need to know how to maintain it, whether to build it or keep it in ruins.

Aristide:

We have not forgotten URIEL! Peace be with you URIEL!

Archangel URIEL:

Thanks, I know you have not forgotten me, I had hope until the end, I stood my ground, hoping that one would think of me.

Aristide:

It is good! In that way, I am comforted.

You are not also going to appear in all your forms like RAGUEL?

While I will be looking for you on the right hand side, you will be just in front of my eyes.

Archangel URIEL:

No, you won't see me as such, but (... private conversation ...)

Aristide:

OK! No more questions. First, I will digest all what I received today as teaching!

MICHAEL, pass my regards to CHRIST and to THE ETERNAL FATHER!

Archangel MICHAEL:

I will do it, I promise!

EXTENDED ANNOTATIONS

"... THE FATHER created MICHAEL, he is the only one HE created. Then, MICHAEL has created everything and gave each of us a role and each of you, it is thanks to him that you think and that we talk now. ..."

This is not correct, and this is what all the "SPIRIT←SPIRIT" 'CELESTIAL' Creatures" have always believed, not knowing how they came into existence and not able to see "THE DIVINE FORCE".

Do you remember that speech that the Archangel MICHAEL gave inside that, which had been restaured of "THE SHEKINAH", and in which he and AZAZEL have formalized their rigged "DEATH CONTRACT" against "ADAM"? Over there, and in front of the "SPIRIT←SPIRIT" 'CELESTIAL' Creatures" that were listening, he had said: *"...The man has no favors that **you** did not have, **my first child**. ..."*

"My first child" was said in reference to AZAZEL. We have already revealed how these "SPIRIT←SPIRIT" 'CELESTIAL' Creatures" were "spoken" into existence. As you would have understood by now, all "SPIRIT←SPIRIT" 'CELESTIAL' Creatures" were "spoken" into existence through the Archangel MICHAEL, by "THE DIVINE FORCE" and on instruction from "THE DIVINE", IHVH, our FATHER. It is so that the Archangel MICHAEL thought that he was the one who was bringing forth these "SPIRIT←SPIRIT" 'CELESTIAL' Creatures" into existence by his own volition. In the same way, he thought, and all the others "SPIRIT←SPIRIT" 'CELESTIAL' Creatures" also thought, that he was the one who created the "SPIRIT←LIGHT" 'EARTHLY' Creature". His own speech gives you an indication on the depth of absence of "THE KNOWLEDGE OF THE DIVINE" in these "SPIRIT←SPIRIT" 'CELESTIAL' Creatures".

If, as these "SPIRIT←SPIRIT" 'CELESTIAL' Creatures" say, *"...MICHAEL has created everything and gave each of us a role and each of you, it is thanks to him that you think and that we talk now..."*, then, WHY would someone who allegedly has created everything, not know about "THE DIVINE SUPREME CONFIGURATION" of seven "Divine Particles" and its details, from which everything that is "PURE" and that came into existence inside this attribute "NON DIVINE" is a product? WHY would someone who allegedly has created everything, deceive and assassinate his alleged creatures, "ADAM" and "THE FEMALE", and hence humanity, and let them bear the weight of his own "SINS" and the consequences of his own "BETRAYAL", which he has perpetrated against "THE DIVINE", IHVH, our FATHER? Where is the MORAL EXCELLENCE in

such behaviour? To claim to have created everything is not something to be taken lightly. And during this conversation, the Archangel MICHAEL is standing there, listening to what the Archangel RAGUEL, who is “...responsible to take care of all that, which is Heavenly, that is to say the Kingdom of Heaven, and to protect and to lead the “STARS”...”¹⁵¹⁹, is begetting into existence. And not once did Archangel MICHAEL say something like: “Wait a minute, actually, I am not the author of these things; I am not the one who created everything, and in fact, I do not even know the meaning of these things; for, if I knew the meaning of these things, I will also know and understand quite a lot of things concerning “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” and its details, and hence concerning “THE DIVINE FORCE” and “THE DIVINE”, IHVH, our FATHER.” He let the “LIES” to be told to the human, who was asleep on the bed of ignorance. What does this tell you about these high ranking “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures”? What does this tell you about the extent of “KNOWLEDGE OF THE DIVINE” that they have grown in them? Do you understand why that extent of “THE KNOWLEDGE OF THE DIVINE”, at their last appraisal at the end of the “First Phase” of “THE HOLY PROJECT”, was measured and found to be non existent? What about the “younger” “‘SPIRIT←SPIRIT’ ‘CELESTIAL’ Creatures” under their care and direction? And what about all the human creatures that have been fed abundantly with such progeny of “Obscurity” since the creation of this first “Specific Energy ‘EARTHLY’ Habitation Domain”? And what does this tell you about their fallen nemesises that are locked up in “DEPTH OF THE WATERS” of this first “Specific Energy ‘EARTHLY’ Habitation Domain”? Do you see the general picture and the “Obscurity” into which they have locked the CREATION?

In truth, “THE DIVINE”, IHVH, our FATHER, created “THE DIVINE FORCE”, from eternity and long before that the attribute “NON DIVINE” was the object of a project. “THE DIVINE FORCE” has worked in the very inside of “THE DIVINE DOMAIN”, and with Her conjoint, “THE DIVINE ARCHITECT AND PROJECT MASTER”, SHE achieved “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” that “THE DIVINE”, IHVH, our FATHER has then, consolidated in Himself.

Long after that, “THE DIVINE”, IHVH, our FATHER wanted to share the benefits of this “DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” with someone else, but HE was the sole existence and it was then, that HE has

¹⁵¹⁹ See conversation of August 29, 2005, Aristide with the Archangel RAGUEL on the “LUMINAIRES” and the “STARS”.

established to create “OTHER THAN HIMSELF” and with whom HE would share the benefits of this “DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”: it was the beginning of the project of the realization of the attribute “NON DIVINE”.

“THE DIVINE ARCHITECT AND PROJECT MASTER” has then, designed and established the listing of all the products of this “DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”, in all their details including all models associated to these products, their designations and all their attributes, and that “THE DIVINE”, IHVH, our FATHER chose to share with “OTHER THAN HIMSELF”. HE has established all the metaphors and all the proportionality factors that define the laws of change of frame of reference, between “THE ABSOLUTE FRAME OF REFERENCE” defined by “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” in “THE DIVINE” and “THE FRAME OF REFERENCE OF THE ATTRIBUTE ‘NON DIVINE’” in the attribute “NON DIVINE”.

It is then, that “THE DIVINE”, IHVH, our FATHER anointed “THE DIVINE FORCE” of the seals of “THE PERFECTION” and gave Her the order to create the attribute “NON DIVINE”. And “THE DIVINE FORCE” has accomplished that task. Once that task was completed, then, “THE DIVINE FORCE” descended first in the attribute “NON DIVINE” and SHE created a spark which is the manifestation of a metaphor of “THE LIGHT OF THE DIVINE”. From that spark which is “THE LIGHT” of the attribute “NON DIVINE”, “THE DIVINE FORCE” has created the “Autogene God”, since the attribute “NON DIVINE” does not contain that, which is of the attribute “DIVINE”, and SHE has also anointed it with Her five seals.

Subsequently, on the instructions of “THE DIVINE”, IHVH, our FATHER, it is then, that “THE DIVINE FORCE” created the Archangel MICHAEL, and the details have been given through the on-going texts, and how all the rest has been created into existence in the attribute “NON DIVINE”.

But the celestial creatures have always believed and believe that it is the Archangel MICHAEL, who created all things, not being able to see “THE DIVINE FORCE” at work.

Having no knowledge of “THE DIVINE SUPREME CONFIGURATION” of seven “Divine Particles” which is found inside “THE DIVINE”, and its products, moreover, being unaware that they are into existence within the attribute “NON DIVINE” which is similar to a small waterproof container in “NON DIVINE”, how can the Archangel MICHAEL have created even the manifestation of a single

product that emanates from this “DIVINE SUPREME CONFIGURATION” of seven “Divine Particles”?

CANTICLE THAT CHRIST SANG TO HIS DISCIPLES TO LEAD THEM TO UNDERSTAND WHO HE IS

The glory be with You, FATHER.
The glory be with You, The Word
The glory be with You, The Grace
The glory be with You, The Spirit
The glory be with You, The Holy
The glory be to Your Glory
We praise You, O father;
We give You thanks, O light where darkness does not live.

Now while we Thank You, I say:
 I will be saved, and I will save.
 I will be freed, and I will deliver.
 I will be hurt, and I will hurt.
 I will be born, and in me I will bear.
 I will eat, and I will be eaten.
 I will hear, and I will be heard.
 I will be in memory, completely in memory.
 I will be washed, and I will wash.
 Dancing of grace. I will whistle; let's all dance.
 I will cry: you should all lament.

The number eight (Ogdoad) ¹⁵²⁰ sings and extol with us.
 The number twelve dancing from above. ¹⁵²¹
 All of the paths from above take part in our dance.
 He who do not dance, knows not the One who is leaving.
 I will save myself, and I will stay.
 I will adorn, and I will be adorned.
 I will be united, and I will unite.
 A house I have not, and houses I have
 A place I have not, and places I have
 A temple I have not, and temples I have
 I am a light for those who see me
 I am a mirror for those who perceive me
 I am a door for those who knock on me
 I am the path for those who seek You.
 Now answer to my dance.
 You see Yourself in me talking, and see what I do,
 Do not say anything about my mysteries.
 You who dance, see what I am doing,
 For you is this passion of humanity,
 That I am about to suffer.
 Because you could not have understood your pain
 If I had not been sent for you, as the word of THE
 FATHER.

¹⁵²⁰ Refers to the “specific spiritual formation” of “THE CHURCH” from “THE SHEKINAH”, before that CHRIST rises to take his place inside “THE SHEKINAH” — “THE THRONE OF THE DIVINE IN THE ATTRIBUTE ‘NON DIVINE’” — in the “Specific Energy ‘CELESTIAL’ Domain” in the attribute “NON DIVINE”.

¹⁵²¹ Refers to the “Sealed Twelve”.

In me you will know the word of wisdom.

The glory be with You, FATHER;

The glory be with the Holy Spirit.

I jumped:

But do you understand all that, and the having understood, say:

THE GLORY BE WITH YOU, FATHER.
